

1
00:00:04,550 --> 00:00:03,470
and she and her husband and it met this

2
00:00:08,290 --> 00:00:04,560
uh

3
00:00:11,570 --> 00:00:08,300
very interesting little lady

4
00:00:13,730 --> 00:00:11,580
uh who uh had come to the meeting

5
00:00:16,310 --> 00:00:13,740
because she had begun to remember and

6
00:00:17,150 --> 00:00:16,320
experience that she felt she had to deal

7
00:00:20,929 --> 00:00:17,160
with

8
00:00:23,630 --> 00:00:20,939
uh that she wanted to talk to somebody

9
00:00:26,509 --> 00:00:23,640
she had seen some

10
00:00:29,330 --> 00:00:26,519
video footage of starving children in

11
00:00:31,189 --> 00:00:29,340
Somalia or something like that and they

12
00:00:33,229 --> 00:00:31,199
looked to have very large heads because

13
00:00:36,650 --> 00:00:33,239

the body was so emaciated

14

00:00:38,690 --> 00:00:36,660

and she suddenly remembered something

15

00:00:40,490 --> 00:00:38,700

that she'd sort of try to put out of her

16

00:00:42,290 --> 00:00:40,500

mind for years seeing these little

17

00:00:44,290 --> 00:00:42,300

bodies back when she was a young woman

18

00:00:45,910 --> 00:00:44,300

in her 20s

19

00:01:03,170 --> 00:00:45,920

a

20

00:01:06,649 --> 00:01:03,180

now

21

00:01:09,170 --> 00:01:06,659

story that she told and let her tell it

22

00:01:11,450 --> 00:01:09,180

her own words on on tape but essentially

23

00:01:12,850 --> 00:01:11,460

it was this that she wrote in the

24

00:01:15,350 --> 00:01:12,860

ambulance

25

00:01:17,810 --> 00:01:15,360

Whenever there was a call an emergency

26
00:01:20,090 --> 00:01:17,820
it was a tiny little Hospital you will

27
00:01:23,210 --> 00:01:20,100
see it cement brick building

28
00:01:25,490 --> 00:01:23,220
and as I mentioned at the beginning that

29
00:01:26,990 --> 00:01:25,500
that received a call that there was an

30
00:01:29,330 --> 00:01:27,000
accident that was all nothing was

31
00:01:34,969 --> 00:01:29,340
explained and the directions how to get

32
00:01:38,270 --> 00:01:36,770
um or his son she couldn't remember it

33
00:01:40,730 --> 00:01:38,280
was the Father's son one or the other

34
00:01:43,310 --> 00:01:40,740
would drive the ambulance they went out

35
00:01:45,770 --> 00:01:43,320
and that's where they saw these state

36
00:01:48,410 --> 00:01:45,780
troopers cars parked up in the field

37
00:01:50,870 --> 00:01:48,420
pretty Barren area there's nothing there

38
00:01:52,249 --> 00:01:50,880

and when they drove up that's when they

39

00:01:53,749 --> 00:01:52,259

got out of the ambulance and saw these

40

00:01:56,990 --> 00:01:53,759

bodies

41

00:02:00,109 --> 00:01:57,000

and uh she asked as I mentioned you know

42

00:02:02,630 --> 00:02:00,119

we're their parents

43

00:02:07,010 --> 00:02:02,640

well any rate what happened very quickly

44

00:02:08,949 --> 00:02:07,020

is that they bundled up the bodies and

45

00:02:11,630 --> 00:02:08,959

took them two of them on them

46

00:02:13,670 --> 00:02:11,640

Gertie and the other one in the

47

00:02:16,729 --> 00:02:13,680

stretcher put them in the back of the

48

00:02:19,610 --> 00:02:16,739

ambulance took them back to the hospital

49

00:02:21,890 --> 00:02:19,620

and the state troopers had alerted the

50

00:02:23,930 --> 00:02:21,900

Air Force at that point

51
00:02:26,750 --> 00:02:23,940
now these are people who were and this

52
00:02:28,369 --> 00:02:26,760
is you know in in the 60s I believe the

53
00:02:30,830 --> 00:02:28,379
year was 66 now

54
00:02:32,869 --> 00:02:30,840
this was a time when of course the cold

55
00:02:36,410 --> 00:02:32,879
war was in full swing the war in Vietnam

56
00:02:38,869 --> 00:02:36,420
these people are very patriotic and

57
00:02:42,610 --> 00:02:38,879
so what happened was when the Air Force

58
00:02:49,009 --> 00:02:46,070
and came in and removed the bodies which

59
00:02:51,290 --> 00:02:49,019
she had already x-rayed

60
00:02:53,809 --> 00:02:51,300
they took the x-rays

61
00:02:55,790 --> 00:02:53,819
they took every scrap of everything you

62
00:02:56,990 --> 00:02:55,800
could imagine there that pertained to

