

Ep. 818

Fader
NIGHT

THURSDAYS ON FADE TO BLACK

JimmyChurchRadio.com

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:27,760 --> 00:00:23,850

[Music]

2
00:00:31,600 --> 00:00:27,770

this hope radio for the masses Atlanta

3
00:00:33,430 --> 00:00:31,610

between July 8 1947 the Army Air Forces

4
00:00:35,260 --> 00:00:33,440

has announced that a flying death has

5
00:00:38,319 --> 00:00:35,270

been found and is now in the possession

6
00:00:41,830 --> 00:00:38,329

of the army the game is rigged changed

7
00:00:44,680 --> 00:00:41,840

the game game changer I occasionally

8
00:00:48,370 --> 00:00:44,690

think how quickly our differences

9
00:00:52,140 --> 00:00:48,380

worldwide would vanish if we were facing

10
00:00:57,250 --> 00:00:52,150

an alien threat from outside his way

11
00:00:59,740 --> 00:00:57,260

[Music]

12
00:01:02,590 --> 00:00:59,750

fade to black with your host Jimmy

13
00:01:09,200 --> 00:01:02,600

church on the GameChanger radio network

14

00:01:17,940 --> 00:01:14,260

your health to do a year 1980

15

00:01:20,399 --> 00:01:17,950

[Music]

16

00:01:23,000 --> 00:01:20,409

you listen to fade to black with Jimmy

17

00:01:27,400 --> 00:01:23,010

judge only Game Change in that word

18

00:01:31,660 --> 00:01:27,410

[Music]

