

1  
00:00:05,630 --> 00:00:03,110  
uh I would like to ask the house lights

2  
00:00:06,950 --> 00:00:05,640  
be left on uh if that's okay because I'd

3  
00:00:08,390 --> 00:00:06,960  
like to um

4  
00:00:11,089 --> 00:00:08,400  
I'd like to be able to see who I'm

5  
00:00:11,099 --> 00:00:13,310  
um

6  
00:00:16,369 --> 00:00:14,990  
and

7  
00:00:20,330 --> 00:00:16,379  
um

8  
00:00:26,050 --> 00:00:22,429  
I'm not a professional speaker of course

9  
00:00:29,870 --> 00:00:26,060  
I didn't even major in speech in college

10  
00:00:32,510 --> 00:00:29,880  
so I tend to I tend to ramble uh is

11  
00:00:35,530 --> 00:00:32,520  
there a microphone here that people uh

12  
00:00:37,549 --> 00:00:35,540  
will be asking questions on later

13  
00:00:39,049 --> 00:00:37,559

oh okay

14

00:00:40,270 --> 00:00:39,059

um you know I I would like to make a

15

00:00:44,209 --> 00:00:40,280

request

16

00:00:47,389 --> 00:00:44,219

I tend to I get off on these on this

17

00:00:49,190 --> 00:00:47,399

branch and I I start getting distracted

18

00:00:50,810 --> 00:00:49,200

I start going off on these little Limbs

19

00:00:52,310 --> 00:00:50,820

and pretty soon I find myself out on a

20

00:00:54,049 --> 00:00:52,320

limb and I don't know where I've been

21

00:00:56,510 --> 00:00:54,059

I've got to be brought back to where I

22

00:00:58,069 --> 00:00:56,520

was so uh if some if we could designate

23

00:00:59,930 --> 00:00:58,079

somebody or maybe just the audience

24

00:01:02,810 --> 00:00:59,940

itself will just keep track of where I

25

00:01:06,710 --> 00:01:02,820

where I've been bring me back once I get

26

00:01:09,350 --> 00:01:06,720

out on a limb uh I would appreciate that

27

00:01:15,710 --> 00:01:09,360

um oh I meant to bring a copy my book up

28

00:01:15,720 --> 00:01:20,570

in 63 years uh

29

00:01:24,170 --> 00:01:22,550

uh I've never given much really much

30

00:01:26,210 --> 00:01:24,180

consideration to my name I've gotten a

31

00:01:30,050 --> 00:01:26,220

lot of variations on it of course

32

00:01:32,330 --> 00:01:30,060

it's krapf

33

00:01:33,530 --> 00:01:32,340

and I pronounce it Croft

34

00:01:37,030 --> 00:01:33,540

a lot of people give it other

35

00:01:40,190 --> 00:01:37,040

pronunciations and other spellings

36

00:01:43,130 --> 00:01:40,200

and crap is one of them of course

37

00:01:44,450 --> 00:01:43,140

but um I never I mean you know I know I

38

00:01:46,550 --> 00:01:44,460

know it's an unusual name I know it's

39

00:01:48,230 --> 00:01:46,560

kind of funny in a way but I never

40

00:01:50,510 --> 00:01:48,240

really gave really too much thought

41

00:01:53,810 --> 00:01:50,520

about underlying message in that name

42

00:01:55,550 --> 00:01:53,820

until I was checking out amazon.com just

43

00:01:58,609 --> 00:01:55,560

looking at some of the reviews on my

44

00:02:01,490 --> 00:01:58,619

book recently and also there was a

45

00:02:05,590 --> 00:02:01,500

review written somewhere else and this

46

00:02:08,150 --> 00:02:05,600

person uh at uh at amazon.com said that

47

00:02:10,370 --> 00:02:08,160

he's been studying he's he's a Critic

48

00:02:14,270 --> 00:02:10,380

he's been studying this field all of his

49

00:02:16,309 --> 00:02:14,280

life and he's uh he's 25 years old and

50

00:02:21,229 --> 00:02:16,319

uh

51  
00:02:23,510 --> 00:02:21,239  
that's an awful funny name so it's

52  
00:02:25,670 --> 00:02:23,520  
probably a pen name and another reviewer

53  
00:02:27,290 --> 00:02:25,680  
also said that a very suspicious name

54  
00:02:28,670 --> 00:02:27,300  
and I started thinking what is

55  
00:02:31,790 --> 00:02:28,680  
suspicious about the name I know it's

56  
00:02:33,830 --> 00:02:31,800  
unusual so I started running it over my

57  
00:02:35,449 --> 00:02:33,840  
mind in 63 years it never occurred to me

58  
00:02:38,630 --> 00:02:35,459  
that they could be interpreted as it's

59  
00:02:44,150 --> 00:02:42,110  
Phillip H crowd maybe full of H horse

60  
00:02:47,570 --> 00:02:44,160  
crap I don't know

61  
00:02:49,009 --> 00:02:47,580  
but anyway

62  
00:02:57,250 --> 00:02:49,019  
um

63  
00:03:00,830 --> 00:02:57,260

have a speech written

64

00:03:02,869 --> 00:03:00,840

I originally turned down

65

00:03:05,089 --> 00:03:02,879

um uh invitations of speeches because I

66

00:03:06,170 --> 00:03:05,099

was terrified of giving a speech I just

67

00:03:07,729 --> 00:03:06,180

uh

68

00:03:09,589 --> 00:03:07,739

I just didn't think I could do it

69

00:03:12,830 --> 00:03:09,599

without wetting my pants or fainting or

70

00:03:14,449 --> 00:03:12,840

whatever but Don Waldrop called me one

71

00:03:16,250 --> 00:03:14,459

day and he talked me about for about 45

72

00:03:18,290 --> 00:03:16,260

minutes to an hour and he talked me into

73

00:03:20,330 --> 00:03:18,300

uh into appearing so I said okay you

74

00:03:22,210 --> 00:03:20,340

know I'm fine you talked me into it so I

75

00:03:26,530 --> 00:03:22,220

called up all the other people that had

76

00:03:30,710 --> 00:03:26,540

invited me to uh address them and I um

77

00:03:32,210 --> 00:03:30,720

uh to be fair I said I'm I'm ex I've

78

00:03:34,670 --> 00:03:32,220

accepted this one speaking engagement so

79

00:03:36,470 --> 00:03:34,680

I will uh if the invitation still is

80

00:03:41,390 --> 00:03:36,480

still open I'll I'll address your group

81

00:03:44,630 --> 00:03:41,400

so um I I did and I wrote a speech out

82

00:03:47,570 --> 00:03:44,640

and at the first uh first appearance I I

83

00:03:49,729 --> 00:03:47,580

read I started reading it and I I read

84

00:03:52,430 --> 00:03:49,739

just the first page and I just wasn't

85

00:03:53,390 --> 00:03:52,440

comfortable with it and so

86

00:03:55,729 --> 00:03:53,400

um

87

00:03:57,410 --> 00:03:55,739

uh so I just started I just started

88

00:03:59,990 --> 00:03:57,420

talking somebody turned the house lights

89

00:04:01,009 --> 00:04:00,000

down okay I can still see some of you

90

00:04:02,930 --> 00:04:01,019

um

91

00:04:04,910 --> 00:04:02,940

uh

92

00:04:06,830 --> 00:04:04,920

and I just started talking and what

93

00:04:09,050 --> 00:04:06,840

happens is that it kind of turns into an

94

00:04:10,429 --> 00:04:09,060

exchange which I kind of like first of

95

00:04:13,610 --> 00:04:10,439

all I can know how many people here have

96

00:04:18,710 --> 00:04:15,410

okay a lot of people haven't so then I

97

00:04:20,390 --> 00:04:18,720

should I should spend some time on uh on

98

00:04:22,069 --> 00:04:20,400

giving a brief synopsis I guess of what

99

00:04:23,450 --> 00:04:22,079

the book is and after that it just

100

00:04:25,969 --> 00:04:23,460

basically becomes an exchange because

101

00:04:28,129 --> 00:04:25,979

people have a lot of questions and um

102

00:04:30,230 --> 00:04:28,139

and I I find that I find that more

103

00:04:31,969 --> 00:04:30,240

comfortable for me although I can go on

104

00:04:35,450 --> 00:04:31,979

and on and on I went on one time for

105

00:04:37,249 --> 00:04:35,460

four hours so uh you know

106

00:04:38,270 --> 00:04:37,259

um I do have an outline on my speech I'm

107

00:04:40,749 --> 00:04:38,280

not going to read my speech but I do

108

00:04:43,550 --> 00:04:40,759

have an outline it kind of keeps me

109

00:04:46,070 --> 00:04:43,560

somewhat focused although as I say I do

110

00:04:47,390 --> 00:04:46,080

go out I do go out on limbs so basically

111

00:04:49,550 --> 00:04:47,400

I'll tell you about I'll tell you about

112

00:04:51,650 --> 00:04:49,560

my book

113

00:04:54,050 --> 00:04:51,660

um I come from the mainstream I've never

114

00:04:56,990 --> 00:04:54,060

read anything in the UFO uh Alien

115

00:04:58,550 --> 00:04:57,000

Abduction field I was never interested I

116

00:05:00,110 --> 00:04:58,560

never believed it I always thought the

117

00:05:03,409 --> 00:05:00,120

people who

118

00:05:04,749 --> 00:05:03,419

who made these claims were to put a

119

00:05:07,870 --> 00:05:04,759

kindly

120

00:05:12,469 --> 00:05:10,850

realistically the word we use in the

121

00:05:13,790 --> 00:05:12,479

newspaper business and I suppose in

122

00:05:15,590 --> 00:05:13,800

other parts of the mainstream although

123

00:05:18,170 --> 00:05:15,600

my life is in the newspaper business is

124

00:05:20,930 --> 00:05:18,180

wackos and crackpots and and things of

125

00:05:25,550 --> 00:05:20,940

that nature and little did I know that I

126

00:05:33,469 --> 00:05:27,610

so uh

127

00:05:34,850 --> 00:05:33,479

I I don't I'm an outsider and uh I I am

128

00:05:37,070 --> 00:05:34,860

now

129

00:05:38,749 --> 00:05:37,080

I'm still trying to remain outside

130

00:05:41,150 --> 00:05:38,759

although the mainstream is kind of

131

00:05:42,710 --> 00:05:41,160

pushing me away uh there's a there's a

132

00:05:45,590 --> 00:05:42,720

certain isolation a certain distance

133

00:05:47,870 --> 00:05:45,600

that grows between you

134

00:05:49,790 --> 00:05:47,880

and people in that Community especially

135

00:05:52,430 --> 00:05:49,800

in the newspaper business where most uh

136

00:05:54,469 --> 00:05:52,440

most reporters most newspaper people are

137

00:05:56,930 --> 00:05:54,479

Skeptics and they they simply don't

138

00:05:58,670 --> 00:05:56,940

believe and if you start identifying uh

139

00:06:00,830 --> 00:05:58,680

yourself as one of them while you start

140

00:06:03,230 --> 00:06:00,840

getting isolated also so I've been I've

141

00:06:05,029 --> 00:06:03,240

been isolated from that that Community I

142

00:06:07,249 --> 00:06:05,039

haven't quite been accepted totally in

143

00:06:09,110 --> 00:06:07,259

the UFO Community as well because there

144

00:06:11,090 --> 00:06:09,120

are some people

145

00:06:13,189 --> 00:06:11,100

um there's um

146

00:06:16,310 --> 00:06:13,199

uh there are some very judgmental people

147

00:06:19,010 --> 00:06:16,320

in this in this community and um at

148

00:06:20,749 --> 00:06:19,020

first I thought that most people in this

149

00:06:22,610 --> 00:06:20,759

community when I was an outsider were

150

00:06:24,650 --> 00:06:22,620

basically uh were basically crackpots

151  
00:06:26,150 --> 00:06:24,660  
and we're those and uh you know and and

152  
00:06:27,529 --> 00:06:26,160  
we just we just kind of kiss them off we

153  
00:06:29,629 --> 00:06:27,539  
just we just ignore them and that's the

154  
00:06:31,430 --> 00:06:29,639  
what the mainstream media have been

155  
00:06:32,689 --> 00:06:31,440  
doing for years and years and years they

156  
00:06:34,070 --> 00:06:32,699  
just haven't been paying any attention

157  
00:06:36,290 --> 00:06:34,080  
to to

158  
00:06:39,409 --> 00:06:36,300  
um to these stories

159  
00:06:43,250 --> 00:06:41,809  
where was I going

160  
00:06:45,650 --> 00:06:43,260  
okay

161  
00:06:46,850 --> 00:06:45,660  
[Music]

