00:00:06,150 --> 00:00:02,869
radio network

2
00:00:08,549 --> 00:00:06,160
don't run and hide don't be afraid

3
00:00:11,190 --> 00:00:08,559
don't turn away any longer

4
00:00:13,910 --> 00:00:11,200
the truth will set you free

5
00:00:17,189 --> 00:00:13,920
and now your host the captain of

6
00:00:19,429 --> 00:00:17,199
conspiracy the prince of paranormal

7
00:00:20,310 --> 00:00:19,439
this ain't your daddy's radio network

8
00:00:26,310 --> 00:00:20,320
show

9
00:00:42,150 --> 00:00:35,670
all right

10
00:00:42,160 --> 00:00:46,709
that's what i'm talking about

11
00:00:51,910 --> 00:00:49,510
this is fade to black today's tuesday

12
00:00:55,029 --> 00:00:51,920
february 18 2014

13
00:00:57,189 --> 00:00:55,039

or 48 days into the new year

14

00:00:59,510 --> 00:00:57,199

we are live from the jp motorsports

15

00:01:01,270 --> 00:00:59,520

mobile studios right here in studio city

16

00:01:03,430 --> 00:01:01,280

california

17

00:01:07,270 --> 00:01:03,440

for kjcr in the dark matter radio

18

00:01:10,230 --> 00:01:07,280

network i am your host jimmy church

19

00:01:12,310 --> 00:01:10,240

let's start off every show the same way

20

00:01:14,230 --> 00:01:12,320

started off with the salute to the proud

21

00:01:15,910 --> 00:01:14,240

men and women in uniform all around the

22

00:01:17,910 --> 00:01:15,920

world fighting the good fight for us

23

00:01:18,870 --> 00:01:17,920

without them there is no me there is no

24

00:01:20,630 --> 00:01:18,880

you

25

00:01:23,510 --> 00:01:20,640

there is no us

26

00:01:29,830 --> 00:01:25,749

today happy birthday to john travolta

27

00:01:33,590 --> 00:01:32,550

our dead guy birthday without him there

28

00:01:34,870 --> 00:01:33,600

is no

29

00:01:40,390 --> 00:01:34,880

show tonight

30

00:01:43,830 --> 00:01:42,469

follow us on twitter at j church radio

31

00:01:45,350 --> 00:01:43,840

facebook

32

00:01:47,830 --> 00:01:45,360

youtube everything is fade to black

33

00:01:50,230 --> 00:01:47,840

jimmy church radio j church you know

34

00:01:51,990 --> 00:01:50,240

what to do go and follow like and

35

00:01:56,389 --> 00:01:52,000

subscribe tonight

36

00:02:00,469 --> 00:01:58,310

we won't be taking your calls because we

37

00:02:02,630 --> 00:02:00,479

are live with richard dolan right here

38

00:02:04,709 --> 00:02:02,640

in studio city

39

00:02:06,789 --> 00:02:04,719

you can email throughout the show if you

40

00:02:08,949 --> 00:02:06,799

have something the producers back at the

41

00:02:10,229 --> 00:02:08,959

studio we'll get it back to us

42

00:02:11,510 --> 00:02:10,239

and if you have anything that you want

43

00:02:13,990 --> 00:02:11,520

to ask richard tonight throughout the

44

00:02:15,910 --> 00:02:14,000

show if it's good

45

00:02:18,150 --> 00:02:15,920

i'll read it on the air

46

00:02:20,070 --> 00:02:18,160

the bumper music tonight as always is

47

00:02:23,190 --> 00:02:20,080

doug aldrige from the band white snake

48

00:02:24,869 --> 00:02:23,200

we gotta thank doug for every show

49

00:02:27,190 --> 00:02:24,879

and we are just gonna jump right into

50

00:02:29,750 --> 00:02:27,200

this after the show tonight i will jump

51
00:02:31,589 --> 00:02:29,760
into the forums over on the website

52
00:02:32,550 --> 00:02:31,599
stan's blog everything is good over

53
00:02:35,190 --> 00:02:32,560
there

54
00:02:37,910 --> 00:02:35,200
over at artbell.com

55
00:02:39,910 --> 00:02:37,920
there's a new article go check it out

56
00:02:42,150 --> 00:02:39,920
it's by a british astronaut and he says

57
00:02:44,309 --> 00:02:42,160
there must be alien life on other

58
00:02:46,550 --> 00:02:44,319
planets and i read it this morning go

59
00:02:48,630 --> 00:02:46,560
and check it out tonight we have a very

60
00:02:50,949 --> 00:02:48,640
special show

61
00:02:53,030 --> 00:02:50,959
we are live with their upars

62
00:02:55,350 --> 00:02:53,040
presentation

63
00:02:57,030 --> 00:02:55,360

with richard dolan here in studio city

64

00:02:58,710 --> 00:02:57,040

california we got a packed house in

65

00:03:00,390 --> 00:02:58,720

front of us pretty cool very unique

66

00:03:02,070 --> 00:03:00,400

experience and i want to welcome

67

00:03:03,270 --> 00:03:02,080

everybody around the world listening to

68

00:03:04,710 --> 00:03:03,280

the show

69

00:03:06,390 --> 00:03:04,720

we're gonna run

70

00:03:09,030 --> 00:03:06,400

with our advertisers tonight they have

71

00:03:11,350 --> 00:03:09,040

agreed we are gonna run commercial free

72

00:03:14,630 --> 00:03:11,360

now this is what we're gonna do

73

00:03:16,710 --> 00:03:14,640

we're gonna do two hours with richard

74

00:03:19,270 --> 00:03:16,720

we're gonna cover his new book

75

00:03:21,270 --> 00:03:19,280

ufos in the 21st century mine we have a

76

00:03:24,710 --> 00:03:21,280

bunch in the back by the way

77

00:03:26,790 --> 00:03:24,720

and then the last hour

78

00:03:28,790 --> 00:03:26,800

live studio audience is going to be

79

00:03:30,309 --> 00:03:28,800

asking richard some questions

80

00:03:31,589 --> 00:03:30,319

is everybody ready for this is going to

81

00:03:36,149 --> 00:03:31,599

be a great night

82

00:03:39,670 --> 00:03:37,030

so

83

00:03:41,670 --> 00:03:39,680

with that let's just kill the music and

84

00:03:43,030 --> 00:03:41,680

let's get going

85

00:03:44,869 --> 00:03:43,040

richard dolan

86

00:03:47,670 --> 00:03:44,879

is among the world's leading researchers

87

00:03:49,910 --> 00:03:47,680

and historians of the ufo subject

88

00:03:52,229 --> 00:03:49,920

is the author of two volumes of history

89

00:03:54,309 --> 00:03:52,239

ufos in the national security state

90

00:03:57,910 --> 00:03:54,319

volumes one and two

91

00:04:01,990 --> 00:03:57,920

as well as an analysis of the future a.d

92

00:04:06,789 --> 00:04:03,429

he has also appeared on the history

93

00:04:09,110 --> 00:04:06,799

channel sci-fi bbc and elsewhere since

94

00:04:11,990 --> 00:04:09,120

2012 richard has hosted the richard

95

00:04:13,110 --> 00:04:12,000

dolan show airing on kgra radio his

96

00:04:15,670 --> 00:04:13,120

books

97

00:04:17,270 --> 00:04:15,680

articles and many interviews richard has

98

00:04:19,430 --> 00:04:17,280

analyzed the destruction of our

99

00:04:21,110 --> 00:04:19,440

political libraries as a result of the

100

00:04:23,350 --> 00:04:21,120

ufo cover-up

101
00:04:25,909 --> 00:04:23,360
the possible nature of the non-humans

102
00:04:28,230 --> 00:04:25,919
themselves what their presence means for

103
00:04:31,510 --> 00:04:28,240
our civilization and why he believes the

104
00:04:33,830 --> 00:04:31,520
cover-up will end within our lifetime

105
00:04:36,150 --> 00:04:33,840
dolan attended alfred university and

106
00:04:38,070 --> 00:04:36,160
oxford university prior to graduate work

107
00:04:40,390 --> 00:04:38,080
in history at the university of

108
00:04:43,430 --> 00:04:40,400
rochester i would like to welcome to

109
00:04:46,629 --> 00:04:43,440
fade to black mr richard dolan richard

110
00:04:51,510 --> 00:04:49,749
hi jimmy and uh what a what a treat it

111
00:04:53,909 --> 00:04:51,520
is to be here with a live audience

112
00:04:56,550 --> 00:04:53,919
watching us uh do this this great radio

113
00:04:58,469 --> 00:04:56,560

show so thank you well uh really quick

114

00:05:00,310 --> 00:04:58,479

before we get started we we tried to put

115

00:05:01,510 --> 00:05:00,320

the show together for the last couple of

116

00:05:04,310 --> 00:05:01,520

months

117

00:05:07,029 --> 00:05:04,320

and uh if you know to put this together

118

00:05:08,870 --> 00:05:07,039

tonight with upars and this type of

119

00:05:10,310 --> 00:05:08,880

presentation i just want to thank you

120

00:05:12,550 --> 00:05:10,320

and it was a lot of work a lot of effort

121

00:05:15,110 --> 00:05:12,560

but thank you and welcome to l.a

122

00:05:17,749 --> 00:05:15,120

oh it's my pleasure and regarding upars

123

00:05:20,230 --> 00:05:17,759

it's just really worth uh mentioning

124

00:05:21,909 --> 00:05:20,240

that um this is an independent

125

00:05:24,790 --> 00:05:21,919

organization that had once been part of

126

00:05:27,430 --> 00:05:24,800

a larger organization and what's great

127

00:05:28,550 --> 00:05:27,440

about what is happening here is that

128

00:05:29,909 --> 00:05:28,560

i think it's the best thing you have

129

00:05:31,909 --> 00:05:29,919

people taking charge of their own

130

00:05:34,310 --> 00:05:31,919

destiny running their own

131

00:05:35,350 --> 00:05:34,320

their own type of organization and and

132

00:05:36,950 --> 00:05:35,360

following

133

00:05:38,629 --> 00:05:36,960

their interest in this topic in the way

134

00:05:40,070 --> 00:05:38,639

that they think is best and doing it

135

00:05:42,070 --> 00:05:40,080

their way so i want to thank steve

136

00:05:43,749 --> 00:05:42,080

morello who's here up on the stage with

137

00:05:44,790 --> 00:05:43,759

us who's organizing all of this and

138

00:05:46,070 --> 00:05:44,800

really had

139

00:05:47,510 --> 00:05:46,080

was um

140

00:05:49,350 --> 00:05:47,520

you know he's the brains of the outfit

141

00:05:51,430 --> 00:05:49,360

and he uh he made it he helped make it

142

00:05:52,790 --> 00:05:51,440

happen oh my pleasure thank you uh

143

00:05:55,029 --> 00:05:52,800

richard i appreciate that thank you

144

00:05:56,469 --> 00:05:55,039

thanks

145

00:05:58,070 --> 00:05:56,479

i have i have one other friend i just

146

00:05:59,510 --> 00:05:58,080

want to thank who also really made this

147

00:06:01,350 --> 00:05:59,520

happen she's michelle mountain and she's

148

00:06:02,550 --> 00:06:01,360

here with me today and helping sell some

149

00:06:03,990 --> 00:06:02,560

books and um

150

00:06:04,830 --> 00:06:04,000

she made a lot of this happen as well

151
00:06:08,390 --> 00:06:04,840
all right

152
00:06:10,710 --> 00:06:08,400
michelle um uh a couple of things uh

153
00:06:12,390 --> 00:06:10,720
really quick uh we have a lot to cover

154
00:06:13,749 --> 00:06:12,400
tonight but

155
00:06:17,909 --> 00:06:13,759
uh

156
00:06:18,950 --> 00:06:17,919
i have on the show this is what's really

157
00:06:20,710 --> 00:06:18,960
funny

158
00:06:23,110 --> 00:06:20,720
and i've had some of the biggest and the

159
00:06:24,950 --> 00:06:23,120
brightest in ufology on the show and i

160
00:06:27,350 --> 00:06:24,960
always started off like this

161
00:06:30,230 --> 00:06:27,360
it's just a conversation we're sitting

162
00:06:32,390 --> 00:06:30,240
in my living room let's relax and have a

163
00:06:34,790 --> 00:06:32,400

con here tonight

164

00:06:38,230 --> 00:06:34,800

it's a perfect it's delicious

165

00:06:39,670 --> 00:06:38,240

exactly exactly okay so um

166

00:06:41,029 --> 00:06:39,680

you could have done

167

00:06:43,670 --> 00:06:41,039

anything

168

00:06:46,070 --> 00:06:43,680

with your education you could be

169

00:06:48,390 --> 00:06:46,080

tenured somewhere teaching history and

170

00:06:50,950 --> 00:06:48,400

comfortable and secure

171

00:06:53,110 --> 00:06:50,960

but you took a right turn somewhere what

172

00:06:54,469 --> 00:06:53,120

happened yeah well that was my goal uh

173

00:06:56,070 --> 00:06:54,479

all through my 20s i thought well i'll

174

00:06:58,710 --> 00:06:56,080

just go teach history at a university

175

00:07:00,790 --> 00:06:58,720

get a nice job get tenure and

176

00:07:01,990 --> 00:07:00,800

get my summers off hang out right and

177

00:07:03,749 --> 00:07:02,000

and it looked like it would be a good

178

00:07:05,189 --> 00:07:03,759

life and i became

179

00:07:08,070 --> 00:07:05,199

the only way i can say that i became

180

00:07:09,029 --> 00:07:08,080

obsessed by the ufo topic in my early

181

00:07:12,950 --> 00:07:09,039

30s

182

00:07:15,589 --> 00:07:12,960

about 20 years ago i stumbled into it

183

00:07:17,990 --> 00:07:15,599

and simply all that means is i

184

00:07:20,230 --> 00:07:18,000

you know i'd been studying american cold

185

00:07:21,589 --> 00:07:20,240

war history very very uh deeply at that

186

00:07:24,309 --> 00:07:21,599

time everything having to do with harry

187

00:07:25,510 --> 00:07:24,319

truman circa 1950 russian relations

188

00:07:27,270 --> 00:07:25,520

birth of the

189

00:07:28,390 --> 00:07:27,280

intelligence community and post-war

190

00:07:30,950 --> 00:07:28,400

america

191

00:07:33,110 --> 00:07:30,960

that was my life and had nothing to do

192

00:07:34,870 --> 00:07:33,120

with the ufo topic in the academic world

193

00:07:36,629 --> 00:07:34,880

they just don't do that

194

00:07:38,070 --> 00:07:36,639

but i was

195

00:07:40,070 --> 00:07:38,080

bopping around at a bookstore one day

196

00:07:42,790 --> 00:07:40,080

and i saw a ufo conspiracy book that was

197

00:07:44,870 --> 00:07:42,800

subtitled the worldwide ufo cover-up

198

00:07:46,950 --> 00:07:44,880

i thought really

199

00:07:48,710 --> 00:07:46,960

well i'd like to know is there something

200

00:07:50,390 --> 00:07:48,720

like this or not it covered a lot of the

201
00:07:51,990 --> 00:07:50,400
period of history that i was studying at

202
00:07:54,390 --> 00:07:52,000
that time

203
00:07:55,990 --> 00:07:54,400
and uh when you and everyone look who

204
00:07:57,670 --> 00:07:56,000
hasn't at some point or another wonder

205
00:07:59,270 --> 00:07:57,680
gee i wonder if there's a ufo cover up

206
00:08:01,029 --> 00:07:59,280
every i think everyone not in just in

207
00:08:02,950 --> 00:08:01,039
this room but out in the world has

208
00:08:05,270 --> 00:08:02,960
thought about this at some point

209
00:08:06,790 --> 00:08:05,280
and uh with my particular background

210
00:08:08,070 --> 00:08:06,800
what i was studying i i thought i'm

211
00:08:09,110 --> 00:08:08,080
going to look into it now there's a lot

212
00:08:10,550 --> 00:08:09,120
of other people who study cold war

213
00:08:11,589 --> 00:08:10,560

history and they don't get into ufos so

214

00:08:12,629 --> 00:08:11,599

why did i

215

00:08:14,230 --> 00:08:12,639

that i would have a harder time

216

00:08:16,309 --> 00:08:14,240

answering um

217

00:08:18,950 --> 00:08:16,319

but i will say that

218

00:08:20,469 --> 00:08:18,960

i had a professor years later who after

219

00:08:21,830 --> 00:08:20,479

i published my first book he said

220

00:08:23,909 --> 00:08:21,840

richard

221

00:08:25,430 --> 00:08:23,919

you were always searching for something

222

00:08:27,909 --> 00:08:25,440

a little bit beyond what we had to offer

223

00:08:29,430 --> 00:08:27,919

you and that was actually his words

224

00:08:30,629 --> 00:08:29,440

so i looked at the ufo topic and i

225

00:08:32,550 --> 00:08:30,639

thought i don't know if this is real or

226

00:08:33,990 --> 00:08:32,560

this is a lot of nonsense but uh this

227

00:08:35,829 --> 00:08:34,000

looks like it's a serious book so i'll

228

00:08:38,310 --> 00:08:35,839

read it

229

00:08:39,589 --> 00:08:38,320

and um i was very intrigued because he

230

00:08:41,670 --> 00:08:39,599

had some documents that looked like they

231

00:08:42,949 --> 00:08:41,680

were legit and i thought well let's go

232

00:08:44,790 --> 00:08:42,959

further and then i thought i'll take

233

00:08:45,990 --> 00:08:44,800

three months out of my life

234

00:08:47,190 --> 00:08:46,000

that was the amount three months i

235

00:08:49,350 --> 00:08:47,200

thought i'm going to research this i'm

236

00:08:50,949 --> 00:08:49,360

going to dive in i will find out what is

237

00:08:52,310 --> 00:08:50,959

the strength of the argument of the

238

00:08:54,710 --> 00:08:52,320

believers do they really have something

239

00:08:56,070 --> 00:08:54,720

to stand on or not and my way of doing

240

00:08:58,630 --> 00:08:56,080

it was to go through the bibliography

241

00:09:00,710 --> 00:08:58,640

look at all the old books how

242

00:09:01,990 --> 00:09:00,720

strong was the argument and i got hooked

243

00:09:04,389 --> 00:09:02,000

i mean that's what pulled me right in

244

00:09:07,110 --> 00:09:04,399

was there something uh was there a

245

00:09:08,550 --> 00:09:07,120

specific case back in your

246

00:09:10,230 --> 00:09:08,560

you know as you were starting out was

247

00:09:12,630 --> 00:09:10,240

there one case that just made you

248

00:09:14,389 --> 00:09:12,640

scratch your head and go hmm

249

00:09:16,710 --> 00:09:14,399

yeah there were a couple of cases and a

250

00:09:18,230 --> 00:09:16,720

couple of military documents and

251
00:09:19,750 --> 00:09:18,240
intelligence community documents that

252
00:09:22,710 --> 00:09:19,760
was always my background that really

253
00:09:24,550 --> 00:09:22,720
remains my primary interest in this is

254
00:09:26,470 --> 00:09:24,560
looking at confirmed

255
00:09:28,550 --> 00:09:26,480
declassified

256
00:09:30,310 --> 00:09:28,560
primarily u.s government documents that

257
00:09:32,630 --> 00:09:30,320
tested the reality

258
00:09:33,590 --> 00:09:32,640
and through those documents

259
00:09:36,470 --> 00:09:33,600
you get

260
00:09:38,389 --> 00:09:36,480
military

261
00:09:40,070 --> 00:09:38,399
statements of various types

262
00:09:42,310 --> 00:09:40,080
my attitude and

263
00:09:45,110 --> 00:09:42,320

my desire to focus on the military cases

264

00:09:47,430 --> 00:09:45,120

initially was very simple

265

00:09:50,070 --> 00:09:47,440

everyone can see a ufo and often those

266

00:09:52,550 --> 00:09:50,080

sightings are legit yes but when the

267

00:09:55,110 --> 00:09:52,560

military encounters a ufo the military

268

00:09:57,190 --> 00:09:55,120

is obligated to do something about it

269

00:09:58,710 --> 00:09:57,200

i wanted to know

270

00:10:00,070 --> 00:09:58,720

what were the nature of these encounters

271

00:10:02,389 --> 00:10:00,080

and what did they do what did they think

272

00:10:04,070 --> 00:10:02,399

about it well here's basically what i

273

00:10:05,829 --> 00:10:04,080

learned

274

00:10:07,350 --> 00:10:05,839

in the declassified literature that we

275

00:10:09,829 --> 00:10:07,360

have and by the way we only had a really

276

00:10:12,070 --> 00:10:09,839

brief window where the the freedom of

277

00:10:14,069 --> 00:10:12,080

information act was truly useful for the

278

00:10:15,269 --> 00:10:14,079

ufo topic that's right

279

00:10:16,949 --> 00:10:15,279

a lot of people don't realize this they

280

00:10:18,389 --> 00:10:16,959

think i'll just issue a foia request and

281

00:10:20,230 --> 00:10:18,399

get what you need but it doesn't really

282

00:10:22,470 --> 00:10:20,240

it's not that simple but in the late

283

00:10:24,389 --> 00:10:22,480

1970s thank you jimmy carter we had a

284

00:10:25,509 --> 00:10:24,399

freedom of information act that was

285

00:10:27,350 --> 00:10:25,519

useful

286

00:10:28,870 --> 00:10:27,360

that did allow for the release of

287

00:10:31,030 --> 00:10:28,880

thousands of pages of interesting

288

00:10:33,269 --> 00:10:31,040

documents so based on those i just

289

00:10:34,550 --> 00:10:33,279

looked at many many of them

290

00:10:35,829 --> 00:10:34,560

and what you find are really two

291

00:10:38,790 --> 00:10:35,839

fundamental things you find some

292

00:10:41,269 --> 00:10:38,800

interesting sightings

293

00:10:43,670 --> 00:10:41,279

over one example over oak ridge nuclear

294

00:10:46,630 --> 00:10:43,680

facility in the early 1950s an engineer

295

00:10:47,829 --> 00:10:46,640

described how a black object appeared

296

00:10:50,470 --> 00:10:47,839

from a

297

00:10:53,030 --> 00:10:50,480

very very fast speed then stopped

298

00:10:55,030 --> 00:10:53,040

joined by two other black objects and

299

00:10:56,870 --> 00:10:55,040

then they shot off at a tremendous speed

300

00:10:58,870 --> 00:10:56,880

toward the east and he's scratching his

301
00:11:00,069 --> 00:10:58,880
head oak ridge was a very big deal

302
00:11:01,750 --> 00:11:00,079
that's where a lot of our atomic

303
00:11:04,470 --> 00:11:01,760
research was being done

304
00:11:06,310 --> 00:11:04,480
lots of sightings by uh military pilots

305
00:11:07,670 --> 00:11:06,320
in the 40s and 50s that were recorded in

306
00:11:09,430 --> 00:11:07,680
these documents showing equally

307
00:11:11,110 --> 00:11:09,440
extraordinary things so that was one

308
00:11:13,910 --> 00:11:11,120
part of it the other thing was the

309
00:11:16,310 --> 00:11:13,920
analyses one was a famous memo a lot of

310
00:11:19,030 --> 00:11:16,320
ufo researchers know it very well

311
00:11:20,389 --> 00:11:19,040
called the twining memo 1947 general

312
00:11:22,790 --> 00:11:20,399
nathan twining

313
00:11:23,750 --> 00:11:22,800

who later became head of the u.s air

314

00:11:25,269 --> 00:11:23,760

force

315

00:11:27,030 --> 00:11:25,279

wrote a memo to another general in

316

00:11:30,550 --> 00:11:27,040

september of that year and he said look

317

00:11:32,470 --> 00:11:30,560

this phenomenon is real not visionary or

318

00:11:34,550 --> 00:11:32,480

fictitious how much more solid do you

319

00:11:36,630 --> 00:11:34,560

want of a statement the phenomenon is

320

00:11:38,550 --> 00:11:36,640

real not visionary or fictitious

321

00:11:40,949 --> 00:11:38,560

and then he went on to describe the

322

00:11:43,350 --> 00:11:40,959

nature of the the military

323

00:11:45,990 --> 00:11:43,360

uh visual

324

00:11:48,710 --> 00:11:46,000

sightings of these objects and

325

00:11:51,030 --> 00:11:48,720

saying they're typically disc shaped

326

00:11:54,069 --> 00:11:51,040

well that's interesting

327

00:11:55,030 --> 00:11:54,079

uh dome shape rounded on top flat on the

328

00:11:58,069 --> 00:11:55,040

bottom

329

00:11:59,910 --> 00:11:58,079

what what is that in 1947 right silent

330

00:12:01,350 --> 00:11:59,920

or nearly silent evasive maneuvers one

331

00:12:03,990 --> 00:12:01,360

side so here you have a very detailed

332

00:12:05,590 --> 00:12:04,000

military analysis when i read that

333

00:12:06,790 --> 00:12:05,600

i just thought wow

334

00:12:07,750 --> 00:12:06,800

because

335

00:12:09,509 --> 00:12:07,760

look

336

00:12:11,110 --> 00:12:09,519

even if nathan twining and the other

337

00:12:12,310 --> 00:12:11,120

analysts were wrong

338

00:12:15,190 --> 00:12:12,320

about this

339

00:12:17,509 --> 00:12:15,200

it was obvious that they were interested

340

00:12:19,590 --> 00:12:17,519

and so why was this absent from every

341

00:12:21,269 --> 00:12:19,600

every academic history book it ever read

342

00:12:23,110 --> 00:12:21,279

you have this significant thing here and

343

00:12:24,470 --> 00:12:23,120

what in what version of reality is that

344

00:12:26,069 --> 00:12:24,480

not interesting that's right that's

345

00:12:28,230 --> 00:12:26,079

right you know in the context of the

346

00:12:31,190 --> 00:12:28,240

cold war in the context of of

347

00:12:32,710 --> 00:12:31,200

post-war america it's damned interesting

348

00:12:34,790 --> 00:12:32,720

and i wanted to know

349

00:12:38,150 --> 00:12:34,800

how serious did this get and the thing

350

00:12:39,670 --> 00:12:38,160

about this phenomenon the ufo subject is

351

00:12:41,430 --> 00:12:39,680

that it's uh

352

00:12:44,710 --> 00:12:41,440

i mean we can call it a rabbit hole but

353

00:12:47,750 --> 00:12:44,720

really what it is it's a a gateway

354

00:12:50,069 --> 00:12:47,760

into a full range of fascinating other

355

00:12:53,269 --> 00:12:50,079

questions questions and issues and

356

00:12:54,069 --> 00:12:53,279

subject matter um what i found is that

357

00:12:56,629 --> 00:12:54,079

one

358

00:12:58,150 --> 00:12:56,639

question led to multiple more questions

359

00:12:59,509 --> 00:12:58,160

and each one of those led to many many

360

00:13:01,110 --> 00:12:59,519

more questions

361

00:13:03,910 --> 00:13:01,120

for example

362

00:13:06,550 --> 00:13:03,920

no and it can be endless i mean as you

363

00:13:08,230 --> 00:13:06,560

exactly yes you know where not only

364

00:13:10,550 --> 00:13:08,240

where is the academic community in this

365

00:13:12,150 --> 00:13:10,560

i mean what does that say how can we is

366

00:13:14,470 --> 00:13:12,160

there a connection with the intelligence

367

00:13:16,629 --> 00:13:14,480

world yes there is world of the

368

00:13:18,550 --> 00:13:16,639

mainstream media ditto why weren't they

369

00:13:20,470 --> 00:13:18,560

covering this the way that rational

370

00:13:21,910 --> 00:13:20,480

ordinary intelligent people would think

371

00:13:23,990 --> 00:13:21,920

this should be covered in in an

372

00:13:25,269 --> 00:13:24,000

intelligent way and it wasn't so i would

373

00:13:28,230 --> 00:13:25,279

ask all of these other questions then

374

00:13:30,310 --> 00:13:28,240

you get into larger politics how bad um

375

00:13:31,990 --> 00:13:30,320

how big is this cover-up is it is it

376

00:13:33,430 --> 00:13:32,000

something that the president really

377

00:13:35,269 --> 00:13:33,440

knows about doesn't know about this

378

00:13:36,790 --> 00:13:35,279

military are they just scratching their

379

00:13:37,990 --> 00:13:36,800

head running around trying to hide the

380

00:13:39,670 --> 00:13:38,000

fact that they don't know or do they

381

00:13:41,590 --> 00:13:39,680

have something more tangible that

382

00:13:43,509 --> 00:13:41,600

they're hiding you get into all of these

383

00:13:45,750 --> 00:13:43,519

issues it's endless it's an endless

384

00:13:47,829 --> 00:13:45,760

series of questions

385

00:13:48,949 --> 00:13:47,839

but uh simply because you get more

386

00:13:52,629 --> 00:13:48,959

questions doesn't mean it isn't worth

387

00:13:56,069 --> 00:13:52,639

your time to look into i have to uh uh

388

00:13:58,870 --> 00:13:56,079

i'm sitting in for art bell uh on uh on

389

00:14:00,230 --> 00:13:58,880

the dark matter radio network uh while

390

00:14:03,590 --> 00:14:00,240

art is away

391

00:14:05,670 --> 00:14:03,600

and i'm gonna ask a question

392

00:14:07,590 --> 00:14:05,680

for art because this is something he

393

00:14:08,470 --> 00:14:07,600

