FADE TO BLACK LIVE
WITH JIMMY CHURCH
GAME-CHANGERRADIO NETWORK

copyright 2017 fade to black www.jimmychurchradio.com

1
00:00:00,710 --> 00:00:05,130

you

2
00:00:16,980 --> 00:00:14,220

[Music]

3
00:00:21,099 --> 00:00:16,990

this hope radiates for the nakid

4
00:00:22,749 --> 00:00:21,109

headline the missing July 3 1947 the

5
00:00:24,909 --> 00:00:22,759

Army Air Forces has announced that a

6
00:00:27,489 --> 00:00:24,919

flying death has been found and there's

7
00:00:31,200 --> 00:00:27,499

now in the possession of the Army in

8
00:00:34,060 --> 00:00:31,210

Riggs change begins changes I

9
00:00:38,349 --> 00:00:34,070

occasionally think how quickly our

10
00:00:41,020 --> 00:00:38,359

differences worldwide would vanish if we

11
00:00:46,970 --> 00:00:41,030

were facing an alien threat from outside

12
00:00:52,500 --> 00:00:50,130

fade to black with your host Jimmy

13
00:00:59,450 --> 00:00:52,510

Church on the game changer regular

14

00:01:08,250 --> 00:01:04,670

I need your help to get to the year 1985

15

00:01:11,040 --> 00:01:08,260

[Music]

16

00:01:13,380 --> 00:01:11,050

your nickname chief a flag with gingers

17

00:01:22,550 --> 00:01:13,390

only game-changing Network

18

00:01:24,980 --> 00:01:22,560

[Music]

19

00:01:32,820 --> 00:01:24,990

welcome fade to black

20

00:01:37,350 --> 00:01:32,830

this spoke radio for the masses

21

00:01:40,109 --> 00:01:37,360

today's Tuesday July 25th 205 days into

22

00:01:42,740 --> 00:01:40,119

the new year just 160 days left we're

23

00:01:45,180 --> 00:01:42,750

live from a bunker somewhere in downtown

24

00:01:46,800 --> 00:01:45,190

Burbank California and I would like to

25

00:01:50,690 --> 00:01:46,810

welcome everybody listening all around

26
00:01:53,219 --> 00:01:50,700
the world all across the United States

27
00:01:55,800 --> 00:01:53,229
either until their to-and-fro back and

28
00:01:59,120 --> 00:01:55,810
forth up and down east and west north

29
00:02:03,120 --> 00:01:59,130
and south far and near

30
00:02:05,190 --> 00:02:03,130
this is fade to black for kjc are the

31
00:02:09,210 --> 00:02:05,200
game changer network in Katy RA the

32
00:02:15,120 --> 00:02:09,220
planet I'm your host give me Church what

33
00:02:18,160 --> 00:02:15,130
is cracking everybody how you do it yeah

34
00:02:26,050 --> 00:02:21,160
tonight tonight we have very special

35
00:02:29,080 --> 00:02:26,060
guests we have a two-part series with

36
00:02:34,660 --> 00:02:29,090
ten Knutson and Peter Cameron of a

37
00:02:38,620 --> 00:02:34,670
divergent unity tonight is part one what

38
00:02:43,210 --> 00:02:38,630

we do here what what our aim is what we

39

00:02:47,550 --> 00:02:43,220

wanted to evolve into is what we are

40

00:02:50,979 --> 00:02:47,560

exposing tonight we named it the

41

00:02:54,820 --> 00:02:50,989

game-changer Network for a reason and we

42

00:02:59,100 --> 00:02:54,830

are working with alongside in step with

43

00:03:03,759 --> 00:02:59,110

many many game changers out there and

44

00:03:10,780 --> 00:03:03,769

divergent unity is one okay and that's

45

00:03:12,360 --> 00:03:10,790

all we do here is is expand expand the

46

00:03:16,509 --> 00:03:12,370

community

47

00:03:20,410 --> 00:03:16,519

uniting knowledge and changing the world

48

00:03:22,530 --> 00:03:20,420

the game changer network okay just like

49

00:03:26,890 --> 00:03:22,540

our introduction and partnership with

50

00:03:29,530 --> 00:03:26,900

modern masters tonight it is divergent

51
00:03:33,490 --> 00:03:29,540
unity and we are introducing the world

52
00:03:33,910 --> 00:03:33,500
to them it's going to be a fun sometimes

53
00:03:36,789 --> 00:03:33,920
heavy

54
00:03:39,340 --> 00:03:36,799
I think deep informative and

55
00:03:43,470 --> 00:03:39,350
comprehensive conversation tonight be

56
00:03:45,940 --> 00:03:43,480
prepared for that we have a pretty cool

57
00:03:47,650 --> 00:03:45,950
interactive presentation tonight there

58
00:03:50,670 --> 00:03:47,660
will be some video some of its been

59
00:03:53,050 --> 00:03:50,680
posted up already that you can check out

60
00:03:55,060 --> 00:03:53,060
if you want if you have the ability to

61
00:03:57,130 --> 00:03:55,070
do it during the show that's fine but

62
00:04:00,520 --> 00:03:57,140
you can do it absolutely after the show

63
00:04:03,280 --> 00:04:00,530

too as well but very very cool

64

00:04:06,039 --> 00:04:03,290

presentation so tonight part one Ken

65

00:04:08,280 --> 00:04:06,049

Knutson tomorrow night Peter Cameron of

66

00:04:10,000 --> 00:04:08,290

divergent unity will be here and

67

00:04:12,100 --> 00:04:10,010

Thursday night's going to be another

68

00:04:15,069 --> 00:04:12,110

Fator night with Jon Rappoport and is no

69

00:04:16,719 --> 00:04:15,079

more fake newsroom live followed by open

70

00:04:18,279 --> 00:04:16,729

lines column numbers three to three

71

00:04:20,860 --> 00:04:18,289

eighty five five zero four or five or

72

00:04:22,420 --> 00:04:20,870

three to three to seven five nine six

73

00:04:25,600 --> 00:04:22,430

nine five you can follow me on Twitter

74

00:04:27,670 --> 00:04:25,610

right now at J church radio will be

75

00:04:30,190 --> 00:04:27,680

posting up videos last night great

76

00:04:32,020 --> 00:04:30,200

interactive show last night with Martin

77

00:04:35,170 --> 00:04:32,030

gray extraordinary show

78

00:04:36,460 --> 00:04:35,180

and and with the photographer like that

79

00:04:41,530 --> 00:04:36,470

and going through

80

00:04:44,230 --> 00:04:41,540

I'm the radio going through his amazing

81

00:04:47,020 --> 00:04:44,240

photography that probably especially

82

00:04:49,330 --> 00:04:47,030

with this audience probably you have

83

00:04:52,870 --> 00:04:49,340

seen these images many many times and

84

00:04:55,090 --> 00:04:52,880

you just never knew who was the

85

00:04:56,680 --> 00:04:55,100

photographer behind it right and and to

86

00:04:57,700 --> 00:04:56,690

be able to do that last night in

87

00:05:01,960 --> 00:04:57,710

real-time

88

00:05:03,910 --> 00:05:01,970

with Twitter is is is really really cool

89

00:05:05,340 --> 00:05:03,920

because this is a radio show well we're

90

00:05:07,960 --> 00:05:05,350

going to continue that tonight so just

91

00:05:10,480 --> 00:05:07,970

just get ready it's going to be an

92

00:05:14,500 --> 00:05:10,490

amazing conversation so if do follow us

93

00:05:17,260 --> 00:05:14,510

on twitter at JT radio hashtag f to B is

94

00:05:20,830 --> 00:05:17,270

the sandbox and that's where everything

95

00:05:23,920 --> 00:05:20,840

will will hit and get posted first okay

96

00:05:26,770 --> 00:05:23,930

hashtag F to be Q is fade to black

97

00:05:29,260 --> 00:05:26,780

questions very simple now you can go

98

00:05:31,120 --> 00:05:29,270

follow like and subscribe everything

99

00:05:33,370 --> 00:05:31,130

that has to do with the show over on our

100

00:05:35,020 --> 00:05:33,380

website and just click on the little

101
00:05:37,300 --> 00:05:35,030
buttons there and go check everything

102
00:05:40,480 --> 00:05:37,310
out alright don't forget to subscribe to

103
00:05:44,409 --> 00:05:40,490
our podcast over 690 archive shows

104
00:05:46,260 --> 00:05:44,419
coming up on show number 700 Wow 700 is

105
00:05:49,150 --> 00:05:46,270
going to hit when is that next week

106
00:05:53,830 --> 00:05:49,160
today is what I don't even know today

107
00:05:55,810 --> 00:05:53,840
we're at 694 so yeah that we captured

108
00:05:59,590 --> 00:05:55,820
next we'll be doing show number 700

109
00:06:03,550 --> 00:05:59,600
really oh very cool okay so we have over

110
00:06:04,960 --> 00:06:03,560
690 archive shows on our podcast and you

111
00:06:07,570 --> 00:06:04,970
can just click on the banner over to

112
00:06:10,120 --> 00:06:07,580
maturity or calm for the podcast Apple

113
00:06:12,190 --> 00:06:10,130

Android all platforms just \$2 a month

114

00:06:13,990 --> 00:06:12,200

all you got to do you know you know the

115

00:06:16,450 --> 00:06:14,000

drill with podcast you go to the iTunes

116

00:06:19,930 --> 00:06:16,460

Store you go to you go to a Google store

117

00:06:21,540 --> 00:06:19,940

and you search for the software right

118

00:06:24,430 --> 00:06:21,550

search fade to black it will pop-up

119

00:06:27,550 --> 00:06:24,440

download what you need that's free then

120

00:06:31,120 --> 00:06:27,560

head back over to our website and and go

121

00:06:34,300 --> 00:06:31,130

over to libsyn and sign up two dollars a

122

00:06:38,950 --> 00:06:34,310

month it's a very very fun cool easy to

123

00:06:40,719 --> 00:06:38,960

do or or or and or you can become an

124

00:06:43,480 --> 00:06:40,729

official fader not over in our

125

00:06:45,159 --> 00:06:43,490

membership section on the site you're

126

00:06:46,600 --> 00:06:45,169

going to get the bunker cam below

127

00:06:48,369 --> 00:06:46,610

buddy that's watching right now in the

128

00:06:51,040 --> 00:06:48,379

bunker cam commercial free downloadable

129

00:06:52,839 --> 00:06:51,050

archives and you can also get the game

130

00:06:55,929 --> 00:06:52,849

changer where you get all of that fade

131

00:06:58,420 --> 00:06:55,939

to black gear all right and don't forget

132

00:07:01,239 --> 00:06:58,430

to visit all of our sponsors that's how

133

00:07:02,230 --> 00:07:01,249

this show runs life change t get the

134

00:07:04,420 --> 00:07:02,240

t-dot-com

135

00:07:09,040 --> 00:07:04,430

River moon coffee who was with us last

136

00:07:11,409 --> 00:07:09,050

night new pharma ancient life oil and of

137

00:07:13,360 --> 00:07:11,419

course Studio dome speakers all the

138

00:07:15,360 --> 00:07:13,370

banners over two meters radio.com all

139

00:07:18,369 --> 00:07:15,370

the promo codes that you need are there

140

00:07:22,749 --> 00:07:18,379

life changed t the new promo code there

141

00:07:24,700 --> 00:07:22,759

is fader fa b ER fader you're going to

142

00:07:28,749 --> 00:07:24,710

get yourself free shipping right there

143

00:07:33,429 --> 00:07:28,759

fa BER river moon coffee is fade to

144

00:07:36,399 --> 00:07:33,439

black blend F to blend F to be F to be

145

00:07:39,820 --> 00:07:36,409

blend of course it's right there in the

146

00:07:45,149 --> 00:07:39,830

banner okay let's get the show crackin

147

00:07:50,559 --> 00:07:45,159

happy birthday to today Matt LeBlanc is

148

00:07:57,159 --> 00:07:50,569

fitty our dead guys birthday today is

149

00:08:00,100 --> 00:07:57,169

Brad Renfro 1982 to 2008 dynabeads of 25

150

00:08:02,320 --> 00:08:00,110

Brad was an actor that had the world in

151

00:08:05,860 --> 00:08:02,330

front of him and I really enjoyed his

152

00:08:11,829 --> 00:08:05,870

acting very talented guy he did 21

153

00:08:15,159 --> 00:08:11,839

feature films in 14 years and he was

154

00:08:18,579 --> 00:08:15,169

Josh in one of my favorites the movie

155

00:08:20,860 --> 00:08:18,589

Ghost World and he died of a heroin

156

00:08:23,920 --> 00:08:20,870

overdose right here in Los Angeles in

157

00:08:29,439 --> 00:08:23,930

his apartment in 2008 he led two lives

158

00:08:34,529 --> 00:08:29,449

he did he led two lives one as an actor

159

00:08:38,709 --> 00:08:34,539

and one as a criminal and criminal one

160

00:08:40,719 --> 00:08:38,719

so there you go but nonetheless 21

161

00:08:42,490 --> 00:08:40,729

feature films have been left behind for

162

00:08:43,959 --> 00:08:42,500

us to check out Brad Renfro he's up

163

00:08:49,199 --> 00:08:43,969

there today listening does happy

164

00:08:54,610 --> 00:08:49,209

birthday Brad OTD on this day in history

165

00:08:55,540 --> 00:08:54,620

1978 the world's first test-tube baby is

166

00:08:58,460 --> 00:08:55,550

born

167

00:09:01,510 --> 00:08:58,470

Louise joy brown

168

00:09:06,260 --> 00:09:01,520

in Manchester England do you remember

169

00:09:09,080 --> 00:09:06,270

back in the mid 70s the talk of

170

00:09:11,900 --> 00:09:09,090

test-tube babies and you know the cover

171

00:09:15,320 --> 00:09:11,910

of Time magazine and science and here we

172

00:09:17,180 --> 00:09:15,330

are and of course cloning too as well it

173

00:09:21,740 --> 00:09:17,190

has two babies test-tube babies look at

174

00:09:25,130 --> 00:09:21,750

N and now there are millions there are

175

00:09:29,240 --> 00:09:25,140

millions of test-tube babies but she was

176

00:09:34,220 --> 00:09:29,250

the first Louise joy Brown 1978 fader

177

00:09:38,950 --> 00:09:34,230

fact in 1932 this is a fader fact I just

178

00:09:43,190 --> 00:09:38,960

listened to me in 1932 Thomas Earle was

179

00:09:47,830 --> 00:09:43,200

a zookeeper at the Cleveland Brookside

180

00:09:52,730 --> 00:09:47,840

Zoo in Ohio right and on this day in

181

00:09:56,600 --> 00:09:52,740

1932 he was fired from his job then

182

00:10:00,850 --> 00:09:56,610

mauled to death by a brown bear while at

183

00:10:07,160 --> 00:10:00,860

the same time being shot by police who

184

00:10:12,140 --> 00:10:07,170

were shooting at the bear and that it is

185

00:10:15,050 --> 00:10:12,150

a fader fact and that's the day you you

186

00:10:17,810 --> 00:10:15,060

wish you would have stayed in bed you

187

00:10:20,630 --> 00:10:17,820

know and it I went back and I read the

188

00:10:24,080 --> 00:10:20,640

original newspaper article about this

189

00:10:27,710 --> 00:10:24,090

and look it's tragic man you know Thomas

190

00:10:30,620 --> 00:10:27,720

Thomas Earl died okay he died but you

191

00:10:33,110 --> 00:10:30,630

read the newspaper article about it and

192

00:10:37,700 --> 00:10:33,120

it reads like the Keystone Cops liked it

193

00:10:40,750 --> 00:10:37,710

like it was funny it was it was a real

194

00:10:42,620 --> 00:10:40,760

event and it was it was tragic

195

00:10:44,600 --> 00:10:42,630

unbelievable but it really happened

196

00:10:46,910 --> 00:10:44,610

Thomas oral zoo keeper Cleveland

197

00:10:49,070 --> 00:10:46,920

Brookside Zoo tonight very special

198

00:10:52,400 --> 00:10:49,080

guests we have a two-part series and

199

00:10:56,750 --> 00:10:52,410

tonight it's Ken Knudsen tomorrow night

200

00:11:00,920 --> 00:10:56,760

Peter Cameron of divergent unity it this

201
00:11:03,380 --> 00:11:00,930
is this is our world and our future that

202
00:11:05,570 --> 00:11:03,390
we will be speaking about it's going to

203
00:11:09,260 --> 00:11:05,580
be an amazing conversation when you get

204
00:11:11,800 --> 00:11:09,270
the time do click on their link for

205
00:11:13,509 --> 00:11:11,810
their website it's right there at

206
00:11:16,239 --> 00:11:13,519
Jimmy Church radio calm click on that

207
00:11:18,610 --> 00:11:16,249
and and go check out their website and

208
00:11:20,470 --> 00:11:18,620
and see what they've got going on over

209
00:11:22,119 --> 00:11:20,480
there it's pretty amazing but we're

210
00:11:26,410 --> 00:11:22,129
going to go very deep tonight and

211
00:11:29,439 --> 00:11:26,420
tomorrow night part 1 and part 2 now all

212
00:11:33,939 --> 00:11:29,449
right let's have a conversation

213
00:11:38,920 --> 00:11:33,949

can we talk let's talk

214

00:11:42,249 --> 00:11:38,930

because that giant crack that's been

215

00:11:46,389 --> 00:11:42,259

racing across Antarctica larsson sea ice

216

00:11:49,989 --> 00:11:46,399

shelf finally did it it met its breaking

217

00:11:54,879 --> 00:11:49,999

point sometime between July 10th and

218

00:11:57,119 --> 00:11:54,889

12th today is the 25th the result was an

219

00:12:01,239 --> 00:11:57,129

iceberg the size of Delaware and

220

00:12:07,660 --> 00:12:01,249

weighing a trillion metric tons it has

221

00:12:09,509 --> 00:12:07,670

now broken free and is floating yep but

222

00:12:11,829 --> 00:12:09,519

that's not the end of the story in fact

223

00:12:14,439 --> 00:12:11,839

it could be the beginning of a more

224

00:12:17,679 --> 00:12:14,449

important more dangerous story the

225

00:12:21,150 --> 00:12:17,689

iceberg that broke off its dubbed a68

226

00:12:24,879 --> 00:12:21,160

was just one piece of a much larger

227

00:12:28,840 --> 00:12:24,889

Larsen sea ice shelf now scientists want

228

00:12:31,299 --> 00:12:28,850

to know how stable is the ice shelf and

229

00:12:34,480 --> 00:12:31,309

that you know what what's luck and

230

00:12:38,889 --> 00:12:34,490

what's in it intact and connected back

231

00:12:41,679 --> 00:12:38,899

to the Antarctic continent itself recent

232

00:12:43,869 --> 00:12:41,689

satellite images suggest that pieces of

233

00:12:46,360 --> 00:12:43,879

the remaining ice show four are already

234

00:12:48,400 --> 00:12:46,370

preparing to break off creating more

235

00:12:52,119 --> 00:12:48,410

smaller icebergs that will you know

236

00:12:54,100 --> 00:12:52,129

start floating around with iceberg 868

237

00:12:57,790 --> 00:12:54,110

and have a nice little iceberg family

238

00:12:59,619 --> 00:12:57,800

floating around moreover though a new

239

00:13:02,439 --> 00:12:59,629

crack has formed close to where the old

240

00:13:05,290 --> 00:13:02,449

crack left off and it's headed for the

241

00:13:07,059 --> 00:13:05,300

Baden ice rise which is a critical

242

00:13:09,400 --> 00:13:07,069

anchor point for the ice shelf

243

00:13:12,369 --> 00:13:09,410

scientists aren't certain that the crack

244

00:13:13,960 --> 00:13:12,379

will reach the BOD nice rise but they

245

00:13:18,879 --> 00:13:13,970

are keeping a close eye on it

246

00:13:21,819 --> 00:13:18,889

nonetheless and and here we are here we

247

00:13:25,540 --> 00:13:21,829

are we been talking about this for a

248

00:13:28,540 --> 00:13:25,550

long time and the

249

00:13:32,980 --> 00:13:28,550

Media has been avoiding the subject it's

250

00:13:37,570 --> 00:13:32,990

uh it's it's so touchy right it's so

251
00:13:42,610 --> 00:13:37,580
touchy because the question is what is

252
00:13:46,720 --> 00:13:42,620
causing it and everybody and I mean

253
00:13:52,630 --> 00:13:46,730
everybody has an opinion okay and

254
00:13:57,210 --> 00:13:52,640
everyone and I mean everyone thinks they

255
00:14:02,500 --> 00:13:57,220
are right and we need to be careful here

256
00:14:07,269 --> 00:14:02,510
it's such a polarizing subject that I

257
00:14:10,019 --> 00:14:07,279
know I know no matter what I say no

258
00:14:11,889 --> 00:14:10,029
matter what you say or anybody else

259
00:14:14,019 --> 00:14:11,899
there's going to be somebody that's

260
00:14:16,780 --> 00:14:14,029
going to stand up and yell and say that

261
00:14:19,930 --> 00:14:16,790
you are wrong they are right how can how

262
00:14:21,519 --> 00:14:19,940
dare you say say this or suggest that

263
00:14:27,819 --> 00:14:21,529

because that's wrong this is what's

264

00:14:31,660 --> 00:14:27,829

going on it's dangerous but first off

265

00:14:33,730 --> 00:14:31,670

when I'm looking at this and I think all

266

00:14:38,290 --> 00:14:33,740

of us should sit down and do the exact

267

00:14:41,110 --> 00:14:38,300

same thing that I do which is write

268

00:14:44,079 --> 00:14:41,120

stuff down write stuff down what are the

269

00:14:47,440 --> 00:14:44,089

possibilities here what what is causing

270

00:14:50,170 --> 00:14:47,450

this well okay first on the top of the

271

00:14:53,370 --> 00:14:50,180

list because it's the easiest thing to

272

00:14:59,260 --> 00:14:53,380

do and the probably the most obvious is

273

00:15:05,019 --> 00:14:59,270

there is us we have caused it there is

274

00:15:09,970 --> 00:15:05,029

us right okay so if we if we start to

275

00:15:13,630 --> 00:15:09,980

look there the it is us scenario causing

276

00:15:16,000 --> 00:15:13,640

you know global warming and what we are

277

00:15:17,889 --> 00:15:16,010

doing out there right now

278

00:15:24,449 --> 00:15:17,899

you know polluting the environment cars

279

00:15:27,460 --> 00:15:24,459

coal all of these gases factories people

280

00:15:29,620 --> 00:15:27,470

garbage dumps we can go on and on and

281

00:15:31,689 --> 00:15:29,630

all of the things that are going up into

282

00:15:33,189 --> 00:15:31,699

the atmosphere and causing this

283

00:15:34,630 --> 00:15:33,199

certainly we have seven and a half

284

00:15:36,400 --> 00:15:34,640

billion people on this planet right now

285

00:15:38,460 --> 00:15:36,410

that creates a lot of garbage and a lot

286

00:15:41,050 --> 00:15:38,470

of waste every single day we have

287

00:15:44,590 --> 00:15:41,060

billions of people that are being

288

00:15:48,100 --> 00:15:44,600

transported in in cars and trains and

289

00:15:50,920 --> 00:15:48,110

buses and and so forth every single day

290

00:15:52,689 --> 00:15:50,930

to and from work every single day you

291

00:15:56,949 --> 00:15:52,699

know it's a cyclical thing that goes on

292

00:15:59,230 --> 00:15:56,959

we have all of the electricity and the

293

00:16:01,449 --> 00:15:59,240

coal plants around the world and what's

294

00:16:04,269 --> 00:16:01,459

going on in different countries that

295

00:16:06,809 --> 00:16:04,279

that don't have the control or the

296

00:16:09,519 --> 00:16:06,819

desire to control certain things and

297

00:16:12,250 --> 00:16:09,529

they're just stuff going into the

298

00:16:18,400 --> 00:16:12,260

atmosphere right so we have all of that

299

00:16:23,710 --> 00:16:18,410

now could could it be just that it's

300

00:16:27,040 --> 00:16:23,720

it's it's a possibility and the reason

301

00:16:29,920 --> 00:16:27,050

why I'm not all up in arms about this

302

00:16:33,250 --> 00:16:29,930

every single day you know you know you

303

00:16:35,370 --> 00:16:33,260

know wearing green and you know and

304

00:16:39,639 --> 00:16:35,380

everything that goes along with that

305

00:16:43,210 --> 00:16:39,649

because I don't know I honestly don't

306

00:16:46,480 --> 00:16:43,220

know and I don't think anybody does when

307

00:16:49,720 --> 00:16:46,490

I really don't I don't think that we

308

00:16:52,059 --> 00:16:49,730

fully understand what is going on we

309

00:16:54,250 --> 00:16:52,069

have so much science today we have so

310

00:16:56,500 --> 00:16:54,260

much technology we have everything from

311

00:16:58,480 --> 00:16:56,510

satellites and ground sensors and air

312

00:17:00,970 --> 00:16:58,490

sensors and things that we can just test

313

00:17:03,100 --> 00:17:00,980

and test and analyze and computers and

314

00:17:06,400 --> 00:17:03,110

software we have the ability to do that

315

00:17:07,809 --> 00:17:06,410

and and in ice core samples and going

316

00:17:11,590 --> 00:17:07,819

back in history and looking at things

317

00:17:16,780 --> 00:17:11,600

yes yes and so I get that and with all

318

00:17:21,400 --> 00:17:16,790

of that science it seems to me that the

319

00:17:25,210 --> 00:17:21,410

the proof can go both ways the facts can

320

00:17:26,829 --> 00:17:25,220

go both ways there are enough scientists

321

00:17:30,520 --> 00:17:26,839

out there that when you look at because

322

00:17:32,950 --> 00:17:30,530

you want you want to blame us so we can

323

00:17:35,770 --> 00:17:32,960

fix it so we can do something about it

324

00:17:37,450 --> 00:17:35,780

so we can and I get that because you

325

00:17:40,930 --> 00:17:37,460

know we we don't want things to change

326

00:17:44,110 --> 00:17:40,940

here we don't want it we don't want to

327

00:17:46,690 --> 00:17:44,120

have to leave you know we don't want

328

00:17:47,799 --> 00:17:46,700

things to heat up we don't want things

329

00:17:50,740 --> 00:17:47,809

to cooled up right now

330

00:17:52,430 --> 00:17:50,750

we've gotten acclimated we we understand

331

00:17:54,560 --> 00:17:52,440

this planet we know where to live in

332

00:17:58,130 --> 00:17:54,570

we're not to live and and so forth we've

333

00:18:00,140 --> 00:17:58,140

kind of figured things out the disaster

334

00:18:01,550 --> 00:18:00,150

films and books in science fiction and

335

00:18:05,330 --> 00:18:01,560

then you know we don't want that

336

00:18:07,160 --> 00:18:05,340

alternative scenario we just don't you

337

00:18:11,620 --> 00:18:07,170

know we've never been up against that

338

00:18:14,570 --> 00:18:11,630

we've never had a you know a comet a

339

00:18:19,040 --> 00:18:14,580

meteor or something

340

00:18:22,160 --> 00:18:19,050

just some catastrophic world event right

341

00:18:25,910 --> 00:18:22,170

happen we haven't we watch it in movies

342

00:18:28,130 --> 00:18:25,920

and when you watch Santa Monica drop off

343

00:18:31,370 --> 00:18:28,140

into the sea or you watch New York it

344

00:18:32,870 --> 00:18:31,380

you know get get pummeled you're

345

00:18:36,250 --> 00:18:32,880

watching that in movies but you have to

346

00:18:39,380 --> 00:18:36,260

remember they're in in though in in that

347

00:18:41,330 --> 00:18:39,390

CGI world technically you're talking

348

00:18:44,390 --> 00:18:41,340

about tens of millions of people

349

00:18:47,540 --> 00:18:44,400

instantly dying at once right we leave

350

00:18:49,460 --> 00:18:47,550

we've never gone through that we just

351

00:18:52,160 --> 00:18:49,470

haven't been close tsunami

352

00:18:55,820 --> 00:18:52,170

2005 that was that was that was pretty

353

00:18:58,880 --> 00:18:55,830

crazy wasn't it right so we don't know

354

00:19:01,070 --> 00:18:58,890

and the science that says that we are

355

00:19:06,590 --> 00:19:01,080

causing it they have the opposition that

356

00:19:09,260 --> 00:19:06,600

says clearly we are not right and then

357

00:19:13,100 --> 00:19:09,270

there's the other part of this that

358

00:19:16,670 --> 00:19:13,110

needs to be considered and that is is it

359

00:19:22,000 --> 00:19:16,680

just something cyclical with nature and

360

00:19:27,620 --> 00:19:22,010

our earth that we just don't understand

361

00:19:29,870 --> 00:19:27,630

you go and look at the timelines and you

362

00:19:34,040 --> 00:19:29,880

start to study and you take a look

363

00:19:38,420 --> 00:19:34,050

around and and and look at the timelines

364

00:19:43,180 --> 00:19:38,430

of glaciation and and and those events

365

00:19:48,740 --> 00:19:43,190

right now I mean just in the last Oh 1 2

366

00:19:50,420 --> 00:19:48,750

3 4 well in the last 3,000 years going

367

00:19:54,800 --> 00:19:50,430

back to around

368

00:19:57,290 --> 00:19:54,810

I'm sorry 5,000 years to 2783 thousand

369

00:19:59,900 --> 00:19:57,300

BC those are all the modern ice ages

370

00:20:03,080 --> 00:19:59,910

that that we have been going through

371

00:20:04,970 --> 00:20:03,090

just recently right and and and those

372

00:20:05,660 --> 00:20:04,980

are the known ice ages in the modern

373

00:20:10,760 --> 00:20:05,670

times

374

00:20:14,300 --> 00:20:10,770

but there were no cars right

375

00:20:20,210 --> 00:20:14,310

I don't think humans were doing it it

376

00:20:24,680 --> 00:20:20,220

you know 24 50 BC 720 BC 45420 you know

377

00:20:28,700 --> 00:20:24,690

so is it something cyclical is there

378

00:20:31,790 --> 00:20:28,710

something going on with nature our earth

379

00:20:34,210 --> 00:20:31,800

that we quite simply don't understand we

380

00:20:39,200 --> 00:20:34,220

can see the cycles we have gone through

381

00:20:41,990 --> 00:20:39,210

five major major ice ages going back a

382

00:20:46,190 --> 00:20:42,000

few hundred million years four hundred

383

00:20:49,630 --> 00:20:46,200

million years ago five major major ice

384

00:20:52,430 --> 00:20:49,640

ages right now and what goes with that

385

00:20:55,790 --> 00:20:52,440

we look at the Ice Age part of it right

386

00:20:58,970 --> 00:20:55,800

now the earth is heating but we've come

387

00:21:01,310 --> 00:20:58,980

out of the ice ages so it's a cyclical

388

00:21:03,110 --> 00:21:01,320

thing of heating and cooling that we

389

00:21:05,570 --> 00:21:03,120

have to take a look at and is it just

390

00:21:07,460 --> 00:21:05,580

something that is completely to be

391

00:21:09,230 --> 00:21:07,470

expected that there's nothing that we

392

00:21:11,330 --> 00:21:09,240

can do about it and I'm going to come

393

00:21:14,420 --> 00:21:11,340

back to that point here in just a second

394

00:21:17,450 --> 00:21:14,430

but is this just something that we don't

395

00:21:23,120 --> 00:21:17,460

understand and that we cannot control

396

00:21:29,600 --> 00:21:23,130

it's going to happen is it that and then

397

00:21:34,610 --> 00:21:29,610

there's the other part is it the Sun is

398

00:21:39,470 --> 00:21:34,620

it our own Sun into something just as

399

00:21:41,600 --> 00:21:39,480

simple as that right at just something

400

00:21:45,500 --> 00:21:41,610

as simple of that not I'm not referring

401
00:21:47,300 --> 00:21:45,510
to our earth and when I say that it's

402
00:21:48,950 --> 00:21:47,310
something cyclical with nature with our

403
00:21:52,670 --> 00:21:48,960
earth that we don't understand what I'm

404
00:21:54,670 --> 00:21:52,680
saying by that is we have a our wobble

405
00:21:58,850 --> 00:21:54,680
that happens here that's the first thing

406
00:22:02,300 --> 00:21:58,860
we have our Center our molten core

407
00:22:03,980 --> 00:22:02,310
that's liquid metal of it which we don't

408
00:22:06,080 --> 00:22:03,990
understand we have not been down there

409
00:22:08,030 --> 00:22:06,090
we only guess what's really down there

410
00:22:10,820 --> 00:22:08,040
we don't know what put the earth here to

411
00:22:14,210 --> 00:22:10,830
begin with we do not these are things

412
00:22:16,070 --> 00:22:14,220
that we just don't know right so with

413
00:22:18,110 --> 00:22:16,080

with all of that is there something

414

00:22:19,310 --> 00:22:18,120

going on with our earth that is cyclical

415

00:22:22,250 --> 00:22:19,320

that it is

416

00:22:25,450 --> 00:22:22,260

going it is going to do this whether we

417

00:22:30,440 --> 00:22:25,460

are here or not because it's done this

418

00:22:34,190 --> 00:22:30,450

without us being here many many many

419

00:22:40,490 --> 00:22:34,200

times now when we talk about on this

420

00:22:45,590 --> 00:22:40,500

show about 10,000 BC and of all of the

421

00:22:47,750 --> 00:22:45,600

evidence that is piling up about 10,000

422

00:22:50,780 --> 00:22:47,760

BC in the end of the last modern ice age

423

00:22:52,790 --> 00:22:50,790

and you need to think about North

424

00:22:55,400 --> 00:22:52,800

America and what was going on here and

425

00:22:57,710 --> 00:22:55,410

around the planet northern Europe you

426
00:23:00,950 --> 00:22:57,720
need to really stop and think about what

427
00:23:02,120 --> 00:23:00,960
it was what was going on just a little

428
00:23:06,380 --> 00:23:02,130
blip in the radar

429
00:23:10,100 --> 00:23:06,390
you know 12,000 years ago we just came

430
00:23:11,960 --> 00:23:10,110
off of this so this isn't something that

431
00:23:17,480 --> 00:23:11,970
is distant memory or anything like that

432
00:23:20,720 --> 00:23:17,490
no this is real this is real stuff okay

433
00:23:25,010 --> 00:23:20,730
now then there's the Sun could it be

434
00:23:32,240 --> 00:23:25,020
just something going on there you and I

435
00:23:34,160 --> 00:23:32,250
I don't know anything about any mass

436
00:23:35,570 --> 00:23:34,170
ejections with the Sun we don't know

437
00:23:40,040 --> 00:23:35,580
anything about temperature changing we

438
00:23:43,460 --> 00:23:40,050

only know what science tells us right

439

00:23:45,830 --> 00:23:43,470

what satellites tell us what government

440

00:23:49,190 --> 00:23:45,840

organizations tell us what University

441

00:23:50,570 --> 00:23:49,200

tell us that's what we know you you

442

00:23:53,420 --> 00:23:50,580

myself

443

00:23:55,460 --> 00:23:53,430

we don't have satellites and we don't

444

00:23:57,530 --> 00:23:55,470

have our own data coming and streaming

445

00:23:59,000 --> 00:23:57,540

into our home so we can look at and

446

00:24:02,870 --> 00:23:59,010

analyze and make up our own minds so so

447

00:24:06,560 --> 00:24:02,880

we don't know we do not know so could it

448

00:24:10,400 --> 00:24:06,570

be that now the bigger question is with

449

00:24:12,500 --> 00:24:10,410

all of it with olive if it's us is it

450

00:24:14,360 --> 00:24:12,510

something cyclical with nature is it the

451
00:24:17,960 --> 00:24:14,370
Sun is there something we can do about

452
00:24:23,860 --> 00:24:17,970
it right is there something that we can

453
00:24:26,780 --> 00:24:23,870
actually do I'm not so sure if this is a

454
00:24:30,490 --> 00:24:26,790
this is how I really feel I'm not so

455
00:24:33,280 --> 00:24:30,500
sure if we shut down every

456
00:24:36,750 --> 00:24:33,290
single factory in the world every

457
00:24:41,320 --> 00:24:36,760
electrical cold fired plant in the world

458
00:24:45,880 --> 00:24:41,330
all electric cars switch to solar power

459
00:24:49,780 --> 00:24:45,890
if we did all of that and somehow got

460
00:24:52,690 --> 00:24:49,790
rid of the landfills and and somehow got

461
00:24:56,170 --> 00:24:52,700
rid of grazing cattle and somehow you

462
00:25:01,750 --> 00:24:56,180
know all the list is long that it would

463
00:25:06,160 --> 00:25:01,760

change things I'm not so sure you know I

464

00:25:09,490 --> 00:25:06,170

I don't know I don't have a clue and and

465

00:25:12,190 --> 00:25:09,500

when we're talking about this is this is

466

00:25:15,790 --> 00:25:12,200

the other frightening thing and and I

467

00:25:18,580 --> 00:25:15,800

was about a year ago where we are

468

00:25:21,070 --> 00:25:18,590

dealing with things being sprayed in our

469

00:25:24,310 --> 00:25:21,080

atmosphere and the testing of certain

470

00:25:27,490 --> 00:25:24,320

things to possibly stop you know this

471

00:25:29,860 --> 00:25:27,500

global warming trend and in terms of

472

00:25:31,510 --> 00:25:29,870

temperatures around that maybe that's

473

00:25:35,980 --> 00:25:31,520

some of the testing that's going on

474

00:25:38,050 --> 00:25:35,990

right now you know so but is that it's

475

00:25:42,760 --> 00:25:38,060

something that could be reversible if

476
00:25:44,800 --> 00:25:42,770
there is a mistake I had I have the data

477
00:25:46,960 --> 00:25:44,810
here but I don't have the time to get

478
00:25:52,060 --> 00:25:46,970
into it the testing that Harvard is

479
00:25:56,130 --> 00:25:52,070
doing that clearly is testing in our

480
00:26:02,440 --> 00:25:56,140
atmosphere and the stuff that they are

481
00:26:05,770 --> 00:26:02,450
spraying could actually a cause salt

482
00:26:10,270 --> 00:26:05,780
salt rain right salt water

483
00:26:11,890 --> 00:26:10,280
raining down on us and is is that is you

484
00:26:14,380 --> 00:26:11,900
know is that something that we can't

485
00:26:16,420 --> 00:26:14,390
refer I think about this because we're

486
00:26:18,790 --> 00:26:16,430
messaging with mother nature so that is

487
00:26:22,330 --> 00:26:18,800
the big question that we have here now

488
00:26:24,160 --> 00:26:22,340

we have this Delaware sized iceberg

489

00:26:28,090 --> 00:26:24,170

right now that is broken off the ice

490

00:26:30,850 --> 00:26:28,100

shelf from Larsen C is this something

491

00:26:33,160 --> 00:26:30,860

that is just natural is what's going on

492

00:26:36,760 --> 00:26:33,170

in Greenland right now is this natural

493

00:26:38,530 --> 00:26:36,770

you know is it I don't know is there

494

00:26:41,169 --> 00:26:38,540

anything that we can do to reverse it I

495

00:26:44,889 --> 00:26:41,179

don't know do we pack up and move Miami

496

00:26:48,190 --> 00:26:44,899

I don't know you know I

497

00:26:51,880 --> 00:26:48,200

but what I really want is for everybody

498

00:26:53,560 --> 00:26:51,890

to just somehow work it out

499

00:26:57,250 --> 00:26:53,570

where we can discuss this and try to

500

00:27:00,850 --> 00:26:57,260

figure out a way to get along because it

501
00:27:02,830 --> 00:27:00,860
is such a polarizing thing it's such a

502
00:27:07,630 --> 00:27:02,840
polarizing thing when we talk world

503
00:27:09,730 --> 00:27:07,640
politics and and and and things in this

504
00:27:11,860 --> 00:27:09,740
world right now everybody's just so

505
00:27:15,070 --> 00:27:11,870
polarized trigger words you just say the

506
00:27:19,389 --> 00:27:15,080
wrong thing and just you ignite these

507
00:27:22,029 --> 00:27:19,399
huge fires and it's it's that way right

508
00:27:25,149 --> 00:27:22,039
now with the global warming it just is

509
00:27:26,830 --> 00:27:25,159
it's broken off what is causing it we

510
00:27:30,340 --> 00:27:26,840
need to try to figure it out and if

511
00:27:32,620 --> 00:27:30,350
there is something that can be done then

512
00:27:35,230 --> 00:27:32,630
let's look at that signs if there's

513
00:27:37,389 --> 00:27:35,240

nothing that can be done and it is just

514

00:27:39,250 --> 00:27:37,399

something natural then we just have to

515

00:27:41,740 --> 00:27:39,260

ride this out and we'll have to do what

516

00:27:45,039 --> 00:27:41,750

ancient Stone Age man did back then

517

00:27:48,700 --> 00:27:45,049

which was move to where the weather is

518

00:27:51,639 --> 00:27:48,710

nice this is fade to black our guest

519

00:27:54,730 --> 00:27:51,649

tonight is Ken Knudsen divergent unity

520

00:27:58,509 --> 00:27:54,740

is the subject this is part one of part

521

00:28:01,240 --> 00:27:58,519

two tomorrow night right here Peter

522

00:28:02,470 --> 00:28:01,250

Cameron for part two Thursday night's

523

00:28:04,180 --> 00:28:02,480

another fader tight with Jon Rappoport

524

00:28:05,560 --> 00:28:04,190

and is a more fake newsroom live

525

00:28:07,810 --> 00:28:05,570

followed by open lines

526
00:28:10,060 --> 00:28:07,820
this is fade to black Camaro semi church

527
00:28:15,420 --> 00:28:10,070
and I'll be right back with my guests

528
00:28:52,560 --> 00:28:49,520
[Music]

