

A man with dark hair and a beard is shown in a radio studio. He is wearing large black headphones and holding a blue pen to his chin. A professional microphone is positioned in front of him. To his right, a computer monitor is partially visible. The background is dark and appears to be soundproofed.

[www.jimmychurchradio.com](http://www.jimmychurchradio.com)

1  
00:00:09,049 --> 00:00:06,500  
all right everybody welcome back kjc are

2  
00:00:13,130 --> 00:00:09,059  
Jimmy church radio.com this is fade to

3  
00:00:14,870 --> 00:00:13,140  
black i am your host jimmy church from

4  
00:00:17,089 --> 00:00:14,880  
the Dark Matter radio network we are

5  
00:00:21,050 --> 00:00:17,099  
live burbank california from the JP

6  
00:00:24,650 --> 00:00:21,060  
motorsports studios the studio is dark

7  
00:00:26,960 --> 00:00:24,660  
the candles are lit like to welcome

8  
00:00:28,130 --> 00:00:26,970  
everybody don't forget to follow us on

9  
00:00:30,409 --> 00:00:28,140  
twitter we're going to be taking your

10  
00:00:34,280 --> 00:00:30,419  
skype calls the skype number is fade to

11  
00:00:36,410 --> 00:00:34,290  
black 14 i'm going to try to run again

12  
00:00:38,420 --> 00:00:36,420  
commercial free for the next hour for

13  
00:00:41,630 --> 00:00:38,430

everybody out there listening right now

14

00:00:46,700 --> 00:00:41,640

in art bell calm the Dark Matter radio

15

00:00:49,729 --> 00:00:46,710

network it is my pleasure to introduce

16

00:00:53,360 --> 00:00:49,739

Nuria hayakawa he has been researching

17

00:00:55,549 --> 00:00:53,370

UFOs for the last 45 years he has spent

18

00:00:59,540 --> 00:00:55,559

10 years specifically investigating area

19

00:01:02,750 --> 00:00:59,550

51 in 1992 norio co-sponsored the first

20

00:01:06,920 --> 00:01:02,760

need to know seminar at the little alien

21

00:01:09,770 --> 00:01:06,930

in Rachel Nevada with Gary Schultz in

22

00:01:13,430 --> 00:01:09,780

the audience was John Lear George Knapp

23

00:01:16,970 --> 00:01:13,440

bob lazar bill Cooper and Sean Morton

24

00:01:20,600 --> 00:01:16,980

now today mr. hayakawa has dived into

25

00:01:23,480 --> 00:01:20,610

the Dulce New Mexico case and says that

26

00:01:26,090 --> 00:01:23,490

something is about to happen in the very

27

00:01:30,020 --> 00:01:26,100

near future I would like to welcome to

28

00:01:32,600 --> 00:01:30,030

dark matter norio hayakawa norio are you

29

00:01:34,820 --> 00:01:32,610

there are you with us yes i am here

30

00:01:36,770 --> 00:01:34,830

Jimmy thank you so much for having me on

31

00:01:41,930 --> 00:01:36,780

your program tonight how was your

32

00:01:47,060 --> 00:01:41,940

holiday oh very peaceful quiet New

33

00:01:48,920 --> 00:01:47,070

Mexico ish yeah oh wow well it is a

34

00:01:51,110 --> 00:01:48,930

pleasure to finally get you on the show

35

00:01:54,380 --> 00:01:51,120

and as you know we've been trying to get

36

00:01:55,910 --> 00:01:54,390

you on and and I'm just so happy and I'm

37

00:01:59,480 --> 00:01:55,920

honored to have you on the show today

38

00:02:00,860 --> 00:01:59,490

and like I say to all of my guests it's

39

00:02:03,470 --> 00:02:00,870

the same thing this is just a

40

00:02:05,030 --> 00:02:03,480

conversation okay this isn't some

41

00:02:08,270 --> 00:02:05,040

intense interview let's just kick back

42

00:02:10,639 --> 00:02:08,280

relax and talk to each other that's

43

00:02:15,200 --> 00:02:10,649

exactly what I was looking forward

44

00:02:17,850 --> 00:02:15,210

tonight I really appreciate it and I'm

45

00:02:20,370 --> 00:02:17,860

serious about that but let's let's

46

00:02:24,480 --> 00:02:20,380

start let's start here 45 years is a

47

00:02:29,420 --> 00:02:24,490

long long time what started you in this

48

00:02:34,800 --> 00:02:29,430

type of research well actually it was in

49

00:02:40,830 --> 00:02:34,810

1961 but I really got into what's known

50

00:02:45,600 --> 00:02:40,840

as ufology that was 1961 I was just a

51  
00:02:51,840 --> 00:02:45,610  
high school student but when I was just

52  
00:02:56,220 --> 00:02:51,850  
you know elementary school kid I was

53  
00:03:01,070 --> 00:02:56,230  
quite influenced by my father's account

54  
00:03:03,750 --> 00:03:01,080  
of his witnessing a very strange light

55  
00:03:05,970 --> 00:03:03,760  
maneuvering light over the Bay of

56  
00:03:10,260 --> 00:03:05,980  
Yokohama Japan and that was in the

57  
00:03:13,770 --> 00:03:10,270  
summer of nineteen forty-seven I'm quite

58  
00:03:16,680 --> 00:03:13,780  
sure about that year but anyway I forgot

59  
00:03:20,699 --> 00:03:16,690  
about it but then when I became a high

60  
00:03:24,810 --> 00:03:20,709  
school student in 1961 I became

61  
00:03:29,030 --> 00:03:24,820  
fascinated by that subject once again

62  
00:03:32,759 --> 00:03:29,040  
and then I started subscribing to

63  
00:03:38,699 --> 00:03:32,769

newsletters and magazines and so on you

64

00:03:46,020 --> 00:03:38,709

know from groups such as the NYE cap in

65

00:03:50,490 --> 00:03:46,030

washington DC in a PR 0 arizona and so I

66

00:03:54,570 --> 00:03:50,500

started joining various groups study

67

00:03:56,640 --> 00:03:54,580

groups in Japan was a belief but anyway

68

00:04:00,180 --> 00:03:56,650

because i was living in Japan I was born

69

00:04:02,509 --> 00:04:00,190

and raised in Yokohama and so I was

70

00:04:09,780 --> 00:04:02,519

living in Japan going to school and then

71

00:04:13,470 --> 00:04:09,790

you know and then in 1964 that was a

72

00:04:17,370 --> 00:04:13,480

year that really sparked my interest and

73

00:04:20,310 --> 00:04:17,380

that's because of this amazing incident

74

00:04:23,880 --> 00:04:20,320

that took place in a little town in a

75

00:04:26,339 --> 00:04:23,890

state called New Mexico which I was not