162  
00:06:50,029 --> 00:06:46,860  
um

163  
00:06:52,430 --> 00:06:50,039

anyway uh I had a thought there and I

164

00:06:54,469 --> 00:06:52,440

lost it

165

00:06:59,469 --> 00:06:54,479

um

166

00:07:03,950 --> 00:07:01,730

there you go thank you very much thank

167

00:07:06,590 --> 00:07:03,960

you I was going to make that point uh I

168

00:07:09,110 --> 00:07:06,600

I I've been isolated somewhat from the

169

00:07:10,309 --> 00:07:09,120

mainstream Community uh the neighbors uh

170

00:07:11,870 --> 00:07:10,319

this neighbor I don't see the neighbors

171

00:07:13,850 --> 00:07:11,880

as often I still see them occasionally

172

00:07:15,890 --> 00:07:13,860

but there's a lot of a lot more of this

173

00:07:18,590 --> 00:07:15,900

uh this foot shuffling stuff when we

174

00:07:20,450 --> 00:07:18,600

meet you know and and that sort of thing

175

00:07:23,870 --> 00:07:20,460

um I've lost I've suffered some broken

176

00:07:26,270 --> 00:07:23,880

relationships some some of my friends uh

177

00:07:29,629 --> 00:07:26,280

some very close friends have have stood

178

00:07:30,770 --> 00:07:29,639

by me uh and we have very good relations

179

00:07:32,689 --> 00:07:30,780

we still have a very good relationship

180

00:07:35,330 --> 00:07:32,699

one particular friend he's a former

181

00:07:38,390 --> 00:07:35,340

reporter at the Los Angeles Times

182

00:07:40,610 --> 00:07:38,400

um he's a skeptic and naturally you know

183

00:07:41,749 --> 00:07:40,620

the same as I was and he says I don't

184

00:07:42,950 --> 00:07:41,759

want to hear about your book I don't

185

00:07:45,170 --> 00:07:42,960

want to know about your book I don't

186

00:07:49,330 --> 00:07:45,180

want to talk about your book and our

187

00:07:53,390 --> 00:07:49,340

relationship works fine on that level

188

00:07:54,589 --> 00:07:53,400

so we don't discuss it

189

00:07:57,050 --> 00:07:54,599

um but we still have a close

190

00:07:59,089 --> 00:07:57,060

relationship other people have have

191

00:08:01,610 --> 00:07:59,099

distance themselves for me they've drawn

192

00:08:02,749 --> 00:08:01,620

away so I'm actually a man

193

00:08:04,309 --> 00:08:02,759

um you've heard of The Man Without a

194

00:08:07,070 --> 00:08:04,319

country I'm a Man Without a community I

195

00:08:09,770 --> 00:08:07,080

guess because uh I haven't quite uh I

196

00:08:11,510 --> 00:08:09,780

haven't quite stepped into the the UFO

197

00:08:13,189 --> 00:08:11,520

Community alien abduction Community

198

00:08:14,689 --> 00:08:13,199

because basically by Nature I'm still a

199

00:08:17,930 --> 00:08:14,699

skeptic

200

00:08:25,909 --> 00:08:19,850

um

201  
00:08:27,890 --> 00:08:25,919  
reasonable alternative explanation as to

202  
00:08:29,330 --> 00:08:27,900  
to explain my experience but until then

203  
00:08:32,329 --> 00:08:29,340  
I have to go upon my own sensory

204  
00:08:34,550 --> 00:08:32,339  
Impressions that of what I believe

205  
00:08:37,370 --> 00:08:34,560  
happened to me and and all I can do is

206  
00:08:40,010 --> 00:08:37,380  
describe that also um because I haven't

207  
00:08:41,690 --> 00:08:40,020  
read in this in this field uh I've been

208  
00:08:43,670 --> 00:08:41,700  
contacted by a lot of people since the

209  
00:08:45,230 --> 00:08:43,680  
book came out a lot of re-ufo

210  
00:08:46,910 --> 00:08:45,240  
researchers a lot of people with some

211  
00:08:50,990 --> 00:08:46,920  
very very

212  
00:08:52,730 --> 00:08:51,000  
um strange ideas strange to me maybe not

213  
00:08:54,350 --> 00:08:52,740

not to you because you're in the

214

00:08:57,470 --> 00:08:54,360  
community and I'm still kind of an

215

00:08:59,269 --> 00:08:57,480  
outsider I'm I try to get myself an

216

00:09:01,610 --> 00:08:59,279  
education by going over to the the

217

00:09:03,110 --> 00:09:01,620  
bookstores and starting to read on on

218

00:09:05,090 --> 00:09:03,120  
what's available but there is so much

219

00:09:06,650 --> 00:09:05,100  
material there I was overwhelmed I just

220

00:09:09,710 --> 00:09:06,660  
didn't I just didn't know that there was

221

00:09:11,030 --> 00:09:09,720  
that much material and uh so I felt that

222

00:09:13,190 --> 00:09:11,040  
I really couldn't get an education

223

00:09:15,889 --> 00:09:13,200  
because even if 90 of it is authentic

224

00:09:17,690 --> 00:09:15,899  
and only 10 is not authentic just by

225

00:09:20,870 --> 00:09:17,700  
happenstance I could spend the next to

226

00:09:23,389 --> 00:09:20,880

the rest of my life years reading just

227

00:09:25,070 --> 00:09:23,399

by just by Chance the ten percent of

228

00:09:27,470 --> 00:09:25,080

non-authnic material and never never

229

00:09:29,269 --> 00:09:27,480

learn anything so

230

00:09:30,829 --> 00:09:29,279

um so I've decided Well that's that's

231

00:09:33,769 --> 00:09:30,839

not that's not the way to proceed and

232

00:09:36,110 --> 00:09:33,779

then I was filled with the people were

233

00:09:39,590 --> 00:09:36,120

calling me and suggesting so many weird

234

00:09:41,990 --> 00:09:39,600

things I mean to you know weird

235

00:09:45,170 --> 00:09:42,000

from my outside perspective from my

236

00:09:47,350 --> 00:09:45,180

perspective as a mainstream person uh

237

00:09:50,990 --> 00:09:47,360

who didn't believe in this kind of stuff

238

00:09:53,630 --> 00:09:51,000

suggesting so many things and uh and um

239

00:09:56,329 --> 00:09:53,640

I said well it's for example

240

00:09:59,090 --> 00:09:56,339

um could these people have uh

241

00:10:00,650 --> 00:09:59,100

communicated with you telepathically

242

00:10:02,810 --> 00:10:00,660

well

243

00:10:05,150 --> 00:10:02,820

um I'm not a scientist but a good

244

00:10:08,449 --> 00:10:05,160

scientist always has his mind open and

245

00:10:10,790 --> 00:10:08,459

would say of course it's possible uh I

246

00:10:13,009 --> 00:10:10,800

don't I don't think so I I heard them

247

00:10:17,810 --> 00:10:13,019

talking to me I heard the words coming

248

00:10:20,990 --> 00:10:17,820

coming from them to me but

249

00:10:23,509 --> 00:10:21,000

if if there is such a thing as telepathy

250

00:10:26,210 --> 00:10:23,519

and I don't know that there is

251  
00:10:28,610 --> 00:10:26,220  
and if no one here has ever had a

252  
00:10:30,170 --> 00:10:28,620  
telepathic communication with anybody

253  
00:10:31,790 --> 00:10:30,180  
and you haven't had any experience with

254  
00:10:34,370 --> 00:10:31,800  
it how do you know what form it takes

255  
00:10:35,990 --> 00:10:34,380  
you don't know that if someone sends you

256  
00:10:37,970 --> 00:10:36,000  
a telepathic message if I send you a

257  
00:10:39,949 --> 00:10:37,980  
telepathic message are you going to hear

258  
00:10:41,269 --> 00:10:39,959  
it inside your own head just as you hear

259  
00:10:43,070 --> 00:10:41,279  
the words inside your head when you're

260  
00:10:45,710 --> 00:10:43,080  
reading a book or you're going to hear

261  
00:10:48,170 --> 00:10:45,720  
it as words being spoken without that

262  
00:10:49,610 --> 00:10:48,180  
experience you don't know so I say I

263  
00:10:52,069 --> 00:10:49,620

don't know they could have spoken to me

264

00:10:53,750 --> 00:10:52,079

telepathically and so many many things

265

00:10:55,910 --> 00:10:53,760

have been suggested to the point where

266

00:10:58,310 --> 00:10:55,920

my mind was getting cluttered and I was

267

00:11:01,370 --> 00:10:58,320

losing focus of My Own Story

268

00:11:03,050 --> 00:11:01,380

and so I decided that I'm not going to

269

00:11:05,569 --> 00:11:03,060

take I'm not going to listen to this

270

00:11:08,470 --> 00:11:05,579

stuff this I'm not going to take this

271

00:11:11,930 --> 00:11:08,480

stuff seriously anymore uh I'll listen

272

00:11:14,090 --> 00:11:11,940

and but I'm not going to I'm not going

273

00:11:15,650 --> 00:11:14,100

to do any particular particular reading

274

00:11:16,790 --> 00:11:15,660

because I don't know where to start I

275

00:11:21,590 --> 00:11:16,800

don't know where it's going to take me

276

00:11:24,110 --> 00:11:21,600

all I can do is um Jody Foster in the in

277

00:11:27,350 --> 00:11:24,120

the movie contact Carl siggins based on

278

00:11:30,009 --> 00:11:27,360

Carl Sagan's book said that um

279

00:11:32,030 --> 00:11:30,019

I have it written down here

280

00:11:33,470 --> 00:11:32,040

when she came back from her space

281

00:11:38,090 --> 00:11:33,480

adventure

282

00:11:40,250 --> 00:11:38,100

she said I I hadn't experienced I can't

283

00:11:41,990 --> 00:11:40,260

prove it I can't even even explain it

284

00:11:43,850 --> 00:11:42,000

but everything that I know as a human

285

00:11:45,350 --> 00:11:43,860

being everything that I that I am tells

286

00:11:47,870 --> 00:11:45,360

me that it was real

287

00:11:50,030 --> 00:11:47,880

well I too had an experience

288

00:11:52,130 --> 00:11:50,040

and I can't prove it and I can't explain

289

00:11:53,870 --> 00:11:52,140

it all I can do is describe it and

290

00:11:57,110 --> 00:11:53,880

that's what I do I describe my

291

00:11:59,630 --> 00:11:57,120

experience again I am by skeptic I am by

292

00:12:01,850 --> 00:11:59,640

Nature a skeptic my mind is open to any

293

00:12:03,949 --> 00:12:01,860

reasonable alternative explanation as to

294

00:12:06,230 --> 00:12:03,959

what occurred

295

00:12:10,490 --> 00:12:06,240

um it's been suggested that I never left

296

00:12:12,590 --> 00:12:10,500

my bed that the um that the message was

297

00:12:14,389 --> 00:12:12,600

implanted it's been suggested that I was

298

00:12:16,130 --> 00:12:14,399

either I'm being manipulated by the CIA

299

00:12:18,530 --> 00:12:16,140

that I'm under their control somehow

300

00:12:21,050 --> 00:12:18,540

it's been suggested to come in contact

301  
00:12:24,889 --> 00:12:21,060  
with Fallen Angels it's been suggested

302  
00:12:27,350 --> 00:12:24,899  
that I've been um uh somehow under the

303  
00:12:31,009 --> 00:12:27,360  
influence of some these Sinister uh

304  
00:12:32,990 --> 00:12:31,019  
aliens who are going to establish a one

305  
00:12:34,610 --> 00:12:33,000  
world government and they will be the

306  
00:12:37,790 --> 00:12:34,620  
Puppet Masters they will pull the

307  
00:12:41,829 --> 00:12:37,800  
strings and uh our leaders will do their

308  
00:12:46,690 --> 00:12:44,569  
many things have been suggested

309  
00:12:52,790 --> 00:12:46,700  
uh sounded like a ray gun to me

310  
00:12:57,110 --> 00:12:54,650  
I said anyway let me tell you uh let me

311  
00:12:59,150 --> 00:12:57,120  
tell you briefly about about my book and

312  
00:13:00,710 --> 00:12:59,160  
then the you probably want to ask some

313  
00:13:04,009 --> 00:13:00,720

questions

314

00:13:05,569 --> 00:13:04,019

um I went to bed as a very oh I know

315

00:13:07,129 --> 00:13:05,579

what I wanted to mention also

316

00:13:09,650 --> 00:13:07,139

um

317

00:13:12,110 --> 00:13:09,660

I I thought most people in this field uh

318

00:13:15,470 --> 00:13:12,120

were you know just kind of you know kind

319

00:13:17,389 --> 00:13:15,480

of on the fringes people that I normally

320

00:13:20,569 --> 00:13:17,399

wouldn't take too seriously or associate

321

00:13:22,250 --> 00:13:20,579

with since I've got into the field I was

322

00:13:23,750 --> 00:13:22,260

very very surprised to discover that

323

00:13:25,970 --> 00:13:23,760

what we're basically talking about is

324

00:13:27,310 --> 00:13:25,980

just very very

325

00:13:30,110 --> 00:13:27,320

um

326

00:13:31,430 --> 00:13:30,120

uh conservative when I say conservative

327

00:13:33,470 --> 00:13:31,440

I'm not talking politically I'm talking

328

00:13:36,949 --> 00:13:33,480

people who have jobs who have training

329

00:13:39,470 --> 00:13:36,959

who have who go to to work and then you

330

00:13:42,250 --> 00:13:39,480

know mainstream thank you

331

00:13:44,569 --> 00:13:42,260

thank you they have uh they have

332

00:13:46,610 --> 00:13:44,579

education they're Lucid rational

333

00:13:48,230 --> 00:13:46,620

reasonable many of them with Advanced

334

00:13:50,030 --> 00:13:48,240

degrees who believe that there's enough

335

00:13:52,730 --> 00:13:50,040

evidence to support the belief that the

336

00:13:55,730 --> 00:13:52,740

aliens are in the neighborhood uh I was

337

00:13:57,829 --> 00:13:55,740

surprised to find that however we would

338

00:13:59,329 --> 00:13:57,839

be misleading ourselves if we if we did

339

00:14:01,310 --> 00:13:59,339

not acknowledge that there is The Fringe

340

00:14:03,350 --> 00:14:01,320

element uh there are there are the

341

00:14:05,449 --> 00:14:03,360

wackos I mean it's it's it is a magnet

342

00:14:07,670 --> 00:14:05,459

for four Disturbed people

343

00:14:09,710 --> 00:14:07,680

um so at first it was difficult for me

344

00:14:11,210 --> 00:14:09,720

to make the distinction but but as I

345

00:14:12,889 --> 00:14:11,220

started talking to people as they

346

00:14:14,389 --> 00:14:12,899

started talking to me I was starting to

347

00:14:16,730 --> 00:14:14,399

I was able to start making the

348

00:14:18,710 --> 00:14:16,740

distinction the Times by the way has a

349

00:14:21,370 --> 00:14:18,720

and they're pretty good at this the

350

00:14:23,750 --> 00:14:21,380

editors they have um when calls come in

351

00:14:27,110 --> 00:14:23,760

within two or three or four sentences

352

00:14:28,550 --> 00:14:27,120

they can determine uh whether this is a

353

00:14:30,590 --> 00:14:28,560

legitimate caller whether it's someone

354

00:14:32,449 --> 00:14:30,600

who is a little bit disturbed and they

355

00:14:35,629 --> 00:14:32,459

have what they call a nut phone and the

356

00:14:37,970 --> 00:14:35,639

nut phone is answered by a copy boy or a

357

00:14:39,949 --> 00:14:37,980

copy girl a copy girl so they say well

358

00:14:42,110 --> 00:14:39,959

let me try to let me transfer you to to

359

00:14:44,870 --> 00:14:42,120

our expert on that particular field and

360

00:14:47,629 --> 00:14:44,880

this and this copy boy this cubby girl's

361

00:14:49,790 --> 00:14:47,639

job is to just sit there and listen and

362

00:14:52,509 --> 00:14:49,800

agree and Aha and yes that's interesting

363

00:14:56,569 --> 00:14:52,519

and then it's just kind of um you know

364

00:14:57,949 --> 00:14:56,579

humor them uh so I've been able to kind

365

00:15:00,829 --> 00:14:57,959

of make that to think to myself there

366

00:15:03,710 --> 00:15:00,839

there's there's a but for the vast the

367

00:15:06,769 --> 00:15:03,720

vast majority of people I've met are

368

00:15:08,389 --> 00:15:06,779

mainstream very Ordinary People surprise

369

00:15:10,550 --> 00:15:08,399

surprise

370

00:15:13,129 --> 00:15:10,560

um as I say there is there is The Fringe

371

00:15:15,769 --> 00:15:13,139

element there are those people who are

372

00:15:18,590 --> 00:15:15,779

who have made up their minds about what

373

00:15:20,689 --> 00:15:18,600

uh what to believe uh they have they

374

00:15:22,550 --> 00:15:20,699

have adopted a certain scenario that

375

00:15:25,910 --> 00:15:22,560

they believe and anything that deviates

376

00:15:27,110 --> 00:15:25,920

from that uh is um they're not going to

377

00:15:29,090 --> 00:15:27,120

accept they're going to challenge

378

00:15:31,430 --> 00:15:29,100

because they've already made up their

379

00:15:33,769 --> 00:15:31,440

minds and uh these people there are

380

00:15:35,449 --> 00:15:33,779

people who know everything they know

381

00:15:37,129 --> 00:15:35,459

everything they have all the answers to

382

00:15:39,650 --> 00:15:37,139

everything and it's it's wonderful to be

383

00:15:41,870 --> 00:15:39,660

in that position to do to be that you

384

00:15:43,189 --> 00:15:41,880

know to have that kind of knowledge and

385

00:15:45,949 --> 00:15:43,199

to uh to know that you know everything

386

00:15:47,509 --> 00:15:45,959

but the question arises in my mind I

387

00:15:48,829 --> 00:15:47,519

never ask them you know if you know so

388

00:15:50,150 --> 00:15:48,839

much why don't you write a book and go

389

00:15:53,629 --> 00:15:50,160

out on the lecture tour you know instead

390

00:15:55,970 --> 00:15:53,639

of coming bugging me but uh

391

00:15:57,949 --> 00:15:55,980

but anyway

392

00:16:01,689 --> 00:15:57,959

um so

393

00:16:04,850 --> 00:16:01,699

I go to bed as a very

394

00:16:06,050 --> 00:16:04,860

mainstream sane person and I wake up in

395

00:16:08,050 --> 00:16:06,060

the middle of the night and the room is

396

00:16:11,230 --> 00:16:08,060

filled with a kind of a bluish white

397

00:16:14,449 --> 00:16:11,240

iridescent light and um

398

00:16:15,170 --> 00:16:14,459

I'm not a superstitious person

399

00:16:18,530 --> 00:16:15,180

um

400

00:16:20,509 --> 00:16:18,540

and I uh I I thought I'd fallen asleep

401  
00:16:23,150 --> 00:16:20,519  
with the television set on so I reached

402  
00:16:25,069 --> 00:16:23,160  
for the remote control and um I aimed it

403  
00:16:25,910 --> 00:16:25,079  
at the the screen but the screen was

404  
00:16:27,650 --> 00:16:25,920  
dark

405  
00:16:29,210 --> 00:16:27,660  
so I knew well it wasn't coming from

406  
00:16:30,290 --> 00:16:29,220  
there and I looked the drapes were drawn

407  
00:16:31,790 --> 00:16:30,300  
there's a street light out in front of

408  
00:16:33,829 --> 00:16:31,800  
my house and I thought maybe it might be

409  
00:16:36,230 --> 00:16:33,839  
coming in from there the um the drapes

410  
00:16:37,670 --> 00:16:36,240  
were drawn so it wasn't there so well

411  
00:16:39,829 --> 00:16:37,680  
okay well we've got to find out what

412  
00:16:44,269 --> 00:16:39,839  
this is so I I get up out of bed and I

413  
00:16:48,410 --> 00:16:45,949

um controlling the the lamp in the room

414

00:16:50,870 --> 00:16:48,420

and I got no more than two or three feet

415

00:16:53,389 --> 00:16:50,880

when all of a sudden I no longer felt uh

416

00:16:55,730 --> 00:16:53,399

I no longer felt the the my feet against

417

00:17:00,170 --> 00:16:55,740

the uh against the the carpeted carpeted

418

00:17:03,590 --> 00:17:00,180

floor and uh uh the the light uh

419

00:17:05,390 --> 00:17:03,600

narrowed into a a beam or into a a tight

420

00:17:06,829 --> 00:17:05,400

uh Spotlight being it was floodlight

421

00:17:10,490 --> 00:17:06,839

before and now it's now it's focused

422

00:17:12,110 --> 00:17:10,500

into a uh a uh a spotlight beam and I'm

423

00:17:13,789 --> 00:17:12,120

it's focused on me and Nick saying I

424

00:17:15,829 --> 00:17:13,799

know I feel like I'm rising it was only

425

00:17:19,130 --> 00:17:15,839

momentarily I felt like I'm rising and

426

00:17:21,350 --> 00:17:19,140

then within a matter of split seconds

427

00:17:25,429 --> 00:17:21,360

um I did not see the the ground falling

428

00:17:27,470 --> 00:17:25,439

away I did not see anything up there I

429

00:17:29,210 --> 00:17:27,480

did not see anything out there all I saw

430

00:17:32,450 --> 00:17:29,220

was this light surrounding me but I knew

431

00:17:34,549 --> 00:17:32,460

that I I felt for momentarily like a p

432

00:17:36,770 --> 00:17:34,559

being sucked up into a straw and I found

433

00:17:38,930 --> 00:17:36,780

myself amongst a very

434

00:17:40,310 --> 00:17:38,940

uh in a room full of very strange

435

00:17:41,990 --> 00:17:40,320

creatures and I knew immediately

436

00:17:43,730 --> 00:17:42,000

intellectually

437

00:17:46,250 --> 00:17:43,740

um what had happened

438

00:17:48,049 --> 00:17:46,260

um my mind was trying to deny it because

439

00:17:50,090 --> 00:17:48,059

it was it went against everything that I

440

00:17:52,610 --> 00:17:50,100

believed everything that I everything

441

00:17:55,010 --> 00:17:52,620

that I um

442

00:17:59,029 --> 00:17:57,230

everything that that I that I believe

443

00:18:00,470 --> 00:17:59,039

that I that I

444

00:18:01,909 --> 00:18:00,480

I'm searching for words I can't find a

445

00:18:04,370 --> 00:18:01,919

while I'll forget them

446

00:18:07,850 --> 00:18:04,380

um and uh

447

00:18:09,470 --> 00:18:07,860

and I but I was also wondering I knew I

448

00:18:12,529 --> 00:18:09,480

knew what had happened I had heard these

449

00:18:14,450 --> 00:18:12,539

stories about alien abductions we all

450

00:18:15,770 --> 00:18:14,460

have it's been in the it's been in the

451  
00:18:18,289 --> 00:18:15,780  
mainstream press the mainstream press

452  
00:18:20,330 --> 00:18:18,299  
has not given a lot of coverage to it

453  
00:18:22,430 --> 00:18:20,340  
but I think everyone has been aware of

454  
00:18:24,529 --> 00:18:22,440  
it uh television has been doing a lot

455  
00:18:26,090 --> 00:18:24,539  
with it because of the the Millennium

456  
00:18:29,150 --> 00:18:26,100  
coming up and because of the anniversary

457  
00:18:31,730 --> 00:18:29,160  
last year of Roswell and we've all seen

458  
00:18:35,090 --> 00:18:31,740  
the we've all seen the caricature of the

459  
00:18:35,990 --> 00:18:35,100  
of the um the typical uh gray I guess

460  
00:18:37,370 --> 00:18:36,000  
you call them I didn't know what they

461  
00:18:39,230 --> 00:18:37,380  
were called in with the big eyes and

462  
00:18:40,430 --> 00:18:39,240  
everything else uh that's all that's

463  
00:18:42,110 --> 00:18:40,440

that's all over the place that's in

464

00:18:43,130 --> 00:18:42,120

candy stores and comic books and

465

00:18:45,110 --> 00:18:43,140

everything else you can't you can't

466

00:18:47,330 --> 00:18:45,120

escape that so that's not that's not

467

00:18:48,950 --> 00:18:47,340

anything esoteric just in this

468

00:18:52,070 --> 00:18:48,960

particular field that's that's out in

469

00:18:54,350 --> 00:18:52,080

the mainstream and um I I knew I knew

470

00:18:56,930 --> 00:18:54,360

intellectually what had happened and I

471

00:19:00,890 --> 00:18:56,940

never felt so wrong in my life

472

00:19:04,370 --> 00:19:00,900

um and if I have come away with anything

473

00:19:05,990 --> 00:19:04,380

any if I've learned just one thing out

474

00:19:07,669 --> 00:19:06,000

of this whole experience it is that

475

00:19:10,990 --> 00:19:07,679

there is such a thing as an abduction

476  
00:19:14,210 --> 00:19:11,000  
experience I never believed that before

477  
00:19:17,390 --> 00:19:14,220  
I had an abduction experience

478  
00:19:19,549 --> 00:19:17,400  
I do not believe that all people who

479  
00:19:21,830 --> 00:19:19,559  
have abduction experiences

480  
00:19:25,130 --> 00:19:21,840  
have been abducted I've been contacted

481  
00:19:26,630 --> 00:19:25,140  
by a lot of people and I was very very

482  
00:19:28,370 --> 00:19:26,640  
curious the first ones who contacted me

483  
00:19:29,690 --> 00:19:28,380  
I was I've never been in the mainstream

484  
00:19:32,570 --> 00:19:29,700  
and never had any contact with these

485  
00:19:34,490 --> 00:19:32,580  
people I was very very curious and uh

486  
00:19:37,789 --> 00:19:34,500  
please I said tell me tell me what was

487  
00:19:39,049 --> 00:19:37,799  
your experience what was it like and I

488  
00:19:40,190 --> 00:19:39,059

don't mean to embarrass anybody and I

489

00:19:41,690 --> 00:19:40,200

don't even know if that person might be

490

00:19:43,970 --> 00:19:41,700

here so I won't I won't go into the

491

00:19:46,490 --> 00:19:43,980

details of it but he described an

492

00:19:48,350 --> 00:19:46,500

experience that

493

00:19:50,570 --> 00:19:48,360

um to me I could sympathize with them

494

00:19:52,730 --> 00:19:50,580

because the man was the man was going

495

00:19:54,710 --> 00:19:52,740

through a trauma this man believed that

496

00:19:58,190 --> 00:19:54,720

he had been abducted the story he told

497

00:20:00,289 --> 00:19:58,200

me was so lacking in detail that I felt

498

00:20:03,890 --> 00:20:00,299

that I was not convinced that he had

499

00:20:06,049 --> 00:20:03,900

been abducted now I'm I mean I can't say

500

00:20:08,870 --> 00:20:06,059

he wasn't all I'm saying is that I was

501  
00:20:11,330 --> 00:20:08,880  
not convinced that he was but there are

502  
00:20:14,090 --> 00:20:11,340  
people who have abduction experiences

503  
00:20:16,190 --> 00:20:14,100  
some of them are very real

504  
00:20:17,510 --> 00:20:16,200  
some of them may not be real some of

505  
00:20:18,890 --> 00:20:17,520  
them may be just in their minds

506  
00:20:21,230 --> 00:20:18,900  
nevertheless

507  
00:20:22,669 --> 00:20:21,240  
they all still suffer the trauma of it

508  
00:20:24,350 --> 00:20:22,679  
they have to deal with it they have to

509  
00:20:25,909 --> 00:20:24,360  
they have to either tell their friends

510  
00:20:27,590 --> 00:20:25,919  
and their relatives and their co-workers

511  
00:20:29,390 --> 00:20:27,600  
and put up with the ridicule and the

512  
00:20:31,750 --> 00:20:29,400  
derision and the withdrawal and the

513  
00:20:34,549 --> 00:20:31,760

distance put between them

514

00:20:36,049 --> 00:20:34,559

or they have to well they have to keep a

515

00:20:38,930 --> 00:20:36,059

bottle up inside themselves in which

516

00:20:41,390 --> 00:20:38,940

case it also creates uh creates trauma

517

00:20:43,669 --> 00:20:41,400

and so the there are support groups I

518

00:20:45,470 --> 00:20:43,679

understand in this field uh to to help

519

00:20:48,529 --> 00:20:45,480

these people deal with with their

520

00:20:50,090 --> 00:20:48,539

experiences so I am convinced without a

521

00:20:52,370 --> 00:20:50,100

doubt that there is such a thing as an

522

00:20:55,150 --> 00:20:52,380

abduction experience

523

00:20:58,190 --> 00:20:55,160

and um

524

00:21:00,350 --> 00:20:58,200

uh but at the same time I am keeping an

525

00:21:02,270 --> 00:21:00,360

open mind on my experience anyway I

526

00:21:03,669 --> 00:21:02,280

found myself in this room full of I'll

527

00:21:06,230 --> 00:21:03,679

make this very quick

528

00:21:08,450 --> 00:21:06,240

this synopsis I found myself in this

529

00:21:10,130 --> 00:21:08,460

room full of very very strange creatures

530

00:21:12,350 --> 00:21:10,140

and I thought I was there for an

531

00:21:16,190 --> 00:21:12,360

examination because from what I had read

532

00:21:18,529 --> 00:21:16,200

in the mainstream press uh the that's

533

00:21:20,330 --> 00:21:18,539

the one story that tied all of these

534

00:21:22,310 --> 00:21:20,340

that's the one thread that tied all

535

00:21:23,330 --> 00:21:22,320

these these these stories together that

536

00:21:25,190 --> 00:21:23,340

they were there basically for

537

00:21:26,570 --> 00:21:25,200

examinations and I thought I was there

538

00:21:28,490 --> 00:21:26,580

for an examination it turned out that I

539

00:21:31,970 --> 00:21:28,500

was not there for an examination

540

00:21:34,549 --> 00:21:31,980

I was there as as a person who had been

541

00:21:37,310 --> 00:21:34,559

recruited to perform a particular task

542

00:21:39,770 --> 00:21:37,320

and what they they we went to another we

543

00:21:43,130 --> 00:21:39,780

went to another uh room and we sat down

544

00:21:46,370 --> 00:21:43,140

and uh over the next 70 to 72 hours or

545

00:21:49,909 --> 00:21:46,380

so according to my estimations uh we had

546

00:21:52,010 --> 00:21:49,919

a series of meetings lasting for for six

547

00:21:53,810 --> 00:21:52,020

hours at a time with periodic breaks and

548

00:21:58,010 --> 00:21:53,820

there was two also two sleep breaks for

549

00:22:03,110 --> 00:21:59,470

[Music]

