

## UFO fever in Fyffe

Sightings draw  
crowds and jibes

1  
00:00:03,889 --> 00:00:02,450  
this is fife Alabama a small farming

2  
00:00:05,630 --> 00:00:03,899  
Community set in the heart of the South

3  
00:00:07,550 --> 00:00:05,640  
where in the past year and a half some

4  
00:00:11,930 --> 00:00:07,560  
very strange things have been happening

5  
00:00:18,230 --> 00:00:14,150  
our chief this crowd really looks pretty

6  
00:00:20,269 --> 00:00:18,240  
quiet just another bunch of UFO Hunters

7  
00:00:22,429 --> 00:00:20,279  
this film focused on the strange

8  
00:00:24,170 --> 00:00:22,439  
occurrences in Fife as a way of drawing

9  
00:00:26,750 --> 00:00:24,180  
attention to teen drinking and driving

10  
00:00:28,130 --> 00:00:26,760  
it's been very effective but for those

11  
00:00:30,769 --> 00:00:28,140  
who've never heard of the tiny southern

12  
00:00:33,290 --> 00:00:30,779  
town it can be somewhat baffling prepare

13  
00:00:36,290 --> 00:00:33,300

yourself for the truth it is truly

14

00:00:38,630 --> 00:00:36,300

Stranger Than Fiction

15

00:00:40,130 --> 00:00:38,640

Susan Stockman is a reporter for a local

16

00:00:42,650 --> 00:00:40,140

newspaper and has been covering the

17

00:00:46,310 --> 00:00:42,660

story for nearly a year and a half

18

00:00:49,250 --> 00:00:46,320

it began February the 10th 1989.

