

UFO CRASH RETRIEVALS

STATUS REPORT I
RETRIEVALS OF THE
THIRD KIND

BY LEONARD H. STRINGFIELD
JULY 1978

1
00:00:06,349 --> 00:00:04,190
well as you all know I'm guilty with

2
00:00:09,410 --> 00:00:06,359
this under the alarming title now I'm

3
00:00:11,089 --> 00:00:09,420
not alarming I selected situation read

4
00:00:14,270 --> 00:00:11,099
on it purposely because

5
00:00:16,490 --> 00:00:14,280
I thought the situation was just that

6
00:00:19,910 --> 00:00:16,500
and the reason I say that similarly is

7
00:00:22,010 --> 00:00:19,920
because as long as people worldwide are

8
00:00:25,070 --> 00:00:22,020
having close encounter

9
00:00:27,470 --> 00:00:25,080
and in any instances it was frightened

10
00:00:29,450 --> 00:00:27,480
to death by another encounter I believe

11
00:00:32,810 --> 00:00:29,460
that the situation is red

12
00:00:35,150 --> 00:00:32,820
I also go with the military knows

13
00:00:36,889 --> 00:00:35,160

so being guilty that I'm also guilty of

14

00:00:39,650 --> 00:00:36,899

something else and I feel rather

15

00:00:42,069 --> 00:00:39,660

horrible I must apologize

16

00:00:46,690 --> 00:00:42,079

taking me away from your TV set tonight

17

00:00:52,069 --> 00:00:49,790

in these little episodes we learn of all

18

00:00:53,750 --> 00:00:52,079

the Glorious Blue Book and how nice they

19

00:00:56,029 --> 00:00:53,760

were with all the people that they

20

00:00:57,650 --> 00:00:56,039

interviewed in the case

21

00:01:00,049 --> 00:00:57,660

and uh

22

00:01:04,130 --> 00:01:00,059

right I have to differ that the approach

23

00:01:07,130 --> 00:01:04,140

as illustrated in the TV series they

24

00:01:09,890 --> 00:01:07,140

weren't always quite that diplomatic

25

00:01:11,750 --> 00:01:09,900

about handling Affairs in their during

26

00:01:14,450 --> 00:01:11,760

their interrogations and pursuit of the

27

00:01:15,469 --> 00:01:14,460

UFO the handling of the subject with the

28

00:01:18,649 --> 00:01:15,479

public

29

00:01:22,910 --> 00:01:18,659

and they're rather in glorious devise

30

00:01:24,890 --> 00:01:22,920

in the content project I was a fortunate

31

00:01:27,109 --> 00:01:24,900

or unfortunate to have worked with the

32

00:01:29,870 --> 00:01:27,119

uh confident project as a field

33

00:01:32,390 --> 00:01:29,880

investigator for the tri-state area I

34

00:01:36,050 --> 00:01:32,400

knew some of the inner workings of the

35

00:01:38,330 --> 00:01:36,060

the common group and I could not say

36

00:01:40,190 --> 00:01:38,340

that I worked with him in any degree of

37

00:01:43,429 --> 00:01:40,200

crime

38

00:01:45,850 --> 00:01:43,439

but I did learn so and all the past

39
00:01:48,710 --> 00:01:45,860
experiences whatever they may have been

40
00:01:50,630 --> 00:01:48,720
including my working with the Air Force

41
00:01:53,630 --> 00:01:50,640
after three years in the early 50s

42
00:01:55,789 --> 00:01:53,640
operating under the code name Oxford

43
00:01:58,550 --> 00:01:55,799
8030 blue

44
00:02:03,649 --> 00:01:58,560
where I was asked to report

45
00:02:07,910 --> 00:02:03,659
to your defense demand Columbus Ohio all

46
00:02:10,010 --> 00:02:07,920
UFO activity in our area that I

47
00:02:12,350 --> 00:02:10,020
considered worth reporting in a word

48
00:02:15,890 --> 00:02:12,360
when I sent them was based on my my

49
00:02:19,550 --> 00:02:15,900
screen my knowledge at the time of what

50
00:02:21,530 --> 00:02:19,560
a real UFO might be and I must say

51
00:02:23,150 --> 00:02:21,540
that it resolved that the number of

52
00:02:24,350 --> 00:02:23,160
calls I've made to the within those

53
00:02:26,990 --> 00:02:24,360
three years

54
00:02:30,470 --> 00:02:27,000
that there were occasions when the Jets

55
00:02:33,130 --> 00:02:30,480
were sent up to scrambled in pursuit of

56
00:02:35,930 --> 00:02:33,140
the UFO at that point I was told

57
00:02:37,910 --> 00:02:35,940
not in writing but by an Air Force

58
00:02:39,229 --> 00:02:37,920
officer that I was never to ask any

59
00:02:41,390 --> 00:02:39,239
questions

60
00:02:44,690 --> 00:02:41,400
of course at that time and of course

61
00:02:47,570 --> 00:02:44,700
since I realized that the what they had

62
00:02:51,410 --> 00:02:47,580
learned from the pursuit was maintained

63
00:02:53,869 --> 00:02:51,420

for heavy classification usually Secret

64
00:02:56,210 --> 00:02:53,879
so I had to the many many years many ups

65
00:02:58,970 --> 00:02:56,220
and downs all sorts of experience for

66
00:03:01,070 --> 00:02:58,980
the UFO situation

67
00:03:03,589 --> 00:03:01,080
so with all that information I guess

68
00:03:06,890 --> 00:03:03,599
that's what really prompted me to put it

69
00:03:08,690 --> 00:03:06,900
down sort of a memory bank and situation

70
00:03:12,229 --> 00:03:08,700
ready

71
00:03:14,690 --> 00:03:12,239
tonight I actually

72
00:03:17,869 --> 00:03:14,700
a couple days ago knowing that I would

73
00:03:20,930 --> 00:03:17,879
be here and talking for a research group

74
00:03:23,570 --> 00:03:20,940
I wondered just Bubba and I relate to

75
00:03:25,610 --> 00:03:23,580
those of you a new subject I knew I

76

00:03:27,110 --> 00:03:25,620

couldn't Buffalo you until my wife was

77

00:03:28,490 --> 00:03:27,120

speaking to a Sunday school group you

78

00:03:30,949 --> 00:03:28,500

can tell them almost anything and they

79

00:03:32,270 --> 00:03:30,959

believe them and I realized here I can't

80

00:03:34,850 --> 00:03:32,280

fool you so I have to be very careful

81

00:03:39,530 --> 00:03:37,070

but I have something to say

82

00:03:41,509 --> 00:03:39,540

the reason for this is the paper that I

83

00:03:42,890 --> 00:03:41,519

have prepared and working on for several

84

00:03:45,170 --> 00:03:42,900

months

85

00:03:47,089 --> 00:03:45,180

it's very relatively

86

00:03:50,149 --> 00:03:47,099

it's entitled

87

00:03:52,850 --> 00:03:50,159

retrievals of the Third Kind

88

00:03:55,850 --> 00:03:52,860

and with concerns

89

00:03:59,630 --> 00:03:55,860

in my belief

90

00:04:01,550 --> 00:03:59,640

the hardware the officials the Air Force

91

00:04:02,990 --> 00:04:01,560

has been hiding from the public for many

92

00:04:04,490 --> 00:04:03,000

many years

93

00:04:06,229 --> 00:04:04,500

and that would also include the

94

00:04:08,990 --> 00:04:06,239

occupants

95

00:04:12,490 --> 00:04:09,000

I Derek published some of this in my

96

00:04:15,770 --> 00:04:12,500

book some basic knowledge that I had

97

00:04:17,569 --> 00:04:15,780

at that time I stood not approve D what

98

00:04:18,590 --> 00:04:17,579

I was relating but I thought it sounded

99

00:04:20,930 --> 00:04:18,600

pretty good because it came from

100

00:04:22,730 --> 00:04:20,940

reliable source of course when the book

101

00:04:25,490 --> 00:04:22,740

is published by Doubleday

102

00:04:27,950 --> 00:04:25,500

and I got out on an actual basis like

103

00:04:29,749 --> 00:04:27,960

additional information started to sneak

104

00:04:31,730 --> 00:04:29,759

my way from various

105

00:04:33,950 --> 00:04:31,740

sources that had treated the information

106

00:04:35,450 --> 00:04:33,960

we had that are subrosive for years and

107

00:04:37,670 --> 00:04:35,460

then very carefully was related to me

108

00:04:39,530 --> 00:04:37,680

which perked up my ears that became

109

00:04:42,170 --> 00:04:39,540

concerned I thought well the greatest

110

00:04:44,210 --> 00:04:42,180

subject has been taboo and research from

111

00:04:47,930 --> 00:04:44,220

practice Inception

112

00:04:51,469 --> 00:04:47,940

thanks to a book written by Frank Scully

113

00:04:53,090 --> 00:04:51,479

kind of flying sausage back in 1950. it

114

00:04:56,330 --> 00:04:53,100

was now my belief

115

00:05:00,110 --> 00:04:56,340

that the book was a contrived book put

116

00:05:03,230 --> 00:05:00,120

there on purpose to reduce or subdue the

117

00:05:05,930 --> 00:05:03,240

answers of researchers such as myself

118

00:05:09,409 --> 00:05:05,940

in those early years referring to anyone

119

00:05:11,390 --> 00:05:09,419

anyone who would dare bring up this type

120

00:05:12,950 --> 00:05:11,400

of thing in serious research where we

121

00:05:14,510 --> 00:05:12,960

laughed by the business because of what

122

00:05:17,570 --> 00:05:14,520

Jerry referred to as the little green

123

00:05:20,270 --> 00:05:17,580

man and so forth so on in other words

124

00:05:22,790 --> 00:05:20,280

an atmosphere was created by certain

125

00:05:23,930 --> 00:05:22,800

authorities keep the subject played down

126

00:05:26,990 --> 00:05:23,940

and they were

127

00:05:29,689 --> 00:05:27,000

we all know very very successful

128

00:05:31,550 --> 00:05:29,699

until Springfield decided to do

129

00:05:35,570 --> 00:05:31,560

something else a few months ago and it

130

00:05:37,610 --> 00:05:35,580

opened up a whole new can of worms

131

00:05:39,830 --> 00:05:37,620

so what I've done

132

00:05:41,870 --> 00:05:39,840

thought I had prepared to relate to you

133

00:05:45,110 --> 00:05:41,880

this evening enjoy the whole thing up

134

00:05:49,010 --> 00:05:45,120

yesterday I said there's no issue

135

00:05:51,610 --> 00:05:49,020

trying to address the elite group such a

136

00:05:54,409 --> 00:05:51,620

tube with more

137

00:05:56,150 --> 00:05:54,419

UFO sightings nocturnal lights Close

138

00:05:59,390 --> 00:05:56,160

Encounters after all they're all been

139

00:06:01,610 --> 00:05:59,400

published retold we're all quite aware

140

00:06:03,230 --> 00:06:01,620

of the we all know who's who and

141

00:06:06,350 --> 00:06:03,240

research we all know what the research

142

00:06:08,570 --> 00:06:06,360

was doing groups are doing good or bad

143

00:06:10,129 --> 00:06:08,580

we've heard all the theories so why

144

00:06:14,390 --> 00:06:10,139

should I get up here and waste your time

145

00:06:16,189 --> 00:06:14,400

tonight with the sliced hold tails there

146

00:06:19,249 --> 00:06:16,199

are at least 2 000 books on the market

147

00:06:21,529 --> 00:06:19,259

and they'll all say the same thing

148

00:06:24,350 --> 00:06:21,539

at this point

149

00:06:27,409 --> 00:06:24,360

I'm going to get right to the point

150

00:06:30,950 --> 00:06:27,419

I have no trim no fat

151
00:06:33,830 --> 00:06:30,960
or an expression no crap

152
00:06:36,969 --> 00:06:33,840
I think it's time for truth

153
00:06:40,909 --> 00:06:36,979
and when I read my

154
00:06:42,230 --> 00:06:40,919
53-page report again entitled retrievals

155
00:06:44,270 --> 00:06:42,240
in the Third Kind

156
00:06:45,890 --> 00:06:44,280
I think perhaps you'll realize what I'm

157
00:06:49,129 --> 00:06:45,900
trying to relate

158
00:06:52,309 --> 00:06:49,139
I think the data that I have within 17

159
00:06:54,050 --> 00:06:52,319
abstracts my paper from information I

160
00:06:56,090 --> 00:06:54,060
gathered from what I consider to be very

161
00:06:59,210 --> 00:06:56,100
reliable services

162
00:07:01,730 --> 00:06:59,220
should open the eyeballs with somebody

163
00:07:03,170 --> 00:07:01,740

if they mass media

164

00:07:04,670 --> 00:07:03,180

because they're attending and they've

165

00:07:06,230 --> 00:07:04,680

all been invited

166

00:07:08,990 --> 00:07:06,240

they know the subject

167

00:07:12,050 --> 00:07:09,000

title the subject

168

00:07:13,010 --> 00:07:12,060

