

FADE TO BLACK

WITH JIMMY CHURCH

GAME CHANGER NETWORK

copyright 2017 fade to black www.jimmychurchradio.com

1
00:00:18,109 --> 00:00:14,320

[Music]

2
00:00:21,859 --> 00:00:18,119

this radio for the masses headliner

3
00:00:24,439 --> 00:00:21,869

between July 8 1947 be on the air for

4
00:00:26,529 --> 00:00:24,449

professionals been applying this - found

5
00:00:31,300 --> 00:00:26,539

and is now in the possession of viaje

6
00:00:34,160 --> 00:00:31,310

they change the game changer I

7
00:00:38,450 --> 00:00:34,170

occasionally think how quickly our

8
00:00:41,120 --> 00:00:38,460

differences worldwide would vanish if we

9
00:00:46,810 --> 00:00:41,130

were facing an alien threat from outside

10
00:00:51,630 --> 00:00:48,779

this is

11
00:00:55,090 --> 00:00:51,640

who's your host Jimmy Church on the game

12
00:00:59,550 --> 00:00:55,100

changer radio network and a GRA

13
00:00:59,560 --> 00:01:02,910

I need your help to do

14

00:01:08,399 --> 00:01:04,740

five

15

00:01:10,289 --> 00:01:08,409

[Music]

16

00:01:12,569 --> 00:01:10,299

you listening to

17

00:01:13,520 --> 00:01:12,579

with jimmy touch only game change in

18

00:01:22,530 --> 00:01:13,530

network

19

00:01:26,390 --> 00:01:22,540

[Music]

20

00:01:43,660 --> 00:01:34,690

fade to black but spoke radio for the

21

00:01:50,270 --> 00:01:43,670

masses yeah a man tonight it's Thursday

22

00:01:55,010 --> 00:01:50,280

August 31st 242 days into the new year

23

00:01:58,490 --> 00:01:55,020

just 123 days left we are live from a

24

00:02:00,290 --> 00:01:58,500

bunker somewhere in downtown Burbank

25

00:02:02,060 --> 00:02:00,300

California and I would like to welcome

26
00:02:05,030 --> 00:02:02,070
everybody listening all around the world

27
00:02:06,860 --> 00:02:05,040
all across the United States hither and

28
00:02:09,050 --> 00:02:06,870
thither to and fro back and forth up and

29
00:02:10,040 --> 00:02:09,060
down east and west north and south far

30
00:02:14,900 --> 00:02:10,050
and near

31
00:02:17,270 --> 00:02:14,910
this is fade to black for kjc are the

32
00:02:19,730 --> 00:02:17,280
game changer Network and Katy our a the

33
00:02:21,560 --> 00:02:19,740
planets I'm your host Jimmy Church what

34
00:02:24,910 --> 00:02:21,570
is cracking everybody let's do it it's

35
00:02:31,330 --> 00:02:29,229
you know fought by many to be the

36
00:02:34,440 --> 00:02:31,340
greatest night of the week here on beta

37
00:02:37,630 --> 00:02:34,450
block kind of hot hard argue with that

38
00:02:40,180 --> 00:02:37,640

because tonight it's another fader night

39

00:02:43,420 --> 00:02:40,190

with Jon Rappoport and his no more fake

40

00:02:45,760 --> 00:02:43,430

newsroom live and then of course it's

41

00:02:49,330 --> 00:02:45,770

followed by open lines all night long

42

00:02:55,509 --> 00:02:49,340

the column numbers are 3 - 3 8 - 5 5 0 4

43

00:02:58,960 --> 00:02:55,519

or 5 or 3 - 3 - 7 5 9 6 9 5 you can

44

00:03:00,190 --> 00:02:58,970

follow me on twitter @ JT radio Facebook

45

00:03:02,259 --> 00:03:00,200

YouTube you know what to do

46

00:03:03,729 --> 00:03:02,269

head over to the website click on those

47

00:03:07,570 --> 00:03:03,739

three little buttons right there follow

48

00:03:12,880 --> 00:03:07,580

like and subscribe you know I don't do

49

00:03:15,280 --> 00:03:12,890

this often I kind of I have no clue how

50

00:03:18,460 --> 00:03:15,290

many believe it or not believe it or not

51
00:03:19,809 --> 00:03:18,470
I don't know how many subscribers there

52
00:03:25,120 --> 00:03:19,819
are unspring

53
00:03:29,050 --> 00:03:25,130
I don't know and I was talking to one of

54
00:03:30,670 --> 00:03:29,060
the networks earlier this week and they

55
00:03:32,710 --> 00:03:30,680
want to get something going this is a

56
00:03:35,920 --> 00:03:32,720
new network and this is in addition to

57
00:03:38,650 --> 00:03:35,930
and it's it's it's big right and so I'm

58
00:03:41,699 --> 00:03:38,660
talking - they contacted us and said you

59
00:03:44,530 --> 00:03:41,709
know you know our VP of programming

60
00:03:46,210 --> 00:03:44,540
would like to set up a phone call and

61
00:03:48,220 --> 00:03:46,220
would like to and I said look look look

62
00:03:51,039 --> 00:03:48,230
look what is it that you want well

63
00:03:53,890 --> 00:03:51,049

anyway so as we started talking they

64

00:03:55,630 --> 00:03:53,900

were asking me and by the way yeah we

65

00:03:58,180 --> 00:03:55,640

will have that conversation next week

66

00:04:01,509 --> 00:03:58,190

it's pretty interesting it's it's just

67

00:04:05,199 --> 00:04:01,519

another extension on to the world wide

68

00:04:07,150 --> 00:04:05,209

web but it's pretty cool it's it's big

69

00:04:09,090 --> 00:04:07,160

it's corporate you know it's not

70

00:04:11,940 --> 00:04:09,100

paranormal or anything like that or

71

00:04:17,340 --> 00:04:11,950

ufo-related it isn't one of those

72

00:04:19,930 --> 00:04:17,350

networks it's it it's a big big big

73

00:04:23,050 --> 00:04:19,940

corporate conglomerate thing but anyway

74

00:04:24,490 --> 00:04:23,060

so they started asked so how many how

75

00:04:26,050 --> 00:04:24,500

many followers do you have here how many

76

00:04:28,930 --> 00:04:26,060

do you have here what are you doing here

77

00:04:34,450 --> 00:04:28,940

here here and here you know what I don't

78

00:04:36,719 --> 00:04:34,460

know I haven't checked in so long now is

79

00:04:38,549 --> 00:04:36,729

that a bad thing

80

00:04:42,420 --> 00:04:38,559

not really knowing what's going on out

81

00:04:44,459 --> 00:04:42,430

there with tuned in or iheart radio I

82

00:04:48,749 --> 00:04:44,469

mean I haven't had a conversation with

83

00:04:52,049 --> 00:04:48,759

race about numbers for two years

84

00:04:54,209 --> 00:04:52,059

probably you know I everybody just you

85

00:04:57,179 --> 00:04:54,219

know we let them do their own thing and

86

00:04:59,790 --> 00:04:57,189

and we do ours and we work together but

87

00:05:01,980 --> 00:04:59,800

but I just never really talked numbers I

88

00:05:04,649 --> 00:05:01,990

know basic things but I don't go and

89

00:05:06,929 --> 00:05:04,659

look so I just kind of bounced around I

90

00:05:11,659 --> 00:05:06,939

have no idea how many subscribers are on

91

00:05:15,779 --> 00:05:11,669

Spreaker for instance I don't know right

92

00:05:19,950 --> 00:05:15,789

once in awhile I'll check YouTube and

93

00:05:21,420 --> 00:05:19,960

kind of kept it but how many I don't

94

00:05:23,399 --> 00:05:21,430

know I don't know what's going on with

95

00:05:25,610 --> 00:05:23,409

tuned in I have no idea what the numbers

96

00:05:28,529 --> 00:05:25,620

are with talk streamline I don't know

97

00:05:32,909 --> 00:05:28,539

you know I I don't go and look and I

98

00:05:34,980 --> 00:05:32,919

don't ask and is that strange Twitter

99

00:05:36,839 --> 00:05:34,990

because we use it every day I kind of

100

00:05:40,110 --> 00:05:36,849

have a rough guesstimate you know

101
00:05:43,649 --> 00:05:40,120
somewhere between 10,000 12,000 13,000

102
00:05:47,159 --> 00:05:43,659
followers something like that and let me

103
00:05:50,399 --> 00:05:47,169
click here so Twitter today is fifteen

104
00:05:53,309 --> 00:05:50,409
thousand fifteen point five thousand

105
00:05:55,050 --> 00:05:53,319
followers on Twitter you know okay but

106
00:05:59,010 --> 00:05:55,060
but I have no idea what the numbers are

107
00:06:02,760 --> 00:05:59,020
in that Thursday and I was just kind of

108
00:06:04,170 --> 00:06:02,770
caught and they were tripping out a

109
00:06:08,879 --> 00:06:04,180
little bit like - you don't know what's

110
00:06:12,989 --> 00:06:08,889
going on honestly no all I know is our

111
00:06:14,129 --> 00:06:12,999
audience is great we love them are our

112
00:06:16,320 --> 00:06:14,139
sponsors

113
00:06:19,139 --> 00:06:16,330

love this show because our audience

114

00:06:21,089 --> 00:06:19,149

supports them so therefore there are

115

00:06:23,879 --> 00:06:21,099

numbers that are supporting everything

116

00:06:26,249 --> 00:06:23,889

coming from somewhere that's all I know

117

00:06:31,549 --> 00:06:26,259

well you know how many views have you

118

00:06:38,909 --> 00:06:35,790

isn't that bizarre I have no idea how

119

00:06:41,999 --> 00:06:38,919

many listens are things on Spreaker or

120

00:06:44,279 --> 00:06:42,009

any of those I don't know and I was

121

00:06:45,689 --> 00:06:44,289

almost a little bit embarrassed so I

122

00:06:48,389 --> 00:06:45,699

started to bounce around a little bit

123

00:06:49,750 --> 00:06:48,399

and checked and I got bored and I just

124

00:06:52,270 --> 00:06:49,760

came back to doing what

125

00:06:55,060 --> 00:06:52,280

we're doing all I can say is that's why

126

00:06:57,280 --> 00:06:55,070

I posted that that pic out on Twitter a

127

00:07:01,090 --> 00:06:57,290

few minutes ago toasting to all of you

128

00:07:03,580 --> 00:07:01,100

you guys are the absolute best and for

129

00:07:05,350 --> 00:07:03,590

me to be in a position like that where I

130

00:07:08,800 --> 00:07:05,360

go you know what I don't know but it's

131

00:07:10,570 --> 00:07:08,810

all good it's all because of you and so

132

00:07:13,150 --> 00:07:10,580

that's what that toast was for I love

133

00:07:15,490 --> 00:07:13,160

all of you guys where is that pic I want

134

00:07:18,520 --> 00:07:15,500

to look at it again yeah there it is

135

00:07:21,880 --> 00:07:18,530

that's what I'm talking about right

136

00:07:24,310 --> 00:07:21,890

there all right

137

00:07:26,050 --> 00:07:24,320

it's Thursday night I'm in the chair

138

00:07:29,050 --> 00:07:26,060

we're gonna be doing phone calls all

139

00:07:31,210 --> 00:07:29,060

night long tonight it is my favorite

140

00:07:33,160 --> 00:07:31,220

night of the week we've had just an

141

00:07:37,500 --> 00:07:33,170

amazing week on the show and last week

142

00:07:40,900 --> 00:07:37,510

the week before all great and even a

143

00:07:42,460 --> 00:07:40,910

over at coast you know I get you know

144

00:07:44,530 --> 00:07:42,470

what I do Friday nights on Coast

145

00:07:47,470 --> 00:07:44,540

Saturdays are cool Sunday's are cool

146

00:07:52,000 --> 00:07:47,480

that that's all you know it's fun it

147

00:07:57,790 --> 00:07:52,010

really is but there is nothing like open

148

00:07:59,980 --> 00:07:57,800

lines I'm the kind of guy that I'm the

149

00:08:05,560 --> 00:07:59,990

opposite of most people I go to a party

150

00:08:06,850 --> 00:08:05,570

and I mingle I talk I hopefully I'm

151
00:08:10,570 --> 00:08:06,860
gonna talk to somebody I've never met

152
00:08:13,510 --> 00:08:10,580
before and I just I worked the room I

153
00:08:16,230 --> 00:08:13,520
just enjoy being around people and for

154
00:08:18,550 --> 00:08:16,240
me it's the same thing on open lines

155
00:08:21,130 --> 00:08:18,560
taking a first-time caller is my

156
00:08:23,940 --> 00:08:21,140
absolute favorite thing well and then

157
00:08:27,910 --> 00:08:23,950
there's of course teeth from Bluefield

158
00:08:30,760 --> 00:08:27,920
but but and I mean that it is just

159
00:08:34,030 --> 00:08:30,770
awesome it's just a total fresh

160
00:08:37,870 --> 00:08:34,040
conversation of discovery boom just like

161
00:08:39,370 --> 00:08:37,880
that and you just never know it's talked

162
00:08:41,070 --> 00:08:39,380
about rolling the dice you never know

163
00:08:44,470 --> 00:08:41,080

where the Thursday is gonna bring and

164

00:08:46,420 --> 00:08:44,480

you don't know what what phone calls

165

00:08:49,450 --> 00:08:46,430

gonna come in and what great experience

166

00:08:51,670 --> 00:08:49,460

or story or sighting or friend that I'm

167

00:08:53,440 --> 00:08:51,680

gonna make that night on the air it's

168

00:08:54,310 --> 00:08:53,450

it's what Thursday nights were all about

169

00:08:56,530 --> 00:08:54,320

ah

170

00:08:58,390 --> 00:08:56,540

so anyway follow me on twitter IG a

171

00:09:01,240 --> 00:08:58,400

church radio speaking of that at J

172

00:09:02,970 --> 00:09:01,250

church radio hashtag F to B is the

173

00:09:04,800 --> 00:09:02,980

sandbox where

174

00:09:14,040 --> 00:09:04,810

everybody hangs out and everybody

175

00:09:16,980 --> 00:09:14,050

apparently is hanging out now - oh okay

176

00:09:19,470 --> 00:09:16,990

so now everybody's giving me reports on

177

00:09:24,600 --> 00:09:19,480

numbers here I don't that's not what I

178

00:09:27,240 --> 00:09:24,610

was I don't care I don't care I don't

179

00:09:28,889 --> 00:09:27,250

care I don't like looking at numbers I

180

00:09:30,750 --> 00:09:28,899

don't I don't I don't want to chase

181

00:09:34,319 --> 00:09:30,760

numbers I don't want to go man we've

182

00:09:36,569 --> 00:09:34,329

gotta figure a way to get Morna did to

183

00:09:40,350 --> 00:09:36,579

get more of this if you think about that

184

00:09:43,500 --> 00:09:40,360

well my day would be just wasted

185

00:09:46,800 --> 00:09:43,510

thinking about things like no the show

186

00:09:48,780 --> 00:09:46,810

will grow on its own organically because

187

00:09:50,639 --> 00:09:48,790

the show was cool the audience is cool

188

00:09:53,460 --> 00:09:50,649

and the word on the mouth word of the

189

00:09:57,420 --> 00:09:53,470

mouth on the street that that thing is

190

00:09:58,650 --> 00:09:57,430

what has built this show do you know you

191

00:10:02,759 --> 00:09:58,660

know we have a lot of new listeners

192

00:10:07,829 --> 00:10:02,769

right now let me say something we have

193

00:10:10,949 --> 00:10:07,839

never advertised think about that for a

194

00:10:14,689 --> 00:10:10,959

second we have never advertised never

195

00:10:17,850 --> 00:10:14,699

never paid for an ad never advertised

196

00:10:20,340 --> 00:10:17,860

everything from the very first word go

197

00:10:23,189 --> 00:10:20,350

was one listener telling another

198

00:10:27,540 --> 00:10:23,199

listener or a friend hey go check out

199

00:10:30,300 --> 00:10:27,550

this show that's that's everything that

200

00:10:33,210 --> 00:10:30,310

has been built has been built because of

201
00:10:36,150 --> 00:10:33,220
you we have never advertised we've never

202
00:10:38,759 --> 00:10:36,160
taken investment money we we've started

203
00:10:41,939 --> 00:10:38,769
it on our own dime and rode this thing

204
00:10:44,610 --> 00:10:41,949
through think about that that's trippy

205
00:10:47,550 --> 00:10:44,620
isn't it it's the exact opposite you

206
00:10:52,340 --> 00:10:47,560
know somebody starts a business a

207
00:10:54,780 --> 00:10:52,350
company an idea an app of a show

208
00:10:58,079 --> 00:10:54,790
something okay now let's go get

209
00:11:02,280 --> 00:10:58,089
investors we have an idea that's not the

210
00:11:04,439 --> 00:11:02,290
way we did this here you know never did

211
00:11:06,210 --> 00:11:04,449
it never took a dime from anybody think

212
00:11:08,819 --> 00:11:06,220
about that for a second it's the exact

213
00:11:11,100 --> 00:11:08,829

opposite of business 101 the way people

214

00:11:12,870 --> 00:11:11,110

think and we just didn't want to a give

215

00:11:14,210 --> 00:11:12,880

away control but B we didn't want to be

216

00:11:19,100 --> 00:11:14,220

in debt

217

00:11:23,180 --> 00:11:19,110

No No and now today things are good and

218

00:11:25,960 --> 00:11:23,190

we have it's all a complete pizza pie

219

00:11:29,270 --> 00:11:25,970

it's got all the ingredients of success

220

00:11:32,720 --> 00:11:29,280

but we own everything and we don't

221

00:11:36,950 --> 00:11:32,730

answer to anybody that it's it's a talk

222

00:11:38,780 --> 00:11:36,960

about finding your bliss no stress the

223

00:11:42,620 --> 00:11:38,790

stress that we have around here the

224

00:11:46,400 --> 00:11:42,630

stress is the fun stuff booking guests

225

00:11:49,910 --> 00:11:46,410

working on artwork answering email you

226

00:11:52,700 --> 00:11:49,920

know social media editing videos editing

227

00:11:55,700 --> 00:11:52,710

audio that's what we spend our days do

228

00:11:58,670 --> 00:11:55,710

but we don't stress out on avoiding

229

00:12:00,380 --> 00:11:58,680

phone calls from somebody that that gave

230

00:12:05,810 --> 00:12:00,390

us money and they want to bring on their

231

00:12:06,860 --> 00:12:05,820

best friend on the show we don't deal

232

00:12:08,060 --> 00:12:06,870

with any of that all right

233

00:12:10,310 --> 00:12:08,070

you can email throughout the show

234

00:12:12,560 --> 00:12:10,320

tonight Jimmy at Jimmy Church right I'm

235

00:12:16,670 --> 00:12:12,570

in a great mood can you tell Jimmy at

236

00:12:19,940 --> 00:12:16,680

Jimmy Church radio calm it is Labor Day

237

00:12:23,570 --> 00:12:19,950

weekend and I want everybody out there

238

00:12:25,460 --> 00:12:23,580

- absolutely blazed through the weekend

239

00:12:29,830 --> 00:12:25,470

have a great time hopefully you're

240

00:12:32,600 --> 00:12:29,840

getting a day off or two or three and

241

00:12:34,910 --> 00:12:32,610

you have the opportunity to spend it

242

00:12:38,330 --> 00:12:34,920

with friends and family and maybe cook

243

00:12:41,450 --> 00:12:38,340

some fantastic meal get plastered in the

244

00:12:43,610 --> 00:12:41,460

backyard do whatever you want to do this

245

00:12:47,600 --> 00:12:43,620

weekend but just be safe doing it and

246

00:12:49,310 --> 00:12:47,610

have fun we are I can assure you of that

247

00:12:52,970 --> 00:12:49,320

we have earned it this is the first

248

00:12:56,090 --> 00:12:52,980

weekend off we have had and as long as I

249

00:12:58,880 --> 00:12:56,100

can remember I cannot remember the last

250

00:13:02,600 --> 00:12:58,890

weekend that we have had off I I don't

251
00:13:06,530 --> 00:13:02,610
know oh I don't know I don't know when

252
00:13:08,570 --> 00:13:06,540
when that was now for those fader knots

253
00:13:12,290 --> 00:13:08,580
that were hanging out in the little

254
00:13:14,780 --> 00:13:12,300
pre-show by the way we do five minutes

255
00:13:16,520 --> 00:13:14,790
of pre-show here with the bunker cam

256
00:13:18,350 --> 00:13:16,530
every night you may not know that and

257
00:13:20,600 --> 00:13:18,360
unless you're a fait or not I talked

258
00:13:23,750 --> 00:13:20,610
about this bunker cam that's one thing

259
00:13:25,640 --> 00:13:23,760
but I do a little pre-show conversation

260
00:13:27,500 --> 00:13:25,650
five minutes before the show with

261
00:13:28,310 --> 00:13:27,510
everybody bet you didn't know that did

262
00:13:29,780 --> 00:13:28,320
you

263
00:13:31,790 --> 00:13:29,790

there are fader knots out there that

264

00:13:34,250 --> 00:13:31,800

weren't telling you that either it's

265

00:13:36,800 --> 00:13:34,260

their own little secret it's a secret no

266

00:13:39,050 --> 00:13:36,810

more so I hang out and one of the things

267

00:13:41,090 --> 00:13:39,060

before the show tonight

268

00:13:43,700 --> 00:13:41,100

you know our thoughts are with everybody

269

00:13:45,350 --> 00:13:43,710

in Texas and Louisiana and and where

270

00:13:48,770 --> 00:13:45,360

this has been going down for the last

271

00:13:51,110 --> 00:13:48,780

week it's been absolutely horrific I

272

00:13:54,770 --> 00:13:51,120

can't imagine what it's like waking up

273

00:13:57,680 --> 00:13:54,780

and then having nothing but we're coming

274

00:14:01,700 --> 00:13:57,690

together it's it's gonna it may not seem

275

00:14:04,220 --> 00:14:01,710

that way now but it's what we do okay we

276

00:14:05,990 --> 00:14:04,230

just buckle up and get it done I've been

277

00:14:10,430 --> 00:14:06,000

through my own natural disasters but

278

00:14:16,460 --> 00:14:10,440

it's not just Houston Mumbai Ontario

279

00:14:20,030 --> 00:14:16,470

Macau niger hong kong istanbul ireland

280

00:14:23,180 --> 00:14:20,040

and sierra leone and others are all

281

00:14:27,760 --> 00:14:23,190

flooded right now different points of

282

00:14:31,730 --> 00:14:27,770

the globe right it's not just Houston

283

00:14:32,990 --> 00:14:31,740

it's it's it's incredible what is going

284

00:14:35,810 --> 00:14:33,000

on around the world

285

00:14:38,750 --> 00:14:35,820

I had just posted yesterday over in

286

00:14:42,320 --> 00:14:38,760

Facebook and I and I mean this I posted

287

00:14:46,430 --> 00:14:42,330

this over on Facebook Bangladesh India

288

00:14:50,000 --> 00:14:46,440

right Nepal right now 1200 people have

289

00:14:53,210 --> 00:14:50,010

died there's a monsoon over there it is

290

00:14:57,440 --> 00:14:53,220

some of the worst monsoon rains in

291

00:15:02,860 --> 00:14:57,450

history have just gone down there 41

292

00:15:06,560 --> 00:15:02,870

million people affected right it's crazy

293

00:15:09,170 --> 00:15:06,570

so it's yes it's Houston but it's the

294

00:15:10,940 --> 00:15:09,180

rest of the world too and sometimes we

295

00:15:16,330 --> 00:15:10,950

have our blinders on in this country and

296

00:15:19,370 --> 00:15:16,340

and thankfully in in its own weird way

297

00:15:22,520 --> 00:15:19,380

it has caused us to come together and

298

00:15:25,220 --> 00:15:22,530

and get focused off of some other dark

299

00:15:27,050 --> 00:15:25,230

things that are going on not only inside

300

00:15:29,270 --> 00:15:27,060

of this country but around the world and

301

00:15:32,570 --> 00:15:29,280

we have to look at each other and

302

00:15:34,850 --> 00:15:32,580

realize that we are all just earthlings

303

00:15:40,550 --> 00:15:34,860

and I don't want to sound like some new

304

00:15:42,020 --> 00:15:40,560

AG dude from 1974 right I know with the

305

00:15:43,940 --> 00:15:42,030

pyramid over my bed

306

00:15:47,180 --> 00:15:43,950

I don't want to sound like that but it's

307

00:15:50,150 --> 00:15:47,190

really the truth it's really the truth

308

00:15:51,740 --> 00:15:50,160

so okay let's escape a little bit

309

00:15:53,120 --> 00:15:51,750

tonight and we'll be taking phone calls

310

00:15:55,400 --> 00:15:53,130

all night long

311

00:15:57,920 --> 00:15:55,410

don't forget to subscribe to our podcast

312

00:16:00,500 --> 00:15:57,930

we have over 700 archived shows over

313

00:16:03,680 --> 00:16:00,510

there custom apps Apple Android all

314

00:16:05,840 --> 00:16:03,690

platforms just \$2 per month just go over

315

00:16:08,150 --> 00:16:05,850

to Jimmy Tripps radio.com and click

316

00:16:09,920 --> 00:16:08,160

there and go to the stores that you need

317

00:16:12,680 --> 00:16:09,930

to buy the apps or get the apps the apps

318

00:16:14,720 --> 00:16:12,690

are free and then subscribe just two

319

00:16:19,640 --> 00:16:14,730

dollars a month or you could become a

320

00:16:21,140 --> 00:16:19,650

fade or not hang on quick call over in

321

00:16:22,430 --> 00:16:21,150

our membership section on the site you

322

00:16:24,110 --> 00:16:22,440

get the bunker cam that I was just

323

00:16:26,000 --> 00:16:24,120

talking about commercial free

324

00:16:29,150 --> 00:16:26,010

downloadable archives everything is

325

00:16:33,110 --> 00:16:29,160

updated every single day just like the

326

00:16:34,790 --> 00:16:33,120

podcast and if you get the game changer

327

00:16:37,670 --> 00:16:34,800

you'll get all of that fade to black

328

00:16:40,480 --> 00:16:37,680

gear autographed hats and shirts and

329

00:16:44,470 --> 00:16:40,490

stuff like that Oh a little note little

330

00:16:46,810 --> 00:16:44,480

cleaning up over the last week or so

331

00:16:51,740 --> 00:16:46,820

we've been doing a lot of shipping

332

00:16:53,420 --> 00:16:51,750

because of a few things that have

333

00:16:55,670 --> 00:16:53,430

affected you know that we were busy with

334

00:16:57,260 --> 00:16:55,680

one with you know the water heater in

335

00:17:00,200 --> 00:16:57,270

our kitchen being taken apart in

336

00:17:02,810 --> 00:17:00,210

contractors and and drying out and

337

00:17:06,860 --> 00:17:02,820

plumbers and and all of that and no

338

00:17:11,000 --> 00:17:06,870

water over at our house for almost two

339

00:17:14,060 --> 00:17:11,010

weeks that and and some other things we

340

00:17:16,370 --> 00:17:14,070

got a little bit backed up and one day

341

00:17:18,920 --> 00:17:16,380

turned into a week turned into a month

342

00:17:20,300 --> 00:17:18,930

and the next thing you know we got a

343

00:17:23,990 --> 00:17:20,310

little bit behind so we've been shipping

344

00:17:27,130 --> 00:17:24,000

over the last week and today I think the

345

00:17:29,690 --> 00:17:27,140

last of the shipments went out and then

346

00:17:33,080 --> 00:17:29,700

so it doesn't matter if your t-shirts or

347

00:17:35,780 --> 00:17:33,090

hats or or things you know I think we're

348

00:17:42,070 --> 00:17:35,790

all caught up except today we ran out of

349

00:17:45,170 --> 00:17:42,080

all things 4x t-shirts like how is that

350

00:17:50,330 --> 00:17:45,180

possible you know and and I see this

351

00:17:53,930 --> 00:17:50,340

Evan flow of runs on t-shirts you know

352

00:17:55,020 --> 00:17:53,940

some weeks we go through mediums or we

353

00:17:58,680 --> 00:17:55,030

go through large or

354

00:18:02,790 --> 00:17:58,690

I don't get it all of a sudden this last

355

00:18:06,840 --> 00:18:02,800

like three weeks it's been Forex

356

00:18:10,590 --> 00:18:06,850

t-shirts tone we went up to the Eclipse

357

00:18:13,350 --> 00:18:10,600

I sold out on Forex t-shirts like wait a

358

00:18:17,300 --> 00:18:13,360

minute here everybody wanted mediums and

359

00:18:20,420 --> 00:18:17,310

smalls and so anyway everything went out

360

00:18:24,240 --> 00:18:20,430

except for those and I think a couple of

361

00:18:26,180 --> 00:18:24,250

anyway we'll get those four axes out

362

00:18:30,210 --> 00:18:26,190

next week if you're waiting on Forex

363

00:18:32,970 --> 00:18:30,220

those will be done and in the mail to

364

00:18:36,480 --> 00:18:32,980

you next week and and again and I'm only

365

00:18:40,620 --> 00:18:36,490

bringing this up because you're the

366

00:18:42,600 --> 00:18:40,630

fader knots are so important and we have

367

00:18:45,480 --> 00:18:42,610

a great shipping company that deals with

368

00:18:47,160 --> 00:18:45,490

everything but I try to because I signed

369

00:18:48,810 --> 00:18:47,170

everything and I you know I just want to

370

00:18:51,030 --> 00:18:48,820

make sure that everything is there and I

371

00:18:53,550 --> 00:18:51,040

want everybody to be happy and to enjoy

372

00:18:55,260 --> 00:18:53,560

you've supported the show and you

373

00:18:59,010 --> 00:18:55,270

deserve your stuff in a timely fashion

374

00:19:01,440 --> 00:18:59,020

and so there you go okay I think we are

375

00:19:03,270 --> 00:19:01,450

almost there except for four exes and I

376

00:19:06,150 --> 00:19:03,280

just couldn't believe it I could not

377

00:19:08,640 --> 00:19:06,160

believe it but anyway a few days off

378

00:19:11,400 --> 00:19:08,650

from that do go to all of our sponsors

379

00:19:14,250 --> 00:19:11,410

life change t get the t.com River moon

380

00:19:16,890 --> 00:19:14,260

coffee new pharma ancient life oil

381

00:19:20,460 --> 00:19:16,900

sacred skulls and studio dome speakers

382

00:19:21,560 --> 00:19:20,470

all of these sponsors have been with us

383

00:19:23,850 --> 00:19:21,570

for a long time

384

00:19:27,810 --> 00:19:23,860

sacred skulls being the newest of course

385

00:19:30,570 --> 00:19:27,820

but the interaction that you guys have

386

00:19:33,000 --> 00:19:30,580

with all of these companies they know

387

00:19:35,400 --> 00:19:33,010

what fade to black is and they know who

388

00:19:37,350 --> 00:19:35,410

the fader dots are and they know when

389

00:19:38,690 --> 00:19:37,360

you are ordering from them and they know

390

00:19:40,290 --> 00:19:38,700

what is going on and they really

391

00:19:42,210 --> 00:19:40,300

appreciate your business

392

00:19:44,790 --> 00:19:42,220

because that turns around and reflects

393

00:19:47,880 --> 00:19:44,800

directly back on us and this is all just

394

00:19:50,310 --> 00:19:47,890

a family so thank you for supporting all

395

00:19:52,950 --> 00:19:50,320

of our sponsors all of the banners are

396

00:19:54,990 --> 00:19:52,960

over at Jimmy Church radio.com with that

397

00:19:58,840 --> 00:19:55,000

let's get this show crackin happy

398

00:20:01,340 --> 00:19:58,850

birthday today to comedian a comedian I

399

00:20:03,540 --> 00:20:01,350

[Laughter]

