

UNIDENTIFIED FLYING OBJECTS:

1
00:00:08,930 --> 00:00:06,170
hello uh Mr Carl what yeah uh this is

2
00:00:12,169 --> 00:00:08,940
Ryan Warrior uh I'm from Akron calling

3
00:00:15,110 --> 00:00:12,179
from Akron and I'm with the uh flying

4
00:00:16,970 --> 00:00:15,120
Crosser investigating committee here I I

5
00:00:21,230 --> 00:00:16,980
suppose you've had yourself this kind of

6
00:00:23,450 --> 00:00:21,240
call haven't you oh okay yeah I have so

7
00:00:27,890 --> 00:00:23,460
we were real real interested in your

8
00:00:30,890 --> 00:00:27,900
story because uh the uh Cleveland Plains

9
00:00:32,269 --> 00:00:30,900
dealer carried One account and then they

10
00:00:35,750 --> 00:00:32,279
pick a journal trade another account

11
00:00:37,630 --> 00:00:35,760
yeah and uh I was quite enough to have

12
00:00:39,729 --> 00:00:37,640
you a few minutes to share with us there

13
00:00:43,430 --> 00:00:39,739

yeah

14

00:00:48,410 --> 00:00:43,440

all right uh would you tell me when the

15

00:00:51,250 --> 00:00:48,420

uh original story uh occurred I like to

16

00:00:55,869 --> 00:00:51,260

explain something to see uh I don't know

17

00:00:57,910 --> 00:00:55,879

uh what you heard or uh

18

00:01:01,910 --> 00:00:57,920

but uh

19

00:01:10,510 --> 00:01:01,920

benefit of uh biography

20

00:01:10,520 --> 00:01:14,649

otherwise and

21

00:01:21,710 --> 00:01:19,310

and uh we are certainly uh not laboring

22

00:01:24,109 --> 00:01:21,720

anything coaches outside you know

23

00:01:26,630 --> 00:01:24,119

because we've had too much experience

24

00:01:29,690 --> 00:01:26,640

with the whole relationship with UFOs in

25

00:01:31,789 --> 00:01:29,700

close contact uh yeah but uh would you

26
00:01:34,310 --> 00:01:31,799
would you briefly just tell me what the

27
00:01:36,710 --> 00:01:34,320
whole background story is

28
00:01:40,690 --> 00:01:36,720
well uh

29
00:01:40,700 --> 00:01:45,950
[Music]

30
00:01:45,960 --> 00:01:48,310
um

31
00:01:48,320 --> 00:02:02,389
[Music]

