

DAN AYKROYD
UNPLUGGED
ON U.F.O.S

1
00:00:14,179 --> 00:00:20,680

thank you

2
00:00:59,869 --> 00:00:23,410

[Music]

3
00:01:05,390 --> 00:01:03,590

good evening my fellow Americans

4
00:01:07,550 --> 00:01:05,400

the sighting over Washington yesterday

5
00:01:11,390 --> 00:01:07,560

has alarmed many of you

6
00:01:13,210 --> 00:01:11,400

however please do not we close yeah

7
00:01:16,609 --> 00:01:13,220

we're close

8
00:01:18,770 --> 00:01:16,619

2001 was a real Space Odyssey for me

9
00:01:21,109 --> 00:01:18,780

instead of flying on a spaceship to the

10
00:01:23,870 --> 00:01:21,119

moon Jupiter or beyond the solar system

11
00:01:26,149 --> 00:01:23,880

I met Dan Aykroyd for the first time to

12
00:01:28,010 --> 00:01:26,159

talk about UFOs

13
00:01:29,749 --> 00:01:28,020

that's when I knew I had to sit him down

14

00:01:32,270 --> 00:01:29,759

in front of a camera and just let him

15

00:01:35,030 --> 00:01:32,280

talk about the truth because if I didn't

16

00:01:35,820 --> 00:01:35,040

no one would believe we had this amazing

17

00:01:38,149 --> 00:01:35,830

conversation

18

00:01:39,590 --> 00:01:38,159

[Music]

19

00:01:41,929 --> 00:01:39,600

and one time I had this long

20

00:01:44,510 --> 00:01:41,939

conversation with Dan Aykroyd about UFOs

21

00:01:47,330 --> 00:01:44,520

and I thought it was like Einstein was

22

00:01:49,550 --> 00:01:47,340

hiding inside of a comic genius just so

23

00:01:51,530 --> 00:01:49,560

that if he told us the real truth he

24

00:01:53,810 --> 00:01:51,540

wouldn't have to believe it

25

00:01:56,270 --> 00:01:53,820

if Einstein had told us UFOs were real

26

00:01:57,830 --> 00:01:56,280

would we have believed him he never

27

00:02:00,649 --> 00:01:57,840

spoke about it

28

00:02:06,709 --> 00:02:00,659

but Dan Aykroyd speaks about UFOs as if

29

00:02:11,390 --> 00:02:09,290

so Dan how did you you know how did you

30

00:02:13,130 --> 00:02:11,400

get started in UFOs what what sparked

31

00:02:14,630 --> 00:02:13,140

your interest what was the first thing

32

00:02:16,250 --> 00:02:14,640

that that you can remember that happened

33

00:02:19,490 --> 00:02:16,260

to you that made you

34

00:02:22,369 --> 00:02:19,500

uh you know Ponder the question well I

35

00:02:25,910 --> 00:02:22,379

was born in July 1952.

36

00:02:27,650 --> 00:02:25,920

and uh I guess about uh maybe when I was

37

00:02:29,930 --> 00:02:27,660

eight years old I found a magazine a

38

00:02:32,750 --> 00:02:29,940

Life Magazine with a picture of the UFOs

39

00:02:35,150 --> 00:02:32,760

from that sighting on the cover with a

40

00:02:36,830 --> 00:02:35,160

big inquiry uh you know what what are

41

00:02:39,770 --> 00:02:36,840

these UFOs

42

00:02:41,930 --> 00:02:39,780

and uh so that kind of started it as a

43

00:02:43,970 --> 00:02:41,940

kid and I asked my parents about it and

44

00:02:45,470 --> 00:02:43,980

you know they actually you know couldn't

45

00:02:46,610 --> 00:02:45,480

tell me what they were because they

46

00:02:48,650 --> 00:02:46,620

didn't know they knew there was some

47

00:02:52,190 --> 00:02:48,660

mystery there then I saw the date the

48

00:02:54,530 --> 00:02:52,200

Earth Stood Still as a kid and uh

49

00:02:57,350 --> 00:02:54,540

I mean that was a film that was directly

50

00:02:59,630 --> 00:02:57,360

related to maybe some of the motives for

51

00:03:02,089 --> 00:02:59,640

visitations from other planets

52

00:03:04,130 --> 00:03:02,099

and it certainly seems

53

00:03:06,290 --> 00:03:04,140

accurate today if you look at the way

54

00:03:08,270 --> 00:03:06,300

Mankind in the last hundred years has

55

00:03:11,030 --> 00:03:08,280

basically started to turn this planet

56

00:03:12,830 --> 00:03:11,040

into a cinder

57

00:03:14,210 --> 00:03:12,840

three four holes in the ozone layer

58

00:03:18,290 --> 00:03:14,220

because of industrial production around

59

00:03:20,570 --> 00:03:18,300

the world nuclear testing Wars I I'm

60

00:03:22,070 --> 00:03:20,580

just sure they're just in theory if

61

00:03:24,470 --> 00:03:22,080

there were another species in the

62

00:03:25,729 --> 00:03:24,480

universe monitoring us or near us they

63

00:03:27,290 --> 00:03:25,739

would be very interested in what we're

64

00:03:31,009 --> 00:03:27,300

doing to this planet to this planet's

65

00:03:33,530 --> 00:03:31,019

atmosphere and to possibly neighboring

66

00:03:37,490 --> 00:03:33,540

bodies so there would be a concern there

67

00:03:38,869 --> 00:03:37,500

and I think that in terms of the

68

00:03:40,970 --> 00:03:38,879

Extraterrestrial machines that are

69

00:03:45,289 --> 00:03:40,980

coming and going that may be maybe a

70

00:03:49,610 --> 00:03:47,630

we've just had a rash of sightings all

71

00:03:52,190 --> 00:03:49,620

over the planet and we've got Iran and

72

00:03:55,130 --> 00:03:52,200

turkey and Mexico I mean it seems like

73

00:03:56,809 --> 00:03:55,140

we're being invaded by UFOs um let's

74

00:04:00,110 --> 00:03:56,819

talk first just about what's actually

75

00:04:02,930 --> 00:04:00,120

happening out there well recently uh the

76
00:04:04,430 --> 00:04:02,940
most dynamic sighting that we've we've

77
00:04:06,229 --> 00:04:04,440
seen because it's corroborated by an

78
00:04:07,970 --> 00:04:06,239
actual government is the

79
00:04:11,390 --> 00:04:07,980
the sighting that took place over Mexico

80
00:04:13,429 --> 00:04:11,400
recently where drug surveillance twin

81
00:04:15,649 --> 00:04:13,439
engine turboprop plane was

82
00:04:17,449 --> 00:04:15,659
at altitude

83
00:04:20,210 --> 00:04:17,459
taking pictures of possible smuggling

84
00:04:21,890 --> 00:04:20,220
routes and uh

85
00:04:23,710 --> 00:04:21,900
they photograph with their infrared

86
00:04:27,010 --> 00:04:23,720
cameras 11.

87
00:04:29,930 --> 00:04:27,020
unidentified objects

88
00:04:31,730 --> 00:04:29,940

some of them were in pairs and threes

89

00:04:32,870 --> 00:04:31,740

and of course you know these were

90

00:04:33,890 --> 00:04:32,880

objects that couldn't be seen by the

91

00:04:35,330 --> 00:04:33,900

naked eye

92

00:04:38,270 --> 00:04:35,340

but we're visible on the infrared

93

00:04:40,249 --> 00:04:38,280

cameras well the United States Air Force

94

00:04:42,710 --> 00:04:40,259

after the uh

95

00:04:44,749 --> 00:04:42,720

the news appeared in in America and it

96

00:04:47,390 --> 00:04:44,759

was covered on CNN on Fox the footage

97

00:04:49,010 --> 00:04:47,400

was shown on Fox it was shown on CNN and

98

00:04:52,010 --> 00:04:49,020

in the valley daily news on the front

99

00:04:54,170 --> 00:04:52,020

page had a big headline UFOs with a

100

00:04:55,430 --> 00:04:54,180

question mark and it had pictures from

101
00:04:59,150 --> 00:04:55,440
that sighting and of course the United

102
00:05:01,870 --> 00:04:59,160
States Air Force had to respond and they

103
00:05:05,090 --> 00:05:01,880
said it was a swamp gas

104
00:05:06,890 --> 00:05:05,100
so I don't know whether swamp gas is not

105
00:05:08,570 --> 00:05:06,900
visible to the naked eye invisible

106
00:05:11,030 --> 00:05:08,580
London for red whether it comes in

107
00:05:12,530 --> 00:05:11,040
multiple balls whether swamp gas is

108
00:05:14,150 --> 00:05:12,540
capable of doing a complete circuit

109
00:05:16,249 --> 00:05:14,160
around an aircraft and then taking off

110
00:05:18,110 --> 00:05:16,259
at high speed and right angles into the

111
00:05:19,030 --> 00:05:18,120
sky if it is then maybe it was swamp gas

112
00:05:22,070 --> 00:05:19,040
but

113
00:05:24,909 --> 00:05:22,080

somehow this seems to be a legitimate

114

00:05:26,990 --> 00:05:24,919

one because the Mexican government

115

00:05:28,670 --> 00:05:27,000

decided we want to release this to the

116

00:05:31,870 --> 00:05:28,680

world and this follows on the heels of

117

00:05:35,990 --> 00:05:31,880

the the Belgian General who revealed

118

00:05:40,070 --> 00:05:36,000

some F-15 footage years ago

119

00:05:44,029 --> 00:05:40,080

of his Air Force planes chasing objects

120

00:05:46,610 --> 00:05:44,039

that were exceeding them in speed by one

121

00:05:49,010 --> 00:05:46,620

by twice again what uh what his planes

122

00:05:50,990 --> 00:05:49,020

were going at uh the French government

123

00:05:53,930 --> 00:05:51,000

uh over the last couple of years has

124

00:05:56,210 --> 00:05:53,940

released uh comprehensive study on the

125

00:05:59,029 --> 00:05:56,220

UFOs the Soviets have been

126

00:06:00,249 --> 00:05:59,039

since the 1950s engaged in numerous

127

00:06:04,430 --> 00:06:00,259

studies

128

00:06:06,469 --> 00:06:04,440

about Landings abductions uh and and the

129

00:06:08,290 --> 00:06:06,479

sightings so we do have legitimate

130

00:06:11,029 --> 00:06:08,300

government inquiry going on and in fact

131

00:06:13,189 --> 00:06:11,039

as anyone in the field knows the United

132

00:06:16,850 --> 00:06:13,199

States government for years has been

133

00:06:19,550 --> 00:06:16,860

covering uh this issue because they were

134

00:06:20,990 --> 00:06:19,560

compelled to cover it because of Ken

135

00:06:23,210 --> 00:06:21,000

Arnold's sighting because of the

136

00:06:24,650 --> 00:06:23,220

sighting over Washington in July 52 just

137

00:06:27,529 --> 00:06:24,660

after I was born

138

00:06:30,170 --> 00:06:27,539

of the famous shot of the the v-shaped

139

00:06:33,050 --> 00:06:30,180

lights over the capitol

140

00:06:34,610 --> 00:06:33,060

and over the coast art Guard Station

141

00:06:37,370 --> 00:06:34,620

um

142

00:06:39,170 --> 00:06:37,380

so the government initiated originally I

143

00:06:40,730 --> 00:06:39,180

believe it was uh

144

00:06:43,249 --> 00:06:40,740

well it was there were project sign

145

00:06:45,469 --> 00:06:43,259

project Grudge the Condon report Project

146

00:06:50,150 --> 00:06:45,479

Blue Book and then they engaged Jay Alan

147

00:06:52,370 --> 00:06:50,160

heineck so you know the French Belgian

148

00:06:54,170 --> 00:06:52,380

Mexican Iranian and Turkish governments

149

00:06:57,230 --> 00:06:54,180

are not the only ones who address this

150

00:07:00,409 --> 00:06:57,240

issue our good old USA government has in

151
00:07:03,529 --> 00:07:00,419
fact seen uh the necessity to put

152
00:07:06,290 --> 00:07:03,539
people's fears or concerns at rest and

153
00:07:08,830 --> 00:07:06,300
uh as anybody in the field knows these

154
00:07:11,510 --> 00:07:08,840
studies went on and and these studies

155
00:07:13,189 --> 00:07:11,520
revealed that you know most of the

156
00:07:16,309 --> 00:07:13,199
sightings could be explained through

157
00:07:19,309 --> 00:07:16,319
conventional means uh as either hoaxes

158
00:07:21,950 --> 00:07:19,319
or whether climactic things uh climatic

159
00:07:23,330 --> 00:07:21,960
things but many uh the sightings were

160
00:07:26,150 --> 00:07:23,340
were unexplained

161
00:07:27,690 --> 00:07:26,160
and so therein is where where lies where

162
00:07:32,689 --> 00:07:27,700
lies the mystery in all of this

163
00:07:37,070 --> 00:07:34,370

uh Dan what do you think is the

164

00:07:38,689 --> 00:07:37,080

significance of of UFO technology I mean

165

00:07:40,430 --> 00:07:38,699

obviously these guys the

166

00:07:42,890 --> 00:07:40,440

extraterrestrials can come from one star

167

00:07:45,110 --> 00:07:42,900

system to another and visit Earth I mean

168

00:07:47,749 --> 00:07:45,120

recent headlines on CNN are talking

169

00:07:50,570 --> 00:07:47,759

about in BBC that we're going to run out

170

00:07:52,969 --> 00:07:50,580

of oil in 2026 we've got to get on to a

171

00:07:54,969 --> 00:07:52,979

better technology I mean to be able to

172

00:07:57,409 --> 00:07:54,979

go from another star system to Earth

173

00:08:00,830 --> 00:07:57,419

obviously they have the answer

174

00:08:02,689 --> 00:08:00,840

well the the presence of these

175

00:08:04,670 --> 00:08:02,699

obviously intelligently controlled

176

00:08:07,730 --> 00:08:04,680

machines uh

177

00:08:10,189 --> 00:08:07,740

tells us that we are dealing with beings

178

00:08:12,890 --> 00:08:10,199

who have uh

179

00:08:15,110 --> 00:08:12,900

anywhere from a thousand

180

00:08:18,110 --> 00:08:15,120

to a million to 10 million to a billion

181

00:08:21,650 --> 00:08:18,120

years advancement in technology on us so

182

00:08:23,270 --> 00:08:21,660

you've got to figure that

183

00:08:24,890 --> 00:08:23,280

look look what happened in the last

184

00:08:26,089 --> 00:08:24,900

hundred years we have the Wright

185

00:08:27,770 --> 00:08:26,099

brothers in

186

00:08:29,589 --> 00:08:27,780

at the turn of the century taking off

187

00:08:32,589 --> 00:08:29,599

and basically a fabric and wood aircraft

188

00:08:34,969 --> 00:08:32,599

by 1969 we have

189

00:08:36,430 --> 00:08:34,979

lunar expeditions

190

00:08:39,769 --> 00:08:36,440

in the year

191

00:08:44,510 --> 00:08:39,779

2004 we have massive airplanes being

192

00:08:46,370 --> 00:08:44,520

built out of Alloys and graphite and

193

00:08:48,590 --> 00:08:46,380

these this big ship that Airbus is

194

00:08:51,829 --> 00:08:48,600

building the new Boeing plane so in 100

195

00:08:55,190 --> 00:08:51,839

years from fabric and wood we've come to

196

00:08:57,410 --> 00:08:55,200

you know Advanced Metallurgy uh fuel use

197

00:08:59,570 --> 00:08:57,420

and propulsion in just 100 years imagine

198

00:09:00,530 --> 00:08:59,580

what a culture could accomplish in a

199

00:09:04,370 --> 00:09:00,540

thousand years

200

00:09:05,810 --> 00:09:04,380

or a billion years it's not

201
00:09:08,810 --> 00:09:05,820
inconceivable

202
00:09:10,730 --> 00:09:08,820
that you have intelligently manufactured

203
00:09:13,370 --> 00:09:10,740
and controlled machines that can not

204
00:09:17,290 --> 00:09:13,380
only Traverse great distances in Space

205
00:09:19,190 --> 00:09:17,300
by mastering gravity and the time space

206
00:09:22,370 --> 00:09:19,200
continuum but

207
00:09:24,350 --> 00:09:22,380
also the dimensional

208
00:09:27,590 --> 00:09:24,360
the interdimensional travel it might be

209
00:09:32,389 --> 00:09:30,470
many theories now purport that there

210
00:09:34,790 --> 00:09:32,399
were not only four dimensions at the

211
00:09:36,470 --> 00:09:34,800
creation of the entire Multiverse 14

212
00:09:37,850 --> 00:09:36,480
billion years ago at the time of the Big

213
00:09:39,290 --> 00:09:37,860

Bang

214

00:09:42,949 --> 00:09:39,300

there were

215

00:09:45,710 --> 00:09:42,959

11 maybe as many as 21 Dimensions so

216

00:09:48,290 --> 00:09:45,720

some of these beings may be coming from

217

00:09:49,970 --> 00:09:48,300

from an extra dimensional

218

00:09:52,370 --> 00:09:49,980

place I mean

219

00:09:55,430 --> 00:09:52,380

and you know what it says is that these

220

00:10:00,850 --> 00:09:55,440

Technologies uh have been harnessed and

221

00:10:03,710 --> 00:10:00,860

that it's possible to use other fuels

222

00:10:05,449 --> 00:10:03,720

that don't rely just on on civil

223

00:10:07,670 --> 00:10:05,459

combustion

224

00:10:09,110 --> 00:10:07,680

and you know there are many theories I

225

00:10:11,870 --> 00:10:09,120

mean some theories are that the military

226

00:10:14,870 --> 00:10:11,880

already knows about these uh these forms

227

00:10:18,829 --> 00:10:14,880

of propulsion and uh and lighter than

228

00:10:20,930 --> 00:10:18,839

air vehicles or or metals that can be uh

229

00:10:24,710 --> 00:10:20,940

vibrated to a certain point where they

230

00:10:26,030 --> 00:10:24,720

they become they become light waves

231

00:10:27,350 --> 00:10:26,040

photons

232

00:10:29,210 --> 00:10:27,360

but

233

00:10:31,670 --> 00:10:29,220

they're not telling us they're not going

234

00:10:33,290 --> 00:10:31,680

to reveal that obviously to us and we

235

00:10:35,030 --> 00:10:33,300

just have to keep keep the search going

236

00:10:37,310 --> 00:10:35,040

so

237

00:10:39,290 --> 00:10:37,320

I I think that uh

238

00:10:40,730 --> 00:10:39,300

you know it's incumbent on us as a race

239

00:10:42,410 --> 00:10:40,740

on this planet to begin to find

240

00:10:44,389 --> 00:10:42,420

alternatives to the

241

00:10:45,949 --> 00:10:44,399

to the fossil fuels

242

00:10:47,210 --> 00:10:45,959

um but we're just not doing it fast

243

00:10:49,430 --> 00:10:47,220

enough

244

00:10:52,009 --> 00:10:49,440

probably being the greatest and most

245

00:10:55,490 --> 00:10:52,019

successful cover-up in the history of

246

00:11:02,569 --> 00:10:57,710

are as real as the airplanes that fly

247

00:11:14,450 --> 00:11:05,509

that is my unequivocal conclusion

248

00:11:20,990 --> 00:11:18,829

[Music]

