

FADE TO BLACK
with JIMMY CHURCH

TONIGHT'S GUEST **Andrew Basiago**
2016 Campaign Strategy

Original Air Date: **July 15, 2015**

copyright 2015 fade to black www.jimmychurchradio.com

1
00:00:15,450 --> 00:00:14,129
all right the Wednesday this and welcome

2
00:00:18,420 --> 00:00:15,460
back this is fade to black um you know

3
00:00:21,720 --> 00:00:18,430
signatures tonight Andrew basiago is

4
00:00:26,479 --> 00:00:21,730
with us tomorrow night is fader night

5
00:00:30,839 --> 00:00:26,489
Rock & rule trivia bring your a-game

6
00:00:35,010 --> 00:00:30,849
Andrew Hitz it's here the campaign is

7
00:00:38,520 --> 00:00:35,020
kicked off and so let's how's it going

8
00:00:43,549 --> 00:00:38,530
for you let's start there well you know

9
00:00:46,319 --> 00:00:43,559
Mike my campaign is undeclared I have

10
00:00:46,919 --> 00:00:46,329
not officially filed with the FEC yet I

11
00:00:54,479 --> 00:00:46,929
will be

12
00:00:57,079 --> 00:00:54,489
thrust of my activities thus far as my

13
00:00:59,579 --> 00:00:57,089

over 3,000 supporters on Facebook know

14

00:01:01,470 --> 00:00:59,589

has been providing the American

15

00:01:05,180 --> 00:01:01,480

electorate what it deserves which is

16

00:01:08,630 --> 00:01:05,190

substance I've been focusing on content

17

00:01:11,220 --> 00:01:08,640

I've isolated about a hundred positions

18

00:01:12,899 --> 00:01:11,230

that make me far more than the time

19

00:01:15,539 --> 00:01:12,909

travel candidate I mean in my view of it

20

00:01:17,219 --> 00:01:15,549

is that my background time traveling as

21

00:01:20,130 --> 00:01:17,229

a child and going to Mars for the

22

00:01:22,109 --> 00:01:20,140

country as a college student is just

23

00:01:24,450 --> 00:01:22,119

part of the color of my past and the

24

00:01:26,490 --> 00:01:24,460

same way that let's say winning the

25

00:01:30,170 --> 00:01:26,500

revolution was for George Washington or

26

00:01:32,730 --> 00:01:30,180

that charge up San Juan Hill was for 4tr

27

00:01:35,100 --> 00:01:32,740

I'm not running as the time travel

28

00:01:37,350 --> 00:01:35,110

candidate I'm not even running as the

29

00:01:42,109 --> 00:01:37,360

teleportation candidate although I have

30

00:01:44,760 --> 00:01:42,119

pledged to essentially implement the

31

00:01:48,620 --> 00:01:44,770

infrastructure of the future that began

32

00:01:50,340 --> 00:01:48,630

in Tesla's imagination by making

33

00:01:51,899 --> 00:01:50,350

implementation of the tesla

34

00:01:54,929 --> 00:01:51,909

teleportation technology that we

35

00:01:58,380 --> 00:01:54,939

developed 45 years ago a major part of

36

00:02:00,359 --> 00:01:58,390

my campaign because let's face it one of

37

00:02:05,490 --> 00:02:00,369

the greatest contributions that American

38

00:02:07,440 --> 00:02:05,500

presidents have made to our society have

39

00:02:08,940 --> 00:02:07,450

been technical revolutions and I would

40

00:02:12,000 --> 00:02:08,950

cite Lincoln's founding of the

41

00:02:14,340 --> 00:02:12,010

land-grant college system which greatly

42

00:02:18,020 --> 00:02:14,350

developed our agricultural output and

43

00:02:20,160 --> 00:02:18,030

productivity President Eisenhower's

44

00:02:24,040 --> 00:02:20,170

federal highway system which was

45

00:02:26,260 --> 00:02:24,050

originally done for defense purposes

46

00:02:28,390 --> 00:02:26,270

and also President Kennedy's space

47

00:02:30,970 --> 00:02:28,400

initiative had some of the most

48

00:02:32,740 --> 00:02:30,980

long-lasting impacts on the country so I

49

00:02:35,350 --> 00:02:32,750

do want to be the American president

50

00:02:37,690 --> 00:02:35,360

that implements Tesla teleportation

51
00:02:41,050 --> 00:02:37,700
which I already know defines the future

52
00:02:44,980 --> 00:02:41,060
but I haven't declared I've waited for

53
00:02:47,710 --> 00:02:44,990
others as they have entered the race so

54
00:02:49,270 --> 00:02:47,720
basically two years a year in advance of

55
00:02:51,640 --> 00:02:49,280
when they should be of when it's even

56
00:02:54,370 --> 00:02:51,650
polite to enter the race I'll give you a

57
00:02:58,300 --> 00:02:54,380
couple examples Ronald Reagan declared

58
00:03:02,740 --> 00:02:58,310
in November of 1979 and William Clinton

59
00:03:06,760 --> 00:03:02,750
declared in October of 1991 it's been a

60
00:03:09,100 --> 00:03:06,770
tradition not to electioneer for more

61
00:03:12,130 --> 00:03:09,110
than a year before the election so I'm

62
00:03:15,610 --> 00:03:12,140
going to declare in the fall within a

63
00:03:19,150 --> 00:03:15,620

year of the election but meanwhile I've

64

00:03:21,580 --> 00:03:19,160

been addressing the direction I think

65

00:03:24,070 --> 00:03:21,590

the country should take and I've been

66

00:03:26,680 --> 00:03:24,080

widely supported in that public policy

67

00:03:28,449 --> 00:03:26,690

discussion the task is going to be

68

00:03:33,420 --> 00:03:28,459

communicating those positions to the

69

00:03:36,790 --> 00:03:33,430

mass public when I enter in the fall so

70

00:03:37,930 --> 00:03:36,800

my team is are to begin scripting a set

71

00:03:39,520 --> 00:03:37,940

of youtubes in which I'm going to

72

00:03:41,500 --> 00:03:39,530

discuss my policy initiatives as

73

00:03:43,390 --> 00:03:41,510

president I'm going to discuss in my

74

00:03:45,729 --> 00:03:43,400

past experiences and how they've readied

75

00:03:47,199 --> 00:03:45,739

me for the presidency but quite honestly

76

00:03:49,360 --> 00:03:47,209

I've been very offended by those who

77

00:03:51,220 --> 00:03:49,370

have already entered the race not the

78

00:03:54,280 --> 00:03:51,230

least of whom is Ted Cruz who has even

79

00:03:56,020 --> 00:03:54,290

stolen my motto a time for truth you

80

00:03:58,030 --> 00:03:56,030

know I selected that slogan that motto

81

00:04:01,060 --> 00:03:58,040

for my campaign because it's a double

82

00:04:02,979 --> 00:04:01,070

entendre I'm asserting that the time for

83

00:04:05,890 --> 00:04:02,989

truth for new transparency and openness

84

00:04:07,960 --> 00:04:05,900

and government but it also refers to my

85

00:04:09,790 --> 00:04:07,970

background time traveling for the

86

00:04:11,199 --> 00:04:09,800

country and then as a leading figure in

87

00:04:13,900 --> 00:04:11,209

the truth movement it has personal

88

00:04:15,729 --> 00:04:13,910

meaning so what have we seen we've seen

89

00:04:18,070 --> 00:04:15,739

when the most highly touted Republican

90

00:04:22,090 --> 00:04:18,080

candidates stealing my motto

91

00:04:23,830 --> 00:04:22,100

you know how Republican of him so I've

92

00:04:25,090 --> 00:04:23,840

seen that happen now I've seen this boom

93

00:04:27,310 --> 00:04:25,100

went over Donald Trump I can tell you

94

00:04:29,980 --> 00:04:27,320

this Donald I can't and I can tell you

95

00:04:32,550 --> 00:04:29,990

why and that is Donald Trump is never

96

00:04:36,730 --> 00:04:32,560

going to be present to the United States

97

00:04:37,480 --> 00:04:36,740

when when it was first disclosed to you

98

00:04:41,740 --> 00:04:37,490

about

99

00:04:43,659 --> 00:04:41,750

knocking yourself back right okay it was

100

00:04:44,170 --> 00:04:43,669

there any mention of Donald Trump back

101
00:04:46,839 --> 00:04:44,180
then

102
00:04:50,140 --> 00:04:46,849
no no his name kick never came up and

103
00:04:52,059 --> 00:04:50,150
quite frankly after Nixon it's been

104
00:04:54,969 --> 00:04:52,069
impossible for the American people to

105
00:04:57,610 --> 00:04:54,979
select an active negative personality

106
00:04:59,290 --> 00:04:57,620
I'll just cite one factor in the

107
00:05:01,510 --> 00:04:59,300
greatest depression since the Great

108
00:05:04,420 --> 00:05:01,520
Depression has framed by the great

109
00:05:06,850 --> 00:05:04,430
futurist gerald Celente we'll be living

110
00:05:08,950 --> 00:05:06,860
through here since 2007 or so the

111
00:05:11,920 --> 00:05:08,960
greatest depression at least since the

112
00:05:13,809 --> 00:05:11,930
Great Depression right Donald Trump had

113
00:05:17,820 --> 00:05:13,819

a nationally syndicated television show

114

00:05:21,580 --> 00:05:17,830

in which he on camera he fired people

115

00:05:24,939 --> 00:05:21,590

which was the most heartless the most

116

00:05:27,760 --> 00:05:24,949

predatory the most pernicious thing to

117

00:05:30,460 --> 00:05:27,770

do to discourage the American people at

118

00:05:32,469 --> 00:05:30,470

the very time that record high numbers

119

00:05:34,809 --> 00:05:32,479

of people were facing unemployment that

120

00:05:37,300 --> 00:05:34,819

alone disqualifies him for ever being

121

00:05:38,770 --> 00:05:37,310

president look at the kind of leadership

122

00:05:43,089 --> 00:05:38,780

we got during the Great Depression

123

00:05:45,850 --> 00:05:43,099

we got Franklin Delano Roosevelt well

124

00:05:48,360 --> 00:05:45,860

one of my followers told me that my

125

00:05:53,290 --> 00:05:48,370

truth campaign about time travel on Mars

126

00:05:55,629 --> 00:05:53,300

was was was pure Americana was over the

127

00:05:57,909 --> 00:05:55,639

country was that was about that it was

128

00:06:00,459 --> 00:05:57,919

what the country was about and he knew

129

00:06:02,770 --> 00:06:00,469

because his late mother had been a

130

00:06:05,320 --> 00:06:02,780

friend of FDR and had convalesced with

131

00:06:10,450 --> 00:06:05,330

FDR in the swimming pool after he

132

00:06:12,279 --> 00:06:10,460

developed polio I cried because Franklin

133

00:06:14,290 --> 00:06:12,289

Delano Roosevelt set the standard of

134

00:06:16,120 --> 00:06:14,300

what it means to be president of the

135

00:06:19,659 --> 00:06:16,130

United States in the same way that

136

00:06:22,240 --> 00:06:19,669

Abraham Lincoln did and I'm offended

137

00:06:23,589 --> 00:06:22,250

that there's a billionaire I don't care

138

00:06:25,270 --> 00:06:23,599

if he has nine million eight billion

139

00:06:26,499 --> 00:06:25,280

dollars if somebody has nine billion

140

00:06:29,350 --> 00:06:26,509

dollars I'm going assumed that they

141

00:06:30,520 --> 00:06:29,360

learned the the art of sharp business

142

00:06:32,230 --> 00:06:30,530

practices that's what I'm going to

143

00:06:35,200 --> 00:06:32,240

assume that they learned the art of

144

00:06:36,700 --> 00:06:35,210

calculated selfishness because that's

145

00:06:38,709 --> 00:06:36,710

what it takes to develop that kind of

146

00:06:43,029 --> 00:06:38,719

fortune but beyond that even if he was a

147

00:06:46,390 --> 00:06:43,039

you know Marvis lee innovative corporate

148

00:06:48,339 --> 00:06:46,400

leader whatever I'm involved in benign

149

00:06:50,140 --> 00:06:48,349

tech-noir benevolent technical

150

00:06:51,040 --> 00:06:50,150

development the bottom line is that this

151
00:06:52,600 --> 00:06:51,050
is a man who went

152
00:06:54,580 --> 00:06:52,610
for the American people when we were in

153
00:06:56,700 --> 00:06:54,590
the greatest depression since the Great

154
00:06:59,649 --> 00:06:56,710
Depression and created a catchphrase

155
00:07:02,260 --> 00:06:59,659
around firing people in a brutal

156
00:07:04,029 --> 00:07:02,270
condescending way I don't believe that's

157
00:07:05,230 --> 00:07:04,039
an America that the America I don't

158
00:07:06,339 --> 00:07:05,240
believe that that's a candidate that the

159
00:07:08,469 --> 00:07:06,349
American people are going to make the

160
00:07:10,240 --> 00:07:08,479
president I have too much faith in the

161
00:07:12,279 --> 00:07:10,250
American people to presume that that

162
00:07:14,770 --> 00:07:12,289
will occur and his name never came up

163
00:07:19,420 --> 00:07:14,780

this has a future president the same

164

00:07:22,719 --> 00:07:19,430

appeal for for yourself for the American

165

00:07:26,020 --> 00:07:22,729

public is that you're you're not a

166

00:07:29,469 --> 00:07:26,030

career politician and what neither is he

167

00:07:32,469 --> 00:07:29,479

and it's like for the first time that I

168

00:07:34,390 --> 00:07:32,479

can remember we have the same

169

00:07:36,670 --> 00:07:34,400

comparisons keep coming up with Reagan

170

00:07:39,070 --> 00:07:36,680

but no Reagan was was governor for a

171

00:07:41,350 --> 00:07:39,080

long time of you know you know one of

172

00:07:43,119 --> 00:07:41,360

the most powerful states in the Union so

173

00:07:45,730 --> 00:07:43,129

he said he had his experience as a

174

00:07:48,070 --> 00:07:45,740

politician whether he was an actor or

175

00:07:50,529 --> 00:07:48,080

not has nothing really to come into play

176

00:07:53,860 --> 00:07:50,539

there I think it's a wrong comparison

177

00:07:55,990 --> 00:07:53,870

but you know Trump comes along love him

178

00:07:58,659 --> 00:07:56,000

or hate the guy he's not a career

179

00:08:02,379 --> 00:07:58,669

politician and that correct for the

180

00:08:04,749 --> 00:08:02,389

first time so we have actual joy of

181

00:08:07,719 --> 00:08:04,759

somebody that that is not a politician

182

00:08:09,809 --> 00:08:07,729

and and and wants just you know his

183

00:08:13,059 --> 00:08:09,819

platform is to make America great again

184

00:08:17,620 --> 00:08:13,069

and I can see that appeal for everybody

185

00:08:20,589 --> 00:08:17,630

but you your platform is is is you know

186

00:08:23,019 --> 00:08:20,599

not to mince words here is very similar

187

00:08:25,629 --> 00:08:23,029

to the Donald's in that you want to make

188

00:08:28,990 --> 00:08:25,639

America great again and and you're not a

189

00:08:29,860 --> 00:08:29,000

real politician well there are some

190

00:08:32,829 --> 00:08:29,870

things in common

191

00:08:34,779 --> 00:08:32,839

we're both iconoclasts you know he's

192

00:08:36,939 --> 00:08:34,789

very rich I'm a poor country lawyer from

193

00:08:40,209 --> 00:08:36,949

Washington State sure

194

00:08:42,130 --> 00:08:40,219

we're both outspoken we both believe in

195

00:08:44,590 --> 00:08:42,140

the country and in the country not being

196

00:08:46,300 --> 00:08:44,600

pushed around I think it's safe to say

197

00:08:48,699 --> 00:08:46,310

that even though his immigration

198

00:08:51,189 --> 00:08:48,709

comments had a negative inflection

199

00:08:53,230 --> 00:08:51,199

directed towards Mexican Americans that

200

00:08:55,120 --> 00:08:53,240

we both recognize that just as we did

201
00:08:58,210 --> 00:08:55,130
after the period of immigration from

202
00:09:00,819 --> 00:08:58,220
1880 to 1924 we need to have a

203
00:09:02,470 --> 00:09:00,829
moratorium on legal and illegal

204
00:09:04,870 --> 00:09:02,480
immigration at least for a period of

205
00:09:06,850 --> 00:09:04,880
years to allow the

206
00:09:08,830 --> 00:09:06,860
million foreign nationals who have

207
00:09:11,380 --> 00:09:08,840
become American citizens legally and

208
00:09:12,970 --> 00:09:11,390
illegally over the past 25 years to be

209
00:09:14,590 --> 00:09:12,980
assimilated so we probably have

210
00:09:17,080 --> 00:09:14,600
ultimately a pretty similar view of

211
00:09:18,340 --> 00:09:17,090
immigration although I see a lot more

212
00:09:20,260 --> 00:09:18,350
virtue in the mexican-american

213
00:09:22,870 --> 00:09:20,270

population he does I think his comments

214

00:09:24,490 --> 00:09:22,880

were very bigoted I believe in the

215

00:09:27,370 --> 00:09:24,500

mexican-american community because I've

216

00:09:29,170 --> 00:09:27,380

worked with it and I know those people I

217

00:09:32,020 --> 00:09:29,180

used to go into Mexico with my dad as a

218

00:09:34,030 --> 00:09:32,030

youngster and I believe in the decency

219

00:09:37,510 --> 00:09:34,040

and the hard work and the family values

220

00:09:39,910 --> 00:09:37,520

of the Mexican people there who and and

221

00:09:41,800 --> 00:09:39,920

those who have come here so I think I

222

00:09:44,290 --> 00:09:41,810

think his real point I'll cut him some

223

00:09:46,450 --> 00:09:44,300

slack here because real point was we

224

00:09:48,370 --> 00:09:46,460

need a moratorium on immigration to deal

225

00:09:50,680 --> 00:09:48,380

with its effects with its externalities

226

00:09:52,240 --> 00:09:50,690

and I agree I think it's also true that

227

00:09:54,430 --> 00:09:52,250

we'll probably probably believe that the

228

00:09:56,110 --> 00:09:54,440

country as a can-do country but the

229

00:09:58,480 --> 00:09:56,120

difference is I'm pointing in a given

230

00:10:01,150 --> 00:09:58,490

direction I'm saying we should recapture

231

00:10:02,890 --> 00:10:01,160

the teleportation technology that was

232

00:10:05,110 --> 00:10:02,900

one of the great technical feats of our

233

00:10:06,940 --> 00:10:05,120

fathers generation he's just saying he

234

00:10:09,610 --> 00:10:06,950

believes in the country so in other

235

00:10:12,520 --> 00:10:09,620

words I'm offering a plan he's offering

236

00:10:15,100 --> 00:10:12,530

platitudes but it is interesting and

237

00:10:18,670 --> 00:10:15,110

that is that in addition I think to

238

00:10:22,660 --> 00:10:18,680

Kathy Fiorina the former or present

239

00:10:24,430 --> 00:10:22,670

chairwoman of hewlett-packard of the 50

240

00:10:26,410 --> 00:10:24,440

or so Americans who are named on the

241

00:10:29,020 --> 00:10:26,420

tote board at Paddy Power's you know

242

00:10:31,060 --> 00:10:29,030

which is at paddy power calm in Dublin

243

00:10:32,170 --> 00:10:31,070

Ireland you know the bedding I think

244

00:10:34,120 --> 00:10:32,180

that Donald and I are the only

245

00:10:37,630 --> 00:10:34,130

individuals who have never held public

246

00:10:39,790 --> 00:10:37,640

office and we are now both at 52 1 oz

247

00:10:42,040 --> 00:10:39,800

when fact were next to each other in the

248

00:10:44,710 --> 00:10:42,050

list he was previously at a hundred to

249

00:10:46,180 --> 00:10:44,720

one odds back in March but I just

250

00:10:49,030 --> 00:10:46,190

checked the tote board again here in

251
00:10:50,560 --> 00:10:49,040
July and we'll both had 52 woman and I'm

252
00:10:52,630 --> 00:10:50,570
very you know I'm very proud of the fact

253
00:10:54,040 --> 00:10:52,640
as he would be that despite the fact

254
00:10:55,870 --> 00:10:54,050
that I haven't even declared yet I've

255
00:10:57,760 --> 00:10:55,880
made the tote board Paddy Power's so

256
00:11:00,550 --> 00:10:57,770
there's you know some of the some of the

257
00:11:03,040 --> 00:11:00,560
smart smart money is betting on me and

258
00:11:05,020 --> 00:11:03,050
that must be that must be demonstrative

259
00:11:07,530 --> 00:11:05,030
of a larger breakout that can occur in

260
00:11:09,880 --> 00:11:07,540
the fall when I officially declare I

261
00:11:13,630 --> 00:11:09,890
I've said it many times

262
00:11:16,660 --> 00:11:13,640
Andy I could if I ran for president I

263
00:11:18,480 --> 00:11:16,670

could probably win if I just went on a

264

00:11:23,460 --> 00:11:18,490

couple of basic platforms

265

00:11:26,100 --> 00:11:23,470

them and it's it's just so obvious to me

266

00:11:27,870 --> 00:11:26,110

why all these career politicians if they

267

00:11:30,750 --> 00:11:27,880

really want to get elected they would

268

00:11:34,490 --> 00:11:30,760

only have to focus on one thing and that

269

00:11:38,420 --> 00:11:34,500

is what you mentioned earlier to me the

270

00:11:43,740 --> 00:11:38,430

infrastructure schools employment oh

271

00:11:46,190 --> 00:11:43,750

those three things can all be fixed by

272

00:11:51,690 --> 00:11:46,200

supporting each other in other words

273

00:11:53,940 --> 00:11:51,700

just a fraction of fraction of our in

274

00:11:57,269 --> 00:11:53,950

the healthcare system a fraction of our

275

00:12:00,329 --> 00:11:57,279

defense budget pull out you know a chunk

276

00:12:03,180 --> 00:12:00,339

of that money increase taxes on the 1%

277

00:12:05,639 --> 00:12:03,190

and the next thing you know you've got a

278

00:12:09,389 --> 00:12:05,649

trillion dollars sitting in front of you

279

00:12:10,949 --> 00:12:09,399

of excess cash that would employ

280

00:12:14,490 --> 00:12:10,959

everybody in this country that is

281

00:12:17,040 --> 00:12:14,500

unemployed build a new school next to

282

00:12:19,560 --> 00:12:17,050

every other school in the United States

283

00:12:22,139 --> 00:12:19,570

College on down to Elementary and

284

00:12:25,260 --> 00:12:22,149

preschool everything could be doubled in

285

00:12:27,720 --> 00:12:25,270

size double teacher salaries employ

286

00:12:31,980 --> 00:12:27,730

everybody and pay for the health care

287

00:12:34,290 --> 00:12:31,990

and it just all in one pot done done

288

00:12:37,290 --> 00:12:34,300

right right you just basically described

289

00:12:39,990 --> 00:12:37,300

a large part of my domestic platform but

290

00:12:41,610 --> 00:12:40,000

let me say that look President

291

00:12:43,769 --> 00:12:41,620

Eisenhower was right when he warned us

292

00:12:44,940 --> 00:12:43,779

about the military industrial complex we

293

00:12:46,740 --> 00:12:44,950

really should go back and read that

294

00:12:50,190 --> 00:12:46,750

farewell address for everything he said

295

00:12:53,639 --> 00:12:50,200

not just that that phrase we are now

296

00:12:57,150 --> 00:12:53,649