19

00:00:50,869 --> 00:00:49,260

I was on a Friday night Donna Siler made

20

00:00:52,670 --> 00:00:50,879

the initial report she was the first one

21

00:00:55,069 --> 00:00:52,680

to call the police

22

00:00:56,450 --> 00:00:55,079

and five and so that she had saw

23

00:00:59,869 --> 00:00:56,460

something in the sky that she could not

24

00:01:01,250 --> 00:00:59,879

identify we saw this bright light and

25

00:01:02,750 --> 00:01:01,260

you know how you just say well what's

26  
00:01:04,490 --> 00:01:02,760  
that over in the sky and she's what must

27  
00:01:06,350 --> 00:01:04,500  
be a straight light on the mountain

28  
00:01:07,910 --> 00:01:06,360  
somewhere I said you're on the mountain

29  
00:01:09,350 --> 00:01:07,920  
there's nothing else any hiring us well

30  
00:01:11,630 --> 00:01:09,360  
the further we got closer to it we just

31  
00:01:13,490 --> 00:01:11,640  
kept watching it realized it weren't

32  
00:01:15,050 --> 00:01:13,500  
moving and I said now when we get one at

33  
00:01:16,850 --> 00:01:15,060  
a good Clear Spot we'll stop the car

34  
00:01:17,990 --> 00:01:16,860  
because sometimes things look like

35  
00:01:19,609 --> 00:01:18,000  
they're not moving when you're moving

36  
00:01:23,270 --> 00:01:19,619  
and

37  
00:01:24,050 --> 00:01:23,280  
right over the tree line out of the

38  
00:01:25,850 --> 00:01:24,060

house

39

00:01:27,289 --> 00:01:25,860

so when we got right here I said right

40

00:01:29,510 --> 00:01:27,299

there it is I said we'll see if this

41

00:01:30,890 --> 00:01:29,520

thing's moving we stopped the car had

42

00:01:32,929 --> 00:01:30,900

the windows rolled down it was looking

43

00:01:34,910 --> 00:01:32,939

straight at it and then we only got to

44

00:01:36,170 --> 00:01:34,920

watch it about 10 more seconds and it

45

00:01:37,910 --> 00:01:36,180

just went out

46

00:01:39,950 --> 00:01:37,920

Donna and her family then used

47

00:01:42,410 --> 00:01:39,960

binoculars to watch an object floating

48

00:01:43,850 --> 00:01:42,420

in the sky just over the horizon

49

00:01:46,010 --> 00:01:43,860

we all stood out here and watched it

50

00:01:47,390 --> 00:01:46,020

probably an hour trying and it moved

51  
00:01:49,550 --> 00:01:47,400  
very slowly in that area it probably

52  
00:01:50,870 --> 00:01:49,560  
didn't move four inches across the sky

53  
00:01:52,670 --> 00:01:50,880  
in that hour

54  
00:01:53,810 --> 00:01:52,680  
so that's when I went in called the

55  
00:01:55,730 --> 00:01:53,820  
police department

56  
00:01:58,670 --> 00:01:55,740  
yes ma'am I've seen an officer as soon

57  
00:02:02,749 --> 00:02:00,649  
prev West had a call from a lady around

58  
00:02:05,030 --> 00:02:02,759  
Kelly's Chapel said she saw an object

59  
00:02:06,950 --> 00:02:05,040  
with some lights on it in the sky she

60  
00:02:09,050 --> 00:02:06,960  
thinks it's a UFO and she needs to Now

61  
00:02:11,869 --> 00:02:09,060  
sort of come check it out

62  
00:02:14,150 --> 00:02:11,879  
you got to be a kid fife's assistant

63  
00:02:15,770 --> 00:02:14,160

police chief on duty when Donna sailor's

64

00:02:17,089 --> 00:02:15,780

call came in was understandably

65

00:02:19,670 --> 00:02:17,099

skeptical

66

00:02:21,710 --> 00:02:19,680

so the chief walked into the

67

00:02:23,210 --> 00:02:21,720

