

1
00:00:06,730 --> 00:00:03,830
the car began Rising into the air

2
00:00:10,970 --> 00:00:06,740
going up with us in it

3
00:00:14,030 --> 00:00:10,980
and after a period of time of this

4
00:00:16,730 --> 00:00:14,040
sensation of extreme speed Rising upward

5
00:00:18,010 --> 00:00:16,740
being pulled by some force that would

6
00:00:21,970 --> 00:00:18,020
not let go

7
00:00:25,429 --> 00:00:21,980
we I both actually of us found ourselves

8
00:00:27,950 --> 00:00:25,439
outside of the car we were not any

9
00:00:32,810 --> 00:00:27,960
longer seeing it we were in a circular

10
00:00:34,690 --> 00:00:32,820
room that was a gray just a nondescript

11
00:00:37,910 --> 00:00:34,700
Gray

12
00:00:43,190 --> 00:00:37,920
the she and I were both standing there

13
00:00:44,950 --> 00:00:43,200

there was a hallway in front of us and

14

00:00:47,389 --> 00:00:44,960

there were

15

00:00:51,410 --> 00:00:47,399

some several

16

00:00:54,590 --> 00:00:51,420

gray aliens that came over and took my

17

00:00:57,470 --> 00:00:54,600

hands and began walking me down the hall

18

00:01:00,549 --> 00:00:57,480

I described the aliens how high were

19

00:01:04,009 --> 00:01:00,559

there do they have hands feet face

20

00:01:07,550 --> 00:01:04,019

they do yes ma'am they're they have very

21

00:01:10,510 --> 00:01:07,560

large heads they're probably about three

22

00:01:13,390 --> 00:01:10,520

and a half to maybe four feet tall

23

00:01:17,750 --> 00:01:13,400

the eyes are very dark

24

00:01:20,870 --> 00:01:17,760

slanted larger than human eyes the the

25

00:01:25,070 --> 00:01:20,880

mouth is nothing but a switch I didn't

26

00:01:26,770 --> 00:01:25,080

notice any ears the nose to me all I

27

00:01:30,590 --> 00:01:26,780

could see was just a little

28

00:01:33,410 --> 00:01:30,600

tiny little structure it didn't look

29

00:01:37,550 --> 00:01:33,420

like it was really used

30

00:01:42,010 --> 00:01:37,560

um they're very thin the they do have

31

00:01:46,490 --> 00:01:42,020

two arms two legs the arms are longer

32

00:01:49,490 --> 00:01:46,500

than our outer arms the hands are very

33

00:01:53,210 --> 00:01:49,500

different the ones I saw had only four

34

00:01:56,230 --> 00:01:53,220

fingers basically one could have been a

35

00:01:58,670 --> 00:01:56,240

thumb and three fingers they're longer

36

00:02:01,910 --> 00:01:58,680

they had

37

00:02:04,569 --> 00:02:01,920

what appeared to be to me a kind of a

38

00:02:08,690 --> 00:02:04,579

fleshy pad on the end of the fingertips

39

00:02:11,449 --> 00:02:08,700

almost like a suction pad like on a frog

40

00:02:14,930 --> 00:02:11,459

type of thing

41

00:02:16,670 --> 00:02:14,940

um they're very non-human looking what

42

00:02:18,650 --> 00:02:16,680

did they do with you where did they

43

00:02:21,650 --> 00:02:18,660

brought you they brought me to a room

44

00:02:24,050 --> 00:02:21,660

that was brightly lit they left mother

45

00:02:25,970 --> 00:02:24,060

standing at that point that was all I

46

00:02:28,070 --> 00:02:25,980

could recall was that mother was still

47

00:02:32,270 --> 00:02:28,080

standing back there they brought me

48

00:02:34,790 --> 00:02:32,280

forward into a room which looked

49

00:02:37,729 --> 00:02:34,800

exactly well not exactly but it's

50

00:02:40,070 --> 00:02:37,739

reminiscent of what a doctor's office

51
00:02:42,830 --> 00:02:40,080
would look like it appeared to be a

52
00:02:46,250 --> 00:02:42,840
medical room there was a table in there

53
00:02:47,110 --> 00:02:46,260
and they wed me over to the table

54
00:02:48,050 --> 00:02:47,120
and

55
00:02:49,009 --> 00:02:48,060
[Music]