76

00:04:28,150 --> 00:04:26,349

that familiar back over there in Japan

77

00:04:32,290 --> 00:04:28,160

in 1964 what is a

78

00:04:35,680 --> 00:04:32,300

it was this famous Lonnie Zamora case so

79

00:04:39,130 --> 00:04:35,690

of course of course yeah it was in a

80

00:04:42,090 --> 00:04:39,140

front page of a newspaper over there so

81

00:04:46,120 --> 00:04:42,100

that sparkled my interest and

82

00:04:48,370 --> 00:04:46,130

coincidentally in 1965 i received a

83

00:04:53,830 --> 00:04:48,380

partial scholarship from a college in

84

00:04:56,440 --> 00:04:53,840

New Mexico Jay and I jumped and I took

85

00:04:59,440 --> 00:04:56,450

that cloud ship and because I wanted to

86

00:05:02,530 --> 00:04:59,450

come to New Mexico anyway so that was in

87

00:05:07,060 --> 00:05:02,540

nineteen sixty-five and so ever since

88

00:05:10,120 --> 00:05:07,070

nineteen sixty-five you know I got

89

00:05:15,220 --> 00:05:10,130

myself involved with of course the

90

00:05:19,270 --> 00:05:15,230

college but you know also the UFO aspect

91

00:05:22,630 --> 00:05:19,280

of New Mexico so I stayed until I

92

00:05:25,960 --> 00:05:22,640

graduated from college in Albuquerque

93

00:05:29,860 --> 00:05:25,970

which doing which I majored in Spanish

94

00:05:36,250 --> 00:05:29,870

but then you know after many years I

95

00:05:42,460 --> 00:05:36,260

moved to Arizona and in 1976 I became a

96

00:05:45,850 --> 00:05:42,470

US citizen and naturalized in 1976 then

97

00:05:51,300 --> 00:05:45,860

taught some schools in Arizona and then

98

00:05:55,930 --> 00:05:51,310

moved on to Los Angeles in 1982 where I

99

00:05:58,030 --> 00:05:55,940

became a licensed funeral director over

100

00:06:01,990 --> 00:05:58,040

there in the city of Los Angeles in

101  
00:06:07,180 --> 00:06:02,000  
which I did for almost twenty six years

102  
00:06:09,820 --> 00:06:07,190  
and it was during my profession has a

103  
00:06:13,690 --> 00:06:09,830  
licensed funeral director that I got

104  
00:06:17,020 --> 00:06:13,700  
involved in area 51 research was in

105  
00:06:20,320 --> 00:06:17,030  
nineteen eighty eighty nine what

106  
00:06:23,680 --> 00:06:20,330  
happened in 1989 that that that caused

107  
00:06:26,320 --> 00:06:23,690  
this interest in area 51 yes because I

108  
00:06:30,940 --> 00:06:26,330  
was listening to a talk radio station

109  
00:06:33,520 --> 00:06:30,950  
coming from Las Vegas ironic at that

110  
00:06:36,909 --> 00:06:33,530  
station at midnight in the Los Angeles

111  
00:06:39,909 --> 00:06:36,919  
and it was a really good Minh happening

112  
00:06:41,740 --> 00:06:39,919  
radio program in which a very

113  
00:06:45,880 --> 00:06:41,750

fascinating guests

114

00:06:49,120 --> 00:06:45,890

Emily Robert blows our was appearing

115

00:06:54,340 --> 00:06:49,130

every night talking about his you know

116

00:06:57,370 --> 00:06:54,350

his alleged work at a secret facility

117

00:07:02,560 --> 00:06:57,380

south of area 51 and that was of course

118

00:07:05,470 --> 00:07:02,570

1989 and at that time just not too many

119

00:07:10,540 --> 00:07:05,480

people were aware of bob lazar outside

120

00:07:15,100 --> 00:07:10,550

of Las Vegas you know hardly anybody in

121

00:07:17,680 --> 00:07:15,110

the US was familiar with area 51 unless

122

00:07:20,650 --> 00:07:17,690

you were living in Las Vegas in New

123

00:07:23,080 --> 00:07:20,660

somebody that worked at the groom Lake

124

00:07:25,210 --> 00:07:23,090

facility well exactly so you're living

125

00:07:27,610 --> 00:07:25,220

here in LA but you managed to pick up

126

00:07:29,770 --> 00:07:27,620

this am radio signal from Las Vegas

127

00:07:31,870 --> 00:07:29,780

that's correct so you're listening

128

00:07:33,760 --> 00:07:31,880

you're listening really seriously you're

129

00:07:35,320 --> 00:07:33,770

listening to the Billy Goodman show and

130

00:07:36,940 --> 00:07:35,330

we all know Billy Goodman but you're

131

00:07:41,230 --> 00:07:36,950

living listening to the Billy Goodman

132

00:07:43,060 --> 00:07:41,240

show here in LA and Bob Lazar is on I

133

00:07:45,159 --> 00:07:43,070

think you just said he was on almost

134

00:07:47,650 --> 00:07:45,169

every single night is everything out for

135

00:07:50,950 --> 00:07:47,660

about a few week really I was so

136

00:07:54,150 --> 00:07:50,960

fascinated by his account of how is

137

00:07:57,040 --> 00:07:54,160

working with reverse engineering of this

138

00:07:59,650 --> 00:07:57,050

extraterrestrial craft that he said what

139

00:08:02,530 --> 00:07:59,660

was he telling the same story on Billy

140

00:08:06,100 --> 00:08:02,540

Goodman's show that he told later when

141

00:08:09,490 --> 00:08:06,110

you were with him yes absolutely too and

142

00:08:11,950 --> 00:08:09,500

this is why well what was he what was he

143

00:08:13,570 --> 00:08:11,960

saying on the air with Billy was he to

144

00:08:18,130 --> 00:08:13,580

just tell him the whole story about the

145

00:08:20,650 --> 00:08:18,140

test flights and s4 and can you clean

146

00:08:23,710 --> 00:08:20,660

can you recall anything specific well

147

00:08:26,350 --> 00:08:23,720

that he was saying that on Wednesday

148

00:08:33,430 --> 00:08:26,360

night especially they were test flying

149

00:08:37,510 --> 00:08:33,440

this you know one of those objects there

150

00:08:41,170 --> 00:08:37,520

were nine objects I believe in nine

151  
00:08:45,130 --> 00:08:41,180  
separate hangers you know on the side of

152  
00:08:47,530 --> 00:08:45,140  
the slope and about any way of s4 and

153  
00:08:50,380 --> 00:08:47,540  
you know one thing about Bob Lazar is

154  
00:08:55,000 --> 00:08:50,390  
that he has not changed his story all

155  
00:08:55,720 --> 00:08:55,010  
