

1
00:00:06,590 --> 00:00:03,889
when I went to Holloman Air Force Base

2
00:00:08,870 --> 00:00:06,600
because George Air Force Base didn't

3
00:00:12,290 --> 00:00:08,880
have a high altitude chamber

4
00:00:14,570 --> 00:00:12,300
so I went to Holloman and worked at the

5
00:00:17,210 --> 00:00:14,580
aeromed laboratory

6
00:00:20,870 --> 00:00:17,220
under Colonel John Paul Stapp the guy

7
00:00:26,330 --> 00:00:23,330
there were four

8
00:00:29,089 --> 00:00:26,340
flight surgeons at Holloman

9
00:00:31,910 --> 00:00:29,099
John Paul staff was one

10
00:00:33,650 --> 00:00:31,920
David Simons was another and there was a

11
00:00:35,450 --> 00:00:33,660
bay I mean a hospital Commander a

12
00:00:37,610 --> 00:00:35,460
lieutenant colonel I can't remember his

13
00:00:40,610 --> 00:00:37,620

name

14

00:00:41,930 --> 00:00:40,620

and Dr Robert Reiner who is a captain

15

00:00:44,450 --> 00:00:41,940

I went

16

00:00:47,810 --> 00:00:44,460

to Reiner's office

17

00:00:50,690 --> 00:00:47,820

from the aeromed Laboratories

18

00:00:52,430 --> 00:00:50,700

because I did not keep chicken eggs

19

00:00:55,430 --> 00:00:52,440

alive

20

00:00:57,350 --> 00:00:55,440

I didn't put any water in an incubator

21

00:00:58,850 --> 00:00:57,360

and they died

22

00:01:00,470 --> 00:00:58,860

now

23

00:01:03,830 --> 00:01:00,480

David Simons

24

00:01:05,810 --> 00:01:03,840

wrote a kind of bad letter for me so

25

00:01:07,609 --> 00:01:05,820

that I'd get out of there and he did the

26
00:01:10,370 --> 00:01:07,619
right thing because I'm not a lab person

27
00:01:12,530 --> 00:01:10,380
I'm a person person

28
00:01:15,530 --> 00:01:12,540
okay

29
00:01:16,850 --> 00:01:15,540
when I went to work for Dr Reiner I

30
00:01:20,810 --> 00:01:16,860
worked in the flight surgeon's office

31
00:01:23,270 --> 00:01:20,820
there Dr Reiner was the best man that I

32
00:01:25,429 --> 00:01:23,280
have ever worked for in my life

33
00:01:29,330 --> 00:01:25,439
marvelous man

34
00:01:34,490 --> 00:01:32,330
Eisenhower is going to land one day and

35
00:01:36,950 --> 00:01:34,500
in the winter

36
00:01:40,490 --> 00:01:36,960
February

37
00:01:41,810 --> 00:01:40,500
Holloman Air Force Base has got a

38
00:01:44,270 --> 00:01:41,820

code

39

00:01:47,090 --> 00:01:44,280

that unless in the wintertime everything

40

00:01:50,389 --> 00:01:47,100

is normally khakis unless you're doing

41

00:01:53,630 --> 00:01:50,399

base operations work and are an officer

42

00:01:56,330 --> 00:01:53,640

of an official standing on the base then

43

00:01:59,749 --> 00:01:56,340

you wear Blues that's in the wintertime

44

00:02:02,030 --> 00:01:59,759

so the story that I'm telling you the

45

00:02:04,969 --> 00:02:02,040

difference between khakis and blues is

46

00:02:11,690 --> 00:02:07,969

when Eisenhower was supposed to land we

47

00:02:13,130 --> 00:02:11,700

would or come in the day before he was

48

00:02:16,130 --> 00:02:13,140

to come in

49

00:02:18,890 --> 00:02:16,140

a parade for to honor him was canceled

50

00:02:21,110 --> 00:02:18,900

the president of the United States is

51
00:02:24,530 --> 00:02:21,120
entitled to full military honors at any

52
00:02:25,550 --> 00:02:24,540
base that he lands on and that means a

53
00:02:27,770 --> 00:02:25,560
parade

54
00:02:29,690 --> 00:02:27,780
Dr Reiner asked me if I wanted to go to

55
00:02:31,130 --> 00:02:29,700
the parade and I said no he says okay

56
00:02:34,190 --> 00:02:31,140
you're working

57
00:02:37,130 --> 00:02:34,200
well the work schedule of Eisenhower

58
00:02:39,589 --> 00:02:37,140
didn't show up the parade didn't show up

59
00:02:41,210 --> 00:02:39,599
so I just went to work like normal when

60
00:02:43,850 --> 00:02:41,220
I went there

61
00:02:44,690 --> 00:02:43,860
there was a nurse who worked there that

62
00:02:47,869 --> 00:02:44,700
said

63
00:02:49,550 --> 00:02:47,879

Kirkland where's Dorsey Darcy Moore was

64

00:02:51,350 --> 00:02:49,560

the Airman in charge of our little group

65

00:02:52,790 --> 00:02:51,360

he wasn't an officer he was an Airman

66

00:02:58,550 --> 00:02:52,800

and

67

00:03:00,650 --> 00:02:58,560

thorson who is our clerk type who said

68

00:03:03,110 --> 00:03:00,660

I saw him take his wife down to the

69

00:03:05,150 --> 00:03:03,120

commissary he'll be back in about 15 or

70

00:03:09,050 --> 00:03:05,160

20 minutes

71

00:03:11,449 --> 00:03:09,060

I just kept quiet after that you know

72

00:03:12,589 --> 00:03:11,459

when Darcy came in about 15 minutes

73

00:03:14,210 --> 00:03:12,599

later

74

00:03:16,729 --> 00:03:14,220

he said Kirkland

75

00:03:19,369 --> 00:03:16,739

did you see what's out at the fly on the

76

00:03:22,369 --> 00:03:19,379

flight line I said what is it he says

77

00:03:25,550 --> 00:03:22,379

it's a disc hovering disc I'm thinking

78

00:03:28,009 --> 00:03:25,560

disc that you can throw

79

00:03:30,949 --> 00:03:28,019

12 inches maybe

80

00:03:32,809 --> 00:03:30,959

wooden with a steel rim

81

00:03:35,690 --> 00:03:32,819

the only thing that I knew that hovered

82

00:03:38,570 --> 00:03:35,700

other than that was a helicopter and the

83

00:03:44,750 --> 00:03:41,690

and I'm saying oh I said what's it made

84

00:03:48,350 --> 00:03:44,760

of he says metal like polished aluminum

85

00:03:55,610 --> 00:03:48,360

polished steel he's a you know metal I

86

00:03:59,390 --> 00:03:57,170

I said

87

00:04:01,430 --> 00:03:59,400

no I haven't seen it he said do you want

88

00:04:02,990 --> 00:04:01,440

to see it I said yes I said I'd like to

89

00:04:05,390 --> 00:04:03,000

see it he said go out to the front of

90

00:04:07,729 --> 00:04:05,400

the hospital he says and look down at

91

00:04:09,830 --> 00:04:07,739

the flight line he said you'll see it I

92

00:04:12,710 --> 00:04:09,840

said with my luck I said I would go out

93

00:04:14,509 --> 00:04:12,720

there and it wouldn't be there he said I

94

00:04:16,370 --> 00:04:14,519

wouldn't say that he says I took my wife

95

00:04:18,469 --> 00:04:16,380

to the commissary it was there 30

96

00:04:21,530 --> 00:04:18,479

minutes later when I left

97

00:04:23,270 --> 00:04:21,540

and I said well I'll ask

98

00:04:25,730 --> 00:04:23,280

in a base

99

00:04:29,810 --> 00:04:25,740

where there's war conditions regardless

100

00:04:33,469 --> 00:04:29,820

of where you're at you're on 24 7.