63
00:02:58,970 --> 00:02:57,000

this incident

64

00:03:01,309 --> 00:02:58,980

and they were told

65

00:03:02,509 --> 00:03:01,319

this did not happen you were not to

66

00:03:04,729 --> 00:03:02,519

remember it

67

00:03:06,430 --> 00:03:04,739

the government has a long arm they were

68

00:03:09,530 --> 00:03:06,440

quite intimidated

69

00:03:11,750 --> 00:03:09,540

and apparently the bodies were only

70

00:03:14,750 --> 00:03:11,760

viewed by the Doctor Who's no longer

71

00:03:17,630 --> 00:03:14,760

alive at the hospital herself the

72

00:03:20,270 --> 00:03:17,640

ambulance driver who seems to have been

73

00:03:21,649 --> 00:03:20,280

if it was the father also no longer

74

00:03:24,350 --> 00:03:21,659

living

75

00:03:25,369 --> 00:03:24,360

but in terms of trying to run down other

76
00:03:27,710 --> 00:03:25,379
people

77
00:03:30,229 --> 00:03:27,720
there seems to be one loose witness

78
00:03:33,050 --> 00:03:30,239
we're still trying to locate

79
00:03:36,830 --> 00:03:33,060
in trying to uh

80
00:03:40,430 --> 00:03:36,840
run down any possibilities here

81
00:03:42,289 --> 00:03:40,440
we visited the Widow of the man who

82
00:03:44,270 --> 00:03:42,299
owned the ambulance and was probably the

83
00:03:46,550 --> 00:03:44,280
one who drove the ambulance and this

84
00:03:48,890 --> 00:03:46,560
Widow even though her husband never told

85
00:03:52,930 --> 00:03:48,900
her anything about the incident

86
00:03:56,390 --> 00:03:52,940
uh because he was warned in the same way

87
00:03:59,030 --> 00:03:56,400
she said that she well remembers that

88
00:04:00,770 --> 00:03:59,040

that afternoon the Air Force showed up

89

00:04:04,670 --> 00:04:00,780

and stripped the ambulance of everything

90

00:04:07,130 --> 00:04:04,680

on the back in inside the any sheet

91

00:04:09,470 --> 00:04:07,140

object piece of paper anything

92

00:04:11,809 --> 00:04:09,480

and she said I remember we we never got

93

00:04:13,089 --> 00:04:11,819

paid by anybody for making the run on

94

00:04:16,009 --> 00:04:13,099

top of that

95

00:04:19,909 --> 00:04:16,019

she was a very believable witness and

96

00:04:21,229 --> 00:04:19,919

her son was the son of the it could have

97

00:04:23,030 --> 00:04:21,239

been one of the aimless drivers but

98

00:04:24,650 --> 00:04:23,040

turns out wasn't

99

00:04:26,990 --> 00:04:24,660

said that what at the time he

100

00:04:28,430 --> 00:04:27,000

moonlighted as a police dispatcher and

101
00:04:32,770 --> 00:04:28,440
he remembers talk

102
00:04:36,530 --> 00:04:32,780
at the time of alien bodies

103
00:04:38,390 --> 00:04:36,540
so there is a surrounding group of

104
00:04:40,689 --> 00:04:38,400
people who can attest to at least parts

105
00:04:43,370 --> 00:04:40,699
of this so if we can have the tape now

106
00:04:46,730 --> 00:04:43,380
you will see the beanie story this is

107
00:04:49,010 --> 00:04:46,740
not something that has been finished in

108
00:04:58,909 --> 00:04:49,020
an absolute way my wife is working on

109
00:04:58,919 --> 00:05:03,290
okay

110
00:05:10,010 --> 00:05:06,170
where where the technician who wrote in

111
00:05:14,090 --> 00:05:12,110
yeah phone call like the phone call for

112
00:05:16,310 --> 00:05:14,100
this incident would have come to the

113
00:05:18,710 --> 00:05:16,320

hospital from the police if that's yeah

114

00:05:20,210 --> 00:05:18,720

and then they just told you what what do

115

00:05:23,689 --> 00:05:20,220

you remember they said it this way they

116

00:05:29,150 --> 00:05:26,270

have you you had an idea that there was

117

00:05:31,249 --> 00:05:29,160

anything unusual about it yes sir but we

118

00:05:33,170 --> 00:05:31,259

had to walk a half a mile up today would

119

00:05:36,650 --> 00:05:33,180

you have a kind of a wheel Gurney or or

120

00:05:37,909 --> 00:05:36,660

right yeah so then you and what you've

121

00:05:40,090 --> 00:05:37,919

been looking at when you were walking

122

00:05:43,070 --> 00:05:40,100

towards it what were you seeing exactly

123

00:05:45,350 --> 00:05:43,080

