

1
00:00:04,070 --> 00:00:02,149
Jorge Martin a leading editor and

2
00:00:06,230 --> 00:00:04,080
investigator has been researching the

3
00:00:08,330 --> 00:00:06,240
UFO phenomenon in Puerto Rico for 20

4
00:00:10,490 --> 00:00:08,340
years what he has uncovered near this

5
00:00:13,190 --> 00:00:10,500
picturesque Lagoon has led him to some

6
00:00:15,049 --> 00:00:13,200
startling conclusions are you suggesting

7
00:00:17,570 --> 00:00:15,059
that there is some kind of underground

8
00:00:19,670 --> 00:00:17,580
base beneath the Lagoon or this area

9
00:00:21,529 --> 00:00:19,680
there's something very important going

10
00:00:23,330 --> 00:00:21,539
on here something is down there maybe

11
00:00:25,189 --> 00:00:23,340
some type of alien facility that has

12
00:00:27,290 --> 00:00:25,199
been there for many years people have

13
00:00:29,269 --> 00:00:27,300

seen actual UFOs flying Source or

14

00:00:32,630 --> 00:00:29,279

whatever going into the Lagoon or coming

15

00:00:34,270 --> 00:00:32,640

out from the Lagoon we saw the war of

16

00:00:35,870 --> 00:00:34,280

the Lagoon

17

00:00:39,950 --> 00:00:35,880

illuminae

18

00:00:43,069 --> 00:00:39,960

and in the dark songs and emerging from

19

00:00:44,930 --> 00:00:43,079

the water Mr carday you are out fishing

20

00:00:49,010 --> 00:00:44,940

one morning can you tell me what you saw

21

00:00:49,990 --> 00:00:49,020

it's the 5 45 in the morning I see in

22

00:00:53,810 --> 00:00:50,000

the water

23

00:00:57,350 --> 00:00:53,820

the bubbles a minute later I see the the

24

00:00:59,510 --> 00:00:57,360

flying up the gold out the water and the

25

00:01:01,850 --> 00:00:59,520

state 20 seconds in the air

26
00:01:04,009 --> 00:01:01,860
after this I take my camera and take the

27
00:01:06,830 --> 00:01:04,019
picture and analyzing Mr carday's

28
00:01:08,510 --> 00:01:06,840
photograph there's no evidence of a hoax

29
00:01:11,390 --> 00:01:08,520
doesn't appear as though it was a

30
00:01:13,969 --> 00:01:11,400
mistake in the film lab but there's

31
00:01:16,609 --> 00:01:13,979
nothing that has edges on it that we can

32
00:01:20,450 --> 00:01:16,619
test with the computer all we could test

33
00:01:23,469 --> 00:01:20,460
for was whether or not it was Misty or

34
00:01:27,170 --> 00:01:23,479
moving and it seems to be one of those

35
00:01:29,510 --> 00:01:27,180
another eyewitness Amore Rivera adds to

36
00:01:31,190 --> 00:01:29,520
this incredible story his own tale of

37
00:01:34,070 --> 00:01:31,200
abduction and detention in an

38
00:01:36,109 --> 00:01:34,080

underground facility so you believe this

39

00:01:38,330 --> 00:01:36,119

was an underground base underneath the

40

00:01:40,490 --> 00:01:38,340

sea that you were taken to Yes it looked

41

00:01:42,649 --> 00:01:40,500

like a underground parking lot sort of

42

00:01:45,830 --> 00:01:42,659

they didn't have no windows they didn't

43

00:01:48,710 --> 00:01:45,840

have no doors from there I lost

44

00:01:51,889 --> 00:01:48,720

Consciousness and I woke up in this car

45

00:01:53,410 --> 00:01:51,899

and I was in an area right near on the

46

00:01:57,050 --> 00:01:53,420

Laguna Cartagena

47

00:01:59,030 --> 00:01:57,060

and at this moment is where I hear the

48

00:02:02,870 --> 00:01:59,040

the jets flying overhead and we're

49

00:02:06,429 --> 00:02:02,880

making a lot of noise and they look up

50

00:02:11,410 --> 00:02:06,439

see the Jets what I saw was a around

51
00:02:14,630 --> 00:02:11,420
huge around this object and I snapped

52
00:02:16,670 --> 00:02:14,640
these photographs we found in this

53
00:02:19,729 --> 00:02:16,680
Photograph looking at the edges looking

54
00:02:21,430 --> 00:02:19,739
at light reflectivity the angles the

55
00:02:24,670 --> 00:02:21,440
proportions

56