101
00:04:35,510 --> 00:04:33,479
and I if you leave your the signed spot

102
00:04:37,129 --> 00:04:35,520
that's against the law

103
00:04:40,129 --> 00:04:37,139
military law

104
00:04:42,050 --> 00:04:40,139
so I asked the nurse who had asked the

105
00:04:44,330 --> 00:04:42,060
doctor if I go out to the front and see

106
00:04:49,430 --> 00:04:44,340
it she looked at the doctor and the

107
00:04:53,150 --> 00:04:51,469
nine o'clock

108
00:04:56,030 --> 00:04:53,160
go for coffee

109
00:04:58,610 --> 00:04:56,040
coming back from coffee I'm following

110
00:05:01,070 --> 00:04:58,620
two young Pilots

111
00:05:03,650 --> 00:05:01,080
the one on the left is in khakis the one

112
00:05:04,730 --> 00:05:03,660
on the right is in blues the one on the

113
00:05:07,730 --> 00:05:04,740

left said

114

00:05:10,490 --> 00:05:07,740

why the blues he says I'm the officer of

115

00:05:11,930 --> 00:05:10,500

the day he says I've been down at base

116

00:05:14,510 --> 00:05:11,940

Ops all day

117

00:05:17,450 --> 00:05:14,520

he said waiting for the plane to come in

118

00:05:19,550 --> 00:05:17,460

he said Air Force One he said yes

119

00:05:21,409 --> 00:05:19,560

Air Force One that was the first time I

120

00:05:24,350 --> 00:05:21,419

heard Air Force One I didn't know what

121

00:05:25,990 --> 00:05:24,360

it meant I had to ask that too

122

00:05:29,090 --> 00:05:26,000

well

123

00:05:31,850 --> 00:05:29,100

in the 60s that was very common but in

124

00:05:34,670 --> 00:05:31,860

the 40s it was the first time I heard it

125

00:05:37,249 --> 00:05:34,680

he says well what happened he said he

126

00:05:39,650 --> 00:05:37,259

landed he turned around on the active

127

00:05:42,409 --> 00:05:39,660

and shut down and we were told to turn

128

00:05:45,409 --> 00:05:42,419

off our radar why were you told to turn

129

00:05:47,090 --> 00:05:45,419

off your radar I don't know he said we

130

00:05:48,469 --> 00:05:47,100

were told to turn it off so we turned

131

00:05:50,749 --> 00:05:48,479

them off

132

00:05:52,790 --> 00:05:50,759

and then the guy in the Khaki said I

133

00:05:54,650 --> 00:05:52,800

heard that the one that was brought down

134

00:05:58,550 --> 00:05:54,660

at Roswell

135

00:06:00,830 --> 00:05:58,560

was brought down with Doppler radar

136

00:06:02,629 --> 00:06:00,840

and he said I don't know

137

00:06:05,270 --> 00:06:02,639

they were continued talking what

138

00:06:07,310 --> 00:06:05,280

happened after that he said they came

139

00:06:09,409 --> 00:06:07,320

out over the mountains Across The

140

00:06:10,370 --> 00:06:09,419

Proving Ground White Sands Proving

141

00:06:13,070 --> 00:06:10,380

Ground

142

00:06:15,409 --> 00:06:13,080

across the monument and the guy on the

143

00:06:17,450 --> 00:06:15,419

left again the Khaki guy said I heard

144

00:06:20,029 --> 00:06:17,460

One landed at the monument

145

00:06:22,490 --> 00:06:20,039

he said the other one said I don't know

146

00:06:25,309 --> 00:06:22,500

about that I'm telling you what I saw

147

00:06:30,529 --> 00:06:28,309

two of them came over One landed on the

148

00:06:35,330 --> 00:06:30,539

reactive in front of the plane and the

149

00:06:41,029 --> 00:06:37,909

like it was protecting that plane

150

00:06:43,370 --> 00:06:41,039

he got out of his plane walked to the

151
00:06:45,770 --> 00:06:43,380
UFO and the door opened and he walked

152
00:06:47,330 --> 00:06:45,780
inside how long was he in there about 40

153
00:06:50,150 --> 00:06:47,340
or 45 minutes

154
00:06:52,189 --> 00:06:50,160
could you see were they grazed he says I

155
00:06:55,430 --> 00:06:52,199
couldn't see I didn't have binoculars

156
00:06:58,070 --> 00:06:55,440
who had the binoculars the tower could

157
00:07:00,350 --> 00:06:58,080
they see no they didn't have the angle

158
00:07:02,150 --> 00:07:00,360
this is all going on while I'm walking

159
00:07:06,110 --> 00:07:02,160
behind them

160
00:07:07,070 --> 00:07:06,120
probably no more from here to the lobby

161
00:07:09,710 --> 00:07:07,080
area

162
00:07:12,770 --> 00:07:09,720
and as they were doing this

163
00:07:16,070 --> 00:07:12,780

one of them said did you see the one on

164

00:07:18,350 --> 00:07:16,080

the left again did you see the autopsy

165

00:07:21,529 --> 00:07:18,360

film the one on the right said yes do

166

00:07:27,529 --> 00:07:21,539

you think it's real I don't know

167

00:07:34,010 --> 00:07:31,010

and he said well he said does electronic

168

00:07:35,629 --> 00:07:34,020

waves radio waves go through plastic he

169

00:07:38,689 --> 00:07:35,639

said why do you ask that he said because

170

00:07:42,950 --> 00:07:38,699

I think there's a radar unit in the nose

171

00:07:46,909 --> 00:07:45,710

who are you talking about I said are you

172

00:07:49,670 --> 00:07:46,919

Pilots

173

00:07:53,570 --> 00:07:49,680

and they shut up turned around so I

174

00:07:56,570 --> 00:07:53,580

couldn't read their names and walked on

175

00:07:59,270 --> 00:07:56,580

I went to the fightson's office at 11

176

00:08:01,010 --> 00:07:59,280

o'clock I went like I normally did to

177

00:08:03,830 --> 00:08:01,020

pick up the mail

178

00:08:06,409 --> 00:08:03,840

picking up the mail and new

179

00:08:08,330 --> 00:08:06,419

officer Supply officer said Kirkland

180

00:08:10,670 --> 00:08:08,340

I've been looking for you he said did

181

00:08:14,150 --> 00:08:10,680

you see anything down on the flight line

182

00:08:16,610 --> 00:08:14,160

I said no but I'm qualified for

183

00:08:19,369 --> 00:08:16,620

emergency operation first raid all of

184

00:08:22,850 --> 00:08:19,379

this graduated top of my classes

185

00:08:28,249 --> 00:08:22,860

and I said no do you need help he said

186

00:08:34,850 --> 00:08:30,830

at noon you know

187

00:08:37,250 --> 00:08:34,860

Dorsey didn't show up after lunch

188

00:08:39,649 --> 00:08:37,260

the nurse and Dorothea thornson both

189

00:08:42,949 --> 00:08:39,659

asked me where's Dorsey I said I don't

190

00:08:45,530 --> 00:08:42,959

know sometimes if we're not too busy

191

00:08:48,350 --> 00:08:45,540

he goes and home and eats he'll be here

192

00:08:54,530 --> 00:08:51,430

2 30 shows up 2 45

193

00:08:57,170 --> 00:08:54,540

Darcy's not there at 2 30 but about 2 45

194

00:09:00,050 --> 00:08:57,180

he shows up I'm walking out for coffee

195

00:09:02,570 --> 00:09:00,060

and I say Darcy Where Have You Been he

196

00:09:04,610 --> 00:09:02,580

says at a meeting I said well you better

197

00:09:07,550 --> 00:09:04,620

tell Dorothea and the nurse because

198

00:09:12,050 --> 00:09:07,560

they're wondering where you're at

199

00:09:14,930 --> 00:09:12,060

after work I'm in my Barracks room and

200

00:09:17,570 --> 00:09:14,940

I'm called outside

201
00:09:20,150 --> 00:09:17,580
to the back of the barracks because Air

202
00:09:23,150 --> 00:09:20,160
Force One is flying over the residential

203
00:09:25,370 --> 00:09:23,160
area at Holloman Air Force Base that's a

204
00:09:28,910 --> 00:09:25,380
no-fly area zone

205
00:09:32,030 --> 00:09:28,920
I ran out looked for it I had to jump up

206
00:09:34,730 --> 00:09:32,040
because the plane was flying low and it

207
00:09:37,430 --> 00:09:34,740
just passed over the roof

208
00:09:41,030 --> 00:09:37,440
of our building

209
00:09:47,389 --> 00:09:41,040
Air Force One Flew from Holloman at

210
00:09:51,829 --> 00:09:49,190
after that

211
00:09:53,930 --> 00:09:51,839
I

212
00:09:56,269 --> 00:09:53,940
waited until supper

213
00:09:57,170 --> 00:09:56,279

and from supper I went out and I looked

214

00:09:58,790 --> 00:09:57,180

at

215

00:10:00,769 --> 00:09:58,800

the flights into the office and the

216

00:10:03,230 --> 00:10:00,779

lights were on I'd say no wonder what's

217

00:10:05,210 --> 00:10:03,240

going on because part of my job is to

218

00:10:06,410 --> 00:10:05,220

check to make sure the lights go on so I

219

00:10:09,410 --> 00:10:06,420

walked over

220

00:10:13,009 --> 00:10:09,420

and there was Captain Reiner talking to

221

00:10:15,410 --> 00:10:13,019

a lieutenant colonel who was in blues

222

00:10:17,810 --> 00:10:15,420

and he said

223

00:10:21,350 --> 00:10:17,820

colonel was talking he said

224

00:10:25,070 --> 00:10:21,360

Bob he said I was there on stage with

225

00:10:26,509 --> 00:10:25,080

him standing room only 225 people in spy

226

00:10:30,949 --> 00:10:26,519

air

227

00:10:32,870 --> 00:10:30,959

and Bob said Captain Reiner said that

228

00:10:34,670 --> 00:10:32,880

he had heard that he had talked at the

229

00:10:36,050 --> 00:10:34,680

base theater he said he might have been

230

00:10:38,630 --> 00:10:36,060

because he only spoke for a couple

231

00:10:40,070 --> 00:10:38,640

minutes and then he

232

00:10:42,050 --> 00:10:40,080

left

233

00:10:44,810 --> 00:10:42,060

and the base commander spoke for about

234

00:10:47,630 --> 00:10:44,820

20. he could have had plenty of time to

235

00:10:49,730 --> 00:10:47,640

