

1
00:00:04,730 --> 00:00:02,810
and I guess there has been new interest

2
00:00:06,710 --> 00:00:04,740
rekindled because of the incredible

3
00:00:08,870 --> 00:00:06,720
success of a movie called Close

4
00:00:11,209 --> 00:00:08,880
Encounters of the Third Kind for which

5
00:00:13,249 --> 00:00:11,219
Dr heineck was a technical consultant

6
00:00:15,169 --> 00:00:13,259
made a cameo appearance as a matter of

7
00:00:17,870 --> 00:00:15,179
fact and we thought it might be

8
00:00:19,910 --> 00:00:17,880
interesting to peruse with him some of

9
00:00:21,650 --> 00:00:19,920
the reports over the last 30 years and

10
00:00:22,790 --> 00:00:21,660
the information that he has sifted

11
00:00:24,830 --> 00:00:22,800
through and see what he really thinks

12
00:00:27,769 --> 00:00:24,840
about it all some of his credentials

13
00:00:30,230 --> 00:00:27,779

well uh he for years headed up the Air

14

00:00:32,450 --> 00:00:30,240

Force's investigations into unidentified

15

00:00:35,389 --> 00:00:32,460

flying objects he himself was a debunker

16

00:00:38,270 --> 00:00:35,399

for a very long time you remember the

17

00:00:40,729 --> 00:00:38,280

marsh gas explanation for the sightings

18

00:00:43,430 --> 00:00:40,739

in Washington County and in Hillsdale 10

19

00:00:46,369 --> 00:00:43,440

years ago that was Dr heineck's idea

20

00:00:48,490 --> 00:00:46,379

um he until very recently was professor

21

00:00:50,690 --> 00:00:48,500

of the astronomy department at

22

00:00:53,270 --> 00:00:50,700

Northwestern universities head of the

23

00:00:55,970 --> 00:00:53,280

center of UFO studies in Chicago and he

24

00:00:58,670 --> 00:00:55,980

has devoted a good portion of his life

25

00:01:01,610 --> 00:00:58,680

into studying the phenomenon known as

26
00:01:03,709 --> 00:01:01,620
UFOs Dr Heineken a very snowy blowy

27
00:01:05,990 --> 00:01:03,719
morning this Friday in Detroit we're

28
00:01:08,630 --> 00:01:06,000
pleased that you are here welcome well

29
00:01:11,090 --> 00:01:08,640
I'm glad to be here I wanted to correct

30
00:01:13,130 --> 00:01:11,100
two minor points one is I did not head

31
00:01:14,810 --> 00:01:13,140
off the air force thing I was a

32
00:01:16,789 --> 00:01:14,820
consultant to them and I still am

33
00:01:19,190 --> 00:01:16,799
professor of astronomy at Northwestern I

34
00:01:20,230 --> 00:01:19,200
I did not uh I have one more year to go

35
00:01:22,490 --> 00:01:20,240
there before

36
00:01:24,170 --> 00:01:22,500
I thought I read something just this

37
00:01:26,149 --> 00:01:24,180
morning I had been advertising all week

38
00:01:27,770 --> 00:01:26,159

long I thought I'd read something just

39

00:01:29,630 --> 00:01:27,780

this morning that said that you had

40

00:01:31,969 --> 00:01:29,640

resigned that I'm oh I resigned my

41

00:01:33,830 --> 00:01:31,979

chairmanship chairman for 15 years yes

42

00:01:36,429 --> 00:01:33,840

okay well you were still with Northwest

43

00:01:38,929 --> 00:01:36,439

oh yes still with Northwestern right

44

00:01:44,210 --> 00:01:38,939

unidentified flying objects have been uh

45

00:01:46,429 --> 00:01:44,220

popular since 1947 1948. uh when the

46

00:01:48,050 --> 00:01:46,439

first Bevy of them were cited before

47

00:01:50,929 --> 00:01:48,060

that were there any reports in history

48

00:01:52,670 --> 00:01:50,939

as far as you're concerned of UFOs oh

49

00:01:55,670 --> 00:01:52,680

yes there are many reports but still

50

00:01:57,469 --> 00:01:55,680

they're so hard to track down and even

51
00:01:59,210 --> 00:01:57,479
now if a report is more than they say a

52
00:02:02,090 --> 00:01:59,220
year or two old it's hard to track down

53
00:02:04,249 --> 00:02:02,100
but uh we of course clear back to

54
00:02:06,590 --> 00:02:04,259
Biblical times the ezekeiel's wheel would

55
00:02:08,809 --> 00:02:06,600
have been a good example in the Saul of

56
00:02:11,029 --> 00:02:08,819
Tarsus and the road to Damascus and uh

57
00:02:13,430 --> 00:02:11,039
oh all through history there have been

58
00:02:14,930 --> 00:02:13,440
reports and stories of strange sites in

59
00:02:17,570 --> 00:02:14,940
the sky and on the ground

60
00:02:20,150 --> 00:02:17,580
but I have my hands so full with the

61
00:02:22,970 --> 00:02:20,160
present ones I mean the current ones

62
00:02:24,770 --> 00:02:22,980
that uh it's hardly any point to worry

63
00:02:27,650 --> 00:02:24,780

about the others how do you go about

64

00:02:29,630 --> 00:02:27,660

investigating a UFO report hey you get a

65

00:02:31,369 --> 00:02:29,640

report of a citing do you if it sounds

66

00:02:33,350 --> 00:02:31,379

reasonable to you do you then contact

67

00:02:34,910 --> 00:02:33,360

the people and and do an in-depth

68

00:02:37,490 --> 00:02:34,920

interview with them oh not only the

69

00:02:40,490 --> 00:02:37,500

people but a lot of peripheral uh

70

00:02:42,890 --> 00:02:40,500

material we have an outgoing watch line

71

00:02:45,229 --> 00:02:42,900

and uh we have a full-time paid

72

00:02:47,330 --> 00:02:45,239

investigator and as Carl's come in and

73

00:02:50,930 --> 00:02:47,340

we get through our police hotline we get

74

00:02:52,970 --> 00:02:50,940

uh several calls a day certainly he then

75

00:02:55,330 --> 00:02:52,980

contacts not only the original Witnesses

76

00:03:00,410 --> 00:02:55,340

but the police departments in that area

77

00:03:01,850 --> 00:03:00,420

the FAA the weather bureau no Rad Radar

78

00:03:03,830 --> 00:03:01,860

installations in other words he does

79

00:03:06,050 --> 00:03:03,840

everything he can to break it down into

80

00:03:07,550 --> 00:03:06,060

a normal thing you say who are you

81

00:03:09,710 --> 00:03:07,560

talking about now I'm talking about our

82

00:03:12,530 --> 00:03:09,720

page investigator Mr Alan Henry who is

83

00:03:13,970 --> 00:03:12,540

the chap who uh does a very fine job in

84

00:03:16,070 --> 00:03:13,980

tracking down and then of course we have

85

00:03:19,190 --> 00:03:16,080

a core of investigators around the

86

00:03:22,610 --> 00:03:19,200

country who uh this uh where we can

87

00:03:24,649 --> 00:03:22,620

enlist on a voluntary volunteer basis

88

00:03:27,710 --> 00:03:24,659

are there some that are just so

89

00:03:29,869 --> 00:03:27,720

ridiculous and seem so unlikely to be

90

00:03:31,430 --> 00:03:29,879

anything worthwhile she's just simply on

91

00:03:32,750 --> 00:03:31,440

the after the initial evidence you don't

92

00:03:35,210 --> 00:03:32,760

bother investigating them any further

93

00:03:36,649 --> 00:03:35,220

well it's the ones that are unlikely

94

00:03:38,390 --> 00:03:36,659

these are strange ones are the ones we

95

00:03:40,610 --> 00:03:38,400

really find we have to investigate the

96

00:03:43,970 --> 00:03:40,620

ones that we don't have to investigate

97

00:03:46,610 --> 00:03:43,980

are so typical for instance uh we'll get

98

00:03:48,770 --> 00:03:46,620

uh stories of

99

00:03:50,570 --> 00:03:48,780

that are generated by these advertising

100

00:03:52,850 --> 00:03:50,580

planes you know the planes that have

101

00:03:54,530 --> 00:03:52,860

these rotating Marquee lights from a

102

00:03:58,430 --> 00:03:54,540

distance those look like a rotating disc

103

00:04:01,130 --> 00:03:58,440

but we can spot them and Mr Henry has

104

00:04:03,890 --> 00:04:01,140

the phone numbers as I'm 70 airplane

105

00:04:05,990 --> 00:04:03,900

advertising companies and all we do is

106

00:04:08,270 --> 00:04:06,000

call those places and ask them did you

107

00:04:10,610 --> 00:04:08,280

have a plane at that point at that time

108

00:04:12,170 --> 00:04:10,620

what do we do in this um the the

109

00:04:14,030 --> 00:04:12,180

publication you have under your elbow

110

00:04:15,710 --> 00:04:14,040

there the international UFO reporter

111

00:04:18,170 --> 00:04:15,720

each month we publish if you take a look

112

00:04:19,610 --> 00:04:18,180

at the back page each month we publish a

113

00:04:21,890 --> 00:04:19,620

map of the United States in which we

114

00:04:24,650 --> 00:04:21,900

plot all the cases that have come to our

115

00:04:27,290 --> 00:04:24,660

attention those that we can solve we put

116

00:04:29,510 --> 00:04:27,300

in as we plot as dots those we can't

117

00:04:31,430 --> 00:04:29,520

solve we plot as stars of course if the

118

00:04:33,409 --> 00:04:31,440

stars we're interested in but you can

119

00:04:36,230 --> 00:04:33,419

see also that the dots far outnumber the

120

00:04:39,350 --> 00:04:36,240

stars and people simply are not aware of

121

00:04:40,909 --> 00:04:39,360

the number of purely normal things that

122

00:04:43,430 --> 00:04:40,919

a person can see in the sky now what's

123

00:04:45,950 --> 00:04:43,440

an ifo the dots are ifos those are

124

00:04:47,629 --> 00:04:45,960

identified flying objects can you get a

125

00:04:49,249 --> 00:04:47,639

looking in the map it looks as though

126

00:04:51,110 --> 00:04:49,259

there were three or four identified

127

00:04:55,490 --> 00:04:51,120

flying objects spotted in the Detroit

128

00:04:57,770 --> 00:04:55,500

area oh I'm sure each month now this uh

129

00:04:59,749 --> 00:04:57,780

I think maybe and I want to mention this

130

00:05:01,010 --> 00:04:59,759

several times maybe a good starter right

131

00:05:03,590 --> 00:05:01,020

now

132

00:05:06,170 --> 00:05:03,600

you started out with the uh introductory

133

00:05:10,189 --> 00:05:06,180

music from Close Encounters uh which

134

00:05:12,350 --> 00:05:10,199

Title by the way was uh my title and I I

135

00:05:13,670 --> 00:05:12,360

call this the 18 million dollar movie

136

00:05:15,610 --> 00:05:13,680

with a thousand dollar title because

137

00:05:18,469 --> 00:05:15,620

that's all I got for the title

138

00:05:21,110 --> 00:05:18,479

you describe this to me on the phone a

139

00:05:22,610 --> 00:05:21,120

month ago or so uh well actually three

140

00:05:24,830 --> 00:05:22,620

weeks ago but let's let's do it again

141

00:05:28,969 --> 00:05:24,840

let's let's go back to the beginning

142

00:05:33,350 --> 00:05:28,979

what does a close encounter mean okay

143

00:05:35,629 --> 00:05:33,360

a close encounter is a sighting that is

144

00:05:37,249 --> 00:05:35,639

close and by close I mean within a few

145

00:05:39,230 --> 00:05:37,259

hundred feet less than 500 feet

146

00:05:40,930 --> 00:05:39,240

generally in other words there should be

147

00:05:43,850 --> 00:05:40,940

little chance of

148

00:05:45,950 --> 00:05:43,860

misidentifying it with a

149

00:05:49,310 --> 00:05:45,960

Venus or twinkling star I mean it's

150

00:05:50,689 --> 00:05:49,320

close by okay and they I divided them

151
00:05:52,129 --> 00:05:50,699
purposely into three kinds Close

152
00:05:53,570 --> 00:05:52,139
Encounters of the first kind the second

153
00:05:55,550 --> 00:05:53,580
kind of Third Kind

154
00:05:56,990 --> 00:05:55,560
the first kind is close but nothing

155
00:05:59,749 --> 00:05:57,000
really happens outside the fact that

156
00:06:01,909 --> 00:05:59,759
people get frightened and uh it's quite

157
00:06:04,070 --> 00:06:01,919
an experience for them

158
00:06:05,510 --> 00:06:04,080
a close encounter the second kind are

159
00:06:08,029 --> 00:06:05,520
those in which some sort of physical

160
00:06:11,930 --> 00:06:08,039
residue no not a part of a UFO we still

161
00:06:14,210 --> 00:06:11,940
don't have a front bumper from a UFO or

162
00:06:17,390 --> 00:06:14,220
anything like that but we do have

163
00:06:20,210 --> 00:06:17,400

hundreds of cases and I mean hundreds of

164

00:06:24,710 --> 00:06:20,220

cases in which at the precise spot where

165

00:06:27,430 --> 00:06:24,720

the UFO is seen there is a burnt ring or

166

00:06:29,390 --> 00:06:27,440

holes in the ground that obviously

167

00:06:31,749 --> 00:06:29,400

obviously don't seem to be coming from

168

00:06:34,909 --> 00:06:31,759

anything else broken tree branches

169

00:06:36,469 --> 00:06:34,919

animals affected uh animals affected how

170

00:06:39,830 --> 00:06:36,479

well

171

00:06:41,390 --> 00:06:39,840

they're going to get tremendously

172

00:06:42,890 --> 00:06:41,400

panicky cattle will Stampede for

173

00:06:44,990 --> 00:06:42,900

instance so horses will raise a fuss in

174

00:06:47,749 --> 00:06:45,000

the barn and uh we've had cases of

175

00:06:50,510 --> 00:06:47,759

course dogs wildly barking and that's

176

00:06:52,610 --> 00:06:50,520

that's not terribly exciting but we've

177

00:06:55,309 --> 00:06:52,620

had cases of a bull for instance that

178

00:06:57,290 --> 00:06:55,319

was tethered by a to an iron Rod through

179

00:07:00,110 --> 00:06:57,300

its nose and it got so frightened it

180

00:07:02,270 --> 00:07:00,120

dumped the iron rod in half so

181

00:07:05,150 --> 00:07:02,280

um that I'd say is an animal effect or

182

00:07:06,710 --> 00:07:05,160

an effect on the animal and we have at

183

00:07:10,070 --> 00:07:06,720

the centrifugal studies we have now

184

00:07:12,770 --> 00:07:10,080

published a catalog of some 800 of 1100

185

00:07:16,850 --> 00:07:12,780

now of such cases

186

00:07:19,969 --> 00:07:16,860

okay this UFO reporter this monthly that

187

00:07:21,469 --> 00:07:19,979

you release for a dollar will get to in

188

00:07:24,650 --> 00:07:21,479

just a few minutes I want to talk to you

189

00:07:26,809 --> 00:07:24,660

though about the much celebrated uh

190

00:07:28,850 --> 00:07:26,819

release of information by the Air Force

191

00:07:32,570 --> 00:07:28,860

for years the Air Force kept the lid on

192

00:07:35,809 --> 00:07:32,580

all this UFO information in

193

00:07:38,689 --> 00:07:35,819

People magazine in August 1976 and a big

194

00:07:41,689 --> 00:07:38,699

article about you you said the Air Force

195

00:07:43,070 --> 00:07:41,699

will open its UFO files and it will make

196

00:07:45,409 --> 00:07:43,080

juicy reading

197

00:07:47,689 --> 00:07:45,419

well look that's a year and a half ago

198

00:07:50,930 --> 00:07:47,699

nothing startling has come up President

199

00:07:53,930 --> 00:07:50,940

Carter indicated or at least U.S news

200

00:07:56,510 --> 00:07:53,940

and World Report magazine indicated that

201
00:07:58,070 --> 00:07:56,520
President Carter this year would make

202
00:08:00,170 --> 00:07:58,080
some sort of announcement about UFOs

203
00:08:03,170 --> 00:08:00,180
nothing there's always been an awful lot

204
00:08:05,029 --> 00:08:03,180
of smoke but no fire what is it well the

205
00:08:08,029 --> 00:08:05,039
only only solid thing that's come out of

206
00:08:09,129 --> 00:08:08,039
that see President Carter asked NASA to

207
00:08:11,510 --> 00:08:09,139
um

208
00:08:13,790 --> 00:08:11,520
undertake a study of the UFOs and they

209
00:08:15,110 --> 00:08:13,800
very politely refused and they had good

210
00:08:16,309 --> 00:08:15,120
reasons but I would like to talk about

211
00:08:19,969 --> 00:08:16,319
those later

212
00:08:21,950 --> 00:08:19,979
uh the Air Force did or the National

213
00:08:24,350 --> 00:08:21,960

Archives did release

214

00:08:26,749 --> 00:08:24,360

the files of Project Blue Book on which

215

00:08:29,390 --> 00:08:26,759

I was Consulting for a good many years

216

00:08:31,550 --> 00:08:29,400

and that is uh Incorporated in my new

217

00:08:34,190 --> 00:08:31,560

book the uh which is very modestly

218

00:08:37,610 --> 00:08:34,200

called the heineck UFO report what I do

219

00:08:40,370 --> 00:08:37,620

there is I think that does many of those

220

00:08:43,790 --> 00:08:40,380

do make juicy reading juicy not in the

221

00:08:46,490 --> 00:08:43,800

usual newsstand sense but juicy in the

222

00:08:48,410 --> 00:08:46,500

sense that it shows how the Air Force

223

00:08:51,170 --> 00:08:48,420

really bungled many of the cases and

224

00:08:54,290 --> 00:08:51,180

there did a very real job of keeping

225

00:08:57,110 --> 00:08:54,300

cases from the public they they why why

226

00:08:59,449 --> 00:08:57,120

would they do that largely because they

227

00:09:01,850 --> 00:08:59,459

had were operating under a very strong

228

00:09:04,670 --> 00:09:01,860

recommendation of this from the CIA

229

00:09:07,130 --> 00:09:04,680

uh which convened a panel a special

230

00:09:08,930 --> 00:09:07,140

panel in 1953 called the Robertson

231

00:09:10,490 --> 00:09:08,940

family in which I was an associate

232

00:09:14,570 --> 00:09:10,500

member incidentally

233

00:09:16,430 --> 00:09:14,580

uh the CIA was not frightened of UFOs

234

00:09:18,110 --> 00:09:16,440

they were frightened of UFO reports they

235

00:09:20,269 --> 00:09:18,120

were afraid that the public might panic

236

00:09:21,769 --> 00:09:20,279

and at that time particularly they were

237

00:09:23,690 --> 00:09:21,779

terribly concerned about subversive

238

00:09:25,670 --> 00:09:23,700

elements in the country and they thought

239

00:09:28,610 --> 00:09:25,680

that these these subversive elements of

240

00:09:30,530 --> 00:09:28,620

Communists might use the whole UFO

241

00:09:33,290 --> 00:09:30,540

phenomenon the UFO clubs and UFO

242

00:09:35,690 --> 00:09:33,300

organizations as fronts for subversive

243

00:09:37,130 --> 00:09:35,700

activities and so they strongly

244

00:09:39,590 --> 00:09:37,140

recommended that the Air Force do

245

00:09:41,810 --> 00:09:39,600

everything it can could to debunk the

246

00:09:43,870 --> 00:09:41,820

situation you were one of the major ones

247

00:09:46,190 --> 00:09:43,880

one of the major debunkers I mean uh

248

00:09:48,290 --> 00:09:46,200

because I thought that the whole thing

249

00:09:50,570 --> 00:09:48,300

was a lot of junk have you changed your

250

00:09:52,070 --> 00:09:50,580

mind yes significantly oh absolutely

251

00:09:53,870 --> 00:09:52,080

significantly otherwise I wouldn't be

252

00:09:55,850 --> 00:09:53,880

heading up the center for UFO studies do

253

00:09:57,650 --> 00:09:55,860