32
00:02:10,370 --> 00:02:04,450
field

33
00:02:23,570 --> 00:02:14,690
Management Field and uh

34
00:02:23,580 --> 00:02:31,970
long

35
00:02:39,710 --> 00:02:35,150
take a blood filter around like a filter

36
00:02:43,070 --> 00:02:39,720
and the front come after block party the

37
00:02:47,210 --> 00:02:43,080
color was dark Jay and approximately

38
00:02:51,309 --> 00:02:47,220

that's the no March the 31st had to run

39

00:02:55,910 --> 00:02:51,319

upon a similar top of it in a little

40

00:02:57,490 --> 00:02:55,920

uh just close to the house and uh after

41

00:03:23,290 --> 00:02:57,500

the president

42

00:03:26,509 --> 00:03:25,130

or something

43

00:03:38,030 --> 00:03:26,519

or sometimes

44

00:03:38,040 --> 00:03:42,229

21st

45

00:03:49,570 --> 00:03:46,970

and uh on April the 11th

46

00:03:55,509 --> 00:03:49,580

of this uh

47

00:04:01,850 --> 00:03:58,190

investigation and none of them will tell

48

00:04:05,089 --> 00:04:01,860

me the Air Force anybody what it was

49

00:04:07,430 --> 00:04:05,099

when I was just Mr Atlantic uh talk with

50

00:04:08,270 --> 00:04:07,440

you personally he didn't stand no uh

51

00:04:10,490 --> 00:04:08,280

yeah

52

00:04:14,030 --> 00:04:10,500

the best fan

53

00:04:17,650 --> 00:04:14,040

they wouldn't tell me what it was so I

54

00:04:21,710 --> 00:04:17,660

still around this area on April the 11th

55

00:04:26,330 --> 00:04:21,720

I got on a wall

56

00:04:34,510 --> 00:04:29,390

and then put back in that middle one and

57

00:04:39,590 --> 00:04:37,790

it's the darkest the long drawn-out

58

00:04:43,249 --> 00:04:39,600

Burger you don't want to know where you

59

00:04:47,350 --> 00:04:43,259

actually in Space the only the only uh

60

00:04:50,810 --> 00:04:47,360

answer I feel bad was changed

61

00:04:56,110 --> 00:04:50,820

and now they were definitely true and I

62

00:04:59,890 --> 00:04:58,370

how did you make the transfer between

63

00:05:03,610 --> 00:04:59,900

objects

64

00:05:08,730 --> 00:05:07,070

roughly it was uh roughly corrugated

65

00:05:10,909 --> 00:05:08,740

metal

66

00:05:15,830 --> 00:05:10,919

[Music]

67

00:05:17,450 --> 00:05:15,840

and it was a small one was from the wall

68

00:05:20,330 --> 00:05:17,460

I don't know where it went into the

69

00:05:23,210 --> 00:05:20,340

paper but it was from the wall in the

70

00:05:24,230 --> 00:05:23,220

fall and how long did this transaction

71

00:05:25,970 --> 00:05:24,240

take

72

00:05:31,430 --> 00:05:25,980

uh

73

00:05:39,430 --> 00:05:33,710

now we're worth the representatives from

74

00:05:50,230 --> 00:05:45,350

is about 46 miles from where I live

75

00:05:54,409 --> 00:05:52,370

you know there's some very interesting

76

00:06:01,330 --> 00:05:54,419

people over there at Kelly Air Force

77

00:06:06,430 --> 00:06:03,350

three years ago

78

00:06:12,770 --> 00:06:11,110

uh over uh San Antonio

79

00:06:16,490 --> 00:06:12,780

yeah

80

00:06:18,830 --> 00:06:16,500

so uh actually then uh What uh in the

81

00:06:20,629 --> 00:06:18,840

lie detector tests and what actually uh

82

00:06:22,670 --> 00:06:20,639

altered your story

83

00:06:27,550 --> 00:06:22,680

well

84

00:06:39,550 --> 00:06:27,560

um I was going through the process of uh

85

00:06:47,950 --> 00:06:43,749

uh Thanksgiving and it doesn't matter

86

00:06:54,890 --> 00:06:50,029

and uh

87

00:06:54,900 --> 00:07:06,180

I'll just uh I believe

88

00:07:06,190 --> 00:07:11,230

[Music]

89

00:07:36,370 --> 00:07:15,710

they got Windows going on

90

00:07:43,370 --> 00:07:38,469

and uh

91

00:07:51,730 --> 00:07:43,380

invested on some type of evaluation

92

00:07:57,350 --> 00:07:54,890

right after that about a week 10 days

93

00:08:08,890 --> 00:07:57,360

something like that after that

94

00:08:16,490 --> 00:08:12,230

to uh

95

00:08:20,170 --> 00:08:16,500

the corporation for apartment values and

96

00:08:23,210 --> 00:08:20,180

uh the following is

97

00:08:25,610 --> 00:08:23,220

set up for three or four days

98

00:08:29,809 --> 00:08:25,620

and we had it set up for five o'clock

99

00:08:33,830 --> 00:08:29,819

Monday afternoon well the associated

100

00:08:36,709 --> 00:08:35,050

[Music]

101
00:08:47,640 --> 00:08:36,719
manual practice

102
00:08:47,650 --> 00:08:52,150
[Music]