400

00:20:06,380 --> 00:20:03,550

can't believe that just came out of my

401
00:20:08,430 --> 00:20:06,390
mouth because wait till you hear what

402
00:20:12,970 --> 00:20:08,440
okay I'll just

403
00:20:15,220 --> 00:20:12,980
Chris Tucker today is 46 and was he

404
00:20:18,490 --> 00:20:15,230
better in barber shop or the Fifth

405
00:20:22,060 --> 00:20:18,500
Element I'm gonna see where everybody's

406
00:20:23,620 --> 00:20:22,070
butter is breaded right now well was he

407
00:20:29,070 --> 00:20:23,630
better in barber shop or the Fifth

408
00:20:31,330 --> 00:20:29,080
Element also today Van Morrison is 72

409
00:20:34,779 --> 00:20:31,340
also today

410
00:20:39,880 --> 00:20:34,789
Debbie Gibson yeah I said it I said it I

411
00:20:42,940 --> 00:20:39,890
said it Debbie Gibson today is 47 and

412
00:20:50,100 --> 00:20:42,950
I'm gonna say this before you say

413
00:20:55,450 --> 00:20:50,110

anything only in my dreams still rocks

414

00:20:59,289 --> 00:20:55,460

that song rocks and lost in your eyes is

415

00:21:04,750 --> 00:20:59,299

one of the great eighties ballads of all

416

00:21:08,830 --> 00:21:04,760

time and the 80s was full of ballads it

417

00:21:11,830 --> 00:21:08,840

was a ballad ballad decade and lost in

418

00:21:15,000 --> 00:21:11,840

your eyes it's just incredible so there

419

00:21:17,620 --> 00:21:15,010

you go I said a Debbie Gibson today is

420

00:21:21,130 --> 00:21:17,630

47 he you know I was that the heavy

421

00:21:25,840 --> 00:21:21,140

metal rocker man in the eighties and and

422

00:21:28,539 --> 00:21:25,850

I loved my rock and roll I and and only

423

00:21:31,510 --> 00:21:28,549

in my dreams that it would come on the

424

00:21:35,200 --> 00:21:31,520

radio or MTV or whatever I think I even

425

00:21:38,799 --> 00:21:35,210

had the DVD or the CD but or the tape

426
00:21:42,549 --> 00:21:38,809
the cassette and that song just grabbed

427
00:21:44,560 --> 00:21:42,559
me it was just so well written you know

428
00:21:47,230 --> 00:21:44,570
and it turns out she was the producer

429
00:21:50,649 --> 00:21:47,240
and she was the writer she won producer

430
00:21:52,810 --> 00:21:50,659
of the Year awards think about that she

431
00:21:54,700 --> 00:21:52,820
was the first singer I'm going on I I

432
00:21:58,450 --> 00:21:54,710
know way too much about Debbie Gibson

433
00:22:00,610 --> 00:21:58,460
right now but she was the first singer

434
00:22:04,990 --> 00:22:00,620
listen to this she was the first singer

435
00:22:08,980 --> 00:22:05,000
to have a number-one hit on Billboard

436
00:22:11,680 --> 00:22:08,990
that she wrote produced and performed

437
00:22:14,649 --> 00:22:11,690
she probably engineered it to think

438
00:22:16,750 --> 00:22:14,659

about that Debbie Gibson right okay

439

00:22:19,630 --> 00:22:16,760

all right enough about Debbie Gibson on

440

00:22:21,740 --> 00:22:19,640

this day in history OTD 1985 I talk

441

00:22:25,310 --> 00:22:21,750

about this all the time 19

442

00:22:25,999 --> 00:22:25,320

Richard Ramirez the notorious Night

443

00:22:29,330 --> 00:22:26,009

Stalker

444

00:22:33,649 --> 00:22:29,340

is captured and nearly beaten and killed

445

00:22:36,529 --> 00:22:33,659

by a mob beaten to death by a mob right

446

00:22:38,529 --> 00:22:36,539

here in East Los Angeles California that

447

00:22:42,379 --> 00:22:38,539

was one of the craziest summer's ever

448

00:22:45,340 --> 00:22:42,389

craziest years really and just imagine

449

00:22:47,810 --> 00:22:45,350

that every day you're waking up

450

00:22:50,180 --> 00:22:47,820

wondering you know and you wouldn't go

451

00:22:53,330 --> 00:22:50,190

out at night nobody would go out at

452

00:22:56,779 --> 00:22:53,340

night the threat of the Night Stalker it

453

00:23:00,889 --> 00:22:56,789

gripped Los Angeles and they caught him

454

00:23:03,230 --> 00:23:00,899

and they beat him down he was happy to

455

00:23:06,830 --> 00:23:03,240

see the police show up think about that

456

00:23:10,490 --> 00:23:06,840

all right fader fact Steve Jobs now this

457

00:23:13,909 --> 00:23:10,500

is a fader fact Steve Jobs got a new

458

00:23:17,330 --> 00:23:13,919

Mercedes every six months because a car

459

00:23:21,980 --> 00:23:17,340

didn't need a license plate until it was

460

00:23:25,100 --> 00:23:21,990

six months old that's right and that is

461

00:23:26,720 --> 00:23:25,110

a fader fact now tonight's another fader

462

00:23:28,159 --> 00:23:26,730

night with John Rappaport in sumer fake

463

00:23:29,749 --> 00:23:28,169

newsroom live the callin numbers of

464

00:23:32,330 --> 00:23:29,759

three two three two five five zero four

465

00:23:35,600 --> 00:23:32,340

five or three two three two seven five

466

00:23:40,009 --> 00:23:35,610

nine six nine five and I've got a few

467

00:23:41,450 --> 00:23:40,019

minutes left and I have a I'm gonna

468

00:23:41,779 --> 00:23:41,460

follow up on this throughout the show

469

00:23:44,990 --> 00:23:41,789

tonight

470

00:23:49,840 --> 00:23:45,000

Oh also and that's about Yellowstone and

471

00:23:54,470 --> 00:23:49,850

NASA and their plan to defuse

472

00:23:57,100 --> 00:23:54,480

Yellowstone right to tap into it to try

473

00:23:59,539 --> 00:23:57,110

to relieve the pressure in the caldera

474

00:24:04,820 --> 00:23:59,549

Yellowstone they don't want it to erupt

475

00:24:07,009 --> 00:24:04,830

NASA so I've got that and now that I've

476
00:24:08,840 --> 00:24:07,019
kind of got that out of the way if you

477
00:24:10,970 --> 00:24:08,850
get into the details of numerous

478
00:24:18,379 --> 00:24:10,980
articles that have popped up all over

479
00:24:19,759 --> 00:24:18,389
the net with NASA it's it's not science

480
00:24:21,529 --> 00:24:19,769
even though that's the way they're

481
00:24:25,220 --> 00:24:21,539
trying to it's more like science fiction

482
00:24:28,639 --> 00:24:25,230
it seriously if you think about any of

483
00:24:32,690 --> 00:24:28,649
the Bruce Willis movies of him landing

484
00:24:35,730 --> 00:24:32,700
on some remote asteroid right it's kind

485
00:24:37,500 --> 00:24:35,740
of like that is it possible

486
00:24:39,870 --> 00:24:37,510
well no it is not so I've got that

487
00:24:43,260 --> 00:24:39,880
broken down here too I mean is it a

488
00:24:45,260 --> 00:24:43,270

volcanic threat and there are other

489

00:24:51,510 --> 00:24:45,270

volcanoes right here in California

490

00:24:55,650 --> 00:24:51,520

Oregon Washington that that are serious

491

00:24:59,100 --> 00:24:55,660

threats those could blow at any time not

492

00:25:00,930 --> 00:24:59,110

so much with Yellowstone and and I've

493

00:25:03,840 --> 00:25:00,940

got some facts here and I do want to get

494

00:25:05,040 --> 00:25:03,850

into that also throughout the show

495

00:25:07,410 --> 00:25:05,050

tonight this is what I want to do I'm

496

00:25:10,680 --> 00:25:07,420

going to bring in John Rappaport here in

497

00:25:15,330 --> 00:25:10,690

a second but throughout the show tonight

498

00:25:18,690 --> 00:25:15,340

I have an entire list of crazy facts

499

00:25:22,799 --> 00:25:18,700

that you don't know if they are true or

500

00:25:25,710 --> 00:25:22,809

not now what do I mean by that well

501
00:25:29,850 --> 00:25:25,720
you're gonna find out and so as the

502
00:25:32,880 --> 00:25:29,860
phone calls come in I have I'm gonna do

503
00:25:36,660 --> 00:25:32,890
like a factor fate you know is it BS or

504
00:25:39,330 --> 00:25:36,670
not and I don't know what I'm gonna do

505
00:25:42,060 --> 00:25:39,340
with it I don't know if you guys are

506
00:25:45,930 --> 00:25:42,070
smart enough to figure out through this

507
00:25:49,320 --> 00:25:45,940
and if you are smart and you can figure

508
00:25:51,390 --> 00:25:49,330
some of these out then do I give

509
00:25:53,910 --> 00:25:51,400
something away or let's go to the next

510
00:25:56,220 --> 00:25:53,920
level what happens if I bust through 30

511
00:25:58,410 --> 00:25:56,230
of these and everybody gets them right

512
00:26:00,960 --> 00:25:58,420
and shows me how smart you are

513
00:26:06,049 --> 00:26:00,970

does that mean I have to send out 30

514

00:26:08,580 --> 00:26:06,059

bucks 30 t-shirts and and what what cost

515

00:26:10,350 --> 00:26:08,590

invested thousand dollars into the fader

516

00:26:12,540 --> 00:26:10,360

nas tonight well you know what I

517

00:26:15,180 --> 00:26:12,550

appreciate all of you so let's play this

518

00:26:16,890 --> 00:26:15,190

one out have a good time tonight it's

519

00:26:19,950 --> 00:26:16,900

going to be a great show I'm looking

520

00:26:24,210 --> 00:26:19,960

forward to talking with all of you going

521

00:26:25,860 --> 00:26:24,220

back to this Yellowstone thing I'm gonna

522

00:26:28,560 --> 00:26:25,870

cover this throughout the show and I'm

523

00:26:32,610 --> 00:26:28,570

gonna give you pieces of this but what

524

00:26:33,210 --> 00:26:32,620

NASA has up their sleeves is crazy it's

525

00:26:35,970 --> 00:26:33,220

nuts

526

00:26:39,360 --> 00:26:35,980

and the more that I think about it and

527

00:26:42,120 --> 00:26:39,370

and harp and technology and weather

528

00:26:44,820 --> 00:26:42,130

manipulation and the fact that there may

529

00:26:48,600 --> 00:26:44,830

be technology out there to go and do

530

00:26:49,440 --> 00:26:48,610

things like drill five miles under the

531

00:26:53,190 --> 00:26:49,450

ground and

532

00:26:58,019 --> 00:26:53,200

get to the magma layer of Yellowstone

533

00:27:00,509 --> 00:26:58,029

and somehow fix that a the the talk of

534

00:27:02,970 --> 00:27:00,519

it this is one thing but let me let me

535

00:27:06,750 --> 00:27:02,980

express something here very clearly the

536

00:27:09,029 --> 00:27:06,760

size of what is down there is bigger

537

00:27:12,659 --> 00:27:09,039

than anything you have ever thought of

538

00:27:14,879 --> 00:27:12,669

in your life it's not that simple

539

00:27:15,629 --> 00:27:14,889

it is a crazy story so with that let's

540

00:27:17,519 --> 00:27:15,639

get out of here

541

00:27:19,379 --> 00:27:17,529

let's bring in Jon Rappoport and there's

542

00:27:21,629 --> 00:27:19,389

no more fake newsroom live this is fade

543

00:27:23,970 --> 00:27:21,639

to black it's Thursday night it is

544

00:27:25,529 --> 00:27:23,980

Fator night open lines all night long

545

00:27:27,930 --> 00:27:25,539

three two three eight to five five zero

546

00:27:30,389 --> 00:27:27,940

four or five or three two three two

547

00:27:32,370 --> 00:27:30,399

seven five nine six nine five I'm your

548

00:27:35,789 --> 00:27:32,380

host Jimmy Church follow me on Twitter

549

00:27:38,340 --> 00:27:35,799

at J Radio email is Jimmy at Timmy

550

00:27:42,000 --> 00:27:38,350

Church radio calm I'm the game changer

551
00:27:44,970 --> 00:27:42,010
network and cagey are a the planet we'll

552
00:27:45,700 --> 00:27:44,980
be right back with Jon Rappoport stay

553
00:28:13,539 --> 00:27:45,710
with us

554
00:28:18,290 --> 00:28:16,580
you're listening to Jimmy Church fade to

555
00:28:19,930 --> 00:28:18,300
black

556
00:28:22,909 --> 00:28:19,940
[Music]

