

**A MESSAGE AND A WARNING
TO HUMANITY
AS SEEN FROM THE UNIVERSE**

The Messenger
SUKTO PAZ WELLS

English translation by Colin Bloy

Recorded at Centre-Link in Ho
the home of Baroness Edmé.

1
00:00:15,650 --> 00:00:13,190
well ladies and gentlemen hey

2
00:00:19,370 --> 00:00:15,660
um we're gathered here this evening to

3
00:00:23,510 --> 00:00:19,380
listen to six stuff those of you who may

4
00:00:26,689 --> 00:00:23,520
not know him uh will obviously know that

5
00:00:29,150 --> 00:00:26,699
he is a person who has had considerable

6
00:00:30,769 --> 00:00:29,160
experience in contact with

7
00:00:34,729 --> 00:00:30,779
extraterrestrials

8
00:00:37,250 --> 00:00:34,739
in a particularly in Peru and that from

9
00:00:38,870 --> 00:00:37,260
those experiences he has gained

10
00:00:41,810 --> 00:00:38,880
considerable spiritual insights and

11
00:00:44,869 --> 00:00:41,820
understandings which he now with his

12
00:00:47,510 --> 00:00:44,879
group Rama wishes to try to share with

13
00:00:50,590 --> 00:00:47,520

as many people in the world as possible

14

00:00:53,330 --> 00:00:50,600

I'm Only The Interpreter

15

00:00:55,790 --> 00:00:53,340

so I will do my best

16

00:00:59,389 --> 00:00:55,800

and try to represent

17

00:01:01,630 --> 00:00:59,399

uh sixtures words in the way that he

18

00:01:04,189 --> 00:01:01,640

intends them

19

00:01:06,469 --> 00:01:04,199

I think you were calling for a tutorial

20

00:01:08,149 --> 00:01:06,479

translate and you wouldn't think he

21

00:01:17,649 --> 00:01:08,159

needed an interpreter actually but there

22

00:01:17,659 --> 00:01:23,590

the experience of which I am a part is

23

00:01:30,249 --> 00:01:26,630

one of many that have occurred around

24

00:01:41,770 --> 00:01:32,450

my experience is not necessarily the

25

00:01:56,109 --> 00:01:45,670

but I have served the purpose

26
00:02:02,810 --> 00:01:59,749
and I've been able to be instrumental in

27
00:02:09,490 --> 00:02:02,820
journalists being present during context

28
00:02:19,930 --> 00:02:13,490
the last time was in 1989 when 40

29
00:02:26,589 --> 00:02:23,270
and they saw filmed and photographed the

30
00:02:33,790 --> 00:02:26,599
ship that appeared on that occasion

31
00:02:38,390 --> 00:02:36,350
occasion the ship appeared in order to

32
00:02:42,850 --> 00:02:38,400
demonstrate that the contact was

33
00:02:51,369 --> 00:02:44,869
and the message that they're

34
00:03:00,790 --> 00:02:53,990
they say they belong to a great white

35
00:03:06,710 --> 00:03:03,670
it's a Brotherhood that

36
00:03:12,610 --> 00:03:06,720
forms plans for intervention on

37
00:03:20,170 --> 00:03:15,410
and this particular planet on which we

38
00:03:30,309 --> 00:03:22,910

it's not to say that we are like guinea

39

00:03:39,530 --> 00:03:33,949

we're really like babies not like guinea

40

00:03:50,770 --> 00:03:42,050

nor are we like some sort of farm where

41

00:04:00,910 --> 00:03:53,449

we are rather like children in a

42

00:04:07,009 --> 00:04:04,210

and according to them not all

43

00:04:13,690 --> 00:04:07,019

extraterrestrial visitors come here with

44

00:04:18,050 --> 00:04:15,949

but those who don't come with good

45

00:04:29,590 --> 00:04:18,060

intentions have considerable difficulty

46

00:04:38,150 --> 00:04:32,810

certain of the ships that have been sent

47

00:04:40,189 --> 00:04:38,160

by those people have in fact uh been

48

00:04:47,409 --> 00:04:40,199

broken up by the protective fields

49

00:04:52,730 --> 00:04:50,390

also in many of the sacred writings of

50

00:05:03,969 --> 00:04:52,740

many civilizations on our Earth there's

51
00:05:10,790 --> 00:05:07,689
they also say that some 26 000 years ago

52
00:05:15,850 --> 00:05:10,800
a group of extraterrestrials were

53
00:05:24,070 --> 00:05:19,490
as a result of a sort of the Civil War

54
00:05:27,670 --> 00:05:26,270
and this occurred in the constellation

55
00:05:30,170 --> 00:05:27,680
of Orion

56
00:05:34,870 --> 00:05:30,180
civilization and it involved many

57
00:05:43,730 --> 00:05:38,749
but only one group was punished and sent

58
00:05:48,409 --> 00:05:46,070
and they were obliged to try and help us

59
00:05:52,189 --> 00:05:48,419
even though they didn't want to I'll

60
00:05:57,590 --> 00:05:54,230
although they started to help at the

61
00:06:01,150 --> 00:05:57,600
beginning later they lost that desire

62
00:06:06,129 --> 00:06:01,160
and can continue to act in a negative

63
00:06:10,010 --> 00:06:08,270

and of course because they were

64

00:06:19,810 --> 00:06:10,020

accustomed to life outside the Earth

65

00:06:25,670 --> 00:06:22,610

and they cannot reincarnate in our world

66

00:06:28,550 --> 00:06:25,680

because the vibratory level is too low

67

00:06:28,560 --> 00:06:33,490

is

68

00:06:39,170 --> 00:06:36,590

and there are in a sense in a fourth

69

00:06:48,249 --> 00:06:39,180

dimension from which they have declared

70

00:06:53,990 --> 00:06:52,249

and they manipulate a few key people in

71

00:06:59,529 --> 00:06:54,000

the world in order to try and maintain

72

00:07:04,450 --> 00:07:01,610

one of the things they succeeded in

73

00:07:07,070 --> 00:07:04,460

doing was to get all the great archives

74

00:07:11,650 --> 00:07:07,080

and historical records of mankind

75

00:07:28,749 --> 00:07:14,150

so the mankind will be a victim of

76

00:07:40,330 --> 00:07:32,930

and the civilizations uh that wish to

77

00:07:46,870 --> 00:07:44,809

and 32 of them landed in the Gobi desert

78

00:07:50,230 --> 00:07:46,880

in Mongolia

79

00:07:56,350 --> 00:07:50,240

interplanet a form of

80

00:08:07,510 --> 00:08:00,170

and formed a type of internal positive

81

00:08:13,189 --> 00:08:11,570

and tried to put together again all the

