

1
00:00:04,670 --> 00:00:02,330
and you just tell me very briefly if we

2
00:00:08,390 --> 00:00:04,680
go along just say what your name is and

3
00:00:11,870 --> 00:00:08,400
what what you saw Nathaniel

4
00:00:17,090 --> 00:00:15,530
was on the ground values they should did

5
00:00:19,370 --> 00:00:17,100
it have a shape

6
00:00:23,990 --> 00:00:19,380
yes not what

7
00:00:30,530 --> 00:00:28,910
it had a long topical effects that Focus

8
00:00:31,130 --> 00:00:30,540
around the side just

9
00:00:34,330 --> 00:00:31,140
[Music]

10
00:00:39,770 --> 00:00:37,670
did you see anything else yes we saw a

11
00:00:42,590 --> 00:00:39,780
black man running around

12
00:00:44,990 --> 00:00:42,600
just a little man or what

13
00:00:47,630 --> 00:00:45,000

full movie the curious about this small

14

00:00:52,010 --> 00:00:47,640

but we were quite layaway so it was

15

00:00:55,069 --> 00:00:52,020

about our size could you see his face no

16

00:00:58,189 --> 00:00:55,079

what's your name my name's Luke now and

17

00:01:00,650 --> 00:00:58,199

I didn't see the spaceship but I saw the

18

00:01:04,070 --> 00:01:00,660

little black guy he looked he was all

19

00:01:05,509 --> 00:01:04,080

black and it looked like he had long

20

00:01:08,630 --> 00:01:05,519

hair

21

00:01:10,370 --> 00:01:08,640

could you see his face just in the black

22

00:01:13,250 --> 00:01:10,380

horse was he wearing

23

00:01:24,289 --> 00:01:13,260

uh it just looked like he he had long

24

00:01:29,210 --> 00:01:26,570

why was he among the trees it's just

25

00:01:32,289 --> 00:01:29,220

about like a shadow and just showed a

26

00:01:37,429 --> 00:01:32,299

sudden okay what is your name

27

00:01:37,439 --> 00:01:41,090

what did you think it was

28

00:01:46,249 --> 00:01:43,429

um I don't know that really did you see

29

00:01:47,929 --> 00:01:46,259

the things that my favorite was land

30

00:01:52,670 --> 00:01:47,939

yes and

31

00:01:55,910 --> 00:01:52,680

after all the bell rang and I was

32

00:01:59,389 --> 00:01:55,920

I was walking up to the cross and I just

33

00:02:02,990 --> 00:01:59,399

saw flashes inside of my eye

34

00:02:05,149 --> 00:02:03,000

and that's really what I also but you

35

00:02:08,449 --> 00:02:05,159

didn't see anything on the ground

36

00:02:09,830 --> 00:02:08,459

no I thought that just there

37

00:02:12,050 --> 00:02:09,840

cool thing

38

00:02:19,250 --> 00:02:12,060

I

39

00:02:22,130 --> 00:02:19,260

this silver thing in amongst this clump

40

00:02:25,309 --> 00:02:22,140

of trees with this one thing sitting on

41

00:02:27,890 --> 00:02:25,319

the side and another thing sort of like

42

00:02:31,250 --> 00:02:27,900

running up and down the top

43

00:02:35,089 --> 00:02:31,260

when you say thing was it a form of some

44

00:02:40,390 --> 00:02:35,099

sort yeah it all it almost looked like a

45

00:02:44,690 --> 00:02:43,250

and what did you think it was what were

46

00:02:46,430 --> 00:02:44,700

your thoughts

47

00:02:52,309 --> 00:02:46,440

I

48

00:02:57,050 --> 00:02:52,319

was

49

00:02:58,970 --> 00:02:57,060

um just some some boy from

50

00:03:03,170 --> 00:02:58,980

from the

51
00:03:05,990 --> 00:03:03,180
the compound um playing playing a a

52
00:03:08,449 --> 00:03:06,000
round but

53
00:03:11,449 --> 00:03:08,459
um but the hair was

54
00:03:14,149 --> 00:03:11,459
it looked more like our hair it it it

55
00:03:16,970 --> 00:03:14,159
wasn't clearly you that that thing

56
00:03:19,869 --> 00:03:16,980
almost looked like a hippie

57
00:03:21,770 --> 00:03:19,879
and your name my name is

58
00:03:28,490 --> 00:03:21,780
I saw

59
00:03:32,089 --> 00:03:28,500
had long longish hair and it was all

60
00:03:34,309 --> 00:03:32,099
black and they had big black eyes that's

61
00:03:37,190 --> 00:03:34,319
all I saw I saw a glimpse they kind of

62
00:03:40,789 --> 00:03:37,200
turned around and stared and then went

63
00:03:43,430 --> 00:03:40,799

back into a kind of like ship but that

64

00:03:46,009 --> 00:03:43,440

kind there was like sort of one big one

65

00:03:48,350 --> 00:03:46,019

with quite a few little ones all

66

00:03:51,229 --> 00:03:48,360

scattered around when you say he had big

67

00:03:53,690 --> 00:03:51,239

eyes show me with your hands besides

68

00:03:57,350 --> 00:03:53,700

from people they were oval kind of like

69

00:03:59,509 --> 00:03:57,360

that elbow yes and could you see

70

00:04:01,490 --> 00:03:59,519

anything else on the face no I couldn't

71

00:04:04,729 --> 00:04:01,500

unless I could see with his hair and

72

00:04:07,670 --> 00:04:04,739

when he turned around and then he were

73

00:04:08,449 --> 00:04:07,680

you okay yes I was what did you think it

74

00:04:09,530 --> 00:04:08,459

was

75

00:04:12,229 --> 00:04:09,540

okay

76

00:04:15,170 --> 00:04:12,239

well everybody was saying that they were

77

00:04:17,750 --> 00:04:15,180

UFOs and everything so other people said

78

00:04:19,849 --> 00:04:17,760

they were UFOs yeah um people were

79

00:04:21,830 --> 00:04:19,859

coming around telling

80

00:04:24,230 --> 00:04:21,840

um we were in the classroom and I ran

81

00:04:26,930 --> 00:04:24,240

out and I saw it

82

00:04:29,450 --> 00:04:26,940

okay I did think they were UFOs I didn't

83

00:04:31,990 --> 00:04:29,460

see them were you perhaps influenced by

84

00:04:35,570 --> 00:04:32,000

all the other children and said

85