249

00:11:22,850 --> 00:11:21,000

in the Avro Arrow story Dan I mean you

250

00:11:26,030 --> 00:11:22,860

appeared in a movie about the Errol

251
00:11:28,389 --> 00:11:26,040
story Canada broke the sound barrier

252
00:11:32,630 --> 00:11:28,399
diefenbaker dismantles the whole

253
00:11:34,550 --> 00:11:32,640
Aerospace program in Canada and all the

254
00:11:36,410 --> 00:11:34,560
engineers are hired by NASA and Boeing

255
00:11:38,690 --> 00:11:36,420
down here and we finally break the sound

256
00:11:40,430 --> 00:11:38,700
Bearer but in Canada today we have

257
00:11:44,210 --> 00:11:40,440
another scientist a Canadian scientist

258
00:11:46,190 --> 00:11:44,220
John Hutchinson is in using Wave

259
00:11:49,130 --> 00:11:46,200
induction using Van de Graaff and Tesla

260
00:11:50,990 --> 00:11:49,140
coils and radio on a 75 pound Cannonball

261
00:11:53,449 --> 00:11:51,000
we can see this huge Cannonball

262
00:11:56,810 --> 00:11:53,459
levitating in the air I mean

263
00:11:58,430 --> 00:11:56,820

um Boeing NASA Lockheed all these

264

00:12:00,829 --> 00:11:58,440

defense contractors are going up into

265

00:12:02,210 --> 00:12:00,839

his lab in Canada and trying to

266

00:12:04,730 --> 00:12:02,220

understand how this thing works because

267

00:12:07,130 --> 00:12:04,740

the next person or the next country that

268

00:12:10,009 --> 00:12:07,140

figures out true anti-gravity propulsion

269

00:12:12,410 --> 00:12:10,019

systems is going to be is going to be

270

00:12:14,569 --> 00:12:12,420

king of Aerospace on this planet that's

271

00:12:17,329 --> 00:12:14,579

just an effect incorporates radio

272

00:12:20,569 --> 00:12:17,339

frequencies Tesla frequencies and high

273

00:12:23,210 --> 00:12:20,579

electrostatic energy to create

274

00:12:24,710 --> 00:12:23,220

a type of levitation effect where it can

275

00:12:28,790 --> 00:12:24,720

move

276

00:12:33,710 --> 00:12:28,800

75 pound Cannonball or Steel

277

00:12:37,009 --> 00:12:33,720

or brass bushings water wood

278

00:12:39,230 --> 00:12:37,019

and other objects into the air

279

00:12:42,110 --> 00:12:39,240

are we doing enough in our universities

280

00:12:43,790 --> 00:12:42,120

in our in our research labs are we

281

00:12:45,590 --> 00:12:43,800

putting enough money into this kind of a

282

00:12:48,230 --> 00:12:45,600

research and what risks are we willing

283

00:12:50,090 --> 00:12:48,240

to take if universities in Beijing and

284

00:12:52,129 --> 00:12:50,100

China and and Russia they're actually

285

00:12:54,530 --> 00:12:52,139

going into the universe the UFO

286

00:12:56,690 --> 00:12:54,540

phenomenon or universities but here in

287

00:12:59,509 --> 00:12:56,700

America mainstream science mainstream

288

00:13:00,410 --> 00:12:59,519

physicists laugh at the UFO phenomena I

289

00:13:02,030 --> 00:13:00,420

mean what do you think about that

290

00:13:03,769 --> 00:13:02,040

budgets are tight all around the world

291

00:13:07,430 --> 00:13:03,779

and

292

00:13:09,470 --> 00:13:07,440

as far as putting money into the study

293

00:13:12,889 --> 00:13:09,480

of alternative Technologies of funding

294

00:13:14,930 --> 00:13:12,899

uh research by people like Hutchinson uh

295

00:13:17,150 --> 00:13:14,940

the money is just not there I mean if

296

00:13:19,250 --> 00:13:17,160

you look at Nasa NASA is getting chopped

297

00:13:23,150 --> 00:13:19,260

back

298

00:13:24,530 --> 00:13:23,160

um because uh the funds that are flowing

299

00:13:27,170 --> 00:13:24,540

through government now are focused on

300

00:13:30,110 --> 00:13:27,180

the war in Iraq and and other things so

301
00:13:33,590 --> 00:13:30,120
we don't even have the money to keep up

302
00:13:36,110 --> 00:13:33,600
conventional space exploration uh

303
00:13:38,930 --> 00:13:36,120
development of Metallurgy fuels ion

304
00:13:42,050 --> 00:13:38,940
drive systems so I don't see any

305
00:13:45,530 --> 00:13:42,060
government in the next uh you know 10 20

306
00:13:48,290 --> 00:13:45,540
30 40 50 years really putting the money

307
00:13:50,210 --> 00:13:48,300
into the kind of research that's that's

308
00:13:53,389 --> 00:13:50,220
needed to develop these alternative

309
00:13:55,490 --> 00:13:53,399
systems and to perhaps study what is

310
00:13:57,310 --> 00:13:55,500
driving these intelligent machines from

311
00:14:02,210 --> 00:13:57,320
from somewhere else

312
00:14:04,850 --> 00:14:02,220
uh now of course that that's on the on

313
00:14:06,530 --> 00:14:04,860

the the visible side of things

314

00:14:08,990 --> 00:14:06,540

we're hearing a lot about these special

315

00:14:12,769 --> 00:14:09,000

access programs where Congressional

316

00:14:14,329 --> 00:14:12,779

money is approved by a very narrow uh

317

00:14:16,550 --> 00:14:14,339

slice of the membership in the

318

00:14:17,930 --> 00:14:16,560

legislature and given to the military to

319

00:14:19,550 --> 00:14:17,940

do basically carte blanche what they

320

00:14:22,850 --> 00:14:19,560

want with so there could be

321

00:14:25,069 --> 00:14:22,860

okay black military program that is

322

00:14:26,910 --> 00:14:25,079

producing

323

00:14:28,129 --> 00:14:26,920

what

324

00:14:30,350 --> 00:14:28,139

[Music]

325

00:14:33,050 --> 00:14:30,360

what people are referring to now as the

326

00:14:35,930 --> 00:14:33,060

the big black Deltas which are these

327

00:14:37,910 --> 00:14:35,940

huge black triangles that uh are being

328

00:14:40,250 --> 00:14:37,920

seen all around the world the big black

329

00:14:41,389 --> 00:14:40,260

rectangles which are also being seen all

330

00:14:44,329 --> 00:14:41,399

around the world

331

00:14:46,550 --> 00:14:44,339

so maybe maybe they look a little like

332

00:14:50,569 --> 00:14:46,560

this the F-117 they look a little like

333

00:14:52,670 --> 00:14:50,579

the B uh the b u bomber

334

00:14:54,949 --> 00:14:52,680

um maybe these are special access

335

00:14:57,470 --> 00:14:54,959

programs that have been applied to

336

00:14:59,990 --> 00:14:57,480

Alternative technology and energy and

337

00:15:03,949 --> 00:15:00,000

are really practically at work today but

338

00:15:06,050 --> 00:15:03,959

I don't see them revealing

339

00:15:08,150 --> 00:15:06,060

you know these uh the sources of these

340

00:15:10,610 --> 00:15:08,160

programs nor their applications right

341

00:15:17,090 --> 00:15:13,430

okay I worked in the U.S space program

342

00:15:19,009 --> 00:15:17,100

for 36 years I was a contractor employee

343

00:15:20,689 --> 00:15:19,019

first working for McDonald Douglas and

344

00:15:23,750 --> 00:15:20,699

then ending up working for Boeing after

345

00:15:25,009 --> 00:15:23,760

Donald Douglas was purchased by Boeing I

346

00:15:26,750 --> 00:15:25,019

started at the end of the Mercury

347

00:15:29,090 --> 00:15:26,760

program and then worked the whole Gemini

348

00:15:30,889 --> 00:15:29,100

program and during Gemini I was

349

00:15:33,230 --> 00:15:30,899

responsible for the design of the

350

00:15:36,110 --> 00:15:33,240

equipment for the life support system

351
00:15:38,389 --> 00:15:36,120
and so I had a distinct interest in

352
00:15:40,790 --> 00:15:38,399
keeping astronauts alive and having

353
00:15:43,910 --> 00:15:40,800
successful equipment and during the

354
00:15:47,870 --> 00:15:43,920
program when we were flying the Gemini

355
00:15:50,810 --> 00:15:47,880
spacecraft my interest in UFOs became

356
00:15:53,629 --> 00:15:50,820
very real and became real because first

357
00:15:56,810 --> 00:15:53,639
of all Gemini 2 which was unmanned it

358
00:16:00,230 --> 00:15:56,820
was rumored and talked about among our

359
00:16:01,490 --> 00:16:00,240
researchers that two UFOs had followed

360
00:16:04,009 --> 00:16:01,500
Gemini too

361
00:16:06,350 --> 00:16:04,019
and then Gemini 2 of course recovered

362
00:16:07,870 --> 00:16:06,360
later and I didn't think too much about

363
00:16:10,850 --> 00:16:07,880

that except yeah that's kind of funny

364

00:16:14,750 --> 00:16:10,860

very interesting stuff and then when

365

00:16:17,810 --> 00:16:14,760

Gemini 4 flew and his four-day Mission

366

00:16:21,050 --> 00:16:17,820

66 orbits with James McDevitt and Ed

367

00:16:23,030 --> 00:16:21,060

White uh about halfway through the

368

00:16:24,250 --> 00:16:23,040

mission mcdivid said he has something up

369

00:16:29,710 --> 00:16:24,260

here with him

370

00:16:32,090 --> 00:16:29,720

[Music]

371

00:16:36,230 --> 00:16:32,100

astronaut Gordon Cooper is an American

372

00:16:37,629 --> 00:16:36,240

hero with a log of over 222 hours of

373

00:16:40,610 --> 00:16:37,639

manned space flight

374

00:16:43,310 --> 00:16:40,620

he had along in a western career of

375

00:16:45,410 --> 00:16:43,320

service to his country with over 11 000

376

00:16:48,230 --> 00:16:45,420

hours of flight he was a fighter pilot

377

00:16:51,370 --> 00:16:48,240

U2 test pilot in the Air Force and is

378

00:16:54,590 --> 00:16:51,380

one of the first men to ever find Space

379

00:16:56,629 --> 00:16:54,600

he orbited the Earth 22 times in Phase

380

00:17:00,110 --> 00:16:56,639

seven the last of the Mercury missions

381

00:17:04,069 --> 00:17:00,120

on May 15th and 16th of 1963.