these years and regardless of how people

156  
00:08:59,650 --> 00:08:55,730  
think about

157  
00:09:02,710 --> 00:08:59,660  
him uh it's very difficult to dismiss

158  
00:09:05,350 --> 00:09:02,720  
everything that he has insane because he

159  
00:09:08,650 --> 00:09:05,360  
never changed any story well and because

160  
00:09:11,710 --> 00:09:08,660  
and for people need to understand again

161  
00:09:13,540 --> 00:09:11,720  
and I hate to use these words again but

162  
00:09:15,850 --> 00:09:13,550  
you need to wrap your head around a

163  
00:09:18,430 --> 00:09:15,860

little bit on what norio is saying right

164

00:09:21,970 --> 00:09:18,440

now this is nineteen eighty-eight and

165

00:09:24,250 --> 00:09:21,980

eighty-nine and this is before anybody

166

00:09:25,840 --> 00:09:24,260

knew anything and George Knapp and all

167

00:09:29,470 --> 00:09:25,850

of that stuff had happened yet that

168

00:09:31,210 --> 00:09:29,480

stuff hadn't happened now when how how

169

00:09:33,850 --> 00:09:31,220

did you become because you you

170

00:09:37,180 --> 00:09:33,860

practically became his ambassador if you

171

00:09:39,579 --> 00:09:37,190

think about it when Japanese television

172

00:09:42,340 --> 00:09:39,589

gets involved but before we get to that

173

00:09:43,750 --> 00:09:42,350

story so you're listening to bob lazar

174

00:09:46,420 --> 00:09:43,760

on the radio tell these amazing stories

175

00:09:49,750 --> 00:09:46,430

how make the connection for everybody

176  
00:09:52,750 --> 00:09:49,760  
how you wind up from Los Angeles to Las

177  
00:09:57,370 --> 00:09:52,760  
Vegas actually Jimmy I was so fascinated

178  
00:10:02,410 --> 00:09:57,380  
by his story that I wrote in a letter to

179  
00:10:05,590 --> 00:10:02,420  
Japanese magazine you know it's kind of

180  
00:10:09,460 --> 00:10:05,600  
a magazine that specializes in strange

181  
00:10:14,309 --> 00:10:09,470  
phenomenon and the magazine was really

182  
00:10:17,230 --> 00:10:14,319  
curious and they decided to send a rider

183  
00:10:21,790 --> 00:10:17,240  
actually three or four people from both

184  
00:10:25,389 --> 00:10:21,800  
magazine and they also brought a TV

185  
00:10:30,809 --> 00:10:25,399  
network crew and that was an upon

186  
00:10:36,280 --> 00:10:30,819  
colleges network so you know somehow

187  
00:10:40,900 --> 00:10:36,290  
their manager got in touch with gene

188  
00:10:44,980 --> 00:10:40,910

Huff friend of Bob Lazar and it ended up

189

00:10:52,379 --> 00:10:44,990

that we were able to go to his house in

190

00:10:55,120 --> 00:10:52,389

las vegas on wednesday ever 21st of 1990

191

00:10:58,660 --> 00:10:55,130

well of course of course you could never

192

00:11:00,550 --> 00:10:58,670

forget it did you even even comprehend

193

00:11:03,699 --> 00:11:00,560

at the time the coming storm that was

194

00:11:07,980 --> 00:11:03,709

about to happen that's right and it was

195

00:11:15,300 --> 00:11:12,420

and so uh we expected to go to the place

196

00:11:17,790 --> 00:11:15,310

that he was talking about as far as you

197

00:11:20,490 --> 00:11:17,800

know through the out you know out out

198

00:11:24,030 --> 00:11:20,500

out of parameters because you can't go

199

00:11:27,150 --> 00:11:24,040

into that facility but according to mr.

200

00:11:30,360 --> 00:11:27,160

Lazar we could go to a location in the

201  
00:11:32,160 --> 00:11:30,370  
dirt road well whoa hold on we're gonna

202  
00:11:35,490 --> 00:11:32,170  
get to that in a second norio let's not

203  
00:11:37,680 --> 00:11:35,500  
let's not jump ahead you're I want to

204  
00:11:39,090 --> 00:11:37,690  
specifically talk about for a second I

205  
00:11:44,519 --> 00:11:39,100  
want you to tell the story about you

206  
00:11:46,590 --> 00:11:44,529  
taking TV not MTV NT VV pond mm beep on

207  
00:11:49,079 --> 00:11:46,600  
television and you go to Bob lazarz

208  
00:11:51,449 --> 00:11:49,089  
house and you guys sit & M you guys

209  
00:11:54,060 --> 00:11:51,459  
interview Bob for how many hours what

210  
00:11:56,579 --> 00:11:54,070  
about four hours four hours you're

211  
00:11:59,579 --> 00:11:56,589  
listening to compelling Lazar tell his

212  
00:12:01,290 --> 00:11:59,589  
story what was that like and what did he

213  
00:12:03,889 --> 00:12:01,300

say and again he didn't change his story

214

00:12:07,530 --> 00:12:03,899

did he he was sticking to his guns right

215

00:12:11,760 --> 00:12:07,540

and so for four hours of course I wasn't

216

00:12:14,190 --> 00:12:11,770

a continuous interview but you know took

217

00:12:16,380 --> 00:12:14,200

breaks because it was of course a

218

00:12:18,389 --> 00:12:16,390

teahouse well did the Japanese

219

00:12:25,199 --> 00:12:18,399

television where was their interpreting

220

00:12:27,120 --> 00:12:25,209

going on oh ok I actually was kind of

221

00:12:30,510 --> 00:12:27,130

helped too because they were another

222

00:12:33,840 --> 00:12:30,520

there was another interpreter but I was

223

00:12:37,019 --> 00:12:33,850

there long you know and but it was a

224

00:12:41,600 --> 00:12:37,029

fascinating interview because when we

225

00:12:47,840 --> 00:12:41,610

went to his house they were at least

226

00:12:50,370 --> 00:12:47,850

five people that mr. lawzer had with him

227

00:12:52,980 --> 00:12:50,380

security people are friends was Gene

228

00:12:55,850 --> 00:12:52,990

huff there yeah gene hub was there and

229

00:13:01,199 --> 00:12:55,860

then because he know there were you know

230

00:13:07,350 --> 00:13:01,209

Creole people there at least and two of

231

00:13:11,130 --> 00:13:07,360

those people sat on both sides of mr.

232

00:13:13,530 --> 00:13:11,140

Lazar on the couch as we interviewed and

233

00:13:17,069 --> 00:13:13,540

it was very interesting because when mr.

