

1
00:00:06,349 --> 00:00:04,130
my name is Beverly bean and I was

2
00:00:09,530 --> 00:00:06,359
married 18 years

3
00:00:12,350 --> 00:00:09,540
and now divorced I've got four children

4
00:00:14,030 --> 00:00:12,360
two lovely girls two lovely boys

5
00:00:18,290 --> 00:00:14,040
when were you born

6
00:00:20,029 --> 00:00:18,300
third of May 1958 38. where were you

7
00:00:22,970 --> 00:00:20,039
born I was born in hammondstead actually

8
00:00:24,769 --> 00:00:22,980
so we lived in Hamilton all the time

9
00:00:26,990 --> 00:00:24,779
um in and out of Hemel Hempstead just

10
00:00:28,189 --> 00:00:27,000
out of um just out of the way a little

11
00:00:31,310 --> 00:00:28,199
bit you know

12
00:00:32,990 --> 00:00:31,320
my dad was in the American Air Force and

13
00:00:35,209 --> 00:00:33,000

he didn't have like a council house or

14

00:00:37,729 --> 00:00:35,219

anything so we had like private houses

15

00:00:39,229 --> 00:00:37,739

you know so we moved quite a bit do you

16

00:00:40,970 --> 00:00:39,239

have any brothers and sisters yeah I've

17

00:00:43,549 --> 00:00:40,980

got two sisters one older one younger

18

00:00:45,830 --> 00:00:43,559

Harriet and Kathleen that's your father

19

00:00:49,670 --> 00:00:45,840

and your mother alive my mum's alive my

20

00:00:51,170 --> 00:00:49,680

dad died in February 1986. right

21

00:00:56,209 --> 00:00:51,180

you've got quite an extraordinary story

22

00:01:00,229 --> 00:00:58,910

everybody else is extraordinary

23

00:01:02,869 --> 00:01:00,239

yeah the way it came about is more

24

00:01:05,149 --> 00:01:02,879

extraordinary to me not not the actual

25

00:01:06,710 --> 00:01:05,159

story because I have to believe it my

26

00:01:09,170 --> 00:01:06,720

dad was such a very truthful man that

27

00:01:11,870 --> 00:01:09,180

you know and when we were kids

28

00:01:13,250 --> 00:01:11,880

he would reward us rather than punish us

29

00:01:14,870 --> 00:01:13,260

for telling the truth if we'd done

30

00:01:16,250 --> 00:01:14,880

something bad you know we'd go to him so

31

00:01:17,750 --> 00:01:16,260

straight away look dad we've done this

32

00:01:19,130 --> 00:01:17,760

and he'd pass on the back saying good

33

00:01:21,410 --> 00:01:19,140

for coming to tell me but you shouldn't

34

00:01:23,870 --> 00:01:21,420

have done it you know so he's very

35

00:01:26,090 --> 00:01:23,880

truthful man very um he loved his

36

00:01:27,469 --> 00:01:26,100

country uh the only reason he didn't go

37

00:01:30,170 --> 00:01:27,479

back to his own country is because my

38

00:01:32,870 --> 00:01:30,180

mother was very ill the United States

39

00:01:33,950 --> 00:01:32,880

the United States yeah was uh ill and

40

00:01:35,210 --> 00:01:33,960

she couldn't be away from her family

41

00:01:37,370 --> 00:01:35,220

they had to come back to England and

42

00:01:39,590 --> 00:01:37,380

settle down here so he got transferred

43

00:01:41,090 --> 00:01:39,600

back to England but they did go to

44

00:01:42,710 --> 00:01:41,100

Florida and that's where my oldest

45

00:01:46,010 --> 00:01:42,720

sister was born

46

00:01:47,810 --> 00:01:46,020

what was he in the army he was

47

00:01:49,190 --> 00:01:47,820

he was just like

48

00:01:52,130 --> 00:01:49,200

nothing else

49

00:01:54,410 --> 00:01:52,140

you know I suppose everyone just anyone

50

00:01:56,630 --> 00:01:54,420

who was there was grabbed to go out and

51
00:01:57,649 --> 00:01:56,640
stand guard Duty and muck in sort of

52
00:01:59,389 --> 00:01:57,659
thing

53
00:02:01,249 --> 00:01:59,399
I think the first time I ever heard his

54
00:02:02,109 --> 00:02:01,259
story was the landing on the moon I

55
00:02:05,389 --> 00:02:02,119
think that was

56
00:02:07,130 --> 00:02:05,399
1969 is it 69. it's all right

57
00:02:08,449 --> 00:02:07,140
he made us all sit and watch it yeah and

58
00:02:10,490 --> 00:02:08,459
we were really interesting we were only

59
00:02:13,190 --> 00:02:10,500
little I think I was about it's been

60
00:02:15,050 --> 00:02:13,200
about nine ten something like that and

61
00:02:17,449 --> 00:02:15,060
he made us all sit and watch it and he

62
00:02:20,390 --> 00:02:17,459
told us this story about how when he was

63
00:02:24,589 --> 00:02:20,400

stationed out in the desert in America

64

00:02:26,210 --> 00:02:24,599

he'd seen a crash disk and we never at

65

00:02:28,970 --> 00:02:26,220

that age didn't take much notice I

66

00:02:32,210 --> 00:02:28,980

crashed this yeah he said that well UFO

67

00:02:33,710 --> 00:02:32,220

I suppose and he said that um he didn't

68

00:02:35,390 --> 00:02:33,720

tell us the story in details then when

69

00:02:37,130 --> 00:02:35,400

we were really young but he said that

70

00:02:38,990 --> 00:02:37,140

Daddy's seen one and they're real that

71

00:02:40,910 --> 00:02:39,000

type of thing and as we got older he

72

00:02:43,430 --> 00:02:40,920

told us all the story about half a dozen

73

00:02:45,530 --> 00:02:43,440

times or so no more than about a dozen

74

00:02:46,550 --> 00:02:45,540

I'd say every time I say something

75

00:02:49,430 --> 00:02:46,560

really

76
00:02:50,869 --> 00:02:49,440
sort of I suppose jerked his memory in

77
00:02:52,550 --> 00:02:50,879
the paper or he's seen something on

78
00:02:54,170 --> 00:02:52,560
television he'd tell us this story

79
00:02:55,970 --> 00:02:54,180
always went the same way and my sisters

80
00:02:58,250 --> 00:02:55,980
would tell it the same way as well had

81
00:02:59,750 --> 00:02:58,260
your dad ever talked about UFOs before

82
00:03:02,210 --> 00:02:59,760
69

83
00:03:04,540 --> 00:03:02,220
never never talked about them any other

84
00:03:05,630 --> 00:03:04,550
time apart from when he told this story

85
00:03:06,470 --> 00:03:05,640
[Music]