just Prairie as far as but I mean you

124

00:05:48,290 --> 00:05:45,360

saw two police cars yeah yeah

125

00:05:51,350 --> 00:05:48,300

and then when I got up there you could

126

00:05:54,050 --> 00:05:51,360

see this craft kind of crying up it

127

00:05:57,050 --> 00:05:54,060

looked like when it come down one half

128

00:05:59,090 --> 00:05:57,060

of it was just slight you know just into

129

00:06:00,890 --> 00:05:59,100

the mountain and the other half was

130

00:06:04,730 --> 00:06:00,900

sticking out

131

00:06:07,370 --> 00:06:04,740

and uh the first thing you saw then

132

00:06:09,529 --> 00:06:07,380

beyond that were the bodies yeah because

133

00:06:11,450 --> 00:06:09,539

they were I was uh I guess the state

134

00:06:14,090 --> 00:06:11,460

policeman told them that they were

135

00:06:16,129 --> 00:06:14,100

laying on the ground and like I said I

136

00:06:17,450 --> 00:06:16,139

thought it was three children when I

137

00:06:19,070 --> 00:06:17,460

first talked in there and I said well

138

00:06:21,890 --> 00:06:19,080

where are the parents did they go for

139

00:06:24,469 --> 00:06:21,900

help and they said no we don't know what

140

00:06:26,990 --> 00:06:24,479

we've got here and when I couldn't find

141

00:06:30,050 --> 00:06:27,000

a false for a blood pressure or anything

142

00:06:32,390 --> 00:06:30,060

on them I said let's go back to town I

143

00:06:49,029 --> 00:06:32,400

don't know what we've got either so we

144

00:06:54,110 --> 00:06:52,090

well it says emergency there

145

00:06:57,110 --> 00:06:54,120

you think that's about where they

146

00:07:04,029 --> 00:06:57,120

brought them in before yeah okay well

147

00:07:09,430 --> 00:07:06,409

pull in

148

00:07:16,490 --> 00:07:13,010

straight into the X-ray

149

00:07:19,129 --> 00:07:16,500

Ted that little sister or something come

150

00:07:22,309 --> 00:07:19,139

after us because things are number one I

151
00:07:27,170 --> 00:07:22,319
come on were two on a stretch yeah and I

152
00:07:29,150 --> 00:07:27,180
didn't usually do that yeah and uh she

153
00:07:31,909 --> 00:07:29,160
was pretty curious as to what was going

154
00:07:34,309 --> 00:07:31,919
on yeah and then Dr Young would come in

155
00:07:36,409 --> 00:07:34,319
and he was the one that examined them

156
00:07:38,629 --> 00:07:36,419
and how tall would you say they would

157
00:07:40,670 --> 00:07:38,639
have been you said children Let's uh I'd

158
00:07:42,529 --> 00:07:40,680
say that um

159
00:07:44,270 --> 00:07:42,539
they were between three and four three

160
00:07:47,450 --> 00:07:44,280
times

161
00:07:50,330 --> 00:07:47,460
and uh let's get a little description

162
00:07:53,830 --> 00:07:50,340
now what what uh I remember how bad it

163
00:08:00,890 --> 00:07:57,890

and remember I told you about the uh

164

00:08:02,809 --> 00:08:00,900

they had kind of their suits or their

165

00:08:05,749 --> 00:08:02,819

coveralls or whatever you want to call

166

00:08:08,150 --> 00:08:05,759

them was made out of something like

167

00:08:10,490 --> 00:08:08,160

Awning or something we couldn't cut it

168

00:08:13,370 --> 00:08:10,500

with manual scissors and the only way we

169

00:08:15,430 --> 00:08:13,380

got it Dutch had a knife and we got it

170

00:08:19,309 --> 00:08:15,440

nicked in and ripped it

171

00:08:22,089 --> 00:08:19,319

and they did not have ears per se and

172

00:08:26,089 --> 00:08:22,099

they did not have noses per se they had

173

00:08:30,230 --> 00:08:26,099

orifices and that's about it with their

174

00:08:31,670 --> 00:08:30,240

faces uh badly burnt uh one of them was

175

00:08:34,909 --> 00:08:31,680

really

176

00:08:36,829 --> 00:08:34,919

you could see a whole one if you put the

177

00:08:40,190 --> 00:08:36,839

three of them together you know what I'm

178

00:08:42,909 --> 00:08:40,200

trying to say yeah and with the flesh

179

00:08:46,430 --> 00:08:42,919

blackened from from the fire oh yeah

180

00:08:48,230 --> 00:08:46,440

uh now where they had the suits on we

181