82

00:08:18,070 --> 00:08:13,199

information in a way which was

83

00:08:22,670 --> 00:08:20,749

and also prepare people so that they

84

00:08:28,210 --> 00:08:22,680

were able to make a good use of this

85

00:08:32,930 --> 00:08:30,770

and of course Humanity has in the sense

86

00:08:35,089 --> 00:08:32,940

been

87

00:08:43,510 --> 00:08:35,099

families between these two opposing

88

00:08:52,509 --> 00:08:46,190

many of the extraterrestrials who come

89

00:08:58,269 --> 00:08:55,610

and those who don't have a human

90

00:09:00,310 --> 00:08:58,279

appearance prefer not to have

91

00:09:02,990 --> 00:09:00,320

contacts

92

00:09:09,009 --> 00:09:03,000

because they know that we we judge by

93

00:09:16,070 --> 00:09:12,949

and if their appearance is in some way

94

00:09:17,990 --> 00:09:16,080

totally different to ours they feel we

95

00:09:20,210 --> 00:09:18,000

will judge them by that appearance and

96

00:09:21,769 --> 00:09:20,220

condemn them as negative when they are

97

00:09:33,889 --> 00:09:21,779

not necessarily said

98

00:09:41,650 --> 00:09:37,970

and our planet is a project from which

99

00:09:49,750 --> 00:09:44,449

Central Universal but it doesn't make us

100

00:09:58,269 --> 00:09:52,670

seven other planets which isn't apart

101
00:10:04,370 --> 00:10:01,190
but apparently the only planet which is

102
00:10:06,850 --> 00:10:04,380
likely to achieve positive results is

103
00:10:21,829 --> 00:10:09,550
the

104
00:10:28,210 --> 00:10:21,839
apprenticeship that is developing on

105
00:10:35,170 --> 00:10:31,310
this will give the humanity the

106
00:10:38,050 --> 00:10:35,180
possibility of changing its own future

107
00:10:42,850 --> 00:10:38,060
means

108
00:10:42,860 --> 00:10:50,530
but we can change the order of things

109
00:10:58,550 --> 00:10:55,130
and the prophecies are in a sense not

110
00:11:00,170 --> 00:10:58,560
forecasts but warnings and give us a

111
00:11:15,610 --> 00:11:00,180
chance to do something to correct them

112
00:11:19,970 --> 00:11:18,050
because there's a lot of people out

113
00:11:26,769 --> 00:11:19,980

there in the universe observing what's

114

00:11:35,050 --> 00:11:29,210

going to do for us what we should really

115

00:11:42,430 --> 00:11:38,810

there is not just merely contact with

116

00:11:47,829 --> 00:11:44,990

there are contacts with the governments

117

00:11:53,290 --> 00:11:50,630

but this is done very discreetly

118

00:11:57,769 --> 00:11:53,300

discrete I mean

119

00:12:01,210 --> 00:11:59,569

because they're very much afraid of a

120

00:12:04,930 --> 00:12:01,220

cultural

121

00:12:16,269 --> 00:12:08,449

which could provoke a religious economic

122

00:12:20,470 --> 00:12:18,490

the basic message through the

123

00:12:22,210 --> 00:12:20,480

extraterrestrials is one of Love

124

00:12:28,389 --> 00:12:22,220

fraternity

125

00:12:35,389 --> 00:12:31,009

whereas the system we operate currently

126

00:12:36,100 --> 00:12:35,399

is one of competitive competitiveness is

127

00:12:46,750 --> 00:12:36,110

that right

128

00:12:53,870 --> 00:12:50,269

the contact Works in various ways eye

129

00:12:57,710 --> 00:12:53,880

contact us physicals is that a physical

130

00:12:57,720 --> 00:13:24,430

policy foreign

131

00:13:30,530 --> 00:13:27,769

the contact is gradual but on each

132

00:13:34,269 --> 00:13:30,540

occasion it develops in a more profound

133

00:13:34,279 --> 00:13:48,370

they're a telepathic mental contacts

134

00:13:54,949 --> 00:13:52,730

in feelings of discomfort or odd

135

00:14:12,190 --> 00:13:54,959

Sensations when people go into certain

136

00:14:16,970 --> 00:14:15,110

it's a method they use with people who

137

00:14:24,370 --> 00:14:16,980

have a certain preparation the dream

138

00:14:29,949 --> 00:14:27,230

the contract it does not have as an

139

00:14:35,290 --> 00:14:29,959

objective to create a form of dependency

140

00:14:44,689 --> 00:14:39,769

but to create within us a change and a

141

00:14:49,970 --> 00:14:47,509

the their messages the world is not

142

00:14:51,010 --> 00:14:49,980

going to stop it's going to be

143

00:14:54,850 --> 00:14:51,020

transformed

144

00:15:01,850 --> 00:14:59,509

but we must each one of us initiate our

145

00:15:05,889 --> 00:15:01,860

own personal transformation in order to

146

00:15:10,250 --> 00:15:05,899

achieve that is

147

00:15:17,269 --> 00:15:10,260

and it's a personal and non-transferable

148

00:15:21,590 --> 00:15:19,910

uh they say that in fact we can go

149

00:15:27,790 --> 00:15:21,600

further than they themselves have

150

00:15:38,590 --> 00:15:32,810

in fact we do have we humans a psychic

151
00:15:45,290 --> 00:15:42,290
because we are a version of the original

152
00:15:49,090 --> 00:15:45,300
creators which has been improved and

153
00:15:49,100 --> 00:15:55,090
and we can open doors between dimensions

154
00:16:02,110 --> 00:15:57,889
and we can unite the three universes

155
00:16:07,670 --> 00:16:05,170
they speak of a

156
00:16:11,829 --> 00:16:07,680
universal material Universe of seven

157
00:16:21,250 --> 00:16:16,129
and beyond that as in music in the

158
00:16:28,750 --> 00:16:24,050
and there is a mental universe that has

159
00:16:38,590 --> 00:16:31,550
and further to that there is a spiritual

160
00:16:44,810 --> 00:16:42,829
and we who live in this Dimension have

161
00:16:51,189 --> 00:16:44,820
seven bodies to live in these seven

162
00:16:58,069 --> 00:16:53,990
and we have seven centers which when

163
00:17:00,450 --> 00:16:58,079

they are well awakened permitters to act

164

00:17:01,730 --> 00:17:00,460

consciously in these dimensions

165

00:17:14,289 --> 00:17:01,740

[Music]