they're there to truly be objective they

169

00:07:15,350 --> 00:07:13,020

will

170

00:07:18,290 --> 00:07:15,360

listen to me and report it accordingly

171

00:07:22,330 --> 00:07:18,300

they do a good test

172

00:07:27,770 --> 00:07:25,790

sensitive subject now a warn you the

173

00:07:31,189 --> 00:07:27,780

night when I speak with some of these

174

00:07:32,809 --> 00:07:31,199

matters in this subject I can only tease

175

00:07:36,589 --> 00:07:32,819

you

176

00:07:40,309 --> 00:07:36,599

because I cannot reveal at this time

177

00:07:43,550 --> 00:07:40,319

the contents of my paper which will be

178

00:07:46,249 --> 00:07:43,560

revealed on July 2019 they

179

00:07:48,950 --> 00:07:46,259

will probably all know the viewpoint

180

00:07:52,790 --> 00:07:48,960

towards me because it's an annual Affair

181

00:07:56,990 --> 00:07:52,800

and each year a city is picked and this

182

00:07:59,990 --> 00:07:57,000

year propitiously it's taken

183

00:08:03,589 --> 00:08:00,000

right next to Wright-Patterson field

184

00:08:05,390 --> 00:08:03,599

and that is the the sensitive area

185

00:08:07,129 --> 00:08:05,400

indeed

186

00:08:08,570 --> 00:08:07,139

I gave her some thought before I

187

00:08:11,330 --> 00:08:08,580

actually started to work on this

188

00:08:13,790 --> 00:08:11,340

self-assignment

189

00:08:15,249 --> 00:08:13,800

I knew it was sensitive I knew I had

190

00:08:18,710 --> 00:08:15,259

certain

191

00:08:22,969 --> 00:08:18,720

bits of information in mind used

192

00:08:24,950 --> 00:08:22,979

and in time other parts and pieces

193

00:08:27,409 --> 00:08:24,960

of this type of information reached me

194

00:08:29,330 --> 00:08:27,419

which encouraged me I came to a point

195

00:08:32,050 --> 00:08:29,340

really should I do it or not because I

196

00:08:47,889 --> 00:08:32,060

knew that it could either be in the end

197

00:08:53,090 --> 00:08:50,690

having had my own experience with UFOs

198

00:08:54,050 --> 00:08:53,100

and the plane of almost crashes all of

199

00:08:59,509 --> 00:08:54,060

them

200

00:09:03,470 --> 00:09:01,970

28 years of ups and downs research and

201
00:09:07,310 --> 00:09:03,480
those of you have been in that long or

202
00:09:09,769 --> 00:09:07,320
even less know what it can do to you

203
00:09:13,030 --> 00:09:09,779
and I've held up under that

204
00:09:15,949 --> 00:09:13,040
although my wife might disagree

205
00:09:17,990 --> 00:09:15,959
but anyway I survived the ball and I

206
00:09:20,870 --> 00:09:18,000
thought well let's tackle the big one

207
00:09:22,130 --> 00:09:20,880
here's here's my my salon song Here's my

208
00:09:24,470 --> 00:09:22,140
big challenge

209
00:09:26,210 --> 00:09:24,480
to really go into this

210
00:09:28,790 --> 00:09:26,220
all the way

211
00:09:31,490 --> 00:09:28,800
and I did I pushed everything else

212
00:09:32,930 --> 00:09:31,500
inside to concentrate in this one

213
00:09:35,710 --> 00:09:32,940

endeavor

214

00:09:39,290 --> 00:09:35,720

neglect as much good solid information

215

00:09:41,750 --> 00:09:39,300

possible for the best sources

216

00:09:43,790 --> 00:09:41,760

if you make the paper we saw it as

217

00:09:46,610 --> 00:09:43,800

possible to present before the world

218

00:09:50,449 --> 00:09:48,350

certain

219

00:09:53,030 --> 00:09:50,459

bits of information came to me in that

220

00:09:54,530 --> 00:09:53,040

are surprising ways people following a

221

00:09:57,050 --> 00:09:54,540

talk look them up and say I have

222

00:09:59,150 --> 00:09:57,060

something to talk to you about where

223

00:10:02,150 --> 00:09:59,160

everybody goes away

224

00:10:04,130 --> 00:10:02,160

I had one extra case in this regard a

225

00:10:08,269 --> 00:10:04,140

man who had seen me

226

00:10:10,370 --> 00:10:08,279

retrieved occupants firsthand

227

00:10:12,050 --> 00:10:10,380

and he described them to me and in

228

00:10:14,750 --> 00:10:12,060

circumstances

229

00:10:16,430 --> 00:10:14,760

because and this I thought was just a

230

00:10:18,170 --> 00:10:16,440

little strange because it came from a

231

00:10:20,930 --> 00:10:18,180

pilot who had been in the military and

232

00:10:23,449 --> 00:10:20,940

had top security clearance

233

00:10:25,850 --> 00:10:23,459

and when I got this little information I

234

00:10:28,190 --> 00:10:25,860

decided that this was the turning point

235

00:10:30,889 --> 00:10:28,200

that I would pursue

236

00:10:32,870 --> 00:10:30,899

I really did everything to me that had

237

00:10:35,329 --> 00:10:32,880

been a one-time a rumor or something

238

00:10:38,570 --> 00:10:35,339

fifth six eight man

239

00:10:42,590 --> 00:10:38,580

I went up I took a lot of doing

240

00:10:47,329 --> 00:10:42,600

very careful cautious persistent work

241

00:10:49,550 --> 00:10:47,339

and in fact became a 24-hour Advantage

242

00:10:52,069 --> 00:10:49,560

job to pursue many of these Loose Ends

243

00:10:55,310 --> 00:10:52,079

but I did it

244

00:10:56,630 --> 00:10:55,320

and the long story short

245

00:10:58,790 --> 00:10:56,640

by

246

00:11:01,610 --> 00:10:58,800

January February this year I'd come up

247

00:11:03,590 --> 00:11:01,620

with an amazing amount of material

248

00:11:05,650 --> 00:11:03,600

new material material that had never

249

00:11:08,509 --> 00:11:05,660

been known to most researchers before

250

00:11:10,610 --> 00:11:08,519

when you get into a sensitive area like

251

00:11:13,370 --> 00:11:10,620

this you if you get by the one person

252

00:11:15,710 --> 00:11:13,380

sometimes they can relate you to another

253

00:11:17,990 --> 00:11:15,720

person who may be way over Timbuktu but

254

00:11:20,569 --> 00:11:18,000

we can eventually get to them again

255

00:11:23,210 --> 00:11:20,579

being always cautious diplomatic

256

00:11:25,550 --> 00:11:23,220

and all the other virtues it goes with

257

00:11:29,630 --> 00:11:25,560

getting information

258

00:11:30,530 --> 00:11:29,640

so by April 5th or 6th I have completed

259

00:11:35,269 --> 00:11:30,540

my

260

00:11:37,550 --> 00:11:35,279

and I took a good

261

00:11:39,350 --> 00:11:37,560

long second looks at everything whether

262

00:11:40,850 --> 00:11:39,360

could I really do this and I said well I

263

00:11:43,310 --> 00:11:40,860

got it finished there's all the works

264

00:11:46,370 --> 00:11:43,320

why not

265

00:11:48,829 --> 00:11:46,380

so am I informed well Dan Richard

266

00:11:50,569 --> 00:11:48,839

director of Newton I had come this far

267

00:11:52,490 --> 00:11:50,579

the papers ready

268

00:11:55,190 --> 00:11:52,500

American Top

269

00:11:57,829 --> 00:11:55,200

confidential red

270

00:11:59,990 --> 00:11:57,839

mask while not reveal the contents this

271

00:12:02,030 --> 00:12:00,000

paper to no one

272

00:12:03,829 --> 00:12:02,040

even the typist

273

00:12:07,150 --> 00:12:03,839

in the printer

274

00:12:09,410 --> 00:12:07,160

that's a joke but they got it said

275

00:12:12,590 --> 00:12:09,420

anyway I had

276

00:12:15,350 --> 00:12:12,600

laid some careful groundwork

277

00:12:17,269 --> 00:12:15,360

I retained a copy of normally with the

278

00:12:20,150 --> 00:12:17,279

original copy

279

00:12:22,730 --> 00:12:20,160

maternity popular to another person

280

00:12:25,610 --> 00:12:22,740

unknown to anyone if something should

281

00:12:27,470 --> 00:12:25,620

happen to me or my favorite

282

00:12:29,710 --> 00:12:27,480

perhaps it uh

283

00:12:32,509 --> 00:12:29,720

could it be prayer line

284

00:12:34,490 --> 00:12:32,519

and uh so I'd made a lot of groundwork a

285

00:12:35,930 --> 00:12:34,500

lot of little preparations which I want

286

00:12:37,730 --> 00:12:35,940

to go into right now in case doesn't

287

00:12:40,490 --> 00:12:37,740

happen

288

00:12:41,810 --> 00:12:40,500

there's some better amazing things

289

00:12:43,970 --> 00:12:41,820

happen

290

00:12:45,410 --> 00:12:43,980

and I guess in this particular area I

291

00:12:47,569 --> 00:12:45,420

had to teach you because I can't really

292

00:12:49,850 --> 00:12:47,579

tell you what happened

293

00:12:52,370 --> 00:12:49,860

uh I feel a little bashed by that but

294

00:12:54,530 --> 00:12:52,380

that's the way it is yeah I can say this

295

00:12:57,889 --> 00:12:54,540

it is a extreme

296

00:12:59,990 --> 00:12:57,899

sensitive area that I picked on

297

00:13:01,610 --> 00:13:00,000

and of course the subject as I had

298

00:13:05,629 --> 00:13:01,620

mentioned before retrievals of the Third

299

00:13:09,050 --> 00:13:05,639

Kind includes the retrievals of The

300

00:13:11,569 --> 00:13:09,060

Craft with the

301
00:13:14,690 --> 00:13:11,579
and the octopus

302
00:13:17,870 --> 00:13:14,700
I have at this point I can say

303
00:13:19,370 --> 00:13:17,880
much data on the retrieved hits now

304
00:13:21,949 --> 00:13:19,380
there's more than one we've always heard

305
00:13:24,350 --> 00:13:21,959
the famous one back in New Mexico the

306
00:13:26,269 --> 00:13:24,360
Aztec repair and perhaps another one in

307
00:13:29,629 --> 00:13:26,279
the west or church group perhaps all of

308
00:13:32,930 --> 00:13:29,639
you have heard using the form of rumors

309
00:13:35,710 --> 00:13:32,940
well I have 17 sources of information

310
00:13:38,150 --> 00:13:35,720
concerning a number of crashes

311
00:13:40,490 --> 00:13:38,160
throughout the United States exclusive

312
00:13:42,530 --> 00:13:40,500
exclusive with those overseas that I'm

313
00:13:44,990 --> 00:13:42,540

aware of

314

00:13:48,230 --> 00:13:45,000

these will be presented in my talk in

315

00:13:49,790 --> 00:13:48,240

Dayton and then since then I've added

316

00:13:53,629 --> 00:13:49,800

paid more

317

00:13:56,090 --> 00:13:53,639

sources which will not be in the paper

318

00:13:58,250 --> 00:13:56,100

some of these sources will be used in

319

00:14:01,069 --> 00:13:58,260

the form of agenda

320

00:14:02,629 --> 00:14:01,079

two of them are so super sensitive I'm

321

00:14:03,889 --> 00:14:02,639

not quite sure at this time if I can use

322

00:14:06,500 --> 00:14:03,899

them

323

00:14:07,970 --> 00:14:06,510

well I'll do it 100 percent

324

00:14:10,190 --> 00:14:07,980

[Music]

325

00:14:14,810 --> 00:14:10,200

then there's another source

326

00:14:19,790 --> 00:14:16,910

it all sums up for this the information

327

00:14:22,550 --> 00:14:19,800

I have right now surely as I'm standing

328

00:14:24,170 --> 00:14:22,560

here I guess that's standing uh

329

00:14:27,829 --> 00:14:24,180

[Music]

330

00:14:30,290 --> 00:14:27,839

so I know this the real look of at least

331

00:14:34,009 --> 00:14:30,300

one of them one cup

332

00:14:36,290 --> 00:14:34,019

does absolutely exist incontrovertibly

333

00:14:38,210 --> 00:14:36,300

exist

334

00:14:39,410 --> 00:14:38,220

and also

335

00:14:43,790 --> 00:14:39,420

say

336

00:14:46,850 --> 00:14:43,800

that incontrovertibly we have them

337

00:14:49,430 --> 00:14:46,860

we've had them in military custody since

338

00:14:52,250 --> 00:14:49,440

1947.

339

00:14:53,889 --> 00:14:52,260

that's one retrieval I'm aware of no

340

00:14:55,850 --> 00:14:53,899

occupants

341

00:14:57,730 --> 00:14:55,860

1948

342

00:15:05,150 --> 00:14:57,740

with occupants

343

00:15:09,230 --> 00:15:05,160

1952 1953 1957 1962 1973 and 1977.

