

OCTOBER 23, 2017
7 PM PST / 10 PM EST

DR. ROBERT SCHOCH
THE LOST PYRAMID OF GIZA

Ep. 742

F2B
WITH JIMMY CHURCH

ROBERTSCHOCH.COM

copyright 2017 fade to black www.jimmychurchradio.com

1
00:00:18,110 --> 00:00:14,320

[Music]

2
00:00:21,920 --> 00:00:18,120

this hope radio for the masses headliner

3
00:00:24,080 --> 00:00:21,930

between July 8 1947 the Army Air Force

4
00:00:25,970 --> 00:00:24,090

were present on start applying the -

5
00:00:30,040 --> 00:00:25,980

found and is now in the possession of

6
00:00:34,150 --> 00:00:30,050

the I would change the game

7
00:00:38,450 --> 00:00:34,160

I occasionally think how quickly our

8
00:00:41,119 --> 00:00:38,460

differences worldwide would vanish if we

9
00:00:48,020 --> 00:00:41,129

were facing an alien threat from outside

10
00:00:55,880 --> 00:00:51,200

two black with your host Jimmy church on

11
00:00:59,670 --> 00:00:55,890

the game-changer radio network and kg RA

12
00:01:08,410 --> 00:01:01,400

your health too

13
00:01:09,899 --> 00:01:08,420

[Music]

14

00:01:12,090 --> 00:01:09,909

you're listening to

15

00:01:13,520 --> 00:01:12,100

- black with Jimmy touch only game

16

00:01:30,539 --> 00:01:13,530

change in net worth

17

00:01:44,550 --> 00:01:34,760

all right welcome fade to black

18

00:01:44,560 --> 00:01:51,630

[Music]

19

00:01:59,450 --> 00:01:56,250

today is Monday October 23rd 296 days

20

00:02:02,580 --> 00:01:59,460

into the new year just 69 days left we

21

00:02:04,980 --> 00:02:02,590

are live from a bunker somewhere in

22

00:02:06,540 --> 00:02:04,990

downtown Burbank California and I would

23

00:02:09,240 --> 00:02:06,550

like to welcome everybody listening all

24

00:02:11,820 --> 00:02:09,250

around the world all across the United

25

00:02:14,190 --> 00:02:11,830

States hither and thither to and fro

26
00:02:17,070 --> 00:02:14,200
back and forth up and down east and west

27
00:02:21,540 --> 00:02:17,080
north and south far and near

28
00:02:24,620 --> 00:02:21,550
this is fade to black for kjc are the

29
00:02:27,180 --> 00:02:24,630
game changer Network @kg ra the planet's

30
00:02:29,550 --> 00:02:27,190
i'm your host jimmy church what is

31
00:02:34,020 --> 00:02:29,560
cracking everybody how you doing it is

32
00:02:36,330 --> 00:02:34,030
Monday I am in the chair after the week

33
00:02:39,570 --> 00:02:36,340
last week in the weekend that I've had I

34
00:02:40,890 --> 00:02:39,580
need this chair right now so good to be

35
00:02:43,110 --> 00:02:40,900
back with you

36
00:02:47,130 --> 00:02:43,120
what a great week we've got lined up

37
00:02:50,340 --> 00:02:47,140
here on fader block tonight that's right

38
00:02:52,290 --> 00:02:50,350

very special guest and back with us the

39

00:02:55,560 --> 00:02:52,300

one and only dr. Robert Schoch

40

00:02:57,210 --> 00:02:55,570

is here oh man

41

00:03:00,690 --> 00:02:57,220

always great when he's on the show he's

42

00:03:04,710 --> 00:03:00,700

one of the best professor at Boston

43

00:03:06,600 --> 00:03:04,720

University tenured and tonight we're

44

00:03:08,490 --> 00:03:06,610

gonna talk about the fourth pyramid the

45

00:03:10,800 --> 00:03:08,500

second Sphinx we're gonna talk about

46

00:03:13,470 --> 00:03:10,810

Giza we're gonna talk about cosmic

47

00:03:14,729 --> 00:03:13,480

interference with our history we're

48

00:03:17,729 --> 00:03:14,739

gonna do all of that tonight

49

00:03:20,880 --> 00:03:17,739

with Robert Schoch and he is you know

50

00:03:23,670 --> 00:03:20,890

out of out of everybody in academia and

51
00:03:28,050 --> 00:03:23,680
also throughout our research community

52
00:03:30,090 --> 00:03:28,060
to have somebody of his stature come in

53
00:03:33,330 --> 00:03:30,100
and say the world is not what it seems

54
00:03:35,699 --> 00:03:33,340
and here is the proof he is in our

55
00:03:39,180 --> 00:03:35,709
corner all right and we always have

56
00:03:42,900 --> 00:03:39,190
dynamic conversations with him I did a

57
00:03:45,229 --> 00:03:42,910
picture it's up on I think it's on our

58
00:03:50,460 --> 00:03:45,239
Facebook page but I posted a picture of

59
00:03:53,789 --> 00:03:50,470
Robert taking a picture of me taking a

60
00:03:57,180 --> 00:03:53,799
picture of him it was one of those

61
00:04:00,030 --> 00:03:57,190
moments in time it's an amazing picture

62
00:04:01,740 --> 00:04:00,040
so go and I and I was talking to him

63
00:04:04,350 --> 00:04:01,750

earlier today I said dude man huh

64

00:04:05,320 --> 00:04:04,360

where's the picture that you took of me

65

00:04:07,810 --> 00:04:05,330

of me

66

00:04:10,540 --> 00:04:07,820

taking a picture of you we've got to get

67

00:04:12,700 --> 00:04:10,550

those up side-by-side because it was a

68

00:04:14,680 --> 00:04:12,710

moment in time and actually we did that

69

00:04:16,420 --> 00:04:14,690

like three times over a three or

70

00:04:19,360 --> 00:04:16,430

four-day period I kept turning around

71

00:04:21,460 --> 00:04:19,370

and dr. Schaack is taking pictures of it

72

00:04:24,460 --> 00:04:21,470

so I would turn around and take it I

73

00:04:26,170 --> 00:04:24,470

would bust him taking pictures right and

74

00:04:28,390 --> 00:04:26,180

totally cool so I posted that picture

75

00:04:29,950 --> 00:04:28,400

today you can go and and check it out

76

00:04:33,340 --> 00:04:29,960

I'm sure you guys are gonna get this up

77

00:04:35,470 --> 00:04:33,350

on Twitter here very quickly and I will

78

00:04:37,870 --> 00:04:35,480

retweet it once it's up there it's

79

00:04:40,000 --> 00:04:37,880

pretty cool so that's tonight tomorrow

80

00:04:41,350 --> 00:04:40,010

night author Steve Alton is going to be

81

00:04:44,680 --> 00:04:41,360

here we're gonna talk about his new book

82

00:04:46,060 --> 00:04:44,690

undisclosed he is not only New York

83

00:04:49,120 --> 00:04:46,070

Times but a worldwide best-selling

84

00:04:51,730 --> 00:04:49,130

author his books like Meg are very very

85

00:04:57,970 --> 00:04:51,740

good he's one of the best but his newest

86

00:05:00,310 --> 00:04:57,980

book undisclosed is a novel on us about

87

00:05:04,150 --> 00:05:00,320

our community about zero-point energy

88

00:05:05,860 --> 00:05:04,160

about UFOs and disclosure and pilots in

89

00:05:08,140 --> 00:05:05,870

the military and the Pentagon and the

90

00:05:09,970 --> 00:05:08,150

white it's all in there so we're gonna

91

00:05:12,220 --> 00:05:09,980

discuss that tomorrow night Wednesday

92

00:05:16,960 --> 00:05:12,230

night we have Michaela Sheldon here

93

00:05:20,080 --> 00:05:16,970

we've got to do one of those open your

94

00:05:22,120 --> 00:05:20,090

mind become awakened shows and we do

95

00:05:24,880 --> 00:05:22,130

that you know pretty much once a week so

96

00:05:28,570 --> 00:05:24,890

there we have a nice complete week here

97

00:05:32,080 --> 00:05:28,580

on fade to black but Thursday night is

98

00:05:36,310 --> 00:05:32,090

our fourth annual Halloween special with

99

00:05:38,320 --> 00:05:36,320

Shaw the Loon which now as you know this

100

00:05:41,080 --> 00:05:38,330

is our fourth annual show we are going

101
00:05:43,480 --> 00:05:41,090
to bust out a couple of hundred phone

102
00:05:46,780 --> 00:05:43,490
calls on Thursday night we shot a loon

103
00:05:50,440 --> 00:05:46,790
which she will read your fortune your

104
00:05:52,570 --> 00:05:50,450
future something about you in 60 seconds

105
00:05:53,920 --> 00:05:52,580
and we will like I said we're gonna

106
00:05:56,890 --> 00:05:53,930
break through a hundred two hundred

107
00:05:58,270 --> 00:05:56,900
phone calls that night so the phone

108
00:06:00,550 --> 00:05:58,280
lines are gonna stay jammed all night

109
00:06:03,460 --> 00:06:00,560
long just stay on the phones we will get

110
00:06:05,080 --> 00:06:03,470
everybody in what we'll try to all right

111
00:06:08,020 --> 00:06:05,090
like we do every year so it's gonna be a

112
00:06:09,430 --> 00:06:08,030
great show what a great week right right

113
00:06:13,060 --> 00:06:09,440

here on fade to black

114

00:06:14,740 --> 00:06:13,070

follow us on twitter at JT radio that's

115

00:06:16,300 --> 00:06:14,750

what you want to do as a church radio

116

00:06:18,090 --> 00:06:16,310

Facebook YouTube everything is fade to

117

00:06:19,830 --> 00:06:18,100

black Jimmy Church radio you know what

118

00:06:21,690 --> 00:06:19,840

do it simple let's go over to the

119

00:06:24,570 --> 00:06:21,700

website click on those three little

120

00:06:26,970 --> 00:06:24,580

buttons follow like and subscribe you

121

00:06:29,790 --> 00:06:26,980

want to hang out on Twitter hashtag F to

122

00:06:32,460 --> 00:06:29,800

B is the sandbox all of the chat rooms

123

00:06:33,930 --> 00:06:32,470

are open and live right now as you know

124

00:06:36,330 --> 00:06:33,940

they're all spread out in front of me

125

00:06:39,360 --> 00:06:36,340

here in the bunker so we have Spreaker

126
00:06:42,540 --> 00:06:39,370
live we have the kgr a chatroom live of

127
00:06:43,860 --> 00:06:42,550
course twitter is live and if none of

128
00:06:46,590 --> 00:06:43,870
that works for you

129
00:06:49,260 --> 00:06:46,600
there's always email jimmy at jimmy

130
00:06:52,230 --> 00:06:49,270
church radio.com alright in a few

131
00:06:54,480 --> 00:06:52,240
minutes in just a few minutes I want to

132
00:06:56,970 --> 00:06:54,490
welcome and I want you to welcome our

133
00:07:00,060 --> 00:06:56,980
new sponsor Daniel Brigman of new mana

134
00:07:02,220 --> 00:07:00,070
is gonna join us and yes new mana

135
00:07:04,950 --> 00:07:02,230
emergency food storage that you will

136
00:07:07,290 --> 00:07:04,960
love to eat and it just turns out that's

137
00:07:10,500 --> 00:07:07,300
my snack time now I don't know if Daniel

138
00:07:12,840 --> 00:07:10,510

knows it but new manna was very gracious

139

00:07:16,710 --> 00:07:12,850

and hooked us up with what we needed I

140

00:07:20,670 --> 00:07:16,720

gotta tell you I've been eating it I

141

00:07:22,380 --> 00:07:20,680

can't stop eating new manna ah so I'm

142

00:07:24,960 --> 00:07:22,390

gonna find out where those recipes come

143

00:07:28,500 --> 00:07:24,970

from we'll do all of that tonight in a

144

00:07:31,260 --> 00:07:28,510

few minutes with Daniel and if you order

145

00:07:33,510 --> 00:07:31,270

new manna you will get and mention my

146

00:07:35,700 --> 00:07:33,520

name you will get to use the promo code

147

00:07:38,160 --> 00:07:35,710

Jimmy you'll get a 5% discount and an

148

00:07:40,920 --> 00:07:38,170

autographed fade to black t-shirt

149

00:07:42,660 --> 00:07:40,930

shipped a bunch of them today by the way

150

00:07:44,580 --> 00:07:42,670

autographed t-shirts I've been signing

151
00:07:47,700 --> 00:07:44,590
them everybody the new manager it's in

152
00:07:50,760 --> 00:07:47,710
gold how is that alright so go and get

153
00:07:53,520 --> 00:07:50,770
yours don't forget about the unity of

154
00:07:54,810 --> 00:07:53,530
workshops they are starting production

155
00:07:57,450 --> 00:07:54,820
right now in their first series of

156
00:07:59,940 --> 00:07:57,460
podcast they are calling on researchers

157
00:08:01,980 --> 00:07:59,950
and experiencers on portals to join this

158
00:08:04,620 --> 00:08:01,990
project they do need production help

159
00:08:07,140 --> 00:08:04,630
producers and writers and so all you

160
00:08:10,050 --> 00:08:07,150
have to do for the unity podcast is go

161
00:08:16,080 --> 00:08:10,060
and sign up at the unity project org or

162
00:08:22,200 --> 00:08:16,090
contact John what what is that you are

163
00:08:25,020 --> 00:08:22,210

not online okay alright I'm not sure oh

164

00:08:28,590 --> 00:08:25,030

she's referring to Twitter okay I get it

165

00:08:30,540 --> 00:08:28,600

Rita's is texting me right now subscribe

166

00:08:31,500 --> 00:08:30,550

to our podcast so you can do that over

167

00:08:33,540 --> 00:08:31,510

700 for

168

00:08:37,050 --> 00:08:33,550

the archive shows right now all

169

00:08:38,820 --> 00:08:37,060

platforms Android Apple just two dollars

170

00:08:41,880 --> 00:08:38,830

a month you can go sign up at Jimmy

171

00:08:44,700 --> 00:08:41,890

Church radio.com check out all of our

172

00:08:47,340 --> 00:08:44,710

sponsors life change t get the t.com

173

00:08:50,790 --> 00:08:47,350

River moon coffee new pharma ancient

174

00:08:53,220 --> 00:08:50,800

life oil sacred skulls new mana and of

175

00:08:55,920 --> 00:08:53,230

course barring optics all of their

176

00:08:58,050 --> 00:08:55,930

information all of their promo codes

177

00:09:01,650 --> 00:08:58,060

everything are on the banners over at

178

00:09:04,050 --> 00:09:01,660

Jimmy Church radio.com so with that I

179

00:09:08,250 --> 00:09:04,060

would like to welcome and introduce to

180

00:09:10,920 --> 00:09:08,260

you Daniel Brigman of new mana Daniel

181

00:09:13,020 --> 00:09:10,930

welcome to the show how are you I'm

182

00:09:14,880 --> 00:09:13,030

doing very well and it's very nice to be

183

00:09:16,560 --> 00:09:14,890

with you and your audience fantastic man

184

00:09:19,770 --> 00:09:16,570

you know thank you for all of your

185

00:09:21,810 --> 00:09:19,780

support and and what new manna does you

186

00:09:24,150 --> 00:09:21,820

know for the world and it's just so

187

00:09:27,060 --> 00:09:24,160

funny when I when I talked about my

188

00:09:28,590 --> 00:09:27,070

little experience with my wife right

189

00:09:30,600 --> 00:09:28,600

where she said you know you know if

190

00:09:33,630 --> 00:09:30,610

something happens we were having at that

191

00:09:35,250 --> 00:09:33,640

time Daniel we had fires right in our

192

00:09:37,710 --> 00:09:35,260

neighborhood here in Burbank the city's

193

00:09:40,290 --> 00:09:37,720

burning down we had hurricanes going on

194

00:09:43,260 --> 00:09:40,300

in earthquakes you know down in Mexico

195

00:09:46,320 --> 00:09:43,270

and you know Houston and and Florida it

196

00:09:48,750 --> 00:09:46,330

was just nuts there for for about a

197

00:09:51,090 --> 00:09:48,760

month and Rita turned to me and she said

198

00:09:54,780 --> 00:09:51,100

you know are we ready to go if something

199

00:09:57,630 --> 00:09:54,790

happens and we were not and so now we

200

00:10:00,720 --> 00:09:57,640

are today I feel pretty good about

201
00:10:02,280 --> 00:10:00,730
myself not only with new mana but you

202
00:10:04,770 --> 00:10:02,290
know the other things like glow sticks

203
00:10:06,630 --> 00:10:04,780
and flashlights and batteries and things

204
00:10:09,390 --> 00:10:06,640
that you know you don't really think

205
00:10:12,330 --> 00:10:09,400
about what made you put new manna

206
00:10:16,710 --> 00:10:12,340
together what was the vision behind new

207
00:10:18,360 --> 00:10:16,720
manna well I drew up I spent a lot of

208
00:10:20,580 --> 00:10:18,370
time with my grandparents I don't know

209
00:10:22,560 --> 00:10:20,590
your audience party has similar you know

210
00:10:23,940 --> 00:10:22,570
giving you feel for them both my

211
00:10:26,940 --> 00:10:23,950
grandparents grew up in the depression

212
00:10:29,310 --> 00:10:26,950
and if you're around people like that

213
00:10:31,710 --> 00:10:29,320

they kind of pass around this is natural

214

00:10:34,200 --> 00:10:31,720

ethic to be prepared to have more than

215

00:10:35,670 --> 00:10:34,210

you need to just store kind of like the

216

00:10:37,830 --> 00:10:35,680

ant and the grasshopper kind of things

217

00:10:40,110 --> 00:10:37,840

so that kind of stuck with me as I got

218

00:10:41,580 --> 00:10:40,120

married I started having children or

219

00:10:44,760 --> 00:10:41,590

thinking about having children just the

220

00:10:45,210 --> 00:10:44,770

idea just kind of the same exercise you

221

00:10:48,509 --> 00:10:45,220

went through

222

00:10:50,759 --> 00:10:48,519

your wife hey we're not prepared here

223

00:10:52,679 --> 00:10:50,769

there's a fire I went through with my

224

00:10:54,990 --> 00:10:52,689

wife and it's like hey what're we gonna

225

00:10:57,179 --> 00:10:55,000

do so we began to look at their four

226

00:10:58,439 --> 00:10:57,189

different products again and frankly we

227

00:11:00,090 --> 00:10:58,449

were just disappointed what was out

228

00:11:02,460 --> 00:11:00,100

there they're full of chemicals they

229

00:11:04,079 --> 00:11:02,470

didn't taste all that good I didn't want

230

00:11:05,910 --> 00:11:04,089

to eat them I certainly wouldn't want to

231

00:11:09,660 --> 00:11:05,920

feed them to any children that we had in

232

00:11:11,340 --> 00:11:09,670

the future so we just decided to start

233

00:11:13,050 --> 00:11:11,350

their own I mean that's really how Amana

234

00:11:15,119 --> 00:11:13,060

was born now

235

00:11:17,970 --> 00:11:15,129

okay what's the secret here all right

236

00:11:20,610 --> 00:11:17,980

we'll get to the technical stuff but the

237

00:11:23,100 --> 00:11:20,620

taste man I mean there are some recipes

238

00:11:26,129 --> 00:11:23,110

going on where do where do the recipes

239

00:11:31,199 --> 00:11:26,139

come from well the secret is I like to

240

00:11:36,269 --> 00:11:34,379

and so we worked on it until it tastes

241

00:11:38,309 --> 00:11:36,279

good you know yeah formulators and we

242

00:11:40,019 --> 00:11:38,319

say hey we we want to kind of make a

243

00:11:42,059 --> 00:11:40,029

recipe kinda like this is what we're

244

00:11:45,059 --> 00:11:42,069

thinking we start somewhere and then we

245

00:11:46,590 --> 00:11:45,069

just refine it hey yeah go back do this

246

00:11:48,720 --> 00:11:46,600

put a little more garlic in it what have

247

00:11:51,360 --> 00:11:48,730

you and then we just go to Iowa know it

248

00:11:53,309 --> 00:11:51,370

so you know I like it my wife liked it

249

00:11:54,720 --> 00:11:53,319

and now our children especially we

250

00:11:56,490 --> 00:11:54,730

tested on them they're kind of the

251
00:11:58,379 --> 00:11:56,500
guinea pigs of this that's really it's

252
00:12:00,119 --> 00:11:58,389
that it's it's really that simple jury

253
00:12:02,369 --> 00:12:00,129
you know you know what I did to my

254
00:12:04,829 --> 00:12:02,379
daughter so check this out and I'm not

255
00:12:08,240 --> 00:12:04,839
making this up give me 30 seconds I got

256
00:12:11,970 --> 00:12:08,250
to tell you the story so I'm making the

257
00:12:13,860 --> 00:12:11,980
alfredo pasta right making she comes

258
00:12:15,720 --> 00:12:13,870
home from school she's in college she

259
00:12:18,119 --> 00:12:15,730
comes home she's like man it smells

260
00:12:21,600 --> 00:12:18,129
pretty good and and Rita had told her on

261
00:12:24,509 --> 00:12:21,610
the way home you know okay we're making

262
00:12:27,360 --> 00:12:24,519
homemade you know Alfredo so that's her

263
00:12:29,610 --> 00:12:27,370

favorite thing right so it was our way

264

00:12:31,379 --> 00:12:29,620

to get her to come home after school

265

00:12:32,429 --> 00:12:31,389

instead of going out for coffee with her

266

00:12:35,100 --> 00:12:32,439

friends you know that kind of thing

267

00:12:37,559 --> 00:12:35,110

anyway she comes home and I'm stirring

268

00:12:39,150 --> 00:12:37,569

you know the pot in the kitchen I said

269

00:12:41,009 --> 00:12:39,160

you know you know taste it because how

270

00:12:43,619 --> 00:12:41,019

this is really you know she doesn't know

271

00:12:45,689 --> 00:12:43,629

it's new manna right she ate the life

272

00:12:49,590 --> 00:12:45,699

out of that stuff and and and it's

273

00:12:51,480 --> 00:12:49,600

really really that good and and I don't

274

00:12:52,920 --> 00:12:51,490

want the audience to think you know

275

00:12:56,280 --> 00:12:52,930

Jimmy's just saying this

276

00:12:56,950 --> 00:12:56,290

look it is ridden believe the habanero

277

00:12:59,320 --> 00:12:56,960

chili

278

00:13:01,300 --> 00:12:59,330

right you know and I was like there's

279

00:13:05,560 --> 00:13:01,310

some recipes going on here now this is

280

00:13:07,690 --> 00:13:05,570

let's talk about some specifics 25 year

281

00:13:12,400 --> 00:13:07,700

shelf life what are we looking at there

282

00:13:14,199 --> 00:13:12,410

a genuine 25 years yes absolutely

283

00:13:16,030 --> 00:13:14,209

there's three things that will kill any

284

00:13:18,070 --> 00:13:16,040

foods you're putting food in your pantry

285

00:13:21,880 --> 00:13:18,080

you know what the things that kills it

286

00:13:23,769 --> 00:13:21,890

oxygen heat temperature fluctuation so

287

00:13:25,120 --> 00:13:23,779

all those things is the way you package

288

00:13:27,430 --> 00:13:25,130

it and the ingredients mix together

289

00:13:29,440 --> 00:13:27,440

there's a science of being greedy --nt

290

00:13:31,210 --> 00:13:29,450

stew gether to be stable and have

291

00:13:33,490 --> 00:13:31,220

quality ingredients without using

292

00:13:35,470 --> 00:13:33,500

chemicals and then the packaging itself

293

00:13:40,000 --> 00:13:35,480

so as long as you store it in a cool dry

294

00:13:41,860 --> 00:13:40,010

place now that a garage would be the

295

00:13:43,720 --> 00:13:41,870

worst place because of the temperature

296

00:13:45,579 --> 00:13:43,730

fluctuation but you know start in your

297

00:13:47,050 --> 00:13:45,589

basement your house whatever it's gonna

298

00:13:49,480 --> 00:13:47,060

be fine it's the last year it's going to

299

00:13:51,280 --> 00:13:49,490

be there 10 20 probably even 30 years as

300

00:13:53,650 --> 00:13:51,290

long as you store it well it will be

301
00:13:57,850 --> 00:13:53,660
there no GMOs I want to make that very

302
00:14:00,100 --> 00:13:57,860
clear no GMOs very important to us we

303
00:14:02,290 --> 00:14:00,110
you know there's a lot of science and

304
00:14:03,760 --> 00:14:02,300
people are back and forth on that I am

305
00:14:05,500 --> 00:14:03,770
very suspect of genetically modified

306
00:14:06,880 --> 00:14:05,510
foods and I don't want to eat it and I

307
00:14:08,620 --> 00:14:06,890
don't want my children to as much as I

308
00:14:10,329 --> 00:14:08,630
can and I certainly don't want it in the

309
00:14:12,640 --> 00:14:10,339
emergency food I don't want to survive

310
00:14:15,280 --> 00:14:12,650
some disaster what have you and then had

311
00:14:17,260 --> 00:14:15,290
my food kill me I mean it's that simple

312
00:14:19,030 --> 00:14:17,270
well you know the thing is about GMOs

313
00:14:21,220 --> 00:14:19,040

Daniel and I know that you're aware of

314

00:14:24,010 --> 00:14:21,230

this our audience certainly is but

315

00:14:27,070 --> 00:14:24,020

you're messing with Mother Nature right

316

00:14:30,460 --> 00:14:27,080

we got here without GMOs

317

00:14:34,300 --> 00:14:30,470

what what do you do it we have no idea

318

00:14:37,150 --> 00:14:34,310

what the the the ramifications are 20

319

00:14:42,010 --> 00:14:37,160

years from now 30 years from now about

320

00:14:45,160 --> 00:14:42,020

changing wheat or or corn or anything

321

00:14:46,990 --> 00:14:45,170

that is genetically modified it could

322

00:14:49,780 --> 00:14:47,000

see we're talking about your eating

323

00:14:51,910 --> 00:14:49,790

altered DNA right that's what you read

324

00:14:53,860 --> 00:14:51,920

absolutely absolutely

325

00:14:56,319 --> 00:14:53,870

yeah so why would I want to do that it

326

00:14:57,340 --> 00:14:56,329

freaks me how it completely freaks me

327

00:15:00,790 --> 00:14:57,350

out

328

00:15:02,380 --> 00:15:00,800

you also have I want to jump into a

329

00:15:05,980 --> 00:15:02,390

couple of other things but you also have

330

00:15:07,660 --> 00:15:05,990

an organic alternative to as well we

331

00:15:09,670 --> 00:15:07,670

have a bucket that's completely organic

332

00:15:10,660 --> 00:15:09,680

the whole thing we jump through believe

333

00:15:12,370 --> 00:15:10,670

me it was very difficult

334

00:15:15,460 --> 00:15:12,380

call to get that certified completely

335

00:15:17,650 --> 00:15:15,470

organic everything in it to take it into

336

00:15:20,080 --> 00:15:17,660

a higher level of ingredients quality

337

00:15:22,450 --> 00:15:20,090

cleanliness a regular buckets are

338

00:15:24,580 --> 00:15:22,460

gmo-free very good that's our bestseller

339

00:15:27,400 --> 00:15:24,590

the family pack is a best seller easy to

340

00:15:32,920 --> 00:15:27,410

use simple and a lot of variety for

341

00:15:36,730 --> 00:15:32,930

people and also now we need proteins

342

00:15:40,720 --> 00:15:36,740

you know you love to eat too so what are

343

00:15:42,190 --> 00:15:40,730

your solutions for that well most of the

344

00:15:44,020 --> 00:15:42,200

meals are just like you said stuff like

345

00:15:46,150 --> 00:15:44,030

sweet habanero chili which either beans

346

00:15:47,410 --> 00:15:46,160

got protein they're all vegetarian

347

00:15:49,630 --> 00:15:47,420

because you know somebody in their

348

00:15:52,630 --> 00:15:49,640

family they may not like me never made

349

00:15:55,270 --> 00:15:52,640

then they may like me you know one one

350

00:15:57,820 --> 00:15:55,280

may one may not so we put all the meals

351
00:15:59,620 --> 00:15:57,830
vegetarian and then you we have buckets

352
00:16:02,500 --> 00:15:59,630
full of freeze-dried meat so we have

353
00:16:05,470 --> 00:16:02,510
organic chicken we have beef we have

354
00:16:08,170 --> 00:16:05,480
regular crumble chicken chicken chunks

355
00:16:10,090 --> 00:16:08,180
that are freeze-dried so you can add

356
00:16:12,310 --> 00:16:10,100
them to the meals or you cannot whatever

357
00:16:14,080 --> 00:16:12,320
is easiest for you and your families you

358
00:16:16,000 --> 00:16:14,090
decide but it gives you a high very high

359
00:16:18,400 --> 00:16:16,010
source of protein we also have powdered

360
00:16:22,090 --> 00:16:18,410
milk organic powdered milk with another

361
00:16:24,700 --> 00:16:22,100
very good source of protein now when I

362
00:16:27,790 --> 00:16:24,710
was a kid and I know you're gonna laugh

363
00:16:29,760 --> 00:16:27,800

at this you were scared of powdered milk

364

00:16:32,470 --> 00:16:29,770

[Laughter]

