busy and I still do the the social media

56
00:03:12,590 --> 00:03:09,480
thing you know I'm wondering I mean will

57
00:03:16,790 --> 00:03:12,600
it ever get to the point where you know

58
00:03:19,220 --> 00:03:16,800
I back off of Twitter or Facebook now I

59
00:03:20,960 --> 00:03:19,230

63
00:03:30,950 --> 00:03:29,190

live on fade to black who's calling yeah

64

00:03:33,700 --> 00:03:30,960

this is Richard Doty how you doing Jimmy

65

00:03:37,190 --> 00:03:33,710

hey Richard how are you sir

66

00:03:39,320 --> 00:03:37,200

I'm doing great you sound amazing

67

00:03:41,190 --> 00:03:39,330

you sound perfectly you sound like

68

00:03:43,720 --> 00:03:41,200

you're here in the studio underground

69

00:03:50,330 --> 00:03:43,730

[Laughter]

70

00:03:53,750 --> 00:03:50,340

Richard Richard Doty okay welcome to the

71

00:03:55,670 --> 00:03:53,760

show as you well I'm gonna say this with

72

00:03:58,820 --> 00:03:55,680

you I'm completely surprised by this and

73

00:04:00,740 --> 00:03:58,830

you already know that so there you go

74

00:04:05,000 --> 00:04:00,750

but Richard you've been talked about a

75

00:04:07,600 --> 00:04:05,010

lot on this show over the years what are

76

00:04:12,410 --> 00:04:07,610

you up to these days

77

00:04:15,190 --> 00:04:12,420

well I'm I'm just working for a couple

78

00:04:21,170 --> 00:04:15,200

different producers and trying to get

79

00:04:26,720 --> 00:04:21,180

some things produced in on the air doing

80

00:04:29,210 --> 00:04:26,730

some advising mostly with a particular

81

00:04:31,640 --> 00:04:29,220

producer I can't I can't discuss who but

82

00:04:35,440 --> 00:04:31,650

and I can't discuss really the project

83

00:04:40,540 --> 00:04:35,450

both we've been working a lot in Nevada

84

00:04:41,980 --> 00:04:40,550

filming by two weeks ago we filmed

85

00:04:45,340 --> 00:04:41,990

[Music]

