

1
00:00:04,789 --> 00:00:02,629
well both Linda and Alan say they've

2
00:00:07,309 --> 00:00:04,799
seen flying saucers not only that but

3
00:00:10,490 --> 00:00:07,319
they've actually been abducted and taken

4
00:00:11,930 --> 00:00:10,500
on board these UFOs Linda can you just

5
00:00:13,370 --> 00:00:11,940
briefly describe to me what sort of

6
00:00:15,049 --> 00:00:13,380
people did you see on board the

7
00:00:17,750 --> 00:00:15,059
spacecraft

8
00:00:20,029 --> 00:00:17,760
they were very tall around about six six

9
00:00:22,070 --> 00:00:20,039
and they had navy blue coveralls on

10
00:00:25,250 --> 00:00:22,080
Rapids the neck

11
00:00:28,609 --> 00:00:25,260
they were sort of dark skinned yellowy

12
00:00:30,589 --> 00:00:28,619
sort of gray skin slanted eyes and very

13
00:00:31,790 --> 00:00:30,599

black hair but that's not something that

14

00:00:33,950 --> 00:00:31,800

you can remember in your conscious

15

00:00:36,049 --> 00:00:33,960

memory no not at all it's only in your

16

00:00:38,750 --> 00:00:36,059

subconscious which is why we brought Joe

17

00:00:40,130 --> 00:00:38,760

keatonin who's a Hitler test now Joe I

18

00:00:42,470 --> 00:00:40,140

hope you're going to help them unlock

19

00:00:45,110 --> 00:00:42,480

their Memories by taking them back to a

20

00:00:48,170 --> 00:00:45,120

subconscious state can you now prepare

21

00:00:49,850 --> 00:00:48,180

Linda and Alan for hypnosis please for a

22

00:00:51,410 --> 00:00:49,860

close encounter of what happened to them

23

00:00:52,610 --> 00:00:51,420

would you both make yourself more

24

00:00:56,869 --> 00:00:52,620

comfortable

25

00:01:00,290 --> 00:00:58,850

try and rest your head but it won't go

26

00:01:02,630 --> 00:01:00,300

too far back

27

00:01:05,210 --> 00:01:02,640

you see if your head Falls forward your

28

00:01:07,429 --> 00:01:05,220

throat will be restricted

29

00:01:09,590 --> 00:01:07,439

now Don't Close Your Eyes well we will

30

00:01:11,450 --> 00:01:09,600

be joining Debbie and in fact we'll see

31

00:01:13,130 --> 00:01:11,460

more of those uh those two people later

32

00:01:14,510 --> 00:01:13,140

on in the program and perhaps reliving

33

00:01:15,710 --> 00:01:14,520

some of those moments in their

34

00:01:18,530 --> 00:01:15,720

subconscious should be very interesting

35

00:01:19,609 --> 00:01:18,540

indeed but for the moment that's a very

36

00:01:21,410 --> 00:01:19,619

Lively debate there in soccer

37

00:01:23,030 --> 00:01:21,420

hooliganism I suspect that's the subject

38

00:01:24,590 --> 00:01:23,040

we'll be coming back to before the end

39

00:01:26,570 --> 00:01:24,600

of this new series of central weekend

40

00:01:28,190 --> 00:01:26,580

I'm actually in another part of the

41

00:01:29,330 --> 00:01:28,200

studios you're in the building rather as

42

00:01:32,210 --> 00:01:29,340

you obviously know because we've been

43

00:01:33,890 --> 00:01:32,220

undergoing hypnosis here and uh we have

44

00:01:35,870 --> 00:01:33,900

two of our guests tonight Linda Jones

45

00:01:38,330 --> 00:01:35,880

and Alan Godfrey Alan actually hasn't

46

00:01:40,190 --> 00:01:38,340

gone under as such yet but Linda has and

47

00:01:43,249 --> 00:01:40,200

Joe keep you've been managing to take

48

00:01:46,249 --> 00:01:43,259

Linda back to one of the moments when

49

00:01:47,510 --> 00:01:46,259

she was able to go aboard or at least

50

00:01:50,450 --> 00:01:47,520

confront something which she couldn't

51
00:01:52,550 --> 00:01:50,460
explain now she thinks it was some kind

52
00:01:54,410 --> 00:01:52,560
of spacecraft some UFO that she can't

53
00:01:56,870 --> 00:01:54,420
explain how far did you actually get

54
00:01:59,690 --> 00:01:56,880
with her well we got her to a point of

55
00:02:03,590 --> 00:01:59,700
such extreme Terror you were in the

56
00:02:05,510 --> 00:02:03,600
people yes the heart was racing the

57
00:02:09,169 --> 00:02:05,520
breathing uh

58
00:02:11,089 --> 00:02:09,179
was accelerated she was looking at

59
00:02:15,229 --> 00:02:11,099
something that frightened her

60
00:02:19,309 --> 00:02:17,150
she couldn't really explain what it was

61
00:02:22,550 --> 00:02:19,319
first it was a ball coming out of the

62
00:02:23,570 --> 00:02:22,560
river then she said heads above the

63
00:02:25,610 --> 00:02:23,580

river

64

00:02:27,589 --> 00:02:25,620

and then she says come to the top of the

65

00:02:29,150 --> 00:02:27,599

tip we'll be and gradually

66

00:02:31,250 --> 00:02:29,160

she slipped

67

00:02:33,350 --> 00:02:31,260

weathered into a deeper or not that's

68

00:02:34,910 --> 00:02:33,360

when she started talking to us okay well

69

00:02:36,290 --> 00:02:34,920

Linda I know is still obviously a bit

70

00:02:37,970 --> 00:02:36,300

groggy at the moment she'd be talking to

71

00:02:40,850 --> 00:02:37,980

us later on in the program

72

00:02:42,949 --> 00:02:40,860

now Linda you were walking along the

73

00:02:45,110 --> 00:02:42,959

banks of the river mersey in Manchester

74

00:02:48,890 --> 00:02:45,120

in Didsbury where you live with two of

75

00:02:50,330 --> 00:02:48,900

your children yes and you saw what uh we

76
00:02:54,350 --> 00:02:50,340
were walking along the banks Picking

77
00:02:56,570 --> 00:02:54,360
Wildflowers uh we saw this object come

78
00:02:59,750 --> 00:02:56,580
over our heads it was an oval object

79
00:03:03,050 --> 00:02:59,760
pinky orange which landed

80
00:03:05,390 --> 00:03:03,060
down over a hill vertically

81
00:03:07,250 --> 00:03:05,400
we ran up to see what it was our first

82
00:03:10,009 --> 00:03:07,260
thought was it was an aircraft on fire

83
00:03:11,869 --> 00:03:10,019
we live quite near Manchester Airport it

84
00:03:13,250 --> 00:03:11,879
was big oh it was very big it was 60

85
00:03:20,030 --> 00:03:13,260
foot across

86
00:03:22,550 --> 00:03:20,040
hovering two foot off the ground uh we

87
00:03:24,649 --> 00:03:22,560
just stared at it we were transfixed the

88
00:03:27,290 --> 00:03:24,659

three of us were just watching this

89

00:03:29,449 --> 00:03:27,300

object and it just seemed to hover and

90

00:03:31,190 --> 00:03:29,459

there was complete silence no news at

91

00:03:32,930 --> 00:03:31,200

all and when you ran toward it what was

92

00:03:36,530 --> 00:03:32,940

happening on the ground

93

00:03:40,430 --> 00:03:38,330

that's my Marine back when you're

94

00:03:42,350 --> 00:03:40,440

running back yeah what happened yes when

95

00:03:44,149 --> 00:03:42,360

we're running away from the objects the

96

00:03:45,589 --> 00:03:44,159

grass seemed to move at the side of us

97

00:03:46,970 --> 00:03:45,599

and in front of us are sort of blowing

98

00:03:49,490 --> 00:03:46,980

about what you've got a sort of path for

99

00:03:51,830 --> 00:03:49,500

you as it were no no it was the grass

100

00:03:53,690 --> 00:03:51,840

was overgrown on the riverbank but it

101
00:03:56,390 --> 00:03:53,700
seemed to be blowing over

102
00:03:59,270 --> 00:03:56,400
and when you got home what happened well

103
00:04:03,830 --> 00:03:59,280
when we got home we saw my husband who

104
00:04:05,750 --> 00:04:03,840
then was on a a shift of 210 shift and I

105
00:04:08,270 --> 00:04:05,760
said what are you doing home because

106
00:04:11,330 --> 00:04:08,280
we'd gone out of the house at 7 30 in

107
00:04:12,289 --> 00:04:11,340