365

00:16:35,260 --> 00:16:32,480

you know people ask me all the time

366

00:16:38,170 --> 00:16:35,270

about that I said look that organic milk

367

00:16:40,360 --> 00:16:38,180

you you mix it as it says and you put in

368

00:16:41,680 --> 00:16:40,370

the refrigerator you'll be--you'll think

369

00:16:44,530 --> 00:16:41,690

it's better than the milk you buy at the

370

00:16:45,040 --> 00:16:44,540

store yeah I promise you it's very very

371

00:16:47,590 --> 00:16:45,050

good

372

00:16:49,930 --> 00:16:47,600

that red and white box when I was a kid

373

00:16:53,380 --> 00:16:49,940

I was scared of that yeah that powdered

374

00:16:56,560 --> 00:16:53,390

milk box well back to the freeze-dried

375

00:16:58,990 --> 00:16:56,570

chicken and and the meat products when

376

00:17:01,420 --> 00:16:59,000

you are prepping the food do you have to

377

00:17:04,690 --> 00:17:01,430

prep those separate or can you just put

378

00:17:07,420 --> 00:17:04,700

that in the habanero chili or the pasta

379

00:17:09,310 --> 00:17:07,430

or whatever you're cooking yes you did

380

00:17:11,320 --> 00:17:09,320

doing two separate or together you know

381

00:17:14,740 --> 00:17:11,330

like I said depending on your family you

382

00:17:16,120 --> 00:17:14,750

could do it either way now for you I'm

383

00:17:18,580 --> 00:17:16,130

gonna tell you what my favorites are

384

00:17:20,710 --> 00:17:18,590

what I know that you've got one that

385

00:17:22,260 --> 00:17:20,720

stands out for you what what's the one

386

00:17:26,790 --> 00:17:22,270

that you're most proud of the

387

00:17:29,190 --> 00:17:26,800

the recipe there's probably I mean

388

00:17:31,890 --> 00:17:29,200

honestly there's probably six of them

389

00:17:33,930 --> 00:17:31,900

that I just really love I like all of

390

00:17:35,700 --> 00:17:33,940

them or I wouldn't sell them I like all

391

00:17:39,750 --> 00:17:35,710

of them six of them I love but my

392

00:17:42,000 --> 00:17:39,760

absolute favorite is well I've sweet

393

00:17:44,970 --> 00:17:42,010

habanero chili and pasta primavera my

394

00:17:47,070 --> 00:17:44,980

two favorites yeah yeah those are my two

395

00:17:48,810 --> 00:17:47,080

favorites okay no wait a minute we

396

00:17:50,580 --> 00:17:48,820

didn't mention the mac and cheese so

397

00:17:54,180 --> 00:17:50,590

we're gonna come back to the mac and

398

00:17:56,250 --> 00:17:54,190

cheese the the pasta primavera I I make

399

00:17:58,440 --> 00:17:56,260

the best red sauce in the world nobody

400

00:18:01,350 --> 00:17:58,450

makes a better red sauce than a Jimmy

401
00:18:03,420 --> 00:18:01,360
Church and that's it don't save the

402
00:18:06,810 --> 00:18:03,430
email everybody okay

403
00:18:10,440 --> 00:18:06,820
which is the truth so I needed to test

404
00:18:13,830 --> 00:18:10,450
that first how how do you pull that off

405
00:18:17,250 --> 00:18:13,840
I mean it seriously is it so the whole

406
00:18:22,050 --> 00:18:17,260
thing is cooked and then I don't know

407
00:18:25,020 --> 00:18:22,060
how do you know no I'm mystified it's

408
00:18:30,810 --> 00:18:25,030
math it's magic it is magic cauldron at

409
00:18:32,610 --> 00:18:30,820
midnight under full moon right all the

410
00:18:34,260 --> 00:18:32,620
products in there all the ingredients

411
00:18:36,540 --> 00:18:34,270
that are in the meals are either

412
00:18:39,090 --> 00:18:36,550
freeze-dried or dehydrated and then

413
00:18:40,410 --> 00:18:39,100

there's a you know there's one thing to

414

00:18:42,570 --> 00:18:40,420

make a meal it tastes good

415

00:18:44,370 --> 00:18:42,580

now too you got to make it to be able to

416

00:18:46,140 --> 00:18:44,380

store along to be able to sit in the

417

00:18:48,630 --> 00:18:46,150

packaging and to be able to keep its

418

00:18:50,670 --> 00:18:48,640

freshness and vitality so that you know

419

00:18:52,560 --> 00:18:50,680

10 years from now you can open it and

420

00:18:54,810 --> 00:18:52,570

you're gonna get a quality product so

421

00:18:56,670 --> 00:18:54,820

it's it's a trial and error there's a

422

00:18:58,890 --> 00:18:56,680

lot of science to it and to make it but

423

00:19:00,780 --> 00:18:58,900

basically please drive dehydrated

424

00:19:02,730 --> 00:19:00,790

ingredients that are stable that also

425

00:19:06,540 --> 00:19:02,740

mix together well that's that's the

426
00:19:09,600 --> 00:19:06,550
basic core of it now and now we're gonna

427
00:19:12,630 --> 00:19:09,610
talk about some other stuff but mac and

428
00:19:14,820 --> 00:19:12,640
cheese in the United States if you are

429
00:19:17,700 --> 00:19:14,830
going to have a mac and cheese product

430
00:19:19,850 --> 00:19:17,710
you have to bring your a-game right

431
00:19:21,210 --> 00:19:19,860
that'll make a brake company absolutely

432
00:19:24,000 --> 00:19:21,220
absolutely

433
00:19:25,800 --> 00:19:24,010
so all right just indulge me what's up

434
00:19:30,960 --> 00:19:25,810
with the mac and cheese whose recipe is

435
00:19:33,120 --> 00:19:30,970
that it's you know basically my

436
00:19:33,990 --> 00:19:33,130
children's to be honest with you because

437
00:19:36,840 --> 00:19:34,000
it's been

438
00:19:38,490 --> 00:19:36,850

do you like it yeah we like it okay it's

439

00:19:39,870 --> 00:19:38,500

good it must be good the children

440

00:19:43,380 --> 00:19:39,880

they're smiling and they're asking for

441

00:19:45,630 --> 00:19:43,390

more so it's that's really it's their

442

00:19:46,650 --> 00:19:45,640

recipe more than anybody's yeah the mac

443

00:19:50,190 --> 00:19:46,660

and cheese is spot-on

444

00:19:53,550 --> 00:19:50,200

I'm telling telling that new manna has

445

00:19:55,800 --> 00:19:53,560

got it dialed it's not like what I grew

446

00:19:58,560 --> 00:19:55,810

up with my dad was in the military right

447

00:20:04,950 --> 00:19:58,570

so when we went camping you know what we

448

00:20:06,750 --> 00:20:04,960

had MREs oh yeah mari and and those it's

449

00:20:08,010 --> 00:20:06,760

a unique part of my childhood well at

450

00:20:11,880 --> 00:20:08,020

that we'll let that go

451

00:20:13,860 --> 00:20:11,890

this isn't it this is not that is it I

452

00:20:16,320 --> 00:20:13,870

mean this you guys have taken it to a

453

00:20:19,290 --> 00:20:16,330

whole nother level this is something

454

00:20:22,020 --> 00:20:19,300

that you're not embarrassed by and in if

455

00:20:24,150 --> 00:20:22,030

it's an emergency at least you guys are

456

00:20:25,890 --> 00:20:24,160

gonna eat really really well and that

457

00:20:29,490 --> 00:20:25,900

part of the game is removed you guys are

458

00:20:31,560 --> 00:20:29,500

going to be happy well you hit the low

459

00:20:34,410 --> 00:20:31,570

on the head I think before I don't see

460

00:20:36,450 --> 00:20:34,420

any reason why anybody in America who

461

00:20:38,880 --> 00:20:36,460

doesn't you know have people responsible

462

00:20:41,130 --> 00:20:38,890

for the family themselves whatever would

463

00:20:43,650 --> 00:20:41,140

not have either our food or something

464

00:20:46,440 --> 00:20:43,660

like it in their house I see no reason

465

00:20:48,900 --> 00:20:46,450

and with new manna the food is good

466

00:20:50,850 --> 00:20:48,910

enough quality that you know the put you

467

00:20:53,040 --> 00:20:50,860

invest in stock you know invest in

468

00:20:55,380 --> 00:20:53,050

silver and gold you might we put money

469

00:20:57,810 --> 00:20:55,390

in the bank well you know the place of

470

00:20:59,760 --> 00:20:57,820

food is going up so at worst case

471

00:21:02,610 --> 00:20:59,770

scenario the food is good enough quality

472

00:21:04,050 --> 00:21:02,620

that you can eat it later and as the

473

00:21:06,090 --> 00:21:04,060

price of food goes up you just paid

474

00:21:09,690 --> 00:21:06,100

yourself a dividend so it's a no-lose

475

00:21:12,990 --> 00:21:09,700

investment this is a no-lose investment

476

00:21:14,910 --> 00:21:13,000

a really quality product that if you

477

00:21:16,920 --> 00:21:14,920

need it and you have it you're really

478

00:21:19,410 --> 00:21:16,930

glad if you need it and you don't have

479

00:21:24,060 --> 00:21:19,420

it oh my goodness are you are you in

480

00:21:26,550 --> 00:21:24,070

trouble and now the the other part of

481

00:21:28,230 --> 00:21:26,560

this is as you know we've discussed this

482

00:21:31,500 --> 00:21:28,240

and our audience certainly knows this

483

00:21:33,690 --> 00:21:31,510

our sponsors are part of our family

484

00:21:37,050 --> 00:21:33,700

right our audience is a family

485

00:21:40,260 --> 00:21:37,060

everything that we do is is a fan I want

486

00:21:42,480 --> 00:21:40,270

my audience to know exactly how I feel

487

00:21:44,760 --> 00:21:42,490

and how our sponsors feel about not only

488

00:21:46,019 --> 00:21:44,770

us but our audience and that's what's

489

00:21:48,529 --> 00:21:46,029

most important

490

00:21:52,169 --> 00:21:48,539

but for new manna we're talking about

491

00:21:54,089 --> 00:21:52,179

family-owned made in the USA

492

00:21:56,180 --> 00:21:54,099

I mean first and foremost that is out

493

00:21:58,529 --> 00:21:56,190

front isn't it

494

00:22:00,479 --> 00:21:58,539

absolute is very important for us and

495

00:22:02,299 --> 00:22:00,489

for our family and for for your

496

00:22:05,369 --> 00:22:02,309

confidence and our consumers confidence

497

00:22:06,869 --> 00:22:05,379

and products made in America are better

498

00:22:11,190 --> 00:22:06,879

especially food products we don't get

499

00:22:13,289 --> 00:22:11,200

ingredients from China we we look for

500

00:22:16,349 --> 00:22:13,299

good quality ingredients and we you know

501
00:22:18,599 --> 00:22:16,359
we're a family-run family-owned family

502
00:22:21,060 --> 00:22:18,609
supported business it's that simple the

503
00:22:22,499 --> 00:22:21,070
other day you know it's funny that you

504
00:22:25,079 --> 00:22:22,509
mentioned that the other day Rita and I

505
00:22:28,379 --> 00:22:25,089
were buying literally buying snacks for

506
00:22:29,549 --> 00:22:28,389
our dogs right and what are you doing

507
00:22:30,659 --> 00:22:29,559
and I said a marito

508
00:22:33,359 --> 00:22:30,669
I want to know where these are made

509
00:22:36,089 --> 00:22:33,369
right so China right back on the Shelf

510
00:22:38,700 --> 00:22:36,099
China China I need yeah you know and

511
00:22:41,579 --> 00:22:38,710
it's it's important and if I do that for

512
00:22:43,440 --> 00:22:41,589
for my family I'm gonna do that for my

513
00:22:46,619 --> 00:22:43,450

other extended family you know my pets

514

00:22:48,749 --> 00:22:46,629

it's what I'll do and so I want to thank

515

00:22:50,399 --> 00:22:48,759

you for that part of it now let's talk

516

00:22:52,709 --> 00:22:50,409

about and that's I mean it's just very

517

00:22:56,700 --> 00:22:52,719

important for our audience and and and

518

00:22:58,440 --> 00:22:56,710

how we feel and for the special that

519

00:23:00,839 --> 00:22:58,450

you've got going for the fate or not so

520

00:23:02,070 --> 00:23:00,849

let's talk about that for a second this

521

00:23:04,889 --> 00:23:02,080

was your idea

522

00:23:06,479 --> 00:23:04,899

by the way I want you to back me up on

523

00:23:09,509 --> 00:23:06,489

this Daniel when we were first talking

524

00:23:11,430 --> 00:23:09,519

about this it was you that said what can

525

00:23:13,109 --> 00:23:11,440

we do for the fate or not I've got this

526

00:23:16,739 --> 00:23:13,119

idea I've got this idea I've got this

527

00:23:19,619 --> 00:23:16,749

idea and these were your ideas and I

528

00:23:23,129 --> 00:23:19,629

want to thank you for that I love

529

00:23:24,599 --> 00:23:23,139

working with a you know usually it's

530

00:23:26,459 --> 00:23:24,609

companies that we work with but this is

531

00:23:28,889 --> 00:23:26,469

a radio show it's a program it's a

532

00:23:31,229 --> 00:23:28,899

family it's a it's a it's a movement and

533

00:23:33,359 --> 00:23:31,239

it's even more exciting because they

534

00:23:35,549 --> 00:23:33,369

have their own unique ways about them

535

00:23:37,320 --> 00:23:35,559

they have their own bones about them and

536

00:23:39,060 --> 00:23:37,330

to be you know it's kinda like nanano

537

00:23:42,599 --> 00:23:39,070

you where we come from so we'd like to

538

00:23:44,940 --> 00:23:42,609

share our family our closest with your

539

00:23:46,739 --> 00:23:44,950

family it's really exciting so we wanted

540

00:23:49,589 --> 00:23:46,749

that what kind of time can we do what

541

00:23:51,389 --> 00:23:49,599

can we how can we make this unique for

542

00:23:53,369 --> 00:23:51,399

your audience I love that you have a

543

00:23:56,399 --> 00:23:53,379

unique name the fate or not so I think

544

00:23:58,499 --> 00:23:56,409

that's so cool and so you know we just

545

00:23:59,620 --> 00:23:58,509

came up hey can we get a autograph

546

00:24:00,910 --> 00:23:59,630

t-shirt or something

547

00:24:02,680 --> 00:24:00,920

you know I can't remember where it first

548

00:24:04,210 --> 00:24:02,690

started but that's pretty much where it

549

00:24:05,530 --> 00:24:04,220

got to pretty quickly let's get them up

550

00:24:07,870 --> 00:24:05,540

something autograph let's give him a

551
00:24:10,450 --> 00:24:07,880
discount let's get my autograph shirt or

552
00:24:12,160 --> 00:24:10,460
something that they can get out of this

553
00:24:14,440 --> 00:24:12,170
purchase and they can help prepare the

554
00:24:17,170 --> 00:24:14,450
family they can go camping with the food

555
00:24:18,790 --> 00:24:17,180
they can use it they can be prepared and

556
00:24:22,060 --> 00:24:18,800
they can get a t-shirt from Jimmy Church

557
00:24:24,040 --> 00:24:22,070
what more do they want it's just so

558
00:24:26,770 --> 00:24:24,050
special you know and and thank you for

559
00:24:29,230 --> 00:24:26,780
that and and looking at you know the

560
00:24:32,320 --> 00:24:29,240
videos with you and your wife and over

561
00:24:34,570 --> 00:24:32,330
at new man it just lets me know that you

562
00:24:37,450 --> 00:24:34,580
know again we've extended this family

563
00:24:38,890 --> 00:24:37,460

out and we welcome you and all of the

564

00:24:40,300 --> 00:24:38,900

fader knots all the orders and

565

00:24:42,940 --> 00:24:40,310

everything that have happened this week

566

00:24:44,080 --> 00:24:42,950

it just makes me feel good and I just

567

00:24:45,730 --> 00:24:44,090

want to thank you for everything that

568

00:24:49,120 --> 00:24:45,740

you do Daniel I'm not playing around

569

00:24:51,610 --> 00:24:49,130

thank you so much thank you for really

570

00:24:53,410 --> 00:24:51,620

taking us in Ted to your family thank

571

00:24:55,180 --> 00:24:53,420

you and God bless everybody out there

572

00:24:57,070 --> 00:24:55,190

unless no anyway we can have for any

573

00:24:59,010 --> 00:24:57,080

questions we can answer yeah and you

574

00:25:03,220 --> 00:24:59,020

know what you know what's really cool is

575

00:25:06,100 --> 00:25:03,230

now I know that my wife doesn't look at

576

00:25:09,700 --> 00:25:06,110

me wondering you know if I've dropped

577

00:25:12,760 --> 00:25:09,710

the ball right then we have we have

578

00:25:15,040 --> 00:25:12,770

prepared and I and I can sleep at night

579

00:25:17,080 --> 00:25:15,050

and that's what's most important and and

580

00:25:19,150 --> 00:25:17,090

that's what new manna does for everybody

581

00:25:21,730 --> 00:25:19,160

out there you can just go to sleep

582

00:25:23,440 --> 00:25:21,740

knowing that if anything happens we

583

00:25:26,260 --> 00:25:23,450

don't want anything ever to happen but

584

00:25:27,670 --> 00:25:26,270

if it does you're gonna be okay

585

00:25:30,940 --> 00:25:27,680

and that's what you're here for thank

586

00:25:31,930 --> 00:25:30,950

you so much Daniel hey Thank You Jimmy

587

00:25:34,270 --> 00:25:31,940

we'll see you soon

588

00:25:36,550 --> 00:25:34,280

you got it I played a lot there you go

589

00:25:39,490 --> 00:25:36,560

Daniel Brigman everybody now all you

590

00:25:41,410 --> 00:25:39,500

have to do is go over to Jimmy Church

591

00:25:44,410 --> 00:25:41,420

radio.com you can find the new man a

592

00:25:47,650 --> 00:25:44,420

banner right there all you have to do is

593

00:25:50,290 --> 00:25:47,660

click on it and use the promo code Jimmy

594

00:25:52,870 --> 00:25:50,300

all orders over a hundred dollars are

595

00:25:55,510 --> 00:25:52,880

going to not only make sure that you

596

00:25:58,690 --> 00:25:55,520

guys are ready to go in the event of

597

00:26:00,760 --> 00:25:58,700

something right but you're gonna get 5%

598

00:26:03,010 --> 00:26:00,770

off of your order and you're gonna get

599

00:26:04,900 --> 00:26:03,020

an autographed t-shirt and that's what

600

00:26:07,030 --> 00:26:04,910

it's about new man oh what a great

601
00:26:11,170 --> 00:26:07,040
sponsor great company a made in America

602
00:26:13,120 --> 00:26:11,180
no GMOs 25 years shelf life and above

603
00:26:15,640 --> 00:26:13,130
all it just take

604
00:26:18,279 --> 00:26:15,650
good alright you wake up in the middle

605
00:26:21,880 --> 00:26:18,289
of the night and he like man I need that

606
00:26:25,390 --> 00:26:21,890
snack and you run downstairs you tiptoe

607
00:26:28,270 --> 00:26:25,400
right and that's it you can go and mac

608
00:26:31,480 --> 00:26:28,280
and cheese pasta primavera you don't

609
00:26:34,029 --> 00:26:31,490
have to tell anybody all right Thank You

610
00:26:36,400 --> 00:26:34,039
Daniel Brigman again new manna the

611
00:26:38,500 --> 00:26:36,410
banners are over at Jimmy Church

612
00:26:40,659 --> 00:26:38,510
radio.com I'm gonna get out of here

613
00:26:44,049 --> 00:26:40,669

because it's Monday night our guest

614

00:26:48,310 --> 00:26:44,059

tonight dr. Robert Schoch we are going

615

00:26:50,740 --> 00:26:48,320

to do a full Giza evening everything is

616

00:26:52,450 --> 00:26:50,750

on the table and it always is when

617

00:26:54,549 --> 00:26:52,460

Robert is here I'm your host Jimmy

618

00:26:57,460 --> 00:26:54,559

church this is fade to black on the

619

00:27:00,100 --> 00:26:57,470

GameChanger network and kgr a the planet

620

00:27:02,500 --> 00:27:00,110

follow me on twitter @ JT radio that

621

00:27:05,320 --> 00:27:02,510

simple come and hang out with us I'll be

622

00:27:06,420 --> 00:27:05,330

right back with dr. Robert Schoch

623

00:27:25,200 --> 00:27:06,430

stay with us

624

00:27:25,210 --> 00:27:35,930

[Music]

625

00:27:42,320 --> 00:27:38,940

you're listening to Jimmy Church fade to

626

00:27:56,100 --> 00:27:45,200

fade to black will now pause for a

627

00:27:58,560 --> 00:27:56,110

identification kgr a radio when you take

628

00:28:01,110 --> 00:27:58,570

the beams from Central America with

629

00:28:03,240 --> 00:28:01,120

dashes of indonesian and african mixed

630

00:28:04,470 --> 00:28:03,250

in and then roasted to the dark side of

631

00:28:08,090 --> 00:28:04,480

fade to black

632

00:28:11,130 --> 00:28:08,100

you create the ultimate brew of fringe

633

00:28:14,250 --> 00:28:11,140

introducing the fade to black blend from

634

00:28:17,400 --> 00:28:14,260

river moon coffee yes River moons

635

00:28:19,530 --> 00:28:17,410

darkest customized roast was created for

636

00:28:22,590 --> 00:28:19,540

the love of fade to black

637

00:28:25,230 --> 00:28:22,600

the alchemy of masterful roasting and

638

00:28:28,800 --> 00:28:25,240

smoking the beans is in every sip of

639

00:28:31,800 --> 00:28:28,810

this full-bodied dark Java I need my

640

00:28:33,660 --> 00:28:31,810

coffee dog deep with distinct

641

00:28:36,840 --> 00:28:33,670

bittersweet chocolate highlights just

642

00:28:39,270 --> 00:28:36,850

like the bunker leaning further into the

643

00:28:42,540 --> 00:28:39,280

darkness of the roast is fade to black

644

00:28:44,220 --> 00:28:42,550

blend from rubber moon coffee just click

645

00:28:47,520 --> 00:28:44,230

on the banner at Jimmy Church radio.com

646

00:28:52,430 --> 00:28:47,530

and use the promo code F to B blend for

647

00:28:55,830 --> 00:28:52,440

15% off of your order today gobekli tepe

648

00:28:58,350 --> 00:28:55,840

so are you tired of being tired well

649

00:28:59,850 --> 00:28:58,360

then it's time to get the tea hey it's

650

00:29:02,370 --> 00:28:59,860

Leeza here to tell you about this

651
00:29:04,260 --> 00:29:02,380
all-natural all organic tea I've been

652
00:29:05,250 --> 00:29:04,270
drinking that has had great results for

653
00:29:08,190 --> 00:29:05,260
over 20 years

654
00:29:10,020 --> 00:29:08,200
it's called life changed tea and it's

655
00:29:12,630 --> 00:29:10,030
specially formulated to help detoxify

656
00:29:15,360 --> 00:29:12,640
and cleanse your kidneys liver colon and

657
00:29:16,890 --> 00:29:15,370
blood all at once the colon is one of

658
00:29:19,500 --> 00:29:16,900
the most ignored organs in the human

659
00:29:21,300 --> 00:29:19,510
body the faster that waste is eliminated

660
00:29:23,310 --> 00:29:21,310
from the body the less time that way

661
00:29:25,230 --> 00:29:23,320
sits in our intestines spreading toxins

662
00:29:27,180 --> 00:29:25,240
to our bloodstream this tea helps

663
00:29:29,430 --> 00:29:27,190

cleanse chemicals caused by outside

664

00:29:32,130 --> 00:29:29,440

intruders from our entire digestive

665

00:29:34,440 --> 00:29:32,140

system and get this weight loss can be a

666

00:29:36,660 --> 00:29:34,450

side effect and with continued use of

667

00:29:39,060 --> 00:29:36,670

the tea you can experience clearer

668

00:29:41,730 --> 00:29:39,070

healthier younger looking skin increased

669

00:29:43,140 --> 00:29:41,740

energy and a happier outlook on life so

670

00:29:46,050 --> 00:29:43,150

if you're tired of being tired

671

00:29:46,950 --> 00:29:46,060

get the life change tea at get the tea

672

00:29:49,919 --> 00:29:46,960

calm

673

00:29:52,470 --> 00:29:49,929

that's get the t-dot-com and like me

674

00:29:55,789 --> 00:29:52,480

you'll be glad you did 9 out of 10

675

00:29:57,889 --> 00:29:55,799

geneticists agreed

676
00:30:03,360 --> 00:29:57,899
fade to black

677
00:30:06,740 --> 00:30:03,370
is not your father's radio show on the

678
00:30:14,070 --> 00:30:06,750
game changer of Radio Network and K GRA

679
00:30:15,720 --> 00:30:14,080
the planet kera this summer tickets and

680
00:30:17,880 --> 00:30:15,730
hotel accommodations to the biggest

681
00:30:20,100 --> 00:30:17,890
conferences autograph books and DVDs

682
00:30:22,110 --> 00:30:20,110
chances to win all-inclusive conference

683
00:30:25,470 --> 00:30:22,120
cruises and private dinners with your

684
00:30:27,600 --> 00:30:25,480
favorite K GRA hosts click the contest

685
00:30:29,700 --> 00:30:27,610
to have at K GRA radio.com

686
00:30:32,159 --> 00:30:29,710
for your chance to win big this summer

687
00:30:37,900 --> 00:30:32,169
your contact for the best alternative

688
00:30:42,480 --> 00:30:39,680

[Music]

689

00:30:44,249 --> 00:30:42,490

hi this is Rob Reiner from anvil and

690

00:30:49,860 --> 00:30:44,259

you're listening to Jimmy's Georgia

691

00:30:57,510 --> 00:30:49,870

radio.com combating realism in the

692

00:30:57,520 --> 00:31:07,940

[Music]

693

00:31:12,360 --> 00:31:10,560

all right welcome back beta block

694

00:31:15,350 --> 00:31:12,370

I want to thank Daniel Brickman of new

695

00:31:18,330 --> 00:31:15,360

mana for coming in here very very cool

696

00:31:21,690 --> 00:31:18,340

thank you so much the new mana banners

697

00:31:23,580 --> 00:31:21,700

over it Jimmy Trudeau calm and well it

698

00:31:25,770 --> 00:31:23,590

reminds you tomorrow night's author

699

00:31:28,280 --> 00:31:25,780

Steve Alton is gonna be here we're gonna

700

00:31:30,720 --> 00:31:28,290

discuss his new book undisclosed

701
00:31:32,610 --> 00:31:30,730
Wednesday night Michaela's Sheldon

702
00:31:35,010 --> 00:31:32,620
Thursday night our fourth annual

703
00:31:40,200 --> 00:31:35,020
Halloween special with Shaw the Loon

704
00:31:41,880 --> 00:31:40,210
which very packed week here on fade to

705
00:31:45,270 --> 00:31:41,890
black I'm you know Stu meters tonight

706
00:31:47,430 --> 00:31:45,280
dr. Robert Schoch who is a full-time

707
00:31:50,340 --> 00:31:47,440
faculty member at the College of general

708
00:31:52,800 --> 00:31:50,350
studies at Boston University since 1984

709
00:31:58,080 --> 00:31:52,810
here miss PhD in geology and geophysics

710
00:32:00,810 --> 00:31:58,090
at Yale his MS and M fell in in geology

711
00:32:03,990 --> 00:32:00,820
and geophysics from Yale as well as his

712
00:32:06,990 --> 00:32:04,000
degrees in anthropology a BA and geology

713
00:32:09,240 --> 00:32:07,000

BS from George Washington University in

714

00:32:11,360 --> 00:32:09,250

the early 1990s as we all know dr.

