00:00:03,540 --> 00:00:09,890  
foreign

2  
00:00:14,590 --> 00:00:12,230  
these are sketches of alien abductors

3  
00:00:29,689 --> 00:00:14,600  
made by their victims

4  
00:00:35,090 --> 00:00:32,030  
most report being confronted by UFOs

5  
00:00:40,670 --> 00:00:35,100  
emanating bright and paralyzing lights

6  
00:00:42,590 --> 00:00:40,680  
[Music]

7  
00:00:45,709 --> 00:00:42,600  
others claim to have been abducted from

8  
00:00:49,369 --> 00:00:47,630  
when they return they are unable to

9  
00:00:51,830 --> 00:00:49,379  
account for their whereabouts for hours

10  
00:00:57,709 --> 00:00:51,840  
or even days

11  
00:01:02,569 --> 00:00:59,930  
abductees say they're often restrained

12  
00:01:05,210 --> 00:01:02,579  
and subjected to painful physical tests

13  
00:01:09,710 --> 00:01:05,220

invasive procedures focused on sexual

14

00:01:13,550 --> 00:01:11,330

some people who claimed to have been

15

00:01:15,350 --> 00:01:13,560

abducted exhibit round depressions

16

00:01:17,510 --> 00:01:15,360

called scoop marks

17

00:01:19,270 --> 00:01:17,520

as if a layer of cells had been

18

00:01:21,649 --> 00:01:19,280

surgically removed from their bodies

19

00:01:26,990 --> 00:01:21,659

others suffer long cuts and

20

00:01:31,429 --> 00:01:29,149

the Hopkins has written two books on

21

00:01:33,289 --> 00:01:31,439

abductions and has interviewed hundreds

22

00:01:36,289 --> 00:01:33,299

of abductees

23

00:01:38,510 --> 00:01:36,299

you get very very few hoaxes because a

24

00:01:39,830 --> 00:01:38,520

person is calling you saying I don't

25

00:01:41,569 --> 00:01:39,840

know what happened to me I might be

26

00:01:43,550 --> 00:01:41,579

losing my mind I don't want you to call

27

00:01:44,929 --> 00:01:43,560

back to my house because I don't want my

28

00:01:47,630 --> 00:01:44,939

wife to know that I've talked to you I

29

00:01:49,429 --> 00:01:47,640

don't know what's happening Etc and they

30

00:01:52,429 --> 00:01:49,439

insist on anonymity and so forth it's

31

00:01:53,990 --> 00:01:52,439

hardly a the motivation for a hoaxer in

32

00:01:57,770 --> 00:01:54,000

that there's no way that you cover

33

00:02:03,350 --> 00:02:01,310

oh I never thought about UFOs never

34

00:02:05,330 --> 00:02:03,360

really occurred to me at all

35

00:02:07,670 --> 00:02:05,340

about even their their possibility until

36

00:02:10,609 --> 00:02:07,680

I was 17 and it was in my face and there

37

00:02:12,830 --> 00:02:10,619

was no way to avoid it

38

00:02:16,309 --> 00:02:12,840

Chris Hinton is a 42 year old assistant

39

00:02:18,350 --> 00:02:16,319

building contractor in Washington D.C

40

00:02:25,220 --> 00:02:18,360

he provided this interview in hopes of

41

00:02:33,710 --> 00:02:31,150

[Music]

42

00:02:36,770 --> 00:02:33,720

over the course of a week in the summer

43

00:02:38,660 --> 00:02:36,780

of 1972 Chris was helping his brother

44

00:02:40,670 --> 00:02:38,670

prepare for a driving test

45

00:02:43,610 --> 00:02:40,680

[Music]

46

00:02:46,670 --> 00:02:43,620

each night they saw several UFOs in the

47

00:02:50,990 --> 00:02:48,710

see a bright light Over the Horizon just

48

00:02:56,810 --> 00:02:51,000

shoot across the sky lightning speed and

49

00:02:56,820 --> 00:03:03,650

[Music]