382

00:17:06,470 --> 00:17:04,079

on August 21st of 1965 he orbited the

383

00:17:13,370 --> 00:17:06,480

Earth again on Gemini 5 and remained a

384

00:17:20,090 --> 00:17:16,669

well I I've had a

385

00:17:22,309 --> 00:17:20,100

some occasions to know some of the

386

00:17:23,990 --> 00:17:22,319

people who were involved in Roswell at

387

00:17:26,030 --> 00:17:24,000

one stage or the other

388

00:17:28,730 --> 00:17:26,040

I think there's been an awful lot of

389

00:17:30,890 --> 00:17:28,740

untruths put out on Roswell and an awful

390

00:17:32,990 --> 00:17:30,900

lot of conjecture

391

00:17:34,430 --> 00:17:33,000

I think there have been some true saying

392

00:17:43,690 --> 00:17:34,440

I think definitely there was something

393

00:17:48,350 --> 00:17:46,010

very likely

394

00:17:50,570 --> 00:17:48,360

I'd like to think they reversed engineer

395

00:17:53,330 --> 00:17:50,580

that did something with it you know I

396

00:17:55,250 --> 00:17:53,340

did some benefit with it which would be

397

00:17:57,529 --> 00:17:55,260

the logical thing to do but I have no

398

00:17:59,810 --> 00:17:57,539

way of knowing whether they did or not

399

00:18:02,870 --> 00:17:59,820

within hours of the crash of Rossville

400

00:18:05,450 --> 00:18:02,880

U.S general Nathan twinum designated the

401
00:18:09,289 --> 00:18:05,460
vision of the visitors rather as enemy

402
00:18:14,390 --> 00:18:12,289
it appears from his book

403
00:18:17,570 --> 00:18:14,400
kind of Corso agreed with that

404
00:18:24,710 --> 00:18:20,690
and that it has remained as official U.S

405
00:18:30,049 --> 00:18:27,950
at that time however it was an enemy

406
00:18:32,150 --> 00:18:30,059
quote-unquote about which the U.S could

407
00:18:34,010 --> 00:18:32,160
do nothing

408
00:18:37,810 --> 00:18:34,020
because the visitors were so

409
00:18:43,250 --> 00:18:40,370
that led to the recommendation of the

410
00:18:46,250 --> 00:18:43,260
discovery be treated with the utmost

411
00:18:54,950 --> 00:18:48,650
to the point that the crash of Roswell

412
00:19:00,130 --> 00:18:57,590
the rationale was that the ordinary

413
00:19:04,250 --> 00:19:00,140

public couldn't cope

414

00:19:07,970 --> 00:19:04,260

might easily panic

415

00:19:09,650 --> 00:19:07,980

Area 51 Dan I mean we hear stories from

416

00:19:12,230 --> 00:19:09,660

Bob Azara we hear stories about

417

00:19:14,570 --> 00:19:12,240

alternative Space Program theories you

418

00:19:16,490 --> 00:19:14,580

know we're building UFOs and reverse

419

00:19:19,130 --> 00:19:16,500

engineering UFO technology since the

420

00:19:20,990 --> 00:19:19,140

saucers crashed at Roswell and The

421

00:19:22,789 --> 00:19:21,000

Plains of Saint Augustine and we have

422

00:19:25,070 --> 00:19:22,799

reverse engineered that technology today

423

00:19:27,770 --> 00:19:25,080

that's the theory and NASA is just a

424

00:19:31,430 --> 00:19:27,780

smoke screen program if we really have

425

00:19:33,409 --> 00:19:31,440

true anti-gravity technology today why

426

00:19:36,230 --> 00:19:33,419

aren't we using it in our military why

427

00:19:38,570 --> 00:19:36,240

isn't it evident in the war in Iraq why

428

00:19:41,330 --> 00:19:38,580

don't we use it to to demonstrate

429

00:19:43,370 --> 00:19:41,340

superiority on the planet and if not if

430

00:19:45,610 --> 00:19:43,380

all this is just conspiracy theory and

431

00:19:49,190 --> 00:19:45,620

we really don't have this technology

432

00:19:51,470 --> 00:19:49,200

again are we willing to take the risk of

433

00:19:53,529 --> 00:19:51,480

losing error superiority on this planet

434

00:19:55,970 --> 00:19:53,539

by wetting the Russians or the Chinese

435

00:19:58,430 --> 00:19:55,980

and or some other country even the

436

00:20:00,650 --> 00:19:58,440

Middle East actually engineer this kind

437

00:20:02,750 --> 00:20:00,660

of UFO technology and and conquer the

438

00:20:06,950 --> 00:20:02,760

world are we willing to take that chance

439

00:20:09,409 --> 00:20:06,960

well I think uh I I again I as far as

440

00:20:12,049 --> 00:20:09,419

military applications uh maybe they're

441

00:20:14,450 --> 00:20:12,059

maybe they are being used already maybe

442

00:20:16,010 --> 00:20:14,460

uh we don't you know we don't know maybe

443

00:20:18,110 --> 00:20:16,020

they're being used in a surveillance

444

00:20:18,669 --> 00:20:18,120

capacity

445

00:20:22,370 --> 00:20:18,679

um

446

00:20:25,430 --> 00:20:22,380

as far as you know weapons that could be

447

00:20:27,230 --> 00:20:25,440

associated with uh with such uh

448

00:20:28,970 --> 00:20:27,240

vehicles

449

00:20:32,690 --> 00:20:28,980

one would have to think that if the

450

00:20:34,909 --> 00:20:32,700

propulsion system uh is as sophisticated

451
00:20:37,549 --> 00:20:34,919
as it would need to be to have these

452
00:20:40,549 --> 00:20:37,559
vehicles just hover stop

453
00:20:42,650 --> 00:20:40,559
a noiselessly take off at right angles

454
00:20:44,330 --> 00:20:42,660
do three to five to six to twenty

455
00:20:47,450 --> 00:20:44,340
thousand miles an hour one would think

456
00:20:49,669 --> 00:20:47,460
that the the military application uh

457
00:20:53,169 --> 00:20:49,679
would then take the form of rather than

458
00:20:56,510 --> 00:20:53,179
rockets and uh and uh

459
00:20:59,029 --> 00:20:56,520
projectiles uh that probably a particle

460
00:21:02,390 --> 00:20:59,039
beam uh would would be used some kind of

461
00:21:04,730 --> 00:21:02,400
a laser some kind of a a disabling beam

462
00:21:07,669 --> 00:21:04,740
to disable equipment to cause

463
00:21:09,529 --> 00:21:07,679

disorientation among men and troops and

464

00:21:10,669 --> 00:21:09,539

of course we have seen no no evidence of

465

00:21:14,029 --> 00:21:10,679

this

466

00:21:16,010 --> 00:21:14,039

I'm not sure that uh the U.S military

467

00:21:19,430 --> 00:21:16,020

would want to play that card right now

468

00:21:22,370 --> 00:21:19,440

because after all the war in Iraq really

469

00:21:24,830 --> 00:21:22,380

is a conventional War we have air

470

00:21:26,630 --> 00:21:24,840

superiority there already

471

00:21:28,850 --> 00:21:26,640

um there is no Iraqi Air Force there was

472

00:21:32,090 --> 00:21:28,860

no Iraqi Air Force we in the United

473

00:21:34,310 --> 00:21:32,100

States we have air superiority basically

474

00:21:36,649 --> 00:21:34,320

over the rest of the world I'm sure

475

00:21:39,350 --> 00:21:36,659

there's some pretty hot shot Mig pilots

476

00:21:43,130 --> 00:21:39,360

in in China and Russia

477

00:21:44,630 --> 00:21:43,140

um but I think if you put our Air Force

478

00:21:47,750 --> 00:21:44,640

up against any Air Force on this planet

479

00:21:50,930 --> 00:21:47,760

we would Prevail without the use of uh

480

00:21:53,270 --> 00:21:50,940

of advanced technology of the type type

481

00:21:53,930 --> 00:21:53,280

we're speaking of so

482

00:21:57,169 --> 00:21:53,940

um

483

00:21:59,810 --> 00:21:57,179

I think that the U.S if they have these

484

00:22:03,710 --> 00:21:59,820

things they would probably save them for

485

00:22:06,190 --> 00:22:03,720

a more drastic confrontation uh perhaps

486

00:22:11,169 --> 00:22:06,200

a confrontation with

487

00:22:13,310 --> 00:22:11,179

beings that have the potential to

488

00:22:16,250 --> 00:22:13,320

be superior

489

00:22:19,490 --> 00:22:16,260

Over Us in terms of the applications of

490

00:22:21,710 --> 00:22:19,500

of Aviation today so maybe these

491

00:22:25,250 --> 00:22:21,720

triangles the big black Deltas the

492

00:22:26,810 --> 00:22:25,260

rectangles are the next wave of the U.S

493

00:22:28,789 --> 00:22:26,820

military's defense

494

00:22:30,529 --> 00:22:28,799

against what

495

00:22:32,510 --> 00:22:30,539

some might perceive as an

496

00:22:34,669 --> 00:22:32,520

extraterrestrial or extra dimensional

497

00:22:37,310 --> 00:22:34,679

threat maybe these weapons or these

498

00:22:39,110 --> 00:22:37,320

flight systems now are being prepared to

499

00:22:42,590 --> 00:22:39,120

confront

500

00:22:44,510 --> 00:22:42,600

um a race of superior beings that uh

501
00:22:46,130 --> 00:22:44,520
that could have designs on the planet

502
00:22:47,510 --> 00:22:46,140
that are malevolent

503
00:22:50,210 --> 00:22:47,520
uh

504
00:22:52,370 --> 00:22:50,220
you know I believe I think it was Lord

505
00:22:53,810 --> 00:22:52,380
Hill Norton or one of the British Air

506
00:22:56,029 --> 00:22:53,820
Force

507
00:22:58,070 --> 00:22:56,039
defense Ministry staff who was assigned

508
00:22:59,930 --> 00:22:58,080
to study UFOs in the 50s after he

509
00:23:02,810 --> 00:22:59,940
retired he said that in his estimation

510
00:23:05,450 --> 00:23:02,820
there were 23 different species of being

511
00:23:08,529 --> 00:23:05,460
visiting visiting the planet and

512
00:23:12,110 --> 00:23:08,539
you know numerous types of vessels

513
00:23:13,730 --> 00:23:12,120

we know from the uh the NASA UFO studies

514

00:23:16,669 --> 00:23:13,740

that that you've done

515

00:23:19,010 --> 00:23:16,679

uh when I and I think that that theory

516

00:23:21,350 --> 00:23:19,020

you know there's

517

00:23:23,450 --> 00:23:21,360

there's nothing wrong with that that

518

00:23:25,610 --> 00:23:23,460

theory that I that I can see

519

00:23:27,169 --> 00:23:25,620

that doesn't point to what what you

520

00:23:29,029 --> 00:23:27,179

postulate and that is that there are

521

00:23:31,909 --> 00:23:29,039

benevolent beings that are trying to

522

00:23:33,649 --> 00:23:31,919

heal the planet hence the the the size

523

00:23:38,330 --> 00:23:33,659

of these ships that were seen in the STS

524

00:23:40,190 --> 00:23:38,340

uh cameras uh and uh the fact that the

525

00:23:43,330 --> 00:23:40,200

ozone has holes in it the fact that

526

00:23:47,390 --> 00:23:43,340

water could be a healing element there

527

00:23:49,070 --> 00:23:47,400

what are these uh these Lifesaver shaped

528

00:23:51,950 --> 00:23:49,080

little drop of stone shape ships

529

00:23:53,990 --> 00:23:51,960

conveying to our planet well you know we

530

00:23:58,070 --> 00:23:54,000

see them coming into the atmosphere and

531

00:24:01,130 --> 00:23:58,080

uh on on the STS tapes and other forms

532

00:24:03,470 --> 00:24:01,140

of uh of exposure they're not releasing

533

00:24:06,049 --> 00:24:03,480

uh Personnel they're not releasing

534

00:24:08,990 --> 00:24:06,059

projectiles and

535

00:24:10,850 --> 00:24:09,000

um no harm has come to the planet

536

00:24:13,370 --> 00:24:10,860

um you know through their intervention

537

00:24:15,230 --> 00:24:13,380

so one one can assume perhaps that maybe

538

00:24:17,149 --> 00:24:15,240

there are benevolent beings out there

539

00:24:18,529 --> 00:24:17,159

and malevolent beings out there and

540

00:24:21,770 --> 00:24:18,539

maybe the United States government is

541

00:24:24,950 --> 00:24:21,780

preparing uh weapon systems to deal with

542

00:24:27,830 --> 00:24:24,960

the malevolent beings Ronald Reagan said

543

00:24:29,330 --> 00:24:27,840

in a speech he said what if there were a

544

00:24:30,950 --> 00:24:29,340

species from another planet that was

545

00:24:33,710 --> 00:24:30,960

threatening us we would all find a way

546

00:24:36,110 --> 00:24:33,720

to work together and one can only think

547

00:24:38,810 --> 00:24:36,120

about the Star Wars system and the fact

548

00:24:40,490 --> 00:24:38,820

that there we had satellite mounted

549

00:24:42,529 --> 00:24:40,500

Canon well they'd be good for shooting

550

00:24:46,370 --> 00:24:42,539

down Rockets they also might be good for

551

00:24:48,169 --> 00:24:46,380

shooting down uh other uh invasive

552

00:24:50,570 --> 00:24:48,179

vehicles that are coming into our our

553

00:24:52,130 --> 00:24:50,580

atmosphere Ronald Reagan himself spoke

554

00:24:54,230 --> 00:24:52,140

about a UFO sighting that he had when he

555

00:24:56,149 --> 00:24:54,240

was governor of California in the beach

556

00:24:57,890 --> 00:24:56,159

King Air that they used to use they were

557

00:25:01,730 --> 00:24:57,900

coming from Sacramento his wife was with

558

00:25:05,029 --> 00:25:01,740

him Sacramento to um to Los Angeles and

559

00:25:08,930 --> 00:25:05,039

uh a saucer clocked the the plane for a

560

00:25:11,330 --> 00:25:08,940

good 45 minutes and Reagan uh spoke of

561

00:25:11,990 --> 00:25:11,340

it too to a lot of people

562

00:25:14,750 --> 00:25:12,000

um

563

00:25:16,730 --> 00:25:14,760

and I think uh maybe you know part of

564

00:25:18,830 --> 00:25:16,740

his motivation and getting the the Star

565

00:25:20,630 --> 00:25:18,840

Wars weapon system up might have been

566

00:25:23,810 --> 00:25:20,640

that to prepare ourselves for the day

567

00:25:26,029 --> 00:25:23,820

when uh other beings might might come to

568

00:25:28,070 --> 00:25:26,039

this planet with designs of

569

00:25:31,250 --> 00:25:28,080

who knows taking minerals without

570

00:25:33,470 --> 00:25:31,260

authorization taking people uh

571

00:25:36,409 --> 00:25:33,480

you know we uh we'll we're probably just

572

00:25:39,649 --> 00:25:36,419

gonna have to wait to see

573

00:25:43,370 --> 00:25:39,659

I occasionally think how quickly our

574

00:25:46,370 --> 00:25:43,380

difference is worldwide would vanish if

575

00:25:50,930 --> 00:25:46,380

we were facing an alien threat

576
00:25:54,769 --> 00:25:53,029
internal Corso makes it clear that the

577
00:25:57,409 --> 00:25:54,779
Reagan administration's Strategic

578
00:26:00,350 --> 00:25:57,419
Defense Initiative

579
00:26:02,870 --> 00:26:00,360
appropriately dubbed Star Wars

580
00:26:06,470 --> 00:26:02,880
was primarily designed for use against

581
00:26:12,529 --> 00:26:09,529
his contemporary successor

582
00:26:16,370 --> 00:26:12,539
the anti-missile missile defense system

583
00:26:20,409 --> 00:26:16,380
is also being designed with that as one

584
00:26:25,130 --> 00:26:23,450
it is true that a case can be made for

585
00:26:27,950 --> 00:26:25,140
attempting to provide a shield against

586
00:26:30,130 --> 00:26:27,960
the Russians and Chinese

587
00:26:33,409 --> 00:26:30,140
foreign

588
00:26:35,090 --> 00:26:33,419

s are not going to embark on a policy

589

00:26:39,169 --> 00:26:35,100

which we would result in their total

590

00:26:44,390 --> 00:26:42,409

equally true that they too are aware of

591

00:26:46,190 --> 00:26:44,400

the visitors

592

00:26:48,230 --> 00:26:46,200

and know that the perceived threat from

593

00:26:50,210 --> 00:26:48,240

the visitors has been a major

594

00:26:56,210 --> 00:26:50,220

consideration in the planning of the

595

00:27:02,210 --> 00:26:58,630

and the incident question

596

00:27:05,570 --> 00:27:02,220

as at least from my perspective uh

597

00:27:07,090 --> 00:27:05,580

almost ignited a nuclear war and that

598

00:27:11,269 --> 00:27:07,100

was

599

00:27:13,909 --> 00:27:11,279

five unidentified objects were picked up

600

00:27:15,789 --> 00:27:13,919

on radar coming in over the Pacific

601
00:27:17,950 --> 00:27:15,799
Northwest

602
00:27:21,890 --> 00:27:17,960
Northern California

603
00:27:26,230 --> 00:27:21,900
Southern Washington Oregon area

604
00:27:29,769 --> 00:27:26,240
as these objects approach the coast

605
00:27:33,649 --> 00:27:29,779
Strategic Air Command went on a

606
00:27:36,610 --> 00:27:33,659
alert we were in a defense condition or

607
00:27:39,830 --> 00:27:36,620
what is referred to as a Defcon

608
00:27:41,810 --> 00:27:39,840
defense condition 3 which means that the

609
00:27:44,210 --> 00:27:41,820
nuclear forces were ready but they

610
00:27:47,049 --> 00:27:44,220
weren't on already stated alert

611
00:27:49,669 --> 00:27:47,059
now we elevated that to

612
00:27:51,730 --> 00:27:49,679
defense condition four defense condition

613
00:27:53,930 --> 00:27:51,740

five is launch

614

00:27:56,090 --> 00:27:53,940

when we went on

615

00:27:58,669 --> 00:27:56,100

our alert the Russians were also

616

00:28:00,950 --> 00:27:58,679

monitoring our nuclear Armed Forces as

617

00:28:02,990 --> 00:28:00,960

we were theirs and so they knew that our

618

00:28:05,210 --> 00:28:03,000

Obamas had gone to fail safe they knew

619

00:28:06,890 --> 00:28:05,220

that the launch codes had been given

620

00:28:09,529 --> 00:28:06,900

they also knew that the hatches on the

621

00:28:13,250 --> 00:28:09,539

ICBM missiles had been removed and that

622

00:28:15,710 --> 00:28:13,260

we were getting ready to do a a launch I

623

00:28:18,110 --> 00:28:15,720

know that Nixon president Richard

624

00:28:19,669 --> 00:28:18,120

Milhouse Nixon picked up the phone and

625

00:28:22,250 --> 00:28:19,679

called the Kremlin

626
00:28:25,490 --> 00:28:22,260
the White House notified the Kremlin

627
00:28:29,029 --> 00:28:25,500
that these objects were not and I repeat

628
00:28:32,630 --> 00:28:29,039
not a preemptive launch by us

629
00:28:34,070 --> 00:28:32,640
that they too the Russians had been

630
00:28:36,020 --> 00:28:34,080
tracking these objects as they came in

631
00:28:44,029 --> 00:28:36,030
over the Bering Sea

632
00:28:46,909 --> 00:28:44,039
[Music]

633
00:28:51,830 --> 00:28:46,919
probably moved 100 miles in a matter of

634
00:28:56,990 --> 00:28:54,470
when we look at alien abduction I mean

635
00:28:59,450 --> 00:28:57,000
the idea of a human being being taken

636
00:29:02,029 --> 00:28:59,460
and having an implant inserted into

637
00:29:05,090 --> 00:29:02,039
their body I often think of how

638
00:29:07,010 --> 00:29:05,100

biologists how we tag whales you know we

639

00:29:09,890 --> 00:29:07,020

put a chip on a whale and we can track

640

00:29:12,049 --> 00:29:09,900

them via satellite and also how you know

641

00:29:14,269 --> 00:29:12,059

we go into a frog's Pond and we pull out

642

00:29:16,190 --> 00:29:14,279

the Frog and spread it out on the table

643

00:29:17,570 --> 00:29:16,200

remember in Biology class we used to do

644

00:29:19,970 --> 00:29:17,580

this and you know stick the little

645

00:29:23,389 --> 00:29:19,980

needles in his legs and cut them open I

646

00:29:27,470 --> 00:29:23,399

mean that's how we look at another life

647

00:29:31,190 --> 00:29:27,480

form in another world so is it really a

648

00:29:32,930 --> 00:29:31,200

sign of violence and negativity that an

649

00:29:35,210 --> 00:29:32,940

extraterrestrial civilization is coming

650

00:29:37,250 --> 00:29:35,220

to Earth and doing the same to us

651
00:29:40,010 --> 00:29:37,260
putting computer chip implants on us to

652
00:29:41,990 --> 00:29:40,020
track US neural we are study our species

653
00:29:43,789 --> 00:29:42,000
do a little bit of biological

654
00:29:45,769 --> 00:29:43,799
experimentation I mean I know for us

655
00:29:47,510 --> 00:29:45,779
it's horrific I mean it's absolutely a

656
00:29:48,889 --> 00:29:47,520
violent thing for us as humans but from

657
00:29:50,810 --> 00:29:48,899
their perspective

658
00:29:53,630 --> 00:29:50,820
do you really think that they're being

659
00:29:55,370 --> 00:29:53,640
violent well again I I have to go back

660
00:29:58,730 --> 00:29:55,380
to some of them might be here for good

661
00:30:00,889 --> 00:29:58,740
purposes uh genuinely interested in and

662
00:30:03,289 --> 00:30:00,899
perhaps helping Mankind and some are

663
00:30:06,409 --> 00:30:03,299

here for selfish purposes maybe these

664

00:30:09,049 --> 00:30:06,419

abductions even though uh they're uh

665

00:30:12,169 --> 00:30:09,059

done in a in a you know objective but

666

00:30:13,789 --> 00:30:12,179

you know biological way like we dissect

667

00:30:16,010 --> 00:30:13,799

frogs

668

00:30:18,049 --> 00:30:16,020

um maybe uh maybe they're they're doing

669

00:30:18,950 --> 00:30:18,059

it you know just for fun and for sport I

670

00:30:22,850 --> 00:30:18,960

mean

671

00:30:23,810 --> 00:30:22,860

I I don't know I I I think probably that

672

00:30:34,310 --> 00:30:23,820

uh

673

00:30:36,230 --> 00:30:34,320

prevent being abducted and we really

674

00:30:37,909 --> 00:30:36,240

think even even if benevolent species

675

00:30:39,590 --> 00:30:37,919

coming to this planet and taking a man

676
00:30:41,930 --> 00:30:39,600
and a woman and taking over out of a

677
00:30:45,110 --> 00:30:41,940
woman and sperm out of a man that's

678
00:30:48,049 --> 00:30:45,120
tremendously invasive uh and very

679
00:30:52,730 --> 00:30:48,059
traumatic for the human beings

680
00:30:54,950 --> 00:30:52,740
um so even if the motives are good you

681
00:30:58,909 --> 00:30:54,960
know the these these actions are are as

682
00:31:01,310 --> 00:30:58,919
violent as uh as anyone were capable of

683
00:31:02,149 --> 00:31:01,320
on the planet

684
00:31:04,610 --> 00:31:02,159
um

685
00:31:07,130 --> 00:31:04,620
I think that a certain amount of fear is

686
00:31:09,409 --> 00:31:07,140
is Justified if you look at Day the

687
00:31:11,330 --> 00:31:09,419
Earth Stood Still uh you know the first

688
00:31:13,190 --> 00:31:11,340

thing that uh that happens is the Army

689

00:31:16,010 --> 00:31:13,200

is assembled and you know guns are shot

690

00:31:20,430 --> 00:31:16,020

at the at these at these beings and at

691

00:31:20,440 --> 00:31:31,130

[Music]