00:08:50,030 --> 00:08:48,240

don't know because when we come off with

182

00:08:52,430 --> 00:08:50,040

the suits their inflation couldn't so

183

00:08:55,550 --> 00:08:52,440

cooked that part of it come off with the

184

00:08:58,490 --> 00:08:55,560

suits yeah the uh let's take the the the

185

00:09:00,410 --> 00:08:58,500

limbs the the hand the first and singers

186

00:09:04,310 --> 00:09:00,420

I only had three fingers they didn't

187

00:09:06,110 --> 00:09:04,320

have a thumb they just had like three uh

188

00:09:09,530 --> 00:09:06,120

about like that um

189

00:09:13,610 --> 00:09:09,540

pain with a shorter longer same size as

190

00:09:13,620 --> 00:09:17,889

they weren't stubby

191

00:09:22,370 --> 00:09:20,030

more or less

192

00:09:25,130 --> 00:09:22,380

and I don't imagine you got to look at

193

00:09:27,470 --> 00:09:25,140

their feet yeah they had they were their

194

00:09:30,110 --> 00:09:27,480

feet was built kind of in the same way

195

00:09:32,210 --> 00:09:30,120

but now their feet all were burned yeah

196

00:09:35,690 --> 00:09:32,220

but it looked like they had three

197

00:09:37,610 --> 00:09:35,700

appendages instead of five or six or

198

00:09:39,290 --> 00:09:37,620

whatever how long do you think it took

199

00:09:42,110 --> 00:09:39,300

the Air Force to get there after you

200

00:09:44,329 --> 00:09:42,120

brought them in the police operator or

201
00:09:45,949 --> 00:09:44,339
the dispatcher called the hospital and

202
00:09:49,030 --> 00:09:45,959
he said I've already notified the Air

203
00:09:53,030 --> 00:09:49,040
Force they'll be here in so many minutes

204
00:09:55,910 --> 00:09:53,040
and right then I thought oh hell you

205
00:09:57,889 --> 00:09:55,920
know because when they come in they

206
00:10:01,130 --> 00:09:57,899
demand your full attention they don't

207
00:10:03,829 --> 00:10:01,140
care what you've got going otherwise you

208
00:10:06,230 --> 00:10:03,839
know but because we work back at the

209
00:10:08,870 --> 00:10:06,240
hospital very long and I bet they broke

210
00:10:11,630 --> 00:10:08,880
speed limit Because by the time they

211
00:10:14,449 --> 00:10:11,640
pulled up and they brought one staff car

212
00:10:17,750 --> 00:10:14,459
from Clovis they brought two staff cars

213
00:10:19,670 --> 00:10:17,760

and an 18 wheeler out of Albuquerque I

214

00:10:21,170 --> 00:10:19,680

remember that because they just took

215

00:10:23,150 --> 00:10:21,180

over the whole back well how do you know

216

00:10:24,590 --> 00:10:23,160

they came from Albuquerque huh because

217

00:10:26,810 --> 00:10:24,600

they said they were oh they said they

218

00:10:29,509 --> 00:10:26,820

were sometimes they ought to come in and

219

00:10:31,490 --> 00:10:29,519

show their ID you know I got irritated

220

00:10:34,670 --> 00:10:31,500

with them when they started picking

221

00:10:37,430 --> 00:10:34,680

stuff up because they they even uh well

222

00:10:40,130 --> 00:10:37,440

they wanted even my x-ray they wanted to

223

00:10:41,930 --> 00:10:40,140

take the wet X-rays and I said no let me

224

00:10:44,389 --> 00:10:41,940

get them dry this was back in the days

225

00:10:48,230 --> 00:10:44,399

before automatic processors and dryers

226

00:10:50,590 --> 00:10:48,240

and stuff so I got them dry you know or

227

00:10:53,389 --> 00:10:50,600

you've been in the text

228

00:10:55,730 --> 00:10:53,399

we used to park the ambulances down

229

00:10:58,610 --> 00:10:55,740

underneath there were those big garage

230

00:11:00,590 --> 00:10:58,620

doors were they even went down there and

231

00:11:03,610 --> 00:11:00,600

they picked up everything they could

232

00:11:06,590 --> 00:11:03,620

even the sheets that I had over the body

233

00:11:08,810 --> 00:11:06,600

they didn't leave us enough

234

00:11:11,630 --> 00:11:08,820

at the ambulance company was owned by

235

00:11:15,110 --> 00:11:11,640

the Johnsons and what kind of ambulance

236

00:11:18,710 --> 00:11:15,120

was it it was a 63 Ford converted uh

237

00:11:21,170 --> 00:11:18,720