50

00:03:08,570 --> 00:03:06,229

this voice explains

51  
00:03:10,009 --> 00:03:08,580  
as this light projects off the side of

52  
00:03:12,649 --> 00:03:10,019  
the ship

53  
00:03:15,350 --> 00:03:12,659  
we're hypnotizing you and there's no

54  
00:03:16,910 --> 00:03:15,360  
need to be afraid you just relax

55  
00:03:18,460 --> 00:03:16,920  
and we are going to communicate

56  
00:03:28,809 --> 00:03:18,470  
telepathically

57  
00:03:33,830 --> 00:03:31,430  
Chris's teenage encounters triggered

58  
00:03:36,649 --> 00:03:33,840  
forgotten memories

59  
00:03:41,330 --> 00:03:36,659  
replays of other alien abductions that

60  
00:03:48,410 --> 00:03:43,190  
when I was four years old I had been

61  
00:03:53,570 --> 00:03:51,589  
and two figures about my size came up

62  
00:03:56,149 --> 00:03:53,580  
one on either side of me from behind and

63  
00:03:57,830 --> 00:03:56,159

they said will you come with us Chris

64

00:03:59,630 --> 00:03:57,840

well I thought it was a ramp it looked

65

00:04:01,190 --> 00:03:59,640

like a metallic ramp that entered a

66

00:04:05,089 --> 00:04:01,200

doorway and they put me on this table

67

00:04:06,649 --> 00:04:05,099

and they clamped my skull into the Vise

68

00:04:08,390 --> 00:04:06,659

of some sort I remember I just couldn't

69

00:04:10,789 --> 00:04:08,400

move and I saw this contraption it was

70

00:04:12,000 --> 00:04:10,799

metallic and they clamped it firm I

71

00:04:14,330 --> 00:04:12,010

could not move

72

00:04:16,129 --> 00:04:14,340

[Music]

