

1  
00:00:07,730 --> 00:00:03,430  
is a round object solids object is a

2  
00:00:09,350 --> 00:00:07,740  
creamy white wasn't it then it was so at

3  
00:00:12,169 --> 00:00:09,360  
the underside you sort of got like a bit

4  
00:00:14,509 --> 00:00:12,179  
cut out and then just a sort of a tiny

5  
00:00:15,530 --> 00:00:14,519  
thing sticking out to the end of it and

6  
00:00:17,390 --> 00:00:15,540  
uh

7  
00:00:20,269 --> 00:00:17,400  
and because he had this light

8  
00:00:22,010 --> 00:00:20,279  
came from it and that was very brass I

9  
00:00:24,710 --> 00:00:22,020  
thought well that's no helicopter or

10  
00:00:27,710 --> 00:00:24,720  
play you know I thought it's a UFO I'm

11  
00:00:29,390 --> 00:00:27,720  
just saying looking at and thought

12  
00:00:31,550 --> 00:00:29,400  
you know it's just amazing what we've

13  
00:00:33,590 --> 00:00:31,560

seen just barely sick as you seem to be

14

00:00:34,970 --> 00:00:33,600

honest and then next week we sort of

15

00:00:41,650 --> 00:00:34,980

just a speed of light went back up into

16

00:00:46,069 --> 00:00:44,270

well I've known Carol and Helen ever

17

00:00:48,950 --> 00:00:46,079

since I've been here that's nearly 11

18

00:00:51,049 --> 00:00:48,960

years and I've never known to be late at

19

00:00:53,450 --> 00:00:51,059

all never

20

00:00:55,610 --> 00:00:53,460

purple

21

00:00:58,069 --> 00:00:55,620

well we walked up to work and we always

22

00:01:00,590 --> 00:00:58,079

arrived to the security guard and we

23

00:01:03,170 --> 00:01:00,600

always check to see

24

00:01:05,929 --> 00:01:03,180

when they arrived I have to log them in

25

00:01:08,570 --> 00:01:05,939

on my duty anybody that comes in in fact

26

00:01:10,609 --> 00:01:08,580

and they were over an hour late

27

00:01:13,910 --> 00:01:10,619

when I logged them in so I noticed the

28

00:01:15,950 --> 00:01:13,920

time specifically like all right and

29

00:01:17,990 --> 00:01:15,960

when we looked that morning there was no

30

00:01:21,710 --> 00:01:18,000

clock on that wall none at all not at

31

00:01:27,109 --> 00:01:24,590

well this clock that's behind me it's a

32

00:01:29,450 --> 00:01:27,119

master clock for all the factory it's

33

00:01:32,990 --> 00:01:29,460

been here for donkeys years even before

34

00:01:35,330 --> 00:01:33,000

I started work and they swore this clock

35

00:01:37,069 --> 00:01:35,340

just wasn't there when they arrived

36

00:01:38,390 --> 00:01:37,079

well we came home in the morning I just

37

00:01:40,130 --> 00:01:38,400

got up to myself

38

00:01:41,810 --> 00:01:40,140

they're coming those visibly shocked

39

00:01:42,469 --> 00:01:41,820

about something and that's what was the

40

00:01:44,929 --> 00:01:42,479

matter

41

00:01:46,249 --> 00:01:44,939

and I reckon had seen something they

42

00:01:47,929 --> 00:01:46,259

couldn't quite explain what I said they

43

00:01:49,490 --> 00:01:47,939

just seen that shot since expander

44

00:01:50,810 --> 00:01:49,500

saying something can it was in fact

45

00:01:53,510 --> 00:01:50,820

obviously saying they're just something

46

00:01:56,210 --> 00:01:53,520

in the sky and then they like said

47

00:01:58,030 --> 00:01:56,220

it was a UFO and they also had a periods

48

00:02:06,050 --> 00:01:58,040

of a globe and they've seen

49

00:02:09,529 --> 00:02:07,550

it around all the parts of the body that