the evening and obviously he was home it

108
00:04:15,410 --> 00:04:12,299
was dark

109
00:04:17,810 --> 00:04:15,420
we didn't realize until 18 months later

110
00:04:19,370 --> 00:04:17,820
that was an hour missing out of our time

111
00:04:21,830 --> 00:04:19,380
oh she had a similar experience to

112
00:04:22,850 --> 00:04:21,840
Dorothy here yeah lost time yes and

113
00:04:25,129 --> 00:04:22,860

there was some effect on your skin

114

00:04:27,890 --> 00:04:25,139

wasn't there yes my eyes were burnt and

115

00:04:29,870 --> 00:04:27,900

scaly underneath my eyes no you can't

116

00:04:31,550 --> 00:04:29,880

account for that no

117

00:04:33,590 --> 00:04:31,560

attitude it wasn't it was evening wasn't

118

00:04:35,930 --> 00:04:33,600

it wasn't sunny I mean uh it was dusk it

119

00:04:37,129 --> 00:04:35,940

was nice an August evening so it

120

00:04:39,469 --> 00:04:37,139

certainly imagine you want to go to Sun

121

00:04:41,510 --> 00:04:39,479

Tan would you no no I don't think so um

122

00:04:43,670 --> 00:04:41,520

I hadn't been out that day now sometime

123

00:04:45,110 --> 00:04:43,680

later 18 months later just to move this

124

00:04:47,090 --> 00:04:45,120

on a bit you were persuaded to go and

125

00:04:49,249 --> 00:04:47,100

see a hypnotist and you and your

126
00:04:51,710 --> 00:04:49,259
daughter I gather both gave that

127
00:04:54,050 --> 00:04:51,720
hypnotist I'm almost identical

128
00:04:56,450 --> 00:04:54,060
version of what what had happened

129
00:04:58,189 --> 00:04:56,460
previously and and when he recounted it

130
00:04:59,810 --> 00:04:58,199
to the hip and it's under hypnosis yes

131
00:05:02,390 --> 00:04:59,820
what did you tell him

132
00:05:05,390 --> 00:05:02,400
uh under hypnosis I don't remember

133
00:05:08,090 --> 00:05:05,400
anything at all about the hypnosis only

134
00:05:09,530 --> 00:05:08,100
what I have seen on videotape and we'll

135
00:05:12,110 --> 00:05:09,540
stress this you've seen yourself back

136
00:05:15,770 --> 00:05:12,120
that's correct my only conscious memory

137
00:05:17,749 --> 00:05:15,780
of this object was seeing the object it

138
00:05:20,629 --> 00:05:17,759

seemed to disappear and appear and we

139

00:05:22,730 --> 00:05:20,639

ran away from it right oh we saw it

140

00:05:24,890 --> 00:05:22,740

actually following on the tail of a

141

00:05:26,510 --> 00:05:24,900

plane going into Manchester Airport as

142

00:05:29,210 --> 00:05:26,520

we were nearing our home

143

00:05:31,070 --> 00:05:29,220

but I don't remember anything about the

144

00:05:34,909 --> 00:05:31,080

hypnosis only what I have seen on

145

00:05:35,870 --> 00:05:34,919

videotape and I find it very hard to

146

00:05:39,230 --> 00:05:35,880

accept

147

00:05:42,170 --> 00:05:39,240

what I actually said under hypnosis

148

00:05:44,689 --> 00:05:42,180

well what was said was I ran down the

149

00:05:46,850 --> 00:05:44,699

hill or three of us ran down the hill we

150

00:05:49,689 --> 00:05:46,860

thought we were running home

151
00:05:52,550 --> 00:05:49,699
we went into this man in dark clothing

152
00:05:54,730 --> 00:05:52,560
tall dark eyes

153
00:05:58,430 --> 00:05:54,740
then there was a sensation of floating

154
00:06:00,890 --> 00:05:58,440
and then being on a table and have feel

155
00:06:03,350 --> 00:06:00,900
having feelings of ice put on our legs

156
00:06:05,810 --> 00:06:03,360
and lights shining our eyes and that's

157
00:06:08,450 --> 00:06:05,820
all I remember and there were six of

158
00:06:11,710 --> 00:06:08,460
them and they all look the same now I

159
00:06:13,670 --> 00:06:11,720
just can't accept this but

160
00:06:15,230 --> 00:06:13,680
that's what you said on the hypnosis

161
00:06:17,629 --> 00:06:15,240
right that's correct now I have to say

162
00:06:18,890 --> 00:06:17,639
well I imagine anyway that when you when

163
00:06:20,270 --> 00:06:18,900

you recount this story what happened to

164

00:06:21,409 --> 00:06:20,280

you under hypnosis to your Chums in

165

00:06:23,990 --> 00:06:21,419

Manchester you don't get an entirely

166

00:06:26,270 --> 00:06:24,000

sympathetic hearing I don't talk to them

167

00:06:28,550 --> 00:06:26,280

a lot about that

168

00:06:30,469 --> 00:06:28,560

on a November evening about 10 years ago

169

00:06:32,090 --> 00:06:30,479

Linda Jones took a young son and

170

00:06:33,710 --> 00:06:32,100

daughter for a walk along a Manchester

171

00:06:35,510 --> 00:06:33,720

Canal bank

172

00:06:36,350 --> 00:06:35,520

suddenly they saw a bright light in the

173

00:06:38,210 --> 00:06:36,360

sky

174

00:06:42,710 --> 00:06:38,220

it looked like it was going to hit us

175

00:06:46,010 --> 00:06:42,720

directly we dropped into the grass it

176

00:06:49,249 --> 00:06:46,020

landed vertically in a field

177

00:06:51,290 --> 00:06:49,259

over a hill we ran up the hill we

178

00:06:53,809 --> 00:06:51,300

thought we were going to see an aircraft

179

00:06:56,809 --> 00:06:53,819

in Flames or something but it was just

180

00:06:58,550 --> 00:06:56,819

this object's total silence not making

181

00:07:01,189 --> 00:06:58,560

any noise at all

182

00:07:03,230 --> 00:07:01,199

it was then shaped like a half moon

183

00:07:05,570 --> 00:07:03,240

really girder structure the

184

00:07:10,510 --> 00:07:05,580

undercarriage of it we stood there

185

00:07:15,710 --> 00:07:14,029

statuses it was hovering two foot off

186

00:07:18,050 --> 00:07:15,720

the ground

187

00:07:19,909 --> 00:07:18,060

it turned out that Linda lost track of

188

00:07:23,089 --> 00:07:19,919

about half an hour of time during the

189

00:07:25,309 --> 00:07:23,099

encounter At first she told no one years

190

00:07:27,409 --> 00:07:25,319

later under hypnosis she recalls an

191

00:07:29,809 --> 00:07:27,419

experience on board the craft but she

192

00:07:33,170 --> 00:07:29,819

doesn't like to recall it now I don't

193

00:07:37,309 --> 00:07:33,180

think I should remember

194

00:07:39,409 --> 00:07:37,319

I I think whoever blanked my mind out or

195

00:07:43,850 --> 00:07:39,419

if it was fear that blanked my mind out

196

00:07:46,370 --> 00:07:43,860

I do not know but I know that

197

00:07:48,950 --> 00:07:46,380

I should not remember it was a summer's

198

00:07:52,249 --> 00:07:48,960

evening we were walking along and I had

199

00:07:54,770 --> 00:07:52,259

this Wildflower book with me and I was

200

00:07:57,110 --> 00:07:54,780

guessing the children interested and

201
00:07:59,330 --> 00:07:57,120
asking them sort of playing little game

202
00:08:01,189 --> 00:07:59,340
really see see what what that one's

203
00:08:04,370 --> 00:08:01,199
called see if you can identify it you

204
00:08:09,350 --> 00:08:04,380
know that flower and then my daughter

205
00:08:14,749 --> 00:08:11,629
we looked up and we saw this sort of

206
00:08:16,809 --> 00:08:14,759
rugby ball shape which was just hurtling

207
00:08:19,430 --> 00:08:16,819
towards us at an angle

208
00:08:22,309 --> 00:08:19,440
we sort of crouched in the long grass

209
00:08:26,629 --> 00:08:22,319
quickly to avoid it because our first

210
00:08:32,329 --> 00:08:28,610
because me my life flashed in front of

211
00:08:35,450 --> 00:08:32,339
me when I saw this thing my daughter was

212
00:08:36,670 --> 00:08:35,460
absolutely terrified

213
00:08:40,190 --> 00:08:36,680

[Music]