73

00:04:17,750 --> 00:04:16,139

and they rammed something up the back of

74

00:04:20,449 --> 00:04:17,760

my head and it hurt like the devil I was

75

00:04:25,249 --> 00:04:22,790

and I packed me and walked me out of the

76

00:04:31,010 --> 00:04:25,259

out of the ship and I'm running back

77

00:04:37,249 --> 00:04:34,670

by 1992 stories like Chris's had become

78

00:04:38,710 --> 00:04:37,259

so widespread that a special conference

79

00:04:41,390 --> 00:04:38,720

was convened at the Massachusetts

80

00:04:43,870 --> 00:04:41,400

Institute of Technology to investigate

81

00:04:47,390 --> 00:04:43,880

alien abductions

82

00:04:49,370 --> 00:04:47,400

sponsored by the fun for UFO research it

83

00:04:52,749 --> 00:04:49,380

was attended by prominent scientists

84

00:04:55,189 --> 00:04:52,759

abduction victims and UFO researchers

85

00:04:56,050 --> 00:04:55,199

Studies have been conducted that show

86

00:04:58,310 --> 00:04:56,060

that

87

00:05:00,650 --> 00:04:58,320

abductees who don't know anything about

88

00:05:02,150 --> 00:05:00,660

the UFO subject they don't know what

89

00:05:03,770 --> 00:05:02,160

other people have reported still will

90

00:05:07,490 --> 00:05:03,780

come out with the identical story in

91

00:05:11,210 --> 00:05:09,650

but scientists at the conference wanted

92

00:05:13,249 --> 00:05:11,220

hard proof

93

00:05:15,890 --> 00:05:13,259

we hear Tales of people being abducted

94

00:05:18,409 --> 00:05:15,900

we hear heartfelt

95

00:05:20,689 --> 00:05:18,419

stories these people are clearly

96

00:05:22,129 --> 00:05:20,699

affected by what they've imagined or

97

00:05:24,650 --> 00:05:22,139

seen or something

98

00:05:30,350 --> 00:05:24,660

but we never get a real piece of

99

00:05:34,370 --> 00:05:32,570

the Hopkins believes he's found the kind

100

00:05:38,390 --> 00:05:34,380

of evidence scientists are looking for

101  
00:05:40,909 --> 00:05:38,400  
here in Salt Lake City Utah

102  
00:05:43,850 --> 00:05:40,919  
this woman and her son had an abduction

103  
00:05:46,670 --> 00:05:43,860  
experience to protect their privacy they

104  
00:05:49,490 --> 00:05:46,680  
requested we mask their identities I

105  
00:05:52,070 --> 00:05:49,500  
I was their ordeal began on a drive home

106  
00:05:54,230 --> 00:05:52,080  
from a family get-together and all of a

107  
00:05:58,810 --> 00:05:54,240  
sudden we were hit by that bright light

108  
00:06:03,890 --> 00:06:01,629  
they came from nowhere

109  
00:06:04,909 --> 00:06:03,900  
I couldn't see the road I knew I was

110  
00:06:06,890 --> 00:06:04,919  
moving

111  
00:06:09,110 --> 00:06:06,900  
I looked over at him and I told him I

112  
00:06:11,930 --> 00:06:09,120  
can't see the road

113  
00:06:14,210 --> 00:06:11,940

and that's the last of my memory

114

00:06:16,249 --> 00:06:14,220

my recollection is my mother let go of

115

00:06:17,870 --> 00:06:16,259

the steering wheel and at that point I

116

00:06:19,490 --> 00:06:17,880

reached over and grabbed it I can't

117

00:06:23,390 --> 00:06:19,500

remember going home I can't remember the

118

00:06:28,249 --> 00:06:25,790

like many abductees memories of

119

00:06:29,510 --> 00:06:28,259

intrusive alien surgery began to haunt

120

00:06:32,150 --> 00:06:29,520

Joan

121

00:06:34,370 --> 00:06:32,160

a year later an accident would reveal

122

00:06:37,129 --> 00:06:34,380

some extraordinary evidence

123

00:06:39,529 --> 00:06:37,139

I hit my head on the fireplace

124

00:06:41,110 --> 00:06:39,539

and I was out unconscious for about 45

125

00:06:44,029 --> 00:06:41,120

minutes

126

00:06:46,610 --> 00:06:44,039

I woke up and made it to the phone and

127

00:06:48,350 --> 00:06:46,620

called my parents and they came and took

128

00:06:57,370 --> 00:06:48,360

me to the hospital

129

00:07:03,050 --> 00:06:59,870

yeah right yeah but there was no skull

130

00:07:04,029 --> 00:07:03,060

fracture it was fine but the doctor came

131

00:07:07,309 --> 00:07:04,039

running running

132

00:07:08,749 --> 00:07:07,319

through ER yelling how did you get this

133

00:07:11,210 --> 00:07:08,759

metal in your head

134

00:07:13,730 --> 00:07:11,220

well I had no idea neither did my

135

00:07:17,629 --> 00:07:13,740

parents I've never had a head injury to

136

00:07:22,969 --> 00:07:20,390

the radiologist report indicates an oval

137

00:07:25,070 --> 00:07:22,979

metallic object of Unknown Origin is

138

00:07:27,050 --> 00:07:25,080

lodged in the parasagittal region of the

139

00:07:29,390 --> 00:07:27,060

woman's brain

140

00:07:31,909 --> 00:07:29,400

the official Hospital report goes on to

141

00:07:34,129 --> 00:07:31,919

State the appearance is unusual for an

142

00:07:36,650 --> 00:07:34,139

artifact and certainly the pattern would

143

00:07:38,089 --> 00:07:36,660

be worthy of pursuit

144

00:07:39,770 --> 00:07:38,099

what did you say

145

00:07:42,050 --> 00:07:39,780

do you think Skeptics insist that

146

00:07:43,969 --> 00:07:42,060

reports of alien abductions are the

147

00:07:45,290 --> 00:07:43,979

product of some Mass subconscious

148

00:07:47,570 --> 00:07:45,300

Hysteria

149

00:07:54,450 --> 00:07:47,580

but if they are fantasies

150

00:07:58,730 --> 00:07:56,629

[Music]

