

1
00:00:14,749 --> 00:00:12,709
to find out

2
00:00:16,970 --> 00:00:14,759
you know how how he was a little about

3
00:00:20,390 --> 00:00:16,980
reporting it I tell you what he told me

4
00:00:22,990 --> 00:00:20,400
right okay this happened the 18th of

5
00:00:28,210 --> 00:00:26,269
white on white mountain outside of

6
00:00:31,370 --> 00:00:28,220
Tucumcari New Mexico

7
00:00:34,130 --> 00:00:31,380
he was lost deer hunting in that area

8
00:00:37,190 --> 00:00:34,140
that's why he was several miles to Camp

9
00:00:39,470 --> 00:00:37,200
it got dark on forced to do

10
00:00:41,930 --> 00:00:39,480
your mom come here

11
00:00:44,950 --> 00:00:41,940
so eight of them on the ground

12
00:00:44,960 --> 00:00:49,490
now it's okay

13
00:00:56,630 --> 00:00:53,510

he said they were about two stories high

14

00:00:59,630 --> 00:00:56,640

he said there was sponsorships

15

00:01:02,810 --> 00:00:59,640

they had a pop at the bottom

16

00:01:05,329 --> 00:01:02,820

or read his life like he told me like a

17

00:01:07,190 --> 00:01:05,339

the edge of a paper plate and all the

18

00:01:09,289 --> 00:01:07,200

red one okay because that's the way they

19

00:01:11,929 --> 00:01:09,299

were on the top and on the bottom in the

20

00:01:15,830 --> 00:01:11,939

middle there was a band of Lights

21

00:01:19,070 --> 00:01:15,840

Bill white that the uh but they had the

22

00:01:19,730 --> 00:01:19,080

red lights or in the shape of ants oh my

23

00:01:23,690 --> 00:01:19,740

God

24

00:01:25,730 --> 00:01:23,700

okay they had a uh any of therapy for

25

00:01:28,010 --> 00:01:25,740

seven or eight thousand

26

00:01:30,350 --> 00:01:28,020

and they observed here they had an

27

00:01:32,210 --> 00:01:30,360

internal started to be over there

28

00:01:34,910 --> 00:01:32,220

one of us is that's

29

00:01:36,170 --> 00:01:34,920

okay you 've got 200 yards

30

00:01:39,770 --> 00:01:36,180

from

31

00:01:41,630 --> 00:01:39,780

the worship that he could see yes there

32

00:01:44,510 --> 00:01:41,640

that there was one shift that was closer

33

00:01:47,420 --> 00:01:44,520

to him knew something extreme the ones

34

00:01:59,109 --> 00:01:47,430

that had to get down for his head

35

00:02:03,590 --> 00:02:00,950

theater

36

00:02:09,669 --> 00:02:03,600

a revolving light

37

00:02:09,679 --> 00:02:13,510

light as it went around

38

00:02:19,990 --> 00:02:16,970

the hill because I didn't know what that

39

00:02:20,000 --> 00:02:35,930

get down

40

00:02:38,449 --> 00:02:37,550

and

41

00:02:41,089 --> 00:02:38,459

um

42

00:02:43,430 --> 00:02:41,099

it has okay the spacious and Landing

43

00:02:47,710 --> 00:02:43,440

lights on the bottom he did not see any

44

00:02:51,650 --> 00:02:50,570

it feels eight on the ground they're all

45

00:02:55,009 --> 00:02:51,660

about

46

00:02:57,890 --> 00:02:55,019

thank you Kevin half mile apart

47

00:03:00,830 --> 00:02:57,900

I'm not sure if they accepted

48

00:03:02,809 --> 00:03:00,840

I forget he can tell you exactly

49

00:03:07,190 --> 00:03:02,819

you can subscribe them real well yes

50

00:03:09,830 --> 00:03:07,200

okay and he saw each one of them and a

51
00:03:11,890 --> 00:03:09,840
minimum of four antennas and he was

52
00:03:14,570 --> 00:03:11,900
wanting me through the so funny

53
00:03:15,530 --> 00:03:14,580
he's been like first came in it's dirty

54
00:03:17,089 --> 00:03:15,540
Fair

55
00:03:18,949 --> 00:03:17,099
you know anyway

56
00:03:20,869 --> 00:03:18,959
more frightened than he knew what to do

57
00:03:28,970 --> 00:03:20,879
he didn't have any ammunition in his gun

58
00:03:28,980 --> 00:03:44,170
things

59
00:03:50,949 --> 00:03:46,190
not funny

60
00:03:54,530 --> 00:03:50,959
and uh he said that the antennas

61
00:03:56,630 --> 00:03:54,540
are 53 velocity for a little while and

62
00:03:58,009 --> 00:03:56,640
then disappeared three years later he's

63
00:04:01,190 --> 00:03:58,019

come back in

64

00:04:05,710 --> 00:04:01,200

we figured then they weren't bothering

65

00:04:11,149 --> 00:04:05,720

but uh it's just the antenna

66

00:04:14,990 --> 00:04:12,530

see anything

67

00:04:16,550 --> 00:04:15,000

attached to the ship he said they look

68

00:04:19,129 --> 00:04:16,560

like little uh

69

00:04:21,229 --> 00:04:19,139

twinkly lights you know I used to do a

70

00:04:23,090 --> 00:04:21,239

red and

71

00:04:24,350 --> 00:04:23,100

white blue green

72

00:04:26,749 --> 00:04:24,360

blue

73

00:04:33,230 --> 00:04:26,759

black people it didn't look like a neon

74

00:04:33,240 --> 00:04:42,170

player

75

00:04:42,180 --> 00:04:48,170

in the case of the feet are applied

76

00:04:52,370 --> 00:04:49,129

um

77

00:04:54,230 --> 00:04:52,380

I think there was one in the sky

78

00:04:57,010 --> 00:04:54,240

I wonder if it was black and lightning

79

00:05:01,070 --> 00:04:57,020

up to the one inside

80

00:05:06,469 --> 00:05:03,650

and he said also when they came in if

81

00:05:10,010 --> 00:05:06,479

they did not make any noise

82

00:05:11,510 --> 00:05:10,020

and he said they would uh

83

00:05:14,030 --> 00:05:11,520

and he said he thought they would

84

00:05:15,710 --> 00:05:14,040

communicate because they did they didn't

85

00:05:19,370 --> 00:05:15,720

make a noise

86

00:05:21,950 --> 00:05:19,380

it was a real sharp High blip

87

00:05:25,430 --> 00:05:21,960

always back and forth

88

00:05:29,870 --> 00:05:25,440

the beeping show yeah okay

89

00:05:34,430 --> 00:05:33,170

okay and he said also a case like during

90

00:05:37,850 --> 00:05:34,440

the night

91

00:05:39,170 --> 00:05:37,860

they were slashed in the sky he said the

92

00:05:41,629 --> 00:05:39,180

white light

93

00:05:46,129 --> 00:05:41,639

ning

94

00:05:57,890 --> 00:05:48,770

plants

95

00:05:57,900 --> 00:06:04,390

yes

96

00:06:11,210 --> 00:06:07,370

Before Dawn

97

00:06:20,170 --> 00:06:14,029

or just before darn it my husband was

98

00:06:27,350 --> 00:06:24,050

you know it's a frightened me right

99

00:06:29,689 --> 00:06:27,360

and he could get four dogs wanted to

100

00:06:31,990 --> 00:06:29,699

shifts relaxing

101
00:06:34,610 --> 00:06:32,000
Supreme

102
00:06:36,770 --> 00:06:34,620
her husband was

103
00:06:39,650 --> 00:06:36,780
the uh

104
00:06:43,150 --> 00:06:39,660
uh player type thing in the middle of it

105
00:06:47,390 --> 00:06:45,170
well and we didn't know what they were

106
00:06:49,189 --> 00:06:47,400
doing anyway but you know yes there was

107
00:06:51,590 --> 00:06:49,199
one going one way one going the other

108
00:06:53,090 --> 00:06:51,600
way if his brother Here Comes lost

109
00:06:57,290 --> 00:06:53,100
against what

110
00:06:59,090 --> 00:06:57,300
yeah Don King he falls directly as if he

111
00:07:01,270 --> 00:06:59,100
saw a barrel

112
00:07:04,730 --> 00:07:01,280
but

113
00:07:07,370 --> 00:07:04,740

anyway as they came up as a decision

114

00:07:09,230 --> 00:07:07,380

that they started taking off this is

115

00:07:12,890 --> 00:07:09,240

what they would do

116

00:07:15,230 --> 00:07:12,900

your favorite go up on their aunt

117

00:07:17,390 --> 00:07:15,240

so we're not you know laying flat like a

118

00:07:19,370 --> 00:07:17,400

coffee because they would blow up under

119

00:07:21,909 --> 00:07:19,380

well can you see it after the start

120

00:07:24,890 --> 00:07:21,919

because then they look apart

121

00:07:29,350 --> 00:07:24,900

uh gyrate or vibrating or something you

122

00:07:34,629 --> 00:07:31,790

with the pale breed and all of a sudden

123

00:07:36,830 --> 00:07:34,639

it was like okay it doesn't look like

124

00:07:38,170 --> 00:07:36,840

since then they took off and they were

125

00:07:40,870 --> 00:07:38,180

gone

126
00:07:42,830 --> 00:07:40,880
to die

127
00:07:44,749 --> 00:07:42,840
take off

128
00:07:47,770 --> 00:07:44,759
that way

129
00:07:49,969 --> 00:07:47,780
because they look like a

130
00:07:53,210 --> 00:07:49,979
falling star

131
00:07:56,330 --> 00:07:53,220
okay now which day was it that they took

132
00:07:58,330 --> 00:07:56,340
off okay then you got lost Thursday

133
00:08:00,890 --> 00:07:58,340
night uh

134
00:08:03,469 --> 00:08:00,900
so that would make it Friday morning the

135
00:08:03,479 --> 00:08:16,370
um

136
00:08:16,380 --> 00:08:22,850
yes

137
00:08:22,860 --> 00:08:49,720
foreign

138
00:08:49,730 --> 00:08:56,690

[Applause]