344

00:15:11,930 --> 00:15:09,240

we have retrieved craft with octopus

345

00:15:15,170 --> 00:15:11,940

and there are more

346

00:15:20,269 --> 00:15:15,180

much of this day in our rearrate

347

00:15:22,670 --> 00:15:20,279

will be revealed in 17 abstracts paper

348

00:15:26,689 --> 00:15:22,680

possibility of using

349

00:15:29,090 --> 00:15:26,699

food grade perhaps for more

350

00:15:31,790 --> 00:15:29,100

and again I'll say that other

351
00:15:33,829 --> 00:15:31,800
information I have

352
00:15:36,290 --> 00:15:33,839
I don't think I'll be able to reveal it

353
00:15:40,550 --> 00:15:36,300
because it deals with

354
00:15:47,689 --> 00:15:45,470
that's sub super secret Above Top Secret

355
00:15:50,090 --> 00:15:47,699
and I

356
00:15:52,189 --> 00:15:50,100
that's the the outside of the circle of

357
00:15:54,110 --> 00:15:52,199
information

358
00:15:57,110 --> 00:15:54,120
I don't think I've gone or said too much

359
00:15:58,850 --> 00:15:57,120
I had planned to say this much and I

360
00:16:01,790 --> 00:15:58,860
don't know it seems to me it would be

361
00:16:03,829 --> 00:16:01,800
food will go into at this time of the

362
00:16:05,870 --> 00:16:03,839
with that information

363
00:16:09,050 --> 00:16:05,880

to go into a whole lot of

364

00:16:11,210 --> 00:16:09,060

sightings postal counters live encounter

365

00:16:13,250 --> 00:16:11,220

this two will be presented by Ted

366

00:16:16,189 --> 00:16:13,260

loacher who was second

367

00:16:17,930 --> 00:16:16,199

over eighteen hundred

368

00:16:21,009 --> 00:16:17,940

close encounter

369

00:16:23,689 --> 00:16:21,019

cases in this catalog live encounter

370

00:16:25,009 --> 00:16:23,699

this in itself is extremely interesting

371

00:16:28,490 --> 00:16:25,019

of course we'll be very fortunate to

372

00:16:31,129 --> 00:16:28,500

have Ted losher at the Yukon meeting

373

00:16:33,290 --> 00:16:31,139

to relate on that subject

374

00:16:36,170 --> 00:16:33,300

back the whole meeting should we age

375

00:16:37,850 --> 00:16:36,180

we have Dr heineck there who will again

376

00:16:39,829 --> 00:16:37,860

tell us if they're from another realm

377

00:16:44,150 --> 00:16:39,839

and we have

378

00:16:46,009 --> 00:16:44,160

major Keyhole will be there to uh I'm

379

00:16:47,749 --> 00:16:46,019

sure to relay his feelings about the Air

380

00:16:50,509 --> 00:16:47,759

Force

381

00:16:52,730 --> 00:16:50,519

and then dick Hall who was a very well

382

00:16:54,769 --> 00:16:52,740

informed researcher

383

00:16:56,689 --> 00:16:54,779

a good historian and the subject will be

384

00:16:59,030 --> 00:16:56,699

there to relate certain data as I

385

00:17:01,129 --> 00:16:59,040

understand it during a significant year

386

00:17:03,530 --> 00:17:01,139

in 1967

387

00:17:04,909 --> 00:17:03,540

in the course the title of March that

388

00:17:08,390 --> 00:17:04,919

because should be a very interesting

389

00:17:10,490 --> 00:17:08,400

meeting I talked to Dr heineck and about

390

00:17:13,210 --> 00:17:10,500

a week and a half ago before he

391

00:17:17,569 --> 00:17:13,220

was off for a short vacation in Italy

392

00:17:19,909 --> 00:17:17,579

and he extremely interested in what I

393

00:17:21,710 --> 00:17:19,919

the title in that paper

394

00:17:23,449 --> 00:17:21,720

I told him I was not in position to

395

00:17:25,429 --> 00:17:23,459

relate information especially over the

396

00:17:28,970 --> 00:17:25,439

telephone with him

397

00:17:32,270 --> 00:17:28,980

and he seemed really very interested

398

00:17:34,370 --> 00:17:32,280

and that we can of course realize why a

399

00:17:36,830 --> 00:17:34,380

man at this position as a doctor

400

00:17:38,750 --> 00:17:36,840

astronomy and so forth could not touch

401
00:17:40,730 --> 00:17:38,760
on the same subject today

402
00:17:41,870 --> 00:17:40,740
that's likely because of his scientific

403
00:17:44,330 --> 00:17:41,880
position

404
00:17:46,549 --> 00:17:44,340
and uh the fact that he had been taught

405
00:17:48,470 --> 00:17:46,559
scientific assault to the Air Force for

406
00:17:50,450 --> 00:17:48,480
20 years if he were to get up and

407
00:17:52,190 --> 00:17:50,460
daringly say the same thing as I planned

408
00:17:54,049 --> 00:17:52,200
by putting in the letter check of his

409
00:17:56,570 --> 00:17:54,059
position so I can appreciate

410
00:18:00,830 --> 00:17:56,580
this state has not been able to talk as

411
00:18:03,310 --> 00:18:00,840
freely as I have chosen to do

412
00:18:06,110 --> 00:18:03,320
but I decided and I've told several

413
00:18:09,890 --> 00:18:06,120

colleagues here this evening

414

00:18:12,409 --> 00:18:09,900

I'm going up there on that stage and

415

00:18:13,490 --> 00:18:12,419

present my case people have to crawl up

416

00:18:15,590 --> 00:18:13,500

there

417

00:18:18,230 --> 00:18:15,600

I plan to go through it

418

00:18:21,350 --> 00:18:18,240

another announcement again sort of a

419

00:18:24,470 --> 00:18:21,360

tease that I have one source

420

00:18:26,630 --> 00:18:24,480

outside of Ohio who has a what I

421

00:18:29,029 --> 00:18:26,640

consider a major document

422

00:18:31,190 --> 00:18:29,039

and he is well aware of what I'm doing

423

00:18:33,409 --> 00:18:31,200

in fact he was reinforcing one of my

424

00:18:36,590 --> 00:18:33,419

very important industries

425

00:18:39,650 --> 00:18:36,600

who hopes unless he's interfere with

426
00:18:42,470 --> 00:18:39,660
to present this document supported by

427
00:18:45,409 --> 00:18:42,480
clients

428
00:18:48,590 --> 00:18:45,419
get this paper plus what I plan to

429
00:18:50,450 --> 00:18:48,600
reveal all works out as we see it as of

430
00:18:53,570 --> 00:18:50,460
right now

431
00:18:55,430 --> 00:18:53,580
you should become a major

432
00:18:57,289 --> 00:18:55,440
bit of news

433
00:19:01,909 --> 00:18:57,299
for the whole world

434
00:19:04,370 --> 00:19:01,919
certainly provocative certainly sobering

435
00:19:06,650 --> 00:19:04,380
use all sorts of adjectives

436
00:19:08,690 --> 00:19:06,660
I think a lot depends Earl and several

437
00:19:11,870 --> 00:19:08,700
of us discuss this just what will be the

438
00:19:13,250 --> 00:19:11,880

reaction of the media well we cannot

439

00:19:16,789 --> 00:19:13,260

predict that

440

00:19:18,830 --> 00:19:16,799

Earl mentioned that perhaps would make

441

00:19:21,529 --> 00:19:18,840

it as far as date and newspapers or the

442

00:19:23,270 --> 00:19:21,539

Cincinnati Columbus paper maybe Ohio

443

00:19:25,549 --> 00:19:23,280

and that'd be about it

444

00:19:28,730 --> 00:19:25,559

I really don't know how they'll react

445

00:19:30,710 --> 00:19:28,740

yet there is a reaction to what we

446

00:19:35,570 --> 00:19:30,720

present relay

447

00:19:37,669 --> 00:19:35,580

and it does make apup and CBS ABC and

448

00:19:40,850 --> 00:19:37,679

NBC

449

00:19:43,549 --> 00:19:40,860

I think it will raise proportions

450

00:19:44,990 --> 00:19:43,559

of a saucer Watergate

451

00:19:47,090 --> 00:19:45,000

I think there'll be senatorial

452

00:19:49,730 --> 00:19:47,100

investigations because they're going to

453

00:19:51,650 --> 00:19:49,740

have to disprove what I'm saying

454

00:19:54,289 --> 00:19:51,660

my only weakness and I admit this I

455

00:19:57,350 --> 00:19:54,299

confess this in my papers

456

00:19:59,210 --> 00:19:57,360

that I have no affidavits to support the

457

00:20:01,490 --> 00:19:59,220

information I have

458

00:20:04,310 --> 00:20:01,500

in most cases I cannot use names because

459

00:20:06,110 --> 00:20:04,320

of sensitivity of the material just

460

00:20:08,090 --> 00:20:06,120

understand

461

00:20:12,289 --> 00:20:08,100

this bank can be construed by the major

462

00:20:14,630 --> 00:20:12,299

media as having a weak case

463

00:20:16,970 --> 00:20:14,640

then it would dependently

464

00:20:18,830 --> 00:20:16,980

on how reliable I am

465

00:20:21,650 --> 00:20:18,840

and hopefully I have been able to

466

00:20:26,210 --> 00:20:21,660

establish for some degree some

467

00:20:29,390 --> 00:20:26,220

credibility in my 28 years of research

468

00:20:31,490 --> 00:20:29,400

now again it'll be a major test to be a

469

00:20:34,850 --> 00:20:31,500

major interest to me and everyone I

470

00:20:36,890 --> 00:20:34,860

believe is a reaction in the media

471

00:20:40,789 --> 00:20:36,900

I can anticipate the reaction of General

472

00:20:43,070 --> 00:20:40,799

researchers in the field

473

00:20:46,730 --> 00:20:43,080

and the general public I wouldn't dare

474

00:20:49,250 --> 00:20:46,740

predict but I think the first of all we

475

00:20:52,310 --> 00:20:49,260

have to run over we as researchers and

476
00:20:54,650 --> 00:20:52,320
we we do number in a thousand

477
00:20:56,690 --> 00:20:54,660
if we get things moving there that's at

478
00:20:58,669 --> 00:20:56,700
least stepping in

479
00:21:01,190 --> 00:20:58,679
a favor

480
00:21:03,110 --> 00:21:01,200
but again it's still we have not

481
00:21:04,730 --> 00:21:03,120
convinced the nation we're only talking

482
00:21:06,950 --> 00:21:04,740
amongst or so this is what we've been

483
00:21:08,870 --> 00:21:06,960
doing for years researchers you're

484
00:21:10,549 --> 00:21:08,880
talking to researchers

485
00:21:13,669 --> 00:21:10,559
what I'm trying to do is get to the

486
00:21:15,529 --> 00:21:13,679
public the masses the media

487
00:21:17,210 --> 00:21:15,539
if I can accomplish that something is

488
00:21:19,430 --> 00:21:17,220

going to have to give

489

00:21:21,470 --> 00:21:19,440

them so it's going to be a good test I I

490

00:21:23,690 --> 00:21:21,480

don't know how to predict it I could get

491

00:21:25,909 --> 00:21:23,700

shot down in a separate character

492

00:21:27,950 --> 00:21:25,919

assassination in the works

493

00:21:30,529 --> 00:21:27,960

and I'm willing to go forward I'll say

494

00:21:32,390 --> 00:21:30,539

here now it's two months away and stand

495

00:21:35,149 --> 00:21:32,400

that risk

496

00:21:37,370 --> 00:21:35,159

because I believe what I say I know the

497

00:21:40,669 --> 00:21:37,380

information I got is from as far as I'm

498

00:21:43,370 --> 00:21:40,679

concerned unimpeachable sources

499

00:21:46,490 --> 00:21:43,380

we're going to go on again let's say I

500

00:21:49,549 --> 00:21:46,500

scrap my my top guy would normally my

501
00:21:51,230 --> 00:21:49,559
name I'm just talking at the beginning

502
00:21:53,690 --> 00:21:51,240
here right off the top of the head with

503
00:21:57,110 --> 00:21:53,700
no re-prepared notes

504
00:21:59,390 --> 00:21:57,120
because I feel very sincere in what I'm

505
00:22:04,430 --> 00:22:01,490
I think without further Ado not going

506
00:22:06,830 --> 00:22:04,440
into the whiteboards of research and

507
00:22:09,169 --> 00:22:06,840
many theories

508
00:22:11,810 --> 00:22:09,179
we have both sidings Close Encounters

509
00:22:13,130 --> 00:22:11,820
and all those interesting things I'm

510
00:22:15,289 --> 00:22:13,140
going to throw the meeting over to

511
00:22:17,090 --> 00:22:15,299
questions and answers and closely and

512
00:22:18,890 --> 00:22:17,100
I'll try to I'll try to answer them as

513
00:22:22,010 --> 00:22:18,900

honestly as possible

514

00:22:23,690 --> 00:22:22,020

uh realizing of course that there's a

515

00:22:24,710 --> 00:22:23,700

lot of information that I cannot relate

516

00:22:27,230 --> 00:22:24,720

to you

517

00:22:30,350 --> 00:22:27,240

that of course that which is enclosed in

518

00:22:32,570 --> 00:22:30,360

my contents in my paper

519

00:22:34,010 --> 00:22:32,580

and that's my choice because I have to

520

00:22:36,590 --> 00:22:34,020

keep that information type of potential

521

00:22:38,029 --> 00:22:36,600

because I told the informants that it

522

00:22:39,409 --> 00:22:38,039

would not be revealed prior to that and

523

00:22:43,370 --> 00:22:39,419

also a great obstruction of the world

524

00:22:45,230 --> 00:22:43,380

Andrews to please abide by my wishes

525

00:22:48,230 --> 00:22:45,240

and of course I

526

00:22:51,230 --> 00:22:48,240

and that's all about other data that I

527

00:22:52,610 --> 00:22:51,240

may use as a dentist so at this point

528

00:22:54,490 --> 00:22:52,620

I'll take a little drink of water and

529

00:22:57,350 --> 00:22:54,500

we'll throw it out into his questions

530

00:23:00,710 --> 00:22:57,360

hopefully answers

531

00:23:02,750 --> 00:23:00,720

I'm wondering if in your discourse

532

00:23:06,770 --> 00:23:02,760

throughout the times

533

00:23:11,210 --> 00:23:06,780

with whatever degree with a news media

534

00:23:13,270 --> 00:23:11,220

are you experiencing or do you sense

535

00:23:18,649 --> 00:23:13,280

a hidden

536

00:23:22,630 --> 00:23:18,659

subversive fear within the operators of

537

00:23:25,430 --> 00:23:22,640

the media operators in the center of the

538

00:23:27,649 --> 00:23:25,440

underlings those who are not in control

539

00:23:28,669 --> 00:23:27,659

who are doing as they are told do you

540

00:23:32,690 --> 00:23:28,679

sense

541

00:23:36,350 --> 00:23:32,700

a hidden fear that they must acquiesce

542

00:23:39,770 --> 00:23:36,360

they must kowtow they must work within

543

00:23:42,169 --> 00:23:39,780

the defined framework as declared to

544

00:23:44,330 --> 00:23:42,179

them yes

545

00:23:46,610 --> 00:23:44,340

yes sir they do what they're told to do

546

00:23:48,649 --> 00:23:46,620

they're given an assignment in fact it's

547

00:23:51,110 --> 00:23:48,659

very conceivable that uh

548

00:23:53,450 --> 00:23:51,120

NBC the major recipient is the major

549

00:23:55,130 --> 00:23:53,460

national network programs

550

00:23:56,750 --> 00:23:55,140

they may have a man there representing

551
00:23:58,850 --> 00:23:56,760
NBC but it might be just for the local

552
00:24:01,490 --> 00:23:58,860
station

553
00:24:03,710 --> 00:24:01,500
but uh it's the real test will come if

554
00:24:06,649 --> 00:24:03,720
you see any part of any segment of this

555
00:24:09,470 --> 00:24:06,659
uh our performance on on a national

556
00:24:11,990 --> 00:24:09,480
network certainly it's as interesting as

557
00:24:14,330 --> 00:24:12,000
some of the other news items they have

558
00:24:16,850 --> 00:24:14,340
on the uh and after all this is rather

559
00:24:19,010 --> 00:24:16,860
or shaking but I'm trying to relate

560
00:24:20,570 --> 00:24:19,020
if they do not use it it shows it points

561
00:24:22,669 --> 00:24:20,580
out something to me yes but I would say

562
00:24:24,890 --> 00:24:22,679
that people have signed the Ireland the

563
00:24:27,830 --> 00:24:24,900

little man the field man

564

00:24:29,210 --> 00:24:27,840

cameraman uh he doesn't really have any

565

00:24:30,529 --> 00:24:29,220

choice he may go back with a beautiful

566

00:24:33,289 --> 00:24:30,539

story

567

00:24:36,350 --> 00:24:33,299

and completely believe it

568

00:24:39,529 --> 00:24:36,360

but it's his boss who makes the decision

569

00:24:41,630 --> 00:24:39,539

and he is my not necessarily in Columbus

570

00:24:44,090 --> 00:24:41,640

or Dayton or Cleveland

571

00:24:44,870 --> 00:24:44,100

officers but he is in Washington or New

572

00:24:47,990 --> 00:24:44,880

York

573

00:24:50,210 --> 00:24:48,000

he decides what goes on there and

574

00:24:51,110 --> 00:24:50,220

whether it's fit for the nation to think

575

00:24:54,049 --> 00:24:51,120

about

576

00:24:56,990 --> 00:24:54,059

and the same thing's true up there's no

577

00:24:58,990 --> 00:24:57,000

question that a local paper in Dayton or

578

00:25:01,970 --> 00:24:59,000

Cincinnati

579

00:25:04,010 --> 00:25:01,980

Grangeville Indianapolis Columbus and so

580

00:25:06,590 --> 00:25:04,020

forth May pick it up and write a little

581

00:25:08,870 --> 00:25:06,600

true story about here they'll treat it

582

00:25:11,330 --> 00:25:08,880

sort of objectively with a

583

00:25:13,070 --> 00:25:11,340

you know straight story or they'll have

584

00:25:15,890 --> 00:25:13,080

some fun with it know which origin of

585

00:25:17,810 --> 00:25:15,900

course is green men but in the cases I'm

586

00:25:21,950 --> 00:25:17,820

aware of none of these characters need

587

00:25:24,950 --> 00:25:21,960

beings or described as green

588

00:25:26,990 --> 00:25:24,960

and uh so the answer guessed I would say

589

00:25:29,570 --> 00:25:27,000

it through the locals and we really have

590

00:25:31,549 --> 00:25:29,580

enough say the reporter could be very

591

00:25:32,930 --> 00:25:31,559

objective and extremely interested and

592

00:25:35,450 --> 00:25:32,940

highly impressed but it doesn't mean

593

00:25:36,950 --> 00:25:35,460

he'd go back and pull the newspaper have

594

00:25:39,350 --> 00:25:36,960

you seen too much of his control through

595

00:25:41,649 --> 00:25:39,360

the years and I'm aware of it going back

596

00:25:45,470 --> 00:25:41,659

28 years that the Press has at the

597

00:25:48,110 --> 00:25:45,480

newswire level top levels has been

598

00:25:50,169 --> 00:25:48,120

working in coordination with their top

599

00:25:52,250 --> 00:25:50,179

agencies United States in this regard

600

00:25:53,570 --> 00:25:52,260

otherwise we didn't know who they had

601
00:26:00,190 --> 00:25:53,580
the stories on the little man a long

602
00:26:05,930 --> 00:26:03,250
are they still living

603
00:26:07,570 --> 00:26:05,940
no I is you're dealing with the

604
00:26:10,190 --> 00:26:07,580
deadlines

605
00:26:11,930 --> 00:26:10,200
no these were all there was rumors uh

606
00:26:13,070 --> 00:26:11,940
that they had a salute ones were kept

607
00:26:15,830 --> 00:26:13,080
alive but I remember hearing the radio

608
00:26:17,810 --> 00:26:15,840
it was fine uh one investigator I could

609
00:26:20,450 --> 00:26:17,820
remember his name that they took one

610
00:26:22,669 --> 00:26:20,460
argument to uh like after Cardinal or

611
00:26:25,610 --> 00:26:22,679
something I've heard the rumors too

612
00:26:27,649 --> 00:26:25,620
through the years and uh I truly cannot

613
00:26:30,350 --> 00:26:27,659

substantiate that there is some

614

00:26:34,370 --> 00:26:30,360

suspicion of mine based on a few reports

615

00:26:36,710 --> 00:26:34,380

that I had may have uh one in a living

616

00:26:39,110 --> 00:26:36,720

State I cannot prove that

617

00:26:40,190 --> 00:26:39,120

the data was really gave to the rumor

618

00:26:43,010 --> 00:26:40,200

stage

619

00:26:45,769 --> 00:26:43,020

but I'm referring out to the those were

620

00:26:49,070 --> 00:26:45,779

ceased and those I know that have

621

00:26:50,690 --> 00:26:49,080

all these uh the sauces you have were a

622

00:26:52,190 --> 00:26:50,700

few of those are they or they all seem

623

00:26:54,409 --> 00:26:52,200

to be made the same type or are they

624

00:26:55,789 --> 00:26:54,419

different type one variation variation

625

00:26:58,310 --> 00:26:55,799

what about the occupants are they

626
00:27:01,310 --> 00:26:58,320
thinking the same are they the same type

627
00:27:03,289 --> 00:27:01,320
of means or a difference

628
00:27:05,630 --> 00:27:03,299
um I can only answer that limitably

629
00:27:08,750 --> 00:27:05,640
right now but they're they're generally

630
00:27:10,970 --> 00:27:08,760
size height three and a half to four and

631
00:27:15,260 --> 00:27:10,980
a half two

632
00:27:16,909 --> 00:27:15,270
and uh generally describe similarly

633
00:27:18,850 --> 00:27:16,919
[Music]