station about that time I was about to

68

00:02:24,890 --> 00:02:23,220

walk out and I asked him if he wanted to

69

00:02:28,970 --> 00:02:24,900

go check out a

70

00:02:30,830 --> 00:02:28,980

a UFO sighting kind of kidding and he

71

00:02:32,089 --> 00:02:30,840

said sure I told him I said I'm serious

72

00:02:35,690 --> 00:02:32,099

we got a call

73

00:02:38,930 --> 00:02:35,700

so we drove down County Road 76 toward

74

00:02:39,890 --> 00:02:38,940

Ms sailor's house and we saw an object

75

00:02:42,290 --> 00:02:39,900

to our

76

00:02:43,850 --> 00:02:42,300

to the south of us we just stopped on

77

00:02:47,570 --> 00:02:43,860

the road we were still several miles

78

00:02:51,530 --> 00:02:49,910

the light glowed brightly and didn't and

79

00:02:54,949 --> 00:02:51,540

eventually moved off to the southeast

80

00:03:03,470 --> 00:02:54,959

again the officers pursued

81

00:03:07,369 --> 00:03:05,150

departments and adjoining communities

82

00:03:09,589 --> 00:03:07,379

who confirmed the strange object the

83

00:03:11,030 --> 00:03:09,599

officers turned back toward Fife they

84

00:03:13,009 --> 00:03:11,040

stopped when a nearby police chief

85

00:03:14,710 --> 00:03:13,019

called to say that an immense craft was

86

00:03:17,030 --> 00:03:14,720

headed their way

87

00:03:19,309 --> 00:03:17,040

more stopped in this

88

00:03:21,110 --> 00:03:19,319

in a driveway

89

00:03:22,309 --> 00:03:21,120

and got out and saw an object coming

90

00:03:24,770 --> 00:03:22,319

toward us

91

00:03:28,430 --> 00:03:24,780

appeared to be an airplane

92

00:03:30,229 --> 00:03:28,440

at first cut the engine Junior the men

93

00:03:32,869 --> 00:03:30,239

described the craft as a triangular

94

00:03:35,030 --> 00:03:32,879

shape metallic in color with three huge

95

00:03:36,830 --> 00:03:35,040

lights illuminating the underside and

96

00:03:39,229 --> 00:03:36,840

though it was only 2 000 feet off the

97

00:03:42,350 --> 00:03:39,239

ground it made no noise

98

00:03:45,530 --> 00:03:42,360

their experience was only the beginning

99

00:03:48,110 --> 00:03:45,540

we've seen a variety of shapes

100

00:03:51,369 --> 00:03:48,120

my some of my neighbors have seen them I

101  
00:03:54,170 --> 00:03:51,379  
have seen them my husband my daughter

102  
00:03:56,530 --> 00:03:54,180  
sometimes the objects are

103  
00:03:59,270 --> 00:03:56,540  
just like a round ball

104  
00:04:02,089 --> 00:03:59,280  
we've seen triangular shaped objects and

105  
00:04:03,949 --> 00:04:02,099  
we've seen elongated objects Susan and a

106  
00:04:05,930 --> 00:04:03,959  
weekly post photographer Terry Baker

107  
00:04:06,949 --> 00:04:05,940  
captured the strange lights on film one

108  
00:04:09,589 --> 00:04:06,959  
evening

109  
00:04:11,690 --> 00:04:09,599  
we're at the police station at five when

110  
00:04:14,270 --> 00:04:11,700  
someone called in that the

111  
00:04:16,969 --> 00:04:14,280  
they decided the UFO so we went to the

112  
00:04:19,789 --> 00:04:16,979  
area where

113  
00:04:22,730 --> 00:04:19,799

the people had seen the UFO

114

00:04:26,930 --> 00:04:22,740

and we parked the car and soon after we

115

00:04:28,909 --> 00:04:26,940

got the car parked we saw it and I got

116

00:04:32,640 --> 00:04:28,919

my camera out

117

00:04:32,650 --> 00:04:36,830

[Music]