would probably ask and i have

394

00:14:12,230 --> 00:14:08,480

the

395

00:14:13,910 --> 00:14:12,240

uh you represent a newer generation of

396

00:14:15,910 --> 00:14:13,920

ufologists

397

00:14:18,230 --> 00:14:15,920

what i mean by that well okay and what i

398

00:14:19,590 --> 00:14:18,240

mean by that is this um

399

00:14:22,069 --> 00:14:19,600

uh

400

00:14:24,389 --> 00:14:22,079

you are challenging stuff from a

401

00:14:26,389 --> 00:14:24,399

different point of

402

00:14:28,870 --> 00:14:26,399

a different mindset

403

00:14:32,389 --> 00:14:28,880

than what was occurring in the 50s 60s

404

00:14:35,590 --> 00:14:32,399

and 70s and probably the 80s too as well

405

00:14:37,829 --> 00:14:35,600

and now everybody looks to you

406

00:14:40,310 --> 00:14:37,839

with a a different set of eyes too and

407

00:14:43,350 --> 00:14:40,320

they must come up and ask all of those

408

00:14:44,710 --> 00:14:43,360

questions all of the time if you being

409

00:14:50,550 --> 00:14:44,720

the

410

00:14:52,550 --> 00:14:50,560

that and it must happen all day long it

411

00:14:55,269 --> 00:14:52,560

happened it does happen every day when i

412

00:14:57,670 --> 00:14:55,279

get a nice uh congratulatory email from

413

00:14:59,670 --> 00:14:57,680

a reader or a fan of my books

414

00:15:01,829 --> 00:14:59,680

i have two immediate reactions one is i

415

00:15:04,230 --> 00:15:01,839

get a nice happy feeling like oh good

416

00:15:05,750 --> 00:15:04,240

someone likes what i have to do or what

417

00:15:07,509 --> 00:15:05,760

i have to say

418

00:15:08,790 --> 00:15:07,519

and then the other side of it is i don't

419

00:15:10,389 --> 00:15:08,800

know if it's quite a feeling of dread

420

00:15:12,790 --> 00:15:10,399

but it's something close to that because

421

00:15:15,269 --> 00:15:12,800

i think well this is a person

422

00:15:18,389 --> 00:15:15,279

who is putting investing some kind of

423

00:15:20,310 --> 00:15:18,399

hope or um expectation in what i do

424

00:15:22,949 --> 00:15:20,320

right and i certainly i'd never want to

425

00:15:25,189 --> 00:15:22,959

let any any of these um individuals down

426

00:15:26,949 --> 00:15:25,199

so the dread is this feeling of look

427

00:15:28,470 --> 00:15:26,959

this is serious it's a responsibility

428

00:15:31,750 --> 00:15:28,480

i'm not going to blow it

429

00:15:33,509 --> 00:15:31,760

uh when i'm asked to answer questions

430

00:15:35,670 --> 00:15:33,519

and look here the thing is

431

00:15:37,189 --> 00:15:35,680

you're going to make a huge mistake

432

00:15:40,230 --> 00:15:37,199

if you pretend that you're some guru

433

00:15:41,750 --> 00:15:40,240

who's got the answers and and then the

434

00:15:43,829 --> 00:15:41,760

most important thing for me to remember

435

00:15:45,990 --> 00:15:43,839

is to use the words i don't know

436

00:15:47,269 --> 00:15:46,000

for a lot of these questions i'm happy

437

00:15:48,949 --> 00:15:47,279

to speculate

438

00:15:50,629 --> 00:15:48,959

but it's essential

439

00:15:52,310 --> 00:15:50,639

and particularly in this field where

440

00:15:53,749 --> 00:15:52,320

we're really it's not simply that we're

441

00:15:54,870 --> 00:15:53,759

dealing with a cover-up but makes it

442

00:15:57,350 --> 00:15:54,880

hard enough but we're dealing with a

443

00:15:59,829 --> 00:15:57,360

genuinely difficult topic that i i

444

00:16:01,189 --> 00:15:59,839

really have suspected is at the edge of

445

00:16:05,749 --> 00:16:01,199

our

446

00:16:07,670 --> 00:16:05,759

comprehend not necessarily beyond but

447

00:16:08,790 --> 00:16:07,680

it's in a lot of ways it's at the edges

448

00:16:10,870 --> 00:16:08,800

when we deal with

449

00:16:12,470 --> 00:16:10,880

scientific issues especially

450

00:16:15,509 --> 00:16:12,480

so i'm never afraid to admit if i don't

451
00:16:17,829 --> 00:16:15,519
know something and and um believe me

452
00:16:19,430 --> 00:16:17,839
if once you go down that that road of

453
00:16:21,350 --> 00:16:19,440
pretending that you know

454
00:16:22,870 --> 00:16:21,360
oh yes i read that book or yes i'm very

455
00:16:24,550 --> 00:16:22,880
familiar and then you're getting into a

456
00:16:26,230 --> 00:16:24,560
really dangerous territory and i don't

457
00:16:29,590 --> 00:16:26,240
ever want to go there well there is a

458
00:16:32,150 --> 00:16:29,600
video on youtube and it's entitled of

459
00:16:35,110 --> 00:16:32,160
you that that the greatest 10 minute

460
00:16:36,949 --> 00:16:35,120
speech is ufo history right

461
00:16:38,550 --> 00:16:36,959
and that's that's tough i was happy to

462
00:16:39,670 --> 00:16:38,560
see them title it happened i won't lie

463
00:16:41,110 --> 00:16:39,680

to you

464

00:16:47,030 --> 00:16:41,120

i mean

465

00:16:49,350 --> 00:16:47,040

so okay let's move on really quick um

466

00:16:52,470 --> 00:16:49,360

why this book now

467

00:16:53,990 --> 00:16:52,480

um the title says it says it all but

468

00:16:55,910 --> 00:16:54,000

why now

469

00:16:57,430 --> 00:16:55,920

well um you know you said a little while

470

00:16:59,509 --> 00:16:57,440

ago that i i was part of a new

471

00:17:01,430 --> 00:16:59,519

generation of researchers i'm a new

472

00:17:03,670 --> 00:17:01,440

generation with hair that's rapidly

473

00:17:06,470 --> 00:17:03,680

graying but when i um when i entered

474

00:17:08,230 --> 00:17:06,480

this field i was considered very very

475

00:17:10,549 --> 00:17:08,240

new in certain ways that was in 2000

476
00:17:12,150 --> 00:17:10,559
when my first book was published

477
00:17:13,909 --> 00:17:12,160
and i will um

478
00:17:15,429 --> 00:17:13,919
here's what was different about it and

479
00:17:17,510 --> 00:17:15,439
it and i'll get to this book in just a

480
00:17:19,750 --> 00:17:17,520
second because my first book was was

481
00:17:22,230 --> 00:17:19,760
also something new it was an attempt to

482
00:17:23,750 --> 00:17:22,240
do a historical narrative of this topic

483
00:17:25,750 --> 00:17:23,760
that really hadn't been done

484
00:17:27,189 --> 00:17:25,760
particularly with a political angle and

485
00:17:28,710 --> 00:17:27,199
trying to understand

486
00:17:30,630 --> 00:17:28,720
how the

487
00:17:32,150 --> 00:17:30,640
military cover-up worked

488
00:17:33,750 --> 00:17:32,160

it was a comprehensive view at that time

489

00:17:36,070 --> 00:17:33,760

and i caught a lot of hell from that by

490

00:17:37,750 --> 00:17:36,080

the way from a few of the more um the

491

00:17:39,270 --> 00:17:37,760

older researchers in the field they were

492

00:17:41,270 --> 00:17:39,280

not happy they said it's conspiracy

493

00:17:43,350 --> 00:17:41,280

mongering and whatnot

494

00:17:45,590 --> 00:17:43,360

and i i really felt that it was a new

495

00:17:47,270 --> 00:17:45,600

approach that was 14 years ago ever

496

00:17:49,909 --> 00:17:47,280

since i've been in this field publicly i

497

00:17:51,110 --> 00:17:49,919

have always pushed myself always

498

00:17:53,270 --> 00:17:51,120

to explore

499

00:17:54,870 --> 00:17:53,280

this territory in a refreshing way as i

500

00:17:57,990 --> 00:17:54,880

can

501
00:17:59,590 --> 00:17:58,000
look if if someone were to say to me

502
00:18:01,029 --> 00:17:59,600
uh you're going to write a couple of

503
00:18:03,510 --> 00:18:01,039
good volumes of history that will lay

504
00:18:04,950 --> 00:18:03,520
this out clearly for people i would be i

505
00:18:06,390 --> 00:18:04,960
would think okay well that's nice but if

506
00:18:07,270 --> 00:18:06,400
someone were to tell me you're going to

507
00:18:09,830 --> 00:18:07,280
write

508
00:18:11,590 --> 00:18:09,840
books that will challenge people that

509
00:18:13,190 --> 00:18:11,600
will challenge yourself that will make

510
00:18:14,549 --> 00:18:13,200
people sometimes shake their fists at

511
00:18:15,590 --> 00:18:14,559
the heavens

512
00:18:17,110 --> 00:18:15,600
if they were telling me that that's

513
00:18:18,150 --> 00:18:17,120

something that's worth spending my life

514

00:18:21,029 --> 00:18:18,160

doing

515

00:18:23,510 --> 00:18:21,039

so i want to spend my whole rest of what

516

00:18:24,549 --> 00:18:23,520

i have here on this earth pushing myself

517

00:18:28,390 --> 00:18:24,559

and

518

00:18:30,150 --> 00:18:28,400

as i'm able to do

519

00:18:33,110 --> 00:18:30,160

when i came to this book ufos for the

520

00:18:34,950 --> 00:18:33,120

21st century mind

521

00:18:38,549 --> 00:18:34,960

really the the thing about it is that

522

00:18:39,350 --> 00:18:38,559

there has not been in my own opinion

523

00:18:41,750 --> 00:18:39,360

um

524

00:18:43,590 --> 00:18:41,760

an adequate overview of the whole topic

525

00:18:46,950 --> 00:18:43,600

i mean the whole messy incredible

526

00:18:49,190 --> 00:18:46,960

fabulous mysterious topic of ufos

527

00:18:51,510 --> 00:18:49,200

and i'm not pretending that i have

528

00:18:54,070 --> 00:18:51,520

covered every single thing in these 500

529

00:18:56,789 --> 00:18:54,080

pages but i tried i tried to cover the

530

00:18:58,630 --> 00:18:56,799

things that are relevant to a per to a

531

00:19:00,310 --> 00:18:58,640

thinking person today

532

00:19:02,230 --> 00:19:00,320

in the 21st century

533

00:19:04,070 --> 00:19:02,240

when you look at some of the older uh

534

00:19:07,110 --> 00:19:04,080

books about this subject i mean from the

535

00:19:09,669 --> 00:19:07,120

1980s and 70s and beyond

536

00:19:12,470 --> 00:19:09,679

they're often very good but uh they just

537

00:19:14,390 --> 00:19:12,480

read old they just you know it's like

538

00:19:16,549 --> 00:19:14,400

looking at sightings well how large was

539

00:19:18,230 --> 00:19:16,559

the object when you hold your arm at

540

00:19:19,510 --> 00:19:18,240

arm's length and is it the size of a

541

00:19:21,909 --> 00:19:19,520

nickel

542

00:19:23,110 --> 00:19:21,919

um i think we're past a lot of that and

543

00:19:24,310 --> 00:19:23,120

it doesn't mean that we can't we

544

00:19:26,390 --> 00:19:24,320

shouldn't be critically minded with

545

00:19:28,230 --> 00:19:26,400

sightings today but for me i wanted to

546

00:19:30,150 --> 00:19:28,240

do as comprehensive a view of this topic

547

00:19:31,270 --> 00:19:30,160

as i could so what what does that mean

548

00:19:33,750 --> 00:19:31,280

that means we have to understand the

549

00:19:35,750 --> 00:19:33,760

history from ancient aliens or ancient

550

00:19:37,270 --> 00:19:35,760

ufos up till today and i did provide

551
00:19:39,990 --> 00:19:37,280
that so there's several chapters that

552
00:19:42,230 --> 00:19:40,000
just give of in my estimation

553
00:19:43,270 --> 00:19:42,240
how best to understand the history of

554
00:19:45,750 --> 00:19:43,280
the

555
00:19:47,430 --> 00:19:45,760
most compelling sightings

556
00:19:50,230 --> 00:19:47,440
and what we make of them but there's

557
00:19:51,510 --> 00:19:50,240
much more there's politics there's a

558
00:19:52,950 --> 00:19:51,520
couple of chapters dealing with that

559
00:19:55,350 --> 00:19:52,960
including what i would call the deep

560
00:19:56,870 --> 00:19:55,360
politics the black budget world what

561
00:19:59,430 --> 00:19:56,880
i've sometimes called the breakaway

562
00:20:01,270 --> 00:19:59,440
civilization how is this financed how

563
00:20:03,669 --> 00:20:01,280

does the whole thing run and

564

00:20:05,750 --> 00:20:03,679

i continue to push myself and to get

565

00:20:07,110 --> 00:20:05,760

as many new insights into this topic as

566

00:20:08,870 --> 00:20:07,120

i can i've been talking about this for a

567

00:20:10,549 --> 00:20:08,880

few years but there's more than that to

568

00:20:12,950 --> 00:20:10,559

the ufo topic

569

00:20:15,990 --> 00:20:12,960

there's you know for people of the 21st

570

00:20:17,830 --> 00:20:16,000

century how for any armchair researcher

571

00:20:19,830 --> 00:20:17,840

any of us sitting out here tonight how

572

00:20:22,310 --> 00:20:19,840

not to get hosed by the next hoax that

573

00:20:24,150 --> 00:20:22,320

comes down road from youtube or the next

574

00:20:26,710 --> 00:20:24,160

facebook room and that's in front of you

575

00:20:29,510 --> 00:20:26,720

so i talk a lot about critical thinking

576

00:20:31,029 --> 00:20:29,520

in this field there's a lot that i've

577

00:20:33,270 --> 00:20:31,039

talked about relating to the nature of

578

00:20:34,470 --> 00:20:33,280

contact or alleged contact or parent

579

00:20:36,789 --> 00:20:34,480

contact

580

00:20:38,549 --> 00:20:36,799

and uh leading to speculation on who and

581

00:20:40,470 --> 00:20:38,559

what we're dealing with what what are

582

00:20:42,549 --> 00:20:40,480

these what is this phenomenon what is

583

00:20:44,310 --> 00:20:42,559

the intelligence behind it

584

00:20:46,149 --> 00:20:44,320

the favorite chapter i think of my whole

585

00:20:47,830 --> 00:20:46,159

of this book that i wrote is uh not a

586

00:20:50,230 --> 00:20:47,840

historical chapter it's the chapter on

587

00:20:51,750 --> 00:20:50,240

science i call it weird science i mean

588

00:20:54,789 --> 00:20:51,760

think about this

589

00:20:59,029 --> 00:20:57,830

touches upon so many profound scientific

590

00:21:00,710 --> 00:20:59,039

questions

591

00:21:02,630 --> 00:21:00,720

from something as simple as propulsion

592

00:21:04,470 --> 00:21:02,640

like how do these objects do what they

593

00:21:06,070 --> 00:21:04,480

do how does an object just

594

00:21:08,789 --> 00:21:06,080

sit there motionlessly and then

595

00:21:11,270 --> 00:21:08,799

instantly accelerate or zigzag that

596

00:21:13,350 --> 00:21:11,280

alone that's a mind blower that alone is

597

00:21:16,070 --> 00:21:13,360

a revolutionary scientific question for

598

00:21:17,029 --> 00:21:16,080

us to ask but then it gets crazy or

599

00:21:18,710 --> 00:21:17,039

still

600

00:21:20,870 --> 00:21:18,720

you've got

601
00:21:23,190 --> 00:21:20,880
uh energy what is the source of energy

602
00:21:25,110 --> 00:21:23,200
that they use you've got is interstellar

603
00:21:27,110 --> 00:21:25,120
flight questions like is it possible to

604
00:21:29,590 --> 00:21:27,120
travel through space well there's

605
00:21:30,789 --> 00:21:29,600
contemporary science that addresses

606
00:21:32,549 --> 00:21:30,799
these and i try to deal with it but it

607
00:21:34,070 --> 00:21:32,559
gets stranger still

608
00:21:36,549 --> 00:21:34,080
what about dimensions we talk about

609
00:21:38,630 --> 00:21:36,559
dimensions and ufology

610
00:21:40,549 --> 00:21:38,640
is this a valid thing to discuss and i i

611
00:21:43,190 --> 00:21:40,559
try to address this through string

612
00:21:45,190 --> 00:21:43,200
theory through consciousness itself

613
00:21:47,029 --> 00:21:45,200

which i think is the ultimate scientific

614

00:21:48,950 --> 00:21:47,039

question of the 21st century to deal

615

00:21:51,909 --> 00:21:48,960

with when we talk about this phenomenon

616

00:21:56,310 --> 00:21:53,750

contact that so many people have

617

00:21:59,110 --> 00:21:56,320

discussed described that seems to be

618

00:22:00,630 --> 00:21:59,120

telepathic with these other entities

619

00:22:02,470 --> 00:22:00,640

what is this all about what does this

620

00:22:04,950 --> 00:22:02,480

say about what we are

621

00:22:07,830 --> 00:22:04,960

our nature is as human beings that we're

622

00:22:08,789 --> 00:22:07,840

able to do this about them that they do

623

00:22:10,789 --> 00:22:08,799

this

624

00:22:13,750 --> 00:22:10,799

to us i mean there's account after

625

00:22:15,669 --> 00:22:13,760

account not simply during um abductions

626

00:22:17,510 --> 00:22:15,679

where people will constantly talk about

627

00:22:18,630 --> 00:22:17,520

telepathic connection but

628

00:22:20,789 --> 00:22:18,640

i have a couple of stories i've

629

00:22:22,310 --> 00:22:20,799

collected one woman wakes up at two in

630

00:22:24,549 --> 00:22:22,320

the morning in her bedroom sits up in

631

00:22:25,909 --> 00:22:24,559

her bed looks out her bedroom window

632

00:22:28,710 --> 00:22:25,919

is compelled to look out there and she

633

00:22:30,470 --> 00:22:28,720

sees an orange glowing orb in her yard

634

00:22:31,830 --> 00:22:30,480

so what what is that there's a

635

00:22:33,990 --> 00:22:31,840

connection that these have with our mind

636

00:22:35,430 --> 00:22:34,000

so consciousness is very important and

637

00:22:37,190 --> 00:22:35,440

then i just tried ending the book by

638

00:22:39,029 --> 00:22:37,200

looking at the future with a theme that

639

00:22:40,950 --> 00:22:39,039

i did discuss in the previous book that

640

00:22:43,430 --> 00:22:40,960

is a.d after disclosure

641

00:22:45,190 --> 00:22:43,440

but i i even update my thoughts for this

642

00:22:47,029 --> 00:22:45,200

so um

643

00:22:49,510 --> 00:22:47,039

what are we moving into what is the

644

00:22:50,230 --> 00:22:49,520

nature of how will this secret really

645

00:22:53,110 --> 00:22:50,240

end

646

00:22:55,909 --> 00:22:53,120

and what then and so these are to me

647

00:22:57,669 --> 00:22:55,919

when i think of the topic of ufos

648

00:22:59,350 --> 00:22:57,679

i think this is what's really relevant

649

00:23:01,190 --> 00:22:59,360

about it and i think of this book as

650

00:23:03,750 --> 00:23:01,200

like a 500 page love letter to the

651

00:23:06,549 --> 00:23:03,760

subject of ufos you touched upon

652

00:23:08,950 --> 00:23:06,559

something earlier uh which uh you

653

00:23:12,470 --> 00:23:08,960

started to talk about politics

654

00:23:14,950 --> 00:23:12,480

and how do you deal with um you know the

655

00:23:16,789 --> 00:23:14,960

topic of disclosure in washington dc do

656

00:23:21,510 --> 00:23:16,799

you have to

657

00:23:23,270 --> 00:23:21,520

you get at this information and

658

00:23:25,909 --> 00:23:23,280

uh when you're dealing with washington

659

00:23:28,230 --> 00:23:25,919

directly because you have been

660

00:23:31,510 --> 00:23:28,240

well i have been i i was in washington

661

00:23:34,390 --> 00:23:31,520

dc um less almost a year ago for what

662

00:23:35,430 --> 00:23:34,400

was called the citizens hearing exactly

663

00:23:38,950 --> 00:23:35,440

but

664

00:23:40,789 --> 00:23:38,960

the folks in dc the power players in dc

665

00:23:42,310 --> 00:23:40,799

they they're not really

666

00:23:43,590 --> 00:23:42,320

you know coming to me on moss i will

667

00:23:46,549 --> 00:23:43,600

just say that i mean there are people

668

00:23:49,110 --> 00:23:46,559

who quietly will talk to me for sure

669

00:23:53,270 --> 00:23:49,120

but in the uh in the citizen hearing in

670

00:23:55,190 --> 00:23:53,280

in last april into may of 2013

671

00:23:57,990 --> 00:23:55,200

um my goal

672

00:23:59,669 --> 00:23:58,000

was simply to address this topic as

673

00:24:01,590 --> 00:23:59,679

professionally as i could i actually i

674

00:24:03,270 --> 00:24:01,600

think i did six um

675

00:24:05,510 --> 00:24:03,280

testimonies the way it was organized if

676
00:24:07,669 --> 00:24:05,520
you some those who may not be familiar

677
00:24:09,430 --> 00:24:07,679
it was a week-long series of hearings in

678
00:24:11,510 --> 00:24:09,440
the national press club in washington dc

679
00:24:12,789 --> 00:24:11,520
it was organized by my colleague stephen

680
00:24:14,789 --> 00:24:12,799
bassett

681
00:24:17,029 --> 00:24:14,799
and he had six retired members of the

682
00:24:19,669 --> 00:24:17,039
u.s congress presiding over this and

683
00:24:22,070 --> 00:24:19,679
they listened to testimony and

684
00:24:23,590 --> 00:24:22,080
statements by about 40 individuals many

685
00:24:25,669 --> 00:24:23,600
researchers many people have had

686
00:24:27,669 --> 00:24:25,679
experiences to talk about this all week

687
00:24:29,909 --> 00:24:27,679
long a lot of it's on youtube and it was

688
00:24:31,510 --> 00:24:29,919

an incredible uh event i have to say i

689

00:24:32,870 --> 00:24:31,520

was proud to participate i still watch

690

00:24:36,310 --> 00:24:32,880

it all the time

691

00:24:39,590 --> 00:24:36,320

i do i go back in and i'm stunned at the

692

00:24:41,269 --> 00:24:39,600

testimony and yourself too is included

693

00:24:44,070 --> 00:24:41,279

thanks and um

694

00:24:46,070 --> 00:24:44,080

so my goal going in actually uh

695

00:24:47,830 --> 00:24:46,080

you know with steven bassett if you know

696

00:24:50,870 --> 00:24:47,840

him at all uh every time i talk to

697

00:24:51,909 --> 00:24:50,880

stephen this is how it starts off

698

00:24:54,070 --> 00:24:51,919

richard

699

00:24:55,430 --> 00:24:54,080

i really need you to and then fill in

700

00:24:57,110 --> 00:24:55,440

the blanket that's that's every single

701
00:24:59,510 --> 00:24:57,120
conversation i was even that's how it

702
00:25:00,549 --> 00:24:59,520
starts so uh with this one it was

703
00:25:02,549 --> 00:25:00,559
richard

704
00:25:05,110 --> 00:25:02,559
i'm going to need you to do a few extra

705
00:25:07,269 --> 00:25:05,120
uh presentations because you know

706
00:25:09,909 --> 00:25:07,279
all of these openings so i did six

707
00:25:11,990 --> 00:25:09,919
and my my plan was

708
00:25:12,789 --> 00:25:12,000
i would i did the first testimony of the

709
00:25:15,269 --> 00:25:12,799
week

710
00:25:17,110 --> 00:25:15,279
and then i did nearly the last

711
00:25:18,549 --> 00:25:17,120
and my goal independent of any of the

712
00:25:20,070 --> 00:25:18,559
other presenters was i was going to walk

713
00:25:21,830 --> 00:25:20,080

these members of congress through i was

714

00:25:23,750 --> 00:25:21,840
going to take them by the hand

715

00:25:26,149 --> 00:25:23,760
and i was going to take them

716

00:25:28,390 --> 00:25:26,159
step one and then step two and then step

717

00:25:30,710 --> 00:25:28,400
three and right on to step six

718

00:25:33,190 --> 00:25:30,720
so um the first lecture the first

719

00:25:35,029 --> 00:25:33,200
testimony that i gave was basically a

720

00:25:37,350 --> 00:25:35,039
kind of a kindergarten first grade

721

00:25:39,430 --> 00:25:37,360
overview of why this topic matters from

722

00:25:41,350 --> 00:25:39,440
a national security point of view

723

00:25:42,630 --> 00:25:41,360
by the time we got to the final week in

724

00:25:44,310 --> 00:25:42,640
that video that someone said the

725

00:25:46,710 --> 00:25:44,320
greatest speech

726

00:25:48,710 --> 00:25:46,720

which i i will say though i wanted to be

727

00:25:51,590 --> 00:25:48,720

my best speech of the week

728

00:25:53,830 --> 00:25:51,600

and it was my analysis of uh i'm trying

729

00:25:55,430 --> 00:25:53,840

to remember what i said there i um it's

730

00:25:58,149 --> 00:25:55,440

been a little while since i've looked at

731

00:25:59,669 --> 00:25:58,159

it but an analysis of

732

00:26:01,269 --> 00:25:59,679

of the secrecy

733

00:26:02,950 --> 00:26:01,279

the inevitability of the end of that

734

00:26:04,230 --> 00:26:02,960

secrecy why it's going to be so

735

00:26:05,590 --> 00:26:04,240

difficult but why it's going to be so

736

00:26:07,510 --> 00:26:05,600

necessary

737

00:26:09,669 --> 00:26:07,520

and i do think that that had an impact

738

00:26:11,669 --> 00:26:09,679

on those members of congress and i think

739

00:26:13,830 --> 00:26:11,679

not that any of us were expecting that

740

00:26:15,909 --> 00:26:13,840

those hearings were going to

741

00:26:17,190 --> 00:26:15,919

get president obama to say okay you got

742

00:26:18,070 --> 00:26:17,200

us we're going to give up the secret

743

00:26:20,789 --> 00:26:18,080

exactly

744

00:26:22,390 --> 00:26:20,799

i think some there were some silly

745

00:26:23,830 --> 00:26:22,400

comments leading up to it where people

746

00:26:27,430 --> 00:26:23,840

were thinking oh you believe obama's

747

00:26:31,909 --> 00:26:30,789

but we have a larger uh larger game here

748

00:26:35,430 --> 00:26:31,919

and

749

00:26:36,710 --> 00:26:35,440

we're looking at posterity we're looking

750

00:26:37,990 --> 00:26:36,720

at

751

00:26:39,909 --> 00:26:38,000

younger people

752

00:26:41,190 --> 00:26:39,919

particularly those who are living on

753

00:26:42,630 --> 00:26:41,200

youtube and we're going to see this and

754

00:26:44,390 --> 00:26:42,640

they're going to see

755

00:26:45,990 --> 00:26:44,400

well-dressed intelligent sounding

756

00:26:47,909 --> 00:26:46,000

statements

757

00:26:49,190 --> 00:26:47,919

in the national press club to former

758

00:26:51,269 --> 00:26:49,200

members of congress talking about the

759

00:26:53,269 --> 00:26:51,279

gravity and seriousness of this

760

00:26:55,190 --> 00:26:53,279

and i think this is like uh one of those

761

00:26:57,029 --> 00:26:55,200

events where you you know the ripples

762

00:26:59,510 --> 00:26:57,039

will just continue to spread for a long

763

00:27:01,190 --> 00:26:59,520

time i think that the um the effects of

764

00:27:03,110 --> 00:27:01,200

the citizen hearings are going to be

765

00:27:04,710 --> 00:27:03,120

significant for a while there's a couple

766

00:27:07,269 --> 00:27:04,720

of different ways you can approach

767

00:27:08,710 --> 00:27:07,279

washington dc and

768

00:27:11,510 --> 00:27:08,720

you know is

769

00:27:14,549 --> 00:27:11,520

you know strong arming and and trying to

770

00:27:16,470 --> 00:27:14,559

force the issue is that

771

00:27:17,909 --> 00:27:16,480

do you expect washington to respond to

772

00:27:20,070 --> 00:27:17,919

that or do you

773

00:27:22,390 --> 00:27:20,080

try to do handholding and maybe ask for

774

00:27:23,590 --> 00:27:22,400

help well traditionally what you find is

775

00:27:25,190 --> 00:27:23,600

that people have thought let's go

776

00:27:27,430 --> 00:27:25,200

quietly let's go to the back channels

777

00:27:28,870 --> 00:27:27,440

talk to people um you know who are in

778

00:27:30,630 --> 00:27:28,880

charge of committees and so forth and

779

00:27:33,110 --> 00:27:30,640

make it happen that way

780