86

00:04:48,409 --> 00:04:45,350

through two or three days in Nevada and

87

00:04:53,770 --> 00:04:48,419

just different sites in Nevada for an

88

00:04:57,370 --> 00:04:53,780

upcoming series so Richard

89

00:05:01,570 --> 00:04:57,380

is it okay if we speak freely yes

90

00:05:05,370 --> 00:05:01,580

absolutely okay I know that I know that

91

00:05:09,450 --> 00:05:05,380

you know that I know that you know about

92

00:05:13,210 --> 00:05:09,460

about your history in the past and and

93

00:05:16,150 --> 00:05:13,220

the the information the stories and so

94

00:05:19,990 --> 00:05:16,160

forth and and video and interviews and

95

00:05:22,690 --> 00:05:20,000

and and information and and so it's been

96

00:05:26,260 --> 00:05:22,700

in the UFO community for a very very

97

00:05:31,060 --> 00:05:26,270

very long time and there are those out

98

00:05:35,560 --> 00:05:31,070

there myself included that when we go

99

00:05:37,750 --> 00:05:35,570

through your part of our history

100

00:05:41,200 --> 00:05:37,760

you know our collective history that

101
00:05:44,290 --> 00:05:41,210
there is a very disturbing part of it

102
00:05:46,750 --> 00:05:44,300
that makes us you know feel a little

103
00:05:50,650 --> 00:05:46,760
uncomfortable little dirty and myself

104
00:05:56,340 --> 00:05:50,660
included and you were you were right in

105
00:06:00,100 --> 00:05:56,350
the middle of that heated heated area

106
00:06:01,750 --> 00:06:00,110
looking back and we can we can certainly

107
00:06:05,320 --> 00:06:01,760
talk about anything that you would like

108
00:06:08,950 --> 00:06:05,330
to talk about now but today do you feel

109
00:06:11,880 --> 00:06:08,960
any any guilt or would you go back and

110
00:06:14,800 --> 00:06:11,890
change anything when it comes to

111
00:06:18,040 --> 00:06:14,810
bennewitz or the way that things went

112
00:06:19,510 --> 00:06:18,050
down or was it just your job in the Air

113
00:06:25,450 --> 00:06:19,520

Force and you were just doing what you

114

00:06:30,370 --> 00:06:25,460

were told well going back to those days

115

00:06:33,240 --> 00:06:30,380

in the 80s I had a job to do I was

116

00:06:40,060 --> 00:06:33,250

sanctioned to do certain things missions

117

00:06:42,040 --> 00:06:40,070

based on a larger plan and they were and

118

00:06:43,990 --> 00:06:42,050

first of all let me know let me say that

119

00:06:45,790 --> 00:06:44,000

I wasn't the only person involved in

120

00:06:49,750 --> 00:06:45,800

this there's a hundred and twenty-two

121

00:06:54,010 --> 00:06:49,760

other agents that were doing what I was

122

00:06:56,980 --> 00:06:54,020

doing investigating and phenomenas UFO

123

00:06:59,680 --> 00:06:56,990

sightings UFO incidents involving Air

124

00:07:01,930 --> 00:06:59,690

Force or occurring on Air Force

125

00:07:05,170 --> 00:07:01,940

installations or in the vicinity Air

126

00:07:07,629 --> 00:07:05,180

Force installations rightly and so when

127

00:07:11,170 --> 00:07:07,639

we go back to the bennewitz internet or

128

00:07:13,230 --> 00:07:11,180

bennewitz operation I did what I was

129

00:07:17,670 --> 00:07:13,240

told to do I was something it was I was

130

00:07:22,959 --> 00:07:17,680

given a mission and I did my mission but

131

00:07:28,959 --> 00:07:22,969

a lot of what what is is spread in the

132

00:07:32,320 --> 00:07:28,969

internet isn't factual they I know I I

133

00:07:35,320 --> 00:07:32,330

heard somebody on coast-to-coast some

134

00:07:38,529 --> 00:07:35,330

some months ago talking about it saying

135

00:07:42,550 --> 00:07:38,539

how I brainwashed Paul bennewitz and

136

00:07:47,379 --> 00:07:42,560

well if anyone knew Paul bennewitz he

137

00:07:51,939 --> 00:07:47,389

was a very strict down-to-earth type of

138

00:07:53,860 --> 00:07:51,949

person and he was his own personality if

139

00:07:56,439 --> 00:07:53,870

he can understand what that means he has

140

00:08:02,040 --> 00:07:56,449

as he had his own thought pattern and

141

00:08:04,390 --> 00:08:02,050

own own reason and so I couldn't have

142

00:08:07,959 --> 00:08:04,400

convinced him to do something that he

143

00:08:10,269 --> 00:08:07,969

didn't want to do I never had to

144

00:08:14,409 --> 00:08:10,279

convince him to do anything during this

145

00:08:16,480 --> 00:08:14,419

operation he he was he was convinced

146

00:08:19,329 --> 00:08:16,490

that he was in contact with

147

00:08:22,300 --> 00:08:19,339

extraterrestrials all I had to do was go

148

00:08:24,219 --> 00:08:22,310

along with what he said and we did with

149

00:08:27,459 --> 00:08:24,229

me and some others we just said you know

150

00:08:29,860 --> 00:08:27,469

Paul if you think that's an extra

151
00:08:32,800 --> 00:08:29,870
truster you have on that screen and then

152
00:08:35,939 --> 00:08:32,810
I'm gonna believe you and and and so

153
00:08:39,069 --> 00:08:35,949
that that's all we did yeah we just we

154
00:08:42,459 --> 00:08:39,079
sat back and listened to him and he

155
00:08:44,230 --> 00:08:42,469
convinced himself that what he was doing

156
00:08:46,810 --> 00:08:44,240
what he was saying the pictures a risk

157
00:08:51,610 --> 00:08:46,820
taken involved extraterrestrials and

158
00:08:53,500 --> 00:08:51,620
when years later when I sat down with

159
00:08:56,590 --> 00:08:53,510
him after this was all over with and

160
00:08:58,569 --> 00:08:56,600
told Paul Paul listen what you were

161
00:09:00,790 --> 00:08:58,579
seeing really wasn't you yeah I couldn't

162
00:09:06,759 --> 00:09:00,800
convince some otherwise he wasn't going

163
00:09:10,090 --> 00:09:06,769

to listen to me so it was really easy an

164

00:09:12,970 --> 00:09:10,100

easy operation because he he convinced

165

00:09:15,220 --> 00:09:12,980

himself to believe into it but there was

166

00:09:17,650 --> 00:09:15,230

okay let me ask you a couple of let's

167

00:09:19,830 --> 00:09:17,660

actually clear the air right you were

168

00:09:23,070 --> 00:09:19,840

there and

169

00:09:25,470 --> 00:09:23,080

not sure if it was me that was hosting

170

00:09:29,250 --> 00:09:25,480

on coast-to-coast that night I don't

171

00:09:32,220 --> 00:09:29,260

remember a converse that conversation so

172

00:09:34,890 --> 00:09:32,230

I don't know what you're referring to

173

00:09:37,140 --> 00:09:34,900

directly but certainly that has been

174

00:09:40,200 --> 00:09:37,150

mentioned a lot over the years that that

175

00:09:44,460 --> 00:09:40,210

that's what went on but but let me ask

176

00:09:46,710 --> 00:09:44,470

you this did you go into bennewitz his

177

00:09:49,190 --> 00:09:46,720

house and move his furniture around to

178

00:09:52,310 --> 00:09:49,200

mess with them did that ever happen

179

00:09:54,930 --> 00:09:52,320

that's that's absolutely false I

180

00:09:57,120 --> 00:09:54,940

wouldn't have had permission to do that

181

00:10:00,870 --> 00:09:57,130

I mean I couldn't have unless I got some

182

00:10:03,420 --> 00:10:00,880

sort of a search warrant to do that i I

183

00:10:05,760 --> 00:10:03,430

couldn't have possibly done that and I

184

00:10:08,090 --> 00:10:05,770

didn't do that did anybody in the air

185

00:10:11,070 --> 00:10:08,100

force move furniture around in his house

186

00:10:13,260 --> 00:10:11,080

not not that I know of not that I know

187

00:10:15,480 --> 00:10:13,270

of but you have to understand that there

188

00:10:18,030 --> 00:10:15,490

was another agency intimately involved

189

00:10:21,060 --> 00:10:18,040

in this and that was a national security

190

00:10:24,450 --> 00:10:21,070

agency right they didn't coordinate what

191

00:10:26,490 --> 00:10:24,460

they were doing with us and and the

192

00:10:28,860 --> 00:10:26,500

particular incident I tell people is a

193

00:10:31,290 --> 00:10:28,870

when I was I was at Paul's house myself

194

00:10:34,170 --> 00:10:31,300

and another agent by name is Steve ad

195

00:10:37,220 --> 00:10:34,180

said we were at his house one night it

196

00:10:39,840 --> 00:10:37,230

was a rainy night in Albuquerque and

197

00:10:42,570 --> 00:10:39,850

Paul said there's somebody across the

198

00:10:45,810 --> 00:10:42,580

street in that house and the corner and

199

00:10:48,090 --> 00:10:45,820

and Paul said but the house is vacant

200

00:10:50,370 --> 00:10:48,100

there shouldn't be anybody in there so

201
00:10:53,070 --> 00:10:50,380
we we watched and we could see lights

202
00:10:55,830 --> 00:10:53,080
going on over there and we could realize

203
00:10:58,800 --> 00:10:55,840
what we were seeing or were lights on a

204
00:11:03,720 --> 00:10:58,810
camera a video camera and I understand

205
00:11:07,380 --> 00:11:03,730
this is like 1983 82 83 timeframe right

206
00:11:09,930 --> 00:11:07,390
and so and so I said you know what

207
00:11:12,740 --> 00:11:09,940
somebody somebody's recording something

208
00:11:16,820 --> 00:11:12,750
over there Paul so Steve and I went out

209
00:11:20,340 --> 00:11:16,830
I'd call a Albuquerque Police Department

210
00:11:23,910 --> 00:11:20,350
officer that I knew he arrived and he's

211
00:11:26,370 --> 00:11:23,920
parked a block away and we we came up an

212
00:11:30,300 --> 00:11:26,380
alley and we saw a vehicle parked behind

213
00:11:33,700 --> 00:11:30,310

this vacant house and so we recorded a

214

00:11:35,350 --> 00:11:33,710

license number the elbe

215

00:11:37,750 --> 00:11:35,360

police officer knock down the door

216

00:11:41,670 --> 00:11:37,760

because it was locked somebody came to

217

00:11:46,990 --> 00:11:41,680

the door we identified himself with

218

00:11:49,420 --> 00:11:47,000

federal credentials as a agent and the

219

00:11:51,040 --> 00:11:49,430

Albuquerque Police Officer who's the his

220

00:11:54,040 --> 00:11:51,050

name was Darrell turned them in he said

221

00:11:55,600 --> 00:11:54,050

you guys know each other and I looked at

222

00:11:57,040 --> 00:11:55,610

his credentials and it was national

223

00:11:59,650 --> 00:11:57,050

security agency and they said what are

224

00:12:02,890 --> 00:11:59,660

you guys doing here he said we're doing

225

00:12:05,170 --> 00:12:02,900

the same thing you're doing I said well

226

00:12:06,550 --> 00:12:05,180

we need to coordinate this he said well

227

00:12:08,980 --> 00:12:06,560

you're gonna have to coordinate with our

228

00:12:12,640 --> 00:12:08,990

supervisors and he shot the door

229

00:12:14,080 --> 00:12:12,650

and I and I APD officer and knocked on

230

00:12:15,130 --> 00:12:14,090

the door again and said hey you guys

231

00:12:17,770 --> 00:12:15,140

have permission here

232

00:12:20,620 --> 00:12:17,780

he said yeah we're renting the house and

233

00:12:22,600 --> 00:12:20,630

so so that's an example of them doing

234

00:12:24,820 --> 00:12:22,610

something that wasn't coordinated with

235

00:12:28,570 --> 00:12:24,830

us we had no idea what they were doing

236

00:12:31,750 --> 00:12:28,580

the next day I contacted the NSA

237

00:12:36,520 --> 00:12:31,760

representative on on base mm-hmm and I

238

00:12:38,830 --> 00:12:36,530

had a myself and in my supervisor went

239

00:12:41,250 --> 00:12:38,840

to their office sat down and said listen

240

00:12:44,770 --> 00:12:41,260

if you guys are doing something

241

00:12:47,800 --> 00:12:44,780

regarding this operation then we need to

242

00:12:50,470 --> 00:12:47,810

know about it and the supervisor said we

243

00:12:54,820 --> 00:12:50,480

were tell you what we we can tell you

244

00:12:58,090 --> 00:12:54,830

and they did but what we knew or I

245

00:12:59,470 --> 00:12:58,100

realized that they were doing more than

246

00:13:01,240 --> 00:12:59,480

they were telling us they were doing

247

00:13:04,120 --> 00:13:01,250

what did they say that they were doing

248

00:13:05,710 --> 00:13:04,130

Richard do you remember they were and

249

00:13:09,550 --> 00:13:05,720

they were interested in his

250

00:13:12,580 --> 00:13:09,560

communications devices how he was and

251
00:13:14,470 --> 00:13:12,590
and this isn't a secret anymore but Paul

252
00:13:16,690 --> 00:13:14,480
was actually tapping I don't know how

253
00:13:19,900 --> 00:13:16,700
exactly I'm not a I'm not a scientist

254
00:13:23,670 --> 00:13:19,910
but he was tapping into a community as

255
00:13:26,890 --> 00:13:23,680
secure communications system on Kirtland

256
00:13:30,730 --> 00:13:26,900
that was operated by the National

257
00:13:33,180 --> 00:13:30,740
Security Agency I and that's one of the

258
00:13:37,770 --> 00:13:33,190
reason we started this because NSA

259
00:13:41,500 --> 00:13:37,780
tasked us with with investigating it and

260
00:13:43,960 --> 00:13:41,510
so and I'm not sure how he did it but

261
00:13:45,670 --> 00:13:43,970
they were interested to know how he was

262
00:13:47,890 --> 00:13:45,680
doing it and whether he was working with

263
00:13:50,080 --> 00:13:47,900

anyone else right

264

00:13:50,410 --> 00:13:50,090

so that's that's why they were involved

265

00:13:55,360 --> 00:13:50,420

in it

266

00:13:59,830 --> 00:13:55,370

the famous box of pictures that he had

267

00:14:03,820 --> 00:13:59,840

in his home again we're going to refer

268

00:14:06,790 --> 00:14:03,830

to urban legend here Richard that you

269

00:14:09,570 --> 00:14:06,800

saw the pictures that he was taking and

270

00:14:13,600 --> 00:14:09,580

that's that some of these pictures

271

00:14:15,880 --> 00:14:13,610

clearly showed craft on the ground with

272

00:14:18,820 --> 00:14:15,890

you know flying saw it literally that

273

00:14:22,750 --> 00:14:18,830

was the description with legs lit up

274

00:14:25,690 --> 00:14:22,760

refueling taken off at Kirtland and that

275

00:14:27,970 --> 00:14:25,700

you saw these photographs and then after

276

00:14:29,470 --> 00:14:27,980

those photographs disappeared in the Box

277

00:14:35,340 --> 00:14:29,480

disappeared what can you tell me about

278

00:14:38,920 --> 00:14:35,350

that well yeah there's there's maybe

279

00:14:42,660 --> 00:14:38,930

five percent of that accurate that most

280

00:14:48,310 --> 00:14:42,670

of its not he had he had a box of

281

00:14:51,790 --> 00:14:48,320

photograph a day actually was a a file

282

00:14:54,160 --> 00:14:51,800

box that you could lock and he kept when

283

00:14:56,320 --> 00:14:54,170

I first met Paul going back some time

284

00:14:59,970 --> 00:14:56,330

myself and Jerry Miller well over his

285

00:15:02,500 --> 00:14:59,980

residence and we were discussing his his

286

00:15:03,880 --> 00:15:02,510

computer system he had and of course

287

00:15:06,520 --> 00:15:03,890

this is back in the 80s and he had a

288

00:15:09,760 --> 00:15:06,530

pretty sophisticated computer system and

289

00:15:13,030 --> 00:15:09,770

plus all these other electrical

290

00:15:16,380 --> 00:15:13,040

devices that he had on his roof and he

291

00:15:20,500 --> 00:15:16,390

kept pointing to a box on his desk in

292

00:15:23,080 --> 00:15:20,510

his house and he said that right there

293

00:15:25,480 --> 00:15:23,090

will prove the existence of what I mean

294

00:15:27,790 --> 00:15:25,490

what I have here he kept saying that to

295

00:15:30,790 --> 00:15:27,800

us but he would never open it and show

296

00:15:33,490 --> 00:15:30,800

us eventually one day one night after

297

00:15:35,890 --> 00:15:33,500

dinner I was there with him you haven't

298

00:15:38,320 --> 00:15:35,900

dinner with him and his wife I asked

299

00:15:39,850 --> 00:15:38,330

Paul I said what about these what about

300

00:15:40,540 --> 00:15:39,860

that box you get pointing to what's in

301
00:15:44,140 --> 00:15:40,550
that box

302
00:15:44,680 --> 00:15:44,150
he said photographs I said well can I

303
00:15:48,370 --> 00:15:44,690
see it

304
00:15:50,290 --> 00:15:48,380
so he opened we went from his dining

305
00:15:53,640 --> 00:15:50,300
room table to his office he opened up

306
00:15:56,770 --> 00:15:53,650
the box and he laid out on a big table

307
00:15:59,260 --> 00:15:56,780
somewhat a conference table he said I

308
00:16:00,940 --> 00:15:59,270
want you to go to the other room and I'm

309
00:16:02,590 --> 00:16:00,950
gonna lay these out because because I

310
00:16:05,020 --> 00:16:02,600
want you to see what order I'm putting

311
00:16:06,940 --> 00:16:05,030
them in well I'm gonna eventually see it

312
00:16:08,770 --> 00:16:06,950
but I said I did what he asked me to do

313
00:16:11,050 --> 00:16:08,780

I came back and I looked at and I wasn't

314

00:16:14,020 --> 00:16:11,060

supposed to touch him but he did have he

315

00:16:17,740 --> 00:16:14,030

had I don't know how many quite a few

316

00:16:22,030 --> 00:16:17,750

I'd say maybe 50 somewhere between 45

317

00:16:25,030 --> 00:16:22,040

and 50 photographs of UFOs that were on

318

00:16:28,090 --> 00:16:25,040

the ground that were in the air that

319

00:16:31,780 --> 00:16:28,100

were flying next to aircrafts well some

320

00:16:35,610 --> 00:16:31,790

of them I recognized as as photographs

321

00:16:38,890 --> 00:16:35,620

taken somewhere else or in some other

322

00:16:41,320 --> 00:16:38,900

venue a one particular one I saw that I

323

00:16:43,720 --> 00:16:41,330

recognized immediately was a it was a

324

00:16:45,700 --> 00:16:43,730

photograph of the McMinnville Oregon

325

00:16:47,980 --> 00:16:45,710

incident I'm sure Jimmy you know about

326

00:16:49,810 --> 00:16:47,990

that of course right sometime in the

327

00:16:52,210 --> 00:16:49,820

fifties I don't remember exactly when in

328

00:16:53,650 --> 00:16:52,220

the 50s well I looked at these and I

329

00:16:56,830 --> 00:16:53,660