692

00:31:34,310 --> 00:31:33,230

I addressed the question to Dick Cheney

693

00:31:35,930 --> 00:31:34,320

because I say the most important

694

00:31:37,010 --> 00:31:35,940

question to put to any high-ranking

695

00:31:39,350 --> 00:31:37,020

official is not what you think about

696

00:31:40,730 --> 00:31:39,360

UFOs or have you seen one that could be

697

00:31:42,350 --> 00:31:40,740

the most important question is have you

698

00:31:44,210 --> 00:31:42,360

ever been briefed on the subject it's

699

00:31:45,649 --> 00:31:44,220

someone walking your office and tell you

700

00:31:47,330 --> 00:31:45,659

what's going on because if someone walks

701
00:31:49,130 --> 00:31:47,340
into the president's office or some high

702
00:31:52,269 --> 00:31:49,140
ranking official and briefs him on the

703
00:31:54,049 --> 00:31:52,279
subject of UFOs it is for Real it's not

704
00:31:56,269 --> 00:31:54,059
imaginary as the government has been

705
00:31:57,710 --> 00:31:56,279
saying for 60 years so I asked Mr Cheney

706
00:31:59,450 --> 00:31:57,720
this is three months after he became a

707
00:32:01,190 --> 00:31:59,460
vice president I asked him on the air

708
00:32:03,649 --> 00:32:01,200
and this is still on Diane Rehm's

709
00:32:05,870 --> 00:32:03,659
archives Mr Cheney and all your jobs in

710
00:32:08,029 --> 00:32:05,880
government have you ever been briefed on

711
00:32:10,250 --> 00:32:08,039
the subject of UFOs and if so when was

712
00:32:12,110 --> 00:32:10,260
it and what were you told and Mr Cheney

713
00:32:13,490 --> 00:32:12,120

said if I had been briefed on that

714

00:32:14,930 --> 00:32:13,500

subject it probably would have been

715

00:32:15,920 --> 00:32:14,940

classified and I wouldn't be talking

716

00:32:18,889 --> 00:32:15,930

about it

717

00:32:23,630 --> 00:32:18,899

[Music]

718

00:32:26,389 --> 00:32:23,640

January 22nd 1997 I noticed three Amber

719

00:32:27,889 --> 00:32:26,399

orbs now at a distance far west on the

720

00:32:29,510 --> 00:32:27,899

horizon

721

00:32:31,190 --> 00:32:29,520

and I'm thinking

722

00:32:33,830 --> 00:32:31,200

wait a minute even though they're in a

723

00:32:36,289 --> 00:32:33,840

line formation they were Amber they were

724

00:32:36,730 --> 00:32:36,299

in a formation they were hovering for

725

00:32:39,350 --> 00:32:36,740

minutes

726

00:32:42,289 --> 00:32:39,360

[Music]

727

00:32:44,409 --> 00:32:42,299

and as I'm pointing like this they

728

00:32:47,389 --> 00:32:44,419

reappear in the same spot

729

00:32:49,970 --> 00:32:47,399

and I thought I have to get a picture of

730

00:32:52,130 --> 00:32:49,980

this and I ran upstairs I grabbed my 35

731

00:32:54,470 --> 00:32:52,140

millimeter get out onto the balcony as

732

00:32:58,190 --> 00:32:54,480

I'm ready to shoot the three bottom orbs

733

00:33:00,830 --> 00:32:58,200

suddenly six Amber orbs in a row total

734

00:33:06,049 --> 00:33:00,840

equidistant from each other massive span

735

00:33:07,970 --> 00:33:06,059

across pop-up on March 13 1997 over 10

736

00:33:10,730 --> 00:33:07,980

000 Arizona residents witnessed the

737

00:33:13,430 --> 00:33:10,740

single most spectacular UFO sighting in

738

00:33:15,710 --> 00:33:13,440

the 20th century headlines surged the

739

00:33:17,269 --> 00:33:15,720

nation and Arizona residents demanded

740

00:33:20,630 --> 00:33:17,279

answers from military and state

741

00:33:23,149 --> 00:33:20,640

officials a mile wide UFO was seen from

742

00:33:25,610 --> 00:33:23,159

as far north as Flagstaff Arizona and

743

00:33:27,350 --> 00:33:25,620

then the giant triangular UFO hovered

744

00:33:30,590 --> 00:33:27,360

above the great City of Phoenix Arizona

745

00:33:38,389 --> 00:33:30,600

where Dr Lynn kitai shot this amazing

746

00:33:48,049 --> 00:33:39,990

foreign

747

00:33:50,130 --> 00:33:48,059

[Music]

