

1
00:00:09,589 --> 00:00:05,870
hi I'm John Carpenter psychiatric

2
00:00:11,450 --> 00:00:09,599
therapist and UFO researcher recently I

3
00:00:13,970 --> 00:00:11,460
just got back from Brazil South America

4
00:00:16,129 --> 00:00:13,980
where I had given a presentation on

5
00:00:20,330 --> 00:00:16,139
alien abductions at an International

6
00:00:22,370 --> 00:00:20,340
Conference in kurachiba kurachiba is in

7
00:00:25,910 --> 00:00:22,380
the southern part of Brazil which is

8
00:00:28,370 --> 00:00:25,920
more Industrial in European in nature I

9
00:00:30,710 --> 00:00:28,380
was much surprised at this this is also

10
00:00:32,569 --> 00:00:30,720
the area where the case in Virginia is

11
00:00:34,910 --> 00:00:32,579
located

12
00:00:38,030 --> 00:00:34,920
before I went to Brazil I had heard

13
00:00:41,330 --> 00:00:38,040

rumors about a saucer crash in the

14

00:00:43,430 --> 00:00:41,340

military capturing live beans

15

00:00:44,869 --> 00:00:43,440

this was very mysterious and so I

16

00:00:47,630 --> 00:00:44,879

figured by the time I went to Brazil

17

00:00:50,770 --> 00:00:47,640

that I could get the real facts

18

00:00:54,229 --> 00:00:50,780

this was difficult at first because

19

00:00:56,270 --> 00:00:54,239

I could not speak Portuguese and

20

00:00:58,430 --> 00:00:56,280

therefore I had to rely on translations

21

00:01:01,310 --> 00:00:58,440

from different investigators and the

22

00:01:04,130 --> 00:01:01,320

details were sketching I ran into a few

23

00:01:06,350 --> 00:01:04,140

Americans speaking Brazilians and they

24

00:01:08,450 --> 00:01:06,360

tried to tell me more details this

25

00:01:10,190 --> 00:01:08,460

raised my curiosity along with several

26

00:01:12,410 --> 00:01:10,200

of the other researchers who were

27

00:01:15,230 --> 00:01:12,420

present at the conference

28

00:01:18,190 --> 00:01:15,240

what I did finally was go up to Vittoria

29

00:01:22,010 --> 00:01:18,200

pacaccini one of the chief investigators

30

00:01:24,289 --> 00:01:22,020

and asked him a few questions hoping

31

00:01:26,330 --> 00:01:24,299

that he could understand my English I

32

00:01:28,370 --> 00:01:26,340

was surprised to find that he spoke very

33

00:01:31,190 --> 00:01:28,380

good English and was quite willing to

34

00:01:33,710 --> 00:01:31,200

share many details I decided at this

35

00:01:36,350 --> 00:01:33,720

point to team up with Stanton Friedman

36

00:01:38,810 --> 00:01:36,360

from Canada and Graham Birdsall from

37

00:01:41,749 --> 00:01:38,820

England and the three of us would

38

00:01:43,609 --> 00:01:41,759

interview him in my hotel room finally

39

00:01:46,609 --> 00:01:43,619

we would get the

40

00:01:49,130 --> 00:01:46,619

intricate and specific details of this

41

00:01:51,410 --> 00:01:49,140

most interesting case in Virginia

42

00:01:52,910 --> 00:01:51,420

now before I went to Brazil I had

43

00:01:56,749 --> 00:01:52,920

thought that this must be some kind of

44

00:01:59,210 --> 00:01:56,759

jungle hysteria some kind of story that

45

00:02:02,149 --> 00:01:59,220

was spread like a wild rumor through the

46

00:02:04,550 --> 00:02:02,159

jungles in The Villages well when I

47

00:02:08,150 --> 00:02:04,560

realized how industrial and specialized

48

00:02:10,490 --> 00:02:08,160

this area was I soon began to take the

49

00:02:12,470 --> 00:02:10,500

whole case much more seriously I was

50

00:02:14,330 --> 00:02:12,480

most impressed with the investigators I

51

00:02:16,809 --> 00:02:14,340

think you will be too

52

00:02:19,490 --> 00:02:16,819

join me now in the front line

53

00:02:21,290 --> 00:02:19,500

investigation of this case as you will

54

00:02:24,650 --> 00:02:21,300

be there on this first interview

55

00:02:27,770 --> 00:02:24,660

gathering information as we are after

56

00:02:30,770 --> 00:02:27,780

the interview with Victoria paccini we

57

00:02:32,270 --> 00:02:30,780

will look at some photos and drawings to

58

00:02:36,170 --> 00:02:32,280

summarize the case

59

00:02:38,270 --> 00:02:36,180

and then following that AJ javard the

60

00:02:41,869 --> 00:02:38,280

head of the mutual UFO Network for

61

00:02:44,690 --> 00:02:41,879

Brazil and the editor of UFO magazine in

62

00:02:46,729 --> 00:02:44,700

Brazil will add some additional comments

63

00:02:50,210 --> 00:02:46,739

remarks and thoughts

64

00:02:53,210 --> 00:02:50,220

I hope you enjoy as this case unfolds

65

00:02:54,470 --> 00:02:53,220

before you the complexity and the

66

00:02:57,890 --> 00:02:54,480

seriousness

67

00:03:03,250 --> 00:02:57,900

of the idea that aliens were captured in

68

00:03:08,570 --> 00:03:06,949

yes my name is Victoria where do I look

69

00:03:10,190 --> 00:03:08,580

doesn't matter just look at something

70

00:03:11,390 --> 00:03:10,200

because you're between the two cameras

71

00:03:12,309 --> 00:03:11,400

yeah

72

00:03:16,250 --> 00:03:12,319

um

73

00:03:19,970 --> 00:03:16,260

my name is Victoria pakachini

74

00:03:22,430 --> 00:03:19,980

I'm 31 years old I'm single I live in

75

00:03:24,350 --> 00:03:22,440

Bella resort which is the capital of of

76

00:03:27,070 --> 00:03:24,360

the state of Minnesota ice it's the

77

00:03:30,649 --> 00:03:27,080

second state of Brazil and

78

00:03:33,470 --> 00:03:30,659

uh I belong to this oldest Brazilian

79

00:03:40,390 --> 00:03:33,480

investigation group it's called siku Ani

80

00:03:45,229 --> 00:03:43,729

and I have been working with them for 18

81

00:03:48,589 --> 00:03:45,239

years now

82

00:03:52,070 --> 00:03:48,599

uh the group was was uh established

83

00:03:54,890 --> 00:03:52,080

right after the World War II so we're

84

00:03:57,050 --> 00:03:54,900

talking about a 50 years old group more

85

00:03:59,509 --> 00:03:57,060

or less it's the oldest in Brazil for

86

00:04:03,350 --> 00:03:59,519

their sightings back then in Brazil in

87

00:04:07,850 --> 00:04:03,360

46 47 yes many

88

00:04:09,649 --> 00:04:07,860

and and the president was uh uh at that

89

00:04:13,009 --> 00:04:09,659

time we didn't have the Jets in Brazil

90

00:04:15,770 --> 00:04:13,019

so we had the Thunderbolt group he was

91

00:04:18,849 --> 00:04:15,780

one of the pilots okay of the of the

92

00:04:21,949 --> 00:04:18,859

Thunderbolt Fighters at that time so he

93

00:04:24,290 --> 00:04:21,959

uh is the president he stopped he

94

00:04:25,550 --> 00:04:24,300

started this this group at that time

95

00:04:29,030 --> 00:04:25,560

so

96

00:04:31,310 --> 00:04:29,040

uh we have many many experiences in the

97

00:04:35,390 --> 00:04:31,320

field we work on the field we don't do

98

00:04:39,110 --> 00:04:35,400

office investigation okay we go to the

99

00:04:41,330 --> 00:04:39,120

field I am the ranger I am the one who

100

00:04:44,390 --> 00:04:41,340

goes through the woods I am the one who

101
00:04:47,390 --> 00:04:44,400
say stay in the car I go there on a mud

102
00:04:49,430 --> 00:04:47,400
sometimes rainy day everything we use

103
00:04:50,390 --> 00:04:49,440
wonky-talkies and things like that come

104
00:04:53,090 --> 00:04:50,400
fast

105
00:04:57,530 --> 00:04:53,100
so I have a little experience I I should

106
00:05:00,590 --> 00:04:57,540
say that I never met Mr ubiraj Rodriguez

107
00:05:02,990 --> 00:05:00,600
which is now my partner on Virginia was

108
00:05:04,909 --> 00:05:03,000
on the stage yes yes now he's back to

109
00:05:06,409 --> 00:05:04,919
Virginia he has to work tomorrow morning

110
00:05:10,129 --> 00:05:06,419
he's a lawyer

111
00:05:12,890 --> 00:05:10,139
so and uh

112
00:05:15,050 --> 00:05:12,900
let's go straight to the point so I was

113
00:05:17,390 --> 00:05:15,060

the abilities aren't you I just at that

114

00:05:19,010 --> 00:05:17,400

Sunday I just bought a newspaper it was

115

00:05:20,570 --> 00:05:19,020

in the in the beginning of February

116

00:05:23,450 --> 00:05:20,580

1996.