151  
00:08:00,969 --> 00:07:58,740  
in the USA for years there have been

152  
00:08:02,870 --> 00:08:00,979  
meetings organized by psychologists

153  
00:08:04,850 --> 00:08:02,880  
specializing in those who have been

154  
00:08:06,650 --> 00:08:04,860  
contacted or abducted

155  
00:08:07,930 --> 00:08:06,660  
the aim is to help them to overcome

156  
00:08:10,689 --> 00:08:07,940  
their trauma

157  
00:08:12,650 --> 00:08:10,699  
many elements of their experiences

158  
00:08:13,689 --> 00:08:12,660  
coincide which gives them more

159  
00:08:17,330 --> 00:08:13,699  
credibility

160  
00:08:19,969 --> 00:08:17,340  
the psychologists are Leo sprinkle is

161  
00:08:22,670 --> 00:08:19,979  
involved in the project he's one of the

162  
00:08:26,990 --> 00:08:22,680  
foremost researchers on the subject my

163  
00:08:29,629 --> 00:08:27,000

own personal view of the majority of

164

00:08:31,610 --> 00:08:29,639

persons is that the majority of persons

165

00:08:33,050 --> 00:08:31,620

are normal in their psychological

166

00:08:37,449 --> 00:08:33,060

functioning that is they are not

167

00:08:44,750 --> 00:08:40,130

intelligent and educated

168

00:08:46,490 --> 00:08:44,760

and they are as a group they are sincere

169

00:08:48,949 --> 00:08:46,500

in describing what they believe has

170

00:08:51,170 --> 00:08:48,959

happened even the psychologist Richard

171

00:08:53,210 --> 00:08:51,180

Boylan is a well-known researcher on the

172

00:08:54,370 --> 00:08:53,220

subject has followed contacts for

173

00:08:56,949 --> 00:08:54,380

several years

174

00:09:00,230 --> 00:08:56,959

this is how he sees it worked with over

175

00:09:03,910 --> 00:09:00,240

165 people who've had these

176

00:09:07,009 --> 00:09:03,920

extraterrestrial encounters I'm

177

00:09:10,070 --> 00:09:07,019

understanding of their feelings and

178

00:09:13,550 --> 00:09:10,080

can bring them to understand what

179

00:09:15,350 --> 00:09:13,560

they've been through is not some strange

180

00:09:17,090 --> 00:09:15,360

thing that only happened to them but

181

00:09:18,590 --> 00:09:17,100

that it's happened to thousands of other

182

00:09:21,350 --> 00:09:18,600

people as well

183

00:09:24,050 --> 00:09:21,360

in recent years abductions by small

184

00:09:26,630 --> 00:09:24,060

humanoids with a big head as being much

185

00:09:29,090 --> 00:09:26,640

discussed so if we can have the first

186

00:09:34,990 --> 00:09:29,100

slide please these are identified by the

187

00:09:41,150 --> 00:09:38,269

but also in Europe and elsewhere

188

00:09:42,949 --> 00:09:41,160

Bud Hopkins is one of the most leading

189

00:09:44,030 --> 00:09:42,959

researchers on the subject which is a

190

00:09:46,130 --> 00:09:44,040

little out of focus that's the way the

191

00:09:47,740 --> 00:09:46,140

slide is followed many hundreds of cases

192

00:09:49,370 --> 00:09:47,750

all over the world

193

00:09:51,410 --> 00:09:49,380

[Music]