166

00:17:23,949 --> 00:17:18,770

and we will have the capability to enter

167

00:17:30,610 --> 00:17:27,669

for this we need to develop the will

168

00:17:33,530 --> 00:17:30,620

is

169

00:17:36,529 --> 00:17:33,540

we need to know first of all what can be

170

00:17:39,130 --> 00:17:36,539

done and then develop the desire to do

171

00:17:45,770 --> 00:17:42,710

important this must have a very

172

00:17:45,780 --> 00:17:51,549

and this should be love D

173

00:17:56,630 --> 00:17:55,070

manipulation when Humanity realizes that

174

00:17:58,690 --> 00:17:56,640

we have been victims of a great

175

00:18:05,350 --> 00:17:58,700

manipulation

176

00:18:11,930 --> 00:18:08,630

like for instance this extraterrestrial

177

00:18:14,810 --> 00:18:11,940

group that is in our world which has

178

00:18:21,490 --> 00:18:14,820

succeeded in destroying many of the

179

00:18:29,750 --> 00:18:26,690

and also assisted mankind to have the

180

00:18:33,610 --> 00:18:29,760

motivation to destroy the ecosystem of

181

00:18:38,750 --> 00:18:36,409

and we contributed to getting much of

182

00:18:41,350 --> 00:18:38,760

humanity in the state of poverty and

183

00:18:48,470 --> 00:18:44,810

the day that we realized that he in this

184

00:18:48,480 --> 00:19:02,390

foreign

185

00:19:11,650 --> 00:19:05,110

and we will forgive ourselves

186

00:19:16,970 --> 00:19:14,590

and we will have made the great change

187

00:19:18,890 --> 00:19:16,980

and we'll be able to give the great

188

00:19:26,529 --> 00:19:18,900

teaching

189

00:19:40,810 --> 00:19:30,590

and we will at that time change from

190

00:19:46,970 --> 00:19:44,630

many of the phases of civilization in

191

00:19:51,789 --> 00:19:46,980

world history have been initiated

192

00:19:59,770 --> 00:19:54,169

they believe in the same God that we

193

00:20:04,909 --> 00:20:02,090

like what we're doing is believing in

194

00:20:06,590 --> 00:20:04,919

the god that they initiated on our

195

00:20:17,830 --> 00:20:06,600

planet

196

00:20:24,110 --> 00:20:20,169

many civilizations

197

00:20:25,789 --> 00:20:24,120

uh are relative of this this type of a

198

00:20:40,510 --> 00:20:25,799

relatively recent in the history of the

199

00:20:46,930 --> 00:20:44,210

and some of these uh civilizations that

200

00:20:50,330 --> 00:20:46,940

have been contacted in this way to

201
00:20:55,630 --> 00:20:50,340
interpreted the context as gods or

202
00:21:06,490 --> 00:20:59,090
they didn't necessarily promote that

203
00:21:10,490 --> 00:21:08,810
because it was more convenient to the

204
00:21:13,789 --> 00:21:10,500
level of consciousness of humanity at

205
00:21:18,130 --> 00:21:13,799
the times to let that particular belief

206
00:21:23,289 --> 00:21:20,990
but we shouldn't see them as gods or

207
00:21:30,710 --> 00:21:23,299
Angels

208
00:21:38,950 --> 00:21:33,710
and it's a great hope that if others

209
00:21:43,370 --> 00:21:41,510
and passive crisis like the one for

210
00:21:45,190 --> 00:21:43,380
instance that we humans are living

211
00:21:47,870 --> 00:21:45,200
through today

212
00:21:52,810 --> 00:21:47,880
therefore we too can survive

213
00:22:02,950 --> 00:21:55,549

during the 17 years in which I've been

214

00:22:10,130 --> 00:22:07,270

I've had eight chances to see the

215

00:22:12,310 --> 00:22:10,140

extraterrestrials physically the

216

00:22:15,049 --> 00:22:12,320

entrance opportunity

217

00:22:20,470 --> 00:22:15,059

and on three occasions I went inside

218

00:22:25,909 --> 00:22:24,470

and one once some three years after the

219

00:22:30,549 --> 00:22:25,919

first Contact

220

00:22:30,559 --> 00:22:38,710

13 not three sorry this project is

221

00:22:49,149 --> 00:22:42,289

I was able to go back with them to the

222

00:22:53,090 --> 00:22:51,230

they come from one of the moons of

223

00:22:58,090 --> 00:22:53,100

Jupiter where there is no natural life

224

00:23:05,830 --> 00:23:00,950

and the communities that they have there

225

00:23:10,130 --> 00:23:08,450

and they control their lives through

226

00:23:14,950 --> 00:23:10,140

their technology and their psychic

227

00:23:25,029 --> 00:23:17,570

there's not just one civilization there

228

00:23:29,750 --> 00:23:27,649

and then there is one city of twelve

229

00:23:34,330 --> 00:23:29,760

thousand people people who have in fact

230

00:23:39,970 --> 00:23:37,130

some of them rescued from the famous

231

00:23:43,010 --> 00:23:39,980

Bermuda Triangle

232

00:23:45,470 --> 00:23:43,020

importance and from other

233

00:23:48,430 --> 00:23:45,480

parts of the world where there are these

234

00:23:52,010 --> 00:23:48,440

Gates between the dimensions

235

00:23:58,570 --> 00:23:52,020

but occurring naturally

236

00:24:03,789 --> 00:24:01,310

and some who have been rescued from the

237

00:24:09,490 --> 00:24:03,799

hands of extraterrestrials who have come

238

00:24:15,789 --> 00:24:12,409

and they're being prepared to return to

239

00:24:24,049 --> 00:24:18,950

so that they can be reinfilitrated into

240

00:24:24,059 --> 00:24:30,549

um

241

00:24:36,470 --> 00:24:32,930

I could tell you many many interesting

242

00:24:42,470 --> 00:24:36,480

things but maybe it's better if you ask

243

00:24:42,480 --> 00:24:52,450

McLean

244

00:25:00,049 --> 00:24:55,310

because of the film that Shirley MacLean

245

00:25:05,230 --> 00:25:00,059

made in 86. I was invited twice to the

246

00:25:11,649 --> 00:25:10,310

and I was asked to give two conferences

247

00:25:15,850 --> 00:25:11,659

about the message of the

248

00:25:15,860 --> 00:25:21,970

and about a journalist present integers

249

00:25:37,690 --> 00:25:25,210

one of them was the Chilean

250

00:25:46,730 --> 00:25:41,350

they believe in the same God as we do

251
00:25:55,789 --> 00:25:46,740
so is the original plan from God and is

252
00:25:55,799 --> 00:26:24,130
um

253
00:26:34,029 --> 00:26:28,909
but the creation uh of course by various

254
00:26:41,649 --> 00:26:36,529
God is far more practical than perhaps

255
00:26:46,130 --> 00:26:44,210
because when you said that we were a

256
00:26:48,649 --> 00:26:46,140
special project I mean whose project are

257
00:26:50,510 --> 00:26:48,659
we are we the project of of God are we

258
00:26:55,330 --> 00:26:50,520
the project of the sexual spiritual

259
00:27:04,330 --> 00:26:58,190
the project originally came from the

260
00:27:08,710 --> 00:27:08,029
but it was proposed by a group that we

261
00:27:10,330 --> 00:27:08,720
would call

262
00:27:13,750 --> 00:27:10,340
[Music]