00:27:35,830 --> 00:27:33,120

that hasn't done squat right in terms of

781

00:27:36,950 --> 00:27:35,840

opening this up personally look i my

782

00:27:39,669 --> 00:27:36,960

opinion

783

00:27:40,630 --> 00:27:39,679

i think we're in an era right now where

784

00:27:43,909 --> 00:27:40,640

things

785

00:27:45,350 --> 00:27:43,919

have gotten really bad they have gotten

786

00:27:46,789 --> 00:27:45,360

really bad

787

00:27:48,950 --> 00:27:46,799

and um

788

00:27:50,870 --> 00:27:48,960

i'm of the opinion that in many ways

789

00:27:53,750 --> 00:27:50,880

this the political system that we have

790

00:27:56,070 --> 00:27:53,760

is just so irredeemably corrupt it's

791

00:27:57,269 --> 00:27:56,080

it's hopelessly corrupt

792

00:27:58,310 --> 00:27:57,279

there's one and only one thing that's

793

00:28:00,870 --> 00:27:58,320

going to change and it's going to have

794

00:28:03,190 --> 00:28:00,880

to be mass citizen action not just from

795

00:28:05,350 --> 00:28:03,200

ufo researchers we're talking about

796

00:28:07,750 --> 00:28:05,360

millions and millions of people

797

00:28:09,669 --> 00:28:07,760

um something that will be considered uh

798

00:28:11,430 --> 00:28:09,679

revolutionary like literally in a

799

00:28:12,549 --> 00:28:11,440

revolutionary sense by the powers that

800

00:28:14,149 --> 00:28:12,559

be

801
00:28:15,990 --> 00:28:14,159
and um i think that's the only way

802
00:28:16,870 --> 00:28:16,000
things are really going to change is by

803
00:28:21,590 --> 00:28:16,880
a

804
00:28:23,430 --> 00:28:21,600
people

805
00:28:25,190 --> 00:28:23,440
whether the ufo subject will get into

806
00:28:27,669 --> 00:28:25,200
that mix or not is a different issue i

807
00:28:29,269 --> 00:28:27,679
think at some point it's going to happen

808
00:28:30,389 --> 00:28:29,279
but really that's the only way genuine

809
00:28:32,070 --> 00:28:30,399
change i think is going to happen you

810
00:28:35,430 --> 00:28:32,080
have to fight for it one of the points

811
00:28:37,029 --> 00:28:35,440
that i i drive home on my show and i do

812
00:28:39,750 --> 00:28:37,039
this a lot but

813
00:28:41,830 --> 00:28:39,760

i think and i'm probably speaking for

814

00:28:42,789 --> 00:28:41,840

everybody here too as well

815

00:28:43,669 --> 00:28:42,799

uh

816

00:28:44,470 --> 00:28:43,679

that

817

00:28:48,149 --> 00:28:44,480

we

818

00:28:49,269 --> 00:28:48,159

as citizens are much more prepared than

819

00:28:53,909 --> 00:28:49,279

what

820

00:28:55,269 --> 00:28:53,919

thinks

821

00:28:57,029 --> 00:28:55,279

in that

822

00:29:00,070 --> 00:28:57,039

here we have hollywood you know we're

823

00:29:01,269 --> 00:29:00,080

here in studio city burbank and uh

824

00:29:04,310 --> 00:29:01,279

hollywood

825

00:29:05,669 --> 00:29:04,320

cranks out some type of extraterrestrial

826

00:29:08,950 --> 00:29:05,679

et

827

00:29:11,830 --> 00:29:08,960

uh ufo cowboys and aliens type movie

828

00:29:13,510 --> 00:29:11,840

every week and that's what we pay for

829

00:29:17,029 --> 00:29:13,520

that's what we you know

830

00:29:18,310 --> 00:29:17,039

it's not a shocking subject anymore to

831

00:29:21,190 --> 00:29:18,320

us i think

832

00:29:22,310 --> 00:29:21,200

i and and i i truly want your answer on

833

00:29:24,830 --> 00:29:22,320

this i've been wanting to ask this

834

00:29:28,710 --> 00:29:24,840

question for a long time to you but

835

00:29:31,430 --> 00:29:28,720

um if they don't disclose and admit i

836

00:29:35,190 --> 00:29:31,440

think that is actually worse

837

00:29:36,950 --> 00:29:35,200

the silence is is the lie

838

00:29:38,470 --> 00:29:36,960

yeah the reason that it's worse is

839

00:29:40,789 --> 00:29:38,480

because it means that our whole

840

00:29:42,149 --> 00:29:40,799

political system the system that we grew

841

00:29:43,510 --> 00:29:42,159

up thinking we were supposed to have one

842

00:29:45,110 --> 00:29:43,520

of an open kind of

843

00:29:47,190 --> 00:29:45,120

uh representative government it means

844

00:29:49,350 --> 00:29:47,200

that it's broken so that's a bad thing

845

00:29:52,470 --> 00:29:49,360

and and i mean that goes against the

846

00:29:54,149 --> 00:29:52,480

fiber probably every person in this room

847

00:29:56,430 --> 00:29:54,159

and everyone listening this is we

848

00:29:58,470 --> 00:29:56,440

believe we all believe in true

849

00:29:59,830 --> 00:29:58,480

representative government so when the

850

00:30:01,350 --> 00:29:59,840

government is not responding to

851
00:30:03,190 --> 00:30:01,360
something that's so obvious so in your

852
00:30:04,710 --> 00:30:03,200
face that it's here that means that that

853
00:30:06,149 --> 00:30:04,720
system's broken so that's upsetting

854
00:30:08,389 --> 00:30:06,159
that's wrong

855
00:30:11,029 --> 00:30:08,399
in terms of why the secret

856
00:30:13,029 --> 00:30:11,039
is here like what you were just saying

857
00:30:14,870 --> 00:30:13,039
people are more ready than than the

858
00:30:16,870 --> 00:30:14,880
powers that be think

859
00:30:18,149 --> 00:30:16,880
we can discuss it i i sometimes think

860
00:30:19,430 --> 00:30:18,159
that you're right and sometimes i don't

861
00:30:20,630 --> 00:30:19,440
agree with that

862
00:30:22,149 --> 00:30:20,640
but

863
00:30:23,590 --> 00:30:22,159

i i think that the reason for the

864

00:30:25,830 --> 00:30:23,600

secrecy

865

00:30:26,950 --> 00:30:25,840

is uh is far beyond that so it's not

866

00:30:29,110 --> 00:30:26,960

like the government's protecting us

867

00:30:30,710 --> 00:30:29,120

because i think we can't handle it right

868

00:30:32,710 --> 00:30:30,720

i don't think i really care that's not

869

00:30:34,870 --> 00:30:32,720

the reason the reason that the secret is

870

00:30:36,549 --> 00:30:34,880

there is because this is a subject that

871

00:30:38,149 --> 00:30:36,559

will turn our whole society and our

872

00:30:39,510 --> 00:30:38,159

infrastructure upside down so for

873

00:30:41,190 --> 00:30:39,520

example

874

00:30:43,350 --> 00:30:41,200

i like to say let's rewind the clock go

875

00:30:44,950 --> 00:30:43,360

back to 1947. and you're the president

876

00:30:46,630 --> 00:30:44,960

of the united states and i'm and i've

877

00:30:48,470 --> 00:30:46,640

just come up to you i'm your top general

878

00:30:50,950 --> 00:30:48,480

maybe your top scientist and i've said

879

00:30:52,470 --> 00:30:50,960

sir we have recovered technology

880

00:30:53,830 --> 00:30:52,480

that's not that doesn't appear to be

881

00:30:55,909 --> 00:30:53,840

from this civilization and that's a

882

00:30:56,710 --> 00:30:55,919

heavy-duty thing to take okay what'd you

883

00:30:57,590 --> 00:30:56,720

find

884

00:30:59,830 --> 00:30:57,600

so

885

00:31:01,830 --> 00:30:59,840

you have a choice you you might think

886

00:31:03,909 --> 00:31:01,840

let's should we tell the world this is

887

00:31:05,909 --> 00:31:03,919

important and that might be one of your

888

00:31:08,230 --> 00:31:05,919

instincts but we would say your advisor

889

00:31:09,110 --> 00:31:08,240

to say uh not a good idea because if you

890

00:31:11,029 --> 00:31:09,120

tell the world you've got this

891

00:31:12,870 --> 00:31:11,039

technology it's going to be very hard

892

00:31:14,950 --> 00:31:12,880

not to share it and you may not want to

893

00:31:16,630 --> 00:31:14,960

share it you've got this enemy that

894

00:31:18,789 --> 00:31:16,640

you've you know created in your mind or

895

00:31:20,230 --> 00:31:18,799

in reality the russians the soviets

896

00:31:21,909 --> 00:31:20,240

they were trying actively to get the

897

00:31:23,909 --> 00:31:21,919

atomic bomb and america didn't want to

898

00:31:25,750 --> 00:31:23,919

share that technology right you're not

899

00:31:27,909 --> 00:31:25,760

going to want to share something like et

900

00:31:29,430 --> 00:31:27,919

technology or whatever this is so you

901
00:31:31,110 --> 00:31:29,440
you have to have the secrecy in your

902
00:31:32,870 --> 00:31:31,120
mind if you're the president i think

903
00:31:35,029 --> 00:31:32,880
what you would do is you'd say let's get

904
00:31:37,350 --> 00:31:35,039
a handle on this let's create our team

905
00:31:39,350 --> 00:31:37,360
let's find out who's got what job and

906
00:31:41,590 --> 00:31:39,360
one of those jobs will be to study this

907
00:31:43,750 --> 00:31:41,600
technology find out what we can do

908
00:31:45,669 --> 00:31:43,760
he may not have or the decision makers

909
00:31:47,590 --> 00:31:45,679
may not have planned to do this secret

910
00:31:50,630 --> 00:31:47,600
forever but secrets have a way of

911
00:31:52,630 --> 00:31:50,640
containing continuing on and on and

912
00:31:54,470 --> 00:31:52,640
especially if they become profitable

913
00:31:56,470 --> 00:31:54,480

which this secret has done

914

00:31:59,269 --> 00:31:56,480

the ufo phenomenon

915

00:32:00,630 --> 00:31:59,279

has resulted in in partly in the

916

00:32:02,710 --> 00:32:00,640

creation of what we would call our black

917

00:32:04,070 --> 00:32:02,720

budget culture a lot of students need to

918

00:32:05,909 --> 00:32:04,080

understand

919

00:32:08,630 --> 00:32:05,919

we have a runaway black budget system

920

00:32:11,190 --> 00:32:08,640

but the ufo subject is part of that

921

00:32:13,590 --> 00:32:11,200

but what happens with the technology

922

00:32:16,310 --> 00:32:13,600

is um it it has to be kept secret from

923

00:32:18,070 --> 00:32:16,320

their point of view because

924

00:32:19,750 --> 00:32:18,080

i mean for one reason right away

925

00:32:22,470 --> 00:32:19,760

implicit in the

926

00:32:23,909 --> 00:32:22,480

solution to the science of ufos is the

927

00:32:25,350 --> 00:32:23,919

obvious fact that these things are not

928

00:32:26,710 --> 00:32:25,360

using gasoline

929

00:32:28,789 --> 00:32:26,720

to get around

930

00:32:30,389 --> 00:32:28,799

whatever they're doing whether it's some

931

00:32:32,950 --> 00:32:30,399

form of fusion whether it's something

932

00:32:34,789 --> 00:32:32,960

better zero point energy or whatever it

933

00:32:36,389 --> 00:32:34,799

almost doesn't matter

934

00:32:39,029 --> 00:32:36,399

the end the fact is that it would

935

00:32:40,710 --> 00:32:39,039

replace petroleum as the world's primary

936

00:32:44,710 --> 00:32:40,720

source of uh

937

00:32:46,070 --> 00:32:44,720

of energy and in the in 1947 and today

938

00:32:48,549 --> 00:32:46,080

that's

939

00:32:49,990 --> 00:32:48,559

probably it hasn't changed right right

940

00:32:51,269 --> 00:32:50,000

and um and those are the guys who run

941

00:32:53,269 --> 00:32:51,279

the show anyway they've run american

942

00:32:55,029 --> 00:32:53,279

foreign policy since forever

943

00:32:56,310 --> 00:32:55,039

through the council on foreign relations

944

00:32:58,389 --> 00:32:56,320

so no they're not going to let that

945

00:33:00,070 --> 00:32:58,399

happen just and and then the other thing

946

00:33:01,590 --> 00:33:00,080

is when you start

947

00:33:03,509 --> 00:33:01,600

if you're one of the people at the top

948

00:33:04,950 --> 00:33:03,519

and you start allowing this massive

949

00:33:06,789 --> 00:33:04,960

change

950

00:33:08,310 --> 00:33:06,799

you are very likely to lose control over

951
00:33:10,230 --> 00:33:08,320
where that change goes how far how much

952
00:33:11,750 --> 00:33:10,240
freedom do you want people to have maybe

953
00:33:13,990 --> 00:33:11,760
not that much in their opinion well

954
00:33:16,470 --> 00:33:14,000
that's a good point and

955
00:33:18,950 --> 00:33:16,480
do you think

956
00:33:21,430 --> 00:33:18,960
if they would have uh had a little a

957
00:33:23,509 --> 00:33:21,440
little more vision back then about the

958
00:33:26,470 --> 00:33:23,519
how much petroleum we actually had

959
00:33:28,710 --> 00:33:26,480
because back then oil was limitless was

960
00:33:31,669 --> 00:33:28,720
limitless is up to your neck everywhere

961
00:33:34,149 --> 00:33:31,679
and cheap by the way very very cheap

962
00:33:36,470 --> 00:33:34,159
but here we are 50 years later we know

963
00:33:38,549 --> 00:33:36,480

now it's not going to last forever do

964

00:33:40,710 --> 00:33:38,559

you think that they

965

00:33:41,990 --> 00:33:40,720

handled it completely wrong that maybe

966

00:33:44,310 --> 00:33:42,000

they should have developed that

967

00:33:46,470 --> 00:33:44,320

technology and maybe

968

00:33:48,149 --> 00:33:46,480

gotten it out there and not worried

969

00:33:49,830 --> 00:33:48,159

about money because that's what it all

970

00:33:52,230 --> 00:33:49,840

you know that that was what the

971

00:33:53,669 --> 00:33:52,240

decisions were based on then because the

972

00:33:55,830 --> 00:33:53,679

profits were endless and they didn't

973

00:33:56,950 --> 00:33:55,840

want to stop them right well probably if

974

00:33:58,870 --> 00:33:56,960

they were thinking in the public

975

00:34:00,149 --> 00:33:58,880

interest i i think that's probably what

976

00:34:01,669 --> 00:34:00,159

they would have done

977

00:34:02,549 --> 00:34:01,679

but they did have other issues to worry

978

00:34:05,990 --> 00:34:02,559

about

979

00:34:08,470 --> 00:34:06,000

again let's say it's 1947 um how do you

980

00:34:10,069 --> 00:34:08,480

really tell the world about this

981

00:34:12,310 --> 00:34:10,079

if you yourself don't have all the

982

00:34:13,430 --> 00:34:12,320

answers do you know if these entities

983

00:34:14,470 --> 00:34:13,440

are hostile do you know if they're

984

00:34:16,550 --> 00:34:14,480

friendly

985

00:34:18,950 --> 00:34:16,560

if you if you put yourself out there and

986

00:34:20,790 --> 00:34:18,960

you start talking about this you as the

987

00:34:22,950 --> 00:34:20,800

president are going to have a lot of

988

00:34:25,669 --> 00:34:22,960

people who are going to want answers and

989

00:34:27,829 --> 00:34:25,679

you may not have good answers it's a

990

00:34:29,669 --> 00:34:27,839

nightmare from a political point of view

991

00:34:31,750 --> 00:34:29,679

absolute nightmare

992

00:34:33,510 --> 00:34:31,760

so i think that uh

993

00:34:35,109 --> 00:34:33,520

again that's another incentive for

994

00:34:38,310 --> 00:34:35,119

saying we need to

995

00:34:39,990 --> 00:34:38,320

think about this let's take it slow

996

00:34:42,069 --> 00:34:40,000

and we'll revisit it you know with a

997

00:34:43,270 --> 00:34:42,079

certain period of time i had a gentleman

998

00:34:45,349 --> 00:34:43,280

that i had a

999

00:34:46,629 --> 00:34:45,359

a very detailed discussion with he was a

1000

00:34:48,710 --> 00:34:46,639

high level

1001

00:34:50,389 --> 00:34:48,720

knowing uh at least one possibly a

1002

00:34:52,550 --> 00:34:50,399

couple of u.s presidents and he's a

1003

00:34:55,109 --> 00:34:52,560

scientist and he

1004

00:34:56,790 --> 00:34:55,119

i like to say he's in with the in-crowd

1005

00:34:58,710 --> 00:34:56,800

and one thing that he said to me is that

1006

00:35:01,270 --> 00:34:58,720

it was his knowledge that every few

1007

00:35:03,589 --> 00:35:01,280

years every five or so years this

1008

00:35:06,069 --> 00:35:03,599

subject comes up in discussion at high

1009

00:35:08,790 --> 00:35:06,079

levels in terms of

1010

00:35:11,030 --> 00:35:08,800

do we just do we disclose

1011

00:35:12,710 --> 00:35:11,040

so it is a subject that comes up and

1012

00:35:14,230 --> 00:35:12,720

and he said to me he was on a

1013

00:35:16,470 --> 00:35:14,240

subcommittee

1014

00:35:17,910 --> 00:35:16,480

to study one factor of the problems of

1015

00:35:19,990 --> 00:35:17,920

disclosure even though he was a

1016

00:35:22,790 --> 00:35:20,000

scientist he studied uh he was on the

1017

00:35:24,950 --> 00:35:22,800

legal team he said where they studied

1018

00:35:26,310 --> 00:35:24,960

legal ramifications of disclosing the

1019

00:35:28,390 --> 00:35:26,320

reality of ufos and one thing they

1020

00:35:30,550 --> 00:35:28,400

realized is that lawsuits would go

1021

00:35:32,470 --> 00:35:30,560

would be really significant not just uh

1022

00:35:35,030 --> 00:35:32,480

class-action citizens right right but

1023

00:35:37,030 --> 00:35:35,040

defense contractor suits if i have a

1024

00:35:38,230 --> 00:35:37,040

defense company and i have access to

1025

00:35:40,550 --> 00:35:38,240

this technology you're one of my

1026
00:35:42,550 --> 00:35:40,560
competitors and you don't right you you

1027
00:35:45,430 --> 00:35:42,560
have legal grievance there

1028
00:35:47,510 --> 00:35:45,440
simple mundane prosaic issues that most

1029
00:35:49,270 --> 00:35:47,520
of us don't really think about

1030
00:35:52,150 --> 00:35:49,280
but um

1031
00:35:54,470 --> 00:35:52,160
all of these factor into the reasons

1032
00:35:55,349 --> 00:35:54,480
for continuing the secret

1033
00:35:56,950 --> 00:35:55,359
um

1034
00:35:59,109 --> 00:35:56,960
i almost lost my train of thought here

1035
00:36:01,190 --> 00:35:59,119
we were talking about the origins of the

1036
00:36:04,550 --> 00:36:01,200
secrecy i believe and we were talking

1037
00:36:06,310 --> 00:36:04,560
about oil oil oil certainly is a big one

1038
00:36:07,910 --> 00:36:06,320

um

1039

00:36:10,150 --> 00:36:07,920

and

1040

00:36:12,069 --> 00:36:10,160

i think that the exegesis of the cold

1041

00:36:13,270 --> 00:36:12,079

war overruled everything in the minds of

1042

00:36:15,190 --> 00:36:13,280

these guys

1043

00:36:16,630 --> 00:36:15,200

they wanted to use this technology as a

1044

00:36:18,230 --> 00:36:16,640

as a chip

1045

00:36:19,750 --> 00:36:18,240

to give as much of an advantage as they

1046

00:36:20,790 --> 00:36:19,760

could

1047

00:36:21,750 --> 00:36:20,800

i think

1048

00:36:29,270 --> 00:36:21,760

that

1049

00:36:31,510 --> 00:36:29,280

clandestinely

1050

00:36:35,109 --> 00:36:31,520

segued into breakthroughs whether it's

1051
00:36:38,790 --> 00:36:35,119
improved integrated circuits or even um

1052
00:36:40,470 --> 00:36:38,800
you know the integrated circuit um

1053
00:36:42,710 --> 00:36:40,480
yeah and we're gonna we're we're gonna

1054
00:36:43,829 --> 00:36:42,720
touch upon that in in just a second and

1055
00:36:46,790 --> 00:36:43,839
by the way i worked for bell

1056
00:36:49,349 --> 00:36:46,800
laboratories myself for three years

1057
00:36:51,829 --> 00:36:49,359
and the pride that they have

1058
00:36:53,829 --> 00:36:51,839
with that there

1059
00:36:55,589 --> 00:36:53,839
you know and the more that i read and

1060
00:36:57,270 --> 00:36:55,599
know and learn

1061
00:36:59,589 --> 00:36:57,280
i was there man i worked for bell labs

1062
00:37:01,910 --> 00:36:59,599
for three years and i really scratch my

1063
00:37:03,829 --> 00:37:01,920

head now and i just i don't know there's

1064

00:37:05,750 --> 00:37:03,839

a side to me that says let's hope it's

1065

00:37:07,109 --> 00:37:05,760

not true then there's another side

1066

00:37:09,030 --> 00:37:07,119

you know

1067

00:37:10,790 --> 00:37:09,040

now i'm gonna indulge myself and

1068

00:37:12,710 --> 00:37:10,800

everybody here with a couple of uh

1069

00:37:15,109 --> 00:37:12,720

personal questions before we start to

1070

00:37:17,910 --> 00:37:15,119

dive into the book a little bit

1071

00:37:19,349 --> 00:37:17,920

does richard dolan know anything that we

1072

00:37:20,790 --> 00:37:19,359

don't

1073

00:37:22,390 --> 00:37:20,800

do you have something you're holding

1074

00:37:24,630 --> 00:37:22,400

back

1075

00:37:27,829 --> 00:37:25,430

uh

1076

00:37:30,790 --> 00:37:27,839

i've shared everything that i think is

1077

00:37:32,550 --> 00:37:30,800

actually significant don't be political

1078

00:37:34,550 --> 00:37:32,560

don't i'm trying to think i'm trying to

1079

00:37:36,870 --> 00:37:34,560

think

1080

00:37:40,790 --> 00:37:36,880

what what i do get are

1081

00:37:43,190 --> 00:37:40,800

private stories on a very regular basis

1082

00:37:44,630 --> 00:37:43,200

from uh people who are

1083

00:37:46,870 --> 00:37:44,640

often troubled by what they've gone

1084

00:37:48,470 --> 00:37:46,880

through what they've experienced

1085

00:37:50,230 --> 00:37:48,480

and many of them have shared some of

1086

00:37:52,870 --> 00:37:50,240

their stories with me and not all of

1087

00:37:55,430 --> 00:37:52,880

them i have i have um

1088

00:37:57,030 --> 00:37:55,440

necessarily shared explicitly but

1089

00:37:58,870 --> 00:37:57,040

i i can say that the ones that have

1090

00:38:01,190 --> 00:37:58,880

struck me the most

1091

00:38:02,150 --> 00:38:01,200

and in fact i did not include i did not

1092

00:38:03,589 --> 00:38:02,160

include

1093

00:38:06,630 --> 00:38:03,599

just because i didn't think i needed to

1094

00:38:08,390 --> 00:38:06,640

but maybe i should have

1095

00:38:09,829 --> 00:38:08,400

um well i talked i talked around this

1096

00:38:11,030 --> 00:38:09,839

sort of thing which is the traumatic

1097

00:38:12,630 --> 00:38:11,040

effect that people have when they have

1098

00:38:14,069 --> 00:38:12,640

these encounters

1099

00:38:15,349 --> 00:38:14,079

um that's become something very

1100

00:38:16,950 --> 00:38:15,359

important to me

1101

00:38:20,069 --> 00:38:16,960

not something i'm holding back but a

1102

00:38:21,990 --> 00:38:20,079

couple of stories i for example

1103

00:38:23,750 --> 00:38:22,000

one of my witnesses one of my people i

1104

00:38:26,630 --> 00:38:23,760

guess is a science writer a lady in her

1105

00:38:28,710 --> 00:38:26,640

60s very intelligent very very smart a

1106

00:38:31,510 --> 00:38:28,720

worldly individual

1107

00:38:33,349 --> 00:38:31,520

has published for major magazines over

1108

00:38:35,670 --> 00:38:33,359

the years

1109

00:38:37,510 --> 00:38:35,680

and uh came to me a couple of years ago

1110

00:38:38,710 --> 00:38:37,520

out of the blue said look i haven't

1111

00:38:42,069 --> 00:38:38,720

talked to anyone about this i've had

1112

00:38:43,109 --> 00:38:42,079

this sitting in my mind for 40 years

1113

00:38:44,550 --> 00:38:43,119

and i'm just going to tell you because i

1114

00:38:45,990 --> 00:38:44,560

respect what you do

1115

00:38:47,750 --> 00:38:46,000

so i did a long series of interviews

1116

00:38:49,510 --> 00:38:47,760

with interviews with her

1117

00:38:51,190 --> 00:38:49,520

when we first started was on the phone i

1118

00:38:52,870 --> 00:38:51,200

was recording it

1119

00:38:54,710 --> 00:38:52,880

she

1120

00:38:56,470 --> 00:38:54,720

within five minutes

1121

00:39:00,630 --> 00:38:56,480

of recounting

1122

00:39:03,190 --> 00:39:00,640

her experience from the late 1960s

1123

00:39:05,030 --> 00:39:03,200

began having her heart palpitate

1124

00:39:07,829 --> 00:39:05,040

and i could hear her

1125

00:39:09,510 --> 00:39:07,839

panting on the other side of the phone

1126
00:39:11,270 --> 00:39:09,520
her heart was racing she was getting

1127
00:39:13,510 --> 00:39:11,280
upset she was visibly upset but not

1128
00:39:16,150 --> 00:39:13,520
visibly audibly upset

1129
00:39:17,910 --> 00:39:16,160
and she said i have to hang up the phone

1130
00:39:19,589 --> 00:39:17,920
she hung up 10 minutes later she called

1131
00:39:21,270 --> 00:39:19,599
me back she said i'm sorry

1132
00:39:23,670 --> 00:39:21,280
let's do it again

1133
00:39:25,670 --> 00:39:23,680
and i think about for the next 10

1134
00:39:28,470 --> 00:39:25,680
minutes i had to

1135
00:39:29,990 --> 00:39:28,480
tell her slow down calm down calm down

1136
00:39:31,349 --> 00:39:30,000
as she recounted what did she recount

1137
00:39:32,950 --> 00:39:31,359
she was with a boyfriend they were

1138
00:39:35,030 --> 00:39:32,960

driving on a highway as they were

1139

00:39:37,349 --> 00:39:35,040

approaching the exit they turned off she

1140

00:39:38,550 --> 00:39:37,359

said this object descended that was when

1141

00:39:41,270 --> 00:39:38,560

she had her first

1142

00:39:42,630 --> 00:39:41,280

moment of panic on the phone

1143

00:39:44,310 --> 00:39:42,640

and um

1144

00:39:46,310 --> 00:39:44,320

they had missing time

1145

00:39:48,630 --> 00:39:46,320

she had a

1146

00:39:52,150 --> 00:39:48,640

a lifetime

1147

00:39:54,150 --> 00:39:52,160

or at least 20 years of very bizarre

1148

00:39:55,270 --> 00:39:54,160

experiences

1149

00:39:57,349 --> 00:39:55,280

not just

1150

00:39:58,950 --> 00:39:57,359

apparent abduction experiences but men

1151

00:40:00,710 --> 00:39:58,960

in black encounters

1152

00:40:02,710 --> 00:40:00,720

people would come to her door knowing

1153

00:40:06,630 --> 00:40:02,720

her in ways that no one's supposed to

1154

00:40:07,990 --> 00:40:06,640

know you right a sense of familiarity

1155

00:40:11,510 --> 00:40:08,000

and um

1156

00:40:13,430 --> 00:40:11,520

all this time she's someone who

1157

00:40:16,870 --> 00:40:13,440

was extremely intelligent and living

1158

00:40:18,710 --> 00:40:16,880

with this in total isolation

1159

00:40:20,550 --> 00:40:18,720

but another gentleman that else well i'm

1160

00:40:23,030 --> 00:40:20,560

going to jump in real quick

1161

00:40:24,630 --> 00:40:23,040

were you the first person that she sat

1162

00:40:26,870 --> 00:40:24,640

down and talked to about it so she was

1163

00:40:28,310 --> 00:40:26,880

holding it in this entire time 40 years

1164

00:40:30,710 --> 00:40:28,320

all this trauma is coming out all at

1165

00:40:31,910 --> 00:40:30,720

once and did you send her a therapist

1166

00:40:33,750 --> 00:40:31,920

bill

1167

00:40:35,430 --> 00:40:33,760

what because well if you know what i'm

1168

00:40:37,589 --> 00:40:35,440

saying and i'm not i'm being not being

1169

00:40:40,230 --> 00:40:37,599

tongue-in-cheek but they need

1170

00:40:42,470 --> 00:40:40,240

to speak to somebody and you were in the

1171

00:40:44,069 --> 00:40:42,480

way and you were that guy and and and

1172

00:40:45,990 --> 00:40:44,079

that's what you felt

1173

00:40:47,190 --> 00:40:46,000

now that's happened to me more and more

