

1
00:00:05,930 --> 00:00:04,789
at the beginning we thought Iraqi are

2
00:00:08,810 --> 00:00:05,940
coming

3
00:00:11,570 --> 00:00:08,820
all of a sudden I see this flying object

4
00:00:13,850 --> 00:00:11,580
just going round and round and round and

5
00:00:16,369 --> 00:00:13,860
going up and up and up and I told my mom

6
00:00:18,230 --> 00:00:16,379
I said Mom I just saw a flying saucer I

7
00:00:21,650 --> 00:00:18,240
saw a UFO

8
00:00:23,929 --> 00:00:21,660
I was going to prepare myself to to

9
00:00:27,470 --> 00:00:23,939
shoot it down

10
00:00:30,109 --> 00:00:27,480
it was seen by civilians Pilots generals

11
00:00:32,690 --> 00:00:30,119
and the unerring eye of Air Force Radar

12
00:00:35,330 --> 00:00:32,700
reports ricocheted from the Shah to

13
00:00:37,430 --> 00:00:35,340

President Ford and back again the film

14

00:00:38,990 --> 00:00:37,440

that you're watching recreates the day's

15

00:00:40,729 --> 00:00:39,000

events with the actual military

16

00:00:43,130 --> 00:00:40,739

personnel who witnessed the most

17

00:00:45,410 --> 00:00:43,140

compelling UFO encounter sightings has

18

00:00:47,690 --> 00:00:45,420

ever investigated this film seen here

19

00:00:49,910 --> 00:00:47,700

for the first time outside of Iraq was

20

00:00:51,889 --> 00:00:49,920

produced by the government and in a

21

00:00:53,750 --> 00:00:51,899

bizarre twist of fate would one day be

22

00:00:57,470 --> 00:00:53,760

used by the Ayatollah Khomeini to

23

00:01:02,029 --> 00:01:01,010

when I saw this object is flying that

24

00:01:04,250 --> 00:01:02,039

fast

25

00:01:07,010 --> 00:01:04,260

then I thought this is not a helicopter

26

00:01:09,350 --> 00:01:07,020

and this is not an aircraft by that time

27

00:01:11,570 --> 00:01:09,360

I said oh should be some kind of UFO

28

00:01:13,370 --> 00:01:11,580

radar readings taken inside the control

29

00:01:15,830 --> 00:01:13,380

tower at mirabad Air Force Base

30

00:01:18,710 --> 00:01:15,840

indicated the object was at least as

31

00:01:20,749 --> 00:01:18,720

large as a Boeing 707 tanker the

32

00:01:22,370 --> 00:01:20,759

situation was serious Brigadier General

33

00:01:23,990 --> 00:01:22,380

Nutter youssefing face operations

34

00:01:25,730 --> 00:01:24,000

commander and the number three man in

35

00:01:28,249 --> 00:01:25,740

the Iranian Air Force was notified

36

00:01:30,590 --> 00:01:28,259

immediately so I picked up the phone and

37

00:01:33,590 --> 00:01:30,600

it was a base commander

38

00:01:35,630 --> 00:01:33,600

he wanted me to know they are going to

39

00:01:37,609 --> 00:01:35,640

have the airplanes to take off from his

40

00:01:40,730 --> 00:01:37,619

base for the

41

00:01:42,649 --> 00:01:40,740

scrambled Mission General Giuseppe

42

00:01:45,289 --> 00:01:42,659

authorized an immediate scramble Mission

43

00:01:47,270 --> 00:01:45,299

an Iranian Air Force F4 Phantom jet

44

00:01:50,090 --> 00:01:47,280

fighter was ordered to engage the UFO

45

00:01:52,069 --> 00:01:50,100

and determine what it was the F4

46

00:01:55,310 --> 00:01:52,079

approached Mach 1 in its pursuit of the

47

00:01:57,410 --> 00:01:55,320

UFO at an altitude of 23 000 feet the

48

00:02:00,050 --> 00:01:57,420

lead pilot reported him that he clearly

49

00:02:02,270 --> 00:02:00,060

saw a brilliant object 75 miles ahead of

50

00:02:04,010 --> 00:02:02,280

him his actual radio Transmissions are

51
00:02:05,410 --> 00:02:04,020
heard here publicly for the first time

52
00:02:11,890 --> 00:02:05,420
outside Iran

53
00:02:20,750 --> 00:02:11,900
[Applause]

54
00:02:22,729 --> 00:02:20,760
the F4 was closing fast but when the

55
00:02:25,430 --> 00:02:22,739
pirate got within 10 miles of the UFO

56
00:02:27,650 --> 00:02:25,440
all onboard instruments failed

57
00:02:32,880 --> 00:02:27,660
before retreated and then came in for a

58
00:02:32,890 --> 00:02:41,949
[Applause]