557
00:28:26,419 --> 00:28:22,919
fade to black will now pause for aided

558
00:28:34,159 --> 00:28:26,429
identification the station that talks

559
00:28:36,799 --> 00:28:34,169
that jgr a radio when you take the beams

560
00:28:39,379 --> 00:28:36,809
from Central America with dashes of

561
00:28:41,779 --> 00:28:39,389
indonesian and african mixed in and then

562
00:28:42,080 --> 00:28:41,789
roasted to the dark side of fade to

563
00:28:45,700 --> 00:28:42,090

black

564

00:28:48,680 --> 00:28:45,710

you create the ultimate brew of fringe

565

00:28:51,859 --> 00:28:48,690

introducing the fade to black blend from

566

00:28:55,009 --> 00:28:51,869

river moon coffee yes river moon's

567

00:28:55,789 --> 00:28:55,019

darkest customized roast was created for

568

00:28:59,419 --> 00:28:55,799

the love of

569

00:29:01,940 --> 00:28:59,429

fade to black the alchemy of masterful

570

00:29:05,180 --> 00:29:01,950

roasting and smoking the beans is in

571

00:29:09,409 --> 00:29:05,190

every sip of this full-bodied dark java

572

00:29:11,720 --> 00:29:09,419

I need my coffee dog deep with distinct

573

00:29:14,450 --> 00:29:11,730

bittersweet chocolate highlights just

574

00:29:16,879 --> 00:29:14,460

like the bunker leaning further into the

575

00:29:20,149 --> 00:29:16,889

darkness of the roast is fade to black

576

00:29:21,830 --> 00:29:20,159

blend from river moon coffee just click

577

00:29:25,129 --> 00:29:21,840

on the banner at Jimmy Church radio.com

578

00:29:27,799 --> 00:29:25,139

and use the promo code F to B blend for

579

00:29:31,549 --> 00:29:27,809

15% off of your order today

580

00:29:34,340 --> 00:29:31,559

go back Lee chappie hi folks

581

00:29:36,529 --> 00:29:34,350

let's win the clocks back 60 years food

582

00:29:38,599 --> 00:29:36,539

was different food provided health and

583

00:29:40,999 --> 00:29:38,609

nutrition and using supplements was

584

00:29:42,950 --> 00:29:41,009

minimal unfortunately now we have

585

00:29:45,769 --> 00:29:42,960

chemicals GMOs herbicides and pesticides

586

00:29:47,810 --> 00:29:45,779

that can be quite lethal in the name of

587

00:29:49,759 --> 00:29:47,820

our food supply and of course the ever

588

00:29:51,529 --> 00:29:49,769

loving dollar supplementing our diets

589

00:29:53,960 --> 00:29:51,539

can be very important to stay healthy

590

00:29:54,349 --> 00:29:53,970

cleansing from daily intruders to the

591

00:29:56,840 --> 00:29:54,359

body

592

00:29:57,409 --> 00:29:56,850

might be critical live strong and take

593

00:30:00,139 --> 00:29:57,419

charge

594

00:30:02,419 --> 00:30:00,149

log on to get the t.com our herbal tea

595

00:30:04,279 --> 00:30:02,429

is a great way to cleanse from intruders

596

00:30:06,919 --> 00:30:04,289

our supplements is a great way to

597

00:30:09,529 --> 00:30:06,929

maintain and improve your health when

598

00:30:12,710 --> 00:30:09,539

your health is not up to par go to get

599

00:30:15,590 --> 00:30:12,720

that t.com no GMOs no fillers and

600

00:30:18,019 --> 00:30:15,600

organic and very helpful in keeping you

601
00:30:21,440 --> 00:30:18,029
at the top of your game life is too

602
00:30:22,159 --> 00:30:21,450
short to feel you know what I mean stay

603
00:30:24,480 --> 00:30:22,169
in the game

604
00:30:28,830 --> 00:30:24,490
at the top of your game with get the

605
00:30:32,610 --> 00:30:28,840
Icom that's get the t-dot-com again get

606
00:30:37,169 --> 00:30:32,620
the t.com nine out of ten geneticists

607
00:30:42,570 --> 00:30:37,179
agreed fade to black

608
00:30:46,950 --> 00:30:42,580
is not your father's radio show on the

609
00:30:53,310 --> 00:30:46,960
game changer radio network and k GRA the

610
00:30:54,930 --> 00:30:53,320
planet with KCRA this summer tickets and

611
00:30:57,090 --> 00:30:54,940
hotel accommodations to the biggest

612
00:30:59,310 --> 00:30:57,100
conferences autographed books and DVDs

613
00:31:01,320 --> 00:30:59,320

chances to win all-inclusive conference

614

00:31:04,710 --> 00:31:01,330

cruises and private dinners with your

615

00:31:07,350 --> 00:31:04,720

favorite kgr a hosts click the contest

616

00:31:09,480 --> 00:31:07,360

to have a kg ra radio.com for your

617

00:31:11,610 --> 00:31:09,490

chance to win big this summer your

618

00:31:19,080 --> 00:31:11,620

contact for the best alternative talk

619

00:31:23,680 --> 00:31:21,880

hi this is Rob Reiner from anvil and

620

00:31:36,669 --> 00:31:23,690

you're listening to Jimmy's YouTube

621

00:31:39,789 --> 00:31:36,679

radio calm Church radio and now coming

622

00:31:42,520 --> 00:31:39,799

to you from the no more fake newsroom in

623

00:31:45,130 --> 00:31:42,530

deep space which is the space that we

624

00:31:46,990 --> 00:31:45,140

suspect to be true that the world as it

625

00:31:49,900 --> 00:31:47,000

is fed to us every day by the Ministry

626
00:31:51,880 --> 00:31:49,910
of Truth is a lie of false reality a

627
00:31:54,070 --> 00:31:51,890
movie projected on the screen of our

628
00:31:56,260 --> 00:31:54,080
subconscious this however is the

629
00:31:58,330 --> 00:31:56,270
breakout all the screens crash they all

630
00:31:59,470 --> 00:31:58,340
go down and we see the light of day a

631
00:32:02,830 --> 00:31:59,480
new day

632
00:32:05,530 --> 00:32:02,840
no more androids no more robots it's the

633
00:32:09,820 --> 00:32:05,540
no more fake newsroom with Jon Rappoport

634
00:32:16,810 --> 00:32:09,830
take it away Jon Thank You Jimmy thank

635
00:32:19,000 --> 00:32:16,820
you good to be here folks so I put an

636
00:32:23,110 --> 00:32:19,010
article up at no more fake news this

637
00:32:26,620 --> 00:32:23,120
week got lots of comments seems to have

638
00:32:28,870 --> 00:32:26,630

gotten out there quite a bit so I want

639

00:32:32,830 --> 00:32:28,880

to read some sections from it to you you

640

00:32:38,770 --> 00:32:32,840

can file this one under forgotten

641

00:32:42,820 --> 00:32:38,780

history repressed history the history

642

00:32:45,610 --> 00:32:42,830

you're not supposed to know the headline

643

00:32:50,260 --> 00:32:45,620

on the article was Anthony Sutton skull

644

00:32:52,720 --> 00:32:50,270

and bones Hitler the Bush family and I

645

00:32:56,560 --> 00:32:52,730

will read some sections and maybe make a

646

00:33:00,730 --> 00:32:56,570

few comments here the prodigious author

647

00:33:04,570 --> 00:33:00,740

and researcher Anthony Sutton 1925 2002

648

00:33:09,010 --> 00:33:04,580

to 2002 brought about hidden men behind

649

00:33:12,220 --> 00:33:09,020

momentous events I recently came across

650

00:33:15,310 --> 00:33:12,230

a 1999 interview with Sutton conducted

651
00:33:19,120 --> 00:33:15,320
by Chris Milligan researcher and head of

652
00:33:23,220 --> 00:33:19,130
trying day publishers this is what

653
00:33:27,220 --> 00:33:23,230
Milligan wrote about Sutton in 1999

654
00:33:29,910 --> 00:33:27,230
Anthony C Sutton 74 has been persecuted

655
00:33:32,640 --> 00:33:29,920
but never prosecuted for his research

656
00:33:35,150 --> 00:33:32,650
and subsequent publishing of his finding

657
00:33:38,370 --> 00:33:35,160
misses mainstream career was shattered

658
00:33:42,690 --> 00:33:38,380
by his devotion toward uncovering the

659
00:33:45,060 --> 00:33:42,700
truth in 1968 his book Western

660
00:33:46,920 --> 00:33:45,070
technology and Soviet economic

661
00:33:50,640 --> 00:33:46,930
development was published by the Hoover

662
00:33:52,430 --> 00:33:50,650
Institute of Stanford University sutton

663
00:33:55,340 --> 00:33:52,440

showed how the Soviet states

664

00:33:58,320 --> 00:33:55,350

technological and manufacturing base

665

00:34:00,540 --> 00:33:58,330

which was then engaged in supplying the

666

00:34:03,720 --> 00:34:00,550

North Vietnamese the armaments and

667

00:34:07,370 --> 00:34:03,730

supplies to kill and wound American

668

00:34:12,960 --> 00:34:07,380

soldiers was built by US firms and

669

00:34:15,510 --> 00:34:12,970

mostly paid for by the US taxpayers from

670

00:34:18,330 --> 00:34:15,520

their largest steel and iron plant to

671

00:34:20,960 --> 00:34:18,340

automobile manufacturing equipment to

672

00:34:23,520 --> 00:34:20,970

precision ball bearings and computers

673

00:34:26,940 --> 00:34:23,530

basically the majority of the Soviets

674

00:34:29,630 --> 00:34:26,950

large industrial enterprises had been

675

00:34:34,200 --> 00:34:29,640

built with the United States help or

676
00:34:36,120 --> 00:34:34,210
technical assistance then someone sent

677
00:34:39,659 --> 00:34:36,130
Anthony a membership list of

678
00:34:41,930 --> 00:34:39,669
skullenbones and quote a picture jumped

679
00:34:44,970 --> 00:34:41,940
out and what a picture a

680
00:34:47,880 --> 00:34:44,980
multi-generational foreign-based secret

681
00:34:51,200 --> 00:34:47,890
society with fingers and all kinds of

682
00:34:57,030 --> 00:34:51,210
pies and roots going back to Illuminati

683
00:35:01,050 --> 00:34:57,040
influences in 1830s Germany the

684
00:35:06,260 --> 00:35:01,060
implication there is that Sutton made

685
00:35:10,800 --> 00:35:06,270
connections between these US enterprises

686
00:35:14,490 --> 00:35:10,810
that had built basically the Soviets

687
00:35:20,490 --> 00:35:14,500
industrial enterprises and Skull and

688
00:35:24,480 --> 00:35:20,500

Bones so a few excerpts from the

689

00:35:29,340 --> 00:35:24,490

interview just scrolling down here

690

00:35:31,770 --> 00:35:29,350

looking here did any of Hitler's

691

00:35:33,720 --> 00:35:31,780

economic policies threaten the interests

692

00:35:35,610 --> 00:35:33,730

of the international bankers and if so

693

00:35:39,270 --> 00:35:35,620

does that play a role in his downfall

694

00:35:42,630 --> 00:35:39,280

and Sutton says Hitler's economic

695

00:35:44,300 --> 00:35:42,640

policies were okayed by the bankers

696

00:35:47,280 --> 00:35:44,310

right through the war

697

00:35:50,960 --> 00:35:47,290

ITT chase Texaco and others were

698

00:35:55,109 --> 00:35:50,970

operating in Nazi held France as late as

699

00:35:58,710 --> 00:35:55,119

1945 in fact chase in Paris was trying

700

00:36:02,849 --> 00:35:58,720

to acquire Nazi accounts bank accounts

701
00:36:05,880 --> 00:36:02,859
as late as 1944 when we got to Germany

702
00:36:08,640 --> 00:36:05,890
in May 1945 I remember seeing a bombed

703
00:36:10,920 --> 00:36:08,650
out Woolworths store in Hamburg and

704
00:36:15,750 --> 00:36:10,930
thinking what's world worth doing in

705
00:36:18,359 --> 00:36:15,760
Nazi Germany while we were bombed and

706
00:36:22,080 --> 00:36:18,369
shelled it was business as usual for big

707
00:36:24,750 --> 00:36:22,090
business Union Banking Corporation is

708
00:36:26,460 --> 00:36:24,760
very important and then Sutton goes on

709
00:36:30,540 --> 00:36:26,470
to describe how he made a documentary

710
00:36:32,480 --> 00:36:30,550
for Dutch national TV years ago got all

711
00:36:36,690 --> 00:36:32,490
the way through the production process

712
00:36:39,839 --> 00:36:36,700
at the last minute it was pulled never

713
00:36:46,430 --> 00:36:39,849

shown and he says this documentary has

714

00:36:50,730 --> 00:36:46,440

proof of Bush financing Hitler documents

715

00:36:53,120 --> 00:36:50,740

etc and you'll see links in my article

716

00:36:57,089 --> 00:36:53,130

at no more fake news actually somebody

717

00:37:00,900 --> 00:36:57,099

long after this interview was done it

718

00:37:04,890 --> 00:37:00,910

did in fact post part 1 and part 2 of

719

00:37:09,540 --> 00:37:04,900

the Dutch TV special which you can look

720

00:37:15,870 --> 00:37:09,550

at so he goes on about the Dutch

721

00:37:18,900 --> 00:37:15,880

business and he Sutton says I saw

722

00:37:21,900 --> 00:37:18,910

extracts from the original Dutch TV

723

00:37:24,359 --> 00:37:21,910

program and is a good professional job

724

00:37:27,900 --> 00:37:24,369

they had documents linking Bush family

725

00:37:30,390 --> 00:37:27,910

and other Skull and Bones members to

726

00:37:33,329 --> 00:37:30,400

financing Hitler through Union banking

727

00:37:40,230 --> 00:37:33,339

of New York and it's Dutch correspondent

728

00:37:43,079 --> 00:37:40,240

Bank getting a picture here now here is

729

00:37:45,270 --> 00:37:43,089

a telling that's all that I'll read in

730

00:37:47,760 --> 00:37:45,280

the interview here's a telling Antony

731

00:37:53,849 --> 00:37:47,770

Sutton quote from his book the best

732

00:37:57,300 --> 00:37:53,859

enemy money can buy 1986 by using data

733

00:37:58,030 --> 00:37:57,310

of Russian origin it is possible to make

734

00:37:59,890 --> 00:37:58,040

an accurate

735

00:38:02,830 --> 00:37:59,900

analysis of the origins of this

736

00:38:04,750 --> 00:38:02,840

equipment it was found that all the main

737

00:38:08,830 --> 00:38:04,760

diesel and steam turbine propulsion

738

00:38:11,260 --> 00:38:08,840

systems of the 96 Soviet ships on the

739

00:38:16,140 --> 00:38:11,270

Haiphong supply run to the North

740

00:38:20,440 --> 00:38:16,150

Vietnamese North Vietnamese Vietnamese

741

00:38:24,190 --> 00:38:20,450

whew that could be identified that is 84

742

00:38:26,980 --> 00:38:24,200

out of the 96 originated in design or

743

00:38:30,220 --> 00:38:26,990

construction outside the USSR we can

744

00:38:32,830 --> 00:38:30,230

conclude therefore that if the US State

745

00:38:36,250 --> 00:38:32,840

and commerce departments in the 1950s

746

00:38:39,280 --> 00:38:36,260

and 60s had consistently enforced the

747

00:38:41,980 --> 00:38:39,290

legislation passed by Congress in 1949

748

00:38:46,320 --> 00:38:41,990

the Soviets would not have had the

749

00:38:49,170 --> 00:38:46,330

ability to supply the Vietnamese War and

750

00:38:53,940 --> 00:38:49,180

50,000 more Americans and countless

751
00:38:59,710 --> 00:38:56,770
Sutton goes on who were the government

752
00:39:03,250 --> 00:38:59,720
officials responsible for this transfer

753
00:39:05,770 --> 00:39:03,260
of known military technology the concept

754
00:39:09,520 --> 00:39:05,780
originally came from National Security

755
00:39:12,670 --> 00:39:09,530
Advisor Henry Kissinger who reportedly

756
00:39:16,030 --> 00:39:12,680
sold President Nixon on the idea get

757
00:39:20,310 --> 00:39:16,040
this that giving military technology to

758
00:39:25,660 --> 00:39:20,320
the Soviets would temper their global

759
00:39:29,890 --> 00:39:25,670
territorial ambitions temper as in put a

760
00:39:32,650 --> 00:39:29,900
damper on Sutton says how Henry arrived

761
00:39:35,200 --> 00:39:32,660
at this gigantic non sequitur is not

762
00:39:37,930 --> 00:39:35,210
known sufficient to state that he

763
00:39:40,930 --> 00:39:37,940

aroused considerable concern over his

764

00:39:43,840 --> 00:39:40,940

motivations not least that Henry had

765

00:39:47,470 --> 00:39:43,850

been a paid family employee of the

766

00:39:50,470 --> 00:39:47,480

Rockefellers since 1958 and has served

767

00:39:53,010 --> 00:39:50,480

as an International Advisory Committee

768

00:39:59,560 --> 00:39:53,020

chairman of the Chase Manhattan Bank a

769

00:40:01,870 --> 00:39:59,570

rockefeller concern and then I write if

770

00:40:04,480 --> 00:40:01,880

you think such traitorous actions could

771

00:40:08,770 --> 00:40:04,490

never have occurred I point you to

772

00:40:11,920 --> 00:40:08,780

another researcher Charles Higham high H

773

00:40:15,640 --> 00:40:11,930

am and is 1983 classic

774

00:40:18,849 --> 00:40:15,650

trading with the enemy Haiyan focuses on

775

00:40:21,039 --> 00:40:18,859

world war two the men behind the curtain

776

00:40:23,680 --> 00:40:21,049

hi I'm exposed are in the same basic

777

00:40:27,400 --> 00:40:23,690

group that Anthony Sutton exposed and

778

00:40:32,200 --> 00:40:27,410

here is a quote devastating from trading

779

00:40:33,849 --> 00:40:32,210

with the enemy what would have happened

780

00:40:37,000 --> 00:40:33,859

if millions of American and British

781

00:40:39,670 --> 00:40:37,010

people struggling with coupons and lines

782

00:40:43,390 --> 00:40:39,680

at the gas stations had learned that a

783

00:40:46,359 --> 00:40:43,400

1942 Standard Oil of New Jersey part of

784

00:40:49,599 --> 00:40:46,369

the Rockefeller Empire managers shipped

785

00:40:51,849 --> 00:40:49,609

the enemy's Germany's fuel through

786

00:40:56,319 --> 00:40:51,859

neutral Switzerland and that the enemy

787

00:40:58,210 --> 00:40:56,329

Germany was shipping Allied fuel suppose

788

00:41:01,779 --> 00:40:58,220

the public had discovered that the Chase

789

00:41:04,480 --> 00:41:01,789

Bank in Nazi occupied Paris after Pearl

790

00:41:06,670 --> 00:41:04,490

Harbor was doing millions of dollars

791

00:41:08,589 --> 00:41:06,680

worth of business with the enemy Germany

792

00:41:11,019 --> 00:41:08,599

with the full knowledge of the head

793

00:41:13,750 --> 00:41:11,029

office in Manhattan the Rockefeller

794

00:41:15,250 --> 00:41:13,760

family among others or that Ford trucks

795

00:41:17,710 --> 00:41:15,260

were being built for the German

796

00:41:20,319 --> 00:41:17,720

occupation troops in France with

797

00:41:24,789 --> 00:41:20,329

authorization from Dearborn Michigan or

798

00:41:27,510 --> 00:41:24,799

that Colonel Sosthenes been the head of

799

00:41:31,870 --> 00:41:27,520

the International American Telephone and

800

00:41:34,660 --> 00:41:31,880

conglomerate ITT flew from New York to

801
00:41:37,440 --> 00:41:34,670
Madrid to burn in Switzerland during the

802
00:41:40,660 --> 00:41:37,450
war to help improve Hitler's

803
00:41:44,319 --> 00:41:40,670
communication systems and improve the

804
00:41:48,609 --> 00:41:44,329
robot bombs that devastated London or

805
00:41:51,160 --> 00:41:48,619
that ITT built the [h__\h] vaults that

806
00:41:54,160 --> 00:41:51,170
dropped bombs on British and American

807
00:41:56,230 --> 00:41:54,170
troops or that crucial ball bearings

808
00:41:58,900 --> 00:41:56,240
were shipped to Nazi Associated

809
00:42:01,299 --> 00:41:58,910
customers in Latin America with the

810
00:42:05,099 --> 00:42:01,309
collusion of the vice chairman of the US

811
00:42:09,370 --> 00:42:05,109
war production board in partnership with

812
00:42:12,450 --> 00:42:09,380
Henry Herman Goering 's cousin one of

813
00:42:15,730 --> 00:42:12,460

Hitler's main lieutenants in

814

00:42:18,670 --> 00:42:15,740

Philadelphia when American forces were

815

00:42:22,210 --> 00:42:18,680

desperately short of these ball bearings

816

00:42:23,920 --> 00:42:22,220

or that such arrangements were known

817

00:42:25,190 --> 00:42:23,930

about in Washington and either

818

00:42:32,270 --> 00:42:25,200

sanctioned

819

00:42:34,579 --> 00:42:32,280

or deliberately ignored yes indeedy

820

00:42:36,710 --> 00:42:34,589

and now if I can do this little

821

00:42:41,870 --> 00:42:36,720

switcheroo here I will go to another

822

00:42:46,460 --> 00:42:41,880

article similar from no more fake news

823

00:42:49,370 --> 00:42:46,470

last week called forgotten history us

824

00:42:55,339 --> 00:42:49,380

bankers financing us enemies and why is

825

00:42:59,150 --> 00:42:55,349

important now and I reference a 1971

826

00:43:02,960 --> 00:42:59,160

book which became a million or several

827

00:43:05,470 --> 00:43:02,970

million seller underground by Gary Allen

828

00:43:10,849 --> 00:43:05,480

called none dare call it conspiracy I

829

00:43:13,640 --> 00:43:10,859

recommend it highly his thesis was stark

830

00:43:18,620 --> 00:43:13,650

the super-rich American capitalists were

831

00:43:20,720 --> 00:43:18,630

financing socialism this bizarre paradox

832

00:43:23,690 --> 00:43:20,730

was resolved when socialism was properly

833

00:43:24,370 --> 00:43:23,700

understood not as quote power to the

834

00:43:34,339 --> 00:43:24,380

people

835

00:43:36,440 --> 00:43:34,349

other words as a hoax so now I quote

836

00:43:39,859 --> 00:43:36,450

from Chapter six of none dare call it

837

00:43:44,240 --> 00:43:39,869

conspiracy the Rockefellers and the Reds

838

00:43:46,700 --> 00:43:44,250

and this is a comment on the period just

839

00:43:52,039 --> 00:43:46,710

after the Russian Communist revolution

840

00:43:55,490 --> 00:43:52,049

of 1917 the Rockefellers assigned their

841

00:43:57,319 --> 00:43:55,500

public relations agent Ivy Lee to sell

842

00:43:59,329 --> 00:43:57,329

the American public the idea that the

843

00:44:01,690 --> 00:43:59,339

Bolsheviks were merely misunderstood

844

00:44:05,900 --> 00:44:01,700

idealists who were actually kind

845

00:44:08,210 --> 00:44:05,910

benefactors of men of mankind professor

846

00:44:10,549 --> 00:44:08,220

Anthony Sutton of Stanford University's

847

00:44:13,010 --> 00:44:10,559

Hoover Institution notes and is highly

848

00:44:15,640 --> 00:44:13,020

authoritative Western technology and

849

00:44:18,980 --> 00:44:15,650

Soviet economic development and now

850

00:44:21,440 --> 00:44:18,990

we're quoting Sutton again quite

851
00:44:22,940 --> 00:44:21,450
predictably Ivy Lee concludes that the

852
00:44:27,799 --> 00:44:22,950
Communist problem is merely

853
00:44:29,780 --> 00:44:27,809
psychological there all right he

854
00:44:32,390 --> 00:44:29,790
suggested the US should not engage in

855
00:44:35,630 --> 00:44:32,400
propaganda makes a plea for peaceful

856
00:44:37,829 --> 00:44:35,640
coexistence etc etc etc and advanced

857
00:44:40,170 --> 00:44:37,839
credit give loans

858
00:44:44,160 --> 00:44:40,180
to the Russians that's just the

859
00:44:46,259 --> 00:44:44,170
beginning of this nightmare the Sutton

860
00:44:48,930 --> 00:44:46,269
continues after the Bolshevik Revolution

861
00:44:54,150 --> 00:44:48,940
Standard Oil of New Jersey rockefeller

862
00:44:57,269 --> 00:44:54,160
bought 50% of nobles huge caucuses oil

863
00:44:59,789 --> 00:44:57,279

fields in the Soviet Union even though

864

00:45:04,289 --> 00:44:59,799

the property had theoretically been

865

00:45:05,160 --> 00:45:04,299

nationalized by Russia in 1927 Standard

866

00:45:07,559 --> 00:45:05,170

Oil of New York

867

00:45:09,569 --> 00:45:07,569

Rockefeller built a refinery in Russia

868

00:45:13,589 --> 00:45:09,579

thereby helping the Bolsheviks put their

869

00:45:16,109 --> 00:45:13,599

economy back on its feet this was the

870

00:45:18,630 --> 00:45:16,119

first United States investment in Russia

871

00:45:24,209 --> 00:45:18,640

since the Revolution shortly thereafter

872

00:45:26,729 --> 00:45:24,219

Standard Oil of New York and its

873

00:45:29,999 --> 00:45:26,739

subsidiary vacuum oil company

874

00:45:33,660 --> 00:45:30,009

Rockefeller concluded a deal to market

875

00:45:37,049 --> 00:45:33,670

Soviet oil in European countries and it

876

00:45:42,019 --> 00:45:37,059

was reported that a loan of 75 million

877

00:45:44,579 --> 00:45:42,029

dollars to the Bolsheviks was arranged

878

00:45:46,650 --> 00:45:44,589

wherever Standard Oil would go chase

879

00:45:48,959 --> 00:45:46,660

National Bank was sure to follow the

880

00:45:50,660 --> 00:45:48,969

Rockefellers Chase Bank was later merged

881

00:45:53,670 --> 00:45:50,670

with the Warburg's

882

00:45:57,209 --> 00:45:53,680

Manhattan Bank to form the present Chase

883

00:46:00,209 --> 00:45:57,219

Manhattan Bank in order to rescue the

884

00:46:02,279 --> 00:46:00,219

Bolsheviks who were supposedly an arch

885

00:46:04,920 --> 00:46:02,289

enemy the chase National Bank was

886

00:46:07,099 --> 00:46:04,930

instrumental in establishing the

887

00:46:16,829 --> 00:46:07,109

American Russian Chamber of Commerce in

888

00:46:18,989 --> 00:46:16,839

1922 etc etc skipping down here this

889

00:46:21,809 --> 00:46:18,999

ended up in being a complete program for

890

00:46:24,930 --> 00:46:21,819

financing Soviet raw material exports to

891

00:46:33,299 --> 00:46:24,940

the US and imports of US cotton and

892

00:46:35,789 --> 00:46:33,309

machinery more about banking the Soviet

893

00:46:38,069 --> 00:46:35,799

government has been given US Treasury

894

00:46:40,890 --> 00:46:38,079

funds by the Federal Reserve Board and

895

00:46:44,309 --> 00:46:40,900

the Federal Reserve Bank's acting

896

00:46:46,349 --> 00:46:44,319

through the Chase Bank and the Guaranty

897

00:46:51,050 --> 00:46:46,359

Trust Company and other banks in New

898

00:46:54,140 --> 00:46:51,060

York City's open up the books

899

00:46:56,960 --> 00:46:54,150

of aunt org the trading organization of

900

00:46:59,810 --> 00:46:56,970

the Soviet government in New York and of

901
00:47:02,270 --> 00:46:59,820
gust org the General Office of the

902
00:47:04,880 --> 00:47:02,280
Soviet trade organization and of the

903
00:47:07,790 --> 00:47:04,890
State Bank of the Union of Soviet

904
00:47:10,640 --> 00:47:07,800
Socialist Republics the USSR and you

905
00:47:13,580 --> 00:47:10,650
will be staggered to see how much

906
00:47:15,680 --> 00:47:13,590
American money has been taken from the

907
00:47:19,340 --> 00:47:15,690
United States Treasury for the benefit

908
00:47:21,560 --> 00:47:19,350
of Russia find out what business has

909
00:47:24,620 --> 00:47:21,570
been transacted for the State Bank of

910
00:47:27,010 --> 00:47:24,630
Soviet Russia by its correspondent the

911
00:47:29,450 --> 00:47:27,020
Chase Bank of New York

912
00:47:34,510 --> 00:47:29,460
Rockefeller that's out of the

913
00:47:38,360 --> 00:47:36,740

according to professor Sutton there is a

914

00:47:40,760 --> 00:47:38,370

report in the State Department that

915

00:47:42,200 --> 00:47:40,770

names Kuhn Loeb & Company the long

916

00:47:45,110 --> 00:47:42,210

established and important financial

917

00:47:49,450 --> 00:47:45,120

house in New York as the financier of

918

00:47:53,870 --> 00:47:49,460

the Russians first five-year plan that

919

00:47:58,100 --> 00:47:53,880

was a gigantic plan to rescue Russia as

920

00:48:01,900 --> 00:47:58,110

a result of the desolation that occurred

921

00:48:05,150 --> 00:48:01,910

after the Communist revolution of 1917

922

00:48:07,310 --> 00:48:05,160

professor Sutton and now this is quoting

923

00:48:09,350 --> 00:48:07,320

Gary Allen again in none dare call it

924

00:48:12,200 --> 00:48:09,360

conspiracy professor Sutton proves

925

00:48:15,500 --> 00:48:12,210

conclusively in his three volume history

926
00:48:18,220 --> 00:48:15,510
of Soviet technological development that

927
00:48:22,510 --> 00:48:18,230
the Soviet Union was almost literally

928
00:48:25,100 --> 00:48:22,520
manufactured by the US

929
00:48:27,620 --> 00:48:25,110
Sutton shows that there is hardly a

930
00:48:30,200 --> 00:48:27,630
segment of the Soviet economy which is

931
00:48:37,090 --> 00:48:30,210
not a result of the transfer of Western

932
00:48:40,970 --> 00:48:37,100
particularly American technology and

933
00:48:43,310 --> 00:48:40,980
I'll quote one more piece here this

934
00:48:47,120 --> 00:48:43,320
cannot be wholly the result of accident

935
00:48:49,760 --> 00:48:47,130
for 50 years the Federal Reserve Council

936
00:48:52,550 --> 00:48:49,770
on Foreign Relations Rockefeller Insider

937
00:48:55,640 --> 00:48:52,560
crowd has advocated and carried out

938
00:48:58,750 --> 00:48:55,650

policies aimed at increasing the power

939

00:49:03,140 --> 00:48:58,760

of their satellite the Soviet Union

940

00:49:04,660 --> 00:49:03,150

meanwhile America spends 75 billion a

941

00:49:07,780 --> 00:49:04,670

year on defense

942

00:49:12,370 --> 00:49:07,790

to protect itself from the enemy the

943

00:49:16,359 --> 00:49:12,380

insiders are building up that was

944

00:49:18,720 --> 00:49:16,369

written in 1971 so you can see the idea

945

00:49:25,289 --> 00:49:18,730

here is to make profit from both sides

946

00:49:30,460 --> 00:49:25,299

war on both sides to construct an

947

00:49:31,990 --> 00:49:30,470

artificial Cold War that will make more

948

00:49:34,270 --> 00:49:32,000

money for the industrial

949

00:49:37,750 --> 00:49:34,280

military-industrial complex of the US

950

00:49:44,230 --> 00:49:37,760

certainly and other partners but even

951
00:49:47,349 --> 00:49:44,240
more than that will be a landmark period

952
00:49:52,020 --> 00:49:47,359
of time in determining how the future of

953
00:49:57,190 --> 00:49:52,030
the planet is going to play out because

954
00:50:04,349 --> 00:49:57,200
in the aftermath of the Cold War we have

955
00:50:06,700 --> 00:50:04,359
the emergence of new gigantic

956
00:50:08,890 --> 00:50:06,710
international organizations like the

957
00:50:11,680 --> 00:50:08,900
European Union like the World Trade

958
00:50:15,339 --> 00:50:11,690
Organization these are Rockefeller

959
00:50:19,059 --> 00:50:15,349
globalist organizations that told the

960
00:50:21,220 --> 00:50:19,069
world look we almost came to the brink

961
00:50:25,270 --> 00:50:21,230
of total annihilation here during the

962
00:50:27,700 --> 00:50:25,280
Cold War we don't want that to happen of

963
00:50:31,270 --> 00:50:27,710

course they don't say we built that

964

00:50:35,589 --> 00:50:31,280

construct we don't want that to happen

965

00:50:38,799 --> 00:50:35,599

therefore we have created international

966

00:50:41,770 --> 00:50:38,809

organizations dedicated to cooperation

967

00:50:43,720 --> 00:50:41,780

and peace such as the World Trade

968

00:50:48,900 --> 00:50:43,730

Organization the European Union and

969

00:50:51,400 --> 00:50:48,910

others United Nations certainly created

970

00:50:56,250 --> 00:50:51,410

1945 at the end of World War two

971

00:50:59,220 --> 00:50:56,260

and if you just let us and stand aside

972

00:51:02,339 --> 00:50:59,230

we will build a new planetary

973

00:51:06,789 --> 00:51:02,349

civilization based on peace goodwill

974

00:51:11,430 --> 00:51:06,799

equality fairness justice for all that

975

00:51:15,010 --> 00:51:11,440

is the rhetoric that's the propaganda

976
00:51:17,450 --> 00:51:15,020
that's the problem creating the problem

977
00:51:23,520 --> 00:51:17,460
and enacting the solution

978
00:51:28,200 --> 00:51:23,530
that is building a gigantic management

979
00:51:33,270 --> 00:51:28,210
system for the planet with a friendly

980
00:51:35,670 --> 00:51:33,280
face to convince people that this is not

981
00:51:39,050 --> 00:51:35,680
bad this is not evil this is not going

982
00:51:41,630 --> 00:51:39,060
to cause anybody any harm in fact

983
00:51:45,530 --> 00:51:41,640
everything will be peaceful and

984
00:51:49,530 --> 00:51:45,540
everybody will share in everything

985
00:51:54,720 --> 00:51:49,540
that's the long con as they say in the

986
00:52:01,650 --> 00:51:54,730
biz that's the long hustle that's the

987
00:52:03,660 --> 00:52:01,660
long construction of history and that's

988
00:52:06,750 --> 00:52:03,670

why the material that I've been reading

989

00:52:09,359 --> 00:52:06,760

to you tonight is so important to

990

00:52:13,829 --> 00:52:09,369

understand and the researchers behind an

991

00:52:17,910 --> 00:52:13,839

Anthony Sutton Gary Allen and others

992

00:52:24,770 --> 00:52:17,920

whose names you would discover if you

993

00:52:36,630 --> 00:52:32,550

these researchers and their work have to

994

00:52:38,700 --> 00:52:36,640

a significant degree been buried lost

995

00:52:40,859 --> 00:52:38,710

and forgotten and they need to be

996

00:52:45,079 --> 00:52:40,869

resurrected so that we can understand

997

00:52:47,670 --> 00:52:45,089

what is really going on now and how the

998

00:52:50,640 --> 00:52:47,680

paradigm of the left versus the right

999

00:52:57,930 --> 00:52:50,650

and this group versus that group and how

1000

00:53:00,809 --> 00:52:57,940

we must have peace and goodwill and how

1001
00:53:03,059 --> 00:53:00,819
we must all you know we're all in this

1002
00:53:04,490 --> 00:53:03,069
together and so on and so on and so

1003
00:53:12,120 --> 00:53:04,500
forth

1004
00:53:15,859 --> 00:53:12,130
is part of the long con designed built

1005
00:53:20,720 --> 00:53:15,869
to usher in this new globalist

1006
00:53:23,910 --> 00:53:20,730
civilization so I think that's enough

1007
00:53:27,510 --> 00:53:23,920
and I will end my report for tonight

1008
00:53:30,750 --> 00:53:27,520
thank you very much you know and thank

1009
00:53:35,360 --> 00:53:30,760
you for that John but I think people

1010
00:53:39,780 --> 00:53:35,370
need to be reminded about the lack of

1011
00:53:42,860 --> 00:53:39,790
morals how that increases when more

1012
00:53:47,630 --> 00:53:42,870
money comes into play and at some point

1013
00:53:51,570 --> 00:53:47,640

morality or having a conscious

1014

00:53:55,800 --> 00:53:51,580

completely disappears it dissipates it's

1015

00:53:58,080 --> 00:53:55,810

gone can you imagine this is what's

1016

00:54:00,630 --> 00:53:58,090

really funny can you imagine somebody

1017

00:54:02,880 --> 00:54:00,640

going into a boardroom some billionaire

1018

00:54:06,330 --> 00:54:02,890

and now he's sitting on a board right

1019

00:54:08,250 --> 00:54:06,340

for for some arms manufacturer and you

1020

00:54:11,370 --> 00:54:08,260

know you know I was just thinking about

1021

00:54:13,710 --> 00:54:11,380

all of these nuclear warheads were

1022

00:54:17,910 --> 00:54:13,720

building and this new contract you know

1023

00:54:21,480 --> 00:54:17,920

do you guys think that's right should we

1024

00:54:25,490 --> 00:54:21,490

backpedal all these bullets you know I I

1025

00:54:29,070 --> 00:54:25,500

get it but couldn't we do something else

1026
00:54:33,470 --> 00:54:29,080
with with our money and our profits and

1027
00:54:40,230 --> 00:54:33,480
and and the room would react in shock

1028
00:54:42,510 --> 00:54:40,240
because they don't relate to conscious

1029
00:54:44,490 --> 00:54:42,520
anymore they don't that they don't have

1030
00:54:46,830 --> 00:54:44,500
that they are burnt in the inside

1031
00:54:49,350 --> 00:54:46,840
they're black you know what I mean

1032
00:54:51,450 --> 00:54:49,360
and Agoura it's it's exactly how this

1033
00:54:54,120 --> 00:54:51,460
plays out and the biggest money in the

1034
00:54:56,880 --> 00:54:54,130
world there is Big Pharma but the money

1035
00:55:00,170 --> 00:54:56,890
that is made in international arms trade

1036
00:55:04,320 --> 00:55:00,180
and and the you know stocking

1037
00:55:08,970 --> 00:55:04,330
stockpiling an army and and what it is a

1038
00:55:12,240 --> 00:55:08,980

navy and an Air Force that money is so

1039

00:55:15,150 --> 00:55:12,250

huge and it is done for one to kill

1040

00:55:18,200 --> 00:55:15,160

people you know and and they don't care

1041

00:55:21,300 --> 00:55:18,210

about that they don't if more people die

1042

00:55:25,080 --> 00:55:21,310

right if more bombs are dropped more

1043

00:55:26,970 --> 00:55:25,090

Tomahawk missiles are fired then and

1044

00:55:29,430 --> 00:55:26,980

people have died that means their

1045

00:55:32,340 --> 00:55:29,440

profits are going up and they are happy

1046

00:55:34,280 --> 00:55:32,350

about that it's crazy and we need to be

1047

00:55:36,870 --> 00:55:34,290

reminded of that more and more every day

1048

00:55:40,710 --> 00:55:36,880

the absolutely yeah absolutely

1049

00:55:44,339 --> 00:55:40,720

the I would add on what I said and that

1050

00:55:46,049 --> 00:55:44,349

is the most elite of these

1051

00:55:50,279 --> 00:55:46,059

people that were talking about with no

1052

00:55:53,999 --> 00:55:50,289

conscience no morality they also have an

1053

00:55:57,479 --> 00:55:54,009

end game in mind in other words for them

1054

00:56:01,739 --> 00:55:57,489

that isn't only the money it is that for

1055

00:56:06,150 --> 00:56:01,749

sure but it is also the idea that out of

1056

00:56:08,549 --> 00:56:06,160

this chaos that they create and the wars

1057

00:56:12,259 --> 00:56:08,559

that they financed on both sides and so

1058

00:56:16,950 --> 00:56:12,269

forth that they will be able to build a

1059

00:56:19,349 --> 00:56:16,960

new civilization based on the premise of

1060

00:56:20,999 --> 00:56:19,359

we know you're sick and tired of war and

1061

00:56:23,549 --> 00:56:21,009

that it's horrible and everything

1062

00:56:25,890 --> 00:56:23,559

although we created it but we'll leave

1063

00:56:28,049 --> 00:56:25,900

that up and so we're going to now build

1064

00:56:33,029 --> 00:56:28,059

you a new civilization where everything

1065

00:56:36,359 --> 00:56:33,039

will be just and moral and good that is

1066

00:56:38,849 --> 00:56:36,369

the end game underground where does this

1067

00:56:43,049 --> 00:56:38,859

new civilization live you you know

1068

00:56:46,950 --> 00:56:43,059

you've everywhere on the planet because

1069

00:56:49,410 --> 00:56:46,960

they suppose in their insanity right

1070

00:56:51,599 --> 00:56:49,420

that they can keep the ultimate

1071

00:56:54,269 --> 00:56:51,609

destruction of the planet from happening

1072

00:56:57,180 --> 00:56:54,279

and that they will build this new

1073

00:56:59,870 --> 00:56:57,190

society of globalism where every citizen

1074

00:57:02,849 --> 00:56:59,880

is a cipher and a unit and a number

1075

00:57:06,630 --> 00:57:02,859

assigned a slot and a role from cradle

1076

00:57:08,190 --> 00:57:06,640

to grave and it'll be wonderful and if

1077

00:57:10,079 --> 00:57:08,200

you want to read about the future of

1078

00:57:12,839 --> 00:57:10,089

that all you have to do is pick up brave

1079

00:57:18,150 --> 00:57:12,849

new world by Huxley no doubt about that

1080

00:57:22,229 --> 00:57:18,160

and it's the the fact that you know this

1081

00:57:26,099 --> 00:57:22,239

is a fact there are charts books numbers

1082

00:57:29,969 --> 00:57:26,109

software projections out there that are

1083

00:57:33,359 --> 00:57:29,979

dealing with just that and it freaks me

1084

00:57:34,769 --> 00:57:33,369

out it absolutely blows my mind and we

1085

00:57:36,930 --> 00:57:34,779

talk about the deep state of the New

1086

00:57:39,209 --> 00:57:36,940

World Order of the Cabal or whatever the

1087

00:57:42,569 --> 00:57:39,219

illumina whatever label you want to put

1088

00:57:44,400 --> 00:57:42,579

on it there are people out there that do

1089

00:57:48,170 --> 00:57:44,410

nothing but think these thoughts and

1090

00:57:51,150 --> 00:57:48,180

it's crazy it's crazy that's their job

1091

00:57:53,459 --> 00:57:51,160

John thank you so much my friend have

1092

00:57:55,049 --> 00:57:53,469

location have a great Labor Day weekend

1093

00:57:55,810 --> 00:57:55,059

go out and have some fun just don't get

1094

00:57:58,180 --> 00:57:55,820

arrested

1095

00:57:59,860 --> 00:57:58,190

okay okay I'll talk to you down thank

1096

00:58:02,620 --> 00:57:59,870

you so much thank you Jimmy

1097

00:58:05,200 --> 00:58:02,630

another great gnome horror no more fake

1098

00:58:06,880 --> 00:58:05,210

newsroom from the one and only John

1099

00:58:09,670 --> 00:58:06,890

Rappaport now you do need to start off

1100

00:58:13,390 --> 00:58:09,680

your day every single day over at no

1101

00:58:15,850 --> 00:58:13,400

more fake news.com all right it's fate

1102

00:58:18,160 --> 00:58:15,860

or Knights Thursday night opening up the

1103

00:58:24,430 --> 00:58:18,170

phone lines right now 3 to 3 8 to 5 5 0

1104

00:58:27,010 --> 00:58:24,440

for 5 or 3 2 3 2 7 5 9 6 9 5 we got lots

1105

00:58:30,100 --> 00:58:27,020

to talk about hey by the way WikiLeaks

1106

00:58:32,260 --> 00:58:30,110

just got hacked I'll have that for you

1107

00:58:35,050 --> 00:58:32,270

when we come back this is fade to black

1108

00:58:38,040 --> 00:58:35,060

fainter night open lines are next stay

1109

00:58:42,779 --> 00:58:40,699

[Music]

1110

00:58:44,219 --> 00:58:42,789

this is fade to black

1111

00:58:48,359 --> 00:58:44,229

with Jimmy church on the GameChanger

1112

00:58:50,150 --> 00:58:48,369

radio network and kgr a the global radio

1113

00:58:53,489 --> 00:58:50,160

alliance

1114

00:58:56,819 --> 00:58:53,499

this is kera digital broadcasting

1115

00:59:06,989 --> 00:58:56,829

station Salt Lake City Utah Van Buren

1116

00:59:08,489 --> 00:59:06,999

Arkansas hi this is Ray sobs here

1117

00:59:11,579 --> 00:59:08,499

repping the planet and you're listening

1118

00:59:12,299 --> 00:59:11,589

to my good friend Jimmy Church fade to

1119

00:59:14,849 --> 00:59:12,309

black

1120

00:59:19,410 --> 00:59:14,859

on the GameChanger network and the kgr a

1121

00:59:21,569 --> 00:59:19,420

digital broadcast station this is Toby

1122

00:59:45,239 --> 00:59:21,579

Kebbell you're listening to Jimmy Church

1123

00:59:48,630 --> 00:59:45,249

radio calm ancient life oil life

1124

00:59:51,239 --> 00:59:48,640

changing the real oil CBD is truly

1125

00:59:53,579 --> 00:59:51,249

ancient life oil from the source this

1126

00:59:56,579 --> 00:59:53,589

oil has no psychoactive effect and is

1127

00:59:59,009 --> 00:59:56,589

also legal in all 50 states when you're

1128

01:00:01,410 --> 00:59:59,019

healthy you're happy the truth about

1129

01:00:04,620 --> 01:00:01,420

this wonderful plan is that it wants to

1130

01:00:07,769 --> 01:00:04,630

give back to mankind life longevity and

1131

01:00:10,559 --> 01:00:07,779

happiness ancient life oil our golden

1132

01:00:12,930 --> 01:00:10,569

grain all organic non-gmo and infused

1133

01:00:15,689 --> 01:00:12,940

with high-quality liquid coconut oil

1134

01:00:19,049 --> 01:00:15,699

it's simple just go to ancient life oil

1135

01:00:22,920 --> 01:00:19,059

calm today that's ancient life oil

1136

01:00:25,769 --> 01:00:22,930

dot-com the best purest organic and

1137

01:00:28,439 --> 01:00:25,779

non-gmo CBD in the world

1138

01:00:29,640 --> 01:00:28,449

go back li tapi the statements made

1139

01:00:30,630 --> 01:00:29,650

01:00:45,660 --> 01:00:41,579

complications before using any product

1147

01:00:46,680 --> 01:00:45,670

what's up phaidor knots studio dum loves

1148

01:00:47,350 --> 01:00:46,690

fade to black

1149

01:00:50,020 --> 01:00:47,360

and

1150

01:00:51,910 --> 01:00:50,030

to be audience as so much that they have

1151

01:00:54,310 --> 01:00:51,920

put together the ultimate stereo

1152

01:00:57,940 --> 01:00:54,320

Bluetooth system they've done it just

1153

01:01:01,540 --> 01:00:57,950

for you man check this out the studio

1154

01:01:05,380 --> 01:01:01,550

dome SBB 2 stereo system is here it's

1155

01:01:08,140 --> 01:01:05,390

featuring 2 studio boombox two SBB 2

1156

01:01:10,540 --> 01:01:08,150

wireless Bluetooth speakers pack in its

1157

01:01:12,940 --> 01:01:10,550

own custom hardshell case this studio

1158

01:01:15,850 --> 01:01:12,950

dome system features the very latest in

1159

01:01:19,180 --> 01:01:15,860

stereo Bluetooth technology the 2 full

1160

01:01:21,700 --> 01:01:19,190

range boom boxes are in true wireless

1161

01:01:23,950 --> 01:01:21,710

stereo you've got to hear this it's

1162

01:01:26,620 --> 01:01:23,960

amazing it's just a hundred and twenty

1163

01:01:30,000 --> 01:01:26,630

nine bucks and use the promo code JC r

1164

01:01:32,770 --> 01:01:30,010

TW s and you'll also get free shipping

1165

01:01:35,410 --> 01:01:32,780

it's simple just go to Jimmy Church

1166

01:01:40,870 --> 01:01:35,420

radio.com click on the studio dome

1167

01:01:42,370 --> 01:01:40,880

banner gobekli tepe this is Micah Hank's

1168

01:01:44,110 --> 01:01:42,380

of the graylien report and you're

1169

01:01:44,590 --> 01:01:44,120

listening to Jimmy church on fade to

1170

01:01:46,060 --> 01:01:44,600

black

1171

01:01:49,030 --> 01:01:46,070

across the globe on the GameChanger

1172

01:01:50,760 --> 01:01:49,040

radio network and the one and only kgr a

1173

01:01:59,000 --> 01:01:50,770

radio the planet

1174

01:02:11,660 --> 01:02:04,230

[Music]