00:02:27,470 --> 00:02:24,680
indicate that this is a

57
00:02:30,589 --> 00:02:27,480
flying jet

58
00:02:35,210 --> 00:02:30,599
in pursuit of or flying around a disc

59
00:02:39,410 --> 00:02:35,220
shaped object I think that with the

60
00:02:41,570 --> 00:02:39,420
witness reported is what happened

61
00:02:43,030 --> 00:02:41,580
to me it's a very special one and a very

62
00:02:46,190 --> 00:02:43,040
important one because

63
00:02:48,170 --> 00:02:46,200

in Morris case he was abducted and he

64
00:02:49,970 --> 00:02:48,180
was taken away by aliens one of them was

65
00:02:52,070 --> 00:02:49,980
human-like and too small

66
00:02:54,170 --> 00:02:52,080
creatures that they explained to him

67
00:02:56,690 --> 00:02:54,180
were some type of

68
00:03:00,470 --> 00:02:56,700
genetically or biological organic

69
00:03:02,990 --> 00:03:00,480
Android that they made to do some chores

70
00:03:04,369 --> 00:03:03,000
outside so they don't have to risk

71
00:03:06,530 --> 00:03:04,379
themselves in our environment that's

72
00:03:08,570 --> 00:03:06,540
what they spent to him the so-called

73
00:03:11,750 --> 00:03:08,580
human alien that he saw in the craft

74
00:03:14,270 --> 00:03:11,760
and it's important also because of the

75
00:03:16,670 --> 00:03:14,280
evidences that he has on the case

76
00:03:18,770 --> 00:03:16,680
because when he was released he had a

77
00:03:21,530 --> 00:03:18,780
camera with him and he was able to take

78
00:03:24,890 --> 00:03:21,540
pictures of the object that apparently

79
00:03:27,770 --> 00:03:24,900
had abducted him the craft Flying Saucer

80
00:03:31,490 --> 00:03:27,780
type and also some jet fighters from the

81
00:03:33,229 --> 00:03:31,500
United States excuse me F14 again in

82
00:03:34,850 --> 00:03:33,239
most of these cases in the island A4

83
00:03:38,089 --> 00:03:34,860
teens are involved with these situations

84
00:03:39,649 --> 00:03:38,099
of chasing and harassment and checking

85
00:03:41,410 --> 00:03:39,659
on these objects when they are seen in

86
00:03:44,990 --> 00:03:41,420
the different areas of the island

87
00:03:48,110 --> 00:03:45,000
and they he was able to get them in

88
00:03:50,089 --> 00:03:48,120

those pictures together so this clearly

89

00:03:51,350 --> 00:03:50,099

when you see those photographs it's

90

00:03:53,930 --> 00:03:51,360

obvious that the government has been

91

00:03:56,210 --> 00:03:53,940

lying for many years because there's the

92

00:03:57,830 --> 00:03:56,220

youthful there and there's also the get

93

00:03:59,869 --> 00:03:57,840

Fighters dealing with the situation

94

00:04:02,270 --> 00:03:59,879

which they denied for more than four

95

00:04:05,089 --> 00:04:02,280

years is there the Amorous case is also

96

00:04:08,089 --> 00:04:05,099

very important because I have other

97

00:04:10,490 --> 00:04:08,099

several people who apparently had been

98

00:04:12,649 --> 00:04:10,500

contacted by the same alien that

99

00:04:16,210 --> 00:04:12,659

abducted Amore and the small ones that

100

00:04:18,949 --> 00:04:16,220

were with him and in a separate fashion

101
00:04:21,469 --> 00:04:18,959
they have nothing to do with Amorous

102
00:04:25,070 --> 00:04:21,479
incident this being this human-like

103
00:04:27,050 --> 00:04:25,080
alien is contacting people all around

104
00:04:29,930 --> 00:04:27,060
the area of the southwest of Puerto Rico

105
00:04:31,730 --> 00:04:29,940
I have people from the town of Jacob who

106
00:04:33,950 --> 00:04:31,740
seem to have been contacted by this man

107
00:04:36,650 --> 00:04:33,960
I have this fisherman and the rest

108
00:04:38,930 --> 00:04:36,660
Maldonado uh who I got in contact with

109
00:04:40,490 --> 00:04:38,940
amori because he told me several things

110
00:04:42,710 --> 00:04:40,500
I'm already had told no one before

111