59
00:02:47,150 --> 00:02:44,869
it was as if an electromagnetic force

60
00:02:49,130 --> 00:02:47,160
field was repelling the jet fighter the

61
00:02:52,430 --> 00:02:49,140
pilots never got closer than seven miles

62
00:02:55,729 --> 00:02:52,440
before they were forced to retreat

63
00:02:57,190 --> 00:02:55,739

may suggest a deliberate kind of control

64

00:02:59,449 --> 00:02:57,200

mechanism

65

00:03:01,670 --> 00:02:59,459

perhaps from the phenomenon to the

66

00:03:04,130 --> 00:03:01,680

airplane system itself such that when

67

00:03:06,170 --> 00:03:04,140

the airplane is no longer a threat it

68

00:03:09,710 --> 00:03:06,180

can change the the radiation or whatever

69

00:03:11,089 --> 00:03:09,720

the energy is whatever the effect is and

70

00:03:13,009 --> 00:03:11,099

so that the systems on board the

71

00:03:15,649 --> 00:03:13,019

airplane come back to normal

72

00:03:18,470 --> 00:03:15,659

I put down my phone and I run to my

73

00:03:23,030 --> 00:03:18,480

balcony to see if I can see that object

74

00:03:25,369 --> 00:03:23,040

I saw a big star among the other stars

75

00:03:28,910 --> 00:03:25,379

which it was at least twice as large as

76

00:03:30,470 --> 00:03:28,920

the normal Stars I asked the car what

77

00:03:32,990 --> 00:03:30,480

happened and he said he lost the

78

00:03:34,790 --> 00:03:33,000

communication again General yusepe

79

00:03:37,790 --> 00:03:34,800

ordered a second airport to engage the

80

00:03:48,690 --> 00:03:37,800

UFO the lead pilot was Iran's number one

81

00:03:48,700 --> 00:03:53,270

[Music]