19

00:01:39,860 --> 00:01:31,670

welcome fade to black

20

00:01:40,400 --> 00:01:39,870

this spoke radio for the masses fade to

21

00:01:44,750 --> 00:01:40,410

black

22

00:01:48,470 --> 00:01:44,760

Thursday March 8 2018 67 days into the

23

00:01:50,000 --> 00:01:48,480

new year just 298 days left we are live

24

00:01:52,100 --> 00:01:50,010

from a bunker somewhere in downtown

25

00:01:53,600 --> 00:01:52,110

Burbank California and I would like to

26
00:01:56,800 --> 00:01:53,610
welcome everybody listening all around

27
00:01:59,359 --> 00:01:56,810
the world all around the United States

28
00:02:01,310 --> 00:01:59,369
hither and thither to and fro back and

29
00:02:04,880 --> 00:02:01,320
forth up and down east and west north

30
00:02:07,250 --> 00:02:04,890
and south far and near this is fade to

31
00:02:10,430 --> 00:02:07,260
black for kjc are the game changer

32
00:02:11,750 --> 00:02:10,440
network and k g ra the planet I'm your

33
00:02:14,000 --> 00:02:11,760
host Amy Church what is cracking

34
00:02:17,030 --> 00:02:14,010
everybody it's Thursday night it is

35
00:02:18,980 --> 00:02:17,040
Fator night open lines all night long

36
00:02:21,680 --> 00:02:18,990
Jon Rappaport's good to be here with no

37
00:02:25,550 --> 00:02:21,690
more fake newsroom live the Colin

38
00:02:29,420 --> 00:02:25,560

numbers are 3 to 3 8 2 5 5 0 for 5 or 3

39

00:02:33,680 --> 00:02:29,430

2 3 2 7 5 9 6 9 5 can follow me on

40

00:02:37,430 --> 00:02:33,690

twitter @jj Church radio simple enough

41

00:02:41,150 --> 00:02:37,440

at J church radio hashtag F 2 B is the

42

00:02:46,100 --> 00:02:41,160

sandbox on Twitter any questions or

43

00:02:47,860 --> 00:02:46,110

comments hashtag F 2 BQ on Twitter you

44

00:02:49,699 --> 00:02:47,870

can go follow like and subscribe

45

00:02:50,680 --> 00:02:49,709

everything is over at signatures

46

00:02:52,880 --> 00:02:50,690

radio.com

47

00:02:55,130 --> 00:02:52,890

it's all simple follow like and

48

00:02:59,650 --> 00:02:55,140

subscribe you can email throughout the

49

00:03:03,680 --> 00:02:59,660

show Jimmy at a Jimmy Church radio.com

50

00:03:05,840 --> 00:03:03,690

ok Jimmy at Jimmy Church radio calm and

51
00:03:07,240 --> 00:03:05,850
now we've got a lot to talk about

52
00:03:11,690 --> 00:03:07,250
tonight

53
00:03:16,340 --> 00:03:11,700
all right holy you know what I'm gonna

54
00:03:21,350 --> 00:03:16,350
try to keep on talking it's open lines

55
00:03:24,170 --> 00:03:21,360
all night long open lines all night long

56
00:03:28,400 --> 00:03:24,180
following Jon Rappoport and his no more

57
00:03:30,949 --> 00:03:28,410
fake newsroom live alright now let's get

58
00:03:35,360 --> 00:03:30,959
straight to it breaking news President

59
00:03:39,180 --> 00:03:35,370
Donald Trump agrees to meet with North

60
00:03:45,180 --> 00:03:39,190
Korea's Kim jong-un Kim fatty fat

61
00:03:49,530 --> 00:03:45,190
this may by this May 2018 the breaking

62
00:03:52,950 --> 00:03:49,540
news happened a couple of hours ago and

63
00:03:56,580 --> 00:03:52,960

I can go back and check when I started

64

00:03:58,890 --> 00:03:56,590

to get the leaks on all of this which

65

00:04:03,390 --> 00:03:58,900

again came to me before the mainstream

66

00:04:06,990 --> 00:04:03,400

media when I busted things out let's see

67

00:04:14,190 --> 00:04:07,000

if I can get a timestamp here I did it

68

00:04:16,740 --> 00:04:14,200

at there you go 351 p.m. today and that

69

00:04:20,490 --> 00:04:16,750

was that was the second tweet my first

70

00:04:22,650 --> 00:04:20,500

tweet went out well the point is a few

71

00:04:26,310 --> 00:04:22,660

hours I thought it was a couple of hours

72

00:04:31,280 --> 00:04:26,320

before showtime but turns out let me see

73

00:04:35,300 --> 00:04:31,290

here 344 p.m. is when I did it and

74

00:04:37,890 --> 00:04:35,310

anyway the point is and it's very simple

75

00:04:39,870 --> 00:04:37,900

when the news started to break it was

76

00:04:42,030 --> 00:04:39,880

shocking and it seemed like it was

77

00:04:44,280 --> 00:04:42,040

almost unbelievable I had no way to vet

78

00:04:49,080 --> 00:04:44,290

it I couldn't go online and check it the

79

00:04:50,790 --> 00:04:49,090

news was coming in to me and I decided I

80

00:04:53,550 --> 00:04:50,800

made that executive decision that's it

81

00:04:57,720 --> 00:04:53,560

I'm just gonna run with it and and I did

82

00:04:59,909 --> 00:04:57,730

and the verbage that I used that came in

83

00:05:02,580 --> 00:04:59,919

to me was virtually identical to

84

00:05:04,890 --> 00:05:02,590

everything else that was going around

85

00:05:08,130 --> 00:05:04,900

out there the press conference from the

86

00:05:10,440 --> 00:05:08,140

South Koreans happened as promised at I

87

00:05:14,790 --> 00:05:10,450

was supposed to be at 7:00 p.m. Eastern

88

00:05:19,140 --> 00:05:14,800

Time it went down at about 10 after 7:00

89

00:05:21,120 --> 00:05:19,150

Eastern and I did everything about 3:30

90

00:05:24,870 --> 00:05:21,130

minutes right before that nonetheless

91

00:05:27,000 --> 00:05:24,880

the verbage was all correct everything

92

00:05:28,650 --> 00:05:27,010

that I announced and everybody else

93

00:05:31,020 --> 00:05:28,660

started to announce a few minutes later

94

00:05:32,730 --> 00:05:31,030

the point is I wasn't first of course I

95

00:05:35,610 --> 00:05:32,740

wasn't it just takes a while for

96

00:05:36,540 --> 00:05:35,620

everything to cycle through you know one

97

00:05:40,110 --> 00:05:36,550

minute to minute

98

00:05:42,390 --> 00:05:40,120

and then everything launched but I was a

99

00:05:44,400 --> 00:05:42,400

little nervous that I was jumping the

100

00:05:47,100 --> 00:05:44,410

gun I could have waited but I just

101
00:05:49,170 --> 00:05:47,110
thought that the news was too too big

102
00:05:50,740 --> 00:05:49,180
and too important not to just get out

103
00:05:52,450 --> 00:05:50,750
there and get out there right away

104
00:05:56,440 --> 00:05:52,460
so I chose to do that now nonetheless

105
00:05:58,690 --> 00:05:56,450
this is how it started to break down and

106
00:06:01,000 --> 00:05:58,700
these are my notes that I did I'm

107
00:06:05,980 --> 00:06:01,010
looking at the clock here about three

108
00:06:08,620 --> 00:06:05,990
hours ago North Korea offered to suspend

109
00:06:11,260 --> 00:06:08,630
and this is all pre-empting any meeting

110
00:06:13,960 --> 00:06:11,270
agreement or anything apparently North

111
00:06:17,940 --> 00:06:13,970
Korea offered to suspend their nuclear

112
00:06:20,770 --> 00:06:17,950
missile testing alongside their

113
00:06:23,370 --> 00:06:20,780

invitation for talks with Donald Trump

114

00:06:26,080 --> 00:06:23,380

which turned out to be an accepted

115

00:06:29,500 --> 00:06:26,090

invitation for talks with Donald Trump

116

00:06:32,140 --> 00:06:29,510

so more on everything in just a bit

117

00:06:33,550 --> 00:06:32,150

Trump has accepted the invitation it's

118

00:06:39,340 --> 00:06:33,560

supposed to go down there's they

119

00:06:44,890 --> 00:06:39,350

announced today by May okay by me and

120

00:06:46,690 --> 00:06:44,900

look I've got the notices here about

121

00:06:48,520 --> 00:06:46,700

audio and YouTube there's something I

122

00:06:51,010 --> 00:06:48,530

can do I've reset it I'm not gonna start

123

00:06:52,659 --> 00:06:51,020

the show over or do anything like that

124

00:06:55,600 --> 00:06:52,669

if you're getting bad audio on YouTube

125

00:06:58,060 --> 00:06:55,610

get off of youtube and go to our website

126
00:06:59,380 --> 00:06:58,070
or kgr eh okay there's something I can

127
00:07:02,409 --> 00:06:59,390
do about that

128
00:07:04,330 --> 00:07:02,419
our next event oh I want to I also

129
00:07:06,640 --> 00:07:04,340
announced last night I'll get back to

130
00:07:07,870 --> 00:07:06,650
North Korean just a second and I'm sure

131
00:07:09,280 --> 00:07:07,880
that we're gonna be talking about this

132
00:07:11,710 --> 00:07:09,290
all night on the show and I do want to

133
00:07:13,570 --> 00:07:11,720
hear everybody's opinions here this kind

134
00:07:16,600 --> 00:07:13,580
of stuff has been announced before not

135
00:07:19,210 --> 00:07:16,610
this you know to you know the North

136
00:07:20,980 --> 00:07:19,220
Korean dictator whoever it may be at the

137
00:07:23,860 --> 00:07:20,990
time in meeting with the United States

138
00:07:25,900 --> 00:07:23,870

president has never happened before so

139

00:07:28,390 --> 00:07:25,910

this is a big deal all right so I'll get

140

00:07:31,210 --> 00:07:28,400

everybody's opinions on it throughout

141

00:07:34,510 --> 00:07:31,220

the show tonight I announced last night

142

00:07:36,520 --> 00:07:34,520

that the II said erode show is gonna be

143

00:07:40,210 --> 00:07:36,530

in Berkeley California that is going

144

00:07:44,610 --> 00:07:40,220

down this Saturday March 10th from 10:30

145

00:07:47,230 --> 00:07:44,620

a.m. to 1:30 p.m. at the Don troubling

146

00:07:50,020 --> 00:07:47,240

27:48 Adaline street in Berkeley

147

00:07:52,000 --> 00:07:50,030

California okay now you can click on the

148

00:07:54,070 --> 00:07:52,010

banner over at Jimmy Church radio.com

149

00:07:56,080 --> 00:07:54,080

click on the e City Roadshow banner it's

150

00:07:58,719 --> 00:07:56,090

right there get details but if you're in

151
00:08:00,820 --> 00:07:58,729
the San Francisco area anywhere north of

152
00:08:04,660 --> 00:08:00,830
Los Angeles you're gonna want to be

153
00:08:08,120 --> 00:08:04,670
there okay so it's 10:30 to 1:30 P

154
00:08:10,220 --> 00:08:08,130
Saturday March 10th details and schedule

155
00:08:11,920 --> 00:08:10,230
is over a 2 meter tornado calm click on

156
00:08:15,530 --> 00:08:11,930
the banner our next events coming up

157
00:08:18,620 --> 00:08:15,540
it's coming up quickly is June 1st

158
00:08:20,930 --> 00:08:18,630
through the 4th 2018 contact in the

159
00:08:24,170 --> 00:08:20,940
desert in Indian Wells Palm Spring

160
00:08:28,010 --> 00:08:24,180
Southern California at the Renaissance

161
00:08:30,080 --> 00:08:28,020
Resort and Spa click on the banners over

162
00:08:33,260 --> 00:08:30,090
at Jimmy Church radio.com get your

163
00:08:35,480 --> 00:08:33,270

tickets the schedule is posted there may

164

00:08:37,510 --> 00:08:35,490

be some surprise if you look at the list

165

00:08:40,130 --> 00:08:37,520

of speakers that are there this year

166

00:08:42,860 --> 00:08:40,140

that's absolutely incredible doesn't get

167

00:08:45,670 --> 00:08:42,870

any better than that but I know that

168

00:08:48,440 --> 00:08:45,680

they are reserving the right to post

169

00:08:51,680 --> 00:08:48,450

some surprise guests that will be coming

170

00:08:53,570 --> 00:08:51,690

up you're gonna want to be at contact in

171

00:08:55,670 --> 00:08:53,580

the desert okay so go and get your

172

00:08:58,670 --> 00:08:55,680

tickets now and don't forget to sign up

173

00:09:01,460 --> 00:08:58,680

for our soul tech gathering at ISA T

174

00:09:03,650 --> 00:09:01,470

ranch that's going down this August

175

00:09:05,960 --> 00:09:03,660

August 9th through the 12th up at E

176

00:09:08,570 --> 00:09:05,970

setting ranch and click on the Seoul

177

00:09:11,240 --> 00:09:08,580

tech gathering banner over at Jimmy

178

00:09:13,760 --> 00:09:11,250

Church radio.com ok it's it's really

179

00:09:16,580 --> 00:09:13,770

simple and easy but Il city ranch is

180

00:09:17,750 --> 00:09:16,590

quite possibly the most magical place on

181

00:09:22,100 --> 00:09:17,760

planet Earth

182

00:09:23,690 --> 00:09:22,110

tops Disneyland for sure and it is the

183

00:09:25,220 --> 00:09:23,700

Disneyland of the supernatural

184

00:09:27,320 --> 00:09:25,230

everything goes down up there so we're

185

00:09:29,000 --> 00:09:27,330

gonna have a great time teaching we've

186

00:09:31,790 --> 00:09:29,010

got a great lineup of speakers and

187

00:09:35,450 --> 00:09:31,800

teachers and it's gonna be nothing but

188

00:09:38,300 --> 00:09:35,460

knowledge all night all weekend long

189

00:09:40,130 --> 00:09:38,310

alright so there you go don't forget to

190

00:09:42,860 --> 00:09:40,140

become a fader not over in our

191

00:09:45,380 --> 00:09:42,870

membership section on the site and get

192

00:09:48,710 --> 00:09:45,390

t-shirts autographed hats all that stuff

193

00:09:51,710 --> 00:09:48,720

bunker cam and you can also subscribe

194

00:09:54,890 --> 00:09:51,720

for our podcast which we have over 800

195

00:09:57,680 --> 00:09:54,900

archived shows it's just two dollars a

196

00:10:00,410 --> 00:09:57,690

month and don't forget all of our

197

00:10:04,880 --> 00:10:00,420

sponsors like life changed he get the

198

00:10:07,579 --> 00:10:04,890

t.com River Moon coffee new Pharma GNU

199

00:10:10,220 --> 00:10:07,589

pharma ancient life oil sacred skulls

200

00:10:12,829 --> 00:10:10,230

new manna food storage and of course

201
00:10:14,960 --> 00:10:12,839
barring optics all of their banners and

202
00:10:17,190 --> 00:10:14,970
and the promo codes and everything that

203
00:10:20,220 --> 00:10:17,200
you need is over hmu Church radio calm

204
00:10:23,520 --> 00:10:20,230
all of our sponsors because that is how

205
00:10:25,650 --> 00:10:23,530
we bring this show to you let's get the

206
00:10:27,060 --> 00:10:25,660
show cracking really quick happy

207
00:10:32,670 --> 00:10:27,070
birthday to today

208
00:10:34,380 --> 00:10:32,680
David Wilcock today is 29 years old I

209
00:10:39,920 --> 00:10:34,390
bet you didn't know that happy birthday

210
00:10:42,270 --> 00:10:39,930
David also Micky Dolenz today is 73 and

211
00:10:44,790 --> 00:10:42,280
a couple of other things I need to get

212
00:10:45,540 --> 00:10:44,800
out of the way because on this day in

213
00:10:50,270 --> 00:10:45,550

history

214

00:10:54,750 --> 00:10:50,280

ot D it went down I believe it went down

215

00:10:58,620 --> 00:10:54,760

during this show no pun intended 2014

216

00:11:01,430 --> 00:10:58,630

Malaysia Airlines flight 370 vanishes

217

00:11:05,250 --> 00:11:01,440

with more than 200 people on board and

218

00:11:07,920 --> 00:11:05,260

investigators to this day have failed to

219

00:11:12,800 --> 00:11:07,930

find any trace of the aircraft or

220

00:11:17,970 --> 00:11:12,810

determine why it vanished Fader fact

221

00:11:21,710 --> 00:11:17,980

this is a fact self-driving cars play

222

00:11:25,620 --> 00:11:21,720

Grand Theft Auto that's right they do

223

00:11:29,430 --> 00:11:25,630

self-driving cars play Grand Theft Auto

224

00:11:32,570 --> 00:11:29,440

why to learn how to drive better that's

225

00:11:34,920 --> 00:11:32,580

right and so should you

226

00:11:36,630 --> 00:11:34,930

seriously tonight is another failure

227

00:11:39,120 --> 00:11:36,640

night with Jon Rappoport and a summer

228

00:11:42,330 --> 00:11:39,130

fake newsroom live the call-in numbers

229

00:11:44,160 --> 00:11:42,340

three to three eight two five five zero

230

00:11:46,770 --> 00:11:44,170

four or five or three two three two

231

00:11:49,950 --> 00:11:46,780

seven five nine six nine five it's open

232

00:11:53,250 --> 00:11:49,960

lines all night long there is nothing

233

00:11:55,260 --> 00:11:53,260

like a Thursday he run fade to black

234

00:11:57,380 --> 00:11:55,270

back to back to back to back to back

235

00:12:00,120 --> 00:11:57,390

phone calls from all around the world

236

00:12:04,230 --> 00:12:00,130

squeezing in all of this conversation is

237

00:12:06,420 --> 00:12:04,240

my favorite thing to do why it's

238

00:12:08,340 --> 00:12:06,430

Thursday and there's only one thing to

239

00:12:12,750 --> 00:12:08,350

do on a Thursday and that's hang out

240

00:12:15,480 --> 00:12:12,760

with all of you and this guy Ronnie

241

00:12:18,690 --> 00:12:15,490

McMullen from life change T Ronnie good

242

00:12:20,580 --> 00:12:18,700

evening man how are you good what do you

243

00:12:24,570 --> 00:12:20,590

see Jimmy it's it's all on you Ronnie

244

00:12:28,470 --> 00:12:24,580

hey Ronnie Ronnie dick do you play Grand

245

00:12:30,420 --> 00:12:28,480

Theft Auto um no I don't think I have

246

00:12:31,170 --> 00:12:30,430

I'll sleep some car games cuz I like

247

00:12:32,910 --> 00:12:31,180

them but no no

248

00:12:36,510 --> 00:12:32,920

Grand Theft Auto well you would be a

249

00:12:40,590 --> 00:12:36,520

better driver you would be a safer

250

00:12:43,950 --> 00:12:40,600

driver yeah I'm already a safe driver

251
00:12:47,900 --> 00:12:43,960
have you ever played have you ever

252
00:12:52,710 --> 00:12:47,910
played Grand Turismo PlayStation yes yes

253
00:12:53,280 --> 00:12:52,720
amazing game right yes okay so I did the

254
00:12:55,500 --> 00:12:53,290
whole thing

255
00:12:57,660 --> 00:12:55,510
I got the wheel I got the pedals right

256
00:12:59,910 --> 00:12:57,670
you know I get the the the you know the

257
00:13:02,910 --> 00:12:59,920
shifter I got I got the whole you know

258
00:13:05,820 --> 00:13:02,920
gaming setup and and I plowed through

259
00:13:08,220 --> 00:13:05,830
Gran Turismo you know like one two and

260
00:13:10,710 --> 00:13:08,230
three with that setup before I gave it

261
00:13:13,020 --> 00:13:10,720
up and didn't give up the game I gave up

262
00:13:16,500 --> 00:13:13,030
the setup I just it was just too much

263
00:13:18,450 --> 00:13:16,510

but but nonetheless I would go and get

264

00:13:21,950 --> 00:13:18,460

in my car and what it would teach you

265

00:13:28,020 --> 00:13:21,960

back then I was driving like I had a BMW

266

00:13:31,950 --> 00:13:28,030

325 right like in 1998 325 and so I

267

00:13:35,220 --> 00:13:31,960

would take and what I would experience

268

00:13:37,470 --> 00:13:35,230

in creditor is mo you know how we'll

269

00:13:39,930 --> 00:13:37,480

take turns and how I would accelerate

270

00:13:42,480 --> 00:13:39,940

out and where I would break and at the

271

00:13:47,640 --> 00:13:42,490

apex is and I went out and tore up

272

00:13:51,450 --> 00:13:47,650

Sherman Oaks man I just met weird how

273

00:13:53,880 --> 00:13:51,460

how it does do that and then I went

274

00:13:56,910 --> 00:13:53,890

through all the NASCAR games right again

275

00:14:00,030 --> 00:13:56,920

the same same thing and I'm serious I

276
00:14:04,560 --> 00:14:00,040
could drive Daytona and Talladega all of

277
00:14:06,750 --> 00:14:04,570
all of the great tracks Bristol and and

278
00:14:08,790 --> 00:14:06,760
and learn these tracks I swear I could

279
00:14:11,010 --> 00:14:08,800
have been a NASCAR driver and then I

280
00:14:13,290 --> 00:14:11,020
found out that the NASCAR drivers are

281
00:14:15,690 --> 00:14:13,300
playing hey they're playing the same

282
00:14:17,610 --> 00:14:15,700
video game because the same bumps and

283
00:14:19,980 --> 00:14:17,620
the tracks and the same things that are

284
00:14:21,540 --> 00:14:19,990
there he played the video game you know

285
00:14:24,000 --> 00:14:21,550
a couple of weeks before or in the

286
00:14:27,270 --> 00:14:24,010
offseason right and you stay on top of

287
00:14:28,830 --> 00:14:27,280
your game you're not listening wow

288
00:14:31,140 --> 00:14:28,840

you're not listening I am like I'm

289

00:14:32,880 --> 00:14:31,150

telling I'm going yeah it was cool man

290

00:14:36,480 --> 00:14:32,890

I'm just sitting here technology's

291

00:14:37,620 --> 00:14:36,490

taking us over yes it's incredible I

292

00:14:40,050 --> 00:14:37,630

mean there's there's no getting on the

293

00:14:41,640 --> 00:14:40,060

racetrack and just having raw talent you

294

00:14:44,040 --> 00:14:41,650

know you're practicing I mean some of

295

00:14:45,509 --> 00:14:44,050

the best pilots are flying those little

296

00:14:47,579 --> 00:14:45,519

what do you call them you know where

297

00:14:50,490 --> 00:14:47,589

they see people's backyard yeah you know

298

00:14:53,519 --> 00:14:50,500

it's like crazy and crazy yeah yeah I

299

00:14:55,370 --> 00:14:53,529

watched it was an amazing documentary by

300

00:14:59,280 --> 00:14:55,380

the way I'm the creator of Gran Turismo

301
00:15:02,550 --> 00:14:59,290
his name escapes me right now but great

302
00:15:04,110 --> 00:15:02,560
documentary and as they were going

303
00:15:07,590 --> 00:15:04,120
through the documentary specially in the

304
00:15:11,220 --> 00:15:07,600
later stages of Gran Turismo the Grand

305
00:15:13,680 --> 00:15:11,230
Prix you know the drivers yeah yeah our

306
00:15:16,410 --> 00:15:13,690
playing Gran Turismo they get they've

307
00:15:19,699 --> 00:15:16,420
got the full rig you know racing seats

308
00:15:22,500 --> 00:15:19,709
you know and and they go and they are

309
00:15:25,650 --> 00:15:22,510
practicing on these tracks because Gran

310
00:15:28,019 --> 00:15:25,660
Turismo was so realistic you know for

311
00:15:30,090 --> 00:15:28,029
them reaction times braking shifting

312
00:15:32,069 --> 00:15:30,100
shift points and all of that stuff

313
00:15:34,530 --> 00:15:32,079

that's you know the whole heel and toe

314

00:15:36,660 --> 00:15:34,540

and shifting everything you know the the

315

00:15:40,680 --> 00:15:36,670

shifters on the wheel all of that stuff

316

00:15:42,780 --> 00:15:40,690

is realistic so they would in in in this

317

00:15:46,500 --> 00:15:42,790

documentary they're showing all of the

318

00:15:50,100 --> 00:15:46,510

top guys man in in there and and when

319

00:15:52,079 --> 00:15:50,110

you're as a as a as a player of the game

320

00:15:56,760 --> 00:15:52,089

you're like man this is it's this is

321

00:16:00,720 --> 00:15:56,770

difficult right oh yeah been bent route

