

1
00:00:03,230 --> 00:00:01,670
Zara

2
00:00:04,430 --> 00:00:03,240
and wanted me to go down and interview

3
00:00:06,769 --> 00:00:04,440
US

4
00:00:08,990 --> 00:00:06,779
well a couple days later her husband

5
00:00:10,910 --> 00:00:09,000
called back up and he said forget it it

6
00:00:14,629 --> 00:00:10,920
says she didn't see anything she says

7
00:00:16,189 --> 00:00:14,639
I'm her diet military Colonel and

8
00:00:19,730 --> 00:00:16,199
it wasn't anything it was just a

9
00:00:24,890 --> 00:00:22,189
I used to have the 45th and

10
00:00:28,310 --> 00:00:24,900
division look did you

11
00:00:30,170 --> 00:00:28,320
you remember Wayne and Sue von

12
00:00:31,849 --> 00:00:30,180
they used to come back here when peace

13
00:00:33,950 --> 00:00:31,859

was out here he was a lieutenant colonel

14

00:00:36,410 --> 00:00:33,960

yeah

15

00:00:38,389 --> 00:00:36,420

I mean I have the 45th air division here

16

00:00:40,190 --> 00:00:38,399

every Sunday morning for waffles and

17

00:00:42,350 --> 00:00:40,200

champagne

18

00:00:44,030 --> 00:00:42,360

and you were teaching them and they oh

19

00:00:44,990 --> 00:00:44,040

Elizabeth probably the only person in

20

00:00:47,389 --> 00:00:45,000

the world

21

00:00:50,450 --> 00:00:47,399

who has been paid by the Air Force to go

22

00:00:54,229 --> 00:00:50,460

to different Air Force bases

23

00:00:56,029 --> 00:00:54,239

and lecture to them on UFOs

24

00:00:57,170 --> 00:00:56,039

that's what I try and tell people in the

25

00:00:58,970 --> 00:00:57,180

government that the government doesn't

26
00:01:14,350 --> 00:00:58,980
know what the government knows I mean

27
00:01:14,360 --> 00:01:26,810
who is that that's either yeah

28
00:01:26,820 --> 00:01:30,289
what's wrong Sylvia

29
00:01:30,299 --> 00:01:34,530
I don't think it was locked

30
00:01:34,540 --> 00:01:44,149
[Music]

31
00:01:44,159 --> 00:01:48,530
you must be feeling better yeah yeah

32
00:01:56,090 --> 00:01:51,350
how you doing remember dick

33
00:02:01,130 --> 00:01:58,730
yeah I'm doing an interview I left you a

34
00:02:03,289 --> 00:02:01,140
note though yeah I see it I mean okay

35
00:02:05,270 --> 00:02:03,299
I'll talk to you later oh I think I'm

36
00:02:13,490 --> 00:02:05,280
not sure but I think Daphne

37
00:02:19,430 --> 00:02:15,130
okay

38
00:02:27,710 --> 00:02:19,440

she said that she's moving in with a uh

39

00:02:27,720 --> 00:02:30,710

so

40

00:02:36,410 --> 00:02:34,130

I'm kidding we're set to go and

41

00:02:44,770 --> 00:02:36,420

I was gonna go comb my hair sure

42

00:02:51,550 --> 00:02:48,770

before no so I've absolutely seen her

43

00:02:55,309 --> 00:02:51,560

and read the accountant

44

00:02:58,490 --> 00:02:55,319

[Music]

45

00:03:30,949 --> 00:02:58,500

and interestingly enough isn't it and uh

46

00:03:36,649 --> 00:03:33,850

that's the same as she's been born

47

00:03:39,290 --> 00:03:36,659

maybe that's the way to control her I

48

00:03:41,750 --> 00:03:39,300

love my snack

49

00:03:45,050 --> 00:03:41,760

being polite

50

00:03:46,210 --> 00:03:45,060

sometimes it's the only way

51
00:03:49,850 --> 00:03:46,220
okay

52
00:03:52,930 --> 00:03:49,860
and we're set to go that was scary how

53
00:03:55,309 --> 00:03:52,940
much they don't dare to be mentally ill

54
00:03:58,550 --> 00:03:55,319
you want to shoot yourself would you

55
00:04:04,430 --> 00:04:00,229
sorry you'll have to buy the bullets

56
00:04:10,630 --> 00:04:06,470
we're talking with Betty Hill

57
00:04:13,490 --> 00:04:10,640
famous and first abductee September 19

58
00:04:15,649 --> 00:04:13,500
1961. Betty while driving with her

59
00:04:18,289 --> 00:04:15,659
husband Barney was heading south from

60
00:04:19,490 --> 00:04:18,299
Canada right when very early in the

61
00:04:21,110 --> 00:04:19,500
morning

62
00:04:23,629 --> 00:04:21,120
you saw a strange light behind the car

63
00:04:25,730 --> 00:04:23,639

it was September 19th but what time was

64

00:04:29,570 --> 00:04:25,740

that Betty that this light behind the

65

00:04:32,810 --> 00:04:29,580

car appeared well we would cross over

66

00:04:34,670 --> 00:04:32,820

the border into New Hampshire and I

67

00:04:37,629 --> 00:04:34,680

think we started to see this light

68

00:04:41,090 --> 00:04:37,639

following actually in the very beginning

69

00:04:42,469 --> 00:04:41,100

I noticed a bright light in the sky and

70

00:04:45,530 --> 00:04:42,479

I thought I was discovering a new

71

00:04:48,830 --> 00:04:45,540

climate until it started to move

72

00:04:49,909 --> 00:04:48,840

and this was about oh 10 30 11 o'clock

73

00:04:52,550 --> 00:04:49,919

at night

74

00:04:54,050 --> 00:04:52,560

so we start the car and got out

75

00:04:55,670 --> 00:04:54,060

just

76

00:04:58,550 --> 00:04:55,680

see what this

77

00:05:01,010 --> 00:04:58,560

we thought it was a plane so we start

78

00:05:03,710 --> 00:05:01,020

the car to get out to look at it

79

00:05:05,990 --> 00:05:03,720

and that's when it changed Direction and

80

00:05:09,650 --> 00:05:06,000

started coming in towards us

81

00:05:11,629 --> 00:05:09,660

now that was about the Lancaster area

82

00:05:14,450 --> 00:05:11,639

so and then it followed us for about 30

83

00:05:15,770 --> 00:05:14,460

miles Haystack high and all the while

84

00:05:17,749 --> 00:05:15,780

you were morning were discussing it what

85

00:05:19,430 --> 00:05:17,759

is this what is that yeah see Bobby

86

00:05:22,129 --> 00:05:19,440

didn't robot too

87

00:05:25,310 --> 00:05:22,139

ain't no planes and he's trying to

88

00:05:27,110 --> 00:05:25,320

identify this and it's flying in a very

89

00:05:29,930 --> 00:05:27,120

erratic manner

90

00:05:31,850 --> 00:05:29,940

which was very puzzling to us but this

91

00:05:34,129 --> 00:05:31,860

is 61.

92

00:05:36,529 --> 00:05:34,139

we'd heard you have well actually in

93

00:05:38,510 --> 00:05:36,539

those days they call them flying saucers

94

00:05:40,010 --> 00:05:38,520

we had no idea what a flying saucer

95

00:05:42,830 --> 00:05:40,020

looked like

96

00:05:45,469 --> 00:05:42,840

but we were but we had no fear

97

00:05:48,409 --> 00:05:45,479

just curiosity we're trying to identify

98

00:05:54,529 --> 00:05:51,170

you go on in the road you decide to pull

99

00:05:57,830 --> 00:05:54,539

over Barney gets out of the car actually

100

00:05:59,270 --> 00:05:57,840

that was in the Indian Head area am I

101
00:06:01,070 --> 00:05:59,280
preceding something here when you

102
00:06:03,950 --> 00:06:01,080
encountered alien entities or was this

103
00:06:07,310 --> 00:06:03,960
after uh no this is the next step okay

104
00:06:07,909 --> 00:06:07,320
in the Indian Head area

105
00:06:10,730 --> 00:06:07,919
um

106
00:06:13,850 --> 00:06:10,740
I'm trying to attract the attention of

107
00:06:16,210 --> 00:06:13,860
this craft I'm telling it come on in hi

108
00:06:18,710 --> 00:06:16,220
I got the window down I'm yelling to it

109
00:06:22,010 --> 00:06:18,720
who are you

110
00:06:23,390 --> 00:06:22,020
my couch all kinds of stuff

111
00:06:25,430 --> 00:06:23,400
the uh

112
00:06:28,189 --> 00:06:25,440
and at that point it left the top of the

113
00:06:30,710 --> 00:06:28,199

mountain came out over the highway and

114

00:06:33,950 --> 00:06:30,720

stopped in mid-air directly in front of

115

00:06:37,909 --> 00:06:33,960

us maybe about 50 feet in the sky

116

00:06:40,189 --> 00:06:37,919

so Bonnie got out with the binoculars in

117

00:06:42,170 --> 00:06:40,199

an attempt to identify the craft

118

00:06:44,450 --> 00:06:42,180

and when he looked up

119

00:06:45,830 --> 00:06:44,460

these are a circular

120

00:06:47,870 --> 00:06:45,840

window

121

00:06:50,330 --> 00:06:47,880

with a bright light behind it and he saw

122

00:06:52,309 --> 00:06:50,340

these men standing behind the window

123

00:06:54,529 --> 00:06:52,319

looking down at him

124

00:06:56,029 --> 00:06:54,539

and at that point the craft began to

125

00:06:58,010 --> 00:06:56,039

descend

126

00:07:00,170 --> 00:06:58,020

and he became frightened

127

00:07:02,390 --> 00:07:00,180

ran back to the car saying he thought

128

00:07:04,249 --> 00:07:02,400

they were trying to capture him

129

00:07:05,930 --> 00:07:04,259

so we got in the car and we were

130

00:07:07,129 --> 00:07:05,940

speeding down the highway to avoid

131

00:07:09,110 --> 00:07:07,139

capture

132

00:07:12,529 --> 00:07:09,120

and

133

00:07:14,510 --> 00:07:12,539

as a driving along is beeping sounds

134

00:07:15,890 --> 00:07:14,520

that sounds like something was hitting

135

00:07:17,270 --> 00:07:15,900

the trunk of the car and the car

136

00:07:19,129 --> 00:07:17,280

vibrated

137

00:07:20,990 --> 00:07:19,139

and then we drove along for about

138

00:07:24,770 --> 00:07:21,000

another 30 miles

139

00:07:27,830 --> 00:07:24,780

when Bonnie turned off onto a side road

140

00:07:28,670 --> 00:07:27,840

and he was a group of men he'd seen on

141

00:07:30,670 --> 00:07:28,680

The Craft

142

00:07:32,930 --> 00:07:30,680

standing in the middle of this road

143

00:07:35,689 --> 00:07:32,940

blocking our way

144

00:07:38,689 --> 00:07:35,699

and naturally he had to stop the car

145

00:07:40,610 --> 00:07:38,699

and they came up in two groups took us

146

00:07:43,969 --> 00:07:40,620

out of the car passed in the woods to

147

00:07:47,210 --> 00:07:45,469

at that point

148

00:07:48,770 --> 00:07:47,220

strange thoughts started going through

149

00:07:49,969 --> 00:07:48,780

your heads thoughts that weren't your

150

00:07:50,809 --> 00:07:49,979

own

151

00:07:53,510 --> 00:07:50,819

um

152

00:07:56,150 --> 00:07:53,520

did you have some sort of telepathic

153

00:07:58,490 --> 00:07:56,160

communication with these entities or all

154

00:08:00,890 --> 00:07:58,500

our communication was durable verbal

155

00:08:03,770 --> 00:08:00,900

right oh interesting yep it spoke

156

00:08:06,290 --> 00:08:03,780

English in a limited way

157

00:08:07,909 --> 00:08:06,300

like you know a foreigner coming here

158

00:08:10,430 --> 00:08:07,919

and not too well acquainted with our

159

00:08:13,309 --> 00:08:10,440

language but in the same time using

160

00:08:15,710 --> 00:08:13,319

common colloquialisms of the day like

161

00:08:21,050 --> 00:08:15,720

you'll be back in no time or something

162

00:08:25,610 --> 00:08:23,930

well in the very first part they put us

163

00:08:26,689 --> 00:08:25,620

in they had us under some kind of

164

00:08:28,850 --> 00:08:26,699

control

165

00:08:31,209 --> 00:08:28,860

and I brought myself out of this but

166

00:08:34,430 --> 00:08:31,219

Barney was only able to bring himself

167

00:08:36,649 --> 00:08:34,440

partly out of it so that I was just as

168

00:08:39,769 --> 00:08:36,659

conscious as I am right now

169

00:08:41,750 --> 00:08:39,779

they walk you into the craft up around

170

00:08:43,010 --> 00:08:41,760

that landed craft this is right off

171

00:08:45,170 --> 00:08:43,020

Route three well actually you didn't

172

00:08:47,570 --> 00:08:45,180

know where you were at that point

173

00:08:50,570 --> 00:08:47,580

um yeah but but right after move three

174

00:08:52,250 --> 00:08:50,580

so it they walk you up this ramp

175

00:08:54,710 --> 00:08:52,260

you brought in and what what did they

176
00:08:57,470 --> 00:08:54,720
say they were going to do with you well

177
00:08:58,790 --> 00:08:57,480
when we got up to the door I was not

178
00:09:00,590 --> 00:08:58,800
going to go in

179
00:09:03,290 --> 00:09:00,600
so I sacked them

180
00:09:05,509 --> 00:09:03,300
punched the entity yeah

181
00:09:08,090 --> 00:09:05,519
um in fact I put out such a battle that

182
00:09:09,949 --> 00:09:08,100
my dress is badly torn

183
00:09:13,490 --> 00:09:09,959
and he said

184
00:09:15,350 --> 00:09:13,500
you know come on all we want to do is

185
00:09:17,750 --> 00:09:15,360
some simple tests

186
00:09:19,130 --> 00:09:17,760
and as soon as a tests are over you

187
00:09:20,690 --> 00:09:19,140
we'll take you back to your car and

188
00:09:22,550 --> 00:09:20,700

you'll be on your way

189

00:09:23,449 --> 00:09:22,560

let's just go back to those type of

190

00:09:25,610 --> 00:09:23,459

entities

191

00:09:28,670 --> 00:09:25,620

um they were your classic alien

192

00:09:30,470 --> 00:09:28,680

gray-shaped cat like that it works okay

193

00:09:32,150 --> 00:09:30,480

thank you therefore I'm a human being

194

00:09:34,310 --> 00:09:32,160

there were there were a form of human

195

00:09:36,949 --> 00:09:34,320

beings right did they have cat like or

196

00:09:40,430 --> 00:09:36,959

Cheshire like eyes they had larger eyes

197

00:09:43,250 --> 00:09:40,440

than I was smaller nose and swallow

198

00:09:46,310 --> 00:09:43,260

mouth no protruding part of the ear or

199

00:09:48,829 --> 00:09:46,320

no hair so many people Nothing Like

200

00:09:50,329 --> 00:09:48,839

These classic Grays used I don't know

201
00:09:52,250 --> 00:09:50,339
I've never seen those I don't know what

202
00:09:53,870 --> 00:09:52,260
they're talking about okay

203
00:09:56,750 --> 00:09:53,880
um there was a leader

204
00:10:01,009 --> 00:09:56,760
oh well so we

205
00:10:02,810 --> 00:10:01,019
we gave them different names to identify

206
00:10:04,610 --> 00:10:02,820
now I don't know if he was a leader or

207
00:10:06,710 --> 00:10:04,620
The Interpreter

208
00:10:08,389 --> 00:10:06,720
but we called him the leader and then

209
00:10:10,370 --> 00:10:08,399
there was the one who did the testing we

210
00:10:13,009 --> 00:10:10,380
called him The Examiner

211
00:10:14,930 --> 00:10:13,019
there were nine others who stayed out in

212
00:10:17,269 --> 00:10:14,940
the corridor and we call them the crew

213
00:10:21,230 --> 00:10:19,310

so you're on board what do you remember

214

00:10:23,570 --> 00:10:21,240

what you saw when you entered the craft

215

00:10:25,430 --> 00:10:23,580

did something must have taken taken you

216

00:10:26,990 --> 00:10:25,440

a vaccine this is amazing or what type

217

00:10:29,030 --> 00:10:27,000

of craft am I inside can you can you

218

00:10:30,050 --> 00:10:29,040

describe as to what you collectively

219

00:10:33,050 --> 00:10:30,060

remember

220

00:10:36,410 --> 00:10:33,060

one end to a corridor

221

00:10:39,410 --> 00:10:36,420

and then I was taken into a room and I

222

00:10:41,690 --> 00:10:39,420

had to step up because the floor level

223

00:10:44,090 --> 00:10:41,700

of the floor was above the corridor and

224

00:10:47,329 --> 00:10:44,100

it was an oval-shaped though like we

225

00:10:50,750 --> 00:10:49,250

do you remember at that point did they

226

00:10:53,389 --> 00:10:50,760

specify what their agenda at that point

227

00:10:56,750 --> 00:10:53,399

was were you going immediately in for

228

00:10:59,449 --> 00:10:56,760

the examination or they had taken us

229

00:11:01,430 --> 00:10:59,459

strictly to to actually they wanted to

230

00:11:04,310 --> 00:11:01,440

find out how we would like them or

231

00:11:05,690 --> 00:11:04,320

different from them physically yeah did

232

00:11:07,610 --> 00:11:05,700

you feel that you were chosen for this

233

00:11:09,290 --> 00:11:07,620

or you happen to be in the wrong area at

234

00:11:10,970 --> 00:11:09,300

the wrong time or the right area at the

235

00:11:16,670 --> 00:11:10,980

right time

236

00:11:19,069 --> 00:11:16,680

in the right area but I think we uh I

237

00:11:21,590 --> 00:11:19,079

brought it on myself you know I'm waving

238

00:11:24,470 --> 00:11:21,600

to him and yelling to him and like who

239

00:11:26,509 --> 00:11:24,480

are you and oh you get into the

240

00:11:28,490 --> 00:11:26,519

examination room you're separated from

241

00:11:29,690 --> 00:11:28,500

Barney right he's taken into the second

242

00:11:31,850 --> 00:11:29,700

room

243

00:11:33,889 --> 00:11:31,860

your examination and again all this

244

00:11:36,949 --> 00:11:33,899

comes out in later dreams and hypnosis

245

00:11:40,370 --> 00:11:36,959

but uh immediately do they remove your

246

00:11:42,290 --> 00:11:40,380

clothes and perform what happens you'll

247

00:11:44,710 --> 00:11:42,300

have to I'm I'm tainted by all the

248

00:11:47,050 --> 00:11:44,720

popular law of abduction stories

249

00:11:49,550 --> 00:11:47,060

I don't know anything about those things

250

00:11:51,410 --> 00:11:49,560

you're better off

251
00:11:55,370 --> 00:11:51,420
but uh

252
00:11:56,569 --> 00:11:55,380
I was taken into this first room and uh

253
00:12:01,850 --> 00:11:56,579
it was

254
00:12:04,069 --> 00:12:01,860
was a stool and then the wall

255
00:12:07,130 --> 00:12:04,079
the donut they were doze in the wall

256
00:12:10,190 --> 00:12:07,140
that would slide back and forth and they

257
00:12:14,030 --> 00:12:10,200
put me on a stool checked my eyes ears

258
00:12:15,290 --> 00:12:14,040
nose throat my feet my hands

259
00:12:17,269 --> 00:12:15,300
and then

260
00:12:19,730 --> 00:12:17,279
he put me on a table and said they were

261
00:12:21,710 --> 00:12:19,740
going to check my nervous system and

262
00:12:22,670 --> 00:12:21,720
they used some kind of equipment to do

263
00:12:24,769 --> 00:12:22,680

this

264

00:12:26,990 --> 00:12:24,779

and then he tried to insert a

265

00:12:28,130 --> 00:12:27,000

needle-like instrument in my navel which

266

00:12:31,670 --> 00:12:28,140

caused pain

267

00:12:33,889 --> 00:12:31,680

so they stopped doing it and uh

268

00:12:35,810 --> 00:12:33,899

then the examiner left went into the

269

00:12:37,970 --> 00:12:35,820

room wherever he was

270

00:12:39,769 --> 00:12:37,980

can you describe what was happening to

271

00:12:42,230 --> 00:12:39,779

Barney what Barney recalled under

272

00:12:44,449 --> 00:12:42,240

hypnosis some what was going on at the

273

00:12:46,610 --> 00:12:44,459

same time in his examination room uh

274

00:12:49,310 --> 00:12:46,620

would by any most of the exam was a

275

00:12:50,990 --> 00:12:49,320

savings mine except uh

276

00:12:53,389 --> 00:12:51,000

they were interested in this bone

277

00:12:56,530 --> 00:12:53,399

structure I mean they were feeling all

278

00:12:59,810 --> 00:12:56,540

up and down his spine his arms and all

279

00:13:01,610 --> 00:12:59,820

basically did Barney recall any struggle

280

00:13:03,470 --> 00:13:01,620

akin to the struggle that you had where

281

00:13:06,110 --> 00:13:03,480

you had a corn no because they had him

282

00:13:07,790 --> 00:13:06,120

under this control and he was

283

00:13:09,590 --> 00:13:07,800

uh

284

00:13:11,930 --> 00:13:09,600

but very upsetting to him because he

285

00:13:15,050 --> 00:13:11,940

couldn't move so he they hit they had

286

00:13:17,030 --> 00:13:15,060

implemented paralysis uh um some sort of

287

00:13:19,069 --> 00:13:17,040

temporary Paralysis on Barney to subdue

288

00:13:20,629 --> 00:13:19,079

him whereas to you they gave you a

289

00:13:22,850 --> 00:13:20,639

little more leeway as far as you weren't

290

00:13:25,310 --> 00:13:22,860

well I'm sorry you know I was smaller

291

00:13:27,470 --> 00:13:25,320

than Bonnie so I didn't get a big dose

292

00:13:29,449 --> 00:13:27,480

of heroin so they saw him as more of a

293

00:13:31,009 --> 00:13:29,459

fear perhaps it was bigger than them

294

00:13:33,949 --> 00:13:31,019

Paula

295

00:13:37,310 --> 00:13:33,959

your examination concludes then what

296

00:13:40,190 --> 00:13:37,320

happens well well the examiner is in

297

00:13:43,190 --> 00:13:40,200

doing Bonnie's exam I started talking

298

00:13:45,470 --> 00:13:43,200

with the leader and I said

299

00:13:47,030 --> 00:13:45,480

I know you're not from this planet

300

00:13:49,250 --> 00:13:47,040

where are you from

301
00:13:52,069 --> 00:13:49,260
and he showed me a sound map

302
00:13:53,810 --> 00:13:52,079
and he explained part of the map to me

303
00:13:56,930 --> 00:13:53,820
briefly

304
00:13:58,430 --> 00:13:56,940
um and then we just talked about food

305
00:14:01,550 --> 00:13:58,440
and

306
00:14:03,710 --> 00:14:01,560
different aspects of life here

307
00:14:06,230 --> 00:14:03,720
you know and what

308
00:14:08,990 --> 00:14:06,240
give me something like what led to the

309
00:14:11,269 --> 00:14:09,000
food was the examiner came running back

310
00:14:13,970 --> 00:14:11,279
into the room where I was I started

311
00:14:15,769 --> 00:14:13,980
tugging at my teeth

312
00:14:17,990 --> 00:14:15,779
and

313
00:14:21,290 --> 00:14:18,000

he wanted to know why Bonnie's teeth

314

00:14:23,329 --> 00:14:21,300

were removable and mine were not

315

00:14:25,970 --> 00:14:23,339

and the story is Barney had Dentures

316

00:14:28,250 --> 00:14:25,980

yeah yeah during World War II

317

00:14:30,829 --> 00:14:28,260

Bonnie got too close to a hand grenade

318

00:14:33,290 --> 00:14:30,839

and knocked his teeth out

319

00:14:35,389 --> 00:14:33,300

and they that they were totally confused

320

00:14:38,150 --> 00:14:35,399

that was very puzzling tool yeah and

321

00:14:41,269 --> 00:14:38,160

humorous yeah any other instances that

322

00:14:43,370 --> 00:14:41,279

that something that as a human you took

323

00:14:45,110 --> 00:14:43,380

so General as a characteristic that you

324

00:14:47,090 --> 00:14:45,120

never thought of it that they got

325

00:14:49,069 --> 00:14:47,100

confused by almost child liking you know

326

00:14:50,210 --> 00:14:49,079

akin to the Denture incident because was

327

00:14:52,550 --> 00:14:50,220

there anything else like that they

328

00:14:54,949 --> 00:14:52,560

seemed like boy you don't know that but

329

00:14:56,090 --> 00:14:54,959

you can recall yeah well I was sort of

330

00:14:58,449 --> 00:14:56,100

disappointed I didn't know anything

331

00:15:01,850 --> 00:14:58,459

about the solar system

332

00:15:04,850 --> 00:15:01,860

okay I think they really expected me to

333

00:15:06,650 --> 00:15:04,860

be able to identify the map they were

334

00:15:08,930 --> 00:15:06,660

actually actually upset that you didn't

335

00:15:11,569 --> 00:15:08,940

recognize their home let's go to that

336

00:15:14,870 --> 00:15:11,579

Marjorie fish a months later or years

337

00:15:16,730 --> 00:15:14,880

later years later under hypnosis

338

00:15:18,769 --> 00:15:16,740

tries to induce you under hypnosis to

339

00:15:21,110 --> 00:15:18,779

redraw that no no no no no maybe you can

340

00:15:24,430 --> 00:15:21,120

go over that uh

341

00:15:27,590 --> 00:15:24,440

Dr Simon at the time

342

00:15:29,750 --> 00:15:27,600

Dr Benjamin Simon

343

00:15:31,490 --> 00:15:29,760

said that

344

00:15:33,829 --> 00:15:31,500

during the week

345

00:15:35,810 --> 00:15:33,839

if I wanted to I would be able to

346

00:15:37,490 --> 00:15:35,820

remember the star map

347

00:15:39,590 --> 00:15:37,500

and I would SketchUp

348

00:15:41,569 --> 00:15:39,600

but I was not to think about it I would

349

00:15:43,910 --> 00:15:41,579

just to let my hands go ahead and draw

350

00:15:46,250 --> 00:15:43,920

it which I did

351

00:15:49,329 --> 00:15:46,260

that was in 1965.