82

00:03:58,369 --> 00:03:55,729

we lost communication

83

00:04:01,190 --> 00:03:58,379

and I heard nothing from the pilots so I

84

00:04:05,390 --> 00:04:01,200

was so scared what's going to happen and

85

00:04:13,070 --> 00:04:07,729

when the Apple retreated communication

86

00:04:19,610 --> 00:04:16,789

from the entire controller to tell them

87

00:04:22,430 --> 00:04:19,620

to continue their mission and see if

88

00:04:24,230 --> 00:04:22,440

they can get more information from the

89

00:04:26,749 --> 00:04:24,240

lineup

90

00:04:28,909 --> 00:04:26,759

then major job rate nervously reported

91

00:04:31,010 --> 00:04:28,919

that a smaller UFO had emerged from the

92

00:04:34,010 --> 00:04:31,020

larger one and was trying to engage him

93

00:04:36,350 --> 00:04:34,020

and it was coming toward them they tried

94

00:04:38,330 --> 00:04:36,360

to shoot them down when they squeezed

95

00:04:45,110 --> 00:04:38,340

the trigger

96

00:04:46,909 --> 00:04:45,120

inoperative they couldn't shoot the

97

00:04:48,890 --> 00:04:46,919

message the pilots feared for their

98

00:04:51,409 --> 00:04:48,900

lives tried to eject but they eject

99

00:04:54,770 --> 00:04:51,419

button Jam every backup system was

100

00:04:58,370 --> 00:04:54,780

inoperable we understood that the eject

101
00:05:02,090 --> 00:04:58,380
in a sermon also does didn't work

102
00:05:05,629 --> 00:05:02,100
so in this case I

103
00:05:08,270 --> 00:05:05,639
said to God oh God saved him the F4 had

104
00:05:10,370 --> 00:05:08,280
no choice to go into a negative G-Force

105
00:05:12,770 --> 00:05:10,380
dime to escape this seemingly hostile

106
00:05:15,530 --> 00:05:12,780
UFO when the fighter jet was 10 miles

107
00:05:17,689 --> 00:05:15,540
away from the larger UFO the smaller

108
00:05:19,909 --> 00:05:17,699
craft blew off and all onboard

109
00:05:22,189 --> 00:05:19,919
communication and instrumentation was

110
00:05:24,290 --> 00:05:22,199
restored to the F4 major Joffrey

111
00:05:26,450 --> 00:05:24,300
reported that the smaller UFO appeared

112
00:05:28,670 --> 00:05:26,460
to be landing on a Mountaintop just

113
00:05:30,650 --> 00:05:28,680

southeast of Tehran this Landing was

114

00:05:33,469 --> 00:05:30,660

confirmed on the radar by the control

115

00:05:36,469 --> 00:05:33,479

tower Brigadier General yusufi witnessed

116

00:05:38,689 --> 00:05:36,479

it from his balcony he went down and

117

00:05:41,510 --> 00:05:38,699

landed Underground

118

00:05:46,790 --> 00:05:41,520

and now it is a communication between

119

00:05:50,390 --> 00:05:46,800

the mother ship and that small flying

120

00:05:53,270 --> 00:05:50,400

object and it shows the lights between

121

00:05:56,150 --> 00:05:53,280

those two it's connected while they were

122

00:05:59,270 --> 00:05:56,160

Landing the tar was screaming on the

123

00:06:01,249 --> 00:05:59,280

phone to me General this flying object

124

00:06:03,830 --> 00:06:01,259

is following them and is going to land

125

00:06:06,529 --> 00:06:03,840

the mirror about it's going it is in the

126

00:06:11,510 --> 00:06:06,539

short final and I see a big big light

127

00:06:14,570 --> 00:06:11,520

with the glaring red blue and yellow

128

00:06:17,210 --> 00:06:14,580

lights the so-called Mothership tailed

129

00:06:20,150 --> 00:06:17,220

the F4 into mirabat Air Force Base and

130

00:06:22,070 --> 00:06:20,160

flew low over the runway as it performed

131

00:06:25,249 --> 00:06:22,080

what was described as a low altitude

132

00:06:28,670 --> 00:06:25,259

flyby power at the Air Force Base went

133

00:06:31,370 --> 00:06:28,680

out that was a strange for us and we

134

00:06:34,430 --> 00:06:31,380

asked each other why the power went out

135

00:06:36,350 --> 00:06:34,440

for some seconds frankly I don't have

136

00:06:38,510 --> 00:06:36,360

any explanation for that but I will say

137

00:06:41,150 --> 00:06:38,520

that there are other cases well

138

00:06:43,670 --> 00:06:41,160

documented where power has been

139

00:06:47,510 --> 00:06:43,680

disrupted on the ground over fairly

140

00:06:50,390 --> 00:06:47,520

large areas during UFO presence

141

00:06:52,670 --> 00:06:50,400

after the flyby the craft roared off

142

00:06:54,950 --> 00:06:52,680

toward the west as if to say mission

143

00:06:56,870 --> 00:06:54,960

accomplished search parties were

144

00:06:59,390 --> 00:06:56,880

dispatched to the supposed Landing site

145

00:07:01,909 --> 00:06:59,400

of the smaller UFO while the tower tried

146

00:07:04,070 --> 00:07:01,919

to track the outbound Mothership it was

147

00:07:06,409 --> 00:07:04,080

spotted 25 minutes later over the

148

00:07:08,809 --> 00:07:06,419

Mediterranean by an Egyptian Air Force

149

00:07:11,450 --> 00:07:08,819

pilot a report sightings was able to

150

00:07:14,689 --> 00:07:11,460

confirm with the Egyptian embassy then

151
00:07:17,029 --> 00:07:14,699
over Lisbon Portugal the pilot crew and

152
