

1
00:00:05,809 --> 00:00:02,409
foreign

2
00:00:08,450 --> 00:00:05,819
56 she's experienced abduction since

3
00:00:10,549 --> 00:00:08,460
childhood they've been very traumatic

4
00:00:12,709 --> 00:00:10,559
experiences for her in the course of

5
00:00:14,990 --> 00:00:12,719
time she's managed to overcome her fear

6
00:00:16,970 --> 00:00:15,000
among other things by painting her

7
00:00:18,529 --> 00:00:16,980
visitors it was so scary to me when I

8
00:00:21,349 --> 00:00:18,539
think about it but then when I finally

9
00:00:22,790 --> 00:00:21,359
could was able to paint it then it

10
00:00:25,370 --> 00:00:22,800
didn't seem so scary to me his face

11
00:00:27,230 --> 00:00:25,380
doesn't look that scary

12
00:00:28,970 --> 00:00:27,240
he almost looks like he has a look of

13
00:00:31,130 --> 00:00:28,980

wonderment

14

00:00:33,410 --> 00:00:31,140

but you remember precisely having seen

15

00:00:35,930 --> 00:00:33,420

this his face when was it the first

16

00:00:38,750 --> 00:00:35,940

abduction Sue remembers clearly occurred

17

00:00:40,430 --> 00:00:38,760

when she was 19. a pulsating blue light

18

00:00:43,130 --> 00:00:40,440

Walker is admitted its way across the

19

00:00:45,470 --> 00:00:43,140

bedroom Sue was in bed terrified and

20

00:00:48,110 --> 00:00:45,480

unable to look at it they're here she

21

00:00:49,970 --> 00:00:48,120

thought but who are they her thoughts

22

00:00:51,650 --> 00:00:49,980

made no sense at all she heard her

23

00:00:54,650 --> 00:00:51,660

mother get up call her and then go back

24

00:00:56,569 --> 00:00:54,660

to bed terrified Sue Found the courage

25

00:00:59,389 --> 00:00:56,579

to turn around it was then she noticed

26
00:01:01,729 --> 00:00:59,399
two small gray beings then she passed

27
00:01:03,349 --> 00:01:01,739
out the next day her mother confirmed

28
00:01:05,390 --> 00:01:03,359
that she did get up after hearing a

29
00:01:07,310 --> 00:01:05,400
noise in her daughter's room but that

30
00:01:09,890 --> 00:01:07,320
some sort of a force compelled her to go

31
00:01:11,570 --> 00:01:09,900
back to bed gradually Sue would come to

32
00:01:13,730 --> 00:01:11,580
realize that she'd been abducted since

33
00:01:15,830 --> 00:01:13,740
childhood but simply didn't understand

34
00:01:17,570 --> 00:01:15,840
what was happening that was really when

35
00:01:19,490 --> 00:01:17,580
I was not 19 was the first time that I

36
00:01:20,450 --> 00:01:19,500
remembered seeing these beings when I

37
00:01:23,749 --> 00:01:20,460
was a kid

38
00:01:25,190 --> 00:01:23,759

coming into the room and waking up and

39

00:01:27,410 --> 00:01:25,200

finding them standing next to your bed

40

00:01:29,390 --> 00:01:27,420

and being terrified

41

00:01:30,710 --> 00:01:29,400

and

42

00:01:34,850 --> 00:01:30,720

um

43

00:01:40,310 --> 00:01:37,249

I remember feeling that

44

00:01:42,530 --> 00:01:40,320

the world was just not a safe place that

45

00:01:44,830 --> 00:01:42,540

there was nowhere that was safe that no

46

00:01:47,270 --> 00:01:44,840

matter where I went or what I did

47

00:01:49,730 --> 00:01:47,280

that they could find me

48

00:01:51,469 --> 00:01:49,740

and that nobody could help me nobody

49

00:01:55,010 --> 00:01:51,479

could

50

00:01:57,670 --> 00:01:55,020

it's really scary

51
00:02:02,030 --> 00:01:57,680
[Laughter]