214

00:08:41,389 --> 00:08:40,200

we then ran up the hill to see what was

215

00:08:43,870 --> 00:08:41,399

going on

216

00:08:46,710 --> 00:08:43,880

and we saw this object

217

00:08:49,550 --> 00:08:46,720

which was shaped like a crescent moon

218

00:08:52,910 --> 00:08:49,560

[Music]

219

00:08:55,730 --> 00:08:52,920

oh my God it was physical it was a

220

00:08:59,530 --> 00:08:55,740

physical object I felt like I could have

221

00:09:05,449 --> 00:09:03,350

I felt myself sort of drawn to it well

222

00:09:08,410 --> 00:09:05,459

really I just wanted to have a closer

223

00:09:11,090 --> 00:09:08,420

look probably curiosity

224

00:09:14,690 --> 00:09:11,100

and I just couldn't believe what I was

225

00:09:17,269 --> 00:09:14,700

seeing it was like a a bad dream like

226

00:09:18,970 --> 00:09:17,279

like a nightmare

227

00:09:28,550 --> 00:09:18,980

come back

228

00:09:34,250 --> 00:09:31,190

I don't actually remember going right up

229

00:09:36,130 --> 00:09:34,260

close to it I got as close as I can but

230

00:09:38,870 --> 00:09:36,140

it seemed to

231

00:09:41,560 --> 00:09:38,880

burn my face that the light was too

232

00:09:51,850 --> 00:09:41,570

bright mum

233

00:09:57,769 --> 00:09:54,710

what are you doing come back

234

00:10:01,009 --> 00:09:57,779

I have never seen anything like that in

235

00:10:06,260 --> 00:10:01,019

my life before that day and have never

236

00:10:11,570 --> 00:10:08,590

[Music]

237

00:10:12,769 --> 00:10:11,580

we didn't look back we just ran down the

238

00:10:15,370 --> 00:10:12,779

hill

239

00:10:18,710 --> 00:10:15,380

we ran as fast as we could

240

00:10:20,329 --> 00:10:18,720

terrified the three ran straight home

241

00:10:21,829 --> 00:10:20,339

when they got there they discovered that

242

00:10:24,650 --> 00:10:21,839

an hour and a half could not be

243

00:10:29,990 --> 00:10:27,310

I came home from work

244

00:10:32,870 --> 00:10:30,000

and the house was empty

245

00:10:35,630 --> 00:10:32,880

shortly after my wife

246

00:10:40,910 --> 00:10:35,640

daughter and son arrived and they were

247

00:10:46,610 --> 00:10:43,670

they asked me what I want what what I

248

00:10:48,710 --> 00:10:46,620

thought they'd seen and I I took a wild

249

00:10:51,530 --> 00:10:48,720

guess and said a spaceship

250

00:10:55,069 --> 00:10:51,540

and they they replied have you seen it

251
00:11:07,750 --> 00:10:57,110
he had another Lorry over time stranger

252
00:11:15,769 --> 00:11:11,930
my wife's eyes but it was all red

253
00:11:18,590 --> 00:11:15,779
um like it had been scorched

254
00:11:21,769 --> 00:11:18,600
um quite quite badly

255
00:11:23,269 --> 00:11:21,779
Burns and scaly just underneath and on

256
00:11:24,650 --> 00:11:23,279
the lids

257
00:11:27,949 --> 00:11:24,660
well

258
00:11:30,410 --> 00:11:27,959
wasn't really very sunny in fact it was

259
00:11:32,389 --> 00:11:30,420
fairly sort of overcast

260
00:11:35,030 --> 00:11:32,399
that weekend

261
00:11:37,550 --> 00:11:35,040
so it wasn't due to sunbathing or

262
00:11:40,850 --> 00:11:37,560
anything like that it was just very very

263
00:11:42,769 --> 00:11:40,860

weird there'll be no questions until I'm

264

00:11:44,569 --> 00:11:42,779

completely sure that you're perfectly

265

00:11:47,930 --> 00:11:44,579

relaxed

266

00:11:49,550 --> 00:11:47,940

and perfectly comfortable so I don't

267

00:11:51,889 --> 00:11:49,560

want you to think that there's any sort

268

00:11:53,569 --> 00:11:51,899

of a hurry Linda decided to see a

269

00:11:55,550 --> 00:11:53,579

hypnotist in the bid to discover what

270

00:11:56,389 --> 00:11:55,560

had happened during the last hour and a

271

00:11:58,850 --> 00:11:56,399

half

272

00:12:02,230 --> 00:11:58,860

and then how will you actually hypnotize

273

00:12:09,170 --> 00:12:06,110

I I can't actually remember the

274

00:12:11,990 --> 00:12:09,180

the regression or anything about the

275

00:12:14,030 --> 00:12:12,000

regression but Linda's session was

276
00:12:16,130 --> 00:12:14,040
recorded by the hypnotist the results

277
00:12:18,650 --> 00:12:16,140
shocked her

278
00:12:21,250 --> 00:12:18,660
what's happening

279
00:12:24,050 --> 00:12:21,260
I'm watching the lights

280
00:12:25,569 --> 00:12:24,060
is someone standing next to them in the

281
00:12:28,389 --> 00:12:25,579
field

282
00:12:29,770 --> 00:12:28,399
then Ward

283
00:12:34,449 --> 00:12:29,780
I'm floating

284
00:12:36,889 --> 00:12:34,459
[Music]

285
00:12:43,389 --> 00:12:36,899
I'm in a room

286
00:12:49,190 --> 00:12:46,570
all got black hair big

287
00:12:53,870 --> 00:12:49,200
[Music]

