

1
00:00:07,270 --> 00:00:05,150
there are cases where material has been

2
00:00:10,009 --> 00:00:07,280
found and analyzed

3
00:00:12,410 --> 00:00:10,019
Vladivostok one of the former Soviet

4
00:00:14,570 --> 00:00:12,420
Union's key Naval ports

5
00:00:21,290 --> 00:00:14,580
not far away lies what's claimed to be

6
00:00:25,429 --> 00:00:23,510
The Heavy Metal Works of the town are

7
00:00:27,109 --> 00:00:25,439
overlooked by the simply named height

8
00:00:29,750 --> 00:00:27,119
611

9
00:00:32,690 --> 00:00:29,760
Witnesses observe the strange sphere fly

10
00:00:38,170 --> 00:00:32,700
towards the ridge it rises and Falls

11
00:00:43,670 --> 00:00:40,729
it is red and orange

12
00:00:45,830 --> 00:00:43,680
it changes color at different times

13
00:00:47,950 --> 00:00:45,840

when it is rising it becomes brighter

14

00:00:51,290 --> 00:00:47,960

and when it is falling it gets darker

15

00:00:53,290 --> 00:00:51,300

when it climbs rays of light come out of

16

00:01:06,969 --> 00:00:53,300

it

17

00:01:09,710 --> 00:01:06,979

traveling parallel to the ground

18

00:01:13,590 --> 00:01:09,720

a single large beam of light comes out

19

00:01:15,370 --> 00:01:13,600

of it then it disappears over the hill

20

00:01:18,289 --> 00:01:15,380

[Music]

21

00:01:21,050 --> 00:01:18,299

I don't hear any explosion and I don't

22

00:01:23,450 --> 00:01:21,060

see any flash yet after it goes up and

23

00:01:25,310 --> 00:01:23,460

down several times it vanishes over the

24

00:01:26,990 --> 00:01:25,320

hill

25

00:01:33,469 --> 00:01:27,000

a final question what do you think it

26
00:01:40,069 --> 00:01:37,069
subsequent searches find the impact site

27
00:01:43,130 --> 00:01:40,079
mysterious materials balls gauzes

28
00:01:44,810 --> 00:01:43,140
netting are removed from the hillside

29
00:01:46,910 --> 00:01:44,820
they remain in the hands of national

30
00:01:51,069 --> 00:01:46,920
science Academies

31
00:01:54,350 --> 00:01:51,079
local scientists have only small samples

32
00:01:57,170 --> 00:01:54,360
over three years they compile a 300 page

33
00:02:01,450 --> 00:01:57,180
study its author points to anomalous

34
00:02:07,429 --> 00:02:04,130
at the crash site I found bits of

35
00:02:09,370 --> 00:02:07,439
magnetized flint and about 300 grams of

36
00:02:12,470 --> 00:02:09,380
different materials

37
00:02:16,449 --> 00:02:12,480
after the crash at height 611 there were

38
00:02:20,050 --> 00:02:16,459

many UFO sightings over dalnagos

39

00:02:21,890 --> 00:02:20,060

discs balloon shapes single lights

40

00:02:23,150 --> 00:02:21,900

it looked as though they were looking

41

00:02:24,970 --> 00:02:23,160

for something because they had

42

00:02:27,470 --> 00:02:24,980

searchlights

43

00:02:30,290 --> 00:02:27,480

this Searchlight was very interesting

44

00:02:33,309 --> 00:02:30,300

it's only lit up what it touched it had

45

00:02:35,750 --> 00:02:33,319

no visible beam

46

00:02:37,670 --> 00:02:35,760

everything leads me to believe that this

47

00:02:39,650 --> 00:02:37,680

object was made by highly intelligent

48

00:02:43,910 --> 00:02:39,660

beings and was of extraterrestrial

49

00:02:48,830 --> 00:02:45,949

the metallic wreckage contains

50

00:02:50,630 --> 00:02:48,840

extraordinary levels of elements purer

51
00:02:52,970 --> 00:02:50,640
than on Earth he says

52
00:02:55,790 --> 00:02:52,980
the net-like material is quartz

53
00:02:57,470 --> 00:02:55,800
insulation round gold wires thinner than

54
00:03:00,470 --> 00:02:57,480
a human hair

55
00:03:02,030 --> 00:03:00,480
what came from the sky is he argues not

56
00:03:04,190 --> 00:03:02,040
something made here

57
00:03:08,030 --> 00:03:04,200
but part of the guidance system of an

58
00:03:11,930 --> 00:03:10,130
no other Russian researchers have

59
00:03:16,369 --> 00:03:11,940
published their findings

60
00:03:21,290 --> 00:03:18,649
a few miles away from Blood of our stock

61
00:03:24,830 --> 00:03:21,300
near the small mining town of donagorsk

62
00:03:27,470 --> 00:03:24,840
a UFO crashed on this Hilltop in 1986.