86
00:03:11,390 --> 00:03:06,480
um

87
00:03:13,729 --> 00:03:11,400
he always told the story the same way he

88
00:03:16,190 --> 00:03:13,739

used to say you know Daddy's Cena a

89

00:03:18,470 --> 00:03:16,200

flying disc it was in the desert he said

90

00:03:19,729 --> 00:03:18,480

all available men were grabbed and they

91

00:03:22,070 --> 00:03:19,739

all had to go into the desert and stand

92

00:03:24,229 --> 00:03:22,080

in the room around this crash disc did

93

00:03:26,990 --> 00:03:24,239

tell one of my uncles that it was at an

94

00:03:29,330 --> 00:03:27,000

angle into the sand yeah buried into the

95

00:03:31,009 --> 00:03:29,340

sand just remember that bit but he

96

00:03:32,210 --> 00:03:31,019

always told us that they were told to

97

00:03:34,490 --> 00:03:32,220

look but not look not to take anything

98

00:03:36,110 --> 00:03:34,500

in well they get into a lot of trouble

99

00:03:39,110 --> 00:03:36,120

and he said and then he had to sit on

100

00:03:40,670 --> 00:03:39,120

the back of a truck and they me and my

101
00:03:42,110 --> 00:03:40,680
sisters can't remember it was they had

102
00:03:43,910 --> 00:03:42,120
dry ice in those days or if it was

103
00:03:44,809 --> 00:03:43,920
ordinary ice but some sort of ice in the

104
00:03:46,789 --> 00:03:44,819
truck

105
00:03:48,589 --> 00:03:46,799
and they couldn't understand why

106
00:03:51,170 --> 00:03:48,599
him and another guy had to sit in the

107
00:03:53,089 --> 00:03:51,180
truck with guns

108
00:03:55,369 --> 00:03:53,099
and um they were told not to look under

109
00:03:57,470 --> 00:03:55,379
the tarpaulin but if you knew my dad you

110
00:03:59,649 --> 00:03:57,480
know he would have had a sneaky look and

111
00:04:02,509 --> 00:03:59,659
he did and he said he saw these bodies

112
00:04:05,030 --> 00:04:02,519
I think he said two

113
00:04:06,890 --> 00:04:05,040

but I think my sister says three so it's

114

00:04:08,509 --> 00:04:06,900

just memory like I said he never told

115

00:04:10,970 --> 00:04:08,519

story very often

116

00:04:13,309 --> 00:04:10,980

and we used to giggle yeah like crazy

117

00:04:15,530 --> 00:04:13,319

and say gone you know what they like was

118

00:04:16,909 --> 00:04:15,540

it scary and they used to say hell no he

119

00:04:18,530 --> 00:04:16,919

said they look like they have friendly

120

00:04:21,530 --> 00:04:18,540

faces he said they look a little bit

121

00:04:23,930 --> 00:04:21,540

Asian looking Asiatic looking he said

122

00:04:25,670 --> 00:04:23,940

um slanted eyes much much bigger heads

123

00:04:27,409 --> 00:04:25,680

than we had you know to go with the rest

124

00:04:29,749 --> 00:04:27,419

of their body in proportion yeah

125

00:04:31,370 --> 00:04:29,759

they looked about four foot tall

126

00:04:32,870 --> 00:04:31,380

and he used to say they look yellowish

127

00:04:34,909 --> 00:04:32,880

but apparently anybody else who saw the

128

00:04:36,909 --> 00:04:34,919

bodies always says gray but remember the

129

00:04:39,050 --> 00:04:36,919

tarpaulin is going to be a green color

130

00:04:42,050 --> 00:04:39,060

so whether or not it's just where he was

131

00:04:43,909 --> 00:04:42,060

under the you know the truck cover

132

00:04:46,490 --> 00:04:43,919

and um

133

00:04:48,650 --> 00:04:46,500

he said that they they definitely didn't

134

00:04:51,350 --> 00:04:48,660

look human they weren't human at all

135

00:04:53,210 --> 00:04:51,360

and their naked bodice he didn't say

136

00:04:55,070 --> 00:04:53,220

that's all he used to say really this

137

00:04:57,350 --> 00:04:55,080

was where this well he never used to say

138

00:04:58,430 --> 00:04:57,360

he used to say out in the desert and it

139

00:05:00,590 --> 00:04:58,440

wasn't until after he died that we

140

00:05:02,330 --> 00:05:00,600

realized it was the Roswell crash all

141

00:05:04,129 --> 00:05:02,340

right so it never actually several no

142

00:05:06,830 --> 00:05:04,139

never ever no we've never heard of the

143

00:05:10,370 --> 00:05:06,840

place right and and did he ever give a

144

00:05:12,469 --> 00:05:10,380

date nope as to answer no no

145

00:05:14,210 --> 00:05:12,479

he just basically said that there was

146

00:05:17,150 --> 00:05:14,220

well he was sworn to secrecy but he

147

00:05:18,290 --> 00:05:17,160

always always finished up by saying

148

00:05:19,790 --> 00:05:18,300

whatever you do don't tell anyone you

149

00:05:21,950 --> 00:05:19,800

get Daddy into a lot of trouble so of

150

00:05:23,870 --> 00:05:21,960

course we never did it's size another

151
00:05:26,150 --> 00:05:23,880
time he had to stand guard Duty outside

152
00:05:27,650 --> 00:05:26,160
a hangar where a crash disc was stored

153
00:05:28,850 --> 00:05:27,660
and his commanding officer came up and

154
00:05:30,650 --> 00:05:28,860
said come on brownie let's have a look

155
00:05:32,450 --> 00:05:30,660
inside but everything was packed up and

156
00:05:33,650 --> 00:05:32,460
ready to be flown out to um Texas the

157
00:05:35,870 --> 00:05:33,660
next morning so they didn't see anything

158
00:05:37,550 --> 00:05:35,880
you think he decided to talk about it in

159
00:05:38,990 --> 00:05:37,560
69.