56
00:02:51,410 --> 00:02:49,019
um

57
00:02:53,110 --> 00:02:51,420
somewhere in the process I was disrobed

58
00:02:57,550 --> 00:02:53,120
and they

59
00:03:01,009 --> 00:02:57,560
laid me upon the table and and

60
00:03:04,930 --> 00:03:01,019
performed some kind of medical

61
00:03:12,410 --> 00:03:09,110
appeared to be gynecological in nature

62
00:03:14,809 --> 00:03:12,420
and after a Time

63
00:03:16,729 --> 00:03:14,819

of Performing these procedures they

64

00:03:17,930 --> 00:03:16,739

finally got through with whatever they

65

00:03:21,410 --> 00:03:17,940

were doing

66

00:03:25,250 --> 00:03:21,420

and then they they got me on up from the

67

00:03:28,729 --> 00:03:25,260

table the next thing that I recalled was

68

00:03:32,449 --> 00:03:28,739

being led out of that room into another

69

00:03:34,610 --> 00:03:32,459

room where this was a larger room it was

70

00:03:38,449 --> 00:03:34,620

not as brightly lit as the medical room

71

00:03:41,229 --> 00:03:38,459

was and in the center of this room was

72

00:03:44,990 --> 00:03:41,239

what looked like a

73

00:03:49,009 --> 00:03:45,000

man-sized tube basically of glass or

74

00:03:52,250 --> 00:03:49,019

something clear plastic something and

75

00:03:55,970 --> 00:03:52,260

standing in that tube was Mother

76
00:03:59,149 --> 00:03:55,980
just standing there unmoving and when I

77
00:04:02,030 --> 00:03:59,159
saw her I was very distressed I I had

78
00:04:04,250 --> 00:04:02,040
the feeling I didn't know really if

79
00:04:06,110 --> 00:04:04,260
mother was alive you know she was

80
00:04:08,990 --> 00:04:06,120
standing there not moving not making any

81
00:04:16,250 --> 00:04:11,929
I was real upset and you were you scared

82
00:04:18,650 --> 00:04:16,260
madam not not terrorized scared

83
00:04:22,670 --> 00:04:18,660
just confused

84
00:04:29,090 --> 00:04:25,909
and the first part was similar to hers

85
00:04:31,730 --> 00:04:29,100
of course yeah the same story up to the

86
00:04:34,909 --> 00:04:31,740
point where we're on board the ship but

87
00:04:38,230 --> 00:04:34,919
I'm in this same foyer

88
00:04:41,090 --> 00:04:38,240

area but they came out in on the ship

89

00:04:43,189 --> 00:04:41,100

and I saw her and these two little

90

00:04:45,590 --> 00:04:43,199

creatures going down the hall their

91

00:04:48,890 --> 00:04:45,600

backs were to me

92

00:04:50,689 --> 00:04:48,900

and I was somewhat depressed in the

93

00:04:53,030 --> 00:04:50,699

thing about the fact that she's going

94

00:04:57,110 --> 00:04:53,040

and I'm here and I'd rather keep us all

95

00:04:58,370 --> 00:04:57,120

together but she goes out and disappears

96

00:05:00,830 --> 00:04:58,380

and

97

00:05:02,810 --> 00:05:00,840

seemingly a little bit of time passes

98

00:05:04,210 --> 00:05:02,820

and I'm looking around me to see what's

99

00:05:06,950 --> 00:05:04,220

going on

100

00:05:09,950 --> 00:05:06,960

and then the next thing I know I'm in

101
00:05:12,290 --> 00:05:09,960
that last room the round one where that

102
00:05:16,070 --> 00:05:12,300
tube of there is

103
00:05:18,350 --> 00:05:16,080
and in that room I was never aware of

104
00:05:20,930 --> 00:05:18,360
the tube but I did see

105
00:05:23,390 --> 00:05:20,940
the wall with instruments on it they

106
00:05:25,129 --> 00:05:23,400
look like computer readouts except they

107
00:05:26,930 --> 00:05:25,139
were scrolling from the right to the

108
00:05:29,529 --> 00:05:26,940
