

1  
00:00:05,030 --> 00:00:03,889  
Jesse when do you first recall being

2  
00:00:07,970 --> 00:00:05,040  
abducted

3  
00:00:10,310 --> 00:00:07,980  
my first abduction occurred in 1957 when

4  
00:00:12,589 --> 00:00:10,320  
I was five years old

5  
00:00:14,690 --> 00:00:12,599  
in Rogersville Tennessee a very small

6  
00:00:16,540 --> 00:00:14,700  
town in Upper East Tennessee

7  
00:00:23,450 --> 00:00:16,550  
my brother John was with me at the time

8  
00:00:28,250 --> 00:00:26,509  
up up the hill behind our house We Came

9  
00:00:30,230 --> 00:00:28,260  
Upon what appeared to be a roundhouse

10  
00:00:33,950 --> 00:00:30,240  
under construction

11  
00:00:36,830 --> 00:00:33,960  
and one man a taller looking figure he

12  
00:00:38,750 --> 00:00:36,840  
had a rod Long Rod in his hands

13  
00:00:47,389 --> 00:00:38,760

a light was emitted from it and we were

14

00:00:52,549 --> 00:00:49,610

it is at this point that Jesse Long's

15

00:00:54,590 --> 00:00:52,559

conscious memory of what happened ends

16

00:00:56,270 --> 00:00:54,600

he says it's only through hypnosis that

17

00:01:01,850 --> 00:00:56,280

he's been able to remember the rest of

18

00:01:15,730 --> 00:01:04,310

what you are seeing is actual footage of

19

00:01:20,749 --> 00:01:18,370

I remember being taken into the craft

20

00:01:24,770 --> 00:01:20,759

taking into one room

21

00:01:26,390 --> 00:01:24,780

I was placed on a very cold

22

00:01:28,249 --> 00:01:26,400

flat table

23

00:01:29,930 --> 00:01:28,259

my brother was separated and he was

24

00:01:48,590 --> 00:01:29,940

taken into another room

25

00:01:53,030 --> 00:01:50,810

they were doing something down to my

26  
00:01:59,030 --> 00:01:53,040  
legs I could feel them poking and

27  
00:02:03,950 --> 00:02:01,310  
[Music]

28  
00:02:06,709 --> 00:02:03,960  
foreign

29  
00:02:11,990 --> 00:02:06,719  
to Jesse his abductors inserted a small

30  
00:02:14,869 --> 00:02:12,000  
item an alien implant into his left shin

31  
00:02:16,970 --> 00:02:14,879  
it was in my body for 34 years

32  
00:02:19,010 --> 00:02:16,980  
could you feel it inside you

33  
00:02:21,589 --> 00:02:19,020  
what did it feel like it was always

34  
00:02:23,510 --> 00:02:21,599  
painful I always had to wear my socks

35  
00:02:26,270 --> 00:02:23,520  
below

36  
00:02:27,710 --> 00:02:26,280  
the incision point because it was

37  
00:02:30,589 --> 00:02:27,720  
painful

38  
00:02:33,290 --> 00:02:30,599

in 1991 Jesse had the foreign object

39

00:02:38,510 --> 00:02:33,300

removed from his leg there it is this is

40

00:02:38,520 --> 00:02:43,070

that's a good haircut

41

00:02:49,610 --> 00:02:46,190

this is the object that was in my leg

42

00:02:51,229 --> 00:02:49,620

and unfortunately during the initial

43

00:02:52,729 --> 00:02:51,239

test that was done on it it was broken

44

00:02:54,350 --> 00:02:52,739

into two pieces

45

00:02:56,390 --> 00:02:54,360

but that allowed us to look with the

46

00:02:58,550 --> 00:02:56,400

inside

47

00:03:00,110 --> 00:02:58,560

some have dismissed the object as simply

48

00:03:01,670 --> 00:03:00,120

a shot of glass

49

00:03:04,490 --> 00:03:01,680

but when it was analyzed at Southwest

50

00:03:05,990 --> 00:03:04,500

Research Institute a materials analysis

51

00:03:08,330 --> 00:03:06,000

facility in Texas

52

00:03:09,350 --> 00:03:08,340

the conclusion suggested a greater

53

00:03:11,690 --> 00:03:09,360

mystery

54

00:03:14,809 --> 00:03:11,700

according to the lab's report

55

00:03:17,809 --> 00:03:14,819

the object revealed a very remarkable

56

00:03:19,850 --> 00:03:17,819

composition and exhibited unique surface

57

00:03:23,210 --> 00:03:19,860

characteristics that cannot be explained

58

00:03:26,290 --> 00:03:23,220

and that the questions outnumber the

59

00:03:32,089 --> 00:03:29,030

when the object was removed I was

60

00:03:33,830 --> 00:03:32,099

convinced that whatever this object was

61

00:03:35,509 --> 00:03:33,840

had something to do with all of my

62

00:03:37,550 --> 00:03:35,519

abductions

63

00:03:39,589 --> 00:03:37,560

Jesse Long believes he has experienced

64

00:03:43,009 --> 00:03:39,599

the number of abductions since that

65

00:03:44,869 --> 00:03:43,019

first incident in 1957.