00:04:45,830 --> 00:04:42,720
online knew them about the name of the

112
00:04:47,570 --> 00:04:45,840
alien and all the details that he was

113
00:04:50,810 --> 00:04:47,580

using to check on the people who really

114

00:04:52,189 --> 00:04:50,820

may have been in contact with the same

115

00:04:53,930 --> 00:04:52,199

thing tonight he was abducted because

116

00:04:56,689 --> 00:04:53,940

there were about 14 other people there

117

00:04:58,670 --> 00:04:56,699

in the craft that night and when

118

00:05:00,950 --> 00:04:58,680

mandolando told me all this information

119

00:05:03,530 --> 00:05:00,960

that he couldn't know because it was he

120

00:05:05,870 --> 00:05:03,540

was not involved with the Morris case I

121

00:05:07,610 --> 00:05:05,880

got them together and at this moment I

122

00:05:08,990 --> 00:05:07,620

have about three different people who

123

00:05:11,510 --> 00:05:09,000

seem to have been in contact with the

124

00:05:13,550 --> 00:05:11,520

same alien so they are doing something

125

00:05:15,710 --> 00:05:13,560

and they are getting in contact with

126

00:05:17,689 --> 00:05:15,720

more and more people and preparing

127

00:05:19,490 --> 00:05:17,699

people for something and this is very

128

00:05:21,770 --> 00:05:19,500

important because all this corroborates

129

00:05:23,629 --> 00:05:21,780

are Morris incidents also

130

00:05:25,370 --> 00:05:23,639

Mr Martin are there any official

131

00:05:27,409 --> 00:05:25,380

statements regarding the incidents in

132

00:05:30,290 --> 00:05:27,419

Puerto Rico

133

00:05:32,570 --> 00:05:30,300

as a matter of fact

134

00:05:33,830 --> 00:05:32,580

but due to the situation happening in

135

00:05:35,090 --> 00:05:33,840

the southwest Puerto Rico it's all

136

00:05:37,189 --> 00:05:35,100

around the island but in the southwest

137

00:05:39,050 --> 00:05:37,199

it's more obvious more more visible

138

00:05:41,210 --> 00:05:39,060

because of the many incidents are

139

00:05:43,270 --> 00:05:41,220

happening there constantly and it's a

140

00:05:46,610 --> 00:05:43,280

heavily populated area

141

00:05:48,950 --> 00:05:46,620

the police and the civil defense and the

142

00:05:51,050 --> 00:05:48,960

authorities began a very intensive

143

00:05:54,650 --> 00:05:51,060

disinformation program trying to

144

00:05:56,749 --> 00:05:54,660

ridicule and to make everything sing as

145

00:05:58,270 --> 00:05:56,759

a lie as fabrication by those people who

146

00:06:01,070 --> 00:05:58,280

were informing all of this

147

00:06:03,170 --> 00:06:01,080

but fortunately after they began doing

148

00:06:06,129 --> 00:06:03,180

this especially the civil defense agents

149

00:06:08,689 --> 00:06:06,139

in Puerto Rico a source of ours

150

00:06:11,029 --> 00:06:08,699

gave us this letter that was sent

151
00:06:13,430 --> 00:06:11,039
secretly by the

152
00:06:15,529 --> 00:06:13,440
state director of the Civil Defense

153
00:06:20,810 --> 00:06:15,539
Agency of Puerto Rico colon

154
00:06:23,510 --> 00:06:22,070
school is real

155
00:06:25,510 --> 00:06:23,520
that they are keeping an eye on the

156
00:06:29,150 --> 00:06:25,520
situation and investigating everything

157
00:06:30,890 --> 00:06:29,160
just to to be sure that what is

158
00:06:33,290 --> 00:06:30,900
happening and these silence and this

159
00:06:35,990 --> 00:06:33,300
incident with UFOs and Usos

160
00:06:38,090 --> 00:06:36,000
unknowns or mesh submerged objects also

161
00:06:40,309 --> 00:06:38,100
because they come out from this from the

162
00:06:43,909 --> 00:06:40,319
CNN and into the sea many people have

163
00:06:45,590 --> 00:06:43,919

seen this happen there is not a threat

164

00:06:50,150 --> 00:06:45,600

to the

165

00:06:51,590 --> 00:06:50,160

Rico on the Puerto Rican territory as