50

00:02:11,750 --> 00:02:09,539

wasn't covered was just like a very

51  
00:02:13,309 --> 00:02:11,760  
slight sunburn yeah when we come into

52  
00:02:16,490 --> 00:02:13,319  
the ice we're so excited telling

53  
00:02:19,130 --> 00:02:16,500  
everybody all about it and that's when I

54  
00:02:21,290 --> 00:02:19,140  
sort of thought fingers look sort of red

55  
00:02:25,270 --> 00:02:21,300  
and as the day wore on they sort of got

56  
00:02:31,670 --> 00:02:29,449  
sort of a and they sort of like the old

57  
00:02:34,790 --> 00:02:31,680  
coating from there to there the neck had

58  
00:02:37,190 --> 00:02:34,800  
been and the hair is just sort of really

59  
00:02:39,110 --> 00:02:37,200  
tacky and you know sort of like I've got

60  
00:02:42,290 --> 00:02:39,120  
lots of lacquerade background it just

61  
00:02:43,430 --> 00:02:42,300  
felt yeah really sort of very funny and

62  
00:02:44,570 --> 00:02:43,440  
I couldn't I couldn't remember my

63  
00:02:46,850 --> 00:02:44,580

fingers through it was sort of all

64

00:02:49,369 --> 00:02:46,860

bitter and then you say about your

65

00:02:51,949 --> 00:02:49,379

jackets well I know set me jacket was

66

00:02:53,089 --> 00:02:51,959

wet and ready sticker it's the jacket I

67

00:02:55,190 --> 00:02:53,099

had off

68

00:02:57,229 --> 00:02:55,200

and it was all across

69

00:02:59,509 --> 00:02:57,239

the back part and the shoulder sorted

70

00:03:02,150 --> 00:02:59,519

off as if it had been melted not melting

71

00:03:04,550 --> 00:03:02,160

it was very sticky and like on the arms

72

00:03:07,430 --> 00:03:04,560

and yet that morning it wasn't lying at

73

00:03:08,869 --> 00:03:07,440

all it's just very clear morning

74

00:03:10,490 --> 00:03:08,879

so I said my sister and my motherboard

75

00:03:12,410 --> 00:03:10,500

try drawing what you're saying I tried

76  
00:03:14,149 --> 00:03:12,420  
drawing a separate room and see what

77  
00:03:16,550 --> 00:03:14,159  
happens if both didn't come back exactly

78  
00:03:18,949 --> 00:03:16,560  
the same thing the same thing that was

79  
00:03:21,830 --> 00:03:18,959  
about the most tiny thing this is what

80  
00:03:23,990 --> 00:03:21,840  
we saw it's sort of a round object

81  
00:03:26,869 --> 00:03:24,000  
the spareship what we're seeing the

82  
00:03:29,869 --> 00:03:26,879  
sauce a lot round sort of going flat

83  
00:03:31,970 --> 00:03:29,879  
more or less to the top of it with this

84  
00:03:33,470 --> 00:03:31,980  
sort of thing just you know it's sort of

85  
00:03:35,630 --> 00:03:33,480  
like a bit missing

86  
00:03:41,030 --> 00:03:35,640  
and then there's a beam of Light which

87  
00:03:43,250 --> 00:03:41,040  
come all the way down a torch Shining

88  
00:03:46,250 --> 00:03:43,260

we sort of held each other in this beam

89

00:03:48,530 --> 00:03:46,260

of light are we standing here and my mum

90

00:03:50,690 --> 00:03:48,540

was on the other side of me there and we

91

00:03:53,589 --> 00:03:50,700

sort of powered each other back into the

92

00:03:58,190 --> 00:03:56,149

they know something very very strange it

93

00:03:59,330 --> 00:03:58,200

happened to them going to work but uh it

94

00:04:00,470 --> 00:03:59,340

was something I couldn't account for and

95

00:04:03,229 --> 00:04:00,480

of course it went into the back of their

96

00:04:05,390 --> 00:04:03,239

minds until one day they actually saw a

