

1  
00:00:07,130 --> 00:00:04,970  
one scientist to assist the military in

2  
00:00:09,830 --> 00:00:07,140  
researching the youthful phenomenon is

3  
00:00:12,169 --> 00:00:09,840  
Yuri Sim Yakov a professor of marine

4  
00:00:14,690 --> 00:00:12,179  
biology in Moscow

5  
00:00:17,570 --> 00:00:14,700  
he has investigated several incidents of

6  
00:00:20,929 --> 00:00:17,580  
alleged UFO Landings across the country

7  
00:00:22,550 --> 00:00:20,939  
analyzing soil samples and vegetation to

8  
00:00:27,130 --> 00:00:22,560  
find out if there is any noticeable

9  
00:00:32,210 --> 00:00:29,990  
we studied more than 12 Landing sites in

10  
00:00:34,010 --> 00:00:32,220  
the vicinity of Moscow and I also

11  
00:00:37,610 --> 00:00:34,020  
examined a number of sites from which

12  
00:00:37,620 --> 00:00:41,450  
thank you

13  
00:00:46,250 --> 00:00:44,090

one incident which semiakov studied in

14

00:00:50,990 --> 00:00:46,260

detail occurred at podrescova near

15

00:00:54,889 --> 00:00:53,209

an extraordinary event took place here

16

00:00:56,930 --> 00:00:54,899

10 years ago

17

00:01:00,170 --> 00:00:56,940

we visited this site several times

18

00:01:02,630 --> 00:01:00,180

because of reports that a UFO landed

19

00:01:04,910 --> 00:01:02,640

there was a train passing by and two

20

00:01:07,120 --> 00:01:04,920

people saw this UFO and they were

21

00:01:10,730 --> 00:01:07,130

astounded by what they saw

22

00:01:13,250 --> 00:01:10,740

[Music]

23

00:01:16,370 --> 00:01:13,260

after that we came here and studied the

24

00:01:21,830 --> 00:01:16,380

site I personally supervised several

25

00:01:26,870 --> 00:01:24,710

I brought some insects here ants flies

26  
00:01:29,270 --> 00:01:26,880  
and even worms and studied how they

27  
00:01:37,850 --> 00:01:29,280  
reacted to the site that is did they

28  
00:01:44,450 --> 00:01:41,469  
happened to the vegetation it dried up

29  
00:01:46,670 --> 00:01:44,460  
now of course it has grown again and

30  
00:01:49,010 --> 00:01:46,680  
covered everything over but at the time

31  
00:01:51,469 --> 00:01:49,020  
the trees withered immediately and

32  
00:01:54,550 --> 00:01:51,479  
quickly turned yellow and now all that

33  
00:01:57,530 --> 00:01:54,560  
is left are tree stumps

34  
00:02:00,649 --> 00:01:57,540  
and further away over there the trees

35  
00:02:05,510 --> 00:02:03,050  
after more than 10 years of scientific

36  
00:02:10,270 --> 00:02:05,520  
study what conclusions can be drawn in

37  
00:02:15,110 --> 00:02:12,589  
this is an extremely difficult question

38  
00:02:17,210 --> 00:02:15,120

to answer I can't just say they were

39

00:02:20,290 --> 00:02:17,220

alien spacecraft although such an

40

00:02:23,510 --> 00:02:20,300

explanation cannot be ruled out

41

00:02:25,729 --> 00:02:23,520

it's possible as many people think that

42

00:02:44,540 --> 00:02:25,739

there are several different solutions to

43

00:02:44,550 --> 00:03:01,089

[Music]