263
00:27:21,610 --> 00:27:15,830

because they come from the mental

264

00:27:30,169 --> 00:27:24,830

the idea that was put forward was to

265

00:27:35,950 --> 00:27:32,570

in which there was the least possible

266

00:27:44,830 --> 00:27:39,950

and therefore could realize itself to

267

00:27:56,710 --> 00:27:47,450

universal material there were many

268

00:28:03,230 --> 00:27:59,870

the material Universe acts like heart

269

00:28:07,450 --> 00:28:03,240

some moments it's passing outwards some

270

00:28:17,090 --> 00:28:11,029

the expansion is the day the contraction

271

00:28:24,890 --> 00:28:19,970

we are in the early stages of a new

272

00:28:24,900 --> 00:28:33,049

um

273

00:28:37,669 --> 00:28:34,370

the first

274

00:28:39,250 --> 00:28:37,679

uh types of human Humanity that appeared

275

00:29:01,510 --> 00:28:39,260

in this universe

276

00:29:08,289 --> 00:29:05,149

and they were Advanced quite quickly and

277

00:29:10,330 --> 00:29:08,299

were able in their turn to assist other

278

00:29:13,510 --> 00:29:10,340

Humanities to

279

00:29:19,730 --> 00:29:16,690

but as the directors or their maestros

280

00:29:31,930 --> 00:29:19,740

the ultra-terrestrials from the mental

281

00:29:31,940 --> 00:29:41,889

that do not have free will in the center

282

00:29:48,470 --> 00:29:46,210

they are programmed in other words

283

00:29:50,570 --> 00:29:48,480

they cannot change where they come from

284

00:29:51,290 --> 00:29:50,580

where they came from nor where they are

285

00:29:55,870 --> 00:29:51,300

going

286

00:30:01,610 --> 00:29:59,149

the the beings of the material uh

287

00:30:16,630 --> 00:30:01,620

Universe have this Free Will and free

288

00:30:23,029 --> 00:30:20,389

being mental beings they don't actually

289

00:30:26,470 --> 00:30:23,039

have a spiritual perception of the

290

00:30:35,830 --> 00:30:26,480

universe and therefore cannot appreciate

291

00:30:43,130 --> 00:30:38,210

and consequently they are not able to

292

00:30:49,870 --> 00:30:43,140

teach to their disciples at what they do

293

00:30:56,570 --> 00:30:54,049

and rapidly the civilizations on in the

294

00:31:00,889 --> 00:30:56,580

material universe

295

00:31:04,029 --> 00:31:00,899

became operative in this 2016 the fifth

296

00:31:08,710 --> 00:31:04,039

and sixth Dimensions

297

00:31:14,889 --> 00:31:11,510

which is the consciousness of the

298

00:31:20,769 --> 00:31:14,899

essence and does this

299

00:31:27,710 --> 00:31:23,590

and whatever it was necessary to create

300

00:31:29,529 --> 00:31:27,720

uh Humanities with specific

301

00:31:31,450 --> 00:31:29,539

spiritual

302

00:32:09,370 --> 00:31:31,460

potentials

303

00:32:14,450 --> 00:32:11,870

because some people some of them said

304

00:32:18,110 --> 00:32:14,460

you know how can these people who are so

305

00:32:21,470 --> 00:32:18,120

young be set out as being able to teach

306

00:32:30,070 --> 00:32:21,480

others what uh should have taken years

307

00:32:35,269 --> 00:32:33,110

in many ways makes us remember the story

308

00:33:30,649 --> 00:32:35,279

of Joseph in the Bible

309

00:33:35,110 --> 00:33:33,049

take vengeance upon his brothers for the

310

00:33:42,049 --> 00:33:35,120

damage they had done him

311

00:33:42,059 --> 00:33:46,070

completely

312

00:33:56,169 --> 00:33:49,310

really there is a a form of conspiracy

313

00:34:02,269 --> 00:33:59,450

and there is this group of beings who

314

00:34:09,250 --> 00:34:02,279

are imprisoned here who maintain uh the

315

00:34:15,430 --> 00:34:11,930

and certain ships that have arrived here

316

00:34:19,089 --> 00:34:15,440

uh with negative intentions

317

00:34:19,099 --> 00:34:27,730

and they have fertilized uh human beings

318

00:34:37,629 --> 00:34:32,450

in order to create bodies in which these

319

00:34:44,649 --> 00:34:37,639

beings can reincarnate in this planet

320

00:34:50,710 --> 00:34:47,930

in terms of cloning and creating a

321

00:34:55,669 --> 00:34:53,450

was in order to facilitate the

322

00:35:01,550 --> 00:34:55,679

production of these bodies

323

00:35:06,349 --> 00:35:03,470

and when we find in the course of

324

00:35:09,910 --> 00:35:06,359

history people with a very high

325

00:35:09,920 --> 00:35:15,849

levels

326

00:35:21,530 --> 00:35:18,609

the very often stories that these people

327

00:35:25,030 --> 00:35:21,540

have been subjective subjected to

328

00:35:34,630 --> 00:35:25,040

attacks by demons and negative forces

329

00:35:40,370 --> 00:35:38,089

and there's always been this desire to

330

00:35:42,589 --> 00:35:40,380

take possession of the right sort of

331

00:35:50,210 --> 00:35:42,599

body to permit these beings to

332

00:35:55,790 --> 00:35:53,150

I Dominate and by dominating people

333

00:36:01,510 --> 00:35:55,800

mentally and spiritually they actually

334

00:36:07,130 --> 00:36:04,250

and that's they need to rejuvenate

335

00:36:08,270 --> 00:36:07,140

themselves by having a physical body to

336

00:36:21,430 --> 00:36:08,280

feed on

337

00:36:30,849 --> 00:36:25,130

you're trying to help us uh trying to

338

00:36:39,310 --> 00:36:33,470

the only advantage that negative forces

339

00:36:47,230 --> 00:36:43,670

the the negative forces understand their

340

00:36:54,370 --> 00:36:49,430

and we do not know our real

341

00:36:54,380 --> 00:36:59,470

they can dominate us through fear

342

00:37:13,690 --> 00:37:01,550

because there's no other way they can

343

00:37:20,630 --> 00:37:17,870

in the Psalms it's written but Man was

344

00:37:38,589 --> 00:37:20,640

created slightly lower than the angels

345

00:37:44,569 --> 00:37:42,109

about a decade ago called planet Earth

346