118

00:04:42,530 --> 00:04:38,629

we saw an object

119

00:04:45,530 --> 00:04:42,540

that had two oh had a red light on each

120

00:04:48,290 --> 00:04:45,540

end of it and had a row of blue lights

121

00:04:50,090 --> 00:04:48,300

across the middle of it Terry made a

122

00:04:52,249 --> 00:04:50,100

series of pictures and while some would

123

00:04:54,409 --> 00:04:52,259

say they are inconclusive most would

124

00:04:57,469 --> 00:04:54,419

agree the object does not resemble the

125

00:04:59,930 --> 00:04:57,479

pattern an airplane would create

126  
00:05:01,370 --> 00:04:59,940  
have the mysterious Fife lights affected

127  
00:05:04,730 --> 00:05:01,380  
the small community

128  
00:05:07,249 --> 00:05:04,740  
yes but in a strange ironic way

129  
00:05:09,290 --> 00:05:07,259  
it's it's not a reaction to the objects

130  
00:05:12,050 --> 00:05:09,300  
it's not a reaction to the possibility

131  
00:05:15,950 --> 00:05:12,060  
of alien life it's a reaction to human

132  
00:05:19,189 --> 00:05:15,960  
beings coming in and making fun yes

133  
00:05:21,710 --> 00:05:19,199  
ma'am flying saucers

134  
00:05:23,510 --> 00:05:21,720  
uh-huh

135  
00:05:26,990 --> 00:05:23,520  
well thanks for calling man we'll check

136  
00:05:30,610 --> 00:05:27,000  
on it for you goodbye this may be five

137  
00:05:34,969 --> 00:05:30,620  
but my name sure ain't Fife Alabama

138  
00:05:37,249 --> 00:05:34,979

population 1200 since February 10th many

139

00:05:40,249 --> 00:05:37,259

of the locals believe UFOs have come

140

00:05:42,050 --> 00:05:40,259

here to watch us as soon as we park

141

00:05:45,409 --> 00:05:42,060

their car we could see the object on the

142

00:05:46,790 --> 00:05:45,419

horizon between the two tallest trees

143

00:05:48,890 --> 00:05:46,800

slowly

144

00:05:51,469 --> 00:05:48,900

towards the left from the left towards

145

00:05:53,450 --> 00:05:51,479

the right on the horizon we never took

146

00:05:55,850 --> 00:05:53,460

our eyes off of the object the object

147

00:05:57,529 --> 00:05:55,860

just disappeared Susan Stockman reporter

148

00:05:59,150 --> 00:05:57,539

for the Rainsville weekly post was in

149

00:06:01,249 --> 00:05:59,160

Fife last week with the photographer

150

00:06:03,350 --> 00:06:01,259

hoping to get a picture of the UFO she

151  
00:06:06,890 --> 00:06:03,360  
and the neighbors had been seeing these

152  
00:06:09,290 --> 00:06:06,900  
are the photographs that Terry took

153  
00:06:12,050 --> 00:06:09,300  
Thursday night you can see the movement

154  
00:06:14,510 --> 00:06:12,060  
of the object across on the horizon

155  
00:06:16,010 --> 00:06:14,520  
above the trees and you can see where

156  
00:06:19,310 --> 00:06:16,020  
it's um

157  
00:06:21,409 --> 00:06:19,320  
went at an altitude just before it

158  
00:06:23,390 --> 00:06:21,419  
disappeared from our side Stockman's

159  
00:06:25,670 --> 00:06:23,400  
positive there wasn't an airplane but a

160  
00:06:27,290 --> 00:06:25,680  
spaceship she can't say others who are

161  
00:06:29,150 --> 00:06:27,300  
sure didn't have a camera but their

162  
00:06:30,469 --> 00:06:29,160  
descriptions are selling T-shirts and

163  
00:06:32,570 --> 00:06:30,479

drawing crowds from several States

164

00:06:35,270 --> 00:06:32,580

doubling phi's population every Friday

165

00:06:37,790 --> 00:06:35,280

night UFO Skeptics are not impressed

166

00:06:40,309 --> 00:06:37,800

they say all sightings can be explained

167

00:06:42,230 --> 00:06:40,319

logically this is the town of Fife in

168

00:06:44,749 --> 00:06:42,240

Northern Alabama the heart of what is

169

00:06:46,610 --> 00:06:44,759

commonly known as the Bible Belt the

170

00:06:48,950 --> 00:06:46,620

people of Fife still live the same kind

171

00:06:51,170 --> 00:06:48,960

of Lifestyles their ancestors lived here

172

00:06:53,029 --> 00:06:51,180

at the turn of the century you could say

173

00:06:55,370 --> 00:06:53,039