634
00:27:21,049 --> 00:27:18,860
with a few

635
00:27:23,750 --> 00:27:21,059
features here and there a little skew

636
00:27:29,149 --> 00:27:27,230
I know of your recent involvement in

637
00:27:31,490 --> 00:27:29,159
connection with the United Nations and

638
00:27:33,649 --> 00:27:31,500

trying to get their involvement

639

00:27:36,289 --> 00:27:33,659

and particularly your involvement with

640

00:27:37,970 --> 00:27:36,299

the political runaround and the

641

00:27:40,549 --> 00:27:37,980

different ambassadors and government

642

00:27:43,250 --> 00:27:40,559

representatives in one sort of another

643

00:27:46,250 --> 00:27:43,260

you mentioned this evening that there

644

00:27:48,710 --> 00:27:46,260

were quite a key possible crashes in the

645

00:27:52,850 --> 00:27:48,720

United States not counting the overseas

646

00:27:54,970 --> 00:27:52,860

defensive what I'm interested in is what

647

00:27:57,350 --> 00:27:54,980

your contact with government

648

00:27:58,850 --> 00:27:57,360

representatives there at the um

649

00:28:01,610 --> 00:27:58,860

in particular

650

00:28:04,430 --> 00:28:01,620

what involvement is there what these

651
00:28:07,370 --> 00:28:04,440
various other countries how are they

652
00:28:10,070 --> 00:28:07,380
able to keep this super secret

653
00:28:11,630 --> 00:28:10,080
we work in many instances cooperatively

654
00:28:14,510 --> 00:28:11,640
in the United States have the same

655
00:28:16,610 --> 00:28:14,520
suppression system there as we have

656
00:28:18,529 --> 00:28:16,620
they all have their equivalent for CIA

657
00:28:21,130 --> 00:28:18,539
and uh

658
00:28:23,330 --> 00:28:21,140
many of them were connected with us to

659
00:28:25,070 --> 00:28:23,340
Nato of course we've worked

660
00:28:27,649 --> 00:28:25,080
cooperatively there

661
00:28:30,070 --> 00:28:27,659
we have very close and I've had close

662
00:28:31,690 --> 00:28:30,080
Minds with England Australia New Zealand

663
00:28:34,850 --> 00:28:31,700

yeah

664

00:28:36,049 --> 00:28:34,860

we depend on us for our technology and

665

00:28:38,330 --> 00:28:36,059

wherewithal

666

00:28:41,090 --> 00:28:38,340

proper research and there's 22 they're

667

00:28:43,789 --> 00:28:41,100

good who weren't assured action in this

668

00:28:47,390 --> 00:28:43,799

area in reference to my work United

669

00:28:50,090 --> 00:28:47,400

Nations for one week last winter I was

670

00:28:52,310 --> 00:28:50,100

asked by the prime minister of Grenada

671

00:28:54,710 --> 00:28:52,320

to work with his ambassadors and

672

00:28:57,529 --> 00:28:54,720

presenting hopefully

673

00:29:00,830 --> 00:28:57,539

at the United Nations 32nd assembly to

674

00:29:02,570 --> 00:29:00,840

introduce a committee a working group

675

00:29:04,850 --> 00:29:02,580

within the United Nations and then he

676
00:29:06,310 --> 00:29:04,860
gave me full support of that this was

677
00:29:10,549 --> 00:29:06,320
known for the United States government

678
00:29:13,070 --> 00:29:10,559
and I even advised them on on a on the

679
00:29:15,649 --> 00:29:13,080
approach to the deputy medications and I

680
00:29:18,110 --> 00:29:15,659
sat in all the meetings at the U.N

681
00:29:20,450 --> 00:29:18,120
responsible the foreign delegates

682
00:29:22,190 --> 00:29:20,460
and it was going on sort of behind the

683
00:29:25,070 --> 00:29:22,200
scenes I was realized in the United

684
00:29:26,870 --> 00:29:25,080
States put much pressure I was right

685
00:29:28,430 --> 00:29:26,880
there when they called

686
00:29:41,889 --> 00:29:28,440
a

687
00:29:45,409 --> 00:29:41,899
they even

688
00:29:48,769 --> 00:29:45,419

referred to Grenada it's it's his

689

00:29:51,409 --> 00:29:48,779

position as far as human rights

690

00:29:53,510 --> 00:29:51,419

it was not too much cooperation why they

691

00:29:56,149 --> 00:29:53,520

could always refer to their human rights

692

00:29:58,010 --> 00:29:56,159

to him this is a good wedge a good

693

00:30:00,529 --> 00:29:58,020

weapon used against Nations if they

694

00:30:02,570 --> 00:30:00,539

don't behave according the way we lie

695

00:30:04,370 --> 00:30:02,580

this has been Carter's approach now what

696

00:30:06,110 --> 00:30:04,380

about human rights in South Africa Women

697

00:30:08,210 --> 00:30:06,120

rights here and there

698

00:30:10,870 --> 00:30:08,220

and the same thing the same tourniquet

699

00:30:13,370 --> 00:30:10,880

was applied to Grenada because there was

700

00:30:16,669 --> 00:30:13,380

Intelligence information I was aware of

701
00:30:17,750 --> 00:30:16,679
that they were like hanging back into

702
00:30:19,430 --> 00:30:17,760
Chile

703
00:30:22,549 --> 00:30:19,440
it's communist

704
00:30:24,529 --> 00:30:22,559
I was with the prime minister of the

705
00:30:26,330 --> 00:30:24,539
Prime Minister sitting on the during his

706
00:30:28,610 --> 00:30:26,340
news conference

707
00:30:29,510 --> 00:30:28,620
when he was drilled by two reporters on

708
00:30:33,230 --> 00:30:29,520
this

709
00:30:35,090 --> 00:30:33,240
matter he emphatically denied that he

710
00:30:37,010 --> 00:30:35,100
says Grenada his people are highly

711
00:30:38,630 --> 00:30:37,020
religious people they had no communist

712
00:30:41,210 --> 00:30:38,640
affiliations regards what the United

713
00:30:42,769 --> 00:30:41,220

States May charge I could see through

714

00:30:45,590 --> 00:30:42,779

the whole thing because what we were

715

00:30:49,070 --> 00:30:45,600

doing was playing to work on a great

716

00:30:50,990 --> 00:30:49,080

delicate subject UFO this was not the

717

00:30:53,389 --> 00:30:51,000

time according to the U.S plan to talk

718

00:30:54,530 --> 00:30:53,399

about the US Dollar on the 33rd 32nd

719

00:30:55,909 --> 00:30:54,540

assembly meditations

720

00:30:59,149 --> 00:30:55,919

[Music]