you believe that many of these UFO

254

00:10:00,050 --> 00:09:57,660

reports are not only real but that are

255

00:10:03,829 --> 00:10:00,060

extraterrestrially directed

256

00:10:05,990 --> 00:10:03,839

there are three basic theories of the

257

00:10:08,269 --> 00:10:06,000

UFO today one the first of course is

258

00:10:10,670 --> 00:10:08,279

that it is complete nonsense

259

00:10:11,870 --> 00:10:10,680

second is that they are extraterrestrial

260

00:10:14,630 --> 00:10:11,880

vehicles

261

00:10:16,009 --> 00:10:14,640

and the third is that they really

262

00:10:18,350 --> 00:10:16,019

represent Something From Another

263

00:10:20,630 --> 00:10:18,360

Dimension a parallel reality there may

264

00:10:22,670 --> 00:10:20,640

be four or five others that I don't know

265

00:10:25,910 --> 00:10:22,680

about oh there are some fanciful ones

266

00:10:27,530 --> 00:10:25,920

very fanciful indeed uh all of these are

267

00:10:29,449 --> 00:10:27,540

sensible except the first one I think

268

00:10:31,610 --> 00:10:29,459

that's fanciful too

269

00:10:34,370 --> 00:10:31,620

the um there are some people who speak

270

00:10:37,490 --> 00:10:34,380

of our future coming back to look at us

271

00:10:40,610 --> 00:10:37,500

and uh the things that would certainly

272

00:10:42,290 --> 00:10:40,620

be sheer sheer science fiction but that

273

00:10:44,630 --> 00:10:42,300

sounds like science fiction did can you

274

00:10:47,389 --> 00:10:44,640

even buy the concept of that our future

275

00:10:50,030 --> 00:10:47,399

coming back I can't time machine stuff

276

00:10:51,829 --> 00:10:50,040

no I I can't where are they for what's

277

00:10:53,870 --> 00:10:51,839

the parallel reality

278

00:10:57,530 --> 00:10:53,880

well that's an intriguing

279

00:11:00,290 --> 00:10:57,540

um concept uh and it shouldn't bother us

280

00:11:01,790 --> 00:11:00,300

so much because the good Heavens I don't

281

00:11:04,250 --> 00:11:01,800

know which particular religion you

282

00:11:07,250 --> 00:11:04,260

happen to be but uh of all of our major

283

00:11:09,370 --> 00:11:07,260

religions and the great philosophers and

284

00:11:12,350 --> 00:11:09,380

Prophets of the past have all told us

285

00:11:13,850 --> 00:11:12,360

that the physical world is not the whole

286

00:11:15,650 --> 00:11:13,860

thing that there are other planes of

287

00:11:17,990 --> 00:11:15,660

existence where do angels existence the

288

00:11:20,569 --> 00:11:18,000

Bible's full of angels for instance well

289

00:11:22,250 --> 00:11:20,579

that would be an example of parallel

290

00:11:24,590 --> 00:11:22,260

reality or another more practical

291

00:11:26,930 --> 00:11:24,600

example is right now even though we're

292

00:11:28,449 --> 00:11:26,940

in a radio Studio that are passing

293

00:11:31,910 --> 00:11:28,459

through this room television pictures

294

00:11:33,829 --> 00:11:31,920

that we can't see but uh it's it

295

00:11:37,370 --> 00:11:33,839

represents a sort of a parallel reality

296

00:11:40,550 --> 00:11:37,380

okay uh another dimension put it that

297

00:11:43,130 --> 00:11:40,560

way uh there's nothing nothing too

298

00:11:45,110 --> 00:11:43,140

fanciful about that I mean well there's

299

00:11:46,610 --> 00:11:45,120

the there's nothing fanciful about it

300

00:11:48,110 --> 00:11:46,620

from the sense that it's been discussed

301
00:11:49,670 --> 00:11:48,120
for a long time but when you stop and

302
00:11:52,790 --> 00:11:49,680
think about it it doesn't make any sense

303
00:11:54,530 --> 00:11:52,800
at all a two-dimensional thing something

304
00:11:56,329 --> 00:11:54,540
that has no depth that doesn't make

305
00:11:57,230 --> 00:11:56,339
sense to me no and why would it appear

306
00:12:00,290 --> 00:11:57,240
suddenly

307
00:12:02,150 --> 00:12:00,300
no I mean I'm not a two-dimensional but

308
00:12:03,710 --> 00:12:02,160
a four or five dimensional why would it

309
00:12:05,389 --> 00:12:03,720
suddenly appear in ours in our

310
00:12:07,069 --> 00:12:05,399
three-dimensional World an interface

311
00:12:09,170 --> 00:12:07,079
have you ever read this little or seen

312
00:12:12,410 --> 00:12:09,180
this delightful little book called flat

313
00:12:14,329 --> 00:12:12,420

land by a square yes and there you see

314

00:12:17,090 --> 00:12:14,339

it brings it down by one dimension it

315

00:12:20,150 --> 00:12:17,100

talks about creatures triangles octagons

316

00:12:22,910 --> 00:12:20,160

hexagons and squares that all live on a

317

00:12:24,530 --> 00:12:22,920

large sheet of paper and the uh the l

318

00:12:27,410 --> 00:12:24,540

think it's the triangles have precedence

319

00:12:29,569 --> 00:12:27,420

over the squares and the when a triangle

320

00:12:31,970 --> 00:12:29,579

meets the heck of a square the Square's

321

00:12:33,350 --> 00:12:31,980

got to give way and one day a sphere

322

00:12:35,030 --> 00:12:33,360

comes to visit them and you remember

323

00:12:36,290 --> 00:12:35,040

what happens uh to these people that

324

00:12:38,329 --> 00:12:36,300

live in the two Dimensions they first

325

00:12:40,310 --> 00:12:38,339

see it as a point and at large is it to

326

00:12:42,590 --> 00:12:40,320

a large Circle and then it disappears

327

00:12:45,050 --> 00:12:42,600

again as the sphere passes through that

328

00:12:47,449 --> 00:12:45,060

sheet of paper you see now all you have

329

00:12:49,850 --> 00:12:47,459

to do and I say all you have to do is

330

00:12:51,590 --> 00:12:49,860

just up that by one dimension

331

00:12:54,650 --> 00:12:51,600

um instead of a two-dimensional we're a

332

00:12:56,930 --> 00:12:54,660

three-dimensional and a four-dimensional

333

00:12:59,449 --> 00:12:56,940

thing would appear to us magically it

334

00:13:01,190 --> 00:12:59,459

would it would appear by Magic much like

335

00:13:02,930 --> 00:13:01,200

the Cheshire Cat in Alice in Wonderland

336

00:13:05,090 --> 00:13:02,940

remember the Cheshire Cat that

337

00:13:07,850 --> 00:13:05,100

disappeared leaving only its grin where

338

00:13:10,389 --> 00:13:07,860

it went into another dimension and Marsh

339

00:13:13,190 --> 00:13:10,399

gas you've invented you coined the word

340

00:13:14,810 --> 00:13:13,200

uh 10 years ago or so I want to talk

341

00:13:16,009 --> 00:13:14,820

about that and get on the telephone too

342

00:13:19,329 --> 00:13:16,019

with some listeners who have been very

343

00:13:23,150 --> 00:13:19,339

patiently hanging on our number is

344

00:13:25,850 --> 00:13:23,160

875-4476 and Dr uh heineck will answer

345

00:13:27,769 --> 00:13:25,860

your calls okay we'll see what you have

346

00:13:30,230 --> 00:13:27,779

to say any Close Encounters you might

347

00:13:32,389 --> 00:13:30,240

have had or would like that gee you have

348

00:13:34,250 --> 00:13:32,399

been holding on the line very patiently

349

00:13:36,590 --> 00:13:34,260

what is it you'd like to ask Dr heineck

350

00:13:39,230 --> 00:13:36,600

yeah so good morning Dr heineck good

351
00:13:41,769 --> 00:13:39,240
morning yes I have two questions uh

352
00:13:45,230 --> 00:13:41,779
number one under the United States

353
00:13:47,990 --> 00:13:45,240
freedom information how

354
00:13:50,870 --> 00:13:48,000
does the United States citizen obtain a

355
00:13:54,889 --> 00:13:50,880
copy of the Project Blue Book

356
00:13:57,530 --> 00:13:54,899
all right uh that's available it's a

357
00:14:00,889 --> 00:13:57,540
little expensive but it's available in

358
00:14:02,509 --> 00:14:00,899
94 reels of microfilm that run you about

359
00:14:05,870 --> 00:14:02,519
a thousand dollars if you want those

360
00:14:09,470 --> 00:14:05,880
however that's precisely what I I did I

361
00:14:11,389 --> 00:14:09,480
got those 94 reels and have extracted

362
00:14:14,509 --> 00:14:11,399
taken out the you might say the juicy

363
00:14:16,910 --> 00:14:14,519

parts and publish them in the uh the

364

00:14:19,670 --> 00:14:16,920

Dell paperback the heineck UFO report

365

00:14:23,629 --> 00:14:19,680

which ought to be available in in the

366

00:14:25,310 --> 00:14:23,639

bookstores around here and that's your

367

00:14:27,050 --> 00:14:25,320

easiest way of getting the information

368

00:14:31,670 --> 00:14:27,060

if you want to spend a thousand dollars

369

00:14:32,269 --> 00:14:31,680

and buy the 94 reels of microfilm from

370

00:14:35,569 --> 00:14:32,279

um

371

00:14:39,230 --> 00:14:35,579

the archives fine but I uh it's a little

372

00:14:41,990 --> 00:14:39,240

on the expensive side and my second

373

00:14:45,490 --> 00:14:42,000

uh if a group of me

374

00:14:48,769 --> 00:14:45,500

design a prototype are they elect

375

00:14:49,970 --> 00:14:48,779

electronic magnetic ion propulsion

376

00:14:52,490 --> 00:14:49,980

engine

377

00:14:54,889 --> 00:14:52,500

where would you recommend they go

378

00:14:58,370 --> 00:14:54,899

in order to get a patent on this

379

00:15:00,530 --> 00:14:58,380

development well you've introduced the

380

00:15:03,769 --> 00:15:00,540

term patent there I think it's always a

381

00:15:06,470 --> 00:15:03,779

wise idea to uh you have one's ideas

382

00:15:08,269 --> 00:15:06,480

protected by patents because the world

383

00:15:10,670 --> 00:15:08,279

is full of unscrupulous people

384

00:15:13,550 --> 00:15:10,680

I would I've never had a patent in my

385

00:15:14,750 --> 00:15:13,560

life but I've had many copyrights but

386

00:15:18,590 --> 00:15:14,760

not patents

387

00:15:20,689 --> 00:15:18,600

uh I expect a patent lawyer would be the

388

00:15:21,710 --> 00:15:20,699

first person to see about that but apart

389

00:15:24,829 --> 00:15:21,720

from that

390

00:15:27,889 --> 00:15:24,839

I would I would certainly contact some

391

00:15:30,350 --> 00:15:27,899

people in NASA in Washington say that

392

00:15:31,670 --> 00:15:30,360

you have or have this thing and they

393

00:15:33,350 --> 00:15:31,680

undoubtedly would be interested now

394

00:15:35,389 --> 00:15:33,360

they're basically a very honest group

395

00:15:37,490 --> 00:15:35,399

and I don't think they would steal your

396

00:15:39,769 --> 00:15:37,500

idea okay thank you sir thank you very

397

00:15:43,189 --> 00:15:39,779

much hello you're on the radio you're on

398

00:15:47,090 --> 00:15:43,199

WJR with Dr J Alan heineck yes

399

00:15:48,530 --> 00:15:47,100

about uh three years ago at a airport in

400

00:15:49,550 --> 00:15:48,540

an Air Force installation on the East

401
00:15:52,910 --> 00:15:49,560
Coast

402
00:15:53,590 --> 00:15:52,920
uh there appeared three

403
00:15:56,210 --> 00:15:53,600
um

404
00:15:58,129 --> 00:15:56,220
unidentified flying objects

405
00:16:00,350 --> 00:15:58,139
over the ocean

406
00:16:01,910 --> 00:16:00,360
now the Air Force

407
00:16:04,430 --> 00:16:01,920
security people

408
00:16:06,110 --> 00:16:04,440
the base commander all the people on the

409
00:16:09,650 --> 00:16:06,120
Air Force Base the people in the

410
00:16:11,629 --> 00:16:09,660
surrounding towns uh saw these objects

411
00:16:13,370 --> 00:16:11,639
uh for any call

412
00:16:15,769 --> 00:16:13,380
we've made

413
00:16:17,650 --> 00:16:15,779

to an Air Force base for a fighter

414

00:16:21,110 --> 00:16:17,660

investigation

415

00:16:23,689 --> 00:16:21,120

uh the uh people at the fighter base

416

00:16:26,810 --> 00:16:23,699

that uh don't worry about it

417

00:16:29,389 --> 00:16:26,820

they watch these uh UFOs for about two

418

00:16:31,310 --> 00:16:29,399

hours there were three of them

419

00:16:33,290 --> 00:16:31,320

uh they didn't know

420

00:16:36,050 --> 00:16:33,300

the size of them

421

00:16:37,249 --> 00:16:36,060

or the a distance that they were were

422

00:16:39,050 --> 00:16:37,259

away

423

00:16:41,509 --> 00:16:39,060

because they were over water and they

424

00:16:44,509 --> 00:16:41,519

had nothing to judge them by they stayed

425

00:16:47,150 --> 00:16:44,519

there approximately two hours and then

426

00:16:49,790 --> 00:16:47,160

took off now they took off and speed

427

00:16:51,410 --> 00:16:49,800

that must have been about five to ten

428

00:16:54,050 --> 00:16:51,420

times the speed of a Rocket taking off

429

00:16:56,150 --> 00:16:54,060

now have you heard about that and can

430

00:16:57,710 --> 00:16:56,160

you explain it uh well first of all I

431

00:16:59,689 --> 00:16:57,720

certainly couldn't explain it other than

432

00:17:01,610 --> 00:16:59,699

calling it a UFO and then let's always

433

00:17:04,730 --> 00:17:01,620

remember that the U and UFO simply means

434

00:17:08,150 --> 00:17:04,740

unidentified right uh

435

00:17:10,850 --> 00:17:08,160

now I had not heard I we may have we

436

00:17:13,789 --> 00:17:10,860

have in our computerized data banks some

437

00:17:15,470 --> 00:17:13,799

60 000 reports and we can get printouts

438

00:17:18,110 --> 00:17:15,480

so that any if you for instance wanted

439

00:17:20,270 --> 00:17:18,120

to know uh what cases there were in your

440

00:17:21,770 --> 00:17:20,280

own neighborhood or in the your county

441

00:17:24,409 --> 00:17:21,780

or something in the sort of your state

442

00:17:25,850 --> 00:17:24,419

we can have a print out of that but I

443

00:17:27,949 --> 00:17:25,860

don't have the computer bank with me

444

00:17:30,110 --> 00:17:27,959

here so I don't know that in that

445

00:17:33,710 --> 00:17:30,120

particular case you know one thing we

446

00:17:35,930 --> 00:17:33,720

forgot JP is um we forgot and we're

447

00:17:37,669 --> 00:17:35,940

talking about the UFO reporter we forgot

448

00:17:39,770 --> 00:17:37,679

to give the address to where people

449

00:17:46,029 --> 00:17:39,780

might get it and I'd be delighted to do

450

00:17:50,450 --> 00:17:48,289

Chicago Avenue that's right or just

451

00:17:51,710 --> 00:17:50,460

simply Edmonton Illinois is it is

452

00:17:55,010 --> 00:17:51,720

sufficient we're well enough no one

453

00:17:57,529 --> 00:17:55,020

there UFO reporter Evanston Illinois the

454

00:17:59,230 --> 00:17:57,539

zip is 60202 however that's always

455

00:18:01,850 --> 00:17:59,240

important uh

456

00:18:04,430 --> 00:18:01,860

let me add this now that is it's going

457

00:18:06,350 --> 00:18:04,440

to cost you a dollars it's a monthly

458

00:18:08,750 --> 00:18:06,360

yeah since the 12 a year in dollar copy

459

00:18:10,070 --> 00:18:08,760

less than a drink wait it's sir let me

460

00:18:11,330 --> 00:18:10,080

ask you this and we've gotta I want to

461

00:18:12,890 --> 00:18:11,340

get on to the weather and then we'll get

462

00:18:17,830 --> 00:18:12,900

back on the telephone with some folks

463

00:18:27,350 --> 00:18:21,230

did you see these no sir uh I did not

464

00:18:32,330 --> 00:18:30,409

forms as people uh and we had hoped this

465

00:18:34,610 --> 00:18:32,340

morning to get some some direct

466

00:18:35,990 --> 00:18:34,620

first-hand reports so yeah and I think

467

00:18:38,570 --> 00:18:36,000

that's one thing we want to tell the

468

00:18:41,450 --> 00:18:38,580

listeners that it's their scientific

469

00:18:43,010 --> 00:18:41,460

duty to report things that they fear

470

00:18:44,150 --> 00:18:43,020

were really truly puzzling because we

471

00:18:46,490 --> 00:18:44,160

have very good evidence at the center

472

00:18:48,169 --> 00:18:46,500

for UFO studies that nine out of 10

473

00:18:50,150 --> 00:18:48,179

people who have had a UFO experience

474

00:18:52,909 --> 00:18:50,160

have failed to report it simply because

475

00:18:54,529 --> 00:18:52,919

they feared ridiculed right ridicule is

476

00:18:56,330 --> 00:18:54,539

a very real thing it certainly is sir

477

00:18:57,890 --> 00:18:56,340

thank you for calling thank you okay

478

00:18:59,230 --> 00:18:57,900

we'll be on the telephone in just a

479

00:19:01,970 --> 00:18:59,240

couple of seconds we would like to

480

00:19:03,590 --> 00:19:01,980

believe me if you have feared ridicule

481

00:19:05,330 --> 00:19:03,600

and you think you've seen something that

482

00:19:06,710 --> 00:19:05,340

frightened you or startled you that you

483

00:19:09,230 --> 00:19:06,720

couldn't explain and you didn't tell

484

00:19:11,150 --> 00:19:09,240

anyone about it be anonymity the

485

00:19:13,370 --> 00:19:11,160

anonymity of the telephone in the radio

486

00:19:16,610 --> 00:19:13,380

is yours it's not an easy word to say at

487

00:19:28,370 --> 00:19:16,620

this hour that was to be 17 before eight

488

00:19:33,830 --> 00:19:30,470

it the Rainy spring night about a year

489

00:19:39,350 --> 00:19:33,840

ago and uh I'm proceeding on a highway

490

00:19:40,909 --> 00:19:39,360

and saw a huge red light up ahead and my

491

00:19:44,450 --> 00:19:40,919

first thought was that this was possibly

492

00:19:45,830 --> 00:19:44,460

the top light of a new antenna or you

493

00:19:49,490 --> 00:19:45,840

know tower that they had put an

494

00:19:51,650 --> 00:19:49,500

obstruction light on and was huge and as

495

00:19:53,750 --> 00:19:51,660

I proceeded North on the highway and The

496

00:19:55,669 --> 00:19:53,760

Light Came toward me I could see that it

497

00:19:57,890 --> 00:19:55,679

was not one light but two lights which

498

00:19:59,150 --> 00:19:57,900

emerged as one at a distance

499

00:20:00,950 --> 00:19:59,160

and

500

00:20:03,710 --> 00:20:00,960

um

501
00:20:06,470 --> 00:20:03,720
between the two lights were possibly a

502
00:20:09,169 --> 00:20:06,480
paint green light and then just maybe a

503
00:20:11,990 --> 00:20:09,179
hazy gray light on each side of the

504
00:20:14,210 --> 00:20:12,000
green light in the center and then of

505
00:20:16,909 --> 00:20:14,220
course the two red lights on the outer

506
00:20:19,010 --> 00:20:16,919
side which were huge by the way and then

507
00:20:21,590 --> 00:20:19,020
two like spotlights which were

508
00:20:22,610 --> 00:20:21,600