52
00:02:04,249 --> 00:02:02,040
scary way to grow up and

53
00:02:06,350 --> 00:02:04,259
so as I got older that's what bothered

54
00:02:08,870 --> 00:02:06,360
me so much with my kids

55
00:02:10,729 --> 00:02:08,880
was knowing that they were also being

56
00:02:12,000 --> 00:02:10,739
visited and there was nothing I could do

57
00:02:18,970 --> 00:02:12,010
about it

58
00:02:24,710 --> 00:02:21,949
I was just gonna make some David Sue's

59
00:02:26,630 --> 00:02:24,720
husband manages a construction company a

60
00:02:28,369 --> 00:02:26,640
nature lover he's preparing for

61
00:02:30,350 --> 00:02:28,379
retirement by turning part of their land

62
00:02:33,530 --> 00:02:30,360
into a Christmas tree farm

63
00:02:35,809 --> 00:02:33,540

David gets up at dawn every morning he's

64

00:02:40,729 --> 00:02:35,819

never been abducted himself and he lived

65

00:02:46,190 --> 00:02:42,589

trees on the sides of the sides of the

66

00:02:48,290 --> 00:02:46,200

heart all over a lot of them and uh

67

00:02:51,110 --> 00:02:48,300

their

68

00:02:53,330 --> 00:02:51,120

um started to fall you know starting to

69

00:02:54,949 --> 00:02:53,340

fall on my Christmas trees and stuff oh

70

00:02:57,470 --> 00:02:54,959

so I take them down use them for

71

00:03:01,729 --> 00:02:57,480

firewood rather than letting them fall

72

00:03:04,430 --> 00:03:01,739

into the field he's such a good boy

73

00:03:06,710 --> 00:03:04,440

it's such a good boy you have seen

74

00:03:09,790 --> 00:03:06,720

things yourself around here not so much

75

00:03:12,229 --> 00:03:09,800

seeing things but being paralyzed

76

00:03:15,830 --> 00:03:12,239

you know held down

77

00:03:17,930 --> 00:03:15,840

and where I can't move it was involved

78

00:03:19,850 --> 00:03:17,940

with things that were going on with

79

00:03:22,430 --> 00:03:19,860

sewage near as I can tell and I try to

80

00:03:23,330 --> 00:03:22,440

get up and I'd be paralyzed you know I

81

00:03:25,610 --> 00:03:23,340

couldn't move

82

00:03:27,830 --> 00:03:25,620

do you remember what's happened then

83

00:03:30,530 --> 00:03:27,840

oh I never can remember anything just

84

00:03:32,809 --> 00:03:30,540

before being paralyzed

85

00:03:34,790 --> 00:03:32,819

um just the noises or something or she

86

00:03:37,250 --> 00:03:34,800

was Stern and I was trying to get up and

87

00:03:39,670 --> 00:03:37,260

you know to see what was going on might

88

00:03:43,430 --> 00:03:39,680

be obsessing though

89

00:03:45,110 --> 00:03:43,440

well yeah I mean just just um it even

90

00:03:47,449 --> 00:03:45,120

happened that happened here to me too

91

00:03:48,470 --> 00:03:47,459

seems like a heavy weight is holding me

92

00:03:51,410 --> 00:03:48,480

down

93

00:03:55,430 --> 00:03:51,420

yeah just you know holding me in bed and

94

00:04:01,369 --> 00:03:58,550

I I can't explain it except it's I'm

95

00:04:03,890 --> 00:04:01,379

strong and I I can't I can't

96

00:04:10,009 --> 00:04:03,900

hold it back and then I go to sleep or

97

00:04:14,089 --> 00:04:12,170

after lunch David went outside to do

98

00:04:16,189 --> 00:04:14,099

some work on the farm

99

00:04:19,849 --> 00:04:16,199

as he like to call it his Christmas tree

100

00:04:22,670 --> 00:04:19,859

farm winter was setting in

101

00:04:25,610 --> 00:04:22,680

David and Sue have two children Danny

102

00:04:28,850 --> 00:04:25,620

and Jake who are both going on 30 and no

103

00:04:30,890 --> 00:04:28,860

longer lived with their parents in 1990

104

00:04:32,930 --> 00:04:30,900

Sue experienced an abduction in which

105

00:04:35,990 --> 00:04:32,940

her two children were also involved

106

00:04:38,870 --> 00:04:36,000

Danny was 13 and Jake 11. night had

107

00:04:41,390 --> 00:04:38,880

fallen Sue and David were woken up by a

108

00:04:44,990 --> 00:04:41,400

blue light and their dog Molly whining

109

00:04:48,110 --> 00:04:45,000

the dog was downstairs petrified Sue got

110

00:04:50,150 --> 00:04:48,120

up but David couldn't get out of bed Sue

111

00:04:52,610 --> 00:04:50,160

suddenly felt as if she was being pushed

112

00:04:55,129 --> 00:04:52,620

towards the stairs as I walked down the

113

00:04:57,830 --> 00:04:55,139

stairs I remember thinking I'm going to

114

00:05:00,530 --> 00:04:57,840

make sure I'm I'm looking at this is

115

00:05:02,930 --> 00:05:00,540

this is my home it's Sunday night

116

00:05:04,730 --> 00:05:02,940

David's in bed it's 11 o'clock this is

117

00:05:07,189 --> 00:05:04,740

you know these are my pictures that are

118

00:05:10,610 --> 00:05:07,199

on the wall this is the kind this is the

119

00:05:14,150 --> 00:05:10,620

color of my rug I know that I'm awake

120

00:05:16,430 --> 00:05:14,160

and I stepped into the kitchen

121

00:05:22,310 --> 00:05:16,440

and

122

00:05:26,150 --> 00:05:25,010

was 13.