139

00:08:56,700 --> 00:09:01,490

that they were oh I think

140

00:09:06,290 --> 00:09:03,670

I think a couple hundred four hours

141

00:09:08,389 --> 00:09:06,300

okay now I want to get a confirmation on

142

00:09:12,410 --> 00:09:08,399

this day he got lost on Thursday the

143

00:09:17,210 --> 00:09:12,420

18th and he got out on Friday the 19th

144

00:09:22,190 --> 00:09:19,430

when it was getting dust and he knew he

145

00:09:23,750 --> 00:09:22,200

was long he heard a beat going across

146

00:09:27,170 --> 00:09:23,760

the Mesa in there

147

00:09:28,730 --> 00:09:27,180

or son of a team talent and they were

148

00:09:31,970 --> 00:09:28,740

they only said they were going across

149

00:09:33,889 --> 00:09:31,980

that make the Lickety Flint so we five

150

00:09:45,290 --> 00:09:33,899

three morning shots in the Years hoping

151
00:10:02,590 --> 00:09:48,290
and he was at uh two carry at the time

152
00:10:07,430 --> 00:10:05,030
find out about it today

153
00:10:10,550 --> 00:10:07,440
okay did he give any estimate of size on

154
00:10:10,560 --> 00:10:17,269
wow so I don't know how long

155
00:10:23,710 --> 00:10:19,730
and as he told us to anyone else beside

156
00:10:23,720 --> 00:10:29,090
it was crazy

157
00:10:34,269 --> 00:10:31,370
okay now would he be willing to talk to

158
00:10:38,410 --> 00:10:34,279
someone if they came down there

159
00:10:44,090 --> 00:10:41,090
you know we found out that

160
00:10:47,150 --> 00:10:44,100
if uh people won't think we're crazy now

161
00:10:49,790 --> 00:10:47,160
for other people have seen them

162
00:10:51,769 --> 00:10:49,800
so forth it you know they're through a

163
00:10:54,410 --> 00:10:51,779

couple weeks he's home he's right to

164

00:10:56,810 --> 00:10:54,420

tell insights that think he's crazy or

165

00:11:00,290 --> 00:10:56,820

something but my husband did not believe

166

00:11:00,300 --> 00:11:11,590

foreign

167

00:11:20,030 --> 00:11:13,610

scientific data

168

00:11:26,410 --> 00:11:22,550

I screamed down and not only that you

169

00:11:35,870 --> 00:11:28,690

he's trying to get those

170

00:11:39,889 --> 00:11:38,269

did he give any estimate as to how far

171

00:11:41,090 --> 00:11:39,899

away the objects were that were on the

172

00:11:44,389 --> 00:11:41,100

ground

173

00:11:47,449 --> 00:11:44,399

uh the one he's the one he was watching

174

00:11:48,889 --> 00:11:47,459

I think he said was about 200 yards he

175

00:11:51,410 --> 00:11:48,899

said he thought that there was one

176

00:11:54,889 --> 00:11:51,420

closer than that to him but he didn't

177

00:11:56,990 --> 00:11:54,899

see it because he figured that the

178

00:11:59,030 --> 00:11:57,000

antennas or whatever it was it was over

179

00:12:00,470 --> 00:11:59,040

his head that's what he's calling

180

00:12:02,870 --> 00:12:00,480

because he don't know what else to call

181

00:12:13,150 --> 00:12:02,880

yes it was always here he said there's

182

00:12:19,009 --> 00:12:15,650

that were on the ground

183

00:12:23,170 --> 00:12:19,019

and he didn't know how I wanted to I was

184

00:12:23,180 --> 00:12:33,230

he didn't see any occupants at all

185

00:12:39,970 --> 00:12:35,329

The Landing lights

186

00:12:44,569 --> 00:12:42,889

just had a little light on the tail at

187

00:12:50,810 --> 00:12:44,579

uh

188

00:12:54,290 --> 00:12:52,610

okay what time does your husband get

189

00:12:57,110 --> 00:12:54,300

home from work well he's in business

190

00:12:59,150 --> 00:12:57,120

going south and right now he's working a

191

00:13:07,310 --> 00:12:59,160

lot so I don't know exactly when he's

192

00:13:11,509 --> 00:13:09,290

that's why he asked me to call so he

193

00:13:15,710 --> 00:13:11,519

figured he was getting until after Dawn

194

00:13:19,850 --> 00:13:18,170

well we appreciate this report and we'll

195

00:13:22,069 --> 00:13:19,860

see if we can't get somebody down there

196

00:13:24,769 --> 00:13:22,079

to talk to him okay thank you very much

197

00:13:26,870 --> 00:13:24,779

where did you get our number from the

198

00:13:29,269 --> 00:13:26,880

police department we saw the Air Force

199

00:13:31,009 --> 00:13:29,279

and they didn't know who to call or if

200

00:13:32,650 --> 00:13:31,019

we should record it or what and they

201
00:13:36,050 --> 00:13:32,660
suggested we call the police department

202
00:13:37,790 --> 00:13:36,060
so I called Police Department making uh

203
00:13:39,550 --> 00:13:37,800
leave the numbers that's in this week

204
00:13:42,129 --> 00:13:39,560
please

205
00:13:44,930 --> 00:13:42,139
okay thanks again

206
00:13:47,750 --> 00:13:44,940
this is a UFO Reporting Center in

207
00:13:49,610 --> 00:13:47,760
Seattle Washington yes and uh your wife

208
00:13:51,350 --> 00:13:49,620
is telling telling us this morning she

209
00:13:53,930 --> 00:13:51,360
had quite an experience

210
00:13:59,090 --> 00:13:53,940
well I wonder if we could get uh your

211
00:13:59,100 --> 00:14:04,370
well uh went on alone

212
00:14:11,449 --> 00:14:07,850
and went down into the canyon

213
00:14:17,509 --> 00:14:14,889

the first step in the Mexico

214

00:14:19,730 --> 00:14:17,519

and when I came out of the canyon I

215

00:14:21,290 --> 00:14:19,740

didn't go far enough

216

00:14:26,569 --> 00:14:21,300

all right

217

00:14:26,579 --> 00:14:33,470

got turned around I went out to direct

218

00:14:33,480 --> 00:14:36,110

I don't know

219

00:14:40,009 --> 00:14:38,329

and uh

220

00:14:46,189 --> 00:14:40,019

well I did

221

00:14:46,199 --> 00:14:50,569

hear you fire one shot

222

00:15:09,110 --> 00:14:51,650

well

223

00:15:11,150 --> 00:15:09,120

it was bright enough to be uh

224

00:15:16,569 --> 00:15:11,160

uh

225

00:15:20,569 --> 00:15:16,579

okay

226
00:15:27,290 --> 00:15:20,579
for a heck of a long way for fun