715

00:32:13,980 --> 00:32:11,370

Schaack along with John Anthony West

716

00:32:17,160 --> 00:32:13,990

recast the date of the Great Sphinx of

717

00:32:19,400 --> 00:32:17,170

Egypt from around 2600 BC all the way

718

00:32:22,410 --> 00:32:19,410

back to somewhere in the neighborhood of

719

00:32:25,080 --> 00:32:22,420

10,500 BC by demonstrating that the

720

00:32:27,900 --> 00:32:25,090

monument had been heavily eroded by

721

00:32:29,850 --> 00:32:27,910

water despite the fact that its location

722

00:32:32,790 --> 00:32:29,860

on the edge of the Sahara had endured

723

00:32:34,860 --> 00:32:32,800

hyper-arid climactic conditions for the

724

00:32:36,720 --> 00:32:34,870

past five thousand years dr. Schaack

725

00:32:38,670 --> 00:32:36,730

revealed to the world that mankind's

726

00:32:41,850 --> 00:32:38,680

history is greater and older than

727

00:32:42,360 --> 00:32:41,860

previously believed he's still paying

728

00:32:45,150 --> 00:32:42,370

for that

729

00:32:47,220 --> 00:32:45,160

I'm sure tonight we will discuss his

730

00:32:49,470 --> 00:32:47,230

newest books for forgotten civilization

731

00:32:52,890 --> 00:32:49,480

the role of solar outburst in our past

732

00:32:55,830 --> 00:32:52,900

and future and origins of the Sphinx

733

00:32:57,990 --> 00:32:55,840

celestial guardian of the pre of veronik

734

00:32:59,670 --> 00:32:58,000

civilization co-authored with the one

735

00:33:02,670 --> 00:32:59,680

and only Robert Bauval we're gonna have

736

00:33:04,230 --> 00:33:02,680

Robert on the show Robert Bauval in

737

00:33:07,080 --> 00:33:04,240

about two weeks everybody so get ready

738

00:33:09,810 --> 00:33:07,090

for that and the possibility of a fourth

739

00:33:12,840 --> 00:33:09,820

black pyramid and a second Sphinx and

740

00:33:14,040 --> 00:33:12,850

other stuff on the Giza Plateau and I

741

00:33:15,810 --> 00:33:14,050

would like to welcome back to fade to

742

00:33:18,060 --> 00:33:15,820

black the one and only and our good

743

00:33:20,460 --> 00:33:18,070

friend dr. Robert Schoch

744

00:33:22,350 --> 00:33:20,470

dr. Shaw good evening how are

745

00:33:24,630 --> 00:33:22,360

my friend good evening thank you very

746

00:33:28,080 --> 00:33:24,640

much oh man it's always great to hear

747

00:33:30,090 --> 00:33:28,090

your voice man thank you you know today

748

00:33:32,310 --> 00:33:30,100

I'm gonna start off with this it's

749

00:33:34,770 --> 00:33:32,320

really funny one of the pictures that

750

00:33:36,419 --> 00:33:34,780

you have you've seen it many times it's

751
00:33:39,810 --> 00:33:36,429
you with the Sphinx in the background

752
00:33:43,169 --> 00:33:39,820
right with the face right and I swear I

753
00:33:46,080 --> 00:33:43,179
swear Robert it looks like you're the

754
00:33:48,029 --> 00:33:46,090
face on the Sphinx if you if you squid

755
00:33:52,049 --> 00:33:48,039
yeah yeah if you squint just a little

756
00:33:59,340 --> 00:33:52,059
bit it's not the headdress it's the

757
00:34:01,830 --> 00:33:59,350
flowing locks now on the Sphinx go and

758
00:34:03,779 --> 00:34:01,840
take a look it just let your imagination

759
00:34:06,659 --> 00:34:03,789
go just a little bit but it was just

760
00:34:09,210 --> 00:34:06,669
really funny how it hit me so how are

761
00:34:11,040 --> 00:34:09,220
you how's Cady have you guys been around

762
00:34:13,680 --> 00:34:11,050
the world are you back are you teaching

763
00:34:15,419 --> 00:34:13,690

teaching we've been traveling but we're

764

00:34:16,230 --> 00:34:15,429

back Katie and I are both very well

765

00:34:18,480 --> 00:34:16,240

thank you

766

00:34:21,740 --> 00:34:18,490

are you teaching are you back in school

767

00:34:24,930 --> 00:34:21,750

I'm back in teaching yeah exactly it's

768

00:34:28,409 --> 00:34:24,940

the new semester started in September

769

00:34:30,300 --> 00:34:28,419

and it's been really busy ever since I

770

00:34:32,760 --> 00:34:30,310

want to say it seems like two days ago

771

00:34:36,659 --> 00:34:32,770

but I realized we're end of our October

772

00:34:39,000 --> 00:34:36,669

already do your students I have to ask

773

00:34:40,200 --> 00:34:39,010

you this I don't know if I ever have do

774

00:34:46,800 --> 00:34:40,210

your students know that you're a

775

00:34:49,020 --> 00:34:46,810

rockstar in our world more more tuned

776

00:34:51,690 --> 00:34:49,030

into that than others it's interesting

777

00:34:54,570 --> 00:34:51,700

even this semester I had a couple come

778

00:34:56,339 --> 00:34:54,580

up and asked me if I was the one you

779

00:34:58,829 --> 00:34:56,349

know involved with the Sphinx that type

780

00:35:00,420 --> 00:34:58,839

of things right so they are aware

781

00:35:03,510 --> 00:35:00,430

they're him yeah some of them are aware

782

00:35:06,270 --> 00:35:03,520

and then I what's even just as

783

00:35:08,550 --> 00:35:06,280

interesting perhaps is I think it was

784

00:35:11,400 --> 00:35:08,560

even this semester that relevant old me

785

00:35:14,730 --> 00:35:11,410

Oh her mother or something is reading

786

00:35:16,200 --> 00:35:14,740

one of my books so she was aware of me

787

00:35:16,710 --> 00:35:16,210

that way and I said well you should read

788

00:35:20,880 --> 00:35:16,720

too

789

00:35:24,750 --> 00:35:20,890

yeah that kind of hurts actually I don't

790

00:35:26,820 --> 00:35:24,760

think it was met the wrong way yeah you

791

00:35:30,570 --> 00:35:26,830

know but the problem is that generation

792

00:35:33,750 --> 00:35:30,580

and I'm talking undergraduate so their

793

00:35:34,440 --> 00:35:33,760

late teens early 20s they do not read

794

00:35:38,069 --> 00:35:34,450

books

795

00:35:39,930 --> 00:35:38,079

way our generation does yeah I did

796

00:35:43,859 --> 00:35:39,940

unless they did I want to say does yeah

797

00:35:47,280 --> 00:35:43,869

does does I so do you do I'm not saying

798

00:35:49,200 --> 00:35:47,290

do you does do you do you do the e-book

799

00:35:50,970 --> 00:35:49,210

and and make sure that everything is

800

00:35:53,490 --> 00:35:50,980

online because that's the way this

801

00:35:56,730 --> 00:35:53,500

generation is the way the generation

802

00:35:59,280 --> 00:35:56,740

goes and so both forgotten civilization

803

00:36:02,640 --> 00:35:59,290

and origins of the Sphinx can be read

804

00:36:04,620 --> 00:36:02,650

the e-book I've never read them be eBook

805

00:36:06,630 --> 00:36:04,630

I don't have copies of them the ebook

806

00:36:10,140 --> 00:36:06,640

but they can be ordered through Amazon

807

00:36:11,849 --> 00:36:10,150

or whatever as ebooks interestingly I've

808

00:36:13,950 --> 00:36:11,859

talked to my students about this and you

809

00:36:16,620 --> 00:36:13,960

know they load all the ebooks onto their

810

00:36:18,870 --> 00:36:16,630

readers or devices or phones or whatever

811

00:36:21,270 --> 00:36:18,880

but a number of them have told me that

812

00:36:23,760 --> 00:36:21,280

when they really like a book they get

813

00:36:26,670 --> 00:36:23,770

the hard copy as well well I have the

814

00:36:29,700 --> 00:36:26,680

analog version of origins of the Sphinx

815

00:36:33,500 --> 00:36:29,710

right here that's the one you flip

816

00:36:36,810 --> 00:36:33,510

through with your thumbs old school and

817

00:36:39,120 --> 00:36:36,820

yeah I'm holding it up to the video

818

00:36:40,859 --> 00:36:39,130

cameras here in the studio for everybody

819

00:36:43,530 --> 00:36:40,869

out there that's watching and what's

820

00:36:45,750 --> 00:36:43,540

really cool about the book which you

821

00:36:49,410 --> 00:36:45,760

don't see often enough you've got a

822

00:36:53,430 --> 00:36:49,420

really cool color section in the middle

823

00:36:55,260 --> 00:36:53,440

with glossy photographs you know I have

824

00:36:57,059 --> 00:36:55,270

to give credit here you know why we have

825

00:36:59,309 --> 00:36:57,069

a really cool color section in the

826
00:37:01,290 --> 00:36:59,319
middle with glossy photographs because

827
00:37:03,990 --> 00:37:01,300
Katie and for those that don't know

828
00:37:06,750 --> 00:37:04,000
katie is my wife you know that yes Katie

829
00:37:08,880 --> 00:37:06,760
designed that it's it's just incredible

830
00:37:10,890 --> 00:37:08,890
and it you know thank you I'll pass it

831
00:37:13,530 --> 00:37:10,900
out to her the book is an incredible

832
00:37:14,670 --> 00:37:13,540
read and of course Robert Bauval now

833
00:37:18,960 --> 00:37:14,680
before okay

834
00:37:22,440 --> 00:37:18,970
before we move on last year of all six

835
00:37:25,020 --> 00:37:22,450
months ago we had a just an amazing

836
00:37:29,010 --> 00:37:25,030
panel together over eye contact in the

837
00:37:32,460 --> 00:37:29,020
desert and on that panel was a Graham

838
00:37:38,069 --> 00:37:32,470

Hancock of course Robert Bauval yourself

839

00:37:41,240 --> 00:37:38,079

Andrew Collins doctors JJ you know the

840

00:37:44,550 --> 00:37:41,250

her talks were there their touch and but

841

00:37:47,620 --> 00:37:44,560

and it's in okar Laura Berger of course

842

00:37:49,480 --> 00:37:47,630

right okay right yeah but John

843

00:37:51,820 --> 00:37:49,490

Anthony West was not there and we had a

844

00:37:54,430 --> 00:37:51,830

great tribute for him that night we had

845

00:37:57,520 --> 00:37:54,440

the empty chair you know set aside for

846

00:38:00,460 --> 00:37:57,530

him he has done every contact in the

847

00:38:04,870 --> 00:38:00,470

desert with me and and so forth but he

848

00:38:06,880 --> 00:38:04,880

was not there and when you have you know

849

00:38:09,970 --> 00:38:06,890

it was weird because when you have

850

00:38:12,910 --> 00:38:09,980

Bauval Hancock and you and of course

851

00:38:16,660 --> 00:38:12,920

John Anthony West the four of you tip

852

00:38:18,370 --> 00:38:16,670

this community upside down you guys did

853

00:38:21,460 --> 00:38:18,380

that and you've been working together

854

00:38:23,560 --> 00:38:21,470

but he was not there and now we were

855

00:38:25,300 --> 00:38:23,570

missing one of the horsemen because I

856

00:38:28,450 --> 00:38:25,310

think you know we've been called the

857

00:38:29,890 --> 00:38:28,460

four horse but that's right and it was

858

00:38:32,740 --> 00:38:29,900

very sad it's very sad that he couldn't

859

00:38:35,620 --> 00:38:32,750

be there but I think your community I

860

00:38:38,080 --> 00:38:35,630

think your listeners and I imagine that

861

00:38:40,590 --> 00:38:38,090

most of them know he's battling stage

862

00:38:43,480 --> 00:38:40,600

four cancer he's in very very serious

863

00:38:46,030 --> 00:38:43,490

serious shape have you spoken to jaws

864

00:38:48,760 --> 00:38:46,040

I've spoken to him within the last I

865

00:38:50,200 --> 00:38:48,770

want to say two weeks or so because I

866

00:38:52,030 --> 00:38:50,210

don't want to disturb him too much or

867

00:38:55,630 --> 00:38:52,040

bug him too much but we keep in contact

868

00:38:58,480 --> 00:38:55,640

and he is stable is that's the way I'll

869

00:39:00,640 --> 00:38:58,490

put it we hope for the best obviously

870

00:39:04,510 --> 00:39:00,650

but he's very weak I mean this is

871

00:39:07,240 --> 00:39:04,520

serious stuff he did do you think and I

872

00:39:10,090 --> 00:39:07,250

hope that he does do you think he is

873

00:39:12,550 --> 00:39:10,100

aware of the support that he has in our

874

00:39:15,730 --> 00:39:12,560

community and how much circuit

875

00:39:17,800 --> 00:39:15,740

absolutely how long did you talk to him

876
00:39:24,700 --> 00:39:17,810
and can you share anything with us yes

877
00:39:27,100 --> 00:39:24,710
can you share us a Jah ISM no well

878
00:39:31,150 --> 00:39:27,110
honestly no because it was the last

879
00:39:34,180 --> 00:39:31,160
conversation was not very long he was

880
00:39:38,890 --> 00:39:34,190
his he was not his perky selfie he was

881
00:39:41,920 --> 00:39:38,900
it was still him and it was more that he

882
00:39:46,150 --> 00:39:41,930
was doing you know he's fighting this

883
00:39:48,790 --> 00:39:46,160
battle he is determined to get better

884
00:39:51,730 --> 00:39:48,800
he's determined to go back to Egypt at

885
00:39:54,970 --> 00:39:51,740
some point but he was very weak and we

886
00:39:57,220 --> 00:39:54,980
actually had to end it because he had to

887
00:39:59,080 --> 00:39:57,230
get some sleep well that's a Jah ISM

888
00:40:00,690 --> 00:39:59,090

right there because you know Eisen right

889

00:40:02,880 --> 00:40:00,700

there that I mean you can't

890

00:40:04,829 --> 00:40:02,890

alone you can't get him off the phone

891

00:40:06,690 --> 00:40:04,839

you know he can't normally get him off

892

00:40:09,569 --> 00:40:06,700

the phone but something else in this I

893

00:40:16,079 --> 00:40:09,579

guess ties it with charms as I've known

894

00:40:17,430 --> 00:40:16,089

him I don't know how long my close to 30

895

00:40:21,060 --> 00:40:17,440

years right right right

896

00:40:23,400 --> 00:40:21,070

he and I have known each other and he

897

00:40:26,370 --> 00:40:23,410

you know he can be brutally honest and

898

00:40:28,230 --> 00:40:26,380

he's very straightforward and he was

899

00:40:30,750 --> 00:40:28,240

very straightforward about this that you

900

00:40:34,530 --> 00:40:30,760

know he he is fighting something very

901
00:40:37,410 --> 00:40:34,540
serious and it's not to be taken lightly

902
00:40:40,230 --> 00:40:37,420
yeah for somebody you know and this is

903
00:40:42,780 --> 00:40:40,240
the thing for him to say that he needs

904
00:40:44,609 --> 00:40:42,790
his rest because let me tell you let me

905
00:40:47,460 --> 00:40:44,619
tell you something about cha something

906
00:40:51,000 --> 00:40:47,470
that you know but the audience may not I

907
00:40:51,300 --> 00:40:51,010
have he's come up to me at 10 o'clock at

908
00:40:54,420 --> 00:40:51,310
night

909
00:41:01,349 --> 00:40:54,430
right face to face going all right let's

910
00:41:05,430 --> 00:41:01,359
go out of for dinner and drinks his ages

911
00:41:07,109 --> 00:41:05,440
is in bed already and he you know and so

912
00:41:09,240 --> 00:41:07,119
for him to say he needs his rest

913
00:41:11,220 --> 00:41:09,250

you know what he he needs his rest and

914

00:41:12,599 --> 00:41:11,230

good for you needs his rest exactly and

915

00:41:14,099 --> 00:41:12,609

you're not going to deny him that when

916

00:41:15,960 --> 00:41:14,109

he says that because he's not someone

917

00:41:17,700 --> 00:41:15,970

that says something like that lightly he

918

00:41:23,960 --> 00:41:17,710

doesn't say that is the excuse be he's

919

00:41:26,700 --> 00:41:23,970

never been that way but he he he's he's

920

00:41:30,240 --> 00:41:26,710

pushing on he's I give him a lot of

921

00:41:32,400 --> 00:41:30,250

credit and hopefully he will be able to

922

00:41:35,579 --> 00:41:32,410

get back because he still got a lot he

923

00:41:39,120 --> 00:41:35,589

wants to do as far as writing things

924

00:41:41,130 --> 00:41:39,130

that he wants to do as far as his own

925

00:41:43,740 --> 00:41:41,140

work a number of things that he and I

926

00:41:46,250 --> 00:41:43,750

would like to do together as far as

927

00:41:49,800 --> 00:41:46,260

books and papers that type of thing so

928

00:41:51,359 --> 00:41:49,810

now he's always I'm sure you heard this

929

00:41:54,599 --> 00:41:51,369

he would always talked about how he had

930

00:41:56,700 --> 00:41:54,609

to live to at least 120 yes so he still

931

00:41:58,740 --> 00:41:56,710

he's still working toward that I

932

00:42:02,130 --> 00:41:58,750

remember him telling a you know when he

933

00:42:05,190 --> 00:42:02,140

tells stories about Ibiza and he and and

934

00:42:10,760 --> 00:42:05,200

he's and he laughs about it like Ibiza

935

00:42:14,240 --> 00:42:10,770

almost did him in right

936

00:42:16,900 --> 00:42:14,250

and here we are in 2017 man and we're

937

00:42:19,250 --> 00:42:16,910

still fighting the good fight with yak

938

00:42:22,100 --> 00:42:19,260

exactly exactly because I was back in

939

00:42:24,710 --> 00:42:22,110

the 50s back in the 50s and for jaws to

940

00:42:27,050 --> 00:42:24,720

say Ibiza almost did me in it just makes

941

00:42:27,530 --> 00:42:27,060

you see it's like the scariest thing

942

00:42:31,010 --> 00:42:27,540

ever

943

00:42:33,940 --> 00:42:31,020

so now let's let's turn back the clocks

944

00:42:37,430 --> 00:42:33,950

a little bit before we move forward when

945

00:42:41,200 --> 00:42:37,440

when Charlton Heston and you and jaws

946

00:42:44,660 --> 00:42:41,210

and that thing aired in the Emmys and

947

00:42:48,770 --> 00:42:44,670

the best 1993 for those that don't know

948

00:42:51,020 --> 00:42:48,780

right 1993 sorry of these things so with

949

00:42:53,510 --> 00:42:51,030

all of the and the backlash in the and

950

00:42:55,790 --> 00:42:53,520

the and the press and the torment and

951
00:42:57,440 --> 00:42:55,800
the positivity you had everything going

952
00:43:00,350 --> 00:42:57,450
on at the same time right our

953
00:43:02,090 --> 00:43:00,360
community's propping you up the academia

954
00:43:04,609 --> 00:43:02,100
is pushing you down you guys are

955
00:43:09,080 --> 00:43:04,619
fighting the good fight but now do you

956
00:43:11,600 --> 00:43:09,090
feel here in 2017 going into 2018 do you

957
00:43:13,609 --> 00:43:11,610
feel vindicated do you feel like you you

958
00:43:17,420 --> 00:43:13,619
know that not only you were on the right

959
00:43:19,820 --> 00:43:17,430
side but you were right oh absolutely I

960
00:43:22,790 --> 00:43:19,830
personally feel that way now do all my

961
00:43:26,090 --> 00:43:22,800
academic colleagues feel that way many

962
00:43:29,390 --> 00:43:26,100
of them are still trying to fight tooth

963
00:43:33,680 --> 00:43:29,400

and nail as they say against it I mean

964

00:43:35,030 --> 00:43:33,690

they always die hard so some of them

965

00:43:38,030 --> 00:43:35,040

still have vested interest but

966

00:43:40,130 --> 00:43:38,040

personally I feel very very vindicated I

967

00:43:41,660 --> 00:43:40,140

am more confident I've said this a

968

00:43:44,060 --> 00:43:41,670

number of times when people ask me

969

00:43:47,210 --> 00:43:44,070

similar questions I feel more confident

970

00:43:49,430 --> 00:43:47,220

now than I ever have as far as the age

971

00:43:51,710 --> 00:43:49,440

of the Sphinx pushing back the origins

972

00:43:54,740 --> 00:43:51,720

of civilization pushing back there was

973

00:43:56,990 --> 00:43:54,750

an earlier I called cycle civilization

974

00:44:01,160 --> 00:43:57,000

before the end of the last ice age going

975

00:44:05,960 --> 00:44:01,170

back to at least 10,500 BC right yeah I

976

00:44:08,900 --> 00:44:05,970

I back in the early 90s I was confident

977

00:44:11,060 --> 00:44:08,910

with my research I wouldn't have gone

978

00:44:14,270 --> 00:44:11,070

out on a limb if I didn't think the data

979

00:44:16,700 --> 00:44:14,280

was good but now we have so much more

980

00:44:19,310 --> 00:44:16,710

including gobekli tepe of course right

981

00:44:21,859 --> 00:44:19,320

even if we did not have Quebec elite at

982

00:44:23,750 --> 00:44:21,869

bay just the evidence on the Giza

983

00:44:24,500 --> 00:44:23,760

Plateau itself and how it all fits

984

00:44:26,150 --> 00:44:24,510

together

985

00:44:28,730 --> 00:44:26,160

which of course is what the law and I

986

00:44:33,109 --> 00:44:28,740

put together and origins of the Sphinx I

987

00:44:36,560 --> 00:44:33,119

mean it's such a strong case in my

988

00:44:39,620 --> 00:44:36,570

assessment well I didn't refute it it's

989

00:44:41,570 --> 00:44:39,630

not it's not it has not been refuted I

990

00:44:44,060 --> 00:44:41,580

say that because I look at all the

991

00:44:46,430 --> 00:44:44,070

refutation suppose at refutations I've

992

00:44:48,970 --> 00:44:46,440

been thrown at me I look at them

993

00:44:51,620 --> 00:44:48,980

carefully I look at them critically I

994

00:44:55,280 --> 00:44:51,630

went through a phase for a number of

995

00:44:57,950 --> 00:44:55,290

years in the 1990s where I would stay

996

00:45:01,010 --> 00:44:57,960

awake at night thinking you know what

997

00:45:05,990 --> 00:45:01,020

mistake I might I have made what might I

998

00:45:09,109 --> 00:45:06,000

have overlooked what paper might come my

999

00:45:10,430 --> 00:45:09,119

way the next morning you know refuting

1000

00:45:13,190 --> 00:45:10,440

me and I wouldn't be able to deny the

1001
00:45:14,359 --> 00:45:13,200
refutation but I'm well past that now

1002
00:45:16,630 --> 00:45:14,369
because I think I've heard all the

1003
00:45:19,970 --> 00:45:16,640
arguments all the potential arguments

1004
00:45:21,650 --> 00:45:19,980
and well I think there's two waves that

1005
00:45:24,170 --> 00:45:21,660
are going on here two different fronts

1006
00:45:27,200 --> 00:45:24,180
that are supporting you right now there

1007
00:45:30,620 --> 00:45:27,210
there are going to be those that are

1008
00:45:33,560 --> 00:45:30,630
gonna stay against you just because it's

1009
00:45:35,120 --> 00:45:33,570
like policy so I understood see they're

1010
00:45:37,130 --> 00:45:35,130
going to stay that way until they die

1011
00:45:38,960 --> 00:45:37,140
right right so I can't do anything

1012
00:45:41,599 --> 00:45:38,970
otherwise because if they do anything

1013
00:45:44,990 --> 00:45:41,609

otherwise they lose so much face they

1014

00:45:46,940 --> 00:45:45,000

lose so much reputation you don't stake

1015

00:45:48,800 --> 00:45:46,950

your career on something and then all of

1016

00:45:52,609 --> 00:45:48,810

a sudden at the end of your career say

1017

00:45:55,940 --> 00:45:52,619

well too bad I'm sorry I was wrong shock

1018

00:45:58,130 --> 00:45:55,950

is right right work that way

1019

00:46:02,630 --> 00:45:58,140

unfortunately I mean I know academia as

1020

00:46:04,670 --> 00:46:02,640

well if not better than anyone because

1021

00:46:06,800 --> 00:46:04,680

you are you know you work with the man

1022

00:46:07,490 --> 00:46:06,810

you really do you know you have to look

1023

00:46:09,830 --> 00:46:07,500

at it that way

1024

00:46:11,780 --> 00:46:09,840

so there but but I think there's two

1025

00:46:12,140 --> 00:46:11,790

things that are propping you up right

1026

00:46:16,550 --> 00:46:12,150

now

1027

00:46:18,740 --> 00:46:16,560

one is the geology and the scientific

1028

00:46:22,460 --> 00:46:18,750

right the scientific knowledge of

1029

00:46:24,140 --> 00:46:22,470

rainfall in in Egypt and the Sahara and

1030

00:46:27,050 --> 00:46:24,150

Giza so that that part of it is

1031

00:46:29,660 --> 00:46:27,060

solidifying itself but the other part

1032

00:46:33,650 --> 00:46:29,670

which I think is equally as dynamic is

1033

00:46:36,109 --> 00:46:33,660

the cosmology the astrology part of it

1034

00:46:37,740 --> 00:46:36,119

where it when Robert first brought that

1035

00:46:40,550 --> 00:46:37,750

out

1036

00:46:43,760 --> 00:46:40,560

it seemed like a stretch but today

1037

00:46:46,980 --> 00:46:43,770

science and astrology and astronomy are

1038

00:46:48,960 --> 00:46:46,990

it's now supporting this more and more

1039

00:46:51,860 --> 00:46:48,970

and the two of them are starting to

1040

00:46:54,210 --> 00:46:51,870

merge and is solidifying the case

1041

00:46:56,100 --> 00:46:54,220

exactly and in fact that is one of the

1042

00:46:59,090 --> 00:46:56,110

points of origins of the Sphinx that

1043

00:47:03,210 --> 00:46:59,100

these two do go together hand in hand

1044

00:47:05,730 --> 00:47:03,220

and I think Robert Bauval you'll talked

1045

00:47:07,440 --> 00:47:05,740

to him in a couple of weeks he would be

1046

00:47:09,300 --> 00:47:07,450

and I don't want put words his mouth I

1047

00:47:12,300 --> 00:47:09,310

think he's the first to admit that if

1048

00:47:15,330 --> 00:47:12,310

you have only the archeoastronomy you

1049

00:47:18,270 --> 00:47:15,340

don't know if that's simply pointing

1050

00:47:20,460 --> 00:47:18,280

back to a prior time yelled like like

1051
00:47:22,530 --> 00:47:20,470
the sign that says George Washington

1052
00:47:24,480 --> 00:47:22,540
slept here but the sign is 200 years

1053
00:47:26,340 --> 00:47:24,490
later you don't know if it's pointing

1054
00:47:29,640 --> 00:47:26,350
back to a period thousands of years

1055
00:47:33,060 --> 00:47:29,650
later or if there's really physical

1056
00:47:35,580 --> 00:47:33,070
remains going back to that period with

1057
00:47:37,680 --> 00:47:35,590
the geology we know it's real physical

1058
00:47:40,200 --> 00:47:37,690
remains and and that the two are

1059
00:47:42,540 --> 00:47:40,210
converging and they're exactly they're

1060
00:47:44,430 --> 00:47:42,550
converging what is telling you something

1061
00:47:46,860 --> 00:47:44,440
the other one is telling you something

1062
00:47:49,770 --> 00:47:46,870
and saying this is it this is really it

1063
00:47:52,500 --> 00:47:49,780

physically now not just a bunch of sign

1064

00:47:55,290 --> 00:47:52,510

saying well we our history goes back to

1065

00:47:57,360 --> 00:47:55,300

that period now these cosmic events I

1066

00:48:02,040 --> 00:47:57,370

want to visit this before we get to the

1067

00:48:05,790 --> 00:48:02,050

top of the hour we have not only your

1068

00:48:08,010 --> 00:48:05,800

stuff but of course you know Randall

1069

00:48:10,050 --> 00:48:08,020

Carlson and and some of the things that

1070

00:48:12,990 --> 00:48:10,060

Hancock is starting to point out and

1071

00:48:16,500 --> 00:48:13,000

then you have gobekli tepe it seems like

1072

00:48:20,190 --> 00:48:16,510

we cannot run away and hide from this

1073

00:48:24,090 --> 00:48:20,200

number 10,500 BC if right it's

1074

00:48:26,190 --> 00:48:24,100

everywhere well yeah yeah 10,000

1075

00:48:28,620 --> 00:48:26,200

that's a round number I would actually

1076

00:48:31,770 --> 00:48:28,630

round it for a completeness sake to

1077

00:48:35,280 --> 00:48:31,780

10,000 are just for simplicity sake okay

1078

00:48:38,820 --> 00:48:35,290

10,000 10,500 what we're really talking

1079

00:48:40,590 --> 00:48:38,830

about is the last this is me speaking as

1080

00:48:42,330 --> 00:48:40,600

a geologist and also based on my

1081

00:48:47,040 --> 00:48:42,340

research what we're really talking about

1082

00:48:49,770 --> 00:48:47,050

is the last millennium of the end of the

1083

00:48:50,730 --> 00:48:49,780

last ice age the last ice age ending

1084

00:48:54,630 --> 00:48:50,740

9007

1085

00:48:56,910 --> 00:48:54,640

100 BC and the millennium before that so

1086

00:48:59,609 --> 00:48:56,920

say ten thousand five hundred to nine

1087

00:49:02,580 --> 00:48:59,619

thousand seven hundred BC and this

1088

00:49:04,859 --> 00:49:02,590

number is everywhere and I mean up

1089

00:49:08,850 --> 00:49:04,869

everywhere but this is the end of the

1090

00:49:11,780 --> 00:49:08,860

last ice age this seems to be pinnacle

1091

00:49:16,470 --> 00:49:11,790

if you would of an earlier civilization

1092

00:49:19,320 --> 00:49:16,480

that was decimated in 9700 BC and and

1093

00:49:21,120 --> 00:49:19,330

and Plato that you know what this I find

1094

00:49:23,100 --> 00:49:21,130

this really strange Graham brought this

1095

00:49:25,320 --> 00:49:23,110

up and when he brought it up it was

1096

00:49:27,960 --> 00:49:25,330

already on my mind and I think a lot of

1097

00:49:30,330 --> 00:49:27,970

others too when Plato's started throwing

1098

00:49:33,930 --> 00:49:30,340

when he wrote write and he's talking

1099

00:49:36,180 --> 00:49:33,940

about 9,000 years before and then that

1100

00:49:38,670 --> 00:49:36,190

lands right back on this date of course

1101

00:49:42,000 --> 00:49:38,680

he's bringing that a word Leto is really

1102

00:49:46,170 --> 00:49:42,010

important because Plato if you take him

1103

00:49:51,660 --> 00:49:46,180

literally comes in about 9600 BC I'm

1104

00:49:53,700 --> 00:49:51,670

talking 9700 BC not an accident it's not

1105

00:49:55,830 --> 00:49:53,710

an accident it's not an accident at all

1106

00:49:59,190 --> 00:49:55,840

that's why I say and round numbers we're

1107

00:50:02,340 --> 00:49:59,200

talking 10,000 BC and things are

1108

00:50:07,650 --> 00:50:02,350

converging around that date and we can't

1109

00:50:10,800 --> 00:50:07,660

escape it right and exactly the the kind

1110

00:50:12,420 --> 00:50:10,810

we have the the cosmology part and the

1111

00:50:14,849 --> 00:50:12,430

Cataclysm part and we have the Great

1112

00:50:18,090 --> 00:50:14,859

Flood part and we have all of those you

1113

00:50:20,370 --> 00:50:18,100

know stories of mythology we have all of

1114

00:50:23,340 --> 00:50:20,380

that comes into play but what I think is

1115

00:50:26,730 --> 00:50:23,350

also most important here is gobekli tepe

1116

00:50:29,700 --> 00:50:26,740

now lands on that and yeah it's just

1117

00:50:31,380 --> 00:50:29,710

like we can't we have to stop at some

1118

00:50:38,250 --> 00:50:31,390

point ago okay there is something going

1119

00:50:40,260 --> 00:50:38,260

on and and we have the a word well I

1120

00:50:40,859 --> 00:50:40,270

will say it now when I started this

1121

00:50:44,430 --> 00:50:40,869

business

1122

00:50:47,190 --> 00:50:44,440

John Anthony West was so frustrated with

1123

00:50:50,849 --> 00:50:47,200

me because I would not say the a-word

1124

00:50:54,750 --> 00:50:50,859

out loud I would not say even in private

1125

00:50:58,290 --> 00:50:54,760

out loud because it's so it's so

1126
00:51:01,530 --> 00:50:58,300
volatile among academics completely

1127
00:51:02,130 --> 00:51:01,540
taboo completely lately taboo exactly

1128
00:51:04,529 --> 00:51:02,140
okay

1129
00:51:11,269 --> 00:51:04,539
so audience knows what the a word is I

1130
00:51:16,799 --> 00:51:11,279
hope so are you are you it's not aliens

1131
00:51:18,930 --> 00:51:16,809
everybody can you say the a word right

1132
00:51:20,880 --> 00:51:18,940
now I can say though a word now do you

1133
00:51:22,710 --> 00:51:20,890
want me to say the a word come out of

1134
00:51:27,859 --> 00:51:22,720
the closet come out of the closet and

1135
00:51:31,259 --> 00:51:27,869
say the a-word do it Atlantis oh man

1136
00:51:33,299 --> 00:51:31,269
now if you had me on a couple of decades

1137
00:51:35,430 --> 00:51:33,309
ago I would not have done that and

1138
00:51:39,660 --> 00:51:35,440

seriously you wouldn't have seriously

1139

00:51:42,329 --> 00:51:39,670

seriously because there was a time and

1140

00:51:44,579 --> 00:51:42,339

actually I think academia collectively

1141

00:51:46,920 --> 00:51:44,589

has moved on now but there was a time

1142

00:51:49,289 --> 00:51:46,930

that if you said that a word if you said

1143

00:51:52,079 --> 00:51:49,299

Atlantis and you spoke about Lantis

1144

00:51:54,779 --> 00:51:52,089

seriously other than in the context of

1145

00:51:57,630 --> 00:51:54,789

being philosopher who obviously

1146

00:52:02,039 --> 00:51:57,640

obviously dismissed is just a myth that

1147

00:52:04,680 --> 00:52:02,049

was trying to tell you no truisms or

1148

00:52:07,230 --> 00:52:04,690

political theory but you would never

1149

00:52:09,329 --> 00:52:07,240

believe it as being anything real

1150

00:52:11,519 --> 00:52:09,339

other than that context if you were in

1151

00:52:12,870 --> 00:52:11,529

academia so if you were a scientist if

1152

00:52:15,779 --> 00:52:12,880

you were anthropologists and

1153

00:52:18,180 --> 00:52:15,789

archaeologists if you said that a word

1154

00:52:21,059 --> 00:52:18,190

Atlantis people would just dismiss you

1155

00:52:24,660 --> 00:52:21,069

kiss of death career kiss of death kiss

1156

00:52:26,970 --> 00:52:24,670

of death and so who seriously in the

1157

00:52:30,120 --> 00:52:26,980

early 90s we're walking around the

1158

00:52:33,269 --> 00:52:30,130

plateau John Anthony West was very much

1159

00:52:37,109 --> 00:52:33,279

into the concept of Atlantis not as a

1160

00:52:39,359 --> 00:52:37,119

single place but as the concept that

1161

00:52:42,150 --> 00:52:39,369

there was advanced civilization a remote

1162

00:52:45,089 --> 00:52:42,160

period of time that's how he would use

1163

00:52:47,039 --> 00:52:45,099

the term if you read his books and he

1164

00:52:50,039 --> 00:52:47,049

was so frustrated that I would not say

1165

00:52:52,410 --> 00:52:50,049

it I would not talk about that now I

1166

00:52:55,920 --> 00:52:52,420

want to talk about some cosmic events

1167

00:52:58,499 --> 00:52:55,930

and and your your previous book before

1168

00:53:00,150 --> 00:52:58,509

this one with football and set this up

1169

00:53:02,009 --> 00:53:00,160

I'm gonna talk about a little bit after

1170

00:53:03,749 --> 00:53:02,019

the break because we have other things

1171

00:53:06,029 --> 00:53:03,759

that are quite important that we're

1172

00:53:10,079 --> 00:53:06,039

gonna be discussing tonight but there's

1173

00:53:11,819 --> 00:53:10,089

also and I want you to tell me about

1174

00:53:15,420 --> 00:53:11,829

some of the evidence that you have found

1175

00:53:19,620 --> 00:53:15,430

have you things like maybe

1176
00:53:23,579 --> 00:53:19,630
liquefied limestone or or other atomic

1177
00:53:26,430 --> 00:53:23,589
goal changes that of hell yeah you know

1178
00:53:28,290 --> 00:53:26,440
what what have you found well it's very

1179
00:53:31,890 --> 00:53:28,300
interesting we're talking about the Giza

1180
00:53:34,470 --> 00:53:31,900
Plateau we have now evidence I'm

1181
00:53:38,010 --> 00:53:34,480
convinced that we have evidence on the

1182
00:53:40,680 --> 00:53:38,020
Giza Plateau of essentially plasma

1183
00:53:42,599 --> 00:53:40,690
strike a solar outbursts strike and you

1184
00:53:44,579 --> 00:53:42,609
said use the term liquefied limestone

1185
00:53:48,059 --> 00:53:44,589
that's a good way to put it basically

1186
00:53:49,859 --> 00:53:48,069
what happens is that it hits and you can

1187
00:53:53,190 --> 00:53:49,869
think of it as sort of being a huge

1188
00:53:55,890 --> 00:53:53,200

thunderbolt but not thunder in the sense

1189

00:53:57,450 --> 00:53:55,900

of atmospheric thunder but coming from a

1190

00:54:01,260 --> 00:53:57,460

solar outburst and we can talk about

1191

00:54:03,000 --> 00:54:01,270

this more as the show goes on this I am

1192

00:54:04,859 --> 00:54:03,010

absolutely convinced and this is why I

1193

00:54:07,349 --> 00:54:04,869

talk about in forgotten civilization

1194

00:54:09,839 --> 00:54:07,359

that book the role of solar outbursts in

1195

00:54:12,150 --> 00:54:09,849

our past and future that it was a solar

1196

00:54:15,540 --> 00:54:12,160

outbursts that end at the last ice age

1197

00:54:19,010 --> 00:54:15,550

in 9700 BC snapped us out of it changed

1198

00:54:22,829 --> 00:54:19,020

climatic patterns and temperatures

1199

00:54:25,530 --> 00:54:22,839

almost instantaneously I now in

1200

00:54:29,000 --> 00:54:25,540

convinced that we have evidence right on

1201
00:54:32,760 --> 00:54:29,010
the Giza Plateau where one of these hit

1202
00:54:37,349 --> 00:54:32,770
12,000 years ago and it basically burnt

1203
00:54:39,150 --> 00:54:37,359
and liquefied melted part of the

1204
00:54:41,099 --> 00:54:39,160
limestone there and then a tree

1205
00:54:43,380 --> 00:54:41,109
congealed it's essentially a form of

1206
00:54:45,870 --> 00:54:43,390
vitrification and you can see this to

1207
00:54:47,880 --> 00:54:45,880
this day it's very close to the second

1208
00:54:50,579 --> 00:54:47,890
pyramid and the so-called mortuary

1209
00:54:52,890 --> 00:54:50,589
temple of the second pyramid and it's

1210
00:54:56,609 --> 00:54:52,900
really interesting that you can go to

1211
00:54:58,440 --> 00:54:56,619
the museum in Cairo on the Egyptian

1212
00:55:01,410 --> 00:54:58,450
Museum they have what they call the

1213
00:55:03,240 --> 00:55:01,420

inventory inventory Stella which has

1214

00:55:04,799 --> 00:55:03,250
been very controversial among

1215

00:55:07,640 --> 00:55:04,809
Egyptologist for a very long time

1216

00:55:10,559 --> 00:55:07,650
because it talks about the Sphinx

1217

00:55:12,240 --> 00:55:10,569
preceding the Great Pyramid coming

1218

00:55:15,120 --> 00:55:12,250
before the Great Pyramid coming before

1219

00:55:17,609 --> 00:55:15,130
Khufu the so-called the reputed builder

1220

00:55:19,859 --> 00:55:17,619
of the Great Pyramid and furthermore it

1221

00:55:23,640 --> 00:55:19,869
talks about the Sphinx being quote

1222

00:55:25,910 --> 00:55:23,650
struck by lightning and knocking a piece

1223

00:55:29,529 --> 00:55:25,920
off of it now what are we talking about

1224

00:55:31,239 --> 00:55:29,539
surface temperatures

1225

00:55:33,429 --> 00:55:31,249
when it hits you were talking so a

1226
00:55:35,829 --> 00:55:33,439
couple of thousand to several thousand

1227
00:55:40,299 --> 00:55:35,839
degrees Celsius and we're talking

1228
00:55:42,549 --> 00:55:40,309
atmospheric pressures where it hits you

1229
00:55:44,559 --> 00:55:42,559
know which is a localized area sort of

1230
00:55:47,139 --> 00:55:44,569
like a tornado hitting right so you're

1231
00:55:49,139 --> 00:55:47,149
talking several thousand potentially

1232
00:55:52,769 --> 00:55:49,149
several thousand degrees Celsius and

1233
00:55:55,989 --> 00:55:52,779
atmospheric pressures of 50,000 to

1234
00:55:59,939 --> 00:55:55,999
70,000 or so atmospheric pressure now

1235
00:56:02,620 --> 00:55:59,949
how long does this last well the actual

1236
00:56:05,949 --> 00:56:02,630
strike is going to be very quick just

1237
00:56:08,349 --> 00:56:05,959
like atmospheric lightning strike right

1238
00:56:10,779 --> 00:56:08,359

but it's going to continue you know

1239

00:56:14,229 --> 00:56:10,789

serve like a tornado touching down that

1240

00:56:17,289 --> 00:56:14,239

type of thing over a period of time

1241

00:56:19,389 --> 00:56:17,299

probably will come in waves of my guess

1242

00:56:21,159 --> 00:56:19,399

is several days to a couple of weeks

1243

00:56:24,009 --> 00:56:21,169

then it would back off when you probably

1244

00:56:26,019 --> 00:56:24,019

have more again that type of things and

1245

00:56:29,620 --> 00:56:26,029

we've got about one more minute before

1246

00:56:32,169 --> 00:56:29,630

the break so when this happens of dr.