166

00:06:54,290 --> 00:06:51,600

you know something that doesn't exist

167

00:06:56,689 --> 00:06:54,300

can be a threat to anyone

168

00:07:00,590 --> 00:06:56,699

there's also another thing

169

00:07:04,370 --> 00:07:00,600

he says here that several agencies of

170

00:07:07,309 --> 00:07:04,380

the foreign investigation secretly the

171

00:07:10,790 --> 00:07:07,319

military the radio Observatory of

172

00:07:12,650 --> 00:07:10,800

Arecibo and they have always denied for

173

00:07:14,809 --> 00:07:12,660

many years that they had anything to you

174

00:07:17,029 --> 00:07:14,819

to do whatever with the youthful

175

00:07:19,010 --> 00:07:17,039

situation and it's stated here by him

176

00:07:20,749 --> 00:07:19,020

that they do have something to do and

177

00:07:22,670 --> 00:07:20,759

they are checking on the situation and

178

00:07:24,950 --> 00:07:22,680

Mr Noya

179

00:07:27,110 --> 00:07:24,960

this word written by him are very

180

00:07:31,969 --> 00:07:27,120

important because he's the layered song

181

00:07:35,749 --> 00:07:31,979

between the Puerto Rico the National

182

00:07:37,490 --> 00:07:35,759

Guard Army and the defense intelligence

183

00:07:40,070 --> 00:07:37,500

agency

184

00:07:42,409 --> 00:07:40,080

is their man in Puerto Rico

185

00:07:45,050 --> 00:07:42,419

yes and the defense intelligence agency

186

00:07:46,490 --> 00:07:45,060

is like the CIA in the military so he

187

00:07:49,689 --> 00:07:46,500

knows what he's talking about

188

00:07:54,890 --> 00:07:49,699

other Witnesses contacted Amore himself

189

00:07:58,010 --> 00:07:54,900

so far between 1988 and 1992 I've been

190

00:08:02,150 --> 00:07:58,020

able to localize seven of these people

191

00:08:05,390 --> 00:08:02,160

and because I've gone on different uh TV

192

00:08:08,270 --> 00:08:05,400

shows and uh different articles and I

193

00:08:11,330 --> 00:08:08,280

I've always been asking if anybody

194

00:08:13,309 --> 00:08:11,340

remembers anything similar happening to

195

00:08:15,110 --> 00:08:13,319

them and that year during that time

196

00:08:15,890 --> 00:08:15,120

Mother's Day to please get in touch with

197

00:08:18,890 --> 00:08:15,900

me

198

00:08:21,110 --> 00:08:18,900

and I have gotten in touch with hundreds

199

00:08:25,070 --> 00:08:21,120

of people but out of the hundreds the

200

00:08:27,710 --> 00:08:25,080

seven definitely were there with me I

201
00:08:31,249 --> 00:08:27,720
still have a seven to go maybe I'll

202
00:08:33,949 --> 00:08:31,259
never find them maybe maybe they'll see

203
00:08:38,269 --> 00:08:33,959
this Jorge Martin took me to meet Jorge

204
00:08:40,670 --> 00:08:38,279
Rivera amauri Rivera uh shortly after I

205
00:08:44,750 --> 00:08:40,680
got there with the Mexican team to study

206
00:08:47,710 --> 00:08:44,760
some phenomena in Puerto Rico and when I

207
00:08:50,150 --> 00:08:47,720
first met Amari he was very

208
00:08:52,670 --> 00:08:50,160
reluctant to describe his case because

209
00:08:53,509 --> 00:08:52,680
it's still frightened him to think about

210
00:08:58,970 --> 00:08:53,519
it

211
00:09:01,970 --> 00:08:58,980
develop enough confidence where he was

212
00:09:03,829 --> 00:09:01,980
comfortable talking to us about the case

213
00:09:06,710 --> 00:09:03,839

but he would Still Tremble When he

214

00:09:12,170 --> 00:09:06,720

thought about it he would turn pale he'd

215

00:09:15,590 --> 00:09:12,180

become weak he uh uh he was frightened

216

00:09:19,850 --> 00:09:15,600

but he has now reviewed the details and

217

00:09:23,090 --> 00:09:19,860

the points insufficient length and depth

218

00:09:26,449 --> 00:09:23,100

that he can can face

219

00:09:29,329 --> 00:09:26,459

the experience without the trauma which

220

00:09:31,130 --> 00:09:29,339