227
00:15:27,300 --> 00:15:33,430
um I kept going kept on

228
00:15:37,730 --> 00:15:35,990
the right

229
00:15:39,290 --> 00:15:37,740
alive

230
00:15:42,470 --> 00:15:39,300
and

231
00:15:46,610 --> 00:15:44,449
a little weight

232
00:15:48,410 --> 00:15:46,620
before I got to fly

233
00:15:52,430 --> 00:15:48,420
what's up man

234
00:15:55,189 --> 00:15:52,440
respect my mundane and therefore

235
00:15:57,410 --> 00:15:55,199
you know where I'm at

236
00:16:00,230 --> 00:15:57,420
maybe it's raining

237
00:16:02,870 --> 00:16:00,240
or Gameworks yes

238
00:16:05,329 --> 00:16:02,880

went on

239

00:16:07,129 --> 00:16:05,339

and I got this little oh

240

00:16:10,550 --> 00:16:07,139

and

241

00:16:17,030 --> 00:16:12,710

oh

242

00:16:33,230 --> 00:16:19,370

and

243

00:16:35,750 --> 00:16:33,240

well

244

00:16:38,749 --> 00:16:35,760

fired my gun

245

00:16:44,150 --> 00:16:41,870

they shine Spotlight off

246

00:16:47,150 --> 00:16:44,160

and they were flashing the spotlight all

247

00:16:49,249 --> 00:16:47,160

over the area but they wouldn't stop

248

00:16:51,170 --> 00:16:49,259

I kept shooting in Spring man they

249

00:16:53,629 --> 00:16:51,180

wouldn't stop

250

00:16:55,310 --> 00:16:53,639

G everything they did clean up too I

251
00:16:56,569 --> 00:16:55,320
think I'm just getting out of there

252
00:16:58,490 --> 00:16:56,579
well anyway

253
00:17:05,449 --> 00:16:58,500
about what time was this do you recall

254
00:17:05,459 --> 00:17:10,069
well yeah

255
00:17:13,970 --> 00:17:12,110
it could have been around nine well

256
00:17:16,610 --> 00:17:13,980
anyway

257
00:17:20,150 --> 00:17:16,620
I'm trying to see where the Jeep went

258
00:17:25,970 --> 00:17:22,309
and I went

259
00:17:28,549 --> 00:17:25,980
back the way the Jeep went behind me and

260
00:17:30,049 --> 00:17:28,559
I went back the other way for the Jeep

261
00:17:33,169 --> 00:17:30,059
going

262
00:17:37,010 --> 00:17:35,270
he was just definitely gone he wouldn't

263
00:17:38,630 --> 00:17:37,020

stop nobody

264

00:17:43,070 --> 00:17:38,640

and then

265

00:17:43,080 --> 00:17:48,289

life

266

00:17:53,630 --> 00:17:51,110

I didn't know he was there

267

00:17:55,909 --> 00:17:53,640

and he turned this light on

268

00:17:57,049 --> 00:17:55,919

and

269

00:17:59,870 --> 00:17:57,059

so

270

00:18:01,730 --> 00:17:59,880

I didn't know what it was but I knew

271

00:18:04,789 --> 00:18:01,740

uh it wasn't

272

00:18:08,270 --> 00:18:04,799

anything that I've ever seen before

273

00:18:11,750 --> 00:18:08,280

but life was a big rectangular life I

274

00:18:17,150 --> 00:18:13,430

and whatever

275

00:18:19,430 --> 00:18:17,160

they put out a glow like a fog

276

00:18:21,529 --> 00:18:19,440

it wasn't a sharp life like a headlight

277

00:18:27,230 --> 00:18:21,539

is it quite great

278

00:18:33,890 --> 00:18:29,810

it looks like a big farm

279

00:18:35,150 --> 00:18:33,900

he saw big rectangulars like oh

280

00:18:38,090 --> 00:18:35,160

the way it looked

281

00:18:42,230 --> 00:18:38,100

it was kind of the lights too yes

282

00:18:42,240 --> 00:18:46,370

I uh

283

00:18:52,909 --> 00:18:48,710

started looking at the other object that

284

00:18:55,789 --> 00:18:52,919

was around I counted eight on the ground

285

00:19:00,110 --> 00:18:57,110

account and

286

00:19:03,049 --> 00:19:00,120

the light would pass

287

00:19:06,529 --> 00:19:03,059

and sound like a funny when it hit the

288

00:19:14,630 --> 00:19:06,539

bushes it found winds

289

00:19:14,640 --> 00:19:18,250

blood

290

00:19:22,970 --> 00:19:20,990

could I stop for a minute yeah

291

00:19:24,890 --> 00:19:22,980

you see that when the light was going

292

00:19:27,590 --> 00:19:24,900

around was there some kind of a shaft of

293

00:19:30,350 --> 00:19:27,600

light uh being shined around yes this

294

00:19:32,510 --> 00:19:30,360

was something like a like a Searchlight

295

00:19:35,270 --> 00:19:32,520

you know if you think you start slicing

296

00:19:37,190 --> 00:19:35,280

used for advertising right yeah well

297

00:19:41,029 --> 00:19:37,200

that was a type of light but it was a

298

00:19:46,970 --> 00:19:42,470

and

299

00:19:50,870 --> 00:19:48,650

as far away as it was it could have been

300

00:19:53,210 --> 00:19:50,880

a four by eight

301
00:19:54,470 --> 00:19:53,220
let's see uh-huh

302
00:19:56,150 --> 00:19:54,480
well

303
00:19:58,669 --> 00:19:56,160
when the light come around the first

304
00:20:01,250 --> 00:19:58,679
time I got down

305
00:20:05,810 --> 00:20:01,260
I don't know why I got an empty goddamn

306
00:20:09,529 --> 00:20:07,970
used the rifle

307
00:20:11,090 --> 00:20:09,539
well I don't think I'm gonna move this

308
00:20:12,470 --> 00:20:11,100
right around I might be able to find

309
00:20:18,049 --> 00:20:12,480
deer out there

310
00:20:22,610 --> 00:20:20,450
great

311
00:20:24,350 --> 00:20:22,620
the light was on I did not look directly

312
00:20:27,350 --> 00:20:24,360
in the light yes

313
00:20:35,029 --> 00:20:27,360

and I looked through the scope

314

00:20:40,730 --> 00:20:38,270

and if we do the brass the same way

315

00:20:41,330 --> 00:20:40,740

we'll just take it and just just shake

316

00:20:45,830 --> 00:20:41,340

it

317

00:20:49,970 --> 00:20:45,840

take the break

318

00:20:54,770 --> 00:20:52,310

and

319

00:20:57,049 --> 00:20:54,780

while I was watching them

320

00:20:58,490 --> 00:20:57,059

I watched the other one across the

321

00:21:00,950 --> 00:20:58,500

microwave

322

00:21:05,270 --> 00:21:00,960

that was one that had a revolving life

323

00:21:11,630 --> 00:21:07,669

and I looked at and the life is rolling

324

00:21:11,640 --> 00:21:21,950

I am actually I guess that

325

00:21:25,610 --> 00:21:23,750

and it was like

326