go over the Base theater and come back

236

00:10:52,790 --> 00:10:49,740

he said but I'm telling you is what I

237

00:10:58,069 --> 00:10:52,800

saw standing room only and the supply

238

00:11:02,030 --> 00:10:59,389

and

239

00:11:04,610 --> 00:11:02,040

I said who talked

240

00:11:06,170 --> 00:11:04,620

he said the commander-in-chief

241

00:11:08,990 --> 00:11:06,180

I said the president

242

00:11:12,230 --> 00:11:09,000

he said the commander-in-chief you don't

243

00:11:13,790 --> 00:11:12,240

ask a lieutenant colonel again if it was

244

00:11:16,790 --> 00:11:13,800

the president

245

00:11:19,490 --> 00:11:16,800

so I knew that I said what did he talk

246

00:11:22,730 --> 00:11:19,500

about he says it's classified

247

00:11:25,310 --> 00:11:22,740

I said how is it classified

248

00:11:26,509 --> 00:11:25,320

confidential he says

249

00:11:32,030 --> 00:11:26,519

higher

250

00:11:34,130 --> 00:11:32,040

he says what's the O I said I'm only

251

00:11:36,230 --> 00:11:34,140

classified the secret it's none of my

252

00:11:39,650 --> 00:11:36,240

business and he said I would not say

253

00:11:39,660 --> 00:11:42,170

okay

254

00:11:47,210 --> 00:11:44,329

about three months after that

255

00:11:49,610 --> 00:11:47,220

I was getting ready to go overseas and I

256

00:11:51,889 --> 00:11:49,620

asked a bunch of guys that were there

257

00:11:53,389 --> 00:11:51,899

and because I said I have never heard a

258

00:11:56,090 --> 00:11:53,399

president talk have any of you ever

259

00:11:57,470 --> 00:11:56,100

heard a president talk they said yes one

260

00:11:59,930 --> 00:11:57,480

of them said yes

261

00:12:02,030 --> 00:11:59,940

I said who he said Eisenhower I said

262

00:12:03,889 --> 00:12:02,040

where he said the Base theater and

263

00:12:06,110 --> 00:12:03,899

another Airman said hey

264

00:12:08,269 --> 00:12:06,120

and the conversation stopped just like

265

00:12:12,710 --> 00:12:08,279

that

266

00:12:16,630 --> 00:12:12,720

these things

267

00:12:22,009 --> 00:12:20,509

1995 I was listening to a man by the

268

00:12:23,509 --> 00:12:22,019

name of Mike Murphy

269

00:12:26,090 --> 00:12:23,519

Kansas City

270

00:12:29,690 --> 00:12:26,100

and Mike Murphy was interviewing a guy

271

00:12:32,569 --> 00:12:29,700

by the name of Bob Dean

272

00:12:35,150 --> 00:12:32,579

but Mike kept calling him Baba day don't

273

00:12:38,329 --> 00:12:35,160

ask me why I'm just saying that he did

274

00:12:40,069 --> 00:12:38,339

Bob Dean said that he had talked to a

275

00:12:42,530 --> 00:12:40,079

man who is a crew member aboard Air

276

00:12:45,470 --> 00:12:42,540

Force One that landed at Holloman and

277

00:12:48,050 --> 00:12:45,480

Holloman got at Holloman Eisenhower got

278

00:12:49,370 --> 00:12:48,060

out and went aboard a UFO I said my God

279

00:12:51,410 --> 00:12:49,380

I was there

280

00:12:53,449 --> 00:12:51,420

I became a believer

281

00:12:56,090 --> 00:12:53,459

and I started putting together this

282

00:12:58,670 --> 00:12:56,100

information and tried to get it to

283

00:13:00,829 --> 00:12:58,680

various people I got some of the

284

00:13:03,530 --> 00:13:00,839

information to Mike Murphy and was

285

00:13:06,230 --> 00:13:03,540

interviewed on radio three times I sent

286

00:13:08,870 --> 00:13:06,240

away a letter of some of this material

287

00:13:11,210 --> 00:13:08,880

to Stan Freeman and I got back a

288

00:13:13,970 --> 00:13:11,220

mammograph thing that said he wanted to

289

00:13:17,870 --> 00:13:13,980

buy do you want to buy my air my books

290

00:13:22,370 --> 00:13:20,329

no I'm not really interested in his

291

00:13:24,350 --> 00:13:22,380

books you know

292

00:13:26,810 --> 00:13:24,360

the reason I'm not interested in this

293

00:13:30,050 --> 00:13:26,820

books is because I know Eisenhower met

294

00:13:32,269 --> 00:13:30,060

with UFOs Okay so

295

00:13:38,030 --> 00:13:32,279

on

296

00:13:41,690 --> 00:13:38,040

radio show and I called in and offered

297

00:13:43,610 --> 00:13:41,700

her the same information and

298

00:13:45,470 --> 00:13:43,620

no she was doing her thing she never

299

00:13:48,710 --> 00:13:45,480

called back she never wanted any of this

300

00:13:51,230 --> 00:13:48,720

information so I went to the Ozarks

301
00:13:55,730 --> 00:13:51,240
later on meeting there

302
00:13:57,410 --> 00:13:55,740
and Saw Linda Moulton Howe and I was and

303
00:13:59,509 --> 00:13:57,420
said I just wanted to see what you

304
00:14:01,250 --> 00:13:59,519
looked like and that was all she was

305
00:14:02,870 --> 00:14:01,260
doing her own thing and still does her

306
00:14:05,329 --> 00:14:02,880
own thing yeah

307
00:14:06,949 --> 00:14:05,339
not related to my incidents at all and

308
00:14:08,389 --> 00:14:06,959
she wasn't interested

309
00:14:12,050 --> 00:14:08,399
so

310
00:14:14,990 --> 00:14:12,060
nobody was really interested at all

311
00:14:16,069 --> 00:14:15,000
but when I was in the graduated from

312
00:14:18,590 --> 00:14:16,079
Long Beach

313
00:14:22,129 --> 00:14:18,600

I worked at North American

314

00:14:24,530 --> 00:14:22,139

and I worked at Burbank in Lockheed I

315

00:14:27,050 --> 00:14:24,540

worked on the Blackbird

316

00:14:29,269 --> 00:14:27,060

and then from there I went to Motorola

317

00:14:30,769 --> 00:14:29,279

and worked as a scientific computer

318

00:14:33,889 --> 00:14:30,779

specialist

319

00:14:36,710 --> 00:14:33,899

for an analog group ed growth by name

320

00:14:38,389 --> 00:14:36,720

this is kind of interesting too

321

00:14:41,329 --> 00:14:38,399

Ed said

322

00:14:46,430 --> 00:14:41,339

that the electronic people had told him

323

00:14:48,829 --> 00:14:46,440

that they had made 120 to 150 year jump

324

00:14:50,210 --> 00:14:48,839

I said how and he said by backward

325

00:14:52,850 --> 00:14:50,220

engineering

326

00:14:54,590 --> 00:14:52,860

a foreign object I said Russian he said

327

00:14:56,389 --> 00:14:54,600

he didn't know where it came from but it

328

00:14:59,269 --> 00:14:56,399

was backward engineered about a week

329

00:15:01,310 --> 00:14:59,279

later an electrical engineer told me

330

00:15:04,970 --> 00:15:01,320

that the guys who were doing the

331

00:15:10,550 --> 00:15:07,370

had said that what they were backward

332

00:15:14,210 --> 00:15:10,560

engineering was a computer and this

333

00:15:18,829 --> 00:15:14,220

computer carried 30 digits of accuracy

334

00:15:24,170 --> 00:15:21,170

only terrestrial

335

00:15:27,889 --> 00:15:24,180

only Interstellar you don't need it on

336

00:15:33,230 --> 00:15:30,530

from there I went back to Collins radio

337

00:15:35,030 --> 00:15:33,240

and from Collins radio I went to Houston

338

00:15:37,430 --> 00:15:35,040

working for our

339

00:15:39,050 --> 00:15:37,440

lockheed's missile in space I worked on

340

00:15:41,410 --> 00:15:39,060

the trainers and while I was there at

341

00:15:45,769 --> 00:15:41,420

the trainers it was very interesting

342

00:15:48,170 --> 00:15:45,779

because another incident took place

343

00:15:50,210 --> 00:15:48,180

Wally sharara worked in the same office

344

00:15:52,790 --> 00:15:50,220

that I did only he had a view of the

345

00:15:58,189 --> 00:15:52,800

outside I work in an inside cubicle it

346

00:16:01,970 --> 00:16:00,410

the astronauts and this is hearsay

347

00:16:04,129 --> 00:16:01,980

because I was not there but I was told

348

00:16:05,210 --> 00:16:04,139

by somebody that did the astronauts were

349

00:16:07,370 --> 00:16:05,220

told

350

00:16:08,509 --> 00:16:07,380

that they should not talk about any

351
00:16:11,930 --> 00:16:08,519
kitchen

352
00:16:14,509 --> 00:16:11,940
items flying like pancakes

353
00:16:18,590 --> 00:16:14,519
dishes or cups

354
00:16:23,629 --> 00:16:21,530
do you understand what I mean he said

355
00:16:27,769 --> 00:16:23,639
you're not to talk about this among

356
00:16:31,790 --> 00:16:27,779
yourselves your wives your family or

357
00:16:33,290 --> 00:16:31,800
anyone by radio or on the radio

358
00:16:37,550 --> 00:16:33,300
oh yeah

359
00:16:40,069 --> 00:16:37,560
okay Wally Sarah is up in space

360
00:16:43,430 --> 00:16:40,079
circling the earth

361
00:16:47,389 --> 00:16:43,440
and he says Houston

362
00:16:51,829 --> 00:16:49,910
the boys went around the Moon came back

363
00:16:54,590 --> 00:16:51,839

out from The Far Side

364

00:17:00,230 --> 00:16:54,600

and another astronaut said there is a

365

00:17:05,569 --> 00:17:02,749

now how big he was I never figured out

366

00:17:07,610 --> 00:17:05,579

until I heard at

367

00:17:12,049 --> 00:17:07,620

Laughlin this year

368

00:17:14,750 --> 00:17:12,059

that two Navy men had seen a craft come

369

00:17:17,390 --> 00:17:14,760

out of the water about a mile a mile and

370

00:17:19,309 --> 00:17:17,400

a half away from them that was three to

371

00:17:20,569 --> 00:17:19,319

five times the size of an aircraft

372

00:17:22,669 --> 00:17:20,579

carrier