he is has learned to do and today or

221

00:09:34,009 --> 00:09:31,140

yesterday we saw for the first time that

222

00:09:37,009 --> 00:09:34,019

he is able to to manage his emotions

223

00:09:38,990 --> 00:09:37,019

well enough to describe that contact in

224

00:09:43,790 --> 00:09:39,000

considerable detail we took the pictures

225

00:09:45,470 --> 00:09:43,800

taken by Amari Rivera to a NASA a NASA

226

00:09:47,870 --> 00:09:45,480

consultant facility

227

00:09:49,490 --> 00:09:47,880

in Scottsdale where we put them through

228

00:09:52,130 --> 00:09:49,500

a computer analysis using latest

229

00:09:55,310 --> 00:09:52,140

state-of-the-art equipment and we found

230

00:09:58,370 --> 00:09:55,320

that both the disc shaped craft seen in

231

00:10:00,230 --> 00:09:58,380

the photographs and the aircraft are

232

00:10:02,930 --> 00:10:00,240

some considerable distance from the

233

00:10:06,110 --> 00:10:02,940

camera between three and five miles

234

00:10:09,530 --> 00:10:06,120

we discovered that the jet fighter was

235

00:10:12,290 --> 00:10:09,540

moving and that the disc shape craft was

236

00:10:13,449 --> 00:10:12,300

moving relatively slow or not moving at

237

00:10:16,610 --> 00:10:13,459

all

238

00:10:18,889 --> 00:10:16,620

we discovered that uh

239

00:10:21,470 --> 00:10:18,899

the ambient light conditions were

240

00:10:24,290 --> 00:10:21,480

correct in all respect

241

00:10:27,650 --> 00:10:24,300

we were able to eliminate montages pay

242

00:10:31,550 --> 00:10:27,660

stops Reflections models all kinds of

243

00:10:34,730 --> 00:10:31,560

forms of technical uh

244

00:10:36,590 --> 00:10:34,740

manipulation of photographs and we had

245

00:10:37,850 --> 00:10:36,600

to conclude that the pictures were real

246

00:10:40,550 --> 00:10:37,860

and that they were

247

00:10:42,530 --> 00:10:40,560

exactly as described by the witness when

248

00:10:45,170 --> 00:10:42,540

he took the photographs

249

00:10:47,870 --> 00:10:45,180

actually amuri Rivera was intimidated

250

00:10:50,090 --> 00:10:47,880

and pressured by government agents to

251

00:10:54,590 --> 00:10:50,100

hand over his pictures

252

00:10:59,210 --> 00:10:54,600

well a short time after after the

253

00:11:02,030 --> 00:10:59,220

incident a a three men showed up at my

254

00:11:04,430 --> 00:11:02,040

home in Puerto Rico and one of them

255

00:11:06,069 --> 00:11:04,440

stood in their car downstairs

256

00:11:10,310 --> 00:11:06,079

and

257

00:11:12,710 --> 00:11:10,320

they claimed to be a from a CIA

258

00:11:14,930 --> 00:11:12,720

and they gave me they handed me two

259

00:11:17,030 --> 00:11:14,940

pieces of paper which I was so nervous I

260

00:11:20,630 --> 00:11:17,040

couldn't really read but I remember

261

00:11:22,009 --> 00:11:20,640

seeing the letter CIA which is uh the

262

00:11:25,970 --> 00:11:22,019

intelligence agency from the United

263

00:11:28,550 --> 00:11:25,980

States and they said that it would be

264

00:11:31,009 --> 00:11:28,560

easier and better for me if I handed

265

00:11:32,690 --> 00:11:31,019

them the photographs and the negatives

266

00:11:35,329 --> 00:11:32,700

but they did not say you know what

267

00:11:38,810 --> 00:11:35,339

photographs or what Negative they didn't

268

00:11:41,329 --> 00:11:38,820

specify and I just told them that I did

269

00:11:43,850 --> 00:11:41,339

not know what they were talking about

270

00:11:47,389 --> 00:11:43,860

and they said it would be easier because

271

00:11:49,190 --> 00:11:47,399

we have the an order for to register

272

00:11:51,769 --> 00:11:49,200

your house to look to your house and I

273

00:11:53,569 --> 00:11:51,779

said well go ahead be my guess and look

274

00:11:55,790 --> 00:11:53,579