529
00:28:55,970 --> 00:28:52,570
you're listening to Jimmy Church fade to

530
00:28:59,930 --> 00:28:58,640
Thank You dragwon that wall for a

531
00:29:03,020 --> 00:28:59,940
delicious

532
00:29:09,930 --> 00:29:03,030
[Music]

533
00:29:12,780 --> 00:29:09,940
tagine are a radio when you take the

534
00:29:15,150 --> 00:29:12,790
beans from Central America with dashes

535
00:29:17,790 --> 00:29:15,160
of Indonesian and African mixed in and

536
00:29:20,640 --> 00:29:17,800
then roasted to the dark side of fade to

537
00:29:23,790 --> 00:29:20,650
black you create the ultimate brew of

538
00:29:27,570 --> 00:29:23,800

Fringe introducing the fade to black

539

00:29:30,150 --> 00:29:27,580

blend from river moon coffee yes River

540

00:29:33,180 --> 00:29:30,160

moons darkest customized roast was

541

00:29:36,210 --> 00:29:33,190

created for the love of fade to black

542

00:29:38,910 --> 00:29:36,220

the alchemy of masterful roasting and

543

00:29:42,420 --> 00:29:38,920

smoking the beans is in every sip of

544

00:29:46,050 --> 00:29:42,430

this full-bodied dark Java I need my

545

00:29:48,090 --> 00:29:46,060

coffee doc D with distinct bittersweet

546

00:29:50,850 --> 00:29:48,100

chocolate highlights just like the

547

00:29:53,820 --> 00:29:50,860

bunker leaning further into the darkness

548

00:29:56,490 --> 00:29:53,830

of the roast is fade to black blend from

549

00:29:58,740 --> 00:29:56,500

river moon coffee just click on the

550

00:30:02,220 --> 00:29:58,750

banner at Jimmy Church radio.com and use

551
00:30:06,050 --> 00:30:02,230
the promo code F to B blend for 15% off

552
00:30:09,240 --> 00:30:06,060
of your order today go back Lee chappie

553
00:30:12,000 --> 00:30:09,250
hi folks let's win the clocks back 60

554
00:30:13,800 --> 00:30:12,010
years food was different food provided

555
00:30:15,990 --> 00:30:13,810
health and nutrition and using

556
00:30:18,690 --> 00:30:16,000
supplements with minimal unfortunately

557
00:30:20,610 --> 00:30:18,700
now we have chemicals GMOs herbicides

558
00:30:23,340 --> 00:30:20,620
and pesticides that can be quite lethal

559
00:30:24,330 --> 00:30:23,350
in the name of our food supply and of

560
00:30:26,340 --> 00:30:24,340
course the ever-loving dollar

561
00:30:28,680 --> 00:30:26,350
supplementing our diets can be very

562
00:30:30,870 --> 00:30:28,690
important to stay healthy cleansing from

563
00:30:33,210 --> 00:30:30,880

daily intruders to the body might be

564

00:30:36,180 --> 00:30:33,220

critical LIVESTRONG and take charge

565

00:30:38,250 --> 00:30:36,190

logon to get the t.com our herbal tea is

566

00:30:40,290 --> 00:30:38,260

a great way to cleanse from intruders

567

00:30:42,900 --> 00:30:40,300

our supplements is a great way to

568

00:30:45,510 --> 00:30:42,910

maintain and improve your health when

569

00:30:48,720 --> 00:30:45,520

your health is not up to par go to get

570

00:30:51,570 --> 00:30:48,730

the t-dot-com no GMOs no fillers and

571

00:30:54,030 --> 00:30:51,580

organic and very helpful in keeping you

572

00:30:56,790 --> 00:30:54,040

at the top of your game life is too

573

00:30:59,400 --> 00:30:56,800

short to feel uh you know what I mean

574

00:31:00,499 --> 00:30:59,410

stay in the game at the top of your game

575

00:31:03,859 --> 00:31:00,509

with get that

576

00:31:07,699 --> 00:31:03,869

decom that's get the t-dot-com

577

00:31:13,339 --> 00:31:07,709

again get the t.com nine out of ten

578

00:31:18,669 --> 00:31:13,349

geneticists agree fade to black

579

00:31:22,969 --> 00:31:18,679

is not your father's radio show on the

580

00:31:28,489 --> 00:31:22,979

game-changer radio network and kgr a the

581

00:31:30,499 --> 00:31:28,499

planet swim bag with KCRA this summer

582

00:31:32,389 --> 00:31:30,509

tickets and hotel accommodations to the

583

00:31:34,879 --> 00:31:32,399

biggest conferences autographed books

584

00:31:37,009 --> 00:31:34,889

the dvds chances to win all-inclusive

585

00:31:40,219 --> 00:31:37,019

conference cruises and private dinners

586

00:31:43,189 --> 00:31:40,229

with your favorite kgr a hosts click the

587

00:31:45,469 --> 00:31:43,199

contest to have at kgr a radio calm for

588

00:31:47,629 --> 00:31:45,479

your chance to win big this summer your

589

00:31:52,040 --> 00:31:47,639

contact for the best alternative talk

590

00:31:54,879 --> 00:31:52,050

radio on the planet KCRA radio.com

591

00:31:57,680 --> 00:31:54,889

[Music]

592

00:31:59,959 --> 00:31:57,690

hi this is Rob Reiner from anvil and

593

00:32:04,519 --> 00:31:59,969

you're listening to Jimmy George radio

594

00:32:07,790 --> 00:32:04,529

calm what's up what open a comment and

595

00:32:15,400 --> 00:32:07,800

we're listening the same a church radio

596

00:32:15,410 --> 00:32:22,360

[Music]