00:37:47,630 --> 00:37:44,579

its future to the gods where she

347

00:37:51,109 --> 00:37:47,640

reviewed all this over the last 450 000

348

00:37:53,050 --> 00:37:51,119

years and if so how does the experiences

349

00:37:56,170 --> 00:37:53,060

you can found very similar to me

350

00:38:08,569 --> 00:37:56,180

coinciding your experiences

351

00:38:08,579 --> 00:38:18,670

um

352

00:38:25,250 --> 00:38:23,390

when we found that information of the

353

00:38:28,329 --> 00:38:25,260

same height was coming from different

354

00:38:33,310 --> 00:38:30,890

we were very happy that there should be

355

00:38:35,390 --> 00:38:33,320

such confirmation

356

00:38:38,710 --> 00:38:35,400

that's a big problem is if they don't

357

00:38:41,150 --> 00:38:38,720

but they're not similar

358

00:38:43,970 --> 00:38:41,160

because it would mean that someone would

359

00:38:46,490 --> 00:38:43,980

be playing with us oh if they pretend to

360

00:38:57,609 --> 00:38:46,500

be similar

361

00:39:03,710 --> 00:39:01,069

we have to remember too that the people

362

00:39:09,010 --> 00:39:03,720

who channel the messages are human

363

00:39:21,069 --> 00:39:13,790

and also there will be a part of us that

364

00:39:26,569 --> 00:39:23,210

these sort of messages must be treated

365

00:39:32,050 --> 00:39:26,579

with the greatest objectivity

366

00:39:36,470 --> 00:39:34,609

to receive these messages is a little

367

00:39:40,630 --> 00:39:36,480

bit like treading the edge of the razor

368

00:39:55,130 --> 00:39:44,870

it's very easy to lose your contact with

369

00:40:00,290 --> 00:39:58,849

you should always try to prove and test

370

00:40:02,470 --> 00:40:00,300

that on the other end of the telephone

371

00:40:10,690 --> 00:40:02,480

it really is them

372

00:40:17,810 --> 00:40:13,450

many of the messages are very nice

373

00:40:20,329 --> 00:40:17,820

but we shouldn't always presume uh that

374

00:40:22,130 --> 00:40:20,339

it may come from them uh it doesn't

375

00:40:26,530 --> 00:40:22,140

necessarily mean to say they are there

376

00:40:32,950 --> 00:40:29,109

the message shouldn't only be logical

377

00:40:38,410 --> 00:40:35,210

but they should be capable of being

378

00:40:41,630 --> 00:40:38,420

proven to have come from these sources

379

00:40:43,430 --> 00:40:41,640

Yeah question and I've done quite a lot

380

00:40:45,349 --> 00:40:43,440

of work on Psychic interference

381

00:40:47,089 --> 00:40:45,359

connected with extraterrestrials do you

382

00:40:49,010 --> 00:40:47,099

want to translate no you if you look at

383

00:40:50,930 --> 00:40:49,020

him his English is quite good enough

384

00:40:53,210 --> 00:40:50,940

yeah I've done a lot of work to do with

385

00:40:54,890 --> 00:40:53,220

uh getting rid of the negative influence

386

00:40:57,170 --> 00:40:54,900

that's connected with extraterrestrials

387

00:40:59,450 --> 00:40:57,180

and I'm wondering when you're in the

388

00:41:01,370 --> 00:40:59,460

spaceship did the extraterrestrials give

389

00:41:03,950 --> 00:41:01,380

you any information on helping people

390

00:41:09,609 --> 00:41:03,960

human beings protect themselves from the

391

00:41:09,619 --> 00:41:18,310

we do have the parent protectors

392

00:41:22,069 --> 00:41:20,270

we can

393

00:41:29,410 --> 00:41:22,079

create

394

00:41:34,490 --> 00:41:32,390

if we realize that we're being attacked

395

00:41:37,069 --> 00:41:34,500

in this race that I've worked with being

396

00:41:39,730 --> 00:41:37,079

young children and and teenagers who

397

00:41:43,450 --> 00:41:39,740

don't know anything about it

398

00:41:51,970 --> 00:41:43,460

they need to be taught by people who

399

00:42:00,670 --> 00:41:54,890

and you can block these attacks if you

400

00:42:06,710 --> 00:42:03,950

uh the good extraterrestrials say the

401
00:42:10,250 --> 00:42:06,720
only thing we should be afraid of is our

402
00:42:10,260 --> 00:42:14,690
fear is ignorance

403
00:42:21,730 --> 00:42:18,290
it's not understanding the forces with

404
00:42:29,690 --> 00:42:26,270
and we must show people how to use this

405
00:42:29,700 --> 00:42:34,390
it's not so much a question of technique

406
00:42:45,310 --> 00:42:36,710
it's easy to teach a technique for

407
00:42:49,310 --> 00:42:47,569
it's not this is the technique in itself

408
00:42:51,650 --> 00:42:49,320
but the confidence that the technique

409
00:42:53,390 --> 00:42:51,660
will work but some of these people don't

410
00:42:58,569 --> 00:42:53,400
know anything about these things at all

411
00:42:58,579 --> 00:43:06,069
then we've got a big job to do

412
00:43:10,490 --> 00:43:08,390
did they teach you anything particular

413
00:43:13,430 --> 00:43:10,500

because like one man that I met in

414

00:43:14,930 --> 00:43:13,440

Brazil armenio who you may know the

415

00:43:17,270 --> 00:43:14,940

extraterrestrials torch and special

416

00:43:20,210 --> 00:43:17,280

breathing exercises to expand the brain

417

00:43:29,930 --> 00:43:20,220

cells and many things like that did you

418

00:43:29,940 --> 00:43:44,829

Joker

419

00:43:57,190 --> 00:43:47,450

they in fact had many years experience

420

00:44:01,130 --> 00:43:59,450

and they said we don't have to teach you

421

00:44:03,109 --> 00:44:01,140

particularly new techniques you just

422

00:44:08,829 --> 00:44:03,119

continue with your yoga exercises that

423

00:44:14,890 --> 00:44:13,069

and these are exercises given thousands

424

00:44:18,589 --> 00:44:14,900

of years ago by colonies of

425

00:44:22,270 --> 00:44:18,599

extraterrestrials in India

426
00:44:27,960 --> 00:44:24,589
it was just a question of getting on

427
00:44:34,370 --> 00:44:30,290
[Music]