234

00:13:18,960 --> 00:13:17,079

Lazar you know took a break and went to

235

00:13:20,280 --> 00:13:18,970

the kitchen these two gentlemen follow

236

00:13:22,259 --> 00:13:20,290

thee well

237

00:13:27,050 --> 00:13:22,269

were they or did you know I have no idea

238

00:13:29,460 --> 00:13:27,060

did you suspect we got curious they're a

239

00:13:31,980 --> 00:13:29,470

part of the interview and we asked me

240

00:13:34,920 --> 00:13:31,990

who were these people and he said not to

241

00:13:38,910 --> 00:13:34,930

worry they were his friend but their

242

00:13:41,639 --> 00:13:38,920

actions were very strange to me because

243

00:13:45,780 --> 00:13:41,649

one of these gentlemen had some kind of

244

00:13:51,379 --> 00:13:45,790

a black I wouldn't call it a cell phone

245

00:13:54,930 --> 00:13:51,389

because it was a large black rectangular

246

00:14:00,499 --> 00:13:54,940

equipment attached to his belt and it

247

00:14:04,050 --> 00:14:00,509

was some kind of a radio but I you know

248

00:14:06,360 --> 00:14:04,060

but the weirdest thing was every time

249

00:14:09,840 --> 00:14:06,370

mr. longer stood up these two men stood

250

00:14:11,730 --> 00:14:09,850

up together and about anyway he eschewed

251

00:14:14,009 --> 00:14:11,740

us that there was just his friends but

252

00:14:17,370 --> 00:14:14,019

you know that was one of the interesting

253

00:14:20,400 --> 00:14:17,380

aspects of that interview but as I said

254

00:14:24,090 --> 00:14:20,410

Jimmy we did a four hour interview and

255

00:14:26,850 --> 00:14:24,100

he we asked him if he can take us to the

256

00:14:28,949 --> 00:14:26,860

place where he said we could see the

257

00:14:31,769 --> 00:14:28,959

test flight because that was on a

258

00:14:34,139 --> 00:14:31,779

Wednesday and do you think did you think

259

00:14:36,000 --> 00:14:34,149

that he would actually say yes were you

260

00:14:40,500 --> 00:14:36,010

hoping that he would take the crew out

261

00:14:43,590 --> 00:14:40,510

there I mean what was your film we asked

262

00:14:47,639 --> 00:14:43,600

about he didn't want to come oh he just

263

00:14:52,110 --> 00:14:47,649

showed us where to go and to this spot

264

00:14:54,480 --> 00:14:52,120

which was off the highway 375 you know

265

00:14:58,879 --> 00:14:54,490

took two hours I from Las Vegas in a

266

00:15:02,879 --> 00:14:58,889

desolate stretch of a desert land and

267

00:15:05,730 --> 00:15:02,889

even highway 375 at that time was hardly

268

00:15:07,980 --> 00:15:05,740

any traffic you know over there well

269

00:15:12,960 --> 00:15:07,990

there's nothing to drive to if you're on

270

00:15:17,009 --> 00:15:12,970

we got 375 it leads to nowhere but okay

271

00:15:20,429 --> 00:15:17,019

so did you actually go out with uh with

272

00:15:23,100 --> 00:15:20,439

NTV to the black mailbox yes in fact

273

00:15:27,420 --> 00:15:23,110

there were nine of us we drove all the

274

00:15:31,949 --> 00:15:27,430

way to the 29 and 29 and a half mile

275

00:15:34,110 --> 00:15:31,959

marker on highway 375 and that was

276

00:15:38,480 --> 00:15:34,120

actually known

277

00:15:43,579 --> 00:15:38,490

as the dirt road that took you to a

278

00:15:48,390 --> 00:15:43,589

ranch called Steve meadowlands ranch but

279

00:15:53,370 --> 00:15:48,400

that's where their steve medlin had a

280

00:15:56,730 --> 00:15:53,380

black mailbox right just next to the

281

00:15:59,820 --> 00:15:56,740

highway 375 and Steve Medellin and his

282

00:16:04,740 --> 00:15:59,830

family ranched in that area for many

283

00:16:08,430 --> 00:16:04,750

many years and there are cows wandered

284

00:16:12,390 --> 00:16:08,440

past the perimeters on groom lake road

285

00:16:15,810 --> 00:16:12,400

and into that facility so they had a

286

00:16:20,070 --> 00:16:15,820

very interesting arrangement yell out

287

00:16:22,470 --> 00:16:20,080

the meadowlands cows to roam freely and

288

00:16:26,030 --> 00:16:22,480

so they must have had some kind of a

289

00:16:29,850 --> 00:16:26,040

relationship the base right right so

290

00:16:32,790 --> 00:16:29,860

just I'm this is for my own mind only

291

00:16:34,920 --> 00:16:32,800

norio please don't take offense so

292

00:16:39,410 --> 00:16:34,930

here's said there are is everybody

293

00:16:42,840 --> 00:16:39,420

Japanese do you have anybody American or

294

00:16:45,060 --> 00:16:42,850

everybody everybody's Japanese so you've

295

00:16:47,130 --> 00:16:45,070

got a japanese film crew yourself of

296

00:16:49,710 --> 00:16:47,140

course you know japanese so you got you

297

00:16:52,769 --> 00:16:49,720

guys all head up you find which is the

298

00:16:56,010 --> 00:16:52,779

only black mailbox on 375 and you guys

299

00:16:57,360 --> 00:16:56,020

arrived and before we move on i'm just

300

00:16:58,769 --> 00:16:57,370

gonna ask the question did you guys see

301

00:17:02,010 --> 00:16:58,779

anything that first night did you guys

302

00:17:06,000 --> 00:17:02,020

yes we did oh okay well then what

303

00:17:11,960 --> 00:17:06,010

happened was exactly as mr. Lazar said

304

00:17:14,880 --> 00:17:11,970

right after sundown a brilliant light

305

00:17:18,740 --> 00:17:14,890

appeared over the gloom mountains way in

306

00:17:24,120 --> 00:17:18,750

the distance towards area 51 and it

307

00:17:27,650 --> 00:17:24,130

ascended and he did make some weird turn

308

00:17:31,040 --> 00:17:27,660

you know and almost a rectangular move

309

00:17:35,840 --> 00:17:31,050

you know in the short time of span and

310

00:17:39,960 --> 00:17:35,850

the crew had already set up TV camera so

311

00:17:43,250 --> 00:17:39,970

they caught it who I saw it it was very

312

00:17:47,730 --> 00:17:43,260

interesting it was an orange light and

313

00:17:51,220 --> 00:17:47,740

for you know it appeared for about

314

00:17:54,610 --> 00:17:51,230

10 12 seconds and then it disappeared

315

00:17:57,190 --> 00:17:54,620

but then 10 minutes later another one

316

00:18:00,160 --> 00:17:57,200

appeared during the same maneuvering

317

00:18:04,120 --> 00:18:00,170

same color that's right thing orangish

318

00:18:08,100 --> 00:18:04,130

color and so it was all together three

319

00:18:17,200 --> 00:18:08,110

times that night and we were quite

320

00:18:22,630 --> 00:18:17,210

impressed but right before well yeah

321

00:18:27,070 --> 00:18:22,640

after we were getting ready to move

322

00:18:30,010 --> 00:18:27,080

along Oh actually I if I recall right

323

00:18:33,370 --> 00:18:30,020

before those a light appeared we were

324

00:18:38,980 --> 00:18:33,380

visited by a sheriff lincoln county

325

00:18:42,490 --> 00:18:38,990

sheriff patrol car which you know shown

326

00:18:46,690 --> 00:18:42,500

a bright headlights on us and out comes

327

00:18:50,940 --> 00:18:46,700

this doug lamoureux who was a deputy

328

00:18:55,590 --> 00:18:50,950

sheriff and he started questioning us

329

00:18:58,780 --> 00:18:55,600

each of us took down all our names and

330

00:19:02,020 --> 00:18:58,790

he was asking us what we were doing here

331

00:19:04,180 --> 00:19:02,030

well he encounters nine japanese guys on

332