550

00:22:03,730 --> 00:22:03,120

oh they they said that they have been

551  
00:22:07,610 --> 00:22:03,740  
um

552  
00:22:09,409 --> 00:22:07,620  
recruiting very prominent people now

553  
00:22:12,169 --> 00:22:09,419  
they've changed their in the past they

554  
00:22:15,250 --> 00:22:12,179  
had been abducting uh very Anonymous

555  
00:22:17,750 --> 00:22:15,260  
people people who

556  
00:22:19,190 --> 00:22:17,760  
who wouldn't necessarily draw a lot of

557  
00:22:20,330 --> 00:22:19,200  
attention to themselves as they started

558  
00:22:22,490 --> 00:22:20,340  
talking about their abduction

559  
00:22:25,130 --> 00:22:22,500  
experiences

560  
00:22:28,130 --> 00:22:25,140  
um they're not they might get some they

561  
00:22:30,230 --> 00:22:28,140  
might get some press in the um in the

562  
00:22:33,350 --> 00:22:30,240  
tabloids but they wouldn't get very much

563  
00:22:36,529 --> 00:22:33,360

a mainstream press if anything at all

564

00:22:38,570 --> 00:22:36,539

um so uh and this was this was they did

565

00:22:40,730 --> 00:22:38,580

this deliberately to keep a low profile

566

00:22:42,289 --> 00:22:40,740

first of all they uh they they didn't

567

00:22:44,110 --> 00:22:42,299

want the publicity they wanted to keep

568

00:22:49,310 --> 00:22:44,120

as low profile as possible

569

00:22:51,950 --> 00:22:49,320

uh and that was also to uh to not to

570

00:22:53,270 --> 00:22:51,960

create any panic and also not to have an

571

00:22:55,130 --> 00:22:53,280

influence on the culture that they were

572

00:22:57,529 --> 00:22:55,140

studying if you're studying something

573

00:22:59,630 --> 00:22:57,539

you don't want to inject too many

574

00:23:01,669 --> 00:22:59,640

outside elements because it could skew

575

00:23:03,890 --> 00:23:01,679

your your results of your study so they

576

00:23:04,909 --> 00:23:03,900

did not want to uh have they wanted to

577

00:23:06,770 --> 00:23:04,919

have as little influence upon the

578

00:23:08,630 --> 00:23:06,780

culture as possible now they've done a

579

00:23:12,049 --> 00:23:08,640

reversal and they decided that the time

580

00:23:14,750 --> 00:23:12,059

has come for um for our two our two

581

00:23:19,250 --> 00:23:14,760

species to to meet formally

582

00:23:21,909 --> 00:23:19,260

and the reason the reason that that is

583

00:23:25,789 --> 00:23:21,919

occurring now is because

584

00:23:27,289 --> 00:23:25,799

uh mankind humankind has uh evolved to

585

00:23:30,830 --> 00:23:27,299

the point where it's now on the verge of

586

00:23:35,270 --> 00:23:30,840

going into deep space and uh these

587

00:23:38,029 --> 00:23:35,280

aliens uh monitor civilizations planets

588

00:23:40,130 --> 00:23:38,039

planets with Advanced civilizations and

589

00:23:41,570 --> 00:23:40,140

uh they keep them under observation to

590

00:23:43,730 --> 00:23:41,580

determine their Fitness for going into

591

00:23:45,529 --> 00:23:43,740

space because there are there are rules

592

00:23:46,690 --> 00:23:45,539

and regulations and there are there are

593

00:23:48,950 --> 00:23:46,700

qualifications

594

00:23:51,409 --> 00:23:48,960

basically what it comes down to is that

595

00:23:54,409 --> 00:23:51,419

hostile species are not allowed to go

596

00:23:56,149 --> 00:23:54,419

into space any any species that is

597

00:23:58,850 --> 00:23:56,159

aggressive enough or could or it could

598

00:24:01,010 --> 00:23:58,860

Menace its neighbors uh they they're

599

00:24:03,590 --> 00:24:01,020

simply kept isolated until such time as

600

00:24:05,990 --> 00:24:03,600

they evolved to the point where they can

601  
00:24:06,830 --> 00:24:06,000  
get along with themselves and with the

602  
00:24:10,669 --> 00:24:06,840  
um

603  
00:24:13,549 --> 00:24:10,679  
and with their neighbors so mankind uh

604  
00:24:15,049 --> 00:24:13,559  
has has achieved that that that that has

605  
00:24:16,250 --> 00:24:15,059  
come to that point where he's on the on

606  
00:24:18,950 --> 00:24:16,260  
the verge of going into space so they

607  
00:24:20,990 --> 00:24:18,960  
say the time has come to uh for our two

608  
00:24:23,630 --> 00:24:21,000  
two peoples to meet in a in a Summit

609  
00:24:25,310 --> 00:24:23,640  
meeting and and they at first they

610  
00:24:28,190 --> 00:24:25,320  
determined that uh we were very

611  
00:24:31,010 --> 00:24:28,200  
borderline we we almost did not make the

612  
00:24:32,810 --> 00:24:31,020  
grade to uh to be welcomed into space uh

613  
00:24:35,450 --> 00:24:32,820

because they looked at our uh they've

614

00:24:38,450 --> 00:24:35,460

been observing the the planet for uh

615

00:24:42,470 --> 00:24:38,460

many centuries and uh they saw they saw

616

00:24:45,409 --> 00:24:42,480

a very Savage brutal race and

617

00:24:47,090 --> 00:24:45,419

um uh that that concerned them and they

618

00:24:49,730 --> 00:24:47,100

felt that we would have to be isolated

619

00:24:51,649 --> 00:24:49,740

until you know until we evolved to the

620

00:24:53,289 --> 00:24:51,659

point where we were not we were no

621

00:24:55,430 --> 00:24:53,299

longer Savage and and and and and

622

00:24:57,730 --> 00:24:55,440

killers and they saw all of the the

623

00:25:01,210 --> 00:24:57,740

Mischief going on on Earth and then

624

00:25:04,730 --> 00:25:01,220

surprise surprise uh a further study

625

00:25:06,830 --> 00:25:04,740

they they found out that the human

626  
00:25:08,870 --> 00:25:06,840  
species is the most diverse species that

627  
00:25:11,630 --> 00:25:08,880  
has ever come across

628  
00:25:15,409 --> 00:25:11,640  
in all of his explorations never before

629  
00:25:17,570 --> 00:25:15,419  
have they seen pure evil existing side

630  
00:25:20,930 --> 00:25:17,580  
by side in the same species with pure

631  
00:25:22,909 --> 00:25:20,940  
goodness uh this this this this this uh

632  
00:25:25,850 --> 00:25:22,919  
this really uh reading through them for

633  
00:25:28,130 --> 00:25:25,860  
a loop and then they saw a further study

634  
00:25:30,710 --> 00:25:28,140  
they saw the nobler side of the human

635  
00:25:33,049 --> 00:25:30,720  
Spirit they saw the great Arts and Music

636  
00:25:36,890 --> 00:25:33,059  
and literature and architecture and and

637  
00:25:40,490 --> 00:25:36,900  
they saw the the uh the the the thinkers

638  
00:25:44,450 --> 00:25:40,500

and the lovers and the billions of

639

00:25:46,730 --> 00:25:44,460

ordinary human beings going about their

640

00:25:49,370 --> 00:25:46,740

lives living ordinary everyday lives of

641

00:25:52,730 --> 00:25:49,380

of simple human decency and they knew

642

00:25:55,310 --> 00:25:52,740

there was a a part a a a part of the

643

00:25:58,190 --> 00:25:55,320

character worth nurturing so at that

644

00:26:02,149 --> 00:25:58,200

point they decided that we were

645

00:26:04,370 --> 00:26:02,159

we were we humans were qualified to go

646

00:26:05,269 --> 00:26:04,380

into space so what they've done is they

647

00:26:07,630 --> 00:26:05,279

have been

648

00:26:12,049 --> 00:26:07,640

um uh

649

00:26:14,930 --> 00:26:12,059

abducting and um they uh the I use the

650

00:26:17,990 --> 00:26:14,940

word abducting uh abductions they at one

651  
00:26:19,010 --> 00:26:18,000  
point took uh took um exception to this

652  
00:26:20,690 --> 00:26:19,020  
word they didn't like to use the word

653  
00:26:24,529 --> 00:26:20,700  
abduction they like to describe these as

654  
00:26:28,310 --> 00:26:24,539  
uh unsolicited visitations

655  
00:26:31,070 --> 00:26:28,320  
uh so

656  
00:26:33,430 --> 00:26:31,080  
um these uh they were they were uh

657  
00:26:37,669 --> 00:26:33,440  
inviting

658  
00:26:39,830 --> 00:26:37,679  
unsolicited visitors uh from every field

659  
00:26:44,029 --> 00:26:39,840  
of human endeavor leaders of from every

660  
00:26:48,370 --> 00:26:44,039  
field of human endeavor uh uh education

661  
00:26:51,409 --> 00:26:48,380  
politics the Arts uh manufacturing

662  
00:26:55,690 --> 00:26:51,419  
education uh religion whatever whatever

663  
00:27:01,610 --> 00:26:58,970

recruiting ambassadors well these people

664

00:27:04,130 --> 00:27:01,620

were named ambassadors to

665

00:27:06,649 --> 00:27:04,140

um to prepare them to help lay the

666

00:27:09,169 --> 00:27:06,659

groundwork for the upcoming Summit which

667

00:27:11,750 --> 00:27:09,179

can be expected in the next uh in the

668

00:27:13,730 --> 00:27:11,760

next in the next decade or so but

669

00:27:15,769 --> 00:27:13,740

certainly by the end of the uh the first

670

00:27:17,990 --> 00:27:15,779

decade of the 21st Century

671

00:27:19,909 --> 00:27:18,000

and um

672

00:27:20,990 --> 00:27:19,919

they they name these people they they

673

00:27:22,789 --> 00:27:21,000

gave these people the title of

674

00:27:23,990 --> 00:27:22,799

Ambassador and there there are hundreds

675

00:27:25,310 --> 00:27:24,000

of them I think there's close to

676

00:27:26,870 --> 00:27:25,320

probably a thousand of them but it's

677

00:27:29,330 --> 00:27:26,880

under a thousand so it is many many

678

00:27:32,330 --> 00:27:29,340

hundreds uh they they took also an equal

679

00:27:35,570 --> 00:27:32,340

number of lesser figures people uh

680

00:27:36,950 --> 00:27:35,580

people without uh who were not leaders

681

00:27:39,169 --> 00:27:36,960

in their field oh these these

682

00:27:41,269 --> 00:27:39,179

ambassadors by the way uh were chosen

683

00:27:42,950 --> 00:27:41,279

for their their uh leadership in their

684

00:27:45,169 --> 00:27:42,960

field being able to influence their

685

00:27:47,450 --> 00:27:45,179

their peers because of their their solid

686

00:27:49,010 --> 00:27:47,460

reputations and also their credibility

687

00:27:52,190 --> 00:27:49,020

in being able to influence large

688

00:27:53,750 --> 00:27:52,200

segments of the population uh and also

689

00:27:56,510 --> 00:27:53,760

they have the contacts with the

690

00:27:58,430 --> 00:27:56,520

government leaders uh and then so then

691

00:28:01,430 --> 00:27:58,440

they they took an equal number of people

692

00:28:04,970 --> 00:28:01,440

to perform secondary or minor roles and

693

00:28:08,390 --> 00:28:04,980

and these um uh these were named deputy

694

00:28:11,510 --> 00:28:08,400

envoys and these these people were were

695

00:28:14,810 --> 00:28:11,520

taken for specific to perform specific

696

00:28:16,430 --> 00:28:14,820

roles and not necessarily to influence

697

00:28:17,690 --> 00:28:16,440

public opinion because they simply

698

00:28:20,390 --> 00:28:17,700

didn't have the credibility they were

699

00:28:23,810 --> 00:28:20,400

almost almost Anonymous as well and I am

700

00:28:25,430 --> 00:28:23,820

I'm one of those uh deputyon boys and uh

701

00:28:26,690 --> 00:28:25,440

so I said well that's fine what do you

702

00:28:28,610 --> 00:28:26,700

want from me and they said well we want

703

00:28:31,310 --> 00:28:28,620

you to write a white paper explaining

704

00:28:33,289 --> 00:28:31,320

who we are what we're doing here what

705

00:28:35,510 --> 00:28:33,299

we've been what we've been doing how

706

00:28:38,570 --> 00:28:35,520

long we've been here and what the what

707

00:28:41,870 --> 00:28:38,580

the um what uh mankind humankind can

708

00:28:44,450 --> 00:28:41,880

expect uh in the next decade or so uh as

709

00:28:46,970 --> 00:28:44,460

this this Summit conference um uh

710

00:28:48,830 --> 00:28:46,980

impending Summer Conference approaches

711

00:28:50,029 --> 00:28:48,840

and um

712

00:28:50,750 --> 00:28:50,039

so

713

00:28:55,250 --> 00:28:50,760

um

714

00:28:57,830 --> 00:28:55,260

quickly I uh I was flabbergasted by this

715

00:28:59,630 --> 00:28:57,840

but I I agreed to write what they called

716

00:29:01,610 --> 00:28:59,640

their white paper and basically it's

717

00:29:04,370 --> 00:29:01,620

just supposed to be an overview of what

718

00:29:06,710 --> 00:29:04,380

can be expected uh that people can turn

719

00:29:09,529 --> 00:29:06,720

to when the other ambassadors start

720

00:29:12,110 --> 00:29:09,539

coming out in several years and start

721

00:29:14,029 --> 00:29:12,120

there is a timetable in place by the way

722

00:29:16,250 --> 00:29:14,039

from what I understand when they start

723

00:29:19,730 --> 00:29:16,260

coming out and admitting yes we've had

724

00:29:21,409 --> 00:29:19,740

contact yes this is going on uh then

725

00:29:23,269 --> 00:29:21,419

people will be able to turn to the book

726

00:29:25,010 --> 00:29:23,279

and get some kind of an overview as

727

00:29:26,990 --> 00:29:25,020

because it's like a cross it's like a

728

00:29:29,210 --> 00:29:27,000

jigsaw puzzle going together each little

729

00:29:31,789 --> 00:29:29,220

piece is meaningless unless you have a

730

00:29:33,470 --> 00:29:31,799

picture of the uh uh you have a box with

731

00:29:35,389 --> 00:29:33,480

the picture on the on the box and

732

00:29:38,210 --> 00:29:35,399

basically that's what this book is it's

733

00:29:40,130 --> 00:29:38,220

to kind of give a general picture of

734

00:29:43,310 --> 00:29:40,140

what can be expected as all these jigsaw

735

00:29:45,529 --> 00:29:43,320

pieces start falling into place

736

00:29:47,269 --> 00:29:45,539

and uh so

737

00:29:53,810 --> 00:29:47,279

um l

738

00:29:57,710 --> 00:29:53,820

of a white paper though as very

739

00:29:59,510 --> 00:29:57,720

um very dry very technical uh

740

00:30:02,930 --> 00:29:59,520

containing just basically information

741

00:30:05,330 --> 00:30:02,940

and I I decided on my own to to write a

742

00:30:07,669 --> 00:30:05,340

diary so I included the information that

743

00:30:09,830 --> 00:30:07,679

they they gave me over this period of 72

744

00:30:11,750 --> 00:30:09,840

hours but I also included my own

745

00:30:13,789 --> 00:30:11,760

personal experiences during my uh during

746

00:30:16,370 --> 00:30:13,799

my informal periods when I took a tour

747

00:30:17,570 --> 00:30:16,380

of the ship when I was dealing with my

748

00:30:22,010 --> 00:30:17,580

own personal

749

00:30:24,110 --> 00:30:22,020

um uh attendant and and tour guide uh so

750

00:30:25,789 --> 00:30:24,120

I also included include that in the book

751  
00:30:28,430 --> 00:30:25,799  
one of the most controversial things in

752  
00:30:30,950 --> 00:30:28,440  
the book is the the last chapter and it

753  
00:30:33,830 --> 00:30:30,960  
deals with religion I am

754  
00:30:37,789 --> 00:30:33,840  
um I have been an agnostic most of my

755  
00:30:38,389 --> 00:30:37,799  
adult life and in later years an atheist

756  
00:30:40,510 --> 00:30:38,399  
um

757  
00:30:43,970 --> 00:30:40,520  
I simply didn't believe

758  
00:30:46,010 --> 00:30:43,980  
this this last chapter in which they uh

759  
00:30:49,010 --> 00:30:46,020  
they discuss religion and they discuss

760  
00:30:52,250 --> 00:30:49,020  
God and the immortal Soul uh is very

761  
00:30:56,090 --> 00:30:52,260  
very controversial

762  
00:30:58,549 --> 00:30:56,100  
um and um it even now I have trouble I

763  
00:31:01,310 --> 00:30:58,559

have trouble discussing it uh at this

764

00:31:02,510 --> 00:31:01,320

point I can say that I believe what they

765

00:31:05,450 --> 00:31:02,520

told me

766

00:31:07,789 --> 00:31:05,460

uh I don't believe in God on the basis

767

00:31:10,070 --> 00:31:07,799

of Faith because I think faith is by

768

00:31:11,990 --> 00:31:10,080

nature belief in something that can't be

769

00:31:13,610 --> 00:31:12,000

proven or for something for which there

770

00:31:17,330 --> 00:31:13,620

is no

771

00:31:19,850 --> 00:31:17,340

don't believe in the basis of Faith but

772

00:31:22,370 --> 00:31:19,860

um at the same time what they told me I

773

00:31:24,710 --> 00:31:22,380

believe them uh because they base it on

774

00:31:26,389 --> 00:31:24,720

scientific facts so whereas an atheist

775

00:31:31,490 --> 00:31:26,399

before I have no idea where I am right

776

00:31:33,590 --> 00:31:31,500

now I just I don't know what I am

777

00:31:35,570 --> 00:31:33,600

um so anyway that that's a very

778

00:31:37,130 --> 00:31:35,580

controversial part of the book I I

779

00:31:38,930 --> 00:31:37,140

considered I considered when I was

780

00:31:40,430 --> 00:31:38,940

writing the book not to include it

781

00:31:42,169 --> 00:31:40,440

because it really wasn't information

782

00:31:43,610 --> 00:31:42,179

that was fed to me that I was supposed

783

00:31:46,549 --> 00:31:43,620

to pass on it was just something that

784

00:31:48,529 --> 00:31:46,559

that happened and I considered not not

785

00:31:54,710 --> 00:31:48,539

including that I considered also not

786

00:31:57,169 --> 00:31:54,720

including the one uh minor sexual

787

00:31:59,750 --> 00:31:57,179

um uh

788

00:32:03,950 --> 00:31:59,760

um I don't know how to describe that uh

789

00:32:06,169 --> 00:32:03,960

contact I guess or or episode episode I

790

00:32:07,630 --> 00:32:06,179

guess uh then I decided yeah you know

791

00:32:10,190 --> 00:32:07,640

what I'm

792

00:32:13,370 --> 00:32:10,200

I can't be vilified anymore anyway so I

793

00:32:15,110 --> 00:32:13,380

might just go For Broke you know put

794

00:32:16,370 --> 00:32:15,120

every put everything in Mazda taking my

795

00:32:18,110 --> 00:32:16,380

you know might as well take take it off

796

00:32:20,210 --> 00:32:18,120

they're they're going to hit me anyway I

797

00:32:23,690 --> 00:32:20,220

knew I was going to pay a price and uh

798

00:32:25,250 --> 00:32:23,700

and I I paid a price and um and uh still

799

00:32:27,409 --> 00:32:25,260

paying the price

800

00:32:28,250 --> 00:32:27,419

um I went into actually

801

00:32:30,230 --> 00:32:28,260

um

802

00:32:32,210 --> 00:32:30,240

uh actually I went into the the pressure

803

00:32:33,649 --> 00:32:32,220

became so great when I got back and I

804

00:32:35,149 --> 00:32:33,659

don't know if it was the the social

805

00:32:36,889 --> 00:32:35,159

pressures that I was feeling or if it

806

00:32:40,130 --> 00:32:36,899

was a reaction to my actual experience

807

00:32:40,909 --> 00:32:40,140

but I went into seclusion uh and I and

808

00:32:43,130 --> 00:32:40,919

what do you do when you go into

809

00:32:46,130 --> 00:32:43,140

seclusion well I don't know well you

810

00:32:47,690 --> 00:32:46,140

don't spit for number one but uh I've

811

00:32:49,549 --> 00:32:47,700

never got into seclusion before so I

812

00:32:51,409 --> 00:32:49,559

just kind of uh played it by ear so I

813

00:32:54,830 --> 00:32:51,419

just went up and got in bed and turned

814

00:32:56,269 --> 00:32:54,840

on the television and um and uh and then

815

00:32:57,710 --> 00:32:56,279

I thought well you know what you can't

816

00:32:59,149 --> 00:32:57,720

sit here for a couple of months watching

817

00:33:02,090 --> 00:32:59,159

television without a couple of barrels

818

00:33:06,610 --> 00:33:02,100

of ice cream to go along with it so so

819

00:33:08,930 --> 00:33:06,620

uh I put on I put on 15 pounds and um

820

00:33:11,029 --> 00:33:08,940

uh that maybe that was the cause of my

821

00:33:12,830 --> 00:33:11,039

trauma I don't know but uh my pants are

822

00:33:16,669 --> 00:33:12,840

tight I'm trying to take it off after I

823

00:33:18,110 --> 00:33:16,679

retire from the times in uh in 93 uh you

824

00:33:19,610 --> 00:33:18,120

know you sit behind a desk for 30 years

825

00:33:20,630 --> 00:33:19,620

you're allowed to pick up you know a

826

00:33:21,830 --> 00:33:20,640

couple of pounds a year and next thing

827

00:33:24,470 --> 00:33:21,840

you know you're 60 pounds overweight

828

00:33:27,110 --> 00:33:24,480

well I was 50. I was I guess 60 pounds

829

00:33:31,009 --> 00:33:27,120

overweight and I I peel off 55 pounds I

830

00:33:33,409 --> 00:33:31,019

went down from 215 to 160. and uh and

831

00:33:35,450 --> 00:33:33,419

was feeding pretty good and I took in my

832

00:33:36,830 --> 00:33:35,460

went in from a 42 inch waist to a 32

833

00:33:38,509 --> 00:33:36,840

inch waist and then the ice cream

834

00:33:40,549 --> 00:33:38,519

started to make my pants tight so I got

835

00:33:42,110 --> 00:33:40,559

to get rid of of that but anyway I I

836

00:33:43,970 --> 00:33:42,120

digress again I'm out on a limb

837

00:33:45,590 --> 00:33:43,980

somewhere and uh

838

00:33:46,430 --> 00:33:45,600

and gotta find my way back to the trunk

839

00:33:49,669 --> 00:33:46,440

here

840

00:33:53,750 --> 00:33:52,549

oh yeah okay okay I would yeah but

841

00:33:55,370 --> 00:33:53,760

before I went into the seclusion I had

842

00:33:57,049 --> 00:33:55,380

to come back so before let me bring

843

00:34:00,230 --> 00:33:57,059

myself back

844

00:34:02,269 --> 00:34:00,240

um so um so I agreed to

845

00:34:05,810 --> 00:34:02,279

um I agreed to to to write this white

846

00:34:07,730 --> 00:34:05,820

paper and I came back and I went into

847

00:34:09,649 --> 00:34:07,740

um I went into my den and I closed the

848

00:34:10,790 --> 00:34:09,659

door and I sat in there for about four

849

00:34:13,609 --> 00:34:10,800

weeks or so

850

00:34:15,129 --> 00:34:13,619

um you know 12 14 hours a day it's seen

851  
00:34:19,609 --> 00:34:15,139  
you know seemed like that much anyway

852  
00:34:22,379 --> 00:34:19,619  
and uh and and and wrote the book and

853  
00:34:26,690 --> 00:34:22,389  
and there it is

854  
00:34:26,700 --> 00:34:30,609  
um

855  
00:34:30,619 --> 00:34:35,570  
I'm sorry

856  
00:34:35,580 --> 00:34:41,930  
are we talking about the sex

857  
00:34:46,070 --> 00:34:42,970  
yes yes yes

858  
00:34:49,389 --> 00:34:46,080  
[Laughter]