00:07:20,029 --> 00:07:17,039
passengers of a KLM Airlines flight

153
00:07:22,010 --> 00:07:20,039
reported seeing the UFO as it fed

154
00:07:24,589 --> 00:07:22,020
Westward to the Atlantic

155
00:07:25,730 --> 00:07:24,599
that was the last sighting we know of to

156
00:07:29,210 --> 00:07:25,740
date

157
00:07:31,309 --> 00:07:29,220
we knew the capability of the other

158
00:07:32,510 --> 00:07:31,319
countries and their airplanes

159
00:07:35,150 --> 00:07:32,520
capabilities

160
00:07:38,330 --> 00:07:35,160
it could be a spy airplane I really have

161
00:07:41,330 --> 00:07:38,340
no idea but maybe from some other world

162
00:07:44,029 --> 00:07:41,340
the day after the otherworldly encounter

163
00:07:45,770 --> 00:07:44,039

over Tehran it was front page news in

164

00:07:48,350 --> 00:07:45,780

both the Farsi and English-speaking

165

00:07:50,570 --> 00:07:48,360

newspapers throughout Iran at the same

166

00:07:52,670 --> 00:07:50,580

time Iranian and U.S officials were

167

00:07:55,490 --> 00:07:52,680

meeting behind closed doors this

168

00:07:57,050 --> 00:07:55,500

particular case is interesting from

169

00:07:58,730 --> 00:07:57,060

another standpoint and that is the

170

00:08:01,550 --> 00:07:58,740

involvement of the American government

171

00:08:03,589 --> 00:08:01,560

General summer Hut now in Exile in

172

00:08:05,510 --> 00:08:03,599

California was the vice commander of the

173

00:08:07,189 --> 00:08:05,520

second tactical fighter base

174

00:08:09,290 --> 00:08:07,199

hold sightings that the day after the

175

00:08:11,390 --> 00:08:09,300

UFO event he attended a top secret

176

00:08:13,790 --> 00:08:11,400

meeting between the Imperial Iranian Air

177

00:08:15,909 --> 00:08:13,800

Force and the U.S Air Force

178

00:08:18,670 --> 00:08:15,919

General secret which was the head of the

179

00:08:22,730 --> 00:08:18,680

U.S air fortunate Air Force

180

00:08:26,110 --> 00:08:22,740

probably Commander commanding officer

181

00:08:29,830 --> 00:08:26,120

and operation Pilots

182

00:08:32,209 --> 00:08:29,840

approach control of civil aviation

183

00:08:34,850 --> 00:08:32,219

Hussein Peruzzi an air traffic

184

00:08:37,329 --> 00:08:34,860

controller at marabad Air Force Base was

185

00:08:41,690 --> 00:08:37,339

also present at that meeting

186

00:08:45,410 --> 00:08:41,700

then they heard our report and the

187

00:08:49,910 --> 00:08:45,420

report of the pilot They concluded that

188

00:08:54,230 --> 00:08:49,920

no country is able to have such a

189

00:08:58,490 --> 00:08:54,240

technology and all of them believed it

190

00:08:59,530 --> 00:08:58,500

should be a strange object from other

191

00:09:02,810 --> 00:08:59,540

space

192

00:09:06,410 --> 00:09:02,820

I collected the reports and I made my

193

00:09:09,590 --> 00:09:06,420

own observations as a report to my

194

00:09:13,250 --> 00:09:09,600

higher Echelon and we sended this report

195

00:09:16,370 --> 00:09:13,260

through the Joint Chiefs of the staff to

196

00:09:18,290 --> 00:09:16,380

the Shaw's intention they collect all of

197

00:09:20,750 --> 00:09:18,300

those information and send it to United

198

00:09:23,630 --> 00:09:20,760

States by General Secret

199

00:09:26,090 --> 00:09:23,640

uh because he was the head of the U.S

200

00:09:28,550 --> 00:09:26,100

Air Force in our countries the secret

201
00:09:30,710 --> 00:09:28,560
meetings continued and rumors of a

202
00:09:32,870 --> 00:09:30,720
calculated disinformation program seemed

203
00:09:34,730 --> 00:09:32,880
to be borne out by the changing face of

204
00:09:36,829 --> 00:09:34,740
Tehran newspaper headlines

205
00:09:40,370 --> 00:09:36,839
day one

206
00:09:46,670 --> 00:09:43,130
day three

207
00:09:52,310 --> 00:09:49,730
on day five the Press reports the entire

208
00:09:55,250 --> 00:09:52,320
incident is a hoax

209
00:09:57,949 --> 00:09:55,260
I don't know why the appropriate

210
00:10:03,410 --> 00:09:57,959
Authority prohibited me to interview

211
00:10:07,190 --> 00:10:03,420
with the press or a news reporter

212
00:10:09,110 --> 00:10:07,200
by this information is prohibited from

213
00:10:10,730 --> 00:10:09,120

the public

214

00:10:12,070 --> 00:10:10,740

for example the government doesn't want

215

00:10:16,910 --> 00:10:12,080

to

216

00:10:19,670 --> 00:10:16,920

but

217

00:10:21,829 --> 00:10:19,680

despite media dismissals of the event as

218

00:10:23,389 --> 00:10:21,839

a joke our sources report that a

219

00:10:26,509 --> 00:10:23,399

full-scale military investigation

220

00:10:30,170 --> 00:10:26,519

continued to search for answers I asked

221

00:10:33,110 --> 00:10:30,180

from the pilot of the F4

222

00:10:37,130 --> 00:10:33,120

to go and to look after that flying

223

00:10:39,530 --> 00:10:37,140

object he knew where it landed and when

224

00:10:41,509 --> 00:10:39,540

they flew and the Army Personnel they

225

00:10:43,850 --> 00:10:41,519

were in the area they couldn't see