322

00:16:02,970 --> 00:16:00,730

of from Bristol Motor Speedway just he

323

00:16:07,350 --> 00:16:02,980

just tweeted hey I loved the Bristol

324

00:16:09,150 --> 00:16:07,360

shout out vice president of Bristol

325

00:16:12,660 --> 00:16:09,160

Motor Speedway and he just pops in but

326

00:16:17,850 --> 00:16:12,670

but it's true I mean I one of my

327

00:16:22,319 --> 00:16:17,860

favorite tracks to race on in the NASCAR

328

00:16:24,449 --> 00:16:22,329

I did to the NASCAR games that I did a

329

00:16:27,630 --> 00:16:24,459

Bristol was one of the funnest tracks

330

00:16:29,730 --> 00:16:27,640

and it was really really really cool so

331

00:16:34,470 --> 00:16:29,740

yeah I think I could go out to Bristol

332

00:16:37,079 --> 00:16:34,480

and race I do what's on your mind

333

00:16:40,500 --> 00:16:37,089

how you doing what do you think about

334

00:16:42,180 --> 00:16:40,510

this before we get to ancient life oil

335

00:16:45,420 --> 00:16:42,190

and I want to talk about the tea this

336

00:16:47,370 --> 00:16:45,430

week we just over at the house it was

337

00:16:50,490 --> 00:16:47,380

funny really goes ok now don't touch

338

00:16:54,360 --> 00:16:50,500

that that's life changed he I haven't

339

00:16:57,030 --> 00:16:54,370

diluted it yet but ok yeah we're always

340

00:16:58,079 --> 00:16:57,040

brewing and we just brewed right before

341

00:16:59,489 --> 00:16:58,089

the show

342

00:17:01,079 --> 00:16:59,499

before we get to that what do you think

343

00:17:04,019 --> 00:17:01,089

about this kim jeong-hoon

344

00:17:04,439 --> 00:17:04,029

Donald Trump summit that's about to go

345

00:17:08,189 --> 00:17:04,449

down

346

00:17:10,169 --> 00:17:08,199

I don't know cuz everything is weird

347

00:17:11,639 --> 00:17:10,179

I mean it's there's a weird energy in

348

00:17:13,889 --> 00:17:11,649

the air I mean I don't know all my

349

00:17:15,539 --> 00:17:13,899

senses are off it's kind of maybe I need

350

00:17:18,090 --> 00:17:15,549

to drink more tea I drink some tonight

351

00:17:20,069 --> 00:17:18,100

but I'm telling you it's there's some

352

00:17:23,039 --> 00:17:20,079

weird stuff going on so I I don't know I

353

00:17:24,210 --> 00:17:23,049

wouldn't trust Kim Jong yeah as far as I

354

00:17:27,389 --> 00:17:24,220

could throw him and you know how far I

355

00:17:29,580 --> 00:17:27,399

get thrown not very far right right I

356

00:17:32,279 --> 00:17:29,590

don't know and Trump you know he plays

357

00:17:34,399 --> 00:17:32,289

all the sides I mean everybody hates him

358

00:17:36,870 --> 00:17:34,409

in that's you know dealing with the

359

00:17:39,450 --> 00:17:36,880

Congress or anybody else they all can't

360

00:17:41,340 --> 00:17:39,460

stand him so he doesn't have a chance so

361

00:17:45,200 --> 00:17:41,350

he's gonna have to pull some real rap

362

00:17:47,399 --> 00:17:45,210

habits out of his hat and do you think

363

00:17:50,730 --> 00:17:47,409

this is a question that's going to go on

364

00:17:52,919 --> 00:17:50,740

not only on tonight's show but in the

365

00:17:55,760 --> 00:17:52,929

days and weeks ahead do you think it's

366

00:17:58,320 --> 00:17:55,770

actually gonna happen the meeting I

367

00:18:00,570 --> 00:17:58,330

don't know yeah you know what I don't

368

00:18:03,690 --> 00:18:00,580

know I mean it's it's great talk right

369

00:18:05,399 --> 00:18:03,700

now right yeah it's great nobody really

370

00:18:08,789 --> 00:18:05,409

knows who's in control here I don't know

371

00:18:09,450 --> 00:18:08,799

yeah it's it's just really weird it's

372

00:18:13,200 --> 00:18:09,460

really weird

373

00:18:17,010 --> 00:18:13,210

and for me Ronnie the the the news broke

374

00:18:18,899 --> 00:18:17,020

so fast and Trump accepted so quick it

375

00:18:21,000 --> 00:18:18,909

was just like and now I like that about

376

00:18:23,730 --> 00:18:21,010

Trump right he didn't have to go and

377

00:18:26,789 --> 00:18:23,740

meet with his advisors and you know and

378

00:18:31,320 --> 00:18:26,799

bring in and he was just like okay right

379

00:18:33,269 --> 00:18:31,330

okay tell him yes it's like wow wow I

380

00:18:35,880 --> 00:18:33,279

mean the Pentagon didn't know about it

381

00:18:36,750 --> 00:18:35,890

the Senate the Congress the rest of the

382

00:18:40,860 --> 00:18:36,760

White House

383

00:18:42,990 --> 00:18:40,870

nobody knew no nobody knew the message

384

00:18:45,630 --> 00:18:43,000

was delivered and it was just like yes

385

00:18:48,450 --> 00:18:45,640

and and no consulting and I you know I

386

00:18:51,480 --> 00:18:48,460

kind of liked that about the guy I know

387

00:18:53,519 --> 00:18:51,490

I - I do - he's you can you know unless

388

00:18:56,700 --> 00:18:53,529

they're playing the big video game but

389

00:18:59,549 --> 00:18:56,710

it looks like no one tells Trump what to

390

00:19:01,350 --> 00:18:59,559

do and I like that well you know I don't

391

00:19:07,289 --> 00:19:01,360

do politics on this show right I don't

392

00:19:11,160 --> 00:19:07,299

do it but the the way that this is going

393

00:19:13,500 --> 00:19:11,170

down now I'm in wait-and-see mode I'm

394

00:19:15,480 --> 00:19:13,510

I'm just didn't wait-and-see mode I

395

00:19:17,820 --> 00:19:15,490

don't know what we'll be talking about

396

00:19:19,980 --> 00:19:17,830

it all night on the show so anyway we

397

00:19:25,590 --> 00:19:19,990

started to talk about life change T and

398

00:19:26,840 --> 00:19:25,600

we just started brewing more I got to

399

00:19:32,250 --> 00:19:26,850

tell you Ronnie

400

00:19:37,710 --> 00:19:32,260

the what it does to me personally and

401
00:19:39,840 --> 00:19:37,720
what you say it does I it's it's two

402
00:19:45,240 --> 00:19:39,850
different things it's two different

403
00:19:47,190 --> 00:19:45,250
things right I think I feel and I don't

404
00:19:48,930 --> 00:19:47,200
think it's not because of caffeine or

405
00:19:51,510 --> 00:19:48,940
some other chemical but I feel alert

406
00:19:54,240 --> 00:19:51,520
after I drink it I feel better my thirst

407
00:19:56,580 --> 00:19:54,250
is quenched that's something else that

408
00:19:58,350 --> 00:19:56,590
happens with it I want to drink a second

409
00:20:00,750 --> 00:19:58,360
cup and I know that I shouldn't so I

410
00:20:02,790 --> 00:20:00,760
don't but it tastes that good there's

411
00:20:05,040 --> 00:20:02,800
all of that now you could you just might

412
00:20:07,740 --> 00:20:05,050
have some you know what other issues go

413
00:20:11,550 --> 00:20:07,750

on yeah yeah I'm him the guy I did that

414

00:20:14,640 --> 00:20:11,560

mistake once but but there is something

415

00:20:17,120 --> 00:20:14,650

going on so when you have these this

416

00:20:21,750 --> 00:20:17,130

radical thing that happens in your body

417

00:20:27,420 --> 00:20:21,760

inside of you what is life changed he

418

00:20:29,040 --> 00:20:27,430

doing cleaning your colon cleaning

419

00:20:31,230 --> 00:20:29,050

everything that gets stuck in there from

420

00:20:33,540 --> 00:20:31,240

the foods you eat you know somebody is

421

00:20:35,310 --> 00:20:33,550

on a diet that where they a Western diet

422

00:20:37,440 --> 00:20:35,320

where they're eating you know meat and

423

00:20:40,860 --> 00:20:37,450

dairy and eggs and all that stuff that's

424

00:20:43,920 --> 00:20:40,870

fine you really need my tea if you're

425

00:20:46,200 --> 00:20:43,930

you know if you're safe vegan or you're

426

00:20:48,930 --> 00:20:46,210

vegetarian or something like that

427

00:20:51,750 --> 00:20:48,940

you still need the tea but probably less

428

00:20:54,600 --> 00:20:51,760

tea because you're you got good stuff

429

00:20:55,710 --> 00:20:54,610

moving through so it's pretty but I you

430

00:20:57,660 --> 00:20:55,720

know I don't want to switch subjects

431

00:21:00,290 --> 00:20:57,670

that my tea is great but I'm really

432

00:21:02,610 --> 00:21:00,300

excited about just just a couple minutes

433

00:21:05,670 --> 00:21:02,620

telling everybody about what I'm doing

434

00:21:10,920 --> 00:21:05,680

about sponsoring somebody in the mint

435

00:21:12,060 --> 00:21:10,930

400 oh okay you want to talk spam you

436

00:21:14,250 --> 00:21:12,070

know you were you know we're talking

437

00:21:17,400 --> 00:21:14,260

about driving turismo I'm going hey

438

00:21:19,890 --> 00:21:17,410

guess what dryer is a dune buggy in the

439

00:21:21,470 --> 00:21:19,900

mint 400 that get the tea is sponsoring

440

00:21:24,289 --> 00:21:21,480

so

441

00:21:28,490 --> 00:21:24,299

let's to be clear here you are now a

442

00:21:31,430 --> 00:21:28,500

racing team sponsor I always have cars

443

00:21:33,440 --> 00:21:31,440

in my background but when I saw this I

444

00:21:37,730 --> 00:21:33,450

mean literally I was in Phoenix Arizona

445

00:21:39,919 --> 00:21:37,740

and this big I'll cut my my language

446

00:21:41,900 --> 00:21:39,929

here but my this big dune buggy pulls up

447

00:21:45,320 --> 00:21:41,910

next to me on a trailer and I go wow

448

00:21:47,180 --> 00:21:45,330

that's a cool buggy that's wow and I

449

00:21:49,250 --> 00:21:47,190

looked over and of course you know my

450

00:21:52,820 --> 00:21:49,260

last name is McMullen and I looked at it

451
00:21:56,090 --> 00:21:52,830
and it said Kevin McMullan racing and I

452
00:21:59,870 --> 00:21:56,100
said oh this guy's got my last name he's

453
00:22:02,240 --> 00:21:59,880
got to be a winner oh I I called him and

454
00:22:05,120 --> 00:22:02,250
I said hey you looking for any sponsors

455
00:22:06,080 --> 00:22:05,130
he goes was a matter of fact I am I said

456
00:22:08,360 --> 00:22:06,090
well that's great

457
00:22:11,500 --> 00:22:08,370
let's talk so we had a meeting turns out

458
00:22:15,260 --> 00:22:11,510
his son is the new up-and-coming driver

459
00:22:18,520 --> 00:22:15,270
he's 17 years old he's a winner he's

460
00:22:22,070 --> 00:22:18,530
been racing since he was already 5 and

461
00:22:26,180 --> 00:22:22,080
and so now get the t is on the side of

462
00:22:27,799 --> 00:22:26,190
this big cool dune buggy which they race

463
00:22:31,280 --> 00:22:27,809

about once a month but they're on the

464

00:22:33,409 --> 00:22:31,290

mint 400 this weekend so I don't know if

465

00:22:35,570 --> 00:22:33,419

there's gonna be the ABC coverage of the

466

00:22:38,270 --> 00:22:35,580

of the race at all but you can look for

467

00:22:40,039 --> 00:22:38,280

get the T sitting right on the actual

468

00:22:43,810 --> 00:22:40,049

buggy that to me is just excited I'm

469

00:22:47,299 --> 00:22:43,820

gonna get that I want I want pictures oh

470

00:22:49,039 --> 00:22:47,309

I'm moving on pictures I am I am I just

471

00:22:50,450 --> 00:22:49,049

got a little one today of course you

472

00:22:52,400 --> 00:22:50,460

know you know me Jimmy I'm not a

473

00:22:54,799 --> 00:22:52,410

technological guy so I still got my flip

474

00:22:56,720 --> 00:22:54,809

phone right when a picture comes in on

475

00:23:01,039 --> 00:22:56,730

the flip phone I'm out tiny Ronnie

476

00:23:05,240 --> 00:23:01,049

Ronnie those are excuses you you're now

477

00:23:07,010 --> 00:23:05,250

are a racing team sponsor I want the

478

00:23:10,280 --> 00:23:07,020

pictures of you with the racing team

479

00:23:13,010 --> 00:23:10,290

standing next this is you are these are

480

00:23:16,549 --> 00:23:13,020

what the racing team is obligated to do

481

00:23:19,430 --> 00:23:16,559

for you and I need to brag about it

482

00:23:21,320 --> 00:23:19,440

I can't brag about it though well I'm

483

00:23:22,430 --> 00:23:21,330

gonna do it but guess what he's gonna

484

00:23:24,110 --> 00:23:22,440

give me I sound like a little

485

00:23:26,000 --> 00:23:24,120

three-year-old he's gonna give me a ride

486

00:23:27,980 --> 00:23:26,010

in the buggy and you know what the

487

00:23:29,659 --> 00:23:27,990

average speed is for this buggy on a

488

00:23:32,570 --> 00:23:29,669

race it doesn't matter if you're not

489

00:23:34,399 --> 00:23:32,580

gonna videotape it with a smartphone and

490

00:23:34,909 --> 00:23:34,409

see the thing is actually we're gonna

491

00:23:40,609 --> 00:23:34,919

have

492

00:23:45,229 --> 00:23:40,619

buggy it averages 100 miles an hour okay

493

00:23:48,889 --> 00:23:45,239

what is it gonna be videotaped yes okay

494

00:23:52,549 --> 00:23:48,899

I swear Ronny I have work I will drive

495

00:23:55,669 --> 00:23:52,559

to Phoenix I will drive to Phoenix see

496

00:23:58,340 --> 00:23:55,679

this is the deal that's one cool that

497

00:24:00,470 --> 00:23:58,350

was cool was beaten in his in his garage

498

00:24:02,989 --> 00:24:00,480

with his buggy and he can take us for ya

499

00:24:04,519 --> 00:24:02,999

mmm cool well you know that it's one of

500

00:24:07,249 --> 00:24:04,529

the coolest things you know I think

501
00:24:14,269 --> 00:24:07,259
everybody would love I'm talking about

502
00:24:16,340 --> 00:24:14,279
men that you know well everybody drivers

503
00:24:18,799 --> 00:24:16,350
is a is a female no that's not what I'm

504
00:24:22,190 --> 00:24:18,809
saying I'm saying to sponsor a racing

505
00:24:25,190 --> 00:24:22,200
team and that's a dream man that's a

506
00:24:27,619 --> 00:24:25,200
dream for everybody and and so you've

507
00:24:31,340 --> 00:24:27,629
pulled this off and right now it's just

508
00:24:33,979 --> 00:24:31,350
a fishtail it's a fish story you don't

509
00:24:36,320 --> 00:24:33,989
have the photos to back this up because

510
00:24:40,759 --> 00:24:36,330
it's really cool but right now it's just

511
00:24:42,470 --> 00:24:40,769
a story flip it's a small sponsorship I

512
00:24:43,700 --> 00:24:42,480
wish I could say you know the buggies

513
00:24:46,190 --> 00:24:43,710

wrapped or whatever it's a small

514

00:24:47,749 --> 00:24:46,200

sponsorship but just to be a part of him

515

00:24:50,989 --> 00:24:47,759

racing and you know he's a winner

516

00:24:53,149 --> 00:24:50,999

actually Connors won many so I'm there's

517

00:24:55,340 --> 00:24:53,159

a wall inside of their shop is nothing

518

00:24:59,509 --> 00:24:55,350

but trophies so it's really cool I bet

519

00:25:02,180 --> 00:24:59,519

you Connor is got a smartphone I'm just

520

00:25:03,710 --> 00:25:02,190

probably was brought up on a smart why

521

00:25:06,649 --> 00:25:03,720

can't Connor go out and take a picture

522

00:25:09,739 --> 00:25:06,659

of it and email it to me during the show

523

00:25:12,799 --> 00:25:09,749

tonight as a matter of fact after you

524

00:25:15,049 --> 00:25:12,809

get off the this segment you're gonna

525

00:25:17,960 --> 00:25:15,059

call Connor have them take a picture

526
00:25:19,970 --> 00:25:17,970
give them my email address and I'll have

527
00:25:22,070 --> 00:25:19,980
it out during the show tonight see

528
00:25:25,099 --> 00:25:22,080
that's what I will do only thing is

529
00:25:29,080 --> 00:25:25,109
they're traveling one excuse after

530
00:25:34,940 --> 00:25:32,899
all I know is it's cool and I love the

531
00:25:37,310 --> 00:25:34,950
new sticker that goes on and actually

532
00:25:39,379 --> 00:25:37,320
I'm having them made so pretty soon here

533
00:25:43,220 --> 00:25:39,389
within pi a couple weeks so when people

534
00:25:45,049 --> 00:25:43,230
get the T they're gonna get a decal that

535
00:25:47,660 --> 00:25:45,059
has the same decal that goes on the bug

536
00:25:50,360 --> 00:25:47,670
yeah send me that I'll put it

537
00:25:52,010 --> 00:25:50,370
read his car I'll put it right on there

538
00:25:53,780 --> 00:25:52,020

you go I said you know what the line is

539

00:25:56,780 --> 00:25:53,790

we've got two lines that are coming one

540

00:26:00,020 --> 00:25:56,790

says make your own energy drink and then

541

00:26:05,440 --> 00:26:00,030

the other ones gonna say it's gonna save

542

00:26:07,670 --> 00:26:05,450

the tea that makes you go well

543

00:26:11,660 --> 00:26:07,680

congratulations on that that's a very

544

00:26:15,470 --> 00:26:11,670

very big deal and it's the mint 400 and

545

00:26:18,200 --> 00:26:15,480

the races this weekend this weekend wow

546

00:26:20,330 --> 00:26:18,210

that's incredible and and are you going

547

00:26:24,080 --> 00:26:20,340

you're a race sponsor so don't don't you

548

00:26:27,290 --> 00:26:24,090

get one of those sponsored tents next to

549

00:26:29,570 --> 00:26:27,300

the pits we're working on it I mean we

550

00:26:31,430 --> 00:26:29,580

just started I mean literally we kind of

551
00:26:33,590 --> 00:26:31,440
sealed this deal about two weeks ago so

552
00:26:36,500 --> 00:26:33,600
I mean he had to kind of go in fast mode

553
00:26:39,350 --> 00:26:36,510
to get the sponsorship you know the

554
00:26:41,480 --> 00:26:39,360
decal on the side of the buggy so it's

555
00:26:43,310 --> 00:26:41,490
you know it's it's in the works I mean

556
00:26:45,080 --> 00:26:43,320
I'm sponsoring him for the year if

557
00:26:47,690 --> 00:26:45,090
everything goes right we're for the

558
00:26:50,240 --> 00:26:47,700
whole year and and you know I really

559
00:26:52,460 --> 00:26:50,250
it's kind of exciting because in the 80s

560
00:26:54,830 --> 00:26:52,470
you know that I was into Supercross and

561
00:26:56,210 --> 00:26:54,840
you know Jeff Ward the days of Jeff Ward

562
00:26:57,470 --> 00:26:56,220
and Ricky Johnson all you motocross

563
00:26:58,010 --> 00:26:57,480

heads out there you know what I'm

564

00:26:59,930 --> 00:26:58,020

talking about

565

00:27:02,750 --> 00:26:59,940

well now they're racing trucks and

566

00:27:04,100 --> 00:27:02,760

buggies so they kind of seem they kind

567

00:27:05,960 --> 00:27:04,110

of hang out in the same crowd so it's

568

00:27:07,970 --> 00:27:05,970

kind of fun because I'm kind of getting

569

00:27:09,920 --> 00:27:07,980

that whole retro thing going and yet on

570

00:27:11,690 --> 00:27:09,930

sponsoring this kid that's probably the

571

00:27:13,940 --> 00:27:11,700

up-and-coming racer I mean he's he's

572

00:27:15,410 --> 00:27:13,950

good at what he does I couldn't drive

573

00:27:19,820 --> 00:27:15,420

that buggy 100 miles an hour over that

574

00:27:21,230 --> 00:27:19,830

terrain he doesn't crash he sees

575

00:27:23,570 --> 00:27:21,240

excellence yeah

576

00:27:25,690 --> 00:27:23,580

his dad's racer and his dad builds buggy

577

00:27:28,340 --> 00:27:25,700

so I mean it's it's a win-win situation

578

00:27:29,480 --> 00:27:28,350

what do you have we got one minute left

579

00:27:33,350 --> 00:27:29,490

here Ronnie what do you have for the

580

00:27:35,150 --> 00:27:33,360

faders this month you know what we just

581

00:27:37,130 --> 00:27:35,160

came out with Big AI which is the

582

00:27:39,380 --> 00:27:37,140

Allison and a lot of people love my

583

00:27:42,020 --> 00:27:39,390

Allison because you know from blood

584

00:27:43,340 --> 00:27:42,030

issues to keeping good and all that kind

585

00:27:44,840 --> 00:27:43,350

of stuff and not getting sick that's all

586

00:27:48,380 --> 00:27:44,850

wonderful but anyway we got the Big AI

587

00:27:50,090 --> 00:27:48,390

and it's not now a four month supply you

588

00:27:51,350 --> 00:27:50,100

can get the 2 month supply so but you

589

00:27:52,610 --> 00:27:51,360

saving more money if you buy the four

590

00:27:54,800 --> 00:27:52,620

month supply so it's sitting right on

591

00:27:56,000 --> 00:27:54,810

the front page on the specials and you

592

00:27:58,130 --> 00:27:56,010

just roll down there and of course if

593

00:27:59,360 --> 00:27:58,140

you mentioned fader guess what you get

594

00:28:01,130 --> 00:27:59,370

free shipping no matter what you buy

595

00:28:02,900 --> 00:28:01,140

that's what I'm talking about Ronnie

596

00:28:05,180 --> 00:28:02,910

thank you so much in the last tweet that

597

00:28:07,520 --> 00:28:05,190

just came in 22 seconds ago how can you

598

00:28:08,420 --> 00:28:07,530

market your fabulous tee with a flipping

599

00:28:13,100 --> 00:28:08,430

flip phone

600

00:28:15,350 --> 00:28:13,110

I'm just saying Ronnie I'm just saying I

601
00:28:17,360 --> 00:28:15,360
love that person whoever did that you

602
00:28:19,340 --> 00:28:17,370
are on target yeah there you go Ronnie

603
00:28:21,350 --> 00:28:19,350
thank you so much my friend be safe out

604
00:28:24,410 --> 00:28:21,360
there and and good luck with the race

605
00:28:26,090 --> 00:28:24,420
this weekend keep us posted all right

606
00:28:29,240 --> 00:28:26,100
thanks so much Jim yeah Thank You Ronnie

607
00:28:32,210 --> 00:28:29,250
Ronnie McMullen life change t I got to

608
00:28:35,090 --> 00:28:32,220
do life change t.com the banners are

609
00:28:39,110 --> 00:28:35,100
over at Jimmy Church radio calm the

610
00:28:40,670 --> 00:28:39,120
promo code is fader fa d ER you're gonna

611
00:28:40,910 --> 00:28:40,680
get free shipping and no matter what you

612
00:28:43,790 --> 00:28:40,920
order

613
00:28:45,950 --> 00:28:43,800

that's what Ronnie just said your fate

614

00:28:47,570 --> 00:28:45,960

or not you know somebody that's what I'm

615

00:28:51,320 --> 00:28:47,580

talking about don't forget about ancient

616

00:28:54,320 --> 00:28:51,330

life oil I'll be right back with the one

617

00:28:54,930 --> 00:28:54,330

and only John Rappaport I'll be right

618

00:29:22,840 --> 00:28:54,940

back

619

00:30:08,530 --> 00:29:31,180

[Music]

620

00:30:11,880 --> 00:30:08,540

you're listening to Jimmy Church fade to

621

00:30:15,880 --> 00:30:15,050

fade to black will now pause for a today

622

00:30:19,230 --> 00:30:15,890

[Applause]

