

1
00:00:06,110 --> 00:00:03,590
uh it was so low you could see the oval

2
00:00:07,550 --> 00:00:06,120
shape of the uh of the object with a red

3
00:00:10,310 --> 00:00:07,560
light in front and a red light to the

4
00:00:12,970 --> 00:00:10,320
rear of it appeared to be cigar shape

5
00:00:15,650 --> 00:00:12,980
maybe the size of an an automobile

6
00:00:17,810 --> 00:00:15,660
uh from red light to red light there

7
00:00:20,870 --> 00:00:17,820
appeared to be illuminated white lights

8
00:00:22,370 --> 00:00:20,880
the the whole length of it I thought it

9
00:00:23,990 --> 00:00:22,380
gonna look in the window and see

10
00:00:26,570 --> 00:00:24,000
something extraordinary because we're

11
00:00:29,150 --> 00:00:26,580
that close I really didn't see anything

12
00:00:31,609 --> 00:00:29,160
inside there was no movement no objects

13
00:00:33,290 --> 00:00:31,619

or whatever so it just saw it and have

14

00:00:34,790 --> 00:00:33,300

it you know just just actually

15

00:00:37,130 --> 00:00:34,800

unbelievable it almost seems like a

16

00:00:39,549 --> 00:00:37,140

dream really that what we did see it

17

00:00:43,369 --> 00:00:39,559

seemed like a dream yeah

18

00:00:45,830 --> 00:00:43,379

uh it saw it over this direction across

19

00:00:47,510 --> 00:00:45,840

here and over this tree line and later

20

00:00:49,190 --> 00:00:47,520

that night I think was within a half an

21

00:00:51,830 --> 00:00:49,200

hour or less there were several

22

00:00:54,110 --> 00:00:51,840

sightings in Mansfield of the similar

23

00:00:57,110 --> 00:00:54,120

type description the uh flying sausage

24

00:00:59,810 --> 00:00:57,120

came from that Direction came across

25

00:01:01,549 --> 00:00:59,820

stayed out there a while and it came

26
00:01:04,090 --> 00:01:01,559
back and hold it over here and it took

27
00:01:06,469 --> 00:01:04,100
off in that direction

28
00:01:08,330 --> 00:01:06,479
to my estimation it looked like a you

29
00:01:10,030 --> 00:01:08,340
know a football it had flashing lights

30
00:01:13,370 --> 00:01:10,040
all the lights going around in a circle

31
00:01:14,870 --> 00:01:13,380
around the area of it and uh

32
00:01:16,490 --> 00:01:14,880
to say you know it looked like a

33
00:01:18,649 --> 00:01:16,500
football to me what a whole mess of

34
00:01:19,730 --> 00:01:18,659
flashing lights

35
00:01:24,770 --> 00:01:19,740
these were

36
00:01:30,170 --> 00:01:27,530
all white lights this is what the chief

37
00:01:32,090 --> 00:01:30,180
and I were trying to look in to see if

38
00:01:34,070 --> 00:01:32,100

we could see anything but that'd give

39

00:01:36,590 --> 00:01:34,080

you I'm not a good artist but that rough

40

00:01:40,550 --> 00:01:36,600

idea there were cars moving up and down

41

00:01:44,030 --> 00:01:40,560

the street as the past and that tree

42

00:01:46,130 --> 00:01:44,040

line in a Westerly Direction it blocked

43

00:01:47,870 --> 00:01:46,140

out several of the cars and as it moved

44

00:01:50,330 --> 00:01:47,880

the cars appeared again underneath it

45

00:01:55,130 --> 00:01:50,340

which proved to me that we were looking

46

00:01:58,069 --> 00:01:55,140

at a solid object it either was round or

47

00:02:01,429 --> 00:01:58,079

as it appeared to me then football shape

48

00:02:04,249 --> 00:02:01,439

and it was no higher and no further away

49

00:02:06,709 --> 00:02:04,259

than those fur trees from us as we walk

50

00:02:10,390 --> 00:02:06,719

towards it none of you had seen any

51
00:02:14,570 --> 00:02:12,770
what is your own personal Theory we'll

52
00:02:16,250 --> 00:02:14,580
go down the line here what your personal

53
00:02:17,510 --> 00:02:16,260