station wagon back then all we had

238

00:11:24,590 --> 00:11:21,180

a rolling emergency room like they've

239

00:11:26,509 --> 00:11:24,600

got now back then we had uh a lot of

240

00:11:36,230 --> 00:11:26,519

speed and a little bit of oxygen and

241

00:11:40,870 --> 00:11:38,509

right I mean they had a hole and

242

00:11:45,230 --> 00:11:40,880

everything how did they move the bodies

243

00:11:47,389 --> 00:11:45,240

from the uh like I said they had like a

244

00:11:49,069 --> 00:11:47,399

rock box and they brought them they

245

00:11:52,250 --> 00:11:49,079

brought the boxes in and loaded them

246

00:11:54,470 --> 00:11:52,260

right off of my x-ray table right into

247

00:12:07,250 --> 00:11:54,480

these boxes and took the boxes out to

248

00:12:15,650 --> 00:12:09,590

but it looked like something they were

249

00:12:19,910 --> 00:12:17,150

it really is important

250

00:12:22,810 --> 00:12:19,920

if it happened do you remember what we

251

00:12:26,630 --> 00:12:22,820

came here for before yeah

252

00:12:29,630 --> 00:12:26,640

and either your husband or your son was

253

00:12:32,150 --> 00:12:29,640

driving the ambulance that's um we never

254

00:12:35,090 --> 00:12:32,160

decided which one was right probably so

255

00:12:37,370 --> 00:12:35,100

no I think it was Jimmy and I think

256

00:12:39,410 --> 00:12:37,380

Walter scared he was bad with that tape

257

00:12:41,870 --> 00:12:39,420

recorder and all he didn't want to admit

258

00:12:44,569 --> 00:12:41,880

it so I remember before you said you

259

00:12:47,329 --> 00:12:44,579

remembered some conversation well I

260

00:12:51,050 --> 00:12:47,339

remember of course I kept books

261

00:12:53,090 --> 00:12:51,060

and well remember the last time we were

262

00:12:55,069 --> 00:12:53,100

here Jimmy took us down to the warehouse

263

00:12:56,930 --> 00:12:55,079

and he let us get your old Journal out

264

00:12:59,150 --> 00:12:56,940

you know your long run

265

00:13:02,449 --> 00:12:59,160

and I still say there's two pages

266

00:13:04,610 --> 00:13:02,459

missing well it's all gone and now I

267

00:13:05,990 --> 00:13:04,620

sold the warehouse oh you did it was got

268

00:13:08,030 --> 00:13:06,000

it now

269

00:13:10,730 --> 00:13:08,040

Gilbert Trump was the one that has the

270

00:13:12,949 --> 00:13:10,740

grocery store oh okay someone broke to

271

00:13:14,690 --> 00:13:12,959

remember about right off he got so upset

272

00:13:17,030 --> 00:13:14,700

because he thought the Air Force up

273

00:13:20,750 --> 00:13:17,040

overstep their bounds didn't he remember

274

00:13:22,790 --> 00:13:20,760

and I remember that you remember that

275

00:13:25,610 --> 00:13:22,800

that they ever even talking about it

276
00:13:27,670 --> 00:13:25,620
yeah they were what were they doing that

277
00:13:30,590 --> 00:13:27,680
you remember that yeah

278
00:13:32,569 --> 00:13:30,600
I think the Air Force came in and took

279
00:13:34,250 --> 00:13:32,579
over and they oh yeah they picked that

280
00:13:38,329 --> 00:13:34,260
ambulance

281
00:13:41,090 --> 00:13:38,339
everything but I just remember that he

282
00:13:43,250 --> 00:13:41,100
was upset he was upset about it remember

283
00:13:45,530 --> 00:13:43,260
I never started the chart until I got

284
00:13:48,050 --> 00:13:45,540
back here to where there was a doctor I

285
00:13:50,930 --> 00:13:48,060
just used scrap paper boy

286
00:13:53,629 --> 00:13:50,940
cleared that out in a minute but do you

287
00:13:56,329 --> 00:13:53,639
remember uh anybody saying anything

288
00:13:59,389 --> 00:13:56,339

about aliens nobody's

289

00:14:01,430 --> 00:13:59,399

I don't remember you back

290

00:14:03,410 --> 00:14:01,440

you know keeping the books the mood I'm

291

00:14:04,490 --> 00:14:03,420

talking about just you know if you

292

00:14:07,550 --> 00:14:04,500

didn't think if you had any business

293

00:14:10,069 --> 00:14:07,560

just coming in and why did he think uh

294

00:14:11,990 --> 00:14:10,079

why did you think the air force uh I

295

00:14:14,930 --> 00:14:12,000