left instead of up and down like

109
00:05:33,409 --> 00:05:29,539
Americans do

110
00:05:35,029 --> 00:05:33,419
and then after that I'm assuming how the

111
00:05:38,510 --> 00:05:35,039
bottom of the car I mean how's the

112
00:05:40,909 --> 00:05:38,520
bottom of this thing and I looked up and

113
00:05:42,830 --> 00:05:40,919

saw this thing up over my head the

114

00:05:46,909 --> 00:05:42,840

machine

115

00:05:50,990 --> 00:05:46,919

and it had this Iris eye on it that was

116

00:05:54,830 --> 00:05:51,000

just closing as we're going out

117

00:05:59,029 --> 00:05:54,840

and we get back in the car and

118

00:06:01,909 --> 00:05:59,039

it's hard because you do feel isolated

119

00:06:03,650 --> 00:06:01,919

even though you are fortunate enough to

120

00:06:05,870 --> 00:06:03,660

run into other people who have

121

00:06:07,370 --> 00:06:05,880

experienced these things you still know

122

00:06:10,010 --> 00:06:07,380

that there are a lot of people out there

123

00:06:12,409 --> 00:06:10,020

that you can't talk to about this you

124

00:06:14,749 --> 00:06:12,419

can't tell them that

125

00:06:17,629 --> 00:06:14,759

I talk to the aliens every night you

126

00:06:19,310 --> 00:06:17,639

know or whenever it is there's one

127

00:06:21,129 --> 00:06:19,320

person in the world who knows that you

128

00:06:24,830 --> 00:06:21,139

are telling the truth and it's your mom

129

00:06:27,830 --> 00:06:24,840

yes thank God

130

00:06:29,629 --> 00:06:27,840

yeah that probably helped me more than

131

00:06:32,210 --> 00:06:29,639

anything if I had had only my own

132

00:06:33,950 --> 00:06:32,220

memories it would have been harder but

133

00:06:37,010 --> 00:06:33,960

because mother and I shared that one

134

00:06:39,290 --> 00:06:37,020

it's been a lot easier with with having

135

00:06:42,050 --> 00:06:39,300

a family member who was there and said

136

00:06:44,570 --> 00:06:42,060

the same thing exactly with no sharing

137

00:06:46,850 --> 00:06:44,580

you know of facts beforehand

138

00:06:50,450 --> 00:06:46,860

after all these years man how do you

139

00:06:53,990 --> 00:06:50,460

feel about the story now I never had any

140

00:06:57,230 --> 00:06:54,000

particular ill feelings about it

141

00:07:00,170 --> 00:06:57,240

I was always interested in esoteric of a

142

00:07:02,270 --> 00:07:00,180

one side or another so to me it was just

143

00:07:04,330 --> 00:07:02,280

another part of it I was a fairy tale

144

00:07:07,309 --> 00:07:04,340

reader as a child

145

00:07:10,210 --> 00:07:07,319

have you seen it that's a fairy tale no

146

00:07:13,189 --> 00:07:10,220

but I mean it's easier to accept

147

00:07:15,469 --> 00:07:13,199

something that is a little outside of

148

00:07:18,110 --> 00:07:15,479

ordinary daily life

149

00:07:20,029 --> 00:07:18,120

if you have read a great deal in other

150

00:07:22,129 --> 00:07:20,039

ways you know that

151
00:07:24,610 --> 00:07:22,139
areas

152
00:07:28,070 --> 00:07:24,620
so it didn't come as any particular

153
00:07:30,110 --> 00:07:28,080
stunning to me that it could be alien

154
00:07:32,570 --> 00:07:30,120
life

155
00:07:35,990 --> 00:07:32,580
because I had never had a belief that we

156
00:07:38,390 --> 00:07:36,000
were the only ones in the universe it's

157
00:07:41,990 --> 00:07:38,400
ridiculous for us to have supposed that

158
00:07:47,930 --> 00:07:42,000
the world was all there was

159
00:07:53,689 --> 00:07:52,490