1247

00:56:37,539 --> 00:56:32,179

Schaack just so I'm clear what happens

1248

00:56:40,929 --> 00:56:37,549

to life mammals humans well it destroys

1249

00:56:43,179 --> 00:56:40,939

the magnetosphere destroys the parts of

1250

00:56:46,649 --> 00:56:43,189

the stratosphere etc you have increased

1251
00:56:49,089 --> 00:56:46,659
radiation levels you have surface

1252
00:56:52,149 --> 00:56:49,099
incineration in some places you said

1253
00:56:54,069 --> 00:56:52,159
forest fires where there's flammable you

1254
00:56:58,689 --> 00:56:54,079
know forests and other materials right

1255
00:57:02,189 --> 00:56:58,699
you melt glaciers you melt bodies of

1256
00:57:04,809 --> 00:57:02,199
water you put incredible amounts of

1257
00:57:08,019 --> 00:57:04,819
moisture into the atmosphere that comes

1258
00:57:10,539 --> 00:57:08,029
down as torrential rains precipitation

1259
00:57:14,589 --> 00:57:10,549
torrential rains which you know look at

1260
00:57:17,469 --> 00:57:14,599
the Sphinx eroded by torrential rains

1261
00:57:19,929 --> 00:57:17,479
you have flooding both on land and

1262
00:57:21,549 --> 00:57:19,939
rising sea levels I mean it's quite

1263
00:57:27,069 --> 00:57:21,559

devastating it sets off earthquakes

1264

00:57:30,609 --> 00:57:27,079

because of pressure that are released as

1265

00:57:32,469 --> 00:57:30,619

you know glaciers also there's actually

1266

00:57:34,989 --> 00:57:32,479

lots of evidence now that solar activity

1267

00:57:36,639 --> 00:57:34,999

and earthquake activity correlate with

1268

00:57:38,979 --> 00:57:36,649

each other so I mean we've been

1269

00:57:41,319 --> 00:57:38,989

absolutely devastating all that surface

1270

00:57:42,880 --> 00:57:41,329

of the earth and large mammals would

1271

00:57:45,099 --> 00:57:42,890

tend to go extinct with

1272

00:57:47,230 --> 00:57:45,109

tend to die often this is exactly what

1273

00:57:50,079 --> 00:57:47,240

we see at the end of the last ice age

1274

00:57:52,539 --> 00:57:50,089

humans are large mammals but some of us

1275

00:57:54,460 --> 00:57:52,549

escaped into caves underground we'll

1276
00:57:57,309 --> 00:57:54,470
take a quick break right here our guest

1277
00:58:00,400 --> 00:57:57,319
tonight dr. Robert Schoch it is going to

1278
00:58:01,720 --> 00:58:00,410
be a complete geesa evening I'm here

1279
00:58:03,880 --> 00:58:01,730
should be Church this his fade to black

1280
00:58:05,830 --> 00:58:03,890
more with dr. Schaack right after this

1281
00:58:19,310 --> 00:58:05,840
short break stay with us

1282
00:58:24,440 --> 00:58:21,700
[Music]

1283
00:58:26,920 --> 00:58:24,450
this is fade to black with Jimmy Church

1284
00:58:31,150 --> 00:58:26,930
on the game changer radio network and

1285
00:58:34,460 --> 00:58:31,160
kgr a the global radio alliance

1286
00:58:37,789 --> 00:58:34,470
this is KCRA digital broadcasting

1287
00:58:42,620 --> 00:58:37,799
station Salt Lake City Utah Van Buren

1288
00:58:45,529 --> 00:58:42,630

Arkansas hello fader knots this is Jimmy

1289

00:58:47,870 --> 00:58:45,539

Church and I'm introducing new Pharma a

1290

00:58:50,950 --> 00:58:47,880

company whose products are based on

1291

00:58:55,400 --> 00:58:50,960

science human function based on the

1292

00:58:57,859 --> 00:58:55,410

endocannabinoid system or ECS new pharma

1293

00:59:00,559 --> 00:58:57,869

firmly believes in this science and

1294

00:59:03,380 --> 00:59:00,569

their research indicates that support of

1295

00:59:06,529 --> 00:59:03,390

the EECS provides the beneficial effects

1296

00:59:09,559 --> 00:59:06,539

for a healthy lifestyle new Pharma

1297

00:59:10,249 --> 00:59:09,569

science includes relief capsules for

1298

00:59:13,430 --> 00:59:10,259

pain relief

1299

00:59:16,549 --> 00:59:13,440

sleep capsules which are natural support

1300

00:59:19,999 --> 00:59:16,559

for occasional sleeplessness Foundation

1301
00:59:23,029 --> 00:59:20,009
is support for your ECS and fit capsules

1302
00:59:24,710 --> 00:59:23,039
support your active lifestyle just click

1303
00:59:28,370 --> 00:59:24,720
on the banner at Jimmy Church radio.com

1304
00:59:30,349 --> 00:59:28,380
and use the promo code f2b for a 33

1305
00:59:33,650 --> 00:59:30,359
percent discount on all of their

1306
00:59:35,569 --> 00:59:33,660
products or visit new farm at comm for

1307
00:59:48,500 --> 00:59:35,579
all of the knowledge on the science

1308
00:59:53,010 --> 00:59:51,210
hi this is race Hobbs here reppin the

1309
00:59:56,010 --> 00:59:53,020
planet and you're listening to my good

1310
00:59:58,530 --> 00:59:56,020
friend Jimmy Church fade to black

1311
01:00:03,120 --> 00:59:58,540
on the game changer network and the kgr

1312
01:00:05,280 --> 01:00:03,130
a digital broadcast station this is Toby

1313
01:00:29,610 --> 01:00:05,290

Kebbell you're listening to Jimmy Church

1314

01:00:33,180 --> 01:00:29,620

radio.com ancient life oil life changing

1315

01:00:35,760 --> 01:00:33,190

the real oil CBD is truly ancient life

1316

01:00:38,280 --> 01:00:35,770

oil from the source this oil has no

1317

01:00:40,950 --> 01:00:38,290

psychoactive effect and is also legal in

1318

01:00:42,960 --> 01:00:40,960

all 50 states when you're healthy

1319

01:00:45,300 --> 01:00:42,970

you're happy the truth about this

1320

01:00:48,330 --> 01:00:45,310

wonderful plant is that it wants to give

1321

01:00:51,480 --> 01:00:48,340

back to mankind life longevity and

1322

01:00:54,270 --> 01:00:51,490

happiness ancient life oil our golden

1323

01:00:56,640 --> 01:00:54,280

grain all organic non-gmo and infused

1324

01:00:59,400 --> 01:00:56,650

with high-quality liquid coconut oil

1325

01:01:02,760 --> 01:00:59,410

it's simple just go to ancient life oil

1326

01:01:06,630 --> 01:01:02,770

calm today that's ancient life oil

1327

01:01:10,790 --> 01:01:06,640

dot-com the best purest organic and

1328

01:01:12,660 --> 01:01:10,800

non-gmo CBD in the world gobekli tepe

1329

01:01:14,010 --> 01:01:12,670

the statements made regarding these

1330

01:01:15,150 --> 01:01:14,020

products have not been evaluated by the

1331

01:01:16,350 --> 01:01:15,160

Food and Drug Administration these

1332

01:01:18,300 --> 01:01:16,360

products are not intended to diagnose

1333

01:01:19,530 --> 01:01:18,310

treat cure or prevent any disease please

1334

01:01:21,000 --> 01:01:19,540

consult your health care professional

1335

01:01:22,950 --> 01:01:21,010

about potential interactions or other

1336

01:01:24,600 --> 01:01:22,960

possible complications before using any

1337

01:01:26,340 --> 01:01:24,610

product this is Micah Hanks of the

1338

01:01:28,800 --> 01:01:26,350

graylien report and you're listening to

1339

01:01:30,660 --> 01:01:28,810

Jimmy church on fade to black across the

1340

01:01:33,300 --> 01:01:30,670

globe on the game-changer radio network

1341

01:01:34,310 --> 01:01:33,310

and the one and only kgr a radio the

1342

01:01:53,949 --> 01:01:34,320

planet

1343

01:01:56,809 --> 01:01:53,959

[Music]

1344

01:02:00,979 --> 01:01:56,819

all right welcome back fade to black our

1345

01:02:02,930 --> 01:02:00,989

guest tonight dr. Robert Schoch and I I

1346

01:02:05,719 --> 01:02:02,940

just have to say this to the audience I

1347

01:02:08,839 --> 01:02:05,729

enjoy when he's on the show with us

1348

01:02:12,079 --> 01:02:08,849

because it is just a dynamic open-ended

1349

01:02:13,189 --> 01:02:12,089

conversation that tends to go anywhere

1350

01:02:15,859 --> 01:02:13,199

and everywhere

1351

01:02:20,599 --> 01:02:15,869

and that's the best part dr. Shaw I keep

1352

01:02:23,689 --> 01:02:20,609

calling dr. Schaack Robert what are your

1353

01:02:25,819 --> 01:02:23,699

students call you they call me dr. Shawn

1354

01:02:28,459 --> 01:02:25,829

see okay see that's different and then

1355

01:02:30,049 --> 01:02:28,469

if I tell them I don't I I'm

1356

01:02:32,479 --> 01:02:30,059

old-fashioned this way I don't think

1357

01:02:33,650 --> 01:02:32,489

young undergraduates should be calling

1358

01:02:36,680 --> 01:02:33,660

me by my first name

1359

01:02:38,689 --> 01:02:36,690

so I tell them dr. Schaack is good if

1360

01:02:42,920 --> 01:02:38,699

they want to be less formal than just

1361

01:02:51,199 --> 01:02:42,930

shocked or or get to your senior year

1362

01:02:52,789 --> 01:02:51,209

then you can call me Bobby with all of

1363

01:02:55,339 --> 01:02:52,799

your knowledge no I wouldn't be I

1364

01:02:57,650 --> 01:02:55,349

wouldn't be vindictive like that no I'm

1365

01:03:05,569 --> 01:02:57,660

but they know not to they wouldn't they

1366

01:03:09,559 --> 01:03:05,579

would not dare big red one with all of

1367

01:03:13,069 --> 01:03:09,569

your knowledge of cataclysms and and and

1368

01:03:15,439 --> 01:03:13,079

the cosmology and cosmic events and with

1369

01:03:18,949 --> 01:03:15,449

all of your knowledge of this do you and

1370

01:03:22,219 --> 01:03:18,959

Katy prep do you guys have a Preppers

1371

01:03:24,199 --> 01:03:22,229

kill no no we're even beyond that I hate

1372

01:03:26,269 --> 01:03:24,209

to say it this way we think that when

1373

01:03:29,269 --> 01:03:26,279

it's going to at least I'll speak for

1374

01:03:33,039 --> 01:03:29,279

myself when it happens it is going to be

1375

01:03:35,630 --> 01:03:33,049

so serious it's going to be so bad for

1376

01:03:37,839 --> 01:03:35,640

instance a major solar outburst is just

1377

01:03:41,749 --> 01:03:37,849

go ahead and knock out grid systems

1378

01:03:45,289 --> 01:03:41,759

communication we live in Boston you're

1379

01:03:46,729 --> 01:03:45,299

going to have a I you've got me off my

1380

01:03:49,160 --> 01:03:46,739

attention now and I don't want to sound

1381

01:03:51,949 --> 01:03:49,170

the wrong way so scare monger fear

1382

01:03:55,660 --> 01:03:51,959

monger right or prophesizing gloom and

1383

01:03:58,430 --> 01:03:55,670

doom but honestly a decent solar event

1384

01:04:00,289 --> 01:03:58,440

solar outburst and it doesn't need to be

1385

01:04:02,209 --> 01:04:00,299

as big as what happened at the end of

1386

01:04:05,390 --> 01:04:02,219

the last ice age it could be as big as a

1387

01:04:07,370 --> 01:04:05,400

Goering tainha vent which was in 1859 so

1388

01:04:09,710 --> 01:04:07,380

not that long ago which was very

1389

01:04:11,450 --> 01:04:09,720

or asked her physically right there

1390

01:04:13,579 --> 01:04:11,460

would be for instance a EMP

1391

01:04:16,579 --> 01:04:13,589

electromagnetic pulse that would go with

1392

01:04:19,940 --> 01:04:16,589

it that would knock out something that

1393

01:04:22,400 --> 01:04:19,950

we have all of us tend to have now which

1394

01:04:25,339 --> 01:04:22,410

is cars which are really little which

1395

01:04:26,839 --> 01:04:25,349

are really computers on wheels so would

1396

01:04:28,640 --> 01:04:26,849

destroy that you probably wouldn't be

1397

01:04:33,410 --> 01:04:28,650

able to start your car to get to your

1398

01:04:35,450 --> 01:04:33,420

hideout if you prep that way you know

1399

01:04:38,390 --> 01:04:35,460

it's going to be a very bleak situation

1400

01:04:44,180 --> 01:04:38,400

so I would say the way that we prep is

1401

01:04:46,279 --> 01:04:44,190

really mental attitude trying to you

1402

01:04:49,749 --> 01:04:46,289

know make connections with other people

1403

01:04:52,069 --> 01:04:49,759

it's not so much stockpiling food and

1404

01:04:54,890 --> 01:04:52,079

water that type of thing we have a

1405

01:04:58,069 --> 01:04:54,900

little bit but that's only going to last

1406

01:04:59,480 --> 01:04:58,079

so long yeah what you have to you know

1407

01:05:02,120 --> 01:04:59,490

you have to do something there's no

1408

01:05:05,960 --> 01:05:02,130

doubt yeah yeah yeah something but I'm

1409

01:05:07,670 --> 01:05:05,970

not big into you know having and you

1410

01:05:10,730 --> 01:05:07,680

keep doesn't work in a city anyway

1411

01:05:13,730 --> 01:05:10,740

having a huge stockpile of food and

1412

01:05:17,359 --> 01:05:13,740

water and you know I know some people

1413

01:05:20,990 --> 01:05:17,369

have guns to shoot because they're going

1414

01:05:22,730 --> 01:05:21,000

to try and steal it from them and then I

1415

01:05:23,930 --> 01:05:22,740

watch some people and I've talked to

1416

01:05:25,640 --> 01:05:23,940

people and they've got all these

1417

01:05:27,710 --> 01:05:25,650

businesses of all they're going to know

1418

01:05:32,109 --> 01:05:27,720

how to live off the land and the woods

1419

01:05:35,120 --> 01:05:32,119

etc etc what that might all be destroyed

1420

01:05:37,789 --> 01:05:35,130

and it's not fear you see you know this

1421

01:05:40,279 --> 01:05:37,799

is what this is what I want to make

1422

01:05:43,579 --> 01:05:40,289

clear to everybody it's not it's not

1423

01:05:45,950 --> 01:05:43,589

about fear it could be anything

1424

01:05:48,620 --> 01:05:45,960

you know these hurricanes that we just

1425

01:05:50,390 --> 01:05:48,630

had yeah it could be anything could be

1426

01:05:52,130 --> 01:05:50,400

anything there's many different things

1427

01:05:55,130 --> 01:05:52,140

that could be and you don't really know

1428

01:05:56,930 --> 01:05:55,140

what it's going to be in that sense so

1429

01:05:58,819 --> 01:05:56,940

there's different preparations you would

1430

01:06:00,200 --> 01:05:58,829

have to make for different things but I

1431

01:06:02,900 --> 01:06:00,210

think what we really have to worry about

1432

01:06:05,630 --> 01:06:02,910

is something knocking out our grid

1433

01:06:09,200 --> 01:06:05,640

system yeah that's here's our great

1434

01:06:11,539 --> 01:06:09,210

system goes down I'm talking major grid

1435

01:06:14,870 --> 01:06:11,549

system going down what is going to

1436

01:06:17,120 --> 01:06:14,880

happen among other things and I know you

1437

01:06:19,099 --> 01:06:17,130

and I have maybe talked about this we're

1438

01:06:20,870 --> 01:06:19,109

going to have nuclear power plants that

1439

01:06:22,789 --> 01:06:20,880

aren't being fed

1440

01:06:24,769 --> 01:06:22,799

electricity and it's ironic because they

1441

01:06:26,990 --> 01:06:24,779

make electricity but they need to be

1442

01:06:29,390 --> 01:06:27,000

maintained on the grid system for their

1443

01:06:32,450 --> 01:06:29,400

cooling systems etc etc we're going to

1444

01:06:35,900 --> 01:06:32,460

have Fukushima type situations releasing

1445

01:06:39,049 --> 01:06:35,910

radiation and no amount of prepping is

1446

01:06:41,180 --> 01:06:39,059

really going to prepare you for that I

1447

01:06:44,420 --> 01:06:41,190

wanted to ask you so I'm just giving one

1448

01:06:46,190 --> 01:06:44,430

bad case scenario oh yeah and you don't

1449

01:06:51,109 --> 01:06:46,200

want to predict this but it's it could

1450

01:06:52,910 --> 01:06:51,119

realistically happen in 1859 the which

1451

01:06:56,150 --> 01:06:52,920

they did probably didn't understand

1452

01:06:59,089 --> 01:06:56,160

completely what was going on but all of

1453

01:07:00,559 --> 01:06:59,099

the wire transmission or anything that

1454

01:07:02,749 --> 01:07:00,569

was already installed what little

1455

01:07:05,720 --> 01:07:02,759

infrastructure was there it went up in

1456

01:07:07,730 --> 01:07:05,730

flames it went up in flames literally

1457

01:07:11,480 --> 01:07:07,740

literally because you've got these wires

1458

01:07:15,049 --> 01:07:11,490

which act as huge antenna there they

1459

01:07:17,900 --> 01:07:15,059

carried the load of the incoming energy

1460

01:07:20,569 --> 01:07:17,910

that's coming from outburst like that is

1461

01:07:23,059 --> 01:07:20,579

basically electrical plasma outburst

1462

01:07:25,519 --> 01:07:23,069

coronal mass ejections etc not to Ghent

1463

01:07:28,460 --> 01:07:25,529

all the technical details it overloaded

1464

01:07:30,230 --> 01:07:28,470

them transmission lines you know this is

1465

01:07:33,170 --> 01:07:30,240

for the Telegraph back then the

1466

01:07:37,039 --> 01:07:33,180

telegraph stations literally went up in

1467

01:07:41,329 --> 01:07:37,049

flames burnt down etc etc this and that

1468

01:07:44,680 --> 01:07:41,339

was a very robust system ours is much

1469

01:07:46,759 --> 01:07:44,690

more vulnerable if you think of all the

1470

01:07:49,819 --> 01:07:46,769

miniaturization that we have in our

1471

01:07:52,789 --> 01:07:49,829

computers etc etc that makes them much

1472

01:07:55,880 --> 01:07:52,799

more vulnerable like I said a EMP that

1473

01:07:57,829 --> 01:07:55,890

would be associated with a decent size

1474

01:07:59,900 --> 01:07:57,839

solar outburst is just going to knock

1475

01:08:02,599 --> 01:07:59,910

out computers left and right including

1476

01:08:06,980 --> 01:08:02,609

those in cars so I know some people they

1477

01:08:09,920 --> 01:08:06,990

have you know their their cabin in the

1478

01:08:11,539 --> 01:08:09,930

woods stockpiled etc and they think

1479

01:08:14,480 --> 01:08:11,549

they're going to jump into their car and

1480

01:08:17,050 --> 01:08:14,490

drive there well first if anyone can

1481

01:08:20,510 --> 01:08:17,060

drive the highways are going to be

1482

01:08:28,280 --> 01:08:20,520

parking lots but secondly most cars

1483

01:08:30,979 --> 01:08:28,290

won't work bicycles like China like

1484

01:08:32,030 --> 01:08:30,989

China it makes a lot of sense what makes

1485

01:08:34,760 --> 01:08:32,040

a lot of sense

1486

01:08:37,190 --> 01:08:34,770

okay anyway yeah we we

1487

01:08:39,829 --> 01:08:37,200

we we take all this stuff seriously but

1488

01:08:43,910 --> 01:08:39,839

we since I hate to say we hope for the

1489

01:08:47,030 --> 01:08:43,920

best and I just maybe it's just not in

1490

01:08:49,700 --> 01:08:47,040

my genes to be a big prepper what's the

1491

01:08:52,730 --> 01:08:49,710

physical stance versus mental / to

1492

01:08:55,910 --> 01:08:52,740

prepare for it mentally I think through

1493

01:08:58,700 --> 01:08:55,920

what would I do how do I keep calm how

1494

01:09:00,680 --> 01:08:58,710

do I can I don't want to sound the wrong

1495

01:09:04,160 --> 01:09:00,690

way but there is a spiritual aspect to

1496

01:09:06,470 --> 01:09:04,170

this completely completely completely

1497

01:09:09,500 --> 01:09:06,480

and free and that's probably the most

1498

01:09:11,090 --> 01:09:09,510

important aspect of my opinion you said

1499

01:09:14,240 --> 01:09:11,100

the right word there you know go hang

1500

01:09:17,190 --> 01:09:14,250

out with friends right yeah exactly

1501
01:09:20,680 --> 01:09:17,200
go go mend those bridges that you burnt

1502
01:09:25,519 --> 01:09:20,690
[Laughter]