160
00:05:40,249 --> 00:05:39,000
um

161
00:05:41,390 --> 00:05:40,259
no perhaps he was waiting to see

162
00:05:42,469 --> 00:05:41,400
something on the moon I suppose everyone

163
00:05:44,090 --> 00:05:42,479

was waiting to see if there was anything

164

00:05:45,770 --> 00:05:44,100

up there you know

165

00:05:48,230 --> 00:05:45,780

I can't remember watching his face or

166

00:05:50,270 --> 00:05:48,240

whether he was disappointed or excited

167

00:05:52,129 --> 00:05:50,280

or what but uh and what were your

168

00:05:53,689 --> 00:05:52,139

feelings when he told you this at the

169

00:05:55,969 --> 00:05:53,699

time can you remember no I was only

170

00:05:58,969 --> 00:05:55,979

about nine or ten I think so

171

00:06:01,129 --> 00:05:58,979

giggly really just giggling do you used

172

00:06:02,990 --> 00:06:01,139

to ask him to tell the story again well

173

00:06:04,969 --> 00:06:03,000

not till I was a teenager and then Close

174

00:06:06,529 --> 00:06:04,979

Encounters of the Third Kind came out on

175

00:06:08,749 --> 00:06:06,539

television didn't see other pictures but

176

00:06:11,090 --> 00:06:08,759

on television and I remembered dad's

177

00:06:12,590 --> 00:06:11,100

story and I thought wow you know go down

178

00:06:15,110 --> 00:06:12,600

to me dads went down to my dad's house

179

00:06:16,129 --> 00:06:15,120

and um I said you gotta watch this film

180

00:06:17,330 --> 00:06:16,139

you've got to watch this film because it

181

00:06:19,249 --> 00:06:17,340

might be something like you told us

182

00:06:20,990 --> 00:06:19,259

about he watched the film went down the

183

00:06:22,490 --> 00:06:21,000

next day and to my disappointment he

184

00:06:24,189 --> 00:06:22,500

said it was a load of

185

00:06:26,330 --> 00:06:24,199

s h i t

186

00:06:28,909 --> 00:06:26,340

he said it was nothing like what he'd

187

00:06:29,990 --> 00:06:28,919

seen and I tried to question him that's

188

00:06:33,050 --> 00:06:30,000

the first time I'd ever tried to

189

00:06:34,909 --> 00:06:33,060

question him right and uh he got angry

190

00:06:36,409 --> 00:06:34,919

and said look I've told you enough I

191

00:06:38,330 --> 00:06:36,419

can't tell you anymore don't pester me

192

00:06:40,550 --> 00:06:38,340

that's all you need to know

193

00:06:41,990 --> 00:06:40,560

but what makes me angry is that you had

194

00:06:43,909 --> 00:06:42,000

to carry that bloody thing with him all

195

00:06:46,610 --> 00:06:43,919

those years you know

196

00:06:49,790 --> 00:06:46,620

the hell you know that's what upsets me

197

00:06:51,350 --> 00:06:49,800

all those years I mean 20 odd years he

198

00:06:52,430 --> 00:06:51,360

was in the Air Force Army and then Air

199

00:06:54,170 --> 00:06:52,440

Force

200

00:06:57,110 --> 00:06:54,180

and um

201
00:06:58,670 --> 00:06:57,120
no counseling as far as I can see no pat

202
00:07:02,090 --> 00:06:58,680
on the back or anything

203
00:07:06,170 --> 00:07:02,100
apart from that let the promotion

204
00:07:08,150 --> 00:07:06,180
this is 19 7th of May 1948

205
00:07:10,629 --> 00:07:08,160
recommendation for promotion to enlisted

206
00:07:13,370 --> 00:07:10,639
man I'll be nested man

207
00:07:15,890 --> 00:07:13,380
and um as to the commanding officer

208
00:07:18,590 --> 00:07:15,900
Squadron D 500 a night there drone group

209
00:07:21,110 --> 00:07:18,600
Walker Air Force Base Roswell New Mexico

210
00:07:22,670 --> 00:07:21,120
and I recommend that Sergeant Melvin E

211
00:07:24,469 --> 00:07:22,680
Brown be promoted to the grade of Staff

212
00:07:26,210 --> 00:07:24,479
Sergeant Sergeant Brown is diligently

213
00:07:27,710 --> 00:07:26,220

and industriously performed all duties

214

00:07:29,510 --> 00:07:27,720

assigned to him while on duty with task

215

00:07:31,450 --> 00:07:29,520

unit 741

216

00:07:33,710 --> 00:07:31,460

don't know what that was during the

217

00:07:35,809 --> 00:07:33,720

peculiar and tedious circumstances

218

00:07:37,189 --> 00:07:35,819

resulting from this project he clearly

219

00:07:39,890 --> 00:07:37,199

demonstrated the qualities and abilities

220

00:07:41,749 --> 00:07:39,900

designed with a staff sergeant

221

00:07:44,870 --> 00:07:41,759

we've got any other document

222

00:07:46,790 --> 00:07:44,880

stuff um just um the bits and pieces

223

00:07:49,610 --> 00:07:46,800

that we found after he died

224

00:07:50,930 --> 00:07:49,620

of um just really just proving that it

225

00:07:52,309 --> 00:07:50,940

was actually stationed in Roswell I mean

226

00:07:54,830 --> 00:07:52,319

some of them got Jesse and ourselves

227

00:07:56,930 --> 00:07:54,840

orders on them as well who's Jessie

228

00:07:59,570 --> 00:07:56,940

Marcel well Jesse Marcel was the

229

00:08:02,330 --> 00:07:59,580

commanding officer wasn't he over 500 a

230

00:08:03,890 --> 00:08:02,340

month I think he was

231

00:08:06,409 --> 00:08:03,900

can't remember exactly what department

232

00:08:08,629 --> 00:08:06,419

he was in intelligence I think something

233

00:08:10,189 --> 00:08:08,639

like that I think the reason that my dad

234

00:08:11,210 --> 00:08:10,199

was so angry when he was dying was

235

00:08:12,890 --> 00:08:11,220

because he didn't know where he was

236

00:08:14,510 --> 00:08:12,900

going he didn't know if he was going to

237

00:08:15,469 --> 00:08:14,520

this place they say in the Bible or he

238

00:08:17,930 --> 00:08:15,479

was going up there with these little

239

00:08:19,189 --> 00:08:17,940

bloody aliens running around you know he

240

00:08:20,629 --> 00:08:19,199

didn't know what was happening the whole

241

00:08:22,730 --> 00:08:20,639

week that he was dying that's all he was

242

00:08:25,550 --> 00:08:22,740