1175

01:02:18,750 --> 01:02:14,600

all right Thursday night Fator nights

1176

01:02:22,740 --> 01:02:18,760

open lines all night long three two

1177

01:02:25,680 --> 01:02:22,750

three eight to five five zero four five

1178

01:02:29,940 --> 01:02:25,690

or three two three two seven five nine

1179

01:02:32,430 --> 01:02:29,950

six nine five all right I'm just now

1180

01:02:34,860 --> 01:02:32,440

open up the phone lines okay so if you

1181

01:02:37,200 --> 01:02:34,870

are on hold you can hear my voice right

1182

01:02:39,150 --> 01:02:37,210

now you just stay right there I'll get

1183

01:02:41,310 --> 01:02:39,160

to you and let's have a great night

1184

01:02:43,230 --> 01:02:41,320

tonight I've got a bunch of a really

1185

01:02:46,530 --> 01:02:43,240

cool facts here I think I'm gonna try to

1186

01:02:49,200 --> 01:02:46,540

stump a few of you and we'll see what

1187

01:02:53,820 --> 01:02:49,210

how that plays out it's either gonna be

1188

01:02:55,550 --> 01:02:53,830

really good or or not it will see but I

1189

01:02:59,280 --> 01:02:55,560

just mentioned right before the break

1190

01:03:02,610 --> 01:02:59,290

WikiLeaks has just been hacked the

1191

01:03:04,890 --> 01:03:02,620

hackers right how is this possible

1192

01:03:06,510 --> 01:03:04,900

because they're known for hacking the

1193

01:03:11,360 --> 01:03:06,520

databases of governments and companies

1194

01:03:14,070 --> 01:03:11,370

itself that they just got hacked today

1195

01:03:19,320 --> 01:03:14,080

apparently by a rival hacking group

1196

01:03:22,050 --> 01:03:19,330

called our mine that's mi n E our mine

1197

01:03:24,410 --> 01:03:22,060

the breach would be especially galling

1198

01:03:28,110 --> 01:03:24,420

for WikiLeaks as it had previously

1199

01:03:32,250 --> 01:03:28,120

challenged the Saudi Arabia based our

1200

01:03:35,730 --> 01:03:32,260

mine to come and hack WikiLeaks and you

1201
01:03:37,200 --> 01:03:35,740
don't challenge a hacker hackers gonna

1202
01:03:39,960 --> 01:03:37,210
figure out a way to get it done no

1203
01:03:42,840 --> 01:03:39,970
matter who you are right well our mine

1204
01:03:45,390 --> 01:03:42,850
apparently not just answered the

1205
01:03:48,750 --> 01:03:45,400
challenge but even teasingly reminded

1206
01:03:53,010 --> 01:03:48,760
WikiLeaks of it saying I'm the WikiLeaks

1207
01:03:56,880 --> 01:03:53,020
site remember when you challenged us to

1208
01:04:00,030 --> 01:03:56,890
hack you well WikiLeaks had previously

1209
01:04:01,530 --> 01:04:00,040
tried to hack our mind our mind became

1210
01:04:04,140 --> 01:04:01,540
notorious after hacking the Twitter

1211
01:04:06,810 --> 01:04:04,150
accounts of tech Titan such as Mark

1212
01:04:09,420 --> 01:04:06,820
Zuckerberg and Jack Dorsey right you

1213
01:04:13,800 --> 01:04:09,430

know jack one of the founders of Twitter

1214

01:04:16,200 --> 01:04:13,810

and because they were using out outdated

1215

01:04:19,200 --> 01:04:16,210

databases containing old passwords but

1216

01:04:20,880 --> 01:04:19,210

hacking Twitter profiles of individuals

1217

01:04:23,400 --> 01:04:20,890

and breaching an organization's website

1218

01:04:25,829 --> 01:04:23,410

are different ball games altogether

1219

01:04:29,640 --> 01:04:25,839

our miners priding itself on the

1220

01:04:33,660 --> 01:04:29,650

achievement because today they said hi

1221

01:04:37,819 --> 01:04:33,670

it's our mine security group don't worry

1222

01:04:42,599 --> 01:04:37,829

we are just testing your bla bla bla bla

1223

01:04:45,510 --> 01:04:42,609

they posted on Wikileaks oh wait this is

1224

01:04:47,640 --> 01:04:45,520

not actually a security test WikiLeaks

1225

01:04:48,210 --> 01:04:47,650

remember when you challenged us to hack

1226

01:04:51,319 --> 01:04:48,220

you

1227

01:04:54,900 --> 01:04:51,329

well our mind posted this on WikiLeaks

1228

01:04:58,559 --> 01:04:54,910

homepage the group hacked a website via

1229

01:05:00,210 --> 01:04:58,569

a DNS attack and the uncomplicated

1230

01:05:03,990 --> 01:05:00,220

nature of the hack was seemingly

1231

01:05:05,970 --> 01:05:04,000

designed to humiliate not harm WikiLeaks

1232

01:05:08,910 --> 01:05:05,980

since the organization prides itself on

1233

01:05:10,770 --> 01:05:08,920

you know technical proficiency so they

1234

01:05:12,690 --> 01:05:10,780

just went in and got at their servers

1235

01:05:17,240 --> 01:05:12,700

that were there between the web and

1236

01:05:20,460 --> 01:05:17,250

their website and it just showed to

1237

01:05:23,579 --> 01:05:20,470

everybody that something that simple

1238

01:05:27,029 --> 01:05:23,589

could be done and bring down WikiLeaks

1239

01:05:29,670 --> 01:05:27,039

an absolutely fascinating day in hacking

1240

01:05:32,339 --> 01:05:29,680

history and I myself had to go to the

1241

01:05:35,400 --> 01:05:32,349

website the homepage for WikiLeaks and

1242

01:05:36,900 --> 01:05:35,410

see it myself and I did unbelievable

1243

01:05:38,130 --> 01:05:36,910

alright let's go to the phones let's go

1244

01:05:43,140 --> 01:05:38,140

it's Thursday night hi you're live on

1245

01:05:45,569 --> 01:05:43,150

fade to black who's calling hi oh hi

1246

01:05:48,779 --> 01:05:45,579

Nathan in Ohio how are you do you guys

1247

01:05:52,529 --> 01:05:48,789

really swear the most than any state in

1248

01:05:57,289 --> 01:05:52,539

the country I'm not from here but I know

1249

01:06:00,029 --> 01:05:57,299

I swear a lot well so I guess everybody

1250

01:06:02,190 --> 01:06:00,039

do you notice it when you walk around I

1251
01:06:04,740 --> 01:06:02,200
mean you know little old ladies walking

1252
01:06:08,370 --> 01:06:04,750
down the street just right right is that

1253
01:06:10,230 --> 01:06:08,380
what it's like I have to admit it's

1254
01:06:13,019 --> 01:06:10,240
pretty funny everybody has that's pretty

1255
01:06:14,880 --> 01:06:13,029
pretty loose with the time yeah potty

1256
01:06:17,490 --> 01:06:14,890
mouth potty mouth all right what's on

1257
01:06:19,829 --> 01:06:17,500
your mind tonight Nathan alright

1258
01:06:22,500 --> 01:06:19,839
basically when I woke up I wanted to

1259
01:06:25,380 --> 01:06:22,510
break down why I think disclosure is not

1260
01:06:27,450 --> 01:06:25,390
going to happen at anytime soon okay

1261
01:06:30,180 --> 01:06:27,460
seems to be the most popular subject

1262
01:06:34,980 --> 01:06:30,190
these days and I agree with you break it

1263
01:06:37,319 --> 01:06:34,990

down for us Nathan all right first of

1264

01:06:41,190 --> 01:06:37,329

all I think disclosure is in

1265

01:06:45,809 --> 01:06:41,200

at least in some part being controlled

1266

01:06:47,430 --> 01:06:45,819

by them not us okay I mean I think we

1267

01:06:50,420 --> 01:06:47,440

are keeping secrets and I think they've

1268

01:06:53,370 --> 01:06:50,430

been keeping secrets since ancient times

1269

01:07:00,900 --> 01:06:53,380

okay I'll go with that that's number one

1270

01:07:09,029 --> 01:07:00,910

what's number two number two really the

1271

01:07:12,539 --> 01:07:09,039

fact that there are no no no straight

1272

01:07:15,829 --> 01:07:12,549

lines in ufology everything kind of goes

1273

01:07:18,449 --> 01:07:15,839

into there that there's always a there's

1274

01:07:20,609 --> 01:07:18,459

always something that makes you question

1275

01:07:26,309 --> 01:07:20,619

whether it's legit there's always so

1276

01:07:29,039 --> 01:07:26,319

there's so much dis info and that's why

1277

01:07:32,279 --> 01:07:29,049

we're having so much problem so many

1278

01:07:37,170 --> 01:07:32,289

problems with people accepting the fact

1279

01:07:40,170 --> 01:07:37,180

that UFOs are real and aliens exist okay

1280

01:07:45,449 --> 01:07:40,180

but also right right so number three go

1281

01:07:47,339 --> 01:07:45,459

ahead uh the last the last point I want

1282

01:07:51,150 --> 01:07:47,349

to make is they're not going to accept

1283

01:07:54,059 --> 01:07:51,160

that unless we're a unified world on

1284

01:07:55,829 --> 01:07:54,069

some level which is why I think the

1285

01:07:58,799 --> 01:07:55,839

Cabal is rushing so hard to have a

1286

01:08:02,130 --> 01:07:58,809

unified world I just worry about the

1287

01:08:04,709 --> 01:08:02,140

side they're on and that's my last point

1288

01:08:07,199 --> 01:08:04,719

yeah yeah all three really good points

1289

01:08:11,819 --> 01:08:07,209

Nathan and just like I had said last

1290

01:08:14,999 --> 01:08:11,829

night on the show I think that with

1291

01:08:17,490 --> 01:08:15,009

everything like converging now and

1292

01:08:20,010 --> 01:08:17,500

starting to overlap where science and

1293

01:08:22,890 --> 01:08:20,020

technology are now in the UFO side of

1294

01:08:25,019 --> 01:08:22,900

things and supporting us over here the

1295

01:08:27,559 --> 01:08:25,029

UFO side of things in the paranormal the

1296

01:08:30,539 --> 01:08:27,569

supernatural side of things is

1297

01:08:34,289 --> 01:08:30,549

overlapping into the technical and

1298

01:08:37,410 --> 01:08:34,299

science side of life where everything is

1299

01:08:40,019 --> 01:08:37,420

you know numbers improve and you know

1300

01:08:42,240 --> 01:08:40,029

proving in theory and the scientific

1301

01:08:45,979 --> 01:08:42,250

method you know testing and repeating

1302

01:08:50,309 --> 01:08:45,989

and proving and and and so forth so now

1303

01:08:51,300 --> 01:08:50,319

these worlds are starting to collide and

1304

01:08:53,880 --> 01:08:51,310

I see it

1305

01:08:58,110 --> 01:08:53,890

see it happening now while this is going

1306

01:09:00,140 --> 01:08:58,120

on we have the politicians out there

1307

01:09:04,170 --> 01:09:00,150

that seem to be talking about something

1308

01:09:09,210 --> 01:09:04,180

that relates to aliens and UFOs nearly

1309

01:09:12,329 --> 01:09:09,220

51 all of the time I don't understand

1310

01:09:14,520 --> 01:09:12,339

why this is surfacing now and when you

1311

01:09:17,070 --> 01:09:14,530

combine all of that then you have NASA

1312

01:09:19,460 --> 01:09:17,080

and all of these observatories around

1313

01:09:24,599 --> 01:09:19,470

the world on the radio telescopes and

1314

01:09:27,210 --> 01:09:24,609

their news press conferences that

1315

01:09:30,120 --> 01:09:27,220

they're holding about a new exoplanet or

1316

01:09:32,820 --> 01:09:30,130

something every single week you know so

1317

01:09:35,790 --> 01:09:32,830

I it could be something out of out of

1318

01:09:37,590 --> 01:09:35,800

everybody's hands ultimately the way

1319

01:09:39,300 --> 01:09:37,600

that this plays itself out I don't know

1320

01:09:41,340 --> 01:09:39,310

when and where and how it's gonna happen

1321

01:09:43,710 --> 01:09:41,350

but I feel like something's about to

1322

01:09:45,240 --> 01:09:43,720

break and that's why I thank you for

1323

01:09:46,829 --> 01:09:45,250

your phone call and bringing that up

1324

01:09:48,930 --> 01:09:46,839

disclosure means something different to

1325

01:09:54,270 --> 01:09:48,940

everybody thank you so much Nathan have

1326

01:09:55,980 --> 01:09:54,280

a great Labor Day weekend oh I guess he

1327

01:10:00,120 --> 01:09:55,990

was done saying goodnight hi you're live

1328

01:10:03,090 --> 01:10:00,130

on fade to black who's calling this any

1329

01:10:06,150 --> 01:10:03,100

kasturi's up like suck my life

1330

01:10:07,740 --> 01:10:06,160

experience okay you're breaking up a

1331

01:10:12,090 --> 01:10:07,750

little bit Eddie go ahead keep talking

1332

01:10:14,760 --> 01:10:12,100

to us all right I'm one of the feeder

1333

01:10:18,090 --> 01:10:14,770

nuts in the sandbox as a life's to have

1334

01:10:25,230 --> 01:10:18,100

experience when I was a kid what

1335

01:10:27,630 --> 01:10:25,240

happened oh okay you're breaking up

1336

01:10:31,080 --> 01:10:27,640

Eddie you're breaking up I guess we lost

1337

01:10:32,670 --> 01:10:31,090

them okay let's go to the next caller hi

1338

01:10:39,240 --> 01:10:32,680

you're live on fade to black who's

1339

01:10:42,360 --> 01:10:39,250

calling Megan there this is who I am

1340

01:10:47,780 --> 01:10:42,370

okay how are you

1341

01:10:56,730 --> 01:10:52,170

what's on your mind tonight and yeah so

1342

01:10:58,350 --> 01:10:56,740

I didn't want listening to your to your

1343

01:11:00,980 --> 01:10:58,360

show and I think it's great and I like

1344

01:11:03,669 --> 01:11:00,990

how you have multiple different types of

1345

01:11:07,240 --> 01:11:03,679

speakers

1346

01:11:09,129 --> 01:11:07,250

and my question is and I do get that

1347

01:11:14,200 --> 01:11:09,139

everybody has a different opinion but

1348

01:11:17,820 --> 01:11:14,210

why - why is it so pressed that you have

1349

01:11:20,890 --> 01:11:17,830

to go to a sacred side or places like

1350

01:11:22,689 --> 01:11:20,900

east of ranch to have an experience

1351

01:11:25,090 --> 01:11:22,699

because it just seems like they're

1352

01:11:27,580 --> 01:11:25,100

everywhere and I think that if more

1353

01:11:29,530 --> 01:11:27,590

people look up and stop looking at their

1354

01:11:31,689 --> 01:11:29,540

phones and their technology that they

1355

01:11:33,310 --> 01:11:31,699

would experience it way more and not

1356

01:11:34,870 --> 01:11:33,320

have to feel like they have to be at

1357

01:11:37,000 --> 01:11:34,880

these special places what are your

1358

01:11:39,600 --> 01:11:37,010

thoughts well you don't have to be at

1359

01:11:41,800 --> 01:11:39,610

those special places they do happen

1360

01:11:44,740 --> 01:11:41,810

those special places that you're

1361

01:11:47,080 --> 01:11:44,750

referring to have a history of things

1362

01:11:49,899 --> 01:11:47,090

going on there why I don't know that's

1363

01:11:52,450 --> 01:11:49,909

like saying you know why do you have to

1364

01:11:54,879 --> 01:11:52,460

go to a haunted house to go see a good

1365

01:11:59,800 --> 01:11:54,889

well it's because it's haunted it's just

1366

01:12:03,189 --> 01:11:59,810

the way it is but if you I don't

1367

01:12:05,439 --> 01:12:03,199

understand why you know we go out to

1368

01:12:07,930 --> 01:12:05,449

Joshua Tree and we see things or we go

1369

01:12:10,540 --> 01:12:07,940

up to e city or Mount Shasta and we see

1370

01:12:13,689 --> 01:12:10,550

things in these places I don't know

1371

01:12:16,300 --> 01:12:13,699

because I come back to Los Angeles and

1372

01:12:17,800 --> 01:12:16,310

Burbank and I look up into the sky and I

1373

01:12:20,410 --> 01:12:17,810

know that there's stuff going on up

1374

01:12:23,350 --> 01:12:20,420

there we just don't see it but if you

1375

01:12:26,740 --> 01:12:23,360

get night vision and look up into the

1376

01:12:28,570 --> 01:12:26,750

skies here in Los Angeles I am sure

1377

01:12:30,550 --> 01:12:28,580

you're gonna see some of the same

1378

01:12:34,810 --> 01:12:30,560

strange things that we're seeing at

1379

01:12:41,020 --> 01:12:34,820

these other sites but when do you go

1380

01:12:46,300 --> 01:12:41,030

ahead go ahead Valley area and I you

1381

01:12:48,939 --> 01:12:46,310

know I've captured day and night objects

1382

01:12:52,180 --> 01:12:48,949

like I mean I've got hours and hours of

1383

01:12:53,649 --> 01:12:52,190

footage of it and I you know I try to

1384

01:12:55,870 --> 01:12:53,659

encourage other people to do the same

1385

01:12:57,280 --> 01:12:55,880

thing and you know they would need to do

1386

01:12:59,560 --> 01:12:57,290

it like look at their videos you know

1387

01:13:03,459 --> 01:12:59,570

frame by frame or you know just be

1388

01:13:06,520 --> 01:13:03,469

patient but you know I just don't I

1389

01:13:08,709 --> 01:13:06,530

think that it might be kind of a group

1390

01:13:10,750 --> 01:13:08,719

and community feelings that they get

1391

01:13:13,139 --> 01:13:10,760

from these places but I mean I'm telling

1392

01:13:16,109 --> 01:13:13,149

you they're everywhere yeah there

1393

01:13:20,939 --> 01:13:16,119

it's going on right now item wherever

1394

01:13:24,239 --> 01:13:20,949

you live on this planet I don't care

1395

01:13:26,819 --> 01:13:24,249

wherever you live walk outside at night

1396

01:13:29,310 --> 01:13:26,829

look up into the sky and and if you

1397

01:13:31,859 --> 01:13:29,320

don't see anything moving around that's

1398

01:13:33,869 --> 01:13:31,869

one thing the flip side is you need to

1399

01:13:36,929 --> 01:13:33,879

understand as you are looking up into

1400

01:13:37,799 --> 01:13:36,939

the sky there is stuff going on right

1401

01:13:39,719 --> 01:13:37,809

now

1402

01:13:43,199 --> 01:13:39,729

I guarantee it it doesn't matter where

1403

01:13:45,239 --> 01:13:43,209

you live it just doesn't yeah right now

1404

01:13:48,179 --> 01:13:45,249

and I can see something I mean I'm not

1405

01:13:50,040 --> 01:13:48,189

even kidding I'm like I tightness people

1406

01:13:52,439 --> 01:13:50,050

around here just to do it just to see

1407

01:13:57,869 --> 01:13:52,449

and they make think some people get

1408

01:14:01,080 --> 01:13:57,879

creeped out right right right do you

1409

01:14:02,879 --> 01:14:01,090

have night vision I do have a night

1410

01:14:05,040 --> 01:14:02,889

vision and I've captured some things on

1411

01:14:09,359 --> 01:14:05,050

there too I mean it's it's not just Maya

1412

01:14:11,729 --> 01:14:09,369

today it's right you know right what did

1413

01:14:13,259 --> 01:14:11,739

you have something at the context of the

1414

01:14:14,879 --> 01:14:13,269

desert I saw something there and I

1415

01:14:16,199 --> 01:14:14,889

looked a couple of people I said don't

1416

01:14:18,989 --> 01:14:16,209

you see it I'm looking at they're like

1417

01:14:21,659 --> 01:14:18,999

no I'm like it's like this globe that

1418

01:14:32,299 --> 01:14:21,669

was in the sky and it was giving off a

1419

01:14:37,709 --> 01:14:32,309

green you seeing it or they I don't know

1420

01:14:41,729 --> 01:14:37,719

that's another good point I have I have

1421

01:14:43,319 --> 01:14:41,739

seen things and I know that there's

1422

01:14:46,319 --> 01:14:43,329

people around me that are not seeing the

1423

01:14:49,020 --> 01:14:46,329

exact same thing somebody mentioned it

1424

01:14:50,819 --> 01:14:49,030

this week on the show where you know

1425

01:14:53,310 --> 01:14:50,829

they have they were standing there and

1426

01:14:55,709 --> 01:14:53,320

this object was up really close and he

1427

01:14:58,529 --> 01:14:55,719

said aren't you seeing this no I am NOT

1428

01:15:07,259 --> 01:14:58,539

so I don't get that part of it either

1429

01:15:09,270 --> 01:15:07,269

I really don't the one thing what's your

1430

01:15:12,659 --> 01:15:09,280

name where it's on video though what's

1431

01:15:15,770 --> 01:15:12,669

your name my name is my name is Megan

1432

01:15:21,469 --> 01:15:15,780

but you can call me Sam okay Megan okay

1433

01:15:25,319 --> 01:15:21,479

what is fascinating to me is that

1434

01:15:26,990 --> 01:15:25,329

whether it's I I think that if you have

1435

01:15:30,120 --> 01:15:27,000

a group of people

1436

01:15:33,990 --> 01:15:30,130

together that are happy that are there

1437

01:15:37,470 --> 01:15:34,000

to enjoy the moment that that draws out

1438

01:15:40,620 --> 01:15:37,480

whatever is going on I I can't explain

1439

01:15:44,220 --> 01:15:40,630

that you know I haven't yeah I haven't

1440

01:15:46,709 --> 01:15:44,230

gone out with night vision and by myself

1441

01:15:50,220 --> 01:15:46,719

and and and looked up I haven't done

1442

01:15:51,750 --> 01:15:50,230

that strangers that may sound I've never

1443

01:15:54,209 --> 01:15:51,760

done that I've always been with a group

1444

01:15:55,859 --> 01:15:54,219

of people so I think that there's

1445

01:15:59,340 --> 01:15:55,869

something to that now I could be

1446

01:16:01,379 --> 01:15:59,350

completely wrong where I may go out with

1447

01:16:04,620 --> 01:16:01,389

night vision and go out by myself and

1448

01:16:07,050 --> 01:16:04,630

see things and that'll that'll you know

1449

01:16:09,600 --> 01:16:07,060

take that theory and flush it down the

1450

01:16:14,340 --> 01:16:09,610

drain but I think that there is

1451

01:16:18,450 --> 01:16:14,350

something to having a good happy loud

1452

01:16:22,109 --> 01:16:18,460

boisterous crowd you know I don't know

1453

01:16:25,290 --> 01:16:22,119

if and I don't want some audience

1454

01:16:27,800 --> 01:16:25,300

members to take this the wrong way but I

1455

01:16:33,540 --> 01:16:27,810

don't know if going out and having some

1456

01:16:40,439 --> 01:16:33,550

silent meditation right I don't know if

1457

01:16:44,370 --> 01:16:40,449

that's the way to do it bad being

1458

01:16:45,660 --> 01:16:44,380

internal still I think I'm okay yeah we

1459

01:16:49,520 --> 01:16:45,670

can you probably talk about this for

1460

01:16:55,260 --> 01:16:52,859

Megan thank you for the phone call okay

1461

01:16:57,810 --> 01:16:55,270

seriously and I think those are just

1462

01:16:59,490 --> 01:16:57,820

great points that all of us should do we

1463

01:17:02,669 --> 01:16:59,500

should realize you don't have to go to

1464

01:17:06,510 --> 01:17:02,679

Joshua Tree to see crazy stuff it's

1465

01:17:08,250 --> 01:17:06,520

going on above your house anywhere they

1466

01:17:09,990 --> 01:17:08,260

can stand anywhere don't feel

1467

01:17:12,120 --> 01:17:10,000

constrained by the fact that you can't

1468

01:17:14,660 --> 01:17:12,130

get in the car and go somewhere Megan

1469

01:17:19,109 --> 01:17:14,670

you have a great safe Labor Day weekend

1470

01:17:24,390 --> 01:17:19,119

good thank you so much great phone call

1471

01:17:26,340 --> 01:17:24,400

and she's 100% correct you don't need to

1472

01:17:27,479 --> 01:17:26,350

go to a special place to see stuff hi

1473

01:17:29,180 --> 01:17:27,489

your life I'm fade to black who's

1474

01:17:32,399 --> 01:17:29,190

calling

1475

01:17:34,680 --> 01:17:32,409

Davis Jason Louisiana hey Jason in

1476

01:17:35,790 --> 01:17:34,690

Louisiana are you guys dry you guys safe

1477

01:17:37,830 --> 01:17:35,800

is it all good

1478

01:17:39,600 --> 01:17:37,840

a little wet right now a little wet not

1479

01:17:40,709 --> 01:17:39,610

much sky watching tonight I just heard

1480

01:17:42,689 --> 01:17:40,719

your previous caller

1481

01:17:44,370 --> 01:17:42,699

and I'm former military I was in the

1482

01:17:46,800 --> 01:17:44,380

Marine Corps so I understand a lot about

1483

01:17:49,860 --> 01:17:46,810

night vision actually here to also offer

1484

01:17:52,590 --> 01:17:49,870

you if you're interested I have a gin

1485

01:17:55,020 --> 01:17:52,600

three-plus that I'm willing to loan you

1486

01:17:56,280 --> 01:17:55,030

maybe you can go out and look you know I

1487

01:17:59,250 --> 01:17:56,290

heard you just thing you wanted to uh

1488

01:18:02,340 --> 01:17:59,260

well actually that it by yourself yeah

1489

01:18:05,370 --> 01:18:02,350

Jason thank you for that we are now

1490

01:18:09,450 --> 01:18:05,380

working with our new sponsors barring

1491

01:18:12,840 --> 01:18:09,460

optics and and we're gonna have yeah and

1492

01:18:15,570 --> 01:18:12,850

they are they are actually making a fade

1493

01:18:18,900 --> 01:18:15,580

to black model of their night vision

1494

01:18:20,850 --> 01:18:18,910

that's gonna be available in about about

1495

01:18:25,680 --> 01:18:20,860

a week maybe two weeks out out at the

1496

01:18:28,439 --> 01:18:25,690

most so when that launches yeah and you

1497

01:18:30,450 --> 01:18:28,449

know that's pretty cool and so it's good

1498

01:18:32,040 --> 01:18:30,460

I just had one experience yeah go ahead

1499

01:18:33,720 --> 01:18:32,050

then I want to bring out real quick I've

1500

01:18:35,490 --> 01:18:33,730

been sky watching for years

1501

01:18:38,910 --> 01:18:35,500

I got thermal optics and night vision

1502

01:18:41,010 --> 01:18:38,920

and there's something I know when the

1503

01:18:42,630 --> 01:18:41,020

ISS is passing over and from my

1504

01:18:45,420 --> 01:18:42,640

experience that's the largest thing in

1505

01:18:47,520 --> 01:18:45,430

space that we know of the public I guess

1506

01:18:48,120 --> 01:18:47,530

that's built but there's something much

1507

01:18:51,180 --> 01:18:48,130

larger

1508

01:18:53,220 --> 01:18:51,190

that's always a north-south polar orbit

1509

01:18:55,380 --> 01:18:53,230

I don't know what it is we see it all

1510

01:18:56,729 --> 01:18:55,390

the time I don't have the capability of

1511

01:18:59,189 --> 01:18:56,739

filming it through my night vision

1512

01:19:01,350 --> 01:18:59,199

because you need some adapters and stuff

1513

01:19:03,150 --> 01:19:01,360

and to get the limbs right right just

1514

01:19:05,400 --> 01:19:03,160

really hard with an iPhone you know what

1515

01:19:08,520 --> 01:19:05,410

I mean right right I just I don't know

1516

01:19:12,500 --> 01:19:08,530

what it is but it's something huge yeah

1517

01:19:14,910 --> 01:19:12,510

and we multiple I don't know we've seen

1518

01:19:17,760 --> 01:19:14,920

we've seen the same thing now what you

1519

01:19:21,300 --> 01:19:17,770

can do oh by the way our new night

1520

01:19:24,330 --> 01:19:21,310

vision stuff that is coming out we'll

1521

01:19:27,780 --> 01:19:24,340

have all of the necessary things you

1522

01:19:29,459 --> 01:19:27,790

need to record and I I think that that I

1523

01:19:30,870 --> 01:19:29,469

can't really get specific with that

1524

01:19:33,750 --> 01:19:30,880

because I don't want to tip things off

1525

01:19:35,760 --> 01:19:33,760

to our competitors out there but I have

1526

01:19:37,830 --> 01:19:35,770

some original ideas that that I think

1527

01:19:39,420 --> 01:19:37,840

need to be incorporated with this and

1528

01:19:39,870 --> 01:19:39,430

you're you're dressing some of that

1529

01:19:42,390 --> 01:19:39,880

right now

1530

01:19:43,860 --> 01:19:42,400

so organizers agree yeah we're gonna

1531

01:19:52,470 --> 01:19:43,870

have some really cool things available

1532

01:19:54,430 --> 01:19:52,480

now the you can look at all of the

1533

01:19:57,430 --> 01:19:54,440

satellite activity and what is going

1534

01:19:59,800 --> 01:19:57,440

at any specific time and and that is

1535

01:20:02,380 --> 01:19:59,810

easy to do some of the north-south

1536

01:20:05,830 --> 01:20:02,390

because the pole or orbit now once you

1537

01:20:07,510 --> 01:20:05,840

get into polar orbit there is it's a

1538

01:20:09,070 --> 01:20:07,520

fraction of the amount of satellites

1539

01:20:11,140 --> 01:20:09,080

that are out there that's it's a

1540

01:20:13,780 --> 01:20:11,150

difficult orbit and why would you need a

1541

01:20:16,780 --> 01:20:13,790

polar orbit as opposed to mostly or

1542

01:20:20,380 --> 01:20:16,790

military my experience nope that is

1543

01:20:22,480 --> 01:20:20,390

correct you know be even secret but it's

1544

01:20:24,850 --> 01:20:22,490

something large and I mean weighty

1545

01:20:26,620 --> 01:20:24,860

larger than the ISS it's it's typically

1546

01:20:27,550 --> 01:20:26,630

in orbit I see it always and every now

1547

01:20:29,200 --> 01:20:27,560

and then right

1548

01:20:31,600 --> 01:20:29,210

you could tell the difference in size

1549

01:20:33,400 --> 01:20:31,610

yeah you can it's just I don't know more

1550

01:20:35,230 --> 01:20:33,410

people need to look up and maybe be able

1551

01:20:36,850 --> 01:20:35,240

to video like you said and it's just

1552

01:20:40,360 --> 01:20:36,860

something that I wanted to address

1553

01:20:42,430 --> 01:20:40,370

because I see it a lot and it's huge but

1554

01:20:44,860 --> 01:20:42,440

it you can tell us in order so I don't

1555

01:20:46,510 --> 01:20:44,870

know there you go Jason thank you for

1556

01:20:48,280 --> 01:20:46,520

the phone call okay look I'm gonna hit

1557

01:20:52,450 --> 01:20:48,290

you with this I'm gonna hit you with a

1558

01:20:56,590 --> 01:20:52,460

fatter okay all right you ready I'm

1559

01:21:02,050 --> 01:20:56,600

ready okay France executed the last

1560

01:21:06,220 --> 01:21:02,060

person by guillotine the same year Star

1561

01:21:13,650 --> 01:21:06,230

Wars was released is that is that BS or

1562

01:21:17,080 --> 01:21:13,660

not that is a fact

1563

01:21:25,000 --> 01:21:17,090

France executed somebody by guillotine

1564

01:21:29,560 --> 01:21:25,010

in 1977 is there a Z by guillotine chop

1565

01:21:30,010 --> 01:21:29,570

somebody's head off in 1977 and that's a

1566

01:21:31,810 --> 01:21:30,020

fact

1567

01:21:33,580 --> 01:21:31,820

all right great hey Jason blue I

1568

01:21:35,620 --> 01:21:33,590

appreciate did you have a great night

1569

01:21:37,660 --> 01:21:35,630

I'll send you an email if you ever want

1570

01:21:39,130 --> 01:21:37,670

to get involved looking with some other

1571

01:21:41,020 --> 01:21:39,140

stuff I appreciate it yeah I appreciate

1572

01:21:43,270 --> 01:21:41,030

that too man and you can write me

1573

01:21:44,340 --> 01:21:43,280

anytime thank you so much enjoy your

1574

01:21:46,780 --> 01:21:44,350

Labor Day weekend

1575

01:21:49,030 --> 01:21:46,790

all right appreciate it there you go

1576

01:21:51,400 --> 01:21:49,040

Jason and Louisiana thank you so much

1577

01:21:52,750 --> 01:21:51,410

for that and let's go back to the phones

1578

01:21:55,150 --> 01:21:52,760

hi your life I'm paid to black who's

1579

01:22:01,420 --> 01:21:55,160

calling Jimmy

1580

01:22:03,040 --> 01:22:01,430

my name's les hommes and Austin and how

1581

01:22:07,030 --> 01:22:03,050

are you guys doing in Austin you guys

1582

01:22:07,720 --> 01:22:07,040

good yeah we're good we're too far west

1583

01:22:10,360 --> 01:22:07,730

to really

1584

01:22:13,000 --> 01:22:10,370

much more than some wind and some rain

1585

01:22:14,890 --> 01:22:13,010

well the way it was out the way was

1586

01:22:15,550 --> 01:22:14,900

playing out out there anything was

1587

01:22:17,890 --> 01:22:15,560

possible

1588

01:22:21,610 --> 01:22:17,900

I thought Houston was going to be in the

1589

01:22:25,840 --> 01:22:21,620

clear you know what I mean oh yeah we we

1590

01:22:28,540 --> 01:22:25,850

could if any gone west maybe another 50

1591

01:22:31,000 --> 01:22:28,550

to 100 miles we would have had really

1592

01:22:34,090 --> 01:22:31,010

serious floods in the hill country you

1593

01:22:37,720 --> 01:22:34,100

know we lucked out and it was most of

1594

01:22:40,180 --> 01:22:37,730

the flooding was about Oh 25 miles east

1595

01:22:42,070 --> 01:22:40,190

of Austin all the way to the coast yep

1596

01:22:43,900 --> 01:22:42,080

yep you know our thoughts and prayers

1597

01:22:46,540 --> 01:22:43,910

are with everybody in the great state of

1598

01:22:48,460 --> 01:22:46,550

Texas less and and you know that you

1599

01:22:51,250 --> 01:22:48,470

listen to the show first-time caller

1600

01:22:54,400 --> 01:22:51,260

though right how are you well you mind -

1601

01:22:56,320 --> 01:22:54,410

nah I'm good well first I want to say I

1602

01:22:59,530 --> 01:22:56,330

used to listen to somebody else I won't

1603

01:23:01,450 --> 01:22:59,540

mention in this time block but I just

1604

01:23:05,320 --> 01:23:01,460

listened to you from now on it's just

1605

01:23:08,650 --> 01:23:05,330

more informative but I'm 68 I've done a

1606

01:23:11,950 --> 01:23:08,660

few things and back in the 90s I worked

1607

01:23:15,040 --> 01:23:11,960

for a guy who is five years out of

1608

01:23:19,570 --> 01:23:15,050

retirement and at that time he was the

1609

01:23:22,660 --> 01:23:19,580

highest ranked Navy SEAL in on planet

1610

01:23:24,970 --> 01:23:22,670

and he he taught me a few things and

1611

01:23:26,950 --> 01:23:24,980

mentored me about a few things but I'm

1612

01:23:29,560 --> 01:23:26,960

not really going to talk about those as

1613

01:23:32,530 --> 01:23:29,570

evening what I didn't want to kind of

1614

01:23:36,880 --> 01:23:32,540

bring up and it's not a criticism it

1615

01:23:39,370 --> 01:23:36,890

just doesn't make sense to me I like

1616

01:23:42,670 --> 01:23:39,380

David Wilcock and I think he's got a lot

1617

01:23:46,570 --> 01:23:42,680

of good information but sometimes when

1618

01:23:49,330 --> 01:23:46,580

he says things like that

1619

01:23:52,600 --> 01:23:49,340

military special forces are making

1620

01:23:55,450 --> 01:23:52,610

arrests of pedophiles and different

1621

01:23:58,300 --> 01:23:55,460

things like that that just that just

1622

01:24:02,500 --> 01:23:58,310

can't happen it's actually got its day

1623

01:24:05,229 --> 01:24:02,510

no actually that was in the mainstream

1624

01:24:10,000 --> 01:24:05,239

medium released as a news article two

1625

01:24:14,050 --> 01:24:10,010

weeks ago I love to see it because it

1626

01:24:17,820 --> 01:24:14,060

just seems now is it illegal but anybody

1627

01:24:20,560 --> 01:24:17,830

with money who might have been arrested

1628

01:24:21,640 --> 01:24:20,570

for something like that their lawyers

1629

01:24:23,980 --> 01:24:21,650

would get them out

1630

01:24:26,590 --> 01:24:23,990

it's so fast because it would be an

1631

01:24:30,370 --> 01:24:26,600

illegal arrest but if you could put a

1632

01:24:33,750 --> 01:24:30,380

sort that source up on your on your

1633

01:24:36,340 --> 01:24:33,760

Twitter I'd love to see it sure Chum

1634

01:24:38,230 --> 01:24:36,350

because I'm not trying to be critical

1635

01:24:40,450 --> 01:24:38,240

I'm just asking a question here because

1636

01:24:44,590 --> 01:24:40,460

some things just don't make sense and

1637

01:24:47,650 --> 01:24:44,600

you got to ask why and discuss why it

1638

01:24:49,930 --> 01:24:47,660

doesn't make sense and see if you know

1639

01:24:52,030 --> 01:24:49,940

like you got information like you said

1640

01:24:56,410 --> 01:24:52,040

yeah and when it comes to that kind of

1641

01:24:58,480 --> 01:24:56,420

stuff I let other radio shows or other

1642

01:25:01,090 --> 01:24:58,490

news outlets report on that because it

1643

01:25:02,890 --> 01:25:01,100

just it just bums me out I just don't

1644

01:25:05,830 --> 01:25:02,900

like the subject because I know that

1645

01:25:08,980 --> 01:25:05,840

this is a reality as part of our world

1646

01:25:11,200 --> 01:25:08,990

but I only have so many hours it you

1647

01:25:13,270 --> 01:25:11,210

know to do a show each night and I focus

1648

01:25:15,370 --> 01:25:13,280

on other stuff and I run out of time

1649

01:25:18,280 --> 01:25:15,380

every night so I let everybody else

1650

01:25:22,180 --> 01:25:18,290

report on that but when Wilcock and

1651

01:25:25,600 --> 01:25:22,190

others started to talk about this and I

1652

01:25:27,880 --> 01:25:25,610

I just went and sure enough you know

1653

01:25:29,470 --> 01:25:27,890

there was in the mainstream media about

1654

01:25:32,320 --> 01:25:29,480

some of these arrests that were being

1655

01:25:35,620 --> 01:25:32,330

made and it blew my mind that it was

1656

01:25:38,680 --> 01:25:35,630

covered in the mainstream media so but I

1657

01:25:41,560 --> 01:25:38,690

don't think that they they want this

1658

01:25:46,270 --> 01:25:41,570

highly publicized and I'll tell you why

1659

01:25:48,220 --> 01:25:46,280

because those kinds of individuals would

1660

01:25:50,290 --> 01:25:48,230

go and start to cover their tracks and

1661

01:25:53,980 --> 01:25:50,300

would know that the man was coming after

1662

01:25:57,070 --> 01:25:53,990

them so that's what did they mention it

1663

01:26:01,720 --> 01:25:57,080

was a military operation or a Special

1664

01:26:03,460 --> 01:26:01,730

Forces operation or yes no exactly

1665

01:26:07,540 --> 01:26:03,470

exactly this everything that you're

1666

01:26:10,360 --> 01:26:07,550

talking about right now was was pretty

1667

01:26:14,140 --> 01:26:10,370

much exactly as as he and others

1668

01:26:17,350 --> 01:26:14,150

reported it so you can go they'll you

1669

01:26:20,020 --> 01:26:17,360

know somebody will get it up here in

1670

01:26:22,750 --> 01:26:20,030

Twitter and you can go and do the

1671

01:26:26,680 --> 01:26:22,760

reading for yourself now less the other

1672

01:26:34,960 --> 01:26:26,690

thing is that I do want to say when it

1673

01:26:35,500 --> 01:26:34,970

comes to Wilcock or David Icke or well

1674

01:26:37,569 --> 01:26:35,510

you know

1675

01:26:41,049 --> 01:26:37,579

without naming names there's no way I'm

1676

01:26:45,160 --> 01:26:41,059

doing that Oh when they go and they

1677

01:26:49,509 --> 01:26:45,170

start to talk about these subjects it is

1678

01:26:52,390 --> 01:26:49,519

tough for a lot of people to absorb and

1679

01:26:55,839 --> 01:26:52,400

to listen to and understand because some

1680

01:26:57,669 --> 01:26:55,849

of it is is getting way way way out

1681

01:27:01,479 --> 01:26:57,679

there and it's difficult in our own

1682

01:27:05,080 --> 01:27:01,489

reality to to comprehend and to

1683

01:27:08,680 --> 01:27:05,090

understand and to believe okay now what

1684

01:27:12,040 --> 01:27:08,690

what I ask everybody to do because this

1685

01:27:15,160 --> 01:27:12,050

is how I deal with it myself I just look

1686

01:27:17,709 --> 01:27:15,170

at the world around me and and and go do

1687

01:27:21,879 --> 01:27:17,719

a little bit of research into it and and

1688

01:27:24,879 --> 01:27:21,889

see if some of it can be confirmed but

1689

01:27:29,439 --> 01:27:24,889

most of that stuff is not going to be

1690

01:27:32,410 --> 01:27:29,449

confirmable it's just not why why why

1691

01:27:35,620 --> 01:27:32,420

would it be why wouldn't why would it be

1692

01:27:40,810 --> 01:27:35,630

confirmed I've been told things by my

1693

01:27:42,729 --> 01:27:40,820

mentors that are just as unbelievable at

1694

01:27:45,970 --> 01:27:42,739

but these were highly credentialed

1695

01:27:49,120 --> 01:27:45,980

people and there's no reason to just

1696

01:27:51,189 --> 01:27:49,130

bring them up but you know at the same

1697

01:27:54,250 --> 01:27:51,199

time we've just got to try to source

1698

01:27:57,370 --> 01:27:54,260

things out as much as we can to get to

1699

01:27:59,500 --> 01:27:57,380

the truth and keep an open mind at the

1700

01:28:02,140 --> 01:27:59,510

same time that's exactly how the world

1701
01:28:04,720 --> 01:28:02,150
should work less and that's why you're a

1702
01:28:07,330 --> 01:28:04,730
fan of this show thank you so much my

1703
01:28:09,939 --> 01:28:07,340
friend and listen stay safe out stay

1704
01:28:12,819 --> 01:28:09,949
safe out there in Texas and go do a

1705
01:28:16,839 --> 01:28:12,829
Labor Day weekend Texas style for me

1706
01:28:20,200 --> 01:28:16,849
will you do that if you ever come here

1707
01:28:23,020 --> 01:28:20,210
touch with me I'll show you where I know

1708
01:28:24,370 --> 01:28:23,030
you will s thank you thank you so much

1709
01:28:30,729 --> 01:28:24,380
man and have a great rest of your

1710
01:28:32,589 --> 01:28:30,739
evening thank you so much less Austin

1711
01:28:34,330 --> 01:28:32,599
Texas one of the great cities in this

1712
01:28:37,270 --> 01:28:34,340
country right there Austin this is fade

1713
01:28:44,360 --> 01:28:37,280

to black open lines all night long

1714

01:28:44,370 --> 01:28:54,180

[Music]

1715

01:29:00,390 --> 01:28:57,359

way out here we listen to Jimmy Church

1716

01:29:02,890 --> 01:29:00,400

you're listening to faint and black

1717

01:29:05,740 --> 01:29:02,900

always on the edge of the hottest

1718

01:29:06,520 --> 01:29:05,750

alternative talk jimmy church with fade

1719

01:29:25,660 --> 01:29:06,530

to black

1720

01:29:28,029 --> 01:29:25,670

stay GRA radio.com hello fader nots this

1721

01:29:30,819 --> 01:29:28,039

is Jimmy Church and I'm introducing new

1722

01:29:34,330 --> 01:29:30,829

Pharma a company whose products are

1723

01:29:38,410 --> 01:29:34,340

based on science human function based on

1724

01:29:41,200 --> 01:29:38,420

the endocannabinoid system or ECS new

1725

01:29:43,240 --> 01:29:41,210

Pharma firmly believes in this science

1726

01:29:45,819 --> 01:29:43,250

and their research indicates that

1727

01:29:47,919 --> 01:29:45,829

support of the ECS provides the

1728

01:29:51,240 --> 01:29:47,929

beneficial effects for a healthy

1729

01:29:54,669 --> 01:29:51,250

lifestyle new Pharma science includes

1730

01:29:57,279 --> 01:29:54,679

relief capsules for painfully sleep

1731

01:30:00,339 --> 01:29:57,289

capsules which are natural support for

1732

01:30:03,549 --> 01:30:00,349

occasional sleeplessness Foundation is

1733

01:30:06,609 --> 01:30:03,559

support for your ECS and fit capsules

1734

01:30:08,260 --> 01:30:06,619

support your active lifestyle just click

1735

01:30:11,950 --> 01:30:08,270

on the banner at jimmy church radio.com

1736

01:30:13,899 --> 01:30:11,960

and use the promo code f2b for a 33

1737

01:30:17,229 --> 01:30:13,909

percent discount on all of their

1738

01:30:19,149 --> 01:30:17,239

products or visit new pharma comm for

1739

01:30:22,570 --> 01:30:19,159

all of the knowledge on the science

1740

01:30:26,650 --> 01:30:22,580

that's gnu pharma

1741

01:30:28,930 --> 01:30:26,660

calm gobekli tepe hi I'm Matt rave for

1742

01:30:30,970 --> 01:30:28,940

us Gold Bureau I cover the market daily

1743

01:30:32,890 --> 01:30:30,980

no matter how strong it gets or what

1744

01:30:35,260 --> 01:30:32,900

long-term predictions say you can count

1745

01:30:37,810 --> 01:30:35,270

on one thing as certain there will be

1746

01:30:40,060 --> 01:30:37,820

another crash it will affect your assets

1747

01:30:42,100 --> 01:30:40,070

and when it happens wouldn't you rather

1748

01:30:42,760 --> 01:30:42,110

be two weeks or even two months ahead of

1749

01:30:44,320 --> 01:30:42,770

the curve

1750

01:30:46,090 --> 01:30:44,330

well Wall Street insiders have been

1751

01:30:48,280 --> 01:30:46,100

quietly converting their assets into

1752

01:30:49,270 --> 01:30:48,290

gold for the last few years now it's

1753

01:30:51,490 --> 01:30:49,280

your turn

1754

01:30:53,890 --> 01:30:51,500

buying gold and silver is easier than

1755

01:30:56,470 --> 01:30:53,900

buying stocks with the us gold bureau's

1756

01:30:58,750 --> 01:30:56,480

investor guide it's free and you learn

1757

01:31:01,870 --> 01:30:58,760

how to buy precious metals in or out of

1758

01:31:03,370 --> 01:31:01,880

an IRA or 401k retirement plan your

1759

01:31:06,960 --> 01:31:03,380

investments shipped directly to your

1760

01:31:09,640 --> 01:31:06,970

home and is 100% insured and guaranteed

1761

01:31:11,320 --> 01:31:09,650

you control your investments and shelter

1762

01:31:13,630 --> 01:31:11,330

them against the stock market politics

1763

01:31:15,100 --> 01:31:13,640

and unknown threats act while your

1764

01:31:19,270 --> 01:31:15,110

dollar is still worth something

1765

01:31:31,080 --> 01:31:19,280

call us Gold Bureau 888 5 Gold us Gold

1766

01:31:38,770 --> 01:31:33,930

[Music]