and they they looked but they couldn't

275

00:11:56,990 --> 00:11:55,800

find them because I had I had hid them

276

00:11:59,630 --> 00:11:57,000

very well

277

00:12:03,590 --> 00:11:59,640

this happened in December 28 1988 at 7

278

00:12:05,389 --> 00:12:03,600

45 PM the people of the area of Cabo

279

00:12:08,030 --> 00:12:05,399

Rojo and that has two town to the

280

00:12:10,970 --> 00:12:08,040

southwest of the island that night so a

281

00:12:12,350 --> 00:12:10,980

very huge a bowl of blue light as we see

282

00:12:14,810 --> 00:12:12,360

here in the drawing

283

00:12:16,850 --> 00:12:14,820

you know that was flying over the Sierra

284

00:12:18,290 --> 00:12:16,860

Birmingham mountains a small Ridge there

285

00:12:21,110 --> 00:12:18,300

to where many of these incidents have

286

00:12:25,009 --> 00:12:21,120

been happening in Puerto Rico and then

287

00:12:26,090 --> 00:12:25,019

this ball of Life changed and it changed

288

00:12:28,550 --> 00:12:26,100

to another color

289

00:12:31,069 --> 00:12:28,560

to a huge bowl of yellowish light and

290

00:12:34,430 --> 00:12:31,079

the witnesses all could say that this

291

00:12:35,389 --> 00:12:34,440

was part of a triangular craft very big

292

00:12:38,210 --> 00:12:35,399

in size

293

00:12:40,670 --> 00:12:38,220

and this yellow light was on the

294

00:12:43,550 --> 00:12:40,680

underneath the object it was a almost

295

00:12:46,190 --> 00:12:43,560

semicircular something like a bulge or a

296

00:12:48,050 --> 00:12:46,200

bowl of yellow light very bright and the

297

00:12:50,150 --> 00:12:48,060

two dead flowers were trying to

298

00:12:53,269 --> 00:12:50,160

intercept it and in three different

299

00:12:55,790 --> 00:12:53,279

occasions made it beer away and changed

300

00:12:58,009 --> 00:12:55,800

its trajectory his Direction

301
00:12:58,970 --> 00:12:58,019
in this allocation the objects stopped

302
00:13:03,889 --> 00:12:58,980
emitter

303
00:13:06,590 --> 00:13:03,899
one of the jet fighters seemed to a

304
00:13:09,050 --> 00:13:06,600
as if he was going to collide with the

305
00:13:10,790 --> 00:13:09,060
object by the back of it and the people

306
00:13:11,930 --> 00:13:10,800
began screaming because they believed

307
00:13:14,389 --> 00:13:11,940
there was going to be a collision and

308
00:13:16,550 --> 00:13:14,399
explosion and something a terrible might

309
00:13:18,590 --> 00:13:16,560
happen but what happened was that the

310
00:13:21,410 --> 00:13:18,600
jet fighter just disappeared banished in

311
00:13:23,930 --> 00:13:21,420
the air next to the to the to the UFO

312
00:13:26,629 --> 00:13:23,940
the other jet fighter kept flying next

313
00:13:29,509 --> 00:13:26,639

to it by the right side of it and then

314

00:13:30,590 --> 00:13:29,519

all of a sudden it also disappeared it

315

00:13:33,230 --> 00:13:30,600

vanished

316

00:13:34,730 --> 00:13:33,240

the UFO then came back again

317

00:13:37,610 --> 00:13:34,740

turn around

318

00:13:40,490 --> 00:13:37,620

flew over an area known there as this a

319

00:13:43,310 --> 00:13:40,500

man lake is a small pond surrounded by

320

00:13:45,769 --> 00:13:43,320

many palm trees and over this palm trees

321

00:13:49,250 --> 00:13:45,779

I would say about an altitude of a

322

00:13:51,230 --> 00:13:49,260

hundred feet from the palm trees it

323

00:13:54,230 --> 00:13:51,240

divided itself this huge triangular

324

00:13:57,949 --> 00:13:54,240

object into two different objects it's

325

00:14:00,230 --> 00:13:57,959

split with a luminous explosion a

326
00:14:03,410 --> 00:14:00,240
soundless explosion a very bright light

327
00:14:06,710 --> 00:14:03,420
and both parts of the crap

328
00:14:09,050 --> 00:14:06,720
One Flew very fast to the to the north

329
00:14:11,629 --> 00:14:09,060