1503
01:09:26,660 --> 01:09:25,529
how Hollywood turned to geesa and and

1504
01:09:28,970 --> 01:09:26,670
talk about a couple of things really

1505
01:09:30,380 --> 01:09:28,980
quick there were about three or four

1506
01:09:32,630 --> 01:09:30,390
things that popped up in Twitter right

1507
01:09:34,960 --> 01:09:32,640
back to back so I'm gonna bang these out

1508
01:09:39,050 --> 01:09:34,970
for the Twitter audience really quick

1509
01:09:41,059 --> 01:09:39,060
what is the what's the hole on the top

1510
01:09:44,420 --> 01:09:41,069
of the Sphinx what does that lead to

1511
01:09:47,180 --> 01:09:44,430
I probably leads to absolutely nothing

1512
01:09:50,390 --> 01:09:47,190
it's filled in to the best of my

1513
01:09:54,110 --> 01:09:50,400

knowledge now with cement that type of

1514

01:09:56,390 --> 01:09:54,120

thing and it we speculate when I say we

1515

01:09:58,550 --> 01:09:56,400

Robert Bauval and I and this is one of

1516

01:10:00,680 --> 01:09:58,560

his sections of the book that it was

1517

01:10:04,190 --> 01:10:00,690

probably a hole that was used in ancient

1518

01:10:06,800 --> 01:10:04,200

times and when I say ancient times it's

1519

01:10:08,210 --> 01:10:06,810

not clear how far back in ancient times

1520

01:10:10,790 --> 01:10:08,220

because I remember we could be talking

1521

01:10:13,100 --> 01:10:10,800

four thousand years ago versus twelve

1522

01:10:14,840 --> 01:10:13,110

thousand years ago so probably more

1523

01:10:17,270 --> 01:10:14,850

recent ancient times which is still

1524

01:10:20,420 --> 01:10:17,280

thousands of years ago it's probably a

1525

01:10:24,470 --> 01:10:20,430

hole we speculate that was used for

1526

01:10:26,960 --> 01:10:24,480

various headdresses that were used to

1527

01:10:29,840 --> 01:10:26,970

adorn the Sphinx you know placed on the

1528

01:10:31,790 --> 01:10:29,850

Sphinx right there is to this day and

1529

01:10:34,250 --> 01:10:31,800

the Egyptian Museum in Cairo for

1530

01:10:36,980 --> 01:10:34,260

instance part of a head of a snake that

1531

01:10:38,930 --> 01:10:36,990

at one point was on the Sphinx or is

1532

01:10:41,510 --> 01:10:38,940

believed to have been on distinct but

1533

01:10:44,540 --> 01:10:41,520

this thinks was heavily modified since

1534

01:10:47,709 --> 01:10:44,550

its origins about 12,000 plus years ago

1535

01:10:49,870 --> 01:10:47,719

the head has been recarved

1536

01:10:52,299 --> 01:10:49,880

in my assessment so this is me now

1537

01:10:56,680 --> 01:10:52,309

speaking personally I think that whole

1538

01:10:58,540 --> 01:10:56,690

is a later edition used to hold various

1539

01:11:01,149 --> 01:10:58,550

headaddresses that were placed on the

1540

01:11:03,939 --> 01:11:01,159

Sphinx probably since it was recarved

1541

01:11:06,459 --> 01:11:03,949

into a human hand that's my best

1542

01:11:09,759 --> 01:11:06,469

estimate of it I don't think it goes

1543

01:11:10,450 --> 01:11:09,769

down into any kind of deep tunnel or

1544

01:11:13,509 --> 01:11:10,460

chamber

1545

01:11:16,270 --> 01:11:13,519

I don't can't absolutely preclude that

1546

01:11:18,009 --> 01:11:16,280

possibility but I don't see evidence for

1547

01:11:20,620 --> 01:11:18,019

that either with all of the

1548

01:11:22,299 --> 01:11:20,630

reconstruction that has gone on with the

1549

01:11:24,399 --> 01:11:22,309

Sphinx and it's heavy I mean it's all

1550

01:11:25,060 --> 01:11:24,409

like you know they've and I think they

1551

01:11:26,439 --> 01:11:25,070

jumped ahead

1552

01:11:29,469 --> 01:11:26,449

you know they shouldn't have done it but

1553

01:11:32,589 --> 01:11:29,479

they've done it are you talking modern

1554

01:11:34,060 --> 01:11:32,599

or ancient well actually we can go with

1555

01:11:35,859 --> 01:11:34,070

both but I'm gonna go with the AH turn

1556

01:11:39,100 --> 01:11:35,869

for now but even with the ancient

1557

01:11:43,719 --> 01:11:39,110

reconstruction they've hidden a lot of

1558

01:11:45,580 --> 01:11:43,729

the erosion evidence absolutely and it's

1559

01:11:47,979 --> 01:11:45,590

very interesting since I've been working

1560

01:11:51,489 --> 01:11:47,989

on this that a lot has been hidden since

1561

01:11:55,689 --> 01:11:51,499

I started in fact some of the best

1562

01:11:58,149 --> 01:11:55,699

evidence some of the huge fissures and

1563

01:12:01,509 --> 01:11:58,159

whatnot on the south wall of the Sphinx

1564

01:12:03,370 --> 01:12:01,519

enclosure I've been amazed in the last

1565

01:12:05,410 --> 01:12:03,380

couple of years when I've been back to

1566

01:12:07,839 --> 01:12:05,420

Egypt to look at it and review the

1567

01:12:10,270 --> 01:12:07,849

evidence they've closed some of it in

1568

01:12:14,709 --> 01:12:10,280

they've covered it over cemented in and

1569

01:12:16,899 --> 01:12:14,719

destroyed evidence and what about I'm

1570

01:12:18,700 --> 01:12:16,909

not accusing them of doing that purpose

1571

01:12:20,890 --> 01:12:18,710

for you destroy evidence maybe they just

1572

01:12:24,219 --> 01:12:20,900

think they're maybe you beautifying it

1573

01:12:26,529 --> 01:12:24,229

or who knows what but yeah well now what

1574

01:12:28,509 --> 01:12:26,539

about evidence of something going on

1575

01:12:30,250 --> 01:12:28,519

underneath the Sphinx and I know that

1576

01:12:33,149 --> 01:12:30,260

you've been looking at this angle for

1577

01:12:35,549 --> 01:12:33,159

for a while not only Edgar Cayce but

1578

01:12:39,250 --> 01:12:35,559

something else maybe

1579

01:12:41,799 --> 01:12:39,260

besides Edgar you know a library

1580

01:12:43,620 --> 01:12:41,809

knowledge but but tunnels in general

1581

01:12:46,719 --> 01:12:43,630

yeah they're well there's definitely

1582

01:12:48,759 --> 01:12:46,729

something under the left paw the Sphinx

1583

01:12:52,299 --> 01:12:48,769

that's a paw on the right side when you

1584

01:12:54,450 --> 01:12:52,309

face the Sphinx we found that Tomas de

1585

01:12:58,060 --> 01:12:54,460

Becky and I found that in the early

1586

01:13:01,120 --> 01:12:58,070

1990s using seismic we found a tunnel

1587

01:13:03,130 --> 01:13:01,130

also the same way using low

1588

01:13:07,360 --> 01:13:03,140

seismic ice a low-level low-energy

1589

01:13:09,430 --> 01:13:07,370

seismic and that sort of extends the

1590

01:13:12,490 --> 01:13:09,440

length of the body of the Sphinx it I

1591

01:13:14,800 --> 01:13:12,500

have nice diagrams of this in origins of

1592

01:13:17,830 --> 01:13:14,810

the Sphinx so not to plug the book but

1593

01:13:20,430 --> 01:13:17,840

to plug the information people can get a

1594

01:13:23,920 --> 01:13:20,440

copy and look at the diagrams for this

1595

01:13:25,900 --> 01:13:23,930

so that goes through the body of the

1596

01:13:27,640 --> 01:13:25,910

Sphinx are long the body of this things

1597

01:13:29,850 --> 01:13:27,650

more or less and there's another cavity

1598

01:13:32,920 --> 01:13:29,860

in the back that we found which was

1599

01:13:35,620 --> 01:13:32,930

fairly well known because I Hamas had

1600

01:13:38,770 --> 01:13:35,630

been in it and whatnot he has tonight

1601

01:13:41,710 --> 01:13:38,780

the one that's in the front under the

1602

01:13:46,900 --> 01:13:41,720

left paw that's the one that effectively

1603

01:13:51,910 --> 01:13:46,910

Edgar Cayce predicted and then this ties

1604

01:13:55,150 --> 01:13:51,920

in a new article just out this summer by

1605

01:13:58,860 --> 01:13:55,160

Manu safes a day myself and Robert

1606

01:14:02,920 --> 01:13:58,870

Bauval talks about hieroglyphic title

1607

01:14:06,100 --> 01:14:02,930

that actually refers to the Sphinx we

1608

01:14:08,620 --> 01:14:06,110

believe based on our interpretation of

1609

01:14:12,250 --> 01:14:08,630

it refers to the Sphinx and refers to

1610

01:14:16,360 --> 01:14:12,260

the Sphinx as a female lioness who is

1611

01:14:20,200 --> 01:14:16,370

guarding a chamber underneath her which

1612

01:14:23,770 --> 01:14:20,210

again would tie in with this concept of

1613

01:14:25,930 --> 01:14:23,780

a chamber under the Sphinx we interpret

1614

01:14:29,460 --> 01:14:25,940

the hieroglyphics to say there was this

1615

01:14:33,340 --> 01:14:29,470

female lioness the head what is her name

1616

01:14:37,180 --> 01:14:33,350

who goes back to pre-dynastic earliest

1617

01:14:39,370 --> 01:14:37,190

dynastic and arguably pre-dynastic times

1618

01:14:41,680 --> 01:14:39,380

it's just that we don't have any earlier

1619

01:14:45,160 --> 01:14:41,690

inscriptions so going back as far as

1620

01:14:48,660 --> 01:14:45,170

inscriptions go right and cards an

1621

01:14:51,960 --> 01:14:48,670

archive literally a chamber and archive

1622

01:14:54,880 --> 01:14:51,970

under the Sphinx so this is now

1623

01:14:57,970 --> 01:14:54,890

hieroglyphic evidence and the

1624

01:15:00,220 --> 01:14:57,980

Egyptologists own turf if you would that

1625

01:15:03,820 --> 01:15:00,230

argues for the same thing that I've been

1626

01:15:06,580 --> 01:15:03,830

arguing geologically that of course my

1627

01:15:09,070 --> 01:15:06,590

academic colleagues and get go back to

1628

01:15:11,050 --> 01:15:09,080

things I would not talk about 20-25

1629

01:15:14,490 --> 01:15:11,060

years ago I wouldn't be talking about

1630

01:15:16,380 --> 01:15:14,500

Edgar Cayce back then but the fact is

1631

01:15:18,420 --> 01:15:16,390

he predicted there was archive there

1632

01:15:19,860 --> 01:15:18,430

something under the chamber so we have

1633

01:15:24,000 --> 01:15:19,870

all these different lines of evidence

1634

01:15:26,370 --> 01:15:24,010

pointing to the same thing but it is

1635

01:15:28,230 --> 01:15:26,380

there and I'm absolutely certain as

1636

01:15:30,930 --> 01:15:28,240

there based on the physical evidence of

1637

01:15:33,060 --> 01:15:30,940

the seismic work we did plus other

1638

01:15:38,670 --> 01:15:33,070

people have done geophysical evidence

1639

01:15:41,700 --> 01:15:38,680

and have found indications of a cavity

1640

01:15:42,450 --> 01:15:41,710

or chamber at the same spot now just to

1641

01:15:45,630 --> 01:15:42,460

finish the thought

1642

01:15:49,350 --> 01:15:45,640

laner and Hawass mark Lehner and Zahi

1643

01:15:51,510 --> 01:15:49,360

Hawass have supposedly drilled and not

1644

01:15:54,000 --> 01:15:51,520

found anything but I'm absolutely

1645

01:15:56,190 --> 01:15:54,010

convinced that they handled the drill

1646

01:16:00,510 --> 01:15:56,200

such that they would purposefully miss

1647

01:16:02,580 --> 01:16:00,520

any chamber Jay Widener last time he was

1648

01:16:06,060 --> 01:16:02,590

on the show said he was in the enclosure

1649

01:16:08,070 --> 01:16:06,070

right and he's by himself and he well he

1650

01:16:10,140 --> 01:16:08,080

avoids the guards that he was down there

1651
01:16:11,910 --> 01:16:10,150
with right but there's just a few people

1652
01:16:15,300 --> 01:16:11,920
down he walks around to the back by the

1653
01:16:19,230 --> 01:16:15,310
tail and yeah and he finds a piece of

1654
01:16:21,630 --> 01:16:19,240
plywood and and he he lifts it up and

1655
01:16:25,380 --> 01:16:21,640
looks in and it's a tunnel with a ladder

1656
01:16:27,210 --> 01:16:25,390
going down into the darkness and then

1657
01:16:29,520 --> 01:16:27,220
the guards came around and said hey hey

1658
01:16:32,460 --> 01:16:29,530
and he dropped the plywood and went back

1659
01:16:34,380 --> 01:16:32,470
to him but he saw that with is aware

1660
01:16:36,570 --> 01:16:34,390
yeah I've seen that I've seen that

1661
01:16:39,810 --> 01:16:36,580
that's down that's at the rear of the

1662
01:16:41,220 --> 01:16:39,820
Sphinx yes it's at the eisah left rear

1663
01:16:45,120 --> 01:16:41,230

of the Sphinx that's right absolutely

1664

01:16:48,080 --> 01:16:45,130

I've seen it after surreptitiously stuck

1665

01:16:51,240 --> 01:16:48,090

my head as far as I could so speaking

1666

01:16:54,090 --> 01:16:51,250

and you couldn't see much but we found

1667

01:16:57,510 --> 01:16:54,100

that seismically we did not know about

1668

01:16:59,910 --> 01:16:57,520

at the time it has been demonstrating

1669

01:17:05,190 --> 01:16:59,920

our seismic was good that we picked up

1670

01:17:07,320 --> 01:17:05,200

that cavity I don't know exactly what is

1671

01:17:11,580 --> 01:17:07,330

in it I've not been allowed to go into

1672

01:17:15,030 --> 01:17:11,590

it honestly I think it's probably late

1673

01:17:19,260 --> 01:17:15,040

period you know greco-roman or maybe 26

1674

01:17:21,170 --> 01:17:19,270

dynasty but that's just from a sense of

1675

01:17:25,260 --> 01:17:21,180

how it looked like it was carved right

1676

01:17:27,710 --> 01:17:25,270

but the thing is you know I should I go

1677

01:17:31,550 --> 01:17:27,720

ahead and say things on the air goods

1678

01:17:35,240 --> 01:17:31,560

one could go in there conceivably and

1679

01:17:37,960 --> 01:17:35,250

from that Vantage which is now if you're

1680

01:17:42,880 --> 01:17:37,970

in there hidden you could potentially

1681

01:17:47,630 --> 01:17:42,890

drill or go toward the front and access

1682

01:17:49,730 --> 01:17:47,640

chambers like the one under the PAS well

1683

01:17:52,870 --> 01:17:49,740

not I have no evidence that anyone's

1684

01:17:54,800 --> 01:17:52,880

actually done that and it would not

1685

01:17:57,050 --> 01:17:54,810

technologically you know the technology

1686

01:17:59,570 --> 01:17:57,060

to do that exists but you would have to

1687

01:18:02,270 --> 01:17:59,580

bring it in and you would have to that

1688

01:18:04,550 --> 01:18:02,280

do that surreptitiously if someone were

1689

01:18:06,680 --> 01:18:04,560

to do that without letting everyone else

1690

01:18:10,220 --> 01:18:06,690

know and you're not going to do that

1691

01:18:12,170 --> 01:18:10,230

unless your well seat it with the

1692

01:18:13,520 --> 01:18:12,180

Egyptian authorities or you are the

1693

01:18:15,590 --> 01:18:13,530

Egyptian authorities

1694

01:18:18,080 --> 01:18:15,600

well now that Hawass is out of the way

1695

01:18:22,460 --> 01:18:18,090

do you think there's opportunity now to

1696

01:18:25,700 --> 01:18:22,470

finally start to have more absolutely

1697

01:18:29,060 --> 01:18:25,710

it's just going to take money ah well

1698

01:18:32,480 --> 01:18:29,070

there you go there you go I have spoken

1699

01:18:35,810 --> 01:18:32,490

doc no no I have spoken with Egyptian

1700

01:18:38,870 --> 01:18:35,820

authorities very specifically John

1701

01:18:42,370 --> 01:18:38,880

Anthony Westin I have when he was in

1702

01:18:45,140 --> 01:18:42,380

this was the summer of 2016 before he

1703

01:18:46,940 --> 01:18:45,150

found out about his illness it must have

1704

01:18:50,330 --> 01:18:46,950

been growing at the time but he was

1705

01:18:52,430 --> 01:18:50,340

unaware of it we have met with Egyptian

1706

01:18:55,940 --> 01:18:52,440

authorities we've actually gotten very

1707

01:18:59,030 --> 01:18:55,950

positive responses from them and I have

1708

01:19:03,620 --> 01:18:59,040

all the official forms that need to be

1709

01:19:06,440 --> 01:19:03,630

filled out etc etc but the equipment to

1710

01:19:08,900 --> 01:19:06,450

bring in to do this is quite costly

1711

01:19:12,350 --> 01:19:08,910

geophysical equipment is quite costly

1712

01:19:14,030 --> 01:19:12,360

and you need money up front they do not

1713

01:19:16,610 --> 01:19:14,040

want to hear that you're going to raise

1714

01:19:19,250 --> 01:19:16,620

this with crowdsourcing or that type of

1715

01:19:22,240 --> 01:19:19,260

thing part of the application you

1716

01:19:25,460 --> 01:19:22,250

actually need to show you have the money

1717

01:19:27,530 --> 01:19:25,470

so I am actually pleading if there's

1718

01:19:31,340 --> 01:19:27,540

someone out there in the audience that

1719

01:19:35,060 --> 01:19:31,350

could put up money to do this I think we

1720

01:19:38,690 --> 01:19:35,070

could make real progress why won't an

1721

01:19:40,480 --> 01:19:38,700

American University it's it seems to me

1722

01:19:44,440 --> 01:19:40,490

dr. Schaack

1723

01:19:47,560 --> 01:19:44,450

that Germany or France or that there are

1724

01:19:49,900 --> 01:19:47,570

other countries that are willing to you

1725

01:19:53,290 --> 01:19:49,910

know go in and explore not only not only

1726

01:19:56,260 --> 01:19:53,300

Giza but across the Sahara and and look

1727

01:19:58,120 --> 01:19:56,270

at and look for lots of evidence but I

1728

01:20:01,380 --> 01:19:58,130

don't see that happening with the United

1729

01:20:04,210 --> 01:20:01,390

States oh well the United States I mean

1730

01:20:06,160 --> 01:20:04,220

there's a couple thing is funding gets

1731

01:20:09,970 --> 01:20:06,170

scarce there and scarce or it seems in

1732

01:20:13,980 --> 01:20:09,980

general it tends to be for other things

1733

01:20:17,380 --> 01:20:13,990

than you know frills like Giza

1734

01:20:19,330 --> 01:20:17,390

archeology and then there's the whole

1735

01:20:23,140 --> 01:20:19,340

problem that we've been fighting for

1736

01:20:26,830 --> 01:20:23,150

decades which this is non-conventional

1737

01:20:29,590 --> 01:20:26,840

this stands to overturn pew you know up

1738

01:20:33,220 --> 01:20:29,600

turn people's Apple carts to go against

1739

01:20:35,320 --> 01:20:33,230

what their beliefs are what if we go

1740

01:20:39,280 --> 01:20:35,330

into the chamber and we find records

1741

01:20:41,230 --> 01:20:39,290

from Atlantis basically that way that's

1742

01:20:42,730 --> 01:20:41,240

going to make some people very happy but

1743

01:20:46,210 --> 01:20:42,740

is going to make a lot of other people

1744

01:20:50,760 --> 01:20:46,220

really upset is it I'll get I'll give

1745

01:20:54,670 --> 01:20:50,770

you example there's the whole issue of

1746

01:20:57,010 --> 01:20:54,680

could I'm trying to remember the details

1747

01:21:00,070 --> 01:20:57,020

now the whole there was a bunch of

1748

01:21:03,450 --> 01:21:00,080

hubbub about the value of the Kings and

1749

01:21:06,640 --> 01:21:03,460

if you know there might be I think was

1750

01:21:09,960 --> 01:21:06,650

Nefertiti's don't quote me on this but

1751

01:21:12,040 --> 01:21:09,970

Nefertiti's tomb might be off of

1752

01:21:14,440 --> 01:21:12,050

Tutankhamun's yeah behind you have a

1753

01:21:16,030 --> 01:21:14,450

south wall yes yeah behind the south

1754

01:21:19,090 --> 01:21:16,040

wall I'm trying to remember the details

1755

01:21:21,460 --> 01:21:19,100

now and look at how controversial that

1756

01:21:24,610 --> 01:21:21,470

was and how difficult that was to get

1757

01:21:27,420 --> 01:21:24,620

permission etc etc and then eventually

1758

01:21:29,980 --> 01:21:27,430

they got permission or they did some

1759

01:21:31,930 --> 01:21:29,990

geophysics and they decide oh there

1760

01:21:35,440 --> 01:21:31,940

might be a cavity there but it's not a

1761

01:21:38,290 --> 01:21:35,450

chamber and I was actually talking to

1762

01:21:40,000 --> 01:21:38,300

Egypt all jizz on the ground in Egypt

1763

01:21:41,770 --> 01:21:40,010

about well what what's the distinction

1764

01:21:44,340 --> 01:21:41,780

you're making they're saying oh well it

1765

01:21:47,290 --> 01:21:44,350

wasn't regular enough the walls weren't

1766

01:21:49,270 --> 01:21:47,300

you know at right angles as far as they

1767

01:21:51,600 --> 01:21:49,280

could tell they it's like the

1768

01:21:53,890 --> 01:21:51,610

geophysical techniques they were using

1769

01:21:56,830 --> 01:21:53,900

wouldn't distinguish that

1770

01:22:00,220 --> 01:21:56,840

and so that's the reason for doing

1771

01:22:02,380 --> 01:22:00,230

nothing yeah yeah so they've actually

1772

01:22:06,070 --> 01:22:02,390

got evidence there's something there

1773

01:22:09,910 --> 01:22:06,080

just like we have with the Sphinx yet

1774

01:22:12,010 --> 01:22:09,920

they won't do anything and it's to me

1775

01:22:14,080 --> 01:22:12,020

and maybe I shouldn't be saying this on

1776

01:22:18,250 --> 01:22:14,090

the air but to me they're just looking

1777

01:22:22,660 --> 01:22:18,260

for rationale ways to figure out why

1778

01:22:25,300 --> 01:22:22,670

they don't do something it goes it goes

1779

01:22:29,290 --> 01:22:25,310

with everything when it comes to geese

1780

01:22:31,480 --> 01:22:29,300

oh we understand that this look the

1781

01:22:34,900 --> 01:22:31,490

that's the Sphinx was buried up to its

1782

01:22:38,230 --> 01:22:34,910

neck at one point in sand right and

1783

01:22:40,870 --> 01:22:38,240

nobody knew anything it so the rest of

1784

01:22:43,510 --> 01:22:40,880

the plateau and everything going west

1785

01:22:46,810 --> 01:22:43,520

and south and north of Giza for that

1786

01:22:48,940 --> 01:22:46,820

matter there could be countless theater

1787

01:22:52,000 --> 01:22:48,950

they countless things and in fact there

1788

01:22:54,790 --> 01:22:52,010

were countless things going east of the

1789

01:22:56,740 --> 01:22:54,800

Sphinx so people who have been there

1790

01:22:58,330 --> 01:22:56,750

they may be familiar they should be

1791

01:23:00,940 --> 01:22:58,340

familiar if they've been there and if

1792

01:23:03,700 --> 01:23:00,950

not at least reads origins of the Sphinx

1793

01:23:06,100 --> 01:23:03,710

and you'll see lots of photos of for

1794

01:23:08,350 --> 01:23:06,110

instance the Sphinx temple the Sphinx

1795

01:23:12,040 --> 01:23:08,360

temple in front of the Sphinx the valley

1796

01:23:15,340 --> 01:23:12,050

temple just to the south and east of the

1797

01:23:16,000 --> 01:23:15,350

Sphinx those were totally covered with

1798

01:23:18,520 --> 01:23:16,010

sand

1799

01:23:21,640 --> 01:23:18,530

no one knew they were there for

1800

01:23:23,340 --> 01:23:21,650

literally a couple thousand years the

1801
01:23:26,020 --> 01:23:23,350
Romans weren't aware of them because

1802
01:23:29,020 --> 01:23:26,030
they were covered over with saying they

1803
01:23:32,800 --> 01:23:29,030
were only excavated initially in the

1804
01:23:35,230 --> 01:23:32,810
late 19th century partial poor parts of

1805
01:23:38,110 --> 01:23:35,240
them and fully excavated in the 20th

1806
01:23:40,000 --> 01:23:38,120
century what kind of that's the example

1807
01:23:42,760 --> 01:23:40,010
right there things that we didn't know

1808
01:23:46,030 --> 01:23:42,770
about our Egyptologist did not know

1809
01:23:48,100 --> 01:23:46,040
about until a very recent period of time

1810
01:23:52,000 --> 01:23:48,110
what kind of money are we talking about

1811
01:23:53,980 --> 01:23:52,010
here that you would read I need yes yes

1812
01:23:55,900 --> 01:23:53,990
because see you have to get permissions

1813
01:24:00,160 --> 01:23:55,910

you have to get concessions as they call

1814

01:24:02,800 --> 01:24:00,170

it I also have to have money to get the

1815

01:24:04,780 --> 01:24:02,810

equipment over there there's lots of

1816

01:24:06,550 --> 01:24:04,790

fees you have to pay there's lots of

1817

01:24:07,160 --> 01:24:06,560

equipment you need to get certain

1818

01:24:12,320 --> 01:24:07,170

technician

1819

01:24:15,050 --> 01:24:12,330

blah blah blah so you know we're talking

1820

01:24:18,410 --> 01:24:15,060

in the round ballpark a million or two

1821

01:24:21,050 --> 01:24:18,420

to get things started a million or two

1822

01:24:25,850 --> 01:24:21,060

yeah I could probably do quite a bit

1823

01:24:28,040 --> 01:24:25,860

with two million okay whoa yeah no no

1824

01:24:30,350 --> 01:24:28,050

and I mean on the one hand it sounds

1825

01:24:33,200 --> 01:24:30,360

like a lot on the other hand given what

1826
01:24:36,680 --> 01:24:33,210
could be accomplished here and what

1827
01:24:38,870 --> 01:24:36,690
could be discovered and if you know what

1828
01:24:42,080 --> 01:24:38,880
you know this type of equipment rents

1829
01:24:45,860 --> 01:24:42,090
for etc and cost to deal with we're not

1830
01:24:48,560 --> 01:24:45,870
talking a lot of money I mean that's a

1831
01:24:52,850 --> 01:24:48,570
lot of money for me personally but there

1832
01:24:54,320 --> 01:24:52,860
are people out there that you know it's

1833
01:24:55,910 --> 01:24:54,330
all ones perspective

1834
01:24:58,820 --> 01:24:55,920
yeah yep and they're listening right now

1835
01:25:01,400 --> 01:24:58,830
that's why I would love to have someone

1836
01:25:03,290 --> 01:25:01,410
like that because I think that if with

1837
01:25:05,660 --> 01:25:03,300
my connections and my academic

1838
01:25:07,610 --> 01:25:05,670

credentials I'm at Boston University I

1839

01:25:12,080 --> 01:25:07,620

don't know if I mentioned this to you

1840

01:25:15,380 --> 01:25:12,090

even privately as of this year earlier

1841

01:25:17,270 --> 01:25:15,390

this year I was able to found at Boston

1842

01:25:19,430 --> 01:25:17,280

University within my college what's

1843

01:25:23,060 --> 01:25:19,440

known as the Institute for the Study of

1844

01:25:24,919 --> 01:25:23,070

the origins of civilization ISOC and I

1845

01:25:26,979 --> 01:25:24,929

talked about a little bit on my website

1846

01:25:30,830 --> 01:25:26,989

if people want to go there

1847

01:25:34,790 --> 01:25:30,840

ww Robert Schoch comm but this is an

1848

01:25:37,580 --> 01:25:34,800

institute devoted just to these types of

1849

01:25:40,820 --> 01:25:37,590

topics now within Boston University

1850

01:25:42,830 --> 01:25:40,830

which is a wonderful thing to use as

1851

01:25:44,900 --> 01:25:42,840

part of leverage when applying for

1852

01:25:48,709 --> 01:25:44,910

instance to the Egyptian authorities

1853

01:25:52,400 --> 01:25:48,719

because the academic credentials are

1854

01:25:55,490 --> 01:25:52,410

important so between that money to get

1855

01:25:57,650 --> 01:25:55,500

the equipment money to pay the fees for

1856

01:26:01,790 --> 01:25:57,660

the concessions when you do something

1857

01:26:06,040 --> 01:26:01,800

like this you have to hire Egyptians to

1858

01:26:08,209 --> 01:26:06,050

oversee things you know guards and

1859

01:26:11,360 --> 01:26:08,219

inspectors that type of thing you're

1860

01:26:13,550 --> 01:26:11,370

required to involve Egyptians graduate

1861

01:26:16,010 --> 01:26:13,560

students so you have to pay their fees

1862

01:26:17,630 --> 01:26:16,020

etc etc so there's a lot involved here

1863

01:26:19,550 --> 01:26:17,640

that's where there's a lot of different

1864

01:26:21,170 --> 01:26:19,560

places the money has to go well

1865

01:26:22,850 --> 01:26:21,180

this is we're not talking any kind of

1866

01:26:25,340 --> 01:26:22,860

salary or I just want to make it clear

1867

01:26:27,980 --> 01:26:25,350

I'm not talking paying myself a cent

1868

01:26:30,680 --> 01:26:27,990

right um right well I just want to see

1869

01:26:33,470 --> 01:26:30,690

the research get done well this is you

1870

01:26:35,450 --> 01:26:33,480

know okay so if we what we're gonna go

1871

01:26:37,640 --> 01:26:35,460

ahead and and and see what we can do on

1872

01:26:40,220 --> 01:26:37,650

our end but if we pull it off you have

1873

01:26:48,920 --> 01:26:40,230

to do one thing you have to wear a fade

1874

01:26:51,260 --> 01:26:48,930

to black t-shirt on video let's take a

1875

01:26:54,380 --> 01:26:51,270

break right here when we come back we're

1876

01:26:57,050 --> 01:26:54,390

gonna talk about the fourth pyramid that

1877

01:26:58,850 --> 01:26:57,060

is quite possibly out there historically

1878

01:27:01,280 --> 01:26:58,860

is documented we'll talk about all of

1879

01:27:03,860 --> 01:27:01,290

that and also the possibility of a

1880

01:27:06,170 --> 01:27:03,870

second Sphinx and other things on the

1881

01:27:09,140 --> 01:27:06,180

Giza Plateau our guest tonight the one

1882

01:27:09,770 --> 01:27:09,150

and only dr. Robert Schoch this is fade

1883

01:27:12,190 --> 01:27:09,780

to black

1884

01:27:15,080 --> 01:27:12,200

Robert you stay right there now okay

1885

01:27:16,620 --> 01:27:15,090

okay we'll be right back right after

1886

01:27:27,920 --> 01:27:16,630

this this is fade to black

1887

01:27:27,930 --> 01:27:37,739

[Music]

1888

01:27:44,949 --> 01:27:40,919

way out here we listen to Jimmy Church

1889

01:27:47,259 --> 01:27:44,959

you're listening to fade to black always

1890

01:27:50,109 --> 01:27:47,269

on the edge of the hottest alternative

1891

01:28:10,479 --> 01:27:50,119

talk chilly church with fade to black

1892

01:28:13,870 --> 01:28:10,489

stay GRA radio.com Akane's earthquakes

1893

01:28:16,330 --> 01:28:13,880

wildfires this year we've experienced

1894

01:28:18,640 --> 01:28:16,340

more than our fair share this is Jimmy

1895

01:28:20,799 --> 01:28:18,650

Church a fade to black and last month I

1896

01:28:22,989 --> 01:28:20,809

decided to make sure my family does not

1897

01:28:25,859 --> 01:28:22,999

have to worry about food that should we

1898

01:28:28,779 --> 01:28:25,869

get caught in a real emergency situation

1899

01:28:30,609 --> 01:28:28,789

introducing Humana a healthy storable

1900

01:28:32,529 --> 01:28:30,619

product that tastes so good that you'll

1901

01:28:35,080 --> 01:28:32,539

want to eat it every day instead of just

1902

01:28:37,120 --> 01:28:35,090

during those times of duress all new

1903

01:28:40,629 --> 01:28:37,130

manna products have a 25 year shelf life

1904

01:28:43,239 --> 01:28:40,639

our MSG and GMO free no preservatives

1905

01:28:45,160 --> 01:28:43,249

and are made in America with the new

1906

01:28:46,959 --> 01:28:45,170

manna pack in your home you'll be able

1907

01:28:49,509 --> 01:28:46,969

to sleep at night knowing that you

1908

01:28:52,719 --> 01:28:49,519

protected your family not only have I

1909

01:28:54,819 --> 01:28:52,729

tasted and tested I own it now you can

1910

01:28:57,040 --> 01:28:54,829

too just click on the new manna banner

1911

01:28:58,899 --> 01:28:57,050

on Jimmy Church radio.com and use the

1912

01:29:01,330 --> 01:28:58,909

promo code Jimmy when you order in

1913

01:29:03,299 --> 01:29:01,340

addition to a discount we'll send you an

1914

01:29:07,299 --> 01:29:03,309

autograph fade to black t-shirt

1915

01:29:08,830 --> 01:29:07,309

seriously gobekli tepe do you worry a

1916

01:29:11,250 --> 01:29:08,840

lot whether you're a college student

1917

01:29:13,719 --> 01:29:11,260

busy professional parent or grandparent

1918

01:29:15,790 --> 01:29:13,729

ongoing stress and elevated levels of

1919

01:29:17,890 --> 01:29:15,800

the stress hormone cortisol can rob your

1920

01:29:20,080 --> 01:29:17,900

memory your health and your future

1921

01:29:22,120 --> 01:29:20,090

now you can combat the effects of stress

1922

01:29:24,069 --> 01:29:22,130

and anxiety while improving your memory

1923

01:29:26,169 --> 01:29:24,079

and recall at the same time with the

1924

01:29:27,939 --> 01:29:26,179

dietary supplement calm and clever

1925

01:29:30,069 --> 01:29:27,949

studies showed that the ingredients in

1926

01:29:32,229 --> 01:29:30,079

common clever reduce cortisol by as much

1927

01:29:34,209 --> 01:29:32,239

as 30 percent in one to two weeks

1928

01:29:37,130 --> 01:29:34,219

call 1-800 seven five eight eight seven

1929

01:29:40,940 --> 01:29:37,140

four six or calm and clever calm

1930

01:29:47,540 --> 01:29:40,950

you listen to us and we listen to you so

1931

01:29:50,660 --> 01:29:47,550

does the CIA jgr a radio.com

1932

01:29:52,460 --> 01:29:50,670

hi folks CBD is the home run hitter for

1933

01:29:53,920 --> 01:29:52,470

health right now why do you ask because

1934

01:29:56,330 --> 01:29:53,930

of what it does for the body

1935

01:29:58,520 --> 01:29:56,340

unfortunately I can't tell you all about

1936

01:30:00,590 --> 01:29:58,530

the benefit you know there's reasons do

1937

01:30:01,820 --> 01:30:00,600

your due diligence and log on to ancient

1938

01:30:04,220 --> 01:30:01,830

life oil com

1939

01:30:06,230 --> 01:30:04,230

that's ancient life oil calm angel life

1940

01:30:08,330 --> 01:30:06,240

oil uses organic ingredients and is

1941

01:30:11,110 --> 01:30:08,340

blended in coconut oil for some of the

1942

01:30:14,030 --> 01:30:11,120

best benefits legal in 50 states and

1943

01:30:18,880 --> 01:30:14,040

non-psychoactive log on to ancient life

1944

01:30:21,350 --> 01:30:18,890

oil calm that's ancient life oil calm

1945

01:30:23,630 --> 01:30:21,360

you are listening to fade to black

1946

01:30:28,490 --> 01:30:23,640

with Jimmy Church on the game changer

1947

01:30:30,530 --> 01:30:28,500

Network hi I'm Lisa Vance you're

1948

01:30:31,640 --> 01:30:30,540

listening to Jimmy Church this is a

1949

01:30:43,340 --> 01:30:31,650

revolution

1950

01:31:19,959 --> 01:31:04,900

[Music]