226

00:10:46,250 --> 00:10:43,860

anything the general who headed that

227

00:10:48,650 --> 00:10:46,260

search still lives in Tehran and denied

228

00:10:50,509 --> 00:10:48,660

repeated requests for an interview but

229

00:10:52,670 --> 00:10:50,519

others who were present told sightings

230

00:10:54,650 --> 00:10:52,680

that no physical evidence of a UFO was

231

00:10:56,269 --> 00:10:54,660

found on the Mountaintop where so many

232

00:10:59,150 --> 00:10:56,279

had reported seeing a small craft

233

00:11:00,949 --> 00:10:59,160

Landing however for the first three days

234

00:11:03,530 --> 00:11:00,959

after the incident there were serious

235

00:11:06,650 --> 00:11:03,540

electronic anomalies in the area the

236

00:11:09,350 --> 00:11:06,660

beeping sound that was picked up could

237

00:11:11,750 --> 00:11:09,360

be one of a number of things it might be

238

00:11:13,790 --> 00:11:11,760

technology

239

00:11:16,130 --> 00:11:13,800

in fact depending on the frequency

240

00:11:18,710 --> 00:11:16,140

stability and inner frequency pulse and

241

00:11:21,170 --> 00:11:18,720

other factors like that it very likely

242

00:11:23,030 --> 00:11:21,180

is a technology of some sort as opposed

243

00:11:26,210 --> 00:11:23,040

to a natural phenomena

244

00:11:28,130 --> 00:11:26,220

and then there is this

245

00:11:30,410 --> 00:11:28,140

an American defense systems program

246

00:11:32,509 --> 00:11:30,420

satellite operated by the U.S defense

247

00:11:34,970 --> 00:11:32,519

department picked up signals from an

248

00:11:36,590 --> 00:11:34,980

unidentifiable technology on the same

249

00:11:39,230 --> 00:11:36,600

night the Iranian Air Force was

250

00:11:41,750 --> 00:11:39,240

scrambling over Tehran

251

00:11:44,150 --> 00:11:41,760

experts from DSP are revealing this

252

00:11:45,290 --> 00:11:44,160

information for the first time we saw

253

00:11:48,710 --> 00:11:45,300

something

254

00:11:51,050 --> 00:11:48,720

the DSP satellite is in fact a spy

255

00:11:52,550 --> 00:11:51,060

satellite that monitors airspace in

256

00:11:56,090 --> 00:11:52,560

military hotspots

257

00:11:57,769 --> 00:11:56,100

on the night of September 19 1976 the

258

00:12:00,350 --> 00:11:57,779

satellite was scanning the Skies over

259

00:12:03,470 --> 00:12:00,360

Tehran that's an independent

260

00:12:05,930 --> 00:12:03,480

confirmation that an event of some type

261

00:12:07,850 --> 00:12:05,940

occurred at that time and place what it

262

00:12:09,829 --> 00:12:07,860

was we don't know

263

00:12:14,449 --> 00:12:09,839

sightings asked the experts to explain

264

00:12:16,009 --> 00:12:14,459

the meaning of 238 scans possible Sr but

265

00:12:17,150 --> 00:12:16,019

they told us that information was top

266

00:12:19,370 --> 00:12:17,160

secret

267

00:12:21,530 --> 00:12:19,380

right now all we can do is say yes there

268

00:12:25,370 --> 00:12:21,540

was something there certain agencies

269

00:12:27,410 --> 00:12:25,380

including the CIA have gone on record as

270

00:12:30,230 --> 00:12:27,420

having information on this particular

271

00:12:31,850 --> 00:12:30,240

case in fact sightings has obtained

272

00:12:34,490 --> 00:12:31,860

these documents from the United States

273

00:12:36,590 --> 00:12:34,500

Air Force Security Service that confirm

274

00:12:39,110 --> 00:12:36,600

our government's involvement in the UFO

275

00:12:40,910 --> 00:12:39,120

investigation and according to this

276

00:12:43,430 --> 00:12:40,920

Washington Post article the

277

00:12:47,449 --> 00:12:43,440

investigation was still in full force as

278

00:12:49,430 --> 00:12:47,459

late as 1979. now what does that say it

279

00:12:52,310 --> 00:12:49,440

says that somebody thought this case was

280

00:12:54,170 --> 00:12:52,320

very very important when it happened why

281

00:12:55,310 --> 00:12:54,180

after this many years that's still

282

00:12:57,710 --> 00:12:55,320

important

283

00:12:59,629 --> 00:12:57,720

I think is a fundamental question and

284

00:13:01,790 --> 00:12:59,639

the American people deserve to know what

285

00:13:04,490 --> 00:13:01,800

happened

286

00:13:08,150 --> 00:13:04,500

good morning ladies and gentlemen my

287

00:13:10,790 --> 00:13:08,160

name is parvis Jafari and I'm a retired

288

00:13:14,509 --> 00:13:10,800

general of Iranian Air Force

289

00:13:19,310 --> 00:13:14,519

at about 11 pm on the evening of 18th

290

00:13:22,670 --> 00:13:19,320

September 1976 citizen of frightened

291

00:13:27,110 --> 00:13:22,680

by circling of an unknown object over

292

00:13:29,210 --> 00:13:27,120

Tehran the capital city of Iran at a low

293

00:13:33,650 --> 00:13:29,220

altitude

294

00:13:35,569 --> 00:13:33,660

it looked similar to a star but bigger

295

00:13:38,210 --> 00:13:35,579

and brighter

296

00:13:42,350 --> 00:13:38,220

they reported it to the Tower

297

00:13:44,990 --> 00:13:42,360

and was seen by towerman 2.