theory is about this what it actually

54
00:02:19,430 --> 00:02:17,520
was where it might have been from you

55
00:02:20,750 --> 00:02:19,440
have any idea have you harbored any

56
00:02:23,270 --> 00:02:20,760
theories over the years or what it might

57
00:02:26,690 --> 00:02:23,280
have been well

58
00:02:30,229 --> 00:02:26,700
to myself I would say uh I saw it I left

59
00:02:32,150 --> 00:02:30,239
here I spoke with the Air Force was it

60
00:02:33,650 --> 00:02:32,160
the air force that came down and after

61
00:02:35,510 --> 00:02:33,660
that I just put it right out of my mind

62
00:02:36,589 --> 00:02:35,520
you kind of blocked it out it blocked it

63
00:02:37,729 --> 00:02:36,599

right off you didn't want to think about

64

00:02:39,890 --> 00:02:37,739

it or you just forgot about it because

65

00:02:42,290 --> 00:02:39,900

it was just another I have any more to

66

00:02:44,990 --> 00:02:42,300

do with it to be honest with you I

67

00:02:48,530 --> 00:02:45,000

figured what I saw I told them what I

68

00:02:50,869 --> 00:02:48,540

saw and that was enough for me I

69

00:02:52,670 --> 00:02:50,879

there was an experience in itself and I

70

00:02:54,110 --> 00:02:52,680

didn't want to go any further with it

71

00:02:56,089 --> 00:02:54,120

how about yourself Chief any personal

72

00:02:58,670 --> 00:02:56,099

Theory well it was something unique

73

00:03:00,170 --> 00:02:58,680

that's for sure and you know it could

74

00:03:02,750 --> 00:03:00,180

have been something that the the country

75

00:03:05,390 --> 00:03:02,760

has that doesn't care to discuss or

76

00:03:08,210 --> 00:03:05,400

reveal and uh or it could have been

77

00:03:10,369 --> 00:03:08,220

something from another planet either one

78

00:03:13,250 --> 00:03:10,379

it had to be one or the other I would

79

00:03:16,070 --> 00:03:13,260

say I might add that was during this

80

00:03:19,550 --> 00:03:16,080

particular period of time that uh

81

00:03:22,550 --> 00:03:19,560

several sightings were made of similar

82

00:03:24,830 --> 00:03:22,560

objects the one that I recall vividly

83

00:03:27,050 --> 00:03:24,840

was the one in New Hampshire and a great

84

00:03:30,050 --> 00:03:27,060

deal of credence was plus placed in that

85

00:03:32,449 --> 00:03:30,060

sighting as was this you know we have uh

86

00:03:35,570 --> 00:03:32,459

for I think responsible people here who

87

00:03:36,770 --> 00:03:35,580

saw something shortly after the sighting

88

00:03:39,350 --> 00:03:36,780

I think was a couple of weeks look

89

00:03:41,869 --> 00:03:39,360
magazine did a profile on on the

90

00:03:45,710 --> 00:03:41,879
happening in New Hampshire where

91

00:03:48,890 --> 00:03:45,720
a married couple was supposedly taken on

92

00:03:50,690 --> 00:03:48,900
of this ship and given physicals on

93

00:03:54,170 --> 00:03:50,700
board

94

00:03:56,270 --> 00:03:54,180
the object whatever it was a scene and

95

00:03:59,570 --> 00:03:56,280
working at four to twelve filling shift

96

00:04:00,670 --> 00:03:59,580
it was maybe 10 o'clock at night at the

97

00:04:04,309 --> 00:04:00,680
police station

98

00:04:06,710 --> 00:04:04,319
I was really into the article and I

99

00:04:08,509 --> 00:04:06,720
think at that time my concentration was

100

00:04:11,750 --> 00:04:08,519
so much on the article the door opened

101
00:04:13,490 --> 00:04:11,760
the police station and I I think I felt

102
00:04:16,069 --> 00:04:13,500
like I hit my head on the ceiling my

103
00:04:17,870 --> 00:04:16,079
feet don't never touch the floor so it

104
00:04:21,170 --> 00:04:17,880
just startled me so it just kind of a

105
00:04:23,270 --> 00:04:21,180