didn't want to embarrass him and say

330

00:16:59,920 --> 00:16:56,840

well I've seen these before so a lot of

331

00:17:04,449 --> 00:16:59,930

them were pictures that were had already

332

00:17:07,300 --> 00:17:04,459

been in in certain circuits someplace in

333

00:17:08,590 --> 00:17:07,310

magazines or some other of course we

334

00:17:10,720 --> 00:17:08,600

didn't have the internet back then so it

335

00:17:13,240 --> 00:17:10,730

hadn't been magazines or books or

336

00:17:16,439 --> 00:17:13,250

something and it looked to me like most

337

00:17:19,960 --> 00:17:16,449

of them were a picture of a picture and

338

00:17:21,730 --> 00:17:19,970

but there were some that he he dead he

339

00:17:24,840 --> 00:17:21,740

had taken and it was clear that he had

340

00:17:28,270 --> 00:17:24,850

taken him over Kirtland Air Force Base

341

00:17:30,940 --> 00:17:28,280

because of the terrain I could look at

342

00:17:33,550 --> 00:17:30,950

the Train and see it was Kirtland but he

343

00:17:37,360 --> 00:17:33,560

took pictures of things and I can't to

344

00:17:41,170 --> 00:17:37,370

this day explain what he was what he

345

00:17:43,450 --> 00:17:41,180

took a picture of in fact are we had an

346

00:17:46,030 --> 00:17:43,460

expert had some another agent who was a

347

00:17:48,340 --> 00:17:46,040

photographic specialist come in and look

348

00:17:51,130 --> 00:17:48,350

at these pictures to see to try to

349

00:17:53,410 --> 00:17:51,140

figure out what is that and when was

350

00:17:55,830 --> 00:17:53,420

that taken and he had a day yeah daytime

351

00:17:59,410 --> 00:17:55,840

so we knew when it was taken but we

352

00:18:02,620 --> 00:17:59,420

there wasn't any other record on base of

353

00:18:05,830 --> 00:18:02,630

anybody reporting a particularly ruler

354

00:18:08,170 --> 00:18:05,840

for some other craft unusual craft lying

355

00:18:10,560 --> 00:18:08,180

next to it an aircraft coming in for

356

00:18:13,630 --> 00:18:10,570

landing so you had some that were

357

00:18:15,220 --> 00:18:13,640

unexplained but most of those were

358

00:18:17,020 --> 00:18:15,230

easily explained

359

00:18:21,700 --> 00:18:17,030

that has him taking a picture of a

360

00:18:24,280 --> 00:18:21,710

picture did you again I'm referring to

361

00:18:28,060 --> 00:18:24,290

urban legend you're with me now and I

362

00:18:29,620 --> 00:18:28,070

appreciate you being here and and

363

00:18:30,789 --> 00:18:29,630

answering these questions because we

364

00:18:34,630 --> 00:18:30,799

these are things that we've always

365

00:18:38,020 --> 00:18:34,640

wanted to know did you provide Paul Ben

366

00:18:41,890 --> 00:18:38,030

of Ben awaits documents pertaining to

367

00:18:48,310 --> 00:18:41,900

the UFO subject proving the existence of

368

00:18:51,630 --> 00:18:48,320

UFOs that you created no no no what we

369

00:18:58,530 --> 00:18:51,640

what we I didn't even do it another

370

00:19:03,520 --> 00:18:58,540

agent did this and and we we took a

371

00:19:10,780 --> 00:19:03,530

particular briefing document that we had

372

00:19:13,930 --> 00:19:10,790

and we let Paul read it and it was in

373

00:19:15,940 --> 00:19:13,940

fact classified I mean the

374

00:19:19,060 --> 00:19:15,950

classification wasn't real we put a

375

00:19:21,610 --> 00:19:19,070

classification on it to convince Paul

376

00:19:24,280 --> 00:19:21,620

that what he was reading was real but I

377

00:19:26,560 --> 00:19:24,290

didn't do that I wasn't there at the

378

00:19:28,390 --> 00:19:26,570

time fact during that time period I was

379

00:19:32,310 --> 00:19:28,400

in Washington DC this is something else

380

00:19:36,340 --> 00:19:32,320

but some other people had done that now

381

00:19:41,200 --> 00:19:36,350

NSA had a long two-hour meeting with

382

00:19:44,890 --> 00:19:41,210

Paul some time towards the end of the

383

00:19:49,180 --> 00:19:44,900

operation and I'm not sure what they did

384

00:19:51,549 --> 00:19:49,190

or what they showed him I know what has

385

00:19:54,880 --> 00:19:51,559

been written and I know why you asked

386

00:19:57,789 --> 00:19:54,890

that question but I never personally

387

00:20:00,630 --> 00:19:57,799

showed him anything like that why what's

388

00:20:05,080 --> 00:20:00,640

the goal in doing something like that

389

00:20:06,640 --> 00:20:05,090

you know is it okay I'll let you answer

390

00:20:08,830 --> 00:20:06,650

that because you know I've got like

391

00:20:12,730 --> 00:20:08,840

three questions out of my right behind

392

00:20:16,380 --> 00:20:12,740

that but what's the goal in doing that

393

00:20:19,330 --> 00:20:16,390

it's spreading it's spreading something

394

00:20:20,710 --> 00:20:19,340

is spreading disinformation your that

395

00:20:22,299 --> 00:20:20,720

that's what you want to say yeah

396

00:20:27,710 --> 00:20:22,309

absolutely I agree with number percent

397

00:20:29,510 --> 00:20:27,720

but what we what we do hold on Richard

398

00:20:31,970 --> 00:20:29,520

hold on hold on hold on let's back up

399

00:20:34,549 --> 00:20:31,980

for a second you said that you showed

400

00:20:36,830 --> 00:20:34,559

him a briefing document that you changed

401
00:20:38,720 --> 00:20:36,840
the class you added a classification -

402
00:20:41,630 --> 00:20:38,730
are you saying that that briefing

403
00:20:43,310 --> 00:20:41,640
document was not that that was

404
00:20:47,120 --> 00:20:43,320
disinformation or was the briefing

405
00:20:50,779 --> 00:20:47,130
document an actual briefing document I'm

406
00:20:53,630 --> 00:20:50,789
confused document it was a it was

407
00:20:55,850 --> 00:20:53,640
disinformation it wasn't real there were

408
00:20:59,419 --> 00:20:55,860
some of the things in it probably was

409
00:21:02,060 --> 00:20:59,429
like I said I didn't I saw this later I

410
00:21:04,789 --> 00:21:02,070
I saw it in the file later that it was

411
00:21:08,140 --> 00:21:04,799
done by an another agent

412
00:21:11,120 --> 00:21:08,150
so when you say me I didn't my

413
00:21:14,930 --> 00:21:11,130

organization therefore sauce I did right

414

00:21:19,789 --> 00:21:14,940

but I didn't person I didn't create

415

00:21:22,549 --> 00:21:19,799

right what I want to do it was a fake

416

00:21:25,190 --> 00:21:22,559

document with the fake classification

417

00:21:27,200 --> 00:21:25,200

used for disinformation shown to Paul

418

00:21:29,659 --> 00:21:27,210

bennewitz you were in DC you weren't

419

00:21:35,480 --> 00:21:29,669

there when the fake document was shown

420

00:21:37,190 --> 00:21:35,490

to him now right no now now we're clear

421

00:21:39,110 --> 00:21:37,200

okay I just wanted to get that other way

422

00:21:41,120 --> 00:21:39,120

I didn't know if you see it sounded like

423

00:21:42,890 --> 00:21:41,130

you had suggested that the document was

424

00:21:44,899 --> 00:21:42,900

real you just added a top secret

425

00:21:47,659 --> 00:21:44,909

classification but that wasn't the case

426
00:21:52,610 --> 00:21:47,669
it was it was it was a fake document all

427
00:21:54,289 --> 00:21:52,620
along got it okay so it was secret it

428
00:21:54,890 --> 00:21:54,299
was secret I don't believe it was top

429
00:21:58,370 --> 00:21:54,900
secret

430
00:22:00,500 --> 00:21:58,380
I carry my as far as I can remember it

431
00:22:02,750 --> 00:22:00,510
was secret I believe it was just secret

432
00:22:07,430 --> 00:22:02,760
you know was it I think it was a one or

433
00:22:10,700 --> 00:22:07,440
two page like a summary you spent a long

434
00:22:13,370 --> 00:22:10,710
time so I I can't remember but but the

435
00:22:20,029 --> 00:22:13,380
reason we do this the reason we did that

436
00:22:22,640 --> 00:22:20,039
is if somebody was if somebody had

437
00:22:27,529 --> 00:22:22,650
gotten into some real information some

438
00:22:30,710 --> 00:22:27,539

real top-secret communications systems

439

00:22:33,590 --> 00:22:30,720

or real top secret operations that were

440

00:22:38,630 --> 00:22:33,600

occurring on Kirtland that involved some

441

00:22:41,390 --> 00:22:38,640

really highly classified projects we

442

00:22:44,450 --> 00:22:41,400

won't would want that person to think

443

00:22:49,220 --> 00:22:44,460

what they were actually seeing was UFOs

444

00:22:51,020 --> 00:22:49,230

and not real US government operations

445

00:22:53,870 --> 00:22:51,030

where they can go out and start

446

00:22:55,580 --> 00:22:53,880

spreading this out and and eventually

447

00:22:57,530 --> 00:22:55,590

during that time period of course the

448

00:23:01,070 --> 00:22:57,540

Soviets would would would end up with it

449

00:23:03,230 --> 00:23:01,080

so so it's a it's a what we don't call

450

00:23:04,400 --> 00:23:03,240

it this information called

451
00:23:05,870 --> 00:23:04,410
counterintelligence of the

452
00:23:09,020 --> 00:23:05,880
counterintelligence operation where we

453
00:23:14,300 --> 00:23:09,030
try to keep them thinking okay it's it's

454
00:23:16,250 --> 00:23:14,310
a UFO it's not really a a a I mean we

455
00:23:18,620 --> 00:23:16,260
think we want them to think it's a UFO

456
00:23:22,700 --> 00:23:18,630
and not the real operation that they

457
00:23:25,550 --> 00:23:22,710
might have accidentally got into and now

458
00:23:29,690 --> 00:23:25,560
this disinformation obviously is going

459
00:23:32,750 --> 00:23:29,700
to snowball throughout the UFO community

460
00:23:36,260 --> 00:23:32,760
too as well I mean it was that part of

461
00:23:41,150 --> 00:23:36,270
it was that part of your goal no and we

462
00:23:43,520 --> 00:23:41,160
we we didn't at that point we didn't

463
00:23:47,930 --> 00:23:43,530

look beyond Paul bennewitz the operation

464

00:23:50,840 --> 00:23:47,940

was was targeted for Paul bennewitz and

465

00:23:53,600 --> 00:23:50,850

his companies under scientific right eye

466

00:23:57,110 --> 00:23:53,610

and what where it went from there what

467

00:23:59,300 --> 00:23:57,120

wouldn't be our responsibility and let

468

00:24:01,910 --> 00:23:59,310

me tell you now what and this is no

469

00:24:06,380 --> 00:24:01,920

longer classified because it was

470

00:24:09,560 --> 00:24:06,390

Declassified some years ago what the Air

471

00:24:12,980 --> 00:24:09,570

Force was do what NSA was doing was they

472

00:24:16,100 --> 00:24:12,990

had a facility on Kirtland that was

473

00:24:18,560 --> 00:24:16,110

shooting a laser at Soviet satellites as

474

00:24:23,630 --> 00:24:18,570

it was coming over and there was a

475

00:24:26,630 --> 00:24:23,640

communication system used to to mask and

476

00:24:29,930 --> 00:24:26,640

I'm not I'm explaining as a layperson

477

00:24:32,120 --> 00:24:29,940

sure to mannequin and and Paul had

478

00:24:34,340 --> 00:24:32,130

tapped into that communication system

479

00:24:37,730 --> 00:24:34,350

and the frequencies involved in doing

480

00:24:40,940 --> 00:24:37,740

this and and what this what this elazer

481

00:24:43,190 --> 00:24:40,950

would do is is basically blind the

482

00:24:46,010 --> 00:24:43,200

Soviet satellite as it was flying over

483

00:24:49,430 --> 00:24:46,020

and they had it there and they had it

484

00:24:51,410 --> 00:24:49,440

out of area 51 and it had a couple other

485

00:24:54,320 --> 00:24:51,420

facilities and this was an experimental

486

00:24:55,130 --> 00:24:54,330

stage they didn't have an operational

487

00:24:58,490 --> 00:24:55,140

but they

488

00:25:00,800 --> 00:24:58,500

were they were doing that and so that's

489

00:25:03,850 --> 00:25:00,810

why it was highly classified back then

490

00:25:08,030 --> 00:25:03,860

so that's why we couldn't let that out

491

00:25:12,350 --> 00:25:08,040

but why not and as certainly hindsight

492

00:25:15,190 --> 00:25:12,360

is very dangerous Richard but why not

493

00:25:18,200 --> 00:25:15,200

just tell him the truth

494

00:25:20,840 --> 00:25:18,210

why not just tell them as an American

495

00:25:23,120 --> 00:25:20,850

citizen you would understand hey man you

496

00:25:25,910 --> 00:25:23,130

know Soviets we got this thing going on

497

00:25:28,490 --> 00:25:25,920

you've tapped into that it's not UFOs

498

00:25:30,860 --> 00:25:28,500

and this is very highly classified so

499

00:25:32,270 --> 00:25:30,870

just do your duty as a patriot and keep

500

00:25:35,920 --> 00:25:32,280

your mouth shut that's what's really

501
00:25:38,510 --> 00:25:35,930
going on no harm no foul

502
00:25:40,940 --> 00:25:38,520
well like you said

503
00:25:44,720 --> 00:25:40,950
hindsight's always 20/20 most of the

504
00:25:48,530 --> 00:25:44,730
time is 220 but I wasn't in a position

505
00:25:51,880 --> 00:25:48,540
to write the operations of operational

506
00:25:55,250 --> 00:25:51,890
plan this comes from a supervisor

507
00:25:57,860 --> 00:25:55,260
headquarters in Washington intelligence

508
00:26:00,650 --> 00:25:57,870
community and they they decide and what

509
00:26:02,270 --> 00:26:00,660
how they are going to conduct these

510
00:26:05,690 --> 00:26:02,280
operations and how they're going to

511
00:26:07,460 --> 00:26:05,700
target people and I'm the player and the

512
00:26:10,190 --> 00:26:07,470
bottom of the totem pole that is

513
00:26:13,820 --> 00:26:10,200

actually doing this I'm that agent in

514

00:26:17,180 --> 00:26:13,830

the field doing this so yeah it would it

515

00:26:19,940 --> 00:26:17,190

would probably as some in some instances

516

00:26:23,060 --> 00:26:19,950

that would be better to just tell them

517

00:26:24,920 --> 00:26:23,070

the truth but I didn't have the option

518

00:26:28,970 --> 00:26:24,930

of doing that might have saved a man's

519

00:26:31,190 --> 00:26:28,980

life you know again hindsight but let me

520

00:26:36,170 --> 00:26:31,200

okay now it's let's keep going I've got

521

00:26:39,950 --> 00:26:36,180

a hundred questions for you Richard Paul

522

00:26:41,930 --> 00:26:39,960

bennewitz Paul bennewitz he smoked three

523

00:26:45,760 --> 00:26:41,940

to four pack of cigarettes a day right

524

00:26:51,530 --> 00:26:48,410

continuously every time he looked at him

525

00:26:54,580 --> 00:26:51,540

he had at coca-cola he would he would

526
00:26:58,430 --> 00:26:54,590
have nodded not a can but a quart size

527
00:27:01,220 --> 00:26:58,440
so he wasn't in very good health in the

528
00:27:06,170 --> 00:27:01,230
early 80s and even when he when they

529
00:27:08,420 --> 00:27:06,180
made him stop smoking later on he you

530
00:27:09,049 --> 00:27:08,430
know his health had deteriorated because

531
00:27:14,629 --> 00:27:09,059
of

532
00:27:17,359 --> 00:27:14,639
smoking I mean I was in the room isn't

533
00:27:21,559 --> 00:27:17,369
in his hospital room when a doctor came

534
00:27:24,819 --> 00:27:21,569
in and said to him Paul you killed

535
00:27:28,969 --> 00:27:24,829
yourself over these 55 years of smoking

536
00:27:31,429 --> 00:27:28,979
there's nothing we can do about that but

537
00:27:34,399 --> 00:27:31,439
we're trying to do everything we can to

538
00:27:36,949 --> 00:27:34,409

keep your you know keep your life active

539

00:27:39,439 --> 00:27:36,959

but but but that's you know Paul wasn't

540

00:27:41,779 --> 00:27:39,449

in the best of physical condition so

541

00:27:44,359 --> 00:27:41,789

when we say might have kept him alive

542

00:27:45,709 --> 00:27:44,369

I would doubt that yeah I know he went

543

00:27:48,319 --> 00:27:45,719

in the hospital he had a nervous

544

00:27:50,269 --> 00:27:48,329

breakdown but but that would call was

545

00:27:52,549 --> 00:27:50,279

caused by a couple other factors one of

546

00:27:55,489 --> 00:27:52,559

them is a business thunder scientific

547

00:27:59,899 --> 00:27:55,499

laboratories I had lost a real big

548

00:28:04,909 --> 00:27:59,909

contract because of him Paul Paul was so

549

00:28:07,789 --> 00:28:04,919

hung up with this this UFO business that

550

00:28:10,009 --> 00:28:07,799

he neglected what he should have been

551

00:28:12,999 --> 00:28:10,019

doing in his business well of course

552

00:28:17,719 --> 00:28:13,009

Richard of course because he was shown

553

00:28:21,229 --> 00:28:17,729

documents that they were real from his

554

00:28:25,009 --> 00:28:21,239

own government and so absolutely I think

555

00:28:27,829 --> 00:28:25,019

if I cannot imagine how many people will

556

00:28:30,079 --> 00:28:27,839

be pushed over the edge you know given

557

00:28:33,529 --> 00:28:30,089

that same circumstance you know myself

558

00:28:36,559 --> 00:28:33,539

included you know that's a pretty crazy

559

00:28:38,389 --> 00:28:36,569

thing to show to somebody we always you

560

00:28:40,999 --> 00:28:38,399

know we have that question you know are

561

00:28:43,489 --> 00:28:41,009

we being visited what am I seeing in the

562

00:28:46,279 --> 00:28:43,499

sky is it is it really is it this it and

563

00:28:49,009 --> 00:28:46,289

then you know your own government says

564

00:28:50,989 --> 00:28:49,019

hey man okay you know they're real and

565

00:28:53,869 --> 00:28:50,999

we want you to come in and and work with

566

00:28:57,109 --> 00:28:53,879

us that that to somebody that may not be

567

00:29:00,079 --> 00:28:57,119

already stable is is a is a bad position

568

00:29:02,899 --> 00:29:00,089

to put somebody in I wasn't there but

569

00:29:05,989 --> 00:29:02,909

I'm just saying if I was shown documents

570

00:29:08,839 --> 00:29:05,999

and and from the government not from you

571

00:29:10,789 --> 00:29:08,849

know some ufologists right but from the

572

00:29:14,329 --> 00:29:10,799

Air Force themselves