748

00:33:58,730 --> 00:33:50,140

foreign

749

00:34:04,070 --> 00:34:01,190

when we go out into space

750

00:34:05,810 --> 00:34:04,080

and we're exploring the cosmos out there

751

00:34:09,290 --> 00:34:05,820

and we're looking for signs of

752

00:34:12,349 --> 00:34:09,300

extraterrestrial life what kind of uh of

753

00:34:14,810 --> 00:34:12,359

a communication are we going to send out

754

00:34:17,530 --> 00:34:14,820

I mean if Dan Aykroyd was the Ambassador

755

00:34:21,349 --> 00:34:17,540

if you were the Ambassador for Earth

756

00:34:23,210 --> 00:34:21,359

what message would you teletype to ET

757

00:34:26,750 --> 00:34:23,220

if I were

758

00:34:29,750 --> 00:34:26,760

to speak for mankind to these beings

759

00:34:32,570 --> 00:34:29,760

that were coming here

760

00:34:35,810 --> 00:34:32,580

um I guess what I would say is you know

761

00:34:37,970 --> 00:34:35,820

let's go to some neutral place

762

00:34:40,550 --> 00:34:37,980

um let's have a meeting with Scientists

763

00:34:42,649 --> 00:34:40,560

from all around the world world leaders

764

00:34:45,889 --> 00:34:42,659

let's sit down and and and basically

765

00:34:47,750 --> 00:34:45,899

have a sort of a forum with with you the

766

00:34:50,570 --> 00:34:47,760

the Extraterrestrial or extra

767

00:34:52,129 --> 00:34:50,580

dimensional beings let's let's sit down

768

00:34:53,690 --> 00:34:52,139

and and kind of get to know each other

769

00:34:55,430 --> 00:34:53,700

and

770

00:34:57,530 --> 00:34:55,440

um you know human instinct is pretty

771

00:34:59,630 --> 00:34:57,540

good and I think

772

00:35:01,849 --> 00:34:59,640

you know it would almost like be a sort

773

00:35:03,829 --> 00:35:01,859

of a G8 style kind of summit with world

774

00:35:05,570 --> 00:35:03,839

leaders scientific leaders and these

775

00:35:06,410 --> 00:35:05,580

these beings and you'd sit down with

776

00:35:09,349 --> 00:35:06,420

them and

777

00:35:11,150 --> 00:35:09,359

you know after about a week or even a

778

00:35:13,790 --> 00:35:11,160

couple of days or maybe a few hours you

779

00:35:16,130 --> 00:35:13,800

would really sort of get a sense of what

780

00:35:18,050 --> 00:35:16,140

of what they're up to but of course you

781

00:35:19,670 --> 00:35:18,060

know childhood's end Arthur C Clarke's

782

00:35:21,530 --> 00:35:19,680

great story

783

00:35:22,910 --> 00:35:21,540

um it looked like these beings were were

784

00:35:25,430 --> 00:35:22,920

benevolent even though they had a

785

00:35:27,470 --> 00:35:25,440

malevolent appearance and in the end we

786

00:35:29,569 --> 00:35:27,480

find out that they they meant no good

787

00:35:32,089 --> 00:35:29,579

for our for our planet so

788

00:35:34,910 --> 00:35:32,099

I you know I mean I think it's important

789

00:35:39,530 --> 00:35:34,920

that some branches of the military

790

00:35:41,329 --> 00:35:39,540

and police be briefed on these uh uh in

791

00:35:43,130 --> 00:35:41,339

a very real sense and be told you know

792

00:35:45,890 --> 00:35:43,140

they are real people are being abducted

793

00:35:48,589 --> 00:35:45,900

there is mind control and play here and

794

00:35:50,510 --> 00:35:48,599

that we do have to be vigilant now if we

795

00:35:52,670 --> 00:35:50,520

knew that there was a purely benevolent

796

00:35:54,710 --> 00:35:52,680

race like if uh something happened in

797

00:35:58,190 --> 00:35:54,720

Iraq where all of the electronics went

798

00:36:02,270 --> 00:35:58,200

out in the American Military and uh all

799

00:36:06,950 --> 00:36:02,280

of the insurgents uh rifles jammed uh or

800

00:36:09,230 --> 00:36:06,960

uh we saw all of the uh polluted Waters

801
00:36:11,270 --> 00:36:09,240
in North Carolina from the pig farming

802
00:36:13,730 --> 00:36:11,280
completely healed overnight and

803
00:36:15,050 --> 00:36:13,740
different signs like this then we would

804
00:36:16,849 --> 00:36:15,060
know we're dealing with a benevolent

805
00:36:19,910 --> 00:36:16,859
species and then we could really be open

806
00:36:21,890 --> 00:36:19,920
and welcome uh but then again we would

807
00:36:23,150 --> 00:36:21,900
have to be cautious because beings with

808
00:36:24,230 --> 00:36:23,160
that much power could give the

809
00:36:27,050 --> 00:36:24,240
impression that they're here to help

810
00:36:30,170 --> 00:36:27,060
when really they're not so the verdict

811
00:36:32,870 --> 00:36:30,180
is out on all this we we just don't know

812
00:36:35,450 --> 00:36:32,880
which ones are benevolent which are ones

813
00:36:37,630 --> 00:36:35,460

are malevolent and the degree to which

814

00:36:40,790 --> 00:36:37,640

they're going to continue

815

00:36:42,410 --> 00:36:40,800

interacting with our planet but what

816

00:36:44,150 --> 00:36:42,420

would really help is if the United

817

00:36:46,550 --> 00:36:44,160

States military and police and

818

00:36:48,470 --> 00:36:46,560

government open it up to their staffs

819

00:36:51,349 --> 00:36:48,480

and say look this is something we really

820

00:36:53,870 --> 00:36:51,359

do have to consider because you know

821

00:36:56,870 --> 00:36:53,880

maybe the defense the survival of our

822

00:36:58,250 --> 00:36:56,880

species could could well be at stake if

823

00:37:00,910 --> 00:36:58,260

you look at the history you know from

824

00:37:03,530 --> 00:37:00,920

say Ken Arnold's first sighting in 47

825

00:37:05,270 --> 00:37:03,540

going back to the Bible ezekiel's wheel

826

00:37:07,970 --> 00:37:05,280

going back to the medieval

827

00:37:10,250 --> 00:37:07,980

manifestations of little saucers and and

828

00:37:13,190 --> 00:37:10,260

UFOs that painting of the Madonna that's

829

00:37:15,290 --> 00:37:13,200

very famous in which it appears up to

830

00:37:17,150 --> 00:37:15,300

now

831

00:37:19,069 --> 00:37:17,160

um there has been no there have been no

832

00:37:20,510 --> 00:37:19,079

mass murders by these these beings

833

00:37:22,310 --> 00:37:20,520

there's been no mass destruction of

834

00:37:24,410 --> 00:37:22,320

cities but

835

00:37:26,870 --> 00:37:24,420

hundreds of thousands of people have

836

00:37:28,849 --> 00:37:26,880

been taken out of their lives subjected

837

00:37:29,710 --> 00:37:28,859

to surgical

838

00:37:32,329 --> 00:37:29,720

um

839

00:37:33,829 --> 00:37:32,339

experimentation released back into the

840

00:37:35,270 --> 00:37:33,839

population and are suffering trauma

841

00:37:45,250 --> 00:37:35,280

today for it

842

00:37:45,260 --> 00:37:51,490

thank you

843

00:37:56,270 --> 00:37:53,690

the idea

844

00:37:57,950 --> 00:37:56,280

I mean like in the movie uh Close

845

00:37:59,690 --> 00:37:57,960

Encounters of the Third Kind the meeting

846

00:38:01,430 --> 00:37:59,700

on the Dark Side of the Moon in Devil's

847

00:38:04,550 --> 00:38:01,440

Tower Wyoming I mean it seems like the

848

00:38:06,349 --> 00:38:04,560

logical thing to do I mean we we uh we

849

00:38:09,050 --> 00:38:06,359

have a communication a teletype message

850

00:38:11,329 --> 00:38:09,060

we have a place a location and a time

851

00:38:13,849 --> 00:38:11,339

and we isolate it from the public until

852

00:38:15,349 --> 00:38:13,859

we know it's safe I mean we we check

853

00:38:17,390 --> 00:38:15,359

each other out I mean this seems like

854

00:38:19,130 --> 00:38:17,400

the most logical thing to do you know

855

00:38:22,130 --> 00:38:19,140

even rather than meeting on the White

856

00:38:24,890 --> 00:38:22,140

House lawn I mean this is the way we

857

00:38:26,750 --> 00:38:24,900

would like it to happen but that doesn't

858

00:38:28,849 --> 00:38:26,760

seem to be the way it's really happening

859

00:38:30,530 --> 00:38:28,859

I mean these extraterrestrials don't

860

00:38:32,329 --> 00:38:30,540

seem to be so interested in doing things

861

00:38:33,950 --> 00:38:32,339

politically the way we do things on

862

00:38:37,370 --> 00:38:33,960

earth they're picking certain

863

00:38:40,310 --> 00:38:37,380

individuals to contact they are

864

00:38:42,530 --> 00:38:40,320

zeroing in on those individuals but now

865

00:38:45,349 --> 00:38:42,540

I mean there are so many sightings going

866

00:38:49,670 --> 00:38:45,359

on all over the planet I mean it's just

867

00:38:50,710 --> 00:38:49,680

amazing I mean Iran turkey Mexico Venice

868

00:38:55,849 --> 00:38:50,720

California

869

00:38:58,069 --> 00:38:55,859

mean the reports are coming in every

870

00:39:01,790 --> 00:38:58,079

other day now it seems like we're

871

00:39:04,670 --> 00:39:01,800

heading towards an Omega point I mean

872

00:39:07,550 --> 00:39:04,680

what is about to happen I mean is this

873

00:39:09,650 --> 00:39:07,560

is this all just a coincidence that more

874

00:39:11,089 --> 00:39:09,660

and more people have video cameras or do

875

00:39:14,630 --> 00:39:11,099

you really think you know there's a

876
00:39:17,150 --> 00:39:14,640
major unprecedented uh communication

877
00:39:18,950 --> 00:39:17,160
that is about to happen between our

878
00:39:21,890 --> 00:39:18,960
extraterrestrial visitors and Humanity

879
00:39:23,990 --> 00:39:21,900
or again is it the video camera question

880
00:39:25,849 --> 00:39:24,000
more more camcorders

881
00:39:26,990 --> 00:39:25,859
there are definitely more video cameras

882
00:39:29,089 --> 00:39:27,000
out there

883
00:39:31,190 --> 00:39:29,099
um and uh definitely more sightings and

884
00:39:34,069 --> 00:39:31,200
definitely more credible Witnesses you

885
00:39:36,230 --> 00:39:34,079
know the biggest thing in ufology uh in

886
00:39:39,109 --> 00:39:36,240
the 60s was herb Shermer the Nebraska

887
00:39:42,050 --> 00:39:39,119
highway patrolman it was at the Ashland

888
00:39:43,490 --> 00:39:42,060

oil tank farm out there in in Nebraska

889

00:39:46,490 --> 00:39:43,500

and he

890

00:39:49,250 --> 00:39:46,500

writes in his diary you know soft flying

891

00:39:51,109 --> 00:39:49,260

saucer and then under hypnosis

892

00:39:52,670 --> 00:39:51,119

turned out that he was taken abort and

893

00:39:54,530 --> 00:39:52,680

informed of their intentions Barney and

894

00:39:57,770 --> 00:39:54,540

Betty Hill I mean these were the these

895

00:39:59,930 --> 00:39:57,780

were the key cases Shermer Benny uh

896

00:40:01,150 --> 00:39:59,940

Barney and Betty Hill the Pascagoula

897

00:40:04,190 --> 00:40:01,160

incident

898

00:40:06,770 --> 00:40:04,200

Travis Walton

899

00:40:09,109 --> 00:40:06,780

um now there are hundreds of cases like

900

00:40:11,510 --> 00:40:09,119

this and I think that

901
00:40:14,690 --> 00:40:11,520
because it's in the consciousness

902
00:40:16,190 --> 00:40:14,700
because we have you know a poll saying

903
00:40:18,230 --> 00:40:16,200
basically half of the world believes in

904
00:40:20,329 --> 00:40:18,240
half dozen

905
00:40:22,910 --> 00:40:20,339
um we we are we're reaching a point

906
00:40:26,329 --> 00:40:22,920
where as as Stephen Bassett talks about

907
00:40:28,550 --> 00:40:26,339
his his time clock it's like the nuclear

908
00:40:30,410 --> 00:40:28,560
time clock uh that we had in the 50s

909
00:40:32,450 --> 00:40:30,420
before we blew the world you know before

910
00:40:34,730 --> 00:40:32,460
we blew the world up

911
00:40:36,170 --> 00:40:34,740
the theory that once the hands got to

912
00:40:37,670 --> 00:40:36,180
midnight that's when all the nuclear

913
00:40:39,790 --> 00:40:37,680

weapons in the world would be discharged

914

00:40:42,589 --> 00:40:39,800

well we've stopped that nuclear clock

915

00:40:44,150 --> 00:40:42,599

thankfully but as far as the UFO clock

916

00:40:45,290 --> 00:40:44,160

he says we're we're one minute to

917

00:40:47,930 --> 00:40:45,300

midnight now

918

00:40:50,510 --> 00:40:47,940

meaning that in in a minute to midnight

919

00:40:51,890 --> 00:40:50,520

something really really spectacular is

920

00:40:56,569 --> 00:40:51,900

going to happen now whether that's a

921

00:40:58,730 --> 00:40:56,579

mass uh appearance uh whether that is uh

922

00:41:00,290 --> 00:40:58,740

you know it come over to the Yankee

923

00:41:03,290 --> 00:41:00,300

Stadium during a game

924

00:41:05,270 --> 00:41:03,300

I think the next possibly the next maybe

925

00:41:07,730 --> 00:41:05,280

even in the next five years we're going

926
00:41:10,010 --> 00:41:07,740
to uh have

927
00:41:11,569 --> 00:41:10,020
um occasions uh like the one I

928
00:41:14,030 --> 00:41:11,579
experienced in Upstate New York in the

929
00:41:15,050 --> 00:41:14,040
mid 80s when I was I woke up in the

930
00:41:16,310 --> 00:41:15,060
middle of the night and I said to my

931
00:41:18,290 --> 00:41:16,320
wife they're calling me they're calling

932
00:41:19,930 --> 00:41:18,300
me I want to go outside they want me to

933
00:41:22,010 --> 00:41:19,940
come outside and see

934
00:41:23,569 --> 00:41:22,020
something outside wants me to come out

935
00:41:25,910 --> 00:41:23,579
and say oh just go back to bed I went

936
00:41:28,069 --> 00:41:25,920
back to bed but in the next day in the

937
00:41:29,930 --> 00:41:28,079
media in newspapers and radio all over

938
00:41:31,730 --> 00:41:29,940

Upstate New York and Ontario and Quebec

939

00:41:34,609 --> 00:41:31,740
and Vermont

940

00:41:36,829 --> 00:41:34,619
people spoke about this urge they had to

941

00:41:38,569 --> 00:41:36,839
go out of their houses at three in the

942

00:41:41,210 --> 00:41:38,579
morning and look up into the sky

943

00:41:42,829 --> 00:41:41,220
and 12 000 people shared this urge and

944

00:41:44,810 --> 00:41:42,839
they went out and it was a big big news

945

00:41:46,790 --> 00:41:44,820
story and of course the Air Force said

946

00:41:49,490 --> 00:41:46,800
that a Chinese rocket had exploded over

947

00:41:53,150 --> 00:41:49,500
New York State and what people saw was a

948

00:41:55,750 --> 00:41:53,160
massive Miles High pink spiral in the

949

00:41:59,150 --> 00:41:55,760
sky above the great lakes

950

00:42:02,510 --> 00:41:59,160
in Hall Quebec Canada a few years

951

00:42:05,210 --> 00:42:02,520

afterwards uh there was a story of

952

00:42:08,810 --> 00:42:05,220

several 100 people almost a thousand

953

00:42:10,910 --> 00:42:08,820

people in this community gapno North of

954

00:42:14,329 --> 00:42:10,920

Hall Quebec Canada in the in the Quebec

955

00:42:15,710 --> 00:42:14,339

province sharing this urge to come

956

00:42:17,750 --> 00:42:15,720

outside and look up into the sky and

957

00:42:20,390 --> 00:42:17,760

they also saw an operation so they're

958

00:42:22,609 --> 00:42:20,400

going to be more of these uh these Mass

959

00:42:24,470 --> 00:42:22,619

sightings and

960

00:42:29,329 --> 00:42:24,480

um you know the day that a million

961

00:42:31,609 --> 00:42:29,339

people in Idaho at a rock concert or or

962

00:42:33,609 --> 00:42:31,619

something see it that is when you're

963

00:42:37,190 --> 00:42:33,619

going to really get the conventional

964

00:42:39,050 --> 00:42:37,200

military uh and police sitting down to

965

00:42:41,930 --> 00:42:39,060

say well it's time to throw the brook

966

00:42:44,089 --> 00:42:41,940

Brookings institution and Report out and

967

00:42:46,609 --> 00:42:44,099

uh and lay it open to the people and let

968

00:42:48,589 --> 00:42:46,619

the people decide you know what must be

969

00:42:50,390 --> 00:42:48,599

done in conference with with our state

970

00:43:15,380 --> 00:42:50,400

leaders

971

00:43:25,970 --> 00:43:18,040

[Applause]

