00:00:07,730 --> 00:00:03,670

My name is Vladimir Avinsky, I am the chairman of the

2

00:00:10,990 --> 00:00:07,740

Samara club of ufologists and the director of the

3

00:00:15,169 --> 00:00:11,000

Alfa center for non-traditional research

4

00:00:18,590 --> 00:00:15,179

at zero o'clock at night near the city of Samara

5

00:00:21,609 --> 00:00:18,600

at a military radar facility,

6

00:00:25,070 --> 00:00:21,619

radars recorded such a

7

00:00:29,710 --> 00:00:25,080

triangular object from it

8

00:00:33,650 --> 00:00:29,720

rays emanated upwards, this object landed

9

00:00:38,270 --> 00:00:33,660

near this station

10

00:00:41,330 --> 00:00:38,280

and suddenly two sentries disappeared when

11

00:00:45,910 --> 00:00:41,340

they returned after one and a half to two hours, then the

12

00:00:48,170 --> 00:00:45,920

numbers turned out to be erased on the weapon, the

13

00:00:50,690 --> 00:00:48,180

radar equipment recorded

14

00:00:53,389 --> 00:00:50,700

this object, then it broke up into

15

00:00:55,610 --> 00:00:53,399

separate parts very bright and

16

00:00:58,610 --> 00:00:55,620

experts say that this reflection

17

00:01:00,549 --> 00:00:58,620

from some material objects was

18

00:01:04,910 --> 00:01:00,559

almost a skolt coating,

19

00:01:06,310 --> 00:01:04,920

then this object landed and in response

20

00:01:10,810 --> 00:01:06,320

on

21

00:01:13,030 --> 00:01:10,820

probing it with radars, he released a

22

00:01:16,969 --> 00:01:13,040

powerful impulse towards the

23

00:01:19,910 --> 00:01:16,979

locator antenna and burned its antenna was

24

00:01:21,550 --> 00:01:19,920

destroyed there was a big commotion at the

military facility the

26
00:01:28,570 --> 00:01:25,640
antenna was on fire the locator was destroyed

27
00:01:30,710 --> 00:01:28,580
sentries disappeared a

28
00:01:32,690 --> 00:01:30,720
sensational event at a military

29
00:01:34,270 --> 00:01:32,700
secret facility near the city of Samara

30
00:01:38,270 --> 00:01:34,280
When the

31
00:01:41,749 --> 00:01:38,280
missing Soldiers returned when the object

32
00:01:45,289 --> 00:01:41,759
flew away they discovered that on the field where it

33
00:01:49,130 --> 00:01:45,299
landed was dented by a large garden

34
00:01:52,149 --> 00:01:49,140
some powerful volumetric explosion or a

35
00:01:55,609 --> 00:01:52,159
powerful volumetric press affected the

36
00:01:58,490 --> 00:01:55,619
surface of the Earth and on the plant this

37
00:02:00,109 --> 00:01:58,500
event is completely unique, but it

38
00:02:04,010 --> 00:02:00,119

continued

39

00:02:06,709 --> 00:02:04,020

over Samara eyewitnesses observed an analogue of

40

00:02:10,089 --> 00:02:06,719

this object, such a triangular

41

00:02:13,970 --> 00:02:10,099

object with lights and with such with impulses

42

00:02:17,750 --> 00:02:13,980

expressing movements further, the