worried about it wasn't he wasn't saying

243

00:08:27,589 --> 00:08:25,560

I love you and saying you know his

244

00:08:30,529 --> 00:08:27,599

goodbyes all he was worried about even

245

00:08:33,170 --> 00:08:30,539

in his sleep was this damn place called

246

00:08:35,449 --> 00:08:33,180

Roswell New Mexico

247

00:08:38,149 --> 00:08:35,459

was brought up Seventh Day Adventist

248

00:08:39,709 --> 00:08:38,159

and if he was ever worried or depressed

249

00:08:41,510 --> 00:08:39,719

about anything he would go to his Bible

250

00:08:43,130 --> 00:08:41,520

I think the reason that my dad was so

251
00:08:44,269 --> 00:08:43,140
angry when he was dying was because he

252
00:08:46,010 --> 00:08:44,279
didn't know where he was going he didn't

253
00:08:47,449 --> 00:08:46,020
know if he was going to this place they

254
00:08:48,710 --> 00:08:47,459
say in the Bible or he was going up

255
00:08:50,810 --> 00:08:48,720
there with these little bloody aliens

256
00:08:52,009 --> 00:08:50,820
running around you know you didn't know

257
00:08:53,449 --> 00:08:52,019
what was happening the whole week that

258
00:08:55,910 --> 00:08:53,459
he was dying that's all he was worried

259
00:08:59,329 --> 00:08:55,920
about was it he wasn't saying I love you

260
00:09:01,730 --> 00:08:59,339
and saying you know his goodbyes all he

261
00:09:03,710 --> 00:09:01,740
was worried about even in his sleep was

262
00:09:05,509 --> 00:09:03,720
this damn place called Roswell New

263
00:09:07,910 --> 00:09:05,519

Mexico that we had never heard of there

264

00:09:10,550 --> 00:09:07,920

was a program on television about

265

00:09:13,610 --> 00:09:10,560

um a book called Chariot of the Gods you

266

00:09:16,070 --> 00:09:13,620

know they were linking like UFOs to the

267

00:09:17,269 --> 00:09:16,080

Bible and that type of thing he kept

268

00:09:18,710 --> 00:09:17,279

asking if we could try and get this book

269

00:09:20,210 --> 00:09:18,720

for him and I thought oh my God this is

270

00:09:21,889 --> 00:09:20,220

where the only books he ever raises Zane

271

00:09:24,710 --> 00:09:21,899

gray you know because he he once met

272

00:09:27,590 --> 00:09:24,720

Zane gray when he's a young boy and he

273

00:09:29,030 --> 00:09:27,600

loved Cowboy books and uh someone was

274

00:09:30,170 --> 00:09:29,040

just bloody weird but he managed to get

275

00:09:31,910 --> 00:09:30,180

hold of this book from somebody at work

276

00:09:33,769 --> 00:09:31,920

I think I can remember him looking in

277

00:09:35,870 --> 00:09:33,779

the Bible looking in the book looking in

278

00:09:37,310 --> 00:09:35,880

the Bible looking in the book

279

00:09:39,470 --> 00:09:37,320

now this is why I say the story is

280

00:09:41,990 --> 00:09:39,480

amazing but how we found out

281

00:09:43,070 --> 00:09:42,000

been quite a few years since he told the

282

00:09:46,430 --> 00:09:43,080

story

283

00:09:51,710 --> 00:09:48,050

um

284

00:09:53,509 --> 00:09:51,720

while he was dying he kept saying

285

00:09:54,710 --> 00:09:53,519

I tried to feed him some eggs one day he

286

00:09:56,269 --> 00:09:54,720

wouldn't eat these eggs

287

00:09:58,490 --> 00:09:56,279

and he was saying something his words

288

00:10:00,050 --> 00:09:58,500

were slurred and it sounded like raisins

289

00:10:02,030 --> 00:10:00,060

and I said raisins dad what are you

290

00:10:04,730 --> 00:10:02,040

talking about he said they're raisins

291

00:10:06,410 --> 00:10:04,740

so I said what are raisins and just like

292

00:10:08,509 --> 00:10:06,420

this looked away from me

293

00:10:10,490 --> 00:10:08,519

and I said well in the eggs is it a

294

00:10:11,630 --> 00:10:10,500

recipe because he cooked yeah so I said

295

00:10:13,490 --> 00:10:11,640

and he went

296

00:10:15,470 --> 00:10:13,500

like this he said they're coming for me

297

00:10:17,090 --> 00:10:15,480

they're coming for you they're in Texas

298

00:10:18,949 --> 00:10:17,100

and like the other time he made

299

00:10:21,230 --> 00:10:18,959

everybody that was there in the room at

300

00:10:23,090 --> 00:10:21,240

the time signed this piece of paper

301
00:10:25,070 --> 00:10:23,100
about this Federal

302
00:10:26,930 --> 00:10:25,080
bank with this trust fund in it that had

303
00:10:29,030 --> 00:10:26,940
been given to him he wouldn't tell us

304
00:10:30,590 --> 00:10:29,040
why and when he wouldn't tell us why I'm

305
00:10:32,810 --> 00:10:30,600
one of my I think it was my

306
00:10:34,610 --> 00:10:32,820
brother-in-law said to him or what you

307
00:10:35,990 --> 00:10:34,620
do Mel robber bank and he got angry and

308
00:10:37,310 --> 00:10:36,000
he said I've never done anything wrong

309
00:10:38,930 --> 00:10:37,320
for my country

310
00:10:41,449 --> 00:10:38,940
he said this is you know Uncle Sam

311
00:10:42,769 --> 00:10:41,459
business that type of thing

312
00:10:44,030 --> 00:10:42,779
he said this was something that was

313
00:10:45,889 --> 00:10:44,040

given to me and I want you to go and

314

00:10:47,090 --> 00:10:45,899

find it for Mommy because Mommy deserves

315

00:10:49,910 --> 00:10:47,100

this money

316

00:10:52,490 --> 00:10:49,920

and we did try we found out lots of

317

00:10:54,470 --> 00:10:52,500

banks the original Federal Bank that he

318

00:10:57,110 --> 00:10:54,480

gave us the address of is not existent

319

00:10:59,389 --> 00:10:57,120

anymore doesn't exist

320

00:11:01,370 --> 00:10:59,399

um and uh

321

00:11:02,750 --> 00:11:01,380

I can't remember exactly which bank I

322

00:11:05,090 --> 00:11:02,760

had so many in front of me I phoned up

323

00:11:10,190 --> 00:11:05,100

one and I said look my dad died he said

324

00:11:12,290 --> 00:11:10,200

he had a trust fund from 1947.