00:21:26,750 --> 00:21:25,620
blue

327
00:21:28,490 --> 00:21:26,760
red

328
00:21:32,870 --> 00:21:28,500
and green

329
00:21:35,149 --> 00:21:32,880
and the life all you can see on

330
00:21:37,850 --> 00:21:35,159
180 degrees

331
00:21:40,250 --> 00:21:37,860
you couldn't see the full 360 degree

332
00:21:44,930 --> 00:21:40,260
let's look at a regular

333
00:21:49,130 --> 00:21:47,210
and that was on the ground also

334
00:21:51,350 --> 00:21:49,140
example

335
00:21:55,669 --> 00:21:51,360
Okay so

336
00:21:58,789 --> 00:21:55,679
I was man I was confused

337
00:21:59,930 --> 00:21:58,799
I would say I'm okay

338
00:22:01,909 --> 00:21:59,940

and

339

00:22:05,149 --> 00:22:01,919

in the meantime this other life kept

340

00:22:06,610 --> 00:22:05,159

moving back and forth

341

00:22:10,490 --> 00:22:06,620

and I know

342

00:22:14,930 --> 00:22:12,230

I didn't know which way

343

00:22:16,310 --> 00:22:14,940

I built me a fire

344

00:22:19,970 --> 00:22:16,320

right there

345

00:22:19,980 --> 00:22:23,510

what's good

346

00:22:30,890 --> 00:22:25,970

in the sky

347

00:22:30,900 --> 00:22:35,210

clear it's okay

348

00:22:40,610 --> 00:22:38,390

play it all with the rectangular antenna

349

00:22:43,430 --> 00:22:40,620

now there's no wires and texts it's just

350

00:22:43,440 --> 00:22:46,730

blue

351
00:22:51,909 --> 00:22:48,770
light

352
00:22:58,370 --> 00:22:51,919
look like a Prius

353
00:23:04,430 --> 00:23:01,190
nothing

354
00:23:06,289 --> 00:23:04,440
they disappeared

355
00:23:09,110 --> 00:23:06,299
do you have an estimate of altitude in

356
00:23:11,029 --> 00:23:09,120
there oh that damn thing wasn't no 30

357
00:23:14,270 --> 00:23:11,039
feet for me okay

358
00:23:15,649 --> 00:23:14,280
and uh oh it was probably 25 40 feet in

359
00:23:17,930 --> 00:23:15,659
here

360
00:23:19,190 --> 00:23:17,940
and

361
00:23:21,649 --> 00:23:19,200
this thing

362
00:23:26,870 --> 00:23:21,659
with this right over the top but

363
00:23:30,770 --> 00:23:28,970

and you could just turn it any position

364

00:23:33,049 --> 00:23:30,780

you want to

365

00:23:38,390 --> 00:23:33,059

let me do and the one that broke me was

366

00:23:43,310 --> 00:23:41,149

and I don't know what the hell it was I

367

00:23:45,590 --> 00:23:43,320

was talking I was I mean I was so scared

368

00:23:51,169 --> 00:23:45,600

I was talking to myself leave me alone I

369

00:23:58,250 --> 00:23:54,110

I just thought I'd look at it the scope

370

00:24:03,169 --> 00:24:00,770

thing and you couldn't see

371

00:24:04,549 --> 00:24:03,179

these little flickers

372

00:24:06,049 --> 00:24:04,559

life

373

00:24:10,010 --> 00:24:06,059

blue red

374

00:24:14,510 --> 00:24:11,750

when you put

375

00:24:16,669 --> 00:24:14,520

he could look right through it

376

00:24:19,250 --> 00:24:16,679

and what I've seen

377

00:24:23,510 --> 00:24:19,260

has made the hell out of me it looks

378

00:24:23,520 --> 00:24:26,690

a boat player

379

00:24:39,649 --> 00:24:29,750

two Wings though this is better and he

380

00:24:39,659 --> 00:24:43,070

real weird

381

00:24:43,080 --> 00:24:48,230

it's just you couldn't see the

382

00:24:51,169 --> 00:24:49,549

things that would look right through it

383

00:24:53,510 --> 00:24:51,179

and in the center of that thing it

384

00:24:55,549 --> 00:24:53,520

looked like a rose

385

00:24:57,169 --> 00:24:55,559

and

386

00:25:01,850 --> 00:24:57,179

figure

387

00:25:06,049 --> 00:25:04,250

difficult and at times it has two or

388

00:25:07,909 --> 00:25:06,059

three

389

00:25:11,630 --> 00:25:07,919

questions

390

00:25:17,270 --> 00:25:13,909

circuit TV

391

00:25:23,570 --> 00:25:17,280

maybe Crown cancer I don't know

392

00:25:23,580 --> 00:25:34,549

I was burning a viruses huh

393

00:25:45,890 --> 00:25:37,430

one time the night

394

00:25:54,590 --> 00:25:48,590

and it would appears

395

00:25:59,690 --> 00:25:57,169

and then they would flash another one

396

00:26:02,149 --> 00:25:59,700

now what I mean by flashing with it was

397

00:26:03,590 --> 00:26:02,159

disappear from the sky just as those

398

00:26:06,890 --> 00:26:03,600

being protected right into the

399

00:26:09,649 --> 00:26:06,900

atmosphere right and it looked like

400

00:26:14,330 --> 00:26:09,659

money watching

401
00:26:20,570 --> 00:26:15,409
like

402
00:26:25,909 --> 00:26:20,580
right yeah let's let's learn out now

403
00:26:34,070 --> 00:26:29,090
and then it would disappear

404
00:26:37,610 --> 00:26:36,289
but it had a border around this plus

405
00:26:41,570 --> 00:26:37,620
some other

406
00:26:41,580 --> 00:26:51,169
and they appeared several different

407
00:26:57,890 --> 00:26:53,450
have been

408
00:27:02,690 --> 00:27:00,649
only time I've seen actual Landing light

409
00:27:05,149 --> 00:27:02,700
on the grass

410
00:27:09,230 --> 00:27:05,159
is when one was coming in

411
00:27:11,330 --> 00:27:09,240
and it was on quick loop on the bottom

412
00:27:13,789 --> 00:27:11,340
they were like

413
00:27:16,610 --> 00:27:13,799

he touched down and

414

00:27:21,950 --> 00:27:16,620
did turn off

415

00:27:21,960 --> 00:27:24,529
also

416

00:27:29,750 --> 00:27:27,049
on the uh

417

00:27:34,250 --> 00:27:29,760
one big class

418

00:27:34,260 --> 00:27:37,669
it looks basically like

419

00:27:37,679 --> 00:27:49,730
a band born around the middle of it

420

00:27:54,649 --> 00:27:52,130
and the band had something like a picket

421

00:27:56,330 --> 00:27:54,659
fence rolling through it

422

00:27:58,070 --> 00:27:56,340
and these

423

00:28:00,649 --> 00:27:58,080
I don't like to take advantage you know

424

00:28:03,169 --> 00:28:00,659
you've seen that diagonal type

425

00:28:04,909 --> 00:28:03,179
like a z-bar attack

426
00:28:07,970 --> 00:28:04,919
these panels

427
00:28:07,980 --> 00:28:11,510