573

00:29:17,029 --> 00:29:14,339

holy crap right well okay let me let's

574

00:29:19,909 --> 00:29:17,039

and that's my take I don't know about

575

00:29:22,110 --> 00:29:19,919

the cigarettes and and and the physical

576

00:29:23,789 --> 00:29:22,120

health and and the coca-cola but

577

00:29:29,310 --> 00:29:23,799

you're making me want to change my diet

578

00:29:33,779 --> 00:29:29,320

for sure is this Richard what about the

579

00:29:37,860 --> 00:29:33,789

the Dulce situation there again I'm

580

00:29:40,799 --> 00:29:37,870

going back to urban legend but did you

581

00:29:42,269 --> 00:29:40,809

push him in that direction as well the

582

00:29:47,990 --> 00:29:42,279

underground base yeah

583

00:29:50,610 --> 00:29:48,000

no no Paul had already prepared us

584

00:29:53,060 --> 00:29:50,620

becoming involved in this operation Paul

585

00:29:57,899 --> 00:29:53,070

had already made a number of trips to

586

00:30:00,210 --> 00:29:57,909

Dulce and he had gotten information from

587

00:30:01,889 --> 00:30:00,220

this other person and I don't really

588

00:30:03,269 --> 00:30:01,899

want to bring this other person involved

589

00:30:07,260 --> 00:30:03,279

in it but there's actually it was an

590

00:30:11,430 --> 00:30:07,270

operation never been disclosed but there

591

00:30:14,970 --> 00:30:11,440

was a an operation involving another

592

00:30:20,700 --> 00:30:14,980

person that was Paul's friend in this

593

00:30:23,130 --> 00:30:20,710

this whole business and he got Paul

594

00:30:27,720 --> 00:30:23,140

involved in a dulce incident Archuleta P

595

00:30:30,750 --> 00:30:27,730

mm-hmm excuse me Paul Paul told me one

596

00:30:34,049 --> 00:30:30,760

day when I was having a discussion with

597

00:30:36,570 --> 00:30:34,059

him he said well I know where the alien

598

00:30:40,590 --> 00:30:36,580

bases located it's happened Dulce New

599

00:30:42,090 --> 00:30:40,600

Mexico it's it Archuleta peak and I said

600

00:30:43,260 --> 00:30:42,100

well how do you know that he said

601
00:30:45,090 --> 00:30:43,270
because I've been up there and I've

602
00:30:47,310 --> 00:30:45,100
taken pictures and you know then he

603
00:30:49,590 --> 00:30:47,320
showed me every way showed me a video he

604
00:30:52,019 --> 00:30:49,600
flew over oh right maybe he took a plane

605
00:30:54,690 --> 00:30:52,029
up there yeah he did the plane up there

606
00:30:57,750 --> 00:30:54,700
right but and and he had taken some

607
00:31:00,149 --> 00:30:57,760
pictures of some things and and he

608
00:31:02,190 --> 00:31:00,159
actually him in this this other his

609
00:31:03,930 --> 00:31:02,200
colleague had camped up there overnight

610
00:31:06,299 --> 00:31:03,940
or camped near there overnight

611
00:31:08,760 --> 00:31:06,309
I believe they slept in a vehicle or

612
00:31:10,169 --> 00:31:08,770
something anyways they spent the night

613
00:31:12,539 --> 00:31:10,179

and they took some videos that were

614

00:31:14,639 --> 00:31:12,549

really out really I mean I looked at

615

00:31:17,880 --> 00:31:14,649

these videos I couldn't explain them in

616

00:31:19,500 --> 00:31:17,890

wow this is really neat so anyways I

617

00:31:22,260 --> 00:31:19,510

said the flies what picked me up there

618

00:31:24,659 --> 00:31:22,270

sometimes so we did we went up there we

619

00:31:27,630 --> 00:31:24,669

sat around we looked around we didn't we

620

00:31:30,200 --> 00:31:27,640

drove around didn't really see much but

621

00:31:34,380 --> 00:31:30,210

he pointed out where everything was that

622

00:31:35,549 --> 00:31:34,390

well a week or so later we went up there

623

00:31:37,169 --> 00:31:35,559

and we we went up there

624

00:31:40,619 --> 00:31:37,179

so we were would be up there at night

625

00:31:42,810 --> 00:31:40,629

and then we saw helicopters we saw

626
00:31:45,299 --> 00:31:42,820
helicopters we saw these strange lights

627
00:31:48,090 --> 00:31:45,309
up there and I started wondering what

628
00:31:50,549 --> 00:31:48,100
the heck was this stuff so when when we

629
00:31:52,950 --> 00:31:50,559
got back I said to Paul I said we you

630
00:31:55,519 --> 00:31:52,960
know I don't know what that is Paul III

631
00:31:58,230 --> 00:31:55,529
said but those helicopters were were

632
00:31:59,879 --> 00:31:58,240
vietnam-era helicopters I mean I know

633
00:32:03,060 --> 00:31:59,889
that they were Huey's er

634
00:32:06,419 --> 00:32:03,070
I said but and there were some I don't I

635
00:32:07,980 --> 00:32:06,429
couldn't recognise so I said but I don't

636
00:32:09,869 --> 00:32:07,990
know about those those strange lights

637
00:32:13,710 --> 00:32:09,879
and those strange beings I don't know

638
00:32:16,080 --> 00:32:13,720

what they were well I went up to Fort

639

00:32:19,440 --> 00:32:16,090

Carson Colorado a few weeks later and

640

00:32:23,310 --> 00:32:19,450

met with a special forces unit up there

641

00:32:28,200 --> 00:32:23,320

and found out that they used that area

642

00:32:30,389 --> 00:32:28,210

for military operations and I asked one

643

00:32:34,680 --> 00:32:30,399

of the pilots actually the commander he

644

00:32:37,499 --> 00:32:34,690

was also the senior pilots about these

645

00:32:41,820 --> 00:32:37,509

strange lights or strange beams he said

646

00:32:44,700 --> 00:32:41,830

well he said we have lights underground

647

00:32:46,409 --> 00:32:44,710

I mean we have these lights there in the

648

00:32:50,159 --> 00:32:46,419

building the ground that was shined up

649

00:32:52,739 --> 00:32:50,169

and they simulated different things for

650

00:32:54,629 --> 00:32:52,749

the helicopter pilots he said so we

651
00:32:56,730 --> 00:32:54,639
turned them on when Paul captured pilots

652
00:32:58,560 --> 00:32:56,740
are coming in he said so I can just

653
00:33:00,090 --> 00:32:58,570
imagine how strange they would look if

654
00:33:02,580 --> 00:33:00,100
somebody was down on the model of the

655
00:33:04,859 --> 00:33:02,590
mountain looking up so that explained to

656
00:33:08,190 --> 00:33:04,869
me what they were but I never told

657
00:33:10,409 --> 00:33:08,200
Paulie and and and Paul would would

658
00:33:12,600 --> 00:33:10,419
always tell people that there was an

659
00:33:16,950 --> 00:33:12,610
underground base in archuleta I never

660
00:33:18,930 --> 00:33:16,960
told him there was and I didn't I didn't

661
00:33:21,359 --> 00:33:18,940
ever support that because it really

662
00:33:24,090 --> 00:33:21,369
wasn't in the operational plan I mean

663
00:33:25,649 --> 00:33:24,100

that that was just something that he he

664

00:33:26,909 --> 00:33:25,659

wanted to believe in and would let me

665

00:33:30,570 --> 00:33:26,919

know if he wants to believe in it he

666

00:33:33,299 --> 00:33:30,580

believed in it but and well Richard I

667

00:33:34,710 --> 00:33:33,309

never told him there was a B right but

668

00:33:36,119 --> 00:33:34,720

you didn't tell him that there wasn't a

669

00:33:37,590 --> 00:33:36,129

base no I

670

00:33:39,749 --> 00:33:37,600

that's right I didn't tell him there

671

00:33:42,600 --> 00:33:39,759

wasn't a base did he seem at that time

672

00:33:45,149 --> 00:33:42,610

did he seem stable

673

00:33:49,740 --> 00:33:45,159

wouldn't it have maybe again hindsight

674

00:33:51,630 --> 00:33:49,750

right but to - maybe not mess with them

675

00:33:52,799 --> 00:33:51,640

at all and maybe come clean on that and

676
00:33:55,139 --> 00:33:52,809
tell them that you know these are

677
00:33:56,940 --> 00:33:55,149
special operations forces up there and I

678
00:33:58,889 --> 00:33:56,950
thought it was something strange so I

679
00:34:00,539 --> 00:33:58,899
went chat it out for myself I spoke to

680
00:34:04,380 --> 00:34:00,549
them and this is actually what's going

681
00:34:08,639 --> 00:34:04,390
on well he knew I went to Fort Carson

682
00:34:09,810 --> 00:34:08,649
because I told him that and but he he

683
00:34:13,490 --> 00:34:09,820
was under the impression that the

684
00:34:16,710 --> 00:34:13,500
government and I don't have enough time

685
00:34:20,339 --> 00:34:16,720
here I would take hours and hours to

686
00:34:23,099 --> 00:34:20,349
explain to you sure a paw told me and

687
00:34:26,460 --> 00:34:23,109
what he thought he knew and so it was

688
00:34:28,470 --> 00:34:26,470

very difficult for me to convince

689

00:34:32,750 --> 00:34:28,480

convince him otherwise so I never did

690

00:34:35,460 --> 00:34:32,760

Paul would would spend 30 minutes

691

00:34:39,149 --> 00:34:35,470

talking to me without me ever saying a

692

00:34:42,389 --> 00:34:39,159

word he was conveying to convince me

693

00:34:45,690 --> 00:34:42,399

that what he was saying was in fact

694

00:34:49,680 --> 00:34:45,700

extraterrestrial and he would go on and

695

00:34:52,500 --> 00:34:49,690

on and on and on and and I would contain

696

00:34:54,389 --> 00:34:52,510

any wise and I finally would say to him

697

00:34:58,290 --> 00:34:54,399

you know I'd make the time out sign I

698

00:35:01,650 --> 00:34:58,300

said pop I'm out I'm gonna have to step

699

00:35:04,800 --> 00:35:01,660

in here say a few words and at times I

700

00:35:07,140 --> 00:35:04,810

would try to convince him to stream back

701
00:35:08,700 --> 00:35:07,150
onto what we wanted him and and he

702
00:35:12,510 --> 00:35:08,710
wouldn't he would get off the subject

703
00:35:14,640 --> 00:35:12,520
and then years later I mean I was I was

704
00:35:17,760 --> 00:35:14,650
friends with Paul right up until he

705
00:35:19,890 --> 00:35:17,770
passed away he was my friend he would

706
00:35:22,890 --> 00:35:19,900
call me he would invite me over to his

707
00:35:24,780 --> 00:35:22,900
house my wife and it went over there we

708
00:35:29,220 --> 00:35:24,790
had dinner a number of times we were out

709
00:35:31,920 --> 00:35:29,230
to dinner and and at those times I tried

710
00:35:34,950 --> 00:35:31,930
I tried my darkness to convince Paul

711
00:35:36,839 --> 00:35:34,960
that it was but he was saying was my

712
00:35:39,690 --> 00:35:36,849
extraterrestrial I never told him it was

713
00:35:42,089 --> 00:35:39,700

you know what the the the classified

714

00:35:44,540 --> 00:35:42,099

project was but I told him Paul you

715

00:35:47,099 --> 00:35:44,550

didn't see you didn't see a

716

00:35:49,079 --> 00:35:47,109

extraterrestrials what you're seeing on

717

00:35:51,839 --> 00:35:49,089

that computer screen isn't actually a

718

00:35:54,990 --> 00:35:51,849

trust or talking to you but he couldn't

719

00:35:56,200 --> 00:35:55,000

be he wouldn't listen to me and he had a

720

00:35:58,120 --> 00:35:56,210

computer screen

721

00:36:00,310 --> 00:35:58,130

you know well I think it was a Commodore

722

00:36:02,680 --> 00:36:00,320

I think they would call Commodore is

723

00:36:04,900 --> 00:36:02,690

back then anyways he had a screen he had

724

00:36:07,839 --> 00:36:04,910

it rigged up and he had all these

725

00:36:10,000 --> 00:36:07,849

antennas on his roof and he had it he

726

00:36:13,839 --> 00:36:10,010

had actually a small microwave actually

727

00:36:15,849 --> 00:36:13,849

he we actually had FCC came and made him

728

00:36:18,849 --> 00:36:15,859

get a license for it but anyways he had

729

00:36:21,849 --> 00:36:18,859

a small portable microwave on his roof

730

00:36:24,430 --> 00:36:21,859

and he would look at the screen and it

731

00:36:27,280 --> 00:36:24,440

would be images on the screen but it

732

00:36:29,560 --> 00:36:27,290

certainly wasn't of an alien but he was

733

00:36:32,290 --> 00:36:29,570

convinced that was and I would actually

734

00:36:34,750 --> 00:36:32,300

tell him I don't see anything he said I

735

00:36:37,030 --> 00:36:34,760

see it and I can hear him and he had

736

00:36:38,740 --> 00:36:37,040

these earphones that he would put on and

737

00:36:41,050 --> 00:36:38,750

he said I can hear I'm talking they said

738

00:36:42,460 --> 00:36:41,060

what language are they speaking he said

739

00:36:43,870 --> 00:36:42,470

they're speaking their language

740

00:36:45,849 --> 00:36:43,880

I said well you don't understand their

741

00:36:48,579 --> 00:36:45,859

language do you BA he said no but I know

742

00:36:53,859 --> 00:36:48,589

that it's an intelligent language and he

743

00:36:58,240 --> 00:36:53,869

wrote a whole gosh probably a hundred

744

00:37:01,690 --> 00:36:58,250

page document they were tight they was

745

00:37:04,480 --> 00:37:01,700

typed about the alien language he wrote

746

00:37:06,460 --> 00:37:04,490

and he gave it to us when he came out

747

00:37:10,060 --> 00:37:06,470

the Kirtland to present give his

748

00:37:12,280 --> 00:37:10,070

presentation to all these generals he

749

00:37:15,099 --> 00:37:12,290

presented them with that and plus all

750

00:37:18,250 --> 00:37:15,109

these other documents that he created to

751

00:37:20,560 --> 00:37:18,260

convince try to convince them that the

752

00:37:23,710 --> 00:37:20,570

Kirtland Air Force Base was in danger of

753

00:37:26,320 --> 00:37:23,720

an alien invasion what does the Air

754

00:37:27,730 --> 00:37:26,330

Force know what is it that they are not

755

00:37:32,339 --> 00:37:27,740

telling it's not about Paul bennewitz

756

00:37:36,310 --> 00:37:32,349

about the UFO question what do they know

757

00:37:42,250 --> 00:37:36,320

well I know what I was briefed on and in

758

00:37:45,579 --> 00:37:42,260

1979 and I'm convinced I have no reason

759

00:37:48,579 --> 00:37:45,589

to think otherwise or to believe

760

00:37:51,790 --> 00:37:48,589

otherwise that we had been visited we

761

00:37:53,380 --> 00:37:51,800

have been visited Roswell was real there

762

00:37:56,800 --> 00:37:53,390

were other crash sites that were real

763

00:37:58,210 --> 00:37:56,810

and the Air Force knows the government

764

00:38:00,040 --> 00:37:58,220

knows not just the Air Force to the

765

00:38:03,870 --> 00:38:00,050

whole government knows and they have

766

00:38:08,320 --> 00:38:03,880

known and and so what I was briefed on

767

00:38:10,089 --> 00:38:08,330

was what occurred in the late forties

768

00:38:14,259 --> 00:38:10,099

and fifties now

769

00:38:16,839 --> 00:38:14,269

has happened since I got I left the the

770

00:38:18,999 --> 00:38:16,849

intelligence community in 1988 so I I

771

00:38:21,880 --> 00:38:19,009

don't know what I know a lot of people

772

00:38:23,890 --> 00:38:21,890

claimed I I'm still involved and they

773

00:38:25,450 --> 00:38:23,900

know that somebody got my records and

774

00:38:28,719 --> 00:38:25,460

found that I was recalled to active duty

775

00:38:30,309 --> 00:38:28,729

back in 1983-84 I was but it wasn't it

776

00:38:37,359 --> 00:38:30,319

am mainly with UFOs

777

00:38:41,079 --> 00:38:37,369

so I can't say it what it was didn't

778

00:38:43,450 --> 00:38:41,089

surprise me of the the the release by

779

00:38:46,210 --> 00:38:43,460

the Air Force and admission that they

780

00:38:49,719 --> 00:38:46,220

had been that of this project that they

781

00:38:53,039 --> 00:38:49,729

had for a number of years that was

782

00:38:54,999 --> 00:38:53,049

started I mean that's the that's the

783

00:38:57,219 --> 00:38:55,009

unclassified portion of it I'm

784

00:39:01,329 --> 00:38:57,229

unconvinced and I have still friends

785

00:39:04,150 --> 00:39:01,339

that are in Gaul I'm convinced that the

786

00:39:07,769 --> 00:39:04,160

Air Force still is investigating these

787

00:39:11,049 --> 00:39:07,779

things and they're still involved in

788

00:39:12,549 --> 00:39:11,059

this project how did the briefing when

789

00:39:15,489 --> 00:39:12,559

you say that you were briefed on Roswell

790

00:39:17,109 --> 00:39:15,499

in other crashes how does that happen

791

00:39:22,109 --> 00:39:17,119

where he's shown documents and

792

00:39:25,479 --> 00:39:22,119

photographs or was it verbatim no

793

00:39:29,620 --> 00:39:25,489

there's a I think there were 20 some of

794

00:39:33,069 --> 00:39:29,630

us in the room it's a special is called

795

00:39:37,900 --> 00:39:33,079

a Air Force special security office that

796

00:39:40,209 --> 00:39:37,910

you briefed in it's code word you have

797

00:39:43,079 --> 00:39:40,219

special clearances to do to get into

798

00:39:47,079 --> 00:39:43,089

this program it's a it's a briefing

799

00:39:49,029 --> 00:39:47,089

video or a film it's back in those days

800

00:39:51,130 --> 00:39:49,039

it was like a I don't know whatever 16

801
00:39:54,239 --> 00:39:51,140
millimeter or whatever they were that he

802
00:39:56,709 --> 00:39:54,249
used it was a film a film briefing

803
00:40:02,589 --> 00:39:56,719
intelligence people on this subject and

804
00:40:04,809 --> 00:40:02,599
it showed old films of the recovery of

805
00:40:08,079 --> 00:40:04,819
their Roswell craft the two crashes a

806
00:40:13,259 --> 00:40:08,089
wanted Corona New Mexico and the one

807
00:40:17,650 --> 00:40:13,269
that meant Galena that horse Mesa and

808
00:40:19,180 --> 00:40:17,660
what the air for what it is in it was in

809
00:40:21,759 --> 00:40:19,190
the prison document there's two there

810
00:40:23,940 --> 00:40:21,769
was two aliens crash the crafts that

811
00:40:25,500 --> 00:40:23,950
crashed that blinded

812
00:40:29,100 --> 00:40:25,510
and then crashed at two different

813
00:40:31,860 --> 00:40:29,110

locations one in cronin mm-hmm not lhasa

814

00:40:34,170 --> 00:40:31,870

well it was north of Roswell but near

815

00:40:40,220 --> 00:40:34,180

Corona south-southeast of Corona and

816

00:40:43,260 --> 00:40:40,230

then one the other craft crashed north

817