1767

01:31:40,630 --> 01:31:38,780

jgr a radio.com hi folks CBD is the home

1768

01:31:42,430 --> 01:31:40,640

run hitter for health right now why do

1769

01:31:45,040 --> 01:31:42,440

you ask because of what it does for the

1770

01:31:46,390 --> 01:31:45,050

body unfortunately I can't tell you all

1771

01:31:48,880 --> 01:31:46,400

about the benefit you know there's

1772

01:31:51,100 --> 01:31:48,890

reasons do your due diligence and log on

1773

01:31:53,680 --> 01:31:51,110

to ancient life oil com that's ancient

1774

01:31:55,660 --> 01:31:53,690

life oil calm angel life oil uses

1775

01:31:57,550 --> 01:31:55,670

organic ingredients and is blended in

1776

01:31:59,970 --> 01:31:57,560

coconut oil for some of the best

1777

01:32:01,570 --> 01:31:59,980

benefits legal in 50 states and

1778

01:32:04,090 --> 01:32:01,580

non-psychoactive

1779

01:32:09,220 --> 01:32:04,100

log on to ancient life oil calm that's

1780

01:32:10,240 --> 01:32:09,230

ancient life oil calm you are listening

1781

01:32:12,550 --> 01:32:10,250

to fade to black

1782

01:32:14,560 --> 01:32:12,560

with Jimmy Church on the game change in

1783

01:32:17,900 --> 01:32:14,570

network

1784

01:32:20,780 --> 01:32:17,910

hi I'm Lisa Vance you're listening to

1785

01:32:23,600 --> 01:32:20,790

Jimmy Church this is revolution the

1786

01:32:30,930 --> 01:32:23,610

revolution will not be televised the

1787

01:33:10,780 --> 01:32:53,750

[Music]

1788

01:33:14,030 --> 01:33:12,500

welcome back fade to black

1789

01:33:19,310 --> 01:33:14,040

I'm your host Jimmy church Thursday

1790

01:33:21,620 --> 01:33:19,320

night fader nights now have you open

1791

01:33:26,390 --> 01:33:21,630

lines all night long by the way 3 2 3 a

1792

01:33:30,110 --> 01:33:26,400

2 5 5 0 4 5 3 2 3 2 7 5 9 6 9 5 have you

1793

01:33:31,820 --> 01:33:30,120

been to you new wiki dot-org yet have

1794

01:33:35,300 --> 01:33:31,830

you been there have you participated

1795

01:33:39,680 --> 01:33:35,310

have you signed up it is the next step

1796

01:33:42,290 --> 01:33:39,690

of our community uni wiki dot-org now I

1797

01:33:45,470 --> 01:33:42,300

put up the links right here in in

1798

01:33:48,470 --> 01:33:45,480

Twitter and I want everybody to go and

1799

01:33:51,980 --> 01:33:48,480

experience the page and take the surveys

1800

01:33:54,500 --> 01:33:51,990

and start to participate in what you new

1801

01:33:56,560 --> 01:33:54,510

wiki is all about the effort that has

1802

01:33:59,300 --> 01:33:56,570

been put into you new wiki is

1803

01:34:03,290 --> 01:33:59,310

extraordinary but this is what is cool

1804

01:34:05,450 --> 01:34:03,300

some people talk others deliver ok and

1805

01:34:10,760 --> 01:34:05,460

that's that's that's the reality of our

1806

01:34:13,610 --> 01:34:10,770

world and the engine the the very bed

1807

01:34:17,180 --> 01:34:13,620

the foundation of you new wiki is done

1808

01:34:20,570 --> 01:34:17,190

so now this is the exciting part about

1809

01:34:24,890 --> 01:34:20,580

it is you everybody in our community can

1810

01:34:28,190 --> 01:34:24,900

start to participate and and take things

1811

01:34:33,290 --> 01:34:28,200

to the next level and and uni wiki is

1812

01:34:36,380 --> 01:34:33,300

going to be the the go-to resource for

1813

01:34:37,940 --> 01:34:36,390

all of our community no matter what it

1814

01:34:39,950 --> 01:34:37,950

is it this is it

1815

01:34:45,980 --> 01:34:39,960

this is where it's all going to take

1816

01:34:51,230 --> 01:34:45,990

place and the the efforts behind this

1817

01:34:54,200 --> 01:34:51,240

extraordinary opportunity for us I can't

1818

01:34:56,420 --> 01:34:54,210

put it into words so when you go and you

1819

01:35:01,370 --> 01:34:56,430

visit the web page and you go and you

1820

01:35:04,730 --> 01:35:01,380

look I mean I am so blown away by by the

1821

01:35:07,400 --> 01:35:04,740

look the feel the engine how how it has

1822

01:35:11,300 --> 01:35:07,410

been put together and it's all here for

1823

01:35:14,450 --> 01:35:11,310

you this is a resource you can go you

1824

01:35:17,900 --> 01:35:14,460

can take the survey you can create your

1825

01:35:19,430 --> 01:35:17,910

account you can learn you can spread

1826
01:35:21,050 --> 01:35:19,440
knowledge you can be one of the

1827
01:35:24,410 --> 01:35:21,060
contributors

1828
01:35:27,640 --> 01:35:24,420
the unity workshops are there the

1829
01:35:31,640 --> 01:35:27,650
podcast is getting ready to to kick off

1830
01:35:35,030 --> 01:35:31,650
the pages are being built and I want all

1831
01:35:37,610 --> 01:35:35,040
of you all of us in our community to to

1832
01:35:40,400 --> 01:35:37,620
to take advantage of you new wiki and

1833
01:35:42,740 --> 01:35:40,410
start to spread the word and if you have

1834
01:35:45,980 --> 01:35:42,750
started a page if you have contributed

1835
01:35:48,080 --> 01:35:45,990
if you have visited uni wiki I want to

1836
01:35:50,540 --> 01:35:48,090
hear from you tonight right here unfaded

1837
01:35:53,780 --> 01:35:50,550
black okay three two three eight two

1838
01:35:57,920 --> 01:35:53,790

five five zero four five three two three

1839

01:35:59,480 --> 01:35:57,930

two seven five nine six nine five and

1840

01:36:00,830 --> 01:35:59,490

with the with that let's go back to the

1841

01:36:03,890 --> 01:36:00,840

phones hi you're live on fade to black

1842

01:36:07,220 --> 01:36:03,900

who's calling hey Jimmy can you hear me

1843

01:36:09,800 --> 01:36:07,230

I got you hey it's Kevin from near st.

1844

01:36:10,490 --> 01:36:09,810

Louis hey Kevin from near st. Louis how

1845

01:36:14,300 --> 01:36:10,500

are you tonight

1846

01:36:15,680 --> 01:36:14,310

have you been to uni wiki yet no I'm

1847

01:36:17,750 --> 01:36:15,690

sorry okay

1848

01:36:20,480 --> 01:36:17,760

well that's your job now soon as you

1849

01:36:23,570 --> 01:36:20,490

hang up you go to uni wiki okay that's

1850

01:36:25,610 --> 01:36:23,580

good cuz I need a job right now so go to

1851

01:36:28,630 --> 01:36:25,620

uni wiki all right what's on your mind

1852

01:36:30,980 --> 01:36:28,640

man yeah I by the way I did hear you

1853

01:36:32,630 --> 01:36:30,990

talking about uni wiki if you would

1854

01:36:35,540 --> 01:36:32,640

scale with Richard Dolan I was from that

1855

01:36:37,220 --> 01:36:35,550

interview you know it's great so I I

1856

01:36:40,430 --> 01:36:37,230

knew about it at least I haven't been

1857

01:36:42,290 --> 01:36:40,440

there yet but uh a couple things uh I

1858

01:36:44,600 --> 01:36:42,300

went to my first MUFON meeting about

1859

01:36:46,550 --> 01:36:44,610

three weeks ago and how that goes so you

1860

01:36:49,130 --> 01:36:46,560

know what it was actually better than I

1861

01:36:50,930 --> 01:36:49,140

expected I thought it would just be like

1862

01:36:54,860 --> 01:36:50,940

me but it was actually a pretty big

1863

01:36:58,910 --> 01:36:54,870

crowd and and they were more in line

1864

01:37:02,350 --> 01:36:58,920

with kind of my views so I was pretty

1865

01:37:05,480 --> 01:37:02,360

happy with it so this was in st. Louis

1866

01:37:09,050 --> 01:37:05,490

yes Louis did they have anybody speaking

1867

01:37:11,180 --> 01:37:09,060

that night what was the agenda uh well

1868

01:37:14,960 --> 01:37:11,190

there she had a Skype presenter from

1869

01:37:17,330 --> 01:37:14,970

Canada and he was uh he used to work for

1870

01:37:19,250 --> 01:37:17,340

the what's the network up there the

1871

01:37:20,810 --> 01:37:19,260

official Canadian Network he used to

1872

01:37:23,540 --> 01:37:20,820

work for them as a as one of their

1873

01:37:26,030 --> 01:37:23,550

sports guys right he was a pretty legit

1874

01:37:26,780 --> 01:37:26,040

so okay and was it was it cooled you

1875

01:37:31,340 --> 01:37:26,790

have a good time

1876

01:37:33,410 --> 01:37:31,350

oh yeah yeah I was it was is great to

1877

01:37:34,339 --> 01:37:33,420

you know commune with us you know some

1878

01:37:37,369 --> 01:37:34,349

fellow

1879

01:37:39,020 --> 01:37:37,379

Weaver's and whatnot and I definitely uh

1880

01:37:40,699 --> 01:37:39,030

they do it want some mom so I'll

1881

01:37:43,810 --> 01:37:40,709

probably probably try to make it every

1882

01:37:46,250 --> 01:37:43,820

month are you going to join MUFON oh

1883

01:37:48,379 --> 01:37:46,260

probably I don't know why I haven't yet

1884

01:37:51,889 --> 01:37:48,389

maybe I should wait I'll get a job but

1885

01:37:52,549 --> 01:37:51,899

okay I plan on it so I get it I get it I

1886

01:37:55,419 --> 01:37:52,559

do I do

1887

01:38:00,349 --> 01:37:55,429

okay so what else is on your mind man oh

1888

01:38:03,560 --> 01:38:00,359

oh you know what but uh one thing I want

1889

01:38:07,489 --> 01:38:03,570

to get your take on isolation tanks

1890

01:38:10,189 --> 01:38:07,499

sensory deprivation mm-hmm have you ever

1891

01:38:14,810 --> 01:38:10,199

done that I have no I have not I have

1892

01:38:18,409 --> 01:38:14,820

been invited many times to do it I would

1893

01:38:23,500 --> 01:38:18,419

love to experience it I I understand it

1894

01:38:26,179 --> 01:38:23,510

is a life-changing experience yeah I I

1895

01:38:27,770 --> 01:38:26,189

guess I was listening to Joe Rogan talk

1896

01:38:31,040 --> 01:38:27,780

about it and that kind of made me get a

1897

01:38:32,929 --> 01:38:31,050

little more interested and and I looked

1898

01:38:34,459 --> 01:38:32,939

it up and turns out there's actually a

1899

01:38:37,179 --> 01:38:34,469

few places and saying Lois would have

1900

01:38:40,819 --> 01:38:37,189

them and I I talked to them today and

1901

01:38:45,109 --> 01:38:40,829

flight I think 60 bucks I can do a whole

1902

01:38:45,979 --> 01:38:45,119

hour or an hour and a half and yeah I'm

1903

01:38:49,129 --> 01:38:45,989

definitely gonna get around to doing

1904

01:38:52,909 --> 01:38:49,139

that it's that's gonna be a trip yeah

1905

01:38:54,439 --> 01:38:52,919

well after you do it call in and I would

1906

01:38:58,969 --> 01:38:54,449

love to hear about your experience I

1907

01:39:02,569 --> 01:38:58,979

remember Rogan talking about it before

1908

01:39:04,399 --> 01:39:02,579

he did it right and then he did do it

1909

01:39:08,649 --> 01:39:04,409

right and so I've heard that before in

1910

01:39:12,859 --> 01:39:08,659

the after and I think he was going to

1911

01:39:15,589 --> 01:39:12,869

Venice Beach he had a friend down a

1912

01:39:17,389 --> 01:39:15,599

Venice Beach that has got them but but

1913

01:39:20,270 --> 01:39:17,399

anyway it was really interesting to hear

1914

01:39:24,049 --> 01:39:20,280

his take and and what actually occurs

1915

01:39:28,969 --> 01:39:24,059

there because there's again I've never

1916

01:39:31,669 --> 01:39:28,979

done it I've only done some some simple

1917

01:39:34,790 --> 01:39:31,679

research into it and and and I've had

1918

01:39:38,509 --> 01:39:34,800

offers to go and experience it but to

1919

01:39:41,899 --> 01:39:38,519

have every muscle in your body

1920

01:39:45,349 --> 01:39:41,909

everything completely zone out and zero

1921

01:39:47,660 --> 01:39:45,359

out where you are completely physically

1922

01:39:49,640 --> 01:39:47,670

relaxed and then

1923

01:39:52,370 --> 01:39:49,650

and then you have the quietness and you

1924

01:39:54,740 --> 01:39:52,380

can listen to your own body work right

1925

01:39:58,070 --> 01:39:54,750

you're listening to your heart you're

1926

01:40:02,150 --> 01:39:58,080

listening to your brain think and and

1927

01:40:06,320 --> 01:40:02,160

then go off to wherever you need to go

1928

01:40:09,979 --> 01:40:06,330

to because it is a it's a singular

1929

01:40:13,010 --> 01:40:09,989

personal experience but to go and do

1930

01:40:16,520 --> 01:40:13,020

that and kind of center yourself and

1931

01:40:18,050 --> 01:40:16,530

whatever happens after that I you know I

1932

01:40:19,910 --> 01:40:18,060

think it's different for everybody are

1933

01:40:20,570 --> 01:40:19,920

you leaving this planet are you leaving

1934

01:40:29,060 --> 01:40:20,580

your body

1935

01:40:31,280 --> 01:40:29,070

are you completely discontinued again

1936

01:40:34,729 --> 01:40:31,290

you need to go out and experience that

1937

01:40:37,100 --> 01:40:34,739

so go and do it and and call in man and

1938

01:40:43,189 --> 01:40:37,110

let me know what your experience was

1939

01:40:45,080 --> 01:40:43,199

like yeah I also along those lines you

1940

01:40:46,970 --> 01:40:45,090

said you know you said it could be like

1941

01:40:51,229 --> 01:40:46,980

a life-changing experience and and I'm

1942

01:40:54,370 --> 01:40:51,239

sure because you know tizen just well

1943

01:40:56,840 --> 01:40:54,380

psychologically but I guess you know

1944

01:41:01,070 --> 01:40:56,850

psychedelic of you know altered states

1945

01:41:03,530 --> 01:41:01,080

and whatnot but I you know I here in st.

1946

01:41:07,490 --> 01:41:03,540

Louis or near st. Louis in new ways

1947

01:41:10,700 --> 01:41:07,500

we had totality for the Eclipse mm-hmm

1948

01:41:14,390 --> 01:41:10,710

and you know I I washes from my driveway

1949

01:41:16,729 --> 01:41:14,400

you know and it was cool don't get me

1950

01:41:19,669 --> 01:41:16,739

wrong but I you know I've met several

1951

01:41:22,040 --> 01:41:19,679

people and I've seen some people online

1952

01:41:25,070 --> 01:41:22,050

and I know these are people that have

1953

01:41:27,890 --> 01:41:25,080

you know done psychedelics and and stuff

1954

01:41:30,800 --> 01:41:27,900

and and yet they're saying that this

1955

01:41:32,930 --> 01:41:30,810

totality was like bigger than that and

1956

01:41:35,419 --> 01:41:32,940

life-changing and again that just blows

1957

01:41:37,490 --> 01:41:35,429

my mind no pun intended because I mean I

1958

01:41:41,479 --> 01:41:37,500

watch it and like I said it it was cool

1959

01:41:43,070 --> 01:41:41,489

but to me personally subjectively it

1960

01:41:45,830 --> 01:41:43,080

just it wasn't life-changing I mean it

1961

01:41:48,620 --> 01:41:45,840

was the moon passing from the Sun I mean

1962

01:41:53,760 --> 01:41:48,630

it just wasn't like this huge deal to me

1963

01:42:02,910 --> 01:41:56,160

you know again it's so individualized

1964

01:42:05,370 --> 01:42:02,920

for me I there are a couple of moments

1965

01:42:12,810 --> 01:42:05,380

that I thought were interesting in

1966

01:42:14,250 --> 01:42:12,820

movies where you're watching something

1967

01:42:18,510 --> 01:42:14,260

going on in ancient history and in the

1968

01:42:23,610 --> 01:42:18,520

background there's a comet going across

1969

01:42:26,550 --> 01:42:23,620

the sky right this this crazy cosmic

1970

01:42:30,090 --> 01:42:26,560

event is going on and it's it's over

1971

01:42:32,900 --> 01:42:30,100

well it is such a unique thing because

1972

01:42:36,510 --> 01:42:32,910

day in and day out day in and day out

1973

01:42:39,330 --> 01:42:36,520

everything is the same the the the Sun

1974

01:42:43,200 --> 01:42:39,340

is is rising and setting the moon is in

1975

01:42:46,860 --> 01:42:43,210

the sky and or it is not but it's a

1976

01:42:49,410 --> 01:42:46,870

cyclical thing right unchanging and then

1977

01:42:52,470 --> 01:42:49,420

something like that comes along and for

1978

01:42:55,680 --> 01:42:52,480

me watching it I knew that I have never

1979

01:42:59,850 --> 01:42:55,690

ever ever seen anything like this in my

1980

01:43:02,910 --> 01:42:59,860

life ever yeah yeah

1981

01:43:06,180 --> 01:43:02,920

and so yeah I knew that I was seeing

1982

01:43:08,100 --> 01:43:06,190

something that was I have no I I've

1983

01:43:09,510 --> 01:43:08,110

experienced a lot of things I've never

1984

01:43:12,060 --> 01:43:09,520

seen anything like that

1985

01:43:14,340 --> 01:43:12,070

and to have the temperature drop like it

1986

01:43:15,960 --> 01:43:14,350

did and to be around so many people at

1987

01:43:16,590 --> 01:43:15,970

the same time that we're experiencing it

1988

01:43:32,250 --> 01:43:16,600

I

1989

01:43:33,140 --> 01:43:32,260

be in totality that that is an amazing

1990

01:43:35,820 --> 01:43:33,150

thing to see

1991

01:43:38,580 --> 01:43:35,830

yeah I had my I had my two-year-old son

1992

01:43:41,490 --> 01:43:38,590

with me and he's probably not gonna

1993

01:43:44,310 --> 01:43:41,500

remember it and so when 2024 comes

1994

01:43:47,010 --> 01:43:44,320

around I'll probably drive 200 miles or

1995

01:43:51,090 --> 01:43:47,020

whatever so he can actually remember it

1996

01:43:54,810 --> 01:43:51,100

but uh you mentioned you know you

1997

01:43:56,940 --> 01:43:54,820

brought up movies and stuff and I I'm a

1998

01:43:59,040 --> 01:43:56,950

pretty big fan of a fan you know and

1999

01:44:00,480 --> 01:43:59,050

some of them some of my favorite movies

2000

01:44:03,300 --> 01:44:00,490

I consider kind of life-changing and

2001
01:44:06,450 --> 01:44:03,310
along those lines I guess I guess we all

2002
01:44:10,350 --> 01:44:06,460
are aware that uh Close Encounters

2003
01:44:12,330 --> 01:44:10,360
coming out like tonight mm-hmm got it

2004
01:44:14,250 --> 01:44:12,340
yeah that's like my favorite movie of

2005
01:44:17,160 --> 01:44:14,260
all time and I'm taking my kid and I'm

2006
01:44:18,959 --> 01:44:17,170
just so stoked about that well well I

2007
01:44:22,320 --> 01:44:18,969
won't take you away from that but I'm

2008
01:44:23,790 --> 01:44:22,330
going to ask you this question

2009
01:44:26,300 --> 01:44:23,800
are you ready you think you can answer

2010
01:44:38,910 --> 01:44:32,820
okay you ready why 18-inch pizza is more

2011
01:44:44,820 --> 01:44:38,920
pizza than two 12-inch pizzas [h__\h]

2012
01:44:50,630 --> 01:44:44,830
or not I mean I'm not a mathematician

2013
01:44:56,340 --> 01:44:50,640

but my first instinct is [\h__\h]