crisscrossing on each side of the red

509
00:20:25,070 --> 00:20:22,620
light

510
00:20:27,650 --> 00:20:25,080
wow that what a vivid description that

511
00:20:29,630 --> 00:20:27,660
is well I'm glad you're reporting it now

512
00:20:31,549 --> 00:20:29,640
you did you do demonstrate one thing

513
00:20:34,549 --> 00:20:31,559

which I've long ago called the

514

00:20:37,070 --> 00:20:34,559

escalation of hypothesis there are when

515

00:20:39,830 --> 00:20:37,080

people do finally report they will say

516

00:20:41,210 --> 00:20:39,840

at first I thought it was an accident on

517

00:20:43,130 --> 00:20:41,220

the road and that the light was a

518

00:20:44,210 --> 00:20:43,140

flasher Beacon then I didn't realize it

519

00:20:46,070 --> 00:20:44,220

wasn't that and then I thought it was

520

00:20:48,409 --> 00:20:46,080

maybe an aircraft coming in and so forth

521

00:20:50,390 --> 00:20:48,419

people try to explain it to them to

522

00:20:51,529 --> 00:20:50,400

themselves first and then they have sort

523

00:20:54,049 --> 00:20:51,539

of driven up to the wall and they

524

00:20:56,810 --> 00:20:54,059

realize that they can't explain it now

525

00:20:59,270 --> 00:20:56,820

uh how did how long did this whole thing

526

00:21:02,330 --> 00:20:59,280

last I'd like to ask you okay let me put

527

00:21:03,890 --> 00:21:02,340

it this way I turned off i-7 five onto a

528

00:21:06,289 --> 00:21:03,900

highway going directly north and south

529

00:21:08,690 --> 00:21:06,299

my home being exactly four miles away

530

00:21:10,850 --> 00:21:08,700

and I proceeded probably half a mile

531

00:21:13,490 --> 00:21:10,860

when I saw the red light now it's a

532

00:21:15,950 --> 00:21:13,500

little hilly in this area and I saw the

533

00:21:18,169 --> 00:21:15,960

red light when I finally traveled maybe

534

00:21:20,390 --> 00:21:18,179

another mile and a half which would be

535

00:21:22,610 --> 00:21:20,400

two miles away from my home I got a very

536

00:21:24,770 --> 00:21:22,620

good look at it of course it was dark

537

00:21:28,070 --> 00:21:24,780

about 10 30 at night it was blowing

538

00:21:29,570 --> 00:21:28,080

raining you know type of evening and I

539

00:21:35,990 --> 00:21:29,580

got a good look at it put it

540

00:21:40,669 --> 00:21:37,909

I lost my train of thought well I tell

541

00:21:42,649 --> 00:21:40,679

you what uh that I would very much like

542

00:21:45,710 --> 00:21:42,659

to have you and any other listener who

543

00:21:48,289 --> 00:21:45,720

is one of the nine out of ten uh to

544

00:21:50,810 --> 00:21:48,299

write it up and report it send it in to

545

00:21:54,830 --> 00:21:50,820

the Center for UFO studies

546

00:21:56,870 --> 00:21:54,840

in Evanston Illinois and we operate as a

547

00:21:59,090 --> 00:21:56,880

clinic you might say we never divulge

548

00:22:01,430 --> 00:21:59,100

the names of people who report to us so

549

00:22:03,649 --> 00:22:01,440

that your report is treated uh

550

00:22:05,990 --> 00:22:03,659

completely confidentially we release

551
00:22:07,789 --> 00:22:06,000
your name only with your permission so

552
00:22:09,950 --> 00:22:07,799
you don't have to worry about that okay

553
00:22:11,990 --> 00:22:09,960
Dr heineck one of the uh claims made

554
00:22:14,330 --> 00:22:12,000
when I when I told what I had seen two

555
00:22:16,370 --> 00:22:14,340
friends was that this was an advertising

556
00:22:18,350 --> 00:22:16,380
plane and of course this seemed

557
00:22:20,149 --> 00:22:18,360
ridiculous to me at 10 30 in the evening

558
00:22:22,130 --> 00:22:20,159
with a rainy boring night that an

559
00:22:24,110 --> 00:22:22,140
advertising plane would be out well 10

560
00:22:27,770 --> 00:22:24,120
30 in the evening wouldn't be bad but

561
00:22:29,810 --> 00:22:27,780
the Rainy blowing night and also they

562
00:22:30,529 --> 00:22:29,820
don't fly that how low are the clouds do

563
00:22:32,149 --> 00:22:30,539

you imagine

564

00:22:37,010 --> 00:22:32,159

I can't tell you tell you there was no

565

00:22:40,789 --> 00:22:39,110

it was so huge I have looked constantly

566

00:22:42,649 --> 00:22:40,799

every night I go out to see if there's a

567

00:22:45,590 --> 00:22:42,659

plane with red lights as large as this

568

00:22:47,810 --> 00:22:45,600

it would be almost like a stop uh light

569

00:22:50,230 --> 00:22:47,820

up in the sky and

570

00:22:55,130 --> 00:22:53,930

how did it disappear well okay then at

571

00:23:00,230 --> 00:22:55,140

that point I was heading north on the

572

00:23:03,710 --> 00:23:02,210

pair of binoculars jumped back in the

573

00:23:06,289 --> 00:23:03,720

car and went back down the road but it

574

00:23:07,610 --> 00:23:06,299

was gone and of course as I said my

575

00:23:09,590 --> 00:23:07,620

first thought that it was the light on

576

00:23:11,510 --> 00:23:09,600

top of the obstruction line on top of a

577

00:23:14,270 --> 00:23:11,520

new tower but uh having lived in the

578

00:23:16,970 --> 00:23:14,280

area for 10 years I had since worked and

579

00:23:19,190 --> 00:23:16,980

obviously there's no uh Tower there how

580

00:23:22,070 --> 00:23:19,200

close do you think I know judging

581

00:23:23,690 --> 00:23:22,080

distances at night is very difficult but

582

00:23:27,350 --> 00:23:23,700

how close do you think it may have come

583

00:23:28,789 --> 00:23:27,360

to you okay uh I pinpointed the spot

584

00:23:30,409 --> 00:23:28,799

where I got a good look at it at

585

00:23:32,630 --> 00:23:30,419

approximately like a quarter of a mile

586

00:23:34,310 --> 00:23:32,640

away or at least it where the two roads

587

00:23:35,630 --> 00:23:34,320

crossed a quarter of a mile away well

588

00:23:37,850 --> 00:23:35,640

that doesn't make it a close encounter

589

00:23:40,250 --> 00:23:37,860

but it makes it a good nocturnal light

590

00:23:42,110 --> 00:23:40,260

okay but you know what uh on the basis

591

00:23:43,850 --> 00:23:42,120

of the skimpy information I'm giving you

592

00:23:45,529 --> 00:23:43,860

it doesn't strike you as an advertising

593

00:23:47,450 --> 00:23:45,539

plane does it no not from what you've

594

00:23:49,850 --> 00:23:47,460

said and and the weather seems to argue

595

00:23:51,649 --> 00:23:49,860

against that but the only thing was that

596

00:23:54,049 --> 00:23:51,659

I could see no form because it was so

597

00:23:55,909 --> 00:23:54,059

dark all I could see were these huge

598

00:23:58,250 --> 00:23:55,919

Sprites with the two spotlights

599

00:23:59,750 --> 00:23:58,260

crisscrossing at the outer end of the

600

00:24:03,190 --> 00:23:59,760

red line I don't suppose you lower the

601
00:24:09,409 --> 00:24:07,730
yeah well uh please do send that report

602
00:24:12,110 --> 00:24:09,419
into the center for UFO studies in

603
00:24:14,750 --> 00:24:12,120
Evanston Illinois 60202 now there's

604
00:24:16,610 --> 00:24:14,760
another one if you have the time can you

605
00:24:17,690 --> 00:24:16,620
hang on for just a half a second okay

606
00:24:19,250 --> 00:24:17,700
I've got to take care of a little

607
00:24:20,390 --> 00:24:19,260
business here and we'll be back on the

608
00:24:21,590 --> 00:24:20,400
telephone we want to give some of the

609
00:24:23,210 --> 00:24:21,600
other folks have been hanging out a

610
00:24:24,590 --> 00:24:23,220
chance too okay would you mind calling

611
00:24:27,230 --> 00:24:24,600
us back a little later no problem thank

612
00:24:29,210 --> 00:24:27,240
you I don't I think you do want the

613
00:24:31,669 --> 00:24:29,220

cloak of anonymity so just go ahead and

614

00:24:33,890 --> 00:24:31,679

tell Dr heinek your story I don't mind

615

00:24:35,350 --> 00:24:33,900

giving the location

616

00:24:38,990 --> 00:24:35,360

um this was on

617

00:24:40,730 --> 00:24:39,000

October the 2nd 1973 I'm reading some

618

00:24:42,470 --> 00:24:40,740

notes that I'd written down a couple

619

00:24:44,990 --> 00:24:42,480

three years ago

620

00:24:47,510 --> 00:24:45,000

it was at 10 15 P.M

621

00:24:51,830 --> 00:24:47,520

and it was about five miles north of

622

00:24:54,590 --> 00:24:51,840

Route 270 on Route 23 in central Ohio

623

00:24:55,430 --> 00:24:54,600

now I can mute this route for like nine

624

00:24:59,270 --> 00:24:55,440

years

625

00:25:01,430 --> 00:24:59,280

and um so it wasn't it was easy to spot

626

00:25:04,789 --> 00:25:01,440

something out of the ordinary

627

00:25:06,169 --> 00:25:04,799

and there was a I have written here on

628

00:25:07,250 --> 00:25:06,179

oval

629

00:25:10,789 --> 00:25:07,260

White

630

00:25:12,950 --> 00:25:10,799

with a reddish Green Glow to the left of

631

00:25:17,210 --> 00:25:12,960

the road it was about a quarter of a

632

00:25:19,430 --> 00:25:17,220

mile off the road uh probably uh 100 to

633

00:25:22,250 --> 00:25:19,440

200 feet in the air so it wasn't very

634

00:25:24,590 --> 00:25:22,260

far up it was a bright night

635

00:25:27,230 --> 00:25:24,600

so you could see the shape of it against

636

00:25:30,070 --> 00:25:27,240

the sky it was probably about a 20

637

00:25:32,630 --> 00:25:30,080

degree ellipse shape

638

00:25:36,590 --> 00:25:32,640

I've written that it was probably about

639

00:25:39,350 --> 00:25:36,600

40 feet across 30 to 40 feet across I

640

00:25:42,950 --> 00:25:39,360

got pretty excited at the time

641

00:25:45,049 --> 00:25:42,960

so I didn't stop but I did have the

642

00:25:46,970 --> 00:25:45,059

phenomenon I guess you'd call it of

643

00:25:50,570 --> 00:25:46,980

having my automobile

644

00:25:52,669 --> 00:25:50,580

quit running properly the lights dimmed

645

00:25:54,289 --> 00:25:52,679

and the motor began to miss like when

646

00:25:56,510 --> 00:25:54,299

it's running out of gas

647

00:25:58,310 --> 00:25:56,520

for just a few moments and then it

648

00:26:00,110 --> 00:25:58,320

started running again fine and I pulled

649

00:26:02,330 --> 00:26:00,120

in the state highway patrol

650

00:26:04,490 --> 00:26:02,340

and I got a patrolman out and we both

651
00:26:06,710 --> 00:26:04,500
looked at it and I asked him if it was

652
00:26:09,289 --> 00:26:06,720
something that he knew about he said

653
00:26:11,510 --> 00:26:09,299
only from phone calls coming in

654
00:26:12,830 --> 00:26:11,520
and I couldn't really understand why

655
00:26:15,470 --> 00:26:12,840
anything like that'd be around Ohio

656
00:26:17,149 --> 00:26:15,480
except that it occurred to me that this

657
00:26:19,549 --> 00:26:17,159
is Perkins Observatory one of the big

658
00:26:23,690 --> 00:26:19,559
radio telescopes is

659
00:26:28,310 --> 00:26:26,149
um I I used to work at Perkins

660
00:26:29,990 --> 00:26:28,320
reservatory for many years you know the

661
00:26:31,070 --> 00:26:30,000
area I know the area very well yeah it

662
00:26:34,070 --> 00:26:31,080
was right on the hill they called

663
00:26:36,590 --> 00:26:34,080

Kingman Hill oh yes I know that well it

664

00:26:39,950 --> 00:26:36,600

was just I'd say 300 yards to the left

665

00:26:43,970 --> 00:26:39,960

of the road and not very high up

666

00:26:46,669 --> 00:26:43,980

well no uh I definitely want you to send

667

00:26:49,610 --> 00:26:46,679

this report in to me at the center for

668

00:26:53,169 --> 00:26:49,620

UFO studies and not as Joe said Chicago

669

00:26:57,830 --> 00:26:53,179

but Evanston Illinois and the zip is

670

00:26:59,870 --> 00:26:57,840

60202 okay and uh your name will not be

671

00:27:01,789 --> 00:26:59,880

used without your permission so don't

672

00:27:05,029 --> 00:27:01,799

worry about that okay

673

00:27:07,130 --> 00:27:05,039

this is a very interesting case what is

674

00:27:09,890 --> 00:27:07,140

your technical background if I if I may

675

00:27:12,350 --> 00:27:09,900

ask I'm not a technician I'm a I'm a

676
00:27:14,029 --> 00:27:12,360
commercial artist oh wow hey you could

677
00:27:16,190 --> 00:27:14,039
draw this thing for us because how about

678
00:27:18,110 --> 00:27:16,200
a good sketch I could do that that would

679
00:27:19,909 --> 00:27:18,120
be great I'd like that

680
00:27:22,070 --> 00:27:19,919
um you know your your experience sounds

681
00:27:23,990 --> 00:27:22,080
an awful lot like one of the episodes

682
00:27:25,850 --> 00:27:24,000
from the movie Close Encounters then

683
00:27:28,570 --> 00:27:25,860
they Dr honey yes it does except that

684
00:27:31,010 --> 00:27:28,580
was uh moving much more

685
00:27:32,450 --> 00:27:31,020
this made no movement it just stayed

686
00:27:34,190 --> 00:27:32,460
stationary in the sky like you'd be

687
00:27:35,330 --> 00:27:34,200
looking at a big the lady describe like

688
00:27:37,610 --> 00:27:35,340

a big tower

689

00:27:39,649 --> 00:27:37,620

uh well but there was nothing supporting

690

00:27:42,470 --> 00:27:39,659

it well did it seem to be solid or was

691

00:27:44,630 --> 00:27:42,480

it a just a light it seemed to be solid

692

00:27:46,430 --> 00:27:44,640

you know but it had an enjoying glow to

693

00:27:49,010 --> 00:27:46,440

it that's the only good word I can

694

00:27:50,870 --> 00:27:49,020

describe I thought at the beginning it

695

00:27:52,490 --> 00:27:50,880

was a helicopter with blinking light but

696

00:27:54,409 --> 00:27:52,500

when you got close enough you could see

697

00:27:58,070 --> 00:27:54,419

that they weren't blinking lights

698

00:28:02,390 --> 00:27:58,080

they were undulating glowing areas of

699

00:28:04,909 --> 00:28:02,400

light like not defined sort of moving

700

00:28:07,010 --> 00:28:04,919

and then it just disappeared you know it

701
00:28:08,930 --> 00:28:07,020
didn't make any movement it didn't go

702
00:28:11,990 --> 00:28:08,940
off quickly or anything it just simply

703
00:28:15,110 --> 00:28:12,000
wasn't there any longer oh no you said

704
00:28:16,610 --> 00:28:15,120
the policeman uh also thought yes I have

705
00:28:19,190 --> 00:28:16,620
nowhere knowing his name but I did

706
00:28:22,190 --> 00:28:19,200
report it to the state patrol and uh in

707
00:28:23,930 --> 00:28:22,200
uh it was the Delaware office well the

708
00:28:25,010 --> 00:28:23,940
Delaware taking reports then and writing

709
00:28:27,890 --> 00:28:25,020
them down at least they told me they

710
00:28:29,510 --> 00:28:27,900
were yeah and uh they they were getting

711
00:28:31,430 --> 00:28:29,520
other calls about it today at the same

712
00:28:32,570 --> 00:28:31,440
time yeah when I but I walked into the

713
00:28:33,950 --> 00:28:32,580

station because I happened to be right

714

00:28:36,529 --> 00:28:33,960

there you know I used to live in

715

00:28:38,450 --> 00:28:36,539

Delaware for years so I know the area I

716

00:28:40,070 --> 00:28:38,460

see well I had written down two or three

717

00:28:42,649 --> 00:28:40,080

others that I'll write down and send to

718

00:28:44,570 --> 00:28:42,659

you I have a tape because I switched my

719

00:28:47,149 --> 00:28:44,580

tape recorder on in the car it looks

720

00:28:48,529 --> 00:28:47,159

very good and I couldn't locate it this

721

00:28:50,690 --> 00:28:48,539

morning because I really I'm not sure

722

00:28:53,210 --> 00:28:50,700

where I put it

723

00:28:55,010 --> 00:28:53,220

I'd like to hear it again myself well

724

00:28:57,230 --> 00:28:55,020

please do send me a copy of that too

725

00:28:58,970 --> 00:28:57,240

would you okay I'll be glad to oh the

726

00:29:00,710 --> 00:28:58,980

the address again for both for you and

727

00:29:02,390 --> 00:29:00,720

our other listeners and those who want

728

00:29:06,289 --> 00:29:02,400

to subscribe to the international UFO

729

00:29:08,990 --> 00:29:06,299

reporter is the it's the center for UFO

730

00:29:11,810 --> 00:29:09,000

studies Evanston Eva and s t o and

731

00:29:14,269 --> 00:29:11,820

Evanston Illinois 60202

732

00:29:15,950 --> 00:29:14,279

202 right thank you very much for

733

00:29:18,289 --> 00:29:15,960

calling thank you it's nice of you to do

734

00:29:20,570 --> 00:29:18,299

that but from Delaware Ohio that

735

00:29:23,210 --> 00:29:20,580

qualifies as a genuine close encounter I

736

00:29:25,730 --> 00:29:23,220

would say so yes hang on for a second

737

00:29:28,370 --> 00:29:25,740

we'll take more calls with Dr J Allen

738

00:29:31,130 --> 00:29:28,380

heineck on our UFO close encounter

739

00:29:32,149 --> 00:29:31,140

morning here on WJR Detroit you know an

740

00:29:33,409 --> 00:29:32,159

awful lot of people are coming out of

741

00:29:34,909 --> 00:29:33,419

the closet these days I don't know

742

00:29:36,529 --> 00:29:34,919

whether it's because of the effect of

743

00:29:38,510 --> 00:29:36,539

the movie A lot of people have seen

744

00:29:41,330 --> 00:29:38,520

Close Encounters of the Third Kind the

745

00:29:43,850 --> 00:29:41,340

the box office reports uh indicate that

746

00:29:46,909 --> 00:29:43,860

it will be one of the best seen most

747

00:29:50,090 --> 00:29:46,919

scene movies in history but there was a

748

00:29:51,649 --> 00:29:50,100

surprise about that Dr heineck explained

749

00:29:53,690 --> 00:29:51,659

something that you thought might happen

750

00:29:56,450 --> 00:29:53,700

as a result of the success of the movie

751

00:29:57,889 --> 00:29:56,460

that hasn't well I thought and so so did

752

00:29:59,210 --> 00:29:57,899

many others that you know people who

753

00:30:01,970 --> 00:29:59,220

would never bothered looking up in the

754

00:30:03,409 --> 00:30:01,980

sky before would uh look up after having

755

00:30:04,789 --> 00:30:03,419

seen that picture and they would make

756

00:30:06,590 --> 00:30:04,799

the same sort of mistakes that have been

757

00:30:08,870 --> 00:30:06,600

made by thousands of people they would

758

00:30:11,450 --> 00:30:08,880

mistake Jupiter and Venus and meteors

759

00:30:13,250 --> 00:30:11,460

and satellites and God knows what but

760

00:30:15,590 --> 00:30:13,260

that has not been happening oddly enough

761