that Fife Alabama is the most normal

174

00:06:57,350 --> 00:06:55,380

place you've ever seen but what happens

175

00:06:58,969 --> 00:06:57,360

here after the sun goes down isn't

176

00:07:01,550 --> 00:06:58,979

always normal

177

00:07:03,469 --> 00:07:01,560

on the evening of February 10 1989

178

00:07:05,629 --> 00:07:03,479

residents from all over the county

179

00:07:08,090 --> 00:07:05,639

Deluge the switchboards of local law

180

00:07:09,950 --> 00:07:08,100

enforcement agencies some callers

181

00:07:11,809 --> 00:07:09,960

reported seeing a beautiful Flying

182

00:07:14,330 --> 00:07:11,819

Saucer rimmed by bright multicolored

183

00:07:16,610 --> 00:07:14,340

lights hovering silently and flying off

184

00:07:19,070 --> 00:07:16,620

into the distance at a snail's pace

185

00:07:20,930 --> 00:07:19,080

others watch the large triangular object

186

00:07:22,969 --> 00:07:20,940

with three large white lights underneath

187

00:07:24,589 --> 00:07:22,979

one local resident phoned the five

188

00:07:26,390 --> 00:07:24,599

Police Department after watching a

189

00:07:28,790 --> 00:07:26,400

crescent and triangular shaped object

190

00:07:31,129 --> 00:07:28,800

pass over the Treetops

191

00:07:32,570 --> 00:07:31,139

as the woman reported the object she

192

00:07:33,290 --> 00:07:32,580

asked for a patrolman to come out and

193

00:07:36,409 --> 00:07:33,300

look

194

00:07:37,790 --> 00:07:36,419

five police chief Charles Jr garminy and

195

00:07:39,589 --> 00:07:37,800

assistant chief Fred Works

196

00:07:41,450 --> 00:07:39,599

half-heartedly got into their patrol car

197

00:07:43,129 --> 00:07:41,460

and headed out to the community of Grove

198

00:07:44,629 --> 00:07:43,139

Oak westified

199

00:07:46,550 --> 00:07:44,639

before they could reach their

200

00:07:48,230 --> 00:07:46,560

destination they heard officers from

201  
00:07:50,870 --> 00:07:48,240  
neighboring police departments on their

202  
00:07:53,270 --> 00:07:50,880  
radio all reporting strange objects in

203  
00:07:55,510 --> 00:07:53,280  
the sky objects that made no sound

204  
00:07:58,249 --> 00:07:55,520  
objects they couldn't begin to recognize

205  
00:08:00,170 --> 00:07:58,259  
in less than a minute Chief garmony and

206  
00:08:02,930 --> 00:08:00,180  
assistant chief Fred Works spotted one

207  
00:08:05,210 --> 00:08:02,940  
of the objects a lady A lady called an

208  
00:08:06,890 --> 00:08:05,220  
object in the sky in and the chief

209  
00:08:08,390 --> 00:08:06,900  
myself went out to check it out and we

210  
00:08:12,350 --> 00:08:08,400  
saw a bright

211  
00:08:15,290 --> 00:08:12,360  
a bride white light in the sky before we

212  
00:08:19,189 --> 00:08:15,300  
ever got to her her location

213  
00:08:21,110 --> 00:08:19,199

and uh we stopped and and watched it it

214

00:08:24,290 --> 00:08:21,120

was like maybe two fingers Over the

215

00:08:26,330 --> 00:08:24,300

Horizon over the treetop Horizon

216

00:08:27,830 --> 00:08:26,340

and appeared to be moving at a very slow

217

00:08:29,330 --> 00:08:27,840

pace

218

00:08:31,430 --> 00:08:29,340

and it would get brighter and then

219

00:08:33,350 --> 00:08:31,440

dimmer almost like a light turning

220

00:08:34,909 --> 00:08:33,360

towards you and then away from you

221

00:08:36,949 --> 00:08:34,919

so we stopped the vehicle and observed

222

00:08:38,389 --> 00:08:36,959

it for a few minutes just I don't know

223

00:08:40,790 --> 00:08:38,399

two or three minutes and decided we

224

00:08:41,870 --> 00:08:40,800

would try to drive toward it we radioed

225

00:08:44,449 --> 00:08:41,880

to town

226

00:08:47,150 --> 00:08:44,459

down south of us and I believe their

227

00:08:49,310 --> 00:08:47,160

Chief was on duty at that time and he

228

00:08:50,930 --> 00:08:49,320

confirmed that he saw the object and it

229

00:08:53,750 --> 00:08:50,940

appeared to have some blinking lights on

230

00:08:56,870 --> 00:08:53,760

it like maybe a red and green colored