623

00:30:28,900 --> 00:30:26,500

GRA radio when you take the beams from

624

00:30:31,300 --> 00:30:28,910

Central America with dashes of

625

00:30:33,730 --> 00:30:31,310

Indonesian and African mixed in and then

626

00:30:36,580 --> 00:30:33,740

roasted to the dark side of fade to

627

00:30:39,730 --> 00:30:36,590

black you create the ultimate brew of

628

00:30:43,480 --> 00:30:39,740

Fringe introducing the fade to black

629

00:30:46,090 --> 00:30:43,490

blend from river moon coffee yes River

630

00:30:48,870 --> 00:30:46,100

moons darkest customized roast was

631

00:30:52,120 --> 00:30:48,880

created for the love of fade to black

632

00:30:54,790 --> 00:30:52,130

the alchemy of masterful roasting and

633

00:30:58,360 --> 00:30:54,800

smoking the beans is in every sip of

634

00:31:01,360 --> 00:30:58,370

this full-bodied dark Java I need my

635

00:31:03,220 --> 00:31:01,370

coffee dog deep with distinct

636

00:31:06,400 --> 00:31:03,230

bittersweet chocolate highlights just

637

00:31:08,830 --> 00:31:06,410

like the bunker leaning further into the

638

00:31:12,100 --> 00:31:08,840

darkness of the roast is fade to black

639

00:31:13,750 --> 00:31:12,110

blend from river moon coffee just click

640

00:31:17,080 --> 00:31:13,760

on the banner at Jimmy Church radio.com

641

00:31:22,530 --> 00:31:17,090

and use the promo code F to B blend for

642

00:31:25,120 --> 00:31:22,540

15% off of your order today gobekli tepe

643

00:31:27,040 --> 00:31:25,130

natural help solutions with Chris and

644

00:31:27,640 --> 00:31:27,050

Robbie hey Ronnie how you doing great

645

00:31:30,340 --> 00:31:27,650

Chris

646

00:31:33,220 --> 00:31:30,350

now you're the CEO of get the t-dot-com

647

00:31:35,560 --> 00:31:33,230

right yes I am what is get the t.com I

648

00:31:38,170 --> 00:31:35,570

mean is this tea you buy in a store well

649

00:31:40,810 --> 00:31:38,180

no it's not I've changed teas just that

650

00:31:43,090 --> 00:31:40,820

life changing life change tea is an

651
00:31:45,280 --> 00:31:43,100
herbal tea that gently cleanses your

652
00:31:47,620 --> 00:31:45,290
body from intruders what do you mean by

653
00:31:50,170 --> 00:31:47,630
intruders well intruders are toxins

654
00:31:52,660 --> 00:31:50,180
chemicals GMOs heavy metals and more

655
00:31:55,480 --> 00:31:52,670
there are food in our water in our air

656
00:31:58,180 --> 00:31:55,490
we breathe seriously yeah seriously

657
00:32:01,120 --> 00:31:58,190
and life changed tea will help you with

658
00:32:02,770 --> 00:32:01,130
removing these as you say intruders SRA

659
00:32:04,120 --> 00:32:02,780
Chris are there side effects with this

660
00:32:06,520 --> 00:32:04,130
tea well you might lose a little weight

661
00:32:08,260 --> 00:32:06,530
when you clean your colon you lose

662
00:32:09,430 --> 00:32:08,270
weight you feel better and you have more

663
00:32:11,620 --> 00:32:09,440

energy Wow

664

00:32:12,940 --> 00:32:11,630

Ronnie where can people purchase life

665

00:32:16,120 --> 00:32:12,950

change tea oh that's easy

666

00:32:18,670 --> 00:32:16,130

get the tea calm that's get the tea

667

00:32:19,450 --> 00:32:18,680

eea calm funny I want to thank you for

668

00:32:22,690 --> 00:32:19,460

being on the show

669

00:32:28,750 --> 00:32:22,700

people don't forget get the T te a.com

670

00:32:29,920 --> 00:32:28,760

nine out of ten geneticists agreed fade

671

00:32:35,320 --> 00:32:29,930

to black

672

00:32:39,700 --> 00:32:35,330

is not your father's radio show on the

673

00:32:46,060 --> 00:32:39,710

game changer radio network and k GRA the

674

00:32:47,680 --> 00:32:46,070

planet KCRA this summer tickets and

675

00:32:49,870 --> 00:32:47,690

hotel accommodations to the biggest

676

00:32:52,060 --> 00:32:49,880

conferences autographed books and DVDs

677

00:32:54,100 --> 00:32:52,070

chances to win all-inclusive conference

678

00:32:57,460 --> 00:32:54,110

cruises and private dinners with your

679

00:33:00,100 --> 00:32:57,470

favorite kgr a hosts click the contest

680

00:33:02,200 --> 00:33:00,110

to have a K GRA radio.com for your

681

00:33:04,390 --> 00:33:02,210

chance to win big this summer your

682

00:33:11,820 --> 00:33:04,400

contact for the best alternative talk

683

00:33:16,240 --> 00:33:14,530

hi this is Rob Reiner from Apple and

684

00:33:26,160 --> 00:33:16,250

you're listening to Jimmy Church

685

00:33:33,580 --> 00:33:30,370

and now coming to you from the no more

686

00:33:36,040 --> 00:33:33,590

fake newsroom in deep space which is the

687

00:33:38,440 --> 00:33:36,050

space that we suspect to be true that

688

00:33:40,810 --> 00:33:38,450

the world as it is fed to us every day

689

00:33:43,510 --> 00:33:40,820

by the Ministry of Truth is a lie a

690

00:33:46,360 --> 00:33:43,520

false reality a movie projected on the

691

00:33:48,640 --> 00:33:46,370

screen of our subconscious this however

692

00:33:51,040 --> 00:33:48,650

is the breakout all the screens crash

693

00:33:53,080 --> 00:33:51,050

they all go down and we see the light of

694

00:33:57,040 --> 00:33:53,090

day a new day

695

00:34:00,610 --> 00:33:57,050

no more robots no more androids it's the

696

00:34:04,030 --> 00:34:00,620

no more fake newsroom with Jon Rappoport

697

00:34:13,200 --> 00:34:04,040

take it away Jon Thank You janae thank

698

00:34:15,310 --> 00:34:13,210

you well back again with more news folks

699

00:34:20,020 --> 00:34:15,320

where do we begin

700

00:34:23,530 --> 00:34:20,030

I want to begin and I'm taking a chance

701
00:34:26,350 --> 00:34:23,540
here ok I want to begin with the stock

702
00:34:27,119 --> 00:34:26,360
market I want to talk a little bit about

703
00:34:30,010 --> 00:34:27,129
it

704
00:34:34,690 --> 00:34:30,020
Trump figures into this Goldman Sachs

705
00:34:39,310 --> 00:34:34,700
figures into this all president's figure

706
00:34:42,550 --> 00:34:39,320
into this the economy I'm gonna try to

707
00:34:46,300 --> 00:34:42,560
break this down for you it's one of

708
00:34:49,960 --> 00:34:46,310
these huge stories you know some stories

709
00:34:52,360 --> 00:34:49,970
the first time you try it on people they

710
00:34:55,810 --> 00:34:52,370
don't get it you try it again by the

711
00:34:59,790 --> 00:34:55,820
10th or 15th or 20th time they begin to

712
00:35:03,100 --> 00:34:59,800
come around so I'm gonna try it from

713
00:35:05,950 --> 00:35:03,110

many angles before I'm done and here's

714

00:35:08,680 --> 00:35:05,960

that here's another one what do you

715

00:35:11,110 --> 00:35:08,690

think the stock market in America has to

716

00:35:13,480 --> 00:35:11,120

do with the overall economy I mean the

717

00:35:20,110 --> 00:35:13,490

health or sickness of the overall

718

00:35:22,240 --> 00:35:20,120

economy well if you follow the

719

00:35:23,880 --> 00:35:22,250

newspapers and you listen to the people

720

00:35:25,650 --> 00:35:23,890

on TV

721

00:35:27,390 --> 00:35:25,660

give you the financial news if you

722

00:35:29,430 --> 00:35:27,400

listen to almost everybody they'll say

723

00:35:32,430 --> 00:35:29,440

that the two things are inextricably

724

00:35:34,739 --> 00:35:32,440

connected and one depends on the other

725

00:35:37,700 --> 00:35:34,749

and the other depends on the first and

726

00:35:41,749 --> 00:35:37,710

so on and so forth and pop up up about

727

00:35:45,599 --> 00:35:41,759

stock market falls down industrials fall

728

00:35:49,890 --> 00:35:45,609

economy slumps or economies in terrible

729

00:35:51,720 --> 00:35:49,900

shape or whatever right I mean isn't

730

00:35:56,609 --> 00:35:51,730

that what we've all been taught to

731

00:35:59,599 --> 00:35:56,619

believe that one the stock market tells

732

00:36:05,640 --> 00:35:59,609

you how the overall economy is doing

733

00:36:07,859 --> 00:36:05,650

right well I'm here to tell you that

734

00:36:09,809 --> 00:36:07,869

this is a gigantic hoax and a lie that's

735

00:36:12,120 --> 00:36:09,819

been perpetrated for a very long time

736

00:36:16,019 --> 00:36:12,130

and there's a lot of people in on it

737

00:36:19,710 --> 00:36:16,029

but most of them believe the lie better

738

00:36:20,849 --> 00:36:19,720

which happens in a conspiracy most of

739

00:36:22,979 --> 00:36:20,859

the people that go along with the

740

00:36:28,559 --> 00:36:22,989

conspiracy they're not part of the

741

00:36:32,089 --> 00:36:28,569

conspiracy they believe in the why the

742

00:36:39,089 --> 00:36:32,099

stock market is a gigantic Vegas casino

743

00:36:41,700 --> 00:36:39,099

okay that's what it is people bet that

744

00:36:44,099 --> 00:36:41,710

on the price of the stock of a company

745

00:36:45,720 --> 00:36:44,109

or many companies is it going to go up

746

00:36:51,150 --> 00:36:45,730

or is it going to go down you can bet

747

00:36:54,210 --> 00:36:51,160

either way in the stock market if you

748

00:36:55,710 --> 00:36:54,220

think the stock is gonna go down you do

749

00:36:57,870 --> 00:36:55,720

what's called sell short and if you

750

00:37:03,289 --> 00:36:57,880

think it's gonna go up you do what's

751
00:37:08,519 --> 00:37:03,299
called betting long it's the casino okay

752
00:37:11,549 --> 00:37:08,529
now it's true that when a privately held

753
00:37:14,910 --> 00:37:11,559
company goes public and starts to sell

754
00:37:17,910 --> 00:37:14,920
shares of stock in the initial public

755
00:37:20,489 --> 00:37:17,920
offering or IPO as its called there's a

756
00:37:23,400 --> 00:37:20,499
limited time period where the price of

757
00:37:28,370 --> 00:37:23,410
the stock if it goes up that company

758
00:37:32,670 --> 00:37:28,380
gets money but they can use to expand

759
00:37:34,380 --> 00:37:32,680
but by and large the overwhelming amount

760
00:37:36,790 --> 00:37:34,390
of trading that goes on in the stock

761
00:37:39,320 --> 00:37:36,800
market

762
00:37:41,240 --> 00:37:39,330
buying selling buying selling buying

763
00:37:44,780 --> 00:37:41,250

selling it's all speculation it's all a

764

00:37:48,110 --> 00:37:44,790

gigantic roulette wheel it's all like a

765

00:37:49,760 --> 00:37:48,120

Vegas casino that's nothing to do with

766

00:37:51,890 --> 00:37:49,770

the condition of the overall economy

767

00:37:52,990 --> 00:37:51,900

which has to do with production and so

768

00:37:56,450 --> 00:37:53,000

on and so forth

769

00:38:01,040 --> 00:37:56,460

buying producing goods and selling them

770

00:38:04,300 --> 00:38:01,050

producing services selling them why am I

771

00:38:10,580 --> 00:38:07,250

because the stock market is rigged by

772

00:38:13,790 --> 00:38:10,590

insiders who can send it up or take it

773

00:38:19,940 --> 00:38:13,800

down some of those insiders work at the

774

00:38:23,600 --> 00:38:19,950

Federal Reserve so let's say you control

775

00:38:25,010 --> 00:38:23,610

the stock market and you could send it

776

00:38:26,750 --> 00:38:25,020

in either direction and there was a

777

00:38:29,540 --> 00:38:26,760

president in the White House that you

778

00:38:31,550 --> 00:38:29,550

didn't like I'm not just talking about

779

00:38:33,980 --> 00:38:31,560

Trump could have been Obama could have

780

00:38:40,820 --> 00:38:33,990

been Bush Clinton whatever or a future

781

00:38:43,370 --> 00:38:40,830

president you know you know that the

782

00:38:46,010 --> 00:38:43,380

overwhelming perception is that if the

783

00:38:48,410 --> 00:38:46,020

stock market crashes or goes down very

784

00:38:51,440 --> 00:38:48,420

seriously people are going to blame the

785

00:38:54,650 --> 00:38:51,450

president's overall economic policies

786

00:38:56,930 --> 00:38:54,660

because they believe that the stock

787

00:38:59,390 --> 00:38:56,940

market is reflecting the nature of the

788

00:39:01,460 --> 00:38:59,400

overall economy and so you don't like

789

00:39:04,610 --> 00:39:01,470

this president you take the stock market

790

00:39:10,040 --> 00:39:04,620

down if you're an insider or a group of

791

00:39:15,670 --> 00:39:10,050

insiders and it works even though the

792

00:39:26,440 --> 00:39:23,090

following me so far now if you can rig

793

00:39:30,170 --> 00:39:26,450

the stock market and you can therefore

794

00:39:31,820 --> 00:39:30,180

convince 98% of the people depending on

795

00:39:33,890 --> 00:39:31,830

how you rigged it that the stock that

796

00:39:36,830 --> 00:39:33,900

the economy the overall economy the

797

00:39:37,490 --> 00:39:36,840

country is either very healthy or very

798

00:39:42,620 --> 00:39:37,500

horrible

799

00:39:45,470 --> 00:39:42,630

you can also torpedo or raise up high a

800

00:39:49,150 --> 00:39:45,480

president and his economic policies what

801
00:39:53,829 --> 00:39:49,160
has Trump just done for the moment

802
00:39:57,249 --> 00:39:53,839
put a tariff on steel and aluminum 25%

803
00:39:59,829 --> 00:39:57,259
on imported steel and 10% on aluminum

804
00:40:04,470 --> 00:39:59,839
Richard Nixon tried the same thing and

805
00:40:10,900 --> 00:40:09,190
that's right that's right and when he

806
00:40:13,779 --> 00:40:10,910
was kicked out of the White House David

807
00:40:16,150 --> 00:40:13,789
Rockefeller gave a speech in Europe to

808
00:40:18,069 --> 00:40:16,160
very concerned financial insiders and

809
00:40:20,440 --> 00:40:18,079
told them basically everything is back

810
00:40:23,499 --> 00:40:20,450
on track don't worry about it

811
00:40:25,960 --> 00:40:23,509
well he was right because Gerald Ford

812
00:40:28,690 --> 00:40:25,970
was now the president and Ford had

813
00:40:31,329 --> 00:40:28,700

picked David Rockefellers brother Nelson

814

00:40:36,970 --> 00:40:31,339

to be the vice president everything was

815

00:40:40,870 --> 00:40:36,980

back on track now Trump one of his chief

816

00:40:43,839 --> 00:40:40,880

economic advisors right near the top was

817

00:40:46,660 --> 00:40:43,849

until a few days ago Gary Cohen who is

818

00:40:51,430 --> 00:40:46,670

Gary Cohen he's the former CEO and

819

00:40:53,609 --> 00:40:51,440

president of Goldman Sachs an investment

820

00:40:58,029 --> 00:40:53,619

bank one of the biggest in the world a

821

00:41:00,759 --> 00:40:58,039

real insider and I've been writing for

822

00:41:07,960 --> 00:41:00,769

quite some time now and even mentioning

823

00:41:09,849 --> 00:41:07,970

on this show the art of the deal why did

824

00:41:11,829 --> 00:41:09,859

Trump surrounded himself with Goldman

825

00:41:14,950 --> 00:41:11,839

Sachs people because they could do

826

00:41:22,870 --> 00:41:14,960

something for him they could keep the

827

00:41:24,819 --> 00:41:22,880

stock market up it's right every

828

00:41:27,609 --> 00:41:24,829

president needs to do that because every

829

00:41:30,460 --> 00:41:27,619

president knows that the perception is

830

00:41:32,559 --> 00:41:30,470

that as the stock market goes so goes

831

00:41:36,730 --> 00:41:32,569

the perception of how the overall

832

00:41:42,160 --> 00:41:36,740

economy is doing and who gets the blame

833

00:41:47,200 --> 00:41:42,170

for what seems to be bad overall economy

834

00:41:50,230 --> 00:41:47,210

the president in Trump's case he made

835

00:41:56,170 --> 00:41:50,240

the his deal with Goldman Sachs why did

836

00:42:01,080 --> 00:41:56,180

Gary cone resign because Trump went

837

00:42:05,560 --> 00:42:01,090

against the rules of the game

838

00:42:09,010 --> 00:42:05,570

maybe there's more to come Trump played

839

00:42:12,420 --> 00:42:09,020

on tariffs which is anti-globalist in

840

00:42:15,010 --> 00:42:12,430

the most serious way possible because

841

00:42:17,920 --> 00:42:15,020

globalism is all about letting mega

842

00:42:20,500 --> 00:42:17,930

corporations run the world and the one

843

00:42:23,020 --> 00:42:20,510

thing that mega corporations want to do

844

00:42:26,200 --> 00:42:23,030

is to be able to set up their factories

845

00:42:30,940 --> 00:42:26,210

anywhere in the world slave wages no

846

00:42:32,740 --> 00:42:30,950

environmental protections produce goods

847

00:42:34,420 --> 00:42:32,750

for a fraction of what they would cost

848

00:42:36,910 --> 00:42:34,430

if they produce them in the United

849

00:42:41,970 --> 00:42:36,920

States and then they want to export them

850

00:42:49,530 --> 00:42:46,900

with no tariffs because what do tariffs

851

00:42:53,290 --> 00:42:49,540

do they level the playing field

852

00:42:57,720 --> 00:42:53,300

they make steel producers and aluminum

853

00:43:00,700 --> 00:42:57,730

producers in the u.s. strong because now

854

00:43:04,660 --> 00:43:00,710

domestic producers of steel and aluminum

855

00:43:08,260 --> 00:43:04,670

can sell those products here in the u.s.

