

To tell the
TRUTH

1
00:00:00,000 --> 00:00:08,150
Bob call you

2
00:00:08,160 --> 00:00:13,450
thank you very much

3
00:00:19,070 --> 00:00:16,369
I want to tell you about the largest

4
00:00:20,870 --> 00:00:19,080
confetti but I must say I'm glad that

5
00:00:23,029 --> 00:00:20,880
you occasioned it with a little bit of

6
00:00:25,910 --> 00:00:23,039
confetti because this is our return in

7
00:00:27,290 --> 00:00:25,920
our nighttime slot our new slot on

8
00:00:29,150 --> 00:00:27,300
Monday evening so we hope you'll all be

9
00:00:30,669 --> 00:00:29,160
with us every Monday and good evening to

10
00:00:33,770 --> 00:00:30,679
you wonderful people

11
00:00:35,270 --> 00:00:33,780
have a very exciting new way to play to

12
00:00:37,250 --> 00:00:35,280
tell the truth with Betty Davis and two

13
00:00:38,930 --> 00:00:37,260

imposters later on in the show but right

14

00:00:40,190 --> 00:00:38,940
now let's meet our first team of

15

00:00:48,410 --> 00:00:40,200
challenges

16

00:00:54,950 --> 00:00:51,290
is Bonnie Hill

17

00:00:57,410 --> 00:00:54,960
my name is Barney Hill

18

00:00:59,150 --> 00:00:57,420
my name is Bonnie Hill

19

00:01:01,250 --> 00:00:59,160
please follow along while I read from my

20

00:01:03,950 --> 00:01:01,260
copy of this story if you will panel

21

00:01:05,810 --> 00:01:03,960
I Barney Hill and my wife Betty were

22

00:01:08,030 --> 00:01:05,820
driving home one night when we cited

23

00:01:10,070 --> 00:01:08,040
something unusual in the sky

24

00:01:12,530 --> 00:01:10,080
I got out of the car and with a pair of

25

00:01:14,570 --> 00:01:12,540
binoculars saw through the windows in

26

00:01:16,429 --> 00:01:14,580

the disc shaped object several

27

00:01:18,830 --> 00:01:16,439

human-type figures

28

00:01:21,050 --> 00:01:18,840

I ran back to the car and in a state of

29

00:01:21,950 --> 00:01:21,060

near Panic we sped down the road toward

30

00:01:24,649 --> 00:01:21,960

home

31

00:01:27,170 --> 00:01:24,659

then we heard a series of beeps and both

32

00:01:29,270 --> 00:01:27,180

of us felt a tingling sensation

33

00:01:31,490 --> 00:01:29,280

the next thing either of us clearly

34

00:01:33,950 --> 00:01:31,500

remembered was again driving the car

35

00:01:36,950 --> 00:01:33,960

toward home but it was two hours later

36

00:01:38,090 --> 00:01:36,960

and we were 35 miles further down the

37

00:01:40,490 --> 00:01:38,100

road

38

00:01:42,770 --> 00:01:40,500

after months of nightmares and mental

39

00:01:45,109 --> 00:01:42,780

distress we sought medical assistance

40

00:01:48,590 --> 00:01:45,119

from a distinguished psychiatrist

41

00:01:51,230 --> 00:01:48,600

under time regression by hypnosis both

42

00:01:53,870 --> 00:01:51,240

Betty and I independently gave almost

43

00:01:56,389 --> 00:01:53,880

identical accounts of a meeting with

44

00:01:59,289 --> 00:01:56,399

intelligent humanoid beings who halted

45

00:02:02,270 --> 00:01:59,299

our car took us aboard their spacecraft

46

00:02:03,590 --> 00:02:02,280

examined us physically and released us

47

00:02:05,929 --> 00:02:03,600

unharmed

48

00:02:08,029 --> 00:02:05,939

neither Betty nor I can prove that this

49

00:02:09,529 --> 00:02:08,039

happened and as a matter of fact we

50

00:02:11,750 --> 00:02:09,539

really hoped that it didn't

51
00:02:13,970 --> 00:02:11,760
but nobody even the technical people

52
00:02:16,610 --> 00:02:13,980
with whom we talked have been able to

53
00:02:17,530 --> 00:02:16,620
positively refute our almost incredible

54
00:02:20,190 --> 00:02:17,540
story

55
00:02:24,110 --> 00:02:20,200
signed Barney Hill

56
00:02:34,550 --> 00:02:24,120
[Applause]

