

1
00:00:04,070 --> 00:00:02,629
a little letter to you in was uh in

2
00:00:06,170 --> 00:00:04,080
conjunction with a meeting that I had

3
00:00:08,030 --> 00:00:06,180
with Kurt Waldheim and the security

4
00:00:11,150 --> 00:00:08,040
Council of the UN

5
00:00:13,910 --> 00:00:11,160
to try to encourage the U.N to establish

6
00:00:15,770 --> 00:00:13,920
a committee to start comparing notes and

7
00:00:18,349 --> 00:00:15,780
data and information

8
00:00:21,950 --> 00:00:18,359
and to really look into all of this from

9
00:00:23,330 --> 00:00:21,960
a unbiased neutral point of view here's

10
00:00:25,310 --> 00:00:23,340
a quote from from your letter I believe

11
00:00:26,570 --> 00:00:25,320
that these extraterrestrial vehicles and

12
00:00:28,910 --> 00:00:26,580
their crews are visiting this planet

13
00:00:31,189 --> 00:00:28,920

from other planets and are obviously a

14

00:00:32,990 --> 00:00:31,199

little more advanced than we are here on

15

00:00:34,729 --> 00:00:33,000

Earth and are you saying that's exactly

16

00:00:36,889 --> 00:00:34,739

why governments have been trying to keep

17

00:00:40,610 --> 00:00:36,899

this information private because of that

18

00:00:42,410 --> 00:00:40,620

obvious advancement very possibly right

19

00:00:46,610 --> 00:00:42,420

you wrote a letter to the United Nations

20

00:00:49,190 --> 00:00:46,620

in May of 1963 what prompted you to to

21

00:00:50,930 --> 00:00:49,200

send that letter

22

00:00:53,990 --> 00:00:50,940

I felt that everybody around the world

23

00:00:56,569 --> 00:00:54,000

was busy out being contacted from time

24

00:00:58,369 --> 00:00:56,579

to time and having sightings and

25

00:01:00,650 --> 00:00:58,379

a few abductions and various things

26
00:01:02,510 --> 00:01:00,660
going on it would be nice maybe to have

27
00:01:04,369 --> 00:01:02,520
a central Gathering house for all this

28
00:01:07,090 --> 00:01:04,379
information

29
00:01:09,350 --> 00:01:07,100
and somebody who was some

30
00:01:10,429 --> 00:01:09,360
organization that was kind of neutral

31
00:01:13,010 --> 00:01:10,439
ground

32
00:01:15,710 --> 00:01:13,020
they wouldn't have uh vested interest

33
00:01:17,090 --> 00:01:15,720
from country to Country involved

34
00:01:19,670 --> 00:01:17,100
and it seemed to me like the United

35
00:01:21,230 --> 00:01:19,680
Nations still would be the place to do a

36
00:01:24,289 --> 00:01:21,240
lot of this Gathering

37
00:01:26,510 --> 00:01:24,299
you mentioned abductions what what word

38
00:01:29,090 --> 00:01:26,520

what exactly do you mean by that

39

00:01:31,130 --> 00:01:29,100

well where people were

40

00:01:33,230 --> 00:01:31,140

blacked out for a period of time and

41

00:01:35,270 --> 00:01:33,240

woke up and obviously had some time

42

00:01:39,350 --> 00:01:35,280

missing and

43

00:01:42,109 --> 00:01:39,360

and bound as far as a couple of poor

44

00:01:43,730 --> 00:01:42,119

fishermen in Pascagoula Texas here

45

00:01:47,149 --> 00:01:43,740

we're actually taking on board a

46

00:01:49,730 --> 00:01:47,159

spaceship extraterrestrial spaceship and

47

00:01:51,170 --> 00:01:49,740

these types of things that whether you

48

00:01:54,170 --> 00:01:51,180

believe them or don't believe or whether

49

00:01:55,490 --> 00:01:54,180

true or false the information really

50

00:01:58,010 --> 00:01:55,500

ought to be brought together in one

51
00:02:03,109 --> 00:01:58,020
Locale and properly investigated and

52
00:02:06,950 --> 00:02:04,670
in your letter you wrote I believe that

53
00:02:09,770 --> 00:02:06,960
these are extraterrestrial vehicles and

54
00:02:11,750 --> 00:02:09,780
their Crews visiting from other planets

55
00:02:14,510 --> 00:02:11,760
what led you to believe that

56
00:02:16,809 --> 00:02:14,520
that's just my opinion your opinion

57
00:02:19,369 --> 00:02:16,819
I mean seeing I guess For the First Time

58
00:02:21,650 --> 00:02:19,379
The Craft did that

59
00:02:23,990 --> 00:02:21,660
kind of prompt you to to I mean that I

60
00:02:25,729 --> 00:02:24,000
guess in your reading Buck Rogers prompt

61
00:02:27,229 --> 00:02:25,739
you to believe that that's what the

62
00:02:30,650 --> 00:02:27,239
situation was

63
00:02:33,050 --> 00:02:30,660

well in later years after being able to

64

00:02:35,570 --> 00:02:33,060

find out that very well and getting into

65

00:02:37,970 --> 00:02:35,580

aircraft development testing and