721

00:31:01,730 --> 00:30:59,159

so we agree to modify the

722

00:31:04,970 --> 00:31:01,740

protect the bar lights and hopefully

723

00:31:06,769 --> 00:31:04,980

we'll come back their third assembly in

724

00:31:08,389 --> 00:31:06,779

September the coming year and do it all

725

00:31:11,870 --> 00:31:08,399

over again

726

00:31:15,529 --> 00:31:11,880

and on this note

727

00:31:18,430 --> 00:31:15,539

uh a week and a half ago since my uh the

728

00:31:22,490 --> 00:31:18,440

title of my papers had become known

729

00:31:24,889 --> 00:31:22,500

publicly actually a word like that gets

730

00:31:27,470 --> 00:31:24,899

around pretty fast believe it

731

00:31:28,690 --> 00:31:27,480

I got a call from the ambassador of

732

00:31:31,370 --> 00:31:28,700

Grenada

733

00:31:34,669 --> 00:31:31,380

who advised me at the Prime Minister

734

00:31:36,769 --> 00:31:34,679

Sarah Gary will be in New York

735

00:31:39,289 --> 00:31:36,779

for four days

736

00:31:41,450 --> 00:31:39,299

and would I please be able to find a way

737

00:31:43,430 --> 00:31:41,460

to get to New York and have a private

738

00:31:46,669 --> 00:31:43,440

meeting with him

739

00:31:48,710 --> 00:31:46,679

I had a decline because at that time my

740

00:31:51,049 --> 00:31:48,720

mother was in the hospital seriously ill

741

00:31:53,149 --> 00:31:51,059

I had more alternative but to be there

742

00:31:55,549 --> 00:31:53,159

and be with her so I told the Ambassador

743

00:31:57,590 --> 00:31:55,559

that my circumstances that I could not

744

00:31:59,750 --> 00:31:57,600

make it I regretted it perhaps another

745

00:32:01,909 --> 00:31:59,760

time but I knew what the Prime Minister

746

00:32:04,549 --> 00:32:01,919

was concerned about was the title of my

747

00:32:06,649 --> 00:32:04,559

paper and he may want to use that once

748

00:32:08,510 --> 00:32:06,659

the paper is disclosed to the 33rd

749

00:32:11,450 --> 00:32:08,520

assembly which he would be entitled to

750

00:32:13,789 --> 00:32:11,460

but by that time be Public Power

751
00:32:16,909 --> 00:32:13,799
however what I will not give to the

752
00:32:19,130 --> 00:32:16,919
prime minister is the additional data

753
00:32:21,789 --> 00:32:19,140
that I'm aware of

754
00:32:23,950 --> 00:32:21,799
which is even more sensitive

755
00:32:27,110 --> 00:32:23,960
yes

756
00:32:29,570 --> 00:32:27,120
Bob only I guess not everybody that a

757
00:32:33,110 --> 00:32:29,580
lot of the people here know I I with

758
00:32:34,789 --> 00:32:33,120
NASA and I've told them many times in

759
00:32:37,190 --> 00:32:34,799
any essay

760
00:32:42,710 --> 00:32:37,200
keeps few secrets

761
00:32:46,669 --> 00:32:42,720
in that the information that

762
00:32:50,630 --> 00:32:46,679
they had stock officially it's been

763
00:32:53,930 --> 00:32:50,640

widely disseminated but the you you've

764

00:32:57,110 --> 00:32:53,940

suggested that there are six maybe seven

765

00:33:01,010 --> 00:32:57,120

or right even cap how many of these

766

00:33:03,409 --> 00:33:01,020

retrievals but even more than one uh

767

00:33:08,450 --> 00:33:03,419

makes me ask the question that I think

768

00:33:14,950 --> 00:33:11,950

at this time and that is uh

769

00:33:16,870 --> 00:33:14,960

where these retrievals

770

00:33:19,389 --> 00:33:16,880

made

771

00:33:22,070 --> 00:33:19,399

at several

772

00:33:24,950 --> 00:33:22,080

disparate places across the country and

773

00:33:26,269 --> 00:33:24,960

different groups of Air Force personnel

774

00:33:38,450 --> 00:33:26,279

involved

775

00:33:41,810 --> 00:33:38,460

who have at least 150 people

776

00:33:45,430 --> 00:33:41,820

would be aware of the first hand

777

00:33:48,289 --> 00:33:45,440

excited and confrontation to have to

778

00:33:51,289 --> 00:33:48,299

abide by

779

00:33:54,590 --> 00:33:51,299

all the security regulations so over a

780

00:33:57,590 --> 00:33:54,600

large period of time right uh could you

781

00:33:59,810 --> 00:33:57,600

tonight well we maintain the Manhattan

782

00:34:01,970 --> 00:33:59,820

Project with several thousand people and

783

00:34:03,769 --> 00:34:01,980

we're able we're very successful in

784

00:34:05,630 --> 00:34:03,779

keeping

785

00:34:07,789 --> 00:34:05,640

the uh

786

00:34:10,129 --> 00:34:07,799

the main bit of information concerning

787

00:34:12,290 --> 00:34:10,139

that project away from the public

788

00:34:13,970 --> 00:34:12,300

when there were many enemy errors listed

789

00:34:15,470 --> 00:34:13,980

again that I think we were very

790

00:34:17,089 --> 00:34:15,480

successful there

791

00:34:18,409 --> 00:34:17,099

for the thousands of people on

792

00:34:19,810 --> 00:34:18,419

involvement and development of

793

00:34:23,149 --> 00:34:19,820

retirement plan

794

00:34:24,430 --> 00:34:23,159

it's not quite that difficult to

795

00:34:26,869 --> 00:34:24,440

maintain

796

00:34:28,430 --> 00:34:26,879

around a thousand people as well with

797

00:34:30,889 --> 00:34:28,440

top security especially when they aren't

798

00:34:32,030 --> 00:34:30,899

assigned letters after signing their

799

00:34:34,970 --> 00:34:32,040

wives away

800

00:34:37,909 --> 00:34:34,980

to do or to reveal it and this this is

801
00:34:41,649 --> 00:34:37,919
but this is not too bad okay part of the

802
00:34:44,389 --> 00:34:41,659
question I mentioned you have Dr Phil

803
00:34:47,450 --> 00:34:44,399
environments and credit through these

804
00:34:49,430 --> 00:34:47,460
informants could you get an idea of how

805
00:34:51,530 --> 00:34:49,440
many people might be involved or how

806
00:35:11,349 --> 00:34:51,540
many groups of investigators might be

807
00:35:17,210 --> 00:35:15,230
security police officers or whatever

808
00:35:18,530 --> 00:35:17,220
team they were this is not a difficult

809
00:35:22,069 --> 00:35:18,540
to answer because actually it would not

810
00:35:23,089 --> 00:35:22,079
be a position to really know the number

811
00:35:25,910 --> 00:35:23,099
but

812
00:35:27,910 --> 00:35:25,920
I suppose the logistics involved in a

813
00:35:31,069 --> 00:35:27,920

retrieval would require a number of

814

00:35:32,150 --> 00:35:31,079

people with some good muscles it's a

815

00:35:36,349 --> 00:35:32,160

good Machinery that would have been

816

00:35:38,450 --> 00:35:36,359

there and uh I could say that to people

817

00:35:41,109 --> 00:35:38,460

I'm guessing but probably involved with

818

00:35:43,730 --> 00:35:41,119

all the retrievals

819

00:35:46,329 --> 00:35:43,740

since retrievals began would probably

820

00:35:49,310 --> 00:35:46,339

not exceed over a thousand people now

821

00:35:52,450 --> 00:35:49,320

technical people people in the medical

822

00:35:55,609 --> 00:35:52,460

area or Specialists of Metallurgy

823

00:35:58,730 --> 00:35:55,619

whatever people of that kind would be

824

00:36:00,890 --> 00:35:58,740

these people could be worked with pretty

825

00:36:03,050 --> 00:36:00,900

reasonably and would maintain a secret

826

00:36:06,230 --> 00:36:03,060

now you're losing times will come

827

00:36:09,530 --> 00:36:06,240

amongst those who were doing the

828

00:36:12,370 --> 00:36:09,540

LeBron were heavywear truck drivers the

829

00:36:14,690 --> 00:36:12,380

egg you type do it again

830

00:36:17,810 --> 00:36:14,700

these people are available who would be

831

00:36:21,050 --> 00:36:17,820

very willing to keep that secret and it

832

00:36:23,150 --> 00:36:21,060

is it doesn't exceed a thousand or so

833

00:36:25,430 --> 00:36:23,160

I would admit that if you got involved

834

00:36:27,829 --> 00:36:25,440

with 50 000 people it was pretty

835

00:36:30,730 --> 00:36:27,839

difficult to maintain a secret even with

836

00:36:32,750 --> 00:36:30,740

that thousand or slightly more

837

00:36:36,050 --> 00:36:32,760

involved I have been able to get

838

00:36:41,470 --> 00:36:36,060

information from 27 of them

839

00:36:46,490 --> 00:36:44,030

only recently their interaction that

840

00:36:49,490 --> 00:36:46,500

might go to the million a thousand might

841

00:36:55,130 --> 00:36:49,500

be in advance so I was interested in

842

00:36:58,190 --> 00:36:56,690

the shipped here and there and

843

00:37:01,310 --> 00:36:58,200

everything

844

00:37:05,990 --> 00:37:01,320

comment on that too I I do believe that

845

00:37:10,250 --> 00:37:08,569

specialize in this type of work who move

846

00:37:13,370 --> 00:37:10,260

when a woman's nose to any area and

847

00:37:25,910 --> 00:37:13,380

their retrieval necessary

848

00:37:30,470 --> 00:37:28,130

now these retrievals are we to assume

849

00:37:32,329 --> 00:37:30,480

that most of these are shot down or half

850

00:37:35,630 --> 00:37:32,339

of them are the mechanical failures or

851

00:37:36,710 --> 00:37:35,640

what uh that's a that's a question that

852

00:37:38,990 --> 00:37:36,720

I have

853

00:37:41,750 --> 00:37:39,000

uh no one has been able to clarify that

854

00:37:44,870 --> 00:37:41,760

me I'm assuming that these were due from

855

00:37:47,569 --> 00:37:44,880

uh malfunctioning I have truthfully no

856

00:37:50,329 --> 00:37:47,579

knowledge and I could be wrong uh no

857

00:37:53,810 --> 00:37:50,339

knowledge of any uh Christ you have to

858

00:37:57,589 --> 00:37:53,820

be resolved of our firing missiles or

859

00:38:02,950 --> 00:38:00,349

I'm assuming therefore

860

00:38:05,630 --> 00:38:02,960

that these were

861

00:38:07,970 --> 00:38:05,640

malfunctions one for one reason or

862

00:38:10,670 --> 00:38:07,980

another which to me indicates that the

863

00:38:13,250 --> 00:38:10,680

real real goal is not an imperfect

864

00:38:15,230 --> 00:38:13,260

machine I have wondered for many years

865

00:38:16,970 --> 00:38:15,240

in my early research that the UFOs could

866

00:38:18,650 --> 00:38:16,980

make no mistakes therefore they must be

867

00:38:20,089 --> 00:38:18,660

prevented dimensioning or whatever they

868

00:38:22,970 --> 00:38:20,099

just don't make mistakes but now I

869

00:38:22,980 --> 00:38:31,310

[Music]

870

00:38:35,750 --> 00:38:34,010

so these may be uh mindaroam

871

00:38:41,210 --> 00:38:35,760

intentionally just to provide us a

872

00:38:46,130 --> 00:38:44,089

I doubt that intentional righteous

873

00:38:47,630 --> 00:38:46,140

because in some instances we're aware of

874

00:38:49,609 --> 00:38:47,640

the fact that some of the bodies were

875

00:38:52,250 --> 00:38:49,619

charred

876

00:38:55,370 --> 00:38:52,260

pretty little bird

877

00:38:58,190 --> 00:38:55,380

you know I can understand the secrecy

878

00:38:59,810 --> 00:38:58,200

behind the Manhattan Project but I don't

879

00:39:02,710 --> 00:38:59,820

think that I understand the secrecy

880

00:39:06,050 --> 00:39:02,720

behind an International

881

00:39:09,310 --> 00:39:06,060

Security of the down craft in their

882

00:39:12,349 --> 00:39:09,320

occupants could you speculate or

883

00:39:14,210 --> 00:39:12,359

Enlighten Us in that direction it was

884

00:39:17,329 --> 00:39:14,220

hilarious one of the questions that I

885

00:39:20,150 --> 00:39:17,339

had too because I'm aware of a crash in

886

00:39:22,210 --> 00:39:20,160

England and of course the famous

887

00:39:26,930 --> 00:39:22,220

Pittsburgh is okay

888

00:39:33,370 --> 00:39:28,430

and uh

889

00:39:35,690 --> 00:39:33,380

there again uh we do have our operatives

890

00:39:38,870 --> 00:39:35,700

former tempees who were able to get

891

00:39:41,470 --> 00:39:38,880

there and offer of systems and we do

892

00:39:44,390 --> 00:39:41,480

know we have held over the many years

893

00:39:46,130 --> 00:39:44,400

a certain amount of power

894

00:39:47,870 --> 00:39:46,140

in the world

895

00:39:50,750 --> 00:39:47,880

with a

896

00:39:53,390 --> 00:39:50,760

small nation May Consultants knowing

897

00:39:55,130 --> 00:39:53,400

that we do have a technical setup for

898

00:39:58,490 --> 00:39:55,140

researching this area that they can

899

00:40:00,490 --> 00:39:58,500

solve and those who do not

900

00:40:03,550 --> 00:40:00,500

really care to

901
00:40:07,310 --> 00:40:03,560
correlate with us cooperate and always

902
00:40:09,530 --> 00:40:07,320
through our secret operatives relate to

903
00:40:11,630 --> 00:40:09,540
certain areas of them

904
00:40:13,910 --> 00:40:11,640
economy

905
00:40:15,280 --> 00:40:13,920
so that we can always use that as a as

906
00:40:16,730 --> 00:40:15,290
it means

907
00:40:19,550 --> 00:40:16,740
[Music]