194

00:09:54,949 --> 00:09:51,420

I hope there's kidnap to overcome their

195

00:09:57,350 --> 00:09:54,959

trauma through hypnosis

196

00:09:59,690 --> 00:09:57,360

even if the victims can consciously

197

00:10:03,430 --> 00:09:59,700

remember the events anyway

198

00:10:07,030 --> 00:10:03,440

often the objections happen at night

199

00:10:10,389 --> 00:10:07,040

the gray beings can go through walls

200

00:10:15,230 --> 00:10:10,399

materializing and not materializing

201  
00:10:19,970 --> 00:10:17,930  
it is said that the gray people can take

202  
00:10:22,810 --> 00:10:19,980  
the person to the spaceship through a

203  
00:10:27,949 --> 00:10:26,030  
kidnap person is then subjected to a

204  
00:10:32,090 --> 00:10:27,959  
medical examination

205  
00:10:40,610 --> 00:10:35,570  
sperm is almost always taken from Men

206  
00:10:45,290 --> 00:10:42,470  
these abductees

207  
00:10:48,829 --> 00:10:45,300  
often have scars on the body of a victim

208  
00:10:50,690 --> 00:10:48,839  
like these 10 year old ones

209  
00:10:53,690 --> 00:10:50,700  
the victim discovered how these were

210  
00:10:55,250 --> 00:10:53,700  
done after an induction experience

211  
00:10:57,110 --> 00:10:55,260  
which you can only remember on the

212  
00:11:00,290 --> 00:10:57,120  
hypnosis

213  
00:11:04,430 --> 00:11:00,300

was confirmed by Witnesses

214

00:11:12,670 --> 00:11:04,440

let's respect his desire for privacy

215

00:11:17,090 --> 00:11:15,530

small objects were discovered next slide

216

00:11:18,949 --> 00:11:17,100

please which are extremely interesting

217

00:11:20,810 --> 00:11:18,959

it was said to be planted during the

218

00:11:23,030 --> 00:11:20,820

kidnapping for cases I'm aware of

219

00:11:24,829 --> 00:11:23,040

they've been studied in University

220

00:11:28,310 --> 00:11:24,839

Laboratories

221

00:11:31,250 --> 00:11:28,320

the basic purpose of this

222

00:11:35,329 --> 00:11:31,260

seems to have to do with the need of the

223

00:11:36,889 --> 00:11:35,339

aliens to remove human OVA and sperm or

224

00:11:40,850 --> 00:11:36,899

cells

225

00:11:43,490 --> 00:11:40,860

to take our DNA our genetic makeup and

226

00:11:45,410 --> 00:11:43,500

to mix it with their own

227

00:11:49,870 --> 00:11:45,420

as if what they're trying to do is to

228

00:11:55,329 --> 00:11:52,970

the woman might be re-abducted months or

229

00:11:58,970 --> 00:11:55,339

even years later and shown a tiny baby

230

00:12:01,730 --> 00:11:58,980

which is a strange mix of human and

231

00:12:05,329 --> 00:12:01,740

alien characteristics and they are told

232

00:12:07,430 --> 00:12:05,339

in the UFO that this is your child

233

00:12:09,850 --> 00:12:07,440

and they are asked to bond with the

234

00:12:12,769 --> 00:12:09,860

child to hold it

235

00:12:14,870 --> 00:12:12,779

in other words their their connection

236

00:12:17,750 --> 00:12:14,880

with us particularly on an emotional

237

00:12:20,269 --> 00:12:17,760

level is very slight it's as if they

238

00:12:21,650 --> 00:12:20,279

don't understand human emotions and just

239

00:12:23,750 --> 00:12:21,660

as they have been trying to learn about

240

00:12:26,269 --> 00:12:23,760

human reproduction I think they're

241

00:12:27,650 --> 00:12:26,279

trying to learn about human emotion I

242

00:12:30,170 --> 00:12:27,660

think they're very interested in simple

243

00:12:33,009 --> 00:12:30,180

things to us like how we care for our

244

00:12:36,350 --> 00:12:33,019

children how we care for one another how

245

00:12:38,210 --> 00:12:36,360

romantic relationships begin

246

00:12:39,949 --> 00:12:38,220

all the things that make us most human

247

00:12:41,269 --> 00:12:39,959

they seem very interested in that

248

00:12:42,540 --> 00:12:41,279

because it seems that they don't have

249

00:12:47,090 --> 00:12:42,550

that themselves

250

00:12:52,370 --> 00:12:49,610

to have their own needs their own

251

00:12:54,230 --> 00:12:52,380

projects their own agenda and it does

252

00:12:55,730 --> 00:12:54,240

not seem to have anything to do with the

253

00:12:58,009 --> 00:12:55,740

good of mankind

254

00:13:01,129 --> 00:12:58,019

same time human beings have a whole

255

00:13:04,610 --> 00:13:01,139

group of fears paranoid fears of enemies

256

00:13:05,930 --> 00:13:04,620

of or Devils or whatnot demons there's

257

00:13:08,030 --> 00:13:05,940

no sense that they have ever

258

00:13:10,310 --> 00:13:08,040

deliberately wanted to harm anybody or

259

00:13:12,590 --> 00:13:10,320

tried to harm anybody this is what makes

260

00:13:15,889 --> 00:13:12,600

the whole phenomenon so finely puzzling

261

00:13:17,930 --> 00:13:15,899

it doesn't fit human fears or human

262

00:13:20,870 --> 00:13:17,940

desires or hopes

263

00:13:24,110 --> 00:13:20,880

that makes me believe that they are and

264