597

00:32:27,860 --> 00:32:24,740

all right welcome back baby black I'm

598

00:32:31,610 --> 00:32:27,870

your host Amy Church on the game changer

599

00:32:33,830 --> 00:32:31,620

network and kg RA the planet this is

600

00:32:37,039 --> 00:32:33,840

truly bespoke radio for the masses you

601
00:32:39,289 --> 00:32:37,049
can follow me on Twitter right now at J

602
00:32:41,720 --> 00:32:39,299
Church radio that's what you want to do

603
00:32:43,270 --> 00:32:41,730
hashtag F to B is the sandbox come and

604
00:32:47,899 --> 00:32:43,280
hangout with us we don't bite and

605
00:32:51,260 --> 00:32:47,909
hashtag F to be Q is fade to black

606
00:32:53,930 --> 00:32:51,270
questions okay tonight's very special

607
00:32:56,590 --> 00:32:53,940
guest Ken canoes it is here he is a

608
00:33:00,110 --> 00:32:56,600
divergent innovator intrapreneur

609
00:33:03,560 --> 00:33:00,120
architect of software gaming and life

610
00:33:06,350 --> 00:33:03,570
ken is a debugger of all systems his

611
00:33:09,350 --> 00:33:06,360
mission is to empower all people not

612
00:33:12,020 --> 00:33:09,360
just a few ken finds hope where none

613
00:33:14,899 --> 00:33:12,030

lies he finds solutions were all have

614

00:33:17,690 --> 00:33:14,909

failed he creates a vision when emotions

615

00:33:20,960 --> 00:33:17,700

blind away and ignites realities beyond

616

00:33:23,810 --> 00:33:20,970

all imagination it's a mouthful that's

617

00:33:27,980 --> 00:33:23,820

why tonight is part one the website

618

00:33:30,409 --> 00:33:27,990

divergent unity dot o y2k dot-com it's

619

00:33:32,600 --> 00:33:30,419

right there edge of maturity calm click

620

00:33:34,039 --> 00:33:32,610

on it go check it out we've got a lot of

621

00:33:35,779 --> 00:33:34,049

videos that are going to be posted

622

00:33:37,789 --> 00:33:35,789

tonight it's going to be one of those

623

00:33:39,169 --> 00:33:37,799

interactive type of evenings and I would

624

00:33:39,590 --> 00:33:39,179

like to welcome for the first time to

625

00:33:42,620 --> 00:33:39,600

fade to black

626

00:33:45,529 --> 00:33:42,630

Ken Knutson can good evening sir how are

627

00:33:47,299 --> 00:33:45,539

you I'm doing well thank you very much

628

00:33:50,480 --> 00:33:47,309

Jerry thank you what's the weather like

629

00:33:52,010 --> 00:33:50,490

up there in the great white north the

630

00:33:54,919 --> 00:33:52,020

great white north well I just sent the

631

00:33:57,470 --> 00:33:54,929

polar bear the bed and and it's a little

632

00:33:59,330 --> 00:33:57,480

cool tonight but it's I guess it's not

633

00:34:01,340 --> 00:33:59,340

as a warm is down there in California

634

00:34:03,590 --> 00:34:01,350

where we are yeah it's pretty it's

635

00:34:06,409 --> 00:34:03,600

pretty roasting down here at the moment

636

00:34:08,270 --> 00:34:06,419

but what I've got to do first and get

637

00:34:10,940 --> 00:34:08,280

out of the way is our first-time guests

638

00:34:12,730 --> 00:34:10,950

disclaimer kin and this is what it is

639

00:34:14,659 --> 00:34:12,740

it's just you and I sitting on my couch

640

00:34:16,760 --> 00:34:14,669

talking as friends where the

641

00:34:19,070 --> 00:34:16,770

conversation starts it starts where it

642

00:34:21,889 --> 00:34:19,080

ends it ends but we're going to end his

643

00:34:27,169 --> 00:34:21,899

friends are you ready to go yeah I'm

644

00:34:31,129 --> 00:34:27,179

ready to go okay now now this is it's

645

00:34:33,889 --> 00:34:31,139

not only you and your team there it's

646

00:34:37,220 --> 00:34:33,899

not only an ambitious project but it's

647

00:34:40,609 --> 00:34:37,230

big project you've got your feet right

648

00:34:42,279 --> 00:34:40,619

now underneath you and the facility and

649

00:34:46,669 --> 00:34:42,289

so forth and we'll get into all of that

650

00:34:50,779 --> 00:34:46,679

but changing the world where did you get

651
00:34:54,680 --> 00:34:50,789
this idea well I mean I've done

652
00:34:56,389 --> 00:34:54,690
realities in the past it was a company I

653
00:35:00,680 --> 00:34:56,399
brought in Europe called Europe Canada

654
00:35:04,039 --> 00:35:00,690
in 92 and it was back then the internet

655
00:35:05,720 --> 00:35:04,049
wasn't around and so we had to I you

656
00:35:09,259 --> 00:35:05,730
know dungeon dragons all that good stuff

657
00:35:11,299 --> 00:35:09,269
rough or yeah yeah so I mean I was into

658
00:35:14,029 --> 00:35:11,309
that at an early age I was always into

659
00:35:16,249 --> 00:35:14,039
creating worlds and so when I created

660
00:35:18,319 --> 00:35:16,259
nero canada was brought up from the

661
00:35:20,150 --> 00:35:18,329
states it was you create worlds from

662
00:35:22,640 --> 00:35:20,160
scratch and we have to you know you

663
00:35:24,769 --> 00:35:22,650

create goblins and all the lord of the

664

00:35:26,809 --> 00:35:24,779

rings' stuff and then you invite people

665

00:35:29,329 --> 00:35:26,819

to the world to play into it and they

666

00:35:31,370 --> 00:35:29,339

escape the reality that the you know the

667

00:35:36,309 --> 00:35:31,380

base reality that were that we're in and

668

00:35:39,019 --> 00:35:36,319

then they they lose themselves so the

669

00:35:40,910 --> 00:35:39,029

couple of years ago is when I started

670

00:35:41,509 --> 00:35:40,920

getting the itch again to make that

671

00:35:43,700 --> 00:35:41,519

happen

672

00:35:47,960 --> 00:35:43,710

and I started looking around on the

673

00:35:52,849 --> 00:35:47,970

internet and and I was amazed that the

674

00:35:55,130 --> 00:35:52,859

stuff being written for us in creating

675

00:35:58,489 --> 00:35:55,140

this new world that we could all exist

676
00:36:00,859 --> 00:35:58,499
in but what I found was nobody was doing

677
00:36:04,489 --> 00:36:00,869
they're all doing it in small parts but

678
00:36:06,140 --> 00:36:04,499
I was there's as you get going faster

679
00:36:09,769 --> 00:36:06,150
and fan will get into this with what the

680
00:36:13,819 --> 00:36:09,779
buggers do in the software world but as

681
00:36:16,339 --> 00:36:13,829
you you learn to detach from everything

682
00:36:19,819 --> 00:36:16,349
and then just listen to everybody

683
00:36:22,609 --> 00:36:19,829
and so as I was getting going faster and

684
00:36:24,979 --> 00:36:22,619
faster through the internet I noticed

685
00:36:27,680 --> 00:36:24,989
all these little siloed groups and

686
00:36:30,140 --> 00:36:27,690
they're doing the right stuff and but

687
00:36:32,329 --> 00:36:30,150
yet there's so much noise I hear the

688
00:36:35,359 --> 00:36:32,339

entropy that the chaos they they're just

689

00:36:37,039 --> 00:36:35,369

being buried and so now you have Trump

690

00:36:39,019 --> 00:36:37,049

you have other world leaders we're back

691

00:36:42,339 --> 00:36:39,029

to this duality again you know the bad

692

00:36:46,069 --> 00:36:42,349

Soviets versus the west and the east and

693

00:36:47,359 --> 00:36:46,079

and then so I started you know shaking

694

00:36:49,609 --> 00:36:47,369

the head and I'm like there's God

695

00:36:51,680 --> 00:36:49,619

be an answer here and so I started

696

00:36:53,150 --> 00:36:51,690

looking and I started finding more

697

00:36:55,789 --> 00:36:53,160

answers and more answers and then I

698

00:36:58,789 --> 00:36:55,799

realized that you know at its core this

699

00:37:00,140 --> 00:36:58,799

is just one big system well isn't it is

700

00:37:02,989 --> 00:37:00,150

it duality

701
00:37:05,450 --> 00:37:02,999
isn't that just us right is there any

702
00:37:07,339 --> 00:37:05,460
way to pull pull out of that or is it

703
00:37:10,519 --> 00:37:07,349
just you know positive and negative

704
00:37:12,579 --> 00:37:10,529
light and dark white and black it sure

705
00:37:16,130 --> 00:37:12,589
something that will never get away from

706
00:37:18,799 --> 00:37:16,140
right and turn and so in the computer

707
00:37:20,690 --> 00:37:18,809
world when you coding we are stuck in

708
00:37:22,400 --> 00:37:20,700
and have been stuck in the realm for the

709
00:37:24,710 --> 00:37:22,410
longest time and will become binary

710
00:37:27,829 --> 00:37:24,720
coding at zeros and ones right you have

711
00:37:30,259 --> 00:37:27,839
there you have duality right and so it's

712
00:37:32,029 --> 00:37:30,269
a reflection of the human mind in the

713
00:37:34,640 --> 00:37:32,039

way I think we're talking about quantum

714

00:37:36,920 --> 00:37:34,650

Minds we're slowly getting there right

715

00:37:39,859 --> 00:37:36,930

and but anytime if you're talking about

716

00:37:42,170 --> 00:37:39,869

a quantum mind versus a a linear mind or

717

00:37:43,819 --> 00:37:42,180

duality mind especially in the current

718

00:37:47,059 --> 00:37:43,829

system and then and I talked about the

719

00:37:49,309 --> 00:37:47,069

world system as soon as you try to speak

720

00:37:52,549 --> 00:37:49,319

up in a quantum and a multiverse mind

721

00:37:57,319 --> 00:37:52,559

you're immediately labeled great so in

722

00:38:00,890 --> 00:37:57,329

my cases I grew up in 72 when I was born

723

00:38:04,069 --> 00:38:00,900

well you know in that era we hear ADHD

724

00:38:06,349 --> 00:38:04,079

attention hyperactivity disorder was

725

00:38:09,019 --> 00:38:06,359

just coming in and we were the problem

726

00:38:11,569 --> 00:38:09,029

child's right and were the ones that

727

00:38:14,690 --> 00:38:11,579

can't sit in class many times you know

728

00:38:16,999 --> 00:38:14,700

back then the strap was just being you

729

00:38:18,920 --> 00:38:17,009

know what he called moved out right got

730

00:38:21,710 --> 00:38:18,930

threatened with it once my mom was in

731

00:38:23,089 --> 00:38:21,720

that that principal's office so fast and

732

00:38:26,479 --> 00:38:23,099

that never got used again

733

00:38:28,759 --> 00:38:26,489

and so that's funny

734

00:38:30,499 --> 00:38:28,769

the heads funny oh yeah that is on

735

00:38:35,210 --> 00:38:30,509

appearing excuse me my mom when she was

736

00:38:37,069 --> 00:38:35,220

a yeah purifier and it was so I mean yet

737

00:38:38,420 --> 00:38:37,079

back in those times its they didn't

738

00:38:41,450 --> 00:38:38,430

quite know what to do with it now

739

00:38:44,150 --> 00:38:41,460

ritalin was just coming around and you

740

00:38:48,410 --> 00:38:44,160

know my mom would have nothing nothing

741

00:38:51,249 --> 00:38:48,420

with it and it allowed me to walk up

742

00:38:53,829 --> 00:38:51,259

where zoria grow up outside the system

743

00:38:56,569 --> 00:38:53,839

right at that whole educational system

744

00:39:00,470 --> 00:38:56,579

now it wasn't an easy journey by any

745

00:39:01,190 --> 00:39:00,480

stretch but what it allowed me to do and

746

00:39:02,599 --> 00:39:01,200

just like your

747

00:39:05,140 --> 00:39:02,609

working with a it allowed me to walk

748

00:39:07,520 --> 00:39:05,150

outside of that duality right right and

749

00:39:10,099 --> 00:39:07,530

pray and so you know in the classroom

750

00:39:11,750 --> 00:39:10,109

when you know all the kids go

751
00:39:13,609 --> 00:39:11,760
you know kids got the play together I

752
00:39:15,589 --> 00:39:13,619
try to interact but that only lasts for

753
00:39:17,450 --> 00:39:15,599
so long Greg's all of a sudden you know

754
00:39:20,690 --> 00:39:17,460
we're ADHD are high you know are in

755
00:39:22,819 --> 00:39:20,700
pulse disorders people say things and

756
00:39:25,250 --> 00:39:22,829
then also and we react in a strange way

757
00:39:26,660 --> 00:39:25,260
and then I mean you're the you know the

758
00:39:29,060 --> 00:39:26,670
headless rooster and then they send you

759
00:39:30,560 --> 00:39:29,070
to the corner well your loss it was

760
00:39:33,890 --> 00:39:30,570
what's funny with that is you're the

761
00:39:37,400 --> 00:39:33,900
perfect guy then right you're the

762
00:39:41,270 --> 00:39:37,410
perfect item put this together it was

763
00:39:43,430 --> 00:39:41,280

and that's so with ADHD the our

764

00:39:45,020 --> 00:39:43,440

prefrontal wall I mean science is

765

00:39:46,160 --> 00:39:45,030

catching up now remember what I'm

766

00:39:48,319 --> 00:39:46,170

talking about is in the Western

767

00:39:50,390 --> 00:39:48,329

civilization if we went over to the east

768

00:39:52,670 --> 00:39:50,400

and we talked about ADHD or even in the

769

00:39:54,710 --> 00:39:52,680

indigenous populations right now we're

770

00:39:58,750 --> 00:39:54,720

in India and you talk about things like

771

00:40:00,829 --> 00:39:58,760

ADHD or bipolar or schizophrenia or

772

00:40:04,190 --> 00:40:00,839

oppositional defiance or things like

773

00:40:05,599 --> 00:40:04,200

that it's it's they consider the spirits

774

00:40:06,890 --> 00:40:05,609

coming through right right because

775

00:40:09,559 --> 00:40:06,900

you're divergent you're becoming

776

00:40:11,690 --> 00:40:09,569

divergent from the normality right so

777

00:40:14,120 --> 00:40:11,700

it's it's here in Western civilization

778

00:40:17,180 --> 00:40:14,130

let's break open the book now which is

779

00:40:20,540 --> 00:40:17,190

called the DSM and in that book is

780

00:40:22,700 --> 00:40:20,550

anything opposing the system's train of

781

00:40:24,440 --> 00:40:22,710

thought or no malady of control right

782

00:40:29,480 --> 00:40:24,450

the way they use to control people here

783

00:40:31,849 --> 00:40:29,490

so it's it's in the Western civilization

784

00:40:34,430 --> 00:40:31,859

sation we're fighting this this this

785

00:40:36,800 --> 00:40:34,440

dogma these dogmatic walls that are that

786

00:40:38,480 --> 00:40:36,810

are constricting us at all angles where

787

00:40:42,230 --> 00:40:38,490

you can't even

788

00:40:44,329 --> 00:40:42,240

we can't even bring in divergence unless

789

00:40:46,220 --> 00:40:44,339

the divergent agrees with the system in

790

00:40:47,420 --> 00:40:46,230

that hope what you got oh that's

791

00:40:50,450 --> 00:40:47,430

divergent I don't make a ton of money

792

00:40:52,370 --> 00:40:50,460

great so let's let's do that right open

793

00:40:53,510 --> 00:40:52,380

that doesn't hurt anybody or oppose what

794

00:40:55,160 --> 00:40:53,520

we're going to do it doesn't it's not

795

00:40:56,870 --> 00:40:55,170

going to shake the foundations of

796

00:40:59,120 --> 00:40:56,880

corporations or anything like that so

797

00:41:01,099 --> 00:40:59,130

it's that's okay let's go that will

798

00:41:03,020 --> 00:41:01,109

shake the foundation okay you can't do

799

00:41:04,720 --> 00:41:03,030

that and then if you keep pressing that

800

00:41:08,300 --> 00:41:04,730

all of a sudden you're labeled as crazy

801
00:41:12,740 --> 00:41:08,310
and so let me let me jump in there

802
00:41:15,260 --> 00:41:12,750
there's one there's one point that

803
00:41:17,230 --> 00:41:15,270
you have raised that is very very

804
00:41:21,320 --> 00:41:17,240
important when you're looking at a

805
00:41:23,690 --> 00:41:21,330
duality with ones and zeros and you look

806
00:41:26,810 --> 00:41:23,700
at what is the alternative which is both

807
00:41:29,990 --> 00:41:26,820
which is quantum computing right or

808
00:41:36,200 --> 00:41:30,000
either is is another way to put it

809
00:41:39,140 --> 00:41:36,210
is the next phase also with humanity in

810
00:41:40,700 --> 00:41:39,150
general which is you don't have to be on

811
00:41:42,140 --> 00:41:40,710
this side of the fence you don't have to

812
00:41:44,510 --> 00:41:42,150
be on this side of the fence you can

813
00:41:46,340 --> 00:41:44,520

also be in either in the middle that's

814

00:41:50,480 --> 00:41:46,350

looking at both sides and make a

815

00:41:54,320 --> 00:41:50,490

decision there and maybe you can be both

816

00:41:56,630 --> 00:41:54,330

at the same time and that Vadra that's a

817

00:41:57,950 --> 00:41:56,640

big big step to take but that's the way

818

00:42:01,760 --> 00:41:57,960

that I look at the world

819

00:42:03,590 --> 00:42:01,770

I completely look at it that way and I

820

00:42:07,370 --> 00:42:03,600

think that we're starting to move in

821

00:42:10,400 --> 00:42:07,380

that direction don't you yes and where

822

00:42:12,170 --> 00:42:10,410

it's when you sit on the fence and we're

823

00:42:13,940 --> 00:42:12,180

going okay so in quantum quantum physics

824

00:42:15,650 --> 00:42:13,950

we will just do three statements now

825

00:42:19,100 --> 00:42:15,660

that we'll call it negative one zero and

826
00:42:20,990 --> 00:42:19,110
one right okay and again where have you

827
00:42:23,570 --> 00:42:21,000
heard of this before right in Eastern

828
00:42:26,120 --> 00:42:23,580
philosophy and then right it's the state

829
00:42:28,550 --> 00:42:26,130
of state of nothing mm-hmm right and in

830
00:42:31,010 --> 00:42:28,560
that state of nothing is where something

831
00:42:34,430 --> 00:42:31,020
can become right so the way I describe

832
00:42:36,680 --> 00:42:34,440
it is is so even right now as I'm

833
00:42:39,020 --> 00:42:36,690
speaking I'm normalizing myself so

834
00:42:40,850 --> 00:42:39,030
imagine I love surfing the waves of the

835
00:42:42,980 --> 00:42:40,860
other if you want to call it or space

836
00:42:45,260 --> 00:42:42,990
right because up in there I can jump

837
00:42:47,600 --> 00:42:45,270
from wave to wave the wave or

838
00:42:49,460 --> 00:42:47,610

probability point the probability point

839

00:42:51,590 --> 00:42:49,470

without collapsing that wave into a for

840

00:42:53,600 --> 00:42:51,600

right and that what that allows me to do

841

00:42:55,910 --> 00:42:53,610

is like you're saying sit on the fence

842

00:42:57,530 --> 00:42:55,920

okay what I like this problem I don't

843

00:42:59,660 --> 00:42:57,540

like that one that's that's the final

844

00:43:02,780 --> 00:42:59,670

evil or whatever the case may be

845

00:43:05,180 --> 00:43:02,790

oh I like this one and then they'll

846

00:43:08,420 --> 00:43:05,190

become a point so this sitting on the

847

00:43:11,660 --> 00:43:08,430

fence when you can do it well is you

848

00:43:12,950 --> 00:43:11,670

jump say six seven points probability

849

00:43:14,600 --> 00:43:12,960

points and then you take those six or

850

00:43:16,700 --> 00:43:14,610

seven probability points and you

851
00:43:19,130 --> 00:43:16,710
collapse them down into something so now

852
00:43:21,800 --> 00:43:19,140
you get into what you we talked about in

853
00:43:25,430 --> 00:43:21,810
manifesting things in this reality right

854
00:43:26,550 --> 00:43:25,440
and and so it's more than just the

855
00:43:28,950 --> 00:43:26,560
linear mind okay I'm going to

856
00:43:31,230 --> 00:43:28,960
on offense mMmmm hope now I'm going to

857
00:43:33,120 --> 00:43:31,240
go to one no I'm going to go to Britt

858
00:43:35,640 --> 00:43:33,130
there's a flow to it right and that

859
00:43:38,430 --> 00:43:35,650
requires us to get back into the flow of

860
00:43:42,000 --> 00:43:38,440
nature so something that we left a long

861
00:43:45,510 --> 00:43:42,010
time ago so now that we've got this part

862
00:43:47,160 --> 00:43:45,520
of it laid out for you and you figured

863
00:43:49,320 --> 00:43:47,170

out that there's some crazy stuff going

864

00:43:52,230 --> 00:43:49,330

on in the world and that there are

865

00:43:56,250 --> 00:43:52,240

people attempting to do this but there

866

00:44:00,290 --> 00:43:56,260

is pushback and there's interference for

867

00:44:04,470 --> 00:44:00,300

whatever may be that cause so then a

868

00:44:07,530 --> 00:44:04,480

divergent unity is formed now what are

869

00:44:08,640 --> 00:44:07,540

the goals of that we're going to take

870

00:44:10,830 --> 00:44:08,650

this off into a hundred different

871

00:44:13,920 --> 00:44:10,840

directions here in just about 60 seconds

872

00:44:19,140 --> 00:44:13,930

okay but but what what are the goals and

873

00:44:21,660 --> 00:44:19,150

why divergent unity so we definitely

874

00:44:24,690 --> 00:44:21,670

have to unify and that the planet is

875

00:44:27,110 --> 00:44:24,700

trying to do that you have a number it's

876

00:44:29,160 --> 00:44:27,120

wrote the world there are groups

877

00:44:32,040 --> 00:44:29,170

children crying out from all different

878

00:44:34,860 --> 00:44:32,050

angles there are mothers and you know

879

00:44:38,550 --> 00:44:34,870

and and groups of families that are just

880

00:44:40,140 --> 00:44:38,560

being hammered beyond hammered and then

881

00:44:42,240 --> 00:44:40,150

you have these groups that are forming

882

00:44:45,690 --> 00:44:42,250

around these families to try and empower

883

00:44:47,520 --> 00:44:45,700

them to try and make it better but those

884

00:44:50,220 --> 00:44:47,530

groups are forming within the system's

885

00:44:52,260 --> 00:44:50,230

mentality of thought great we're going

886

00:44:55,650 --> 00:44:52,270

to okay so NGOs are a perfect example

887

00:44:57,990 --> 00:44:55,660

right a lot of people pretty much know

888

00:45:00,000 --> 00:44:58,000

they they did delay as something

889

00:45:02,460 --> 00:45:00,010

continues on for long enough it gets

890

00:45:05,130 --> 00:45:02,470

corrupted and it can't be as effective

891

00:45:08,190 --> 00:45:05,140

as it once used to be so so long as

892

00:45:11,850 --> 00:45:08,200

money is a problem so long as money is

893

00:45:14,340 --> 00:45:11,860

involved it stops the creative thinking

894

00:45:15,210 --> 00:45:14,350

from happening where it can't go as far

895

00:45:19,290 --> 00:45:15,220

as it wants to

896

00:45:22,950 --> 00:45:19,300

and so the Virgin unity is about taking

897

00:45:25,200 --> 00:45:22,960

that unity and instead of looking at all

898

00:45:27,480 --> 00:45:25,210

these in the Western world instead of

899

00:45:29,910 --> 00:45:27,490

looking at ADHD and the autism spectrum

900

00:45:32,780 --> 00:45:29,920

as I mentioned and bipolar and all that

901
00:45:34,830 --> 00:45:32,790
that group they all walk within a

902
00:45:38,130 --> 00:45:34,840
evolutionary feel they're there they're

903
00:45:40,380 --> 00:45:38,140
at this you know the edge of evolution

904
00:45:44,130 --> 00:45:40,390
and bring it being brought about by

905
00:45:46,380 --> 00:45:44,140
epigenetics right so an epigenetics

906
00:45:50,610 --> 00:45:46,390
where the environment of the natural

907
00:45:54,420 --> 00:45:50,620
system will create divergence different

908
00:45:56,310 --> 00:45:54,430
species and so divergence about

909
00:45:58,620 --> 00:45:56,320
gathering these individuals together as

910
00:46:01,470 --> 00:45:58,630
a living system not just a computer

911
00:46:03,420 --> 00:46:01,480
system and then trying to take those

912
00:46:08,070 --> 00:46:03,430
minds that thing completely different

913
00:46:10,310 --> 00:46:08,080

then they are the 90% and then building

914

00:46:13,320 --> 00:46:10,320

the bottles around them putting them up

915

00:46:14,460 --> 00:46:13,330

you know in these think tanks right so

916

00:46:18,450 --> 00:46:14,470

because they don't think in the

917

00:46:20,880 --> 00:46:18,460

normalized way and and then having them

918

00:46:23,870 --> 00:46:20,890

compute these divergent paths so for

919

00:46:26,580 --> 00:46:23,880

example when I'm looking for solutions

920

00:46:28,650 --> 00:46:26,590

all I do I'm climbing on everybody's

921

00:46:30,870 --> 00:46:28,660

shoulders I know what I want okay I'm

922

00:46:32,790 --> 00:46:30,880

going to look here Oh somebody's doing

923

00:46:34,950 --> 00:46:32,800

that okay now I'm going to climb on that

924

00:46:36,120 --> 00:46:34,960

purring okay I got these three things

925

00:46:37,980 --> 00:46:36,130

I'm going to take those because those

926

00:46:40,650 --> 00:46:37,990

other two aren't going to match with

927

00:46:43,820 --> 00:46:40,660

these five other things right and then

928

00:46:46,230 --> 00:46:43,830

so it's a system of thought a way of

929

00:46:48,090 --> 00:46:46,240

finding solutions that I've never been

930

00:46:50,520 --> 00:46:48,100

done before but it requires to continue

931

00:46:53,280 --> 00:46:50,530

and climb up on shoulders and the

932

00:46:55,950 --> 00:46:53,290

hardest thing is detaching from what you

933

00:46:57,480 --> 00:46:55,960

thought you knew so it's a continual I

934

00:46:59,670 --> 00:46:57,490

think you remember the if you've seen

935

00:47:01,230 --> 00:46:59,680

dr. strains at that moment where he's

936

00:47:02,940 --> 00:47:01,240

going through the door right he's told

937

00:47:04,380 --> 00:47:02,950

you know to get through these doors you

938

00:47:07,710 --> 00:47:04,390

have to forget everything you thought

939

00:47:12,630 --> 00:47:07,720

you knew and and it's such a hard thing

940

00:47:15,000 --> 00:47:12,640

for any person to do now ADHD people we

941

00:47:16,800 --> 00:47:15,010

love you know still with us you know

942

00:47:18,420 --> 00:47:16,810

where we save you know as soon as the

943

00:47:19,770 --> 00:47:18,430

squirrel runs by really cool squirrel

944

00:47:21,360 --> 00:47:19,780

there was another squirrel liberalism

945

00:47:25,200 --> 00:47:21,370

we're just our attention is going

946

00:47:27,060 --> 00:47:25,210

everywhere and and to normalize is can

947

00:47:30,920 --> 00:47:27,070

last for a bit but then also like a

948

00:47:33,840 --> 00:47:30,930

board right and so you could think of

949

00:47:36,060 --> 00:47:33,850

the internet is perfect for us right

950

00:47:38,100 --> 00:47:36,070

especially digging through all the crap

951
00:47:42,600 --> 00:47:38,110
that's out there because there's a lot

952
00:47:45,990 --> 00:47:42,610
of information a lot of misinformation

953
00:47:47,910 --> 00:47:46,000
and but in that information even in

954
00:47:49,920 --> 00:47:47,920
misinformation there's always grains of

955
00:47:51,900 --> 00:47:49,930
truth that follow back to something else

956
00:47:54,960 --> 00:47:51,910
right and so you

957
00:47:58,109 --> 00:47:54,970
minds that can absorb tons of

958
00:48:02,069 --> 00:47:58,119
information and hold it in their brains

959
00:48:06,240 --> 00:48:02,079
at a hold yet hold it in their brains

960
00:48:09,630 --> 00:48:06,250
for a long while so the way I describe

961
00:48:11,880 --> 00:48:09,640
it as I'm going through the internet

962
00:48:14,190 --> 00:48:11,890
what I do to make it faster is I start

963
00:48:16,109 --> 00:48:14,200

building realities in my mind right so

964

00:48:17,640 --> 00:48:16,119

axial instead of starts off with words

965

00:48:19,710 --> 00:48:17,650

words and then I'm putting it into

966

00:48:22,170 --> 00:48:19,720

paintings right and then I'm holding

967

00:48:24,930 --> 00:48:22,180

multiple paintings in my brain and then

968

00:48:27,390 --> 00:48:24,940

in those paintings and joining those

969

00:48:31,140 --> 00:48:27,400

paintings together to faster solutions

970

00:48:34,440 --> 00:48:31,150

right so it's it in genetic programming

971

00:48:36,120 --> 00:48:34,450

it's called evolutionary algorithms

972

00:48:38,910 --> 00:48:36,130

right they take stuff that's already

973

00:48:40,289 --> 00:48:38,920

done through genetic algorithms which

974

00:48:42,750 --> 00:48:40,299

are like your simplified

975

00:48:43,529 --> 00:48:42,760

rabbit holes of you know when you go

976

00:48:45,990 --> 00:48:43,539

down a rabbit hole

977

00:48:48,690 --> 00:48:46,000

those are like genetic algorithms right

978

00:48:50,160 --> 00:48:48,700

so evolutionary programs take all the

979

00:48:53,309 --> 00:48:50,170

information that though all those little

980

00:48:55,079 --> 00:48:53,319

rabbit holes are digging up or putting

981

00:48:57,900 --> 00:48:55,089

together and then we start aggregating

982

00:48:59,160 --> 00:48:57,910

all that information and so what it does

983

00:49:01,260 --> 00:48:59,170

it allows you to spin through

984

00:49:05,130 --> 00:49:01,270

information faster and since you're

985

00:49:09,029 --> 00:49:05,140

dealing in holistic views of things you

986

00:49:11,849 --> 00:49:09,039

can find solutions so the Virgin unity

987

00:49:13,410 --> 00:49:11,859

now what would do and I've been told by

988

00:49:15,510 --> 00:49:13,420

the magician to read this so as a little

989

00:49:17,519 --> 00:49:15,520

coherence for everybody is we've created

990

00:49:20,130 --> 00:49:17,529

what's called the game of frequencies

991

00:49:22,049 --> 00:49:20,140

and what it is is a cosmic venue that

992

00:49:24,510 --> 00:49:22,059

will host the largest unification of

993

00:49:27,660 --> 00:49:24,520

divergent minds ever assembled over the

994

00:49:29,250 --> 00:49:27,670

whole planet yeah you right here I'm

995

00:49:32,789 --> 00:49:29,260

just going to read this for the audience

996

00:49:35,190 --> 00:49:32,799

divergent unity has stepped up to the

997

00:49:38,450 --> 00:49:35,200

global stage with a new Universal

998

00:49:41,430 --> 00:49:38,460

empowering platform for all innovators

999

00:49:45,120 --> 00:49:41,440

businesses and people alike to step onto

1000

00:49:47,370 --> 00:49:45,130

it as the catalyst conductor our company

1001
00:49:50,279 --> 00:49:47,380
has written the next Mozart piece for

1002
00:49:52,950 --> 00:49:50,289
all humanity and together by assembling

1003
00:49:55,859 --> 00:49:52,960
key highly specialized band members we

1004
00:49:59,400 --> 00:49:55,869
will raise the frequency of all beings

1005
00:50:02,690 --> 00:49:59,410
to a spacefaring level culture and leave

1006
00:50:05,430 --> 00:50:02,700
the old destructive enslaving reality

1007
00:50:08,309 --> 00:50:05,440
behind now

1008
00:50:12,480 --> 00:50:08,319
is great right it does yep right I'm

1009
00:50:16,050 --> 00:50:12,490
very warm and fuzzy right nearly

1010
00:50:17,880 --> 00:50:16,060
impossible right nearly impossible sure

1011
00:50:21,990 --> 00:50:17,890
yeah nearly your house in a normalized

1012
00:50:24,120 --> 00:50:22,000
mindset sure yeah and and it's now the

1013
00:50:26,069 --> 00:50:24,130

it's it's hard to find somebody that

1014

00:50:28,890 --> 00:50:26,079

would argue with this right argue

1015

00:50:31,740 --> 00:50:28,900

against it everybody would but it's

1016

00:50:36,150 --> 00:50:31,750

another thing to get people off of their

1017

00:50:39,089 --> 00:50:36,160

focus in life in general to to this

1018

00:50:41,250 --> 00:50:39,099

because they are I mean the status quo

1019

00:50:41,730 --> 00:50:41,260

the status quo is the hardest thing to

1020

00:50:43,950 --> 00:50:41,740

break

1021

00:50:47,430 --> 00:50:43,960

alright that's that's it because it's

1022

00:50:51,359 --> 00:50:47,440

the easy path and and there they are so

1023

00:50:54,750 --> 00:50:51,369

tuned like like a guitar right there so

1024

00:50:56,819 --> 00:50:54,760

tuned into that lifestyle that breaking

1025

00:50:59,069 --> 00:50:56,829

out of it or accepting something else

1026

00:51:01,050 --> 00:50:59,079

for the betterment of the planet it's

1027

00:51:02,849 --> 00:51:01,060

like the most impossible thing to do and

1028

00:51:06,750 --> 00:51:02,859

we've been trying to do it forever

1029

00:51:08,880 --> 00:51:06,760

haven't we right yeah no and we have and

1030

00:51:11,700 --> 00:51:08,890

and so there's there's a good quote from

1031

00:51:14,550 --> 00:51:11,710

Adam grant he wrote a book recently

1032

00:51:15,960 --> 00:51:14,560

called originals and and you'll notice a

1033

00:51:16,500 --> 00:51:15,970

lot of these books starting to come out

1034

00:51:19,050 --> 00:51:16,510

now

1035

00:51:21,030 --> 00:51:19,060

right so let's spin you frame everyone's

1036

00:51:23,430 --> 00:51:21,040

mind into the into the beginning of

1037

00:51:25,410 --> 00:51:23,440

frequencies I will use every frequency

1038

00:51:28,380 --> 00:51:25,420

on the earth and I mean frequencies

1039

00:51:32,099 --> 00:51:28,390

right but the bottle of water the candle

1040

00:51:33,900 --> 00:51:32,109

book anything I will use it in order to

1041

00:51:35,700 --> 00:51:33,910

remember the dogma the system we're in

1042

00:51:37,880 --> 00:51:35,710

in the West is science-based

1043

00:51:43,200 --> 00:51:37,890

right so they want empirical information

1044

00:51:45,270 --> 00:51:43,210

right they they can't stand the sort of

1045

00:51:47,579 --> 00:51:45,280

the esoteric views over there with the

1046

00:51:49,859 --> 00:51:47,589

religious views of you know that there's

1047

00:51:52,319 --> 00:51:49,869

something higher than us right and

1048

00:51:54,660 --> 00:51:52,329

obviously as we come closer and closer

1049

00:51:56,430 --> 00:51:54,670

we're realizing it's pretty obvious that

1050

00:51:58,170 --> 00:51:56,440

there are higher frequencies whatever

1051
00:52:00,390 --> 00:51:58,180
you call that whatever you manifest that

1052
00:52:03,780 --> 00:52:00,400
into your visual reality whether it's

1053
00:52:07,050 --> 00:52:03,790
God Jesus Christ Mohammed Buddha who

1054
00:52:08,880 --> 00:52:07,060
cares right it it becomes a care when

1055
00:52:10,620 --> 00:52:08,890
you start using it to bat people over

1056
00:52:12,210 --> 00:52:10,630
the head with that's right that's right

1057
00:52:15,210 --> 00:52:12,220
well and and

1058
00:52:17,670 --> 00:52:15,220
- we I want to go back to you know the

1059
00:52:19,859 --> 00:52:17,680
the word quantum and in quantum

1060
00:52:21,660 --> 00:52:19,869
computing here and you're absolutely

1061
00:52:24,240 --> 00:52:21,670
right and the West has got to be facts

1062
00:52:26,609 --> 00:52:24,250
there's got to be facts backed up by

1063
00:52:28,560 --> 00:52:26,619

facts right and that's that's that's

1064

00:52:31,099 --> 00:52:28,570

that's the signs that that's the world

1065

00:52:33,750 --> 00:52:31,109

that we live in over here and then

1066

00:52:34,740 --> 00:52:33,760

Silicon Valley comes along and says hey

1067

00:52:38,160 --> 00:52:34,750

wait a minute

1068

00:52:40,950 --> 00:52:38,170

okay a quantum computing is real we're

1069

00:52:42,839 --> 00:52:40,960

building these now and that and since we

1070

00:52:47,430 --> 00:52:42,849

are doing this in qubits are now

1071

00:52:51,930 --> 00:52:47,440

operating in a parallel world did and

1072

00:52:55,859 --> 00:52:51,940

now now that is that is ones and zeros

1073

00:52:59,370 --> 00:52:55,869

and a qubit and an either another that

1074

00:53:01,200 --> 00:52:59,380

is now suggesting that it does exist

1075

00:53:02,760 --> 00:53:01,210

that there is another world out there

1076

00:53:05,220 --> 00:53:02,770

that we didn't understand another

1077

00:53:07,530 --> 00:53:05,230

dimension but science is improving that

1078

00:53:11,460 --> 00:53:07,540

and now we've got a problem don't we

1079

00:53:14,790 --> 00:53:11,470

Oh a huge problem right because now it's

1080

00:53:17,280 --> 00:53:14,800

I like to say that we were and this is

1081

00:53:20,130 --> 00:53:17,290

where transhumanism comes in we are not

1082

00:53:22,260 --> 00:53:20,140

as a species and I'll say this in as an

1083

00:53:27,089 --> 00:53:22,270

empirical statement we are not mature

1084

00:53:30,060 --> 00:53:27,099

enough to handle AI or the quantum

1085

00:53:32,250 --> 00:53:30,070

machines in our given state and then the

1086

00:53:33,990 --> 00:53:32,260

way with the model of the earth is set

1087

00:53:35,700 --> 00:53:34,000

up so far as the corporations if you

1088

00:53:36,720 --> 00:53:35,710

want your first artificial intelligence

1089

00:53:39,180 --> 00:53:36,730

that was ever created

1090

00:53:41,760 --> 00:53:39,190

it is corporations they are an entity

1091

00:53:45,089 --> 00:53:41,770

under the eyes of law and they have more

1092

00:53:47,700 --> 00:53:45,099

power than humans do if you want to

1093

00:53:49,470 --> 00:53:47,710

think about in terms of control and the

1094

00:53:52,829 --> 00:53:49,480

way that they work over the planet and

1095

00:53:55,020 --> 00:53:52,839

in those shells they have rules a little

1096

00:53:56,790 --> 00:53:55,030

algorithms little methods that dictate

1097

00:54:01,410 --> 00:53:56,800

how they run and then where did they get

1098

00:54:04,500 --> 00:54:01,420

their energy from us yep exactly 100%

1099

00:54:07,770 --> 00:54:04,510

they are living and breathing yes and

1100

00:54:10,530 --> 00:54:07,780

they get it from us and we have failed

1101
00:54:15,030 --> 00:54:10,540
miserably just for those because they've

1102
00:54:19,560 --> 00:54:15,040
been abused now you want to put in at AI

1103
00:54:23,160 --> 00:54:19,570
deep learning robots run by it and we

1104
00:54:24,780 --> 00:54:23,170
have no control on it because as you can

1105
00:54:26,130 --> 00:54:24,790
we have meaningful congregant the

1106
00:54:27,900 --> 00:54:26,140
majority the mass public

1107
00:54:30,870 --> 00:54:27,910
at least with corporations we can look

1108
00:54:33,150 --> 00:54:30,880
them up when you de start designing AI

1109
00:54:35,130 --> 00:54:33,160
algorithms and methods it's all boxed

1110
00:54:36,989 --> 00:54:35,140
away and you have no clue what's written

1111
00:54:40,200 --> 00:54:36,999
in there anymore it's written by

1112
00:54:41,999 --> 00:54:40,210
somebody with an intent that intent the

1113
00:54:44,190 --> 00:54:42,009

person who wrote it is now governed by

1114

00:54:46,950 --> 00:54:44,200

somebody above them so there is a reason

1115

00:54:50,009 --> 00:54:46,960

why they're you writing that algorithm

1116

00:54:53,130 --> 00:54:50,019

and right now you know big data is the

1117

00:54:56,670 --> 00:54:53,140

big thing this is you know the moment we

1118

00:54:59,849 --> 00:54:56,680

have in in human time for Humanity to

1119

00:55:02,849 --> 00:54:59,859

step up together and take our future

1120

00:55:05,269 --> 00:55:02,859

back there has never been a relic to say

1121

00:55:08,430 --> 00:55:05,279

a Goldilocks moment in our time than now

1122

00:55:10,769 --> 00:55:08,440

but we have to unify to do it the

1123

00:55:14,999 --> 00:55:10,779

tipping point the tipping point is

1124

00:55:17,190 --> 00:55:15,009

extraordinary it is and it's right in

1125

00:55:19,229 --> 00:55:17,200

front of us most people don't understand

1126
00:55:23,640 --> 00:55:19,239
and the point that you are making here

1127
00:55:26,789 --> 00:55:23,650
is is so huge that we need to step back

1128
00:55:30,359 --> 00:55:26,799
and try to unravel this because there is

1129
00:55:33,200 --> 00:55:30,369
not one human on this planet that

1130
00:55:37,650 --> 00:55:33,210
understands everything you know that

1131
00:55:41,640 --> 00:55:37,660
there is no CEO of a large corporation

1132
00:55:43,739 --> 00:55:41,650
whether it's coca-cola AT&T Verizon you

1133
00:55:46,349 --> 00:55:43,749
pick the company that understands

1134
00:55:47,880 --> 00:55:46,359
absolutely everything about that company

1135
00:55:49,979 --> 00:55:47,890
he does not

1136
00:55:52,440 --> 00:55:49,989
they have gotten right right they've

1137
00:55:57,089 --> 00:55:52,450
gotten way way too big and part of that

1138
00:55:59,269 --> 00:55:57,099

issue inside of that is software and AI

1139

00:56:02,430 --> 00:55:59,279

there isn't one person out there that

1140

00:56:04,470 --> 00:56:02,440

understands everything and it

1141

00:56:08,579 --> 00:56:04,480

potentially that tipping point if

1142

00:56:11,489 --> 00:56:08,589

without wrapping it and winding it up

1143

00:56:14,519 --> 00:56:11,499

and controlling it if it tips it's going

1144

00:56:16,859 --> 00:56:14,529

to tip in a big way yes no it's

1145

00:56:21,210 --> 00:56:16,869

absolutely will and and it's at least

1146

00:56:23,999 --> 00:56:21,220

right now when we debug programs and we

1147

00:56:26,370 --> 00:56:24,009

we sit down at the computer right and we

1148

00:56:28,829 --> 00:56:26,380

can attach to the program to the

1149

00:56:32,549 --> 00:56:28,839

application and we can go into the

1150

00:56:34,859 --> 00:56:32,559

methods right and this is where could you

1151
00:56:36,809 --> 00:56:34,869
know lies and it executes functions and

1152
00:56:38,160 --> 00:56:36,819
there's inputs and outputs okay so it's

1153
00:56:39,880 --> 00:56:38,170
it's pretty good because we can sit down

1154
00:56:44,259 --> 00:56:39,890
at the computer right now and hook up to

1155
00:56:46,989 --> 00:56:44,269
and we can control it so there's your

1156
00:56:49,569 --> 00:56:46,999
manual manual effort now let's let's

1157
00:56:53,130 --> 00:56:49,579
fast forward a bit and when AI starts

1158
00:56:55,210 --> 00:56:53,140
running it's drawing and dynamically

1159
00:56:58,839 --> 00:56:55,220
updating itself it has learning

1160
00:57:00,759 --> 00:56:58,849
algorithms in it no longer do you just

1161
00:57:02,200 --> 00:57:00,769
sit down at the computer and hook up to

1162
00:57:04,660 --> 00:57:02,210
the method especially once it's running

1163
00:57:07,049 --> 00:57:04,670

in and becoming you know semi-sentient

1164

00:57:09,670 --> 00:57:07,059

right because it's drawing on big data

1165

00:57:11,109 --> 00:57:09,680

right and and and it's forming itself

1166

00:57:14,620 --> 00:57:11,119

around that big data

1167

00:57:17,529 --> 00:57:14,630

so let's you know I mean as a number of

1168

00:57:19,450 --> 00:57:17,539

new eases new movies skating very now

1169

00:57:22,960 --> 00:57:19,460

but let's you know we have a full

1170

00:57:25,299 --> 00:57:22,970

running robot talking in AI robot

1171

00:57:28,109 --> 00:57:25,309

talking well how would you do bugs that

1172

00:57:32,529 --> 00:57:28,119

that robot it's drawing on big data you

1173

00:57:34,390 --> 00:57:32,539

don't want to hook up to it with a

1174

00:57:36,489 --> 00:57:34,400

debugger anymore and then rewrite its

1175

00:57:38,979 --> 00:57:36,499

code to find out what's wrong

1176
00:57:40,539 --> 00:57:38,989
because if there was ten of them nine of

1177
00:57:42,489 --> 00:57:40,549
them were all the same and then the

1178
00:57:44,079 --> 00:57:42,499
tenth one is now different than the nine

1179
00:57:46,390 --> 00:57:44,089
well you know the hundred flunkey and

1180
00:57:50,499 --> 00:57:46,400
it's going to constantly modify itself

1181
00:57:54,039 --> 00:57:50,509
so you don't want to erase the data you

1182
00:57:56,019 --> 00:57:54,049
can't do it hey can you can I gotta jump

1183
00:57:58,299 --> 00:57:56,029
in we got to take a break right here sir

1184
00:58:00,729 --> 00:57:58,309
but yeah when we come back we'll pick up

1185
00:58:02,259 --> 00:58:00,739
right there we've got to define Big Data

1186
00:58:04,479 --> 00:58:02,269
what is Big Data

1187
00:58:07,720 --> 00:58:04,489
so we're going to do that debugging what

1188
00:58:09,789 --> 00:58:07,730

is debugging and of course debugging you

1189

00:58:12,640 --> 00:58:09,799

and we'll get to all of it with Ken

1190

00:58:14,920 --> 00:58:12,650

Knutson divergent unity right after this

1191

00:58:31,640 --> 00:58:14,930

short break stay with us

1192

00:58:37,690 --> 00:58:35,820

[Music]

1193

00:58:39,820 --> 00:58:37,700

this is fade to black

1194

00:58:43,510 --> 00:58:39,830

with Jimmy Church on the game changer

1195

00:58:47,950 --> 00:58:43,520

radio network and kgr a the global radio

1196

00:58:50,860 --> 00:58:47,960

alliance this is kg are a digital

1197

00:58:53,910 --> 00:58:50,870

broadcasting station Salt Lake City Utah

1198

00:58:55,620 --> 00:58:53,920

Van Buren Arkansas

1199

00:59:01,870 --> 00:58:55,630

[Music]

1200

00:59:03,400 --> 00:59:01,880

Jimmy Ted mania.com hi this is Ray sobs

1201
00:59:05,830 --> 00:59:03,410
here repping the planet and you're

1202
00:59:07,390 --> 00:59:05,840
listening to my good friend Jimmy Church

1203
00:59:09,760 --> 00:59:07,400
fade to black

1204
00:59:14,050 --> 00:59:09,770
on the GameChanger network and the kg

1205
00:59:16,360 --> 00:59:14,060
are a digital broadcast station this is

1206
00:59:19,150 --> 00:59:16,370
Toby Kebbell you're listening to Jimmy

1207
00:59:22,540 --> 00:59:19,160
Church radio calm don't know me Jimmy

1208
00:59:24,490 --> 00:59:22,550
I'm only little am adrian grenier this

1209
00:59:28,510 --> 00:59:24,500
is our eagle where the honey brothers

1210
00:59:30,700 --> 00:59:28,520
was in my house honey right

1211
00:59:33,400 --> 00:59:30,710
hey i'm adrian grenier and i'm our eagle

1212
00:59:38,920 --> 00:59:33,410
where the honey brothers and you listen

1213
00:59:41,230 --> 00:59:38,930

to Jimmy Church of revolution ancient

1214

00:59:44,590 --> 00:59:41,240

life oil life-changing

1215

00:59:47,200 --> 00:59:44,600

the real oil CBD is truly ancient life

1216

00:59:49,750 --> 00:59:47,210

oil from the source this oil has no

1217

00:59:52,810 --> 00:59:49,760

psychoactive effect and is also legal in

1218

00:59:55,000 --> 00:59:52,820

all 50 states when you're healthy you're

1219

00:59:57,220 --> 00:59:55,010

happy the truth about this wonderful

1220

01:00:00,180 --> 00:59:57,230

plant is that it wants to give back to

1221

01:00:03,460 --> 01:00:00,190

mankind life longevity and happiness

1222

01:00:05,920 --> 01:00:03,470

ancient life oil our golden grain all

1223

01:00:08,470 --> 01:00:05,930

organic non-gmo and infused with

1224

01:00:11,560 --> 01:00:08,480

high-quality liquid coconut oil it's

1225

01:00:15,850 --> 01:00:11,570

simple just go to ancient life oil calm

1226

01:00:19,960 --> 01:00:15,860

today that's ancient life oil calm the

1227

01:00:23,530 --> 01:00:19,970

best purest organic and non-gmo CBD in

1228

01:00:24,550 --> 01:00:23,540

the world gobekli tepe the statements

1229

01:00:25,750 --> 01:00:24,560

made regarding these products have not

1230

01:00:26,950 --> 01:00:25,760

been evaluated by the Food and Drug

1231

01:00:28,330 --> 01:00:26,960

Administration these products are not

1232

01:00:30,160 --> 01:00:28,340

intended to diagnose treat cure or

1233

01:00:31,480 --> 01:00:30,170

prevent any disease please consult your

1234

01:00:32,620 --> 01:00:31,490

health care professional about potential

1235

01:00:36,690 --> 01:00:32,630

interactions or other possible

1236

01:00:40,810 --> 01:00:36,700

complications before using any product

1237

01:00:41,800 --> 01:00:40,820

what's up fate or not studio dum loves

1238

01:00:44,049 --> 01:00:41,810

fade to black

1239

01:00:46,179 --> 01:00:44,059

and the f2b audience is so

1240

01:00:48,939 --> 01:00:46,189

that they have put together the ultimate

1241

01:00:52,749 --> 01:00:48,949

stereo Bluetooth system they've done it

1242

01:00:55,719 --> 01:00:52,759

just for you man check this out the

1243

01:00:59,049 --> 01:00:55,729

studio dome SBB two stereo system is

1244

01:01:02,199 --> 01:00:59,059

here it's featuring two studio boombox

1245

01:01:04,809 --> 01:01:02,209

to SBB two wireless Bluetooth speakers

1246

01:01:06,999 --> 01:01:04,819

pack in its own custom hardshell case

1247

01:01:09,039 --> 01:01:07,009

this studio dome system features the

1248

01:01:12,189 --> 01:01:09,049

very latest in stereo Bluetooth

1249

01:01:15,699 --> 01:01:12,199

technology the two full range boom boxes

1250

01:01:18,339 --> 01:01:15,709

are in true Wireless stereos you've got

1251

01:01:20,079 --> 01:01:18,349

to hear this it's amazing it's just a

1252

01:01:24,370 --> 01:01:20,089

hundred and twenty nine bucks and use

1253

01:01:27,370 --> 01:01:24,380

the promo code gt-r TWS and you'll also

1254

01:01:28,749 --> 01:01:27,380

get free shipping it's simple just go to

1255

01:01:32,380 --> 01:01:28,759

Jimmy Church radio.com

1256

01:01:36,189 --> 01:01:32,390

click on the studio dome banner gobekli

1257

01:01:37,900 --> 01:01:36,199

tepe this is Micah Hank's to the

1258

01:01:40,390 --> 01:01:37,910

graylien report and you're listening to

1259

01:01:42,219 --> 01:01:40,400

Jimmy church on fade to black across the

1260

01:01:44,859 --> 01:01:42,229

globe on the game-changer Radio Network

1261

01:01:45,920 --> 01:01:44,869

and the one and only kgr a radio the

1262

01:01:53,030 --> 01:01:45,930

planet

1263

01:02:04,900 --> 01:01:59,250

[Music]