63
00:03:30,770 --> 00:03:27,480

the site known only by its height height

64

00:03:32,149 --> 00:03:30,780

611 is littered with strange debris and

65

00:03:34,430 --> 00:03:32,159

is considered to be one of the most

66

00:03:35,990 --> 00:03:34,440

significant UFO locations in all of

67

00:03:38,449 --> 00:03:36,000

Russia

68

00:03:43,130 --> 00:03:38,459

the sphere was red it was flying

69

00:03:49,149 --> 00:03:46,250

I saw a fire balloon fly from this side

70

00:03:52,190 --> 00:03:49,159

and fall there on this Knoll

71

00:03:54,289 --> 00:03:52,200

after that the fire started it burned

72

00:03:56,690 --> 00:03:54,299

for one hour

73

00:03:58,789 --> 00:03:56,700

the first person to reach the scene was

74

00:04:00,890 --> 00:03:58,799

biologist and Academy of Sciences

75

00:04:04,369 --> 00:04:00,900

meteorite commission member Valerie

76
00:04:06,530 --> 00:04:04,379
duildi Samsung was burning this could

77
00:04:08,930 --> 00:04:06,540
have been a meteorite but meteorites do

78
00:04:11,990 --> 00:04:08,940
not cause fires when I climbed up to

79
00:04:13,850 --> 00:04:12,000
this place the snow was deep there I saw

80
00:04:16,610 --> 00:04:13,860
a place which left a great impression on

81
00:04:19,490 --> 00:04:16,620
me there was no snow it just evaporated

82
00:04:23,150 --> 00:04:19,500
I saw the remains of a burnt tree and

83
00:04:25,790 --> 00:04:23,160
the remains of metallic spheres

84
00:04:27,730 --> 00:04:25,800
samples of charred metal gathered at the

85
00:04:29,990 --> 00:04:27,740
site attracted Nationwide attention

86
00:04:32,570 --> 00:04:30,000
analysis was done by Russia's most

87
00:04:35,570 --> 00:04:32,580
prestigious academies whatever remained

88
00:04:38,749 --> 00:04:35,580

by the site itself had such unusual

89

00:04:40,249 --> 00:04:38,759

properties Paul Stonehill head of the

90

00:04:42,409 --> 00:04:40,259

Russian ufology Research Center

91

00:04:44,090 --> 00:04:42,419

headquartered in the United States has

92

00:04:47,330 --> 00:04:44,100

examined many of the samples from height

93

00:04:51,110 --> 00:04:47,340

611. and the mass itself had something

94

00:04:54,469 --> 00:04:51,120

very strange very unusual tiny filaments

95

00:04:58,790 --> 00:04:54,479

and inside those filaments quartz

96

00:05:01,850 --> 00:04:58,800

filaments one could find yet other

97

00:05:04,790 --> 00:05:01,860

filaments or nettings gold nettings

98

00:05:09,469 --> 00:05:04,800

seven microns thick I mean a human hair

99

00:05:12,590 --> 00:05:09,479

is 56 microns now that go we have no

100

00:05:15,650 --> 00:05:12,600

technology to insert gold filaments of

101

00:05:18,370 --> 00:05:15,660

that size into quartz filaments what

102

00:05:21,050 --> 00:05:18,380

they could be used for remains an enigma

103

00:05:22,969 --> 00:05:21,060

it's an enigma that continues to draw

104

00:05:24,770 --> 00:05:22,979

serious attention from Russia's top

105

00:05:27,529 --> 00:05:24,780

scientific researchers

106

00:05:30,650 --> 00:05:27,539

their Academy of Sciences has an ongoing

107

00:05:33,050 --> 00:05:30,660

public study of UFOs since the 1970s

108

00:05:35,450 --> 00:05:33,060

George Knapp is an investigative

109

00:05:37,969 --> 00:05:35,460

journalist he is frustrated by the

110

00:05:40,909 --> 00:05:37,979

seeming lack of interest in UFOs by

111

00:05:43,189 --> 00:05:40,919

American academics here the people like

112

00:05:44,810 --> 00:05:43,199

Carl Sagan say you can't study UFOs

113

00:05:46,610 --> 00:05:44,820

there's nothing to study there's no

114

00:05:48,890 --> 00:05:46,620

physical evidence well that's baloney

115

00:05:51,110 --> 00:05:48,900