856

00:43:11,109 --> 00:43:08,270

at virtually the same price or even

857

00:43:16,140 --> 00:43:11,119

lower than those mega corporations who

858

00:43:23,890 --> 00:43:16,150

set up steel and aluminum in foreign

859

00:43:27,130 --> 00:43:23,900

places you're with me some of you will

860

00:43:34,420 --> 00:43:27,140

be some of you won't be that's the way

861

00:43:38,530 --> 00:43:34,430

it is when you break a perception when

862

00:43:40,720 --> 00:43:38,540

you say guess what the virus that they

863

00:43:43,630 --> 00:43:40,730

say causes the disease doesn't even

864

00:43:45,840 --> 00:43:43,640

exist you've got to keep hammering away

865

00:43:49,030 --> 00:43:45,850

at that story from many different angles

866

00:43:53,250 --> 00:43:49,040

before some people begin to see the

867

00:43:58,450 --> 00:43:53,260

light well this is that kind of story

868

00:44:03,400 --> 00:43:58,460

this is that kind of digging down deep

869

00:44:09,440 --> 00:44:03,410

into the roots of perception to find the

870

00:44:15,749 --> 00:44:13,319

it's not easy to make these leaps when

871

00:44:19,499 --> 00:44:15,759

everybody has been mind controlled and

872

00:44:23,970 --> 00:44:19,509

trained to believe that as the stock

873

00:44:26,130 --> 00:44:23,980

market goes so goes the economy the

874

00:44:31,230 --> 00:44:26,140

people who really make money off of the

875

00:44:34,099 --> 00:44:31,240

stock market are the insiders they make

876

00:44:41,640 --> 00:44:34,109

gigantic sums going up and coming down

877

00:44:43,950 --> 00:44:41,650

it's a casino folks a vast casino that

878

00:44:46,640 --> 00:44:43,960

more or less exists in a vacuum and has

879

00:44:52,230 --> 00:44:46,650

nothing to do with anything but itself

880

00:44:56,279 --> 00:44:52,240

just like a Vegas casino does are you

881

00:45:01,829 --> 00:44:56,289

going to say that the casino at the

882

00:45:06,180 --> 00:45:01,839

bel-air or the Wynn the fate of that

883

00:45:08,279 --> 00:45:06,190

casino has something to do in a very

884

00:45:10,559 --> 00:45:08,289

very large way with the health or the

885

00:45:12,900 --> 00:45:10,569

sickness of the US economy of course not

886

00:45:20,370 --> 00:45:12,910

well neither should you say that about

887

00:45:26,549 --> 00:45:20,380

the stock market but the insiders who

888

00:45:31,289 --> 00:45:26,559

are globalists can control a president

889

00:45:35,880 --> 00:45:31,299

no matter who he is beyond the power of

890

00:45:39,450 --> 00:45:35,890

the President and they could if they

891

00:45:42,749 --> 00:45:39,460

want to take the stock market down right

892

00:45:44,880 --> 00:45:42,759

now really really down not just the

893

00:45:47,789 --> 00:45:44,890

little flickers of down that you've been

894

00:45:49,859 --> 00:45:47,799

seeing we don't know exactly what's

895

00:45:52,700 --> 00:45:49,869

going to happen or what compromises

896

00:45:57,269 --> 00:45:52,710

Trump is going to make he's already

897

00:46:00,930 --> 00:45:57,279

seemingly said that Canada and Mexico

898

00:46:05,120 --> 00:46:00,940

are exempt from any kind of tariffs when

899

00:46:10,099 --> 00:46:05,130

they send goods into the US and if so

900

00:46:18,099 --> 00:46:10,109

Goldman Sachs might say okay okay Don

901
00:46:21,910 --> 00:46:18,109
okay you're still good we'll see

902
00:46:24,940 --> 00:46:21,920
but keep what I'm saying in mind think

903
00:46:29,130 --> 00:46:24,950
about it look into it yourself

904
00:46:32,680 --> 00:46:29,140
research it you've got wall-to-wall

905
00:46:37,749 --> 00:46:32,690
pundits on television you've got

906
00:46:42,460 --> 00:46:37,759
financial economic academics you've got

907
00:46:46,269 --> 00:46:42,470
everybody who has the slightest taint or

908
00:46:50,019 --> 00:46:46,279
hint of globalism about them who will

909
00:46:52,390 --> 00:46:50,029
tell you that indeed as the stock market

910
00:46:55,589 --> 00:46:52,400
goes that's the sign of how the economy

911
00:47:04,380 --> 00:46:55,599
is doing and that's late at the door of

912
00:47:08,319 --> 00:47:04,390
the president this is a gigantic story

913
00:47:13,509 --> 00:47:08,329

number two last week I talked about

914

00:47:20,499 --> 00:47:13,519

genetically engineered humans that was a

915

00:47:22,329 --> 00:47:20,509

big one a lot of people started giving

916

00:47:25,620 --> 00:47:22,339

that a lot of thought so I've got an

917

00:47:29,650 --> 00:47:25,630

article to read to you from Japan news a

918

00:47:33,970 --> 00:47:29,660

current article March scientists

919

00:47:39,460 --> 00:47:33,980

developed pigs for transplants meaning

920

00:47:43,269 --> 00:47:39,470

human transplants this is just

921

00:47:45,039 --> 00:47:43,279

unbelievable a team of scientists I'm

922

00:47:47,620 --> 00:47:45,049

quoting the story says that has created

923

00:47:53,349 --> 00:47:47,630

a pig that can be used in

924

00:47:55,229 --> 00:47:53,359

transplantation as in humans according

925

00:47:58,420 --> 00:47:55,239

to the team

926

00:48:01,839 --> 00:47:58,430

researchers from Meiji University in

927

00:48:03,970 --> 00:48:01,849

Kyoto prefecture all University the

928

00:48:07,059 --> 00:48:03,980

animal is the first to be developed for

929

00:48:11,410 --> 00:48:07,069

transplantation based on national

930

00:48:15,130 --> 00:48:11,420

guidelines in which animal organs and

931

00:48:17,470 --> 00:48:15,140

cells are transplanted into humans now

932

00:48:19,529 --> 00:48:17,480

so far we don't exactly know what

933

00:48:26,079 --> 00:48:19,539

they're talking about because it's so

934

00:48:28,150 --> 00:48:26,089

wild but we will team will present its

935

00:48:31,390 --> 00:48:28,160

findings to the forum bla bla bla bla

936

00:48:33,849 --> 00:48:31,400

bla now we discover here down

937

00:48:37,650 --> 00:48:33,859

further in the story this is not the

938

00:48:40,690 --> 00:48:37,660

first time more than 200 pig to human

939

00:48:42,910 --> 00:48:40,700

xenotransplantation 's have been

940

00:48:45,670 --> 00:48:42,920

conducted in New Zealand Russia and

941

00:48:49,990 --> 00:48:45,680

other countries in response to a

942

00:48:50,470 --> 00:48:50,000

shortage of organs for transplant here

943

00:48:54,519 --> 00:48:50,480

we go

944

00:48:58,299 --> 00:48:54,529

as Pango organs are functionally similar

945

00:49:01,630 --> 00:48:58,309

to those of humans no such as Z no

946

00:49:07,150 --> 00:49:01,640

transplantation 's have been conducted

947

00:49:11,370 --> 00:49:07,160

in Japan so what they're talking about

948

00:49:16,870 --> 00:49:11,380

is actually transplanting pig organs in

949

00:49:21,880 --> 00:49:16,880

these special pigs into humans that is

950

00:49:25,870 --> 00:49:21,890

what they are talking about the

951
00:49:27,789 --> 00:49:25,880
guidelines they're talking about Japan

952
00:49:30,010 --> 00:49:27,799
require pigs to be raised in a clean

953
00:49:33,099 --> 00:49:30,020
isolated environment tested for 40

954
00:49:36,370 --> 00:49:33,109
different kinds of viruses to prevent

955
00:49:39,670 --> 00:49:36,380
infections and ensure the safety of

956
00:49:42,250 --> 00:49:39,680
humans the scientists raised the

957
00:49:46,019 --> 00:49:42,260
miniature pigs in pathogen free

958
00:49:49,180 --> 00:49:46,029
conditions they first removed and

959
00:49:52,900 --> 00:49:49,190
disinfected the uterus of three pregnant

960
00:49:57,370 --> 00:49:52,910
pigs before extracting 17 newborn

961
00:49:59,079 --> 00:49:57,380
piglets the piglets were fed sterile

962
00:50:01,569 --> 00:49:59,089
artificial milk and raised for three

963
00:50:04,120 --> 00:50:01,579

weeks the final result yielded pigs that

964

00:50:07,900 --> 00:50:04,130

each weighed about 1.8 kilograms and

965

00:50:09,549 --> 00:50:07,910

were suitable for transplantation now of

966

00:50:11,740 --> 00:50:09,559

course it's not going to transplant the

967

00:50:16,329 --> 00:50:11,750

pigs into humans they're going to take

968

00:50:19,930 --> 00:50:16,339

organs from these pigs now here's the

969

00:50:23,230 --> 00:50:19,940

key sentence tests thus far have only

970

00:50:26,349 --> 00:50:23,240

revealed the presence of a retrovirus

971

00:50:29,529 --> 00:50:26,359

that is harmless to pigs but said to

972

00:50:32,910 --> 00:50:29,539

potentially cause unknown diseases in

973

00:50:36,880 --> 00:50:32,920

humans in other words they're saying

974

00:50:39,130 --> 00:50:36,890

there is a retrovirus a type of virus

975

00:50:42,880 --> 00:50:39,140

that they don't seem to be able to

976
00:50:44,370 --> 00:50:42,890
remove from the pigs before they take

977
00:50:50,640 --> 00:50:44,380
out pig organs and

978
00:50:53,099 --> 00:50:50,650
put them into humans however there have

979
00:50:55,289 --> 00:50:53,109
been no reports of pig to human retro

980
00:51:04,559 --> 00:50:55,299
viral infections and transplants

981
00:51:06,150 --> 00:51:04,569
conducted overseas etc the National

982
00:51:08,730 --> 00:51:06,160
Center for Global Health and medicine in

983
00:51:11,009 --> 00:51:08,740
Tokyo and other institutions plan to

984
00:51:14,880 --> 00:51:11,019
begin clinical studies within three to

985
00:51:17,940 --> 00:51:14,890
five years in which Pig pancreatic cells

986
00:51:21,299 --> 00:51:17,950
will be transplanted to diabetic

987
00:51:25,559 --> 00:51:21,309
patients that's humans we're talking

988
00:51:28,769 --> 00:51:25,569

about pig cells not re-engineered pixels

989

00:51:33,210 --> 00:51:28,779

that somehow make them human cells but

990

00:51:36,569 --> 00:51:33,220

pig cells the cells will be encased in

991

00:51:41,069 --> 00:51:36,579

special capsules to prevent rejection by

992

00:51:43,259 --> 00:51:41,079

the patient the research team is

993

00:51:50,099 --> 00:51:43,269

considering supplying the first batch of

994

00:51:55,980 --> 00:51:50,109

pigs to the institution quote going

995

00:51:58,470 --> 00:51:55,990

forward we would like manipulate we

996

00:52:01,140 --> 00:51:58,480

would like to manipulate the genes of

997

00:52:05,970 --> 00:52:01,150

pigs so they generate less rejection in

998

00:52:06,660 --> 00:52:05,980

patients end quote said professor

999

00:52:10,109 --> 00:52:06,670

Hiroshi

1000

00:52:14,630 --> 00:52:10,119

Nagashima a member of the research team

1001
00:52:19,249 --> 00:52:14,640
end quote end of story

1002
00:52:30,799 --> 00:52:24,440
now there's a graphic here in the

1003
00:52:39,450 --> 00:52:36,720
WWE Japan news.com that's the website

1004
00:52:43,230 --> 00:52:39,460
and the article of science scientists

1005
00:52:47,700 --> 00:52:43,240
developed pigs for transplants and here

1006
00:52:50,130 --> 00:52:47,710
in the graphic we have the steps remove

1007
00:52:53,069 --> 00:52:50,140
uterus from pregnant pig just before

1008
00:52:56,370 --> 00:52:53,079
delivery and disinfect take newborn

1009
00:52:58,380 --> 00:52:56,380
piglets out of uterus in pathogen free

1010
00:53:02,130 --> 00:52:58,390
room raised with

1011
00:53:05,099 --> 00:53:02,140
darrel artificial milk raised piglets

1012
00:53:08,490 --> 00:53:05,109
for three weeks conduct virus tests on

1013
00:53:11,210 --> 00:53:08,500

pancreas liver kidneys other organs and

1014

00:53:15,569 --> 00:53:11,220

then in the future

1015

00:53:19,289 --> 00:53:15,579

transplant pig organs cells into

1016

00:53:27,180 --> 00:53:19,299

patients meaning humans they say in the

1017

00:53:30,740 --> 00:53:27,190

future but again from the article quote

1018

00:53:34,950 --> 00:53:30,750

more than 250 human xenotransplantation

1019

00:53:38,190 --> 00:53:34,960

have been conducted in New Zealand

1020

00:53:41,039 --> 00:53:38,200

Russia and other countries in response

1021

00:53:42,390 --> 00:53:41,049

to a shortage of organs for transplants

1022

00:53:46,349 --> 00:53:42,400

meaning into humans

1023

00:53:56,970 --> 00:53:46,359

as Pig organs are functionally similar

1024

00:54:00,440 --> 00:53:56,980

to those of humans so we are looking

1025

00:54:05,640 --> 00:54:00,450

right now I mean it's already happened

1026
00:54:07,759 --> 00:54:05,650
more than 200 times and now in Japan

1027
00:54:13,670 --> 00:54:07,769
they're saying three to five years

1028
00:54:24,089 --> 00:54:13,680
they'll be starting clinical trials for

1029
00:54:27,150 --> 00:54:24,099
humans take organs into humans what do

1030
00:54:32,880 --> 00:54:27,160
you think would you like to have a pig

1031
00:54:35,039 --> 00:54:32,890
organ inside you Jimmy

1032
00:54:38,779 --> 00:54:35,049
what do you think I eat a lot of bacon

1033
00:54:43,499 --> 00:54:38,789
John upon the day already do you know

1034
00:54:47,220 --> 00:54:43,509
okay you know that is you've done a lot

1035
00:54:52,920 --> 00:54:47,230
of you know disturbing things on the

1036
00:54:56,970 --> 00:54:52,930
show but I you know that that's pretty

1037
00:54:59,789 --> 00:54:56,980
frightening but I I was thinking and

1038
00:55:02,220 --> 00:54:59,799

Reid and I were you know texting back

1039

00:55:04,529 --> 00:55:02,230

and forth haven't they didn't they

1040

00:55:07,849 --> 00:55:04,539

transplant were they using pig hearts at

1041

00:55:10,970 --> 00:55:07,859

one point or didn't they try to I

1042

00:55:14,989 --> 00:55:10,980

No yeah my memoirs right yeah my memory

1043

00:55:17,059 --> 00:55:14,999

says valves and hearts but it didn't

1044

00:55:18,499 --> 00:55:17,069

work but I think that they tried it I

1045

00:55:21,349 --> 00:55:18,509

don't think that there's a human walking

1046

00:55:23,960 --> 00:55:21,359

around with a pig heart today but my

1047

00:55:27,319 --> 00:55:23,970

memory says something about that

1048

00:55:31,549 --> 00:55:27,329

which goes back to your point the the

1049

00:55:35,539 --> 00:55:31,559

organs are very very very similar you

1050

00:55:37,970 --> 00:55:35,549

know so I don't how are you with that

1051

00:55:41,299 --> 00:55:37,980

it's a disturbing thought right good not

1052

00:55:43,849 --> 00:55:41,309

good at all now if somebody says okay

1053

00:55:47,509 --> 00:55:43,859

we're gonna give you a pig kidney or

1054

00:55:51,920 --> 00:55:47,519

intestine or yeah right right I'm gonna

1055

00:55:54,109 --> 00:55:51,930

say no thanks you would rather you would

1056

00:55:57,460 --> 00:55:54,119

rather go six feet under or go through

1057

00:56:02,479 --> 00:55:57,470

dialysis instead of taking the chance

1058

00:56:05,420 --> 00:56:02,489

yeah I think so yeah yeah I here's a

1059

00:56:06,140 --> 00:56:05,430

liver from a pig here's a pancreas from

1060

00:56:12,799 --> 00:56:06,150

a pig

1061

00:56:17,029 --> 00:56:12,809

now let's okay I've got two minutes

1062

00:56:19,940 --> 00:56:17,039

let's let's suppose something pancreatic

1063

00:56:21,739 --> 00:56:19,950

cancer is the one cancer that a doctor

1064

00:56:25,160 --> 00:56:21,749

will tell you that's the one they don't

1065

00:56:27,769 --> 00:56:25,170

want right mm-hm okay and you're

1066

00:56:32,479 --> 00:56:27,779

diagnosed with that and and that's it

1067

00:56:35,470 --> 00:56:32,489

you are terminal so why not take a

1068

00:56:39,650 --> 00:56:35,480

chance if you mean if your terminal and

1069

00:56:42,019 --> 00:56:39,660

you can I don't know you know okay well

1070

00:56:43,759 --> 00:56:42,029

you're I mean this is a great point you

1071

00:56:46,220 --> 00:56:43,769

bring up because this is how they do it

1072

00:56:48,739 --> 00:56:46,230

see right in other words they got you

1073

00:56:51,620 --> 00:56:48,749

right they got you right there saying

1074

00:56:54,829 --> 00:56:51,630

okay look you're gonna die in six weeks

1075

00:56:58,099 --> 00:56:54,839

right now we have a beautiful pancreas

1076

00:57:01,009 --> 00:56:58,109

waiting for you the only another thing

1077

00:57:03,829 --> 00:57:01,019

is the comes from Pig right I got you

1078

00:57:06,680 --> 00:57:03,839

yeah I'm and this is how they make the

1079

00:57:09,890 --> 00:57:06,690

this is how they introduce it into

1080

00:57:12,309 --> 00:57:09,900

society right right I gotta say at that

1081

00:57:13,940 --> 00:57:12,319

point you know I'm you know I'm I'm

1082

00:57:17,210 --> 00:57:13,950

atrophied I'm old

1083

00:57:19,370 --> 00:57:17,220

you know I've been bedridden I'm nasty I

1084

00:57:20,510 --> 00:57:19,380

you know and I'm looking at my family

1085

00:57:22,680 --> 00:57:20,520

and I'm thinking

1086

00:57:24,359 --> 00:57:22,690

all right you know if it gives me

1087

00:57:26,849 --> 00:57:24,369

another six months or a year or five

1088

00:57:29,940 --> 00:57:26,859

years or it might work at that point

1089

00:57:34,470 --> 00:57:29,950

yeah and then suppose it does okay right

1090

00:57:37,710 --> 00:57:34,480

so you now become famous because you've

1091

00:57:40,079 --> 00:57:37,720

now lived six months further than they

1092

00:57:43,260 --> 00:57:40,089

thought you could with pancreatic cancer

1093

00:57:45,900 --> 00:57:43,270

right and so do dozen other people

1094

00:57:49,859 --> 00:57:45,910

somewhere around the world okay so now

1095

00:57:53,490 --> 00:57:49,869

this becomes the Gateway for introducing

1096

00:57:56,130 --> 00:57:53,500

Pig organs for all sorts of situations

1097

00:57:59,069 --> 00:57:56,140

that are far less drastic than

1098

00:58:03,540 --> 00:57:59,079

pancreatic cancer this is how they make

1099

00:58:05,520 --> 00:58:03,550

the wedge into you know genetically I

1100

00:58:07,770 --> 00:58:05,530

don't even know if you want to call it

1101
00:58:10,260 --> 00:58:07,780
genetically I mean it's just animal to

1102
00:58:12,359 --> 00:58:10,270
human transfers right in all sorts of

1103
00:58:21,990 --> 00:58:12,369
situations you know what would you know

1104
00:58:27,359 --> 00:58:22,000
what market would collapse bacon at that

1105
00:58:30,870 --> 00:58:27,369
point yeah you might find people

1106
00:58:33,809 --> 00:58:30,880
suddenly saying look we'll take it as a

1107
00:58:36,240 --> 00:58:33,819
surgery but we don't want to eat it

1108
00:58:39,270 --> 00:58:36,250
anymore right that's what I'm saying

1109
00:58:44,339 --> 00:58:39,280
and a-five guide a pig intestine in me

1110
00:58:46,800 --> 00:58:44,349
right am I gonna eat bacon right I'm

1111
00:58:47,579 --> 00:58:46,810
just sitting a ham sandwiches out of the

1112
00:58:49,710 --> 00:58:47,589
question

1113
00:58:51,329 --> 00:58:49,720

I'll have the eggs without the baby i'll

1114

00:58:52,740 --> 00:58:51,339

have the eggs without the bacon thank

1115

00:58:56,609 --> 00:58:52,750

you very much is that cooked in bacon

1116

00:59:00,270 --> 00:58:56,619

fat you know so I you know and I'm not

1117

00:59:01,109 --> 00:59:00,280

making a joke here you know imagine so

1118

00:59:03,390 --> 00:59:01,119

you're sitting

1119

00:59:05,069 --> 00:59:03,400

I've cut I've got a go to commercial

1120

00:59:07,800 --> 00:59:05,079

break in 30 seconds you're sitting with

1121

00:59:10,829 --> 00:59:07,810

friends right and you've got a pig liver

1122

00:59:14,339 --> 00:59:10,839

inside of you life is good and then you

1123

00:59:16,730 --> 00:59:14,349

you accidentally eat something with

1124

00:59:22,230 --> 00:59:16,740

bacon in it and then you just throw up

1125

00:59:24,990 --> 00:59:22,240

because psychologically right right that

1126

00:59:28,559 --> 00:59:25,000

you're your body's now rejecting it

1127

00:59:31,340 --> 00:59:28,569

because you it would be like the mom

1128

00:59:33,440 --> 00:59:31,350

eating the baby

1129

00:59:35,570 --> 00:59:33,450

you know what I mean that's why you

1130

00:59:39,770 --> 00:59:35,580

can't eat chicken and eggs together I

1131

00:59:44,840 --> 00:59:39,780

will never have a you know what I cannot

1132

00:59:49,010 --> 00:59:44,850

eat a chicken chili omelette you can't

1133

00:59:50,900 --> 00:59:49,020

do that thank you for twisting up the

1134

00:59:53,510 --> 00:59:50,910

evening my friend you're the best man

1135

00:59:54,980 --> 00:59:53,520

here Charlie welcome to have a great

1136

00:59:57,650 --> 00:59:54,990

week and we'll see you next week on the

1137

00:59:59,900 --> 00:59:57,660

show okay thank you so much Jon

1138

01:00:02,720 --> 00:59:59,910

Rappoport everybody did he just mess up

1139

01:00:04,730 --> 01:00:02,730

your diet he messed up mine

1140

01:00:06,320 --> 01:00:04,740

this is fade to black I'm your host

1141

01:00:11,630 --> 01:00:06,330

Jimmy churches Thursday night

1142

01:00:15,470 --> 01:00:11,640

it is Fator night we just said chickens

1143

01:00:16,970 --> 01:00:15,480

eat eggs they do not is that true stain

1144

01:00:19,130 --> 01:00:16,980

to black I'm your host Jimmy church open

1145

01:00:21,170 --> 01:00:19,140

lines for the rest of the night three

1146

01:00:23,840 --> 01:00:21,180

two three eight to five five zero four

1147

01:00:26,060 --> 01:00:23,850

or five or three two three two seven

1148

01:00:32,020 --> 01:00:26,070

five nine six nine five it's Thursday

1149

01:00:32,030 --> 01:00:37,240

[Applause]

1150

01:00:41,819 --> 01:00:39,949

[Music]

1151

01:00:43,949 --> 01:00:41,829

this is fade to black

1152

01:00:47,640 --> 01:00:43,959

with Jimmy Church on the game changer

1153

01:00:49,429 --> 01:00:47,650

radio network at K GRA the global radio

1154

01:00:52,739 --> 01:00:49,439

alliance

1155

01:00:56,069 --> 01:00:52,749

this is kera digital broadcasting

1156

01:01:00,539 --> 01:00:56,079

station Salt Lake City Utah Van Buren

1157

01:01:02,759 --> 01:01:00,549

Arkansas hello fader Knotts this is

1158

01:01:03,809 --> 01:01:02,769

Jimmy Church and I'm introducing new

1159

01:01:06,150 --> 01:01:03,819

Pharma

1160

01:01:09,229 --> 01:01:06,160

a company whose products are based on

1161

01:01:13,679 --> 01:01:09,239

science human function based on the

1162

01:01:16,140 --> 01:01:13,689

endocannabinoid system or ECS new pharma

1163

01:01:18,779 --> 01:01:16,150

firmly believes in this science and

1164

01:01:21,660 --> 01:01:18,789

their research indicates that support of

1165

01:01:24,809 --> 01:01:21,670

the EECS provides the beneficial effects

1166

01:01:27,839 --> 01:01:24,819

for a healthy lifestyle new Pharma

1167

01:01:30,719 --> 01:01:27,849

science includes relief capsules for

1168

01:01:32,789 --> 01:01:30,729

pain early sleep capsules which are

1169

01:01:35,789 --> 01:01:32,799

natural support for occasional

1170

01:01:38,999 --> 01:01:35,799

sleeplessness Foundation his support for

1171

01:01:41,609 --> 01:01:39,009

your ECS and fit capsules support your

1172

01:01:43,859 --> 01:01:41,619

active lifestyle just click on the

1173

01:01:46,679 --> 01:01:43,869

banner at Jimmy Church radio.com and use

1174

01:01:49,589 --> 01:01:46,689

the promo code f2b for a 33 percent

1175

01:01:52,620 --> 01:01:49,599

discount on all of their products or

1176

01:01:55,919 --> 01:01:52,630

visit new farm at comm for all of the

1177

01:02:06,780 --> 01:01:55,929

knowledge on the science that's GNU

1178

01:02:11,290 --> 01:02:09,400

hi this is Ray sobs here reppin the

1179

01:02:14,290 --> 01:02:11,300

planet and you're listening to my good

1180

01:02:16,839 --> 01:02:14,300

friend Jimmy Church fade to black

1181

01:02:21,400 --> 01:02:16,849

on the GameChanger network and the kgr a

1182

01:02:23,559 --> 01:02:21,410

digital broadcast station this is Toby

1183

01:02:47,890 --> 01:02:23,569

Kebbell you're listening to Jimmy Church

1184

01:02:51,430 --> 01:02:47,900

radio.com ancient life oil life changing

1185

01:02:54,040 --> 01:02:51,440

the real oil CBD is truly ancient life

1186

01:02:56,559 --> 01:02:54,050

oil from the source this oil has no

1187

01:02:59,650 --> 01:02:56,569

psychoactive effect and is also legal in

1188

01:03:01,569 --> 01:02:59,660

all 50 states when you're healthy you're

1189

01:03:04,089 --> 01:03:01,579

happy the truth about this wonderful

1190

01:03:07,020 --> 01:03:04,099

plant is that it wants to give back to

1191

01:03:10,300 --> 01:03:07,030

mankind life longevity and happiness

1192

01:03:12,790 --> 01:03:10,310

ancient life oil are golden gray all

1193

01:03:15,309 --> 01:03:12,800

organic non-gmo and infused with

1194

01:03:18,400 --> 01:03:15,319

high-quality liquid coconut oil it's

1195

01:03:22,660 --> 01:03:18,410

simple just go to ancient life oil calm

1196

01:03:26,800 --> 01:03:22,670

today that's ancient life oil calm the

1197

01:03:29,349 --> 01:03:26,810

best purest organic and non-gmo CBD in

1198

01:03:30,910 --> 01:03:29,359

the world gobekli tepe

1199

01:03:32,260 --> 01:03:30,920

the statements made regarding these

1200

01:03:33,400 --> 01:03:32,270

products have not been evaluated by the

1201
01:03:34,630 --> 01:03:33,410
Food and Drug Administration these

1202
01:03:36,579 --> 01:03:34,640
products are not intended to diagnose

1203
01:03:37,510 --> 01:03:36,589
treat cure or prevent any disease please

1204
01:03:39,250 --> 01:03:37,520
consult your health care professional

1205
01:03:41,079 --> 01:03:39,260
about potential interactions or other

1206
01:03:42,880 --> 01:03:41,089
possible complications before using any

1207
01:03:44,589 --> 01:03:42,890
product this is Micah Hanks of a

1208
01:03:47,079 --> 01:03:44,599
graylien report and you're listening to

1209
01:03:48,910 --> 01:03:47,089
jimmy church on fade to black across the

1210
01:03:51,550 --> 01:03:48,920
globe on the GameChanger radio network

1211
01:03:52,580 --> 01:03:51,560
and the one and only kgr a radio the

1212
01:04:07,980 --> 01:03:52,590
planet

1213
01:04:07,990 --> 01:04:12,180

[Music]