00:13:27,170 --> 00:13:24,120

completely external element in the

265

00:13:28,850 --> 00:13:27,180

universe which has its own needs its own

266

00:13:30,829 --> 00:13:28,860

patterns of behavior

267

00:13:34,250 --> 00:13:30,839

they are doing terrible things to humans

268

00:13:36,590 --> 00:13:34,260

only by accident in other words the

269

00:13:39,650 --> 00:13:36,600

trauma that happens and the physical

270

00:13:43,150 --> 00:13:39,660

problems I don't think are intended but

271

00:13:48,069 --> 00:13:46,009

but is this proof

272

00:13:52,430 --> 00:13:48,079

besides marks on the body

273

00:13:53,990 --> 00:13:52,440

what is real I collect for instance uh

274

00:13:55,910 --> 00:13:54,000

drawings that people make of certain

275

00:13:58,069 --> 00:13:55,920

symbols that they've seen inside the

276

00:14:01,009 --> 00:13:58,079

craft certain like writing never been

277

00:14:02,930 --> 00:14:01,019

published I have about 35 examples that

278

00:14:07,190 --> 00:14:02,940

are virtually identical

279

00:14:09,410 --> 00:14:07,200

and I have had now three times

280

00:14:11,930 --> 00:14:09,420

when someone has made a drawing for me

281

00:14:13,970 --> 00:14:11,940

of symbols of writing you have no idea

282

00:14:15,769 --> 00:14:13,980

what it means but they've seen writing

283

00:14:17,750 --> 00:14:15,779

inside a craft when they were finished

284

00:14:19,790 --> 00:14:17,760

making the drawing I have shown them

285

00:14:22,790 --> 00:14:19,800

other samples of other people's

286

00:14:26,329 --> 00:14:22,800

identical to theirs and in all three

287

00:14:29,090 --> 00:14:26,339

cases the people have burst into tears

288

00:14:31,850 --> 00:14:29,100

because it was too upsetting

289

00:14:34,009 --> 00:14:31,860

to have that confirmation they didn't

290

00:14:36,949 --> 00:14:34,019

want it to be true either your total

291

00:14:39,350 --> 00:14:36,959

self to let in suddenly these things are

292

00:14:42,310 --> 00:14:39,360

so upsetting in spite of the proof of it

293

00:14:44,689 --> 00:14:42,320

by Hopkins it's better to deny them

294

00:14:47,389 --> 00:14:44,699

professor John Mack lecturer in

295

00:14:49,090 --> 00:14:47,399

Psychology at Harvard he was involved in

296

00:14:52,850 --> 00:14:49,100

the case of Hopkins

297

00:14:56,769 --> 00:14:52,860

in the beginning Mack was skeptical but

298

00:14:59,569 --> 00:14:56,779

later started 50 other cases the uh

299

00:15:01,329 --> 00:14:59,579

experiences of the abductees are

300

00:15:06,829 --> 00:15:01,339

entirely real

301  
00:15:07,689 --> 00:15:06,839  
they have I have no reason to believe or

302  
00:15:10,670 --> 00:15:07,699  
to

303  
00:15:13,449 --> 00:15:10,680  
conclude that anything different than

304  
00:15:18,050 --> 00:15:13,459  
what they report has occurred

305  
00:15:20,269 --> 00:15:18,060  
I have my field is Psychiatry I did not

306  
00:15:24,710 --> 00:15:20,279  
write a word on this subject until I had

307  
00:15:27,470 --> 00:15:24,720  
spent two years working with over 50

308  
00:15:28,790 --> 00:15:27,480  
people spent hundreds of hours and

309  
00:15:31,210 --> 00:15:28,800  
concluded that they were telling the

310  
00:15:34,790 --> 00:15:31,220  
truth that these were real experiences

311  
00:15:36,829 --> 00:15:34,800  
that what had occurred to them in some

312  
00:15:42,590 --> 00:15:36,839  
cases was deeply disturbing in some

313  
00:15:46,189 --> 00:15:44,030

[h\_\_\h]

314

00:15:48,350 --> 00:15:46,199

there are in fact many cases

315

00:15:50,750 --> 00:15:48,360

in which after taking of the organic

316

00:15:52,970 --> 00:15:50,760

sample an important human-like alien

317

00:15:55,610 --> 00:15:52,980

showed the kidnap victims the danger

318

00:15:58,370 --> 00:15:55,620

which faced Humanity

319

00:16:00,580 --> 00:15:58,380

in many witnesses it has provoked an

320

00:16:04,269 --> 00:16:00,590

internal transformation

321

00:16:08,389 --> 00:16:04,279

[Music]

322

00:16:11,389 --> 00:16:08,399

by demonstrating that we are in

323

00:16:13,629 --> 00:16:11,399

connection or in relationship to some

324

00:16:17,870 --> 00:16:13,639

other intelligence

325

00:16:21,170 --> 00:16:17,880

the that the source of which we do not

326

00:16:24,410 --> 00:16:21,180

know but which reaches us with a certain

327

00:16:27,110 --> 00:16:24,420

Vigor reaches apparently hundreds of

328

00:16:30,829 --> 00:16:27,120

thousands if not millions of people this

329

00:16:35,170 --> 00:16:30,839

invites us to open up to the universe to

330

00:16:38,509 --> 00:16:35,180

a far more interesting More Alive more

331

00:16:41,269 --> 00:16:38,519

expanded sense of ourselves and the

332

00:16:44,990 --> 00:16:41,279

universe in which we believe and if if

333

00:16:47,810 --> 00:16:45,000

the work can open us to that possibility