352

00:15:51,769 --> 00:15:49,339

20 years after the incident no 1969

353

00:15:52,670 --> 00:15:51,779

Madre fish came here and stayed a few

354

00:15:53,930 --> 00:15:52,680

days

355

00:15:56,150 --> 00:15:53,940

and

356

00:15:57,350 --> 00:15:56,160

asked me all kinds of questions hours

357

00:15:59,389 --> 00:15:57,360

and hours

358

00:16:02,329 --> 00:15:59,399

which he taped

359

00:16:05,509 --> 00:16:02,339

and then use that to go back home

360

00:16:08,090 --> 00:16:05,519

and took your message did the research

361

00:16:10,610 --> 00:16:08,100

on it and identified the areas the area

362

00:16:12,290 --> 00:16:10,620

of the storm out which she said was in

363

00:16:15,650 --> 00:16:12,300

the constellation that we know

364

00:16:18,650 --> 00:16:15,660

reticulous in the star system was Zeta

365

00:16:21,230 --> 00:16:18,660

Zeta ridiculite yep

366

00:16:23,269 --> 00:16:21,240

um the and from that point do you

367

00:16:25,569 --> 00:16:23,279

remember the mentioning Zeta reticuli or

368

00:16:29,750 --> 00:16:25,579

is that a terminology that we uh

369

00:16:31,910 --> 00:16:29,760

I would have no idea what that means

370

00:16:34,730 --> 00:16:31,920

and to remember what type of star system

371

00:16:37,310 --> 00:16:34,740

was it a white star was it a yellow star

372

00:16:39,470 --> 00:16:37,320

a red giant to recall what type of star

373

00:16:41,749 --> 00:16:39,480

or anything it's uh

374

00:16:44,810 --> 00:16:41,759

I don't know but I do know

375

00:16:47,269 --> 00:16:44,820

that our astronomers believe that the

376

00:16:49,430 --> 00:16:47,279

Stars on my map were the ones most

377

00:16:52,069 --> 00:16:49,440

likely to have what have planets and

378

00:16:54,530 --> 00:16:52,079

have Life as We Know It And so they're

379

00:16:57,590 --> 00:16:54,540

and they may be younger Stars hotter

380

00:17:01,009 --> 00:16:57,600

Stars actually uh

381

00:17:03,110 --> 00:17:01,019

we're we're believed to be 4.6 billion

382

00:17:04,970 --> 00:17:03,120

years old or 20 billion it seems that we

383

00:17:07,669 --> 00:17:04,980

age a million years every five years so

384

00:17:10,370 --> 00:17:07,679

but actually Zeta reticulate we believe

385

00:17:11,329 --> 00:17:10,380

you know with the belief we don't know

386

00:17:13,909 --> 00:17:11,339

for sure

387

00:17:16,130 --> 00:17:13,919

we believe it's about 11 billion years

388

00:17:17,990 --> 00:17:16,140

old so a lot they've been around a lot

389

00:17:20,449 --> 00:17:18,000

longer than we have twice is over twice

390

00:17:24,650 --> 00:17:20,459

as long and then the um the chance to to

391

00:17:26,569 --> 00:17:24,660

evolutionize to to project so the this

392

00:17:28,610 --> 00:17:26,579

puzzling incident uh you're examined you

393

00:17:29,930 --> 00:17:28,620

get a tour of the spaceship for the

394

00:17:31,789 --> 00:17:29,940

craft did you did they show you anything

395

00:17:34,730 --> 00:17:31,799

it's just only on a need to know basis

396

00:17:36,830 --> 00:17:34,740

yes the one room I was in the

397

00:17:38,930 --> 00:17:36,840

interaction with you and the question

398

00:17:41,870 --> 00:17:38,940

answer session was more than Barney they

399

00:17:45,049 --> 00:17:41,880

did not give Barney the opportunity to

400

00:17:46,430 --> 00:17:45,059

inquire nope there was no conversation

401
00:17:48,890 --> 00:17:46,440
with Bobby

402
00:17:53,450 --> 00:17:48,900
you I enjoyed myself I had a great time

403
00:17:55,250 --> 00:17:53,460
he joked we kided really yeah I invited

404
00:17:57,890 --> 00:17:55,260
him to come back I can say please please

405
00:17:59,810 --> 00:17:57,900
please come back oh I had so many

406
00:18:01,610 --> 00:17:59,820
friends who would love to meet you so

407
00:18:05,090 --> 00:18:01,620
this was not a traumatic experience at

408
00:18:07,310 --> 00:18:05,100
all it was an enlightening experience oh

409
00:18:08,990 --> 00:18:07,320
it's spiritually uplifting right perhaps

410
00:18:12,110 --> 00:18:09,000
right it would nobody could tell me

411
00:18:15,650 --> 00:18:12,120
there's not life on other planets

412
00:18:18,230 --> 00:18:15,660
same time it seems that 36 hours after

413
00:18:21,409 --> 00:18:18,240

the sighting is on record according to

414

00:18:24,529 --> 00:18:21,419

Jacques ballet at 2 14 A.M

415

00:18:27,409 --> 00:18:24,539

peace Air Force was tracking

416

00:18:28,190 --> 00:18:27,419

an unknown object oh yeah I told him

417

00:18:30,710 --> 00:18:28,200

that

418

00:18:34,010 --> 00:18:30,720

uh peace amplifies released the radar

419

00:18:36,430 --> 00:18:34,020

report well they tracked his craft

420

00:18:39,169 --> 00:18:36,440

it's like two planes out to check it out

421

00:18:41,390 --> 00:18:39,179

and the reports of the pilots are still

422

00:18:43,430 --> 00:18:41,400

classified so we know they just saw it

423

00:18:45,590 --> 00:18:43,440

it's a skeptic that kind of knocks them

424

00:18:48,710 --> 00:18:45,600

out of the water then uh if

425

00:18:51,230 --> 00:18:48,720

if for you to guess if you if this were

426

00:18:52,430 --> 00:18:51,240

a concocted story boy you know your

427

00:18:53,990 --> 00:18:52,440

stuff where you've it's a pretty well

428

00:18:56,450 --> 00:18:54,000

orchestrated event to have peas

429

00:19:00,110 --> 00:18:56,460

Personnel involved into that Betty and

430

00:19:02,630 --> 00:19:00,120

Barney uh you know Betty uh Bonnie was a

431

00:19:04,549 --> 00:19:02,640

postal worker yeah postal worker

432

00:19:06,110 --> 00:19:04,559

um you're involved in real estate and

433

00:19:07,970 --> 00:19:06,120

that you pulled off a grand hoax with

434

00:19:09,770 --> 00:19:07,980

through the air force this is it's

435

00:19:11,450 --> 00:19:09,780

nearly impossible if not impossible

436

00:19:13,669 --> 00:19:11,460

absurd I guess is the term I'm looking

437

00:19:15,289 --> 00:19:13,679

for you're released from the craft you

438

00:19:18,110 --> 00:19:15,299

get back into the car you check your

439

00:19:19,970 --> 00:19:18,120

watches why of

440

00:19:21,710 --> 00:19:19,980

I don't think we checked our watches

441

00:19:23,870 --> 00:19:21,720

until we're almost home to see what time

442

00:19:25,690 --> 00:19:23,880

it was and both I watches that stop

443

00:19:28,070 --> 00:19:25,700

functioning

444

00:19:30,890 --> 00:19:28,080

and you could not account for some time

445

00:19:32,510 --> 00:19:30,900

elapsed no the trip we realized the trip

446

00:19:34,250 --> 00:19:32,520

had taken much longer than what it

447

00:19:36,590 --> 00:19:34,260

should have

448

00:19:38,150 --> 00:19:36,600

maybe about two hours

449

00:19:40,010 --> 00:19:38,160

were you feeling woozy did you have a

450

00:19:41,990 --> 00:19:40,020

headache did you have any physical were

451
00:19:44,270 --> 00:19:42,000
you just exhausted what can you describe

452
00:19:46,610 --> 00:19:44,280
we've been driving all night we got home

453
00:19:47,630 --> 00:19:46,620
about five in the morning we come we

454
00:19:50,330 --> 00:19:47,640
relax

455
00:19:53,330 --> 00:19:50,340
so so you weren't feeling very well you

456
00:19:56,750 --> 00:19:53,340
didn't feel traumatized or anything at

457
00:19:58,730 --> 00:19:56,760
any time or or should I say violated at

458
00:19:59,870 --> 00:19:58,740
that time you go in the house and I

459
00:20:02,150 --> 00:19:59,880
guess is it the next morning you check

460
00:20:04,370 --> 00:20:02,160
out the car and fun and what happens

461
00:20:06,430 --> 00:20:04,380
when you look at the car highly polished

462
00:20:10,789 --> 00:20:06,440
spots are the trunk of the car

463
00:20:13,490 --> 00:20:10,799

and that day it was we were getting uh

464

00:20:15,770 --> 00:20:13,500

tropical rains from a hurricane that was

465

00:20:17,210 --> 00:20:15,780

going through and it was Heavy downpour

466

00:20:19,730 --> 00:20:17,220

and

467

00:20:21,289 --> 00:20:19,740

didn't affect the spots at all they

468

00:20:22,669 --> 00:20:21,299

stayed there for months

469

00:20:26,210 --> 00:20:22,679

your sister

470

00:20:28,669 --> 00:20:26,220

who claimed to have seen a UFO suggested

471

00:20:31,070 --> 00:20:28,679

that you do what with around the car she

472

00:20:32,990 --> 00:20:31,080

talked with a physicist who say go out

473

00:20:35,390 --> 00:20:33,000

with a compass and check out the spots

474

00:20:38,210 --> 00:20:35,400

which we did what happened and the

475

00:20:40,909 --> 00:20:38,220

compass was very very erratic almost

476

00:20:43,490 --> 00:20:40,919

spinning or just it was you know

477

00:20:45,350 --> 00:20:43,500

and we tried it on different other parts

478

00:20:47,510 --> 00:20:45,360

of the car and it didn't react but just

479

00:20:49,130 --> 00:20:47,520

near where the spots were yes hence the

480

00:20:51,590 --> 00:20:49,140

inference being a magnetic anomaly

481

00:20:54,409 --> 00:20:51,600

something was was really distorting the

482

00:20:57,549 --> 00:20:54,419

magnetic draw of the compass

483

00:21:00,950 --> 00:20:57,559

at that point uh afterwards you contact

484

00:21:03,010 --> 00:21:00,960

kufos J Allen Dr J and all of my neck or

485

00:21:05,390 --> 00:21:03,020

what is the sequence of events

486

00:21:08,270 --> 00:21:05,400

first of all we didn't do anything okay

487

00:21:11,390 --> 00:21:08,280

uh and then

488

00:21:14,029 --> 00:21:11,400

at nightcap in Washington I wrote to

489

00:21:18,110 --> 00:21:14,039

them because I wanted to know

490

00:21:19,970 --> 00:21:18,120

being exposed to a UFO close range was

491

00:21:22,490 --> 00:21:19,980

there any health problems

492

00:21:24,529 --> 00:21:22,500

we exposed to radiation what kind of

493

00:21:27,049 --> 00:21:24,539

dangers

494

00:21:30,049 --> 00:21:27,059

they dispatch Walter Webb as their

495

00:21:31,850 --> 00:21:30,059

records okay okay so so nycap has that

496

00:21:33,830 --> 00:21:31,860

that letter winds up on the files of the

497

00:21:35,510 --> 00:21:33,840

center for UFO studies with Dr J Allen

498

00:21:37,250 --> 00:21:35,520

heinek it might have I don't know you

499

00:21:39,049 --> 00:21:37,260

never ever communicated with Dr heinek

500

00:21:41,390 --> 00:21:39,059

oh yeah we became good friends well that

501
00:21:43,730 --> 00:21:41,400
was she is late enough okay we did

502
00:21:45,770 --> 00:21:43,740
numerous TV programs together

503
00:21:48,289 --> 00:21:45,780
okay what was your feeling on Dr heinek

504
00:21:51,110 --> 00:21:48,299
um was he obviously a thinly veiled

505
00:21:52,310 --> 00:21:51,120
skeptic oh no no no no he's what he's

506
00:21:55,850 --> 00:21:52,320
every word about

507
00:21:58,909 --> 00:21:55,860
at the end yep oh I mean as soon as they

508
00:22:01,070 --> 00:21:58,919
met us sure um I think that his take on

509
00:22:04,970 --> 00:22:01,080
the UFO phenomena when he was humiliated

510
00:22:07,130 --> 00:22:04,980
with the swamp gas incident yeah um you

511
00:22:09,350 --> 00:22:07,140
have to trot out an absurd explanation

512
00:22:11,450 --> 00:22:09,360
for an event in front of a college dorm

513
00:22:13,610 --> 00:22:11,460

I believe in Michigan or near the Great

514

00:22:14,990 --> 00:22:13,620

Lakes that's when he said all right

515

00:22:17,750 --> 00:22:15,000

enough that he saw that the government

516

00:22:19,669 --> 00:22:17,760

was masquerading or at least trotting

517

00:22:21,649 --> 00:22:19,679

out um disinformation and misinformation

518

00:22:23,210 --> 00:22:21,659

on the UFO phenomena because when he

519

00:22:24,110 --> 00:22:23,220

first started he was working for the

520

00:22:27,289 --> 00:22:24,120

government

521

00:22:30,770 --> 00:22:27,299

yeah so Dr heineck and you were great

522

00:22:32,450 --> 00:22:30,780

friends then oh yeah yeah right no no

523

00:22:34,789 --> 00:22:32,460

many

524

00:22:36,470 --> 00:22:34,799

and I believe Dr harnick's son there's a

525

00:22:37,909 --> 00:22:36,480

son who lives used to I don't know about

526
00:22:39,529 --> 00:22:37,919
now you live down here in Massachusetts

527
00:22:41,990 --> 00:22:39,539
okay

528
00:22:44,210 --> 00:22:42,000
so you're having some troubling dreams

529
00:22:47,270 --> 00:22:44,220
now is that what what happens at home oh

530
00:22:50,090 --> 00:22:47,280
after the uh actually

531
00:22:52,370 --> 00:22:50,100
ten nights after this happened I had a

532
00:22:54,049 --> 00:22:52,380
series of dreams for five nights each

533
00:22:56,870 --> 00:22:54,059
dream was different

534
00:22:58,430 --> 00:22:56,880
which later I found out was a recall of

535
00:23:01,610 --> 00:22:58,440
what had happened and the dreams were

536
00:23:04,430 --> 00:23:01,620
depicting what you just described to me

537
00:23:05,870 --> 00:23:04,440
at that point what do you do is it is it

538
00:23:08,690 --> 00:23:05,880

starting is there any trouble by all

539

00:23:11,750 --> 00:23:08,700

this is Bonnie no is his life pattern

540

00:23:14,149 --> 00:23:11,760

change has his mood changed at all uh

541

00:23:16,310 --> 00:23:14,159

actually physical well the first thing I

542

00:23:18,830 --> 00:23:16,320

did was each

543

00:23:20,870 --> 00:23:18,840

what during the next day I wrote down

544

00:23:22,250 --> 00:23:20,880

what I could remember in my dream the

545

00:23:24,770 --> 00:23:22,260

following day which would be the 20th

546

00:23:26,810 --> 00:23:24,780

and every time I had it no I didn't know

547

00:23:29,270 --> 00:23:26,820

it was ten nights sure after so we're

548

00:23:31,370 --> 00:23:29,280

talking the 29th 30th roughly and I

549

00:23:34,010 --> 00:23:31,380

wrote I made a record on these three

550

00:23:36,890 --> 00:23:34,020

years of the day okay and then

551
00:23:39,350 --> 00:23:36,900
I took and put them away

552
00:23:40,610 --> 00:23:39,360
and then later

553
00:23:42,850 --> 00:23:40,620
uh

554
00:23:46,669 --> 00:23:42,860
several months later

555
00:23:51,230 --> 00:23:46,679
I talked with my supervisor

556
00:23:56,570 --> 00:23:54,289
and then she said well

557
00:23:59,870 --> 00:23:56,580
maybe it happened

558
00:24:01,010 --> 00:23:59,880
and suggested or did she we just we just

559
00:24:02,750 --> 00:24:01,020
talked about it

560
00:24:04,610 --> 00:24:02,760
so Barney I mean life's going on as

561
00:24:06,710 --> 00:24:04,620
usual you did mention it's not that you

562
00:24:07,789 --> 00:24:06,720
had these total memory blockages of what

563
00:24:09,710 --> 00:24:07,799

happened

564

00:24:11,149 --> 00:24:09,720

um but you you knew it would happen but

565

00:24:13,190 --> 00:24:11,159

it wasn't dramatically affecting your

566

00:24:15,230 --> 00:24:13,200

lives more you're curious more than

567

00:24:17,390 --> 00:24:15,240

anything curiosity

568

00:24:20,330 --> 00:24:17,400

that at that point now Walter Webb

569

00:24:22,190 --> 00:24:20,340

representing nycap comes is did he get

570

00:24:23,710 --> 00:24:22,200

involved in the picture he came and

571

00:24:27,230 --> 00:24:23,720

interviewed us a couple of times

572

00:24:28,789 --> 00:24:27,240

interviews you Walters uh a very highly

573

00:24:32,210 --> 00:24:28,799

esteemed researcher one of the original

574

00:24:35,210 --> 00:24:32,220

you ever see actually

575

00:24:36,710 --> 00:24:35,220

that I would say three weeks after this

576
00:24:38,930 --> 00:24:36,720
half of the United States government got

577
00:24:40,789 --> 00:24:38,940
involved

578
00:24:42,529 --> 00:24:40,799
did you notice anything strange odd

579
00:24:44,810 --> 00:24:42,539
vehicles around your home where you

580
00:24:47,090 --> 00:24:44,820
followed that your prototypical the Men

581
00:24:48,770 --> 00:24:47,100
in Black did you see him now they called

582
00:24:50,990 --> 00:24:48,780
us from Washington

583
00:24:53,210 --> 00:24:51,000
and they heard about our experience like

584
00:24:56,090 --> 00:24:53,220
to meet us they they were scientists

585
00:24:57,409 --> 00:24:56,100
they had an interest in UFOs

586
00:24:59,570 --> 00:24:57,419
and

587
00:25:01,669 --> 00:24:59,580
so they came if we had continuing

588
00:25:04,490 --> 00:25:01,679

contacts with them for years

589

00:25:06,470 --> 00:25:04,500

the United States government sometimes

590

00:25:09,950 --> 00:25:06,480

one time we even got together and camped

591

00:25:11,510 --> 00:25:09,960

out we saw 26 of the top scientists in

592

00:25:14,510 --> 00:25:11,520

this country and Jacque Valley was one

593

00:25:15,950 --> 00:25:14,520

of them wow so there was no subversion

594

00:25:17,090 --> 00:25:15,960

or subterfuge going on with the

595

00:25:19,730 --> 00:25:17,100

government they were straightforward out

596

00:25:21,649 --> 00:25:19,740

of curiosity and then no one was mocking

597

00:25:23,570 --> 00:25:21,659

you or highly skeptical well they were

598

00:25:27,110 --> 00:25:23,580

looking for information you know and

599

00:25:29,269 --> 00:25:27,120

because uh this was a highly unique case

600

00:25:31,789 --> 00:25:29,279

um and it represented a different genre

601
00:25:33,230 --> 00:25:31,799
in the UFO phenomena whereas it was a

602
00:25:35,450 --> 00:25:33,240
close encounter I guess of the Third

603
00:25:37,010 --> 00:25:35,460
Kind or would you call it a Fourth Kind

604
00:25:39,169 --> 00:25:37,020
where you were abducted I know that

605
00:25:41,510 --> 00:25:39,179
those are the the classifications given

606
00:25:43,130 --> 00:25:41,520
by Dr heinek and I know it was a land

607
00:25:46,010 --> 00:25:43,140
and craft you saw occupants and you went

608
00:25:48,230 --> 00:25:46,020
on board it nope and the the man who

609
00:25:49,970 --> 00:25:48,240
came got in touch with us were from the

610
00:25:53,630 --> 00:25:49,980
White House

611
00:25:56,090 --> 00:25:53,640
natural Security Council NASA

612
00:25:59,470 --> 00:25:56,100
and let's see

613
00:26:01,850 --> 00:25:59,480

yeah these were the top five dogs right

614

00:26:02,690 --> 00:26:01,860

right and the first thing they said to

615

00:26:05,690 --> 00:26:02,700

us

616

00:26:07,310 --> 00:26:05,700

stay away from the UFO organizations

617

00:26:09,070 --> 00:26:07,320

and that's I'd like to re-emphasize

618

00:26:11,630 --> 00:26:09,080

that's anybody listening at home today

619

00:26:14,630 --> 00:26:11,640

oh good for you you're your own person

620

00:26:18,110 --> 00:26:14,640

like they said don't

621

00:26:20,210 --> 00:26:18,120

we want to know the facts and we don't

622

00:26:23,390 --> 00:26:20,220

want you even

623

00:26:25,190 --> 00:26:23,400

with a possibility of being influenced

624

00:26:29,390 --> 00:26:25,200

by something else

625

00:26:33,049 --> 00:26:29,400

so stay right away and I always have

626
00:26:36,529 --> 00:26:33,059
and I still have contacts

627
00:26:38,090 --> 00:26:36,539
it gets to the spring of 1962.