859  
00:34:55,070 --> 00:34:53,270  
that um that's that's really very

860  
00:34:56,570 --> 00:34:55,080  
uncomfortable for me because as I say I

861  
00:34:59,750 --> 00:34:56,580  
was not going to include it it's really

862  
00:35:01,849 --> 00:34:59,760  
uncomfortable for me to talk about uh I

863  
00:35:03,280 --> 00:35:01,859

will if you're really really forced me

864

00:35:18,190 --> 00:35:03,290

to but

865

00:35:23,329 --> 00:35:21,290

man the man

866

00:35:27,050 --> 00:35:23,339

the man here says let's talk about what

867

00:35:28,970 --> 00:35:27,060

they look like okay I realize that a lot

868

00:35:30,349 --> 00:35:28,980

of the material in my book does not

869

00:35:34,030 --> 00:35:30,359

conform

870

00:35:36,670 --> 00:35:34,040

to many of the commonly held beliefs

871

00:35:39,829 --> 00:35:36,680

uh by people in this community

872

00:35:41,870 --> 00:35:39,839

uh what they believe and again I'm an

873

00:35:44,030 --> 00:35:41,880

outsider I knew I

874

00:35:45,770 --> 00:35:44,040

I can't argue

875

00:35:47,930 --> 00:35:45,780

and I'm not going to argue I'm not

876

00:35:49,550 --> 00:35:47,940

trying to persuade or convince anybody

877

00:35:53,270 --> 00:35:49,560

of anything all I'm doing is describing

878

00:35:58,270 --> 00:35:53,280

my experience if my experience does not

879

00:36:01,190 --> 00:35:58,280

does not meet or fall into the the

880

00:36:04,490 --> 00:36:01,200

little pigeon holes that that you wanted

881

00:36:07,730 --> 00:36:04,500

to I'm sorry for that but um all I can

882

00:36:10,550 --> 00:36:07,740

do is describe uh describe what happened

883

00:36:14,210 --> 00:36:10,560

to me they were about five foot two to

884

00:36:17,690 --> 00:36:14,220

five foot four uh

885

00:36:19,730 --> 00:36:17,700

um grayish white to a muted tan I

886

00:36:22,130 --> 00:36:19,740

thought I saw kind of a greenish tinge

887

00:36:24,170 --> 00:36:22,140

but again it was so slight that I'm not

888

00:36:25,910 --> 00:36:24,180

sure if it was the lighting if I put

889

00:36:27,710 --> 00:36:25,920

them in full sun like you know you know

890

00:36:30,230 --> 00:36:27,720

to get really look at their their skin

891

00:36:31,550 --> 00:36:30,240

coloring I'm not sure what what they

892

00:36:34,310 --> 00:36:31,560

would I don't think know if I'd see that

893

00:36:36,890 --> 00:36:34,320

Greenies tinge or not they had very thin

894

00:36:39,589 --> 00:36:36,900

lips a nose that was almost non-existent

895

00:36:41,510 --> 00:36:39,599

a couple of little nostrils and here's

896

00:36:43,310 --> 00:36:41,520

where here's where they they uh they

897

00:36:45,410 --> 00:36:43,320

deviate from the grays

898

00:36:46,730 --> 00:36:45,420

and I never knew what a gray was I've

899

00:36:48,170 --> 00:36:46,740

seen the pictures of them but I never

900

00:36:49,670 --> 00:36:48,180

knew what they were called I mean I've

901  
00:36:51,710 --> 00:36:49,680  
seen them you know with the with the big

902  
00:36:54,650 --> 00:36:51,720  
eyes the big bug eyes the big dark eyes

903  
00:36:56,510 --> 00:36:54,660  
mine were not like that and um and and

904  
00:36:57,770 --> 00:36:56,520  
people have people have really gotten

905  
00:37:00,349 --> 00:36:57,780  
hostile with me because of this because

906  
00:37:02,450 --> 00:37:00,359  
they want by God they want uh they want

907  
00:37:04,010 --> 00:37:02,460  
the their this you know this this

908  
00:37:05,569 --> 00:37:04,020  
material to conform to what they already

909  
00:37:07,190 --> 00:37:05,579  
believe they don't want their beliefs

910  
00:37:13,609 --> 00:37:07,200  
challenge they're gonna have to do some

911  
00:37:15,589 --> 00:37:13,619  
rethinking you know uh but uh the my my

912  
00:37:19,370 --> 00:37:15,599  
people I call them people you know why

913  
00:37:21,650 --> 00:37:19,380

not they had slanted eyes and they were

914

00:37:24,650 --> 00:37:21,660

more or less slits although I could see

915

00:37:27,829 --> 00:37:24,660

I could see the eyes uh I could I

916

00:37:29,030 --> 00:37:27,839

couldn't make out color they were dark

917

00:37:31,550 --> 00:37:29,040

um and

918

00:37:34,069 --> 00:37:31,560

um again this is this deviates from from

919

00:37:36,109 --> 00:37:34,079

what people expect they they because of

920

00:37:37,430 --> 00:37:36,119

because of the periodum predominance of

921

00:37:38,870 --> 00:37:37,440

the Grays that they're there that

922

00:37:40,790 --> 00:37:38,880

they're talking about I never knew what

923

00:37:43,730 --> 00:37:40,800

a gray was but I have had people come up

924

00:37:45,890 --> 00:37:43,740

to me afterwards and thank me because

925

00:37:47,810 --> 00:37:45,900

and these these people were really in

926

00:37:49,190 --> 00:37:47,820

trauma they they they couldn't talk to

927

00:37:50,630 --> 00:37:49,200

anybody else they're young people they

928

00:37:52,310 --> 00:37:50,640

have to go to work they can't they can't

929

00:37:54,710 --> 00:37:52,320

tell people to work they they can't

930

00:37:57,349 --> 00:37:54,720

jeopardize their jobs and and face the

931

00:37:59,750 --> 00:37:57,359

the derision and the ridicule uh they

932

00:38:01,430 --> 00:37:59,760

can't tell their families uh if they do

933

00:38:03,230 --> 00:38:01,440

they they do face that if they don't

934

00:38:05,329 --> 00:38:03,240

they keep it bottled up and thank you

935

00:38:09,170 --> 00:38:05,339

very much because you know you described

936

00:38:11,450 --> 00:38:09,180

an experience that that I had also and I

937

00:38:13,609 --> 00:38:11,460

could not I could not get the you know I

938

00:38:16,790 --> 00:38:13,619

could not get anybody to believe what

939

00:38:19,310 --> 00:38:16,800

but uh you know the uh that that I had

940

00:38:20,450 --> 00:38:19,320

that I saw those same people

941

00:38:21,190 --> 00:38:20,460

so

942

00:38:28,130 --> 00:38:21,200

um

943

00:38:31,069 --> 00:38:28,140

in my book

944

00:38:32,450 --> 00:38:31,079

um is is uh is it disagrees with a lot

945

00:38:34,310 --> 00:38:32,460

of the information that's out there but

946

00:38:37,130 --> 00:38:34,320

then I've also found out

947

00:38:41,329 --> 00:38:37,140

uh just from my email and for people

948

00:38:42,829 --> 00:38:41,339

calling me and uh and uh and um

949

00:38:44,990 --> 00:38:42,839

even

950

00:38:46,370 --> 00:38:45,000

showing up on my doorstep was this kind

951  
00:38:47,870 --> 00:38:46,380  
of eerie a guy comes from Baltimore

952  
00:38:49,310 --> 00:38:47,880  
Maryland that says I'm here to talk to

953  
00:38:53,230 --> 00:38:49,320  
you about your book

954  
00:38:55,790 --> 00:38:53,240  
Jesus uh

955  
00:38:57,890 --> 00:38:55,800  
how did you find out where I live I got

956  
00:39:00,470 --> 00:38:57,900  
an unlisted house number

957  
00:39:05,390 --> 00:39:00,480  
he says one of my investigators finds

958  
00:39:12,290 --> 00:39:06,349  
um

959  
00:39:13,730 --> 00:39:12,300  
uh put me back on track here

960  
00:39:16,250 --> 00:39:13,740  
okay

961  
00:39:17,690 --> 00:39:16,260  
um they were yeah they they had they had

962  
00:39:19,310 --> 00:39:17,700  
the slanted eyes and then and people

963  
00:39:20,270 --> 00:39:19,320

people thanked me for describing them

964

00:39:21,770 --> 00:39:20,280

because they said that was their

965

00:39:22,790 --> 00:39:21,780

experience also

966

00:39:24,770 --> 00:39:22,800

so

967

00:39:27,770 --> 00:39:24,780

um

968

00:39:30,310 --> 00:39:27,780

yes they they had they had uh they had

969

00:39:33,710 --> 00:39:30,320

outward ears um

970

00:39:35,810 --> 00:39:33,720

slightly slightly little different than

971

00:39:37,609 --> 00:39:35,820

ours but proportional to their size of

972

00:39:40,790 --> 00:39:37,619

their body

973

00:39:42,050 --> 00:39:40,800

um nothing uh nothing really unusual I

974

00:39:43,430 --> 00:39:42,060

thought they're a little bit a little

975

00:39:45,470 --> 00:39:43,440

bit come to a little bit of a point

976  
00:39:46,849 --> 00:39:45,480  
maybe not quite as round as ours but uh

977  
00:39:49,010 --> 00:39:46,859  
yeah

978  
00:39:50,990 --> 00:39:49,020  
um they were quite they were quite

979  
00:39:53,450 --> 00:39:51,000  
proportional to the size of their bodies

980  
00:39:55,970 --> 00:39:53,460  
and um

981  
00:39:58,430 --> 00:39:55,980  
I I finally determined that the shorter

982  
00:40:01,130 --> 00:39:58,440  
ones if I put two ones were the uh were

983  
00:40:02,329 --> 00:40:01,140  
the females and the larger ones although

984  
00:40:05,930 --> 00:40:02,339  
they were built very slightly they're

985  
00:40:08,270 --> 00:40:05,940  
very slightly built and um uh the larger

986  
00:40:10,430 --> 00:40:08,280  
ones the five foot two to four were the

987  
00:40:14,270 --> 00:40:10,440  
were the males and uh the reason for

988  
00:40:17,510 --> 00:40:14,280

that is that um uh I could um well first

989

00:40:19,790 --> 00:40:17,520

of all I forgot to mention they wore

990

00:40:22,010 --> 00:40:19,800

name tags name tags in English that I

991

00:40:24,230 --> 00:40:22,020

could read uh because they had names

992

00:40:25,609 --> 00:40:24,240

that I could not pronounce and I took I

993

00:40:28,430 --> 00:40:25,619

took a stab at it a couple of times

994

00:40:30,589 --> 00:40:28,440

phonetically to try to spell their names

995

00:40:32,450 --> 00:40:30,599

phonetically but I suspect that some of

996

00:40:34,910 --> 00:40:32,460

the sounds that they have in their

997

00:40:38,750 --> 00:40:34,920

language uh cannot be duplicated by

998

00:40:42,530 --> 00:40:38,760

human vocal cords so uh pardon me

999

00:40:47,450 --> 00:40:42,540

okay they told me that they come from a

1000

00:40:50,569 --> 00:40:47,460

a Galaxy or a planet that is 10 million

1001  
00:40:52,069 --> 00:40:50,579  
I think 10 million 12 million I've had

1002  
00:40:54,589 --> 00:40:52,079  
to check the book I forget my little

1003  
00:40:56,390 --> 00:40:54,599  
details 10 12 million light years away

1004  
00:40:57,950 --> 00:40:56,400  
well that certainly would put them

1005  
00:40:59,810 --> 00:40:57,960  
outside of the Milky Way galaxy because

1006  
00:41:02,150 --> 00:40:59,820  
the Milky Way galaxy is what 100 000

1007  
00:41:04,550 --> 00:41:02,160  
light years across so

1008  
00:41:06,230 --> 00:41:04,560  
um and they said they can travel oh they

1009  
00:41:08,930 --> 00:41:06,240  
said the name of their the name of their

1010  
00:41:10,210 --> 00:41:08,940  
Planet would translate into English as

1011  
00:41:15,890 --> 00:41:10,220  
verdant

1012  
00:41:18,290 --> 00:41:15,900  
um if I know my dictionary means Lush

1013  
00:41:20,210 --> 00:41:18,300

and green to me it meant a garden a

1014

00:41:21,770 --> 00:41:20,220

garden planet and that's basically the

1015

00:41:24,109 --> 00:41:21,780

garden planet is basically what they

1016

00:41:26,150 --> 00:41:24,119

were telling me and uh so I I referred

1017

00:41:28,490 --> 00:41:26,160

to them as the verdance

1018

00:41:30,410 --> 00:41:28,500

um but I never heard them I I don't

1019

00:41:33,109 --> 00:41:30,420

recall really hearing them refer to them

1020

00:41:34,609 --> 00:41:33,119

as as verdants or verdantes or whatever

1021

00:41:37,310 --> 00:41:34,619

you know I guess you could call them for

1022

00:41:38,870 --> 00:41:37,320

dance or verdantes or verdance I just

1023

00:41:40,550 --> 00:41:38,880

call them burdens

1024

00:41:42,650 --> 00:41:40,560

um but to me it just means a garden

1025

00:41:46,190 --> 00:41:42,660

planet

1026

00:41:50,089 --> 00:41:46,200

they said they they said they I I said

1027

00:41:50,829 --> 00:41:50,099

10 12 million light years away uh you

1028

00:41:53,510 --> 00:41:50,839

know

1029

00:41:55,490 --> 00:41:53,520

no no that's not that's not possible

1030

00:41:57,589 --> 00:41:55,500

because I mean I'm no scientist and I'm

1031

00:41:59,450 --> 00:41:57,599

you know not even I'm not a scientist I

1032

00:42:01,670 --> 00:41:59,460

don't even know I don't know the first

1033

00:42:03,950 --> 00:42:01,680

thing about science but I do know that

1034

00:42:05,630 --> 00:42:03,960

um that supposedly nothing can travel

1035

00:42:09,170 --> 00:42:05,640

faster than the speed of light because

1036

00:42:11,030 --> 00:42:09,180

as as mass begins approaching the speed

1037

00:42:13,730 --> 00:42:11,040

of light it actually it transforms into

1038

00:42:15,829 --> 00:42:13,740

energy and so nothing can travel faster

1039

00:42:17,630 --> 00:42:15,839

than the speed of light so naturally uh

1040

00:42:19,730 --> 00:42:17,640

they they but they said they can travel

1041

00:42:22,069 --> 00:42:19,740

faster than the speed of light and I

1042

00:42:26,030 --> 00:42:22,079

says yeah well how fast and they says uh

1043

00:42:30,770 --> 00:42:26,040

a million times faster and uh and uh I I

1044

00:42:32,450 --> 00:42:30,780

boggled at this well what they said was

1045

00:42:34,970 --> 00:42:32,460

they don't travel in the conventional

1046

00:42:36,050 --> 00:42:34,980

sense of traveling from point A to point

1047

00:42:37,790 --> 00:42:36,060

B

1048

00:42:39,530 --> 00:42:37,800

let's say that's uh let's say that's a

1049

00:42:41,270 --> 00:42:39,540

light year

1050

00:42:43,910 --> 00:42:41,280

light would travel light would take one

1051  
00:42:45,410 --> 00:42:43,920  
year to travel that distance

1052  
00:42:47,510 --> 00:42:45,420  
um they don't travel in the conventional

1053  
00:42:49,490 --> 00:42:47,520  
sense they said what they do is they

1054  
00:42:52,069 --> 00:42:49,500  
engage their mechanisms

1055  
00:42:54,770 --> 00:42:52,079  
and they disappear from point A and

1056  
00:42:57,410 --> 00:42:54,780  
instantaneously appear at point B now I

1057  
00:42:59,450 --> 00:42:57,420  
don't know if they kind of uh warped

1058  
00:43:01,069 --> 00:42:59,460  
time and space and everything else to do

1059  
00:43:02,990 --> 00:43:01,079  
this I have no idea how this works but

1060  
00:43:04,069 --> 00:43:03,000  
this is their propulsion system if it

1061  
00:43:07,490 --> 00:43:04,079  
can be called a propulsion system

1062  
00:43:09,069 --> 00:43:07,500  
because they really don't travel across

1063  
00:43:11,750 --> 00:43:09,079

across that distance

1064

00:43:13,550 --> 00:43:11,760

they they simply disappear from point A

1065

00:43:16,910 --> 00:43:13,560

to point B then they disappear from

1066

00:43:19,550 --> 00:43:16,920

point B to point C okay if they put this

1067

00:43:21,890 --> 00:43:19,560

on cruise control

1068

00:43:23,630 --> 00:43:21,900

um this I call this the Flicker Drive I

1069

00:43:24,770 --> 00:43:23,640

I don't know what they called it but I'm

1070

00:43:26,690 --> 00:43:24,780

sure they didn't call it Flicker Drive

1071

00:43:29,750 --> 00:43:26,700

but that's the to me it's it's a flicker

1072

00:43:31,910 --> 00:43:29,760

it flickers uh real fast so they can

1073

00:43:34,150 --> 00:43:31,920

make they they have limits to how far

1074

00:43:38,150 --> 00:43:34,160

they can they can jump in in one jump

1075

00:43:40,430 --> 00:43:38,160

and approximately five six million miles

1076  
00:43:42,530 --> 00:43:40,440  
I think so they can disappear from here

1077  
00:43:44,690 --> 00:43:42,540  
and be five million miles down the road

1078  
00:43:46,730 --> 00:43:44,700  
and then immediately instantaneously

1079  
00:43:47,930 --> 00:43:46,740  
they disappear from there and again if

1080  
00:43:49,430 --> 00:43:47,940  
they if it's on the maximum jump

1081  
00:43:51,530 --> 00:43:49,440  
there'll be another five or six million

1082  
00:43:53,390 --> 00:43:51,540  
miles down the road okay

1083  
00:43:56,030 --> 00:43:53,400  
at a thousand times faster than the

1084  
00:44:03,829 --> 00:43:59,750  
that means that see light travels at

1085  
00:44:04,870 --> 00:44:03,839  
about uh at 186 282 miles per second or

1086  
00:44:07,250 --> 00:44:04,880  
about

1087  
00:44:10,910 --> 00:44:07,260  
5.87 trillion miles a year let's round

1088  
00:44:13,550 --> 00:44:10,920

it off to 6 trillion miles a year so

1089

00:44:17,030 --> 00:44:13,560

um if they wanted to travel if they

1090

00:44:17,040 --> 00:44:20,990

a million light years down the road

1091

00:44:24,349 --> 00:44:22,970

they turn on their Flicker Drive and

1092

00:44:25,550 --> 00:44:24,359

then traveling at a million times faster

1093

00:44:26,930 --> 00:44:25,560

than the speed of light if it's a

1094

00:44:28,670 --> 00:44:26,940

million light years they're going to be

1095

00:44:32,270 --> 00:44:28,680

there in one year

1096

00:44:33,230 --> 00:44:32,280

okay uh they're flickering at the rate

1097

00:44:38,089 --> 00:44:33,240

of

1098

00:44:40,250 --> 00:44:38,099

32 000 31 to 32 000 times per second

1099

00:44:43,910 --> 00:44:40,260

and that would that would be about one

1100

00:44:45,290 --> 00:44:43,920

trillion flicks per year in one year

1101  
00:44:47,089 --> 00:44:45,300  
they would find themselves a million

1102  
00:44:49,130 --> 00:44:47,099  
years down the road

1103  
00:44:51,770 --> 00:44:49,140  
so that light now traveling

1104  
00:44:53,270 --> 00:44:51,780  
conventionally across space would take a

1105  
00:44:54,890 --> 00:44:53,280  
million years to get there they've

1106  
00:44:56,569 --> 00:44:54,900  
gotten there in a year by simply

1107  
00:44:58,790 --> 00:44:56,579  
disappearing from here and reappearing

1108  
00:45:00,770 --> 00:44:58,800  
their blah blah blah 32 000 times

1109  
00:45:02,930 --> 00:45:00,780  
per second for a full year for a

1110  
00:45:04,190 --> 00:45:02,940  
trillion jumps

1111  
00:45:06,829 --> 00:45:04,200  
um and that's the way they get around

1112  
00:45:10,750 --> 00:45:06,839  
and that's in their conventional mode

1113  
00:45:14,569 --> 00:45:10,760

they said to travel longer distances

1114

00:45:15,770 --> 00:45:14,579

they they do some other things that uh

1115

00:45:21,650 --> 00:45:15,780

uh

1116

00:45:24,349 --> 00:45:21,660

they're talking about wormholes and

1117

00:45:26,150 --> 00:45:24,359

black holes and things of that nature

1118

00:45:29,569 --> 00:45:26,160

that I I really don't understand so

1119

00:45:32,510 --> 00:45:29,579

anyway that's the way they get around

1120

00:45:34,430 --> 00:45:32,520

the universe and so

1121

00:45:36,050 --> 00:45:34,440

um

1122

00:45:37,550 --> 00:45:36,060

I don't know if they're 10 million light

1123

00:45:39,650 --> 00:45:37,560

years away or 14 million light years

1124

00:45:40,849 --> 00:45:39,660

away but whatever it is I think it's 14

1125

00:45:42,770 --> 00:45:40,859

because I remember it would take them

1126

00:45:44,329 --> 00:45:42,780

about at at the thousand times faster

1127

00:45:45,950 --> 00:45:44,339

than the speed of light if they came in

1128

00:45:50,329 --> 00:45:45,960

conventional mode it would take them 14

1129

00:45:56,410 --> 00:45:51,650

anything else

1130

00:45:59,990 --> 00:45:58,670

well I think somebody said did they give

1131

00:46:05,030 --> 00:46:00,000

me a constellation from which they're

1132

00:46:07,130 --> 00:46:05,040

from uh no uh they did not but I suspect

1133

00:46:09,230 --> 00:46:07,140

and they did give me you know they did

1134

00:46:11,270 --> 00:46:09,240

give me some some specific locations on

1135

00:46:13,490 --> 00:46:11,280

some other things but for some reason I

1136

00:46:19,150 --> 00:46:13,500

did not get a specific location on their

1137

00:46:22,609 --> 00:46:19,160

on their Galaxy but I suspect that

1138

00:46:26,150 --> 00:46:22,619

uh I think

1139

00:46:27,349 --> 00:46:26,160

the Milky Way galaxy is in a the way I

1140

00:46:28,670 --> 00:46:27,359

understand it is in a cluster of

1141

00:46:30,770 --> 00:46:28,680

galaxies and I forget what it's called

1142

00:46:32,809 --> 00:46:30,780

but I would imagine that it's so large

1143

00:46:34,849 --> 00:46:32,819

that I would imagine that 10 to 14

1144

00:46:38,450 --> 00:46:34,859

million light years would still put them

1145

00:46:40,550 --> 00:46:38,460

within the the cluster the the galactic

1146

00:46:41,990 --> 00:46:40,560

cluster that the Milky Way is in so but

1147

00:46:45,190 --> 00:46:42,000

I don't know they're they're I don't

1148

00:46:48,050 --> 00:46:45,200

know their exact location though

1149

00:46:49,910 --> 00:46:48,060

do they represent a larger group like

1150

00:46:54,829 --> 00:46:49,920

are they the representatives of the

1151  
00:46:58,490 --> 00:46:54,839  
group of people okay they they uh they

1152  
00:47:02,690 --> 00:46:58,500  
are the they are the predominant species

1153  
00:47:05,290 --> 00:47:02,700  
in the universe but they they themselves

1154  
00:47:08,210 --> 00:47:05,300  
were the first to begin exploring

1155  
00:47:11,150 --> 00:47:08,220  
millions of years ago and coming across

1156  
00:47:14,630 --> 00:47:11,160  
planets and then eventually as several

1157  
00:47:16,490 --> 00:47:14,640  
dozen I guess of these groups got

1158  
00:47:19,490 --> 00:47:16,500  
together

1159  
00:47:21,230 --> 00:47:19,500  
um they formed the in what they call the

1160  
00:47:23,870 --> 00:47:21,240  
intergalactic Federation of sovereign

1161  
00:47:26,109 --> 00:47:23,880  
planets now

1162  
00:47:28,730 --> 00:47:26,119  
um the

1163  
00:47:30,050 --> 00:47:28,740

uh while they are the predominant

1164

00:47:32,770 --> 00:47:30,060

species

1165

00:47:34,510 --> 00:47:32,780

with I think about 500 trillion

1166

00:47:37,910 --> 00:47:34,520

population

1167

00:47:40,430 --> 00:47:37,920

on not only their home planet but but

1168

00:47:44,150 --> 00:47:40,440

several hundred thousand colonized

1169

00:47:47,809 --> 00:47:44,160

planets uh there's also there's also 27

1170

00:47:51,829 --> 00:47:47,819

000 other species in this Federation not

1171

00:47:53,870 --> 00:47:51,839

all of these species have developed the

1172

00:47:57,530 --> 00:47:53,880

Flicker Drive and cannot get around the

1173

00:48:00,130 --> 00:47:57,540

universe as fast as they can and they

1174

00:48:02,750 --> 00:48:00,140

really stress they really stress

1175

00:48:06,349 --> 00:48:02,760

Sovereign they do not interfere in the

1176

00:48:08,870 --> 00:48:06,359

domestic affairs of of other planets or

1177

00:48:11,589 --> 00:48:08,880

of other species

1178

00:48:14,750 --> 00:48:11,599

um they um and

1179

00:48:17,510 --> 00:48:14,760

when we make contact I'm sure we will

1180

00:48:20,270 --> 00:48:17,520

get a helping hand but they emphasize

1181

00:48:21,530 --> 00:48:20,280

that our destiny Mankind's Destiny is in

1182

00:48:23,450 --> 00:48:21,540

Mankind's hands they're not just going

1183

00:48:24,410 --> 00:48:23,460

to hand over their technology to us and

1184

00:48:25,550 --> 00:48:24,420

all of a sudden we're going to be

1185

00:48:27,470 --> 00:48:25,560

flitting all around the universe it

1186

00:48:29,569 --> 00:48:27,480

doesn't work that way they're out of the

1187

00:48:31,490 --> 00:48:29,579

27 000 species

1188

00:48:33,589 --> 00:48:31,500

there are and I don't know the specific

1189

00:48:35,930 --> 00:48:33,599

specific number there are a number of

1190

00:48:38,329 --> 00:48:35,940

species that have developed Flicker

1191

00:48:41,510 --> 00:48:38,339

Drive and that are on exploration trips

1192

00:48:43,849 --> 00:48:41,520

of their own they all work Loosely under

1193

00:48:45,589 --> 00:48:43,859

the the international or The

1194

00:48:48,470 --> 00:48:45,599

Intergalactic Federation of sovereign

1195

00:48:51,170 --> 00:48:48,480

planets but the way I understand it is

1196

00:48:55,849 --> 00:48:51,180

that these these monitoring ships are

1197

00:48:58,130 --> 00:48:55,859

basically a man's by only one species so

1198

00:49:00,230 --> 00:48:58,140

that the species that is monitoring the

1199

00:49:02,290 --> 00:49:00,240

Earth they are known as the verdants

1200

00:49:04,370 --> 00:49:02,300

that there may be another

1201

00:49:06,170 --> 00:49:04,380

somewhere out in the Galaxy there may be

1202

00:49:07,250 --> 00:49:06,180

another another species being monitored

1203

00:49:11,750 --> 00:49:07,260

by

1204

00:49:15,349 --> 00:49:11,760

operating Under The Intergalactic

1205

00:49:16,309 --> 00:49:15,359

Federation of sovereign planets uh so

1206

00:49:23,930 --> 00:49:16,319

um

1207

00:49:28,430 --> 00:49:27,109

have also been monitoring and have lived

1208

00:49:30,829 --> 00:49:28,440

here the Earth

1209

00:49:32,030 --> 00:49:30,839

I have no knowledge of that there's I

1210

00:49:33,770 --> 00:49:32,040

know there's a lot of information out

1211

00:49:35,089 --> 00:49:33,780

about that I know there's a there's they

1212

00:49:37,150 --> 00:49:35,099

talk about the Grays and people talk

1213

00:49:39,470 --> 00:49:37,160

about reptilians and

1214

00:49:41,329 --> 00:49:39,480

Pleiadians or something like that and

1215

00:49:43,550 --> 00:49:41,339

there's there's all kinds of uh but you

1216

00:49:45,589 --> 00:49:43,560

know what this whole field as I said is

1217

00:49:48,410 --> 00:49:45,599

Rife with disagreements I mean I turn on

1218

00:49:51,770 --> 00:49:48,420

my inner I turn on my uh I get uh I turn

1219

00:49:53,809 --> 00:49:51,780

on the um my email and I I check the

1220

00:49:55,309 --> 00:49:53,819

internet and I get my mail and I see

1221

00:49:57,050 --> 00:49:55,319

that there's there's also a lot of

1222

00:49:58,849 --> 00:49:57,060

feuding and fussing going on the people

1223

00:50:00,890 --> 00:49:58,859

calling each other names I mean there's

1224

00:50:02,410 --> 00:50:00,900

there's a lot of there's a lot of uh you

1225

00:50:05,329 --> 00:50:02,420

know animosity

1226

00:50:08,089 --> 00:50:05,339

in your group from from one segment to

1227

00:50:10,670 --> 00:50:08,099

the other you know I mean uh you know we

1228

00:50:12,410 --> 00:50:10,680

mainstream people have our we have our

1229

00:50:15,290 --> 00:50:12,420

little conflicts but you are you are not

1230

00:50:16,849 --> 00:50:15,300

without it either you know uh there's

1231

00:50:18,170 --> 00:50:16,859

there is no uniformity of thought or

1232

00:50:20,990 --> 00:50:18,180

Singularity of thought there are some

1233

00:50:22,910 --> 00:50:21,000

comedy held beliefs but uh but I can go

1234

00:50:24,890 --> 00:50:22,920

around this room right now and I can get

1235

00:50:26,510 --> 00:50:24,900

a Divergence of opinion that that you

1236

00:50:27,829 --> 00:50:26,520

people will never agree on just like the

1237

00:50:30,589 --> 00:50:27,839

people of different religions will never

1238

00:50:40,190 --> 00:50:30,599

agree upon you know there's a someone

1239

00:50:46,849 --> 00:50:43,870

concrete improved the Catholic

1240

00:50:48,320 --> 00:50:46,859

well an ashtray and a bath towel no just

1241

00:50:50,530 --> 00:50:48,330

kidding

1242

00:50:54,170 --> 00:50:50,540

[Music]

1243

00:50:57,170 --> 00:50:54,180

no none at all in a matter of fact

1244

00:50:59,690 --> 00:50:57,180

um when I appeared in my I appeared up

1245

00:51:01,069 --> 00:50:59,700

there in my jockey shirts and I can no I

1246

00:51:04,430 --> 00:51:01,079

guess I want to show you I'm I wear

1247

00:51:06,470 --> 00:51:04,440

jockey shorts and I was wearing a I was

1248

00:51:08,809 --> 00:51:06,480

wearing a t-shirt with I think a

1249

00:51:12,770 --> 00:51:08,819

Stanford logo a Stanford or a Cornell

1250

00:51:14,930 --> 00:51:12,780

logo I think it was a Stanford logo and

1251  
00:51:17,690 --> 00:51:14,940  
um while I was up there they supplied me

1252  
00:51:19,430 --> 00:51:17,700  
with boxer shorts when I came back I was

1253  
00:51:21,589 --> 00:51:19,440  
not wearing even their boxer shorts and

1254  
00:51:24,410 --> 00:51:21,599  
I had my own my own t-shirt on and my

1255  
00:51:28,069 --> 00:51:24,420  
own uh my own Jackie shirts on so no I

1256  
00:51:31,470 --> 00:51:30,470  
time that you have

1257  
00:51:33,650 --> 00:51:31,480  
you left her

1258  
00:51:35,390 --> 00:51:33,660  
[Music]