117

00:05:25,969 --> 00:05:23,460

some months ago so I bought the

118

00:05:27,770 --> 00:05:25,979

newspaper estado jimina's papers the

119

00:05:31,010 --> 00:05:27,780

biggest in our state

120

00:05:33,950 --> 00:05:31,020

and I found his picture on a page saying

121

00:05:35,450 --> 00:05:33,960

somebody in Virginia saw this weird

122

00:05:38,570 --> 00:05:35,460

creature

123

00:05:41,990 --> 00:05:38,580

later on we have this Fantastical TV

124

00:05:45,770 --> 00:05:42,000

show it's the the the the biggest

125

00:05:48,230 --> 00:05:45,780

audience in Brazil since 1973

126
00:05:52,310 --> 00:05:48,240
and I saw this report

127
00:05:55,070 --> 00:05:52,320
in Fantastical Show broadcast by hedgy

128
00:05:57,710 --> 00:05:55,080
global network was Rodriguez in the

129
00:06:01,610 --> 00:05:57,720
report yes okay okay the first the first

130
00:06:02,990 --> 00:06:01,620
show and then right after that on next

131
00:06:05,629 --> 00:06:03,000
day Monday

132
00:06:08,689 --> 00:06:05,639
I called up my friends from our group

133
00:06:10,909 --> 00:06:08,699
sicko and said did you hear that

134
00:06:13,730 --> 00:06:10,919
well maybe we should have this meeting

135
00:06:15,710 --> 00:06:13,740
and then we can establish what we can do

136
00:06:19,249 --> 00:06:15,720
to help to get involved with this

137
00:06:22,249 --> 00:06:19,259
because it is in Minnesota state is

138
00:06:23,570 --> 00:06:22,259

about 300 kilometers far from Belarus

139

00:06:25,550 --> 00:06:23,580

Orange

140

00:06:28,490 --> 00:06:25,560

okay so we have this being in my

141

00:06:30,290 --> 00:06:28,500

apartment it's because I live alone I

142

00:06:31,790 --> 00:06:30,300

don't have any kids I'm not married

143

00:06:34,370 --> 00:06:31,800

and then

144

00:06:36,469 --> 00:06:34,380

we considering that I'm from today's

145

00:06:40,189 --> 00:06:36,479

Corazon so I know the south of Nina

146

00:06:43,249 --> 00:06:40,199

Jedis it would be easier for me to take

147

00:06:45,290 --> 00:06:43,259

care of this investigation to go there

148

00:06:47,629 --> 00:06:45,300

and find out what was going on

149

00:06:50,570 --> 00:06:47,639

so that's what I did the day after so

150

00:06:54,790 --> 00:06:50,580

I'm talking about Tuesday I went back to

151
00:07:01,790 --> 00:06:59,150
for 19 years now so I went there

152
00:07:03,590 --> 00:07:01,800
I checked the list I'm in the the

153
00:07:06,050 --> 00:07:03,600
telephone list because I didn't know how

154
00:07:08,270 --> 00:07:06,060
to find didn't know him

155
00:07:09,129 --> 00:07:08,280
so I called him and said I'm pakachini

156
00:07:13,749 --> 00:07:09,139
from

157
00:07:16,969 --> 00:07:13,759
wow how good

158
00:07:19,309 --> 00:07:16,979
and I said I would like to need to to to

159
00:07:21,050 --> 00:07:19,319
understand what's going on he said okay

160
00:07:23,870 --> 00:07:21,060
how about tomorrow

161
00:07:25,909 --> 00:07:23,880
okay tomorrow after lunch but before

162
00:07:28,249 --> 00:07:25,919
going to Tres grandsons I called some

163
00:07:30,469 --> 00:07:28,259

friends go into Virginia I called some

164

00:07:32,710 --> 00:07:30,479

friends from Belgium

165

00:07:35,450 --> 00:07:32,720

friends

166

00:07:37,670 --> 00:07:35,460

means three hearts it's the place where

167

00:07:38,629 --> 00:07:37,680

palette the famous soccer player was

168

00:07:40,189 --> 00:07:38,639

born

169

00:07:42,650 --> 00:07:40,199

and

170

00:07:46,370 --> 00:07:42,660

some friends I said could you please

171

00:07:49,670 --> 00:07:46,380

check it out for me police people army

172

00:07:52,550 --> 00:07:49,680

people because it's a small town 60 60

173

00:07:53,629 --> 00:07:52,560

000 people Virginia no please also my

174

00:07:55,670 --> 00:07:53,639

hometown

175

00:07:57,469 --> 00:07:55,680

okay so I called some friends said could

176

00:07:59,749 --> 00:07:57,479

you please check around stick our noses

177

00:08:03,110 --> 00:07:59,759

around there I'll be there tomorrow okay

178

00:08:06,710 --> 00:08:03,120

okay so I got home

179

00:08:08,870 --> 00:08:06,720

talk to Mom call him we set this meeting

180

00:08:12,050 --> 00:08:08,880

for the next day

181

00:08:13,490 --> 00:08:12,060

so I was just there suddenly a friend of

182

00:08:16,129 --> 00:08:13,500

mine called and said

183

00:08:18,710 --> 00:08:16,139

listen buddy as we've seen Brazil the

184

00:08:19,869 --> 00:08:18,720

Jaguar is going to have some water like

185

00:08:22,610 --> 00:08:19,879

we say

186

00:08:23,749 --> 00:08:22,620

agua is awesome

187

00:08:26,809 --> 00:08:23,759

so

188

00:08:29,869 --> 00:08:26,819

at that time uh it was possible for me

189

00:08:32,570 --> 00:08:29,879

to meet the first military Witness

190

00:08:35,810 --> 00:08:32,580

all right yes at that time

191

00:08:37,670 --> 00:08:35,820

easy like this I was surprised so we had

192

00:08:40,130 --> 00:08:37,680

this secret meeting

193

00:08:43,850 --> 00:08:40,140

and I met this guy and I recorded him

194

00:08:46,430 --> 00:08:43,860

for 42 minutes of recording yes 42

195

00:08:50,269 --> 00:08:46,440

minutes and then he said

196

00:08:53,269 --> 00:08:50,279

that on January the 20th the fireman

197

00:08:56,750 --> 00:08:53,279

Department had been involved with the

198

00:08:59,690 --> 00:08:56,760

capture of this weird creature

199

00:09:02,570 --> 00:08:59,700

down in this place down in the woods in

200

00:09:04,490 --> 00:09:02,580

this place in Virginia and he told me

201
00:09:06,829 --> 00:09:04,500
the whole story that the creature was

202
00:09:08,449 --> 00:09:06,839
kind of Daisy

203
00:09:11,329 --> 00:09:08,459
he's a catcher

204
00:09:13,310 --> 00:09:11,339
and and the whole thing okay

205
00:09:16,310 --> 00:09:13,320
so how did the military become involved

206
00:09:18,170 --> 00:09:16,320
in the first place oh we're gonna reach

207
00:09:20,210 --> 00:09:18,180
that point all right so

208
00:09:22,310 --> 00:09:20,220
uh this military I'm calling the

209
00:09:24,170 --> 00:09:22,320
military in general because it can be

210
00:09:26,690 --> 00:09:24,180
somebody from the fire department from

211
00:09:28,610 --> 00:09:26,700
the military police we have in Brazil

212
00:09:33,230 --> 00:09:28,620
and from the Army so we are talking

213
00:09:34,910 --> 00:09:33,240

about 5 000 people in that area so it's

214

00:09:37,070 --> 00:09:34,920

going to be hard to spawn who's the guy

215

00:09:40,610 --> 00:09:37,080

who's talking to me who are the guys

216

00:09:42,889 --> 00:09:40,620

because I did I talked to 14. okay okay

217

00:09:44,690 --> 00:09:42,899

so that was the first one so he told me

218

00:09:47,990 --> 00:09:44,700

everything the fire department was

219

00:09:51,230 --> 00:09:48,000

called to because in Brazil

220

00:09:55,370 --> 00:09:51,240

um problems with Mad Dogs with snakes

221

00:09:57,230 --> 00:09:55,380

sometimes we have some or bees or some

222

00:09:58,610 --> 00:09:57,240

or some wasp something like that you

223

00:09:59,810 --> 00:09:58,620

call the fire departments their

224

00:10:01,810 --> 00:09:59,820

responsibility

225

00:10:04,310 --> 00:10:01,820

so somebody called the fire department

226

00:10:06,710 --> 00:10:04,320

and say well we have this weird thing

227

00:10:07,850 --> 00:10:06,720

here it might be a different monkey or

228

00:10:10,310 --> 00:10:07,860

something like that could you please

229

00:10:15,170 --> 00:10:10,320

take care of the thing this situation so

230

00:10:17,269 --> 00:10:15,180

the fire department major uhie

231

00:10:20,570 --> 00:10:17,279

was in charge in Virginia at that time

232

00:10:22,910 --> 00:10:20,580

so he said you is this is this major

233

00:10:26,449 --> 00:10:22,920

martial is he the major in the fire

234

00:10:29,990 --> 00:10:26,459

department yeah but he he was uh

235

00:10:33,710 --> 00:10:30,000

um the most graduated graduated official

236

00:10:36,470 --> 00:10:33,720

there high ranking high ranking yeah so

237

00:10:39,230 --> 00:10:36,480

he was commanding the fire department at

238

00:10:42,590 --> 00:10:39,240

that time now his impossible another

239

00:10:45,290 --> 00:10:42,600

town about one hour far from Virginia so

240

00:10:47,269 --> 00:10:45,300

major said oh you you guys four of them

241

00:10:49,790 --> 00:10:47,279

you go there and you take care of the

242

00:10:52,490 --> 00:10:49,800

situation they took this net

243

00:10:53,750 --> 00:10:52,500

and gloves and went there to capture

244

00:10:56,090 --> 00:10:53,760

this weird monkey

245

00:10:58,310 --> 00:10:56,100

but suddenly they called from the

246

00:11:00,530 --> 00:10:58,320

reading and said uh major you better

247

00:11:03,829 --> 00:11:00,540

come here because

248

00:11:05,630 --> 00:11:03,839

we have this bizarre weird thing and

249

00:11:08,750 --> 00:11:05,640

also the army

250

00:11:12,290 --> 00:11:08,760

the the Tres Tres corazones Army

251
00:11:13,550 --> 00:11:12,300
it's already here with a track so major

252
00:11:15,530 --> 00:11:13,560
went there

253
00:11:18,050 --> 00:11:15,540
isn't it interesting so we're going to

254
00:11:20,930 --> 00:11:18,060
reach to a very interesting point so

255
00:11:23,449 --> 00:11:20,940
major win there when he got there

256
00:11:26,750 --> 00:11:23,459
and got to know that the sport guys went

257
00:11:30,470 --> 00:11:26,760
down this incline this this hill down

258
00:11:35,449 --> 00:11:30,480
there the woods and capture a very weird

259
00:11:37,730 --> 00:11:35,459
thing like big hand big brown eyes local

260
00:11:40,490 --> 00:11:37,740
bills

261
00:11:42,470 --> 00:11:40,500
um the scheme looked like somebody has

262
00:11:45,710 --> 00:11:42,480
painted with some oil or something like

263
00:11:47,509 --> 00:11:45,720

that it was a little glowing not really

264

00:11:51,230 --> 00:11:47,519

glowing you know when we don't have oil

265

00:11:53,210 --> 00:11:51,240

the shiny like oil yeah like that so and

266

00:11:57,230 --> 00:11:53,220

this let's be clear this is the 20th of

267

00:12:02,329 --> 00:11:57,240

January yes we're talking about 10 A.M

268

00:12:08,350 --> 00:12:05,509

all right no it was a Saturday okay I

269

00:12:18,829 --> 00:12:15,410

in our story so long long theme arms I

270

00:12:22,790 --> 00:12:18,839

mean going down the knees like this

271

00:12:26,690 --> 00:12:22,800

and short thin legs Big Foot

272

00:12:28,730 --> 00:12:26,700

big feet heaven have toes what do they

273

00:12:31,449 --> 00:12:28,740

have toes at that time you couldn't get

274

00:12:35,810 --> 00:12:31,459

this information okay I got this later

275

00:12:38,150 --> 00:12:35,820

and uh a very very strong smell of

276

00:12:38,949 --> 00:12:38,160

ammoniac I don't know how you say it was

277

00:12:43,550 --> 00:12:38,959

saying

278

00:12:47,750 --> 00:12:43,560

yes and do you have any closer

279

00:12:48,790 --> 00:12:47,760

no nothing very very interesting it was

280

00:12:50,650 --> 00:12:48,800

naked

281

00:12:56,930 --> 00:12:50,660

no

282

00:13:00,110 --> 00:12:56,940

tall

283

00:13:02,690 --> 00:13:00,120

well it was about in Brazil weekly

284

00:13:05,590 --> 00:13:02,700

metric sure hey yes the metrics show us

285

00:13:09,590 --> 00:13:05,600

Canada too it is about uh

286

00:13:13,009 --> 00:13:09,600

160 centimeters we say one meter and

287

00:13:15,230 --> 00:13:13,019

sixties and four feet yeah okay

288

00:13:17,090 --> 00:13:15,240

how many fingers at that time we didn't

289

00:13:18,889 --> 00:13:17,100

have this information because it was

290

00:13:20,629 --> 00:13:18,899

really fast operation they got their

291

00:13:23,410 --> 00:13:20,639

surrounded the creature

292

00:13:27,350 --> 00:13:23,420

and through the net own the creature

293

00:13:30,110 --> 00:13:27,360

grabbed it and went up this it this hill

294

00:13:32,629 --> 00:13:30,120

this inclined thing to go to the to the

295

00:13:34,629 --> 00:13:32,639

street up there and the creature was

296

00:13:39,230 --> 00:13:34,639

alive and it was

297

00:13:43,730 --> 00:13:41,810

it was the only thing they could hear at

298

00:13:46,250 --> 00:13:43,740

that time there was no blood they didn't

299

00:13:50,269 --> 00:13:46,260

image no damage no but the creature was

300

00:13:52,190 --> 00:13:50,279

easy it was easy to capture not not he

301
00:13:55,910 --> 00:13:52,200
wasn't running away no it was a piece of

302
00:13:59,449 --> 00:13:55,920
cake yeah okay so I recorded it can I

303
00:14:01,370 --> 00:13:59,459
just this might be like that as I as I

304
00:14:03,230 --> 00:14:01,380
understand that yesterday there was

305
00:14:05,569 --> 00:14:03,240
taught that some children had been

306
00:14:10,550 --> 00:14:05,579
throwing okay I was just going to this

307
00:14:13,310 --> 00:14:10,560
point okay so this inclined place here

308
00:14:15,110 --> 00:14:13,320
so we have this little Plateau as we say

309
00:14:18,670 --> 00:14:15,120
in Portuguese here before going down

310
00:14:22,190 --> 00:14:18,680
okay the end of this District

311
00:14:25,069 --> 00:14:22,200
then you go down the scale the woods and

312
00:14:28,970 --> 00:14:25,079
then you have Santana District the girls

313
00:14:30,170 --> 00:14:28,980

at that time was were coming from that

314

00:14:36,530 --> 00:14:30,180

District

315

00:14:37,790 --> 00:14:36,540

that's how it happened okay but going

316

00:14:40,430 --> 00:14:37,800

back

317

00:14:43,009 --> 00:14:40,440

at this place here before going down to

318

00:14:46,189 --> 00:14:43,019

the woods six civilians

319

00:14:49,790 --> 00:14:46,199

and among them three kids were just

320

00:14:51,410 --> 00:14:49,800

there throwing rocks on the creature and

321

00:14:54,470 --> 00:14:51,420

the creek this creature was in the

322

00:14:58,370 --> 00:14:54,480

middle of this incline play at the hill

323

00:15:00,769 --> 00:14:58,380

before going down to the to the woods it

324

00:15:02,329 --> 00:15:00,779

was here in the middle so the kids I

325

00:15:05,329 --> 00:15:02,339

don't know why kids do that sometimes

326

00:15:07,189 --> 00:15:05,339

before the fire officials got yes they

327

00:15:09,650 --> 00:15:07,199

were there when the firemen got there I

328

00:15:11,990 --> 00:15:09,660

said please could you please yes step

329

00:15:13,670 --> 00:15:12,000

back because we're working here uniform

330

00:15:16,009 --> 00:15:13,680

you know people yes yes I'm sorry I'm

331

00:15:18,230 --> 00:15:16,019

sorry so they put these people away but

332

00:15:20,150 --> 00:15:18,240

we know it was six civilians they

333

00:15:22,250 --> 00:15:20,160

thought they threw some rocks on the

334

00:15:24,829 --> 00:15:22,260

creature and then it went down the woods

335

00:15:27,949 --> 00:15:24,839

so the firemen went there and captured

336

00:15:30,650 --> 00:15:27,959

okay 42 minutes

337

00:15:36,290 --> 00:15:30,660

for recording with this guy

338

00:15:40,129 --> 00:15:37,850

could you tell me the story so I can

339

00:15:42,170 --> 00:15:40,139

understand what's going on so he told me

340

00:15:45,590 --> 00:15:42,180

that the girls and then I think you'll

341

00:15:49,009 --> 00:15:45,600

know the story so the girls were going

342

00:15:50,449 --> 00:15:49,019

home from work they work as a maid so

343

00:15:53,449 --> 00:15:50,459

they were cleaning somebody's house

344

00:15:56,769 --> 00:15:53,459

there and Daddy's District

345

00:16:00,009 --> 00:15:56,779

so in order to make this shortcut

346

00:16:04,670 --> 00:16:00,019

because from their District they can go

347

00:16:08,569 --> 00:16:04,680

like jaji and daddy is here Santana is

348

00:16:11,329 --> 00:16:08,579

here Santana District the woods here

349

00:16:12,110 --> 00:16:11,339

so they have to take this route like

350

00:16:26,629 --> 00:16:12,120

this

351
00:16:27,769 --> 00:16:26,639
to reach the road not the road the

352
00:16:31,790 --> 00:16:27,779
street in here

353
00:16:36,350 --> 00:16:31,800
so they saw this creature around here on

354
00:16:40,069 --> 00:16:36,360
their way home okay I'm dead Okay okay

355
00:16:43,069 --> 00:16:40,079
so what what did they did they see at

356
00:16:47,150 --> 00:16:43,079
that time this this creature

357
00:16:52,069 --> 00:16:49,970
like this one hand between the leg

358
00:16:54,530 --> 00:16:52,079
the other hand behind here

359
00:16:57,410 --> 00:16:54,540
facing the ground like this like it's

360
00:16:59,810 --> 00:16:57,420
trying to hide yes and

361
00:17:01,730 --> 00:16:59,820
all of a sudden one of the girls Liliana

362
00:17:04,010 --> 00:17:01,740
is 16 years old girl

363
00:17:06,530 --> 00:17:04,020

she saw that and she screamed and the

364

00:17:08,569 --> 00:17:06,540

creature did like this

365

00:17:11,270 --> 00:17:08,579

oh it was enough

366

00:17:13,669 --> 00:17:11,280

they thought it was the devil

367

00:17:16,789 --> 00:17:13,679

big brown eyes

368

00:17:19,309 --> 00:17:16,799

brown skin dark brown skin like somebody

369

00:17:21,890 --> 00:17:19,319

has put some oil on that

370

00:17:26,870 --> 00:17:21,900

and the eye color was red is that right

371

00:17:28,970 --> 00:17:26,880

the eyes big round big round and red

372

00:17:32,210 --> 00:17:28,980

eyes so this is now 3 30 in the

373

00:17:35,870 --> 00:17:32,220

afternoon yes so the girls saw the super

374

00:17:38,630 --> 00:17:35,880

creature yes that's the point didn't

375

00:17:39,830 --> 00:17:38,640

hear from me about the tape I had

376

00:17:41,690 --> 00:17:39,840

recorded

377

00:17:45,169 --> 00:17:41,700

day before so this is creature number

378

00:17:48,590 --> 00:17:45,179

two probably okay so I went through your

379

00:17:51,710 --> 00:17:48,600

four yeah okay so yeah

380

00:17:55,310 --> 00:17:51,720

um they sold this creature there this

381

00:17:57,590 --> 00:17:55,320

cream and they run away I want one more

382

00:18:00,950 --> 00:17:57,600

point we know from this military that

383

00:18:02,210 --> 00:18:00,960

the fireman gave the creature the first

384

00:18:05,390 --> 00:18:02,220

creature

385

00:18:08,029 --> 00:18:05,400

to the this Army troop it was three of

386

00:18:09,789 --> 00:18:08,039