00:04:38,350 --> 00:04:35,580

sort of but I did definitely see what

86

00:04:42,850 --> 00:04:38,360

you saw when I saw yesterday

87

00:04:45,550 --> 00:04:42,860

yes what is your name charity send

88

00:04:48,830 --> 00:04:45,560

I saw something silver on the ground

89

00:04:50,290 --> 00:04:48,840

amongst the trees and the person in

90

00:04:52,610 --> 00:04:50,300

black

91

00:04:55,550 --> 00:04:52,620

and that's all I saw

92

00:04:58,070 --> 00:04:55,560

he saw a person alongside the silver

93

00:04:59,330 --> 00:04:58,080

thing yes what did this whole thing look

94

00:05:04,430 --> 00:04:59,340

like

95

00:05:07,670 --> 00:05:04,440

wasn't really around

96

00:05:10,010 --> 00:05:07,680

have you heard about UFOs before this

97

00:05:11,930 --> 00:05:10,020

no you didn't know anything about it so

98

00:05:15,830 --> 00:05:11,940

it was something quite new to you yes

99

00:05:18,590 --> 00:05:15,840

were you afraid yes what did you do did

100

00:05:20,390 --> 00:05:18,600

you run to fix the teachers or you just

101
00:05:23,629 --> 00:05:20,400
stayed with the other children I stayed

102
00:05:27,529 --> 00:05:25,370
if you see it on some of the ruins I

103
00:05:29,749 --> 00:05:27,539
think like this one here it's got what

104
00:05:31,850 --> 00:05:29,759
he saw on Thursday and that's basically

105
00:05:33,490 --> 00:05:31,860
what he saw on Friday that's a pencil in

106
00:05:37,189 --> 00:05:33,500
the sky yeah

107
00:05:40,129 --> 00:05:37,199
well musty and this is Emma

108
00:05:42,110 --> 00:05:40,139
oh Emma Christian said yes yes because

109
00:05:45,290 --> 00:05:42,120
you're doing uh was particularly

110
00:05:46,390 --> 00:05:45,300
interesting uh they have asked me about

111
00:05:50,029 --> 00:05:46,400
it

112
00:05:52,029 --> 00:05:50,039
you saw in your drawing you've got not

113
00:05:54,950 --> 00:05:52,039

only the main

114

00:05:57,409 --> 00:05:54,960

object there that you've got several

115

00:06:00,110 --> 00:05:57,419

others now did you see these coming down

116

00:06:03,110 --> 00:06:00,120

or did you see them in the sky I saw

117

00:06:04,969 --> 00:06:03,120

them I saw them disappear they went one

118

00:06:07,610 --> 00:06:04,979

meter up from the ground and then they

119

00:06:11,510 --> 00:06:07,620

just disappeared they wait one meter up

120

00:06:14,510 --> 00:06:11,520

and they disappeared and this this you

121

00:06:15,830 --> 00:06:14,520

saw this creature yes it was a very very

122

00:06:21,469 --> 00:06:15,840

shiny black

123

00:06:23,629 --> 00:06:21,479

Suits would you say

124

00:06:26,210 --> 00:06:23,639

it was like a

125

00:06:28,969 --> 00:06:26,220

ugly suit that was about what was the

126
00:06:33,050 --> 00:06:28,979
mackie's wearing what would you call the

127
00:06:38,450 --> 00:06:35,930
I'm not sure but he was really have you

128
00:06:40,790 --> 00:06:38,460
ever seen the divers going to the sea oh

129
00:06:42,409 --> 00:06:40,800
yes like that wasn't like that or was it

130
00:06:45,290 --> 00:06:42,419
like an overall

131
00:06:47,809 --> 00:06:45,300
or a pack fitting suit it was tight

132
00:06:51,770 --> 00:06:47,819
fitting it was tight fitting and it was

133
00:06:53,510 --> 00:06:51,780
shiny yes could you see his face well I

134
00:06:55,850 --> 00:06:53,520
only saw a glimpse of it

135
00:06:58,029 --> 00:06:55,860
and you don't remember any individual

136
00:07:00,890 --> 00:06:58,039
features well

137
00:07:02,290 --> 00:07:00,900
uh I only remember that his eyes were

138
00:07:04,550 --> 00:07:02,300

quite big

139

00:07:07,430 --> 00:07:04,560

and were you afraid

140

00:07:08,570 --> 00:07:07,440

I was a little afraid what did you think

141

00:07:13,010 --> 00:07:08,580

it was

142

00:07:16,490 --> 00:07:13,020

kind of alien from the different

143

00:07:18,830 --> 00:07:16,500

Planet so you knew about ufas yes you

144

00:07:20,409 --> 00:07:18,840

watched on television yes do you think

145

00:07:23,650 --> 00:07:20,419

that influenced you

146

00:07:26,770 --> 00:07:23,660

or you weren't thinking about it

147

00:07:30,110 --> 00:07:26,780

okay thanks Emma

148

00:07:34,909 --> 00:07:30,120

and Lisa

149

00:07:42,890 --> 00:07:39,409

and what did you see well I saw a silver

150

00:07:46,070 --> 00:07:42,900

so I think it was shaped it was like

151
00:07:48,290 --> 00:07:46,080
lying down like this on the side and I

152
00:07:51,529 --> 00:07:48,300
saw a black man

153
00:07:53,270 --> 00:07:51,539
and he he was just in black and he had

154
00:07:56,510 --> 00:07:53,280
big eyes

155
00:07:58,309 --> 00:07:56,520
show me with your hands are shaped like

156
00:08:00,230 --> 00:07:58,319
something like that

157
00:08:02,930 --> 00:08:00,240
what did you think it was

158
00:08:05,089 --> 00:08:02,940
well I thought I thought twice I thought

159
00:08:07,909 --> 00:08:05,099
it was an alien and then I thought maybe

160
00:08:10,010 --> 00:08:07,919
it was a garden or someone

161
00:08:12,290 --> 00:08:10,020
um who thought he was an alien and then

162
00:08:14,290 --> 00:08:12,300
you thought it was the gardener oh well

163
00:08:18,469 --> 00:08:14,300

I'd like to look at the Garden

164

00:08:18,479 --> 00:08:28,029

can you describe

165

00:08:34,610 --> 00:08:33,589

to him and his eyes were shaped like

166

00:08:37,969 --> 00:08:34,620

um

167

00:08:40,610 --> 00:08:37,979

swimming around Dominic so I went down

168