white background

428
00:28:11,520 --> 00:28:15,890
and think about it all the way around

429
00:28:22,730 --> 00:28:17,570
oh this was moving around on the

430
00:28:26,930 --> 00:28:25,010
but what I mean is the band was around

431
00:28:31,730 --> 00:28:26,940
on the horizontal line on the vertical

432
00:28:35,750 --> 00:28:34,130
wow

433
00:28:38,630 --> 00:28:35,760
I never

434
00:28:40,669 --> 00:28:38,640
thought I'd ever believed

435
00:28:46,130 --> 00:28:40,679
when these things tough off I watch

436
00:28:52,190 --> 00:28:49,190
they would lay on the edge

437
00:28:55,850 --> 00:28:52,200
and broke back 300 feet

438
00:29:02,630 --> 00:28:58,490

horizontal with the ground right

439

00:29:05,390 --> 00:29:02,640

then it put back the panel up

440

00:29:09,049 --> 00:29:05,400

the panels would turn white first

441

00:29:11,510 --> 00:29:09,059

we have to go to a Cracker Barrel blue

442

00:29:17,510 --> 00:29:11,520

for pastel green

443

00:29:21,889 --> 00:29:19,970

Falls right

444

00:29:24,169 --> 00:29:21,899

as long as he sit there and run that

445

00:29:24,179 --> 00:29:28,730

it was

446

00:29:28,740 --> 00:29:33,409

she could just watch it a prayer

447

00:29:37,370 --> 00:29:35,690

and then he'd just move on

448

00:29:38,330 --> 00:29:37,380

he didn't make a bit of sound to

449

00:29:45,350 --> 00:29:38,340

anything

450

00:29:46,789 --> 00:29:45,360

like uh they run one sound

451
00:29:52,909 --> 00:29:46,799
pattern

452
00:29:52,919 --> 00:29:56,930
breakthrough open

453
00:29:56,940 --> 00:30:00,350
the plane

454
00:30:08,149 --> 00:30:03,289
Crown straight patch and let's run that

455
00:30:14,090 --> 00:30:11,389
but that's the only noise they ever made

456
00:30:17,269 --> 00:30:14,100
that I think

457
00:30:17,279 --> 00:30:22,909
always wondering

458
00:30:22,919 --> 00:30:27,649
well each one of these Clans

459
00:30:27,659 --> 00:30:31,250
one at a time

460
00:30:37,190 --> 00:30:34,250
wow this was Daylight when they started

461
00:30:40,549 --> 00:30:37,200
doing this no no it was they started

462
00:30:42,649 --> 00:30:40,559
probably pulling out around 3 30. three

463
00:30:47,330 --> 00:30:42,659

to three Thirty

464

00:30:50,450 --> 00:30:47,340

and the last one most likely oh okay

465

00:30:53,149 --> 00:30:50,460

but he pulled out

466

00:30:55,610 --> 00:30:53,159

oh I could get my half mile or a mile

467

00:31:02,210 --> 00:30:55,620

off and he sat there

468

00:31:08,389 --> 00:31:04,250

stuff there and sit there

469

00:31:13,970 --> 00:31:11,630

could you see a solid surface on this

470

00:31:15,350 --> 00:31:13,980

well last could you see a solid surface

471

00:31:17,330 --> 00:31:15,360

on the last one

472

00:31:20,029 --> 00:31:17,340

oh yeah right

473

00:31:22,549 --> 00:31:20,039

it was just sitting there like suspended

474

00:31:25,070 --> 00:31:22,559

in space there was no

475

00:31:28,370 --> 00:31:25,080

cloud or nothing around him

476
00:31:32,330 --> 00:31:28,380
he was this bad this stuff we're making

477
00:31:37,549 --> 00:31:35,210
okay he was the last one to leave

478
00:31:40,370 --> 00:31:37,559
before he left

479
00:31:43,130 --> 00:31:40,380
he must have been control

480
00:31:44,450 --> 00:31:43,140
or something because they're one in the

481
00:31:48,889 --> 00:31:44,460
sky

482
00:31:52,730 --> 00:31:50,210
there's only

483
00:31:55,250 --> 00:31:52,740
one thing that was different

484
00:31:58,010 --> 00:31:55,260
there was a light theme going up

485
00:31:59,570 --> 00:31:58,020
my life being coming down and it just

486
00:32:01,490 --> 00:31:59,580
more or less like you can see two like

487
00:32:05,210 --> 00:32:01,500
things

488
00:32:11,149 --> 00:32:08,690

right it was not going past this song

489

00:32:16,730 --> 00:32:11,159

enabled we're coming right down to this

490

00:32:22,370 --> 00:32:20,630

I was at the star in the sky the

491

00:32:29,269 --> 00:32:22,380

starlighting in the sky was that quite

492

00:32:29,279 --> 00:32:33,289

I couldn't tell how big it was

493

00:32:37,190 --> 00:32:34,250

but

494

00:32:38,930 --> 00:32:37,200

there was a light thing coming down all

495

00:32:41,450 --> 00:32:38,940

right soon and one going up because it

496

00:32:44,930 --> 00:32:41,460

was two exactly

497

00:32:46,130 --> 00:32:44,940

and they look like a theme of as if you

498

00:32:48,649 --> 00:32:46,140

would take a

499

00:32:51,470 --> 00:32:48,659

one of these advertising

500

00:32:54,350 --> 00:32:51,480

to shine one up and chime one down

501
00:33:03,529 --> 00:32:56,330
they appeared

502
00:33:07,190 --> 00:33:05,810
their neighbors just gone with beans

503
00:33:09,710 --> 00:33:07,200
were gone

504
00:33:11,810 --> 00:33:09,720
okay were those beams uh through this

505
00:33:14,590 --> 00:33:11,820
whole thing only directed onto the one

506
00:33:22,789 --> 00:33:14,600
craft oh only on that one

507
00:33:26,690 --> 00:33:24,769
and if I told you how I got out of you

508
00:33:28,370 --> 00:33:26,700
would you wouldn't believe I'm not sure

509
00:33:30,529 --> 00:33:28,380
about it anyway

510
00:33:39,889 --> 00:33:30,539
these little

511
00:33:39,899 --> 00:33:43,490
call them antenna

512
00:33:53,029 --> 00:33:45,529
Dawn

513
00:34:05,029 --> 00:33:54,649

antenna

514

00:34:10,690 --> 00:34:07,430

flare

515

00:34:13,790 --> 00:34:10,700

around the step two Wings though

516

00:34:15,530 --> 00:34:13,800

it's not like we need to prefer like a

517

00:34:20,210 --> 00:34:15,540

regular Road friends just

518

00:34:23,930 --> 00:34:22,310

and they can move these

519

00:34:30,770 --> 00:34:23,940

in any direction

520

00:34:37,310 --> 00:34:33,230

when I'm talking about the points is the

521

00:34:37,320 --> 00:34:43,870

the burning Club yes

522

00:34:43,880 --> 00:34:50,450

[Music]