628
00:26:39,590 --> 00:26:38,100
problems start happening with Barney

629
00:26:42,529 --> 00:26:39,600
does

630
00:26:44,750 --> 00:26:42,539
well what's going on with Barney Barney

631
00:26:48,769 --> 00:26:44,760
started to

632
00:26:51,230 --> 00:26:48,779
his blood pressure was fluctuating and

633
00:26:53,870 --> 00:26:51,240
he was having anxieties well see Barney

634
00:26:57,350 --> 00:26:53,880
was working the midnight shift too

635
00:26:59,210 --> 00:26:57,360
so he's driving to Boston South Station

636
00:27:00,710 --> 00:26:59,220
every night had to be there I think

637
00:27:03,169 --> 00:27:00,720
midnight

638
00:27:04,669 --> 00:27:03,179

and you know if he's getting home

639

00:27:06,110 --> 00:27:04,679

getting through what it's seven eight

640

00:27:07,909 --> 00:27:06,120

o'clock in the morning he's trying to

641

00:27:10,610 --> 00:27:07,919

sleep during the day

642

00:27:13,130 --> 00:27:10,620

and everything just built up and he got

643

00:27:16,310 --> 00:27:13,140

sick physically

644

00:27:18,169 --> 00:27:16,320

lack of sleep can compound itself yep at

645

00:27:20,210 --> 00:27:18,179

that point did you equate that to the

646

00:27:21,710 --> 00:27:20,220

incident of September 19th did you think

647

00:27:23,510 --> 00:27:21,720

it was directly related with me having

648

00:27:25,070 --> 00:27:23,520

any sort of nightmares or it's just you

649

00:27:26,990 --> 00:27:25,080

just couldn't get asleep he couldn't

650

00:27:29,450 --> 00:27:27,000

sleep and

651
00:27:32,149 --> 00:27:29,460
um it was like

652
00:27:33,769 --> 00:27:32,159
he was standing some before we started

653
00:27:36,049 --> 00:27:33,779
going to Dr Simon he's leave here

654
00:27:37,909 --> 00:27:36,059
started driving to Boston to go to work

655
00:27:41,029 --> 00:27:37,919
turn around and come home and he just

656
00:27:43,490 --> 00:27:41,039
like I can't do it I'm too exhausted

657
00:27:47,450 --> 00:27:43,500
I don't feel good

658
00:27:50,570 --> 00:27:47,460
enter Dr Simon and then no

659
00:27:53,149 --> 00:27:50,580
he wasn't he was going to his regular

660
00:27:55,070 --> 00:27:53,159
Family Doctor Who's prescribing

661
00:27:56,990 --> 00:27:55,080
medications and all trying to treat him

662
00:27:59,810 --> 00:27:57,000
and he's not improving

663
00:28:01,669 --> 00:27:59,820

so his doctors thought maybe he had some

664

00:28:05,269 --> 00:28:01,679

kind of emotional problem

665

00:28:08,210 --> 00:28:05,279

that was preventing him from healing so

666

00:28:10,310 --> 00:28:08,220

he sent him into a psychiatrist in the

667

00:28:12,830 --> 00:28:10,320

same office building he was in

668

00:28:14,930 --> 00:28:12,840

so Bonnie started going to Dr Stevens on

669

00:28:17,269 --> 00:28:14,940

a regular basis you know talking about

670

00:28:19,909 --> 00:28:17,279

his childhood and his mother and his

671

00:28:22,730 --> 00:28:19,919

father and all and one day Dr Steven

672

00:28:25,310 --> 00:28:22,740

said what did you do this weekend

673

00:28:28,730 --> 00:28:25,320

and Barney told him we went up in the

674

00:28:32,930 --> 00:28:28,740

White Mountains looking for UFOs

675

00:28:35,750 --> 00:28:32,940

and everybody told him and he's one he

676

00:28:37,490 --> 00:28:35,760

who referred us to Dr Benjamin Simon who

677

00:28:39,590 --> 00:28:37,500

had been one of his teachers in medical

678

00:28:41,570 --> 00:28:39,600

school

679

00:28:43,970 --> 00:28:41,580

Dr Simon

680

00:28:46,610 --> 00:28:43,980

puts both of you under hypnosis

681

00:28:51,110 --> 00:28:46,620

recording let me get straight about

682

00:28:53,810 --> 00:28:51,120

hypnosis what you hear and what you see

683

00:28:56,269 --> 00:28:53,820

is stage hypnosis

684

00:29:01,250 --> 00:28:56,279

we had medical hypnosis

685

00:29:06,529 --> 00:29:03,890

medical hypnosis it's a highly trained

686

00:29:08,450 --> 00:29:06,539

psychologist doctor as opposed to a

687

00:29:12,169 --> 00:29:08,460

charlatan with a watch dangling back and

688

00:29:14,810 --> 00:29:12,179

forth right okay right and um

689

00:29:17,269 --> 00:29:14,820

Dr Simon

690

00:29:18,169 --> 00:29:17,279

at the end of World War II had been that

691

00:29:26,330 --> 00:29:18,179

the

692

00:29:30,470 --> 00:29:26,340

treatment of servicemen coming back from

693

00:29:33,950 --> 00:29:30,480

World War II who had emotional problems

694

00:29:38,450 --> 00:29:33,960

and he was so highly successful using

695

00:29:42,110 --> 00:29:38,460

medical hypnosis that the U.S army did a

696

00:29:43,970 --> 00:29:42,120

documentary of Dr Simon's work

697

00:29:45,110 --> 00:29:43,980

and in the beginning it was two hours

698

00:29:48,730 --> 00:29:45,120

long

699

00:29:52,430 --> 00:29:48,740

but then in nineteen

700

00:29:55,430 --> 00:29:52,440

1980 around there somewhere they shot in

701
00:29:58,909 --> 00:29:55,440
the film to one hour and it was shown up

702
00:30:02,630 --> 00:29:58,919
public PBS stations and the name of the

703
00:30:05,029 --> 00:30:02,640
film is let there be light and if

704
00:30:07,370 --> 00:30:05,039
if you could get a hold of it it is one

705
00:30:09,409 --> 00:30:07,380
of the greatest things you ever saw so

706
00:30:11,990 --> 00:30:09,419
this man is uh

707
00:30:14,210 --> 00:30:12,000
has a lot of badges I guess I'd like to

708
00:30:15,950 --> 00:30:14,220
Simon it's a field of Psychiatry but

709
00:30:17,930 --> 00:30:15,960
he's not somebody that would lead

710
00:30:19,430 --> 00:30:17,940
questions he he's uh like you said he

711
00:30:21,590 --> 00:30:19,440
had brought a lot of men out of battle

712
00:30:24,110 --> 00:30:21,600
fatigue that were emotionally scarred in

713
00:30:26,810 --> 00:30:24,120

combat yes and uh the casualties in

714

00:30:29,210 --> 00:30:26,820

World War one alone of shell shock

715

00:30:31,490 --> 00:30:29,220

um but the men if they had been treated

716

00:30:34,789 --> 00:30:31,500

by trained uh Physicians and they could

717

00:30:38,389 --> 00:30:34,799

have been saved and contacted normality

718

00:30:41,269 --> 00:30:38,399

it this fell as a serviceman was brought

719

00:30:44,029 --> 00:30:41,279

in in a wheelchair he cannot walk now

720

00:30:46,070 --> 00:30:44,039

he'd been hit by shrapnel and all have

721

00:30:48,889 --> 00:30:46,080

been removed it was always in the world

722

00:30:50,389 --> 00:30:48,899

why he couldn't walk except he couldn't

723

00:30:53,090 --> 00:30:50,399

so doctors

724

00:30:55,190 --> 00:30:53,100

he's lying on the bed Dr Simon puts in

725

00:30:58,130 --> 00:30:55,200

medical hypnosis

726

00:31:00,649 --> 00:30:58,140

and he says to him get up and walk

727

00:31:02,750 --> 00:31:00,659

he says jumps out of bed and walks

728

00:31:05,690 --> 00:31:02,760

and he's walking around the room and he

729

00:31:09,889 --> 00:31:05,700

goes over to the nurse and he's crying

730

00:31:12,289 --> 00:31:09,899

and he's saying look look I can walk

731

00:31:15,289 --> 00:31:12,299

I can really walk

732

00:31:17,450 --> 00:31:15,299

Dr Simon puts him back in the bed brings

733

00:31:19,610 --> 00:31:17,460

him out of the hypnosis and the first

734

00:31:22,070 --> 00:31:19,620

thing this patient does is he looks at

735

00:31:24,110 --> 00:31:22,080

Dr Simon real worried look in his face

736

00:31:25,730 --> 00:31:24,120

and he says do you think I'll ever be

737

00:31:27,830 --> 00:31:25,740

able to walk

738

00:31:29,029 --> 00:31:27,840

and talk to Diamond said I'm sure you

739

00:31:30,529 --> 00:31:29,039

will

740

00:31:33,289 --> 00:31:30,539

and at the end of the movie he shows

741

00:31:36,169 --> 00:31:33,299

about those playing baseball

742

00:31:37,130 --> 00:31:36,179

so Dr Simon could help people will their

743

00:31:40,669 --> 00:31:37,140

way

744

00:31:42,230 --> 00:31:40,679

through Agony right

745

00:31:46,310 --> 00:31:42,240

this is brought to the Public's

746

00:31:48,830 --> 00:31:46,320

attention in 1968 or 69 when a movie is

747

00:31:50,330 --> 00:31:48,840

made when maybe you were known obviously

748

00:31:52,310 --> 00:31:50,340

through newspaper accounts but you were

749

00:31:54,710 --> 00:31:52,320

brought worldwide I guess publicity your

750

00:31:57,409 --> 00:31:54,720

maximum publicity when the movie was

751
00:32:00,710 --> 00:31:58,510
in

752
00:32:02,870 --> 00:32:00,720
1965 mm-hmm

753
00:32:04,730 --> 00:32:02,880
we pull it up for a Boston newspaper

754
00:32:07,730 --> 00:32:04,740
heard about our experience and without

755
00:32:09,649 --> 00:32:07,740
ever meeting us published it for five

756
00:32:11,570 --> 00:32:09,659
days on the front pages of the newspaper

757
00:32:13,130 --> 00:32:11,580
it went all over the world at that

758
00:32:15,010 --> 00:32:13,140
moment

759
00:32:17,210 --> 00:32:15,020
without having met you

760
00:32:19,130 --> 00:32:17,220
he took liberties with the story and

761
00:32:21,590 --> 00:32:19,140
there were some inaccuracies yeah like

762
00:32:25,070 --> 00:32:21,600
well he was pretty accurate I was amazed

763
00:32:27,830 --> 00:32:25,080

I still don't know where his Source was

764

00:32:29,149 --> 00:32:27,840

can you just do you think that maybe one

765

00:32:30,710 --> 00:32:29,159

of your government contacts at least

766

00:32:32,450 --> 00:32:30,720

this information to him and then to

767

00:32:34,549 --> 00:32:32,460

orchestrated somehow to get this to the

768

00:32:36,649 --> 00:32:34,559

public Consciousness I never thought of

769

00:32:38,990 --> 00:32:36,659

that I don't know okay

770

00:32:40,669 --> 00:32:39,000

what myths do you want to dispel about

771

00:32:42,230 --> 00:32:40,679

your encounter and things that they they

772

00:32:44,149 --> 00:32:42,240

fail to mention either they fail to

773

00:32:47,330 --> 00:32:44,159

mention when people think about the UFO

774

00:32:49,190 --> 00:32:47,340

incident with you and Barney uh and what

775

00:32:51,169 --> 00:32:49,200

are some myths that you'd like to dispel

776

00:32:53,450 --> 00:32:51,179

about that

777

00:32:54,769 --> 00:32:53,460

if you can think of any Liberties I've

778

00:32:55,970 --> 00:32:54,779

learned some stuff for instance tonight

779

00:32:58,549 --> 00:32:55,980

I always thought that they were

780

00:32:59,750 --> 00:32:58,559

almond-shaped uh entities with their

781

00:33:01,850 --> 00:32:59,760

alien you said no they were very much

782

00:33:03,529 --> 00:33:01,860

humanlike they spoke to you verbally

783

00:33:06,130 --> 00:33:03,539

verbally as opposed to telepathically

784

00:33:08,210 --> 00:33:06,140

right and we had a great time

785

00:33:10,190 --> 00:33:08,220

you wanted wait a minute I'll go get

786

00:33:17,990 --> 00:33:10,200

Junior so you can see what chewing you

787

00:33:24,289 --> 00:33:21,250

oh God yeah

788

00:33:25,370 --> 00:33:24,299

hanging on a wall over a bit there that

789

00:33:31,549 --> 00:33:25,380

I took

790

00:33:41,090 --> 00:33:34,930

another thing oh okay okay Junior

791

00:33:47,570 --> 00:33:44,269

another thing I never call them aliens

792

00:33:49,370 --> 00:33:47,580

what did you go beings astronauts I call

793

00:33:52,610 --> 00:33:49,380

them what they were

794

00:33:53,630 --> 00:33:52,620

sure that's what they are right this is

795

00:33:56,570 --> 00:33:53,640

Junior

796

00:33:58,970 --> 00:33:56,580

now this is a composite

797

00:34:01,009 --> 00:33:58,980

of what they look like the individual

798

00:34:02,630 --> 00:34:01,019

differences they do not look alike this

799

00:34:05,330 --> 00:34:02,640

is much different

800

00:34:07,250 --> 00:34:05,340

between among them is there is around

801
00:34:09,169 --> 00:34:07,260
any group of people

802
00:34:11,389 --> 00:34:09,179
but this basically shows the

803
00:34:16,129 --> 00:34:11,399
characteristics the larger eyes nose

804
00:34:18,770 --> 00:34:16,139
mouth no protruding part no hair but

805
00:34:21,970 --> 00:34:18,780
this one this is because he fell off the

806
00:34:24,109 --> 00:34:21,980
podium in St Louis oh in practice okay

807
00:34:26,089 --> 00:34:24,119
somebody's okay though but he hasn't

808
00:34:28,970 --> 00:34:26,099
pronounced brow Ridge yep

809
00:34:31,490 --> 00:34:28,980
um as you said um a pug nose

810
00:34:33,649 --> 00:34:31,500
um more or less a very small orifice for

811
00:34:35,450 --> 00:34:33,659
a mouth and actually instead of whites

812
00:34:37,790 --> 00:34:35,460
actually have yellow eyes and eyes I

813
00:34:40,129 --> 00:34:37,800

love viruses and a pupils we put

814

00:34:42,050 --> 00:34:40,139

yellow in okay

815

00:34:43,909 --> 00:34:42,060

just emphasize them I was gonna say he

816

00:34:47,270 --> 00:34:43,919

needs Visine or he looks like he has

817

00:34:50,750 --> 00:34:47,280

malaria okay okay now

818

00:34:52,730 --> 00:34:50,760

Junior has been evaluated by I don't

819

00:34:55,430 --> 00:34:52,740

know how many physical anthropologists

820

00:34:57,710 --> 00:34:55,440

but what he looks like now

821

00:35:00,230 --> 00:34:57,720

if we continue along the path of

822

00:35:02,750 --> 00:35:00,240

evolution this is what we're going to

823

00:35:06,290 --> 00:35:02,760

look like in 25 000 years

824

00:35:09,470 --> 00:35:06,300

and would we be

825

00:35:10,970 --> 00:35:09,480

mammalian reptilian or insectoid or a

826

00:35:12,770 --> 00:35:10,980

combination of the three I mean because

827

00:35:15,650 --> 00:35:12,780

if you look at the way we're on our way

828

00:35:18,650 --> 00:35:15,660

with the nuclear there was a nuclear

829

00:35:21,349 --> 00:35:18,660

um exposure in Japan for instance and

830

00:35:22,790 --> 00:35:21,359

radiation causes mutation and if you

831

00:35:24,230 --> 00:35:22,800

look along the lines of evolution we

832

00:35:26,810 --> 00:35:24,240

lost our appendix for instance people

833

00:35:28,970 --> 00:35:26,820

say we'll lose our little toe because we

834

00:35:31,250 --> 00:35:28,980

don't need it yeah the brain capacity

835

00:35:32,870 --> 00:35:31,260

gets larger and you become more spindly

836

00:35:34,550 --> 00:35:32,880

because we don't need muscles because

837

00:35:37,370 --> 00:35:34,560

it's Mind Over Matter correct is that

838

00:35:39,170 --> 00:35:37,380

the no no okay they're going to be like

839

00:35:41,030 --> 00:35:39,180

we are now except

840

00:35:44,510 --> 00:35:41,040

I mean look at mankind it's been around

841

00:35:46,130 --> 00:35:44,520

for what 2.6 million years

842

00:35:49,750 --> 00:35:46,140

depends on who you've talked to I guess

843

00:35:52,849 --> 00:35:49,760

so subjective so they've got the bodies

844

00:35:55,849 --> 00:35:52,859

so so that's basically what what the uh

845

00:35:57,230 --> 00:35:55,859

the the astronaut looked like right can

846

00:35:59,150 --> 00:35:57,240

I ask you something when they put that

847

00:36:01,069 --> 00:35:59,160

needle back on on board the craft they

848

00:36:02,630 --> 00:36:01,079

put the needle into your navel some have

849

00:36:05,329 --> 00:36:02,640

speculated that perhaps they were taking

850

00:36:07,310 --> 00:36:05,339

eggs or ova or no you don't think so

851
00:36:08,630 --> 00:36:07,320
because some are projected that isn't it

852
00:36:10,970 --> 00:36:08,640
interesting if you correlate that with

853
00:36:12,860 --> 00:36:10,980
test tube babies years on yeah well

854
00:36:16,190 --> 00:36:12,870
coach you know uh at the time this

855
00:36:20,990 --> 00:36:19,190
absolutely impossible to put a needle in

856
00:36:23,150 --> 00:36:21,000
someone's navel it would probably kill

857
00:36:25,010 --> 00:36:23,160
them but they get infections and then I

858
00:36:28,370 --> 00:36:25,020
think the process was developed in the

859
00:36:31,490 --> 00:36:28,380
hospital down in Houston Texas

860
00:36:33,589 --> 00:36:31,500
yep did they do a perform any function

861
00:36:36,770 --> 00:36:33,599
like that with Barney then nope none

862
00:36:38,510 --> 00:36:36,780
whatsoever absolutely nothing sexual and

863
00:36:39,950 --> 00:36:38,520

there's that's another myth dispelled

864

00:36:41,870 --> 00:36:39,960

because there was always the that

865

00:36:43,670 --> 00:36:41,880

overtone in some of the accounts of your

866

00:36:48,530 --> 00:36:43,680

story so it's good to get that clarified

867

00:36:51,290 --> 00:36:48,540

and absolutely no sexual in fact uh you

868

00:36:54,470 --> 00:36:51,300

know having these different methods of

869

00:36:56,030 --> 00:36:54,480

producing children maybe we won't have

870

00:36:58,970 --> 00:36:56,040

any sex in 25

871

00:37:00,829 --> 00:36:58,980

000 years or maybe of us well I won't go

872

00:37:02,390 --> 00:37:00,839

there but it's you've been tough in 1999

873

00:37:04,609 --> 00:37:02,400

let me tell you

874

00:37:06,410 --> 00:37:04,619

um I want to ask you about after this

875

00:37:09,470 --> 00:37:06,420

incident you are catapulted into the

876

00:37:11,390 --> 00:37:09,480

Limelight not only are people relaying

877

00:37:12,950 --> 00:37:11,400

similar experiences you start hearing

878

00:37:14,990 --> 00:37:12,960

from people who have similar experiences

879

00:37:17,930 --> 00:37:15,000

and you're probably saying these people

880

00:37:20,150 --> 00:37:17,940

are are imagining on one hand others are

881

00:37:22,190 --> 00:37:20,160

very legitimate did you start here first

882

00:37:23,030 --> 00:37:22,200

of all students our experience became

883

00:37:25,490 --> 00:37:23,040

known

884

00:37:27,530 --> 00:37:25,500

we became a senseful point for people to

885

00:37:30,109 --> 00:37:27,540

report sightings

886

00:37:33,829 --> 00:37:30,119

and then after the movie the UFO

887

00:37:36,170 --> 00:37:33,839

incident then we had people

888

00:37:37,849 --> 00:37:36,180

um because the movie was in 75 and that

889

00:37:40,069 --> 00:37:37,859

was after buying his death

890

00:37:41,750 --> 00:37:40,079

they were calling me saying oh I think

891

00:37:45,650 --> 00:37:41,760

I've been abducted

892

00:37:49,250 --> 00:37:45,660

and so then as a social worker and I use

893

00:37:52,150 --> 00:37:49,260

Dr Simon's formula when people tell who

894

00:37:56,089 --> 00:37:52,160

it entails it can be hallucinations

895

00:37:58,790 --> 00:37:56,099

delusions fantasies

896

00:38:01,490 --> 00:37:58,800

or something they're recalling something

897

00:38:03,470 --> 00:38:01,500

they've seen heard or read

898

00:38:04,430 --> 00:38:03,480

when you rule out all those you may have

899

00:38:06,710 --> 00:38:04,440

the truth

900

00:38:08,690 --> 00:38:06,720

and they can't use the

901
00:38:10,250 --> 00:38:08,700
the using something you had read that

902
00:38:12,230 --> 00:38:10,260
people tried to equate that you had

903
00:38:13,790 --> 00:38:12,240
taken from the village boas case which

904
00:38:16,310 --> 00:38:13,800
happened three years after your incident

905
00:38:17,930 --> 00:38:16,320
in 1964 which is an absurd and

906
00:38:19,970 --> 00:38:17,940
impossibility for you to predict three

907
00:38:22,490 --> 00:38:19,980
years in the future as to what an event

908
00:38:25,069 --> 00:38:22,500
oh this is always for people listening

909
00:38:27,050 --> 00:38:25,079
at home was um a Latin man who was

910
00:38:29,930 --> 00:38:27,060
abducted or claimed to be abducted by a

911
00:38:31,990 --> 00:38:29,940
spaceship and and was I guess sexually

912
00:38:35,270 --> 00:38:32,000
accosted by a female

913
00:38:37,069 --> 00:38:35,280

alien on board a spaceship and Skeptics

914

00:38:40,190 --> 00:38:37,079

like Phil class if you want to go after

915

00:38:42,370 --> 00:38:40,200

Phil right now you can if it isn't that

916

00:38:44,810 --> 00:38:42,380

important you know

917

00:38:46,430 --> 00:38:44,820

I would tell Phil he only talked that

918

00:38:47,810 --> 00:38:46,440

way to try to make money on my

919

00:38:50,510 --> 00:38:47,820

reputation

920

00:38:53,150 --> 00:38:50,520

let's go there for the skeptic um I'm

921

00:38:54,349 --> 00:38:53,160

known as a paraseptic if you believe I

922

00:38:56,390 --> 00:38:54,359

probably don't if you don't believe I

923

00:38:57,950 --> 00:38:56,400

probably do I amalgamate my theories

924

00:38:59,810 --> 00:38:57,960

from both schools of thought you're both

925

00:39:03,410 --> 00:38:59,820

right you're both wrong there are some

926
00:39:05,390 --> 00:39:03,420
on the far end of this alien culture

927
00:39:07,069 --> 00:39:05,400
um that have these impossible stories

928
00:39:09,349 --> 00:39:07,079
that I cannot comprehend and then there

929
00:39:12,109 --> 00:39:09,359
are the Absurd closed-minded Skeptics

930
00:39:14,510 --> 00:39:12,119
who will denounce anything without even

931
00:39:17,089 --> 00:39:14,520
given the possibility that this instance

932
00:39:19,310 --> 00:39:17,099
could be real I think that if there's I

933
00:39:21,410 --> 00:39:19,320
come upon something that's unexplained

934
00:39:23,089 --> 00:39:21,420
my job's complete I'm looking for hoaxes

935
00:39:25,370 --> 00:39:23,099
and I'm looking for misidentifications

936
00:39:28,370 --> 00:39:25,380
let someone else figure it out now let

937
00:39:32,450 --> 00:39:28,380
me say this it's those abductions

938
00:39:35,930 --> 00:39:32,460

there are real honest to God abductions

939

00:39:39,950 --> 00:39:35,940

but they're not known to the public

940

00:39:42,050 --> 00:39:39,960

uh I know probably about 12.

941

00:39:43,010 --> 00:39:42,060

and most of them involve two or three

942

00:39:44,810 --> 00:39:43,020

people

943

00:39:47,569 --> 00:39:44,820

and

944

00:39:50,329 --> 00:39:47,579

50 percent of those people who have been

945

00:39:53,450 --> 00:39:50,339

abducted are in the emergency room at

946

00:39:56,630 --> 00:39:53,460

the hospital within four to six hours

947

00:39:58,970 --> 00:39:56,640

because they're convulsing or no no no

948

00:40:01,310 --> 00:39:58,980

they have breathing difficulties

949

00:40:03,829 --> 00:40:01,320

they lose a sense of balance

950

00:40:06,770 --> 00:40:03,839

their eyes won't focus they have

951

00:40:10,069 --> 00:40:06,780

different uh two men in Maine

952

00:40:12,829 --> 00:40:10,079

had all right I think with brown and

953

00:40:15,290 --> 00:40:12,839

yellow marks around their necks around

954

00:40:18,710 --> 00:40:15,300

their eyes different parts of their body

955

00:40:20,270 --> 00:40:18,720

was this the Allagash incident so so

956

00:40:21,770 --> 00:40:20,280

they're traumatized so what you're

957

00:40:23,810 --> 00:40:21,780

saying is abduction

958

00:40:25,730 --> 00:40:23,820

that you the ones that aren't readily

959

00:40:28,069 --> 00:40:25,740

known to the public they're very um

960

00:40:30,109 --> 00:40:28,079

almost violent occurrences because the

961

00:40:32,569 --> 00:40:30,119

physical traces left over the physical

962

00:40:34,310 --> 00:40:32,579

uh I mean repercussions I mean there's

963

00:40:36,710 --> 00:40:34,320

something more than just saying oh I

964

00:40:38,569 --> 00:40:36,720

think I've been abducted I mean they've

965

00:40:41,390 --> 00:40:38,579

called the police and said

966

00:40:43,010 --> 00:40:41,400

take me to the hospital you were you

967

00:40:44,630 --> 00:40:43,020

don't consider yourself an abductee but

968

00:40:48,530 --> 00:40:44,640

a passenger and I like that that's

969

00:40:54,230 --> 00:40:50,990

a tour you I mean you you don't you

970

00:40:56,210 --> 00:40:54,240

consider yourself an abductee no no even

971

00:40:57,890 --> 00:40:56,220

though popular literature points to you

972

00:40:59,810 --> 00:40:57,900

yourself and Barney as the first

973

00:41:03,829 --> 00:40:59,820

abductees because you were the first two

974

00:41:08,450 --> 00:41:05,630

them so I didn't like the you know

975

00:41:10,360 --> 00:41:08,460

Columbus came here and the Indians met

976
00:41:12,349 --> 00:41:10,370
with Columbus a cosmic caucus

977
00:41:15,349 --> 00:41:12,359
[Laughter]