103
00:08:57,350 --> 00:08:53,990
and say

104
00:09:00,410 --> 00:08:57,360
11 o'clock tonight

105
00:09:03,410 --> 00:09:00,420
and uh I agree

106
00:09:07,690 --> 00:09:03,420
let's say about uh

107
00:09:12,949 --> 00:09:10,610
that uh stated that if I went through a

108
00:09:14,449 --> 00:09:12,959
photograph there my family would be

109
00:09:16,610 --> 00:09:14,459
great dangerous

110
00:09:20,690 --> 00:09:16,620
however I didn't know what maybe the

111
00:09:23,750 --> 00:09:20,700
kids or something like that and uh

112
00:09:26,750 --> 00:09:23,760
I didn't think too much about it

113
00:09:29,449 --> 00:09:26,760

and about Santa Claus they called me and

114

00:09:32,050 --> 00:09:29,459

told me who had set up for 11 o'clock at

115

00:09:37,130 --> 00:09:32,060

the morning

116

00:09:40,490 --> 00:09:37,140

roughly 425 miles from here until I got

117

00:09:41,329 --> 00:09:40,500

up early and left about 7 30 and I had

118

00:09:55,850 --> 00:09:41,339

went

119

00:09:55,860 --> 00:10:00,470

[Music]

120

00:10:06,110 --> 00:10:02,509

and the woman

121

00:10:10,449 --> 00:10:06,120

handed down in an officer length now

122

00:10:15,230 --> 00:10:12,889

off the plane

123

00:10:25,389 --> 00:10:15,240

and stop

124

00:10:46,210 --> 00:10:30,170

and after that brought them but I heard

125

00:10:53,509 --> 00:10:49,130

another one and a brown

126
00:10:56,269 --> 00:10:53,519
and uh they told me to get by and went

127
00:10:57,889 --> 00:10:56,279
through with the photographs that I

128
00:11:01,550 --> 00:10:57,899
always make it back

129
00:11:19,569 --> 00:11:06,009
and uh money on paragraph test and

130
00:11:24,829 --> 00:11:21,350
and uh

131
00:11:27,410 --> 00:11:24,839
uh I I have no experience I've had no

132
00:11:30,590 --> 00:11:27,420
experience photographs or

133
00:11:33,050 --> 00:11:30,600
anything on that order and he said I

134
00:11:35,590 --> 00:11:33,060
could come up with anything like that

135
00:11:39,790 --> 00:11:35,600
uh myself

136
00:11:43,910 --> 00:11:39,800
so uh then all the discussions the doors

137
00:11:45,380 --> 00:11:43,920
all about the diapers

138
00:11:53,930 --> 00:11:45,390

down

139

00:11:58,850 --> 00:11:56,930

and the examiner after the private

140

00:12:02,509 --> 00:11:58,860

defensive

141

00:12:04,910 --> 00:12:02,519

I said well I come out on TV

142

00:12:10,329 --> 00:12:04,920

and just give a short statement that I

143

00:12:16,069 --> 00:12:13,850

what did you actually take the test

144

00:12:34,430 --> 00:12:16,079

yeah

145

00:12:37,910 --> 00:12:36,470

it was time for you to ask me a question

146

00:12:41,050 --> 00:12:37,920

that uh

147

00:12:43,850 --> 00:12:41,060

was uh relevant to that I was thinking

148

00:12:45,470 --> 00:12:43,860

and uh

149

00:12:48,889 --> 00:12:45,480

the uh

150

00:12:54,850 --> 00:12:48,899

uh attention I didn't know where that

151
00:12:54,860 --> 00:13:02,690
that our lives

152
00:13:02,700 --> 00:13:06,410
automobiles

153
00:13:06,420 --> 00:13:11,810
uh did you tell them ahead

154
00:13:11,820 --> 00:13:19,430
of the calendar

155
00:13:27,710 --> 00:13:21,949
well uh

156
00:13:28,930 --> 00:13:27,720
uh uh this win he was the examiner and

157
00:13:32,629 --> 00:13:28,940
uh

158
00:13:35,269 --> 00:13:32,639
Jordan statement and then towards the

159
00:13:44,760 --> 00:13:35,279
Associated Press was left out there to

160
00:13:44,770 --> 00:13:53,650
[Music]

161
00:14:04,370 --> 00:13:56,990
reveal uh that time to do the fact that

162
00:14:10,490 --> 00:14:07,190
and uh as soon as I got home I called a

163
00:14:21,100 --> 00:14:10,500

police department and reported them

164

00:14:21,110 --> 00:14:42,290

[Music]

165

00:14:46,970 --> 00:14:43,630

man

166

00:14:52,250 --> 00:14:46,980

[Music]