373

00:17:25,549 --> 00:17:22,679

that's big

374

00:17:27,770 --> 00:17:25,559

it carries about 10 000 people

375

00:17:29,690 --> 00:17:27,780

the question is whether it's ours or

376

00:17:31,010 --> 00:17:29,700

theirs

377

00:17:33,650 --> 00:17:31,020

okay

378

00:17:34,730 --> 00:17:33,660

now the verification of my story at

379

00:17:37,370 --> 00:17:34,740

Holloman

380

00:17:42,409 --> 00:17:37,380

was done by Art Campbell

381

00:17:45,049 --> 00:17:42,419

and art has recorded information of a

382

00:17:47,090 --> 00:17:45,059

woman whose father

383

00:17:49,310 --> 00:17:47,100

became

384

00:17:51,409 --> 00:17:49,320

a fireman so

385

00:17:54,890 --> 00:17:51,419

if you want all right

386

00:17:56,810 --> 00:17:54,900

yeah we will put on the electrician's

387

00:17:58,610 --> 00:17:56,820

daughter please

388

00:18:00,289 --> 00:17:58,620

uh this lady

389

00:18:04,570 --> 00:18:00,299

contacted me as a result of an article

390

00:18:09,010 --> 00:18:06,409

speaking now

391

00:18:11,810 --> 00:18:09,020

Oh Billy yeah that's yeah

392

00:18:16,010 --> 00:18:11,820

going to her personal memorabilia prior

393

00:18:22,070 --> 00:18:19,250

and he loved to climb his polls there he

394

00:18:23,930 --> 00:18:22,080

is with his friend Jim and that he was

395

00:18:26,270 --> 00:18:23,940

practicing going up and down

396

00:18:29,090 --> 00:18:26,280

and it there he is we're again working

397

00:18:31,130 --> 00:18:29,100

working at the cleaning the weapons and

398

00:18:35,029 --> 00:18:31,140

getting message pickup

399

00:18:39,230 --> 00:18:35,039

and oh here here's some of his Nebraska

400

00:18:40,730 --> 00:18:39,240

fan memorabilia that he loved so much

401
00:18:42,950 --> 00:18:40,740
and he had

402
00:18:44,870 --> 00:18:42,960
he had this with him whatever he had a

403
00:18:47,510 --> 00:18:44,880
few plane crashes and he always had this

404
00:18:50,870 --> 00:18:47,520
picture with him he was he was

405
00:18:55,310 --> 00:18:50,880
very fond of of his religion

406
00:18:57,970 --> 00:18:55,320
and this is a current events uh

407
00:19:02,870 --> 00:19:00,289
School newspaper that we used to get

408
00:19:05,750 --> 00:19:02,880
every every week this was from in the

409
00:19:08,150 --> 00:19:05,760
week of February to March 2nd of 1956

410
00:19:10,610 --> 00:19:08,160
and it was showing these Air Force

411
00:19:12,289 --> 00:19:10,620
balloons that were going up it was every

412
00:19:14,930 --> 00:19:12,299
other day in hollerman we we used to

413
00:19:16,610 --> 00:19:14,940

just run around and and and we didn't we

414

00:19:17,990 --> 00:19:16,620

didn't know that there was anything

415

00:19:20,210 --> 00:19:18,000

exciting to know about it we just

416

00:19:22,250 --> 00:19:20,220

thought it was very normal oh and here's

417

00:19:26,210 --> 00:19:22,260

some pictures my Dad loved also to do

418

00:19:30,190 --> 00:19:26,220

photography and here is uh this is Dad

419

00:19:33,890 --> 00:19:30,200

at uh it was with Nixon and Agnew in in

420

00:19:37,310 --> 00:19:33,900

1972 And this is in Omaha when Nixon

421

00:19:40,430 --> 00:19:37,320

wasn't here in Omaha in 1970 and he got

422

00:19:42,049 --> 00:19:40,440

invited to the inaugural ball and he

423

00:19:44,450 --> 00:19:42,059

didn't have his Flash and he was so

424

00:19:46,850 --> 00:19:44,460

upset but there is his own picture and

425

00:19:50,390 --> 00:19:46,860

he was he was quite involved with the

426

00:19:53,630 --> 00:19:50,400

with the with the party he he uh he he

427

00:19:55,490 --> 00:19:53,640

used to fly the Republicans locally when

428

00:19:58,190 --> 00:19:55,500

he moved here in the late 60s he flew

429

00:20:01,010 --> 00:19:58,200

the party members to meetings oh or

430

00:20:03,590 --> 00:20:01,020

Southeast Nebraska and then when they

431

00:20:05,990 --> 00:20:03,600

when when Nixon came he he flew the

432

00:20:08,570 --> 00:20:06,000

Republican National Committee members in

433

00:20:10,250 --> 00:20:08,580

1970 when they were stumping for Nixon

434

00:20:12,710 --> 00:20:10,260

and

435

00:20:15,590 --> 00:20:12,720

he uh he suggested that they talk about

436

00:20:16,909 --> 00:20:15,600

the Nebraska football because the you

437

00:20:19,490 --> 00:20:16,919

know everybody was they played in the

438

00:20:23,990 --> 00:20:19,500

Orange Bowl in in 69 for the national

439

00:20:26,330 --> 00:20:24,000

championship and so uh Nixon started his

440

00:20:28,970 --> 00:20:26,340

speech in Omaha Omaha with dad's idea

441

00:20:31,789 --> 00:20:28,980

about about bringing up football and he

442

00:20:33,169 --> 00:20:31,799

also played in Tarkio uh because he was

443

00:20:35,150 --> 00:20:33,179

a stocky person he loved his football

444

00:20:37,190 --> 00:20:35,160

but anyway there's some other things

445

00:20:39,110 --> 00:20:37,200

here uh so I've got the some letters

446

00:20:41,930 --> 00:20:39,120

right here I'm sure I'll find that one

447

00:20:46,250 --> 00:20:41,940

yeah here's the one that

448

00:20:49,250 --> 00:20:46,260

uh that Mom and Dad wrote

449

00:20:53,570 --> 00:20:49,260

okay that's uh Auburn Nebraska October

450

00:20:55,490 --> 00:20:53,580

26 1989. dear kids it's beautiful fall

451
00:20:57,950 --> 00:20:55,500
here with the usual pumpkins up and down

452
00:20:59,810 --> 00:20:57,960
the main drag kids are getting excited

453
00:21:02,270 --> 00:20:59,820
your your father and I are doing well

454
00:21:04,730 --> 00:21:02,280
heard from Helen she said the grandchild

455
00:21:07,430 --> 00:21:04,740
came on time and all those sharing was

456
00:21:09,350 --> 00:21:07,440
in labor well I you don't need to talk

457
00:21:11,029 --> 00:21:09,360
dad has just come from the kitchen with

458
00:21:12,650 --> 00:21:11,039
a cup of coffee and he says he doesn't

459
00:21:15,169 --> 00:21:12,660
mind telling the fireman story again

460
00:21:16,370 --> 00:21:15,179
that you kids know it better after all

461
00:21:18,710 --> 00:21:16,380
these years

462
00:21:21,409 --> 00:21:18,720
but he'll recall what he can

463
00:21:24,169 --> 00:21:21,419

all right this is the part

464

00:21:25,909 --> 00:21:24,179

well you kids and Mom moved down from

465

00:21:29,390 --> 00:21:25,919

Albuquerque I think it was in the summer

466

00:21:31,789 --> 00:21:29,400

of 1954. as you recall I had taken the

467

00:21:33,590 --> 00:21:31,799

hollerman job that previous winter and

468

00:21:35,510 --> 00:21:33,600

mom wanted us all together so we rented

469

00:21:38,930 --> 00:21:35,520

a place over near Dudley Elementary

470

00:21:41,390 --> 00:21:38,940

School on Maryland wasn't it remember

471

00:21:42,950 --> 00:21:41,400

you kids could walk to school you were

472

00:21:45,350 --> 00:21:42,960

you were in the fourth grade and Billy

473

00:21:48,830 --> 00:21:45,360

was in first or second

474

00:21:50,270 --> 00:21:48,840

anyhow sometime after Christmas of 55 we

475

00:21:51,110 --> 00:21:50,280

were told President Eisenhower was

476
00:21:53,510 --> 00:21:51,120
coming

477
00:21:56,630 --> 00:21:53,520
so George our boss then at the electric

478
00:21:58,730 --> 00:21:56,640
shop went to a meeting to find out more

479
00:22:01,490 --> 00:21:58,740
he would not be inspecting anything and

480
00:22:04,070 --> 00:22:01,500
they said just carry on as usual if you

481
00:22:06,409 --> 00:22:04,080
see the president don't Gog wave or

482
00:22:08,210 --> 00:22:06,419
anything just carry on

483
00:22:10,490 --> 00:22:08,220
so the day the president came we went

484
00:22:12,830 --> 00:22:10,500
out in the truck to a job where we were

485
00:22:16,250 --> 00:22:12,840
replacing some wire down the flight line

486
00:22:17,870 --> 00:22:16,260
it was really old stuff but it put there

487
00:22:20,390 --> 00:22:17,880
in World War II

488
00:22:21,590 --> 00:22:20,400

and it's safe so we heard the

489

00:22:23,870 --> 00:22:21,600

president's playing in the morning

490

00:22:26,210 --> 00:22:23,880

lining up for an approach and watched it

491

00:22:28,310 --> 00:22:26,220

land on the far Runway

492

00:22:30,409 --> 00:22:28,320

so we waited for it to taxi over to the

493

00:22:32,870 --> 00:22:30,419

flight line so we could see him

494

00:22:35,149 --> 00:22:32,880

but we didn't hear it anymore and it had

495

00:22:37,190 --> 00:22:35,159

shut down somewhere out there

496

00:22:38,750 --> 00:22:37,200

so we went ahead and pulled wire for a

497

00:22:41,990 --> 00:22:38,760

while and one of the men I I believe it

498

00:22:44,450 --> 00:22:42,000

was Charlie said he can see out there

499

00:22:46,070 --> 00:22:44,460

from that pole over there so why don't

500

00:22:47,870 --> 00:22:46,080

one of us go up the pole and see where

501
00:22:50,090 --> 00:22:47,880
the plane is

502
00:22:51,830 --> 00:22:50,100
well I had my clamp Climbers on and I

503
00:22:53,990 --> 00:22:51,840
started to unbuckle them and was waiting

504
00:22:55,970 --> 00:22:54,000