strange experience the culture did you

106
00:04:26,150 --> 00:04:23,280
feel as if you know anything like that

107
00:04:29,030 --> 00:04:26,160
might have happened that you're unaware

108
00:04:31,490 --> 00:04:29,040
of that you were unwell no it just seems

109
00:04:34,550 --> 00:04:31,500
strange that we never made more of it

110
00:04:36,770 --> 00:04:34,560
that uh like I said a a bus smash up or

111
00:04:39,050 --> 00:04:36,780
something you'd you'd say holy smoke

112
00:04:40,490 --> 00:04:39,060
what's happening and then probably talk

113
00:04:43,010 --> 00:04:40,500

a lot about it this thing here just

114

00:04:44,810 --> 00:04:43,020

seemed to go away by itself and I've

115

00:04:47,930 --> 00:04:44,820

often wondered why we didn't discuss it

116

00:04:49,490 --> 00:04:47,940

a lot more or think a lot more of it

117

00:04:52,969 --> 00:04:49,500

how can we correlate this information

118

00:04:55,850 --> 00:04:52,979

how do we know what we're being told

119

00:04:58,249 --> 00:04:55,860

we probably don't right we only they

120

00:05:00,350 --> 00:04:58,259

only reveal what they want to reveal and

121

00:05:02,090 --> 00:05:00,360

again you know it's a it had to be one

122

00:05:03,830 --> 00:05:02,100

of the others but all I'm saying it had

123

00:05:05,870 --> 00:05:03,840

to be something that we had that was

124

00:05:07,010 --> 00:05:05,880

they didn't care to reveal what it was

125

00:05:09,170 --> 00:05:07,020

or

126

00:05:10,730 --> 00:05:09,180

uh something from outer space the

127

00:05:12,290 --> 00:05:10,740

government didn't cut us in on any

128

00:05:14,450 --> 00:05:12,300

information the Air Force didn't

129

00:05:17,390 --> 00:05:14,460

communicate with us is as to what they

130

00:05:19,070 --> 00:05:17,400

did or didn't find nightcap came out and

131

00:05:22,189 --> 00:05:19,080

made the investigation took the

132

00:05:24,110 --> 00:05:22,199

radiation readings in the field so they

133

00:05:26,330 --> 00:05:24,120

did make an intensive investigation of

134

00:05:27,170 --> 00:05:26,340

the scene remained in the area for three

135

00:05:29,150 --> 00:05:27,180

days

136

00:05:31,150 --> 00:05:29,160

matter of fact Mr Fowler wrote a book

137

00:05:34,129 --> 00:05:31,160

and included this in his book

138

00:05:36,409 --> 00:05:34,139

I think I mistakenly said before that

139

00:05:38,150 --> 00:05:36,419

the uh the Air Force took the radiation

140

00:05:40,930 --> 00:05:38,160

readings they didn't was nightcap really

141

00:05:44,050 --> 00:05:40,940

that oh I see did you notice any um

142

00:05:46,850 --> 00:05:44,060

electromagnetic effects any radiation

143

00:05:48,950 --> 00:05:46,860

effects after in the area

144

00:05:51,830 --> 00:05:48,960

what what we did that night was notified

145

00:05:52,790 --> 00:05:51,840

through uh officer Jones's urgings uh he

146

00:05:56,330 --> 00:05:52,800

notified

147

00:05:58,330 --> 00:05:56,340

Otis Air Force Base in down the cape

148

00:06:01,909 --> 00:05:58,340

the following day

149

00:06:03,950 --> 00:06:01,919

brought here or flew over here a radar

150

00:06:05,450 --> 00:06:03,960

plane that circled this particular area

151
00:06:08,409 --> 00:06:05,460
for uh

152
00:06:12,350 --> 00:06:08,419
for a quite a period of time

153
00:06:15,890 --> 00:06:12,360
my understanding was that they did find

154
00:06:18,770 --> 00:06:15,900
radiation readings in the field that

155
00:06:21,710 --> 00:06:18,780
were above normal

156
00:06:24,409 --> 00:06:21,720
and they did flyovers to do that we had

157
00:06:26,590 --> 00:06:24,419
a radar or a plane flying over the area

158
00:06:29,689 --> 00:06:26,600