spending 59 percent of the federal

297

00:12:59,130 --> 00:12:57,160

budget on defense our defense budget is

298

00:13:01,050 --> 00:12:59,140

larger than all of the other countries

299

00:13:03,269 --> 00:13:01,060

in the world combined yes how could we

300

00:13:05,220 --> 00:13:03,279

not have already beaten them is it not

301
00:13:07,590 --> 00:13:05,230
the case that we would ask the experts

302
00:13:09,840 --> 00:13:07,600
we now have the technology to knock down

303
00:13:12,810 --> 00:13:09,850
anything that's thrown at us through the

304
00:13:14,490 --> 00:13:12,820
air and yet we're not even wearing

305
00:13:16,949 --> 00:13:14,500
sometimes were let's say it a nuclear

306
00:13:18,600 --> 00:13:16,959
weapon could be could be driven into the

307
00:13:20,250 --> 00:13:18,610
country okay I don't want to discuss

308
00:13:21,960 --> 00:13:20,260
that on the air but I have some

309
00:13:23,610 --> 00:13:21,970
information about an actual threat to

310
00:13:25,530 --> 00:13:23,620
the country that I want to I want to

311
00:13:26,670 --> 00:13:25,540
check as president I don't want describe

312
00:13:29,430 --> 00:13:26,680
if it is because it's a lethal threat

313
00:13:32,730 --> 00:13:29,440

but what I'm saying is it should be

314

00:13:34,560 --> 00:13:32,740

clear to anybody that we are spending

315

00:13:37,020 --> 00:13:34,570

the lion's share of our wealth on

316

00:13:38,790 --> 00:13:37,030

defense and the difference between a

317

00:13:40,290 --> 00:13:38,800

tank and a schoolteacher is the tank

318

00:13:42,630 --> 00:13:40,300

just sits there unless you have a war

319

00:13:45,000 --> 00:13:42,640

and then you fire it to kill some people

320

00:13:47,550 --> 00:13:45,010

or break buildings but a teacher in

321

00:13:49,800 --> 00:13:47,560

trains and inspires tens of thousands of

322

00:13:52,410 --> 00:13:49,810

students during his or her career to

323

00:13:55,530 --> 00:13:52,420

build the country into something beyond

324

00:13:59,130 --> 00:13:55,540

a maker of tanks in a world in which

325

00:14:01,170 --> 00:13:59,140

military investment isn't a very good

326

00:14:03,090 --> 00:14:01,180

investment vehicle in a world in which

327

00:14:05,640 --> 00:14:03,100

more money is being made by making

328

00:14:08,040 --> 00:14:05,650

movies and making bombs okay

329

00:14:10,220 --> 00:14:08,050

so I think it should be apparent it

330

00:14:12,720 --> 00:14:10,230

should be a matter of bipartisan support

331

00:14:15,300 --> 00:14:12,730

that you're not going to restore the

332

00:14:16,830 --> 00:14:15,310

American economy until we address the

333

00:14:18,720 --> 00:14:16,840

fact that we're doing too much defense

334

00:14:21,570 --> 00:14:18,730

spending now the figure I've given just

335

00:14:23,280 --> 00:14:21,580

arbitrarily is cut it in half maybe it

336

00:14:25,980 --> 00:14:23,290

should be just in the third or kind of

337

00:14:27,390 --> 00:14:25,990

25% out and engage in the kind of

338

00:14:29,370 --> 00:14:27,400

spending you're talking about I

339

00:14:30,660 --> 00:14:29,380

absolutely agree but let me tell you

340

00:14:34,200 --> 00:14:30,670

what I think actually is the bellwether

341

00:14:36,000 --> 00:14:34,210

issue I sent in a campaign manager Duke

342

00:14:38,250 --> 00:14:36,010

Brickhouse and two other people to

343

00:14:41,100 --> 00:14:38,260

contact in the desert this year that

344

00:14:43,680 --> 00:14:41,110

gathering at Palm Springs excuse me not

345

00:14:45,060 --> 00:14:43,690

in Joshua Tree in California which I

346

00:14:47,250 --> 00:14:45,070

think it's clear to say as a leading

347

00:14:49,680 --> 00:14:47,260

venue of the cultural creative niche

348

00:14:51,450 --> 00:14:49,690

within the society one of the reasons

349

00:14:54,900 --> 00:14:51,460

I'm playing the long game on presidency

350

00:14:58,020 --> 00:14:54,910

and I will either win in 2016 or 2020 or

351
00:14:59,370 --> 00:14:58,030
2024 is my appeal as to the cultural

352
00:15:00,990 --> 00:14:59,380
creatives and the cultural creative

353
00:15:02,940 --> 00:15:01,000
niche will become the dominant niche in

354
00:15:05,760 --> 00:15:02,950
the country we already know the reasons

355
00:15:07,320 --> 00:15:05,770
why that's going to occur the number one

356
00:15:09,660 --> 00:15:07,330
issue on the cultural creatives as

357
00:15:12,300 --> 00:15:09,670
represented by the 2,000 attendees at

358
00:15:14,370 --> 00:15:12,310
this year's contact in the desert was

359
00:15:17,640 --> 00:15:14,380
the fact that the US government is

360
00:15:20,880 --> 00:15:17,650
hiding benevolent technologies and this

361
00:15:21,480 --> 00:15:20,890
is causing the regression of American

362
00:15:23,550 --> 00:15:21,490
society

363
00:15:26,850 --> 00:15:23,560

so the basic purpose of my truth

364

00:15:30,810 --> 00:15:26,860

campaign regarding teleportation has

365

00:15:33,630 --> 00:15:30,820

been sort of on the cutting edge of the

366

00:15:36,440 --> 00:15:33,640

cultural creatives concerns so I think

367

00:15:39,060 --> 00:15:36,450

more than just rampant defense spending

368

00:15:41,280 --> 00:15:39,070

there is an issue here that is not

369

00:15:42,600 --> 00:15:41,290

really being reported by Fox News and

370

00:15:45,300 --> 00:15:42,610

the other kind of either right-leaning

371

00:15:46,390 --> 00:15:45,310

or conventional major news types of

372

00:15:49,090 --> 00:15:46,400

shows

373

00:15:51,940 --> 00:15:49,100

networks and that is that a large group

374

00:15:53,560 --> 00:15:51,950

of Americans know as I've been

375

00:15:55,990 --> 00:15:53,570

describing publicly for the last ten

376

00:15:57,940 --> 00:15:56,000

years that our government is sitting on

377

00:16:01,560 --> 00:15:57,950

technology that the United States could

378

00:16:04,300 --> 00:16:01,570

use to produce prosperity at home

379

00:16:08,380 --> 00:16:04,310

American technical leadership abroad and

380

00:16:10,930 --> 00:16:08,390

end this recession and is not doing so

381

00:16:14,110 --> 00:16:10,940

we even have a president who got

382

00:16:15,850 --> 00:16:14,120

reelected clearly as a harbinger of the

383

00:16:19,150 --> 00:16:15,860

breakaway civilization because Obama is

384

00:16:20,650 --> 00:16:19,160

still lying about not being part about

385

00:16:22,600 --> 00:16:20,660

the fact that he was part of the Morris

386

00:16:24,100 --> 00:16:22,610

gentleman program in other words we have

387

00:16:26,950 --> 00:16:24,110

a president who was involved in the

388

00:16:29,260 --> 00:16:26,960

secret space program who pledged unpress

389

00:16:32,769 --> 00:16:29,270

unprecedented transparency as president

390

00:16:34,990 --> 00:16:32,779

but who then didn't come through and end

391

00:16:37,810 --> 00:16:35,000

the Mars cupboard as I've tried to do as

392

00:16:39,790 --> 00:16:37,820

a civilian and if indeed is one of the

393

00:16:42,910 --> 00:16:39,800

reasons why I'm seeking the presidency

394

00:16:45,250 --> 00:16:42,920

is we have to end the truth embargo and

395

00:16:47,170 --> 00:16:45,260

we have to begin telling the truth to

396

00:16:48,579 --> 00:16:47,180

the American people so I'm running not

397

00:16:50,620 --> 00:16:48,589

under the banner of time travel not

398

00:16:53,160 --> 00:16:50,630

under the banner of teleportation I'm

399

00:16:55,870 --> 00:16:53,170

running under the banner of truth and

400

00:16:58,240 --> 00:16:55,880

among those things include for example

401
00:17:00,730 --> 00:16:58,250
the sequestration of this advanced

402
00:17:03,430 --> 00:17:00,740
transportation technology dis advanced

403
00:17:05,230 --> 00:17:03,440
remote viewing technology the space

404
00:17:07,630 --> 00:17:05,240
technology you know been rich of locky

405
00:17:10,449 --> 00:17:07,640
before he died several years ago several

406
00:17:13,059 --> 00:17:10,459
years before his death he said if you're

407
00:17:14,590 --> 00:17:13,069
wondering about what we can do anything

408
00:17:17,049 --> 00:17:14,600
you can imagine we've already achieved

409
00:17:20,919 --> 00:17:17,059
and this is a direct quote we now have

410
00:17:22,540 --> 00:17:20,929
the technology to take e.t home that's

411
00:17:26,169 --> 00:17:22,550
from the former CEO of Lockheed

412
00:17:29,650 --> 00:17:26,179
skunkworks right okay so the public

413
00:17:32,020 --> 00:17:29,660

knows this now the public knows that we

414

00:17:34,480 --> 00:17:32,030

achieve excellence as individuals and

415

00:17:37,090 --> 00:17:34,490

generally as a society we have many

416

00:17:39,220 --> 00:17:37,100

brilliant and talented musicians and

417

00:17:41,010 --> 00:17:39,230

filmmakers and writers and artists and

418

00:17:42,850 --> 00:17:41,020

school teachers and professors and

419

00:17:46,120 --> 00:17:42,860

businesspeople we're a very dynamic

420

00:17:48,040 --> 00:17:46,130

society what the public knows is that

421

00:17:50,830 --> 00:17:48,050

the u.s. government is falling down and

422

00:17:53,680 --> 00:17:50,840

as a mediocre enterprise and that one of

423

00:17:56,590 --> 00:17:53,690

its greatest mistakes has been the

424

00:17:58,660 --> 00:17:56,600

sequestration of the future itself by

425

00:18:00,220 --> 00:17:58,670

concealing these hidden technologies and

426

00:18:03,370 --> 00:18:00,230

they know that my part

427

00:18:05,860 --> 00:18:03,380

work has embodied the fight against that

428

00:18:07,870 --> 00:18:05,870

secrecy I've often said that the analogy

429

00:18:10,539 --> 00:18:07,880

between the truth movement and the

430

00:18:12,430 --> 00:18:10,549

abolition movement is that the abolition

431

00:18:15,340 --> 00:18:12,440

movement sought to and the physical

432

00:18:17,530 --> 00:18:15,350

oppression of slavery whereas as a

433

00:18:19,659 --> 00:18:17,540

modern abolition movement personnel in a

434

00:18:22,360 --> 00:18:19,669

way the truth movement has tried to end

435

00:18:25,539 --> 00:18:22,370

the medical metaphysical oppression of

436

00:18:26,919 --> 00:18:25,549

secrecy and I hope in the future I might

437

00:18:29,890 --> 00:18:26,929

be regarded some day as maybe the

438

00:18:32,770 --> 00:18:29,900

frederick douglass of that effort in the

439

00:18:35,110 --> 00:18:32,780

sense that i stood up and i ad jeté tit

440

00:18:37,180 --> 00:18:35,120

and i advocated and I advocated as

441

00:18:41,789 --> 00:18:37,190

Frederick Douglass and once advised a

442

00:18:45,700 --> 00:18:41,799

young man to do to end dishonor and

443

00:18:47,530 --> 00:18:45,710

oppression and injustice and this is

444

00:18:49,120 --> 00:18:47,540

what I think characterizes the modern US

445

00:18:50,830 --> 00:18:49,130

government everybody knows that we're

446

00:18:53,080 --> 00:18:50,840

still living under the secrecy regime

447

00:18:54,159 --> 00:18:53,090

that was created during the Cold War we

448

00:18:55,630 --> 00:18:54,169

won the Cold War

449

00:18:57,250 --> 00:18:55,640

everybody knows that we should be

450

00:18:59,440 --> 00:18:57,260

friends and allies with the Russians

451
00:19:03,100 --> 00:18:59,450
rather than waging a proxy war against

452
00:19:06,400 --> 00:19:03,110
them through the Ukraine I vowed to have

453
00:19:09,520 --> 00:19:06,410
you know and Andrew Vladimir friendship

454
00:19:11,799 --> 00:19:09,530
with mr. Putin should I become president

455
00:19:13,720 --> 00:19:11,809
but the bottom line is the country knows

456
00:19:16,240 --> 00:19:13,730
that the government is not acting as

457
00:19:19,659 --> 00:19:16,250
great as the net potential of themselves

458
00:19:21,490 --> 00:19:19,669
of the American people themselves and a

459
00:19:24,130 --> 00:19:21,500
major aspect of that is the way in which

460
00:19:25,690 --> 00:19:24,140
secrecy is being abused to hide

461
00:19:28,870 --> 00:19:25,700
technologies which should have been

462
00:19:31,169 --> 00:19:28,880
released decades ago for example to end

463
00:19:33,090 --> 00:19:31,179

cancer as a dread disease

464

00:19:35,620 --> 00:19:33,100

the government has virtually

465

00:19:39,340 --> 00:19:35,630

acknowledged that it's keeping cancer

466

00:19:43,510 --> 00:19:39,350

cures back to on the request of the

467

00:19:46,210 --> 00:19:43,520

American Medical Association now here in

468

00:19:48,370 --> 00:19:46,220

that climate where the country wants to

469

00:19:48,880 --> 00:19:48,380

have a present that will speak up to the

470

00:19:52,299 --> 00:19:48,890

banksters

471

00:19:55,600 --> 00:19:52,309

and to the career bureaucrats keeping

472

00:19:57,460 --> 00:19:55,610

the secrets we have one of the leading

473

00:20:01,720 --> 00:19:57,470

billionaires one of the leading tycoons

474

00:20:03,520 --> 00:20:01,730

the JP Morgan of our time in the form of

475

00:20:06,190 --> 00:20:03,530

Donald Trump running and believing he

476
00:20:08,530 --> 00:20:06,200
can win that's just part of the delusion

477
00:20:09,940 --> 00:20:08,540
that some of these fat-cat candidates

478
00:20:11,950 --> 00:20:09,950
have they're not going to win

479
00:20:13,299 --> 00:20:11,960
I view Trump quite remember that old

480
00:20:13,990 --> 00:20:13,309
thing that Bucky fully used to talk

481
00:20:18,460 --> 00:20:14,000
about how

482
00:20:21,690 --> 00:20:18,470
the the Titanic began if it became big

483
00:20:24,460 --> 00:20:21,700
right before ships and became very small

484
00:20:26,410 --> 00:20:24,470
he called it the mammoth peak magnitude

485
00:20:29,020 --> 00:20:26,420
I think of technical development that's

486
00:20:31,240 --> 00:20:29,030
what I that's what I think that's what I

487
00:20:33,190 --> 00:20:31,250
think Trump is in the world of politics

488
00:20:35,950 --> 00:20:33,200

and culture he's like the biggest a hole

489

00:20:37,540 --> 00:20:35,960

in the country until his bubble is

490

00:20:39,190 --> 00:20:37,550

popped and everybody recognizes that

491

00:20:42,010 --> 00:20:39,200

this is a billionaire this is the JP

492

00:20:43,630 --> 00:20:42,020

Morgan of our time and we're not going

493

00:20:45,940 --> 00:20:43,640

to make him our leader he would be

494

00:20:48,400 --> 00:20:45,950

terrible in terms of the way he would be

495

00:20:51,820 --> 00:20:48,410

received for example as the principle

496

00:20:54,030 --> 00:20:51,830

ambassador for the country overseas we

497

00:20:56,410 --> 00:20:54,040

don't need one of our leading plutocrats

498

00:20:58,090 --> 00:20:56,420

addressing everything but let's say the

499

00:21:00,250 --> 00:20:58,100

inequality between the rich and the poor

500

00:21:02,230 --> 00:21:00,260

in the country I mean I knew the late

501
00:21:04,930 --> 00:21:02,240
Rick Hayden of loss of Portland Oregon

502
00:21:08,410 --> 00:21:04,940
who was at least on paper worth almost a

503
00:21:10,300 --> 00:21:08,420
billion dollars and in 2008 Rick sat me

504
00:21:12,370 --> 00:21:10,310
down and has helped at his dining room

505
00:21:14,650 --> 00:21:12,380
table in Lake Oswego Oregon and said

506
00:21:17,500 --> 00:21:14,660
Andy I want you to find me a billion

507
00:21:19,330 --> 00:21:17,510
dollars and I said why and he goes I

508
00:21:22,210 --> 00:21:19,340
want to take a billion dollars and buy

509
00:21:25,030 --> 00:21:22,220
foreclosed properties and let private

510
00:21:26,640 --> 00:21:25,040
mortgages whitehat mortgages to people's

511
00:21:29,740 --> 00:21:26,650
whose credit scores had been utterly

512
00:21:31,960 --> 00:21:29,750
designer Li devastated in this recession

513
00:21:35,680 --> 00:21:31,970

who will never own their own home or

514

00:21:37,030 --> 00:21:35,690

townhouse or condominium again and I

515

00:21:39,280 --> 00:21:37,040

said well Rick why is it even necessary

516

00:21:41,590 --> 00:21:39,290

he says as somebody who was approaching

517

00:21:44,470 --> 00:21:41,600

a billion dollars in wealth he said

518

00:21:45,940 --> 00:21:44,480

because I can tell you as you know brick

519

00:21:48,850 --> 00:21:45,950

was educated what at Yale and Columbia

520

00:21:51,130 --> 00:21:48,860

Law School he said money is in too few

521

00:21:52,870 --> 00:21:51,140

hands in this country now how is

522

00:21:54,460 --> 00:21:52,880

electing one of the leading billionaires

523

00:21:57,130 --> 00:21:54,470

in the country ever going to correct

524

00:21:59,860 --> 00:21:57,140

that when I had a private discussion

525

00:22:02,440 --> 00:21:59,870

with a cent a millionaire about the fact

526

00:22:04,030 --> 00:22:02,450

that that's really where even some of

527

00:22:05,920 --> 00:22:04,040

the wealthy know that we're at we're

528

00:22:08,740 --> 00:22:05,930

like a great engine that unprimed

529

00:22:12,610 --> 00:22:08,750

because too few people have any cash

530

00:22:14,470 --> 00:22:12,620

that defines a depression that occurs as

531

00:22:17,410 --> 00:22:14,480

a result of natural economic cycles

532

00:22:19,780 --> 00:22:17,420

where waves of technical development top

533

00:22:22,170 --> 00:22:19,790

out and you have the failure of

534

00:22:24,880 --> 00:22:22,180

enterprises then you have unemployment

535

00:22:26,680 --> 00:22:24,890

then you have a lower consumer base and

536

00:22:27,820 --> 00:22:26,690

ultimately affects the credit cycles in

537

00:22:29,200 --> 00:22:27,830

the society

538

00:22:31,659 --> 00:22:29,210

that's where we've been at since Barack

539

00:22:34,029 --> 00:22:31,669

Obama got elected and we have not been

540

00:22:35,769 --> 00:22:34,039

addressing the economic peril that the

541

00:22:39,750 --> 00:22:35,779

American people are in that's what I

542

00:22:42,460 --> 00:22:39,760

plan to do what about disclosure

543

00:22:44,620 --> 00:22:42,470

well disclosure is always happening but

544

00:22:47,830 --> 00:22:44,630

I've stated what I will do which is I

545

00:22:50,019 --> 00:22:47,840

will disclose any information that the

546

00:22:51,909 --> 00:22:50,029

United States has the net States

547

00:22:53,830 --> 00:22:51,919

government is holding that the

548

00:22:56,380 --> 00:22:53,840

disclosure of which will not either

549

00:22:58,149 --> 00:22:56,390

create a clear and present danger I

550

00:23:00,549 --> 00:22:58,159

would never for example disclose how to

551
00:23:05,049 --> 00:23:00,559
build an atomic weapon if you go back to

552
00:23:07,120 --> 00:23:05,059
the old you know US v no decision

553
00:23:09,789 --> 00:23:07,130
regarding Erwin Knowles plan at the

554
00:23:12,669 --> 00:23:09,799
progressive magazine to to publish how

555
00:23:15,389 --> 00:23:12,679
to build an atomic bomb and also that

556
00:23:18,430 --> 00:23:15,399
would that would harm or compromise

557
00:23:20,799 --> 00:23:18,440
personal or group privacy for example

558
00:23:22,930 --> 00:23:20,809
the privacy of an individual a company

559
00:23:24,340 --> 00:23:22,940
or a church or something like that let's

560
00:23:26,110 --> 00:23:24,350
say the information gathered during an

561
00:23:28,629 --> 00:23:26,120
FBI investigation of somebody who was

562
00:23:30,070 --> 00:23:28,639
later cleared and wrongdoing but beyond

563
00:23:32,440 --> 00:23:30,080

that I believe the American people have

564

00:23:34,029 --> 00:23:32,450

the right to know everything they have

565

00:23:37,029 --> 00:23:34,039

the right to know for example whether

566

00:23:39,100 --> 00:23:37,039

the Pentagon has determined that there's

567

00:23:40,860 --> 00:23:39,110

a 50% chance that we'll have a global

568

00:23:42,909 --> 00:23:40,870

coastal flooding event in our lifetime

569

00:23:45,759 --> 00:23:42,919

they have the right to know that we're

570

00:23:47,950 --> 00:23:45,769

being visited by perhaps even as many as

571

00:23:50,649 --> 00:23:47,960

57 different extraterrestrial species

572

00:23:52,840 --> 00:23:50,659

and among the four species that are

573

00:23:55,269 --> 00:23:52,850

visiting us frequently are the tall

574

00:23:58,180 --> 00:23:55,279

greys the short greys the reptilians and

575

00:24:00,190 --> 00:23:58,190

the Nordics as was taught to me in

576

00:24:02,470 --> 00:24:00,200

project Pegasus as a child girl within a

577

00:24:05,889 --> 00:24:02,480

special a special access program in the

578

00:24:09,310 --> 00:24:05,899

early seventies and as was also briefed

579

00:24:11,440 --> 00:24:09,320

to the Honorable Paul T Hellyer who was

580

00:24:13,389 --> 00:24:11,450

then in the early seventies the Defense

581

00:24:15,519 --> 00:24:13,399

Minister of Canada so I would have

582

00:24:17,710 --> 00:24:15,529

absolute transparency on the

583

00:24:20,159 --> 00:24:17,720

extra-terrestrial question I believe the

584

00:24:22,810 --> 00:24:20,169

public has a right to know specifically

585

00:24:24,399 --> 00:24:22,820

what technologies the govern is keeping

586

00:24:26,110 --> 00:24:24,409

secret but do you know that the US

587

00:24:30,669 --> 00:24:26,120

government is keeping secret math

588

00:24:33,220 --> 00:24:30,679

patents yeah what am i yes yes yes yes

589

00:24:37,360 --> 00:24:33,230

oh so here we have a situation where the

590

00:24:39,730 --> 00:24:37,370

patent was developed as as a public

591

00:24:41,470 --> 00:24:39,740

disclosure that would release the

592

00:24:43,659 --> 00:24:41,480