00:08:43,430 --> 00:08:40,620

to see what was happening and I actually

169

00:08:46,550 --> 00:08:43,440

saw the school out in the trees and it

170

00:08:50,870 --> 00:08:46,560

was like in a Milky Way pattern like

171

00:08:52,430 --> 00:08:50,880

silver and green and that sort of colors

172

00:08:54,350 --> 00:08:52,440

um and then there was this little boy

173

00:08:56,090 --> 00:08:54,360

crying so I went up to him to see what

174

00:08:59,030 --> 00:08:56,100

was wrong with him and he said he's he

175

00:09:00,530 --> 00:08:59,040

was quite afraid of it and then um that

176

00:09:01,910 --> 00:09:00,540

actually made me quite afraid of it

177

00:09:03,949 --> 00:09:01,920

because then somebody was afraid I get a

178

00:09:06,530 --> 00:09:03,959

feed and then um

179

00:09:08,829 --> 00:09:06,540

I saw this person and he is his eyes

180

00:09:11,990 --> 00:09:08,839

were like in a slant like say like so

181

00:09:12,710 --> 00:09:12,000

and his mask was just like a line like

182

00:09:15,230 --> 00:09:12,720

this

183

00:09:16,910 --> 00:09:15,240

and then at the at the time the teachers

184

00:09:19,610 --> 00:09:16,920

were in a staff meeting

185

00:09:21,410 --> 00:09:19,620

so um nobody actually went up to go and

186

00:09:24,590 --> 00:09:21,420

call the teachers because I think they

187

00:09:26,750 --> 00:09:24,600

were too afraid and everything so when

188

00:09:28,310 --> 00:09:26,760

when the bar rang because somebody

189

00:09:31,009 --> 00:09:28,320

eventually went up one of the prefix

190

00:09:33,110 --> 00:09:31,019

went and said to um one of our teachers

191

00:09:34,030 --> 00:09:33,120

Misty Vernon Police code

192

00:09:36,230 --> 00:09:34,040

um

193

00:09:37,670 --> 00:09:36,240

can you ring the ball because it's quite

194

00:09:39,590 --> 00:09:37,680

a bit of a performance down there with

195

00:09:42,230 --> 00:09:39,600

all the kids running around

196

00:09:45,710 --> 00:09:42,240

and then somebody from BBC

197

00:09:47,570 --> 00:09:45,720

um came to us and he went for a walk

198

00:09:49,970 --> 00:09:47,580

down there with us with a guided home

199

00:09:53,150 --> 00:09:49,980

and actually on that there's a metal

200

00:09:55,310 --> 00:09:53,160

over there we could stand up on it and

201
00:09:57,170 --> 00:09:55,320
we could actually see a few burn marks

202
00:09:58,730 --> 00:09:57,180
so he asked us when you were walking

203
00:10:00,230 --> 00:09:58,740
down me with him he said please could

204
00:10:03,710 --> 00:10:00,240
you come down with us to go and have a

205
00:10:06,410 --> 00:10:03,720
look at the things so when we we walked

206
00:10:07,730 --> 00:10:06,420
about if there's about six poems and if

207
00:10:10,550 --> 00:10:07,740
you have a look one two three four five

208
00:10:12,230 --> 00:10:10,560
six there were um burn marks actually on

209
00:10:14,030 --> 00:10:12,240
the ground

210
00:10:15,829 --> 00:10:14,040
um and then the shield there on the

211
00:10:18,290 --> 00:10:15,839
Rocks the day that happened there was

212
00:10:20,509 --> 00:10:18,300
something glittering like quite strongly

213
00:10:23,449 --> 00:10:20,519

and then when you came back to school

214

00:10:25,730 --> 00:10:23,459

the next day it was just gone and also

215

00:10:27,530 --> 00:10:25,740

when we went down with the burn marks we

216

00:10:30,410 --> 00:10:27,540

had just gone like like a few minutes

217

00:10:31,910 --> 00:10:30,420

later how long did You observe this

218

00:10:34,009 --> 00:10:31,920

whole happening

219

00:10:35,990 --> 00:10:34,019

I think it was about five and a half

220

00:10:37,550 --> 00:10:36,000

minutes when we went down there because

221

00:10:41,030 --> 00:10:37,560

it was actually

222

00:10:42,769 --> 00:10:41,040

quite scary well I was at the tech shop

223

00:10:45,949 --> 00:10:42,779

um over there and then I said before

224

00:10:48,410 --> 00:10:45,959

clogging up at the yeah the site so I

225

00:10:51,710 --> 00:10:48,420

went there and I looked and I saw this

226

00:10:53,990 --> 00:10:51,720

this ship and it had this light like a

227

00:10:57,710 --> 00:10:54,000

pattern on yellow

228

00:10:59,870 --> 00:10:57,720

purple and green to keep on going around

229

00:11:02,110 --> 00:10:59,880

and then there was something running

230

00:11:05,990 --> 00:11:02,120

across and something on the ship that we

231

00:11:07,790 --> 00:11:06,000

then uh when I looked more down when I

232

00:11:11,389 --> 00:11:07,800

looked on like strength and strength

233

00:11:13,850 --> 00:11:11,399

videos across to some like alien things

234

00:11:16,130 --> 00:11:13,860

he had big eyes like one guy was saying

235

00:11:18,889 --> 00:11:16,140

here you agree with the other two that

236

00:11:21,410 --> 00:11:18,899

they the eyes were slaunching the mouth

237

00:11:24,889 --> 00:11:21,420

was rather thin and now it's small and

238

00:11:27,790 --> 00:11:24,899

it was about total would do it too we

239

00:11:29,750 --> 00:11:27,800

may be about three and a half

240

00:11:31,430 --> 00:11:29,760

but you agree with the other

241

00:11:34,490 --> 00:11:31,440

descriptions yeah yeah there's

242

00:11:37,850 --> 00:11:34,500

characters suddenly I saw that littering

243

00:11:39,160 --> 00:11:37,860

from what must have been came into and

244

00:11:39,710 --> 00:11:39,170

um it had

245

00:11:40,490 --> 00:11:39,720

[Music]