97

00:04:08,210 --> 00:04:05,400

newspaper article which referred to the

98

00:04:09,410 --> 00:04:08,220

alien abduction phenomenon and they

99

00:04:11,330 --> 00:04:09,420

found that the things written in this

100

00:04:12,890 --> 00:04:11,340

newspaper almost identical to what had

101  
00:04:15,110 --> 00:04:12,900  
occurred with them

102  
00:04:17,569 --> 00:04:15,120  
as a result of this they contacted me

103  
00:04:19,670 --> 00:04:17,579  
and told me what it had occurred what

104  
00:04:22,129 --> 00:04:19,680  
they remembered and I interviewed them

105  
00:04:24,409 --> 00:04:22,139  
at length on this and I was fairly happy

106  
00:04:26,810 --> 00:04:24,419  
in your mind by what they told me things

107  
00:04:28,070 --> 00:04:26,820  
they couldn't possibly have known that

108  
00:04:31,430 --> 00:04:28,080  
there seemed to be an alien abduction

109  
00:04:33,350 --> 00:04:31,440  
involved we was really nervous in fact

110  
00:04:35,930 --> 00:04:33,360  
it was really frightened I was doing

111  
00:04:38,510 --> 00:04:35,940  
this regression we we as many strange

112  
00:04:39,590 --> 00:04:38,520  
stories and when I felt so emotional to

113  
00:04:41,210 --> 00:04:39,600

think

114

00:04:44,210 --> 00:04:41,220

he going up and then

115

00:04:47,350 --> 00:04:44,220

I was sort of in this spacecraft and

116

00:04:51,590 --> 00:04:47,360

it's it's just I couldn't believe myself

117

00:04:56,870 --> 00:04:54,370

a small

118

00:04:59,870 --> 00:04:56,880

regression is is a form of hypnosis

119

00:05:01,730 --> 00:04:59,880

where you go back in time so that an

120

00:05:03,050 --> 00:05:01,740

individual has had an experience in the

121

00:05:05,030 --> 00:05:03,060

past week so maybe have forgotten for

122

00:05:06,710 --> 00:05:05,040

whatever reason you take them back to

123

00:05:08,450 --> 00:05:06,720

the time and regressive hypnosis can

124

00:05:12,469 --> 00:05:08,460

actually bring back the memories of the

125

00:05:18,230 --> 00:05:14,570

tell me about the room

126

00:05:19,670 --> 00:05:18,240

it's white it's it's so white it's like

127

00:05:23,090 --> 00:05:19,680

it's round

128

00:05:26,330 --> 00:05:23,100

I can see Helen she's on a board

129

00:05:27,529 --> 00:05:26,340

it's shaped like a table like a school

130

00:05:29,629 --> 00:05:27,539

table

131

00:05:32,270 --> 00:05:29,639

there's something on the ceiling it

132

00:05:34,129 --> 00:05:32,280

looks like operating something which

133

00:05:36,710 --> 00:05:34,139

will come down

134

00:05:38,870 --> 00:05:36,720

my eyes they're looking into my eyes

135

00:05:41,749 --> 00:05:38,880

it feels like a burning sensation in my

136

00:05:46,450 --> 00:05:44,270

they look like gray people I think more

137

00:05:51,409 --> 00:05:46,460

white than there was gray like in the

138

00:05:55,010 --> 00:05:51,419

big almond eyes very big

139

00:05:57,469 --> 00:05:55,020

um you cannot see a nose but you know a

140

00:05:59,510 --> 00:05:57,479

nose was there and imagine sometimes the

141

00:06:02,090 --> 00:05:59,520

mouth is not there you know the times

142

00:06:05,150 --> 00:06:02,100

you knew this sort of a line in fact

143

00:06:07,730 --> 00:06:05,160

sometimes you can see like a only tiny

144

00:06:10,070 --> 00:06:07,740

red line there

145

00:06:13,790 --> 00:06:10,080

he's touching my face