57
00:02:36,290 --> 00:02:34,560
incidentally panel the story of Betty

58
00:02:38,630 --> 00:02:36,300
and Barney Hill is the subject of a

59
00:02:40,850 --> 00:02:38,640
fascinating book by John G Fuller called

60
00:02:42,470 --> 00:02:40,860
the interrupted Journey

61
00:02:44,930 --> 00:02:42,480
let's start the questioning with arson

62
00:02:47,150 --> 00:02:44,940
Bean Orson thank you well I I who are

63
00:02:49,610 --> 00:02:47,160

you I want you to know that I read every

64

00:02:52,369 --> 00:02:49,620

word of of the story that was printed in

65

00:02:55,490 --> 00:02:52,379

the magazine about you and I believe it

66

00:02:58,070 --> 00:02:55,500

I it's impossible to disbelieve number

67

00:02:59,570 --> 00:02:58,080

two how tall were these humanoid

68

00:03:02,449 --> 00:02:59,580

creatures

69

00:03:05,690 --> 00:03:02,459

well they were short uh when you speak

70

00:03:09,290 --> 00:03:05,700

of height uh if I had to estimate height

71

00:03:11,570 --> 00:03:09,300

I would say about five nine or five ten

72

00:03:12,830 --> 00:03:11,580

if at the most number three did they

73

00:03:16,190 --> 00:03:12,840

speak English

74

00:03:18,229 --> 00:03:16,200

uh not in an actual speaking type voice

75

00:03:21,229 --> 00:03:18,239

we we uh there was something like

76

00:03:23,210 --> 00:03:21,239

thought transference number one what

77

00:03:26,390 --> 00:03:23,220

physical symptoms did you later notice

78

00:03:32,030 --> 00:03:26,400

I'm referring to this physical uh things

79

00:03:35,089 --> 00:03:32,040

that appeared on you uh warts warts yes

80

00:03:36,949 --> 00:03:35,099

Kitty Carlisle number two I also read

81

00:03:39,050 --> 00:03:36,959

the story with enormous interest I'm

82

00:03:41,449 --> 00:03:39,060

delighted to meet you uh what did you

83

00:03:44,149 --> 00:03:41,459

ask for something to take home from the

84

00:03:45,949 --> 00:03:44,159

spaceship well it wasn't me it was Betty

85

00:03:48,530 --> 00:03:45,959

Who asked for something to take home and

86

00:03:50,089 --> 00:03:48,540

it was a book of which we thought we

87

00:03:52,610 --> 00:03:50,099

could have some use for we later found

88

00:03:54,770 --> 00:03:52,620

out we couldn't read the book at all uh

89
00:03:58,789 --> 00:03:54,780
number three how many of these creatures

90
00:04:01,610 --> 00:03:58,799
were there oh I would say between 13 14.