1951

01:31:23,530 --> 01:31:22,090

all right welcome back fade to black I'm

1952

01:31:27,880 --> 01:31:23,540

your host Jimmy Church follow me on

1953

01:31:30,430 --> 01:31:27,890

twitter at je church radio our guest

1954

01:31:32,560 --> 01:31:30,440

tonight dr. Robert Schoch the questions

1955

01:31:34,810 --> 01:31:32,570

and Twitter are lining up we're gonna

1956

01:31:37,420 --> 01:31:34,820

get to some of those in just a second

1957

01:31:42,850 --> 01:31:37,430

but I want to start to discuss the

1958

01:31:45,610 --> 01:31:42,860

fourth pyramid on the Giza Plateau by

1959

01:31:48,660 --> 01:31:45,620

some reports now you know it's called

1960

01:31:51,100 --> 01:31:48,670

the black pyramid now dr. Schaack

1961

01:31:56,380 --> 01:31:51,110

Frederick Norden you know a Danish

1962

01:32:00,010 --> 01:31:56,390

explorer who was meticulous in his

1963

01:32:02,530 --> 01:32:00,020

illustrations in his in his expedition

1964

01:32:03,340 --> 01:32:02,540

in his notes I mean down to the last

1965

01:32:07,300 --> 01:32:03,350

detail

1966

01:32:10,840 --> 01:32:07,310

and here's a guy that was sent to go and

1967

01:32:14,890 --> 01:32:10,850

explore up and down the Nile and he

1968

01:32:17,910 --> 01:32:14,900

clearly states that not only was there a

1969

01:32:22,240 --> 01:32:17,920

fourth pyramid but he describes it and

1970

01:32:25,270 --> 01:32:22,250

the capstone he said was a cube was

1971

01:32:28,870 --> 01:32:25,280

square on the top now he's not going to

1972

01:32:31,479 --> 01:32:28,880

make these kind of mistakes when when

1973

01:32:36,340 --> 01:32:31,489

you read the historical accounts of this

1974

01:32:39,550 --> 01:32:36,350

what do you make of it there's I think

1975

01:32:42,340 --> 01:32:39,560

there's three possibilities and I was

1976

01:32:44,110 --> 01:32:42,350

thinking about this and you and I have

1977

01:32:47,229 --> 01:32:44,120

discussed a little bit before I think

1978

01:32:49,360 --> 01:32:47,239

there's three possibilities one is if

1979

01:32:52,510 --> 01:32:49,370

this ties in with just what we were

1980

01:32:54,850 --> 01:32:52,520

talking about that there could be a

1981

01:32:56,590 --> 01:32:54,860

fourth pyramid now we're not talking

1982

01:32:58,840 --> 01:32:56,600

I'll be very clear at least this is my

1983

01:33:01,330 --> 01:32:58,850

assessment we're not talking a huge

1984

01:33:06,820 --> 01:33:01,340

pyramid we're not talking a big pyramid

1985

01:33:09,990 --> 01:33:06,830

we're probably talking at the very high

1986

01:33:12,670 --> 01:33:10,000

end the largest possibility something

1987

01:33:14,800 --> 01:33:12,680

considerably smaller than the Menkaure

1988

01:33:16,930 --> 01:33:14,810

pyramid so those that are not familiar

1989

01:33:19,270 --> 01:33:16,940

with the Giza Plateau they should know

1990

01:33:20,800 --> 01:33:19,280

that the three major pyramids are the

1991

01:33:23,080 --> 01:33:20,810

Great Pyramid the Khufu pyramid

1992

01:33:25,030 --> 01:33:23,090

so-called Khufu pyramid the second

1993

01:33:27,459 --> 01:33:25,040

pyramid our copper pyramid they're

1994

01:33:30,459 --> 01:33:27,469

almost the same size then there's the

1995

01:33:33,220 --> 01:33:30,469

menkaure pyramid the third pyramid which

1996

01:33:35,920 --> 01:33:33,230

is considerably smaller this

1997

01:33:38,830 --> 01:33:35,930

quote forth pyramid what's probably

1998

01:33:41,290 --> 01:33:38,840

smaller still whatever he's referring to

1999

01:33:44,890 --> 01:33:41,300

so I would say the three possibilities

2000

01:33:48,880 --> 01:33:44,900

as I see it are one that yes it's there

2001

01:33:51,100 --> 01:33:48,890

it was maybe exposed when he was there

2002

01:33:53,979 --> 01:33:51,110

but it may be covered up with sand at

2003

01:33:58,240 --> 01:33:53,989

this point we were just talking about

2004

01:34:00,490 --> 01:33:58,250

how the Great Pyramid I'm sorry not the

2005

01:34:02,860 --> 01:34:00,500

Great Pyramid the Sphinx temple the

2006

01:34:06,190 --> 01:34:02,870

valley temple etc were completely

2007

01:34:09,040 --> 01:34:06,200

covered with sand until the 19th century

2008

01:34:11,050 --> 01:34:09,050

so he wouldn't have seen those the Great

2009

01:34:14,229 --> 01:34:11,060

Pyramid the base of the Great Pyramid

2010

01:34:16,720 --> 01:34:14,239

was not exposed until well into the late

2011

01:34:20,590 --> 01:34:16,730

19th early 20th century because it was

2012

01:34:23,020 --> 01:34:20,600

covered by sand my point is that sand

2013

01:34:26,710 --> 01:34:23,030

blows around the Giza Plateau

2014

01:34:30,280 --> 01:34:26,720

if the Sphinx is not kept clear to this

2015

01:34:32,229 --> 01:34:30,290

day within 20 to 30 years the Sphinx

2016

01:34:35,790 --> 01:34:32,239

enclosure will fill with sand it will

2017

01:34:39,460 --> 01:34:35,800

cover the body of the Sphinx up to the

2018

01:34:42,130 --> 01:34:39,470

neck now sand blows around him talking

2019

01:34:45,550 --> 01:34:42,140

geologically it could be that there was

2020

01:34:48,880 --> 01:34:45,560

some smaller pyramid uncovered at that

2021

01:34:52,150 --> 01:34:48,890

time which since that has been covered

2022

01:34:54,010 --> 01:34:52,160

essentially with sand our sand dune so I

2023

01:34:57,820 --> 01:34:54,020

think that's one possibility

2024

01:35:00,370 --> 01:34:57,830

this another possibility is he was there

2025

01:35:05,200 --> 01:35:00,380

in 1737

2026

01:35:09,070 --> 01:35:05,210

right so close to 300 years ago a lot

2027

01:35:12,910 --> 01:35:09,080

has happened in those 300 years we have

2028

01:35:16,210 --> 01:35:12,920

very good documentation that even as

2029

01:35:18,610 --> 01:35:16,220

late as the 18th century this Sphinx and

2030

01:35:20,920 --> 01:35:18,620

even later but especially as late as the

2031

01:35:22,870 --> 01:35:20,930

18th century the Sphinx was still being

2032

01:35:29,530 --> 01:35:22,880

used as an open-air quarry

2033

01:35:33,460 --> 01:35:29,540

so throughout medieval times early

2034

01:35:37,660 --> 01:35:33,470

Muslim times that you know classic Arab

2035

01:35:40,060 --> 01:35:37,670

times dis Fink's the pyramids all of

2036

01:35:43,270 --> 01:35:40,070

Giza was used as an open-air quarry was

2037

01:35:46,900 --> 01:35:43,280

much easier to collect blocks from Giza

2038

01:35:49,240 --> 01:35:46,910

and cart them over and build mosque

2039

01:35:50,800 --> 01:35:49,250

some bridges and that type of thing so

2040

01:35:54,910 --> 01:35:50,810

it's possible

2041

01:35:58,930 --> 01:35:54,920

that it was there and it was quarried

2042

01:36:01,300 --> 01:35:58,940

away since he was there and maybe we

2043

01:36:03,490 --> 01:36:01,310

find the remains that type of thing of

2044

01:36:08,500 --> 01:36:03,500

it the third possibility which is a

2045

01:36:11,260 --> 01:36:08,510

standard archaeological explanation

2046

01:36:14,850 --> 01:36:11,270

among the conventional archaeologists is

2047

01:36:19,510 --> 01:36:14,860

that he was what he called the fourth

2048

01:36:21,610 --> 01:36:19,520

pyramid was simply the best-preserved or

2049

01:36:24,040 --> 01:36:21,620

the tallest of what are known as the

2050

01:36:27,100 --> 01:36:24,050

sound like Pyramid of Menkaure

2051

01:36:29,140 --> 01:36:27,110

satellite pyramids - the third pyramid

2052

01:36:31,810 --> 01:36:29,150

and there is one that's a little bit

2053

01:36:33,970 --> 01:36:31,820

taller than the others which even in

2054

01:36:36,430 --> 01:36:33,980

19th century photographs sometimes shows

2055

01:36:38,470 --> 01:36:36,440

up from a certain perspective it looks

2056

01:36:40,720 --> 01:36:38,480

like a quote fourth pyramid as if

2057

01:36:43,990 --> 01:36:40,730

there's three major ones and then the

2058

01:36:46,720 --> 01:36:44,000

smaller one so I think those are the

2059

01:36:49,720 --> 01:36:46,730

three major possibilities as to what

2060

01:36:52,090 --> 01:36:49,730

might be going on I would like to think

2061

01:36:55,930 --> 01:36:52,100

that it's there but it's been covered by

2062

01:36:58,230 --> 01:36:55,940

sand since he was there and the other

2063

01:37:03,100 --> 01:36:58,240

which I think geologically is quite

2064

01:37:06,730 --> 01:37:03,110

possible well his when you look at the

2065

01:37:09,100 --> 01:37:06,740

map now that he drew the scaling of it

2066

01:37:11,650 --> 01:37:09,110

is is obviously off you know with the

2067

01:37:14,800 --> 01:37:11,660

mouth yeah exactly exactly and I also

2068

01:37:20,380 --> 01:37:14,810

want to remind everyone that he was

2069

01:37:23,880 --> 01:37:20,390

there in 1737 1738 he died and I looked

2070

01:37:25,510 --> 01:37:23,890

this up just to have it on you know

2071

01:37:30,040 --> 01:37:25,520

readily available

2072

01:37:33,960 --> 01:37:30,050

he died in 1742 his work is not

2073

01:37:38,470 --> 01:37:33,970

published for another 15 to 13 15 years

2074

01:37:41,740 --> 01:37:38,480

and so people took his sketches drawings

2075

01:37:45,190 --> 01:37:41,750

turned it into engravings at genes and

2076

01:37:48,520 --> 01:37:45,200

so one could also argue as you know how

2077

01:37:51,940 --> 01:37:48,530

accurate were the things lost as they

2078

01:37:53,980 --> 01:37:51,950

were transcribed some some details you

2079

01:37:57,430 --> 01:37:53,990

know some proportions yeah because that

2080

01:38:00,790 --> 01:37:57,440

fourth pyramid it could be ten miles off

2081

01:38:05,640 --> 01:38:00,800

into the desert yeah yeah it could be

2082

01:38:10,750 --> 01:38:05,650

far from where some people are thinking

2083

01:38:13,290 --> 01:38:10,760

now when you as a geologist and you've

2084

01:38:17,620 --> 01:38:13,300

you been all over the Giza Plateau oh

2085

01:38:19,870 --> 01:38:17,630

how we we are it's deceiving because

2086

01:38:23,610 --> 01:38:19,880

we're looking at looking at it today

2087

01:38:27,670 --> 01:38:23,620

where so much sand has been removed

2088

01:38:29,200 --> 01:38:27,680

right how deep is the sand going out to

2089

01:38:31,180 --> 01:38:29,210

the desert before you get to bedrock

2090

01:38:36,070 --> 01:38:31,190

what do we what did we tell our hundreds

2091

01:38:38,280 --> 01:38:36,080

of feet uh well it depends on where you

2092

01:38:41,260 --> 01:38:38,290

are and I can't really answer that

2093

01:38:44,710 --> 01:38:41,270

absolutely definitively but I'll give

2094

01:38:47,230 --> 01:38:44,720

you an example when we did and we did

2095

01:38:50,830 --> 01:38:47,240

this seismically we ran some lines

2096

01:38:55,510 --> 01:38:50,840

across the sand from in front of the

2097

01:38:58,900 --> 01:38:55,520

Sphinx temple going east into the bill

2098

01:39:02,230 --> 01:38:58,910

village there right and when we did that

2099

01:39:04,780 --> 01:39:02,240

we everyone thought the bedrock was just

2100

01:39:08,260 --> 01:39:04,790

you know few meters below the sand we

2101
01:39:11,080 --> 01:39:08,270
found places where you're talking 1015

2102
01:39:12,940 --> 01:39:11,090
meters before you hit bedrock right and

2103
01:39:15,430 --> 01:39:12,950
that was a place where people had no

2104
01:39:17,950 --> 01:39:15,440
clue that it was so deep so when you

2105
01:39:23,320 --> 01:39:17,960
start talking about say the western end

2106
01:39:27,100 --> 01:39:23,330
of the plateau it could be certainly

2107
01:39:29,680 --> 01:39:27,110
tens of meters so 30 40 50 feet maybe

2108
01:39:31,900 --> 01:39:29,690
even considerably more I'm just

2109
01:39:34,180 --> 01:39:31,910
speculating now something you have to

2110
01:39:38,050 --> 01:39:34,190
realize geologically is that the Giza

2111
01:39:41,410 --> 01:39:38,060
Plateau is a plateau it's a fault Laden

2112
01:39:43,780 --> 01:39:41,420
or a fault frame what I mean by that is

2113
01:39:47,410 --> 01:39:43,790

geologically there's faults on the four

2114

01:39:50,530 --> 01:39:47,420

sides so it's uplifted relative to the

2115

01:39:53,260 --> 01:39:50,540

bedrock around it which means there

2116

01:39:56,710 --> 01:39:53,270

could be quite a bit of sand before you

2117

01:39:59,080 --> 01:39:56,720

hit bedrock once you are past the scarp

2118

01:40:00,910 --> 01:39:59,090

of the plateau anything could be down

2119

01:40:04,120 --> 01:40:00,920

there oh there could be lots of things

2120

01:40:06,490 --> 01:40:04,130

down there and there's been speculation

2121

01:40:08,650 --> 01:40:06,500

of course about the fourth pyramid

2122

01:40:10,930 --> 01:40:08,660

there's speculation which I think he was

2123

01:40:12,440 --> 01:40:10,940

said you wanted to get into about second

2124

01:40:15,670 --> 01:40:12,450

Sphinx

2125

01:40:18,890 --> 01:40:15,680

there could be a lot of other stuff to

2126
01:40:20,540 --> 01:40:18,900
that's going back to Atlantis right I do

2127
01:40:23,060 --> 01:40:20,550
want to go dude I didn't want to go to

2128
01:40:26,510 --> 01:40:23,070
the a word but well I figured I might as

2129
01:40:36,260 --> 01:40:26,520
well from coming out are we gonna get to

2130
01:40:38,510 --> 01:40:36,270
tonight so funny I think back at the at

2131
01:40:43,340 --> 01:40:38,520
our little panel that we did and you

2132
01:40:46,160 --> 01:40:43,350
came out six times yeah at each time the

2133
01:40:48,050 --> 01:40:46,170
audience got louder and louder and

2134
01:40:49,670 --> 01:40:48,060
that's part of there was 2500 people

2135
01:40:54,830 --> 01:40:49,680
sitting in front of us that night and

2136
01:40:56,420 --> 01:40:54,840
they were encouraging you so it was so

2137
01:41:01,640 --> 01:40:56,430
funny I could believe we got to number

2138
01:41:04,720 --> 01:41:01,650

six but there are historical references

2139

01:41:07,940 --> 01:41:04,730

to the second Sphinx just like there are

2140

01:41:11,650 --> 01:41:07,950

to this fourth pyramid this is not

2141

01:41:14,240 --> 01:41:11,660

speculation no no they're definitely

2142

01:41:18,080 --> 01:41:14,250

references the question is what are the

2143

01:41:21,740 --> 01:41:18,090

references to what is the second Sphinx

2144

01:41:24,890 --> 01:41:21,750

what could it be referring to and you

2145

01:41:26,840 --> 01:41:24,900

know there's been thoughts again I was

2146

01:41:30,440 --> 01:41:26,850

thinking about this I would say there

2147

01:41:32,750 --> 01:41:30,450

are five basic thoughts as to where the

2148

01:41:34,300 --> 01:41:32,760

Sphinx that second things could be if

2149

01:41:37,340 --> 01:41:34,310

there's a second Sphinx

2150

01:41:40,600 --> 01:41:37,350

so should I enumerate those yes let's go

2151
01:41:43,610 --> 01:41:40,610
let's do well okay they're there for

2152
01:41:46,220 --> 01:41:43,620
basically five directions if you would

2153
01:41:50,030 --> 01:41:46,230
there's some speculation and I've spoken

2154
01:41:52,910 --> 01:41:50,040
with Egyptologists on the ground about

2155
01:41:56,360 --> 01:41:52,920
this there's some speculation that there

2156
01:41:59,420 --> 01:41:56,370
could be a second Sphinx very close to

2157
01:42:03,530 --> 01:41:59,430
the current Sphinx that we know but

2158
01:42:06,760 --> 01:42:03,540
facing west and that could be to the

2159
01:42:09,980 --> 01:42:06,770
south or to the southwest of the Sphinx

2160
01:42:13,430 --> 01:42:09,990
one Egyptologist I know this Egyptian

2161
01:42:16,340 --> 01:42:13,440
Egyptologist showed Katie and I at one

2162
01:42:20,150 --> 01:42:16,350
point what he thought was a second

2163
01:42:23,540 --> 01:42:20,160

Sphinx which is now highly highly eroded

2164

01:42:25,859 --> 01:42:23,550

and has been carved up into tombs and

2165

01:42:29,389 --> 01:42:25,869

that type of thing to be honest

2166

01:42:33,540 --> 01:42:29,399

we did not find it convincing whatsoever

2167

01:42:36,270 --> 01:42:33,550

we felt like he was showing us from one

2168

01:42:38,279 --> 01:42:36,280

angle if you used a lot of imagination

2169

01:42:41,189 --> 01:42:38,289

you could make it look like a Sphinx

2170

01:42:43,589 --> 01:42:41,199

facing West but we did not find it

2171

01:42:45,029 --> 01:42:43,599

convincing at all so I don't want though

2172

01:42:48,619 --> 01:42:45,039

he dismisses I'm not even going to

2173

01:42:52,949 --> 01:42:48,629

mention his name but I did not find that

2174

01:42:57,600 --> 01:42:52,959

convincing similarly a fellow who I've

2175

01:43:01,619 --> 01:42:57,610

never actually met but know his work and

2176

01:43:03,929 --> 01:43:01,629

he is again Egyptian by the name if I'm

2177

01:43:09,540 --> 01:43:03,939

pronouncing it correctly Bassam al-sham

2178

01:43:11,279 --> 01:43:09,550

mama mama he wrote a book literally

2179

01:43:13,969 --> 01:43:11,289

called quest for the truth

2180

01:43:18,719 --> 01:43:13,979

the second Sphinx and this came out in

2181

01:43:21,540 --> 01:43:18,729

2003 and it was published in I'm looking

2182

01:43:24,179 --> 01:43:21,550

at a copy of it which I bought in Egypt

2183

01:43:27,869 --> 01:43:24,189

it was actually published in Cairo so

2184

01:43:29,879 --> 01:43:27,879

it's fairly obscure book probably in

2185

01:43:32,520 --> 01:43:29,889

American circles and he talks about

2186

01:43:35,369 --> 01:43:32,530

second Sphinx the same way in places it

2187

01:43:37,859 --> 01:43:35,379

near the current Sphinx but thinks it's

2188

01:43:40,889 --> 01:43:37,869

been recarved and ruinous that type of

2189

01:43:43,259 --> 01:43:40,899

thing some people have suggested that

2190

01:43:45,600 --> 01:43:43,269

there's a second Sphinx not south or

2191

01:43:47,639 --> 01:43:45,610

southwest of the current Sphinx but

2192

01:43:51,509 --> 01:43:47,649

north of the Sphinx on

2193

01:43:52,949 --> 01:43:51,519

I think of JFK remember JFK that grassy

2194

01:43:55,500 --> 01:43:52,959

knoll right right right

2195

01:43:58,169 --> 01:43:55,510

well there's an on grassy knoll to

2196

01:44:01,469 --> 01:43:58,179

basically to the north of the Sphinx

2197

01:44:03,209 --> 01:44:01,479

which I'm not convinced at all that

2198

01:44:05,369 --> 01:44:03,219

there's a Sphinx there I think it is

2199

01:44:07,619 --> 01:44:05,379

primarily bedrock some people say oh

2200

01:44:09,419 --> 01:44:07,629

there's sand there and if you dig away

2201
01:44:10,649 --> 01:44:09,429
the sand you'll find the remains of

2202
01:44:12,600 --> 01:44:10,659
ruinous Fink's

2203
01:44:15,509 --> 01:44:12,610
now the Egyptians have not allowed that

2204
01:44:18,719 --> 01:44:15,519
either way but I'm not convinced there's

2205
01:44:22,560 --> 01:44:18,729
a Sphinx there either it's almost to the

2206
01:44:24,569 --> 01:44:22,570
point where you can look at in a rock on

2207
01:44:26,729 --> 01:44:24,579
the Giza Plateau and say well this was

2208
01:44:29,580 --> 01:44:26,739
once a sphinx but so erode it we can't

2209
01:44:31,189 --> 01:44:29,590
really tell one way or another I'm not

2210
01:44:33,479 --> 01:44:31,199
trying to make fun of anyone but

2211
01:44:36,299 --> 01:44:33,489
sometimes I feel like it gets to that

2212
01:44:39,000 --> 01:44:36,309
point now more seriously so I don't

2213
01:44:41,040 --> 01:44:39,010

think either just do

2214

01:44:42,779 --> 01:44:41,050

or due south of the Sphinx I just don't

2215

01:44:45,000 --> 01:44:42,789

think there's a lot of evidence for that

2216

01:44:48,509 --> 01:44:45,010

more seriously

2217

01:44:50,669 --> 01:44:48,519

I have often personally speculated my

2218

01:44:54,930 --> 01:44:50,679

own mind not necessarily in print or

2219

01:44:58,379 --> 01:44:54,940

publicly but I'll say it here mmm could

2220

01:44:59,609 --> 01:44:58,389

there be a sphinx on the western edge of

2221

01:45:03,209 --> 01:44:59,619

the Giza Plateau

2222

01:45:06,450 --> 01:45:03,219

facing west bingo that's word has to be

2223

01:45:08,879 --> 01:45:06,460

I this okay I want your answer but let

2224

01:45:14,040 --> 01:45:08,889

me tell you where I've speculated is I

2225

01:45:17,700 --> 01:45:14,050

look at it if you lay it out where it

2226

01:45:21,120 --> 01:45:17,710

would be identical to symmetrically I

2227

01:45:24,870 --> 01:45:21,130

should say and if you feel yeah so let

2228

01:45:27,089 --> 01:45:24,880

you know in front of the middle pyramid

2229

01:45:30,359 --> 01:45:27,099

where you know it's facing west and

2230

01:45:31,379 --> 01:45:30,369

facing Cairo so but if you go back up

2231

01:45:33,959 --> 01:45:31,389

and you look at the Great Pyramid

2232

01:45:35,879 --> 01:45:33,969

there's an empty spot in the desert

2233

01:45:39,330 --> 01:45:35,889

right there

2234

01:45:42,330 --> 01:45:39,340

and if you put this the Sphinx where it

2235

01:45:45,899 --> 01:45:42,340

should be behind the west side of the

2236

01:45:48,870 --> 01:45:45,909

the Great Pyramid facing west

2237

01:45:51,240 --> 01:45:48,880

where the you know the Great Sphinx yeah

2238

01:45:54,419 --> 01:45:51,250

it faces east there's a spot right there

2239

01:45:56,729 --> 01:45:54,429

and symmetrically it lays out perfectly

2240

01:45:58,379 --> 01:45:56,739

yeah I know what you're talking about so

2241

01:46:01,140 --> 01:45:58,389

you and I have been thinking along the

2242

01:46:04,290 --> 01:46:01,150

same lines because you'd have if you had

2243

01:46:06,419 --> 01:46:04,300

one there facing west and then you have

2244

01:46:08,580 --> 01:46:06,429

the current one which faces East I think

2245

01:46:11,100 --> 01:46:08,590

you just got backwards a second ago it

2246

01:46:13,140 --> 01:46:11,110

faces east troy cairo faces these and

2247

01:46:17,459 --> 01:46:13,150

faces east toward the Nile and then

2248

01:46:20,100 --> 01:46:17,469

cairo proper is across the Nile yeah i

2249

01:46:22,740 --> 01:46:20,110

think that if there's a physical sphinx

2250

01:46:25,620 --> 01:46:22,750

on the ground if there was or if there

2251

01:46:27,540 --> 01:46:25,630

still is the remains I think around in

2252

01:46:30,689 --> 01:46:27,550

that area would be the most logical

2253

01:46:33,600 --> 01:46:30,699

place it just makes sense to me yeah

2254

01:46:36,240 --> 01:46:33,610

yeah as far as this symmetry goes also

2255

01:46:38,609 --> 01:46:36,250

when you look at the iconography of

2256

01:46:42,600 --> 01:46:38,619

sphinxes in Egypt no we're talking

2257

01:46:45,689 --> 01:46:42,610

dynastic times right uh they're usually

2258

01:46:48,089 --> 01:46:45,699

often there they're back to back when

2259

01:46:49,879 --> 01:46:48,099

you look at the Stella the Tut Moses the

2260

01:46:52,870 --> 01:46:49,889

fourth the so-called dream Stella

2261

01:46:55,570 --> 01:46:52,880

between the paws of the Sphinx there

2262

01:46:58,810 --> 01:46:55,580

to Sphynx us on it and they are

2263

01:46:59,790 --> 01:46:58,820

back-to-back one faces east one faces

2264

01:47:03,990 --> 01:46:59,800

west

2265

01:47:06,040 --> 01:47:04,000

how would you now there's two other

2266

01:47:07,149 --> 01:47:06,050

possibilities I think that we should

2267

01:47:13,169 --> 01:47:07,159

discuss but go ahead

2268

01:47:20,439 --> 01:47:16,689

you know the problem with sand is sand

2269

01:47:23,500 --> 01:47:20,449

is heavy sand is expensive to move sand

2270

01:47:26,169 --> 01:47:23,510

is actually even more difficult to deal

2271

01:47:29,439 --> 01:47:26,179

with in some cases than digging into

2272

01:47:32,740 --> 01:47:29,449

normal soil and earth because sand when

2273

01:47:34,770 --> 01:47:32,750

you if you tried to excavate in sand it

2274

01:47:37,930 --> 01:47:34,780

collapses in on you right

2275

01:47:41,890 --> 01:47:37,940

so it's really really dangerous when

2276

01:47:44,200 --> 01:47:41,900

they excavated the Sphinx back in the

2277

01:47:47,379 --> 01:47:44,210

nineteenth century for the first time

2278

01:47:50,439 --> 01:47:47,389

literally they recorded how they would

2279

01:47:55,030 --> 01:47:50,449

excavate all this sand and by the next

2280

01:47:57,970 --> 01:47:55,040

day overnight naturally half of it would

2281

01:48:00,129 --> 01:47:57,980

glow back in right right and and it's

2282

01:48:02,110 --> 01:48:00,139

really difficult to deal with it's also

2283

01:48:04,209 --> 01:48:02,120

very difficult I don't know if you've

2284

01:48:07,000 --> 01:48:04,219

even heard little things when people

2285

01:48:08,919 --> 01:48:07,010

build sand castles and whatnot on the

2286

01:48:11,020 --> 01:48:08,929

beach I mean I'm being literal now

2287

01:48:13,990 --> 01:48:11,030

they'll dig holes sometimes they'll go

2288

01:48:15,970 --> 01:48:14,000

into it they'll stand in it up to their

2289

01:48:20,290 --> 01:48:15,980

chest that type of thing sometimes it

2290

01:48:22,810 --> 01:48:20,300

collapses in and it kills people we eat

2291

01:48:27,820 --> 01:48:22,820

on musk to build us a giant vacuum

2292

01:48:30,939 --> 01:48:27,830

cleaner and so and have like and I'm not

2293

01:48:33,459 --> 01:48:30,949

kidding maybe you know a long vacuum

2294

01:48:34,840 --> 01:48:33,469

cleaner hose you know I don't know yeah

2295

01:48:37,330 --> 01:48:34,850

and then you have to have someplace to

2296

01:48:40,870 --> 01:48:37,340

dump it right a mile you're continuously

2297

01:48:42,700 --> 01:48:40,880

dump it right when yeah when they they

2298

01:48:44,530 --> 01:48:42,710

sort of tried to do that in the 19th

2299

01:48:46,870 --> 01:48:44,540

century not as a vacuum cleaner but they

2300

01:48:49,810 --> 01:48:46,880

literally when they were excavating the

2301

01:48:53,110 --> 01:48:49,820

Sphinx for the first time really doing a

2302

01:48:57,270 --> 01:48:53,120

full excavation they had so much sand to

2303

01:48:59,979 --> 01:48:57,280

deal with they had they set up tracks

2304

01:49:02,620 --> 01:48:59,989

you know like when you used to do mining

2305

01:49:06,010 --> 01:49:02,630

with little cars on them right carry

2306

01:49:06,510 --> 01:49:06,020

away the sand as quick as they could yes

2307

01:49:09,210 --> 01:49:06,520

quick

2308

01:49:10,680 --> 01:49:09,220

they good yeah cuz there was so much so

2309

01:49:13,650 --> 01:49:10,690

much to deal with they would just

2310

01:49:15,180 --> 01:49:13,660

literally sort of like if you think of

2311

01:49:17,610 --> 01:49:15,190

when they mined coal and they have the

2312

01:49:22,080 --> 01:49:17,620

little tracks and they're not that

2313

01:49:24,120 --> 01:49:22,090

little no for mining coal or for any

2314

01:49:26,790 --> 01:49:24,130

kind of mining operation they had to do

2315

01:49:28,680 --> 01:49:26,800

that yeah but yeah I I've often thought

2316

01:49:32,280 --> 01:49:28,690

that's where a second sinks could be

2317

01:49:34,260 --> 01:49:32,290

physically and there is now when we come

2318

01:49:38,070 --> 01:49:34,270

back off of the break where I want to

2319

01:49:39,980 --> 01:49:38,080

talk about Khufu and and that hoax okay

2320

01:49:44,190 --> 01:49:39,990

we're gonna visit that in a second but

2321

01:49:47,100 --> 01:49:44,200

because of the discoveries of the

2322

01:49:49,830 --> 01:49:47,110

different camps the cooking the sleeping

2323

01:49:53,130 --> 01:49:49,840

the families you know allegedly for the

2324

01:49:55,860 --> 01:49:53,140

construction of the pyramid all of this

2325

01:49:59,370 --> 01:49:55,870

was is recent discoveries we didn't know

2326

01:50:02,370 --> 01:49:59,380

about this a hundred years ago and why

2327

01:50:06,600 --> 01:50:02,380

because it was buried it was all bare

2328

01:50:08,790 --> 01:50:06,610

understand yeah yeah yeah yeah exactly

2329

01:50:11,190 --> 01:50:08,800

but but before we do that can I mention

2330

01:50:12,870 --> 01:50:11,200

the two other possibilities for a second

2331

01:50:15,930 --> 01:50:12,880

oh yeah yeah that was my fault

2332

01:50:18,840 --> 01:50:15,940

yeah yeah two other possibilities one

2333

01:50:21,210 --> 01:50:18,850

and and we actually talked about these

2334

01:50:23,580 --> 01:50:21,220

are Robert Bauval particular in his

2335

01:50:26,900 --> 01:50:23,590

section talks about it in ordinances

2336

01:50:29,250 --> 01:50:26,910

Fink's he mentions very briefly that

2337

01:50:32,880 --> 01:50:29,260

something else that has been suggested

2338

01:50:36,690 --> 01:50:32,890

is there might have been a sphinx on the

2339

01:50:39,960 --> 01:50:36,700

other side of the Nile facing toward the

2340

01:50:43,050 --> 01:50:39,970

Nile so facing west but on the east side

2341

01:50:45,690 --> 01:50:43,060

of the Nile but facing west just as the

2342

01:50:48,480 --> 01:50:45,700

current Sphinx is on the western side

2343

01:50:51,780 --> 01:50:48,490

and faces east toward the Nile so that

2344

01:50:54,750 --> 01:50:51,790

they would be facing each other but Sir

2345

01:50:58,020 --> 01:50:54,760

Flinders Petrie the great Egyptologist

2346

01:51:00,890 --> 01:50:58,030

of the late 19th early 20th century he

2347

01:51:03,810 --> 01:51:00,900

searched for it when there was much less

2348

01:51:06,180 --> 01:51:03,820

commercial build-up that type of thing

2349

01:51:09,650 --> 01:51:06,190

right and never found any evidence for

2350

01:51:12,090 --> 01:51:09,660

his Fink's then number five the fifth

2351

01:51:14,940 --> 01:51:12,100

possibility and actually the fifth

2352

01:51:18,840 --> 01:51:14,950

possibilities does not preclude a second

2353

01:51:20,330 --> 01:51:18,850

Sphinx on the ground but I personally do

2354

01:51:22,810 --> 01:51:20,340

believe in quote the

2355

01:51:26,450 --> 01:51:22,820

possibility which is that the Sphinx

2356

01:51:31,070 --> 01:51:26,460

faces due east on the equinoxes

2357

01:51:34,459 --> 01:51:31,080

absolutely faces east and going back to

2358

01:51:37,879 --> 01:51:34,469

our magical number about 10,000 BC that

2359

01:51:41,709 --> 01:51:37,889

was the age of Leo and the Sphinx was

2360

01:51:45,410 --> 01:51:41,719

facing Leo in the sky on the equinox

2361

01:51:50,209 --> 01:51:45,420

during the age of Leo so in a sense this

2362

01:51:52,580 --> 01:51:50,219

there is a second Sphinx in the sky that

2363

01:51:55,700 --> 01:51:52,590

corresponds to the Sphinx on the ground

2364

01:51:58,820 --> 01:51:55,710

but what okay all right all right that

2365

01:52:01,939 --> 01:51:58,830

that's interesting but let's go back to

2366

01:52:05,120 --> 01:52:01,949

our original theory here if there is

2367

01:52:07,879 --> 01:52:05,130

west of the Great Pyramid facing west

2368

01:52:12,430 --> 01:52:07,889

a second Sphinx out there in the desert

2369

01:52:16,790 --> 01:52:12,440

right yeah what would be the

2370

01:52:20,120 --> 01:52:16,800

constellation or zodiac sign at ten

2371

01:52:24,040 --> 01:52:20,130

thousand five it's facing east it's

2372

01:52:27,709 --> 01:52:24,050

Taurus we understand that right or no

2373

01:52:31,820 --> 01:52:27,719

10,000 and you're talking H of Leo yeah

2374

01:52:37,689 --> 01:52:31,830

it's Leo going east what would be facing

2375

01:52:42,530 --> 01:52:40,700

Aquarius Aquarius aha now that's

2376

01:52:49,729 --> 01:52:42,540

interest it makes sense

2377

01:52:51,500 --> 01:52:49,739

yes it does we find the second Sphinx we

2378

01:52:54,770 --> 01:52:51,510

got to put a fade to black t-shirt on

2379

01:52:57,740 --> 01:52:54,780

that Sphinx I'm well you might need a

2380

01:52:59,780 --> 01:52:57,750

big t-shirt yeah it would be but I would

2381

01:53:02,450 --> 01:52:59,790

do it I would do it but there's

2382

01:53:04,310 --> 01:53:02,460

something the more I've looked at so

2383

01:53:07,250 --> 01:53:04,320

much satellite imaging just like you

2384

01:53:09,890 --> 01:53:07,260

have dr. Schaack and I'm telling you it

2385

01:53:12,740 --> 01:53:09,900

looks like there is something there and

2386

01:53:14,629 --> 01:53:12,750

if you go with the symmetry it it just

2387

01:53:16,910 --> 01:53:14,639

feels like there is something in that

2388

01:53:19,100 --> 01:53:16,920

part of the does yeah no no I agree with

2389

01:53:21,530 --> 01:53:19,110

you I agree with you we've we've been

2390

01:53:27,680 --> 01:53:21,540

obviously thinking along the same same

2391

01:53:30,939 --> 01:53:27,690

lines for that and going again south and

2392

01:53:33,270 --> 01:53:30,949

west of the Giza Plateau if you look at

2393

01:53:35,550 --> 01:53:33,280

not only the alignment with

2394

01:53:38,730 --> 01:53:35,560

Ryan of course with the three that are

2395

01:53:41,810 --> 01:53:38,740

there but it looks like the the complex

2396

01:53:45,720 --> 01:53:41,820

to me just continued is there any

2397

01:53:49,320 --> 01:53:45,730

archeology going on south and west of

2398

01:53:52,650 --> 01:53:49,330

Giza continual or is it just is it just

2399

01:53:55,680 --> 01:53:52,660

nothing going on out there no you mean

2400

01:53:58,200 --> 01:53:55,690

modern archaeology Marty right now is

2401

01:54:01,500 --> 01:53:58,210

anybody right well I mean the last I

2402

01:54:04,020 --> 01:54:01,510

understood is that they are I don't want

2403

01:54:06,330 --> 01:54:04,030

to say closing down concessions that's

2404

01:54:10,230 --> 01:54:06,340

their term for it but they're not

2405

01:54:13,940 --> 01:54:10,240

allowing new projects to start as far as

2406

01:54:16,230 --> 01:54:13,950

actual excavation that type of thing

2407

01:54:18,540 --> 01:54:16,240

which is interesting

2408

01:54:22,550 --> 01:54:18,550

see when I went to I won't get into the

2409

01:54:25,260 --> 01:54:22,560

chamber the first thing I would do which

2410

01:54:27,450 --> 01:54:25,270

from talking speaking with the Archaea

2411

01:54:29,520 --> 01:54:27,460

with archaeologists with the Egyptian

2412

01:54:31,740 --> 01:54:29,530

authorities they would allow is I would

2413

01:54:35,040 --> 01:54:31,750

do more geophysics etc which is not

2414

01:54:39,240 --> 01:54:35,050

actual excavation right but right now

2415

01:54:42,930 --> 01:54:39,250

they are really putting a damper on

2416

01:54:45,260 --> 01:54:42,940

actual excavation why you know before I

2417

01:54:48,420 --> 01:54:45,270

say you know they were afraid of

2418

01:54:51,230 --> 01:54:48,430

revealing stuff but but why is it why it

2419

01:54:55,350 --> 01:54:51,240

shouldn't they be encouraging just that

2420

01:54:59,450 --> 01:54:55,360

well it gets into politics again that

2421

01:55:04,860 --> 01:54:59,460

type of thing and it also gets into the

2422

01:55:11,190 --> 01:55:04,870

how should we say the the real problems

2423

01:55:13,160 --> 01:55:11,200

with the whole situation in Egypt I mean

2424

01:55:15,500 --> 01:55:13,170

it's gone through these revolutions and

2425

01:55:19,680 --> 01:55:15,510

counter-revolutions it's very unstable

2426

01:55:22,350 --> 01:55:19,690

recently there's been ambushes and Egypt

2427

01:55:25,770 --> 01:55:22,360

recently there's and bombs going off and

2428

01:55:28,110 --> 01:55:25,780

I think that and I'm going to defend

2429

01:55:30,840 --> 01:55:28,120

them too much in some ways but I think

2430

01:55:33,060 --> 01:55:30,850

there is something genuine to be said

2431

01:55:35,700 --> 01:55:33,070

that they don't want to start opening up

2432

01:55:38,970 --> 01:55:35,710

new projects and having more artifacts

2433

01:55:42,000 --> 01:55:38,980

and antiquities exposed under such

2434

01:55:43,650 --> 01:55:42,010

unstable conditions so I interviewed

2435

01:55:45,589 --> 01:55:43,660

Josh gates

2436

01:55:48,229 --> 01:55:45,599

this past Saturday

2437

01:55:50,149 --> 01:55:48,239

on coast-to-coast from Cairo right he's

2438

01:55:50,870 --> 01:55:50,159

there for a couple of weeks filming his

2439

01:55:52,879 --> 01:55:50,880

new show

2440

01:55:54,830 --> 01:55:52,889

and I said so what's it like out there

2441

01:55:57,140 --> 01:55:54,840

were tourism and this is what he said to

2442

01:56:01,250 --> 01:55:57,150

me on Saturday night on coast-to-coast

2443

01:56:05,180 --> 01:56:01,260

he said if you went out to the Great

2444

01:56:07,430 --> 01:56:05,190

Pyramid you would be the only person in

2445

01:56:09,319 --> 01:56:07,440

the King's Chamber you would be a oh

2446

01:56:11,089 --> 01:56:09,329

yeah yeah yeah yeah that's what I've

2447

01:56:14,890 --> 01:56:11,099

experienced I was there earlier this

2448

01:56:19,010 --> 01:56:14,900

year it's it's tourism as it's gone I

2449

01:56:22,310 --> 01:56:19,020

yeah I have not seen such a low in

2450

01:56:25,160 --> 01:56:22,320

tourism my trips back and forth to Egypt

2451

01:56:26,120 --> 01:56:25,170

since the what did they call it the

2452

01:56:30,169 --> 01:56:26,130

first Gulf War

2453

01:56:32,240 --> 01:56:30,179

right yeah he said yeah he said that you

2454

01:56:34,790 --> 01:56:32,250

know ten years ago when he went out

2455

01:56:37,310 --> 01:56:34,800

there that there would literally be 20

2456

01:56:41,089 --> 01:56:37,320

or 30 thousand people a day out there

2457

01:56:43,640 --> 01:56:41,099

trying to he said today all day long on

2458

01:56:45,939 --> 01:56:43,650

the plateau maybe a thousand people and

2459

01:56:48,890 --> 01:56:45,949

he said Jimmy it is so big and so vast

2460

01:56:51,229 --> 01:56:48,900

when I say a thousand people you're

2461

01:56:53,959 --> 01:56:51,239

alone yeah you're alone

2462

01:56:57,919 --> 01:56:53,969

absolutely yeah that's what we that's

2463

01:57:00,589 --> 01:56:57,929

what I experienced my last time I was

2464

01:57:02,930 --> 01:57:00,599

there earlier this year that's what John

2465

01:57:06,770 --> 01:57:02,940

Anthony West and Katie and I experienced

2466

01:57:08,720 --> 01:57:06,780

when we were there in the summer of 20

2467

01:57:11,479 --> 01:57:08,730

we were there for extended period of

2468

01:57:15,129 --> 01:57:11,489

time and it it was just absolutely

2469

01:57:17,870 --> 01:57:15,139

amazing compared to what it used to be

2470

01:57:20,660 --> 01:57:17,880

you know there's so many camels out of

2471

01:57:22,760 --> 01:57:20,670

work and I'm not said joking no no I

2472

01:57:25,760 --> 01:57:22,770

that's not the camels and they're not

2473

01:57:28,010 --> 01:57:25,770

being fed properly because the camel

2474

01:57:31,819 --> 01:57:28,020

drivers the owners aren't getting the

2475

01:57:34,399 --> 01:57:31,829

customers that they need when you go to

2476
01:57:37,280 --> 01:57:34,409
middle and upper egypt they have the

2477
01:57:39,319 --> 01:57:37,290
boats that cruise and isles right cruise

2478
01:57:42,680 --> 01:57:39,329
the Nile they're made just to cruise the

2479
01:57:45,709 --> 01:57:42,690
Nile and the vast majority of them are

2480
01:57:49,250 --> 01:57:45,719
now mocked bald and rotting away because

2481
01:57:52,250 --> 01:57:49,260
you know boat needs to be maintained and

2482
01:57:54,260 --> 01:57:52,260
so it's not and you can't just pull them

2483
01:57:55,970 --> 01:57:54,270
out mothballs when they get pulled out

2484
01:57:58,760 --> 01:57:55,980
again they have to put a lot of money

2485
01:57:59,450 --> 01:57:58,770
into refurbishing them right so it's

2486
01:58:02,240 --> 01:57:59,460
real

2487
01:58:04,430 --> 01:58:02,250
hard on the Egyptians and the Egyptian

2488
01:58:07,010 --> 01:58:04,440

economy and they you know that's they

2489

01:58:10,670 --> 01:58:07,020

they love tourism you know oh they love

2490

01:58:13,580 --> 01:58:10,680

tourism we were that filling which is in

2491

01:58:16,550 --> 01:58:13,590

Upper Egypt it's you know where the

2492

01:58:19,850 --> 01:58:16,560

Temple of Isis is it's a beautiful

2493

01:58:21,860 --> 01:58:19,860

temple and when I've been there before

2494

01:58:24,170 --> 01:58:21,870

there'd be dozens of vendors there was

2495

01:58:25,610 --> 01:58:24,180

not a single vendor this last time we

2496

01:58:27,680 --> 01:58:25,620

got to take a break right here dr.

2497

01:58:31,669 --> 01:58:27,690

Schaack we'll be right back this is fade

2498

01:58:38,279 --> 01:58:34,949

this is KCRA digital broadcasting

2499

01:58:42,659 --> 01:58:38,289

station Salt Lake City Utah Van Buren

2500

01:58:45,179 --> 01:58:42,669

Arkansas let's get this man to the ER

2501
01:58:47,909 --> 01:58:45,189
stat right away doctor we see this every

2502
01:58:50,159 --> 01:58:47,919
day heart attack or angina pain due to

2503
01:58:52,529 --> 01:58:50,169
blocked and clogged arteries chelation

2504
01:58:54,689 --> 01:58:52,539
can remove obstructions or blockages

2505
01:58:55,830 --> 01:58:54,699
from arteries and help avoid painful and

2506
01:58:58,529 --> 01:58:55,840
expensive surgery

2507
01:59:00,179 --> 01:58:58,539
now there's angiogram it's a liquid oral

2508
01:59:02,549 --> 01:59:00,189
chelation product that you take with

2509
01:59:04,919 --> 01:59:02,559
juice you start to feel the results fast

2510
01:59:06,929 --> 01:59:04,929
angio primm increases blood flow all

2511
01:59:08,819 --> 01:59:06,939
over the body and that means more energy

2512
01:59:11,310 --> 01:59:08,829
and strength to take on the day with

2513
01:59:13,290 --> 01:59:11,320

less aches and pains 60 years of

2514

01:59:14,489 --> 01:59:13,300

research has gone into chelation and

2515

01:59:16,830 --> 01:59:14,499

angiogram

2516

01:59:19,049 --> 01:59:16,840

is the result a safe and easy way to

2517

01:59:21,179 --> 01:59:19,059

unblock your veins and arteries from

2518

01:59:23,129 --> 01:59:21,189

buildup that slow circulation shaping

2519

01:59:24,959 --> 01:59:23,139

dr. Jones please report to the emergency

2520

01:59:27,270 --> 01:59:24,969

room right away log on now for a special

2521

01:59:31,679 --> 01:59:27,280

radio offer from Angie Oh prim that's

2522

01:59:34,739 --> 01:59:31,689

angio prim calm / radio a ng IO PRI M

2523

01:59:36,390 --> 01:59:34,749

angio prim calm / radio are called eight

2524

01:59:38,189 --> 01:59:36,400

seven seven eight eight to seventy two

2525

01:59:42,029 --> 01:59:38,199

twenty one that's eight seven seven

2526
01:59:44,520 --> 01:59:42,039
eight eight to seventy two twenty one so

2527
01:59:48,149 --> 01:59:44,530
you love talk radio then you'll love

2528
01:59:51,000 --> 01:59:48,159
talk stream live.com talk stream live is

2529
01:59:53,250 --> 01:59:51,010
always on 24/7 with the best streaming

2530
01:59:55,319 --> 01:59:53,260
talk shows find your favorite talkers

2531
01:59:58,020 --> 01:59:55,329
and discover some new ones it's free

2532
01:59:59,279 --> 01:59:58,030
readily available online or on the

2533
02:00:01,319 --> 01:59:59,289
smartphone or tablet

2534
02:00:03,899 --> 02:00:01,329
finding your favorite talk shows all in

2535
02:00:06,779 --> 02:00:03,909
one place has gotten a whole lot easier

2536
02:00:08,279 --> 02:00:06,789
just go to talk stream live.com be sure

2537
02:00:12,270 --> 02:00:08,289
to download the free apps from Google

2538
02:00:14,520 --> 02:00:12,280

Play or the itunes app store your

2539

02:00:19,709 --> 02:00:14,530

contact for current news and trending

2540

02:00:22,290 --> 02:00:19,719

topics jgr a radio.com hello

2541

02:00:25,560 --> 02:00:22,300

Fator knots this is jimmy church and i'm

2542

02:00:28,620 --> 02:00:25,570

introducing new pharma a company whose

2543

02:00:30,929 --> 02:00:28,630

products are based on science human

2544

02:00:35,489 --> 02:00:30,939

function based on the endocannabinoid

2545

02:00:37,859 --> 02:00:35,499

system or ECS new pharma firmly believes

2546

02:00:39,360 --> 02:00:37,869

in this science and their research

2547

02:00:41,970 --> 02:00:39,370

indicates that support

2548

02:00:45,030 --> 02:00:41,980

of the ECS provides the beneficial

2549

02:00:48,330 --> 02:00:45,040

effects for a healthy lifestyle new

2550

02:00:51,420 --> 02:00:48,340

Pharma science includes relief capsules

2551
02:00:53,520 --> 02:00:51,430
for pain early sleep capsules which are

2552
02:00:56,520 --> 02:00:53,530
natural support for occasional

2553
02:00:59,730 --> 02:00:56,530
sleeplessness Foundation his support for

2554
02:01:02,340 --> 02:00:59,740
your ECS and fit capsules support your

2555
02:01:04,590 --> 02:01:02,350
active lifestyle just click on the

2556
02:01:07,410 --> 02:01:04,600
banner at Jimmy Church radio.com and use

2557
02:01:10,350 --> 02:01:07,420
the promo code f2b for a 33 percent

2558
02:01:13,350 --> 02:01:10,360
discount on all of their products or

2559
02:01:16,650 --> 02:01:13,360
visit new farm at comm for all of the

2560
02:01:21,680 --> 02:01:16,660
knowledge on the science that's GNU

2561
02:01:23,850 --> 02:01:21,690
Pharma dot-com gobekli tepe

2562
02:01:25,590 --> 02:01:23,860
did you know that when you're on the

2563
02:01:28,050 --> 02:01:25,600

road with limited data or Wi-Fi

2564

02:01:30,180 --> 02:01:28,060

available you can still listen to every

2565

02:01:32,790 --> 02:01:30,190

minute of fade to black by just calling

2566

02:01:35,820 --> 02:01:32,800

six oh five five six two four four eight

2567

02:01:38,280 --> 02:01:35,830

two no smartphone app or internet needed

2568

02:01:40,890 --> 02:01:38,290

it saves your data plan and no extra

2569

02:01:43,710 --> 02:01:40,900

cost if you have unlimited minutes just

2570

02:01:45,870 --> 02:01:43,720

call six oh five five six two four four

2571

02:01:48,870 --> 02:01:45,880

eight two you can listen to me Jimmy

2572

02:01:50,380 --> 02:01:48,880

Church on any phone anytime anywhere

2573

02:01:59,490 --> 02:01:50,390

Gobekli Tepe

2574

02:02:06,870 --> 02:02:04,240

you wanna know a secret I love ponies I

2575

02:02:09,459 --> 02:02:06,880

really love ponies I'm serious I

2576

02:02:12,330 --> 02:02:09,469

couldn't stay sane without poor mr.