288
00:12:59,650 --> 00:12:57,370

they're wearing jumpsuits of some kind

289

00:13:02,650 --> 00:12:59,660

all in one

290

00:13:06,790 --> 00:13:02,660

what are they doing

291

00:13:12,850 --> 00:13:10,269

the legs feel so cold

292

00:13:15,710 --> 00:13:12,860

I see

293

00:13:18,829 --> 00:13:15,720

I mean I really can't be there it's so

294

00:13:21,350 --> 00:13:18,839

hard to to take on board that sort of

295

00:13:24,470 --> 00:13:21,360

thing I mean I'm just a very ordinary

296

00:13:27,769 --> 00:13:24,480

normal down-to-earth human being

297

00:13:30,949 --> 00:13:27,779

uh definitely wasn't into that sort of

298

00:13:32,750 --> 00:13:30,959

thing I didn't like anything about

299

00:13:35,569 --> 00:13:32,760

science fiction I've never been

300

00:13:39,530 --> 00:13:35,579

interested in that sort of thing at all

301
00:13:42,829 --> 00:13:39,540
so I mean the answer was why me why I

302
00:13:45,410 --> 00:13:42,839
was on that day Linda Jones believes she

303
00:13:46,970 --> 00:13:45,420
has met aliens one evening whilst had

304
00:13:49,009 --> 00:13:46,980
walking with her young son and daughter

305
00:13:51,410 --> 00:13:49,019
they saw a bright light that came

306
00:13:53,509 --> 00:13:51,420
towards them and hovered just above the

307
00:13:55,970 --> 00:13:53,519
ground but then followed an amazing

308
00:13:58,790 --> 00:13:55,980
experience when time seemed to stand

309
00:14:00,889 --> 00:13:58,800
still now Linda exactly what did you see

310
00:14:03,410 --> 00:14:00,899
that evening

311
00:14:05,629 --> 00:14:03,420
I saw a light that came over us I

312
00:14:09,050 --> 00:14:05,639
thought it was an aircraft on fire

313
00:14:10,790 --> 00:14:09,060

we ran up two embankments my daughter my

314

00:14:12,290 --> 00:14:10,800

son and myself

315

00:14:15,110 --> 00:14:12,300

while we stood at the top of the

316

00:14:18,350 --> 00:14:15,120

embankment to see 30 yards away from us

317

00:14:20,329 --> 00:14:18,360

this unusual object

318

00:14:23,870 --> 00:14:20,339

I did not know what it was at the time

319

00:14:26,990 --> 00:14:23,880

how big was it the object was around 60

320

00:14:29,990 --> 00:14:27,000

feet wide and it was hovering two foot

321

00:14:32,329 --> 00:14:30,000

off the ground and there was no noise at

322

00:14:36,230 --> 00:14:32,339

all so what did you think it was at that

323

00:14:38,509 --> 00:14:36,240

stage I really didn't know I didn't know

324

00:14:41,990 --> 00:14:38,519

what it was at all did it have a

325

00:14:44,990 --> 00:14:42,000

particular shape yes it had a rather

326

00:14:46,069 --> 00:14:45,000

unusual shape it was shaped rather like

327

00:14:49,250 --> 00:14:46,079

a boat

328

00:14:50,990 --> 00:14:49,260

it didn't land just Harvard it was a

329

00:14:54,350 --> 00:14:51,000

girder-like structure

330

00:14:57,230 --> 00:14:54,360

and it had a magnesium light on the top

331

00:14:59,750 --> 00:14:57,240

which seemed to be a part from the

332

00:15:03,110 --> 00:14:59,760

structure didn't seem attached there

333

00:15:05,329 --> 00:15:03,120

were no doors no windows anything I just

334

00:15:09,829 --> 00:15:05,339

couldn't make it out we just stood there

335

00:15:14,030 --> 00:15:11,509

um well actually

336

00:15:15,530 --> 00:15:14,040

we were just froze to the spot it was

337

00:15:17,689 --> 00:15:15,540

rather like when you have a bad dream

338

00:15:19,370 --> 00:15:17,699

you know and you sort of can't run you

339

00:15:22,670 --> 00:15:19,380

want to run away from something and you

340

00:15:25,910 --> 00:15:22,680

can't and that is exactly how we felt

341

00:15:28,430 --> 00:15:25,920

I felt myself drawn towards it I was

342

00:15:31,370 --> 00:15:28,440

walking towards it it was Curiosity on

343

00:15:34,370 --> 00:15:31,380

my part and my daughter said please come

344

00:15:36,889 --> 00:15:34,380

away from it mum she did sense danger I

345

00:15:39,650 --> 00:15:36,899

didn't now did you think it could be a

346

00:15:41,509 --> 00:15:39,660

UFO at the time or no I didn't

347

00:15:43,910 --> 00:15:41,519

because I

348

00:15:45,889 --> 00:15:43,920

I just wasn't into UFOs I didn't know

349

00:15:49,250 --> 00:15:45,899

anything about UFOs

350

00:15:51,590 --> 00:15:49,260

so you'd see this you you were scared

351

00:15:54,110 --> 00:15:51,600

um what happened then exactly

352

00:15:57,110 --> 00:15:54,120

my Consciousness my conscious memory of

353

00:16:00,410 --> 00:15:57,120

the event was that we saw the thing we

354

00:16:03,050 --> 00:16:00,420

stood there it went away before our eyes

355

00:16:05,629 --> 00:16:03,060

without us actually seeing it I don't

356

00:16:07,610 --> 00:16:05,639

remember the thing going away

357

00:16:10,009 --> 00:16:07,620

then we run away

358

00:16:12,590 --> 00:16:10,019

we ran down the embankments and on our

359

00:16:14,449 --> 00:16:12,600

way home that was my conscious memories

360

00:16:16,310 --> 00:16:14,459

of the event suddenly it was there you

361

00:16:18,410 --> 00:16:16,320

were looking at it yes and then the next

362

00:16:20,810 --> 00:16:18,420

thing you remember is that you're

363

00:16:23,569 --> 00:16:20,820

running away from it that's correct yeah

364

00:16:25,610 --> 00:16:23,579

so when you got home at that stage well

365

00:16:28,189 --> 00:16:25,620

we hadn't quite got home at that stage

366

00:16:29,509 --> 00:16:28,199

when I saw this object behind an

367

00:16:32,030 --> 00:16:29,519

aircraft

368

00:16:33,230 --> 00:16:32,040

to the left of me going into Manchester

369

00:16:35,689 --> 00:16:33,240

Airport

370

00:16:37,670 --> 00:16:35,699

and there is a lot of it I'm sure that

371

00:16:40,550 --> 00:16:37,680

there wasn't an airplane it was the

372

00:16:43,189 --> 00:16:40,560

first one was an airplane because there

373

00:16:45,829 --> 00:16:43,199

is a lot of air traffic going overhead

374

00:16:48,350 --> 00:16:45,839

it was following directly on its tail

375

00:16:49,670 --> 00:16:48,360

into the airport now when you got back

376

00:16:52,129 --> 00:16:49,680

home what did you do tell your husband

377

00:16:55,189 --> 00:16:52,139

about it yes yes I told my husband about

378

00:16:57,889 --> 00:16:55,199

it my son described it in his own words

379

00:17:00,410 --> 00:16:57,899

he was four-year-old and he said daddy

380

00:17:03,590 --> 00:17:00,420

take me back to see the crashed boat

381

00:17:05,390 --> 00:17:03,600

that was his description take me back to

382

00:17:08,510 --> 00:17:05,400

see the crashed boat got hold of his

383

00:17:10,429 --> 00:17:08,520

father's hand and his father said no hey

384

00:17:12,829 --> 00:17:10,439

you know what's wrong here and he said

385

00:17:15,230 --> 00:17:12,839

Linda what's wrong with your eyes my

386

00:17:17,569 --> 00:17:15,240

eyes were all burnt and scaly like I'd

387

00:17:19,130 --> 00:17:17,579

been in the sun could you feel that

388

00:17:20,630 --> 00:17:19,140

there was something wrong with with your

389

00:17:22,789 --> 00:17:20,640

eyes no

390

00:17:25,789 --> 00:17:22,799

um the funny thing was I felt so elated

391

00:17:28,730 --> 00:17:25,799

about the whole thing at the time when I

392

00:17:31,490 --> 00:17:28,740

came home my daughter didn't she she was

393

00:17:33,230 --> 00:17:31,500

absolutely terrified the sort of mixed

394

00:17:36,110 --> 00:17:33,240

feelings really about the whole thing

395

00:17:38,090 --> 00:17:36,120

now how did you know at that time that

396

00:17:39,350 --> 00:17:38,100

there was something wrong that there

397

00:17:45,230 --> 00:17:39,360

wasn't every you couldn't remember

398

00:17:49,909 --> 00:17:48,049

I just told my husband I didn't look at

399

00:17:53,630 --> 00:17:49,919

the time I didn't have a watch on or

400

00:17:56,870 --> 00:17:53,640

anything else my husband was home uh he

401
00:17:59,510 --> 00:17:56,880
was a shift worker and he was on the 210

402
00:18:00,950 --> 00:17:59,520
shift at the time and he was home and I

403
00:18:02,270 --> 00:18:00,960
said what are you doing home because I

404
00:18:04,730 --> 00:18:02,280
had gone out that's even at half past