123

00:05:37,310 --> 00:05:26,160

and

124

00:05:40,129 --> 00:05:37,320

really big

125

00:05:42,230 --> 00:05:40,139

and he looked so scared

126

00:05:44,570 --> 00:05:42,240

and I stepped toward him

127

00:05:47,510 --> 00:05:44,580

and I remember thinking

128

00:05:49,249 --> 00:05:47,520

my God he's paralyzed with fear

129

00:05:49,969 --> 00:05:49,259

that's the thought that went through my

130

00:05:51,890 --> 00:05:49,979

mind

131

00:05:53,330 --> 00:05:51,900

and I stepped toward him and I put my

132

00:05:54,590 --> 00:05:53,340

hands out to him and I said sweetie they

133

00:06:00,830 --> 00:05:54,600

won't hurt you

134

00:06:02,510 --> 00:06:00,840

and it was like he couldn't even hear me

135

00:06:05,629 --> 00:06:02,520

he didn't look at me his eyes were just

136

00:06:08,330 --> 00:06:05,639

like straight ahead and the light was

137

00:06:10,249 --> 00:06:08,340

all around us at that time

138

00:06:12,890 --> 00:06:10,259

and

139

00:06:15,890 --> 00:06:12,900

I walked past him

140

00:06:17,570 --> 00:06:15,900

and pulled in this behind him stepped in

141

00:06:22,010 --> 00:06:17,580

behind him

142

00:06:23,570 --> 00:06:22,020

could see Jake coming in the other door

143

00:06:28,550 --> 00:06:23,580

into the kitchen

144

00:06:28,560 --> 00:06:31,610

because I thought

145

00:06:35,150 --> 00:06:34,249

they'd been messing with me my whole

146

00:06:37,850 --> 00:06:35,160

life

147

00:06:41,270 --> 00:06:37,860

don't mess with my kids

148

00:06:43,790 --> 00:06:41,280

but there was nothing I could do

149

00:06:45,950 --> 00:06:43,800

and that's the last thing that I

150

00:06:50,510 --> 00:06:48,230

everything after that was like a dream

151

00:06:52,430 --> 00:06:50,520

it would just got like really

152

00:06:54,770 --> 00:06:52,440

you know like in a dream where things

153

00:06:56,930 --> 00:06:54,780

you know out of sequence and I knew I

154

00:07:01,010 --> 00:06:56,940

wasn't in my home I didn't know where I

155

00:07:04,309 --> 00:07:01,020

was but I could hear Danny screaming and

156

00:07:05,870 --> 00:07:04,319

um and I was just like trying to hit

157

00:07:08,749 --> 00:07:05,880

something I remember it was just really

158

00:07:11,990 --> 00:07:08,759

crazy and then the next thing that I

159

00:07:16,550 --> 00:07:12,000

remember was waking up the next morning

160

00:07:21,770 --> 00:07:19,129

David was there and uh

161

00:07:23,689 --> 00:07:21,780

when I woke up I laid awake for a few

162

00:07:26,210 --> 00:07:23,699

minutes and I thought

163

00:07:29,330 --> 00:07:26,220

it had to have been a dream

164

00:07:30,170 --> 00:07:29,340

so he said you did you did get up he

165

00:07:32,450 --> 00:07:30,180

said

166

00:07:34,189 --> 00:07:32,460

um and I did speak to you you were

167

00:07:35,930 --> 00:07:34,199

walking around the end of the bed and he

168

00:07:37,430 --> 00:07:35,940