information to the public what the

593

00:24:48,129 --> 00:24:43,669

the patent holders rights were protected

594

00:24:50,740 --> 00:24:48,139

for 17 years now Thomas Jefferson pushed

595

00:24:53,529 --> 00:24:50,750

her that inclusion in what I think it's

596

00:24:55,990 --> 00:24:53,539

an article 8 Clause 1 of the

597

00:24:59,529 --> 00:24:56,000

Constitution and Benjamin Franklin

598

00:25:02,620 --> 00:24:59,539

called a patent the disgrace of a free

599

00:25:04,620 --> 00:25:02,630

people he believed an immediate trial

600

00:25:07,450 --> 00:25:04,630

disbursement der dissemination of

601
00:25:10,360 --> 00:25:07,460
technology but I think Jefferson was

602
00:25:12,669 --> 00:25:10,370
wise in sponsoring the patent Clause

603
00:25:15,340 --> 00:25:12,679
because it does allow a creative person

604
00:25:17,080 --> 00:25:15,350
or group to make the investment the

605
00:25:19,269 --> 00:25:17,090
internalized investment in technical

606
00:25:21,039 --> 00:25:19,279
development and then profit from it

607
00:25:23,950 --> 00:25:21,049
financially for a limited period of time

608
00:25:26,259 --> 00:25:23,960
until it's released generally in society

609
00:25:29,320 --> 00:25:26,269
okay so after developing the patent

610
00:25:31,389 --> 00:25:29,330
system as a result of the Cold War the

611
00:25:35,409 --> 00:25:31,399
US government then began making some

612
00:25:37,000 --> 00:25:35,419
patents secret so there's both device

613
00:25:40,090 --> 00:25:37,010

there are both devices and even

614

00:25:42,490 --> 00:25:40,100

mathematical formula for which secret

615

00:25:45,070 --> 00:25:42,500

patents have been given so I guess the

616

00:25:47,139 --> 00:25:45,080

point here is that the government a

617

00:25:50,200 --> 00:25:47,149

permanent secret government based on the

618

00:25:51,490 --> 00:25:50,210

doctrine of secrecy that other countries

619

00:25:53,909 --> 00:25:51,500

and the American people themselves

620

00:25:56,379 --> 00:25:53,919

cannot be trusted with what's the truth

621

00:25:58,889 --> 00:25:56,389

goes against our very more ease as a

622

00:26:01,029 --> 00:25:58,899

society was a pathological development

623

00:26:03,370 --> 00:26:01,039

connected to the Cold War and the

624

00:26:06,190 --> 00:26:03,380

development of the CIA after World War 2

625

00:26:08,409 --> 00:26:06,200

hey I think a self question don't

626

00:26:10,810 --> 00:26:08,419

question the logic of founding the CIA

627

00:26:12,669 --> 00:26:10,820

and then regretted that he had an D

628

00:26:14,860 --> 00:26:12,679

really quick I'm just gonna I'm gonna

629

00:26:18,460 --> 00:26:14,870

you want to hang on for a few extra

630

00:26:21,879 --> 00:26:18,470

minutes you got it okay we're off the

631

00:26:24,820 --> 00:26:21,889

network in a minute and a half so I'm

632

00:26:26,919 --> 00:26:24,830

gonna announce right now and read a text

633

00:26:28,799 --> 00:26:26,929

race maybe he's listening right now

634

00:26:31,180 --> 00:26:28,809

we're gonna go ahead and run over

635

00:26:35,860 --> 00:26:31,190

everybody has been asking for this in

636

00:26:38,470 --> 00:26:35,870

Twitter so screw it I run this show

637

00:26:40,450 --> 00:26:38,480

tonight I run the show every night we're

638

00:26:42,070 --> 00:26:40,460

just gonna keep on going normally I

639

00:26:44,680 --> 00:26:42,080

would be running a commercial right now

640

00:26:48,340 --> 00:26:44,690

we'd end at 10 o'clock screw it we're

641

00:26:49,869 --> 00:26:48,350

going long Andy 2016 okay all right

642

00:26:51,580 --> 00:26:49,879

that's it I made the announcement let's

643

00:26:53,409 --> 00:26:51,590

just well hang out for an extra five

644

00:26:55,090 --> 00:26:53,419

minutes I'm not ready to wind this down

645

00:26:57,340 --> 00:26:55,100

yet okay

646

00:26:59,140 --> 00:26:57,350

right so it's the first time I've ever

647

00:27:00,340 --> 00:26:59,150

done this I hope the network doesn't get

648

00:27:03,370 --> 00:27:00,350

upset and I know that they have

649

00:27:04,930 --> 00:27:03,380

programming after us they can cut us off

650

00:27:08,110 --> 00:27:04,940

at ten o'clock or they can bump the

651
00:27:12,130 --> 00:27:08,120
other program whatever we're gonna let's

652
00:27:14,680 --> 00:27:12,140
go long okay now yeah what and and so

653
00:27:16,210 --> 00:27:14,690
and what I mean about disclosure I mean

654
00:27:20,669 --> 00:27:16,220
we're talking about the same thing

655
00:27:23,529 --> 00:27:20,679
but I mean are you prepared to deal with

656
00:27:26,380 --> 00:27:23,539
the press when they come at you and they

657
00:27:28,810 --> 00:27:26,390
are going to ask you this very thing and

658
00:27:30,490 --> 00:27:28,820
we all know what happened to Kucinich

659
00:27:37,680 --> 00:27:30,500
and anybody else that has ever been

660
00:27:40,360 --> 00:27:37,690
addressing the UFO disclosure idea

661
00:27:42,880 --> 00:27:40,370
ramping up into a campaign ridicule

662
00:27:45,159 --> 00:27:42,890
jokes everything happens so are you

663
00:27:48,159 --> 00:27:45,169

prepared for that and you need to look

664

00:27:52,590 --> 00:27:48,169

straight into the camera and and and say

665

00:27:56,560 --> 00:27:52,600

directly yes when I become president the

666

00:27:59,799 --> 00:27:56,570

the extra extra-terrestrial question is

667

00:28:02,409 --> 00:27:59,809

going to be answered are you right well

668

00:28:04,029 --> 00:28:02,419

well look at what even the Democrats how

669

00:28:07,029 --> 00:28:04,039

they responded when that question was

670

00:28:09,960 --> 00:28:07,039

asked Dennis Kucinich apologetic

671

00:28:12,220 --> 00:28:09,970

polygenic Lee talked about his sighting

672

00:28:14,830 --> 00:28:12,230

despite the fact that presidents Carter

673

00:28:16,810 --> 00:28:14,840

and Reagan reported their sightings

674

00:28:19,060 --> 00:28:16,820

President Carter attempt to to it I

675

00:28:21,970 --> 00:28:19,070

think to MUFON or a pro or one of the

676

00:28:24,850 --> 00:28:21,980

major UFO organizations President Reagan

677

00:28:28,419 --> 00:28:24,860

spoke at length about seeing an ET craft

678

00:28:30,039 --> 00:28:28,429

off of the wing of his era his airliner

679

00:28:32,140 --> 00:28:30,049

when he was governor of California that

680

00:28:34,419 --> 00:28:32,150

was one show he had he had more than one

681

00:28:36,850 --> 00:28:34,429

but you all right right yeah I also had

682

00:28:41,710 --> 00:28:36,860

Gerald Ford too as well when he was

683

00:28:44,080 --> 00:28:41,720

governor of Michigan right and so when

684

00:28:47,649 --> 00:28:44,090

when when when the candidates were asked

685

00:28:49,480 --> 00:28:47,659

in 2008 Dennis Kucinich is a very noble

686

00:28:51,370 --> 00:28:49,490

man I've met Dennis he's a wonderful

687

00:28:53,740 --> 00:28:51,380

human being but I must say that he gave

688

00:28:55,779 --> 00:28:53,750

someone of an equivocating apologetic

689

00:28:57,340 --> 00:28:55,789

answer sort of like you may not want to

690

00:28:59,230 --> 00:28:57,350

believe this or not so he didn't really

691

00:29:01,299 --> 00:28:59,240

come out boldly in defense of his

692

00:29:03,190 --> 00:29:01,309

experience Barack Obama made a joke of

693

00:29:06,700 --> 00:29:03,200

it he said I think the more important

694

00:29:08,860 --> 00:29:06,710

question is what are there democrats and

695

00:29:11,650 --> 00:29:08,870

republicans and then he made a complete

696

00:29:13,390 --> 00:29:11,660

Astra's point about what really matters

697

00:29:15,310 --> 00:29:13,400

is that we have human beings down here

698

00:29:17,230 --> 00:29:15,320

on earth well nobody is saying that just

699

00:29:19,000 --> 00:29:17,240

as a result of acknowledging the fact

700

00:29:21,850 --> 00:29:19,010

that we're being visited by beings from

701
00:29:25,420 --> 00:29:21,860
elsewhere that we ignore you know child

702
00:29:26,680 --> 00:29:25,430
hunger poverty racism warfare and so

703
00:29:29,290 --> 00:29:26,690
forth so that those are those are

704
00:29:31,510 --> 00:29:29,300
separate issues one doesn't exclude the

705
00:29:33,490 --> 00:29:31,520
dressing one doesn't involve excluding

706
00:29:35,920 --> 00:29:33,500
the other and that was Obama's stated

707
00:29:38,290 --> 00:29:35,930
position implied that okay I'm gonna say

708
00:29:43,120 --> 00:29:38,300
something like that's gonna say look in

709
00:29:45,160 --> 00:29:43,130
1952 nine extraterrestrial crafts were

710
00:29:48,730 --> 00:29:45,170
seen by hundreds of trained observers

711
00:29:50,380 --> 00:29:48,740
above our nation's capital langley air

712
00:29:52,180 --> 00:29:50,390
force base the very air force base

713
00:29:55,750 --> 00:29:52,190

protecting the CIA headquarters in

714

00:29:58,360 --> 00:29:55,760

Langley and the Capitol itself o'clock

715

00:30:01,240 --> 00:29:58,370

those craft of traveling at a speed that

716

00:30:04,690 --> 00:30:01,250

was then unattainable 7,000 miles per

717

00:30:07,630 --> 00:30:04,700

hour several months later my father was

718

00:30:09,250 --> 00:30:07,640

approached at his jobsite working for

719

00:30:12,220 --> 00:30:09,260

oka night company in Paramus New Jersey

720

00:30:15,010 --> 00:30:12,230

and ordered to Curtis Wright in

721

00:30:18,610 --> 00:30:15,020

Woodridge New Jersey to design the metal

722

00:30:21,520 --> 00:30:18,620

alloy by which the ramjet gen would be

723

00:30:23,740 --> 00:30:21,530

built why did that my dad have to design

724

00:30:26,680 --> 00:30:23,750

the metal alloy because the ramjet was

725

00:30:30,100 --> 00:30:26,690

expected to travel at supersonic speeds

726

00:30:32,740 --> 00:30:30,110

and come into contact and it produced

727

00:30:34,870 --> 00:30:32,750

friction with molecules of air in our

728

00:30:37,630 --> 00:30:34,880

atmosphere and molecules of space dust

729

00:30:39,520 --> 00:30:37,640

outside our atmosphere so my dear old

730

00:30:41,950 --> 00:30:39,530

dad developed his team developed the

731

00:30:45,490 --> 00:30:41,960

metal alloy to prevent the ramjet planes

732

00:30:47,080 --> 00:30:45,500

from melting in flight why were we going

733

00:30:49,480 --> 00:30:47,090

to why we're going to need supersonic

734

00:30:52,210 --> 00:30:49,490

speed then why was he contacted two

735

00:30:54,790 --> 00:30:52,220

months after the famous July 1952

736

00:30:57,780 --> 00:30:54,800

overflight because it was expected that

737

00:31:00,549 --> 00:30:57,790

the ramjet will be used to chase

738

00:31:02,500 --> 00:31:00,559

extraterrestrial craft away from our

739

00:31:08,980 --> 00:31:02,510

planet and the near-earth environment

740

00:31:12,190 --> 00:31:08,990

how long was that ago 63 years I am now

741

00:31:14,380 --> 00:31:12,200

in my 50s and my father was called on to

742

00:31:16,840 --> 00:31:14,390

that project when he was 29 years old

743

00:31:18,450 --> 00:31:16,850

and he was already 38 when I was born

744

00:31:23,200 --> 00:31:18,460

we're talking about a multi-generational

745

00:31:25,390 --> 00:31:23,210

cover-up of the modern UFO

746

00:31:27,940 --> 00:31:25,400

and so I do not want to equivocate I

747

00:31:28,870 --> 00:31:27,950

want to tell you I don't just believe

748

00:31:33,520 --> 00:31:28,880

we're being visit

749

00:31:36,070 --> 00:31:33,530

I have the truth embodied my dad's

750

00:31:39,430 --> 00:31:36,080

experience working on the Air Force's

751
00:31:41,950 --> 00:31:39,440
response to the et presence we have my

752
00:31:44,140 --> 00:31:41,960
own contact experiences while working on

753
00:31:47,800 --> 00:31:44,150
a classified defense project project

754
00:31:49,180 --> 00:31:47,810
Pegasus for DARPA and I want the

755
00:31:52,380 --> 00:31:49,190
American people to know the American

756
00:31:55,750 --> 00:31:52,390
people coming greater numbers

757
00:31:56,890 --> 00:31:55,760
acknowledged in an ABC Roper poll that

758
00:31:58,540 --> 00:31:56,900
they believe were being visited by

759
00:32:00,970 --> 00:31:58,550
extraterrestrials and voted for George W

760
00:32:03,400 --> 00:32:00,980
Bush for president 2000 that I will be

761
00:32:04,920 --> 00:32:03,410
your truth president I'm not going to

762
00:32:11,500 --> 00:32:04,930
equivocate I'm not going to maintain

763
00:32:14,170 --> 00:32:11,510

this societal sarcasm that takes this

764

00:32:15,880 --> 00:32:14,180

natural phenomenon and distorts it into

765

00:32:17,290 --> 00:32:15,890

something involving fear and ridicule

766

00:32:21,280 --> 00:32:17,300

that was the negative legacy of the

767

00:32:25,210 --> 00:32:21,290

Robertson panel specifically the 19 the

768

00:32:28,450 --> 00:32:25,220

the Durant report to the 1953 Robertson

769

00:32:31,480 --> 00:32:28,460

panel in which the CIA decided that

770

00:32:33,280 --> 00:32:31,490

anybody who reports contact with

771

00:32:35,430 --> 00:32:33,290

extraterrestrials should be debunked and

772

00:32:38,770 --> 00:32:35,440

subjected to public smear campaigns

773

00:32:40,630 --> 00:32:38,780

involving fear and ridicule it's to come

774

00:32:43,540 --> 00:32:40,640

time to come out of the Dark Ages and

775

00:32:45,580 --> 00:32:43,550

grow up cosmically and acknowledge that

776

00:32:48,160 --> 00:32:45,590

not only are we being visited

777

00:32:51,940 --> 00:32:48,170

but our fathers generation was working

778

00:32:53,830 --> 00:32:51,950

on the the defense response to the

779

00:32:57,130 --> 00:32:53,840

extra-terrestrial presence and the

780

00:33:00,430 --> 00:32:57,140

presence itself is eons old it goes back

781

00:33:02,410 --> 00:33:00,440

to antiquity and this just like the

782

00:33:04,510 --> 00:33:02,420

animals that live in the ocean this is a

783

00:33:05,770 --> 00:33:04,520

matter of natural history that should we

784

00:33:08,560 --> 00:33:05,780

should be educating our schoolchildren

785

00:33:10,780 --> 00:33:08,570

about not just small cadre of Defense

786

00:33:13,030 --> 00:33:10,790

officials and school children and

787

00:33:14,350 --> 00:33:13,040

special access programs this is part of

788

00:33:17,200 --> 00:33:14,360

the world we live and we live in a

789

00:33:19,180 --> 00:33:17,210

populated universe and we have the stock

790

00:33:21,430 --> 00:33:19,190

snickering at anybody who makes a claim

791

00:33:23,020 --> 00:33:21,440

that they've seen or interacted with an

792

00:33:25,450 --> 00:33:23,030

extraterrestrial that would be something

793

00:33:28,990 --> 00:33:25,460

in the nature of my response what about

794

00:33:32,020 --> 00:33:29,000

Jade helm as president would you allow

795

00:33:34,750 --> 00:33:32,030

something like that to happen and no and

796

00:33:36,820 --> 00:33:34,760

no I'm offended I'm offended I'm

797

00:33:40,120 --> 00:33:36,830

offended that a country that was born

798

00:33:43,539 --> 00:33:40,130

in the spirit of Liberty that has that

799

00:33:48,039 --> 00:33:43,549

has mid pit legal issues to protect

800

00:33:49,330 --> 00:33:48,049

human freedom that has has had something

801
00:33:52,029 --> 00:33:49,340
as advance of the Equal Protection

802
00:33:53,620 --> 00:33:52,039
Clause making sure that no discrete

803
00:33:57,820 --> 00:33:53,630
group of Americans becomes a suspect

804
00:34:00,820 --> 00:33:57,830
class would allow the transformation

805
00:34:03,070 --> 00:34:00,830
into a totalitarian police state I'm

806
00:34:06,130 --> 00:34:03,080
offended that Jade helm was even

807
00:34:07,840 --> 00:34:06,140
conceived of in a light in the land of

808
00:34:10,659 --> 00:34:07,850
Liberty the notion that they would be

809
00:34:13,240 --> 00:34:10,669
rehearsing the implementation of martial

810
00:34:15,669 --> 00:34:13,250
law within the United States is highly

811
00:34:17,950 --> 00:34:15,679
offensive to me and I will do everything

812
00:34:20,980 --> 00:34:17,960
in my power as president to dismantle

813
00:34:23,260 --> 00:34:20,990

the police state why do you think

814

00:34:26,109 --> 00:34:23,270

they're silenced from the White House on

815

00:34:30,190 --> 00:34:26,119

Jade helm I they they're not addressing

816

00:34:31,300 --> 00:34:30,200

what is going on in the media and it's a

817

00:34:33,970 --> 00:34:31,310

you know it's been covered in the mass

818

00:34:35,800 --> 00:34:33,980

media - and the conspiracy side of

819

00:34:38,200 --> 00:34:35,810

things but they don't when you have a

820

00:34:40,960 --> 00:34:38,210

loud voice literally and figuratively

821

00:34:43,240 --> 00:34:40,970

like Alex Jones and speaking about this

822

00:34:46,089 --> 00:34:43,250

they haven't addressed it at all why do

823

00:34:49,270 --> 00:34:46,099

you think that is either because the

824

00:34:51,700 --> 00:34:49,280

president's been compromised and he's

825

00:34:53,859 --> 00:34:51,710

being his presence he's being managed by

826

00:34:56,710 --> 00:34:53,869

perhaps even a military panel at least

827

00:35:00,609 --> 00:34:56,720

in these areas or his principal

828

00:35:02,470 --> 00:35:00,619

conception of winning presidency was to

829

00:35:04,210 --> 00:35:02,480

be the first black president and not

830

00:35:07,630 --> 00:35:04,220

really to be a great president you know

831

00:35:09,400 --> 00:35:07,640

I had contact with Barry and the woman

832

00:35:10,570 --> 00:35:09,410

who in all likelihood was his adoptive

833

00:35:13,359 --> 00:35:10,580

mother named Ann Stanley Ann Dunham

834

00:35:15,220 --> 00:35:13,369

who's been falsely identified us as

835

00:35:17,079 --> 00:35:15,230

biological mother I believe she was just

836

00:35:19,089 --> 00:35:17,089

his handler for the CIA

837

00:35:21,250 --> 00:35:19,099

in the nature of an adoptive mother and

838

00:35:23,460 --> 00:35:21,260

other British intelligence found that

839

00:35:25,810 --> 00:35:23,470

they are not related they actually took

840

00:35:27,730 --> 00:35:25,820

biological samples from the glass that

841

00:35:30,040 --> 00:35:27,740

he had used during a state visit to

842

00:35:31,690 --> 00:35:30,050

England and he was found not to be the

843

00:35:35,500 --> 00:35:31,700

biological son of Stanley and done and

844

00:35:37,630 --> 00:35:35,510

he doesn't have any British genes but

845

00:35:41,109 --> 00:35:37,640

when I was interacting with them in

846

00:35:43,120 --> 00:35:41,119

summer of 80 Stanley Anne was frequently

847

00:35:45,849 --> 00:35:43,130

commenting at dinners about how he was

848

00:35:49,450 --> 00:35:45,859

going to be the first African American

849

00:35:50,350 --> 00:35:49,460

president I don't believe he's African

850

00:35:52,930 --> 00:35:50,360

American I believe

851
00:35:55,360 --> 00:35:52,940
he's a dark-skinned Indonesian I believe

852
00:35:58,960 --> 00:35:55,370
that he's the son of the founder of the

853
00:36:01,240 --> 00:35:58,970
subdued faction of Islam namely a man by

854
00:36:03,420 --> 00:36:01,250
the name of Muhammad SAW brood Sunni

855
00:36:06,450 --> 00:36:03,430
whadya Jojo that's a whole nother story

856
00:36:09,280 --> 00:36:06,460
too far too involved to discuss tonight

857
00:36:11,590 --> 00:36:09,290
but I think that if it's not a matter of

858
00:36:14,290 --> 00:36:11,600
being compromised and told what to do

859
00:36:17,470 --> 00:36:14,300
and what not to do then I think that the

860
00:36:19,350 --> 00:36:17,480
real issue is that Obama hasn't had a

861
00:36:21,400 --> 00:36:19,360
conception of himself from a young age

862
00:36:23,710 --> 00:36:21,410
that he would be the first black

863
00:36:27,040 --> 00:36:23,720

president and he's being excessively

864

00:36:29,590 --> 00:36:27,050

cautious about leading authentically I

865

00:36:30,850 --> 00:36:29,600

don't have those hang-ups I mean I'm not

866

00:36:32,500 --> 00:36:30,860

going to hang my hat on the fact that

867

00:36:34,090 --> 00:36:32,510

I'd be the first then you know the

868

00:36:35,500 --> 00:36:34,100

second Catholic president or something

869

00:36:37,810 --> 00:36:35,510

raised as a Catholic in the media that

870

00:36:39,910 --> 00:36:37,820

Kennedy was I was raised as a Catholic

871

00:36:40,690 --> 00:36:39,920

I'm not a practicing Catholic but that

872

00:36:42,760 --> 00:36:40,700

I'll be the first

873

00:36:46,210 --> 00:36:42,770

you know polish or or Catholic president

874

00:36:47,230 --> 00:36:46,220

I'm learning in my conception of myself

875

00:36:49,300 --> 00:36:47,240

as and I'm learning as the truth

876

00:36:51,400 --> 00:36:49,310

president I'm wanting to become the

877

00:36:54,040 --> 00:36:51,410

truth president which is which is a

878

00:36:55,900 --> 00:36:54,050

cause that transcends myself I'm not

879

00:36:57,700 --> 00:36:55,910

sure that in the psyche of Barack Obama

880

00:37:00,310 --> 00:36:57,710

in the psycho histories are written that

881

00:37:02,620 --> 00:37:00,320

help me he'll have been found to have

882

00:37:04,750 --> 00:37:02,630

transcended his self-concept as the

883

00:37:05,830 --> 00:37:04,760

first black president and by that I mean

884

00:37:08,770 --> 00:37:05,840

I think he's been trying to please

885

00:37:11,350 --> 00:37:08,780

everybody so in the military people and

886

00:37:13,540 --> 00:37:11,360

the pentagon planners have said look mr.