didn't give it another thought I'd gone

296

00:14:19,790 --> 00:14:14,940

through it used to these

297

00:14:22,790 --> 00:14:19,800

great situations that you know and

298

00:14:26,389 --> 00:14:22,800

Jimmy discussing it but not it didn't

299

00:14:28,550 --> 00:14:26,399

until but but he he asked him is that it

300

00:14:31,009 --> 00:14:28,560

for records of Secrets well they did

301
00:14:33,170 --> 00:14:31,019
take the trip ticket remember yeah they

302
00:14:35,509 --> 00:14:33,180
did it took that yeah they took and

303
00:14:36,590 --> 00:14:35,519
that's when he really got upset he said

304
00:14:39,350 --> 00:14:36,600
how am I

305
00:14:43,090 --> 00:14:39,360
supposed to claimed Angel Sam I even

306
00:14:49,129 --> 00:14:45,829
in the building

307
00:14:52,129 --> 00:14:49,139
yeah because right but the uh but did he

308
00:14:54,230 --> 00:14:52,139
say to you why did he thought the Air

309
00:14:56,389 --> 00:14:54,240
Force was doing this

310
00:14:58,129 --> 00:14:56,399
and I made my mind I've been a bit might

311
00:15:00,290 --> 00:14:58,139
have been sitting here but

312
00:15:02,150 --> 00:15:00,300
in that particularly interesting you

313
00:15:04,670 --> 00:15:02,160

know Mr Johnson I of course didn't know

314

00:15:07,910 --> 00:15:04,680

your your husband there well but I'm

315

00:15:10,730 --> 00:15:07,920

curious to find man yeah I'm curious

316

00:15:13,189 --> 00:15:10,740

um but he was also a man that he kept

317

00:15:14,990 --> 00:15:13,199

every I mean he almost had to pry

318

00:15:16,389 --> 00:15:15,000

something out of him if you wanted to do

319

00:15:19,370 --> 00:15:16,399

well that's what I'm asking

320

00:15:22,129 --> 00:15:19,380

we just didn't uh but like I said if he

321

00:15:24,590 --> 00:15:22,139

had a number he was a man when he found

322

00:15:27,050 --> 00:15:24,600

out something if he'd been told it don't

323

00:15:28,910 --> 00:15:27,060

go any farther it don't go no farther

324

00:15:32,329 --> 00:15:28,920

including his wife that's the way he was

325

00:15:36,710 --> 00:15:34,250

you know if this happened last year it'd

326

00:15:40,550 --> 00:15:36,720

be different yeah yeah we're talking a

327

00:15:43,430 --> 00:15:40,560

long time ago but yeah 34 years ago

328

00:15:45,290 --> 00:15:43,440

everybody has said the same thing I had

329

00:15:48,829 --> 00:15:45,300

said everybody that's tracking stuff

330

00:15:51,710 --> 00:15:48,839

down has said the same thing I know that

331

00:15:54,889 --> 00:15:51,720

uh Air Force really gives you a false

332

00:16:00,310 --> 00:15:54,899

idea that they've got all the control of

333

00:16:05,090 --> 00:16:02,990

I mean I never will forget that guy

334

00:16:07,509 --> 00:16:05,100

standing there he had scrambled eggs on

335

00:16:12,590 --> 00:16:07,519

his hat and a chest full of ribbons and

336

00:16:14,569 --> 00:16:12,600

uh his name was Hitman Higby or

337

00:16:16,970 --> 00:16:14,579

something like that I can't remember you

338

00:16:20,030 --> 00:16:16,980

know what Ryan he was a full bird

339

00:16:23,269 --> 00:16:20,040

colonel I never will forget that

340

00:16:25,009 --> 00:16:23,279

that's the one that said uh when he

341

00:16:27,350 --> 00:16:25,019

walked out the back door another wolf

342

00:16:30,050 --> 00:16:27,360

forget he turned about halfway back

343

00:16:32,569 --> 00:16:30,060

around and he said

344

00:16:34,189 --> 00:16:32,579

today has never happened we have never

345

00:16:36,710 --> 00:16:34,199

been here you're supposed to forget

346

00:16:39,829 --> 00:16:36,720

everything that that has occurred today

347

00:16:42,829 --> 00:16:39,839

and don't forget the government has a

348

00:16:44,930 --> 00:16:42,839

long arm did he give any reason why this

349

00:16:47,449 --> 00:16:44,940

he was saying that

350

00:16:50,629 --> 00:16:47,459

no he didn't did he say I guess he

351

00:16:52,910 --> 00:16:50,639

thought no explanation necessary

352

00:16:55,310 --> 00:16:52,920

I was young enough that I didn't