00:19:09,850 --> 00:19:04,190

a highway out in the middle of the

333

00:19:15,340 --> 00:19:09,860

desert with video cameras with all kinds

334

00:19:20,200 --> 00:19:15,350

of life and so you know he didn't say we

335

00:19:24,190 --> 00:19:20,210

cannot be there but after getting all

336

00:19:29,290 --> 00:19:24,200

our information he drove his sheriff

337

00:19:32,140 --> 00:19:29,300

patrol car towards area 51 probably he

338

00:19:36,610 --> 00:19:32,150

had gone towards the group video of the

339

00:19:39,670 --> 00:19:36,620

guard shack but well you see you guys

340

00:19:41,620 --> 00:19:39,680

get that you guys get your video they

341

00:19:44,020 --> 00:19:41,630

they're obviously happy I mean it's

342

00:19:46,300 --> 00:19:44,030

extraordinary that it was a Wednesday

343

00:19:49,030 --> 00:19:46,310

night like Bob had said you guys show up

344

00:19:52,000 --> 00:19:49,040

and you actually were able to video that

345

00:19:54,370 --> 00:19:52,010

those guys go back to Japan and this TV

346

00:20:00,820 --> 00:19:54,380

show airs doesn't it that's right it

347

00:20:05,200 --> 00:20:00,830

aired in March uh that 1990

348

00:20:07,539 --> 00:20:05,210

it was seen by you know millions of

349

00:20:10,620 --> 00:20:07,549

people of course the in Japan there are

350

00:20:15,130 --> 00:20:10,630

so many many TV channels but this

351

00:20:18,730 --> 00:20:15,140

station had an interesting program on a

352

00:20:22,870 --> 00:20:18,740

strange phenomenon and it was a two-hour

353

00:20:28,330 --> 00:20:22,880

special program and it covered not only

354

00:20:31,480 --> 00:20:28,340

area 51 in Nevada but I had already made

355

00:20:35,049 --> 00:20:31,490

arrangements for them to also visit New

356

00:20:39,190 --> 00:20:35,059

Mexico golf in New Mexico well so in the

357

00:20:41,139 --> 00:20:39,200

span of probably less than two years a

358

00:20:43,840 --> 00:20:41,149

year and a half you know you're in

359

00:20:47,620 --> 00:20:43,850

October of 88 when everything had you

360

00:20:49,710 --> 00:20:47,630

know started to kick off and now this TV

361

00:20:52,570 --> 00:20:49,720

show so in this very short span of time

362

00:20:55,060 --> 00:20:52,580

you're exposed to something that I mean

363

00:20:57,850 --> 00:20:55,070

is certainly newsworthy and it's almost

364

00:20:59,379 --> 00:20:57,860

human race changing events and you're

365

00:21:02,580 --> 00:20:59,389

right in the middle of the storm aren't

366

00:21:08,259 --> 00:21:02,590

you that's right because we were both

367

00:21:12,250 --> 00:21:08,269

handling this mysterious area 51 thing

368

00:21:16,120 --> 00:21:12,260

and also the mysterious region of New

369

00:21:21,009 --> 00:21:16,130

Mexico namely Dulce New Mexico so these

370

00:21:24,070 --> 00:21:21,019

two locations were very very fascinating

371

00:21:30,009 --> 00:21:24,080

to me and it was just that we were so

372

00:21:32,950 --> 00:21:30,019

lucky that we captured this fascinating

373

00:21:37,180 --> 00:21:32,960

location you know within the span of

374

00:21:39,539 --> 00:21:37,190

just a week and a half well we're going

375

00:21:51,549 --> 00:21:39,549

to get into Dulce in a few minutes but

376

00:21:53,710 --> 00:21:51,559

and and I really appreciate an

377

00:21:57,370 --> 00:21:53,720

opportunity to go back and speak with

378

00:22:00,549 --> 00:21:57,380

mr. Lazar after the television special

379

00:22:06,220 --> 00:22:00,559

had aired in japan well yes because uh

380

00:22:09,279 --> 00:22:06,230

Gary show and I started organizing a

381

00:22:13,510 --> 00:22:09,289

group in Los Angeles it was called the

382

00:22:14,230 --> 00:22:13,520

secret salsa base expedition and we

383

00:22:19,630 --> 00:22:14,240

incur

384

00:22:24,400 --> 00:22:19,640

aged a lot of people to join us and you

385

00:22:29,220 --> 00:22:24,410

know in 1991 1992 we became very active

386

00:22:33,780 --> 00:22:29,230

in brought a lot of people to that

387

00:22:37,980 --> 00:22:33,790

perimeter area of groom Lake Road and

388

00:22:43,390 --> 00:22:37,990

you know and then eventually of course

389

00:22:49,630 --> 00:22:43,400

mr. Gary Schultz got hold of mr. Lazar

390

00:22:53,820 --> 00:22:49,640

and he convinced mr. Lazar to speak at

391

00:22:57,190 --> 00:22:53,830

this parking lot in fact there were two

392

00:23:00,549 --> 00:22:57,200

seminars seminars that we held the first

393

00:23:05,020 --> 00:23:00,559

one was held in 1992 in that little

394

00:23:07,750 --> 00:23:05,030

alien in which big Rachel Rachel Nevada

395

00:23:12,660 --> 00:23:07,760

right outside of area 51 but people

396

00:23:16,570 --> 00:23:12,670

packed in in 1992 for this ultimate

397

00:23:19,960 --> 00:23:16,580

seminar and Gary Jules and I were the

398

00:23:23,530 --> 00:23:19,970

only speakers but you know there were

399

00:23:27,490 --> 00:23:23,540

people like George Knapp and mr. Lazar

400

00:23:30,010 --> 00:23:27,500

and you know Bill Cooper and Anthony J

401  
00:23:34,090 --> 00:23:30,020  
Hildur and the Lincoln County Sheriff

402  
00:23:37,210 --> 00:23:34,100  
himself were all seated at this I'm

403  
00:23:40,930 --> 00:23:37,220  
Prasad preceded gathering at the

404  
00:23:44,860 --> 00:23:40,940  
little lady in uh and the nobody spoke

405  
00:23:51,100 --> 00:23:44,870  
except garish you can I but that was in

406  
00:23:55,570 --> 00:23:51,110  
1992 and in 1993 for the first time mr.

407  
00:23:57,520 --> 00:23:55,580  
Lazar agreed to speak out in front of

408  
00:24:00,190 --> 00:23:57,530  
the public and this was the first and

409  
00:24:03,910 --> 00:24:00,200  
the last time that mr. Bob Lazar ever

410  
00:24:07,030 --> 00:24:03,920  
spoke out add in front of the public

411  
00:24:10,090 --> 00:24:07,040  
it's a very rare video norio by the way

412  
00:24:12,100 --> 00:24:10,100  
I've seen it it it's a little you know

413  
00:24:15,940 --> 00:24:12,110

for anybody out there you can go and and

414

00:24:18,360 --> 00:24:15,950

find this video on YouTube it's you know

415

00:24:20,830 --> 00:24:18,370

it's obviously an old trashed out

416

00:24:23,430 --> 00:24:20,840

videotape somebody has managed to copy

417

00:24:25,450 --> 00:24:23,440

and get back up on the net but that that

418

00:24:28,029 --> 00:24:25,460

conversation that you're talking about

419

00:24:30,190 --> 00:24:28,039

is is I've seen it

420

00:24:32,590 --> 00:24:30,200

wish I would have been there but uh so

421

00:24:35,349 --> 00:24:32,600

tell us about how did it happen and did

422

00:24:40,289 --> 00:24:35,359

whoa I got asked the question for

423

00:24:52,210 --> 00:24:43,719

and his license number was named J dash

424

00:24:58,210 --> 00:24:52,220

12 and did an amazing event it was held

425

00:25:02,950 --> 00:24:58,220

in 1993 on may first and we had told a

426

00:25:04,930 --> 00:25:02,960

lot of people through mail and I believe

427

00:25:12,099 --> 00:25:04,940

you know a little bit of the internet

428

00:25:14,830 --> 00:25:12,109

and but anyway 250 people showed up from

429

00:25:20,409 --> 00:25:14,840

all over the United States to hear mr.