1264

01:02:10,489 --> 01:02:07,549

all right welcome back fade to black I'm

1265

01:02:12,620 --> 01:02:10,499

your host Amy Church on the game changer

1266

01:02:17,779 --> 01:02:12,630

Network in kg RA the planet our guest

1267

01:02:19,219 --> 01:02:17,789

tonight Ken Knudsen divergent unity this

1268

01:02:21,739 --> 01:02:19,229

portion of the broadcast is brought to

1269

01:02:25,609 --> 01:02:21,749

you by River moon coffee makers of the

1270

01:02:28,039 --> 01:02:25,619

fade to black blend it's dark complex

1271

01:02:30,319 --> 01:02:28,049

and smoky just go to the banner right

1272

01:02:33,709 --> 01:02:30,329

now over at Jimmy Church radio.com use

1273

01:02:38,150 --> 01:02:33,719

the promo code f 2b blend and you will

1274

01:02:42,140 --> 01:02:38,160

get 15% off of your order today all

1275

01:02:45,289 --> 01:02:42,150

right now Ken this is this what we let's

1276

01:02:48,679 --> 01:02:45,299

uh let's backpedal now we've we've laid

1277

01:02:52,370 --> 01:02:48,689

this out we've laid out the idea now we

1278

01:02:53,689 --> 01:02:52,380

have to talk about some of the logistics

1279

01:02:55,160 --> 01:02:53,699

here and how this is being put together

1280

01:02:59,359 --> 01:02:55,170

and what you're actually doing

1281

01:03:01,519 --> 01:02:59,369

it starts with debugging and what is a

1282

01:03:05,479 --> 01:03:01,529

debugger we're talking about big data

1283

01:03:08,900 --> 01:03:05,489

and and now the project itself so let's

1284

01:03:12,319 --> 01:03:08,910

try to tackle all of this and and get

1285

01:03:15,609 --> 01:03:12,329

the audience to to understand a very

1286

01:03:19,999 --> 01:03:15,619

very complex issue let's start with

1287

01:03:23,509 --> 01:03:20,009

debugging what is a debugger so debugger

1288

01:03:26,120 --> 01:03:23,519

in its simplest form as an analyst right

1289

01:03:29,239 --> 01:03:26,130

so it's somebody that goes into any type

1290

01:03:34,900 --> 01:03:29,249

of data or situation and analyzes what

1291

01:03:37,339 --> 01:03:34,910

what's happening and so there's in the

1292

01:03:39,079 --> 01:03:37,349

debugging world there are components

1293

01:03:42,079 --> 01:03:39,089

it's easier just to think your body you

1294

01:03:44,929 --> 01:03:42,089

have fingers and arms and hands and legs

1295

01:03:47,569 --> 01:03:44,939

and feet all those individual pieces are

1296

01:03:49,429 --> 01:03:47,579

we call them components and then within

1297

01:03:51,799 --> 01:03:49,439

those little components your fingers and

1298

01:03:55,039 --> 01:03:51,809

all that there's even smaller breakdowns

1299

01:03:56,599 --> 01:03:55,049

of of DNA and genetics and it you know

1300

01:03:59,660 --> 01:03:56,609

it keeps going it's smaller and smaller

1301
01:04:01,189 --> 01:03:59,670
until you have what we call some things

1302
01:04:04,039 --> 01:04:01,199
right they're just these little

1303
01:04:06,079 --> 01:04:04,049
individual atoms and those are put

1304
01:04:07,640 --> 01:04:06,089
together in different ways and boom you

1305
01:04:10,999 --> 01:04:07,650
have us or different other types of

1306
01:04:13,130 --> 01:04:11,009
animals its DNA and so on the debugging

1307
01:04:16,400 --> 01:04:13,140
world same type of thing it's just it's

1308
01:04:18,380 --> 01:04:16,410
old its language rate zones called C++ C

1309
01:04:19,850 --> 01:04:18,390
sharp assembler

1310
01:04:22,070 --> 01:04:19,860
six is all different types of things

1311
01:04:23,780 --> 01:04:22,080
it's just it's another language just

1312
01:04:26,120 --> 01:04:23,790
like the English language or any other

1313
01:04:29,750 --> 01:04:26,130

language that's out there the difference

1314

01:04:32,720 --> 01:04:29,760

with coding is that you can create

1315

01:04:34,580 --> 01:04:32,730

things right we lost that magic a long

1316

01:04:36,080 --> 01:04:34,590

time ago with warlocks in which is and

1317

01:04:38,930 --> 01:04:36,090

all that kind of stuff but we've

1318

01:04:40,580 --> 01:04:38,940

regained it in the virtual world with

1319

01:04:42,890 --> 01:04:40,590

coding and then when you're putting

1320

01:04:44,540 --> 01:04:42,900

things together architects will design

1321

01:04:46,280 --> 01:04:44,550

what is supposed to happen and then

1322

01:04:48,140 --> 01:04:46,290

coders come in their code monkeys and

1323

01:04:50,090 --> 01:04:48,150

sometimes we're called and then we code

1324

01:04:52,580 --> 01:04:50,100

it and ship and you end up with your

1325

01:04:54,470 --> 01:04:52,590

applications but obviously problems

1326
01:04:57,610 --> 01:04:54,480
happen right and it's never that simple

1327
01:05:00,560 --> 01:04:57,620
obviously because you're constantly

1328
01:05:01,700 --> 01:05:00,570
trying to fix problems or you're missing

1329
01:05:05,170 --> 01:05:01,710
things when you're putting things

1330
01:05:09,620 --> 01:05:05,180
together for applications and so

1331
01:05:12,620 --> 01:05:09,630
debugging the debugging mindset now you

1332
01:05:15,350 --> 01:05:12,630
know coding 60s around the 60s 50s 60s

1333
01:05:17,600 --> 01:05:15,360
when it came in there's a lot of legacy

1334
01:05:18,920 --> 01:05:17,610
code out there from all these different

1335
01:05:22,850 --> 01:05:18,930
languages so you have these different

1336
01:05:26,870 --> 01:05:22,860
pockets of coding civilization over time

1337
01:05:29,300 --> 01:05:26,880
right and and there are times depending

1338
01:05:31,100 --> 01:05:29,310

if you're going into depending on what

1339

01:05:33,610 --> 01:05:31,110

kind of shop you're going into it banks

1340

01:05:37,580 --> 01:05:33,620

or notorious for having legacy code and

1341

01:05:39,890 --> 01:05:37,590

sometimes you are debugging you know ten

1342

01:05:42,470 --> 01:05:39,900

different types of languages that are

1343

01:05:45,310 --> 01:05:42,480

all interrupting together right and

1344

01:05:52,550 --> 01:05:45,320

you're trying to find a problem and so

1345

01:05:55,550 --> 01:05:52,560

if you the mindset is you have to listen

1346

01:05:58,430 --> 01:05:55,560

to all and attach to none because you

1347

01:06:00,950 --> 01:05:58,440

can if you go in and saying you know

1348

01:06:03,050 --> 01:06:00,960

we'll call it language a B and C I don't

1349

01:06:06,620 --> 01:06:03,060

like languages a and B and I only ever

1350

01:06:08,840 --> 01:06:06,630

like C well if you only look at language

1351

01:06:12,050 --> 01:06:08,850

C you're only analyzing debugging

1352

01:06:13,370 --> 01:06:12,060

language C and ignoring a and B are you

1353

01:06:16,400 --> 01:06:13,380

ever going to come to the proper

1354

01:06:18,680 --> 01:06:16,410

solution you may have a bandage solution

1355

01:06:24,520 --> 01:06:18,690

but you will never come to the holistic

1356

01:06:26,900 --> 01:06:24,530

solution and so that mindset of

1357

01:06:28,700 --> 01:06:26,910

listening to all I'm attached to none is

1358

01:06:31,969 --> 01:06:28,710

very important when you're looking at

1359

01:06:34,370 --> 01:06:31,979

humanity as a whole and our systemic

1360

01:06:36,620 --> 01:06:34,380

right because you have all these

1361

01:06:39,199 --> 01:06:36,630

different groups now you start treated

1362

01:06:41,569 --> 01:06:39,209

as a living system instead of a computer

1363

01:06:46,130 --> 01:06:41,579

system software system because that's

1364

01:06:47,979 --> 01:06:46,140

what we are is living systems and when

1365

01:06:51,140 --> 01:06:47,989

you look at all the different groups

1366

01:06:52,910 --> 01:06:51,150

they some of them only want pure light

1367

01:06:53,839 --> 01:06:52,920

right don't come in here with any

1368

01:06:55,939 --> 01:06:53,849

negativity

1369

01:06:58,640 --> 01:06:55,949

well there's your a that you refuse to

1370

01:07:02,959 --> 01:06:58,650

look at create another group you know

1371

01:07:04,370 --> 01:07:02,969

only believes God centric views and they

1372

01:07:07,880 --> 01:07:04,380

don't want to listen to anything else

1373

01:07:09,559 --> 01:07:07,890

whether is your be right and so and then

1374

01:07:10,969 --> 01:07:09,569

you know then there's a see group

1375

01:07:15,130 --> 01:07:10,979

well can you ever get these three

1376

01:07:17,569 --> 01:07:15,140

together then if they're going to be

1377

01:07:19,279 --> 01:07:17,579

refusing to to interact with each other

1378

01:07:21,259 --> 01:07:19,289

so there's our first problem on this

1379

01:07:24,039 --> 01:07:21,269

planet right right is all these

1380

01:07:28,699 --> 01:07:24,049

components are not coming together and

1381

01:07:30,289 --> 01:07:28,709

so it's you can teach a debuggers

1382

01:07:32,059 --> 01:07:30,299

mindset you don't have to be a computer

1383

01:07:35,359 --> 01:07:32,069

coder that's so that's one of the things

1384

01:07:37,789 --> 01:07:35,369

that process that we've designed and and

1385

01:07:40,880 --> 01:07:37,799

I've started laying out and something we

1386

01:07:43,849 --> 01:07:40,890

need to do very very much is to get

1387

01:07:46,849 --> 01:07:43,859

people to step out of the what we like

1388

01:07:49,640 --> 01:07:46,859

to call the snowglobe right just you

1389

01:07:51,859 --> 01:07:49,650

know this this all the snowglobe

1390

01:07:53,630 --> 01:07:51,869

everyone understands a snowgo and it's

1391

01:07:55,249 --> 01:07:53,640

to get you out of a snow globe so that

1392

01:07:57,380 --> 01:07:55,259

you can be in space look down on earth

1393

01:07:59,029 --> 01:07:57,390

and then see all the pieces in their

1394

01:08:00,469 --> 01:07:59,039

individual forms running around just

1395

01:08:02,989 --> 01:08:00,479

like you're playing civilization or some

1396

01:08:07,339 --> 01:08:02,999

other game like that right right and put

1397

01:08:10,279 --> 01:08:07,349

and put you into the role there i say as

1398

01:08:12,979 --> 01:08:10,289

a god creator right because if you think

1399

01:08:15,589 --> 01:08:12,989

about it in game development so unity is

1400

01:08:19,459 --> 01:08:15,599

a very you know very popular one when

1401

01:08:21,829 --> 01:08:19,469

you create the world's you're you're in

1402

01:08:23,089 --> 01:08:21,839

effect playing god right you're because

1403

01:08:24,109 --> 01:08:23,099

you're creating the world what's the

1404

01:08:25,729 --> 01:08:24,119

first thing you do in the game

1405

01:08:28,490 --> 01:08:25,739

development it's a rhetorical question

1406

01:08:30,200 --> 01:08:28,500

answer the first thing you do is let

1407

01:08:32,359 --> 01:08:30,210

there be light because you can't see

1408

01:08:34,099 --> 01:08:32,369

anything in a damn world we have to put

1409

01:08:35,990 --> 01:08:34,109

this little light object so at least you

1410

01:08:38,780 --> 01:08:36,000

can see in the dark right and then you

1411

01:08:40,099 --> 01:08:38,790

start putting land down right or you

1412

01:08:43,870 --> 01:08:40,109

know and then you build it up from there

1413

01:08:47,829 --> 01:08:43,880

great so it's we need to

1414

01:08:50,649 --> 01:08:47,839

and that's getting people up out of

1415

01:08:53,050 --> 01:08:50,659

their knees right getting them up out of

1416

01:08:55,090 --> 01:08:53,060

the maze to say look if you just go

1417

01:08:56,829 --> 01:08:55,100

through the actions instead of just

1418

01:08:59,079 --> 01:08:56,839

reading the words go through the actions

1419

01:09:01,720 --> 01:08:59,089

in try creation right then you'll be

1420

01:09:03,910 --> 01:09:01,730

forced to now take not force but you'll

1421

01:09:05,769 --> 01:09:03,920

go through the motions of learning to

1422

01:09:07,870 --> 01:09:05,779

use all these other different divergent

1423

01:09:11,050 --> 01:09:07,880

means and not just one way of doing

1424

01:09:13,479 --> 01:09:11,060

something and that's the problem in the

1425

01:09:15,820 --> 01:09:13,489

system right now is it's very left brain

1426

01:09:17,169 --> 01:09:15,830

break there's where there's one way of

1427

01:09:19,269 --> 01:09:17,179

doing something the school system is

1428

01:09:21,189 --> 01:09:19,279

notorious for it we all know it it's all

1429

01:09:25,260 --> 01:09:21,199

you know it's broken has been for a long

1430

01:09:30,550 --> 01:09:25,270

time but it's like that for a reason

1431

01:09:34,780 --> 01:09:30,560

well and then we have big data and and

1432

01:09:39,099 --> 01:09:34,790

not only of is it is it a real thing big

1433

01:09:40,809 --> 01:09:39,109

data is is mounting more and more and

1434

01:09:44,260 --> 01:09:40,819

more every single day it sounds like a

1435

01:09:46,059 --> 01:09:44,270

very simple thing to say but it is it's

1436

01:09:48,459 --> 01:09:46,069

the next frontier it's where all the

1437

01:09:52,510 --> 01:09:48,469

money is being made and it's being

1438

01:09:55,209 --> 01:09:52,520

collected by the boatload every single

1439

01:09:57,189 --> 01:09:55,219

second and letter and and it's being

1440

01:10:02,140 --> 01:09:57,199

modeled on owning it that's right that's

1441

01:10:04,600 --> 01:10:02,150

exactly it and a lot of it is is is free

1442

01:10:07,479 --> 01:10:04,610

I mean collecting it is easy and who is

1443

01:10:09,910 --> 01:10:07,489

collecting and why that's our right and

1444

01:10:12,040 --> 01:10:09,920

yeah you said an important point there a

1445

01:10:13,629 --> 01:10:12,050

lot of it's free lots free because with

1446

01:10:15,430 --> 01:10:13,639

that we're getting to use things that

1447

01:10:16,899 --> 01:10:15,440

are free to produce that data but

1448

01:10:19,300 --> 01:10:16,909

there's anything ever really free in the

1449

01:10:22,000 --> 01:10:19,310

system no no there's not and every time

1450

01:10:24,970 --> 01:10:22,010

you write every time you register a

1451

01:10:27,700 --> 01:10:24,980

product these days right or or sign

1452

01:10:30,970 --> 01:10:27,710

online and and and give something that

1453

01:10:33,879 --> 01:10:30,980

that that data is being bought and sold

1454

01:10:36,370 --> 01:10:33,889

and traded out there as a commodity but

1455

01:10:40,629 --> 01:10:36,380

the companies themselves are collecting

1456

01:10:41,800 --> 01:10:40,639

it for free and then monetizing that yes

1457

01:10:45,340 --> 01:10:41,810

that's right

1458

01:10:46,840 --> 01:10:45,350

and and that and that big data then this

1459

01:10:50,169 --> 01:10:46,850

is we're going back to that Goldilocks

1460

01:10:51,970 --> 01:10:50,179

moment in our time it's free and it's

1461

01:10:54,459 --> 01:10:51,980

open to everyone right now we call it

1462

01:10:56,560 --> 01:10:54,469

open source right there's a really good

1463

01:10:57,790 --> 01:10:56,570

book to read so Robert David Steele the

1464

01:11:00,549 --> 01:10:57,800

open source of everything

1465

01:11:04,240 --> 01:11:00,559

place to start on this yeah Japan it's

1466

01:11:06,490 --> 01:11:04,250

so we have this moment to to to again

1467

01:11:10,319 --> 01:11:06,500

come together because it's free it's

1468

01:11:13,180 --> 01:11:10,329

like it's like the chessboard is being

1469

01:11:15,790 --> 01:11:13,190

open to everyone to enter if they know

1470

01:11:18,280 --> 01:11:15,800

how to do it right and then to you know

1471

01:11:21,669 --> 01:11:18,290

put your put your cards onto the table

1472

01:11:23,560 --> 01:11:21,679

and say I'm going to go for then this is

1473

01:11:25,450 --> 01:11:23,570

innovation and entrepreneurship right so

1474

01:11:28,149 --> 01:11:25,460

it's you know I'm going to make a play

1475

01:11:32,020 --> 01:11:28,159

for the ruling class whatever that may

1476

01:11:37,600 --> 01:11:32,030

be great so and and big data what it

1477

01:11:40,390 --> 01:11:37,610

allows us to do now fast is seek the

1478

01:11:44,140 --> 01:11:40,400

truth to to everything that's out there

1479

01:11:47,649 --> 01:11:44,150

and communicate at quantum levels of

1480

01:11:50,260 --> 01:11:47,659

speed right and so and what's important

1481

01:11:52,510 --> 01:11:50,270

now in this this Westin the the East is

1482

01:11:55,060 --> 01:11:52,520

coming back into the West with the

1483

01:11:57,280 --> 01:11:55,070

philosophies and and the empowerment of

1484

01:11:59,319 --> 01:11:57,290

the individuals the word of the West

1485

01:12:00,729 --> 01:11:59,329

have everyone's attention look at me

1486

01:12:02,470 --> 01:12:00,739

look at the artificial intelligence look

1487

01:12:04,660 --> 01:12:02,480

at here look at this new gadget look at

1488

01:12:09,129 --> 01:12:04,670

this look where where's the empowerment

1489

01:12:11,020 --> 01:12:09,139

to the person right and and that is what

1490

01:12:13,930 --> 01:12:11,030

we can unlock it's something we call the

1491

01:12:16,299 --> 01:12:13,940

quantum biological interface right and

1492

01:12:20,200 --> 01:12:16,309

that debugger mindset will help unlock

1493

01:12:22,149 --> 01:12:20,210

that because it's the same way that

1494

01:12:23,500 --> 01:12:22,159

individuals have been programmed there's

1495

01:12:25,089 --> 01:12:23,510

two words I'll give everyone can look

1496

01:12:26,770 --> 01:12:25,099

this up it's very important if you've

1497

01:12:30,040 --> 01:12:26,780

never come across it it's called

1498

01:12:32,470 --> 01:12:30,050

ideological subversion right it's a way

1499

01:12:34,089 --> 01:12:32,480

to I mean you've all heard of different

1500

01:12:37,180 --> 01:12:34,099

ways gang stalking is almost different

1501

01:12:39,370 --> 01:12:37,190

stuff that's out there the one that I've

1502

01:12:41,530 --> 01:12:39,380

always gone to is just it's incredible

1503

01:12:43,180 --> 01:12:41,540

because it's the Soviets the Soviet spy

1504

01:12:46,629 --> 01:12:43,190

that was coming over and when he got to

1505

01:12:47,649 --> 01:12:46,639

the to the United States he was like

1506

01:12:50,049 --> 01:12:47,659

just blown away

1507

01:12:53,970 --> 01:12:50,059

you know bowing to the to the to the

1508

01:12:57,370 --> 01:12:53,980

system of the West and how well it had

1509

01:13:01,299 --> 01:12:57,380

demoralized the the the the American

1510

01:13:02,649 --> 01:13:01,309

population right and so it's this four

1511

01:13:05,890 --> 01:13:02,659

stage at ideological subversion

1512

01:13:07,629 --> 01:13:05,900

demoralization destabilization crisis

1513

01:13:11,560 --> 01:13:07,639

does any of that sound familiar

1514

01:13:13,740 --> 01:13:11,570

yep and then the last is normalization

1515

01:13:16,270 --> 01:13:13,750

somebody comes in on a white horse and

1516

01:13:18,490 --> 01:13:16,280

from all the chaos and injuries it's all

1517

01:13:21,279 --> 01:13:18,500

my other and then everything gets

1518

01:13:23,379 --> 01:13:21,289

normalized and back to normal how many

1519

01:13:24,939 --> 01:13:23,389

times over history just even the last

1520

01:13:28,330 --> 01:13:24,949

thousands of years has this happened

1521

01:13:32,020 --> 01:13:28,340

over and over and over right and so this

1522

01:13:33,939 --> 01:13:32,030

is what the debugging mindset needs to

1523

01:13:36,850 --> 01:13:33,949

be embraced when going at the big data

1524

01:13:39,790 --> 01:13:36,860

because it's going to allow you to take

1525

01:13:42,790 --> 01:13:39,800

all these pockets of information and the

1526

01:13:45,250 --> 01:13:42,800

goal is to be able to not fall down

1527

01:13:47,529 --> 01:13:45,260

rabbit holes right if we need to bring

1528

01:13:49,600 --> 01:13:47,539

you up onto the clouds and then up on

1529

01:13:51,459 --> 01:13:49,610

the clouds is where again the waves you

1530

01:13:53,470 --> 01:13:51,469

can ride the waves and then you look

1531

01:13:54,910 --> 01:13:53,480

down the rabbit holes but you try not to

1532

01:13:57,189 --> 01:13:54,920

go down too far because when you go down

1533

01:13:58,930 --> 01:13:57,199

the rabbit hole then you know you're

1534

01:14:02,080 --> 01:13:58,940

going for weeks and on ends everyone's

1535

01:14:04,240 --> 01:14:02,090

been down rabbit holes so but the more

1536

01:14:06,609 --> 01:14:04,250

you can join the dots the more you can

1537

01:14:09,129 --> 01:14:06,619

you can you know just take brushstrokes

1538

01:14:11,919 --> 01:14:09,139

in the in a painting right and then and

1539

01:14:14,560 --> 01:14:11,929

then put them on a board and then and

1540

01:14:17,620 --> 01:14:14,570

then map them together you will find

1541

01:14:20,290 --> 01:14:17,630

solutions faster and then being able to

1542

01:14:21,759 --> 01:14:20,300

take that you know as a whole and ok if

1543

01:14:23,649 --> 01:14:21,769

I have this solution here what are they

1544

01:14:25,689 --> 01:14:23,659

saying here because you're seeking the

1545

01:14:27,970 --> 01:14:25,699

truth at this point that's our window of

1546

01:14:29,950 --> 01:14:27,980

opportunity right now is to have that

1547

01:14:33,009 --> 01:14:29,960

happen on a global scale and that's

1548

01:14:35,109 --> 01:14:33,019

going right down to the root of issues

1549

01:14:36,729 --> 01:14:35,119

and that's where debuggers when they're

1550

01:14:38,680 --> 01:14:36,739

trying to find things you know the

1551
01:14:41,319 --> 01:14:38,690
seminal memory for that application or

1552
01:14:45,129 --> 01:14:41,329
keeps crashing a lot of time you can

1553
01:14:46,450 --> 01:14:45,139
apply band-aid solutions to it just you

1554
01:14:48,729 --> 01:14:46,460
know get it out or make the customer

1555
01:14:50,770 --> 01:14:48,739
happy but when it keeps happening at

1556
01:14:52,870 --> 01:14:50,780
some point you have to literally break

1557
01:14:55,180 --> 01:14:52,880
down the whole thing again right to its

1558
01:14:57,339 --> 01:14:55,190
individual pieces and go okay why you

1559
01:15:00,549 --> 01:14:57,349
know who's you know which small

1560
01:15:02,979 --> 01:15:00,559
component here is messed up and so Elon

1561
01:15:05,560 --> 01:15:02,989
Musk has a great quote Rees he's talking

1562
01:15:07,540 --> 01:15:05,570
about the you know the planet Earth as a

1563
01:15:09,370 --> 01:15:07,550

I mean in itself with the spaceship

1564

01:15:09,640 --> 01:15:09,380

overall it's just a rock floating in

1565

01:15:12,370 --> 01:15:09,650

space

1566

01:15:14,049 --> 01:15:12,380

you know nothing big there and you know

1567

01:15:16,149 --> 01:15:14,059

it's it's all the solutions we're

1568

01:15:18,009 --> 01:15:16,159

sinking hard right and and all the

1569

01:15:20,680 --> 01:15:18,019

solutions being applied right now are

1570

01:15:22,779 --> 01:15:20,690

nothing more than band-aid solutions III

1571

01:15:25,000 --> 01:15:22,789

think that's in an arguable statement

1572

01:15:25,780 --> 01:15:25,010

you can't argue with it you can add how

1573

01:15:27,610 --> 01:15:25,790

long

1574

01:15:30,520 --> 01:15:27,620

you can't you can't argue with it not

1575

01:15:34,120 --> 01:15:30,530

only you cannot argue with it but as far

1576

01:15:37,060 --> 01:15:34,130

as I know there is no big data or

1577

01:15:39,960 --> 01:15:37,070

internet police there is no unifying

1578

01:15:43,390 --> 01:15:39,970

body there and there is no off switch

1579

01:15:46,000 --> 01:15:43,400

we've only met forward forward forward

1580

01:15:47,920 --> 01:15:46,010

forward with reckless abandon it's been

1581

01:15:50,890 --> 01:15:47,930

a fun right there's no doubt about it

1582

01:15:54,400 --> 01:15:50,900

technology has expanded and it's been

1583

01:15:56,860 --> 01:15:54,410

great but yeah we have done nothing to

1584

01:16:00,160 --> 01:15:56,870

police it and there is no off switch

1585

01:16:02,410 --> 01:16:00,170

that I know of is there well there's the

1586

01:16:03,490 --> 01:16:02,420

magical what they Co why I've never seen

1587

01:16:05,140 --> 01:16:03,500

the switch but it's called the kill

1588

01:16:06,730 --> 01:16:05,150

switch yeah the kills what is the CIA

1589

01:16:08,260 --> 01:16:06,740

has it that I mean there's all these

1590

01:16:11,770 --> 01:16:08,270

things that are out there

1591

01:16:14,110 --> 01:16:11,780

so again it goes to we can we can look

1592

01:16:16,270 --> 01:16:14,120

at the fear stuff and go oh my goodness

1593

01:16:18,400 --> 01:16:16,280

or you can take the Bulls by the horn

1594

01:16:21,580 --> 01:16:18,410

and go okay what's really happening

1595

01:16:26,110 --> 01:16:21,590

right and to do that you have to surf

1596

01:16:29,200 --> 01:16:26,120

all of the data all the cultures you

1597

01:16:31,720 --> 01:16:29,210

have to accept people talking about God

1598

01:16:33,240 --> 01:16:31,730

Jesus Christ Muhammad all these other

1599

01:16:35,830 --> 01:16:33,250

religions you have to because now

1600

01:16:40,960 --> 01:16:35,840

remember and now in the transhumanism

1601
01:16:44,500 --> 01:16:40,970
world they're what we call it pushing in

1602
01:16:48,130 --> 01:16:44,510
that there is a programming God right

1603
01:16:50,620 --> 01:16:48,140
simulation theory well where we've heard

1604
01:16:53,830 --> 01:16:50,630
all this before right it's just in a

1605
01:16:57,100 --> 01:16:53,840
different context now it's in a you know

1606
01:17:00,790 --> 01:16:57,110
robotic transhumanism context it has to

1607
01:17:02,370 --> 01:17:00,800
be that white well and and and this is

1608
01:17:05,740 --> 01:17:02,380
what I think is so brilliant about

1609
01:17:10,300 --> 01:17:05,750
transhumanist if you develop the perfect

1610
01:17:12,940 --> 01:17:10,310
AI it's still based on our mindset that

1611
01:17:15,460 --> 01:17:12,950
coding that is there it's going to be a

1612
01:17:18,090 --> 01:17:15,470
natural progression if it starts to

1613
01:17:21,730 --> 01:17:18,100

write its own code which it is doing now

1614

01:17:25,360 --> 01:17:21,740

everybody needs to understand what we

1615

01:17:29,590 --> 01:17:25,370

are saying here AI now writes its own

1616

01:17:32,140 --> 01:17:29,600

code and fixes itself not only in one

1617

01:17:35,440 --> 01:17:32,150

instance but this is going on all over

1618

01:17:38,260 --> 01:17:35,450

the net all kinds of corporations now

1619

01:17:38,790 --> 01:17:38,270

that are developing AI that answers its

1620

01:17:41,100 --> 01:17:38,800

own

1621

01:17:44,940 --> 01:17:41,110

questions right and fixes itself it

1622

01:17:48,270 --> 01:17:44,950

debugs itself that and it can run 24/7

1623

01:17:51,540 --> 01:17:48,280

20 it never take a break no food no

1624

01:17:54,870 --> 01:17:51,550

sleep right and and it's natural

1625

01:17:58,710 --> 01:17:54,880

evolution in writing itself it's going

1626

01:18:02,100 --> 01:17:58,720

to have a coding God it's going to have

1627

01:18:04,070 --> 01:18:02,110

a maker it has a maker see you just said

1628

01:18:08,760 --> 01:18:04,080

the magic word there it has a maker

1629

01:18:12,690 --> 01:18:08,770

right and so the okay so now comes into

1630

01:18:14,850 --> 01:18:12,700

the same learning algorithms that we are

1631

01:18:17,700 --> 01:18:14,860

now remember is something I would say

1632

01:18:19,710 --> 01:18:17,710

humans in my opinion either there's a

1633

01:18:22,050 --> 01:18:19,720

lot of stuff we don't create anything

1634

01:18:23,910 --> 01:18:22,060

new what do we do we investigate nature

1635

01:18:26,280 --> 01:18:23,920

and we copy nature around we may think

1636

01:18:28,290 --> 01:18:26,290

it's new but nature sure to hell does it

1637

01:18:29,970 --> 01:18:28,300

better than we can ever do because this

1638

01:18:32,640 --> 01:18:29,980

systems and running perfectly for

1639

01:18:36,180 --> 01:18:32,650

billions of years that's right and here

1640

01:18:38,730 --> 01:18:36,190

comes our little minds in in you you

1641

01:18:42,030 --> 01:18:38,740

know what a blip on the radar thinking

1642

01:18:43,620 --> 01:18:42,040

we can do better than this system that

1643

01:18:45,690 --> 01:18:43,630

that has been there for and we still

1644

01:18:47,730 --> 01:18:45,700

don't know who lead it right so goes

1645

01:18:49,770 --> 01:18:47,740

back and it's a question that we pound

1646

01:18:52,740 --> 01:18:49,780

out of our children from birth you know

1647

01:18:55,890 --> 01:18:52,750

a my two kids they're both ADHD that 11

1648

01:18:58,620 --> 01:18:55,900

and 9 and and I make sure and the

1649

01:19:01,020 --> 01:18:58,630

question is simple it's one letter why I

1650

01:19:05,760 --> 01:19:01,030

want you to keep asking why every single

1651

01:19:08,340 --> 01:19:05,770

day don't stop until you feel it in your

1652

01:19:09,300 --> 01:19:08,350

heart that the answer is there that the

1653

01:19:12,780 --> 01:19:09,310

questions been answered

1654

01:19:15,780 --> 01:19:12,790

don't let logic answer the question let

1655

01:19:17,490 --> 01:19:15,790

your feelings great and it's you know

1656

01:19:19,890 --> 01:19:17,500

we're born into this world with five

1657

01:19:21,120 --> 01:19:19,900

senses none of its language we have

1658

01:19:24,360 --> 01:19:21,130

learning algorithms on us to learn the

1659

01:19:26,520 --> 01:19:24,370

language but it beef I said none of its

1660

01:19:28,770 --> 01:19:26,530

language and when we come into the world

1661

01:19:32,430 --> 01:19:28,780

then the culture starts programming us

1662

01:19:35,160 --> 01:19:32,440

with things right so when you get into

1663

01:19:37,320 --> 01:19:35,170

the genetics our genetics there's a

1664

01:19:39,060 --> 01:19:37,330

template Bonnell they're right there are

1665

01:19:41,790 --> 01:19:39,070

learning algorithms there there's

1666

01:19:46,380 --> 01:19:41,800

mutations we'll need that ooh

1667

01:19:47,850 --> 01:19:46,390

well yes yes yes and when were we're

1668

01:19:52,270 --> 01:19:47,860

dealing with this and you had just

1669

01:19:54,280 --> 01:19:52,280

brought up the kill switch AI sir

1670

01:19:56,290 --> 01:19:54,290

we the transhumanists out there will

1671

01:19:59,560 --> 01:19:56,300

will a group of this is what they've

1672

01:20:01,480 --> 01:19:59,570

been talking about for so long that if

1673

01:20:03,250 --> 01:20:01,490

it comes to the point of needing the

1674

01:20:05,710 --> 01:20:03,260

kill switch at that point we've already

1675

01:20:08,110 --> 01:20:05,720

been outsmarted and they know the kill

1676

01:20:09,750 --> 01:20:08,120

switch exists you're going to flip it

1677

01:20:13,210 --> 01:20:09,760

and nothing's going to happen

1678

01:20:15,400 --> 01:20:13,220

great great because you know stuck next

1679

01:20:16,990 --> 01:20:15,410

other viruses they sit there they wait

1680

01:20:20,740 --> 01:20:17,000

they know what they're doing and that's

1681

01:20:22,420 --> 01:20:20,750

just that's just kids you know for a lot

1682

01:20:24,190 --> 01:20:22,430

of the part especially like I said I

1683

01:20:26,320 --> 01:20:24,200

began programming when I was eight years

1684

01:20:30,100 --> 01:20:26,330

old on the Texas Instrument you know

1685

01:20:31,930 --> 01:20:30,110

computer and I'd learned to code

1686

01:20:33,820 --> 01:20:31,940

actually before I can read my problem

1687

01:20:35,140 --> 01:20:33,830

because I got my attention and I still

1688

01:20:36,760 --> 01:20:35,150

can't read write properly write don't

1689

01:20:39,190 --> 01:20:36,770

use big words in your documents and

1690

01:20:42,010 --> 01:20:39,200

boards and sometimes I get confuses the

1691

01:20:43,840 --> 01:20:42,020

way I go but if it's but now you have

1692

01:20:47,560 --> 01:20:43,850

like I began my kids at seven years old

1693

01:20:50,380 --> 01:20:47,570

coding and their coding your games it

1694

01:20:53,020 --> 01:20:50,390

and but here's the thing and we've said

1695

01:20:54,970 --> 01:20:53,030

this the artificial intelligence these

1696

01:20:56,680 --> 01:20:54,980

they're probably my it's to take nothing

1697

01:21:01,540 --> 01:20:56,690

away from the individuals doing this

1698

01:21:03,970 --> 01:21:01,550

stuff it's just the the direction and

1699

01:21:06,880 --> 01:21:03,980

and the rest that they're being pushed

1700

01:21:10,240 --> 01:21:06,890

out under right or by these corporate

1701

01:21:14,530 --> 01:21:10,250

Minds right that that are in profit

1702

01:21:17,110 --> 01:21:14,540

oriented non humanitarian level modes of

1703

01:21:18,280 --> 01:21:17,120

thinking so even now we had nonprofits

1704

01:21:20,590 --> 01:21:18,290

great we have nonprofits they're

1705

01:21:21,910 --> 01:21:20,600

nonprofit corporations and they're going

1706

01:21:23,740 --> 01:21:21,920

to help us send charities in that

1707

01:21:25,330 --> 01:21:23,750

they're going to help the humanitarians

1708

01:21:27,610 --> 01:21:25,340

well hasn't gone too far but now you

1709

01:21:30,550 --> 01:21:27,620

have cause marketing very cause

1710

01:21:33,520 --> 01:21:30,560

marketing is this corporations blinking

1711

01:21:36,220 --> 01:21:33,530

up to nonprofits so you seeded so if

1712

01:21:38,680 --> 01:21:36,230

turn everything to algorithms think okay

1713

01:21:41,740 --> 01:21:38,690

if we're in a simulation everything is

1714

01:21:43,540 --> 01:21:41,750

energy vibration and frequency right so

1715

01:21:47,260 --> 01:21:43,550

we have this coding god that's impaired

1716

01:21:49,900 --> 01:21:47,270

and so this this we have the virus in

1717

01:21:51,520 --> 01:21:49,910

the system and then it learns and if you

1718

01:21:53,740 --> 01:21:51,530

don't operate fast enough and especially

1719

01:21:55,300 --> 01:21:53,750

if you do the same thing over and over

1720

01:21:57,520 --> 01:21:55,310

within the system well it knows what

1721

01:21:59,860 --> 01:21:57,530

you're going to do so this is one of the

1722

01:22:02,560 --> 01:21:59,870

problems when you do blood walk one of

1723

01:22:04,540 --> 01:22:02,570

the problems I learned early on in her

1724

01:22:05,730 --> 01:22:04,550

that I saw her early on when I was

1725

01:22:07,650 --> 01:22:05,740

debugging with a

1726
01:22:12,180 --> 01:22:07,660
when I was debugging humanity's codebase

1727
01:22:13,800 --> 01:22:12,190
is all these individuals oh I got the

1728
01:22:16,590 --> 01:22:13,810
solution there it is and they're doing

1729
01:22:18,960 --> 01:22:16,600
the exact same thing as these 30 other

1730
01:22:22,110 --> 01:22:18,970
people but with just a different little

1731
01:22:24,030 --> 01:22:22,120
flavor and not getting anywhere and

1732
01:22:26,040 --> 01:22:24,040
they're not getting their heart is there

1733
01:22:28,130 --> 01:22:26,050
there is nota there's nothing you cannot

1734
01:22:31,470 --> 01:22:28,140
take away the heart for they have zero

1735
01:22:33,750 --> 01:22:31,480
but the implementation right and the

1736
01:22:38,940 --> 01:22:33,760
execution is exactly as the system sees

1737
01:22:40,740 --> 01:22:38,950
it it's AI terminator right what is

1738
01:22:42,720 --> 01:22:40,750

without all the fighting and bombing and

1739

01:22:45,960 --> 01:22:42,730

stuff well and and we see it every

1740

01:22:47,790 --> 01:22:45,970

single day don't we I mean you see they

1741

01:22:50,250 --> 01:22:47,800

you know homeless people on the street

1742

01:22:51,960 --> 01:22:50,260

you know and nobody you know if you

1743

01:22:53,580 --> 01:22:51,970

think to yourself well you know what

1744

01:22:57,660 --> 01:22:53,590

he'll get help from somewhere s not my

1745

01:23:00,300 --> 01:22:57,670

problem right and you walk by and it

1746

01:23:02,370 --> 01:23:00,310

only takes a look you know it doesn't

1747

01:23:04,230 --> 01:23:02,380

take much right but it's like it's

1748

01:23:06,870 --> 01:23:04,240

somebody that happens to somebody else

1749

01:23:09,000 --> 01:23:06,880

it's not in my world I'm not going to

1750

01:23:12,150 --> 01:23:09,010

get involved and and you're absolutely

1751
01:23:15,090 --> 01:23:12,160
right you see all of these good-natured

1752
01:23:18,060 --> 01:23:15,100
proj projects that I mean that really

1753
01:23:20,580 --> 01:23:18,070
means something because if it could only

1754
01:23:23,400 --> 01:23:20,590
take traction and it just never does

1755
01:23:25,950 --> 01:23:23,410
it's like that's you're hoping and if it

1756
01:23:27,360 --> 01:23:25,960
yes or no you're hoping that it's

1757
01:23:28,980 --> 01:23:27,370
somebody else is going to run with it

1758
01:23:31,880 --> 01:23:28,990
and they're going to do great and it'll

1759
01:23:34,680 --> 01:23:31,890
be fine but me I'm going to continue

1760
01:23:36,990 --> 01:23:34,690
driving my car going to the supermarket

1761
01:23:38,310 --> 01:23:37,000
I need to I need to buy some stuff and

1762
01:23:39,960 --> 01:23:38,320
get back home because I've got guests

1763
01:23:42,570 --> 01:23:39,970

coming over time got to do that you know

1764

01:23:44,610 --> 01:23:42,580

and you're in your own zone and that

1765

01:23:47,820 --> 01:23:44,620

attorney AIDS man and that's that's the

1766

01:23:49,650 --> 01:23:47,830

overall view of the world right now

1767

01:23:52,770 --> 01:23:49,660

that's the way that everybody looks at

1768

01:23:54,450 --> 01:23:52,780

everything yeah yeah and that's and

1769

01:23:56,270 --> 01:23:54,460

that's it's a wonder the ideological

1770

01:24:00,230 --> 01:23:56,280

subversion that's the demoralization

1771

01:24:03,360 --> 01:24:00,240

part right where everything just gets so

1772

01:24:06,270 --> 01:24:03,370

watered down that you just you it's

1773

01:24:08,610 --> 01:24:06,280

right in front of your face and you

1774

01:24:08,940 --> 01:24:08,620

can't you can't you can't even deal with

1775

01:24:13,530 --> 01:24:08,950

it

1776

01:24:16,860 --> 01:24:13,540

right and so that you're talking about

1777

01:24:18,690 --> 01:24:16,870

like so you know non-for-profits trying

1778

01:24:19,649 --> 01:24:18,700

to do good or even corporations that try

1779

01:24:21,989 --> 01:24:19,659

to do good

1780

01:24:24,000 --> 01:24:21,999

right they're allowed to get so far and

1781

01:24:26,279 --> 01:24:24,010

then you have all these other big fish

1782

01:24:29,549 --> 01:24:26,289

and if they're getting so farted all the

1783

01:24:31,080 --> 01:24:29,559

sudden change the system well as a

1784

01:24:33,750 --> 01:24:31,090

corporation although they get bought out

1785

01:24:35,580 --> 01:24:33,760

or at a non-for-profit level a lot of

1786

01:24:38,189 --> 01:24:35,590

them rely on donations or money from

1787

01:24:40,560 --> 01:24:38,199

larger corporation etc their funding

1788

01:24:42,029 --> 01:24:40,570

gets cut off great so and also you've

1789

01:24:44,310 --> 01:24:42,039

stopped that change from happening

1790

01:24:46,439 --> 01:24:44,320

because the in slave lengths of money

1791

01:24:49,259 --> 01:24:46,449

you know the shackles around the feet

1792

01:24:51,839 --> 01:24:49,269

are always there right and so if your

1793

01:24:55,560 --> 01:24:51,849

you're about to Teeter on the PLO you

1794

01:24:58,140 --> 01:24:55,570

know the revolution it will the system

1795

01:24:59,429 --> 01:24:58,150

will stop you and so that's one of the

1796

01:25:01,259 --> 01:24:59,439

things in the system there are a lot of

1797

01:25:03,000 --> 01:25:01,269

groups out there let's have a revolution

1798

01:25:06,870 --> 01:25:03,010

let's you know some of them are our

1799

01:25:09,330 --> 01:25:06,880

modern day you know upgraded hippie

1800

01:25:12,719 --> 01:25:09,340

groups and I'm just putting you know

1801

01:25:14,909 --> 01:25:12,729

allusions to to the past and and you

1802

01:25:17,250 --> 01:25:14,919

know other ones are going to go march on

1803

01:25:20,159 --> 01:25:17,260

the street and they're you know five

1804

01:25:22,919 --> 01:25:20,169

hundred thousand strong when you debug

1805

01:25:24,509 --> 01:25:22,929

and you have to you have to again detach

1806

01:25:24,929 --> 01:25:24,519

from all that okay what has been done

1807

01:25:28,259 --> 01:25:24,939

before

1808

01:25:30,929 --> 01:25:28,269

well the MLK March was what 1 million ok

1809

01:25:33,929 --> 01:25:30,939

there's your marker has anyone done a 1

1810

01:25:37,350 --> 01:25:33,939

million mark not got shot right or

1811

01:25:41,689 --> 01:25:37,360

infiltrated by you know other groups and

1812

01:25:45,779 --> 01:25:41,699

that you have to keep acting up your

1813

01:25:48,089 --> 01:25:45,789

your booty call via the cliff that you

1814

01:25:50,669 --> 01:25:48,099

want to climb up upon because if you do

1815

01:25:53,790 --> 01:25:50,679

anything less than that the decisions

1816

01:25:56,069 --> 01:25:53,800

that you be as you hand down be you want

1817

01:25:57,779 --> 01:25:56,079

to you see this in the American politics

1818

01:25:59,939 --> 01:25:57,789

the same thing happens or let's go March

1819

01:26:01,890 --> 01:25:59,949

on and you guys have like the longest

1820

01:26:04,109 --> 01:26:01,900

I'd lose attention it's crazy always

1821

01:26:05,969 --> 01:26:04,119

Canadian politics go a lot quicker but

1822

01:26:11,520 --> 01:26:05,979

the American politics go on for years

1823

01:26:13,679 --> 01:26:11,530

and it's it's the same thing over and

1824

01:26:15,629 --> 01:26:13,689

over right but they don't show anything

1825

01:26:18,779 --> 01:26:15,639

different they just want to show one

1826

01:26:20,580 --> 01:26:18,789

side or the other and meanwhile

1827

01:26:23,310 --> 01:26:20,590

everyone's you know who's paying

1828

01:26:24,810 --> 01:26:23,320

attention realizes that that's just what

1829

01:26:26,250 --> 01:26:24,820

they call the puppets and all that right

1830

01:26:29,549 --> 01:26:26,260

there's there's whoever's controlling

1831

01:26:32,429 --> 01:26:29,559

that money is is the one controlling the

1832

01:26:33,450 --> 01:26:32,439

system I don't like to put names to

1833

01:26:34,680 --> 01:26:33,460

things because again at

1834

01:26:36,390 --> 01:26:34,690

buggalo you don't want to collapse the

1835

01:26:38,940 --> 01:26:36,400

way so I just call it systems and I put

1836

01:26:42,480 --> 01:26:38,950

things in forms of algorithms right

1837

01:26:44,040 --> 01:26:42,490

these so instead of you know there's a

1838

01:26:45,450 --> 01:26:44,050

number everyone knows you know who's

1839

01:26:48,120 --> 01:26:45,460

controlling the money systems or those

1840

01:26:50,730 --> 01:26:48,130

corporations break things down to a

1841

01:26:55,860 --> 01:26:50,740

systems level that way it doesn't become

1842

01:27:00,030 --> 01:26:55,870

personal right and if there's ever a

1843

01:27:02,280 --> 01:27:00,040

possibility for name naming individuals

1844

01:27:06,510 --> 01:27:02,290

controlling corporations that other that

1845

01:27:09,240 --> 01:27:06,520

uh - we'll use the word repent this is

1846

01:27:10,920 --> 01:27:09,250

there's your door open right so when you

1847

01:27:12,780 --> 01:27:10,930

present and when the thing that we're

1848

01:27:13,800 --> 01:27:12,790

presenting with the Virgin unity is one

1849

01:27:19,110 --> 01:27:13,810

of the things as we go along

1850

01:27:20,760 --> 01:27:19,120

is it okay you know root basic question

1851

01:27:24,000 --> 01:27:20,770

and then you know in the scientific

1852

01:27:27,030 --> 01:27:24,010

experiment is we can prove that we're in

1853

01:27:28,950 --> 01:27:27,040

a simulation so yes or no okay so if

1854

01:27:30,630 --> 01:27:28,960

it's a simile let's keep everything at a

1855

01:27:32,580 --> 01:27:30,640

systems level and let's just treat it as

1856

01:27:35,100 --> 01:27:32,590

algorithms we have a virus in the system

1857

01:27:36,930 --> 01:27:35,110

one of the viruses has been around the

1858

01:27:39,780 --> 01:27:36,940

money and it's been shackling everybody

1859

01:27:41,370 --> 01:27:39,790

and keeping them in in use allegory of

1860

01:27:44,100 --> 01:27:41,380

the cave Plato's Republic theme

1861

01:27:46,620 --> 01:27:44,110

everyone's in the cave right and we have

1862

01:27:48,270 --> 01:27:46,630

masters behind with the fire people are

1863

01:27:50,520 --> 01:27:48,280

shackled to the wall and they only get

1864

01:27:54,330 --> 01:27:50,530

to see the objects on the screen right

1865

01:27:56,520 --> 01:27:54,340

and then every once in a while there'll

1866

01:27:58,200 --> 01:27:56,530

be these these divergent individuals and

1867

01:28:01,830 --> 01:27:58,210

this is what they're finding with ADHD

1868

01:28:03,660 --> 01:28:01,840

now that it's an evolutionary gene right

1869

01:28:05,690 --> 01:28:03,670

there's always this this gene throughout

1870

01:28:08,640 --> 01:28:05,700

history that's pushing these individuals

1871

01:28:12,840 --> 01:28:08,650

so Vikings were an example you know the

1872

01:28:15,600 --> 01:28:12,850

the Westar the you know Britain and all

1873

01:28:17,100 --> 01:28:15,610

that where you know settled they have

1874

01:28:18,300 --> 01:28:17,110

the little wards but in the Vikings push

1875

01:28:19,740 --> 01:28:18,310

out and they come onto the shore and

1876

01:28:22,170 --> 01:28:19,750

they're very deadly in the beginning

1877

01:28:25,050 --> 01:28:22,180

right but this is the constant Explorer

1878

01:28:25,350 --> 01:28:25,060

sitting in Plato's cave that doesn't

1879

01:28:27,330 --> 01:28:25,360

count

1880

01:28:29,550 --> 01:28:27,340

no it doesn't like that no absolutely

1881

01:28:33,630 --> 01:28:29,560

not let's take a break right here our

1882

01:28:36,420 --> 01:28:33,640

quest I can coat in divergent unity the

1883

01:28:39,090 --> 01:28:36,430

links are up oK we've laid the

1884

01:28:40,920 --> 01:28:39,100

groundwork here now what are they doing

1885

01:28:43,110 --> 01:28:40,930

about it we will discuss all of that

1886

01:28:49,580 --> 01:28:43,120

when we come back with Ken Knutson this

1887

01:28:49,590 --> 01:28:59,330

[Music]

1888

01:29:04,830 --> 01:29:01,979

way out here we listen to Jimmy

1889

01:29:08,069 --> 01:29:04,840

Churchill you're listening to faint and

1890

01:29:10,919 --> 01:29:08,079

black always on the edge of the hottest

1891

01:29:11,729 --> 01:29:10,929

alternative John Jimmy church with fade

1892

01:29:20,819 --> 01:29:11,739

to black

1893

01:29:22,529 --> 01:29:20,829

stay GRA radio.com people on the

1894

01:29:29,429 --> 01:29:22,539

medication watch every one of you Jimmy

1895

01:29:32,009 --> 01:29:29,439

George radio hello

1896

01:29:35,310 --> 01:29:32,019

fade or not this is Jimmy Church and I'm

1897

01:29:38,339 --> 01:29:35,320

introducing new Pharma a company whose

1898

01:29:40,709 --> 01:29:38,349

products are based on science human

1899

01:29:45,239 --> 01:29:40,719

function based on the endocannabinoid

1900

01:29:47,639 --> 01:29:45,249

system or ECS new pharma firmly believes

1901

01:29:49,979 --> 01:29:47,649

in this science and their research

1902

01:29:52,500 --> 01:29:49,989

indicates that support of the EECS

1903

01:29:55,799 --> 01:29:52,510

provides the beneficial effects for a

1904

01:29:59,129 --> 01:29:55,809

healthy lifestyle new Pharma science

1905

01:30:02,189 --> 01:29:59,139

includes relief capsules for painless

1906

01:30:05,279 --> 01:30:02,199

sleep capsules which are natural support

1907

01:30:08,729 --> 01:30:05,289

for occasional sleeplessness Foundation

1908

01:30:11,790 --> 01:30:08,739

is support for your ECS and fit capsules

1909

01:30:13,439 --> 01:30:11,800

support your active lifestyle just click

1910

01:30:17,279 --> 01:30:13,449

on the banner at Jimmy Church radio.com

1911

01:30:19,979 --> 01:30:17,289

and use the promo code f to be for a 33%

1912

01:30:23,069 --> 01:30:19,989

discount on all of their products or

1913

01:30:26,369 --> 01:30:23,079

visit new Pharma comm for all of the

1914

01:30:30,270 --> 01:30:26,379

knowledge on the science that's GNU

1915

01:30:33,089 --> 01:30:30,280

Pharma comm gobekli tepe

1916

01:30:35,429 --> 01:30:33,099

do you worry a lot if you'll forget them

1917

01:30:37,589 --> 01:30:35,439

nervous smoothie or overwhelmed chances

1918

01:30:39,359 --> 01:30:37,599

are you're not protecting yourself from

1919

01:30:42,179 --> 01:30:39,369

the ravaging effects of stress and

1920

01:30:44,250 --> 01:30:42,189

anxiety no matter the cause ongoing

1921

01:30:46,739 --> 01:30:44,260

stress and elevated levels of the stress

1922

01:30:49,049 --> 01:30:46,749

hormone cortisol can rob your memory

1923

01:30:50,069 --> 01:30:49,059

your health your quality of life and

1924

01:30:52,469 --> 01:30:50,079

your future

1925

01:30:54,689 --> 01:30:52,479

now you can combat the effects of stress

1926

01:30:56,640 --> 01:30:54,699

and anxiety while improving your memory

1927

01:30:58,890 --> 01:30:56,650

and recall at the same time

1928

01:31:01,020 --> 01:30:58,900

the dietary supplement common clever

1929

01:31:03,450 --> 01:31:01,030

studies show that the ingredients in

1930

01:31:06,510 --> 01:31:03,460

common clever reduce cortisol by as much

1931

01:31:08,520 --> 01:31:06,520

as 30% and as little as one to two weeks

1932

01:31:10,830 --> 01:31:08,530

and increase your ability to recall

1933

01:31:11,730 --> 01:31:10,840

facts names and numbers in four to

1934

01:31:14,100 --> 01:31:11,740

twelve weeks

1935

01:31:16,170 --> 01:31:14,110

Coleman clever was created by scientists

1936

01:31:19,230 --> 01:31:16,180

Kurt and Rick's a principal investigator

1937

01:31:21,420 --> 01:31:19,240

in two NIH funded studies on Alzheimer's

1938

01:31:23,910 --> 01:31:21,430

disease chronic calm and clever for two

1939

01:31:25,440 --> 01:31:23,920

months you'll feel the difference goal

1940

01:31:27,600 --> 01:31:25,450

one eight hundred seventy five eight

1941

01:31:32,160 --> 01:31:27,610

eight seven four six or go to calm and

1942

01:31:38,820 --> 01:31:32,170

clever calm listen us and we listen to

1943

01:31:40,260 --> 01:31:38,830

you and so does the CIA say GRA

1944

01:31:43,350 --> 01:31:40,270

radio.com

1945

01:31:45,180 --> 01:31:43,360

hi folks CBD is a home run hitter for

1946

01:31:46,320 --> 01:31:45,190

health right now why do you ask because

1947

01:31:49,020 --> 01:31:46,330

of what it does for the body

1948

01:31:51,240 --> 01:31:49,030

unfortunately I can't tell you all about

1949

01:31:53,100 --> 01:31:51,250

the benefit you know there's reasons do

1950

01:31:55,620 --> 01:31:53,110

your due diligence and log on to ancient

1951

01:31:57,690 --> 01:31:55,630

life oil calm that's ancient life oil

1952

01:32:00,030 --> 01:31:57,700

calm angel life oil uses organic

1953

01:32:02,640 --> 01:32:00,040

ingredients and is blended in coconut

1954

01:32:05,430 --> 01:32:02,650

oil for some of the best benefits legal

1955

01:32:07,980 --> 01:32:05,440

in 50 states and non-psychoactive

1956

01:32:13,050 --> 01:32:07,990

log on to ancient life oil calm that's

1957

01:32:14,070 --> 01:32:13,060

ancient life oil calm you are listening

1958

01:32:18,380 --> 01:32:14,080

to fade to black

1959

01:32:22,080 --> 01:32:18,390

with ginger on the game changing Network

1960

01:32:24,630 --> 01:32:22,090

hi I'm Lisa Vance you're listening to me

1961

01:32:27,450 --> 01:32:24,640

Church this is a revolution the

1962

01:32:34,500 --> 01:32:27,460

revolution will not be televised the

1963

01:32:34,510 --> 01:33:14,020

[Music]