405
00:18:07,789 --> 00:18:04,740
seven and we'd seen a friend to their

406
00:18:10,490 --> 00:18:07,799
destination and which only takes the

407
00:18:13,730 --> 00:18:10,500
walk that we usually take only takes 20

408
00:18:15,230 --> 00:18:13,740
minutes or less if you're walking fast

409
00:18:18,350 --> 00:18:15,240
but

410
00:18:20,570 --> 00:18:18,360
we were gone a number of hours so

411
00:18:23,090 --> 00:18:20,580
somehow you've lost an hour yeah it's an

412
00:18:24,789 --> 00:18:23,100
hour missing of my time but you couldn't

413
00:18:27,590 --> 00:18:24,799

remember what happened in that hour

414

00:18:30,010 --> 00:18:27,600

until later when you were hypnotized

415

00:18:32,270 --> 00:18:30,020

that's right I don't remember

416

00:18:34,909 --> 00:18:32,280

consciously what happened and what

417

00:18:37,909 --> 00:18:34,919

happened under hypnosis what did you I

418

00:18:40,610 --> 00:18:37,919

have only seen videotapes after hypnosis

419

00:18:43,490 --> 00:18:40,620

I don't remember what happened under

420

00:18:44,870 --> 00:18:43,500

hypnosis I have seen some videotapes of

421

00:18:48,770 --> 00:18:44,880

the hypnosis

422

00:18:50,930 --> 00:18:48,780

I was regressed uh apparently saw a man

423

00:18:54,110 --> 00:18:50,940

as I came down the bank

424

00:18:56,029 --> 00:18:54,120

I then had a floating sensation

425

00:18:57,890 --> 00:18:56,039

I was on board

426

00:19:00,289 --> 00:18:57,900

and I was undergoing some medical

427

00:19:03,049 --> 00:19:00,299

examination now you're on board what

428

00:19:11,029 --> 00:19:03,059

what did aliens if they were there what

429

00:19:15,650 --> 00:19:12,470

around the skin

430

00:19:18,830 --> 00:19:15,660

dark suited what about this examination

431

00:19:22,070 --> 00:19:18,840

what apparently I just had feelings of

432

00:19:24,350 --> 00:19:22,080

having ice put on my legs and every time

433

00:19:27,289 --> 00:19:24,360

I tried to see something and I'm talking

434

00:19:29,210 --> 00:19:27,299

about what I've seen on videotapes I had

435

00:19:31,130 --> 00:19:29,220

lights shine in my eyes

436

00:19:32,750 --> 00:19:31,140

though was there any pain attached to

437

00:19:36,230 --> 00:19:32,760

all this no

438

00:19:39,470 --> 00:19:36,240

but during the regression did you come

439

00:19:40,190 --> 00:19:39,480

up with feelings of pain or

440

00:19:43,310 --> 00:19:40,200

um

441

00:19:47,090 --> 00:19:43,320

there were feelings of pain shown on the

442

00:19:48,770 --> 00:19:47,100

videotape of the aggression but I didn't

443

00:19:50,810 --> 00:19:48,780

have any feelings of pain when I came

444

00:19:53,210 --> 00:19:50,820

out of the regression

445

00:19:55,070 --> 00:19:53,220

Tim now there's an account from Lindo

446

00:19:58,490 --> 00:19:55,080

have you any questions at all for her

447

00:20:00,770 --> 00:19:58,500

yes you had some physical symptoms

448

00:20:02,990 --> 00:20:00,780

following this extraordinary experience

449

00:20:04,990 --> 00:20:03,000

Linda you said you had trouble with your

450

00:20:08,210 --> 00:20:05,000

eyes yes

451
00:20:11,529 --> 00:20:08,220
your skin was it just your face was

452
00:20:16,789 --> 00:20:11,539
there any other face my face was

453
00:20:19,370 --> 00:20:16,799
and I developed a lump on my neck and

454
00:20:21,650 --> 00:20:19,380
which is very unusual every time I go in

455
00:20:24,110 --> 00:20:21,660
hospital to have a sirenectomy it

456
00:20:26,750 --> 00:20:24,120
disappears yeah

457
00:20:29,390 --> 00:20:26,760
that's happened on two occasions

458
00:20:31,130 --> 00:20:29,400
is there anything else which unusual

459
00:20:32,990 --> 00:20:31,140
which it was has happened to you

460
00:20:35,090 --> 00:20:33,000
physically since then there are a few

461
00:20:37,190 --> 00:20:35,100
gynecological

462
00:20:39,830 --> 00:20:37,200
said yes and what is the main problem

463
00:20:47,029 --> 00:20:39,840

there well the main problem there was

464

00:20:53,450 --> 00:20:50,090

all my ex had gone disappeared I didn't

465

00:20:55,190 --> 00:20:53,460

relate the story to him you know I he

466

00:20:56,810 --> 00:20:55,200

didn't know anything about it but you'd

467

00:20:59,210 --> 00:20:56,820

never had an illness or anything which

468

00:21:01,610 --> 00:20:59,220

could have explained that no no

469

00:21:03,710 --> 00:21:01,620

at all Tim any other questions there or

470

00:21:05,690 --> 00:21:03,720

do you feel you can you can make a

471

00:21:07,370 --> 00:21:05,700

diagnosis of what was going on I

472

00:21:08,990 --> 00:21:07,380

certainly can't make a diagnosis of what

473

00:21:10,370 --> 00:21:09,000

of what was going on I'm afraid it's

474

00:21:13,630 --> 00:21:10,380

it's certainly

475

00:21:16,130 --> 00:21:13,640

typical of many of the more bizarre

476
00:21:17,930 --> 00:21:16,140
encounters that have been reported Now

477
00:21:19,310 --> 00:21:17,940
by hundreds of people and I don't

478
00:21:21,770 --> 00:21:19,320
pretend to know

479
00:21:22,850 --> 00:21:21,780
the answer to it I'm afraid what I am

480
00:21:26,510 --> 00:21:22,860
satisfied

481
00:21:28,970 --> 00:21:26,520
with is is uh Linda's honesty at any

482
00:21:30,529 --> 00:21:28,980
rate so do you and she had two witnesses

483
00:21:32,930 --> 00:21:30,539
with her which always helps do you think

484
00:21:34,370 --> 00:21:32,940
it's possible though that what appeared

485
00:21:36,529 --> 00:21:34,380
to her was

486
00:21:37,730 --> 00:21:36,539
an entity a being rather than her

487
00:21:41,450 --> 00:21:37,740
imagining it

488
00:21:43,549 --> 00:21:41,460

I think it is it is possible yes

489

00:21:45,409 --> 00:21:43,559

certainly there have been some very

490

00:21:48,130 --> 00:21:45,419

strange encounters like this where

491

00:21:50,750 --> 00:21:48,140

people have reported seeing aliens

492

00:21:53,450 --> 00:21:50,760

extraterrestrials if you like

493

00:21:54,590 --> 00:21:53,460

so this is entirely consistent with such

494

00:21:56,270 --> 00:21:54,600

reports

495

00:21:58,190 --> 00:21:56,280

Hillary do you have any questions here

496

00:22:01,190 --> 00:21:58,200

for Linda well one thing does occur to

497

00:22:02,990 --> 00:22:01,200

me was this a one-off event in your life

498

00:22:05,330 --> 00:22:03,000

had you had anything before or

499

00:22:06,950 --> 00:22:05,340

subsequently I had no nothing at all

500

00:22:08,690 --> 00:22:06,960

before it

501
00:22:10,010 --> 00:22:08,700
and nothing afterwards either and this

502
00:22:11,450 --> 00:22:10,020
was just something that happened once

503
00:22:14,590 --> 00:22:11,460
again

504
00:22:19,370 --> 00:22:14,600
that happened for the first time in 1979

505
00:22:22,250 --> 00:22:19,380
there have been as occasions and

506
00:22:24,230 --> 00:22:22,260
not as dramatic as that event and not as

507
00:22:26,630 --> 00:22:24,240
bizarre did you felt that you were

508
00:22:28,970 --> 00:22:26,640
meeting the same entities oh I didn't

509
00:22:31,130 --> 00:22:28,980
meet the same entities no but what were

510
00:22:34,250 --> 00:22:31,140
these other strange happenings yeah the

511
00:22:37,430 --> 00:22:34,260
strange happenings uh well I used to

512
00:22:38,690 --> 00:22:37,440
when I was working I had a badge made

513
00:22:40,730 --> 00:22:38,700

out of you know rather like these

514

00:22:42,049 --> 00:22:40,740

Supermarket girls have was made out of

515

00:22:45,049 --> 00:22:42,059

dymo tape

516

00:22:47,210 --> 00:22:45,059

and where the name was punched in I came

517

00:22:49,789 --> 00:22:47,220

home one day took my coat off my husband

518

00:22:51,649 --> 00:22:49,799

said where's your name off your badge I

519

00:22:55,010 --> 00:22:51,659

said I don't know on three other

520

00:22:57,169 --> 00:22:55,020

occasions the name actually disappeared

521

00:22:58,669 --> 00:22:57,179

in front of other people in front of

522

00:23:01,010 --> 00:22:58,679

other people while they were looking at

523

00:23:04,310 --> 00:23:01,020

me and the badge was red hot it actually

524

00:23:07,010 --> 00:23:04,320

melted in front of people's very eyes it

525

00:23:09,110 --> 00:23:07,020