978
00:41:17,030 --> 00:41:15,359
so the movie comes on your Clearinghouse

979
00:41:18,829 --> 00:41:17,040
for information a lot of people are

980
00:41:20,210 --> 00:41:18,839
coming to you some with stories that you

981
00:41:22,609 --> 00:41:20,220
can't believe others that you see that

982
00:41:25,609 --> 00:41:22,619
they're truly traumatized and victimized

983
00:41:27,230 --> 00:41:25,619
they ask what can you do to help me you

984
00:41:29,329 --> 00:41:27,240
probably answered I can't do anything

985
00:41:30,470 --> 00:41:29,339
except you can only take consolation and

986
00:41:32,089 --> 00:41:30,480
others who have shared your same

987
00:41:34,730 --> 00:41:32,099
experience was that your advice that's

988
00:41:36,109 --> 00:41:34,740

my advice to abductees well if anybody

989

00:41:38,750 --> 00:41:36,119

comes to me and says I think I've been

990

00:41:41,390 --> 00:41:38,760

the first thing I say is stay away from

991

00:41:43,069 --> 00:41:41,400

it UFO investigators do not have

992

00:41:43,730 --> 00:41:43,079

hypnosis I'm gonna get a t-shirt with

993

00:41:47,150 --> 00:41:43,740

that

994

00:41:50,329 --> 00:41:47,160

and then if you really feel inducted

995

00:41:52,430 --> 00:41:50,339

you'll begin to remember it yourself you

996

00:41:53,810 --> 00:41:52,440

don't need anybody to tell you and you

997

00:41:58,010 --> 00:41:53,820

will begin and you will gradually

998

00:42:01,150 --> 00:41:58,020

remember the whole thing such as uh

999

00:42:04,190 --> 00:42:01,160

John Salto who is teaching

1000

00:42:06,650 --> 00:42:04,200

in at the College of North Dakota

1001
00:42:08,750 --> 00:42:06,660
and he got in touch with me and said

1002
00:42:11,990 --> 00:42:08,760
I think my son and I have been abducted

1003
00:42:15,530 --> 00:42:12,000
I was both in the college professors

1004
00:42:17,089 --> 00:42:15,540
only his son was teaching in California

1005
00:42:18,829 --> 00:42:17,099
and Father's teaching in North Dakota

1006
00:42:21,290 --> 00:42:18,839
and the two of them would get together

1007
00:42:23,510 --> 00:42:21,300
and they're going to Mississippi on this

1008
00:42:24,890 --> 00:42:23,520
trip when it happened

1009
00:42:28,010 --> 00:42:24,900
well they come back home and they're

1010
00:42:31,490 --> 00:42:28,020
separated and both of them begin to

1011
00:42:33,890 --> 00:42:31,500
recall exactly what happened

1012
00:42:36,410 --> 00:42:33,900
no hypnosis no nothing

1013
00:42:40,250 --> 00:42:36,420

they remembered the whole thing

1014

00:42:41,990 --> 00:42:40,260

the UFO investigators start calling you

1015

00:42:44,810 --> 00:42:42,000

but the government's calling you the the

1016

00:42:47,089 --> 00:42:44,820

science scientists from all uh branches

1017

00:42:49,670 --> 00:42:47,099

of like you said Military Intelligence

1018

00:42:52,130 --> 00:42:49,680

um I'm sure universities everybody's got

1019

00:42:54,410 --> 00:42:52,140

a solid scientific inquiry there's no

1020

00:42:56,030 --> 00:42:54,420

skepticism at that point because of your

1021

00:42:58,609 --> 00:42:56,040

sincerity and your consistency and

1022

00:43:00,470 --> 00:42:58,619

testimony well for I don't know about

1023

00:43:01,849 --> 00:43:00,480

five years I guess it was I did College

1024

00:43:03,770 --> 00:43:01,859

lecture tours

1025

00:43:05,210 --> 00:43:03,780

which was a lot of fun sure meeting the

1026
00:43:08,089 --> 00:43:05,220
young people the young minds and then

1027
00:43:09,950 --> 00:43:08,099
you see I invited the UFOs to come back

1028
00:43:12,829 --> 00:43:09,960
and they did

1029
00:43:15,890 --> 00:43:12,839
not here but

1030
00:43:17,870 --> 00:43:15,900
as a few miles from here

1031
00:43:20,329 --> 00:43:17,880
and we went out

1032
00:43:23,450 --> 00:43:20,339
we had volunteers we covered the area

1033
00:43:27,890 --> 00:43:23,460
almost every night for about 15 years

1034
00:43:30,470 --> 00:43:27,900
okay and we had scientists we had Labs

1035
00:43:31,609 --> 00:43:30,480
with testing equipment we had the

1036
00:43:33,770 --> 00:43:31,619
military

1037
00:43:37,250 --> 00:43:33,780
we had half the people that lived in

1038
00:43:40,190 --> 00:43:37,260

town observing and we got loads and

1039

00:43:42,050 --> 00:43:40,200

loads of information about UFOs but we

1040

00:43:43,550 --> 00:43:42,060

also got hundreds and hundreds of

1041

00:43:46,370 --> 00:43:43,560

pictures

1042

00:43:48,589 --> 00:43:46,380

sightings because over a 15-year period

1043

00:43:51,069 --> 00:43:48,599

in Southern New Hampshire you

1044

00:43:55,250 --> 00:43:51,079

orchestrated to watch groups

1045

00:43:57,410 --> 00:43:55,260

we had all these volunteers and uh when

1046

00:44:00,710 --> 00:43:57,420

I did the college lecture tourists I

1047

00:44:03,829 --> 00:44:00,720

used about 85 different slides of UFOs

1048

00:44:07,309 --> 00:44:03,839

but not just UFOs UFOs doing different

1049

00:44:09,650 --> 00:44:07,319

kinds of things like a carrier with nine

1050

00:44:14,329 --> 00:44:09,660

discs coming out of it

1051

00:44:17,510 --> 00:44:14,339

I mean I I had a 89 movie camera

1052

00:44:20,510 --> 00:44:17,520

and you have a film of a Mothership

1053

00:44:22,609 --> 00:44:20,520

actually what I did is I sent them movie

1054

00:44:25,490 --> 00:44:22,619

film to a friend who's a saskia

1055

00:44:28,309 --> 00:44:25,500

addressed projected the movie film onto

1056

00:44:30,790 --> 00:44:28,319

the screen and then took his camera and

1057

00:44:33,290 --> 00:44:30,800

snap slides

1058

00:44:34,730 --> 00:44:33,300

and then I showed the slides in my

1059

00:44:36,770 --> 00:44:34,740

lunches

1060

00:44:39,970 --> 00:44:36,780

and I bet you know

1061

00:44:43,370 --> 00:44:39,980

people don't realize what a huge variety

1062

00:44:45,770 --> 00:44:43,380

of different kinds and shapes of UFOs

1063

00:44:48,530 --> 00:44:45,780

there are and also they usually travel

1064

00:44:51,170 --> 00:44:48,540

around in the Squadron between 150 and

1065

00:44:52,309 --> 00:44:51,180

200 . so if you see one you left off

1066

00:44:54,170 --> 00:44:52,319

keep looking

1067

00:44:56,089 --> 00:44:54,180

there's an awful lot they don't travel

1068

00:44:58,430 --> 00:44:56,099

around alone that's why the military

1069

00:45:00,710 --> 00:44:58,440

doesn't attack them

1070

00:45:02,329 --> 00:45:00,720

how many different types of entities are

1071

00:45:05,329 --> 00:45:02,339

or Graces of people flux for instance

1072

00:45:07,130 --> 00:45:05,339

you met somebody from Zeta reticuli how

1073

00:45:09,470 --> 00:45:07,140

many different space scents are they all

1074

00:45:12,349 --> 00:45:09,480

from Zeta reticuli are they I have no

1075

00:45:14,990 --> 00:45:12,359

idea all I know many is that all I know

1076

00:45:16,790 --> 00:45:15,000

is these crafts are flying together in

1077

00:45:19,250 --> 00:45:16,800

squadrons okay

1078

00:45:20,690 --> 00:45:19,260

they're all together emanating from the

1079

00:45:22,309 --> 00:45:20,700

same I don't know where they're all

1080

00:45:24,710 --> 00:45:22,319

coming from

1081

00:45:27,770 --> 00:45:24,720

and they travel in squadrons and this is

1082

00:45:29,510 --> 00:45:27,780

only based on on visual observations

1083

00:45:31,190 --> 00:45:29,520

that you've taken personally how many

1084

00:45:32,510 --> 00:45:31,200

UFOs for instance have you seen do you

1085

00:45:34,670 --> 00:45:32,520

think it's impossible hundreds we'll

1086

00:45:37,490 --> 00:45:34,680

just say right thousands thousands okay

1087

00:45:39,589 --> 00:45:37,500

and uh you can't see them on demand but

1088

00:45:42,710 --> 00:45:39,599

you have a sense as to well you have to

1089

00:45:44,870 --> 00:45:42,720

know where they go okay okay

1090

00:45:46,910 --> 00:45:44,880

uh would you like to see a picture of a

1091

00:45:48,530 --> 00:45:46,920

landed UFO

1092

00:45:52,550 --> 00:45:48,540

too yeah okay I'll go get it I'll keep

1093

00:45:57,290 --> 00:45:54,589

junior is the

1094

00:45:58,609 --> 00:45:57,300

clay model or plaster depiction of The

1095

00:46:04,190 --> 00:45:58,619

Entity

1096

00:46:06,829 --> 00:46:04,200

that Betty saw on September 19 1961.

1097

00:46:08,809 --> 00:46:06,839

Betty as far as the the UFOs what's the

1098

00:46:10,670 --> 00:46:08,819

largest one you've ever seen motherships

1099

00:46:13,089 --> 00:46:10,680

we've heard a mile long do you believe

1100

00:46:18,410 --> 00:46:15,230

I'll have to ask him when she comes back

1101
00:46:20,450 --> 00:46:18,420
oh UFOs are small most UFOs are small

1102
00:46:23,150 --> 00:46:20,460
small say the size of what an automobile

1103
00:46:25,370 --> 00:46:23,160
the size of an airplane not seismic car

1104
00:46:27,530 --> 00:46:25,380
a little bit bigger but usually when

1105
00:46:29,510 --> 00:46:27,540
people say oh I saw this huge one

1106
00:46:32,150 --> 00:46:29,520
actually what it is is a lot of little

1107
00:46:33,410 --> 00:46:32,160
ones hooked up together flying into

1108
00:46:35,569 --> 00:46:33,420
solid Mass

1109
00:46:40,190 --> 00:46:35,579
okay

1110
00:46:45,770 --> 00:46:42,770
wow you can actually see pods or three

1111
00:46:47,690 --> 00:46:45,780
legs I pointed out right here of The

1112
00:46:51,589 --> 00:46:47,700
Craft so this is a landed UFO New

1113
00:46:53,870 --> 00:46:51,599

Hampshire yep nope yep yes yeah looks to

1114

00:46:55,849 --> 00:46:53,880

be at

1115

00:46:57,589 --> 00:46:55,859

Dawn or duskers that that's the light

1116

00:46:59,210 --> 00:46:57,599

being given off by the craft yeah it's

1117

00:47:01,550 --> 00:46:59,220

beginning to get that so you're looking

1118

00:47:03,589 --> 00:47:01,560

more or less West yep for that

1119

00:47:04,670 --> 00:47:03,599

photograph yeah um what year was that

1120

00:47:07,550 --> 00:47:04,680

taken in

1121

00:47:09,829 --> 00:47:07,560

well sometime in the 70s in the 70s okay

1122

00:47:11,930 --> 00:47:09,839

this one would come in every night and

1123

00:47:14,630 --> 00:47:11,940

land same spot or generally San

1124

00:47:16,970 --> 00:47:14,640

Francisco same general area and then

1125

00:47:19,069 --> 00:47:16,980

others would come in fly up to this one

1126

00:47:20,630 --> 00:47:19,079

and then go off

1127

00:47:22,550 --> 00:47:20,640

so I always call this one the

1128

00:47:24,589 --> 00:47:22,560

headquarters this is where they come in

1129

00:47:26,270 --> 00:47:24,599

and get their artists for the night

1130

00:47:27,650 --> 00:47:26,280

what town

1131

00:47:30,050 --> 00:47:27,660

I know you don't want to sell out where

1132

00:47:32,030 --> 00:47:30,060

your place is sorry okay all right I

1133

00:47:34,010 --> 00:47:32,040

tried though didn't I I did try we're

1134

00:47:35,569 --> 00:47:34,020

gonna all we can say is Southern New

1135

00:47:39,410 --> 00:47:35,579

Hampshire that's all we can say about

1136

00:47:42,950 --> 00:47:39,420

that and also this one uh this one has

1137

00:47:44,450 --> 00:47:42,960

actually is about 14 lights

1138

00:47:45,829 --> 00:47:44,460

and not all light it but sometimes

1139

00:47:48,290 --> 00:47:45,839

they'd only have two or three lights

1140

00:47:49,609 --> 00:47:48,300

sometimes they have red lights green

1141

00:47:52,609 --> 00:47:49,619

lights

1142

00:47:55,190 --> 00:47:52,619

that's it you can see the legs on it you

1143

00:47:56,809 --> 00:47:55,200

almost had a feeling to go of where to

1144

00:47:58,609 --> 00:47:56,819

go for this one you had your group

1145

00:48:00,410 --> 00:47:58,619

together you had an inkling is that what

1146

00:48:02,089 --> 00:48:00,420

I'm getting now that you had an idea of

1147

00:48:04,490 --> 00:48:02,099

here's where to go if we hang out here

1148

00:48:07,309 --> 00:48:04,500

long enough we're going to see them no

1149

00:48:09,290 --> 00:48:07,319

okay no driving to my mother's house at

1150

00:48:09,950 --> 00:48:09,300

night now coming home from her house at

1151

00:48:12,410 --> 00:48:09,960

night

1152

00:48:14,450 --> 00:48:12,420

usually but I mean I would be paced

1153

00:48:16,790 --> 00:48:14,460

right we'd have a UFO on each side of

1154

00:48:19,069 --> 00:48:16,800

the cow and then they'd go ahead of us

1155

00:48:22,010 --> 00:48:19,079

and we'd follow them and they led me to

1156

00:48:22,849 --> 00:48:22,020

these they led me to this spot do you

1157

00:48:24,470 --> 00:48:22,859

have a feeling these are the same

1158

00:48:27,230 --> 00:48:24,480

entities that originally abducted you on

1159

00:48:29,990 --> 00:48:27,240

September 19th I don't know

1160

00:48:31,190 --> 00:48:30,000

but I assume they knew them so I

1161

00:48:33,109 --> 00:48:31,200

understand they had some kind of record

1162

00:48:36,109 --> 00:48:33,119

all right it went just from the same

1163

00:48:38,089 --> 00:48:36,119

Squadron so to speak yeah okay so those

1164

00:48:39,589 --> 00:48:38,099

UFOs land they just land

1165

00:48:41,329 --> 00:48:39,599

um obviously you didn't walk towards it

1166

00:48:43,730 --> 00:48:41,339

and try to touch it or get close the the

1167

00:48:44,930 --> 00:48:43,740

idea was just the land here we are if

1168

00:48:45,710 --> 00:48:44,940

you want to take your photos take them

1169

00:48:47,089 --> 00:48:45,720

now

1170

00:48:49,370 --> 00:48:47,099

um

1171

00:48:52,550 --> 00:48:49,380

actually

1172

00:48:54,170 --> 00:48:52,560

if a person tried to walk towards him

1173

00:48:57,490 --> 00:48:54,180

um

1174

00:49:00,770 --> 00:48:57,500

they would come up dot towards a person

1175

00:49:04,670 --> 00:49:00,780

and to scare the person to leave

1176

00:49:09,710 --> 00:49:07,069

they just take off

1177

00:49:11,569 --> 00:49:09,720

they usually they just sit there

1178

00:49:12,530 --> 00:49:11,579

this is when was the last time you saw a

1179

00:49:14,870 --> 00:49:12,540

UFO

1180

00:49:16,490 --> 00:49:14,880

this being 1999.