1259  
00:51:36,829 --> 00:51:35,400  
could you prove that time you laughed

1260  
00:51:38,510 --> 00:51:36,839  
between the time you were actually there

1261  
00:51:40,849 --> 00:51:38,520  
and when you came back I could prove it

1262  
00:51:42,650 --> 00:51:40,859  
to myself I can't I can't prove to

1263  
00:51:44,930 --> 00:51:42,660

anybody else I don't even remember quite

1264

00:51:46,730 --> 00:51:44,940

frankly uh going out and picking up the

1265

00:51:48,890 --> 00:51:46,740

newspapers for three days or picking up

1266

00:51:50,750 --> 00:51:48,900

the mail for three days uh I don't

1267

00:51:52,430 --> 00:51:50,760

remember know if I did it or if my wife

1268

00:51:55,430 --> 00:51:52,440

did it

1269

00:51:57,109 --> 00:51:55,440

um uh because I had more important

1270

00:51:58,250 --> 00:51:57,119

things in my mind at the time you know I

1271

00:52:01,370 --> 00:51:58,260

wasn't concerned too much concerned

1272

00:52:02,890 --> 00:52:01,380

about the mail or the uh or the uh the

1273

00:52:06,950 --> 00:52:02,900

newspapers

1274

00:52:09,349 --> 00:52:06,960

uh pardon me pardon me of all questions

1275

00:52:10,430 --> 00:52:09,359

uh Phil I'd like to As Long As we've

1276

00:52:12,950 --> 00:52:10,440

turned this into kind of a question

1277

00:52:15,049 --> 00:52:12,960

answer thing is we want to get this on

1278

00:52:17,030 --> 00:52:15,059

tape including your questions out there

1279

00:52:19,490 --> 00:52:17,040

so if you would like to ask Phil a

1280

00:52:21,049 --> 00:52:19,500

question come on over here where you can

1281

00:52:23,750 --> 00:52:21,059

ask it on the microphone it'll be

1282

00:52:26,450 --> 00:52:23,760

recorded on tape otherwise it'll make uh

1283

00:52:29,690 --> 00:52:26,460

the video quite boring

1284

00:52:31,370 --> 00:52:29,700

um boring but as far as far as the

1285

00:52:35,210 --> 00:52:31,380

people in the audience you won't be able

1286

00:52:38,329 --> 00:52:36,170

um

1287

00:52:40,790 --> 00:52:38,339

and as long as I'm first in line here

1288

00:52:43,730 --> 00:52:40,800

I'm going to take advantage of it

1289

00:52:47,930 --> 00:52:45,530

that you didn't really know where you

1290

00:52:49,910 --> 00:52:47,940

stood concerning your own current

1291

00:52:53,210 --> 00:52:49,920

beliefs in other words you were either

1292

00:52:57,250 --> 00:52:53,220

atheistic or whatever your religion was

1293

00:53:01,730 --> 00:52:57,260

you were now in the current state of uh

1294

00:53:03,890 --> 00:53:01,740

flux and and evolution we might take the

1295

00:53:08,030 --> 00:53:03,900

time here to invite you in as kind of a

1296

00:53:10,309 --> 00:53:08,040

mainstream ufologist and uh and uh

1297

00:53:14,470 --> 00:53:10,319

you're now an Insider in a sense that

1298

00:53:16,970 --> 00:53:14,480

you have have been invited in somehow

1299

00:53:20,270 --> 00:53:16,980

and there's a lot of us mainstreamers

1300

00:53:22,790 --> 00:53:20,280

out here uh

1301  
00:53:25,490 --> 00:53:22,800  
one of the questions I wanted to ask was

1302  
00:53:27,230 --> 00:53:25,500  
did their eyes which appeared to be

1303  
00:53:30,650 --> 00:53:27,240  
slanted did they appear to be kind of

1304  
00:53:32,270 --> 00:53:30,660  
Asian in shape or

1305  
00:53:34,309 --> 00:53:32,280  
you said they were slanted but yeah they

1306  
00:53:37,010 --> 00:53:34,319  
were they were they were slanted they

1307  
00:53:38,270 --> 00:53:37,020  
were slanted in other words nuts not you

1308  
00:53:40,730 --> 00:53:38,280  
know like this they were slightly

1309  
00:53:43,430 --> 00:53:40,740  
slanted and they were not

1310  
00:53:47,150 --> 00:53:43,440  
uh almond eyes like our like white eyes

1311  
00:53:48,470 --> 00:53:47,160  
they were they were slits so uh in a

1312  
00:53:50,569 --> 00:53:48,480  
sense I mean I don't mean a stereotype

1313  
00:53:53,410 --> 00:53:50,579

or anything but uh I guess it would be

1314

00:53:57,470 --> 00:53:53,420

somewhat considered somewhat Asian yeah

1315

00:53:59,210 --> 00:53:57,480

uh and uh the eyes were not as open as

1316

00:54:02,030 --> 00:53:59,220

our eyes I can't even see the color of

1317

00:54:03,950 --> 00:54:02,040

your eyes from here uh and I I noticed I

1318

00:54:08,450 --> 00:54:03,960

did I did see just just kind of dark

1319

00:54:10,490 --> 00:54:08,460

eyes some white in the eyes but uh

1320

00:54:12,410 --> 00:54:10,500

uh and I didn't want to get too far off

1321

00:54:14,270 --> 00:54:12,420

on that but you described in your book

1322

00:54:16,130 --> 00:54:14,280

which I read back in January that you

1323

00:54:18,710 --> 00:54:16,140

were taken on board a craft a much

1324

00:54:22,329 --> 00:54:18,720

larger craft which is on the Dark Side

1325

00:54:26,510 --> 00:54:22,339

of the Moon uh which uh in a sense

1326  
00:54:28,910 --> 00:54:26,520  
evades our electronic sensing devices

1327  
00:54:31,549 --> 00:54:28,920  
can you describe that craft for us and

1328  
00:54:35,390 --> 00:54:31,559  
what that might have been like on board

1329  
00:54:37,790 --> 00:54:35,400  
that craft well the um uh I was taken to

1330  
00:54:41,569 --> 00:54:37,800  
the observation bubble by my tour guide

1331  
00:54:44,270 --> 00:54:41,579  
Gina and uh when we stepped out into

1332  
00:54:46,430 --> 00:54:44,280  
this observation bubble my knees

1333  
00:54:49,069 --> 00:54:46,440  
actually buckled because

1334  
00:54:52,309 --> 00:54:49,079  
um uh it was it was a distant cousin to

1335  
00:54:53,690 --> 00:54:52,319  
a um to seeing a uh to going to the

1336  
00:54:56,870 --> 00:54:53,700  
Empire State Building and looking down

1337  
00:54:59,990 --> 00:54:56,880  
upon the city I was looking out into the

1338  
00:55:03,890 --> 00:55:00,000

vast Cosmos of uh of of this black

1339

00:55:06,770 --> 00:55:03,900

velvet with billions of stars uh

1340

00:55:09,589 --> 00:55:06,780

brilliantly shining uh some of them very

1341

00:55:11,990 --> 00:55:09,599

very sharply defined uh some of them

1342

00:55:13,970 --> 00:55:12,000

fuzzy which I suspected were in distant

1343

00:55:16,130 --> 00:55:13,980

galaxies con consisting of millions or

1344

00:55:19,849 --> 00:55:16,140

billions of stars themselves

1345

00:55:21,890 --> 00:55:19,859

um the the ship seemed to uh at first I

1346

00:55:23,270 --> 00:55:21,900

thought my God the ship spreads out for

1347

00:55:25,970 --> 00:55:23,280

a mile

1348

00:55:29,450 --> 00:55:25,980

um you know in in all directions it was

1349

00:55:30,170 --> 00:55:29,460

it was um it was disc shaped

1350

00:55:32,510 --> 00:55:30,180

um

1351  
00:55:35,569 --> 00:55:32,520  
thinner at the thinner at the edges I

1352  
00:55:38,089 --> 00:55:35,579  
think about uh 200 feet to about 16 16

1353  
00:55:41,210 --> 00:55:38,099  
decks came up uh to the to the center

1354  
00:55:44,089 --> 00:55:41,220  
where there were about 3 000 feet uh in

1355  
00:55:46,490 --> 00:55:44,099  
the center uh and uh 200 and some decks

1356  
00:55:49,549 --> 00:55:46,500  
there I think if I recall the details of

1357  
00:55:52,970 --> 00:55:49,559  
that uh there were there were structures

1358  
00:55:55,670 --> 00:55:52,980  
on the on the it was this shape but

1359  
00:55:57,710 --> 00:55:55,680  
there were structures I saw I saw

1360  
00:55:59,750 --> 00:55:57,720  
um shuttle shuttle craft moving in and

1361  
00:56:01,010 --> 00:55:59,760  
out of shuttle doors and things like

1362  
00:56:02,809 --> 00:56:01,020  
that and there were other structures

1363  
00:56:06,170 --> 00:56:02,819

that I have no idea what they were so it

1364

00:56:08,690 --> 00:56:06,180

was not smooth uh there were there were

1365

00:56:10,430 --> 00:56:08,700

blocks and there were domes and there

1366

00:56:13,130 --> 00:56:10,440

was you know things like that built on

1367

00:56:14,870 --> 00:56:13,140

the surface of the ship and it and as it

1368

00:56:17,329 --> 00:56:14,880

turned out I was told that the ship was

1369

00:56:18,650 --> 00:56:17,339

actually uh three quarters of a mile in

1370

00:56:20,150 --> 00:56:18,660

radius I was looking at three quarters

1371

00:56:23,030 --> 00:56:20,160

of models of a mile which would make it

1372

00:56:26,750 --> 00:56:23,040

a mile and a half in diameter

1373

00:56:30,650 --> 00:56:28,250

next

1374

00:56:32,750 --> 00:56:30,660

uh to get back to their appearance for a

1375

00:56:35,990 --> 00:56:32,760

moment um you said they were uh had name

1376

00:56:37,549 --> 00:56:36,000

tags yes I wonder if you could um

1377

00:56:39,589 --> 00:56:37,559

explain a little bit about what their

1378

00:56:42,410 --> 00:56:39,599

clothing was like and you got to

1379

00:56:45,349 --> 00:56:42,420

actually wear some of their clothing and

1380

00:56:47,870 --> 00:56:45,359

it was the material seem to be cotton or

1381

00:56:49,130 --> 00:56:47,880

wool or something well I'm not I'm not a

1382

00:56:51,650 --> 00:56:49,140

fashion plate I don't even know what I'm

1383

00:56:53,630 --> 00:56:51,660

wearing here you know but uh uh whether

1384

00:56:55,970 --> 00:56:53,640

it's rayon or cotton or whatever my wife

1385

00:56:57,290 --> 00:56:55,980

could tell you but it was a it was a

1386

00:56:58,309 --> 00:56:57,300

kind of a robe like garment it was

1387

00:57:00,410 --> 00:56:58,319

something that I would expect to see

1388

00:57:02,690 --> 00:57:00,420

Charles Lawton in playing a Roman

1389

00:57:05,510 --> 00:57:02,700

senator in an old movie

1390

00:57:07,430 --> 00:57:05,520

um it was a it was uh I I I I don't know

1391

00:57:09,290 --> 00:57:07,440

I'm not a fashion plate as I say to me

1392

00:57:11,750 --> 00:57:09,300

it was a to me it was a real Brethren

1393

00:57:14,210 --> 00:57:11,760

the Gown or a tunic or something like

1394

00:57:16,430 --> 00:57:14,220

that it had kind of a it had kind of a

1395

00:57:20,690 --> 00:57:16,440

flap that you just kind of you know like

1396

00:57:22,670 --> 00:57:20,700

that and fastened it came to came to oh

1397

00:57:25,250 --> 00:57:22,680

down a little bit below the elbows a

1398

00:57:26,930 --> 00:57:25,260

little bit below the knees pastel colors

1399

00:57:28,670 --> 00:57:26,940

very everything everything on the ship

1400

00:57:33,290 --> 00:57:28,680

but a lot of a lot of the colors in the

1401

00:57:37,970 --> 00:57:34,849

hi

1402

00:57:39,410 --> 00:57:37,980

um I wanted to ask you if I haven't read

1403

00:57:40,970 --> 00:57:39,420

your book yet and I do want to read it

1404

00:57:43,670 --> 00:57:40,980

but a lot of what you're saying sounds

1405

00:57:46,609 --> 00:57:43,680

very familiar to me not specifically me

1406

00:57:48,710 --> 00:57:46,619

but other things I've read and and

1407

00:57:50,210 --> 00:57:48,720

you know I'm not surprised at what

1408

00:57:52,609 --> 00:57:50,220

you're saying at all

1409

00:57:54,770 --> 00:57:52,619

um and including how they look just if

1410

00:57:58,670 --> 00:57:54,780

that's comforting to you in any way but

1411

00:58:01,370 --> 00:57:58,680

I wanted to ask about your experience

1412

00:58:04,010 --> 00:58:01,380

um did you did you fluctuate emotionally

1413

00:58:06,230 --> 00:58:04,020

did you have any kind of first reaction

1414

00:58:09,470 --> 00:58:06,240

that was changed were you aware of any

1415

00:58:11,870 --> 00:58:09,480

deception or messing with your emotional

1416

00:58:15,470 --> 00:58:11,880

reactions to things do these beings feel

1417

00:58:17,089 --> 00:58:15,480

loving or neutral or how are your

1418

00:58:19,010 --> 00:58:17,099

emotions affected

1419

00:58:21,410 --> 00:58:19,020

um I was very calm during the whole

1420

00:58:22,970 --> 00:58:21,420

thing and I was I learned later that the

1421

00:58:24,950 --> 00:58:22,980

the beam of light itself had a calming

1422

00:58:26,390 --> 00:58:24,960

effect upon me because I felt when I

1423

00:58:29,089 --> 00:58:26,400

first went up there that the normal

1424

00:58:30,890 --> 00:58:29,099

human reaction for an outsider from a

1425

00:58:33,170 --> 00:58:30,900

person like myself an Armenian reaction

1426

00:58:35,569 --> 00:58:33,180

would be to to scream out an abject

1427

00:58:38,750 --> 00:58:35,579

Terror and to maybe even go over the

1428

00:58:41,990 --> 00:58:38,760

abyss of insanity now if there are any

1429

00:58:43,250 --> 00:58:42,000

very very hardcore Believers here uh

1430

00:58:44,690 --> 00:58:43,260

your reaction may have been quite

1431

00:58:47,690 --> 00:58:44,700

different because

1432

00:58:49,609 --> 00:58:47,700

um uh you may have you know you may have

1433

00:58:51,410 --> 00:58:49,619

just clasped your hands and said oh

1434

00:58:53,210 --> 00:58:51,420

thank God it's my turn I'm finally

1435

00:58:55,849 --> 00:58:53,220

getting a chance to you know to get here

1436

00:58:57,770 --> 00:58:55,859

you know uh this is this is wonderful to

1437

00:58:58,849 --> 00:58:57,780

me to me it should have been it should

1438

00:59:02,329 --> 00:58:58,859

have been frightening I should have had

1439

00:59:05,270 --> 00:59:02,339

a heart attack uh but I was very calm I

1440

00:59:07,549 --> 00:59:05,280

wasn't drugged I wasn't High I simply

1441

00:59:08,750 --> 00:59:07,559

had a lack of anxiety sort of like when

1442

00:59:11,690 --> 00:59:08,760

they're Wheeling you into the operating

1443

00:59:15,650 --> 00:59:11,700

room of the Pumped you full of uh uh uh

1444

00:59:17,870 --> 00:59:15,660

what are they puppies yeah yeah where

1445

00:59:19,490 --> 00:59:17,880

you just you know you're not hiring a

1446

00:59:21,410 --> 00:59:19,500

thing you just don't have any anxiety

1447

00:59:24,049 --> 00:59:21,420

and that's the way I felt and I felt

1448

00:59:27,109 --> 00:59:24,059

that uh I had been altered somewhat

1449

00:59:28,250 --> 00:59:27,119

um emotionally I was quite stable

1450

00:59:30,170 --> 00:59:28,260

throughout the whole thing there were

1451

00:59:32,690 --> 00:59:30,180

periods of emotion

1452

00:59:36,589 --> 00:59:32,700

uh it was difficult to discern emotion

1453

00:59:38,630 --> 00:59:36,599

uh in them because it took quite a bit

1454

00:59:41,150 --> 00:59:38,640

of exposure to them and I finally did

1455

00:59:43,430 --> 00:59:41,160

learn to see the very very subtle

1456

00:59:46,010 --> 00:59:43,440

muscular changes that that that

1457

00:59:48,230 --> 00:59:46,020

represented emotion for them uh but

1458

00:59:52,250 --> 00:59:48,240

they're very very low key I find them to

1459

00:59:57,230 --> 00:59:52,260

be the most compassionate moral ethical

1460

00:59:59,870 --> 00:59:57,240

honest uh trustworthy uh individuals

1461

01:00:02,450 --> 00:59:59,880

that I could ever imagine I saw I saw

1462

01:00:04,130 --> 01:00:02,460

nothing nothing about them that uh that

1463

01:00:05,990 --> 01:00:04,140

I could consider that I could consider

1464

01:00:07,930 --> 01:00:06,000

negative people have asked me could you

1465

01:00:11,690 --> 01:00:07,940

have been deceived are you being

1466

01:00:13,789 --> 01:00:11,700

manipulated uh my sensory all I can do

1467

01:00:16,069 --> 01:00:13,799

is give you my sensory Impressions no

1468

01:00:17,329 --> 01:00:16,079

however I have to keep my mind open yes

1469

01:00:21,289 --> 01:00:17,339

of course

1470

01:00:23,809 --> 01:00:21,299

Sinister force that is going to that is

1471

01:00:25,970 --> 01:00:23,819

is using me to soften you people up and

1472

01:00:28,430 --> 01:00:25,980

who's going to then uh in the near

1473

01:00:30,230 --> 01:00:28,440

future come down and wipe us all out I

1474

01:00:32,809 --> 01:00:30,240

mean I can't I can't do that I can't

1475

01:00:35,210 --> 01:00:32,819

deny that that's that's a scenario but I

1476

01:00:36,530 --> 01:00:35,220

have no reason to believe that all I can

1477

01:00:38,270 --> 01:00:36,540

do is give you my own sensory

1478

01:00:40,490 --> 01:00:38,280

Impressions my own sensory Impressions

1479

01:00:41,150 --> 01:00:40,500

is I trust these people I believe these

1480

01:00:42,530 --> 01:00:41,160

people

1481

01:00:45,890 --> 01:00:42,540

thanks

1482

01:00:47,809 --> 01:00:45,900

hi Phil hi did these beings give you any

1483

01:00:50,510 --> 01:00:47,819

indication of what the Earth would be

1484

01:00:53,210 --> 01:00:50,520

like maybe in 20 50 or 100 years down

1485

01:00:55,010 --> 01:00:53,220

the road they did not make any

1486

01:00:57,410 --> 01:00:55,020

pert say that the based upon their

1487

01:00:59,470 --> 01:00:57,420

experiences they they laid out some

1488

01:01:02,809 --> 01:00:59,480

scenarios that we could expect

1489

01:01:05,390 --> 01:01:02,819

if all goes according to the general

1490

01:01:07,250 --> 01:01:05,400

timetable if all goes according to plan

1491

01:01:09,589 --> 01:01:07,260

uh there were no there were no

1492

01:01:11,569 --> 01:01:09,599

predictions and by the way I should

1493

01:01:13,730 --> 01:01:11,579

mention that that we are being accepted

1494

01:01:16,130 --> 01:01:13,740

into this this Federation with

1495

01:01:18,770 --> 01:01:16,140

reservations because they're very very

1496

01:01:20,690 --> 01:01:18,780

concerned about the dark side of the

1497

01:01:23,569 --> 01:01:20,700

human character they do not want this

1498

01:01:26,030 --> 01:01:23,579

dark side in space they want to make

1499

01:01:27,650 --> 01:01:26,040

sure that that mankind itself pleases

1500

01:01:28,970 --> 01:01:27,660

itself I asked him I said well you're

1501

01:01:31,370 --> 01:01:28,980

gonna you are you going to be the bosses

1502

01:01:32,569 --> 01:01:31,380

need to determine who's no this is a

1503

01:01:34,970 --> 01:01:32,579

sovereign Planet they don't interfere

1504

01:01:38,089 --> 01:01:34,980

with that but they expect they expect

1505

01:01:40,130 --> 01:01:38,099

humans themselves to the the 80 percent

1506

01:01:42,589 --> 01:01:40,140

of the human of the everyday decent

1507

01:01:45,829 --> 01:01:42,599

human uh you know everyday decent people

1508

01:01:47,030 --> 01:01:45,839

uh to take control of this 20 of people

1509

01:01:48,890 --> 01:01:47,040

who are causing the Mischief in the

1510

01:01:51,109 --> 01:01:48,900

world the the white collar criminals the

1511

01:01:54,230 --> 01:01:51,119

the street thugs the the leaders of

1512

01:01:56,210 --> 01:01:54,240

Rogue Nations the people who who are

1513

01:01:58,609 --> 01:01:56,220

responsible for the the genocides and

1514

01:02:00,530 --> 01:01:58,619

the holocausts and and the uh you know

1515

01:02:03,890 --> 01:02:00,540

all the Mischief all the Mischief in the

1516

01:02:07,730 --> 01:02:03,900

world uh they expect us to get to uh to

1517

01:02:10,549 --> 01:02:07,740

get control of that and uh and if uh if

1518

01:02:12,049 --> 01:02:10,559

uh if we don't why I'm I'm very

1519

01:02:14,690 --> 01:02:12,059

concerned about what they might think

1520

01:02:18,109 --> 01:02:14,700

about the um the explosion of the

1521

01:02:19,549 --> 01:02:18,119

Pakistani and Indian nuclear devices I'm

1522

01:02:21,170 --> 01:02:19,559

very concerned about that and then I saw

1523

01:02:23,510 --> 01:02:21,180

in the paper that the the North Koreans

1524

01:02:26,329 --> 01:02:23,520

may have 15 000 people working on on

1525

01:02:27,950 --> 01:02:26,339

nuclear devices you know this is this to

1526

01:02:30,470 --> 01:02:27,960

me is disturbing

1527

01:02:32,270 --> 01:02:30,480

um these people value character

1528

01:02:39,829 --> 01:02:32,280

um

1529

01:02:42,289 --> 01:02:39,839

with them telepathically because I've

1530

01:02:44,569 --> 01:02:42,299

had no further contact with them and I I

1531

01:02:46,010 --> 01:02:44,579

you know I you gotta remember who you're

1532

01:02:47,930 --> 01:02:46,020

talking to I'm you're talking about a

1533

01:02:48,890 --> 01:02:47,940

mainstream guy here who just you know

1534

01:02:52,010 --> 01:02:48,900

doesn't

1535

01:02:53,630 --> 01:02:52,020

um you know I I I I don't know

1536

01:02:56,270 --> 01:02:53,640

anything about telepathy but I'll tell

1537

01:02:57,589 --> 01:02:56,280

you the truth um I'm going to I'm going

1538

01:02:59,030 --> 01:02:57,599

to feel awful silly about it but one of

1539

01:03:01,370 --> 01:02:59,040

these days I'm gonna I'm gonna I'm gonna

1540

01:03:03,049 --> 01:03:01,380

try to to try to do that and I'm going

1541

01:03:05,030 --> 01:03:03,059

to feel awful silly about it but uh but

1542

01:03:08,329 --> 01:03:05,040

maybe maybe I'll get a message back I

1543

01:03:11,930 --> 01:03:10,789

hello I actually have two questions for

1544

01:03:12,650 --> 01:03:11,940

you

1545

01:03:16,130 --> 01:03:12,660

um

1546

01:03:18,349 --> 01:03:16,140

if they wanted you to write this book

1547

01:03:20,030 --> 01:03:18,359

and you've written it

1548

01:03:21,650 --> 01:03:20,040

um now what do you have any further

1549

01:03:23,870 --> 01:03:21,660

plans

1550

01:03:25,730 --> 01:03:23,880

I'm just waiting like everybody else I

1551

01:03:27,890 --> 01:03:25,740

have had no further contact

1552

01:03:29,569 --> 01:03:27,900

um it's as far as I'm concerned my job

1553

01:03:31,309 --> 01:03:29,579

is done I might even be out of the loop

1554

01:03:32,450 --> 01:03:31,319

I don't know so this is technically the

1555

01:03:35,150 --> 01:03:32,460

white sheet that you were supposed to

1556

01:03:36,650 --> 01:03:35,160

write this is this this is this is the

1557

01:03:38,390 --> 01:03:36,660

white paper although it's basically in

1558

01:03:41,270 --> 01:03:38,400

the form of a diary but the information

1559

01:03:43,430 --> 01:03:41,280

they wanted me to uh to uh to to present

1560

01:03:45,770 --> 01:03:43,440

is is included in here so I feel I've

1561

01:03:47,390 --> 01:03:45,780

done my job okay and then secondly um

1562

01:03:49,130 --> 01:03:47,400

could you give us some of the names of

1563

01:03:51,770 --> 01:03:49,140

some of the ambassadors could I give you

1564

01:03:53,510 --> 01:03:51,780

some of the names of the ambassadors

1565

01:03:55,430 --> 01:03:53,520

um

1566

01:03:57,890 --> 01:03:55,440

I'll tell you what when what when Bob

1567

01:03:59,930 --> 01:03:57,900

Woodward tells us who deep throat is I

1568

01:04:02,750 --> 01:03:59,940

might consider it but uh

1569

01:04:03,829 --> 01:04:02,760

but no I'll tell you something

1570

01:04:05,809 --> 01:04:03,839

um

1571

01:04:08,089 --> 01:04:05,819

two things I can't talk about

1572

01:04:09,710 --> 01:04:08,099

two things I cannot expand upon that are

1573

01:04:11,510 --> 01:04:09,720

in the book because something has

1574

01:04:15,170 --> 01:04:11,520

happened since I've come back something

1575

01:04:21,530 --> 01:04:18,230

um I mentioned in there a person from

1576

01:04:22,789 --> 01:04:21,540

the Los Angeles Times who is also an

1577

01:04:25,430 --> 01:04:22,799

ambassador

1578

01:04:29,870 --> 01:04:25,440

and that this um that I mentioned in

1579

01:04:34,789 --> 01:04:33,049

um I cannot mention who that person is

1580

01:04:38,450 --> 01:04:34,799

I cannot give you any other information

1581

01:04:40,670 --> 01:04:38,460

about that about that person or about

1582

01:04:42,170 --> 01:04:40,680

that contact all I can do is tell you

1583

01:04:43,970 --> 01:04:42,180

what's in the book

1584

01:04:45,349 --> 01:04:43,980

it will stay in the book

1585

01:04:46,430 --> 01:04:45,359

it's not going to be taken out it's not

1586

01:04:47,750 --> 01:04:46,440

going to be censored it's part of the

1587

01:04:50,410 --> 01:04:47,760

public record but I can't talk about