disappeared yes yes

526

00:23:12,289 --> 00:23:09,120

Henry what do you think was was going on

527

00:23:14,630 --> 00:23:12,299

either in that or in the case where she

528

00:23:16,850 --> 00:23:14,640

met or believed she met someone or

529

00:23:18,590 --> 00:23:16,860

something yes well obviously I couldn't

530

00:23:20,690 --> 00:23:18,600

possibly give you

531

00:23:22,549 --> 00:23:20,700

um a personal

532

00:23:24,830 --> 00:23:22,559

account of what was going on without

533

00:23:26,690 --> 00:23:24,840

asking very many more questions and that

534

00:23:28,909 --> 00:23:26,700

I can only speak in very general terms

535

00:23:32,210 --> 00:23:28,919

but one thing I would like to say first

536

00:23:36,049 --> 00:23:32,220

of all is that uh I don't doubt for one

537

00:23:37,610 --> 00:23:36,059

moment the sincerity of the witness nor

538

00:23:40,430 --> 00:23:37,620

do I question that something very

539

00:23:42,649 --> 00:23:40,440

important happened but what I do think

540

00:23:45,710 --> 00:23:42,659

we should all consider

541

00:23:47,090 --> 00:23:45,720

is a possibility that something else was

542

00:23:51,049 --> 00:23:47,100

happening than what appeared to be

543

00:23:53,690 --> 00:23:51,059

happening so you'd say then that she

544

00:23:55,549 --> 00:23:53,700

didn't or couldn't have met alien beings

545

00:23:57,529 --> 00:23:55,559

I think it very unlikely I think the

546

00:23:59,450 --> 00:23:57,539

probabilities are all against it I think

547

00:24:01,730 --> 00:23:59,460

there's a better alternative explanation

548

00:24:04,010 --> 00:24:01,740

yet well I'll I'll drag that out of you

549

00:24:06,590 --> 00:24:04,020

later if I can but but Tim I'm intrigued

550

00:24:09,529 --> 00:24:06,600

what convinces you of the possibility

551
00:24:11,450 --> 00:24:09,539
that there are alien beings out there

552
00:24:14,270 --> 00:24:11,460
well there have now been

553
00:24:16,130 --> 00:24:14,280
probably millions of reports

554
00:24:17,690 --> 00:24:16,140
and what convinces me particularly is

555
00:24:19,970 --> 00:24:17,700
the fact that thousands of them have

556
00:24:21,649 --> 00:24:19,980
been made by highly qualified observers

557
00:24:23,690 --> 00:24:21,659
whose jobs

558
00:24:26,390 --> 00:24:23,700
it is to knowing you know what's in the

559
00:24:28,310 --> 00:24:26,400
sky like airline pilots military Pilots

560
00:24:30,110 --> 00:24:28,320
and so forth and they have now been

561
00:24:35,390 --> 00:24:30,120
according to Dr Richard Haynes of of

562
00:24:37,190 --> 00:24:35,400
NASA over 3 000 reports of UFO sightings

563
00:24:38,810 --> 00:24:37,200

made by military and airline pilots and

564

00:24:40,430 --> 00:24:38,820

I've interviewed a good many pilots and

565

00:24:44,029 --> 00:24:40,440

I'm convinced that they're telling the

566

00:24:46,430 --> 00:24:44,039

truth and many of them risk not just

567

00:24:48,470 --> 00:24:46,440

their reputations but also their jobs

568

00:24:50,090 --> 00:24:48,480

sometimes in reporting these what sort

569

00:24:53,390 --> 00:24:50,100

of things are they coming up with just

570

00:24:55,250 --> 00:24:53,400

sightings or abductions or what well to

571

00:24:57,590 --> 00:24:55,260

give you an example

572

00:24:59,810 --> 00:24:57,600

a few months ago I interviewed an

573

00:25:02,149 --> 00:24:59,820

American a former bomber pilot United

574

00:25:06,950 --> 00:25:02,159

States Air Force

575

00:25:09,289 --> 00:25:06,960

who in 1955 actually chased a UFO at

576

00:25:11,630 --> 00:25:09,299

almost ground level he flew down to 200

577

00:25:14,750 --> 00:25:11,640

feet his entire cruise saw the object it

578

00:25:16,730 --> 00:25:14,760

was saucer-shaped it was large and there

579

00:25:20,210 --> 00:25:16,740

was a shadow beneath it and they chased

580

00:25:22,970 --> 00:25:20,220

it for miles across across Alabama

581

00:25:25,430 --> 00:25:22,980

and there was a strange Vortex from each

582

00:25:27,470 --> 00:25:25,440

uh end of of The Craft

583

00:25:30,169 --> 00:25:27,480

clearly visible throwing up dust from

584

00:25:33,169 --> 00:25:30,179

the soil beneath so if there are all

585

00:25:35,149 --> 00:25:33,179

these reports of alien spaceships why

586

00:25:37,430 --> 00:25:35,159

didn't the public hear about them more

587

00:25:39,529 --> 00:25:37,440

often why don't we know about it well we

588

00:25:41,029 --> 00:25:39,539

do I think I think

589

00:25:43,690 --> 00:25:41,039

after all there have now been many many

590

00:25:45,950 --> 00:25:43,700

books on the subject and the newspapers

591

00:25:47,810 --> 00:25:45,960

occasionally cover the subject

592

00:25:51,289 --> 00:25:47,820

unfortunately

593

00:25:53,510 --> 00:25:51,299

too often left to the tabloids to deal

594

00:25:56,090 --> 00:25:53,520

with the subject so you're convinced

595

00:25:58,130 --> 00:25:56,100

people have actually seen UFOs how about

596

00:26:00,950 --> 00:25:58,140

alien beings

597

00:26:03,649 --> 00:26:00,960

there have been I would say hundreds of

598

00:26:06,470 --> 00:26:03,659

reports of encounters

599

00:26:08,269 --> 00:26:06,480

and we have hundreds of reports similar

600

00:26:10,070 --> 00:26:08,279

to Linda's where people claim to have

601
00:26:10,990 --> 00:26:10,080
had some sort of extraordinary

602
00:26:14,029 --> 00:26:11,000
experience

603
00:26:15,649 --> 00:26:14,039
actually herself is not claiming but

604
00:26:18,110 --> 00:26:15,659
this is because this is what's come out

605
00:26:20,630 --> 00:26:18,120
under hypnotic regression that's very

606
00:26:22,669 --> 00:26:20,640
true but it would appear as if people

607
00:26:24,169 --> 00:26:22,679
have actually had some extraordinary

608
00:26:26,149 --> 00:26:24,179
experiences but have they ever been been

609
00:26:29,590 --> 00:26:26,159
captured for example are bodies of

610
00:26:32,390 --> 00:26:29,600
aliens some in some Morgan many

611
00:26:34,789 --> 00:26:32,400
witnesses have come forward saying that

612
00:26:36,289 --> 00:26:34,799
they've actually seen UFOs which have

613
00:26:38,630 --> 00:26:36,299

been recovered by the United States

614

00:26:40,850 --> 00:26:38,640

government for example at a number of

615

00:26:44,990 --> 00:26:40,860

bases the most recent

616

00:26:47,750 --> 00:26:45,000

witness is a physicist who was formerly

617

00:26:49,730 --> 00:26:47,760

employed at a top secret Air Force base

618

00:26:51,470 --> 00:26:49,740

in the United States who claims that he

619

00:26:53,269 --> 00:26:51,480

was actually working on some of these

620

00:26:55,970 --> 00:26:53,279

recovered craft

621

00:26:58,870 --> 00:26:55,980

and and there are bodies as well or

622

00:27:01,130 --> 00:26:58,880

apparently yes there have been many uh

623

00:27:03,830 --> 00:27:01,140

descriptions of

624

00:27:05,570 --> 00:27:03,840

alien bodies stored at a number of bases

625

00:27:07,250 --> 00:27:05,580

throughout the states so in America

626
00:27:09,169 --> 00:27:07,260
anywhere else

627
00:27:11,269 --> 00:27:09,179
oh there have been stories from other

628
00:27:12,710 --> 00:27:11,279
countries as well but the best

629
00:27:14,510 --> 00:27:12,720
documented ones come from the United

630
00:27:17,330 --> 00:27:14,520
States and we have people like Dr Robert

631
00:27:18,830 --> 00:27:17,340
sarbacher who worked for the United

632
00:27:20,450 --> 00:27:18,840
States government's research and

633
00:27:23,269 --> 00:27:20,460
development board

634
00:27:25,010 --> 00:27:23,279
who in 1983 confirmed that the United

635
00:27:27,950 --> 00:27:25,020
States authorities had actually

636
00:27:30,110 --> 00:27:27,960
retrieved alien some artifacts as well

637
00:27:31,730 --> 00:27:30,120
as bodies where do you think they come

638
00:27:34,070 --> 00:27:31,740

from then if

639

00:27:35,990 --> 00:27:34,080

I've been studying this subject for now

640

00:27:38,029 --> 00:27:36,000

well over 30 years and I haven't the

641

00:27:40,370 --> 00:27:38,039

faintest idea I'm sorry I haven't a

642

00:27:42,049 --> 00:27:40,380

faintest idea where they come from I am

643