00:40:45,630 --> 00:40:43,270

south west the Magdalena in New Mexico

818

00:40:49,020 --> 00:40:45,640

that craft what that crash site wasn't

819

00:40:52,770 --> 00:40:49,030

found until 1949 the crash site near

820

00:40:55,650 --> 00:40:52,780

Corona was found in in 47 Brunt in the

821

00:40:57,690 --> 00:40:55,660

summer for describing the and it was one

822

00:41:01,080 --> 00:40:57,700

live alien that was found in the craft

823

00:41:03,920 --> 00:41:01,090

the crash site in Corona the one in 49

824

00:41:10,200 --> 00:41:03,930

he found bodies but they were they were

825

00:41:14,330 --> 00:41:10,210

decayed horribly so but but the crafts

826

00:41:17,070 --> 00:41:14,340

were similar in nature and so and and

827

00:41:18,930 --> 00:41:17,080

over during the investigation process

828

00:41:21,930 --> 00:41:18,940

back in those days they disfigured that

829

00:41:24,150 --> 00:41:21,940

these two graphs collided and I think it

830

00:41:26,820 --> 00:41:24,160

was an electrical storm and I know Los

831

00:41:29,250 --> 00:41:26,830

Alamos was involved in this and I think

832

00:41:31,380 --> 00:41:29,260

one of the scientists figured it

833

00:41:33,960 --> 00:41:31,390

probably was some kind of electrical

834

00:41:37,410 --> 00:41:33,970

storm that that caused it anyways and

835

00:41:40,080 --> 00:41:37,420

and then the briefing and then there's a

836

00:41:41,670 --> 00:41:40,090

colonel that gave this briefing anyone

837

00:41:44,670 --> 00:41:41,680

on to reiterate a lot of different

838

00:41:46,850 --> 00:41:44,680

things and how the the government was

839

00:41:49,800 --> 00:41:46,860

still investigating these things and and

840

00:41:52,020 --> 00:41:49,810

that there was possibly the possibility

841

00:41:56,010 --> 00:41:52,030

that they were actually trust rules

842

00:41:57,840 --> 00:41:56,020

reasoning or that that we the government

843

00:42:00,720 --> 00:41:57,850

didn't know about but they wanted to

844

00:42:03,960 --> 00:42:00,730

keep track up and when Reagan became

845

00:42:05,760 --> 00:42:03,970

president reagan was briefed on an

846

00:42:09,200 --> 00:42:05,770

incident and I don't know the full

847

00:42:15,150 --> 00:42:09,210

details of it that had occurred in

848

00:42:17,730 --> 00:42:15,160

around Washington DC and the craft was

849

00:42:19,680 --> 00:42:17,740

landed and and and I don't think this

850

00:42:22,710 --> 00:42:19,690

was ever has ever been disclosed by

851
00:42:26,400 --> 00:42:22,720
anybody but and it was I think it was an

852
00:42:28,620 --> 00:42:26,410
82 and a lot of part of 81 anyways that

853
00:42:30,570 --> 00:42:28,630
scared the government that scared the

854
00:42:34,530 --> 00:42:30,580
Air Force let's give it a CIA is scared

855
00:42:37,780 --> 00:42:34,540
FBI and it scared Reagan and Reagan then

856
00:42:40,840 --> 00:42:37,790
started another program to

857
00:42:44,140 --> 00:42:40,850
try to keep track and and and try to

858
00:42:48,100 --> 00:42:44,150
develop some kind of a system to keep

859
00:42:52,960 --> 00:42:48,110
track of everything that entered Earth's

860
00:42:54,940 --> 00:42:52,970
orbit and that was part of the Strategic

861
00:42:58,360 --> 00:42:54,950
Defense Initiative right

862
00:43:02,200 --> 00:42:58,370
did you that's fascinating stuff and I

863
00:43:04,480 --> 00:43:02,210

had never heard heard that before and

864

00:43:10,330 --> 00:43:04,490

neither has the audience I'm sure that

865

00:43:20,920 --> 00:43:10,340

this those comments will be circulating

866

00:43:26,020 --> 00:43:20,930

tomorrow around the Internet okay a

867

00:43:29,230 --> 00:43:26,030

couple of other things when the this

868

00:43:32,110 --> 00:43:29,240

this thing that happened a couple of

869

00:43:35,610 --> 00:43:32,120

months ago now it's December 16th with

870

00:43:41,020 --> 00:43:35,620

that disclosure that went into the media

871

00:43:42,850 --> 00:43:41,030

is is that part of it is that something

872

00:43:45,940 --> 00:43:42,860

that the Air Force would be involved in

873

00:43:48,040 --> 00:43:45,950

in in that type of disclosure with the

874

00:43:50,700 --> 00:43:48,050

with the gun camera footage from the

875

00:43:53,800 --> 00:43:50,710

Navy you know this is the Pentagon

876

00:43:55,810 --> 00:43:53,810

program that apparently was running that

877

00:43:57,430 --> 00:43:55,820

nobody knew about Senator Harry we're

878

00:44:01,540 --> 00:43:57,440

you know you know everything about the

879

00:44:07,690 --> 00:44:01,550

or airy read I'm sorry is that is that

880

00:44:13,120 --> 00:44:07,700

part of disinfo you know I don't think

881

00:44:16,180 --> 00:44:13,130

so I think that's probably somebody as

882

00:44:18,220 --> 00:44:16,190

an office up there that is trying to get

883

00:44:20,530 --> 00:44:18,230

out and getting the truth out a

884

00:44:23,980 --> 00:44:20,540

disclosure out and I'm all for

885

00:44:26,080 --> 00:44:23,990

disclosures I've tried and in a number

886

00:44:27,790 --> 00:44:26,090

of times and and you know people say

887

00:44:29,080 --> 00:44:27,800

well you disinformation I can't we can't

888

00:44:30,550 --> 00:44:29,090

believe anything you say well you know

889

00:44:33,490 --> 00:44:30,560

what you can't believe what I say

890

00:44:35,950 --> 00:44:33,500

because I did my job back in those days

891

00:44:40,090 --> 00:44:35,960

but I don't I'm not I'm not with the

892

00:44:43,300 --> 00:44:40,100

government anymore are they are they are

893

00:44:45,460 --> 00:44:43,310

they are you being paid by them to be on

894

00:44:51,040 --> 00:44:45,470

to call into the show and surprise me

895

00:44:56,560 --> 00:44:53,720

absolutely not well you know they're not

896

00:44:58,790 --> 00:44:56,570

being paid by the government in any way

897

00:45:01,430 --> 00:44:58,800

you know they're saying this right now

898

00:45:04,310 --> 00:45:01,440

out there they're going you know I know

899

00:45:07,280 --> 00:45:04,320

I know he can't convince people you know

900

00:45:09,530 --> 00:45:07,290

the class once told me at a UFO

901
00:45:11,330 --> 00:45:09,540
convention some years ago and I had a

902
00:45:14,840 --> 00:45:11,340
pretty good relationship with even

903
00:45:17,120 --> 00:45:14,850
though I'm calling the names and and and

904
00:45:19,790 --> 00:45:17,130
threatened to beat his butt if he was

905
00:45:22,100 --> 00:45:19,800
was a little younger but I mean and joke

906
00:45:24,140 --> 00:45:22,110
in a joking manner but Phil told me he

907
00:45:26,480 --> 00:45:24,150
said you know what I don't have to do

908
00:45:28,580 --> 00:45:26,490
anything I have just sit here the UFO

909
00:45:31,030 --> 00:45:28,590
community does more harm to themselves

910
00:45:34,640 --> 00:45:31,040
and I could ever do and that's the truth

911
00:45:40,190 --> 00:45:34,650
what well and which which takes me to

912
00:45:43,850 --> 00:45:40,200
this so let's back up a has there been

913
00:45:46,490 --> 00:45:43,860

an active disinfo campaign going on

914

00:45:48,740 --> 00:45:46,500

inside of the UFO community with other

915

00:45:53,620 --> 00:45:48,750

researchers and conferences and

916

00:45:57,500 --> 00:45:53,630

conventions around the country not not

917

00:46:00,500 --> 00:45:57,510

disinformation but what we did do and I

918

00:46:03,050 --> 00:46:00,510

was involved in this was that we planted

919

00:46:06,950 --> 00:46:03,060

or we co-opted people that were already

920

00:46:08,050 --> 00:46:06,960

involved in the UFO community such as

921

00:46:11,480 --> 00:46:08,060

Bill Moore

922

00:46:14,810 --> 00:46:11,490

that's Rob was all we could yeah we

923

00:46:17,150 --> 00:46:14,820

co-opted them to report on activities

924

00:46:20,510 --> 00:46:17,160

that are occurring within you will hug

925

00:46:22,280 --> 00:46:20,520

you groups April which was you know way

926
00:46:25,010 --> 00:46:22,290
back yeah you know you know that and

927
00:46:28,580 --> 00:46:25,020
MUFON and some of these other other

928
00:46:32,150 --> 00:46:28,590
groups we would just sometimes pay

929
00:46:35,240 --> 00:46:32,160
people to report to us what the what the

930
00:46:39,040 --> 00:46:35,250
UFO group was collecting we never ever

931
00:46:42,290 --> 00:46:39,050
in fact we were absolutely prohibited

932
00:46:45,260 --> 00:46:42,300
from providing information to these

933
00:46:49,400 --> 00:46:45,270
groups all we wanted to do was for them

934
00:46:51,410 --> 00:46:49,410
to report back to us and and we did did

935
00:46:53,740 --> 00:46:51,420
Bill Moore know from the get-go that

936
00:47:00,410 --> 00:46:53,750
that's what was going on

937
00:47:02,990 --> 00:47:00,420
no bill bill Moore was recruited he was

938
00:47:04,730 --> 00:47:03,000

involved in something entirely unrelated

939

00:47:09,140 --> 00:47:04,740
to UFOs

940

00:47:12,290 --> 00:47:09,150
bill Moore had a contact first of all

941

00:47:17,109 --> 00:47:12,300
bill Moore spoke Russian and he learned

942

00:47:22,040 --> 00:47:17,119
it in school and he had a contacts with

943

00:47:25,640 --> 00:47:22,050
Soviet researchers legitimate UFO Soviet

944

00:47:27,260 --> 00:47:25,650
researchers he had a pen pal he call it

945

00:47:30,590 --> 00:47:27,270
a pen pal but he had a contact with

946

00:47:33,770 --> 00:47:30,600
somebody inside Moscow and inside some

947

00:47:36,800 --> 00:47:33,780
Union side mosque in Moscow who who they

948

00:47:39,680 --> 00:47:36,810
corresponded with back and forth well we

949

00:47:42,980 --> 00:47:39,690
we knew about that and when we

950

00:47:47,890 --> 00:47:42,990
approached bill we wanted him to report

951
00:47:53,060 --> 00:47:47,900
to us what this scientist was saying and

952
00:47:54,740 --> 00:47:53,070
expanding that to to allow us to make

953
00:47:57,530 --> 00:47:54,750
contact with this person

954
00:48:00,890 --> 00:47:57,540
the CIA made contact that that person

955
00:48:03,859 --> 00:48:00,900
inside the Soviet Union which which

956
00:48:06,859 --> 00:48:03,869
began an operation and and we that was

957
00:48:11,390 --> 00:48:06,869
very successful and during this time

958
00:48:16,570 --> 00:48:11,400
period you know of course bill had a

959
00:48:19,700 --> 00:48:16,580
number of contacts and within a pro and

960
00:48:23,180 --> 00:48:19,710
MUFON and some other agent some of the

961
00:48:25,910 --> 00:48:23,190
UFO community right because of the the

962
00:48:30,290 --> 00:48:25,920
book he wrote on the Philadelphia

963
00:48:34,010 --> 00:48:30,300

Experiment and then Roswell with who's

964

00:48:36,349 --> 00:48:34,020

to get a Berlitz yeah yeah and so so we

965

00:48:38,930 --> 00:48:36,359

were interested and we that was this

966

00:48:40,820 --> 00:48:38,940

kind of a second thought by our

967

00:48:44,000 --> 00:48:40,830

supervisors and one we get him involved

968

00:48:46,400 --> 00:48:44,010

and get to have him reporting but you

969

00:48:48,980 --> 00:48:46,410

know on what they're doing with in empro

970

00:48:54,230 --> 00:48:48,990

and so he did because bill had a lot of

971

00:48:56,900 --> 00:48:54,240

access to April and another person that

972

00:49:00,830 --> 00:48:56,910

was very very very cooperative with us

973

00:49:05,920 --> 00:49:00,840

he wasn't my asset I didn't recruit him

974

00:49:08,060 --> 00:49:05,930

but somebody down in in Arizona out of

975

00:49:09,740 --> 00:49:08,070

davis-monthan Air Force Base when the

976

00:49:13,340 --> 00:49:09,750

OSI agents down there recruited and was

977

00:49:17,210 --> 00:49:13,350

window Stevens no window was what yeah

978

00:49:18,440 --> 00:49:17,220

absolutely women was window would at at

979

00:49:21,589 --> 00:49:18,450

the UFO condemned

980

00:49:24,620 --> 00:49:21,599

tensions window would invite certain

981

00:49:27,829 --> 00:49:24,630

people up to his room and show us things

982

00:49:31,220 --> 00:49:27,839

that he had gotten from he wouldn't tell

983

00:49:33,680 --> 00:49:31,230

us who or some footage of something that

984

00:49:36,500 --> 00:49:33,690

he had gotten from somebody would never

985

00:49:38,450 --> 00:49:36,510

ever tell us and I don't know that that

986

00:49:40,370 --> 00:49:38,460

maybe OSI knew about it because he was

987

00:49:42,800 --> 00:49:40,380

being handled by somebody down in

988

00:49:48,079 --> 00:49:42,810

Arizona and I didn't have privy to that

989

00:49:51,349 --> 00:49:48,089

information because it pretty closely

990

00:49:55,790 --> 00:49:51,359

guarded its compartmented but he would

991

00:49:57,380 --> 00:49:55,800

always show us things and and we I walk

992

00:50:01,130 --> 00:49:57,390

away scratching my head like where did

993

00:50:03,560 --> 00:50:01,140

you get that but but Linda was I mean I

994

00:50:07,599 --> 00:50:03,570

could name some others but but they were

995

00:50:09,980 --> 00:50:07,609

they were oh and we call him cooperate

996

00:50:12,260 --> 00:50:09,990

cooperating people somebody would

997

00:50:15,550 --> 00:50:12,270

cooperate with us that they might not

998

00:50:18,500 --> 00:50:15,560

have given us everything we wanted but

999

00:50:20,660 --> 00:50:18,510

and I think window had been had of

1000

00:50:23,480 --> 00:50:20,670

course been in the Air Force and and and

1001
00:50:26,690 --> 00:50:23,490
and Wendell was he could relate to him

1002
00:50:29,180 --> 00:50:26,700
as being you know a former blue Souther

1003
00:50:31,660 --> 00:50:29,190
because he was Air Force right and he

1004
00:50:37,309 --> 00:50:31,670
would you know he would be more

1005
00:50:39,980 --> 00:50:37,319
forthcoming well let's get back to

1006
00:50:41,990 --> 00:50:39,990
Wendell Stevens in in just a bit let's

1007
00:50:49,190 --> 00:50:42,000
get let's go back to Bill Moore for a

1008
00:50:52,069 --> 00:50:49,200
second did the mj-12 documents did you

1009
00:50:52,520 --> 00:50:52,079
supply those to Bill Moore absolutely

1010
00:50:54,380 --> 00:50:52,530
not

1011
00:50:57,800 --> 00:50:54,390
where did he give me that work that's

1012
00:50:59,000 --> 00:50:57,810
been proven and and and disproven by I

1013
00:51:01,880 --> 00:50:59,010

mean I went through two FBI

1014

00:51:05,470 --> 00:51:01,890

investigations on that crap and III

1015

00:51:10,339 --> 00:51:05,480

think two polygraphs it I didn't do it I

1016

00:51:15,140 --> 00:51:10,349

don't know who did I I had my suspicions

1017

00:51:19,910 --> 00:51:15,150

but I can't prove it and I don't know

1018

00:51:23,120 --> 00:51:19,920

that the government knows but but I

1019

00:51:28,160 --> 00:51:23,130

didn't bill brought it brought him to me

1020

00:51:32,000 --> 00:51:28,170

and I told bill when I when he brought

1021

00:51:34,420 --> 00:51:32,010

him to me I said Bill I don't

1022

00:51:37,760 --> 00:51:34,430

babies - he said I can't tell you that

1023

00:51:40,010 --> 00:51:37,770

well shortly after this this Jamie Shan

1024

00:51:42,740 --> 00:51:40,020

Dara shows up right and I had never I'd

1025

00:51:43,340 --> 00:51:42,750

never met him I had anything to do with

1026
00:51:46,580 --> 00:51:43,350
him

1027
00:51:49,970 --> 00:51:46,590
well Jamie had a lot of contacts within

1028
00:51:53,090 --> 00:51:49,980
dia get names he would drop names of

1029
00:51:54,770 --> 00:51:53,100
people who I knew I wouldn't I wouldn't

1030
00:51:57,650 --> 00:51:54,780
acknowledge that I knew him

1031
00:51:59,360 --> 00:51:57,660
- Jamie but he would he would start

1032
00:52:01,190 --> 00:51:59,370
naming these people and I thought well

1033
00:52:03,740 --> 00:52:01,200
did you know and I started thinking

1034
00:52:04,600 --> 00:52:03,750
maybe he's an asset or maybe he's an

1035
00:52:07,520 --> 00:52:04,610
agent

1036
00:52:08,090 --> 00:52:07,530
Jamie's hand era the TV producer yeah

1037
00:52:16,700 --> 00:52:08,100
yeah

1038
00:52:18,230 --> 00:52:16,710

he looked ass said ish no and I've tried

1039

00:52:21,350 --> 00:52:18,240

to chase him down you know we live in

1040

00:52:23,930 --> 00:52:21,360

broadcast out of Burbank and that that

1041

00:52:25,820 --> 00:52:23,940

was him in bill Moore's headquarters for

1042

00:52:27,170 --> 00:52:25,830

a number of years was right here yeah

1043

00:52:29,150 --> 00:52:27,180

right

1044

00:52:32,060 --> 00:52:29,160

I I don't I don't know if he's still

1045

00:52:34,910 --> 00:52:32,070

alive I can't find any record I'm I

1046

00:52:36,440 --> 00:52:34,920

would love to talk to he's got to be

1047

00:52:39,490 --> 00:52:36,450

getting up there in years he would be

1048

00:52:48,620 --> 00:52:39,500

probably in his mid 80s I would think

1049

00:52:53,030 --> 00:52:48,630

well in 2000 since 2005 no 2006 he was

1050

00:52:54,830 --> 00:52:53,040

alive he showed up at the that when they

1051
00:53:00,110 --> 00:52:54,840
still had a UFO conventions in Laughlin

1052
00:53:02,090 --> 00:53:00,120
he showed up there with Bill Ryan and I

1053
00:53:04,040 --> 00:53:02,100
can't think of Bill Lyons girlfriend's

1054
00:53:06,470 --> 00:53:04,050
name but and I don't know if you know

1055
00:53:09,170 --> 00:53:06,480
them but anyway Terry Hannity Kerry

1056
00:53:12,260 --> 00:53:09,180
Cassidy there we go

1057
00:53:19,160 --> 00:53:12,270
she's a character she's a collector but

1058
00:53:20,900 --> 00:53:19,170
anyway anyways he showed up and I knew I

1059
00:53:24,470 --> 00:53:20,910
may just look at him and tell that he

1060
00:53:28,910 --> 00:53:24,480
was on some kind of either prescription

1061
00:53:31,670 --> 00:53:28,920
drug or illegal drugs he he just he

1062
00:53:35,180 --> 00:53:31,680