325

00:11:13,790 --> 00:11:12,300

um and she said what does this yes we do

326

00:11:15,530 --> 00:11:13,800

have some something like that she said

327

00:11:17,150 --> 00:11:15,540

does it does this number begin with a

328

00:11:18,470 --> 00:11:17,160

five two so I said yeah you know I put

329

00:11:19,550 --> 00:11:18,480

my hand over the phone while she click

330

00:11:21,290 --> 00:11:19,560

clocked off I could hear her quit

331

00:11:22,370 --> 00:11:21,300

cropping off and look around to mum I

332

00:11:24,410 --> 00:11:22,380

was going yeah you know something's

333

00:11:25,610 --> 00:11:24,420

happening here and then she came back

334

00:11:26,810 --> 00:11:25,620

she's sorry we have nothing like that

335

00:11:29,750 --> 00:11:26,820

have a nice day and put the phone down

336

00:11:31,430 --> 00:11:29,760

and I thought

337

00:11:33,050 --> 00:11:31,440

you know kept his mouth shut all those

338

00:11:35,329 --> 00:11:33,060

years I said there'll be some money for

339

00:11:37,370 --> 00:11:35,339

your mail you know in your old brownie

340

00:11:39,290 --> 00:11:37,380

when you've kept your mouth shut and

341

00:11:41,930 --> 00:11:39,300

when your up days are over you know get

342

00:11:44,150 --> 00:11:41,940

the money for your wife but it's just a

343

00:11:45,490 --> 00:11:44,160

ticking off list swine but even in his

344

00:11:48,650 --> 00:11:45,500

sleep he was

345

00:11:50,329 --> 00:11:48,660

Roswell and we'd never out of this place

346

00:11:52,790 --> 00:11:50,339

and this is what is truly amazing here

347

00:11:54,410 --> 00:11:52,800

because he died and we thought well what

348

00:11:56,269 --> 00:11:54,420

the hell did he ever do that Frankel Sam

349

00:11:58,250 --> 00:11:56,279

is so hush-hush you know and all this

350

00:12:00,110 --> 00:11:58,260

secrecy

351

00:12:02,329 --> 00:12:00,120

married him so much

352

00:12:04,370 --> 00:12:02,339

and we got together and the only thing

353

00:12:05,870 --> 00:12:04,380

that we could think of was this this UFO

354

00:12:07,850 --> 00:12:05,880

story you used to tell

355

00:12:09,350 --> 00:12:07,860

we thought we'd ask somebody so my

356

00:12:12,470 --> 00:12:09,360

ex-husband asked somebody he worked with

357

00:12:13,610 --> 00:12:12,480

who was into UFOs and stuff like that if

358

00:12:16,250 --> 00:12:13,620

he'd ever heard of a place called

359

00:12:17,630 --> 00:12:16,260

Roswell New Mexico so this guy says well

360

00:12:20,449 --> 00:12:17,640

yeah you know it's most famous case

361

00:12:25,550 --> 00:12:20,459

history of a crash disk ever and he gave

362

00:12:30,769 --> 00:12:29,150

I'll burn it some more and uh

363

00:12:32,930 --> 00:12:30,779

we read this book and we just couldn't

364

00:12:35,150 --> 00:12:32,940

believe it you know it was all like what

365

00:12:36,350 --> 00:12:35,160

our dad had told us and then my mum went

366

00:12:38,329 --> 00:12:36,360

upstairs and she started going through

367

00:12:40,670 --> 00:12:38,339

all the papers and everything that my

368

00:12:42,710 --> 00:12:40,680

dad left behind and found these papers

369

00:12:43,850 --> 00:12:42,720

with Roswell New Mexico and the man that

370

00:12:47,210 --> 00:12:43,860

was telling most of the story in the

371

00:12:49,610 --> 00:12:47,220

book major Jesse Marcel you know was

372

00:12:51,290 --> 00:12:49,620

my dad's commanding officer or whatever

373

00:12:53,810 --> 00:12:51,300

you want to call him you know it was

374

00:12:56,269 --> 00:12:53,820

amazing stuff remember these papers and

375

00:12:58,129 --> 00:12:56,279

everything then my sister saw Timothy

376

00:13:00,590 --> 00:12:58,139

good on tvam and he was talking about

377

00:13:03,230 --> 00:13:00,600

his new book Above Top Secret and he

378

00:13:05,870 --> 00:13:03,240

mentioned Roswell New Mexico so she told

379

00:13:07,670 --> 00:13:05,880

me to phone him up I phoned up tvam and

380

00:13:10,970 --> 00:13:07,680

they got in contact with the Publishers

381

00:13:13,430 --> 00:13:10,980

I think and he phoned me and he came

382

00:13:15,110 --> 00:13:13,440

around to our house and um of course he

383

00:13:17,030 --> 00:13:15,120

helped us because we were in shock I

384

00:13:18,829 --> 00:13:17,040

tell you honestly we were in shock you

385

00:13:20,509 --> 00:13:18,839

know we were just wondering about and

386

00:13:22,009 --> 00:13:20,519

it's not funny knowing this you know and

387

00:13:23,530 --> 00:13:22,019

I don't want to make money out of this

388

00:13:25,970 --> 00:13:23,540

and I don't care who knows anymore

389

00:13:28,190 --> 00:13:25,980

because the simple fact of the matter is

390

00:13:29,870 --> 00:13:28,200

I just want a letter to say sorry I just

391

00:13:31,250 --> 00:13:29,880

want something to say sorry your dad had

392

00:13:32,269 --> 00:13:31,260

to put up with that all that all those

393

00:13:34,610 --> 00:13:32,279

years

394

00:13:36,170 --> 00:13:34,620

and it's no joke for me either fancy

395

00:13:37,730 --> 00:13:36,180

nine half a secret the most fantastic

396

00:13:41,210 --> 00:13:37,740

secret in the whole wide world I only

397

00:13:43,490 --> 00:13:41,220

know half if half if that much

398

00:13:46,069 --> 00:13:43,500

and you know am I ever gonna find out

399

00:13:49,310 --> 00:13:46,079

the rest possibly

400

00:13:51,829 --> 00:13:49,320

I mean these men really they they should

401
00:13:53,990 --> 00:13:51,839
have been told everything you know if

402
00:13:55,190 --> 00:13:54,000
they are hiding any secrets the men that

403
00:13:57,829 --> 00:13:55,200
were involved should have been the first

404
00:14:01,009 --> 00:13:57,839
people to know everything just to clear

405
00:14:03,650 --> 00:14:01,019
their in their minds and say okay yeah

406
00:14:06,290 --> 00:14:03,660
okay we understand what's going on

407
00:14:08,449 --> 00:14:06,300
but no and I think that's Dreadful

408
00:14:09,590 --> 00:14:08,459
terrible do you give any ideas to how

409
00:14:12,650 --> 00:14:09,600
many people might have actually