00:27:45,710 --> 00:27:42,059

satisfied however

644

00:27:47,990 --> 00:27:45,720

that there's more than one type of UFO

645

00:27:49,370 --> 00:27:48,000

moreover that there are different

646

00:27:51,350 --> 00:27:49,380

categories

647

00:27:53,390 --> 00:27:51,360

of phenomena

648

00:27:55,610 --> 00:27:53,400

so we're not just dealing with something

649

00:27:57,289 --> 00:27:55,620

simplistic like Little Green Men coming

650

00:27:59,930 --> 00:27:57,299

from another planet in a nuts and bolts

651
00:28:02,029 --> 00:27:59,940
spacecraft some of them could well be in

652
00:28:04,730 --> 00:28:02,039
fact I'm convinced that some of them are

653
00:28:06,470 --> 00:28:04,740
perfectly solid others behave in a

654
00:28:08,330 --> 00:28:06,480
manner which suggests

655
00:28:11,149 --> 00:28:08,340
that either they come from another

656
00:28:14,269 --> 00:28:11,159
dimensional together which occasionally

657
00:28:16,130 --> 00:28:14,279
interacts with our own or that they are

658
00:28:20,090 --> 00:28:16,140
perfectly solid but are able to

659
00:28:22,190 --> 00:28:20,100
manipulate time space matter and

660
00:28:23,930 --> 00:28:22,200
people's minds so why are they coming

661
00:28:25,850 --> 00:28:23,940
then what do they want with us on this

662
00:28:29,950 --> 00:28:25,860
planet I haven't a faintest idea again

663
00:28:33,470 --> 00:28:29,960

I'm sorry but I mean one Theory

664

00:28:35,810 --> 00:28:33,480

is that if these abductions are true

665

00:28:38,390 --> 00:28:35,820

there is a genetic interest

666

00:28:41,269 --> 00:28:38,400

because many people have reported probes

667

00:28:42,950 --> 00:28:41,279

that over have been taken even sperm on

668

00:28:45,529 --> 00:28:42,960

occasions I know this is outrageous

669

00:28:48,169 --> 00:28:45,539

stuff but that is the fact of the matter

670

00:28:50,090 --> 00:28:48,179

that people have reported that that is

671

00:28:52,010 --> 00:28:50,100

what has happened so you think they

672

00:28:54,830 --> 00:28:52,020

could actually be breeding

673

00:28:56,450 --> 00:28:54,840

for some purpose human being Bud Hopkins

674

00:28:59,630 --> 00:28:56,460

who's an American researcher has done a

675

00:29:01,909 --> 00:28:59,640

great deal of research in this area

676
00:29:04,669 --> 00:29:01,919
feels that there's a possibility that

677
00:29:06,409 --> 00:29:04,679
the aliens are creating a hybrid

678
00:29:08,930 --> 00:29:06,419
that's his theory I don't know if it's

679
00:29:11,090 --> 00:29:08,940
true Hillary now what would you make of

680
00:29:11,810 --> 00:29:11,100
all that there's evidence it's convinced

681
00:29:13,850 --> 00:29:11,820
him

682
00:29:16,190 --> 00:29:13,860
well no it's not really evidence that

683
00:29:18,289 --> 00:29:16,200
Tim has offered us he's offered us

684
00:29:20,930 --> 00:29:18,299
testimony he's offered us what people

685
00:29:22,610 --> 00:29:20,940
have said they saw and what they've said

686
00:29:24,590 --> 00:29:22,620
they've seen there's virtually no

687
00:29:26,149 --> 00:29:24,600
tangible evidence that we can actually

688
00:29:28,669 --> 00:29:26,159

point to unfortunately there are

689

00:29:31,190 --> 00:29:28,679

thousands of testimonies yes thousands

690

00:29:34,510 --> 00:29:31,200

of testimonies but so long as we have to

691

00:29:36,649 --> 00:29:34,520

rely on what Witnesses say they saw or

692

00:29:38,269 --> 00:29:36,659

experienced there's always going to be

693

00:29:41,389 --> 00:29:38,279

an element of Doubt so what could they

694

00:29:42,889 --> 00:29:41,399

be when that pilot was chasing an object

695

00:29:45,409 --> 00:29:42,899

across this oh I don't doubt that that

696

00:29:48,169 --> 00:29:45,419

there are objects in the sky which are

697

00:29:50,450 --> 00:29:48,179

not identified but when we have an

698

00:29:53,330 --> 00:29:50,460

opportunity to examine them they usually

699

00:29:55,669 --> 00:29:53,340

turn out to be capable of some kind of

700

00:29:57,590 --> 00:29:55,679

natural explanation we've had a very

701
00:30:00,769 --> 00:29:57,600
good example this very summer

702
00:30:03,409 --> 00:30:00,779
sorry last summer in which we had the

703
00:30:06,370 --> 00:30:03,419
cornfields the circles in the cornfields

704
00:30:08,810 --> 00:30:06,380
when the

705
00:30:12,289 --> 00:30:08,820
apparent uh

706
00:30:14,630 --> 00:30:12,299
mystery is I think capable of a

707
00:30:16,549 --> 00:30:14,640
Perfectly Natural explanation and it

708
00:30:19,490 --> 00:30:16,559
does seem as if the very Force which

709
00:30:22,850 --> 00:30:19,500
creates these circles is also capable of

710
00:30:25,370 --> 00:30:22,860
creating a luminous plasma up in the sky

711
00:30:27,529 --> 00:30:25,380
which could easily be mistaken for a

712
00:30:29,330 --> 00:30:27,539
youth how do you work that out then that

713
00:30:32,389 --> 00:30:29,340

there is a natural force you're saying

714

00:30:35,389 --> 00:30:32,399

which like a wind can create these

715

00:30:38,870 --> 00:30:35,399

perfect circles and yet creates a plasma

716

00:30:40,549 --> 00:30:38,880

yes the very same Force also generates a

717

00:30:42,409 --> 00:30:40,559

plasma you'll add that the physics of it

718

00:30:44,389 --> 00:30:42,419

is far too complicated for me to even

719

00:30:45,889 --> 00:30:44,399

understand let alone try to tell you

720

00:30:47,630 --> 00:30:45,899

about but

721

00:30:49,549 --> 00:30:47,640

um the you know the meteorologists are

722

00:30:51,950 --> 00:30:49,559

working on it they've got good solid

723

00:30:54,830 --> 00:30:51,960

scientific hypotheses for it and it

724

00:30:56,289 --> 00:30:54,840

would seem as if they are generated in

725

00:30:59,750 --> 00:30:56,299

these circumstances

726

00:31:01,870 --> 00:30:59,760

objects genuine unidentified flying

727

00:31:04,789 --> 00:31:01,880

objects which are capable of being

728

00:31:07,730 --> 00:31:04,799

mistaken for UFOs Tim can you accept

729

00:31:09,110 --> 00:31:07,740

that that is an explanation for objects

730

00:31:11,029 --> 00:31:09,120

out there

731

00:31:13,370 --> 00:31:11,039

all together known and going back to to

732

00:31:14,630 --> 00:31:13,380

the mystery circles it's peculiar if

733

00:31:16,730 --> 00:31:14,640

this is uh

734

00:31:19,789 --> 00:31:16,740

a meteorological phenomenon that it

735

00:31:21,649 --> 00:31:19,799

restricts itself mostly to Wessex

736

00:31:23,269 --> 00:31:21,659

because most of the circles in Great

737

00:31:25,610 --> 00:31:23,279

Britain have been reported in Hampshire

738

00:31:27,250 --> 00:31:25,620

and Wiltshire and I've yet to see a

739

00:31:30,230 --> 00:31:27,260

satisfactory

740

00:31:32,029 --> 00:31:30,240

meteorological explanation for that so

741

00:31:33,710 --> 00:31:32,039

Henry what's special about Wessex well

742

00:31:35,510 --> 00:31:33,720

no I mean there's a great deal we don't

743

00:31:37,730 --> 00:31:35,520

understand about this this particular

744

00:31:40,370 --> 00:31:37,740

thing the research is only at its early

745

00:31:43,070 --> 00:31:40,380

stages we know there's a mystery but we

746

00:31:44,389 --> 00:31:43,080

also know that there are good grounds

747

00:31:46,850 --> 00:31:44,399

for believing that there is a natural

748

00:31:48,529 --> 00:31:46,860

explanation and that's really as far as

749

00:31:50,570 --> 00:31:48,539

we ought to take it at this stage I mean

750

00:31:53,750 --> 00:31:50,580

let us accept that there is a

751
00:31:55,549 --> 00:31:53,760
possibility of an alternative and if we

752
00:31:57,649 --> 00:31:55,559
may get back to Linda's case I would

753
00:31:59,930 --> 00:31:57,659
like to say Dev again I think there is

754
00:32:02,210 --> 00:31:59,940
an alternative and what is that in the

755
00:32:04,070 --> 00:32:02,220
the alternative in my belief is a

756
00:32:06,169 --> 00:32:04,080
psychological one now this is not meant

757
00:32:08,330 --> 00:32:06,179
to be in any way an attack on Linda's

758
00:32:09,950 --> 00:32:08,340
sincerity or Integrity I believe that

759
00:32:12,169 --> 00:32:09,960
she had something very important happen

760
00:32:13,789 --> 00:32:12,179