430

00:25:24,729 --> 00:25:20,419

Bob Lazar speak under a military tent a

431

00:25:29,529 --> 00:25:24,739

huge military tent that was prepared for

432

00:25:33,609 --> 00:25:29,539

this event and I had no idea until after

433

00:25:37,060 --> 00:25:33,619

the event that Joe Travis the owner of

434

00:25:40,089 --> 00:25:37,070

the little alien who has had a working

435

00:25:43,499 --> 00:25:40,099

relationship with the base in other

436

00:25:46,599 --> 00:25:43,509

words area 51 right mr. Joe Travis

437

00:25:50,859 --> 00:25:46,609

confided to both Gary Schultz and I that

438

00:25:54,190 --> 00:25:50,869

he had borrowed that huge military tent

439

00:25:58,869 --> 00:25:54,200

along with two hundred chairs from the

440

00:26:02,950 --> 00:25:58,879

base specifically for that event and in

441

00:26:07,479 --> 00:26:02,960

other words the base had new known that

442

00:26:12,639 --> 00:26:07,489

there was going to be this gathering and

443

00:26:16,060 --> 00:26:12,649

they had lent this military tent to Joe

444

00:26:18,489 --> 00:26:16,070

Travis and very few people know about

445

00:26:20,739 --> 00:26:18,499

this well this yeah it's kind of funny

446

00:26:24,369 --> 00:26:20,749

that area 51 would supply the tent to

447

00:26:26,499 --> 00:26:24,379

block the 120 degrees sun that was

448

00:26:29,440 --> 00:26:26,509

probably baking down on everybody but

449

00:26:33,879 --> 00:26:29,450

did well actually it wasn't that bad it

450

00:26:39,009 --> 00:26:33,889

was in May first but you know the tent

451  
00:26:41,450 --> 00:26:39,019  
help and is 250 people in Rachel Nevada

452  
00:26:44,090 --> 00:26:41,460  
which is population two

453  
00:26:45,440 --> 00:26:44,100  
you know to travel not only from around

454  
00:26:50,060 --> 00:26:45,450  
the country but make it up from Las

455  
00:26:51,799 --> 00:26:50,070  
Vegas to gather at Rachel uh and the the

456  
00:26:55,899 --> 00:26:51,809  
publicity went out that it was going to

457  
00:26:58,760 --> 00:26:55,909  
be Bob Lazar that's right couples are uh

458  
00:27:03,500 --> 00:26:58,770  
was the main speaker he spoke for about

459  
00:27:07,970 --> 00:27:03,510  
at least an hour and 45 minutes straight

460  
00:27:10,159 --> 00:27:07,980  
and he answered a lot of question did he

461  
00:27:13,220 --> 00:27:10,169  
did I will I will admit right now

462  
00:27:16,370 --> 00:27:13,230  
watching that video either he is a

463  
00:27:19,010 --> 00:27:16,380

really good actor a really really good

464

00:27:20,419 --> 00:27:19,020

actor or it was the truth you know it's

465

00:27:22,010 --> 00:27:20,429

one of the two it's either is you know

466

00:27:25,240 --> 00:27:22,020

there's no gray area when it comes to

467

00:27:28,580 --> 00:27:25,250

bob lazar but that right and therefore

468

00:27:32,240 --> 00:27:28,590

ricky van he fielded he answered every

469

00:27:34,460 --> 00:27:32,250

question he he he did not hold back and

470

00:27:37,639 --> 00:27:34,470

well neither did the audience either by

471

00:27:39,980 --> 00:27:37,649

the way that's right and you know the

472

00:27:43,370 --> 00:27:39,990

reason why this was a historic event was

473

00:27:47,149 --> 00:27:43,380

because this was the one and only time

474

00:27:51,110 --> 00:27:47,159

ever that mr. Lazar appeared in spoke in

475

00:27:55,490 --> 00:27:51,120

front of the public ever since that time

476

00:27:58,519 --> 00:27:55,500

he has just was drawn himself and of

477

00:28:01,970 --> 00:27:58,529

course he did some interviews but later

478

00:28:07,669 --> 00:28:01,980

on in later years he moved to

479

00:28:10,100 --> 00:28:07,679

Albuquerque New Mexico and he started

480

00:28:15,889 --> 00:28:10,110

concentrating on his business which is a

481

00:28:19,970 --> 00:28:15,899

united nuclear com business he now lives

482

00:28:28,100 --> 00:28:19,980

in Michigan and he continues to do work

483

00:28:31,580 --> 00:28:28,110

uh for contractors in fact he had just

484

00:28:35,210 --> 00:28:31,590

uh you know about the beginning about

485

00:28:40,430 --> 00:28:35,220

six months ago he signed a contract with

486

00:28:43,370 --> 00:28:40,440

raytheon on certain projects yeah well

487

00:28:45,289 --> 00:28:43,380

the ironic thing about that about his

488

00:28:47,529 --> 00:28:45,299

company he's also selling to the

489

00:28:52,710 --> 00:28:47,539

government I understand to sell right

490

00:28:55,440 --> 00:28:52,720

that is absolutely right so there is a

491

00:28:59,039 --> 00:28:55,450

you know can't live with without him

492

00:29:04,169 --> 00:28:59,049

campaign and you know if there is a it's

493

00:29:06,990 --> 00:29:04,179

a dilemma well um after this event which

494

00:29:11,430 --> 00:29:07,000

was extraordinary uh have you spoken

495

00:29:15,930 --> 00:29:11,440

with bob lazar sense no uh in fact very

496

00:29:22,020 --> 00:29:15,940

few people have spoken to him of course

497

00:29:28,279 --> 00:29:22,030

you know he kept uh occasionally uh you

498

00:29:33,350 --> 00:29:28,289

know he kept touch with uh like art bell

499

00:29:36,440 --> 00:29:33,360

and so on occasionally but these days he

500

00:29:39,630 --> 00:29:36,450

doesn't do anything he never talks about

501  
00:29:44,130 --> 00:29:39,640  
his experiences at every fifty one

502  
00:29:47,760 --> 00:29:44,140  
anymore but he has not changed any of

503  
00:29:50,970 --> 00:29:47,770  
his story so my opinion is that

504  
00:29:53,880 --> 00:29:50,980  
regardless of what people may think of

505  
00:29:58,640 --> 00:29:53,890  
bubbles are some people say he's a fraud

506  
00:30:04,230 --> 00:29:58,650  
you or you know huckster and so on but

507  
00:30:07,440 --> 00:30:04,240  
you know i don't think we can judge mr.