hi I'm Lynn I live in a small town in in

160
00:07:56,150 --> 00:07:53,699
Arkansas

161
00:07:57,650 --> 00:07:56,160
and I hope you'll forgive me I I knew

162
00:07:59,629 --> 00:07:57,660
that I was going to be scared to death

163
00:08:04,790 --> 00:07:59,639

and I wrote the whole thing

164

00:08:08,930 --> 00:08:07,490

my conscious knowledge of personal

165

00:08:12,170 --> 00:08:08,940

involvement with the abduction

166

00:08:14,809 --> 00:08:12,180

phenomenon began only one year ago

167

00:08:17,330 --> 00:08:14,819

the event that led to the discovery of a

168

00:08:19,490 --> 00:08:17,340

bizarre reality in my life occurred over

169

00:08:22,010 --> 00:08:19,500

20 years ago

170

00:08:23,029 --> 00:08:22,020

due to the unusual nature of the

171

00:08:26,650 --> 00:08:23,039

occurrence

172

00:08:29,089 --> 00:08:26,660

I saw it as systems last year

173

00:08:31,990 --> 00:08:29,099

and was referred to an imminently

174

00:08:34,430 --> 00:08:32,000

qualified professional hypnotherapist

175

00:08:37,370 --> 00:08:34,440

and at this time I would like to say

176

00:08:39,850 --> 00:08:37,380

that it that is John Carpenter and I'm

177

00:08:42,290 --> 00:08:39,860

very grateful to him

178

00:08:44,630 --> 00:08:42,300

after an exchange of pertinent

179

00:08:47,389 --> 00:08:44,640

information it was determined that

180

00:08:49,910 --> 00:08:47,399

enough symptomology existed to Warrant

181

00:08:51,350 --> 00:08:49,920

hypnosis to recover some possible block

182

00:08:55,130 --> 00:08:51,360

memories

183

00:08:57,730 --> 00:08:55,140

I fully expected and I desired a mundane

184

00:09:00,110 --> 00:08:57,740

answer to my questions

185

00:09:02,810 --> 00:09:00,120

intellectually I'd entertain the notion

186

00:09:05,990 --> 00:09:02,820

that alien life could exist somewhere

187

00:09:09,290 --> 00:09:06,000

out there but I had never thought about

188

00:09:10,910 --> 00:09:09,300

it on a visceral level and I I had not

189

00:09:14,269 --> 00:09:10,920

thought about what it would mean to me

190

00:09:20,750 --> 00:09:18,710

21 years ago on a warm sunny day a

191

00:09:22,730 --> 00:09:20,760

family member and I had attended to some

192

00:09:24,470 --> 00:09:22,740

business in a large city in central

193

00:09:27,050 --> 00:09:24,480

Arkansas

194

00:09:29,509 --> 00:09:27,060

around one o'clock in the afternoon we

195

00:09:32,269 --> 00:09:29,519

left the city to begin the trip home a

196

00:09:34,610 --> 00:09:32,279

trip of approximately three hours

197

00:09:35,449 --> 00:09:34,620

we were both relaxed and in a pleasant

198

00:09:38,509 --> 00:09:35,459

mood

199

00:09:41,630 --> 00:09:38,519

after two hours of driving time

200

00:09:43,250 --> 00:09:41,640

we approached a small town a road crew

201
00:09:44,570 --> 00:09:43,260
was doing some blasting on the highway

202
00:09:46,850 --> 00:09:44,580
that day

203
00:09:49,850 --> 00:09:46,860
and signaled the traffic and Arlene to

204
00:09:52,430 --> 00:09:49,860
stop we were the lead car and there were

205
00:09:54,590 --> 00:09:52,440
three or four other cars behind us

206
00:09:57,350 --> 00:09:54,600
after clearing the road the crew allowed

207
00:09:59,210 --> 00:09:57,360
us to continue and we slowly approached

208
00:10:01,009 --> 00:09:59,220
our turn at the junction of an

209
00:10:03,829 --> 00:10:01,019
intersecting Highway

210
00:10:06,949 --> 00:10:03,839
we both recalled seeing the turn

211
00:10:09,530 --> 00:10:06,959