1181

00:49:18,650 --> 00:49:16,500

I looked out the window the other night

1182

00:49:19,730 --> 00:49:18,660

and two of them was flying

1183

00:49:21,589 --> 00:49:19,740

but

1184

00:49:24,950 --> 00:49:21,599

it was a very you know

1185

00:49:27,770 --> 00:49:24,960

very poor sighting you know I could tell

1186

00:49:28,609 --> 00:49:27,780

it was a UFO because the altitude and

1187

00:49:30,650 --> 00:49:28,619

speed

1188

00:49:31,730 --> 00:49:30,660

and Lighting

1189

00:49:33,410 --> 00:49:31,740

what do you think about cloaking

1190

00:49:34,490 --> 00:49:33,420

possibilities I've heard stories that I

1191

00:49:36,230 --> 00:49:34,500

could be standing next to somebody that

1192

00:49:38,750 --> 00:49:36,240

sees UFOs and I can't see them if I'm

1193

00:49:40,609 --> 00:49:38,760

not at a certain angle do you

1194

00:49:43,550 --> 00:49:40,619

if you can't see him I'd suggest you

1195

00:49:45,589 --> 00:49:43,560

have your eyes checked okay

1196

00:49:47,510 --> 00:49:45,599

glasses baby yeah

1197

00:49:48,890 --> 00:49:47,520

in other words that they when they make

1198

00:49:50,450 --> 00:49:48,900

themselves appear they appear to

1199

00:49:52,609 --> 00:49:50,460

everyone not just to certain people

1200

00:49:54,050 --> 00:49:52,619

right okay so there's nothing to do with

1201

00:49:55,250 --> 00:49:54,060

this new age

1202

00:49:55,910 --> 00:49:55,260

um vibrational

1203

00:49:58,250 --> 00:49:55,920

um

1204

00:49:59,930 --> 00:49:58,260

I don't know anything about that good

1205

00:50:01,609 --> 00:49:59,940

that's another good thing that I'm going

1206

00:50:03,890 --> 00:50:01,619

to put on the T-shirt now let's talk

1207

00:50:07,010 --> 00:50:03,900

about now you're you get catapulted in

1208

00:50:09,230 --> 00:50:07,020

uh as the UFO Authority you're invited

1209

00:50:11,930 --> 00:50:09,240

abroad tell me about the Europe's

1210

00:50:14,990 --> 00:50:11,940

reaction or uh Soviet Union's reaction

1211

00:50:16,849 --> 00:50:15,000

in how you were treated and who you met

1212

00:50:18,770 --> 00:50:16,859

Etc if you could maybe just give me a

1213

00:50:21,710 --> 00:50:18,780

brief overview of say when you went to

1214

00:50:23,349 --> 00:50:21,720

Europe I've even been on TV in China

1215

00:50:26,510 --> 00:50:23,359

okay

1216

00:50:30,410 --> 00:50:26,520

in this slide a filming that was done

1217

00:50:33,170 --> 00:50:30,420

here was sold to China and they

1218

00:50:33,890 --> 00:50:33,180

they had somebody speaking Chinese for

1219

00:50:38,690 --> 00:50:33,900

me

1220

00:50:41,150 --> 00:50:38,700

I'm speaking French

1221

00:50:43,390 --> 00:50:41,160

uh you know no matter where I go I'm

1222

00:50:45,650 --> 00:50:43,400

speaking the native Japanese

1223

00:50:47,750 --> 00:50:45,660

yeah so it's safe to say that this

1224

00:50:49,370 --> 00:50:47,760

phenomena is worldwide or is it just the

1225

00:50:51,230 --> 00:50:49,380

interest is worldwide or have you heard

1226

00:50:53,750 --> 00:50:51,240

from all remote parts of the earth of

1227

00:50:55,849 --> 00:50:53,760

people uh recounting similar incidents

1228

00:50:57,470 --> 00:50:55,859

to yours how would you describe this

1229

00:51:01,089 --> 00:50:57,480

phenomenal well

1230

00:51:04,430 --> 00:51:01,099

always worldwide naturally like

1231

00:51:06,829 --> 00:51:04,440

uh I mentioned that my son it was

1232

00:51:09,290 --> 00:51:06,839

retired Navy well he was stationed in

1233

00:51:10,730 --> 00:51:09,300

Japan for many many years and he had a

1234

00:51:12,410 --> 00:51:10,740

Japanese wife

1235

00:51:13,549 --> 00:51:12,420

and then he got transferred to this

1236

00:51:15,829 --> 00:51:13,559

country

1237

00:51:19,910 --> 00:51:15,839

and this was

1238

00:51:23,329 --> 00:51:19,920

in the 60s and she brought with her

1239

00:51:26,870 --> 00:51:23,339

Publications about UFOs from Japan

1240

00:51:28,670 --> 00:51:26,880

and I still have them wow and half the

1241

00:51:30,890 --> 00:51:28,680

article is in Japanese and the other

1242

00:51:32,089 --> 00:51:30,900

half is in English

1243

00:51:35,390 --> 00:51:32,099

hello

1244

00:51:36,890 --> 00:51:35,400

so let's let's uh look at the UFO

1245

00:51:38,390 --> 00:51:36,900

phenomena they're increasing the

1246

00:51:39,410 --> 00:51:38,400

government obviously doesn't know what

1247

00:51:42,530 --> 00:51:39,420

they are and that's why they're coming

1248

00:51:44,030 --> 00:51:42,540

to Betty Hill uh firsthand witness uh

1249

00:51:46,190 --> 00:51:44,040

they're trying to learn just as much as

1250

00:51:48,650 --> 00:51:46,200

everybody else so the government has to

1251
00:51:50,390 --> 00:51:48,660
tap into the UFO subculture and the UFO

1252
00:51:52,130 --> 00:51:50,400
researchers as to getting gleaning

1253
00:51:53,990 --> 00:51:52,140
information

1254
00:51:57,290 --> 00:51:54,000
that brings up my next thing about

1255
00:51:59,329 --> 00:51:57,300
Roswell UFO crashes I have the opinion

1256
00:52:01,430 --> 00:51:59,339
that there are either no Flying Saucer

1257
00:52:03,230 --> 00:52:01,440
crashes or there's an entire litany you

1258
00:52:06,230 --> 00:52:03,240
can't have just one what's your take on

1259
00:52:08,870 --> 00:52:06,240
UFO crashes and on Roswell

1260
00:52:10,730 --> 00:52:08,880
uh

1261
00:52:13,670 --> 00:52:10,740
my opinion

1262
00:52:16,309 --> 00:52:13,680
that one UFO crashed

1263
00:52:18,170 --> 00:52:16,319

because a little Lieutenant came out and

1264

00:52:20,390 --> 00:52:18,180

made a public statement

1265

00:52:22,670 --> 00:52:20,400

and no little Lieutenant comes out all

1266

00:52:24,530 --> 00:52:22,680

by himself and does that he's got to be

1267

00:52:26,510 --> 00:52:24,540

cleared from the top we're talking about

1268

00:52:29,510 --> 00:52:26,520

Walter Howe the Press information

1269

00:52:31,849 --> 00:52:29,520

officer at Walker field and Roswell Army

1270

00:52:34,069 --> 00:52:31,859

and he came out and said it and so it

1271

00:52:36,109 --> 00:52:34,079

happened then the Pentagon came in and

1272

00:52:38,089 --> 00:52:36,119

said oh no no no no no

1273

00:52:41,210 --> 00:52:38,099

no no no meaning you shouldn't have said

1274

00:52:43,790 --> 00:52:41,220

that or no no no no no no wrong you see

1275

00:52:46,490 --> 00:52:43,800

don't forget about it let's let's take a

1276

00:52:48,410 --> 00:52:46,500

good look at the American public

1277

00:52:51,549 --> 00:52:48,420

if they came out and said UFOs are

1278

00:52:55,370 --> 00:52:51,559

flying here everybody be saying

1279

00:52:56,690 --> 00:52:55,380

they're violating a raspase show them if

1280

00:52:58,609 --> 00:52:56,700

you don't like them you don't understand

1281

00:53:00,829 --> 00:52:58,619

them you kill them right that's right

1282

00:53:02,510 --> 00:53:00,839

that's the American way of life I really

1283

00:53:04,849 --> 00:53:02,520

think the government is protecting you I

1284

00:53:06,349 --> 00:53:04,859

suppose well well let's go take one step

1285

00:53:08,390 --> 00:53:06,359

further the government I think the

1286

00:53:10,130 --> 00:53:08,400

window of opportunity for disclosure of

1287

00:53:12,410 --> 00:53:10,140

UFO's existence by the government has

1288

00:53:13,910 --> 00:53:12,420

closed and like you said because the

1289

00:53:15,410 --> 00:53:13,920

public would say they've been flying in

1290

00:53:17,450 --> 00:53:15,420

our airspace all along the next

1291

00:53:19,670 --> 00:53:17,460

Congressional defense budgetary hearing

1292

00:53:21,950 --> 00:53:19,680

that slash line item after line item and

1293

00:53:23,690 --> 00:53:21,960

cut their budgets number one so

1294

00:53:25,490 --> 00:53:23,700

um there is no defense against them they

1295

00:53:27,349 --> 00:53:25,500

have not shown to be an aggressive

1296

00:53:30,109 --> 00:53:27,359

phenomena they could have shot down our

1297

00:53:31,490 --> 00:53:30,119

Fighters we have the Thomas mantel case

1298

00:53:33,710 --> 00:53:31,500

um we have a case in Australia the

1299

00:53:35,450 --> 00:53:33,720

valentich case where um people

1300

00:53:37,130 --> 00:53:35,460

unfortunately encountered UFOs and

1301

00:53:39,349 --> 00:53:37,140

disappeared or had some sort of craft

1302

00:53:42,170 --> 00:53:39,359

malfunction these instances are going to

1303

00:53:45,109 --> 00:53:42,180

happen hence that these these uh the the

1304

00:53:47,750 --> 00:53:45,119

case in Australia

1305

00:53:49,970 --> 00:53:47,760

a friend of mine was in Australia I'm

1306

00:53:52,309 --> 00:53:49,980

just kidding the lunch is case 1975 or

1307

00:53:54,890 --> 00:53:52,319

76. the friend of mine was in Australia

1308

00:53:56,750 --> 00:53:54,900

when this happened and actually met with

1309

00:53:58,970 --> 00:53:56,760

the parents of this man

1310

00:53:59,990 --> 00:53:58,980

I think he was 19 years old 20 something

1311

00:54:01,970 --> 00:54:00,000

like that

1312

00:54:05,030 --> 00:54:01,980

so now we're out

1313

00:54:07,010 --> 00:54:05,040

in the area with a UFOs are

1314

00:54:10,130 --> 00:54:07,020

and we're yelling to him and asking them

1315

00:54:11,930 --> 00:54:10,140

to bring them back to us

1316

00:54:13,670 --> 00:54:11,940

you were asking please bring them back

1317

00:54:15,349 --> 00:54:13,680

and they actually coming right in close

1318

00:54:17,450 --> 00:54:15,359

to us like they were trying to hear what

1319

00:54:18,770 --> 00:54:17,460

we were saying

1320

00:54:22,010 --> 00:54:18,780

well

1321

00:54:23,990 --> 00:54:22,020

so you are a center or focal point or or

1322

00:54:26,390 --> 00:54:24,000

somehow you you tend to attract UFOs

1323

00:54:27,710 --> 00:54:26,400

that if you if Betty Hill wants to see a

1324

00:54:32,030 --> 00:54:27,720

UFO

1325

00:54:35,750 --> 00:54:32,040

no

1326
00:54:38,890 --> 00:54:37,430

I say that

1327
00:54:41,930 --> 00:54:38,900

it's almost like a

1328
00:54:43,250 --> 00:54:41,940

atmospheric change of some kind I can be

1329
00:54:46,490 --> 00:54:43,260

sitting here

1330
00:54:47,990 --> 00:54:46,500

and I can UFO go over the window and

1331
00:54:50,030 --> 00:54:48,000

there it is okay so so you have a

1332
00:54:52,309 --> 00:54:50,040

feeling there's something urgent it

1333
00:54:54,950 --> 00:54:52,319

maybe it disturbs the air occurrence or

1334
00:54:57,230 --> 00:54:54,960

something that I recognize

1335
00:54:59,510 --> 00:54:57,240

just briefly back to Roswell so your

1336
00:55:01,430 --> 00:54:59,520

take on Roswell is that incident happen

1337
00:55:04,010 --> 00:55:01,440

or not or is the point moved it's not

1338
00:55:06,589 --> 00:55:04,020

even worth discussing oh I think a UFO

1339

00:55:08,390 --> 00:55:06,599

crashed yep and I think it was recovered

1340

00:55:09,410 --> 00:55:08,400

no I don't know if bodies will be coming

1341

00:55:12,589 --> 00:55:09,420

or not

1342

00:55:14,270 --> 00:55:12,599

well I think a craft was

1343

00:55:15,950 --> 00:55:14,280

well bodies weren't recovered it was

1344

00:55:18,890 --> 00:55:15,960

either a remote controlled or B they

1345

00:55:21,049 --> 00:55:18,900

were picked up by by a safety rescue

1346

00:55:24,950 --> 00:55:21,059

Flying Saucer it could have been okay

1347

00:55:27,470 --> 00:55:24,960

because we had a UFO crash here where

1348

00:55:28,430 --> 00:55:27,480

where's in my area in Southern New

1349

00:55:30,950 --> 00:55:28,440

Hampshire

1350

00:55:34,670 --> 00:55:30,960

and I went out there and all the people

1351

00:55:36,530 --> 00:55:34,680

running UFO crashed oh maybe we ought to

1352

00:55:39,109 --> 00:55:36,540

call the military may I don't maybe we

1353

00:55:41,390 --> 00:55:39,119

ought to call the police and I said no

1354

00:55:43,549 --> 00:55:41,400

go home and leave them alone if it

1355

00:55:45,950 --> 00:55:43,559

crashed and there's anybody alive on it

1356

00:55:47,329 --> 00:55:45,960

let the others come in and rescue them

1357

00:55:50,589 --> 00:55:47,339

can I ask you where this happened and

1358

00:55:52,609 --> 00:55:50,599

when uh very close to the world

1359

00:55:54,349 --> 00:55:52,619

New Hampshire again that's all we'll get

1360

00:55:56,030 --> 00:55:54,359

but what about what time what year what

1361

00:55:58,130 --> 00:55:56,040

it's something like this and does he

1362

00:56:00,829 --> 00:55:58,140

said he know about this that has a

1363

00:56:03,049 --> 00:56:00,839

catalog of flying saucer crashes uh this

1364

00:56:05,390 --> 00:56:03,059

was never reported and guess what and

1365

00:56:08,690 --> 00:56:05,400

the next day I went out with a

1366

00:56:11,390 --> 00:56:08,700

neurosurgeon from peace Air Force Base

1367

00:56:12,890 --> 00:56:11,400

thinking that if it crashed into if one

1368

00:56:15,049 --> 00:56:12,900

was killed

1369

00:56:17,390 --> 00:56:15,059

they might have left the body behind

1370

00:56:18,950 --> 00:56:17,400

and we searched the whole area because

1371

00:56:21,410 --> 00:56:18,960

if we could find the body we're going to

1372

00:56:23,690 --> 00:56:21,420

bring it back and put it in my freezer

1373

00:56:25,790 --> 00:56:23,700

and he was going to do in the Topsy and

1374

00:56:27,290 --> 00:56:25,800

then we were going to call the whole

1375

00:56:29,390 --> 00:56:27,300

world to come in and see that's right

1376

00:56:32,990 --> 00:56:29,400

Ray santilly included the British guy

1377

00:56:35,510 --> 00:56:33,000

who but we didn't find any bodies

1378

00:56:36,829 --> 00:56:35,520

so but we did five where it crashed what

1379

00:56:41,030 --> 00:56:36,839

year was it

1380

00:56:42,170 --> 00:56:41,040

I don't know 60s 70s 70s okay so do you

1381

00:56:44,210 --> 00:56:42,180

remember when the people were coming

1382

00:56:46,549 --> 00:56:44,220

Running Out of the Woods did you see any

1383

00:56:49,790 --> 00:56:46,559

object impacted did you see I didn't say

1384

00:56:53,329 --> 00:56:49,800

that no but what happened is

1385

00:56:55,790 --> 00:56:53,339

what When the UFO okay this man is

1386

00:56:59,210 --> 00:56:55,800

stopped at a stop sign

1387

00:57:02,150 --> 00:56:59,220

and the UFO Came Crashing my straight

1388

00:57:04,309 --> 00:57:02,160

down just missed his truck and then it

1389

00:57:06,530 --> 00:57:04,319

went along through the woods and it cut

1390

00:57:07,849 --> 00:57:06,540

the trees right off

1391

00:57:17,510 --> 00:57:07,859

and

1392

00:57:20,690 --> 00:57:17,520

after the UFO following with all these

1393

00:57:22,490 --> 00:57:20,700

trees are crashing now

1394

00:57:25,190 --> 00:57:22,500

and that's when I got them all to come

1395

00:57:30,829 --> 00:57:25,200

back and go home and forget it

1396

00:57:33,349 --> 00:57:30,839

so UFO crashes are frequent then uh

1397

00:57:37,069 --> 00:57:33,359

well I think probably quite a few quite

1398

00:57:38,930 --> 00:57:37,079

often a craft malfunctions and then they

1399

00:57:40,910 --> 00:57:38,940

get out and you repair it and take off

1400

00:57:43,910 --> 00:57:40,920

do you think the military has ever shot

1401
00:57:45,710 --> 00:57:43,920
down a UFO Leah Haley in Pensacola

1402
00:57:47,630 --> 00:57:45,720
Florida claims to have been on board and

1403
00:57:49,549 --> 00:57:47,640
abducted by a UFO that was shot down by

1404
00:57:51,349 --> 00:57:49,559
an electromagnetic pulse beam Weapon by

1405
00:57:53,630 --> 00:57:51,359
the United States Air Force in Eglin Air

1406
00:57:56,809 --> 00:57:53,640
Force Base

1407
00:58:00,230 --> 00:57:56,819
you don't you don't buy that at all

1408
00:58:06,890 --> 00:58:04,190
that they shot a piece off from a UFO

1409
00:58:08,270 --> 00:58:06,900
and they send it outside this country to

1410
00:58:10,609 --> 00:58:08,280
be analyzed

1411
00:58:12,710 --> 00:58:10,619
and the scientists in that country were

1412
00:58:15,290 --> 00:58:12,720
not able to analyze it

1413
00:58:17,930 --> 00:58:15,300

and so the scientists took it and put it

1414

00:58:22,730 --> 00:58:17,940

packed it away up in his attic

1415

00:58:25,609 --> 00:58:22,740

and in 1975 the CIA called and said send

1416

00:58:27,230 --> 00:58:25,619

it back so they had to go in the Attic

1417

00:58:28,910 --> 00:58:27,240

they're sputtering got to go up there

1418

00:58:31,510 --> 00:58:28,920

and go through all those boxes get that

1419

00:58:34,430 --> 00:58:31,520

damn piece out send it back

1420

00:58:37,309 --> 00:58:34,440

parts are coming forward now to the

1421

00:58:39,430 --> 00:58:37,319

international UFO Museum in Roswell some

1422

00:58:42,230 --> 00:58:39,440

claiming to be of extraterrestrial

1423

00:58:44,390 --> 00:58:42,240

origin some has been traced back to just

1424

00:58:47,750 --> 00:58:44,400

some China or Pottery maker in Denver

1425

00:58:49,670 --> 00:58:47,760

Colorado I saw the pieces of debris it

1426

00:58:51,309 --> 00:58:49,680

looked to be some sort of piece off a

1427

00:58:53,750 --> 00:58:51,319

bumper of a Volkswagen in my opinion

1428

00:58:55,490 --> 00:58:53,760

you've got the charlatans the hoaxers

1429

00:58:58,430 --> 00:58:55,500

that are going to come forward and say

1430

00:59:01,450 --> 00:58:58,440

that this is a piece of a UFO when it is

1431

00:59:03,710 --> 00:59:01,460

indeed is not and then you have other

1432

00:59:06,349 --> 00:59:03,720

pieces of material that have an odd

1433

00:59:09,349 --> 00:59:06,359

Metallurgy to them and odd um Atomic and

1434

00:59:11,630 --> 00:59:09,359

isotopic structure so what you're saying

1435

00:59:13,270 --> 00:59:11,640

oh I've had stuff analyzed that I've

1436

00:59:16,309 --> 00:59:13,280

picked up from UFOs

1437

00:59:17,930 --> 00:59:16,319

uh most of the stuff no matter what it

1438

00:59:20,809 --> 00:59:17,940

looks like it feels like

1439

00:59:21,770 --> 00:59:20,819

the puzzling thing is it dissolves in

1440

00:59:24,109 --> 00:59:21,780

water

1441

00:59:26,750 --> 00:59:24,119

that they can't figure out

1442

00:59:29,990 --> 00:59:26,760

almost is it gelatin like something no

1443

00:59:33,230 --> 00:59:30,000

no it just falls apart

1444

00:59:36,170 --> 00:59:33,240

and and it's like no it's like

1445

00:59:39,230 --> 00:59:36,180

do you think the UFOs are seen

1446

00:59:41,470 --> 00:59:39,240

over military bases more over High

1447

00:59:44,030 --> 00:59:41,480

mineral content areas more over

1448

00:59:46,130 --> 00:59:44,040

anomalous magnetic areas what's your

1449

00:59:47,990 --> 00:59:46,140

take you mentioned prior to going on the

1450

00:59:51,710 --> 00:59:48,000

air here about them emanating from the

1451
00:59:53,750 --> 00:59:51,720
Arctic Circle well here because

1452
00:59:56,089 --> 00:59:53,760
well he did have peace Air Force Base

1453
00:59:58,789 --> 00:59:56,099
but we haven't had it since the 18 since

1454
01:00:01,430 --> 00:59:58,799
the 1980s sometime peace was a Strategic

1455
01:00:02,890 --> 01:00:01,440
Air Command uh Depot there were nuclear

1456
01:00:08,690 --> 01:00:02,900
weapons

1457
01:00:10,490 --> 01:00:08,700
and the MPS used to go out with their

1458
01:00:13,549 --> 01:00:10,500
blue lights flashing

1459
01:00:15,170 --> 01:00:13,559
and then the UFOs would take off or the

1460
01:00:16,490 --> 01:00:15,180
police would leave and the UFOs would

1461
01:00:18,770 --> 01:00:16,500
come back so after a while they just

1462
01:00:20,270 --> 01:00:18,780
left them alone early on

1463
01:00:22,309 --> 01:00:20,280

um so this was frequent at peace Air

1464

01:00:23,630 --> 01:00:22,319

Force oh yeah so early on I'm sure they

1465

01:00:25,789 --> 01:00:23,640

scrambled Fighters but after a while

1466

01:00:28,309 --> 01:00:25,799

they decided that it was just a waste of

1467

01:00:30,470 --> 01:00:28,319

time and um that sometimes they send

1468

01:00:32,030 --> 01:00:30,480

planes up to just follow them see where

1469

01:00:34,670 --> 01:00:32,040

they're going what are they doing but

1470

01:00:36,710 --> 01:00:34,680

not in an offensive yeah just in a

1471

01:00:39,710 --> 01:00:36,720

reconnaissance reconnaissance I think

1472

01:00:40,970 --> 01:00:39,720

just looking for information I don't

1473

01:00:43,970 --> 01:00:40,980

think I don't think peas would have

1474

01:00:45,289 --> 01:00:43,980

around shooting at them everybody in New

1475

01:00:47,150 --> 01:00:45,299

Hampshire would disagreement that's

1476

01:00:49,010 --> 01:00:47,160

right they call attention onto

1477

01:00:50,329 --> 01:00:49,020

themselves so so Betty they come there

1478

01:00:52,010 --> 01:00:50,339

do you agree then there with that

1479

01:00:53,630 --> 01:00:52,020

assessment that UFOs are seen over uh

1480

01:00:55,730 --> 01:00:53,640

since the military installations that

1481

01:00:58,069 --> 01:00:55,740

deal with nuclear weapons High mineral

1482

01:01:00,650 --> 01:00:58,079

content areas

1483

01:01:03,589 --> 01:01:00,660

um here they follow Rivers

1484

01:01:05,750 --> 01:01:03,599

for navigation they follow rivers and

1485

01:01:07,430 --> 01:01:05,760

they used to follow railroad tracks but

1486

01:01:09,170 --> 01:01:07,440

not so much now because we don't have

1487

01:01:12,170 --> 01:01:09,180

that many railroads so they did need

1488

01:01:14,210 --> 01:01:12,180

lines of navigation right okay and now

1489

01:01:16,549 --> 01:01:14,220

Pilots have told me

1490

01:01:20,630 --> 01:01:16,559

of that maybe the reason they come in

1491

01:01:23,270 --> 01:01:20,640

here so often is when they're flying in

1492

01:01:25,250 --> 01:01:23,280

when you look down you see Cape Cod

1493

01:01:27,770 --> 01:01:25,260

the shape of the land

1494

01:01:29,390 --> 01:01:27,780

there's no other place in the world with

1495

01:01:30,289 --> 01:01:29,400

the land shaped in that pattern that's

1496

01:01:32,450 --> 01:01:30,299

correct

1497

01:01:35,569 --> 01:01:32,460

and so maybe that's why they come in

1498

01:01:37,069 --> 01:01:35,579

here it's easy to identify from outer

1499

01:01:38,450 --> 01:01:37,079

space right

1500

01:01:43,789 --> 01:01:38,460

let's talk about

1501
01:01:46,250 --> 01:01:43,799
um the alien subculture I've seen the

1502
01:01:48,349 --> 01:01:46,260
alien interview film that supposedly

1503
01:01:51,230 --> 01:01:48,359
emanated from Area 51 where they have

1504
01:01:53,270 --> 01:01:51,240
this bulbous head entity frankly it

1505
01:01:55,250 --> 01:01:53,280
looks like one of Jim Henson's mutated

1506
01:01:57,410 --> 01:01:55,260
Muppets but they have this bulbous

1507
01:01:59,630 --> 01:01:57,420
entity in this enclosure

1508
01:02:01,789 --> 01:01:59,640
and some sort of scientist or doctor

1509
01:02:03,829 --> 01:02:01,799
trying to communicate it communicate

1510
01:02:04,930 --> 01:02:03,839
with this XD it has convulsion and

