

1
00:00:03,949 --> 00:00:02,090
but they have these Road parties you

2
00:00:06,769 --> 00:00:03,959
know they was doing these roads or they

3
00:00:09,230 --> 00:00:06,779
were extending it before the rail

4
00:00:12,709 --> 00:00:09,240
and it was the same

5
00:00:15,589 --> 00:00:12,719
thing again what color it was a blue one

6
00:00:16,730 --> 00:00:15,599
the blue one yep but see my nephew is

7
00:00:18,230 --> 00:00:16,740
the same one

8
00:00:22,910 --> 00:00:18,240
was driving

9
00:00:25,790 --> 00:00:22,920
the Falcon and his wife was there and I

10
00:00:28,310 --> 00:00:25,800
said to his wife see I think there's a

11
00:00:31,370 --> 00:00:28,320
blue light waiting for us and

12
00:00:33,889 --> 00:00:31,380
my nephew said oh not again Andy yeah

13
00:00:36,049 --> 00:00:33,899

it's it's them all right so we're

14

00:00:38,209 --> 00:00:36,059

driving along it was just there in the

15

00:00:39,470 --> 00:00:38,219

bushes and I said no it's coming up it

16

00:00:41,930 --> 00:00:39,480

sort of came up

17

00:00:44,690 --> 00:00:41,940

and it was you can see the spinner fix

18

00:00:49,090 --> 00:00:44,700

and all the scrub to the blue color but

19

00:00:53,510 --> 00:00:49,100

it was shaped like that a little window

20

00:00:55,189 --> 00:00:53,520

it was the same exactly yes and I said

21

00:00:57,770 --> 00:00:55,199

there it is again I said to the um

22

00:01:01,189 --> 00:00:57,780

nephew's wife see that's exactly the

23

00:01:03,049 --> 00:01:01,199

same uh the Flying Saucer that we saw at

24

00:01:04,670 --> 00:01:03,059

the honeymoon's Gap and she couldn't

25

00:01:06,350 --> 00:01:04,680

believe it she looked it and she looked

26

00:01:07,730 --> 00:01:06,360

at Eddie's and I said see all them

27

00:01:09,950 --> 00:01:07,740

little windows

28

00:01:11,870 --> 00:01:09,960

and then after that keep looking keep

29

00:01:14,090 --> 00:01:11,880

looking because money if he didn't

30

00:01:15,649 --> 00:01:14,100

wanted to look he was so freudent and I

31

00:01:16,550 --> 00:01:15,659

said we keep looking and then all of a

32

00:01:20,270 --> 00:01:16,560

sudden it

33

00:01:22,969 --> 00:01:20,280

just went but it was so beautiful and as

34

00:01:24,590 --> 00:01:22,979

it I don't you know well I don't mind

35

00:01:26,570 --> 00:01:24,600

one day I'd probably come face to face

36

00:01:28,730 --> 00:01:26,580

with one of them you know somebody's

37

00:01:33,830 --> 00:01:28,740

gonna come and see me and talk to me you