them two sergeants in one major

387

00:18:12,190 --> 00:18:09,799

during this

388

00:18:16,310 --> 00:18:12,200

Mercedes-Benz

389

00:18:19,789 --> 00:18:16,320
c1418 model as we say in Brazil with

390

00:18:23,390 --> 00:18:19,799
some camouflage painting on on the track

391

00:18:26,330 --> 00:18:23,400
and the canvas stuff behind where you

392

00:18:29,090 --> 00:18:26,340
can put the troops down there

393

00:18:31,789 --> 00:18:29,100
well so they put this creature the first

394

00:18:35,690 --> 00:18:31,799
one they put in this one meter

395

00:18:38,330 --> 00:18:35,700
uh square meter wood box

396

00:18:41,510 --> 00:18:38,340
uh just with the net and everything just

397

00:18:45,770 --> 00:18:41,520
put the creature in there and cover this

398

00:18:49,730 --> 00:18:45,780
with a piece of canvas a bag canvas bag

399

00:18:51,529 --> 00:18:49,740
scan from from outside the truck you can

400

00:18:54,250 --> 00:18:51,539
hear this

401
00:18:57,350 --> 00:18:54,260
and just they just took it away

402
00:19:00,049 --> 00:18:57,360
sound where we have this Army school

403
00:19:01,810 --> 00:19:00,059
it's the biggest in South America they

404
00:19:05,950 --> 00:19:01,820
have this

405
00:19:09,950 --> 00:19:05,960
this uh war machine there I mean

406
00:19:11,690 --> 00:19:09,960
Engineers people tanks and machine guns

407
00:19:14,029 --> 00:19:11,700
and everything it's a big place it's

408
00:19:14,930 --> 00:19:14,039
just huge they have all this war things

409
00:19:17,210 --> 00:19:14,940
there

410
00:19:22,610 --> 00:19:17,220
so

411
00:19:24,710 --> 00:19:22,620
for us it's very uh almost impossible to

412
00:19:28,610 --> 00:19:24,720
believe that

413
00:19:30,590 --> 00:19:28,620

the military so get it took it away 10

414

00:19:33,230 --> 00:19:30,600

p.m in the morning

415

00:19:36,590 --> 00:19:33,240

and brought it back to put in that place

416

00:19:37,909 --> 00:19:36,600

so the girls to see the creature no of

417

00:19:40,250 --> 00:19:37,919

course not talking about the second one

418

00:19:42,710 --> 00:19:40,260

right yeah I didn't know this at that

419

00:19:44,990 --> 00:19:42,720

time so I heard him he explained

420

00:19:47,270 --> 00:19:45,000

everything he was a little lost like you

421

00:19:49,150 --> 00:19:47,280

know getting pieces from a puzzle and

422

00:19:52,250 --> 00:19:49,160

couldn't get a link

423

00:19:54,909 --> 00:19:52,260

so I just heard the story I said yeah

424

00:19:58,010 --> 00:19:54,919

okay man so now let me tell you my story

425

00:19:59,630 --> 00:19:58,020

and at that time we realized that we

426
00:20:01,730 --> 00:19:59,640
were talking about two preachers okay

427
00:20:03,890 --> 00:20:01,740
many things happened many things

428
00:20:08,770 --> 00:20:03,900
happened many you were full sightings

429
00:20:12,830 --> 00:20:08,780
for over 12 cities around Virginia about

430
00:20:13,690 --> 00:20:12,840
115 kilometers far from Virginia many

431
00:20:26,110 --> 00:20:13,700
different

432
00:20:35,810 --> 00:20:30,770
okay around how big a town is regime I

433
00:20:37,810 --> 00:20:35,820
they have a 100 180 000 no okay so it's

434
00:20:41,150 --> 00:20:37,820
a city it is

435
00:20:42,890 --> 00:20:41,160
yes very industrial city they have many

436
00:20:46,190 --> 00:20:42,900
multinational companies they're very

437
00:20:50,090 --> 00:20:46,200
rich city okay fancy people fancy cars

438
00:20:52,070 --> 00:20:50,100

imported cars not jungle areas no way no

439

00:20:54,950 --> 00:20:52,080

way Minister United States is a very

440

00:20:57,289 --> 00:20:54,960

developed State you know so after the

441

00:20:58,690 --> 00:20:57,299

girls saw this creature then what well

442

00:21:08,029 --> 00:20:58,700

so

443

00:21:11,630 --> 00:21:08,039

amongst and their mom said Mrs Louisa

444

00:21:14,270 --> 00:21:11,640

uh she said uh well we're Catholic

445

00:21:16,549 --> 00:21:14,280

Family we go to church every week

446

00:21:18,230 --> 00:21:16,559

if the devil is showing up to you you

447

00:21:21,169 --> 00:21:18,240

have to show up to me

448

00:21:23,090 --> 00:21:21,179

so he got she got a ride with this with

449

00:21:25,490 --> 00:21:23,100

his friend this neighbor and went there

450

00:21:27,650 --> 00:21:25,500

when she got there moments later she

451

00:21:31,730 --> 00:21:27,660

didn't see anything but she could feel

452

00:21:36,470 --> 00:21:31,740

this very strong smell of ammonia okay

453

00:21:39,169 --> 00:21:36,480

and that's fine into food Prince you

454

00:21:40,789 --> 00:21:39,179

know or because this voice is it's just

455

00:21:43,750 --> 00:21:40,799

an empty place where they're going to

456

00:21:46,970 --> 00:21:43,760

build some house sometime so we had just

457

00:21:51,190 --> 00:21:46,980

uh grass a little grass here and there

458

00:21:54,289 --> 00:21:51,200

and mud yeah okay so she saw these two

459

00:21:57,529 --> 00:21:54,299

Footprints unusual obviously or she

460

00:22:00,950 --> 00:21:57,539

wouldn't have what shape oh show us

461

00:22:03,190 --> 00:22:00,960

again hold that up like that like that I

462

00:22:07,730 --> 00:22:03,200

can do this Mr Spock can do it better

463

00:22:10,669 --> 00:22:07,740

like this like v-shape yeah so uh-huh

464

00:22:13,070 --> 00:22:10,679

well so we had many many UFO side

465

00:22:15,890 --> 00:22:13,080

Virginia was just going insane everybody

466

00:22:17,870 --> 00:22:15,900

every night every single night people on

467

00:22:20,149 --> 00:22:17,880

the street I'm talking about hundreds of

468

00:22:22,430 --> 00:22:20,159

people going on the streets seeing

469

00:22:25,490 --> 00:22:22,440

objects filming we have the films how

470

00:22:27,230 --> 00:22:25,500

did the media in Virginia the newspapers

471

00:22:29,750 --> 00:22:27,240

radio television how are they treating

472

00:22:33,110 --> 00:22:29,760

the subject well they're just on our

473

00:22:35,450 --> 00:22:33,120

side oh okay this was not a ridicules no

474

00:22:37,250 --> 00:22:35,460

way no way that's good because that set

475

00:22:39,770 --> 00:22:37,260

the stage then for them to give Fair

476
00:22:41,870 --> 00:22:39,780
coverage to whatever yes so they're just

477
00:22:45,289 --> 00:22:41,880
working we're working together great

478
00:22:47,450 --> 00:22:45,299
okay okay just below this story in this

479
00:22:50,750 --> 00:22:47,460
country at that time

480
00:22:53,149 --> 00:22:50,760
so many witnesses having having uh their

481
00:22:56,390 --> 00:22:53,159
cars uh

482
00:22:59,810 --> 00:22:56,400
followed by strange luminous objects

483
00:23:01,669 --> 00:22:59,820
some of them going from from left to

484
00:23:04,310 --> 00:23:01,679
right that then and vice versa some of

485
00:23:06,770 --> 00:23:04,320
them stopping in front of the cars some

486
00:23:08,990 --> 00:23:06,780
of them following the cars like like

487
00:23:12,169 --> 00:23:09,000
close range like this the car going and

488
00:23:14,810 --> 00:23:12,179

the object going above the car like this

489

00:23:18,169 --> 00:23:14,820

a doctor has passed through this

490

00:23:20,690 --> 00:23:18,179

experience doctors people uh a

491

00:23:22,870 --> 00:23:20,700

businessmen many many different people

492

00:23:27,529 --> 00:23:22,880

we talk about uh

493

00:23:31,010 --> 00:23:27,539

65 67 different Witnesses always on a

494

00:23:33,350 --> 00:23:31,020

short period of time yes but the point

495

00:23:36,950 --> 00:23:33,360

is that staying is still happening it

496

00:23:39,350 --> 00:23:36,960

didn't stop not yet okay so now we got

497

00:23:40,190 --> 00:23:39,360

two bodies we well we've been captured

498

00:23:41,930 --> 00:23:40,200

wait a minute wait a minute we're

499

00:23:43,370 --> 00:23:41,940

jumping ahead to the moment the girls at

500

00:23:45,649 --> 00:23:43,380

the side that's right she's seen the

501
00:23:47,630 --> 00:23:45,659
footprints okay go ahead got a strong

502
00:23:50,270 --> 00:23:47,640
smell of ammonia yeah all right go ahead

503
00:23:55,070 --> 00:23:50,280
okay many beautiful signs

504
00:23:57,110 --> 00:23:55,080
well one day I was just I had this call

505
00:24:00,049 --> 00:23:57,120
from a man saying I would like to report

506
00:24:03,830 --> 00:24:00,059
a signing could you meet in this place

507
00:24:05,750 --> 00:24:03,840
downtown so I said okay so I went to

508
00:24:09,049 --> 00:24:05,760
this place to meet this guy that I

509
00:24:11,810 --> 00:24:09,059
didn't know I just parked the car A

510
00:24:14,330 --> 00:24:11,820
friend of mine when I was young

511
00:24:17,210 --> 00:24:14,340
so only parking the car across the city

512
00:24:18,470 --> 00:24:17,220
and said God sent you here I need to

513
00:24:20,810 --> 00:24:18,480

talk to you

514

00:24:23,810 --> 00:24:20,820

so what because I know a military who

515

00:24:25,669 --> 00:24:23,820

wants to talk to you he was afraid but

516

00:24:27,830 --> 00:24:25,679

now he he knows that this is really

517

00:24:30,169 --> 00:24:27,840

serious and he wants to talk and also

518

00:24:31,850 --> 00:24:30,179

they said he's my friend because I was

519

00:24:34,010 --> 00:24:31,860

in television at that time I was in the

520

00:24:36,110 --> 00:24:34,020

newspapers magazines

521

00:24:39,110 --> 00:24:36,120

because we blew the story

522

00:24:41,930 --> 00:24:39,120

to the rest of the country so we said

523

00:24:44,750 --> 00:24:41,940

this secret meeting a different one I'm

524

00:24:47,149 --> 00:24:44,760

talking about the second one right so he

525

00:24:50,270 --> 00:24:47,159

said that this Convoy

526

00:24:53,990 --> 00:24:50,280

on January the 22nd

527

00:24:57,649 --> 00:24:54,000

came from trees to Virginia three

528

00:25:00,890 --> 00:24:57,659

trucks first one was was driven by a

529

00:25:05,510 --> 00:25:00,900

soldier silhou second one by purple

530

00:25:07,310 --> 00:25:05,520

wasado third one by Soldier de Melo they

531

00:25:09,890 --> 00:25:07,320

went to Virginia

532

00:25:11,930 --> 00:25:09,900

and they followed this this Volkswagen

533

00:25:14,330 --> 00:25:11,940

Bug a yellow one

534

00:25:16,310 --> 00:25:14,340

with the lieutenant from the Secret

535

00:25:17,330 --> 00:25:16,320

Service of the army the Army Secret

536

00:25:21,350 --> 00:25:17,340

Service

537

00:25:23,870 --> 00:25:21,360

so this guy called each one of them to

538

00:25:26,090 --> 00:25:23,880

go with him following him

539

00:25:27,409 --> 00:25:26,100
downtown Virginia going to many

540

00:25:30,049 --> 00:25:27,419
different places

541

00:25:32,930 --> 00:25:30,059
shopping at humanitas hospital

542

00:25:35,390 --> 00:25:32,940
they they do many kinds of surgeries

543

00:25:38,630 --> 00:25:35,400
there it's a very nice hospital and we

544

00:25:41,630 --> 00:25:38,640
went into this hospital it's in a place

545

00:25:43,130 --> 00:25:41,640
almost going out Virginia so it it's

546

00:25:43,970 --> 00:25:43,140
nearly

547

00:25:49,549 --> 00:25:43,980
um

548

00:25:51,470 --> 00:25:49,559
area from there you can go to the road

549

00:25:53,870 --> 00:25:51,480
to the road the main road to go to

550

00:25:56,810 --> 00:25:53,880
tresco like this you don't have to go

551
00:25:58,430 --> 00:25:56,820
downtown you have a specific Street

552
00:26:00,649 --> 00:25:58,440
where you go

553
00:26:01,370 --> 00:26:00,659
and then you reach the road the main

554
00:26:03,289 --> 00:26:01,380
road

555
00:26:06,350 --> 00:26:03,299
so they went there

556
00:26:09,289 --> 00:26:06,360
when each one of them so what happened

557
00:26:10,669 --> 00:26:09,299
they saw more than 15

558
00:26:13,130 --> 00:26:10,679
doctors

559
00:26:14,750 --> 00:26:13,140
in the backyard okay they made the

560
00:26:16,310 --> 00:26:14,760
Maneuvers at the hospital at the

561
00:26:20,149 --> 00:26:16,320
hospital they made the Maneuvers and

562
00:26:21,169 --> 00:26:20,159
they went reverse if I'm making myself

563
00:26:26,090 --> 00:26:21,179

clear

564

00:26:29,029 --> 00:26:26,100

backed up back up through this big gate

565

00:26:31,850 --> 00:26:29,039

and stop the truck

566

00:26:34,730 --> 00:26:31,860

fitting for more than 15 different

567

00:26:36,590 --> 00:26:34,740

doctors with these doctors over these

568

00:26:39,710 --> 00:26:36,600

doctors and they could have been doctors

569

00:26:41,810 --> 00:26:39,720

and nurses these were all doctors yes

570

00:26:43,850 --> 00:26:41,820

because we checked that thing

571

00:26:46,490 --> 00:26:43,860

later so this hospital has a lot of

572

00:26:49,310 --> 00:26:46,500

doctors for one Hospital yes

573

00:26:54,529 --> 00:26:49,320

but the point is in the backyard they

574

00:26:57,950 --> 00:26:54,539

saw uh fire firemen uh vehicle the

575

00:27:00,169 --> 00:26:57,960

military police vehicle many people

576
00:27:03,049 --> 00:27:00,179
with uniforms from the fireman

577
00:27:04,370 --> 00:27:03,059
Department many people from the military

578
00:27:07,970 --> 00:27:04,380
police

579
00:27:10,310 --> 00:27:07,980
with specific uniform this guy is

580
00:27:13,149 --> 00:27:10,320
looking like doctors with how do you

581
00:27:16,789 --> 00:27:13,159
call that thing we say stethoscopy

582
00:27:19,250 --> 00:27:16,799
the heart with the stethoscopes hanging

583
00:27:21,649 --> 00:27:19,260
around their necks with that white

584
00:27:24,649 --> 00:27:21,659
uniform they're playing here and that

585
00:27:27,110 --> 00:27:24,659
mask and the smell was just terrible

586
00:27:31,310 --> 00:27:27,120
burning the noses because it was so

587
00:27:33,830 --> 00:27:31,320
awful they were all wearing masks yes

588
00:27:38,450 --> 00:27:33,840

and tell me you guys what smell we were

589

00:27:41,269 --> 00:27:38,460

talking about ammonia yeah so

590

00:27:43,850 --> 00:27:41,279

what they saw this the smooth this

591

00:27:46,730 --> 00:27:43,860

military that I taught one thing he knew

592

00:27:48,470 --> 00:27:46,740

he knew about this

593

00:27:50,870 --> 00:27:48,480

I don't want to say that he was involved

594

00:27:52,810 --> 00:27:50,880

because if you tell this right France

595

00:27:55,669 --> 00:27:52,820

the guy goes to the jail no no no no

596

00:28:00,169 --> 00:27:55,679

okay yeah it's part of this operation

597

00:28:03,409 --> 00:28:00,179

so he saw this uh wood box

598

00:28:06,110 --> 00:28:03,419

with this creature lying on

599

00:28:09,049 --> 00:28:06,120

okay half of the Box because the other

600

00:28:11,810 --> 00:28:09,059

half was inside the place there

601
00:28:13,730 --> 00:28:11,820
oh they had this three parts you know

602
00:28:17,630 --> 00:28:13,740
like this

603
00:28:19,750 --> 00:28:17,640
on the ground with this wood box laying

604
00:28:23,510 --> 00:28:19,760
over okay okay

605
00:28:26,169 --> 00:28:23,520
yes yes okay so if they saw this

606
00:28:30,010 --> 00:28:26,179
creature there and how it looked like

607
00:28:32,570 --> 00:28:30,020
like somebody who has painted with oil

608
00:28:34,310 --> 00:28:32,580
big round

609
00:28:36,110 --> 00:28:34,320
ugly eyes

610
00:28:38,390 --> 00:28:36,120
three

611
00:28:40,190 --> 00:28:38,400
things on the head because the girl saw

612
00:28:41,870 --> 00:28:40,200
these three different things on the head

613
00:28:43,610 --> 00:28:41,880

but maybe there are bumps or something

614

00:28:46,789 --> 00:28:43,620

like that I don't know how you call that

615

00:28:51,110 --> 00:28:46,799

we don't either yeah go ahead okay so

616

00:28:55,490 --> 00:28:51,120

three fingers ah three fingers short

617

00:28:57,950 --> 00:28:55,500

yeah no kind of long three no sun no

618

00:29:00,529 --> 00:28:57,960

thumb okay three

619

00:29:03,649 --> 00:29:00,539

and the creature was like flying like

620

00:29:06,710 --> 00:29:03,659

this with the the legs a little bit like

621

00:29:09,529 --> 00:29:06,720

this so he could see the boot

622

00:29:11,990 --> 00:29:09,539

the feet I mean like this yeah

623

00:29:15,710 --> 00:29:12,000

does that mean that the box was too

624

00:29:17,210 --> 00:29:15,720

short for the creature to lay flat

625

00:29:20,269 --> 00:29:17,220

excuse me

626
00:29:22,310 --> 00:29:20,279
no it was flat Oh you mean the creature

627
00:29:25,010 --> 00:29:22,320
was bigger than the Box a little bit yes

628
00:29:28,010 --> 00:29:25,020
it was only half of the Box the other

629
00:29:29,930 --> 00:29:28,020
half that would be covering this one it

630
00:29:32,690 --> 00:29:29,940
wasn't there yet but was it on a

631
00:29:34,130 --> 00:29:32,700
diagonal creature for example or I'm

632
00:29:35,330 --> 00:29:34,140
just trying to get a handle on sides

633
00:29:38,389 --> 00:29:35,340
okay

634
00:29:40,150 --> 00:29:38,399
to give it an idea it was like

635
00:29:49,310 --> 00:29:40,160
this

636
00:29:51,529 --> 00:29:49,320
two tripod thing and the creature was

637
00:29:54,169 --> 00:29:51,539
like here

638
00:29:58,669 --> 00:29:54,179

understand yeah so they needed the other

639

00:30:00,889 --> 00:29:58,679

half to over and law delay yes the other

640

00:30:03,169 --> 00:30:00,899

half wasn't there yet was inside the

641

00:30:05,510 --> 00:30:03,179

hospital okay okay was this creature

642

00:30:08,029 --> 00:30:05,520

alive no it was dead

643

00:30:10,610 --> 00:30:08,039

it was a can you tell how it was dead

644

00:30:13,789 --> 00:30:10,620

well because it didn't move and also the

645

00:30:15,470 --> 00:30:13,799

doctor came over here with this how'd

646

00:30:17,289 --> 00:30:15,480

you call that thing apple is a sharp

647

00:30:20,149 --> 00:30:17,299

knife no no no

648

00:30:22,730 --> 00:30:20,159

do you have a pencil mayor Boro

649

00:30:25,789 --> 00:30:22,740

dispensive you know that thing like this

650

00:30:29,769 --> 00:30:25,799

the doctors use to get cotton on salt

651
00:30:32,210 --> 00:30:29,779
forceps yeah forceps okay he came here

652
00:30:36,889 --> 00:30:32,220
opened this little it wasn't a mouth was

653
00:30:40,909 --> 00:30:36,899
a slit oh just asleep open this and

654
00:30:43,789 --> 00:30:40,919
grab the tongue and just pull the pulled

655
00:30:47,750 --> 00:30:43,799
out of the mouth like this it was black

656
00:30:49,730 --> 00:30:47,760
like a ribbon black and it inflamed like