908
00:40:21,950 --> 00:40:19,560
helping their economy or otherwise

909
00:40:23,630 --> 00:40:21,960
especially with small Nations

910
00:40:25,490 --> 00:40:23,640
there are all sorts of ways in Maine

911
00:40:27,109 --> 00:40:25,500
diplomatically and politically and

912
00:40:29,690 --> 00:40:27,119
economically that we can deal with a

913
00:40:33,650 --> 00:40:29,700

nation who may want to be recalculated

914

00:40:36,410 --> 00:40:33,660

in a in a uh in a very sensitive area

915

00:40:37,550 --> 00:40:36,420

however on the other hand too looking at

916

00:40:39,349 --> 00:40:37,560

it this way and there's all sorts of

917

00:40:41,450 --> 00:40:39,359

ways of looking at that because the

918

00:40:44,030 --> 00:40:41,460

United States has so much technology

919

00:40:46,550 --> 00:40:44,040

especially in the west there will be a

920

00:40:48,530 --> 00:40:46,560

lot of testing these could be the areas

921

00:40:49,730 --> 00:40:48,540

most sensitive because this would be the

922

00:40:51,290 --> 00:40:49,740

area they would like to know what we're

923

00:40:52,670 --> 00:40:51,300

doing and keep us under heavy

924

00:40:55,010 --> 00:40:52,680

surveillance

925

00:40:57,589 --> 00:40:55,020

I am aware of the fact too that most of

926
00:40:59,930 --> 00:40:57,599
our some of our most significant Close

927
00:41:02,450 --> 00:40:59,940
Encounters and Landings

928
00:41:05,270 --> 00:41:02,460
have occurred on military installations

929
00:41:07,370 --> 00:41:05,280
nuclear installations and missile sites

930
00:41:09,050 --> 00:41:07,380
in the United States and important

931
00:41:11,510 --> 00:41:09,060
countries

932
00:41:13,190 --> 00:41:11,520
so if there's curiosity in these areas

933
00:41:15,410 --> 00:41:13,200
therefore there have been preponderance

934
00:41:17,630 --> 00:41:15,420
of UFOs also in these areas and also

935
00:41:19,250 --> 00:41:17,640
thereby a greater chance for a crash

936
00:41:21,109 --> 00:41:19,260
incidents in each of these sensitive

937
00:41:23,750 --> 00:41:21,119
Americans

938
00:41:26,630 --> 00:41:23,760

I cannot give a positive answer but this

939

00:41:28,849 --> 00:41:26,640

is generally speaking on the house but

940

00:41:32,030 --> 00:41:28,859

where is it all operating more directly

941

00:41:34,849 --> 00:41:32,040

I was interested in why the need for the

942

00:41:39,190 --> 00:41:34,859

security security

943

00:41:42,890 --> 00:41:39,200

well why is your secrecy all right

944

00:41:46,430 --> 00:41:42,900

that's many many answers to that one uh

945

00:41:48,050 --> 00:41:46,440

one the the old throwback when the CIA

946

00:41:50,390 --> 00:41:48,060

believed that there'd be a cultural shot

947

00:41:52,130 --> 00:41:50,400

back in the 50s and therefore

948

00:41:54,050 --> 00:41:52,140

the public was not prepared for this

949

00:41:55,550 --> 00:41:54,060

sort of thing therefore say nothing deny

950

00:41:57,670 --> 00:41:55,560

everything that's created and atmosphere

951
00:42:01,130 --> 00:41:57,680
is all the Robinson panels say nothing

952
00:42:03,230 --> 00:42:01,140
better what means we need to keep the

953
00:42:06,710 --> 00:42:03,240
information down do it

954
00:42:08,950 --> 00:42:06,720
and that would of course the ideas would

955
00:42:12,050 --> 00:42:08,960
compare the corporate shock

956
00:42:14,810 --> 00:42:12,060
psychological Panic or philosophical

957
00:42:17,150 --> 00:42:14,820
Panic or whatever that would be that's

958
00:42:18,890 --> 00:42:17,160
the old popular reason for surprising

959
00:42:20,990 --> 00:42:18,900
such information which could have been

960
00:42:23,510 --> 00:42:21,000
applicable through the years

961
00:42:26,870 --> 00:42:23,520
uh there's another aspect to it and I'd

962
00:42:30,290 --> 00:42:26,880
like to speculate here that uh if we've

963
00:42:34,370 --> 00:42:30,300

had these retrievals of a craft going

964

00:42:35,690 --> 00:42:34,380

back as far as 48 30 50s you you

965

00:42:38,750 --> 00:42:35,700

certainly would expect our government

966

00:42:40,490 --> 00:42:38,760

not to fall go to sleep at the switch

967

00:42:43,670 --> 00:42:40,500

and there would therefore be some

968

00:42:47,329 --> 00:42:43,680

attempt to duplicate some of the items

969

00:42:48,849 --> 00:42:47,339

in there whatever degree and if there

970

00:42:51,530 --> 00:42:48,859

were duplications

971

00:42:53,390 --> 00:42:51,540

instead of pieces equipment or the crack

972

00:42:55,190 --> 00:42:53,400

itself or nationally that would be kept

973

00:42:57,650 --> 00:42:55,200

secret in fact top secret

974

00:43:00,349 --> 00:42:57,660

and that would be another reason

975

00:43:03,410 --> 00:43:00,359

why we will be sick and certainly a

976

00:43:05,690 --> 00:43:03,420

vowel because we are going to be working

977

00:43:07,370 --> 00:43:05,700

competition with Russian so to speak

978

00:43:09,410 --> 00:43:07,380

against China and why

979

00:43:11,390 --> 00:43:09,420

but they are also gathering information

980

00:43:12,890 --> 00:43:11,400

in kind of sort of a contest in that

981

00:43:13,790 --> 00:43:12,900

area so that would be a very valid

982

00:43:14,750 --> 00:43:13,800

reason

983

00:43:17,450 --> 00:43:14,760

information

984

00:43:18,890 --> 00:43:17,460

it's also possible to think okay they

985

00:43:20,329 --> 00:43:18,900

have a lot of information concerning

986

00:43:22,250 --> 00:43:20,339

about the crab

987

00:43:23,930 --> 00:43:22,260

some idea where they're from being

988

00:43:25,849 --> 00:43:23,940

extraterrestrial

989

00:43:27,890 --> 00:43:25,859

they don't know the intent

990

00:43:30,109 --> 00:43:27,900

and if they don't know the internet and

991

00:43:32,030 --> 00:43:30,119

they announced to the public that they

992

00:43:33,650 --> 00:43:32,040

knew about the craft of some degree that

993

00:43:35,270 --> 00:43:33,660

they exist and a little bit of

994

00:43:38,150 --> 00:43:35,280

information about that and yes they

995

00:43:39,650 --> 00:43:38,160

they're actually professional but when

996

00:43:41,630 --> 00:43:39,660

the press press stand for information

997

00:43:43,430 --> 00:43:41,640

wirelessly here they couldn't answer it

998

00:43:45,470 --> 00:43:43,440

then this would have been created an

999

00:43:47,270 --> 00:43:45,480

atmosphere of even more fear

1000

00:43:49,730 --> 00:43:47,280

public mind so that would be a good

1001
00:43:51,950 --> 00:43:49,740
reason so you've got all these reasons

1002
00:43:54,530 --> 00:43:51,960
why there would be a secrecy or take all

1003
00:43:57,349 --> 00:43:54,540
and put them together so I believe the

1004
00:43:59,750 --> 00:43:57,359
National Security Council of those who

1005
00:44:01,910 --> 00:43:59,760
make decisions in this area we consider

1006
00:44:05,630 --> 00:44:01,920
all those viewpoints and making the

1007
00:44:08,569 --> 00:44:05,640
decision for for secrecy until of course

1008
00:44:11,270 --> 00:44:08,579
I was building up now I think there's a

1009
00:44:14,510 --> 00:44:11,280
realization at this point that there's

1010
00:44:17,050 --> 00:44:14,520
enough think they are working on ways

1011
00:44:19,849 --> 00:44:17,060
and means to bring the public into

1012
00:44:22,250 --> 00:44:19,859
their confidence and we may see more of

1013
00:44:27,230 --> 00:44:22,260

this before the years now

1014

00:44:30,530 --> 00:44:29,210

would you know but yet everyone else was

1015

00:44:32,329 --> 00:44:30,540

seeing this but they don't they just

1016

00:44:34,569 --> 00:44:32,339

know what they did how do they sleep at

1017

00:44:39,890 --> 00:44:36,650

the people that are sitting back that

1018

00:44:42,170 --> 00:44:39,900

know this may know this week that's why

1019

00:44:44,210 --> 00:44:42,180

I can't sleep at night's anymore I mean

1020

00:44:46,130 --> 00:44:44,220

I know I've seen something I know I I

1021

00:44:53,150 --> 00:44:46,140

mean I know how it feels how would all

1022

00:44:56,329 --> 00:44:53,950

um

1023

00:44:58,630 --> 00:44:56,339

uh yes that's

1024

00:45:02,990 --> 00:44:58,640

I thought it has affected some people

1025

00:45:04,970 --> 00:45:03,000

but you take a uh a hard military man as

1026

00:45:07,970 --> 00:45:04,980

an example those who have been in combat

1027

00:45:09,410 --> 00:45:07,980

have seen death and all that sort of

1028

00:45:12,230 --> 00:45:09,420

thing

1029

00:45:14,510 --> 00:45:12,240

um Pat is able to develop a sort of a

1030

00:45:15,770 --> 00:45:14,520

callous attitude toward whatever it is

1031

00:45:17,450 --> 00:45:15,780

in other words you have to go out and

1032

00:45:20,270 --> 00:45:17,460

face that

1033

00:45:23,270 --> 00:45:20,280

and during a war and you build up a

1034

00:45:26,510 --> 00:45:23,280

certain amount of immunity to uh that

1035

00:45:28,550 --> 00:45:26,520

sort of thing and you can take it even

1036

00:45:31,550 --> 00:45:28,560

if it's something so dramatic something

1037

00:45:34,069 --> 00:45:31,560

so different well I I since I've learned

1038

00:45:36,230 --> 00:45:34,079

quite a bit here recently I've felt very

1039

00:45:37,970 --> 00:45:36,240

nervous about it even though I thought I

1040

00:45:40,550 --> 00:45:37,980

knew the answers some year oh my life

1041

00:45:43,550 --> 00:45:40,560

you know for the last 28 years but as I

1042

00:45:46,910 --> 00:45:43,560

mentioned here at today was the last

1043

00:45:50,109 --> 00:45:46,920

hour I I feel uneasy and nervous with it

1044

00:45:52,849 --> 00:45:50,119

and true

1045

00:45:55,730 --> 00:45:52,859

about the gender

1046

00:45:59,750 --> 00:45:55,740

of the PTS

1047

00:46:02,750 --> 00:45:59,760

as you know it or is that still yeah it

1048

00:46:05,569 --> 00:46:02,760

still is sorry sorry no no it's a good

1049

00:46:08,510 --> 00:46:05,579

question because I'm trying to uh a

1050

00:46:11,089 --> 00:46:08,520

little bit more there too and uh what I

1051

00:46:13,190 --> 00:46:11,099

have is really not

1052

00:46:16,430 --> 00:46:13,200

too much I mean if you're comment on it

1053

00:46:19,190 --> 00:46:16,440

I'm trying to get this episode she said

1054

00:46:22,569 --> 00:46:19,200

gender so we know right there yeah we

1055

00:46:25,550 --> 00:46:22,579

we're sending unless they're all clones

1056

00:46:26,690 --> 00:46:25,560

that they have the same organs that we

1057

00:46:29,950 --> 00:46:26,700

do

1058

00:46:33,770 --> 00:46:29,960

there seems to be a division of Interest

1059

00:46:36,170 --> 00:46:33,780

beside me the pure UFO and Bigfoot and

1060

00:46:40,870 --> 00:46:36,180

possibly one or two uh trailing off

1061

00:46:45,170 --> 00:46:43,250

father government is only interested in

1062

00:46:48,109 --> 00:46:45,180

the hardware

1063

00:46:49,970 --> 00:46:48,119

they're not interested in these uh valid

1064

00:46:53,930 --> 00:46:49,980

enough reports a big one

1065

00:46:56,569 --> 00:46:53,940

I agree we do have valid reports in

1066

00:46:58,130 --> 00:46:56,579

Pittsburgh uh I don't know the I don't

1067

00:47:01,390 --> 00:46:58,140

know the relationship the real

1068

00:47:03,770 --> 00:47:01,400

relationship between

1069

00:47:06,349 --> 00:47:03,780

UFO although we literally have

1070

00:47:08,870 --> 00:47:06,359

information that's seen

1071

00:47:11,150 --> 00:47:08,880

to put the two together in the line the

1072

00:47:14,170 --> 00:47:11,160

two and some way we have we have both

1073

00:47:18,290 --> 00:47:14,180

sidings and the same crop area Bigfoot

1074

00:47:20,089 --> 00:47:18,300

but we really don't have any of them to

1075

00:47:22,849 --> 00:47:20,099

my knowledge release and Ted losers

1076

00:47:26,210 --> 00:47:22,859

catalogs 1800 cases where a big

1077

00:47:28,130 --> 00:47:26,220

equipment scene either leaving a UFO or

1078

00:47:30,290 --> 00:47:28,140

boarding one whereas we do have a little

1079

00:47:31,550 --> 00:47:30,300

character seem to do these various

1080

00:47:32,990 --> 00:47:31,560

things

1081

00:47:35,150 --> 00:47:33,000

unless

1082

00:47:37,550 --> 00:47:35,160

I think that has been

1083

00:47:40,069 --> 00:47:37,560

designed by them who come here to do a

1084

00:47:42,170 --> 00:47:40,079

certain thing and make himself a million

1085

00:47:44,030 --> 00:47:42,180

always say one time bigfoot was not only

1086

00:47:45,950 --> 00:47:44,040

at the northern Canada in the Northwest

1087

00:47:49,190 --> 00:47:45,960

Sasquatch

1088

00:47:51,589 --> 00:47:49,200

and uh we're the last name

1089

00:47:54,109 --> 00:47:51,599

15 years Bigfoot has suddenly become

1090

00:47:55,910 --> 00:47:54,119

ubiquitous I mean he's Pennsylvania and

1091

00:47:58,130 --> 00:47:55,920

all over the place he's in Ohio and

1092

00:48:00,170 --> 00:47:58,140

Oklahoma he's everywhere and that's

1093

00:48:03,050 --> 00:48:00,180

pretty hard to account for why he became

1094

00:48:05,329 --> 00:48:03,060

so everywhere

1095

00:48:07,910 --> 00:48:05,339

uh from these little corner up in the

1096

00:48:11,870 --> 00:48:07,920

Northwest and uh I cannot account for

1097

00:48:15,170 --> 00:48:11,880

that uh unless he this being has been

1098

00:48:17,390 --> 00:48:15,180

developed or they have a counterpart to

1099

00:48:20,089 --> 00:48:17,400

it or took it and developed it for some

1100

00:48:21,170 --> 00:48:20,099

reason this is strict speculation and

1101

00:48:23,510 --> 00:48:21,180

then through them all over the United

1102

00:48:24,890 --> 00:48:23,520