146

00:06:20,090 --> 00:06:16,249

looking at my heart

147

00:06:24,409 --> 00:06:22,370

what basically is happening is people

148

00:06:25,790 --> 00:06:24,419

are being examined medically there have

149

00:06:27,950 --> 00:06:25,800

been toenails removed they're having

150

00:06:29,570 --> 00:06:27,960

hair removed they're having skin samples

151  
00:06:31,550 --> 00:06:29,580  
removed

152  
00:06:33,710 --> 00:06:31,560  
I think what impressed me most about

153  
00:06:35,529 --> 00:06:33,720  
this case is the fact that when they

154  
00:06:38,510 --> 00:06:35,539  
were under hypnosis at separate times

155  
00:06:39,950 --> 00:06:38,520  
the stories the graphic descriptions the

156  
00:06:41,930 --> 00:06:39,960  
things that were done to them were

157  
00:06:45,590 --> 00:06:41,940  
absolutely identical what they did to

158  
00:06:50,450 --> 00:06:49,430  
your skin feels wet he's put his hand on

159  
00:06:53,870 --> 00:06:50,460  
my face

160  
00:06:57,350 --> 00:06:53,880  
my thighs feels wet

161  
00:06:57,360 --> 00:07:02,570  
I'm in a dark room now

162  
00:07:09,950 --> 00:07:04,430  
I've got more clothes on

163  
00:07:14,510 --> 00:07:12,290

I'm happy I saw that UFO in the morning

164

00:07:16,010 --> 00:07:14,520  
instead of seeing that this is so

165

00:07:18,710 --> 00:07:16,020  
fantastic but I thought of being

166

00:07:20,570 --> 00:07:18,720  
abductive in a way I wish he'd hand that

167

00:07:23,390 --> 00:07:20,580  
and know she wasn't us because people

168

00:07:25,370 --> 00:07:23,400  
tend to think yeah she's you know mad or

169

00:07:27,589 --> 00:07:25,380  
some people do I think we might referred

170

00:07:29,450 --> 00:07:27,599  
people you know you're in say but we

171

00:07:32,510 --> 00:07:29,460  
know we're not man we both was together

172

00:07:35,629 --> 00:07:32,520  
that day and we know what we saw

173

00:07:36,890 --> 00:07:35,639  
I was in the bathroom at 5 35 a.m I

174

00:07:38,749 --> 00:07:36,900  
looked out the window which was only

175

00:07:40,249 --> 00:07:38,759  
half open and saw a brilliant blue white

176

00:07:45,170 --> 00:07:40,259

light

177

00:07:49,370 --> 00:07:45,180

I sat on the edge of the bed waiting for

178

00:07:53,510 --> 00:07:51,589

could it have been a Searchlight from a

179

00:07:55,249 --> 00:07:53,520

helicopter maybe quite a way up and we

180

00:07:57,650 --> 00:07:55,259

are on the flight path here no

181

00:07:59,390 --> 00:07:57,660

definitely because there's no noise and

182

00:08:01,189 --> 00:07:59,400

we readily hear helicopters and they're

183

00:08:03,110 --> 00:08:01,199

very noisy there's just no noise

184

00:08:04,909 --> 00:08:03,120

whatsoever we have a quite a lot of

185

00:08:06,969 --> 00:08:04,919

place helicopters around here searching

186

00:08:09,469 --> 00:08:06,979

for

187

00:08:10,909 --> 00:08:09,479

simply because it was too there was no

188

00:08:12,050 --> 00:08:10,919

noise there's too bright as well there

189

00:08:13,249 --> 00:08:12,060

was no noise and it would just looked

190

00:08:15,230 --> 00:08:13,259

like the moon I'd never seen an

191

00:08:17,150 --> 00:08:15,240

helicopter shark just the moon before so

192

00:08:19,309 --> 00:08:17,160

exactly where did the light come from

193

00:08:21,170 --> 00:08:19,319

completely above I think it's higher

194

00:08:24,350 --> 00:08:21,180