2014

01:44:58,680 --> 01:44:56,350

no one 18-inch pizza is more pizza than

2015

01:45:02,070 --> 01:44:58,690

two 12-inch pizzas and all you have to

2016

01:45:07,200 --> 01:45:02,080

do is do the math one eighteen inch

2017

01:45:12,930 --> 01:45:07,210

pizza has an area of 254 square inches

2018

01:45:18,060 --> 01:45:12,940

to 12 inch pizza are 113 square inches

2019

01:45:22,740 --> 01:45:18,070

each for total of 226 square inches so

2020

01:45:26,760 --> 01:45:22,750

therefore 118 inch pizza is much larger

2021

01:45:29,280 --> 01:45:26,770

than two 12-inch pizzas so there you go

2022

01:45:30,840 --> 01:45:29,290

Kevin from st. Louis you just learned

2023

01:45:33,990 --> 01:45:30,850

something tonight now go watch Close

2024

01:45:36,450 --> 01:45:34,000

Encounters with your son I can't wait

2025

01:45:39,990 --> 01:45:36,460

have a good night my friend and enjoy

2026

01:45:43,110 --> 01:45:40,000

your Labor Day weekend see you Jimmy

2027

01:45:48,050 --> 01:45:43,120

thank you so much and and you know that

2028

01:45:56,400 --> 01:45:52,020

came out I had to do it if you remember

2029

01:45:57,690 --> 01:45:56,410

there is a movie it's called Amazon

2030

01:45:59,580 --> 01:45:57,700

women on the moon

2031

01:46:02,729 --> 01:45:59,590

and if you haven't seen it go see it

2032

01:46:05,280 --> 01:46:02,739

it's a I don't know how you would get it

2033

01:46:08,040 --> 01:46:05,290

I don't even know if it's on DVD I had

2034

01:46:12,090 --> 01:46:08,050

it on VHS forever maybe I do have it on

2035

01:46:15,990 --> 01:46:12,100

DVD but I'm sure it's on Netflix I would

2036

01:46:18,270 --> 01:46:16,000

think maybe even on on YouTube but it's

2037

01:46:20,250 --> 01:46:18,280

called Amazon women on the moon and it's

2038

01:46:23,850 --> 01:46:20,260

a bunch of short clips that go through

2039

01:46:26,129 --> 01:46:23,860

a bunch of different directors Landis

2040

01:46:29,069 --> 01:46:26,139

directed I don't know if Spielberg did

2041

01:46:32,250 --> 01:46:29,079

one or not but anyway a bunch of

2042

01:46:33,839 --> 01:46:32,260

directors directed these short clips and

2043

01:46:36,029 --> 01:46:33,849

they put it together for one continuous

2044

01:46:41,669 --> 01:46:36,039

movie it's hilarious but there is one

2045

01:46:45,509 --> 01:46:41,679

segment in there called BS or not soap

2046

01:46:47,729 --> 01:46:45,519

in the mouth yeah and and and I just had

2047

01:46:51,660 --> 01:46:47,739

to say it it's a really funny segment in

2048

01:46:53,189 --> 01:46:51,670

the movie okay open lines three two

2049

01:46:55,890 --> 01:46:53,199

three eight two five five zero four or

2050

01:46:58,470 --> 01:46:55,900

five or three two three two seven five

2051

01:47:04,819 --> 01:46:58,480

nine six nine five talking about uni

2052

01:47:09,540 --> 01:47:04,829

wiki again go and check out the website

2053

01:47:12,689 --> 01:47:09,550

it is amazing go and check it out right

2054

01:47:14,339 --> 01:47:12,699

now and and and take the survey create

2055

01:47:17,549 --> 01:47:14,349

your account

2056

01:47:19,709 --> 01:47:17,559

think about contributing something look

2057

01:47:21,810 --> 01:47:19,719

at the workshops check it all out if

2058

01:47:25,919 --> 01:47:21,820

you've if you've contributed if you've

2059

01:47:28,020 --> 01:47:25,929

started creating and I do want to hear

2060

01:47:31,319 --> 01:47:28,030

from you I want to hear how excited you

2061

01:47:34,770 --> 01:47:31,329

are because like I said the engine is

2062

01:47:37,290 --> 01:47:34,780

built everything is finished and this is

2063

01:47:40,439 --> 01:47:37,300

getting ready to to take over our

2064

01:47:43,529 --> 01:47:40,449

community and how exciting is it that

2065

01:47:47,339 --> 01:47:43,539

you the game-changer Network the fader

2066

01:47:50,220 --> 01:47:47,349

not modern masters John and Dana and

2067

01:47:53,700 --> 01:47:50,230

everybody that is behind this is taking

2068

01:47:56,609 --> 01:47:53,710

part I was just looking at Twitter one

2069

01:47:58,680 --> 01:47:56,619

of our fate or nots Eric's dead is now

2070

01:48:01,140 --> 01:47:58,690

gonna be one of the artists that is

2071

01:48:04,890 --> 01:48:01,150

involved over with uni wiki and and

2072

01:48:07,529 --> 01:48:04,900

modern masters and looking at his tweet

2073

01:48:10,890 --> 01:48:07,539

here the tools for this shift are in

2074

01:48:14,700 --> 01:48:10,900

place and operating nothing stopping

2075

01:48:18,930 --> 01:48:14,710

that now Eric you are exactly right and

2076

01:48:20,879 --> 01:48:18,940

Eric your artwork is absolutely amazing

2077

01:48:23,009 --> 01:48:20,889

I'm just letting you know right now I

2078

01:48:28,080 --> 01:48:23,019

don't even know if as Eric ever called

2079

01:48:29,910 --> 01:48:28,090

in to the show I don't know Eric call in

2080

01:48:37,580 --> 01:48:29,920

you are the new artist over there I

2081

01:48:43,970 --> 01:48:41,060

there you go all right

2082

01:48:48,709 --> 01:48:43,980

I'm reading Twitter just a bit too much

2083

01:48:52,129 --> 01:48:48,719

okay some crazy crazy breaking news

2084

01:48:55,399 --> 01:48:52,139

right now I've been waiting for this to

2085

01:48:59,720 --> 01:48:55,409

happen for a very long time but it hit

2086

01:49:01,370 --> 01:48:59,730

the it hit the news wire today the Food

2087

01:49:06,200 --> 01:49:01,380

and Drug Administration has approved the

2088

01:49:09,140 --> 01:49:06,210

first-ever gene therapy to treat cancer

2089

01:49:10,879 --> 01:49:09,150

here in the US the treatment offers a

2090

01:49:12,500 --> 01:49:10,889

totally new approach for fighting the

2091

01:49:14,060 --> 01:49:12,510

disease and could lead to novel

2092

01:49:17,629 --> 01:49:14,070

treatments of other serious and

2093

01:49:21,709 --> 01:49:17,639

life-threatening diseases now yesterday

2094

01:49:23,990 --> 01:49:21,719

the FDA approved a new leukemia

2095

01:49:27,800 --> 01:49:24,000

treatment from the Swiss pharmaceutical

2096

01:49:31,399 --> 01:49:27,810

company Novartis now which the agency

2097

01:49:34,399 --> 01:49:31,409

said is the first gene therapy available

2098

01:49:37,100 --> 01:49:34,409

in the United States the treatment

2099

01:49:43,550 --> 01:49:37,110

called chimera is a genetically modified

2100

01:49:47,540 --> 01:49:43,560

T cell in the immunotherapy which each

2101

01:49:51,649 --> 01:49:47,550

dose is created by using the patient's

2102

01:49:53,419 --> 01:49:51,659

own t-cells each patient's t-cells are

2103

01:49:56,090 --> 01:49:53,429

then sent to a manufacturing center

2104

01:49:58,760 --> 01:49:56,100

where they are genetically modified to

2105

01:50:01,490 --> 01:49:58,770

include a new gene that contains a

2106

01:50:06,140 --> 01:50:01,500

specific protein the card cells are

2107

01:50:09,500 --> 01:50:06,150

known as a living drug are then infused

2108

01:50:15,859 --> 01:50:09,510

back into the patient where they target

2109

01:50:18,439 --> 01:50:15,869

and kill leukemia cells when when all of

2110

01:50:21,229 --> 01:50:18,449

this gene therapy and the possibility of

2111

01:50:24,439 --> 01:50:21,239

this and t-cells were talked about over

2112

01:50:25,939 --> 01:50:24,449

the last five years I know I thought the

2113

01:50:27,800 --> 01:50:25,949

same things that everybody else thought

2114

01:50:29,359 --> 01:50:27,810

but you know what it sounds good man but

2115

01:50:30,740 --> 01:50:29,369

it'll never hit the market there's gonna

2116

01:50:32,540 --> 01:50:30,750

be problems with this it's never gonna

2117

01:50:33,830 --> 01:50:32,550

work they're never gonna do it they're

2118

01:50:37,209 --> 01:50:33,840

never gonna cure kids they're never

2119

01:50:42,470 --> 01:50:37,219

gonna do and here we have the first

2120

01:50:46,660 --> 01:50:42,480

living therapy ever in the United States

2121

01:50:50,229 --> 01:50:46,670

announced yesterday now the question is

2122

01:50:51,729 --> 01:50:50,239

is it going to be too expensive are they

2123

01:50:53,709 --> 01:50:51,739

going to be profit here is it going to

2124

01:50:56,290 --> 01:50:53,719

be ridiculous or is it going to be

2125

01:50:58,840 --> 01:50:56,300

available to the masses to anybody with

2126
01:51:01,930 --> 01:50:58,850
leukemia and that's one of the problems

2127
01:51:08,470 --> 01:51:01,940
you know that that I just have with with

2128
01:51:12,150 --> 01:51:08,480
all of this I was just watching the iron

2129
01:51:15,340 --> 01:51:12,160
fist is that what it is the iron fist

2130
01:51:17,939 --> 01:51:15,350
the Avengers a TV series I can't

2131
01:51:21,070 --> 01:51:17,949
remember is that what it's called

2132
01:51:23,410 --> 01:51:21,080
anyway that was part of one of the

2133
01:51:26,740 --> 01:51:23,420
subplots in the film or in the series

2134
01:51:28,390 --> 01:51:26,750
was profiteering off of drugs right the

2135
01:51:30,070 --> 01:51:28,400
drugs were costing nothing but they were

2136
01:51:32,620 --> 01:51:30,080
gonna charge hundreds of dollars per

2137
01:51:34,300 --> 01:51:32,630
pill whatever it was and I know it's

2138
01:51:36,790 --> 01:51:34,310

written into the script and it's it's

2139

01:51:39,850 --> 01:51:36,800

it's interesting to watch but that's

2140

01:51:45,130 --> 01:51:39,860

actually what goes on today so to have

2141

01:51:48,910 --> 01:51:45,140

something like this an actual living

2142

01:51:51,850 --> 01:51:48,920

drug a living drug T cells from a

2143

01:51:54,040 --> 01:51:51,860

patient and and then and then brought

2144

01:51:55,630 --> 01:51:54,050

back and infused back into the body

2145

01:51:57,550 --> 01:51:55,640

where it's gonna actually turn around

2146

01:52:00,370 --> 01:51:57,560

and that gene modification is gonna

2147

01:52:03,930 --> 01:52:00,380

attack and kill leukemia it sounds

2148

01:52:06,130 --> 01:52:03,940

amazing but is it gonna be too expensive

2149

01:52:07,660 --> 01:52:06,140

there you go let's go back to the phones

2150

01:52:13,300 --> 01:52:07,670

hi you're live on fade to black who's

2151
01:52:19,390 --> 01:52:13,310
calling me to call hey Eric how are you

2152
01:52:21,669 --> 01:52:19,400
brother oh stop it man I'm talking to

2153
01:52:24,669 --> 01:52:21,679
Eric's dead that's a that's a big deal

2154
01:52:28,390 --> 01:52:24,679
man you're hey hey listen and I know

2155
01:52:29,620 --> 01:52:28,400
you've heard me say this to you but I'll

2156
01:52:32,160 --> 01:52:29,630
say I'm just gonna say it right now

2157
01:52:35,979 --> 01:52:32,170
you're an amazing artist man you are

2158
01:52:38,709 --> 01:52:35,989
absolutely amazing and just thank you

2159
01:52:41,080 --> 01:52:38,719
and thank you for starting to work with

2160
01:52:43,870 --> 01:52:41,090
us in our community I mean my hat's off

2161
01:52:47,439 --> 01:52:43,880
to you and pretty exciting stuff isn't

2162
01:52:50,620 --> 01:52:47,449
it I'm guided by heart and I'm led by

2163
01:52:53,290 --> 01:52:50,630

all of yours and I would not be anywhere

2164

01:52:56,950 --> 01:52:53,300

near what I'm doing right now so wasn't

2165

01:52:59,839 --> 01:52:56,960

for you and all the faders fan and I I

2166

01:53:02,479 --> 01:52:59,849

love you all madly well you know and

2167

01:53:03,919 --> 01:53:02,489

where makes me want to cry oh stop it

2168

01:53:05,479 --> 01:53:03,929

I'm gonna start crying you should see

2169

01:53:07,490 --> 01:53:05,489

Twitter's all lighting up right now you

2170

01:53:11,209 --> 01:53:07,500

know if you're watching it

2171

01:53:15,229 --> 01:53:11,219

where can everybody go right now to go

2172

01:53:19,609 --> 01:53:15,239

and check out your artwork well I've got

2173

01:53:25,879 --> 01:53:19,619

my main website and that is Eric stick

2174

01:53:29,810 --> 01:53:25,889

art dot blog spot.com and from there you

2175

01:53:31,339 --> 01:53:29,820

can look at my two pages that I have of

2176

01:53:33,290 --> 01:53:31,349

two different types of artwork my

2177

01:53:36,620 --> 01:53:33,300

illustrative work as well as my fine art

2178

01:53:39,560 --> 01:53:36,630

and then there's my portfolio page that

2179

01:53:42,319 --> 01:53:39,570

is directly linked to their over to art

2180

01:53:45,740 --> 01:53:42,329

station man I'm going to I'm looking at

2181

01:53:49,399 --> 01:53:45,750

your stuff right now and I got dude I

2182

01:53:50,000 --> 01:53:49,409

mean do you have a clue how talented you

2183

01:53:52,970 --> 01:53:50,010

are

2184

01:53:57,709 --> 01:53:52,980

do you have a clue you don't do you I've

2185

01:54:00,560 --> 01:53:57,719

been trying to get noticed and whatever

2186

01:54:03,530 --> 01:54:00,570

it is you call it discovered for almost

2187

01:54:03,979 --> 01:54:03,540

30 years and Here I am almost 51 years

2188

01:54:08,569 --> 01:54:03,989

old

2189

01:54:11,839 --> 01:54:08,579

and finally somebody's noticing oh man I

2190

01:54:16,040 --> 01:54:11,849

gotta tell you I'm tweeting it out right

2191

01:54:19,100 --> 01:54:16,050

now I'm doing it but bless your heart

2192

01:54:20,169 --> 01:54:19,110

Jimmy oh come on man you you you got the

2193

01:54:25,419 --> 01:54:20,179

mad skills

2194

01:54:29,149 --> 01:54:25,429

I've just got it out there right now

2195

01:54:31,189 --> 01:54:29,159

everybody retweet and let's get that all

2196

01:54:33,859 --> 01:54:31,199

out there so everybody can go check out

2197

01:54:36,020 --> 01:54:33,869

Eric's artwork and I remember the first

2198

01:54:42,580 --> 01:54:36,030

time I went and looked at your staff a

2199

01:54:45,140 --> 01:54:42,590

night man this guy is good I mean good I

2200

01:54:47,000 --> 01:54:45,150

keep waiting for you to send me your

2201
01:54:49,609 --> 01:54:47,010
info so I could say me the David Bowie

2202
01:54:52,520 --> 01:54:49,619
Chris I know you like that and I just

2203
01:54:56,990 --> 01:54:52,530
want to I want to get one free sign it

2204
01:54:59,240 --> 01:54:57,000
and then send it no I I would love the

2205
01:55:02,000 --> 01:54:59,250
greatest honor I could have is that

2206
01:55:04,459 --> 01:55:02,010
singing in the SUV studio somewhere and

2207
01:55:07,370 --> 01:55:04,469
all of the guys who can afford a

2208
01:55:09,200 --> 01:55:07,380
membership to watch you on your little

2209
01:55:11,270 --> 01:55:09,210
camera there could see David Bowie in

2210
01:55:14,810 --> 01:55:11,280
the back

2211
01:55:17,750 --> 01:55:14,820
I will I will absolutely do that they'll

2212
01:55:22,880 --> 01:55:17,760
do that with a great honor because that

2213
01:55:25,130 --> 01:55:22,890

film means so much to me to all of us

2214

01:55:28,540 --> 01:55:25,140

that have seen it I mean it is just one

2215

01:55:32,090 --> 01:55:28,550

of the more emotional and moving

2216

01:55:34,640 --> 01:55:32,100

films about ET of you know I'm talking

2217

01:55:36,890 --> 01:55:34,650

about the man that fell to earth and so

2218

01:55:39,140 --> 01:55:36,900

I'm looking through this is probably a

2219

01:55:40,700 --> 01:55:39,150

year ago you know it was a while ago

2220

01:55:47,600 --> 01:55:40,710

and I'm looking through your stuff and

2221

01:55:50,270 --> 01:55:47,610

I'm like oh my look at this this guy is

2222

01:55:52,820 --> 01:55:50,280

so good and and now that that is just

2223

01:55:54,650 --> 01:55:52,830

one element of what you do you know and

2224

01:55:58,550 --> 01:55:54,660

that I connected with that painting

2225

01:56:00,440 --> 01:55:58,560

right away but it's it's the the the

2226

01:56:03,230 --> 01:56:00,450

breadth of your work and and how

2227

01:56:04,370 --> 01:56:03,240

talented you are you are really really

2228

01:56:07,070 --> 01:56:04,380

really talented

2229

01:56:09,020 --> 01:56:07,080

so tell me about what look we're gonna

2230

01:56:13,370 --> 01:56:09,030

head towards a break here

2231

01:56:14,570 --> 01:56:13,380

tell me about uni wiki and and modern

2232

01:56:18,290 --> 01:56:14,580

masters and what you're going to be

2233

01:56:21,400 --> 01:56:18,300

doing for him well I'm not really

2234

01:56:24,020 --> 01:56:21,410

involved directly with Union wiki but

2235

01:56:27,530 --> 01:56:24,030

I've been in contact now for almost a

2236

01:56:30,710 --> 01:56:27,540

month with jeong-hwan and he's assembled

2237

01:56:33,500 --> 01:56:30,720

a team of three or four artists from all

2238

01:56:39,590 --> 01:56:33,510

over the world to be the modern masters

2239

01:56:42,140 --> 01:56:39,600

art team the exact projects that we're

2240

01:56:44,180 --> 01:56:42,150

going to be working on don't exactly

2241

01:56:46,850 --> 01:56:44,190

know yet we're supposed to be hooking up

2242

01:56:50,300 --> 01:56:46,860

in the modern masters chat room to hash

2243

01:56:53,240 --> 01:56:50,310

that all out and get our projects going

2244

01:56:55,490 --> 01:56:53,250

and I'm pretty excited about that and

2245

01:56:57,770 --> 01:56:55,500

I'm eager to see what I what I'm going

2246

01:57:00,260 --> 01:56:57,780

to be doing and what I'm going to be

2247

01:57:02,150 --> 01:57:00,270

contributing and or if I'm going to be

2248

01:57:03,800 --> 01:57:02,160

paired up with anybody and working with

2249

01:57:07,940 --> 01:57:03,810

them and there's gonna be any collabs

2250

01:57:09,710 --> 01:57:07,950

and it's very exciting to me just and

2251

01:57:11,810 --> 01:57:09,720

everything that's going on over there

2252

01:57:14,510 --> 01:57:11,820

and what what we're all doing very much

2253

01:57:16,250 --> 01:57:14,520

so it's like I said there's a shift

2254

01:57:19,010 --> 01:57:16,260

happening everybody's raising their

2255

01:57:20,630 --> 01:57:19,020

frequency and we're all going to be able

2256

01:57:23,690 --> 01:57:20,640

to see the stuff that's been there to

2257

01:57:24,650 --> 01:57:23,700

see all along and we do it through love

2258

01:57:28,430 --> 01:57:24,660

and kindness

2259

01:57:29,120 --> 01:57:28,440

then just stop being so doggone mean to

2260

01:57:32,510 --> 01:57:29,130

each other

2261

01:57:37,310 --> 01:57:32,520

yeah have you checked out Alex Wakefield

2262

01:57:42,200 --> 01:57:37,320

by the way yes okay he's another artist

2263

01:57:45,220 --> 01:57:42,210

that Alex just tweeted out to you Eric's

2264

01:57:48,320 --> 01:57:45,230

got mad skills

2265

01:57:51,410 --> 01:57:48,330

Alex Alex is somebody else the both of

2266

01:57:53,180 --> 01:57:51,420

you we have so many great fader nots out

2267

01:57:55,970 --> 01:57:53,190

there that are so good with the art you

2268

01:57:58,280 --> 01:57:55,980

know like Carole Perrault and and you

2269

01:57:59,600 --> 01:57:58,290

know we've had some great friendships

2270

01:58:03,410 --> 01:57:59,610

that have been built through this show

2271

01:58:05,330 --> 01:58:03,420

but Alex Wakefield and and his artwork

2272

01:58:07,760 --> 01:58:05,340

he's somebody else out there the part of

2273

01:58:11,990 --> 01:58:07,770

the fader not family that I'm talking

2274

01:58:14,120 --> 01:58:12,000

about extreme talent and Alex just for

2275

01:58:16,280 --> 01:58:14,130

some I got so much respect for Alex and

2276

01:58:19,040 --> 01:58:16,290

he just came like Michael Avon oming

2277

01:58:21,020 --> 01:58:19,050

right Michael oming is a fader nan it's

2278

01:58:23,690 --> 01:58:21,030

been here from from the very beginning

2279

01:58:25,670 --> 01:58:23,700

and we have some of the greatest artists

2280

01:58:27,080 --> 01:58:25,680

that I think that are on this planet

2281

01:58:29,300 --> 01:58:27,090

right now when we hang out with each

2282

01:58:31,640 --> 01:58:29,310

other every single night because of this

2283

01:58:34,010 --> 01:58:31,650

show so Eric thank you for all that you

2284

01:58:35,780 --> 01:58:34,020

do modern masters and of course you're

2285

01:58:37,130 --> 01:58:35,790

gonna be folded over in the you new wiki

2286

01:58:39,470 --> 01:58:37,140

you don't have a choice with that and

2287

01:58:42,500 --> 01:58:39,480

and just thank you so much

2288

01:58:44,780 --> 01:58:42,510

okay now go say thank you go say thank

2289

01:58:47,900 --> 01:58:44,790

you give my love to

2290

01:58:55,790 --> 01:58:47,910

well you and Rita and I love you theater

2291

01:58:57,890 --> 01:58:55,800

family and hey go go get a Kleenex and

2292

01:59:00,320 --> 01:58:57,900

then go enjoy the rest of your weekend

2293

01:59:04,250 --> 01:59:00,330

thank you so much Eric you are the best

2294

01:59:07,460 --> 01:59:04,260

man right back at you

2295

01:59:08,600 --> 01:59:07,470

Eric stit how cool is that right here

2296

01:59:13,570 --> 01:59:08,610

fade to black

2297

01:59:16,370 --> 01:59:13,580

all right it's open lines all night long

2298

01:59:25,350 --> 01:59:16,380

fade to black I'll be right back

2299

01:59:31,959 --> 01:59:28,630

this is kera digital broadcasting

2300

01:59:36,340 --> 01:59:31,969

station Salt Lake City Utah Van Buren

2301

01:59:38,860 --> 01:59:36,350

Arkansas let's get this man to the ER

2302

01:59:41,410 --> 01:59:38,870

stat right away doctor we see this every

2303

01:59:43,840 --> 01:59:41,420

day heart attack or angina pain due to

2304

01:59:46,209 --> 01:59:43,850

blocked and clogged arteries chelation

2305

01:59:48,370 --> 01:59:46,219

can remove obstructions or blockages

2306

01:59:49,510 --> 01:59:48,380

from arteries and help avoid painful and

2307

01:59:51,729 --> 01:59:49,520

expensive surgery

2308

01:59:53,650 --> 01:59:51,739

now there's angio prim it's a liquid

2309

01:59:55,600 --> 01:59:53,660

oral chelation product that you take

2310

01:59:58,150 --> 01:59:55,610

with juice you start to feel the results

2311

02:00:00,100 --> 01:59:58,160

fast angio primm increases blood flow

2312

02:00:02,290 --> 02:00:00,110

all over the body and that means more

2313

02:00:05,110 --> 02:00:02,300

energy and strength to take on the day

2314

02:00:07,000 --> 02:00:05,120

with less aches and pains 60 years of

2315

02:00:08,170 --> 02:00:07,010

research has gone into chelation and

2316

02:00:10,510 --> 02:00:08,180

angiogram

2317

02:00:12,729 --> 02:00:10,520

is the result a safe and easy way to

2318

02:00:14,860 --> 02:00:12,739

unblock your veins and arteries from

2319

02:00:16,600 --> 02:00:14,870

buildup that slow circulation shaping

2320

02:00:18,640 --> 02:00:16,610

dr. Jones please report to the emergency

2321

02:00:20,950 --> 02:00:18,650

room right away log on now for a special

2322

02:00:25,360 --> 02:00:20,960

radio offer from angio primm that's

2323

02:00:28,420 --> 02:00:25,370

angio prim calm / radio ang io PRI m

2324

02:00:31,150 --> 02:00:28,430

angio prim calm / radio are called eight

2325

02:00:32,890 --> 02:00:31,160

seven seven eight eight to 72 21 that's

2326
02:00:37,840 --> 02:00:32,900
eight seven seven eight eight to seventy

2327
02:00:41,260 --> 02:00:37,850
to 21 so you love talk radio then you'll

2328
02:00:44,320 --> 02:00:41,270
love talk stream live.com talk stream

2329
02:00:46,510 --> 02:00:44,330
live is always on 24/7 with the best

2330
02:00:48,640 --> 02:00:46,520
streaming talk shows find your favorite

2331
02:00:51,700 --> 02:00:48,650
talkers and discover some new ones it's

2332
02:00:52,959 --> 02:00:51,710
free readily available online or on the

2333
02:00:55,000 --> 02:00:52,969
smartphone or tablet

2334
02:00:57,040 --> 02:00:55,010
finding your favorite talk shows all in

2335
02:01:00,459 --> 02:00:57,050
one place has gotten a whole lot easier

2336
02:01:01,959 --> 02:01:00,469
just go to talk stream live.com be sure

2337
02:01:06,560 --> 02:01:01,969
to download the free apps from Google

2338
02:01:08,750 --> 02:01:06,570

Play or the itunes app store your

2339

02:01:13,550 --> 02:01:08,760

for current news and trending topics

2340

02:01:15,530 --> 02:01:13,560

kera radio.com do you worry a lot if

2341

02:01:17,330 --> 02:01:15,540

you're forgetful nervous smoothie are

2342

02:01:19,670 --> 02:01:17,340

overwhelmed chances are you're not

2343

02:01:22,040 --> 02:01:19,680

protecting yourself from the ravaging

2344

02:01:24,800 --> 02:01:22,050

effects of stress and anxiety no matter

2345

02:01:26,690 --> 02:01:24,810

the cause ongoing stress and elevated

2346

02:01:29,210 --> 02:01:26,700

levels of the stress hormone cortisol

2347

02:01:31,850 --> 02:01:29,220

can rob your memory your health your

2348

02:01:34,070 --> 02:01:31,860

quality of life and your future now you

2349

02:01:36,200 --> 02:01:34,080

can combat the effects of stress and

2350

02:01:38,600 --> 02:01:36,210

anxiety while improving your memory and

2351
02:01:41,210 --> 02:01:38,610
recall at the same time with the dietary

2352
02:01:43,070 --> 02:01:41,220
supplement calm and clever studies show

2353
02:01:46,370 --> 02:01:43,080
that the ingredients in common clever

2354
02:01:48,770 --> 02:01:46,380
reduce cortisol by as much as 30% in as

2355
02:01:51,020 --> 02:01:48,780
little as one to two weeks and increase

2356
02:01:53,600 --> 02:01:51,030
your ability to recall facts names and

2357
02:01:55,670 --> 02:01:53,610
numbers in four to 12 weeks calm and

2358
02:01:57,950 --> 02:01:55,680
clever was created by scientist Kurt

2359
02:02:00,590 --> 02:01:57,960
Hendricks a principal investigator in

2360
02:02:02,780 --> 02:02:00,600
two NIH funded studies on Alzheimer's

2361
02:02:05,090 --> 02:02:02,790
disease try calm and clever for two

2362
02:02:07,400 --> 02:02:05,100
months you'll feel the difference

2363
02:02:10,420 --> 02:02:07,410

call 1-800 seven five eight eight seven

2364

02:02:12,590 --> 02:02:10,430

four six or go to calm and clever calm

2365

02:02:14,330 --> 02:02:12,600

did you know that when you're on the

2366

02:02:16,790 --> 02:02:14,340

road with limited data or Wi-Fi

2367

02:02:18,710 --> 02:02:16,800

available you can still listen to every

2368

02:02:21,530 --> 02:02:18,720

minute of fade to black by just calling

2369

02:02:24,560 --> 02:02:21,540

six oh five five six two four four eight

2370

02:02:27,020 --> 02:02:24,570

two no smartphone app or internet needed

2371

02:02:29,630 --> 02:02:27,030

it saves your data plan and no extra

2372

02:02:32,480 --> 02:02:29,640

cost if you have unlimited minutes just

2373

02:02:34,730 --> 02:02:32,490

call six oh five five six two four four

2374

02:02:37,340 --> 02:02:34,740

eight two you can listen to me Jimmy

2375

02:02:44,210 --> 02:02:37,350

Church on any phone anytime anywhere

2376

02:02:48,210 --> 02:02:46,180

[Music]

2377

02:02:50,500 --> 02:02:48,220

[Applause]

2378

02:02:54,610 --> 02:02:50,510

you want to know a secret

2379

02:02:57,550 --> 02:02:54,620

I love police I really love ponies I'm

2380

02:03:01,840 --> 02:02:57,560

serious I couldn't stay sane without

2381

02:03:07,689 --> 02:03:01,850

poor mr. Brooks life aids apart because

2382

02:03:13,120 --> 02:03:10,090

this is fade to black with Jimmy Church

2383

02:03:18,010 --> 02:03:13,130

on the game changer radio network and K

2384

02:03:18,020 --> 02:03:29,640

[Music]