States into each thing whatever that may

1103

00:48:26,510 --> 00:48:24,900

be great I don't know what he's doing or

1104

00:48:29,270 --> 00:48:26,520

when he's ever in Derby Retreats he

1105

00:48:31,730 --> 00:48:29,280

doesn't really do anything he's not he's

1106

00:48:34,130 --> 00:48:31,740

not posture well you'd be at all a man

1107

00:48:38,050 --> 00:48:34,140

of old to a guest that they put is

1108

00:48:40,550 --> 00:48:38,060

indeed genetic manipulation genetic

1109

00:48:42,950 --> 00:48:40,560

experimentation genetic engineering on

1110

00:48:45,410 --> 00:48:42,960

the part all the intelligences

1111

00:48:47,390 --> 00:48:45,420

yeah I would say it's disabled but I had

1112

00:48:49,270 --> 00:48:47,400

no information to support it this would

1113

00:48:52,910 --> 00:48:49,280

supplant a a

1114

00:48:55,609 --> 00:48:52,920

misconceived idea of certain interested

1115

00:48:58,069 --> 00:48:55,619

parties in our levels that could these

1116

00:49:00,050 --> 00:48:58,079

Harry creatures be the pilots of these

1117

00:49:02,809 --> 00:49:00,060

crafts I don't think this is the

1118

00:49:04,790 --> 00:49:02,819

inference uh no the I think the pilots

1119

00:49:06,650 --> 00:49:04,800

of The Craft or the or the entities that

1120

00:49:08,270 --> 00:49:06,660

I had described in my you know as

1121

00:49:13,569 --> 00:49:08,280

occupants in mind which I'm describing

1122

00:49:18,230 --> 00:49:16,250

merely a byproduct of it would be used

1123

00:49:20,270 --> 00:49:18,240

for certain reason for as per testing

1124

00:49:22,309 --> 00:49:20,280

purposes sometimes

1125

00:49:23,990 --> 00:49:22,319

for surveillance purposes that we would

1126
00:49:26,569 --> 00:49:24,000
understand

1127
00:49:29,270 --> 00:49:26,579
that is if that's what the case may be

1128
00:49:32,270 --> 00:49:29,280
but I think we have to go back to the

1129
00:49:34,609 --> 00:49:32,280
old Indian stories of Sasquatch

1130
00:49:36,190 --> 00:49:34,619
same thing's true of Yeti

1131
00:49:39,530 --> 00:49:36,200
and lion

1132
00:49:41,390 --> 00:49:39,540
uh we don't have the old Sasquatch so

1133
00:49:43,609 --> 00:49:41,400
yeah he may be a throwback but man we

1134
00:49:44,750 --> 00:49:43,619
don't know maybe a primitive type and a

1135
00:49:47,329 --> 00:49:44,760
good resolution

1136
00:49:49,130 --> 00:49:47,339
uh however the reports especially those

1137
00:49:52,309 --> 00:49:49,140
from Pennsylvania

1138
00:49:54,410 --> 00:49:52,319

indicate the exchange Gardens research

1139

00:49:57,230 --> 00:49:54,420

that there could be something exciting

1140

00:49:59,210 --> 00:49:57,240

about the uh Bigfoot's appearance it

1141

00:50:02,290 --> 00:49:59,220

does have lesser toes I believe my

1142

00:50:06,230 --> 00:50:02,300

correct in the Sasquatch unless toe

1143

00:50:08,870 --> 00:50:06,240

but anyway these are observed with large

1144

00:50:10,670 --> 00:50:08,880

glaring eyes and uh behave a little

1145

00:50:15,230 --> 00:50:10,680

differently than the

1146

00:50:16,970 --> 00:50:15,240

the earlier Sasquatch type and frankly I

1147

00:50:20,450 --> 00:50:16,980

don't know how to really account for

1148

00:50:22,930 --> 00:50:20,460

that I mean it has not set a part of my

1149

00:50:26,990 --> 00:50:22,940

research as far as the retrieved

1150

00:50:29,690 --> 00:50:27,000

UFOs and the uh there's no Affinity to

1151

00:50:33,170 --> 00:50:29,700

my knowledge could be a big book can you

1152

00:50:35,870 --> 00:50:33,180

bring the doctor I need uh so far as the

1153

00:50:38,150 --> 00:50:35,880

manipulations are concerned he feels

1154

00:50:42,230 --> 00:50:38,160

they have nothing whatsoever to do with

1155

00:50:46,430 --> 00:50:42,240

any craft or obstacles uh that's Dr

1156

00:50:48,490 --> 00:50:46,440

heinek's respect I don't remember but

1157

00:50:52,370 --> 00:50:48,500

there were alerts you know

1158

00:50:56,210 --> 00:50:52,380

by various states in the west uh because

1159

00:50:58,609 --> 00:50:56,220

of the intensity and then so much of it

1160

00:51:00,589 --> 00:50:58,619

was suppressed the logically not you

1161

00:51:02,750 --> 00:51:00,599

know certain type of thing that you want

1162

00:51:05,870 --> 00:51:02,760

to read about in the paper here today

1163

00:51:08,150 --> 00:51:05,880

but again this is mysterious is the uh

1164

00:51:11,569 --> 00:51:08,160

but but we have the

1165

00:51:14,750 --> 00:51:11,579

mutilation cases again sometimes in

1166

00:51:17,930 --> 00:51:14,760

association with the UFOs

1167

00:51:21,109 --> 00:51:17,940

and the so-called mystery helicopters

1168

00:51:22,549 --> 00:51:21,119

and uh there we have no more positive

1169

00:51:25,609 --> 00:51:22,559

information nor can we make any

1170

00:51:26,770 --> 00:51:25,619

conclusions and I think the case must

1171

00:51:30,650 --> 00:51:26,780

rest

1172

00:51:33,470 --> 00:51:30,660

uh there until there is more inclusive I

1173

00:51:37,750 --> 00:51:33,480

I certainly do not have it in that area

1174

00:51:40,670 --> 00:51:37,760

I'm very interested are you aware of any

1175

00:51:42,370 --> 00:51:40,680

duplications of any of the boundary

1176

00:51:48,609 --> 00:51:42,380

defaults

1177

00:51:52,490 --> 00:51:51,530

I'm trying to find areas where I think

1178

00:51:54,890 --> 00:51:52,500

you could

1179

00:51:57,890 --> 00:51:54,900

if you don't wish to expand upon here

1180

00:52:02,150 --> 00:51:57,900

with us you'll be expected to expand

1181

00:52:05,890 --> 00:52:02,160

upon July but as to have uh I'm trying

1182

00:52:10,069 --> 00:52:05,900

to think of what types of questions

1183

00:52:13,569 --> 00:52:10,079

you want to be able to comment and in my

1184

00:52:15,910 --> 00:52:13,579

mind is to resolve the family doctor 20

1185

00:52:19,370 --> 00:52:15,920

26 people

1186

00:52:23,930 --> 00:52:19,380

in some way associated with these

1187

00:52:26,569 --> 00:52:23,940

retrievals if and One Direction as I

1188

00:52:29,150 --> 00:52:26,579

suggested uh you could be expected to go

1189

00:52:32,150 --> 00:52:29,160

and it would be to find out who they

1190

00:52:35,510 --> 00:52:32,160

knew that how big a group they were

1191

00:52:38,450 --> 00:52:35,520

working with and how many areas or what

1192

00:52:40,790 --> 00:52:38,460

Air Force bases were involved in in any

1193

00:52:43,370 --> 00:52:40,800

of the investigations and I'm not

1194

00:52:46,069 --> 00:52:43,380

expecting any further answers in that

1195

00:52:50,650 --> 00:52:46,079

regard but I think I would expect that

1196

00:52:55,910 --> 00:52:53,630

maybe not

1197

00:52:58,130 --> 00:52:55,920

um Air Force Base is uh

1198

00:53:00,710 --> 00:52:58,140

is a pretty big place you're not really

1199

00:53:06,049 --> 00:53:00,720

tying anybody down very exactly it's

1200

00:53:08,870 --> 00:53:06,059

good as to who people were who were

1201
00:53:10,790 --> 00:53:08,880
talking to you but uh what was the

1202
00:53:14,329 --> 00:53:10,800
another another way to look at the

1203
00:53:17,290 --> 00:53:14,339
question then would be not just how many

1204
00:53:20,210 --> 00:53:17,300
people were involved in the project but

1205
00:53:22,010 --> 00:53:20,220
in the area of establishing The

1206
00:53:25,190 --> 00:53:22,020
credibility of the people who are

1207
00:53:29,329 --> 00:53:25,200
talking to you and your mind to do that

1208
00:53:32,210 --> 00:53:29,339
I think your biggest problem I would

1209
00:53:33,950 --> 00:53:32,220
guess would be is to whether some

1210
00:53:36,470 --> 00:53:33,960
individual were involved in some

1211
00:53:40,190 --> 00:53:36,480
retrieval projects that were highly

1212
00:53:43,069 --> 00:53:40,200
classified that he gets what is

1213
00:53:44,270 --> 00:53:43,079

associated with the UFO but he didn't

1214

00:53:46,490 --> 00:53:44,280

really know

1215

00:53:49,190 --> 00:53:46,500

people are very impressionable you know

1216

00:53:52,790 --> 00:53:49,200

I work for a top secret place I I came

1217

00:53:55,089 --> 00:53:52,800

this close to a top secret project and

1218

00:53:58,430 --> 00:53:55,099

it's pretty tough

1219

00:54:01,370 --> 00:53:58,440

you've had to establish in your own mind

1220

00:54:04,730 --> 00:54:01,380

that the people hadn't misconstrued what

1221

00:54:07,790 --> 00:54:04,740

they were involved with and doing that's

1222

00:54:10,190 --> 00:54:07,800

a a right comment on that the other end

1223

00:54:14,210 --> 00:54:10,200

of the picture is you'd have to get this

1224

00:54:16,549 --> 00:54:14,220

script someplace and deposit it this is

1225

00:54:25,849 --> 00:54:16,559

very difficult

1226
00:54:30,710 --> 00:54:28,609
patients or certain things that just

1227
00:54:32,569 --> 00:54:30,720
occurred but without you should have

1228
00:54:36,950 --> 00:54:32,579
taken

1229
00:54:39,349 --> 00:54:36,960
back where they ended up uh staging area

1230
00:54:41,870 --> 00:54:39,359
uh what was done what we've seen in that

1231
00:54:44,210 --> 00:54:41,880
particular area

1232
00:54:48,650 --> 00:54:44,220
where they were sent for some instances

1233
00:54:50,510 --> 00:54:48,660
for further research medically

1234
00:54:52,790 --> 00:54:50,520
uh

1235
00:54:57,250 --> 00:54:52,800
in many instances where a Specialists

1236
00:55:00,549 --> 00:54:57,260
were sent in to check the metals

1237
00:55:03,770 --> 00:55:00,559
as a specialist

1238
00:55:05,750 --> 00:55:03,780

certainly man with that we're in close

1239

00:55:07,970 --> 00:55:05,760

proximity of a

1240

00:55:10,069 --> 00:55:07,980

we trade UFO

1241

00:55:13,609 --> 00:55:10,079

would know whether he was working on a

1242

00:55:16,309 --> 00:55:13,619

radish airplane or a disc

1243

00:55:18,770 --> 00:55:16,319

and when a description of the UFO is

1244

00:55:20,870 --> 00:55:18,780

given this precise size the position of

1245

00:55:24,530 --> 00:55:20,880

the hatches and the interior

1246

00:55:26,569 --> 00:55:24,540

was supporting photographs of the words

1247

00:55:29,030 --> 00:55:26,579

which I have

1248

00:55:31,609 --> 00:55:29,040

is good enough for me

1249

00:55:33,349 --> 00:55:31,619

now again the the weakness that I have

1250

00:55:34,210 --> 00:55:33,359

is not being able to use his name but

1251
00:55:37,670 --> 00:55:34,220
again

1252
00:55:40,730 --> 00:55:37,680
my the weight of my my case was in the

1253
00:55:43,609 --> 00:55:42,410
if I were to come out with first four

1254
00:55:45,650 --> 00:55:43,619
cases

1255
00:55:49,190 --> 00:55:45,660
it would be quite a strong but hopefully

1256
00:55:50,870 --> 00:55:49,200
not being able to use the names for most

1257
00:55:52,130 --> 00:55:50,880
of the better incidents it's

1258
00:55:53,630 --> 00:55:52,140
understandable they'll have to go along

1259
00:55:55,849 --> 00:55:53,640
with us

1260
00:55:57,470 --> 00:55:55,859
who

1261
00:55:59,990 --> 00:55:57,480
you promised there it would be something

1262
00:56:02,569 --> 00:56:00,000
I wouldn't do whether I have my name

1263
00:56:05,569 --> 00:56:02,579

Spirit or not because I think what I'm

1264

00:56:08,210 --> 00:56:05,579

doing at this stage is something no one

1265

00:56:10,730 --> 00:56:08,220

else has ever attempted to do

1266

00:56:12,290 --> 00:56:10,740

and I feel like doing this much is the

1267

00:56:15,770 --> 00:56:12,300

beginning and there's always a

1268

00:56:17,630 --> 00:56:15,780

possibility that the later date

1269

00:56:19,370 --> 00:56:17,640

if you have a month after that two

1270

00:56:22,370 --> 00:56:19,380

months so

1271

00:56:24,490 --> 00:56:22,380

I will present a second paper to certain

1272

00:56:26,690 --> 00:56:24,500

channels with additional information

1273

00:56:28,670 --> 00:56:26,700

perhapsulating the names

1274

00:56:31,010 --> 00:56:28,680

because I tell you this I feel as over

1275

00:56:33,109 --> 00:56:31,020

climate is changing

1276
00:56:34,910 --> 00:56:33,119
in that there may be more revealed than

1277
00:56:36,829 --> 00:56:34,920
the due course

1278
00:56:41,329 --> 00:56:36,839
and perhaps I might be in a position to

1279
00:56:48,230 --> 00:56:44,809
here when I've read twice at least two

1280
00:56:49,630 --> 00:56:48,240
gentlemen in France the allegedly were

1281
00:56:53,930 --> 00:56:49,640
able to

1282
00:56:58,150 --> 00:56:53,940
duplicate the propulsion theory of the

1283
00:57:04,370 --> 00:57:02,210
can you name the dude I think I know who

1284
00:57:07,430 --> 00:57:04,380
you mean I met them

1285
00:57:09,530 --> 00:57:07,440
I've talked for they expired their

1286
00:57:13,030 --> 00:57:09,540
theories in this regard at a conference

1287
00:57:16,970 --> 00:57:15,290
sort of a closed door meeting I was

1288
00:57:19,790 --> 00:57:16,980

privileged to attend that I listened to

1289

00:57:21,650 --> 00:57:19,800

a complete discourse in this Mary which

1290

00:57:24,109 --> 00:57:21,660

to me was very intriguing however I'm

1291

00:57:24,849 --> 00:57:24,119

not a physicist and more what I

1292

00:57:29,089 --> 00:57:24,859

understand

1293

00:57:31,670 --> 00:57:29,099

uh that their progressions or ideas were

1294

00:57:33,829 --> 00:57:31,680

sound or otherwise

1295

00:57:35,870 --> 00:57:33,839

certainly sounded good to me

1296

00:57:40,270 --> 00:57:35,880

but I would not be in position for

1297

00:57:44,230 --> 00:57:40,280

criticize their their Theory and

1298

00:57:45,430 --> 00:57:44,240

certainly the what they had

1299

00:57:48,890 --> 00:57:45,440

[Music]