298

00:13:47,750 --> 00:13:45,000

he alerted their first command post and

299

00:13:51,650 --> 00:13:47,760

Deputy General yusufi

300

00:13:54,889 --> 00:13:51,660

decided to scramble and effort to

301
00:14:00,350 --> 00:13:57,290
the pilot in the first

302
00:14:03,050 --> 00:14:00,360
jet last instrumentation and

303
00:14:06,290 --> 00:14:03,060
communication

304
00:14:07,550 --> 00:14:06,300
when he got too close to the brilliant

305
00:14:10,550 --> 00:14:07,560
object

306
00:14:13,550 --> 00:14:10,560
so he headed back

307
00:14:16,730 --> 00:14:13,560
about 10 minutes later they scrambled a

308
00:14:20,329 --> 00:14:16,740
second jet which I was piloting

309
00:14:23,090 --> 00:14:20,339
at the time I was a Scotland Commander

310
00:14:26,990 --> 00:14:23,100
I approached the object which was

311
00:14:29,810 --> 00:14:27,000
flashing with intense red green orange

312
00:14:32,750 --> 00:14:29,820
and blue

313
00:14:35,509 --> 00:14:32,760

the light was so bright that I was not

314

00:14:38,569 --> 00:14:35,519

able to see its body

315

00:14:42,550 --> 00:14:38,579

the sequence of flashes was extremely

316

00:14:47,449 --> 00:14:42,560

fast like a strobe light

317

00:14:49,370 --> 00:14:47,459

relaxed on it with radar at it was at 30

318

00:14:52,310 --> 00:14:49,380

degrees left

319

00:14:55,129 --> 00:14:52,320

at range of 25 miles

320

00:15:00,590 --> 00:14:55,139

the size and the radar scope was

321

00:15:05,629 --> 00:15:02,870

four other object

322

00:15:07,310 --> 00:15:05,639

with different shapes separated from the

323

00:15:10,329 --> 00:15:07,320

main one

324

00:15:13,189 --> 00:15:10,339

at different times during the

325

00:15:17,210 --> 00:15:13,199

disclose encounter

326

00:15:18,470 --> 00:15:17,220

whenever they were close to me my weapon

327

00:15:24,829 --> 00:15:18,480

were jammed

328

00:15:28,610 --> 00:15:27,769

one of the objects headed toward me I

329

00:15:31,189 --> 00:15:28,620

thought

330

00:15:34,610 --> 00:15:31,199

it was a missile

331

00:15:40,970 --> 00:15:34,620

I tried to launch a heat seeker missile

332

00:15:47,030 --> 00:15:43,250

another followed me when I was

333

00:15:54,110 --> 00:15:50,389

one of the separated object landed in an

334

00:15:57,170 --> 00:15:54,120

open area radiating a high bright light

335

00:16:01,129 --> 00:15:57,180

in which the sands on the ground were

336

00:16:07,490 --> 00:16:04,610

we could hear emergency squash at all

337

00:16:10,910 --> 00:16:07,500

the way which was reported by other

338

00:16:14,750 --> 00:16:10,920

airliners flying at the time and

339

00:16:17,750 --> 00:16:14,760

continued for another couple of days

340

00:16:20,230 --> 00:16:17,760

during my interview at headquarters

341

00:16:24,530 --> 00:16:20,240

after the incident the American

342

00:16:27,350 --> 00:16:24,540

Lieutenant Colonel olomoy took notes but

343

00:16:30,230 --> 00:16:27,360

after it was over I could not find him

344

00:16:36,590 --> 00:16:33,829

later at once later once classified

345

00:16:40,370 --> 00:16:36,600

document was released here in America

346

00:16:42,850 --> 00:16:40,380

through the Freedom of Information Act

347

00:16:46,850 --> 00:16:42,860

the defense intelligence agency

348

00:16:51,949 --> 00:16:46,860

documented the event in a great detail

349

00:16:53,810 --> 00:16:51,959

and it was sent to NSA the White House

350

00:16:58,610 --> 00:16:53,820

and the CIA

351

00:17:01,249 --> 00:16:58,620

the DIA assessment said this case is a

352

00:17:05,390 --> 00:17:01,259

classic that meets all necessary

353

00:17:12,890 --> 00:17:05,400

conditions for a legend tape study of

354

00:17:18,280 --> 00:17:16,189

then I would be happy to answer question

355

00:17:26,510 --> 00:17:18,290

and tell you more thank you

356

00:17:29,990 --> 00:17:26,520

[Applause]