1588

01:04:56,530 --> 01:04:50,420

that I can't talk I cannot talk about

1589

01:04:58,910 --> 01:04:56,540

the roster of ambassadors that I saw

1590

01:05:01,970 --> 01:04:58,920

uh because again something has happened

1591

01:05:03,770 --> 01:05:01,980

and I cannot mention I cannot give any

1592

01:05:05,390 --> 01:05:03,780

additional information except what's in

1593

01:05:06,470 --> 01:05:05,400

the book if you want to ask me what's in

1594

01:05:10,370 --> 01:05:06,480

the book I can tell you exactly what's

1595

01:05:15,410 --> 01:05:12,890

thank you uh the question is what

1596

01:05:22,309 --> 01:05:17,270

that's the natural follow-up question I

1597

01:05:27,049 --> 01:05:25,549

do I know I do know I do know what

1598

01:05:30,950 --> 01:05:27,059

happened

1599

01:05:32,270 --> 01:05:30,960

come a time when I will be able to say

1600

01:05:34,789 --> 01:05:32,280

what happened

1601  
01:05:36,530 --> 01:05:34,799  
but something has happened and on these

1602  
01:05:39,950 --> 01:05:36,540  
two subjects

1603  
01:05:43,069 --> 01:05:39,960  
I I I I'm very

1604  
01:05:43,079 --> 01:05:48,130  
well

1605  
01:05:53,150 --> 01:05:50,390  
it's um

1606  
01:05:54,710 --> 01:05:53,160  
it's it's it's uncomfortable

1607  
01:05:57,170 --> 01:05:54,720  
um I'm not I'm not being quite or

1608  
01:05:59,390 --> 01:05:57,180  
evasive I just I just can't answer your

1609  
01:06:00,950 --> 01:05:59,400  
questions I cannot expand upon those two

1610  
01:06:03,049 --> 01:06:00,960  
areas I'll I'll tell you what's in the

1611  
01:06:05,750 --> 01:06:03,059  
book but I can't expand upon them

1612  
01:06:07,309 --> 01:06:05,760  
next question good evening your

1613  
01:06:09,230 --> 01:06:07,319

experience is is tremendously

1614

01:06:11,170 --> 01:06:09,240

fascinating and for me personally I'm

1615

01:06:13,849 --> 01:06:11,180

also very much in the mainstream

1616

01:06:16,130 --> 01:06:13,859

extremely so and I have to be very

1617

01:06:18,470 --> 01:06:16,140

careful about anybody that I've even let

1618

01:06:20,990 --> 01:06:18,480

know I'm interested in in this material

1619

01:06:23,510 --> 01:06:21,000

but maybe you could clear up something

1620

01:06:25,670 --> 01:06:23,520

that has bothered me for years and years

1621

01:06:27,589 --> 01:06:25,680

both for my own personal experiences

1622

01:06:33,650 --> 01:06:27,599

from everything I've read

1623

01:06:37,190 --> 01:06:33,660

if these beings are so interested in

1624

01:06:41,270 --> 01:06:37,200

their compassion and their willingness

1625

01:06:44,109 --> 01:06:41,280

to allow only people who only beings and

1626

01:06:47,410 --> 01:06:44,119

only civilizations to enter into their

1627

01:06:50,809 --> 01:06:47,420

Federation who are non-threatening

1628

01:06:54,470 --> 01:06:50,819

non-hostile and respect other the other

1629

01:06:57,950 --> 01:06:54,480

the space of other beings as you say

1630

01:07:00,529 --> 01:06:57,960

then how can it be explained that they

1631

01:07:03,829 --> 01:07:00,539

have no compunction to go into people's

1632

01:07:06,410 --> 01:07:03,839

homes without permission and take them

1633

01:07:09,770 --> 01:07:06,420

from their beds and their families

1634

01:07:12,470 --> 01:07:09,780

that to me is the greatest invasion of

1635

01:07:14,510 --> 01:07:12,480

space and tremendously hostile and it

1636

01:07:17,150 --> 01:07:14,520

there's no way that I've ever been able

1637

01:07:19,730 --> 01:07:17,160

to Define that as a spiritual

1638

01:07:21,410 --> 01:07:19,740

compassionate being a very good question

1639

01:07:23,930 --> 01:07:21,420

and I I wrestled with this myself

1640

01:07:28,609 --> 01:07:23,940

because I said to myself

1641

01:07:33,710 --> 01:07:28,619

um I I I the the morality and the ethics

1642

01:07:35,809 --> 01:07:33,720

of it bothered me and I thought but

1643

01:07:39,170 --> 01:07:35,819

I wondered it

1644

01:07:41,210 --> 01:07:39,180

I thought that it was it had to be done

1645

01:07:44,630 --> 01:07:41,220

it was expedient so I was I was willing

1646

01:07:46,010 --> 01:07:44,640

to excuse it on that basis and also the

1647

01:07:46,730 --> 01:07:46,020

fact that

1648

01:07:48,829 --> 01:07:46,740

um

1649

01:07:51,410 --> 01:07:48,839

you know if it's absolutely necessary

1650

01:07:52,849 --> 01:07:51,420

then it's necessary then that that goes

1651  
01:07:54,710 --> 01:07:52,859  
to the ends justifies the means I'm not

1652  
01:07:57,829 --> 01:07:54,720  
sure I can buy that but but the the the

1653  
01:08:00,049 --> 01:07:57,839  
the the the spiritual well spiritual for

1654  
01:08:02,630 --> 01:08:00,059  
me is you know uh it's not spiritual the

1655  
01:08:04,250 --> 01:08:02,640  
moral and ethical uh considerations did

1656  
01:08:07,250 --> 01:08:04,260  
bother me quite a bit

1657  
01:08:09,589 --> 01:08:07,260  
and um then I I thought well it's

1658  
01:08:10,849 --> 01:08:09,599  
expedient and no one's being hurt and

1659  
01:08:13,190 --> 01:08:10,859  
they assure me that no one has ever been

1660  
01:08:15,710 --> 01:08:13,200  
hurt and also most of these people are

1661  
01:08:18,709 --> 01:08:15,720  
taken in their sleep taken when they're

1662  
01:08:21,650 --> 01:08:18,719  
taken uh for several minutes to several

1663  
01:08:24,470 --> 01:08:21,660

hours at a time and returned uh unharmed

1664

01:08:26,329 --> 01:08:24,480

one time and so I thought of an analogy

1665

01:08:28,249 --> 01:08:26,339

one time I walked out of the Times

1666

01:08:30,950 --> 01:08:28,259

building it was late at night I come

1667

01:08:33,650 --> 01:08:30,960

across um I was coming across Spring

1668

01:08:36,410 --> 01:08:33,660

Street at at Second Street and I had the

1669

01:08:39,530 --> 01:08:36,420

light with me a Spring Street is one way

1670

01:08:41,689 --> 01:08:39,540

uh a southbound although there is a

1671

01:08:44,030 --> 01:08:41,699

northbound bus lane as I as I come

1672

01:08:46,789 --> 01:08:44,040

across the street it's dark I

1673

01:08:48,890 --> 01:08:46,799

practically stumble upon this bum lying

1674

01:08:50,570 --> 01:08:48,900

in the uh lying in the bus lane he's

1675

01:08:52,910 --> 01:08:50,580

lying right in the bus lane he hits he's

1676

01:08:53,829 --> 01:08:52,920

he's he's out he's he's a he smells of

1677

01:08:57,769 --> 01:08:53,839

alcohol

1678

01:08:59,030 --> 01:08:57,779

it's near skid row and he has um he's

1679

01:09:01,550 --> 01:08:59,040

cracked his head open

1680

01:09:03,349 --> 01:09:01,560

and he's semi-conscious uh because when

1681

01:09:05,570 --> 01:09:03,359

when I picked him up he kind of just

1682

01:09:07,189 --> 01:09:05,580

kind of looked up at me you know days

1683

01:09:09,229 --> 01:09:07,199

um but I knew I had to get him out of

1684

01:09:10,910 --> 01:09:09,239

the bus lane because there was a bus

1685

01:09:13,849 --> 01:09:10,920

coming up the street now the bus could

1686

01:09:15,530 --> 01:09:13,859

not see him because it's dark the bus

1687

01:09:17,030 --> 01:09:15,540

could see me because I'm standing up and

1688

01:09:18,769 --> 01:09:17,040

I hold my hand up

1689

01:09:20,209 --> 01:09:18,779

and of course typical bus driver you

1690

01:09:22,189 --> 01:09:20,219

know you think he'd put on his brakes no

1691

01:09:23,990 --> 01:09:22,199

he just swerved around you know go

1692

01:09:25,430 --> 01:09:24,000

across go across a double lane he got to

1693

01:09:27,410 --> 01:09:25,440

put my hand up here you know but if I

1694

01:09:29,749 --> 01:09:27,420

had not picked that guy up and moved him

1695

01:09:32,749 --> 01:09:29,759

up onto the sidewalk and he was he was

1696

01:09:34,910 --> 01:09:32,759

unconscious or semi-conscious he would

1697

01:09:37,130 --> 01:09:34,920

have been run over and killed

1698

01:09:38,990 --> 01:09:37,140

okay

1699

01:09:41,390 --> 01:09:39,000

I abducted him

1700

01:09:43,789 --> 01:09:41,400

I took him against his will

1701

01:09:46,130 --> 01:09:43,799

I moved into another place he never gave

1702

01:09:48,130 --> 01:09:46,140

me permission he was asleep he was

1703

01:09:50,570 --> 01:09:48,140

actually drunk out of his mind

1704

01:09:52,849 --> 01:09:50,580

and he had fallen down cracked his head

1705

01:09:54,770 --> 01:09:52,859

and he was bleeding if I had not

1706

01:09:57,110 --> 01:09:54,780

abducted him if I had not moved him if I

1707

01:09:59,630 --> 01:09:57,120

had not taken him against his will

1708

01:10:01,850 --> 01:09:59,640

he would have died

1709

01:10:06,709 --> 01:10:04,130

I'm not sure that I'm not sure that will

1710

01:10:08,990 --> 01:10:06,719

that can't explain it but

1711

01:10:10,130 --> 01:10:09,000

it does it for me it may not do it for

1712

01:10:13,689 --> 01:10:10,140

everybody else but it does it for me

1713

01:10:18,290 --> 01:10:16,490

good evening that question was one of

1714

01:10:20,149 --> 01:10:18,300

mine also

1715

01:10:22,189 --> 01:10:20,159

um I have some very simple questions one

1716

01:10:24,950 --> 01:10:22,199

how did they feed you was it what kind

1717

01:10:26,689 --> 01:10:24,960

of food were there children on board and

1718

01:10:29,030 --> 01:10:26,699

can your wife verify that you were

1719

01:10:30,770 --> 01:10:29,040

absent from her presence for 72 straight

1720

01:10:32,630 --> 01:10:30,780

hours

1721

01:10:34,850 --> 01:10:32,640

number one

1722

01:10:37,250 --> 01:10:34,860

um I saw I don't remember seeing any

1723

01:10:38,990 --> 01:10:37,260

children uh I might I may have seen some

1724

01:10:42,830 --> 01:10:39,000

I don't remember

1725

01:10:45,590 --> 01:10:42,840

number two uh I had some of the most

1726

01:10:48,590 --> 01:10:45,600

delicious fascinating food I'd ever had

1727

01:10:50,630 --> 01:10:48,600

in my life I I passed up on the meat and

1728

01:10:52,310 --> 01:10:50,640

I passed up on the desserts because I

1729

01:10:54,110 --> 01:10:52,320

just taken off my 55 pounds and I didn't

1730

01:10:56,090 --> 01:10:54,120

want to put it back on again and also I

1731

01:10:59,330 --> 01:10:56,100

don't eat much meat however it was

1732

01:11:01,010 --> 01:10:59,340

explained to me that that they grow

1733

01:11:03,050 --> 01:11:01,020

their food because I asked them about it

1734

01:11:04,070 --> 01:11:03,060

I said is there is there a supermarket

1735

01:11:05,870 --> 01:11:04,080

in the neighborhood I don't know about

1736

01:11:06,890 --> 01:11:05,880

you know I think it's kind of scratched

1737

01:11:09,470 --> 01:11:06,900

their head and looked at me you know and

1738

01:11:10,310 --> 01:11:09,480

I said I'm you know just kidding where

1739

01:11:13,010 --> 01:11:10,320

do you get this where do you get the

1740

01:11:16,189 --> 01:11:13,020

stuff it's hydronically grown plant

1741

01:11:18,350 --> 01:11:16,199

matter and it's processed and um and

1742

01:11:20,689 --> 01:11:18,360

they they made out of it some of the

1743

01:11:22,250 --> 01:11:20,699

most delicious meals I've ever had it

1744

01:11:24,050 --> 01:11:22,260

was just it was it was just it was

1745

01:11:25,610 --> 01:11:24,060

tailored for me and it was plant

1746

01:11:27,110 --> 01:11:25,620

material and when I found out that the

1747

01:11:29,030 --> 01:11:27,120

meat was plant material I even had some

1748

01:11:30,830 --> 01:11:29,040

of that and I even had some of the the

1749

01:11:32,450 --> 01:11:30,840

desserts when I found out that I could

1750

01:11:34,209 --> 01:11:32,460

eat as much as my appetite would allow

1751

01:11:38,750 --> 01:11:34,219

without

1752

01:11:41,270 --> 01:11:38,760

uh and my metabolism my metabolism

1753

01:11:43,729 --> 01:11:41,280

metabolism would use only what it needed

1754

01:11:44,930 --> 01:11:43,739

and would discard the rest how lovely

1755

01:11:46,010 --> 01:11:44,940

and I wouldn't I wouldn't gain any

1756

01:11:49,970 --> 01:11:46,020

weight

1757

01:11:51,530 --> 01:11:49,980

I'd like some of that food and uh and

1758

01:11:54,050 --> 01:11:51,540

what was the third question can your

1759

01:11:56,810 --> 01:11:54,060

wife verify that you were absent 72

1760

01:11:57,709 --> 01:11:56,820

continuous hours okay my wife was my

1761

01:12:01,370 --> 01:11:57,719

wife

1762

01:12:03,470 --> 01:12:01,380

um was was staying about three miles

1763

01:12:06,530 --> 01:12:03,480

away with her mother at the time her

1764

01:12:09,290 --> 01:12:06,540

mother had some serious surgery uh I I

1765

01:12:11,330 --> 01:12:09,300

it as some people suggested this was

1766

01:12:12,649 --> 01:12:11,340

planned I think it was just coincidental

1767

01:12:15,350 --> 01:12:12,659

it just happened to be coincidental

1768

01:12:17,990 --> 01:12:15,360

because they do um

1769

01:12:20,750 --> 01:12:18,000

like she's leaving she's leaving Friday

1770

01:12:24,050 --> 01:12:20,760

for for Mexico so she she takes off

1771

01:12:26,149 --> 01:12:24,060

periodically uh and uh I don't go to

1772

01:12:27,770 --> 01:12:26,159

Mexico so she never called you during

1773

01:12:30,830 --> 01:12:27,780

those three hours pardon me she never

1774

01:12:33,169 --> 01:12:30,840

called you during those 72 hours yes she

1775

01:12:34,970 --> 01:12:33,179

did call yes she did call uh there was

1776

01:12:37,189 --> 01:12:34,980

there was uh answering there was a

1777

01:12:39,110 --> 01:12:37,199

messages on on the tape machine but see

1778

01:12:40,970 --> 01:12:39,120

I had also been going around to small

1779

01:12:42,590 --> 01:12:40,980

towns in California looking for a

1780

01:12:45,350 --> 01:12:42,600

retirement site I just come back from a

1781

01:12:46,850 --> 01:12:45,360

from a trip and uh and I said I told her

1782

01:12:47,689 --> 01:12:46,860

before she went over there I said you

1783

01:12:49,790 --> 01:12:47,699

know I think I'm going to head up for

1784

01:12:52,490 --> 01:12:49,800

the Monterey Bay Area and see what's see

1785

01:12:54,950 --> 01:12:52,500

what's going on up there and uh and uh

1786

01:12:58,070 --> 01:12:54,960

so uh she she wouldn't necessarily miss

1787

01:12:59,630 --> 01:12:58,080

me and um I'm not sure she would miss me

1788

01:13:01,729 --> 01:12:59,640

anyway but thank you

1789

01:13:06,470 --> 01:13:01,739

uh even though I took off for a couple

1790

01:13:12,590 --> 01:13:08,590

I guess I've answered the question

1791

01:13:14,689 --> 01:13:12,600

I like to ask three questions uh did

1792

01:13:17,450 --> 01:13:14,699

they take you to other planets in the

1793

01:13:19,970 --> 01:13:17,460

solar system no how far did they take

1794

01:13:23,870 --> 01:13:19,980

you in space and did you go to any other

1795

01:13:25,669 --> 01:13:23,880

star systems in those 72 hours no I was

1796

01:13:27,770 --> 01:13:25,679

on I was on board the uh the Mother Ship

1797

01:13:29,689 --> 01:13:27,780

or I was on board the the Starship

1798

01:13:33,110 --> 01:13:29,699

behind the moon for the for the full

1799

01:13:35,630 --> 01:13:33,120

period oh so you didn't go to the Mars

1800

01:13:38,110 --> 01:13:35,640

Venus or Mercury did no did no traveling

1801

01:13:40,970 --> 01:13:38,120

whatsoever well

1802

01:13:43,430 --> 01:13:40,980

the solar system pardon me what about

1803

01:13:46,130 --> 01:13:43,440

beyond the solar system no I I never

1804

01:13:48,350 --> 01:13:46,140

went anywhere I went to the moon thank

1805

01:13:51,830 --> 01:13:48,360

you I think that's you know that's

1806

01:13:51,840 --> 01:13:56,410

I understand that's a pretty good trip

1807

01:13:56,420 --> 01:14:02,630

thank you you're welcome

1808

01:14:08,689 --> 01:14:05,930

are you familiar with the name uh Dwayne

1809

01:14:10,310 --> 01:14:08,699

Johnson oh Dwayne Johnson of course yes

1810

01:14:13,010 --> 01:14:10,320

I believe he was a teacher of yours

1811

01:14:14,810 --> 01:14:13,020

correct yes he was all right because I I

1812

01:14:17,149 --> 01:14:14,820

believe he wrote well I know for a fact

1813

01:14:19,310 --> 01:14:17,159

he wrote this thesis on flying saucers

1814

01:14:21,890 --> 01:14:19,320

yes he did a matter of fact I ran across

1815

01:14:24,290 --> 01:14:21,900

it in Laughlin Nevada yes and uh and I

1816

01:14:25,070 --> 01:14:24,300

said Dwayne Johnson I says uh you know

1817

01:14:29,930 --> 01:14:25,080

um

1818

01:14:31,910 --> 01:14:29,940

I saw the manuscript and uh the person

1819

01:14:33,830 --> 01:14:31,920

who um did I talk to you I'm off in

1820

01:14:36,950 --> 01:14:33,840

Nevada well I'm friends with the guy who

1821

01:14:39,649 --> 01:14:36,960

who did the book I see yeah I was there

1822

01:14:40,910 --> 01:14:39,659

as well yeah okay uh Dwayne Johnson and

1823

01:14:43,370 --> 01:14:40,920

then Dwayne Johnson worked at Los

1824

01:14:45,229 --> 01:14:43,380

Angeles Times for many years and um he

1825

01:14:47,209 --> 01:14:45,239

and I worked on the same desk on on many

1826

01:14:49,610 --> 01:14:47,219

occasions uh he was my journalist and

1827

01:14:52,729 --> 01:14:49,620

Professor I've known him since 1961 and

1828

01:14:57,050 --> 01:14:52,739

he did his his uh his doctoral uh

1829

01:14:58,610 --> 01:14:57,060

dissertation on on UFOs and I think we

1830

01:15:01,610 --> 01:14:58,620

may have seen I think we students may

1831

01:15:03,410 --> 01:15:01,620

have seen the uh the manuscript you know

1832

01:15:04,729 --> 01:15:03,420

it never entered in my mind and all that

1833

01:15:06,229 --> 01:15:04,739

time when I was working at the times

1834

01:15:08,689 --> 01:15:06,239

that anybody might have believed in

1835

01:15:10,729 --> 01:15:08,699

flying saucers I never thought of Duane

1836

01:15:13,310 --> 01:15:10,739

um because I simply forgot I mean we

1837

01:15:14,930 --> 01:15:13,320

kind of you know uh I looked at our

1838

01:15:17,270 --> 01:15:14,940

noses that this is a doctoral

1839

01:15:18,770 --> 01:15:17,280

dissertation you know on flying saucers

1840

01:15:20,750 --> 01:15:18,780

I mean you know how wacko can you get

1841

01:15:22,430 --> 01:15:20,760

you know and I never really thought

1842

01:15:24,290 --> 01:15:22,440

about it and then I saw the book uh

1843

01:15:25,669 --> 01:15:24,300

flying saucers over Los Angeles by Dwayne

1844

01:15:27,830 --> 01:15:25,679

Johnson said hey wait a minute I said I

1845

01:15:30,229 --> 01:15:27,840

know this guy you know yeah and uh and

1846

01:15:33,110 --> 01:15:30,239

yeah well yeah my main question was so

1847

01:15:36,290 --> 01:15:33,120

you didn't really have any positive

1848

01:15:39,110 --> 01:15:36,300

opinion of UFOs from Dwayne Johnson oh

1849

01:15:41,270 --> 01:15:39,120

no not at all um a matter of fact I

1850

01:15:44,510 --> 01:15:41,280

forgot all about his after I got out of

1851

01:15:46,610 --> 01:15:44,520

college that was in 63. uh I forgot I

1852

01:15:49,430 --> 01:15:46,620

even forgot that he had wrote that he

1853

01:15:52,669 --> 01:15:49,440

had written his dissertation on um

1854

01:15:53,990 --> 01:15:52,679

on UFOs and when when we found out about

1855

01:15:56,209 --> 01:15:54,000

it in college when we were talking

1856

01:15:58,070 --> 01:15:56,219

informally in the classroom uh he he

1857

01:15:59,330 --> 01:15:58,080

mentioned that and we call kind of

1858

01:16:01,130 --> 01:15:59,340

looked at each other you know and

1859

01:16:02,990 --> 01:16:01,140

sneered a little bit you know and

1860

01:16:05,209 --> 01:16:03,000

sniffed you know what what kind of a

1861

01:16:08,330 --> 01:16:05,219

what kind of a uh you know a rinky dink

1862

01:16:11,510 --> 01:16:08,340

dissertation is that you know so but uh

1863

01:16:13,430 --> 01:16:11,520

but somebody yeah somebody got hold of a

1864

01:16:15,950 --> 01:16:13,440

copy of it at the through the UCLA

1865

01:16:18,530 --> 01:16:15,960

archives and and published it and it's

1866

01:16:19,910 --> 01:16:18,540

called uh um uh flying saucers over Los

1867

01:16:22,070 --> 01:16:19,920

Angeles in the 50s I think something

1868

01:16:23,450 --> 01:16:22,080

like that yes thank you very much and by

1869

01:16:32,030 --> 01:16:23,460

the way Doc Johnson I'm pretty sure

1870

01:16:35,630 --> 01:16:33,590

um I know I've promoted your book over

1871

01:16:37,790 --> 01:16:35,640

the past few months but I wanted good

1872

01:16:40,130 --> 01:16:37,800

for you let everybody know tonight that

1873

01:16:41,930 --> 01:16:40,140

uh his book is available in the back of

1874

01:16:44,330 --> 01:16:41,940

the room and it's it's an excellent read

1875

01:16:46,550 --> 01:16:44,340

as an editor he did a beautiful job of

1876

01:16:48,169 --> 01:16:46,560

writing it so I just wanted to also say

1877

01:16:53,209 --> 01:16:48,179

that

1878

01:16:56,149 --> 01:16:53,219

upon in the past and with other speakers

1879

01:16:58,010 --> 01:16:56,159

is character and you mentioned human

1880

01:17:00,350 --> 01:16:58,020

character this evening

1881

01:17:03,470 --> 01:17:00,360

there's a couple of different things in

1882

01:17:05,689 --> 01:17:03,480

your book that that would lead

1883

01:17:07,850 --> 01:17:05,699

someone to believe uh you know someone

1884

01:17:09,530 --> 01:17:07,860

to go down the road of belief in the

1885

01:17:12,169 --> 01:17:09,540

religious stuff and I know it's a tough

1886

01:17:15,470 --> 01:17:12,179

uh a tough area to cover

1887

01:17:16,490 --> 01:17:15,480

but in the book you talked about how the

1888

01:17:19,430 --> 01:17:16,500

verdants

1889

01:17:20,990 --> 01:17:19,440

had come across an area and space that

1890

01:17:22,430 --> 01:17:21,000

they considered to be the Gates of

1891

01:17:25,130 --> 01:17:22,440

Heaven probably one of the most

1892

01:17:29,149 --> 01:17:25,140

fascinating parts and aspects of your

1893

01:17:32,930 --> 01:17:29,159

book an area of Discovery for them which

1894

01:17:35,630 --> 01:17:32,940

was rather startling and if you could

1895

01:17:37,669 --> 01:17:35,640

just elaborate on that a little bit that

1896

01:17:40,669 --> 01:17:37,679

might be interesting and touch a little

1897

01:17:43,010 --> 01:17:40,679

bit more on human character and what you

1898

01:17:44,770 --> 01:17:43,020

might be finding with regard to that in

1899

01:17:48,110 --> 01:17:44,780

your own

1900

01:17:49,370 --> 01:17:48,120

six-month Odyssey through this thing you

1901

01:17:50,990 --> 01:17:49,380

know what what you're running into there

1902

01:17:53,750 --> 01:17:51,000

okay the religious the religious

1903

01:17:55,850 --> 01:17:53,760

supportion of the book uh again I I um I

1904

01:17:57,410 --> 01:17:55,860

I I hesitated about putting it in there

1905

01:18:00,229 --> 01:17:57,420

because I know it's very controversial I

1906

01:18:02,209 --> 01:18:00,239

I myself being an atheist or agnostic

1907

01:18:04,070 --> 01:18:02,219

um it doesn't mean anything to me but I

1908

01:18:06,530 --> 01:18:04,080

know that 95 of the people in the world

1909

01:18:08,510 --> 01:18:06,540

uh take their religion pretty seriously

1910

01:18:10,250 --> 01:18:08,520

most of them and

1911

01:18:11,810 --> 01:18:10,260

um and it's a very very emotional

1912

01:18:12,950 --> 01:18:11,820

subject

1913

01:18:15,530 --> 01:18:12,960

um

1914

01:18:16,550 --> 01:18:15,540

in retrospect and I don't know why I

1915

01:18:19,189 --> 01:18:16,560

didn't think of this while I was writing

1916

01:18:22,430 --> 01:18:19,199

it but I wrote it down literally

1917

01:18:25,189 --> 01:18:22,440

in retrospect I think that much of the

1918

01:18:28,130 --> 01:18:25,199

