

1
00:00:08,030 --> 00:00:04,430
ladies and gentlemen good morning

2
00:00:10,250 --> 00:00:08,040
my name is Johnson I am a retired Air

3
00:00:12,910 --> 00:00:10,260
France captain

4
00:00:18,070 --> 00:00:12,920
during air Frost flight

5
00:00:23,090 --> 00:00:18,080
3532 from nice to London on 28 January

6
00:00:26,509 --> 00:00:23,100
1994. I observed with my crew a UFO in

7
00:00:29,089 --> 00:00:26,519
broad daylight near Paris

8
00:00:31,849 --> 00:00:29,099
we had few passengers on board

9
00:00:34,310 --> 00:00:31,859
and none of them had reported that

10
00:00:36,950 --> 00:00:34,320
observation to the crew

11
00:00:39,830 --> 00:00:36,960
so time was 1 pm

12
00:00:43,430 --> 00:00:39,840
and the visibility was excellent with

13
00:00:49,490 --> 00:00:45,770

that object had been identified

14

00:00:52,250 --> 00:00:49,500

initially by your Steward who was in the

15

00:00:53,690 --> 00:00:52,260

cockpit and by the co-pilot of the

16

00:00:57,470 --> 00:00:53,700

weather balloon

17

00:00:59,029 --> 00:00:57,480

but when I'd identified it it looked

18

00:01:00,470 --> 00:00:59,039

quite different

19

00:01:02,990 --> 00:01:00,480

in fact

20

00:01:05,270 --> 00:01:03,000

this UFO was in evolution

21

00:01:09,350 --> 00:01:05,280

and it looked like this

22

00:01:14,330 --> 00:01:09,360

with a bank angle of 45 degrees

23

00:01:19,609 --> 00:01:14,340

it seemed to be a huge flying disc

24

00:01:24,789 --> 00:01:22,550

we observe it over one minute on the

25

00:01:27,710 --> 00:01:24,799

left of our plane

26

00:01:28,850 --> 00:01:27,720

surprisingly totally stationary in the

27

00:01:33,770 --> 00:01:28,860

sky

28

00:01:39,109 --> 00:01:37,130

this large object was below us at the

29

00:01:40,190 --> 00:01:39,119

altitude of 35

30

00:01:47,330 --> 00:01:40,200

000 feet

31

00:01:50,149 --> 00:01:47,340

at a distance of about 25 nautical miles

32

00:01:54,190 --> 00:01:50,159

the color was red Brown

33

00:01:59,510 --> 00:01:56,810

diameter of this object

34

00:02:01,609 --> 00:01:59,520

could be compared to the diameter of the

35

00:02:04,969 --> 00:02:01,619

moon or the Sun

36

00:02:08,210 --> 00:02:04,979

that means that it was about one

37

00:02:11,750 --> 00:02:08,220

thousand feet wide

38

00:02:15,470 --> 00:02:11,760

we had no idea of the structure of the

39
00:02:19,070 --> 00:02:15,480
UFO that seemed to be embedded in a kind

40
00:02:21,770 --> 00:02:19,080
of magnetic or gravitational field

41
00:02:22,850 --> 00:02:21,780
with no lights or visual metallic

42
00:02:27,589 --> 00:02:22,860
structure

43
00:02:33,949 --> 00:02:31,250
the most incredible aspect is that it

44
00:02:37,430 --> 00:02:33,959
became transparent and disappeared in

45
00:02:40,610 --> 00:02:37,440
about 10 to 20 seconds

46
00:02:43,550 --> 00:02:40,620
my co-pilot Jeff Gerard and I

47
00:02:47,150 --> 00:02:43,560
quickly realize that what we were seeing

48
00:02:50,030 --> 00:02:47,160
didn't resemble anything known to us

49
00:02:52,309 --> 00:02:50,040
and we reported our sighting to run

50
00:02:54,670 --> 00:02:52,319
traffic control

51

00:02:57,830 --> 00:02:54,680

simultaneously

52

00:03:00,009 --> 00:02:57,840

of the operational center of the air

53

00:03:02,930 --> 00:03:00,019

defense the coda

54

00:03:06,229 --> 00:03:02,940

registered a one minute spot crossing

55

00:03:08,930 --> 00:03:06,239

the track of our plane

56

00:03:12,589 --> 00:03:08,940

when I recorded the estimated position

57

00:03:15,589 --> 00:03:12,599

of the UFO on an ionautical map

58

00:03:20,210 --> 00:03:15,599

I was surprised to realize that its

59

00:03:24,410 --> 00:03:20,220

position one years the birth of taviani

60

00:03:29,750 --> 00:03:24,420

which odds the headquarters of the

61

00:03:34,070 --> 00:03:31,670

this sighting

62

00:03:37,550 --> 00:03:34,080

has been studied by the French military

63

00:03:39,890 --> 00:03:37,560

committee group under the election of

64

00:03:42,170 --> 00:03:39,900

general donilletti and with the

65

00:03:44,570 --> 00:03:42,180

participation of several Iron King

66

00:03:47,630 --> 00:03:44,580

officers of the French defense

67

00:03:51,170 --> 00:03:47,640

as well as by Japan under the French

68

00:03:54,770 --> 00:03:51,180

national Space Center class

69

00:03:57,470 --> 00:03:54,780

the investigations determined this could

70

00:04:00,710 --> 00:03:57,480

not have been a weather balloon an

71

00:04:03,949 --> 00:04:00,720

estimated approximate length of the UFO

72

00:04:06,710 --> 00:04:03,959

to have been 800 feet

73

00:04:08,310 --> 00:04:06,720

this sighting remains unexplained thank