1300

00:57:52,190 --> 00:57:48,900

was seemingly understood by those in the

1301
00:57:55,309 --> 00:57:52,200
qualified area look good to them people

1302
00:57:58,309 --> 00:57:55,319
in a position they experience was to

1303
00:57:59,870 --> 00:57:58,319
consider their the matter the papers

1304
00:58:02,510 --> 00:57:59,880
look good

1305
00:58:07,930 --> 00:58:02,520
and that's about all I can say but I'm

1306
00:58:14,030 --> 00:58:11,750
in regards to the ETS that do you have

1307
00:58:16,010 --> 00:58:14,040
much evidence of a medical examination

1308
00:58:17,510 --> 00:58:16,020
all the fact that they maybe have the

1309
00:58:19,910 --> 00:58:17,520
same type of flesh and blood that we

1310
00:58:21,849 --> 00:58:19,920
have and so anything that I'm aware of

1311
00:58:26,930 --> 00:58:21,859
certain uh

1312
00:58:27,829 --> 00:58:26,940
details of the general configuration and

1313
00:58:29,770 --> 00:58:27,839

the

1314

00:58:34,849 --> 00:58:29,780

certain

1315

00:58:36,730 --> 00:58:34,859

parents facial appearance of the

1316

00:58:39,049 --> 00:58:36,740

of the being

1317

00:58:40,849 --> 00:58:39,059

at this time I could reveal nothing

1318

00:58:43,250 --> 00:58:40,859

medically

1319

00:58:45,890 --> 00:58:43,260

about these things

1320

00:58:48,470 --> 00:58:45,900

maybe sometime in the future

1321

00:58:52,430 --> 00:58:48,480

but right now

1322

00:58:54,890 --> 00:58:52,440

I prefer not to mention or the possible

1323

00:58:57,410 --> 00:58:54,900

of learning more efficiently a very

1324

00:58:59,089 --> 00:58:57,420

vital area to me and that I want to

1325

00:58:59,930 --> 00:58:59,099

learn nor better not revealed but I do

1326
00:59:02,450 --> 00:58:59,940
have a

1327
00:59:05,030 --> 00:59:02,460
drawing here that I've made is a

1328
00:59:08,510 --> 00:59:05,040
composite

1329
00:59:10,670 --> 00:59:08,520
of the I can't but we have this your

1330
00:59:14,630 --> 00:59:10,680
duplication at this time

1331
00:59:16,670 --> 00:59:14,640
but uh this is the a composite of a of

1332
00:59:19,789 --> 00:59:16,680
the facial features

1333
00:59:22,730 --> 00:59:19,799
of a feature of a

1334
00:59:26,990 --> 00:59:24,470
generally speaking

1335
00:59:29,089 --> 00:59:27,000
a little give and take here and there

1336
00:59:31,490 --> 00:59:29,099
and I think I might be in a position to

1337
00:59:34,549 --> 00:59:31,500
comment on that in about two more months

1338
00:59:36,589 --> 00:59:34,559

am I allowed to ask you one question uh

1339

00:59:42,530 --> 00:59:36,599

the way they breathe they breathe like

1340

00:59:46,030 --> 00:59:44,690

I could stand here and conjecture on a

1341

00:59:49,490 --> 00:59:46,040

lot of things

1342

00:59:51,289 --> 00:59:49,500

and my my guess would be guesses and

1343

00:59:52,390 --> 00:59:51,299

they could be completely wrong in the

1344

00:59:55,370 --> 00:59:52,400

ruins

1345

00:59:58,010 --> 00:59:55,380

and I'd rather be the reticent in these

1346

01:00:00,289 --> 00:59:58,020

areas and come out in sensationalize I

1347

01:00:02,210 --> 01:00:00,299

think I've done that enough I think I've

1348

01:00:04,190 --> 01:00:02,220

sensationalized already by them bringing

1349

01:00:07,910 --> 01:00:04,200

out the subject without giving you any

1350

01:00:10,609 --> 01:00:07,920

more details but hopefully in time or at

1351
01:00:14,690 --> 01:00:10,619
least by July 29th I will have even more

1352
01:00:17,150 --> 01:00:14,700
data to put in my uh Roundup for the

1353
01:00:19,190 --> 01:00:17,160
wind up of the papers that I have now

1354
01:00:21,349 --> 01:00:19,200
I'm not leaving this open how I'm going

1355
01:00:23,390 --> 01:00:21,359
to end my yeah because the reason I ask

1356
01:00:25,910 --> 01:00:23,400
you that is the one figure that I saw in

1357
01:00:27,829 --> 01:00:25,920
the sign I had but I could see like

1358
01:00:29,569 --> 01:00:27,839
where we normally we breathe the bar now

1359
01:00:30,650 --> 01:00:29,579
I could see you know the part right

1360
01:00:33,849 --> 01:00:30,660
through here would be gone back and

1361
01:00:37,010 --> 01:00:33,859
forth breathing somehow through here

1362
01:00:39,349 --> 01:00:37,020
in my home well I don't think anyone

1363
01:00:40,849 --> 01:00:39,359

would be good at this time we can only

1364

01:00:45,109 --> 01:00:40,859

conjectures

1365

01:00:48,230 --> 01:00:45,119

again if the intelligence is

1366

01:00:49,549 --> 01:00:48,240

so far Advanced over us so many ways

1367

01:00:51,170 --> 01:00:49,559

technically

1368

01:00:53,510 --> 01:00:51,180

the clouds will be awesome to be

1369

01:00:56,990 --> 01:00:53,520

advanced in the area of excitements

1370

01:00:58,730 --> 01:00:57,000

and having possession of that gift he

1371

01:01:00,049 --> 01:00:58,740

would probably be controlling their

1372

01:01:02,030 --> 01:01:00,059

minds

1373

01:01:04,069 --> 01:01:02,040

letting us see what they wanted to see

1374

01:01:05,329 --> 01:01:04,079

for what it enrolled ulterior purposes

1375

01:01:08,030 --> 01:01:05,339

that they had in their minds they're

1376

01:01:10,789 --> 01:01:08,040

affecting their rationale and could have

1377

01:01:13,250 --> 01:01:10,799

mesmerized you or put you in a

1378

01:01:14,930 --> 01:01:13,260

world position where you were you were

1379

01:01:16,309 --> 01:01:14,940

putting it together based on the control

1380

01:01:19,730 --> 01:01:16,319

of your mind

1381

01:01:21,770 --> 01:01:19,740

I made myself dirty but uh the the

1382

01:01:23,329 --> 01:01:21,780

belief that my belief is that they do

1383

01:01:25,549 --> 01:01:23,339

have the power to control the mind

1384

01:01:26,870 --> 01:01:25,559

because in most encounter cases they

1385

01:01:29,569 --> 01:01:26,880

don't really thought there's no

1386

01:01:32,690 --> 01:01:29,579

impossible anyway in the preponderance

1387

01:01:34,069 --> 01:01:32,700

of cases for that investigated apart

1388

01:01:35,650 --> 01:01:34,079

from what I know about the little the

1389

01:01:37,970 --> 01:01:35,660

creatures but

1390

01:01:41,390 --> 01:01:37,980

they don't talk they don't verbalize

1391

01:01:43,609 --> 01:01:41,400

I've had inscriptions given to me by the

1392

01:01:46,910 --> 01:01:43,619

people I've had contact or whatever

1393

01:01:49,309 --> 01:01:46,920

let's call it the social counters very

1394

01:01:52,430 --> 01:01:49,319

close with the psychic effects of the

1395

01:01:54,890 --> 01:01:52,440

whole world and prescriptions there

1396

01:01:57,589 --> 01:01:54,900

would fall precisely align what you're

1397

01:01:59,089 --> 01:01:57,599

relating it's the people will have

1398

01:02:01,250 --> 01:01:59,099

effects when they see everything in

1399

01:02:05,150 --> 01:02:01,260

mathematical equations

1400

01:02:06,130 --> 01:02:05,160

per week uh the Sea of the ocean the

1401

01:02:09,890 --> 01:02:06,140

ocean

1402

01:02:13,309 --> 01:02:09,900

uh in Red Sky green

1403

01:02:15,349 --> 01:02:13,319

uh everything in opposites or in blocks

1404

01:02:17,230 --> 01:02:15,359

or whatever there's all these uh the

1405

01:02:21,829 --> 01:02:17,240

phantasmic or the whole the whole earth

1406

01:02:24,530 --> 01:02:21,839

is in a complete uh disarray and as a

1407

01:02:26,210 --> 01:02:24,540

fantasy and uh we could not account for

1408

01:02:28,670 --> 01:02:26,220

that not certainly can't but these are

1409

01:02:31,130 --> 01:02:28,680

occasions that I'm sure that are being

1410

01:02:35,390 --> 01:02:31,140

looked into by brokered by Heinrich

1411

01:02:36,829 --> 01:02:35,400

group someday I hope our scientists who

1412

01:02:39,410 --> 01:02:36,839

says that we're dealing with something

1413

01:02:41,390 --> 01:02:39,420

from another round or whatever

1414

01:02:43,370 --> 01:02:41,400

uh that they can put some of this

1415

01:02:46,250 --> 01:02:43,380

together and perform a patterns so that

1416

01:02:48,410 --> 01:02:46,260

we will know something somebody just

1417

01:02:50,210 --> 01:02:48,420

talk about it all the time I hope we can

1418

01:02:51,829 --> 01:02:50,220

find a pattern for this study yeah but

1419

01:02:53,150 --> 01:02:51,839

tonight when the signing began mine

1420

01:02:55,370 --> 01:02:53,160

almost being lit up when there's a half

1421

01:02:57,530 --> 01:02:55,380

hour before I ever had decided and my

1422

01:02:59,950 --> 01:02:57,540

son came home he went yeah what did you

1423

01:03:03,109 --> 01:02:59,960

see originally that started

1424

01:03:04,789 --> 01:03:03,119

I saw my home being lit up I didn't take

1425

01:03:07,309 --> 01:03:04,799

that serious I thought it was an unusual

1426

01:03:09,109 --> 01:03:07,319

storm I was announced and as the the

1427

01:03:10,789 --> 01:03:09,119

light would come through the windows it

1428

01:03:12,530 --> 01:03:10,799

would be like a wide width had come up

1429

01:03:14,030 --> 01:03:12,540

there wouldn't be any point to come up

1430

01:03:15,770 --> 01:03:14,040

to about that wide you know at the top

1431

01:03:16,970 --> 01:03:15,780

it it would light up two-thirds of the

1432

01:03:19,130 --> 01:03:16,980

room all the way through the hallway and

1433

01:03:21,170 --> 01:03:19,140

all of them I didn't take it serious I

1434

01:03:22,970 --> 01:03:21,180

thought it was an unusual storm so I

1435

01:03:24,530 --> 01:03:22,980

began to walk around where normally when

1436

01:03:26,270 --> 01:03:24,540

I look at a book or something I'll

1437

01:03:27,829 --> 01:03:26,280

always cut the TV on while I'm doing it

1438

01:03:30,289 --> 01:03:27,839

and I pay any attention but it wouldn't

1439

01:03:31,730 --> 01:03:30,299

work I didn't take it serious my son

1440

01:03:33,770 --> 01:03:31,740

came home when he was going to the

1441

01:03:35,270 --> 01:03:33,780

drive-in he says mom I stayed for the

1442

01:03:36,710 --> 01:03:35,280

one show and I decided I wouldn't stay

1443

01:03:38,630 --> 01:03:36,720

for that late show he's I don't know why

1444

01:03:40,549 --> 01:03:38,640

that he but he did say it was unusually

1445

01:03:41,870 --> 01:03:40,559

dark outfit like and I said well didn't

1446

01:03:43,250 --> 01:03:41,880

you see the lightning light comes down

1447

01:03:46,190 --> 01:03:43,260

she was nice it's driving I didn't

1448

01:03:48,049 --> 01:03:46,200

noticed anything so if he comes in I

1449

01:03:50,150 --> 01:03:48,059

said well get the radio and we check to

1450

01:03:51,710 --> 01:03:50,160

see about stuff if even that one station

1451

01:03:53,270 --> 01:03:51,720

has that crazy static on we couldn't

1452

01:03:55,309 --> 01:03:53,280

even get that I couldn't be throwing a

1453

01:03:57,349 --> 01:03:55,319

phone I still didn't take it serious but

1454

01:03:58,609 --> 01:03:57,359

when he went to his room I went to the

1455

01:04:00,829 --> 01:03:58,619

door and the lights were on the other

1456

01:04:02,990 --> 01:04:00,839

side of the street I opened the door I

1457

01:04:05,329 --> 01:04:03,000

start to look up and it was the there's

1458

01:04:07,130 --> 01:04:05,339

like a street cut Alexander catty corner

1459

01:04:09,289 --> 01:04:07,140

from where I was standing and the second

1460

01:04:11,630 --> 01:04:09,299

street light the metal itself was white

1461

01:04:13,490 --> 01:04:11,640

and glaring and it lit up not the bulb

1462

01:04:15,770 --> 01:04:13,500

but the metal and I didn't take that

1463

01:04:17,630 --> 01:04:15,780

serious there was like two blue blobs or

1464

01:04:19,670 --> 01:04:17,640

something and they was like I didn't

1465

01:04:21,230 --> 01:04:19,680

even take them serious and because I

1466

01:04:24,170 --> 01:04:21,240

thought while the electrical boxes they

1467

01:04:25,250 --> 01:04:24,180

put up you know nothing's fancy so I

1468

01:04:26,809 --> 01:04:25,260

didn't take it serious and all of a

1469

01:04:28,130 --> 01:04:26,819

sudden it would like get light you

1470

01:04:29,809 --> 01:04:28,140

wouldn't see thing it got dark again

1471

01:04:31,430 --> 01:04:29,819

there were three of them candy corn and

1472

01:04:33,470 --> 01:04:31,440

from where I was standing across the

1473

01:04:34,849 --> 01:04:33,480

street I didn't take that series but

1474

01:04:36,650 --> 01:04:34,859

then as I started to hook the screen

1475

01:04:37,970 --> 01:04:36,660

assuming all the street lights were

1476

01:04:39,890 --> 01:04:37,980

coming on this all of a sudden see these

1477

01:04:41,569 --> 01:04:39,900

crazy circles right in line I didn't see

1478

01:04:43,190 --> 01:04:41,579

they were lying with the streets then I

1479

01:04:45,109 --> 01:04:43,200

thought well that's too perfect the

1480

01:04:46,789 --> 01:04:45,119

situation since I started to turn back

1481

01:04:49,849 --> 01:04:46,799

and unhook the top of the screen that's

1482

01:04:51,589 --> 01:04:49,859

why I saw that nine solid discs and just

1483

01:04:53,150 --> 01:04:51,599

as I started to hook the screen more or

1484

01:04:54,890 --> 01:04:53,160

less to go out like I didn't touch the

1485

01:04:56,930 --> 01:04:54,900

screen because my picture went right

1486

01:04:58,549 --> 01:04:56,940

next to it like came to a glare and

1487

01:05:00,170 --> 01:04:58,559

normally I want a car will drive up and

1488

01:05:02,210 --> 01:05:00,180

just unhook the door as I started to

1489

01:05:03,770 --> 01:05:02,220

reach your door my screen began to

1490

01:05:06,109 --> 01:05:03,780

disappear and I didn't touch the door

1491

01:05:08,690 --> 01:05:06,119

then because something stood in it real

1492

01:05:10,309 --> 01:05:08,700

fast looked like a lot of hands shutting

1493

01:05:12,410 --> 01:05:10,319

a lot of windows with a lot of strained

1494

01:05:13,730 --> 01:05:12,420

red hair and as they were shutting the

1495

01:05:15,710 --> 01:05:13,740

window they were shutting from the right

1496

01:05:17,809 --> 01:05:15,720

to the left well it would be like from

1497

01:05:18,890 --> 01:05:17,819

here to here to me and if this happened

1498

01:05:20,270 --> 01:05:18,900

I didn't believe what I was seeing

1499

01:05:22,370 --> 01:05:20,280

exactly there's no way and as I said

1500

01:05:24,950 --> 01:05:22,380

that it's flipped off with a funny

1501
01:05:27,049 --> 01:05:24,960
scraping like a car scraping a bush and

1502
01:05:28,549 --> 01:05:27,059
they had a buzzing sound like in unison

1503
01:05:30,530 --> 01:05:28,559
but they were going up and down all at

1504
01:05:32,329 --> 01:05:30,540
one time the same used in theory and as

1505
01:05:34,549 --> 01:05:32,339
I turned around you could see like a

1506
01:05:36,530 --> 01:05:34,559
reddish orange light fit my closet door

1507
01:05:38,569 --> 01:05:36,540
and it's right where I was standing and

1508
01:05:40,490 --> 01:05:38,579
I said and as I said no way and turn

1509
01:05:42,170 --> 01:05:40,500
around Michaels from other room said I

1510
01:05:43,490 --> 01:05:42,180
already put the radio away and I said

1511
01:05:45,349 --> 01:05:43,500
what I'm talking to you and I thought

1512
01:05:47,030 --> 01:05:45,359
well who do I think I was talking to and

1513
01:05:49,130 --> 01:05:47,040

then when I turned back assuming it

1514

01:05:51,470 --> 01:05:49,140

would be gone there was like this black

1515

01:05:53,150 --> 01:05:51,480

thing like a pulsating mop I I have to

1516

01:05:54,349 --> 01:05:53,160

say that it could have been black water

1517

01:05:57,230 --> 01:05:54,359

or anything it will look more like a

1518

01:05:58,970 --> 01:05:57,240

seashore all black but it was like

1519

01:06:01,309 --> 01:05:58,980

pulsating like you you know these things

1520

01:06:03,829 --> 01:06:01,319

that the Cardinals and stuff you'd walk

1521

01:06:05,690 --> 01:06:03,839

in and like when I tried to look up it

1522

01:06:07,670 --> 01:06:05,700

was just like black glare and I probably

1523

01:06:10,069 --> 01:06:07,680

assumed it was a guy you know but there

1524

01:06:13,130 --> 01:06:10,079

were like a lot of or like yellowish

1525

01:06:14,390 --> 01:06:13,140

type eyes in this thing and I kept and I

1526
01:06:16,849 --> 01:06:14,400
looked to the right there was some kind

1527
01:06:18,589 --> 01:06:16,859
of a figure with appendages at the top

1528
01:06:20,809 --> 01:06:18,599
and it was standing with these funny

1529
01:06:23,030 --> 01:06:20,819
things like this and I'm looking ahead

1530
01:06:25,250 --> 01:06:23,040
white white and the eye part and the

1531
01:06:28,010 --> 01:06:25,260
Slit and I'm thinking I don't understand

1532
01:06:29,750 --> 01:06:28,020
because about that time it took a change

1533
01:06:31,910 --> 01:06:29,760
would look like you know how you see a

1534
01:06:33,589 --> 01:06:31,920
cat purring and a body alone it took

1535
01:06:36,349 --> 01:06:33,599
like a body of the cat but no head Just

1536
01:06:37,730 --> 01:06:36,359
the Funny looks and I thought you know I

1537
01:06:39,230 --> 01:06:37,740
thought don't leave I just want to know

1538
01:06:41,029 --> 01:06:39,240

what this is about and then if it did

1539

01:06:43,490 --> 01:06:41,039

that it went into this black that was

1540

01:06:44,870 --> 01:06:43,500

pulsing in here and then all these eyes

1541

01:06:46,430 --> 01:06:44,880

were near and I kept saying I don't

1542

01:06:49,849 --> 01:06:46,440

understand you know

1543

01:06:51,349 --> 01:06:49,859

and then I just like when the one I

1544

01:06:53,029 --> 01:06:51,359

would go they would all go just like

1545

01:06:54,410 --> 01:06:53,039

Steps in the Box on a pyramid or

1546

01:06:56,270 --> 01:06:54,420

something always go at one time right

1547

01:06:58,730 --> 01:06:56,280

can you understand and the one stays the

1548

01:07:00,170 --> 01:06:58,740

longest and after that's when like it

1549

01:07:02,210 --> 01:07:00,180

was like there was a projection of a

1550

01:07:05,150 --> 01:07:02,220

plane and someone getting on with a

1551

01:07:07,849 --> 01:07:05,160

briefcase and they had a light thin it

1552

01:07:10,130 --> 01:07:07,859

was a type suit that was hanging very

1553

01:07:12,410 --> 01:07:10,140

fine not like a knit but like a non type

1554

01:07:15,109 --> 01:07:12,420

thing would hang flat and but there's

1555

01:07:16,970 --> 01:07:15,119

one thing difference of plain ladder had

1556

01:07:18,410 --> 01:07:16,980

no things thought it was like it was

1557

01:07:20,809 --> 01:07:18,420

hanging like a rope but it didn't move

1558

01:07:23,089 --> 01:07:20,819

it was hard like like a metal fold would

1559

01:07:25,130 --> 01:07:23,099

be and you saw the person projecting on

1560

01:07:27,170 --> 01:07:25,140

it they're like walking up on it

1561

01:07:29,510 --> 01:07:27,180

about that time my son's name was

1562

01:07:31,789 --> 01:07:29,520

mentioned and it felt like a hit on my

1563

01:07:33,349 --> 01:07:31,799

neck just like you take on this part and

1564

01:07:35,809 --> 01:07:33,359

as I did that I was standing back at the

1565

01:07:37,190 --> 01:07:35,819

door and then I said I you know how you

1566

01:07:38,510 --> 01:07:37,200

see it and you don't believe it so I

1567

01:07:41,870 --> 01:07:38,520

just bothered things up we see them

1568

01:07:43,490 --> 01:07:41,880

again as I said that I saw that looked

1569

01:07:46,190 --> 01:07:43,500

like the clouds opened up and you saw

1570

01:07:47,809 --> 01:07:46,200

one big metal disc with a small one and

1571

01:07:49,549 --> 01:07:47,819

there was a black line around the middle

1572

01:07:51,770 --> 01:07:49,559

bottom saw halfway with a black circle

1573

01:07:53,870 --> 01:07:51,780

underneath it and then after that there

1574

01:07:56,750 --> 01:07:53,880

was a very unusual lightning bolt that

1575

01:07:58,370 --> 01:07:56,760

looked like a Hercules thing on TV and I

1576

01:08:01,609 --> 01:07:58,380

thought well this thing goes down well

1577

01:08:04,190 --> 01:08:01,619

everything's Really Gonna Get the you

1578

01:08:07,510 --> 01:08:04,200

know something will happen and what was

1579

01:08:10,190 --> 01:08:07,520

your son he was in bed

1580

01:08:11,690 --> 01:08:10,200

no as far as I know he didn't hear a

1581

01:08:13,370 --> 01:08:11,700

thing and I didn't even mention it to

1582

01:08:15,170 --> 01:08:13,380

him because I figure he's not going to

1583

01:08:18,110 --> 01:08:15,180

believe that one intervals at all this

1584

01:08:19,669 --> 01:08:18,120

what time lapse uh well all started like

1585

01:08:20,990 --> 01:08:19,679

he came on the drive-in earlier and

1586

01:08:23,510 --> 01:08:21,000

didn't say his ways he should have said

1587

01:08:26,269 --> 01:08:23,520

the homeless being left maybe say 12 30

1588

01:08:30,410 --> 01:08:26,279

20 to what and at ten after one I had