523

00:34:50,460 --> 00:35:06,349

and another one was found

524

00:35:06,359 --> 00:35:13,569

Ed

525

00:35:17,990 --> 00:35:16,190

and I didn't get back

526
00:35:32,150 --> 00:35:18,000
to the Third

527
00:35:38,690 --> 00:35:34,670
and I was totally exhausted when I got

528
00:35:44,210 --> 00:35:42,170
okay I was at 11 o'clock AM or p.m a.m

529
00:35:47,870 --> 00:35:44,220
okay

530
00:35:50,329 --> 00:35:47,880
now I don't know how far away

531
00:35:53,990 --> 00:35:50,339
I was but I figured I was throwing at

532
00:35:54,000 --> 00:36:01,370
destination

533
00:36:05,930 --> 00:36:04,370
did you feel yourself that they were

534
00:36:10,130 --> 00:36:05,940
actually directing you in which

535
00:36:13,790 --> 00:36:10,140
direction to go yeah I did

536
00:36:16,910 --> 00:36:13,800
because that one time when I seen him

537
00:36:18,410 --> 00:36:16,920
when I started to see them pictures

538
00:36:21,670 --> 00:36:18,420

oh my God

539

00:36:23,870 --> 00:36:21,680

one of these antennas is there and I I

540

00:36:26,270 --> 00:36:23,880

sprained him I said I don't want to have

541

00:36:28,849 --> 00:36:26,280

you ever got your [h__h] together you know

542

00:36:30,589 --> 00:36:28,859

what the hell are you doing that's what

543

00:36:33,950 --> 00:36:30,599

I told her

544

00:36:36,410 --> 00:36:33,960

I don't know if they can hear me or not

545

00:36:39,770 --> 00:36:36,420

I told them I was lost and beat me the

546

00:36:41,630 --> 00:36:39,780

hell alone but do your thing

547

00:36:45,890 --> 00:36:41,640

that I don't want to do

548

00:36:45,900 --> 00:36:49,310

oh I played that

549

00:36:54,950 --> 00:36:51,290

15 foot long

550

00:37:03,950 --> 00:36:56,990

close the couch

551
00:37:08,630 --> 00:37:05,930
okay and you are sure that you did not

552
00:37:11,210 --> 00:37:08,640
sleep or lose any time at all

553
00:37:13,130 --> 00:37:11,220
I'm sure that okay I have to stay awake

554
00:37:21,410 --> 00:37:13,140
all night

555
00:37:25,849 --> 00:37:23,630
stop falling though you know I stepped

556
00:37:33,770 --> 00:37:25,859
into the fire

557
00:37:38,210 --> 00:37:35,870
wouldn't know where

558
00:37:39,470 --> 00:37:38,220
but I'll tell you I can close my eyes

559
00:37:41,450 --> 00:37:39,480
are

560
00:37:43,190 --> 00:37:41,460
looking a different direction or forget

561
00:37:46,490 --> 00:37:43,200
about them and turn around and they'll

562
00:37:48,530 --> 00:37:46,500
still be there okay you know I thought

563
00:37:49,849 --> 00:37:48,540

maybe well maybe you're saying something

564

00:37:54,050 --> 00:37:49,859

you know

565

00:37:56,510 --> 00:37:54,060

think you're seeing things

566

00:38:01,430 --> 00:37:56,520

to look at it anymore think about

567

00:38:06,050 --> 00:38:04,130

I looked at it

568

00:38:08,810 --> 00:38:06,060

went back there and started cleaning

569

00:38:11,270 --> 00:38:08,820

whistling yelling screaming hollering

570

00:38:13,130 --> 00:38:11,280

health and everything else

571

00:38:15,829 --> 00:38:13,140

and uh

572

00:38:19,190 --> 00:38:15,839

turn around they're still there

573

00:38:21,050 --> 00:38:19,200

okay now the last object to leave you

574

00:38:24,010 --> 00:38:21,060

got a good look at that was it partial

575

00:38:26,870 --> 00:38:24,020

daylight then yeah okay

576

00:38:29,930 --> 00:38:26,880

okay now in your opinion would that

577

00:38:32,329 --> 00:38:29,940

object be metallic

578

00:38:34,130 --> 00:38:32,339

well whatever well you wouldn't believe

579

00:38:36,650 --> 00:38:34,140

the engineering in on that thing though

580

00:38:37,609 --> 00:38:36,660

anything can lay on this Edge as big as

581

00:38:40,430 --> 00:38:37,619

it was

582

00:38:42,589 --> 00:38:40,440

move off without a crime or crown okay

583

00:38:45,589 --> 00:38:42,599

now in your opinion just how big excuse

584

00:38:51,550 --> 00:38:47,450

well I'll tell you what's the biggest

585

00:38:58,670 --> 00:38:54,290

my hands

586

00:39:08,470 --> 00:39:01,310

the two-thirds of Rogers

587

00:39:15,230 --> 00:39:11,510

did you uh

588

00:39:16,370 --> 00:39:15,240

spend notice any openings okay

589

00:39:20,390 --> 00:39:16,380

um

590

00:39:24,890 --> 00:39:20,400

no I couldn't clean no portholes or

591

00:39:28,010 --> 00:39:24,900

anything like an aircraft supervised

592

00:39:35,930 --> 00:39:30,349

ful for death that you know people could

593

00:39:42,829 --> 00:39:39,950

yeah that uh could you describe

594

00:39:49,849 --> 00:39:42,839

that last one the exact shape as you saw

595

00:39:55,310 --> 00:39:52,069

wait a minute all right

596

00:39:58,310 --> 00:39:55,320

okay you take them in Reverse them

597

00:40:01,250 --> 00:39:58,320

the vehicles go one way

598

00:40:08,530 --> 00:40:01,260

on the top and one way on the bottom but

599

00:40:14,290 --> 00:40:11,150

okay then you pull this

600

00:40:17,210 --> 00:40:14,300

they pull them apart

601
00:40:19,130 --> 00:40:17,220
I play that class I'd put them apart

602
00:40:23,329 --> 00:40:19,140
about an animal

603
00:40:28,250 --> 00:40:24,890
that way

604
00:40:28,260 --> 00:40:33,890
it's like a z thing

605
00:40:45,290 --> 00:40:37,550
okay but it didn't really see it was

606
00:40:45,300 --> 00:40:50,210
they weren't walking it wasn't an Empire

607
00:40:58,010 --> 00:40:52,670
so I guess would be AZ time like a z on

608
00:40:58,020 --> 00:41:02,710
is laying in there

609
00:41:09,650 --> 00:41:05,410
white okay

610
00:41:12,349 --> 00:41:09,660
now how many did you actually see land

611
00:41:13,910 --> 00:41:12,359
I clean forward land

612
00:41:16,069 --> 00:41:13,920
third

613
00:41:17,390 --> 00:41:16,079

about four more that was already there

614

00:41:20,569 --> 00:41:17,400

actually

615

00:41:22,609 --> 00:41:20,579

I can't before okay in other words after

616

00:41:25,870 --> 00:41:22,619

you got to the area there were four more

617

00:41:28,849 --> 00:41:25,880

came down right okay do they seem to be

618

00:41:31,010 --> 00:41:28,859

uh in one particular area or did they