and one flew very fast to the East and

330
00:14:14,509 --> 00:14:11,639
disappear there were all the witnesses

331
00:14:15,949 --> 00:14:14,519
that say that there was a certified that

332
00:14:18,110 --> 00:14:15,959
was checking on the situation from a

333
00:14:19,790 --> 00:14:18,120
distance but when

334
00:14:21,650 --> 00:14:19,800
that pilot

335
00:14:23,690 --> 00:14:21,660
of that surrogate fighter so what

336
00:14:27,250 --> 00:14:23,700
happened and finally he tried to flee

337
00:14:29,810 --> 00:14:27,260
the area and three small

338
00:14:32,629 --> 00:14:29,820

bowls of red light came out from the

339

00:14:34,910 --> 00:14:32,639

from the UFO and began chasing it

340

00:14:35,990 --> 00:14:34,920

and they disappear to the Lord they

341

00:14:38,690 --> 00:14:36,000

don't know what happened to the

342

00:14:42,170 --> 00:14:38,700

surrogate fighter

343

00:14:45,710 --> 00:14:42,180

how many witnesses followed this event

344

00:14:48,650 --> 00:14:45,720

up to now more than 100 Witnesses

345

00:14:52,310 --> 00:14:48,660

what are your conclusions

346

00:14:54,290 --> 00:14:52,320

well if this incident did occur it's a

347

00:14:57,350 --> 00:14:54,300

very important one when you have more

348

00:14:58,970 --> 00:14:57,360

than 100 witnesses that describe the

349

00:15:01,850 --> 00:14:58,980

same thing to you they make the same

350

00:15:04,730 --> 00:15:01,860

drawings to you what they saw

351
00:15:07,670 --> 00:15:04,740
all the details fit

352
00:15:09,470 --> 00:15:07,680
with all the descriptions and we have

353
00:15:11,870 --> 00:15:09,480
all the information in due to the

354
00:15:14,389 --> 00:15:11,880
investigation we made for example that

355
00:15:16,129 --> 00:15:14,399
this jet craft must have been from the

356
00:15:19,009 --> 00:15:16,139
Navy of the United States

357
00:15:21,590 --> 00:15:19,019
because that day the National Guard had

358
00:15:24,710 --> 00:15:21,600
no airplanes or any air practices in the

359
00:15:26,930 --> 00:15:24,720
area and Roosevelt Road naval station in

360
00:15:29,389 --> 00:15:26,940
Seva a principle based in the Caribbean

361
00:15:30,889 --> 00:15:29,399
from the U.S did have some air practices

362
00:15:33,590 --> 00:15:30,899
that night and personally in the area

363
00:15:35,329 --> 00:15:33,600

even though they denied it but the FAA

364

00:15:37,970 --> 00:15:35,339

Federal Aviation Administration in San

365

00:15:39,769 --> 00:15:37,980

Juan confirmed to us that there were

366

00:15:41,030 --> 00:15:39,779

practices from Roseburg Rose Naval

367

00:15:44,930 --> 00:15:41,040

Station there

368

00:15:47,410 --> 00:15:44,940

I want to start saying that what was

369

00:15:53,329 --> 00:15:47,420

happened to me

370

00:15:56,030 --> 00:15:53,339

it is very important and it is

371

00:15:58,790 --> 00:15:56,040

very real

372

00:16:02,810 --> 00:15:58,800

and it is not different of what is

373

00:16:07,569 --> 00:16:02,820

happening to many womans at least

374

00:16:14,269 --> 00:16:10,970

I want to say that

375

00:16:16,970 --> 00:16:14,279

this is important

376

00:16:23,269 --> 00:16:20,150

it's our lives is going to change

377

00:16:26,509 --> 00:16:23,279

and I want to say too that it is real

378

00:16:27,410 --> 00:16:26,519

because you could speak to it and you

379

00:16:28,730 --> 00:16:27,420

could

380

00:16:30,769 --> 00:16:28,740

touch it

381

00:16:34,790 --> 00:16:30,779

and you could really and you could feel

382

00:16:39,170 --> 00:16:34,800

it very deep into your own

383

00:16:43,249 --> 00:16:39,180

and yes my my experience

384

00:16:47,749 --> 00:16:43,259

I I was laying down on my

385

00:16:50,269 --> 00:16:47,759

on my bed but that night it was early it

386

00:16:52,490 --> 00:16:50,279

was about 10 to 10 30.