357

00:17:35,049 --> 00:17:30,000

Mr jaffari you are one

358

00:17:38,090 --> 00:17:35,059

of the few pilots who tried to shoot

359

00:17:39,650 --> 00:17:38,100

as an UFO

360

00:17:43,669 --> 00:17:39,660

and

361

00:17:44,650 --> 00:17:43,679

can you tell us what happens when you

362

00:17:49,310 --> 00:17:44,660

are

363

00:17:52,909 --> 00:17:49,320

in the air and you have seen for the

364

00:17:58,510 --> 00:17:52,919

first time an object you could not

365

00:18:04,130 --> 00:18:01,430

and actually

366

00:18:05,330 --> 00:18:04,140

something around the midnight some

367

00:18:09,890 --> 00:18:05,340

people

368

00:18:14,990 --> 00:18:09,900

saw it above the city and they reported

369

00:18:21,650 --> 00:18:17,890

airport and

370

00:18:24,650 --> 00:18:21,660

after all they find out it's through MD

371

00:18:28,010 --> 00:18:24,660

Side by themselves so

372

00:18:30,850 --> 00:18:28,020

they asked us to take off the first

373

00:18:34,190 --> 00:18:30,860

airplane took off and after

374

00:18:37,549 --> 00:18:34,200

10 minutes or so I took off

375

00:18:40,490 --> 00:18:37,559

the first plane followed it and then

376

00:18:45,289 --> 00:18:40,500

when I took off he said he can't reach

377

00:18:47,690 --> 00:18:45,299

it even with the overall speed of sound

378

00:18:50,450 --> 00:18:47,700

and

379

00:18:53,270 --> 00:18:50,460

I told him to come back on the way back

380

00:18:54,409 --> 00:18:53,280

when he was coming again he saw it on

381

00:18:59,450 --> 00:18:54,419

the middle of

382

00:19:05,150 --> 00:19:01,430

when I saw it

383

00:19:08,870 --> 00:19:05,160

it wasn't the thing that I could see it

384

00:19:12,710 --> 00:19:08,880

was some light flashing

385

00:19:21,310 --> 00:19:16,210

blue and red this poor column was

386

00:19:24,909 --> 00:19:21,320

flashing from four side up and

387

00:19:29,210 --> 00:19:24,919

object which could not be seen by itself

388

00:19:32,690 --> 00:19:29,220

however after a few minutes

389

00:19:35,330 --> 00:19:32,700

and I was looking it straight ahead and

390

00:19:39,230 --> 00:19:35,340

going through it toward it

391

00:19:42,770 --> 00:19:39,240

it all of a sudden jumped out about 10

392

00:19:45,830 --> 00:19:42,780

degrees to the right which

393

00:19:49,270 --> 00:19:45,840

couldn't imagine how fast it was and

394

00:19:53,210 --> 00:19:49,280

then I am now thinking the

395

00:19:57,350 --> 00:19:53,220

exploration of the movement and also the

396

00:20:01,909 --> 00:20:00,110

taking of that movement

397

00:20:05,690 --> 00:20:01,919

however

398

00:20:08,990 --> 00:20:05,700

each time I was pointing the nose of the

399

00:20:10,850 --> 00:20:09,000

aircraft toward this thing after a while

400

00:20:14,570 --> 00:20:10,860

would jump

401
00:20:19,190 --> 00:20:14,580
another 10 degrees to my right

402
00:20:23,029 --> 00:20:19,200
until about 70 degrees there we had

403
00:20:26,690 --> 00:20:23,039
little by little turn to have it on the

404
00:20:30,350 --> 00:20:26,700
nose and also I was climbing and going

405
00:20:39,529 --> 00:20:35,090
I asked the radar uh I mean the control

406
00:20:42,970 --> 00:20:39,539
tower if the ground the Air Force Radar

407
00:20:46,250 --> 00:20:42,980
I have it inside they said

408
00:20:47,210 --> 00:20:46,260
the radar is not operational at this

409
00:20:50,750 --> 00:20:47,220
moment

410
00:20:55,310 --> 00:20:50,760
so my back scissor

411
00:20:57,590 --> 00:20:55,320
he told me that I locked down

412
00:21:00,590 --> 00:20:57,600
I told him to break lock

413
00:21:05,029 --> 00:21:02,990

paint it very

414

00:21:07,750 --> 00:21:05,039

perfectly

415

00:21:10,010 --> 00:21:07,760

with the movement of the

416

00:21:13,010 --> 00:21:10,020

antenna upward

417

00:21:16,370 --> 00:21:13,020

so I find out that it is above the

418

00:21:18,590 --> 00:21:16,380

Horizon so I was sure that it is the

419

00:21:22,909 --> 00:21:18,600