1174

00:40:49,349 --> 00:40:47,200

um

1175

00:40:50,310 --> 00:40:49,359

i don't i don't do hypnotic regression i

1176

00:40:52,550 --> 00:40:50,320

don't

1177

00:40:54,390 --> 00:40:52,560

try to pretend to uh unpack memories

1178

00:40:56,309 --> 00:40:54,400

that are they're hidden that way i'm not

1179

00:40:58,790 --> 00:40:56,319

saying that there aren't such memories i

1180

00:41:00,309 --> 00:40:58,800

just don't do that but what i i can do

1181

00:41:01,589 --> 00:41:00,319

pretty well at this point is listen

1182

00:41:03,190 --> 00:41:01,599

carefully and hopefully ask some good

1183

00:41:06,950 --> 00:41:03,200

questions and help people to remember

1184

00:41:09,030 --> 00:41:06,960

things but i can do that um

1185

00:41:10,790 --> 00:41:09,040

yeah i mean in telling these stories

1186

00:41:12,870 --> 00:41:10,800

this is one of the another important

1187

00:41:14,950 --> 00:41:12,880

fact of the ufo subject which is that

1188

00:41:16,790 --> 00:41:14,960

it's so widespread it affects people at

1189

00:41:19,270 --> 00:41:16,800

a very deep level

1190

00:41:20,550 --> 00:41:19,280

and think about how wrong it is in our

1191

00:41:22,870 --> 00:41:20,560

society

1192

00:41:25,109 --> 00:41:22,880

that this phenomenon exists as it does

1193

00:41:27,510 --> 00:41:25,119

and we are dealing with it basically for

1194

00:41:29,670 --> 00:41:27,520

the most part in an atomized isolated

1195

00:41:31,190 --> 00:41:29,680

way i mean there are groups like where

1196

00:41:33,589 --> 00:41:31,200

we're sitting here tonight where there

1197

00:41:35,349 --> 00:41:33,599

are people who who are able to talk to

1198

00:41:36,470 --> 00:41:35,359

each other but that's

1199

00:41:38,150 --> 00:41:36,480

you know compared with that there's

1200

00:41:39,670 --> 00:41:38,160

millions and billions of other people

1201

00:41:41,510 --> 00:41:39,680

out there and they're have these

1202

00:41:42,309 --> 00:41:41,520

encounters they live in a world where

1203

00:41:46,470 --> 00:41:42,319

their

1204

00:41:47,829 --> 00:41:46,480

and they feel like idiots if they talk

1205

00:41:49,030 --> 00:41:47,839

about it because people will make fun of

1206

00:41:50,150 --> 00:41:49,040

them or they don't have the stomach to

1207

00:41:51,990 --> 00:41:50,160

deal with it

1208

00:41:54,550 --> 00:41:52,000

so there's a real problem and it creates

1209

00:41:55,910 --> 00:41:54,560

stress it creates trauma in the mind

1210

00:41:57,349 --> 00:41:55,920

and that's not a good thing it's an

1211

00:41:59,109 --> 00:41:57,359

unhealthy thing

1212

00:42:01,270 --> 00:41:59,119

i've said this uh

1213

00:42:03,109 --> 00:42:01,280

before on the air but i'll say it now

1214

00:42:05,270 --> 00:42:03,119

because again

1215

00:42:07,430 --> 00:42:05,280

fear of repeating myself but

1216

00:42:09,430 --> 00:42:07,440

uh i've i've seen three things in my

1217

00:42:10,790 --> 00:42:09,440

life three things that

1218

00:42:11,910 --> 00:42:10,800

you know can't explain one i

1219

00:42:12,710 --> 00:42:11,920

photographed

1220

00:42:14,870 --> 00:42:12,720

but

1221

00:42:17,190 --> 00:42:14,880

in all three instances and especially

1222

00:42:18,790 --> 00:42:17,200

the first one i didn't talk to anybody

1223

00:42:20,390 --> 00:42:18,800

for probably 10 years

1224

00:42:22,790 --> 00:42:20,400

i didn't tell anybody i didn't want

1225

00:42:23,910 --> 00:42:22,800

anybody to look at me

1226

00:42:25,670 --> 00:42:23,920

strange

1227

00:42:28,069 --> 00:42:25,680

and one of the first people i talked to

1228

00:42:30,630 --> 00:42:28,079

about it was steve marillo when he was

1229

00:42:33,030 --> 00:42:30,640

on the show and between and this was

1230

00:42:35,270 --> 00:42:33,040

1995. now we're talking almost 20 years

1231

00:42:37,990 --> 00:42:35,280

ago and in 20 years i've probably

1232

00:42:40,870 --> 00:42:38,000

discussed it with five people how many

1233

00:42:44,069 --> 00:42:40,880

people here in the same situation right

1234

00:42:46,150 --> 00:42:44,079

and uh it's it's it's something that you

1235

00:42:49,030 --> 00:42:46,160

have to encourage and also

1236

00:42:50,710 --> 00:42:49,040

there is a certain trauma i had a travis

1237

00:42:51,750 --> 00:42:50,720

walton on the show a couple a couple of

1238

00:42:54,230 --> 00:42:51,760

months ago

1239

00:42:56,870 --> 00:42:54,240

and the one thing that travis said to me

1240

00:43:00,309 --> 00:42:56,880

uh before we did the interview

1241

00:43:01,349 --> 00:43:00,319

was that he can't take the trauma

1242

00:43:04,790 --> 00:43:01,359

anymore

1243

00:43:07,349 --> 00:43:04,800

he cannot discuss because he just lives

1244

00:43:09,829 --> 00:43:07,359

it again and it was a scary experience

1245

00:43:11,109 --> 00:43:09,839

for him and he just gets traumatized

1246

00:43:14,390 --> 00:43:11,119

talking about it

1247

00:43:15,190 --> 00:43:14,400

so for you know and i agreed with travis

1248

00:43:16,870 --> 00:43:15,200

uh

1249

00:43:17,910 --> 00:43:16,880

that we wouldn't discuss that on the

1250

00:43:20,710 --> 00:43:17,920

show

1251
00:43:22,950 --> 00:43:20,720
we would talk about whatever and and

1252
00:43:24,870 --> 00:43:22,960
he was so thankful

1253
00:43:26,550 --> 00:43:24,880
that we didn't have to discuss the

1254
00:43:29,190 --> 00:43:26,560
traumatic stuff because he said his

1255
00:43:31,430 --> 00:43:29,200
heart gets racing and he just can't deal

1256
00:43:33,270 --> 00:43:31,440
with it i had a conversation with travis

1257
00:43:35,829 --> 00:43:33,280
walton about exactly that and one thing

1258
00:43:38,550 --> 00:43:35,839
he added is that on one occasion he

1259
00:43:40,870 --> 00:43:38,560
tried hypnotic regression to unpack what

1260
00:43:42,470 --> 00:43:40,880
what he had yeah he mentioned that right

1261
00:43:44,870 --> 00:43:42,480
and they had to stop that regression

1262
00:43:46,550 --> 00:43:44,880
because the uh there was a fear that he

1263
00:43:49,349 --> 00:43:46,560

literally didn't have a heart attack he

1264

00:43:52,230 --> 00:43:49,359

got so uh deeply upset about the

1265

00:43:54,309 --> 00:43:52,240

experience he sent me an email the the

1266

00:43:56,550 --> 00:43:54,319

next day after the show and he said

1267

00:43:58,790 --> 00:43:56,560

jimmy i've told that story for 38 years

1268

00:44:00,630 --> 00:43:58,800

i've done 38 years of interviews that's

1269

00:44:02,630 --> 00:44:00,640

the first time i didn't freak out and

1270

00:44:05,270 --> 00:44:02,640

thank you you know because i didn't you

1271

00:44:06,710 --> 00:44:05,280

know you i know the sensationalism and

1272

00:44:08,309 --> 00:44:06,720

and what the movie

1273

00:44:10,069 --> 00:44:08,319

you know shows if you want to see the

1274

00:44:13,829 --> 00:44:10,079

trauma just go see the movie if you want

1275

00:44:17,109 --> 00:44:13,839

the terror but uh for him everybody just

1276

00:44:19,510 --> 00:44:17,119

wants that minute by minute replay

1277

00:44:21,270 --> 00:44:19,520

and it just it freaks him out you asked

1278

00:44:23,190 --> 00:44:21,280

uh am i holding anything back there's

1279

00:44:25,750 --> 00:44:23,200

one other one other account that i think

1280

00:44:27,589 --> 00:44:25,760

is relevant here is useful to explain

1281

00:44:29,270 --> 00:44:27,599

and it's similar to the woman that i

1282

00:44:31,589 --> 00:44:29,280

described earlier but this was a truck

1283

00:44:33,430 --> 00:44:31,599

driver a guy in his 50s

1284

00:44:34,790 --> 00:44:33,440

told me about him uh two hours of

1285

00:44:36,069 --> 00:44:34,800

missing time that he had he'd been he

1286

00:44:41,190 --> 00:44:36,079

was doing night fishing with three

1287

00:44:43,829 --> 00:44:41,200

friends in ohio back in uh 1980s

1288

00:44:46,230 --> 00:44:43,839

uh bright object descends over their

1289

00:44:47,990 --> 00:44:46,240

boat and that was the last thing

1290

00:44:50,390 --> 00:44:48,000

he remembered the next thing he

1291

00:44:53,589 --> 00:44:50,400

remembered is that the four of them were

1292

00:44:55,829 --> 00:44:53,599

on the shore not in their boat

1293

00:44:57,430 --> 00:44:55,839

on the shore looking up at this low

1294

00:45:00,069 --> 00:44:57,440

object directly above them and they were

1295

00:45:01,670 --> 00:45:00,079

all screaming hysterically they're

1296

00:45:04,550 --> 00:45:01,680

coming to get us

1297

00:45:06,309 --> 00:45:04,560

he said the object took off and and left

1298

00:45:07,190 --> 00:45:06,319

when they checked their time it was two

1299

00:45:08,870 --> 00:45:07,200

hours

1300

00:45:10,470 --> 00:45:08,880

later than it should have been

1301

00:45:11,990 --> 00:45:10,480

and and um

1302

00:45:13,589 --> 00:45:12,000

as they were getting into the van to go

1303

00:45:17,349 --> 00:45:13,599

home

1304

00:45:19,510 --> 00:45:17,359

as he said to his friends

1305

00:45:22,069 --> 00:45:19,520

we are not supposed to talk about this

1306

00:45:24,470 --> 00:45:22,079

not ever and if any of you ever discuss

1307

00:45:26,790 --> 00:45:24,480

this i'll call you all a liar and i'll

1308

00:45:28,470 --> 00:45:26,800

never talk to you any any of you again

1309

00:45:31,430 --> 00:45:28,480

you're not supposed to talk

1310

00:45:33,510 --> 00:45:31,440

so what's going on who talked first

1311

00:45:35,349 --> 00:45:33,520

right well he didn't talk for 30 years

1312

00:45:36,950 --> 00:45:35,359

right he was another one when he talked

1313

00:45:39,510 --> 00:45:36,960

about his encounter to me

1314

00:45:41,510 --> 00:45:39,520

he got very very hyper he got very very

1315

00:45:43,270 --> 00:45:41,520

excited and i had to help him have him

1316

00:45:45,349 --> 00:45:43,280

slow down

1317

00:45:48,069 --> 00:45:45,359

but there's something going on in some

1318

00:45:51,030 --> 00:45:48,079

of these encounters

1319

00:45:53,349 --> 00:45:51,040

where these whoever's running the show

1320

00:45:55,270 --> 00:45:53,359

gets into our head and they

1321

00:45:57,910 --> 00:45:55,280

are able to manipulate our consciousness

1322

00:46:00,550 --> 00:45:57,920

to the extent that they induce fear

1323

00:46:01,750 --> 00:46:00,560

they induce a command like you're not

1324

00:46:02,950 --> 00:46:01,760

going to talk about this so you're not

1325

00:46:04,390 --> 00:46:02,960

going to talk about it intelligently or

1326
00:46:06,150 --> 00:46:04,400
whatever

1327
00:46:07,750 --> 00:46:06,160
so does that mean it's the aliens doing

1328
00:46:09,670 --> 00:46:07,760
it does that mean it's a human black

1329
00:46:11,349 --> 00:46:09,680
budget group doing it that's all

1330
00:46:13,109 --> 00:46:11,359
another question

1331
00:46:14,550 --> 00:46:13,119
but the larger point that i'd like to

1332
00:46:17,670 --> 00:46:14,560
mention especially if i'm in a

1333
00:46:19,910 --> 00:46:17,680
mainstream audience um

1334
00:46:21,670 --> 00:46:19,920
you know the point is not is this alien

1335
00:46:24,309 --> 00:46:21,680
or not necessarily

1336
00:46:26,069 --> 00:46:24,319
the fact is this is a real thing it's

1337
00:46:27,510 --> 00:46:26,079
affecting real people

1338
00:46:29,750 --> 00:46:27,520

and we've got to get to a point in our

1339

00:46:31,910 --> 00:46:29,760

culture where we can discuss this in an

1340

00:46:33,589 --> 00:46:31,920

open intelligent rational way

1341

00:46:36,150 --> 00:46:33,599

i uh

1342

00:46:38,870 --> 00:46:36,160

i share a couple of views on that

1343

00:46:41,670 --> 00:46:38,880

uh the first is i'm a military brat so i

1344

00:46:43,670 --> 00:46:41,680

grew up a child of the 60s and 70s

1345

00:46:47,990 --> 00:46:43,680

living on army bases

1346

00:46:49,510 --> 00:46:48,000

and what you experience with that is you

1347

00:46:51,109 --> 00:46:49,520

believe

1348

00:46:52,870 --> 00:46:51,119

what your government is telling you in

1349

00:46:55,430 --> 00:46:52,880

that atmosphere

1350

00:46:58,069 --> 00:46:55,440

and especially in the 60s

1351
00:47:01,190 --> 00:46:58,079
and today the government doesn't have a

1352
00:47:02,390 --> 00:47:01,200
control the control of this

1353
00:47:04,230 --> 00:47:02,400
of this

1354
00:47:06,870 --> 00:47:04,240
we're broadcasting around the world

1355
00:47:08,870 --> 00:47:06,880
right now there's no fcc regulations

1356
00:47:11,670 --> 00:47:08,880
here there's no well i don't know if

1357
00:47:15,589 --> 00:47:11,680
there's men in black here tonight

1358
00:47:17,270 --> 00:47:15,599
but there's nobody to control us now uh

1359
00:47:21,750 --> 00:47:17,280
they don't

1360
00:47:25,349 --> 00:47:21,760
allows uh you and i and everybody here

1361
00:47:27,910 --> 00:47:25,359
to suddenly have a voice and i i think

1362
00:47:30,230 --> 00:47:27,920
that there's a reaction to that too as

1363
00:47:31,829 --> 00:47:30,240

well and i don't know how

1364

00:47:33,750 --> 00:47:31,839

this is going to end up maybe being

1365

00:47:36,630 --> 00:47:33,760

controlled too

1366

00:47:39,030 --> 00:47:36,640

well control is always their goal so um

1367

00:47:41,030 --> 00:47:39,040

the internet the web i think uh 20 years

1368

00:47:42,550 --> 00:47:41,040

ago was not a development that anyone

1369

00:47:45,589 --> 00:47:42,560

could have foreseen how would turn out

1370

00:47:48,309 --> 00:47:45,599

exactly so um

1371

00:47:49,990 --> 00:47:48,319

so we get this this internet developing

1372

00:47:51,270 --> 00:47:50,000

through the 90s and into the 21st

1373

00:47:53,190 --> 00:47:51,280

century and what has it done it's

1374

00:47:56,069 --> 00:47:53,200

allowed for a complete explosion of

1375

00:47:57,510 --> 00:47:56,079

creativity of communication of of what

1376

00:47:59,109 --> 00:47:57,520

we're doing here

1377

00:48:01,990 --> 00:47:59,119

of people talking to each other around

1378

00:48:03,829 --> 00:48:02,000

the world sharing ideas and um and

1379

00:48:05,670 --> 00:48:03,839

growing in that capacity but of course

1380

00:48:07,109 --> 00:48:05,680

there's always those who rule there are

1381

00:48:09,030 --> 00:48:07,119

always those who are at the top of the

1382

00:48:10,630 --> 00:48:09,040

human food chain

1383

00:48:12,630 --> 00:48:10,640

and they want to maintain control and

1384

00:48:14,069 --> 00:48:12,640

but you know we all know they are

1385

00:48:15,910 --> 00:48:14,079

actively

1386

00:48:17,270 --> 00:48:15,920

working on ways to maintain that control

1387

00:48:18,390 --> 00:48:17,280

through the internet as well as every

1388

00:48:21,750 --> 00:48:18,400

other means

1389

00:48:23,829 --> 00:48:21,760

so this is uh we're in an era right now

1390

00:48:26,150 --> 00:48:23,839

where we're in a

1391

00:48:28,470 --> 00:48:26,160

serious struggle this is a titanic

1392

00:48:30,630 --> 00:48:28,480

monumental struggle of our age and it's

1393

00:48:32,950 --> 00:48:30,640

really the question of um will we have

1394

00:48:34,950 --> 00:48:32,960

global fascism or something approaching

1395

00:48:36,710 --> 00:48:34,960

freedom and we're going to have to see

1396

00:48:38,470 --> 00:48:36,720

this resolve itself in the next

1397

00:48:40,470 --> 00:48:38,480

generation

1398

00:48:41,829 --> 00:48:40,480

there are forces that want to control

1399

00:48:43,430 --> 00:48:41,839

access to the internet in a very

1400

00:48:45,349 --> 00:48:43,440

significant way

1401

00:48:47,030 --> 00:48:45,359
to monitor

1402

00:48:49,030 --> 00:48:47,040
everything that you read

1403

00:48:50,790 --> 00:48:49,040
and be able to go after you if you if

1404

00:48:52,230 --> 00:48:50,800
you have uh

1405

00:48:54,710 --> 00:48:52,240
you know if if you're the nail that

1406

00:48:56,710 --> 00:48:54,720
sticks out they're going to hammer you

1407

00:48:58,230 --> 00:48:56,720
so that's that's one possible world that

1408

00:48:59,750 --> 00:48:58,240
we're moving into and

1409

00:49:01,430 --> 00:48:59,760
and then the other possible world is

1410

00:49:02,950 --> 00:49:01,440
where people are able to organize and do

1411

00:49:04,710 --> 00:49:02,960
things to fight that system and opt out

1412

00:49:06,630 --> 00:49:04,720
of that system you know right now you're

1413

00:49:08,950 --> 00:49:06,640

that nail by the way

1414

00:49:11,270 --> 00:49:08,960

no i'm aware of that and i'm just glad

1415

00:49:13,109 --> 00:49:11,280

that i'm not the only email so so

1416

00:49:14,470 --> 00:49:13,119

there's more of us doing this and

1417

00:49:16,549 --> 00:49:14,480

hopefully they can hit us all on the

1418

00:49:18,150 --> 00:49:16,559

head and we can get something done now i

1419

00:49:20,309 --> 00:49:18,160

had said earlier i have two questions i

1420

00:49:22,309 --> 00:49:20,319

want to indulge myself with so just go

1421

00:49:23,829 --> 00:49:22,319

with me here's the second one

1422

00:49:26,069 --> 00:49:23,839

has anybody

1423

00:49:28,069 --> 00:49:26,079

from washington pulled you aside

1424

00:49:28,829 --> 00:49:28,079

whispered in your ear okay dude check

1425

00:49:31,349 --> 00:49:28,839

this

1426

00:49:33,349 --> 00:49:31,359

out they're here

1427

00:49:35,750 --> 00:49:33,359

i can't i can't go you know i can't i

1428

00:49:37,030 --> 00:49:35,760

can't i can't go public with this yes

1429

00:49:39,990 --> 00:49:37,040

that has happened

1430

00:49:41,910 --> 00:49:40,000

really yes i've had i've had um

1431

00:49:44,470 --> 00:49:41,920

i've had brilliant

1432

00:49:46,710 --> 00:49:44,480

and uh extremely well plugged in

1433

00:49:50,230 --> 00:49:46,720

individuals who have who have spoken

1434

00:49:51,990 --> 00:49:50,240

with me on the dl about this topic

1435

00:49:53,510 --> 00:49:52,000

um it was one of and this has gone on

1436

00:49:54,790 --> 00:49:53,520

for many years i've occasionally

1437

00:49:57,349 --> 00:49:54,800

discussed this

1438

00:49:59,750 --> 00:49:57,359

uh but i haven't given up our names

1439

00:50:02,069 --> 00:49:59,760

um well that would just blow everything

1440

00:50:03,270 --> 00:50:02,079

no right so today if one of them dies

1441

00:50:06,150 --> 00:50:03,280

i'll um

1442

00:50:07,990 --> 00:50:06,160

i i'll consider giving up the name of if

1443

00:50:11,109 --> 00:50:08,000

someone passes away

1444

00:50:12,710 --> 00:50:11,119

but i um will you do it here first

1445

00:50:14,549 --> 00:50:12,720

on your show yes

1446

00:50:15,829 --> 00:50:14,559

you can call me up we'll talk about who

1447

00:50:18,150 --> 00:50:15,839

knows

1448

00:50:19,349 --> 00:50:18,160

um i'll have it i'll describe one of the

1449

00:50:20,790 --> 00:50:19,359

conversations i had with one of these

1450

00:50:23,670 --> 00:50:20,800

gentlemen he was pleased he was a high

1451

00:50:24,829 --> 00:50:23,680

level cia brilliant man

1452

00:50:27,109 --> 00:50:24,839

and

1453

00:50:28,870 --> 00:50:27,119

uh one of the most brilliant people i've

1454

00:50:31,270 --> 00:50:28,880

ever known this is a person that if you

1455

00:50:33,829 --> 00:50:31,280

ask him a question he won't just qualify

1456

00:50:35,349 --> 00:50:33,839

it he'll qualify it like six ways before

1457

00:50:37,030 --> 00:50:35,359

he gives you the answer he's extremely

1458

00:50:39,270 --> 00:50:37,040

meticulous

1459

00:50:41,990 --> 00:50:39,280

he's given briefings to

1460

00:50:44,309 --> 00:50:42,000

at least one president that i know of

1461

00:50:46,069 --> 00:50:44,319

i think more than one president and he's

1462

00:50:47,430 --> 00:50:46,079

extremely brilliant in the realm of

1463

00:50:49,670 --> 00:50:47,440

science

1464

00:50:52,069 --> 00:50:49,680

and a couple of other areas

1465

00:50:53,430 --> 00:50:52,079

and for whatever reason he uh i have his

1466

00:50:55,829 --> 00:50:53,440

phone number we can chat every now and

1467

00:50:58,150 --> 00:50:55,839

then i've had long conversations with

1468

00:51:00,309 --> 00:50:58,160

him and i know a lot about him

1469

00:51:01,750 --> 00:51:00,319

so on one occasion i asked him

1470

00:51:04,069 --> 00:51:01,760

the question that anyone would ask

1471

00:51:06,069 --> 00:51:04,079

someone like him how much

1472

00:51:07,670 --> 00:51:06,079

well what do u.s presidents know that

1473

00:51:08,790 --> 00:51:07,680

was one question that was my question to

1474

00:51:10,470 --> 00:51:08,800

you okay

1475

00:51:12,549 --> 00:51:10,480

what what does the president or do

1476

00:51:14,790 --> 00:51:12,559

presidents know and his answer

1477

00:51:15,750 --> 00:51:14,800

was well some have known more than

1478

00:51:17,430 --> 00:51:15,760

others

1479

00:51:19,109 --> 00:51:17,440

he said think of it this way

1480

00:51:21,349 --> 00:51:19,119

presidents come and go

1481

00:51:24,390 --> 00:51:21,359

some are really intelligent some maybe

1482

00:51:25,670 --> 00:51:24,400

not as much some are reliable some drink

1483

00:51:28,790 --> 00:51:25,680

those words

1484

00:51:30,230 --> 00:51:28,800

uh some are you know not stable

1485

00:51:32,309 --> 00:51:30,240

and he said this to me during the bush

1486

00:51:34,790 --> 00:51:32,319

the george w bush administration and and

1487

00:51:38,390 --> 00:51:34,800

he he was i mean

1488

00:51:41,430 --> 00:51:38,400

he was referring to george w bush

1489

00:51:45,589 --> 00:51:43,829

he didn't say but he made it clear

1490

00:51:47,910 --> 00:51:45,599

so uh

1491

00:51:50,069 --> 00:51:47,920

and um he said but the bureaucrats the

1492

00:51:51,750 --> 00:51:50,079

people running this are they're there

1493

00:51:52,549 --> 00:51:51,760

forever it

1494

00:51:54,549 --> 00:51:52,559

and

1495

00:51:56,790 --> 00:51:54,559

they don't always just willingly give up

1496

00:51:58,470 --> 00:51:56,800

this information one thing he did say

1497

00:52:00,630 --> 00:51:58,480

regarding who knows

1498

00:52:03,030 --> 00:52:00,640

he said i had conversations one on one

1499

00:52:04,870 --> 00:52:03,040

with 18 former

1500

00:52:07,349 --> 00:52:04,880

presidents secretaries of defense and

1501
00:52:08,230 --> 00:52:07,359
cia directors so those three the top you

1502
00:52:10,309 --> 00:52:08,240
know

1503
00:52:11,750 --> 00:52:10,319
of the three powerful so 18 of those

1504
00:52:12,950 --> 00:52:11,760
retired

1505
00:52:15,750 --> 00:52:12,960
individuals

1506
00:52:17,270 --> 00:52:15,760
about the topic of ufos one-on-one

1507
00:52:19,349 --> 00:52:17,280
pretty cool thing to have done think

1508
00:52:20,950 --> 00:52:19,359
about how neat that is

1509
00:52:23,349 --> 00:52:20,960
and he said

1510
00:52:25,190 --> 00:52:23,359
their attitudes broke down into three

1511
00:52:26,470 --> 00:52:25,200
basic groups

1512
00:52:28,549 --> 00:52:26,480
on one

1513
00:52:30,470 --> 00:52:28,559

side a very small number

1514

00:52:32,870 --> 00:52:30,480

of individuals said

1515

00:52:35,190 --> 00:52:32,880

oh yes ufos yes i've been briefed on

1516

00:52:37,430 --> 00:52:35,200

that i i know a bit about that

1517

00:52:39,030 --> 00:52:37,440

another equally small group another like

1518

00:52:41,349 --> 00:52:39,040

maybe two or three

1519

00:52:43,270 --> 00:52:41,359

or three or four would say

1520

00:52:44,790 --> 00:52:43,280

ufos what is wrong with you you're

1521

00:52:47,030 --> 00:52:44,800

wasting your time on that nonsense

1522

00:52:49,990 --> 00:52:47,040

stupid topic he said

1523

00:52:51,270 --> 00:52:50,000

the largest group

1524

00:52:53,910 --> 00:52:51,280

uh maybe

1525

00:52:55,190 --> 00:52:53,920

of the 18 maybe 10 let's say

1526

00:52:56,390 --> 00:52:55,200

said oh

1527

00:52:58,309 --> 00:52:56,400

ufos

1528

00:52:59,510 --> 00:52:58,319

that's fascinating i have been trying to

1529

00:53:03,109 --> 00:52:59,520

get information on that and i haven't

1530

00:53:04,870 --> 00:53:03,119

gotten squat why not and why do you

1531

00:53:06,710 --> 00:53:04,880

this is the thing and i'm i'm going to

1532

00:53:07,829 --> 00:53:06,720

speak for everybody in this room right

1533

00:53:09,829 --> 00:53:07,839

now

1534

00:53:12,230 --> 00:53:09,839

it seems like

1535

00:53:15,349 --> 00:53:12,240

every president that's or no every

1536

00:53:18,390 --> 00:53:15,359

candidate that's running for president

1537

00:53:20,630 --> 00:53:18,400

that the issue of ufos has come up oh

1538

00:53:22,150 --> 00:53:20,640

when i get there when i get there i'll

1539

00:53:25,430 --> 00:53:22,160

find out for you

1540

00:53:26,470 --> 00:53:25,440

and they get into office and then

1541

00:53:28,069 --> 00:53:26,480

nothing

1542

00:53:30,150 --> 00:53:28,079

silence

1543

00:53:32,309 --> 00:53:30,160

is it because a

1544

00:53:34,630 --> 00:53:32,319

uh there isn't anything to find out or

1545

00:53:36,870 --> 00:53:34,640

is it b

1546

00:53:38,309 --> 00:53:36,880

they're not told anything at all well i

1547

00:53:40,150 --> 00:53:38,319

think the answer you know you're

1548

00:53:42,150 --> 00:53:40,160

referring indirectly to jimmy carter and

1549

00:53:44,230 --> 00:53:42,160

i have a jimmy carter story told to me

1550

00:53:46,710 --> 00:53:44,240

by this man this very man well you had

1551

00:53:48,390 --> 00:53:46,720

gerald ford and he had clinton you know

1552

00:53:50,230 --> 00:53:48,400

i think everybody's been confronted with

1553

00:53:51,990 --> 00:53:50,240

it uh you want your mic on there steve

1554

00:53:53,750 --> 00:53:52,000

shelton yeah clinton was big on that

1555

00:53:55,670 --> 00:53:53,760

yeah oh yeah yeah

1556

00:53:59,750 --> 00:53:55,680

well with the the carter story this this

1557

00:54:01,829 --> 00:53:59,760

cia man um and again i'll just say i

1558

00:54:03,349 --> 00:54:01,839

i implicitly i you know i know his

1559

00:54:05,270 --> 00:54:03,359

background i know a lot about him and i

1560

00:54:06,309 --> 00:54:05,280

believe him when he says this to me

1561

00:54:08,390 --> 00:54:06,319

and uh

1562

00:54:11,190 --> 00:54:08,400

he said jimmy carter was briefed on this

1563

00:54:12,790 --> 00:54:11,200

topic in june of 1977.