and then everything went blank

212
00:10:11,210 --> 00:10:09,540
after an interval of grogginess we

213
00:10:14,570 --> 00:10:11,220

suddenly found ourselves on an

214

00:10:17,930 --> 00:10:14,580

unfamiliar paved road with no road signs

215

00:10:21,110 --> 00:10:17,940

or other indicators of our location

216

00:10:24,050 --> 00:10:21,120

the road appeared new and unused both of

217

00:10:26,449 --> 00:10:24,060

us were extremely agitated and began

218

00:10:29,389 --> 00:10:26,459

looking for a turnaround hoping we would

219

00:10:32,509 --> 00:10:29,399

find familiar territory by turning back

220

00:10:34,070 --> 00:10:32,519

we finally found a very small area that

221

00:10:35,690 --> 00:10:34,080

allowed us to turn the car in the

222

00:10:38,210 --> 00:10:35,700

opposite direction

223

00:10:40,670 --> 00:10:38,220

after several minutes we entered the

224

00:10:44,690 --> 00:10:40,680

town from the wrong direction but we had

225

00:10:46,850 --> 00:10:44,700

not driven through the town to get there

226

00:10:49,250 --> 00:10:46,860

we finally made her turn onto the

227

00:10:51,530 --> 00:10:49,260

intersecting Highway and continued the

228

00:10:53,810 --> 00:10:51,540

drive toward home extremely puzzled

229

00:10:56,750 --> 00:10:53,820

about what had just happened to us

230

00:10:58,610 --> 00:10:56,760

the area was very rural and the road was

231

00:11:01,250 --> 00:10:58,620

lined with large trees

232

00:11:04,850 --> 00:11:01,260

both of us felt a sense of unease and a

233

00:11:07,370 --> 00:11:04,860

desire to get home as soon as possible

234

00:11:10,069 --> 00:11:07,380

after we drove a short distance I

235

00:11:12,290 --> 00:11:10,079

glanced out the left-hand window and saw

236

00:11:14,150 --> 00:11:12,300

a silver object in the sky that seemed

237

00:11:16,430 --> 00:11:14,160

to be pacing us

238

00:11:17,990 --> 00:11:16,440

pointed it out to my family member who

239

00:11:20,329 --> 00:11:18,000

was driving

240

00:11:22,910 --> 00:11:20,339

neither of us could determine any

241

00:11:25,850 --> 00:11:22,920

identifying marks and heard no sound

242

00:11:28,970 --> 00:11:25,860

Although our windows were rolled down

243

00:11:31,850 --> 00:11:28,980

we both wanted it to be an airplane even

244

00:11:33,949 --> 00:11:31,860

though it had no wings or tail

245

00:11:37,009 --> 00:11:33,959

I watched the craft for several minutes

246

00:11:38,810 --> 00:11:37,019

and it continued pacing as sometimes

247

00:11:40,310 --> 00:11:38,820

briefly hidden from view behind the

248

00:11:42,590 --> 00:11:40,320

large trees

249

00:11:46,490 --> 00:11:42,600

eventually I looked away from the object

250

00:11:49,190 --> 00:11:46,500

and when I looked again it disappeared

251
00:11:51,470 --> 00:11:49,200
we arrived home we realized that we had

252
00:11:53,090 --> 00:11:51,480
lost about an hour of time somewhere

253
00:11:55,490 --> 00:11:53,100
during the trip

254
00:11:57,710 --> 00:11:55,500
we told other family members of the

255
00:12:00,590 --> 00:11:57,720
strange occurrence and even returned to

256
00:12:02,750 --> 00:12:00,600
the town shortly afterward specifically

257
00:12:04,810 --> 00:12:02,760
to try to locate The Peculiar Road we'd

258
00:12:08,630 --> 00:12:04,820
been on that day

259
00:12:11,090 --> 00:12:08,640
missing time plagued us off and on over

260
00:12:14,090 --> 00:12:11,100
the intervening years and finally after

261