here for most of the following morning

159
00:06:32,870 --> 00:06:29,699
the government authorities came in and

160
00:06:35,450 --> 00:06:32,880
said that further incidents on this uh

161
00:06:37,570 --> 00:06:35,460
this of this nature would have to be

162
00:06:40,129 --> 00:06:37,580
included in a separate police blotter

163
00:06:42,409 --> 00:06:40,139

I'm unaware of that the chief at that

164

00:06:43,610 --> 00:06:42,419

time suggested that we keep a separate

165

00:06:46,550 --> 00:06:43,620

blotter

166

00:06:48,890 --> 00:06:46,560

for all incoming calls on UFO calls

167

00:06:51,290 --> 00:06:48,900

because we did receive many curious

168

00:06:53,510 --> 00:06:51,300

calls and also people saying they had

169

00:06:55,610 --> 00:06:53,520

seen sightings whatever it wasn't due to

170

00:06:56,930 --> 00:06:55,620

the government saying I'm unaware but it

171

00:06:59,450 --> 00:06:56,940

could have happened

172

00:07:01,730 --> 00:06:59,460

and did the government say anything in

173

00:07:03,770 --> 00:07:01,740

terms of you know don't don't publicize

174

00:07:06,170 --> 00:07:03,780

this again I'm unaware of that I wasn't

175

00:07:08,809 --> 00:07:06,180

the chief at the time and perhaps it was

176

00:07:12,170 --> 00:07:08,819

said to the my predecessor it wasn't

177

00:07:15,710 --> 00:07:12,180

said to me are either you wear that

178

00:07:18,590 --> 00:07:15,720

I I would know on that the cheapest

179

00:07:20,870 --> 00:07:18,600

right on that someone Wall mallpock

180

00:07:22,129 --> 00:07:20,880

Street also saw it that night can you

181

00:07:23,749 --> 00:07:22,139

tell me about that do you remember that

182

00:07:26,510 --> 00:07:23,759

uh there were several other sightings

183

00:07:28,309 --> 00:07:26,520

that night by people in in Sharon that

184

00:07:29,990 --> 00:07:28,319

had seen it I guess at a greater

185

00:07:32,510 --> 00:07:30,000

distance and we had seen it here but

186

00:07:33,770 --> 00:07:32,520

they had seen it uh wasn't it the

187

00:07:37,370 --> 00:07:33,780

previous night or something someone who

188

00:07:38,870 --> 00:07:37,380

said the uh yeah yeah also one Walmart

189

00:07:41,450 --> 00:07:38,880

Park Street there were other sightings

190

00:07:43,189 --> 00:07:41,460

over the years you were colony

191

00:07:45,710 --> 00:07:43,199

yeah there's so many things that went on

192

00:07:47,870 --> 00:07:45,720

after that we hadn't read so much I'm

193

00:07:49,790 --> 00:07:47,880

not clear on on who seen one of them

194

00:07:52,189 --> 00:07:49,800

there were several other people that did

195

00:07:53,809 --> 00:07:52,199

say they had sightings in Sharon at

196

00:07:55,490 --> 00:07:53,819

various times is that right

197

00:07:57,950 --> 00:07:55,500

and Raymond Fowler actually saw

198

00:08:02,469 --> 00:07:57,960

something in Beverly let me just asking

199

00:08:07,990 --> 00:08:05,210

okay as long as we saw her that was the

200

00:08:10,610 --> 00:08:08,000

main thing I think

201
00:08:13,309 --> 00:08:10,620
both of these guys retired now I want

202
00:08:16,730 --> 00:08:13,319
you to know I think Jimmy will agree

203
00:08:19,550 --> 00:08:16,740
with me we kid each other a lot but his

204
00:08:23,150 --> 00:08:19,560
criticism on the side we all discussed

205
00:08:26,689 --> 00:08:23,160
it among ourselves and as she said I

206
00:08:31,369 --> 00:08:26,699
read every article I could find on it

207
00:08:33,829 --> 00:08:31,379
seen by Chase deputy sheriff's their

208
00:08:36,709 --> 00:08:33,839
vehicles have been disabled

209
00:08:38,990 --> 00:08:36,719
but it's pretty hard to discuss it with