00:30:16,970 --> 00:30:15,600

what has been happening is that the

762

00:30:20,210 --> 00:30:16,980

picture has apparently given people

763

00:30:23,269 --> 00:30:20,220

courage to report things that they were

764

00:30:24,769 --> 00:30:23,279

reluctant to report before and cases uh

765

00:30:26,830 --> 00:30:24,779

that are several years old are coming

766

00:30:29,330 --> 00:30:26,840

out of the closet so to speak

767

00:30:31,250 --> 00:30:29,340

do you welcome that kind of news or is

768

00:30:32,750 --> 00:30:31,260

old news just so difficult to follow up

769

00:30:34,430 --> 00:30:32,760

on that it's hardly worthwhile oh no

770

00:30:36,049 --> 00:30:34,440

those are those are those are the ones

771

00:30:38,690 --> 00:30:36,059

we really want because the current ones

772

00:30:40,490 --> 00:30:38,700

are apt to be mistakes but uh something

773

00:30:43,070 --> 00:30:40,500

that happened to a person five years ago

774

00:30:47,690 --> 00:30:43,080

and they've remembered it vividly isn't

775

00:30:50,149 --> 00:30:47,700

as apt to be a genuine case Okay uh in

776

00:30:52,970 --> 00:30:50,159

Pascagoula Mississippi that rather

777

00:30:54,590 --> 00:30:52,980

famous case where two fishermen uh

778

00:30:57,289 --> 00:30:54,600

supposedly went under hypnotic

779

00:31:00,230 --> 00:30:57,299

regression and talked about an

780

00:31:02,029 --> 00:31:00,240

experience with a uh with a visitor a

781

00:31:03,590 --> 00:31:02,039

spaceship or something tell us that

782

00:31:06,049 --> 00:31:03,600

story and tell us what you think about

783

00:31:08,450 --> 00:31:06,059

it well uh

784

00:31:10,250 --> 00:31:08,460

that is the case that I I investigated I

785

00:31:12,950 --> 00:31:10,260

was there within 48 hours after it

786

00:31:14,990 --> 00:31:12,960

happened what did they say happened well

787

00:31:16,310 --> 00:31:15,000

the two men were Charlie Hixson and

788

00:31:17,990 --> 00:31:16,320

Calvin Parker and what they said

789

00:31:20,630 --> 00:31:18,000

happened is that they were fishing on

790

00:31:24,110 --> 00:31:20,640

the banks of the Pascagoula River and

791

00:31:25,970 --> 00:31:24,120

this I'll make a short story this craft

792

00:31:27,769 --> 00:31:25,980

came down but did not land is hovered

793

00:31:30,889 --> 00:31:27,779

behind them and two very very odd

794

00:31:32,870 --> 00:31:30,899

looking creatures floated down lifted

795

00:31:35,810 --> 00:31:32,880

and floated Charlie Hixson back aboard

796

00:31:38,029 --> 00:31:35,820

and he told us that an instrument that

797

00:31:39,830 --> 00:31:38,039

looks something like a big eye passed

798

00:31:41,810 --> 00:31:39,840

over him several times as though giving

799

00:31:43,730 --> 00:31:41,820

him a medical examination

800

00:31:45,590 --> 00:31:43,740

and when I got down there I found those

801
00:31:48,769 --> 00:31:45,600
men definitely in a State of Shock they

802
00:31:50,690 --> 00:31:48,779
there's no question in my mind that they

803
00:31:52,370 --> 00:31:50,700
think this happened that is to them it

804
00:31:54,830 --> 00:31:52,380
was a very real experience whether it

805
00:31:57,710 --> 00:31:54,840
was real in the our sense of real I

806
00:31:59,090 --> 00:31:57,720
honestly don't know but what is real

807
00:32:02,029 --> 00:31:59,100
philosophers have been worrying about

808
00:32:03,590 --> 00:32:02,039
that for centuries to them it was real

809
00:32:06,710 --> 00:32:03,600
and

810
00:32:08,690 --> 00:32:06,720
um they they could not undergo hypnosis

811
00:32:12,350 --> 00:32:08,700
the nurture harder tried to hypnotize

812
00:32:14,750 --> 00:32:12,360
Charlie Hixson but he resisted it and uh

813
00:32:16,630 --> 00:32:14,760

got uh terribly terribly upset so

814

00:32:19,430 --> 00:32:16,640

whether I'm not sure what that means but

815

00:32:21,409 --> 00:32:19,440

if this were the only case like that I

816

00:32:24,529 --> 00:32:21,419

would dismiss it out of hand but we have

817

00:32:25,490 --> 00:32:24,539

dozens of cases similar to that matter

818

00:32:27,830 --> 00:32:25,500

of fact

819

00:32:31,549 --> 00:32:27,840

what is not known and maybe even you

820

00:32:34,430 --> 00:32:31,559

don't know Joe that uh that case hit the

821

00:32:36,769 --> 00:32:34,440

Press but within a few weeks on either

822

00:32:40,130 --> 00:32:36,779

side of that famous case on October 11

823

00:32:41,810 --> 00:32:40,140

1973 there were 70 other cases of Close

824

00:32:43,370 --> 00:32:41,820

Encounters of the Third Kind which were

825

00:32:45,110 --> 00:32:43,380

not reported to the Press

826
00:32:46,490 --> 00:32:45,120
and at the center for UFO studies we've

827
00:32:49,430 --> 00:32:46,500
just published a

828
00:32:52,190 --> 00:32:49,440
a report on that called 1973 year of the

829
00:32:54,529 --> 00:32:52,200
humanoids and that's also obtainable for

830
00:32:57,110 --> 00:32:54,539
the centrifugal studies now the uh the

831
00:32:59,870 --> 00:32:57,120
the humanoids these uh creatures that

832
00:33:02,690 --> 00:32:59,880
these people say they uh say they sought

833
00:33:04,490 --> 00:33:02,700
do they look anything like the uh the

834
00:33:06,769 --> 00:33:04,500
creatures as depicted in Close

835
00:33:07,850 --> 00:33:06,779
Encounters the movie oh absolutely in

836
00:33:09,590 --> 00:33:07,860
fact is that where you got it from

837
00:33:13,850 --> 00:33:09,600
that's where Steve Spielberg got it from

838
00:33:16,070 --> 00:33:13,860

he when I uh became technical advisor to

839

00:33:17,450 --> 00:33:16,080

close encounter the Third Kind at first

840

00:33:19,070 --> 00:33:17,460

I was not going to have anything to do

841

00:33:20,810 --> 00:33:19,080

with the Hollywood movie because I felt

842

00:33:24,350 --> 00:33:20,820

that would really ruin my scientific

843

00:33:26,029 --> 00:33:24,360

credibility but when I discovered that

844

00:33:27,889 --> 00:33:26,039

Spielberg had really done his homework

845

00:33:31,970 --> 00:33:27,899

very well and had uh was very

846

00:33:33,830 --> 00:33:31,980

knowledgeable uh he based the appearance

847

00:33:35,570 --> 00:33:33,840

of the creatures pretty much on actual

848

00:33:37,730 --> 00:33:35,580

UFO reports yeah

849

00:33:40,669 --> 00:33:37,740

fascinating well they look to it they

850

00:33:43,009 --> 00:33:40,679

almost look like an embryo uh yeah well

851
00:33:44,750 --> 00:33:43,019
actually I would tend to describe them

852
00:33:47,810 --> 00:33:44,760
know in general as

853
00:33:50,029 --> 00:33:47,820
uh overgrown goblins generally large

854
00:33:51,710 --> 00:33:50,039
head spindly bodies

855
00:33:53,870 --> 00:33:51,720
and uh

856
00:33:57,110 --> 00:33:53,880
I I'm not making this up this is what's

857
00:33:59,570 --> 00:33:57,120
reported you see nice and I'm acting

858
00:34:02,269 --> 00:33:59,580
here largely just as a reporter telling

859
00:34:04,009 --> 00:34:02,279
you what what people tell me you were a

860
00:34:05,930 --> 00:34:04,019
great disbeliever I want to talk about

861
00:34:07,909 --> 00:34:05,940
that and how much you've changed if I

862
00:34:10,190 --> 00:34:07,919
may Dr heinek in a minute here it was

863
00:34:11,810 --> 00:34:10,200

his doing he decided it was March gas I

864

00:34:14,089 --> 00:34:11,820

want to find out about that Injustice

865

00:34:16,190 --> 00:34:14,099

there were sightings of something UFO

866

00:34:18,470 --> 00:34:16,200

sightings uh in the Ann Arbor area also

867

00:34:21,409 --> 00:34:18,480

in Dexter in Dexter and as I recall

868

00:34:23,750 --> 00:34:21,419

Hillsdale and uh you came in you were

869

00:34:25,609 --> 00:34:23,760

great to Bunker in those days you were

870

00:34:27,889 --> 00:34:25,619

you headed the investigation team for

871

00:34:29,690 --> 00:34:27,899

the Air Force am I right coming into I

872

00:34:31,070 --> 00:34:29,700

was there a consultant well I had the

873

00:34:32,510 --> 00:34:31,080

investigation that immediate one yes

874

00:34:34,310 --> 00:34:32,520

yeah well that's what I meant and you

875

00:34:36,109 --> 00:34:34,320

determined it was Marsh gas how did you

876

00:34:39,470 --> 00:34:36,119

make that determination

877

00:34:41,030 --> 00:34:39,480

oh boy well the point is that at the

878

00:34:42,109 --> 00:34:41,040

press conference which they tell me was

879

00:34:44,030 --> 00:34:42,119

the largest in the history of the

880

00:34:47,270 --> 00:34:44,040

Detroit Press Club at that time

881

00:34:49,550 --> 00:34:47,280

uh I had said and I have it on record

882

00:34:51,290 --> 00:34:49,560

that if we limited our attention to the

883

00:34:54,050 --> 00:34:51,300

faint lights that the girls at Hillsdale

884

00:34:56,629 --> 00:34:54,060

had seen in the swampy area the

885

00:34:58,849 --> 00:34:56,639

Arboretum that those could be explained

886

00:35:00,410 --> 00:34:58,859

to swampcast but what happened is that

887

00:35:04,070 --> 00:35:00,420

the reporters apparently needed a

888

00:35:05,990 --> 00:35:04,080

buzzword and swamp gas was it and as

889

00:35:07,550 --> 00:35:06,000

soon as I mentioned that they underlined

890

00:35:09,589 --> 00:35:07,560

it in their press release and dashed off

891

00:35:11,410 --> 00:35:09,599

to the telephones and I couldn't say

892

00:35:15,349 --> 00:35:11,420

hold on boy that's not the whole story

893

00:35:17,450 --> 00:35:15,359

uh swampcast was it and uh

894

00:35:19,250 --> 00:35:17,460

I believed it and as a matter of fact

895

00:35:20,630 --> 00:35:19,260

the faint light still could have been

896

00:35:22,609 --> 00:35:20,640

explained as

897

00:35:24,410 --> 00:35:22,619

swampcast but not them not the major

898

00:35:28,310 --> 00:35:24,420

cities not the large things that were

899

00:35:30,650 --> 00:35:28,320

reported okay uh did the Air Force ever

900

00:35:33,710 --> 00:35:30,660

tell you look Dr heinek Guido want to

901
00:35:36,410 --> 00:35:33,720
cause any Panic explain this away as

902
00:35:38,690 --> 00:35:36,420
natural phenomena

903
00:35:40,790 --> 00:35:38,700
well did they say that to you either

904
00:35:42,950 --> 00:35:40,800
directly or by insinuation by

905
00:35:45,890 --> 00:35:42,960
insinuation yes but not directly they

906
00:35:49,910 --> 00:35:45,900
never gave me any specific orders but it

907
00:35:52,670 --> 00:35:49,920
was quite clear that they uh wanted me

908
00:35:55,609 --> 00:35:52,680
to do the best I could to explain it as

909
00:35:56,810 --> 00:35:55,619
a natural thing yeah and I tried but

910
00:35:59,750 --> 00:35:56,820
today I would do it quite differently

911
00:36:01,970 --> 00:35:59,760
today I would say look let's you can't

912
00:36:04,609 --> 00:36:01,980
conduct a scientific investigation in

913
00:36:07,490 --> 00:36:04,619

this excitable atmosphere with reporters

914

00:36:10,970 --> 00:36:07,500

buzzing around and you couldn't get a

915

00:36:13,790 --> 00:36:10,980

halfway thought in edgewise and um

916

00:36:15,470 --> 00:36:13,800

so I would say we'd have to get the

917

00:36:17,569 --> 00:36:15,480

gather the data study it carefully and

918

00:36:18,829 --> 00:36:17,579

come out with some sort of a

919

00:36:20,930 --> 00:36:18,839

um

920

00:36:24,050 --> 00:36:20,940

Daily's preliminary

921

00:36:26,390 --> 00:36:24,060

idea in a few days or a week but not on

922

00:36:28,790 --> 00:36:26,400

the spur of the moment how many books

923

00:36:30,410 --> 00:36:28,800

have you written on the subject of UFOs

924

00:36:32,390 --> 00:36:30,420

well the first one was the UFO

925

00:36:34,010 --> 00:36:32,400

experience which is the in which I

926
00:36:36,290 --> 00:36:34,020
coined the phrase close encounter the

927
00:36:38,750 --> 00:36:36,300
Third Kind yeah and then this most

928
00:36:40,490 --> 00:36:38,760
recent one the heineck UFO report I did

929
00:36:43,609 --> 00:36:40,500
have another one with um jointly with

930
00:36:46,069 --> 00:36:43,619
Jean valet called the edge of reality uh

931
00:36:48,349 --> 00:36:46,079
but the heinek UFO report even though

932
00:36:50,450 --> 00:36:48,359
the title is not a very modest one that

933
00:36:53,630 --> 00:36:50,460
was a Publisher's idea by the way

934
00:36:55,730 --> 00:36:53,640
uh is an expose really of the Air Force

935
00:36:57,589 --> 00:36:55,740
handling because I was there for those

936
00:36:59,990 --> 00:36:57,599
many years and I saw

937
00:37:01,490 --> 00:37:00,000
the way in which the Air Force the

938
00:37:03,770 --> 00:37:01,500

Cavalier way in which the Air Force

939

00:37:07,609 --> 00:37:03,780

handled this whole problem did they just

940

00:37:10,370 --> 00:37:07,619

out of hand uh cover it up just without

941

00:37:12,589 --> 00:37:10,380

any investigation at all no they would

942

00:37:15,470 --> 00:37:12,599

make investigations as I pointed out in

943

00:37:16,790 --> 00:37:15,480

the book The more certain they were that

944

00:37:19,130 --> 00:37:16,800

it was a natural thing the more they

945

00:37:22,250 --> 00:37:19,140

would investigate they they went out and

946

00:37:24,770 --> 00:37:22,260

they would ring from

947

00:37:27,890 --> 00:37:24,780

um anything that comes in from there and

948

00:37:30,349 --> 00:37:27,900

it's a little difficult a little um

949

00:37:31,550 --> 00:37:30,359

face losing to say look there's

950

00:37:33,950 --> 00:37:31,560

something in our atmosphere that we

951
00:37:35,750 --> 00:37:33,960
don't understand it's much easier to say

952
00:37:38,569 --> 00:37:35,760
well it's it's a we do understand It's

953
00:37:41,569 --> 00:37:38,579
Perfectly Natural it's uh swamp gas it's

954
00:37:43,609 --> 00:37:41,579
uh uh aircraft and so forth was this on

955
00:37:45,410 --> 00:37:43,619
a directive from some power on high the

956
00:37:47,210 --> 00:37:45,420
secretary of the Air Force or the

957
00:37:49,250 --> 00:37:47,220
president of the United States or was

958
00:37:51,589 --> 00:37:49,260
this do you think that this

959
00:37:54,650 --> 00:37:51,599
responsibility was assumed by some

960
00:37:56,210 --> 00:37:54,660
generals well the Project Blue Book and

961
00:37:59,210 --> 00:37:56,220
the director of the people who ran it

962
00:38:02,750 --> 00:37:59,220
had a job to do and they were acting

963
00:38:05,810 --> 00:38:02,760

pretty much under the directive or

964

00:38:09,950 --> 00:38:05,820

direct recommendation of the CIA uh

965

00:38:14,270 --> 00:38:09,960

convened Robertson panel which uh

966

00:38:16,790 --> 00:38:14,280

the air for the CIA was not afraid of

967

00:38:19,069 --> 00:38:16,800

UFOs they were afraid of UFO reports and

968

00:38:20,569 --> 00:38:19,079

the things that your reports might do

969

00:38:23,589 --> 00:38:20,579

to people

970

00:38:26,870 --> 00:38:23,599

um at that time this whole question of

971

00:38:29,150 --> 00:38:26,880

subversion was much more in the air than

972

00:38:32,030 --> 00:38:29,160

it is today and they were afraid that

973

00:38:34,430 --> 00:38:32,040

the various UFO flying saucer clubs and

974

00:38:36,890 --> 00:38:34,440

organizations might be used as fronts

975

00:38:38,990 --> 00:38:36,900

for subversive activity also another

976
00:38:42,410 --> 00:38:39,000
thing that was very important in July of

977
00:38:45,530 --> 00:38:42,420
1952 for several days the military wires

978
00:38:48,530 --> 00:38:45,540
became literally clogged with UFO

979
00:38:49,730 --> 00:38:48,540
reports and the CIA was afraid that if

980
00:38:52,130 --> 00:38:49,740
some Nation wanted to launch another

981
00:38:54,170 --> 00:38:52,140
Pearl Harbor all they need to do would

982
00:38:56,870 --> 00:38:54,180
be to get their agents to spawn a whole

983
00:38:58,550 --> 00:38:56,880
bunch of false UFO reports clogged the

984
00:39:01,130 --> 00:38:58,560
military wires and Confused the

985
00:39:03,470 --> 00:39:01,140
situation so they the CIA was quite

986
00:39:06,950 --> 00:39:03,480
seriously concerned not so much with

987
00:39:09,770 --> 00:39:06,960
UFOs but with UFO reports motivated dude

988
00:39:11,089 --> 00:39:09,780

with good reasons oh yes yes and they

989

00:39:13,550 --> 00:39:11,099

they their director or their

990

00:39:14,990 --> 00:39:13,560

recommendation I should say was a very

991

00:39:17,030 --> 00:39:15,000

strong one that the Air Force do

992

00:39:19,550 --> 00:39:17,040

everything in its power to debunk play

993

00:39:20,870 --> 00:39:19,560

down a whole the fort sort of thing and

994

00:39:22,310 --> 00:39:20,880

you were part of that debunking I was

995

00:39:24,770 --> 00:39:22,320

part of that yeah have you ever seen a

996

00:39:26,690 --> 00:39:24,780

flying saucer I've never had a close

997

00:39:28,550 --> 00:39:26,700

encounter but on two occasions I have

998

00:39:29,870 --> 00:39:28,560

seen things which I definitely could not

999

00:39:31,970 --> 00:39:29,880

explain and have not been able to

1000

00:39:33,829 --> 00:39:31,980

explain to this day as an astronomy

1001
00:39:36,050 --> 00:39:33,839
Professor it's unlikely that they were

1002
00:39:38,450 --> 00:39:36,060
celestial bodies now that that's very

1003
00:39:41,050 --> 00:39:38,460
true I mean that's one thing I do

1004
00:39:43,130 --> 00:39:41,060
believe I'm competent to identify

1005
00:39:45,710 --> 00:39:43,140
although it's surprising how many people

1006
00:39:47,990 --> 00:39:45,720
are not that is people are still puzzled

1007
00:39:50,150 --> 00:39:48,000
very much by a very bright meteor even

1008
00:39:51,890 --> 00:39:50,160
trained pilots where we had cases in

1009
00:39:53,210 --> 00:39:51,900
which commercial pilots have swerved

1010
00:39:54,650 --> 00:39:53,220
their airplanes thinking that they were

1011
00:39:55,970 --> 00:39:54,660
on a head-on collision course with

1012
00:39:59,030 --> 00:39:55,980
something that turned out to be a very

1013
00:40:00,230 --> 00:39:59,040

bright meteor 100 miles away or so and

1014

00:40:02,210 --> 00:40:00,240