2385

02:03:34,239 --> 02:03:32,140

all right welcome back fade to black

2386

02:03:37,330 --> 02:03:34,249

I'm Narasimha Church Thursday night

2387

02:03:38,649 --> 02:03:37,340

fainter nights open lines all night long

2388

02:03:40,959 --> 02:03:38,659

three two three eighteen five five zero

2389

02:03:44,709 --> 02:03:40,969

four five four three two three two seven

2390

02:03:46,989 --> 02:03:44,719

five nine six and nine five all right

2391

02:03:48,479 --> 02:03:46,999

let's go back to the phones hi you're

2392

02:03:51,009 --> 02:03:48,489

live on beta-blockers Cohen

2393

02:03:54,279 --> 02:03:51,019

hey mr. Church how's it going it's Jason

2394

02:03:57,219 --> 02:03:54,289

hey Jason how are you I'm doing well how

2395

02:03:59,589 --> 02:03:57,229

about stuff I'm doing fantastic its fate

2396

02:04:02,489 --> 02:03:59,599

or night you know of course absolutely

2397

02:04:05,830 --> 02:04:02,499

that's like that's night of the week

2398

02:04:08,169 --> 02:04:05,840

yeah you know it's it's it's a bold

2399

02:04:09,819 --> 02:04:08,179

statement when you have you know the

2400

02:04:13,600 --> 02:04:09,829

great guests on and everything but

2401
02:04:14,709 --> 02:04:13,610
there's something about the magic of the

2402
02:04:16,540 --> 02:04:14,719
fader not too bringing everybody

2403
02:04:17,649 --> 02:04:16,550
together and just taking phone calls all

2404
02:04:20,500 --> 02:04:17,659
night and hanging out and having a

2405
02:04:21,160 --> 02:04:20,510
conversation it is just it's so special

2406
02:04:23,140 --> 02:04:21,170
to me

2407
02:04:26,709 --> 02:04:23,150
so there you go there what's on your

2408
02:04:30,310 --> 02:04:26,719
mind uh yeah first I wanted to give a

2409
02:04:33,339 --> 02:04:30,320
shout out to Eric

2410
02:04:36,489 --> 02:04:33,349
yeah his artwork is just amazing you

2411
02:04:38,799 --> 02:04:36,499
know it's it's he is as advertised as

2412
02:04:40,569 --> 02:04:38,809
you said and have him involved with

2413
02:04:42,669 --> 02:04:40,579

modern masters that you know they're

2414

02:04:44,979 --> 02:04:42,679

lucky to have them yeah no doubt no

2415

02:04:46,989 --> 02:04:44,989

doubt no doubt

2416

02:04:49,359 --> 02:04:46,999

yeah I actually one of the caucus you

2417

02:04:51,419 --> 02:04:49,369

asked for people who are involved in you

2418

02:04:53,709 --> 02:04:51,429

know wiki and I'm actually working with

2419

02:04:56,199 --> 02:04:53,719

John and a couple other people doing

2420

02:04:58,060 --> 02:04:56,209

research for the the first podcast for

2421

02:05:02,620 --> 02:04:58,070

the portals Oh excellent excellent

2422

02:05:03,390 --> 02:05:02,630

access it's and uh yeah go ahead go

2423

02:05:07,239 --> 02:05:03,400

ahead go ahead

2424

02:05:09,040 --> 02:05:07,249

no um no it's it's actually it's been a

2425

02:05:10,180 --> 02:05:09,050

great collaborative process so far

2426

02:05:11,770 --> 02:05:10,190

because you know each one of us

2427

02:05:13,359 --> 02:05:11,780

everybody brings something different to

2428

02:05:16,209 --> 02:05:13,369

the table and everybody is enthusiastic

2429

02:05:18,910 --> 02:05:16,219

and and just the things that people have

2430

02:05:21,310 --> 02:05:18,920

been digging up so far on on the portals

2431

02:05:23,799 --> 02:05:21,320

research has just been eye-opening and

2432

02:05:26,949 --> 02:05:23,809

it it really being involved in the

2433

02:05:29,919 --> 02:05:26,959

project has been it's been a pleasure

2434

02:05:31,750 --> 02:05:29,929

for me and AOA and just contributing in

2435

02:05:33,759 --> 02:05:31,760

any little ways possible right now I'm

2436

02:05:37,839 --> 02:05:33,769

looking into portals as it relate to

2437

02:05:42,070 --> 02:05:37,849

ancient sites and basically ancient

2438

02:05:44,590 --> 02:05:42,080

myths on portals and it's

2439

02:05:46,480 --> 02:05:44,600

in journey discovery personally and it's

2440

02:05:49,330 --> 02:05:46,490

been nice to be able to contribute to

2441

02:05:51,790 --> 02:05:49,340

the project as a whole you know yep and

2442

02:05:53,980 --> 02:05:51,800

we're just you know our first month into

2443

02:05:58,180 --> 02:05:53,990

uni wiki it's been you know being put

2444

02:06:02,350 --> 02:05:58,190

together over the last year but it is so

2445

02:06:04,120 --> 02:06:02,360

exciting and I know that I share the

2446

02:06:08,850 --> 02:06:04,130

same vision that everybody else does

2447

02:06:12,010 --> 02:06:08,860

with this this is going to be the

2448

02:06:15,430 --> 02:06:12,020

depository the the go to the knowledge

2449

02:06:17,950 --> 02:06:15,440

base of our community forever

2450

02:06:21,550 --> 02:06:17,960

after after this and it is just going to

2451
02:06:24,430 --> 02:06:21,560
continue to grow and be huge but all of

2452
02:06:27,730 --> 02:06:24,440
us who are here at the ground floor as

2453
02:06:29,590 --> 02:06:27,740
this has launched and you know not only

2454
02:06:32,350 --> 02:06:29,600
with modern masters and the game-changer

2455
02:06:36,340 --> 02:06:32,360
network and and this thing but it's

2456
02:06:40,090 --> 02:06:36,350
about knowledge and a foundation for us

2457
02:06:42,730 --> 02:06:40,100
that has never been done before nobody

2458
02:06:44,470 --> 02:06:42,740
has done this and this network and the

2459
02:06:48,520 --> 02:06:44,480
collaborations that we have put together

2460
02:06:51,040 --> 02:06:48,530
with so many great minds this thing is

2461
02:06:54,400 --> 02:06:51,050
going to continue to build upon itself

2462
02:06:57,370 --> 02:06:54,410
and and be just absolutely great and

2463
02:07:00,040 --> 02:06:57,380

we're all gonna look back and go I was

2464

02:07:02,230 --> 02:07:00,050

there I remember when this happened I

2465

02:07:07,330 --> 02:07:02,240

remember when this launched I was there

2466

02:07:10,690 --> 02:07:07,340

and as big as Wikipedia is today right

2467

02:07:12,580 --> 02:07:10,700

just imagine if you were at the very

2468

02:07:15,490 --> 02:07:12,590

beginning when that launched and you

2469

02:07:18,040 --> 02:07:15,500

were part of it and and you know because

2470

02:07:20,830 --> 02:07:18,050

it started with nothing to you know and

2471

02:07:22,930 --> 02:07:20,840

and it built into this huge thing that's

2472

02:07:26,250 --> 02:07:22,940

exactly what is going on right now and

2473

02:07:29,770 --> 02:07:26,260

it is exciting man I think it is so cool

2474

02:07:31,930 --> 02:07:29,780

it is it's really interesting to sort of

2475

02:07:33,400 --> 02:07:31,940

see the building blocks you know it's

2476
02:07:35,860 --> 02:07:33,410
almost like you start with one and then

2477
02:07:37,720 --> 02:07:35,870
you get a two and then it's four in six

2478
02:07:39,910 --> 02:07:37,730
and eight and you can see how the you

2479
02:07:42,730 --> 02:07:39,920
can really see foundationally how this

2480
02:07:44,560 --> 02:07:42,740
thing can be built to be what we want it

2481
02:07:45,930 --> 02:07:44,570
to be to be a repository of all this

2482
02:07:48,310 --> 02:07:45,940
knowledge and I just like to encourage

2483
02:07:50,140 --> 02:07:48,320
anybody out there who's listening do you

2484
02:07:51,880 --> 02:07:50,150
think they don't know what they have to

2485
02:07:55,270 --> 02:07:51,890
offer and they don't know what they have

2486
02:07:55,930 --> 02:07:55,280
to give go on just go and contribute

2487
02:07:58,090 --> 02:07:55,940
whatever you

2488
02:08:00,310 --> 02:07:58,100

because that that's what we are you know

2489

02:08:02,620 --> 02:08:00,320

we're a repository of people with

2490

02:08:04,540 --> 02:08:02,630

experiences with people with a knowledge

2491

02:08:06,280 --> 02:08:04,550

base that maybe think that they don't

2492

02:08:07,959 --> 02:08:06,290

have much to offer but they do because

2493

02:08:09,250 --> 02:08:07,969

every little bit goes into this and

2494

02:08:10,900 --> 02:08:09,260

that's what we're building that's a

2495

02:08:13,120 --> 02:08:10,910

going knowledge from the ground up you

2496

02:08:16,810 --> 02:08:13,130

know that's exactly it it could be the

2497

02:08:20,709 --> 02:08:16,820

tinest you know all of it everything

2498

02:08:23,189 --> 02:08:20,719

needs to be collected and and and it

2499

02:08:25,990 --> 02:08:23,199

needs to be stored in one spot and you

2500

02:08:28,840 --> 02:08:26,000

may not realize it I'm talking about the

2501

02:08:31,360 --> 02:08:28,850

individual out there you may have this

2502

02:08:34,090 --> 02:08:31,370

one thing that you know everything about

2503

02:08:35,950 --> 02:08:34,100

you've been studying it and you know and

2504

02:08:37,810 --> 02:08:35,960

now what do you do with this

2505

02:08:39,370 --> 02:08:37,820

what do you do with all of this

2506

02:08:42,100 --> 02:08:39,380

information that you've collected your

2507

02:08:44,520 --> 02:08:42,110

little specialty in life this is what

2508

02:08:48,640 --> 02:08:44,530

you do now you contribute to humanity

2509

02:08:52,030 --> 02:08:48,650

get to get what you only you know your

2510

02:08:54,880 --> 02:08:52,040

specialty your thing get it over here to

2511

02:08:56,800 --> 02:08:54,890

uni wiki and and and let's start

2512

02:08:59,290 --> 02:08:56,810

spreading that knowledge and for

2513

02:09:05,320 --> 02:08:59,300

everybody it is very simple it's you and

2514

02:09:08,709 --> 02:09:05,330

I uni wiki WI ki uni wiki dot org that's

2515

02:09:10,360 --> 02:09:08,719

it and and go and experience it and and

2516

02:09:12,100 --> 02:09:10,370

and do all the things that you need to

2517

02:09:16,450 --> 02:09:12,110

do sign up get an account take the

2518

02:09:21,010 --> 02:09:16,460

survey and and get started man and let's

2519

02:09:23,470 --> 02:09:21,020

start changing the game yeah and and I

2520

02:09:25,750 --> 02:09:23,480

just like to say hi to Donnie Rob and

2521

02:09:28,000 --> 02:09:25,760

Keith who are really digging into all

2522

02:09:30,729 --> 02:09:28,010

the all the portals research and really

2523

02:09:33,130 --> 02:09:30,739

building foundationally ground up

2524

02:09:35,590 --> 02:09:33,140

knowledge about you know portals what

2525

02:09:37,300 --> 02:09:35,600

they are where where they come from the

2526

02:09:39,610 --> 02:09:37,310

qualities of portals and I really think

2527

02:09:42,820 --> 02:09:39,620

once everybody's gonna be really excited

2528

02:09:45,189 --> 02:09:42,830

and really happy once the podcast comes

2529

02:09:46,750 --> 02:09:45,199

out on this research because man the

2530

02:09:49,180 --> 02:09:46,760

stuff the stuff that people are digging

2531

02:09:51,729 --> 02:09:49,190

up and what people are bringing to the

2532

02:09:53,620 --> 02:09:51,739

table is really exemplary and and you

2533

02:09:55,990 --> 02:09:53,630

know I just I'm just personally just

2534

02:09:57,670 --> 02:09:56,000

happy to contribute whatever I can it's

2535

02:09:59,800 --> 02:09:57,680

just a little part of it that I can and

2536

02:10:01,660 --> 02:09:59,810

I'm really excited about it not you know

2537

02:10:04,990 --> 02:10:01,670

thank you and the Kaiser Network and

2538

02:10:08,050 --> 02:10:05,000

modern masters and John for doing this

2539

02:10:09,580 --> 02:10:08,060

it's just it's it's almost like four

2540

02:10:12,220 --> 02:10:09,590

months for me personally it's

2541

02:10:15,580 --> 02:10:12,230

almost like I've lived in this realm for

2542

02:10:17,439 --> 02:10:15,590

so long and you know you sort of play on

2543

02:10:19,240 --> 02:10:17,449

the fringes of the carpet but now you

2544

02:10:21,280 --> 02:10:19,250

know you get to see you get to see the

2545

02:10:22,899 --> 02:10:21,290

weave you know you get to had to take

2546

02:10:24,850 --> 02:10:22,909

part in the weave of the carpet not just

2547

02:10:26,290 --> 02:10:24,860

one of the fringes and and thank you

2548

02:10:28,510 --> 02:10:26,300

guys for that I really appreciate it

2549

02:10:31,419 --> 02:10:28,520

yeah thank you Jason now are you ready

2550

02:10:32,859 --> 02:10:31,429

for you ready for the fact are you ready

2551

02:10:36,419 --> 02:10:32,869

you ready for the question

2552

02:10:41,740 --> 02:10:36,429

oh I'm ready okay here we go here we go

2553

02:10:49,919 --> 02:10:41,750

there are more trees on earth than there

2554

02:11:01,180 --> 02:10:57,280

gonna be a guess I am going to say that

2555

02:11:04,390 --> 02:11:01,190

fact that's true that there are more

2556

02:11:08,050 --> 02:11:04,400

trees on earth than there are stars in

2557

02:11:09,490 --> 02:11:08,060

them in the galaxy there is a lot of

2558

02:11:11,350 --> 02:11:09,500

trees in my neighborhood now I gotta

2559

02:11:15,040 --> 02:11:11,360

imagine with the amount of land coverage

2560

02:11:18,669 --> 02:11:15,050

that that's a that's a big number okay

2561

02:11:21,040 --> 02:11:18,679

so that's your final answer you making

2562

02:11:21,790 --> 02:11:21,050

me second-guess it but I'm saying that's

2563

02:11:27,760 --> 02:11:21,800

my final answer

2564

02:11:31,209 --> 02:11:27,770

you're a smart guy okay now okay as we

2565

02:11:35,589 --> 02:11:31,219

know there are estimates right now that

2566

02:11:39,550 --> 02:11:35,599

there are between 100 billion and 400

2567

02:11:43,649 --> 02:11:39,560

billion stars in the Milky Way right now

2568

02:11:49,060 --> 02:11:43,659

on planet earth there are over 3

2569

02:11:51,850 --> 02:11:49,070

trillion trees now isn't that trippy

2570

02:11:54,100 --> 02:11:51,860

that happy that that's mind-blowing if

2571

02:11:56,950 --> 02:11:54,110

you if you really think about it in

2572

02:12:02,740 --> 02:11:56,960

those terms I would have gone the other

2573

02:12:06,070 --> 02:12:02,750

way right you know but 3 trillion trees

2574

02:12:08,770 --> 02:12:06,080

I'm planet Earth and only up to about

2575

02:12:10,300 --> 02:12:08,780

400 billion stars in the Milky Way so

2576

02:12:11,649 --> 02:12:10,310

there you go Jason you're the smartest

2577

02:12:18,430 --> 02:12:11,659

guy in the room and well done

2578

02:12:19,959 --> 02:12:18,440

well witty here my next I got

2579

02:12:22,180 --> 02:12:19,969

another one here that's a pretty good

2580

02:12:24,280 --> 02:12:22,190

that deals with people in the room thank

2581

02:12:26,560 --> 02:12:24,290

you so much Jason and enjoy your Labor

2582

02:12:31,780 --> 02:12:26,570

Day weekend there you go thank you sir

2583

02:12:36,760 --> 02:12:31,790

you do yeah great man see see how smart

2584

02:12:40,240 --> 02:12:36,770

that that's isn't that mind blowing now

2585

02:12:41,439 --> 02:12:40,250

think about the implications of that

2586

02:12:45,850 --> 02:12:41,449

fact

2587

02:12:47,680 --> 02:12:45,860

right there unbelievable three trillion

2588

02:12:49,420 --> 02:12:47,690

trees on planet Earth there are more

2589

02:12:53,200 --> 02:12:49,430

trees on planet Earth than there are

2590

02:12:57,640 --> 02:12:53,210

stars in our galaxy I would have never

2591

02:13:03,550 --> 02:12:57,650

guessed alright 3 2 3 a 2 5 5 0 4 5 3 2

2592

02:13:04,090 --> 02:13:03,560

3 2 7 5 9 6 9 5 open lines Thursday

2593

02:13:11,860 --> 02:13:04,100

night

2594

02:13:14,470 --> 02:13:11,870

ok now breaking news today I'm still

2595

02:13:16,390 --> 02:13:14,480

kind of digesting this and trying to

2596

02:13:18,490 --> 02:13:16,400

figure this out today the State

2597

02:13:21,729 --> 02:13:18,500

Department sent a request to the Russian

2598

02:13:24,729 --> 02:13:21,739

government to close the consulate in San

2599

02:13:27,700 --> 02:13:24,739

Francisco California as well as a

2600

02:13:31,270 --> 02:13:27,710

Chancery annex in Washington DC and the

2601
02:13:32,890 --> 02:13:31,280
consular annex in New York City United

2602
02:13:36,070 --> 02:13:32,900
States State Department's announcement

2603
02:13:37,870 --> 02:13:36,080
that Russia must close the consulate in

2604
02:13:40,270 --> 02:13:37,880
San Francisco and reduce consular

2605
02:13:43,030 --> 02:13:40,280
presence in Washington DC in New York is

2606
02:13:45,520 --> 02:13:43,040
a further escalation and already tense

2607
02:13:47,770 --> 02:13:45,530
relations with Moscow then the State

2608
02:13:53,020 --> 02:13:47,780
Department followed up with this on

2609
02:13:55,590 --> 02:13:53,030
Twitter they posted and I'm quoting the

2610
02:13:59,229 --> 02:13:55,600
US hopes to avoid further retaliation

2611
02:14:05,580 --> 02:13:59,239
and move forward with improved relations

2612
02:14:09,250 --> 02:14:05,590
and cooperation with Russia holy crap

2613
02:14:12,880 --> 02:14:09,260

man I mean where is all of this going

2614

02:14:19,090 --> 02:14:12,890

right now I have no idea all right

2615

02:14:23,020 --> 02:14:19,100

all right here we go check this out this

2616

02:14:26,680 --> 02:14:23,030

is uh this is pretty trippy I've got

2617

02:14:31,300 --> 02:14:26,690

some amazing facts here and this here's

2618

02:14:32,380 --> 02:14:31,310

another one okay let's see if let's see

2619

02:14:35,650 --> 02:14:32,390

if somebody can add

2620

02:14:40,570 --> 02:14:35,660

this I'll open up the phone lines 3 2 3

2621

02:14:44,680 --> 02:14:40,580

8 2 5 5 0 4 5 3 2 3 2 7 5 9 6 9 5 in a

2622

02:14:46,600 --> 02:14:44,690

room of 23 people I was just talking to

2623

02:14:50,890 --> 02:14:46,610

Jason about this okay now listen to me

2624

02:14:54,940 --> 02:14:50,900

in a room a room with 23 people in it

2625

02:14:58,630 --> 02:14:54,950

there's a better chance better than 50%

2626
02:15:04,000 --> 02:14:58,640
chance that two people have the same

2627
02:15:07,210 --> 02:15:04,010
birthday now I'll say it again in a room

2628
02:15:11,980 --> 02:15:07,220
of 23 people there's a better than 50%

2629
02:15:15,940 --> 02:15:11,990
chance that two people have the same

2630
02:15:19,060 --> 02:15:15,950
birthday now think about that for a

2631
02:15:24,310 --> 02:15:19,070
second think about that now going back

2632
02:15:27,070 --> 02:15:24,320
to something like the stars in the Milky

2633
02:15:31,900 --> 02:15:27,080
Way and and trees on planet earth now

2634
02:15:33,460 --> 02:15:31,910
and here's another one now I doubt on

2635
02:15:36,640 --> 02:15:33,470
this now I've got all the facts to back

2636
02:15:40,030 --> 02:15:36,650
this stuff up so it depends on which way

2637
02:15:44,920 --> 02:15:40,040
you're leaning but you have the tiny

2638
02:15:49,950 --> 02:15:44,930

little country of Bangladesh tiny right

2639

02:15:55,200 --> 02:15:49,960

and then you have Russia all of Russia

2640

02:15:57,790 --> 02:15:55,210

right who has the larger population

2641

02:16:01,510 --> 02:15:57,800

think about that for a second all of

2642

02:16:06,640 --> 02:16:01,520

Russia or tiny little Bangladesh and

2643

02:16:11,020 --> 02:16:06,650

then there's a and and and another one

2644

02:16:15,700 --> 02:16:11,030

that it's just it's almost too difficult

2645

02:16:21,130 --> 02:16:15,710

to wrap your head around but Harvard was

2646

02:16:25,530 --> 02:16:21,140

founded before calculus was created now

2647

02:16:30,430 --> 02:16:25,540

is that true Harvard was founded before

2648

02:16:33,190 --> 02:16:30,440

calculus was created now one has to say

2649

02:16:36,100 --> 02:16:33,200

I thought calculus went back thousands

2650

02:16:39,250 --> 02:16:36,110

of years but wait a minute Harvard was

2651

02:16:41,410 --> 02:16:39,260

founded in what you know the sixteenth

2652

02:16:44,260 --> 02:16:41,420

seventeenth century it's been around for

2653

02:16:46,089 --> 02:16:44,270

a long time so wait a minute what what

2654

02:16:49,209 --> 02:16:46,099

gives here now

2655

02:16:51,009 --> 02:16:49,219

it's a difficult fact to vet so don't

2656

02:16:53,429 --> 02:16:51,019

think you're just gonna jump on Google

2657

02:16:56,769 --> 02:16:53,439

right now and and figure this out

2658

02:16:59,410 --> 02:16:56,779

because it's difficult and then you have

2659

02:17:05,009 --> 02:16:59,420

and here's another one when it comes to

2660

02:17:10,120 --> 02:17:05,019

a University Oxford Oxford University is

2661

02:17:12,399 --> 02:17:10,130

older than the Aztec empire out you know

2662

02:17:14,919 --> 02:17:12,409

you can go on Google you know you can go

2663

02:17:15,570 --> 02:17:14,929

and cheap but think about this for a

2664

02:17:18,389 --> 02:17:15,580

second

2665

02:17:21,969 --> 02:17:18,399

Oxford is older than the Aztec empire

2666

02:17:24,189 --> 02:17:21,979

how is that possible

2667

02:17:27,040 --> 02:17:24,199

well you need to think about that for a

2668

02:17:28,030 --> 02:17:27,050

second think about that lines are open

2669

02:17:31,120 --> 02:17:28,040

three to three

2670

02:17:34,479 --> 02:17:31,130

eight to five five zero four or five

2671

02:17:37,000 --> 02:17:34,489

three to five five zero four or five or

2672

02:17:38,919 --> 02:17:37,010

three to three to seven five nine six

2673

02:17:43,000 --> 02:17:38,929

nine five all right I've got one more

2674

02:17:45,459 --> 02:17:43,010

fact for you I've got about fifty but

2675

02:17:48,269 --> 02:17:45,469

here's another one that is pretty trippy

2676

02:17:54,750 --> 02:17:48,279

if somebody came up to you and said

2677

02:17:59,979 --> 02:17:58,240

what would be your answer three to three

2678

02:18:03,040 --> 02:17:59,989

to seven five nine six nine five four

2679

02:18:06,639 --> 02:18:03,050

three two three eight to five five zero

2680

02:18:07,120 --> 02:18:06,649

four five all right Instagram has been

2681

02:18:10,899 --> 02:18:07,130

hacked

2682

02:18:13,899 --> 02:18:10,909

along with Wikipedia today an Instagram

2683

02:18:16,089 --> 02:18:13,909

bug allowed hackers to access contact

2684

02:18:18,280 --> 02:18:16,099

phone numbers and email addresses for

2685

02:18:20,740 --> 02:18:18,290

their high profile

2686

02:18:22,929 --> 02:18:20,750

users this is all announced earlier

2687

02:18:24,849 --> 02:18:22,939

today the bug was discovered recently in

2688

02:18:28,059 --> 02:18:24,859

instagrams application programming

2689

02:18:30,269 --> 02:18:28,069

interface or their API which the service

2690

02:18:33,639 --> 02:18:30,279

uses to communicate with other apps

2691

02:18:36,879 --> 02:18:33,649

Instagram declined to specify which

2692

02:18:39,459 --> 02:18:36,889

users had been targeted but the news

2693

02:18:42,339 --> 02:18:39,469

came out two days after the hackers

2694

02:18:46,809 --> 02:18:42,349

access the account of its most followed

2695

02:18:51,040 --> 02:18:46,819

user that's right Selena Gomez and on

2696

02:18:53,439 --> 02:18:51,050

her account the hackers posted nude

2697

02:18:57,100 --> 02:18:53,449

pictures of her ex-boyfriend Justin

2698

02:19:01,270 --> 02:18:57,110

Bieber yes it actually happened her

2699

02:19:05,260 --> 02:19:01,280

her her page was restored later on that

2700

02:19:07,510 --> 02:19:05,270

day but the hack did happen and that's

2701

02:19:09,791 --> 02:19:07,520

on Instagram we have our Instagram

2702

02:19:11,500 --> 02:19:09,801

account again I don't want to sound you

2703

02:19:14,010 --> 02:19:11,510

know naive like I don't know what's

2704

02:19:16,750 --> 02:19:14,020

going on but I haven't been to our own

2705

02:19:18,791 --> 02:19:16,760

Instagram page I'm wondering what is

2706

02:19:23,890 --> 02:19:18,801

going on over there

2707

02:19:26,820 --> 02:19:23,900

I wonder if they have to us okay all

2708

02:19:31,450 --> 02:19:26,830

right where am I

2709

02:19:35,530 --> 02:19:31,460

the scope of Wells Fargo's fake accounts

2710

02:19:38,831 --> 02:19:35,540

went went completely haywire today now

2711

02:19:41,890 --> 02:19:38,841

if you remember last year I was so vocal

2712

02:19:46,810 --> 02:19:41,900

about this about Wells Fargo and the

2713

02:19:48,520 --> 02:19:46,820

deception that was going on and the and

2714

02:19:50,740 --> 02:19:48,530

the firing of the CEO and everything

2715

02:19:53,140 --> 02:19:50,750

else that happened I was very vocal

2716

02:19:56,831 --> 02:19:53,150

about it because what happened was

2717

02:20:00,461 --> 02:19:56,841

because of the pressure of sales goals

2718

02:20:01,660 --> 02:20:00,471

that Wells Fargo and regional managers

2719

02:20:04,870 --> 02:20:01,670

and it goes all the way up the chain

2720

02:20:06,640 --> 02:20:04,880

that was put on their sales force to

2721

02:20:09,820 --> 02:20:06,650

open up new bank accounts new credit

2722

02:20:14,140 --> 02:20:09,830

card accounts new savings accounts and

2723

02:20:17,801 --> 02:20:14,150

also the ability to build the account

2724

02:20:22,421 --> 02:20:17,811

directly and the money that was profited

2725

02:20:25,541 --> 02:20:22,431

off of that and the the Commission's

2726

02:20:27,640 --> 02:20:25,551

that are paid out right so what ended up

2727

02:20:32,740 --> 02:20:27,650

happening and as it went down the chain

2728

02:20:34,240 --> 02:20:32,750

was that these fake accounts were open

2729

02:20:37,001 --> 02:20:34,250

somebody comes in opens up a checking

2730

02:20:39,280 --> 02:20:37,011

account and they split well

2731

02:20:42,190 --> 02:20:39,290

that sales guy that rep inside the bank

2732

02:20:43,900 --> 02:20:42,200

he's the sales guy you split and he

2733

02:20:45,220 --> 02:20:43,910

turns around and he's opening up other

2734

02:20:46,631 --> 02:20:45,230

accounts and you're in it because he's

2735

02:20:48,850 --> 02:20:46,641

got your soul through he's got all of

2736

02:20:53,020 --> 02:20:48,860

your information and by the time you got

2737

02:20:55,240 --> 02:20:53,030

into your car in the some of these sales

2738

02:20:58,331 --> 02:20:55,250

people had opened up two three four five

2739

02:21:00,341 --> 02:20:58,341

accounts in your name and if your

2740

02:21:01,810 --> 02:21:00,351

account got overdrawn and the charges

2741

02:21:03,730 --> 02:21:01,820

that were applied to the account were

2742

02:21:05,770 --> 02:21:03,740

taken out of your main checking account

2743

02:21:07,180 --> 02:21:05,780

a couple of dollars here ten dollars

2744

02:21:09,190 --> 02:21:07,190

there some people don't check their

2745

02:21:10,059 --> 02:21:09,200

accounts nobody knew that this was going

2746

02:21:12,130 --> 02:21:10,069

on but

2747

02:21:15,609 --> 02:21:12,140

a bank profited off of this to the

2748

02:21:17,290 --> 02:21:15,619

extreme and the sales guy that you just

2749

02:21:19,750 --> 02:21:17,300

opened up your checking account or your

2750

02:21:21,369 --> 02:21:19,760

savings account with its turn around and

2751

02:21:23,979 --> 02:21:21,379

it's making money off of you

2752

02:21:26,109 --> 02:21:23,989

well now it turns out that there were

2753

02:21:28,269 --> 02:21:26,119

three and a half million accounts that

2754

02:21:32,679 --> 02:21:28,279

were opened without customers permission

2755

02:21:35,260 --> 02:21:32,689

between 2009 and 2016 that's up from 2.1

2756

02:21:37,389 --> 02:21:35,270

million accounts that the bank had cited

2757

02:21:40,239 --> 02:21:37,399

back in September 2016

2758

02:21:41,769 --> 02:21:40,249

Wells Fargo said today that about a half

2759

02:21:43,179 --> 02:21:41,779

a million of the newly discovered

2760

02:21:45,639 --> 02:21:43,189

accounts were missing during the

2761

02:21:49,689 --> 02:21:45,649

original review which covered the years

2762

02:21:51,159 --> 02:21:49,699

from 2011 to 2015 and I just have to ask

2763

02:21:54,119 --> 02:21:51,169

you do you have an account with Wells

2764

02:21:56,739 --> 02:21:54,129

Fargo you know what close it as

2765

02:22:00,460 --> 02:21:56,749

unethical as anything that just I don't

2766

02:22:02,079 --> 02:22:00,470

care what bank you go to Wells Fargo man

2767

02:22:05,069 --> 02:22:02,089

let's go back to the phones hi you live

2768

02:22:10,090 --> 02:22:05,079

I'm fade to black who's calling

2769

02:22:11,949 --> 02:22:10,100

Motorhead Motorhead ok Motorhead you for

2770

02:22:15,429 --> 02:22:11,959

taking my call what's on your mind

2771

02:22:17,529 --> 02:22:15,439

tonight Motorhead well you know I just I

2772

02:22:20,050 --> 02:22:17,539

found out about 20 years ago when I was

2773

02:22:23,859 --> 02:22:20,060

doing a credit report and I had two

2774

02:22:26,229 --> 02:22:23,869

social security numbers and I tracked it

2775

02:22:30,699 --> 02:22:26,239

down I got a phone call you know through

2776

02:22:32,889 --> 02:22:30,709

the government phone call and they just

2777

02:22:35,500 --> 02:22:32,899

said that some people were just issued

2778

02:22:40,059 --> 02:22:35,510

to social security numbers and you know

2779

02:22:42,719 --> 02:22:40,069

I recalled the lawsuit that some people

2780

02:22:47,889 --> 02:22:42,729

were suing the government because each

2781

02:22:52,540 --> 02:22:47,899

person born had a set aside money within

2782

02:22:54,460 --> 02:22:52,550

the government you know and I just I

2783

02:22:55,960 --> 02:22:54,470

wonder how many other people have to

2784

02:22:59,559 --> 02:22:55,970

social security numbers and they never

2785

02:23:01,529 --> 02:22:59,569

knew about it and I'm 53 but about 20

2786

02:23:04,949 --> 02:23:01,539

years ago is when I found out about it

2787

02:23:07,329 --> 02:23:04,959

Wow interesting

2788

02:23:09,819 --> 02:23:07,339

can you use that to your own advantage

2789

02:23:11,199 --> 02:23:09,829

is it illegal to have two Social

2790

02:23:15,579 --> 02:23:11,209

Security numbers so you have to give one

2791

02:23:17,800 --> 02:23:15,589

out well I thought it was fraud to begin

2792

02:23:19,389 --> 02:23:17,810

with and when I called I finally got

2793

02:23:21,099 --> 02:23:19,399

someone on the phone throughout the

2794

02:23:23,860 --> 02:23:21,109

government phone number through social

2795

02:23:28,450 --> 02:23:23,870

security number and they just said

2796

02:23:29,980 --> 02:23:28,460

long time ago in the 60s come it might

2797

02:23:33,640 --> 02:23:29,990

have went to two different desks that

2798

02:23:35,261 --> 02:23:33,650

issued two numbers for the same birth

2799

02:23:39,040 --> 02:23:35,271

certificate Wow

2800

02:23:41,140 --> 02:23:39,050

but I just wonder if that's uh if

2801
02:23:43,570 --> 02:23:41,150
there's a lot of unknown Social Security

2802
02:23:47,380 --> 02:23:43,580
numbers out there for the same person

2803
02:23:50,680 --> 02:23:47,390
that the government uses for whatever

2804
02:23:52,390 --> 02:23:50,690
that you know yeah that people that

2805
02:23:58,150 --> 02:23:52,400
we're trying to sue the government

2806
02:24:00,640 --> 02:23:58,160
because well what did they tell you hold

2807
02:24:03,761 --> 02:24:00,650
it what did they tell you to keep both

2808
02:24:06,850 --> 02:24:03,771
numbers I mean what did they say they

2809
02:24:10,960 --> 02:24:06,860
said make sure your employer pays the

2810
02:24:13,270 --> 02:24:10,970
one that you normally use and that's the

2811
02:24:16,120 --> 02:24:13,280
one you would ever gain benefits from so

2812
02:24:17,880 --> 02:24:16,130
you have a backup social security number

2813
02:24:25,120 --> 02:24:17,890

in case of an emergency

2814

02:24:27,370 --> 02:24:25,130

yeah that goes back to 1964 Wow yeah

2815

02:24:29,740 --> 02:24:27,380

yeah I think it's kind of cool so you go

2816

02:24:31,420 --> 02:24:29,750

and you what you know what if you

2817

02:24:33,940 --> 02:24:31,430

foreclose on your house or you lose your

2818

02:24:37,180 --> 02:24:33,950

job or you you know you messed up you

2819

02:24:39,520 --> 02:24:37,190

somehow you screw up credit and you know

2820

02:24:41,801 --> 02:24:39,530

you cosign on your daughter's credit

2821

02:24:43,270 --> 02:24:41,811

card and she you know whatever and and

2822

02:24:45,130 --> 02:24:43,280

whatever you screw up your credit so

2823

02:24:47,920 --> 02:24:45,140

then you have a backup Social Security

2824

02:24:49,540 --> 02:24:47,930

number with a clean credit on it right

2825

02:24:55,420 --> 02:24:49,550

yeah

2826

02:24:58,511 --> 02:24:55,430

nine digits later so it's real the

2827

02:25:00,640 --> 02:24:58,521

numbers are closed right right but it

2828

02:25:05,020 --> 02:25:00,650

goes back to kind of the conspiracy that

2829

02:25:06,970 --> 02:25:05,030

the government has a certain account for

2830

02:25:10,841 --> 02:25:06,980

each social security number that has a

2831

02:25:13,150 --> 02:25:10,851

value to it yeah yeah which is nothing

2832

02:25:15,490 --> 02:25:13,160

I'm trying to gain and I don't I'm not

2833

02:25:17,470 --> 02:25:15,500

considering anything from that but yeah

2834

02:25:21,910 --> 02:25:17,480

I wonder if it's just some kind of a

2835

02:25:23,551 --> 02:25:21,920

black accounting method for the

2836

02:25:27,370 --> 02:25:23,561

government to account for population

2837

02:25:29,140 --> 02:25:27,380

yeah as far as I don't know I've only

2838

02:25:31,511 --> 02:25:29,150

got one Social Security number but

2839

02:25:33,250 --> 02:25:31,521

that's very interesting okay all right

2840

02:25:36,240 --> 02:25:33,260

well yeah thank you for taking my call

2841

02:25:38,130 --> 02:25:36,250

Jimmy well hold on hold on motor head

2842

02:25:42,870 --> 02:25:38,140

what's your favorite a Motorhead song

2843

02:25:45,330 --> 02:25:42,880

Ace of Spades a speed okay there you go

2844

02:25:52,190 --> 02:25:45,340

now here you go

2845

02:26:03,750 --> 02:25:58,620

older than me is Betty White older than

2846

02:26:05,490 --> 02:26:03,760

sliced bread that's the question I had

2847

02:26:08,520 --> 02:26:05,500

to be the best answer that thank you

2848

02:26:11,210 --> 02:26:08,530

okay you have a good night Motorhead yes

2849

02:26:15,060 --> 02:26:11,220

you rock yeah you too thank you so much

2850

02:26:20,670 --> 02:26:15,070

Motorhead well the answer is Betty White

2851
02:26:25,639 --> 02:26:20,680
is older than sliced bread that's right

2852
02:26:30,179 --> 02:26:25,649
sliced bread hit the market on July 7th

2853
02:26:32,750 --> 02:26:30,189
1928 Betty White was born on January

2854
02:26:38,880 --> 02:26:32,760
17th

2855
02:26:41,880 --> 02:26:38,890
1922 therefore Betty White is older than

2856
02:26:44,190 --> 02:26:41,890
sliced bread and that's why you gotta

2857
02:26:49,440 --> 02:26:44,200
love fade to black right there that is

2858
02:26:50,940 --> 02:26:49,450
exactly why you listen to this show well

2859
02:26:52,650 --> 02:26:50,950
all right let's take a break right here

2860
02:26:54,560 --> 02:26:52,660
this is fade to black I'm your host Jim

2861
02:26:56,700 --> 02:26:54,570
Peters Thursday night Fator night

2862
02:26:59,190 --> 02:26:56,710
Motorhead first-time caller

2863
02:27:01,740 --> 02:26:59,200

that was good Lenny it's colder than

2864

02:27:04,830 --> 02:27:01,750

Betty White I was pretty good this is

2865

02:27:10,860 --> 02:27:04,840

faded black phone lines are open 3 2 3 8

2866

02:27:12,630 --> 02:27:10,870

2 5 5 0 4 5 or 3 2 3 2 7 5 9 6 9 5 8 or

2867

02:27:14,700 --> 02:27:12,640

9 Thursday night open lines all night

2868

02:27:16,320 --> 02:27:14,710

long more of your phone calls our next

2869

02:27:38,261 --> 02:27:16,330

stay right there

2870

02:27:41,450 --> 02:27:38,271

[Music]

2871

02:27:46,880 --> 02:27:41,460

and you are listen to my boy Jimmy

2872

02:27:50,150 --> 02:27:46,890

Church on Jimmy Church radio.com this my

2873

02:27:52,370 --> 02:27:50,160

popular opinion reading a book will not

2874

02:27:56,080 --> 02:27:52,380

make you smarter

2875

02:27:56,080 --> 02:27:56,090

[Music]

2876

02:28:01,850 --> 02:27:58,700

so you went to dinner last night you had

2877

02:28:05,480 --> 02:28:01,860

your favorite pasta or maybe you had a

2878

02:28:08,960 --> 02:28:05,490

heavy spicy meal in the left you get a

2879

02:28:12,230 --> 02:28:08,970

calm maybe you mow down a huge steak and

2880

02:28:14,570 --> 02:28:12,240

your plumbing is all plug get the

2881

02:28:17,631 --> 02:28:14,580

t-dot-com our super strength T will take

2882

02:28:21,020 --> 02:28:17,641

care of your occasional it's all organic

2883

02:28:23,210 --> 02:28:21,030

and non-gmo get rid of we have so many

2884

02:28:25,881 --> 02:28:23,220

great supplements but our super T is

2885

02:28:27,140 --> 02:28:25,891

number one get the T calm that's get the

2886

02:28:30,230 --> 02:28:27,150

t-dot-com

2887

02:28:33,560 --> 02:28:30,240

so you love talk radio then you'll love

2888

02:28:36,350 --> 02:28:33,570

talk stream live comm talk stream live

2889

02:28:38,540 --> 02:28:36,360

is always on 24/7 with the best

2890

02:28:40,671 --> 02:28:38,550

streaming talk shows find your favorite

2891

02:28:43,430 --> 02:28:40,681

talkers and discover some new ones it's

2892

02:28:45,591 --> 02:28:43,440

free readily available online or on

2893

02:28:47,631 --> 02:28:45,601

mobile with any smartphone or tablet

2894

02:28:49,671 --> 02:28:47,641

finding your favorite talk shows all in

2895

02:28:53,091 --> 02:28:49,681

one place has gotten a whole lot easier

2896

02:28:54,591 --> 02:28:53,101

just go to talk stream live comm be sure

2897

02:28:59,511 --> 02:28:54,601

to download the free apps from Google

2898

02:29:02,270 --> 02:28:59,521

Play or the itunes app store when you

2899

02:29:04,790 --> 02:29:02,280

take the beams from Central America with

2900

02:29:06,921 --> 02:29:04,800

dashes of indonesian and african mixed

2901
02:29:08,150 --> 02:29:06,931
in and then roast it to the dark side of

2902
02:29:11,770 --> 02:29:08,160
fade to black

2903
02:29:14,810 --> 02:29:11,780
you create the ultimate brew of Fringe

2904
02:29:17,930 --> 02:29:14,820
introducing the fade to black blend from

2905
02:29:19,551 --> 02:29:17,940
River moon coffee yes River moons

2906
02:29:22,250 --> 02:29:19,561
darkest customized

2907
02:29:25,490 --> 02:29:22,260
roast was created for the love of fade

2908
02:29:28,040 --> 02:29:25,500
to black the alchemy of masterful

2909
02:29:31,280 --> 02:29:28,050
roasting and smoking the beans is in

2910
02:29:35,480 --> 02:29:31,290
every sip of this full-bodied dark Java

2911
02:29:37,790 --> 02:29:35,490
I need my coffee dog deep with distinct

2912
02:29:40,520 --> 02:29:37,800
bittersweet chocolate highlights just

2913
02:29:42,950 --> 02:29:40,530

like the bunker leaning further into the

2914

02:29:46,220 --> 02:29:42,960

darkness of the roast is fade to black

2915

02:29:47,900 --> 02:29:46,230

blend from river moon coffee just click

2916

02:29:48,880 --> 02:29:47,910

on the banner at Jimmy Church radio.com

2917

02:29:52,300 --> 02:29:48,890

and

2918

02:29:53,760 --> 02:29:52,310

the promo code f2b blend for 50% off of

2919

02:29:58,330 --> 02:29:53,770

your order today

2920

02:29:59,500 --> 02:29:58,340

Gobekli Tepe I'm Matt ray with america's

2921

02:30:00,880 --> 02:29:59,510

first news we all know if you're

2922

02:30:02,889 --> 02:30:00,890

planning a trip you should shop and

2923

02:30:04,750 --> 02:30:02,899

compare right but why endlessly search

2924

02:30:06,189 --> 02:30:04,760

the web when you don't have to flight

2925

02:30:08,139 --> 02:30:06,199

services helps you find the lowest

2926

02:30:10,330 --> 02:30:08,149

possible airfare talk directly to a

2927

02:30:12,189 --> 02:30:10,340

travel pro right now for the best deals

2928

02:30:14,110 --> 02:30:12,199

available their travel pros have

2929

02:30:16,469 --> 02:30:14,120

additional discounts not found on

2930

02:30:19,149 --> 02:30:16,479

websites and flight services provides

2931

02:30:22,179 --> 02:30:19,159

24-hour customer service call toll-free

2932

02:30:24,250 --> 02:30:22,189

eight four four eight four five ninety

2933

02:30:28,860 --> 02:30:24,260

nine forty four that's eight four four

2934

02:30:34,809 --> 02:30:32,590

what's up phaidor knots studio dumb

2935

02:30:37,540 --> 02:30:34,819

love's fade the black and the f2b

2936

02:30:39,670 --> 02:30:37,550

audience is so much that they have put

2937

02:30:42,939 --> 02:30:39,680

together the ultimate stereo Bluetooth

2938

02:30:46,689 --> 02:30:42,949

system they've done it just for you man

2939

02:30:49,870 --> 02:30:46,699

check this out the studio dome SBP two

2940

02:30:53,290 --> 02:30:49,880

stereo system is here it's featuring two

2941

02:30:55,630 --> 02:30:53,300

studio boombox two SBB two wireless

2942

02:30:58,090 --> 02:30:55,640

bluetooth speakers pack in its own

2943

02:31:00,219 --> 02:30:58,100

custom hardshell case this studio dome

2944

02:31:03,130 --> 02:31:00,229

system features the very latest in

2945

02:31:06,490 --> 02:31:03,140

stereo bluetooth technology the two full

2946

02:31:08,979 --> 02:31:06,500

range boom boxes are in true wireless

2947

02:31:11,229 --> 02:31:08,989

stereo you've got to hear this it's

2948

02:31:13,899 --> 02:31:11,239

amazing it's just a hundred and twenty

2949

02:31:17,380 --> 02:31:13,909

nine bucks and use the promo code JC r

2950

02:31:20,050 --> 02:31:17,390

TW s and you'll also get free shipping

2951
02:31:22,689 --> 02:31:20,060
it's simple just go to Jimmy Church

2952
02:31:25,890 --> 02:31:22,699
radio.com click on the studio dome

2953
02:31:31,700 --> 02:31:25,900
banner gobekli tepe

2954
02:31:37,969 --> 02:31:34,239
[Music]

2955
02:31:48,500 --> 02:31:37,979
it's not a lifestyle we chose we were

2956
02:31:53,560 --> 02:31:48,510
born this way k GRA radio.com this is k

2957
02:31:53,570 --> 02:32:04,900
[Music]