657
00:30:52,070 --> 00:30:49,740
a ribbon why did he do that do you think

658
00:30:53,149 --> 00:30:52,080
I don't know he was examining or

659
00:30:56,029 --> 00:30:53,159
something like that

660
00:30:59,210 --> 00:30:56,039
so many people in the backyard that was

661
00:31:02,529 --> 00:30:59,220
this guy this this Lieutenant we call S2

662
00:31:05,210 --> 00:31:02,539
it means he belongs to the the the

663
00:31:09,649 --> 00:31:05,220

Army's secret service yeah that wasn't

664

00:31:12,529 --> 00:31:09,659

billions in the U.S okay uh uh he was

665

00:31:15,590 --> 00:31:12,539

filming the whole thing this guy with

666

00:31:18,130 --> 00:31:15,600

this JVC camera and we filmed the doctor

667

00:31:23,700 --> 00:31:18,140

pulling there on that thing

668

00:31:27,730 --> 00:31:23,710

it was black and then he just

669

00:31:32,330 --> 00:31:30,110

he was

670

00:31:35,269 --> 00:31:32,340

did it look like a snake's tongue like

671

00:31:37,490 --> 00:31:35,279

forked or uh no he couldn't see that

672

00:31:40,190 --> 00:31:37,500

okay it was black and fling like a

673

00:31:43,549 --> 00:31:40,200

ribbon okay like a frog catches bugs

674

00:31:45,889 --> 00:31:43,559

yeah yeah something like that okay

675

00:31:51,230 --> 00:31:50,149

the knees and this part of the legs were

676
00:31:54,110 --> 00:31:51,240
wounded

677
00:31:57,649 --> 00:31:54,120
I I also asked it was it was a shot it

678
00:32:00,529 --> 00:31:57,659
was knife or it was a head

679
00:32:03,710 --> 00:32:00,539
like you have scratched yeah abrasions

680
00:32:07,909 --> 00:32:03,720
yes here in the knees and all over here

681
00:32:12,409 --> 00:32:07,919
okay both of the legs so no sexual

682
00:32:16,549 --> 00:32:12,419
organs no it was naked okay no nipples

683
00:32:20,269 --> 00:32:16,559
no nipples nothing belly button

684
00:32:22,130 --> 00:32:20,279
no no belly button and the head was big

685
00:32:24,830 --> 00:32:22,140
and bigger than ours

686
00:32:29,630 --> 00:32:24,840
okay he had like this with just three

687
00:32:32,350 --> 00:32:29,640
bumps or horns or things here

688
00:32:36,110 --> 00:32:32,360

so they seem to have bones

689

00:32:38,149 --> 00:32:36,120

I don't know they seem to be said so

690

00:32:39,950 --> 00:32:38,159

there was a joint here he has a joint is

691

00:32:43,130 --> 00:32:39,960

there an elbow you couldn't see because

692

00:32:45,889 --> 00:32:43,140

the creature was this way okay the legs

693

00:32:47,710 --> 00:32:45,899

were this way it was really hard to say

694

00:32:51,289 --> 00:32:47,720

when when the the skin is like this

695

00:32:55,130 --> 00:32:51,299

wrinkled wrinkled here very wrinkled

696

00:32:58,149 --> 00:32:55,140

here on the knees okay so they covered

697

00:33:00,649 --> 00:32:58,159

up we locked it

698

00:33:04,070 --> 00:33:00,659

to the Army School

699

00:33:08,269 --> 00:33:04,080

well it was in January the 22nd the 23rd

700

00:33:13,630 --> 00:33:08,279

they went to Campinas the same Convoy we

701
00:33:17,269 --> 00:33:13,640
had this uh operation control by Coronel

702
00:33:20,210 --> 00:33:17,279
Lieutenant Cornell Olympus he was there

703
00:33:22,570 --> 00:33:20,220
in the hospital Coronel Olympic was

704
00:33:25,850 --> 00:33:22,580
there he was in charge of this operation

705
00:33:30,470 --> 00:33:25,860
also Lieutenant's value was involved

706
00:33:33,110 --> 00:33:30,480
captain hamidis and Sergeant Pedroza

707
00:33:37,029 --> 00:33:33,120
Sergeant Pedroza went to convenience

708
00:33:40,190 --> 00:33:37,039
with this Convoy how far uh four hours

709
00:33:43,130 --> 00:33:40,200
Campinas is in Sao Paulo State oh okay

710
00:33:46,450 --> 00:33:43,140
sometime okay because companions we have

711
00:33:48,769 --> 00:33:46,460
only copy University it's a very

712
00:33:50,570 --> 00:33:48,779
Advanced place we have high tech

713
00:33:53,930 --> 00:33:50,580

knowledge there many things

714

00:33:55,850 --> 00:33:53,940

so we know because the guy who was

715

00:33:57,470 --> 00:33:55,860

involved in this operation went to

716

00:34:00,470 --> 00:33:57,480

campaigners in this Convoy that's why we

717

00:34:03,169 --> 00:34:00,480

know okay but please don't don't talk

718

00:34:04,789 --> 00:34:03,179

about this we put the guy in jail yeah

719

00:34:07,629 --> 00:34:04,799

so

720

00:34:11,450 --> 00:34:07,639

they went to campaigners

721

00:34:14,690 --> 00:34:11,460

uh they they just stopped the trucks the

722

00:34:16,070 --> 00:34:14,700

Convoy in another military facility they

723

00:34:18,530 --> 00:34:16,080

have there

724

00:34:20,450 --> 00:34:18,540

damn this is where the alien that

725

00:34:22,369 --> 00:34:20,460

they're taking from the hospital yes all

726

00:34:25,629 --> 00:34:22,379

the creatures well by now we're talking

727

00:34:30,109 --> 00:34:25,639

by now we're talking about two yeah okay

728

00:34:33,589 --> 00:34:30,119

so uh the point is uh then we will go

729

00:34:34,970 --> 00:34:33,599

back to Campinas later my my brother uh

730

00:34:38,329 --> 00:34:34,980

Eduardo

731

00:34:41,589 --> 00:34:38,339

11 months older than me he is now a

732

00:34:45,169 --> 00:34:41,599

doctor he's got his PhD degree

733

00:34:47,089 --> 00:34:45,179

uh inconvenience so we know about

734

00:34:51,530 --> 00:34:47,099

Campinas and many other things there

735

00:34:53,270 --> 00:34:51,540

because of him okay but then we had many

736

00:34:55,790 --> 00:34:53,280

calls many people many Clues people

737

00:34:59,630 --> 00:34:55,800

calling people talking

738

00:35:01,550 --> 00:34:59,640

and then a lawyer came up and said ah I

739

00:35:03,650 --> 00:35:01,560

need to make this statement to you

740

00:35:05,390 --> 00:35:03,660

I was so afraid you know because of the

741

00:35:08,150 --> 00:35:05,400

militaries these people they're not easy

742

00:35:10,010 --> 00:35:08,160

but now I'm seeing that you have been

743

00:35:11,150 --> 00:35:10,020

working really hard I want to tell you

744

00:35:14,450 --> 00:35:11,160

something

745

00:35:17,150 --> 00:35:14,460

at that time he couldn't specif uh be

746

00:35:20,270 --> 00:35:17,160

specific about the date but he said at

747

00:35:22,190 --> 00:35:20,280

that time many people I was talking

748

00:35:24,170 --> 00:35:22,200

about John Gian daddy District in

749

00:35:27,250 --> 00:35:24,180

Santana District here the woods here

750

00:35:29,450 --> 00:35:27,260

where the scripture was captured 10 AM

751
00:35:31,609 --> 00:35:29,460
by the fireman

752
00:35:34,010 --> 00:35:31,619
he lives here in Central and from

753
00:35:37,210 --> 00:35:34,020
Santana his soul

754
00:35:41,329 --> 00:35:37,220
on the street here for many days

755
00:35:44,390 --> 00:35:41,339
uh army trucks riding around

756
00:35:47,450 --> 00:35:44,400
and he was so curious that one of that

757
00:35:48,829 --> 00:35:47,460
those days he went out there at

758
00:35:51,109 --> 00:35:48,839
lunchtime

759
00:35:54,050 --> 00:35:51,119
to see what was what was going on from

760
00:35:57,829 --> 00:35:54,060
here I mean that Plateau place before

761
00:36:00,230 --> 00:35:57,839
going down the hill to the woods he saw

762
00:36:04,810 --> 00:36:00,240
seven

763
00:36:08,150 --> 00:36:04,820

army people with that camouflage uniform

764

00:36:10,390 --> 00:36:08,160

holding rifles we have we have this fall

765

00:36:13,329 --> 00:36:10,400

hype rifle in Brazil

766

00:36:18,410 --> 00:36:13,339

uh seven

767

00:36:22,130 --> 00:36:18,420

7.62 millimeters you you uh people from

768

00:36:25,130 --> 00:36:22,140

England use that kind of uh caliber in

769

00:36:27,470 --> 00:36:25,140

in Falklands War it's the same one all

770

00:36:32,810 --> 00:36:27,480

right so that's the the the official

771

00:36:37,849 --> 00:36:32,820

caliber of the South London rifle SLR

772

00:36:40,970 --> 00:36:37,859

so uh he saw the seven guys online going

773

00:36:43,730 --> 00:36:40,980

because we have we have the sports here

774

00:36:46,130 --> 00:36:43,740

okay but here is faster you have some

775

00:36:49,190 --> 00:36:46,140

cattle here they're kind of a flat place

776

00:36:52,190 --> 00:36:49,200

here so they came from here from the

777

00:36:56,530 --> 00:36:52,200

right to the left into the woods

778

00:36:58,670 --> 00:36:56,540

online like this like they were

779

00:37:03,410 --> 00:36:58,680

sweeping something you know what I mean

780

00:37:08,690 --> 00:37:03,420

going this way okay this this lawyer

781

00:37:11,089 --> 00:37:08,700

from up here saw this group going inside

782

00:37:12,829 --> 00:37:11,099

so a few moments later he heard three

783

00:37:16,609 --> 00:37:12,839

shots

784

00:37:19,550 --> 00:37:16,619

and then

785

00:37:23,870 --> 00:37:19,560

some moments later he saw the same group

786

00:37:27,230 --> 00:37:23,880

coming out from the woods with two bags

787

00:37:29,450 --> 00:37:27,240

one of the bags canvas bag

788

00:37:32,030 --> 00:37:29,460

they use for camping one of the bags

789

00:37:35,930 --> 00:37:32,040

something was moving inside

790

00:37:39,050 --> 00:37:35,940

the other one nothing was moving

791

00:37:41,050 --> 00:37:39,060

many people from Santana districts saw

792

00:37:44,270 --> 00:37:41,060

these guys here too I'm talking about 11

793

00:37:45,530 --> 00:37:44,280

Witnesses who saw from Santa and he was

794

00:37:48,109 --> 00:37:45,540

up here

795

00:37:50,990 --> 00:37:48,119

before going down the hill was he in a

796

00:37:53,150 --> 00:37:51,000

car or just walking no he stopped the

797

00:37:56,270 --> 00:37:53,160

car and went out to see what was going

798

00:37:59,510 --> 00:37:56,280

on why that army truck was riding around

799

00:38:01,730 --> 00:37:59,520

there for some days at that time so he

800

00:38:02,630 --> 00:38:01,740

was curious he went there he didn't know

801
00:38:07,250 --> 00:38:02,640
anything

802
00:38:10,130 --> 00:38:07,260
so then we have this question what day

803
00:38:11,690 --> 00:38:10,140
was this Ah that's the point he wasn't a

804
00:38:13,730 --> 00:38:11,700
specific he said he wasn't around that

805
00:38:15,770 --> 00:38:13,740
time but we know it's specific because

806
00:38:17,630 --> 00:38:15,780
he couldn't remember but what does what

807
00:38:20,510 --> 00:38:17,640
it is here well you mentioned that there

808
00:38:22,550 --> 00:38:20,520
were 11 other Witnesses surely one of

809
00:38:24,710 --> 00:38:22,560
those must have known the date no yes

810
00:38:27,770 --> 00:38:24,720
but that's what we asked they couldn't

811
00:38:31,250 --> 00:38:27,780
be specific either so they said we're

812
00:38:34,190 --> 00:38:31,260
talking about either the 20th of yes yes

813
00:38:37,010 --> 00:38:34,200

we're talking about uh maybe we can be

814

00:38:39,230 --> 00:38:37,020

Saturday or Sunday no probably we were

815

00:38:42,050 --> 00:38:39,240

we are talking about days before the

816

00:38:44,390 --> 00:38:42,060

20th probably as we understood at that

817

00:38:47,329 --> 00:38:44,400

time we're talking about the 18th or the

818

00:38:50,690 --> 00:38:47,339

19th or something like that or maybe the

819

00:38:52,790 --> 00:38:50,700

20th but they saw at that when I say at

820

00:38:54,730 --> 00:38:52,800

that time because the TV shows were

821

00:38:58,010 --> 00:38:54,740

showing that the the the the the

822

00:39:00,829 --> 00:38:58,020

programs and and

823

00:39:02,510 --> 00:39:00,839

um reporting January the 20th so people

824

00:39:05,089 --> 00:39:02,520

talk about their time is January the

825

00:39:10,849 --> 00:39:05,099

20th they couldn't be specific but then

826

00:39:16,790 --> 00:39:13,730

why this military people with camel this

827

00:39:20,210 --> 00:39:16,800

camouflage uniform going inside the

828

00:39:22,790 --> 00:39:20,220

woods heard the shots coming out with

829

00:39:25,250 --> 00:39:22,800

these things with this bags

830

00:39:26,810 --> 00:39:25,260

what happened we didn't know at that

831

00:39:29,810 --> 00:39:26,820

time okay

832

00:39:32,870 --> 00:39:29,820

but are we talking about two more

833

00:39:35,030 --> 00:39:32,880

creatures we didn't know at that time

834

00:39:36,349 --> 00:39:35,040

so let's go back to the the very

835

00:39:38,450 --> 00:39:36,359

beginning

836

00:39:40,910 --> 00:39:38,460

so we have here

837

00:39:46,130 --> 00:39:40,920

the street

838

00:39:50,210 --> 00:39:46,140

District then you go down the hill and

839

00:39:54,890 --> 00:39:53,329

three blocks the girls sold the creature

840

00:39:57,770 --> 00:39:54,900

here

841

00:40:03,349 --> 00:39:57,780

it was

842

00:40:06,530 --> 00:40:03,359

January the 20th

843

00:40:12,410 --> 00:40:06,540

okay the fireman has captured the first

844

00:40:13,730 --> 00:40:12,420

one January the 20th 10 30 A.M

845

00:40:17,030 --> 00:40:13,740

so

846

00:40:20,270 --> 00:40:17,040

isn't it strange what the hell is this

847

00:40:22,490 --> 00:40:20,280

creature doing here it just it doesn't

848

00:40:25,069 --> 00:40:22,500

make any sense because intelligent

849

00:40:27,890 --> 00:40:25,079

people coming from space with spacecraft

850

00:40:29,450 --> 00:40:27,900

or things like that being here just to

851

00:40:32,450 --> 00:40:29,460

be captured like

852

00:40:34,990 --> 00:40:32,460

with no clothes no tools I take it no

853

00:40:39,170 --> 00:40:35,000

objects nothing and dizzy yeah

854

00:40:42,770 --> 00:40:39,180

defenseless I mean you see anything

855

00:40:45,349 --> 00:40:42,780

why why this thing we're doing here for

856

00:40:48,650 --> 00:40:45,359

what and where where's the woods that

857

00:40:51,650 --> 00:40:48,660

that they that they swept and shot okay

858

00:40:53,930 --> 00:40:51,660

that's down there they came from here

859

00:41:00,650 --> 00:40:53,940

into the woods and what time of day was

860

00:41:03,589 --> 00:41:00,660

that I was uh lunch time okay okay so

861

00:41:06,109 --> 00:41:03,599

since the first one was given

862

00:41:07,970 --> 00:41:06,119

directly to the Army truck at that time

863

00:41:11,210 --> 00:41:07,980

and we know the people involved we know

864

00:41:17,810 --> 00:41:12,530

and

865

00:41:20,329 --> 00:41:17,820

that the girls saw probably going to go

866

00:41:22,069 --> 00:41:20,339

away yes probably this is the one who

867

00:41:25,250 --> 00:41:22,079

went to the hospital

868

00:41:28,310 --> 00:41:25,260

probably probably this is the one that

869

00:41:31,069 --> 00:41:28,320

this Army Convoy took from the hospital

870

00:41:33,290 --> 00:41:31,079

probably why because we know from the

871

00:41:34,910 --> 00:41:33,300

military police witness and how to get

872

00:41:37,370 --> 00:41:34,920

to the hospital

873

00:41:39,470 --> 00:41:37,380

well I'm gonna tell because I met this

874

00:41:41,210 --> 00:41:39,480

other friend who said uh God sent you

875

00:41:42,770 --> 00:41:41,220

here I want to introduce it to a

876

00:41:44,630 --> 00:41:42,780

military who wants to talk to you okay

877

00:41:47,210 --> 00:41:44,640

this guy told me

878

00:41:48,290 --> 00:41:47,220

and then

879

00:41:50,750 --> 00:41:48,300

um

880

00:41:53,390 --> 00:41:50,760

uh we know that the military the second

881

00:41:57,890 --> 00:41:53,400

one was captured at January the 20th

882

00:42:00,770 --> 00:41:57,900

around 11 pm by the military police and

883

00:42:04,730 --> 00:42:00,780

the fireman but at that time they took

884

00:42:05,870 --> 00:42:04,740

their own cars not official Vehicles own

885

00:42:09,109 --> 00:42:05,880

cars

886

00:42:11,630 --> 00:42:09,119

regular clothing went there

887

00:42:14,750 --> 00:42:11,640

surrounded the area and captured the one

888

00:42:16,550 --> 00:42:14,760

so the girls I've seen this the mother's

889

00:42:18,650 --> 00:42:16,560

gone back because we broke up from yeah

890

00:42:20,870 --> 00:42:18,660

but this is all grass here High Grass

891

00:42:22,730 --> 00:42:20,880

like this probably just found the strong

892

00:42:25,609 --> 00:42:22,740

smell of ammonia I never saw the

893

00:42:29,089 --> 00:42:25,619

creature again the mothers the girl's

894

00:42:31,370 --> 00:42:29,099

mother yes we're talking here yes

895

00:42:34,130 --> 00:42:31,380

okay so she saw the creature and the

896

00:42:35,630 --> 00:42:34,140

creature it run off no the girl saw the

897

00:42:38,589 --> 00:42:35,640

creature the mother didn't see anything

898

00:42:41,510 --> 00:42:38,599

but she saw Footprints

899

00:42:44,510 --> 00:42:41,520

so that creature was still at large

900

00:42:47,150 --> 00:42:44,520

you're now saying that that creature was

901
00:42:49,849 --> 00:42:47,160
later captured around 11 p.m on the

902
00:42:51,410 --> 00:42:49,859
night of the 20th yeah yes because the

903
00:42:54,530 --> 00:42:51,420
five Crews came back in their own

904
00:42:56,990 --> 00:42:54,540
Vehicles were they was this out of

905
00:42:59,150 --> 00:42:57,000
kindness or or was it curiosity or had

906
00:43:01,490 --> 00:42:59,160
they been sent back there well because

907
00:43:03,890 --> 00:43:01,500
probably somebody called them in Brazil

908
00:43:08,690 --> 00:43:03,900
in the United States is 9 11 in Brazil

909
00:43:11,109 --> 00:43:08,700
it's 190. you call the police okay so

910
00:43:14,030 --> 00:43:11,119
probably somebody

911
00:43:16,430 --> 00:43:14,040
had called the police or the firemen at

912
00:43:18,890 --> 00:43:16,440
that time the fact is

913
00:43:20,870 --> 00:43:18,900

these guys went there and then we'd go

914

00:43:23,630 --> 00:43:20,880

through this very important thing one of

915

00:43:24,650 --> 00:43:23,640

the guys somehow got involved with the

916

00:43:27,109 --> 00:43:24,660

creature

917

00:43:30,050 --> 00:43:27,119

he went there the policeman this one

918

00:43:32,390 --> 00:43:30,060

this one here wasn't so easy to to be

919

00:43:36,530 --> 00:43:32,400

captured so the guy's so rounded the

920

00:43:37,849 --> 00:43:36,540

creature just you know ran away they go

921

00:43:41,150 --> 00:43:37,859

there again surrounded the creature

922

00:43:44,870 --> 00:43:41,160

again a little difficult to be captured

923

00:43:46,250 --> 00:43:44,880