619

00:41:32,569 --> 00:41:31,020

more or less uh surround the area that

620

00:41:34,490 --> 00:41:32,579

you were in they was more or less

621

00:41:39,470 --> 00:41:34,500

surrounding that night but they would

622

00:41:46,069 --> 00:41:43,370

miles from okay those projections that

623

00:41:48,230 --> 00:41:46,079

came into the mid-air uh of the faces

624

00:41:51,890 --> 00:41:48,240

where there's anyone any face that you

625

00:41:51,900 --> 00:41:56,450

that's like a man's face

626

00:41:56,460 --> 00:42:01,130

uh

627

00:42:05,870 --> 00:42:02,569

okay

628

00:42:11,030 --> 00:42:08,930

the point of applying glove would be at

629

00:42:13,010 --> 00:42:11,040

the bottom

630

00:42:13,970 --> 00:42:13,020

the head would be

631

00:42:15,530 --> 00:42:13,980

interested

632

00:42:21,770 --> 00:42:15,540

and uh

633

00:42:25,010 --> 00:42:23,390

um

634

00:42:27,770 --> 00:42:25,020

about

635

00:42:30,890 --> 00:42:27,780

look like a fake and the other ones look

636

00:42:32,210 --> 00:42:30,900

like I just with a border around

637

00:42:34,910 --> 00:42:32,220

like a possible

638

00:42:38,210 --> 00:42:34,920

Explorer okay

639

00:42:42,650 --> 00:42:38,220

I think we're all uh

640

00:42:46,670 --> 00:42:44,870

quite long

641

00:42:49,190 --> 00:42:46,680

Focus

642

00:42:51,410 --> 00:42:49,200

on which direction would that be from

643

00:42:53,569 --> 00:42:51,420

the uh Tucumcari

644

00:43:00,170 --> 00:42:53,579

Noah

645

00:43:07,910 --> 00:43:05,569

uh actually it's about a mile white coin

646

00:43:09,770 --> 00:43:07,920

the area I was hunting in

647

00:43:13,730 --> 00:43:09,780

okay

648

00:43:16,490 --> 00:43:13,740

well wagon miles of 20 35 miles per hour

649

00:43:21,410 --> 00:43:16,500

where my truck was parked

650

00:43:27,829 --> 00:43:24,589

did you see anything else after before

651
00:43:31,970 --> 00:43:29,930
after you had signed your truck it was

652
00:43:35,210 --> 00:43:31,980
walking out to your truck during the

653
00:43:58,430 --> 00:43:35,220
daylight period did you no idea

654
00:44:01,849 --> 00:44:00,230
okay have you discussed this with anyone

655
00:44:03,770 --> 00:44:01,859
else

656
00:44:11,829 --> 00:44:03,780
yeah

657
00:44:16,430 --> 00:44:14,569
with all

658
00:44:21,950 --> 00:44:16,440
okay

659
00:44:26,589 --> 00:44:23,630
the I got ready to leave

660
00:44:30,109 --> 00:44:28,849
I thought of that I wouldn't believe

661
00:44:40,730 --> 00:44:30,119
that

662
00:44:48,170 --> 00:44:44,089
go because the hell would it go

663
00:44:48,180 --> 00:44:52,609

so it's your transfer

664

00:44:57,349 --> 00:44:55,490

okay did you so when this happened uh

665

00:44:59,089 --> 00:44:57,359

with those antennas did you get any kind

666

00:45:00,470 --> 00:44:59,099

of mental impression that that's the

667

00:45:03,950 --> 00:45:00,480

direction you were supposed to go in

668

00:45:10,309 --> 00:45:06,470

okay do you feel that possibly they were

669

00:45:10,319 --> 00:45:16,490

all right

670

00:45:22,069 --> 00:45:19,849

with my opinion at the past and I said

671

00:45:23,150 --> 00:45:22,079

well heck both of them correct that's

672

00:45:27,589 --> 00:45:23,160

where I'm going

673

00:45:27,599 --> 00:45:30,250

crazy

674

00:45:36,530 --> 00:45:33,890

for that like that my whole life

675

00:45:41,210 --> 00:45:38,870

the way the terrain up there was it just

676
00:45:45,230 --> 00:45:41,220
out of

677
00:45:47,450 --> 00:45:45,240
when you start down off the ridge

678
00:45:49,390 --> 00:45:47,460
one little mesa into

679
00:45:52,069 --> 00:45:49,400
another one

680
00:45:56,510 --> 00:45:52,079
canyons and out of the Canyons too

681
00:45:58,550 --> 00:45:56,520
another Mesa impact worse and it really

682
00:46:06,950 --> 00:45:58,560
couldn't get high enough to see where he

683
00:46:11,450 --> 00:46:08,990
sometimes since this happened have you

684
00:46:13,849 --> 00:46:11,460
seen anything in the sky since then no

685
00:46:17,630 --> 00:46:13,859
okay have you had any strange mental or

686
00:46:17,640 --> 00:46:21,230
now um

687
00:46:35,450 --> 00:46:24,470
about three days to get back to normal

688
00:46:44,809 --> 00:46:39,230

I just couldn't believe what I mean

689

00:46:50,290 --> 00:46:47,210

have you had any dreams about this

690

00:46:55,010 --> 00:46:52,849

all right sir if we could get somebody

691

00:46:57,710 --> 00:46:55,020

in there to talk to you would you give

692

00:47:00,349 --> 00:46:57,720

them the time to discuss this and

693

00:47:09,109 --> 00:47:00,359

make up some diagrams various things I'd

694

00:47:12,290 --> 00:47:10,670

uh and uh

695

00:47:14,569 --> 00:47:12,300

uh

696

00:47:15,829 --> 00:47:14,579

I've got an artist that was going to

697

00:47:18,230 --> 00:47:15,839

draw that for me

698

00:47:19,730 --> 00:47:18,240

but uh

699

00:47:22,370 --> 00:47:19,740

got around to it

700

00:47:24,470 --> 00:47:22,380

but uh

701

00:47:26,030 --> 00:47:24,480

I could actually throw those antennas

702

00:47:31,069 --> 00:47:26,040

the way you get cleaned with your eye

703

00:47:31,079 --> 00:47:34,430

a hundred dollars back because

704

00:47:40,550 --> 00:47:36,710

there's Coke money combined

705

00:47:46,250 --> 00:47:43,130

the weirdest thing

706

00:47:55,550 --> 00:47:48,770

there look at that

707

00:48:01,069 --> 00:47:57,829

you couldn't look at some words

708

00:48:26,170 --> 00:48:01,079

uh was that with or without the school

709

00:48:32,089 --> 00:48:28,550

how close do you feel that the closest

710

00:48:39,530 --> 00:48:32,099

object was well I played the closest one

711

00:48:39,540 --> 00:48:42,950

them affordable

712

00:48:47,329 --> 00:48:45,230

so you know I did while they were all on

713

00:48:49,490 --> 00:48:47,339

the ground during the night where they

714

00:48:52,250 --> 00:48:49,500

all maintaining about the same color and

715

00:48:53,750 --> 00:48:52,260

same intensity of light at all times

716

00:48:55,550 --> 00:48:53,760

um

717