887

00:37:17,140 --> 00:37:13,550

president we calculate that there's a

888

00:37:18,670 --> 00:37:17,150

25% chance that if we have the 30%

889

00:37:21,220 --> 00:37:18,680

currency devaluation

890

00:37:23,260 --> 00:37:21,230

we'll have chaos in this country he's

891

00:37:25,570 --> 00:37:23,270

gone along and allowed them to do things

892

00:37:27,910 --> 00:37:25,580

like launch Jade helm to prepare for

893

00:37:29,500 --> 00:37:27,920

martial law and I simply will not go

894

00:37:31,630 --> 00:37:29,510

there I mean I survived the Northridge

895

00:37:34,210 --> 00:37:31,640

earthquake and I know that the American

896

00:37:37,770 --> 00:37:34,220

people are so good willed despite our

897

00:37:40,630 --> 00:37:37,780

our religious national and racial

898

00:37:44,290 --> 00:37:40,640

heterogeneity we are so good willed and

899

00:37:46,150 --> 00:37:44,300

so active positive as a citizenry and we

900

00:37:49,060 --> 00:37:46,160

come together and help each other during

901
00:37:51,280 --> 00:37:49,070
periods of national national trial like

902
00:37:54,310 --> 00:37:51,290
a natural disaster so that there's some

903
00:37:55,990 --> 00:37:54,320
economic dislocation that requires us to

904
00:37:58,000 --> 00:37:56,000
start bartering rather than using money

905
00:38:00,040 --> 00:37:58,010
we'll do it before we'll start stealing

906
00:38:03,010 --> 00:38:00,050
from each other we're a great people and

907
00:38:04,180 --> 00:38:03,020
we deserve the government that we

908
00:38:06,580 --> 00:38:04,190
deserve a great government

909
00:38:10,300 --> 00:38:06,590
and certainly a government that prepares

910
00:38:12,070 --> 00:38:10,310
for national law doesn't qualify by any

911
00:38:14,320 --> 00:38:12,080
standard that I recognize as a great

912
00:38:16,390 --> 00:38:14,330
government or even a good government it

913
00:38:17,800 --> 00:38:16,400

identifies a mediocre sinister

914

00:38:19,390 --> 00:38:17,810

government and this is what people are

915

00:38:20,560 --> 00:38:19,400

angry about they're not angry

916

00:38:22,390 --> 00:38:20,570

necessarily that the government is a

917

00:38:24,840 --> 00:38:22,400

great conspiracy against them they're

918

00:38:27,820 --> 00:38:24,850

angry that the u.s. government embodies

919

00:38:29,740 --> 00:38:27,830

mediocrity and this is what we found in

920

00:38:31,420 --> 00:38:29,750

our focus groups and so forth it's what

921

00:38:33,670 --> 00:38:31,430

I finally interact with people during my

922

00:38:35,380 --> 00:38:33,680

talks they don't feel as if the whole

923

00:38:37,240 --> 00:38:35,390

government is a conspiracy against them

924

00:38:39,280 --> 00:38:37,250

they're just so disappointed that their

925

00:38:41,200 --> 00:38:39,290

intelligence has been insulted by the

926
00:38:42,730 --> 00:38:41,210
government not coming clean on obvious

927
00:38:44,800 --> 00:38:42,740
issues like the fact that we live in a

928
00:38:47,830 --> 00:38:44,810
popular universe and are being visited

929
00:38:49,540 --> 00:38:47,840
by extraterrestrials that we can be we

930
00:38:52,570 --> 00:38:49,550
can be trusted with the information that

931
00:38:54,760 --> 00:38:52,580
time travel was achieved 40 years ago 45

932
00:38:55,270 --> 00:38:54,770
years ago they're just tired being lied

933
00:38:56,650 --> 00:38:55,280
to

934
00:38:58,870 --> 00:38:56,660
they're tired of these valuable

935
00:39:00,580 --> 00:38:58,880
technologies being kept back and they

936
00:39:03,460 --> 00:39:00,590
simply want a government that's as great

937
00:39:06,040 --> 00:39:03,470
as they are what about let's go down the

938
00:39:08,020 --> 00:39:06,050

list of some of the basics and thank you

939

00:39:10,990 --> 00:39:08,030

for hanging on and it this has been a

940

00:39:13,240 --> 00:39:11,000

long show I'm enjoying this yeah that's

941

00:39:16,120 --> 00:39:13,250

why we're gonna hang right here some of

942

00:39:18,940 --> 00:39:16,130

the basics taxes what are you gonna do

943

00:39:20,230 --> 00:39:18,950

you're gonna do a flat tax that is one

944

00:39:23,350 --> 00:39:20,240

of the things that every president

945

00:39:25,480 --> 00:39:23,360

promises that a flat tax but you know

946

00:39:27,580 --> 00:39:25,490

you know the changing of taxes they get

947

00:39:29,470 --> 00:39:27,590

into the White House and then all of

948

00:39:31,440 --> 00:39:29,480

that goes out the window so you have to

949

00:39:34,870 --> 00:39:31,450

have positions on all of the basic

950

00:39:36,460 --> 00:39:34,880

platforms taxes right well I'm a I'm a

951
00:39:38,860 --> 00:39:36,470
Cambridge educated economist I have a

952
00:39:40,620 --> 00:39:38,870
master's degree in land economy and pick

953
00:39:42,790 --> 00:39:40,630
up some economics at Cambridge which is

954
00:39:46,150 --> 00:39:42,800
one of the leading universities that

955
00:39:48,730 --> 00:39:46,160
basically models economic theory and on

956
00:39:51,370 --> 00:39:48,740
affords graduate students and I'm going

957
00:39:53,500 --> 00:39:51,380
to sponsor an innovation in our tax code

958
00:39:55,780 --> 00:39:53,510
because look the basic dilemma that

959
00:39:57,370 --> 00:39:55,790
we're in regarding taxation is we're

960
00:40:00,040 --> 00:39:57,380
caught the twisting between the

961
00:40:03,160 --> 00:40:00,050
conservative doctrine that tax taxes

962
00:40:06,340 --> 00:40:03,170
should be limited to allow the economic

963
00:40:08,560 --> 00:40:06,350

system to solve problems without taxing

964

00:40:09,880 --> 00:40:08,570

people to create government programs to

965

00:40:12,970 --> 00:40:09,890

address such problems this would be

966

00:40:15,280 --> 00:40:12,980

basically lace a faire capitalism nock

967

00:40:18,090 --> 00:40:15,290

taxes down on everybody including the

968

00:40:20,860 --> 00:40:18,100

rich and let the economy do its Wonder

969

00:40:24,940 --> 00:40:20,870

that doctrine comes up against an

970

00:40:31,810 --> 00:40:24,950

equally estimable theory or doctrine

971

00:40:33,610 --> 00:40:31,820

that the government oh we lost Andy hang

972

00:40:35,350 --> 00:40:33,620

on for a second let me see if I can just

973

00:40:38,050 --> 00:40:35,360

bring him right back

974

00:40:39,970 --> 00:40:38,060

ah man we're going into overtime tonight

975

00:40:42,820 --> 00:40:39,980

you gotta love this let's see what

976

00:40:49,120 --> 00:40:42,830

happened and here let's just just go

977

00:40:57,220 --> 00:40:49,130

ahead and do this and and do where did

978

00:40:58,870 --> 00:40:57,230

he go ah let's see here yes boom yeah

979

00:41:00,460 --> 00:40:58,880

we're going into overtime tonight if

980

00:41:02,550 --> 00:41:00,470

we're gonna do this let's do this I'm

981

00:41:05,290 --> 00:41:02,560

totally enjoying myself I haven't had a

982

00:41:06,490 --> 00:41:05,300

haven't had a show quite like this in a

983

00:41:09,640 --> 00:41:06,500

long time

984

00:41:12,490 --> 00:41:09,650

all right let's see here so but the

985

00:41:14,130 --> 00:41:12,500

problem is that our government the US

986

00:41:17,500 --> 00:41:14,140

government that the Congress is

987

00:41:19,570 --> 00:41:17,510

essentially at deadlock it's actually

988

00:41:21,510 --> 00:41:19,580

frozen as a result of the inherent

989

00:41:24,430 --> 00:41:21,520

contradictions between these two

990

00:41:27,370 --> 00:41:24,440

estimable and reasonable doctrines it's

991

00:41:28,900 --> 00:41:27,380

reasonable everybody knows that it's

992

00:41:31,600 --> 00:41:28,910

obviously going to spur greater economic

993

00:41:34,270 --> 00:41:31,610

productivity for the average person to

994

00:41:35,980 --> 00:41:34,280

be paid by a wealthy person to do a job

995

00:41:38,110 --> 00:41:35,990

rather than by a government bureaucrat

996

00:41:40,480 --> 00:41:38,120

to do nothing right okay I think we can

997

00:41:43,660 --> 00:41:40,490

agree on that effect we can also agree

998

00:41:45,700 --> 00:41:43,670

that government exists to create public

999

00:41:47,110 --> 00:41:45,710

goods including defense by the way

1000

00:41:49,410 --> 00:41:47,120

that's one of the principal reasons that

1001
00:41:53,980 --> 00:41:49,420
exists both internally and externally

1002
00:41:57,520 --> 00:41:53,990
now that that creates a dilemma as to

1003
00:42:00,190 --> 00:41:57,530
how you tax and how much you tax the

1004
00:42:04,180 --> 00:42:00,200
idea that I embrace was was conceived by

1005
00:42:07,660 --> 00:42:04,190
others but is that is the idea that I'm

1006
00:42:09,940 --> 00:42:07,670
going to advance and that is that the

1007
00:42:13,210 --> 00:42:09,950
most appropriate place to take taxes

1008
00:42:16,510 --> 00:42:13,220
from the citizenry and from and from

1009
00:42:18,430 --> 00:42:16,520
companies namely legal and you know

1010
00:42:20,140 --> 00:42:18,440
legally speaking both artificial and

1011
00:42:22,990 --> 00:42:20,150
natural persons basically corporations

1012
00:42:26,520 --> 00:42:23,000
and individuals is at that place in the

1013
00:42:29,110 --> 00:42:26,530

economy where a person or a corporation

1014

00:42:31,870 --> 00:42:29,120

withdraws money from a bank to spend

1015

00:42:34,780 --> 00:42:31,880

that money on itself on its company

1016

00:42:36,700 --> 00:42:34,790

it's person so in other words what I'm

1017

00:42:39,460 --> 00:42:36,710

going to try to put before Congress is a

1018

00:42:42,640 --> 00:42:39,470

bank withdrawal tax I don't know the

1019

00:42:44,700 --> 00:42:42,650

exact amount and I have several analysts

1020

00:42:50,950 --> 00:42:44,710

trying to calculate three data points

1021

00:42:53,500 --> 00:42:50,960

first is how much the cost of federal

1022

00:42:56,040 --> 00:42:53,510

and state government is we're using a

1023

00:42:59,830 --> 00:42:56,050

time series case study of the 1980s and

1024

00:43:01,540 --> 00:42:59,840

then how much what is the the volume of

1025

00:43:05,020 --> 00:43:01,550

bank withdrawals in the country in a

1026

00:43:08,380 --> 00:43:05,030

given year or decade and then what would

1027

00:43:10,000 --> 00:43:08,390

let's say a half a percent a 1% a two

1028

00:43:12,280 --> 00:43:10,010

point five over five percent bank

1029

00:43:14,320 --> 00:43:12,290

withdrawal tax yield in government

1030

00:43:16,240 --> 00:43:14,330

revenues if you look at the figures that

1031

00:43:20,290 --> 00:43:16,250

are withdrawn from banks not just people

1032

00:43:21,820 --> 00:43:20,300

pulling \$20 out of their Reddy teller to

1033

00:43:23,890 --> 00:43:21,830

buy a good dinner for themselves in

1034

00:43:25,540 --> 00:43:23,900

their best friend but literally hundred

1035

00:43:27,070 --> 00:43:25,550

million dollar investments by companies

1036

00:43:29,710 --> 00:43:27,080

and new office buildings and things like

1037

00:43:31,060 --> 00:43:29,720

that the sheer volume of banquet rolls

1038

00:43:34,030 --> 00:43:31,070

this includes by the way the entire

1039

00:43:35,230 --> 00:43:34,040

payroll of the entire economy because

1040

00:43:37,420 --> 00:43:35,240

for somebody to be paid they usually

1041

00:43:39,690 --> 00:43:37,430

have to be cut a paycheck which is

1042

00:43:42,790 --> 00:43:39,700

withdrawal of those funds from the bank

1043

00:43:45,150 --> 00:43:42,800

every debit card going every credit card

1044

00:43:47,590 --> 00:43:45,160

going is ultimately a bank withdrawal

1045

00:43:50,770 --> 00:43:47,600

okay so the bank withdraw tax would

1046

00:43:53,740 --> 00:43:50,780

basically tax each Bank withdrawal a

1047

00:43:55,330 --> 00:43:53,750

very small amount but the volume of

1048

00:43:57,280 --> 00:43:55,340

those withdrawals is so great

1049

00:44:00,040 --> 00:43:57,290

that'll produce trillions of dollars of

1050

00:44:03,190 --> 00:44:00,050

federal and state funding I support that

1051

00:44:05,260 --> 00:44:03,200

being being and that is the sole tax

1052

00:44:08,380 --> 00:44:05,270

that would be imposed I'm calling it the

1053

00:44:11,110 --> 00:44:08,390

one tax so my tax proposal would be to

1054

00:44:15,790 --> 00:44:11,120

eliminate all other federal and state

1055

00:44:17,380 --> 00:44:15,800

taxes enact one tax make sure that the

1056

00:44:19,960 --> 00:44:17,390

economists have it right in terms of how

1057

00:44:22,150 --> 00:44:19,970

what percentage that bank withdrawal tax

1058

00:44:25,390 --> 00:44:22,160

would have to be and then we would tool

1059

00:44:26,860 --> 00:44:25,400

that money in a large federal FISC that

1060

00:44:29,290 --> 00:44:26,870

itself would are an interest in

1061

00:44:31,150 --> 00:44:29,300

trillions of dollars we every year we

1062

00:44:33,430 --> 00:44:31,160

would then spend at half on the federal

1063

00:44:36,400 --> 00:44:33,440

government functions half on the state

1064

00:44:38,380 --> 00:44:36,410

on a per capita basis so the big states

1065

00:44:40,900 --> 00:44:38,390

like California would get a much larger

1066

00:44:42,550 --> 00:44:40,910

piece of that state drawdown then let's

1067

00:44:44,380 --> 00:44:42,560

say a sparsely populated state not

1068

00:44:45,430 --> 00:44:44,390

Nebraska so in other words the

1069

00:44:48,280 --> 00:44:45,440

individual citizen

1070

00:44:50,140 --> 00:44:48,290

benefit by how much of the drawdown from

1071

00:44:52,720 --> 00:44:50,150

the lung tax that their state would get

1072

00:44:55,050 --> 00:44:52,730

repatriated and that would be my

1073

00:44:58,240 --> 00:44:55,060

solution to ending the inherent conflict

1074

00:44:59,829 --> 00:44:58,250

between basically between the

1075

00:45:02,440 --> 00:44:59,839

conservative notion that we should limit

1076

00:45:04,210 --> 00:45:02,450

taxes and the interval notion that we

1077

00:45:06,809 --> 00:45:04,220

should increase taxes to finance public

1078

00:45:10,780 --> 00:45:06,819

goods because as long as we make a small

1079

00:45:13,780 --> 00:45:10,790

withdrawal from every a small small

1080

00:45:16,690 --> 00:45:13,790

taxing of every bank withdrawal we will

1081

00:45:22,260 --> 00:45:16,700

have a sufficient capital to fund public

1082

00:45:24,849 --> 00:45:22,270

goods while not having the economically

1083

00:45:27,069 --> 00:45:24,859

destabilizing and impoverishing effects

1084

00:45:29,140 --> 00:45:27,079

that conservatives are fighting when

1085

00:45:31,000 --> 00:45:29,150

they're fighting taxation in general in

1086

00:45:34,329 --> 00:45:31,010

other words it's a smart Kanak it's not

1087

00:45:36,040 --> 00:45:34,339

a flat tax because it only taxes the

1088

00:45:38,319 --> 00:45:36,050

individual who's internalizing the

1089

00:45:40,540 --> 00:45:38,329

benefit of their own money and that

1090

00:45:42,609 --> 00:45:40,550

includes corporations obviously and it's

1091

00:45:45,490 --> 00:45:42,619

not discriminatory between citizenry and

1092

00:45:47,050 --> 00:45:45,500

corporations because corporate financing

1093

00:45:49,270 --> 00:45:47,060

is so much larger that they'll pay a

1094

00:45:51,010 --> 00:45:49,280

much larger part of the federal and

1095

00:45:53,260 --> 00:45:51,020

state FISC every year so we'll finally

1096

00:45:56,020 --> 00:45:53,270

resolve the inherent discrimination

1097

00:46:02,200 --> 00:45:56,030

between poor hardworking individuals and

1098

00:46:05,500 --> 00:46:02,210

rich lazy corporations well there's some

1099

00:46:08,650 --> 00:46:05,510

blowback there and the blowback I hate

1100

00:46:14,319 --> 00:46:08,660

to say it but you would have all of the

1101
00:46:16,780 --> 00:46:14,329
unemployment created from tax preparers

1102
00:46:20,920 --> 00:46:16,790
the IRS there's a hundred thousand

1103
00:46:22,839 --> 00:46:20,930
people that are laid off the you know

1104
00:46:24,730 --> 00:46:22,849
H&R Block you know if you're gonna

1105
00:46:27,069 --> 00:46:24,740
eliminate all of that which you know

1106
00:46:30,280 --> 00:46:27,079
again it sounds great on the surface and

1107
00:46:32,770 --> 00:46:30,290
it also sounds you know too too good to

1108
00:46:35,050 --> 00:46:32,780
be true so what do you do with all of

1109
00:46:36,630 --> 00:46:35,060
the unemployment that is created from

1110
00:46:39,370 --> 00:46:36,640
the taxes

1111
00:46:41,200 --> 00:46:39,380
unemployment came up regarding loggers

1112
00:46:43,000 --> 00:46:41,210
having a right to their grandfathers job

1113
00:46:45,730 --> 00:46:43,010

when we tried to save the old-growth

1114

00:46:47,170 --> 00:46:45,740

forests in Oregon unemployment comes up

1115

00:46:49,870 --> 00:46:47,180

when I talk about a world linked by

1116

00:46:52,980 --> 00:46:49,880

teleportation rather than planes trains

1117

00:46:56,140 --> 00:46:52,990

and automobiles and trucks yes

1118

00:46:58,270 --> 00:46:56,150

holding on to an obsolete system makes

1119

00:46:59,140 --> 00:46:58,280

about as much sense as continuing to use

1120

00:47:01,600 --> 00:46:59,150

a crotch chef

1121

00:47:05,020 --> 00:47:01,610

your leg has healed there's no inherent

1122

00:47:07,810 --> 00:47:05,030

economic reason to retain aspects of a

1123

00:47:09,370 --> 00:47:07,820

bad system just because people have

1124

00:47:11,470 --> 00:47:09,380

become financially dependent on that

1125

00:47:13,630 --> 00:47:11,480

area of business practice I mean people

1126

00:47:15,610 --> 00:47:13,640

who are doing tax preparation under such

1127

00:47:18,190 --> 00:47:15,620

a system to become financial advisors