428
00:44:36,349 --> 00:44:34,380
to ask because I don't I I've never had

429
00:44:38,990 --> 00:44:36,359
an experience like that that I am aware

430
00:44:42,530 --> 00:44:39,000
of negative energy and I want to know if

431
00:44:45,290 --> 00:44:42,540
that negative energy is what attacks

432
00:44:48,670 --> 00:44:45,300
you it might come from an

433
00:44:52,069 --> 00:44:48,680
extraterrestrial and if you are able to

434
00:44:55,309 --> 00:44:52,079
distinguish if it's

435
00:45:03,609 --> 00:44:55,319
from them or or if all negative energy

436
00:45:09,770 --> 00:45:07,490
we can distinguish between an x a

437
00:45:12,710 --> 00:45:09,780
negative extraterrestrial energy and a

438
00:45:37,270 --> 00:45:12,720

negative energy from another source with

439

00:45:43,130 --> 00:45:40,730

and it's a demonstration that we do in

440

00:45:49,430 --> 00:45:43,140

fact have certain characteristics which

441

00:45:58,089 --> 00:45:51,349

and they say that in order for us to

442

00:46:13,210 --> 00:46:02,390

we should combine Instinct intuition and

443

00:46:18,290 --> 00:46:15,890

and one of the reasons they attack us is

444

00:46:20,390 --> 00:46:18,300

because they know that if we make too

445

00:46:46,510 --> 00:46:20,400

much progress we will be much more

446

00:46:52,910 --> 00:46:49,430

correctly here the technique of

447

00:46:57,050 --> 00:46:52,920

protection is not nearly as important as

448

00:46:59,569 --> 00:46:57,060

the understanding and the confidence and

449

00:47:01,150 --> 00:46:59,579

the setting up of that block you can't

450

00:47:13,750 --> 00:47:01,160

touch me

451
00:47:18,950 --> 00:47:16,190
I mean are you suggesting that you get

452
00:47:29,829 --> 00:47:18,960
you you notice these forces no against

453
00:47:34,670 --> 00:47:33,050
normally a cause of negative influences

454
00:47:37,250 --> 00:47:34,680
on individuals is the fact that they are

455
00:47:38,950 --> 00:47:37,260
making progress and that there is the

456
00:47:41,329 --> 00:47:38,960
law of reaction

457
00:47:42,950 --> 00:47:41,339
uh I put it in different way since you

458
00:47:45,230 --> 00:47:42,960
tweet the Devil's Tail he gives you a

459
00:47:48,790 --> 00:47:45,240
little bite

460
00:47:51,349 --> 00:47:48,800
but I think we mean the same thing

461
00:47:53,569 --> 00:47:51,359
excuse me for the benefit of those who

462
00:47:55,730 --> 00:47:53,579
don't understand English but you'll be

463
00:47:56,930 --> 00:47:55,740

so kindness to translate from Spanish to

464

00:48:00,589 --> 00:47:56,940

English

465

00:48:01,609 --> 00:48:00,599

to Spanish so that they can in the

466

00:48:08,510 --> 00:48:01,619

questions

467

00:48:12,829 --> 00:48:10,250

um you mentioned there was 32

468

00:48:15,770 --> 00:48:12,839

civilizations that landed in the Gopi

469

00:48:18,710 --> 00:48:15,780

desert when was that well I have to

470

00:48:20,589 --> 00:48:18,720

translate the question now oh oh I see

471

00:48:25,030 --> 00:48:20,599

go ahead

472

00:48:27,349 --> 00:48:25,040

no 30 no 32 civilizations 32

473

00:48:27,910 --> 00:48:27,359

extraterrestrials being

474

00:48:30,950 --> 00:48:27,920

um

475

00:48:35,290 --> 00:48:30,960

represents they represent 32

476
00:48:35,300 --> 00:48:52,670
yes yes

477
00:48:55,490 --> 00:48:54,290
I can't remember what the question was

478
00:49:33,829 --> 00:48:55,500
now

479
00:50:05,470 --> 00:49:35,750
millions and millions and millions of

480
00:50:21,190 --> 00:50:09,230
and the highest level in the hierarchy

481
00:50:26,870 --> 00:50:23,690
on the next level below there's a group

482
00:50:35,470 --> 00:50:26,880
called genetic Engineers or the Sowers

483
00:50:42,490 --> 00:50:38,569
in the Bible they are known as the

484
00:50:47,569 --> 00:50:44,470
es

485
00:50:54,190 --> 00:50:47,579
below them are the Guardians

486
00:50:54,200 --> 00:51:03,340
and nearer to us are the instructors

487
00:51:03,350 --> 00:51:07,390
[Music]

