

1  
00:00:06,170 --> 00:00:03,110  
this latest booklet published in 1998

2  
00:00:09,049 --> 00:00:06,180  
was compiled by military authorities

3  
00:00:11,690 --> 00:00:09,059  
it records nearly 500 cases during a

4  
00:00:17,570 --> 00:00:11,700  
12-month period including one of the

5  
00:00:22,910 --> 00:00:19,970  
it happened over Saint Petersburg in the

6  
00:00:24,890 --> 00:00:22,920  
winter of 1997 when a series of

7  
00:00:26,689 --> 00:00:24,900  
mysterious lights appeared in the sky

8  
00:00:28,730 --> 00:00:26,699  
over the city

9  
00:00:31,250 --> 00:00:28,740  
multiple Witnesses several different

10  
00:00:33,770 --> 00:00:31,260  
video recordings and the involvement of

11  
00:00:36,229 --> 00:00:33,780  
air traffic controllers make this one of

12  
00:00:39,670 --> 00:00:36,239  
the most comprehensively documented UFO

13  
00:00:45,049 --> 00:00:42,709

thank you the Saint Petersburg incident

14

00:00:50,470 --> 00:00:45,059

was officially investigated by Captain

15

00:00:52,850 --> 00:00:50,480

Pavel serchenko a Russian naval officer

16

00:00:55,310 --> 00:00:52,860

the incident that we're interested in

17

00:00:58,010 --> 00:00:55,320

today took place on the 19th of February

18

00:00:59,869 --> 00:00:58,020

1997 and was seen in a variety of

19

00:01:02,330 --> 00:00:59,879

different places in and around Saint

20

00:01:05,870 --> 00:01:02,340

Petersburg it began at seven in the

21

00:01:07,609 --> 00:01:05,880

evening and went on until about 7 20. at

22

00:01:09,890 --> 00:01:07,619

three minutes past seven they started to

23

00:01:11,570 --> 00:01:09,900

see the UFO at poclova airport

24

00:01:13,370 --> 00:01:11,580

air traffic controllers who are

25

00:01:14,570 --> 00:01:13,380

monitoring the runways saw it from the

26

00:01:16,630 --> 00:01:14,580

control tower where they were working

27

00:01:20,810 --> 00:01:16,640

that night

28

00:01:23,210 --> 00:01:20,820

on the 19th of February in 1997 I was a

29

00:01:24,770 --> 00:01:23,220

witness at the time to an unidentified

30

00:01:26,749 --> 00:01:24,780

flying object

31

00:01:28,850 --> 00:01:26,759

that evening I was working in the

32

00:01:31,490 --> 00:01:28,860

control tower and the incident took

33

00:01:33,710 --> 00:01:31,500

place right in front of my eyes

34

00:01:36,469 --> 00:01:33,720

I began to make some notes about what

35

00:01:38,749 --> 00:01:36,479

was happening the weather conditions the

36

00:01:40,310 --> 00:01:38,759

time of the sighting and the sequence of

37

00:01:42,710 --> 00:01:40,320

events

38

00:01:45,230 --> 00:01:42,720

as I was watching it I started to make

39

00:01:47,210 --> 00:01:45,240

some sketches little bright dots were

40

00:01:49,190 --> 00:01:47,220

flying up towards this group of orange

41

00:01:51,770 --> 00:01:49,200

red lights from the left

42

00:01:53,870 --> 00:01:51,780

and about four minutes later the light

43

00:01:55,789 --> 00:01:53,880

seems to go away but within another

44

00:01:57,289 --> 00:01:55,799

couple of minutes the lights had

45

00:02:00,170 --> 00:01:57,299

reappeared

46

00:02:03,109 --> 00:02:00,180

now the shape of the lights had changed

47

00:02:05,149 --> 00:02:03,119

so I made a sketch of that as well and

48

00:02:07,069 --> 00:02:05,159

gradually these lights began to move

49

00:02:09,469 --> 00:02:07,079

about among themselves

50

00:02:11,869 --> 00:02:09,479

some of the others saw the u4 through

51  
00:02:14,030 --> 00:02:11,879  
their binoculars I was able to keep

52  
00:02:16,850 --> 00:02:14,040  
track of the lights so that I could make

53  
00:02:19,309 --> 00:02:16,860  
some notes although I was directing air