to give them to the first volunteer

505
00:22:57,710 --> 00:22:55,980
when someone said I should do it as

506
00:22:59,330 --> 00:22:57,720
people were used to seeing me up on the

507
00:23:01,669 --> 00:22:59,340
polls anyway

508
00:23:04,549 --> 00:23:01,679
so I started up with my back to the Sun

509
00:23:06,470 --> 00:23:04,559
a safety measure which also put my back

510
00:23:07,310 --> 00:23:06,480
to the runway where we thought as Connie

511
00:23:11,450 --> 00:23:07,320
was

512
00:23:13,549 --> 00:23:11,460
constellation the president flew

513
00:23:16,970 --> 00:23:13,559

as I started up some of the guys remind

514

00:23:18,529 --> 00:23:16,980

me not to gawk and I heard them laugh

515

00:23:21,169 --> 00:23:18,539

a few minutes later I heard some

516

00:23:24,049 --> 00:23:21,179

shouting and some guys tarring a hanger

517

00:23:26,630 --> 00:23:24,059

roof nearby started to run pointing out

518

00:23:28,669 --> 00:23:26,640

to the runways then I heard our truck

519

00:23:31,970 --> 00:23:28,679

start up and some of the crew jumped in

520

00:23:33,529 --> 00:23:31,980

with one or two running after it

521

00:23:35,390 --> 00:23:33,539

and they're pointing out to the flight

522

00:23:37,789 --> 00:23:35,400

line and so I decided to turn around on

523

00:23:39,110 --> 00:23:37,799

the pole to see what the roughness was

524

00:23:41,810 --> 00:23:39,120

about and

525

00:23:44,390 --> 00:23:41,820

I could not believe what I saw there was

526
00:23:46,789 --> 00:23:44,400
this pie tin like thing coming at me

527
00:23:49,310 --> 00:23:46,799
about 150 feet away

528
00:23:53,570 --> 00:23:49,320
I thought it was remote controlled or or

529
00:23:55,970 --> 00:23:53,580
something 25 to 30 feet across and I

530
00:23:56,750 --> 00:23:55,980
started down the pole as fast as I could

531
00:23:59,649 --> 00:23:56,760
go

532
00:24:03,649 --> 00:23:59,659
I was up about 40 feet and I threw my

533
00:24:05,450 --> 00:24:03,659
climbing rope out gave it slack and only

534
00:24:08,570 --> 00:24:05,460
touched the spike on each side of the

535
00:24:10,549 --> 00:24:08,580
pole three or four times on each side in

536
00:24:12,409 --> 00:24:10,559
before I got to the bottom

537
00:24:14,930 --> 00:24:12,419
while I was running towards the big

538
00:24:17,270 --> 00:24:14,940

Hangar I looked back and it had stopped

539

00:24:19,370 --> 00:24:17,280

and was just sitting there

540

00:24:21,710 --> 00:24:19,380

well when we all got back to the shop

541

00:24:24,289 --> 00:24:21,720

and we had a good lap one of the guys

542

00:24:26,750 --> 00:24:24,299

who saw me come down said he got down

543

00:24:28,850 --> 00:24:26,760

that pole faster than a fireman

544

00:24:31,610 --> 00:24:28,860

so as you kids were growing up and we

545

00:24:33,890 --> 00:24:31,620

had the family gatherings you used to

546

00:24:35,210 --> 00:24:33,900

ask to tell me about the time I became a

547

00:24:37,070 --> 00:24:35,220

fireman

548

00:24:39,110 --> 00:24:37,080

you know

549

00:24:41,330 --> 00:24:39,120

I always wondered why we did not use

550

00:24:42,049 --> 00:24:41,340

that thing during Vietnam and sore for

551
00:24:44,149 --> 00:24:42,059
it

552
00:24:46,549 --> 00:24:44,159
and over the years I realized if we had

553
00:24:48,110 --> 00:24:46,559
technology like that it would have saved

554
00:24:50,149 --> 00:24:48,120
lots of lives

555
00:24:51,950 --> 00:24:50,159
but I gradually realized that it had

556
00:24:53,450 --> 00:24:51,960
something to do with Ike being there

557
00:24:56,810 --> 00:24:53,460
that day

558
00:24:58,610 --> 00:24:56,820
and it wasn't ours it was an Unwritten

559
00:25:01,669 --> 00:24:58,620
rule at Holloman you didn't talk about

560
00:25:04,370 --> 00:25:01,679
what you saw and after that day it was

561
00:25:06,350 --> 00:25:04,380
seldom mentioned at the shop

562
00:25:07,669 --> 00:25:06,360
I still have those climbers here

563
00:25:10,070 --> 00:25:07,679

someplace

564

00:25:12,470 --> 00:25:10,080

Billy used to play with them

565

00:25:14,690 --> 00:25:12,480

you remember

566

00:25:16,610 --> 00:25:14,700

mom here again well Dad's wandered

567

00:25:18,110 --> 00:25:16,620

outside someplace he said something

568

00:25:19,970 --> 00:25:18,120

about checking the pump it's been

569

00:25:22,010 --> 00:25:19,980

sluggish lately dad thinks the motor is

570

00:25:23,930 --> 00:25:22,020

old and needs rewinding

571

00:25:25,430 --> 00:25:23,940

he spends several hours a week up at

572

00:25:27,950 --> 00:25:25,440

Harold's helping out with mechanical

573

00:25:30,289 --> 00:25:27,960

electrical stuff for farm equipment

574

00:25:31,730 --> 00:25:30,299

Dr furnash says it's okay for Dad to

575

00:25:33,049 --> 00:25:31,740

drive a little around town but to keep

576

00:25:35,390 --> 00:25:33,059

an eye on him

577

00:25:37,010 --> 00:25:35,400

he thinks dad has had a mini stroke or

578

00:25:39,289 --> 00:25:37,020

two but should not do any highway

579

00:25:42,169 --> 00:25:39,299

driving at night

580

00:25:44,269 --> 00:25:42,179

he drags his left foot a little but gets

581

00:25:47,510 --> 00:25:44,279

out to the golf course in good weather

582

00:25:49,130 --> 00:25:47,520

but he has to use a cart now

583

00:25:50,390 --> 00:25:49,140

we're looking forward to seeing all you

584

00:25:53,029 --> 00:25:50,400

at Christmas

585

00:25:55,190 --> 00:25:53,039

say hi to Bob and Warren for us and hug

586

00:25:57,409 --> 00:25:55,200

the twins

587

00:26:09,470 --> 00:25:57,419

Oliver I love

588

00:26:13,850 --> 00:26:11,630

all right now I got together over three

589

00:26:16,850 --> 00:26:13,860

years ago

590

00:26:19,190 --> 00:26:16,860

Art's going to tell you how he gave him

591

00:26:20,090 --> 00:26:19,200

got in contact with me and there's

592

00:26:22,190 --> 00:26:20,100

another

593

00:26:25,789 --> 00:26:22,200

little vignette

594

00:26:28,370 --> 00:26:25,799

from somebody else that was at Holland

595

00:26:30,710 --> 00:26:28,380

here's our

596

00:26:32,690 --> 00:26:30,720

first I want to tell you about the lady

597

00:26:34,850 --> 00:26:32,700

from uh

598

00:26:36,409 --> 00:26:34,860

nihama County I believe uh Southern

599

00:26:39,649 --> 00:26:36,419

Nebraska

600

00:26:40,789 --> 00:26:39,659

uh she said this is the second time she

601
00:26:42,169 --> 00:26:40,799
wrote the letter

602
00:26:43,730 --> 00:26:42,179
she read the letter

603
00:26:45,649 --> 00:26:43,740
first time she broke down in the middle

604
00:26:47,510 --> 00:26:45,659
of it her father died and two months

605
00:26:49,549 --> 00:26:47,520
after the letter was written you see the

606
00:26:52,610 --> 00:26:49,559
last letter

607
00:26:54,049 --> 00:26:52,620
and uh she said I gotta make myself over

608
00:26:55,549 --> 00:26:54,059
and be back down in a couple minutes she

609
00:26:57,169 --> 00:26:55,559
came down wearing a wig

610
00:26:58,730 --> 00:26:57,179
she had a beautiful salt and pepper hair

611
00:27:01,669 --> 00:26:58,740
but anyhow we went ahead and filmed it

612
00:27:03,590 --> 00:27:01,679
again Bill didn't mention the fact that

613
00:27:05,510 --> 00:27:03,600

I think he mentioned it when

614

00:27:08,630 --> 00:27:05,520

Eisenhower's plane landed it's huge

615

00:27:10,130 --> 00:27:08,640

plane you couldn't uh it's it sits 10

616

00:27:11,870 --> 00:27:10,140

feet off of the tarmac you just have the

617

00:27:13,190 --> 00:27:11,880

ladder to get in and out of it

618

00:27:15,769 --> 00:27:13,200

and uh

619

00:27:17,269 --> 00:27:15,779

uh the plane usually was down on the end

620

00:27:20,090 --> 00:27:17,279

of the runway and tackies back around to

621

00:27:22,909 --> 00:27:20,100

the a part of the uh there's an a

622

00:27:25,010 --> 00:27:22,919

section of the runway where the tower is

623

00:27:26,090 --> 00:27:25,020

and then it comes the VIP area where

624

00:27:27,529 --> 00:27:26,100

they were going to have the uh the

625

00:27:29,029 --> 00:27:27,539

parade which by the way was canceled

626

00:27:31,430 --> 00:27:29,039

Bill mentioned

627

00:27:33,230 --> 00:27:31,440

well Eisenhower's plane sat out on the

628

00:27:35,149 --> 00:27:33,240

runway as far as it could be

629

00:27:37,490 --> 00:27:35,159

they closed the runway

630

00:27:40,010 --> 00:27:37,500

the whole day while the president was

631

00:27:43,070 --> 00:27:40,020

there and Bill said he remember seeing

632

00:27:45,110 --> 00:27:43,080

it about 4 45 or 5 in the afternoon

633

00:27:48,470 --> 00:27:45,120

seeing the president's playing fly over

634

00:27:54,289 --> 00:27:48,480

uh over Holloman Air Force Base

635

00:27:56,390 --> 00:27:54,299

so uh we're ready now for a man who flew

636

00:27:59,110 --> 00:27:56,400

into

637

00:28:01,850 --> 00:27:59,120

Holloman Air Force Base

638

00:28:04,490 --> 00:28:01,860

the day before Eisenhower arrived we

639

00:28:06,409 --> 00:28:04,500

believe it was the 10th around the 10th

640

00:28:09,230 --> 00:28:06,419

of February 1955.