material in the in that in that chapter

1919

01:18:29,990 --> 01:18:28,140

may be allegorical maybe this is my this

1920

01:18:32,990 --> 01:18:30,000

is my guess I think they're trying to

1921

01:18:35,030 --> 01:18:33,000

reveal to me basic fundamental religious

1922

01:18:36,830 --> 01:18:35,040

truths in terms that I could understand

1923

01:18:38,810 --> 01:18:36,840

remember I have no religious background

1924

01:18:42,050 --> 01:18:38,820

no religious training nothing my father

1925

01:18:44,090 --> 01:18:42,060

was I was raised in a wasp community and

1926

01:18:46,910 --> 01:18:44,100

if I observed anything any kind of

1927

01:18:48,470 --> 01:18:46,920

religious uh information at all it would

1928

01:18:50,510 --> 01:18:48,480

be from that from that particular

1929

01:18:52,490 --> 01:18:50,520

culture the WASP culture my dad was a

1930

01:18:55,430 --> 01:18:52,500

presbyterian that's white angle Saxon

1931

01:18:56,810 --> 01:18:55,440

Protestant so I'm familiar with with the

1932

01:18:58,370 --> 01:18:56,820

Pearly Gates and I'm familiar with

1933

01:19:00,410 --> 01:18:58,380

heaven and I'm familiar with hell and

1934

01:19:04,570 --> 01:19:00,420

I'm familiar with the with the immortal

1935

01:19:08,149 --> 01:19:04,580

soul and uh but uh but when it comes to

1936

01:19:11,390 --> 01:19:08,159

discussing really religious philosophy

1937

01:19:14,270 --> 01:19:11,400

I'm a Sunday school student in a room

1938

01:19:16,729 --> 01:19:14,280

full of divinity students you know in in

1939

01:19:18,229 --> 01:19:16,739

in in in college

1940

01:19:20,510 --> 01:19:18,239

so

1941

01:19:23,750 --> 01:19:20,520

um I suspect that

1942

01:19:26,030 --> 01:19:23,760

a lot of the material they revealed to

1943

01:19:28,250 --> 01:19:26,040

me they revealed in terms that I could

1944

01:19:31,130 --> 01:19:28,260

understand and I think they're trying to

1945

01:19:32,870 --> 01:19:31,140

reveal basic religious truths but I'm

1946

01:19:35,330 --> 01:19:32,880

not sure that I would literally

1947

01:19:38,030 --> 01:19:35,340

interpret every word literally word for

1948

01:19:40,910 --> 01:19:38,040

word uh in in that there have been

1949

01:19:43,490 --> 01:19:40,920

people who have also tried to use the

1950

01:19:44,930 --> 01:19:43,500

information that information to validate

1951

01:19:46,910 --> 01:19:44,940

their religion over other people's

1952

01:19:48,290 --> 01:19:46,920

religions well there's no way I'm going

1953

01:19:50,270 --> 01:19:48,300

to get involved in that some people try

1954

01:19:51,649 --> 01:19:50,280

to recruit me to you know the well this

1955

01:19:53,209 --> 01:19:51,659

is our religion believes that this is

1956

01:19:54,530 --> 01:19:53,219

this that goes along exactly with what

1957

01:19:56,689 --> 01:19:54,540

our religion you know we would like you

1958

01:19:58,550 --> 01:19:56,699

to speak before us I said no way no way

1959

01:20:00,470 --> 01:19:58,560

I can't be a mouthpiece for one religion

1960

01:20:02,330 --> 01:20:00,480

uh and I don't think that's what the the

1961

01:20:03,950 --> 01:20:02,340

purpose was this is a very very

1962

01:20:05,810 --> 01:20:03,960

controversial subject and it's difficult

1963

01:20:07,070 --> 01:20:05,820

for me to it's troubling for me to talk

1964

01:20:10,250 --> 01:20:07,080

about

1965

01:20:11,630 --> 01:20:10,260

um and uh so but I would not read

1966

01:20:14,149 --> 01:20:11,640

anything into that they have great

1967

01:20:16,669 --> 01:20:14,159

respect for for religion they have great

1968

01:20:20,209 --> 01:20:16,679

respect for all all people's religions

1969

01:20:22,970 --> 01:20:20,219

as long as as long as the you know they

1970

01:20:25,550 --> 01:20:22,980

teach fellowship and love I suppose

1971

01:20:27,110 --> 01:20:25,560

uh just touch upon that uh encounter

1972

01:20:28,850 --> 01:20:27,120

that they had with the Gates of Heaven

1973

01:20:30,950 --> 01:20:28,860

that was fairly fascinating for those

1974

01:20:33,290 --> 01:20:30,960

who didn't read it in the book you said

1975

01:20:35,689 --> 01:20:33,300

the verdants came across an area in

1976

01:20:38,450 --> 01:20:35,699

space okay the story the story is that

1977

01:20:40,130 --> 01:20:38,460

we were the Gina and I were discussing

1978

01:20:41,930 --> 01:20:40,140

um we're discussing so many things to

1979

01:20:43,970 --> 01:20:41,940

see and I said it's not fair I said that

1980

01:20:46,310 --> 01:20:43,980

you know that I've lived most of my life

1981

01:20:48,590 --> 01:20:46,320

for 62 years and you're only 800 years

1982

01:20:50,689 --> 01:20:48,600

old you know you've got uh you've got uh

1983

01:20:52,490 --> 01:20:50,699

by the way I I forget to mention that

1984

01:20:54,649 --> 01:20:52,500

their lifespan is twenty thousand uh

1985

01:20:56,390 --> 01:20:54,659

twenty thousand Earth years which would

1986

01:20:58,010 --> 01:20:56,400

be what you would amount to about seven

1987

01:20:59,810 --> 01:20:58,020

or eight thousand of their years since

1988

01:21:02,990 --> 01:20:59,820

their planet is is larger and it takes

1989

01:21:03,590 --> 01:21:03,000

55 hours to to turn on its axis

1990

01:21:05,870 --> 01:21:03,600

um

1991

01:21:07,430 --> 01:21:05,880

but they they have they have extended

1992

01:21:08,390 --> 01:21:07,440

life over millions of years they kept

1993

01:21:09,830 --> 01:21:08,400

pushing and pushing and pushing the

1994

01:21:11,570 --> 01:21:09,840

boundaries until they think that they've

1995

01:21:13,130 --> 01:21:11,580

hit the absolute limit uh there's no

1996

01:21:14,570 --> 01:21:13,140

there's no there's no farther they can

1997

01:21:17,390 --> 01:21:14,580

go with that

1998

01:21:19,250 --> 01:21:17,400

um but um oh I was talking it's not very

1999

01:21:20,750 --> 01:21:19,260

since I'm 62 years old my most of my

2000

01:21:23,090 --> 01:21:20,760

life has spent a year of America eight

2001  
01:21:24,770 --> 01:21:23,100  
year an 800 year old baby you know and

2002  
01:21:26,450 --> 01:21:24,780  
uh she says well on the on the temporal

2003  
01:21:28,610 --> 01:21:26,460  
plane she says it really doesn't it

2004  
01:21:30,830 --> 01:21:28,620  
really doesn't matter that much and uh

2005  
01:21:31,910 --> 01:21:30,840  
and she's and I I on the transitory

2006  
01:21:34,070 --> 01:21:31,920  
level I said well what are you talking

2007  
01:21:36,830 --> 01:21:34,080  
about she says well our lifespans are

2008  
01:21:40,070 --> 01:21:36,840  
the same uh you know

2009  
01:21:42,470 --> 01:21:40,080  
um uh beyond the TR beyond the uh the um

2010  
01:21:45,050 --> 01:21:42,480  
the transitory level the temporal level

2011  
01:21:46,550 --> 01:21:45,060  
our lifespans are the same I says what

2012  
01:21:47,990 --> 01:21:46,560  
are you you know I mean she's talking to

2013  
01:21:50,030 --> 01:21:48,000

an atheist here you know I said well

2014

01:21:53,270 --> 01:21:50,040

what are you talking about and she says

2015

01:21:55,490 --> 01:21:53,280

well our Immortals are Immortal soul

2016

01:21:59,090 --> 01:21:55,500

that has quit spinning our Immortal

2017

01:22:02,030 --> 01:21:59,100

Souls and that's done that stunned me

2018

01:22:03,950 --> 01:22:02,040

and I said do you believe in an immortal

2019

01:22:06,070 --> 01:22:03,960

soul and she says our scientists have

2020

01:22:09,470 --> 01:22:06,080

proven the existence of an immortal soul

2021

01:22:12,830 --> 01:22:09,480

and then uh you know I went into kind of

2022

01:22:14,890 --> 01:22:12,840

a a swoon you know I've got the vapors

2023

01:22:17,510 --> 01:22:14,900

and uh

2024

01:22:19,850 --> 01:22:17,520

I guess that's what the ladies got in

2025

01:22:21,709 --> 01:22:19,860

the old days they got the vapors and um

2026

01:22:23,930 --> 01:22:21,719

and they called in the you know they

2027

01:22:25,490 --> 01:22:23,940

called in the a minister and and he uh

2028

01:22:27,530 --> 01:22:25,500

he ministered to me and they explained

2029

01:22:29,450 --> 01:22:27,540

to me that uh now this is a story they

2030

01:22:31,910 --> 01:22:29,460

told me and I wrote it down literally

2031

01:22:33,950 --> 01:22:31,920

and again I think it's allegorical I

2032

01:22:35,689 --> 01:22:33,960

think it's a I think it's a a story that

2033

01:22:38,030 --> 01:22:35,699

should not be taken literally I think

2034

01:22:40,669 --> 01:22:38,040

it's subject to interpretation I don't

2035

01:22:42,169 --> 01:22:40,679

know I'm just guessing but I suspect so

2036

01:22:44,810 --> 01:22:42,179

um they said that there that one of

2037

01:22:46,189 --> 01:22:44,820

their ships came across the um the

2038

01:22:48,590 --> 01:22:46,199

actual location of Heaven in the

2039

01:22:50,689 --> 01:22:48,600

universe and that uh they they summoned

2040

01:22:52,850 --> 01:22:50,699

their uh their Supreme Theologian their

2041

01:22:55,070 --> 01:22:52,860

Supreme Theologian was beamed aboard

2042

01:22:57,530 --> 01:22:55,080

came aboard meditated went into

2043

01:22:59,930 --> 01:22:57,540

meditation and then went out and

2044

01:23:02,090 --> 01:22:59,940

actually went out an airlock and entered

2045

01:23:04,729 --> 01:23:02,100

one of the uh the the 12 gates of Pearl

2046

01:23:07,490 --> 01:23:04,739

and spent something like uh eight days

2047

01:23:09,590 --> 01:23:07,500

and uh and then came out and he came

2048

01:23:10,910 --> 01:23:09,600

aboard and he asked to address the crew

2049

01:23:13,970 --> 01:23:10,920

and everybody gathered around the

2050

01:23:17,450 --> 01:23:13,980

loudspeakers and um and he said one word

2051  
01:23:21,050 --> 01:23:17,460  
rejoice and they shipped and just was

2052  
01:23:22,669 --> 01:23:21,060  
freed and and it took off and then he he

2053  
01:23:25,189 --> 01:23:22,679  
beamed out

2054  
01:23:27,890 --> 01:23:25,199  
and uh and this and so I looked at this

2055  
01:23:29,689 --> 01:23:27,900  
Minister he looked at me and I said

2056  
01:23:33,169 --> 01:23:29,699  
and he said well that's the end of the

2057  
01:23:34,430 --> 01:23:33,179  
story so well what the hell happened

2058  
01:23:36,770 --> 01:23:34,440  
no I didn't see what the hell happened

2059  
01:23:38,630 --> 01:23:36,780  
that was just kind of I said well what

2060  
01:23:40,790 --> 01:23:38,640  
happened in the inside there you know

2061  
01:23:43,610 --> 01:23:40,800  
and he said what he said a father and

2062  
01:23:46,310 --> 01:23:43,620  
son a father and son had a talk

2063  
01:23:47,209 --> 01:23:46,320

and and I said wait a minute wait a

2064

01:23:49,510 --> 01:23:47,219

minute I don't know anything about

2065

01:23:52,430 --> 01:23:49,520

religion but the way I understand it

2066

01:23:54,649 --> 01:23:52,440

souls go to heaven Spirits go to heaven

2067

01:23:56,570 --> 01:23:54,659

but mortal Souls don't go to heaven even

2068

01:23:57,530 --> 01:23:56,580

though I don't believe it anyway

2069

01:24:00,530 --> 01:23:57,540

um

2070

01:24:03,050 --> 01:24:00,540

and uh he said well with with with the

2071

01:24:05,330 --> 01:24:03,060

father or anything is possible and uh

2072

01:24:07,729 --> 01:24:05,340

again I think a lot of that may be

2073

01:24:12,169 --> 01:24:07,739

allegorical but I don't know it could be

2074

01:24:14,330 --> 01:24:13,130

um I have

2075

01:24:16,370 --> 01:24:14,340

I have your questions

2076

01:24:17,750 --> 01:24:16,380

the first one you may not be able to

2077

01:24:19,790 --> 01:24:17,760

answer but

2078

01:24:25,250 --> 01:24:19,800

I can answer anything even if I say

2079

01:24:28,250 --> 01:24:26,750

because

2080

01:24:31,130 --> 01:24:28,260

grown-ups probably would understand

2081

01:24:34,669 --> 01:24:31,140

alien life more than kids but why is it

2082

01:24:36,709 --> 01:24:34,679

that kids are like never

2083

01:24:45,590 --> 01:24:36,719

they never meet Aliens or they're never

2084

01:24:50,689 --> 01:24:47,570

a spaceship

2085

01:24:52,729 --> 01:24:50,699

did they speak another language to each

2086

01:24:55,250 --> 01:24:52,739

other and they spoke English to you or

2087

01:24:57,050 --> 01:24:55,260

did they just I heard I heard Snippets

2088

01:24:59,450 --> 01:24:57,060

of their conversation of their language

2089

01:25:02,750 --> 01:24:59,460

yes they have they have a language a

2090

01:25:05,390 --> 01:25:02,760

very um very complex language but mostly

2091

01:25:08,570 --> 01:25:05,400

I heard when they were speaking with me

2092

01:25:11,510 --> 01:25:08,580

and among me they usually usually used

2093

01:25:13,790 --> 01:25:11,520

English and there were times when there

2094

01:25:15,050 --> 01:25:13,800

might have been a small Exchange in

2095

01:25:17,990 --> 01:25:15,060

their language that I didn't understand

2096

01:25:30,610 --> 01:25:18,000

but uh but mostly it was it was English

2097

01:25:34,850 --> 01:25:33,169

their atmosphere is almost the same as

2098

01:25:37,130 --> 01:25:34,860

ours except it's got a slightly higher

2099

01:25:43,189 --> 01:25:37,140

oxygen content but it's pretty it's

2100

01:25:47,209 --> 01:25:45,350

ladies very smart she just asked the

2101

01:25:49,729 --> 01:25:47,219

question I was gonna ask

2102

01:25:51,410 --> 01:25:49,739

um so what you're implying here is that

2103

01:25:53,270 --> 01:25:51,420

wherever they come from they have the

2104

01:25:54,830 --> 01:25:53,280

same

2105

01:25:56,450 --> 01:25:54,840

um physical attributes that we do that

2106

01:26:01,010 --> 01:25:56,460

they would require food that they would

2107

01:26:03,490 --> 01:26:01,020

require an oxygen-rich atmosphere and in

2108

01:26:06,229 --> 01:26:03,500

those respects they're similar to us yes

2109

01:26:08,810 --> 01:26:06,239

my second question would be

2110

01:26:12,050 --> 01:26:08,820

that if they are

2111

01:26:13,850 --> 01:26:12,060

watching us to see if we are

2112

01:26:16,250 --> 01:26:13,860

good enough to make the grade so to

2113

01:26:18,470 --> 01:26:16,260

2113  
speak and that they are preparing to

2114  
01:26:22,850 --> 01:26:18,480  
speak with us and

2115  
01:26:25,990 --> 01:26:22,860  
there are people being asked to be

2116  
01:26:28,370 --> 01:26:26,000  
ambassadors or whatever

2117  
01:26:30,410 --> 01:26:28,380  
what's going to happen after they come

2118  
01:26:32,270 --> 01:26:30,420  
out I mean is it are they just going to

2119  
01:26:33,709 --> 01:26:32,280  
take this hands-off approach and we're

2120  
01:26:36,229 --> 01:26:33,719  
going to acknowledge that they're there

2121  
01:26:38,209 --> 01:26:36,239  
and we are here and we are welcome to

2122  
01:26:39,590 --> 01:26:38,219  
join them if we can be peaceful folks

2123  
01:26:42,649 --> 01:26:39,600  
and they're just going to move on or

2124  
01:26:44,629 --> 01:26:42,659  
what the way well I don't have I don't

2125  
01:26:45,590 --> 01:26:44,639  
have all the details uh that's all going

2126

01:26:46,610 --> 01:26:45,600

to be worked out in the summit

2127

01:26:48,050 --> 01:26:46,620

conference and Summer Conference is

2128

01:26:50,930 --> 01:26:48,060

going to take so it's like three years

2129

01:26:52,490 --> 01:26:50,940

to to to to to Hammer Hammer out these

2130

01:26:56,090 --> 01:26:52,500

these things but I think basically what

2131

01:26:58,850 --> 01:26:56,100

it is it's a um it's a um it's a

2132

01:27:02,330 --> 01:26:58,860

security thing uh you don't you don't

2133

01:27:05,270 --> 01:27:02,340

get into space unless you pass muster I

2134

01:27:07,189 --> 01:27:05,280

I agree with that and uh and uh I

2135

01:27:09,770 --> 01:27:07,199

suspect that uh that they'll give us a

2136

01:27:12,110 --> 01:27:09,780

helping hand in order to get us going uh

2137

01:27:13,970 --> 01:27:12,120

give us a leg up to get us going on our

2138

01:27:17,290 --> 01:27:13,980

own Journey but our destiny is in our

2139

01:27:20,570 --> 01:27:17,300

own hands and we're on our own uh and as

2140

01:27:23,330 --> 01:27:20,580

whatever progress we we make will be

2141

01:27:24,770 --> 01:27:23,340

will be due to our own initiative we're

2142

01:27:25,910 --> 01:27:24,780

not going to just become a bunch of lazy

2143

01:27:27,110 --> 01:27:25,920

bums in which they're going to hand over

2144

01:27:30,890 --> 01:27:27,120

everything to us we're going to continue

2145

01:27:34,629 --> 01:27:30,900

to have to be be enter enterprising and

2146

01:27:36,649 --> 01:27:34,639

and and and intelligent and and you know

2147

01:27:38,510 --> 01:27:36,659

you know we're going to have to control

2148

01:27:40,189 --> 01:27:38,520

our own destiny and whether we we

2149

01:27:43,189 --> 01:27:40,199

succeed or fail is going to depend upon

2150

01:27:44,629 --> 01:27:43,199

us well I I agree with that and I would

2151  
01:27:46,490 --> 01:27:44,639  
also have to concur with you that the

2152  
01:27:48,169 --> 01:27:46,500  
idea of the Grays being like the only

2153  
01:27:51,530 --> 01:27:48,179  
people or folks that would be coming

2154  
01:27:52,250 --> 01:27:51,540  
around here is tedious at best

2155  
01:27:54,709 --> 01:27:52,260  
um

2156  
01:27:57,290 --> 01:27:54,719  
the people that you're describing have

2157  
01:27:59,390 --> 01:27:57,300  
every possibility of existing and coming

2158  
01:28:01,850 --> 01:27:59,400  
here as much as as the Grays or anybody

2159  
01:28:04,310 --> 01:28:01,860  
else would it's a very large universe

2160  
01:28:06,290 --> 01:28:04,320  
and um I that's an old idea that's

2161  
01:28:09,410 --> 01:28:06,300  
accountable many people would disagree

2162  
01:28:12,830 --> 01:28:09,420  
with you but uh you know I know that

2163  
01:28:14,629 --> 01:28:12,840

anyway thank you thank you

2164

01:28:16,430 --> 01:28:14,639

I got two questions

2165

01:28:19,430 --> 01:28:16,440

first of all

2166

01:28:22,250 --> 01:28:19,440

the information that they gave you

2167

01:28:24,350 --> 01:28:22,260

what would be considered the priority

2168

01:28:29,270 --> 01:28:24,360

message and the second question I have

2169

01:28:33,890 --> 01:28:31,189

um you know I

2170

01:28:35,570 --> 01:28:33,900

I didn't I really didn't understand much

2171

01:28:37,010 --> 01:28:35,580

of what you said at all I don't know if

2172

01:28:38,870 --> 01:28:37,020

you have an accent or if you get too

2173

01:28:40,910 --> 01:28:38,880

close to the microphone information they

2174

01:28:44,270 --> 01:28:40,920

gave you all the information you've

2175

01:28:47,810 --> 01:28:44,280

received yes any messages all the data

2176  
01:28:49,910 --> 01:28:47,820  
information that you have received when

2177  
01:28:52,189 --> 01:28:49,920  
you were communicating with them

2178  
01:28:55,370 --> 01:28:52,199  
what could be considered the priority

2179  
01:28:59,270 --> 01:28:57,350  
the most important thing

2180  
01:29:03,110 --> 01:28:59,280  
so to speak and the second question is

2181  
01:29:05,629 --> 01:29:03,120  
what is their incentive to come here

2182  
01:29:09,590 --> 01:29:05,639  
what was their incentive to come here

2183  
01:29:12,530 --> 01:29:09,600  
oh well they whenever they come across a

2184  
01:29:13,970 --> 01:29:12,540  
civilization uh uh

2185  
01:29:16,550 --> 01:29:13,980  
um

2186  
01:29:17,990 --> 01:29:16,560  
a a a an inhabited planet with

2187  
01:29:20,750 --> 01:29:18,000  
intelligent life

2188  
01:29:21,950 --> 01:29:20,760

uh they they always monitor those who

2189

01:29:24,110 --> 01:29:21,960

whenever they're discovered they're

2190

01:29:25,490 --> 01:29:24,120

monitored so they're incentive to come

2191

01:29:28,010 --> 01:29:25,500

here is they're just simply exploring

2192

01:29:31,189 --> 01:29:28,020

the heavens they happen to they happen

2193

01:29:32,270 --> 01:29:31,199

to discover us that's that's the one

2194

01:29:34,129 --> 01:29:32,280

thing

2195

01:29:36,350 --> 01:29:34,139

um the the first part of your question

2196

01:29:39,110 --> 01:29:36,360

uh does every did everybody anybody

2197

01:29:40,970 --> 01:29:39,120

understand that to could what's the top

2198

01:29:46,750 --> 01:29:40,980

priority

2199

01:29:52,129 --> 01:29:49,669

like for example if you talk with a

2200

01:29:54,530 --> 01:29:52,139

person and the person gives you 10

2201

01:29:56,450 --> 01:29:54,540

different things to do for homework and

2202

01:29:59,169 --> 01:29:56,460

which one is the most important one that

2203

01:30:01,550 --> 01:29:59,179

you need to do first priority

2204

01:30:03,950 --> 01:30:01,560

I'm not sure I'm not sure I could answer

2205

01:30:07,490 --> 01:30:03,960

because there was no directives given at

2206

01:30:11,570 --> 01:30:07,500

all uh they simply they simply explained

2207

01:30:14,810 --> 01:30:11,580

what they're doing here and what we can

2208

01:30:16,729 --> 01:30:14,820

expect but they're not laying down any

2209

01:30:19,550 --> 01:30:16,739

laws they're not making any orders or

2210

01:30:22,189 --> 01:30:19,560

demands they're just telling us uh

2211

01:30:25,490 --> 01:30:22,199

they're just basically telling us what

2212

01:30:27,890 --> 01:30:25,500

what we can expect and again

2213

01:30:30,410 --> 01:30:27,900

I I have to go back to I have to go back

2214

01:30:33,530 --> 01:30:30,420

to my basic nature of of being a skeptic

2215

01:30:36,410 --> 01:30:33,540

uh this is I'm describing my experience

2216

01:30:37,729 --> 01:30:36,420

this is not the gospel uh I still

2217

01:30:39,050 --> 01:30:37,739

there's still a tug of war going on

2218

01:30:41,450 --> 01:30:39,060

inside me I'm still trying to come to

2219

01:30:45,050 --> 01:30:41,460

terms with this by my logical nature

2220

01:30:46,850 --> 01:30:45,060

tells me you know what what is this is I

2221

01:30:48,770 --> 01:30:46,860

mean I'll accept Madness if that's what

2222

01:30:51,890 --> 01:30:48,780

if that's what it is I'll accept Aaron

2223

01:30:53,810 --> 01:30:51,900

brain chemistry I'll accept uh a fantasy

2224

01:30:55,370 --> 01:30:53,820

conjured up by a troubled mind trying to

2225

01:30:56,990 --> 01:30:55,380

deal with deep-rooted psychological

2226

01:30:59,450 --> 01:30:57,000

problems I mean if that's what's going

2227

01:31:02,270 --> 01:30:59,460

on with me I want to know but until

2228

01:31:04,610 --> 01:31:02,280

until someone can prove to that to that

2229

01:31:06,950 --> 01:31:04,620

that to me I have to go by my sensory

2230

01:31:09,169 --> 01:31:06,960

Impressions which tell me that this is

2231

01:31:11,629 --> 01:31:09,179

the experience I had and all I can do is

2232

01:31:14,030 --> 01:31:11,639

describe it but I'm not going to I'm not

2233

01:31:16,490 --> 01:31:14,040

going to close my mind to other

2234

01:31:18,830 --> 01:31:16,500

possibilities I could be uh you know I

2235

01:31:21,470 --> 01:31:18,840

could be Satan for all I know I don't

2236

01:31:23,750 --> 01:31:21,480

know you know I'll keep my mind open to

2237

01:31:26,110 --> 01:31:23,760

I don't think I am but I'll keep my mind

2238

01:31:28,970 --> 01:31:26,120

open to it reword the question

2239

01:31:30,470 --> 01:31:28,980

let me ask you the same question in a

2240

01:31:33,050 --> 01:31:30,480

much different way

2241

01:31:34,910 --> 01:31:33,060

which one would you think was the most

2242

01:31:37,010 --> 01:31:34,920

interesting statement they have made

2243

01:31:39,950 --> 01:31:37,020

towards you

2244

01:31:39,960 --> 01:31:44,149

the most interesting statement

2245

01:31:47,450 --> 01:31:45,420

um

2246

01:31:49,610 --> 01:31:47,460

[Music]