1128

00:47:19,870 --> 00:47:18,200

because look I believe that ultimately

1129

00:47:22,240 --> 00:47:19,880

I'll be able to demonstrate with real

1130

00:47:24,610 --> 00:47:22,250

numbers that such attacks would produce

1131

00:47:26,530 --> 00:47:24,620

so much government revenues that we

1132

00:47:29,200 --> 00:47:26,540

might even be able to find to fund

1133

00:47:31,240 --> 00:47:29,210

individual prosperity accounts that for

1134

00:47:33,430 --> 00:47:31,250

the first time in human history would

1135

00:47:34,930 --> 00:47:33,440

involve everybody in our society at

1136

00:47:37,870 --> 00:47:34,940

least in American society then it might

1137

00:47:39,580 --> 00:47:37,880

spread to the world in the net economic

1138

00:47:42,430 --> 00:47:39,590

system a system that creates prosperity

1139

00:47:46,210 --> 00:47:42,440

that's why people are poor people are

1140

00:47:47,770 --> 00:47:46,220

poor not because the poor are inevitable

1141

00:47:49,360 --> 00:47:47,780

such as the Bible says the Bible says

1142

00:47:51,010 --> 00:47:49,370

the poor shall always be with you I

1143

00:47:53,950 --> 00:47:51,020

don't believe that I think we should

1144

00:47:55,930 --> 00:47:53,960

eliminate poverty but the poor exist

1145

00:47:58,510 --> 00:47:55,940

because they have not been internalized

1146

00:48:01,420 --> 00:47:58,520

in the system that creates poverty an

1147

00:48:02,770 --> 00:48:01,430

excuse me prosperity as if a poor person

1148

00:48:04,600 --> 00:48:02,780

banks from a stockbroker

1149

00:48:06,010 --> 00:48:04,610

the difference is not that the poor

1150

00:48:07,660 --> 00:48:06,020

person lacks the virtue of the

1151

00:48:11,080 --> 00:48:07,670

stockbroker per se he may be less

1152

00:48:13,120 --> 00:48:11,090

competitive in a stockbroker the reason

1153

00:48:16,060 --> 00:48:13,130

is the stockbroker has been internalized

1154

00:48:18,340 --> 00:48:16,070

in the net economic activity of the

1155

00:48:19,660 --> 00:48:18,350

society so the way we would do that is

1156

00:48:22,840 --> 00:48:19,670

we would create as a right of

1157

00:48:24,370 --> 00:48:22,850

citizenship some drawdown in the net

1158

00:48:26,680 --> 00:48:24,380

revenues that would be created by the

1159

00:48:31,510 --> 00:48:26,690

one tax and we would literally have as a

1160

00:48:34,000 --> 00:48:31,520

form of taxation a demonstrably provable

1161

00:48:36,340 --> 00:48:34,010

system to end poverty a lot of the end

1162

00:48:38,860 --> 00:48:36,350

poverty systems in the past had

1163

00:48:40,720 --> 00:48:38,870

basically been involved over taxing rich

1164

00:48:42,700 --> 00:48:40,730

people to make middle class and poor

1165

00:48:44,350 --> 00:48:42,710

people richer that's what Huey Long was

1166

00:48:47,110 --> 00:48:44,360

talking about when he said every man it

1167

00:48:48,640 --> 00:48:47,120

came that's ultimately what Bellamy was

1168

00:48:51,130 --> 00:48:48,650

talking about looking backwards was

1169

00:48:52,480 --> 00:48:51,140

making everybody a serf in a new form of

1170

00:48:54,880 --> 00:48:52,490

corporate feudalism where we would

1171

00:48:56,500 --> 00:48:54,890

change jobs every couple of years and

1172

00:48:58,420 --> 00:48:56,510

everybody good will get a right to be

1173

00:49:00,960 --> 00:48:58,430

company president but once in their

1174

00:49:04,390 --> 00:49:00,970

lifetime those systems don't work

1175

00:49:06,400 --> 00:49:04,400

because you don't create prosperity when

1176

00:49:10,150 --> 00:49:06,410

you take money from a wealthier talented

1177

00:49:11,620 --> 00:49:10,160

person and you share the wealth when we

1178

00:49:12,970 --> 00:49:11,630

actually eliminate the incentive to

1179

00:49:14,589 --> 00:49:12,980

become wealthy

1180

00:49:18,700 --> 00:49:14,599

we need to do instead is find a

1181

00:49:21,099 --> 00:49:18,710

scientific way to take revenues out of

1182

00:49:22,540 --> 00:49:21,109

the economy itself in a way that is

1183

00:49:25,240 --> 00:49:22,550

non-discriminatory

1184

00:49:27,310 --> 00:49:25,250

and use it to create general economic

1185

00:49:29,530 --> 00:49:27,320

uplift Minh that's what I'm asserting

1186

00:49:32,020 --> 00:49:29,540

that my plan is and that's what that's

1187

00:49:32,890 --> 00:49:32,030

my answer to the tax question if elected

1188

00:49:35,740 --> 00:49:32,900

president on States

1189

00:49:39,010 --> 00:49:35,750

I will advance a new bold and

1190

00:49:41,950 --> 00:49:39,020

revolutionary tax plan to impose a

1191

00:49:44,920 --> 00:49:41,960

single tax called the one tax in which

1192

00:49:47,020 --> 00:49:44,930

bank withdrawals will be taxed and by

1193

00:49:49,900 --> 00:49:47,030

the way that's not all banking activity

1194

00:49:52,569 --> 00:49:49,910

that's not bank deposits you don't want

1195

00:49:54,609 --> 00:49:52,579

to tax somebody when they give money to

1196

00:49:56,589 --> 00:49:54,619

a bank they're basically loaning it to

1197

00:49:58,300 --> 00:49:56,599

other people when they do that but you

1198

00:50:00,880 --> 00:49:58,310

want to tax people and especially

1199

00:50:03,250 --> 00:50:00,890

corporations when they withdraw money

1200

00:50:05,079 --> 00:50:03,260

from where it's held in reserve in a

1201
00:50:07,410 --> 00:50:05,089
bank to spend it on themselves or their

1202
00:50:11,079 --> 00:50:07,420
enterprise that's where they're being

1203
00:50:12,760 --> 00:50:11,089
cosmically selfish in the broadest terms

1204
00:50:15,700 --> 00:50:12,770
I'm not saying it's wrong to spend money

1205
00:50:18,490 --> 00:50:15,710
on yourself or your or your company but

1206
00:50:20,950 --> 00:50:18,500
when you do so when you withdraw money

1207
00:50:22,450 --> 00:50:20,960
from the banking system to do so that's

1208
00:50:24,700 --> 00:50:22,460
where you're making it unavailable to

1209
00:50:26,620 --> 00:50:24,710
others and available to yourself or your

1210
00:50:29,349 --> 00:50:26,630
enterprise and that's where it should be

1211
00:50:34,650 --> 00:50:29,359
taxed where the benefit of everybody and

1212
00:50:43,329 --> 00:50:37,870
conspiracy type items number one would

1213
00:50:45,970 --> 00:50:43,339

you check into con chemtrails I have

1214

00:50:47,950 --> 00:50:45,980

stated on Andi 2016 at Facebook we've

1215

00:50:48,339 --> 00:50:47,960

now got what three thousand and fifty

1216

00:50:49,809 --> 00:50:48,349

members

1217

00:50:52,120 --> 00:50:49,819

I think that'll get broader when I

1218

00:50:53,500 --> 00:50:52,130

officially declare in the full budget

1219

00:50:58,170 --> 00:50:53,510

large would become a much larger number

1220

00:51:00,819 --> 00:50:58,180

I have stated for years now that I will

1221

00:51:03,520 --> 00:51:00,829

declare on my first day in office

1222

00:51:06,309 --> 00:51:03,530

I will come before the American people

1223

00:51:07,900 --> 00:51:06,319

and I will address chemtrails I will

1224

00:51:09,609 --> 00:51:07,910

either announce that I'm ending them

1225

00:51:11,200 --> 00:51:09,619

immediately by executive order at least

1226
00:51:14,620 --> 00:51:11,210
the involvement of u.s. governmental

1227
00:51:17,500 --> 00:51:14,630
airplanes in the spraying but if I find

1228
00:51:19,930 --> 00:51:17,510
during my investigation that day why

1229
00:51:21,790 --> 00:51:19,940
we're doing the spraying at a minimum I

1230
00:51:23,859 --> 00:51:21,800
will inform the American people as to

1231
00:51:26,800 --> 00:51:23,869
why the chemtrails are being sprayed I

1232
00:51:28,720 --> 00:51:26,810
think I know why they are being sprayed

1233
00:51:33,670 --> 00:51:28,730
Trail Program was an idea by dr. Edward

1234
00:51:37,060 --> 00:51:33,680
Teller to Intuit away to to stem global

1235
00:51:39,280 --> 00:51:37,070
warming by enhancing albedo effect which

1236
00:51:42,370 --> 00:51:39,290
is the rate of solar reflectance against

1237
00:51:45,990 --> 00:51:42,380
natural formations like snow sand and

1238
00:51:49,960 --> 00:51:46,000

clouds they decided to use basically

1239

00:51:51,880 --> 00:51:49,970

chemtrails to block the Sun to maintain

1240

00:51:54,370 --> 00:51:51,890

the relative temperatures of the earth

1241

00:51:56,080 --> 00:51:54,380

to prevent new high temperatures that

1242

00:51:58,720 --> 00:51:56,090

could result in pitching us

1243

00:52:01,510 --> 00:51:58,730

paradoxically into a new ice age

1244

00:52:04,480 --> 00:52:01,520

so I think the chemtrail program follows

1245

00:52:06,730 --> 00:52:04,490

the coming global super storm type

1246

00:52:09,340 --> 00:52:06,740

literature that it had its origins in

1247

00:52:11,770 --> 00:52:09,350

the climate change studies that Andrew

1248

00:52:14,050 --> 00:52:11,780

Marshall did for the Pentagon which were

1249

00:52:15,490 --> 00:52:14,060

articulated so brilliantly by art Bell

1250

00:52:18,340 --> 00:52:15,500

and Whitley Strieber in their book the

1251
00:52:21,030 --> 00:52:18,350
coming global super storm and that the

1252
00:52:22,810 --> 00:52:21,040
chemtrails spring is actually a

1253
00:52:25,840 --> 00:52:22,820
geoengineering project

1254
00:52:27,910 --> 00:52:25,850
to prevent a coming global superstorm I

1255
00:52:29,830 --> 00:52:27,920
think that the American people have a

1256
00:52:31,810 --> 00:52:29,840
right to know people indeed of the world

1257
00:52:33,640 --> 00:52:31,820
that the reason that their blue skies

1258
00:52:34,860 --> 00:52:33,650
are being destroyed the reason that

1259
00:52:36,940 --> 00:52:34,870
they're developing all of these

1260
00:52:41,200 --> 00:52:36,950
respiratory allergies like I've suffered

1261
00:52:42,940 --> 00:52:41,210
from and related chemtrail maladies I

1262
00:52:44,770 --> 00:52:42,950
think they have a right to know why the

1263
00:52:46,600 --> 00:52:44,780

chemtrail program exists I mean we've

1264

00:52:49,150 --> 00:52:46,610

already had the publication on the

1265

00:52:52,570 --> 00:52:49,160

Internet of the interior of the spraying

1266

00:52:54,190 --> 00:52:52,580

planes again I'm gonna challenge

1267

00:52:56,200 --> 00:52:54,200

journalists you talk about the UFO

1268

00:52:57,580 --> 00:52:56,210

cover-up let's talk about the chemtrail

1269

00:52:59,620 --> 00:52:57,590

cover but I'm going to be challenging

1270

00:53:01,810 --> 00:52:59,630

the Beltway journalists that cover the

1271

00:53:02,920 --> 00:53:01,820

presidential election what's wrong with

1272

00:53:05,260 --> 00:53:02,930

you people why haven't you been

1273

00:53:08,590 --> 00:53:05,270

reporting this it takes some kid with a

1274

00:53:11,230 --> 00:53:08,600

modem to show you the interiors of the

1275

00:53:12,670 --> 00:53:11,240

spraying planes you know how long do you

1276

00:53:14,830 --> 00:53:12,680

think our necks are when we're acting

1277

00:53:17,200 --> 00:53:14,840

like ostriches like you are I mean come

1278

00:53:19,780 --> 00:53:17,210

on you're not you're not keeping pace

1279

00:53:22,630 --> 00:53:19,790

with the news events of the time what's

1280

00:53:25,840 --> 00:53:22,640

your problem so that's that's my message

1281

00:53:26,410 --> 00:53:25,850

to the Washington to the Beltway press

1282

00:53:28,120 --> 00:53:26,420

call

1283

00:53:29,950 --> 00:53:28,130

they haven't covered chemtrails and

1284

00:53:31,510 --> 00:53:29,960

everybody in his brother knows they

1285

00:53:35,770 --> 00:53:31,520

exist all we have to do is look up in

1286

00:53:40,579 --> 00:53:35,780

the sky okay so I mean again it's again

1287

00:53:42,920 --> 00:53:40,589

it's that refusal to live in in harmony

1288

00:53:44,599 --> 00:53:42,930

with the foolishness of the suppression

1289

00:53:46,609 --> 00:53:44,609

of the truths that I'm not going to

1290

00:53:49,519 --> 00:53:46,619

cooperate with that's why I think people

1291

00:53:51,229 --> 00:53:49,529

find me appealing I think it's silly to

1292

00:53:51,799 --> 00:53:51,239

deny that there's a chem trail spraying

1293

00:53:53,989 --> 00:53:51,809

Carmen

1294

00:53:56,089 --> 00:53:53,999

it obviously exists you can look up and

1295

00:53:58,009 --> 00:53:56,099

see the modified planes that are doing

1296

00:54:01,089 --> 00:53:58,019

the spring that are putting out

1297

00:54:04,279 --> 00:54:01,099

chemtrails that are thicker and more

1298

00:54:07,009 --> 00:54:04,289

substantial than any contrary ever saw

1299

00:54:08,179 --> 00:54:07,019

tracing the sky in the 60s or 70s come

1300

00:54:10,459 --> 00:54:08,189

on we're not that dumb

1301

00:54:13,689 --> 00:54:10,469

we remember the deep blue skies with

1302

00:54:17,299 --> 00:54:13,699

some little sketch of a contrail from a

1303

00:54:19,670 --> 00:54:17,309

maybe a us an Air Force jet aircraft and

1304

00:54:21,769 --> 00:54:19,680

we also have seen these tankers and

1305

00:54:24,589 --> 00:54:21,779

other Jets up there putting out this

1306

00:54:26,150 --> 00:54:24,599

garbage that's blocking the whole sky so

1307

00:54:28,309 --> 00:54:26,160

it doesn't take a rocket scientist to

1308

00:54:30,289 --> 00:54:28,319

know that obviously we're being sprayed

1309

00:54:32,900 --> 00:54:30,299

the chemtrails are obviously not a

1310

00:54:34,729 --> 00:54:32,910

conspiracy theory or an urban legend

1311

00:54:37,489 --> 00:54:34,739

they're a covert government program that

1312

00:54:40,130 --> 00:54:37,499

we never voted for which I'm not going

1313

00:54:42,259 --> 00:54:40,140

to let them do it wouldn't you then have

1314

00:54:45,319 --> 00:54:42,269

to have some type of moratorium on

1315

00:54:47,329 --> 00:54:45,329

government lawsuits I mean everybody in

1316

00:54:48,769 --> 00:54:47,339

the country would end up suing the

1317

00:54:50,390 --> 00:54:48,779

government yeah everybody with

1318

00:54:51,769 --> 00:54:50,400

respiratory allergies like I developed

1319

00:54:53,479 --> 00:54:51,779

there for the chemtrail program that's

1320

00:54:55,160 --> 00:54:53,489

after having never having allergies or

1321

00:54:57,620 --> 00:54:55,170

respiratory problems right except a

1322

00:55:00,529 --> 00:54:57,630

little bout of bronchitis when I was 10

1323

00:55:03,650 --> 00:55:00,539

yeah maybe we would couple that with a

1324

00:55:05,479 --> 00:55:03,660

moratorium on lawsuits that would cite

1325

00:55:07,009 --> 00:55:05,489

the chemical spraying program as the

1326

00:55:09,140 --> 00:55:07,019

causation of injury yeah that might be

1327

00:55:11,390 --> 00:55:09,150

reasonable well you would have to say

1328

00:55:15,799 --> 00:55:11,400

look either you want if I give you the

1329

00:55:17,959 --> 00:55:15,809

truth then you can't go bananas so right

1330

00:55:20,120 --> 00:55:17,969

if you want the truth I'll give it to

1331

00:55:23,419 --> 00:55:20,130

you but right now you have to understand

1332

00:55:24,979 --> 00:55:23,429

you can't turn around and and and shoot

1333

00:55:28,370 --> 00:55:24,989

the messenger here I'm gonna go ahead

1334

00:55:31,309 --> 00:55:28,380

and give you the truth but we can't we

1335

00:55:33,079 --> 00:55:31,319

can't get ugly here and which which I

1336

00:55:34,569 --> 00:55:33,089

think you just address but it brings me

1337

00:55:39,650 --> 00:55:34,579

to my next question

1338

00:55:42,079 --> 00:55:39,660

911 what would you do would you get into

1339

00:55:45,979 --> 00:55:42,089

things like that if you're gonna be the

1340

00:55:48,079 --> 00:55:45,989

truth guy then we have the truth about

1341

00:55:51,549 --> 00:55:48,089

9/11 you have Sandy Hook you have the

1342

00:55:53,870 --> 00:55:51,559

JFK assassination let's start there I

1343

00:55:54,350 --> 00:55:53,880

would I'm not so sure let me just say

1344

00:55:56,870 --> 00:55:54,360

let me just

1345

00:55:58,360 --> 00:55:56,880

addresses historically I don't think I

1346

00:56:00,980 --> 00:55:58,370

would reopen the Warren Commission

1347

00:56:02,960 --> 00:56:00,990

because I've always believed that it's

1348

00:56:05,210 --> 00:56:02,970

more important to honor the memory of

1349

00:56:10,930 --> 00:56:05,220

President Kennedy by creating a

1350

00:56:13,760 --> 00:56:10,940

government as as proactive and brilliant

1351

00:56:16,400 --> 00:56:13,770

from a level of law and public policy as

1352

00:56:18,080 --> 00:56:16,410

he was and he was trying to raise a new

1353

00:56:20,690 --> 00:56:18,090

high standard of government so I've

1354

00:56:22,760 --> 00:56:20,700

always believed that in a sense that's

1355

00:56:26,450 --> 00:56:22,770

more important to fashion a US

1356

00:56:28,640 --> 00:56:26,460

government that remembers what President

1357

00:56:31,130 --> 00:56:28,650

Kennedy was trying to achieve rather

1358

00:56:32,300 --> 00:56:31,140

than an obsessive over 50 years later on

1359

00:56:35,450 --> 00:56:32,310

the fact that he was assassinated

1360

00:56:36,800 --> 00:56:35,460

because in point of fact whoever we

1361

00:56:38,440 --> 00:56:36,810

ultimately point the finger at whether

1362

00:56:41,390 --> 00:56:38,450

it was Lyndon Johnson or some set of

1363

00:56:43,310 --> 00:56:41,400

mafia leaders or you know a bunch of

1364

00:56:44,810 --> 00:56:43,320

Texas oilman is described in you know

1365

00:56:47,300 --> 00:56:44,820

the the madeline brown literature

1366

00:56:49,040 --> 00:56:47,310

coupled with JFK and Nixon and a couple

1367

00:56:51,500 --> 00:56:49,050

others the bottom line is that most of

1368

00:56:55,160 --> 00:56:51,510