44

00:03:16,430 --> 00:03:03,050

from this

45

00:03:16,440 --> 00:04:16,430

is

46

00:04:20,689 --> 00:04:17,930

about it

47

00:04:23,450 --> 00:04:20,699

These Are soil samples taken from five

48

00:04:25,850 --> 00:04:23,460

recent UFO landing sites and are fairly

49

00:04:28,010 --> 00:04:25,860

representative of some two to three

50

00:04:30,050 --> 00:04:28,020

hundred UFO landing sites that I have

51  
00:04:33,290 --> 00:04:30,060  
personally been involved with each of

52  
00:04:35,510 --> 00:04:33,300  
the pins in this map represents a UFO

53  
00:04:37,689 --> 00:04:35,520  
landing site that has been reported to

54  
00:04:41,450 --> 00:04:37,699  
Ted Phillips in the last eight years

55  
00:04:44,270 --> 00:04:41,460  
there are over a hundred and fifty UFO

56  
00:04:46,249 --> 00:04:44,280  
landing sites represented on this map

57  
00:04:48,050 --> 00:04:46,259  
I've investigated a rather high

58  
00:04:51,110 --> 00:04:48,060  
percentage of these reports personally

59  
00:04:54,469 --> 00:04:51,120  
and have found a remarkable consistency

60  
00:04:57,170 --> 00:04:54,479  
in size and shape regarding the UFO

61  
00:05:01,490 --> 00:04:57,180  
scene and the ground effects resulting

62  
00:05:04,909 --> 00:05:01,500  
from that UFO landing we find imprints

63  
00:05:07,070 --> 00:05:04,919

left evidently by the landing gear of

64

00:05:09,670 --> 00:05:07,080

the object some of these indicating

65

00:05:13,430 --> 00:05:09,680

tremendous pressure a great weight

66

00:05:15,890 --> 00:05:13,440

generally found as three or four in

67

00:05:18,950 --> 00:05:15,900

number arranged in either a triangular

68

00:05:21,050 --> 00:05:18,960

or rectangular pattern we effects on

69

00:05:22,909 --> 00:05:21,060

Witnesses such as the witnesses

70

00:05:24,770 --> 00:05:22,919

suffering what appears to be a sunburn

71

00:05:26,990 --> 00:05:24,780

effect on their face neck and hands

72

00:05:29,390 --> 00:05:27,000

following the close approach of a UFO

73

00:05:32,150 --> 00:05:29,400

extreme dryness of the nasal area

74

00:05:35,090 --> 00:05:32,160

extreme dryness of the throat I have

75

00:05:37,370 --> 00:05:35,100

talked with nearly 2 000 people who have

76

00:05:40,129 --> 00:05:37,380

had a UFO experience

77

00:05:42,110 --> 00:05:40,139

and those people certainly have

78

00:05:43,430 --> 00:05:42,120

convinced me that something very real is

79

00:05:46,010 --> 00:05:43,440

going on

80

00:05:49,249 --> 00:05:46,020

this is a small portion of the soil

81

00:05:51,050 --> 00:05:49,259

taken from a UFO landing site in Delphos

82

00:05:54,050 --> 00:05:51,060

Kansas

83

00:05:57,170 --> 00:05:54,060

the soil in the UFO landing ring is

84

00:06:00,170 --> 00:05:57,180

extremely dehydrated and is unable to

85

00:06:00,180 --> 00:06:04,909

instead it simply floats

86

00:06:10,430 --> 00:06:07,310

soil taken only a few feet away that was

87

00:06:13,670 --> 00:06:10,440

not part of the UFO landing ring behaves

88

00:06:19,270 --> 00:06:15,529

within a few seconds it absorbed the

89  
00:06:25,430 --> 00:06:22,969  
besides being unable to absorb water UFO

90  
00:06:28,010 --> 00:06:25,440  
affected soil cannot support seed

91  
00:06:30,529 --> 00:06:28,020  
germination and plant life

92  
00:06:32,510 --> 00:06:30,539  
soil taken a few feet away does support

93  
00:06:35,330 --> 00:06:32,520  
normal plant growth

94  
00:06:39,770 --> 00:06:35,340  
no matter how Vivid a Hallucination is

95  
00:06:41,870 --> 00:06:39,780  
it cannot dehydrate soil

96  
00:06:45,170 --> 00:06:41,880  
eighty percent of the descriptions of a

97  
00:06:48,590 --> 00:06:45,180  
UFO in Ted Phillips files are of a disc

98  
00:06:49,909 --> 00:06:48,600  
shaped object between 10 and 35 feet in

99  
00:06:53,029 --> 00:06:49,919  
diameter

100  
00:06:55,909 --> 00:06:53,039  
over 400 of the landing cases in these

101  
00:06:58,790 --> 00:06:55,919  
files involve more than one witness

102  
00:07:02,450 --> 00:06:58,800  
observing a UFO for longer than one

103  
00:07:05,870 --> 00:07:02,460  
minute at a distance of less than 250

104  
00:07:08,510 --> 00:07:05,880  
feet we're talking about ebola police

105  
00:07:11,270 --> 00:07:08,520  
officers clergymen newsmen business

106  
00:07:13,550 --> 00:07:11,280  
people people in all walks of life from

107  
00:07:16,790 --> 00:07:13,560  
all parts of the country who have had

108  
00:07:18,350 --> 00:07:16,800  
real UFO experiences and in many cases a

109  
00:07:20,450 --> 00:07:18,360  
very close range

110  
00:07:23,390 --> 00:07:20,460  
the interesting thing is that these

111  
00:07:25,909 --> 00:07:23,400  
people could witness a murder could go

112  
00:07:27,650 --> 00:07:25,919  
into court testify to that effect put a

113  
00:07:30,170 --> 00:07:27,660

man away for life

114

00:07:31,850 --> 00:07:30,180

and yet those same people have a UFO

115

00:07:34,010 --> 00:07:31,860

experience and their testimony is no

116

00:07:36,890 --> 00:07:34,020

longer valid that's certainly very

117

00:07:39,230 --> 00:07:36,900

strange set of double standards that we

118

00:07:41,330 --> 00:07:39,240

have in this country it's difficult to

119

00:07:43,610 --> 00:07:41,340

understand during the past 10 years I've

120

00:07:48,189 --> 00:07:43,620

talked with over two dozen military

121

00:07:51,430 --> 00:07:48,199

personnel who have confidentially

122

00:07:55,070 --> 00:07:51,440

relayed cases involving

123

00:07:56,749 --> 00:07:55,080

not only Landings very near or on

124

00:07:58,969 --> 00:07:56,759

military installations in this country

125

00:08:02,749 --> 00:07:58,979

but also cases involving physical

126

00:08:04,610 --> 00:08:02,759

residue in one instance an individual

127

00:08:07,070 --> 00:08:04,620

assured me that he had personally seen

128

00:08:08,809 --> 00:08:07,080

to the transmission of this report to

129

00:08:10,909 --> 00:08:08,819

Project Blue buck and this was a report

130

00:08:13,249 --> 00:08:10,919

involving a landing and quite a number

131

00:08:15,170 --> 00:08:13,259

of witnesses security personnel

132

00:08:17,990 --> 00:08:15,180

and if one is to check the Blue Book

133

00:08:19,189 --> 00:08:18,000

files the files that have been opened to

134

00:08:21,710 --> 00:08:19,199

the public