1564

00:54:13,910 --> 00:54:12,800

he doesn't know exactly what was said to

1565

00:54:16,069 --> 00:54:13,920

carter

1566

00:54:18,309 --> 00:54:16,079

but he does know

1567

00:54:19,589 --> 00:54:18,319

he said extremely reliably that when

1568

00:54:21,190 --> 00:54:19,599

carter was seen at the end of that

1569

00:54:22,150 --> 00:54:21,200

briefing and i wrote about this in one

1570

00:54:23,829 --> 00:54:22,160

of my books

1571

00:54:25,030 --> 00:54:23,839

he was seen with his elbows on his desk

1572

00:54:26,390 --> 00:54:25,040

head and his head in his hands and he

1573

00:54:28,630 --> 00:54:26,400

was sobbing

1574

00:54:30,870 --> 00:54:28,640

so he was deeply upset by whatever it

1575

00:54:32,630 --> 00:54:30,880

was that he was told

1576

00:54:34,309 --> 00:54:32,640

so the thing is

1577

00:54:35,670 --> 00:54:34,319

how much do presidents know what do they

1578

00:54:39,190 --> 00:54:35,680

know

1579

00:54:40,870 --> 00:54:39,200

apparently a lot of them aren't briefed

1580

00:54:42,790 --> 00:54:40,880

the way that they want to be and that

1581

00:54:43,910 --> 00:54:42,800

begs the question of who

1582

00:54:47,750 --> 00:54:43,920

is

1583

00:54:49,510 --> 00:54:47,760

that very question i said so are we

1584

00:54:51,349 --> 00:54:49,520

talking about uh

1585

00:54:53,589 --> 00:54:51,359

something like the bilderbergers you

1586

00:54:55,349 --> 00:54:53,599

know the financial elites of the world

1587

00:54:57,030 --> 00:54:55,359

and and all he could say is yes

1588

00:54:58,710 --> 00:54:57,040

something like that

1589

00:55:01,430 --> 00:54:58,720

uh we're at the top of the hour so just

1590

00:55:03,349 --> 00:55:01,440

say this kjcr dark matter network fade

1591

00:55:07,750 --> 00:55:03,359

to black we are sitting with richard

1592

00:55:13,430 --> 00:55:09,589

and

1593

00:55:14,710 --> 00:55:13,440

okay before we get back into the book um

1594

00:55:15,510 --> 00:55:14,720

uh

1595

00:55:17,750 --> 00:55:15,520

when

1596

00:55:19,030 --> 00:55:17,760

i i just want to say this again

1597

00:55:22,150 --> 00:55:19,040

correctly

1598

00:55:25,270 --> 00:55:22,160

um with with the subject when it comes

1599

00:55:27,750 --> 00:55:25,280

to the white house what is the event do

1600

00:55:30,150 --> 00:55:27,760

you think that would tip the scale

1601
00:55:31,829 --> 00:55:30,160
aside from the obvious answer and and

1602
00:55:33,990 --> 00:55:31,839
then i've i've got another follow-up

1603
00:55:35,910 --> 00:55:34,000
question the obvious you know you know

1604
00:55:39,270 --> 00:55:35,920
white house lawn kind of thing right

1605
00:55:40,549 --> 00:55:39,280
what what is the event that you think

1606
00:55:42,710 --> 00:55:40,559
would

1607
00:55:44,390 --> 00:55:42,720
you know open those doors um either a

1608
00:55:45,750 --> 00:55:44,400
leak like a wikileaks type of thing or

1609
00:55:47,349 --> 00:55:45,760
an edward snowden type of thing where

1610
00:55:48,710 --> 00:55:47,359
something leaks out illegally but it's

1611
00:55:50,150 --> 00:55:48,720
out there and

1612
00:55:52,069 --> 00:55:50,160
and becomes an embarrassment it has to

1613
00:55:53,910 --> 00:55:52,079

be dealt with that's one obvious

1614

00:55:55,270 --> 00:55:53,920

possibility in my mind another would be

1615

00:55:57,270 --> 00:55:55,280

a mass sighting not necessarily

1616

00:55:58,950 --> 00:55:57,280

necessarily on the white house lawn but

1617

00:56:00,710 --> 00:55:58,960

in an age where we have multiple cameras

1618

00:56:03,270 --> 00:56:00,720

available to capture things

1619

00:56:04,870 --> 00:56:03,280

there is always the possibility and i

1620

00:56:06,630 --> 00:56:04,880

think increasingly a likelihood as we

1621

00:56:08,390 --> 00:56:06,640

move forward that something will be

1622

00:56:10,150 --> 00:56:08,400

captured that will be

1623

00:56:12,710 --> 00:56:10,160

undeniable

1624

00:56:14,069 --> 00:56:12,720

aside uh you know overcoming the fact

1625

00:56:16,549 --> 00:56:14,079

that you're going to have

1626
00:56:17,990 --> 00:56:16,559
uh arguments about cgi and fakery and

1627
00:56:20,470 --> 00:56:18,000
everything but i think that there that

1628
00:56:21,670 --> 00:56:20,480
it's an inevitability that we're getting

1629
00:56:24,230 --> 00:56:21,680
to a point where

1630
00:56:27,109 --> 00:56:24,240
something's gonna give one of those

1631
00:56:28,309 --> 00:56:27,119
we talked about hollywood earlier

1632
00:56:30,549 --> 00:56:28,319
do you think

1633
00:56:32,789 --> 00:56:30,559
again this is me asking a personal

1634
00:56:34,470 --> 00:56:32,799
question but do you think oh well and

1635
00:56:36,710 --> 00:56:34,480
then i have one other one other thing

1636
00:56:39,190 --> 00:56:36,720
that made me which is simply uh

1637
00:56:41,190 --> 00:56:39,200
developments in computing intelligence

1638
00:56:43,829 --> 00:56:41,200

uh i think that we we might get to a

1639

00:56:45,349 --> 00:56:43,839

period in another 20 years possibly

1640

00:56:47,190 --> 00:56:45,359

where our computing capability is going

1641

00:56:48,870 --> 00:56:47,200

to be so advanced so incredible we're

1642

00:56:50,630 --> 00:56:48,880

actually going to be able to yank out

1643

00:56:52,630 --> 00:56:50,640

answers that we can't even conceive of

1644

00:56:55,030 --> 00:56:52,640

yanking out today

1645

00:56:56,829 --> 00:56:55,040

whether that's through advanced ai or or

1646

00:56:59,349 --> 00:56:56,839

some other similar

1647

00:57:01,910 --> 00:56:59,359

development it's exactly my next

1648

00:57:03,349 --> 00:57:01,920

question oh hang on steve

1649

00:57:06,069 --> 00:57:03,359

richard if you go into that a little bit

1650

00:57:08,230 --> 00:57:06,079

more when you say ai yanking in answers

1651
00:57:10,789 --> 00:57:08,240
what do you mean by that well uh

1652
00:57:14,390 --> 00:57:10,799
artificial intelligence and advanced

1653
00:57:15,910 --> 00:57:14,400
computing in general um

1654
00:57:17,430 --> 00:57:15,920
you know

1655
00:57:20,230 --> 00:57:17,440
people think ufos are a little whack

1656
00:57:22,230 --> 00:57:20,240
they should read books by mainstream are

1657
00:57:24,309 --> 00:57:22,240
thinkers on artificial intelligence and

1658
00:57:25,349 --> 00:57:24,319
you want to read a wild story read those

1659
00:57:26,630 --> 00:57:25,359
books

1660
00:57:28,630 --> 00:57:26,640
they're these are people who get

1661
00:57:29,829 --> 00:57:28,640
significant funding for what they do and

1662
00:57:31,829 --> 00:57:29,839
they're very mainstream and what are

1663
00:57:33,910 --> 00:57:31,839

they arguing they're saying

1664

00:57:35,670 --> 00:57:33,920

20 years maybe 30 years from now they

1665

00:57:38,230 --> 00:57:35,680

argue over the duration but we're going

1666

00:57:39,510 --> 00:57:38,240

to get to a point where computers will

1667

00:57:40,549 --> 00:57:39,520

seem

1668

00:57:41,990 --> 00:57:40,559

conscious

1669

00:57:44,549 --> 00:57:42,000

whether they are not is another issue

1670

00:57:47,270 --> 00:57:44,559

but they'll be able to talk back to you

1671

00:57:48,710 --> 00:57:47,280

they'll have maybe a relative iq of 500

1672

00:57:50,950 --> 00:57:48,720

or better who knows they're going to

1673

00:57:53,670 --> 00:57:50,960

seem like very intel one writer ray

1674

00:57:55,589 --> 00:57:53,680

kurzweil called the intelligence

1675

00:57:57,750 --> 00:57:55,599

of a god-like level of intelligence well

1676
00:57:59,829 --> 00:57:57,760
if this is true

1677
00:58:01,510 --> 00:57:59,839
and uh these are not you know these

1678
00:58:02,789 --> 00:58:01,520
aren't chumps these are smart very

1679
00:58:05,430 --> 00:58:02,799
brilliant people they get a lot of

1680
00:58:07,190 --> 00:58:05,440
serious attention

1681
00:58:08,630 --> 00:58:07,200
think about it you have a computer 20

1682
00:58:10,710 --> 00:58:08,640
years from now

1683
00:58:12,549 --> 00:58:10,720
you wake up you'll say hey marvin and

1684
00:58:14,789 --> 00:58:12,559
marvin will say hello

1685
00:58:16,069 --> 00:58:14,799
marvin i was just thinking about ufos i

1686
00:58:17,589 --> 00:58:16,079
just occurred to me that you might have

1687
00:58:19,430 --> 00:58:17,599
some ideas on this and marvin will say

1688
00:58:21,109 --> 00:58:19,440

oh well yes absolutely

1689

00:58:22,390 --> 00:58:21,119

and marvin will be able to put together

1690

00:58:24,390 --> 00:58:22,400

a very

1691

00:58:25,990 --> 00:58:24,400

cogent analysis of all the known data

1692

00:58:28,069 --> 00:58:26,000

and and probably provide you with some

1693

00:58:29,190 --> 00:58:28,079

information about this sounds silly

1694

00:58:30,710 --> 00:58:29,200

maybe but

1695

00:58:32,630 --> 00:58:30,720

why wouldn't that be possible or

1696

00:58:34,390 --> 00:58:32,640

something along the lines where

1697

00:58:37,270 --> 00:58:34,400

think of it just generally speaking we

1698

00:58:39,589 --> 00:58:37,280

have tools today in 2014 that were not

1699

00:58:41,270 --> 00:58:39,599

imaginable to us 20 years ago it's

1700

00:58:44,950 --> 00:58:41,280

called the iphone

1701

00:58:46,309 --> 00:58:44,960

yes yeah smartphones right and um

1702

00:58:49,190 --> 00:58:46,319

what are our tools going to be in

1703

00:58:52,150 --> 00:58:49,200

another 20 years when you compared 2014

1704

00:58:53,990 --> 00:58:52,160

to 1994 it's two different universes yes

1705

00:58:55,349 --> 00:58:54,000

it is so obviously time's not going to

1706

00:58:57,670 --> 00:58:55,359

stop it's not going to stand still we're

1707

00:59:00,470 --> 00:58:57,680

going to have a 2034 what's it going to

1708

00:59:02,150 --> 00:59:00,480

be like so i i just think to uh

1709

00:59:04,230 --> 00:59:02,160

when we look at these developments on

1710

00:59:06,150 --> 00:59:04,240

our new tools i think we're fools if we

1711

00:59:09,190 --> 00:59:06,160

think we're not going to have

1712

00:59:11,589 --> 00:59:09,200

new um new opportunities

1713

00:59:13,430 --> 00:59:11,599

to open this this topic up so i mean i

1714

00:59:15,430 --> 00:59:13,440

guess what i'm saying to you is

1715

00:59:17,270 --> 00:59:15,440

my imagination is limited

1716

00:59:18,390 --> 00:59:17,280

because of where we're at in time but i

1717

00:59:20,630 --> 00:59:18,400

think that there are going to be new

1718

00:59:22,549 --> 00:59:20,640

vistas opening up in the next generation

1719

00:59:24,069 --> 00:59:22,559

one last question before we get into the

1720

00:59:25,750 --> 00:59:24,079

book

1721

00:59:27,910 --> 00:59:25,760

does steven spielberg know something

1722

00:59:29,990 --> 00:59:27,920

that we don't

1723

00:59:32,309 --> 00:59:30,000

i think yes i think that he probably

1724

00:59:34,710 --> 00:59:32,319

does i've never had the pleasure to have

1725

00:59:36,150 --> 00:59:34,720

a conversation with him i mean you know

1726

00:59:38,870 --> 00:59:36,160

but um

1727

00:59:41,670 --> 00:59:38,880

and you understand the question

1728

00:59:43,750 --> 00:59:41,680

yes of course uh this is a guy who is as

1729

00:59:44,950 --> 00:59:43,760

plugged into hollywood as as anyone has

1730

00:59:47,349 --> 00:59:44,960

ever been

1731

00:59:49,589 --> 00:59:47,359

he's had a lifelong

1732

00:59:52,309 --> 00:59:49,599

interest in discussing in uh and

1733

00:59:54,789 --> 00:59:52,319

treating this particular topic

1734

00:59:57,030 --> 00:59:54,799

in various ways from his early years

1735

00:59:59,430 --> 00:59:57,040

with where you know the et was kind of a

1736

01:00:00,870 --> 00:59:59,440

positive benefit beneficent sort of

1737

01:00:02,789 --> 01:00:00,880

thing to uh

1738

01:00:04,870 --> 01:00:02,799

later you know doing a series like taken

1739

01:00:06,870 --> 01:00:04,880

which is very dark and and distressing

1740

01:00:09,349 --> 01:00:06,880

and ominous

1741

01:00:10,789 --> 01:00:09,359

to uh independence day with tom cruise

1742

01:00:11,750 --> 01:00:10,799

where you know they're blowing up the

1743

01:00:13,190 --> 01:00:11,760

world

1744

01:00:15,109 --> 01:00:13,200

so he's taken a number of different

1745

01:00:16,870 --> 01:00:15,119

takes on this and partly that could just

1746

01:00:18,950 --> 01:00:16,880

be an an artist trying out different

1747

01:00:21,190 --> 01:00:18,960

visions that's certainly fair war of the

1748

01:00:23,510 --> 01:00:21,200

worlds yeah oh right what did i say

1749

01:00:25,510 --> 01:00:23,520

independent statements

1750

01:00:27,030 --> 01:00:25,520

no thank you thanks for the correction

1751
01:00:30,870 --> 01:00:27,040
but um

1752
01:00:33,109 --> 01:00:30,880
hollywood is so important

1753
01:00:35,510 --> 01:00:33,119
as a creator of global consciousness and

1754
01:00:39,190 --> 01:00:35,520
also global control

1755
01:00:42,470 --> 01:00:39,200
global control hollywood is key okay and

1756
01:00:44,950 --> 01:00:42,480
and there's no way in hell that the

1757
01:00:46,470 --> 01:00:44,960
u.s national security state is simply

1758
01:00:49,430 --> 01:00:46,480
going to allow hollywood to go run off

1759
01:00:51,109 --> 01:00:49,440
on assange for for mere profit motive

1760
01:00:52,390 --> 01:00:51,119
so there's going to be cia connections

1761
01:00:53,829 --> 01:00:52,400
there's going to be military connections

1762
01:00:55,829 --> 01:00:53,839
to hollywood and there have been and we

1763
01:00:57,349 --> 01:00:55,839

we had this confirmed not even more just

1764

01:00:59,349 --> 01:00:57,359

about a year ago

1765

01:01:02,309 --> 01:00:59,359

with a gentleman named chase brandon

1766

01:01:04,150 --> 01:01:02,319

great story retired cia and he's for

1767

01:01:07,270 --> 01:01:04,160

real you can check him out and he said

1768

01:01:10,230 --> 01:01:07,280

my job was to be cia's liaison to

1769

01:01:11,270 --> 01:01:10,240

hollywood i think he wrote some scripts

1770

01:01:13,270 --> 01:01:11,280

as well

1771

01:01:15,349 --> 01:01:13,280

yeah he's a he's a competent capable

1772

01:01:16,789 --> 01:01:15,359

writer and he's he's the right guy to

1773

01:01:18,789 --> 01:01:16,799

deal with hollywood and he's got the

1774

01:01:22,150 --> 01:01:18,799

right personality apparently

1775

01:01:24,390 --> 01:01:22,160

but the job was to monitor and sort of

1776

01:01:26,549 --> 01:01:24,400

oversee the message

1777

01:01:28,950 --> 01:01:26,559

that hollywood movies had on this

1778

01:01:31,349 --> 01:01:28,960

particular topic guaranteed that they've

1779

01:01:33,190 --> 01:01:31,359

got other people monitoring messages of

1780

01:01:34,630 --> 01:01:33,200

all other types whether it's support

1781

01:01:35,750 --> 01:01:34,640

your troops

1782

01:01:40,870 --> 01:01:35,760

or

1783

01:01:43,030 --> 01:01:40,880

very afraid so that we can you know have

1784

01:01:45,430 --> 01:01:43,040

new homeland security laws labeled you

1785

01:01:48,789 --> 01:01:45,440

know laying down against you or whatever

1786

01:01:51,829 --> 01:01:48,799

but this is part of their job is to um

1787

01:01:54,150 --> 01:01:51,839

i think distract and still

1788

01:01:55,750 --> 01:01:54,160

uh and instill a a perceived need to

1789

01:01:57,430 --> 01:01:55,760

rely on

1790

01:01:59,190 --> 01:01:57,440

the powerful government powerful

1791

01:02:00,150 --> 01:01:59,200

military to protect you from evil

1792

01:02:02,549 --> 01:02:00,160

threats

1793

01:02:06,309 --> 01:02:02,559

do you do you think that uh

1794

01:02:08,150 --> 01:02:06,319

with a.d and disclosure after disclosure

1795

01:02:10,710 --> 01:02:08,160

the idea

1796

01:02:12,470 --> 01:02:10,720

at least to me of anarchy in the streets

1797

01:02:14,069 --> 01:02:12,480

and the collapse of religion i don't

1798

01:02:15,430 --> 01:02:14,079

think that would happen

1799

01:02:18,789 --> 01:02:15,440

i think that

1800

01:02:20,630 --> 01:02:18,799

the the the worst

1801

01:02:23,990 --> 01:02:20,640
of the two would be if you don't

1802

01:02:25,990 --> 01:02:24,000
disclose well i think that uh

1803

01:02:30,069 --> 01:02:26,000
society in general now would be more

1804

01:02:31,670 --> 01:02:30,079
relaxed and and relieved if they knew

1805

01:02:33,430 --> 01:02:31,680
that there was life out there would be

1806

01:02:36,870 --> 01:02:33,440
like okay well that question is answered

1807

01:02:39,829 --> 01:02:36,880
now we can move on i i wonder

1808

01:02:41,670 --> 01:02:39,839
maybe we we here we live this topic i

1809

01:02:43,510 --> 01:02:41,680
live this topic day in day out it's on

1810

01:02:46,230 --> 01:02:43,520
my mind every single day

1811

01:02:48,390 --> 01:02:46,240
and i i suspect i would be

1812

01:02:51,030 --> 01:02:48,400
although i might myself have a feeling

1813

01:02:52,950 --> 01:02:51,040

of ominous dread because like like

1814

01:02:54,630 --> 01:02:52,960

knowing okay this stuff just got real

1815

01:02:56,309 --> 01:02:54,640

now we're moving into the next phase

1816

01:02:57,910 --> 01:02:56,319

right but there are people i have

1817

01:02:59,349 --> 01:02:57,920

relatives and i love them all but i've

1818

01:03:00,150 --> 01:02:59,359

got a lot of relatives i'm sure you do

1819

01:03:02,069 --> 01:03:00,160

too

1820

01:03:03,430 --> 01:03:02,079

who they're not on board with this and

1821

01:03:05,270 --> 01:03:03,440

not only are they not on board they're

1822

01:03:07,030 --> 01:03:05,280

not thinking about this this is not part

1823

01:03:08,390 --> 01:03:07,040

of their reality

1824

01:03:10,630 --> 01:03:08,400

and um

1825

01:03:13,829 --> 01:03:10,640

one thing that i have noticed about this

1826

01:03:15,750 --> 01:03:13,839

subject is that it's dangerous in a way

1827

01:03:17,589 --> 01:03:15,760

this is not a subject that i feel is for

1828

01:03:18,870 --> 01:03:17,599

the faint of heart

1829

01:03:21,270 --> 01:03:18,880

i have seen

1830

01:03:23,109 --> 01:03:21,280

uh associates and friends

1831

01:03:25,430 --> 01:03:23,119

some of them i mean really almost lose

1832

01:03:27,029 --> 01:03:25,440

it lose their stability when they dive

1833

01:03:28,309 --> 01:03:27,039

into this why

1834

01:03:34,230 --> 01:03:28,319

because

1835

01:03:36,470 --> 01:03:34,240

the very real ability to to turn

1836

01:03:37,829 --> 01:03:36,480

your all of your previous paradigms

1837

01:03:39,270 --> 01:03:37,839

inside out

1838

01:03:43,109 --> 01:03:39,280

and that's a hard thing for a lot of

1839

01:03:44,630 --> 01:03:43,119

people to to deal with i mean it just is

1840

01:03:46,309 --> 01:03:44,640

so when you're dealing with the general

1841

01:03:47,670 --> 01:03:46,319

population

1842

01:03:49,750 --> 01:03:47,680

yes we've you can say we've been

1843

01:03:51,510 --> 01:03:49,760

acculturated through hollywood movies

1844

01:03:53,670 --> 01:03:51,520

but the fact is that almost none of

1845

01:03:56,150 --> 01:03:53,680

those movies truly accurately portray

1846

01:03:58,309 --> 01:03:56,160

the actual ufo phenomenon what do they

1847

01:03:59,750 --> 01:03:58,319

do it's cowboys and aliens let's shoot

1848

01:04:02,230 --> 01:03:59,760

em up bang bang

1849

01:04:03,990 --> 01:04:02,240

nothing that's actually genuinely

1850

01:04:05,990 --> 01:04:04,000

along the top if they were to do stuff

1851
01:04:07,990 --> 01:04:06,000
that dealt with the actual ufo phenomena

1852
01:04:09,670 --> 01:04:08,000
it'd be scary as hell

1853
01:04:12,230 --> 01:04:09,680
some of it would be

1854
01:04:13,349 --> 01:04:12,240
you know absolutely creepy yeah i mean

1855
01:04:14,950 --> 01:04:13,359
especially in the abduction of

1856
01:04:17,829 --> 01:04:14,960
phenomenon obviously i mean can you

1857
01:04:20,390 --> 01:04:17,839
imagine disclosure and then shortly

1858
01:04:24,309 --> 01:04:20,400
thereafter millions of people are going

1859
01:04:25,430 --> 01:04:24,319
you know who were previously alone going

1860
01:04:27,190 --> 01:04:25,440
you mean

1861
01:04:29,190 --> 01:04:27,200
all that stuff that i thought i was

1862
01:04:32,150 --> 01:04:29,200
going crazy that that's really happening

1863
01:04:34,230 --> 01:04:32,160

to me and that thought that knowledge is

1864

01:04:35,349 --> 01:04:34,240

terrifying and i've seen

1865

01:04:38,470 --> 01:04:35,359

uh

1866

01:04:40,870 --> 01:04:38,480

abductees contactees literally spin out

1867

01:04:42,390 --> 01:04:40,880

and just lose it and you know you don't

1868

01:04:44,549 --> 01:04:42,400

they they end up

1869

01:04:45,990 --> 01:04:44,559

hurting well

1870

01:04:48,789 --> 01:04:46,000

for everybody out there that's that's

1871

01:04:51,029 --> 01:04:48,799

steve marillo um now steve well you

1872

01:04:52,549 --> 01:04:51,039

bring up a good point and and i'll point

1873

01:04:53,670 --> 01:04:52,559

this at richard

1874

01:04:55,990 --> 01:04:53,680

um

1875

01:04:58,710 --> 01:04:56,000

so what you're suggesting is that maybe

1876

01:05:00,150 --> 01:04:58,720

an abductee maybe doesn't want to know

1877

01:05:02,390 --> 01:05:00,160

the truth

1878

01:05:05,109 --> 01:05:02,400

yeah you know bud hopkins

1879

01:05:07,029 --> 01:05:05,119

uh he would say look if you're

1880

01:05:08,870 --> 01:05:07,039

functioning fun if you think you might

1881

01:05:10,789 --> 01:05:08,880

be an abductee but you're functioning in

1882

01:05:13,029 --> 01:05:10,799

life you have a good job you're happy

1883

01:05:14,630 --> 01:05:13,039

you're married whatever your your life

1884

01:05:16,870 --> 01:05:14,640

is just okay

1885

01:05:18,390 --> 01:05:16,880

um you know do i want to do you want me

1886

01:05:21,109 --> 01:05:18,400

to hypnotize you and bring out those

1887

01:05:23,510 --> 01:05:21,119

memories no right it's a pandora's box

1888

01:05:25,589 --> 01:05:23,520

you can't yeah be prepared for what yeah

1889

01:05:27,910 --> 01:05:25,599

yeah you cannot shut that door once you

1890

01:05:29,750 --> 01:05:27,920

open it it's it's game over and then you

1891

01:05:32,309 --> 01:05:29,760

know then you got to deal with

1892

01:05:34,470 --> 01:05:32,319

okay so now if that's really you know so

1893

01:05:36,309 --> 01:05:34,480

the government lied to me about that

1894

01:05:38,630 --> 01:05:36,319

what else are they lying to me about

1895

01:05:40,950 --> 01:05:38,640

well everything yeah so you know i mean

1896

01:05:43,750 --> 01:05:40,960

it just literally tears your paradigm

1897

01:05:45,829 --> 01:05:43,760

apart and the other thing about panic uh

1898

01:05:47,750 --> 01:05:45,839

you know after a disclosure statement

1899

01:05:49,589 --> 01:05:47,760

think about how supermarkets can get

1900

01:05:51,670 --> 01:05:49,599

just drained of toilet paper and baked

1901

01:05:53,029 --> 01:05:51,680

beans canned beans and things like that

1902

01:05:54,630 --> 01:05:53,039

when there's uh

1903

01:05:56,789 --> 01:05:54,640

you know any kind of

1904

01:05:58,309 --> 01:05:56,799

uh panic perceived like

1905

01:05:59,910 --> 01:05:58,319

uh you know anything i i think there

1906

01:06:02,309 --> 01:05:59,920

would probably be a run on that probably

1907

01:06:04,230 --> 01:06:02,319

be a run on guns and ammo

1908

01:06:06,870 --> 01:06:04,240

oh we do that about every 10 years here

1909

01:06:08,470 --> 01:06:06,880

in los angeles so so not that that would

1910

01:06:11,190 --> 01:06:08,480

shut society down

1911

01:06:13,829 --> 01:06:11,200

we're prepared here that's for sure okay

1912

01:06:15,589 --> 01:06:13,839

what i'd like to do if you don't mind uh

1913

01:06:18,470 --> 01:06:15,599

uh i want to start to go through the

1914

01:06:20,150 --> 01:06:18,480

book believe it or not we've already

1915

01:06:21,750 --> 01:06:20,160

gone through an hour

1916

01:06:23,670 --> 01:06:21,760

it doesn't even seem like it so it's

1917

01:06:26,069 --> 01:06:23,680

been fun yeah totally

1918

01:06:28,549 --> 01:06:26,079

um let's uh i want to i want to go

1919

01:06:30,950 --> 01:06:28,559

through the book and i i just want uh

1920

01:06:34,549 --> 01:06:30,960

some you know chapter by chapter because

1921

01:06:37,029 --> 01:06:34,559

each each chapter in the book is a

1922

01:06:38,630 --> 01:06:37,039

question in itself that if it wasn't in

1923

01:06:39,910 --> 01:06:38,640

the book you and i would sit here and go

1924

01:06:42,069 --> 01:06:39,920

over this anyway

1925

01:06:44,230 --> 01:06:42,079

and and i'm sure you agree

1926

01:06:46,309 --> 01:06:44,240

but the but the first chapter is one of

1927

01:06:47,750 --> 01:06:46,319

the best and i've got to hear your

1928

01:06:50,470 --> 01:06:47,760

answer on this

1929

01:06:52,710 --> 01:06:50,480

what's a ufo yeah well actually all of

1930

01:06:54,230 --> 01:06:52,720

these chapters when i wrote this book i

1931

01:06:56,630 --> 01:06:54,240

i felt

1932

01:06:57,910 --> 01:06:56,640

uh i thought chapter one was good and i

1933

01:06:59,349 --> 01:06:57,920

thought oh but i like chapter two a

1934

01:07:01,109 --> 01:06:59,359

little more oh but i like chapter three

1935

01:07:02,870 --> 01:07:01,119

more than that chapter four i tried to

1936

01:07:04,309 --> 01:07:02,880

have this crescendo so that i felt like

1937

01:07:06,549 --> 01:07:04,319

it got better and better that was my

1938

01:07:08,150 --> 01:07:06,559

take on it but people have their own

1939

01:07:10,390 --> 01:07:08,160

the first chapter what are ufos was

1940

01:07:12,470 --> 01:07:10,400

basically an introduction um

1941

01:07:15,029 --> 01:07:12,480

to get a philosophical grounding in this

1942

01:07:17,589 --> 01:07:15,039

phenomenon and simply to point out

1943

01:07:19,589 --> 01:07:17,599

the obvious obvious thing that skeptics

1944

01:07:21,190 --> 01:07:19,599

rightly point out which is that most of

1945

01:07:23,190 --> 01:07:21,200

the crazy things that you think you see

1946

01:07:25,750 --> 01:07:23,200

in the sky really are genuinely

1947

01:07:28,069 --> 01:07:25,760

explainable in a conventional sense if

1948

01:07:29,190 --> 01:07:28,079

you just take the time to figure it out

1949

01:07:31,990 --> 01:07:29,200

um

1950

01:07:33,670 --> 01:07:32,000

you know it's almost the lesson of

1951

01:07:35,910 --> 01:07:33,680

what are the different things that can

1952

01:07:38,309 --> 01:07:35,920

be ufos and i that's one of the things

1953

01:07:39,670 --> 01:07:38,319

that i go over you know from uh

1954

01:07:41,349 --> 01:07:39,680

traditional

1955

01:07:43,029 --> 01:07:41,359

our arguments like the planet venus

1956

01:07:44,549 --> 01:07:43,039

which it's a cliché but it's a cliché

1957

01:07:46,789 --> 01:07:44,559

for a reason because it really can be

1958

01:07:48,950 --> 01:07:46,799

very deceptive to contemporary things

1959

01:07:50,470 --> 01:07:48,960

like uh drone technology and

1960

01:07:51,670 --> 01:07:50,480

off-the-shelf technology that people

1961

01:07:54,150 --> 01:07:51,680

today have

1962

01:07:56,710 --> 01:07:54,160

that can uh fake you out to to other

1963

01:07:58,950 --> 01:07:56,720

things like cgi effects adobe after

1964

01:08:01,109 --> 01:07:58,960

effects and and the like that can create

1965

01:08:03,029 --> 01:08:01,119

really good looking videos whether

1966

01:08:06,230 --> 01:08:03,039

someone wanting to intentionally hoax or

1967

01:08:08,950 --> 01:08:06,240

a university student for his uh or her

1968

01:08:11,910 --> 01:08:08,960

uh senior project who wants to show off

1969

01:08:13,750 --> 01:08:11,920

yeah sure so in other words uh

1970

01:08:15,430 --> 01:08:13,760

the first chapter almost is a note of

1971

01:08:16,950 --> 01:08:15,440

caution before i

1972

01:08:18,789 --> 01:08:16,960

and then actually what that chapter does

1973

01:08:20,789 --> 01:08:18,799

is it summarizes the rest of the book so

1974

01:08:22,550 --> 01:08:20,799

it's almost like an introduction how do

1975

01:08:23,590 --> 01:08:22,560

you explain

1976

01:08:25,189 --> 01:08:23,600

the

1977

01:08:27,749 --> 01:08:25,199

transition

1978

01:08:32,070 --> 01:08:27,759

from 1947

1979

01:08:33,590 --> 01:08:32,080

1952 to 1955 1960 the the different

1980

01:08:34,550 --> 01:08:33,600

types

1981

01:08:36,870 --> 01:08:34,560

of

1982

01:08:38,630 --> 01:08:36,880

sightings and i'm referring to you know

1983

01:08:40,870 --> 01:08:38,640

the classic

1984

01:08:43,910 --> 01:08:40,880

saucer-shaped dome

1985

01:08:45,510 --> 01:08:43,920

craft you know all the way up to today

1986

01:08:47,829 --> 01:08:45,520

where we're into this black triangle

1987

01:08:49,430 --> 01:08:47,839

thing for the last 15 or 20 years right

1988

01:08:51,749 --> 01:08:49,440

how do you explain that because

1989

01:08:53,510 --> 01:08:51,759

everybody's seeing what they're seeing

1990

01:08:55,990 --> 01:08:53,520

you know so what i mean what's your

1991

01:08:57,590 --> 01:08:56,000

assessment of that why do you think uh

1992

01:08:58,950 --> 01:08:57,600

the the change

1993

01:09:00,630 --> 01:08:58,960

uh

1994

01:09:02,229 --> 01:09:00,640

well part of it is oh it actually just

1995

01:09:03,749 --> 01:09:02,239

to finish up the last thing i said even

1996

01:09:05,269 --> 01:09:03,759

though there's a lot of explained ufos

1997

01:09:07,430 --> 01:09:05,279

there's still a lot of unexplained ones

1998

01:09:09,110 --> 01:09:07,440

i just want to leave

1999

01:09:10,789 --> 01:09:09,120

in terms of the development of the

2000

01:09:12,870 --> 01:09:10,799

sightings themselves yes you have you

2001
01:09:15,349 --> 01:09:12,880
have saucer-shaped objects that are seen

2002
01:09:16,789 --> 01:09:15,359
from even before 1947. one of the things

2003
01:09:19,829 --> 01:09:16,799
that i um

2004
01:09:21,829 --> 01:09:19,839
i bring out is a case that i found from

2005
01:09:23,829 --> 01:09:21,839
the canadian northwest territories in

2006
01:09:27,030 --> 01:09:23,839
1936

2007
01:09:29,189 --> 01:09:27,040
desolate area very reliable uh testimony

2008
01:09:30,390 --> 01:09:29,199
by a gentleman who wrote his uh

2009
01:09:31,590 --> 01:09:30,400
his record down for the canadian

2010
01:09:33,349 --> 01:09:31,600
government

2011
01:09:35,269 --> 01:09:33,359
of an object that was

2012
01:09:38,390 --> 01:09:35,279
slightly oblong shaped directly above

2013
01:09:40,950 --> 01:09:38,400

him in the middle of nowhere nowhere

2014

01:09:44,390 --> 01:09:40,960

and it turned and it shot off like a

2015

01:09:46,709 --> 01:09:44,400

bullet to the horizon within moments

2016

01:09:48,550 --> 01:09:46,719

who who's operating that no we don't

2017

01:09:50,709 --> 01:09:48,560

it's not german technology up there in

2018

01:09:52,789 --> 01:09:50,719

1936 not a chance

2019

01:09:55,189 --> 01:09:52,799

uh what you see are

2020

01:09:57,590 --> 01:09:55,199

yes disc shaped and also oblong

2021

01:10:00,310 --> 01:09:57,600

cigar-shaped objects being reported

2022

01:10:02,149 --> 01:10:00,320

through the 20th century

2023

01:10:04,149 --> 01:10:02,159

through the second world war through the

2024

01:10:07,189 --> 01:10:04,159

post-war period

2025

01:10:08,709 --> 01:10:07,199

and and to today that those have not

2026

01:10:10,790 --> 01:10:08,719

stopped

2027

01:10:12,950 --> 01:10:10,800

you have other types of sightings

2028

01:10:13,750 --> 01:10:12,960

the triangles that you talk about have

2029

01:10:15,189 --> 01:10:13,760

been

2030

01:10:17,030 --> 01:10:15,199

noted for

2031

01:10:19,590 --> 01:10:17,040

actually more than 15 that we've been

2032

01:10:23,270 --> 01:10:19,600

talking about them since

2033

01:10:25,270 --> 01:10:23,280

belgium in 1990 1989 and 90. so that's

2034

01:10:27,189 --> 01:10:25,280

about almost 25 years

2035

01:10:28,950 --> 01:10:27,199

but in fact triangular ufo sightings

2036

01:10:31,030 --> 01:10:28,960

have been reliably reported for much

2037

01:10:33,750 --> 01:10:31,040

much longer than that in fact i i'm uh

2038

01:10:34,870 --> 01:10:33,760

i'm a publisher i'm a publisher of like

2039

01:10:36,229 --> 01:10:34,880

my small little publishing company

2040

01:10:37,510 --> 01:10:36,239

richard allen press and one of the books

2041

01:10:39,990 --> 01:10:37,520

that i published a year ago is called

2042

01:10:41,030 --> 01:10:40,000

triangular ufos by a fellow named david

2043

01:10:43,430 --> 01:10:41,040

marler

2044

01:10:45,270 --> 01:10:43,440

who did a fantastic research and shows i

2045

01:10:47,110 --> 01:10:45,280

think very persuasively this goes back

2046

01:10:49,910 --> 01:10:47,120

through a large portion of the 20th

2047

01:10:52,709 --> 01:10:49,920

century who's making these triangles i

2048

01:10:56,149 --> 01:10:52,719

think i think the u.s

2049

01:10:58,229 --> 01:10:56,159

military community is making some of

2050

01:11:00,310 --> 01:10:58,239

those triangles i think we have been

2051
01:11:02,790 --> 01:11:00,320
making some of them for the past maybe

2052
01:11:04,229 --> 01:11:02,800
generation or so

2053
01:11:06,310 --> 01:11:04,239
there was a journalist named james

2054
01:11:08,390 --> 01:11:06,320
goodall who did a lot of investigation

2055
01:11:09,750 --> 01:11:08,400
of area 51 and that whole area back in

2056
01:11:11,350 --> 01:11:09,760
the 80s

2057
01:11:13,669 --> 01:11:11,360
and

2058
01:11:15,350 --> 01:11:13,679
one of this is even before bob lazar

2059
01:11:17,270 --> 01:11:15,360
became known

2060
01:11:19,030 --> 01:11:17,280
a number of good all sources made it

2061
01:11:19,990 --> 01:11:19,040
clear to him in his estimation that the

2062
01:11:21,430 --> 01:11:20,000
us

2063
01:11:24,310 --> 01:11:21,440

had a couple of

2064

01:11:25,750 --> 01:11:24,320
very classified highly classified

2065

01:11:28,149 --> 01:11:25,760
flying triangles that they were

2066

01:11:29,270 --> 01:11:28,159
operating this is in the mid 80s

2067

01:11:31,030 --> 01:11:29,280
and the other thing that one of

2068

01:11:33,590 --> 01:11:31,040
goodall's people said to him

2069

01:11:35,510 --> 01:11:33,600
is he almost a direct quote we have

2070

01:11:38,149 --> 01:11:35,520
things in the nevada desert that would

2071

01:11:39,669 --> 01:11:38,159
make george lucas envious it's such a

2072

01:11:40,390 --> 01:11:39,679
great quote right

2073

01:11:42,229 --> 01:11:40,400
now

2074

01:11:46,070 --> 01:11:42,239
i want to reach back a little bit and

2075

01:11:48,950 --> 01:11:46,080
and get to the airship craze to that uh

2076

01:11:51,590 --> 01:11:48,960

at the turn of the century and uh i had

2077

01:11:52,950 --> 01:11:51,600

jerome clark on uh last month and we

2078

01:11:54,550 --> 01:11:52,960

talked about this quite a bit i'm

2079

01:11:57,510 --> 01:11:54,560

fascinated with it

2080

01:11:59,750 --> 01:11:57,520

and the reason why for me uh the

2081

01:12:02,070 --> 01:11:59,760

fascination is there is today we have

2082

01:12:04,630 --> 01:12:02,080

the internet we have youtube and you

2083

01:12:07,350 --> 01:12:04,640

know 50 years ago we had cameras and 40

2084

01:12:09,910 --> 01:12:07,360

years ago and and movie but

2085

01:12:12,870 --> 01:12:09,920

um we didn't have that in 1890 and what

2086

01:12:16,390 --> 01:12:12,880

we didn't have in 1890 were telephone we

2087

01:12:19,669 --> 01:12:16,400

had morse code and and barely even that

2088

01:12:21,110 --> 01:12:19,679

right okay so the communication between

2089

01:12:23,910 --> 01:12:21,120

cities

2090

01:12:27,750 --> 01:12:23,920

uh took days if not weeks because that

2091

01:12:29,110 --> 01:12:27,760

communication was via train or horseback

2092

01:12:32,310 --> 01:12:29,120

okay

2093

01:12:33,910 --> 01:12:32,320

so but but what they were seeing was a

2094

01:12:36,470 --> 01:12:33,920

consistent

2095

01:12:39,590 --> 01:12:36,480

you know ship in the air and and their

2096

01:12:42,149 --> 01:12:39,600

descriptions right but yet

2097

01:12:43,669 --> 01:12:42,159

nothing was really confirmed and my

2098

01:12:46,870 --> 01:12:43,679

point is this

2099

01:12:48,390 --> 01:12:46,880

what is it that they were seeing i that

2100

01:12:51,030 --> 01:12:48,400

because something was there and they

2101

01:12:53,669 --> 01:12:51,040

didn't have a reference to describe

2102

01:12:56,390 --> 01:12:53,679

anything you know compare it to

2103

01:12:58,470 --> 01:12:56,400

what what was it that went on in 1890

2104

01:13:00,630 --> 01:12:58,480

1895

2105

01:13:03,350 --> 01:13:00,640

yeah what they saw it started in the

2106

01:13:05,189 --> 01:13:03,360

fall of 1896 i believe sacramento is

2107

01:13:06,790 --> 01:13:05,199

where it started and it and it moved

2108

01:13:08,550 --> 01:13:06,800

east uh

2109

01:13:10,870 --> 01:13:08,560

through the winter and spring it was

2110

01:13:12,790 --> 01:13:10,880

seen over chicago in the spring of 97

2111

01:13:16,550 --> 01:13:12,800

there was a case in texas that jim mars

2112

01:13:20,390 --> 01:13:19,030

so what was it well

2113

01:13:24,149 --> 01:13:20,400

look i'm not going to tell you that i

2114

01:13:26,550 --> 01:13:24,159

know what it was um i can i can say that

2115

01:13:28,229 --> 01:13:26,560

i believe that this was not an illusory

2116

01:13:30,149 --> 01:13:28,239

phenomenon i i would imagine jerome

2117

01:13:32,310 --> 01:13:30,159

clark who studied this a lot probably

2118

01:13:34,070 --> 01:13:32,320

said the same thing but really even

2119

01:13:36,149 --> 01:13:34,080

nobody truly knows that you have you

2120

01:13:38,630 --> 01:13:36,159

have the case made that

2121

01:13:40,390 --> 01:13:38,640

uh some form of uh hysteria combined

2122

01:13:41,910 --> 01:13:40,400

with pranks there were pranks that were

2123

01:13:43,270 --> 01:13:41,920

mixed into this there were a lot of uh

2124

01:13:45,430 --> 01:13:43,280

stories of

2125

01:13:47,110 --> 01:13:45,440

uh even back then that were clearly made

2126

01:13:48,950 --> 01:13:47,120

up stuff

2127

01:13:50,870 --> 01:13:48,960

on the other hand there were enough

2128

01:13:52,790 --> 01:13:50,880

serious accounts

2129

01:13:54,149 --> 01:13:52,800

that you have to think people were

2130

01:13:56,229 --> 01:13:54,159

seeing something and that's my own

2131

01:13:57,510 --> 01:13:56,239

conclusion so who was it what was behind

2132

01:13:59,030 --> 01:13:57,520

it

2133

01:14:02,149 --> 01:13:59,040

you have really two conclusions one is

2134

01:14:04,310 --> 01:14:02,159

that there was a very advanced

2135

01:14:05,830 --> 01:14:04,320

and still unknown group of american

2136

01:14:09,510 --> 01:14:05,840

inventors

2137

01:14:10,790 --> 01:14:09,520

who were a decade or more ahead of the

2138

01:14:12,229 --> 01:14:10,800

rest of the world

2139

01:14:13,750 --> 01:14:12,239

in terms of developing these things you

2140

01:14:15,510 --> 01:14:13,760

know the zeppelin

2141

01:14:17,510 --> 01:14:15,520

which was the first airship that

2142

01:14:19,750 --> 01:14:17,520

actually was practical

2143

01:14:21,510 --> 01:14:19,760

uh didn't didn't first fly until i think

2144

01:14:24,390 --> 01:14:21,520

1903.

