

1
00:00:00,299 --> 00:00:04,990
foreign

2
00:00:09,350 --> 00:00:07,369
object seen in the Skies over the

3
00:00:11,930 --> 00:00:09,360
airport so according to our regulations

4
00:00:14,450 --> 00:00:11,940
we had to close the airspace aircraft

5
00:00:17,570 --> 00:00:14,460
movements were suspended from 8 45 pm to

6
00:00:19,910 --> 00:00:17,580
9 41 PM airport staff say the first

7
00:00:22,010 --> 00:00:19,920
reports of the UFO came in just after 8

8
00:00:25,450 --> 00:00:22,020
PM from both air traffic controllers and

9
00:00:29,450 --> 00:00:27,589
I heard that some of the passengers

10
00:00:32,030 --> 00:00:29,460
whose flights just landed saw the object

11
00:00:34,610 --> 00:00:32,040
which appeared as glowing lights it was

12
00:00:37,310 --> 00:00:34,620
not a normal civil aviation flight what

13
00:00:39,530 --> 00:00:37,320

it actually was no one knows during the

14

00:00:41,389 --> 00:00:39,540

hour in which airspace was closed six

15

00:00:43,069 --> 00:00:41,399

flights were grounded and 12 inbound

16

00:00:46,610 --> 00:00:43,079

flights had to be diverted to nearby

17

00:00:48,529 --> 00:00:46,620

airports at Ningbo ushi in Shanghai in

18

00:01:21,609 --> 00:00:48,539

total almost a thousand passengers were

19

00:01:28,249 --> 00:01:25,490

a UFO in China's Skies forced xiaoshan

20

00:01:30,710 --> 00:01:28,259

airport to stop operations on July 7th

21

00:01:32,810 --> 00:01:30,720

outbound flights were grounded after the

22

00:01:34,969 --> 00:01:32,820

unidentified flying object was detected

23

00:01:36,649 --> 00:01:34,979

by a flight crew the incident has

24

00:01:38,870 --> 00:01:36,659

captured the attention of Chinese media

25

00:01:41,090 --> 00:01:38,880

for now the UFO continues to be a

26

00:01:43,370 --> 00:01:41,100

mystery a spokesman from China's civil

27

00:01:45,109 --> 00:01:43,380

aviation Administration confirmed to ABC