the malefactors are either dead or dying

1369

00:56:57,170 --> 00:56:55,170

and and the veritable statement of who's

1370

00:56:59,420 --> 00:56:57,180

involved in the killing of President

1371

00:57:01,490 --> 00:56:59,430

Kennedy will never bring him back he

1372

00:57:04,460 --> 00:57:01,500

will always be frozen in time at 46

1373

00:57:06,770 --> 00:57:04,470

years of age after a thousand 64 days in

1374

00:57:09,950 --> 00:57:06,780

office well we can remember and what we

1375

00:57:12,680 --> 00:57:09,960

can bring back is a government worthy of

1376
00:57:14,450 --> 00:57:12,690
Kennedy's vision he was a visionary and

1377
00:57:16,400 --> 00:57:14,460
that's why we loved him as well as well

1378
00:57:18,770 --> 00:57:16,410
as the fact that he possessed a lot of

1379
00:57:21,110 --> 00:57:18,780
very charming personal qualities John F

1380
00:57:24,080 --> 00:57:21,120
Kennedy was a visionary and I think we

1381
00:57:25,610 --> 00:57:24,090
can implement his a vision redefined for

1382
00:57:27,140 --> 00:57:25,620
our time so I don't support the

1383
00:57:29,360 --> 00:57:27,150
reopening of the investigation of his

1384
00:57:32,830 --> 00:57:29,370
death 9/11 is a completely different

1385
00:57:36,740 --> 00:57:32,840
picture the participants are still alive

1386
00:57:38,780 --> 00:57:36,750
we have Larry Silverstein's admission on

1387
00:57:40,820 --> 00:57:38,790
face book for three months excuse me for

1388
00:57:44,150 --> 00:57:40,830

three weeks the owner of the buildings

1389

00:57:47,890 --> 00:57:44,160

that it was a conspiracy to plant

1390

00:57:50,960 --> 00:57:47,900

explosives of some kind in the building

1391

00:57:56,150 --> 00:57:50,970

so there's no statute limitations on

1392

00:58:00,860 --> 00:57:56,160

first-degree murder and many of the

1393

00:58:04,490 --> 00:58:00,870

victims who either lost loved ones or

1394

00:58:05,860 --> 00:58:04,500

were injured are still alive beyond the

1395

00:58:08,059 --> 00:58:05,870

3,000 and were lost in the Twin Towers

1396

00:58:10,130 --> 00:58:08,069

there's still a large

1397

00:58:12,620 --> 00:58:10,140

people who were directly injured they

1398

00:58:14,749 --> 00:58:12,630

lost their their spouses their children

1399

00:58:18,739 --> 00:58:14,759

their parents

1400

00:58:20,509 --> 00:58:18,749

and so I believe that because some of

1401
00:58:22,370 --> 00:58:20,519
the participants have acknowledged on

1402
00:58:24,920 --> 00:58:22,380
the public record as Larry Silverstein

1403
00:58:26,599 --> 00:58:24,930
did and I know this from multiple

1404
00:58:29,479 --> 00:58:26,609
sources as information was up for three

1405
00:58:32,269 --> 00:58:29,489
weeks on Facebook that we need to open

1406
00:58:34,729 --> 00:58:32,279
the investigation because the original

1407
00:58:37,039 --> 00:58:34,739
9/11 investigation was compromised and

1408
00:58:39,499 --> 00:58:37,049
it was again one of these anti-truth

1409
00:58:41,660 --> 00:58:39,509
efforts that was meant to keep the truth

1410
00:58:45,229 --> 00:58:41,670
back from the American people so in fact

1411
00:58:47,299 --> 00:58:45,239
I would if elected president not reopen

1412
00:58:50,359 --> 00:58:47,309
the 9/11 investigation to create a new

1413
00:58:52,789 --> 00:58:50,369

Commission I would appoint perhaps

1414

00:58:55,749 --> 00:58:52,799

governor Jesse Ventura as its chairman

1415

00:58:58,219 --> 00:58:55,759

and maybe a distinguished war-crimes

1416

00:59:01,309 --> 00:58:58,229

jurist like Alfred Lamba Mont Weber as

1417

00:59:04,969 --> 00:59:01,319

co-chair maybe perhaps also Connie Fogle

1418

00:59:07,459 --> 00:59:04,979

as a co co-chair with Alfred and a new

1419

00:59:09,729 --> 00:59:07,469

9/11 Commission of course not only has

1420

00:59:12,680 --> 00:59:09,739

Jesse Ventura surveyed the entire

1421

00:59:15,620 --> 00:59:12,690

Kennedy assassination literature but

1422

00:59:18,400 --> 00:59:15,630

remember that Alfred served Henry

1423

00:59:20,930 --> 00:59:18,410

Gonzalez of Texas on the house

1424

00:59:22,939 --> 00:59:20,940

assassinations committee and was

1425

00:59:25,249 --> 00:59:22,949

instrumental in bringing forward the

1426

00:59:27,829 --> 00:59:25,259

fact that it was a conspiracy not a

1427

00:59:29,630 --> 00:59:27,839

single gunman although then the house

1428

00:59:31,430 --> 00:59:29,640

assassinations committee got compromised

1429

00:59:34,400 --> 00:59:31,440

politically as well but the bottom line

1430

00:59:38,349 --> 00:59:34,410

is I will I will appoint a commission of

1431

00:59:42,469 --> 00:59:38,359

people of unparalleled integrity

1432

00:59:45,529 --> 00:59:42,479

intelligence and demonstrated passion

1433

00:59:47,239 --> 00:59:45,539

for the truth and I think that that

1434

00:59:50,420 --> 00:59:47,249

governor Ventura and Judge Webber

1435

00:59:52,039 --> 00:59:50,430

represent that and I will I will impanel

1436

00:59:55,420 --> 00:59:52,049

an entirely new group of people

1437

00:59:58,609 --> 00:59:55,430

including technical experts but but also

1438

01:00:01,849 --> 00:59:58,619

you know former governors of states such

1439

01:00:03,469 --> 01:00:01,859

as governor Ventura is activists in the

1440

01:00:05,989 --> 01:00:03,479

truth movement or a distinguished jurist

1441

01:00:09,109 --> 01:00:05,999

like Alfred is maybe some members of the

1442

01:00:10,549 --> 01:00:09,119

public technical experts to examine the

1443

01:00:13,009 --> 01:00:10,559

whole question all over again

1444

01:00:14,539 --> 01:00:13,019

because the bottom line is we not we did

1445

01:00:18,739 --> 01:00:14,549

not get the truth about 9/11

1446

01:00:22,250 --> 01:00:18,749

what would deserve him what what would

1447

01:00:25,490 --> 01:00:22,260

you have done different with the

1448

01:00:29,390 --> 01:00:25,500

nuclear agreement with Iran and would

1449

01:00:32,300 --> 01:00:29,400

you change it once in office I'm gonna

1450

01:00:33,710 --> 01:00:32,310

answer by saying that it's an issue that

1451

01:00:35,870 --> 01:00:33,720

I haven't studied and it would be

1452

01:00:37,870 --> 01:00:35,880

disingenuous to say that I have a

1453

01:00:40,700 --> 01:00:37,880

thoughtful opinion by it now I've been

1454

01:00:42,800 --> 01:00:40,710

engrossed in still in practicing law but

1455

01:00:45,440 --> 01:00:42,810

also in started setting up my campaign

1456

01:00:48,230 --> 01:00:45,450

I'm completing my books I haven't

1457

01:00:49,490 --> 01:00:48,240

examined the Iran agreement but I

1458

01:00:52,910 --> 01:00:49,500

certainly think that the Kennedy

1459

01:00:54,860 --> 01:00:52,920

doctrine of never negotiating in fear

1460

01:00:57,290 --> 01:00:54,870

but also never fearing to negotiate

1461

01:01:00,290 --> 01:00:57,300

should define our actions these are the

1462

01:01:02,750 --> 01:01:00,300

other countries rather than this much

1463

01:01:04,730 --> 01:01:02,760

more brutal and superficial doctrine

1464

01:01:07,160 --> 01:01:04,740

that it doesn't matter that we should

1465

01:01:09,590 --> 01:01:07,170

reach cooperative agreements with even

1466

01:01:11,840 --> 01:01:09,600

potential adversaries because we're so

1467

01:01:15,620 --> 01:01:11,850

effective at dropping bombs on villages

1468

01:01:19,430 --> 01:01:15,630

I don't think international security or

1469

01:01:21,470 --> 01:01:19,440

our supply of energy should be won by

1470

01:01:24,830 --> 01:01:21,480

blowing the arms and legs off of little

1471

01:01:26,390 --> 01:01:24,840

Iranian or Iraqi or Afghani children so

1472

01:01:29,120 --> 01:01:26,400

I'm happy to see that the Obama

1473

01:01:31,970 --> 01:01:29,130

administration has sought a nonviolent

1474

01:01:35,420 --> 01:01:31,980

solution to what is perceived as the

1475

01:01:36,920 --> 01:01:35,430

nuclear threat posed by Iran I think

1476

01:01:38,990 --> 01:01:36,930

those are that's in the nature what we

1477

01:01:42,170 --> 01:01:39,000

should be trying to achieve and I

1478

01:01:44,690 --> 01:01:42,180

certainly you know I certainly follow

1479

01:01:46,100 --> 01:01:44,700

professor daleks opinion that one thing

1480

01:01:48,710 --> 01:01:46,110

that we have to control for in

1481

01:01:51,200 --> 01:01:48,720

statecraft is the fact that as a people

1482

01:01:52,790 --> 01:01:51,210

we are so accomplished and we so

1483

01:01:55,370 --> 01:01:52,800

represent the diversity of the entire

1484

01:01:57,410 --> 01:01:55,380

planet that to some extent we're behind

1485

01:01:58,610 --> 01:01:57,420

the 8-ball in terms of being worldly and

1486

01:02:02,000 --> 01:01:58,620

understanding people from other

1487

01:02:04,220 --> 01:02:02,010

countries so I think we have to remind

1488

01:02:06,500 --> 01:02:04,230

ourselves of that that it's it's a far

1489

01:02:08,660 --> 01:02:06,510

better course to seek bilateral

1490

01:02:10,670 --> 01:02:08,670

agreements with potential adversaries

1491

01:02:12,470 --> 01:02:10,680

than to believe that preemptively we

1492

01:02:13,760 --> 01:02:12,480

should go to war against them that

1493

01:02:16,550 --> 01:02:13,770

should or should always be the last

1494

01:02:19,760 --> 01:02:16,560

resort not the first resort and North

1495

01:02:21,950 --> 01:02:19,770

Korea that's is also a consideration for

1496

01:02:26,170 --> 01:02:21,960

every president as he goes into office

1497

01:02:29,000 --> 01:02:26,180

and and how he's going to deal with

1498

01:02:32,900 --> 01:02:29,010

communicate not what's your position

1499

01:02:35,000 --> 01:02:32,910

there my position is what if what I've

1500

01:02:36,320 --> 01:02:35,010

learned about North Korea is true

1501

01:02:38,570 --> 01:02:36,330

again we always have to be cautious

1502

01:02:41,170 --> 01:02:38,580

about the information we're getting that

1503

01:02:44,030 --> 01:02:41,180

North Korea would be a case potentially

1504

01:02:46,520 --> 01:02:44,040

for strategic military strikes and hard

1505

01:02:48,890 --> 01:02:46,530

military targets and have nuclear

1506

01:02:51,050 --> 01:02:48,900

installations because it looks like the

1507

01:02:53,420 --> 01:02:51,060

leadership of North Korea may be trying

1508

01:02:54,890 --> 01:02:53,430

to deliver a nuclear weapon in the

1509

01:02:56,090 --> 01:02:54,900

western United States and that that's

1510

01:02:57,890 --> 01:02:56,100

something we should be seriously

1511

01:03:00,830 --> 01:02:57,900

concerned about I don't think that's

1512

01:03:02,330 --> 01:03:00,840

necessarily true of Iran but again I

1513

01:03:05,000 --> 01:03:02,340

would rather achieve it through

1514

01:03:06,890 --> 01:03:05,010

negotiation the military action but I

1515

01:03:10,940 --> 01:03:06,900

want your listeners to know that I'm not

1516

01:03:13,430 --> 01:03:10,950

opposed to the pre-emptive use of

1517

01:03:16,490 --> 01:03:13,440

military force if it's a situation where

1518

01:03:18,650 --> 01:03:16,500

we can't control a rogue nations attack

1519

01:03:20,270 --> 01:03:18,660

on us with nuclear weapons I think in

1520

01:03:22,910 --> 01:03:20,280

that case it's obviously a case of

1521

01:03:24,890 --> 01:03:22,920

trying to control damage to civilians

1522

01:03:27,020 --> 01:03:24,900

deaths among and injuries among

1523

01:03:29,210 --> 01:03:27,030

civilians but that North Korea might

1524

01:03:31,100 --> 01:03:29,220

present that special case where we would

1525

01:03:33,140 --> 01:03:31,110

have to act preemptively to take out

1526

01:03:36,760 --> 01:03:33,150

their launch facilities and their

1527

01:03:43,220 --> 01:03:41,180

legalization of drugs well I don't

1528

01:03:46,040 --> 01:03:43,230

support the legalization of narcotics

1529

01:03:48,440 --> 01:03:46,050

generally I certainly believe in the use

1530

01:03:50,780 --> 01:03:48,450

of a physician's prescriptions for all

1531

01:03:53,810 --> 01:03:50,790

the dispensing of all synthetic

1532

01:03:56,570 --> 01:03:53,820

inorganic drugs but I in completely

1533

01:04:01,610 --> 01:03:56,580

favor the unconditional legalization of

1534

01:04:04,280 --> 01:04:01,620

marijuana I find it in a sense to a free

1535

01:04:07,220 --> 01:04:04,290

people that an herb that that President

1536

01:04:08,780 --> 01:04:07,230

Washington regularly smoked should be

1537

01:04:11,720 --> 01:04:08,790

illegal and that people should be doing

1538

01:04:14,480 --> 01:04:11,730

5 and 10 and 15 and 20 year prison

1539

01:04:16,940 --> 01:04:14,490

sentences in the hell holes that are our

1540

01:04:19,160 --> 01:04:16,950

state and federal prisons as a result of

1541

01:04:21,710 --> 01:04:19,170

selling other Americans in herb that

1542

01:04:24,800 --> 01:04:21,720

that the father of our country regularly

1543

01:04:27,140 --> 01:04:24,810

imbibed in I will fight for the complete

1544

01:04:29,420 --> 01:04:27,150

decriminalization of marijuana even

1545

01:04:31,490 --> 01:04:29,430

though my own marijuana use was limited

1546

01:04:34,100 --> 01:04:31,500

in high school I smoked a couple of

1547

01:04:36,020 --> 01:04:34,110

joints and didn't like it and I have

1548

01:04:38,240 --> 01:04:36,030

very sensitive ones for my bronchitis in

1549

01:04:41,930 --> 01:04:38,250

childhood so I've never I've never been

1550

01:04:44,060 --> 01:04:41,940

a pot smoker but I do defend the right

1551
01:04:46,280 --> 01:04:44,070
about fellow Americans to be pot smokers

1552
01:04:49,520 --> 01:04:46,290
and I think it's offensive that we that

1553
01:04:52,590 --> 01:04:49,530
marijuana is illegal and I will end it

1554
01:04:53,880 --> 01:04:52,600
we should also by the way tax it every

1555
01:04:55,920 --> 01:04:53,890
time there's a bank withdrawal for

1556
01:05:00,870 --> 01:04:55,930
somebody to increase their grow quite

1557
01:05:02,790 --> 01:05:00,880
we've been making money from it so yeah

1558
01:05:05,340 --> 01:05:02,800
yeah we could answer a lot of problems

1559
01:05:07,320 --> 01:05:05,350
with the the legalization and taxation

1560
01:05:09,690 --> 01:05:07,330
of marijuana oh my goodness oh and also

1561
01:05:12,480 --> 01:05:09,700
also the the the I think we should have

1562
01:05:14,160 --> 01:05:12,490
the unlicensed sale in pharmacies or you

1563
01:05:17,370 --> 01:05:14,170

know in drug stores an over-the-counter

1564

01:05:18,870 --> 01:05:17,380

sale of cannabis oil because it's one of

1565

01:05:21,660 --> 01:05:18,880

the most effective painkillers on the

1566

01:05:24,780 --> 01:05:21,670

planet and it produces a body high not a

1567

01:05:27,840 --> 01:05:24,790

mental high and it's natural substance

1568

01:05:30,380 --> 01:05:27,850

wire wire you know why are people going

1569

01:05:34,080 --> 01:05:30,390

to the doctor to get a prescription for

1570

01:05:36,930 --> 01:05:34,090

some synthetic inorganic compound like

1571

01:05:39,090 --> 01:05:36,940

neurontin which may damage the the

1572

01:05:40,920 --> 01:05:39,100

chemical environment of the synapses in

1573

01:05:44,280 --> 01:05:40,930

their brain when in fact it could be

1574

01:05:46,620 --> 01:05:44,290

taking a tiny little country of cannabis

1575

01:05:49,170 --> 01:05:46,630

oil every morning and having a body high

1576

01:05:51,300 --> 01:05:49,180

from it rather than pain I think we're

1577

01:05:53,820 --> 01:05:51,310

really harming people by not legalizing

1578

01:05:58,620 --> 01:05:53,830

cannabis and I completely support its

1579

01:06:00,330 --> 01:05:58,630

legalization one thing that is that that

1580

01:06:03,360 --> 01:06:00,340

bothers me since we're on the medical

1581

01:06:05,160 --> 01:06:03,370

issue and we're gonna thank you this is

1582

01:06:07,260 --> 01:06:05,170

great we might as well just do this last

1583

01:06:11,940 --> 01:06:07,270

20 minutes and then we'll wrap it up and

1584

01:06:13,440 --> 01:06:11,950

and again thank you so much is is one of

1585

01:06:16,620 --> 01:06:13,450

the things that bothers me

1586

01:06:19,170 --> 01:06:16,630

and it doesn't make sense is when I look

1587

01:06:22,020 --> 01:06:19,180

at this phenomenon that has been

1588

01:06:25,380 --> 01:06:22,030

occurring over the last decade or so or

1589

01:06:28,710 --> 01:06:25,390

longer is prescription medications being

1590

01:06:30,930 --> 01:06:28,720

advertised on television they did to me

1591

01:06:32,730 --> 01:06:30,940

it's a it's an oxymoron it doesn't make

1592

01:06:34,050 --> 01:06:32,740

any sense you're advertising to people

1593

01:06:38,430 --> 01:06:34,060

that don't even know what they're

1594

01:06:43,350 --> 01:06:38,440

looking at you're suggesting symptoms

1595

01:06:46,560 --> 01:06:43,360

and then I guess you're instructing the

1596

01:06:48,210 --> 01:06:46,570

populace to turn around in the hopes of

1597

01:06:49,710 --> 01:06:48,220

advertising and marketing that you're

1598

01:06:53,250 --> 01:06:49,720

going to go back to your doctor and go

1599

01:06:55,800 --> 01:06:53,260

hey what about this drug it shouldn't

1600

01:06:59,000 --> 01:06:55,810

the pharmaceutical industry just be

1601
01:07:02,279 --> 01:06:59,010
advertising their products to doctors in

1602
01:07:05,189 --> 01:07:02,289
professional publications

1603
01:07:08,339 --> 01:07:05,199
and using their pharmaceutical reps to

1604
01:07:10,890 --> 01:07:08,349
go out and instruct doctors out there

1605
01:07:15,299 --> 01:07:10,900
about new medications that are out some

1606
01:07:16,829 --> 01:07:15,309
of them do serve a purpose but I think