246

00:11:42,230 --> 00:11:40,500

um

247

00:11:44,870 --> 00:11:42,240

Orange

248

00:11:48,290 --> 00:11:44,880

like glitter anything it keeps on moving

249

00:11:51,949 --> 00:11:48,300

at the side and

250

00:11:54,110 --> 00:11:51,959

um and I saw like a black thing

251

00:11:58,730 --> 00:11:54,120

something on top of it I didn't I don't

252

00:12:01,310 --> 00:11:58,740

know if it was a branch or the thing the

253

00:12:04,670 --> 00:12:01,320

parts of the Alienware was sitting on

254

00:12:29,090 --> 00:12:04,680

but I don't know if I looked and I saw

255

00:12:31,670 --> 00:12:30,230

um it's actually quite interesting

256

00:12:34,250 --> 00:12:31,680

because there's usually ansexual

257

00:12:37,250 --> 00:12:34,260

Learners invite us and and when we went

258

00:12:38,990 --> 00:12:37,260

down there with the BBC and we were

259

00:12:40,790 --> 00:12:39,000

walking around and we came back and they

260

00:12:43,430 --> 00:12:40,800

were very there were quite a few answers

261

00:12:44,870 --> 00:12:43,440

and and told them slow there was another

262

00:12:46,370 --> 00:12:44,880

single ant and they were quite there

263

00:12:47,810 --> 00:12:46,380

were a few dead ones on the floor they

264

00:12:49,550 --> 00:12:47,820

must handles

265

00:12:53,090 --> 00:12:49,560

Candice please tell us what happened

266

00:12:59,930 --> 00:12:57,230

um me and my friend Claire Haley and

267

00:13:02,629 --> 00:12:59,940

Camilla we were just walking and then we

268

00:13:05,090 --> 00:13:02,639

saw this maroon color just waving about

269

00:13:08,870 --> 00:13:05,100

and it was disappearing and disappearing

270

00:13:12,889 --> 00:13:08,880

and we started to follow it and

271

00:13:16,250 --> 00:13:12,899

um then we stood over there on one of

272

00:13:17,810 --> 00:13:16,260

the logs and we saw like this silver

273

00:13:20,509 --> 00:13:17,820

thing and

274

00:13:22,790 --> 00:13:20,519

um we decided that we should go down

275

00:13:25,009 --> 00:13:22,800

there and see but place it were not

276

00:13:26,930 --> 00:13:25,019

allowed there so I said I don't it

277

00:13:29,509 --> 00:13:26,940

doesn't matter let's just go and see

278

00:13:31,129 --> 00:13:29,519

when we got closer and closer and we saw

279

00:13:34,490 --> 00:13:31,139

this

280

00:13:37,129 --> 00:13:34,500

um silver thing just shining it and we

281

00:13:39,769 --> 00:13:37,139

thought that it was just a house with

282

00:13:42,410 --> 00:13:39,779

glass and reflecting in the Sun and

283

00:13:44,990 --> 00:13:42,420

shining and we thought no it can't be

284

00:13:47,449 --> 00:13:45,000

that because there's no houses up there

285

00:13:50,389 --> 00:13:47,459

on the rocks and

286

00:13:52,610 --> 00:13:50,399

um then we waited for a few minutes and

287

00:13:55,730 --> 00:13:52,620

we just stared at it and we heard this

288

00:13:59,150 --> 00:13:55,740

flute sort of like a flute noise and

289

00:13:59,829 --> 00:13:59,160

then we got closer and closer and

290

00:14:03,769 --> 00:13:59,839

um

291

00:14:07,009 --> 00:14:03,779

then we saw this I saw this black figure

292

00:14:09,110 --> 00:14:07,019

running in slow motion and then I didn't

293

00:14:11,290 --> 00:14:09,120

want to see it so I looked away and I

294

00:14:15,889 --> 00:14:11,300

looked again and it wasn't there anymore

295

00:14:20,449 --> 00:14:15,899

this figure like Kansas seed running in

296

00:14:25,069 --> 00:14:20,459

slow motion and one practice hit up up

297

00:14:26,329 --> 00:14:25,079

and looked at me onto the grass and

298

00:14:29,930 --> 00:14:26,339

um

299

00:14:32,150 --> 00:14:29,940

I mean Candace were really scared we

300

00:14:35,269 --> 00:14:32,160

nearly

301
00:14:37,910 --> 00:14:35,279
um screamed we were so scared and we

302
00:14:40,370 --> 00:14:37,920
were running back and forth because we

303
00:14:42,170 --> 00:14:40,380
were excited and scared at the same time

304
00:14:45,590 --> 00:14:42,180
and the Ribeiro

305
00:14:49,370 --> 00:14:45,600
I know you tell us your experiences you

306
00:14:51,829 --> 00:14:49,380
see and when the bell rang me Gary and

307
00:14:55,250 --> 00:14:51,839
Porsha was supposed to practice to

308
00:14:57,949 --> 00:14:55,260
assembly that that day so we were called

309
00:15:00,530 --> 00:14:57,959
out by Stefan that's one of our friends

310
00:15:02,870 --> 00:15:00,540
and he called us and he said he saw

311
00:15:04,670 --> 00:15:02,880
something so we went I didn't actually

312
00:15:06,949 --> 00:15:04,680
believe that he actually saw something

313
00:15:11,449 --> 00:15:06,959

because he was saying it was an alien

314

00:15:15,230 --> 00:15:11,459

and so I went out and then when I was

315

00:15:17,110 --> 00:15:15,240

looking at it I saw um it's like a

316

00:15:20,870 --> 00:15:17,120

silver light

317

00:15:23,750 --> 00:15:20,880

and like that kind of spaceship you

318

00:15:25,370 --> 00:15:23,760

showed me just coming out just for an

319

00:15:26,810 --> 00:15:25,380

instant and then it just disappeared

320

00:15:31,550 --> 00:15:26,820

like

321

00:15:34,129 --> 00:15:31,560

thought it was my imagination because

322

00:15:36,769 --> 00:15:34,139

everybody was talking about it but then

323

00:15:39,949 --> 00:15:36,779

when I thought about it really I I

324

00:15:42,650 --> 00:15:39,959

thought no it couldn't be

325

00:15:44,170 --> 00:15:42,660

well the night before I saw the cigar

326

00:15:47,449 --> 00:15:44,180

shape

327

00:15:50,269 --> 00:15:47,459

spacecraft but I've got it in my picture

328

00:15:53,030 --> 00:15:50,279

but it it wasn't exactly like a cigarch

329

00:15:55,069 --> 00:15:53,040

I thought it was a circle and the day

330

00:15:57,350 --> 00:15:55,079

after that I saw it in the air again

331

00:16:00,530 --> 00:15:57,360

with my friends for I

332

00:16:02,629 --> 00:16:00,540

and Barry what did you see that that

333

00:16:05,329 --> 00:16:02,639

morning here at the school

334

00:16:07,790 --> 00:16:05,339

well my these other children were

335

00:16:09,889 --> 00:16:07,800

running I asked them what it was and

336

00:16:12,590 --> 00:16:09,899

they said it was a UFO and I ran with

337

00:16:13,970 --> 00:16:12,600

them to the logs over there

338

00:16:19,910 --> 00:16:13,980

then

339

00:16:22,069 --> 00:16:19,920

top of the ship and guarding it and

340

00:16:23,930 --> 00:16:22,079

another one running up and down like he

341

00:16:26,689 --> 00:16:23,940

was confused

342

00:16:28,730 --> 00:16:26,699