2577

02:02:18,899 --> 02:02:12,340

Brooks I fade to black

2578

02:02:23,810 --> 02:02:21,330

this is fade to black with Jimmy Church

2579

02:02:28,640 --> 02:02:23,820

on the game changer radio network and

2580

02:02:41,710 --> 02:02:28,650

kgr a the global radio alliance

2581

02:02:48,950 --> 02:02:43,850

welcome back fade to black I'm Yours

2582

02:02:51,920 --> 02:02:48,960

Jimmy Church on the game changer

2583

02:02:53,450 --> 02:02:51,930

networking que GRA the planets you can

2584

02:02:56,090 --> 02:02:53,460

follow me on Twitter I teach Hertz radio

2585

02:02:58,100 --> 02:02:56,100

we have the we have the chat rooms live

2586

02:03:00,350 --> 02:02:58,110

and active you can go and hang out there

2587

02:03:02,840 --> 02:03:00,360

you can also use the hashtag F to be and

2588

02:03:04,550 --> 02:03:02,850

and come and chat with us on Twitter

2589

02:03:08,300 --> 02:03:04,560

everything is up in front of me our

2590

02:03:12,110 --> 02:03:08,310

guest tonight dr. Robert Schoch now in

2591

02:03:14,480 --> 02:03:12,120

there's a few things that that I find

2592

02:03:18,620 --> 02:03:14,490

interesting in the origins of the Sphinx

2593

02:03:21,140 --> 02:03:18,630

of talking about Khafre or Khufu however

2594

02:03:24,070 --> 02:03:21,150

you want to put it you pointed out

2595

02:03:30,020 --> 02:03:24,080

earlier the dream Stella there's also

2596

02:03:32,150 --> 02:03:30,030

the inventory Stella and which is you

2597

02:03:34,220 --> 02:03:32,160

know they've got that sealed up and I

2598

02:03:37,040 --> 02:03:34,230

don't you know that's not for public

2599

02:03:39,080 --> 02:03:37,050

consumption and I think this is my take

2600

02:03:43,760 --> 02:03:39,090

the reason for that is because on the

2601
02:03:48,770 --> 02:03:43,770
inventory Stella Khufu specifically says

2602
02:03:51,050 --> 02:03:48,780
he's there to hang out and repair the

2603
02:03:53,150 --> 02:03:51,060
Great Pyramid yeah exactly he's

2604
02:03:55,580 --> 02:03:53,160
repairing the Sphinx he's repairing the

2605
02:03:57,620 --> 02:03:55,590
Great Pyramid he's building his own

2606
02:04:00,830 --> 02:03:57,630
structures in the shadow if you would

2607
02:04:02,750 --> 02:04:00,840
have the Great Pyramid he talked at the

2608
02:04:04,550 --> 02:04:02,760
inventory still I mentioned this early

2609
02:04:06,380 --> 02:04:04,560
in the show it talks about the Sphinx

2610
02:04:08,450 --> 02:04:06,390
being very ancient and having been

2611
02:04:10,550 --> 02:04:08,460
struck by lightning which I believe has

2612
02:04:12,830 --> 02:04:10,560
to do with the solar outburst at the end

2613
02:04:15,350 --> 02:04:12,840

of the last ice age lies right in with

2614

02:04:19,280 --> 02:04:15,360

the Sphinx dating back to about 10,000

2615

02:04:22,760 --> 02:04:19,290

10,500 BC or more so the inventory

2616

02:04:25,730 --> 02:04:22,770

Stella in particular is a really

2617

02:04:29,630 --> 02:04:25,740

powerful argument if you take it

2618

02:04:31,490 --> 02:04:29,640

seriously for the Sphinx and the Great

2619

02:04:35,170 --> 02:04:31,500

Pyramid other structures on the Giza

2620

02:04:39,260 --> 02:04:35,180

Plateau going back to a much much more

2621

02:04:41,470 --> 02:04:39,270

remote time period you know going back

2622

02:04:45,040 --> 02:04:41,480

literally thousands of years so the

2623

02:04:48,350 --> 02:04:45,050

ancient Egyptians are talking about

2624

02:04:51,320 --> 02:04:48,360

these structures going back to this

2625

02:04:53,440 --> 02:04:51,330

remote period now the problem with

2626

02:04:55,700 --> 02:04:53,450

inventory Stella Trudy

2627

02:04:58,330 --> 02:04:55,710

historically has been and I'm saying

2628

02:05:01,400 --> 02:04:58,340

modern history now is that a lot of

2629

02:05:04,940 --> 02:05:01,410

Egyptologists have not went to accept it

2630

02:05:07,490 --> 02:05:04,950

they refer to it as essentially what we

2631

02:05:09,350 --> 02:05:07,500

could call pious fraud that it's

2632

02:05:14,930 --> 02:05:09,360

something that the dynastic Egyptians

2633

02:05:18,440 --> 02:05:14,940

made up to give no more cachet to give

2634

02:05:20,960 --> 02:05:18,450

more credibility to their structures so

2635

02:05:23,810 --> 02:05:20,970

you know you date it back and say it's

2636

02:05:28,670 --> 02:05:23,820

older than it really is that's a classic

2637

02:05:31,870 --> 02:05:28,680

modern conventional Egypt and logical

2638

02:05:35,860 --> 02:05:31,880

interpretation of it that's basically

2639

02:05:39,380 --> 02:05:35,870

it's an excu it's an exclusive

2640

02:05:41,720 --> 02:05:39,390

I you know the thing is they don't say

2641

02:05:44,540 --> 02:05:41,730

that about anything that says what they

2642

02:05:49,190 --> 02:05:44,550

want to hear they only say that about

2643

02:05:51,170 --> 02:05:49,200

what they don't want to hear I hate to

2644

02:05:53,300 --> 02:05:51,180

bring modern politics into it but I

2645

02:05:55,580 --> 02:05:53,310

serve if you don't like something you

2646

02:05:57,680 --> 02:05:55,590

call fake news if you don't something

2647

02:05:59,750 --> 02:05:57,690

like something in Egyptology you say

2648

02:06:03,320 --> 02:05:59,760

that they faked it the ancient Egyptians

2649

02:06:06,380 --> 02:06:03,330

faked it have you had an opportunity to

2650

02:06:09,350 --> 02:06:06,390

go into the upper chambers above the

2651
02:06:11,540 --> 02:06:09,360
king's chamber oh yeah yeah I've been up

2652
02:06:13,220 --> 02:06:11,550
into the relief chambers as they're

2653
02:06:16,640 --> 02:06:13,230
called or relieving chambers the

2654
02:06:20,000 --> 02:06:16,650
chambers where the inscriptions are very

2655
02:06:24,740 --> 02:06:20,010
very interesting now okay I want your

2656
02:06:26,330 --> 02:06:24,750
assessment okay you know what since

2657
02:06:30,890 --> 02:06:26,340
we're just talking Frank here do you

2658
02:06:32,330 --> 02:06:30,900
think they're modern forgeries no I mean

2659
02:06:34,940 --> 02:06:32,340
I'll tell you bluntly I don't think

2660
02:06:36,920 --> 02:06:34,950
they're modern forgeries I know some

2661
02:06:40,100 --> 02:06:36,930
people argue that they're modern forgery

2662
02:06:43,160 --> 02:06:40,110
there's been even more recent discussion

2663
02:06:46,940 --> 02:06:43,170

of this what I think is going on is that

2664

02:06:49,400 --> 02:06:46,950

they are genuinely ancient and I don't

2665

02:06:52,610 --> 02:06:49,410

personally have any doubt that they're

2666

02:06:56,630 --> 02:06:52,620

ancient but I also don't think they date

2667

02:06:59,510 --> 02:06:56,640

the pyramid to the reign of Khufu it's

2668

02:07:02,000 --> 02:06:59,520

there's a cartouche of Khufu there's

2669

02:07:06,830 --> 02:07:02,010

other cartoonists that say kunam kook

2670

02:07:08,990 --> 02:07:06,840

basically which may be referring to

2671

02:07:11,689 --> 02:07:09,000

one else people argue about whether it

2672

02:07:14,780 --> 02:07:11,699

is or it isn't and also I think that the

2673

02:07:17,870 --> 02:07:14,790

relief chambers where they are found are

2674

02:07:21,200 --> 02:07:17,880

a later addition a much later addition

2675

02:07:23,750 --> 02:07:21,210

to the Great Pyramid I've long been of

2676

02:07:26,479 --> 02:07:23,760

the opinion that the Great Pyramid is

2677

02:07:29,330 --> 02:07:26,489

something that was built it was rebuilt

2678

02:07:34,250 --> 02:07:29,340

it was built in stages it was restored

2679

02:07:37,760 --> 02:07:34,260

at various times and what my personal

2680

02:07:39,709 --> 02:07:37,770

interpretation of those inscriptions and

2681

02:07:42,700 --> 02:07:39,719

the cartouche is that you find up there

2682

02:07:46,160 --> 02:07:42,710

is that they are effectively a later

2683

02:07:50,240 --> 02:07:46,170

restoration if you would or a later

2684

02:07:54,109 --> 02:07:50,250

addition that's another way to put it we

2685

02:07:58,850 --> 02:07:54,119

explain back to ancient times yes plane

2686

02:08:02,180 --> 02:07:58,860

which 1918 not dating the Great Pyramids

2687

02:08:05,330 --> 02:08:02,190

origins I'm trying to I love when I

2688

02:08:08,149 --> 02:08:05,340

learned something so explain to me what

2689

02:08:13,550 --> 02:08:08,159

you mean when you say restoration in

2690

02:08:17,149 --> 02:08:13,560

ancient times well let me let me give a

2691

02:08:20,810 --> 02:08:17,159

little more context there is no doubt in

2692

02:08:24,140 --> 02:08:20,820

my mind whatsoever that the Great Sphinx

2693

02:08:28,310 --> 02:08:24,150

for instance was recarved and restored

2694

02:08:31,430 --> 02:08:28,320

it was a very ancient eroded statue when

2695

02:08:34,250 --> 02:08:31,440

you come to dynastic times five thousand

2696

02:08:36,470 --> 02:08:34,260

to four thousand years ago there's no

2697

02:08:38,899 --> 02:08:36,480

doubt that it was restored they've used

2698

02:08:41,089 --> 02:08:38,909

limestone blocks to restore parts of it

2699

02:08:43,640 --> 02:08:41,099

they recurved the head there's

2700

02:08:46,550 --> 02:08:43,650

absolutely no doubt in my mind based on

2701

02:08:49,790 --> 02:08:46,560

the evidence even zion Hawass has

2702

02:08:52,490 --> 02:08:49,800

admitted that there are four thousand

2703

02:08:58,760 --> 02:08:52,500

plus year old restorations on the Sphinx

2704

02:09:01,189 --> 02:08:58,770

itself but what about the and I know

2705

02:09:04,419 --> 02:09:01,199

you're you're quite familiar with this

2706

02:09:07,520 --> 02:09:04,429

about the Vice the Vice hoax so when we

2707

02:09:10,910 --> 02:09:07,530

yeah but I've looked old I've looked at

2708

02:09:15,290 --> 02:09:10,920

Vice regional material too and I'm not

2709

02:09:18,740 --> 02:09:15,300

convinced he necessarily hoaxed it but

2710

02:09:19,820 --> 02:09:18,750

he did see this is where I think he kind

2711

02:09:27,200 --> 02:09:19,830

of Oh

2712

02:09:30,290 --> 02:09:27,210

the door to his own what he went a

2713

02:09:33,350 --> 02:09:30,300

motive motive yeah yeah because back

2714

02:09:35,810 --> 02:09:33,360

then everybody was trying to put their

2715

02:09:38,180 --> 02:09:35,820

name on a great discovery in Egypt yeah

2716

02:09:40,010 --> 02:09:38,190

that was the goal of the day back then

2717

02:09:42,380 --> 02:09:40,020

yeah yeah and you can see his

2718

02:09:45,860 --> 02:09:42,390

inscriptions up there when you go up

2719

02:09:47,570 --> 02:09:45,870

there those are there but also he fibbed

2720

02:09:52,130 --> 02:09:47,580

a little bit when it came to monk re

2721

02:09:57,110 --> 02:09:52,140

right yeah so yeah and he took it I mean

2722

02:10:00,680 --> 02:09:57,120

he wasn't the most upfront hehe yeah he

2723

02:10:05,000 --> 02:10:00,690

did he I don't want to call him

2724

02:10:07,190 --> 02:10:05,010

dishonest but but on the other hand I am

2725

02:10:08,810 --> 02:10:07,200

not convinced that he did those

2726

02:10:11,600 --> 02:10:08,820

descriptions and there's a couple of

2727

02:10:13,460 --> 02:10:11,610

reasons they they look old to me and I'm

2728

02:10:16,910 --> 02:10:13,470

not just saying they look old when I

2729

02:10:22,310 --> 02:10:16,920

looked at them very very closely I found

2730

02:10:24,860 --> 02:10:22,320

I could see mineral overlays on the

2731

02:10:27,620 --> 02:10:24,870

patinas and mineral growths and whatnot

2732

02:10:31,490 --> 02:10:27,630

which I don't believe are going to have

2733

02:10:34,400 --> 02:10:31,500

occurred since the 1830s or so if he had

2734

02:10:37,730 --> 02:10:34,410

faked them at that point they are also

2735

02:10:40,520 --> 02:10:37,740

cases where they go down you could look

2736

02:10:42,290 --> 02:10:40,530

into cracks and they go down and when

2737

02:10:46,490 --> 02:10:42,300

you look down into the cracks between

2738

02:10:49,220 --> 02:10:46,500

the rocks they go down well into those

2739

02:10:52,460 --> 02:10:49,230

cracks you can see surfaces where they

2740

02:10:57,140 --> 02:10:52,470

still occur when they opened up for

2741

02:10:59,510 --> 02:10:57,150

instance the little star shafts are air

2742

02:11:03,310 --> 02:10:59,520

shafts whatever you want to call them in

2743

02:11:06,470 --> 02:11:03,320

modern times and found other

2744

02:11:09,710 --> 02:11:06,480

inscriptions very crude but they seem to

2745

02:11:11,570 --> 02:11:09,720

match pigmentation wise etc the

2746

02:11:13,220 --> 02:11:11,580

inscriptions that you find in the

2747

02:11:15,710 --> 02:11:13,230

relieving chamber again this is my

2748

02:11:18,260 --> 02:11:15,720

assessment my opinion so I think there's

2749

02:11:21,440 --> 02:11:18,270

a lot of reasons to believe that they

2750

02:11:25,340 --> 02:11:21,450

are genuinely ancient now I would not

2751

02:11:28,220 --> 02:11:25,350

put it past him if he didn't sort of

2752

02:11:30,680 --> 02:11:28,230

patch them up a little bit when you go

2753

02:11:33,570 --> 02:11:30,690

up there they don't necessarily match

2754

02:11:37,260 --> 02:11:33,580

exactly what is published in his

2755

02:11:39,270 --> 02:11:37,270

jon's because I've compared them yep so

2756

02:11:43,440 --> 02:11:39,280

there's a little bit of funny stuff

2757

02:11:46,560 --> 02:11:43,450

going on with him but I'm not convinced

2758

02:11:48,150 --> 02:11:46,570

that he just wholesale faked them so

2759

02:11:51,570 --> 02:11:48,160

game back till I was talking about the

2760

02:11:56,250 --> 02:11:51,580

restorations I'm convinced for instance

2761

02:11:59,310 --> 02:11:56,260

that at one point the Great Pyramid was

2762

02:12:01,560 --> 02:11:59,320

heavily restored in dynastic times and I

2763

02:12:03,330 --> 02:12:01,570

was using the analogy of the Sphinx

2764

02:12:05,640 --> 02:12:03,340

having been heavily restored because I

2765

02:12:08,070 --> 02:12:05,650

think that's even stronger case that

2766

02:12:09,840 --> 02:12:08,080

evens i was agreed with it although he

2767

02:12:14,490 --> 02:12:09,850

disagrees with me on so many things

2768

02:12:17,490 --> 02:12:14,500

right uh and at one point it seems to

2769

02:12:21,630 --> 02:12:17,500

have been built up to about the 50th

2770

02:12:25,140 --> 02:12:21,640

level which is essentially the top of

2771

02:12:27,780 --> 02:12:25,150

the Grand Gallery but not the King's

2772

02:12:30,090 --> 02:12:27,790

Chamber and the King's Chamber seems to

2773

02:12:33,860 --> 02:12:30,100

have been either built or rebuilt after

2774

02:12:37,490 --> 02:12:33,870

that and then the casing stone that

2775

02:12:42,350 --> 02:12:37,500

existed on the Great Pyramid up until

2776

02:12:45,480 --> 02:12:42,360

medieval early modern times was added

2777

02:12:48,240 --> 02:12:45,490

likewise the second pyramid which is

2778

02:12:49,830 --> 02:12:48,250

almost as big as the Great Pyramid seems

2779

02:12:52,620 --> 02:12:49,840

to have been refurbished and very

2780

02:12:55,230 --> 02:12:52,630

interesting Lee around the second

2781

02:12:59,040 --> 02:12:55,240

pyramid to this day you can see the ring

2782

02:13:01,800 --> 02:12:59,050

of granite granite was used to show that

2783

02:13:06,060 --> 02:13:01,810

something was being restored this is

2784

02:13:07,760 --> 02:13:06,070

even accepted by standard Egyptologists

2785

02:13:10,800 --> 02:13:07,770

so it's got a ring around the granite

2786

02:13:14,940 --> 02:13:10,810

ring around the base of red granite

2787

02:13:19,770 --> 02:13:14,950

aswan granite indicative of restoration

2788

02:13:21,630 --> 02:13:19,780

the chamber the King's Chamber what is

2789

02:13:23,300 --> 02:13:21,640

it lined with it's lined with red

2790

02:13:27,180 --> 02:13:23,310

granite which would also suggest

2791

02:13:31,050 --> 02:13:27,190

dynastic restoration or at least some

2792

02:13:33,030 --> 02:13:31,060

early restoration dynastic are probably

2793

02:13:36,000 --> 02:13:33,040

very early dynastic maybe late

2794

02:13:40,470 --> 02:13:36,010

pre-dynastic I'm articulating here by

2795

02:13:43,410 --> 02:13:40,480

Kufa possibly by Khufu but possibly not

2796

02:13:45,750 --> 02:13:43,420

by Khufu possibly some of it what came

2797

02:13:46,890 --> 02:13:45,760

even earlier and then Khufu added his

2798

02:13:50,209 --> 02:13:46,900

name to some of the

2799

02:13:52,530 --> 02:13:50,219

later or did some further work later

2800

02:13:56,640 --> 02:13:52,540

which would actually be tying in with

2801
02:14:00,050 --> 02:13:56,650
inventory Stella that he did have a hand

2802
02:14:03,090 --> 02:14:00,060
in doing some kind of restoration or

2803
02:14:06,090 --> 02:14:03,100
veneration if we if you would to

2804
02:14:08,370 --> 02:14:06,100
pre-existing structure that we now call

2805
02:14:10,380 --> 02:14:08,380
the Great Pyramid so when we're dealing

2806
02:14:12,689 --> 02:14:10,390
with the what they call the graffiti

2807
02:14:14,880 --> 02:14:12,699
right in the relief chambers you know

2808
02:14:17,970 --> 02:14:14,890
why and before I forget

2809
02:14:20,729 --> 02:14:17,980
remember the classical authors they

2810
02:14:23,610 --> 02:14:20,739
talked about there being graffiti all

2811
02:14:28,850 --> 02:14:23,620
over the Great Pyramid which has now

2812
02:14:30,959 --> 02:14:28,860
been lost well why not if if the

2813
02:14:33,689 --> 02:14:30,969

Egyptologists are gonna stick to their

2814

02:14:36,300 --> 02:14:33,699

guns and Khufu built this pyramid in 20

2815

02:14:39,479 --> 02:14:36,310

years yeah I think they oversimplify the

2816

02:14:42,979 --> 02:14:39,489

situation greatly okay but but why isn't

2817

02:14:47,310 --> 02:14:42,989

there a Khufu cartouche somewhere on the

2818

02:14:51,510 --> 02:14:47,320

inside somewhere carved in relief it's a

2819

02:14:55,680 --> 02:14:51,520

doll exists well well I would say

2820

02:14:58,800 --> 02:14:55,690

because Khufu did not really build the

2821

02:15:01,680 --> 02:14:58,810

Great Pyramid he was just restoring etc

2822

02:15:03,540 --> 02:15:01,690

and at that point he didn't want to you

2823

02:15:06,450 --> 02:15:03,550

know if you're talking about an ancient

2824

02:15:12,060 --> 02:15:06,460

we'll call ancient sacred structure that

2825

02:15:15,030 --> 02:15:12,070

would be defamation basically exactly so

2826

02:15:18,540 --> 02:15:15,040

let's let's discuss this theory if the

2827

02:15:20,880 --> 02:15:18,550

Sphinx is older than it is and I think

2828

02:15:23,550 --> 02:15:20,890

you know let's just say that it is let's

2829

02:15:27,780 --> 02:15:23,560

go back okay let but you remember who

2830

02:15:31,919 --> 02:15:27,790

you're talking to there's no question if

2831

02:15:34,770 --> 02:15:31,929

that is the case then do you speculate

2832

02:15:37,410 --> 02:15:34,780

that the pyramids were built at the same

2833

02:15:41,550 --> 02:15:37,420

time as the Sphinx no I don't I

2834

02:15:43,380 --> 02:15:41,560

speculate that the cores of the pyramids

2835

02:15:46,260 --> 02:15:43,390

so this is where you have to be careful

2836

02:15:48,930 --> 02:15:46,270

I speculate that the sites the position

2837

02:15:51,870 --> 02:15:48,940

of the pyramids go back to that remote

2838

02:15:54,899 --> 02:15:51,880

period I speculate and I think good

2839

02:15:57,060 --> 02:15:54,909

speculation based on evidence that what

2840

02:15:59,459 --> 02:15:57,070

we could call the cores of the pyramids

2841

02:16:00,720 --> 02:15:59,469

go back to that the Great Pyramid is

2842

02:16:04,190 --> 02:16:00,730

built on what I call

2843

02:16:06,630 --> 02:16:04,200

other people call a sacred mound the

2844

02:16:09,510 --> 02:16:06,640

subterranean chamber of the Great

2845

02:16:12,870 --> 02:16:09,520

Pyramid the descending passage I think

2846

02:16:16,110 --> 02:16:12,880

is very very early maybe going back to

2847

02:16:18,229 --> 02:16:16,120

when I call Sphinx time so back to the

2848

02:16:21,360 --> 02:16:18,239

end of the last ice age the

2849

02:16:25,500 --> 02:16:21,370

superstructure I believe that we now see

2850

02:16:28,770 --> 02:16:25,510

came later and what we ultimately see as

2851

02:16:30,930 --> 02:16:28,780

a finished pyramid came later still so

2852

02:16:33,900 --> 02:16:30,940

you're talking structures that were

2853

02:16:36,509 --> 02:16:33,910

built in stages I think the same applies

2854

02:16:38,400 --> 02:16:36,519

to the second pyramid as I was starting

2855

02:16:42,480 --> 02:16:38,410

to point out with the granite the

2856

02:16:45,450 --> 02:16:42,490

menkaure pyramid was potentially faced

2857

02:16:48,299 --> 02:16:45,460

completely with red granite which would

2858

02:16:52,259 --> 02:16:48,309

again to me suggests that it was heavily

2859

02:16:56,070 --> 02:16:52,269

restored in early dynastic maybe even

2860

02:16:59,490 --> 02:16:56,080

late pre-dynastic times then if we go to

2861

02:17:02,879 --> 02:16:59,500

- sure it ties in the so-called red

2862

02:17:04,950 --> 02:17:02,889

pyramid or North caromed has what I

2863

02:17:07,160 --> 02:17:04,960

believe and this is something John

2864

02:17:12,299 --> 02:17:07,170

Anthony West and I have worked on

2865

02:17:15,690 --> 02:17:12,309

together has within it what seems to be

2866

02:17:20,040 --> 02:17:15,700

a much older heavily weathered structure

2867

02:17:23,400 --> 02:17:20,050

and it appears that the Imperius elf the

2868

02:17:26,070 --> 02:17:23,410

so-called red pyramid or North pyramid -

2869

02:17:29,430 --> 02:17:26,080

sure which is almost as big as the Giza

2870

02:17:32,610 --> 02:17:29,440

pyramids was built specifically to house

2871

02:17:36,720 --> 02:17:32,620

and protect to surround this older

2872

02:17:39,390 --> 02:17:36,730

structure inside it so I see the current

2873

02:17:42,120 --> 02:17:39,400

pyramids is really being additions or

2874

02:17:45,360 --> 02:17:42,130

add-ons or restorations or structures

2875

02:17:48,450 --> 02:17:45,370

built over and around much older

2876

02:17:52,500 --> 02:17:48,460

structures how do you speculate when you

2877

02:17:55,500 --> 02:17:52,510

look at the the underground chamber of

2878

02:17:58,700 --> 02:17:55,510

the Great Pyramid which is a 300 foot

2879

02:18:03,000 --> 02:17:58,710

descending utterly straight shaft

2880

02:18:06,570 --> 02:18:03,010

utterly straight and utterly aligned

2881

02:18:11,220 --> 02:18:06,580

line it is a line perfectly north-south

2882

02:18:13,479 --> 02:18:11,230

how is that again you've put a lot of

2883

02:18:17,679 --> 02:18:13,489

thought into this how does

2884

02:18:19,660 --> 02:18:17,689

civilization 12,000 years ago where that

2885

02:18:21,580 --> 02:18:19,670

technology absolutely it would be

2886

02:18:23,439 --> 02:18:21,590

impossible to build today I mean nobody

2887

02:18:25,540 --> 02:18:23,449

would want to do yeah and no one no I

2888

02:18:28,540 --> 02:18:25,550

won't point out no one knew how well

2889

02:18:31,479 --> 02:18:28,550

mind it was until about hundred maybe

2890

02:18:34,450 --> 02:18:31,489

150 years ago because we didn't have

2891

02:18:37,570 --> 02:18:34,460

even the technology to measure it

2892

02:18:38,110 --> 02:18:37,580

accurately enough much less carve it out

2893

02:18:40,530 --> 02:18:38,120

of it

2894

02:18:45,009 --> 02:18:40,540

carve it out of bedrock I can't imagine

2895

02:18:49,240 --> 02:18:45,019

the the engineering the tools that were

2896

02:18:51,280 --> 02:18:49,250