508  
00:30:14,210 --> 00:30:07,450  
Lazar as a fraud because there's no

509  
00:30:18,570 --> 00:30:14,220  
evidence against his uh you know uh

510  
00:30:21,930 --> 00:30:18,580  
claims well very few of us in this great

511  
00:30:23,820 --> 00:30:21,940  
country very few of us have personal

512  
00:30:28,230 --> 00:30:23,830  
experience with bob lazarus I certainly

513  
00:30:31,230 --> 00:30:28,240

haven't but you whether you believe I

514

00:30:33,990 --> 00:30:31,240

just think the story I've watched

515

00:30:36,299 --> 00:30:34,000

everything norio everything I've watched

516

00:30:37,980 --> 00:30:36,309

every video dozens of times everything

517

00:30:41,159 --> 00:30:37,990

that's out there about him I've watched

518

00:30:42,899 --> 00:30:41,169

at all looking for something that to

519

00:30:44,820 --> 00:30:42,909

trip him up now we were just talking to

520

00:30:47,190 --> 00:30:44,830

Stanton Friedman earlier I'd of freedmen

521

00:30:48,960 --> 00:30:47,200

I don't know if you caught the interview

522

00:30:51,450 --> 00:30:48,970

or the the conversation that we had we

523

00:30:54,270 --> 00:30:51,460

talked a little bit about it and I am

524

00:30:57,870 --> 00:30:54,280

Stan certainly you know went and did a

525

00:31:00,000 --> 00:30:57,880

lot of investigating on on Bob and it

526

00:31:02,220 --> 00:31:00,010

everything spells of fraud but this is

527

00:31:04,260 --> 00:31:02,230

how I look at it now that i'm talking

528

00:31:06,520 --> 00:31:04,270

about the facts about Bob you know the

529

00:31:11,170 --> 00:31:06,530

hard proven fact but this is the thing

530

00:31:14,350 --> 00:31:11,180

if his story is true then why wouldn't

531

00:31:17,080 --> 00:31:14,360

the government go and get rid of his

532

00:31:18,970 --> 00:31:17,090

past why wouldn't they do everything

533

00:31:21,640 --> 00:31:18,980

they could to just try to either shut

534

00:31:23,470 --> 00:31:21,650

and shut him up or discredit him so

535

00:31:25,450 --> 00:31:23,480

nobody would believe him that's that

536

00:31:28,450 --> 00:31:25,460

side and I find that side of the

537

00:31:31,180 --> 00:31:28,460

argument as good as any other side of

538

00:31:35,260 --> 00:31:31,190

the argument then the but the flip side

539

00:31:37,960 --> 00:31:35,270

is there would be people at every single

540

00:31:40,060 --> 00:31:37,970

college that know him knew him teachers

541

00:31:42,070 --> 00:31:40,070

that would come out and stand beside him

542

00:31:45,490 --> 00:31:42,080

and say yeah he went to MIT he went to

543

00:31:47,560 --> 00:31:45,500

you know he went to Caltech yes he did

544

00:31:50,230 --> 00:31:47,570

this yes but those people haven't

545

00:31:52,180 --> 00:31:50,240

surfaced either so it's weird I'm caught

546

00:31:54,580 --> 00:31:52,190

in the middle you know and there's of

547

00:31:56,800 --> 00:31:54,590

course I want to believe I do I want to

548

00:31:58,540 --> 00:31:56,810

believe because it's a great story and

549

00:32:00,760 --> 00:31:58,550

then there's this part that's in the

550

00:32:04,720 --> 00:32:00,770

middle and I want your reaction to this

551

00:32:08,620 --> 00:32:04,730

oh they didn't what you know I I don't

552

00:32:11,830 --> 00:32:08,630

uh you know consider him as a fraud

553

00:32:16,720 --> 00:32:11,840

because uh you know I die I don't want

554

00:32:20,800 --> 00:32:16,730

to be judgmental but judging from his

555

00:32:22,650 --> 00:32:20,810

work as a scientist and you have to be

556

00:32:26,560 --> 00:32:22,660

you have to be knowledgeable about

557

00:32:28,270 --> 00:32:26,570

science you have to absolutely and to

558

00:32:31,660 --> 00:32:28,280

field questions and answer questions

559

00:32:34,000 --> 00:32:31,670

like he has you've got to have learned

560

00:32:39,070 --> 00:32:34,010

something somewhere he's a very learning

561

00:32:42,850 --> 00:32:39,080

guy but there's this aspect to when you

562

00:32:46,330 --> 00:32:42,860

know with the w2 and and the the naval

563

00:32:49,540 --> 00:32:46,340

intelligence officer whatever was its

564

00:32:52,180 --> 00:32:49,550

nobody from the government in any any

565

00:32:56,140 --> 00:32:52,190

office of any branch of anything has

566

00:32:57,670 --> 00:32:56,150

ever stepped out and said no this is

567

00:33:00,340 --> 00:32:57,680

fraught this is wrong this is wrong this

568

00:33:02,440 --> 00:33:00,350

is wrong and this is why and because of

569

00:33:05,170 --> 00:33:02,450

the government silence i'm bob lazar

570

00:33:08,590 --> 00:33:05,180

then that just gives him the platform to

571

00:33:13,210 --> 00:33:08,600

say hey see it's it's it's it's all true

572

00:33:15,070 --> 00:33:13,220

you know and i am just baffled by the

573

00:33:16,960 --> 00:33:15,080

government's response and their silence

574

00:33:20,230 --> 00:33:16,970

on the entire bob lazar thing because

575

00:33:22,570 --> 00:33:20,240

this is a very public very

576

00:33:24,790 --> 00:33:22,580

visible story that he put out there not

577

00:33:26,770 --> 00:33:24,800

only was it on Japanese television but

578

00:33:29,080 --> 00:33:26,780

it was all over Las Vegas television

579

00:33:31,780 --> 00:33:29,090

books were written videos were out there

580

00:33:33,820 --> 00:33:31,790

seminars you know and nothing was ever

581

00:33:35,530 --> 00:33:33,830

nothing official ever came out to

582

00:33:38,200 --> 00:33:35,540

discredit him and that's what I find

583

00:33:41,410 --> 00:33:38,210

fascinating that's exactly what I'm

584

00:33:44,549 --> 00:33:41,420

trying to say plus in order to do his

585

00:33:47,680 --> 00:33:44,559

business which is united nuclear dot-com

586

00:33:51,520 --> 00:33:47,690

he has to have a tremendous knowledge

587

00:33:54,910 --> 00:33:51,530

about particle beam weapon systems and

588

00:34:00,330 --> 00:33:54,920

other weapons systems because he is a

589

00:34:05,730 --> 00:34:00,340

legitimate a knowledgeable engineer uh

590

00:34:09,340 --> 00:34:05,740

in which you know groups like Raytheon

591

00:34:10,930 --> 00:34:09,350

you know exactly know exactly well how

592

00:34:12,580 --> 00:34:10,940

about that well how about this so this

593

00:34:19,030 --> 00:34:12,590

is the closer for me when it comes to

594

00:34:21,399 --> 00:34:19,040

Bob Lazar is element 115 he you know not

595

00:34:23,440 --> 00:34:21,409

only when he brought when he brought all

596

00:34:26,109 --> 00:34:23,450

of that up back in the day when all of

597

00:34:28,000 --> 00:34:26,119

that was brought up by Bob nobody had

598

00:34:30,369 --> 00:34:28,010

heard of element 115 nobody had talked

599

00:34:33,790 --> 00:34:30,379

about it or anything else but now there

600

00:34:36,099 --> 00:34:33,800

is an element 115 and that is a scary

601  
00:34:38,649 --> 00:34:36,109  
thing and the way that he described it

602  
00:34:42,849 --> 00:34:38,659  
you know that we if we made it here on

603  
00:34:45,310 --> 00:34:42,859  
on on our planet if we made it here by

604  
00:34:47,500 --> 00:34:45,320  