231

00:08:58,250 --> 00:08:56,880

lights a police officer from

232

00:08:59,870 --> 00:08:58,260

uh

233

00:09:04,070 --> 00:08:59,880

cross bill

234

00:09:06,410 --> 00:09:04,080

radioed and said that he told us his

235

00:09:09,829 --> 00:09:06,420

location and said that a large object

236

00:09:13,210 --> 00:09:09,839

had flown over him at a fast pace

237

00:09:15,769 --> 00:09:13,220

flying in a west and south Direction

238

00:09:18,170 --> 00:09:15,779

well evidently we were

239

00:09:19,430 --> 00:09:18,180

in the path of that object we stopped

240

00:09:20,389 --> 00:09:19,440

and got out and looked back toward the

241

00:09:22,009 --> 00:09:20,399

east

242

00:09:23,150 --> 00:09:22,019

and I saw this object coming over the

243

00:09:25,370 --> 00:09:23,160

Treetops

244

00:09:28,190 --> 00:09:25,380

and it appeared to have

245

00:09:29,630 --> 00:09:28,200

kind of a I don't know like a white

246

00:09:31,190 --> 00:09:29,640

lights on it they were they weren't

247

00:09:32,810 --> 00:09:31,200

actually Shining

248

00:09:34,490 --> 00:09:32,820

where they were real bright you could

249

00:09:37,070 --> 00:09:34,500

just tell they were on it and there was

250

00:09:38,930 --> 00:09:37,080

kind of a glow of the lights around it

251  
00:09:41,449 --> 00:09:38,940  
and

252  
00:09:43,009 --> 00:09:41,459  
I told Junior I said there's I said

253  
00:09:45,110 --> 00:09:43,019  
there's the object he's talking about I

254  
00:09:48,650 --> 00:09:45,120  
said it appears to be an airplane

255  
00:09:50,690 --> 00:09:48,660  
and I said well I I said if it don't

256  
00:09:52,670 --> 00:09:50,700  
look exactly like an airplane it's it's

257  
00:10:19,490 --> 00:09:52,680  
a

258  
00:10:20,870 --> 00:10:19,500  
the front

259  
00:10:22,730 --> 00:10:20,880  
but they were not shy they weren't

260  
00:10:24,350 --> 00:10:22,740  
shining at the ground they were like

261  
00:10:26,810 --> 00:10:24,360  
shining back up

262  
00:10:29,150 --> 00:10:26,820  
on the craft itself so I asked the chief

263  
00:10:30,110 --> 00:10:29,160

it's a cut cut the car engine off and

264

00:10:32,269 --> 00:10:30,120

like I said there was no other

265

00:10:33,949 --> 00:10:32,279

background noises the car was that you

266

00:10:35,810 --> 00:10:33,959

know we we shut the engine down it was

267

00:10:37,730 --> 00:10:35,820

dead and here this big object come

268

00:10:39,350 --> 00:10:37,740

flying over and I mean if you

269

00:10:42,530 --> 00:10:39,360

you know put your hands up like this

270

00:10:46,850 --> 00:10:44,569

that's about how big it looked to you

271

00:10:49,850 --> 00:10:46,860

bigger than a beach ball you know

272

00:10:52,310 --> 00:10:49,860

as big or bigger and uh

273

00:10:54,170 --> 00:10:52,320

we watched it fly over us and then we

274

00:10:56,150 --> 00:10:54,180

turn you know no sound whatsoever we

275

00:10:59,329 --> 00:10:56,160

watched it go off

276

00:11:01,370 --> 00:10:59,339

South and and west of us

277

00:11:02,509 --> 00:11:01,380

never a sound it would have been looking

278

00:11:05,509 --> 00:11:02,519

down at the ground would have never

279

00:11:07,069 --> 00:11:05,519

known it was there Fred and I uh pulled

280

00:11:09,410 --> 00:11:07,079

over on the side of the road on County

281

00:11:12,410 --> 00:11:09,420

Road 43 and stopped their patrol car

282

00:11:14,810 --> 00:11:12,420

shut the engine off and got out and at

283

00:11:17,389 --> 00:11:14,820

that time the object came directly over

284

00:11:18,829 --> 00:11:17,399

uh our patrol car and we were looking up

285

00:11:20,269 --> 00:11:18,839

underneath it

286

00:11:22,970 --> 00:11:20,279

and

287

00:11:25,130 --> 00:11:22,980

the the object appeared to me that it

288

00:11:28,250 --> 00:11:25,140

was some thousand fifteen hundred feet

289

00:11:30,410 --> 00:11:28,260

higher had three real bright lights

290

00:11:32,990 --> 00:11:30,420

underneath it that were