and he was actually looking at us but

343

00:16:30,889 --> 00:16:28,740

some people said there's another

344

00:16:33,889 --> 00:16:30,899

property over there right at the back

345

00:16:35,629 --> 00:16:33,899

it's Mrs nurse's property some people

346

00:16:38,329 --> 00:16:35,639

say that he wants someone says nurses

347

00:16:40,490 --> 00:16:38,339

gardener some people say that it was a

348

00:16:44,329 --> 00:16:40,500

house already but I didn't believe that

349

00:16:46,069 --> 00:16:44,339

because I saw I went up with the BBC and

350

00:16:49,730 --> 00:16:46,079

as you know already from the answers

351

00:16:53,210 --> 00:16:49,740

that they were all dead so I think

352

00:16:55,910 --> 00:16:53,220

he said there was radiation Maps but

353

00:16:57,590 --> 00:16:55,920

but Marley you believe that there's no

354

00:16:59,449 --> 00:16:57,600

house that would be near enough that all

355

00:17:02,090 --> 00:16:59,459

the children could see the circles to

356

00:17:05,150 --> 00:17:02,100

the playground no because on Monday when

357

00:17:07,069 --> 00:17:05,160

we went there again there was nothing

358

00:17:09,710 --> 00:17:07,079

could you tell me what you saw on on

359

00:17:18,650 --> 00:17:15,470

um well we saw some people who

360

00:17:21,590 --> 00:17:18,660

there was a right one a red one and a

361

00:17:24,409 --> 00:17:21,600

black one and the black one was sitting

362

00:17:26,390 --> 00:17:24,419

on the spaceship

363

00:17:27,770 --> 00:17:26,400

I didn't know it was a spaceship wasn't

364

00:17:29,930 --> 00:17:27,780

it a helicopter or something like that

365

00:17:32,030 --> 00:17:29,940

well it looked like it was like glinting

366

00:17:35,390 --> 00:17:32,040

in the trees

367

00:17:38,810 --> 00:17:35,400

like it looked like roundabout like a

368

00:17:41,150 --> 00:17:38,820

like a disc like a round and whereabouts

369

00:17:45,590 --> 00:17:41,160

was it well the medicine and the trees

370

00:17:47,570 --> 00:17:45,600

over there between uh baseball

371

00:17:49,789 --> 00:17:47,580

and and you say it looked like a disc

372

00:17:53,029 --> 00:17:49,799

are you sure it wasn't a

373

00:17:55,310 --> 00:17:53,039

um a Harrier jump jet or a an aircraft

374

00:17:57,830 --> 00:17:55,320

no something that the Zimbabwe Air Force

375

00:18:01,250 --> 00:17:57,840

was like in a in a disc

376

00:18:03,950 --> 00:18:01,260

and what just what happened guy well it

377

00:18:06,350 --> 00:18:03,960

it was just glancing in the trees and

378

00:18:08,570 --> 00:18:06,360

this like there was a man and you walked

379

00:18:11,150 --> 00:18:08,580

toward us and you walked back again

380

00:18:15,350 --> 00:18:11,160

what does he look like his face was like

381

00:18:18,830 --> 00:18:17,090

further down his face yeah much further

382

00:18:21,650 --> 00:18:18,840

down than us because our idea here is

383

00:18:24,470 --> 00:18:21,660

the town and how close were you to him

384

00:18:26,090 --> 00:18:24,480

well I was like the I was at the back

385

00:18:28,549 --> 00:18:26,100

because I had just been finished in the

386

00:18:31,909 --> 00:18:28,559

classroom and I was quiet at the back

387

00:18:33,710 --> 00:18:31,919

so all the other kids are in the front

388

00:18:36,230 --> 00:18:33,720

you don't think it was somebody in fancy

389

00:18:38,270 --> 00:18:36,240

dress doing a prank or something

390

00:18:40,130 --> 00:18:38,280

what about you Ariana tell us what you

391

00:18:42,350 --> 00:18:40,140

saw well

392

00:18:45,890 --> 00:18:42,360

the same as guy but

393

00:18:52,669 --> 00:18:49,490

literary thing I saw this like black

394

00:18:55,669 --> 00:18:52,679

like black long it looks like a stick

395

00:18:58,490 --> 00:18:55,679

but it was very thin

396

00:19:00,710 --> 00:18:58,500

it was a man was it I don't know what it

397

00:19:07,669 --> 00:19:00,720

was but it was very thin all I saw was

398

00:19:13,850 --> 00:19:11,270

and he was very very very thin

399

00:19:16,250 --> 00:19:13,860

what I mean it wasn't do you think he

400

00:19:19,610 --> 00:19:16,260

was a sort of a black Zimbabwean man

401
00:19:22,130 --> 00:19:19,620
well not not really she wasn't very very

402
00:19:24,409 --> 00:19:22,140
dark he was very quite lightish and he

403
00:19:25,450 --> 00:19:24,419
was very thin and others and how tall

404
00:19:27,470 --> 00:19:25,460
about

405
00:19:29,810 --> 00:19:27,480
stay there

406
00:19:33,529 --> 00:19:29,820
just a bit a bit taller than you well

407
00:19:37,370 --> 00:19:35,390
and why do you think why do you think

408
00:19:39,890 --> 00:19:37,380
that this was something different that

409
00:19:42,169 --> 00:19:39,900
this wasn't some helicopter from the

410
00:19:43,789 --> 00:19:42,179
Zimbabwe Air Force and just some some

411
00:19:46,190 --> 00:19:43,799
guys playing a joke why do you think he

412
00:19:48,470 --> 00:19:46,200
was actually in a UFO and possibly a

413
00:19:50,630 --> 00:19:48,480

space man

414

00:19:52,070 --> 00:19:50,640

um it was just because it was it

415

00:19:53,750 --> 00:19:52,080

somebody wouldn't just be playing around

416

00:19:54,350 --> 00:19:53,760

and just be on the ground all of a

417

00:19:57,289 --> 00:19:54,360

sudden

418

00:20:00,710 --> 00:19:57,299

did it make any noise this thing

419

00:20:02,270 --> 00:20:00,720

not really no and and it's it landed

420

00:20:04,490 --> 00:20:02,280

something landed do you saw it do you

421

00:20:07,370 --> 00:20:04,500

see it land no it was it was in the

422

00:20:09,950 --> 00:20:07,380

trees over there like in the trees like

423

00:20:12,470 --> 00:20:09,960

in the trees like linting and like there

424

00:20:14,870 --> 00:20:12,480

was somebody on the ground

425

00:20:16,250 --> 00:20:14,880

and then what happened and then he

426

00:20:18,590 --> 00:20:16,260

walked towards us and he walked back

427

00:20:20,029 --> 00:20:18,600

again and they just went how how did

428

00:20:23,870 --> 00:20:20,039

they go it just went all of a sudden

429

00:20:28,130 --> 00:20:23,880

what like helicopter no just just went

430

00:20:30,289 --> 00:20:28,140

which way down more down into the valley

431

00:20:32,630 --> 00:20:30,299

at about what height

432

00:20:34,970 --> 00:20:32,640

quite High Mike and then what happened

433

00:20:37,980 --> 00:20:34,980

and then it didn't come back again and

434

00:20:39,289 --> 00:20:37,990

did you girls see that as well

435

00:20:42,049 --> 00:20:39,299

[Music]