00:49:04,490 --> 00:48:55,560

no

718

00:49:08,270 --> 00:49:04,500

each one would run that planet line

719

00:49:14,390 --> 00:49:09,650

every hour

720

00:49:14,400 --> 00:49:17,809

sometimes you wouldn't keep it up

721

00:49:22,730 --> 00:49:20,150

that's a fun little light on

722

00:49:22,740 --> 00:49:25,609

and uh

723

00:49:30,349 --> 00:49:28,790

the light was on the outside I could not

724

00:49:32,630 --> 00:49:30,359

I wouldn't even see the landing light

725

00:49:35,150 --> 00:49:32,640

but that won't turn them on

726
00:49:37,190 --> 00:49:35,160
whoever it was yes

727
00:49:38,450 --> 00:49:37,200
but uh

728
00:49:43,609 --> 00:49:38,460
the best

729
00:49:49,790 --> 00:49:45,589
in this guy

730
00:49:54,829 --> 00:49:51,770
now that's the best one I got to look at

731
00:49:56,930 --> 00:49:54,839
because he was directly in front of me

732
00:49:58,609 --> 00:49:56,940
okay another being that came down from

733
00:50:01,190 --> 00:49:58,619
that way but is that one that came right

734
00:50:04,790 --> 00:50:01,200
to the ground no it went in it about

735
00:50:07,130 --> 00:50:04,800
this on top of the kids okay

736
00:50:10,670 --> 00:50:07,140
there was two running from that vehicle

737
00:50:12,710 --> 00:50:10,680
up to the one in the sky yeah right okay

738
00:50:14,150 --> 00:50:12,720

no well these objects that were sitting

739

00:50:16,130 --> 00:50:14,160

on the ground were they all sitting up

740

00:50:18,950 --> 00:50:16,140

on their or standing or parked or

741

00:50:20,990 --> 00:50:18,960

whatever on their side no they was

742

00:50:23,630 --> 00:50:21,000

laying on their belly they were flying

743

00:50:25,790 --> 00:50:23,640

flat okay

744

00:50:28,309 --> 00:50:25,800

could not say no landing gear

745

00:50:29,630 --> 00:50:28,319

so when they took off did they rise off

746

00:50:32,329 --> 00:50:29,640

of the ground a little bit before they

747

00:50:34,550 --> 00:50:32,339

turned up on edge yeah okay then they

748

00:50:38,390 --> 00:50:34,560

laid on their side they was totally

749

00:50:38,400 --> 00:50:42,530

they had almost went on the brain

750

00:50:46,910 --> 00:50:45,650

he laid right on his head

751
00:50:49,609 --> 00:50:46,920
okay

752
00:50:53,930 --> 00:50:49,619
did it go slow all the way

753
00:50:55,730 --> 00:50:53,940
they went slow until he laid it back now

754
00:50:58,130 --> 00:50:55,740
vertical with the ground

755
00:51:01,609 --> 00:50:58,140
I mean horizontal with the grass

756
00:51:04,549 --> 00:51:01,619
and then the only thing what what means

757
00:51:07,549 --> 00:51:04,559
but I just started calling the gyro

758
00:51:08,809 --> 00:51:07,559
I started calling that intersection a

759
00:51:12,349 --> 00:51:08,819
gyro

760
00:51:14,270 --> 00:51:12,359
the one with the red panel in it yes

761
00:51:16,430 --> 00:51:14,280
and with a white background now I call

762
00:51:19,210 --> 00:51:16,440
that a gyro

763
00:51:21,650 --> 00:51:19,220

that's the only thing I know it could be

764

00:51:24,410 --> 00:51:21,660

sophisticated enough but it's got to be

765

00:51:29,270 --> 00:51:27,049

and while all this takeoff was going on

766

00:51:31,210 --> 00:51:29,280

you didn't hear any sound no sound at

767

00:51:36,950 --> 00:51:31,220

all

768

00:51:38,569 --> 00:51:36,960

engulfed with this uh Corona of light

769

00:51:43,430 --> 00:51:38,579

you couldn't see the vehicle itself

770

00:51:50,089 --> 00:51:45,410

now when they moved away did they go

771

00:51:57,290 --> 00:51:53,530

did they all go in the same direction

772

00:52:01,490 --> 00:51:57,300

yeah okay and but when they turned and

773

00:52:01,500 --> 00:52:06,010

great light in the sky

774

00:52:11,089 --> 00:52:08,809

didn't take them long

775

00:52:14,089 --> 00:52:11,099

did you actually see them go to that

776

00:52:16,609 --> 00:52:14,099

light no not exactly could because

777

00:52:18,650 --> 00:52:16,619

they've moved it so damn fast yeah it

778

00:52:20,510 --> 00:52:18,660

was a clear night

779

00:52:22,250 --> 00:52:20,520

and but you can still see him moving

780

00:52:28,309 --> 00:52:22,260

then after you get out a little ways it

781

00:52:33,109 --> 00:52:29,990

because they've been gone

782

00:52:37,670 --> 00:52:35,150

okay Mr Masterson well we sure

783

00:52:39,950 --> 00:52:37,680

appreciate your talking to us and uh if

784

00:52:42,349 --> 00:52:39,960

we can get someone in there why we'll

785

00:52:44,750 --> 00:52:42,359

have them call you ahead of time to make

786

00:52:46,970 --> 00:52:44,760

an appointment and uh

787

00:52:48,170 --> 00:52:46,980

give them a chance to get some diagrams

788

00:52:51,290 --> 00:52:48,180

well

789

00:52:55,309 --> 00:52:53,930

I would uh we're more than happy to

790

00:53:01,309 --> 00:52:55,319

cooperate with

791

00:53:06,670 --> 00:53:03,890

okay uh do you watch your name healed

792

00:53:14,450 --> 00:53:06,680

absolutely confidential in this

793

00:53:14,460 --> 00:53:18,770

uh

794

00:53:25,910 --> 00:53:20,809

but what I pay you is going to be the

795

00:53:31,190 --> 00:53:28,190

that somebody's right there because I

796

00:53:43,849 --> 00:53:33,290

well that's that's what we want we're in

797

00:53:43,859 --> 00:53:49,670

I've always said

798

00:53:53,030 --> 00:53:50,809

you know

799

00:53:55,809 --> 00:53:53,040

I was up there I was

800

00:53:59,030 --> 00:53:55,819

I fired my last man

801
00:54:04,490 --> 00:53:59,040
I should have a round at all not one

802
00:54:09,829 --> 00:54:06,770
oh

803
00:54:13,190 --> 00:54:09,839
I have an empty gun

804
00:54:13,200 --> 00:54:17,150
they got that kind

805
00:54:20,630 --> 00:54:18,770
thank you

806
00:54:24,410 --> 00:54:20,640
a lot about it

807
00:54:27,950 --> 00:54:24,420
yes yes they do

808
00:54:31,190 --> 00:54:27,960
force or some kind of Mickey Mouse deal

809
00:54:48,170 --> 00:54:34,370
black and fire at him

810
00:54:53,930 --> 00:54:51,230
I'm watching yes does your first name em

811
00:54:57,829 --> 00:54:53,940
or why or your wife