2145

01:14:26,470 --> 01:14:24,400

um in europe that the best airships

2146

01:14:28,149 --> 01:14:26,480

in the 1890s could go maybe like a

2147

01:14:30,229 --> 01:14:28,159

couple of miles and you couldn't

2148

01:14:33,030 --> 01:14:30,239

navigate them that's right

2149

01:14:34,470 --> 01:14:33,040

so they were not effective and uh people

2150

01:14:36,390 --> 01:14:34,480

were still getting killed and then it

2151

01:14:37,990 --> 01:14:36,400

was very unsafe

2152

01:14:40,550 --> 01:14:38,000

so to to say

2153

01:14:42,229 --> 01:14:40,560

that in america ten fully ten years

2154

01:14:43,750 --> 01:14:42,239

before you've got these airships that

2155

01:14:44,790 --> 01:14:43,760

can basically go across the country

2156

01:14:49,030 --> 01:14:44,800

that's

2157

01:14:49,990 --> 01:14:49,040

no aviation historian has ever supported

2158

01:14:52,229 --> 01:14:50,000

that ever

2159

01:14:53,189 --> 01:14:52,239

and and and my point being that there

2160

01:14:55,110 --> 01:14:53,199

was such

2161

01:14:56,950 --> 01:14:55,120

vast distances

2162

01:14:59,430 --> 01:14:56,960

and time because you have to consider

2163

01:15:02,709 --> 01:14:59,440

time we need to talk distance between

2164

01:15:05,270 --> 01:15:02,719

the gulf of mexico and iowa new york and

2165

01:15:07,350 --> 01:15:05,280

exactly and uh

2166

01:15:10,070 --> 01:15:07,360

california that

2167

01:15:11,350 --> 01:15:10,080

how are the descriptions the same

2168

01:15:13,110 --> 01:15:11,360

because they're not talking to each

2169

01:15:15,189 --> 01:15:13,120

other over the phone

2170

01:15:17,110 --> 01:15:15,199

and that's and that's my point

2171

01:15:19,510 --> 01:15:17,120

no i i think that there is a real core

2172

01:15:22,229 --> 01:15:19,520

reality there and the other possibility

2173

01:15:24,709 --> 01:15:22,239

is that there was an advanced group

2174

01:15:26,950 --> 01:15:24,719

human or otherwise but maybe maybe not

2175

01:15:29,030 --> 01:15:26,960

fully of our civilization

2176
01:15:30,390 --> 01:15:29,040
that um what were they doing were they

2177
01:15:32,149 --> 01:15:30,400
tweaking us a little bit were they

2178
01:15:34,149 --> 01:15:32,159
giving us a little bit of an example of

2179
01:15:35,669 --> 01:15:34,159
what we can do what's possible

2180
01:15:37,430 --> 01:15:35,679
here try this

2181
01:15:39,590 --> 01:15:37,440
and have they been doing that all along

2182
01:15:41,750 --> 01:15:39,600
i'm only theorizing i don't really know

2183
01:15:44,870 --> 01:15:41,760
but when you're talking about the flying

2184
01:15:46,470 --> 01:15:44,880
saucers of the 40s and 50s was that also

2185
01:15:48,310 --> 01:15:46,480
an attempt to say

2186
01:15:49,990 --> 01:15:48,320
take a look at this technology this is

2187
01:15:52,390 --> 01:15:50,000
actually within your grasp give it a

2188
01:15:54,310 --> 01:15:52,400

shot and and what i'm trying to do i'm

2189

01:15:55,750 --> 01:15:54,320

tying it all together just like the

2190

01:15:57,430 --> 01:15:55,760

airship

2191

01:15:59,910 --> 01:15:57,440

craze that went down everybody was

2192

01:16:01,750 --> 01:15:59,920

seeing the same thing the descriptions

2193

01:16:03,669 --> 01:16:01,760

were the same and that's what was going

2194

01:16:06,470 --> 01:16:03,679

on in the 50s that's what was going on

2195

01:16:08,229 --> 01:16:06,480

in the 60s you didn't have these vast

2196

01:16:10,630 --> 01:16:08,239

differences of what they were seeing in

2197

01:16:11,830 --> 01:16:10,640

the sky they were seeing the same thing

2198

01:16:13,669 --> 01:16:11,840

right

2199

01:16:16,149 --> 01:16:13,679

so i think um

2200

01:16:18,470 --> 01:16:16,159

i'm really glad you asked this question

2201

01:16:21,910 --> 01:16:18,480

what are we really talking about

2202

01:16:25,110 --> 01:16:21,920

it's either that the ufo phenomenon is

2203

01:16:27,110 --> 01:16:25,120

solely a reflection of our own mind

2204

01:16:29,189 --> 01:16:27,120

and somehow we are able to project a

2205

01:16:31,270 --> 01:16:29,199

reality out there

2206

01:16:32,709 --> 01:16:31,280

in a way that our minds are able to to

2207

01:16:35,030 --> 01:16:32,719

create this

2208

01:16:37,910 --> 01:16:35,040

or that there's an intelligence in a

2209

01:16:39,430 --> 01:16:37,920

society beyond what we have here

2210

01:16:41,270 --> 01:16:39,440

that is

2211

01:16:43,430 --> 01:16:41,280

tweaking us and guiding us

2212

01:16:45,270 --> 01:16:43,440

giving little hints here and there

2213

01:16:46,310 --> 01:16:45,280

maybe maybe there's a third answer but i

2214

01:16:48,630 --> 01:16:46,320

think those are those are two real

2215

01:16:52,149 --> 01:16:48,640

possibilities i'm gonna let's get into

2216

01:16:53,110 --> 01:16:52,159

my favorite subject ancient aliens ah

2217

01:16:54,229 --> 01:16:53,120

yes

2218

01:16:56,310 --> 01:16:54,239

now

2219

01:16:58,470 --> 01:16:56,320

uh and i'm not talking about the tv show

2220

01:17:00,790 --> 01:16:58,480

i'm talking about the reality

2221

01:17:02,470 --> 01:17:00,800

um

2222

01:17:03,430 --> 01:17:02,480

earth is four and a half billion years

2223

01:17:05,590 --> 01:17:03,440

old

2224

01:17:07,510 --> 01:17:05,600

give or take a billion years

2225

01:17:10,709 --> 01:17:07,520

in my estimation

2226

01:17:12,390 --> 01:17:10,719

somebody did a drive by here

2227

01:17:13,910 --> 01:17:12,400

at least once

2228

01:17:16,709 --> 01:17:13,920

cruised by

2229

01:17:19,750 --> 01:17:16,719

and to think that that didn't happen i

2230

01:17:21,910 --> 01:17:19,760

think is extremely naive and and

2231

01:17:23,510 --> 01:17:21,920

to the point of just you're in denial it

2232

01:17:25,430 --> 01:17:23,520

has to have happened

2233

01:17:28,870 --> 01:17:25,440

and i look at it

2234

01:17:31,110 --> 01:17:28,880

uh a little more sincerely

2235

01:17:33,110 --> 01:17:31,120

when the the classic pictures that we

2236

01:17:34,470 --> 01:17:33,120

have of planet earth right now like from

2237

01:17:37,430 --> 01:17:34,480

the moon you look back it's the blue

2238

01:17:40,950 --> 01:17:37,440

planet but the reality is this thing is

2239

01:17:43,350 --> 01:17:40,960

lit up like a freeway at night it's lit

2240

01:17:45,430 --> 01:17:43,360

up like manhattan when you cruise by

2241

01:17:48,390 --> 01:17:45,440

planet earth now and look at it

2242

01:17:52,149 --> 01:17:48,400

civilization intelligence things are

2243

01:17:53,990 --> 01:17:52,159

going on here and to think that

2244

01:17:56,390 --> 01:17:54,000

somebody else out there doesn't know

2245

01:17:58,550 --> 01:17:56,400

when we're looking the exact same way in

2246

01:18:00,630 --> 01:17:58,560

the opposite direction we're searching

2247

01:18:03,430 --> 01:18:00,640

right for that exact thing that is

2248

01:18:06,149 --> 01:18:03,440

sitting here and is we are a beacon and

2249

01:18:08,630 --> 01:18:06,159

are very easy to find i think you're

2250

01:18:10,149 --> 01:18:08,640

right um i think that even before we

2251

01:18:12,390 --> 01:18:10,159

developed civilization i think even

2252

01:18:14,070 --> 01:18:12,400

before human beings were walking on this

2253

01:18:16,149 --> 01:18:14,080

planet that this would be a place of

2254

01:18:17,830 --> 01:18:16,159

great interest i mean

2255

01:18:19,990 --> 01:18:17,840

lots of an abundance of life you've got

2256

01:18:21,750 --> 01:18:20,000

all kinds of unique forms of dna if

2257

01:18:23,669 --> 01:18:21,760

you're sophisticated enough you know you

2258

01:18:25,350 --> 01:18:23,679

know how to mess with dna this would be

2259

01:18:27,510 --> 01:18:25,360

a great place to go

2260

01:18:29,030 --> 01:18:27,520

um and there's probably a lot of other

2261

01:18:30,390 --> 01:18:29,040

things of interest that could that could

2262

01:18:32,229 --> 01:18:30,400

be um

2263

01:18:33,189 --> 01:18:32,239

great for anyone that's interested in

2264

01:18:35,270 --> 01:18:33,199

life

2265

01:18:38,310 --> 01:18:35,280

so i think yes earth would be of

2266

01:18:40,229 --> 01:18:38,320

interest and um and i think human beings

2267

01:18:42,470 --> 01:18:40,239

would be of great interest you know it's

2268

01:18:43,750 --> 01:18:42,480

easy to denigrate ourselves

2269

01:18:45,270 --> 01:18:43,760

but we're

2270

01:18:47,430 --> 01:18:45,280

when you step back and look at us we're

2271

01:18:48,870 --> 01:18:47,440

really fascinating creatures we have we

2272

01:18:51,030 --> 01:18:48,880

have significant intelligence we have

2273

01:18:53,430 --> 01:18:51,040

enough intelligence that we can conceive

2274

01:18:57,270 --> 01:18:53,440

of some incredible things

2275

01:18:59,189 --> 01:18:57,280

and we also have a an ability i think

2276

01:19:01,189 --> 01:18:59,199

to go beyond the senses that we're

2277

01:19:02,550 --> 01:19:01,199

accustomed to having and i think maybe

2278

01:19:04,470 --> 01:19:02,560

other creatures would be aware of that

2279

01:19:05,830 --> 01:19:04,480

as well so i think we'd be of interest

2280

01:19:08,070 --> 01:19:05,840

to them

2281

01:19:10,070 --> 01:19:08,080

and when you go when i talk about

2282

01:19:11,669 --> 01:19:10,080

ancient aliens and i did use that title

2283

01:19:14,390 --> 01:19:11,679

for the chapters because i thought why

2284

01:19:16,149 --> 01:19:14,400

not right but

2285

01:19:19,270 --> 01:19:16,159

you know we have to look at what is the

2286

01:19:20,149 --> 01:19:19,280

evidence that is available to us to um

2287

01:19:22,950 --> 01:19:20,159

to

2288

01:19:24,790 --> 01:19:22,960

promote this argument it is it's logical

2289

01:19:26,310 --> 01:19:24,800

to us to assume that something like this

2290

01:19:27,669 --> 01:19:26,320

happened i think it did

2291

01:19:30,630 --> 01:19:27,679

also

2292

01:19:33,030 --> 01:19:30,640

quality of the evidence one of my

2293

01:19:35,430 --> 01:19:33,040

quibbles or beefs with uh

2294

01:19:37,030 --> 01:19:35,440

some of the ancient alien ideas is that

2295

01:19:39,430 --> 01:19:37,040

i'm just not impressed by the quality of

2296

01:19:41,030 --> 01:19:39,440

some of the evidence that is put forward

2297

01:19:42,709 --> 01:19:41,040

for some of these arguments on the other

2298

01:19:45,270 --> 01:19:42,719

hand i'm i am impressed by other

2299

01:19:47,110 --> 01:19:45,280

arguments for it and give me one one

2300

01:19:49,270 --> 01:19:47,120

point

2301

01:19:51,830 --> 01:19:49,280

well one there's something that stands

2302

01:19:53,350 --> 01:19:51,840

out as far as i've got a few but uh yeah

2303

01:19:55,270 --> 01:19:53,360

i'm so do i well let's talk about

2304

01:19:57,830 --> 01:19:55,280

pyramids and we can start with the great

2305

01:19:59,350 --> 01:19:57,840

paramedic giza go right there and we can

2306

01:20:02,070 --> 01:19:59,360

go from there to the existence that

2307

01:20:04,870 --> 01:20:02,080

we're now really just in the last decade

2308

01:20:06,790 --> 01:20:04,880

finally appreciating is the expanse of

2309

01:20:08,390 --> 01:20:06,800

pyramids around the world

2310

01:20:10,229 --> 01:20:08,400

um i think that that does mean something

2311

01:20:12,070 --> 01:20:10,239

when i look at the great pyramid i i

2312

01:20:14,950 --> 01:20:12,080

have a personal fascination for that and

2313

01:20:17,750 --> 01:20:14,960

i'm sure a lot of people here do as well

2314

01:20:19,590 --> 01:20:17,760

and um in my own readings it just

2315

01:20:21,189 --> 01:20:19,600

it's a mind-blowing experience when you

2316

01:20:23,350 --> 01:20:21,199

look at the mathematics the engineering

2317

01:20:25,270 --> 01:20:23,360

the sheer

2318

01:20:26,950 --> 01:20:25,280

magnitude of what that

2319

01:20:30,709 --> 01:20:26,960

object is in particular when it was

2320

01:20:33,270 --> 01:20:30,719

originally con built with um

2321

01:20:34,790 --> 01:20:33,280

with um

2322

01:20:36,790 --> 01:20:34,800

yeah um

2323

01:20:38,470 --> 01:20:36,800

what's the that not i was just gonna say

2324

01:20:39,990 --> 01:20:38,480

ivory but it's white it's uh it's

2325

01:20:41,910 --> 01:20:40,000

limestone covered

2326

01:20:43,830 --> 01:20:41,920

yes yes i mean it had to look just like

2327

01:20:45,270 --> 01:20:43,840

an unbelievable that limestone stayed

2328

01:20:46,870 --> 01:20:45,280

until an earthquake knocked it off in

2329

01:20:48,470 --> 01:20:46,880

the i think the 10th or 11th century and

2330

01:20:50,229 --> 01:20:48,480

they built the city of cairo with that

2331

01:20:52,790 --> 01:20:50,239

yeah

2332

01:20:54,870 --> 01:20:52,800

so the construction of this is to say

2333

01:20:56,709 --> 01:20:54,880

off the charts doesn't do it justice and

2334

01:20:59,030 --> 01:20:56,719

uh it doesn't also make any sense to me

2335

01:21:01,270 --> 01:20:59,040

that we're talking 2500 bc egypt so

2336

01:21:02,390 --> 01:21:01,280

there's a there's a question there

2337

01:21:03,830 --> 01:21:02,400

and then

2338

01:21:06,149 --> 01:21:03,840

and you can look at other aspects of

2339

01:21:07,910 --> 01:21:06,159

that pyramid and you can you can make a

2340

01:21:10,229 --> 01:21:07,920

strong argument that the creators of

2341

01:21:11,910 --> 01:21:10,239

that pyramid knew the earth was a sphere

2342

01:21:13,430 --> 01:21:11,920

that's right that they knew that the

2343

01:21:15,510 --> 01:21:13,440

diameter and circumference of the earth

2344

01:21:17,189 --> 01:21:15,520

and and again this is a complex

2345

01:21:19,270 --> 01:21:17,199

mathematical issue but it all really

2346

01:21:21,110 --> 01:21:19,280

makes perfect sense when you study it

2347

01:21:23,350 --> 01:21:21,120

so there's an intelligence there that is

2348

01:21:25,430 --> 01:21:23,360

vastly beyond anything that the ancient

2349

01:21:27,270 --> 01:21:25,440

world is supposed to have had one of the

2350

01:21:29,510 --> 01:21:27,280

things and i just had

2351

01:21:31,990 --> 01:21:29,520

uh robert shock on the show uh last

2352

01:21:33,350 --> 01:21:32,000

friday and it was one of the best

2353

01:21:35,830 --> 01:21:33,360

experiences

2354

01:21:37,990 --> 01:21:35,840

and and i posed this question to him and

2355

01:21:39,590 --> 01:21:38,000

i and i i'll hit you with it right now

2356

01:21:42,550 --> 01:21:39,600

which is this

2357

01:21:45,510 --> 01:21:42,560

the the orthodoxy archaeologists out

2358

01:21:47,910 --> 01:21:45,520

there and egyptologists too as well

2359

01:21:49,270 --> 01:21:47,920

want us to swallow this pill and this is

2360

01:21:54,950 --> 01:21:49,280

the pill

2361

01:21:57,830 --> 01:21:54,960

that between 10 000 bc and 2500 bc we

2362

01:22:00,470 --> 01:21:57,840

were stupid as rocks

2363

01:22:03,030 --> 01:22:00,480

okay we're walking around with with with

2364

01:22:05,669 --> 01:22:03,040

skins on and a club and we're forging

2365

01:22:07,430 --> 01:22:05,679

for seeds in the desert

2366

01:22:09,510 --> 01:22:07,440

you know on a daily basis no

2367

01:22:12,310 --> 01:22:09,520

organization no civilization no farms

2368

01:22:13,350 --> 01:22:12,320

know nothing and then suddenly

2369

01:22:15,669 --> 01:22:13,360

bing

2370

01:22:17,350 --> 01:22:15,679

we built the pyramids and we cross it's

2371

01:22:19,189 --> 01:22:17,360

like one day

2372

01:22:22,229 --> 01:22:19,199

we had the intelligence and we knew what

2373

01:22:25,110 --> 01:22:22,239

pie was the circumference of the earth

2374

01:22:26,470 --> 01:22:25,120

true north yeah mathematics

2375

01:22:29,910 --> 01:22:26,480

language

2376

01:22:33,030 --> 01:22:29,920

uh religion structure social structure

2377

01:22:34,790 --> 01:22:33,040

farming it all happened overnight and

2378

01:22:36,870 --> 01:22:34,800

that's where i have a problem and i have

2379

01:22:38,790 --> 01:22:36,880

a big problem with it yeah i'm a little

2380

01:22:40,470 --> 01:22:38,800

more on the fence as to how how that

2381

01:22:42,149 --> 01:22:40,480

happened um

2382

01:22:43,750 --> 01:22:42,159

did it was it a natural development or

2383

01:22:46,229 --> 01:22:43,760

not you have the city of goblet

2384

01:22:49,270 --> 01:22:46,239

tepe which is actually uh pretty darn

2385

01:22:51,510 --> 01:22:49,280

old 12 000 years um

2386

01:22:52,550 --> 01:22:51,520

and a lot of other uh ancient cities

2387

01:22:54,390 --> 01:22:52,560

jericho

2388

01:22:55,750 --> 01:22:54,400

nearly as old and a few others that are

2389

01:22:57,430 --> 01:22:55,760

um

2390

01:22:59,750 --> 01:22:57,440

you know that you you can easily argue

2391

01:23:01,430 --> 01:22:59,760

this is this is human development you

2392

01:23:02,950 --> 01:23:01,440

might make the argument

2393

01:23:04,470 --> 01:23:02,960

i don't really know what i would say is

2394

01:23:06,149 --> 01:23:04,480

what i'd like to say is that we have a

2395

01:23:08,470 --> 01:23:06,159

hole in our ancient history that there

2396

01:23:10,550 --> 01:23:08,480

is i think very strong reason to argue

2397

01:23:13,110 --> 01:23:10,560

that there were advanced intelligence

2398

01:23:14,950 --> 01:23:13,120

it's like it's like that big yeah

2399

01:23:16,790 --> 01:23:14,960

and argument and then the pyramids

2400

01:23:18,550 --> 01:23:16,800

globally by the way which we didn't

2401
01:23:19,990 --> 01:23:18,560
really get into and i'm not as expert as

2402
01:23:22,229 --> 01:23:20,000
some other people but i do think that

2403
01:23:23,510 --> 01:23:22,239
it's it's a good

2404
01:23:24,709 --> 01:23:23,520
starting point for an argument to look

2405
01:23:26,790 --> 01:23:24,719
at the relationship of all of these

2406
01:23:27,990 --> 01:23:26,800
pyramids around the world do you think

2407
01:23:30,229 --> 01:23:28,000
that there might have been some

2408
01:23:32,790 --> 01:23:30,239
intervention

2409
01:23:35,030 --> 01:23:32,800
i think i think so um i think even when

2410
01:23:37,189 --> 01:23:35,040
you look at us on an evolutionary scale

2411
01:23:39,270 --> 01:23:37,199
human evolution proceeded so

2412
01:23:40,870 --> 01:23:39,280
unbelievably rapidly

2413
01:23:42,950 --> 01:23:40,880

think about the shark

2414

01:23:44,629 --> 01:23:42,960

shark is the same as it was you know 50

2415

01:23:47,189 --> 01:23:44,639

plus million years ago

2416

01:23:50,629 --> 01:23:47,199

human beings didn't exist as a as

2417

01:23:52,790 --> 01:23:50,639

hominids did not exist until you know

2418

01:23:54,310 --> 01:23:52,800

four or five million years ago

2419

01:23:55,669 --> 01:23:54,320

when we were there were little chimps

2420

01:23:58,310 --> 01:23:55,679

that could stand up

2421

01:24:01,430 --> 01:23:58,320

basically and in a room really an

2422

01:24:03,510 --> 01:24:01,440

incredibly short period of time

2423

01:24:05,669 --> 01:24:03,520

as far as we can tell if we you know

2424

01:24:08,470 --> 01:24:05,679

evolutionists that

2425

01:24:10,470 --> 01:24:08,480

change was really quite dramatic

2426

01:24:12,390 --> 01:24:10,480

even a simple one million years ago with

2427

01:24:15,030 --> 01:24:12,400

uh like homo erectus and those types of

2428

01:24:16,470 --> 01:24:15,040

creatures that's

2429

01:24:18,870 --> 01:24:16,480

rapid development

2430

01:24:21,030 --> 01:24:18,880

in evolutionary geologic history so

2431

01:24:23,350 --> 01:24:21,040

where we tweaked i had an old friend uh

2432

01:24:25,030 --> 01:24:23,360

recently died a woman in rochester new

2433

01:24:26,390 --> 01:24:25,040

york where i live who studied this in

2434

01:24:27,830 --> 01:24:26,400

great detail her name was colleen

2435

01:24:31,030 --> 01:24:27,840

clements

2436

01:24:33,990 --> 01:24:31,040

she um looked at a lot of research in

2437

01:24:37,189 --> 01:24:34,000

human brain development in uh

2438

01:24:38,470 --> 01:24:37,199

from like 80 000 to like 50 000 years

2439

01:24:41,750 --> 01:24:38,480

ago

2440

01:24:43,590 --> 01:24:41,760

and what it looks like from her research

2441

01:24:46,790 --> 01:24:43,600

was that there was a

2442

01:24:49,510 --> 01:24:46,800

an outside uh input of intelligence or

2443

01:24:51,669 --> 01:24:49,520

outside input in brain capacity in

2444

01:24:53,110 --> 01:24:51,679

certain parts of our brain that

2445

01:24:54,629 --> 01:24:53,120

did not seem to come from like

2446

01:24:56,390 --> 01:24:54,639

neanderthal genes or any of the genes

2447

01:24:59,510 --> 01:24:56,400

that were identifiable her own

2448

01:25:01,189 --> 01:24:59,520

conclusion was that it was from beyond

2449

01:25:03,750 --> 01:25:01,199

it had to be tweaked

2450

01:25:06,229 --> 01:25:03,760

you know some somebody tweaked something

2451

01:25:07,990 --> 01:25:06,239

it happened too quickly to me it just

2452

01:25:10,070 --> 01:25:08,000

happened overnight there's no other

2453

01:25:12,790 --> 01:25:10,080

example of of the kind of evolution that

2454

01:25:14,550 --> 01:25:12,800

we have on this planet no none i mean

2455

01:25:15,990 --> 01:25:14,560

it's just unbelievably rapid so on that

2456

01:25:17,669 --> 01:25:16,000

basis you could think you know we might

2457

01:25:19,430 --> 01:25:17,679

have been messed with let's move on

2458

01:25:22,390 --> 01:25:19,440

enhanced let's move on to the next

2459

01:25:23,910 --> 01:25:22,400

chapter in your book and

2460

01:25:29,590 --> 01:25:23,920

ufos

2461

01:25:32,470 --> 01:25:29,600

yeah ufo secrecy and those who fought it

2462

01:25:32,480 --> 01:25:41,350

let it out let it out let it cough

2463

01:25:45,830 --> 01:25:43,270

something went down the wrong pipe

2464

01:25:47,110 --> 01:25:45,840

it's called live radio

2465

01:25:48,790 --> 01:25:47,120

that's the great thing about live radio

2466

01:25:50,629 --> 01:25:48,800

because there's the risk of hey not

2467

01:25:52,709 --> 01:25:50,639

knowing what's going to happen um

2468

01:25:55,350 --> 01:25:52,719

watching it well really quick so you do

2469

01:25:58,550 --> 01:25:55,360

a weekly radio show yes i do i have um

2470

01:26:00,709 --> 01:25:58,560

it's internet radio it's uh we have kg

2471

01:26:02,550 --> 01:26:00,719

ra radio and um

2472

01:26:04,550 --> 01:26:02,560

i have had uh the richard dolan show for

2473

01:26:06,070 --> 01:26:04,560

a couple of years i do it once a week

2474

01:26:09,030 --> 01:26:06,080

i call it my little tap dance for the

2475

01:26:10,790 --> 01:26:09,040

world i um initially started it out for

2476

01:26:12,709 --> 01:26:10,800

three hours

2477

01:26:14,950 --> 01:26:12,719

as a uh

2478

01:26:16,629 --> 01:26:14,960

just my own little my own i almost never

2479

01:26:18,310 --> 01:26:16,639

had guests you know it would just be me

2480

01:26:20,310 --> 01:26:18,320

going out there just talking for three

2481

01:26:21,990 --> 01:26:20,320

hours if you can put up with it

2482

01:26:23,590 --> 01:26:22,000

i eventually thought i'll start having