436

00:20:43,669 --> 00:20:42,059

and you look like he was in like in

437

00:20:45,770 --> 00:20:43,679

Durban you see these people in like a

438

00:20:47,750 --> 00:20:45,780

diving suit a really shiny one and you

439

00:20:50,210 --> 00:20:47,760

look like he was dressed in that and he

440

00:20:52,549 --> 00:20:50,220

had his eyes were down here and he was

441

00:20:54,110 --> 00:20:52,559

like looking really really funny a few

442

00:20:56,750 --> 00:20:54,120

of my friends and I were sitting on the

443

00:20:59,990 --> 00:20:56,760

playground eating our lunch and we saw

444

00:21:01,490 --> 00:21:00,000

or aaroni said first that she said ah

445

00:21:04,549 --> 00:21:01,500

there's a UFO and she didn't really

446

00:21:06,529 --> 00:21:04,559

think it was though because I mean it

447

00:21:08,150 --> 00:21:06,539

was just kind of flying along slowly and

448

00:21:11,210 --> 00:21:08,160

then we all looked and we thought yeah

449

00:21:15,890 --> 00:21:13,730

um it flew along for about a minute or

450

00:21:19,130 --> 00:21:15,900

so I mean it disappeared but it was

451
00:21:22,549 --> 00:21:19,140
looked like a cigar a cigarette

452
00:21:25,610 --> 00:21:22,559
what did these base men look like

453
00:21:27,950 --> 00:21:25,620
it's like definitely not a human I don't

454
00:21:31,370 --> 00:21:27,960
know he had a big

455
00:21:34,789 --> 00:21:31,380
head and big black eyes and was dressed

456
00:21:37,210 --> 00:21:34,799
in a black bodysuit type and what was

457
00:21:41,270 --> 00:21:37,220
his arms and his hands and his legs like

458
00:21:43,610 --> 00:21:41,280
black humans but he didn't he definitely

459
00:21:46,190 --> 00:21:43,620
didn't look like when his head was much

460
00:21:47,750 --> 00:21:46,200
too big all I saw was that a silver

461
00:21:49,930 --> 00:21:47,760
flesh just

462
00:21:53,230 --> 00:21:49,940
like that

463
00:21:56,029 --> 00:21:53,240

and some say they saw many spacecraft

464

00:21:58,549 --> 00:21:56,039

can I close their mind Mrs ice here and

465

00:22:00,890 --> 00:21:58,559

I saw a few space I saw the bigger one

466

00:22:03,049 --> 00:22:00,900

and the spaceship like four or five of

467

00:22:06,350 --> 00:22:03,059

them like crawling around it and then

468

00:22:08,330 --> 00:22:06,360

after a cup after a few minutes a couple

469

00:22:11,450 --> 00:22:08,340

of minutes they just just disappeared

470

00:22:14,510 --> 00:22:11,460

like just wait I saw one big one and

471

00:22:17,149 --> 00:22:14,520

then quite a few little ones scattered

472

00:22:24,770 --> 00:22:17,159

all around how many but quite a few

473

00:22:31,190 --> 00:22:28,130

no there was they were very strong and

474

00:22:33,049 --> 00:22:31,200

then I saw them also disappear they went

475

00:22:34,789 --> 00:22:33,059

about a meter off the ground and then

476

00:22:37,549 --> 00:22:34,799

they just vanished and what happened to

477

00:22:40,730 --> 00:22:37,559

the big one the big one did the same my

478

00:22:43,010 --> 00:22:40,740

friends and I we ran dance for teachers

479

00:22:45,230 --> 00:22:43,020

and we went into the office and we

480

00:22:47,450 --> 00:22:45,240

started telling the teachers and then

481

00:22:49,010 --> 00:22:47,460

they said maybe there's nothing

482

00:22:50,570 --> 00:22:49,020

and how did they make you feel when they

483

00:22:54,470 --> 00:22:50,580

said maybe there's nothing

484

00:22:56,390 --> 00:22:54,480

so we felt very sad because we did see

485

00:22:59,090 --> 00:22:56,400

and what did they Headmaster say Mr

486

00:23:03,049 --> 00:23:01,310

um Mr Mackie said that maybe there was

487

00:23:06,110 --> 00:23:03,059

something down there but he didn't

488

00:23:08,630 --> 00:23:06,120

really know but the children can't lie

489

00:23:10,669 --> 00:23:08,640

they tell the truth when I went home the

490

00:23:13,490 --> 00:23:10,679

day after this incident happened I told

491

00:23:15,770 --> 00:23:13,500

my mom and she said actually I don't

492

00:23:17,930 --> 00:23:15,780

believe you but I can't really say a yes

493

00:23:20,270 --> 00:23:17,940

and no but she said I I really don't

494

00:23:23,210 --> 00:23:20,280

think I would leave you and then

495

00:23:25,250 --> 00:23:23,220

um she said my dad came home and I told

496

00:23:27,289 --> 00:23:25,260

him all about this and he said it was

497

00:23:28,850 --> 00:23:27,299

probably just a rumor I felt really

498

00:23:30,890 --> 00:23:28,860

upset because I knew that it was true

499

00:23:32,450 --> 00:23:30,900

but I wouldn't forget about it I want to

500

00:23:34,190 --> 00:23:32,460

keep it in because I knew that was true

501
00:23:36,909 --> 00:23:34,200
and I want to talk to other people about

502
00:23:41,750 --> 00:23:40,190
or trying to tell us something I think

503
00:23:44,450 --> 00:23:41,760
they're trying to tell us something

504
00:23:47,810 --> 00:23:44,460
which is gonna happen so I think that

505
00:23:50,390 --> 00:23:47,820
they're good people because they they're

506
00:23:52,909 --> 00:23:50,400
showing us all these things that other

507
00:23:55,549 --> 00:23:52,919
people don't believe in and we're not

508
00:23:57,409 --> 00:23:55,559
too sure if we see anything and other

509
00:24:00,789 --> 00:23:57,419
people don't actually believe us

510
00:24:06,770 --> 00:24:04,070
yeah and then we saw something shiny so