488
00:51:14,470 --> 00:51:10,849

we're one of eight galaxies uh turning

489

00:51:14,480 --> 00:51:22,030

and the central Galaxy is Andromeda yes

490

00:51:30,069 --> 00:51:24,770

which is two million light years from

491

00:51:39,069 --> 00:51:32,990

and each one of these galaxies has a

492

00:51:50,049 --> 00:51:42,130

and there is the Council of the nine

493

00:51:54,650 --> 00:51:52,490

and the Great White Brotherhood of the

494

00:51:57,530 --> 00:51:54,660

stars is in fact the relationship that

495

00:52:02,049 --> 00:51:57,540

exists between the central Council in

496

00:52:08,650 --> 00:52:02,059

Andromeda and those in the galaxies that

497

00:52:08,660 --> 00:52:15,430

yes

498

00:52:15,440 --> 00:52:44,230

Brotherhood this of the great staff

499

00:52:50,950 --> 00:52:47,270

and more than one attempt at

500

00:52:59,170 --> 00:52:54,490

there's also been forms of hybridization

501
00:53:06,370 --> 00:53:02,150
also there have been what we might call

502
00:53:14,290 --> 00:53:11,290
and deportations to this to this planet

503
00:53:18,530 --> 00:53:14,300
it's all part of our history

504
00:53:18,540 --> 00:53:22,130
foreign

505
00:53:28,450 --> 00:53:24,770
and they say that some million years ago

506
00:53:33,309 --> 00:53:28,460
a great laboratory ship

507
00:53:42,490 --> 00:53:36,309
and with seven uh

508
00:53:48,730 --> 00:53:46,910
and they took the forebears of mankind

509
00:54:01,690 --> 00:53:48,740
yes

510
00:54:06,410 --> 00:54:04,549
in fact the interior of the laboratory

511
00:54:09,230 --> 00:54:06,420
ship was like great Greenhouse where

512
00:54:14,210 --> 00:54:09,240
they also had many plants and so on

513
00:54:18,829 --> 00:54:16,430

and they were told that they could eat

514

00:54:23,710 --> 00:54:18,839

of any of the fruits or seeds of these

515

00:54:39,130 --> 00:54:26,150

except certain plants which were

516

00:54:49,390 --> 00:54:42,170

plants they would be developing their

517

00:54:56,870 --> 00:54:53,650

and as many of the helicity or all

518

00:55:04,630 --> 00:54:56,880

hallucinogenic drugs start to destroy

519

00:55:10,329 --> 00:55:07,790

this would create an irreversible

520

00:55:14,890 --> 00:55:10,339

process of cell death and physical death

521

00:55:23,049 --> 00:55:17,870

one of the seven genetic Engineers was a

522

00:55:44,049 --> 00:55:26,210

recognized by the symbol of the serpent

523

00:55:44,059 --> 00:55:55,730

and damaged it is

524

00:56:03,849 --> 00:55:58,010

the project was underway before the

525

00:56:12,250 --> 00:56:06,170

and the experiment has lost their

526
00:56:17,990 --> 00:56:14,750
and therefore the Guardians and

527
00:56:29,349 --> 00:56:18,000
Vigilantes were sent to replace the

528
00:56:34,809 --> 00:56:32,450
when they came they in fact had sexual

529
00:56:37,150 --> 00:56:34,819
relations with

530
00:56:41,089 --> 00:56:37,160
uh the

531
00:56:49,270 --> 00:56:41,099
experimental humans and interbreeding

532
00:56:56,329 --> 00:56:52,370
thus there was an original human race

533
00:56:59,470 --> 00:56:56,339
but at that time the hybrid version was

534
00:57:16,450 --> 00:57:03,190
which was a product of the

535
00:57:22,549 --> 00:57:20,030
and in fact it was the African race that

536
00:57:26,569 --> 00:57:22,559
was the product of that experiment and

537
00:57:38,650 --> 00:57:26,579
the interbreeding the black race yeah

538
00:57:47,109 --> 00:57:42,589

uh there was also a group of hybrids or

539

00:57:54,370 --> 00:57:49,309

and these were taken to a group of

540

00:57:54,380 --> 00:58:05,530

of the Atlantean civilizations

541

00:58:11,530 --> 00:58:08,750

and because they were more authentically

542

00:58:13,490 --> 00:58:11,540

sons of the Stars they received

543

00:58:16,809 --> 00:58:13,500

privileged treatment and more

544

00:58:22,100 --> 00:58:19,450

then in fact have been originally

545

00:58:29,829 --> 00:58:22,110

conceived for the project is

546

00:58:35,690 --> 00:58:33,650

it was the wrongful use of this

547

00:58:50,289 --> 00:58:35,700

knowledge that led to the destruction of

548

00:58:55,970 --> 00:58:53,230

but there have been a subsequent

549

00:59:00,670 --> 00:58:55,980

experiments which have produced what we

550

00:59:07,450 --> 00:59:04,450

the project in Sumeria

551
00:59:16,010 --> 00:59:07,460

yes

552
00:59:16,020 --> 00:59:21,970

the project of The Descendants

553
00:59:31,809 --> 00:59:24,470

Abraham yes Abraham that's right and the

554
00:59:37,750 --> 00:59:34,370

Abraham was a most intelligent and

555
00:59:37,760 --> 00:59:42,789

and also with a very broad understanding

556
01:00:16,010 --> 00:59:45,770

and he could easily get in mental touch

557
01:00:24,349 --> 01:00:21,589

primary causes of the discipline of not

558
01:00:28,670 --> 01:00:24,359

mixing Bloods observed by their people

559
01:00:28,680 --> 01:00:31,690

foreign

560
01:00:37,870 --> 01:00:34,250

of course one of the descendants of

561
01:00:37,880 --> 01:00:52,809

or Moses Jesus or Jesus himself Jesus

562
01:00:59,450 --> 01:00:55,450

and one of the difficulties is that

563
01:01:04,930 --> 01:00:59,460

Israel has turned its back on its Cosmic

564

01:01:10,609 --> 01:01:08,270

the idea was not that a particular group

565

01:01:17,170 --> 01:01:10,619

of humanity should consider itself

566

01:01:31,329 --> 01:01:21,829

but more to be examples of spiritual

567

01:01:38,890 --> 01:01:34,390

there was a logical reason for locating

568

01:01:42,309 --> 01:01:38,900

Abraham's descendants in Israel

569

01:01:45,829 --> 01:01:42,319

the Israel is

570

01:01:51,010 --> 01:01:45,839

a natural land bridge between Africa and

571

01:02:04,990 --> 01:01:53,770

and it's a natural place in which

572

01:02:12,049 --> 01:02:08,870

if we want to give publicity to a new

573

01:02:12,910 --> 01:02:12,059

magazine we do it at a place where a lot

574

01:02:17,750 --> 01:02:12,920

of people

575

01:02:26,770 --> 01:02:17,760

will meet like a bus station or an

576

01:02:32,450 --> 01:02:29,329

and that's the ideas if Abraham will get

577

01:02:41,829 --> 01:02:32,460

much greater circulation being spread

578

01:02:48,349 --> 01:02:45,650

and to some extent we can see why Hitler

579

01:02:53,329 --> 01:02:48,359

should have an interest in trying to

580

01:02:57,589 --> 01:02:56,030

because in one in a very real sense it

581

01:03:01,970 --> 01:02:57,599

was one set of programming against

582

01:03:01,980 --> 01:03:10,309

um

583

01:03:15,770 --> 01:03:13,190

they are the two groups one who does not

584

01:03:18,410 --> 01:03:15,780

want mankind to realize his true destiny

585

01:03:23,510 --> 01:03:18,420

and his true Evolution and the other who

586

01:03:31,329 --> 01:03:26,569

other male and female as we embodies as

587

01:03:31,339 --> 01:03:37,870

yes

588

01:03:42,370 --> 01:03:40,970

there are also beings that have both

589

01:03:46,010 --> 01:03:42,380

sexes

590

01:03:47,450 --> 01:03:46,020

hermaphroditas hermaphrodites

591

01:03:51,130 --> 01:03:47,460

um

592

01:03:58,849 --> 01:03:54,470

some people can change their sex

593

01:04:04,270 --> 01:03:58,859

according to their wishes yeah

594

01:04:13,789 --> 01:04:07,130

the majority of them of course do have a

595

01:04:13,799 --> 01:04:35,950

no

596

01:04:35,960 --> 01:04:39,849

this is

597

01:04:45,789 --> 01:04:42,130

80 centimeters

598

01:04:51,370 --> 01:04:45,799

three meters to three meters high

599

01:04:56,870 --> 01:04:54,950

yeah really and so the ships were very

600

01:04:58,849 --> 01:04:56,880

tall yeah but they're little ones and

601
01:05:01,430 --> 01:04:58,859
big ones so that means that the ships

602
01:05:18,250 --> 01:05:01,440
who had a very tall ceiling very yes yes

603
01:05:26,750 --> 01:05:21,289
those who measure two meters 60 or

604
01:05:41,349 --> 01:05:28,430
for instance what appeared like a little

605
01:05:46,609 --> 01:05:44,150
and also it's not just a height it's

606
01:05:50,589 --> 01:05:46,619
because of the what they radiate that

607
01:05:52,789 --> 01:05:50,599
you feel like a little child

608
01:06:05,270 --> 01:05:52,799
and you realize that you don't really

609
01:06:05,280 --> 01:06:13,210
um

610
01:06:18,710 --> 01:06:16,609
and also uh you you forget the Sensation

611
01:06:20,990 --> 01:06:18,720
that it doesn't matter that much but you

612
01:06:34,990 --> 01:06:21,000
don't know anything was all of your

613
01:06:40,250 --> 01:06:37,609

and also because

614

01:06:45,470 --> 01:06:40,260

um you can't really transmit ideas with

615