man we would make it in such minuscule

605  
00:34:49,240 --> 00:34:47,510  
amount it would amount to anything you

606  
00:34:51,129 --> 00:34:49,250  
know so everything that we had had to

607  
00:34:53,349 --> 00:34:51,139  
have in his opinion come from somewhere

608  
00:34:57,280 --> 00:34:53,359  
else well that it turns out to be true

609  
00:35:00,190 --> 00:34:57,290  
and it blows my mind it you know now and

610  
00:35:02,080 --> 00:35:00,200  
nothing against what Stan Friedman just

611  
00:35:04,390 --> 00:35:02,090  
said or or every all of his

612  
00:35:08,080 --> 00:35:04,400  
investigation because everything that

613  
00:35:10,510 --> 00:35:08,090

Stanton has done is he did what he could

614

00:35:13,660 --> 00:35:10,520

do and he answered all of the questions

615

00:35:16,720 --> 00:35:13,670

out there when it comes to Caltech and

616

00:35:19,300 --> 00:35:16,730

MIT and in Pierce College in his little

617

00:35:21,430 --> 00:35:19,310

electronic class that he took took out

618

00:35:24,220 --> 00:35:21,440

there or whatever you know so the roads

619

00:35:26,080 --> 00:35:24,230

that that led Stanton down Stanton got

620

00:35:28,780 --> 00:35:26,090

those answers and they were correct and

621

00:35:30,580 --> 00:35:28,790

and I can't blame him for his position

622

00:35:32,980 --> 00:35:30,590

on that because I would say look he's a

623

00:35:33,640 --> 00:35:32,990

fraud but then there's all of the other

624

00:35:35,110 --> 00:35:33,650

ass

625

00:35:39,520 --> 00:35:35,120

acts and all of his other stories that

626  
00:35:44,710 --> 00:35:39,530  
just freaked me out yes Jimmy you know

627  
00:35:47,490 --> 00:35:44,720  
the reason why I I cannot discount about

628  
00:35:53,260 --> 00:35:47,500  
Missouri's because look at for example

629  
00:35:58,750 --> 00:35:53,270  
all the astronauts that claim to have

630  
00:36:02,050 --> 00:35:58,760  
seen things plus astronauts like Edgar

631  
00:36:05,920 --> 00:36:02,060  
Mitchell openly says that there is a

632  
00:36:10,800 --> 00:36:05,930  
cover-up and if any of the UFO story is

633  
00:36:14,110 --> 00:36:10,810  
true then anything can be possible and

634  
00:36:19,020 --> 00:36:14,120  
evolved of those claims can be true if

635  
00:36:23,920 --> 00:36:19,030  
any one incident of UFO is true and

636  
00:36:27,280 --> 00:36:23,930  
there are even you know people like Paul

637  
00:36:30,490 --> 00:36:27,290  
Hellyer of Canada who was a defence

638  
00:36:34,930 --> 00:36:30,500

minister says that there is a cover-up

639

00:36:38,710 --> 00:36:34,940

and so if any incident of UFOs is a fact

640

00:36:41,050 --> 00:36:38,720

then it's very possible that what mr.

641

00:36:43,870 --> 00:36:41,060

lasa has been saying could be true so

642

00:36:47,470 --> 00:36:43,880

you know I'm not the person I don't like

643

00:36:50,370 --> 00:36:47,480

to judge any person because we can as

644

00:36:53,950 --> 00:36:50,380

long as you cannot disprove their claims

645

00:36:57,700 --> 00:36:53,960

you know anything is possible well what

646

00:37:00,310 --> 00:36:57,710

do you think okay well I want to hear it

647

00:37:02,740 --> 00:37:00,320

first what do you think it do you think

648

00:37:06,010 --> 00:37:02,750

what do you think is going on at area 51

649

00:37:08,110 --> 00:37:06,020

that I actually think there's a there's

650

00:37:15,030 --> 00:37:08,120

some stuff out there some stuff that is

651  
00:37:19,890 --> 00:37:15,040  
not made by us well it's hard for me to

652  
00:37:22,090 --> 00:37:19,900  
say that area 51 is connected with

653  
00:37:23,980 --> 00:37:22,100  
extraterrestrial technology it's hard

654  
00:37:29,130 --> 00:37:23,990  
for me to say because that we haven't

655  
00:37:34,150 --> 00:37:29,140  
seen any specific solid irrefutable

656  
00:37:39,040 --> 00:37:34,160  
evidence for it Yuri note with that area

657  
00:37:42,700 --> 00:37:39,050  
51 today is experimenting on a whole

658  
00:37:46,180 --> 00:37:42,710  
variety of military technologies it has

659  
00:37:46,980 --> 00:37:46,190  
been for the past you know 30 or 40

660  
00:37:53,670 --> 00:37:46,990  
years

661  
00:37:57,230 --> 00:37:53,680  
that we have been hearing you know from

662  
00:38:01,680 --> 00:37:57,240  
about a decade or two ago is the

663  
00:38:08,210 --> 00:38:01,690

remotely controlled platforms or UAVs or

664

00:38:11,010 --> 00:38:08,220

drones it's it's a definite likely

665

00:38:16,710 --> 00:38:11,020

possibility that area 51 had

666

00:38:19,830 --> 00:38:16,720

experimented on drones in the even 70 in

667

00:38:22,710 --> 00:38:19,840

early 80s right well I'm not trying to

668

00:38:24,930 --> 00:38:22,720

pin you up against the wall but you kind

669

00:38:26,880 --> 00:38:24,940

of telling me two different things but I

670

00:38:29,730 --> 00:38:26,890

agree with both of what you're saying by

671

00:38:32,160 --> 00:38:29,740

the way so Toto don't they don't but

672

00:38:36,210 --> 00:38:32,170

yeah but you on one hand you're saying

673

00:38:37,950 --> 00:38:36,220

Bob Lazar is probably legit and and

674

00:38:39,930 --> 00:38:37,960

you're saying that on one side but on

675

00:38:43,050 --> 00:38:39,940

the other side you're saying now but

676  
00:38:45,540 --> 00:38:43,060  
area 51 is probably just what they say

677  
00:38:47,460 --> 00:38:45,550  
it is it's just an aircraft research

678  
00:38:50,340 --> 00:38:47,470  
facility where we're doing advanced

679  
00:38:53,820 --> 00:38:50,350  
testing of aircraft yeah that the

680  
00:39:00,210 --> 00:38:53,830  
probable probability is that that is

681  
00:39:05,660 --> 00:39:00,220  
what probably 90 you know five percent

682  
00:39:09,630 --> 00:39:05,670  
in fact there is an organization former

683  
00:39:11,760 --> 00:39:09,640  
EG&G employees that worked at area 51

684  
00:39:13,920 --> 00:39:11,770  
and this is what this organization is

685  
00:39:16,020 --> 00:39:13,930  
called the Roadrunners internationality

686  
00:39:19,290 --> 00:39:16,030  
and there's about a hundred twenty

687  
00:39:23,510 --> 00:39:19,300  
members all of them were worked at area

688  
00:39:27,800 --> 00:39:23,520

51 and even they say that they only know

689

00:39:31,280 --> 00:39:27,810

so much about area 51 because of the

690

00:39:34,640 --> 00:39:31,290

different diversification

691

00:39:39,030 --> 00:39:34,650

compartmentalization various program so

692

00:39:46,340 --> 00:39:39,040

nobody can say that five percent of what

693

00:39:49,200 --> 00:39:46,350

in area 51 is not necessarily you know

694

00:39:50,940 --> 00:39:49,210

that's where the door is left open see

695

00:39:52,770 --> 00:39:50,950

that's exactly right that's where the

696

00:39:55,140 --> 00:39:52,780

door is left open to Robert Lazarre

697

00:39:58,590 --> 00:39:55,150

story but the other thing that allows

698

00:40:00,150 --> 00:39:58,600

Robert Lazarre story to continue to have

699

00:40:03,990 --> 00:40:00,160

teeth today

700

00:40:06,599 --> 00:40:04,000

because he said and this was his out he