00:12:16,190 --> 00:12:14,100
20 years I could no longer stand not

262
00:12:18,710 --> 00:12:16,200
knowing what had happened to us

263
00:12:20,630 --> 00:12:18,720

I began a concerted effort to locate

264

00:12:23,930 --> 00:12:20,640

someone who could help us break through

265

00:12:26,630 --> 00:12:23,940

the Amnesia of that day

266

00:12:29,509 --> 00:12:26,640

under separate independent hypnosis

267

00:12:31,430 --> 00:12:29,519

sessions my family member and I explored

268

00:12:33,470 --> 00:12:31,440

the events that had occurred during the

269

00:12:35,810 --> 00:12:33,480

hour of missing time

270

00:12:38,630 --> 00:12:35,820

with no knowledge of what the other had

271

00:12:41,630 --> 00:12:38,640

recovered under hypnosis our memories

272

00:12:43,670 --> 00:12:41,640

indicated substantive corroboration of

273

00:12:46,550 --> 00:12:43,680

an abduction by beings that were

274

00:12:48,949 --> 00:12:46,560

anything but human

275

00:12:52,129 --> 00:12:48,959

both of us recalled reaching the turn in

276
00:12:54,650 --> 00:12:52,139
the road and having a tremendous Force

277
00:12:59,150 --> 00:12:54,660
physically with our automobile into the

278
00:13:02,030 --> 00:12:59,160
air with us still inside unable to move

279
00:13:04,550 --> 00:13:02,040
after a short period of time we found

280
00:13:06,350 --> 00:13:04,560
ourselves in a round seamless room with

281
00:13:08,930 --> 00:13:06,360
a dome ceiling

282
00:13:11,690 --> 00:13:08,940
I reported that my family member and I

283
00:13:13,190 --> 00:13:11,700
were separated at this point as I was

284
00:13:15,829 --> 00:13:13,200
led down a hall

285
00:13:18,530 --> 00:13:15,839
my family member stated seeing me let

286
00:13:21,230 --> 00:13:18,540
off down a long hallway by three alien

287
00:13:22,850 --> 00:13:21,240
beings one smaller than I and two about

288
00:13:25,310 --> 00:13:22,860

my height

289

00:13:27,829 --> 00:13:25,320

I was taken into a brightly lit room

290

00:13:30,410 --> 00:13:27,839

where a physical examination and other

291

00:13:32,870 --> 00:13:30,420

medical procedures were performed

292

00:13:35,210 --> 00:13:32,880

my family member was shown several rooms

293

00:13:36,710 --> 00:13:35,220

during this time as if receiving a tour

294

00:13:39,590 --> 00:13:36,720

of The Craft

295

00:13:42,110 --> 00:13:39,600

finally after a period of time I was

296

00:13:43,730 --> 00:13:42,120

taken into another room where I rejoined

297

00:13:46,430 --> 00:13:43,740

my family member

298

00:13:48,230 --> 00:13:46,440

We Were released shortly afterward and

299

00:13:51,110 --> 00:13:48,240

re-entered our car apparently having

300

00:13:53,930 --> 00:13:51,120

been placed on the wrong side of town

301
00:13:56,090 --> 00:13:53,940
we turned on the engine and drove off

302
00:13:57,889 --> 00:13:56,100
soon realizing that we were in

303
00:13:59,870 --> 00:13:57,899
unfamiliar territory

304
00:14:02,870 --> 00:13:59,880
from that point on our conscious

305
00:14:05,569 --> 00:14:02,880
memories had taken over

306
00:14:07,670 --> 00:14:05,579
my questions had been answered in the

307
00:14:09,530 --> 00:14:07,680
events of that lost hour were no longer

308
00:14:12,470 --> 00:14:09,540
missing

309
00:14:14,269 --> 00:14:12,480
several of my family members and I have

310
00:14:17,090 --> 00:14:14,279
explored many other shared and

311
00:14:19,430 --> 00:14:17,100
individual Encounters in the past year

312
00:14:21,710 --> 00:14:19,440