972

00:43:34,910 --> 00:43:28,069

10 o'clock 11 o'clock going away don't

973

00:43:39,290 --> 00:43:37,190

there have been so many celebrities I

974

00:43:41,809 --> 00:43:39,300

mean like people like David Bowie and

975

00:43:43,730 --> 00:43:41,819

John Denver many people who have been

976

00:43:45,290 --> 00:43:43,740

interested in UFOs but also in the idea

977

00:43:48,530 --> 00:43:45,300

of going into space

978

00:43:51,349 --> 00:43:48,540

would you train and go on the space

979

00:43:53,809 --> 00:43:51,359

shuttle yourself and and conduct

980

00:43:56,450 --> 00:43:53,819

investigations into UFOs and if you did

981

00:43:58,670 --> 00:43:56,460

that and you took an oath that stated

982

00:44:01,010 --> 00:43:58,680

that if you did

983

00:44:02,329 --> 00:44:01,020

discover something out there that you

984

00:44:04,730 --> 00:44:02,339

would not share it with the American

985

00:44:07,250 --> 00:44:04,740

public and if you knew you had captured

986

00:44:10,550 --> 00:44:07,260

on videotape actual UFOs from the space

987

00:44:13,309 --> 00:44:10,560

shuttle would you break that oath and

988

00:44:15,829 --> 00:44:13,319

share the truth with the American public

989

00:44:17,329 --> 00:44:15,839

um well I you know first of all I'm

990

00:44:20,150 --> 00:44:17,339

claustrophobic so I doubt I'll go up

991

00:44:22,130 --> 00:44:20,160

into space but if I were to go up into

992

00:44:23,870 --> 00:44:22,140

space I would have to say look you know

993

00:44:25,670 --> 00:44:23,880

what we see up there and what we find

994

00:44:27,530 --> 00:44:25,680

you know

995

00:44:29,870 --> 00:44:27,540

we're just gonna we're just gonna have

996

00:44:32,809 --> 00:44:29,880

to throw out that that law there's a law

997

00:44:36,950 --> 00:44:32,819

according to NASA's space act signed on

998

00:44:38,930 --> 00:44:36,960

July 29 1958 Section 102 paragraph C sub

999

00:44:41,510 --> 00:44:38,940

paragraph a we read

1000

00:44:42,950 --> 00:44:41,520

information obtained or developed by the

1001
00:44:45,109 --> 00:44:42,960
administrator in the performance of his

1002
00:44:47,270 --> 00:44:45,119
functions under this act shall be

1003
00:44:49,910 --> 00:44:47,280
available for public inspection except

1004
00:44:52,069 --> 00:44:49,920
information authorized or required by

1005
00:44:54,410 --> 00:44:52,079
federal statute to be withheld and

1006
00:44:57,109 --> 00:44:54,420
information classified to protect the

1007
00:44:58,609 --> 00:44:57,119
National Security would NASA consider

1008
00:45:00,410 --> 00:44:58,619
contact with an extraterrestrial

1009
00:45:02,329 --> 00:45:00,420
civilization a threat to National

1010
00:45:04,130 --> 00:45:02,339
Security and if they did would they

1011
00:45:07,990 --> 00:45:04,140
classify it to protect the National

1012
00:45:12,890 --> 00:45:11,089
so I would have to say no I couldn't

1013
00:45:14,150 --> 00:45:12,900

agree to non-disclosure I really

1014

00:45:15,890 --> 00:45:14,160

couldn't if I saw something or

1015

00:45:18,589 --> 00:45:15,900

photograph something but I can see where

1016

00:45:19,910 --> 00:45:18,599

other people uh you know wanting to do

1017

00:45:22,010 --> 00:45:19,920

the best for their country wanting to

1018

00:45:24,370 --> 00:45:22,020

serve their country in a legitimate way

1019

00:45:28,010 --> 00:45:24,380

would would say yes I I will not

1020

00:45:30,410 --> 00:45:28,020

disclose and uh this is based on the

1021

00:45:33,109 --> 00:45:30,420

Brookings institution report from the

1022

00:45:35,930 --> 00:45:33,119

late 50s which you know Congress

1023

00:45:38,329 --> 00:45:35,940

commission which said that if the

1024

00:45:41,089 --> 00:45:38,339

existence of UFOs were really revealed

1025

00:45:43,550 --> 00:45:41,099

to uh the American populace the American

1026

00:45:45,710 --> 00:45:43,560

populace would not be able to have they

1027

00:45:46,910 --> 00:45:45,720

would defy Church Authority police

1028

00:45:48,650 --> 00:45:46,920

Authority military Authority

1029

00:45:51,829 --> 00:45:48,660

governmental Authority ah they wouldn't

1030

00:45:53,990 --> 00:45:51,839

go to work uh they would uh uh sort of

1031

00:45:55,670 --> 00:45:54,000

cast aside the Mayors and governors and

1032

00:45:58,069 --> 00:45:55,680

presidents and go we want to talk

1033

00:46:00,470 --> 00:45:58,079

directly to these these beings we feel

1034

00:46:03,349 --> 00:46:00,480

uh that these beings should you know

1035

00:46:05,990 --> 00:46:03,359

have their case put to us directly by by

1036

00:46:09,130 --> 00:46:06,000

them themselves uh I think the American

1037

00:46:12,109 --> 00:46:09,140

populace today is ready to handle

1038

00:46:13,790 --> 00:46:12,119

the concept that what we live in the

1039

00:46:16,190 --> 00:46:13,800

four dimensions of height length width

1040

00:46:18,770 --> 00:46:16,200

and time is not all there is there are

1041

00:46:21,650 --> 00:46:18,780

more dimensional realities there are

1042

00:46:23,329 --> 00:46:21,660

Advanced beings with machines that can

1043

00:46:25,970 --> 00:46:23,339

skip from Dimension to Dimension from

1044

00:46:28,750 --> 00:46:25,980

Galaxy to Galaxy using the Einstein

1045

00:46:32,569 --> 00:46:28,760

rosenbridges the one holes

1046

00:46:34,010 --> 00:46:32,579

and I think the American people I think

1047

00:46:36,109 --> 00:46:34,020

half of them know and I think the other

1048

00:46:38,750 --> 00:46:36,119

half with the proper evidence would be

1049

00:46:42,530 --> 00:46:38,760

ready would be ready to accept it

1050

00:46:44,809 --> 00:46:42,540

uh it's going to take a mass sighting

1051
00:46:46,490 --> 00:46:44,819
for the U.S government to to finally say

1052
00:46:49,910 --> 00:46:46,500
look we're going to come on side with

1053
00:46:52,370 --> 00:46:49,920
France Belgium Mexico turkey Iran and

1054
00:46:54,170 --> 00:46:52,380
we're going to tell the truth and we're

1055
00:46:55,970 --> 00:46:54,180
going to we're going to reveal what

1056
00:46:58,250 --> 00:46:55,980
happened to Tom mantel when he went up

1057
00:47:00,970 --> 00:46:58,260
in his P51 what happened in the Great

1058
00:47:03,109 --> 00:47:00,980
Lakes when uh I believe it was an F

1059
00:47:04,730 --> 00:47:03,119
-104 I believe was scrambled over the

1060
00:47:08,390 --> 00:47:04,740
great lakes in the in the 60s what

1061
00:47:09,710 --> 00:47:08,400
happened to him uh you know I I think

1062
00:47:11,809 --> 00:47:09,720
that uh

1063
00:47:17,530 --> 00:47:11,819

that if you have that type of sighting

1064

00:47:22,730 --> 00:47:20,770

interdimensional travel I mean not just

1065

00:47:25,990 --> 00:47:22,740

traveling through our Dimension but

1066

00:47:28,730 --> 00:47:26,000

going into alternative Dimensions Dan um

1067

00:47:30,770 --> 00:47:28,740

would you and if you could a spaceship

1068

00:47:32,329 --> 00:47:30,780

arrives in your yard and you know you

1069

00:47:33,550 --> 00:47:32,339

got you've got the barbecue out and

1070

00:47:36,170 --> 00:47:33,560

there's the

1071

00:47:37,370 --> 00:47:36,180

steak on the grill and they want you

1072

00:47:39,530 --> 00:47:37,380

right now

1073

00:47:41,510 --> 00:47:39,540

to come with them and go into another

1074

00:47:43,370 --> 00:47:41,520

dimension and to move forward and

1075

00:47:45,109 --> 00:47:43,380

backwards on the timeline to go forward

1076

00:47:47,809 --> 00:47:45,119

in time and backward in time if you

1077

00:47:49,970 --> 00:47:47,819

could move forward and backward in time

1078

00:47:51,770 --> 00:47:49,980

are there any events in human history

1079

00:47:55,250 --> 00:47:51,780

that you would interfere with that you

1080

00:47:56,870 --> 00:47:55,260

would change to alter the destiny and

1081

00:47:58,190 --> 00:47:56,880

the course of humanity well I wouldn't

1082

00:48:02,030 --> 00:47:58,200

want to go back in time and change

1083

00:48:04,490 --> 00:48:02,040

anything because uh that would be

1084

00:48:06,410 --> 00:48:04,500

a tampering that I I wouldn't serve

1085

00:48:08,030 --> 00:48:06,420

mankind well although there are many

1086

00:48:11,030 --> 00:48:08,040

horrors of course wouldn't you have

1087

00:48:13,970 --> 00:48:11,040

loved to have caught Hitler uh as a 15

1088

00:48:15,589 --> 00:48:13,980

year old and have him drown in a river

1089

00:48:17,210 --> 00:48:15,599

um or

1090

00:48:18,829 --> 00:48:17,220

um you know because then we could have

1091

00:48:21,410 --> 00:48:18,839

solved the Holocaust problem and then

1092

00:48:22,790 --> 00:48:21,420

World War II may not have well look

1093

00:48:24,410 --> 00:48:22,800

there were two guys there was Otto

1094

00:48:26,390 --> 00:48:24,420

Dinkel you ever heard of him well he was

1095

00:48:28,550 --> 00:48:26,400

an orator hired by the German Army just

1096

00:48:29,990 --> 00:48:28,560

like Hitler was to speak if Hitler died

1097

00:48:31,849 --> 00:48:30,000

maybe Otto Dinkel would have been the

1098

00:48:34,370 --> 00:48:31,859

guy that would have gone on with this

1099

00:48:35,990 --> 00:48:34,380

rabid anti-Semitism and wiped out nine

1100

00:48:37,609 --> 00:48:36,000

million people

1101
00:48:40,790 --> 00:48:37,619
um of course one thinks of those things

1102
00:48:44,329 --> 00:48:40,800
but you don't want to go back in time

1103
00:48:46,069 --> 00:48:44,339
and play with events because

1104
00:48:48,849 --> 00:48:46,079
you know where we've come to today and

1105
00:48:51,770 --> 00:48:48,859
the improvements we've made uh in in in

1106
00:48:54,170 --> 00:48:51,780
human rights and in regarding ourselves

1107
00:48:55,910 --> 00:48:54,180
as sacred they've come because of the

1108
00:48:58,250 --> 00:48:55,920
bad things that have happened now if I

1109
00:48:59,809 --> 00:48:58,260
went into the future

1110
00:49:03,650 --> 00:48:59,819
um I would want to see where this planet

1111
00:49:05,630 --> 00:49:03,660
is 300 years from now did we make it

1112
00:49:08,690 --> 00:49:05,640
did we make it that's what I would I

1113
00:49:12,890 --> 00:49:10,790

I mean that from my knowledge of the

1114

00:49:15,950 --> 00:49:12,900

world that I see around

1115

00:49:17,930 --> 00:49:15,960

I think that it is much more likely that

1116

00:49:19,930 --> 00:49:17,940

the reports of flying sources are the

1117

00:49:21,589 --> 00:49:19,940

result of the known irrational

1118

00:49:24,050 --> 00:49:21,599

characteristics of terrestrial

1119

00:49:26,450 --> 00:49:24,060

intelligence rather than the unknown

1120

00:49:30,430 --> 00:49:26,460

rational ethic of extraterrestrial

1121

00:49:35,510 --> 00:49:33,050

interdimensionality again if you could

1122

00:49:37,970 --> 00:49:35,520

move forward and backward in time

1123

00:49:41,030 --> 00:49:37,980

and meet any personality any public

1124

00:49:44,089 --> 00:49:41,040

figure celebrity or politician or or

1125

00:49:45,770 --> 00:49:44,099

mystical figure is there anybody that

1126

00:49:48,109 --> 00:49:45,780

you would like to sit down with if you

1127

00:49:50,510 --> 00:49:48,119

could have lunch with them or or just

1128

00:49:52,250 --> 00:49:50,520

sit down and talk to them and

1129

00:49:54,230 --> 00:49:52,260

have a discussion

1130

00:49:56,089 --> 00:49:54,240

forward and backward in time

1131

00:49:58,670 --> 00:49:56,099

all I'd love to spend an afternoon with

1132

00:50:00,230 --> 00:49:58,680

Richard Feynman

1133

00:50:02,930 --> 00:50:00,240

um would love to sit down with

1134

00:50:07,490 --> 00:50:02,940

Heisenberg and uh of course you know

1135

00:50:09,530 --> 00:50:07,500

Einstein Niels Bohr Max Planck uh you

1136

00:50:11,690 --> 00:50:09,540

know I'd love to sit with the you know

1137

00:50:12,950 --> 00:50:11,700

the particulate uh you know the quantum

1138

00:50:15,230 --> 00:50:12,960

physics guys

1139

00:50:17,390 --> 00:50:15,240

because there really is is the root of

1140

00:50:20,630 --> 00:50:17,400

understanding how and why

1141

00:50:23,210 --> 00:50:20,640

uh the world is the way it is and the

1142

00:50:37,210 --> 00:50:23,220

the the just the the joy of these

1143

00:50:42,349 --> 00:50:41,030

uh everyone you picked is a physicist a

1144

00:50:44,349 --> 00:50:42,359

scientist and

1145

00:50:47,270 --> 00:50:44,359

I often think about

1146

00:50:48,650 --> 00:50:47,280

how spirituality and science are

1147

00:50:50,569 --> 00:50:48,660

emerging how they're kind of coming

1148

00:50:53,270 --> 00:50:50,579

together I mean what

1149

00:50:55,490 --> 00:50:53,280

ancient civilizations thought of as of a

1150

00:50:58,549 --> 00:50:55,500

universe was really the Earth and the

1151
00:51:00,230 --> 00:50:58,559
Sun and a few planets and now with the

1152
00:51:03,230 --> 00:51:00,240
Advent of the Hubble telescope we can

1153
00:51:06,109 --> 00:51:03,240
see that the universe is far bigger than

1154
00:51:08,270 --> 00:51:06,119
the Ancients had ever imagined so well

1155
00:51:11,150 --> 00:51:08,280
science and religion are merging on some

1156
00:51:13,190 --> 00:51:11,160
ideas and other areas are just far off

1157
00:51:15,470 --> 00:51:13,200
but to make matters even more

1158
00:51:17,630 --> 00:51:15,480
complicated the idea of parallel

1159
00:51:21,589 --> 00:51:17,640
Dimensions or parallel universes I mean

1160
00:51:25,370 --> 00:51:21,599
it's just getting so vast out there how

1161
00:51:27,049 --> 00:51:25,380
do you map a Multiverse

1162
00:51:29,809 --> 00:51:27,059
you know I've talked to some guys they

1163
00:51:31,370 --> 00:51:29,819

say that that that Fifth Dimension sixth

1164

00:51:32,930 --> 00:51:31,380

Dimension could be right here by my ear

1165

00:51:34,370 --> 00:51:32,940

and could be a millimeter wide and a

1166

00:51:35,690 --> 00:51:34,380

millimeter across

1167

00:51:37,609 --> 00:51:35,700

you don't you know because you're

1168

00:51:39,770 --> 00:51:37,619

talking about you know Dimensions that

1169

00:51:43,130 --> 00:51:39,780

defy any kind of dimensional

1170

00:51:45,470 --> 00:51:43,140

understanding and you know there was a l

1171

00:51:49,549 --> 00:51:45,480

forget his name he died recently last

1172

00:51:53,150 --> 00:51:49,559

two years but his he proposed that

1173

00:51:54,890 --> 00:51:53,160

that their their parallel realities just

1174

00:51:56,569 --> 00:51:54,900

because of the way we go through time

1175

00:51:57,349 --> 00:51:56,579

like here we are in this interview right

1176

00:51:58,430 --> 00:51:57,359

now

1177

00:52:00,230 --> 00:51:58,440

well

1178

00:52:02,690 --> 00:52:00,240

what I said and what you said and what

1179

00:52:03,890 --> 00:52:02,700

we all did two minutes ago still exists

1180

00:52:05,809 --> 00:52:03,900

somewhere

1181

00:52:09,650 --> 00:52:05,819

because we just did it it's there it's

1182

00:52:11,930 --> 00:52:09,660

like a wake we've left and uh and if you

1183

00:52:13,790 --> 00:52:11,940

had a Time vehicle you could go back to

1184

00:52:15,650 --> 00:52:13,800

two minutes before and

1185

00:52:16,910 --> 00:52:15,660

and stop and and see what we're doing

1186

00:52:18,530 --> 00:52:16,920

two minutes before you go back to your

1187

00:52:21,589 --> 00:52:18,540

high school days you go back to your

1188

00:52:22,849 --> 00:52:21,599

days as an infant uh and those realities

1189

00:52:26,030 --> 00:52:22,859

are

1190

00:52:27,890 --> 00:52:26,040

still existing alongside what what we're

1191

00:52:28,970 --> 00:52:27,900

progressing through

1192

00:52:30,290 --> 00:52:28,980

um

1193

00:52:34,549 --> 00:52:30,300

you know it's it's all a beautiful

1194

00:52:37,670 --> 00:52:34,559

beautiful mystery I am here because I am

1195

00:52:41,750 --> 00:52:37,680

a writer a performer I find it

1196

00:52:44,569 --> 00:52:41,760

entertaining I'm not a scientist uh I uh

1197

00:52:48,589 --> 00:52:44,579

you know and I'm not a theosopher or

1198

00:52:51,230 --> 00:52:48,599

philosopher and I I you know I am just

1199

00:52:53,990 --> 00:52:51,240

here because it is enormously enormously

1200

00:52:56,630 --> 00:52:54,000

entertaining and Mysteries like this are

1201

00:53:01,190 --> 00:52:56,640

challenging and it's really really fun

1202

00:53:03,770 --> 00:53:01,200

to contemplate uh that uh you know there

1203

00:53:06,770 --> 00:53:03,780

there may be beings out there who

1204

00:53:08,450 --> 00:53:06,780

are concerned about our planet and who

1205

00:53:10,609 --> 00:53:08,460

might give us the opportunity to advance

1206

00:53:14,260 --> 00:53:10,619

ourselves it's it's really fun to

1207

00:53:14,270 --> 00:53:17,990

[Applause]

1208

00:53:23,150 --> 00:53:19,910

all the physics that we know on this

1209

00:53:25,970 --> 00:53:23,160

planet quantum physics uh and uh and

1210

00:53:29,990 --> 00:53:25,980

conventional physics and Metallurgy and

1211

00:53:31,730 --> 00:53:30,000

and uh you know you know all of it it

1212

00:53:34,430 --> 00:53:31,740

can it can really Encompass a theory of

1213

00:53:37,069 --> 00:53:34,440

how these ships move I mean you've done

1214

00:53:39,049 --> 00:53:37,079

it yourself David uh proposing you know

1215

00:53:42,109 --> 00:53:39,059

that when if you can convert you know a

1216

00:53:43,490 --> 00:53:42,119

mass to a state of you know of photonic

1217

00:53:46,370 --> 00:53:43,500

energy then

1218

00:53:47,630 --> 00:53:46,380

there is no uh there is no Mass anymore

1219

00:53:48,770 --> 00:53:47,640

and you're really looking at pure light

1220

00:53:51,349 --> 00:53:48,780

you're looking at anti-gravity you're

1221

00:53:53,630 --> 00:53:51,359

looking at uh something that can be you

1222

00:53:56,030 --> 00:53:53,640

know harnessed In Waves well

1223

00:53:59,030 --> 00:53:56,040

what is the fuel well people you know

1224

00:54:02,450 --> 00:53:59,040

Bob Lazar talked about you know this

1225

00:54:05,750 --> 00:54:02,460

element 115 that was put into these

1226

00:54:08,270 --> 00:54:05,760

generators uh to boil Mercury and uh to

1227

00:54:10,790 --> 00:54:08,280

be used as gravity tractors maybe maybe

1228

00:54:13,309 --> 00:54:10,800

that's it I I don't know I mean

1229

00:54:14,990 --> 00:54:13,319

uh they must be using a fuel that's

1230

00:54:17,150 --> 00:54:15,000

unavailable

1231

00:54:19,609 --> 00:54:17,160

to us is it does it just give off

1232

00:54:20,329 --> 00:54:19,619

radioactive waste what is the cost to

1233

00:54:22,849 --> 00:54:20,339

them

1234

00:54:24,890 --> 00:54:22,859

for instance the Venice UFO that you

1235

00:54:27,230 --> 00:54:24,900

recently showed me and and I love I

1236

00:54:29,150 --> 00:54:27,240

covet that tape that's amazing

1237

00:54:30,650 --> 00:54:29,160

uh because you see the metallic quality

1238

00:54:33,829 --> 00:54:30,660

of the object you see the force field

1239

00:54:39,049 --> 00:54:33,839

around you see it spinning it was uh May

1240

00:54:41,870 --> 00:54:39,059

2nd uh uh 2004 approximately 11 30 A.M

1241

00:54:44,270 --> 00:54:41,880

and I was walking from my apartment with

1242

00:54:45,770 --> 00:54:44,280

my girlfriend down this alley right here

1243

00:54:48,290 --> 00:54:45,780

and we were just sort of walking this

1244

00:54:49,549 --> 00:54:48,300

way and I looked up over at those phone

1245

00:54:51,170 --> 00:54:49,559

lines and

1246

00:54:54,349 --> 00:54:51,180

we saw something that we really couldn't

1247

00:54:57,890 --> 00:54:54,359

make sense of it was uh very shiny you

1248

00:55:00,290 --> 00:54:57,900

know uh metallic disc so we turned the

1249

00:55:02,390 --> 00:55:00,300

corner here and uh this is basically

1250

00:55:05,270 --> 00:55:02,400

where we're just looking at it

1251
00:55:07,370 --> 00:55:05,280
and uh we're pretty much like uh okay

1252
00:55:10,250 --> 00:55:07,380
that's uh not a balloon or anything

1253
00:55:12,410 --> 00:55:10,260
we're familiar with so uh we sort of

1254
00:55:14,690 --> 00:55:12,420
kept walking to the corner and just uh

1255
00:55:17,450 --> 00:55:14,700
stared at it for a while and until it

1256
00:55:20,089 --> 00:55:17,460
hit me uh you know that this was really

1257
00:55:23,589 --> 00:55:20,099
something it was a man also looking at

1258
00:55:26,150 --> 00:55:23,599
it uh sort of a bystander and he said

1259
00:55:27,890 --> 00:55:26,160
wow do you guys see that and that's what

1260
00:55:29,750 --> 00:55:27,900
I realized all three of us were looking

1261
00:55:33,049 --> 00:55:29,760
at something extraordinary

1262
00:55:35,569 --> 00:55:33,059
what is the Environmental cost of

1263
00:55:39,170 --> 00:55:35,579

running these machines are they clean or

1264

00:55:41,809 --> 00:55:39,180

are they not is there some wherever you

1265

00:55:43,130 --> 00:55:41,819

know they came from is there some place

1266

00:55:45,609 --> 00:55:43,140

they have to go back to after their

1267

00:55:49,549 --> 00:55:45,619

Journeys are finished to dump whatever

1268

00:55:53,030 --> 00:55:49,559

uh they've used up in terms of fuel like

1269

00:55:55,490 --> 00:55:53,040

we would a bad fuel rod and a reactor

1270

00:55:57,770 --> 00:55:55,500

um that that is uh

1271

00:55:59,930 --> 00:55:57,780

is a question I'd like to know I'd like

1272

00:56:03,109 --> 00:55:59,940

to ask is you know is you are you a

1273

00:56:05,750 --> 00:56:03,119

clean burning vessel or is there some

1274

00:56:07,130 --> 00:56:05,760

cost that that you pay like we paid for

1275

00:56:08,930 --> 00:56:07,140

atomic energy

1276

00:56:11,990 --> 00:56:08,940

when we consider

1277

00:56:14,210 --> 00:56:12,000

that it may be possible to take mass and

1278

00:56:16,510 --> 00:56:14,220

reduce it down to zero make it as light

1279

00:56:20,329 --> 00:56:16,520

as a photon

1280

00:56:21,950 --> 00:56:20,339

we can start to uh

1281

00:56:23,329 --> 00:56:21,960

approach this whole White Speed

1282

00:56:25,490 --> 00:56:23,339

phenomena

1283

00:56:27,650 --> 00:56:25,500

from a whole new Direction I mean we're

1284

00:56:30,170 --> 00:56:27,660

going to be able to do this this is this

1285

00:56:32,270 --> 00:56:30,180

is the only logical answer there are no

1286

00:56:34,790 --> 00:56:32,280

visible nuclear materials

1287

00:56:36,710 --> 00:56:34,800

in the University as we know it to

1288

00:56:38,630 --> 00:56:36,720

produce the kind of energies in a steady

1289

00:56:41,210 --> 00:56:38,640

stream that you need to get Mass up to

1290

00:56:42,829 --> 00:56:41,220

that speed there are no physical nuclear

1291

00:56:44,870 --> 00:56:42,839

fuels that can produce one trillion

1292

00:56:47,210 --> 00:56:44,880

electron volts all day long and let's

1293

00:56:50,150 --> 00:56:47,220

learn wormholes wormholes are even

1294

00:56:52,670 --> 00:56:50,160

more exotic the idea of you know bending

1295

00:56:55,069 --> 00:56:52,680

and folding two spaces of space time

1296

00:56:57,470 --> 00:56:55,079

together and creating a shortcut

1297

00:57:00,589 --> 00:56:57,480

Wormhole to Vector in between those two

1298

00:57:03,589 --> 00:57:00,599

points according to Kip Thorne who wrote

1299

00:57:07,309 --> 00:57:03,599

black holes and time warps that

1300

00:57:09,589 --> 00:57:07,319

the energy required for a wormhole is a

1301
00:57:11,150 --> 00:57:09,599
hundred million Suns the energy the

1302
00:57:12,770 --> 00:57:11,160
negative energy they put out for an

1303
00:57:15,049 --> 00:57:12,780
entire year

1304
00:57:17,569 --> 00:57:15,059
there are 100 Million Suns in our galaxy

1305
00:57:20,089 --> 00:57:17,579
alone that means all of the negative

1306
00:57:23,030 --> 00:57:20,099
solar energy coming from our sons in

1307
00:57:25,490 --> 00:57:23,040
this whole galaxy the total energy for a

1308
00:57:28,730 --> 00:57:25,500
whole year is required to create a

1309
00:57:31,910 --> 00:57:28,740
wormhole where is where has any

1310
00:57:33,589 --> 00:57:31,920
extraterrestrial civilization or our

1311
00:57:35,390 --> 00:57:33,599
civilization is going to get access to

1312
00:57:37,670 --> 00:57:35,400
levels of energy that high it's never

1313
00:57:39,530 --> 00:57:37,680

going to happen that's why I've reversed

1314

00:57:41,569 --> 00:57:39,540

the table here I said you know you have

1315

00:57:43,490 --> 00:57:41,579

to ultimately get frustrated with the

1316

00:57:45,349 --> 00:57:43,500

idea of increasing energy on mass you

1317

00:57:46,730 --> 00:57:45,359

you have to just it's like banging your

1318

00:57:49,309 --> 00:57:46,740

head against the wall and trying to cram

1319

00:57:52,250 --> 00:57:49,319

it through the wall you will never be

1320

00:57:53,990 --> 00:57:52,260

able to do it this way so the new way

1321

00:57:56,569 --> 00:57:54,000

his Ivory pose doesn't make this all

1322

00:57:58,549 --> 00:57:56,579

possible and when you consider UFOs

1323

00:58:00,250 --> 00:57:58,559

coming in stopping on a dime and then

1324

00:58:02,809 --> 00:58:00,260

accelerating and turning out into space

1325

00:58:05,150 --> 00:58:02,819

any Air Force pilot can tell you that

1326
00:58:06,290 --> 00:58:05,160
stopping on a dime the g-forces are

1327
00:58:07,730 --> 00:58:06,300
going to throw you right through the

1328
00:58:09,410 --> 00:58:07,740
walls yeah you'll be crushed and then

1329
00:58:11,569 --> 00:58:09,420
sudden acceleration is going to do the

1330
00:58:13,430 --> 00:58:11,579
same thing it's going to destroy the

1331
00:58:16,910 --> 00:58:13,440
body of the pilot so

1332
00:58:18,770 --> 00:58:16,920
this this new approach and this new idea

1333
00:58:20,930 --> 00:58:18,780
I mean this is just the Inception it's

1334
00:58:24,549 --> 00:58:20,940
just the beginning but

1335
00:58:27,109 --> 00:58:24,559
um I think this is really the only

1336
00:58:29,150 --> 00:58:27,119
Avenue that we can look down right now

1337
00:58:29,580 --> 00:58:29,160
and the only way we can see solving this

1338
00:58:37,609 --> 00:58:29,590

problem

1339

00:58:42,349 --> 00:58:39,770

while Gordon Cooper was an Air Force

1340

00:58:45,890 --> 00:58:42,359

pilot stationed in Munich Germany in

1341

00:58:49,010 --> 00:58:45,900

1951 in the 86 fighter bomber group

1342

00:58:52,069 --> 00:58:49,020

where he flew f-84s and f-86s

1343

00:58:55,069 --> 00:58:52,079

Cooper testifies to having chased disc

1344

00:58:58,069 --> 00:58:55,079

shaped UFOs that outmaneuvered the most

1345

00:59:00,349 --> 00:58:58,079

advanced fighter jets of our time

1346

00:59:03,829 --> 00:59:00,359

we're flying in Germany

1347

00:59:06,049 --> 00:59:03,839

and we were flying f-86s

1348

00:59:08,329 --> 00:59:06,059

and they would come over and do the same

1349

00:59:11,089 --> 00:59:08,339

Maneuvers that we make except every once

1350

00:59:13,130 --> 00:59:11,099

while when I'm gonna go for zip

1351
00:59:17,450 --> 00:59:13,140
and you just can't do that in a fight or

1352
00:59:25,789 --> 00:59:20,690
they're just typical saucer shape the

1353
00:59:29,450 --> 00:59:26,990
foreign

1354
00:59:31,490 --> 00:59:29,460
well yeah they weren't just ran and they

1355
00:59:33,289 --> 00:59:31,500
were flying uh they were flying fighter

1356
00:59:41,270 --> 00:59:33,299
formations very definitely under

1357
00:59:44,890 --> 00:59:42,530
I'm here to announce that the second

1358
00:59:51,049 --> 00:59:44,900
annual exopolitics Expo X conference

1359
00:59:52,730 --> 00:59:51,059
2005 was concluded on Sunday April 24th

1360
00:59:54,109 --> 00:59:52,740
this event was produced by Paradigm

1361
00:59:57,289 --> 00:59:54,119
research group

1362
01:00:00,289 --> 00:59:57,299
26 speakers and panelists presented to

1363
01:00:02,270 --> 01:00:00,299

450 attendees over three days

1364

01:00:04,309 --> 01:00:02,280

it was a unique event which focuses on

1365

01:00:07,309 --> 01:00:04,319

the political governmental and social

1366

01:00:08,630 --> 01:00:07,319

implications of extraterrestrial related

1367

01:00:10,670 --> 01:00:08,640

phenomena

1368

01:00:12,650 --> 01:00:10,680

it is produced by prg as part of the

1369

01:00:14,270 --> 01:00:12,660

emerging activist movement seeking to

1370

01:00:16,069 --> 01:00:14,280

end a government imposed truth embargo

1371

01:00:21,110 --> 01:00:16,079

regarding extraterrestrial related

1372

01:00:26,870 --> 01:00:23,390

[Music]