1511
01:02:08,089 --> 01:02:04,940
collapses

1512
01:02:09,950 --> 01:02:08,099
uh you've seen the Russian the Russian

1513
01:02:13,069 --> 01:02:09,960

flying saucer crash footage that came

1514

01:02:15,230 --> 01:02:13,079

out on TNT a few years ago uh along with

1515

01:02:18,170 --> 01:02:15,240

the sperm lost which was a

1516

01:02:19,549 --> 01:02:18,180

cadaver uh apparently recovered by the

1517

01:02:22,549 --> 01:02:19,559

Soviets and then you had the famous

1518

01:02:25,010 --> 01:02:22,559

alien autopsy footage so okay I saw the

1519

01:02:27,530 --> 01:02:25,020

uh one of the

1520

01:02:29,630 --> 01:02:27,540

small craft that crashed in the Soviet

1521

01:02:31,970 --> 01:02:29,640

Union I saw that on TV where they

1522

01:02:34,609 --> 01:02:31,980

recovered the box right I believe that

1523

01:02:37,250 --> 01:02:34,619

so you believe in aliens my take is if

1524

01:02:38,630 --> 01:02:37,260

if there are UFO crashes then there have

1525

01:02:40,010 --> 01:02:38,640

to be occupants if they're occupants

1526

01:02:41,569 --> 01:02:40,020

some have to be dead some have to be

1527

01:02:43,789 --> 01:02:41,579

alive if they're dead then they have to

1528

01:02:45,109 --> 01:02:43,799

be autopsy to pay autopsy if you can bet

1529

01:02:47,510 --> 01:02:45,119

that the military is going to film them

1530

01:02:51,289 --> 01:02:47,520

hence there is autopsy footage the

1531

01:02:52,910 --> 01:02:51,299

question begs is the alien autopsy

1532

01:02:55,250 --> 01:02:52,920

footage that was circulated four years

1533

01:02:58,390 --> 01:02:55,260

ago by Ray santilly do you believe that

1534

01:03:02,089 --> 01:02:58,400

to be authentic or not

1535

01:03:04,609 --> 01:03:02,099

actually that body looks more like

1536

01:03:06,829 --> 01:03:04,619

the astronauts and any other pictures

1537

01:03:08,289 --> 01:03:06,839

I've seen very good point I never I

1538

01:03:11,089 --> 01:03:08,299

never correlated that but that that

1539

01:03:13,430 --> 01:03:11,099

looks more like very similar to what's

1540

01:03:15,230 --> 01:03:13,440

our friend's name again here junior yeah

1541

01:03:16,870 --> 01:03:15,240

it looks it does look very similar to

1542

01:03:20,329 --> 01:03:16,880

Junior

1543

01:03:22,670 --> 01:03:20,339

in fact we saw a UFO person

1544

01:03:25,069 --> 01:03:22,680

it looked very much like the one in that

1545

01:03:27,530 --> 01:03:25,079

film where did you see this on board the

1546

01:03:29,270 --> 01:03:27,540

craft and you were taken okay okay so I

1547

01:03:30,230 --> 01:03:29,280

think in the film they said it was a

1548

01:03:32,690 --> 01:03:30,240

woman

1549

01:03:34,490 --> 01:03:32,700

and the autopsy right see

1550

01:03:36,230 --> 01:03:34,500

if you really look at them there's no

1551

01:03:38,510 --> 01:03:36,240

way to tell mail from that thing their

1552

01:03:40,609 --> 01:03:38,520

eunuch almost neither male nor female I

1553

01:03:42,589 --> 01:03:40,619

mean no proof no how you gonna wear

1554

01:03:45,849 --> 01:03:42,599

earrings if it don't happen to anybody

1555

01:03:49,130 --> 01:03:45,859

yes that's right

1556

01:03:51,230 --> 01:03:49,140

and no curls if you know hair you have

1557

01:03:53,270 --> 01:03:51,240

no girls no need for conditioner or

1558

01:03:54,829 --> 01:03:53,280

rinses either right

1559

01:03:56,030 --> 01:03:54,839

um so let's talk about government

1560

01:03:57,289 --> 01:03:56,040

interference government has never

1561

01:03:58,789 --> 01:03:57,299

interfered with your life they haven't

1562

01:04:00,530 --> 01:03:58,799

stalked on you in fact they've been just

1563

01:04:02,270 --> 01:04:00,540

the opposite the government has been

1564

01:04:04,730 --> 01:04:02,280

kind of Eddie Hill always inquiring

1565

01:04:06,710 --> 01:04:04,740

about information cordial uh never

1566

01:04:08,329 --> 01:04:06,720

threatening I want to talk to you about

1567

01:04:10,970 --> 01:04:08,339

Men In Black

1568

01:04:13,849 --> 01:04:10,980

um these are supposedly secret uh

1569

01:04:16,849 --> 01:04:13,859

government agents with agendas or aliens

1570

01:04:18,950 --> 01:04:16,859

trying to manifest themselves in a human

1571

01:04:20,270 --> 01:04:18,960

form what's your take on Men In Black

1572

01:04:21,530 --> 01:04:20,280

have you ever seen them have you ever

1573

01:04:24,049 --> 01:04:21,540

talked to anybody that's that's

1574

01:04:25,670 --> 01:04:24,059

encountered Men In Black I've met a lot

1575

01:04:28,190 --> 01:04:25,680

of Men In Black but they're never any

1576

01:04:30,650 --> 01:04:28,200

threat okay so so and then nothing to do

1577

01:04:33,650 --> 01:04:30,660

with you okay so so that that we just

1578

01:04:36,289 --> 01:04:33,660

spelled out I ask you about you Usos

1579

01:04:38,690 --> 01:04:36,299

that's unidentified submerged objects do

1580

01:04:40,370 --> 01:04:38,700

you think that UFOs can go underwater I

1581

01:04:42,349 --> 01:04:40,380

know they can

1582

01:04:43,849 --> 01:04:42,359

elaborate on that please they go

1583

01:04:44,990 --> 01:04:43,859

underwater all the time because it's a

1584

01:04:47,270 --> 01:04:45,000

great hiding place they won't be

1585

01:04:50,210 --> 01:04:47,280

disturbed well no I wasn't there but

1586

01:04:53,450 --> 01:04:50,220

down here in new wall of Sands

1587

01:04:55,190 --> 01:04:53,460

the beach uh Sunday afternoon and this

1588

01:04:59,150 --> 01:04:55,200

report came from England

1589

01:05:01,010 --> 01:04:59,160

I was like man Daya apparently the UFO

1590

01:05:04,250 --> 01:05:01,020

investigator visiting someone in this

1591

01:05:05,630 --> 01:05:04,260

area he's down on the beach the UFO came

1592

01:05:09,289 --> 01:05:05,640

along

1593

01:05:11,450 --> 01:05:09,299

but died down in the water

1594

01:05:13,549 --> 01:05:11,460

and then later came up again and the

1595

01:05:14,809 --> 01:05:13,559

beach was crowded hundreds of people saw

1596

01:05:16,130 --> 01:05:14,819

it wow

1597

01:05:17,750 --> 01:05:16,140

wow there was an incident in New

1598

01:05:19,730 --> 01:05:17,760

Hampshire where I believe around the

1599

01:05:21,230 --> 01:05:19,740

time of your I don't want to say maybe

1600

01:05:23,210 --> 01:05:21,240

the late 60s where something plummeted

1601
01:05:25,730 --> 01:05:23,220
through the ice of a lake which caused a

1602
01:05:26,809 --> 01:05:25,740
stirring a commotion do you recall that

1603
01:05:31,190 --> 01:05:26,819
yeah

1604
01:05:32,630 --> 01:05:31,200
as to what you recall I'm trying to

1605
01:05:34,130 --> 01:05:32,640
think of the man's name

1606
01:05:36,710 --> 01:05:34,140
he lives right up the street from my

1607
01:05:39,589 --> 01:05:36,720
cousin but I heard it by

1608
01:05:41,329 --> 01:05:39,599
call and then other organizations

1609
01:05:43,010 --> 01:05:41,339
will call them peas to get information

1610
01:05:44,270 --> 01:05:43,020
and they would tell them everybody to

1611
01:05:46,910 --> 01:05:44,280
call me

1612
01:05:49,910 --> 01:05:46,920
ah okay so in other words it was a cold

1613
01:05:52,370 --> 01:05:49,920

Winter's day uh we plummeted through the

1614

01:05:54,710 --> 01:05:52,380

ice of a lake in New Hampshire this man

1615

01:05:56,510 --> 01:05:54,720

was a contractor and a lot of green foam

1616

01:05:59,510 --> 01:05:56,520

scene or something to that effect this

1617

01:06:01,789 --> 01:05:59,520

man was a contractor he built houses and

1618

01:06:04,549 --> 01:06:01,799

this is the middle of a blizzard

1619

01:06:05,690 --> 01:06:04,559

heavy heavy snow 20 below zero

1620

01:06:07,789 --> 01:06:05,700

temperature

1621

01:06:11,690 --> 01:06:07,799

and he's standing looking out the door

1622

01:06:13,010 --> 01:06:11,700

when he says that this uh

1623

01:06:16,670 --> 01:06:13,020

pond

1624

01:06:22,849 --> 01:06:19,910

at 20 below zero so he went out

1625

01:06:23,930 --> 01:06:22,859

and saw that there was this Rod at the

1626
01:06:25,910 --> 01:06:23,940
bottom

1627
01:06:27,410 --> 01:06:25,920
of this little pond

1628
01:06:29,210 --> 01:06:27,420
and I believe a green foam or something

1629
01:06:32,029 --> 01:06:29,220
like that also odd bubbling or nothing

1630
01:06:34,190 --> 01:06:32,039
oh he just saw it down then he

1631
01:06:37,069 --> 01:06:34,200
let's throw puzzle so he thought well

1632
01:06:40,010 --> 01:06:37,079
he'd go get something and pull it out

1633
01:06:42,349 --> 01:06:40,020
and then like he got a rake and he said

1634
01:06:43,609 --> 01:06:42,359
told me he got out there and he looked

1635
01:06:46,190 --> 01:06:43,619
at it and he said what if it's

1636
01:06:49,069 --> 01:06:46,200
electrical and it's in water and I got a

1637
01:06:52,190 --> 01:06:49,079
metal leg a metal rake

1638
01:06:54,109 --> 01:06:52,200

I could get killed sure electrocuted so

1639

01:06:55,910 --> 01:06:54,119

he said well he'd wait see what happened

1640

01:06:58,430 --> 01:06:55,920

he went back in my house and later a

1641

01:07:00,470 --> 01:06:58,440

friend came and he showed it to his

1642

01:07:03,529 --> 01:07:00,480

friend now his friend

1643

01:07:06,289 --> 01:07:03,539

call the police or somebody and that's

1644

01:07:08,270 --> 01:07:06,299

how they got involved

1645

01:07:10,609 --> 01:07:08,280

and then because the governor got

1646

01:07:13,069 --> 01:07:10,619

involved everybody broke off the area

1647

01:07:15,829 --> 01:07:13,079

and Melton Thompson I believe was the

1648

01:07:17,210 --> 01:07:15,839

government yeah Governor at the time and

1649

01:07:20,270 --> 01:07:17,220

they claimed they couldn't find anything

1650

01:07:23,150 --> 01:07:20,280

other people claimed that they actually

1651

01:07:25,190 --> 01:07:23,160

saw them take this Rod like thing out of

1652

01:07:27,109 --> 01:07:25,200

the water and all have you been to the

1653

01:07:29,210 --> 01:07:27,119

Nazca Lines in Peru those are the

1654

01:07:31,730 --> 01:07:29,220

depictions of the Peruvian Plains the

1655

01:07:34,309 --> 01:07:31,740

desert that uh supposedly are runways or

1656

01:07:35,930 --> 01:07:34,319

Chariots of the Gods Eric mondonican who

1657

01:07:38,470 --> 01:07:35,940

I'm sure you've met and spoken several

1658

01:07:40,670 --> 01:07:38,480

times we had a bottle of wine together

1659

01:07:43,910 --> 01:07:40,680

all right I had a beer with Stan

1660

01:07:44,710 --> 01:07:43,920

Friedman he's the Roswell researcher so

1661

01:07:46,910 --> 01:07:44,720

um

1662

01:07:49,490 --> 01:07:46,920

Stan Friedman

1663

01:07:52,789 --> 01:07:49,500

was one of the first people

1664

01:07:55,130 --> 01:07:52,799

we well not not the first but

1665

01:07:57,109 --> 01:07:55,140

um besides the ones from Washington Stan

1666

01:07:59,930 --> 01:07:57,119

was the first one we met

1667

01:08:03,130 --> 01:07:59,940

who are not government connected a

1668

01:08:05,450 --> 01:08:03,140

nuclear physicist itinerant yeah

1669

01:08:08,210 --> 01:08:05,460

Bonnie and I were going to do a program

1670

01:08:09,589 --> 01:08:08,220

uh Phil Donahue show um

1671

01:08:12,230 --> 01:08:09,599

and

1672

01:08:14,210 --> 01:08:12,240

we'd

1673

01:08:17,450 --> 01:08:14,220

I think it was Dr I'm not sure why

1674

01:08:18,530 --> 01:08:17,460

Pittsburgh pittsfield's Pittsburgh and

1675

01:08:20,809 --> 01:08:18,540

then uh

1676

01:08:23,030 --> 01:08:20,819

Stan heard we were there and he called

1677

01:08:26,209 --> 01:08:23,040

us and came by and we met

1678

01:08:27,410 --> 01:08:26,219

yeah and we still keep in touch

1679

01:08:30,169 --> 01:08:27,420

you've been to Gulf Breeze Florida

1680

01:08:31,849 --> 01:08:30,179

Pensacola which is the site of Hurlburt

1681

01:08:34,430 --> 01:08:31,859

um field which is Special Operations

1682

01:08:35,930 --> 01:08:34,440

highly trained military operatives uh

1683

01:08:37,430 --> 01:08:35,940

with the well they're independent of the

1684

01:08:39,410 --> 01:08:37,440

army and Air Force there are some of our

1685

01:08:40,910 --> 01:08:39,420

highly skilled troops you've got Eglin

1686

01:08:42,650 --> 01:08:40,920

Air Force Base highly sensitive

1687

01:08:45,050 --> 01:08:42,660

Installation Fort Walton Beach Fort

1688

01:08:46,490 --> 01:08:45,060

Walton Beach you know it Pensacola Bay

1689

01:08:49,430 --> 01:08:46,500

and hence we have a man by the name of

1690

01:08:51,590 --> 01:08:49,440

Ed Walters uh November 1987. I've done

1691

01:08:53,030 --> 01:08:51,600

that starts starts taking pictures of

1692

01:08:54,229 --> 01:08:53,040

these odd crafts people are saying

1693

01:08:56,450 --> 01:08:54,239

they're hoaxed I've spoken with Ed

1694

01:08:59,030 --> 01:08:56,460

Walters um the jury's still out in my

1695

01:09:01,010 --> 01:08:59,040

opinion at Walters a group forums called

1696

01:09:03,470 --> 01:09:01,020

the Watchers they sit at Shoreline Park

1697

01:09:05,809 --> 01:09:03,480

looking over Pensacola Bay Santa Rosa

1698

01:09:08,570 --> 01:09:05,819

sound every night and see what people

1699

01:09:10,189 --> 01:09:08,580

say our UFOs on demand I take the trip

1700

01:09:11,809 --> 01:09:10,199

down the Gulf Breeze I sit with these

1701

01:09:13,309 --> 01:09:11,819

people and they're oohing and ironing up

1702

01:09:15,530 --> 01:09:13,319

these red lights I said look at there's

1703

01:09:17,030 --> 01:09:15,540

a UFO I said no that's a plane a taxiing

1704

01:09:18,349 --> 01:09:17,040

plane on the way into Eglin well what

1705

01:09:20,090 --> 01:09:18,359

about that one over there I said near

1706

01:09:22,010 --> 01:09:20,100

the radio tower they said no no right

1707

01:09:24,349 --> 01:09:22,020

there and I said that is the radio tower

1708

01:09:25,789 --> 01:09:24,359

another one uh woman says these we see

1709

01:09:27,890 --> 01:09:25,799

these red lights traveling along the

1710

01:09:29,150 --> 01:09:27,900

surface of Santa Rosa sound and I see

1711

01:09:31,189 --> 01:09:29,160

like those ones out there she goes there

1712

01:09:32,930 --> 01:09:31,199

you go UFO and I said the cartel lights

1713

01:09:35,090 --> 01:09:32,940

you can see the car driving out so I've

1714

01:09:38,390 --> 01:09:35,100

sat with these Watchers and they cannot

1715

01:09:39,890 --> 01:09:38,400

identify an aircraft let alone a star in

1716

01:09:41,689 --> 01:09:39,900

the sky

1717

01:09:43,910 --> 01:09:41,699

um I think people were they were

1718

01:09:46,090 --> 01:09:43,920

desperately wanted to see UFOs and they

1719

01:09:49,849 --> 01:09:46,100

got them but they got mundane phenomena

1720

01:09:52,490 --> 01:09:49,859

unfortunately I don't think anybody I

1721

01:09:55,910 --> 01:09:52,500

saw the original tape

1722

01:09:59,090 --> 01:09:55,920

that Ed Walt has made of a UFO it was a

1723

01:10:01,669 --> 01:09:59,100

UFO now I don't know about any

1724

01:10:04,189 --> 01:10:01,679

enlargements or any of those things

1725

01:10:08,030 --> 01:10:04,199

but I also saw the spot where the UFO

1726

01:10:10,250 --> 01:10:08,040

landed left Max in the ground

1727

01:10:12,770 --> 01:10:10,260

I don't have a beat now this was a thing

1728

01:10:14,450 --> 01:10:12,780

okay first of all I have friends that

1729

01:10:17,150 --> 01:10:14,460

lived at Fort Walton Beach

1730

01:10:18,290 --> 01:10:17,160

and I go down and stay three or four or

1731

01:10:19,550 --> 01:10:18,300

five days

1732

01:10:22,250 --> 01:10:19,560

well

1733

01:10:25,550 --> 01:10:22,260

I would go down there and people would

1734

01:10:27,830 --> 01:10:25,560

ask me all about UFOs and I would say if

1735

01:10:30,050 --> 01:10:27,840

you see a UFO do what we do in New

1736

01:10:33,410 --> 01:10:30,060

Hampshire take your camera and film it

1737

01:10:39,050 --> 01:10:36,290

and this photos were spectacular the

1738

01:10:41,270 --> 01:10:39,060

Watchers meanwhile the original filament

1739

01:10:44,570 --> 01:10:41,280

was not spectacular it was just a plain

1740

01:10:47,630 --> 01:10:44,580

ordinary red glowing UFO

1741

01:10:49,550 --> 01:10:47,640

and it landed in the school yet

1742

01:10:51,110 --> 01:10:49,560

and it left Max

1743

01:10:53,510 --> 01:10:51,120

and then the definition of the object

1744

01:10:57,530 --> 01:10:53,520

took shape in the photographs okay now

1745

01:11:00,410 --> 01:10:57,540

the enlargement I've never seen a UFOs

1746

01:11:02,689 --> 01:11:00,420

that kind of UFO and a Peabody could be

1747

01:11:04,430 --> 01:11:02,699

people tried to claim that Ed Walters

1748

01:11:05,930 --> 01:11:04,440

hosted yet there were other people that

1749

01:11:07,790 --> 01:11:05,940

unbeknownst to Ed Walters that were

1750

01:11:09,649 --> 01:11:07,800

seeing the exact same type of crap in

1751

01:11:12,350 --> 01:11:09,659

the sky at the exact same time that Ed

1752

01:11:14,149 --> 01:11:12,360

Walters was you know so in my opinion

1753

01:11:16,450 --> 01:11:14,159

Walters could be the victim of a hoax

1754

01:11:19,189 --> 01:11:16,460

but he was not the hoaxer

1755

01:11:21,770 --> 01:11:19,199

I talked with people if all you got to

1756

01:11:24,070 --> 01:11:21,780

do is go to Pensacola go back to old

1757

01:11:26,810 --> 01:11:24,080

papers 1950

1758

01:11:29,390 --> 01:11:26,820

1960s and you're going to find all kinds

1759

01:11:30,950 --> 01:11:29,400

of reports that you opposed they're not

1760

01:11:33,169 --> 01:11:30,960

new there they've been there for years

1761

01:11:34,189 --> 01:11:33,179

that's right now and again I'm gonna I

1762

01:11:38,169 --> 01:11:34,199

call

1763

01:11:41,090 --> 01:11:38,179

a Pensacola Eglin Air Force Base area

1764

01:11:42,890 --> 01:11:41,100

51.1 golf though I call it because it's

1765

01:11:44,630 --> 01:11:42,900

a sensitive installation we've got the

1766

01:11:47,810 --> 01:11:44,640

gulf test range where we run missile

1767

01:11:49,850 --> 01:11:47,820

runs uh torpedo runs we ran in World War

1768

01:11:51,830 --> 01:11:49,860

ll we trained our Pilots out there but

1769

01:11:54,050 --> 01:11:51,840

it's a sensitive area and again getting

1770

01:11:55,850 --> 01:11:54,060

back to if UFOs are visiting they're

1771

01:11:57,229 --> 01:11:55,860

going to go to where the party is where

1772

01:11:58,970 --> 01:11:57,239

the where we want to know where the

1773

01:12:00,830 --> 01:11:58,980

entertaining people are you'd be over

1774

01:12:02,390 --> 01:12:00,840

Los Alamos you'd be over Sandia

1775

01:12:04,610 --> 01:12:02,400

Laboratories and Albuquerque you'd

1776

01:12:06,470 --> 01:12:04,620

certainly go to Eglin and you'd go as we

1777

01:12:08,990 --> 01:12:06,480

mentioned Area 51 what's your take on

1778

01:12:11,750 --> 01:12:09,000

Area 51 Betty do you think that they're

1779

01:12:14,030 --> 01:12:11,760

hiding I don't think that's UFOs okay

1780

01:12:16,550 --> 01:12:14,040

you know what I think it is I think it's

1781

01:12:18,169 --> 01:12:16,560

when we captured planes from other

1782

01:12:21,169 --> 01:12:18,179

countries and we're testing them out we

1783

01:12:24,530 --> 01:12:21,179

did an area 51. also the last thing I

1784

01:12:28,010 --> 01:12:24,540

read was that area was so polluted with

1785

01:12:30,229 --> 01:12:28,020

radioactivity they moved everybody out

1786

01:12:31,970 --> 01:12:30,239

so you and I think alike in that respect

1787

01:12:35,030 --> 01:12:31,980

I think that there are black aircraft

1788

01:12:37,370 --> 01:12:35,040

like the SR-71 the F-117 Stealth fighter

1789

01:12:39,590 --> 01:12:37,380

B2 bomber and their red aircraft the

1790

01:12:41,630 --> 01:12:39,600

Operation Red Hat they run red flag

1791

01:12:43,910 --> 01:12:41,640

games out there whereby they take their

1792

01:12:45,470 --> 01:12:43,920

enemies aircraft the Soviet Union migs

1793

01:12:47,209 --> 01:12:45,480

and they test them they want to find

1794

01:12:49,189 --> 01:12:47,219

their Achilles heal their weaknesses so

1795

01:12:50,930 --> 01:12:49,199

you'll continually so why not put up a

1796

01:12:52,729 --> 01:12:50,940

UFO story yeah we could fly in saucers

1797

01:12:55,790 --> 01:12:52,739

here when the real agenda is we've got

1798

01:12:57,350 --> 01:12:55,800

Soviet aircraft moreover we've got a lot

1799

01:12:58,910 --> 01:12:57,360

of Soviet aircraft and if you can

1800

01:13:01,250 --> 01:12:58,920

imagine if they could deploy those

1801

01:13:03,709 --> 01:13:01,260

aircraft in an arena of combat under

1802

01:13:05,870 --> 01:13:03,719

their enemies colors there you go so the

1803

01:13:08,090 --> 01:13:05,880

government that's why they never sought

1804

01:13:09,950 --> 01:13:08,100

to quell the talk about UFOs they just

1805

01:13:12,110 --> 01:13:09,960

didn't want you to look at the base you

1806

01:13:14,030 --> 01:13:12,120

know you could talk about UFOs there and

1807

01:13:16,250 --> 01:13:14,040

it also if it's polluted with all this

1808

01:13:17,810 --> 01:13:16,260

radiation sure I mean it's also could be

1809

01:13:19,550 --> 01:13:17,820

a health Factor there were a lot of

1810

01:13:22,490 --> 01:13:19,560

nuclear shots out there I mean it's

1811

01:13:24,470 --> 01:13:22,500

still cratered to this very day yep so

1812

01:13:26,689 --> 01:13:24,480

we basically um in this interview taking

1813

01:13:29,750 --> 01:13:26,699

a walk across America discussed Roswell

1814

01:13:31,610 --> 01:13:29,760

Gulf Breeze Area 51 on hot spots of UFO

1815

01:13:33,590 --> 01:13:31,620

phenomena do you think the Great Lakes

1816

01:13:35,209 --> 01:13:33,600

is a hot spot for UFOs do you believe in

1817

01:13:37,790 --> 01:13:35,219

something like the Great Lakes triangle

1818

01:13:38,930 --> 01:13:37,800

for instance oh I know there's a lot of

1819

01:13:41,930 --> 01:13:38,940

side names

1820

01:13:43,550 --> 01:13:41,940

they follow waterways

1821

01:13:46,010 --> 01:13:43,560

do you have any they go up the same

1822

01:13:48,110 --> 01:13:46,020

mother and thriva can you equate UFOs

1823

01:13:49,729 --> 01:13:48,120

with say instances in the Bermuda

1824

01:13:51,709 --> 01:13:49,739

Triangle or are they too separate and

1825

01:13:54,310 --> 01:13:51,719

distinct phenomena oh I think it's

1826

01:13:57,110 --> 01:13:54,320

separate this thing

1827

01:13:59,810 --> 01:13:57,120

Crossing into other areas of fortuna

1828

01:14:02,450 --> 01:13:59,820

like um say let's just talk sea monsters

1829

01:14:04,310 --> 01:14:02,460

you've been to Loch Ness beautiful place

1830

01:14:05,990 --> 01:14:04,320

myself included you went probably the

1831

01:14:07,910 --> 01:14:06,000

drum netrocket which is the little Hub

1832

01:14:09,950 --> 01:14:07,920

of the lock did you ever see anything

1833

01:14:12,590 --> 01:14:09,960

