1  
00:00:04,249 --> 00:00:01,910  
this is in the middle of the day two

2  
00:00:08,150 --> 00:00:04,259  
o'clock in the afternoon but you could

3  
00:00:11,060 --> 00:00:08,160  
it moved across the sky very very slowly

4  
00:00:14,150 --> 00:00:11,070  
but you could see it as it was rotating

5  
00:00:16,550 --> 00:00:14,160  
slowly was reflecting off of the Sun it

6  
00:00:18,620 --> 00:00:16,560  
would hit this certain fat but then it

7  
00:00:21,560 --> 00:00:18,630  
stopped and it was still spinning and

8  
00:00:24,650 --> 00:00:21,570  
then it went up and disappeared into the

9  
00:00:26,870 --> 00:00:24,660  
blue sky until it was a little black dot

10  
00:00:29,630 --> 00:00:26,880  
and then was gone now could have been a

11  
00:00:32,269 --> 00:00:29,640  
satellite that the NSA was positioning

12  
00:00:34,160 --> 00:00:32,279  
you know some geosynchronous thing they

13  
00:00:37,610 --> 00:00:34,170

were moving it around up there I don't

14

00:00:40,010 --> 00:00:37,620

know probably not but exactly I don't

15

00:00:41,270 --> 00:00:40,020

know well that's my sensible side you

16

00:00:43,160 --> 00:00:41,280

know but I was at you know as a

17

00:00:45,110 --> 00:00:43,170

satellite engineer for a while it takes

18

00:00:46,160 --> 00:00:45,120

a lot of juice to move a satellite

19

00:00:49,160 --> 00:00:46,170

around like that they don't do it

20

00:00:50,510 --> 00:00:49,170

without and you know well to see it now

21

00:00:52,580 --> 00:00:50,520

you wouldn't see a Jew synchronous now

22

00:00:55,490 --> 00:00:52,590

you what was it you know what was funny

23

00:00:58,400 --> 00:00:55,500

is when I didn't see it first these

24

00:01:01,130 --> 00:00:58,410

other honda salesman and the blue shirts

25

00:01:02,959 --> 00:01:01,140

the friendly helpful Honda guys we're

26  
00:01:04,640 --> 00:01:02,969  
all looking at the sky when I walked out

27  
00:01:07,429 --> 00:01:04,650  
right I so what're you guys looking at a

28  
00:01:10,280 --> 00:01:07,439  
UFO you know that's what they said and

29  
00:01:13,460 --> 00:01:10,290  
yeah absolutely but none of us taped it

30  
00:01:15,590 --> 00:01:13,470  
and we all watched it and again we had

31  
00:01:16,880 --> 00:01:15,600  
the opportunity you don't do that you

32  
00:01:20,179 --> 00:01:16,890  
don't think of that so when somebody

33  
00:01:22,370 --> 00:01:20,189  
tells me and I r it irritates me and I'm

34  
00:01:25,460 --> 00:01:22,380  
sure everybody in this room tonight will

35  
00:01:28,190 --> 00:01:25,470  
agree with me when you hear somebody say

36  
00:01:29,719 --> 00:01:28,200  
I didn't take a picture and then the

37  
00:01:32,330 --> 00:01:29,729  
person asking the question acts all

38  
00:01:34,609 --> 00:01:32,340

disappointed oh whoa like it didn't

39

00:01:37,190 --> 00:01:34,619

happen oh you didn't get a picture right

40

00:01:40,730 --> 00:01:37,200

so if you're full of it kind of thing ya

41

00:01:42,230 --> 00:01:40,740

know my own experience is I didn't take

42

00:01:44,090 --> 00:01:42,240

a picture I think you just touched on it

43

00:01:46,100 --> 00:01:44,100

though it's an experience maybe kind of

44

00:01:49,609 --> 00:01:46,110

meant for you you know I mean absolutely

45

00:01:50,929 --> 00:01:49,619

personal experience with a show of hands

46

00:01:53,810 --> 00:01:50,939

really quick how many people in here

47

00:01:55,130 --> 00:01:53,820

have seen something and besides Laurie

48

00:01:56,510 --> 00:01:55,140

in the back you don't count Laurie

49

00:01:58,940 --> 00:01:56,520

because you're the best of taking

50

00:02:03,010 --> 00:01:58,950

picture but how many people here have

51  
00:02:06,679 --> 00:02:03,020  
seen something and didn't take a picture

52  
00:02:09,440 --> 00:02:06,689  
half of the room yeah exactly do you

53  
00:02:11,510 --> 00:02:09,450  
feel guilty do you feel guilty do you

54  
00:02:13,220 --> 00:02:11,520  
feel guilty it just happens right

55  
00:02:15,559 --> 00:02:13,230  
there's nothing you know

56  
00:02:18,920 --> 00:02:15,569  
you don't you're so caught up in the

57  
00:02:21,890 --> 00:02:18,930  
moment they're trying to digest it you

58  
00:02:23,899 --> 00:02:21,900  
know and that that that question we've

59  
00:02:26,089 --> 00:02:23,909  
been asking since we were kids are we

60  
00:02:28,789 --> 00:02:26,099  
alone you know going back to biblical

61  
00:02:30,380 --> 00:02:28,799  
times are we alone that's what you're

62  
00:02:32,210 --> 00:02:30,390  
asking yourself that at that moment

63  
00:02:34,130 --> 00:02:32,220

you're not worried about taking a