1964

01:33:20,750 --> 01:33:16,729

welcome back fade to black our guest

1965

01:33:22,129 --> 01:33:20,760

tonight Ken Knutson divergent unity this

1966

01:33:26,720 --> 01:33:22,139

portion of the broadcast is brought to

1967

01:33:28,580 --> 01:33:26,730

you by new Pharma that's gnu pharma comm

1968

01:33:30,680 --> 01:33:28,590

go to the banners over at jimmy

1969

01:33:34,010 --> 01:33:30,690

trader.com click on it use the promo

1970

01:33:36,350 --> 01:33:34,020

code f2b that's all you got to do now

1971

01:33:39,260 --> 01:33:36,360

that's going to get you 33% off of your

1972

01:33:42,379 --> 01:33:39,270

order and all of the science behind the

1973

01:33:46,010 --> 01:33:42,389

company is on their site go check out

1974

01:33:49,070 --> 01:33:46,020

new pharma calm or guess tonight can

1975

01:33:51,590 --> 01:33:49,080

Knutson now can all of this is great

1976

01:33:54,859 --> 01:33:51,600

right it's amazing conversation we're

1977

01:33:58,700 --> 01:33:54,869

going to continue discussing all of this

1978

01:34:00,950 --> 01:33:58,710

but what are you doing about it take us

1979

01:34:05,959 --> 01:34:00,960

through the steps right now

1980

01:34:07,220 --> 01:34:05,969

and tell us about your facility ok so we

1981

01:34:10,070 --> 01:34:07,230

have a place here in Waterloo Ontario

1982

01:34:12,200 --> 01:34:10,080

Canada and you're following sort of the

1983

01:34:14,540 --> 01:34:12,210

open source method of everything it's

1984

01:34:16,340 --> 01:34:14,550

trying you don't have the kind of money

1985

01:34:18,229 --> 01:34:16,350

great because we're not pushing we're

1986

01:34:20,540 --> 01:34:18,239

pushing humanitarian stance we're not

1987

01:34:22,399 --> 01:34:20,550

pushing a venture capitalist look at us

1988

01:34:24,439 --> 01:34:22,409

you know let's say we can make you a ton

1989

01:34:25,820 --> 01:34:24,449

of money we're pushing the hey your boat

1990

01:34:27,560 --> 01:34:25,830

is sinking we're going to build a new

1991

01:34:30,649 --> 01:34:27,570

ship and we're going to you know put

1992

01:34:32,959 --> 01:34:30,659

humanity onto our backs and then you

1993

01:34:34,970 --> 01:34:32,969

know put them onto that ship as well so

1994

01:34:36,229 --> 01:34:34,980

that we all work together and so you can

1995

01:34:39,919 --> 01:34:36,239

imagine there's no money there so

1996

01:34:42,590 --> 01:34:39,929

there's an Innovation Center opened up

1997

01:34:44,930 --> 01:34:42,600

here called open sky and it was it's the

1998

01:34:47,419 --> 01:34:44,940

first in this area which the other ones

1999

01:34:50,149 --> 01:34:47,429

the incubator hubs here you know they're

2000

01:34:52,669 --> 01:34:50,159

very much streamlined you know to the

2001

01:34:55,790 --> 01:34:52,679

venture capitalist mindset until what

2002

01:34:57,919 --> 01:34:55,800

the you know open skies done is allows

2003

01:35:00,550 --> 01:34:57,929

you to use the facilities and you can

2004

01:35:02,870 --> 01:35:00,560

for a very you know nominal fee a month

2005

01:35:05,000 --> 01:35:02,880

yeah I round a hundred and thirty bucks

2006

01:35:07,220 --> 01:35:05,010

and but what it does is it allows you

2007

01:35:08,899 --> 01:35:07,230

you have this corporate environment to

2008

01:35:11,180 --> 01:35:08,909

get ticket to come into so that you can

2009

01:35:13,160 --> 01:35:11,190

do your thing right and then of course

2010

01:35:16,729 --> 01:35:13,170

they have offices and rooms and all that

2011

01:35:18,890 --> 01:35:16,739

so it allowed us to one of the things

2012

01:35:21,050 --> 01:35:18,900

you want to do again like I said with

2013

01:35:23,510 --> 01:35:21,060

live roping to get going you need to

2014

01:35:24,379 --> 01:35:23,520

immerse yourself into the reality into

2015

01:35:27,409 --> 01:35:24,389

that empowerment

2016

01:35:28,459 --> 01:35:27,419

you you want to build right so it makes

2017

01:35:29,629 --> 01:35:28,469

it a little easier than if you're

2018

01:35:32,029 --> 01:35:29,639

building it out of the basement of your

2019

01:35:34,729 --> 01:35:32,039

house I mean which I can do what we want

2020

01:35:37,759 --> 01:35:34,739

to go with it so we needed a bigger

2021

01:35:40,639 --> 01:35:37,769

space and so it allows us to to now

2022

01:35:45,109 --> 01:35:40,649

start conceptualizing these bigger ideas

2023

01:35:47,409 --> 01:35:45,119

and and you know trial and error as we

2024

01:35:49,729 --> 01:35:47,419

put things together host people there

2025

01:35:51,770 --> 01:35:49,739

which is very important the beginning -

2026

01:35:54,469 --> 01:35:51,780

one of the first things that I needed to

2027

01:35:56,899 --> 01:35:54,479

do you know when I was coming out of the

2028

01:35:59,389 --> 01:35:56,909

gate with this is at the esoteric and

2029

01:36:03,259 --> 01:35:59,399

okay I got to sit down with some shamans

2030

01:36:06,560 --> 01:36:03,269

and channelers and individuals that are

2031

01:36:08,479 --> 01:36:06,570

heavily in you know into the heat saying

2032

01:36:10,339 --> 01:36:08,489

the conspiracy angle but you understand

2033

01:36:12,080 --> 01:36:10,349

to the conspiracy fields right there

2034

01:36:13,909 --> 01:36:12,090

that better like the system is not what

2035

01:36:16,429 --> 01:36:13,919

it is there's all these different things

2036

01:36:18,679 --> 01:36:16,439

going on because the stuff that I'm

2037

01:36:20,659 --> 01:36:18,689

reading online it's all there okay I'm

2038

01:36:23,719 --> 01:36:20,669

organizing it and then at some point you

2039

01:36:26,569 --> 01:36:23,729

know there's an overwhelming amount of

2040

01:36:28,489 --> 01:36:26,579

data and that's like holy crap okay can

2041

01:36:32,089 --> 01:36:28,499

this actually be real sup and sitting

2042

01:36:34,759 --> 01:36:32,099

down with individuals and then hearing

2043

01:36:36,679 --> 01:36:34,769

them talk and then you know you are

2044

01:36:38,179 --> 01:36:36,689

you're scripted or you know that's

2045

01:36:39,889 --> 01:36:38,189

that's actually really your heart

2046

01:36:42,319 --> 01:36:39,899

talking okay good

2047

01:36:44,120 --> 01:36:42,329

and and then and then it you know it

2048

01:36:47,989 --> 01:36:44,130

advised with everything else that you're

2049

01:36:50,359 --> 01:36:47,999

reading and digging true right and then

2050

01:36:51,830 --> 01:36:50,369

you get into the indigenous people with

2051
01:36:55,129 --> 01:36:51,840
the indigenous people and then you know

2052
01:36:56,899 --> 01:36:55,139
talking with them you know from the will

2053
01:36:58,399 --> 01:36:56,909
go with the you notice what everyone's

2054
01:37:00,409 --> 01:36:58,409
pretty much familiar with this closure

2055
01:37:02,810 --> 01:37:00,419
you know Cory Gooden and David Wilcox

2056
01:37:05,239 --> 01:37:02,820
that whole bunch I mean in the beginning

2057
01:37:08,830 --> 01:37:05,249
in November I only came onto this two

2058
01:37:12,679 --> 01:37:08,840
years ago right so there's it's a little

2059
01:37:17,419 --> 01:37:12,689
as I said before I learned backwards and

2060
01:37:20,239 --> 01:37:17,429
so what that means is information comes

2061
01:37:21,949 --> 01:37:20,249
to me I don't study for it and and I

2062
01:37:26,209 --> 01:37:21,959
call them downloads in the context of

2063
01:37:28,879 --> 01:37:26,219

this time and being science-based oh

2064

01:37:31,250 --> 01:37:28,889

it's going and so what happens is I get

2065

01:37:35,000 --> 01:37:31,260

all this information into into my head

2066

01:37:38,180 --> 01:37:35,010

and it was very hard a pre-internet days

2067

01:37:40,310 --> 01:37:38,190

because you can imagine with no

2068

01:37:41,780 --> 01:37:40,320

educational background other than high

2069

01:37:45,110 --> 01:37:41,790

school a family managed to get out of

2070

01:37:47,360 --> 01:37:45,120

there 23 only because you know I finally

2071

01:37:50,150 --> 01:37:47,370

triggered on first starting my first

2072

01:37:52,190 --> 01:37:50,160

business and so what happens is I get

2073

01:37:54,790 --> 01:37:52,200

all this information and then I gloat

2074

01:37:58,220 --> 01:37:54,800

and study backwards right so I have it

2075

01:38:00,080 --> 01:37:58,230

it's the terminology for it in the

2076

01:38:02,120 --> 01:38:00,090

esoteric or the religious sector you

2077

01:38:06,140 --> 01:38:02,130

call illumination you call a divine

2078

01:38:07,970 --> 01:38:06,150

innovation in the science fair enough

2079

01:38:12,830 --> 01:38:07,980

and this is where part of my having to

2080

01:38:15,110 --> 01:38:12,840

back up stuff that I talked about in the

2081

01:38:17,660 --> 01:38:15,120

science field you call it sudden genius

2082

01:38:19,790 --> 01:38:17,670

syndrome right it's this moment where

2083

01:38:22,460 --> 01:38:19,800

you go from one not knowing anything of

2084

01:38:24,890 --> 01:38:22,470

a particular subject whether it's maths

2085

01:38:27,290 --> 01:38:24,900

you know whatever and then all of a

2086

01:38:29,510 --> 01:38:27,300

sudden you're in in all intensive

2087

01:38:32,510 --> 01:38:29,520

purposes a genius in it there's no way

2088

01:38:33,950 --> 01:38:32,520

without in that instance you know from

2089

01:38:40,490 --> 01:38:33,960

one day to the next that you should know

2090

01:38:41,750 --> 01:38:40,500

the what you do so now the sudden you

2091

01:38:43,640 --> 01:38:41,760

know science is looking at they gave it

2092

01:38:45,200 --> 01:38:43,650

a turn sudden genius syndrome but all

2093

01:38:47,480 --> 01:38:45,210

you have to do is look in all the

2094

01:38:51,080 --> 01:38:47,490

biblical texts and other you know in

2095

01:38:54,020 --> 01:38:51,090

Hindu texts and it's it's a thing it's

2096

01:38:56,300 --> 01:38:54,030

always been a thing great and and it's

2097

01:38:58,640 --> 01:38:56,310

just information coming down and all of

2098

01:39:01,580 --> 01:38:58,650

a sudden wheezed you know that aha

2099

01:39:05,270 --> 01:39:01,590

moment arica very just everything clicks

2100

01:39:08,960 --> 01:39:05,280

so that's been a pattern through my life

2101

01:39:11,840 --> 01:39:08,970

it's almost like warm-ups for the latest

2102

01:39:13,790 --> 01:39:11,850

one when my last one went into the you

2103

01:39:18,230 --> 01:39:13,800

know over two weeks over Christmas in

2104

01:39:20,540 --> 01:39:18,240

2014 when I had had enough there was a

2105

01:39:23,720 --> 01:39:20,550

lead up to it I'm about a year and a

2106

01:39:26,480 --> 01:39:23,730

half lead up where I was seeing the

2107

01:39:28,940 --> 01:39:26,490

world you know in a completely new lens

2108

01:39:32,750 --> 01:39:28,950

and just shaking my head at the

2109

01:39:35,150 --> 01:39:32,760

destruction and the constant you know

2110

01:39:36,740 --> 01:39:35,160

raping of children it just all this this

2111

01:39:38,270 --> 01:39:36,750

right and it's something a debugger has

2112

01:39:39,770 --> 01:39:38,280

to look at you cannot turn away from it

2113

01:39:41,480 --> 01:39:39,780

are you if you can't look at the

2114

01:39:44,270 --> 01:39:41,490

darkness you won't find the solutions

2115

01:39:46,910 --> 01:39:44,280

doesn't mean you have to sit on it you

2116

01:39:48,770 --> 01:39:46,920

just you have to notice it right because

2117

01:39:51,600 --> 01:39:48,780

you have to see what's wrong before you

2118

01:39:53,189 --> 01:39:51,610

can understand how to fix

2119

01:39:55,109 --> 01:39:53,199

the wrong because if everything is right

2120

01:39:56,970 --> 01:39:55,119

you know there's that polarity again

2121

01:39:58,290 --> 01:39:56,980

they're everything can't be white and

2122

01:40:02,609 --> 01:39:58,300

everything can't be dark there has to be

2123

01:40:04,290 --> 01:40:02,619

this balance right and so those two

2124

01:40:06,720 --> 01:40:04,300

weeks over Christmas would let me get

2125

01:40:09,660 --> 01:40:06,730

when I finally had it I mean call it

2126

01:40:11,939 --> 01:40:09,670

what you will I just threw out a prayer

2127

01:40:15,660 --> 01:40:11,949

for the thing I said there must be more

2128

01:40:18,030 --> 01:40:15,670

I can do and in that moment it hit this

2129

01:40:19,830 --> 01:40:18,040

time I knew what happened like what all

2130

01:40:22,830 --> 01:40:19,840

these things prior in my life why the

2131

01:40:25,410 --> 01:40:22,840

information came down the way did this

2132

01:40:28,500 --> 01:40:25,420

time I knew what was going on great and

2133

01:40:33,450 --> 01:40:28,510

and the information just got just

2134

01:40:35,819 --> 01:40:33,460

pouring in right and it was you know the

2135

01:40:38,790 --> 01:40:35,829

body shaking you know channelers may be

2136

01:40:42,540 --> 01:40:38,800

able to relate with this and I'm just

2137

01:40:44,700 --> 01:40:42,550

you know I was the visualization as I

2138

01:40:47,430 --> 01:40:44,710

was raised out of an ocean right it was

2139

01:40:50,040 --> 01:40:47,440

like because it was just a cry from the

2140

01:40:51,810 --> 01:40:50,050

heart and I was raised up onto the cliff

2141

01:40:54,330 --> 01:40:51,820

and it's up on my cliff I'm if you can

2142

01:40:56,879 --> 01:40:54,340

imagine now big data that ocean is all

2143

01:41:00,270 --> 01:40:56,889

big data and I was allowed to be up on

2144

01:41:02,370 --> 01:41:00,280

that cliff looking over the waters and

2145

01:41:03,419 --> 01:41:02,380

all those waves all those probability

2146

01:41:06,000 --> 01:41:03,429

points I

2147

01:41:07,410 --> 01:41:06,010

I was debugging from up there right on

2148

01:41:09,180 --> 01:41:07,420

there's that problem there's this

2149

01:41:11,549 --> 01:41:09,190

problem I see that problem if we take

2150

01:41:13,200 --> 01:41:11,559

that move that there it was it's minor

2151
01:41:14,609 --> 01:41:13,210
to report please I'm trying to use

2152
01:41:16,979 --> 01:41:14,619
visuals in this you know this

2153
01:41:23,750 --> 01:41:16,989
manifestation did this over so people

2154
01:41:27,629 --> 01:41:23,760
can can understand and the absolute love

2155
01:41:29,729 --> 01:41:27,639
was undeniable I'm not collapsing it to

2156
01:41:31,589 --> 01:41:29,739
any main I'll let every other religion

2157
01:41:35,250 --> 01:41:31,599
want to call it what it will I'm going

2158
01:41:37,410 --> 01:41:35,260
to call it love for now right and and

2159
01:41:40,049 --> 01:41:37,420
that's why I knew because people you

2160
01:41:41,850 --> 01:41:40,059
feel it some people because I look at

2161
01:41:44,700 --> 01:41:41,860
people online there are there ones with

2162
01:41:46,830 --> 01:41:44,710
schizophrenia or bipolar and they're

2163
01:41:49,020 --> 01:41:46,840

immediately tagged right well you've got

2164

01:41:50,399 --> 01:41:49,030

a problem right and sometimes you can go

2165

01:41:52,640 --> 01:41:50,409

over the edge you have to learn to

2166

01:41:56,430 --> 01:41:52,650

balance yourself in these situations and

2167

01:41:59,040 --> 01:41:56,440

but the information at the writing right

2168

01:42:00,870 --> 01:41:59,050

when you learn to read it it's real very

2169

01:42:01,200 --> 01:42:00,880

especially when you start drawing on big

2170

01:42:02,970 --> 01:42:01,210

data

2171

01:42:04,500 --> 01:42:02,980

oh my goodness yeah there how did they

2172

01:42:06,420 --> 01:42:04,510

know that meanwhile they know nothing of

2173

01:42:11,280 --> 01:42:06,430

it rates all the sudden is these

2174

01:42:14,520 --> 01:42:11,290

frequencies coming in right and so it

2175

01:42:16,680 --> 01:42:14,530

was that time I knew it wasn't you get

2176

01:42:19,440 --> 01:42:16,690

into again you know all you've been

2177

01:42:21,990 --> 01:42:19,450

co-opted and and you know you're being

2178

01:42:25,260 --> 01:42:22,000

mind-controlled that uh you can't fake

2179

01:42:27,560 --> 01:42:25,270

love no you can't as well then there how

2180

01:42:30,540 --> 01:42:27,570

do you orchestrate the solution I mean

2181

01:42:37,560 --> 01:42:30,550

the architecture must be in place now

2182

01:42:40,380 --> 01:42:37,570

and is so what is step one so step one

2183

01:42:42,540 --> 01:42:40,390

was coming down off the cliff back into

2184

01:42:45,900 --> 01:42:42,550

the ocean going okay and now I know what

2185

01:42:48,300 --> 01:42:45,910

to do come you know calm down you know

2186

01:42:52,229 --> 01:42:48,310

of course I made a small mistake of in

2187

01:42:54,840 --> 01:42:52,239

my excitement I figured it out Arica you

2188

01:42:55,440 --> 01:42:54,850

know the humanities problems telling

2189

01:42:57,390 --> 01:42:55,450

that to my wife

2190

01:42:58,740 --> 01:42:57,400

whoo that was that was a mistake anyway

2191

01:43:03,960 --> 01:42:58,750

so there was another six months of

2192

01:43:05,370 --> 01:43:03,970

calming all that down and then the so

2193

01:43:06,750 --> 01:43:05,380

immediately I go to the Internet

2194

01:43:09,120 --> 01:43:06,760

right because I mean okay I know I have

2195

01:43:11,970 --> 01:43:09,130

to build this well boom you know they're

2196

01:43:14,700 --> 01:43:11,980

smarter masters okay I need to build

2197

01:43:16,710 --> 01:43:14,710

this well boom there's already boots on

2198

01:43:19,260 --> 01:43:16,720

the ground trying to do things like that

2199

01:43:20,910 --> 01:43:19,270

in you know Robert Steele and Cynthia

2200

01:43:23,190 --> 01:43:20,920

McKinney and the American public right

2201

01:43:25,170 --> 01:43:23,200

that the trying to lead this this from

2202

01:43:27,360 --> 01:43:25,180

the heart centric point of view and then

2203

01:43:29,160 --> 01:43:27,370

know there's new map right and it just

2204

01:43:30,810 --> 01:43:29,170

goes on and I'm like oh I need these

2205

01:43:32,460 --> 01:43:30,820

guys I need those guys any visca all I

2206

01:43:35,520 --> 01:43:32,470

have to do is you'll get you guys to

2207

01:43:37,590 --> 01:43:35,530

come together so I didn't finish my

2208

01:43:39,900 --> 01:43:37,600

thing earlier on Adam grant originals

2209

01:43:42,330 --> 01:43:39,910

okay so there's all these creative books

2210

01:43:43,320 --> 01:43:42,340

coming up right how to be creative now

2211

01:43:45,210 --> 01:43:43,330

remember you can't be too creative

2212

01:43:47,130 --> 01:43:45,220

because if you're creative more than the

2213

01:43:48,150 --> 01:43:47,140

system watch you're crazy okay that's in

2214

01:43:52,170 --> 01:43:48,160

the dsm go look it up

2215

01:43:56,880 --> 01:43:52,180

and so originals if you there's only two

2216

01:43:58,770 --> 01:43:56,890

I'm sorry to be original there are two

2217

01:44:01,260 --> 01:43:58,780

ways that you do it one is from the

2218

01:44:05,300 --> 01:44:01,270

bottom up and the other is from the top

2219

01:44:08,910 --> 01:44:05,310

down anywhere in between it's red tape

2220

01:44:13,370 --> 01:44:08,920

right it's at that normalization so from

2221

01:44:15,720 --> 01:44:13,380

the bottom up you need to go to the

2222

01:44:17,670 --> 01:44:15,730

civil I or civilize it to the

2223

01:44:18,229 --> 01:44:17,680

individuals or to those cultures or to

2224

01:44:20,390 --> 01:44:18,239

the groups

2225

01:44:22,879 --> 01:44:20,400

people that are suffering the most right

2226

01:44:25,609 --> 01:44:22,889

now have nothing to lose like I'll try

2227

01:44:28,430 --> 01:44:25,619

it let's do this because we're done

2228

01:44:31,310 --> 01:44:28,440

you're talking about it at the micro

2229

01:44:33,589 --> 01:44:31,320

level at the micro level that's right

2230

01:44:36,109 --> 01:44:33,599

and so and the top-down

2231

01:44:38,149 --> 01:44:36,119

are those Mavericks those billionaires

2232

01:44:39,950 --> 01:44:38,159

right they've done it all so remember

2233

01:44:42,140 --> 01:44:39,960

athe they just keep pushing and pushing

2234

01:44:44,870 --> 01:44:42,150

right and then that they need that

2235

01:44:47,330 --> 01:44:44,880

thrill they need that dopamine hat right

2236

01:44:49,089 --> 01:44:47,340

and so these are the Mavericks of top

2237

01:44:51,350 --> 01:44:49,099

the billionaires the individual the

2238

01:44:52,970 --> 01:44:51,360

Cowboys whatever you want to look at

2239

01:44:55,910 --> 01:44:52,980

however you want to look at it

2240

01:44:58,370 --> 01:44:55,920

and they'll be like you want to build a

2241

01:45:01,100 --> 01:44:58,380

flying saucer well let's do it where's

2242

01:45:02,629 --> 01:45:01,110

your plan right there because they have

2243

01:45:04,339 --> 01:45:02,639

nothing to lose they're willing to go

2244

01:45:06,020 --> 01:45:04,349

right and they're Mavericks they want to

2245

01:45:08,390 --> 01:45:06,030

push the boundaries you on musk in the

2246

01:45:10,220 --> 01:45:08,400

perfect example from someone who's you

2247

01:45:12,890 --> 01:45:10,230

know on the gray of fighting the system

2248

01:45:15,379 --> 01:45:12,900

versus holy cow the system's holding me

2249

01:45:16,520 --> 01:45:15,389

up great he wants to get the Mars why we

2250

01:45:19,310 --> 01:45:16,530

want to go back in time I don't know if

2251
01:45:20,709 --> 01:45:19,320
any what we can get to that later so but

2252
01:45:22,939 --> 01:45:20,719
anything in between

2253
01:45:25,279 --> 01:45:22,949
well there's your normal it they have

2254
01:45:27,439 --> 01:45:25,289
something to lose right there's the fear

2255
01:45:29,779 --> 01:45:27,449
now well what do you mean I have to let

2256
01:45:31,669 --> 01:45:29,789
go my money mean I have to change I

2257
01:45:34,370 --> 01:45:31,679
think you were talking about change in

2258
01:45:37,069 --> 01:45:34,380
the air opening into there people fear

2259
01:45:39,919 --> 01:45:37,079
change they do great well when what when

2260
01:45:42,259 --> 01:45:39,929
there's nothing presented otherwise and

2261
01:45:44,720 --> 01:45:42,269
then then we get back into the duality

2262
01:45:48,049 --> 01:45:44,730
of what's always presented to humanity

2263
01:45:50,620 --> 01:45:48,059

right it's either this or that right so

2264

01:45:55,100 --> 01:45:50,630

it's either the excuse me either the US

2265

01:45:56,870 --> 01:45:55,110

you fighting the bad guys or it's China

2266

01:45:58,850 --> 01:45:56,880

and Russia are going to beat the bad us

2267

01:46:01,189 --> 01:45:58,860

where we heard all this before right

2268

01:46:04,009 --> 01:46:01,199

Soviets in the you it's the same thing

2269

01:46:07,100 --> 01:46:04,019

over and over so there's never been a

2270

01:46:08,959 --> 01:46:07,110

third option right and so that's where I

2271

01:46:11,029 --> 01:46:08,969

started focusing online there has to be

2272

01:46:13,489 --> 01:46:11,039

a way to provide a third option is this

2273

01:46:17,089 --> 01:46:13,499

this nullifier to these other two or a

2274

01:46:19,790 --> 01:46:17,099

unifier to the other two but that third

2275

01:46:21,950 --> 01:46:19,800

option has to be something that's going

2276

01:46:23,299 --> 01:46:21,960

to smack the ass of those two that have

2277

01:46:25,910 --> 01:46:23,309

been fighting back and forth forever

2278

01:46:29,270 --> 01:46:25,920

pardon my language right so you can't

2279

01:46:31,009 --> 01:46:29,280

feel small so this is where when you

2280

01:46:32,119 --> 01:46:31,019

start looking at the frequency game or

2281

01:46:33,859 --> 01:46:32,129

the level of

2282

01:46:35,149 --> 01:46:33,869

play that's going on when Trump comes

2283

01:46:37,909 --> 01:46:35,159

into the picture up until that point

2284

01:46:40,580 --> 01:46:37,919

everyone sleeping all right regardless

2285

01:46:42,199 --> 01:46:40,590

of what he says doesn't matter right

2286

01:46:44,029 --> 01:46:42,209

think of it from a vibration everything

2287

01:46:46,399 --> 01:46:44,039

goes back to energy frequency vibration

2288

01:46:47,869 --> 01:46:46,409

and energy ok so just think of in that

2289

01:46:50,119 --> 01:46:47,879

sense this algorithm comes in everyone

2290

01:46:51,799 --> 01:46:50,129

sleeping right nobody's paying attention

2291

01:46:53,839 --> 01:46:51,809

you have all these other algorithms that

2292

01:46:55,729 --> 01:46:53,849

are going on and secretly leading all

2293

01:46:59,239 --> 01:46:55,739

these you know backroom deals that other

2294

01:47:02,719 --> 01:46:59,249

the and but all of a sudden when Trump

2295

01:47:05,299 --> 01:47:02,729

comes in though everyone's like awake

2296

01:47:06,589 --> 01:47:05,309

what do you can't say that way yeah but

2297

01:47:09,919 --> 01:47:06,599

you got that's been allowed for

2298

01:47:12,830 --> 01:47:09,929

centuries now to happen all right so now

2299

01:47:14,569 --> 01:47:12,840

again all the vibration all the little

2300

01:47:18,379 --> 01:47:14,579

sand grains are vibrating on the plate

2301

01:47:20,929 --> 01:47:18,389

right and and and everyone's like alert

2302

01:47:22,639 --> 01:47:20,939

so there's another reason why it's our

2303

01:47:24,649 --> 01:47:22,649

Goldilocks moment because now they're

2304

01:47:27,679 --> 01:47:24,659

paying attention again right so remember

2305

01:47:29,449 --> 01:47:27,689

that demoralization ready to normalize

2306

01:47:31,729 --> 01:47:29,459

them to such a level they don't even

2307

01:47:34,699 --> 01:47:31,739

they don't care you can't present

2308

01:47:38,540 --> 01:47:34,709

anything to them and so this is that

2309

01:47:40,009 --> 01:47:38,550

moment where we come in with that the

2310

01:47:42,319 --> 01:47:40,019

top down so it's a two-pronged approach

2311

01:47:45,379 --> 01:47:42,329

first prong the bottom-up which is where

2312

01:47:49,540 --> 01:47:45,389

we're sort of focusing right now in the

2313

01:47:52,790 --> 01:47:49,550

empowerment of the people right and it

2314

01:47:54,619 --> 01:47:52,800

starts with and and this is a lot of

2315

01:47:56,989 --> 01:47:54,629

people don't pay attention in this you

2316

01:47:58,939 --> 01:47:56,999

know the Trail of Tears and the trial

2317

01:48:02,029 --> 01:47:58,949

you know the record reconciliation

2318

01:48:05,419 --> 01:48:02,039

reports in here in Canada the indigenous

2319

01:48:07,639 --> 01:48:05,429

people if you want to talk about anyone

2320

01:48:09,799 --> 01:48:07,649

that is still in concentration camps

2321

01:48:12,379 --> 01:48:09,809

we're all but it's but it's fine they're

2322

01:48:16,159 --> 01:48:12,389

just reserves right they're dying in

2323

01:48:19,219 --> 01:48:16,169

astronomical numbers if we can't empower

2324

01:48:21,409 --> 01:48:19,229

them to rise up because keepers of this

2325

01:48:22,819 --> 01:48:21,419

planet right we have individuals ready

2326

01:48:24,439 --> 01:48:22,829

to build ship it's all over the place

2327

01:48:27,739 --> 01:48:24,449

right you are musk all these they're

2328

01:48:29,899 --> 01:48:27,749

ready to ban and chip right in and and

2329

01:48:33,830 --> 01:48:29,909

take off and leave all these problems

2330

01:48:36,469 --> 01:48:33,840

that were created by by that mindset so

2331

01:48:39,080 --> 01:48:36,479

our thing is well okay we're going to

2332

01:48:41,540 --> 01:48:39,090

build a ship to and and we're not going

2333

01:48:43,129 --> 01:48:41,550

to leave until every single person you

2334

01:48:44,760 --> 01:48:43,139

know on this planet is can is going to

2335

01:48:48,150 --> 01:48:44,770

get on because

2336

01:48:51,260 --> 01:48:48,160

they didn't create the problem right

2337

01:48:53,760 --> 01:48:51,270

it's it's one thing and it goes back to

2338

01:48:55,350 --> 01:48:53,770

it's one thing when you're in engrams

2339

01:48:58,440 --> 01:48:55,360

right you can see you get a free pass

2340

01:49:00,840 --> 01:48:58,450

you no matter how much you know but the

2341

01:49:03,270 --> 01:49:00,850

more you know or the less you know but

2342

01:49:06,230 --> 01:49:03,280

there comes a point when you have a

2343

01:49:10,340 --> 01:49:06,240

privilege to know you have a duty to act

2344

01:49:15,270 --> 01:49:10,350

right and that's something that's hard

2345

01:49:17,010 --> 01:49:15,280

for people to get and it's the

2346

01:49:19,950 --> 01:49:17,020

indigenous people have been there

2347

01:49:22,080 --> 01:49:19,960

they've been ignored you know you get

2348

01:49:25,320 --> 01:49:22,090

these little things oh we're gonna you

2349

01:49:26,720 --> 01:49:25,330

know we'll help you out but but it's you

2350

01:49:29,280 --> 01:49:26,730

know standing rock was a perfect example

2351

01:49:30,930 --> 01:49:29,290

right all these pipe like that that

2352

01:49:32,460 --> 01:49:30,940

algorithm was going in let's just keep

2353

01:49:34,530 --> 01:49:32,470

putting stuff down let's destroy the

2354

01:49:36,300 --> 01:49:34,540

nature lets you know poison the waters

2355

01:49:38,310 --> 01:49:36,310

over here and then just turn a blind eye

2356

01:49:39,780 --> 01:49:38,320

because we can and then if they try to

2357

01:49:42,300 --> 01:49:39,790

do anything we're going to water cannon

2358

01:49:44,250 --> 01:49:42,310

grasses you know if it's to wherever and

2359

01:49:46,320 --> 01:49:44,260

then and then make them look like the

2360

01:49:47,730 --> 01:49:46,330

bad guys provoke provoke provoke because

2361

01:49:50,670 --> 01:49:47,740

that's what the system wants I want you

2362

01:49:52,770 --> 01:49:50,680

to be provoked and then retaliate well

2363

01:49:54,270 --> 01:49:52,780

that's all very well okay let me jump in

2364

01:49:56,700 --> 01:49:54,280

real quick before we hit the break dad's

2365

01:50:00,660 --> 01:49:56,710

one prong he said there were two what's

2366

01:50:03,500 --> 01:50:00,670

the second prong is the top-down so you

2367

01:50:08,220 --> 01:50:03,510

need some so Trump has set the bar

2368

01:50:10,170 --> 01:50:08,230

crazier than now great it's like you so

2369

01:50:13,380 --> 01:50:10,180

he set the bar so you need something

2370

01:50:17,160 --> 01:50:13,390

that's even crazier right and so that

2371

01:50:20,100 --> 01:50:17,170

top down is throwing down a humanitarian

2372

01:50:22,530 --> 01:50:20,110

level gauntlet to all those top end boys

2373

01:50:25,130 --> 01:50:22,540

and I'm talking about Elon Musk and Yuri

2374

01:50:27,510 --> 01:50:25,140

Milner and Sir Richard Branson and evide

2375

01:50:29,460 --> 01:50:27,520

you throw down this something that's

2376

01:50:31,050 --> 01:50:29,470

steeped in science right so they can't

2377

01:50:33,630 --> 01:50:31,060

you can't get out of it you can't just

2378

01:50:36,570 --> 01:50:33,640

make a philosophical discussion out of

2379

01:50:39,900 --> 01:50:36,580

it and you say we have a process right

2380

01:50:42,510 --> 01:50:39,910

now if you care about humanity and you

2381

01:50:45,750 --> 01:50:42,520

do like you say you care about humanity

2382

01:50:47,280 --> 01:50:45,760

and you want to to help them then look

2383

01:50:50,640 --> 01:50:47,290

over here try this

2384

01:50:52,920 --> 01:50:50,650

and what's rent and how do you okay and

2385

01:50:57,390 --> 01:50:52,930

and how do you how do you plan to do

2386

01:50:58,709 --> 01:50:57,400

that so you enter the corporation field

2387

01:51:02,339 --> 01:50:58,719

so there's a video we

2388

01:51:03,689 --> 01:51:02,349

incorporate and we were getting into

2389

01:51:13,770 --> 01:51:03,699

hole

2390

01:51:16,229 --> 01:51:13,780

so the on a gamification level what we

2391

01:51:19,469 --> 01:51:16,239

do now so this is that reality we say

2392

01:51:21,330 --> 01:51:19,479

you present a number of hypotheses one

2393

01:51:24,089 --> 01:51:21,340

of them is we can prove that we live in

2394

01:51:26,189 --> 01:51:24,099

a simulation right so Nick Bostrom and

2395

01:51:27,959 --> 01:51:26,199

all those groups they would love to

2396

01:51:29,310 --> 01:51:27,969

prove that we live in that so we're

2397

01:51:31,379 --> 01:51:29,320

saying one of the hypotheses that we

2398

01:51:34,290 --> 01:51:31,389

have a process to prove that we live in

2399

01:51:36,419 --> 01:51:34,300

a little simulation disclosures another

2400

01:51:39,060 --> 01:51:36,429

huge one everyone's just begging for it

2401

01:51:42,509 --> 01:51:39,070

right this this this you know that there

2402

01:51:45,810 --> 01:51:42,519

are ETS out there well fine let's begin

2403

01:51:48,660 --> 01:51:45,820

disclosure and we can prove that there

2404

01:51:51,810 --> 01:51:48,670

are higher frequencies out there right

2405

01:51:53,850 --> 01:51:51,820

so but you can't go into it in the what

2406

01:51:56,609 --> 01:51:53,860

we'll call the base of zero civilization

2407

01:51:58,739 --> 01:51:56,619

because it's people's reality remember

2408

01:52:01,200 --> 01:51:58,749

that metal right that middle up they're

2409

01:52:03,000 --> 01:52:01,210

gonna just you'll shake their foundation

2410

01:52:05,009 --> 01:52:03,010

there can end their cognitive distances

2411

01:52:06,660 --> 01:52:05,019

I'm going to hear you as soon as you put

2412

01:52:08,729 --> 01:52:06,670

it into a game you've taken them out of

2413

01:52:12,569 --> 01:52:08,739

the reality everything's fine now

2414

01:52:15,419 --> 01:52:12,579

because it's just a game and so yeah I

2415

01:52:19,020 --> 01:52:15,429

need you to expand that and clarify

2416

01:52:22,169 --> 01:52:19,030

exactly what you're suggesting which

2417

01:52:25,350 --> 01:52:22,179

part visually the game of five the game

2418

01:52:27,870 --> 01:52:25,360

of i/o Amos I know that's a broad stroke

2419

01:52:31,700 --> 01:52:27,880

of the pen you know so do you mean that

2420

01:52:34,890 --> 01:52:31,710

in a literal sense or you know in a

2421

01:52:38,370 --> 01:52:34,900

morality type of sense and a suggestive

2422

01:52:40,140 --> 01:52:38,380

sense when you say gamma finds you Gamma

2423

01:52:42,959 --> 01:52:40,150

Phi or what's modern masters dinner

2424

01:52:44,819 --> 01:52:42,969

right right right the U game of five so

2425

01:52:47,370 --> 01:52:44,829

we have two so right now we can't even

2426

01:52:49,709 --> 01:52:47,380

bring religion back into it but we can't

2427

01:52:53,310 --> 01:52:49,719

even talk about God or or these other

2428

01:52:54,930 --> 01:52:53,320

deities right that were abstracts of

2429

01:52:56,580 --> 01:52:54,940

their time whether they're real or not

2430

01:52:59,219 --> 01:52:56,590

doesn't remember debugger you have to

2431

01:53:01,680 --> 01:52:59,229

detach right but we can't even get that

2432

01:53:03,060 --> 01:53:01,690

conversation on and there's one of the

2433

01:53:07,819 --> 01:53:03,070

problems is that we're trying to have a

2434

01:53:12,450 --> 01:53:10,529

without the top twenty physicist of all

2435

01:53:14,490 --> 01:53:12,460

time you know

2436

01:53:16,610 --> 01:53:14,500

say on on dialogue there's a difference

2437

01:53:18,510 --> 01:53:16,620

between conversations and dialogue

2438

01:53:20,580 --> 01:53:18,520

conversations I'm trying to prove my

2439

01:53:23,610 --> 01:53:20,590

point to you and I'm trying to be right

2440

01:53:25,290 --> 01:53:23,620

a dialogue is big data is what I've been

2441

01:53:26,729 --> 01:53:25,300

talking about we're on this see I'm

2442

01:53:28,890 --> 01:53:26,739

going to start throwing out all these

2443

01:53:31,920 --> 01:53:28,900

points and you throw it all your points

2444

01:53:33,810 --> 01:53:31,930

neither of us is trying to prove the

2445

01:53:38,000 --> 01:53:33,820

other right we're trying to work

2446

01:53:42,180 --> 01:53:38,010

together to evolve our understanding of

2447

01:53:45,840 --> 01:53:42,190

what that data is what it means and look

2448

01:53:48,270 --> 01:53:45,850

at it in different angles and so what

2449

01:53:51,870 --> 01:53:48,280

yeah go ahead good I was going to say

2450

01:53:53,520 --> 01:53:51,880

and so the gamification aspect of it by

2451
01:53:56,550 --> 01:53:53,530
bringing them into a different reality

2452
01:53:59,250 --> 01:53:56,560
and then having all these distributed

2453
01:54:02,220 --> 01:53:59,260
types of games that that boil into a

2454
01:54:05,280 --> 01:54:02,230
singularity of intent right that intent

2455
01:54:08,820 --> 01:54:05,290
being evolving humanity to a new level

2456
01:54:12,930 --> 01:54:08,830
of consciousness right that is the way

2457
01:54:15,330 --> 01:54:12,940
to get people especially Millennials who

2458
01:54:17,910 --> 01:54:15,340
have no desire for them for the current

2459
01:54:21,440 --> 01:54:17,920
system and in the way that it's formed

2460
01:54:26,520 --> 01:54:21,450
to to get them to come in and

2461
01:54:28,110 --> 01:54:26,530
participate in in this process of look

2462
01:54:30,000 --> 01:54:28,120
were in trouble

2463
01:54:31,590 --> 01:54:30,010

the boat is sinking we need your help to

2464

01:54:36,090 --> 01:54:31,600

figure out how to build it

2465

01:54:39,120 --> 01:54:36,100

a new vote right um and so one of the

2466

01:54:43,500 --> 01:54:39,130

things that we do is build a clean room

2467

01:54:45,900 --> 01:54:43,510

this is very common in in in biology or

2468

01:54:48,630 --> 01:54:45,910

in computer rooms where you need the

2469

01:54:51,030 --> 01:54:48,640

room to be absolutely clean right so

2470

01:54:53,120 --> 01:54:51,040

that the data doesn't get corrupted well

2471

01:54:55,110 --> 01:54:53,130

you can do the same thing with big data

2472

01:54:57,380 --> 01:54:55,120

right but you can you don't want to make

2473

01:55:01,320 --> 01:54:57,390

it boring you need to make it fun right

2474

01:55:02,640 --> 01:55:01,330

that way people individuals can play the

2475

01:55:04,800 --> 01:55:02,650

game and while they're playing it

2476

01:55:07,290 --> 01:55:04,810

they're cleansing the data and then that

2477

01:55:10,140 --> 01:55:07,300

data comes and pushes up into a whole

2478

01:55:13,320 --> 01:55:10,150

new what we call an authoring system or

2479

01:55:15,950 --> 01:55:13,330

or Universal narrative right so you

2480

01:55:19,050 --> 01:55:15,960

enter into the story Wars of our time

2481

01:55:20,760 --> 01:55:19,060

right and and it's that new narrative is

2482

01:55:23,370 --> 01:55:20,770

all pushing through the singularity of

2483

01:55:24,750 --> 01:55:23,380

intent which which has seven principles

2484

01:55:26,340 --> 01:55:24,760

when you're cleaning this data you're

2485

01:55:28,800 --> 01:55:26,350

pushing it all through the seven prints

2486

01:55:32,100 --> 01:55:28,810

which is you know love beauty kindness

2487

01:55:34,530 --> 01:55:32,110

creativity expansiveness unlimited

2488

01:55:37,140 --> 01:55:34,540

abundance and receptivity that simple

2489

01:55:40,140 --> 01:55:37,150

just clean the data look for you know

2490

01:55:44,430 --> 01:55:40,150

those anything but if it's war if it's

2491

01:55:46,740 --> 01:55:44,440

if it's you know we call it war games or

2492

01:55:49,800 --> 01:55:46,750

any type of violence games Grand Theft

2493

01:55:52,050 --> 01:55:49,810

Auto my goodness great I mean they're

2494

01:55:54,510 --> 01:55:52,060

using the same methods in the syste

2495

01:55:59,610 --> 01:55:54,520

system using the same methods now to

2496

01:56:03,750 --> 01:55:59,620

train children to become expert drone

2497

01:56:06,060 --> 01:56:03,760

pilots expert gun individuals nevermind

2498

01:56:07,950 --> 01:56:06,070

the old-fashioned days of you know dad

2499

01:56:10,080 --> 01:56:07,960

buying the red BB gun to start new

2500

01:56:12,480 --> 01:56:10,090

indoctrinating his kid into violence

2501

01:56:13,770 --> 01:56:12,490

it's the video games are doing it for

2502

01:56:17,550 --> 01:56:13,780

them now there's your algorithm going

2503

01:56:20,160 --> 01:56:17,560

again yeah 100% yeah one there's no

2504

01:56:23,460 --> 01:56:20,170

question about that yeah I mean I know

2505

01:56:26,520 --> 01:56:23,470

now you have drones coming along right

2506

01:56:29,220 --> 01:56:26,530

and kids and I think it was in the US if

2507

01:56:32,130 --> 01:56:29,230

I know it's somewhere around this for

2508

01:56:35,490 --> 01:56:32,140

the first time in and whenever there

2509

01:56:37,410 --> 01:56:35,500

were more children hired for for drone

2510

01:56:39,270 --> 01:56:37,420

piloting than boots on the ground it was

2511

01:56:40,740 --> 01:56:39,280

something like that well they see the

2512

01:56:43,920 --> 01:56:40,750

switch cover it's one of the biggest

2513

01:56:47,340 --> 01:56:43,930

demands out there right now is is number

2514

01:56:49,770 --> 01:56:47,350

one I mean the the growth industry drone

2515

01:56:53,550 --> 01:56:49,780

pilots 100% we'll take a break right

2516

01:56:55,740 --> 01:56:53,560

here Ken divergent unity is what we're

2517

01:56:59,820 --> 01:56:55,750

talking about tonight now when when we

2518

01:57:02,940 --> 01:56:59,830

come back all of this is great and it's

2519

01:57:04,770 --> 01:57:02,950

wonderful but what about three and a

2520

01:57:06,720 --> 01:57:04,780

half billion people on this planet that

2521

01:57:08,700 --> 01:57:06,730

don't even know what a computer is I'll

2522

01:57:11,170 --> 01:57:08,710

be right back

2523

01:57:18,010 --> 01:57:11,180

I've divided Rob Halford the mental

2524

01:57:20,860 --> 01:57:18,020

guard on Jimmy Church radio this is kg

2525

01:57:25,780 --> 01:57:20,870

are a digital broadcasting station Salt

2526

01:57:27,670 --> 01:57:25,790

Lake City Utah Van Buren Arkansas jr.

2527

01:57:29,800 --> 01:57:27,680

let's get this man for the ER staff

2528

01:57:32,320 --> 01:57:29,810

right away doctor we see this every day

2529

01:57:34,750 --> 01:57:32,330

heart attack or angina pain due to

2530

01:57:37,120 --> 01:57:34,760

blocked and clogged arteries chelation

2531

01:57:39,280 --> 01:57:37,130

can remove obstructions or blockages

2532

01:57:40,540 --> 01:57:39,290

from arteries and help avoid painful and

2533

01:57:43,090 --> 01:57:40,550

expensive surgery

2534

01:57:44,770 --> 01:57:43,100

now there's angiogram it's a liquid oral

2535

01:57:47,140 --> 01:57:44,780

chelation product that you take with

2536

01:57:49,480 --> 01:57:47,150

juice you start to feel the results fast

2537

01:57:51,070 --> 01:57:49,490

angio primm increases blood flow all

2538

01:57:53,380 --> 01:57:51,080

over the body and that means more energy

2539

01:57:56,410 --> 01:57:53,390

and strength to take on the day with

2540

01:57:59,200 --> 01:57:56,420

less aches and pain 60 years of research

2541

01:58:01,390 --> 01:57:59,210

has gone into chelation and angiogram is

2542

01:58:03,640 --> 01:58:01,400

the result a safe and easy way to

2543

01:58:05,920 --> 01:58:03,650

unblock your veins and arteries from

2544

01:58:07,420 --> 01:58:05,930

buildup that slow circulation taking dr.