511
00:24:07,789 --> 00:24:06,780
we all ran down of this and it was in

512
00:24:11,510 --> 00:24:07,799
the early morning

513
00:24:14,750 --> 00:24:11,520

it was a break time yeah and then we saw

514

00:24:16,970 --> 00:24:14,760

something shiny and we saw two two

515

00:24:20,930 --> 00:24:16,980

people they were in black tight black

516

00:24:22,789 --> 00:24:20,940

suit and they're big eyes and a small we

517

00:24:25,010 --> 00:24:22,799

didn't actually see their nose it was

518

00:24:27,830 --> 00:24:25,020

quite small and their mouth was quite

519

00:24:31,250 --> 00:24:27,840

small as well one of them was running in

520

00:24:35,630 --> 00:24:31,260

slow motion up across the ship and the

521

00:24:38,270 --> 00:24:35,640

other one was standing beside the ship

522

00:24:39,529 --> 00:24:38,280

yeah you made a drawing huh it was it

523

00:24:42,049 --> 00:24:39,539

looks like this

524

00:24:43,970 --> 00:24:42,059

no yeah something like that I couldn't

525

00:24:45,770 --> 00:24:43,980

see the eyes of the nurse on the mouth

526

00:24:49,130 --> 00:24:45,780

it was just blank

527

00:24:51,169 --> 00:24:49,140

like a piece of paper so

528

00:24:52,450 --> 00:24:51,179

well when they came I thought they were

529

00:24:55,789 --> 00:24:52,460

crazy

530

00:24:57,350 --> 00:24:55,799

this is the first thing you thought I

531

00:25:00,649 --> 00:24:57,360

thought they were crazy just coming to

532

00:25:03,470 --> 00:25:00,659

our schools doing nothing and all I saw

533

00:25:06,289 --> 00:25:03,480

was something like silver coming down

534

00:25:08,570 --> 00:25:06,299

and I said what must that be and

535

00:25:10,310 --> 00:25:08,580

everybody's crowding it I must go crowd

536

00:25:11,770 --> 00:25:10,320

too and then I went and I started

537

00:25:14,690 --> 00:25:11,780

crowding and everybody

538

00:25:16,549 --> 00:25:14,700

then more people came more and then I

539

00:25:20,090 --> 00:25:16,559

said hey I can't see anymore come on

540

00:25:22,070 --> 00:25:20,100

somebody I'm sure come on and then I

541

00:25:25,730 --> 00:25:22,080

went to the front and I started seeing

542

00:25:28,430 --> 00:25:25,740

more of them and then I just ran away

543

00:25:30,649 --> 00:25:28,440

um the day before the spaceship came my

544

00:25:33,470 --> 00:25:30,659

friends and I were sitting um in the

545

00:25:35,149 --> 00:25:33,480

playground and uh one of my friends her

546

00:25:38,390 --> 00:25:35,159

name Emily she looks up into the sky and

547

00:25:39,590 --> 00:25:38,400

she said oh there's a UFO she said and I

548

00:25:41,390 --> 00:25:39,600

looked at it and she said no just

549

00:25:43,850 --> 00:25:41,400

kidding it's an airplane and we looked

550

00:25:45,950 --> 00:25:43,860

up and um I thought to myself that can't

551
00:25:47,330 --> 00:25:45,960
be an airplane because it was very shiny

552
00:25:49,490 --> 00:25:47,340
it was it looked kind of like a

553
00:25:52,730 --> 00:25:49,500
cigarette you know it was a long thing

554
00:25:55,730 --> 00:25:52,740
and then on the end it was all shiny and

555
00:25:59,090 --> 00:25:55,740
um so I said maybe it is a UFO so we all

556
00:26:00,890 --> 00:25:59,100
kind of like getting scared now and then

557
00:26:02,149 --> 00:26:00,900
um the day that it happened then we

558
00:26:03,950 --> 00:26:02,159
started thinking yeah that must have

559
00:26:06,830 --> 00:26:03,960
been a UFO in the sky because my brother

560
00:26:10,070 --> 00:26:06,840
also saw it but he's left the school now

561
00:26:11,990 --> 00:26:10,080
it was such like a round shape it's not

562
00:26:14,570 --> 00:26:12,000
like a pledge with like two plates that

563
00:26:17,090 --> 00:26:14,580

was just like on top of each other then

564

00:26:19,370 --> 00:26:17,100

there was sort of like the um Hulk the

565

00:26:21,890 --> 00:26:19,380

hatch wood and also like in between two

566

00:26:24,890 --> 00:26:21,900

trees but you couldn't see there clearly

567

00:26:27,830 --> 00:26:24,900

and that's just silver all over

568

00:26:29,450 --> 00:26:27,840

I didn't see any man or something

569

00:26:32,750 --> 00:26:29,460

like that

570

00:26:37,930 --> 00:26:32,760

you saw one UFO that's surrounded by

571

00:26:37,940 --> 00:26:46,200

yeah let me see let me see your drawing

572

00:26:52,669 --> 00:26:49,669

[Music]

573

00:26:54,289 --> 00:26:52,679

surrounding the ship

574

00:26:57,470 --> 00:26:54,299

like uh

575

00:26:59,269 --> 00:26:57,480

Sean sir this is Sean's drawing yes yeah

576

00:27:04,190 --> 00:26:59,279

and

577

00:27:05,810 --> 00:27:04,200

the two aliens came out

578

00:27:08,090 --> 00:27:05,820

and what happened with your little ones

579

00:27:09,130 --> 00:27:08,100

the little ones they were just flowing

580

00:27:11,590 --> 00:27:09,140

around

581

00:27:12,669 --> 00:27:11,600

they didn't touch the ground

582

00:27:24,850 --> 00:27:12,679

[Music]

583

00:27:34,870 --> 00:27:27,890

but it was like it was going like each

584

00:27:43,750 --> 00:27:37,070

we're going quickly

585

00:27:49,370 --> 00:27:45,590

whether yellow

586

00:27:53,330 --> 00:27:49,380

no I didn't have a silver crayon

587

00:27:55,789 --> 00:27:53,340

um so I did it yellow yeah

588

00:28:01,450 --> 00:27:55,799

so but what what happened you you came

589

00:28:01,460 --> 00:28:06,190

[Music]