strange that you see a UFO near Loch

1834

01:14:15,530 --> 01:14:12,600

Ness nope nothing nope just a beautiful

1835

01:14:17,270 --> 01:14:15,540

lock nope no circles and we went uh told

1836

01:14:22,689 --> 01:14:17,280

them we went all over England and

1837

01:14:27,590 --> 01:14:25,669

deep and entrenched in in the UK in the

1838

01:14:29,930 --> 01:14:27,600

United Kingdom they're seeing them just

1839

01:14:32,090 --> 01:14:29,940

like we are yeah in fact I just got a

1840

01:14:34,610 --> 01:14:32,100

card from a man he's the national

1841

01:14:36,649 --> 01:14:34,620

director of menza you know the men's of

1842

01:14:39,770 --> 01:14:36,659

short monster yeah he's the national

1843

01:14:41,750 --> 01:14:39,780

director of that in England and he's

1844

01:14:43,669 --> 01:14:41,760

also involved in UFOs

1845

01:14:46,189 --> 01:14:43,679

I was a member let's talk quickly about

1846

01:14:47,930 --> 01:14:46,199

UFO groups I was involved with buforo

1847

01:14:50,570 --> 01:14:47,940

which is the British UFO research

1848

01:14:52,910 --> 01:14:50,580

Association I'm a dissenting member of

1849

01:14:54,530 --> 01:14:52,920

mufon the mutual UFO Network I tend to

1850

01:14:56,510 --> 01:14:54,540

think that mufon collects all the UFO

1851

01:14:57,649 --> 01:14:56,520

reports and sits on them as if I think

1852

01:15:00,229 --> 01:14:57,659

out of greed that they're going to

1853

01:15:01,790 --> 01:15:00,239

either slip us the answer one day or

1854

01:15:03,890 --> 01:15:01,800

that's how can we put this into a

1855

01:15:05,090 --> 01:15:03,900

database and make some money and I've

1856

01:15:06,590 --> 01:15:05,100

known a lot of people that have sent

1857

01:15:08,689 --> 01:15:06,600

reports to move on trying to get

1858

01:15:10,850 --> 01:15:08,699

information on it or have a researcher

1859

01:15:13,250 --> 01:15:10,860

meet a dead-end door with old Walter

1860

01:15:15,050 --> 01:15:13,260

there and Walters retired nice man but

1861

01:15:17,030 --> 01:15:15,060

um there was a cloak of secrecy hence

1862

01:15:19,130 --> 01:15:17,040

that I think that muffon is a government

1863

01:15:21,290 --> 01:15:19,140

agency for UFOs what do you think of

1864

01:15:25,810 --> 01:15:21,300

that no because I don't think they get

1865

01:15:29,870 --> 01:15:25,820

enough valuable information yeah I agree

1866

01:15:32,030 --> 01:15:29,880

so yeah I know I've met Walt

1867

01:15:34,490 --> 01:15:32,040

um and John shoeslow who's going to take

1868

01:15:37,070 --> 01:15:34,500

over he and I've had contacts with each

1869

01:15:39,050 --> 01:15:37,080

other in fact I think John schussell was

1870

01:15:40,669 --> 01:15:39,060

there when Junior fell off the podium

1871

01:15:44,630 --> 01:15:40,679

and broke his head

1872

01:15:46,910 --> 01:15:44,640

and then uh Dwight Connolly who taken

1873

01:15:49,550 --> 01:15:46,920

over the editor of mufon has been here

1874

01:15:51,410 --> 01:15:49,560

you know I mean I have gotten tags with

1875

01:15:53,630 --> 01:15:51,420

these people so so these UFO

1876

01:15:56,209 --> 01:15:53,640

organizations are subjective in nature

1877

01:15:58,729 --> 01:15:56,219

um each state with its own little agenda

1878

01:16:00,530 --> 01:15:58,739

um on on on how you'll see your UFOs and

1879

01:16:02,810 --> 01:16:00,540

what your UFOs will look like that's the

1880

01:16:04,970 --> 01:16:02,820

that's the idea I got dealing with uh

1881

01:16:07,490 --> 01:16:04,980

move on people they're set in their ways

1882

01:16:09,709 --> 01:16:07,500

as far as what happens some are are so

1883

01:16:11,209 --> 01:16:09,719

bizarre and out there in the field

1884

01:16:13,610 --> 01:16:11,219

um that you don't know what to believe

1885

01:16:15,590 --> 01:16:13,620

so so you've got that that's where the

1886

01:16:17,930 --> 01:16:15,600

science breaks out in Fishers you've got

1887

01:16:20,209 --> 01:16:17,940

individual organizations with their own

1888

01:16:23,810 --> 01:16:20,219

individual perception of what a UFO

1889

01:16:25,010 --> 01:16:23,820

should or behave like and they don't you

1890

01:16:26,750 --> 01:16:25,020

never know what they're going to do so

1891

01:16:28,250 --> 01:16:26,760

it's a game a massive game of pin the

1892

01:16:29,750 --> 01:16:28,260

tail on donkey and a lot of people are

1893

01:16:31,370 --> 01:16:29,760

getting poked in the you know what yeah

1894

01:16:33,229 --> 01:16:31,380

because people are feeling for the

1895

01:16:35,030 --> 01:16:33,239

answers everybody seems to think that

1896

01:16:37,790 --> 01:16:35,040

they have the answer when in fact maybe

1897

01:16:39,229 --> 01:16:37,800

we all have a certain piece uh to the

1898

01:16:41,750 --> 01:16:39,239

phenomenal

1899

01:16:43,550 --> 01:16:41,760

um have you ever seen Bigfoot Betty have

1900

01:16:45,950 --> 01:16:43,560

I mean one of the things that I I

1901

01:16:49,070 --> 01:16:45,960

research a Bigfoot in the New England

1902

01:16:51,410 --> 01:16:49,080

area no I have never seen Bigfoot

1903

01:16:53,830 --> 01:16:51,420

however I think maybe he might have run

1904

01:16:56,990 --> 01:16:53,840

through my mother Chad one night

1905

01:16:58,669 --> 01:16:57,000

yeah because the whole ground shook and

1906

01:16:59,450 --> 01:16:58,679

we kept hearing this little noise and we

1907

01:17:02,330 --> 01:16:59,460

thought

1908

01:17:04,430 --> 01:17:02,340

it's too big for bail

1909

01:17:05,750 --> 01:17:04,440

so we picked up sticks and we're hitting

1910

01:17:07,669 --> 01:17:05,760

the ground

1911

01:17:09,890 --> 01:17:07,679

that's what you do to keep a bear away

1912

01:17:11,510 --> 01:17:09,900

oh that's what I don't know I never met

1913

01:17:13,910 --> 01:17:11,520

a bear face to face but that's what

1914

01:17:16,130 --> 01:17:13,920

we've been told so you would not equate

1915

01:17:18,830 --> 01:17:16,140

them with UFOs because yes I would okay

1916

01:17:22,250 --> 01:17:18,840

oh please I think

1917

01:17:24,709 --> 01:17:22,260

uh now I say this now basically

1918

01:17:27,649 --> 01:17:24,719

I think you are Bigfoot is on this

1919

01:17:28,850 --> 01:17:27,659

planet okay but I there have been

1920

01:17:32,330 --> 01:17:28,860

reports

1921

01:17:34,610 --> 01:17:32,340

of a UFO landing

1922

01:17:37,010 --> 01:17:34,620

and one footprint

1923

01:17:39,169 --> 01:17:37,020

by the door of the UFO

1924

01:17:41,149 --> 01:17:39,179

and to make fun and there's only one

1925

01:17:43,370 --> 01:17:41,159

print so it's like

1926

01:17:44,510 --> 01:17:43,380

he put one foot out looks around gets

1927

01:17:46,669 --> 01:17:44,520

back in

1928

01:17:49,070 --> 01:17:46,679

I mean something's got a huge foot so

1929

01:17:51,290 --> 01:17:49,080

these cases of the equation between

1930

01:17:53,450 --> 01:17:51,300

Bigfoot and UFO phenomena at least have

1931

01:17:55,010 --> 01:17:53,460

to be considered because if you look at

1932

01:17:57,189 --> 01:17:55,020

mainstream Bigfoot research they

1933

01:17:59,870 --> 01:17:57,199

denounce any sort of paranormal

1934

01:18:01,970 --> 01:17:59,880

influence or association with Bigfoot or

1935

01:18:03,890 --> 01:18:01,980

UFO equation or if you're riding around

1936

01:18:08,750 --> 01:18:03,900

in a UFO and you want to clear the area

1937

01:18:12,709 --> 01:18:10,490

scare you I'll run you right out of the

1938

01:18:14,450 --> 01:18:12,719

area I'd like to conclude this interview

1939

01:18:16,130 --> 01:18:14,460

and I want to thank you for for taking

1940

01:18:18,410 --> 01:18:16,140

the time you've been very informative

1941

01:18:20,709 --> 01:18:18,420

and you really um opened up my eyes and

1942

01:18:23,570 --> 01:18:20,719

really set yourself apart from the other

1943

01:18:26,510 --> 01:18:23,580

abductees I've interviewed abductees

1944

01:18:28,070 --> 01:18:26,520

I've interviewed a woman that that after

1945

01:18:29,149 --> 01:18:28,080

she went through hypnosis and we

1946

01:18:31,310 --> 01:18:29,159

mentioned that earlier in the interview

1947

01:18:32,390 --> 01:18:31,320

how dangerous hypnosis can be as a tool

1948

01:18:34,370 --> 01:18:32,400

if it's in the wrong hands and

1949

01:18:37,729 --> 01:18:34,380

implemented and can psychologically scar

1950

01:18:40,669 --> 01:18:37,739

an individual but she was digressed or

1951

01:18:42,530 --> 01:18:40,679

regressed I should say and had a UFO

1952

01:18:44,630 --> 01:18:42,540

experience now she won't even open her

1953

01:18:46,790 --> 01:18:44,640

closet door or look under her bed

1954

01:18:49,910 --> 01:18:46,800

because that's where she claims UFO

1955

01:18:52,910 --> 01:18:49,920

entities tend to emerge from

1956

01:18:54,950 --> 01:18:52,920

well that's three-year-olds got the

1957

01:18:57,470 --> 01:18:54,960

monsters in the closet

1958

01:18:58,850 --> 01:18:57,480

what advice would you give to UFO

1959

01:19:00,350 --> 01:18:58,860

abductees when I talk to people that

1960

01:19:01,729 --> 01:19:00,360

have seen the UFO they say what can I do

1961

01:19:03,350 --> 01:19:01,739

when I say nothing should I go to the

1962

01:19:04,430 --> 01:19:03,360

police no because you'll bring scoring a

1963

01:19:06,110 --> 01:19:04,440

ridicule they're not going to help you

1964

01:19:08,270 --> 01:19:06,120

anyways and they'll just write you down

1965

01:19:09,590 --> 01:19:08,280

the book and and you know how the crews

1966

01:19:12,530 --> 01:19:09,600

would drive by not because they want to

1967

01:19:15,110 --> 01:19:12,540

protect you from uh uh a UFO but this

1968

01:19:17,990 --> 01:19:15,120

guy must be nuts what what my my advice

1969

01:19:20,209 --> 01:19:18,000

is for other people too that these

1970

01:19:22,729 --> 01:19:20,219

people should form some sort of support

1971

01:19:24,830 --> 01:19:22,739

group share their experiences with

1972

01:19:26,870 --> 01:19:24,840

others who have similar experiences and

1973

01:19:30,169 --> 01:19:26,880

perhaps you can have consolation and you

1974

01:19:32,709 --> 01:19:30,179

can have that type of support within

1975

01:19:35,270 --> 01:19:32,719

your own would you agree to that nope

1976

01:19:37,970 --> 01:19:35,280

what I tell them if you think you've

1977

01:19:40,430 --> 01:19:37,980

been abducted don't tell anybody okay

1978

01:19:42,590 --> 01:19:40,440

okay stay right away from everybody and

1979

01:19:44,750 --> 01:19:42,600

in time you will remember

1980

01:19:46,850 --> 01:19:44,760

and then once you remember then you will

1981

01:19:49,490 --> 01:19:46,860

know what to do you're not going to need

1982

01:19:52,490 --> 01:19:49,500

a support group okay good advice good

1983

01:19:53,870 --> 01:19:52,500

advice indeed so the abduction phenomena

1984

01:19:56,330 --> 01:19:53,880

do you do you see the abduction

1985

01:19:58,490 --> 01:19:56,340

phenomena if you look at UFO sightings

1986

01:20:00,229 --> 01:19:58,500

they started Landing in the 50s yours

1987

01:20:01,430 --> 01:20:00,239

was the first abduction account in the

1988

01:20:03,050 --> 01:20:01,440

60s

1989

01:20:05,030 --> 01:20:03,060

um people taking on board saying that

1990

01:20:06,770 --> 01:20:05,040

there are sexual tests performed on them

1991

01:20:08,450 --> 01:20:06,780

now there are women that said that

1992

01:20:10,810 --> 01:20:08,460

they've been claiming that they've been

1993

01:20:13,610 --> 01:20:10,820

pregnant and that the I call it um

1994

01:20:16,250 --> 01:20:13,620

intergalactive womb snatching uh whereby

1995

01:20:18,770 --> 01:20:16,260

they said nurses will tell you that

1996

01:20:21,470 --> 01:20:18,780

almost every woman of childbearing age

1997

01:20:23,450 --> 01:20:21,480

sometime or another has what we call the

1998

01:20:27,169 --> 01:20:23,460

missing baby syndrome the false

1999

01:20:28,729 --> 01:20:27,179

pregnancy right the false pregnancy and

2000

01:20:30,110 --> 01:20:28,739

your body gives you the signs that

2001

01:20:33,830 --> 01:20:30,120

you're pregnant yep

2002

01:20:35,990 --> 01:20:33,840

God I'm lucky I'm a guy sometimes so so

2003

01:20:37,610 --> 01:20:36,000

you're saying that um this this agenda

2004

01:20:39,709 --> 01:20:37,620

are they stepping up their agenda are

2005

01:20:42,770 --> 01:20:39,719

they making drones are they making half

2006

01:20:46,669 --> 01:20:42,780

human half alien entities How can I

2007

01:20:49,970 --> 01:20:46,679

you can't mix a dog and a cat together

2008

01:20:52,610 --> 01:20:49,980

can't examine people and if they if they

2009

01:20:54,229 --> 01:20:52,620

are uh Jessica's in the shape of us

2010

01:20:56,209 --> 01:20:54,239

there's no sign that there are internal

2011

01:20:58,910 --> 01:20:56,219

organs are the same so you don't buy

2012

01:21:00,890 --> 01:20:58,920

into that then no I don't okay

2013

01:21:02,630 --> 01:21:00,900

um and concluding in fact in the real

2014

01:21:05,330 --> 01:21:02,640

abductions that I've worked with there

2015

01:21:08,390 --> 01:21:05,340

has been no sexual interest at all in

2016

01:21:09,830 --> 01:21:08,400

any of them man or woman they just seems

2017

01:21:11,030 --> 01:21:09,840

that they just want to scare the bejesus

2018

01:21:13,790 --> 01:21:11,040

out of them is that what you're saying

2019

01:21:17,630 --> 01:21:13,800

because of the trials they're searching

2020

01:21:20,169 --> 01:21:17,640

every real abduction they're looking for

2021

01:21:22,850 --> 01:21:20,179

different kinds of information

2022

01:21:24,410 --> 01:21:22,860

the testing they do on this person is

2023

01:21:27,050 --> 01:21:24,420

totally different from this one from

2024

01:21:28,550 --> 01:21:27,060

this one from this one it's looking like

2025

01:21:29,870 --> 01:21:28,560

they're looking for information for

2026

01:21:32,330 --> 01:21:29,880

themselves

2027

01:21:34,370 --> 01:21:32,340

well I keep repeating the same old test

2028

01:21:37,610 --> 01:21:34,380

over and over again

2029

01:21:39,770 --> 01:21:37,620

Dr Jacques valet has a great adage we

2030

01:21:41,450 --> 01:21:39,780

have to understand that we may not be

2031

01:21:45,050 --> 01:21:41,460

able to understand

2032

01:21:47,750 --> 01:21:45,060

do you like that well my book

2033

01:21:50,510 --> 01:21:47,760

comments as opposed to UFOs

2034

01:21:51,370 --> 01:21:50,520

Portsmouth New Hampshire any help what's

2035

01:21:54,229 --> 01:21:51,380

the address

2036

01:21:55,010 --> 01:21:54,239

953 state if they want to buy it yep

2037

01:21:58,130 --> 01:21:55,020

okay

2038

01:22:00,229 --> 01:21:58,140

Jacques villain loves this book

2039

01:22:02,090 --> 01:22:00,239

it is a common sense approach so you do

2040

01:22:05,390 --> 01:22:02,100

take a common sense approach to UFOs

2041

01:22:07,550 --> 01:22:05,400

right you don't look at this upon this

2042

01:22:10,130 --> 01:22:07,560

as an evil phenomena you look upon this

2043

01:22:12,229 --> 01:22:10,140

as an interesting phenomenon right I

2044

01:22:13,729 --> 01:22:12,239

mean they're astronauts are explorers

2045

01:22:15,950 --> 01:22:13,739

they're just like someone coming from

2046

01:22:18,770 --> 01:22:15,960

span Spain to New Hampshire they're

2047

01:22:21,410 --> 01:22:18,780

tourists basically aren't they yep

2048

01:22:23,450 --> 01:22:21,420

um are they looking us over I mean let's

2049

01:22:25,610 --> 01:22:23,460

face it why would any advanced

2050

01:22:28,330 --> 01:22:25,620

civilization want to get friendly with

2051

01:22:31,250 --> 01:22:28,340

us right but in the same time

2052

01:22:33,350 --> 01:22:31,260

it's still quite primitive you know if

2053

01:22:35,209 --> 01:22:33,360

if you look at the prelude

2054

01:22:37,430 --> 01:22:35,219

the order of battle and I don't like to

2055

01:22:38,930 --> 01:22:37,440

say that but you send Recon if you're

2056

01:22:41,450 --> 01:22:38,940

scouting out an area before I buy

2057

01:22:42,290 --> 01:22:41,460

attractive land I scouted out with the

2058

01:22:44,090 --> 01:22:42,300

white

2059

01:22:45,890 --> 01:22:44,100

do you think that they have eyes on our

2060

01:22:48,350 --> 01:22:45,900

planet do you think that they want to

2061

01:22:50,330 --> 01:22:48,360

mine our planet in that this planet

2062

01:22:52,570 --> 01:22:50,340

would be better off run by them and not

2063

01:22:55,550 --> 01:22:52,580

by us I mean moreover if we were

2064

01:22:57,410 --> 01:22:55,560

disposed on like fleas a case of fleas

2065

01:22:59,990 --> 01:22:57,420

on this planet do you think that their

2066

01:23:02,570 --> 01:23:00,000

intentions are Malvern I think they

2067

01:23:03,950 --> 01:23:02,580

wouldn't take us as a gift so you're

2068

01:23:05,209 --> 01:23:03,960

saying is they like the planet but they

2069

01:23:06,970 --> 01:23:05,219

don't like what's on I mean I think

2070

01:23:11,209 --> 01:23:06,980

they're trying to decide

2071

01:23:13,790 --> 01:23:11,219

what level of evolution we're in where'd

2072

01:23:16,490 --> 01:23:13,800

you go when are we going to get progress

2073

01:23:18,229 --> 01:23:16,500

as every year we get worse rather than

2074

01:23:21,110 --> 01:23:18,239

better do they have their eyes on the

2075

01:23:22,490 --> 01:23:21,120

planet and its minerals no to my

2076

01:23:25,790 --> 01:23:22,500

knowledge

2077

01:23:28,610 --> 01:23:25,800

have they assisted the military in

2078

01:23:30,130 --> 01:23:28,620

developing uh third fourth fifth

2079

01:23:33,550 --> 01:23:30,140

generation aircraft

2080

01:23:36,709 --> 01:23:33,560

that we made a Quantum Leap in avionics

2081

01:23:40,430 --> 01:23:36,719

I think we've intervention I think we've

2082

01:23:42,709 --> 01:23:40,440

had advances in our Technology based on

2083

01:23:46,910 --> 01:23:42,719

things that we've obtained from crashed

2084

01:23:49,070 --> 01:23:46,920

UFOs so the Optics okay Philip Corso was

2085

01:23:51,530 --> 01:23:49,080

the one who wrote that after Roswell

2086

01:23:53,570 --> 01:23:51,540

um I agree with him

2087

01:23:56,689 --> 01:23:53,580

unfortunately in fact I know two people

2088

01:23:58,790 --> 01:23:56,699

who did an analysis of the stuff well

2089

01:23:59,630 --> 01:23:58,800

unfortunately I can't find holes in the

2090

01:24:01,550 --> 01:23:59,640

story

2091

01:24:03,050 --> 01:24:01,560

um he is who he says he was that's no

2092

01:24:04,669 --> 01:24:03,060

deny

2093

01:24:06,169 --> 01:24:04,679

um because the only difference I would

2094

01:24:09,189 --> 01:24:06,179

have was he seemed to think that the

2095

01:24:12,530 --> 01:24:09,199

UFOs were a threat to us

2096

01:24:14,750 --> 01:24:12,540

this is military anybody violating our

2097

01:24:16,729 --> 01:24:14,760

ass face can be a threat

2098

01:24:18,770 --> 01:24:16,739

I know the material command at

2099

01:24:20,689 --> 01:24:18,780

Wright-Patt were all nervous right

2100

01:24:22,250 --> 01:24:20,699

Patterson Air Force Base when this book

2101
01:24:23,270 --> 01:24:22,260
came out because that was one of their

2102
01:24:24,770 --> 01:24:23,280
own

2103
01:24:28,130 --> 01:24:24,780
coming out

2104
01:24:29,990 --> 01:24:28,140
under secrecy in in obliterating his

2105
01:24:31,910 --> 01:24:30,000
oath and there wasn't anything they

2106
01:24:34,610 --> 01:24:31,920
could do to him yep

2107
01:24:37,430 --> 01:24:34,620
uh so that that there was some sort of

2108
01:24:40,250 --> 01:24:37,440
Confluence of of alien intelligence or

2109
01:24:42,050 --> 01:24:40,260
alien inventions that were that were uh

2110
01:24:44,270 --> 01:24:42,060
subtly cast into the industrial

2111
01:24:45,709 --> 01:24:44,280
mainstream and brought to fruition

2112
01:24:47,330 --> 01:24:45,719
through fiber optics through night

2113
01:24:49,669 --> 01:24:47,340

vision goggles through super strong

2114

01:24:51,830 --> 01:24:49,679

Alloys uh through maybe something like

2115

01:24:54,950 --> 01:24:51,840

this bulletproof an exotic propulsion

2116

01:24:57,470 --> 01:24:54,960

system perhaps so

2117

01:25:01,070 --> 01:24:57,480

um do you believe that we are flying

2118

01:25:03,350 --> 01:25:01,080

exotic aircraft out of no okay that we

2119

01:25:05,270 --> 01:25:03,360

don't have the the capability

2120

01:25:07,370 --> 01:25:05,280

do you believe that we perhaps have a

2121

01:25:10,070 --> 01:25:07,380

string of lethal satellites orbiting the

2122

01:25:12,229 --> 01:25:10,080

planet that may be in fact not there to

2123

01:25:15,770 --> 01:25:12,239

shoot down intercontinental ballistic

2124

01:25:17,510 --> 01:25:15,780

missile spotter in orbit say to uh shoot

2125

01:25:19,310 --> 01:25:17,520

down UFOs there you go do you believe

2126
01:25:21,050 --> 01:25:19,320
that that's possible oh I think we might

2127
01:25:22,250 --> 01:25:21,060
attempt it but I don't think we'd be

2128
01:25:23,930 --> 01:25:22,260
successful

2129
01:25:25,790 --> 01:25:23,940
so in other words before we fight we're

2130
01:25:27,229 --> 01:25:25,800
going to train and we're if the that's

2131
01:25:29,570 --> 01:25:27,239
the way the military looks at it if they

2132
01:25:31,270 --> 01:25:29,580
cannot take on an opponent and defeat it

2133
01:25:33,470 --> 01:25:31,280
then they're going to go back and

2134
01:25:35,270 --> 01:25:33,480
into the drawing board until they're

2135
01:25:37,010 --> 01:25:35,280
ready to have that technology and take

2136
01:25:38,689 --> 01:25:37,020
down these UFOs do you think that that's

2137
01:25:41,030 --> 01:25:38,699
in the government's agenda eventually is

2138
01:25:43,669 --> 01:25:41,040

to shoot them down and leave us out is

2139

01:25:45,950 --> 01:25:43,679

the sake of our species at stake here

2140

01:25:47,090 --> 01:25:45,960

um no I don't think uh first of all the

2141

01:25:48,950 --> 01:25:47,100

government's not going to shoot them

2142

01:25:51,649 --> 01:25:48,960

down and you say government I'm talking

2143

01:25:53,390 --> 01:25:51,659

about all the governments of the world

2144

01:25:55,550 --> 01:25:53,400

because it would be futile it'll be like

2145

01:25:57,649 --> 01:25:55,560

peasants throwing rocks at an F-16 jet

2146

01:25:59,149 --> 01:25:57,659

fighter for instance

2147

01:26:00,950 --> 01:25:59,159

okay and they're not they're not

2148

01:26:03,530 --> 01:26:00,960

threatening Us in any way

2149

01:26:05,629 --> 01:26:03,540

the the phenomenon is moot as they say

2150

01:26:07,669 --> 01:26:05,639

there is there isn't a mundane threat

2151
01:26:10,490 --> 01:26:07,679
tell me what's in your book what are you

2152
01:26:17,209 --> 01:26:10,500
talking about actually it's about

2153
01:26:20,270 --> 01:26:17,219
my experiences with UFOs since uh 1961.