66

00:03:47,990 --> 00:03:44,879

and they became more and more horrific

67

00:03:50,809 --> 00:03:48,000

as he grew into an adult

68

00:03:56,149 --> 00:03:50,819

most of my abductions occurred very

69

00:03:59,390 --> 00:03:57,530

when they brought me into the craft they

70

00:04:04,430 --> 00:03:59,400

would take me down along

71

00:04:09,229 --> 00:04:06,410

the room was very bright because almost

72

00:04:13,910 --> 00:04:09,239

as if the walls were emanating like

73

00:04:19,909 --> 00:04:17,150

placed me on a flat table

74

00:04:22,670 --> 00:04:19,919

a few of these beings who I call the

75

00:04:25,969 --> 00:04:22,680

Silhouettes would encircle the table

76

00:04:25,979 --> 00:04:29,990

oh

77

00:04:34,670 --> 00:04:32,749

of course I was paralyzed and had to be

78

00:04:36,430 --> 00:04:34,680

because I was kicking and screaming I

79

00:04:39,170 --> 00:04:36,440

didn't want to be there

80

00:04:42,530 --> 00:04:39,180

they would do different experiments you

81

00:04:45,530 --> 00:04:42,540

know measure my body take

82

00:04:48,409 --> 00:04:45,540

blood samples

83

00:04:50,270 --> 00:04:48,419

do what I would call body scans where

84

00:04:54,950 --> 00:04:50,280

they would take this device and put it

85

00:05:00,070 --> 00:04:57,409

um but then at age 12 they started

86

00:05:02,810 --> 00:05:00,080

taking sperm samples

87

00:05:07,310 --> 00:05:02,820

the sperm extraction procedure has

88

00:05:09,770 --> 00:05:07,320

occurred consistently since I was 12.

89

00:05:11,409 --> 00:05:09,780

and they've managed to do it in at least

90

00:05:15,230 --> 00:05:11,419

three different ways

91

00:05:16,730 --> 00:05:15,240

it's all very clinical one they just use

92

00:05:18,950 --> 00:05:16,740

a catheter

93

00:05:23,870 --> 00:05:18,960

and take it as they please

94

00:05:29,150 --> 00:05:27,409

um both of those procedures

95

00:05:32,990 --> 00:05:29,160

since they are very clinical it's not

96

00:05:35,510 --> 00:05:33,000

sexual at all it requires some kind of

97

00:05:38,390 --> 00:05:35,520

stimulation

98

00:05:40,730 --> 00:05:38,400

and that's where you know everyone

99

00:05:42,770 --> 00:05:40,740

laughs but the typical anal probe comes

100

00:05:45,170 --> 00:05:42,780

in

101  
00:05:47,330 --> 00:05:45,180  
the purpose of the probe obviously is

102  
00:05:49,670 --> 00:05:47,340  
just to stimulate the prostate

103  
00:05:51,400 --> 00:05:49,680  
so they can take their sample

104  
00:05:57,590 --> 00:05:51,410  
that's all that's for

105  
00:06:02,210 --> 00:05:57,600  
[Music]

106  
00:06:05,029 --> 00:06:02,220  
third way they take the sperm sample

107  
00:06:06,770 --> 00:06:05,039  
is the most traumatic and has caused me

108  
00:06:10,430 --> 00:06:06,780  
the most problems

109  
00:06:13,010 --> 00:06:10,440  
in that they actually force me

110  
00:06:14,320 --> 00:06:13,020  
to cross breed with what seems to be a

111  
00:06:16,070 --> 00:06:14,330  
female being

112  
00:06:18,170 --> 00:06:16,080  
[Music]

113  
00:06:21,050 --> 00:06:18,180

that is the most difficult to deal with

114

00:06:22,550 --> 00:06:21,060

having intercourse in a sexual way with

115

00:06:27,170 --> 00:06:22,560

this

116

00:06:27,180 --> 00:06:31,010

it's obviously not human

117

00:06:38,029 --> 00:06:35,529

and it is so hideous that

118

00:06:58,160 --> 00:06:38,039

I just avert my head

119

00:06:58,170 --> 00:07:01,490

[Music]