167

00:14:54,769 --> 00:14:52,260

and uh his Highway gets done by a house

168

00:14:57,110 --> 00:14:54,779

and there's a car set down from the

169

00:15:01,850 --> 00:14:57,120

house for 500 yards back to this thing

170

00:15:01,860 --> 00:15:09,370

the last of what happened that morning

171

00:15:09,380 --> 00:15:16,689

behind the storm shelter

172

00:15:21,829 --> 00:15:18,949

running slow

173

00:15:23,990 --> 00:15:21,839

and there are no light went on up

174

00:15:29,110 --> 00:15:24,000

somewhere turned around

175

00:15:35,030 --> 00:15:32,269

and uh they buy a great job

176

00:15:41,949 --> 00:15:35,040

but I started shooting at a battle for

177

00:15:47,870 --> 00:15:44,110

and uh

178

00:15:50,050 --> 00:15:47,880

uh they have as bad happen I just want

179

00:15:53,150 --> 00:15:50,060

to get it told what it happened

180

00:15:55,030 --> 00:15:53,160

no did you have any bullets that have

181

00:15:58,250 --> 00:15:55,040

lost anywhere near you

182

00:16:06,009 --> 00:15:58,260

uh no

183

00:16:11,470 --> 00:16:07,910

turned around

184

00:16:14,269 --> 00:16:11,480

but uh we didn't find this place

185

00:16:25,930 --> 00:16:14,279

and you don't have any evidence that you

186

00:16:32,210 --> 00:16:29,990

official investigation out of this and

187

00:16:43,490 --> 00:16:32,220

uh

188

00:16:47,870 --> 00:16:45,410

I guess it's about an hour after

189

00:16:51,230 --> 00:16:47,880

something like that I got a phone call

190

00:16:54,530 --> 00:16:51,240

Morgan did not get it stirred up again

191

00:16:58,249 --> 00:16:54,540

however it's out of my hands of people

192

00:16:59,210 --> 00:16:58,259

investigation passed again and uh a real

193

00:17:13,339 --> 00:16:59,220

convenience

194

00:17:37,390 --> 00:17:27,170

[Music]

195

00:17:37,400 --> 00:17:44,990

have you made copies of the photos

196

00:17:50,390 --> 00:17:46,970

yourself because no you don't have

197

00:17:53,390 --> 00:17:50,400

anything at all do you no

198

00:17:59,510 --> 00:17:53,400

I have I have a certified mail you know

199

00:18:02,810 --> 00:18:01,370

and they promised to send them back to

200

00:18:04,909 --> 00:18:02,820

you yeah

201
00:18:07,909 --> 00:18:04,919
I would assume the university will keep

202
00:18:09,590 --> 00:18:07,919
the word on that yeah I I wouldn't have

203
00:18:11,330 --> 00:18:09,600
done quite for sure if other agencies

204
00:18:14,570 --> 00:18:11,340
have gotten that's what I think they

205
00:18:16,190 --> 00:18:14,580
would yeah well they think to look at it

206
00:18:35,810 --> 00:18:16,200
with open Fine Arts eight three

207
00:18:42,370 --> 00:18:38,930
let's see the one that will assist here

208
00:18:45,490 --> 00:18:42,380
by condom is uh

209
00:18:55,990 --> 00:18:45,500
uh Captain Robert

210
00:19:02,330 --> 00:18:58,310
another one

211
00:19:06,050 --> 00:19:02,340
that's the Fatal quarter

212
00:19:13,010 --> 00:19:06,830
[Music]

213
00:19:13,020 --> 00:19:22,070

and uh

214

00:19:22,080 --> 00:19:54,220

video

215

00:19:58,630 --> 00:19:56,529

[Music]

216

00:19:59,810 --> 00:19:58,640

if you would please

217

00:20:04,370 --> 00:19:59,820

[Music]

218

00:20:08,780 --> 00:20:08,029

or whatever I've talked to in that

219

00:20:10,610 --> 00:20:08,790

project

220

00:20:42,370 --> 00:20:10,620

[Music]