1214

01:04:17,430 --> 01:04:15,599

all right welcome back here we go this

1215

01:04:19,079 --> 01:04:17,440

is fade to black it's Thursday night

1216

01:04:21,990 --> 01:04:19,089

it's fate or night open lines all night

1217

01:04:23,520 --> 01:04:22,000

long this next segment of the show is

1218

01:04:28,559 --> 01:04:23,530

proudly brought to you by the one and

1219

01:04:30,690 --> 01:04:28,569

only life change team that's right life

1220

01:04:33,870 --> 01:04:30,700

change team just go to the banners over

1221

01:04:37,650 --> 01:04:33,880

at Jimmy Church radio.com click use the

1222

01:04:40,740 --> 01:04:37,660

promo code fader fabr you've got to get

1223

01:04:41,370 --> 01:04:40,750

on the life change tea program it's life

1224

01:04:43,170 --> 01:04:41,380

changing

1225

01:04:46,559 --> 01:04:43,180

it's no joke all of the products that

1226

01:04:48,480 --> 01:04:46,569

they do over there I just I just took GI

1227

01:04:50,790 --> 01:04:48,490

joy right now in the studio here it is

1228

01:04:53,040 --> 01:04:50,800

right here and I would show you in the

1229

01:04:55,470 --> 01:04:53,050

bunker cam but bunker can't ID stopped

1230

01:04:57,690 --> 01:04:55,480

it tonight I just stopped it it's the

1231

01:05:01,770 --> 01:04:57,700

first night I haven't had the bunker cam

1232

01:05:05,010 --> 01:05:01,780

blue light in my face in probably a year

1233

01:05:07,710 --> 01:05:05,020

pretty cool huh there you go I get to I

1234

01:05:10,980 --> 01:05:07,720

get to be myself tonight nobody can see

1235

01:05:13,200 --> 01:05:10,990

me how cool is that all right sorry

1236

01:05:14,880 --> 01:05:13,210

about that but alright three two three

1237

01:05:16,620 --> 01:05:14,890

eight two five five zero four or five if

1238

01:05:18,780 --> 01:05:16,630

you're on hold stay right there three

1239

01:05:21,540 --> 01:05:18,790

two three two seven five nine six nine

1240

01:05:25,230 --> 01:05:21,550

five lots to talk about the breaking

1241

01:05:29,099 --> 01:05:25,240

news today of course Kim fatty fat Kim

1242

01:05:31,470 --> 01:05:29,109

jong-un is gonna sit down and have a

1243

01:05:34,890 --> 01:05:31,480

face-to-face with Donald Trump and this

1244

01:05:37,260 --> 01:05:34,900

is going to go down by May so I guess

1245

01:05:39,420 --> 01:05:37,270

they're saying April maybe it's in May

1246

01:05:40,800 --> 01:05:39,430

I'm gonna have to keep all of the secret

1247

01:05:44,339 --> 01:05:40,810

where are they gonna meet what are they

1248

01:05:46,829 --> 01:05:44,349

going to talk about deal-making I've got

1249

01:05:50,599 --> 01:05:46,839

my thoughts I need to hear all of yours

1250

01:05:55,500 --> 01:05:50,609

tonight it is just a mind-boggling

1251

01:06:00,599 --> 01:05:55,510

shocking amazing turn of events going

1252

01:06:06,180 --> 01:06:00,609

down I have man my mind is just it's

1253

01:06:08,790 --> 01:06:06,190

swimming and also to that end Rita and I

1254

01:06:10,470 --> 01:06:08,800

over the last week or so we went through

1255

01:06:12,809 --> 01:06:10,480

a series of meetings and a bunch of

1256

01:06:14,910 --> 01:06:12,819

stuff and we've got some big things that

1257

01:06:17,940 --> 01:06:14,920

are about to launch and we're gonna be

1258

01:06:20,819 --> 01:06:17,950

talking about those over the weeks ahead

1259

01:06:23,190 --> 01:06:20,829

but it is some very exciting things and

1260

01:06:23,859 --> 01:06:23,200

and our lives are so busy and it's just

1261

01:06:25,930 --> 01:06:23,869

like.how

1262

01:06:27,849 --> 01:06:25,940

you know let's just make it a little

1263

01:06:30,970 --> 01:06:27,859

more complicated and a little more busy

1264

01:06:35,230 --> 01:06:30,980

and we did just that this week and and

1265

01:06:37,960 --> 01:06:35,240

then this happens today and my brain is

1266

01:06:40,749 --> 01:06:37,970

just it's it's even said to be before

1267

01:06:47,259 --> 01:06:40,759

the Jo she cuz that's gone I said man my

1268

01:06:48,970 --> 01:06:47,269

brain it's full my brain is full reset

1269

01:06:51,999 --> 01:06:48,980

the bunker cam again to see if it's

1270

01:06:55,420 --> 01:06:52,009

fixed the issue I need screen shots I've

1271

01:06:57,759 --> 01:06:55,430

reset it a million times you really want

1272

01:07:01,660 --> 01:06:57,769

me you know what I'm gonna do this for

1273

01:07:03,789 --> 01:07:01,670

you Frankie four fingers okay watch okay

1274

01:07:07,989 --> 01:07:03,799

okay I'm just gonna do this just for

1275

01:07:09,519 --> 01:07:07,999

grins I'm going to reset okay I'll try

1276

01:07:10,930 --> 01:07:09,529

it one more time I just don't want to be

1277

01:07:13,210 --> 01:07:10,940

bogged down I want to do the show

1278

01:07:15,549 --> 01:07:13,220

tonight I don't need to trip on this

1279

01:07:17,769 --> 01:07:15,559

stuff okay so there you go it's

1280

01:07:19,930 --> 01:07:17,779

streaming again if it's working it's

1281

01:07:23,019 --> 01:07:19,940

working if it's not it's not Rita let me

1282

01:07:25,029 --> 01:07:23,029

know in text if the bunker cam is up and

1283

01:07:27,039 --> 01:07:25,039

running okay three two three eight to

1284

01:07:29,289 --> 01:07:27,049

five five zero four five or three to

1285

01:07:31,599 --> 01:07:29,299

three to seven five nine six nine five

1286

01:07:32,829 --> 01:07:31,609

let's go straight to the phones hi

1287

01:07:36,789 --> 01:07:32,839

you're live on fade to black who's

1288

01:07:40,749 --> 01:07:36,799

calling yeah hi Jimmy this is cliff hi

1289

01:07:42,670 --> 01:07:40,759

cliff how are you first up tonight hey

1290

01:07:45,130 --> 01:07:42,680

hey thanks a lot for taking my call

1291

01:07:48,279 --> 01:07:45,140

hey when I was listenin to mr. Rappaport

1292

01:07:50,890 --> 01:07:48,289

I had an idea not an idea just a thought

1293

01:07:53,559 --> 01:07:50,900

popped into my mind tapes don't really

1294

01:07:56,079 --> 01:07:53,569

live that long so let's just say I'm 25

1295

01:07:59,829 --> 01:07:56,089

and I need a new whatever I need from a

1296

01:08:03,099 --> 01:07:59,839

pig how long would it last with the pigs

1297

01:08:07,029 --> 01:08:03,109

part get my longevity a natural lifespan

1298

01:08:12,910 --> 01:08:07,039

or would it have theirs cliff you're

1299

01:08:16,269 --> 01:08:12,920

twisted man okay woods so what about the

1300

01:08:18,220 --> 01:08:16,279

opposite what about the opposite you

1301

01:08:21,879 --> 01:08:18,230

know what would have a transplant from

1302

01:08:24,249 --> 01:08:21,889

me yeah yeah what if a pig you know was

1303

01:08:25,660 --> 01:08:24,259

a little ill and somebody wouldn't said

1304

01:08:27,970 --> 01:08:25,670

you know we can save your life we got

1305

01:08:34,269 --> 01:08:27,980

this guy cliff he's gonna give up one of

1306

01:08:35,039 --> 01:08:34,279

his kidneys right okay right and then

1307

01:08:40,349 --> 01:08:35,049

what did the pig

1308

01:08:43,200 --> 01:08:40,359

lives to be 99 right oh my god the pig

1309

01:08:46,499 --> 01:08:43,210

is famous yeah the pig is famous but but

1310

01:08:52,399 --> 01:08:46,509

you wouldn't eat bacon anymore so you

1311

01:09:00,089 --> 01:08:55,379

already tall the ham and bacon I don't

1312

01:09:05,220 --> 01:09:00,099

care what's it like yeah like I said I

1313

01:09:07,680 --> 01:09:05,230

think something would trigger in your

1314

01:09:10,470 --> 01:09:07,690

brain some chemicals would kick off in

1315

01:09:12,749 --> 01:09:10,480

that it would almost be like you were

1316

01:09:14,970 --> 01:09:12,759

carnivorous all of a sudden right I

1317

01:09:16,979 --> 01:09:14,980

don't know I don't know I don't know

1318

01:09:18,780 --> 01:09:16,989

it's just it's a weird thought cliff

1319

01:09:20,910 --> 01:09:18,790

thank you so much for that and you're

1320

01:09:24,539 --> 01:09:20,920

absolutely right and I love the twisted

1321

01:09:26,189 --> 01:09:24,549

thoughts man yeah you too cliff thank

1322

01:09:28,140 --> 01:09:26,199

you so much great phone call right there

1323

01:09:31,589 --> 01:09:28,150

hi your life I'm fade to black who's

1324

01:09:35,399 --> 01:09:31,599

calling hey Jimmy how you doing - Jose

1325

01:09:38,249 --> 01:09:35,409

hey Jose how are you man I'm good I'm

1326

01:09:41,579 --> 01:09:38,259

good man looking forward to seeing you

1327

01:09:45,089 --> 01:09:41,589

guys out there and East SETI yeah I just

1328

01:09:48,899 --> 01:09:45,099

wanted to mention I just finished

1329

01:09:51,149 --> 01:09:48,909

listening to Rappaport and to your

1330

01:09:52,950 --> 01:09:51,159

previous caller it up I'm not sure if

1331

01:09:56,280 --> 01:09:52,960

you know this but I'm a surgical tech

1332

01:09:59,189 --> 01:09:56,290

that's my that's my gig right a surgical

1333

01:10:03,899 --> 01:09:59,199

first assistant and to answer the last

1334

01:10:06,540 --> 01:10:03,909

callers of question there so we use

1335

01:10:10,319 --> 01:10:06,550

micro vowels from pigs we've been doing

1336

01:10:13,109 --> 01:10:10,329

that for ever there's a reason why we

1337

01:10:15,089 --> 01:10:13,119

use those it depends on the patient's

1338

01:10:17,729 --> 01:10:15,099

and the type of medication they're

1339

01:10:19,939 --> 01:10:17,739

taking if they're taking if they they

1340

01:10:25,290 --> 01:10:19,949

cannot tolerate certain blood thinners

1341

01:10:28,439 --> 01:10:25,300

then a micro valve from a pig is more

1342

01:10:31,189 --> 01:10:28,449

conducive for them you know as opposed

1343

01:10:33,810 --> 01:10:31,199

to a mechanical mitral valve

1344

01:10:38,160 --> 01:10:33,820

I'm listening keep going you're the

1345

01:10:42,330 --> 01:10:38,170

smart guy I'm not orbing this okay

1346

01:10:45,990 --> 01:10:42,340

so a pig bowel will last 15 to 20 years

1347

01:10:48,479 --> 01:10:46,000

and then they can go back in and just

1348

01:10:51,509 --> 01:10:48,489

put another one in it doesn't it

1349

01:10:53,009 --> 01:10:51,519

it has nothing to do with the you know

1350

01:10:57,689 --> 01:10:53,019

the birth type of the patient enough

1351

01:11:01,729 --> 01:10:57,699

like that cuz it's mom it's muscle right

1352

01:11:06,209 --> 01:11:01,739

so that that that's why they do that now

1353

01:11:08,580 --> 01:11:06,219

what what Jon Rappoport was saying as

1354

01:11:10,229 --> 01:11:08,590

far as as that being is that's been

1355

01:11:13,560 --> 01:11:10,239

going on for years

1356

01:11:16,229 --> 01:11:13,570

we don't use just pigs we use a you know

1357

01:11:18,299 --> 01:11:16,239

cow parts as well for certain things we

1358

01:11:22,580 --> 01:11:18,309

use a for hemostatic agents we use

1359

01:11:26,459 --> 01:11:22,590

bovine which is like a cow by-product

1360

01:11:29,520 --> 01:11:26,469

right right you know I'm not a you know

1361

01:11:30,540 --> 01:11:29,530

I'm not not going trying to go against

1362

01:11:32,339 --> 01:11:30,550

what he's saying or anything like that

1363

01:11:34,049 --> 01:11:32,349

it's just that's been going on for a

1364

01:11:35,939 --> 01:11:34,059

long time and it does not surprise me

1365

01:11:40,560 --> 01:11:35,949

that the next step would be for them to

1366

01:11:43,459 --> 01:11:40,570

start producing you know pigs for

1367

01:11:46,080 --> 01:11:43,469

example that is you know they is a very

1368

01:11:47,850 --> 01:11:46,090

animal that produces and reproduces very

1369

01:11:50,700 --> 01:11:47,860

quickly I mean we consume it and like

1370

01:11:52,739 --> 01:11:50,710

you say for bacon and everything else so

1371

01:11:55,350 --> 01:11:52,749

it would make sense for us to the next

1372

01:11:56,910 --> 01:11:55,360

step would be to hey if somebody needs a

1373

01:11:59,399 --> 01:11:56,920

kidney and you've been on dialysis for

1374

01:12:02,399 --> 01:11:59,409

twenty years and your option is either a

1375

01:12:04,560 --> 01:12:02,409

pig kidney or wait for somebody to get

1376

01:12:07,410 --> 01:12:04,570

in a horrible crash car accident and

1377

01:12:09,089 --> 01:12:07,420

hope that they thought that their blood

1378

01:12:11,399 --> 01:12:09,099

type matches what you're so you can get

1379

01:12:14,399 --> 01:12:11,409

their kidney if their kidneys viable

1380

01:12:17,640 --> 01:12:14,409

because we also do though those then

1381

01:12:23,279 --> 01:12:17,650

you're gonna go for the pig right right

1382

01:12:25,770 --> 01:12:23,289

I don't have issues with it I mean for

1383

01:12:28,890 --> 01:12:25,780

me personally now let's look at it

1384

01:12:30,419 --> 01:12:28,900

another way you know with a child or

1385

01:12:33,569 --> 01:12:30,429

something like that you know what do you

1386

01:12:35,939 --> 01:12:33,579

consider there you know if it's your own

1387

01:12:37,830 --> 01:12:35,949

child would you be okay with that the

1388

01:12:39,540 --> 01:12:37,840

decision needs to be a personal one now

1389

01:12:41,549 --> 01:12:39,550

if you have to you know what I mean

1390

01:12:43,830 --> 01:12:41,559

because that's your own body absolutely

1391

01:12:45,569 --> 01:12:43,840

I'll tell you this when a child and it

1392

01:12:50,040 --> 01:12:45,579

needs a kidney I've done kidney

1393

01:12:53,339 --> 01:12:50,050

transplants hundreds an adult kidney

1394

01:12:56,580 --> 01:12:53,349

doesn't fit into a child right no they

1395

01:12:58,770 --> 01:12:56,590

go on to dialysis you know it's very

1396

01:13:02,280 --> 01:12:58,780

rare that you will get a kid with this

1397

01:13:03,960 --> 01:13:02,290

type of disease but you know

1398

01:13:07,350 --> 01:13:03,970

will not be able to tolerate that type

1399

01:13:11,070 --> 01:13:07,360

of surgery I've taken child kidneys you

1400

01:13:13,290 --> 01:13:11,080

know yeah I don't want to get too if

1401

01:13:16,140 --> 01:13:13,300

it's hard for me sometimes because I've

1402

01:13:18,030 --> 01:13:16,150

seen you know when a child gets in a

1403

01:13:20,190 --> 01:13:18,040

horrible car accident we take their

1404

01:13:22,710 --> 01:13:20,200

organs you know and it's hard you know

1405

01:13:24,090 --> 01:13:22,720

it's tough it's a tough you know this is

1406

01:13:27,840 --> 01:13:24,100

the kind of stuff that I block I leave

1407

01:13:29,820 --> 01:13:27,850

at work you know but yeah and for a

1408

01:13:31,830 --> 01:13:29,830

child in that particular situation

1409

01:13:33,930 --> 01:13:31,840

obviously there will be more treatments

1410

01:13:36,240 --> 01:13:33,940

and then probably when the child gets to

1411

01:13:38,190 --> 01:13:36,250

adulthood if they can get there then

1412

01:13:39,840 --> 01:13:38,200

maybe that the child can make that

1413

01:13:41,850 --> 01:13:39,850

decision you know to make that type of

1414

01:13:43,890 --> 01:13:41,860

course I'm not sure that we're quite

1415

01:13:46,200 --> 01:13:43,900

there as far as animals and stuff but

1416

01:13:48,450 --> 01:13:46,210

I'm just saying that is a viable option

1417

01:13:50,760 --> 01:13:48,460

and it may have to happen especially

1418

01:13:53,250 --> 01:13:50,770

considering that we have 7.5 billion

1419

01:13:56,010 --> 01:13:53,260

people on the planet walking around with

1420

01:13:57,780 --> 01:13:56,020

diseases right now right I mean we're

1421

01:14:01,830 --> 01:13:57,790

not gonna have that many accidents and

1422

01:14:04,350 --> 01:14:01,840

that many people donating their organs

1423

01:14:06,660 --> 01:14:04,360

you know and not to mention half the

1424

01:14:09,810 --> 01:14:06,670

time when we go in and we open this

1425

01:14:13,290 --> 01:14:09,820

these people that aren't you know they

1426

01:14:15,240 --> 01:14:13,300

donate their their body the organs are

1427

01:14:17,400 --> 01:14:15,250

not viable because they smoke too much

1428

01:14:18,690 --> 01:14:17,410

or they drank too much right right you

1429

01:14:20,970 --> 01:14:18,700

know right right you're not gonna take

1430

01:14:23,130 --> 01:14:20,980

the heart of a 75 year old man and give

1431

01:14:25,260 --> 01:14:23,140

it to a 20 year old person no of course

1432

01:14:31,260 --> 01:14:25,270

not of course I gonna work no not gonna

1433

01:14:34,230 --> 01:14:31,270

work no no no so I can see where that is

1434

01:14:35,970 --> 01:14:34,240

I can see how that they may consider hey

1435

01:14:37,590 --> 01:14:35,980

this may be the next cement the next

1436

01:14:39,600 --> 01:14:37,600

move yeah I'm not saying it's right and

1437

01:14:42,240 --> 01:14:39,610

it's an ethical issue as an ethical

1438

01:14:44,940 --> 01:14:42,250

question right yeah totally is it 100

1439

01:14:47,640 --> 01:14:44,950

percent is just on its surface I knew

1440

01:14:52,560 --> 01:14:47,650