120

00:07:07,010 --> 00:07:02,630

foreign

121

00:07:07,020 --> 00:07:10,440

Tales

122

00:07:13,610 --> 00:07:11,629

[Music]

123

00:07:17,700 --> 00:07:13,620

good stories like Jesse's be based on

124

00:07:21,469 --> 00:07:19,909

[Music]

125

00:07:24,170 --> 00:07:21,479

when you tell people about your

126

00:07:26,629 --> 00:07:24,180

experiences do they believe you

127

00:07:27,890 --> 00:07:26,639

you know it's not my job to convince

128

00:07:30,290 --> 00:07:27,900

anybody

129

00:07:32,809 --> 00:07:30,300

it's my job just to tell you

130

00:07:34,490 --> 00:07:32,819

what I've experienced if you believe it

131

00:07:36,290 --> 00:07:34,500

fine if you don't believe it I don't

132

00:07:38,629 --> 00:07:36,300

care

133

00:07:41,629 --> 00:07:38,639

but Jesse's Amazing Story can apparently

134

00:07:42,890 --> 00:07:41,639

be corroborated remember John Jesse's

135

00:07:44,990 --> 00:07:42,900

younger brother

136

00:07:48,430 --> 00:07:45,000

he claims he too was there on that

137

00:07:51,670 --> 00:07:48,440

fateful day in 1957.

138

00:07:54,529 --> 00:07:51,680

we're inside of a dome

139

00:07:55,730 --> 00:07:54,539

John's own hypnosis confirms Jesse's

140

00:07:57,890 --> 00:07:55,740

story

141

00:08:00,409 --> 00:07:57,900

and perhaps in an effort to deal with

142

00:08:01,790 --> 00:08:00,419

his dark memories John has built this

143

00:08:03,340 --> 00:08:01,800

house for himself in the Hills near

144

00:08:07,610 --> 00:08:03,350

their boyhood home

145

00:08:12,529 --> 00:08:09,830

this is evidence that can't be ignored

146

00:08:14,570 --> 00:08:12,539

and the story just gets more and more

147

00:08:17,210 --> 00:08:14,580

disturbing

148

00:08:19,850 --> 00:08:17,220

what Jesse says happened to him in 1990

149

00:08:22,129 --> 00:08:19,860

May answer the question that hangs over

150

00:08:28,909 --> 00:08:22,139

every abduction account why is this

151  
00:08:32,389 --> 00:08:31,369  
I was driving from California to New

152  
00:08:34,430 --> 00:08:32,399  
Orleans

153  
00:08:38,750 --> 00:08:34,440  
and right outside of Albuquerque New

154  
00:08:47,570 --> 00:08:41,690  
my car was lifted off the interstate up

155  
00:08:47,580 --> 00:08:52,070  
[Applause]

156  
00:08:58,009 --> 00:08:55,190  
was taken aboard the craft

157  
00:09:00,050 --> 00:08:58,019  
placed on a table what was presented

158  
00:09:03,820 --> 00:09:00,060  
with a baby

159  
00:09:13,770 --> 00:09:03,830  
was told this is your child

160  
00:09:20,870 --> 00:09:18,949  
[Music]

161  
00:09:23,630 --> 00:09:20,880  
what happened then

162  
00:09:28,090 --> 00:09:23,640  
and there were nine other

163  
00:09:35,050 --> 00:09:30,410

they all looked at me

164

00:09:38,930 --> 00:09:37,310

each of the children who were standing

165

00:09:41,269 --> 00:09:38,940

along the wall

166

00:09:42,949 --> 00:09:41,279

walked up to me lying on the table and

167

00:09:46,430 --> 00:09:42,959

they each

168

00:09:50,090 --> 00:09:46,440

touched my hand as they walked by and

169

00:09:55,250 --> 00:09:52,610

and they walked on out of the room

170

00:09:56,090 --> 00:09:55,260

and the message I was getting from them

171

00:09:57,850 --> 00:09:56,100

was

172

00:10:00,290 --> 00:09:57,860

we're okay

173

00:10:02,949 --> 00:10:00,300

thank you

174

00:10:06,350 --> 00:10:02,959

if you could confront your abductors

175

00:10:08,389 --> 00:10:06,360

what would you say to them if I could

176

00:10:12,829 --> 00:10:08,399

sit down with one of them

177

00:10:15,170 --> 00:10:12,839

right now I'd ask them one question