221

00:20:51,470 --> 00:20:44,630

started with work

222

00:20:58,130 --> 00:20:54,409

and a touchdown picked up turn around

223

00:20:59,990 --> 00:20:58,140

Place back and there was crap about the

224

00:21:10,029 --> 00:21:00,000

36 Long

225

00:21:16,850 --> 00:21:13,010

uh plastic

226

00:21:21,590 --> 00:21:16,860

on top of it and the door was open

227

00:21:27,350 --> 00:21:25,250

and uh one of them

228

00:21:29,210 --> 00:21:27,360

let's go and let you take your physical

229

00:21:33,049 --> 00:21:29,220

job

230

00:21:35,930 --> 00:21:33,059

well I had I had two children get on

231

00:21:41,270 --> 00:21:35,940

this round to your foot

232

00:21:53,830 --> 00:21:42,280

um

233

00:21:57,710 --> 00:21:55,789

in any way

234

00:21:59,710 --> 00:21:57,720

and they said no

235

00:22:02,270 --> 00:21:59,720

and I'm

236

00:22:05,390 --> 00:22:02,280

considered by me but

237

00:22:08,210 --> 00:22:05,400

they said we're running directly back

238

00:22:10,549 --> 00:22:08,220

so they stepped out the other two step

239

00:22:13,789 --> 00:22:10,559

back in the door and sat down south

240

00:22:14,810 --> 00:22:13,799

deposit whatever it was and I wouldn't

241

00:22:18,810 --> 00:22:14,820

accept

242

00:22:24,649 --> 00:22:21,370

[Music]

243

00:22:30,890 --> 00:22:24,659

came over and uh

244

00:22:44,330 --> 00:22:34,789

uh

245

00:22:44,340 --> 00:22:56,390

and they were upstairs

246

00:23:01,909 --> 00:22:58,549

and uh

247

00:23:04,190 --> 00:23:01,919

uh better control panel that's close to

248

00:23:10,980 --> 00:23:04,200

one of them they all went out went over

249

00:23:10,990 --> 00:23:22,070

[Music]

250

00:23:22,080 --> 00:23:27,789

and uh

251
00:23:34,310 --> 00:23:32,029
Alexander was the positional and I was

252
00:23:44,350 --> 00:23:34,320
thrown back against the physics going

253
00:23:53,330 --> 00:23:48,660
back here uh

254
00:23:55,430 --> 00:23:53,340
[Music]

255
00:23:58,850 --> 00:23:55,440
got it slowed down and got that door

256
00:24:14,770 --> 00:23:58,860
stopped some way and uh come over there

257
00:24:21,770 --> 00:24:18,110
that uh

258
00:24:26,630 --> 00:24:21,780
control panel and uh

259
00:24:29,630 --> 00:24:26,640
it uh I feel for them through

260
00:24:35,450 --> 00:24:29,640
and uh just the short time after it

261
00:24:39,950 --> 00:24:38,090
and uh final election for roughly a

262
00:24:41,770 --> 00:24:39,960
minute

263
00:24:46,669 --> 00:24:41,780

and uh

264

00:24:51,789 --> 00:24:46,679

we had to move or traveled to roughly

265

00:24:58,070 --> 00:24:53,510

out there

266

00:25:01,370 --> 00:24:58,080

for now I was dressed for uh but uh he

267

00:25:03,909 --> 00:25:01,380

might have got down 30 35 degrees cold

268

00:25:03,919 --> 00:25:11,950

and when it started getting so uh

269

00:25:18,649 --> 00:25:15,470

it took roughly 10 minutes to get back

270

00:25:20,330 --> 00:25:18,659

to the temperature it was when I first

271

00:25:25,390 --> 00:25:20,340

went in

272

00:25:27,430 --> 00:25:25,400

well uh we traveled for about 20 minutes

273

00:25:33,110 --> 00:25:27,440

and uh

274

00:25:38,769 --> 00:25:33,120

they told things every year and just a

275

00:25:46,789 --> 00:25:43,909

from the side of the uh process between

276
00:25:46,799 --> 00:25:51,210
foreign

277
00:25:51,220 --> 00:26:02,830
[Music]