object not anything else on the ground

420

00:21:27,950 --> 00:21:22,919

probably so we locked on it on it it was

421

00:21:31,010 --> 00:21:27,960

Now 26 miles away us and we figured out

422

00:21:32,409 --> 00:21:31,020

the calculated the altitude but

423

00:21:35,510 --> 00:21:32,419

uh

424

00:21:39,169 --> 00:21:35,520

33 000 feet

425

00:21:42,310 --> 00:21:39,179

so I don't pull up the nose too much to

426
00:21:46,930 --> 00:21:42,320
let the aircraft go forward also because

427
00:21:51,470 --> 00:21:46,940
I've find out that I have 150 knots

428
00:21:51,480 --> 00:21:54,890
so

429
00:22:01,970 --> 00:21:57,770
after a while again

430
00:22:05,210 --> 00:22:01,980
I I was looking at it and also inside

431
00:22:09,649 --> 00:22:05,220
the radar this time when I looked at the

432
00:22:13,250 --> 00:22:09,659
radar we were close to 25 miles which it

433
00:22:15,950 --> 00:22:13,260
means more miles we got closer and all

434
00:22:20,210 --> 00:22:15,960
of a sudden by the time by the chance of

435
00:22:23,450 --> 00:22:20,220
course I was looking at the radar I saw

436
00:22:27,049 --> 00:22:23,460
it jumped back about two miles and went

437
00:22:32,690 --> 00:22:27,059
to the 27 miles and stopped there

438
00:22:36,049 --> 00:22:32,700

it was something unusual to have such a

439

00:22:40,909 --> 00:22:36,059

thing flying above

440

00:22:43,730 --> 00:22:40,919

that altitude and doing all these things

441

00:22:46,010 --> 00:22:43,740

so all of this between all of this

442

00:22:49,130 --> 00:22:46,020

wondering

443

00:22:57,590 --> 00:22:53,870

a wrong thing which was bright but half

444

00:23:02,029 --> 00:22:59,630

and uh

445

00:23:05,930 --> 00:23:02,039

moving downward

446

00:23:11,570 --> 00:23:05,940

can below the Horizon and from the below

447

00:23:17,029 --> 00:23:15,049

I was really scared at this time I

448

00:23:20,690 --> 00:23:17,039

thought maybe

449

00:23:21,770 --> 00:23:20,700

this is going to be a missile or

450

00:23:25,010 --> 00:23:21,780

something

451
00:23:28,549 --> 00:23:25,020
that they launched to agree well the

452
00:23:30,350 --> 00:23:28,559
radar was locked on on the main thing so

453
00:23:34,310 --> 00:23:30,360
it couldn't be

454
00:23:37,010 --> 00:23:34,320
used for this one because that could

455
00:23:41,149 --> 00:23:37,020
take a long time to break a lot from

456
00:23:43,130 --> 00:23:41,159
that one to lock on and this one and uh

457
00:23:46,130 --> 00:23:43,140
plus that

458
00:23:49,490 --> 00:23:46,140
if I could think that it's a missile

459
00:23:51,409 --> 00:23:49,500
that was no use for it so the only thing

460
00:23:55,310 --> 00:23:51,419
I thought

461
00:23:57,770 --> 00:23:55,320
I said maybe I use another kind of the

462
00:24:01,310 --> 00:23:57,780
missile to shoot at it

463
00:24:03,649 --> 00:24:01,320

so when I selected them inside by the

464

00:24:09,230 --> 00:24:03,659

time it was coming from the Blue Horizon

465

00:24:16,850 --> 00:24:13,490

when I looked through my missile panel

466

00:24:20,529 --> 00:24:16,860

to see if the missile is selected or not

467

00:24:23,289 --> 00:24:20,539

I saw all of the instrumental right

468

00:24:26,630 --> 00:24:23,299

fluctuating and

469

00:24:28,789 --> 00:24:26,640

plus lots of Statics in the radio

470

00:24:31,909 --> 00:24:28,799

hearing

471

00:24:36,710 --> 00:24:31,919

and there was no lights

472

00:24:41,570 --> 00:24:36,720

inside the missile panel so I know

473

00:24:44,870 --> 00:24:41,580

there's no use for none of these things

474

00:24:48,830 --> 00:24:44,880

and to jump out

475

00:24:50,990 --> 00:24:48,840

in case of the collusion with the second

476

00:24:52,850 --> 00:24:51,000

thing which I would think that maybe

477

00:24:55,669 --> 00:24:52,860

it's the missile

478

00:24:58,190 --> 00:24:55,679

it was very dangerous because if I would

479

00:25:02,570 --> 00:24:58,200

jump out on that direction
