

THE JANOS PEOPLE

a close encounter
of the fourth kind

1
00:00:07,610 --> 00:00:03,350
it was late on the night of June the

2
00:00:09,410 --> 00:00:07,620
19th 1978 and the Mann family mum dad

3
00:00:11,089 --> 00:00:09,420
their two young daughters and an aunt

4
00:00:13,370 --> 00:00:11,099
were driving along this lonely

5
00:00:15,650 --> 00:00:13,380
Oxfordshire Road near farringdon when

6
00:00:17,930 --> 00:00:15,660
they pulled up and got out to look at a

7
00:00:20,570 --> 00:00:17,940
strange light in the sky

8
00:00:23,150 --> 00:00:20,580
John Mann a self-employed Builder who

9
00:00:26,029 --> 00:00:23,160
never used to believe in UFOs told me

10
00:00:29,089 --> 00:00:26,039
what happened next

11
00:00:32,450 --> 00:00:29,099
well I got out of the car and

12
00:00:34,549 --> 00:00:32,460
was about to walk towards this Flying

13
00:00:37,430 --> 00:00:34,559

Saucer that we saw up close

14

00:00:40,490 --> 00:00:37,440

and Gloria my wife panicked and told me

15

00:00:43,130 --> 00:00:40,500

to get back into the car which I did and

16

00:00:45,590 --> 00:00:43,140

we drove off but apparently we found out

17

00:00:48,290 --> 00:00:45,600

later that the Flying Saucer then came

18

00:00:51,770 --> 00:00:48,300

round into the road and stopped the car

19

00:00:54,110 --> 00:00:51,780

when the whole family got out and we

20

00:00:56,709 --> 00:00:54,120

were surrounded by a mist of light and

21

00:01:00,110 --> 00:00:56,719

floated up into the appliance also

22

00:01:01,850 --> 00:01:00,120

we've given a very brief medical

23

00:01:04,009 --> 00:01:01,860

examination and then showing around

24

00:01:07,270 --> 00:01:04,019

their ship

25

00:01:10,850 --> 00:01:07,280

where we were allowed to ask questions

26

00:01:13,010 --> 00:01:10,860

later the Flying Saucer moved to further

27

00:01:15,170 --> 00:01:13,020

down the road approximately about a mile

28

00:01:17,330 --> 00:01:15,180

where we were dropped and put back down

29

00:01:18,890 --> 00:01:17,340

and our car was there waiting for us

30

00:01:20,390 --> 00:01:18,900

were you able to find out much about

31

00:01:21,649 --> 00:01:20,400

them about what they were doing why they

32

00:01:26,210 --> 00:01:21,659

were here

33

00:01:28,609 --> 00:01:26,220

their own Planet had been destroyed and

34

00:01:30,050 --> 00:01:28,619

they are now looking for another planet

35

00:01:31,910 --> 00:01:30,060

where they can live

36

00:01:34,190 --> 00:01:31,920

what did they look like these people

37

00:01:36,830 --> 00:01:34,200

from Janos

38

00:01:37,429 --> 00:01:36,840

um well the room's got my height

39

00:01:40,010 --> 00:01:37,439

um

40

00:01:43,010 --> 00:01:40,020

very fair quite attractive some of them

41

00:01:45,170 --> 00:01:43,020

and the men were about John's height

42

00:01:47,030 --> 00:01:45,180

probably taller and they were very clear

43

00:01:49,010 --> 00:01:47,040

as well very fair actually and they

44

00:01:50,630 --> 00:01:49,020

spoke English they spoke English to us

45

00:01:53,389 --> 00:01:50,640

yes when they spoke to each other they

46

00:01:55,670 --> 00:01:53,399

spoke into the town what about the

47

00:01:56,810 --> 00:01:55,680

spaceship itself Francis what was that

48

00:01:59,330 --> 00:01:56,820

like

49

00:02:01,069 --> 00:01:59,340

well it was very large and we think

50

00:02:04,789 --> 00:02:01,079

there's probably four stories we

51
00:02:06,649 --> 00:02:04,799
certainly went up some ramps

52
00:02:08,930 --> 00:02:06,659
um

53
00:02:12,530 --> 00:02:08,940
it was really like being in a submarine

54
00:02:14,750 --> 00:02:12,540
only much larger lots of corridors that

55
00:02:16,670 --> 00:02:14,760
went wrong Corners

56
00:02:19,010 --> 00:02:16,680
um

57
00:02:22,670 --> 00:02:19,020
lots of Machinery on the walls and

58
00:02:24,949 --> 00:02:22,680
medical room Sydney and um

59
00:02:26,690 --> 00:02:24,959
not so much in the restaurant there was

60
00:02:29,990 --> 00:02:26,700
just the one machine on the wall there

61
00:02:31,430 --> 00:02:30,000
where um they got drinks and food Tanya

62
00:02:33,830 --> 00:02:31,440
you were only a little girl at the time

63
00:02:37,130 --> 00:02:33,840

what do you remember of the spaceship

64

00:02:40,250 --> 00:02:37,140

but I remember when mommy had a drink

65

00:02:43,550 --> 00:02:40,260

and she said that my free to like jelly

66

00:02:44,750 --> 00:02:43,560

oh yes because I was scared if you're

67

00:02:47,509 --> 00:02:44,760

only very little girl at the time

68

00:02:49,250 --> 00:02:47,519

weren't you yes Natasha what about you

69

00:02:51,290 --> 00:02:49,260

what do you remember about that flying

70

00:02:54,530 --> 00:02:51,300

Source from the people on it first of

71

00:02:56,630 --> 00:02:54,540

all I remembered sakia's lady she was

72

00:02:59,330 --> 00:02:56,640

looking after me and she took me into

73

00:03:00,890 --> 00:02:59,340

this room where I saw pictures but these

74

00:03:02,750 --> 00:03:00,900

are some drawings that you made about

75

00:03:03,850 --> 00:03:02,760

what happened what do they show what's

76

00:03:07,009 --> 00:03:03,860

up

77

00:03:10,190 --> 00:03:07,019

this was when Dad stopped the car and we

78

00:03:12,949 --> 00:03:10,200

looked at the Flying Saucer

79

00:03:15,229 --> 00:03:12,959

kiss and she looks after me I'm on the

80

00:03:17,809 --> 00:03:15,239

Flying Saucer and she showed me the

81

00:03:20,630 --> 00:03:17,819

pictures do any of you now have any

82

00:03:24,649 --> 00:03:20,640

doubt at all that it really happened