291

00:11:34,310 --> 00:11:33,000

shining not on the ground to eliminate

292

00:11:36,170 --> 00:11:34,320

the ground but shining back up

293

00:11:37,730 --> 00:11:36,180

underneath the craft to illuminate the

294

00:11:40,009 --> 00:11:37,740

craft itself

295

00:11:42,170 --> 00:11:40,019

and there was some some lights around

296

00:11:45,430 --> 00:11:42,180

what I call the face of the craft or the

297

00:11:47,930 --> 00:11:45,440

crown of it whatever you may call it uh

298

00:11:50,870 --> 00:11:47,940

appeared looking up through the the

299

00:11:55,370 --> 00:11:50,880

glare of those other lights uh

300

00:11:56,870 --> 00:11:55,380

maybe green blue or red or or some of

301  
00:11:57,970 --> 00:11:56,880  
them might have been white it was a

302  
00:12:01,670 --> 00:11:57,980  
large craft

303  
00:12:04,569 --> 00:12:01,680  
and it had no sound whatsoever it just

304  
00:12:07,910 --> 00:12:04,579  
continues then it's you know it didn't

305  
00:12:10,910 --> 00:12:07,920  
descend or pick up any speed or anything

306  
00:12:13,930 --> 00:12:10,920  
just a steady speed just right over us

307  
00:12:17,090 --> 00:12:13,940  
and and went right on out of sight

308  
00:12:19,490 --> 00:12:17,100  
sometime after that now after 89 of

309  
00:12:21,590 --> 00:12:19,500  
February 10th we had several calls the

310  
00:12:23,630 --> 00:12:21,600  
other night of February the 10th we had

311  
00:12:25,970 --> 00:12:23,640  
several calls and they've been scattered

312  
00:12:28,930 --> 00:12:25,980  
reports ever since then I had a person

313  
00:12:31,670 --> 00:12:28,940

to come in just last night

314

00:12:35,030 --> 00:12:31,680

Marty Roberts in a robo carrier came in

315

00:12:37,790 --> 00:12:35,040

and he described this this object to me

316

00:12:39,769 --> 00:12:37,800

and and Drew me a diagram of it on the

317

00:12:41,930 --> 00:12:39,779

paper and it was something similar to

318

00:12:46,490 --> 00:12:41,940

what I'd seen on February the 10th of

319

00:12:48,230 --> 00:12:46,500

89. and he's seen that this past date a

320

00:12:50,690 --> 00:12:48,240

lot of the people who are telling the

321

00:12:53,569 --> 00:12:50,700

stories or people that I know personally

322

00:12:55,610 --> 00:12:53,579

and have known for a lot of years and I

323

00:12:58,610 --> 00:12:55,620

don't have any reason to doubt

324

00:13:00,829 --> 00:12:58,620

what they say they saw but nobody is

325

00:13:02,269 --> 00:13:00,839

telling me what it is they don't know

326

00:13:04,310 --> 00:13:02,279

either they just know it's something

327

00:13:06,889 --> 00:13:04,320

that's very unusual you've heard the

328

00:13:09,650 --> 00:13:06,899

term Southern Hospitality Sand Mountain

329

00:13:12,889 --> 00:13:09,660

is the epitome of southern hospitality

330

00:13:14,690 --> 00:13:12,899

people up here trust each other a lot of

331

00:13:17,470 --> 00:13:14,700

the things that they do are done by

332

00:13:20,690 --> 00:13:17,480

handshake rather than by contract

333

00:13:23,389 --> 00:13:20,700

in The Trusted The Outsiders too until

334

00:13:25,850 --> 00:13:23,399

the Inside Edition pays we sent Jeff

335

00:13:27,430 --> 00:13:25,860

Cole down there to see if E.T has a

336

00:13:30,530 --> 00:13:27,440

Southern accent

337

00:13:33,710 --> 00:13:30,540

it came from outer space I still believe

338

00:13:37,970 --> 00:13:36,350

police were helpless there's nothing

339

00:13:41,569 --> 00:13:37,980

that I've ever seen before in my life

340

00:13:44,389 --> 00:13:41,579

and the town of Fife Alabama was stunned

341

00:13:45,769 --> 00:13:44,399

by the strange visitors my dog saw it

342

00:13:47,030 --> 00:13:45,779

but he won't talk about it he wouldn't

343

00:13:48,650 --> 00:13:47,040

crawl on the floor and I know that's

344

00:13:53,750 --> 00:13:48,660

what's happening because he he talks to

345

00:13:56,530 --> 00:13:54,720

thank you

346

00:13:59,509 --> 00:13:56,540

[Music]