we're gonna get on the telephone again

1015

00:40:04,370 --> 00:40:02,220

and encourage folks if they would like

1016

00:40:07,130 --> 00:40:04,380

to talk to Dr heineck that we would like

1017

00:40:10,490 --> 00:40:07,140

to talk to people who have had to use

1018

00:40:12,890 --> 00:40:10,500

his coins phrase close encounters and uh

1019

00:40:15,130 --> 00:40:12,900

we will offer you anonymity on the

1020

00:40:17,690 --> 00:40:15,140

telephone our number is

1021

00:40:20,270 --> 00:40:17,700

875-4476 several people on the line have

1022

00:40:23,030 --> 00:40:20,280

you had a close encounter yes I have I

1023

00:40:25,490 --> 00:40:23,040

had some photographs that I took in 1974

1024

00:40:27,230 --> 00:40:25,500

of a UFO and I've never known what

1025

00:40:29,450 --> 00:40:27,240

agency to get in contact with that might

1026

00:40:32,510 --> 00:40:29,460

be interested in them well you've got

1027

00:40:35,089 --> 00:40:32,520

one now and I'm very anxious to see the

1028

00:40:36,530 --> 00:40:35,099

photographs please do send them but

1029

00:40:37,790 --> 00:40:36,540

don't send your original negatives I

1030

00:40:40,370 --> 00:40:37,800

don't want to be responsible for those

1031

00:40:42,530 --> 00:40:40,380

but hang on to those but let me see The

1032

00:40:44,690 --> 00:40:42,540

Prince and then if we want to then

1033

00:40:46,430 --> 00:40:44,700

investigate them further then I would

1034

00:40:48,849 --> 00:40:46,440

make arrangements special arrangements

1035

00:40:52,930 --> 00:40:48,859

to see the original negatives okay

1036

00:40:55,790 --> 00:40:52,940

uh to the Center for UFO studies

1037

00:40:58,190 --> 00:40:55,800

924 Chicago Avenue

1038

00:41:01,630 --> 00:40:58,200

Evanston Illinois

1039

00:41:07,670 --> 00:41:05,450

60202-60202 okay okay thank you yes

1040

00:41:09,170 --> 00:41:07,680

we're on the radio here on WJR Dr

1041

00:41:12,349 --> 00:41:09,180

heineck is listening to you go ahead

1042

00:41:14,030 --> 00:41:12,359

thank you uh Dr heinek I have uh was in

1043

00:41:15,230 --> 00:41:14,040

high school in 47 when this phenomenon

1044

00:41:17,270 --> 00:41:15,240

first started and I read on it ever

1045

00:41:19,250 --> 00:41:17,280

since I've been to things I've lectured

1046

00:41:20,569 --> 00:41:19,260

on and what have you uh I wanted to ask

1047

00:41:22,130 --> 00:41:20,579

you a couple of things I realized all

1048

00:41:23,930 --> 00:41:22,140

the people on the line so I'll get off

1049

00:41:26,329 --> 00:41:23,940

as quickly as possible I want to ask you

1050

00:41:28,430 --> 00:41:26,339

about the flap in Washington DC in 1952

1051
00:41:30,170 --> 00:41:28,440
and for six hours these things were over

1052
00:41:32,329 --> 00:41:30,180
the Pentagon and it gave them a fit down

1053
00:41:34,130 --> 00:41:32,339
there I want to ask you about the

1054
00:41:36,530 --> 00:41:34,140
possibility that in Wright-Patterson Air

1055
00:41:38,089 --> 00:41:36,540
Force Base in Ohio that they do have

1056
00:41:40,190 --> 00:41:38,099
I've heard the remains of an

1057
00:41:42,589 --> 00:41:40,200
entrepreneurial UFO I want to talk about

1058
00:41:44,810 --> 00:41:42,599
the pictures that we don't have that the

1059
00:41:46,730 --> 00:41:44,820
Air Force probably does have when they

1060
00:41:48,230 --> 00:41:46,740
were asked to put cameras in the nose of

1061
00:41:49,250 --> 00:41:48,240
their Jets when they chase these things

1062
00:41:50,810 --> 00:41:49,260
they couldn't catch them at least they

1063
00:41:52,730 --> 00:41:50,820

could take pictures of them could you

1064

00:41:55,490 --> 00:41:52,740

comment on any of these things yeah very

1065

00:41:57,349 --> 00:41:55,500

quickly on all of them uh the 1952 flap

1066

00:41:59,990 --> 00:41:57,359

has never been adequately explained

1067

00:42:01,910 --> 00:42:00,000

they've tried to call it uh atmospheric

1068

00:42:05,569 --> 00:42:01,920

inversion but the inversion was not very

1069

00:42:08,810 --> 00:42:05,579

strong at that time and uh so it is

1070

00:42:12,050 --> 00:42:08,820

still unexplained as far as the remains

1071

00:42:14,870 --> 00:42:12,060

or cadavers of UFO occupants at right

1072

00:42:16,910 --> 00:42:14,880

field I think that is just a story we've

1073

00:42:19,130 --> 00:42:16,920

never had any I've never found any

1074

00:42:20,930 --> 00:42:19,140

evidence that that was true and of

1075

00:42:23,089 --> 00:42:20,940

course if any one of our listeners has

1076

00:42:24,470 --> 00:42:23,099

that information uh that could be

1077

00:42:26,390 --> 00:42:24,480

authenticated I would be delighted to

1078

00:42:27,710 --> 00:42:26,400

know about it see that story had great

1079

00:42:29,270 --> 00:42:27,720

currency a couple of years ago yeah

1080

00:42:32,210 --> 00:42:29,280

honest it pops up every once in a while

1081

00:42:33,650 --> 00:42:32,220

now as far as the aircraft Air Force

1082

00:42:36,950 --> 00:42:33,660

photographs

1083

00:42:39,950 --> 00:42:36,960

I too have heard that uh I've been told

1084

00:42:41,990 --> 00:42:39,960

by military Pilots that uh uh when they

1085

00:42:43,790 --> 00:42:42,000

got back to base their gun camera photos

1086

00:42:47,390 --> 00:42:43,800

were confiscated and so forth but

1087

00:42:49,430 --> 00:42:47,400

whenever I ask these people to uh go to

1088

00:42:52,670 --> 00:42:49,440

an Old Republic and and the swear on

1089

00:42:54,710 --> 00:42:52,680

affidavits that this is true they say

1090

00:42:56,870 --> 00:42:54,720

Well they're remember the reserves or

1091

00:42:58,849 --> 00:42:56,880

they they can't they're under oath or

1092

00:43:01,270 --> 00:42:58,859

something of the sort so as far as I'm

1093

00:43:04,690 --> 00:43:01,280

concerned those still remain stories I

1094

00:43:09,730 --> 00:43:04,700

unauthenticated undocumented stories

1095

00:43:13,130 --> 00:43:09,740

they had a air force uh report uh ER

1096

00:43:15,349 --> 00:43:13,140

200-2 which said that uh Air Force pilot

1097

00:43:16,849 --> 00:43:15,359

2 had seen anything and they had talked

1098

00:43:18,770 --> 00:43:16,859

to anyone they didn't maintain secrecy

1099

00:43:20,270 --> 00:43:18,780

they would be such to ten years in

1100

00:43:21,770 --> 00:43:20,280

prison or five or ten thousand dollars

1101
00:43:25,670 --> 00:43:21,780
you heard about that what happens yes

1102
00:43:27,950 --> 00:43:25,680
that was in jnap 146e which is still in

1103
00:43:30,770 --> 00:43:27,960
effect it is so that a military pilot

1104
00:43:31,910 --> 00:43:30,780
must report any unidentified thing but

1105
00:43:34,910 --> 00:43:31,920
of course their Definition of

1106
00:43:36,890 --> 00:43:34,920
unidentified is very very broad a a new

1107
00:43:40,490 --> 00:43:36,900
Russian aircraft would be considered

1108
00:43:43,150 --> 00:43:40,500
unidentified yeah they must report and

1109
00:43:47,210 --> 00:43:43,160
it is quite true they're still under um

1110
00:43:49,550 --> 00:43:47,220
uh considerable threat of a fine if they

1111
00:43:52,130 --> 00:43:49,560
say they're allowed to talk about it if

1112
00:43:53,569 --> 00:43:52,140
it is identified they are not allowed to

1113
00:43:55,910 --> 00:43:53,579

talk about it as long as it remains

1114

00:43:58,010 --> 00:43:55,920

unidentified I want to point out that

1115

00:43:59,569 --> 00:43:58,020

the movie was just tremendous from one

1116

00:44:01,130 --> 00:43:59,579

who had been reading for years on this

1117

00:44:03,290 --> 00:44:01,140

uh I didn't see it as science fiction

1118

00:44:04,670 --> 00:44:03,300

did such a good job on depicting

1119

00:44:07,790 --> 00:44:04,680

situations that I had read about for

1120

00:44:09,470 --> 00:44:07,800

years one last question sir the it seems

1121

00:44:11,030 --> 00:44:09,480

to me that these things appear so often

1122

00:44:13,309 --> 00:44:11,040

that their appearances can almost be

1123

00:44:16,250 --> 00:44:13,319

predictable would you say that so well

1124

00:44:19,190 --> 00:44:16,260

we're trying we are so we're running uh

1125

00:44:22,190 --> 00:44:19,200

computer studies now on this and it

1126

00:44:24,950 --> 00:44:22,200

appears that possibly we'll be able to

1127

00:44:26,630 --> 00:44:24,960

predict waves of UFO sightings in the

1128

00:44:28,190 --> 00:44:26,640

future but it's still too early to say

1129

00:44:29,990 --> 00:44:28,200

right there is certainly an unusual

1130

00:44:32,089 --> 00:44:30,000

interest in our nuclear installations

1131

00:44:34,130 --> 00:44:32,099

aren't there by these things yeah now

1132

00:44:35,930 --> 00:44:34,140

that may uh that may have a Perfectly

1133

00:44:38,089 --> 00:44:35,940

Natural explanation the military

1134

00:44:40,370 --> 00:44:38,099

installations the nuclear installations

1135

00:44:42,890 --> 00:44:40,380

especially of course have 24-hour guards

1136

00:44:45,890 --> 00:44:42,900

and they're out there watching and they

1137

00:44:47,329 --> 00:44:45,900

would be more apt to see something uh

1138

00:44:48,950 --> 00:44:47,339

when it happens of course another

1139

00:44:51,410 --> 00:44:48,960

explanation is that they're under

1140

00:44:53,569 --> 00:44:51,420

surveillance but I don't know doctor

1141

00:44:55,089 --> 00:44:53,579

where what are your thoughts as to if

1142

00:44:57,230 --> 00:44:55,099

indeed these things are

1143

00:44:59,930 --> 00:44:57,240

extraterrestrially directed

1144

00:45:01,010 --> 00:44:59,940

uh why don't they land make themselves

1145

00:45:02,809 --> 00:45:01,020

known

1146

00:45:05,089 --> 00:45:02,819

well that's one of the questions uh

1147

00:45:06,109 --> 00:45:05,099

that's the situation they don't uh why

1148

00:45:07,730 --> 00:45:06,119

aren't

1149

00:45:09,650 --> 00:45:07,740

well I suppose I could turn the question

1150

00:45:12,650 --> 00:45:09,660

around and say why should they

1151

00:45:14,809 --> 00:45:12,660

I don't know it's um uh you might just

1152

00:45:19,609 --> 00:45:14,819

will ask why do kangaroos jump

1153

00:45:21,230 --> 00:45:19,619

uh they do uh see the the hardest thing

1154

00:45:23,510 --> 00:45:21,240

to get across in this whole field is

1155

00:45:25,490 --> 00:45:23,520

that this is the research problem we

1156

00:45:28,910 --> 00:45:25,500

have lots of questions and very few

1157

00:45:30,290 --> 00:45:28,920

answers uh I might turn around and ask

1158

00:45:31,849 --> 00:45:30,300

you why don't we have the cure for

1159

00:45:33,370 --> 00:45:31,859

cancer yet we've been studying it for a

1160

00:45:36,170 --> 00:45:33,380

long while

1161

00:45:38,569 --> 00:45:36,180

so many people see these things it just

1162

00:45:40,910 --> 00:45:38,579

it just makes logical sense to say well

1163

00:45:43,190 --> 00:45:40,920

they apparently mean no harm because so

1164

00:45:45,470 --> 00:45:43,200

far as we know they have caused none or

1165

00:45:48,730 --> 00:45:45,480

at least very little they are obviously

1166

00:45:51,109 --> 00:45:48,740

curious or they wouldn't be uh uh

1167

00:45:52,670 --> 00:45:51,119

keeping us under surveillance or having

1168

00:45:54,710 --> 00:45:52,680

a look why don't they land and make

1169

00:45:57,170 --> 00:45:54,720

themselves known that's that's a great

1170

00:45:59,270 --> 00:45:57,180

question I wish I knew the answer hang

1171

00:46:01,970 --> 00:45:59,280

on for a second doctor Dr J Alan heineck

1172

00:46:04,910 --> 00:46:01,980

with us it's almost 8 45 on a snowy

1173

00:46:07,130 --> 00:46:04,920

Friday morning in Detroit

1174

00:46:09,650 --> 00:46:07,140

warming you up with talk of you after

1175

00:46:11,210 --> 00:46:09,660

that Mal wanted to know about doctor

1176

00:46:13,130 --> 00:46:11,220

well

1177

00:46:15,170 --> 00:46:13,140

that's a very good example of a close

1178

00:46:17,450 --> 00:46:15,180

encounter of the first kind

1179

00:46:21,109 --> 00:46:17,460

but it was very close but nothing really

1180

00:46:23,329 --> 00:46:21,119

happened a young Navy man was walking

1181

00:46:25,370 --> 00:46:23,339

home from his girlfriends in uh near

1182

00:46:28,309 --> 00:46:25,380

Exeter New Hampshire when this

1183

00:46:30,770 --> 00:46:28,319

brilliantly illuminated object uh

1184

00:46:32,270 --> 00:46:30,780

flashing lights and so forth swooped

1185

00:46:34,970 --> 00:46:32,280

down on him and he swooped into the

1186

00:46:38,089 --> 00:46:34,980

ditch and to get away his panic-stricken

1187

00:46:39,650 --> 00:46:38,099

he it then receded he dashed to the

1188

00:46:41,450 --> 00:46:39,660

nearest Farmhouse pounded on the door

1189

00:46:43,010 --> 00:46:41,460

woke the people they called the police

1190

00:46:44,750 --> 00:46:43,020

the police came out and there was

1191

00:46:46,910 --> 00:46:44,760

nothing because yesterday the police

1192

00:46:49,250 --> 00:46:46,920

were about to leave the object Rose from

1193

00:46:51,650 --> 00:46:49,260

behind the trees and both policemen saw

1194

00:46:53,450 --> 00:46:51,660

it without any question and their life

1195

00:46:55,910 --> 00:46:53,460

was made miserable for them by the Air

1196

00:46:58,010 --> 00:46:55,920

Force which refused to believe that

1197

00:47:00,170 --> 00:46:58,020

anything they had said and in my books

1198

00:47:01,490 --> 00:47:00,180

matter of fact I have an account in

1199

00:47:03,470 --> 00:47:01,500

exchange of those letters that went

1200

00:47:05,510 --> 00:47:03,480

between the two policemen and the Air

1201

00:47:07,130 --> 00:47:05,520

Force and it was really reprehensible

1202

00:47:08,750 --> 00:47:07,140

the manner in which the Air Force tried

1203

00:47:11,470 --> 00:47:08,760

to smear the reputation of these

1204

00:47:15,230 --> 00:47:11,480

policemen calling them essentially

1205

00:47:17,569 --> 00:47:15,240

deluded and so forth uh why would the

1206

00:47:19,970 --> 00:47:17,579

Air Force again go to Such Great Lengths

1207

00:47:23,150 --> 00:47:19,980

to suppress all of this they were just

1208

00:47:24,829 --> 00:47:23,160

under the idea they adopted the theorem

1209

00:47:29,450 --> 00:47:24,839

you might say that it can't be therefore

1210

00:47:32,390 --> 00:47:29,460

it isn't just simply assumed that these

1211

00:47:34,790 --> 00:47:32,400

things had to be natural as I assumed at

1212

00:47:36,290 --> 00:47:34,800

one time that obviously it had to be a

1213

00:47:38,390 --> 00:47:36,300

lot of nonsense well you never went into

1214

00:47:40,430 --> 00:47:38,400

reputation destroying however no that is

1215

00:47:43,970 --> 00:47:40,440

true I would never do that you know

1216

00:47:46,190 --> 00:47:43,980

getting a UFO information first of all

1217

00:47:48,109 --> 00:47:46,200

reporting it is a problem one has to

1218

00:47:49,550 --> 00:47:48,119

make a an emotional decision an

1219

00:47:51,109 --> 00:47:49,560

intellectual decision actually whether

1220

00:47:53,089 --> 00:47:51,119

they want to get involved or not and as

1221

00:47:55,609 --> 00:47:53,099

you point out nine out of ten decide

1222

00:47:57,770 --> 00:47:55,619

they do not for fear of ridicule and

1223

00:48:00,109 --> 00:47:57,780

other reasons too in order to get some

1224

00:48:01,849 --> 00:48:00,119

good UFO information do you what do you

1225

00:48:04,309 --> 00:48:01,859

recommend the subscription of course I

1226
00:48:06,890 --> 00:48:04,319
guess to you well yes I think but let me

1227
00:48:08,809 --> 00:48:06,900
let me back up on that a little bit uh

1228
00:48:11,030 --> 00:48:08,819
even before the picture close encounter

1229
00:48:12,230 --> 00:48:11,040
the Third Kind became so popular we'd

1230
00:48:14,270 --> 00:48:12,240
been getting it to send a few of those

1231
00:48:15,950 --> 00:48:14,280
studies many many requests from uh

1232
00:48:17,630 --> 00:48:15,960
students from various parts of the

1233
00:48:19,849 --> 00:48:17,640
country saying that they were doing a

1234
00:48:21,410 --> 00:48:19,859
term paper on UFOs or that they were

1235
00:48:23,450 --> 00:48:21,420
having class discussion and just now

1236
00:48:25,849 --> 00:48:23,460
with the picture I can imagine that the

1237
00:48:28,190 --> 00:48:25,859
next few months classrooms all over the

1238
00:48:31,849 --> 00:48:28,200

country are going to be having UFO

1239

00:48:34,010 --> 00:48:31,859

discussions and I think it is really bad

1240

00:48:36,410 --> 00:48:34,020

that those kids have to turn to the

1241

00:48:37,670 --> 00:48:36,420

Tabloid press into this lazy magazines

1242

00:48:40,010 --> 00:48:37,680

and newsstands for their information

1243

00:48:43,089 --> 00:48:40,020

they ought to be able to get especially

1244

00:48:46,190 --> 00:48:43,099

School libraries ought to have access to

1245

00:48:48,890 --> 00:48:46,200

responsible information and that can be

1246

00:48:51,829 --> 00:48:48,900

obtained through the international UFO

1247

00:48:55,550 --> 00:48:51,839

reporter which is a monthly newsletter

1248

00:48:58,190 --> 00:48:55,560

which I edit and which therefore I stand

1249

00:48:59,990 --> 00:48:58,200

back of anything that's in it uh each

1250

00:49:02,569 --> 00:49:00,000

month for instance we publish a map of

1251

00:49:04,550 --> 00:49:02,579

all the cases that have been reported to

1252

00:49:06,950 --> 00:49:04,560

us those that we can explain we plot as

1253

00:49:11,809 --> 00:49:06,960

dots those that we can't explain we plot

1254

00:49:15,109 --> 00:49:11,819

as stars and the interesting ones are

1255

00:49:16,970 --> 00:49:15,119

um summarized in the in the UFO reporter

1256

00:49:19,010 --> 00:49:16,980

and that's the subscription for that is

1257

00:49:20,690 --> 00:49:19,020

twelve dollars a year dollar a month and

1258

00:49:22,849 --> 00:49:20,700

it is obtainable

1259

00:49:26,270 --> 00:49:22,859

at the offices of the center for UFO

1260

00:49:29,690 --> 00:49:26,280

studies at 924 Chicago Avenue

