

1
00:00:06,829 --> 00:00:02,570
on that night I decided I'd go up on the

2
00:00:08,990 --> 00:00:06,839
uh there inside the hut and take the uh

3
00:00:10,850 --> 00:00:09,000
the sun setting in the and beautifully

4
00:00:14,870 --> 00:00:10,860
into the West

5
00:00:16,970 --> 00:00:14,880
I took a series of photographs

6
00:00:20,390 --> 00:00:16,980
about six in in all

7
00:00:22,070 --> 00:00:20,400
but around about 15 20 second intervals

8
00:00:25,310 --> 00:00:22,080
and uh

9
00:00:30,769 --> 00:00:28,250
Roy manifold never saw or heard the

10
00:00:32,749 --> 00:00:30,779
mysterious object he caught on film

11
00:00:36,350 --> 00:00:32,759
he could not explain the image he'd

12
00:00:38,330 --> 00:00:36,360
captured and nor could Kodak they come

13
00:00:40,729 --> 00:00:38,340

back and they said oh there's definitely

14

00:00:43,310 --> 00:00:40,739

not a developing error it's nothing to

15

00:00:45,709 --> 00:00:43,320

do with the the film or the development

16

00:00:48,170 --> 00:00:45,719

of the film on the print that they

17

00:00:49,250 --> 00:00:48,180

couldn't explain what it was and why it

18

00:00:51,889 --> 00:00:49,260

was there

19

00:00:54,110 --> 00:00:51,899

Paul Norman had no doubts what was on

20

00:00:56,150 --> 00:00:54,120

the film he sent the photos to the

21

00:00:57,170 --> 00:00:56,160

Laboratories of ground saucer watch in

22

00:00:59,450 --> 00:00:57,180

America

23

00:01:02,389 --> 00:00:59,460

what they discovered was a solid

24

00:01:05,270 --> 00:01:02,399

metallic object about seven meters in

25

00:01:08,990 --> 00:01:05,280

diameter about two kilometers out to sea

26
00:01:12,850 --> 00:01:09,000
it was an unknown object rising from the

27
00:01:15,170 --> 00:01:12,860
water and it had a lot of mist around it

28
00:01:17,810 --> 00:01:15,180
indicating it did come from the water

29
00:01:19,910 --> 00:01:17,820
the pine Gap research facility has never

30
00:01:22,070 --> 00:01:19,920
commented publicly on a possible link

31
00:01:24,289 --> 00:01:22,080
between their operations and Freddie

32
00:01:26,690 --> 00:01:24,299
valentich's disappearance but this

33
00:01:28,789 --> 00:01:26,700
Photograph suggests there is a link it

34
00:01:31,370 --> 00:01:28,799
was taken in the same area at nearly the

35
00:01:33,230 --> 00:01:31,380
same time valentich disappeared if the

36
00:01:35,450 --> 00:01:33,240
eyes and ears of pine Gap are as

37
00:01:37,370 --> 00:01:35,460
powerful as Robert Dean suggests they

38
00:01:39,350 --> 00:01:37,380

must know something about the UFO

39

00:01:42,830 --> 00:01:39,360

snapped by amateur photographer Roy

40

00:01:45,109 --> 00:01:42,840

manifold good quite a clear night it was

41

00:01:48,050 --> 00:01:45,119

uh cool we had the fire going in the uh

42

00:01:50,330 --> 00:01:48,060

in the front room and everything's just

43

00:01:53,630 --> 00:01:50,340

seemed normal at night and I'd taken the

44

00:01:57,230 --> 00:01:53,640

photographs and I take taken the six

45

00:02:00,230 --> 00:01:57,240

consecutive ones and I'd I'd walked

46

00:02:02,270 --> 00:02:00,240

inside and I just come inside oh I was

47

00:02:04,569 --> 00:02:02,280

only been there about maybe five minutes

48

00:02:07,570 --> 00:02:04,579

and I heard an airplane

49

00:02:10,430 --> 00:02:07,580

pass overhead

50

00:02:12,650 --> 00:02:10,440

the airplane was Freddy Cessna just

51
00:02:15,350 --> 00:02:12,660
moments before valentich's fateful UFO

52
00:02:17,030 --> 00:02:15,360
encounter and later when Roy had his

53
00:02:19,790 --> 00:02:17,040
film developed along with a beautiful

54
00:02:22,430 --> 00:02:19,800
sunset there was this important clue to

55
00:02:27,229 --> 00:02:22,440