347

00:14:01,850 --> 00:13:59,519

five police chief Junior garmony and

348

00:14:03,710 --> 00:14:01,860

assistant chief Fred Works got the call

349

00:14:07,670 --> 00:14:03,720

and went out to investigate what they

350

00:14:10,430 --> 00:14:07,680

figured was some well Monkey Business

351

00:14:13,430 --> 00:14:10,440

whatever it was they saw it will be a

352

00:14:15,769 --> 00:14:13,440

long time before Fife forgets the things

353

00:14:19,009 --> 00:14:15,779

from out of this world there's some

354

00:14:21,110 --> 00:14:19,019

people that's gone ridicules for it some

355

00:14:23,210 --> 00:14:21,120

people disbelieve it but I hope them

356

00:14:25,490 --> 00:14:23,220

people themselves just a view of one of

357

00:14:27,350 --> 00:14:25,500

these days they may be coming to see you

358

00:14:31,670 --> 00:14:27,360

next

359

00:14:33,650 --> 00:14:31,680

[Music]

360

00:14:35,329 --> 00:14:33,660

there is a legitimate investigation

361

00:14:37,370 --> 00:14:35,339

going on down there if you can believe

362

00:14:39,590 --> 00:14:37,380

it the FAA and the Air Force are doing

363

00:14:41,150 --> 00:14:39,600

that investigation and if any of you

364

00:14:44,090 --> 00:14:41,160

martians are watching this broadcast

365

00:14:45,050 --> 00:14:44,100

please drop by to see us and bring Elvis

366

00:14:47,230 --> 00:14:45,060

with you

367

00:14:49,910 --> 00:14:47,240

Straight Ahead we'll get back to reality

368

00:14:51,110 --> 00:14:49,920

what was the reaction to the job they

369

00:14:57,350 --> 00:14:51,120

did

370

00:15:01,670 --> 00:14:57,360

they spoofed the incident they made it

371

00:15:04,189 --> 00:15:01,680

to appear like a Keystone Cops kind of a

372

00:15:05,870 --> 00:15:04,199

program and the people up here didn't

373

00:15:08,329 --> 00:15:05,880

like it at all

374

00:15:11,150 --> 00:15:08,339

uh they thought they were here in good

375

00:15:13,910 --> 00:15:11,160

faith so they showed them the southern

376

00:15:16,129 --> 00:15:13,920

hospitality and when the program came

377

00:15:18,230 --> 00:15:16,139

out they were incensed not just the

378

00:15:21,290 --> 00:15:18,240

people in the faith but the people of

379

00:15:24,170 --> 00:15:21,300

the whole area were very very angry at

380

00:15:26,930 --> 00:15:24,180

what Inside Edition did it was

381

00:15:29,530 --> 00:15:26,940

ridiculous I went inside edition came in

382

00:15:32,210 --> 00:15:29,540

to do their piece everybody was welcome

383

00:15:33,790 --> 00:15:32,220

we made them tried to make them feel at

384

00:15:36,290 --> 00:15:33,800

home and

385

00:15:39,530 --> 00:15:36,300

be a part of the community

386

00:15:42,410 --> 00:15:39,540

but after the Inside Edition piece ran

387

00:15:44,269 --> 00:15:42,420

on TV the the Outlook toward the media

388

00:15:47,329 --> 00:15:44,279

was completely different

389

00:15:49,189 --> 00:15:47,339

it wasn't hostile it's just they didn't

390

00:15:53,210 --> 00:15:49,199

get any help

391

00:15:55,730 --> 00:15:53,220

was slow and coming you had to uh

392

00:15:57,290 --> 00:15:55,740

show good faith that what you were doing

393

00:15:58,790 --> 00:15:57,300

wasn't going to be like what Inside

394

00:16:01,090 --> 00:15:58,800

Edition did

395

00:16:04,370 --> 00:16:01,100

people are still seeing things up here

396

00:16:07,610 --> 00:16:04,380

they're not as frequent as they were

397

00:16:11,689 --> 00:16:07,620

during that time but there are reports

398

00:16:13,090 --> 00:16:11,699

of seeing things in the sky almost

399

00:16:16,430 --> 00:16:13,100

constantly

400

00:16:18,530 --> 00:16:16,440

I don't mean every day but I mean hardly