641

00:28:11,390 --> 00:28:09,240

was due to go out in the next morning

642

00:28:13,850 --> 00:28:11,400

and they would not let him go and they

643

00:28:16,310 --> 00:28:13,860

held up his plane for a whole day he was

644

00:28:17,510 --> 00:28:16,320

a staff sergeant who was a voter on a

645

00:28:18,890 --> 00:28:17,520

cargo plane

646

00:28:22,010 --> 00:28:18,900

this man

647

00:28:25,370 --> 00:28:22,020

saw I explained land and heard President

648

00:28:28,370 --> 00:28:25,380

Eisenhower speak at Holloman February 10

649

00:28:32,210 --> 00:28:28,380

1955.

650

00:28:36,890 --> 00:28:32,220

okay ready for the uh the Airman police

651
00:28:40,870 --> 00:28:40,010
we've had to use pseudonyms for our

652
00:28:43,430 --> 00:28:40,880
people

653
00:28:47,930 --> 00:28:43,440
in 1950

654
00:28:51,070 --> 00:28:47,940
uh well it was actually 1951.

655
00:28:54,769 --> 00:28:51,080
I was in an airplane accident

656
00:28:57,289 --> 00:28:54,779
and I had another airplane accident

657
00:28:59,149 --> 00:28:57,299
where I split my head open

658
00:29:01,430 --> 00:28:59,159
and uh

659
00:29:05,529 --> 00:29:01,440
it ruined my back

660
00:29:09,230 --> 00:29:05,539
my wife I just lost her first child

661
00:29:11,810 --> 00:29:09,240
gunner in 19 in World War II 43 missions

662
00:29:14,149 --> 00:29:11,820
over Japan no Year dude to go to Korea

663
00:29:17,990 --> 00:29:14,159

but in your condition

664

00:29:21,169 --> 00:29:18,000

if you volunteer for baccalaure Air

665

00:29:24,830 --> 00:29:21,179

Force Base out in Indiana

666

00:29:28,669 --> 00:29:24,840

uh any any other

667

00:29:32,029 --> 00:29:28,679

that's where you go so we were fortunate

668

00:29:36,590 --> 00:29:32,039

we went there and stayed there and my

669

00:29:38,810 --> 00:29:36,600

wife was pregnant with my our sentence

670

00:29:42,409 --> 00:29:38,820

actually the second child

671

00:29:45,889 --> 00:29:42,419

and I since they can't send me overseas

672

00:29:50,389 --> 00:29:45,899

let's just stay in the next year and

673

00:29:55,450 --> 00:29:53,149

while I was out in Indiana

674

00:29:57,970 --> 00:29:55,460

my job was

675

00:30:00,350 --> 00:29:57,980

loading and

676
00:30:02,269 --> 00:30:00,360
delivering a

677
00:30:05,230 --> 00:30:02,279
cargo

678
00:30:08,450 --> 00:30:05,240
we went to Washington

679
00:30:11,690 --> 00:30:08,460
where they opened a new base with cargo

680
00:30:15,830 --> 00:30:13,430
it just kind of

681
00:30:18,350 --> 00:30:15,840
anything they wanted

682
00:30:22,610 --> 00:30:18,360
we would fly it what other bases did you

683
00:30:24,610 --> 00:30:22,620
go to well I went through March

684
00:30:26,990 --> 00:30:24,620
and uh

685
00:30:29,289 --> 00:30:27,000
and Hallman

686
00:30:34,490 --> 00:30:29,299
two or three times

687
00:30:37,669 --> 00:30:34,500
we hauled what we think is slept for the

688
00:30:41,930 --> 00:30:39,649

Dave what do you recall about Holloman

689

00:30:46,789 --> 00:30:41,940

well

690

00:30:51,049 --> 00:30:46,799

we had a haul a load of stuff down there

691

00:30:52,430 --> 00:30:51,059

parts that they needed and the runway is

692

00:30:55,130 --> 00:30:52,440

like this

693

00:30:56,330 --> 00:30:55,140

and I never seen anything like that

694

00:30:57,970 --> 00:30:56,340

before

695

00:31:02,930 --> 00:30:57,980

and

696

00:31:04,610 --> 00:31:02,940

anyway as we were there we saw Air Force

697

00:31:06,289 --> 00:31:04,620

One come in

698

00:31:08,510 --> 00:31:06,299

and uh

699

00:31:11,750 --> 00:31:08,520

we didn't know who it was

700

00:31:13,190 --> 00:31:11,760

and then we come an officer come around

701
00:31:17,149 --> 00:31:13,200
and says

702
00:31:19,490 --> 00:31:17,159
you can't leave and I said slowly the

703
00:31:21,610 --> 00:31:19,500
pilot said we have to leave

704
00:31:23,750 --> 00:31:21,620
and he says well President

705
00:31:27,710 --> 00:31:23,760
Eisenhower is here

706
00:31:29,389 --> 00:31:27,720
and you can't leave the field until he's

707
00:31:32,149 --> 00:31:29,399
gone

708
00:31:35,810 --> 00:31:32,159
and I says

709
00:31:39,710 --> 00:31:35,820
I you can hear what we're loud speakers

710
00:31:42,529 --> 00:31:39,720
but uh uh it didn't do any good you know

711
00:31:44,990 --> 00:31:42,539
I would have liked to have seen him and

712
00:31:48,110 --> 00:31:45,000
this officer

713
00:31:50,810 --> 00:31:48,120

that we didn't have the clearance

714

00:31:54,230 --> 00:31:50,820

that go into the mess hall

715

00:31:56,570 --> 00:31:54,240

and one of the other officers a higher

716

00:31:59,330 --> 00:31:56,580

ranking officer came to Essences would

717

00:32:00,649 --> 00:31:59,340

you like to go in and eat and listen to

718

00:32:03,409 --> 00:32:00,659

a speech

719

00:32:06,649 --> 00:32:03,419

and most of us said yeah

720

00:32:08,690 --> 00:32:06,659

because I'd like to see him I didn't get

721

00:32:16,190 --> 00:32:08,700

to shake his hand or anything

722

00:32:21,470 --> 00:32:18,710

badge clearance

723

00:32:24,529 --> 00:32:21,480

don't go in but they did leave us go in

724

00:32:27,230 --> 00:32:24,539

at the very end and we ate and listened

725

00:32:29,210 --> 00:32:27,240

to a speech what do you think of him I

726

00:32:31,990 --> 00:32:29,220

thought he was great

727

00:32:35,149 --> 00:32:32,000

he had a lot of good ideas

728

00:32:37,909 --> 00:32:35,159

maybe he had some I didn't just I

729

00:32:41,269 --> 00:32:37,919

disagreed with but I don't agree with

730

00:32:43,730 --> 00:32:41,279

everybody anyway you know

731

00:32:45,889 --> 00:32:43,740

Dave you remember what uh what date that

732

00:32:48,409 --> 00:32:45,899

was that you were there

733

00:32:51,169 --> 00:32:48,419

the reason I know you

734

00:32:54,830 --> 00:32:51,179

uh when he was there

735

00:33:00,049 --> 00:32:54,840

and here's what I got discharged he was

736

00:33:02,990 --> 00:33:00,059

there in mid February in 1955. that was

737

00:33:04,430 --> 00:33:03,000

my last trip that I made while I was in

738

00:33:05,810 --> 00:33:04,440

the service

739

00:33:09,470 --> 00:33:05,820

uh

740

00:33:12,289 --> 00:33:09,480

then I I was discharged

741

00:33:16,130 --> 00:33:12,299

and I came back home to the Bay Area

742

00:33:21,529 --> 00:33:19,130

is this does this event with uh

743

00:33:23,210 --> 00:33:21,539

Eisenhower fit into any timeline you

744

00:33:26,509 --> 00:33:23,220

might may have constructed in terms of

745

00:33:28,789 --> 00:33:26,519

uh what came after this if if this was

746

00:33:31,009 --> 00:33:28,799

his first is there some things that came

747

00:33:32,509 --> 00:33:31,019

afterwards that we're aware of that may

748

00:33:35,509 --> 00:33:32,519

or may not be connected

749

00:33:38,630 --> 00:33:35,519

uh it's our understanding at least mine

750

00:33:41,509 --> 00:33:38,640

that the uh the uh extraterrestrials are

751

00:33:43,610 --> 00:33:41,519

very interested in our nuclear uh

752

00:33:45,470 --> 00:33:43,620

progress and they first started showing

753

00:33:47,810 --> 00:33:45,480

up a year or so after we dropped the

754

00:33:49,850 --> 00:33:47,820

nuclear bomb the first one in uh set one

755

00:33:51,289 --> 00:33:49,860

off in uh Alamogordo

756

00:33:54,950 --> 00:33:51,299

and um

757

00:33:58,190 --> 00:33:54,960

I I have a feeling that they may have

758

00:34:00,649 --> 00:33:58,200

been behind uh the early peace talks

759

00:34:01,970 --> 00:34:00,659

Eisenhower went to one in July in Geneva

760

00:34:06,350 --> 00:34:01,980

called Geneva one

761

00:34:09,829 --> 00:34:06,360

uh in July of 1955.