387

00:16:58,069 --> 00:16:52,500

I was watching television

388

00:17:00,350 --> 00:16:58,079

on my bed and I heard like a some strong

389

00:17:02,749 --> 00:17:00,360

busting sound

390

00:17:05,530 --> 00:17:02,759

I don't know what was happening with

391

00:17:07,429 --> 00:17:05,540

that kind of noise

392

00:17:11,030 --> 00:17:07,439

suddenly

393

00:17:15,530 --> 00:17:11,040

it was disappear in my room two little

394

00:17:17,090 --> 00:17:15,540

creatures and then I was

395

00:17:19,909 --> 00:17:17,100

paralyzed

396

00:17:23,510 --> 00:17:19,919

and I was out of conscious

397

00:17:26,270 --> 00:17:23,520

then the when I opened my eyes I am in a

398

00:17:29,630 --> 00:17:26,280

place that they are

399

00:17:32,270 --> 00:17:29,640

examine my body the whole body

400

00:17:34,789 --> 00:17:32,280

and they was telling me that my body was

401
00:17:36,289 --> 00:17:34,799
in good conditions and and my body was

402
00:17:40,010 --> 00:17:36,299
perfect

403
00:17:45,529 --> 00:17:40,020
so they make an exam Gene ecological

404
00:17:48,049 --> 00:17:45,539
exam and they uh take out some kind of

405
00:17:51,289 --> 00:17:48,059
a piece from my left side ovary

406
00:17:53,590 --> 00:17:51,299
so I would say that that's by default

407
00:17:55,610 --> 00:17:53,600
the first time

408
00:17:59,570 --> 00:17:55,620
the first

409
00:18:02,510 --> 00:17:59,580
thing what what what what happened

410
00:18:04,990 --> 00:18:02,520
then the second time they came in the

411
00:18:07,990 --> 00:18:05,000
same manner

412
00:18:11,990 --> 00:18:08,000
uh the same way

413
00:18:14,210 --> 00:18:12,000

I I lost my conscience again and when I

414

00:18:17,990 --> 00:18:14,220

opened my eyes I am in a place that I

415

00:18:20,630 --> 00:18:18,000

described this place like Cabo Rojo they

416

00:18:24,610 --> 00:18:20,640

took me to a place in Puerto Rico

417

00:18:27,890 --> 00:18:24,620

mountains mountains of Puerto Rico and

418

00:18:31,430 --> 00:18:27,900

they show me a big baby

419

00:18:33,650 --> 00:18:31,440

and when I saw that baby I immediately

420

00:18:36,470 --> 00:18:33,660

uh

421

00:18:39,529 --> 00:18:36,480

I said that it couldn't I couldn't

422

00:18:41,330 --> 00:18:39,539

believe it because it was myself that

423

00:18:42,950 --> 00:18:41,340

baby was myself

424

00:18:45,409 --> 00:18:42,960

and

425

00:18:48,049 --> 00:18:45,419

I said to them

426

00:18:50,510 --> 00:18:48,059

what's that it is impossible how how

427

00:18:54,890 --> 00:18:50,520

could you make that how could you did it

428

00:18:57,830 --> 00:18:54,900

it is impossible so but that's me I said

429

00:18:59,570 --> 00:18:57,840

it was myself that baby I could feel

430

00:19:02,870 --> 00:18:59,580

that baby myself

431

00:19:05,990 --> 00:19:02,880

and she was a a girl

432

00:19:08,570 --> 00:19:06,000

and that's why that's the way I I feel

433

00:19:09,650 --> 00:19:08,580

it I feel that baby big that baby was

434

00:19:13,310 --> 00:19:09,660

myself

435

00:19:14,870 --> 00:19:13,320

did they tell you why they created this

436

00:19:16,730 --> 00:19:14,880

clone

437

00:19:19,310 --> 00:19:16,740

why

438

00:19:23,090 --> 00:19:19,320

I think because

439

00:19:24,650 --> 00:19:23,100
they need to implant very

440

00:19:26,570 --> 00:19:24,660
very soon

441

00:19:28,310 --> 00:19:26,580
some kind of

442

00:19:31,850 --> 00:19:28,320
life

443

00:19:37,310 --> 00:19:33,590
yeah

444

00:19:40,850 --> 00:19:37,320
and why do they want this

445

00:19:44,390 --> 00:19:40,860
well that's a that's a little

446

00:19:46,610 --> 00:19:44,400
difficult for me to explain it now

447

00:19:49,909 --> 00:19:46,620
I can I have a

448

00:19:52,070 --> 00:19:49,919
information that I cannot that I cannot

449

00:19:55,549 --> 00:19:52,080
remember and I have another information

450

00:19:57,770 --> 00:19:55,559
that I am not going to

451

00:19:59,930 --> 00:19:57,780

to tell to anybody

452

00:20:03,470 --> 00:19:59,940

but I think

453

00:20:06,890 --> 00:20:03,480

I think that this kind of life is going