01:06:53,529 --> 01:06:49,609

and therefore one feels what they're

616

01:06:53,539 --> 01:07:01,270

it also helps avoid misunderstandings

617

01:07:06,589 --> 01:07:04,849

not quite like here on Earth where even

618

01:07:08,270 --> 01:07:06,599

though many of us speak the same

619

01:07:11,029 --> 01:07:08,280

language we still don't understand in

620

01:07:24,470 --> 01:07:11,039

service what color were the bodies and

621

01:07:30,430 --> 01:07:27,529

there are beings around them that are

622

01:07:35,529 --> 01:07:30,440

like a robotic Androids

623

01:07:50,049 --> 01:07:37,809

they have a particular

624

01:07:55,430 --> 01:07:52,029

I've seen

625

01:07:58,690 --> 01:07:55,440

extraterrestrials whose body color is an

626

01:08:02,289 --> 01:07:58,700

intense orange color

627

01:08:02,299 --> 01:08:10,750

uh to a bright clear yellow yeah

628

01:08:16,309 --> 01:08:13,029

many of them are moving in another

629

01:08:20,450 --> 01:08:16,319

space-time Dimension before physical

630

01:08:29,169 --> 01:08:20,460

material but they have physical bodies

631

01:08:34,669 --> 01:08:31,610

depending on which civilization they're

632

01:08:43,930 --> 01:08:34,679

from but many of them will have a very

633

01:08:51,070 --> 01:08:46,370

there are some who are about human

634

01:08:52,990 --> 01:08:51,080

height one meter 80 87 let's say 18 no

635

01:08:55,209 --> 01:08:53,000

17 17

636

01:09:00,729 --> 01:08:55,219

or 76

637

01:09:04,309 --> 01:09:00,739

5 foot 11. like me yeah like me

638

01:09:13,150 --> 01:09:04,319

I'm 76. yes he says he's more average

639

01:09:13,160 --> 01:09:18,849

the face is triangular

640

01:09:18,859 --> 01:09:27,309

and the eyes are coming up like cats

641

01:09:32,890 --> 01:09:30,650

the eyes them yeah it's almost if they

642

01:09:37,930 --> 01:09:32,900

were blind

643

01:09:43,209 --> 01:09:40,610

and the labs of the is the surrounding

644

01:09:52,130 --> 01:09:48,370

will drop down almost to shoulder level

645

01:09:55,570 --> 01:09:52,140

but they're not big outwards but they're

646

01:10:10,870 --> 01:09:58,450

and the hair is much thicker now

647

01:10:17,450 --> 01:10:14,930

and in a sense he was reminded or so I

648

01:10:20,510 --> 01:10:17,460

was reminded as to the reasons why the

649

01:10:23,050 --> 01:10:20,520

in-cars considered it a sign of nobility

650

01:10:26,030 --> 01:10:23,060

to persuade the ears to grow downwards

651
01:10:29,090 --> 01:10:26,040
artificial where the physical body is

652
01:10:38,570 --> 01:10:29,100
very dense like like our bodies

653
01:10:38,580 --> 01:10:49,610
s

654
01:10:49,620 --> 01:12:03,310
foreign

655
01:12:03,320 --> 01:12:30,590
are many thinking of the attack

656
01:12:30,600 --> 01:13:02,229
foreign

657
01:13:09,050 --> 01:13:05,870
I'll get double rates for this

658
01:13:11,450 --> 01:13:09,060
um the question was what were the what

659
01:13:12,550 --> 01:13:11,460
was the place like to which six two was

660
01:13:17,149 --> 01:13:12,560
taken

661
01:13:18,830 --> 01:13:17,159
uh what do the extraterrestrials do when

662
01:13:22,010 --> 01:13:18,840
they're not taking people to these

663
01:13:27,910 --> 01:13:22,020

places and are they fun to be with it

664

01:13:41,290 --> 01:13:30,430

when you're with them you don't

665

01:13:45,770 --> 01:13:43,669

and they're working all the time whether

666

01:13:51,910 --> 01:13:45,780

they're bringing people from here to

667

01:13:58,729 --> 01:13:54,709

and of course the the people that say

668

01:14:01,490 --> 01:13:58,739

living in fact uh so that people will

669

01:14:07,149 --> 01:14:01,500

not die in the category that he

670

01:14:15,950 --> 01:14:12,709

and they continue to give help in

671

01:14:18,790 --> 01:14:15,960

enabling uh the real Destiny of

672

01:14:25,570 --> 01:14:18,800

individuals of mankind to be discovered

673

01:14:32,110 --> 01:14:28,310

the life in Ganymede is rather like what

674

01:14:35,090 --> 01:14:32,120

we would envisage a colony

675

01:14:39,130 --> 01:14:35,100

from Earth on the moon would be like

676

01:14:39,140 --> 01:14:44,410

there is a routine in the life

677

01:14:49,550 --> 01:14:46,910

and they have great greenhouses in which

678

01:14:51,590 --> 01:14:49,560

they produce their food stuff they're

679

01:14:57,550 --> 01:14:51,600

vegetarians

680

01:15:09,770 --> 01:15:00,470

they practice they dance they have music

681

01:15:16,450 --> 01:15:12,709

uh in this way they also live in their

682

01:15:16,460 --> 01:15:24,550

consciously and in a responsible way

683

01:15:36,970 --> 01:15:28,490

and also the learning

684

01:15:44,770 --> 01:15:39,950

and they continue to investigate the

685

01:15:49,330 --> 01:15:47,209

they don't have schools all of them

686

01:15:57,729 --> 01:15:49,340

teach children

687

01:16:02,450 --> 01:16:00,590

they're relatively few children but they

688

01:16:11,770 --> 01:16:02,460

put them everywhere they can so they can

689

01:16:18,350 --> 01:16:15,169

as they believe in reincarnation they

690

01:16:22,930 --> 01:16:18,360

don't believe that the children are

691

01:16:22,940 --> 01:16:30,490

but their younger brothers

692

01:16:30,500 --> 01:16:39,850

for them the family is all the community

693

01:16:52,209 --> 01:16:42,610

but the couple is

694

01:17:01,450 --> 01:16:56,689

the relationship is monogamous and there

695

01:17:12,010 --> 01:17:04,790

as they can see the aura of the aura of

696

01:17:24,669 --> 01:17:16,189

in the search for the other half you

697

01:17:29,990 --> 01:17:27,290

but according to them there are never

698

01:17:36,910 --> 01:17:30,000

two people who will find a hundred

699

01:17:47,830 --> 01:17:40,610

start the percentage is relatively High

700

01:17:57,669 --> 01:17:50,570

they say that the problems here on our

701
01:18:03,590 --> 01:18:00,530
that we forget that the most important

702
01:18:08,590 --> 01:18:03,600
aspect of the relationship of a couple

703
01:18:08,600 --> 01:18:21,610
and this

704
01:18:32,930 --> 01:18:25,970
usually will develop with dialogue which

705
01:18:32,940 --> 01:19:07,189
foreign

706
01:19:11,930 --> 01:19:08,870
because most of the problems at the

707
01:19:14,470 --> 01:19:11,940
human level are because we don't have

708
01:19:21,910 --> 01:19:14,480
the right level of

709
01:19:34,149 --> 01:19:25,270
in exactly the same like communication

710
01:19:46,030 --> 01:19:36,770
and our love for our children should

711
01:19:54,910 --> 01:19:49,390
according to the requirements of the

712
01:19:59,830 --> 01:19:58,430
and the sooner we can stop being fathers

713
01:20:03,110 --> 01:19:59,840

to our children

714

01:20:06,669 --> 01:20:03,120

and start being friends to things go

715

01:20:06,679 --> 01:20:14,530

their houses do not have angles

716

01:20:19,729 --> 01:20:17,510

angles in houses tends to stimulate

717

01:20:25,430 --> 01:20:19,739

aggression

718

01:20:25,440 --> 01:20:31,990

there's much vegetation in the cities

719

01:20:39,610 --> 01:20:34,669

but it is totally controlled

720

01:20:50,270 --> 01:20:44,890

is

721

01:20:56,229 --> 01:20:50,280

the product of their technology and

722

01:21:01,990 --> 01:20:59,330

they say that one day when we humans

723

01:21:07,510 --> 01:21:02,000

discover the real power that we have

724

01:21:16,010 --> 01:21:11,810

we can change acting collectively at the

725

01:21:16,020 --> 01:21:35,709

foreign

726

01:21:42,370 --> 01:21:39,229

Ty Union between the couples or whether

727

01:21:45,410 --> 01:21:42,380

there's some sort of Central Bureau or a

728

01:22:02,709 --> 01:21:45,420

place where you get married in a formal

729

01:22:02,719 --> 01:22:31,450

foreign

730

01:22:38,149 --> 01:22:34,790

they consider that any person be they

731

01:22:51,790 --> 01:22:38,159

male or female is the their own priest

732

01:22:59,149 --> 01:22:56,689

in fact in that capacity as our own

733

01:23:01,070 --> 01:22:59,159

priests we are presiding over the most

734

01:23:07,209 --> 01:23:01,080

sacred of All rights which is our own

735

01:23:13,070 --> 01:23:10,130

this which permits us to have communion

736

01:23:19,810 --> 01:23:13,080

not only with ourselves but with the

737

01:23:24,729 --> 01:23:21,350

Teresa

738

01:23:24,739 --> 01:23:31,750

they say that they respect our religions

739

01:23:35,689 --> 01:23:34,130

and that on Earth there is no one

740

01:23:40,270 --> 01:23:35,699

particular religion better than the

741

01:23:46,250 --> 01:23:43,090

the problem is not really the the
