

1  
00:00:05,150 --> 00:00:02,629  
when we woke up in the middle of the

2  
00:00:08,150 --> 00:00:05,160  
night the object was out over the lake

3  
00:00:10,370 --> 00:00:08,160  
between this tree and this tree what

4  
00:00:13,190 --> 00:00:10,380  
kind of object was it well I saw a large

5  
00:00:16,070 --> 00:00:13,200  
egg-shaped ellipse with a big light

6  
00:00:17,930 --> 00:00:16,080  
coming out of it and from my view from

7  
00:00:20,269 --> 00:00:17,940  
the house I didn't see the ellipse

8  
00:00:23,870 --> 00:00:20,279  
elliptical shape so much but I saw this

9  
00:00:27,710 --> 00:00:23,880  
huge beam of light coming out 20 30 feet

10  
00:00:30,050 --> 00:00:27,720  
high seeing the UFO was not the whole

11  
00:00:32,630 --> 00:00:30,060  
experience it was only the end

12  
00:00:35,569 --> 00:00:32,640  
of a much longer experience and so what

13  
00:00:38,330 --> 00:00:35,579

we discovered was that between the time

14

00:00:41,110 --> 00:00:38,340

we went to sleep and the time we woke up

15

00:00:43,510 --> 00:00:41,120

that that we'd actually had an encounter

16

00:00:47,750 --> 00:00:43,520

I recalled

17

00:00:51,290 --> 00:00:47,760

suddenly being higher than the bed I I

18

00:00:54,470 --> 00:00:51,300

was lying on the bed on my back and my

19

00:00:56,510 --> 00:00:54,480

feet were I could see my feet turning up

20

00:00:59,569 --> 00:00:56,520

a little like your feet would if you're

21

00:01:02,029 --> 00:00:59,579

lying down the toes are up higher

22

00:01:04,969 --> 00:01:02,039

and I could see them and I was lying

23

00:01:08,030 --> 00:01:04,979

down and I could feel that I was maybe a

24

00:01:11,330 --> 00:01:08,040

foot above the bed and I was really

25

00:01:14,570 --> 00:01:11,340

interested in that I thought

26

00:01:16,810 --> 00:01:14,580

wow and but I could just feel it and

27

00:01:19,910 --> 00:01:16,820

then my body started to move

28

00:01:22,690 --> 00:01:19,920

and it turned slightly and it went

29

00:01:28,070 --> 00:01:22,700

toward the wall and I just kept moving

30

00:01:29,990 --> 00:01:28,080

and soon I was moving through the wall

31

00:01:33,469 --> 00:01:30,000

and I would think that that would be

32

00:01:37,670 --> 00:01:33,479

basically crazy but that's what was

33

00:01:40,910 --> 00:01:37,680

happening and somehow I was moved into

34

00:01:43,190 --> 00:01:40,920

this light tunnel

35

00:01:46,190 --> 00:01:43,200

I don't know because I can't see where I

36

00:01:49,069 --> 00:01:46,200

was or if anyone was with me but I was

37

00:01:50,749 --> 00:01:49,079

kind of like tilted back

38

00:01:52,370 --> 00:01:50,759

you know I don't really know how to

39

00:01:54,050 --> 00:01:52,380

explain it but if I'm up straight I was

40

00:01:56,630 --> 00:01:54,060

kind of like tilted back

41

00:01:58,249 --> 00:01:56,640

and then I thought I saw some beings but

42

00:02:01,550 --> 00:01:58,259

I couldn't get a clear image it was like

43

00:02:03,590 --> 00:02:01,560

if you had a camera and you kept turning

44

00:02:06,170 --> 00:02:03,600

the lens and putting the person in and

45

00:02:08,270 --> 00:02:06,180

out of focus I couldn't really focus on

46

00:02:09,770 --> 00:02:08,280

them so they'd be kind of a shape of

47

00:02:12,470 --> 00:02:09,780

like five

48

00:02:14,510 --> 00:02:12,480

shoulders and heads looking at me and

49

00:02:15,770 --> 00:02:14,520

then I was moved to another place and

50

00:02:19,309 --> 00:02:15,780

there was kind of like a big light

51  
00:02:20,330 --> 00:02:19,319  
shining on me with some silhouettes of

52  
00:02:22,670 --> 00:02:20,340  
people

53  
00:02:25,130 --> 00:02:22,680  
or beings and then I was brought to

54  
00:02:28,630 --> 00:02:25,140  
another place I didn't have really

55  
00:02:31,130 --> 00:02:28,640  
a lot of clear images and then suddenly

56  
00:02:32,809 --> 00:02:31,140  
I was

57  
00:02:35,150 --> 00:02:32,819  
going backwards

58  
00:02:38,210 --> 00:02:35,160  
through the tunnel that I had just gone

59  
00:02:40,250 --> 00:02:38,220  
forwards through and I could recognize

60  
00:02:42,110 --> 00:02:40,260  
the sequence of the colors

61  
00:02:44,089 --> 00:02:42,120  
and so I knew I was going back through

62  
00:02:45,589 --> 00:02:44,099  
the very same thing that I'd gone

63  
00:02:47,030 --> 00:02:45,599

through and then suddenly there was just

64

00:02:51,170 --> 00:02:47,040

blinding light

65

00:02:54,250 --> 00:02:51,180

and I was sitting on the edge of the bed

66