762

00:34:11,750 --> 00:34:09,839

and uh red China was there Russia was

763

00:34:13,129 --> 00:34:11,760

there and by the way the Russians were

764

00:34:15,290 --> 00:34:13,139

changing governments and you know they

765

00:34:18,369 --> 00:34:15,300

were pretty shaky at that time

766

00:34:21,950 --> 00:34:18,379

and uh the

767

00:34:24,290 --> 00:34:21,960

stones appointee uh at the time was

768

00:34:25,849 --> 00:34:24,300

malinkoff had been replaced because he

769

00:34:27,109 --> 00:34:25,859

didn't make The Five-Year Plan it was

770

00:34:28,790 --> 00:34:27,119

one of many

771

00:34:30,889 --> 00:34:28,800

and they were getting ready to replace

772

00:34:33,109 --> 00:34:30,899

him with President by the way who was

773

00:34:35,210 --> 00:34:33,119

kind of a crony of Khrushchev

774

00:34:37,310 --> 00:34:35,220

so we were having a Russian government

775

00:34:40,369 --> 00:34:37,320

change at the same time they were having

776

00:34:42,470 --> 00:34:40,379

the red Chinese Shilling uh Taiwan and

777

00:34:43,970 --> 00:34:42,480

the president goes hunting incredible

778

00:34:46,310 --> 00:34:43,980

incredible

779

00:34:48,050 --> 00:34:46,320

uh but first we know that's the only

780

00:34:50,869 --> 00:34:48,060

aftermath of what may have happened and

781

00:34:52,369 --> 00:34:50,879

I of course had his first heart attack

782

00:34:56,210 --> 00:34:52,379

in um

783

00:34:58,190 --> 00:34:56,220

September in Denver uh that year those

784

00:34:59,510 --> 00:34:58,200

people took an oath not to reveal that

785

00:35:01,609 --> 00:34:59,520

the president was there and what they

786

00:35:03,589 --> 00:35:01,619

had seen okay thank you

787

00:35:06,770 --> 00:35:03,599

this is why when Bill was in a

788

00:35:08,690 --> 00:35:06,780

conversation and Dr Reiner's office he

789

00:35:10,210 --> 00:35:08,700

said the president and that the

790

00:35:12,050 --> 00:35:10,220

lieutenant colonel corrected

791

00:35:13,790 --> 00:35:12,060

commander-in-chief they weren't allowed

792

00:35:15,430 --> 00:35:13,800

to use the word president and Bill said

793

00:35:17,510 --> 00:35:15,440

you mean the president the

794

00:35:19,790 --> 00:35:17,520

commander-in-chief is a president or

795

00:35:21,109 --> 00:35:19,800

whatever he said but in any case they

796

00:35:22,550 --> 00:35:21,119

didn't want to use that word although

797

00:35:24,290 --> 00:35:22,560

they had to acknowledge he was there

798

00:35:25,910 --> 00:35:24,300

everybody knew it everybody at the base

799

00:35:27,770 --> 00:35:25,920

knew he was coming including all the

800

00:35:30,650 --> 00:35:27,780

civilians there's eight or nine thousand

801
00:35:33,230 --> 00:35:30,660
people there about 4 500 enlisted people

802
00:35:35,270 --> 00:35:33,240
in offices and a complete Air Wing is

803
00:35:37,430 --> 00:35:35,280
there also they all knew he was coming

804
00:35:39,410 --> 00:35:37,440
but with their Communications in those

805
00:35:41,150 --> 00:35:39,420
days there was no way that they

806
00:35:43,250 --> 00:35:41,160
communicate that back to Thomasville

807
00:35:45,230 --> 00:35:43,260
Georgia and they really didn't care so

808
00:35:47,510 --> 00:35:45,240
all he had to do was make sure he came

809
00:35:50,030 --> 00:35:47,520
in and out of Thomasville in secret

810
00:35:51,950 --> 00:35:50,040
because he had 30 International press by

811
00:35:53,950 --> 00:35:51,960
the way were cooling their Hills Hills

812
00:35:56,030 --> 00:35:53,960
at the Scott hotel

813
00:35:56,990 --> 00:35:56,040

cleaning out the bar and everything else

814

00:35:59,810 --> 00:35:57,000

they could

815

00:36:01,910 --> 00:35:59,820

and uh

816

00:36:03,410 --> 00:36:01,920

press secretary Haggard came in and gave

817

00:36:05,750 --> 00:36:03,420

him daily briefings

818

00:36:08,690 --> 00:36:05,760

about the world situation in in the Far

819

00:36:10,910 --> 00:36:08,700

East in the an evacuation of the Tashan

820

00:36:12,290 --> 00:36:10,920

islands and the kamoy Matsu situation

821

00:36:14,810 --> 00:36:12,300

and so forth

822

00:36:16,849 --> 00:36:14,820

uh and they thought Eisenhower was at a

823

00:36:20,210 --> 00:36:16,859

cottage of playing Scrabble and having

824

00:36:26,390 --> 00:36:22,849

excuse me I now know that all of you

825

00:36:29,750 --> 00:36:28,370

good afternoon it's a pleasure to um

826

00:36:31,670 --> 00:36:29,760

speaking to y'all

827

00:36:33,890 --> 00:36:31,680

um speaking the truth I've been studying

828

00:36:37,069 --> 00:36:33,900

this um for like two years now and it's

829

00:36:42,550 --> 00:36:37,079

been documented that um Harry Truman

830

00:36:45,290 --> 00:36:42,560

um had um did a treaty with the Grays

831

00:36:46,970 --> 00:36:45,300

suspectingly and um brought the

832

00:36:48,470 --> 00:36:46,980

Rockefellers in

833

00:36:50,690 --> 00:36:48,480

um you can check this out um through

834

00:36:53,990 --> 00:36:50,700

William Cooper Thomas Costello and Phil

835

00:36:56,089 --> 00:36:54,000

Schneider and when Truman left office he

836

00:36:57,349 --> 00:36:56,099

had passed it down to Eisenhower now the

837

00:37:00,650 --> 00:36:57,359

day that y'all was talking about in

838

00:37:03,290 --> 00:37:00,660

February um 1955. Eisenhower was

839

00:37:05,930 --> 00:37:03,300

scheduled to be in a certain place but

840

00:37:07,970 --> 00:37:05,940

is documented that he had a toothache on

841

00:37:10,069 --> 00:37:07,980

the exact date and it was supposedly

842

00:37:13,010 --> 00:37:10,079

said to here went to Holloman Air Force

843

00:37:14,569 --> 00:37:13,020

Base that he told the um the people the

844

00:37:16,730 --> 00:37:14,579

news meeting that he had a toothache but

845

00:37:18,890 --> 00:37:16,740

he went to Holloman Air Force Base to

846

00:37:21,349 --> 00:37:18,900

have this meeting with the um with the

847

00:37:24,770 --> 00:37:21,359

gray you're mistaken in two areas one

848

00:37:28,430 --> 00:37:24,780

two take took place in 1954 at Edwards

849

00:37:31,190 --> 00:37:28,440

Air Force Base he never went to

850

00:37:33,530 --> 00:37:31,200

the doctor that's been substantiated by

851
00:37:37,910 --> 00:37:33,540
several people right and this Holloman

852
00:37:40,730 --> 00:37:37,920
instance took place in 1955. okay

853
00:37:42,950 --> 00:37:40,740
and um the question was about the treaty

854
00:37:45,530 --> 00:37:42,960
that was supposed to been um

855
00:37:47,690 --> 00:37:45,540
I don't know anything about a treaty but

856
00:37:49,430 --> 00:37:47,700
our military was so

857
00:37:51,829 --> 00:37:49,440
afraid

858
00:37:55,970 --> 00:37:51,839
of the

859
00:37:58,970 --> 00:37:55,980
of what took place in 1938 1938 War of

860
00:38:02,510 --> 00:37:58,980
the Worlds was broadcast as a news as a

861
00:38:05,270 --> 00:38:02,520
radio show as a News Bulletin and

862
00:38:07,550 --> 00:38:05,280
there's only two times in my life when I

863
00:38:10,490 --> 00:38:07,560

was younger that my father interfered

864

00:38:13,370 --> 00:38:10,500

with us listening to the radio one was

865

00:38:15,349 --> 00:38:13,380

in 1938 when that was on War of the

866

00:38:19,370 --> 00:38:15,359

Worlds and the other one was November

867

00:38:20,810 --> 00:38:19,380

December 7th in 1941 when Japan attacked

868

00:38:25,069 --> 00:38:20,820

us

869

00:38:27,470 --> 00:38:25,079

now from that from those points uh the

870

00:38:31,190 --> 00:38:27,480

military was very concerned that the

871

00:38:34,130 --> 00:38:31,200

public would go ballistic

872

00:38:36,530 --> 00:38:34,140

they did go ballistic so did the

873

00:38:39,470 --> 00:38:36,540

military the military has never been

874

00:38:41,450 --> 00:38:39,480

able to stop these UFOs and if you can't

875

00:38:44,210 --> 00:38:41,460

protect the country

876

00:38:45,230 --> 00:38:44,220

what you're doing because that's your

877

00:38:47,569 --> 00:38:45,240

job

878

00:38:48,589 --> 00:38:47,579

how often will you tell the people the

879

00:38:52,370 --> 00:38:48,599

truth

880

00:38:56,089 --> 00:38:52,380

the Germans and the Japanese both lied

881

00:38:58,550 --> 00:38:56,099

to their people when they could not stop

882