410
00:14:14,329 --> 00:14:12,660
witnessed the crash all available men

411
00:14:15,710 --> 00:14:14,339
were grabbed so you've got to think

412
00:14:18,050 --> 00:14:15,720
really it's got to be somebody who knows

413
00:14:20,449 --> 00:14:18,060

something about the bass yeah

414

00:14:21,650 --> 00:14:20,459

I mean but I mean there must have been

415

00:14:23,449 --> 00:14:21,660

quite a few of them were taking people

416

00:14:25,310 --> 00:14:23,459

from the kitchen staff as well you know

417

00:14:27,470 --> 00:14:25,320

everyone had to go

418

00:14:30,170 --> 00:14:27,480

yeah but the thing with my dad was he

419

00:14:32,329 --> 00:14:30,180

was an A1 riflemania so I should imagine

420

00:14:34,790 --> 00:14:32,339

that would count all he says that he had

421

00:14:36,110 --> 00:14:34,800

standard Duty look but not look not to

422

00:14:38,150 --> 00:14:36,120

take anything in they did they're going

423

00:14:40,009 --> 00:14:38,160

to be Court martial and the other time

424

00:14:42,889 --> 00:14:40,019

he was standing guard Duty outside the

425

00:14:44,750 --> 00:14:42,899

hangar where a crash disc was stored and

426
00:14:46,670 --> 00:14:44,760
his commanding officer came out to say

427
00:14:49,069 --> 00:14:46,680
let's have a look inside

428
00:14:50,990 --> 00:14:49,079
but they're all curious but imagine

429
00:14:54,230 --> 00:14:51,000
having to live without you know all your

430
00:14:56,150 --> 00:14:54,240
life and not ever know any answers and

431
00:14:57,410 --> 00:14:56,160
if they've got answers then they should

432
00:14:59,210 --> 00:14:57,420
download if all right they're not going

433
00:15:01,790 --> 00:14:59,220
to let the public know then they should

434
00:15:03,530 --> 00:15:01,800
let the people involved know but that's

435
00:15:06,769 --> 00:15:03,540
what makes me angry

436
00:15:10,129 --> 00:15:06,779
is this damn Roswell thing you know if

437
00:15:12,110 --> 00:15:10,139
I'd met an alien yeah and he said hi you

438
00:15:14,150 --> 00:15:12,120

know I'm from blah blah blah

439

00:15:18,470 --> 00:15:14,160

and then I couldn't tell anyone imagine

440

00:15:22,430 --> 00:15:20,329

it must desperately all those Jews

441

00:15:25,069 --> 00:15:22,440

wanted to tell somebody or know a little

442

00:15:26,810 --> 00:15:25,079

bit more about it just to use his mind a

443

00:15:29,750 --> 00:15:26,820

couple of years after my dad had died we

444

00:15:32,030 --> 00:15:29,760

got of all things a signed letter from

445

00:15:34,610 --> 00:15:32,040

Ronald Reagan through the post thank you

446

00:15:36,710 --> 00:15:34,620

for all your services Melvin Brown oh

447

00:15:37,970 --> 00:15:36,720

two years after he died thank you very

448

00:15:39,170 --> 00:15:37,980

much

449

00:15:40,910 --> 00:15:39,180

you know

450

00:15:42,769 --> 00:15:40,920

they didn't even think of doing anything

451

00:15:44,210 --> 00:15:42,779

like that I mean it would have made

452

00:15:46,430 --> 00:15:44,220

these men feel better maybe if they'd

453

00:15:49,850 --> 00:15:46,440

been given a piece of paper to say thank

454

00:15:51,350 --> 00:15:49,860

you for being quiet all those years and

455

00:15:53,870 --> 00:15:51,360

you know that can make them feel a

456

00:15:56,090 --> 00:15:53,880

little bit better wouldn't it

457

00:15:58,730 --> 00:15:56,100

but nothing

458

00:16:00,290 --> 00:15:58,740

minis I used to be proud to be American

459

00:16:01,550 --> 00:16:00,300

I wasn't born there or anything but I

460

00:16:03,590 --> 00:16:01,560

always used to think of myself as being

461

00:16:07,250 --> 00:16:03,600

more American than English I don't know

462

00:16:08,990 --> 00:16:07,260

why but I did brought up I suppose and

463

00:16:10,970 --> 00:16:09,000

um not anymore

464

00:16:12,470 --> 00:16:10,980

not anymore

465

00:16:13,850 --> 00:16:12,480

because if they know more I think

466

00:16:14,990 --> 00:16:13,860

they're so bloody

467

00:16:16,610 --> 00:16:15,000

bloody don't you think that would be the

468

00:16:19,790 --> 00:16:16,620

case with any government doesn't matter

469

00:16:22,310 --> 00:16:19,800

what country I don't know

470

00:16:24,530 --> 00:16:22,320

I I think probably knows as much as the

471

00:16:26,870 --> 00:16:24,540

Americans but they're also wouldn't

472

00:16:29,329 --> 00:16:26,880

allow anyone to talk about it and would

473

00:16:32,449 --> 00:16:29,339

probably treat them in the same manner

474

00:16:33,949 --> 00:16:32,459

yeah I don't know I I tend to think that

475

00:16:36,170 --> 00:16:33,959

maybe the Americans know more than any

476

00:16:38,629 --> 00:16:36,180

other country do I don't think all the

477

00:16:40,730 --> 00:16:38,639

countries know as much as they do and

478

00:16:43,730 --> 00:16:40,740

therefore I feel a bit biased that

479

00:16:46,009 --> 00:16:43,740

there's meaner than everybody else

480

00:16:48,290 --> 00:16:46,019

now I can understand that it would make

481

00:16:49,790 --> 00:16:48,300

people panic maybe

482

00:16:52,370 --> 00:16:49,800

um it was certainly

483

00:16:55,310 --> 00:16:52,380

upset religions and things

484

00:16:57,170 --> 00:16:55,320

but with all the stuff on television and

485

00:16:58,730 --> 00:16:57,180

kids I mean kids aren't scared of them

486

00:17:01,730 --> 00:16:58,740

you know they've been brought up with

487

00:17:04,429 --> 00:17:01,740

aliens and UFOs

488

00:17:07,010 --> 00:17:04,439

American defense service medal American

489

00:17:08,990 --> 00:17:07,020

campaign medal

490

00:17:11,569 --> 00:17:09,000

what's that one

491

00:17:14,150 --> 00:17:11,579

Asiatic Pacific campaign medal

492

00:17:17,569 --> 00:17:14,160

Philippine Liberation rhythm with one

493

00:17:18,930 --> 00:17:17,579

bronze star good contact medal and

494

00:17:19,680 --> 00:17:18,940

Victory Medal

495

00:17:21,069 --> 00:17:19,690

[Music]

496

00:17:25,069 --> 00:17:21,079

[Applause]

497

00:17:27,230 --> 00:17:25,079

remember my name's Harriet kircher

498

00:17:30,590 --> 00:17:27,240

um coming up 36.