2154
01:26:20,990 --> 01:26:20,280
is it a handbook how to see UFOs

2155
01:26:24,649 --> 01:26:21,000
um

2156
01:26:25,430 --> 01:26:24,659
do you give tips there well I have the

2157
01:26:27,649 --> 01:26:25,440
um

2158
01:26:30,050 --> 01:26:27,659
you know how we found the area and all

2159
01:26:32,209 --> 01:26:30,060
and I from I understand there are

2160
01:26:34,070 --> 01:26:32,219
several areas in there this country

2161
01:26:36,649 --> 01:26:34,080
where people go out

2162
01:26:38,570 --> 01:26:36,659
just like we did every night and observe

2163
01:26:40,850 --> 01:26:38,580

and take pictures some can say Sedona

2164

01:26:43,550 --> 01:26:40,860

Arizona Gulf Breeze some say the Nevada

2165

01:26:45,110 --> 01:26:43,560

desert uh some now say outside Salt Lake

2166

01:26:46,850 --> 01:26:45,120

City to the Western Hill Air Force

2167

01:26:48,470 --> 01:26:46,860

that's dugway Proving Grounds I've

2168

01:26:50,450 --> 01:26:48,480

always heard up towards Lake Michigan

2169

01:26:52,010 --> 01:26:50,460

that area right the Great Lakes triangle

2170

01:26:54,350 --> 01:26:52,020

right that's always been a hotbed for

2171

01:26:57,290 --> 01:26:54,360

UFO sightings West Virginia had a Spate

2172

01:26:59,450 --> 01:26:57,300

of sightings in the 50s and 60s in that

2173

01:27:00,770 --> 01:26:59,460

area Virginia so

2174

01:27:02,510 --> 01:27:00,780

um you don't think it's relative to

2175

01:27:05,450 --> 01:27:02,520

what's underneath the ground it's just

2176

01:27:07,430 --> 01:27:05,460

uh that this chance that they chose a

2177

01:27:10,129 --> 01:27:07,440

specific area yeah or they found

2178

01:27:11,750 --> 01:27:10,139

interested people that are interested in

2179

01:27:13,970 --> 01:27:11,760

them for instance you of that area in

2180

01:27:15,709 --> 01:27:13,980

Southern New Hampshire and I think all

2181

01:27:17,090 --> 01:27:15,719

right now for example they're interested

2182

01:27:18,950 --> 01:27:17,100

in things that we do

2183

01:27:21,410 --> 01:27:18,960

for example

2184

01:27:23,570 --> 01:27:21,420

in this area where we went out to

2185

01:27:25,729 --> 01:27:23,580

observe about two or three miles away

2186

01:27:27,770 --> 01:27:25,739

they're building a golf course

2187

01:27:29,990 --> 01:27:27,780

every night the UFOs are out there

2188

01:27:34,970 --> 01:27:30,000

looking over and see what's going on

2189

01:27:37,490 --> 01:27:34,980

hmm and not too far from that this uh

2190

01:27:40,550 --> 01:27:37,500

Farm decided to

2191

01:27:42,290 --> 01:27:40,560

start growing all these fruit trees

2192

01:27:43,729 --> 01:27:42,300

and they had all this heavy equipment

2193

01:27:45,709 --> 01:27:43,739

and everything you know they're planting

2194

01:27:48,229 --> 01:27:45,719

Acres of them well we used to go and

2195

01:27:49,790 --> 01:27:48,239

watch the UFOs flying around the heavy

2196

01:27:51,470 --> 01:27:49,800

equipment

2197

01:27:52,970 --> 01:27:51,480

let me ask you this how do they eat do

2198

01:27:54,950 --> 01:27:52,980

you believe in cattle mutilation do you

2199

01:27:56,390 --> 01:27:54,960

think that's equated with aliens

2200

01:28:00,050 --> 01:27:56,400

I don't know

2201
01:28:02,510 --> 01:28:00,060
or you haven't done enough investigation

2202
01:28:05,270 --> 01:28:02,520
such that you couldn't comment well

2203
01:28:06,830 --> 01:28:05,280
I'm actually I wrote about the police

2204
01:28:08,270 --> 01:28:06,840
out in Colorado

2205
01:28:10,129 --> 01:28:08,280
okay so you've been to the San Luis

2206
01:28:12,050 --> 01:28:10,139
Valley uh

2207
01:28:13,790 --> 01:28:12,060
I don't know what that is you're joking

2208
01:28:17,149 --> 01:28:13,800
in Colorado so you were yeah I've been

2209
01:28:19,070 --> 01:28:17,159
in Colorado actually I was out across

2210
01:28:20,390 --> 01:28:19,080
the dude

2211
01:28:22,790 --> 01:28:20,400
I think that's supposed to be the

2212
01:28:24,590 --> 01:28:22,800
highest altitude the highest Alpine

2213
01:28:26,870 --> 01:28:24,600

plane right so it sounds like you were

2214

01:28:28,610 --> 01:28:26,880

at the San Luis Valley which is a hotbed

2215

01:28:30,470 --> 01:28:28,620

for Academy mutilation so you're not

2216

01:28:31,910 --> 01:28:30,480

sure as to if the two were equated and

2217

01:28:33,350 --> 01:28:31,920

the aliens have to eat somehow right do

2218

01:28:35,629 --> 01:28:33,360

they eat food

2219

01:28:37,850 --> 01:28:35,639

I don't know I don't know what they eat

2220

01:28:40,129 --> 01:28:37,860

but I know that uh yeah I rode around

2221

01:28:42,770 --> 01:28:40,139

with the police out there looking for

2222

01:28:44,870 --> 01:28:42,780

uh that showed you took me around showed

2223

01:28:47,629 --> 01:28:44,880

me this is where this cat cattles were

2224

01:28:49,850 --> 01:28:47,639

mutilated and how they had actually had

2225

01:28:51,890 --> 01:28:49,860

hired men to go out and protect the

2226
01:28:53,810 --> 01:28:51,900
cattle tonight with that loaded guns and

2227
01:28:55,310 --> 01:28:53,820
they were they were cookie cutter and

2228
01:28:56,870 --> 01:28:55,320
sized

2229
01:28:59,330 --> 01:28:56,880
um laser Precision so you don't know

2230
01:29:02,689 --> 01:28:59,340
what to make of that no but uh somebody

2231
01:29:05,990 --> 01:29:02,699
was mutilate I know one thing uh one

2232
01:29:08,990 --> 01:29:06,000
farmer gave me a picture of a calf of

2233
01:29:10,729 --> 01:29:09,000
his had been mutilated and I showed it

2234
01:29:13,850 --> 01:29:10,739
to this friend of mine a neurosurgeon

2235
01:29:16,729 --> 01:29:13,860
and he looked at it and he said if you

2236
01:29:18,290 --> 01:29:16,739
can find out who did that cutting I want

2237
01:29:20,090 --> 01:29:18,300
to go in business with her that's right

2238
01:29:21,830 --> 01:29:20,100

because uh whoever did it has to be one

2239

01:29:22,850 --> 01:29:21,840

of the most foremost skilled surgeons on

2240

01:29:24,590 --> 01:29:22,860

the planet and you think that they'd

2241

01:29:26,209 --> 01:29:24,600

want to hang out on their their yacht at

2242

01:29:28,310 --> 01:29:26,219

Miami Beach or play some golf in Hawaii

2243

01:29:30,169 --> 01:29:28,320

as opposed to going out in Sub-Zero

2244

01:29:32,750 --> 01:29:30,179

temperatures in a high Alpine Valley

2245

01:29:34,189 --> 01:29:32,760

plane cutting up cows so I want to ask

2246

01:29:36,350 --> 01:29:34,199

you about crop circles what's your take

2247

01:29:40,930 --> 01:29:36,360

on crop circles are they man-made are

2248

01:29:43,729 --> 01:29:40,940

they Alien made or combination not a UFO

2249

01:29:46,790 --> 01:29:43,739

I have a friend who just came back from

2250

01:29:49,490 --> 01:29:46,800

England they are not alien related oh

2251

01:29:51,110 --> 01:29:49,500

she's I have here

2252

01:29:53,990 --> 01:29:51,120

would you like to see them yeah are you

2253

01:29:55,669 --> 01:29:54,000

saying are they I got pictures of the

2254

01:29:58,129 --> 01:29:55,679

crap the new craft circles that were

2255

01:29:59,570 --> 01:29:58,139

done in August oh okay they are

2256

01:30:01,310 --> 01:29:59,580

fantastic

2257

01:30:07,550 --> 01:30:01,320

do you think that they are associated

2258

01:30:13,070 --> 01:30:09,770

um I've examined Doug Bowers and David

2259

01:30:14,870 --> 01:30:13,080

Shirley are two hoaxers in England that

2260

01:30:16,550 --> 01:30:14,880

started the crop circle or started

2261

01:30:19,129 --> 01:30:16,560

making crop circles in the late 70s

2262

01:30:20,930 --> 01:30:19,139

early 80s they can lay claim to a

2263

01:30:24,290 --> 01:30:20,940

majority of the crop circles but not all

2264

01:30:25,990 --> 01:30:24,300
of them no these two guys they're more

2265

01:30:28,129 --> 01:30:26,000
or less hoaxes

2266

01:30:30,470 --> 01:30:28,139
you know they take a board and they

2267

01:30:32,990 --> 01:30:30,480
right but these actually in the crop

2268

01:30:34,129 --> 01:30:33,000
circles the wheat is almost like it's

2269

01:30:36,830 --> 01:30:34,139
braided

2270

01:30:38,870 --> 01:30:36,840
it doesn't just flatten it's the world

2271

01:30:43,610 --> 01:30:38,880
some people standing within them can

2272

01:30:45,530 --> 01:30:43,620
feel um hear a hum others can can put a

2273

01:30:47,030 --> 01:30:45,540
compass over some sort of geiger counter

2274

01:30:49,250 --> 01:30:47,040
and there are magnetic anomalies

2275

01:30:50,990 --> 01:30:49,260
involved are you aware that there's sand

2276

01:30:53,870 --> 01:30:51,000

circles have been found in the deserts

2277

01:30:56,510 --> 01:30:53,880

of the Sahara uh Gobi desert in China

2278

01:30:58,729 --> 01:30:56,520

and Ice circles in fact an ice Circle

2279

01:31:01,910 --> 01:30:58,739

was found on the Frozen Charles River in

2280

01:31:03,590 --> 01:31:01,920

Medfield Massachusetts Circa 1993. oh I

2281

01:31:04,790 --> 01:31:03,600

never saw that yeah ice circles have

2282

01:31:06,830 --> 01:31:04,800

been found

2283

01:31:10,669 --> 01:31:06,840

um near the Ross sea ice shelf in

2284

01:31:12,890 --> 01:31:10,679

Antarctica so that these are not just in

2285

01:31:15,229 --> 01:31:12,900

the barley fields and cornfields of

2286

01:31:18,290 --> 01:31:15,239

England they are taking a place across

2287

01:31:20,750 --> 01:31:18,300

uh many bass expanses well I know

2288

01:31:23,030 --> 01:31:20,760

there's been crop circles found in on

2289

01:31:24,649 --> 01:31:23,040

the west coast right Washington State

2290

01:31:26,149 --> 01:31:24,659

recently yeah

2291

01:31:29,030 --> 01:31:26,159

what's your take on have you heard of

2292

01:31:31,070 --> 01:31:29,040

black helicopters yep I've filmed them

2293

01:31:33,169 --> 01:31:31,080

okay could you could you elaborate

2294

01:31:35,750 --> 01:31:33,179

please well the one that I filmed I have

2295

01:31:38,510 --> 01:31:35,760

a picture of a helicopter pilot site

2296

01:31:41,090 --> 01:31:38,520

they can't understand it because it's

2297

01:31:42,470 --> 01:31:41,100

been modified in such a way that it

2298

01:31:44,689 --> 01:31:42,480

should not be able to get off the ground

2299

01:31:46,370 --> 01:31:44,699

the helicopter yep

2300

01:31:47,930 --> 01:31:46,380

um San Luis Valley back to Colorado

2301

01:31:50,090 --> 01:31:47,940

where the cattle mutilations occur

2302

01:31:52,070 --> 01:31:50,100

that's a hotbed for um black helicopters

2303

01:31:53,750 --> 01:31:52,080

and they that's a police believe that's

2304

01:31:56,209 --> 01:31:53,760

the black helicopters doing the

2305

01:31:57,770 --> 01:31:56,219

mutilations you think it's a you think

2306

01:31:59,810 --> 01:31:57,780

it's somebody in those black helicopters

2307

01:32:01,729 --> 01:31:59,820

that now the question is are the

2308

01:32:04,689 --> 01:32:01,739

government are the aliens manifesting

2309

01:32:06,649 --> 01:32:04,699

are they aliens manifesting themselves

2310

01:32:08,629 --> 01:32:06,659

I don't know who they are but they're

2311

01:32:10,250 --> 01:32:08,639

not government why would they go around

2312

01:32:11,689 --> 01:32:10,260

doing that right because they could have

2313

01:32:14,270 --> 01:32:11,699

their own little farms and experiment on

2314

01:32:16,250 --> 01:32:14,280

their animals to their hearts content so

2315

01:32:19,010 --> 01:32:16,260

that that would leave off an option in

2316

01:32:20,810 --> 01:32:19,020

Chris O'Brien I made this info inference

2317

01:32:23,810 --> 01:32:20,820

to him he's a researcher in San Luis

2318

01:32:25,490 --> 01:32:23,820

Valley what if the UFOs could manifest

2319

01:32:27,950 --> 01:32:25,500

themselves as black helicopters let's

2320

01:32:31,070 --> 01:32:27,960

just say if an incident

2321

01:32:32,990 --> 01:32:31,080

that's it see now you're going to do a

2322

01:32:34,610 --> 01:32:33,000

totally different area oh let's go we're

2323

01:32:36,590 --> 01:32:34,620

there

2324

01:32:38,390 --> 01:32:36,600

I've got a picture

2325

01:32:40,010 --> 01:32:38,400

that I took

2326

01:32:43,310 --> 01:32:40,020

in daylight

2327

01:32:46,430 --> 01:32:43,320

I looked up I was out in my area and I'm

2328

01:32:48,649 --> 01:32:46,440

with a friend and I look up and I saw a

2329

01:32:50,870 --> 01:32:48,659

plane and a helicopter flying side by

2330

01:32:53,510 --> 01:32:50,880

side what's the plan of C-130 had four

2331

01:32:56,330 --> 01:32:53,520

engines on it um what type of plane was

2332

01:32:59,570 --> 01:32:56,340

it it doesn't play 9A helicopter

2333

01:33:01,189 --> 01:32:59,580

and those two attracted my attention and

2334

01:33:03,530 --> 01:33:01,199

I got a Polaroid camera

2335

01:33:05,330 --> 01:33:03,540

a snap to play in the helicopter you

2336

01:33:06,950 --> 01:33:05,340

don't see planes and helicopters flying

2337

01:33:08,629 --> 01:33:06,960

side by side

2338

01:33:10,790 --> 01:33:08,639

I set up a picture

2339

01:33:13,610 --> 01:33:10,800

and I got a disc

2340

01:33:16,490 --> 01:33:13,620

and a flying Barrel

2341

01:33:20,169 --> 01:33:16,500

along with a plane in the helicopter

2342

01:33:24,110 --> 01:33:20,179

So lately over the years

2343

01:33:26,810 --> 01:33:24,120

I also I have a friend who filmed

2344

01:33:29,390 --> 01:33:26,820

a carrier letting a

2345

01:33:31,669 --> 01:33:29,400

look like small planes

2346

01:33:32,750 --> 01:33:31,679

like the old planes like World War One

2347

01:33:34,790 --> 01:33:32,760

planes

2348

01:33:36,709 --> 01:33:34,800

I think something like eight of them

2349

01:33:38,510 --> 01:33:36,719

came out of the carrier

2350

01:33:39,850 --> 01:33:38,520

and they looked like almost like rolls

2351

01:33:43,310 --> 01:33:39,860

was

2352

01:33:46,070 --> 01:33:43,320

interesting and so and then also yeah

2353

01:33:48,709 --> 01:33:46,080

and then also we had here what we call

2354

01:33:51,950 --> 01:33:48,719

the crazy plane what's that it looks

2355

01:33:54,410 --> 01:33:51,960

like a play okay and it will do things

2356

01:33:56,870 --> 01:33:54,420

like it'll come right straight down hear

2357

01:33:59,030 --> 01:33:56,880

me in Southern New Hampshire yep roaring

2358

01:34:00,410 --> 01:33:59,040

worse than 10 gents come right straight

2359

01:34:03,050 --> 01:34:00,420

down

2360

01:34:06,649 --> 01:34:03,060

pointed at the ground stop for about 20

2361

01:34:08,810 --> 01:34:06,659

feet flatten off up and take off

2362

01:34:11,390 --> 01:34:08,820

do you think that's an alien crafter I

2363

01:34:12,850 --> 01:34:11,400

know it is sure

2364

01:34:15,649 --> 01:34:12,860

um so so

2365

01:34:17,750 --> 01:34:15,659

what they're beginning to disguise

2366

01:34:19,550 --> 01:34:17,760

themselves that's okay so so they're

2367

01:34:21,830 --> 01:34:19,560

beginning to look like things that were

2368

01:34:23,149 --> 01:34:21,840

familiar to us right so that they can

2369

01:34:25,970 --> 01:34:23,159

get in closer

2370

01:34:27,649 --> 01:34:25,980

a good Chris O'Brien story was he had

2371

01:34:29,209 --> 01:34:27,659

investigated this strange helicopter

2372

01:34:31,610 --> 01:34:29,219

Encounter of a family in Colorado saw

2373

01:34:33,470 --> 01:34:31,620

the strange yellow helicopter and it's

2374

01:34:34,729 --> 01:34:33,480

so expansive to travel in that

2375

01:34:36,830 --> 01:34:34,739

helicopter you wouldn't have enough fuel

2376

01:34:38,270 --> 01:34:36,840

to go to the next Depot and so he's

2377

01:34:40,189 --> 01:34:38,280

driving home and he's typing it up on

2378

01:34:41,689 --> 01:34:40,199

his his typewriter the next morning he

2379

01:34:43,850 --> 01:34:41,699

looks out he sees the same yellow

2380

01:34:45,950 --> 01:34:43,860

helicopter 13 years later the way they

2381

01:34:47,570 --> 01:34:45,960

describe now I want to get back to

2382

01:34:48,950 --> 01:34:47,580

Special Operations groups I mentioned

2383

01:34:51,229 --> 01:34:48,960

them earlier they emanate out of

2384

01:34:52,910 --> 01:34:51,239

Kirtland Air Force Base in in

2385

01:34:55,189 --> 01:34:52,920

Albuquerque to train there they're

2386

01:34:57,470 --> 01:34:55,199

dispatched or I call them their nest is

2387

01:34:59,930 --> 01:34:57,480

an Eglin Hurlburt Field black

2388

01:35:02,750 --> 01:34:59,940

helicopters are shiny or flat black

2389

01:35:04,250 --> 01:35:02,760

helicopters that are not registered with

2390

01:35:05,990 --> 01:35:04,260

the FAA they don't have any military

2391

01:35:07,610 --> 01:35:06,000

numbers or markings so they don't exist

2392

01:35:09,649 --> 01:35:07,620

they can apply at any altitude anywhere

2393

01:35:12,350 --> 01:35:09,659

you want they also are accompanied by

2394

01:35:13,910 --> 01:35:12,360

four engine planes called c-130s they

2395

01:35:15,410 --> 01:35:13,920

can be the way I look at them is it's

2396

01:35:16,550 --> 01:35:15,420

the United States of America's way to

2397

01:35:17,990 --> 01:35:16,560

check into the terrorist game

2398

01:35:19,910 --> 01:35:18,000

unannounced you fight terrorism

2399

01:35:22,310 --> 01:35:19,920

sometimes unfortunately with terrorism

2400

01:35:25,070 --> 01:35:22,320

these are surgical teams that can get

2401

01:35:26,450 --> 01:35:25,080

into an area perform whatever Duty they

2402

01:35:29,270 --> 01:35:26,460

have to do with electrical intelligence

2403

01:35:30,830 --> 01:35:29,280

or psyops against the enemy and leave so

2404

01:35:33,470 --> 01:35:30,840

now for the aliens to manifest

2405

01:35:34,910 --> 01:35:33,480

themselves you have UFOs sightings and

2406

01:35:36,709 --> 01:35:34,920

these Special Operations groups which

2407

01:35:38,629 --> 01:35:36,719

show up later so now it seems that the

2408

01:35:40,729 --> 01:35:38,639

aliens maybe or so I've heard

2409

01:35:43,010 --> 01:35:40,739

manifesting themselves as these black

2410

01:35:44,990 --> 01:35:43,020

helicopters almost in a mocking manner

2411

01:35:46,790 --> 01:35:45,000

what do you think of that to the point

2412

01:35:49,070 --> 01:35:46,800

that uh here's here's your secret group

2413

01:35:50,689 --> 01:35:49,080

and okay yeah the UFOs come in to

2414

01:35:53,330 --> 01:35:50,699

manifest themselves as black helicopters

2415

01:35:55,430 --> 01:35:53,340

because you're inferring that these UFOs

2416

01:35:57,890 --> 01:35:55,440

have the capacity to manifest themselves

2417

01:36:00,229 --> 01:35:57,900

as some of our sensitive aircraft is

2418

01:36:04,129 --> 01:36:00,239

that correct uh I don't know I do know

2419

01:36:07,430 --> 01:36:04,139

this I've talked with military

2420

01:36:10,729 --> 01:36:07,440

oh no we used in wartime we use black

2421

01:36:12,950 --> 01:36:10,739

helicopters now after Vietnam all the

2422

01:36:14,330 --> 01:36:12,960

helicopters came back and they were

2423

01:36:16,729 --> 01:36:14,340

repainted

2424

01:36:19,010 --> 01:36:16,739

to go to the different branches of

2425

01:36:20,870 --> 01:36:19,020

government the military that they've

2426
01:36:22,370 --> 01:36:20,880
been assigned to and there were no black

2427
01:36:24,410 --> 01:36:22,380
helicopters

2428
01:36:27,530 --> 01:36:24,420
but I assume we probably had them when

2429
01:36:28,970 --> 01:36:27,540
we attacked Iraq

2430
01:36:30,470 --> 01:36:28,980
so and so in other words black

2431
01:36:32,090 --> 01:36:30,480
helicopters are great to have they're

2432
01:36:33,950 --> 01:36:32,100
great instead of scrambling Fighters for

2433
01:36:35,930 --> 01:36:33,960
to investigate UFOs you can get a

2434
01:36:37,729 --> 01:36:35,940
chopper up out of anywhere get into the

2435
01:36:39,410 --> 01:36:37,739
area investigate they're usually a few

2436
01:36:42,649 --> 01:36:39,420
days late in or not a few hours late

2437
01:36:45,350 --> 01:36:42,659
anyways and leave but that you've seen

2438
01:36:46,669 --> 01:36:45,360

some odd you've heard of odd terrestrial

2439

01:36:48,530 --> 01:36:46,679

aircraft that you and I know as

2440

01:36:50,270 --> 01:36:48,540

terrestrial aircraft behaving in strange

2441

01:36:54,189 --> 01:36:50,280

manners like you said that this woman

2442

01:36:57,890 --> 01:36:54,199

who saw this UFO releasing

2443

01:37:00,050 --> 01:36:57,900

World War One vintage aircraft yep it's

2444

01:37:01,550 --> 01:37:00,060

a new phenomenon and she actually got

2445

01:37:04,189 --> 01:37:01,560

some real good pictures

2446

01:37:06,470 --> 01:37:04,199

of one of them because one of the small

2447

01:37:08,450 --> 01:37:06,480

planes flew right down towards

2448

01:37:09,709 --> 01:37:08,460

and look just like and you can see the

2449

01:37:12,470 --> 01:37:09,719

two heads

2450

01:37:13,850 --> 01:37:12,480

you know it had like the canopy like the

2451

01:37:15,830 --> 01:37:13,860

old planes had

2452

01:37:18,649 --> 01:37:15,840

and you could see the head because you

2453

01:37:20,629 --> 01:37:18,659

couldn't see the features or anything

2454

01:37:22,129 --> 01:37:20,639

do you believe that this was filmed in

2455

01:37:24,110 --> 01:37:22,139

daylight

2456

01:37:26,270 --> 01:37:24,120

Richard Hoagland former announcer

2457

01:37:28,370 --> 01:37:26,280

advisor talks about The Monuments on

2458

01:37:29,750 --> 01:37:28,380

Mars talks about structures on the moon

2459

01:37:31,490 --> 01:37:29,760

what's your take on that do you believe

2460

01:37:33,470 --> 01:37:31,500

that there's ancient monoliths or

2461

01:37:35,750 --> 01:37:33,480

structures on the moon do are the aliens

2462

01:37:38,510 --> 01:37:35,760

using that as a staging ground

2463

01:37:41,330 --> 01:37:38,520

what's your opinion on that Richard

2464

01:37:43,250 --> 01:37:41,340

Hoagland tends to up

2465

01:37:45,110 --> 01:37:43,260

I don't know I don't have any opinion

2466

01:37:47,510 --> 01:37:45,120

yet on Mars

2467

01:37:49,550 --> 01:37:47,520

the face I think my life could have

2468

01:37:51,770 --> 01:37:49,560

existed on Mass

2469

01:37:54,229 --> 01:37:51,780

but you do yeah I think you know I've

2470

01:37:57,050 --> 01:37:54,239

read books scientists

2471

01:38:01,370 --> 01:37:57,060

years and years ago how when the planet

2472

01:38:03,050 --> 01:38:01,380

Venus came in to our Atmos our area it

2473

01:38:06,169 --> 01:38:03,060

went too close to my eyes and flipped it

2474

01:38:07,729 --> 01:38:06,179

over and wiped life out there do you

2475

01:38:10,310 --> 01:38:07,739

think the asteroid belt was a planet

2476

01:38:12,050 --> 01:38:10,320

that exploded could have been okay I

2477

01:38:13,970 --> 01:38:12,060

don't know do you think the astronauts

2478

01:38:15,709 --> 01:38:13,980

encountered UFOs on their Apollo flights

2479

01:38:17,510 --> 01:38:15,719

or Geminis their mercuries their space

2480

01:38:19,910 --> 01:38:17,520

shuttle launches we've seen the videos

2481

01:38:21,890 --> 01:38:19,920

coming out we've heard the fourth and

2482

01:38:24,050 --> 01:38:21,900

fifth end stories well I know God and

2483

01:38:27,370 --> 01:38:24,060

Cooper filmed the UFO

2484

01:38:30,110 --> 01:38:27,380

a landed one and Edward therefore space

2485

01:38:32,330 --> 01:38:30,120

because he was here last year oh Gordon

2486

01:38:34,189 --> 01:38:32,340

was oh yeah now when you have he's

2487

01:38:36,649 --> 01:38:34,199

coming out and speaking and saying that

2488

01:38:38,510 --> 01:38:36,659

he had an encounter uh Edgar Mitchell is

2489

01:38:40,490 --> 01:38:38,520

another one that I've done TV programs

2490

01:38:42,169 --> 01:38:40,500

with him so you have two esteemed

2491

01:38:44,390 --> 01:38:42,179

astronauts I believe was it Mitchell

2492

01:38:46,450 --> 01:38:44,400

that brought in Apollo 13 He steered it

2493

01:38:48,890 --> 01:38:46,460

manually which I thought was uh or no

2494

01:38:51,709 --> 01:38:48,900

Mitchell I think Mitchell's craft or was

2495

01:38:53,390 --> 01:38:51,719

it one of the astronauts there

2496

01:38:54,709 --> 01:38:53,400

um that we just Cooper I think it might

2497

01:38:56,030 --> 01:38:54,719

have been Cooper that actually steers

2498

01:38:59,090 --> 01:38:56,040

crafting which was one of the greatest

2499

01:39:01,310 --> 01:38:59,100

single-handed manual re-entries in the

2500

01:39:03,890 --> 01:39:01,320

history and that was Apollo 13. right

2501
01:39:05,450 --> 01:39:03,900
but which is an unlucky number one so

2502
01:39:07,370 --> 01:39:05,460
you've got these astronauts saying that

2503
01:39:09,709 --> 01:39:07,380
they've encountered UFOs

2504
01:39:13,070 --> 01:39:09,719
um and they've seen them which means

2505
01:39:14,689 --> 01:39:13,080
that we are being monitored our launches

2506
01:39:17,629 --> 01:39:14,699
are being monitored which also means the

2507
01:39:19,490 --> 01:39:17,639
government is loosening this security

2508
01:39:22,370 --> 01:39:19,500
right

2509
01:39:24,590 --> 01:39:22,380
secret information exactly but when it

2510
01:39:26,030 --> 01:39:24,600
becomes so compartmentalized that uh you

2511
01:39:28,250 --> 01:39:26,040
don't know what the person next to you

2512
01:39:30,050 --> 01:39:28,260
is doing and they don't either uh that

2513
01:39:31,610 --> 01:39:30,060

it's bound to slip out but if you put if

2514

01:39:33,410 --> 01:39:31,620

you break up the pieces of the puddle

2515

01:39:34,910 --> 01:39:33,420

and dispers a puzzle and disperse them

2516

01:39:36,350 --> 01:39:34,920

it'll be harder for somebody to put

2517

01:39:37,669 --> 01:39:36,360

together the pieces but every once in a

2518

01:39:40,189 --> 01:39:37,679

while you link a few pieces and there's

2519

01:39:41,209 --> 01:39:40,199

a picture of what is actually happening

2520

01:39:42,550 --> 01:39:41,219

so

2521

01:39:45,830 --> 01:39:42,560

um there is a possibility then that

2522

01:39:47,090 --> 01:39:45,840

these UFOs are monitoring our space

2523

01:39:49,129 --> 01:39:47,100

flights

2524

01:39:51,110 --> 01:39:49,139

you agree with that

2525

01:39:53,030 --> 01:39:51,120

oh like I would assume they would be

2526

01:39:55,850 --> 01:39:53,040

yeah

2527

01:39:57,890 --> 01:39:55,860

what do you see as do you see us going

2528

01:39:59,990 --> 01:39:57,900

out into outer space or living in space

2529

01:40:04,850 --> 01:40:00,000

at some time colonized in space space

2530

01:40:11,030 --> 01:40:07,970

right it's way beyond our abilities at

2531

01:40:13,129 --> 01:40:11,040

this time a number of global or Mars

2532

01:40:14,629 --> 01:40:13,139

surveyor craft we've lost we just lost

2533

01:40:15,770 --> 01:40:14,639

contact with another one do you think

2534

01:40:18,410 --> 01:40:15,780

that that's just because we're building

2535

01:40:19,910 --> 01:40:18,420

toys like for Fisher Price or do you

2536

01:40:21,890 --> 01:40:19,920

think that they're being taken note by

2537

01:40:23,810 --> 01:40:21,900

it some people say the great Galactic

2538

01:40:25,010 --> 01:40:23,820

ghoul or some sort of alien presence do

2539

01:40:26,990 --> 01:40:25,020

you think that they're getting too close

2540

01:40:28,490 --> 01:40:27,000

to Mars in a certain area that we're not

2541

01:40:29,689 --> 01:40:28,500

supposed to see and they're being taken

2542

01:40:32,689 --> 01:40:29,699

out

2543

01:40:35,750 --> 01:40:32,699

well they seem to have

2544

01:40:37,669 --> 01:40:35,760

publicly announced why it failed it was

2545

01:40:39,709 --> 01:40:37,679

a mixture of something like uh

2546

01:40:42,709 --> 01:40:39,719

measurements and the metric system

2547

01:40:45,350 --> 01:40:42,719

that's four out of five probes we've

2548

01:40:47,689 --> 01:40:45,360

lost I don't know so it's hard to

2549

01:40:50,990 --> 01:40:47,699

speculate I mean well I don't know I

2550

01:40:52,970 --> 01:40:51,000

can't imagine UFOs attacking them they

2551

01:40:55,010 --> 01:40:52,980

aren't that important

2552

01:40:57,470 --> 01:40:55,020

if they can't if these are our do you

2553

01:40:59,270 --> 01:40:57,480

think these aliens are are our future

2554

01:41:01,189 --> 01:40:59,280

say 25

2555

01:41:03,110 --> 01:41:01,199

000 years do believe that they come from

2556

01:41:04,550 --> 01:41:03,120

another system obviously but or do you

2557

01:41:11,709 --> 01:41:04,560

think that perhaps they're coming back

2558

01:41:16,610 --> 01:41:14,390

I think in time we're going to be this

2559

01:41:19,310 --> 01:41:16,620

world is going to be one world

2560

01:41:21,470 --> 01:41:19,320

and we won't bother with passports we'll

2561

01:41:23,390 --> 01:41:21,480

just travel anywhere we want to belong

2562

01:41:26,629 --> 01:41:23,400

to the people One race the human race

2563

01:41:27,410 --> 01:41:26,639

right and then when we progress to that

2564

01:41:29,570 --> 01:41:27,420

point

2565

01:41:32,570 --> 01:41:29,580

then we could maybe can start thinking

2566

01:41:34,189 --> 01:41:32,580

about going to other worlds

2567

01:41:36,109 --> 01:41:34,199

well because all you got to learn to get

2568

01:41:38,270 --> 01:41:36,119

along with each other here first before

2569

01:41:40,550 --> 01:41:38,280

we go anyplace else that's right before

2570

01:41:43,189 --> 01:41:40,560

we we look to the heavens and decide

2571

01:41:45,169 --> 01:41:43,199

what is right for for the cosmos let's

2572

01:41:47,810 --> 01:41:45,179

settle our differences here on our own

2573

01:41:49,010 --> 01:41:47,820

little mud ball right right well Betty

2574

01:41:50,750 --> 01:41:49,020

Hill I want to thank you for taking the

2575

01:41:52,430 --> 01:41:50,760

time to speak in here with me here

2576

01:41:54,770 --> 01:41:52,440

fascinating interview inviting me into

2577

01:41:57,470 --> 01:41:54,780

your home Betty Hill's new book a common

2578

01:42:00,229 --> 01:41:57,480

sense approach to UFOs

2579

01:42:01,970 --> 01:42:00,239

um again Betty has the book here we want

2580

01:42:03,530 --> 01:42:01,980

to mention how they can acquire the book

2581

01:42:07,070 --> 01:42:03,540

one more time

2582

01:42:08,750 --> 01:42:07,080

um the price of the book is 15.95 and

2583

01:42:10,850 --> 01:42:08,760

usually it depends on where you they

2584

01:42:13,550 --> 01:42:10,860

live but usually I send a priority mail

2585

01:42:18,169 --> 01:42:13,560

which is three dollars and the address

2586

01:42:21,470 --> 01:42:18,179

is 953 State Street Portsmouth New

2587

01:42:23,390 --> 01:42:21,480

Hampshire all three eight oh one you got

2588

01:42:24,770 --> 01:42:23,400

it live it learn it read it Betty Hill

2589

01:42:27,770 --> 01:42:24,780

thank you very much for being our guest

2590

01:42:29,810 --> 01:42:27,780

here tonight okay

2591

01:42:32,450 --> 01:42:29,820

I

2592

01:42:33,550 --> 01:42:32,460

he's inside my guess what

2593

01:42:37,550 --> 01:42:33,560

oh

2594

01:42:39,530 --> 01:42:37,560

yeah yes I love this hold them up to the

2595

01:42:41,689 --> 01:42:39,540

camera if you'd like these are someone

2596

01:42:43,010 --> 01:42:41,699

pictures what's yeah I've got the camera

2597

01:42:46,609 --> 01:42:43,020

running still if you'd like to hold them

2598

01:42:50,090 --> 01:42:46,619

up oh I gotta go take a trip first

2599

01:42:51,590 --> 01:42:50,100

that's hit the fly in trash can

2600

01:42:54,109 --> 01:42:51,600

uh who are the

2601

01:42:56,270 --> 01:42:54,119

who was the tonight's concert

2602

01:42:57,709 --> 01:42:56,280

offline trash can you hold the right

2603

01:43:00,050 --> 01:42:57,719

torture okay

2604

01:43:02,990 --> 01:43:00,060

I call it a flying trash can but one of

2605

01:43:05,510 --> 01:43:03,000

the astronauts saw the same shape out in

2606

01:43:09,890 --> 01:43:05,520

space and he caught a little flying beer

2607

01:43:13,609 --> 01:43:11,450

what else do you have there oh there's

2608

01:43:16,490 --> 01:43:13,619

another

2609

01:43:19,310 --> 01:43:16,500

this is a disc

2610

01:43:20,870 --> 01:43:19,320

this little attachment here is a remote

2611

01:43:23,510 --> 01:43:20,880

controlled object

2612

01:43:25,850 --> 01:43:23,520

which they toss out and it flies around

2613

01:43:32,930 --> 01:43:25,860

by itself I don't know it could be a

2614

01:43:36,830 --> 01:43:35,090

and those

2615

01:43:39,109 --> 01:43:36,840

seven

2616

01:43:41,209 --> 01:43:39,119

and that's a very common pattern for

2617

01:43:42,950 --> 01:43:41,219

them to fly in

2618

01:43:44,930 --> 01:43:42,960

I don't know if you can get these or not

2619

01:43:46,970 --> 01:43:44,940

sure yeah great they look okay that's

2620

01:43:51,050 --> 01:43:46,980

very common that's there's yeah a very

2621

01:43:53,149 --> 01:43:51,060

common pattern for flight and then

2622

01:43:54,649 --> 01:43:53,159

oh this one's huge

2623

01:43:57,709 --> 01:43:54,659

that's is that the outline of a craft

2624

01:43:59,570 --> 01:43:57,719

this is the front the lighted front and

2625

01:44:07,550 --> 01:43:59,580

I would say this one is about

2626

01:44:15,530 --> 01:44:10,790

come in this one this is a disc

2627

01:44:20,870 --> 01:44:18,169

these were all taken in this area yep

2628

01:44:22,790 --> 01:44:20,880

yep in your hot spot yep

2629

01:44:24,050 --> 01:44:22,800

evergots that's got you got you to

2630

01:44:24,950 --> 01:44:24,060

disclose well we know is Southern New

2631

01:44:30,109 --> 01:44:24,960

Hampshire

2632

01:44:32,510 --> 01:44:30,119

sightings oh let me show you these glows

2633

01:44:34,250 --> 01:44:32,520

yeah these are very interesting

2634

01:44:36,050 --> 01:44:34,260

these are all about copies of my

2635

01:44:38,450 --> 01:44:36,060

pictures

2636

01:44:40,550 --> 01:44:38,460

if you're too close to a UFO this is

2637

01:44:43,850 --> 01:44:40,560

what it does to your camera

2638

01:44:45,770 --> 01:44:43,860

you can take a picture of it

2639

01:44:47,750 --> 01:44:45,780

you get all these lights

2640

01:44:49,430 --> 01:44:47,760

I mean I assume this at different kinds

2641

01:44:51,350 --> 01:44:49,440

of energy it's if we only knew how to

2642

01:44:53,149 --> 01:44:51,360

analyze them

2643

01:44:56,270 --> 01:44:53,159

and these were Outdoors taken these

2644

01:44:58,129 --> 01:44:56,280

would take my front steps here the UFO

2645

01:44:59,510 --> 01:44:58,139

is coming up the street it must have it

2646

01:45:02,990 --> 01:44:59,520

was right up your street now how long

2647

01:45:07,490 --> 01:45:03,000

ago was this oh I don't know I I always

2648

01:45:11,689 --> 01:45:09,950

oh this picture is very important anyway

2649

01:45:13,490 --> 01:45:11,699

the craft came up the street I'm

2650

01:45:15,470 --> 01:45:13,500

standing on the front steps and then

2651
01:45:17,450 --> 01:45:15,480
when I went over

2652
01:45:18,290 --> 01:45:17,460
the rule for the buildings across the

2653
01:45:20,750 --> 01:45:18,300
street

2654
01:45:24,050 --> 01:45:20,760
and I filmed that

2655
01:45:25,850 --> 01:45:24,060
but this is a very polar

2656
01:45:29,689 --> 01:45:25,860
very poor

2657
01:45:32,090 --> 01:45:29,699
picture of it anyway it was a circle a

2658
01:45:35,450 --> 01:45:32,100
circular craft round like a ball

2659
01:45:37,669 --> 01:45:35,460
and they had windows that were lighted

2660
01:45:42,109 --> 01:45:37,679
you could you know almost impossible to

2661
01:45:50,810 --> 01:45:44,390
and then they'll see uh

2662
01:45:54,410 --> 01:45:53,209
they'll come in they might have two or

2663
01:45:57,229 --> 01:45:54,420

three beams

2664

01:45:59,270 --> 01:45:57,239

come in and then

2665

01:46:02,870 --> 01:45:59,280

as the crafts come in then the beams

2666

01:46:06,890 --> 01:46:02,880

disappear let's see

2667

01:46:09,229 --> 01:46:06,900

oh this is actually this one here

2668

01:46:13,669 --> 01:46:09,239

this is a this is

2669

01:46:17,990 --> 01:46:15,530

that's the way the pictures were

2670

01:46:19,310 --> 01:46:18,000

duplicated here's a remote controlled

2671

01:46:22,310 --> 01:46:19,320

object

2672

01:46:24,830 --> 01:46:22,320

and this one is Vega it's a perfectly

2673

01:46:27,830 --> 01:46:24,840

round ball and it's bigger than the full

2674

01:46:34,430 --> 01:46:30,950

oh that's some more from the too close

2675

01:46:37,910 --> 01:46:36,169

so okay

2676

01:46:40,129 --> 01:46:37,920

man that was great thank you very much

2677

01:46:41,149 --> 01:46:40,139

buddy appreciate it and good luck with

2678

01:46:42,950 --> 01:46:41,159

your new book

2679

01:46:44,149 --> 01:46:42,960

all right that's your first your first

2680

01:46:46,970 --> 01:46:44,159

book isn't it

2681

01:46:49,430 --> 01:46:46,980

yeah oh I've written several articles

2682

01:46:52,250 --> 01:46:49,440

the first book yeah right thank you very

2683

01:46:54,050 --> 01:46:52,260

much Betty you're welcome

2684

01:46:55,669 --> 01:46:54,060

that was great thank you God that's the

2685

01:46:59,030 --> 01:46:55,679

longest I got without a cigarette in

2686

01:47:03,470 --> 01:47:01,010

are a champion as far as covering the

2687

01:47:06,050 --> 01:47:03,480

phenomenal let me tell you you are

2688

01:47:07,430 --> 01:47:06,060

so refreshing just some of your answers

2689

01:47:09,530 --> 01:47:07,440

and um

2690

01:47:12,590 --> 01:47:09,540

I like the way you sound I never found

2691

01:47:15,890 --> 01:47:12,600

any strange man in my bedroom you suck

2692

01:47:17,990 --> 01:47:15,900

it to the other researchers and

2693

01:47:19,870 --> 01:47:18,000

and you owe me a copy of that tape oh

2694

01:47:22,669 --> 01:47:19,880

absolutely

2695

01:47:24,109 --> 01:47:22,679

that was fantastic that was great Betty

2696

01:47:25,660 --> 01:47:24,119

thank you for your patience I really

2697

01:47:29,050 --> 01:47:25,670

appreciate it

2698

01:47:31,669 --> 01:47:29,060

[Music]

2699

01:47:33,470 --> 01:47:31,679

see my theory about the manifesting is

2700

01:47:35,209 --> 01:47:33,480

helicopters I mean when I tell people

2701

01:47:37,310 --> 01:47:35,219

that you know I know Special Operations

2702

01:47:38,810 --> 01:47:37,320

like the back of my hand and there's

2703

01:47:40,910 --> 01:47:38,820

some groups that the Special Operations

2704

01:47:43,070 --> 01:47:40,920

don't know and they look like Special