1607
01:07:18,359 --> 01:07:16,839
it's completely wrong for the

1608
01:07:21,539 --> 01:07:18,369
pharmaceutical industry to be

1609
01:07:23,370 --> 01:07:21,549
advertising prescription drugs when we

1610
01:07:28,349 --> 01:07:23,380
don't even know what they are and you're

1611
01:07:31,919 --> 01:07:28,359
suggesting symptoms out there that you

1612
01:07:36,259 --> 01:07:31,929
know you're asking the populace to to

1613
01:07:38,489 --> 01:07:36,269

examine themselves and to come up with a

1614

01:07:39,659 --> 01:07:38,499

diagnosis and then they turn around and

1615

01:07:42,569 --> 01:07:39,669

go to your doctor what do you think

1616

01:07:44,039 --> 01:07:42,579

about that would you change that I've

1617

01:07:46,199 --> 01:07:44,049

never thought about that specific issue

1618

01:07:48,569 --> 01:07:46,209

of advertising prescription drugs on

1619

01:07:50,339 --> 01:07:48,579

television well I agree with all I agree

1620

01:07:53,219 --> 01:07:50,349

with your major premise and all the

1621

01:07:55,109 --> 01:07:53,229

minor premises have supported it it's

1622

01:07:57,630 --> 01:07:55,119

essentially an oxymoron because the

1623

01:07:59,459 --> 01:07:57,640

doctors are the prescribers right so why

1624

01:08:02,239 --> 01:07:59,469

are you creating a market of dependency

1625

01:08:04,169 --> 01:08:02,249

a culture of dependency what so that the

1626

01:08:06,239 --> 01:08:04,179

patients are going to the physician than

1627

01:08:08,099 --> 01:08:06,249

saying should I be on this again if

1628

01:08:10,309 --> 01:08:08,109

they're the dispenser and they're making

1629

01:08:12,689 --> 01:08:10,319

an ethical medical decision just to

1630

01:08:15,359 --> 01:08:12,699

teach you prescribe a synthetic

1631

01:08:16,890 --> 01:08:15,369

inorganic compound but the general

1632

01:08:18,470 --> 01:08:16,900

remember the general public has no

1633

01:08:21,720 --> 01:08:18,480

understanding of the chemistry or the

1634

01:08:24,809 --> 01:08:21,730

biology of the use of that of that drug

1635

01:08:26,370 --> 01:08:24,819

I agree with that premise I also agree

1636

01:08:29,339 --> 01:08:26,380

with the premise that we shouldn't be

1637

01:08:31,919 --> 01:08:29,349

creating a culture of drug dependency

1638

01:08:34,349 --> 01:08:31,929

because in fact the synthetic inorganic

1639

01:08:36,359 --> 01:08:34,359

approach should be the last resort we

1640

01:08:38,849 --> 01:08:36,369

should be prescribing herbal and other

1641

01:08:40,799 --> 01:08:38,859

approaches that are natural before we

1642

01:08:43,530 --> 01:08:40,809

place people on synthetic inorganic

1643

01:08:45,569 --> 01:08:43,540

compounds which has it's terrible side

1644

01:08:47,370 --> 01:08:45,579

effects which are often toxic you know I

1645

01:08:49,620 --> 01:08:47,380

haven't some that kind of sort of

1646

01:08:52,410 --> 01:08:49,630

hilarious in the level of dark humor

1647

01:08:57,359 --> 01:08:52,420

that some of them suggest that most of

1648

01:08:59,160 --> 01:08:57,369

the side effects is death yeah people do

1649

01:09:01,799 --> 01:08:59,170

this they do that I think to avoid

1650

01:09:03,749 --> 01:09:01,809

liability yeah oh yeah great I'm going

1651
01:09:07,499 --> 01:09:03,759
to get rid of my migraine headaches by

1652
01:09:08,849 --> 01:09:07,509
possibly dying you know so so I don't

1653
01:09:12,660 --> 01:09:08,859
have migraines but I'm just using as an

1654
01:09:14,280 --> 01:09:12,670
example but um so yeah I agree with your

1655
01:09:15,660 --> 01:09:14,290
basic premise but if we're not going to

1656
01:09:17,669 --> 01:09:15,670
have cigarette smoking because we don't

1657
01:09:20,329 --> 01:09:17,679
want to create a culture of tobacco

1658
01:09:22,950 --> 01:09:20,339
dependency the same logic holds for a

1659
01:09:24,809 --> 01:09:22,960
culture of drug dependency and ID so I

1660
01:09:28,079 --> 01:09:24,819
agree with your your idea and I would

1661
01:09:30,360 --> 01:09:28,089
support advancing that as president yeah

1662
01:09:32,490 --> 01:09:30,370
whenever I see a commercial and it's

1663
01:09:43,140 --> 01:09:32,500

just like okay side effects are itchy

1664

01:09:44,490 --> 01:09:43,150

skin and suicidal dreams I'm kind of

1665

01:09:48,749 --> 01:09:44,500

anti-drug I like to tell people I've

1666

01:09:51,120 --> 01:09:48,759

survived I've gotten to age 53 utilizing

1667

01:09:54,360 --> 01:09:51,130

basically in acecomm and an oral-b

1668

01:09:55,890 --> 01:09:54,370

toothbrush I'm trying you know I'm kind

1669

01:09:58,919 --> 01:09:55,900

of a Roth major in terms of my

1670

01:10:01,320 --> 01:09:58,929

parsimonious behavior towards pampering

1671

01:10:03,450 --> 01:10:01,330

myself with you know hair dryers and

1672

01:10:04,770 --> 01:10:03,460

electric hair dryers and taking you know

1673

01:10:07,320 --> 01:10:04,780

good running to my doctor to take

1674

01:10:09,660 --> 01:10:07,330

medication but I'm taking very few drugs

1675

01:10:13,709 --> 01:10:09,670

in my life from like you have to be

1676

01:10:15,780 --> 01:10:13,719

prescribed in my physicians yes I will

1677

01:10:20,220 --> 01:10:15,790

say this Andrew and I when we were

1678

01:10:23,669 --> 01:10:20,230

hanging out last month he walked away

1679

01:10:25,290 --> 01:10:23,679

from me when the subject of cigarettes

1680

01:10:29,360 --> 01:10:25,300

came up he was like dude I can't even

1681

01:10:32,880 --> 01:10:29,370

don't even don't even stand next to me

1682

01:10:34,470 --> 01:10:32,890

I'm a purist enforce oxygen supply it

1683

01:10:36,090 --> 01:10:34,480

was really funny I was like do now stand

1684

01:10:38,729 --> 01:10:36,100

downwind well it doesn't matter I'm

1685

01:10:40,290 --> 01:10:38,739

going this yeah I am a nonsmoker I've

1686

01:10:42,990 --> 01:10:40,300

never smoked my lungs are too sensitive

1687

01:10:48,180 --> 01:10:43,000

I've done a couple joints a couple puffs

1688

01:10:50,729 --> 01:10:48,190

on a marijuana you know on a bong

1689

01:10:53,310 --> 01:10:50,739

I think I tried one line of cocaine I'm

1690

01:10:55,229 --> 01:10:53,320

just not somebody who likes drugs so I

1691

01:10:58,380 --> 01:10:55,239

don't have any issues regarding drug

1692

01:11:02,580 --> 01:10:58,390

dependency I try to treat myself with

1693

01:11:04,490 --> 01:11:02,590

organic foods and and attitudinal shifts

1694

01:11:07,050 --> 01:11:04,500

and just music and stuff when I get sick

1695

01:11:08,400 --> 01:11:07,060

I'm I actually avoid going in

1696

01:11:10,500 --> 01:11:08,410

antibiotics because I always say to

1697

01:11:12,540 --> 01:11:10,510

people well those are the big cannons I

1698

01:11:13,860 --> 01:11:12,550

want to keep in reserve and they say

1699

01:11:16,979 --> 01:11:13,870

what do you mean reserve I say like when

1700

01:11:18,120 --> 01:11:16,989

I get tuberculosis yeah you know I don't

1701

01:11:20,640 --> 01:11:18,130

want to I don't want to uh

1702

01:11:23,220 --> 01:11:20,650

I'm able to cop this up myself okay I

1703

01:11:25,020 --> 01:11:23,230

don't need to drug it tap out of my body

1704

01:11:27,720 --> 01:11:25,030

you know so I'm very very personal oh

1705

01:11:28,910 --> 01:11:27,730

nice about I've done very few or very

1706

01:11:30,860 --> 01:11:28,920

little of record

1707

01:11:32,180 --> 01:11:30,870

drug-taking but I've also avoided

1708

01:11:33,860 --> 01:11:32,190

prescription drug taking because the

1709

01:11:35,390 --> 01:11:33,870

bottom line is you know a lot of them a

1710

01:11:38,270 --> 01:11:35,400

tablet to that stuff ends up in your

1711

01:11:39,680 --> 01:11:38,280

liver and has to be voided with a liver

1712

01:11:41,780 --> 01:11:39,690

cleanse and a lot of it stays around

1713

01:11:43,250 --> 01:11:41,790

three years and I learned that at a

1714

01:11:44,540 --> 01:11:43,260

fairly young age and I've been pretty

1715

01:11:47,150 --> 01:11:44,550

much of an abstainer even from

1716

01:11:52,130 --> 01:11:47,160

prescription drug taking I'm proud to

1717

01:11:58,669 --> 01:11:52,140

say right now GMOs and now that it

1718

01:12:01,610 --> 01:11:58,679

certainly seems to have you know it's

1719

01:12:03,610 --> 01:12:01,620

come to a line in the sand and when

1720

01:12:06,260 --> 01:12:03,620

you're looking at fast food restaurants

1721

01:12:09,020 --> 01:12:06,270

changing their aspect of GMOs and and

1722

01:12:14,330 --> 01:12:09,030

general foods and and and all of this

1723

01:12:16,130 --> 01:12:14,340

artificial ingredients you know fight

1724

01:12:18,740 --> 01:12:16,140

there's a fight back on it now and it

1725

01:12:22,030 --> 01:12:18,750

seems to be to be working because of the

1726

01:12:24,860 --> 01:12:22,040

you know it comes down to money when

1727

01:12:26,750 --> 01:12:24,870

fast food restaurants are suggesting

1728

01:12:28,340 --> 01:12:26,760

that that's it we're gonna end this now

1729

01:12:30,439 --> 01:12:28,350

because they've seen the decline in

1730

01:12:33,070 --> 01:12:30,449

money and and they have to make a change

1731

01:12:37,880 --> 01:12:33,080

what's your position on things like

1732

01:12:40,060 --> 01:12:37,890

Monsanto and GMOs i I've been on the

1733

01:12:43,550 --> 01:12:40,070

record for several the public record for

1734

01:12:44,900 --> 01:12:43,560

several years now as stating that if I'm

1735

01:12:49,729 --> 01:12:44,910

elected president knighted States in

1736

01:12:52,070 --> 01:12:49,739

2016 I will fight for an international

1737

01:12:55,000 --> 01:12:52,080

ban on genetically modified organisms I

1738

01:12:58,160 --> 01:12:55,010

believe the reason that we should

1739

01:13:00,229 --> 01:12:58,170

prevent their production is that they

1740

01:13:03,680 --> 01:13:00,239

mutilate the natural genome of the

1741

01:13:06,709 --> 01:13:03,690

planet out of their proper natural state

1742

01:13:08,390 --> 01:13:06,719

and I think that that's something that

1743

01:13:11,120 --> 01:13:08,400

we don't want to give a corporation the

1744

01:13:13,330 --> 01:13:11,130

power to do we don't want to allow the

1745

01:13:18,130 --> 01:13:13,340

Monsanto Monsanto's of the world to

1746

01:13:20,720 --> 01:13:18,140

privatize the fertility of seeds and

1747

01:13:22,939 --> 01:13:20,730

require us to be dependent on and for

1748

01:13:26,360 --> 01:13:22,949

our seed production but I don't think we

1749

01:13:28,430 --> 01:13:26,370

want to allow them to be involved in the

1750

01:13:31,070 --> 01:13:28,440

mutilation of life as we know it as my

1751

01:13:33,020 --> 01:13:31,080

mentor Norman Cousins once put it when

1752

01:13:35,510 --> 01:13:33,030

he was chairing an appearance by the

1753

01:13:37,910 --> 01:13:35,520

geneticist Paul Berg of Stanford

1754

01:13:40,340 --> 01:13:37,920

actually a Nobel laureate at the

1755

01:13:42,779 --> 01:13:40,350

wodsworth VA center one night in the

1756

01:13:44,609 --> 01:13:42,789

early 1980s Norman

1757

01:13:48,990 --> 01:13:44,619

got very angry with a member of the

1758

01:13:51,629 --> 01:13:49,000

public and said look I'm just giving my

1759

01:13:56,399 --> 01:13:51,639

opinion here and I believe this kind of

1760

01:14:00,089 --> 01:13:56,409

genetic modification is mutilating the

1761

01:14:03,209 --> 01:14:00,099

natural genome out of its original

1762

01:14:06,080 --> 01:14:03,219

condition and so Norman raised the alarm

1763

01:14:08,879 --> 01:14:06,090

about the genetically modified organisms

1764

01:14:10,470 --> 01:14:08,889

2530 years ago now here's that he was

1765

01:14:12,479 --> 01:14:10,480

ahead of his time and a lot of the stuff

1766

01:14:14,160 --> 01:14:12,489

you'd go back and read Norman's

1767

01:14:17,729 --> 01:14:14,170

editorial for the Saturday Review he was

1768

01:14:19,350 --> 01:14:17,739

talking about this stuff in the 70s you

1769

01:14:21,359 --> 01:14:19,360

know the threat posed by genetically

1770

01:14:23,220 --> 01:14:21,369

modifying organisms so I would actually

1771

01:14:25,770 --> 01:14:23,230

fight for an international moratorium

1772

01:14:27,049 --> 01:14:25,780

and it hurts Monsanto them tough darts

1773

01:14:29,609 --> 01:14:27,059

that should have been involved in

1774

01:14:32,459 --> 01:14:29,619

agricultural productivity rather than

1775

01:14:35,310 --> 01:14:32,469

genetic modification how are you gonna

1776

01:14:38,310 --> 01:14:35,320

fund your campaign and now we're talking

1777

01:14:39,540 --> 01:14:38,320

about a lot of money here and it's

1778

01:14:41,370 --> 01:14:39,550

something that you have to think about

1779

01:14:45,060 --> 01:14:41,380

every single day you can't do it without

1780

01:14:46,470 --> 01:14:45,070

money well in order to fund a campaign

1781

01:14:48,000 --> 01:14:46,480

one of the first things you have to do

1782

01:14:49,709 --> 01:14:48,010

is create a website and you have to

1783

01:14:51,750 --> 01:14:49,719

write you have to file with the federal

1784

01:14:53,299 --> 01:14:51,760

government because if you don't have a

1785

01:14:56,040 --> 01:14:53,309

website presence and you haven't filed

1786

01:14:57,779 --> 01:14:56,050

you're not taken seriously I believe

1787

01:15:00,569 --> 01:14:57,789

that will happen when I do both of those

1788

01:15:03,209 --> 01:15:00,579

things primarily I'm going to be taking

1789

01:15:05,609 --> 01:15:03,219

a modern approach a contemporary

1790

01:15:08,490 --> 01:15:05,619

approach of delivering content through

1791

01:15:11,399 --> 01:15:08,500

YouTube because look if I give a great

1792

01:15:13,919 --> 01:15:11,409

speech in Mobile Alabama or Topeka

1793

01:15:17,009 --> 01:15:13,929

Kansas or dong in Washington and it

1794

01:15:18,899 --> 01:15:17,019

reaches a roomful of 200 people it

1795

01:15:21,209 --> 01:15:18,909

simply can be great politics but it's

1796

01:15:23,279 --> 01:15:21,219

not going to have the effect of just

1797

01:15:25,020 --> 01:15:23,289

appearing before the camera and sharing

1798

01:15:27,660 --> 01:15:25,030

my ideas with the American people over

1799

01:15:32,390 --> 01:15:27,670

YouTube so I'm going to I'm going to

1800

01:15:34,830 --> 01:15:32,400

lead a very heavily YouTube dependent

1801

01:15:39,689 --> 01:15:34,840

outreach during the campaign for that

1802

01:15:41,399 --> 01:15:39,699

year of November 2015 to 16 and make a

1803

01:15:43,379 --> 01:15:41,409

case with the American people as to why

1804

01:15:45,899 --> 01:15:43,389

they should vote for me I don't have the

1805

01:15:47,370 --> 01:15:45,909

money to even get ballot access so we're

1806

01:15:49,950 --> 01:15:47,380

going to be identifying what states

1807

01:15:52,709 --> 01:15:49,960

allow for a write-in and then we will go

1808

01:15:55,500 --> 01:15:52,719

for the creation of at least one elector

1809

01:15:56,339 --> 01:15:55,510

in the states that don't permit a

1810

01:15:57,870 --> 01:15:56,349

write-in vote

1811

01:15:59,129 --> 01:15:57,880

and I also recognize that I'm telling

1812

01:16:01,859 --> 01:15:59,139

the long game you know what I'm trying

1813

01:16:05,310 --> 01:16:01,869

to do is bring integrity back into the

1814

01:16:09,300 --> 01:16:05,320

market presidential politics and so I'm

1815

01:16:11,640 --> 01:16:09,310

not anand asparagus I'm not becoming

1816

01:16:13,080 --> 01:16:11,650

overbought but I have to become

1817

01:16:16,910 --> 01:16:13,090

president in 2016

1818

01:16:20,760 --> 01:16:16,920

maybe it's Hillary's turn maybe it's I

1819

01:16:23,339 --> 01:16:20,770

don't know Rand Paul's turn but I know

1820

01:16:24,959 --> 01:16:23,349

from what I was told by my father and

1821

01:16:27,000 --> 01:16:24,969

Courtney Hunt and I ultimately reached

1822

01:16:28,709 --> 01:16:27,010

the White House so that may involve

1823

01:16:30,839 --> 01:16:28,719

accepting the vice presidential spot

1824

01:16:32,520 --> 01:16:30,849

from somebody in the nicest heed to the

1825

01:16:35,430 --> 01:16:32,530

sitting president I don't know those

1826

01:16:36,870 --> 01:16:35,440

details and by the way I wasn't told by

1827

01:16:39,720 --> 01:16:36,880

anybody in government that I become

1828

01:16:41,790 --> 01:16:39,730

president as a result of running in 2016

1829

01:16:43,680 --> 01:16:41,800

I was simply told that I was a future

1830

01:16:45,290 --> 01:16:43,690

president and that's all I was told I

1831

01:16:48,629 --> 01:16:45,300

wasn't told when I reach it through

1832

01:16:50,550 --> 01:16:48,639

direct election or as a vice president

1833

01:16:52,500 --> 01:16:50,560

or lesser cabinet official seceding the

1834

01:16:53,010 --> 01:16:52,510

president I wasn't given any of the

1835

01:16:55,620 --> 01:16:53,020

details

1836

01:16:56,970 --> 01:16:55,630

I was simply said get ready prepare

1837

01:16:59,520 --> 01:16:56,980

yourself because you're a future

1838

01:17:02,550 --> 01:16:59,530

president so you're going to monetize

1839

01:17:06,209 --> 01:17:02,560

the YouTube videos or you can ask for

1840

01:17:08,700 --> 01:17:06,219

donations or both through YouTube I'm

1841

01:17:11,459 --> 01:17:08,710

going to I'm going to share policy and

1842

01:17:17,790 --> 01:17:11,469

then ask for donation by referring the

1843

01:17:20,850 --> 01:17:17,800

viewer to both both my website and my

1844

01:17:22,709 --> 01:17:20,860

paypal address and my address to send

1845

01:17:24,569 --> 01:17:22,719