and the Russians are proving that their

116

00:05:53,390 --> 00:05:51,120

Academy of Sciences the most respected

117

00:05:56,210 --> 00:05:53,400

scientific organization in that nation

118

00:05:57,830 --> 00:05:56,220

has been studying it for decades they do

119

00:05:59,689 --> 00:05:57,840

what scientists are supposed to do they

120

00:06:01,370 --> 00:05:59,699

take samples they conduct experiments

121

00:06:03,230 --> 00:06:01,380

they dig in the soil they check for

122

00:06:04,969 --> 00:06:03,240

radiation and they've come up with some

123

00:06:07,129 --> 00:06:04,979

fairly amazing results

124

00:06:10,070 --> 00:06:07,139

in the case of samples collected by

125

00:06:13,010 --> 00:06:10,080

scientists at height 611 the results are

126
00:06:15,770 --> 00:06:13,020
startling it could very well be physical

127
00:06:18,110 --> 00:06:15,780
evidence of an extraterrestrial origin

128
00:06:19,969 --> 00:06:18,120
that was the conclusion of the initial

129
00:06:22,430 --> 00:06:19,979
scientific team that went to the site

130
00:06:25,249 --> 00:06:22,440
there were strange Alloys in there that

131
00:06:26,710 --> 00:06:25,259
couldn't be readily identified a rare

132
00:06:29,270 --> 00:06:26,720
earth

133
00:06:32,629 --> 00:06:29,280
metals in combinations that have never

134
00:06:35,270 --> 00:06:32,639
been seen a natural origin here we can

135
00:06:37,850 --> 00:06:35,280
see the results of our tests the sample

136
00:06:40,249 --> 00:06:37,860
contains elements such as lenthium nickel

137
00:06:42,590 --> 00:06:40,259
and some others but most importantly it

138
00:06:44,870 --> 00:06:42,600

contains the elements promethium the

139

00:06:47,150 --> 00:06:44,880

element promethium is artificial it

140

00:06:51,050 --> 00:06:47,160

cannot be found on the Earth

141

00:06:53,390 --> 00:06:51,060

human subject testing also took place in

142

00:06:55,730 --> 00:06:53,400

a controlled study Physicians and

143

00:06:57,890 --> 00:06:55,740

medical researchers examined those who

144

00:07:00,550 --> 00:06:57,900

had worked at height 611 in the days

145

00:07:03,290 --> 00:07:00,560

following the UFO incident

146

00:07:06,050 --> 00:07:03,300

samples of blood blood pressure and

147

00:07:09,230 --> 00:07:06,060

pulse War taking for the group that went

148

00:07:11,689 --> 00:07:09,240

to the top of height 611 the number of

149

00:07:14,809 --> 00:07:11,699

red blood cells the differential blood

150

00:07:17,510 --> 00:07:14,819

count was altered and the amount of

151
00:07:19,870 --> 00:07:17,520
elements in The Blood Rose in the

152
00:07:22,510 --> 00:07:19,880
meantime the control group's blood test

153
00:07:26,089 --> 00:07:22,520
stayed normal

154
00:07:28,730 --> 00:07:26,099
I believe that either alien Machinery or

155
00:07:30,950 --> 00:07:28,740
a spaceship fell down and crashed I

156
00:07:32,689 --> 00:07:30,960
think that otherwise it cannot be

157
00:07:35,330 --> 00:07:32,699
explained

158
00:07:37,550 --> 00:07:35,340
doctors and researchers inside Russia

159
00:07:39,350 --> 00:07:37,560
continue their investigation while a

160
00:07:41,450 --> 00:07:39,360
handful of American experts are still

161
00:07:43,430 --> 00:07:41,460
having difficulty convincing our own

162
00:07:45,650 --> 00:07:43,440
scientists of the importance of height

163
00:07:48,529 --> 00:07:45,660

611.

164

00:07:50,390 --> 00:07:48,539

height 611 is extremely important to pay

165

00:07:52,490 --> 00:07:50,400

attention to I'm glad that somebody

166

00:07:54,890 --> 00:07:52,500

actually went to that height 611 and

167

00:07:56,809 --> 00:07:54,900

brought out the information because the