you were smart I knew you had something

1441

01:14:56,190 --> 01:14:52,570

going on I knew there was something

1442

01:14:59,940 --> 01:14:56,200

going on with you but it is an ethical

1443

01:15:02,790 --> 01:14:59,950

question one that I'm okay with even

1444

01:15:04,380 --> 01:15:02,800

when I was really young and all of this

1445

01:15:08,160 --> 01:15:04,390

talk started to go around about

1446

01:15:09,960 --> 01:15:08,170

artificial hearts and and and you know

1447

01:15:12,090 --> 01:15:09,970

pig valves and they were talking about

1448

01:15:14,250 --> 01:15:12,100

you know all of these different types of

1449

01:15:14,970 --> 01:15:14,260

animal parts and was it possible that

1450

01:15:17,430 --> 01:15:14,980

they have

1451

01:15:19,950 --> 01:15:17,440

okay with it you know I just yeah well

1452

01:15:23,190 --> 01:15:19,960

the reason why it's pig is because they

1453

01:15:25,260 --> 01:15:23,200

are anatomically the most similar to us

1454

01:15:27,210 --> 01:15:25,270

you know like when we practice we

1455

01:15:29,880 --> 01:15:27,220

practice on pigs you know because it's

1456

01:15:33,150 --> 01:15:29,890

every every instrument I also do

1457

01:15:35,430 --> 01:15:33,160

research when we when we test you know

1458

01:15:38,250 --> 01:15:35,440

new instruments and new stuff I go to a

1459

01:15:39,870 --> 01:15:38,260

lab to at university and we practice on

1460

01:15:42,960 --> 01:15:39,880

and it's pigs because it's the thing

1461

01:15:44,760 --> 01:15:42,970

that simulates the closest to the human

1462

01:15:48,479 --> 01:15:44,770

tissue in the human body right you know

1463

01:15:50,640 --> 01:15:48,489

so yeah that is why pig would be the you

1464

01:15:55,080 --> 01:15:50,650

know is either Dino we go with chimps

1465

01:15:58,110 --> 01:15:55,090

that's not gonna fly Jose thank you so

1466

01:15:59,370 --> 01:15:58,120

mean I do man thank you so much we're

1467

01:16:02,010 --> 01:15:59,380

gonna see you in a few short months

1468

01:16:04,710 --> 01:16:02,020

ma'am right here on the west coast yeah

1469

01:16:05,940 --> 01:16:04,720

yeah I mean I've been trying to uh the

1470

01:16:07,860 --> 01:16:05,950

only thing I've been having issues

1471

01:16:09,300 --> 01:16:07,870

getting hotels near the area everything

1472

01:16:12,300 --> 01:16:09,310

is both stop it looks like you guys are

1473

01:16:13,470 --> 01:16:12,310

sold everything in the area so well but

1474

01:16:16,080 --> 01:16:13,480

we'll get there we'll get there man

1475

01:16:18,180 --> 01:16:16,090

we'll see you thank you so much I can't

1476

01:16:21,540 --> 01:16:18,190

wait to see your lens I'll talk to you

1477

01:16:24,240 --> 01:16:21,550

Jose thank you so much my friend bye bye

1478

01:16:25,530 --> 01:16:24,250

Jose Torres our official photographer

1479

01:16:27,270 --> 01:16:25,540

here at fade to black

1480

01:16:31,860 --> 01:16:27,280

hi you're live on fade to black who's

1481

01:16:33,840 --> 01:16:31,870

calling hi there my name is Jesse I'm a

1482

01:16:38,910 --> 01:16:33,850

truck driver and I'm sitting in Thousand

1483

01:16:42,479 --> 01:16:38,920

Palms oh no right now right now how you

1484

01:16:48,620 --> 01:16:42,489

doing I'm doing great I was just I

1485

01:16:54,150 --> 01:16:51,330

you're not driving right now you're not

1486

01:16:56,850 --> 01:16:54,160

driving right now right no sir no sir no

1487

01:17:00,030 --> 01:16:56,860

time sitting skill and I had to tune in

1488

01:17:03,510 --> 01:17:00,040

because I am able to do that once in a

1489

01:17:06,180 --> 01:17:03,520

while while I'm those 1011 hours on the

1490

01:17:11,790 --> 01:17:06,190

right he's right out I love it anyway

1491

01:17:14,729 --> 01:17:11,800

well back in 2000 in 2014 I had to have

1492

01:17:18,780 --> 01:17:14,739

an open-heart surgery and I was given

1493

01:17:22,710 --> 01:17:18,790

the choice of a pig valve like your med

1494

01:17:26,310 --> 01:17:22,720

cat just said great the mitral valve or

1495

01:17:28,830 --> 01:17:26,320

an artificial valve and I always gave

1496

01:17:32,720 --> 01:17:28,840

him that given the choice of either the

1497

01:17:37,230 --> 01:17:32,730

on war offend the blood thinner forever

1498

01:17:39,810 --> 01:17:37,240

with a mechanical valve or getting the

1499

01:17:42,570 --> 01:17:39,820

pig valve not having to worry about the

1500

01:17:48,350 --> 01:17:42,580

blood thinner but having to replace it

1501

01:17:54,690 --> 01:17:48,360

in eight to nine years and the United I

1502

01:18:00,060 --> 01:17:54,700

had to choose orphan and I regret it now

1503

01:18:03,570 --> 01:18:00,070

actually oh it's so complicated being on

1504

01:18:06,390 --> 01:18:03,580

a blood thinner keeping your blood as

1505

01:18:10,010 --> 01:18:06,400

still as it needs to be without being

1506

01:18:13,340 --> 01:18:10,020

too thick and like me holding the CDL

1507

01:18:16,440 --> 01:18:13,350

yeah under grab a big truck yeah because

1508

01:18:18,990 --> 01:18:16,450

if anything happened right your Bloods

1509

01:18:21,990 --> 01:18:19,000

too thin you're a truck driver you're

1510

01:18:24,870 --> 01:18:22,000

out and back changing your trailer your

1511

01:18:27,480 --> 01:18:24,880

brake lines or you know whatever you're

1512

01:18:31,800 --> 01:18:27,490

inspecting your truck and you you cut

1513

01:18:34,770 --> 01:18:31,810

yourself yeah right because man you're

1514

01:18:37,200 --> 01:18:34,780

done you're done and and truck-driving

1515

01:18:39,990 --> 01:18:37,210

see most people they don't understand

1516

01:18:41,910 --> 01:18:40,000

but truck driving is not just about

1517

01:18:43,680 --> 01:18:41,920

going to the gas station filling up with

1518

01:18:45,540 --> 01:18:43,690

diesel hopping in the back of your truck

1519

01:18:49,740 --> 01:18:45,550

and listening to fade to black for the

1520

01:18:52,050 --> 01:18:49,750

next 10 hours that's not the case it's a

1521

01:18:55,020 --> 01:18:52,060

it can be very very treacherous those

1522

01:18:57,750 --> 01:18:55,030

try those yards and backing up and

1523

01:19:00,300 --> 01:18:57,760

changing trailers and and everything

1524

01:19:02,550 --> 01:19:00,310

what you know tires and things and and

1525

01:19:04,980 --> 01:19:02,560

and out there in the cold you know

1526

01:19:06,780 --> 01:19:04,990

something happened to you with on blood

1527

01:19:08,310 --> 01:19:06,790

thinners and you're up in South Dakota

1528

01:19:12,810 --> 01:19:08,320

in the middle of the winter you got a

1529

01:19:15,870 --> 01:19:12,820

problem yeah it's difficult was the only

1530

01:19:18,840 --> 01:19:15,880

reason specifically I chose not to get

1531

01:19:21,540 --> 01:19:18,850

the pig Belle was because I knew I was

1532

01:19:25,230 --> 01:19:21,550

going to have to have my chest cracked

1533

01:19:30,140 --> 01:19:25,240

open again mm-hmm that that is a

1534

01:19:33,180 --> 01:19:30,150

difficult 60 foot recovery it is maybe

1535

01:19:37,140 --> 01:19:33,190

in maybe they could just put like you

1536

01:19:41,400 --> 01:19:37,150

know a ziplock hmm and you know it's a

1537

01:19:42,419 --> 01:19:41,410

joke I wish it was that easy but I love

1538

01:19:44,760 --> 01:19:42,429

your show

1539

01:19:48,840 --> 01:19:44,770

and I just wanted to throw my little two

1540

01:19:52,320 --> 01:19:48,850

cents in and I hope you have a great

1541

01:19:57,080 --> 01:19:52,330

night but the whole I really have no

1542

01:19:59,970 --> 01:19:57,090

fondness of bacon other than normal just

1543

01:20:01,439 --> 01:19:59,980

you know please do me a favor listen to

1544

01:20:03,390 --> 01:20:01,449

the show love the show

1545

01:20:05,100 --> 01:20:03,400

hang out do whatever but please be safe

1546

01:20:06,180 --> 01:20:05,110

out there we love our truck drivers

1547

01:20:11,669 --> 01:20:06,190

thank you so much

1548

01:20:14,189 --> 01:20:11,679

thank you great phone call right there

1549

01:20:15,930 --> 01:20:14,199

and I love it when somebody says CDL CDL

1550

01:20:20,310 --> 01:20:15,940

is a commercial driver's license and

1551

01:20:24,120 --> 01:20:20,320

that is is so it's good in all city

1552

01:20:27,120 --> 01:20:24,130

states a CDL it's hard to get and you

1553

01:20:29,250 --> 01:20:27,130

have all of the medical requirements on

1554

01:20:31,860 --> 01:20:29,260

the backside of a CDL you've got to go

1555

01:20:33,540 --> 01:20:31,870

and visit doctors and get and get

1556

01:20:36,419 --> 01:20:33,550

checkups you got to you know you've got

1557

01:20:38,100 --> 01:20:36,429

to have a doctor sign off and and all of

1558

01:20:40,290 --> 01:20:38,110

the things that go along with that and

1559

01:20:42,000 --> 01:20:40,300

she's right about that especially when

1560

01:20:46,080 --> 01:20:42,010

you're holding a CDL and you take all of

1561

01:20:49,439 --> 01:20:46,090

this stuff into consideration but she

1562

01:20:53,370 --> 01:20:49,449

went for the blood thinner very very

1563

01:20:57,780 --> 01:20:53,380

interesting so Wow Wow

1564

01:21:00,479 --> 01:20:57,790

okay ma'am what a crazy conversation I

1565

01:21:04,979 --> 01:21:00,489

want to talk about Kim's young fatty fat

1566

01:21:08,459 --> 01:21:04,989

Kim jong-un kim fatty fat of what what a

1567

01:21:10,350 --> 01:21:08,469

crazy development tonight that happened

1568

01:21:12,270 --> 01:21:10,360

right before the show Donald Trump and

1569

01:21:17,520 --> 01:21:12,280

Kim jong-un are gonna sit down and have

1570

01:21:19,709 --> 01:21:17,530

a summit and okay I'm gonna talk more

1571

01:21:20,850 --> 01:21:19,719

about that in just a second let's go

1572

01:21:23,430 --> 01:21:20,860

back to the phones hi you're live I'm

1573

01:21:27,630 --> 01:21:23,440

fade to black who's calling Jeff from

1574

01:21:29,700 --> 01:21:27,640

Sacramento hi Deb how are you I'm really

1575

01:21:31,680 --> 01:21:29,710

good I'll talk to you about well I don't

1576

01:21:33,720 --> 01:21:31,690

know much about him except what I see on

1577

01:21:37,380 --> 01:21:33,730

the news but there's a reason I voted

1578

01:21:39,360 --> 01:21:37,390

for Trump he's got well I don't want to

1579

01:21:44,340 --> 01:21:39,370

use foul language he's gutsy let's say

1580

01:21:46,770 --> 01:21:44,350

that and I think this whole nuclear

1581

01:21:48,930 --> 01:21:46,780

saying that they have been the you know

1582

01:21:50,760 --> 01:21:48,940

saying for all this time I think we

1583

01:21:52,620 --> 01:21:50,770

talked about this a few months ago and I

1584

01:21:55,020 --> 01:21:52,630

said I felt that they were just hyping

1585

01:21:56,160 --> 01:21:55,030

this all up to keep people the world

1586

01:21:58,470 --> 01:21:56,170

frightened

1587

01:22:01,890 --> 01:21:58,480

for that negative energy that you know

1588

01:22:03,360 --> 01:22:01,900

so that we can't you know evolve I'm not

1589

01:22:05,670 --> 01:22:03,370

saying the right words right now because

1590

01:22:07,770 --> 01:22:05,680

but anyway we can't progress as quickly

1591

01:22:09,810 --> 01:22:07,780

if they suppress us and keep us down

1592

01:22:12,180 --> 01:22:09,820

with the negative energy just like the

1593

01:22:13,860 --> 01:22:12,190

cold war with Russia it never went hot I

1594

01:22:15,810 --> 01:22:13,870

felt like this was never going to get

1595

01:22:17,550 --> 01:22:15,820

hot either and I think he's going to sit

1596

01:22:19,020 --> 01:22:17,560

down with him and they're gonna hash

1597

01:22:20,870 --> 01:22:19,030

this all out and it's gonna work out

1598

01:22:22,740 --> 01:22:20,880

there's not going to be any nuclear war

1599

01:22:24,720 --> 01:22:22,750

they're not that stupid

1600

01:22:28,620 --> 01:22:24,730

no I didn't ever think that there was

1601
01:22:32,040 --> 01:22:28,630
going to be a nuclear war conventional

1602
01:22:35,820 --> 01:22:32,050
war possibly the the North Koreans have

1603
01:22:37,770 --> 01:22:35,830
always been unpredictable but that's

1604
01:22:39,390 --> 01:22:37,780
also what the media feeds us we never

1605
01:22:41,970 --> 01:22:39,400
know the truth you know I haven't been

1606
01:22:44,310 --> 01:22:41,980
to North Korea I don't think you have so

1607
01:22:50,430 --> 01:22:44,320
you know we don't know really what goes

1608
01:22:53,700 --> 01:22:50,440
on there but this what-what I you know

1609
01:22:57,170 --> 01:22:53,710
it in of itself on the surface we've got

1610
01:23:00,480 --> 01:22:57,180
two guys and I said this last year that

1611
01:23:02,670 --> 01:23:00,490
were poking themselves in the chest I

1612
01:23:07,020 --> 01:23:02,680
said that you know that you know what I

1613
01:23:12,770 --> 01:23:07,030

mean too puffy chested bullies that that

1614

01:23:15,750 --> 01:23:12,780

were really quick at the mouth right and

1615

01:23:17,070 --> 01:23:15,760

who you know what you know something was

1616

01:23:20,790 --> 01:23:17,080

gonna have to happen here

1617

01:23:25,050 --> 01:23:20,800

now now now we got what the I think the

1618

01:23:27,360 --> 01:23:25,060

reason why both of these guys wanted to

1619

01:23:30,150 --> 01:23:27,370

do this and agree to it so quickly is

1620

01:23:32,160 --> 01:23:30,160

that they both like - they both have

1621

01:23:34,230 --> 01:23:32,170

egos you know they both have want to be

1622

01:23:38,490 --> 01:23:34,240

seen they both want to be on the world

1623

01:23:40,620 --> 01:23:38,500

stage Kim jong-un and North Korea the

1624

01:23:42,000 --> 01:23:40,630

best thing that they can do for North

1625

01:23:44,010 --> 01:23:42,010

Korea is to be able to tell the North

1626
01:23:46,830 --> 01:23:44,020
Korean people and no matter what is like

1627
01:23:48,630 --> 01:23:46,840
hey man we're so important that we got

1628
01:23:50,790 --> 01:23:48,640
Donald Trump to sit down with us that's

1629
01:23:52,410 --> 01:23:50,800
how important we are so you have that

1630
01:23:55,650 --> 01:23:52,420
side of it then you have the other side

1631
01:24:00,330 --> 01:23:55,660
it's the exact same thing for Donald

1632
01:24:02,160 --> 01:24:00,340
Trump right or insert you know president

1633
01:24:05,340 --> 01:24:02,170
here it just happens to be Donald Trump

1634
01:24:08,040 --> 01:24:05,350
so that that president can say you know

1635
01:24:08,820 --> 01:24:08,050
what I'm sitting down I'm gonna go you

1636
01:24:10,320 --> 01:24:08,830
know it the

1637
01:24:12,150 --> 01:24:10,330
is so important I'm gonna make this

1638
01:24:14,490 --> 01:24:12,160

happen that we're gonna go ahead and do

1639

01:24:16,290 --> 01:24:14,500

this now I always thought that this what

1640

01:24:19,140 --> 01:24:16,300

would have happened with any number of

1641

01:24:21,420 --> 01:24:19,150

presidents before this the difference

1642

01:24:24,270 --> 01:24:21,430

being today Deb the difference being

1643

01:24:26,600 --> 01:24:24,280

today is that they are now test they

1644

01:24:30,900 --> 01:24:26,610

have nuclear weapons they have them

1645

01:24:35,520 --> 01:24:30,910

right so now now there's a reason to sit

1646

01:24:40,500 --> 01:24:35,530

down before whether it was bush or

1647

01:24:43,290 --> 01:24:40,510

Clinton or Obama in the past was the

1648

01:24:45,840 --> 01:24:43,300

threat of nuclear stuff wasn't there so

1649

01:24:48,050 --> 01:24:45,850

there was no reason to sit down you know

1650

01:24:52,170 --> 01:24:48,060

now it's a bit now it's a bit different

1651

01:24:55,320 --> 01:24:52,180

so now there's a real nuclear threat on

1652

01:24:57,480 --> 01:24:55,330

the table so you know what I hope

1653

01:24:59,820 --> 01:24:57,490

something good comes of it I really do I

1654

01:25:02,160 --> 01:24:59,830

really I hope they really have the

1655

01:25:03,840 --> 01:25:02,170

meeting you know now I think they I

1656

01:25:06,030 --> 01:25:03,850

think they will and you know the thing

1657

01:25:08,460 --> 01:25:06,040

about these these men with big egos they

1658

01:25:10,800 --> 01:25:08,470

both want to be loved by their people

1659

01:25:13,320 --> 01:25:10,810

well what better way to be the world's

1660

01:25:17,270 --> 01:25:13,330

peacemakers well we'll see

1661

01:25:19,740 --> 01:25:17,280

look we're talking about a meeting

1662

01:25:23,190 --> 01:25:19,750

Donald Trump likes to say that he is the

1663

01:25:26,690 --> 01:25:23,200

deal maker right so what do you do we

1664

01:25:29,460 --> 01:25:26,700

honestly think I mean seriously that

1665

01:25:32,850 --> 01:25:29,470

Donald is gonna sit down with Kim Jong

1666

01:25:35,550 --> 01:25:32,860

on at that point and broker a deal at

1667

01:25:37,380 --> 01:25:35,560

this meeting and Kim jong-un and him are

