

1  
00:00:09,650 --> 00:00:08,570  
Raul Dominguez is a landowner and a

2  
00:00:11,990 --> 00:00:09,660  
businessman

3  
00:00:17,830 --> 00:00:12,000  
he recalls the extraordinary craft he

4  
00:00:23,450 --> 00:00:20,510  
it was a machine that I believe was

5  
00:00:26,990 --> 00:00:23,460  
about 25 meters in diameter

6  
00:00:29,929 --> 00:00:27,000  
the lower half revolved I didn't notice

7  
00:00:32,450 --> 00:00:29,939  
any noise until it was very close to me

8  
00:00:34,250 --> 00:00:32,460  
I heard it when it was 10 or 12 meters

9  
00:00:37,790 --> 00:00:34,260  
above my head

10  
00:00:40,250 --> 00:00:37,800  
and I heard a sound like bees buzzing

11  
00:00:44,270 --> 00:00:40,260  
I felt my hair bristling

12  
00:00:46,369 --> 00:00:44,280  
and my clothes moved as well as my hair

13  
00:00:49,130 --> 00:00:46,379

immediately afterwards these marks

14

00:00:51,470 --> 00:00:49,140

appeared on my face and hands

15

00:00:55,010 --> 00:00:51,480

I was ill with stomach pains and bad

16

00:00:57,130 --> 00:00:55,020

indigestion for a long time

17

00:01:01,250 --> 00:00:57,140

the whole thing affected me very much

18

00:01:03,830 --> 00:01:01,260

both physically and psychologically