499

00:17:33,350 --> 00:17:30,600

married three kids

500

00:17:35,570 --> 00:17:33,360

three little monsters like all kids are

501
00:17:37,970 --> 00:17:35,580
hello I work on the home care go around

502
00:17:43,250 --> 00:17:37,980
look after all the old people

503
00:17:46,850 --> 00:17:44,630
it's all when we were little we used to

504
00:17:49,909 --> 00:17:46,860
come out with a silly story what story

505
00:17:52,730 --> 00:17:49,919
about a UFO crashing

506
00:17:54,529 --> 00:17:52,740
um really all you used to say is well he

507
00:17:56,510 --> 00:17:54,539
said I saw one once we used to say well

508
00:17:58,610 --> 00:17:56,520
what's that then Dad and he used to say

509
00:18:01,310 --> 00:17:58,620
well when I was at the station out in

510
00:18:03,230 --> 00:18:01,320
the desert he said the uh one crashed

511
00:18:05,630 --> 00:18:03,240
and that they all had to go out to it

512
00:18:07,010 --> 00:18:05,640
and I said well did they show you what

513
00:18:09,770 --> 00:18:07,020

it was he said no we didn't know what it

514

00:18:12,289 --> 00:18:09,780

was until sort of afterwards that when

515

00:18:14,930 --> 00:18:12,299

they got there they all had to stand in

516

00:18:16,610 --> 00:18:14,940

a circle he had to get on the back of a

517

00:18:17,630 --> 00:18:16,620

truck and he got on the back of the

518

00:18:20,570 --> 00:18:17,640

truck

519

00:18:22,750 --> 00:18:20,580

which they put the bodies inside and he

520

00:18:26,510 --> 00:18:22,760

looked underneath when he shouldn't have

521

00:18:29,150 --> 00:18:26,520

uh then they went back

522

00:18:30,529 --> 00:18:29,160

to the base he went in with somebody I

523

00:18:32,750 --> 00:18:30,539

don't know whether it was a colonel or

524

00:18:34,549 --> 00:18:32,760

whoever but they said brownie let's go

525

00:18:36,169 --> 00:18:34,559

in and have a look at the bodies and

526

00:18:38,450 --> 00:18:36,179

they went in there but they'd already

527

00:18:39,970 --> 00:18:38,460

been packed up you know and ready to be

528

00:18:42,710 --> 00:18:39,980

shipped out they officer said let's

529

00:18:44,950 --> 00:18:42,720

brownie let's go take a look another

530

00:18:48,110 --> 00:18:44,960

time I'd say

531

00:18:51,230 --> 00:18:48,120

that's right yeah you know so I mean it

532

00:18:56,090 --> 00:18:51,240

was weird you know thank you sir no

533

00:18:59,870 --> 00:18:56,100

I met him in 48 because like a letter of

534

00:19:02,529 --> 00:18:59,880

part of 48 in America no yeah yeah

535

00:19:05,210 --> 00:19:02,539

and he was stationed where at bovington

536

00:19:07,930 --> 00:19:05,220

I still turned I stood next to him so

537

00:19:10,490 --> 00:19:07,940

many times and took no notes of him

538

00:19:13,130 --> 00:19:10,500

finally I

539

00:19:14,810 --> 00:19:13,140

he came into a dancehall and I had dance

540

00:19:18,169 --> 00:19:14,820

with him because I've been star number

541

00:19:19,669 --> 00:19:18,179

went to book a dance and he was the only

542

00:19:20,690 --> 00:19:19,679

one dance moves out on them I said my

543

00:19:22,010 --> 00:19:20,700

girlfriend come on we're not going to be

544

00:19:24,770 --> 00:19:22,020

in Wallflowers we're gonna pick the next

545

00:19:30,250 --> 00:19:24,780

two blokes that come around and I picked

546

00:19:34,909 --> 00:19:32,870

excuse me that she wouldn't

547

00:19:36,770 --> 00:19:34,919

I went at one door I said to him I'm

548

00:19:38,510 --> 00:19:36,780

going home now so say good night yeah

549

00:19:39,770 --> 00:19:38,520

and he was walk behind me all the way

550

00:19:41,990 --> 00:19:39,780

out through the other door and come back

551
00:19:43,130 --> 00:19:42,000
in again and he says I thought you was

552
00:19:44,930 --> 00:19:43,140
going on

553
00:19:47,390 --> 00:19:44,940
I said no I've just come back to collect

554
00:19:50,029 --> 00:19:47,400
me coat but he didn't he ended up seeing

555
00:19:55,490 --> 00:19:51,310
you believe him

556
00:19:57,650 --> 00:19:55,500
I always believed in everything he said

557
00:20:00,669 --> 00:19:57,660
he was that kind of man

558
00:20:02,510 --> 00:20:00,679
we did my cooking

559
00:20:04,310 --> 00:20:02,520
when was the first time we ever

560
00:20:05,870 --> 00:20:04,320
mentioned it when you see a little bit

561
00:20:07,970 --> 00:20:05,880
in a paper yeah there's a bit in the

562
00:20:09,169 --> 00:20:07,980
paper I can't remember well I say it was

563
00:20:10,789 --> 00:20:09,179

a Daily Mirror because that's what he

564

00:20:14,390 --> 00:20:10,799

always used to read and that's what was

565

00:20:16,850 --> 00:20:14,400

always delivered and uh it was a little

566

00:20:19,549 --> 00:20:16,860

bit in that and he used to he said oh he

567

00:20:21,409 --> 00:20:19,559

said I I was there I I was there when

568

00:20:22,970 --> 00:20:21,419

that happened and then another time I

569

00:20:25,730 --> 00:20:22,980

could remember going out with my friend

570

00:20:26,990 --> 00:20:25,740

one time that sticks in my mind and this

571

00:20:30,529 --> 00:20:27,000

is going back

572

00:20:31,850 --> 00:20:30,539

I suppose it must have been 70s and I

573

00:20:34,190 --> 00:20:31,860

can remember we were walking down the

574

00:20:36,470 --> 00:20:34,200

main road that we've got here in hamble

575

00:20:37,730 --> 00:20:36,480

and we're walking down the road and as I

576

00:20:40,490 --> 00:20:37,740

was walking up there was this light

577

00:20:42,950 --> 00:20:40,500

above my heads and I can remember sort

578

00:20:45,169 --> 00:20:42,960

of thinking what's that and my friend

579

00:20:46,850 --> 00:20:45,179

was a you know say about four yards in

580

00:20:49,130 --> 00:20:46,860

front of me so I was trying to sort of

581

00:20:51,770 --> 00:20:49,140

talk to her but without saying anything

582

00:20:53,870 --> 00:20:51,780

because it frightened me and she said

583

00:20:55,850 --> 00:20:53,880

what's the matter and as she turned

584

00:20:57,710 --> 00:20:55,860

around it just zoomed off well we ran

585

00:20:59,450 --> 00:20:57,720

like the clappers into the house but

586

00:21:00,950 --> 00:20:59,460

running into the living room and

587

00:21:03,590 --> 00:21:00,960

everything and then we said to Dad's

588

00:21:05,870 --> 00:21:03,600

what we've seen and then he come out

589

00:21:07,490 --> 00:21:05,880

with a little story again you know but I

590

00:21:08,810 --> 00:21:07,500

mean and then when he'd finished he'd

591

00:21:10,970 --> 00:21:08,820

say well don't say anything because you

592

00:21:12,470 --> 00:21:10,980

will get me into trouble he did so he

593

00:21:14,029 --> 00:21:12,480

said he said it because I can remember

594

00:21:16,310 --> 00:21:14,039

him saying it too not to be fine didn't

595

00:21:17,750 --> 00:21:16,320

he yeah I say don't be frightened Carol

596

00:21:19,850 --> 00:21:17,760

said at the same time as you did then

597

00:21:21,710 --> 00:21:19,860

you both come running in yeah and your

598

00:21:23,750 --> 00:21:21,720

father says to you what's the matter

599

00:21:24,950 --> 00:21:23,760

with you two he knows her as a call he

600

00:21:27,130 --> 00:21:24,960

just seen something over the back of her

601
00:21:29,330 --> 00:21:27,140

head Gary came in

602
00:21:31,970 --> 00:21:29,340

afterwards and you said did you see it

603
00:21:33,890 --> 00:21:31,980

and he said did he see it he saw it as

604
00:21:35,270 --> 00:21:33,900

well did he sit zooming off and your

605
00:21:37,370 --> 00:21:35,280

father told me I said was nothing to be

606
00:21:38,690 --> 00:21:37,380

afraid of yeah he told the story of

607
00:21:40,549 --> 00:21:38,700

something yeah there is something

608
00:21:42,230 --> 00:21:40,559

reminded of it

609
00:21:43,610 --> 00:21:42,240

um it's like when close encounters came

610
00:21:45,770 --> 00:21:43,620

out I mean you told me I said that's a

611
00:21:47,529 --> 00:21:45,780

load of [h__h] I mean he did not think

612
00:21:51,470 --> 00:21:47,539

that that was a very good film

613