2247

01:31:51,470 --> 01:31:49,620

I can't think of any particular

2248

01:31:56,090 --> 01:31:51,480

statement

2249

01:32:02,750 --> 01:32:00,229

I was just simply flabbergasted that

2250

01:32:05,770 --> 01:32:02,760

that this existed I've that this goes

2251

01:32:11,330 --> 01:32:05,780

against this goes against everything

2252

01:32:16,430 --> 01:32:14,030

um I I I I'm just dealing with that

2253

01:32:18,350 --> 01:32:16,440

everything they said to me was a

2254

01:32:20,149 --> 01:32:18,360

revelation everything they said was

2255

01:32:21,950 --> 01:32:20,159

important every word was important

2256

01:32:23,090 --> 01:32:21,960

because I never believed I never

2257

01:32:24,530 --> 01:32:23,100

believed they were there thought of the

2258

01:32:26,870 --> 01:32:24,540

words in the first place

2259

01:32:29,209 --> 01:32:26,880

so

2260

01:32:31,790 --> 01:32:29,219

next question okay I have two questions

2261

01:32:33,709 --> 01:32:31,800

one simple and quick and one's a little

2262

01:32:36,229 --> 01:32:33,719

more complicated the simple and quick

2263

01:32:38,149 --> 01:32:36,239

question in your book you say that these

2264

01:32:41,090 --> 01:32:38,159

verdants are the only species which has

2265

01:32:44,930 --> 01:32:41,100

colonized the universe is that accurate

2266

01:32:51,290 --> 01:32:46,250

um

2267

01:32:53,750 --> 01:32:51,300

if I recall I did I did say that I think

2268

01:32:54,350 --> 01:32:53,760

they told me I think they told me

2269

01:32:57,290 --> 01:32:54,360

um

2270

01:32:59,570 --> 01:32:57,300

you know I I know this I know the story

2271

01:33:00,890 --> 01:32:59,580

in general but the the small details get

2272

01:33:02,149 --> 01:33:00,900

away from me like whether they're 14

2273

01:33:05,030 --> 01:33:02,159

million light years away or 10 million

2274

01:33:06,890 --> 01:33:05,040

light years away if I recall uh I think

2275

01:33:11,030 --> 01:33:06,900

they are the only species that they know

2276

01:33:13,250 --> 01:33:11,040

of that have colonized uh other other

2277

01:33:16,189 --> 01:33:13,260

planets that the other species that are

2278

01:33:18,770 --> 01:33:16,199

in the Federation are basically One

2279

01:33:21,470 --> 01:33:18,780

Planet species that this is that this

2280

01:33:24,530 --> 01:33:21,480

species uh has more than one planet

2281

01:33:27,830 --> 01:33:24,540

because of its burgeoning population if

2282

01:33:30,110 --> 01:33:27,840

I recall uh

2283

01:33:31,490 --> 01:33:30,120

uh that's yes that's the answer okay and

2284

01:33:34,189 --> 01:33:31,500

secondly

2285

01:33:37,490 --> 01:33:34,199

when did you tell your wife about your

2286

01:33:39,169 --> 01:33:37,500

experiences what did that win did you

2287

01:33:43,729 --> 01:33:39,179

tell your wife about your experience

2288

01:33:47,090 --> 01:33:43,739

okay and how did she react okay

2289

01:33:48,470 --> 01:33:47,100

a gentleman and a scholar thank you

2290

01:33:52,430 --> 01:33:48,480

um

2291

01:33:55,729 --> 01:33:53,930

came back home

2292

01:33:59,750 --> 01:33:55,739

that night

2293

01:34:01,310 --> 01:33:59,760

and I have been in the den typing and I

2294

01:34:03,110 --> 01:34:01,320

knew that I was going to have to break

2295

01:34:04,910 --> 01:34:03,120

the news

2296

01:34:06,410 --> 01:34:04,920

um

2297

01:34:10,669 --> 01:34:06,420

and

2298

01:34:12,350 --> 01:34:10,679

you see I'm a very opinionated

2299

01:34:13,729 --> 01:34:12,360

I was going to say bastard but I won't

2300

01:34:15,709 --> 01:34:13,739

say that

2301  
01:34:18,110 --> 01:34:15,719  
um very opinionated person I have an

2302  
01:34:19,850 --> 01:34:18,120  
opinion on everything uh most newspaper

2303  
01:34:21,709 --> 01:34:19,860  
men do I think I mean I'll sit there and

2304  
01:34:24,470 --> 01:34:21,719  
watch the television and I'll constantly

2305  
01:34:26,229 --> 01:34:24,480  
critique it you know until she's Jesus

2306  
01:34:29,330 --> 01:34:26,239  
you know

2307  
01:34:32,629 --> 01:34:29,340  
I assumed that

2308  
01:34:34,490 --> 01:34:32,639  
I assume that because she never really

2309  
01:34:36,649 --> 01:34:34,500  
gave me an argument on everything she

2310  
01:34:40,070 --> 01:34:36,659  
agreed with everything I said

2311  
01:34:41,090 --> 01:34:40,080  
so uh so I assumed that she was a

2312  
01:34:44,209 --> 01:34:41,100  
skeptic

2313  
01:34:47,450 --> 01:34:44,219

so when she came back or when I came

2314

01:34:49,970 --> 01:34:47,460

back she and she came she came home

2315

01:34:51,890 --> 01:34:49,980

um I started softening her up over a

2316

01:34:53,689 --> 01:34:51,900

period of several days

2317

01:34:55,370 --> 01:34:53,699

um and the television was running a lot

2318

01:34:57,530 --> 01:34:55,380

on this stuff and let's say I'd say

2319

01:34:58,850 --> 01:34:57,540

something like you know what um there

2320

01:35:03,709 --> 01:34:58,860

may be something to this alien thing

2321

01:35:07,550 --> 01:35:05,330

you know that's really way out of

2322

01:35:10,310 --> 01:35:07,560

character and then maybe the next day

2323

01:35:12,110 --> 01:35:10,320

maybe the next day you know I'm not sure

2324

01:35:15,050 --> 01:35:12,120

that you know I'm not sure that all of

2325

01:35:18,950 --> 01:35:15,060

these people have can be wackos you know

2326

01:35:20,390 --> 01:35:18,960

and uh you know and then you know I

2327

01:35:21,890 --> 01:35:20,400

softened her up it's over three or four

2328

01:35:25,189 --> 01:35:21,900

days and finally I says you know what I

2329

01:35:26,990 --> 01:35:25,199

said I had a dream that uh that I was

2330

01:35:30,169 --> 01:35:27,000

that I was abducted man it was really

2331

01:35:32,930 --> 01:35:30,179

weird you know and really yeah yeah and

2332

01:35:34,729 --> 01:35:32,940

uh and then after that I said um you

2333

01:35:36,709 --> 01:35:34,739

know um

2334

01:35:38,750 --> 01:35:36,719

um I don't think it was a dream after

2335

01:35:43,490 --> 01:35:38,760

all I think it really happened

2336

01:35:44,270 --> 01:35:43,500

and uh she just you know the eyebrow and

2337

01:35:46,729 --> 01:35:44,280

um

2338

01:35:50,209 --> 01:35:46,739

and she's been she's a very loyal wife

2339

01:35:52,310 --> 01:35:50,219

we've been married 32 years and uh she

2340

01:35:54,169 --> 01:35:52,320

um although um

2341

01:35:55,520 --> 01:35:54,179

maybe this explains it she was born in

2342

01:35:59,030 --> 01:35:55,530

Mexico so she is an alien

2343

01:36:01,430 --> 01:35:59,040

[Laughter]

2344

01:36:03,169 --> 01:36:01,440

although a legal one

2345

01:36:06,229 --> 01:36:03,179

um

2346

01:36:08,450 --> 01:36:06,239

I just she she doesn't she doesn't say

2347

01:36:11,209 --> 01:36:08,460

anything she doesn't bring it up but

2348

01:36:12,590 --> 01:36:11,219

she's very quiet about it she just I

2349

01:36:15,649 --> 01:36:12,600

took a couple of books and took him to

2350

01:36:16,850 --> 01:36:15,659

her office and and and and she's a

2351

01:36:18,890 --> 01:36:16,860

chiropractor and I put them at her

2352

01:36:20,270 --> 01:36:18,900

office and finally she made them take

2353

01:36:22,250 --> 01:36:20,280

made me take them out of there because

2354

01:36:23,810 --> 01:36:22,260

she was she doesn't want to deal with

2355

01:36:27,110 --> 01:36:23,820

the questions she wanted nothing she

2356

01:36:29,930 --> 01:36:27,120

didn't want to deal with it and uh so

2357

01:36:31,850 --> 01:36:29,940

um so then I started thinking well you

2358

01:36:33,410 --> 01:36:31,860

know what maybe

2359

01:36:34,729 --> 01:36:33,420

um maybe she hasn't been the same

2360

01:36:37,070 --> 01:36:34,739

skeptic that I've been all along maybe

2361

01:36:39,350 --> 01:36:37,080

she's been a Believer all along and uh

2362

01:36:40,370 --> 01:36:39,360

and maybe she hasn't even been voting

2363

01:36:43,370 --> 01:36:40,380

the way I've been telling her for the

2364

01:36:44,890 --> 01:36:43,380

last 30 years also you know

2365

01:36:47,750 --> 01:36:44,900

you know so

2366

01:36:50,330 --> 01:36:47,760

so she she doesn't she doesn't say much

2367

01:36:51,830 --> 01:36:50,340

she supports me and and that's it maybe

2368

01:36:52,970 --> 01:36:51,840

she'll have something to say someday I

2369

01:36:55,729 --> 01:36:52,980

don't know maybe she knows something I

2370

01:37:00,229 --> 01:36:57,709

I have a couple of questions I'll just

2371

01:37:01,430 --> 01:37:00,239

there's related they're related I just

2372

01:37:03,649 --> 01:37:01,440

want to get them out you can handle them

2373

01:37:05,330 --> 01:37:03,659

in any way you wish

2374

01:37:07,370 --> 01:37:05,340

get a sense that

2375

01:37:10,610 --> 01:37:07,380

okay

2376

01:37:12,950 --> 01:37:10,620

did you get a sense that um you were the

2377

01:37:15,410 --> 01:37:12,960

only one being requested to do this

2378

01:37:17,030 --> 01:37:15,420

white paper or that other people like

2379

01:37:19,129 --> 01:37:17,040

herself perhaps in other countries or

2380

01:37:21,350 --> 01:37:19,139

continents were being asked to do the

2381

01:37:23,270 --> 01:37:21,360

same secondly you gave the impression

2382

01:37:25,070 --> 01:37:23,280

earlier you couldn't go into something

2383

01:37:28,129 --> 01:37:25,080

something has happened since your return

2384

01:37:29,870 --> 01:37:28,139

from this experience is this because you

2385

01:37:31,490 --> 01:37:29,880

understand that you are not supposed to

2386

01:37:33,350 --> 01:37:31,500

just like perhaps the ambassadors are

2387

01:37:35,090 --> 01:37:33,360

not supposed to reveal themselves for a

2388

01:37:36,830 --> 01:37:35,100

time I can't I can't answer that

2389

01:37:38,270 --> 01:37:36,840

question

2390

01:37:40,729 --> 01:37:38,280

um I could what was the first part of

2391

01:37:43,129 --> 01:37:40,739

the question um do I do I think anybody

2392

01:37:45,229 --> 01:37:43,139

else was given the the same assignment I

2393

01:37:46,850 --> 01:37:45,239

have no idea I have no idea what their

2394

01:37:49,129 --> 01:37:46,860

assignments are I know that the the

2395

01:37:51,830 --> 01:37:49,139

ambassadors are are supposed to be

2396

01:37:54,290 --> 01:37:51,840

instrumental in bringing about the the

2397

01:37:55,550 --> 01:37:54,300

um the uh the the summit conference the

2398

01:37:58,010 --> 01:37:55,560

people who are doing the supporting

2399

01:37:59,149 --> 01:37:58,020

roles such as myself I don't know what

2400

01:38:01,189 --> 01:37:59,159

the other guys are doing maybe they're

2401

01:38:02,930 --> 01:38:01,199

maybe they're supposed to be making

2402

01:38:05,149 --> 01:38:02,940

bleachers or something you know or

2403

01:38:07,250 --> 01:38:05,159

welding or something I don't I don't

2404

01:38:10,550 --> 01:38:07,260

know but I have no idea if anybody else

2405

01:38:12,950 --> 01:38:10,560

has been uh given a writing assignment

2406

01:38:14,870 --> 01:38:12,960

okay my question also concerns the

2407

01:38:17,510 --> 01:38:14,880

ambassadors you say in your book that

2408

01:38:20,629 --> 01:38:17,520

you know the whole list and who they are

2409

01:38:22,610 --> 01:38:20,639

and understandably you can't say who

2410

01:38:24,590 --> 01:38:22,620

they are because they are all prominent

2411

01:38:26,629 --> 01:38:24,600

people

2412

01:38:30,290 --> 01:38:26,639

it seems to me that the aggressive

2413

01:38:32,270 --> 01:38:30,300

political military and corporate

2414

01:38:34,610 --> 01:38:32,280

factions of the world could greatly

2415

01:38:35,689 --> 01:38:34,620

benefit from that list have you ever

2416

01:38:42,770 --> 01:38:35,699

felt

2417

01:38:48,530 --> 01:38:46,790

um um I'm I have to mull this over very

2418

01:38:50,270 --> 01:38:48,540

carefully first of all no I never I

2419

01:38:51,890 --> 01:38:50,280

never felt threatened

2420

01:38:55,310 --> 01:38:51,900

um

2421

01:39:02,169 --> 01:38:58,550

your other statements

2422

01:39:04,970 --> 01:39:02,179

I can't talk about

2423

01:39:06,950 --> 01:39:04,980

you say that I know I can only tell you

2424

01:39:08,990 --> 01:39:06,960

what's in the book I think you made some

2425

01:39:13,250 --> 01:39:09,000

statements that may not be in the book

2426

01:39:16,070 --> 01:39:13,260

which I can neither confirm nor deny all

2427

01:39:17,510 --> 01:39:16,080

I can do is is is is tell you what's in

2428

01:39:21,350 --> 01:39:17,520

the book and confirm what's in the book

2429

01:39:25,669 --> 01:39:23,570

uh are you glad this has happened to you

2430

01:39:28,490 --> 01:39:25,679

or is ignorance Bliss would you have

2431

01:39:29,030 --> 01:39:28,500

rather not have uh it's it's it's

2432

01:39:30,590 --> 01:39:29,040

um

2433

01:39:34,610 --> 01:39:30,600

you know it's something I could really

2434

01:39:37,129 --> 01:39:34,620

do without uh I I miss I I I don't like

2435

01:39:39,290 --> 01:39:37,139

the I don't like the loss of privacy I'm

2436

01:39:43,490 --> 01:39:39,300

a very private person

2437

01:39:47,390 --> 01:39:43,500

um I um I don't like I don't like being

2438

01:39:51,050 --> 01:39:47,400

isolated by people that I've been around

2439

01:39:53,450 --> 01:39:51,060

all my life uh I don't like the loss of

2440

01:39:55,070 --> 01:39:53,460

several friends that I've had to I've

2441

01:39:56,810 --> 01:39:55,080

had to suffer

2442

01:39:59,090 --> 01:39:56,820

um quite frankly

2443

01:40:01,490 --> 01:39:59,100

um uh when I try to tell other people

2444

01:40:03,229 --> 01:40:01,500

when I did when the book was was was

2445

01:40:04,910 --> 01:40:03,239

going to be published I knew I had to

2446

01:40:06,770 --> 01:40:04,920

start telling my friends and I

2447

01:40:09,470 --> 01:40:06,780

experimented with it and I I so I called

2448

01:40:10,790 --> 01:40:09,480

up a I called up a uh a relative by

2449

01:40:13,910 --> 01:40:10,800

marriage

2450

01:40:18,350 --> 01:40:13,920

um who I I I'm not very close to I don't

2451  
01:40:20,510 --> 01:40:18,360  
see often uh every every few years and I

2452  
01:40:23,270 --> 01:40:20,520  
just kind of experimented on her and I

2453  
01:40:24,649 --> 01:40:23,280  
said guess what I said I sold a book oh

2454  
01:40:27,050 --> 01:40:24,659  
that's wonderful you know he says yeah

2455  
01:40:29,030 --> 01:40:27,060  
what's it about I said uh oh it's about

2456  
01:40:30,770 --> 01:40:29,040  
alien abduction she says oh science

2457  
01:40:32,689 --> 01:40:30,780  
inspection she says all right I'm

2458  
01:40:36,290 --> 01:40:32,699  
looking forward to reading it I said

2459  
01:40:38,870 --> 01:40:36,300  
well it's it's not science fiction and

2460  
01:40:42,530 --> 01:40:38,880  
she says oh you interviewed somebody

2461  
01:40:45,530 --> 01:40:42,540  
who's been abducted and I said no it's

2462  
01:40:47,510 --> 01:40:45,540  
kind of a personal account and the

2463  
01:40:50,990 --> 01:40:47,520

conversation kind of deteriorated from

2464

01:40:53,629 --> 01:40:51,000

there and uh so

2465

01:40:54,649 --> 01:40:53,639

um so that was not a success and so I

2466

01:40:55,970 --> 01:40:54,659

thought well how am I going to tell my

2467

01:40:57,649 --> 01:40:55,980

best friends how am I going to tell my

2468

01:40:59,270 --> 01:40:57,659

family how am I going to tell uh you

2469

01:41:00,709 --> 01:40:59,280

know my my neighbors I don't have to

2470

01:41:01,810 --> 01:41:00,719

tell my neighbor's own to you know to

2471

01:41:04,430 --> 01:41:01,820

talk to them

2472

01:41:05,709 --> 01:41:04,440

but I do have to tell my family I have

2473

01:41:08,410 --> 01:41:05,719

to tell my friends

2474

01:41:12,229 --> 01:41:08,420

and quite frankly

2475

01:41:14,649 --> 01:41:12,239

some of my friends being who they are

2476

01:41:18,169 --> 01:41:14,659

and where they come from they uh

2477

01:41:19,970 --> 01:41:18,179

one was very brutal and it accused me of

2478

01:41:24,189 --> 01:41:19,980

of

2479

01:41:29,450 --> 01:41:24,199

a hoax

2480

01:41:32,330 --> 01:41:29,460

and so I simply at that point I knew

2481

01:41:35,090 --> 01:41:32,340

there was no way to really rationally

2482

01:41:37,850 --> 01:41:35,100

tell anybody about this

2483

01:41:39,950 --> 01:41:37,860

um and and uh and and and Salvage any

2484

01:41:41,750 --> 01:41:39,960

relationship the the relationship is

2485

01:41:43,850 --> 01:41:41,760

going to either it's going to survive or

2486

01:41:45,410 --> 01:41:43,860

it's going to fail uh there's nothing I

2487

01:41:46,970 --> 01:41:45,420

can do all I can do is tell them so I

2488

01:41:48,590 --> 01:41:46,980

let them draw their own conclusions if

2489

01:41:50,330 --> 01:41:48,600

they said I was a fraud and a phony

2490

01:41:52,910 --> 01:41:50,340

that's fine I didn't argue with them if

2491

01:41:55,729 --> 01:41:52,920

they said that it was nuts that's fine

2492

01:41:57,109 --> 01:41:55,739

if they just thought I was nuts or I got

2493

01:41:58,490 --> 01:41:57,119

over the deep end that's fine I didn't

2494

01:42:01,189 --> 01:41:58,500

argue with them I just simply told them

2495

01:42:03,530 --> 01:42:01,199

that I wrote this book and my step my

2496

01:42:04,910 --> 01:42:03,540

stock answer has been the book speaks

2497

01:42:06,229 --> 01:42:04,920

for itself and I'm just simply not gonna

2498

01:42:09,770 --> 01:42:06,239

I'm not gonna try to convince or

2499

01:42:13,129 --> 01:42:11,030

so

2500

01:42:14,930 --> 01:42:13,139

there are a number of areas that were

2501  
01:42:17,090 --> 01:42:14,940  
touched on tonight that you indicated

2502  
01:42:18,830 --> 01:42:17,100  
you cannot talk about and I get the

2503  
01:42:22,070 --> 01:42:18,840  
impression it was because you were told

2504  
01:42:24,290 --> 01:42:22,080  
not to talk about these areas that

2505  
01:42:27,189 --> 01:42:24,300  
perhaps a public that would ask about

2506  
01:42:30,410 --> 01:42:27,199  
them like I am uh are not ready to hear

2507  
01:42:32,330 --> 01:42:30,420  
is there any explanation as to why you

2508  
01:42:34,930 --> 01:42:32,340  
can't talk about these areas

2509  
01:42:37,609 --> 01:42:34,940  
no

2510  
01:42:40,310 --> 01:42:37,619  
okay do you realize that this kind of

2511  
01:42:42,169 --> 01:42:40,320  
reaction to an open question by a human

2512  
01:42:44,390 --> 01:42:42,179  
about something that could be visiting

2513  
01:42:46,609 --> 01:42:44,400

our planet is one of the exact reasons

2514

01:42:49,430 --> 01:42:46,619

that we have problems uh with the field

2515

01:42:52,250 --> 01:42:49,440

do you realize that uh repeat the

2516

01:42:54,890 --> 01:42:52,260

question please the re the kind of the

2517

01:42:56,570 --> 01:42:54,900

way you're cutting off information is

2518

01:42:59,149 --> 01:42:56,580

one of the things that people in this

2519

01:43:01,250 --> 01:42:59,159

field have had to fight uh over and over

2520

01:43:03,950 --> 01:43:01,260

again in order to try to find out what's

2521

01:43:06,350 --> 01:43:03,960

really going on and so my question is

2522

01:43:07,149 --> 01:43:06,360

why would they cut off a piece of

2523

01:43:10,129 --> 01:43:07,159

information

2524

01:43:11,390 --> 01:43:10,139

through someone like you was supposedly

2525

01:43:13,010 --> 01:43:11,400

a conduit

2526

01:43:15,050 --> 01:43:13,020

I think you're reading yeah I think

2527

01:43:17,450 --> 01:43:15,060

you're reading uh more into it than I've

2528

01:43:19,729 --> 01:43:17,460

said I I never said that I was told that

2529

01:43:21,649 --> 01:43:19,739

I can't talk about this well that's what

2530

01:43:26,149 --> 01:43:21,659

I'm asking were you told

2531

01:43:30,830 --> 01:43:29,030

because I I'm a person that

2532

01:43:31,790 --> 01:43:30,840

is a reporter I'm also a writer and

2533

01:43:34,129 --> 01:43:31,800

reporter

2534

01:43:36,890 --> 01:43:34,139

I understand and uh it's the same it's

2535

01:43:39,530 --> 01:43:36,900

the same uh I I you know I I mentioned

2536

01:43:42,530 --> 01:43:39,540

this and and and so people immediately

2537

01:43:43,729 --> 01:43:42,540

said why what happened and I said I

2538

01:43:45,050 --> 01:43:43,739

can't answer it I can't answer I can't

2539

01:43:46,490 --> 01:43:45,060

answer they can go on all day I can't

2540

01:43:50,450 --> 01:43:46,500

answer it

2541

01:43:51,830 --> 01:43:50,460

are we done thank you I hope that one

2542

01:43:54,290 --> 01:43:51,840

day you'll be able to tell us those

2543

01:43:56,629 --> 01:43:54,300

things that you can't tell us tonight I

2544

01:43:58,160 --> 01:43:56,639

think I will be yes so thank you for