Freddie's mysterious disappearance

56
00:02:28,369 --> 00:02:27,239
he got this object here on his sixth

57
00:02:30,229 --> 00:02:28,379
frame

58
00:02:32,809 --> 00:02:30,239
and

59
00:02:34,790 --> 00:02:32,819
I was quite strange at the he thought

60
00:02:36,350 --> 00:02:34,800
that one instant there was something

61
00:02:38,570 --> 00:02:36,360
wrong with the camera but then when he

62
00:02:42,110 --> 00:02:38,580
took back to the laboratory at Coyote

63
00:02:44,150 --> 00:02:42,120

they assuring that that object there is

64

00:02:46,970 --> 00:02:44,160

nothing wrong with it he's definitely

65

00:02:49,430 --> 00:02:46,980

got an object on it

66

00:02:51,890 --> 00:02:49,440

computer analysis and enhancement of the

67

00:02:54,050 --> 00:02:51,900

UFO in manifold's photograph reveals

68

00:02:56,750 --> 00:02:54,060

that the object was a solid metallic

69

00:02:58,910 --> 00:02:56,760

reflective sphere approximately 70 feet

70

00:03:00,949 --> 00:02:58,920

in diameter the fact that this picture

71

00:03:03,710 --> 00:03:00,959

was taken just minutes before manifold

72

00:03:05,930 --> 00:03:03,720

heard valentich's airplane suggests this

73

00:03:08,089 --> 00:03:05,940

may be the craft Freddy saw moments

74

00:03:09,770 --> 00:03:08,099

before he vanished Without a Trace Air

75

00:03:11,990 --> 00:03:09,780

corps officials however vehemently

76

00:03:13,850 --> 00:03:12,000

disagree

77

00:03:15,229 --> 00:03:13,860

some of the experts said that he got

78

00:03:17,930 --> 00:03:15,239

disorientated

79

00:03:22,850 --> 00:03:17,940

and that he was flying upside down but

80

00:03:25,490 --> 00:03:22,860

the Cessna 182 has got the petrol

81

00:03:27,530 --> 00:03:25,500

or gas Aviation gas is in the wings and

82

00:03:30,770 --> 00:03:27,540

it's gravity fed to the motor

83

00:03:32,630 --> 00:03:30,780

so 49 seconds of flying upside down the

84

00:03:34,850 --> 00:03:32,640

motor would have cut out he was talking

85

00:03:37,490 --> 00:03:34,860

for six and a half minutes

86

00:03:40,610 --> 00:03:37,500

so that tells you he wasn't flying

87

00:03:47,210 --> 00:03:40,620

upside down he wasn't disorientated

88

00:03:52,009 --> 00:03:48,850

heard nothing but my own sound

89

00:03:53,990 --> 00:03:52,019

electrical phenomena 229 perhaps all

90

00:03:56,030 --> 00:03:54,000

lightning can do strange things barrage

91

00:03:58,430 --> 00:03:56,040

is not uncommon with storm flare storm

92

00:04:00,070 --> 00:03:58,440

flare far off to East Tower not paper

93

00:04:02,350 --> 00:04:00,080

trail either

94

00:04:05,690 --> 00:04:02,360

here he comes from the southwest

95

00:04:11,530 --> 00:04:05,700

Australian metallic but God keep talking

96

00:04:18,890 --> 00:04:14,929

rules and regulation are quite certain

97

00:04:21,229 --> 00:04:18,900

that he would not go on that radio and

98

00:04:23,270 --> 00:04:21,239

inquire about 2-day air traffic

99

00:04:25,129 --> 00:04:23,280

controller what he's got around him

100

00:04:29,270 --> 00:04:25,139

unless it was something really

101

00:04:31,629 --> 00:04:29,280

worthwhile to ask because to him it

102

00:04:34,249 --> 00:04:31,639

wasn't like conventional craft day for

103

00:04:36,490 --> 00:04:34,259

something else and could have been

104

00:04:39,950 --> 00:04:36,500

extraterrestrial

105

00:04:42,650 --> 00:04:39,960

but the time will tell

106

00:04:45,350 --> 00:04:42,660

for 17 years a family has searched for

107

00:04:47,210 --> 00:04:45,360

answers and now they hope that Pine Gap

108

00:04:49,909 --> 00:04:47,220

will share its information concerning

109

00:04:51,890 --> 00:04:49,919

Freddie the UFO in this Photograph and