both consciously remembered and through

313
00:14:24,530 --> 00:14:21,720

the use of hypnosis

314

00:14:27,350 --> 00:14:24,540

invariably the shared encounters have

315

00:14:29,449 --> 00:14:27,360

contained corroborative information

316

00:14:31,250 --> 00:14:29,459

these encounters have occurred during

317

00:14:34,370 --> 00:14:31,260

both day and night

318

00:14:35,870 --> 00:14:34,380

in my family at least the abduction

319

00:14:38,870 --> 00:14:35,880

phenomenon appears to be

320

00:14:41,689 --> 00:14:38,880

intergenerational and ongoing

321

00:14:44,509 --> 00:14:41,699

it is shattered my complacency and

322

00:14:46,730 --> 00:14:44,519

belief in a small world view and has

323

00:14:49,970 --> 00:14:46,740

forced me to see things in a more Cosmic

324

00:14:55,069 --> 00:14:53,449

and that ultimately is why I'm sitting

325

00:14:58,210 --> 00:14:55,079

here before you today

326

00:15:01,970 --> 00:14:58,220

from the reaction of my family friends

327

00:15:04,430 --> 00:15:01,980

co-workers and myself I know that the

328

00:15:07,730 --> 00:15:04,440

urge to deny the abduction phenomenon is

329

00:15:11,750 --> 00:15:07,740

very strong but ladies and gentlemen it

330

00:15:14,269 --> 00:15:11,760

is real in the final analysis the only

331

00:15:16,850 --> 00:15:14,279

defense we have against the unknown is

332

00:15:18,949 --> 00:15:16,860

knowledge and it's in the hopes of

333

00:15:22,550 --> 00:15:18,959

gaining that knowledge that I accept

334

00:15:25,310 --> 00:15:22,560

future encounters for knowledge will not

335

00:15:36,189 --> 00:15:25,320

be gained through denial

336

00:15:42,949 --> 00:15:39,889

one thing that that is real prevalent in

337

00:15:45,410 --> 00:15:42,959

in all of this abductee thing is whether

338

00:15:46,129 --> 00:15:45,420

it's good or bad

339

00:15:48,769 --> 00:15:46,139

um

340

00:15:53,329 --> 00:15:48,779

and that was one thing that came up real

341

00:15:57,230 --> 00:15:53,339

early in my situation and it was

342

00:15:59,750 --> 00:15:57,240

something that that is very hurtful it's

343

00:16:01,910 --> 00:15:59,760

not something I think that

344

00:16:04,069 --> 00:16:01,920

I think that all of us need to be very

345

00:16:06,889 --> 00:16:04,079

very nice and kind to each other because

346

00:16:09,230 --> 00:16:06,899

we're all in it together uh in the

347

00:16:13,009 --> 00:16:09,240

experiences that we have are very

348

00:16:15,650 --> 00:16:13,019

subjective uh each one of us

349

00:16:18,110 --> 00:16:15,660

the same thing could be happening to

350

00:16:22,250 --> 00:16:18,120

every one of us but we take with it our

351
00:16:26,329 --> 00:16:22,260
own baggage we you know and you you

352
00:16:28,610 --> 00:16:26,339
cannot say that any person is wrong for

353
00:16:30,949 --> 00:16:28,620
feeling that it was negative or wrong

354
00:16:33,530 --> 00:16:30,959
for feeling that it was good

355
00:16:36,430 --> 00:16:33,540
because I I do feel that it is very

356
00:16:38,870 --> 00:16:36,440
subjective in

357
00:16:39,980 --> 00:16:38,880
I think

358
00:16:41,150 --> 00:16:39,990
we

359
00:16:44,090 --> 00:16:41,160
[Music]

360
00:16:47,110 --> 00:16:44,100
it's a hard enough situation that that

361
00:16:50,689 --> 00:16:47,120
we we just need to be good to each other

362
00:16:53,030 --> 00:16:50,699
don't add to the situation

363
00:16:54,530 --> 00:16:53,040

um you know by we already have an alien