00:21:53,810 --> 00:21:51,480

just bits of it or the aliens in it

614

00:21:56,270 --> 00:21:53,820

um all of it I think really I think he

615

00:21:58,010 --> 00:21:56,280

said the UFOs didn't like anything he'd

616

00:21:59,450 --> 00:21:58,020

ever seen right I'll tell you what he

617

00:22:03,289 --> 00:21:59,460

didn't read a lot and that was that one

618

00:22:05,029 --> 00:22:03,299

but that book Chariot of the Gods yeah

619

00:22:06,529 --> 00:22:05,039

and he was always he did used to read

620

00:22:08,390 --> 00:22:06,539

the what at the Bible as well because if

621

00:22:10,190 --> 00:22:08,400

he used to get worried over anything or

622

00:22:12,230 --> 00:22:10,200

anything like that sit down and read

623

00:22:14,149 --> 00:22:12,240

that and that's what really bothers me

624

00:22:15,230 --> 00:22:14,159

about this thing about Roswell is not

625

00:22:16,669 --> 00:22:15,240

the fact that it happened and that

626

00:22:18,049 --> 00:22:16,679

there's aliens out there I couldn't care

627

00:22:20,029 --> 00:22:18,059

less to be quite honest they don't

628

00:22:23,029 --> 00:22:20,039

bother me in at all but the thing that

629

00:22:25,430 --> 00:22:23,039

really does bother me is that when Dad

630

00:22:27,169 --> 00:22:25,440

was dying and I think that had played on

631

00:22:30,430 --> 00:22:27,179

his mind and he must have been thinking

632

00:22:32,750 --> 00:22:30,440

well where in the hell am I going yeah

633

00:22:34,370 --> 00:22:32,760

sort of somebody that's not interested

634

00:22:36,890 --> 00:22:34,380

in UFOs or anything like that I think

635

00:22:38,630 --> 00:22:36,900

already afraid was a hell you know you

636

00:22:42,970 --> 00:22:38,640

die you're going so and so which

637

00:22:46,430 --> 00:22:45,110

I mean it was the things that he was

638

00:22:48,049 --> 00:22:46,440

coming out with he kept saying they're

639

00:22:50,450 --> 00:22:48,059

going back to Texas that we couldn't

640

00:22:52,970 --> 00:22:50,460

figure out what he was saying and he was

641

00:22:54,890 --> 00:22:52,980

also saying um

642

00:22:57,049 --> 00:22:54,900

what was it also saying he was saying

643

00:22:58,669 --> 00:22:57,059

that they're here and they're coming to

644

00:23:00,289 --> 00:22:58,679

uh they're coming to me they're coming

645

00:23:01,850 --> 00:23:00,299

for you they're coming for me and

646

00:23:03,470 --> 00:23:01,860

they're coming for you and that is what

647

00:23:05,149 --> 00:23:03,480

he kept saying and we kept saying what

648

00:23:06,590 --> 00:23:05,159

are you on about I mean you've got to

649

00:23:08,690 --> 00:23:06,600

kept saying you're in Texas they're in

650

00:23:11,750 --> 00:23:08,700

Texas and then and I mean it wasn't

651

00:23:13,250 --> 00:23:11,760

until a few weeks later the if the penny

652

00:23:16,789 --> 00:23:13,260

sort of dropped because I was sitting

653

00:23:19,430 --> 00:23:16,799

watching uh gmtv as it was in them days

654

00:23:21,850 --> 00:23:19,440

and Timothy good was on it and he was on

655

00:23:25,669 --> 00:23:21,860

there going on about Roswell New Mexico

656

00:23:27,110 --> 00:23:25,679

and uh you know a crash this that

657

00:23:29,029 --> 00:23:27,120

happened there and I thought hello you

658

00:23:30,710 --> 00:23:29,039

know this it sounds like well Dad was so

659

00:23:32,930 --> 00:23:30,720

I phoned her I've got a rock out of bed

660

00:23:35,169 --> 00:23:32,940

got her to phone up

661

00:23:38,390 --> 00:23:35,179

you know TV am or whatever it's called

662

00:23:39,890 --> 00:23:38,400

and he did get in contact with us again

663

00:23:41,690 --> 00:23:39,900

didn't he and then you came to see us

664

00:23:45,130 --> 00:23:41,700

and I mean that's really how it started

665

00:23:49,130 --> 00:23:47,390

stationed in Florida

666

00:23:50,750 --> 00:23:49,140

we were sitting all sitting out in the

667

00:23:52,610 --> 00:23:50,760

where they had their houses they were in

668

00:23:54,289 --> 00:23:52,620

the cul-de-sac six that way six that way

669

00:23:55,850 --> 00:23:54,299

and six that way we sit with another

670

00:23:57,770 --> 00:23:55,860

couple and it wasn't always getting

671

00:23:59,810 --> 00:23:57,780

there at nine o'clock and night was

672

00:24:02,330 --> 00:23:59,820

coming in and uh we happened to all be

673

00:24:03,529 --> 00:24:02,340

looking out and we see this thing and in

674

00:24:06,470 --> 00:24:03,539

fact we've watched it for an hour

675

00:24:08,029 --> 00:24:06,480

shooting across oh it wasn't didn't

676
00:24:11,390 --> 00:24:08,039
shoot it when it looked like it went

677
00:24:13,730 --> 00:24:11,400
into a big cloud sort of thing then

678
00:24:14,990 --> 00:24:13,740
we're still looking at it

679
00:24:16,370 --> 00:24:15,000
and all of a sudden it come out the

680
00:24:18,169 --> 00:24:16,380
other end but it was an hour I would

681
00:24:21,049 --> 00:24:18,179
watch that because my neck my neck was

682
00:24:24,470 --> 00:24:21,059
aching so this other fellow was a in the

683
00:24:26,570 --> 00:24:24,480
weather balloon place yeah and he went

684
00:24:27,710 --> 00:24:26,580
in and uh he telephoned because it was a

685
00:24:29,390 --> 00:24:27,720
telephone at the bottom of their block

686
00:24:31,610 --> 00:24:29,400
and he said are you watching it on

687
00:24:34,850 --> 00:24:31,620
screen he said we have it on screen

688
00:24:36,310 --> 00:24:34,860

so I recent Flying Saucer then but my

689

00:24:38,870 --> 00:24:36,320

husband never said anything

690

00:24:42,770 --> 00:24:38,880

he said didn't he say that they he said

691

00:24:45,649 --> 00:24:43,970

all the time I know I've got to flip

692

00:24:47,450 --> 00:24:45,659

through it but he says that's that's

693

00:24:50,029 --> 00:24:47,460

nothing he said they're more likely

694

00:24:51,649 --> 00:24:50,039

loads over about that that was a

695

00:24:55,430 --> 00:24:51,659

security base too

696

00:24:56,649 --> 00:24:55,440

that was um Eckland Air Force Base is it

697

00:24:59,029 --> 00:24:56,659

the phone

698

00:25:03,310 --> 00:24:59,039

we thought that actually before haven't

699

00:25:03,320 --> 00:25:07,810

do you think

700

00:25:13,070 --> 00:25:10,070

you made me

701

00:25:16,850 --> 00:25:13,789

um

702

00:25:19,909 --> 00:25:16,860

the autopsy film when we're invited to

703

00:25:22,370 --> 00:25:19,919

the autopsy film yeah when we got home

704

00:25:25,010 --> 00:25:22,380

uh from there I found out Beverly on one

705

00:25:26,990 --> 00:25:25,020

occasion for some reason as I picked the

706

00:25:29,210 --> 00:25:27,000

phone up to talk to her

707

00:25:31,669 --> 00:25:29,220

the phone Clique do you know what I mean

708

00:25:34,130 --> 00:25:31,679

so somebody else had picked a phone up a

709

00:25:36,649 --> 00:25:34,140

few minutes after Beverly had

710

00:25:38,990 --> 00:25:36,659

and uh it happened quite a few times

711

00:25:40,930 --> 00:25:39,000

back to the three times actually

712

00:25:43,730 --> 00:25:40,940

it was really peculiar

713

00:25:45,529 --> 00:25:43,740

yeah it was Roswell autopsy film yeah

714

00:25:46,970 --> 00:25:45,539

that happened well it was about that

715

00:25:48,470 --> 00:25:46,980

very night wasn't it so we started

716

00:25:50,330 --> 00:25:48,480

acting stupid down the phone and saying

717

00:25:51,470 --> 00:25:50,340

stupid things so there wasn't nothing I

718

00:25:52,789 --> 00:25:51,480

mean if they'd done that they wouldn't

719

00:25:54,649 --> 00:25:52,799

find nothing out anyway because I got

720

00:25:56,510 --> 00:25:54,659

nothing to hide and everything we've

721

00:25:58,250 --> 00:25:56,520

said we've said before anyways this one

722

00:26:02,029 --> 00:25:58,260

is of my dad's

723

00:26:04,970 --> 00:26:02,039

in 1947 in the yearbook

724

00:26:09,049 --> 00:26:04,980

at Roswell New Mexico according to the

725

00:26:11,210 --> 00:26:09,059

records my father was never there so why

726

00:26:13,490 --> 00:26:11,220

is his picture in the yearbook because