66

00:02:40,970 --> 00:02:37,980

research at Edwards

67

00:02:43,009 --> 00:02:40,980

I certainly had decided that

68

00:02:44,030 --> 00:02:43,019

we're not building that type of vehicle

69

00:02:45,890 --> 00:02:44,040

here

70

00:02:48,530 --> 00:02:45,900

certainly not in the United States very

71

00:02:50,750 --> 00:02:48,540

likely not on this planet

72

00:02:52,490 --> 00:02:50,760

so these vehicles almost

73

00:02:54,710 --> 00:02:52,500

a necessity you have to come from

74

00:02:56,229 --> 00:02:54,720

somewhere else

75

00:02:59,449 --> 00:02:56,239

um

76

00:03:00,550 --> 00:02:59,459

again referring back to letter you wrote

77

00:03:03,470 --> 00:03:00,560

um

78

00:03:05,089 --> 00:03:03,480

you wrote that we may first have to show

79

00:03:07,190 --> 00:03:05,099

them that we have learned how to resolve

80

00:03:10,190 --> 00:03:07,200

our problems piece by peaceful means

81

00:03:12,530 --> 00:03:10,200

rather than Warfare

82

00:03:15,470 --> 00:03:12,540

what led you to believe that was it just

83

00:03:19,250 --> 00:03:15,480

something that

84

00:03:21,350 --> 00:03:19,260

I mean well one wonder why

85

00:03:23,449 --> 00:03:21,360

extraterrestrials are not contacting

86

00:03:25,490 --> 00:03:23,459

people more readily why don't they come

87

00:03:27,649 --> 00:03:25,500

and land in my backyard or somebody's

88

00:03:29,690 --> 00:03:27,659

backyard who would dearly welcome them

89

00:03:31,670 --> 00:03:29,700

and who would like to interface with

90

00:03:33,470 --> 00:03:31,680

them and like to find out what they're

91

00:03:34,910 --> 00:03:33,480

doing what their propulsion system is

92

00:03:41,089 --> 00:03:34,920

and

93

00:03:42,770 --> 00:03:41,099

maybe it's because they don't feel we're

94

00:03:44,330 --> 00:03:42,780

ready

95

00:03:46,190 --> 00:03:44,340

maybe we haven't learned to control

96

00:03:49,369 --> 00:03:46,200

ourselves or and learn to govern

97

00:03:52,910 --> 00:03:49,379

ourselves well enough to really be given

98

00:03:56,449 --> 00:03:54,770

what did you feel about the outcome of

99

00:03:58,430 --> 00:03:56,459

the letter or the results I mean what

100

00:04:00,229 --> 00:03:58,440

did you feel once I guess nothing

101
00:04:02,990 --> 00:04:00,239
happened

102
00:04:04,610 --> 00:04:03,000
yeah nothing nothing the outcome of the

103
00:04:06,710 --> 00:04:04,620
letter was that nothing

104
00:04:10,309 --> 00:04:06,720
which of course is rather typical of the

105
00:04:13,670 --> 00:04:12,170
would you write if you had the chance

106
00:04:15,229 --> 00:04:13,680
would you write the letter again I mean

107
00:04:18,229 --> 00:04:15,239
would you do it all over again I suppose

108
00:04:20,990 --> 00:04:18,239
I suppose I'd do it again but

109
00:04:22,189 --> 00:04:21,000
even though I could probably be a waste

110
00:04:24,530 --> 00:04:22,199
of effort

111
00:04:26,030 --> 00:04:24,540
why do you think it would be a waste of

112
00:04:28,510 --> 00:04:26,040
effort well it wasn't really truly a

113
00:04:30,830 --> 00:04:28,520

waste of effort uh Kurt Waldheim

114

00:04:33,110 --> 00:04:30,840

reviewed it and had a meeting with us

115

00:04:35,990 --> 00:04:33,120

and looked everything over and

116

00:04:38,150 --> 00:04:36,000

and it was presented at the council and

117

00:04:40,730 --> 00:04:38,160

certainly made a lot of people aware of

118

00:04:42,830 --> 00:04:40,740

a number of things that perhaps they've

119

00:04:45,409 --> 00:04:42,840

not been aware of before so maybe it

120

00:04:47,090 --> 00:04:45,419

opened a few eyes and

121

00:04:48,650 --> 00:04:47,100

you said I just a minute ago you said

122

00:04:51,050 --> 00:04:48,660

the United Nations would be the place to

123

00:04:53,810 --> 00:04:51,060

do that why why not some branch of the

124

00:04:56,870 --> 00:04:53,820

government I mean why not you know one

125

00:04:58,129 --> 00:04:56,880

of the the military or or NASA or why

126

00:05:00,950 --> 00:04:58,139

the U.N

127

00:05:02,749 --> 00:05:00,960

well then if our government handed it

128

00:05:04,490 --> 00:05:02,759

there would be a few governments around

129

00:05:07,490 --> 00:05:04,500

the world it might have a reluctance to

130

00:05:12,110 --> 00:05:09,770

he had truly neutral ground like the

131

00:05:14,930 --> 00:05:12,120

United Nations is supposed to be