than the flat and it just comes straight

195

00:08:26,210 --> 00:08:24,360

down from from above onto above

196

00:08:27,589 --> 00:08:26,220

with some of the physical effects the

197

00:08:30,050 --> 00:08:27,599

burns and the headaches and the

198

00:08:32,149 --> 00:08:30,060

nosebleeds I wonder whether just the

199

00:08:33,350 --> 00:08:32,159

stress of seeing the light could have

200

00:08:35,089 --> 00:08:33,360

brought some of those on do you think

201  
00:08:36,050 --> 00:08:35,099  
they were just stress related I don't I

202  
00:08:38,329 --> 00:08:36,060  
don't think so because we weren't

203  
00:08:39,949 --> 00:08:38,339  
stressed about it because we thought so

204  
00:08:42,649 --> 00:08:39,959  
Mars what we had saw

205  
00:08:45,769 --> 00:08:42,659  
this is so look what we saw it we've

206  
00:08:48,470 --> 00:08:45,779  
actually saw a UFO and I mean we didn't

207  
00:08:49,970 --> 00:08:48,480  
even think of anything has been took

208  
00:08:51,710 --> 00:08:49,980  
away or anything we just thought we just

209  
00:08:54,350 --> 00:08:51,720  
saw this bright light and then we went

210  
00:08:58,730 --> 00:08:56,990  
this is where Helen and Carol work when

211  
00:09:00,769 --> 00:08:58,740  
they arrived they said they couldn't see

212  
00:09:03,410 --> 00:09:00,779  
the clock on the wall and had lost an

213  
00:09:07,670 --> 00:09:05,570

I think the earlier experience in the

214

00:09:10,490 --> 00:09:07,680

alleyway had left them confused and

215

00:09:12,230 --> 00:09:10,500

dazed one of the impressive aspects of

216

00:09:14,870 --> 00:09:12,240

the case is that under aggression you

217

00:09:16,430 --> 00:09:14,880

both came out very similar stories do

218

00:09:18,230 --> 00:09:16,440

you think that maybe you discussed the

219

00:09:19,850 --> 00:09:18,240

case together before you regressed or

220

00:09:21,230 --> 00:09:19,860

you'd read the same books or read the

221

00:09:23,269 --> 00:09:21,240

same articles and that's why your

222

00:09:25,070 --> 00:09:23,279

stories were so similar no no because we

223

00:09:27,470 --> 00:09:25,080

didn't think we've gone before we was

224

00:09:30,470 --> 00:09:27,480

going to be um regressed with like both

225

00:09:32,930 --> 00:09:30,480

very fast and about being regressed and

226

00:09:34,550 --> 00:09:32,940

we didn't know what sorts of things you

227

00:09:35,630 --> 00:09:34,560

would probably see in the Spy ship or

228

00:09:37,009 --> 00:09:35,640

anything like

229

00:09:39,290 --> 00:09:37,019

you know so we wouldn't know what to

230

00:09:40,850 --> 00:09:39,300

talk about together about saying what

231

00:09:42,769 --> 00:09:40,860

tests I'd done or anything because we

232

00:09:45,230 --> 00:09:42,779

didn't know you know anything really

233

00:09:47,630 --> 00:09:45,240

about abduction saying we've read a lot

234

00:09:49,430 --> 00:09:47,640

about UFOs but not abduction cases for

235

00:09:50,750 --> 00:09:49,440

sweet thoughts because we were at the

236

00:09:52,970 --> 00:09:50,760

hour we had a rustling saying before

237

00:09:54,769 --> 00:09:52,980

this bright light come so we thought we

238

00:09:56,690 --> 00:09:54,779

was going to be regressed I think that

239

00:09:58,670 --> 00:09:56,700

was sourcing again the alleyway what we

240

00:10:00,410 --> 00:09:58,680

shouldn't have saw so we thought was

241