1261

00:49:31,849 --> 00:49:29,700

Evanston Illinois 60202r as a matter of

1262

00:49:32,870 --> 00:49:31,859

fact just simply the center for UFO

1263

00:49:36,470 --> 00:49:32,880

studies

1264

00:49:38,089 --> 00:49:36,480

Evanston Illinois 60202 would suffice

1265

00:49:40,790 --> 00:49:38,099

okay how many people do you have at the

1266

00:49:42,650 --> 00:49:40,800

center of UFO studies working oh about

1267

00:49:46,609 --> 00:49:42,660

20 but most of them are volunteers

1268

00:49:49,069 --> 00:49:46,619

because the uh Center is funded entirely

1269

00:49:50,930 --> 00:49:49,079

by contribution popular contributions

1270

00:49:52,670 --> 00:49:50,940

voluntary contributions which by the way

1271

00:49:56,270 --> 00:49:52,680

I want to hasten to point out are tax

1272

00:49:58,270 --> 00:49:56,280

deductible this is not a UFO club or age

1273

00:50:00,349 --> 00:49:58,280

is not supported by the government

1274

00:50:02,630 --> 00:50:00,359

incidentally if we're being monitored

1275

00:50:05,210 --> 00:50:02,640

right now by anybody up there in any

1276

00:50:06,829 --> 00:50:05,220

kind of a vehicle extraterrestrial or

1277

00:50:09,349 --> 00:50:06,839

otherwise and you feel like you would

1278

00:50:13,510 --> 00:50:09,359

like to contact us please do call Select

1279

00:50:18,650 --> 00:50:15,890

313-875-440 okay you're on the air with

1280

00:50:23,030 --> 00:50:18,660

foot about 10 years ago I was driving

1281

00:50:25,609 --> 00:50:23,040

from Ann Arbor to Jackson at dusk and I

1282

00:50:27,230 --> 00:50:25,619

saw a bright light from a distance and I

1283

00:50:29,690 --> 00:50:27,240

thought it was a barn fire because it

1284

00:50:32,450 --> 00:50:29,700

was out in the country and as I got

1285

00:50:34,370 --> 00:50:32,460

closer I realized that it wasn't but I

1286

00:50:36,950 --> 00:50:34,380

still obviously thought of other things

1287

00:50:38,690 --> 00:50:36,960

that it could be and it was important

1288

00:50:41,329 --> 00:50:38,700

enough that all the traffic was stopped

1289

00:50:43,730 --> 00:50:41,339

on I-94 and pulled off on the side of

1290

00:50:46,250 --> 00:50:43,740

the road well I was in a convertible and

1291

00:50:47,089 --> 00:50:46,260

I was also late for a play I was going

1292

00:50:50,030 --> 00:50:47,099

to

1293

00:50:51,470 --> 00:50:50,040

so I kept going I was awful excited and

1294

00:50:54,290 --> 00:50:51,480

so I kept going

1295

00:50:56,750 --> 00:50:54,300

and but it has bothered me enough for 10

1296

00:50:58,730 --> 00:50:56,760

years that I've tried to duplicate it in

1297

00:51:01,370 --> 00:50:58,740

my you tried to see something that would

1298

00:51:03,589 --> 00:51:01,380

be similar and I never could and at that

1299

00:51:06,410 --> 00:51:03,599

time I did call the Sheriff's Office and

1300

00:51:07,970 --> 00:51:06,420

he said we didn't want any reports and

1301
00:51:10,450 --> 00:51:07,980
we don't want to hear anything about it

1302
00:51:13,609 --> 00:51:10,460
if nothing happens

1303
00:51:17,450 --> 00:51:13,619
and I said the traffic was stopped there

1304
00:51:19,309 --> 00:51:17,460
must have been 60 or 70 cars stop he

1305
00:51:22,309 --> 00:51:19,319
said lady you didn't see it you know you

1306
00:51:25,790 --> 00:51:22,319
were really dreamy but it was a

1307
00:51:26,930 --> 00:51:25,800
like a theater Marquee I mean the only

1308
00:51:29,390 --> 00:51:26,940
thing I could

1309
00:51:31,670 --> 00:51:29,400
in my mind think that it was like a

1310
00:51:33,890 --> 00:51:31,680
theater Market but about a three-story

1311
00:51:36,049 --> 00:51:33,900
High building and it was large but the

1312
00:51:38,630 --> 00:51:36,059
lights were blinking in random fashion

1313
00:51:41,329 --> 00:51:38,640

and Denise it I thought that it was

1314

00:51:43,010 --> 00:51:41,339

trying to repair a radio antenna or

1315

00:51:44,630 --> 00:51:43,020

something because there was this wrong

1316

00:51:46,549 --> 00:51:44,640

thing with red lights on it like a radio

1317

00:51:47,990 --> 00:51:46,559

like that was it stationary or was it

1318

00:51:50,750 --> 00:51:48,000

moving it was

1319

00:51:53,930 --> 00:51:50,760

and there was no sound at all and

1320

00:51:56,809 --> 00:51:53,940

60 Acres away as it was across the field

1321

00:51:58,549 --> 00:51:56,819

and in between there was a fence and it

1322

00:52:01,430 --> 00:51:58,559

was I don't think there was any noise

1323

00:52:04,250 --> 00:52:01,440

but my car was going but it certainly

1324

00:52:05,930 --> 00:52:04,260

wasn't noise like you would think to

1325

00:52:08,630 --> 00:52:05,940

support something that big in the air

1326
00:52:10,730 --> 00:52:08,640
are you any good at sketching things I'm

1327
00:52:12,770 --> 00:52:10,740
not but I am a trained Observer I have

1328
00:52:14,329 --> 00:52:12,780
directors and produce television as a

1329
00:52:16,190 --> 00:52:14,339
matter of fact so I'm quite aware of

1330
00:52:18,710 --> 00:52:16,200
visual operation I was wondering if you

1331
00:52:20,750 --> 00:52:18,720
could sketch me or to give me give me a

1332
00:52:22,849 --> 00:52:20,760
um a verbal description a written

1333
00:52:24,770 --> 00:52:22,859
description that is in I will send it to

1334
00:52:26,329 --> 00:52:24,780
you but I wondered if anybody else had

1335
00:52:28,370 --> 00:52:26,339
ever talked to them it could have been

1336
00:52:29,930 --> 00:52:28,380
since that many cars were stopping is it

1337
00:52:31,370 --> 00:52:29,940
is possible that somebody listening to

1338
00:52:33,230 --> 00:52:31,380

us right now is one of those people

1339

00:52:35,329 --> 00:52:33,240

right and

1340

00:52:37,370 --> 00:52:35,339

never in the paper and it was never

1341

00:52:38,930 --> 00:52:37,380

reported but I did go back to school I

1342

00:52:40,790 --> 00:52:38,940

was teaching at that time and I did go

1343

00:52:44,390 --> 00:52:40,800

back to school and I said to one of the

1344

00:52:47,870 --> 00:52:44,400

teachers I have you know something

1345

00:52:49,910 --> 00:52:47,880

very funny has happened to me and I have

1346

00:52:51,410 --> 00:52:49,920

to share with somebody I've taken my

1347

00:52:53,390 --> 00:52:51,420

children out and tried to find this

1348

00:52:54,890 --> 00:52:53,400

place and there's no radio antenna now

1349

00:52:58,130 --> 00:52:54,900

that you know it just doesn't disappear

1350

00:52:59,870 --> 00:52:58,140

overnight right and we I just wanted

1351

00:53:01,670 --> 00:52:59,880

some sort of physical evidence that

1352

00:53:02,930 --> 00:53:01,680

something had been there so I said to

1353

00:53:04,730 --> 00:53:02,940

the teacher I'm going to say something

1354

00:53:06,349 --> 00:53:04,740

to you but I don't want you to anybody

1355

00:53:11,690 --> 00:53:06,359

and

1356

00:53:13,670 --> 00:53:11,700

also another teacher had experienced

1357

00:53:16,010 --> 00:53:13,680

something similar at a

1358

00:53:17,750 --> 00:53:16,020

uh children's camp in Maine something

1359

00:53:19,549 --> 00:53:17,760

had come down to the hill while the

1360

00:53:20,990 --> 00:53:19,559

children were on the hill so I think

1361

00:53:22,790 --> 00:53:21,000

it's I think there are a lot of people

1362

00:53:25,130 --> 00:53:22,800

around that have had experiences a lot

1363

00:53:26,630 --> 00:53:25,140

of very educated people but because I

1364

00:53:28,670 --> 00:53:26,640

didn't want to lose my job and they

1365

00:53:30,770 --> 00:53:28,680

didn't want to lose I think you raised a

1366

00:53:33,349 --> 00:53:30,780

very very important point there and the

1367

00:53:35,990 --> 00:53:33,359

the movie now is making it more socially

1368

00:53:39,950 --> 00:53:36,000

acceptable to talk about UFO UFOs are no

1369

00:53:42,410 --> 00:53:39,960

longer a dirty word and uh we are now

1370

00:53:44,329 --> 00:53:42,420

getting cases at the center which are

1371

00:53:47,150 --> 00:53:44,339

old five to ten years old that people

1372

00:53:48,470 --> 00:53:47,160

have been reluctant to report and I

1373

00:53:50,809 --> 00:53:48,480

would like to point out to our listeners

1374

00:53:54,829 --> 00:53:50,819

that I feel it is their scientific duty

1375

00:53:56,870 --> 00:53:54,839

to report such cases because how can we

1376
00:53:59,510 --> 00:53:56,880
ever solve this problem if we don't have

1377
00:54:01,790 --> 00:53:59,520
proper data to work with Okay thank you

1378
00:54:03,049 --> 00:54:01,800
very much for calling all right Dr honey

1379
00:54:05,870 --> 00:54:03,059
thank you we're going to take a 15

1380
00:54:08,750 --> 00:54:05,880
minute break here if you are a ranking

1381
00:54:10,910 --> 00:54:08,760
skeptical you were a ranking Skipper I

1382
00:54:14,089 --> 00:54:10,920
certainly was the the fact remains that

1383
00:54:16,549 --> 00:54:14,099
UFO reports exist they continue to to

1384
00:54:20,750 --> 00:54:16,559
come in from all over the world

1385
00:54:22,370 --> 00:54:20,760
and from many of them are come from very

1386
00:54:25,910 --> 00:54:22,380
responsible

1387
00:54:28,450 --> 00:54:25,920
persons so you know these are the facts

1388
00:54:33,410 --> 00:54:28,460

that you can't controvert have I been

1389

00:54:35,510 --> 00:54:33,420

have I been misled or misinformed uh in

1390

00:54:38,690 --> 00:54:35,520

in thinking that there have been more

1391

00:54:40,309 --> 00:54:38,700

UFO reports in the United States than in

1392

00:54:41,870 --> 00:54:40,319

other foreign countries

1393

00:54:44,030 --> 00:54:41,880

uh

1394

00:54:45,530 --> 00:54:44,040

we have a great many of course simply

1395

00:54:48,109 --> 00:54:45,540

because communication is so good but

1396

00:54:50,270 --> 00:54:48,119

Canada for instance there are more UFO

1397

00:54:51,650 --> 00:54:50,280

sightings per capita in Canada than

1398

00:54:53,030 --> 00:54:51,660

there are in the United States what

1399

00:54:55,010 --> 00:54:53,040

about some of the Western European

1400

00:54:56,530 --> 00:54:55,020

countries well we have reports now from

1401
00:55:00,170 --> 00:54:56,540
well over a hundred different countries

1402
00:55:01,130 --> 00:55:00,180
but reporting and Communications are

1403
00:55:03,230 --> 00:55:01,140
sometimes difficult the language

1404
00:55:05,089 --> 00:55:03,240
difficulties for one thing governmental

1405
00:55:06,010 --> 00:55:05,099
difficulties in others it's difficult to

1406
00:55:08,809 --> 00:55:06,020
get

1407
00:55:10,670 --> 00:55:08,819
reports from the Iron Iron Curtain

1408
00:55:12,890 --> 00:55:10,680
countries for instance although we do

1409
00:55:15,410 --> 00:55:12,900
they they have the same sorts of things

1410
00:55:16,970 --> 00:55:15,420
there that we have here okay same sorts

1411
00:55:19,069 --> 00:55:16,980
of reports Dr Hannah cook I want to see

1412
00:55:20,750 --> 00:55:19,079
a UFO I've never seen one I've never

1413
00:55:22,190 --> 00:55:20,760

even seen any bright lights to be

1414

00:55:25,190 --> 00:55:22,200

absolutely honest with you that I

1415

00:55:28,069 --> 00:55:25,200

couldn't figure out almost instantly and

1416

00:55:29,750 --> 00:55:28,079

describe as natural phenomenal you're in

1417

00:55:31,670 --> 00:55:29,760

good company our estimates is that only

1418

00:55:33,890 --> 00:55:31,680

one out of every 40 or so people

1419

00:55:36,170 --> 00:55:33,900

actually ever have a UFO experience

1420

00:55:37,970 --> 00:55:36,180

suppose when this snow finally does stop

1421

00:55:39,890 --> 00:55:37,980

and the weather clears up and it's a

1422

00:55:41,569 --> 00:55:39,900

clear night and I'm driving home or I'm

1423

00:55:44,930 --> 00:55:41,579

sitting in my backyard and I suddenly

1424

00:55:46,250 --> 00:55:44,940

see why of these things what do I do the

1425

00:55:48,430 --> 00:55:46,260

very first thing you should do is get

1426

00:55:50,930 --> 00:55:48,440

Witnesses for your own protection

1427

00:55:53,450 --> 00:55:50,940

because then you can say well look he

1428

00:55:55,490 --> 00:55:53,460

saw it too or she saw it too but from

1429

00:55:58,069 --> 00:55:55,500

the scientific standpoint it's extremely

1430

00:56:00,349 --> 00:55:58,079

important to have witnesses because then

1431

00:56:02,030 --> 00:56:00,359

when we go to investigate it we can get

1432

00:56:03,829 --> 00:56:02,040

the accounts of the individuals

1433

00:56:05,870 --> 00:56:03,839

separately and that's what we always do

1434

00:56:08,990 --> 00:56:05,880

we never get them together and we

1435

00:56:11,210 --> 00:56:09,000

interrogate people independently and uh

1436

00:56:15,589 --> 00:56:11,220

but you see I I'm going to be very

1437

00:56:18,829 --> 00:56:15,599

reluctant to uh to call any police for

1438

00:56:20,630 --> 00:56:18,839

example to call officials because I

1439

00:56:23,750 --> 00:56:20,640

would be subject to Great ridicule and I

1440

00:56:27,290 --> 00:56:23,760

would like to avoid that well

1441

00:56:30,049 --> 00:56:27,300

after you get your Witnesses have your

1442

00:56:31,549 --> 00:56:30,059

you and have them separately write a

1443

00:56:34,010 --> 00:56:31,559

simple narrative account of what happens

1444

00:56:36,290 --> 00:56:34,020

is just very simple things and the time

1445

00:56:38,150 --> 00:56:36,300

the duration and then send it to the

1446

00:56:40,370 --> 00:56:38,160

Center for UFO studies

1447

00:56:44,750 --> 00:56:40,380

in Evanston Illinois

1448

00:56:47,089 --> 00:56:44,760

send the zip is 60202 and there you're

1449

00:56:49,130 --> 00:56:47,099

you have no fear of ridicule whatsoever

1450

00:56:52,069 --> 00:56:49,140

because we operate something like a

1451
00:56:53,510 --> 00:56:52,079
medical clinic uh Medical Clinic doesn't

1452
00:56:55,690 --> 00:56:53,520
give you the names of its patients out

1453
00:56:59,210 --> 00:56:55,700
and things of that sort neither do we

1454
00:57:01,130 --> 00:56:59,220
names are not used except without either

1455
00:57:02,210 --> 00:57:01,140
not used except when we have permission

1456
00:57:05,329 --> 00:57:02,220
to do it

1457
00:57:07,250 --> 00:57:05,339
okay so what you're saying is you don't

1458
00:57:09,290 --> 00:57:07,260
necessarily have to report this to

1459
00:57:11,930 --> 00:57:09,300
anyone in official them that's right

1460
00:57:13,250 --> 00:57:11,940
okay send it to you and you act as a

1461
00:57:15,109 --> 00:57:13,260
Clearinghouse for all these things how

1462
00:57:17,930 --> 00:57:15,119
can you possibly examine you and 20

1463
00:57:20,510 --> 00:57:17,940

people all the thousands and thousands

1464

00:57:23,809 --> 00:57:20,520

of uh narratives that you must get and

1465

00:57:27,230 --> 00:57:23,819

inquiries well it isn't difficult to to

1466

00:57:31,609 --> 00:57:27,240

weed out the typical cases of sightings

1467

00:57:33,589 --> 00:57:31,619

and meteors airplanes advertising planes

1468

00:57:35,150 --> 00:57:33,599

um balloons satellites they fit a

1469

00:57:36,829 --> 00:57:35,160

pattern and you can almost spot them

1470

00:57:39,349 --> 00:57:36,839

almost immediately any trained

1471

00:57:41,809 --> 00:57:39,359

investigator can spot those we home in

1472

00:57:43,549 --> 00:57:41,819

on the cases that are really and truly

1473

00:57:45,470 --> 00:57:43,559

puzzling and we spent a lot of time

1474

00:57:47,390 --> 00:57:45,480

investigating those

1475

00:57:49,250 --> 00:57:47,400

sure like to see one doctor I think so

1476

00:57:51,470 --> 00:57:49,260

would you all right we're going to talk

1477

00:57:53,270 --> 00:57:51,480

to uh some people some more people who

1478

00:57:56,329 --> 00:57:53,280

have had Close Encounters on the

1479

00:57:57,230 --> 00:57:56,339

telephone in just a minute can you hear

1480

00:57:58,790 --> 00:57:57,240

me sir

1481

00:58:00,890 --> 00:57:58,800

yes

1482

00:58:02,329 --> 00:58:00,900

good morning how are you fine how are

1483

00:58:04,250 --> 00:58:02,339

you I thought you nodded off for a

1484

00:58:06,049 --> 00:58:04,260

minute yeah what can we do for you well

1485

00:58:07,849 --> 00:58:06,059

by golly

1486

00:58:09,589 --> 00:58:07,859

and first of all the only encounter I

1487

00:58:12,170 --> 00:58:09,599

had was a very humorous one which wasn't

1488

00:58:14,390 --> 00:58:12,180

an encounter I was driving along when I

1489

00:58:16,250 --> 00:58:14,400

was 12 years old with my dad coming back

1490

00:58:19,190 --> 00:58:16,260

from the doctor and here was this at

1491

00:58:21,170 --> 00:58:19,200

dusker just after dusk here was this

1492

00:58:23,150 --> 00:58:21,180

undulating object off in the distance

1493

00:58:25,309 --> 00:58:23,160

she was hovering

1494

00:58:27,170 --> 00:58:25,319

and my Dad pulled the car off the road

1495

00:58:30,470 --> 00:58:27,180

and he thought this was Preposterous you

1496

00:58:32,809 --> 00:58:30,480

know in fact he was frightened as uh as

1497

00:58:36,230 --> 00:58:32,819

we stood or sat in the car and watched

1498

00:58:37,370 --> 00:58:36,240

this thing uh my dad was never shaken in

1499

00:58:39,770 --> 00:58:37,380

his life

1500

00:58:41,450 --> 00:58:39,780

by anything except this and then the

1501
00:58:44,089 --> 00:58:41,460
thing turned around and there was a beer

1502
00:58:47,329 --> 00:58:44,099
advertisement it was a blimp

1503
00:58:49,450 --> 00:58:47,339
that led me off though at 12 years old

1504
00:58:54,049 --> 00:58:49,460
follow-up reports

1505
00:58:57,049 --> 00:58:54,059
and as I was 17 or 18 I followed up the

1506
00:58:59,210 --> 00:58:57,059
reports and went to UFO Society meetings

1507
00:59:00,410 --> 00:58:59,220
and pseudo-religious meetings and this

1508
00:59:01,970 --> 00:59:00,420
type of thing

1509
00:59:04,130 --> 00:59:01,980
a few years ago

1510
00:59:05,520 --> 00:59:04,140
in fact a year ago I ran across the

1511
00:59:06,950 --> 00:59:05,530
fellow

1512
00:59:09,470 --> 00:59:06,960
[Music]