but somehow this guy one of the

924

00:43:48,470 --> 00:43:46,260

policemen

925

00:43:51,710 --> 00:43:48,480

got involved with the preacher this guy

926

00:43:55,510 --> 00:43:51,720

died two days later

927

00:43:58,250 --> 00:43:55,520

how come well

928

00:44:01,309 --> 00:43:58,260

this policeman's death I mean presumably

929

00:44:04,370 --> 00:44:01,319

this has all been recorded we you know

930

00:44:07,609 --> 00:44:04,380

that that there must be records records

931

00:44:10,190 --> 00:44:07,619

of things yeah no because there they are

932

00:44:11,930 --> 00:44:10,200

covering this whole story and this man

933

00:44:13,790 --> 00:44:11,940

must have a family he must have oh I'm

934

00:44:17,690 --> 00:44:13,800

gonna tell you I'm gonna tell you so

935

00:44:20,990 --> 00:44:17,700

they took this guy to the regional

936

00:44:22,550 --> 00:44:21,000

hospital the biggest one not the most

937

00:44:25,809 --> 00:44:22,560

important one but it's the biggest one

938

00:44:29,690 --> 00:44:27,530

they

939

00:44:32,030 --> 00:44:29,700

he made this

940

00:44:34,130 --> 00:44:32,040

um how'd you say

941

00:44:36,890 --> 00:44:34,140

somebody dies you have to to have a

942

00:44:39,829 --> 00:44:36,900

death certificate oh a death certificate

943

00:44:43,250 --> 00:44:39,839

yes saying that it was pneumonia

944

00:44:45,970 --> 00:44:43,260

ah the family for an odyssey they said

945

00:44:49,849 --> 00:44:45,980

no way to go home very simple people

946

00:44:51,589 --> 00:44:49,859

military people humble people they go

947

00:44:54,589 --> 00:44:51,599

there and say well what happened to my

948

00:44:57,470 --> 00:44:54,599

to my son while he was pneumonia and

949

00:45:00,410 --> 00:44:57,480

that's it we know where they buried the

950

00:45:03,829 --> 00:45:00,420

body we know the family we talk to the

951
00:45:11,470 --> 00:45:03,839
family they want to to go to human yes

952
00:45:15,950 --> 00:45:13,790
we're gonna do this as soon as we can

953
00:45:18,950 --> 00:45:15,960
okay then

954
00:45:21,770 --> 00:45:18,960
we have one guy that was it because of

955
00:45:24,230 --> 00:45:21,780
some bacteria some virus we didn't know

956
00:45:26,990 --> 00:45:24,240
at that time the fact that is that one

957
00:45:31,250 --> 00:45:27,000
man one policeman died

958
00:45:32,510 --> 00:45:31,260
in in this operation okay well it's I

959
00:45:35,329 --> 00:45:32,520
don't know if you remember but I was

960
00:45:39,589 --> 00:45:35,339
saying that in January the 19th

961
00:45:42,950 --> 00:45:39,599
this guy in this form twin kilometers

962
00:45:45,650 --> 00:45:42,960
one from Virginia so this strange object

963
00:45:49,370 --> 00:45:45,660

that he he thought it could be a

964

00:45:54,349 --> 00:45:49,380

submarine flying over yeah the the field

965

00:45:57,470 --> 00:45:54,359

it was 19. what did he say he said

966

00:46:01,190 --> 00:45:57,480

no lights no smell no somebody has some

967

00:46:02,809 --> 00:46:01,200

miss or thought around we thought that

968

00:46:04,970 --> 00:46:02,819

that could be camouflaged because in

969

00:46:08,270 --> 00:46:04,980

South America it's good

970

00:46:11,390 --> 00:46:08,280

and probably he was using some

971

00:46:13,370 --> 00:46:11,400

camouflage you know like putting some

972

00:46:14,930 --> 00:46:13,380

fog around the ship or something like

973

00:46:17,630 --> 00:46:14,940

that okay

974

00:46:22,010 --> 00:46:17,640

some days later we had this skull from

975

00:46:24,890 --> 00:46:22,020

an air force of officers saying that

976

00:46:28,190 --> 00:46:24,900

Brazilian yes saying that

977

00:46:31,609 --> 00:46:28,200

the Brazilian Raiders had tracked many

978

00:46:33,109 --> 00:46:31,619

UFOs during that time and they are still

979

00:46:35,930 --> 00:46:33,119

tracking

980

00:46:37,790 --> 00:46:35,940

UFOs and then we go straight to the

981

00:46:40,670 --> 00:46:37,800

point that I want

982

00:46:42,170 --> 00:46:40,680

somehow the Americans the United States

983

00:46:46,309 --> 00:46:42,180

government

984

00:46:51,109 --> 00:46:46,319

uh so the Brazilian militaries about

985

00:46:53,390 --> 00:46:51,119

this UFOs coming to our country

986

00:46:55,609 --> 00:46:53,400

and because it was so funny how come the

987

00:46:57,710 --> 00:46:55,619

army people were so ready to do this

988

00:46:59,030 --> 00:46:57,720

whole operation to cover it up how do

989

00:47:01,670 --> 00:46:59,040

you know the Americans were involved

990

00:47:03,250 --> 00:47:01,680

because this this guy from the Brazilian

991

00:47:06,470 --> 00:47:03,260

Air Force

992

00:47:10,130 --> 00:47:06,480

is I I can't tell you the name somebody

993

00:47:13,250 --> 00:47:10,140

who's contacted you yes spontaneously he

994

00:47:14,510 --> 00:47:13,260

called because he said I can't let it go

995

00:47:17,809 --> 00:47:14,520

this way

996

00:47:20,630 --> 00:47:17,819

I can't keep my mouth shut it was the

997

00:47:24,309 --> 00:47:20,640

Americans they told the Brazilians they

998

00:47:27,530 --> 00:47:24,319

tracked this UFOs coming into our planet

999

00:47:30,650 --> 00:47:27,540

they told the Brazilian Army

1000

00:47:32,930 --> 00:47:30,660

and what did they say they said we're

1001

00:47:36,290 --> 00:47:32,940

tracking some object

1002

00:47:40,190 --> 00:47:36,300

or we have two options it landed or it

1003

00:47:43,490 --> 00:47:40,200

crashed because it didn't it didn't uh

1004

00:47:44,329 --> 00:47:43,500

it didn't rise again right so the point

1005

00:47:48,770 --> 00:47:44,339

is

1006

00:47:51,710 --> 00:47:48,780

we have now a military person from the

1007

00:47:55,250 --> 00:47:51,720

Army school who sold the wreckage we're

1008

00:48:00,349 --> 00:47:55,260

talking about a UFO crash now we can't

1009

00:48:03,370 --> 00:48:00,359

understand a little bit of this uh uh Mr

1010

00:48:06,170 --> 00:48:03,380

Friedman who was talking about the the

1011

00:48:09,530 --> 00:48:06,180

Roswell case maybe we have this little

1012

00:48:11,809 --> 00:48:09,540

Roswell case down in Virginia now things

1013

00:48:13,730 --> 00:48:11,819

are making sense because

1014

00:48:15,950 --> 00:48:13,740

what is this creature doing here when

1015

00:48:18,170 --> 00:48:15,960

the when the girls saw it probably it

1016

00:48:20,990 --> 00:48:18,180

was defending his its life

1017

00:48:23,270 --> 00:48:21,000

because military was shot in

1018

00:48:25,010 --> 00:48:23,280

some of its friends down here in the

1019

00:48:28,069 --> 00:48:25,020

woods because it doesn't make any sense

1020

00:48:29,930 --> 00:48:28,079

how come join here what and what these

1021

00:48:31,990 --> 00:48:29,940

creatures were doing in the woods

1022

00:48:35,270 --> 00:48:32,000

probably because

1023

00:48:38,630 --> 00:48:35,280

there are there is spacecraft crashed

1024

00:48:42,230 --> 00:48:38,640

around here the problem is this one that

1025

00:48:44,690 --> 00:48:42,240

this form man former Soul flying over

1026

00:48:47,930 --> 00:48:44,700

the field in January the 19th how far

1027

00:48:49,730 --> 00:48:47,940

away is that 10 kilometers and if you go

1028

00:48:50,990 --> 00:48:49,740

straight it's about one and a half or

1029

00:48:54,530 --> 00:48:51,000

two kilometers

1030

00:48:57,290 --> 00:48:54,540

so probably this Vlog that we thought

1031

00:48:59,930 --> 00:48:57,300

could be camouflage was something going

1032

00:49:02,930 --> 00:48:59,940

wrong some tilt something going wrong

1033

00:49:05,870 --> 00:49:02,940

with the spacecraft it wasn't a big one

1034

00:49:10,130 --> 00:49:05,880

it was like a micro bus as we say in

1035

00:49:12,410 --> 00:49:10,140

Brazil and it had this shape like this

1036

00:49:14,630 --> 00:49:12,420

why he thought he was a submarine

1037

00:49:18,290 --> 00:49:14,640

because it was long like this with this

1038

00:49:22,190 --> 00:49:18,300

little Dome here something like this

1039

00:49:25,970 --> 00:49:22,200

like this yeah probably this thing was

1040

00:49:30,890 --> 00:49:28,069

was a fog around here wasn't camouflage

1041

00:49:32,150 --> 00:49:30,900

so in the Roswell case as you know Mr

1042

00:49:36,109 --> 00:49:32,160

Friedman

1043

00:49:37,510 --> 00:49:36,119

yeah submarine yes five meters five

1044

00:49:41,089 --> 00:49:37,520

meters

1045

00:49:42,470 --> 00:49:41,099

so what it seems is that that thing

1046

00:49:45,589 --> 00:49:42,480

probably

1047

00:49:47,450 --> 00:49:45,599

was not surveying the area to drop these

1048

00:49:50,390 --> 00:49:47,460

creatures and we thought at the very

1049

00:49:53,030 --> 00:49:50,400

beginning probably this this uh

1050

00:49:56,109 --> 00:49:53,040

spacecraft was having some problems

1051
00:49:59,329 --> 00:49:56,119
something was going wrong and this thing

1052
00:50:02,089 --> 00:49:59,339
crashed probably it didn't break in many

1053
00:50:04,970 --> 00:50:02,099
pieces in some pieces the fact is not

1054
00:50:07,510 --> 00:50:04,980
open yes but we still have another

1055
00:50:10,309 --> 00:50:07,520
question here yes

1056
00:50:12,589 --> 00:50:10,319
nothing I've heard so far would lead me

1057
00:50:14,089 --> 00:50:12,599
to believe that these creatures were

1058
00:50:17,210 --> 00:50:14,099
other than

1059
00:50:20,589 --> 00:50:17,220
primitive is that a good word I think I

1060
00:50:23,930 --> 00:50:20,599
mean no clothes no tools

1061
00:50:27,589 --> 00:50:23,940
disoriented uh

1062
00:50:31,150 --> 00:50:27,599
it it's hard to believe that they were

1063
00:50:34,750 --> 00:50:31,160

Pilots if you will as opposed to Cargo

1064

00:50:38,089 --> 00:50:34,760

or robotic Assistance or yeah whatever

1065

00:50:40,970 --> 00:50:38,099

so there's another we don't know if

1066

00:50:44,870 --> 00:50:40,980

there wasn't graduate

1067

00:50:48,109 --> 00:50:44,880

no okay no no one reported wreckage no

1068

00:50:50,809 --> 00:50:48,119

okay because it was so fast

1069

00:50:52,549 --> 00:50:50,819

it was so fast the operation because the

1070

00:50:55,549 --> 00:50:52,559

militaries were waiting for something

1071

00:50:57,650 --> 00:50:55,559

they were prepared for something so

1072

00:51:01,069 --> 00:50:57,660

that's why it was so fat because for us

1073

00:51:03,710 --> 00:51:01,079

it was uh how about radar in the area

1074

00:51:05,690 --> 00:51:03,720

we don't have any no military right now

1075

00:51:12,410 --> 00:51:05,700

or no so what about this military school

1076

00:51:16,730 --> 00:51:14,630

the Army calls no

1077

00:51:21,170 --> 00:51:16,740

but it's a hundred and the local airport

1078

00:51:23,690 --> 00:51:21,180

it is a tiny one it's like a

1079

00:51:25,250 --> 00:51:23,700

what do you call it is a place on the

1080

00:51:27,770 --> 00:51:25,260

ground where you land an aircraft it

1081

00:51:31,250 --> 00:51:27,780

doesn't have any any Raider but we know

1082

00:51:34,190 --> 00:51:31,260

the the guy who saw the wreckage in the

1083

00:51:36,950 --> 00:51:34,200

truck so in the truck a strange metal

1084

00:51:39,109 --> 00:51:36,960

something silver or something really

1085

00:51:41,870 --> 00:51:39,119

strange okay so we do have somebody

1086

00:51:44,510 --> 00:51:41,880

seeing some records oh yes not a not a

1087

00:51:47,109 --> 00:51:44,520

civil witness but a military one okay

1088

00:51:51,230 --> 00:51:47,119

it's a military one

1089

00:51:53,329 --> 00:51:51,240

his friend someplace else to say because

1090

00:51:56,089 --> 00:51:53,339

it's a very close friend it's that you

1091

00:51:58,849 --> 00:51:56,099

won't believe this I just saw

1092

00:52:01,430 --> 00:51:58,859

uh this Convoy coming back to the Army

1093

00:52:03,710 --> 00:52:01,440

school and one of the trucks was

1094

00:52:06,109 --> 00:52:03,720

carrying the species of metal this

1095

00:52:08,690 --> 00:52:06,119

silver weird metal up here I couldn't

1096

00:52:11,329 --> 00:52:08,700

see any wiring anything like that it was

1097

00:52:13,370 --> 00:52:11,339

just weird there was no line it's

1098

00:52:15,770 --> 00:52:13,380

something like that and then we know who

1099

00:52:17,390 --> 00:52:15,780

this guy I sent him a message that I

1100

00:52:20,390 --> 00:52:17,400

went to talk and he said he's too afraid

1101

00:52:23,630 --> 00:52:20,400

that I have to wait until the the small

1102

00:52:26,690 --> 00:52:23,640

gets down you know too much fire now so

1103

00:52:28,849 --> 00:52:26,700

did this Brazilian Air Force pilot who

1104

00:52:31,430 --> 00:52:28,859

presumably you've spoken to two of these

1105

00:52:34,130 --> 00:52:31,440

people you've spoken to you to this

1106

00:52:36,710 --> 00:52:34,140

friend of the man who claims to have

1107

00:52:38,690 --> 00:52:36,720

seen the Refuge so you've not spoken to

1108

00:52:40,790 --> 00:52:38,700

this man physically yourself not yet

1109

00:52:44,569 --> 00:52:40,800

have you spoken with this Brazilian Air

1110

00:52:47,630 --> 00:52:44,579

Force pilot he called us he called us we

1111

00:52:49,609 --> 00:52:47,640

have not met him I'm going I'm going to

1112

00:52:52,809 --> 00:52:49,619

meet him there is a Brazilian Air Force

1113

00:52:56,030 --> 00:52:52,819

pilot who he said earlier yes had

1114

00:52:58,490 --> 00:52:56,040

contacted them to say that I must talk

1115

00:53:01,549 --> 00:52:58,500

with you oh that's because the United

1116

00:53:03,530 --> 00:53:01,559

States of contacted us in Brazil to say

1117

00:53:06,109 --> 00:53:03,540

you have an object coming in and it's

1118

00:53:09,069 --> 00:53:06,119

either going to land or it's crashed

1119

00:53:11,710 --> 00:53:09,079

so that sounds like the space Network

1120

00:53:14,089 --> 00:53:11,720

now have you spoke with this

1121

00:53:17,210 --> 00:53:14,099

through the telephone but I don't know

1122

00:53:19,910 --> 00:53:17,220

who he is yes so he's given you his name

1123

00:53:22,849 --> 00:53:19,920

you know where everything everything and

1124

00:53:27,609 --> 00:53:22,859

also he if you can keep it in secret

1125

00:53:31,069 --> 00:53:27,619

okay else he works he works

1126

00:53:35,109 --> 00:53:31,079

airport the biggest one in Minnesota is

1127

00:53:39,890 --> 00:53:35,119

he operates the radar he himself so many

1128

00:53:42,290 --> 00:53:39,900

UFOs on the radar then he he knows

1129

00:53:44,630 --> 00:53:42,300

people from the Brazilian Air Force in

1130

00:53:46,549 --> 00:53:44,640

Brasilia who told him that the

1131

00:53:49,430 --> 00:53:46,559

government was governing up the whole

1132

00:53:51,470 --> 00:53:49,440

thing this UFOs flying around the

1133

00:53:54,829 --> 00:53:51,480

Brazilian space

1134

00:53:56,870 --> 00:53:54,839

so he's when his friends from Tres

1135

00:54:00,589 --> 00:53:56,880

corazones called him to say he won't

1136

00:54:04,069 --> 00:54:00,599

believe I saw this truck with this weird

1137

00:54:06,470 --> 00:54:04,079

pieces of a metal thing and then he

1138

00:54:09,770 --> 00:54:06,480

realized that really what he heard from

1139

00:54:13,069 --> 00:54:09,780

his friend in Brazil was true the air

1140

00:54:17,930 --> 00:54:13,079

the aircraft not aircraft the

1141

00:54:19,670 --> 00:54:17,940

spacecraft really crashed in the uh he's

1142

00:54:22,069 --> 00:54:19,680

afraid about some diplomatic problem

1143

00:54:23,569 --> 00:54:22,079

because the Brazilian Air Force is not

1144

00:54:26,809 --> 00:54:23,579

knowing about this

1145

00:54:29,089 --> 00:54:26,819

because they they talk directly to the

1146

00:54:31,730 --> 00:54:29,099

army people not to the Air Force people

1147

00:54:33,130 --> 00:54:31,740

so he's now afraid if it's on the ground

1148

00:54:36,650 --> 00:54:33,140

it's the Army

1149

00:54:40,370 --> 00:54:36,660

that's it and also they were so lucky

1150

00:54:44,089 --> 00:54:40,380

because the Army school it's 20 minutes

1151
00:54:47,270 --> 00:54:44,099
far by car from Virginia so we have this

1152
00:54:49,370 --> 00:54:47,280
very big facility interest so it was

1153
00:54:51,470 --> 00:54:49,380
piece of cake they go you better take

1154
00:54:54,710 --> 00:54:51,480
care because some some some spacecraft

1155
00:54:56,930 --> 00:54:54,720
have crashed in this latitude longitude

1156
00:55:00,589 --> 00:54:56,940
you go there and check it out so it was

1157
00:55:02,750 --> 00:55:00,599
easy because you know let me tell you I

1158
00:55:05,770 --> 00:55:02,760
I'm a patriot but let me tell that the

1159
00:55:08,329 --> 00:55:05,780
Brazilian militaries are so dumb

1160
00:55:11,030 --> 00:55:08,339
it's hard on you it was hard to

1161
00:55:13,790 --> 00:55:11,040
understand for me and my partner how

1162
00:55:16,670 --> 00:55:13,800
come they were so prepared how come they

1163
00:55:18,530 --> 00:55:16,680

could do most of them can hardly

1164

00:55:20,630 --> 00:55:18,540

find their name well there is something

1165

00:55:23,150 --> 00:55:20,640

else that you have to recognize

1166

00:55:25,430 --> 00:55:23,160

the United States is very anxious to get

1167

00:55:28,490 --> 00:55:25,440

a hold of any re-entering

1168

00:55:30,650 --> 00:55:28,500

Soviet or other spy satellite or

1169

00:55:32,270 --> 00:55:30,660

anything else and one of the reasons for

1170

00:55:34,190 --> 00:55:32,280

the space network from above looking

1171

00:55:36,530 --> 00:55:34,200

down is to see where these things are

1172

00:55:39,290 --> 00:55:36,540

coming in and then to alert somebody

1173

00:55:41,270 --> 00:55:39,300

with a quick recovery team yeah because

1174

00:55:43,430 --> 00:55:41,280

they're desperate to get a hold of this

1175

00:55:45,470 --> 00:55:43,440

technology and the cameras and the film

1176
00:55:48,470 --> 00:55:45,480
and you know everything else yeah so

1177
00:55:50,450 --> 00:55:48,480
it's not just of a flying saucer comes

1178
00:55:51,950 --> 00:55:50,460
down yes that's just one of many things

1179
00:55:56,930 --> 00:55:51,960
there's plenty of junk up there with

1180
00:55:59,580 --> 00:55:56,940
which they would pay very well to

1181
00:56:00,910 --> 00:55:59,590
you give it to us

1182
00:56:04,430 --> 00:56:00,920
[Music]