91
00:04:07,670 --> 00:04:01,620
number one was examined physically were

92
00:04:11,869 --> 00:04:10,130
yes number two did you find no

93
00:04:13,550 --> 00:04:11,879
differences between the examination that

94
00:04:15,289 --> 00:04:13,560
they were interested in and let's say an

95
00:04:16,670 --> 00:04:15,299
ordinary physician Earth's physician

96
00:04:18,530 --> 00:04:16,680
would have

97
00:04:21,229 --> 00:04:18,540
well there are there were differences

98
00:04:26,570 --> 00:04:21,239
definitely uh number three did you go to

99
00:04:29,629 --> 00:04:26,580
Harvard to have any uh consultations

100
00:04:32,210 --> 00:04:29,639
I'm sorry Kitty Tom thank you bud this

101
00:04:35,270 --> 00:04:32,220
is a a great story we could spend a lot

102
00:04:37,689 --> 00:04:35,280
of time and I will number one do you

103
00:04:40,550 --> 00:04:37,699
actually have any memories of this yes

104
00:04:42,830 --> 00:04:40,560
uh number two do you agree

105
00:04:45,350 --> 00:04:42,840
oh yes what form did they take did you

106
00:04:46,909 --> 00:04:45,360
have memories of it after you got were

107
00:04:49,010 --> 00:04:46,919
awakened on driving back down the road

108
00:04:50,870 --> 00:04:49,020
well I had some memories from Indian

109
00:04:53,930 --> 00:04:50,880
head which is a point in New Hampshire

110
00:04:55,670 --> 00:04:53,940
when this whole thing started uh of

111
00:04:57,610 --> 00:04:55,680
course now I have more Vivid memories

112
00:05:00,710 --> 00:04:57,620
because of the hypnosis

113
00:05:02,090 --> 00:05:00,720

number three that were you reminded of

114

00:05:03,350 --> 00:05:02,100

things that happened under hypnosis or

115

00:05:05,510 --> 00:05:03,360

did you ever remember any of them

116

00:05:06,830 --> 00:05:05,520

without the hypnosis only the things I

117

00:05:08,870 --> 00:05:06,840

saw consciously the things that happened

118

00:05:10,610 --> 00:05:08,880

on the hypnosis was the trip into the uh

119

00:05:12,170 --> 00:05:10,620

the abduction actual abduction into the

120

00:05:13,610 --> 00:05:12,180

ship what I mean is number one were you

121

00:05:17,390 --> 00:05:13,620

alert when you were in the ship and

122

00:05:19,370 --> 00:05:17,400

awake uh more like an Assam nabalistic

123

00:05:21,710 --> 00:05:19,380

State then you

124

00:05:23,150 --> 00:05:21,720

thank you Cass thank you at number two

125

00:05:26,390 --> 00:05:23,160

when they examined you do they stick

126

00:05:28,550 --> 00:05:26,400

needles in you not needles needle and

127

00:05:30,650 --> 00:05:28,560

only one needle uh number one did they

128

00:05:33,350 --> 00:05:30,660

stick a needle in Betty two uh yes they

129

00:05:35,350 --> 00:05:33,360

stuck a needle in Betty number well they

130

00:05:38,810 --> 00:05:35,360

like our needles number one

131

00:05:40,370 --> 00:05:38,820

I didn't see the needle oh uh number

132

00:05:41,810 --> 00:05:40,380

three is the inside of that space thing

133

00:05:43,370 --> 00:05:41,820

is it furnished like a laboratory or

134

00:05:44,930 --> 00:05:43,380

more like a living room

135

00:05:48,050 --> 00:05:44,940

I would say more like a laboratory

136

00:05:50,270 --> 00:05:48,060

uh-huh now uh number one were they the

137

00:05:51,950 --> 00:05:50,280

same uh build as us I mean you know or

138

00:05:55,070 --> 00:05:51,960

did they like have pointy heads or

139

00:05:58,189 --> 00:05:55,080

something no they had large

140

00:06:01,790 --> 00:05:58,199

Cranium and the chin was very small

141

00:06:03,590 --> 00:06:01,800

wouldn't you know it number three when

142

00:06:05,029 --> 00:06:03,600

uh did the gov to the US government come

143

00:06:06,170 --> 00:06:05,039

and try like major

144

00:06:07,670 --> 00:06:06,180

McDonald and those people did they try

145

00:06:10,129 --> 00:06:07,680

to uh

146

00:06:12,290 --> 00:06:10,139

happened in that spaceship well we

147

00:06:15,230 --> 00:06:12,300

reported it initially to peace Air Force

148

00:06:17,689 --> 00:06:15,240

Base in Portsmouth and we

149

00:06:18,469 --> 00:06:17,699

that's all the time we have hash we did

150

00:06:20,810 --> 00:06:18,479

have

151
00:06:22,189 --> 00:06:20,820
more fascinating story uh so mark your

152
00:06:23,510 --> 00:06:22,199
ballots if you will please without any

153
00:06:26,270 --> 00:06:23,520
consultation and of course without

154
00:06:28,969 --> 00:06:26,280
changing once you have marked vote now

155
00:06:30,950 --> 00:06:28,979
for number one

156
00:06:33,170 --> 00:06:30,960
number two

157
00:06:34,850 --> 00:06:33,180
or number three

158
00:06:37,249 --> 00:06:34,860
and our team of challenges will of

159
00:06:40,550 --> 00:06:37,259
course receive the usual 250 for each

160
00:06:42,650 --> 00:06:40,560
incorrect vote you balance all mark

161
00:06:45,950 --> 00:06:42,660
Tom for whom did you vote

162
00:06:47,629 --> 00:06:45,960
I voted for number one bud uh I I

163
00:06:49,070 --> 00:06:47,639

couldn't tell anything from the stories

164

00:06:50,270 --> 00:06:49,080

that they each told but he looked like

165

00:06:53,749 --> 00:06:50,280

the kind of man who would have

166

00:06:55,490 --> 00:06:53,759

binoculars handy in his car

167

00:06:57,890 --> 00:06:55,500

Peggy cat

168

00:06:59,749 --> 00:06:57,900

but you said that they were very short

169

00:07:01,189 --> 00:06:59,759

five foot eight or nine gee I know a lot

170

00:07:02,570 --> 00:07:01,199

of guys would be sore at that kind of a

171

00:07:05,210 --> 00:07:02,580

comment they think they're tall at five

172

00:07:06,890 --> 00:07:05,220

foot eight or nine so I voted for uh

173

00:07:09,409 --> 00:07:06,900

number one because they had big kids in

174

00:07:12,230 --> 00:07:09,419

receding chins and wouldn't you know us

175

00:07:14,450 --> 00:07:12,240

arsonby I think that there's two great

176

00:07:16,189 --> 00:07:14,460

Liars up there and I had no way of

177

00:07:19,070 --> 00:07:16,199

judging except that the whole thing took

178

00:07:20,749 --> 00:07:19,080

place around New England and when I

179

00:07:24,050 --> 00:07:20,759

asked number one about the warts he said

180

00:07:25,909 --> 00:07:24,060

Watts they had Watson and I'm from New

181

00:07:28,270 --> 00:07:25,919

England too and I know the watches

182

00:07:31,370 --> 00:07:28,280

watches watch

183

00:07:33,409 --> 00:07:31,380

Kitty Carla I voted for number two

184

00:07:35,809 --> 00:07:33,419

because as I read the story the physical

185

00:07:38,210 --> 00:07:35,819

examination that these humanoid

186

00:07:40,010 --> 00:07:38,220

creatures gay was not exactly like the

187

00:07:41,930 --> 00:07:40,020

the kind you'd have if you went into an

188

00:07:42,830 --> 00:07:41,940

ordinary doctor's office anywhere on the

189