278
00:26:09,470 --> 00:26:04,990
on APM

279
00:26:14,450 --> 00:26:09,480
play it back and reveal the tunnel or a

280
00:26:19,930 --> 00:26:16,450
uh corrugated

281
00:26:19,940 --> 00:26:24,529
and uh

282
00:26:24,539 --> 00:26:31,970
well he went away

283
00:26:38,649 --> 00:26:35,810
get through it and

284
00:26:41,870 --> 00:26:38,659
as we

285
00:26:42,890 --> 00:26:41,880
went through the other side I turned

286
00:26:51,789 --> 00:26:42,900
right

287
00:26:55,789 --> 00:26:51,799
and uh I've been full of

288
00:26:57,830 --> 00:26:55,799

weapons there's roughly let's say it is

289

00:27:00,409 --> 00:26:57,840

roughly

290

00:27:00,419 --> 00:27:09,230

again

291

00:27:09,240 --> 00:27:13,990

please

292

00:27:23,750 --> 00:27:15,850

around

293

00:27:23,760 --> 00:28:03,470

foreign

294

00:28:03,480 --> 00:28:09,370

and

295

00:28:17,210 --> 00:28:13,430

that department too

296

00:28:23,570 --> 00:28:17,220

and uh when I stepped in there

297

00:28:29,029 --> 00:28:25,570

during the doors

298

00:28:32,269 --> 00:28:29,039

on March 31st

299

00:28:32,279 --> 00:28:38,520

survey

300

00:28:38,530 --> 00:28:46,909

[Music]

301
00:28:53,930 --> 00:28:49,130
and uh

302
00:28:53,940 --> 00:29:08,570
[Music]

303
00:29:08,580 --> 00:29:16,510
um

304
00:29:16,520 --> 00:29:26,070
completely against this machine

305
00:29:26,080 --> 00:29:29,529
[Music]

306
00:29:34,070 --> 00:29:32,930
something like that and they pulled that

307
00:29:36,169 --> 00:29:34,080
down

308
00:29:39,350 --> 00:29:36,179
and uh

309
00:29:39,360 --> 00:29:44,110
um

310
00:29:59,690 --> 00:29:52,870
and uh

311
00:30:07,549 --> 00:30:02,769
and when they went together they were

312
00:30:08,690 --> 00:30:07,559
long flexible academic timetable and out

313
00:30:13,389 --> 00:30:08,700

of it

314

00:30:18,289 --> 00:30:15,070

yeah

315

00:30:26,389 --> 00:30:18,299

and what about everything

316

00:30:26,399 --> 00:30:35,510

was found uh

317

00:30:41,750 --> 00:30:37,669

with uh

318

00:30:50,930 --> 00:30:41,760

well it's not really used down

319

00:30:50,940 --> 00:30:59,030

control

320

00:30:59,040 --> 00:31:07,850

[Music]

321

00:31:13,610 --> 00:31:09,260

practically

322

00:31:18,010 --> 00:31:15,970

get back and forth

323

00:31:21,169 --> 00:31:18,020

and uh

324

00:31:22,750 --> 00:31:21,179

they had to stand in front of us about

325

00:31:27,950 --> 00:31:22,760

five minutes

326
00:31:34,730 --> 00:31:29,330
hang around

327
00:31:34,740 --> 00:31:38,930
environment

328
00:32:01,669 --> 00:31:41,049
and uh

329
00:32:01,679 --> 00:32:07,870
and then uh

330
00:32:16,010 --> 00:32:12,169
always on the time where I've been

331
00:32:18,590 --> 00:32:16,020
and I kind of turned out

332
00:32:38,510 --> 00:32:18,600
and instead of got all I can tell now

333
00:32:53,090 --> 00:32:40,850
and uh

334
00:32:53,100 --> 00:33:06,289
man

335
00:33:06,299 --> 00:33:10,490
and um

336
00:33:10,500 --> 00:33:14,649
with writing sometimes

337
00:33:14,659 --> 00:33:19,130
favorite ways

338
00:33:23,570 --> 00:33:22,250

well I couldn't believe anything the

339

00:33:26,830 --> 00:33:23,580

driving you know

340

00:33:32,090 --> 00:33:26,840

and uh the paper wave has some type of

341

00:33:35,690 --> 00:33:32,100

and some type of uh crazy foreign

342

00:33:58,310 --> 00:33:40,789

and uh

343

00:34:01,610 --> 00:33:59,930

Department

344

00:34:05,570 --> 00:34:01,620

of what I'm doing

345

00:34:05,580 --> 00:34:14,690

uh

346

00:34:14,700 --> 00:34:19,930

plant projects

347

00:34:19,940 --> 00:34:31,210

and um