1183
00:56:06,530 --> 00:56:04,440
not many many places down in South

1184
00:56:09,470 --> 00:56:06,540
America is I'm talking about 12

1185
00:56:10,970 --> 00:56:09,480
different cities this one specific this

1186
00:56:12,290 --> 00:56:10,980
one

1187
00:56:16,130 --> 00:56:12,300
so

1188
00:56:20,809 --> 00:56:16,140

but on April 21st this lady didn't

1189

00:56:23,990 --> 00:56:20,819

senior class was in this um in this in

1190

00:56:26,510 --> 00:56:24,000

this restaurant surrounded by Woods

1191

00:56:28,190 --> 00:56:26,520

so she felt like smoking she went to the

1192

00:56:29,809 --> 00:56:28,200

porch because she didn't want to disturb

1193

00:56:31,609 --> 00:56:29,819

the people there with the middle of the

1194

00:56:35,450 --> 00:56:31,619

25th yes

1195

00:56:37,130 --> 00:56:35,460

April the 21st so all of a sudden she

1196

00:56:39,910 --> 00:56:37,140

was there just smoking having the

1197

00:56:43,430 --> 00:56:39,920

cigarette and where is this in Virginia

1198

00:56:45,230 --> 00:56:43,440

in a restaurant surrounded by woods and

1199

00:56:48,650 --> 00:56:45,240

you can see you can even spot the

1200

00:56:51,650 --> 00:56:48,660

spiders around the bamboos and trees

1201

00:56:53,150 --> 00:56:51,660

it's it's really a beautiful place and

1202

00:56:55,430 --> 00:56:53,160

then she went to the porch to have the

1203

00:56:57,710 --> 00:56:55,440

cigarette all of a sudden she was just

1204

00:57:01,730 --> 00:56:57,720

there sitting there and smoking this

1205

00:57:04,130 --> 00:57:01,740

creatures about five meters far from her

1206

00:57:07,370 --> 00:57:04,140

just appeared

1207

00:57:09,230 --> 00:57:07,380

looking at her it was nine o'clock on a

1208

00:57:10,309 --> 00:57:09,240

Sunday morning night night night night

1209

00:57:13,730 --> 00:57:10,319

night

1210

00:57:16,010 --> 00:57:13,740

and the place has the place has no

1211

00:57:17,870 --> 00:57:16,020

lights only only in the restaurant so

1212

00:57:21,530 --> 00:57:17,880

the woods were dark the place was dark

1213

00:57:25,849 --> 00:57:21,540

and she was there what did she see she

1214

00:57:29,750 --> 00:57:25,859

saw this brown big head with this

1215

00:57:33,049 --> 00:57:29,760

big round red devilish eyes or something

1216

00:57:35,990 --> 00:57:33,059

like that really ugly a slit

1217

00:57:37,790 --> 00:57:36,000

but how come if it was dark and the

1218

00:57:40,549 --> 00:57:37,800

light in the porch wasn't enough

1219

00:57:43,670 --> 00:57:40,559

all she could see was because some light

1220

00:57:46,430 --> 00:57:43,680

was coming from the eyes not like a

1221

00:57:49,790 --> 00:57:46,440

flashlight but you know surround so she

1222

00:57:51,349 --> 00:57:49,800

could see he was black I mean dark brown

1223

00:57:53,510 --> 00:57:51,359

skin

1224

00:57:54,829 --> 00:57:53,520

looking like somebody has put in some

1225

00:57:57,710 --> 00:57:54,839

oil

1226

00:58:00,230 --> 00:57:57,720

okay just a slit

1227

00:58:04,490 --> 00:58:00,240

in the place of the mouth in this big

1228

00:58:07,010 --> 00:58:04,500

red uh eyes but some some some light was

1229

00:58:09,589 --> 00:58:07,020

coming and from this light from the eyes

1230

00:58:13,430 --> 00:58:09,599

she could see the the color brown around

1231

00:58:15,109 --> 00:58:13,440

the ear okay it was April the 21st nine

1232

00:58:18,230 --> 00:58:15,119

o'clock how big

1233

00:58:19,849 --> 00:58:18,240

uh she said because we have this you

1234

00:58:22,190 --> 00:58:19,859

know when you have a porch and you have

1235

00:58:25,130 --> 00:58:22,200

a place or we have this thing a fan it's

1236

00:58:28,490 --> 00:58:25,140

not a fancy yeah a railing yes it was

1237

00:58:32,210 --> 00:58:28,500

above and this you say railing railing a

1238

00:58:34,089 --> 00:58:32,220

rail what was was this tall and the

1239

00:58:38,990 --> 00:58:34,099

creature was here so we're talking about

1240

00:58:41,210 --> 00:58:39,000

uh one meter 60 or 65 1 meter and 65 so

1241

00:58:44,770 --> 00:58:41,220

all intents and purposes four feet a

1242

00:58:50,210 --> 00:58:47,809

this woman has obviously seen television

1243

00:58:53,150 --> 00:58:50,220

newspaper reports she's had descriptions

1244

00:58:57,370 --> 00:58:53,160

of it's four months later you that's why

1245

00:59:00,530 --> 00:58:57,380

she called me that she must be that time

1246

00:59:03,289 --> 00:59:00,540

she doesn't watch TV as much right and

1247

00:59:04,430 --> 00:59:03,299

she's scaffolding for her she saw the

1248

00:59:07,609 --> 00:59:04,440

devil

1249

00:59:10,910 --> 00:59:07,619

so now she can't sleep she she won't go

1250

00:59:13,430 --> 00:59:10,920

did she call anybody did it leave she

1251
00:59:16,010 --> 00:59:13,440
talked to the family it took one week

1252
00:59:17,329 --> 00:59:16,020
for them to realize that that thing was

1253
00:59:20,809 --> 00:59:17,339
so important

1254
00:59:22,730 --> 00:59:20,819
and uh they heard some rumors about a

1255
00:59:25,069 --> 00:59:22,740
creature and this girl sawing the script

1256
00:59:28,190 --> 00:59:25,079
seeing the scripture so they they

1257
00:59:29,270 --> 00:59:28,200
decided after one week to call us to say

1258
00:59:32,329 --> 00:59:29,280
what

1259
00:59:35,270 --> 00:59:32,339
and she was shaking like this is smoking

1260
00:59:37,130 --> 00:59:35,280
you know she was really scared about it

1261
00:59:41,930 --> 00:59:37,140
she can't sleep

1262
00:59:45,170 --> 00:59:41,940
okay but then on May the 15th this guy

1263
00:59:46,930 --> 00:59:45,180

you do 20 years old

1264

00:59:50,569 --> 00:59:46,940

it was coming from today

1265

00:59:53,109 --> 00:59:50,579

it's it's the road I use every day I go

1266

00:59:58,670 --> 00:59:53,119

and go back to prisoners go to Virginia

1267

01:00:00,829 --> 00:59:58,680

every day so it was going to occur and

1268

01:00:02,329 --> 01:00:00,839

after that curve we have the road going

1269

01:00:05,690 --> 01:00:02,339

straight up

1270

01:00:08,690 --> 01:00:05,700

he was in the van we called Vista by

1271

01:00:11,289 --> 01:00:08,700

Asia murders it's Korean yeah the best

1272

01:00:14,630 --> 01:00:11,299

and that one that we just came here

1273

01:00:16,849 --> 01:00:14,640

it was a hundred he was writing about a

1274

01:00:20,750 --> 01:00:16,859

hundred kilometers per hour

1275

01:00:25,490 --> 01:00:20,760

so just made the curve and then his soul

1276

01:00:26,990 --> 01:00:25,500

May 15th he saw this creature about to

1277

01:00:29,750 --> 01:00:27,000

cross the road

1278

01:00:31,130 --> 01:00:29,760

he was like this coming coming from the

1279

01:00:34,490 --> 01:00:31,140

place you park in the world only called

1280

01:00:36,950 --> 01:00:34,500

the place parking place yes here some

1281

01:00:40,370 --> 01:00:36,960

Woods here some grass High grass here it

1282

01:00:42,230 --> 01:00:40,380

was about to cross the road he made the

1283

01:00:45,890 --> 01:00:42,240

curve and he saw the creature about 15

1284

01:00:48,470 --> 01:00:45,900

meters far from the from the car and at

1285

01:00:50,930 --> 01:00:48,480

that time he saw that thing he said well

1286

01:00:53,569 --> 01:00:50,940

it's a monkey it's a I'm gonna hit a

1287

01:00:56,150 --> 01:00:53,579

monkey or something so he was riding

1288

01:00:57,049 --> 01:00:56,160

with low beams so he clicked so high

1289

01:00:59,329 --> 01:00:57,059

beam

1290

01:01:02,690 --> 01:00:59,339

and at that time the creature did like

1291

01:01:06,950 --> 01:01:02,700

this look at him what did he see he saw

1292

01:01:10,970 --> 01:01:06,960

this red big strange eyes and this brown

1293

01:01:12,950 --> 01:01:10,980

strange thing like some oil was on it

1294

01:01:15,950 --> 01:01:12,960

and something on the head because the

1295

01:01:18,049 --> 01:01:15,960

preacher did like this and then put

1296

01:01:19,910 --> 01:01:18,059

their hands on her face so he could see

1297

01:01:22,430 --> 01:01:19,920

here because the van was coming from

1298

01:01:26,030 --> 01:01:22,440

that way so he was intelligent he did

1299

01:01:28,910 --> 01:01:26,040

like this cover the face turn around and

1300

01:01:32,930 --> 01:01:28,920

got inside the grass the high grass

1301

01:01:36,109 --> 01:01:32,940

but this place specifically is right in

1302

01:01:39,049 --> 01:01:36,119

front of the farmer house who saw this

1303

01:01:41,329 --> 01:01:39,059

strange object on January the 19th it's

1304

01:01:44,630 --> 01:01:41,339

just amazing it's right in front of if

1305

01:01:47,150 --> 01:01:44,640

you go down the same field that the

1306

01:01:49,609 --> 01:01:47,160

the object was flying here the road I'm

1307

01:01:50,990 --> 01:01:49,619

talking about is right here above there

1308

01:01:53,510 --> 01:01:51,000

up there

1309

01:01:55,849 --> 01:01:53,520

and the creature was coming from this

1310

01:01:58,309 --> 01:01:55,859

pastor from this place here

1311

01:02:00,410 --> 01:01:58,319

in order to cross to the other side of

1312

01:02:03,650 --> 01:02:00,420

the road the guy got so I said why

1313

01:02:06,170 --> 01:02:03,660

didn't you stop so popular was alone but

1314

01:02:09,470 --> 01:02:06,180

you were in the car well I didn't know

1315

01:02:12,950 --> 01:02:09,480

that creature was alone too so he just

1316

01:02:15,289 --> 01:02:12,960

went away he did not hit it no because

1317

01:02:19,849 --> 01:02:15,299

the creature just turned around with the

1318

01:02:23,210 --> 01:02:19,859

hands uh clean long arms he could see

1319

01:02:25,549 --> 01:02:23,220

this like this and went back to the high

1320

01:02:28,730 --> 01:02:25,559

grass so he didn't hit it and he went

1321

01:02:32,270 --> 01:02:28,740

away he was so scared about it

1322

01:02:33,470 --> 01:02:32,280

okay so probably something is still

1323

01:02:35,569 --> 01:02:33,480

going on

1324

01:02:36,410 --> 01:02:35,579

are they looking for their friends I

1325

01:02:40,190 --> 01:02:36,420

don't know

1326

01:02:41,930 --> 01:02:40,200

could be a bus a cargo load of strange

1327

01:02:44,089 --> 01:02:41,940

animals but

1328

01:02:46,549 --> 01:02:44,099

you know it happens in the states every

1329

01:02:49,309 --> 01:02:46,559

once in a while a vehicle will crash zoo

1330

01:02:51,109 --> 01:02:49,319

animals things like that and for weeks

1331

01:02:53,270 --> 01:02:51,119

they're trying to recapture the animals

1332

01:02:56,030 --> 01:02:53,280

that get away which are not native to

1333

01:02:59,030 --> 01:02:56,040

the area but and we're being hauled for

1334

01:03:01,130 --> 01:02:59,040

who knows what purpose but what I'm

1335

01:03:03,589 --> 01:03:01,140

getting at here is I'm still thinking

1336

01:03:08,230 --> 01:03:05,990

something maybe crashed from outer space

1337

01:03:11,990 --> 01:03:08,240

wreckage though

1338

01:03:14,270 --> 01:03:12,000

the beings creatures that don't belong

1339

01:03:16,309 --> 01:03:14,280

there nobody's ever reported

1340

01:03:19,190 --> 01:03:16,319

hunting in the woods and look what I saw

1341

01:03:21,289 --> 01:03:19,200

a kind of thing on the other hand we

1342

01:03:23,270 --> 01:03:21,299

don't have sophistication on the animals

1343

01:03:26,569 --> 01:03:23,280

the creatures

1344

01:03:29,750 --> 01:03:26,579

so that suggests a lower order

1345

01:03:33,710 --> 01:03:29,760

so if you were taking a

1346

01:03:37,789 --> 01:03:33,720

a plain load a saucer mode of strange

1347

01:03:40,370 --> 01:03:37,799

creatures either to or from or hybrids

1348

01:03:44,690 --> 01:03:40,380

of some kind or reading stock for

1349

01:03:46,069 --> 01:03:44,700

chemicals or who knows what yeah uh it

1350

01:03:47,410 --> 01:03:46,079

sounds like there were a bunch of them

1351

01:03:50,329 --> 01:03:47,420

yes

1352

01:03:53,089 --> 01:03:50,339

its own have you found it we're talking

1353

01:03:54,970 --> 01:03:53,099

about five or six if I'm not wrong yeah

1354

01:03:57,829 --> 01:03:54,980

and there's no reason to think

1355

01:03:59,809 --> 01:03:57,839

yeah if one could stay there for as long

1356

01:04:02,210 --> 01:03:59,819

as from January to May

1357

01:04:04,309 --> 01:04:02,220

now no sexual organs doesn't sound like

1358

01:04:08,270 --> 01:04:04,319

they reproduce themselves it sounds like

1359

01:04:10,609 --> 01:04:08,280

clones or whatever now John isn't it

1360

01:04:12,710 --> 01:04:10,619

true that on occasion people act as if

1361

01:04:14,450 --> 01:04:12,720

the beans on board the craft

1362

01:04:16,430 --> 01:04:14,460

they're the guys who do the Dirty Work

1363

01:04:18,490 --> 01:04:16,440

they're the smarter guys and smarter

1364

01:04:21,109 --> 01:04:18,500

than the right right

1365

01:04:23,630 --> 01:04:21,119

these things may not answer what I'm

1366

01:04:26,809 --> 01:04:23,640

saying is we have other possibilities

1367

01:04:30,410 --> 01:04:26,819

then that these are the guys who fly

1368

01:04:33,710 --> 01:04:30,420

saucers that's it for us they're a soul

1369

01:04:36,730 --> 01:04:33,720

root yes as we see in Portuguese so

1370

01:04:40,370 --> 01:04:36,740

don't hugees they're so rude so

1371

01:04:44,690 --> 01:04:40,380

awkward yeah so crude are they able to

1372

01:04:47,329 --> 01:04:44,700

to to you know to manage spacecraft

1373

01:04:51,109 --> 01:04:47,339

something like that maybe something

1374

01:04:54,170 --> 01:04:51,119

genetic manipulated for some specific

1375

01:04:56,809 --> 01:04:54,180

Nation on the ground so the smart guys

1376

01:05:00,950 --> 01:04:56,819

are just flying over not running the

1377

01:05:05,089 --> 01:05:00,960

wrists but but maybe something went

1378

01:05:08,030 --> 01:05:05,099

wrong maybe our logic cannot be used on

1379

01:05:10,670 --> 01:05:08,040

the case accidents happen accidents are

1380

01:05:13,010 --> 01:05:10,680

the craziest reasons yeah perfect only

1381

01:05:14,809 --> 01:05:13,020

god god is perfect I have a question

1382

01:05:16,730 --> 01:05:14,819

completely separate your separate kids

1383

01:05:19,010 --> 01:05:16,740

so where does it stand now are the

1384

01:05:21,890 --> 01:05:19,020

military told people to shut up the

1385

01:05:24,170 --> 01:05:21,900

firemen oh yes well if somebody

1386

01:05:27,230 --> 01:05:24,180

pronounces my name in the Army school

1387

01:05:31,250 --> 01:05:27,240

it's 10 days in jail now wow so we have

1388

01:05:33,970 --> 01:05:31,260

many threats uh I had two in my months

1389

01:05:36,950 --> 01:05:33,980

housing place

1390

01:05:39,230 --> 01:05:36,960

four in my apartment in Belarus lunch

1391

01:05:42,349 --> 01:05:39,240

telling you to shut up no I'm gonna kill

1392

01:05:44,390 --> 01:05:42,359

you you're gonna and also somebody from

1393

01:05:47,710 --> 01:05:44,400

the Army school told me I have talked to

1394

01:05:50,210 --> 01:05:47,720

14 different militaries I have recorded

1395

01:05:52,910 --> 01:05:50,220

every one of them with their knowledge

1396

01:05:54,829 --> 01:05:52,920

or everyone yes and you still have those

1397

01:05:56,950 --> 01:05:54,839

tapes right sure good I hope you've

1398

01:06:01,910 --> 01:05:56,960

duplicated them

1399

01:06:05,510 --> 01:06:01,920

more than that so if they die if a comet

1400

01:06:08,150 --> 01:06:05,520

hit him hit them no problem I have it

1401

01:06:10,690 --> 01:06:08,160

already in my hand where does John Mack

1402

01:06:14,150 --> 01:06:10,700

fit into this okay so

1403

01:06:18,010 --> 01:06:14,160

Bob Brad was coming to Brazil with cinch

1404

01:06:23,030 --> 01:06:20,930

so they they just went out she's gone on

1405

01:06:25,250 --> 01:06:23,040

many investigations yes so she went to

1406

01:06:27,710 --> 01:06:25,260

the to Virginia and I told him

1407

01:06:29,990 --> 01:06:27,720

everything but it was at that time so

1408

01:06:31,789 --> 01:06:30,000

what they could know at that time was

1409

01:06:33,950 --> 01:06:31,799

half of the story because it was in

1410

01:06:38,589 --> 01:06:33,960

March yeah okay so we're getting new

1411

01:06:45,289 --> 01:06:40,990

who's a colleague

1412

01:06:47,450 --> 01:06:45,299

he knows her yeah okay uh Dr John Mack

1413

01:06:51,529 --> 01:06:47,460

right she was at a conference at MIT

1414

01:06:54,049 --> 01:06:51,539

that right so she was so anxious to go

1415

01:06:57,049 --> 01:06:54,059

to Virginia to get to know about the the

1416

01:06:58,849 --> 01:06:57,059

case and Professor was invited to to be

1417

01:07:00,910 --> 01:06:58,859

in Brazil I don't know specific why he

1418

01:07:04,130 --> 01:07:00,920

was doing some investigation probably

1419

01:07:06,250 --> 01:07:04,140

should have took him there so we put the

1420

01:07:08,529 --> 01:07:06,260

girls

1421

01:07:11,510 --> 01:07:08,539

with him

1422

01:07:14,990 --> 01:07:11,520

uh he had this

1423

01:07:16,430 --> 01:07:15,000

um this um when you go to a doctor's

1424

01:07:18,589 --> 01:07:16,440

place to have this

1425

01:07:20,690 --> 01:07:18,599

uh how do you say because you're

1426

01:07:25,630 --> 01:07:20,700

counseling counseling counseling that's

1427

01:07:28,130 --> 01:07:25,640

it for over two hours both I mean

1428

01:07:31,789 --> 01:07:28,140

separately from the girls

1429

01:07:34,250 --> 01:07:31,799

so he had this conversation asking many

1430

01:07:38,210 --> 01:07:34,260

questions alone I was just translating

1431

01:07:39,829 --> 01:07:38,220

okay okay who is the translator yeah I

1432

01:07:43,370 --> 01:07:39,839

didn't interrupt I didn't I didn't say

1433

01:07:45,650 --> 01:07:43,380

anything so after that he said

1434

01:07:47,710 --> 01:07:45,660

I can answer

1435

01:07:51,650 --> 01:07:47,720

to any any any

1436

01:07:54,849 --> 01:07:51,660

judge or before the justice of this

1437

01:07:59,630 --> 01:07:54,859

country and also I bet

1438

01:08:03,170 --> 01:07:59,640

my we say cat is unfortunate my diploma

1439

01:08:04,730 --> 01:08:03,180

my Harvard diploma in my Harvard work

1440

01:08:06,789 --> 01:08:04,740

because he's a he's a teacher there

1441

01:08:11,690 --> 01:08:06,799

right

1442

01:08:17,090 --> 01:08:13,690

the truth so

1443

01:08:18,590 --> 01:08:17,100

uh after that if somebody asked me what

1444

01:08:21,050 --> 01:08:18,600

I'm thinking about the girl they say

1445

01:08:24,110 --> 01:08:21,060

don't ask me you go to Harvard that's

1446

01:08:27,229 --> 01:08:24,120

your PhD guy there she didn't talk to

1447

01:08:31,430 --> 01:08:27,239

the girls or did no Dr Amore never

1448

01:08:33,410 --> 01:08:31,440

okay so many things some people are in

1449

01:08:35,209 --> 01:08:33,420

in Army School in transportation as a

1450

01:08:39,650 --> 01:08:35,219

military one of the guys that I have

1451

01:08:41,870 --> 01:08:39,660

talked to said that Cornell uh only to

1452

01:08:45,229 --> 01:08:41,880

one delay has said that I'm going too

1453

01:08:47,570 --> 01:08:45,239

far with this there are

1454

01:08:49,450 --> 01:08:47,580

um as we say in Brazil that I'm putting

1455

01:08:51,950 --> 01:08:49,460

some on the fans

1456

01:08:56,030 --> 01:08:51,960

and can you say that in the states yeah

1457

01:08:59,470 --> 01:08:56,040

maybe it's time to shut me up

1458

01:09:02,209 --> 01:08:59,480

okay so we have this thread by telephone

1459

01:09:03,890 --> 01:09:02,219

uh I'm wearing you you don't have to

1460

01:09:06,470 --> 01:09:03,900

mention this but I'm aware not now not

1461

01:09:07,789 --> 01:09:06,480

here but I'm wearing this uh bulletproof

1462

01:09:10,729 --> 01:09:07,799

vest

1463

01:09:12,349 --> 01:09:10,739

and of course the Press fit in have they

1464

01:09:15,650 --> 01:09:12,359

have any of the newspapers made an

1465

01:09:19,189 --> 01:09:15,660

all-out effort to dig into this

1466

01:09:21,530 --> 01:09:19,199

they're on our side well we go to the

1467

01:09:23,570 --> 01:09:21,540

Press almost every week papers

1468

01:09:27,110 --> 01:09:23,580

television groups different shows

1469

01:09:29,689 --> 01:09:27,120

different uh networks I should mention

1470

01:09:31,430 --> 01:09:29,699

something else you bring up Roswell but

1471

01:09:33,289 --> 01:09:31,440

as I'm sure you're aware Leonard

1472

01:09:35,630 --> 01:09:33,299

Stringfield collected more than 50

1473

01:09:38,689 --> 01:09:35,640

reports of Crash saucers he didn't

1474

01:09:40,970 --> 01:09:38,699

investigate them in their story we have

1475

01:09:42,169 --> 01:09:40,980

a new document I showed one page in a

1476

01:09:44,329 --> 01:09:42,179
minute

1477

01:09:46,430 --> 01:09:44,339
that suggests that there was an

1478

01:09:49,550 --> 01:09:46,440
operations manual for dealing with the

1479

01:09:52,789 --> 01:09:49,560
recovery handling shipping of wreckage

1480

01:09:57,169 --> 01:09:52,799
bodies Etc you don't do that manual if

1481

01:09:59,630 --> 01:09:57,179
nothing has happened since 1947. uh what

1482

01:10:01,850 --> 01:09:59,640
you have said makes it sound like there

1483

01:10:03,709 --> 01:10:01,860
somebody was prepared to deal with

1484

01:10:06,470 --> 01:10:03,719
something coming down

1485

01:10:08,689 --> 01:10:06,480
so it may well be that rather than a

1486

01:10:14,229 --> 01:10:08,699
link to Roswell there's a link to 40

1487

01:10:20,510 --> 01:10:18,650
yeah but also I'm telling you the

1488

01:10:23,270 --> 01:10:20,520

military is interest corazones I know

1489

01:10:25,610 --> 01:10:23,280

most of them down there there as you say

1490

01:10:26,410 --> 01:10:25,620

United States they're dumb as they've

1491

01:10:29,149 --> 01:10:26,420

done it

1492

01:10:31,550 --> 01:10:29,159

so they are they of course they're not

1493

01:10:34,550 --> 01:10:31,560

ready to to to work with such a thing

1494

01:10:37,790 --> 01:10:34,560

like that they were prepared previously

1495

01:10:40,250 --> 01:10:37,800

by somebody else how come so fast and

1496

01:10:42,530 --> 01:10:40,260

now we can understand what this creature

1497

01:10:45,169 --> 01:10:42,540

was doing here probably is struggling

1498

01:10:49,130 --> 01:10:45,179

for its own life no helicopter circling

1499

01:10:51,950 --> 01:10:49,140

the area two jet fighters

1500

01:10:56,149 --> 01:10:51,960

have you just fight us before this this

1501
01:10:59,330 --> 01:10:56,159
guy this this lawyer who saw the the the

1502
01:11:04,610 --> 01:10:59,340
the militaries with the rifles and heard

1503
01:11:08,270 --> 01:11:04,620
the the shots so too uh we call F5 but

1504
01:11:10,550 --> 01:11:08,280
uh that's unusual for them to be they

1505
01:11:13,070 --> 01:11:10,560
don't fly there I'll never

1506
01:11:15,350 --> 01:11:13,080
so far will be this creature here was

1507
01:11:18,010 --> 01:11:15,360
just trying to save it it's life yeah

1508
01:11:21,530 --> 01:11:18,020
probably the army people down here

1509
01:11:23,270 --> 01:11:21,540
started this whole thing you know like

1510
01:11:26,350 --> 01:11:23,280
shooting everything around and the

1511
01:11:29,450 --> 01:11:26,360
creatures just spreading around like

1512
01:11:31,610 --> 01:11:29,460
like you say when the ship is going down

1513
01:11:34,310 --> 01:11:31,620

in the middle of the ocean it's sinking

1514

01:11:36,590 --> 01:11:34,320

you say God may God help every one of us

1515

01:11:40,130 --> 01:11:36,600

so each one take care yeah

1516

01:11:43,669 --> 01:11:40,140

you know so probably this happened now

1517

01:11:45,649 --> 01:11:43,679

we know from the guy he controls the the

1518

01:11:49,010 --> 01:11:45,659

Belarus launches Raider

1519

01:11:51,890 --> 01:11:49,020

the the Raider from the dollars uh

1520

01:11:54,169 --> 01:11:51,900

airport that the UFOs were flying around

1521

01:11:55,910 --> 01:11:54,179

here we know this guy I know who he is

1522

01:11:59,390 --> 01:11:55,920

I'm just preparing him to talk to me

1523

01:12:01,790 --> 01:11:59,400

okay his wife this guy said no no he's

1524

01:12:04,310 --> 01:12:01,800

going to destroy our lives he said no