1513
00:59:11,270 --> 00:59:09,480

following a very very well and very

1514

00:59:12,770 --> 00:59:11,280

credible

1515

00:59:17,210 --> 00:59:12,780

person in the world that would come up

1516

00:59:19,670 --> 00:59:17,220

with us really and he said that the

1517

00:59:21,770 --> 00:59:19,680

when we were orbiting Spacemen that they

1518

00:59:22,970 --> 00:59:21,780

were buzzed by UFOs is there any truth

1519

00:59:24,770 --> 00:59:22,980

in this

1520

00:59:27,289 --> 00:59:24,780

well I've never been able to

1521

00:59:30,410 --> 00:59:27,299

authenticate that I have spoken to three

1522

00:59:34,130 --> 00:59:30,420

astronauts who have had UFO sightings

1523

00:59:39,289 --> 00:59:34,140

um Gordon Cooper uh Jim McDevitt

1524

00:59:41,450 --> 00:59:39,299

and um dick Slayton uh only McDevitt had

1525

00:59:44,329 --> 00:59:41,460

his sighting in the in space the other

1526

00:59:46,730 --> 00:59:44,339

two were here on solid and well dick

1527

00:59:48,890 --> 00:59:46,740

sladen was in an aircraft

1528

00:59:53,270 --> 00:59:48,900

um it's difficult to call those people

1529

00:59:56,089 --> 00:59:53,280

diluted or um Liars yeah but as far as

1530

00:59:58,069 --> 00:59:56,099

anything seen on the way to the Moon

1531

01:00:00,770 --> 00:59:58,079

no one has ever confessed that to me at

1532

01:00:02,569 --> 01:00:00,780

any rate I see I I was referring to in

1533

01:00:04,010 --> 01:00:02,579

orbit around the Earth well that had

1534

01:00:07,970 --> 01:00:04,020

been Jim McDevitt

1535

01:00:09,829 --> 01:00:07,980

and there have been other reports but I

1536

01:00:12,410 --> 01:00:09,839

won't believe them I don't accept them

1537

01:00:15,650 --> 01:00:12,420

unless I've talked to the person uh

1538

01:00:17,930 --> 01:00:15,660

personally and uh having one way or

1539

01:00:23,450 --> 01:00:17,940

another authenticated it okay and then

1540

01:00:30,109 --> 01:00:27,010

it comes to this back in about

1541

01:00:32,630 --> 01:00:30,119

1957 or so about the time Sputnik went

1542

01:00:33,890 --> 01:00:32,640

up I was on the mailing list for one of

1543

01:00:37,250 --> 01:00:33,900

the societies

1544

01:00:39,770 --> 01:00:37,260

and I thought this was great fun and

1545

01:00:41,690 --> 01:00:39,780

and I nothing based in fact years later

1546

01:00:43,609 --> 01:00:41,700

I went through all these things before I

1547

01:00:46,609 --> 01:00:43,619

threw them out all these tracks and

1548

01:00:48,170 --> 01:00:46,619

pamphlets and alleged proofs do you know

1549

01:00:49,670 --> 01:00:48,180

what year the Van Allen belts were

1550

01:00:51,950 --> 01:00:49,680

discovered

1551

01:00:54,049 --> 01:00:51,960

well let's see

1552

01:00:55,670 --> 01:00:54,059

um it must have been well in the early

1553

01:00:56,589 --> 01:00:55,680

early satellites so there must have been

1554

01:01:01,069 --> 01:00:56,599

about

1555

01:01:03,230 --> 01:01:01,079

58 or 59. okay I remember uh looking at

1556

01:01:05,690 --> 01:01:03,240

one of these pictures of the Earth at

1557

01:01:06,890 --> 01:01:05,700

this society and Society sent me and and

1558

01:01:09,530 --> 01:01:06,900

personally I thought they were a bunch

1559

01:01:12,049 --> 01:01:09,540

of crackpots but uh here was this

1560

01:01:13,370 --> 01:01:12,059

beautiful line drawing of Van Allen

1561

01:01:16,069 --> 01:01:13,380

belts and that's about the only thing

1562

01:01:19,069 --> 01:01:16,079

credible I ever came up with uh that

1563

01:01:22,069 --> 01:01:19,079

that I would have on paper and are as

1564

01:01:23,569 --> 01:01:22,079

that there were beings visiting us

1565

01:01:25,609 --> 01:01:23,579

there's the rest of it made no sense

1566

01:01:27,410 --> 01:01:25,619

whatsoever okay thank you very much I

1567

01:01:28,670 --> 01:01:27,420

think that's a yeah you're uh I think

1568

01:01:30,530 --> 01:01:28,680

it's always important to have

1569

01:01:32,450 --> 01:01:30,540

intelligent Skeptics in this whole thing

1570

01:01:33,650 --> 01:01:32,460

yeah after all you were one for a great

1571

01:01:36,410 --> 01:01:33,660

many years and you still are you're

1572

01:01:39,170 --> 01:01:36,420

scared basically I I don't accept uh

1573

01:01:40,490 --> 01:01:39,180

more than 100th of stuff I hear okay

1574

01:01:41,930 --> 01:01:40,500

it's a real pleasure talking to you

1575

01:01:45,289 --> 01:01:41,940

Doctor thank you thanks for calling

1576

01:01:47,210 --> 01:01:45,299

right now hello yes I didn't realize it

1577

01:01:49,130 --> 01:01:47,220

was my turn it's your turn I would like

1578

01:01:50,990 --> 01:01:49,140

to tell Dr heinek about

1579

01:01:52,970 --> 01:01:51,000

Nation

1580

01:01:55,990 --> 01:01:52,980

um this happened out in Colorado between

1581

01:01:58,849 --> 01:01:56,000

1949 and 1952. I was living out there

1582

01:02:00,710 --> 01:01:58,859

and my father's cousin who was an Air

1583

01:02:02,510 --> 01:02:00,720

Force officer at that time was

1584

01:02:05,089 --> 01:02:02,520

transferring to Lowry Air Force Base in

1585

01:02:06,770 --> 01:02:05,099

Denver uh one week and he and his family

1586

01:02:07,789 --> 01:02:06,780

came to visit us out in northeastern

1587

01:02:11,270 --> 01:02:07,799

Colorado

1588

01:02:13,010 --> 01:02:11,280

and UFOs came up in the conversation and

1589

01:02:15,650 --> 01:02:13,020

I told my Dad's cousin about a recent

1590

01:02:17,990 --> 01:02:15,660

article in a monthly magazine named

1591

01:02:20,089 --> 01:02:18,000

either pageant or Coronet

1592

01:02:22,970 --> 01:02:20,099

that went into great detail about the

1593

01:02:26,569 --> 01:02:22,980

inside and the outside of the UFO and

1594

01:02:30,109 --> 01:02:26,579

its occupants and the UFO has been found

1595

01:02:31,130 --> 01:02:30,119

as I remember out in Arizona that had

1596

01:02:33,170 --> 01:02:31,140

crashed

1597

01:02:34,250 --> 01:02:33,180

and my dad's cousin looked absolutely

1598

01:02:36,589 --> 01:02:34,260

stunned

1599

01:02:38,690 --> 01:02:36,599

and he said that since all this had

1600

01:02:40,190 --> 01:02:38,700

appeared in the National magazine he

1601
01:02:42,230 --> 01:02:40,200
felt that he could say why he had been

1602
01:02:44,390 --> 01:02:42,240
sent to Larry Air Force Base

1603
01:02:46,609 --> 01:02:44,400
and he and some other officers had been

1604
01:02:48,770 --> 01:02:46,619
brought out there to a school label top

1605
01:02:50,450 --> 01:02:48,780
secret and they had been learning

1606
01:02:52,250 --> 01:02:50,460
everything that I had read in this

1607
01:02:53,870 --> 01:02:52,260
magazine

1608
01:02:58,569 --> 01:02:53,880
and I don't recall whether it was

1609
01:03:04,309 --> 01:03:02,089
they are reluctant to do so what we need

1610
01:03:05,390 --> 01:03:04,319
see this story has cropped up many many

1611
01:03:07,849 --> 01:03:05,400
times

1612
01:03:10,730 --> 01:03:07,859
if it could be authenticated it would be

1613
01:03:12,789 --> 01:03:10,740

a tremendously exciting thing Jack

1614

01:03:16,370 --> 01:03:12,799

Anderson or somebody should uncover it

1615

01:03:17,030 --> 01:03:16,380

but I am not going to accept it unless I

1616

01:03:19,849 --> 01:03:17,040

have

1617

01:03:21,490 --> 01:03:19,859

definite authentication of it well

1618

01:03:24,770 --> 01:03:21,500

unfortunately

1619

01:03:27,410 --> 01:03:24,780

a couple of years go and he had retired

1620

01:03:29,410 --> 01:03:27,420

from the Air Force I might mention I

1621

01:03:31,910 --> 01:03:29,420

don't know whether it would help or not

1622

01:03:34,250 --> 01:03:31,920

I think it was a pageant magazine I'm

1623

01:03:36,230 --> 01:03:34,260

not sure I do know but after the article

1624

01:03:38,770 --> 01:03:36,240

appeared in the magazine it was never

1625

01:03:43,490 --> 01:03:38,780

seen on the newsstands again

1626
01:03:44,750 --> 01:03:43,500
well that's that's a help but um but you

1627
01:03:46,670 --> 01:03:44,760
really need if you could get an Air

1628
01:03:48,109 --> 01:03:46,680
Force officer who went to that school I

1629
01:03:49,549 --> 01:03:48,119
realized that that has been the

1630
01:03:51,650 --> 01:03:49,559
important thing you gotta have a

1631
01:03:53,690 --> 01:03:51,660
first-hand report yeah okay thank you

1632
01:03:55,670 --> 01:03:53,700
for calling you're welcome thank you yes

1633
01:03:58,130 --> 01:03:55,680
we're on the radio it's uh Dr heineck

1634
01:03:59,150 --> 01:03:58,140
here on WJR hi hello

1635
01:04:01,309 --> 01:03:59,160
um

1636
01:04:04,250 --> 01:04:01,319
we're from down river

1637
01:04:07,970 --> 01:04:04,260
we were dry along our

1638
01:04:10,309 --> 01:04:07,980

about 10 years ago and we see this light

1639

01:04:12,349 --> 01:04:10,319

from the air shining down on us and we

1640

01:04:15,230 --> 01:04:12,359

stopped the car while the neighbors was

1641

01:04:17,390 --> 01:04:15,240

on the sidewalk and we looked up and

1642

01:04:19,430 --> 01:04:17,400

this was an object that was

1643

01:04:21,710 --> 01:04:19,440

the light that came down was yellow of

1644

01:04:24,589 --> 01:04:21,720

course like a light like a beacon my

1645

01:04:26,390 --> 01:04:24,599

husband has always said that if

1646

01:04:28,130 --> 01:04:26,400

um if they've taken pictures they've got

1647

01:04:30,410 --> 01:04:28,140

our picture this he always said this he

1648

01:04:33,470 --> 01:04:30,420

says well they must be photographic and

1649

01:04:36,170 --> 01:04:33,480

the we watched this it was it was about

1650

01:04:38,210 --> 01:04:36,180

the height of a of a like where the the

1651
01:04:40,609 --> 01:04:38,220
dirt dribos will fly like the Goodyear

1652
01:04:43,549 --> 01:04:40,619
and this sort of thing and the blips and

1653
01:04:45,950 --> 01:04:43,559
so we uh we watched it it wasn't very

1654
01:04:47,630 --> 01:04:45,960
long just maybe like a minute or two it

1655
01:04:50,510 --> 01:04:47,640
was like a yellow green light

1656
01:04:52,250 --> 01:04:50,520
and it looked like lights on it but you

1657
01:04:54,349 --> 01:04:52,260
I couldn't tell that part because the

1658
01:04:57,230 --> 01:04:54,359
light was shining down real bright and

1659
01:04:59,390 --> 01:04:57,240
all of a sudden it flew to the west and

1660
01:05:01,609 --> 01:04:59,400
it it just went it was just like you

1661
01:05:05,030 --> 01:05:01,619
couldn't even snap your finger uh it

1662
01:05:07,609 --> 01:05:05,040
went that rapidly and when it flew it

1663
01:05:09,710 --> 01:05:07,619

left um it was like it left a cone after

1664

01:05:11,450 --> 01:05:09,720

it like maybe if that was

1665

01:05:13,130 --> 01:05:11,460

I don't know I always figured like some

1666

01:05:15,589 --> 01:05:13,140

of these airplanes that are skywriting

1667

01:05:17,030 --> 01:05:15,599

but this is this is what we saw and I'm

1668

01:05:20,270 --> 01:05:17,040

in the down river it was about 10 years

1669

01:05:23,630 --> 01:05:20,280

ago no did you report that to anybody no

1670

01:05:26,870 --> 01:05:23,640

because at that time too this you we

1671

01:05:29,930 --> 01:05:26,880

didn't really hard to even tell her

1672

01:05:31,549 --> 01:05:29,940

uh it was around a time when you know

1673

01:05:34,549 --> 01:05:31,559

the papers were debunking head and

1674

01:05:38,450 --> 01:05:34,559

everyone was debunking it so was I

1675

01:05:39,289 --> 01:05:38,460

and so we really didn't tell anyone this

1676

01:05:41,089 --> 01:05:39,299

neighbor

1677

01:05:42,950 --> 01:05:41,099

um episode we don't really know him at

1678

01:05:45,170 --> 01:05:42,960

all but and we never did talk to him

1679

01:05:49,190 --> 01:05:45,180

about it after that but but we thought

1680

01:05:51,950 --> 01:05:49,200

and we we were we weren't uh you know we

1681

01:05:53,870 --> 01:05:51,960

were another influence of anything but

1682

01:05:55,069 --> 01:05:53,880

it just seemed like and again this

1683

01:05:57,829 --> 01:05:55,079

morning my husband says well you tell

1684

01:05:59,690 --> 01:05:57,839

him they took her picture and that's our

1685

01:06:01,130 --> 01:05:59,700

that was our impression of it well this

1686

01:06:03,650 --> 01:06:01,140

brings up the very important point that

1687

01:06:05,390 --> 01:06:03,660

many people not only are reluctant to

1688

01:06:08,809 --> 01:06:05,400

report but they also tell me they don't

1689

01:06:11,390 --> 01:06:08,819

know where to report and uh uh the place

1690

01:06:13,490 --> 01:06:11,400

certainly one of the places to report is

1691

01:06:17,510 --> 01:06:13,500

the center for UFO studies in Evanston

1692

01:06:20,569 --> 01:06:17,520

Illinois the ZIP code is 60202 and the

1693

01:06:24,829 --> 01:06:20,579

phone number there is area code 312

1694

01:06:28,370 --> 01:06:26,150

now if

1695

01:06:29,569 --> 01:06:28,380

I I will write this up first I didn't

1696

01:06:30,770 --> 01:06:29,579

know until this morning there was a

1697

01:06:32,210 --> 01:06:30,780

place to even write and I've been

1698

01:06:33,710 --> 01:06:32,220

listening to you since you come on in

1699

01:06:36,109 --> 01:06:33,720

fact I listened to JP when he had it the

1700

01:06:39,109 --> 01:06:36,119

other time and these these things sound

1701

01:06:40,789 --> 01:06:39,119

fantastic but from what we saw I I know

1702

01:06:42,470 --> 01:06:40,799

they're not I know they're really true

1703

01:06:44,329 --> 01:06:42,480

because we saw this one why don't you

1704

01:06:47,150 --> 01:06:44,339

write it up and send it into the uh

1705

01:06:48,829 --> 01:06:47,160

Center for UFO studies to give the

1706

01:06:51,789 --> 01:06:48,839

address once again Dr honey all right

1707

01:06:57,730 --> 01:06:51,799

it's the center for UFO studies 924

1708

01:07:01,670 --> 01:06:57,740

Chicago Avenue Evanston Illinois

1709

01:07:03,650 --> 01:07:01,680

60202 or yes the center for UFO studies

1710

01:07:05,630 --> 01:07:03,660

Evanston illinois is probably sufficient

1711

01:07:08,990 --> 01:07:05,640

the post office knows us pretty well by

1712

01:07:12,049 --> 01:07:09,000

now and the zip is 60202 all right we'll

1713

01:07:13,670 --> 01:07:12,059

do thanks for calling bye-bye Dr heineck

1714

01:07:16,990 --> 01:07:13,680

I've witnessed you this morning take

1715

01:07:19,730 --> 01:07:17,000

several phone calls you have taken

1716

01:07:22,430 --> 01:07:19,740

reports of UFO sightings from literally

1717

01:07:24,109 --> 01:07:22,440

thousands of people maybe even hundreds

1718

01:07:26,750 --> 01:07:24,119

of thousands of rooms not that many but

1719

01:07:29,029 --> 01:07:26,760

we do have 60 000 reports first of all

1720

01:07:29,990 --> 01:07:29,039

you must get weary of these because and

1721

01:07:33,049 --> 01:07:30,000

secondly

1722

01:07:34,849 --> 01:07:33,059

is there a great similarity is there do

1723

01:07:37,210 --> 01:07:34,859

all these various reports no matter how

1724

01:07:40,190 --> 01:07:37,220

strange they might sound

1725

01:07:42,049 --> 01:07:40,200

do any of them have one thing in common

1726

01:07:45,109 --> 01:07:42,059

that from which you can draw some

1727

01:07:48,109 --> 01:07:45,119

conclusions well there's certainly uh

1728

01:07:50,450 --> 01:07:48,119

similar let's put it this way that some

1729

01:07:52,430 --> 01:07:50,460

people say it's all imagination well if

1730

01:07:53,870 --> 01:07:52,440

it were all imagination we ought to be

1731

01:07:56,569 --> 01:07:53,880

able to get we ought to be getting

1732

01:07:59,450 --> 01:07:56,579

reports of pink elephants with roller

1733

01:08:01,849 --> 01:07:59,460

skates or the Taj Mahal being seen in

1734

01:08:03,970 --> 01:08:01,859

New Orleans or in other words Pure

1735

01:08:06,650 --> 01:08:03,980

Imagination would give us all sorts of

1736

01:08:09,589 --> 01:08:06,660

reports we don't we get a fairly

1737

01:08:11,690 --> 01:08:09,599

definite pattern of reports

1738

01:08:13,849 --> 01:08:11,700

and from different cultures from central

1739

01:08:16,849 --> 01:08:13,859

Africa from Papua New Guinea from Brazil

1740

01:08:18,289 --> 01:08:16,859

from the Outback in Australia same sorts

1741

01:08:20,030 --> 01:08:18,299

of things are reported as come from

1742

01:08:21,650 --> 01:08:20,040

United States and Canada let's say where

1743

01:08:24,229 --> 01:08:21,660

there could have been a relatively small

1744

01:08:26,269 --> 01:08:24,239

chance for comparison between the people

1745

01:08:28,090 --> 01:08:26,279

yeah there's people in central Africa

1746

01:08:31,490 --> 01:08:28,100

don't read Time Magazine I don't believe

1747

01:08:34,309 --> 01:08:31,500

you never know what about the saucer

1748

01:08:36,050 --> 01:08:34,319

shape the shape seems to have changed 30

1749

01:08:37,849 --> 01:08:36,060

years ago when they were first reported

1750

01:08:40,430 --> 01:08:37,859

they were flying saucers well they still

1751

01:08:44,150 --> 01:08:40,440

are you still have the daylight discs uh

1752

01:08:46,610 --> 01:08:44,160

not as many today but uh

1753

01:08:48,890 --> 01:08:46,620

we seem to be getting more and more

1754

01:08:50,749 --> 01:08:48,900

cases of the close encounters rather

1755

01:08:53,329 --> 01:08:50,759

than the distant ones

1756

01:08:55,669 --> 01:08:53,339

um either they didn't they were afraid

1757

01:08:58,430 --> 01:08:55,679

to report Close Encounters earlier or

1758

01:09:00,169 --> 01:08:58,440

they didn't there weren't as many but we

1759

01:09:01,910 --> 01:09:00,179

keep getting reports especially older

1760

01:09:03,410 --> 01:09:01,920

ones now for instance the the picture

1761

01:09:06,110 --> 01:09:03,420

itself is bringing things out of the

1762

01:09:09,169 --> 01:09:06,120

woodwork we're getting reports of

1763

01:09:10,910 --> 01:09:09,179

abduction cases of very close encounters

1764

01:09:12,829 --> 01:09:10,920

the second and third kinds

1765

01:09:16,090 --> 01:09:12,839

that people will write to us and tell us

1766

01:09:19,130 --> 01:09:16,100

this happened in 1965. abduction

1767

01:09:20,450 --> 01:09:19,140

kidnapping well somebody has picked up

1768

01:09:22,669 --> 01:09:20,460

and flown around in some sort of a

1769

01:09:25,010 --> 01:09:22,679

spacecraft are not flown around no uh I

1770

01:09:26,689 --> 01:09:25,020

simply do not buy these cases of where

1771

01:09:28,789 --> 01:09:26,699

people say they took a trip to Venus in

1772

01:09:31,669 --> 01:09:28,799

a flying saucer and came back with

1773

01:09:34,910 --> 01:09:31,679

hair from a saturnian dog or something

1774

01:09:37,309 --> 01:09:34,920

of that sort the the place is covered

1775

01:09:40,189 --> 01:09:37,319

with pseudo-religious nuts and I guess

1776

01:09:41,809 --> 01:09:40,199

that makes our problem that much harder

1777

01:09:45,470 --> 01:09:41,819

but um

1778

01:09:47,329 --> 01:09:45,480

the reports of

1779

01:09:49,189 --> 01:09:47,339

Close Encounters

1780

01:09:51,650 --> 01:09:49,199

are coming what are you talking about

1781

01:09:53,990 --> 01:09:51,660

abduction the the typical pattern there

1782

01:09:56,030 --> 01:09:54,000

the classic case of course is the famous

1783

01:09:57,950 --> 01:09:56,040

case of Betty and Barney Hill

1784

01:10:00,890 --> 01:09:57,960

but there are dozens and dozens of

1785

01:10:03,830 --> 01:10:00,900

others the typical pattern that has

1786

01:10:06,470 --> 01:10:03,840

developed is that for a short time the

1787

01:10:08,810 --> 01:10:06,480

people have in their conscious memory uh

1788

01:10:11,750 --> 01:10:08,820

the experience of memory of an ex UFO

1789

01:10:14,689 --> 01:10:11,760

experience then Amnesia sets in they

1790

01:10:16,729 --> 01:10:14,699

will tell us that um they didn't know

1791

01:10:18,650 --> 01:10:16,739

what happened for maybe an hour or two

1792

01:10:21,410 --> 01:10:18,660

hours they may be found farther down the

1793

01:10:22,610 --> 01:10:21,420

road at the end of that time and then

1794

01:10:25,790 --> 01:10:22,620

there again

1795

01:10:27,830 --> 01:10:25,800

conscious but they're very puzzle as to

1796

01:10:30,229 --> 01:10:27,840

what happened in that time lapse how

1797

01:10:32,630 --> 01:10:30,239

many of these uh encounters have been

1798

01:10:34,430 --> 01:10:32,640

reported oh about 50 so far

1799

01:10:36,290 --> 01:10:34,440

are they all similar yeah they're

1800

01:10:38,149 --> 01:10:36,300

similar in this they they have this

1801

01:10:40,850 --> 01:10:38,159

conscious period and then the

1802

01:10:43,689 --> 01:10:40,860

unconscious and what we've been doing as

1803

01:10:47,330 --> 01:10:43,699

far as our funds permit is to employ

1804

01:10:49,430 --> 01:10:47,340

regressive hypnosis uh if the experience

1805

01:10:51,410 --> 01:10:49,440

has been that traumatic you know is well

1806

01:10:54,649 --> 01:10:51,420

known that the conscious mind will block

1807

01:10:56,649 --> 01:10:54,659

out a traumatic experience and we've

1808

01:10:59,510 --> 01:10:56,659

been getting some very very interesting

1809

01:11:02,689 --> 01:10:59,520

accounts from under hypnosis now I have

1810

01:11:04,370 --> 01:11:02,699

the least idea how reliable we can count

1811

01:11:06,770 --> 01:11:04,380

things that we get when people tell us

1812

01:11:09,290 --> 01:11:06,780

under hypnosis but nonetheless for what

1813

01:11:12,110 --> 01:11:09,300

it's worth these stories are remarkably

1814

01:11:14,390 --> 01:11:12,120

similar they will report that they were

1815

01:11:16,310 --> 01:11:14,400

given taken abort and given some sort of

1816

01:11:17,990 --> 01:11:16,320

a medical examination they're generally

1817

01:11:19,310 --> 01:11:18,000

rather hazy about it

1818

01:11:22,850 --> 01:11:19,320

but

1819

01:11:24,169 --> 01:11:22,860

good people good true salt of the earth

1820

01:11:27,229 --> 01:11:24,179

type people

1821

01:11:28,850 --> 01:11:27,239

have told us this and um you sound like

1822

01:11:30,830 --> 01:11:28,860

you believe them

1823

01:11:32,810 --> 01:11:30,840

um no I believe that they are sincere

1824

01:11:34,370 --> 01:11:32,820

you believe they believe what they're

1825

01:11:36,590 --> 01:11:34,380

telling you yes I believe that now

1826

01:11:38,510 --> 01:11:36,600

whether that really look I I've always

1827

01:11:40,310 --> 01:11:38,520

point out that Saul of Tarsus on the

1828

01:11:42,110 --> 01:11:40,320

road to Damascus had an experience which

1829

01:11:44,030 --> 01:11:42,120

transformed him into Saint Paul and that

1830

01:11:46,010 --> 01:11:44,040

certainly affected the human race but

1831

01:11:47,270 --> 01:11:46,020

was it a real experience undoubtedly

1832

01:11:48,830 --> 01:11:47,280

Saint Paul thought it was a real

1833

01:11:51,290 --> 01:11:48,840

experience

1834

01:11:53,990 --> 01:11:51,300

um you know van Dunnigan and other

1835

01:11:57,290 --> 01:11:54,000

writers have tried to draw parallels

1836

01:11:58,850 --> 01:11:57,300

from Biblical times and before as a

1837

01:12:00,350 --> 01:11:58,860

matter of fact to the kinds of things

1838

01:12:02,810 --> 01:12:00,360

that are happening now and indicating

1839

01:12:05,810 --> 01:12:02,820

that we the space chariots Etc that we

1840

01:12:08,090 --> 01:12:05,820

have been visited before do you hold

1841

01:12:09,350 --> 01:12:08,100

with that I don't hold with it because

1842

01:12:12,290 --> 01:12:09,360

uh

1843

01:12:14,689 --> 01:12:12,300

simply well Von daniken in the Chariots

1844

01:12:16,370 --> 01:12:14,699

of the Gods I cannot respect his

1845

01:12:17,689 --> 01:12:16,380

scholarship I mean I think I've never

1846

01:12:20,169 --> 01:12:17,699

been able to finish one of his books

1847

01:12:23,530 --> 01:12:20,179

because it's it's just nauseating to me

1848

01:12:25,669 --> 01:12:23,540

uh he might be right

1849

01:12:29,930 --> 01:12:25,679

and certainly he stirred people's

1850

01:12:31,550 --> 01:12:29,940

imaginations but um there's no the

1851

01:12:33,890 --> 01:12:31,560

evidence that he

1852

01:12:37,610 --> 01:12:33,900

tries to bring forth is mostly

1853

01:12:39,350 --> 01:12:37,620

supposition and ad hoc stuff very flimsy

1854

01:12:41,030 --> 01:12:39,360

conclusions very flimsy conclusions I

1855

01:12:43,189 --> 01:12:41,040

would say glad to see that you're still

1856

01:12:45,290 --> 01:12:43,199

somewhat of a skeptic that's uh that's

1857

01:12:46,970 --> 01:12:45,300

healthy you have not turned the corner

1858

01:12:49,970 --> 01:12:46,980

I've been watching you all morning long

1859

01:12:53,149 --> 01:12:49,980

you are very very careful to never say

1860

01:12:55,669 --> 01:12:53,159

oh yes that's uh I know what that is you

1861

01:12:57,530 --> 01:12:55,679

if you seem to be listening as a as a

1862

01:12:59,330 --> 01:12:57,540

priest and confessional or as a

1863

01:13:01,490 --> 01:12:59,340

psychiatrist on the couch without ever

1864

01:13:05,090 --> 01:13:01,500

committing yourself why is that well

1865

01:13:07,850 --> 01:13:05,100

because if I'm true to the uh to

1866

01:13:09,530 --> 01:13:07,860

Scientific principles you don't say a

1867

01:13:11,030 --> 01:13:09,540

scientist doesn't say he believes this

1868

01:13:13,130 --> 01:13:11,040

or people arrest me do you believe in

1869

01:13:14,570 --> 01:13:13,140

UFOs well belief is a sort of a

1870

01:13:16,010 --> 01:13:14,580

theological sort of thing and when a

1871

01:13:18,290 --> 01:13:16,020

scientist says he believes something he

1872

01:13:21,470 --> 01:13:18,300

means that he has enough evidence now to

1873

01:13:23,510 --> 01:13:21,480

think that this or that is so and we're

1874

01:13:25,910 --> 01:13:23,520

still Gathering the evidence okay Dr

1875

01:13:28,550 --> 01:13:25,920

heineck well I'll tell you this maybe

1876

01:13:29,870 --> 01:13:28,560

the folks who are observing us didn't

1877

01:13:31,550 --> 01:13:29,880

like our conversation this morning

1878

01:13:34,189 --> 01:13:31,560

because driving conditions have

1879

01:13:37,250 --> 01:13:34,199

absolutely turned to Glad metaphysical

1880

01:13:39,709 --> 01:13:37,260

Society do you know so yeah Sal how are

1881

01:13:43,490 --> 01:13:39,719

you just fine I was with Dr Alan heineck

1882

01:13:45,610 --> 01:13:43,500

in 1972 in London England if he recalls

1883

01:13:48,470 --> 01:13:45,620

at the festival of esoteric Sciences

1884

01:13:50,209 --> 01:13:48,480

where there was quite a number of UFO

1885

01:13:52,130 --> 01:13:50,219

enthusiasts from England that met him

1886

01:13:53,630 --> 01:13:52,140

there do you recall doctor I might

1887

01:13:55,490 --> 01:13:53,640

recall the meeting but I met so many

1888

01:13:58,250 --> 01:13:55,500

people at that time that's right well

1889

01:14:01,189 --> 01:13:58,260

Mike uh affiliation with this whole

1890

01:14:03,770 --> 01:14:01,199

story goes back from the time of 1947.