353

00:17:00,230 --> 00:16:55,320

question it when they told me to keep my

354

00:17:01,850 --> 00:17:00,240

mouth shut right you know yeah so uh but

355

00:17:04,309 --> 00:17:01,860

how about you talking about it to

356

00:17:06,949 --> 00:17:04,319

anybody that's what I said Dr gallman it

357

00:17:08,809 --> 00:17:06,959

got to where I mean well after that bird

358

00:17:10,789 --> 00:17:08,819

colonel standing there yeah I don't know

359

00:17:12,590 --> 00:17:10,799

whether it was fair whether it was just

360

00:17:15,049 --> 00:17:12,600

we didn't want to think about it you

361

00:17:17,090 --> 00:17:15,059

know you kind of out of mind out of out

362

00:17:21,289 --> 00:17:17,100

of sight out of mind you know or what

363

00:17:23,390 --> 00:17:21,299

but no we never discussed it

364

00:17:26,030 --> 00:17:23,400

do you think that's odd

365

00:17:28,189 --> 00:17:26,040

yes well I I told you that before I

366

00:17:31,549 --> 00:17:28,199

thought it was because usually when

367

00:17:33,350 --> 00:17:31,559

we've had a unusual or bad smash up or

368

00:17:37,430 --> 00:17:33,360

something yeah we talk about it for two

369

00:17:41,510 --> 00:17:37,440

or three weeks yeah but we didn't and it

370

00:17:44,210 --> 00:17:41,520

was almost like a a silent

371

00:17:45,970 --> 00:17:44,220

consent that everybody just shut their

372

00:17:49,669 --> 00:17:45,980

mouth about it

373

00:17:52,669 --> 00:17:49,679

Higley or Higby or Hickman

374

00:17:55,070 --> 00:17:52,679

something like that Smith and stuff yeah

375

00:17:58,370 --> 00:17:55,080

but Sandia couldn't find questions so

376

00:18:01,490 --> 00:17:58,380

after they had after they had gone down

377

00:18:03,289 --> 00:18:01,500

and picked the ambulance clean and come

378

00:18:05,930 --> 00:18:03,299

back here because I told him you ain't

379

00:18:08,510 --> 00:18:05,940

taking that they wanted my x-rays wet

380

00:18:11,390 --> 00:18:08,520

and on the hangers I said no I'm not

381

00:18:14,630 --> 00:18:11,400

giving you hangers you come back after

382

00:18:18,230 --> 00:18:14,640

when the x-rays are dry oh they went out

383

00:18:21,890 --> 00:18:18,240

to the site and we went out to the site

384

00:18:23,630 --> 00:18:21,900

later and I mean they had picked that

385

00:18:25,970 --> 00:18:23,640

point you've been doing the Jimmy went

386

00:18:28,970 --> 00:18:25,980

out or doing somebody well you know we

387

00:18:30,650 --> 00:18:28,980

tend to forget that the government Air

388

00:18:33,350 --> 00:18:30,660

Force in particular because of the

389

00:18:37,130 --> 00:18:33,360

nature of the Beast has

390

00:18:38,870 --> 00:18:37,140

rapid recovery teams ready to go to

391

00:18:39,830 --> 00:18:38,880

locations whether airplane crashes

392

00:18:41,930 --> 00:18:39,840

because they're going to be classified

393

00:18:43,250 --> 00:18:41,940

equipment well I'm going to go where

394

00:18:45,830 --> 00:18:43,260

there are truck crashes with

395

00:18:47,990 --> 00:18:45,840

sophisticated equipment nuclear stuff or

396

00:18:50,870 --> 00:18:48,000

all kinds of things and there are people

397

00:18:54,590 --> 00:18:50,880

whose job it is just as described an slm

398

00:18:56,810 --> 00:18:54,600

1.01 it's to pick up clean up everything

399

00:18:58,370 --> 00:18:56,820

get rid of all right let's look a little

400

00:19:01,070 --> 00:18:58,380

differently at this

401
00:19:03,470 --> 00:19:01,080
so we've got heard

402
00:19:06,890 --> 00:19:03,480
but we also have the sheriff's family I

403
00:19:11,169 --> 00:19:08,950
who else

404
00:19:14,330 --> 00:19:11,179
gutters okay

405
00:19:15,890 --> 00:19:14,340
and you see and with a nice name yeah

406
00:19:18,590 --> 00:19:15,900
wasn't he connected with the police

407
00:19:21,950 --> 00:19:18,600
department at some point the manual

408
00:19:24,470 --> 00:19:21,960
Marie was sheriff and then what are you

409
00:19:27,590 --> 00:19:24,480
looking for and then Manuel's younger

410
00:19:28,870 --> 00:19:27,600