used to build to dig through rock this

2897

02:18:54,339 --> 02:18:51,290

is rock everybody this is not dirt it's

2898

02:18:57,250 --> 02:18:54,349

a solid limestone solid limestone 300

2899

02:19:01,089 --> 02:18:57,260

foot shaft at perfect just absolutely

2900

02:19:04,719 --> 02:19:01,099

right angles everything 300 feet down LA

2901

02:19:06,849 --> 02:19:04,729

aligned and you know ten twelve thousand

2902

02:19:12,780 --> 02:19:06,859

years ago I can't wrap my head around it

2903

02:19:16,419 --> 02:19:12,790

no I mean it in a sense I mean it's more

2904

02:19:18,280 --> 02:19:16,429

amazing that it's twelve twelve thousand

2905

02:19:20,709 --> 02:19:18,290

years old approximately and I think it

2906

02:19:25,419 --> 02:19:20,719

is I think that portion of it is sure

2907

02:19:27,339 --> 02:19:25,429

but even if it were a mere four thousand

2908

02:19:28,990 --> 02:19:27,349

five hundred years old which is the

2909

02:19:31,809 --> 02:19:29,000

conventional what the conventional

2910

02:19:33,700 --> 02:19:31,819

Egyptologists say mhm and they serve say

2911

02:19:36,969 --> 02:19:33,710

that to dismiss it oh you know it's not

2912

02:19:38,530 --> 02:19:36,979

as a gold it's only 4500 years old well

2913

02:19:42,129 --> 02:19:38,540

how would you do it four thousand five

2914

02:19:45,820 --> 02:19:42,139

hundred years ago it doesn't solve the

2915

02:19:48,880 --> 02:19:45,830

problem either maybe it wouldn't buy

2916

02:19:51,820 --> 02:19:48,890

into the conventional dating because no

2917

02:19:54,490 --> 02:19:51,830

one could do it till later you

2918

02:19:57,370 --> 02:19:54,500

considered today arguably but certainly

2919

02:19:58,090 --> 02:19:57,380

until very recently there was no concept

2920

02:19:59,710 --> 02:19:58,100

of doing it

2921

02:20:02,950 --> 02:19:59,720

couldn't even measure that was so

2922

02:20:04,900 --> 02:20:02,960

accurate I just it doesn't make sense to

2923

02:20:07,840 --> 02:20:04,910

me we taught we you know look you can

2924

02:20:10,719 --> 02:20:07,850

look at a 480 foot you know a two

2925

02:20:12,340 --> 02:20:10,729

hundred 2.5 million stones and look at

2926

02:20:15,880 --> 02:20:12,350

it and go wow that is absolutely

2927

02:20:18,700 --> 02:20:15,890

incredible it is but that shaft that

2928

02:20:21,969 --> 02:20:18,710

300-foot shaft going through the bedrock

2929

02:20:25,389 --> 02:20:21,979

is what is for most amazing things yeah

2930

02:20:26,511 --> 02:20:25,399

it is it is I just don't know how they

2931

02:20:28,700 --> 02:20:26,521

pull that off

2932

02:20:32,211 --> 02:20:28,710

and we're talking about a step out of

2933

02:20:35,091 --> 02:20:32,221

the Stone Age I mean just a step a step

2934

02:20:36,500 --> 02:20:35,101

out of the Stone Age well I'm not going

2935

02:20:37,070 --> 02:20:36,510

to give you an answer because I don't

2936

02:20:40,700 --> 02:20:37,080

either

2937

02:20:42,261 --> 02:20:40,710

yeah I think and I think that there are

2938

02:20:44,600 --> 02:20:42,271

a lot of things we need to learn from

2939

02:20:46,700 --> 02:20:44,610

them or we'll learn from them hopefully

2940

02:20:49,341 --> 02:20:46,710

maybe some of it's in the chamber under

2941

02:20:51,410 --> 02:20:49,351

the Sphinx I I mean I mean I literally

2942

02:20:53,450 --> 02:20:51,420

am more and more convinced that could be

2943

02:20:54,680 --> 02:20:53,460

a genuine archive that could solve some

2944

02:20:57,560 --> 02:20:54,690

of these problems or at least give us

2945

02:20:59,961 --> 02:20:57,570

answers to some of these things but for

2946

02:21:01,640 --> 02:20:59,971

people to say that all they know how it

2947

02:21:03,440 --> 02:21:01,650

was done but they're not going to tell

2948

02:21:06,080 --> 02:21:03,450

you or something because I've had people

2949

02:21:08,211 --> 02:21:06,090

tell me that right oh they know but

2950

02:21:11,330 --> 02:21:08,221

they're just bluffing I mean that's just

2951
02:21:13,490 --> 02:21:11,340
nonsense I don't think we know now we're

2952
02:21:16,580 --> 02:21:13,500
still a lot we don't know about them and

2953
02:21:18,770 --> 02:21:16,590
they're they were not us they were not

2954
02:21:21,860 --> 02:21:18,780
advanced like we were I don't think they

2955
02:21:23,660 --> 02:21:21,870
had our type of technology back then but

2956
02:21:28,850 --> 02:21:23,670
I think they had something that we can't

2957
02:21:31,040 --> 02:21:28,860
even imagine when we I know let's let's

2958
02:21:35,171 --> 02:21:31,050
keep the a word out of this for a second

2959
02:21:40,631 --> 02:21:35,181
yeah yeah let's well keep the a word out

2960
02:21:43,370 --> 02:21:40,641
but we have to seriously consider a

2961
02:21:46,341 --> 02:21:43,380
civilization that predated not only

2962
02:21:48,890 --> 02:21:46,351
dynastic Egypt but everything because

2963
02:21:52,820 --> 02:21:48,900

gobekli tepe now it comes into play but

2964

02:21:56,270 --> 02:21:52,830

yeah they there was some high technology

2965

02:21:59,330 --> 02:21:56,280

a civilization with that that predates

2966

02:22:02,360 --> 02:21:59,340

everything that was passing this

2967

02:22:04,761 --> 02:22:02,370

knowledge on and they inherited this

2968

02:22:08,000 --> 02:22:04,771

knowledge from those that were before

2969

02:22:09,980 --> 02:22:08,010

them and it yeah it tips everything on

2970

02:22:11,720 --> 02:22:09,990

its ear I understand that but it's the

2971

02:22:13,881 --> 02:22:11,730

only thing that starts to answer these

2972

02:22:17,000 --> 02:22:13,891

questions wrong right right because this

2973

02:22:19,040 --> 02:22:17,010

was it was a peak it would had reached

2974

02:22:20,930 --> 02:22:19,050

some kind of peak I mean I think it

2975

02:22:23,030 --> 02:22:20,940

would have gone even further if it

2976

02:22:24,950 --> 02:22:23,040

hadn't been for the devastation at the

2977

02:22:27,950 --> 02:22:24,960

end of the last ice age that wiped it

2978

02:22:32,511 --> 02:22:27,960

out and threw everything back into a

2979

02:22:35,360 --> 02:22:32,521

dark age but this there had to be a lot

2980

02:22:37,850 --> 02:22:35,370

leading up to that there had to be a lot

2981

02:22:40,560 --> 02:22:37,860

that came before but one of the truisms

2982

02:22:42,620 --> 02:22:40,570

in geology is the further you go back in

2983

02:22:45,961 --> 02:22:42,630

I'm the less and less evidence there is

2984

02:22:48,810 --> 02:22:45,971

and it just gets destroyed or gets

2985

02:22:52,261 --> 02:22:48,820

buried what do you think it's gonna take

2986

02:22:55,830 --> 02:22:52,271

though I mean what is what is the one

2987

02:22:58,370 --> 02:22:55,840

thing that we would be able to show not

2988

02:23:01,020 --> 02:22:58,380

only academia Egyptologist and the

2989

02:23:03,870 --> 02:23:01,030

anthropologists and it on and on and on

2990

02:23:06,660 --> 02:23:03,880

what is it that would tip the scale so

2991

02:23:09,660 --> 02:23:06,670

they would tap out say uncle

2992

02:23:11,700 --> 02:23:09,670

we give you know there is something else

2993

02:23:14,070 --> 02:23:11,710

going on what was i I don't want to keep

2994

02:23:17,070 --> 02:23:14,080

harping on one thing but I think one

2995

02:23:20,430 --> 02:23:17,080

distinct possibility is if we did open

2996

02:23:23,011 --> 02:23:20,440

up the what appears to be an archiver

2997

02:23:26,780 --> 02:23:23,021

chamber under the Sphinx under the paws

2998

02:23:31,740 --> 02:23:26,790

of the Sphinx if it really does contain

2999

02:23:36,030 --> 02:23:31,750

records or technology or information I

3000

02:23:41,461 --> 02:23:36,040

mean that could tip the scale if we find

3001
02:23:45,030 --> 02:23:41,471
more Quebec leaked a pay type situations

3002
02:23:47,910 --> 02:23:45,040
right that could start tipping the scale

3003
02:23:51,030 --> 02:23:47,920
right now with the Sphinx and gobekli

3004
02:23:53,671 --> 02:23:51,040
tepe that conventional academics are

3005
02:23:56,160 --> 02:23:53,681
trying to sweep it under the rug as much

3006
02:23:58,261 --> 02:23:56,170
as possible oh you know it's just one

3007
02:24:00,660 --> 02:23:58,271
side it doesn't mean that much I mean

3008
02:24:02,400 --> 02:24:00,670
that's effectively what they say oh this

3009
02:24:04,530 --> 02:24:02,410
Fink's willing you know this Fink's is

3010
02:24:10,020 --> 02:24:04,540
the Sphinx and they sort of try to

3011
02:24:11,551 --> 02:24:10,030
dismiss it Scott just posted up in in

3012
02:24:13,890 --> 02:24:11,561
Twitter I think one of the best

3013
02:24:19,200 --> 02:24:13,900

questions that we have to ask today

3014

02:24:21,690 --> 02:24:19,210

which is this are we 100% sure the

3015

02:24:24,330 --> 02:24:21,700

Egyptians built these structures

3016

02:24:27,440 --> 02:24:24,340

oh well that that's something that comes

3017

02:24:33,421 --> 02:24:30,360

Egyptians it depends on how you define

3018

02:24:36,360 --> 02:24:33,431

Egyptians something that the Egyptian

3019

02:24:38,551 --> 02:24:36,370

authorities have accused me of Hamas in

3020

02:24:42,930 --> 02:24:38,561

particular is stealing a gypped history

3021

02:24:44,940 --> 02:24:42,940

from the Egyptians and I don't know who

3022

02:24:46,950 --> 02:24:44,950

built this face or carved the Sphinx

3023

02:24:49,980 --> 02:24:46,960

technically it's carved from bedrock I

3024

02:24:52,501 --> 02:24:49,990

don't know who is responsible for those

3025

02:24:54,480 --> 02:24:52,511

early structures they occur and what is

3026

02:24:57,600 --> 02:24:54,490

now Egypt so I refer to

3027

02:24:59,850 --> 02:24:57,610

miss Egyptians but who where they really

3028

02:25:03,060 --> 02:24:59,860

did they come from somewhere else and

3029

02:25:05,280 --> 02:25:03,070

invade the territory and carve them and

3030

02:25:07,590 --> 02:25:05,290

build the Sphinx is some kind of

3031

02:25:09,180 --> 02:25:07,600

monument where the indigenous I don't

3032

02:25:11,340 --> 02:25:09,190

know well it's the same thing with

3033

02:25:13,800 --> 02:25:11,350

gobekli tepe göbekli tepe is it yeah

3034

02:25:15,870 --> 02:25:13,810

exactly the same thing he's not English

3035

02:25:18,150 --> 02:25:15,880

it's not we don't know they'd been

3036

02:25:21,510 --> 02:25:18,160

living there for thousands of years or

3037

02:25:24,450 --> 02:25:21,520

they were some group that came in and

3038

02:25:30,180 --> 02:25:24,460

you know I know who I don't I know who

3039

02:25:32,030 --> 02:25:30,190

built Gobekli Tepe who the Cardassians

3040

02:25:36,540 --> 02:25:32,040

[Applause]

3041

02:25:38,190 --> 02:25:36,550

it's it's Armenian oh yeah its Armenian

3042

02:25:40,890 --> 02:25:38,200

I didn't you and I have talked about

3043

02:25:41,940 --> 02:25:40,900

that yes it's Armenian yeah I see where

3044

02:25:47,130 --> 02:25:41,950

you're coming from

3045

02:25:51,030 --> 02:25:47,140

I was thinking of the handbags if you

3046

02:25:54,480 --> 02:25:51,040

look really close the Kardashians K is on

3047

02:26:00,530 --> 02:25:54,490

the T pillar belts okay you can laugh

3048

02:26:07,170 --> 02:26:05,430

oh but Robert thank you so much and you

3049

02:26:10,650 --> 02:26:07,180

know our conversations here are always

3050

02:26:13,710 --> 02:26:10,660

the best and and please continue to do

3051
02:26:15,719 --> 02:26:13,720
everything now really quick and and of

3052
02:26:18,740 --> 02:26:15,729
course Kati is your right hand

3053
02:26:21,390 --> 02:26:18,750
she's just you just updated the website

3054
02:26:23,400 --> 02:26:21,400
steer everybody there for me what can

3055
02:26:28,110 --> 02:26:23,410
all everyone should go to the website

3056
02:26:32,070 --> 02:26:28,120
it's w w Robert Schoch and Chaka spelled

3057
02:26:35,370 --> 02:26:32,080
SCH och so W W Robert Schoch all one

3058
02:26:36,150 --> 02:26:35,380
word.com and a couple of things about it

3059
02:26:39,690 --> 02:26:36,160
Katie

3060
02:26:42,300 --> 02:26:39,700
my wife just redid the website so it has

3061
02:26:45,600 --> 02:26:42,310
a whole new look a whole new feel it's

3062
02:26:48,300 --> 02:26:45,610
now mobile device friendly if you people

3063
02:26:49,800 --> 02:26:48,310

went to it in the past they might not

3064

02:26:51,210 --> 02:26:49,810

even recognize it because there's a

3065

02:26:54,540 --> 02:26:51,220

whole new color scheme and everything

3066

02:26:54,930 --> 02:26:54,550

and I'm very proud of what she did with

3067

02:26:57,750 --> 02:26:54,940

it

3068

02:26:59,820 --> 02:26:57,760

secondly if people would like to travel

3069

02:27:02,730 --> 02:26:59,830

with me I've got a couple of Tours

3070

02:27:04,980 --> 02:27:02,740

posted to Ireland and Croatia right now

3071

02:27:07,170 --> 02:27:04,990

and look into doing something again in

3072

02:27:10,590 --> 02:27:07,180

Egypt and Turkey

3073

02:27:13,019 --> 02:27:10,600

also I mentioned an article about method

3074

02:27:16,620 --> 02:27:13,029

and the archive and the hieroglyphic

3075

02:27:18,660 --> 02:27:16,630

inscription people can go to the website

3076

02:27:22,019 --> 02:27:18,670

they can find that article it can be

3077

02:27:24,809 --> 02:27:22,029

downloaded as a PDF so it's free for

3078

02:27:26,849 --> 02:27:24,819

everyone to read and look at there's

3079

02:27:29,670 --> 02:27:26,859

links to origins of the Sphinx with

3080

02:27:32,340 --> 02:27:29,680

Robert Bauval there's links to forgotten

3081

02:27:34,650 --> 02:27:32,350

civilization the role solar outbursts in

3082

02:27:36,510 --> 02:27:34,660

our past and future the other book we

3083

02:27:39,150 --> 02:27:36,520

were talking about so I encourage

3084

02:27:41,189 --> 02:27:39,160

everyone to go explore the website so

3085

02:27:43,679 --> 02:27:41,199

solar outburst is there forgotten

3086

02:27:48,179 --> 02:27:43,689

civilization they can find that and also

3087

02:27:50,429 --> 02:27:48,189

of course things and other books are

3088

02:27:53,010 --> 02:27:50,439

printed yeah thank you so much thank you

3089

02:27:54,780 --> 02:27:53,020

so much now the next time we bring you

3090

02:27:58,380 --> 02:27:54,790

on we're gonna bring you on with jaws

3091

02:28:00,599 --> 02:27:58,390

and and we're gonna throw okay do my

3092

02:28:03,330 --> 02:28:00,609

best to Katie Robert and and be safe

3093

02:28:06,360 --> 02:28:03,340

literally thank you so much thank you

3094

02:28:08,820 --> 02:28:06,370

the best Robert Schoch I'm gonna take a

3095

02:28:11,219 --> 02:28:08,830

break right here everybody go visit

3096

02:28:12,330 --> 02:28:11,229

Robert Schoch on the links are at Jimmy

3097

02:28:14,340 --> 02:28:12,340

Church radio.com

3098

02:28:16,200 --> 02:28:14,350

this book I'm holding it up for the

3099

02:28:19,620 --> 02:28:16,210

cameras one more time origins of the

3100

02:28:22,260 --> 02:28:19,630

Sphinx is absolutely amazing co-authored

3101
02:28:25,200 --> 02:28:22,270
with Robert Bauval and will talk more

3102
02:28:26,700 --> 02:28:25,210
about this book when we have a Robert

3103
02:28:29,340 --> 02:28:26,710
Bauval on the show in a couple of weeks

3104
02:28:31,080 --> 02:28:29,350
I'll take a quick break right here again

3105
02:28:33,599 --> 02:28:31,090
thank you dr. Robert Schoch

3106
02:28:34,950 --> 02:28:33,609
always a great conversation I'll be

3107
02:28:37,080 --> 02:28:34,960
right back stay with us

3108
02:28:37,480 --> 02:28:37,090
I'm gonna open up the phone lines let's

3109
02:28:52,051 --> 02:28:37,490
go

3110
02:28:55,241 --> 02:28:52,061
[Music]

3111
02:29:00,671 --> 02:28:55,251
and you are listen to my boy Jimmy

3112
02:29:03,881 --> 02:29:00,681
Church Jimmy Church radio.com despite

3113
02:29:11,470 --> 02:29:03,891

popular opinion reading a book will not

3114

02:29:14,070 --> 02:29:11,480

make you smarter so you went to dinner

3115

02:29:17,020 --> 02:29:14,080

last night you had your favorite pasta

3116

02:29:20,531 --> 02:29:17,030

or maybe you had a heavy spicy meal in

3117

02:29:22,871 --> 02:29:20,541

the left you get the t-dot-com maybe you

3118

02:29:26,831 --> 02:29:22,881

mowed down a huge steak and your

3119

02:29:28,631 --> 02:29:26,841

plumbing is all plug get the t-dot-com

3120

02:29:31,511 --> 02:29:28,641

our super strength tea will take care of

3121

02:29:35,020 --> 02:29:31,521

your occasional it's all organic and

3122

02:29:37,511 --> 02:29:35,030

non-gmo get rid of we have so many great

3123

02:29:39,671 --> 02:29:37,521

supplements but our super tea is number

3124

02:29:40,900 --> 02:29:39,681

one get the tea calm pets get the

3125

02:29:44,020 --> 02:29:40,910

t-dot-com

3126

02:29:47,320 --> 02:29:44,030

so you love talk radio then you'll love

3127

02:29:50,140 --> 02:29:47,330

talk stream live calm talk stream live

3128

02:29:52,331 --> 02:29:50,150

is always on 24/7 with the best

3129

02:29:54,430 --> 02:29:52,341

streaming talk shows find your favorite

3130

02:29:57,220 --> 02:29:54,440

talkers and discover some new ones it's

3131

02:29:59,261 --> 02:29:57,230

free readily available online or on

3132

02:30:01,390 --> 02:29:59,271

mobile with any smartphone or tablet

3133

02:30:03,970 --> 02:30:01,400

finding your favourite talk shows all in

3134

02:30:06,850 --> 02:30:03,980

one place has gotten a whole lot easier

3135

02:30:08,741 --> 02:30:06,860

just go to talk stream live calm be sure

3136

02:30:13,301 --> 02:30:08,751

to download the free apps from Google

3137

02:30:16,031 --> 02:30:13,311

Play or the itunes app store when you

3138

02:30:18,581 --> 02:30:16,041

take the beans from Central America with

3139

02:30:21,041 --> 02:30:18,591

dashes of Indonesian and African mixed

3140

02:30:23,890 --> 02:30:21,051

in and then roasted to the dark side of

3141

02:30:27,461 --> 02:30:23,900

fade to black you create the ultimate

3142

02:30:29,940 --> 02:30:27,471

brew of Fringe introducing the fade to

3143

02:30:33,631 --> 02:30:29,950

black blend from River Moon coffee

3144

02:30:36,301 --> 02:30:33,641

yes River Moon's dark custom roast

3145

02:30:36,990 --> 02:30:36,311

was created for the love of fade to

3146

02:30:40,020 --> 02:30:37,000

black

3147

02:30:42,690 --> 02:30:40,030

the alchemy of masterful roasting and

3148

02:30:46,261 --> 02:30:42,700

smoking the beans is in every sip of

3149

02:30:49,230 --> 02:30:46,271

this full-bodied dark Java I need my

3150

02:30:51,570 --> 02:30:49,240

coffee dog deep with distinct

3151

02:30:54,301 --> 02:30:51,580

bittersweet chocolate highlights just

3152

02:30:56,730 --> 02:30:54,311

like the bunker leaning further into the

3153

02:31:00,000 --> 02:30:56,740

darkness of the roast is fade to black

3154

02:31:01,680 --> 02:31:00,010

blend from rubber moon coffee just click

3155

02:31:04,980 --> 02:31:01,690

on the banner at Jimmy Church radio.com

3156

02:31:10,040 --> 02:31:04,990

and use the promo code F to B blend for

3157

02:31:12,930 --> 02:31:10,050

15% off of your order today gobekli tepe

3158

02:31:15,390 --> 02:31:12,940

hey can we talk about something serious

3159

02:31:18,030 --> 02:31:15,400

for a minute your age getting old has

3160

02:31:20,400 --> 02:31:18,040

its perks but remember being a few years

3161

02:31:22,591 --> 02:31:20,410

younger you know your hair was thicker

3162

02:31:24,690 --> 02:31:22,601

you didn't have so many wrinkles that

3163

02:31:26,910 --> 02:31:24,700

extra weight wasn't haunting you and you

3164

02:31:29,070 --> 02:31:26,920

just felt better well we can't turn back

3165

02:31:32,070 --> 02:31:29,080

the clocks and go back 10 or 15 years

3166

02:31:34,470 --> 02:31:32,080

but you can start feeling and looking 10

3167

02:31:37,140 --> 02:31:34,480

or 15 years younger with nature's youth

3168

02:31:38,671 --> 02:31:37,150

RSF it's a doctor formulated daily

3169

02:31:40,860 --> 02:31:38,681

supplement that helps your body maintain

3170

02:31:43,680 --> 02:31:40,870

its peak performance and fight the aging

3171

02:31:45,180 --> 02:31:43,690

process imagine sleeping better looking

3172

02:31:47,790 --> 02:31:45,190

better and feeling better

3173

02:31:49,740 --> 02:31:47,800

see how nature's youth RSF has helped

3174

02:31:52,440 --> 02:31:49,750

thousands of people just like you at

3175

02:31:54,870 --> 02:31:52,450

nature's youth calm nature's youth calm

3176
02:31:56,310 --> 02:31:54,880
the holidays are coming imagine how it

3177
02:31:58,230 --> 02:31:56,320
will feel when your family and friends

3178
02:32:00,570 --> 02:31:58,240
are asking you what you did to look so

3179
02:32:02,881 --> 02:32:00,580
good your secret will be nature's youth

3180
02:32:05,460 --> 02:32:02,891
RSF it's time to start looking better

3181
02:32:07,440 --> 02:32:05,470
and feeling better learn more in order

3182
02:32:15,160 --> 02:32:07,450
your nature's use RSS at nature's youth

3183
02:32:21,420 --> 02:32:17,719
[Music]

3184
02:32:32,819 --> 02:32:21,430
it's not a lifestyle we chose we were

3185
02:32:40,410 --> 02:32:32,829
born this way k GRA radio.com this is tr

3186
02:32:43,559 --> 02:32:40,420
she research radio John yeah well this

3187
02:32:43,800 --> 02:32:43,569
concludes another episode of fade to

3188
02:32:46,050 --> 02:32:43,810

black

3189

02:32:48,449 --> 02:32:46,060

I do want to thank dr. Robert Schoch all

3190

02:32:51,420 --> 02:32:48,459

you have to do is go and click on the

3191

02:32:54,149 --> 02:32:51,430

links at Jimmy Church radio.com and they

3192

02:32:55,590 --> 02:32:54,159

are right there his new website is

3193

02:32:57,510 --> 02:32:55,600

absolutely beautiful

3194

02:33:00,090 --> 02:32:57,520

and all of his books are there his

3195

02:33:02,819 --> 02:33:00,100

articles are there go and check it out

3196

02:33:04,139 --> 02:33:02,829

tomorrow night right here Stephen Alton

3197

02:33:08,189 --> 02:33:04,149

is going to be here we're going to talk

3198

02:33:10,050 --> 02:33:08,199

about his new book undisclosed fade to

3199

02:33:13,170 --> 02:33:10,060

black cigs ecute a-- producer is Rita

3200

02:33:16,229 --> 02:33:13,180

Kumari on show is produced by Hilton Jay

3201

02:33:18,439 --> 02:33:16,239

Paul mark T Kovar thank you I j3 Rene

3202

02:33:20,729 --> 02:33:18,449

Jonas Thank You Dennis thank you Bob

3203

02:33:24,059 --> 02:33:20,739

announcers our Steve Hart or G Bhutto a

3204

02:33:27,330 --> 02:33:24,069

mark D Cove arf ad by del webmaster is

3205

02:33:30,840 --> 02:33:27,340

Drew the geek music doug aldrich intro

3206

02:33:33,559 --> 02:33:30,850

space boys space boy music.com fade to

3207

02:33:37,920 --> 02:33:33,569

black is produced by kjsurya productions

3208

kedi ra the planet this broadcast is

3209

02:33:41,910 --> 02:33:40,119

onna copyright a 2017 by fade to black

3210

02:33:44,489 --> 02:33:41,920

in the game changer network it cannot be

3211

02:33:46,019 --> 02:33:44,499

rebroadcast downloaded copy or use

3212

02:33:47,790 --> 02:33:46,029

anywhere in the known universe without

3213

02:33:49,830 --> 02:33:47,800

rim permission for fade to black of the

3214

02:33:51,779 --> 02:33:49,840

game-changer network our meals Jimmy

3215

02:33:54,630 --> 02:33:51,789

Church follow me on Twitter at Jay

3216

02:33:56,360 --> 02:33:54,640

Church radio I'll see everybody tomorrow

3217

02:34:02,460 --> 02:33:56,370

night right here

3218

02:34:04,590 --> 02:34:02,470

but until then be safe go back li tappy

3219

02:34:09,820 --> 02:34:04,600

[Applause]