donations physically in the form of a

1846

01:17:26,300 --> 01:17:24,579

check or what have you and then the

1847

01:17:29,580 --> 01:17:26,310

website will also have the credit card

1848

01:17:31,200 --> 01:17:29,590

capability but my point here is and we

1849

01:17:32,939 --> 01:17:31,210

found out in the conference position

1850

01:17:35,310 --> 01:17:32,949

while under get the truth out about a

1851

01:17:38,010 --> 01:17:35,320

time travel that it was more effective

1852

01:17:40,200 --> 01:17:38,020

to do a teleconference from home with

1853

01:17:41,930 --> 01:17:40,210

300 people around the world on one of

1854

01:17:46,830 --> 01:17:41,940

the services that allows you to do that

1855

01:17:48,660 --> 01:17:46,840

then to get 30 people or 300 people to a

1856

01:17:49,859 --> 01:17:48,670

physical location because even if you've

1857

01:17:51,660 --> 01:17:49,869

got the same number of people who were

1858

01:17:53,250 --> 01:17:51,670

telling the teleconference they all

1859

01:17:56,609 --> 01:17:53,260

contributed to global warming on the way

1860

01:17:58,859 --> 01:17:56,619

there right why burned dead dinosaurs to

1861

01:18:00,750 --> 01:17:58,869

get people to physical locations when we

1862

01:18:02,729 --> 01:18:00,760

can all be linked with other conferring

1863

01:18:05,310 --> 01:18:02,739

parties you know other attendees to a

1864

01:18:07,290 --> 01:18:05,320

public event wherever we were wherever

1865

01:18:09,810 --> 01:18:07,300

we are on the planet so I'm definitely

1866

01:18:11,760 --> 01:18:09,820

going to utilize the instrum

1867

01:18:13,890 --> 01:18:11,770

tality to the internet to wage my

1868

01:18:16,380 --> 01:18:13,900

campaign sure I'll do some public

1869

01:18:18,450 --> 01:18:16,390

appearances I'm sure that I will do an

1870

01:18:20,790 --> 01:18:18,460

announcement speech publicly and I will

1871

01:18:23,160 --> 01:18:20,800

travel around the country giving

1872

01:18:25,500 --> 01:18:23,170

speeches occasionally but I'm not going

1873

01:18:28,290 --> 01:18:25,510

to do a Barnstormer we had originally

1874

01:18:30,480 --> 01:18:28,300

considered 200 cities you know in 2016

1875

01:18:31,890 --> 01:18:30,490

there's no purpose in doing that because

1876

01:18:33,500 --> 01:18:31,900

that gets less coverage than even

1877

01:18:36,690 --> 01:18:33,510

filling something for YouTube

1878

01:18:38,370 --> 01:18:36,700

so why put myself in that local place

1879

01:18:40,320 --> 01:18:38,380

well the global places are available

1880

01:18:42,300 --> 01:18:40,330

online I have to use YouTube that's

1881

01:18:45,000 --> 01:18:42,310

inevitable yeah totally

1882

01:18:51,500 --> 01:18:45,010

one last question before we wrap this up

1883

01:18:55,920 --> 01:18:54,510

well I would say this it's covered more

1884

01:19:00,210 --> 01:18:55,930

in the mass media than maybe what

1885

01:19:03,480 --> 01:19:00,220

reality is but what's your position

1886

01:19:05,400 --> 01:19:03,490

there my position is that I don't

1887

01:19:07,890 --> 01:19:05,410

believe fundamentally were any longer a

1888

01:19:10,560 --> 01:19:07,900

racist country we're the only country

1889

01:19:12,720 --> 01:19:10,570

for example that has enacted any

1890

01:19:15,420 --> 01:19:12,730

doctrine anything like Africa doctrine

1891

01:19:18,330 --> 01:19:15,430

of affirmative action we also fought a

1892

01:19:20,880 --> 01:19:18,340

civil war that was incredibly damaging

1893

01:19:23,430 --> 01:19:20,890

to the country in which predominantly

1894

01:19:23,910 --> 01:19:23,440

Caucasian men fought to both save the

1895

01:19:26,400 --> 01:19:23,920

Union

1896

01:19:28,320 --> 01:19:26,410

and also to end slavery because in fact

1897

01:19:30,930 --> 01:19:28,330

see but this has been somewhat disguised

1898

01:19:33,930 --> 01:19:30,940

from us the reason a civil war broke out

1899

01:19:36,720 --> 01:19:33,940

is because the abolitionist abolitionist

1900

01:19:38,820 --> 01:19:36,730

candidate won the election Lincoln was

1901

01:19:41,130 --> 01:19:38,830

no longer a fence-sitter on slavery when

1902

01:19:43,200 --> 01:19:41,140

he was elected all you have to do is go

1903

01:19:45,390 --> 01:19:43,210

to his the the campaign saw him by the

1904

01:19:46,830 --> 01:19:45,400

Hutchinson singers of New Hampshire the

1905

01:19:50,070 --> 01:19:46,840

Granite State who were vaunted

1906

01:19:52,980 --> 01:19:50,080

abolitionists to see which which Lincoln

1907

01:19:55,470 --> 01:19:52,990

selected as his campaign song to see the

1908

01:19:58,470 --> 01:19:55,480

fact that when he ran in 1860 he ran as

1909

01:20:01,170 --> 01:19:58,480

the abolitionist Emmett the candidate

1910

01:20:03,570 --> 01:20:01,180

who was pledged to end slavery even if

1911

01:20:05,850 --> 01:20:03,580

it meant imposing an end to slavery on

1912

01:20:09,090 --> 01:20:05,860

the southern states where slavery still

1913

01:20:12,990 --> 01:20:09,100

existed so I believe that in the hundred

1914

01:20:16,170 --> 01:20:13,000

years between then in the 1960s we were

1915

01:20:19,790 --> 01:20:16,180

addressing our racism both at the level

1916

01:20:22,590 --> 01:20:19,800

of popular sentiment and law creation

1917

01:20:23,580 --> 01:20:22,600

now that 50 more years had passed I

1918

01:20:26,189 --> 01:20:23,590

don't believe that

1919

01:20:28,109 --> 01:20:26,199

a fundamentally racist country but we're

1920

01:20:31,649 --> 01:20:28,119

we're a country where the legacy of

1921

01:20:34,979 --> 01:20:31,659

slavery Jim Crow and institutionalized

1922

01:20:37,339 --> 01:20:34,989

racism still affects a particular part

1923

01:20:40,229 --> 01:20:37,349

of our society and that is

1924

01:20:43,729 --> 01:20:40,239

african-american men between 18 and 35

1925

01:20:47,339 --> 01:20:43,739

years of age they are disproportionately

1926

01:20:49,410 --> 01:20:47,349

jailed they are disproportionately not

1927

01:20:52,770 --> 01:20:49,420

educated at the high school and college

1928

01:20:55,080 --> 01:20:52,780

level they are disproportionately dying

1929

01:20:56,910 --> 01:20:55,090

before they reach maturity they're

1930

01:20:59,370 --> 01:20:56,920

disproportionately dying from diseases

1931

01:21:02,729 --> 01:20:59,380

that could be prevented from violence

1932

01:21:05,100 --> 01:21:02,739

and especially they put they're

1933

01:21:07,740 --> 01:21:05,110

disproportionately represented among

1934

01:21:11,339 --> 01:21:07,750

victims of the improper use the

1935

01:21:13,500 --> 01:21:11,349

excessive use of police violence so we

1936

01:21:15,060 --> 01:21:13,510

have a police violence problem that

1937

01:21:17,060 --> 01:21:15,070

isn't contained within the

1938

01:21:19,859 --> 01:21:17,070

african-american population nor indeed

1939

01:21:22,229 --> 01:21:19,869

within the male african-american

1940

01:21:23,220 --> 01:21:22,239

population it's a problem for the whole

1941

01:21:25,740 --> 01:21:23,230

country that we're going to have to

1942

01:21:27,930 --> 01:21:25,750

address we're going to have to address

1943

01:21:30,629 --> 01:21:27,940

the fact that a police officer is

1944

01:21:33,270 --> 01:21:30,639

supposed to use his handgun as a last

1945

01:21:36,839 --> 01:21:33,280

resort not as a first resort we also

1946

01:21:38,700 --> 01:21:36,849

have to examine the way policing is

1947

01:21:40,890 --> 01:21:38,710

occurring both generally within the

1948

01:21:43,140 --> 01:21:40,900

society and specifically within

1949

01:21:45,780 --> 01:21:43,150

predominantly african-american

1950

01:21:47,780 --> 01:21:45,790

inner-city neighborhoods that's creating

1951

01:21:50,310 --> 01:21:47,790

a situation where a young

1952

01:21:53,310 --> 01:21:50,320

african-american male is about four

1953

01:21:56,399 --> 01:21:53,320

times more likely than he should be on a

1954

01:21:58,919 --> 01:21:56,409

per capita basis to die as a result of

1955

01:22:00,919 --> 01:21:58,929

police violence so I think we have a

1956

01:22:03,600 --> 01:22:00,929

measure of institutionalized racism

1957

01:22:06,180 --> 01:22:03,610

embedded in the larger problem of police

1958

01:22:08,640 --> 01:22:06,190

violence and it's very difficult and

1959

01:22:11,970 --> 01:22:08,650

intractable but what we can say is that

1960

01:22:14,399 --> 01:22:11,980

if we're really going to end the civil

1961

01:22:16,800 --> 01:22:14,409

war it's not just going to be a matter

1962

01:22:18,209 --> 01:22:16,810

of symbolically convincing South

1963

01:22:20,550 --> 01:22:18,219

Carolina maybe some of the other

1964

01:22:22,530 --> 01:22:20,560

southern states to no longer fly the

1965

01:22:25,169 --> 01:22:22,540

Confederate flag which was in fact the

1966

01:22:28,700 --> 01:22:25,179

battle flag of the Confederate Army it's

1967

01:22:30,780 --> 01:22:28,710

13 stars represent the 13th the 13

1968

01:22:32,939 --> 01:22:30,790

states that broke away from the Union

1969

01:22:34,830 --> 01:22:32,949

and became the Confederacy they don't

1970

01:22:36,959 --> 01:22:34,840

represent the 13 original colonies as

1971

01:22:37,500 --> 01:22:36,969

some people have suggested so the

1972

01:22:39,660 --> 01:22:37,510

Confederate

1973

01:22:42,000 --> 01:22:39,670

Lag is somewhat of an historical offense

1974

01:22:43,410 --> 01:22:42,010

to what the country achieved in the

1975

01:22:45,600 --> 01:22:43,420

civil war which was the saving of the

1976

01:22:47,340 --> 01:22:45,610

Union and the ending of slavery but if

1977

01:22:49,800 --> 01:22:47,350

we're to truly end the negative effects

1978

01:22:52,260 --> 01:22:49,810

of slavery Jim Crow and of

1979

01:22:54,180 --> 01:22:52,270

institutionalized racism I believe we

1980

01:22:55,860 --> 01:22:54,190

need to take a larger per capita share

1981

01:22:59,580 --> 01:22:55,870

of those federal revenues from my one

1982

01:23:02,910 --> 01:22:59,590

tax and we need to invest in education

1983

01:23:05,190 --> 01:23:02,920

and job creation among African Americans

1984

01:23:06,750 --> 01:23:05,200

particularly african-american males when

1985

01:23:09,600 --> 01:23:06,760

I discuss this issue with African

1986

01:23:12,930 --> 01:23:09,610

Americans I say if greater federal

1987

01:23:14,370 --> 01:23:12,940

spending was provided to African

1988

01:23:17,100 --> 01:23:14,380

Americans to have the same level of

1989

01:23:19,200 --> 01:23:17,110

economic attainment as whites and

1990

01:23:20,550 --> 01:23:19,210

Hispanics and Asian's what kinds of

1991

01:23:22,380 --> 01:23:20,560

things would you like to see and I often

1992

01:23:24,240 --> 01:23:22,390

get surprising answers like one woman

1993

01:23:26,720 --> 01:23:24,250

said the black woman from Los Angeles

1994

01:23:28,920 --> 01:23:26,730

said how about how to write a resume

1995

01:23:30,750 --> 01:23:28,930

nobody in the black community knows how

1996

01:23:31,800 --> 01:23:30,760

you apply for a job and create a resume

1997

01:23:34,050 --> 01:23:31,810

about what you've done

1998

01:23:36,480 --> 01:23:34,060

it's an area it's like a cultural blind

1999

01:23:39,320 --> 01:23:36,490

spot that we're not taught in school or

2000

01:23:42,240 --> 01:23:39,330

you know in high school or college so

2001
01:23:45,210 --> 01:23:42,250
what we need to do is we need to spend

2002
01:23:47,370 --> 01:23:45,220
more on the economic uplift Minh Tong

2003
01:23:49,320 --> 01:23:47,380
black men we have to do it we have an

2004
01:23:51,510 --> 01:23:49,330
historical duty to do it that's my

2005
01:23:53,640 --> 01:23:51,520
position and that may seem very liberal

2006
01:23:57,350 --> 01:23:53,650
to some people but look at the history

2007
01:23:59,580 --> 01:23:57,360
of the country we have a duty to do it

2008
01:24:01,710 --> 01:23:59,590
so that would that would be something

2009
01:24:04,170 --> 01:24:01,720
that I would earmark as a significant

2010
01:24:07,020 --> 01:24:04,180
domestic issue is the fact that there

2011
01:24:09,690 --> 01:24:07,030
are more black men in prison or on

2012
01:24:12,150 --> 01:24:09,700
probation or parole than in college in

2013
01:24:14,880 --> 01:24:12,160

any given year that is an historical

2014

01:24:18,360 --> 01:24:14,890

disgrace and we need to end it by

2015

01:24:19,890 --> 01:24:18,370

investing in the economic upliftment of

2016

01:24:22,500 --> 01:24:19,900

the african-american community I just

2017

01:24:24,510 --> 01:24:22,510

want to close out on this I was going to

2018

01:24:26,640 --> 01:24:24,520

minor in African American relations but

2019

01:24:29,370 --> 01:24:26,650

I ended up in that UCLA but ended up

2020

01:24:31,140 --> 01:24:29,380

minoring in Latin American history but I

2021

01:24:32,580 --> 01:24:31,150

did learn something about the history of

2022

01:24:35,580 --> 01:24:32,590

African Americans and one thing I would

2023

01:24:37,650 --> 01:24:35,590

point out is the whole emphasis by the

2024

01:24:40,140 --> 01:24:37,660

mainstream culture in terms of dealing

2025

01:24:43,290 --> 01:24:40,150

with the african-american culture has it

2026

01:24:46,050 --> 01:24:43,300

has focused on the civil rights

2027

01:24:48,330 --> 01:24:46,060

tradition of individuals like Malcolm X

2028

01:24:51,209 --> 01:24:48,340

and Martin Luther King and it's ignored

2029

01:24:53,670 --> 01:24:51,219

the economic rights and the press

2030

01:24:54,810 --> 01:24:53,680

barity rights position of black leaders

2031

01:24:57,000 --> 01:24:54,820

like marcus garvey

2032

01:25:00,390 --> 01:24:57,010

and i think that's what we need to

2033

01:25:03,000 --> 01:25:00,400

recapture we need to say look we need to

2034

01:25:06,450 --> 01:25:03,010

spend dollars to make African Americans

2035

01:25:09,959 --> 01:25:06,460

as successful as other Americans on a

2036

01:25:12,870 --> 01:25:09,969

per capita basis if that means spending

2037

01:25:15,209 --> 01:25:12,880

more on predominantly black schools in

2038

01:25:17,640 --> 01:25:15,219

the inner-city we have to do it if it

2039

01:25:20,430 --> 01:25:17,650

means eliminating from prison all nine

2040

01:25:22,350 --> 01:25:20,440

nonviolent drug offenders to include

2041

01:25:25,050 --> 01:25:22,360

people who have been involved in crimes

2042

01:25:27,270 --> 01:25:25,060

of survival like drug trafficking in the

2043

01:25:30,000 --> 01:25:27,280

inner-city we need to release all the

2044

01:25:31,500 --> 01:25:30,010

nonviolent drug offenders from prison by

2045

01:25:33,120 --> 01:25:31,510

the way I feel that President Obama has

2046

01:25:35,880 --> 01:25:33,130

started to do that as I've long been

2047

01:25:37,500 --> 01:25:35,890

saying that you should so if he's

2048

01:25:39,510 --> 01:25:37,510

borrowing from me he's being ethical in

2049

01:25:42,360 --> 01:25:39,520

a way that Ted Cruz isn't being ethical

2050

01:25:44,280 --> 01:25:42,370

by stealing my motto but I really

2051
01:25:48,479 --> 01:25:44,290
believe we need to spend dollars and and

2052
01:25:52,110 --> 01:25:48,489
focus on the fact that we we are not

2053
01:25:54,570 --> 01:25:52,120
really realizing the victory that we

2054
01:25:57,170 --> 01:25:54,580
achieved in the civil war as long as

2055
01:26:00,510 --> 01:25:57,180
there's this gross disparity between

2056
01:26:03,870 --> 01:26:00,520
economic and and and professional

2057
01:26:06,479 --> 01:26:03,880
attainment by blacks and as long as more

2058
01:26:08,729 --> 01:26:06,489
black men are being killed by the police

2059
01:26:10,830 --> 01:26:08,739
than men are numerically represented in

2060
01:26:12,990 --> 01:26:10,840
society and in prison than they are

2061
01:26:15,390 --> 01:26:13,000
numerically represented in society these

2062
01:26:17,130 --> 01:26:15,400
are national disgrace it's that which we

2063
01:26:21,120 --> 01:26:17,140

should address because we're good people

2064

01:26:22,680 --> 01:26:21,130

thank you so much Andy an amazing show

2065

01:26:25,320 --> 01:26:22,690

tonight I want you to be safe in your

2066

01:26:27,390 --> 01:26:25,330

travels out there in and as always my

2067

01:26:29,490 --> 01:26:27,400

friend great show thank you so much

2068

01:26:32,520 --> 01:26:29,500

thank you Greg thank you Ron okay Jimmy

2069

01:26:35,160 --> 01:26:32,530

an extra hour and Ruby shall go 2016

2070

01:26:38,220 --> 01:26:35,170

thank you Andrew you got it you have a

2071

01:26:40,380 --> 01:26:38,230

great night thank you

2072

01:26:43,110 --> 01:26:40,390

ah thank you everybody thank you Reis

2073

01:26:46,110 --> 01:26:43,120

Hobbs Thank You kg RA for lettuce

2074

01:26:49,189 --> 01:26:46,120

hanging for the extra hour Thank You

2075

01:26:54,870 --> 01:26:49,199

fate or not was that just an absolute

2076
01:26:58,070 --> 01:26:54,880
absolute phenomenal show an extra hour

2077
01:27:03,060 --> 01:26:58,080
I just can't say enough Andrew basiago

2078
01:27:05,220 --> 01:27:03,070
smart man thank you Andy

2079
01:27:06,780 --> 01:27:05,230
bata blacks executive producers Rita

2080
01:27:09,330 --> 01:27:06,790
Kumari on shows produced by hilton

2081
01:27:12,330 --> 01:27:09,340
jaipur marked eco VAR I j3 rene mark

2082
01:27:13,830 --> 01:27:12,340
Dunbar and Jonah announces our Steve

2083
01:27:16,470 --> 01:27:13,840
harder team to tell Marty colbaugh

2084
01:27:19,590 --> 01:27:16,480
Beatty by Dale webmasters method of

2085
01:27:22,470 --> 01:27:19,600
signaling music doug aldrich intro space