2483

01:26:25,110 --> 01:26:23,600

some guests on there but for me it was

2484

01:26:26,950 --> 01:26:25,120

almost like an ego thing i admit i

2485

01:26:29,030 --> 01:26:26,960

thought i'm gonna do this i'm gonna do

2486

01:26:31,430 --> 01:26:29,040

three hours i'm gonna do it every week

2487

01:26:32,790 --> 01:26:31,440

it's not easy no it's tough uh

2488

01:26:35,110 --> 01:26:32,800

fortunately it was just once a week but

2489

01:26:36,629 --> 01:26:35,120

i do not two hours um but i still will

2490

01:26:38,229 --> 01:26:36,639

often do them alone or i'll have some

2491

01:26:40,470 --> 01:26:38,239

guests from time to time we do three

2492

01:26:42,870 --> 01:26:40,480

hours live four nights a week that's a

2493

01:26:47,270 --> 01:26:42,880

lot of work that's a lot of work

2494

01:26:49,510 --> 01:26:47,280

we have a good team but but my point is

2495

01:26:51,830 --> 01:26:49,520

well but my point is uh you know you

2496

01:26:54,070 --> 01:26:51,840

make it really easy and the conversation

2497

01:26:55,830 --> 01:26:54,080

is smooth oh i'm glad no thank you so

2498

01:26:57,830 --> 01:26:55,840

let's get to uh

2499

01:26:59,750 --> 01:26:57,840

uh secrecy

2500

01:27:01,830 --> 01:26:59,760

well that chapter that's uh i think the

2501

01:27:03,990 --> 01:27:01,840

third chapter um

2502

01:27:05,510 --> 01:27:04,000

oh no that's the fourth it's basically

2503

01:27:06,550 --> 01:27:05,520

um

2504

01:27:09,030 --> 01:27:06,560

part of

2505

01:27:10,709 --> 01:27:09,040

it's it's two chapters at four and five

2506

01:27:12,470 --> 01:27:10,719

that really go together

2507

01:27:14,390 --> 01:27:12,480

ufo secrecy and then what i call the

2508

01:27:15,750 --> 01:27:14,400

breakaway civilization

2509

01:27:19,590 --> 01:27:15,760

and

2510

01:27:21,510 --> 01:27:19,600

secrecy particularly for a beginner if

2511

01:27:23,189 --> 01:27:21,520

someone is not familiar with the topic

2512

01:27:24,390 --> 01:27:23,199

of ufos that's one of the people i wrote

2513

01:27:26,790 --> 01:27:24,400

this book for

2514

01:27:28,229 --> 01:27:26,800

you have to go in by degrees in my

2515

01:27:29,350 --> 01:27:28,239

opinion

2516

01:27:31,270 --> 01:27:29,360

so that

2517

01:27:33,430 --> 01:27:31,280

there's phase one of the secrecy and and

2518

01:27:35,350 --> 01:27:33,440

for me that's simply trying to explain

2519

01:27:38,149 --> 01:27:35,360

to a reader

2520

01:27:40,070 --> 01:27:38,159

the basic narrative of

2521

01:27:41,910 --> 01:27:40,080

the air force cover-up the story of

2522

01:27:43,669 --> 01:27:41,920

project blue book this story of the

2523

01:27:45,669 --> 01:27:43,679

organization called nightcap which tried

2524

01:27:46,709 --> 01:27:45,679

to fight that secrecy and ultimately

2525

01:27:48,790 --> 01:27:46,719

failed

2526

01:27:50,950 --> 01:27:48,800

and um in other words the surface

2527

01:27:53,270 --> 01:27:50,960

history of the ufo

2528

01:27:55,750 --> 01:27:53,280

controversy and cover-up that

2529

01:27:57,990 --> 01:27:55,760

that we kind of know of

2530

01:28:00,229 --> 01:27:58,000

and then the next chapter takes the same

2531

01:28:02,229 --> 01:28:00,239

period of time and goes a layer deeper

2532

01:28:04,310 --> 01:28:02,239

and tries to do deeper analysis in

2533

01:28:06,629 --> 01:28:04,320

particular of

2534

01:28:08,870 --> 01:28:06,639

acquiring exotic technology through

2535

01:28:10,070 --> 01:28:08,880

crash retrievals and that chapter does

2536

01:28:12,229 --> 01:28:10,080

it

2537

01:28:14,070 --> 01:28:12,239

you know i really try to discuss what

2538

01:28:15,350 --> 01:28:14,080

crash retrieval stories seem to be

2539

01:28:17,510 --> 01:28:15,360

legitimate or at least may have some

2540

01:28:19,830 --> 01:28:17,520

legitimacy and then once you acknowledge

2541

01:28:21,430 --> 01:28:19,840

it you've got this technology

2542

01:28:23,189 --> 01:28:21,440

what are you going to do with it

2543

01:28:25,189 --> 01:28:23,199

what's the plan

2544

01:28:26,950 --> 01:28:25,199

and that's where i get into my idea of a

2545

01:28:29,510 --> 01:28:26,960

breakaway civilization i've talked about

2546

01:28:31,669 --> 01:28:29,520

this a number of years now

2547

01:28:33,189 --> 01:28:31,679

and that's really the kind of dual theme

2548

01:28:35,110 --> 01:28:33,199

of those two chapters they really go

2549

01:28:36,629 --> 01:28:35,120

together as i see it so you got the

2550

01:28:38,149 --> 01:28:36,639

surface history

2551

01:28:41,110 --> 01:28:38,159

you know how how did this whole thing

2552

01:28:43,830 --> 01:28:41,120

develop during the 40s and 50s and 60s

2553

01:28:47,270 --> 01:28:43,840

and then um how did the deep secrecy

2554

01:28:49,270 --> 01:28:47,280

evolve as well so i do those

2555

01:28:51,830 --> 01:28:49,280

i i would like to

2556

01:28:54,790 --> 01:28:51,840

we have the time i do want to touch upon

2557

01:28:56,629 --> 01:28:54,800

the breakaway civilization theory and

2558

01:28:58,310 --> 01:28:56,639

i forget the uh what's the british

2559

01:28:59,430 --> 01:28:58,320

television series

2560

01:29:02,390 --> 01:28:59,440

uh

2561

01:29:05,510 --> 01:29:03,990

alternatives yeah alternative three

2562

01:29:07,830 --> 01:29:05,520

alternative three which i happened to

2563

01:29:11,510 --> 01:29:07,840

watch uh last month

2564

01:29:14,229 --> 01:29:11,520

um and and i want to get to that but

2565

01:29:15,270 --> 01:29:14,239

project blue book

2566

01:29:17,830 --> 01:29:15,280

for

2567

01:29:20,390 --> 01:29:17,840

most of us here myself included uh we

2568

01:29:21,270 --> 01:29:20,400

grew up with that and we believed in it

2569

01:29:24,470 --> 01:29:21,280

and

2570

01:29:26,229 --> 01:29:24,480

wanted

2571

01:29:29,750 --> 01:29:26,239

i mean i believed in it wholeheartedly

2572

01:29:32,229 --> 01:29:29,760

right and now hindsight is

2573

01:29:34,310 --> 01:29:32,239

it's it's it's a [h__h] yeah yeah okay

2574

01:29:37,270 --> 01:29:34,320

now we can look back and now it just

2575

01:29:40,790 --> 01:29:37,280

leaves such a bad taste in my mouth

2576

01:29:44,070 --> 01:29:40,800

and i'm still looking for swamp gas

2577

01:29:45,350 --> 01:29:44,080

you know right now i i have i have as of

2578

01:29:48,390 --> 01:29:45,360

yet

2579

01:29:51,110 --> 01:29:48,400

to see my first swamp gas no me neither

2580

01:29:52,790 --> 01:29:51,120

okay i've never seen the swamp gas

2581

01:29:54,870 --> 01:29:52,800

make any effects

2582

01:29:56,470 --> 01:29:54,880

blue book is uh one of these things that

2583

01:29:58,229 --> 01:29:56,480

i think young readers probably don't

2584

01:29:59,750 --> 01:29:58,239

even care about project blue book that

2585

01:30:01,830 --> 01:29:59,760

seems like ancient history but it really

2586

01:30:04,950 --> 01:30:01,840

is important it's interesting

2587

01:30:07,910 --> 01:30:04,960

and um you know during the 1950s and 60s

2588

01:30:09,590 --> 01:30:07,920

that was the official government's

2589

01:30:10,550 --> 01:30:09,600

investigative i'm putting that in air

2590

01:30:13,030 --> 01:30:10,560

quotes

2591

01:30:15,030 --> 01:30:13,040

a group that studied ufos and it gets

2592

01:30:16,470 --> 01:30:15,040

air quotes because i mean blue book you

2593

01:30:18,229 --> 01:30:16,480

know for most of its time had like two

2594

01:30:19,110 --> 01:30:18,239

or three people in there how are they

2595

01:30:21,030 --> 01:30:19,120

supposed to be able to do these

2596

01:30:22,950 --> 01:30:21,040

investigations of course they couldn't

2597

01:30:24,790 --> 01:30:22,960

but what their job was to do wasn't to

2598

01:30:27,030 --> 01:30:24,800

investigate it was to

2599

01:30:29,910 --> 01:30:27,040

it was to

2600

01:30:32,790 --> 01:30:29,920

talk about the ufo topic as

2601

01:30:34,310 --> 01:30:32,800

solved to the public to put this topic

2602

01:30:36,390 --> 01:30:34,320

to sleep as much as possible they were

2603

01:30:37,910 --> 01:30:36,400

never really other than one brief year

2604

01:30:40,149 --> 01:30:37,920

in 1952

2605

01:30:43,030 --> 01:30:40,159

did they ever really truly do genuine

2606

01:30:45,430 --> 01:30:43,040

investigation exactly and so

2607

01:30:47,910 --> 01:30:45,440

would you ever pick it up today and look

2608

01:30:49,910 --> 01:30:47,920

at one of the investigated cases in

2609

01:30:52,550 --> 01:30:49,920

there and

2610

01:30:56,390 --> 01:30:52,560

treated as non-fiction

2611

01:30:58,870 --> 01:30:56,400

it treated as a seriously researched

2612

01:31:00,790 --> 01:30:58,880

incident you wouldn't would you no no i

2613

01:31:02,950 --> 01:31:00,800

mean some of the accounts in the blue

2614

01:31:04,390 --> 01:31:02,960

book files are really worth uh looking

2615

01:31:06,550 --> 01:31:04,400

into but certainly not for the

2616

01:31:08,629 --> 01:31:06,560

explanations no but that's that's and

2617

01:31:10,310 --> 01:31:08,639

that's exactly my point it's what's not

2618

01:31:12,470 --> 01:31:10,320

in blue book

2619

01:31:15,110 --> 01:31:12,480

that's the best part the ones that they

2620

01:31:18,149 --> 01:31:15,120

couldn't solve but as far as anything

2621

01:31:19,750 --> 01:31:18,159

with explanation in it today it's it's

2622

01:31:21,830 --> 01:31:19,760

nearly worthless

2623

01:31:24,390 --> 01:31:21,840

no i agree and uh what we know is that

2624

01:31:26,310 --> 01:31:24,400

from the night mid 1950s on here's

2625

01:31:29,430 --> 01:31:26,320

here's a real quick story

2626

01:31:31,830 --> 01:31:29,440

so blue book had its one year of genuine

2627

01:31:34,149 --> 01:31:31,840

investigation in 1952 it was a huge year

2628

01:31:35,750 --> 01:31:34,159

for sightings in this country

2629

01:31:37,030 --> 01:31:35,760

it was also the final year of the harry

2630

01:31:38,950 --> 01:31:37,040

truman presidency it was the year

2631

01:31:40,550 --> 01:31:38,960

eisenhower got elected

2632

01:31:43,590 --> 01:31:40,560

and it was the year

2633

01:31:46,070 --> 01:31:43,600

in january 1953

2634

01:31:48,149 --> 01:31:46,080

the last weekend of harry truman's

2635

01:31:49,669 --> 01:31:48,159

presidency we had what was called the

2636

01:31:51,030 --> 01:31:49,679

robertson panel

2637

01:31:52,709 --> 01:31:51,040

and that was really the last bit of

2638

01:31:54,390 --> 01:31:52,719

house cleaning of the whole Truman White

2639

01:31:55,669 --> 01:31:54,400

house years and what they were doing was

2640

01:31:58,390 --> 01:31:55,679

they were

2641

01:32:00,149 --> 01:31:58,400

packaging the UFO topic in a nice neat

2642

01:32:02,310 --> 01:32:00,159

little package for the Eisenhower

2643

01:32:04,229 --> 01:32:02,320

administration so that there would not

2644

01:32:05,430 --> 01:32:04,239

be any loose ends this is how I see it

2645

01:32:08,149 --> 01:32:05,440

in other words what they did is they

2646

01:32:10,149 --> 01:32:08,159

convened a classified scientific group

2647

01:32:12,709 --> 01:32:10,159

to study UFOs

2648

01:32:14,790 --> 01:32:12,719

and it was a whitewashed absolutely it

2649

01:32:16,229 --> 01:32:14,800

was why wash and what they

2650

01:32:19,189 --> 01:32:16,239

essentially did

2651
01:32:21,350 --> 01:32:19,199
was to take this topic out of most of

2652
01:32:23,110 --> 01:32:21,360
even the classified world

2653
01:32:25,669 --> 01:32:23,120
and bring it into a much more

2654
01:32:27,430 --> 01:32:25,679
restrictive environment

2655
01:32:29,990 --> 01:32:27,440
and that included gutting project blue

2656
01:32:32,310 --> 01:32:30,000
book so after the robertson panel

2657
01:32:34,229 --> 01:32:32,320
project blue book was was totally you

2658
01:32:36,629 --> 01:32:34,239
know useless

2659
01:32:38,709 --> 01:32:36,639
and what we know is that by the i think

2660
01:32:40,709 --> 01:32:38,719
1954 you know shortly after that there

2661
01:32:42,550 --> 01:32:40,719
was a directive that came right down

2662
01:32:43,990 --> 01:32:42,560
to blue book and and it made it clear

2663
01:32:46,629 --> 01:32:44,000

you are to get

2664

01:32:49,030 --> 01:32:46,639

the unknowns down from twenty percent

2665

01:32:50,550 --> 01:32:49,040

which is what they were year after year

2666

01:32:52,390 --> 01:32:50,560

down to five percent down to three

2667

01:32:53,430 --> 01:32:52,400

percent down as low as you can every

2668

01:32:55,990 --> 01:32:53,440

year

2669

01:32:57,350 --> 01:32:56,000

doesn't matter how if something is a

2670

01:32:59,430 --> 01:32:57,360

possible

2671

01:33:01,510 --> 01:32:59,440

um weather balloon then you're going to

2672

01:33:03,189 --> 01:33:01,520

say weather balloon if it's a possible

2673

01:33:05,030 --> 01:33:03,199

flock of seagulls you're going to say

2674

01:33:06,709 --> 01:33:05,040

flock of seagulls and that literally

2675

01:33:10,629 --> 01:33:06,719

became the directive so

2676

01:33:12,790 --> 01:33:10,639

the blue book statistics are worthless

2677

01:33:14,790 --> 01:33:12,800

steve morello i wanted to add something

2678

01:33:17,430 --> 01:33:14,800

a little experience here

2679

01:33:19,350 --> 01:33:17,440

in in the mufon database i know for a

2680

01:33:21,830 --> 01:33:19,360

fact that a lot of

2681

01:33:24,709 --> 01:33:21,840

um and alex can attest to this too a lot

2682

01:33:26,950 --> 01:33:24,719

of cases that were were still un open we

2683

01:33:29,510 --> 01:33:26,960

we hadn't figured out what they were

2684

01:33:31,030 --> 01:33:29,520

we're just you know that no it was it

2685

01:33:32,629 --> 01:33:31,040

was a balloon it was venus it was

2686

01:33:34,790 --> 01:33:32,639

whatever i mean they were they were

2687

01:33:37,030 --> 01:33:34,800

literally closed on us

2688

01:33:38,629 --> 01:33:37,040

mufon was doing this yeah yeah and now

2689

01:33:40,550 --> 01:33:38,639

playing the blue book game i won't say

2690

01:33:42,709 --> 01:33:40,560

who was doing it but i mean they were

2691

01:33:45,350 --> 01:33:42,719

doing it i mean alex he'll raise your

2692

01:33:47,110 --> 01:33:45,360

hand if i'm telling i mean

2693

01:33:49,430 --> 01:33:47,120

i mean we were frustrated because some

2694

01:33:51,270 --> 01:33:49,440

these were some of the best cases

2695

01:33:53,110 --> 01:33:51,280

you know they were open they they were

2696

01:33:55,110 --> 01:33:53,120

mysteries and we could not figure them

2697

01:33:56,470 --> 01:33:55,120

out we were still waiting for witnesses

2698

01:33:58,310 --> 01:33:56,480

to come forward we were interviewing

2699

01:34:00,229 --> 01:33:58,320

witnesses what happened we were working

2700

01:34:01,750 --> 01:34:00,239

on these cases and yet oh no you got to

2701

01:34:04,149 --> 01:34:01,760

close that out it's

2702

01:34:06,070 --> 01:34:04,159

swamp gas okay if we if we get the

2703

01:34:07,750 --> 01:34:06,080

chance later you know i have some words

2704

01:34:10,070 --> 01:34:07,760

to say about groups like mufon and i'll

2705

01:34:11,510 --> 01:34:10,080

be very happy to give my my take on what

2706

01:34:14,870 --> 01:34:11,520

you know

2707

01:34:17,110 --> 01:34:14,880

look mufon uh i think is

2708

01:34:20,470 --> 01:34:17,120

full of a lot of very sincere people oh

2709

01:34:23,590 --> 01:34:20,480

absolutely and i i don't and and

2710

01:34:26,229 --> 01:34:23,600

this show i don't want it to turn into

2711

01:34:28,790 --> 01:34:26,239

any vehicle like that except i will i

2712

01:34:31,510 --> 01:34:28,800

will say this come on very

2713

01:34:34,390 --> 01:34:31,520

very publicly dude i have had

2714

01:34:35,750 --> 01:34:34,400

i have had more people more guests come

2715

01:34:38,790 --> 01:34:35,760

on my show

2716

01:34:40,790 --> 01:34:38,800

and just express their disappointment

2717

01:34:43,430 --> 01:34:40,800

when they tried to get something done

2718

01:34:45,669 --> 01:34:43,440

tried to speak up saw something

2719

01:34:47,510 --> 01:34:45,679

wanted to be a mufon investigator the

2720

01:34:50,310 --> 01:34:47,520

list goes on and on and on and the

2721

01:34:53,110 --> 01:34:50,320

disappointment that they had with it um

2722

01:34:55,430 --> 01:34:53,120

and it's not about professionalism i

2723

01:34:57,669 --> 01:34:55,440

think they were it's more about training

2724

01:34:59,270 --> 01:34:57,679

and and what an investigator is expected

2725

01:35:01,750 --> 01:34:59,280

to do

2726

01:35:03,830 --> 01:35:01,760

manpower as well i mean they can't cover

2727

01:35:05,590 --> 01:35:03,840

every case but i have had guests on my

2728

01:35:08,470 --> 01:35:05,600

show it's it's it's almost every single

2729

01:35:10,310 --> 01:35:08,480

night uh the disappointment in move font

2730

01:35:11,590 --> 01:35:10,320

so it's a 40-year plan pattern it

2731

01:35:12,390 --> 01:35:11,600

doesn't change

2732

01:35:13,830 --> 01:35:12,400

and

2733

01:35:15,350 --> 01:35:13,840

all i'll just say is look this is an

2734

01:35:18,149 --> 01:35:15,360

organization that's existed since the

2735

01:35:19,990 --> 01:35:18,159

late 60s ufos are

2736

01:35:21,669 --> 01:35:20,000

the second i think the second most

2737

01:35:24,070 --> 01:35:21,679

popular topic on the internet every

2738

01:35:25,990 --> 01:35:24,080

everything's second to porn but ufos has

2739

01:35:28,870 --> 01:35:26,000

been there right from the beginning and

2740

01:35:30,550 --> 01:35:28,880

is incredibly popular and yet look let's

2741

01:35:33,830 --> 01:35:30,560

face it mufon's membership has been a

2742

01:35:35,110 --> 01:35:33,840

2000 forever i mean they can't why why

2743

01:35:37,270 --> 01:35:35,120

you have um

2744

01:35:39,189 --> 01:35:37,280

organizations that um i mean coast to

2745

01:35:40,229 --> 01:35:39,199

coast gets millions of listeners every

2746

01:35:41,830 --> 01:35:40,239

night you have

2747

01:35:43,430 --> 01:35:41,840

other radio programs like your own that

2748

01:35:45,910 --> 01:35:43,440

blows there's you certainly get more

2749

01:35:47,590 --> 01:35:45,920

than 2 000 listeners every time yes so

2750

01:35:51,669 --> 01:35:47,600

where what's what's going on with the

2751
01:35:53,189 --> 01:35:51,679
mufon um situation and why is it just so

2752
01:35:54,709 --> 01:35:53,199
obviously stagnant why do you have all

2753
01:35:56,149 --> 01:35:54,719
of these people talking about

2754
01:35:58,790 --> 01:35:56,159
information that goes in doesn't come

2755
01:36:00,950 --> 01:35:58,800
out and and the last thing i'll just say

2756
01:36:02,790 --> 01:36:00,960
is that they have a beef with me i'm

2757
01:36:04,149 --> 01:36:02,800
sure because the last i used to speak at

2758
01:36:07,030 --> 01:36:04,159
many of the mufon international

2759
01:36:08,629 --> 01:36:07,040
symposium last one i spoke out was three

2760
01:36:10,390 --> 01:36:08,639
years ago

2761
01:36:12,790 --> 01:36:10,400
and i haven't been invited back since

2762
01:36:15,189 --> 01:36:12,800
and i know why because i

2763
01:36:16,870 --> 01:36:15,199

just shocked the leadership at the time

2764

01:36:18,950 --> 01:36:16,880

by talking about the need for mufon to

2765

01:36:21,430 --> 01:36:18,960

reform the last 15 minutes of my own

2766

01:36:24,390 --> 01:36:21,440

talk and i they were not happy

2767

01:36:25,270 --> 01:36:24,400

very not very very very not happy i had

2768

01:36:26,709 --> 01:36:25,280

a

2769

01:36:30,229 --> 01:36:26,719

uh

2770

01:36:32,950 --> 01:36:30,239

i had a guest on antonio paris okay

2771

01:36:35,990 --> 01:36:32,960

uh and i'm sure you know antonio had him

2772

01:36:37,750 --> 01:36:36,000

on uh he runs an organization called api

2773

01:36:38,550 --> 01:36:37,760

i don't know him personally but you know

2774

01:36:40,390 --> 01:36:38,560

i know

2775

01:36:42,870 --> 01:36:40,400

right and he

2776

01:36:45,750 --> 01:36:42,880

he formed api because he couldn't get

2777

01:36:48,070 --> 01:36:45,760

work done at mufon and and he joined a

2778

01:36:50,629 --> 01:36:48,080

mufon he he came from he was a secret

2779

01:36:53,189 --> 01:36:50,639

agent you know 20 years of

2780

01:36:54,950 --> 01:36:53,199

of secret agent work in in the

2781

01:36:57,109 --> 01:36:54,960

government and he came out and he really

2782

01:36:59,270 --> 01:36:57,119

wanted to go you know uh balls to the

2783

01:37:01,189 --> 01:36:59,280

wall on the ufo subject and really go do

2784

01:37:03,270 --> 01:37:01,199

some hardcore investigating

2785

01:37:06,149 --> 01:37:03,280

didn't do anything and i think this was

2786

01:37:08,310 --> 01:37:06,159

in washington dc at that move on but uh

2787

01:37:10,709 --> 01:37:08,320

and so now we started api just like

2788

01:37:12,709 --> 01:37:10,719

steve is as started i'm just going to go

2789

01:37:14,629 --> 01:37:12,719

on a limb and lay my own analysis down a

2790

01:37:16,870 --> 01:37:14,639

bit and i can be very succinct you have

2791

01:37:19,350 --> 01:37:16,880

through the cold war the cia we know

2792

01:37:21,430 --> 01:37:19,360

this this is not speculation cia

2793

01:37:23,109 --> 01:37:21,440

controlled many many

2794

01:37:24,790 --> 01:37:23,119

uh over

2795

01:37:25,910 --> 01:37:24,800

organizations that were supposed to be

2796

01:37:27,830 --> 01:37:25,920

private

2797

01:37:30,310 --> 01:37:27,840

non-profit whatever and they were

2798

01:37:32,149 --> 01:37:30,320

totally cia creations and controlled

2799

01:37:33,750 --> 01:37:32,159

liberal conservative didn't matter what

2800

01:37:35,990 --> 01:37:33,760

they were doing was controlling the

2801

01:37:37,750 --> 01:37:36,000

range of debate and a lot of a lot of

2802

01:37:39,189 --> 01:37:37,760

these the famous example was a group

2803

01:37:41,350 --> 01:37:39,199

called the congress for cultural freedom

2804

01:37:44,149 --> 01:37:41,360

and we know it was a cia run group

2805

01:37:45,990 --> 01:37:44,159

the leader of it was not but the second

2806

01:37:48,149 --> 01:37:46,000

in charge was and that's what we call

2807

01:37:49,990 --> 01:37:48,159

the spook spot you know you because you

2808

01:37:52,070 --> 01:37:50,000

have to have a public face on an

2809

01:37:53,830 --> 01:37:52,080

organization that's um

2810

01:37:55,350 --> 01:37:53,840

legit but then you have people behind

2811

01:37:57,510 --> 01:37:55,360

who are really running it

2812

01:37:59,109 --> 01:37:57,520

and that was the case with a number of

2813

01:38:00,390 --> 01:37:59,119

these organizations and as i say there

2814

01:38:02,470 --> 01:38:00,400

have been some studies and i cite them

2815

01:38:04,629 --> 01:38:02,480

in my new book

2816

01:38:06,070 --> 01:38:04,639

what does mufon look like mufon looks

2817

01:38:08,310 --> 01:38:06,080

exactly like that

2818

01:38:09,830 --> 01:38:08,320

i can't prove it but do you have naval

2819

01:38:12,229 --> 01:38:09,840