to her but I believe that it could be

761
00:32:16,669 --> 00:32:13,799
interpreted as a psychological

762
00:32:19,549 --> 00:32:16,679
experience which took place inside her

763
00:32:20,930 --> 00:32:19,559

and which he projected outside

764

00:32:23,510 --> 00:32:20,940

Linda do you think that's possible

765

00:32:25,250 --> 00:32:23,520

because your daughter seemed to

766

00:32:27,350 --> 00:32:25,260

experience the same thing no you just

767

00:32:30,649 --> 00:32:27,360

can't generalize with every UFO witness

768

00:32:33,529 --> 00:32:30,659

like that it isn't possible what I had

769

00:32:36,950 --> 00:32:33,539

was a physical sighting there was three

770

00:32:38,810 --> 00:32:36,960

of us nuts and bolts sighting I know

771

00:32:42,470 --> 00:32:38,820

things have happened after the fact

772

00:32:45,710 --> 00:32:42,480

after the fighting but I did not have

773

00:32:48,590 --> 00:32:45,720

any problems at that particular time no

774

00:32:52,130 --> 00:32:48,600

problems at all but everyone has

775

00:32:54,350 --> 00:32:52,140

problems they don't have to see a UFO to

776

00:32:56,889 --> 00:32:54,360

have problems so there is no

777

00:32:59,750 --> 00:32:56,899

psychological disturbance I have had

778

00:33:03,649 --> 00:32:59,760

doctors psychiatrists before they have

779

00:33:06,409 --> 00:33:03,659

done any experiments on me at all they

780

00:33:08,750 --> 00:33:06,419

have had to make sure that I have been a

781

00:33:09,950 --> 00:33:08,760

hundred percent sane and is that what

782

00:33:11,269 --> 00:33:09,960

you're suggesting though that you have

783

00:33:13,009 --> 00:33:11,279

to have a problem to have this

784

00:33:16,730 --> 00:33:13,019

experience necessarily a problem it

785

00:33:18,769 --> 00:33:16,740

could be some situation which needs to

786

00:33:20,210 --> 00:33:18,779

be worked out it could be for instance I

787

00:33:21,769 --> 00:33:20,220

mean it's one of the interest things

788

00:33:25,430 --> 00:33:21,779

that so many of these experiences happen

789

00:33:28,310 --> 00:33:25,440

to teenagers who are always very

790

00:33:31,789 --> 00:33:28,320

vulnerable people and I think that many

791

00:33:34,549 --> 00:33:31,799

cases can be explained in the search by

792

00:33:38,509 --> 00:33:34,559

a teenager for someone she can relate to

793

00:33:42,649 --> 00:33:38,519

I met a girl in France for instance who

794

00:33:46,850 --> 00:33:42,659

had met as she told me the Virgin Mary

795

00:33:48,649 --> 00:33:46,860

on 30 or 40 occasions I met a girl in

796

00:33:50,210 --> 00:33:48,659

dagenham who claimed to have met an

797

00:33:53,029 --> 00:33:50,220

extraterrestrial person who came up to

798

00:33:54,950 --> 00:33:53,039

her bedroom in both these cases I think

799

00:33:56,990 --> 00:33:54,960

it most likely that what was happening

800

00:33:59,450 --> 00:33:57,000

was that these people needed somebody

801
00:34:02,210 --> 00:33:59,460
that they could confide in and they as

802
00:34:05,509 --> 00:34:02,220
it were created this

803
00:34:07,310 --> 00:34:05,519
helpful kindly being to help guide them

804
00:34:10,070 --> 00:34:07,320
through their their situation so it's

805
00:34:12,589 --> 00:34:10,080
imagination people are creating images

806
00:34:14,750 --> 00:34:12,599
beings yes for some reason Tim can you

807
00:34:16,669 --> 00:34:14,760
go along with that up to a point yes of

808
00:34:19,310 --> 00:34:16,679
course but I think it's worth mentioning

809
00:34:22,129 --> 00:34:19,320
that Dr Elizabeth Slater an American

810
00:34:25,310 --> 00:34:22,139
psychologist conducted psychological

811
00:34:27,050 --> 00:34:25,320
tests on nine abductees people claiming

812
00:34:29,570 --> 00:34:27,060
to have been abducted

813
00:34:31,669 --> 00:34:29,580

and she found them extremely intelligent

814

00:34:33,710 --> 00:34:31,679

and she was absolutely convinced since

815

00:34:36,169 --> 00:34:33,720

she did the test without knowing that

816

00:34:38,510 --> 00:34:36,179

they had made these claims

817

00:34:40,609 --> 00:34:38,520

and she was convinced and concluded that

818

00:34:42,710 --> 00:34:40,619

those people whatever they had

819

00:34:44,030 --> 00:34:42,720

experienced it wasn't psychological in

820

00:34:45,889 --> 00:34:44,040

origin

821

00:34:48,169 --> 00:34:45,899

how do you respond to that I don't

822

00:34:50,149 --> 00:34:48,179

accept it at all I think that many

823

00:34:52,790 --> 00:34:50,159

American psychologists are judged by

824

00:34:54,589 --> 00:34:52,800

their writings show a very limited

825

00:34:57,829 --> 00:34:54,599

knowledge of what can happen to human

826

00:35:00,050 --> 00:34:57,839

beings they don't take into account the

827

00:35:03,050 --> 00:35:00,060

manifold varieties of alternate States

828

00:35:05,210 --> 00:35:03,060

Of Consciousness in which people and all

829

00:35:07,070 --> 00:35:05,220

kinds of circumstances for instance

830

00:35:10,310 --> 00:35:07,080

driving alone at night is one of the

831

00:35:12,890 --> 00:35:10,320

classic ones when you're in on a dark

832

00:35:15,650 --> 00:35:12,900

road with no sensory stimuli to sort of

833

00:35:19,849 --> 00:35:15,660

keep you alert you start to imagine

834

00:35:23,329 --> 00:35:19,859

things now this is not a kind of

835

00:35:25,550 --> 00:35:23,339

purely a fantasy it is a very positive

836

00:35:28,130 --> 00:35:25,560

creation it is something that is being

837

00:35:30,890 --> 00:35:28,140

worked at by your subconscious mind

838

00:35:34,490 --> 00:35:30,900

Tim if if there are aliens then are they

839

00:35:35,930 --> 00:35:34,500

dangerous should we be worried by them

840

00:35:38,390 --> 00:35:35,940

so I have a feeling that some of them

841

00:35:41,690 --> 00:35:38,400

could present a threat

842

00:35:43,849 --> 00:35:41,700

what sort of takeover or what well I

843

00:35:45,770 --> 00:35:43,859

wouldn't go so far as that but certainly

844

00:35:49,190 --> 00:35:45,780

there's evidence that a lot of people

845

00:35:51,109 --> 00:35:49,200

have been affected by their encounters

846

00:35:53,470 --> 00:35:51,119

affected psychologically

847

00:35:56,450 --> 00:35:53,480

affected physically

848

00:35:58,430 --> 00:35:56,460

there's some really quite alarming

849

00:36:00,950 --> 00:35:58,440

stories of people being affected at a

850

00:36:03,470 --> 00:36:00,960

distance and have there been cases of

851
00:36:04,790 --> 00:36:03,480
mutilations attacking humans or animals

852
00:36:07,730 --> 00:36:04,800
or anything like that

853
00:36:09,950 --> 00:36:07,740
well now that you mentioned it uh there

854
00:36:12,650 --> 00:36:09,960
have been now thousands of cases in the

855
00:36:16,130 --> 00:36:12,660
United States where cattle have been

856
00:36:19,310 --> 00:36:16,140
mutilated in bizarre circumstances blood

857
00:36:21,050 --> 00:36:19,320
is evacuated from the body and in most

858
00:36:23,930 --> 00:36:21,060
cases there's not a trace of blood

859
00:36:27,349 --> 00:36:23,940
around the animal that are surgically

860
00:36:28,550 --> 00:36:27,359
precise incisions vital organs have been

861
00:36:32,569 --> 00:36:28,560
taken

862
00:36:34,790 --> 00:36:32,579
and farmers are mystified there is no

863
00:36:37,069 --> 00:36:34,800

there may be an alternative explanation

864

00:36:40,250 --> 00:36:37,079

but we haven't found it yet certainly

865

00:36:43,310 --> 00:36:40,260

UFOs have been seen in proximity to

866

00:36:46,250 --> 00:36:43,320

these briefly should we be worried

867

00:36:48,109 --> 00:36:46,260

if we see or think we see aliens so

868

00:36:49,490 --> 00:36:48,119

anything to be worried about no I don't

869

00:36:52,130 --> 00:36:49,500

think so no

870

00:36:53,510 --> 00:36:52,140

even for our own State of Mind no I

871

00:36:55,370 --> 00:36:53,520

don't even think that I think these are

872

00:36:56,870 --> 00:36:55,380

very positive experiences I think we

873

00:36:58,550 --> 00:36:56,880

should be grateful for them and try to

874

00:37:01,069 --> 00:36:58,560

understand them

875

00:37:03,530 --> 00:37:01,079

briefly Linda do you are you still