would rant about things that happened to

1063
00:53:37,570 --> 00:53:35,190

him he had marks on his body where he

1064

00:53:41,240 --> 00:53:37,580

claimed that he'd been on a beach at

1065

00:53:43,640 --> 00:53:41,250

some beaches in California and Navy

1066

00:53:45,650 --> 00:53:43,650

SEALs landed and took him in a

1067

00:53:48,620 --> 00:53:45,660

helicopter and took him to a

1068

00:53:51,550 --> 00:53:48,630

at Cornell Coronado Island and put him

1069

00:53:55,640 --> 00:53:51,560

in a brig and beat him because he saw

1070

00:53:57,740 --> 00:53:55,650

them training aliens and so I mean

1071

00:53:59,780 --> 00:53:57,750

that's that's just one of his many many

1072

00:54:01,610 --> 00:53:59,790

stories that he would tell but that was

1073

00:54:04,700 --> 00:54:01,620

last time I saw him so I had no idea

1074

00:54:07,810 --> 00:54:04,710

where Jamie would be now today now bill

1075

00:54:10,310 --> 00:54:07,820

more for four would seem like forever

1076
00:54:13,700 --> 00:54:10,320
going around to all the conferences and

1077
00:54:16,190 --> 00:54:13,710
the radio shows and next week just wait

1078
00:54:18,350 --> 00:54:16,200
I've got a new document I've got a new

1079
00:54:20,150 --> 00:54:18,360
letter I've got a new official Air Force

1080
00:54:23,690 --> 00:54:20,160
this I've got this and and I'm going

1081
00:54:25,760 --> 00:54:23,700
forward and it did it was a weekly or

1082
00:54:28,850 --> 00:54:25,770
monthly thing with bill more did you

1083
00:54:30,920 --> 00:54:28,860
supply him with those letters and

1084
00:54:35,180 --> 00:54:30,930
documents that he kept bringing forward

1085
00:54:37,280 --> 00:54:35,190
no where was he getting them from I you

1086
00:54:43,340 --> 00:54:37,290
know what Bill did his own thing he had

1087
00:54:46,970 --> 00:54:43,350
his own contacts and Bill was on his own

1088
00:54:48,830 --> 00:54:46,980

there's a lot of times he was he called

1089

00:54:52,850 --> 00:54:48,840

me once and told me he was going to do

1090

00:54:56,480 --> 00:54:52,860

it I'm not sure if it was a television

1091

00:54:59,000 --> 00:54:56,490

or radio show a political was in Seattle

1092

00:55:01,790 --> 00:54:59,010

and that's when his car was broken into

1093

00:55:05,180 --> 00:55:01,800

and there was a number of documents

1094

00:55:07,340 --> 00:55:05,190

stolen out of his briefcase and he

1095

00:55:08,810 --> 00:55:07,350

called me and told me about this

1096

00:55:10,940 --> 00:55:08,820

incident and I said bill what the heck

1097

00:55:13,190 --> 00:55:10,950

are you doing running around that kind

1098

00:55:14,990 --> 00:55:13,200

of documents are they and he told me he

1099

00:55:16,910 --> 00:55:15,000

said well the documents were given to me

1100

00:55:19,280 --> 00:55:16,920

by some other people I said who by who

1101

00:55:20,870 --> 00:55:19,290

he said oh I can't tell you that it's a

1102

00:55:24,050 --> 00:55:20,880

bill you running around doing this stuff

1103

00:55:28,130 --> 00:55:24,060

I I suggest you not do it don't do it

1104

00:55:34,190 --> 00:55:28,140

anymore but he still did it so and and

1105

00:55:38,300 --> 00:55:34,200

later on I think probably after 86 I

1106

00:55:40,850 --> 00:55:38,310

just broke off contact with him I didn't

1107

00:55:43,400 --> 00:55:40,860

actually terminate him as a asset on

1108

00:55:47,890 --> 00:55:43,410

paper but I just didn't

1109

00:55:52,720 --> 00:55:47,900

I listed him as a non-cooperative

1110

00:55:54,740 --> 00:55:52,730

asset so I didn't really believe or

1111

00:55:55,940 --> 00:55:54,750

collect information that he was

1112

00:55:58,040 --> 00:55:55,950

supplying and I don't think he'd

1113

00:55:58,609 --> 00:55:58,050

supplied much after that what did you

1114

00:56:06,920 --> 00:55:58,619

what do

1115

00:56:09,380 --> 00:56:06,930

you supply bill bill more yes as an

1116

00:56:11,390 --> 00:56:09,390

asset he's in the UFO community he's an

1117

00:56:15,410 --> 00:56:11,400

author he's a researcher he's a public

1118

00:56:18,200 --> 00:56:15,420

speaker and doing his and author books

1119

00:56:21,259 --> 00:56:18,210

what did you supply him that was disinfo

1120

00:56:22,069 --> 00:56:21,269

I didn't have to supply me anything that

1121

00:56:24,589 --> 00:56:22,079

was just simple

1122

00:56:28,489 --> 00:56:24,599

the problem with Bill Morris he was so

1123

00:56:32,089 --> 00:56:28,499

long so much involved in the UFO UFO

1124

00:56:35,989 --> 00:56:32,099

community before I ever met him in 1980

1125

00:56:38,089 --> 00:56:35,999

or 79 wonder what was that I couldn't I

1126

00:56:40,670 --> 00:56:38,099

couldn't dissing for himself

1127

00:56:43,819 --> 00:56:40,680

bill already knew and Bill could see

1128

00:56:46,160 --> 00:56:43,829

things and he and Bill had access yeah

1129

00:56:47,980 --> 00:56:46,170

and his own sources which I didn't find

1130

00:56:50,420 --> 00:56:47,990

out until years later he had a kernel

1131

00:56:53,630 --> 00:56:50,430

that was stationed at Norton Air Force

1132

00:56:59,150 --> 00:56:53,640

Base that was OSI and I didn't find this

1133

00:57:00,859 --> 00:56:59,160

out until 2001 or so but this this Air

1134

00:57:04,489 --> 00:57:00,869

Force OSI agent was given him

1135

00:57:08,870 --> 00:57:04,499

information now whether he was using him

1136

00:57:12,049 --> 00:57:08,880

to as a NASA I don't know but I never

1137

00:57:15,859 --> 00:57:12,059

gave Bill a thing any disinformation

1138

00:57:17,839 --> 00:57:15,869

because if I woulda tried bill would

1139

00:57:19,759 --> 00:57:17,849

have doubted me he would have caught

1140

00:57:22,130 --> 00:57:19,769

said I don't want to I don't want to

1141

00:57:23,930 --> 00:57:22,140

muddy the waters I'm already good with

1142

00:57:25,910 --> 00:57:23,940

these people if I bring something in

1143

00:57:27,529 --> 00:57:25,920

that's not true and there's so many

1144

00:57:29,870 --> 00:57:27,539

other people that figure it out it's not

1145

00:57:31,759 --> 00:57:29,880

true then my credibility's down the

1146

00:57:35,210 --> 00:57:31,769

drain so so we didn't do that with Bill

1147

00:57:38,420 --> 00:57:35,220

well why did you're calling him an asset

1148

00:57:43,009 --> 00:57:38,430

though what did he do for you he

1149

00:57:45,859 --> 00:57:43,019

reported to us well I'm the Soviet thing

1150

00:57:47,870 --> 00:57:45,869

that's entirely the county espionage

1151
00:57:50,809 --> 00:57:47,880
operation that he was he was involved

1152
00:57:53,809 --> 00:57:50,819
with which I'm not even to go to details

1153
00:57:56,539 --> 00:57:53,819
on that he was doing that and plus he

1154
00:57:59,470 --> 00:57:56,549
was members of UFO group he would tell

1155
00:58:01,970 --> 00:57:59,480
us what they were doing

1156
00:58:03,559 --> 00:58:01,980
hey would they had a meeting they

1157
00:58:06,440 --> 00:58:03,569
discussed all these different sightings

1158
00:58:08,720 --> 00:58:06,450
so-and-so is in charge so so does the

1159
00:58:12,049 --> 00:58:08,730
field investigator here's the phone

1160
00:58:12,529 --> 00:58:12,059
numbers here's how many field reports

1161
00:58:14,269 --> 00:58:12,539
they did

1162
00:58:15,919 --> 00:58:14,279
and things like that that's what he

1163
00:58:20,509 --> 00:58:15,929

reported back to us and why was that

1164

00:58:22,640 --> 00:58:20,519

important to the Air Force to keep track

1165

00:58:25,729 --> 00:58:22,650

of the UFO community to keep track of

1166

00:58:29,630 --> 00:58:25,739

what they were doing because the the

1167

00:58:31,400 --> 00:58:29,640

more eyes in ears you have in the

1168

00:58:34,130 --> 00:58:31,410

intelligence community that better it's

1169

00:58:36,620 --> 00:58:34,140

going to be if you have a thousand

1170

00:58:38,479 --> 00:58:36,630

people reporting back to us on what

1171

00:58:41,209 --> 00:58:38,489

they're doing what they're seeing and

1172

00:58:43,279 --> 00:58:41,219

what's occurring in their area then

1173

00:58:44,659 --> 00:58:43,289

that's that's better for the United

1174

00:58:46,579 --> 00:58:44,669

States that's better for national

1175

00:58:50,179 --> 00:58:46,589

security because we can keep track then

1176

00:58:52,729 --> 00:58:50,189

of what's occurring now yeah ninety

1177

00:58:54,859 --> 00:58:52,739

percent of everything that Bill's

1178

00:58:59,120 --> 00:58:54,869

reporting as far as reports is that a

1179

00:59:01,699 --> 00:58:59,130

pro or or newfound was was receiving was

1180

00:59:04,099 --> 00:59:01,709

probably fully explainable because

1181

00:59:06,380 --> 00:59:04,109

remember in that time period we didn't

1182

00:59:09,589 --> 00:59:06,390

have Project Blue Book anymore

1183

00:59:15,559 --> 00:59:09,599

so we had we still weren't interested in

1184

00:59:18,380 --> 00:59:15,569

in reports and of sightings of of object

1185

00:59:21,199 --> 00:59:18,390

and and some of them could be Soviet or

1186

00:59:23,449 --> 00:59:21,209

could be hostile so that's why we were

1187

00:59:25,549 --> 00:59:23,459

doing it as part of a big plan it was

1188

00:59:27,049 --> 00:59:25,559

just not it was all over the United

1189

00:59:30,859 --> 00:59:27,059

States like all over the world we were

1190

00:59:33,890 --> 00:59:30,869

doing this trying to keep track of what

1191

00:59:38,509 --> 00:59:33,900

was occurring that we we the Air Force

1192

00:59:40,489 --> 00:59:38,519

didn't know were you there when he did

1193

00:59:43,699 --> 00:59:40,499

the you know did the speech where he

1194

00:59:47,959 --> 00:59:43,709

came clean and ran out the back door in

1195

00:59:52,519 --> 00:59:47,969

Las Vegas 1991 no I wasn't there you

1196

00:59:58,489 --> 00:59:52,529

were there but little told me Bill I met

1197

01:00:01,159 --> 00:59:58,499

bill in in Laughlin before this because

1198

01:00:03,499 --> 01:00:01,169

it was in Vegas but I bet we met in

1199

01:00:07,339 --> 01:00:03,509

Laughlin and Bill told me what he was

1200

01:00:12,829 --> 01:00:07,349

going to do and I we dropped him in

1201

01:00:14,689 --> 01:00:12,839

probably 88 or 87 or I'm not sure we

1202

01:00:16,309 --> 01:00:14,699

dropped you we just told him no more I'm

1203

01:00:19,039 --> 01:00:16,319

not gonna pay you for travel or pay you

1204

01:00:21,049 --> 01:00:19,049

for anything so it's over with and he

1205

01:00:23,899 --> 01:00:21,059

said okay and reporting on his stances

1206

01:00:26,210 --> 01:00:23,909

and then he he then I I had contact with

1207

01:00:28,720 --> 01:00:26,220

him occasionally here and there and

1208

01:00:31,900 --> 01:00:28,730

and we met in Laughlin I think it was

1209

01:00:34,400 --> 01:00:31,910

two or three days before that the Vegas

1210

01:00:38,080 --> 01:00:34,410

speech and he told me exactly what it's

1211

01:00:45,920 --> 01:00:38,090

gonna do and he said and he was he was

1212

01:00:48,710 --> 01:00:45,930

quite irritating to me of because he

1213

01:00:51,980 --> 01:00:48,720

said I'm gonna do this and nobody's

1214

01:00:55,940 --> 01:00:51,990

gonna change my mind and he gave me a

1215

01:00:57,290 --> 01:00:55,950

draft of his speech and I looked at it

1216

01:00:58,730 --> 01:00:57,300

and I said you know there's a lot of

1217

01:01:00,589 --> 01:00:58,740

things in here bill I wouldn't suggest

1218

01:01:02,690 --> 01:01:00,599

you he said I don't care what you say

1219

01:01:04,670 --> 01:01:02,700

I'm gonna do it I said fine bill you

1220

01:01:07,970 --> 01:01:04,680

know I'm not gonna stop you you want to

1221

01:01:16,160 --> 01:01:07,980

do it do it and he did how much did you

1222

01:01:21,070 --> 01:01:16,170

income how much did you pay bill more we

1223

01:01:27,650 --> 01:01:24,130

mostly we'll pay for just travel or

1224

01:01:33,970 --> 01:01:27,660

expenses but we didn't actually pay him

1225

01:01:43,880 --> 01:01:39,050

pardon - yeah yeah - always gonna sign

1226

01:01:48,200 --> 01:01:43,890

for it okay as a form and you signed for

1227

01:01:50,210 --> 01:01:48,210

it and then we he signs the IRS form -

1228

01:01:53,120 --> 01:01:50,220

so you know there's two forms he had

1229

01:01:56,150 --> 01:01:53,130

signed but it was never a lot of money I

1230

01:01:59,829 --> 01:01:56,160

mean I don't think I ever ever paid me

1231

01:02:04,250 --> 01:01:59,839

more than \$45 \$50 or something like that

1232

01:02:06,560 --> 01:02:04,260

\$30 so why do it yeah I mean I mean for

1233

01:02:09,500 --> 01:02:06,570

Bill why do it I mean I I don't I don't

1234

01:02:11,480 --> 01:02:09,510

know I and you know and today he's a

1235

01:02:13,640 --> 01:02:11,490

he's a janitor for a junior high school

1236

01:02:15,859 --> 01:02:13,650

in Pennsylvania living in a trailer you

1237

01:02:20,210 --> 01:02:15,869

know why I mean why why go down that

1238

01:02:22,250 --> 01:02:20,220

road how many others and I'm gonna

1239

01:02:24,050 --> 01:02:22,260

apologize to the network and all of our

1240

01:02:25,910 --> 01:02:24,060

sponsors I've blown through all of the

1241

01:02:28,910 --> 01:02:25,920

commercials but and I've never done this

1242

01:02:31,280 --> 01:02:28,920

before I'll pay the price for this in

1243

01:02:33,800 --> 01:02:31,290

the future okay so that those phone

1244

01:02:37,599 --> 01:02:33,810

calls are coming in tomorrow how many

1245

01:02:38,960 --> 01:02:37,609

other asses did you have in in ethology

1246

01:02:44,780 --> 01:02:38,970

there was

1247

01:02:47,690 --> 01:02:44,790

more how many others personally me

1248

01:02:50,210 --> 01:02:47,700

personally oh there I had ok let's talk

1249

01:02:51,680 --> 01:02:50,220

here well let's do you personally first

1250

01:03:02,330 --> 01:02:51,690

because that you would know that

1251

01:03:05,090 --> 01:03:02,340

directly how many I had I had three do I

1252

01:03:09,470 --> 01:03:05,100

and this was just in New Mexico area do

1253

01:03:11,690 --> 01:03:09,480

I know those three well Bill Moore being

1254

01:03:14,750 --> 01:03:11,700

one of them no I'm sorry I'm sorry I'm

1255

01:03:17,060 --> 01:03:14,760

sorry uh for bill would be one and then

1256

01:03:20,510 --> 01:03:17,070

it would be three others um one of them

1257

01:03:25,880 --> 01:03:20,520

dead one of them died many many years

1258

01:03:27,770 --> 01:03:25,890

ago and the other two are still I don't

1259

01:03:30,590 --> 01:03:27,780

know that they're involved in the UFO

1260

01:03:34,910 --> 01:03:30,600

community one was a pro and one was new

1261

01:03:36,170 --> 01:03:34,920

fun right in in the southwest area and

1262

01:03:37,910 --> 01:03:36,180

I'm not gonna disclose their names

1263

01:03:40,730 --> 01:03:37,920

nothing you don't have to you don't have

1264

01:03:43,760 --> 01:03:40,740

to okay if I don't know them and it's a

1265

01:03:47,390 --> 01:03:43,770

pro and it's MUFON and and they're older

1266

01:03:49,760 --> 01:03:47,400

now and and not involved okay now what

1267

01:03:53,150 --> 01:03:49,770

about the Air Force in general

1268

01:03:56,450 --> 01:03:53,160

did they have if you had yours certainly

1269

01:03:58,760 --> 01:03:56,460

there were others under the control of

1270

01:04:02,600 --> 01:03:58,770

the Air Force can you put a number on

1271

01:04:05,210 --> 01:04:02,610

that well you figured there was 122 Air

1272

01:04:08,720 --> 01:04:05,220

Force OSI agents that weren't involved

1273

01:04:11,270 --> 01:04:08,730

in this program there were 122 that had

1274

01:04:11,960 --> 01:04:11,280

been briefed and that's worldwide that I

1275

01:04:21,200 --> 01:04:11,970

knew of

1276

01:04:24,830 --> 01:04:21,210

out of those 122 every one of them was

1277

01:04:26,870 --> 01:04:24,840

required to have assets and up to three

1278

01:04:29,900 --> 01:04:26,880

or four so you do the math there were

1279

01:04:33,050 --> 01:04:29,910

quite a few I don't know names I don't

1280

01:04:36,260 --> 01:04:33,060

know numbers exactly now after all the

1281

01:04:42,380 --> 01:04:36,270

years but I know that I know one

1282

01:04:45,530 --> 01:04:42,390

particular asset who it was probably one

1283

01:04:49,640 --> 01:04:45,540

of the better ones was one of the senior

1284

01:04:52,400 --> 01:04:49,650

officials and April I mean that new fund

1285

01:04:52,580 --> 01:04:52,410

I think he was an a pro and MUFON but he

1286

01:05:03,770 --> 01:04:52,590

was

1287

01:05:05,450 --> 01:05:03,780

involved I knew because the agent that

1288

01:05:08,960 --> 01:05:05,460

was handling I'm always bragged about

1289

01:05:11,030 --> 01:05:08,970

how he recruited this guy and you know

1290

01:05:13,010 --> 01:05:11,040

he was one of the senior directors and

1291

01:05:15,500 --> 01:05:13,020

and he was getting all sorts of

1292

01:05:18,680 --> 01:05:15,510

information from him so I knew there was

1293

01:05:21,740 --> 01:05:18,690

some at least one senior official on our

1294

01:05:25,220 --> 01:05:21,750

side and and I understand the collecting

1295

01:05:28,280 --> 01:05:25,230

of of information from inside of these

1296

01:05:32,050 --> 01:05:28,290

organizations going out but what about

1297

01:05:35,480 --> 01:05:32,060

the the disinformation going back into

1298

01:05:40,810 --> 01:05:35,490

these organizations be it rumor be it

1299

01:05:46,850 --> 01:05:40,820

photographs documents or just stories

1300

01:05:48,260 --> 01:05:46,860

did that occur no we were specifically

1301

01:05:50,750 --> 01:05:48,270

you know that's right

1302

01:05:54,500 --> 01:05:50,760

that's some pretty strong no coming out

1303