590

00:28:10,850 --> 00:28:08,750

is that hard because if you see

591

00:28:15,529 --> 00:28:10,860

something and nobody believes you what

592

00:28:21,289 --> 00:28:18,470

start to think as if it wasn't true yeah

593

00:28:23,330 --> 00:28:21,299

and people people say to you no it

594

00:28:25,430 --> 00:28:23,340

wasn't true so you you think it wasn't

595

00:28:28,549 --> 00:28:25,440

true you're missing that you're mad yeah

596

00:28:31,370 --> 00:28:28,559

yeah and after that you get all up seats

597

00:28:33,230 --> 00:28:31,380

yeah and everyone starts teasing and my

598

00:28:35,090 --> 00:28:33,240

friends over the road when I go there

599

00:28:37,850 --> 00:28:35,100

and I tell them about it they just say

600

00:28:40,610 --> 00:28:37,860

oh he believes in Alien so he's stupid

601

00:28:43,669 --> 00:28:40,620

you've seen too many movies yeah

602

00:28:47,450 --> 00:28:43,679

well so nobody in your neighborhood who

603

00:28:52,490 --> 00:28:50,090

my granny and my granddad believe me but

604

00:28:56,390 --> 00:28:52,500

my uncle didn't

605

00:28:59,690 --> 00:28:56,400

where the spaceship had landed all the

606

00:29:01,430 --> 00:28:59,700

the insects and ants and stuff like

607

00:29:03,250 --> 00:29:01,440

they're all dead and there was a huge

608

00:29:06,830 --> 00:29:03,260

black market

609

00:29:09,830 --> 00:29:06,840

and uh my mom said might have just been

610

00:29:11,630 --> 00:29:09,840

a might have just been a fire there but

611

00:29:15,470 --> 00:29:11,640

I don't think there was I think it was

612

00:29:17,029 --> 00:29:15,480

the alien ship yeah but have you you've

613

00:29:20,090 --> 00:29:17,039

gone to the place of course and have you

614

00:29:22,970 --> 00:29:20,100

seen anything no we weren't allowed in

615

00:29:24,889 --> 00:29:22,980

evidence I mean that it was there

616

00:29:27,230 --> 00:29:24,899

um some other people came to the school

617

00:29:29,210 --> 00:29:27,240

and they went out the boundary of the

618

00:29:31,010 --> 00:29:29,220

playground and they went to go and see

619

00:29:33,529 --> 00:29:31,020

what had happened there and they saw

620

00:29:36,130 --> 00:29:33,539

that the grass was burnt and all the

621

00:29:39,049 --> 00:29:36,140

living things had died in that area

622

00:29:41,750 --> 00:29:39,059

his him and his parents and his brother

623

00:29:43,669 --> 00:29:41,760

and sister all believe me and my mother

624

00:29:46,850 --> 00:29:43,679

just believed me but my dad didn't

625

00:29:49,310 --> 00:29:46,860

believe anything I said anything

626

00:29:52,610 --> 00:29:49,320

and did you describe it describe it to

627

00:29:55,070 --> 00:29:52,620

them exactly what happened yeah I drew

628

00:29:57,350 --> 00:29:55,080

it on a paper and I said Daddy this is

629

00:29:59,750 --> 00:29:57,360

what it looked like and then you do it

630

00:30:02,210 --> 00:29:59,760

well and he said ah Michael I think

631

00:30:04,549 --> 00:30:02,220

you're telling the truth now

632

00:30:05,810 --> 00:30:04,559

and then that's all he said of it and

633

00:30:08,870 --> 00:30:05,820

that's all

634

00:30:12,289 --> 00:30:08,880

who was scared

635

00:30:15,470 --> 00:30:12,299

not all of you huh who was dreaming

636

00:30:16,810 --> 00:30:15,480

about it since then yes yes in in a bad

637

00:30:24,590 --> 00:30:16,820

way

638

00:30:27,110 --> 00:30:24,600

why you have nightmares about it yes I

639

00:30:30,769 --> 00:30:27,120

used to but then after about a year I

640

00:30:33,590 --> 00:30:30,779

stopped dreaming about it I dreamed that

641

00:30:36,049 --> 00:30:33,600

um the same one I saw without her he

642

00:30:37,549 --> 00:30:36,059

came into my bedroom and he took me from

643

00:30:40,070 --> 00:30:37,559

my bed

644

00:30:42,529 --> 00:30:40,080

did you dream that yes yeah and then I

645

00:30:44,149 --> 00:30:42,539

just screamed I woke up and screamed and

646

00:30:46,730 --> 00:30:44,159

what did your mom say

647

00:30:48,669 --> 00:30:46,740

well she she just kept on saying it was

648

00:30:52,370 --> 00:30:48,679

a nightmare she didn't really believe me

649

00:30:55,850 --> 00:30:52,380

I wasn't scared of it

650

00:30:57,889 --> 00:30:55,860

no it's not at all nothing it was all

651
00:31:00,529 --> 00:30:57,899
fun to me

652
00:31:03,289 --> 00:31:00,539
um I heard this lady on TV I think it

653
00:31:06,710 --> 00:31:03,299
was still dark and she said this lady

654
00:31:08,289 --> 00:31:06,720
got kidnapped and she had babies that

655
00:31:11,690 --> 00:31:08,299
were aliens

656
00:31:13,730 --> 00:31:11,700
that's what you're afraid of yes yeah I

657
00:31:16,190 --> 00:31:13,740
think the aliens came because they are

658
00:31:17,690 --> 00:31:16,200
curious like us and

659
00:31:19,669 --> 00:31:17,700
um well they want to learn about us and

660
00:31:22,070 --> 00:31:19,679
we want to learn about them some people

661
00:31:24,289 --> 00:31:22,080
say that um people are saying that the

662
00:31:26,090 --> 00:31:24,299
aliens came to ruin us something's gonna

663
00:31:28,310 --> 00:31:26,100

happen that something bad is going to

664

00:31:32,149 --> 00:31:28,320

happen to the Earth yeah I think they

665

00:31:34,310 --> 00:31:32,159

came here to um try and warn us that the

666

00:31:36,590 --> 00:31:34,320

children because we're young for a long

667

00:31:40,070 --> 00:31:36,600

time we've got a long time until we die

668

00:31:41,930 --> 00:31:40,080

um to warn us that in when we're older

669

00:31:44,450 --> 00:31:41,940

there's The Sun Ain't gonna happen to

670

00:31:46,669 --> 00:31:44,460

the Earth yeah not to pollute because

671

00:31:50,149 --> 00:31:46,679

we're young we can still prevent it yeah

672

00:31:54,310 --> 00:31:50,159

do you still have all that feeling

673

00:31:56,930 --> 00:31:54,320

that as a child you can do a lot yeah

674

00:32:00,110 --> 00:31:56,940

do you feel as a child do you feel

675

00:32:02,389 --> 00:32:00,120

privileged or do you think next time if

676

00:32:17,210 --> 00:32:02,399

if the universe is coming please go to