00:39:02,510 --> 00:38:58,560

the Allies from bombing him

883

00:39:06,410 --> 00:39:02,520

we are no different than they are

884

00:39:08,930 --> 00:39:06,420

my name is Henry Michael McElroy Jr

885

00:39:11,450 --> 00:39:08,940

a retiring

886

00:39:13,550 --> 00:39:11,460

former state representative from New

887

00:39:15,710 --> 00:39:13,560

Hampshire

888

00:39:17,870 --> 00:39:15,720

thank you for your attention to this

889

00:39:21,710 --> 00:39:17,880

brief message concerning the world's

890

00:39:26,030 --> 00:39:21,720

interaction with both earth-based

891

00:39:28,430 --> 00:39:26,040

and off-world astronauts

892

00:39:31,849 --> 00:39:28,440

the reason I am making this announcement

893

00:39:33,410 --> 00:39:31,859

is in give hopes of encouraging better

894

00:39:37,510 --> 00:39:33,420

perspective

895

00:39:40,069 --> 00:39:37,520

to all who explore the universe

896

00:39:44,329 --> 00:39:40,079

therefore as a result

897

00:39:47,349 --> 00:39:44,339

making a more valuable contribution to

898

00:39:50,510 --> 00:39:47,359

the humanity to humanity for the benefit

899

00:39:52,370 --> 00:39:50,520

of all faiths

900

00:39:55,370 --> 00:39:52,380

all Races

901
00:39:57,470 --> 00:39:55,380
and All Nations

902
00:40:00,349 --> 00:39:57,480
another reason I am here today is

903
00:40:04,250 --> 00:40:00,359
because I believe in the foundational

904
00:40:06,650 --> 00:40:04,260
wisdom of our nation

905
00:40:11,390 --> 00:40:06,660
which was laid down by our founding

906
00:40:13,790 --> 00:40:11,400
fathers and because we not know that

907
00:40:17,329 --> 00:40:13,800
highly Advanced knowledge

908
00:40:21,109 --> 00:40:17,339
and information can assist human beings

909
00:40:25,130 --> 00:40:21,119
in solving various problems both in

910
00:40:26,810 --> 00:40:25,140
current times and in our future

911
00:40:29,150 --> 00:40:26,820
when I was in the New Hampshire State

912
00:40:32,270 --> 00:40:29,160
Legislature I served on the state

913
00:40:34,790 --> 00:40:32,280

federal relations and Veterans Affairs

914

00:40:39,970 --> 00:40:37,970

it was apparently important that as a

915

00:40:42,770 --> 00:40:39,980

representative of the Sovereign people

916

00:40:46,250 --> 00:40:42,780

who had elected me to this honorable

917

00:40:49,910 --> 00:40:46,260

office that I be updated on a large

918

00:40:54,170 --> 00:40:49,920

number of topics related to the Affairs

919

00:40:56,210 --> 00:40:54,180

of our people and our nation

920

00:40:59,270 --> 00:40:56,220

As I understood it

921

00:41:00,890 --> 00:40:59,280

some of those ongoing topics had been

922

00:41:05,390 --> 00:41:00,900

examined

923

00:41:09,290 --> 00:41:05,400

and categorized as federal state local

924

00:41:11,750 --> 00:41:09,300

development and security matters

925

00:41:16,370 --> 00:41:11,760

these documents related to various

926
00:41:18,950 --> 00:41:16,380
topics some of which spanned Decades of

927
00:41:21,890 --> 00:41:18,960
our nation's history

928
00:41:26,390 --> 00:41:21,900
one of those recurring topics is the

929
00:41:29,930 --> 00:41:26,400
reason I am addressing you this evening

930
00:41:33,349 --> 00:41:29,940
I would like to submit to our nation

931
00:41:37,370 --> 00:41:33,359
my personal testimony of one document

932
00:41:40,130 --> 00:41:37,380
related to one of these ongoing topics

933
00:41:43,250 --> 00:41:40,140
which I saw while in office

934
00:41:46,609 --> 00:41:43,260
serving on the state federal relations

935
00:41:48,470 --> 00:41:46,619
and Veterans Affairs committee

936
00:41:51,170 --> 00:41:48,480
the document I saw

937
00:41:53,510 --> 00:41:51,180
was an official brief to President

938
00:41:55,849 --> 00:41:53,520

Eisenhower

939

00:41:59,690 --> 00:41:55,859

to the best of my memory

940

00:42:01,250 --> 00:41:59,700

this brief was pervaded with a sense of

941

00:42:05,089 --> 00:42:01,260

hope

942

00:42:07,130 --> 00:42:05,099

and it informed President Eisenhower of

943

00:42:10,970 --> 00:42:07,140

the continued presence

944

00:42:13,910 --> 00:42:10,980

of extraterrestrial beings here in the

945

00:42:16,550 --> 00:42:13,920

United States of America

946

00:42:19,250 --> 00:42:16,560

the briefs seem to indicate that a

947

00:42:22,609 --> 00:42:19,260

meeting between the president and some

948

00:42:24,710 --> 00:42:22,619

of these visitors could be arranged

949

00:42:27,890 --> 00:42:24,720

as appropriate

950

00:42:30,470 --> 00:42:27,900

if desired

951
00:42:34,609 --> 00:42:30,480
the tone of the brief indicated to me

952
00:42:37,910 --> 00:42:34,619
that there was no need for concern

953
00:42:40,910 --> 00:42:37,920
since these visitors were in no way

954
00:42:44,569 --> 00:42:40,920
causing any harm

955
00:42:49,310 --> 00:42:44,579
or had any intention whatsoever

956
00:42:52,190 --> 00:42:49,320
of causing any disruption then

957
00:42:56,210 --> 00:42:52,200
or in the future

958
00:42:59,270 --> 00:42:56,220
while I can't verify the times or places

959
00:43:01,670 --> 00:42:59,280
or that any meeting or meetings occurred

960
00:43:04,670 --> 00:43:01,680
directly between Eisenhower and these

961
00:43:10,910 --> 00:43:08,030
because of his optimism in his farewell

962
00:43:16,089 --> 00:43:10,920
address in 1961

963
00:43:19,569 --> 00:43:16,099

I personally believe that Eisenhower did

964

00:43:23,089 --> 00:43:19,579

indeed meet with these extraterrestrial

965

00:43:27,170 --> 00:43:23,099

off-world astronauts

966

00:43:30,710 --> 00:43:27,180

I hope my personal testimony will Aid

967

00:43:32,270 --> 00:43:30,720

the nation in its quest for continued

968

00:43:35,450 --> 00:43:32,280

enlightenment

969

00:43:38,690 --> 00:43:35,460

I am honored to follow in the footsteps

970

00:43:40,089 --> 00:43:38,700

of those who have come forward with

971

00:43:43,130 --> 00:43:40,099

their personal

972

00:43:45,890 --> 00:43:43,140

testimonies those who deserve the

973

00:43:49,250 --> 00:43:45,900

admiration of the American people

974

00:43:50,870 --> 00:43:49,260

for sharing their accounts

975

00:43:54,710 --> 00:43:50,880

publicly

976
00:43:58,609 --> 00:43:54,720
in an effort to elevate our knowledge

977
00:44:01,309 --> 00:43:58,619
to a higher understanding of our

978
00:44:04,069 --> 00:44:01,319
existence

979
00:44:05,990 --> 00:44:04,079
people such as former Astronaut John

980
00:44:08,450 --> 00:44:06,000
Glenn

981
00:44:10,730 --> 00:44:08,460
Edgar Mitchell

982
00:44:15,230 --> 00:44:10,740
Gordon Cooper

983
00:44:18,170 --> 00:44:15,240
and Buzz Aldrin just to name a few

984
00:44:20,750 --> 00:44:18,180
former presidents Ronald Reagan and

985
00:44:23,270 --> 00:44:20,760
Jimmy Carter

986
00:44:25,370 --> 00:44:23,280
Captain bill you House of the United

987
00:44:27,829 --> 00:44:25,380
States Marine Corps

988
00:44:30,470 --> 00:44:27,839

Lieutenant Colonel John Williams of the

989

00:44:34,190 --> 00:44:30,480

United States Air Force

990

00:44:36,290 --> 00:44:34,200

Colonel Philip Corso senior of the

991

New Zealand

1009
00:45:24,710 --> 00:45:22,680
and our neighbor to the north Canada

1010
00:45:26,930 --> 00:45:24,720
Uruguay

1011
00:45:30,470 --> 00:45:26,940
and Australia

or also opening their files to the

1013
00:45:36,589 --> 00:45:32,760

citizens of their countries

1014

00:45:39,950 --> 00:45:36,599

and allowing them access to information

1015

00:45:42,770 --> 00:45:39,960

that is so very important to the

1016

00:45:44,990 --> 00:45:42,780

evolution of humanity

1017

00:45:48,470 --> 00:45:45,000

I thank you for allowing me this

1018

00:45:49,970 --> 00:45:48,480

opportunity to have a small part in

1019

00:45:52,970 --> 00:45:49,980

doing the same

1020

00:45:56,329 --> 00:45:52,980

by sharing the information I have given

1021

00:46:00,770 --> 00:45:58,609

thank you very much and I'd like to

1022

00:46:03,109 --> 00:46:00,780

thank our Communications crew for

1023

00:46:06,109 --> 00:46:03,119

helping us make this happen today

1024

00:46:08,630 --> 00:46:06,119

and I'd also like to authorize

1025

00:46:10,370 --> 00:46:08,640

distribution of this video

1026

00:46:12,230 --> 00:46:10,380

for anyone

1027

00:46:13,550 --> 00:46:12,240

who wants to use it for educational