brother I believe name is training you

411
00:19:31,010 --> 00:19:28,880
operate

412
00:19:32,510 --> 00:19:31,020
last night

413
00:19:37,970 --> 00:19:32,520

you I

414

00:19:37,980 --> 00:19:45,529

o c

415

00:19:52,669 --> 00:19:48,110

I think that's that's it

416

00:19:57,710 --> 00:19:54,710

now this is I say is a work in progress

417

00:19:58,730 --> 00:19:57,720

uh that my wife's been working on and we

418

00:20:00,409 --> 00:19:58,740

were trying to find some more

419

00:20:02,870 --> 00:20:00,419

information

420

00:20:05,150 --> 00:20:02,880

um I just want to say one thing about

421

00:20:06,950 --> 00:20:05,160

her credibility

422

00:20:09,590 --> 00:20:06,960

she remembered the name of the police

423

00:20:11,390 --> 00:20:09,600

officer a state police officer who she

424

00:20:14,990 --> 00:20:11,400

knew well she called him Dutch on the

425

00:20:17,090 --> 00:20:15,000

tape who was there recovering the bodies

426
00:20:19,669 --> 00:20:17,100
and when she

427
00:20:23,750 --> 00:20:19,679
went to this Buffon meeting and met the

428
00:20:25,010 --> 00:20:23,760
folks who passed the story on to me the

429
00:20:28,070 --> 00:20:25,020
husband

430
00:20:30,230 --> 00:20:28,080
at that meeting of the woman who I'd

431
00:20:32,390 --> 00:20:30,240
worked with was a retired state police

432
00:20:36,529 --> 00:20:32,400
officer and she immediately asked him

433
00:20:39,350 --> 00:20:36,539
did you know Dutch whatever his name was

434
00:20:41,630 --> 00:20:39,360
and he said yes I knew him somewhat and

435
00:20:43,190 --> 00:20:41,640
she said I've got to find him because he

436
00:20:46,970 --> 00:20:43,200
was there

437
00:20:49,610 --> 00:20:46,980
and they started a res a search for this

438
00:20:51,770 --> 00:20:49,620

Dutch now when you make up a story you

439

00:20:53,570 --> 00:20:51,780

don't say so and so was there and I want

440

00:20:54,529 --> 00:20:53,580

to try to find him because if you find

441

00:20:55,669 --> 00:20:54,539

him and the guy said what are you

442

00:20:57,890 --> 00:20:55,679

talking about I was I don't remember

443

00:21:00,350 --> 00:20:57,900

anything like that you're in a spot but

444

00:21:02,529 --> 00:21:00,360

she was definite and she became a kind

445

00:21:04,970 --> 00:21:02,539

of Tigress trying to find

446

00:21:08,210 --> 00:21:04,980

that locate this man Dutch and what

447

00:21:10,730 --> 00:21:08,220

happened actually was uh when they did

448

00:21:12,950 --> 00:21:10,740

locate him he's long since retired he

449

00:21:15,049 --> 00:21:12,960

was in the hospital with a heart attack

450

00:21:17,049 --> 00:21:15,059

and she wanted to go to the hospital and

451

00:21:20,029 --> 00:21:17,059

interview him in a hospital room

452

00:21:22,909 --> 00:21:20,039

which we wish had happened and before

453

00:21:24,409 --> 00:21:22,919

that could happen he passed away

454

00:21:26,990 --> 00:21:24,419

and she ended up going to the funeral

455

00:21:29,029 --> 00:21:27,000

and even though she hadn't seen him for

456

00:21:31,730 --> 00:21:29,039

years and years trying to talk to his

457

00:21:34,730 --> 00:21:31,740

widow to see what she could find out so

458

00:21:36,289 --> 00:21:34,740

this is a woman who who gave us the name

459

00:21:38,270 --> 00:21:36,299

of the man who was there and really

460

00:21:40,490 --> 00:21:38,280

really tried to run him down and said he

461

00:21:43,810 --> 00:21:40,500

was the state police officer in charge

462

00:21:46,130 --> 00:21:43,820

so it's another sign of her credibility

463

00:21:48,110 --> 00:21:46,140

now you can make up your own mind about

464

00:21:51,470 --> 00:21:48,120

what you think about beanie she's an odd

465

00:21:53,690 --> 00:21:51,480

lady but and she did not want the Air

466

00:21:56,029 --> 00:21:53,700

Force to take her wet x-rays out of

467

00:21:58,970 --> 00:21:56,039

there or the hangers which is this one

468

00:22:00,830 --> 00:21:58,980

of those little details which is not

469

00:22:02,090 --> 00:22:00,840

self-glorifying but granted her