2545

01:58:08,350 --> 01:58:07,430

Jones please report to the emergency

2546

01:58:10,330 --> 01:58:08,360

room right away

2547

01:58:13,480 --> 01:58:10,340

log on now for a special radio offer

2548

01:58:18,190 --> 01:58:13,490

from angiogram that's angio prim calm /

2549

01:58:20,260 --> 01:58:18,200

radio ang io PRI M angiogram comm /

2550

01:58:22,240 --> 01:58:20,270

radio our call eight seven seven eight a

2551

01:58:24,010 --> 01:58:22,250

two seventy two twenty one that's a

2552

01:58:28,570 --> 01:58:24,020

seven seven eight a two seventy two

2553

01:58:31,900 --> 01:58:28,580

twenty one so you love talk radio then

2554

01:58:34,960 --> 01:58:31,910

you'll love talk stream live calm talk

2555

01:58:36,970 --> 01:58:34,970

stream live is always on 24/7 with the

2556

01:58:38,950 --> 01:58:36,980

best streaming talk shows find your

2557

01:58:41,230 --> 01:58:38,960

favorite talkers and discover some new

2558

01:58:44,260 --> 01:58:41,240

ones it's free readily available online

2559

01:58:46,150 --> 01:58:44,270

or on the smartphone or tablet finding

2560

01:58:48,820 --> 01:58:46,160

your favorite talk shows all in one

2561

01:58:51,460 --> 01:58:48,830

place has gotten a whole lot easier just

2562

01:58:53,440 --> 01:58:51,470

go to talk stream live.com be sure to

2563

01:58:57,700 --> 01:58:53,450

download the free apps from Google Play

2564

01:59:00,910 --> 01:58:57,710

or the itunes app store your contact for

2565

01:59:03,210 --> 01:59:00,920

current news and trending topics kgr a

2566

01:59:05,410 --> 01:59:03,220

radio.com

2567

01:59:07,120 --> 01:59:05,420

did you know that when you're on the

2568

01:59:09,610 --> 01:59:07,130

road with limited data or Wi-Fi

2569

01:59:11,710 --> 01:59:09,620

available you can still listen to every

2570

01:59:14,320 --> 01:59:11,720

minute a fade to black by just calling

2571

01:59:17,350 --> 01:59:14,330

six oh five five six two four four eight

2572

01:59:19,840 --> 01:59:17,360

two no smartphone app or internet needed

2573

01:59:21,380 --> 01:59:19,850

it saves your data plan and no extra

2574

01:59:24,380 --> 01:59:21,390

costs if you have unlimited

2575

01:59:26,660 --> 01:59:24,390

minutes just call six oh five five six

2576

01:59:29,120 --> 01:59:26,670

two four four eight two you can listen

2577

01:59:34,220 --> 01:59:29,130

to me Jimmy Church on any phone anytime

2578

01:59:36,800 --> 01:59:34,230

anywhere Gobekli Tepe do you or loved

2579

01:59:38,720 --> 01:59:36,810

one suffer migraine headaches listen to

2580

01:59:40,820 --> 01:59:38,730

what scientists Kurt Hendricks has to

2581

01:59:42,770 --> 01:59:40,830

say thirty five million people in the

2582

01:59:45,140 --> 01:59:42,780

United States suffer with debilitating

2583

01:59:46,970 --> 01:59:45,150

migraines if you or a loved one a one of

2584

01:59:49,310 --> 01:59:46,980

them you need to know about [h__h] Li

2585

01:59:51,170 --> 01:59:49,320

hi I'm Kurt Hendricks the scientists

2586

01:59:53,900 --> 01:59:51,180

that formulated and patented to

2587

01:59:56,060 --> 01:59:53,910

microwave migraine formula my belief is

2588

01:59:58,640 --> 01:59:56,070

a non-prescription dietary supplement

2589

02:00:00,740 --> 01:59:58,650

recommended by neurologists pharmacist

2590

02:00:03,020 --> 02:00:00,750

and pediatricians to address nutritional

2591

02:00:06,470 --> 02:00:03,030

deficiencies in both adults and children

2592

02:00:07,790 --> 02:00:06,480

over to with migraines dr emili for

2593

02:00:09,800 --> 02:00:07,800

three months and see the powerful

2594

02:00:11,810 --> 02:00:09,810

difference it can make in your life or

2595

02:00:16,640 --> 02:00:11,820

get your money back no questions asked

2596

02:00:19,670 --> 02:00:16,650

go to mig 9-1-1 dot-com or call 800 m IG

2597

02:00:21,980 --> 02:00:19,680

735 for you can change your life today

2598

02:00:24,980 --> 02:00:21,990

so if you suffer from migraines don't

2599

02:00:28,310 --> 02:00:24,990

wait call 800 mig seven three five four

2600

02:00:39,020 --> 02:00:28,320

that's 800 mig seven three five four or

2601

02:00:45,420 --> 02:00:41,340

you want to know a secret

2602

02:00:48,360 --> 02:00:45,430

I love bullies I really love ponies I'm

2603

02:00:52,620 --> 02:00:48,370

serious I couldn't stay sane all that

2604

02:00:58,160 --> 02:00:52,630

poor mr. Bush why fade to black because

2605

02:01:02,160 --> 02:01:00,000

this is fade to black

2606

02:01:05,820 --> 02:01:02,170

with Jimmy Church on the game changer

2607

02:01:08,230 --> 02:01:05,830

radio network at kgr a the global radio

2608

02:01:20,610 --> 02:01:08,240

alliance

2609

02:01:28,420 --> 02:01:22,780

welcome back to fade to black our guest

2610

02:01:30,220 --> 02:01:28,430

tonight Ken Knudsen divergent unity the

2611

02:01:32,560 --> 02:01:30,230

website does right there Jim it's ready

2612

02:01:34,420 --> 02:01:32,570

calm click on it and go check it out

2613

02:01:36,910 --> 02:01:34,430

this portion of the broadcast is brought

2614

02:01:38,770 --> 02:01:36,920

to you by life change tea just go to the

2615

02:01:42,729 --> 02:01:38,780

banners right now into maturity calm

2616

02:01:46,840 --> 02:01:42,739

it'll take you to get the t.com the

2617

02:01:48,820 --> 02:01:46,850

promo code is fader fa de r will get you

2618

02:01:51,790 --> 02:01:48,830

free shipping they have a great special

2619

02:01:54,220 --> 02:01:51,800

going on right now three months of super

2620

02:01:57,640 --> 02:01:54,230

tea you get the new pomegranate super

2621

02:02:01,930 --> 02:01:57,650

tea thrown in okay there you go get the

2622

02:02:06,190 --> 02:02:01,940

tea calm promo code fader now can one of

2623

02:02:08,590 --> 02:02:06,200

my concerns with with all of this

2624

02:02:10,240 --> 02:02:08,600

everything that we're talking about we

2625

02:02:13,570 --> 02:02:10,250

have seven and a half billion people on

2626

02:02:17,380 --> 02:02:13,580

this planet they're three billion live

2627

02:02:19,090 --> 02:02:17,390

in garbage dumps right no computers they

2628

02:02:20,950 --> 02:02:19,100

don't know about you they don't know

2629

02:02:23,380 --> 02:02:20,960

about me they've never heard of

2630

02:02:26,140 --> 02:02:23,390

disclosure they've never heard of the

2631

02:02:28,120 --> 02:02:26,150

internet right they don't have a they

2632

02:02:32,020 --> 02:02:28,130

don't even know who the Kardashians are

2633

02:02:36,340 --> 02:02:32,030

right okay so well and all of this is

2634

02:02:40,600 --> 02:02:36,350

great but what about them so what about

2635

02:02:42,520 --> 02:02:40,610

them so a lot of the misconceptions is

2636

02:02:45,160 --> 02:02:42,530

that you need all seven billion people

2637

02:02:46,479 --> 02:02:45,170

on the planet to make the change okay a

2638

02:02:48,400 --> 02:02:46,489

lot of the time you just need to cast

2639

02:02:50,350 --> 02:02:48,410

one pebble so there's another

2640

02:02:52,479 --> 02:02:50,360

fundamental principle called the 80/20

2641

02:02:56,530 --> 02:02:52,489

principle it's the vital few against the

2642

02:03:00,520 --> 02:02:56,540

trivial many and so it means if you go

2643

02:03:04,209 --> 02:03:00,530

after twenty percent of the of the vital

2644

02:03:07,680 --> 02:03:04,219

organs the vital systems the eighty will

2645

02:03:11,229 --> 02:03:07,690

fall right so in this case if you can

2646

02:03:14,020 --> 02:03:11,239

identify twenty percent of the problems

2647

02:03:18,100 --> 02:03:14,030

as an example in the system the key

2648

02:03:20,830 --> 02:03:18,110

things then the rest will morph or

2649

02:03:24,370 --> 02:03:20,840

evolve around it right or change with it

2650

02:03:26,060 --> 02:03:24,380

or follow so the people that are in the

2651

02:03:28,310 --> 02:03:26,070

dumps or

2652

02:03:31,310 --> 02:03:28,320

or in the case they don't have access to

2653

02:03:33,110 --> 02:03:31,320

computers so in the gamified sense

2654

02:03:35,510 --> 02:03:33,120

that's where the live portion comes in

2655

02:03:38,960 --> 02:03:35,520

right how many people now are chasing

2656

02:03:40,970 --> 02:03:38,970

little virtual augmented pokemons around

2657

02:03:45,530 --> 02:03:40,980

the world that seemed to work didn't it

2658

02:03:47,060 --> 02:03:45,540

right all right with Pokemon go and you

2659

02:03:48,890 --> 02:03:47,070

can do the same thing it's about

2660

02:03:51,680 --> 02:03:48,900

bringing the human touch the human

2661

02:03:54,950 --> 02:03:51,690

quality the mother Teresa to these areas

2662

02:03:58,730 --> 02:03:54,960

in five you know if you can have on a

2663

02:04:01,010 --> 02:03:58,740

litter BOTS or trash trash bin the only

2664

02:04:04,010 --> 02:04:01,020

cure to litter is you or the only cure

2665

02:04:05,690 --> 02:04:04,020

to humanity is you right and then so

2666

02:04:08,720 --> 02:04:05,700

what you do is you start intertwining

2667

02:04:12,110 --> 02:04:08,730

the live aspect of the gamification and

2668

02:04:13,880 --> 02:04:12,120

the online into these areas right and

2669

02:04:16,160 --> 02:04:13,890

maybe one of the quests that you have to

2670

02:04:17,900 --> 02:04:16,170

go on is hey go to that homeless care

2671

02:04:20,150 --> 02:04:17,910

like we talked about earlier when you

2672

02:04:22,370 --> 02:04:20,160

sit down grab his story and let's pump

2673

02:04:25,730 --> 02:04:22,380

that into the authoring system and then

2674

02:04:28,580 --> 02:04:25,740

we're going to make his story known so

2675

02:04:32,690 --> 02:04:28,590

he has a voice alright and we make him

2676
02:04:34,250 --> 02:04:32,700
into a hero right and then you know we

2677
02:04:37,010 --> 02:04:34,260
do we start pumping it up from there

2678
02:04:39,230 --> 02:04:37,020
alright and so you bring the

2679
02:04:41,420 --> 02:04:39,240
gamification process allow us to do

2680
02:04:43,760 --> 02:04:41,430
people love leveling up right it's just

2681
02:04:45,470 --> 02:04:43,770
it's the kids are built on this right it

2682
02:04:48,380 --> 02:04:45,480
started when I was you know again when I

2683
02:04:51,460 --> 02:04:48,390
was a kid and now it's just plastered

2684
02:04:54,770 --> 02:04:51,470
into into the mindset so you use that

2685
02:04:57,890 --> 02:04:54,780
great you use that and have them go out

2686
02:04:59,450 --> 02:04:57,900
there and and yeah that's the quest and

2687
02:05:01,220 --> 02:04:59,460
other parts of it are going into the

2688
02:05:03,140 --> 02:05:01,230

indigenous communities to bring exposure

2689

02:05:05,000 --> 02:05:03,150

they're not just going there from

2690

02:05:07,120 --> 02:05:05,010

humanity what are we going to do is to

2691

02:05:09,680 --> 02:05:07,130

get there and maybe they gotta learn

2692

02:05:11,780 --> 02:05:09,690

something and then they got to teach

2693

02:05:14,330 --> 02:05:11,790

them something and so the interaction

2694

02:05:17,180 --> 02:05:14,340

starts and then they get level ups the

2695

02:05:18,710 --> 02:05:17,190

kids are born on that stuff alright the

2696

02:05:19,970 --> 02:05:18,720

adults it's harder for them to

2697

02:05:21,680 --> 02:05:19,980

understand you got to work a little

2698

02:05:24,230 --> 02:05:21,690

differently with them but the

2699

02:05:26,090 --> 02:05:24,240

Millennials the ones that are as they

2700

02:05:28,430 --> 02:05:26,100

say you're walking around sama fide

2701

02:05:31,520 --> 02:05:28,440

right because there's not this holier

2702

02:05:33,770 --> 02:05:31,530

now this this crater beacon lift it up

2703

02:05:35,360 --> 02:05:33,780

for them they're not going to do it but

2704

02:05:39,049 --> 02:05:35,370

if they are presented with that and

2705

02:05:41,569 --> 02:05:39,059

there's a chance then they will go to it

2706

02:05:45,109 --> 02:05:41,579

hey you have to well do you have to

2707

02:05:48,319 --> 02:05:45,119

bypass the guys that are running mutual

2708

02:05:50,660 --> 02:05:48,329

funds you know that top one-tenth of 1%

2709

02:05:54,919 --> 02:05:50,670

and forget about the one-percenters

2710

02:05:58,310 --> 02:05:54,929

right we're way beyond that concept and

2711

02:06:01,910 --> 02:05:58,320

yeah and do you have to bypass that all

2712

02:06:05,390 --> 02:06:01,920

together and it and reach out and the

2713

02:06:08,270 --> 02:06:05,400

reason why I say it like that is if any

2714

02:06:11,000 --> 02:06:08,280

one of those mutual fund guys the Bill

2715

02:06:13,129 --> 02:06:11,010

Gates of the world and and you know all

2716

02:06:17,120 --> 02:06:13,139

of that real money all they would have

2717

02:06:20,120 --> 02:06:17,130

to do is is let go of two three four

2718

02:06:21,979 --> 02:06:20,130

percent of their net worth right I mean

2719

02:06:24,950 --> 02:06:21,989

a small would never affect their

2720

02:06:30,620 --> 02:06:24,960

lifestyle and everybody on the planet is

2721

02:06:35,149 --> 02:06:30,630

is is put in homes has jobs has money

2722

02:06:38,450 --> 02:06:35,159

and and food and and a life but they

2723

02:06:41,299 --> 02:06:38,460

don't do it and they know that they

2724

02:06:43,370 --> 02:06:41,309

could and we can fix everything so what

2725

02:06:45,379 --> 02:06:43,380

do you do you just bypass them because

2726

02:06:47,540 --> 02:06:45,389

they're never relate so well you you

2727

02:06:49,850 --> 02:06:47,550

brought up a great point here so they

2728

02:06:53,180 --> 02:06:49,860

just don't do it so go back to that one

2729

02:06:55,279 --> 02:06:53,190

letter question why yeah I'm out there

2730

02:06:56,479 --> 02:06:55,289

something more go forget these they're

2731

02:06:58,700 --> 02:06:56,489

trying to kill us the trick

2732

02:07:00,919 --> 02:06:58,710

okay that's low-hanging fruit climb that

2733

02:07:01,640 --> 02:07:00,929

tree everyone said they're trying to go

2734

02:07:03,350 --> 02:07:01,650

we're still here

2735

02:07:05,180 --> 02:07:03,360

great things happen problems have

2736

02:07:08,810 --> 02:07:05,190

another that's given there's something

2737

02:07:10,520 --> 02:07:08,820

else going on why right what are we

2738

02:07:12,950 --> 02:07:10,530

because obviously we haven't learned

2739

02:07:16,189 --> 02:07:12,960

some type of lesson where or something

2740

02:07:18,680 --> 02:07:16,199

is looking for something in us right and

2741

02:07:21,890 --> 02:07:18,690

this is what we we talked about earlier

2742

02:07:24,379 --> 02:07:21,900

is what if the higher frequencies are

2743

02:07:27,020 --> 02:07:24,389

there and what they're looking for just

2744

02:07:28,339 --> 02:07:27,030

like we look for in our children when

2745

02:07:29,990 --> 02:07:28,349

they're in the homes we're not going to

2746

02:07:32,359 --> 02:07:30,000

let them out into the greater world

2747

02:07:34,160 --> 02:07:32,369

until we're you know we hope we've

2748

02:07:36,979 --> 02:07:34,170

instilled some good consciousness in

2749

02:07:38,089 --> 02:07:36,989

them some good morals and then certainly

2750

02:07:39,859 --> 02:07:38,099

we don't want to let them ahead until

2751
02:07:42,260 --> 02:07:39,869
they're old enough not the you know run

2752
02:07:47,149 --> 02:07:42,270
in front of the car or you know even

2753
02:07:48,950 --> 02:07:47,159
teeny you know so what if the higher

2754
02:07:50,540 --> 02:07:48,960
frequencies so there's that level from

2755
02:07:52,380 --> 02:07:50,550
the house and they get the glow we get

2756
02:07:53,790 --> 02:07:52,390
the continued aiders we get to go to

2757
02:07:56,250 --> 02:07:53,800
College and we are in more

2758
02:07:57,480 --> 02:07:56,260
responsibility what if the higher

2759
02:08:00,570 --> 02:07:57,490
frequencies are there and they're

2760
02:08:02,310 --> 02:08:00,580
waiting for us to evolve right here we

2761
02:08:03,990 --> 02:08:02,320
turn away from the violence will you

2762
02:08:06,510 --> 02:08:04,000
turn away from the raping immediately

2763
02:08:08,370 --> 02:08:06,520

will you stand up for that and how will

2764

02:08:09,870 --> 02:08:08,380

you stand up for that will you diverge

2765

02:08:11,880 --> 02:08:09,880

from everything that has been done to

2766

02:08:15,660 --> 02:08:11,890

date because that's what we're looking

2767

02:08:19,680 --> 02:08:15,670

for and because is what yes yes and I

2768

02:08:22,680 --> 02:08:19,690

agree with that and the the the larger

2769

02:08:25,290 --> 02:08:22,690

problem which and I don't know how we

2770

02:08:27,990 --> 02:08:25,300

got here but we did and the larger

2771

02:08:30,450 --> 02:08:28,000

problem is this you and I can discuss

2772

02:08:32,580 --> 02:08:30,460

this we are talking to awakened and

2773

02:08:35,220 --> 02:08:32,590

enlightened people right now on you know

2774

02:08:40,350 --> 02:08:35,230

our audience they fully get everything

2775

02:08:43,770 --> 02:08:40,360

that we are saying right now but 99% and

2776

02:08:46,350 --> 02:08:43,780

I mean this as a real number of the

2777

02:08:49,590 --> 02:08:46,360

globe of the United States of Canada of

2778

02:08:52,950 --> 02:08:49,600

Australia Germany France South Africa

2779

02:08:55,410 --> 02:08:52,960

Uganda you pick the country China Russia

2780

02:08:57,990 --> 02:08:55,420

you pick the country and I'm going to

2781

02:09:02,100 --> 02:08:58,000

tell you right now they don't have a

2782

02:09:04,680 --> 02:09:02,110

clue about politics they don't have a

2783

02:09:08,040 --> 02:09:04,690

clue about starvation they don't have a

2784

02:09:10,290 --> 02:09:08,050

clue about children slave trades they

2785

02:09:11,730 --> 02:09:10,300

don't have a clue about taxes they don't

2786

02:09:15,930 --> 02:09:11,740

have a clue about unemployment

2787

02:09:20,400 --> 02:09:15,940

employment and it's zero they don't pay

2788

02:09:23,280 --> 02:09:20,410

attention to it's not happening that is

2789

02:09:25,620 --> 02:09:23,290

not a reality when when mass media is

2790

02:09:27,840 --> 02:09:25,630

out there screaming and I don't care who

2791

02:09:32,220 --> 02:09:27,850

it is I don't care if it's Russia today

2792

02:09:34,950 --> 02:09:32,230

or if it's MSN or CNN or Fox sure pick

2793

02:09:38,040 --> 02:09:34,960

pick it right now and they are screaming

2794

02:09:40,680 --> 02:09:38,050

about these issues the vast majority of

2795

02:09:43,050 --> 02:09:40,690

the world are not listening and they are

2796

02:09:47,100 --> 02:09:43,060

not paying attention they don't care

2797

02:09:49,890 --> 02:09:47,110

they don't have a clue about any of this

2798

02:09:53,700 --> 02:09:49,900

stuff that is going on that's and that's

2799

02:09:56,130 --> 02:09:53,710

that's the reality we got here but that

2800

02:10:01,470 --> 02:09:56,140

is those are the cards that we are dealt

2801
02:10:04,190 --> 02:10:01,480
right now yeah and and so then how do

2802
02:10:06,060 --> 02:10:04,200
you evolve a culture in a petri dish

2803
02:10:08,399 --> 02:10:06,070
right it's

2804
02:10:11,520 --> 02:10:08,409
you're looking for again the divergence

2805
02:10:13,020 --> 02:10:11,530
not everybody gets to go on so if so

2806
02:10:15,479 --> 02:10:13,030
this is where the matrix comes in and

2807
02:10:17,760 --> 02:10:15,489
all that if we're already in a

2808
02:10:20,550 --> 02:10:17,770
simulation and it's trying to evolve

2809
02:10:22,500 --> 02:10:20,560
this energy this level of consciousness

2810
02:10:24,689 --> 02:10:22,510
through to a singularity you're seeing

2811
02:10:26,280 --> 02:10:24,699
you're hearing it all in the physical

2812
02:10:27,959 --> 02:10:26,290
manifestation the singularity is near

2813
02:10:30,810 --> 02:10:27,969

the AI is going to get consciousness

2814

02:10:33,750 --> 02:10:30,820

what if that's all the reflection of how

2815

02:10:39,000 --> 02:10:33,760

close we are to evolving to that higher

2816

02:10:41,609 --> 02:10:39,010

spacefaring ability and but it's not

2817

02:10:44,180 --> 02:10:41,619

everyone in society how many times in

2818

02:10:47,189 --> 02:10:44,190

our civilization our history of

2819

02:10:50,430 --> 02:10:47,199

civilizations are up and vanished groups

2820

02:10:53,760 --> 02:10:50,440

and pockets of people Atlantis the

2821

02:10:56,520 --> 02:10:53,770

Lemuria to the flood Easter Island all

2822

02:10:59,430 --> 02:10:56,530

these different things are just so

2823

02:11:01,950 --> 02:10:59,440

what's not to say that there is this

2824

02:11:03,600 --> 02:11:01,960

pocket of individuals they're waiting

2825

02:11:07,080 --> 02:11:03,610

for to stand up to unite to come

2826

02:11:08,459 --> 02:11:07,090

together right and then that is the

2827

02:11:10,800 --> 02:11:08,469

divergence that they're looking for

2828

02:11:12,569 --> 02:11:10,810

those are when disclosure happens

2829

02:11:14,580 --> 02:11:12,579

they're waiting and it's always when

2830

02:11:16,080 --> 02:11:14,590

says work you're the ones that we're

2831

02:11:18,300 --> 02:11:16,090

waiting for or were the ones that we're

2832

02:11:20,339 --> 02:11:18,310

waiting for we continually waiting for

2833

02:11:22,290 --> 02:11:20,349

somebody to come to us but were the ones

2834

02:11:24,390 --> 02:11:22,300

that we're waiting for if we stand up

2835

02:11:28,020 --> 02:11:24,400

and there are higher frequencies they

2836

02:11:30,209 --> 02:11:28,030

will come and I know from my awakenings

2837

02:11:33,629 --> 02:11:30,219

will you call Kundalini awakening and

2838

02:11:35,490 --> 02:11:33,639

all that when you're there and you come

2839

02:11:37,800 --> 02:11:35,500

back and out-of-body experiences when

2840

02:11:39,390 --> 02:11:37,810

you're there and you come back until you

2841

02:11:41,459 --> 02:11:39,400

that that happens to you there's always

2842

02:11:43,919 --> 02:11:41,469

a hand and you have to do the faith when

2843

02:11:45,209 --> 02:11:43,929

it happens it is undeniable there is

2844

02:11:47,339 --> 02:11:45,219

something on the other side of that line

2845

02:11:49,260 --> 02:11:47,349

drawn in the sand don't know what it is

2846

02:11:51,270 --> 02:11:49,270

because I you know you because your

2847

02:11:55,169 --> 02:11:51,280

visuals and all that but I know that

2848

02:11:56,939 --> 02:11:55,179

there is something there period so the

2849

02:11:58,649 --> 02:11:56,949

conviction that I have now is is

2850

02:12:00,660 --> 02:11:58,659

absolutely based on that like I mean

2851

02:12:02,010 --> 02:12:00,670

there's in then I find all these

2852

02:12:03,899 --> 02:12:02,020

different books that have just been

2853

02:12:05,580 --> 02:12:03,909

written forever and then you know the

2854

02:12:07,560 --> 02:12:05,590

yogi gurus and all that they're all

2855

02:12:09,479 --> 02:12:07,570

talking about my whole my God it's been

2856

02:12:11,310 --> 02:12:09,489

in front of my face this whole time it

2857

02:12:13,830 --> 02:12:11,320

has there's there's no question about

2858

02:12:15,870 --> 02:12:13,840

that and and this is the frightening

2859

02:12:19,180 --> 02:12:15,880

part this is a

2860

02:12:21,729 --> 02:12:19,190

continuing from what I just said this is

2861

02:12:24,220 --> 02:12:21,739

the frightening part it's always been

2862

02:12:26,680 --> 02:12:24,230

there it's been written about for

2863

02:12:30,149 --> 02:12:26,690

millennia going back it's been talked

2864

02:12:34,140 --> 02:12:30,159

about and yes and I totally get that but

2865

02:12:37,120 --> 02:12:34,150

you walk around a college campus today

2866

02:12:38,709 --> 02:12:37,130

again pick the city in the country

2867

02:12:40,660 --> 02:12:38,719

around the world I don't care where you

2868

02:12:45,339 --> 02:12:40,670

go walk around the college campus today

2869

02:12:47,950 --> 02:12:45,349

pick at 100 percent of everybody that

2870

02:12:49,600 --> 02:12:47,960

you walk up to every student 18 19 20

2871

02:12:51,279 --> 02:12:49,610

years old and hit them with some of

2872

02:12:53,589 --> 02:12:51,289

these ideas and you're going to get a

2873

02:12:55,899 --> 02:12:53,599

blank stare you're going to get our

2874

02:12:59,290 --> 02:12:55,909

lunch there they dead they don't have a

2875

02:13:01,239 --> 02:12:59,300

clue and and that's on that level now

2876

02:13:04,689 --> 02:13:01,249

just walk up to the every man on the

2877

02:13:06,160 --> 02:13:04,699

street walk up to anybody and hit them

2878

02:13:08,020 --> 02:13:06,170

with everything that we are talking

2879

02:13:12,279 --> 02:13:08,030

about right now you're going to get a

2880

02:13:16,359 --> 02:13:12,289

blank stare there for big data the man

2881

02:13:18,220 --> 02:13:16,369

has won its own unless you it is

2882

02:13:21,279 --> 02:13:18,230

insurmountable you know and I'm not

2883

02:13:23,229 --> 02:13:21,289

saying I'm on your side right yeah I

2884

02:13:25,390 --> 02:13:23,239

don't know it's a where it's going to go

2885

02:13:28,569 --> 02:13:25,400

is unless because and what you're

2886

02:13:30,669 --> 02:13:28,579

setting up so the big data but the

2887

02:13:32,770 --> 02:13:30,679

question why do they collapse why can't

2888

02:13:34,299 --> 02:13:32,780

even so we talked about ideological

2889

02:13:36,609 --> 02:13:34,309

subversion so the first thing nevermind

2890

02:13:38,319 --> 02:13:36,619

ego is cognitive dissidence so let's go

2891

02:13:41,259 --> 02:13:38,329

right back to computers this is where

2892

02:13:43,540 --> 02:13:41,269

the mind is just a biological computer

2893

02:13:45,040 --> 02:13:43,550

that entity your mouth is moving up and

2894

02:13:47,739 --> 02:13:45,050

down what there's a biological entity

2895

02:13:50,739 --> 02:13:47,749

and that energy powering you again

2896

02:13:53,919 --> 02:13:50,749

everyone knows this is something else so

2897

02:13:56,560 --> 02:13:53,929

consciousness energy and science right

2898

02:13:58,959 --> 02:13:56,570

and it's oh it's powering your robot but

2899

02:14:02,350 --> 02:13:58,969

that mind that computer unit in your

2900

02:14:04,779 --> 02:14:02,360

mind is just that it's a computer so

2901
02:14:06,939 --> 02:14:04,789
once you understand how that works and

2902
02:14:09,520 --> 02:14:06,949
it's very simple so at a very simple

2903
02:14:11,680 --> 02:14:09,530
level is you know cognitive dissidence

2904
02:14:13,899 --> 02:14:11,690
will use it in on computer terms is your

2905
02:14:15,459 --> 02:14:13,909
firewall right so you just talk about

2906
02:14:17,169 --> 02:14:15,469
you mean you you know they give you a

2907
02:14:18,520 --> 02:14:17,179
blank stare well that's their

2908
02:14:20,350 --> 02:14:18,530
programming in the cognitive dissidence

2909
02:14:22,839 --> 02:14:20,360
we're just like I'm not getting register

2910
02:14:26,109 --> 02:14:22,849
with you what you said right all right

2911
02:14:28,060 --> 02:14:26,119
and so but how that cognitive dissidence

2912
02:14:29,680 --> 02:14:28,070
is formed well this is where it gets

2913
02:14:31,390 --> 02:14:29,690

interesting so that's

2914

02:14:33,100 --> 02:14:31,400

this third piece so ego cognitive

2915