1891

01:14:07,310 --> 01:14:03,780

and my concern and questions were

1892

01:14:09,229 --> 01:14:07,320

similar to JP why are you here well

1893

01:14:11,270 --> 01:14:09,239

eventually we were able to read an

1894

01:14:12,890 --> 01:14:11,280

organization or a little group

1895

01:14:15,590 --> 01:14:12,900

who would meet and rap about the

1896

01:14:17,330 --> 01:14:15,600

possibilities of being visited one of

1897

01:14:18,169 --> 01:14:17,340

our members became what we call a

1898

01:14:20,149 --> 01:14:18,179

channel

1899

01:14:22,970 --> 01:14:20,159

through an electromagnetic beam

1900

01:14:25,669 --> 01:14:22,980

supposedly being to his brain from a

1901

01:14:27,890 --> 01:14:25,679

craft and see now you know saw me start

1902

01:14:29,810 --> 01:14:27,900

talking like this you lose me well just

1903

01:14:32,689 --> 01:14:29,820

listen to this okay the importance is

1904

01:14:34,970 --> 01:14:32,699

that we were making supposedly a verbal

1905

01:14:38,030 --> 01:14:34,980

communication through a an individual

1906

01:14:40,910 --> 01:14:38,040

okay and our concern was why don't you

1907

01:14:43,130 --> 01:14:40,920

win okay and their indication was that

1908

01:14:44,209 --> 01:14:43,140

if they were to land say downtown the

1909

01:14:46,310 --> 01:14:44,219

city of Detroit

1910

01:14:49,550 --> 01:14:46,320

seventy percent of the people would want

1911

01:14:51,890 --> 01:14:49,560

to uh destroy them for being invaded

1912

01:14:54,729 --> 01:14:51,900

supposedly by monsters the other 30 they

1913

01:14:59,090 --> 01:14:57,709

and just want to worship His God so we

1914

01:15:01,970 --> 01:14:59,100

were not prepared or ready for this kind

1915

01:15:03,410 --> 01:15:01,980

of communication of extraterrestrial why

1916

01:15:05,330 --> 01:15:03,420

do people assume that's all I've heard

1917

01:15:06,590 --> 01:15:05,340

that before I don't uh that doesn't make

1918

01:15:09,590 --> 01:15:06,600

a lot of sense I don't think do you

1919

01:15:13,130 --> 01:15:09,600

think it makes sense do you Dr honey

1920

01:15:14,510 --> 01:15:13,140

well I I suppose they there are some if

1921

01:15:17,209 --> 01:15:14,520

they observe the human race they know

1922

01:15:18,229 --> 01:15:17,219

they're we're a warlike group but uh I

1923

01:15:19,070 --> 01:15:18,239

don't think that'll be a sufficient

1924

01:15:22,550 --> 01:15:19,080

reason

1925

01:15:24,770 --> 01:15:22,560

wow let's put it this way yeah there's

1926

01:15:26,110 --> 01:15:24,780

30 years of communication supposedly

1927

01:15:28,850 --> 01:15:26,120

with

1928

01:15:31,010 --> 01:15:28,860

identifying objects I don't call them

1929

01:15:32,930 --> 01:15:31,020

UFOs I call them if those they are

1930

01:15:35,270 --> 01:15:32,940

identified there's something in the

1931

01:15:37,010 --> 01:15:35,280

skies and their communication to us is

1932

01:15:39,350 --> 01:15:37,020

that what we are seeing are scholarships

1933

01:15:41,390 --> 01:15:39,360

as opposed to motherships which housed

1934

01:15:43,310 --> 01:15:41,400

these scholarships they indicate that

1935

01:15:44,209 --> 01:15:43,320

their motherships are hundreds of miles

1936

01:15:46,970 --> 01:15:44,219

long

1937

01:15:49,070 --> 01:15:46,980

it becomes what we call a very science

1938

01:15:50,450 --> 01:15:49,080

fiction phenomena well I think it'd be

1939

01:15:52,189 --> 01:15:50,460

very important to get testable

1940

01:15:54,950 --> 01:15:52,199

information from them if they could give

1941

01:15:56,390 --> 01:15:54,960

us some information that we can then uh

1942

01:15:58,310 --> 01:15:56,400

for instance if they had told us what

1943

01:16:00,470 --> 01:15:58,320

exactly what we'd find on Mars before

1944

01:16:02,570 --> 01:16:00,480

Viking got there that would have been

1945

01:16:04,729 --> 01:16:02,580

beautiful testable information that we

1946

01:16:06,649 --> 01:16:04,739

this is the sort of stuff we need so if

1947

01:16:08,810 --> 01:16:06,659

you are communicating with them please

1948

01:16:10,850 --> 01:16:08,820

ask them to give us something that that

1949

01:16:12,770 --> 01:16:10,860

we don't know about yet all right let me

1950

01:16:14,930 --> 01:16:12,780

give you something just let me give you

1951

01:16:17,209 --> 01:16:14,940

something that they wanted to know okay

1952

01:16:18,709 --> 01:16:17,219

sure they want us to know that we're in

1953

01:16:21,470 --> 01:16:18,719

a tremendous crisis that we're playing

1954

01:16:23,330 --> 01:16:21,480

with toys supposedly that some crazy can

1955

01:16:25,250 --> 01:16:23,340

push a button annihilate our plan we

1956

01:16:26,450 --> 01:16:25,260

know that already all right they know it

1957

01:16:28,669 --> 01:16:26,460

and they know that we know that and

1958

01:16:30,709 --> 01:16:28,679

they're hearing their concern about us

1959

01:16:32,450 --> 01:16:30,719

doing the thing that they're proper they

1960

01:16:34,430 --> 01:16:32,460

don't wish to play games with us they

1961

01:16:36,530 --> 01:16:34,440

don't have to prove their existence they

1962

01:16:37,970 --> 01:16:36,540

want us to prove our own existence

1963

01:16:40,250 --> 01:16:37,980

uh

1964

01:16:41,870 --> 01:16:40,260

chance is always looking for some belief

1965

01:16:45,110 --> 01:16:41,880

then you have to do something doctor

1966

01:16:46,910 --> 01:16:45,120

when you were uh on the uh the movie was

1967

01:16:48,530 --> 01:16:46,920

Sensational there's no question about it

1968

01:16:50,390 --> 01:16:48,540

and awakened a great deal of

1969

01:16:52,250 --> 01:16:50,400

understanding and awareness with

1970

01:16:54,350 --> 01:16:52,260

everyone who's seen it there has to be

1971

01:16:56,510 --> 01:16:54,360

an effect

1972

01:16:57,530 --> 01:16:56,520

the story shows that there had been some

1973

01:16:59,330 --> 01:16:57,540

crap

1974

01:17:01,610 --> 01:16:59,340

just returned to the to the Earth or

1975

01:17:04,430 --> 01:17:01,620

came back into our dimension and then

1976

01:17:07,310 --> 01:17:04,440

after the great big ship came these

1977

01:17:09,110 --> 01:17:07,320

Americans who have now returned

1978

01:17:11,450 --> 01:17:09,120

science fiction story is not an account

1979

01:17:13,570 --> 01:17:11,460

that it's supposedly the that part was

1980

01:17:16,430 --> 01:17:13,580

pure science fiction

1981

01:17:18,229 --> 01:17:16,440

so thank you very much for calling I'll

1982

01:17:19,370 --> 01:17:18,239

see you soon take care all right okay

1983

01:17:20,750 --> 01:17:19,380

we're gonna go to the weather in a

1984

01:17:22,490 --> 01:17:20,760

second if you've been hanging on for a

1985

01:17:23,990 --> 01:17:22,500

long time I really don't care to go on

1986

01:17:26,270 --> 01:17:24,000

there but I do want to report this back

1987

01:17:28,189 --> 01:17:26,280

in 1995. we're on the air right now then

1988

01:17:37,010 --> 01:17:28,199

if you don't care to go on I I will take

1989

01:17:40,010 --> 01:17:37,669

um

1990

01:17:42,290 --> 01:17:40,020

when I was nine and my brother was eight

1991

01:17:43,970 --> 01:17:42,300

they're out in her backyard I normally

1992

01:17:46,669 --> 01:17:43,980

believe this because in our ages this is

1993

01:17:51,169 --> 01:17:46,679

about 10 years ago I think we might have

1994

01:17:53,689 --> 01:17:51,179

had a closer time I don't know we saw uh

1995

01:17:55,729 --> 01:17:53,699

white blue white dot

1996

01:17:57,770 --> 01:17:55,739

outside of the star

1997

01:17:58,669 --> 01:17:57,780

and it seemed to come from off the

1998

01:18:00,410 --> 01:17:58,679

horizon

1999

01:18:03,709 --> 01:18:00,420

to zenith

2000

01:18:05,510 --> 01:18:03,719

uh really quickly a matter of 10 seconds

2001

01:18:07,610 --> 01:18:05,520

or so it wasn't a satellite it wasn't

2002

01:18:09,290 --> 01:18:07,620

meteor it didn't have any Trail

2003

01:18:12,350 --> 01:18:09,300

uh

2004

01:18:14,090 --> 01:18:12,360

got right above us exactly above us and

2005

01:18:15,590 --> 01:18:14,100

we were watching it and it covered there

2006

01:18:19,189 --> 01:18:15,600

for about a second it just seemed to

2007

01:18:20,870 --> 01:18:19,199

stop really suddenly it just stopped

2008

01:18:24,350 --> 01:18:20,880

and um

2009

01:18:26,510 --> 01:18:24,360

then it started to move on again uh it

2010

01:18:29,030 --> 01:18:26,520

didn't if you have any acceleration at

2011

01:18:31,490 --> 01:18:29,040

all or anything you just went from stop

2012

01:18:33,350 --> 01:18:31,500

to start with nothing in between and

2013

01:18:35,810 --> 01:18:33,360

when Institute of horizon meanwhile

2014

01:18:38,689 --> 01:18:35,820

there was a second out where it had been

2015

01:18:41,090 --> 01:18:38,699

and it appeared to be descending and it

2016

01:18:42,770 --> 01:18:41,100

got bigger but not much

2017

01:18:45,770 --> 01:18:42,780

and then it seemed to get smaller isn't

2018

01:18:47,630 --> 01:18:45,780

it then the three small dots it was

2019

01:18:50,570 --> 01:18:47,640

stunning really rapidly and we don't

2020

01:18:52,010 --> 01:18:50,580

recover and uh right between where we've

2021

01:18:53,570 --> 01:18:52,020

been standing three things they might

2022

01:18:56,090 --> 01:18:53,580

have been a meteor

2023

01:18:58,209 --> 01:18:56,100

hit the ground and uh we went out there

2024

01:19:01,550 --> 01:18:58,219

the next day and there were three small

2025

01:19:03,490 --> 01:19:01,560

spots on the ground in the backyard

2026

01:19:06,709 --> 01:19:03,500

the grass it was it was

2027

01:19:08,630 --> 01:19:06,719

Spirit uh popped up and um

2028

01:19:10,729 --> 01:19:08,640

it was supposed to be quiet a little

2029

01:19:12,530 --> 01:19:10,739

triangle was about they were each town

2030

01:19:15,770 --> 01:19:12,540

was about to say

2031

01:19:19,010 --> 01:19:15,780

a half dollar and um for years after

2032

01:19:21,410 --> 01:19:19,020

that nothing ever grew in those spots

2033

01:19:23,390 --> 01:19:21,420

well that's a typical story The the fact

2034

01:19:26,450 --> 01:19:23,400

that nothing grows but did you actually

2035

01:19:27,709 --> 01:19:26,460

see these things uh fall yeah they fell

2036

01:19:30,290 --> 01:19:27,719

right between us we had a very good

2037

01:19:32,510 --> 01:19:30,300

viewers appeared out of our width

2038

01:19:34,189 --> 01:19:32,520

well this that's uh that's quite

2039

01:19:35,950 --> 01:19:34,199

interesting did you report that to

2040

01:19:38,540 --> 01:19:35,960

anybody

2041

01:19:38,570 --> 01:19:38,550

said go to bed you're dreaming

2042

01:19:41,810 --> 01:19:38,580

[Music]

2043

01:19:46,490 --> 01:19:44,450

well it's a little old for that report

2044

01:19:48,649 --> 01:19:46,500

but uh the

2045

01:19:50,570 --> 01:19:48,659

um what is the situation in those spots

2046

01:19:51,890 --> 01:19:50,580

now are they still there we moved out of

2047

01:19:53,689 --> 01:19:51,900

the hawk I don't know I haven't been

2048

01:19:56,270 --> 01:19:53,699

back you should go back and take a look

2049

01:19:57,830 --> 01:19:56,280

and let me know all right as a matter of

2050

01:19:59,270 --> 01:19:57,840

fact why don't you Chronicle your report

2051
01:20:01,070 --> 01:19:59,280
after you go back and look and write it

2052
01:20:02,870 --> 01:20:01,080
write in the letter and send it to Dr

2053
01:20:04,669 --> 01:20:02,880
heineck at the center for UFO studies

2054
01:20:07,030 --> 01:20:04,679
and give you address again it's uh well

2055
01:20:10,490 --> 01:20:07,040
sufficient to say Evanston Illinois

2056
01:20:12,229 --> 01:20:10,500
60202 okay okay thank you okay thank you

2057
01:20:13,550 --> 01:20:12,239
for calling Dr heineck is going to be

2058
01:20:16,850 --> 01:20:13,560
lecturing at Eastern Michigan University

2059
01:20:18,950 --> 01:20:16,860
this afternoon noon at noon time close

2060
01:20:20,450 --> 01:20:18,960
encounter do these things teach you

2061
01:20:22,870 --> 01:20:20,460
anything do you learn anything every bit

2062
01:20:25,189 --> 01:20:22,880
of information helps I suppose

2063
01:20:27,110 --> 01:20:25,199

we need to get this information because

2064

01:20:28,850 --> 01:20:27,120

otherwise what do we we have to have

2065

01:20:30,649 --> 01:20:28,860

data to work with okay all right go

2066

01:20:32,270 --> 01:20:30,659

ahead you're on the air yes I had a

2067

01:20:37,010 --> 01:20:32,280

close encounter when I was in my early

2068

01:20:38,870 --> 01:20:37,020

teens around 1950 657. our Mirror Lake

2069

01:20:40,370 --> 01:20:38,880

near Ann Arbor and we are visiting

2070

01:20:42,470 --> 01:20:40,380

friends and we had gone outside we've

2071

01:20:45,410 --> 01:20:42,480

been inside and we went outside and we

2072

01:20:47,450 --> 01:20:45,420

saw this dot in the sky a light just you

2073

01:20:50,270 --> 01:20:47,460

know one light it was moving very fast

2074

01:20:53,030 --> 01:20:50,280

it was coming from the southwest headed

2075

01:20:54,890 --> 01:20:53,040

toward the Northeast and uh the man that

2076

01:20:57,470 --> 01:20:54,900

we were visiting was a doctor and had

2077

01:20:59,149 --> 01:20:57,480

been a doctor in the Navy and he had a

2078

01:21:01,010 --> 01:20:59,159

pair of really excellent binoculars so

2079

01:21:03,709 --> 01:21:01,020

he went in and got them we looked

2080

01:21:06,229 --> 01:21:03,719

through the binoculars and we saw a

2081

01:21:08,990 --> 01:21:06,239

saucer with the Dome with a slight Haze

2082

01:21:10,970 --> 01:21:09,000

on it moving very fast in in the

2083

01:21:12,770 --> 01:21:10,980

direction that I just mentioned and

2084

01:21:15,169 --> 01:21:12,780

after we saw everybody sat there

2085

01:21:16,370 --> 01:21:15,179

absolutely in shock he went in and

2086

01:21:20,390 --> 01:21:16,380

called the sheriff's department for

2087

01:21:22,250 --> 01:21:20,400

Marshall County and they had had swamped

2088

01:21:30,669 --> 01:21:22,260

with claws that evening about an

2089

01:21:35,450 --> 01:21:33,590

but I have to correct you on one point I

2090

01:21:37,669 --> 01:21:35,460

would not classify as a close encounter

2091

01:21:39,709 --> 01:21:37,679

a close encounter history within say 500

2092

01:21:41,510 --> 01:21:39,719

feet right well I was thinking more on

2093

01:21:43,490 --> 01:21:41,520

the line of an unidentified flying

2094

01:21:44,930 --> 01:21:43,500

objects right right something that would

2095

01:21:46,490 --> 01:21:44,940

identify

2096

01:21:48,430 --> 01:21:46,500

well that's an interesting case but it's

2097

01:21:50,930 --> 01:21:48,440

a little far off

2098

01:21:52,850 --> 01:21:50,940

I think that was

2099

01:21:54,649 --> 01:21:52,860

the man at the sheriff's department

2100

01:21:57,470 --> 01:21:54,659

mentioned that that most people had seen

2101

01:22:00,050 --> 01:21:57,480

it through binoculars so

2102

01:22:04,010 --> 01:22:00,060

um but it was interesting anyway thank

2103

01:22:05,870 --> 01:22:04,020

you very much bye-bye how come that we

2104

01:22:07,490 --> 01:22:05,880

seem to be getting so many reports this

2105

01:22:10,490 --> 01:22:07,500

morning of sightings in the Ann Arbor

2106

01:22:12,950 --> 01:22:10,500

area why would that be well we're in the

2107

01:22:15,410 --> 01:22:12,960

Ann Arbor area not really and the Ann

2108

01:22:18,110 --> 01:22:15,420

Arbor area is a very very tiny uh

2109

01:22:20,810 --> 01:22:18,120

portion of this metropolitan area well

2110

01:22:24,110 --> 01:22:20,820

that's uh that's a point I don't know

2111

01:22:25,490 --> 01:22:24,120

the answer to that okay can I take you

2112

01:22:28,070 --> 01:22:25,500

out of the role of a scientist for just

2113

01:22:29,930 --> 01:22:28,080

a moment okay let me put you into the

2114

01:22:32,270 --> 01:22:29,940

role of a man who has been observing

2115

01:22:34,310 --> 01:22:32,280

studying UFOs for a great number of

2116

01:22:35,990 --> 01:22:34,320

years now and ask you

2117

01:22:38,050 --> 01:22:36,000

to make a couple of

2118

01:22:40,450 --> 01:22:38,060

logical

2119

01:22:44,209 --> 01:22:40,460

extrapolations from all this information

2120

01:22:45,709 --> 01:22:44,219

and project what you think all of this

2121

01:22:47,570 --> 01:22:45,719

might mean

2122

01:22:50,689 --> 01:22:47,580

well first of all

2123

01:22:52,850 --> 01:22:50,699

when one gets rid of all the static the

2124

01:22:54,770 --> 01:22:52,860

noise the Krug separates as best he can

2125

01:22:56,870 --> 01:22:54,780

the wheat from the chaff

2126
01:22:59,330 --> 01:22:56,880
there's very little wheat left I mean

2127
01:23:01,310 --> 01:22:59,340
there's the the number of really solid

2128
01:23:02,810 --> 01:23:01,320
cases are certainly the minority but

2129
01:23:05,149 --> 01:23:02,820
they are there

2130
01:23:06,350 --> 01:23:05,159
now those if you want them to

2131
01:23:09,169 --> 01:23:06,360
extrapolate

2132
01:23:11,209 --> 01:23:09,179
those do represent if you were to

2133
01:23:12,410 --> 01:23:11,219
believe them at all represent some form

2134
01:23:14,270 --> 01:23:12,420
of intelligence

2135
01:23:16,630 --> 01:23:14,280
but where this intelligence is from

2136
01:23:19,130 --> 01:23:16,640
whether it is some great distances away

2137
01:23:20,990 --> 01:23:19,140
whether it is much closer or whether as

2138
01:23:23,090 --> 01:23:21,000

some psychologists believe it may be

2139

01:23:25,669 --> 01:23:23,100

some product of our own intelligence

2140

01:23:27,890 --> 01:23:25,679

some psychic projection from as Jung

2141

01:23:31,070 --> 01:23:27,900

said from the collective unconscious

2142

01:23:33,590 --> 01:23:31,080

that's hard to see because

2143

01:23:36,229 --> 01:23:33,600

um the some of the best reports involve

2144

01:23:38,030 --> 01:23:36,239

physical traces burns on the ground and

2145

01:23:39,590 --> 01:23:38,040

radar observations and things of that

2146

01:23:41,030 --> 01:23:39,600

sort tough for imagination to do that

2147

01:23:42,530 --> 01:23:41,040

yeah it'd be tough for imagination to do

2148

01:23:43,130 --> 01:23:42,540

that and uh

2149

01:23:44,990 --> 01:23:43,140

um

2150

01:23:48,050 --> 01:23:45,000

it would be nice to theorize and

2151
01:23:50,390 --> 01:23:48,060
speculate but I can't stop being a

2152
01:23:51,950 --> 01:23:50,400
scientist I simply will not extract me

2153
01:23:54,350 --> 01:23:51,960
to the point and say that I think it is

2154
01:23:57,649 --> 01:23:54,360
this or that any more than if I were a

2155
01:24:00,770 --> 01:23:57,659
doctor a p uh a medical doctor I would

2156
01:24:02,990 --> 01:24:00,780
say the um I have a cure for cancer an

2157
01:24:05,090 --> 01:24:03,000
absolute positive cure for cancer and I

2158
01:24:08,330 --> 01:24:05,100
don't and I don't have an answer to the

2159
01:24:10,550 --> 01:24:08,340
UFO problem either it it does seem to

2160
01:24:12,669 --> 01:24:10,560
you however if I read you correctly that

2161
01:24:14,870 --> 01:24:12,679
that it is

2162
01:24:16,729 --> 01:24:14,880
directed by some sort of intelligence

2163
01:24:19,189 --> 01:24:16,739

apparently yeah

2164

01:24:22,310 --> 01:24:19,199

and that that seems to be the case and

2165

01:24:25,189 --> 01:24:22,320

the difficulty is that the subject has

2166

01:24:27,229 --> 01:24:25,199

not been treated professionally uh over

2167

01:24:29,390 --> 01:24:27,239

the last 30 years it's we've had a

2168

01:24:30,830 --> 01:24:29,400

carnival of buffoonery in the thing and

2169

01:24:33,649 --> 01:24:30,840

for good reason because the great

2170

01:24:36,530 --> 01:24:33,659

majority of the reports are nonsense the

2171

01:24:39,709 --> 01:24:36,540

cases that are really interesting are so

2172

01:24:41,209 --> 01:24:39,719

bizarre that it's much easier to try to

2173

01:24:42,590 --> 01:24:41,219

sweep them under the carpet and then we

2174

01:24:45,110 --> 01:24:42,600

are troubled by the Kooks and the

2175

01:24:47,570 --> 01:24:45,120

crackpots and the dinglings who insist

2176
01:24:50,390 --> 01:24:47,580
on muddying up the waters tremendously

2177
01:24:53,149 --> 01:24:50,400
with their utterly fantastic and stupid

2178
01:24:55,550 --> 01:24:53,159
I would say theories how it appeals to

2179
01:24:57,229 --> 01:24:55,560
them obviously

2180
01:24:59,450 --> 01:24:57,239
you know

2181
01:25:00,649 --> 01:24:59,460
I'd like to just crawl underneath your

2182
01:25:02,689 --> 01:25:00,659
skin and know what you really feel

2183
01:25:04,370 --> 01:25:02,699
you're very very careful about how you

2184
01:25:06,709 --> 01:25:04,380
put things and what you say you should

2185
01:25:09,290 --> 01:25:06,719
be I guess you have to remain detached

2186
01:25:11,570 --> 01:25:09,300
and as objective as you can be I if I

2187
01:25:14,149 --> 01:25:11,580
lose my sign to be credibility I'm I'm

2188
01:25:16,510 --> 01:25:14,159

gone and I I there's enough nuts in this

2189

01:25:19,910 --> 01:25:16,520

world so I don't want to join that group

2190

01:25:22,970 --> 01:25:19,920

as an astronomer and understanding how

2191

01:25:25,850 --> 01:25:22,980

large this universe is it does it make

2192

01:25:27,890 --> 01:25:25,860

sense to you that somewhere that there

2193

01:25:29,930 --> 01:25:27,900

must be by the uh by the law of

2194

01:25:32,870 --> 01:25:29,940

probability figuring the incredible

2195

01:25:34,610 --> 01:25:32,880

number of planets there are there must

2196

01:25:37,070 --> 01:25:34,620

be some other intelligent beings

2197

01:25:38,870 --> 01:25:37,080

somewhere the the question you see of

2198

01:25:41,030 --> 01:25:38,880

the astronomer let me give you a little

2199

01:25:42,709 --> 01:25:41,040

model suppose we made a model of

2200

01:25:44,450 --> 01:25:42,719

everything that

2201

01:25:46,550 --> 01:25:44,460

that the astronomer can today see

2202

01:25:48,410 --> 01:25:46,560

through the telescopes I suppose we made

2203

01:25:49,850 --> 01:25:48,420

that model now as large as the United

2204

01:25:51,470 --> 01:25:49,860

States

2205

01:25:53,570 --> 01:25:51,480

then that would put us someplace in

2206

01:25:55,189 --> 01:25:53,580

Kansas and we let New York be as far as

2207

01:25:56,930 --> 01:25:55,199

out as we can see in One Direction in

2208

01:25:59,030 --> 01:25:56,940

San Francisco as far as hours we can see

2209

01:26:01,669 --> 01:25:59,040

in the other then on that scale in this

2210

01:26:03,350 --> 01:26:01,679

model the Earth would not be visible

2211

01:26:05,570 --> 01:26:03,360

even in the world's most powerful

2212

01:26:07,129 --> 01:26:05,580

electron microscope now it is

2213

01:26:09,410 --> 01:26:07,139

preposterous to think that there's some

2214

01:26:11,750 --> 01:26:09,420

sub-microscopic Speck in Kansas is the

2215

01:26:13,430 --> 01:26:11,760

only thing on this model that represents

2216

01:26:15,110 --> 01:26:13,440

life between New York and San Francisco

2217

01:26:17,810 --> 01:26:15,120

would make it would make us absolute

2218

01:26:19,910 --> 01:26:17,820

Cosmic freaks your colleagues agree with

2219

01:26:21,350 --> 01:26:19,920

you completely on that absolutely you

2220

01:26:24,530 --> 01:26:21,360

are convinced there are then there are

2221

01:26:27,050 --> 01:26:24,540

many intelligent uh planets maybe entire

2222

01:26:30,770 --> 01:26:27,060

systems are tremendous we can't prove it

2223

01:26:32,689 --> 01:26:30,780

but uh that's there it I think it is

2224

01:26:34,250 --> 01:26:32,699

would be terribly egotistical to think

2225

01:26:36,530 --> 01:26:34,260

that we are the highest intelligences in

2226

01:26:38,270 --> 01:26:36,540

this entire universe but see the problem

2227

01:26:41,149 --> 01:26:38,280

is not and I think we can close on this

2228

01:26:44,209 --> 01:26:41,159

this statement that the question is not

2229

01:26:46,610 --> 01:26:44,219

Are UFOs visitors from outer space but

2230

01:26:48,950 --> 01:26:46,620

the question is what are UFOs

2231

01:26:50,209 --> 01:26:48,960

two different questions Dr hey thank you

2232

01:26:52,970 --> 01:26:50,219

very much for being with us this morning

2233

01:26:55,129 --> 01:26:52,980

fascinating these past three hours went

2234

01:26:57,350 --> 01:26:55,139

by like lightning I remind you again

2235

01:27:01,490 --> 01:26:57,360

that you can write for the international

2236

01:27:04,250 --> 01:27:01,500

UFO reporter the magazine monthly review

2237

01:27:05,930 --> 01:27:04,260

put out on UFO information by Dr heinek

2238

01:27:09,050 --> 01:27:05,940

and his colleagues in the center for UFO

2239

01:27:12,050 --> 01:27:09,060

studies just simply by writing to UFO

2240

01:27:15,770 --> 01:27:12,060

reporter uh Evanston Illinois and the

2241

01:27:17,810 --> 01:27:15,780

zip code is 60202 cost a dollar copy 12

2242

01:27:19,129 --> 01:27:17,820

a year for a subscription thank you