1525

01:12:05,810 --> 01:12:04,320

he has talked to many people I know he

1526
01:12:07,610 --> 01:12:05,820
has talked to many people inside down

1527
01:12:10,070 --> 01:12:07,620
the school didn't mention any any name

1528
01:12:13,490 --> 01:12:10,080
so I'm preparing the guy saw the

1529
01:12:16,729 --> 01:12:13,500
wreckage so we would have the the couple

1530
01:12:19,850 --> 01:12:16,739
wife and husband who saw on January the

1531
01:12:22,550 --> 01:12:19,860
19th this thing like this flying over

1532
01:12:27,070 --> 01:12:22,560
the field we have many witnesses who had

1533
01:12:30,229 --> 01:12:27,080
met this weird creatures so probably

1534
01:12:31,669 --> 01:12:30,239
we're thinking that at first at the very

1535
01:12:34,189 --> 01:12:31,679
beginning that they were surveying the

1536
01:12:36,290 --> 01:12:34,199
area to draw some creatures for some

1537
01:12:39,229 --> 01:12:36,300
Mission now we're understanding that

1538
01:12:41,209 --> 01:12:39,239

they had some problem and crashed and

1539

01:12:43,370 --> 01:12:41,219

these creatures are now in this God's

1540

01:12:46,010 --> 01:12:43,380

world trying to survive

1541

01:12:49,070 --> 01:12:46,020

hopefully my my brother then we go to my

1542

01:12:51,530 --> 01:12:49,080

brother okay my brother said and he was

1543

01:12:54,709 --> 01:12:51,540

positive because he knows

1544

01:12:57,770 --> 01:12:54,719

uh the professor who was uh following

1545

01:13:01,550 --> 01:12:57,780

him in his PhD

1546

01:13:05,450 --> 01:13:01,560

um his advisor as an advisor knows

1547

01:13:09,050 --> 01:13:05,460

personally doctor about them

1548

01:13:10,790 --> 01:13:09,060

and he told my brother and he's home he

1549

01:13:12,590 --> 01:13:10,800

didn't talk through the telephone he

1550

01:13:15,070 --> 01:13:12,600

said I need to talk to you personally he

1551
01:13:16,689 --> 01:13:15,080
went there and said doctor about

1552
01:13:19,910 --> 01:13:16,699
had

1553
01:13:23,870 --> 01:13:19,920
made this necropsy I don't know how you

1554
01:13:26,470 --> 01:13:23,880
say autopsy autopsy uh but he cannot do

1555
01:13:30,290 --> 01:13:26,480
it alone because he needs some expert

1556
01:13:33,370 --> 01:13:30,300
DNA expert and many others so they have

1557
01:13:36,350 --> 01:13:33,380
involved many people not only from

1558
01:13:37,810 --> 01:13:36,360
unicamp University but for many other

1559
01:13:41,689 --> 01:13:37,820
cities around

1560
01:13:44,630 --> 01:13:41,699
using many other facilities because we

1561
01:13:47,090 --> 01:13:44,640
had mentioned unicorn people now is

1562
01:13:48,830 --> 01:13:47,100
watching unicorn so probably they took

1563
01:13:51,290 --> 01:13:48,840

it away from there but how much testing

1564

01:13:54,470 --> 01:13:51,300

it only need small samples yes but how

1565

01:13:57,290 --> 01:13:54,480

many of them they moved too many copies

1566

01:13:59,390 --> 01:13:57,300

got me to other places we're now talking

1567

01:14:01,970 --> 01:13:59,400

about five or six creatures I don't know

1568

01:14:05,090 --> 01:14:01,980

some of them are still alive

1569

01:14:08,630 --> 01:14:05,100

walking on the grounds around there as

1570

01:14:13,370 --> 01:14:08,640

you do saw on May 15th President on

1571

01:14:14,930 --> 01:14:13,380

April 21st okay lunch time red suit or

1572

01:14:17,270 --> 01:14:14,940

something like that well even without it

1573

01:14:19,910 --> 01:14:17,280

they don't have it

1574

01:14:22,850 --> 01:14:19,920

oil sued by some reason and then you

1575

01:14:24,290 --> 01:14:22,860

cannot identify well I'm I'm asking

1576

01:14:26,090 --> 01:14:24,300

questions only because I hadn't heard it

1577

01:14:27,770 --> 01:14:26,100

asked before oh yeah it's a question

1578

01:14:29,810 --> 01:14:27,780

that was obvious if they're naked and

1579

01:14:32,229 --> 01:14:29,820

I've got some and with the girls and

1580

01:14:38,390 --> 01:14:35,510

actually I'm losing the battery is not

1581

01:14:43,550 --> 01:14:41,270

now let's take a look at some photos and

1582

01:14:46,070 --> 01:14:43,560

drawings which illustrate this important

1583

01:14:48,470 --> 01:14:46,080

case in Virginia

1584

01:14:51,590 --> 01:14:48,480

pictured here in the red sweater is

1585

01:14:53,570 --> 01:14:51,600

orolina Augusta and to the right Mr

1586

01:14:56,030 --> 01:14:53,580

euriko de frettas

1587

01:14:59,149 --> 01:14:56,040

this is the farming couple who saw a

1588

01:15:01,250 --> 01:14:59,159

submarine-shaped object at 1am on the

1589

01:15:03,350 --> 01:15:01,260

morning of January 20th

1590

01:15:05,630 --> 01:15:03,360

the object was five meters off the

1591

01:15:08,930 --> 01:15:05,640

ground gray in color and the size of a

1592

01:15:10,130 --> 01:15:08,940

minibus it emitted smoke but there was

1593

01:15:12,830 --> 01:15:10,140

no sound

1594

01:15:21,169 --> 01:15:12,840

the farm is approximately 10 kilometers

1595

01:15:26,689 --> 01:15:23,750

this is a this is an artist's conception

1596

01:15:30,410 --> 01:15:26,699

of that strange object coming down at

1597

01:15:38,330 --> 01:15:30,420

1am on January 20th silently but yet

1598

01:15:42,649 --> 01:15:40,430

the gentleman in the center of the

1599

01:15:46,370 --> 01:15:42,659

photograph is a famous Brazilian

1600

01:15:49,669 --> 01:15:46,380

journalist gulat de Andrade speaking

1601

01:15:52,850 --> 01:15:49,679

with farmer yuriko de friates and

1602

01:15:54,350 --> 01:15:52,860

orolina Augusta also present in the

1603

01:16:02,330 --> 01:15:54,360

picture at the right

1604

01:16:08,990 --> 01:16:06,229

it is the morning of January 20th 8 A.M

1605

01:16:11,510 --> 01:16:09,000

When A call came to the Virginia fire

1606

01:16:13,430 --> 01:16:11,520

department reporting that a strange

1607

01:16:19,250 --> 01:16:13,440

monkey had been sighted and to please

1608

01:16:24,530 --> 01:16:21,410

even though the call came to the fire

1609

01:16:28,490 --> 01:16:24,540

department at 8 A.M in typical Brazilian

1610

01:16:36,290 --> 01:16:28,500

style they responded at 10 am

1611

01:16:40,189 --> 01:16:38,630

this is the Virginia Fire Department

1612

01:16:43,130 --> 01:16:40,199

headquarters

1613

01:16:44,270 --> 01:16:43,140

corpo de bomberos de vagina is its

1614

01:16:54,530 --> 01:16:44,280

proper title

1615

01:16:59,510 --> 01:16:56,930

this is number three Switzerland Street

1616

01:17:00,590 --> 01:16:59,520

in the Jordan and deer District of

1617

01:17:03,110 --> 01:17:00,600

Virginia

1618

01:17:06,169 --> 01:17:03,120

just to the left is where the fire truck

1619

01:17:08,149 --> 01:17:06,179

parked and where the children were

1620

01:17:14,990 --> 01:17:08,159

getting rocks to throw at the creature

1621

01:17:20,390 --> 01:17:17,570

a Brazilian investigator stands at the

1622

01:17:23,270 --> 01:17:20,400

top of the hill looking down the grassy

1623

01:17:33,290 --> 01:17:23,280

slope towards the woods and the Santana

1624

01:17:38,870 --> 01:17:35,870

it was on this slope where the creature

1625

01:17:41,330 --> 01:17:38,880

was first sighted and the firemen went

1626

01:17:53,930 --> 01:17:41,340

down with her Nets to try to retrieve

1627

01:18:07,910 --> 01:17:56,450

the creature tried to run from them but

1628

01:18:12,950 --> 01:18:10,669

two Brazilian investigators stand at the

1629

01:18:14,689 --> 01:18:12,960

top of this hill

1630

01:18:23,090 --> 01:18:14,699

in the middle of the hills where the

1631

01:18:28,250 --> 01:18:25,550

this is another view down that Grassley

1632

01:18:37,250 --> 01:18:28,260

slope toward the woods with the Santana

1633

01:18:43,189 --> 01:18:39,709

the creature was captured rather easily

1634

01:18:45,890 --> 01:18:43,199

with a net by the two firemen

1635

01:18:49,250 --> 01:18:45,900

notice the three horn-like

1636

01:18:57,470 --> 01:18:49,260

protuberances on its head

1637

01:19:02,750 --> 01:18:59,630

then the two firemen brought the

1638

01:19:05,410 --> 01:19:02,760

creature in the net up the hillside it

1639

01:19:14,450 --> 01:19:05,420

was making a strange

1640

01:19:19,070 --> 01:19:16,910

the creature was captured

1641

01:19:23,209 --> 01:19:19,080

it was in the net

1642

01:19:25,270 --> 01:19:23,219

but as they came up to the road

1643

01:19:28,610 --> 01:19:25,280

the firemen found that military

1644

01:19:31,490 --> 01:19:28,620

personnel were waiting for them

1645

01:19:38,570 --> 01:19:31,500

and that the military personnel would

1646

01:19:44,510 --> 01:19:42,649

witnessed by Builders assistant henrique

1647

01:19:46,669 --> 01:19:44,520

Jose

1648

01:19:49,850 --> 01:19:46,679

he had seen the four firemen capture the

1649

01:19:50,750 --> 01:19:49,860

creature between 10 30 and 11 A.M that

1650

01:19:54,590 --> 01:19:50,760

morning

1651
01:19:56,570 --> 01:19:54,600
he saw them put it into a wooden box and

1652
01:19:58,910 --> 01:19:56,580
then handed over to military personnel

1653
01:20:01,130 --> 01:19:58,920
who came on the scene

1654
01:20:04,310 --> 01:20:01,140
he reports that the creature was taken

1655
01:20:07,189 --> 01:20:04,320
to the Escola de sargentos de armas the

1656
01:20:11,209 --> 01:20:07,199
esa which stands for the school of

1657
01:20:16,250 --> 01:20:13,550
yeah

1658
01:20:25,490 --> 01:20:16,260
still in the net the creature is loaded

1659
01:20:28,610 --> 01:20:27,530
it was then loaded onto the military

1660
01:20:37,910 --> 01:20:28,620
truck

1661
01:20:45,709 --> 01:20:41,470
here two Brazilian investigators

1662
01:20:49,010 --> 01:20:45,719
Franco Rodriguez and claudercovo

1663
01:20:52,130 --> 01:20:49,020

are at the site of the first encounter

1664

01:20:53,810 --> 01:20:52,140

you can see Virginia is hardly a village

1665

01:20:56,810 --> 01:20:53,820

in the jungle

1666

01:21:04,310 --> 01:20:56,820

this is an industrial area with many

1667

01:21:08,450 --> 01:21:06,890

just several blocks away from the first

1668

01:21:11,030 --> 01:21:08,460

encounter

1669

01:21:12,470 --> 01:21:11,040

is this area where houses are under

1670

01:21:14,810 --> 01:21:12,480

construction

1671

01:21:18,110 --> 01:21:14,820

this was the area where the three young

1672

01:21:27,709 --> 01:21:18,120

women saw the creature on the same day

1673

01:21:33,169 --> 01:21:30,470

these are the three young women who made

1674

01:21:37,070 --> 01:21:33,179

that sighting at 3 30 p.m that Saturday

1675

01:21:40,910 --> 01:21:37,080

afternoon January 20th

1676

01:21:45,110 --> 01:21:40,920

in the Forefront is Lillian age 16 and

1677

01:21:48,890 --> 01:21:45,120

behind her her sister valkyria age 14

1678

01:21:54,229 --> 01:21:48,900

their sisters and behind them is a young

1679

01:21:56,169 --> 01:21:54,239

woman Katia aged 22. all three were busy

1680

01:21:59,330 --> 01:21:56,179

with their jobs cleaning houses

1681

01:22:07,729 --> 01:21:59,340

basically working as maids and they were

1682

01:22:12,430 --> 01:22:10,130

this is an artist's conception of the

1683

01:22:20,630 --> 01:22:12,440

three women happily on their way home

1684

01:22:24,950 --> 01:22:22,970

here are the three young women decide to

1685

01:22:27,050 --> 01:22:24,960

take a shortcut

1686

01:22:30,709 --> 01:22:27,060

the address of the building where the

1687

01:22:32,770 --> 01:22:30,719

second creature was spotted is number 76

1688

01:22:37,310 --> 01:22:32,780

benef

1689

01:22:39,350 --> 01:22:37,320

Street which adjoins empty land

1690

01:22:44,209 --> 01:22:39,360

they had no idea what they were about to

1691

01:22:50,990 --> 01:22:47,450

here a Brazilian investigator crouches

1692

01:22:54,229 --> 01:22:51,000

in the exact position and location where

1693

01:22:56,510 --> 01:22:54,239

the creature was seen near the wall as

1694

01:23:03,290 --> 01:22:56,520

if it were trying to hide and not be

1695

01:23:08,870 --> 01:23:05,930

however they did catch sight of the

1696

01:23:15,470 --> 01:23:08,880

strange being and were startled puzzled

1697

01:23:22,310 --> 01:23:19,370

their crouching next to the wall and not

1698

01:23:25,550 --> 01:23:22,320

looking at them was a strange creature

1699

01:23:28,430 --> 01:23:25,560

which obviously to them was not any type

1700

01:23:29,810 --> 01:23:28,440

of animal nor was it any type of human

1701

01:23:32,990 --> 01:23:29,820

being

1702

01:23:36,229 --> 01:23:33,000

they saw some kinds of protuberances on

1703

01:23:39,709 --> 01:23:36,239

the head and some strange red veins on

1704

01:23:41,450 --> 01:23:39,719

the back of the neck and shoulders

1705

01:23:45,709 --> 01:23:41,460

but they were not prepared for what they

1706

01:23:54,350 --> 01:23:49,250

when it turned its head they saw the

1707

01:23:56,570 --> 01:23:54,360

large glowing red eyes with no pupils

1708

01:23:57,830 --> 01:23:56,580

and they knew that they were seeing

1709

01:23:59,810 --> 01:23:57,840

something

1710

01:24:00,830 --> 01:23:59,820

that to them felt like a demon or a

1711

01:24:02,810 --> 01:24:00,840

devil

1712

01:24:07,910 --> 01:24:02,820

they were terrified

1713

01:24:13,310 --> 01:24:10,669

what on Earth could possibly look like

1714

01:24:15,890 --> 01:24:13,320

this what could have such red glowing

1715

01:24:18,590 --> 01:24:15,900

eyes and be alive

1716

01:24:22,729 --> 01:24:18,600

and looking at them in such a way

1717

01:24:29,390 --> 01:24:22,739

they had no idea what they were seeing

1718

01:24:34,430 --> 01:24:31,790

the three women did what just about

1719

01:24:37,130 --> 01:24:34,440

anybody would do they ran as fast as

1720

01:24:39,709 --> 01:24:37,140

they could to get away screaming and

1721

01:24:40,970 --> 01:24:39,719

looking for someone that could come back

1722

01:24:42,950 --> 01:24:40,980

and see

1723

01:24:50,570 --> 01:24:42,960

what this thing was

1724

01:24:55,850 --> 01:24:53,149

the Two Sisters living in on the right

1725

01:24:58,610 --> 01:24:55,860

are on the left and valkyria on the

1726

01:25:01,430 --> 01:24:58,620

right are seen with their mother who is

1727

01:25:03,530 --> 01:25:01,440

on the far right in the red sweater

1728

01:25:05,209 --> 01:25:03,540

they found their mother and took her

1729

01:25:06,350 --> 01:25:05,219

back to that spot where they had seen

1730

01:25:10,550 --> 01:25:06,360

the creature

1731

01:25:13,850 --> 01:25:10,560

but she certainly smelled that strong

1732

01:25:15,890 --> 01:25:13,860

ammonia that was in the air plus she saw

1733

01:25:17,570 --> 01:25:15,900

two strange tracks which she could not

1734

01:25:20,030 --> 01:25:17,580

explain

1735

01:25:26,870 --> 01:25:20,040

she believed her daughters she knew they

1736

01:25:31,550 --> 01:25:29,930

16 year old Lillian made a drawing and

1737

01:25:35,270 --> 01:25:31,560

here she presents it

1738

01:25:37,669 --> 01:25:35,280

to the famous investigator Uber rajara

1739

01:25:39,950 --> 01:25:37,679

Franco Rodriguez

1740

01:25:47,930 --> 01:25:39,960

one of the Two Chief investigators along

1741

01:25:52,130 --> 01:25:50,810

this is a close-up of that drawing by

1742

01:25:55,689 --> 01:25:52,140

Lillian

1743

01:25:59,810 --> 01:25:55,699

noting the three horn-like protuberances

1744

01:26:02,510 --> 01:25:59,820

large eyes with no pupils and she does

1745

01:26:04,850 --> 01:26:02,520

not even note a mouth but she certainly

1746

01:26:06,410 --> 01:26:04,860

remembers the veins which seem to stick

1747

01:26:13,729 --> 01:26:06,420

out on the back of the neck and

1748

01:26:26,270 --> 01:26:16,250

pain made by one of the other two young

1749

01:26:32,450 --> 01:26:30,110

several months later Dr John Mack of

1750

01:26:36,290 --> 01:26:32,460

Harvard University who is noted for his

1751
01:26:39,470 --> 01:26:36,300
studies in UFO abductions just happened

1752
01:26:42,950 --> 01:26:39,480
to be in Brazil attending a conference

1753
01:26:45,110 --> 01:26:42,960
and was brought down to Virginia to meet

1754
01:26:46,790 --> 01:26:45,120
the two sisters who had seen this

1755
01:26:51,169 --> 01:26:46,800
creature

1756
01:26:53,750 --> 01:26:51,179
he interviewed them for over two hours

1757
01:26:57,169 --> 01:26:53,760
and was quite impressed by their

1758
01:26:59,990 --> 01:26:57,179
sincerity their trauma

1759
01:27:02,689 --> 01:27:00,000
and their credibility I talked with him

1760
01:27:05,510 --> 01:27:02,699
recently in person and he and I both

1761
01:27:08,209 --> 01:27:05,520
agree that this case in Virginia is very

1762
01:27:10,669 --> 01:27:08,219
important very credible and these two

1763
01:27:12,830 --> 01:27:10,679

young girls especially very sincere

1764

01:27:15,169 --> 01:27:12,840

insane

1765

01:27:22,729 --> 01:27:15,179

in fact he stated he would stake his

1766

01:27:28,250 --> 01:27:25,370

is believed that that same creature was

1767

01:27:31,550 --> 01:27:28,260

then witnessed by other civilians and

1768

01:27:35,090 --> 01:27:31,560

rounded up by military officials later

1769

01:27:37,850 --> 01:27:35,100

that evening between 10 and 11 pm

1770

01:27:40,850 --> 01:27:37,860

it was first taken to an emergency room

1771

01:27:42,770 --> 01:27:40,860

but immediately rejected and taken to

1772

01:27:46,910 --> 01:27:42,780

the public Hospital which is shown here

1773

01:27:49,010 --> 01:27:46,920

the regional hospital in Virginia

1774

01:27:53,390 --> 01:27:49,020

it only stayed there for several hours

1775

01:27:59,330 --> 01:27:56,510

this is an artist's conception of two

1776

01:28:08,629 --> 01:27:59,340

military personnel taking the captured

1777

01:28:13,910 --> 01:28:11,149

after several hours the creature was

1778

01:28:17,450 --> 01:28:13,920

transferred to a private Hospital the

1779

01:28:23,330 --> 01:28:17,460

humanitas hospital on the outskirts of

1780

01:28:23,340 --> 01:28:27,110

foreign

1781

01:28:33,970 --> 01:28:30,470

on Monday January 22nd a convoy of

1782

01:28:37,189 --> 01:28:33,980

trucks parked here between 3 and 6 PM

1783

01:28:40,070 --> 01:28:37,199

opposite the humanitas hospital a

1784

01:28:48,950 --> 01:28:40,080

witness told that at 6 PM that evening

1785

01:28:55,010 --> 01:28:51,950

Witnesses tell that the creature was

1786

01:28:57,290 --> 01:28:55,020

kept in a quarantined area heavily

1787

01:28:59,649 --> 01:28:57,300

guarded by military personnel

1788

01:29:02,390 --> 01:28:59,659

many doctors were seen coming and going

1789

01:29:04,070 --> 01:29:02,400

and only a few nurses were able to

1790

01:29:06,890 --> 01:29:04,080

attend this creature

1791

01:29:09,470 --> 01:29:06,900

which apparently died within a day's

1792

01:29:16,910 --> 01:29:12,110

this is an artist's depiction of what

1793

01:29:16,920 --> 01:29:24,890

the strong smell of ammonia was apparent

1794

01:29:29,629 --> 01:29:27,050

the creature was dead

1795

01:29:31,610 --> 01:29:29,639

but now there was a new problem

1796

01:29:33,590 --> 01:29:31,620

who would get the body

1797

01:29:35,870 --> 01:29:33,600

what would be done with it

1798

01:29:38,090 --> 01:29:35,880

was a military habit

1799

01:29:40,910 --> 01:29:38,100

but the doctors get it

1800

01:29:47,330 --> 01:29:40,920

or would they somehow share

1801

01:29:54,470 --> 01:29:51,290

this creature with the oily brown skin

1802

01:29:57,950 --> 01:29:54,480

and the big red eyes was laid out in a

1803

01:30:04,010 --> 01:29:57,960

box on what pakachini called tripods or

1804

01:30:10,310 --> 01:30:06,430

this is another artist's impression

1805

01:30:14,510 --> 01:30:10,320

according to testimony by a military

1806

01:30:17,390 --> 01:30:14,520

witness of the scene inside the hospital

1807

01:30:21,290 --> 01:30:17,400

soldiers from the Escola des argentos de

1808

01:30:24,350 --> 01:30:21,300

armos or the esa filmed the scene on a

1809

01:30:26,270 --> 01:30:24,360

JVC video camera according to this

1810

01:30:29,570 --> 01:30:26,280

Witness

1811

01:30:32,570 --> 01:30:29,580

this second creature was laid in small

1812

01:30:35,050 --> 01:30:32,580

box the military officials present were

1813

01:30:38,209 --> 01:30:35,060

Lieutenant Colonel Olympia wanderly

1814

01:30:42,430 --> 01:30:38,219

Lieutenant tenente tiberio Captain

1815

01:30:46,310 --> 01:30:42,440

Ramirez Sergeant Pedrosa Corporal vasalo

1816

01:30:48,649 --> 01:30:46,320

privates Mello and Carrillo

1817

01:30:49,970 --> 01:30:48,659

many of the doctors were closely watched

1818

01:30:51,530 --> 01:30:49,980

by the military

1819

01:30:53,990 --> 01:30:51,540

because they did not want any

1820

01:30:56,750 --> 01:30:54,000

information to leak out

1821

01:31:04,669 --> 01:30:56,760

even though the doctors were mystified

1822

01:31:07,610 --> 01:31:06,530

this is the gate at the back of the

1823

01:31:10,370 --> 01:31:07,620

hospital

1824

01:31:12,950 --> 01:31:10,380

where a military track was reported to

1825

01:31:14,390 --> 01:31:12,960

have pulled up gone through the gate to

1826

01:31:21,950 --> 01:31:14,400

get the creature

1827

01:31:27,110 --> 01:31:24,709

this is how an artist depicted the

1828

01:31:30,050 --> 01:31:27,120

military truck backing up to the cargo

1829

01:31:32,930 --> 01:31:30,060

entrance in order to load the body

1830

01:31:35,030 --> 01:31:32,940

onto the truck two other military trucks

1831

01:31:38,450 --> 01:31:35,040

were present and the three left in a

1832

01:31:41,450 --> 01:31:38,460

convoy perhaps to confuse onlookers as

1833

01:31:48,350 --> 01:31:41,460

the witch truck actually contained the

1834

01:31:52,610 --> 01:31:49,490

at 4

1835

01:31:55,550 --> 01:31:52,620

on Tuesday January 23rd

1836

01:31:58,010 --> 01:31:55,560

a convoy of military trucks and private

1837

01:32:01,790 --> 01:31:58,020

Vehicles distinguished by a leading

1838

01:32:06,410 --> 01:32:01,800

Volkswagen van left Virginia for the

1839

01:32:12,350 --> 01:32:08,990

this is the Army Cadet school at

1840

01:32:15,729 --> 01:32:12,360

Campinas this is a very big army base

1841

01:32:18,530 --> 01:32:15,739

situated approximately 300 kilometers

1842

01:32:20,810 --> 01:32:18,540

from Virginia

1843

01:32:22,669 --> 01:32:20,820

once the Convoy arrived

1844

01:32:32,570 --> 01:32:22,679

the creature was transferred to the

1845

01:32:36,410 --> 01:32:34,610

there were many Brazilian investigators

1846

01:32:40,370 --> 01:32:36,420

and here are some of the more prominent

1847

01:32:44,209 --> 01:32:40,380

ones first we have Victoria pacaccini

1848

01:32:48,709 --> 01:32:44,219

Edison boa Adventura

1849

01:32:58,610 --> 01:32:53,870

Rodriguez this is clado corver

1850

01:33:01,970 --> 01:32:58,620

this is Gilda Moray a psychologist who

1851
01:33:04,790 --> 01:33:01,980
works with abductees in Brazil she was

1852
01:33:07,729 --> 01:33:04,800
the one who brought Dr John Mack

1853
01:33:09,970 --> 01:33:07,739
to see the three girls

1854
01:33:12,470 --> 01:33:09,980
Dr John Mack is from Harvard University

1855
01:33:16,370 --> 01:33:12,480
there were other Brazilian investigators

1856
01:33:19,250 --> 01:33:16,380
who assisted with this case many groups

1857
01:33:22,910 --> 01:33:19,260
work together on this most important

1858
01:33:29,030 --> 01:33:26,629
here Victoria pacaccini meets the Press

1859
01:33:31,910 --> 01:33:29,040
keeping the media abreast

1860
01:33:33,649 --> 01:33:31,920
of the investigations that were going on

1861
01:33:35,450 --> 01:33:33,659
sometimes he would brief them daily

1862
01:33:37,370 --> 01:33:35,460
sometimes weekly

1863
01:33:44,930 --> 01:33:37,380

but the information was well received

1864

01:33:49,790 --> 01:33:47,030

the Brazilian media did a good job

1865

01:33:52,850 --> 01:33:49,800

presenting the facts to the people this

1866

01:33:54,649 --> 01:33:52,860

led to perhaps as many as 60 percent of

1867

01:33:57,470 --> 01:33:54,659

the Brazilian people

1868

01:33:59,570 --> 01:33:57,480

in believing that something quite

1869

01:34:01,250 --> 01:33:59,580

serious had occurred

1870

01:34:03,470 --> 01:34:01,260

they were impressed by the number of

1871

01:34:06,229 --> 01:34:03,480

witnesses which numbered over 40