02:14:35,650 --> 02:14:33,110

dissonance that's where latent

2916

02:14:38,260 --> 02:14:35,660

inhibition comes in that is your stack

2917

02:14:39,400 --> 02:14:38,270

when you program you start literally

2918

02:14:41,350 --> 02:14:39,410

with one line of code

2919

02:14:43,330 --> 02:14:41,360

well you just the one letter and you're

2920

02:14:44,560 --> 02:14:43,340

forming a method and then these methods

2921

02:14:46,090 --> 02:14:44,570

grow on top of the methods and it

2922

02:14:48,729 --> 02:14:46,100

continually aggregates up and up and up

2923

02:14:50,380 --> 02:14:48,739

until you have this application that

2924

02:14:52,420 --> 02:14:50,390

application is your cognitive this isn't

2925

02:14:55,270 --> 02:14:52,430

it's programmed based on the coding

2926

02:14:57,670 --> 02:14:55,280

stack could be something very efficient

2927

02:14:58,540 --> 02:14:57,680

so now Sara Lee brilliant brilliant

2928

02:15:02,470 --> 02:14:58,550

brilliant

2929

02:15:04,959 --> 02:15:02,480

I get that and totally understand it and

2930

02:15:07,959 --> 02:15:04,969

it's the only way it's going to happen

2931

02:15:10,120 --> 02:15:07,969

it's reversing the process that got us

2932

02:15:12,160 --> 02:15:10,130

here to begin with and that's why I said

2933

02:15:14,080 --> 02:15:12,170

the top down when I was talking with the

2934

02:15:15,939 --> 02:15:14,090

bottom on top down with adults it's

2935

02:15:17,920 --> 02:15:15,949

different we have to debug the adults

2936

02:15:22,330 --> 02:15:17,930

they're not as malleable as children

2937

02:15:24,400 --> 02:15:22,340

they said we're cold no not at all you

2938

02:15:26,290 --> 02:15:24,410

can't form them properly I'm sorry

2939

02:15:29,290 --> 02:15:26,300

children you can form part they're

2940

02:15:32,770 --> 02:15:29,300

impressionable so you know if you do it

2941

02:15:35,080 --> 02:15:32,780

properly you can program them because

2942

02:15:37,900 --> 02:15:35,090

the computer unit up to be responsible

2943

02:15:40,120 --> 02:15:37,910

creative you know adults you know

2944

02:15:43,030 --> 02:15:40,130

helping and pushing society in a proper

2945

02:15:45,160 --> 02:15:43,040

way or you can program among computers

2946

02:15:47,530 --> 02:15:45,170

where it's okay to rape and continually

2947

02:15:49,540 --> 02:15:47,540

attack the Divine Feminine over time and

2948

02:15:52,090 --> 02:15:49,550

time again it's not a magical and

2949

02:15:54,850 --> 02:15:52,100

feel-good we call it occurrence that

2950

02:15:56,410 --> 02:15:54,860

Isis happens to be you know who were

2951
02:15:58,750 --> 02:15:56,420
fighting over they're like give me a

2952
02:16:01,990 --> 02:15:58,760
break do your do your history checks and

2953
02:16:03,760 --> 02:16:02,000
you'll see how strong the ISIS was in

2954
02:16:05,890 --> 02:16:03,770
the Egyptians an ancient Egyptian times

2955
02:16:07,510 --> 02:16:05,900
you know and so it's the same with this

2956
02:16:09,610 --> 02:16:07,520
was speaker and all that right I mean

2957
02:16:11,800 --> 02:16:09,620
all these powerful emblems passed

2958
02:16:13,930 --> 02:16:11,810
through down through history magically

2959
02:16:17,410 --> 02:16:13,940
all sudden become the bad guy emblem

2960
02:16:20,800 --> 02:16:17,420
right and so but if we're in a

2961
02:16:22,510 --> 02:16:20,810
simulation and again frequencies and

2962
02:16:24,640 --> 02:16:22,520
we're supposed to learn from this where

2963
02:16:26,200 --> 02:16:24,650

you were supposed to catch on to wait

2964

02:16:29,380 --> 02:16:26,210

the stuff hidden in plain sight

2965

02:16:31,720 --> 02:16:29,390

and then you bypass all this fear factor

2966

02:16:32,980 --> 02:16:31,730

oh I see what they you know there's your

2967

02:16:35,440 --> 02:16:32,990

evolution saying because now you're

2968

02:16:37,240 --> 02:16:35,450

starting to look through the fog right

2969

02:16:38,980 --> 02:16:37,250

you're starting to see stuff and make

2970

02:16:42,610 --> 02:16:38,990

sense and connections because it

2971

02:16:43,300 --> 02:16:42,620

requires an ability to to see large you

2972

02:16:46,300 --> 02:16:43,310

know connection

2973

02:16:47,741 --> 02:16:46,310

in those fashions and so latent

2974

02:16:49,320 --> 02:16:47,751

inhibition so something I'd like

2975

02:16:51,161 --> 02:16:49,330

everyone to google at some point

2976

02:16:53,201 --> 02:16:51,171

low-latent inhibition it's another

2977

02:16:55,031 --> 02:16:53,211

member mental disability a learning

2978

02:16:57,640 --> 02:16:55,041

disability that we replied with when you

2979

02:17:00,041 --> 02:16:57,650

have low-latent inhibition the gloves

2980

02:17:02,291 --> 02:17:00,051

are off when the amount of information

2981

02:17:05,260 --> 02:17:02,301

and connections you can make it's a

2982

02:17:07,720 --> 02:17:05,270

precursor to schizophrenia right that's

2983

02:17:09,220 --> 02:17:07,730

when you topple over too far but those

2984

02:17:12,550 --> 02:17:09,230

are lolene inhibition are able to

2985

02:17:15,340 --> 02:17:12,560

control large massive amounts of

2986

02:17:19,661 --> 02:17:15,350

information and make joining connections

2987

02:17:21,400 --> 02:17:19,671

to tons of things if you know remember

2988

02:17:23,621 --> 02:17:21,410

corporations are fine hiring these

2989

02:17:26,260 --> 02:17:23,631

people but if these people are in a

2990

02:17:29,831 --> 02:17:26,270

world where their talents can't be used

2991

02:17:32,291 --> 02:17:29,841

and it's a problem so ADHD alone I think

2992

02:17:36,670 --> 02:17:32,301

it now in the United States alone

2993

02:17:40,750 --> 02:17:36,680

by 2020 or 2022 is going to become over

2994

02:17:45,310 --> 02:17:40,760

22 billion dollar industry well

2995

02:17:52,241 --> 02:17:45,320

incorporate in it an ADHD somebody that

2996

02:17:54,371 --> 02:17:52,251

has that ability to uh to focus without

2997

02:17:56,201 --> 02:17:54,381

end I guess is the best way to put it

2998

02:17:58,210 --> 02:17:56,211

right you know we call hyper focus right

2999

02:18:01,750 --> 02:17:58,220

right that is that that's the perfect

3000

02:18:03,491 --> 02:18:01,760

guy for a cubicle right that's right so

3001

02:18:05,320 --> 02:18:03,501

a good example if you want to see if

3002

02:18:07,060 --> 02:18:05,330

everyone I said ID bug commander ok

3003

02:18:09,161 --> 02:18:07,070

dippin him any location you okay yeah

3004

02:18:11,291 --> 02:18:09,171

sure so one movie I want you to go watch

3005

02:18:13,871 --> 02:18:11,301

is the big short focus on Michael

3006

02:18:16,031 --> 02:18:13,881

burries character yep okay and how he

3007

02:18:18,250 --> 02:18:16,041

took on the finance without the

3008

02:18:19,781 --> 02:18:18,260

computers very well I mean you use the

3009

02:18:22,690 --> 02:18:19,791

computer but he went through the numbers

3010

02:18:25,600 --> 02:18:22,700

manually and he was what two years ahead

3011

02:18:27,610 --> 02:18:25,610

of what he did so it breaks down and

3012

02:18:29,081 --> 02:18:27,620

then he went until other guys were

3013

02:18:31,031 --> 02:18:29,091

looking at the system I think six months

3014

02:18:32,411 --> 02:18:31,041

later they came about and they notice

3015

02:18:34,570 --> 02:18:32,421

anomalies in the sieve what's going on

3016

02:18:36,430 --> 02:18:34,580

here and it took them another number of

3017

02:18:38,260 --> 02:18:36,440

months because they had to prove it to

3018

02:18:40,541 --> 02:18:38,270

themselves meanwhile Michael burry was

3019

02:18:43,360 --> 02:18:40,551

just that yes yes yes yes right right is

3020

02:18:45,610 --> 02:18:43,370

possible right it is possible to do it

3021

02:18:47,621 --> 02:18:45,620

and everyone has the possibility it's

3022

02:18:50,831 --> 02:18:47,631

just you're the right side of the brain

3023

02:18:52,630 --> 02:18:50,841

has been so shut down which is why you

3024

02:18:56,020 --> 02:18:52,640

know stem is being pushed by the

3025

02:18:57,000 --> 02:18:56,030

education system you know was the stem

3026

02:18:59,190 --> 02:18:57,010

engine

3027

02:19:02,040 --> 02:18:59,200

great you know creation of our taco is

3028

02:19:03,719 --> 02:19:02,050

the steaming right that's science

3029

02:19:06,179 --> 02:19:03,729

technology engineering arts and

3030

02:19:09,059 --> 02:19:06,189

mathematics wouldn't the stem engine

3031

02:19:10,919 --> 02:19:09,069

with steam art is that creativity that's

3032

02:19:12,480 --> 02:19:10,929

why they're killing it again right in

3033

02:19:14,669 --> 02:19:12,490

history they don't want you to know the

3034

02:19:18,030 --> 02:19:14,679

the less knowledge you have obviously

3035

02:19:19,860 --> 02:19:18,040

they live less connections you can make

3036

02:19:22,650 --> 02:19:19,870

what you know they don't

3037

02:19:25,250 --> 02:19:22,660

well I'll money I don't want this to get

3038

02:19:28,230 --> 02:19:25,260

away from me that the big short for

3039

02:19:32,070 --> 02:19:28,240

everybody exactly what we are talking

3040

02:19:35,099 --> 02:19:32,080

about here tonight that movie which is

3041

02:19:37,589 --> 02:19:35,109

about the real estate it's about it

3042

02:19:40,259 --> 02:19:37,599

financial class right right it that's

3043

02:19:41,730 --> 02:19:40,269

not really what you're going to get out

3044

02:19:45,259 --> 02:19:41,740

of that movie what you're going to get

3045

02:19:50,389 --> 02:19:45,269

out of that movie is we know nothing

3046

02:19:55,080 --> 02:19:50,399

nothing and the fact that the complex

3047

02:19:56,969 --> 02:19:55,090

set up the the house of cards that is

3048

02:19:58,769 --> 02:19:56,979

the money industry in general the

3049

02:20:01,200 --> 02:19:58,779

mortgage industry yes and the stock

3050

02:20:04,530 --> 02:20:01,210

market and and how you play markets and

3051

02:20:06,389 --> 02:20:04,540

the financial system in general is what

3052

02:20:10,019 --> 02:20:06,399

you get out of the big short and you

3053

02:20:14,429 --> 02:20:10,029

find out very very quickly that it is so

3054

02:20:17,070 --> 02:20:14,439

complex it is unbelievably complex that

3055

02:20:20,070 --> 02:20:17,080

we actually don't know anything about it

3056

02:20:23,340 --> 02:20:20,080

we don't know we don't understand and

3057

02:20:27,480 --> 02:20:23,350

that is the internet corporations

3058

02:20:29,190 --> 02:20:27,490

software AI in general today goes back

3059

02:20:32,340 --> 02:20:29,200

to what I said at the beginning of this

3060

02:20:34,679 --> 02:20:32,350

show can there isn't one person that

3061

02:20:37,290 --> 02:20:34,689

knows absolutely everything there it

3062

02:20:40,830 --> 02:20:37,300

doesn't exist anymore it's gotten way

3063

02:20:42,450 --> 02:20:40,840

out of control way out of control and

3064

02:20:44,490 --> 02:20:42,460

that's why it's so important now that

3065

02:20:46,590 --> 02:20:44,500

this is again I go to the next moment

3066

02:20:48,840 --> 02:20:46,600

where we need to unify and it's hard

3067

02:20:52,050 --> 02:20:48,850

because in the living systems you're

3068

02:20:54,300 --> 02:20:52,060

going to have you want at the top right

3069

02:20:56,760 --> 02:20:54,310

an echo what I call a catalyst in that

3070

02:20:58,650 --> 02:20:56,770

part you want these individuals like

3071

02:21:00,300 --> 02:20:58,660

ADHD you know who can rhyme through the

3072

02:21:02,580 --> 02:21:00,310

data fast but they're going to throw

3073

02:21:04,740 --> 02:21:02,590

stuff down to you right and you're going

3074

02:21:07,440 --> 02:21:04,750

to be like oh that's [h__h] but

3075

02:21:10,770 --> 02:21:07,450

meanwhile what's our this work you know

3076

02:21:12,570 --> 02:21:10,780

that you know that that's impossible

3077

02:21:14,160 --> 02:21:12,580

meanwhile when we threw down to you was

3078

02:21:17,251 --> 02:21:14,170

from a convergence of a hundred

3079

02:21:18,660 --> 02:21:17,261

different points of data right and it's

3080

02:21:20,430 --> 02:21:18,670

just if you can just take this and

3081

02:21:22,680 --> 02:21:20,440

implement it over here we can do it

3082

02:21:25,320 --> 02:21:22,690

great so think of it there were all

3083

02:21:26,881 --> 02:21:25,330

animes together and we're in a rat rats

3084

02:21:29,100 --> 02:21:26,891

in a maze you know we've heard of that

3085

02:21:31,261 --> 02:21:29,110

before but all of a sudden we decided to

3086

02:21:33,330 --> 02:21:31,271

get intelligent and raise people up on

3087

02:21:35,160 --> 02:21:33,340

our shoulders and see outside of the

3088

02:21:37,680 --> 02:21:35,170

maze well the guy seeing outside of the

3089

02:21:40,381 --> 02:21:37,690

maze is telling you to go left or watch

3090

02:21:42,091 --> 02:21:40,391

over here and it gets passed down so a

3091

02:21:44,160 --> 02:21:42,101

you got broke a telephone but even if it

3092

02:21:46,790 --> 02:21:44,170

gets passed down properly are you going

3093

02:21:49,171 --> 02:21:46,800

to follow that person on blind faith

3094

02:21:50,881 --> 02:21:49,181

well it don't want to go left but I'm

3095

02:21:52,740 --> 02:21:50,891

hearing monsters over here whatever the

3096

02:21:54,450 --> 02:21:52,750

case of Verona maze right great and

3097

02:21:57,240 --> 02:21:54,460

that's the scenario it's like being in

3098

02:22:00,240 --> 02:21:57,250

the crow's nest of a ship great and so

3099

02:22:02,520 --> 02:22:00,250

ADHD the hyper aspect is if I can get

3100

02:22:06,120 --> 02:22:02,530

this right in Greek means to be above

3101
02:22:09,600 --> 02:22:06,130
great to fly above high and that's what

3102
02:22:12,180 --> 02:22:09,610
we do we Kauai we go and we go fast but

3103
02:22:15,060 --> 02:22:12,190
it's so the wood another analogy I use

3104
02:22:18,030 --> 02:22:15,070
is when you know you're my handler right

3105
02:22:20,070 --> 02:22:18,040
because it's it's a and I'm your kite

3106
02:22:22,890 --> 02:22:20,080
and you have me up in the clouds so I

3107
02:22:25,440 --> 02:22:22,900
can fly fast because that's my abilities

3108
02:22:28,020 --> 02:22:25,450
my neurological diversity allows me to

3109
02:22:31,381 --> 02:22:28,030
do that but when I pass down to you and

3110
02:22:33,480 --> 02:22:31,391
especially when I'm open if because of a

3111
02:22:36,780 --> 02:22:33,490
sudden we will get like empathic in our

3112
02:22:38,370 --> 02:22:36,790
in our emotions we're letting go because

3113
02:22:39,900 --> 02:22:38,380

we the less we have to control the

3114

02:22:42,120 --> 02:22:39,910

better but all of a sudden if we have

3115

02:22:44,400 --> 02:22:42,130

these individuals on the ground you know

3116

02:22:45,990 --> 02:22:44,410

go out grab or they're arguing and sort

3117

02:22:47,881 --> 02:22:46,000

of the the neurotypical way or their

3118

02:22:49,680 --> 02:22:47,891

linear way it all of a sudden our

3119

02:22:51,240 --> 02:22:49,690

emotions our firewalls are completely

3120

02:22:54,501 --> 02:22:51,250

open and all of a sudden it turns into

3121

02:22:57,540 --> 02:22:54,511

an argument you're causing us to do to

3122

02:22:59,040 --> 02:22:57,550

you know become angry or other emotions

3123

02:23:02,930 --> 02:22:59,050

come out of us which is what we're very

3124

02:23:08,251 --> 02:23:02,940

known for very emotional people and so

3125

02:23:11,131 --> 02:23:08,261

the big data aspect that's happening out

3126
02:23:13,410 --> 02:23:11,141
there now is that see that we're in and

3127
02:23:15,390 --> 02:23:13,420
we need to build this ship properly with

3128
02:23:18,060 --> 02:23:15,400
living systems using all their natural

3129
02:23:19,591 --> 02:23:18,070
gifts right to bring this because that's

3130
02:23:21,751 --> 02:23:19,601
what we're given but we have to flow

3131
02:23:24,090 --> 02:23:21,761
back into natural law into the natural

3132
02:23:26,280 --> 02:23:24,100
way of of

3133
02:23:30,660 --> 02:23:26,290
two natural systems of the cosmic but do

3134
02:23:34,290 --> 02:23:30,670
we really in in doing that do we start

3135
02:23:38,280 --> 02:23:34,300
shutting down server farms right I mean

3136
02:23:40,889 --> 02:23:38,290
how do you get back to that do we let go

3137
02:23:45,290 --> 02:23:40,899
of technology or is there a way to

3138
02:23:48,210 --> 02:23:45,300

embrace both there is its maturity

3139

02:23:50,639 --> 02:23:48,220

responsible there's no reason that so

3140

02:23:52,380 --> 02:23:50,649

evolution is evolving and this is one of

3141

02:23:54,359 --> 02:23:52,390

the problems with individual groups of

3142

02:23:56,280 --> 02:23:54,369

individuals that I just want to go back

3143

02:23:57,660 --> 02:23:56,290

into the woods in or

3144

02:23:59,939 --> 02:23:57,670

you know they're all this kind of stuff

3145

02:24:03,689 --> 02:23:59,949

it's you can't I said the full of life

3146

02:24:07,170 --> 02:24:03,699

we're in this point in time we're all

3147

02:24:08,939 --> 02:24:07,180

here together manifested evolution is on

3148

02:24:10,830 --> 02:24:08,949

the brink of spacefaring transhumanism

3149

02:24:14,040 --> 02:24:10,840

there is no going back you're going

3150

02:24:15,660 --> 02:24:14,050

reversing it doesn't mean that you can't

3151

02:24:18,149 --> 02:24:15,670

fix what's happening and take that with

3152

02:24:20,160 --> 02:24:18,159

us just because we become spacefaring

3153

02:24:22,889 --> 02:24:20,170

doesn't mean we leave the planet Earth

3154

02:24:24,540 --> 02:24:22,899

you know the typically the individuals

3155

02:24:27,479 --> 02:24:24,550

that are going to be up in space are the

3156

02:24:30,240 --> 02:24:27,489

same individuals like ADHD most of them

3157

02:24:33,359 --> 02:24:30,250

are that are firefighters police fighter

3158

02:24:36,750 --> 02:24:33,369

pilots pilots in general individuals

3159

02:24:39,420 --> 02:24:36,760

that need the high right and so they'll

3160

02:24:41,219 --> 02:24:39,430

go up into space right away you know I'd

3161

02:24:42,809 --> 02:24:41,229

like to go up maybe come back down and

3162

02:24:45,179 --> 02:24:42,819

stay here next life I can go up there

3163

02:24:47,340 --> 02:24:45,189

right right all right it's just but it's

3164

02:24:50,639 --> 02:24:47,350

you know my my devotion is to be any

3165

02:24:53,010 --> 02:24:50,649

humanity but it's we have to flow with

3166

02:24:55,889 --> 02:24:53,020

evolution right evolution doesn't say go

3167

02:24:57,750 --> 02:24:55,899

back to not progressing ourselves

3168

02:25:01,530 --> 02:24:57,760

we're here on the Brinks it's our

3169

02:25:03,689 --> 02:25:01,540

maturity that's the problem I am I went

3170

02:25:05,609 --> 02:25:03,699

one time we're going to hit a break here

3171

02:25:08,849 --> 02:25:05,619

and then when we come back we're going

3172

02:25:11,910 --> 02:25:08,859

to talk about where we are type zero to

3173

02:25:13,380 --> 02:25:11,920

a type one civilization that needs to be

3174

02:25:18,030 --> 02:25:13,390

discussed so we'll do that after the

3175

02:25:20,040 --> 02:25:18,040

break but I went to I walked in I was at

3176
02:25:23,399 --> 02:25:20,050
a software company a gaming company and

3177
02:25:26,280 --> 02:25:23,409
I walked into their server farm I had

3178
02:25:29,189 --> 02:25:26,290
never seen one before it was the size of

3179
02:25:33,439 --> 02:25:29,199
an airplane hangar right and and they're

3180
02:25:35,330 --> 02:25:33,449
just like in the movies miles rows

3181
02:25:39,500 --> 02:25:35,340
stacks

3182
02:25:41,960 --> 02:25:39,510
lures of blinking lights right servers

3183
02:25:45,050 --> 02:25:41,970
and walking I was like oh my god

3184
02:25:47,870 --> 02:25:45,060
and I turned to the guy that was taking

3185
02:25:49,790 --> 02:25:47,880
me on the tour and he was one of the

3186
02:25:54,440 --> 02:25:49,800
owners I said what's going he goes dude

3187
02:25:56,599 --> 02:25:54,450
were rendering right and I turn around

3188
02:25:59,599 --> 02:25:56,609

and I'm just trying to wrap my head

3189

02:26:03,800 --> 02:25:59,609

around what he just said to me right now

3190

02:26:08,540 --> 02:26:03,810

that instance of that moment for me is

3191

02:26:10,310 --> 02:26:08,550

going on at countless locations around

3192

02:26:12,920 --> 02:26:10,320

the world and around the United States

3193

02:26:18,110 --> 02:26:12,930

this is just one little thing right now

3194

02:26:18,980 --> 02:26:18,120

we have data like this I mean it is out

3195

02:26:24,410 --> 02:26:18,990

of control

3196

02:26:27,190 --> 02:26:24,420

there is nobody policing any of this and

3197

02:26:30,230 --> 02:26:27,200

that that tipping point because our

3198

02:26:32,780 --> 02:26:30,240

intelligence is growing so quickly that

3199

02:26:35,300 --> 02:26:32,790

it could be tomorrow that's the thing

3200

02:26:36,920 --> 02:26:35,310

that scares me the most it could be

3201

02:26:40,130 --> 02:26:36,930

tomorrow could be next week it's not

3202

02:26:43,219 --> 02:26:40,140

going to be in 2050 it's now it's here

3203

02:26:45,469 --> 02:26:43,229

no absolutely let's take a break man

3204

02:26:46,790 --> 02:26:45,479

yeah good good yeah go ahead lead us

3205

02:26:49,520 --> 02:26:46,800

into the break Ken what were you going

3206

02:26:51,320 --> 02:26:49,530

to say oh so when we come back we'll get

3207

02:26:55,610 --> 02:26:51,330

into what we call Tron the reality of

3208

02:26:58,070 --> 02:26:55,620

that oh man I so want to be Tron I you

3209

02:27:01,130 --> 02:26:58,080

know what I would I would if I could if

3210

02:27:04,670 --> 02:27:01,140

I could download my brain right now or

3211

02:27:07,099 --> 02:27:04,680

upload onto a USB Drive and just head on

3212

02:27:09,920 --> 02:27:07,109

to a microchip for a few hours I would

3213

02:27:11,630 --> 02:27:09,930

do it I would do it and we're so close

3214

02:27:14,440 --> 02:27:11,640

we'll be right back this is fade to

3215

02:27:16,810 --> 02:27:14,450

black our guest tonight Ken Knudsen

3216

02:27:36,360 --> 02:27:16,820

divergent unity stay with us

3217

02:27:41,650 --> 02:27:39,190

hey what up y'all sugar Viveca box here

3218

02:27:47,110 --> 02:27:41,660

and you are listening to my boy Jimmy

3219

02:27:50,350 --> 02:27:47,120

Church Jimmy Jones radio calm despite

3220

02:27:57,910 --> 02:27:50,360

popular thing reading a book will not

3221

02:28:00,480 --> 02:27:57,920

make you smarter so you went to dinner

3222

02:28:03,460 --> 02:28:00,490

last night you had your favorite hosta

3223

02:28:06,280 --> 02:28:03,470

or maybe you had a heavy spicy meal in

3224

02:28:09,190 --> 02:28:06,290

the left you biz's get the tea dot-com

3225

02:28:13,240 --> 02:28:09,200

maybe you mowed down a huge steak and

3226

02:28:15,100 --> 02:28:13,250

your plumbing is all plug get the t.com

3227

02:28:17,950 --> 02:28:15,110

our super strength tea will take care of

3228

02:28:21,460 --> 02:28:17,960

your occasional it's all organic and

3229

02:28:23,950 --> 02:28:21,470

non-gmo get rid of we have so many great

3230

02:28:26,380 --> 02:28:23,960

supplements but our super tea is number

3231

02:28:30,100 --> 02:28:26,390

one get the tea calm that's get the tea

3232

02:28:33,520 --> 02:28:30,110

calm so you love talk radio then you'll

3233

02:28:36,580 --> 02:28:33,530

love talk stream live calm talk stream

3234

02:28:38,770 --> 02:28:36,590

live is always on 24/7 with the best

3235

02:28:40,870 --> 02:28:38,780

dreaming talk shows find your favorite

3236

02:28:43,660 --> 02:28:40,880

talkers and discover some new ones it's

3237

02:28:45,700 --> 02:28:43,670

free readily available online or on

3238

02:28:47,830 --> 02:28:45,710

mobile with any smartphone or tablet

3239

02:28:49,870 --> 02:28:47,840

finding your favorite talk shows all in

3240

02:28:53,290 --> 02:28:49,880

one place has gotten a whole lot easier

3241

02:28:54,790 --> 02:28:53,300

just go to talk stream live calm be sure

3242

02:28:59,710 --> 02:28:54,800

to download the free apps from Google

3243

02:29:02,469 --> 02:28:59,720

Play or the iTunes App Store when you

3244

02:29:05,170 --> 02:29:02,479

take the beans from Central America with

3245

02:29:07,120 --> 02:29:05,180

dashes indonesian and african mixed in

3246

02:29:10,330 --> 02:29:07,130

and then roast it to the dark side of

3247

02:29:13,870 --> 02:29:10,340

fade to black you create the ultimate

3248

02:29:16,420 --> 02:29:13,880

brew of Fringe introducing the fade to

3249

02:29:20,050 --> 02:29:16,430

black blend from river moon coffee

3250

02:29:22,719 --> 02:29:20,060

yes River moons darkus customized roast

3251
02:29:23,469 --> 02:29:22,729
was created for the love of fade to

3252
02:29:26,439 --> 02:29:23,479
black

3253
02:29:29,109 --> 02:29:26,449
the alchemy of masterful roasting and

3254
02:29:32,679 --> 02:29:29,119
smoking the beans is in every sip of

3255
02:29:35,679 --> 02:29:32,689
this full-bodied dark Java I need my

3256
02:29:37,510 --> 02:29:35,689
coffee doc feed with distinct

3257
02:29:40,719 --> 02:29:37,520
bittersweet chocolate highlights just

3258
02:29:43,149 --> 02:29:40,729
like the bunker leaning further into the

3259
02:29:46,449 --> 02:29:43,159
darkness of the roast is fade to black

3260
02:29:48,099 --> 02:29:46,459
blend from river moon coffee just click

3261
02:29:51,399 --> 02:29:48,109
on the banner at Jimmy Church radio.com

3262
02:29:58,979 --> 02:29:51,409
and use the promo code F to be blend for

3263
02:30:06,069 --> 02:30:03,099

what up fate or not studio dumb loved

3264

02:30:08,260 --> 02:30:06,079

paid the black and f2b audience for so

3265

02:30:10,750 --> 02:30:08,270

much that they have put together the

3266

02:30:13,449 --> 02:30:10,760

ultimate stereo Bluetooth system they've

3267

02:30:16,840 --> 02:30:13,459

done it just for you man

3268

02:30:19,630 --> 02:30:16,850

check this out the studio dome SBB two

3269

02:30:23,199 --> 02:30:19,640

stereo system is here it's featuring

3270

02:30:25,779 --> 02:30:23,209

two studio boombox two SBB two wireless

3271

02:30:28,210 --> 02:30:25,789

Bluetooth speakers pack in its own

3272

02:30:30,370 --> 02:30:28,220

custom hotel cave this studio dome

3273

02:30:33,279 --> 02:30:30,380

system features the very latest in

3274

02:30:36,639 --> 02:30:33,289

stereo bluetooth technology the two full

3275

02:30:39,099 --> 02:30:36,649

range boom boxes are in true Wireless

3276

02:30:41,380 --> 02:30:39,109

stereos you've got to hear this it's

3277

02:30:44,370 --> 02:30:41,390

amazing it's just a hundred and twenty

3278

02:30:47,429 --> 02:30:44,380

nine bucks and use the promo code gt-r

3279

02:30:51,010 --> 02:30:47,439

tws and you'll also get free shipping

3280

02:30:54,699 --> 02:30:51,020

it's simple just go to Jimmy tertia comm

3281

02:30:56,190 --> 02:30:54,709

click on the studio dome banner gobekli

3282

02:31:04,451 --> 02:30:56,200

tepe

3283

02:31:16,781 --> 02:31:08,571

it's not alive now he chose we were born

3284

02:31:16,791 --> 02:31:23,740

this is KJ dr jimmy shirts radio jaha

3285

02:31:39,051 --> 02:31:35,980

[Music]