01:05:58,940 --> 01:05:54,510

of you yeah absolutely not we were not

1304

01:06:02,150 --> 01:05:58,950

allowed we were specifically forbidden

1305

01:06:06,910 --> 01:06:02,160

to do that unless there was some type of

1306

01:06:12,770 --> 01:06:06,920

operation that specifically targeted a

1307

01:06:16,040 --> 01:06:12,780

particular incident such as if you mean

1308

01:06:18,260 --> 01:06:16,050

I'll give you an example if John Smith

1309

01:06:20,120 --> 01:06:18,270

is driving down a road and the UFO lands

1310

01:06:23,870 --> 01:06:20,130

next to him and shuts his vehicle off

1311

01:06:28,400 --> 01:06:23,880

and and the only person that has gained

1312

01:06:30,260 --> 01:06:28,410

any knowledge about this UFO was the

1313

01:06:34,220 --> 01:06:30,270

field investigator for a MUFON or a

1314

01:06:36,110 --> 01:06:34,230

parole and so they do a report and they

1315

01:06:39,590 --> 01:06:36,120

don't send it to anybody but they keep

1316

01:06:40,900 --> 01:06:39,600

it in but our asset within that a pro or

1317

01:06:44,540 --> 01:06:40,910

new find

1318

01:06:49,850 --> 01:06:44,550

gives it to us now we're gonna start an

1319

01:06:51,550 --> 01:06:49,860

investigation and now maybe we would try

1320

01:06:55,310 --> 01:06:51,560

some kind of counterintelligence

1321

01:06:58,010 --> 01:06:55,320

operation against the person not not not

1322

01:07:01,240 --> 01:06:58,020

the field investigator not the group but

1323

01:07:03,620 --> 01:07:01,250

but the person that had the encounter

1324

01:07:05,090 --> 01:07:03,630

that's the only time you would be

1325

01:07:06,620 --> 01:07:05,100

allowed to do something like that

1326

01:07:15,160 --> 01:07:06,630

does

1327

01:07:17,930 --> 01:07:15,170

assets right now inside of MUFON I I

1328

01:07:21,740 --> 01:07:17,940

left an 88 I have no idea

1329

01:07:25,100 --> 01:07:21,750

oh okay you can imagine that they do do

1330

01:07:29,840 --> 01:07:25,110

you now do you still communicate at all

1331

01:07:33,230 --> 01:07:29,850

with anybody in the Air Force OSI we

1332

01:07:36,200 --> 01:07:33,240

have a group of retired Association of

1333

01:07:38,020 --> 01:07:36,210

Retired intelligence officers and within

1334

01:07:42,470 --> 01:07:38,030

that group there's a there's another

1335

01:07:45,410 --> 01:07:42,480

smaller group that all of us had been

1336

01:07:47,750 --> 01:07:45,420

involved in that program and there

1337

01:07:49,850 --> 01:07:47,760

wasn't just OSI it was something some

1338

01:07:53,920 --> 01:07:49,860

guys have been FBI they've been briefed

1339

01:07:58,310 --> 01:07:53,930
into a dia and we have a few CIA

1340

01:07:59,990 --> 01:07:58,320
officers and we meet annually or

1341

01:08:05,600 --> 01:08:00,000
sometimes semi-annually and there's

1342

01:08:08,480 --> 01:08:05,610
there's about 52 left there's a lot more

1343

01:08:11,750 --> 01:08:08,490
years ago but they died off and and we

1344

01:08:13,730 --> 01:08:11,760
still meet and we sit and talk and none

1345

01:08:15,230 --> 01:08:13,740
of us are involved none of us have

1346

01:08:20,140 --> 01:08:15,240
security clearances anymore

1347

01:08:23,900 --> 01:08:20,150
none of us have access to anything but

1348

01:08:27,800 --> 01:08:23,910
others tell us things and we have ways

1349

01:08:31,250 --> 01:08:27,810
of obtaining information and we need and

1350

01:08:35,680 --> 01:08:31,260
we talk about it and I know that there's

1351

01:08:38,690 --> 01:08:35,690

probably a good intelligence network

1352

01:08:42,170 --> 01:08:38,700

still alive just like the way we had it

1353

01:08:44,570 --> 01:08:42,180

and maybe even better than we had it did

1354

01:08:48,710 --> 01:08:44,580

you I think you've talked about this in

1355

01:08:52,240 --> 01:08:48,720

the past but did you did you operate

1356

01:09:01,520 --> 01:08:52,250

undercover did you go to these meetings

1357

01:09:04,370 --> 01:09:01,530

as a civilian I would go to I have yes I

1358

01:09:08,599 --> 01:09:04,380

have I have I've gone through some UFO

1359

01:09:14,200 --> 01:09:08,609

conventions back in the 80s not as as

1360

01:09:24,390 --> 01:09:17,249

man do you feel strange admitting that

1361

01:09:29,410 --> 01:09:24,400

today does it feel a little dirty if I'm

1362

01:09:31,749 --> 01:09:29,420

I'm it do I feel strange air force that

1363

01:09:33,760 --> 01:09:31,759

mean what we I mean you know it's

1364

01:09:36,309 --> 01:09:33,770

clandestine it's inside of the United

1365

01:09:39,220 --> 01:09:36,319

States you're met you know you're you're

1366

01:09:43,209 --> 01:09:39,230

in the Air Force and then going to a UFO

1367

01:09:46,690 --> 01:09:43,219

convention or conference or at dresses a

1368

01:09:49,030 --> 01:09:46,700

civilian and and going in and doing that

1369

01:09:53,249 --> 01:09:49,040

on US soil you know we're not enemy

1370

01:09:57,490 --> 01:09:53,259

combatants here we're American citizens

1371

01:10:00,870 --> 01:09:57,500

well well I'm doing all I did was sit

1372

01:10:04,810 --> 01:10:00,880

and listen I did I didn't do anything

1373

01:10:08,050 --> 01:10:04,820

clandestine or undercover I mean I sat

1374

01:10:10,270 --> 01:10:08,060

there and listen to the speakers and and

1375

01:10:13,090 --> 01:10:10,280

and maybe mingled with some people and

1376

01:10:19,380 --> 01:10:13,100

listened to some some people talk or

1377

01:10:23,590 --> 01:10:19,390

something like that but legal anything

1378

01:10:26,200 --> 01:10:23,600

and and you're talking about dresses to

1379

01:10:28,300 --> 01:10:26,210

being undercover I were civilian clothes

1380

01:10:30,850 --> 01:10:28,310

the entire time I wasn't on the side

1381

01:10:31,720 --> 01:10:30,860

I mean you we didn't wear uniforms what

1382

01:10:33,190 --> 01:10:31,730

that's what I'm saying

1383

01:10:34,810 --> 01:10:33,200

well that's Richard that's what I'm

1384

01:10:37,660 --> 01:10:34,820

saying you didn't tell anybody that you

1385

01:10:40,270 --> 01:10:37,670

were in the Air Force and that you

1386

01:10:41,650 --> 01:10:40,280

worked for the OSI he didn't you know

1387

01:10:44,860 --> 01:10:41,660

you didn't disclose that at those

1388

01:10:48,220 --> 01:10:44,870

meetings either yeah now now what about

1389

01:10:50,350 --> 01:10:48,230

others I did no no I did I have I had to

1390

01:10:51,880 --> 01:10:50,360

disclose it to my supervisor in fact I

1391

01:10:54,310 --> 01:10:51,890

was directed to go that's your

1392

01:10:57,430 --> 01:10:54,320

supervisor I'm talking about the people

1393

01:11:00,130 --> 01:10:57,440

the civilians at the conferences they

1394

01:11:03,280 --> 01:11:00,140

didn't oh yeah yeah no no they didn't

1395

01:11:09,910 --> 01:11:03,290

know right right now what about those

1396

01:11:11,470 --> 01:11:09,920

other 120 122 that were in this program

1397

01:11:13,690 --> 01:11:11,480

with you in the Air Force that was

1398

01:11:15,070 --> 01:11:13,700

around the world but certainly a chunk

1399

01:11:17,320 --> 01:11:15,080

of them were inside of the United States

1400

01:11:20,770 --> 01:11:17,330

they were doing the exact same thing

1401

01:11:23,890 --> 01:11:20,780

weren't they yes that is a massive

1402

01:11:28,150 --> 01:11:23,900

infiltration massive I don't know who to

1403

01:11:32,650 --> 01:11:28,160

trust right well you know what am I

1404

01:11:35,310 --> 01:11:32,660

just it wasn't just oh s I officer Navy

1405

01:11:39,630 --> 01:11:35,320

intelligence had their own rifle right

1406

01:11:45,370 --> 01:11:39,640

yeah yeah I had a FB I had a really

1407

01:11:47,800 --> 01:11:45,380

expensive Network and and I don't know

1408

01:11:50,440 --> 01:11:47,810

about the army I know I know OSI and

1409

01:11:55,200 --> 01:11:50,450

Navy I don't know about them I can't

1410

01:11:58,690 --> 01:11:55,210

speak for the army and it's gotta be

1411

01:12:00,700 --> 01:11:58,700

well see you know as you know I speak at

1412

01:12:03,910 --> 01:12:00,710

these conferences some of them are

1413

01:12:07,030 --> 01:12:03,920

really really large you can't you can't

1414

01:12:11,760 --> 01:12:07,040

know everybody that is attending but

1415

01:12:14,740 --> 01:12:11,770

I've often suspected that there must be

1416

01:12:16,870 --> 01:12:14,750

some of them out there you don't know

1417

01:12:18,880 --> 01:12:16,880

that they could be women or men or young

1418

01:12:21,070 --> 01:12:18,890

oh you just don't know that's the first

1419

01:12:22,720 --> 01:12:21,080

thing but the second thing is these

1420

01:12:26,940 --> 01:12:22,730

presenters and these people that are

1421

01:12:29,950 --> 01:12:26,950

around me that we are friends and and

1422

01:12:33,910 --> 01:12:29,960

compatriots right but are you saying

1423

01:12:41,560 --> 01:12:33,920

that some of them may be assets because

1424

01:12:46,500 --> 01:12:41,570

that's what you did I was yes I would

1425

01:12:49,780 --> 01:12:46,510

say that every UFO group is has probably

1426

01:12:52,860 --> 01:12:49,790

assets belonging to some kind of

1427

01:12:58,510 --> 01:12:52,870

intelligence agency whether it would be

1428

01:13:00,790 --> 01:12:58,520

OSI FBI or whoever and and they're

1429

01:13:03,760 --> 01:13:00,800

reporting back what the group is doing

1430

01:13:08,170 --> 01:13:03,770

yes Ill don't know that for a fact I've

1431

01:13:10,720 --> 01:13:08,180

been out 30-some years so I can't say

1432

01:13:12,850 --> 01:13:10,730

for sure but I would I would guess it

1433

01:13:18,450 --> 01:13:12,860

probably is still happening

1434

01:13:23,140 --> 01:13:18,460

is there somebody today on the circuit

1435

01:13:32,410 --> 01:13:23,150

that you knew from back then that was an

1436

01:13:34,750 --> 01:13:32,420

asset oh yes people really that i l

1437

01:13:38,140 --> 01:13:34,760

don't need I don't I don't I need to

1438

01:13:40,360 --> 01:13:38,150

sleep tonight so I don't need names no

1439

01:13:42,070 --> 01:13:40,370

I'm not gonna tell you there are two

1440

01:13:44,290 --> 01:13:42,080

people one

1441

01:13:47,560 --> 01:13:44,300

one more prominent than the other of

1442

01:13:49,510 --> 01:13:47,570

there one is probably I don't I don't

1443

01:13:52,240 --> 01:13:49,520

have him to contract the one but the one

1444

01:13:55,870 --> 01:13:52,250

is you hear about him within the UFO

1445

01:13:58,210 --> 01:13:55,880

community now and then is involved it

1446

01:14:00,940 --> 01:13:58,220

was was an asset and probably said I

1447

01:14:04,330 --> 01:14:00,950

don't know if he still is or not and the

1448

01:14:07,390 --> 01:14:04,340

other person I I don't know but they

1449

01:14:12,160 --> 01:14:07,400

were and and I I would imagine that

1450

01:14:16,360 --> 01:14:12,170

there still are I can in fact I well the

1451

01:14:19,720 --> 01:14:16,370

last UFO convinced I was at 2010 the

1452

01:14:22,420 --> 01:14:19,730

last one window was that I pointed out

1453

01:14:25,660 --> 01:14:22,430

to window and some others in this group

1454

01:14:28,240 --> 01:14:25,670

right of who I knew in the audience that

1455

01:14:30,400 --> 01:14:28,250

were either CIA or Air Force I pointed

1456

01:14:31,840 --> 01:14:30,410

him out right there one two three and

1457

01:14:34,110 --> 01:14:31,850

there was something like six of them

1458

01:14:40,650 --> 01:14:34,120

they were scattered around the room and

1459

01:14:44,020 --> 01:14:40,660

I remember when George Knapp did his

1460

01:14:46,570 --> 01:14:44,030

Skywalker Ranch a presentation at UFO

1461

01:14:49,720 --> 01:14:46,580

convention in Laughlin and I don't

1462

01:14:52,450 --> 01:14:49,730

remember what years mm whatever five or

1463

01:15:00,550 --> 01:14:52,460

six or whatever it was I was there and

1464

01:15:03,580 --> 01:15:00,560

there were 20 20 that their intelligence

1465

01:15:12,370 --> 01:15:03,590

personnel in that room 20 and I knew

1466

01:15:16,930 --> 01:15:12,380

every single one of them the the the the

1467

01:15:21,160 --> 01:15:16,940

I just the community the UFO community

1468

01:15:22,600 --> 01:15:21,170

is so freaked out about this not for

1469

01:15:25,540 --> 01:15:22,610

about what you're saying I'm saying that

1470

01:15:27,670 --> 01:15:25,550

this could be occurring and you know

1471

01:15:29,500 --> 01:15:27,680

that this is something that you can

1472

01:15:31,510 --> 01:15:29,510

almost touch and feel when you go to

1473

01:15:34,000 --> 01:15:31,520

these conferences everybody is aware

1474

01:15:35,140 --> 01:15:34,010

they're looking for the feds right

1475

01:15:38,830 --> 01:15:35,150

they're looking for the event they're

1476
01:15:42,340 --> 01:15:38,840
looking because trust in this community

1477
01:15:45,130 --> 01:15:42,350
is is paramount Richard and you know

1478
01:15:48,240 --> 01:15:45,140
this you've done this for years trust is

1479
01:15:52,600 --> 01:15:48,250
there and everybody is suspicious and

1480
01:15:54,300 --> 01:15:52,610
and now you are saying that yes this has

1481
01:15:56,860 --> 01:15:54,310
been going on

1482
01:16:01,570 --> 01:15:56,870
the amount of numbers which you just

1483
01:16:02,440 --> 01:16:01,580
told me if every of 122 agents with four

1484
01:16:08,860 --> 01:16:02,450
assets

1485
01:16:12,010 --> 01:16:08,870
each we're looking at 500 505 lat that

1486
01:16:14,860 --> 01:16:12,020
is a big chunk of people that's a that's

1487
01:16:17,320 --> 01:16:14,870
a large number so when you go to these

1488
01:16:18,720 --> 01:16:17,330

conferences you've you don't know who to

1489

01:16:21,040 --> 01:16:18,730

trust

1490

01:16:23,620 --> 01:16:21,050

well that was back in the eighties I

1491

01:16:26,380 --> 01:16:23,630

can't speak for what how many there are

1492

01:16:28,690 --> 01:16:26,390

now but I would guess I mean just just

1493

01:16:30,250 --> 01:16:28,700

common sense tells you that the

1494

01:16:33,040 --> 01:16:30,260

government's gonna be keeping track of

1495

01:16:34,900 --> 01:16:33,050

it I mean and they're not violating any

1496

01:16:37,120 --> 01:16:34,910

laws they're just they're listening what

1497

01:16:40,560 --> 01:16:37,130

you're saying what what the speakers are

1498

01:16:44,020 --> 01:16:40,570

saying they're not they're not trying to

1499

01:16:45,880 --> 01:16:44,030

convince anybody of anything and we

1500

01:16:48,100 --> 01:16:45,890

never did we went to the conventions and

1501

01:16:50,680 --> 01:16:48,110

we were there to listen and listen to

1502

01:16:51,790 --> 01:16:50,690

what their speakers were saying and you

1503

01:16:54,400 --> 01:16:51,800

know some of them we found very

1504

01:16:56,470 --> 01:16:54,410

interesting and and then we report back

1505

01:17:00,370 --> 01:16:56,480

do a report back they hey we went to

1506

01:17:03,910 --> 01:17:00,380

this UFO convention and and and we and

1507

01:17:05,950 --> 01:17:03,920

so many this speakers spoke about this

1508

01:17:08,380 --> 01:17:05,960

this guy lectured about this so on so

1509

01:17:11,680 --> 01:17:08,390

it's also it's also and and that's it

1510

01:17:15,160 --> 01:17:11,690

that's it but we had we didn't you know

1511

01:17:16,750 --> 01:17:15,170

tap any rooms or wiretap we would be

1512

01:17:19,330 --> 01:17:16,760

prohibited from doing anything like that

1513

01:17:22,480 --> 01:17:19,340

we never did anything illegal we did we

1514

01:17:25,870 --> 01:17:22,490

just had their listened yes Ill think

1515

01:17:33,040 --> 01:17:25,880

that I think the UFO community they

1516

01:17:34,000 --> 01:17:33,050

don't have anything to hide and they

1517

01:17:37,450 --> 01:17:34,010

wouldn't have anything to lose by

1518

01:17:40,870 --> 01:17:37,460

sitting in a room with with 50

1519

01:17:44,800 --> 01:17:40,880

intelligence officers and lecturing to a

1520

01:17:45,640 --> 01:17:44,810

crowd of 5,000 with 50 in the room what

1521

01:17:48,430 --> 01:17:45,650

difference would it make

1522

01:17:50,620 --> 01:17:48,440

well but but that's that's the

1523

01:17:52,630 --> 01:17:50,630

interesting part for me when you're

1524

01:17:54,670 --> 01:17:52,640

suggesting that you know the

1525

01:17:56,020 --> 01:17:54,680

infiltration is there the assets are

1526

01:17:59,020 --> 01:17:56,030

there they're inside of the community

1527

01:18:02,830 --> 01:17:59,030

reporting back to you and the other

1528

01:18:05,140 --> 01:18:02,840

agents these are these are agents with

1529

01:18:06,670 --> 01:18:05,150

the career they're getting paid and they

1530

01:18:09,580 --> 01:18:06,680

have a job to do and the

1531

01:18:12,670 --> 01:18:09,590

these assets after hanging out at an

1532

01:18:16,150 --> 01:18:12,680

after party or this or picking up the

1533

01:18:18,160 --> 01:18:16,160

phone and calling their handler saying

1534

01:18:20,080 --> 01:18:18,170

okay this happened at the conference

1535

01:18:21,880 --> 01:18:20,090

today so-and-so said this somebody had

1536

01:18:25,360 --> 01:18:21,890

this so many had this photograph of the

1537

01:18:27,280 --> 01:18:25,370

and if that is going on that is nuts and

1538

01:18:31,330 --> 01:18:27,290

that's exactly what you're saying

1539

01:18:34,570 --> 01:18:31,340
happened right well I don't I can't say

1540

01:18:36,910 --> 01:18:34,580
that I can't say I can't speak for

1541

01:18:38,380 --> 01:18:36,920
anybody but myself I can't speak for any

1542

01:18:40,360 --> 01:18:38,390
of these other agents of what they were

1543

01:18:42,160 --> 01:18:40,370
getting or how much information they