1373

01:00:28,490 --> 01:00:26,880

do you believe and and describe you know

1374

01:00:29,950 --> 01:00:28,500

do you believe that your show was shut

1375

01:00:32,930 --> 01:00:29,960

down

1376

01:00:34,490 --> 01:00:32,940

for national security reasons and and

1377

01:00:36,410 --> 01:00:34,500

tell us tell us a little bit about what

1378

01:00:38,150 --> 01:00:36,420

happened with the show out there well

1379

01:00:41,150 --> 01:00:38,160

what happened what we we sold the show

1380

01:00:43,130 --> 01:00:41,160

to uh the Sci-Fi channel and uh it was

1381

01:00:45,549 --> 01:00:43,140

called out there and I basically

1382

01:00:49,250 --> 01:00:45,559

interviewed all of the people that I

1383

01:00:51,170 --> 01:00:49,260

admired in various fields of study like

1384

01:00:53,870 --> 01:00:51,180

Colin Andrews from the crop circle

1385

01:00:56,990 --> 01:00:53,880

movement Linda Moulton Howe the expert

1386

01:00:58,970 --> 01:00:57,000

on cattle mutilations John Mack

1387

01:01:01,010 --> 01:00:58,980

um and let me just put a pin in things

1388

01:01:04,130 --> 01:01:01,020

right there because John Mack has taken

1389

01:01:05,630 --> 01:01:04,140

the study of abductions UFOs right out

1390

01:01:07,849 --> 01:01:05,640

through the other other side and he's

1391

01:01:09,109 --> 01:01:07,859

going yes we know they're here we know

1392

01:01:11,390 --> 01:01:09,119

they're coming we know people have been

1393

01:01:13,370 --> 01:01:11,400

taken we know there's experimentation

1394

01:01:16,250 --> 01:01:13,380

going on we know people have been told

1395

01:01:20,150 --> 01:01:16,260

about agendas what we now have to do is

1396

01:01:22,849 --> 01:01:20,160

use that as a key and as a motivation to

1397

01:01:25,430 --> 01:01:22,859

socially transform this planet to a more

1398

01:01:28,069 --> 01:01:25,440

peaceful more loving more tolerant state

1399

01:01:31,250 --> 01:01:28,079

so his movement the the movement for

1400

01:01:34,990 --> 01:01:31,260

social change has just accepts as a fact

1401

01:01:38,030 --> 01:01:35,000

abductions UFOs interplanetary

1402

01:01:39,829 --> 01:01:38,040

intervention and what he's doing is

1403

01:01:42,349 --> 01:01:39,839

taking it out through the positive side

1404

01:01:44,030 --> 01:01:42,359

of it and saying now we must use it to

1405

01:01:46,130 --> 01:01:44,040

socially transform and I think his

1406

01:01:47,569 --> 01:01:46,140

message is great but I talked to him I

1407

01:01:49,309 --> 01:01:47,579

talked to the Allagash guys who were

1408

01:01:51,170 --> 01:01:49,319

taken in the canoe in that trip in

1409

01:01:54,049 --> 01:01:51,180

Pennsylvania I um

1410

01:01:55,430 --> 01:01:54,059

I mean and I the last show the last show

1411

01:01:59,450 --> 01:01:55,440

we did

1412

01:02:02,150 --> 01:01:59,460

I had both Bassett who has the the UFO

1413

01:02:03,410 --> 01:02:02,160

time clock and then Greer both Bassett

1414

01:02:05,089 --> 01:02:03,420
and Greer were there they were my two

1415

01:02:07,670 --> 01:02:05,099
guests for the day well the show was

1416

01:02:11,990 --> 01:02:07,680
canceled that afternoon

1417

01:02:14,270 --> 01:02:12,000
and um I was outside in before I knew it

1418

01:02:17,630 --> 01:02:14,280
was canceled in between the interviews

1419

01:02:19,490 --> 01:02:17,640
and uh I was outside and Britney Spears

1420

01:02:21,109 --> 01:02:19,500
called me because she wanted me to

1421

01:02:23,750 --> 01:02:21,119
appear on Saturday Night Live with her

1422

01:02:26,210 --> 01:02:23,760
and so I picked I was outside having a

1423

01:02:28,130 --> 01:02:26,220
cigarette the phone rang uh I I oh

1424

01:02:29,630 --> 01:02:28,140
Brittany how you doing oh sure of course

1425

01:02:31,030 --> 01:02:29,640
they will I turned away like this I

1426
01:02:34,789 --> 01:02:31,040
turned back and there was a black Ford

1427
01:02:36,470 --> 01:02:34,799
across the road a black Ford Sedan

1428
01:02:38,089 --> 01:02:36,480
and I was trying to look at the plate

1429
01:02:39,410 --> 01:02:38,099
and the plate seemed kind of like fuzzy

1430
01:02:42,049 --> 01:02:39,420
and I was you know definitely a police

1431
01:02:44,390 --> 01:02:42,059
car and two guys were there and a big

1432
01:02:47,990 --> 01:02:44,400
big tall guy got out of the back seat

1433
01:02:50,450 --> 01:02:48,000
and he stood in the street on um on 42nd

1434
01:02:51,710 --> 01:02:50,460
Street it was we were at 42nd street and

1435
01:02:54,650 --> 01:02:51,720
8th Avenue

1436
01:02:56,270 --> 01:02:54,660
and he looked right at me and literally

1437
01:02:57,530 --> 01:02:56,280
I mean I was on the phone hell sure of

1438
01:02:59,329 --> 01:02:57,540

course I'd like the show saw the Ford

1439

01:03:00,770 --> 01:02:59,339

went back like this turned back like a

1440

01:03:02,510 --> 01:03:00,780

half second later

1441

01:03:05,329 --> 01:03:02,520

and it was gone

1442

01:03:06,650 --> 01:03:05,339

and that car did not go past me it did

1443

01:03:08,390 --> 01:03:06,660

not make a U-turn because I would have

1444

01:03:10,789 --> 01:03:08,400

seen 42nd Street I would have seen that

1445

01:03:13,789 --> 01:03:10,799

thing take a U-turn and go away that car

1446

01:03:15,770 --> 01:03:13,799

vanished that car was a cloaked

1447

01:03:17,630 --> 01:03:15,780

vehicle of some type

1448

01:03:19,010 --> 01:03:17,640

and whether this was like a warning to

1449

01:03:21,349 --> 01:03:19,020

me because the guy cut out of the back

1450

01:03:24,890 --> 01:03:21,359

seat give me a real dirty look that car

1451
01:03:26,930 --> 01:03:24,900
vanished I know what I saw and uh you

1452
01:03:28,789 --> 01:03:26,940
know I I it was it was just this fast it

1453
01:03:30,950 --> 01:03:28,799
was oh hi Brittany sure oh of course I'd

1454
01:03:34,250 --> 01:03:30,960
love to God gives me dirty look oh well

1455
01:03:37,670 --> 01:03:34,260
sure car gone that's what happened and

1456
01:03:39,589 --> 01:03:37,680
then two hours later uh we were told we

1457
01:03:42,049 --> 01:03:39,599
were not to continue taping and the show

1458
01:03:45,349 --> 01:03:42,059
was canceled and none of them would air

1459
01:03:48,170 --> 01:03:45,359
I don't know I mean I I don't know was

1460
01:03:50,630 --> 01:03:48,180
that uh was that an MIB experience you

1461
01:03:52,849 --> 01:03:50,640
know black helicopters uh you know

1462
01:03:54,650 --> 01:03:52,859
military uh abductions that happen

1463
01:03:56,809 --> 01:03:54,660

sometimes people are taken and they talk

1464

01:03:58,849 --> 01:03:56,819

about then being visited by you know

1465

01:04:00,230 --> 01:03:58,859

military personnel and debriefed about

1466

01:04:02,510 --> 01:04:00,240

their abduction

1467

01:04:05,270 --> 01:04:02,520

was it you know

1468

01:04:06,950 --> 01:04:05,280

was it a technology associated with some

1469

01:04:08,750 --> 01:04:06,960

of these beings that are visiting that

1470

01:04:10,609 --> 01:04:08,760

wanted to warn me off or that wanted to

1471

01:04:12,589 --> 01:04:10,619

give me verification that I was on the

1472

01:04:16,309 --> 01:04:12,599

right track I don't know but I do know I

1473

01:04:18,589 --> 01:04:16,319

I did I did turn back a second later and

1474

01:04:19,809 --> 01:04:18,599

I you know it takes so long for an

1475

01:04:22,130 --> 01:04:19,819

automobile

1476

01:04:24,349 --> 01:04:22,140

accelerating from zero to 40 miles an

1477

01:04:26,690 --> 01:04:24,359

hour to reach the corner of 8th Avenue

1478

01:04:28,370 --> 01:04:26,700

and 42nd Street going past me and then

1479

01:04:30,710 --> 01:04:28,380

pulling a U-turn and going out towards

1480

01:04:32,870 --> 01:04:30,720

Times Square I would have seen that car

1481

01:04:34,549 --> 01:04:32,880

and I looked around I was looking for

1482

01:04:36,410 --> 01:04:34,559

that then it was gone

1483

01:04:38,329 --> 01:04:36,420

so

1484

01:04:39,470 --> 01:04:38,339

um I don't know the tapes exist I have

1485

01:04:50,880 --> 01:04:39,480

them we're going to try to repackage

1486

01:04:50,890 --> 01:04:56,270

[Music]

1487

01:05:00,950 --> 01:04:59,030

I was having some cameraman film the

1488

01:05:03,530 --> 01:05:00,960

installation of uh

1489

01:05:05,450 --> 01:05:03,540

of a percentage in landing facility we

1490

01:05:06,650 --> 01:05:05,460

were putting in right on the edge of the

1491

01:05:08,630 --> 01:05:06,660

dry lake

1492

01:05:10,490 --> 01:05:08,640

and the sauce or flew right over them

1493

01:05:14,150 --> 01:05:10,500

and put down three little gear and

1494

01:05:17,390 --> 01:05:14,160

landed out on the dry lake band

1495

01:05:19,430 --> 01:05:17,400

and they went out there

1496

01:05:22,010 --> 01:05:19,440

picked up their cameras and moved on out

1497

01:05:24,410 --> 01:05:22,020

toward him filming

1498

01:05:25,670 --> 01:05:24,420

and he left it off put the gear back in

1499

01:05:27,650 --> 01:05:25,680

a while and

1500

01:05:29,930 --> 01:05:27,660

climbed out a very high rate of speed

1501
01:05:32,750 --> 01:05:29,940
and disappeared

1502
01:05:34,430 --> 01:05:32,760
and so while I was going through all the

1503
01:05:36,230 --> 01:05:34,440
regulation books and finding out the

1504
01:05:37,930 --> 01:05:36,240
number to call and Washington to report

1505
01:05:42,109 --> 01:05:37,940
it

1506
01:05:43,730 --> 01:05:42,119
I had them go over and develop and found

1507
01:05:45,829 --> 01:05:43,740
the time they got back with a developed

1508
01:05:47,750 --> 01:05:45,839
film I was on the higher and higher and

1509
01:05:50,690 --> 01:05:47,760
higher

1510
01:05:54,349 --> 01:05:50,700
let alone say talking to me

1511
01:05:55,970 --> 01:05:54,359
only with the colonel telling me to uh

1512
01:05:58,250 --> 01:05:55,980
you know when the film arrived at my

1513
01:05:59,809 --> 01:05:58,260

desk to put it in the carrier piles

1514

01:06:02,390 --> 01:05:59,819

there would be a courier there at my

1515

01:06:04,490 --> 01:06:02,400

office by that time already and

1516

01:06:06,589 --> 01:06:04,500

they'd arranged for him to fly in our

1517

01:06:08,690 --> 01:06:06,599

base airplane back to Washington with

1518

01:06:15,470 --> 01:06:08,700

these fans

1519

01:06:19,670 --> 01:06:17,750

we didn't have a chance to run it I had

1520

01:06:21,349 --> 01:06:19,680

a chance to hold it up to the window and

1521

01:06:26,630 --> 01:06:21,359

look at it he was

1522

01:06:30,710 --> 01:06:28,910

well but this time I was involved in the

1523

01:06:32,750 --> 01:06:30,720

research and development and doing very

1524

01:06:34,250 --> 01:06:32,760

classified programs myself you know at

1525

01:06:36,950 --> 01:06:34,260

the task Center

1526

01:06:40,549 --> 01:06:36,960

so I knew that we didn't have any

1527

01:06:43,609 --> 01:06:40,559

vehicles of that kind and I was

1528

01:06:46,609 --> 01:06:43,619

99 9 10 share that the Russians didn't

1529

01:06:49,549 --> 01:06:46,619

have any of that type either

1530

01:06:51,170 --> 01:06:49,559

so I'd certainly there certainly was at

1531

01:06:53,510 --> 01:06:51,180

that point in time there was no doubt in

1532

01:06:55,670 --> 01:06:53,520

my mind that this vehicle was a

1533

01:06:57,470 --> 01:06:55,680

made at some other place and here on

1534

01:06:59,270 --> 01:06:57,480

Earth

1535

01:07:01,430 --> 01:06:59,280

yeah well

1536

01:07:04,970 --> 01:07:01,440

Buck Rogers and Flash Gordon coming

1537

01:07:04,980 --> 01:07:08,870

dude I got it man

1538

01:07:18,790 --> 01:07:11,750

probably moved 100 miles in a matter of

1539

01:07:18,800 --> 01:07:22,549

[Music]