54  
00:02:22,070 --> 00:02:19,319  
traffic at the time I kept in touch with

55  
00:02:24,770 --> 00:02:22,080  
the people working beside me one of the

56  
00:02:27,110 --> 00:02:24,780  
aircraft was out on the runway so I

57  
00:02:35,530 --> 00:02:27,120  
asked them if they could see a u4 and

58  
00:02:39,530 --> 00:02:37,790  
reports began to come in from different

59  
00:02:41,630 --> 00:02:39,540  
locations at about the same time

60  
00:02:43,790 --> 00:02:41,640  
confirming that unidentified flying

61  
00:02:45,650 --> 00:02:43,800  
objects were being seen illuminated

62  
00:02:46,610 --> 00:02:45,660  
objects which appeared to be out of the

63  
00:02:48,530 --> 00:02:46,620

ordinary

64

00:02:50,690 --> 00:02:48,540

several of the eyewitnesses managed to

65

00:02:56,089 --> 00:02:50,700

photograph this phenomenon and also to

66

00:03:00,170 --> 00:02:58,009

that night there were at least three

67

00:03:02,270 --> 00:03:00,180

separate video recordings of the UFO

68

00:03:07,509 --> 00:03:02,280

taken from different positions in Saint

69

00:03:20,229 --> 00:03:10,310

thank you

70

00:03:23,210 --> 00:03:20,239

[Music]

71

00:03:25,130 --> 00:03:23,220

yuria zamitza for young economic student

72

00:03:30,589 --> 00:03:25,140

was one of those who managed to

73

00:03:36,070 --> 00:03:33,170

I went into the kitchen and saw orange

74

00:03:39,350 --> 00:03:36,080

colored lights and thought it was a UFO

75

00:03:41,570 --> 00:03:39,360

why a UFO well when I was a child I was

76

00:03:44,690 --> 00:03:41,580

interested in UFOs and the cut articles

77

00:03:46,910 --> 00:03:44,700

out of the newspapers I remembered how I

78

00:03:48,410 --> 00:03:46,920

used to follow the subject and it

79

00:03:51,229 --> 00:03:48,420

immediately occurred to me that this was

80

00:03:53,270 --> 00:03:51,239

an unidentified flying object one reason

81

00:03:56,149 --> 00:03:53,280

was that the lights appeared to be quite

82

00:03:57,830 --> 00:03:56,159

high in the sky it was dark and the

83

00:04:00,410 --> 00:03:57,840

lights were clearly visible above the

84

00:04:02,390 --> 00:04:00,420

line of the Horizon and higher up there

85

00:04:04,850 --> 00:04:02,400

with some very bright lights which had

86

00:04:07,550 --> 00:04:04,860

not been there before I thought it must

87

00:04:11,949 --> 00:04:07,560

be a UFO and that I should get my camera

88

00:04:16,969 --> 00:04:14,990

family had all witnessed the lights but

89

00:04:23,510 --> 00:04:16,979

like everyone else in the city they had

90

00:04:28,370 --> 00:04:26,030

I'm not an expert in this field so I

91

00:04:31,249 --> 00:04:28,380

can't say anything officially I was just

92

00:04:33,590 --> 00:04:31,259

a night Ness well maybe better qualified

93

00:04:35,689 --> 00:04:33,600

than the men in the street because I

94

00:04:38,210 --> 00:04:35,699

compared visual information notes and

95

00:04:39,950 --> 00:04:38,220

readings from the radar I can only say

96

00:04:42,070 --> 00:04:39,960

it was definitely some sort of

97

00:04:44,090 --> 00:04:42,080

unidentified object

98

00:04:47,150 --> 00:04:44,100

extraterrestrial or some sort of secret

99

00:04:49,189 --> 00:04:47,160

tests I have to say I can't understand

100

00:04:51,650 --> 00:04:49,199

the need for secret test over Saint

101

00:04:53,330 --> 00:04:51,660

Petersburg but to say that it was

102

00:04:56,090 --> 00:04:53,340

evidence of some extraterrestrial

103

00:04:58,490 --> 00:04:56,100

civilization it would be interesting to

104

00:05:09,650 --> 00:04:58,500

say yes but I really don't know enough

105

00:05:09,660 --> 00:05:38,920

no because