2958
02:32:10,870 --> 02:32:06,940
welcome back fade to black I'm your host

2959
02:32:14,130 --> 02:32:10,880
Jimmy Church Renee just sent me this

2960
02:32:22,030 --> 02:32:14,140
about social security numbers

2961
02:32:23,889 --> 02:32:22,040
and apparently there are just 20 1891

2962
02:32:26,230 --> 02:32:23,899
pairs of social security numbers that

2963
02:32:28,060 --> 02:32:26,240

have the same name date of birth place

2964

02:32:31,510 --> 02:32:28,070

of birth and parents names

2965

02:32:36,250 --> 02:32:31,520

if interesting that is so it is very

2966

02:32:38,050 --> 02:32:36,260

very rare it breaks down further from

2967

02:32:42,460 --> 02:32:38,060

there but so but I'll just start at the

2968

02:32:45,160 --> 02:32:42,470

top 20 1891 pairs of Social Security

2969

02:32:47,590 --> 02:32:45,170

numbers that have been assigned to one

2970

02:32:51,580 --> 02:32:47,600

individual Wow that's interesting

2971

02:32:55,389 --> 02:32:51,590

so that's you're in rarified air out

2972

02:32:59,020 --> 02:32:55,399

there motorhead if that is indeed the

2973

02:33:01,600 --> 02:32:59,030

case not that many are running around

2974

02:33:04,120 --> 02:33:01,610

with two pairs of socialists or two

2975

02:33:07,330 --> 02:33:04,130

Social Security numbers for one

2976

02:33:09,969 --> 02:33:07,340

individual now back to in a room of 23

2977

02:33:11,620 --> 02:33:09,979

people there's a better than 50% chance

2978

02:33:14,590 --> 02:33:11,630

that two people have the same birth date

2979

02:33:16,420 --> 02:33:14,600

it's called the birthday paradox if two

2980

02:33:21,190 --> 02:33:16,430

people are in a room together then there

2981

02:33:23,980 --> 02:33:21,200

is 364 out of 365 chance that they do

2982

02:33:26,290 --> 02:33:23,990

not have the same birthday now if he

2983

02:33:29,500 --> 02:33:26,300

ignore leap years and and other things

2984

02:33:31,030 --> 02:33:29,510

okay 364 days 365 days if there are

2985

02:33:32,889 --> 02:33:31,040

three people in the room then the

2986

02:33:38,139 --> 02:33:32,899

probability that they have different

2987

02:33:41,200 --> 02:33:38,149

birthdays is 364 365 times 363 times 365

2988

02:33:46,170 --> 02:33:41,210

now continuing in this fashion

2989

02:33:49,389 --> 02:33:46,180

once you hit 23 people in the room the

2990

02:33:54,160 --> 02:33:49,399

probability that all 23 have different

2991

02:33:56,740 --> 02:33:54,170

birthdays drops below 50% so the

2992

02:34:01,120 --> 02:33:56,750

probability that at least two have the

2993

02:34:02,920 --> 02:34:01,130

same birthday is better than even it's

2994

02:34:06,820 --> 02:34:02,930

called the birthday paradox how

2995

02:34:09,340 --> 02:34:06,830

interesting 23 people in the room 50-50

2996

02:34:11,050 --> 02:34:09,350

chance better than 50/50 chance

2997

02:34:13,150 --> 02:34:11,060

Vegas wouldn't even take those odds

2998

02:34:18,010 --> 02:34:13,160

think about it the house would always

2999

02:34:18,761 --> 02:34:18,020

lose that is an interesting fact right

3000

02:34:22,631 --> 02:34:18,771

there

3001

02:34:27,131 --> 02:34:22,641

all right also Bangladesh does have a

3002

02:34:31,331 --> 02:34:27,141

larger population than Russia Bangladesh

3003

02:34:36,100 --> 02:34:31,341

is 163 million people the population of

3004

02:34:38,560 --> 02:34:36,110

Russia 144 point three million people

3005

02:34:41,890 --> 02:34:38,570

just trying to get caught up on this now

3006

02:34:43,961 --> 02:34:41,900

Oxford University is older than the

3007

02:34:46,631 --> 02:34:43,971

Aztec empire oh yes it is

3008

02:34:49,360 --> 02:34:46,641

now if you think about it like this it's

3009

02:34:54,280 --> 02:34:49,370

actually very simple the Aztec empire

3010

02:35:01,001 --> 02:34:54,290

was founded in 1428 Oxford University

3011

02:35:04,440 --> 02:35:01,011

was founded in 1096 it's way older than

3012

02:35:09,461 --> 02:35:04,450

the Aztec empire now going back to

3013

02:35:11,770 --> 02:35:09,471

Harvard being founded before calculus

3014

02:35:14,680 --> 02:35:11,780

was created well certain types of

3015

02:35:18,610 --> 02:35:14,690

mathematics were called calculus as far

3016

02:35:21,730 --> 02:35:18,620

back as the Egyptians but calculus as we

3017

02:35:26,110 --> 02:35:21,740

know it today was a stop was established

3018

02:35:30,070 --> 02:35:26,120

by Gottfried Leibniz and Isaac Newton

3019

02:35:32,741 --> 02:35:30,080

each independently in the late 17th

3020

02:35:34,871 --> 02:35:32,751

century Harvard University was founded

3021

02:35:38,201 --> 02:35:34,881

in 1636

3022

02:35:42,911 --> 02:35:38,211

so therefore calculus as we know it

3023

02:35:45,520 --> 02:35:42,921

today by Newton and and Lebanese if you

3024

02:35:50,350 --> 02:35:45,530

think about it in those terms Harvard is

3025

02:35:52,690 --> 02:35:50,360

older than calculus very interesting huh

3026

02:35:55,030 --> 02:35:52,700

all right I've got a bunch more too as

3027

02:35:57,520 --> 02:35:55,040

well but the Betty White

3028

02:36:00,430 --> 02:35:57,530

that's a that's a pretty trippy fact

3029

02:36:02,470 --> 02:36:00,440

right there also

3030

02:36:06,270 --> 02:36:02,480

okay I'm gonna hit you with this before

3031

02:36:11,201 --> 02:36:06,280

I've got to go back and and finish up

3032

02:36:16,421 --> 02:36:11,211

Yellowstone but the there is a banyan

3033

02:36:23,110 --> 02:36:16,431

tree in India that is bigger than the

3034

02:36:26,201 --> 02:36:23,120

average Walmart one single tree now

3035

02:36:29,501 --> 02:36:26,211

think about what I just said this tree

3036

02:36:32,081 --> 02:36:29,511

this banyan tree is larger than the

3037

02:36:42,131 --> 02:36:32,091

average Walmart

3038

02:36:46,301 --> 02:36:42,141

store covers about 104 thousand square

3039

02:36:52,350 --> 02:36:46,311

feet the great banyan tree in India is

3040

02:36:58,001 --> 02:36:52,360

about the size of a forest covering 155

3041

02:37:00,871 --> 02:36:58,011

thousand square feet one single tree and

3042

02:37:04,841 --> 02:37:00,881

that is a fact

3043

02:37:08,680 --> 02:37:04,851

all right going back to Yellowstone and

3044

02:37:14,711 --> 02:37:08,690

talking about NASA and NASA's ideas

3045

02:37:18,341 --> 02:37:14,721

about preventing an eruption there is it

3046

02:37:20,741 --> 02:37:18,351

a high volcanic threat not as much as

3047

02:37:23,591 --> 02:37:20,751

other volcanoes in the United States and

3048

02:37:25,930 --> 02:37:23,601

I just talked about this however it has

3049

02:37:28,751 --> 02:37:25,940

produced some really massive eruptions

3050

02:37:31,720 --> 02:37:28,761

in its history three times in its

3051
02:37:33,850 --> 02:37:31,730
history dating back to 2.1 million years

3052
02:37:35,560 --> 02:37:33,860
ago there have also been several more

3053
02:37:38,650 --> 02:37:35,570
small eruptions over that time period

3054
02:37:41,650 --> 02:37:38,660
which is more typical of activity at the

3055
02:37:44,560 --> 02:37:41,660
restless' site there in Yellowstone the

3056
02:37:46,661 --> 02:37:44,570
salts lava flows and domes have occurred

3057
02:37:49,121 --> 02:37:46,671
frequently and in the most recent

3058
02:37:53,440 --> 02:37:49,131
activity at the Yellowstone Caldera was

3059
02:37:55,991 --> 02:37:53,450
relatively small about 70,000 years ago

3060
02:37:58,390 --> 02:37:56,001
those big eruptions the lava Creek

3061
02:38:01,991 --> 02:37:58,400
eruption of 640 thousand years ago the

3062
02:38:04,720 --> 02:38:02,001
mess of Falls eruption 1.3 million years

3063
02:38:07,350 --> 02:38:04,730

ago in the huckleberry Ridge eruption

3064

02:38:11,110 --> 02:38:07,360

which was 2.1 million years ago were all

3065

02:38:13,421 --> 02:38:11,120

huge the huckleberry Ridge was the

3066

02:38:16,020 --> 02:38:13,431

largest of the three eruptions producing

3067

02:38:21,180 --> 02:38:16,030

over check this out

3068

02:38:24,520 --> 02:38:21,190

2400 cubic kilometers of volcanic debris

3069

02:38:29,320 --> 02:38:24,530

now this spread over all of North

3070

02:38:31,810 --> 02:38:29,330

America now how big is to 2400 cubic

3071

02:38:35,131 --> 02:38:31,820

kilometers you may ask you probably

3072

02:38:38,801 --> 02:38:35,141

never even heard of a cubic kilometer

3073

02:38:43,320 --> 02:38:38,811

2,400 cubic kilometers is about the same

3074

02:38:45,910 --> 02:38:43,330

thing as filling and emptying Lake Erie

3075

02:38:49,360 --> 02:38:45,920

five times

3076

02:38:50,950 --> 02:38:49,370

five now there are no signs right now

3077

02:38:54,100 --> 02:38:50,960

that Yellowstone could be heading

3078

02:38:56,740 --> 02:38:54,110

towards any sort of gigantic eruption in

3079

02:39:01,060 --> 02:38:56,750

fact there is a little signs of anything

3080

02:39:04,840 --> 02:39:01,070

happening anytime soon so why is NASA

3081

02:39:06,880 --> 02:39:04,850

worried I'm not sure but there is

3082

02:39:09,640 --> 02:39:06,890

nothing they can do about it

3083

02:39:12,820 --> 02:39:09,650

there is nothing seriously nothing you

3084

02:39:15,580 --> 02:39:12,830

can't do anything at least with our

3085

02:39:19,300 --> 02:39:15,590

current technology there's nothing that

3086

02:39:21,520 --> 02:39:19,310

can be done however being scientists

3087

02:39:24,910 --> 02:39:21,530

they've speculated and considered

3088

02:39:28,780 --> 02:39:24,920

releasing pressure and cooling the magma

3089

02:39:32,770 --> 02:39:28,790

now that's not science to me that is

3090

02:39:35,679 --> 02:39:32,780

science fiction the magma at Yellowstone

3091

02:39:39,969 --> 02:39:35,689

is stored at depths of at least five

3092

02:39:41,950 --> 02:39:39,979

miles now if you want to drill if you

3093

02:39:44,020 --> 02:39:41,960

want to drill that far down and into it

3094

02:39:47,140 --> 02:39:44,030

to release pressure or pump water into

3095

02:39:49,510 --> 02:39:47,150

it you would need to drill at least that

3096

02:39:53,050 --> 02:39:49,520

deep and right now our deepest drill

3097

02:39:56,460 --> 02:39:53,060

holes just barely make it to five miles

3098

02:40:00,280 --> 02:39:56,470

with holes that are less than a foot

3099

02:40:03,880 --> 02:40:00,290

okay so to a magma body holding

3100

02:40:06,940 --> 02:40:03,890

thousands of cubic kilometres thousands

3101
02:40:09,570 --> 02:40:06,950
of cubic kilometers of magma think about

3102
02:40:14,230 --> 02:40:09,580
it that's just a little pinprick a

3103
02:40:17,679 --> 02:40:14,240
little one foot hole and we're talking

3104
02:40:21,790 --> 02:40:17,689
about the size of Lake Erie drained five

3105
02:40:24,790 --> 02:40:21,800
times we aren't even close to that kind

3106
02:40:27,910 --> 02:40:24,800
of technology and to do this easily in a

3107
02:40:32,740 --> 02:40:27,920
volcanic lee unstable area is just a bad

3108
02:40:36,820 --> 02:40:32,750
idea I can't have you ever have you ever

3109
02:40:40,300 --> 02:40:36,830
had a hot pan of oil on your stove right

3110
02:40:42,460 --> 02:40:40,310
I mean just just hot and you dropped a

3111
02:40:45,340 --> 02:40:42,470
drop of water in there you know what

3112
02:40:49,380 --> 02:40:45,350
happens so you want it to sit right it

3113
02:40:55,600 --> 02:40:49,390

explodes so you want to try injecting

3114

02:40:57,910 --> 02:40:55,610

cold water down a pipe into magma what

3115

02:40:59,790 --> 02:40:57,920

are you asking for it just sounds like a

3116

02:41:03,420 --> 02:40:59,800

bad idea

3117

02:41:05,460 --> 02:41:03,430

a massive eruption would have profound

3118

02:41:08,130 --> 02:41:05,470

climate effects for decades and we know

3119

02:41:11,219 --> 02:41:08,140

this but there are no identified mass

3120

02:41:13,500 --> 02:41:11,229

extinctions related to giant Yellowstone

3121

02:41:16,139 --> 02:41:13,510

eruptions even during the Toba eruption

3122

02:41:20,120 --> 02:41:16,149

in Indonesia that was 74 thousand years

3123

02:41:23,639 --> 02:41:20,130

ago the last truly massive eruptions

3124

02:41:26,849 --> 02:41:23,649

eruption human survived human survived

3125

02:41:29,610 --> 02:41:26,859

not only locally but they survived the

3126
02:41:33,450 --> 02:41:29,620
global impacts of that blast too as well

3127
02:41:38,120 --> 02:41:33,460
now to be sure if Yellowstone erupts it

3128
02:41:41,550 --> 02:41:38,130
would be absolutely crazy but going to

3129
02:41:44,639 --> 02:41:41,560
the extremes of of drilling down and

3130
02:41:46,320 --> 02:41:44,649
injecting water into it and and the

3131
02:41:47,849 --> 02:41:46,330
expense and everything that would be

3132
02:41:50,969 --> 02:41:47,859
involved there I think there should be

3133
02:41:56,300 --> 02:41:50,979
some preventive measures going on like I

3134
02:42:01,580 --> 02:41:56,310
don't know seed banks right shelters

3135
02:42:04,200 --> 02:42:01,590
something to escape the mass amount of

3136
02:42:05,429 --> 02:42:04,210
ejection that would happen there too as

3137
02:42:06,480 --> 02:42:05,439
well because it would cover the entire

3138
02:42:09,380 --> 02:42:06,490

country

3139

02:42:11,760 --> 02:42:09,390

so you I think we should focus on that

3140

02:42:14,670 --> 02:42:11,770

instead of trying to cool this magma

3141

02:42:18,330 --> 02:42:14,680

down that's that's just me

3142

02:42:21,000 --> 02:42:18,340

but second the volume of water needed to

3143

02:42:24,540 --> 02:42:21,010

cool such a large magma body would be

3144

02:42:27,809 --> 02:42:24,550

ginormous and I have to ask you where

3145

02:42:30,840 --> 02:42:27,819

would the water come from literally you

3146

02:42:36,059 --> 02:42:30,850

would need to pump the volume of a great

3147

02:42:39,630 --> 02:42:36,069

lake one of them into the system to even

3148

02:42:42,780 --> 02:42:39,640

make any kind of dent it just doesn't

3149

02:42:45,440 --> 02:42:42,790

make any sense I don't know why the

3150

02:42:48,809 --> 02:42:45,450

scientists there are seriously

3151
02:42:50,280 --> 02:42:48,819
contemplating this and you know again

3152
02:42:52,200 --> 02:42:50,290
science fiction and a resource

3153
02:42:55,770 --> 02:42:52,210
impossibility yes absolutely

3154
02:42:58,410 --> 02:42:55,780
but what water and from where and the

3155
02:43:01,349 --> 02:42:58,420
tricky part is it seems to be some kind

3156
02:43:04,830 --> 02:43:01,359
of mind play on the population we're

3157
02:43:06,780 --> 02:43:04,840
talking about asteroids and and nuclear

3158
02:43:09,630 --> 02:43:06,790
missiles being fired out to blow

3159
02:43:12,240 --> 02:43:09,640
something that we're working on that and

3160
02:43:13,450 --> 02:43:12,250
we're looking at the technology to to

3161
02:43:16,719 --> 02:43:13,460
prevent some type of

3162
02:43:19,810 --> 02:43:16,729
cosmic event happening here right okay

3163
02:43:22,840 --> 02:43:19,820

and I get all of that and again movies

3164

02:43:26,140 --> 02:43:22,850

have been made about this subject but

3165

02:43:29,830 --> 02:43:26,150

causing this kind of fear porn we know

3166

02:43:32,440 --> 02:43:29,840

that if we just look at the math and we

3167

02:43:36,130 --> 02:43:32,450

contemplate what would happen if if

3168

02:43:38,469 --> 02:43:36,140

Yellowstone did erupt yes it would be

3169

02:43:41,560 --> 02:43:38,479

crazy it you know and that's pumping

3170

02:43:44,530 --> 02:43:41,570

this kind of fear porn into the country

3171

02:43:46,210 --> 02:43:44,540

it's some kind of mind play that's the

3172

02:43:49,990 --> 02:43:46,220

only thing I can think of here because

3173

02:43:52,930 --> 02:43:50,000

the scientific side of it what actually

3174

02:43:56,530 --> 02:43:52,940

needs to come into play and how how deep

3175

02:43:59,440 --> 02:43:56,540

it is and how large it is we don't have

3176

02:44:00,850 --> 02:43:59,450

that kind of technology we don't and I

3177

02:44:02,800 --> 02:44:00,860

don't know if we would have it in a

3178

02:44:07,150 --> 02:44:02,810

hundred years or 200 years and quite

3179

02:44:09,310 --> 02:44:07,160

simply how how would the drilling happen

3180

02:44:10,960 --> 02:44:09,320

how much of the drilling would happen

3181

02:44:13,540 --> 02:44:10,970

and how much what are you really gonna

3182

02:44:16,540 --> 02:44:13,550

pump down there and to me if you did do

3183

02:44:19,810 --> 02:44:16,550

that that little drop in the oil in your

3184

02:44:23,190 --> 02:44:19,820

pan that I think you would cause an

3185

02:44:27,580 --> 02:44:23,200

eruption more than you would prevent any

3186

02:44:29,710 --> 02:44:27,590

eruption and this is just me but I just

3187

02:44:32,290 --> 02:44:29,720

I just find the whole thing completely

3188

02:44:35,800 --> 02:44:32,300

fascinating and I read through it all

3189

02:44:38,650 --> 02:44:35,810

today and the more that I looked at the

3190

02:44:41,969 --> 02:44:38,660

stats and and the odds of something

3191

02:44:44,410 --> 02:44:41,979

happening there have been three very

3192

02:44:46,350 --> 02:44:44,420

large events that have happened at

3193

02:44:48,850 --> 02:44:46,360

Yellowstone but there's nothing

3194

02:44:51,040 --> 02:44:48,860

predictable out of those three events

3195

02:44:53,230 --> 02:44:51,050

you can't triangulate anything out of

3196

02:44:55,030 --> 02:44:53,240

that information there's nothing that

3197

02:44:56,800 --> 02:44:55,040

says out of those three events that

3198

02:44:58,780 --> 02:44:56,810

something's gonna happen this year in

3199

02:45:00,040 --> 02:44:58,790

the next hundred years in the next

3200

02:45:02,530 --> 02:45:00,050

10,000 years

3201
02:45:05,890 --> 02:45:02,540
there isn't anything consistent in those

3202
02:45:08,980 --> 02:45:05,900
three massive eruptions that have

3203
02:45:10,480 --> 02:45:08,990
happened at Yellowstone and and I've

3204
02:45:11,920 --> 02:45:10,490
looked at it I've tried to figure out

3205
02:45:13,450 --> 02:45:11,930
the numbers and trying to figure out

3206
02:45:15,969 --> 02:45:13,460
something consistent and there isn't

3207
02:45:20,050 --> 02:45:15,979
anything there it quite simply doesn't

3208
02:45:22,480 --> 02:45:20,060
exist so why create this fear that we

3209
02:45:23,890 --> 02:45:22,490
need to go and and cool this magma down

3210
02:45:26,510 --> 02:45:23,900
and we need to do this and we need to

3211
02:45:29,660 --> 02:45:26,520
drill down five miles

3212
02:45:32,660 --> 02:45:29,670
that is the extreme end of our

3213
02:45:35,929 --> 02:45:32,670

technology today the extreme end there's

3214

02:45:37,519 --> 02:45:35,939

no way to get to it it's it's a pretty

3215

02:45:39,679 --> 02:45:37,529

interesting thing for NASA and their

3216

02:45:40,910 --> 02:45:39,689

scientists to go and propose all of them

3217

02:45:44,510 --> 02:45:40,920

and and seriously

3218

02:45:47,689 --> 02:45:44,520

apparently seriously contemplate some of

3219

02:45:50,389 --> 02:45:47,699

these solutions to Yellowstone when

3220

02:45:50,719 --> 02:45:50,399

there isn't any reason to do it to begin

3221

02:45:53,960 --> 02:45:50,729

with

3222

02:45:56,210 --> 02:45:53,970

it's fascinating absolutely fascinating

3223

02:45:59,179 --> 02:45:56,220

all right three two three eight two five

3224

02:46:03,830 --> 02:45:59,189

five zero four five three two three two

3225

02:46:06,080 --> 02:46:03,840

seven five nine six nine five and I've

3226

02:46:09,019 --> 02:46:06,090

got enough and enough time for maybe two

3227

02:46:15,649 --> 02:46:09,029

more phone calls and and we'll do that

3228

02:46:21,410 --> 02:46:15,659

next and wanted to go okay

3229

02:46:23,120 --> 02:46:21,420

so here's another fact and I have stated

3230

02:46:25,819 --> 02:46:23,130

something similar to this in the past

3231

02:46:27,519 --> 02:46:25,829

but it's pretty fascinating to think

3232

02:46:30,910 --> 02:46:27,529

about it in these terms

3233

02:46:33,290 --> 02:46:30,920

Cleopatra live closer to the time

3234

02:46:38,859 --> 02:46:33,300

pizzahut was founded

3235

02:46:41,660 --> 02:46:38,869

then when the Great Pyramid was built I

3236

02:46:45,170 --> 02:46:41,670

think about that for a second now I've

3237

02:46:48,349 --> 02:46:45,180

used something similar to this when I'm

3238

02:46:54,050 --> 02:46:48,359

when I've talked about dating the dating

3239

02:46:59,889 --> 02:46:54,060

of the age of Egypt because Egypt has

3240

02:47:03,469 --> 02:46:59,899

said if we go with the Orthodox

3241

02:47:07,550 --> 02:47:03,479

historians out there goes back to 3100

3242

02:47:10,519 --> 02:47:07,560

BC okay so from where Cleopatra

3243

02:47:15,649 --> 02:47:10,529

Cleopatra is more of a relative to us

3244

02:47:18,469 --> 02:47:15,659

today than ancient Egypt by more than a

3245

02:47:19,189 --> 02:47:18,479

thousand years so when you look at it in

3246

02:47:20,870 --> 02:47:19,199

these terms

3247

02:47:23,059 --> 02:47:20,880

Cleopatra lived closer to the time

3248

02:47:25,340 --> 02:47:23,069

pizzahut was founded than to when the

3249

02:47:27,649 --> 02:47:25,350

Egyptian pyramids were built you have to

3250

02:47:31,010 --> 02:47:27,659

look at it in these terms the Great

3251

02:47:36,529 --> 02:47:31,020

Pyramid was built sometime around 2,600

3252

02:47:39,140 --> 02:47:36,539

2,500 BC right Cleopatra died in 30 BC

3253

02:47:41,961 --> 02:47:39,150

so there's a gap of more than ten

3254

02:47:46,091 --> 02:47:41,971

400 years therefore Pizza Hut which was

3255

02:47:49,940 --> 02:47:46,101

founded in 1958 is only 2,000 years from

3256

02:47:52,041 --> 02:47:49,950

Cleopatra's life that's how old so this

3257

02:47:53,900 --> 02:47:52,051

is a great fact it would stump a lot of

3258

02:47:56,331 --> 02:47:53,910

people absolutely they would have a hard

3259

02:48:04,310 --> 02:47:56,341

time digesting that but if you think

3260

02:48:06,890 --> 02:48:04,320

about it that's how old Egyptian old the

3261

02:48:09,320 --> 02:48:06,900

Egyptians UM's it is so old that the

3262

02:48:11,900 --> 02:48:09,330

Egyptians themselves don't know where

3263

02:48:14,660 --> 02:48:11,910

they came from and that's the truth they

3264

02:48:17,390 --> 02:48:14,670

have no clue and by the time the Greeks

3265

02:48:20,961 --> 02:48:17,400

and the Romans came into Egypt and and

3266

02:48:22,881 --> 02:48:20,971

took things over nobody in Egypt at that

3267

02:48:28,820 --> 02:48:22,891

point knew anything about their own

3268

02:48:31,371 --> 02:48:28,830

history it's that old it is that old it

3269

02:48:31,881 --> 02:48:31,381

is it's mind-blowing when you think

3270

02:48:38,060 --> 02:48:31,891

about it

3271

02:48:40,791 --> 02:48:38,070

all right let's see here oh oh oh here's

3272

02:48:43,190 --> 02:48:40,801

another fact that I had to go back and

3273

02:48:45,950 --> 02:48:43,200

I've heard this many many many many many

3274

02:48:50,140 --> 02:48:45,960

times and I'm gonna I'm gonna watch

3275

02:48:58,131 --> 02:48:50,150

Twitter as I as I talk about this honey

3276

02:49:01,761 --> 02:48:58,141

never expires ever right okay that's a

3277

02:49:05,240 --> 02:49:01,771

pretty bold statement honey has a

3278

02:49:10,461 --> 02:49:05,250

perfect chemical composition that makes

3279

02:49:14,810 --> 02:49:10,471

it never spoil organisms can't live

3280

02:49:17,301 --> 02:49:14,820

inside of honey meaning there's nothing

3281

02:49:22,671 --> 02:49:17,311

that can spoil honey in the first place

3282

02:49:27,410 --> 02:49:22,681

now apparently 5,000 year old honey has

3283

02:49:29,331 --> 02:49:27,420

been found and is perfectly edible and

3284

02:49:31,160 --> 02:49:29,341

that that's one of those things if

3285

02:49:34,100 --> 02:49:31,170

anybody asked you about this in the

3286

02:49:36,860 --> 02:49:34,110

future then you have the answer right

3287

02:49:42,761 --> 02:49:36,870

here and right now and you've heard it

3288

02:49:46,430 --> 02:49:42,771

on fade to black honey never spoils ever

3289

02:49:48,230 --> 02:49:46,440

that's crazy right and I've often

3290

02:49:50,240 --> 02:49:48,240

thought you know when you see honey that

3291

02:49:52,490 --> 02:49:50,250

you've had on your shelf and it's get

3292

02:49:54,320 --> 02:49:52,500

that crystallization you know you throw

3293

02:49:59,830 --> 02:49:54,330

what are you doing throwing and he could

3294

02:50:04,820 --> 02:49:59,840

never spoil honey can never spoil okay

3295

02:50:06,620 --> 02:50:04,830

there are baby carrot farms baby carrots

3296

02:50:12,700 --> 02:50:06,630

you know the baby carrots there are baby

3297

02:50:16,010 --> 02:50:12,710

carrot farms are there there are not

3298

02:50:22,880 --> 02:50:16,020

there are no baby carrot farms baby

3299

02:50:23,510 --> 02:50:22,890

carrots were invented in 1986 that's

3300

02:50:26,890 --> 02:50:23,520

right

3301
02:50:29,510 --> 02:50:26,900
baby carrots were invented in 1986 and

3302
02:50:34,700 --> 02:50:29,520
baby carrots are not actually baby

3303
02:50:38,210 --> 02:50:34,710
carrots no they are cut from larger

3304
02:50:39,830 --> 02:50:38,220
carrots that's all they are and most

3305
02:50:41,570 --> 02:50:39,840
people don't know this they actually

3306
02:50:45,170 --> 02:50:41,580
think that baby carrots are baby carrots

3307
02:50:47,930 --> 02:50:45,180
know that it was a way to take miss

3308
02:50:52,760 --> 02:50:47,940
shapen carrots back in the old days in

3309
02:50:54,260 --> 02:50:52,770
1986 and and and save them from waste so

3310
02:50:56,840 --> 02:50:54,270
they would cut the baby carrots out of

3311
02:50:58,820 --> 02:50:56,850
the bigger carrots put them in bags sold

3312
02:51:01,880 --> 02:50:58,830
them in supermarkets and by the early

3313
02:51:06,380 --> 02:51:01,890

1990s they became the phenomenon that

3314

02:51:09,110 --> 02:51:06,390

they are now there are no baby carrot

3315

02:51:12,200 --> 02:51:09,120

farms and I don't want to bum you out

3316

02:51:15,680 --> 02:51:12,210

but you probably thought that there were

3317

02:51:18,920 --> 02:51:15,690

baby carrot farms but nope nope they're

3318

02:51:30,530 --> 02:51:18,930

just cut from bigger carrots hey Eric

3319

02:51:34,580 --> 02:51:30,540

how you doing Eric Eric okay yes this is

3320

02:51:35,240 --> 02:51:34,590

Eric who is this this is Scott oh hey

3321

02:51:38,950 --> 02:51:35,250

Scott

3322

02:51:40,670 --> 02:51:38,960

wow you popped up with another name that

3323

02:51:42,620 --> 02:51:40,680

is weird

3324

02:51:45,730 --> 02:51:42,630

yeah so that's why you didn't answer me

3325

02:51:48,140 --> 02:51:45,740

because you knew you weren't Eric right

3326
02:51:48,700 --> 02:51:48,150
yeah very interesting how you doing

3327
02:51:51,350 --> 02:51:48,710
tonight

3328
02:51:53,900 --> 02:51:51,360
I'm doing good hey Jimmy you and I

3329
02:51:57,800 --> 02:51:53,910
talked a couple nights ago about

3330
02:52:00,860 --> 02:51:57,810
Hollywood decody uh-huh and we were

3331
02:52:01,970 --> 02:52:00,870
talking about Peter Lauer and the UFOs

3332
02:52:06,140 --> 02:52:01,980
were Topanga I remember that

3333
02:52:08,180 --> 02:52:06,150
conversation I do so he says

3334
02:52:10,520 --> 02:52:08,190
why it was because his over the Battle

3335
02:52:12,801 --> 02:52:10,530
of LA and he didn't want to revisit it

3336
02:52:15,620 --> 02:52:12,811
and that I was like what is the battle

3337
02:52:17,150 --> 02:52:15,630
over LA right I don't know I don't know

3338
02:52:19,310 --> 02:52:17,160

what it is what was it

3339

02:52:27,051 --> 02:52:19,320

the battle over Los Angeles which

3340

02:52:28,970 --> 02:52:27,061

happened just after Japan had entered

3341

02:52:31,850 --> 02:52:28,980

into World War two and what had happened

3342

02:52:35,770 --> 02:52:31,860

was I don't remember the exact dates but

3343

02:52:40,070 --> 02:52:35,780

I think it was for some reason February

3344

02:52:43,761 --> 02:52:40,080

24th 1942 I think is the date there hold

3345

02:52:47,091 --> 02:52:43,771

on here the battle of Los Angeles let's

3346

02:52:52,700 --> 02:52:47,101

just go here boom and I'll get the dates

3347

02:52:57,080 --> 02:52:52,710

right here oh no let's see here yeah I

3348

02:52:59,390 --> 02:52:57,090

was right February 24th and 25th 1942 so

3349

02:53:01,280 --> 02:52:59,400

what had happened was and the

3350

02:53:03,980 --> 02:53:01,290

photographs if you go and you look it up

3351
02:53:07,190 --> 02:53:03,990
and you look at the front page of the LA

3352
02:53:10,370 --> 02:53:07,200
Times they have the classic picture of

3353
02:53:13,130 --> 02:53:10,380
the object that was over Los Angeles off

3354
02:53:16,341 --> 02:53:13,140
the coast of Santa Monica and at that

3355
02:53:19,430 --> 02:53:16,351
time we were fearing an invasion on the

3356
02:53:21,470 --> 02:53:19,440
west coast from Japan so there were

3357
02:53:23,900 --> 02:53:21,480
artillery batteries anti-aircraft

3358
02:53:26,690 --> 02:53:23,910
batteries that were all the way up and

3359
02:53:29,330 --> 02:53:26,700
down the coast of California from Santa

3360
02:53:32,620 --> 02:53:29,340
Barbara all the way down to San Diego ok

3361
02:53:35,841 --> 02:53:32,630
huge huge batteries of installations and

3362
02:53:39,250 --> 02:53:35,851
so this object showed up in the night

3363
02:53:42,770 --> 02:53:39,260

sky they illuminated it with with

3364

02:53:45,410 --> 02:53:42,780

searchlights if depending on what

3365

02:53:49,850 --> 02:53:45,420

photograph that you get what version of

3366

02:53:53,060 --> 02:53:49,860

it that you get it looks to be some type

3367

02:53:56,330 --> 02:53:53,070

of saucer Christ shaped craft but I've

3368

02:53:58,820 --> 02:53:56,340

also thought from different shots that

3369

02:54:04,040 --> 02:53:58,830

it looked a little angular to me well

3370

02:54:05,960 --> 02:54:04,050

anyway they shot about and I want to say

3371

02:54:08,980 --> 02:54:05,970

like over a thousand rounds of

3372

02:54:12,440 --> 02:54:08,990

anti-aircraft fire at this thing and

3373

02:54:16,531 --> 02:54:12,450

they shot at it and it slowly moved down

3374

02:54:19,111 --> 02:54:16,541

the coast and went towards

3375

02:54:22,051 --> 02:54:19,121

yeah I'm reading here 1,400

3376

02:54:26,281 --> 02:54:22,061

anti-aircraft shells were fired 50

3377

02:54:30,390 --> 02:54:26,291

caliber machine guns twelve point eight

3378

02:54:36,560 --> 02:54:30,400

pound anti-aircraft shells and they shot

3379

02:54:39,331 --> 02:54:36,570

this thing shot at it from 3:16 a.m. to

3380

02:54:41,761 --> 02:54:39,341

721 a.m. in the morning so they shot at

3381

02:54:44,701 --> 02:54:41,771

this thing for about 4 hours it never

3382

02:54:46,921 --> 02:54:44,711

came down there are some stories yeah

3383

02:54:50,341 --> 02:54:46,931

there are some stories that it did come

3384

02:54:53,731 --> 02:54:50,351

down that they did capture the craft and

3385

02:54:56,481 --> 02:54:53,741

others say that they didn't but it was

3386

02:54:59,461 --> 02:54:56,491

totally illuminated all night by

3387

02:55:03,001 --> 02:54:59,471

searchlights and it was photographed and

3388

02:55:06,631 --> 02:55:03,011

and shot at but it never now if it was

3389

02:55:09,060 --> 02:55:06,641

some kind of balloon or or dirigible or

3390

02:55:11,371 --> 02:55:09,070

some kind of craft by the Japanese with

3391

02:55:13,381 --> 02:55:11,381

some suspected it would have been shot

3392

02:55:16,981 --> 02:55:13,391

out of the sky many times but it never

3393

02:55:19,470 --> 02:55:16,991

did it was never brought down at least

3394

02:55:21,921 --> 02:55:19,480

officially but it did move down the

3395

02:55:25,531 --> 02:55:21,931

coast it went down the coast went past

3396

02:55:28,140 --> 02:55:25,541

the airport and and continued down and

3397

02:55:30,661 --> 02:55:28,150

they shot at it all night long and and

3398

02:55:34,111 --> 02:55:30,671

there you go that is the famous battle

3399

02:55:36,270 --> 02:55:34,121

of Los Angeles so does that make any

3400

02:55:38,161 --> 02:55:36,280

sense to you I don't get and why would

3401

02:55:39,841 --> 02:55:38,171

he tell him to stop writing the script

3402

02:55:43,861 --> 02:55:39,851

or they don't worry with it I don't know

3403

02:55:45,541 --> 02:55:43,871

I don't know I don't know you had the

3404

02:55:48,781 --> 02:55:45,551

connection there I would I would

3405

02:55:51,381 --> 02:55:48,791

continue to yeah I find out a little bit

3406

02:55:54,121 --> 02:55:51,391

more with that I just find it so bizarre

3407

02:55:57,571 --> 02:55:54,131

it well it really happened

3408

02:55:59,281 --> 02:55:57,581

see that's the other thing this really

3409

02:56:01,381 --> 02:55:59,291

really really oh why didn't they bring

3410

02:56:03,331 --> 02:56:01,391

it down a thousand rounds you think it

3411

02:56:05,551 --> 02:56:03,341

brings down by then right well you can

3412

02:56:08,491 --> 02:56:05,561

go and see this is the thing you can go

3413

02:56:09,930 --> 02:56:08,501

and read the original article in the LA

3414

02:56:11,640 --> 02:56:09,940

Times and look at all the photographs

3415

02:56:14,520 --> 02:56:11,650

that they have they're all very

3416

02:56:17,371 --> 02:56:14,530

interesting you can definitely google

3417

02:56:19,441 --> 02:56:17,381

images of it and you can sure there's a

3418

02:56:24,751 --> 02:56:19,451

Wikipedia page and you can go and and

3419

02:56:26,520 --> 02:56:24,761

read about it it's it's so documented so

3420

02:56:28,680 --> 02:56:26,530

is there a question of the event

3421

02:56:30,990 --> 02:56:28,690

actually happened no it really

3422

02:56:34,530 --> 02:56:31,000

happened what it was that they were

3423

02:56:37,860 --> 02:56:34,540

shooting at nobody knows at least not

3424

02:56:39,421 --> 02:56:37,870

officially so there he was if you ever

3425

02:56:40,801 --> 02:56:39,431

been up on dirt Mulholland here because

3426

02:56:44,881 --> 02:56:40,811

we go down there we got the Nike missile

3427

02:56:48,270 --> 02:56:44,891

oh yeah yeah yeah yeah I've done it many

3428

02:56:50,011 --> 02:56:48,280

many many many many many times it was

3429

02:56:52,440 --> 02:56:50,021

one of our funnest thing to do in the

3430

02:56:55,350 --> 02:56:52,450

80s was uh was go up there and drink

3431

02:56:56,791 --> 02:56:55,360

beer so there you go all right Scott I

3432

02:56:59,131 --> 02:56:56,801

got a roll credits and get out of here

3433

02:56:59,881 --> 02:56:59,141

my brother go do your studying and get

3434

02:57:01,950 --> 02:56:59,891

back

3435

02:57:03,900 --> 02:57:01,960

thank you sir take care all right it's

3436

02:57:06,150 --> 02:57:03,910

got great great phone call it really

3437

02:57:09,690 --> 02:57:06,160

happened the battle of Los Angeles

3438

02:57:10,440 --> 02:57:09,700

alright that wraps another episode of

3439

02:57:13,680 --> 02:57:10,450

fade to black

3440

02:57:15,421 --> 02:57:13,690

and another Fator night is in the can

3441

02:57:17,671 --> 02:57:15,431

fade to black so executive producers

3442

02:57:20,070 --> 02:57:17,681

ritika Mariana Schultz produced by Hill

3443

02:57:21,661 --> 02:57:20,080

Jay Paul Marty Cove RLJ 3 Rene Jonas

3444

02:57:23,640 --> 02:57:21,671

Thank You Dennis thank you Bob announces

3445

02:57:26,551 --> 02:57:23,650

our Steve Harbor Jean Patou a Mark D

3446

02:57:29,220 --> 02:57:26,561

Kovar Beatty by Dale what master is Drew

3447

02:57:32,700 --> 02:57:29,230

the geek music doug aldrich intro space

3448

02:57:36,360 --> 02:57:32,710

boys space boy music.com beta-blockers

game changing at work until I don't know

3460
02:58:01,550 --> 02:57:59,320
man should we take Monday off it's Labor

3461
02:58:05,880 --> 02:58:03,469
[Music]

3462
02:58:08,969 --> 02:58:05,890
we'll find out over the weekend but

3463
02:58:11,699 --> 02:58:08,979

until then everybody be safe enjoy your

3464

02:58:13,530 --> 02:58:11,709

weekend have fun be safe

3465

02:58:14,370 --> 02:58:13,540

go back legs happy

3466

02:58:14,660 --> 02:58:14,380

[Music]

3467

02:58:31,290 --> 02:58:14,670

[Applause]