1544

01:18:47,110 --> 01:18:42,170
were getting whether they were getting

1545

01:18:50,740 --> 01:18:47,120
documents or reports or photographs it

1546

01:18:53,230 --> 01:18:50,750
wasn't as as prevalent as you might make

1547

01:18:57,940 --> 01:18:53,240
it sound to be there there wasn't some

1548

01:19:01,270 --> 01:18:57,950
kind of a repository where were

1549

01:19:03,790 --> 01:19:01,280
thousands of pages of information coming

1550

01:19:05,400 --> 01:19:03,800
out of these UFOs groups was being filed

1551

01:19:11,170 --> 01:19:05,410

it wasn't like that

1552

01:19:15,580 --> 01:19:11,180

very very in fact bill Moore didn't give

1553

01:19:20,230 --> 01:19:15,590

a whole lot of information and or the

1554

01:19:21,850 --> 01:19:20,240

other assets I had some gave me stuff

1555

01:19:25,870 --> 01:19:21,860

that I was already printed in a

1556

01:19:28,840 --> 01:19:25,880

newspaper or a magazine or or I listened

1557

01:19:31,540 --> 01:19:28,850

to on a radio or was in a newspaper or a

1558

01:19:34,420 --> 01:19:31,550

television report so wasn't any kind of

1559

01:19:37,150 --> 01:19:34,430

Secrets that was occurring within the

1560

01:19:39,280 --> 01:19:37,160

UFO community was stuff that they all

1561

01:19:42,040 --> 01:19:39,290

would call me and say hey you know we

1562

01:19:44,260 --> 01:19:42,050

took four reports yesterday or last week

1563

01:19:47,710 --> 01:19:44,270

or last month or six months ago about

1564

01:19:49,840 --> 01:19:47,720

these sightings that occurred in in Las

1565

01:19:52,750 --> 01:19:49,850

Cruces New Mexico or Silver City or

1566

01:19:55,000 --> 01:19:52,760

wherever I would say okay

1567

01:19:57,610 --> 01:19:55,010

and I would our probably already know a

1568

01:20:00,460 --> 01:19:57,620

lot of it so I can only speak for myself

1569

01:20:03,580 --> 01:20:00,470

about what I was getting from these

1570

01:20:06,670 --> 01:20:03,590

assets okay two quick questions and I'm

1571

01:20:08,950 --> 01:20:06,680

gonna thank you in advance for for this

1572

01:20:11,890 --> 01:20:08,960

surprise visit number one number two for

1573

01:20:14,590 --> 01:20:11,900

for allowing me to drill you these

1574

01:20:16,690 --> 01:20:14,600

questions for the last hour and a half I

1575

01:20:18,760 --> 01:20:16,700

didn't expect this and and again I

1576

01:20:20,709 --> 01:20:18,770

apologize to all of our sponsors on the

1577

01:20:23,330 --> 01:20:20,719

show and the network

1578

01:20:24,950 --> 01:20:23,340

for neglecting my commercial breaks I

1579

01:20:26,750 --> 01:20:24,960

sure hope you don't get in trouble hey

1580

01:20:28,970 --> 01:20:26,760

you know what you know what Richards

1581

01:20:32,479 --> 01:20:28,980

some things have to be you know it's it

1582

01:20:39,290 --> 01:20:32,489

is what it is okay first question

1583

01:20:43,310 --> 01:20:39,300

the aviary fictitious created it was

1584

01:20:46,790 --> 01:20:43,320

created by somebody else I in fact that

1585

01:20:50,540 --> 01:20:46,800

the absolute truth is that aviary was

1586

01:20:52,370 --> 01:20:50,550

was already being circulated and I

1587

01:20:55,850 --> 01:20:52,380

didn't even know I was involved in it

1588

01:20:58,550 --> 01:20:55,860

I honestly god I did not know I was

1589

01:21:01,880 --> 01:20:58,560

involved and I can't really put a finger

1590

01:21:04,729 --> 01:21:01,890

on who started and I I thought it might

1591

01:21:08,560 --> 01:21:04,739

have been Robert Collins but he denies

1592

01:21:12,890 --> 01:21:08,570

it he says it was Jamie and era right or

1593

01:21:14,479 --> 01:21:12,900

for somebody care here but I don't know

1594

01:21:17,570 --> 01:21:14,489

I don't know who started it

1595

01:21:22,520 --> 01:21:17,580

were you involved that were involved

1596

01:21:25,850 --> 01:21:22,530

names were I mean some of them like

1597

01:21:28,060 --> 01:21:25,860

doctor help put off and dr. kik green

1598

01:21:30,590 --> 01:21:28,070

who were very good friends of mine today

1599

01:21:32,660 --> 01:21:30,600

they would call me and say what's this

1600

01:21:34,070 --> 01:21:32,670

Avery saying and I don't know what

1601

01:21:36,530 --> 01:21:34,080

you're talking about it I didn't I

1602

01:21:37,669 --> 01:21:36,540

didn't start it I don't know what so

1603

01:21:43,250 --> 01:21:37,679

somebody else started it

1604

01:21:46,899 --> 01:21:43,260

who was Falcon Falcon the real falcon

1605

01:21:52,910 --> 01:21:46,909

the real real Falcon was Richard Helms

1606

01:22:01,490 --> 01:21:52,920

really ok reaches helm was the real real

1607

01:22:06,620 --> 01:22:01,500

Falcon and to cover him I was was named

1608

01:22:09,140 --> 01:22:06,630

Falcon because Richard Helms was my very

1609

01:22:12,649 --> 01:22:09,150

very very dear friend he was a my father

1610

01:22:14,870 --> 01:22:12,659

was friends of my father's and then of

1611

01:22:16,880 --> 01:22:14,880

course I knew him from that but I became

1612

01:22:20,750 --> 01:22:16,890

friends with him right up until he

1613

01:22:26,149 --> 01:22:20,760

passed away and and and and Richard was

1614

01:22:28,879 --> 01:22:26,159

the he was the real falcon and that's

1615

01:22:31,580 --> 01:22:28,889

been that's not that's that news that

1616

01:22:34,160 --> 01:22:31,590

he's been out for some time it's it's

1617

01:22:37,280 --> 01:22:34,170

been out but I didn't I did not

1618

01:22:38,959 --> 01:22:37,290

know that you and him had that

1619

01:22:40,459 --> 01:22:38,969

relationship that I did know there are

1620

01:22:44,479 --> 01:22:40,469

rumors going on forever

1621

01:22:53,660 --> 01:22:44,489

that dick Helms was was indeed the real

1622

01:22:57,110 --> 01:22:53,670

falcon now well I've said I saw his

1623

01:22:59,780 --> 01:22:57,120

recent interviews that he did the

1624

01:23:02,419 --> 01:22:59,790

there's a documentary out the surviving

1625

01:23:03,919 --> 01:23:02,429

a head of the CIA directors right they

1626
01:23:06,470 --> 01:23:03,929
all get together and talk about the bomb

1627
01:23:10,130 --> 01:23:06,480
I don't know if I have you've seen that

1628
01:23:16,970 --> 01:23:13,220
okay you know again I want to thank you

1629
01:23:19,910 --> 01:23:16,980
I had one more question but I can't I've

1630
01:23:26,360 --> 01:23:19,920
lost it it was in front of me I had one

1631
01:23:29,479 --> 01:23:26,370
more question but Richard I again thank

1632
01:23:31,189 --> 01:23:29,489
you for calling in what we should do

1633
01:23:36,620 --> 01:23:31,199
I mean I was completely unprepared for

1634
01:23:42,200 --> 01:23:36,630
this but if you'd like you knew I was

1635
01:23:45,820 --> 01:23:42,210
calling no no no I no no no no no I got

1636
01:23:50,390 --> 01:23:45,830
a chanst I got a text to look out for

1637
01:23:53,860 --> 01:23:50,400
for numbers your last four that's what I

1638
01:23:56,630 --> 01:23:53,870

got I didn't know I had I had no idea

1639

01:23:59,120 --> 01:23:56,640

and I was told to look out for this

1640

01:24:01,010 --> 01:23:59,130

phone number so no no no absolutely not

1641

01:24:03,380 --> 01:24:01,020

which you know what and that's the

1642

01:24:06,080 --> 01:24:03,390

beauty part of this especially when it's

1643

01:24:07,790 --> 01:24:06,090

live radio if I would have known I would

1644

01:24:11,060 --> 01:24:07,800

have said Richard Odie's calling in

1645

01:24:12,650 --> 01:24:11,070

tonight and I would absolutely not I was

1646

01:24:18,709 --> 01:24:12,660

told to look out for these last four

1647

01:24:22,160 --> 01:24:18,719

digits and there you go so and again

1648

01:24:23,689 --> 01:24:22,170

thank you and let's schedule something

1649

01:24:26,390 --> 01:24:23,699

in in the future

1650

01:24:29,120 --> 01:24:26,400

what you mentioned that you're working

1651
01:24:30,010 --> 01:24:29,130
on the television show or documentary

1652
01:24:32,780 --> 01:24:30,020
what are you doing

1653
01:24:36,580 --> 01:24:32,790
it's a documentary there's gotta love

1654
01:24:41,180 --> 01:24:36,590
them I'm working on that being filmed in

1655
01:24:44,360 --> 01:24:41,190
Nevada in around area 51 any research

1656
01:24:46,160 --> 01:24:44,370
going around it Warm Springs there's

1657
01:24:47,530 --> 01:24:46,170
some things occurring out there that

1658
01:24:50,340 --> 01:24:47,540
there isn't

1659
01:24:52,480 --> 01:24:50,350
mysterious so what you're doing yeah

1660
01:24:54,040 --> 01:24:52,490
sure okay

1661
01:24:55,660 --> 01:24:54,050
all right well good luck with that oh I

1662
01:24:59,170 --> 01:24:55,670
know what my question was it was about

1663
01:25:01,210 --> 01:24:59,180

Bill Cooper it was Bill Cooper and he's

1664

01:25:05,860 --> 01:25:01,220

somebody that I respect he's one of the

1665

01:25:12,340 --> 01:25:05,870

reasons why I do radio today but was he

1666

01:25:15,160 --> 01:25:12,350

an asset no we're not mine okay oh not

1667

01:25:16,690 --> 01:25:15,170

yours so you don't know no no I don't

1668

01:25:19,660 --> 01:25:16,700

know I don't know that it was I don't

1669

01:25:23,440 --> 01:25:19,670

know I have no idea what he was we're

1670

01:25:26,590 --> 01:25:23,450

there okay and was there any influence

1671

01:25:29,710 --> 01:25:26,600

in the media other show hosts or

1672

01:25:35,050 --> 01:25:29,720

television through through the air force

1673

01:25:36,340 --> 01:25:35,060

of the Pentagon on the UFO subject that

1674

01:25:41,200 --> 01:25:36,350

that I was involved with

1675

01:25:43,810 --> 01:25:41,210

I better not answer that what I know is

1676

01:25:47,490 --> 01:25:43,820

I'd better not answer it so the answer

1677

01:25:49,330 --> 01:25:47,500

is yes Oh otherwise you would say no

1678

01:25:52,690 --> 01:25:49,340

okay fair enough

1679

01:25:54,030 --> 01:25:52,700

oh are you under any security agreements

1680

01:26:03,390 --> 01:25:54,040

right now with the Air Force

1681

01:26:14,500 --> 01:26:03,400

no now mine did mine ended in 20 2008

1682

01:26:18,280 --> 01:26:14,510

yeah 2008 2008 and 2008 and well so

1683

01:26:23,320 --> 01:26:18,290

you're retired are you are you receiving

1684

01:26:26,050 --> 01:26:23,330

a retirement pay I'm receiving a young

1685

01:26:28,570 --> 01:26:26,060

saving no it's okay my dad my dad

1686

01:26:30,400 --> 01:26:28,580

retired after 33 years he's getting paid

1687

01:26:33,700 --> 01:26:30,410

I'm so that's why I'm asking

1688

01:26:38,620 --> 01:26:33,710

yeah are you yeah are yes absolutely

1689

01:26:41,110 --> 01:26:38,630

okay are you in jeopardy of though of

1690

01:26:44,500 --> 01:26:41,120

your retirement pay by speaking about

1691

01:26:48,460 --> 01:26:44,510

this kind of stuff on this show yeah

1692

01:26:50,560 --> 01:26:48,470

so you're free to talk no well there are

1693

01:26:52,720 --> 01:26:50,570

things that I won't talk about I mean

1694

01:26:54,970 --> 01:26:52,730

there are things that I did that are

1695

01:26:56,500 --> 01:26:54,980

still probably classified I'm not going

1696

01:26:58,870 --> 01:26:56,510

to talk about it would you talk the

1697

01:27:01,020 --> 01:26:58,880

things that I know that are secretive or

1698

01:27:03,660 --> 01:27:01,030

top-secret or cold word or

1699

01:27:05,970 --> 01:27:03,670

they're very sensitive I'm not going to

1700

01:27:08,700 --> 01:27:05,980

talk about it just talking that I've

1701

01:27:10,170 --> 01:27:08,710

already been on the press I I'm not

1702

01:27:12,450 --> 01:27:10,180

afraid to talk about it would you talk

1703

01:27:19,920 --> 01:27:12,460

to me about it in person or off of the

1704

01:27:25,260 --> 01:27:19,930

air about anything and supposed to say

1705

01:27:27,090 --> 01:27:25,270

yes well no one would be - did we depend

1706

01:27:30,780 --> 01:27:27,100

on the dinner and I don't play around

1707

01:27:34,200 --> 01:27:30,790

when I take somebody out to dinner I bet

1708

01:27:37,560 --> 01:27:34,210

I can promise that - yeah I like seafood

1709

01:27:39,900 --> 01:27:37,570

there you go Richard Doty thank you for

1710

01:27:41,940 --> 01:27:39,910

the surprise call and let's do this

1711

01:27:44,870 --> 01:27:41,950

again and we'll plan it out and we'll

1712

01:27:50,040 --> 01:27:44,880

actually have some structure to it okay

1713

01:27:54,000 --> 01:27:50,050

okay thank you Richard you too you too

1714

01:27:54,870 --> 01:27:54,010

well there you go yes I was completely

1715

01:27:59,970 --> 01:27:54,880

caught by surprise

1716

01:28:02,840 --> 01:27:59,980

and and I think that if anybody here at

1717

01:28:05,640 --> 01:28:02,850

fade to black knew about this in advance

1718

01:28:08,510 --> 01:28:05,650

they are enjoying themselves knowing

1719

01:28:10,800 --> 01:28:08,520

that I was caught completely by surprise

1720

01:28:15,090 --> 01:28:10,810

with that I was told to look out for

1721

01:28:18,030 --> 01:28:15,100

these last four numbers and I I i took

1722

01:28:21,860 --> 01:28:18,040

the call when it when it came in I did

1723

01:28:26,190 --> 01:28:21,870

not know so there you go Richard Doty I

1724

01:28:28,920 --> 01:28:26,200

I was unprepared I hope that for

1725

01:28:30,690 --> 01:28:28,930

everybody here in the fade to black

1726

01:28:33,870 --> 01:28:30,700

audience that happened to listen to this

1727

01:28:36,780 --> 01:28:33,880

live tonight that I asked the questions

1728

01:28:38,730 --> 01:28:36,790

that needed to be asked I've always

1729

01:28:43,950 --> 01:28:38,740

wanted to have the opportunity to

1730

01:28:46,230 --> 01:28:43,960

interview him and I hope that I did I

1731

01:28:48,660 --> 01:28:46,240

hope that I asked the questions wow I'm

1732

01:28:51,200 --> 01:28:48,670

just blown away I'm blown away just like

1733

01:28:53,910 --> 01:28:51,210

everybody else is

1734

01:28:57,390 --> 01:28:53,920

Richard's history his appearance in

1735

01:29:00,420 --> 01:28:57,400

Mirage man I was uncomfortable with he

1736

01:29:02,610 --> 01:29:00,430

was in unacknowledged and I was a little

1737

01:29:08,040 --> 01:29:02,620

bit uncomfortable with that too as well

1738

01:29:10,650 --> 01:29:08,050

and the there's two parts to his past

1739

01:29:15,360 --> 01:29:10,660

there's the urban legend part that has

1740

01:29:17,610 --> 01:29:15,370

been out there where things get things

1741

01:29:20,250 --> 01:29:17,620

get spread around and then there's the

1742

01:29:24,660 --> 01:29:20,260

other part there's the official part and

1743

01:29:27,060 --> 01:29:24,670

that he has always spoken on so what you

1744

01:29:31,530 --> 01:29:27,070

know it what's the real truth and is it

1745

01:29:35,610 --> 01:29:31,540

somewhere down the middle again Richard

1746

01:29:39,170 --> 01:29:35,620

knows that it was his job as he said

1747

01:29:41,070 --> 01:29:39,180

tonight to be a disinformation agent and

1748

01:29:45,330 --> 01:29:41,080

that's what he did

1749

01:29:49,220 --> 01:29:45,340

for he was an agent for the OSI of the

1750

01:29:53,100 --> 01:29:49,230

air force and he worked under orders

1751

01:29:55,770 --> 01:29:53,110

okay that's that's it

1752

01:29:56,250 --> 01:29:55,780

is it an uncomfortable thing yes it is

1753

01:29:59,510 --> 01:29:56,260

for me

1754

01:30:03,450 --> 01:29:59,520

I am completely uncomfortable with it

1755

01:30:05,460 --> 01:30:03,460

completely completely and the other part

1756

01:30:09,210 --> 01:30:05,470

and this is what I stressed with him

1757

01:30:13,020 --> 01:30:09,220

tonight and I'm sure he's listening

1758

01:30:17,610 --> 01:30:13,030

right now which is this kind of stuff

1759

01:30:20,250 --> 01:30:17,620

going on inside of the United States on

1760

01:30:24,420 --> 01:30:20,260

American soil with American citizens is

1761

01:30:26,190 --> 01:30:24,430

a bit funky that's the part I'm just a

1762

01:30:28,620 --> 01:30:26,200

little bit uncomfortable with whether

1763

01:30:31,110 --> 01:30:28,630

they didn't spread disinfo okay well

1764

01:30:33,330 --> 01:30:31,120

that's that's his story and he is gonna

1765

01:30:35,940 --> 01:30:33,340

stick to it and as well he should but

1766

01:30:37,860 --> 01:30:35,950

the other part of it is we're not enemy

1767

01:30:41,910 --> 01:30:37,870

combatants whatever the Air Force wants

1768

01:30:45,840 --> 01:30:41,920

to do with this overseas with in a

1769

01:30:49,350 --> 01:30:45,850

foreign country or you know but here you

1770

01:30:53,270 --> 01:30:49,360

go off of the air force base off of the

1771

01:30:57,060 --> 01:30:53,280

air force base to a civilian gathering

1772

01:30:59,220 --> 01:30:57,070

that's that's that's a bit funky and to

1773

01:31:01,290 --> 01:30:59,230

to have assets reporting back to you

1774

01:31:03,660 --> 01:31:01,300

from inside of these organizations

1775

01:31:06,810 --> 01:31:03,670

that's a bit that's a bit funky to me

1776

01:31:09,480 --> 01:31:06,820

I'm a little bit uncomfortable with it

1777

01:31:11,610 --> 01:31:09,490

and I'm not sure what really is going on

1778

01:31:14,310 --> 01:31:11,620

and I don't know I don't know if we'll

1779

01:31:18,150 --> 01:31:14,320

ever know the truth one thing is for

1780

01:31:20,850 --> 01:31:18,160

sure me asking Richard Doty these

1781

01:31:23,740 --> 01:31:20,860

questions I can't go more direct to the

1782

01:31:27,340 --> 01:31:23,750

source than Richard Doty

1783

01:31:29,620 --> 01:31:27,350

we'll do my best and I think he answered

1784

01:31:32,400 --> 01:31:29,630

he answered everything I gotta give him

1785

01:31:36,160 --> 01:31:32,410