1540

01:07:30,470 --> 01:07:26,809

July of 19 uh July excuse me 2002 right

1541

01:07:32,690 --> 01:07:30,480

here in the Washington DC area

1542

01:07:34,130 --> 01:07:32,700

there was yet again

1543

01:07:48,890 --> 01:07:34,140

a

1544

01:07:50,329 --> 01:07:48,900

right outside DC

1545

01:07:53,029 --> 01:07:50,339

in fact we have one of the key

1546

01:07:54,770 --> 01:07:53,039

eyewitnesses here in this room today

1547

01:07:56,089 --> 01:07:54,780

is received recently play in The

1548

01:07:57,470 --> 01:07:56,099

Washington Post and a little bit of

1549

01:08:00,109 --> 01:07:57,480

mainstream media then of course fell

1550

01:08:01,670 --> 01:08:00,119

into the black hole of the media never

1551

01:08:04,250 --> 01:08:01,680

be discussed again

1552

01:08:07,130 --> 01:08:04,260

what were these objects that were able

1553

01:08:09,829 --> 01:08:07,140

to outperform at 16 interceptors in a

1554

01:08:11,870 --> 01:08:09,839

post 911 America

1555

01:08:13,789 --> 01:08:11,880

what is going on

1556

01:08:15,529 --> 01:08:13,799

what are the consequences or the

1557

01:08:21,169 --> 01:08:15,539

potential consequences in the event that

1558

01:08:24,829 --> 01:08:22,910

a related question that I have been

1559

01:08:27,829 --> 01:08:24,839

asking myself as to what extent are they

1560

01:08:33,950 --> 01:08:30,169

what crimes have they committed Against

1561

01:08:37,490 --> 01:08:35,630

they have certainly upset the military

1562

01:08:40,189 --> 01:08:37,500

by flying over their most secret

1563

01:08:42,769 --> 01:08:40,199

installations

1564

01:08:45,349 --> 01:08:42,779

by shadowing airplanes

1565

01:08:48,229 --> 01:08:45,359

by buzzing their astronauts

1566

01:08:50,570 --> 01:08:48,239

the Army shot 1430 rounds of

1567

01:08:54,349 --> 01:08:50,580

anti-aircraft fire at the UFO between

1568

01:08:56,749 --> 01:08:54,359

312 and 4 15 a.m Army Chief of Staff

1569

01:08:59,329 --> 01:08:56,759

General George C Marshall wrote a top

1570

01:09:02,809 --> 01:08:59,339

secret memo to President Franklin D

1571

01:09:05,329 --> 01:09:02,819

Roosevelt that the U.S Navy recovered an

1572

01:09:08,269 --> 01:09:05,339

unidentified craft off the coast of

1573

01:09:10,729 --> 01:09:08,279

California the retrieved craft was in

1574

01:09:15,950 --> 01:09:10,739

fact not Earthly and in all probability

1575

01:09:20,930 --> 01:09:18,829

I mean to me what this is all about is

1576

01:09:23,209 --> 01:09:20,940

not just you know looking up in the sky

1577

01:09:26,269 --> 01:09:23,219

and saying you know wow there's another

1578

01:09:29,090 --> 01:09:26,279

UFO yet another sighting I mean it's

1579

01:09:31,249 --> 01:09:29,100

about exploring the phenomena we have to

1580

01:09:34,249 --> 01:09:31,259

get past denial I mean everyone is stuck

1581

01:09:35,990 --> 01:09:34,259

at denial I mean mainstream science is

1582

01:09:38,030 --> 01:09:36,000

the phenomenon is not happening and they

1583

01:09:39,890 --> 01:09:38,040

don't take it seriously and they try to

1584

01:09:41,630 --> 01:09:39,900

sweep with them half the world but over

1585

01:09:44,450 --> 01:09:41,640

50 percent of the American population

1586

01:09:47,090 --> 01:09:44,460

according to polls believe in the UFO

1587

01:09:48,950 --> 01:09:47,100

phenomena and the government just buries

1588

01:09:51,110 --> 01:09:48,960

it well there's some media that are that

1589

01:09:52,610 --> 01:09:51,120

are guilty of trying to suppress and and

1590

01:09:54,169 --> 01:09:52,620

there are some media that are just

1591

01:09:56,209 --> 01:09:54,179

throwing the story out there now this

1592

01:09:58,790 --> 01:09:56,219

Mexican sighting we had coverage on Fox

1593

01:10:00,410 --> 01:09:58,800

we had coverage on CNN and in The Daily

1594

01:10:02,810 --> 01:10:00,420

News in the valley here we had a front

1595

01:10:05,270 --> 01:10:02,820

page article you know with the with the

1596

01:10:07,189 --> 01:10:05,280

pictures and UFO big question mark and I

1597

01:10:10,490 --> 01:10:07,199

mean they were treating it I think

1598

01:10:13,370 --> 01:10:10,500

increasingly now the media has to take

1599

01:10:16,010 --> 01:10:13,380

into account that this is a reality and

1600

01:10:18,050 --> 01:10:16,020

I think again to look go along at the

1601
01:10:18,950 --> 01:10:18,060
theory and the feeling that John Mack

1602
01:10:21,530 --> 01:10:18,960
has

1603
01:10:23,750 --> 01:10:21,540
we we you know let's get past

1604
01:10:27,350 --> 01:10:23,760
the debate whether they're here or not

1605
01:10:28,970 --> 01:10:27,360
let's start to analyze who they are how

1606
01:10:30,709 --> 01:10:28,980
many of them are there what kind of

1607
01:10:32,090 --> 01:10:30,719
systems they're using what their

1608
01:10:35,090 --> 01:10:32,100
intentions are

1609
01:10:38,030 --> 01:10:35,100
to us here on their planet and can we

1610
01:10:41,860 --> 01:10:38,040
utilize uh this knowledge to better

1611
01:10:48,110 --> 01:10:41,870
ourselves as a species

1612
01:10:53,510 --> 01:10:50,810
with the Advent of the Hubble telescope

1613
01:10:56,090 --> 01:10:53,520

I mean when you see how big it really is

1614

01:10:58,550 --> 01:10:56,100

out there and the idea that we're stuck

1615

01:11:00,530 --> 01:10:58,560

on this myopic little ball we're just

1616

01:11:02,810 --> 01:11:00,540

glued to it we can't get our eyes off of

1617

01:11:05,149 --> 01:11:02,820

it it's more

1618

01:11:06,610 --> 01:11:05,159

it's more of a mystery now than it ever

1619

01:11:09,890 --> 01:11:06,620

has been

1620

01:11:12,470 --> 01:11:09,900

why we're stuck here and there's got to

1621

01:11:14,330 --> 01:11:12,480

be a way to decode The Matrix and

1622

01:11:16,790 --> 01:11:14,340

finding out how these craft work you

1623

01:11:18,350 --> 01:11:16,800

know how we can can get out into the

1624

01:11:21,110 --> 01:11:18,360

universe ourselves I mean I think that's

1625

01:11:23,270 --> 01:11:21,120

what this is really all about it's not

1626

01:11:25,430 --> 01:11:23,280

about trying to prove it whether it's

1627

01:11:27,890 --> 01:11:25,440

right or wrong it's trying to it's like

1628

01:11:31,310 --> 01:11:27,900

when the first time man saw a bird fly

1629

01:11:33,410 --> 01:11:31,320

well the last UFO Symposium conducted by

1630

01:11:34,490 --> 01:11:33,420

mufon they sent me the book of the

1631

01:11:35,990 --> 01:11:34,500

speakers

1632

01:11:38,110 --> 01:11:36,000

there are there were many many

1633

01:11:40,250 --> 01:11:38,120

scientific people in there many

1634

01:11:43,550 --> 01:11:40,260

astrophysicists Celestial mechanics

1635

01:11:45,169 --> 01:11:43,560

experts uh metallurgists you know people

1636

01:11:46,130 --> 01:11:45,179

have been consulted on these cases over

1637

01:11:48,550 --> 01:11:46,140

the years

1638

01:11:51,530 --> 01:11:48,560

no I mean when you have John Callahan an

1639

01:11:54,410 --> 01:11:51,540

fxfaa supervisor saying yup they're real

1640

01:11:58,910 --> 01:11:54,420

when you have John schussler who was a

1641

01:12:01,070 --> 01:11:58,920

a Boeing engineer now running mufon uh

1642

01:12:04,370 --> 01:12:01,080

and saying yup you know they're real

1643

01:12:06,649 --> 01:12:04,380

when you have uh you know Pilots uh and

1644

01:12:07,910 --> 01:12:06,659

and and and Personnel in the police and

1645

01:12:09,590 --> 01:12:07,920

military coming forward in the

1646

01:12:12,050 --> 01:12:09,600

Rockefeller report and in the disclosure

1647

01:12:13,570 --> 01:12:12,060

report saying uh they're real when you

1648

01:12:16,910 --> 01:12:13,580

have a Belgian General on television

1649

01:12:20,090 --> 01:12:16,920

showing you a tape from a fighter which

1650

01:12:22,610 --> 01:12:20,100

is filming uh an object escaping at high

1651
01:12:25,490 --> 01:12:22,620
speed when you have this Mexican case

1652
01:12:28,490 --> 01:12:25,500
uh you know I think we can pretty well

1653
01:12:31,130 --> 01:12:28,500
put it to bed and say Yep they're here

1654
01:12:33,050 --> 01:12:31,140
they're doing things to us with us

1655
01:12:34,550 --> 01:12:33,060
interacting with us

1656
01:12:36,110 --> 01:12:34,560
whether we've had you know official

1657
01:12:38,470 --> 01:12:36,120
military contact

1658
01:12:41,470 --> 01:12:38,480
again that goes into the black box area

1659
01:12:44,810 --> 01:12:41,480
uh but there should be no debate anymore

1660
01:12:47,830 --> 01:12:44,820
UFOs exist they are intelligent

1661
01:12:51,890 --> 01:12:47,840
intelligently manufactured and guided

1662
01:12:55,100 --> 01:12:51,900
technology from somewhere else not not

1663
01:12:55,110 --> 01:12:59,649

[Music]

1664

01:13:05,209 --> 01:13:02,630

well human beings can only see from red

1665

01:13:07,189 --> 01:13:05,219

to Violet wavelengths of white the

1666

01:13:08,930 --> 01:13:07,199

infrared and UltraViolet spectrums are

1667

01:13:11,390 --> 01:13:08,940

invisible to humans

1668

01:13:13,790 --> 01:13:11,400

I quickly learned that Nasa uses special

1669

01:13:18,940 --> 01:13:13,800

video cameras that are capable of seeing

1670

01:13:25,010 --> 01:13:21,970

[Music]

1671

01:13:27,290 --> 01:13:25,020

after the 12 mile long tether snaps

1672

01:13:29,689 --> 01:13:27,300

several days later on an orbital pass

1673

01:13:31,510 --> 01:13:29,699

the cameras find something that should

1674

01:13:35,570 --> 01:13:31,520

not be there

1675

01:13:38,630 --> 01:13:35,580

in the NASA sts-75 tether incident of

1676

01:13:40,430 --> 01:13:38,640

March 1996 we find Nasa using

1677

01:13:41,990 --> 01:13:40,440

ultraviolet light sensitive video

1678

01:13:44,270 --> 01:13:42,000

cameras

1679

01:13:46,490 --> 01:13:44,280

this is where some of the largest UFOs

1680

01:13:47,750 --> 01:13:46,500

ever caught on videotape have been

1681

01:13:51,050 --> 01:13:47,760

captured

1682

01:13:53,870 --> 01:13:51,060

huge dis-shaped luminous UFOs swarm the

1683

01:13:55,850 --> 01:13:53,880

tether we know the tether is 77 to 100

1684

01:13:57,050 --> 01:13:55,860

miles away from the cameras on the

1685

01:14:00,229 --> 01:13:57,060

shuttle

1686

01:14:03,530 --> 01:14:00,239

the UFOs pass behind the 12 mile long

1687

01:14:05,570 --> 01:14:03,540

tether so we can therefore use the 12

1688

01:14:07,790 --> 01:14:05,580

mile length of the tether to measure

1689

01:14:10,490 --> 01:14:07,800

their minimum diameters

1690

01:14:14,510 --> 01:14:10,500

some measure between one and three miles

1691

01:14:17,149 --> 01:14:14,520

wide making them literally motherships

1692

01:14:18,770 --> 01:14:17,159

in Project Blue Book files UFOs with the

1693

01:14:21,350 --> 01:14:18,780

same page features have been reported

1694

01:14:23,350 --> 01:14:21,360

several times as shiny metallic discs

1695

01:14:25,729 --> 01:14:23,360

with dark centers

1696

01:14:28,370 --> 01:14:25,739

specifically in The Invisible infrared

1697

01:14:30,410 --> 01:14:28,380

Trevor James Constable a retired World

1698

01:14:33,290 --> 01:14:30,420

War II radar operator from New Zealand

1699

01:14:35,510 --> 01:14:33,300

has photographed many UFOs with the same

1700

01:14:49,729 --> 01:14:35,520

features the translucent discs of white

1701
01:14:49,739 --> 01:15:03,189
foreign

1702
01:15:09,530 --> 01:15:07,010
has come to lift the veil of secrecy

1703
01:15:12,350 --> 01:15:09,540
and let the truth emerge

1704
01:15:13,790 --> 01:15:12,360
so there can be a real and informed

1705
01:15:19,490 --> 01:15:13,800
debate

1706
01:15:25,310 --> 01:15:22,610
facing our planet today

1707
01:15:26,810 --> 01:15:25,320
so how do people respond to Dan Aykroyd

1708
01:15:29,390 --> 01:15:26,820
when he talks to them on a personal

1709
01:15:31,250 --> 01:15:29,400
level about UFOs you know what it's it's

1710
01:15:33,470 --> 01:15:31,260
interesting when I talk to people well

1711
01:15:35,270 --> 01:15:33,480
first of all people ask me about it and

1712
01:15:36,770 --> 01:15:35,280
they come to me and they say oh well you

1713
01:15:38,870 --> 01:15:36,780

know we saw an interview we heard an

1714

01:15:41,510 --> 01:15:38,880

interview uh they heard the thing on Art

1715

01:15:43,010 --> 01:15:41,520

Bell that we did uh they come to me and

1716

01:15:45,229 --> 01:15:43,020

asked me about it so it's not like I

1717

01:15:46,790 --> 01:15:45,239

have to go out there and Crusade and

1718

01:15:49,310 --> 01:15:46,800

and say hey did you hear about the

1719

01:15:51,050 --> 01:15:49,320

latest Mexican case they they've seen

1720

01:15:53,149 --> 01:15:51,060

CNN they've seen Fox they've seen the

1721

01:15:55,430 --> 01:15:53,159

daily news they come to me and ask me

1722

01:15:58,610 --> 01:15:55,440

about it and I basically lay out you

1723

01:16:00,890 --> 01:15:58,620

know my thoughts on it I'd say half the

1724

01:16:03,890 --> 01:16:00,900

people that I speak to about this

1725

01:16:05,930 --> 01:16:03,900

have either seen themselves

1726

01:16:09,229 --> 01:16:05,940

heard about it from a critical credible

1727

01:16:11,750 --> 01:16:09,239

witness or are willing to to accept the

1728

01:16:13,729 --> 01:16:11,760

other half totally not Harold Ramis my

1729

01:16:16,250 --> 01:16:13,739

good friend and collaborator

1730

01:16:18,830 --> 01:16:16,260

does not believe will not accept until

1731

01:16:20,689 --> 01:16:18,840

you know proof hard proof is presented

1732

01:16:25,490 --> 01:16:20,699

to him in the form of you know something

1733

01:16:27,050 --> 01:16:25,500

tangible and so uh what I've been able

1734

01:16:29,930 --> 01:16:27,060

to do is just open people's minds a

1735

01:16:31,189 --> 01:16:29,940

little bit and uh and and let them think

1736

01:16:33,530 --> 01:16:31,199

about it and of course the greatest

1737

01:16:36,470 --> 01:16:33,540

proof are the kinds of tapes that now

1738

01:16:40,250 --> 01:16:36,480

exist the kind of videos that exist

1739

01:16:43,310 --> 01:16:40,260

um and uh usually when I when I show

1740

01:16:45,410 --> 01:16:43,320

some tape uh of some different things

1741

01:16:47,510 --> 01:16:45,420

that have been exposed to me well that

1742

01:16:48,290 --> 01:16:47,520

it's pretty convincing and then at that

1743

01:16:50,810 --> 01:16:48,300

point

1744

01:16:53,450 --> 01:16:50,820

people have to go away and and accept

1745

01:16:56,990 --> 01:16:53,460

that you know that these things are are

1746

01:17:01,310 --> 01:16:59,330

well what I'd like to you know what I'd

1747

01:17:03,110 --> 01:17:01,320

what we'd all like to affect is some

1748

01:17:05,930 --> 01:17:03,120

positive change in the world and try to

1749

01:17:08,689 --> 01:17:05,940

help the The Tipping Point where we're

1750

01:17:11,270 --> 01:17:08,699

good tips to overflow evil in the world

1751

01:17:14,450 --> 01:17:11,280

I mean you know we know there's good and

1752

01:17:15,169 --> 01:17:14,460

bad out there yin yang black white

1753

01:17:17,930 --> 01:17:15,179

um

1754

01:17:20,630 --> 01:17:17,940

and uh you know it's it's

1755

01:17:22,970 --> 01:17:20,640

there are you know tremendous this

1756

01:17:24,830 --> 01:17:22,980

tremendous divisiveness in the planet

1757

01:17:26,870 --> 01:17:24,840

and you know

1758

01:17:28,550 --> 01:17:26,880

perhaps this study and this this

1759

01:17:30,110 --> 01:17:28,560

understanding of things that are greater

1760

01:17:32,870 --> 01:17:30,120

than we have accomplished

1761

01:17:36,410 --> 01:17:32,880

technologically uh will lead us to a

1762

01:17:38,090 --> 01:17:36,420

spiritual awakening uh one that helps us

1763

01:17:39,770 --> 01:17:38,100

respect other beings out there in the

1764

01:17:42,110 --> 01:17:39,780

universe and other dimensions and also

1765

01:17:44,209 --> 01:17:42,120

in our own four dimensions and here in

1766

01:17:46,790 --> 01:17:44,219

the physical world that we live in the

1767

01:17:48,350 --> 01:17:46,800

sacredness of human life

1768

01:17:50,450 --> 01:17:48,360

the willingness to get along a little

1769

01:17:54,430 --> 01:17:50,460

better to relinquish materialism and

1770

01:17:59,030 --> 01:17:54,440

territoriality in favor of a more

1771

01:18:02,090 --> 01:17:59,040

comprehensive uh world view which in

1772

01:18:02,830 --> 01:18:02,100

which we unite and we all feel the

1773

01:18:07,910 --> 01:18:02,840

energy

1774

01:18:11,530 --> 01:18:07,920

within us uh as as part of a

1775

01:18:16,790 --> 01:18:14,750

God God thank you Dan so much for this

1776

01:18:19,490 --> 01:18:16,800

interview I'm very grateful I really

1777

01:18:22,070 --> 01:18:19,500

believe you're one of the greatest Minds

1778

01:18:25,110 --> 01:18:22,080

in our world at this time thank you so

1779

01:19:10,130 --> 01:18:39,910

[Music]

1780

01:19:48,890 --> 01:19:11,520

foreign

1781

01:19:52,930 --> 01:19:51,490

hello

1782

01:19:55,490 --> 01:19:52,940

[Music]

1783

1784

01:21:17,750 --> 01:20:00,550

[Music]

1785

01:21:22,370 --> 01:21:19,669

the sightings could be explained through

1786

01:21:26,630 --> 01:21:22,380

conventional means but many of the

1787

01:21:30,169 --> 01:21:26,640

sightings were unexplained from

1788

01:21:32,149 --> 01:21:30,179

Authority on UFOs people spoke about

1789

01:21:34,560 --> 01:21:32,159

this urge they had to go out to three in

1790

01:21:36,950 --> 01:21:34,570

the morning and look up into the sky

1791

01:21:40,250 --> 01:21:36,960

[Music]

1792

01:21:43,430 --> 01:21:40,260

far west on the horizon Strategic Air

1793

01:21:46,610 --> 01:21:43,440

Command went on alert Defcon 3 which

1794

01:21:47,990 --> 01:21:46,620

means in a nuclear forces were ready I

1795

01:21:49,850 --> 01:21:48,000

think half of the American people with

1796

01:21:53,390 --> 01:21:49,860

the proper evidence would be ready would

1797

01:21:56,270 --> 01:21:53,400

be ready to accept I moved 100 miles in

1798

01:21:58,430 --> 01:21:56,280

a matter of a second it was a metallic

1799

01:21:59,810 --> 01:21:58,440

disc and that's when I realized all

1800

01:22:01,430 --> 01:21:59,820

three of us were looking at something

1801
01:22:04,610 --> 01:22:01,440
extraordinary

1802
01:22:06,830 --> 01:22:04,620
five unidentified objects were picked up

1803
01:22:09,590 --> 01:22:06,840
on radar coming in over the Pacific

1804
01:22:11,570 --> 01:22:09,600
Northwest 12

1805
01:22:13,790 --> 01:22:11,580
000 people shared these Mass sightings

1806
01:22:15,410 --> 01:22:13,800
it's like you got an object right in

1807
01:22:18,729 --> 01:22:15,420
front of you Mark and you look out there

1808
01:22:20,709 --> 01:22:18,739
there should be no debate anymore UFOs

1809
01:22:22,910 --> 01:22:20,719
exist

1810
01:22:25,209 --> 01:22:22,920
challenging the misconceptions they

1811
01:22:27,290 --> 01:22:25,219
photographed 11 unidentified objects

1812
01:22:28,729 --> 01:22:27,300
discovering the realities they were

1813
01:22:32,570 --> 01:22:28,739

hovering for minutes

1814

01:22:34,310 --> 01:22:32,580

of what may be massive Miles High the

1815

01:22:37,070 --> 01:22:34,320

most important question the incident

1816

01:22:40,850 --> 01:22:37,080

almost ignited a nuclear war facing

1817

01:22:46,550 --> 01:22:44,990

14 Victory unto the UFO phenomenon we