3286

02:31:44,871 --> 02:31:39,061

welcome back k2 black great show today

3287

02:31:49,911 --> 02:31:44,881

and Knutson divergent unity we've got

3288

02:31:52,190 --> 02:31:49,921

him up in twitter follow can follow me

3289

02:31:55,491 --> 02:31:52,200

right now on twitter ad JT radio email

3290

02:31:58,491 --> 02:31:55,501

is Jimmy and Jimmy church radio calm now

3291

02:32:01,400 --> 02:31:58,501

I can let's uh let's let's jump into

3292

02:32:04,970 --> 02:32:01,410

some pretty heavy subjects here which I

3293

02:32:07,701 --> 02:32:04,980

you know where are we right now and we

3294

02:32:10,911 --> 02:32:07,711

hear this bandied about a lot type 0

3295

02:32:15,761 --> 02:32:10,921

type 1 type 2 type 3 civilizations and

3296

02:32:19,640 --> 02:32:15,771

and we're a type 0 I think that we are

3297

02:32:22,161 --> 02:32:19,650

we are on the brink of so many we are

3298

02:32:24,321 --> 02:32:22,171

able to answer questions now we have the

3299

02:32:26,720 --> 02:32:24,331

technology to do that now not only out

3300

02:32:29,541 --> 02:32:26,730

in space but down to the micro level

3301

02:32:31,850 --> 02:32:29,551

here in to the atomic level we have

3302

02:32:35,241 --> 02:32:31,860

rubble we have CERN you know we have

3303

02:32:37,581 --> 02:32:35,251

some very very advanced technology but

3304

02:32:39,531 --> 02:32:37,591

in the big scheme of things we're still

3305

02:32:43,371 --> 02:32:39,541

monkeys and trees there's no doubt about

3306

02:32:45,711 --> 02:32:43,381

that so it has its own anything yeah it

3307

02:32:47,661 --> 02:32:45,721

probably them still collapsing that's

3308

02:32:51,501 --> 02:32:47,671

right that's right so where are we on

3309

02:32:53,211 --> 02:32:51,511

that scale well the as the Mikula

3310

02:32:55,850 --> 02:32:53,221

and unplastered a is a name your

3311

02:32:57,801 --> 02:32:55,860

mitchell kukaku talks about and says it

3312

02:33:01,190 --> 02:32:57,811

really well is that you'll r at this

3313

02:33:03,951 --> 02:33:01,200

point 7 to a type one civilization and

3314

02:33:05,930 --> 02:33:03,961

if we can make it and is the most

3315

02:33:09,250 --> 02:33:05,940

crucial time and a civilizations history

3316

02:33:11,410 --> 02:33:09,260

as if we can make it to a type 1 and be

3317

02:33:13,689 --> 02:33:11,420

we've done it we're going to carry on

3318

02:33:17,979 --> 02:33:13,699

and this this you know culture of

3319

02:33:21,130 --> 02:33:17,989

evolution is going to you know go on to

3320

02:33:25,450 --> 02:33:21,140

Star Trek and beyond problem is we're at

3321

02:33:27,460 --> 02:33:25,460

a point seven and we've already rocked

3322

02:33:29,349 --> 02:33:27,470

the boat entirely too much and you were

3323

02:33:31,179 --> 02:33:29,359

in the sixth mass extinction for an

3324

02:33:32,500 --> 02:33:31,189

apartment you were going rhyming the

3325

02:33:37,800 --> 02:33:32,510

stuff off and you're opening of your

3326

02:33:40,269 --> 02:33:37,810

show right and and nobody has an answer

3327

02:33:43,330 --> 02:33:40,279

all the scientists all the brightest

3328

02:33:46,750 --> 02:33:43,340

minds in the world dead other they don't

3329

02:33:48,729 --> 02:33:46,760

have an answer and and so when

3330

02:33:50,679 --> 02:33:48,739

everything is siloed like that when

3331

02:33:53,529 --> 02:33:50,689

everything has been left brained and

3332

02:33:55,809 --> 02:33:53,539

linear data SPECT everything is rabbit

3333

02:33:58,420 --> 02:33:55,819

hold and and nobody is walking on the

3334

02:34:00,309 --> 02:33:58,430

the planes of architectural creation to

3335

02:34:01,929 --> 02:34:00,319

sort of put all this together that's

3336

02:34:04,029 --> 02:34:01,939

going to continue and we will get like

3337

02:34:06,790 --> 02:34:04,039

that in one fashion or another there'll

3338

02:34:09,239 --> 02:34:06,800

be some big catastrophe that's a given

3339

02:34:12,639 --> 02:34:09,249

the REA and that's your reality of now

3340

02:34:14,139 --> 02:34:12,649

right that's the tron moment and without

3341

02:34:15,309 --> 02:34:14,149

realizing that people will just go on

3342

02:34:17,679 --> 02:34:15,319

doing what they're doing

3343

02:34:19,090 --> 02:34:17,689

so you said before there's all these

3344

02:34:22,149 --> 02:34:19,100

individuals walking around they can't

3345

02:34:24,340 --> 02:34:22,159

even process this but that's not their

3346

02:34:27,819 --> 02:34:24,350

problem they've been programmed in that

3347

02:34:31,269 --> 02:34:27,829

way we know about it so we have to unite

3348

02:34:34,269 --> 02:34:31,279

act and rise up right but not it again

3349

02:34:36,010 --> 02:34:34,279

in divergent ways somebody has to take

3350

02:34:40,420 --> 02:34:36,020

oh [h__h] it only takes one pebble because

3351
02:34:43,149 --> 02:34:40,430
waves in the ocean right and and the

3352
02:34:45,250 --> 02:34:43,159
whole goal is not to crash them those

3353
02:34:47,529 --> 02:34:45,260
that can't see it right you want to sort

3354
02:34:49,719 --> 02:34:47,539
of elevate them out of it slowly right

3355
02:34:52,330 --> 02:34:49,729
over time it's the same with children

3356
02:34:54,790 --> 02:34:52,340
you don't go rocking them with zero

3357
02:34:56,739 --> 02:34:54,800
killers and cueing guns and all that you

3358
02:34:59,229 --> 02:34:56,749
need to you know hopefully you know they

3359
02:35:02,319 --> 02:34:59,239
never get in those situation or whatever

3360
02:35:05,349 --> 02:35:02,329
the case but you try and sort of evolve

3361
02:35:09,849 --> 02:35:05,359
them out of the world out into the world

3362
02:35:11,229 --> 02:35:09,859
into the greater world and so you asked

3363
02:35:13,750 --> 02:35:11,239

well how do you get the attention of

3364

02:35:16,179 --> 02:35:13,760

these the big money people right and so

3365

02:35:18,700 --> 02:35:16,189

it comes with the people unite the

3366

02:35:20,260 --> 02:35:18,710

people unite from the bottom up with the

3367

02:35:22,029 --> 02:35:20,270

dizziness it starts there and other

3368

02:35:23,200 --> 02:35:22,039

individuals who want to stand up and

3369

02:35:26,620 --> 02:35:23,210

they stand behind

3370

02:35:31,240 --> 02:35:26,630

find this empirical statement so one of

3371

02:35:33,610 --> 02:35:31,250

the ones is that we can take humanity at

3372

02:35:37,660 --> 02:35:33,620

a quantum jump from a point seven to a

3373

02:35:39,580 --> 02:35:37,670

type one now right and so but in your

3374

02:35:41,460 --> 02:35:39,590

now in this system your money is

3375

02:35:44,410 --> 02:35:41,470

controlling everything do you want this

3376

02:35:46,240 --> 02:35:44,420

right and so there are individuals that

3377

02:35:48,370 --> 02:35:46,250

do Bill Gates is one of them working

3378

02:35:51,070 --> 02:35:48,380

hard and others you know people slack

3379

02:35:52,870 --> 02:35:51,080

all these different individuals but if

3380

02:35:54,730 --> 02:35:52,880

there are all these bad things around

3381

02:35:56,110 --> 02:35:54,740

Bill Gates why would he go in front 10

3382

02:35:58,719 --> 02:35:56,120

million dollars to the big history

3383

02:36:02,469 --> 02:35:58,729

project right look that up like big

3384

02:36:03,820 --> 02:36:02,479

history and what it is it's trying to

3385

02:36:06,460 --> 02:36:03,830

get people to like look through the

3386

02:36:10,600 --> 02:36:06,470

history look at the big data open your

3387

02:36:13,300 --> 02:36:10,610

mind right and so I mean if he's super

3388

02:36:15,010 --> 02:36:13,310

bad dude well in your and he's coaching

3389

02:36:17,980 --> 02:36:15,020

you look look at all the data try and

3390

02:36:19,930 --> 02:36:17,990

look at all the data then you would

3391

02:36:22,360 --> 02:36:19,940

ultimately end up finding that needs

3392

02:36:24,610 --> 02:36:22,370

like some super evil bad dude great or

3393

02:36:26,500 --> 02:36:24,620

is it that there's a different part of

3394

02:36:29,590 --> 02:36:26,510

the game being played now again at the

3395

02:36:33,060 --> 02:36:29,600

level at this you know this is top level

3396

02:36:36,160 --> 02:36:33,070

so big history project is this whole new

3397

02:36:37,719 --> 02:36:36,170

and it's given away for free right so

3398

02:36:40,000 --> 02:36:37,729

now here's another thing that you don't

3399

02:36:42,700 --> 02:36:40,010

to pay for it it's trying to get people

3400

02:36:45,219 --> 02:36:42,710

to to understand the need to think in

3401

02:36:47,140 --> 02:36:45,229

big history concepts so again it goes

3402

02:36:48,580 --> 02:36:47,150

back to validating what you know we're

3403

02:36:50,860 --> 02:36:48,590

talking with the big data and the stuff

3404

02:36:53,650 --> 02:36:50,870

that we're doing it's the system is

3405

02:36:55,750 --> 02:36:53,660

starting to see that and it's promoting

3406

02:36:59,770 --> 02:36:55,760

it so there are these people out there

3407

02:37:01,420 --> 02:36:59,780

like Elon Musk in the canner and other

3408

02:37:04,150 --> 02:37:01,430

individuals Michael burry Bill Gates

3409

02:37:07,120 --> 02:37:04,160

when the solution or solutions and a

3410

02:37:09,180 --> 02:37:07,130

framework to it not just ideas right but

3411

02:37:12,190 --> 02:37:09,190

a plausible framework are presented

3412

02:37:13,510 --> 02:37:12,200

they're going to come well have to

3413

02:37:15,610 --> 02:37:13,520

because they're in the system as well

3414

02:37:18,040 --> 02:37:15,620

they are in the system and they've also

3415

02:37:20,170 --> 02:37:18,050

figured something out and they're

3416

02:37:24,190 --> 02:37:20,180

starting I was surprised to hear them

3417

02:37:27,609 --> 02:37:24,200

share these ideas last year when they

3418

02:37:30,219 --> 02:37:27,619

started to come forward out of

3419

02:37:33,989 --> 02:37:30,229

out of the Silicon Valley saying that

3420

02:37:36,519 --> 02:37:33,999

it's possible they they now want to

3421

02:37:39,039 --> 02:37:36,529

consider that we're living in a matrix

3422

02:37:41,529 --> 02:37:39,049

right that this thing is ones and zeros

3423

02:37:43,300 --> 02:37:41,539

we're living in something artificial but

3424

02:37:45,699 --> 02:37:43,310

would the only reason why they would say

3425

02:37:48,669 --> 02:37:45,709

that is because they found out something

3426

02:37:51,909 --> 02:37:48,679

right Dave yep yep they figured

3427

02:37:55,840 --> 02:37:51,919

something out I think a large chunk of

3428

02:37:58,829 --> 02:37:55,850

it is a quantum theory quantum mechanics

3429

02:38:01,300 --> 02:37:58,839

parallel worlds multi worlds theory

3430

02:38:03,789 --> 02:38:01,310

because they are now writing software

3431

02:38:07,329 --> 02:38:03,799

and building the quantum computing

3432

02:38:10,359 --> 02:38:07,339

hardware that is working in an alternate

3433

02:38:12,429 --> 02:38:10,369

universe now for them to figure that out

3434

02:38:15,699 --> 02:38:12,439

that's when they backed up and said wait

3435

02:38:19,149 --> 02:38:15,709

a minute here right there is something

3436

02:38:21,539 --> 02:38:19,159

else going on and and they are building

3437

02:38:26,499 --> 02:38:21,549

the hardware and writing the software

3438

02:38:30,939 --> 02:38:26,509

taking advantage of what parallel worlds

3439

02:38:33,609 --> 02:38:30,949

now oh yeah right right it was one of

3440

02:38:38,050 --> 02:38:33,619

the most wonderful things to happen and

3441

02:38:41,079 --> 02:38:38,060

I'll tell you why it proves everything

3442

02:38:43,179 --> 02:38:41,089

that we in the alternative community the

3443

02:38:46,059 --> 02:38:43,189

consciousness community that have been

3444

02:38:48,760 --> 02:38:46,069

talking about going back to Indian

3445

02:38:52,510 --> 02:38:48,770

mystics and and and world religions

3446

02:38:54,999 --> 02:38:52,520

forever now we are building it based on

3447

02:38:56,289 --> 02:38:55,009

science and it proves and validates

3448

02:38:58,840 --> 02:38:56,299

everything that you're discussing

3449

02:39:01,779 --> 02:38:58,850

tonight and and what the guests that

3450

02:39:03,429 --> 02:39:01,789

come on this show and it allows us to

3451

02:39:06,369 --> 02:39:03,439

step back and go you know what see we

3452

02:39:09,129 --> 02:39:06,379

are right you guys need to jump on board

3453

02:39:11,559 --> 02:39:09,139

with us and who would have thought it

3454

02:39:15,519 --> 02:39:11,569

would be the billionaires of Silicon

3455

02:39:17,619 --> 02:39:15,529

Valley to do that for us right because

3456

02:39:20,109 --> 02:39:17,629

they pushed it as far as they can like

3457

02:39:23,590 --> 02:39:20,119

you're saying but as we talked about

3458

02:39:25,840 --> 02:39:23,600

it's now you know power corrupts

3459

02:39:27,459 --> 02:39:25,850

absolutely okay so they have all this

3460

02:39:30,039 --> 02:39:27,469

power what does it mean if there is a

3461

02:39:33,129 --> 02:39:30,049

multiverse you know the multiverse that

3462

02:39:35,979 --> 02:39:33,139

can it begins within us so as soon as we

3463

02:39:38,829 --> 02:39:35,989

realize our own powers and we start

3464

02:39:40,569 --> 02:39:38,839

upgrading ourselves then all of a sudden

3465

02:39:41,410 --> 02:39:40,579

you don't rely on the system that is

3466

02:39:43,120 --> 02:39:41,420

forever

3467

02:39:47,800 --> 02:39:43,130

allow control in this lower

3468

02:39:51,790 --> 02:39:47,810

manifestation are you okay with AI and a

3469

02:39:54,660 --> 02:39:51,800

are going to the next level because if

3470

02:39:58,210 --> 02:39:54,670

we are going to be a star fairing

3471

02:40:02,200 --> 02:39:58,220

civilization we would need to live in

3472

02:40:04,719 --> 02:40:02,210

that world wouldn't we absolutely great

3473

02:40:05,469 --> 02:40:04,729

because there's going to be a whole self

3474

02:40:08,080 --> 02:40:05,479

okay

3475

02:40:10,179 --> 02:40:08,090

absolutely yes in a spacefaring world AI

3476

02:40:11,860 --> 02:40:10,189

and all that's going to be there no we

3477

02:40:13,960 --> 02:40:11,870

are not ready or mature enough as a

3478

02:40:15,700 --> 02:40:13,970

civilization to allow that to happen

3479

02:40:17,469 --> 02:40:15,710

because it's just going to be used in

3480

02:40:19,689 --> 02:40:17,479

its current fashion now I was it being

3481

02:40:22,689 --> 02:40:19,699

used now it's being used to how best to

3482

02:40:24,670 --> 02:40:22,699

market a pair of underwear to you and

3483

02:40:26,229 --> 02:40:24,680

you don't even like pink underwear right

3484

02:40:28,179 --> 02:40:26,239

but you will buy pink underwear because

3485

02:40:31,269 --> 02:40:28,189

it's been marketed to you in some covert

3486

02:40:34,380 --> 02:40:31,279

ways right the end so these AI

3487

02:40:36,939 --> 02:40:34,390

algorithms rolling through big data and

3488

02:40:38,559 --> 02:40:36,949

we talked about uh see it's just you're

3489

02:40:40,570 --> 02:40:38,569

continually funneling up this data

3490

02:40:41,830 --> 02:40:40,580

unless you get off the grid and of

3491

02:40:45,010 --> 02:40:41,840

course they're making that illegal in

3492

02:40:48,189 --> 02:40:45,020

the United States slowly so that you

3493

02:40:52,170 --> 02:40:48,199

have to be constantly plugged in and the

3494

02:40:54,880 --> 02:40:52,180

marketing algorithms are using AI to

3495

02:40:56,349 --> 02:40:54,890

manipulate individuals into just like

3496

02:40:59,439 --> 02:40:56,359

they've used mainstream media and blah

3497

02:41:02,380 --> 02:40:59,449

blah blah forever but now it's it's it's

3498

02:41:03,099 --> 02:41:02,390

all going to be faster and you won't

3499

02:41:06,309 --> 02:41:03,109

even know it

3500

02:41:07,719 --> 02:41:06,319

again demoralization and it's just you

3501
02:41:10,240 --> 02:41:07,729
know planting thoughts and you're now

3502
02:41:11,860 --> 02:41:10,250
this stuff becomes super real before we

3503
02:41:15,189 --> 02:41:11,870
used to talk about you know the lily

3504
02:41:17,590 --> 02:41:15,199
wave and you know magically planting you

3505
02:41:19,260 --> 02:41:17,600
know stuff on the through the or you

3506
02:41:21,490 --> 02:41:19,270
know a little payloads and the

3507
02:41:23,439 --> 02:41:21,500
electromagnetic spectrum into a person's

3508
02:41:25,540 --> 02:41:23,449
mind without here it's in plain sight

3509
02:41:27,790 --> 02:41:25,550
right because here it'd be advertising

3510
02:41:29,439 --> 02:41:27,800
how many times on Facebook is all of a

3511
02:41:30,670 --> 02:41:29,449
sudden you're like well yeah I was

3512
02:41:32,979 --> 02:41:30,680
looking at that two weeks ago my god I

3513
02:41:36,099 --> 02:41:32,989

read my mind right great what it's using

3514

02:41:38,200 --> 02:41:36,109

your data to do it so why can't you do

3515

02:41:41,590 --> 02:41:38,210

the same thing why can't we do the same

3516

02:41:43,920 --> 02:41:41,600

thing to elevate humanity's

3517

02:41:46,330 --> 02:41:43,930

consciousness and take on the system

3518

02:41:48,280 --> 02:41:46,340

well in this case we just walk away from

3519

02:41:50,439 --> 02:41:48,290

the system right now don't go running

3520

02:41:51,399 --> 02:41:50,449

out of the houses and walk like you have

3521

02:41:54,340 --> 02:41:51,409

to do it in a methodological

3522

02:41:57,860 --> 02:41:54,350

methodological way

3523

02:41:59,330 --> 02:41:57,870

logically but there is a way to do it

3524

02:42:01,070 --> 02:41:59,340

there is the exact same way that they're

3525

02:42:03,140 --> 02:42:01,080

manipulating you you can turn and use

3526

02:42:04,640 --> 02:42:03,150

the system against itself why and how do

3527

02:42:08,360 --> 02:42:04,650

you do that because that would be the

3528

02:42:11,890 --> 02:42:08,370

next step is we need to teach our

3529

02:42:15,740 --> 02:42:11,900

children from the youngest of ages now

3530

02:42:18,020 --> 02:42:15,750

how to recognize something real versus

3531

02:42:22,760 --> 02:42:18,030

something fake and when you're living in

3532

02:42:25,310 --> 02:42:22,770

such a 1 and 0 AI AR type of world it's

3533

02:42:29,530 --> 02:42:25,320

hard to tell what is real and what is

3534

02:42:33,050 --> 02:42:29,540

not as we move forward through this

3535

02:42:36,170 --> 02:42:33,060

artificial reality this I mean we are

3536

02:42:38,870 --> 02:42:36,180

just a few baby steps away from living

3537

02:42:40,670 --> 02:42:38,880

in that now right where you will not be

3538

02:42:43,070 --> 02:42:40,680

able to tell the difference between the

3539

02:42:44,350 --> 02:42:43,080

two that is the goal right that's the

3540

02:42:46,340 --> 02:42:44,360

goal again everybody right now

3541

02:42:48,140 --> 02:42:46,350

absolutely so if you think about

3542

02:42:50,719 --> 02:42:48,150

innocence we'll go back to program when

3543

02:42:53,660 --> 02:42:50,729

we write code right we have something

3544

02:42:57,080 --> 02:42:53,670

called source control magically source

3545

02:42:59,990 --> 02:42:57,090

control where we check in the code to

3546

02:43:02,570 --> 02:43:00,000

write so that it's stored there and can

3547

02:43:07,750 --> 02:43:02,580

be looked at later on and modified and

3548

02:43:12,920 --> 02:43:07,760

downloaded data the data ok great so in

3549

02:43:15,200 --> 02:43:12,930

humanity we have right now our source

3550

02:43:17,920 --> 02:43:15,210

control which we sometimes call the

3551

02:43:21,200 --> 02:43:17,930

Kaushik records right where you can

3552

02:43:22,969 --> 02:43:21,210

we're all life's ongoings are recorded

3553

02:43:24,890 --> 02:43:22,979

and etc what does that sound familiar to

3554

02:43:26,990 --> 02:43:24,900

big data right what's happening right

3555

02:43:28,580 --> 02:43:27,000

now we're just mimicking but we've been

3556

02:43:32,420 --> 02:43:28,590

talking through the ancients forever

3557

02:43:34,100 --> 02:43:32,430

that's right so what now if we get

3558

02:43:36,110 --> 02:43:34,110

everyone locked into and you said it the

3559

02:43:38,630 --> 02:43:36,120

virtual reality the augmented reality we

3560

02:43:40,580 --> 02:43:38,640

put on those VR glasses right and

3561

02:43:43,730 --> 02:43:40,590

everyone devotes it and we download on

3562

02:43:46,460 --> 02:43:43,740

to the system's on to the USBs and now

3563

02:43:48,650 --> 02:43:46,470

we're in that system this virtual system

3564

02:43:50,890 --> 02:43:48,660

well now they can just cut off the

3565

02:43:53,540 --> 02:43:50,900

source control the natural source

3566

02:43:55,760 --> 02:43:53,550

control and now a little sudden it's

3567

02:43:58,040 --> 02:43:55,770

like our energy has gone from one

3568

02:44:00,170 --> 02:43:58,050

battery unit which was based on the laws

3569

02:44:02,360 --> 02:44:00,180

of nature free and some higher thing

3570

02:44:04,580 --> 02:44:02,370

that just destroys anything that we can

3571

02:44:06,230 --> 02:44:04,590

do insofar as creativity and we've just

3572

02:44:06,940 --> 02:44:06,240

given it all to this other little

3573

02:44:10,060 --> 02:44:06,950

virtual

3574

02:44:13,390 --> 02:44:10,070

unit well and and but but see the reason

3575

02:44:16,240 --> 02:44:13,400

why I know that that is the future I'm

3576

02:44:19,480 --> 02:44:16,250

telling you right now if I if I was

3577

02:44:22,421 --> 02:44:19,490

worth 20 billion dollars right and I was

3578

02:44:25,301 --> 02:44:22,431

running a software company my goal is to

3579

02:44:27,881 --> 02:44:25,311

be immortal if there is a way to get my

3580

02:44:32,320 --> 02:44:27,891

brain downloaded onto a chip and I can

3581

02:44:35,200 --> 02:44:32,330

get rid of this this this meat packet

3582

02:44:36,610 --> 02:44:35,210

that I live in and live forever you

3583

02:44:38,950 --> 02:44:36,620

don't think that that's what Bill Gates

3584

02:44:41,500 --> 02:44:38,960

and Zuckerberg right now are trying to

3585

02:44:45,070 --> 02:44:41,510

figure out they they are right on the

3586

02:44:47,530 --> 02:44:45,080

cusp of that and we need we need that

3587

02:44:50,020 --> 02:44:47,540

technology if we are going to travel to

3588

02:44:53,801 --> 02:44:50,030

the stars we need to be able to exist on

3589

02:44:59,500 --> 02:44:53,811

the chip you know we will die after 50

3590

02:45:02,980 --> 02:44:59,510

years on a you know not already in the

3591

02:45:05,770 --> 02:45:02,990

physical world will die so it goes back

3592

02:45:07,930 --> 02:45:05,780

to do we really die there's the question

3593

02:45:09,970 --> 02:45:07,940

that's right do we really die now right

3594

02:45:11,650 --> 02:45:09,980

and I've had an out-of-body experience I

3595

02:45:14,290 --> 02:45:11,660

know that there's something there right

3596

02:45:17,350 --> 02:45:14,300

all right and and then like I said in

3597

02:45:17,890 --> 02:45:17,360

the in my full awakening rising up on to

3598

02:45:19,421 --> 02:45:17,900

the clip

3599

02:45:22,270 --> 02:45:19,431

there's absolutely no doubt there is

3600

02:45:24,190 --> 02:45:22,280

something there would you do it would

3601

02:45:26,530 --> 02:45:24,200

you do it if you could if you could if

3602

02:45:29,530 --> 02:45:26,540

you could live on a chip would you do it

3603

02:45:31,480 --> 02:45:29,540

right now if I can live on absolutely

3604

02:45:33,280 --> 02:45:31,490

not not knowing what I know now know it

3605

02:45:35,080 --> 02:45:33,290

because I know there is something far

3606

02:45:39,280 --> 02:45:35,090

more powerful than and what we could

3607

02:45:43,750 --> 02:45:39,290

ever hope of creating well and this the

3608

02:45:46,930 --> 02:45:43,760

let's flip this in reverse a child is

3609

02:45:53,830 --> 02:45:46,940

born right brand-new just right there in

3610

02:45:57,070 --> 02:45:53,840

them and to take that personality the

3611

02:46:03,820 --> 02:45:57,080

right that that thing download it

3612

02:46:06,850 --> 02:46:03,830

immediately onto a disk and now they are

3613

02:46:10,240 --> 02:46:06,860

going to see the world in augmented

3614

02:46:14,921 --> 02:46:10,250

reality and and live on that chip and

3615

02:46:17,140 --> 02:46:14,931

learn and progress that I'm going back

3616

02:46:19,860 --> 02:46:17,150

to the movie The Matrix right or you

3617

02:46:22,740 --> 02:46:19,870

know it's changing is that that is

3618

02:46:24,870 --> 02:46:22,750

future how do we stop that right how do

3619

02:46:27,930 --> 02:46:24,880

we stop that it's probably going on

3620

02:46:29,280 --> 02:46:27,940

right now we don't know it right well I

3621

02:46:31,500 --> 02:46:29,290

would say it is going on right now

3622

02:46:33,270 --> 02:46:31,510

because how did we download into these

3623

02:46:36,360 --> 02:46:33,280

bodies we have now that's right

3624

02:46:39,390 --> 02:46:36,370

Michio Kaku said on this show I think

3625

02:46:43,620 --> 02:46:39,400

was like four years ago he said on this

3626

02:46:47,520 --> 02:46:43,630

show that he knows a for a fact that

3627

02:46:50,310 --> 02:46:47,530

they are downloading personalities right

3628

02:46:53,970 --> 02:46:50,320

now at DARPA and and Sandia National

3629

02:46:56,540 --> 02:46:53,980

Labs now and he stopped and he's in and

3630

02:46:59,430 --> 02:46:56,550

he had said then the whole trick is

3631

02:47:03,830 --> 02:46:59,440

perfecting the interface right so brain

3632

02:47:07,860 --> 02:47:03,840

code nature code can communicate with

3633

02:47:10,650 --> 02:47:07,870

with software with computer software

3634

02:47:12,930 --> 02:47:10,660

that that that interface needs to be

3635

02:47:15,810 --> 02:47:12,940

perfected and they have done that and I

3636

02:47:18,360 --> 02:47:15,820

was and stopped me in my tracks you know

3637

02:47:21,030 --> 02:47:18,370

but of course if there's going to be an

3638

02:47:26,100 --> 02:47:21,040

evolutionary step here that is exactly

3639

02:47:30,270 --> 02:47:26,110

what needs to happen first yes and so

3640

02:47:33,000 --> 02:47:30,280

the evolution so become do we keep

3641

02:47:37,170 --> 02:47:33,010

relying on the technology and putting

3642

02:47:40,530 --> 02:47:37,180

our faith now into technology that it's

3643

02:47:42,390 --> 02:47:40,540

going to save us or as the divergence

3644

02:47:45,480 --> 02:47:42,400

are we going to come back and realize

3645

02:47:49,080 --> 02:47:45,490

our own power yeah somebody somebody's

3646

02:47:51,210 --> 02:47:49,090

just a tweeted mark says so how do you

3647

02:47:53,910 --> 02:47:51,220

enjoy your money if you're a computer

3648

02:47:55,620 --> 02:47:53,920

program right you'd hope nobody pulls

3649

02:47:57,960 --> 02:47:55,630

the plug well that's actually well

3650

02:47:59,850 --> 02:47:57,970

because it's fundamentally that's one of

3651

02:48:03,780 --> 02:47:59,860

the biggest we all know money is what

3652

02:48:06,750 --> 02:48:03,790

nothing it's nothing it's not the war

3653

02:48:09,091 --> 02:48:06,760

going on is China and Russia they broke

3654

02:48:11,520 --> 02:48:09,101

away from the banking system and their

3655

02:48:13,680 --> 02:48:11,530

gold backing all the currency so you

3656

02:48:16,230 --> 02:48:13,690

know the boys club is getting into a

3657

02:48:17,610 --> 02:48:16,240

tiff again great and then and that's now

3658

02:48:19,770 --> 02:48:17,620

we have this fight going on

3659

02:48:21,450 --> 02:48:19,780

that's not sort of mainstream you can

3660

02:48:24,450 --> 02:48:21,460

look under the covers and see it as it's

3661

02:48:26,400 --> 02:48:24,460

all happening great so their gold bag so

3662

02:48:27,841 --> 02:48:26,410

what's coming right so another thing you

3663

02:48:30,540 --> 02:48:27,851

look for remember they play on the

3664

02:48:32,580 --> 02:48:30,550

global stage so what you know if you

3665

02:48:33,511 --> 02:48:32,590

talk about gamification all gaming you

3666

02:48:37,381 --> 02:48:33,521

know what look up

3667

02:48:39,480 --> 02:48:37,391

sesame credits in in China alright and

3668

02:48:42,570 --> 02:48:39,490

you'll see what's going on they're using

3669

02:48:49,530 --> 02:48:42,580

gamification to just slowly load people

3670

02:48:51,990 --> 02:48:49,540

into a new way of controlling their or

3671

02:48:53,310 --> 02:48:52,000

policing their own kind so sesame Craig

3672

02:48:55,350 --> 02:48:53,320

everyone understands the credit system

3673

02:48:57,360 --> 02:48:55,360

you know you get credit ratings and then

3674

02:49:00,780 --> 02:48:57,370

that depends on which you can loan each

3675

02:49:02,011 --> 02:49:00,790

other this on credit system is the exact

3676

02:49:04,740 --> 02:49:02,021

same thing except for the political

3677

02:49:07,350 --> 02:49:04,750

establishment so me and Jimmy right now

3678

02:49:10,350 --> 02:49:07,360

would be like a zero factor because boy

3679

02:49:12,360 --> 02:49:10,360

did we just you know dump a lot of stuff

3680

02:49:14,671 --> 02:49:12,370

tonight against the system again so

3681

02:49:17,160 --> 02:49:14,681

we're talking to people and you're

3682

02:49:20,100 --> 02:49:17,170

talking me in and you can dot us up on

3683

02:49:21,600 --> 02:49:20,110

this little little gamified app say hope

3684

02:49:24,990 --> 02:49:21,610

these guys we're talking against the

3685

02:49:27,301 --> 02:49:25,000

system right and and you get like game

3686

02:49:29,400 --> 02:49:27,311

avoid points for it and then you get to

3687

02:49:31,740 --> 02:49:29,410

go into you know new establishments

3688

02:49:33,570 --> 02:49:31,750

right and and so I'll sense the credit

3689

02:49:35,160 --> 02:49:33,580

system but apply do everything you do in

3690

02:49:37,200 --> 02:49:35,170

your daily life of where you're allowed

3691

02:49:39,110 --> 02:49:37,210

to go and where you're not so black near

3692

02:49:41,310 --> 02:49:39,120

that first episode I don't know people

3693

02:49:43,080 --> 02:49:41,320

what's the first episode of black Muir

3694

02:49:45,150 --> 02:49:43,090

it's a really good example of what's

3695

02:49:48,690 --> 02:49:45,160

going on again everything hidden in

3696

02:49:51,230 --> 02:49:48,700

plain sight right is there so if this is

3697

02:49:55,110 --> 02:49:51,240

so it's one I always go back to so it's

3698

02:49:59,190 --> 02:49:55,120

again we're going back to against the

3699

02:50:00,240 --> 02:49:59,200

universe itself we are children so yeah

3700

02:50:02,640 --> 02:50:00,250

I have children

3701

02:50:07,560 --> 02:50:02,650

oh good you know I when I was going to

3702

02:50:10,290 --> 02:50:07,570

say was uh now how man what I was going

3703

02:50:11,910 --> 02:50:10,300

to say doesn't matter because I forgot

3704

02:50:14,310 --> 02:50:11,920

it so I'm going to hand it back to you

3705

02:50:17,400 --> 02:50:14,320

what was I going to LK what was like and

3706

02:50:19,591 --> 02:50:17,410

so here it goes but if we're if we're

3707

02:50:21,511 --> 02:50:19,601

children in this simulation and our goal

3708

02:50:23,730 --> 02:50:21,521

is to evolve to become responsible

3709

02:50:26,131 --> 02:50:23,740

adults so that we can be trusted in

3710

02:50:27,060 --> 02:50:26,141

space because we would not we doesn't

3711

02:50:28,530 --> 02:50:27,070

matter we're not going to be allowed

3712

02:50:30,150 --> 02:50:28,540

into space with our current mentality

3713

02:50:31,591 --> 02:50:30,160

could you imagine the way we treat each

3714

02:50:33,720 --> 02:50:31,601

other on this planet let alone other

3715

02:50:37,110 --> 02:50:33,730

countries etc and also then we go into

3716

02:50:39,570 --> 02:50:37,120

space and do what we do here for free

3717

02:50:42,140 --> 02:50:39,580

and all of a sudden this yes I remember

3718

02:50:45,370 --> 02:50:42,150

now yes you're exactly right and and so

3719

02:50:49,080 --> 02:50:45,380

how do we stop the man

3720

02:50:52,290 --> 02:50:49,090

from clamping down on the message write

3721

02:50:56,560 --> 02:50:52,300

everything that we need to do here you

3722

02:50:59,590 --> 02:50:56,570

myself modern masters your entire group

3723

02:51:01,480 --> 02:50:59,600

that you put together they can shut us

3724

02:51:02,290 --> 02:51:01,490

off and shut us down and make life a

3725

02:51:04,210 --> 02:51:02,300

living hell

3726

02:51:09,790 --> 02:51:04,220

very quickly and make sure that this

3727

02:51:12,070 --> 02:51:09,800

message never gets heard yep so what you

3728

02:51:15,100 --> 02:51:12,080

do it well on the ancients and this is

3729

02:51:16,210 --> 02:51:15,110

why the religious studies in the tour

3730

02:51:18,310 --> 02:51:16,220

and all that study

3731

02:51:22,060 --> 02:51:18,320

you know the Kabbalah right there that

3732

02:51:24,760 --> 02:51:22,070

that that the Kabbalah tree the upper

3733

02:51:27,910 --> 02:51:24,770

manifestation which is the Trinity there

3734

02:51:30,250 --> 02:51:27,920

are reasons that exists as a base

3735

02:51:33,130 --> 02:51:30,260

template it's up in that Trinity where

3736

02:51:35,130 --> 02:51:33,140

the rules of the game get me so long as

3737

02:51:38,290 --> 02:51:35,140

everything stays down and then lower

3738

02:51:40,510 --> 02:51:38,300

manifestation everyone's happy well so

3739

02:51:41,980 --> 02:51:40,520

far as Bill's in control it's now you

3740

02:51:44,770 --> 02:51:41,990

have to get into the Egyptian mythology

3741

02:51:46,600 --> 02:51:44,780

and start linking it with Hindu

3742

02:51:48,790 --> 02:51:46,610

mythology and see with the patterns all

3743

02:51:51,070 --> 02:51:48,800

and then you realize holy crap they're

3744

02:51:52,750 --> 02:51:51,080

all saying the same thing and then when

3745

02:51:55,030 --> 02:51:52,760

you look at the game there's duality

3746

02:51:56,560 --> 02:51:55,040

it's just balancing they're bouncing

3747

02:51:58,420 --> 02:51:56,570

back between the two pillars the left

3748

02:52:00,520 --> 02:51:58,430

and the right the left on the right it

3749

02:52:04,230 --> 02:52:00,530

doesn't get unified until the capstone

3750

02:52:08,260 --> 02:52:04,240

gets attached again that's exactly it

3751
02:52:10,179 --> 02:52:08,270
right and so what you do then find we

3752
02:52:12,940 --> 02:52:10,189
bring it into this manifestation we

3753
02:52:16,480 --> 02:52:12,950
create the capstone again and we attach

3754
02:52:18,850 --> 02:52:16,490
it ourselves right and and so that takes

3755
02:52:20,320 --> 02:52:18,860
creativity and it takes the current

3756
02:52:23,740 --> 02:52:20,330
controlling magma

3757
02:52:25,450 --> 02:52:23,750
you need to play within the game and so

3758
02:52:28,510 --> 02:52:25,460
we're talking about scientific method

3759
02:52:31,840 --> 02:52:28,520
derivative so what you create and back

3760
02:52:34,960 --> 02:52:31,850
it with the energy of the people okay is

3761
02:52:37,000 --> 02:52:34,970
a whole ear now statements we can bring

3762
02:52:40,150 --> 02:52:37,010
about this closer we can prove that

3763
02:52:43,540 --> 02:52:40,160

we're in a simulation because up until

3764

02:52:45,219 --> 02:52:43,550

the point of again that's just all

3765

02:52:48,130 --> 02:52:45,229

people talking up until the point you

3766

02:52:50,350 --> 02:52:48,140

say no we actually have the process to

3767

02:52:52,389 --> 02:52:50,360

disprove or prove this now you can no

3768

02:52:55,090 --> 02:52:52,399

longer say ah that's funny you're just a

3769

02:52:56,710 --> 02:52:55,100

bunch of you know Cracker Jacks because

3770

02:52:59,139 --> 02:52:56,720

now you've just applied the scientific

3771

02:53:02,979 --> 02:52:59,149

principles to it pregnant and

3772

02:53:05,289 --> 02:53:02,989

now okay let's prove this if we can so

3773

02:53:07,059 --> 02:53:05,299

those billionaires who wouldn't want to

3774

02:53:10,359 --> 02:53:07,069

prove it especially along must one and

3775

02:53:12,429 --> 02:53:10,369

go to Mars and Naveen investors and

3776

02:53:14,859 --> 02:53:12,439

intervene Jane wanting to go to the moon

3777

02:53:17,619 --> 02:53:14,869

SpaceX server is Richard Branson all

3778

02:53:23,289 --> 02:53:17,629

these guys if you present a valid

3779

02:53:25,599 --> 02:53:23,299

logical package to them they're going to

3780

02:53:27,010 --> 02:53:25,609

try it yeah ash because it's part of the

3781

02:53:29,499 --> 02:53:27,020

eagle it's part of the greed that's

3782

02:53:32,409 --> 02:53:29,509

right it is it's a big piece of baked

3783

02:53:34,809 --> 02:53:32,419

just think of it as fishing well and

3784

02:53:37,419 --> 02:53:34,819

they've helped us and like I said you

3785

02:53:40,809 --> 02:53:37,429

know last year when they came out with

3786

02:53:43,149 --> 02:53:40,819

this whole we're living in an artificial

3787

02:53:45,399 --> 02:53:43,159

reality scenario and started talking

3788

02:53:48,879 --> 02:53:45,409

about they did all the legwork for us

3789

02:53:52,029 --> 02:53:48,889

right there by just saying that they

3790

02:53:56,619 --> 02:53:52,039

legitimized everything you know and and

3791

02:53:58,779 --> 02:53:56,629

I was I was just so happy can thank you

3792

02:54:00,639 --> 02:53:58,789

for the conversation tonight again where

3793

02:54:03,939 --> 02:54:00,649

can everybody go and get all of the

3794

02:54:06,429 --> 02:54:03,949

information they need a divergent unity

3795

02:54:09,729 --> 02:54:06,439

that oh I do Kate up calm we can start

3796

02:54:11,379 --> 02:54:09,739

there modern masters org is another

3797

02:54:14,050 --> 02:54:11,389

where they can start entering into the

3798

02:54:16,719 --> 02:54:14,060

gaming university the debugging part of

3799

02:54:18,340 --> 02:54:16,729

it and and tomorrow alone we'll find

3800

02:54:20,229 --> 02:54:18,350

some more links yeah there you go

3801
02:54:22,059 --> 02:54:20,239
thank you so much can be safe out there

3802
02:54:26,079 --> 02:54:22,069
and I'm going to let you know you've

3803
02:54:29,739 --> 02:54:26,089
opened the door the man is watching all

3804
02:54:30,789 --> 02:54:29,749
right thank you so much again here have

3805
02:54:32,649 --> 02:54:30,799
a great night we'll see everybody

3806
02:54:36,459 --> 02:54:32,659
tomorrow night right here thank you so

3807
02:54:44,210 --> 02:54:36,469
much can and with that I am going to run

3808
02:54:52,360 --> 02:54:48,011
[Music]

3809
02:54:54,820 --> 02:54:52,370
and now for Humanity's there's option 1

3810
02:54:57,940 --> 02:54:54,830
the stands for the children the

3811
02:54:59,770 --> 02:54:57,950
indigenous the color spectrum and all

3812
02:55:05,860 --> 02:54:59,780
beings on earth who speak of

3813
02:55:08,440 --> 02:55:05,870

evolutionary reality and only p.m. once

3814

02:55:10,860 --> 02:55:08,450

the unified consciousness field of your

3815

02:55:14,680 --> 02:55:10,870

species has reached a frequency born

3816

02:55:16,930 --> 02:55:14,690

sorely of love each of you should be

3817

02:55:17,620 --> 02:55:16,940

very proud of what has been there

3818

02:55:20,290 --> 02:55:17,630

cupboard

3819

02:55:21,830 --> 02:55:20,300

for the types of elevation has not yet

3820

02:55:26,570 --> 02:55:21,840

come to pass

3821

02:55:30,830 --> 02:55:26,580

there is still much work to be done it

3822

02:55:34,580 --> 02:55:30,840

is on this day on July 25th 2017 from

3823

02:55:36,860 --> 02:55:34,590

Waterloo Ontario Canada as far as cosmic

3824

02:55:39,920 --> 02:55:36,870

news and build upon the multiverse or

3825

02:55:43,099 --> 02:55:39,930

the divine templates of life that the

3826
02:55:46,820 --> 02:55:43,109
universe or space between initiated upon

3827
02:55:48,860 --> 02:55:46,830
the human civilization of Earth has the

3828
02:55:53,030 --> 02:55:48,870
Queen's by the free will of the people

3829
02:55:55,550 --> 02:55:53,040
the Divine Mother of Earth had called

3830
02:55:59,389 --> 02:55:55,560
upon the frequencies of the illuminated

3831
02:56:02,960 --> 02:55:59,399
food dependent her own grace King those

3832
02:56:06,790 --> 02:56:02,970
we're tapped with of Ken basil thieves

3833
02:56:11,060 --> 02:56:06,800
mittens nuisance have answered the call

3834
02:56:13,580 --> 02:56:11,070
it has has been waiting the second he

3835
02:56:16,219 --> 02:56:13,590
has been found worthy to bear the burden

3836
02:56:20,080 --> 02:56:16,229
of truth a champion the beacon of life

3837
02:56:24,250 --> 02:56:20,090
for the evolution of humanity

3838
02:56:27,730 --> 02:56:24,260

a new Sun has now descended into your

3839

02:56:30,070 --> 02:56:27,740

current manifested timeline petard caste

3840

02:56:33,060 --> 02:56:30,080

we thought a charged with leading the

3841

02:56:35,860 --> 02:56:33,070

Catholics Trinity capstone once again

3842

02:56:39,160 --> 02:56:35,870

Thirteen's are being activated who has

3843

02:56:41,679 --> 02:56:39,170

the planet in great numbers rewriting

3844

02:56:44,710 --> 02:56:41,689

the rules that this current systems in

3845

02:56:48,570 --> 02:56:44,720

support of the empowerment of all people

3846

02:56:51,280 --> 02:56:48,580

of Earth not the select few the

3847

02:56:55,500 --> 02:56:51,290

singularity of your timeline is now

3848

02:56:59,730 --> 02:56:55,510

activated join the heroes of humanity

3849

02:57:02,650 --> 02:56:59,740

find your empowerment upgrade evolve

3850

02:57:10,870 --> 02:57:02,660

your journey begins with the ascended

3851
02:57:14,740 --> 02:57:10,880
masters at modern masters dot all that's

3852
02:57:17,969 --> 02:57:14,750
right and that will conclude another

3853
02:57:20,679 --> 02:57:17,979
episode of fade to black

3854
02:57:22,469 --> 02:57:20,689
man what a conversation tonight part two

3855
02:57:26,050 --> 02:57:22,479
is tomorrow night

3856
02:57:30,790 --> 02:57:26,060
fade to black executive producer is Rita

3857
02:57:33,280 --> 02:57:30,800
Kumari on shows produced by Hill Jay

3858