intelligence air force intelligence

2820

01:38:15,030 --> 01:38:12,239

military i mean dominating the

2821

01:38:16,950 --> 01:38:15,040

running of that organization forever

2822

01:38:19,030 --> 01:38:16,960

and you have an organization that was

2823

01:38:20,470 --> 01:38:19,040

overtly non-political that pulled the

2824

01:38:22,470 --> 01:38:20,480

plug out of any kind of deep political

2825

01:38:24,709 --> 01:38:22,480

analysis for years

2826

01:38:26,870 --> 01:38:24,719

and um and then you have all of these

2827

01:38:28,470 --> 01:38:26,880

statements about investigations being

2828

01:38:30,229 --> 01:38:28,480

impeded i have a very very dear friend

2829

01:38:30,950 --> 01:38:30,239

chase klitsky who ran the mufon star

2830

01:38:33,109 --> 01:38:30,960

team

2831

01:38:34,790 --> 01:38:33,119

she created their protocols she talked

2832

01:38:36,950 --> 01:38:34,800

openly about

2833

01:38:39,109 --> 01:38:36,960

how all of those key investigations were

2834

01:38:41,669 --> 01:38:39,119

compromised by

2835

01:38:44,310 --> 01:38:41,679

basically an opaque board that uh you

2836

01:38:45,750 --> 01:38:44,320

know who are these people so yes i think

2837

01:38:48,070 --> 01:38:45,760

when you put all those pieces together

2838

01:38:50,310 --> 01:38:48,080

what's the point here's the point

2839

01:38:51,669 --> 01:38:50,320

it was to be a control group for people

2840

01:38:53,109 --> 01:38:51,679

who are interested in this topic to

2841

01:38:54,470 --> 01:38:53,119

corral them to keep them in a nice

2842

01:38:56,390 --> 01:38:54,480

little pen

2843

01:38:58,950 --> 01:38:56,400

and also not to grow the organization

2844

01:39:01,510 --> 01:38:58,960

the way it should be growing it should

2845

01:39:03,109 --> 01:39:01,520

be a worldwide with an actual base and

2846

01:39:04,870 --> 01:39:03,119

what happened with la mufan let's just

2847

01:39:06,229 --> 01:39:04,880

talk about it ellie mufon was one of the

2848

01:39:09,189 --> 01:39:06,239

most active

2849

01:39:12,709 --> 01:39:09,199

best ass kicking uh mufon groups in the

2850

01:39:15,189 --> 01:39:12,719

country period and got themselves

2851

01:39:17,189 --> 01:39:15,199

right and got themselves alienated from

2852

01:39:18,950 --> 01:39:17,199

the mufon leadership why who knows why

2853

01:39:20,229 --> 01:39:18,960

steve can answer that but i think

2854

01:39:21,270 --> 01:39:20,239

because you

2855

01:39:23,910 --> 01:39:21,280

you were

2856

01:39:26,709 --> 01:39:23,920

too popular too effective

2857

01:39:28,550 --> 01:39:26,719

i don't know steve steve's declining on

2858

01:39:29,669 --> 01:39:28,560

the record he's saying no i'm happy to

2859

01:39:32,310 --> 01:39:29,679

go on the record i don't mind talking

2860

01:39:37,189 --> 01:39:32,320

about this at all um you know i'll never

2861

01:39:42,790 --> 01:39:40,229

just for the controversy if they if they

2862

01:39:44,629 --> 01:39:42,800

allow the rebuttal you know um

2863

01:39:46,550 --> 01:39:44,639

you know i think i think he got down to

2864

01:39:48,550 --> 01:39:46,560

when you said lack of leadership um

2865

01:39:50,229 --> 01:39:48,560

earlier that well steve then i'm just

2866

01:39:52,310 --> 01:39:50,239

going to ask you in front of richard in

2867

01:39:54,950 --> 01:39:52,320

the crowd did you ever feel

2868

01:39:56,709 --> 01:39:54,960

hand hog tied did you ever no here's i

2869

01:39:58,790 --> 01:39:56,719

mean it was it was a very strange thing

2870

01:40:01,830 --> 01:39:58,800

they left us to our own devices when i

2871

01:40:03,750 --> 01:40:01,840

when i inherited mufon la um

2872

01:40:06,629 --> 01:40:03,760

we had nothing in the bank we went maybe

2873

01:40:08,310 --> 01:40:06,639

a couple hundred bucks and uh you know i

2874

01:40:10,070 --> 01:40:08,320

had some really good people that that

2875

01:40:12,950 --> 01:40:10,080

stayed on the board and we were able to

2876

01:40:14,390 --> 01:40:12,960

keep it going and through 13 years of it

2877

01:40:16,709 --> 01:40:14,400

and built the account up and all that

2878

01:40:18,229 --> 01:40:16,719

and we had you know we built up a crowd

2879

01:40:20,229 --> 01:40:18,239

you know when i was first coming to

2880

01:40:22,629 --> 01:40:20,239

mufon uh meetings there were just maybe

2881

01:40:26,390 --> 01:40:22,639

a half of this room coming and all

2882

01:40:28,629 --> 01:40:26,400

anyway i mean we just kept it going but

2883

01:40:30,629 --> 01:40:28,639

for most of that there was no leadership

2884

01:40:32,709 --> 01:40:30,639

there was no direction there was no

2885

01:40:35,669 --> 01:40:32,719

you know i mean here you have an

2886

01:40:38,870 --> 01:40:35,679

international organization supposedly

2887

01:40:40,390 --> 01:40:38,880

they should have a direction of vision

2888

01:40:42,550 --> 01:40:40,400

nothing was ever communicated in fact i

2889

01:40:45,189 --> 01:40:42,560

never heard from my my boss

2890

01:40:47,430 --> 01:40:45,199

for many many many years so i was i just

2891

01:40:49,990 --> 01:40:47,440

basically did whatever i wanted to uh

2892

01:40:51,350 --> 01:40:50,000

but we still had to investigate cases

2893

01:40:53,750 --> 01:40:51,360

through their database and with their

2894

01:40:56,070 --> 01:40:53,760

protocols and all that um

2895

01:40:57,750 --> 01:40:56,080

but yeah finally all of a sudden for

2896

01:40:59,669 --> 01:40:57,760

whatever reason my boss decided she

2897

01:41:01,030 --> 01:40:59,679

wanted to get back involved 13 years

2898

01:41:03,990 --> 01:41:01,040

later she wanted to get back into the

2899

01:41:05,430 --> 01:41:04,000

game and she started harassing the field

2900

01:41:07,030 --> 01:41:05,440

investigators

2901

01:41:08,470 --> 01:41:07,040

to the point where

2902

01:41:10,550 --> 01:41:08,480

alex who was the director of field

2903

01:41:13,750 --> 01:41:10,560

investigation stood up to her and then

2904

01:41:15,430 --> 01:41:13,760

she had him removed and then without

2905

01:41:16,629 --> 01:41:15,440

asking me or any kind of

2906

01:41:18,550 --> 01:41:16,639

you know

2907

01:41:21,189 --> 01:41:18,560

not even a phone call or an email just

2908

01:41:22,950 --> 01:41:21,199

boom there goes alex and then so i i

2909

01:41:26,470 --> 01:41:22,960

challenged her on it and then there goes

2910

01:41:28,550 --> 01:41:26,480

me you know so that's how it went but

2911

01:41:31,109 --> 01:41:28,560

i've never i i in all those years i'd

2912

01:41:33,350 --> 01:41:31,119

never been impressed with any kind of

2913

01:41:35,910 --> 01:41:33,360

leadership um

2914

01:41:37,510 --> 01:41:35,920

you know i'd gone to the conferences and

2915

01:41:39,270 --> 01:41:37,520

you know i mean if you're the

2916

01:41:41,109 --> 01:41:39,280

international head of mufon you want to

2917

01:41:42,790 --> 01:41:41,119

meet your chapters and shake hands at

2918

01:41:44,390 --> 01:41:42,800

least there was none of that i mean it

2919

01:41:46,310 --> 01:41:44,400

was basically you're on your own you

2920

01:41:47,430 --> 01:41:46,320

know there's there's just nothing there

2921

01:41:49,430 --> 01:41:47,440

and um

2922

01:41:51,270 --> 01:41:49,440

i would love to see that change if it's

2923

01:41:53,669 --> 01:41:51,280

not mufon it's you know something

2924

01:41:56,550 --> 01:41:53,679

legitimate that really wants to look at

2925

01:41:59,189 --> 01:41:56,560

the phenomenon you know didn't didn't uh

2926

01:42:00,870 --> 01:41:59,199

and both of you can touch upon this but

2927

01:42:03,109 --> 01:42:00,880

weren't these the same concerns that

2928

01:42:08,070 --> 01:42:03,119

bigelow had

2929

01:42:09,910 --> 01:42:08,080

concerns about mufon yes

2930

01:42:12,229 --> 01:42:09,920

well that's that's a messy issue the

2931

01:42:13,669 --> 01:42:12,239

whole mufon bigelow connection and uh i

2932

01:42:16,229 --> 01:42:13,679

mean

2933

01:42:17,750 --> 01:42:16,239

it seems to me that that um we don't

2934

01:42:19,430 --> 01:42:17,760

have to open the door to this on this

2935

01:42:21,350 --> 01:42:19,440

show i don't know if i have all of the

2936

01:42:22,709 --> 01:42:21,360

answers and i'm so i'm hesitant to jump

2937

01:42:24,870 --> 01:42:22,719

in on it it's something that i'm still

2938

01:42:26,870 --> 01:42:24,880

actively looking into yeah myself

2939

01:42:28,390 --> 01:42:26,880

included i'd like to get him on the show

2940

01:42:29,830 --> 01:42:28,400

and not to do an end run we can return

2941

01:42:31,350 --> 01:42:29,840

to it but i just want to point out that

2942

01:42:32,629 --> 01:42:31,360

mufon is not the only example of

2943

01:42:34,149 --> 01:42:32,639

probable intelligence community

2944

01:42:36,550 --> 01:42:34,159

infiltration you have

2945

01:42:38,229 --> 01:42:36,560

known examples of prior ufo groups the

2946

01:42:40,870 --> 01:42:38,239

apro aerial research phenomena

2947

01:42:44,470 --> 01:42:40,880

organization infiltrated absolutely by

2948

01:42:46,390 --> 01:42:44,480

intel nycap uh the powerhouse of the 50s

2949

01:42:50,229 --> 01:42:46,400

and 60s trying to end ufo secrecy

2950

01:42:52,229 --> 01:42:50,239

clearly decimated by uh cia individuals

2951

01:42:53,109 --> 01:42:52,239

at the end of its of its career so we

2952

01:42:55,830 --> 01:42:53,119

know

2953

01:42:57,430 --> 01:42:55,840

this is an example and it just it seems

2954

01:42:58,709 --> 01:42:57,440

ridiculous to think that mufon's going

2955

01:43:01,510 --> 01:42:58,719

to be immune from it's the most

2956

01:43:03,030 --> 01:43:01,520

prominent ufo organization in the u.s so

2957

01:43:05,350 --> 01:43:03,040

i think they'll be targeting i have a

2958

01:43:06,390 --> 01:43:05,360

bunch of questions that have come in uh

2959

01:43:08,470 --> 01:43:06,400

on the uh

2960

01:43:11,109 --> 01:43:08,480

on the internet here's this this one's

2961

01:43:12,950 --> 01:43:11,119

from renee and it's really good she says

2962

01:43:15,830 --> 01:43:12,960

why are we concentrating too much on the

2963

01:43:18,070 --> 01:43:15,840

specifics of sightings and evidence

2964

01:43:20,550 --> 01:43:18,080

and the physical realities of the et's

2965

01:43:22,470 --> 01:43:20,560

in their craft rather than the messages

2966

01:43:24,790 --> 01:43:22,480

that they are sending

2967

01:43:26,229 --> 01:43:24,800

well i would say that um you know we

2968

01:43:28,550 --> 01:43:26,239

want to look at everything we want to

2969

01:43:30,310 --> 01:43:28,560

look at the sum total of everything

2970

01:43:33,109 --> 01:43:30,320

the reason i i still think it is

2971

01:43:34,709 --> 01:43:33,119

important to look at the data

2972

01:43:37,430 --> 01:43:34,719

is because without

2973

01:43:39,669 --> 01:43:37,440

without really good verified data

2974

01:43:40,950 --> 01:43:39,679

as i would often say talk is cheap it's

2975

01:43:42,950 --> 01:43:40,960

easy for people to say anything they

2976

01:43:46,550 --> 01:43:42,960

want if you're really going to persuade

2977

01:43:47,910 --> 01:43:46,560

a deeply skeptical world

2978

01:43:49,430 --> 01:43:47,920

that this is

2979

01:43:52,709 --> 01:43:49,440

worthy of interest

2980

01:43:54,390 --> 01:43:52,719

we actually need groups like mufon doing

2981

01:43:56,470 --> 01:43:54,400

feed on the ground investigations and

2982

01:43:59,189 --> 01:43:56,480

actually putting putting reliable

2983

01:44:00,790 --> 01:43:59,199

reports together so that they can

2984

01:44:02,950 --> 01:44:00,800

actually make a case and say look this

2985

01:44:04,550 --> 01:44:02,960

is what's going on exactly uh you know

2986

01:44:06,470 --> 01:44:04,560

youtube video alone i gotta do squat

2987

01:44:08,229 --> 01:44:06,480

that's that's nothing that doesn't count

2988

01:44:11,430 --> 01:44:08,239

as evidence anymore unfortunately you

2989

01:44:13,189 --> 01:44:11,440

have to have you have to have a lot of

2990

01:44:14,629 --> 01:44:13,199

testimony put together you have to make

2991

01:44:17,350 --> 01:44:14,639

a case

2992

01:44:18,790 --> 01:44:17,360

and and so it's necessary sorry but you

2993

01:44:21,750 --> 01:44:18,800

have to get in you get your hands dirty

2994

01:44:23,270 --> 01:44:21,760

and do investigation now messages uh

2995

01:44:25,669 --> 01:44:23,280

this individual i don't want to presume

2996

01:44:27,350 --> 01:44:25,679

but perhaps uh she's referring to

2997

01:44:29,510 --> 01:44:27,360

messages that people have gotten from

2998

01:44:31,510 --> 01:44:29,520

beings or that they believe that they've

2999

01:44:33,189 --> 01:44:31,520

gone from beings

3000

01:44:34,870 --> 01:44:33,199

i think that that's

3001

01:44:36,550 --> 01:44:34,880

an important part of it is something

3002

01:44:38,390 --> 01:44:36,560

that i also i try to deal with in this

3003

01:44:40,390 --> 01:44:38,400

book there are many many people who've

3004

01:44:41,910 --> 01:44:40,400

gotten what they believe

3005

01:44:43,350 --> 01:44:41,920

are what they might call downloads or

3006

01:44:45,830 --> 01:44:43,360

they may believe that they've had direct

3007

01:44:48,390 --> 01:44:45,840

communication with with um entities of

3008

01:44:50,070 --> 01:44:48,400

one sort or another that's a fascinating

3009

01:44:51,910 --> 01:44:50,080

and important part

3010

01:44:53,990 --> 01:44:51,920

of this topic

3011

01:44:58,470 --> 01:44:54,000

and we don't want to ignore it but we

3012

01:45:01,590 --> 01:45:00,149

those messages may

3013

01:45:03,030 --> 01:45:01,600

or may not be accurate and they may or

3014

01:45:04,709 --> 01:45:03,040

may not be truthful

3015

01:45:06,790 --> 01:45:04,719

ask yourself a question if you're going

3016

01:45:08,790 --> 01:45:06,800

back in time to another human village a

3017

01:45:11,910 --> 01:45:08,800

thousand years ago how much can you tell

3018

01:45:14,870 --> 01:45:11,920

them about what you know nothing at all

3019

01:45:16,550 --> 01:45:14,880

no not without their heads going pop um

3020

01:45:18,229 --> 01:45:16,560

you know there's only so much that and

3021

01:45:19,750 --> 01:45:18,239

that's if we have their best intentions

3022

01:45:21,750 --> 01:45:19,760

if we didn't have their best intentions

3023

01:45:23,910 --> 01:45:21,760

we could really screw with them right so

3024

01:45:25,109 --> 01:45:23,920

assuming that other intelligences are

3025

01:45:27,109 --> 01:45:25,119

always going to be truthful in their

3026

01:45:29,350 --> 01:45:27,119

communications maybe they're telling us

3027

01:45:31,030 --> 01:45:29,360

what they think we need to know so then

3028

01:45:33,669 --> 01:45:31,040

maybe that's good enough

3029

01:45:35,910 --> 01:45:33,679

um the point is simply that

3030

01:45:37,750 --> 01:45:35,920

there are people who have talked about

3031

01:45:38,709 --> 01:45:37,760

messages there are people who let's say

3032

01:45:41,669 --> 01:45:38,719

channeled

3033

01:45:43,830 --> 01:45:41,679

message that's ever been given i think

3034

01:45:45,910 --> 01:45:43,840

you'd be a very confused person because

3035

01:45:48,390 --> 01:45:45,920

there's a very wide range

3036

01:45:50,149 --> 01:45:48,400

of what has been told and and that is

3037

01:45:51,669 --> 01:45:50,159

the problem i'm not saying it's

3038

01:45:53,910 --> 01:45:51,679

impossible that people have gotten

3039

01:45:55,669 --> 01:45:53,920

communications but i i do say we want to

3040

01:45:57,669 --> 01:45:55,679

be cautious with it

3041

01:46:00,229 --> 01:45:57,679

yeah i'd agree with it i'd agree with

3042

01:46:02,709 --> 01:46:00,239

that i mean case in point abduction you

3043

01:46:04,229 --> 01:46:02,719

know um we're here for your you know

3044

01:46:06,149 --> 01:46:04,239

well-being and we're going to help help

3045

01:46:08,790 --> 01:46:06,159

further mankind yet

3046

01:46:10,870 --> 01:46:08,800

the end result of an abductee is someone

3047

01:46:12,709 --> 01:46:10,880

who uh can become emotionally unstable

3048

01:46:16,390 --> 01:46:12,719

and their life gets ruined so how is

3049

01:46:17,990 --> 01:46:16,400

that helping them you fall um yeah so

3050

01:46:20,470 --> 01:46:18,000

there's a lot of contradictory messages

3051
01:46:22,470 --> 01:46:20,480
going on and who do you believe well

3052
01:46:25,270 --> 01:46:22,480
zoltan from the planet reticuli or the

3053
01:46:27,510 --> 01:46:25,280
next guy who's you know but you touch it

3054
01:46:29,590 --> 01:46:27,520
steve you touch on a good point and it's

3055
01:46:31,830 --> 01:46:29,600
exactly what richard was talking about

3056
01:46:34,229 --> 01:46:31,840
is it's easy

3057
01:46:36,950 --> 01:46:34,239
for anybody that wants to show that

3058
01:46:38,950 --> 01:46:36,960
somebody is unstable is bring somebody

3059
01:46:40,470 --> 01:46:38,960
in the picture that is claiming that

3060
01:46:42,629 --> 01:46:40,480
they're in a you know

3061
01:46:44,950 --> 01:46:42,639
they've been abducted well they're

3062
01:46:47,590 --> 01:46:44,960
immediately labeled because of

3063
01:46:49,510 --> 01:46:47,600

the covers of every national enquirer

3064

01:46:50,550 --> 01:46:49,520

and star magazine that these people are

3065

01:46:52,709 --> 01:46:50,560

crazy

3066

01:46:55,189 --> 01:46:52,719

and that is where it's coming from and

3067

01:46:59,350 --> 01:46:55,199

the way that organizations like mufon

3068

01:47:02,470 --> 01:47:00,950

everybody okay i heard something what

3069

01:47:04,070 --> 01:47:02,480

was that

3070

01:47:06,149 --> 01:47:04,080

don't know

3071

01:47:07,430 --> 01:47:06,159

okay i have another question here we go

3072

01:47:09,350 --> 01:47:07,440

another email

3073

01:47:12,229 --> 01:47:09,360

from msnbc

3074

01:47:14,149 --> 01:47:12,239

uh those guys who are speaking to you

3075

01:47:16,149 --> 01:47:14,159

richard that have told richard stuff

3076

01:47:19,430 --> 01:47:16,159

government types hinted at a possible

3077

01:47:21,430 --> 01:47:19,440

disclosure event have they hinted at a

3078

01:47:24,070 --> 01:47:21,440

possible disclosure event or have they

3079

01:47:26,229 --> 01:47:24,080

provided reasons why it is not

3080

01:47:28,149 --> 01:47:26,239

convenient to happen that's a great

3081

01:47:31,669 --> 01:47:28,159

question it is

3082

01:47:33,350 --> 01:47:31,679

i'm thinking the the few the few

3083

01:47:35,270 --> 01:47:33,360

really good conversations that i've had

3084

01:47:37,350 --> 01:47:35,280

with a couple of a couple of different

3085

01:47:38,950 --> 01:47:37,360

individuals on this

3086

01:47:41,109 --> 01:47:38,960

uh the last

3087

01:47:43,990 --> 01:47:41,119

such conversation i had i i was left

3088

01:47:45,910 --> 01:47:44,000

with the idea from this individual

3089

01:47:46,950 --> 01:47:45,920

that that's not really a good time right

3090

01:47:48,310 --> 01:47:46,960

now

3091

01:47:51,750 --> 01:47:48,320

uh

3092

01:47:53,510 --> 01:47:51,760

you know i think the fear is over oh and

3093

01:47:56,070 --> 01:47:53,520

actually i'm almost forgetting i had a

3094

01:47:57,830 --> 01:47:56,080

recent communication with

3095

01:48:01,750 --> 01:47:57,840

i haven't met this one individual but an

3096

01:48:02,950 --> 01:48:01,760

exceedingly intelligent person who had

3097

01:48:04,390 --> 01:48:02,960

seemingly i think had a lot of black

3098

01:48:06,149 --> 01:48:04,400

budget experience

3099

01:48:08,149 --> 01:48:06,159

and the argument that he said is look

3100

01:48:11,189 --> 01:48:08,159

there are too many people

3101

01:48:12,390 --> 01:48:11,199

who whose asses are on the line and uh

3102

01:48:14,390 --> 01:48:12,400

and this is really the same thing that

3103

01:48:15,590 --> 01:48:14,400

this other individual had previously

3104

01:48:16,550 --> 01:48:15,600

said to me there are people who are

3105

01:48:19,030 --> 01:48:16,560

afraid

3106

01:48:22,229 --> 01:48:19,040

of legal ramifications

3107

01:48:23,910 --> 01:48:22,239

of being uh prosecuted

3108

01:48:25,510 --> 01:48:23,920

for

3109

01:48:28,550 --> 01:48:25,520

you know what really can be argued

3110

01:48:30,550 --> 01:48:28,560

criminal withholding of um

3111

01:48:32,950 --> 01:48:30,560

of this important matter from the world

3112

01:48:35,510 --> 01:48:32,960

and um and of subverting our legal

3113

01:48:37,189 --> 01:48:35,520

system in the process of doing it

3114

01:48:38,550 --> 01:48:37,199

so i think there's a lot of there's a

3115

01:48:41,030 --> 01:48:38,560

lot of fear

3116

01:48:42,629 --> 01:48:41,040

among those people who have the sugar

3117

01:48:44,629 --> 01:48:42,639

i have been

3118

01:48:46,229 --> 01:48:44,639

given to believe that there are

3119

01:48:48,790 --> 01:48:46,239

definitely factions within that

3120

01:48:51,189 --> 01:48:48,800

community some of whom think that

3121

01:48:53,669 --> 01:48:51,199

that it is time to get this secret up

3122

01:48:55,430 --> 01:48:53,679

one individual um who was plugged into

3123

01:48:57,270 --> 01:48:55,440

this back in the late 90s so this is

3124

01:49:00,629 --> 01:48:57,280

going back a little bit now

3125

01:49:02,790 --> 01:49:00,639

but said that he came across um he had a

3126

01:49:05,270 --> 01:49:02,800

very detailed conversation with a

3127

01:49:06,470 --> 01:49:05,280

a four-star general who was in the whole

3128

01:49:08,470 --> 01:49:06,480

thing

3129

01:49:09,590 --> 01:49:08,480

and the story was that there was a

3130

01:49:11,510 --> 01:49:09,600

rift

3131

01:49:12,870 --> 01:49:11,520

in the international group that was

3132

01:49:14,629 --> 01:49:12,880

managing this

3133

01:49:15,830 --> 01:49:14,639

and the rift was between those who

3134

01:49:17,270 --> 01:49:15,840

wanted to

3135

01:49:19,189 --> 01:49:17,280

give up the secret and those who didn't

3136

01:49:20,950 --> 01:49:19,199

and and it was between the younger and

3137

01:49:22,470 --> 01:49:20,960

the older generation the older

3138

01:49:25,270 --> 01:49:22,480

generation thought it was time to give

3139

01:49:27,750 --> 01:49:25,280

up the secret the younger generation had

3140

01:49:30,470 --> 01:49:27,760

not finished making all their money on

3141

01:49:32,390 --> 01:49:30,480

the secret that was basically it

3142

01:49:34,149 --> 01:49:32,400

and they were the hardliners

3143

01:49:35,669 --> 01:49:34,159

we're going to take a 10 minute break

3144

01:49:37,910 --> 01:49:35,679

how does that sound to everybody we'll

3145

01:49:40,149 --> 01:49:37,920

take a quick 10 minute break

3146

01:49:42,229 --> 01:49:40,159

sounds good all right just absolutely

3147

01:49:44,470 --> 01:49:42,239

amazing richard dolan will be back at

3148

01:49:46,229 --> 01:49:44,480

nine o'clock everybody stretch your legs

3149

01:49:47,510 --> 01:49:46,239

this is kjcr

3150

01:49:49,430 --> 01:49:47,520

fade to black