1872

01:34:08,390 --> 01:34:06,239

first-hand Witnesses

1873

01:34:10,310 --> 01:34:08,400

and the Press was clearly on the side of

1874

01:34:17,689 --> 01:34:10,320

the people trying to get to the bottom

1875

01:34:24,590 --> 01:34:19,990

although this is a poorly framed picture

1876

01:34:27,830 --> 01:34:24,600

the lady on the far right is terezinha

1877

01:34:31,390 --> 01:34:27,840

Gallo clef age 67

1878

01:34:34,070 --> 01:34:31,400

who reported seeing the strange creature

1879

01:34:36,649 --> 01:34:34,080

behind the Virginia restaurant when she

1880

01:34:38,450 --> 01:34:36,659

was outside smoking a cigarette on April

1881

01:34:45,530 --> 01:34:38,460

21st

1882

01:34:51,950 --> 01:34:49,129

a Brazilian investigator stands

1883

01:34:54,350 --> 01:34:51,960

at the railing behind the back of the

1884

01:35:08,689 --> 01:34:54,360

restaurant posing where the creature did

1885

01:35:13,729 --> 01:35:11,330

Brazilian investigator clauder kovo

1886

01:35:16,490 --> 01:35:13,739

holds the drawing that Mrs klepp made

1887

01:35:19,550 --> 01:35:16,500

from her April 21st encounter

1888

01:35:22,910 --> 01:35:19,560

although it's not a very good picture

1889

01:35:25,129 --> 01:35:22,920

it depicted brown skin and large round

1890

01:35:27,470 --> 01:35:25,139

red eyes

1891

01:35:34,189 --> 01:35:27,480

the skin seemed to be glistening as if

1892

01:35:41,149 --> 01:35:38,030

this drawing is better in quality but

1893

01:35:45,410 --> 01:35:41,159

still lacks the right colors because she

1894

01:35:49,610 --> 01:35:45,420

did describe a dark brown oily skin you

1895

01:35:51,950 --> 01:35:49,620

can see how she depicts a glistening on

1896

01:35:54,830 --> 01:35:51,960

top of the head and here are the large

1897

01:35:57,590 --> 01:35:54,840

red round eyes

1898

01:35:58,490 --> 01:35:57,600

is unclear what this glow is behind the

1899

01:36:00,350 --> 01:35:58,500

head

1900

01:36:06,530 --> 01:36:00,360

but this is the position that the

1901
01:36:11,169 --> 01:36:09,290
here again are the three young women who

1902
01:36:15,649 --> 01:36:11,179
saw the creature crouching by the wall

1903
01:36:19,550 --> 01:36:15,659
on Saturday afternoon January 20th

1904
01:36:21,110 --> 01:36:19,560
valkyria age 14 on the left Katia aged

1905
01:36:23,450 --> 01:36:21,120
22

1906
01:36:26,689 --> 01:36:23,460
in the middle

1907
01:36:27,530 --> 01:36:26,699
and valkyria's sister Lillian age 16 on

1908
01:36:30,470 --> 01:36:27,540
the right

1909
01:36:33,530 --> 01:36:30,480
an interesting footnote

1910
01:36:36,169 --> 01:36:33,540
three months later on April 29th Monday

1911
01:36:38,510 --> 01:36:36,179
at 10 05 pm

1912
01:36:40,370 --> 01:36:38,520
the mother of the Two Sisters was

1913
01:36:42,770 --> 01:36:40,380

approached by a man who offered her

1914

01:36:46,490 --> 01:36:42,780

money if she could persuade her

1915

01:36:55,850 --> 01:36:46,500

daughters to lie and change their story

1916

01:36:58,669 --> 01:36:57,470

this is the end of the drawings in

1917

01:37:00,649 --> 01:36:58,679

photographs

1918

01:37:03,649 --> 01:37:00,659

but now we are going to hear

1919

01:37:07,550 --> 01:37:03,659

several comments and further details as

1920

01:37:10,310 --> 01:37:07,560

presented by age a Girard head of mufon

1921

01:37:14,270 --> 01:37:10,320

in Brazil the mutual UFO Network

1922

01:37:23,350 --> 01:37:14,280

and also the editor for UFO magazine

1923

01:37:30,649 --> 01:37:28,310

yes I'm AJ jeffar 34 years old

1924

01:37:33,830 --> 01:37:30,659

um the editor-in-chief of the Brazilian

1925

01:37:36,530 --> 01:37:33,840

UFO magazine and Brazilian national

1926

01:37:38,270 --> 01:37:36,540

director for Mutual UFO Network I'm also

1927

01:37:40,189 --> 01:37:38,280

director for the Brazilian Center for

1928

01:37:41,450 --> 01:37:40,199

flying saucer research for about 11

1929

01:37:44,330 --> 01:37:41,460

years now

1930

01:37:47,570 --> 01:37:44,340

yes this is a new piece of evidence that

1931

01:37:50,810 --> 01:37:47,580

we just reached what three or four weeks

1932

01:37:53,990 --> 01:37:50,820

ago because a military decide to talk

1933

01:37:57,169 --> 01:37:54,000

more than we have red heard from other

1934

01:37:58,669 --> 01:37:57,179

military and this new new witness have

1935

01:38:01,970 --> 01:37:58,679

told us that

1936

01:38:04,729 --> 01:38:01,980

he was participating in an operation of

1937

01:38:07,310 --> 01:38:04,739

retrieving debris from a crotchet saucer

1938

01:38:10,010 --> 01:38:07,320

or a crushed object he didn't know it

1939

01:38:12,830 --> 01:38:10,020

was an a saucer a flying saucer

1940

01:38:13,910 --> 01:38:12,840

and this operation took place at the

1941

01:38:16,490 --> 01:38:13,920

same night

1942

01:38:19,970 --> 01:38:16,500

the alien creatures were spotted in

1943

01:38:23,390 --> 01:38:19,980

sinning and and captured in Brazil

1944

01:38:24,649 --> 01:38:23,400

but now we know for sure that the U.S

1945

01:38:28,189 --> 01:38:24,659

authorities

1946

01:38:30,950 --> 01:38:28,199

have detected through the satellite

1947

01:38:32,750 --> 01:38:30,960

system that an object was entering our

1948

01:38:35,270 --> 01:38:32,760

atmosphere

1949

01:38:39,350 --> 01:38:35,280

and it it informed the Brazilian

1950

01:38:42,590 --> 01:38:39,360

arthritis that probable point of

1951
01:38:44,990 --> 01:38:42,600
touchdown would be in our territory and

1952
01:38:46,610 --> 01:38:45,000
our military our authorities

1953
01:38:49,189 --> 01:38:46,620
search for

1954
01:38:53,149 --> 01:38:49,199
a place where it could crash or

1955
01:38:55,669 --> 01:38:53,159
touchdown some Raider controllers were

1956
01:38:59,270 --> 01:38:55,679
being involved in involved in this

1957
01:39:01,550 --> 01:38:59,280
detection and it was determinant the

1958
01:39:05,030 --> 01:39:01,560
Touchstone Point as a soft-up stick of

1959
01:39:07,729 --> 01:39:05,040
measure eyes exactly Virginia

1960
01:39:09,590 --> 01:39:07,739
and the military closest to that place

1961
01:39:12,410 --> 01:39:09,600
where said

1962
01:39:14,390 --> 01:39:12,420
to retrieve the debris and possibly

1963
01:39:15,410 --> 01:39:14,400

retrieve eventual creatures that could

1964

01:39:17,209 --> 01:39:15,420

be seen

1965

01:39:18,290 --> 01:39:17,219

what happened is in the morning of that

1966

01:39:21,649 --> 01:39:18,300

day

1967

01:39:24,470 --> 01:39:21,659

started seeing creatures around

1968

01:39:28,189 --> 01:39:24,480

yes the vehicle was described by the

1969

01:39:31,250 --> 01:39:28,199

witness euriku and Orinda a couple who

1970

01:39:34,010 --> 01:39:31,260

lives in a farm about one mile from word

1971

01:39:36,950 --> 01:39:34,020

playing the the object crashed

1972

01:39:40,610 --> 01:39:36,960

they describe this object as being as a

1973

01:39:42,830 --> 01:39:40,620

van or a minibus something between a van

1974

01:39:45,410 --> 01:39:42,840

and a minibus trembling

1975

01:39:49,430 --> 01:39:45,420

trembling they said it traveling like a

1976

01:39:52,070 --> 01:39:49,440

curtain but this trembling like this did

1977

01:39:54,910 --> 01:39:52,080

their metal surface was trending like

1978

01:39:58,250 --> 01:39:54,920

that and releasing his smoke

1979

01:40:01,310 --> 01:39:58,260

and it was felling down and it fell down

1980

01:40:04,129 --> 01:40:01,320

actually and they fall into that

1981

01:40:07,370 --> 01:40:04,139

quicker started saying being seen by

1982

01:40:10,610 --> 01:40:07,380

popular people people around the same

1983

01:40:14,390 --> 01:40:10,620

night first stop was in a

1984

01:40:17,930 --> 01:40:14,400

emergency room in a small place

1985

01:40:22,189 --> 01:40:17,940

neighboring area of Virginia when the

1986

01:40:24,410 --> 01:40:22,199

the doctor in charge on duty at that

1987

01:40:26,450 --> 01:40:24,420

nights looked like the creature he said

1988

01:40:35,290 --> 01:40:26,460

no we can't stay with this future here

1989

01:40:41,090 --> 01:40:38,629

a public Hospital the biggest public

1990

01:40:44,030 --> 01:40:41,100

Hospital in Virginia area which is the

1991

01:40:46,850 --> 01:40:44,040

regional hospital where it was

1992

01:40:49,490 --> 01:40:46,860

treated for two or three hours then it

1993

01:40:51,950 --> 01:40:49,500

was taken to a private Hospital which is

1994

01:40:54,770 --> 01:40:51,960

much more well equipped to receive

1995

01:40:57,890 --> 01:40:54,780

treatment for

1996

01:41:00,470 --> 01:40:57,900

any kind of disease

1997

01:41:02,390 --> 01:41:00,480

and it stayed there for two nights two

1998

01:41:04,030 --> 01:41:02,400

preachers were first taken to like an

1999

01:41:07,970 --> 01:41:04,040

emergency room

2000

01:41:09,950 --> 01:41:07,980

a Trauma Center that kind of brief

2001
01:41:13,370 --> 01:41:09,960
treatment and you said there was a nurse

2002
01:41:16,850 --> 01:41:13,380
who had 18 years experience yes

2003
01:41:19,070 --> 01:41:16,860
and did and she was interviewed

2004
01:41:21,470 --> 01:41:19,080
she was an interview yeah what did she

2005
01:41:23,629 --> 01:41:21,480
say basically about the brief visit

2006
01:41:25,250 --> 01:41:23,639
there at that hospital well she was

2007
01:41:27,649 --> 01:41:25,260
asked by the director not to say

2008
01:41:29,510 --> 01:41:27,659
anything about it to anybody but she

2009
01:41:32,390 --> 01:41:29,520
agreed to talk to the investigators and

2010
01:41:34,490 --> 01:41:32,400
she said that what she saw was not in

2011
01:41:36,470 --> 01:41:34,500
this world was a very strange creature

2012
01:41:39,050 --> 01:41:36,480
in lots of doctor were involved in

2013
01:41:41,629 --> 01:41:39,060

treating the creature for the time of Me

2014

01:41:44,270 --> 01:41:41,639

by the time the creature was there and

2015

01:41:46,310 --> 01:41:44,280

everybody denied in the the director of

2016

01:41:48,109 --> 01:41:46,320

the hospital of course tonight and all

2017

01:41:49,910 --> 01:41:48,119

the doctors denied but a few of them

2018

01:41:52,729 --> 01:41:49,920

decided to talk

2019

01:41:53,629 --> 01:41:52,739

because they realize the importance of

2020

01:41:56,510 --> 01:41:53,639

this case

2021

01:41:58,910 --> 01:41:56,520

15 doctors were involved in in observing

2022

01:42:01,550 --> 01:41:58,920

and treating the creature and making the

2023

01:42:03,470 --> 01:42:01,560

analyze of the creature a few of them

2024

01:42:07,850 --> 01:42:03,480

were not presenting at all were American

2025

01:42:09,590 --> 01:42:07,860

doctors were sent in to Brazil

2026

01:42:12,229 --> 01:42:09,600

to check on it

2027

01:42:14,810 --> 01:42:12,239

and was there any information on where

2028

01:42:17,810 --> 01:42:14,820

the American stayed or how they were

2029

01:42:19,970 --> 01:42:17,820

yeah we have a few information about the

2030

01:42:21,470 --> 01:42:19,980

registering in hotels we have fewer

2031

01:42:25,070 --> 01:42:21,480

names but we believe those names are

2032

01:42:26,750 --> 01:42:25,080

fake uh how many first-hand witnesses

2033

01:42:29,629 --> 01:42:26,760

when you say all of the Brazilian

2034

01:42:33,189 --> 01:42:29,639

investigators have him yeah from from 30

2035

01:42:37,609 --> 01:42:33,199

to 40 30 to 40. yes about 17 military

2036

01:42:39,709 --> 01:42:37,619

agreed to talk 17 17 military from from

2037

01:42:42,669 --> 01:42:39,719

all police military police civilian

2038

01:42:45,709 --> 01:42:42,679

police Army and fire department

2039

01:42:48,709 --> 01:42:45,719

cementing that's incredible that's

2040

01:42:51,590 --> 01:42:48,719

incredible this is a massive number of

2041

01:42:54,830 --> 01:42:51,600

people talking about the same thing it's

2042

01:42:58,550 --> 01:42:54,840

amazing very rare

2043

01:43:01,149 --> 01:42:58,560

yeah we know that there's a lab where

2044

01:43:05,450 --> 01:43:01,159

the autopsies have been performed since

2045

01:43:09,590 --> 01:43:05,460

January by the team of Dr badan paralis

2046

01:43:12,530 --> 01:43:09,600

which runs of our best friends it's not

2047

01:43:14,510 --> 01:43:12,540

the best forensic doctor now and we

2048

01:43:17,450 --> 01:43:14,520

found out that there is a underground

2049

01:43:20,629 --> 01:43:17,460

facility under his lab which is also the

2050

01:43:23,330 --> 01:43:20,639

which is also a lab used by the army

2051
01:43:27,530 --> 01:43:23,340
because we had lots of torture problems

2052
01:43:30,169 --> 01:43:27,540
uh back to 10 20 years ago and when

2053
01:43:32,870 --> 01:43:30,179
someone were tortured it was analyzing

2054
01:43:37,370 --> 01:43:32,880
the underground facility which now has

2055
01:43:40,149 --> 01:43:37,380
been used as a covered place for autopsy

2056
01:43:43,910 --> 01:43:40,159
up the creatures the aliens creatures

2057
01:43:46,609 --> 01:43:43,920
now that information came from what type

2058
01:43:49,430 --> 01:43:46,619
of witness or source

2059
01:43:51,830 --> 01:43:49,440
from people close to the tarbada padais

2060
01:43:54,109 --> 01:43:51,840
who don't want to be identified right

2061
01:43:56,390 --> 01:43:54,119
now right but this these are people very

2062
01:44:00,410 --> 01:43:56,400
close to him and these same people told

2063
01:44:02,510 --> 01:44:00,420

us that he is willing to talk but he is

2064

01:44:06,129 --> 01:44:02,520

about to wait

2065

01:44:08,270 --> 01:44:06,139

the other rumors to seize

2066

01:44:11,870 --> 01:44:08,280

aren't you nobody remembers about the

2067

01:44:15,530 --> 01:44:11,880

story when it's not so evident when he

2068

01:44:17,570 --> 01:44:15,540

is not in such a delicate position then

2069

01:44:19,729 --> 01:44:17,580

he will be willing to talk privately

2070

01:44:22,010 --> 01:44:19,739

with your researchers about what have

2071

01:44:24,050 --> 01:44:22,020

happened you know it's straight what did

2072

01:44:27,410 --> 01:44:24,060

he actually say in researchers and then

2073

01:44:30,050 --> 01:44:27,420

what did she describe well she's she and

2074

01:44:32,689 --> 01:44:30,060

other wives of the militaries was very

2075

01:44:35,629 --> 01:44:32,699

upset because their husbands have to

2076

01:44:37,550 --> 01:44:35,639

stay in the in the in the

2077

01:44:38,390 --> 01:44:37,560

military installation for quite some

2078

01:44:40,310 --> 01:44:38,400

time

2079

01:44:43,010 --> 01:44:40,320

and they start talking about what I have

2080

01:44:44,510 --> 01:44:43,020

he can get off the place he can't even

2081

01:44:46,430 --> 01:44:44,520

get off the place because he has to take

2082

01:44:49,010 --> 01:44:46,440

care of the creature and all the stuff

2083

01:44:52,850 --> 01:44:49,020

and talk to people and do all those

2084

01:44:55,550 --> 01:44:52,860

silly meetings you know how women

2085

01:44:58,189 --> 01:44:55,560

military wives say those says about

2086

01:45:01,010 --> 01:44:58,199

things like that and more than that and

2087

01:45:02,629 --> 01:45:01,020

he the commander Sergio Lima have

2088

01:45:05,030 --> 01:45:02,639

treated very badly the year for

2089

01:45:07,550 --> 01:45:05,040

researchers he tried to deny anything

2090

01:45:11,030 --> 01:45:07,560

everything many times but

2091

01:45:14,629 --> 01:45:11,040

and he once called The Press

2092

01:45:19,129 --> 01:45:14,639

he called The Press because he was

2093

01:45:21,590 --> 01:45:19,139

denounced us withholding information so

2094

01:45:25,310 --> 01:45:21,600

he called the breast who to to defend

2095

01:45:27,129 --> 01:45:25,320

himself and he got in even

2096

01:45:29,990 --> 01:45:27,139

deeper problems

2097

01:45:31,310 --> 01:45:30,000

he tries to get rid of the problem but

2098

01:45:33,830 --> 01:45:31,320

he attracted much more problems because

2099

01:45:35,930 --> 01:45:33,840

the price is not stupid the president's

2100

01:45:37,790 --> 01:45:35,940

not stupid at all and they found out

2101

01:45:39,530 --> 01:45:37,800

everything about the case that's what

2102

01:45:41,209 --> 01:45:39,540

happened well and meanwhile it's insane

2103

01:45:42,890 --> 01:45:41,219

that he's involved in his meetings and

2104

01:45:45,770 --> 01:45:42,900

she even knew what the meaning for about

2105

01:45:47,870 --> 01:45:45,780

didn't she yeah yeah she's starting to

2106

01:45:52,689 --> 01:45:47,880

tell you oh what the hell does Endless

2107

01:45:58,370 --> 01:45:55,970

well if you talk to people in Brazil you

2108

01:46:00,169 --> 01:45:58,380

find easily that 60 of these people

2109

01:46:01,629 --> 01:46:00,179

believe that the government is

2110

01:46:03,950 --> 01:46:01,639

withholding information

2111

01:46:06,410 --> 01:46:03,960

and these people believe that the case

2112

01:46:10,250 --> 01:46:06,420

in Virginia really happened yes it's

2113

01:46:13,790 --> 01:46:10,260

because you know but our nature is that

2114

01:46:16,669 --> 01:46:13,800

we we didn't have a tendency to to

2115

01:46:17,689 --> 01:46:16,679

create stories and perpetuate stories

2116

01:46:21,410 --> 01:46:17,699

now

2117

01:46:23,390 --> 01:46:21,420

it the Press gave such good coverage to

2118

01:46:25,310 --> 01:46:23,400

the case that people believe because

2119

01:46:27,290 --> 01:46:25,320

they have seen the evidence in

2120

01:46:29,270 --> 01:46:27,300

television and other Medias

2121

01:46:31,189 --> 01:46:29,280

and I'll say that six percent of

2122

01:46:33,290 --> 01:46:31,199

population in Brazil lives in the case

2123

01:46:36,830 --> 01:46:33,300

yeah definitely

2124

01:46:39,410 --> 01:46:36,840

well John I I have a personal confidence

2125

01:46:42,890 --> 01:46:39,420

that very soon we are going to have

2126
01:46:46,189 --> 01:46:42,900
fantastic surprises

2127
01:46:49,189 --> 01:46:46,199
quoting the UFO researchers that are

2128
01:46:50,390 --> 01:46:49,199
mostly involved with this case they used

2129
01:46:52,070 --> 01:46:50,400
to say

2130
01:46:55,189 --> 01:46:52,080
I thought

2131
01:46:58,609 --> 01:46:55,199
I was doing UFO research all these years

2132
01:47:01,370 --> 01:46:58,619
now I know that there was playing

2133
01:47:03,970 --> 01:47:01,380
whether you were for research UF

2134
01:47:06,890 --> 01:47:03,980
research is what we have been doing now

2135
01:47:09,350 --> 01:47:06,900
and now we're real this is the real

2136
01:47:12,470 --> 01:47:09,360
thing this is the real nothing is

2137
01:47:14,870 --> 01:47:12,480
compared to it this is what they say and

2138
01:47:18,830 --> 01:47:14,880

I believe that what type of surprise are

2139

01:47:21,229 --> 01:47:18,840

you that we are going to force people to

2140

01:47:24,229 --> 01:47:21,239

talk more and more and more and there

2141

01:47:26,149 --> 01:47:24,239

will come a time when there we will have

2142

01:47:29,209 --> 01:47:26,159

so much information

2143

01:47:31,310 --> 01:47:29,219

that we will drop all this information

2144

01:47:33,590 --> 01:47:31,320

in the face of the military and say now

2145

01:47:35,870 --> 01:47:33,600

what you tell us we have all this

2146

01:47:37,510 --> 01:47:35,880

evidence are you still going on we

2147

01:47:40,490 --> 01:47:37,520

destroyed that nothing happened

2148

01:47:41,930 --> 01:47:40,500

they will be forced to talk yeah

2149

01:47:43,790 --> 01:47:41,940

officially

2150

01:47:45,350 --> 01:47:43,800

and when they do that

2151

01:47:48,169 --> 01:47:45,360

it's gonna be

2152

01:47:50,750 --> 01:47:48,179

fantastic Revelations if our government

2153

01:47:52,910 --> 01:47:50,760

release those information

2154

01:47:53,570 --> 01:47:52,920

it's going to be something unique in the

2155

01:47:56,090 --> 01:47:53,580

world

2156

01:47:58,250 --> 01:47:56,100

but on the other hand you can see that

2157

01:47:59,390 --> 01:47:58,260

National and not National but

2158

01:48:01,609 --> 01:47:59,400

internationally

2159

01:48:05,510 --> 01:48:01,619

there is a big movement

2160

01:48:08,030 --> 01:48:05,520

between people to force all governments

2161

01:48:10,790 --> 01:48:08,040

to speak about your foes like U.S

2162

01:48:12,530 --> 01:48:10,800

government this is 1996. they are

2163

01:48:15,830 --> 01:48:12,540

withholding information for more than 50

2164

01:48:17,149 --> 01:48:15,840

years now teachers can handle all this

2165

01:48:19,310 --> 01:48:17,159

information they just can hold

2166

01:48:21,830 --> 01:48:19,320

information any longer I believe that

2167

01:48:24,530 --> 01:48:21,840

something is going to happen very soon

2168

01:48:26,810 --> 01:48:24,540

either the UFOs will come more and more

2169

01:48:28,609 --> 01:48:26,820

or something I don't know but I believe

2170

01:48:31,790 --> 01:48:28,619

that the governments will very soon

2171

01:48:34,669 --> 01:48:31,800

admit not only the existence of UFOs but

2172

01:48:37,129 --> 01:48:34,679

that they are here and now and they are

2173

01:48:39,530 --> 01:48:37,139

in some sort of mission toward us

2174

01:48:42,350 --> 01:48:39,540

they're not all observing

2175

01:48:45,770 --> 01:48:42,360

it's not only curiosity there is a

2176
01:48:46,850 --> 01:48:45,780
designated plan for approach Earth and

2177
01:48:49,970 --> 01:48:46,860
Earthlings

2178
01:48:53,750 --> 01:48:49,980
and the government is of course aware of

2179
01:48:56,270 --> 01:48:53,760
that much more than humor or me because

2180
01:48:58,609 --> 01:48:56,280
we we may have the willing to know

2181
01:49:01,669 --> 01:48:58,619
everything about UFOs we may have this

2182
01:49:04,370 --> 01:49:01,679
this state of mind that we have we love

2183
01:49:07,550 --> 01:49:04,380
to search these things but it is the

2184
01:49:09,410 --> 01:49:07,560
government who has the personal the labs

2185
01:49:12,830 --> 01:49:09,420
the communications the transportations

2186
01:49:15,290 --> 01:49:12,840
the money the satellites the facilities

2187
01:49:18,109 --> 01:49:15,300
it's the government who has

2188
01:49:23,030 --> 01:49:18,119

everything and of course they know much

2189

01:49:26,870 --> 01:49:23,040

much much more than we do well we still

2190

01:49:29,030 --> 01:49:26,880

are expecting to have more evidence in

2191

01:49:31,729 --> 01:49:29,040

more detail it's not all evidence but

2192

01:49:33,950 --> 01:49:31,739

details about the crash we have

2193

01:49:35,629 --> 01:49:33,960

information we concentrated on the

2194

01:49:38,930 --> 01:49:35,639

capture in obtaining information about

2195

01:49:41,090 --> 01:49:38,940

the capture of the it is right and the

2196

01:49:43,129 --> 01:49:41,100

information about the crash just came

2197

01:49:45,649 --> 01:49:43,139

two or three weeks three or four weeks

2198

01:49:47,689 --> 01:49:45,659

ago and now we're concentrating on that

2199

01:49:50,450 --> 01:49:47,699

I believe we're going to have lots of

2200

01:49:53,930 --> 01:49:50,460

information about it very soon if this

2201
01:49:56,030 --> 01:49:53,940
underground base uh there are bodies

2202
01:49:58,250 --> 01:49:56,040
there now do you believe yes I believe

2203
01:50:00,790 --> 01:49:58,260
there are two at least two bodies but

2204
01:50:03,830 --> 01:50:00,800
probably more does that come from

2205
01:50:06,229 --> 01:50:03,840
eyewitness testimony yes

2206
01:50:09,410 --> 01:50:06,239
the buds were ticking there we know that

2207
01:50:11,930 --> 01:50:09,420
person and was there any belief that any

2208
01:50:13,310 --> 01:50:11,940
bodies or lime beings were taken to the

2209
01:50:17,330 --> 01:50:13,320
United States

2210
01:50:19,370 --> 01:50:17,340
yes there is some evidence that suggests

2211
01:50:22,430 --> 01:50:19,380
that at least one body was taken to

2212
01:50:26,149 --> 01:50:22,440
United States to California on January

2213
01:50:27,770 --> 01:50:26,159

26 1996. interesting

2214

01:50:30,229 --> 01:50:27,780

we don't have the confirmation for that

2215

01:50:32,930 --> 01:50:30,239

but we have information

2216

01:50:34,970 --> 01:50:32,940

not confirmed what do we have this is

2217

01:50:37,070 --> 01:50:34,980

the name Edwards Air Force Base ring a