00:10:01,970 --> 00:10:00,420

well wonder what we did see it was it

242

00:10:03,650 --> 00:10:01,980

going to be a green manner or something

243

00:10:06,590 --> 00:10:03,660

really frightening will it frighten us

244

00:10:08,030 --> 00:10:06,600

so the spaceship for his mouth was I

245

00:10:09,530 --> 00:10:08,040

didn't even think about we didn't think

246

00:10:12,170 --> 00:10:09,540

that would have been took up there no

247

00:10:14,090 --> 00:10:12,180

now some people think that um hypnosis

248

00:10:15,710 --> 00:10:14,100

is a way of finding out true facts other

249

00:10:17,329 --> 00:10:15,720

people think that it gives people a sort

250

00:10:19,190 --> 00:10:17,339

of license just to fantasize and make

251

00:10:21,230 --> 00:10:19,200

things up didn't it feel when you're

252

00:10:23,570 --> 00:10:21,240

saying these things like a real memory

253

00:10:25,610 --> 00:10:23,580

or did it feel like you you might have

254

00:10:27,110 --> 00:10:25,620

been making them up no I felt quite

255

00:10:29,930 --> 00:10:27,120

emotionally when you sort of looking

256

00:10:32,449 --> 00:10:29,940

around the room and then you see like a

257

00:10:35,449 --> 00:10:32,459

a sort of a gray Bean come to you sort

258

00:10:38,449 --> 00:10:35,459

of felt quite emotional it is sort of

259

00:10:40,250 --> 00:10:38,459

which like a bit of a shock but yet sort

260

00:10:42,350 --> 00:10:40,260

of a won't switch frightened just

261

00:10:44,810 --> 00:10:42,360

emotional and to think like that I'd

262

00:10:46,670 --> 00:10:44,820

happen to you Dad them sort of tests

263

00:10:47,810 --> 00:10:46,680

done on you that was sort of like

264

00:10:49,970 --> 00:10:47,820

frightening

265

00:10:51,650 --> 00:10:49,980

to think that I could just take in sort

266

00:10:54,110 --> 00:10:51,660

of do things like that Anya without you

267

00:10:57,470 --> 00:10:54,120

having you know asking you first

268

00:11:00,710 --> 00:10:57,480

and it is quite a sort of fantastic

269

00:11:03,170 --> 00:11:00,720

um sort of account in in many ways do

270

00:11:05,329 --> 00:11:03,180

you really believe that this really did

271

00:11:07,190 --> 00:11:05,339

happen and that you were abducted by

272

00:11:08,389 --> 00:11:07,200

aliens aboard a spaceship well I don't

273

00:11:10,430 --> 00:11:08,399

think I'd want to make a story about

274

00:11:12,530 --> 00:11:10,440

that because I wouldn't I mean I feel

275

00:11:14,329 --> 00:11:12,540

silly is enough about saying it so I

276

00:11:16,190 --> 00:11:14,339

don't think I would have said I would

277

00:11:18,590 --> 00:11:16,200

have said nothing has happened because I

278

00:11:20,930 --> 00:11:18,600

would want to look stupid

279

00:11:24,470 --> 00:11:20,940

I think sometimes though you feel a bit

280

00:11:27,470 --> 00:11:24,480

sort of uh oh is it true or you know

281

00:11:29,389 --> 00:11:27,480

under hypnosis it is happening to him

282

00:11:30,470 --> 00:11:29,399

but I think you you sort of thing like

283

00:11:32,509 --> 00:11:30,480

that because you're thrown out what

284

00:11:34,310 --> 00:11:32,519

people might say when you do tell him

285

00:11:36,530 --> 00:11:34,320

I've seen an idea and they might think

286

00:11:38,690 --> 00:11:36,540

oh she's a bit mad I think that puts you

287

00:11:39,769 --> 00:11:38,700

off with you you believe in it fully