said you I asked you where you were

169

00:07:38,570 --> 00:07:37,440

going and you said that now he was

170

00:07:40,969 --> 00:07:38,580

crying and that you were going

171

00:07:43,430 --> 00:07:40,979

downstairs he said I tried to get up

172

00:07:45,529 --> 00:07:43,440

and I couldn't move

173

00:07:48,950 --> 00:07:45,539

because I it was like I was paralyzed

174

00:07:51,409 --> 00:07:48,960

and something was pushing down on me

175

00:07:55,010 --> 00:07:51,419

and everything went black and I couldn't

176
00:07:55,020 --> 00:08:00,350
I remember feeling such

177
00:08:00,360 --> 00:08:05,140
total helpless fear

178
00:08:05,150 --> 00:08:13,969
[Music]

179
00:08:17,990 --> 00:08:15,589
you know the birds are eating the bugs

180
00:08:19,969 --> 00:08:18,000
in the tree so it's time to you know

181
00:08:22,909 --> 00:08:19,979
make it into wood

182
00:08:26,029 --> 00:08:22,919
see the holes oh yeah yeah just why the

183
00:08:28,249 --> 00:08:26,039
limbs are breaking off and it's just uh

184
00:08:31,870 --> 00:08:28,259
I'd rather burn it than just have it rot

185
00:08:35,810 --> 00:08:34,310
just to know what you what you're

186
00:08:39,949 --> 00:08:35,820
feeling about all this thing happening

187
00:08:42,769 --> 00:08:39,959
to to soon your children oh

188
00:08:43,730 --> 00:08:42,779

I don't know I mean it's something so so

189

00:08:46,130 --> 00:08:43,740

weird

190

00:08:48,230 --> 00:08:46,140

how did you react first when you when

191

00:08:49,970 --> 00:08:48,240

was it the first time you

192

00:08:51,710 --> 00:08:49,980

you noticed that something was going

193

00:08:53,870 --> 00:08:51,720

wrong uh

194

00:08:55,490 --> 00:08:53,880

well she started having you know these

195

00:08:58,070 --> 00:08:55,500

experiences she has since she was a

196

00:08:59,990 --> 00:08:58,080

child and then

197

00:09:01,610 --> 00:09:00,000

you know after the boys were born they

198

00:09:04,310 --> 00:09:01,620

just more and more stuff happening to

199

00:09:05,750 --> 00:09:04,320

her and uh

200

00:09:08,509 --> 00:09:05,760

um

201
00:09:10,130 --> 00:09:08,519
so we just uh you know and I just

202
00:09:12,170 --> 00:09:10,140
learned more about it by listening to

203
00:09:14,509 --> 00:09:12,180
her just like spirituality I've learned

204
00:09:18,710 --> 00:09:14,519
by listening and watching what happens

205
00:09:20,690 --> 00:09:18,720
and um and you know pretty much that's

206
00:09:23,030 --> 00:09:20,700
you know that's the way it is it just

207
00:09:24,350 --> 00:09:23,040
there's not much you can do about it

208
00:09:26,630 --> 00:09:24,360
um

209
00:09:29,030 --> 00:09:26,640
there's

210
00:09:31,850 --> 00:09:29,040
just a lot of educated people that

211
00:09:34,190 --> 00:09:31,860
believe you know in the UFO phenomenon

212
00:09:36,110 --> 00:09:34,200
and I'm not putting myself as one of the

213
00:09:39,590 --> 00:09:36,120

educated but you have to keep your mind