00:02:58,550 --> 00:02:54,260

there was a being with me

67

00:03:00,610 --> 00:02:58,560

and and I was seated in a chair and I

68

00:03:04,309 --> 00:03:00,620

was just moving down the tunnel

69

00:03:07,150 --> 00:03:04,319

something was drawing me down and this

70

00:03:10,970 --> 00:03:07,160

being was with me and I I was

71

00:03:14,589 --> 00:03:10,980

completely feeling love

72

00:03:19,309 --> 00:03:14,599

I felt very comfortable and very secure

73

00:03:21,229 --> 00:03:19,319

I felt surrounded by love it was amazing

74

00:03:23,509 --> 00:03:21,239

I just couldn't

75

00:03:27,110 --> 00:03:23,519

I can't even explain it too well right

76

00:03:30,890 --> 00:03:27,120

now I just felt so safe

77

00:03:34,869 --> 00:03:30,900

and then I was the next thing I knew

78

00:03:37,430 --> 00:03:34,879

well this being was made of light

79

00:03:40,309 --> 00:03:37,440

which I had never seen a being of light

80

00:03:42,410 --> 00:03:40,319

before but I could see the eyes were

81

00:03:44,449 --> 00:03:42,420

brighter and then the rest of the there

82

00:03:46,789 --> 00:03:44,459

was not a definition of a body it was

83

00:03:49,910 --> 00:03:46,799

just light and

84

00:03:51,649 --> 00:03:49,920

um but it was very loving and friendly

85

00:03:53,630 --> 00:03:51,659

and then the next thing I knew I was

86

00:03:56,809 --> 00:03:53,640

sitting on the end of the bed looking

87

00:03:58,550 --> 00:03:56,819

out the window at this uh

88

00:04:00,710 --> 00:03:58,560

tunnel of light

89

00:04:03,530 --> 00:04:00,720

which is across the lake

90

00:04:06,890 --> 00:04:03,540

I couldn't tell if it was disappearing

91

00:04:09,470 --> 00:04:06,900

or if it was being retracted back into

92

00:04:11,210 --> 00:04:09,480

the big ellipse but it was

93

00:04:13,910 --> 00:04:11,220

it was being pulled in or it was

94

00:04:15,830 --> 00:04:13,920

disappearing and then for one moment

95

00:04:20,030 --> 00:04:15,840

there was no extension there was just

96

00:04:23,150 --> 00:04:20,040

the big egg-shaped object and then

97

00:04:25,250 --> 00:04:23,160

it was gone and it vanished vanished

98

00:04:26,930 --> 00:04:25,260

right before my eyes

99

00:04:28,969 --> 00:04:26,940

[Music]

100

00:04:30,890 --> 00:04:28,979

even more surprising is that the night

101  
00:04:32,689 --> 00:04:30,900  
before their experience Michael a

102  
00:04:34,670 --> 00:04:32,699  
romantic at heart captured their evening

103  
00:04:36,650 --> 00:04:34,680  
on film so that if he and Trish were

104  
00:04:38,870 --> 00:04:36,660  
still together the following year they

105  
00:04:41,390 --> 00:04:38,880  
could watch the tape for no particular

106  
00:04:43,670 --> 00:04:41,400  
reason he went to film outside as

107  
00:04:46,010 --> 00:04:43,680  
planned they watched the tape one year

108  
00:04:48,710 --> 00:04:46,020  
later only to find that an unexplained

109  
00:04:51,469 --> 00:04:48,720  
object had been recorded this is the

110  
00:04:53,090 --> 00:04:51,479  
cabin that we stayed in when we had the

111  
00:04:55,370 --> 00:04:53,100  
encounter that's the bedroom that's the

112  
00:04:57,170 --> 00:04:55,380  
living room now I'm outside the cabin

113  
00:04:59,810 --> 00:04:57,180

looking back in there's me in the

114

00:05:02,450 --> 00:04:59,820

camcorder but look here's a light and a

115

00:05:05,330 --> 00:05:02,460

light and I'm zoomed right in on it and

116

00:05:08,210 --> 00:05:05,340

yet and there's another one down here

117

00:05:09,410 --> 00:05:08,220

and I really wasn't aware of them it

118

00:05:18,010 --> 00:05:09,420

wasn't what I wanted to do

119

00:05:23,029 --> 00:05:20,150

and the silent

120

00:05:24,710 --> 00:05:23,039

see it's completely silent but now some

121

00:05:26,390 --> 00:05:24,720

geese come in

122

00:05:28,510 --> 00:05:26,400

until you see that the camcorder is

123

00:05:31,370 --> 00:05:28,520

working so what were those silent lights

124

00:05:33,050 --> 00:05:31,380

and how did they just vanish

125

00:05:34,790 --> 00:05:33,060

and the most amazing thing is that you

126

00:05:36,230 --> 00:05:34,800

you remember that you filmed that I

127

00:05:38,930 --> 00:05:36,240

don't remember I filmed it and so now

128

00:05:40,969 --> 00:05:38,940

I'm back just making the dinner as if it

129

00:05:42,950 --> 00:05:40,979

never happened and I didn't see the

130

00:05:45,230 --> 00:05:42,960

pictures for a year because we were

131

00:05:46,969 --> 00:05:45,240

still dating a year later and I took the