1668

01:25:39,510 --> 01:25:37,390

gonna shake hands and they're gonna give

1669

01:25:41,580 --> 01:25:39,520

up all of their nuclear weapons on a

1670

01:25:43,500 --> 01:25:41,590

handshake what is it that we're gonna

1671

01:25:46,860 --> 01:25:43,510

have to give up on our side what's part

1672

01:25:48,350 --> 01:25:46,870

of the deal you know and so i adonis not

1673

01:25:52,020 --> 01:25:48,360

gonna want to give up anything

1674

01:25:53,910 --> 01:25:52,030

nothing nothing lift sanctions but what

1675

01:25:55,710 --> 01:25:53,920

we're gonna pull our military back that

1676
01:25:57,570 --> 01:25:55,720
ain't gonna happen we're gonna stop this

1677
01:26:01,440 --> 01:25:57,580
we're gonna snow none of that's gonna

1678
01:26:04,650 --> 01:26:01,450
happen the it it can't you know so we're

1679
01:26:07,920 --> 01:26:04,660
not gonna give up anything so what it

1680
01:26:11,820 --> 01:26:07,930
what is it so now this is this is where

1681
01:26:13,560 --> 01:26:11,830
this is where i think it is okay now

1682
01:26:15,810 --> 01:26:13,570
just listen to me for a second and the

1683
01:26:21,120 --> 01:26:15,820
rest of the audience listen to your

1684
01:26:22,800 --> 01:26:21,130
uncle Jimmy here the reason why the

1685
01:26:27,150 --> 01:26:22,810
reason why it

1686
01:26:29,910 --> 01:26:27,160
is now now to just listen to me okay no

1687
01:26:32,880 --> 01:26:29,920
matter what the media has told you the

1688
01:26:35,910 --> 01:26:32,890

Republican on the right the Democrat on

1689

01:26:39,090 --> 01:26:35,920

the left the liver of the that with the

1690

01:26:44,450 --> 01:26:39,100

alt wet which they can all shut up I'm

1691

01:26:48,000 --> 01:26:44,460

gonna tell you this is why right now the

1692

01:26:50,250 --> 01:26:48,010

sanctions that have been in place the

1693

01:26:52,560 --> 01:26:50,260

new sanctions the old sanctions and

1694

01:26:56,190 --> 01:26:52,570

everything else has come to a point

1695

01:27:00,060 --> 01:26:56,200

where the tipping point that his

1696

01:27:04,170 --> 01:27:00,070

military is like weeks away from

1697

01:27:08,900 --> 01:27:04,180

starvation and death death his people

1698

01:27:14,370 --> 01:27:08,910

are weeks away from starvation and death

1699

01:27:18,930 --> 01:27:14,380

there is no more money there is no more

1700

01:27:21,630 --> 01:27:18,940

food there is no more nothing and if he

1701
01:27:24,840 --> 01:27:21,640
continues I'm talking about weeks away

1702
01:27:28,620 --> 01:27:24,850
not months not years if he continues

1703
01:27:32,010 --> 01:27:28,630
there's gonna be no population left how

1704
01:27:37,160 --> 01:27:32,020
do I know this let me explain a couple

1705
01:27:43,920 --> 01:27:37,170
of months ago one of one of his elite

1706
01:27:50,310 --> 01:27:43,930
elite front-line front-line guards on

1707
01:27:55,770 --> 01:27:50,320
the DMZ deserted that guy drove a car a

1708
01:27:58,500 --> 01:27:55,780
Jeep up to the border ran across crashed

1709
01:28:02,880 --> 01:27:58,510
it right into a ditch open up the door

1710
01:28:05,610 --> 01:28:02,890
ran got shot in the back continued

1711
01:28:09,300 --> 01:28:05,620
running until he couldn't anymore fell

1712
01:28:13,220 --> 01:28:09,310
down dragged across the DMZ into South

1713
01:28:20,750 --> 01:28:13,230

Korea were they found inside of his body

1714

01:28:24,630 --> 01:28:20,760

six tapeworms an elite forces guy

1715

01:28:27,750 --> 01:28:24,640

front-line top-shelf North Korean

1716

01:28:29,640 --> 01:28:27,760

soldier frontline guarding the DMZ to

1717

01:28:32,379 --> 01:28:29,650

make sure that no other soldiers defect

1718

01:28:36,149 --> 01:28:32,389

right that's part of the reason and

1719

01:28:42,270 --> 01:28:36,159

this is that and his elite forces are

1720

01:28:46,390 --> 01:28:42,280

full of tapeworms malnourished sick

1721

01:28:49,379 --> 01:28:46,400

picking picking garbage up out of the

1722

01:28:53,890 --> 01:28:49,389

dirt and eating it and eating tapeworms

1723

01:28:57,939 --> 01:28:53,900

so now now think about that that that is

1724

01:29:01,120 --> 01:28:57,949

that is indicative of the state of his

1725

01:29:04,479 --> 01:29:01,130

armed forces now and that's who he is

1726

01:29:06,939 --> 01:29:04,489

feeding the rest of the population they

1727

01:29:11,590 --> 01:29:06,949

are starving to death and they are on

1728

01:29:13,750 --> 01:29:11,600

the brink of dropping dead that's and

1729

01:29:16,689 --> 01:29:13,760

he's looking around going man you know

1730

01:29:20,140 --> 01:29:16,699

what we keep this up we keep this up

1731

01:29:25,060 --> 01:29:20,150

there is no North Korea I will be the

1732

01:29:28,570 --> 01:29:25,070

regime of nothing and that's why he

1733

01:29:33,040 --> 01:29:28,580

stepped back and said to himself this

1734

01:29:37,510 --> 01:29:33,050

nuclear thing ain't worth it it's just

1735

01:29:39,340 --> 01:29:37,520

not we are on that we are in the the the

1736

01:29:41,979 --> 01:29:39,350

tipping point of that when it all falls

1737

01:29:46,270 --> 01:29:41,989

apart how long can you live on a

1738

01:29:51,640 --> 01:29:46,280

starvation diet eating grass eating

1739

01:29:54,040 --> 01:29:51,650

leaves eating dirt to survive right that

1740

01:29:55,899 --> 01:29:54,050

that that's that's where it is that

1741

01:29:59,500 --> 01:29:55,909

there is no money there's no way to do

1742

01:30:02,800 --> 01:29:59,510

anything anymore and that's that's it

1743

01:30:06,160 --> 01:30:02,810

and that's why I think he just he caved

1744

01:30:10,270 --> 01:30:06,170

he didn't blink he caved if we are to

1745

01:30:12,939 --> 01:30:10,280

believe everything and and if he says

1746

01:30:16,540 --> 01:30:12,949

okay all right man I give it up

1747

01:30:19,270 --> 01:30:16,550

nuclear denuclearization let's just give

1748

01:30:21,310 --> 01:30:19,280

it up I'm done bringing your people take

1749

01:30:23,439 --> 01:30:21,320

the weapons out of here take take take

1750

01:30:25,990 --> 01:30:23,449

it all take it all take all my plutonium

1751

01:30:29,070 --> 01:30:26,000

take everything we're done please lift

1752

01:30:31,209 --> 01:30:29,080

all sanctions tomorrow bring in the food

1753

01:30:33,910 --> 01:30:31,219

right because that's where it's at and

1754

01:30:36,189 --> 01:30:33,920

there you know that that's my take and

1755

01:30:39,189 --> 01:30:36,199

with that Deb I blew right through a

1756

01:30:41,520 --> 01:30:39,199

commercial so I gotta get I gotta get to

1757

01:30:44,410 --> 01:30:41,530

commercial thanks for the phone call bow

1758

01:30:45,799 --> 01:30:44,420

okay absolutely great cake on it Jim you

1759

01:30:48,890 --> 01:30:45,809

have no idea how that was going

1760

01:30:50,540 --> 01:30:48,900

that's my take oh that's Uncle Jimmy

1761

01:30:53,450 --> 01:30:50,550

bringing it I'll talk to you dad thank

1762

01:30:56,149 --> 01:30:53,460

you so much okay bye-bye

1763

01:31:00,049 --> 01:30:56,159

this is fade to black open lines 3 2 3 8

1764

01:31:02,089 --> 01:31:00,059

2 5 5 0 4 or 5 or 3 2 3 2 7 5 9 6 9 5

1765

01:31:03,780 --> 01:31:02,099

over lines all night long I'll be right

1766

01:31:13,560 --> 01:31:03,790

back

1767

01:31:21,040 --> 01:31:16,770

way out here we listen to Jimmy Church

1768

01:31:23,080 --> 01:31:21,050

you're listening to fade to black always

1769

01:31:25,930 --> 01:31:23,090

on the edge of the hottest alternative

1770

01:31:45,190 --> 01:31:25,940

Thanh Chile search with fade to black

1771

01:31:48,910 --> 01:31:45,200

stay GRA radio.com hurricanes

1772

01:31:50,650 --> 01:31:48,920

earthquakes wildfires this year we've

1773

01:31:53,200 --> 01:31:50,660

experienced more than our fair share

1774

01:31:55,930 --> 01:31:53,210

this is Jimmy Church of fade to black

1775

01:31:58,120 --> 01:31:55,940

and last month I decided to make sure my

1776

01:32:00,280 --> 01:31:58,130

family does not have to worry about food

1777

01:32:04,030 --> 01:32:00,290

should we get caught in a real emergency

1778

01:32:05,920 --> 01:32:04,040

situation introducing Humana a healthy

1779

01:32:07,750 --> 01:32:05,930

storable product that tastes so good

1780

01:32:09,520 --> 01:32:07,760

that you'll want to eat it every day

1781

01:32:12,280 --> 01:32:09,530

instead of just during those times of

1782

01:32:15,670 --> 01:32:12,290

duress all new mana products have a 25

1783

01:32:17,820 --> 01:32:15,680

year shelf life our msg and GMO free no

1784

01:32:20,230 --> 01:32:17,830

preservatives and are made in America

1785

01:32:22,030 --> 01:32:20,240

with the new mana pack in your home

1786

01:32:24,850 --> 01:32:22,040

you'll be able to sleep at night knowing

1787

01:32:28,000 --> 01:32:24,860

that you protected your family not only

1788

01:32:30,370 --> 01:32:28,010

have I tasted and tested I own it now

1789

01:32:32,680 --> 01:32:30,380

you can too just click on the new mana

1790

01:32:34,750 --> 01:32:32,690

banner on Jimmy Church radio.com and use

1791

01:32:37,150 --> 01:32:34,760

the promo code Jimmy when you order in

1792

01:32:39,150 --> 01:32:37,160

addition to a discount we'll send you an

1793

01:32:43,150 --> 01:32:39,160

autograph fade to black t-shirt

1794

01:32:44,680 --> 01:32:43,160

seriously gobekli tepe do you worry a

1795

01:32:47,070 --> 01:32:44,690

lot whether you're a college student

1796

01:32:49,570 --> 01:32:47,080

busy professional parent or grandparent

1797

01:32:51,640 --> 01:32:49,580

ongoing stress and elevated levels of

1798

01:32:53,710 --> 01:32:51,650

the stress hormone cortisol can rob your

1799

01:32:55,930 --> 01:32:53,720

memory your health and your future

1800

01:32:57,820 --> 01:32:55,940

now you can combat the effects of stress

1801
01:32:59,890 --> 01:32:57,830
and anxiety while improving your memory

1802
01:33:01,990 --> 01:32:59,900
and recall at the same time with the

1803
01:33:03,760 --> 01:33:02,000
dietary supplement calm and clever

1804
01:33:05,890 --> 01:33:03,770
studies showed that the ingredients in

1805
01:33:08,080 --> 01:33:05,900
common clever reduce cortisol by as much

1806
01:33:10,030 --> 01:33:08,090
as 30% in one to two weeks

1807
01:33:12,980 --> 01:33:10,040
call 1-800 seven five eight eight seven

1808
01:33:15,500 --> 01:33:12,990
four six or calm and clever calm

1809
01:33:24,200 --> 01:33:15,510
you listen to us and we listen to you

1810
01:33:26,510 --> 01:33:24,210
and so does the CIA k GRA radio.com hi

1811
01:33:28,280 --> 01:33:26,520
folks CBD is the home run hitter for

1812
01:33:29,770 --> 01:33:28,290
health right now why do you ask because

1813
01:33:32,150 --> 01:33:29,780

of what it does for the body

1814

01:33:34,370 --> 01:33:32,160

unfortunately I can't tell you all about

1815

01:33:36,410 --> 01:33:34,380

the benefit you know there's reasons do

1816

01:33:39,350 --> 01:33:36,420

your due diligence and log on to ancient

1817

01:33:41,120 --> 01:33:39,360

life oil com that's ancient life oil com

1818

01:33:43,160 --> 01:33:41,130

ancient life oil uses organic

1819

01:33:45,770 --> 01:33:43,170

ingredients and is blended in coconut

1820

01:33:49,100 --> 01:33:45,780

oil for some of the best benefits legal

1821

01:33:51,380 --> 01:33:49,110

in 50 states and non-psychoactive log on

1822

01:33:56,750 --> 01:33:51,390

to ancient life oil com that's ancient

1823

01:33:59,030 --> 01:33:56,760

life oil calm you are listening to fade

1824

01:34:03,950 --> 01:33:59,040

to black with Jimmy Church on the game

1825

01:34:06,350 --> 01:34:03,960

change in network hi I'm Lisa Vance

1826
01:34:09,320 --> 01:34:06,360
you're listening to Jimmy Church this is

1827
01:34:18,040 --> 01:34:09,330
revolution the revolution will not be

1828
01:34:18,050 --> 01:34:56,660
[Music]

1829
01:35:05,250 --> 01:35:00,720
fade to black that's right Thursday

1830
01:35:06,780 --> 01:35:05,260
night fainter nights this segment of

1831
01:35:11,669 --> 01:35:06,790
fade to black is proudly brought to you

1832
01:35:13,560 --> 01:35:11,679
by new Pharma GNU Pharma click on their

1833
01:35:15,810 --> 01:35:13,570
banner over two meters radio.com you

1834
01:35:19,470 --> 01:35:15,820
need to go to their site and read about

1835
01:35:21,780 --> 01:35:19,480
the science behind new farming natural

1836
01:35:23,700 --> 01:35:21,790
solutions to health and wellness their

1837
01:35:27,990 --> 01:35:23,710
foundation is something that I take

1838
01:35:31,520 --> 01:35:28,000

every single day it's amazing

1839

01:35:35,280 --> 01:35:31,530

promo code is F to be F the number to be

1840

01:35:37,939 --> 01:35:35,290

33% off of your order right now

1841

01:35:40,500 --> 01:35:37,949

alright Japan talking about Kim jong-un

1842

01:35:44,280 --> 01:35:40,510

talking about all of the stuff that is

1843

01:35:47,189 --> 01:35:44,290

going on it's an absolutely stunning

1844

01:35:50,580 --> 01:35:47,199

turn of events today what's causing it I

1845

01:35:53,760 --> 01:35:50,590

have no idea we can speculate all day

1846

01:35:55,350 --> 01:35:53,770

long on it but Trump was pretty quick to

1847

01:35:59,340 --> 01:35:55,360

say you know what let's go

1848

01:36:00,090 --> 01:35:59,350

it's go time I'm cool with that let's go

1849

01:36:01,530 --> 01:36:00,100

to the phones

1850

01:36:05,550 --> 01:36:01,540

hi you're live on fade to black who's

1851

01:36:09,680 --> 01:36:05,560

calling hey this is Peter hi Megan how

1852

01:36:13,380 --> 01:36:09,690

are you okay I want to chat about the

1853

01:36:15,900 --> 01:36:13,390

the Kim thing and with with Donald Trump

1854

01:36:18,150 --> 01:36:15,910

you know and I and I get that you're

1855

01:36:19,800 --> 01:36:18,160

super positive about it and I want to be

1856

01:36:22,560 --> 01:36:19,810

super positive about it which is why I'm

1857

01:36:25,800 --> 01:36:22,570

calling it I you know knowing that

1858

01:36:27,570 --> 01:36:25,810

history with North Korea and just if we

1859

01:36:30,330 --> 01:36:27,580

take the u.s. completely out of it and

1860

01:36:35,700 --> 01:36:30,340

sanctions completely out of it they have

1861

01:36:40,200 --> 01:36:35,710

a history of being starved and penniless

1862

01:36:41,640 --> 01:36:40,210

and having very little so you know and I

1863

01:36:45,720 --> 01:36:41,650

know that China is kind of helping them

1864

01:36:48,840 --> 01:36:45,730

from the backdoor on something so this

1865

01:36:51,720 --> 01:36:48,850

meeting with Kim I'm confused about like

1866

01:36:53,760 --> 01:36:51,730

I mean it can't just be fueled from the

1867

01:36:57,240 --> 01:36:53,770

sanctions it there's got to be something

1868

01:36:59,400 --> 01:36:57,250

else going on because I I know for I and

1869

01:37:02,550 --> 01:36:59,410

and the other thing I want to point out

1870

01:37:05,400 --> 01:37:02,560

is that there's no doubt that he is

1871

01:37:09,270 --> 01:37:05,410

making it our fault like that they are

1872

01:37:11,190 --> 01:37:09,280

starved and in ill health and in terror

1873

01:37:13,290 --> 01:37:11,200

in a terrible place I mean he's

1874

01:37:16,560 --> 01:37:13,300

certainly not losing weight but he's

1875

01:37:18,420 --> 01:37:16,570

eating plenty but when it comes to his

1876

01:37:19,260 --> 01:37:18,430

people he's never really cared about

1877

01:37:23,660 --> 01:37:19,270

them

1878

01:37:26,340 --> 01:37:23,670

you know outwardly and from all the

1879

01:37:28,230 --> 01:37:26,350

reports and papers that have come out of

1880

01:37:32,390 --> 01:37:28,240

North Korea from people who've been

1881

01:37:35,880 --> 01:37:32,400

undercover so I just wanted to you know

1882

01:37:38,100 --> 01:37:35,890

Casey your response offline I guess okay

1883

01:37:42,230 --> 01:37:38,110

well thank you for the call Megan and

1884

01:37:46,650 --> 01:37:42,240

and that's it's an important point the

1885

01:37:51,120 --> 01:37:46,660

the influence that is probably going on

1886

01:37:53,220 --> 01:37:51,130

and let me let me tell you why the the

1887

01:37:55,080 --> 01:37:53,230

China part of it is very interesting and

1888

01:37:57,780 --> 01:37:55,090

that China has always propped up North

1889

01:38:01,020 --> 01:37:57,790

Korea but they agreed on these oil

1890

01:38:03,120 --> 01:38:01,030

sanctions to cut off the oil supply they

1891

01:38:04,770 --> 01:38:03,130

weren't gonna buy any more coal or this

1892

01:38:07,500 --> 01:38:04,780

was all going to be on a very limited

1893

01:38:10,140 --> 01:38:07,510

basis and there was some coal that was

1894

01:38:13,020 --> 01:38:10,150

being traded off between ships and they

1895

01:38:16,020 --> 01:38:13,030

got busted doing that and and and so

1896

01:38:19,020 --> 01:38:16,030

forth that this is what I think a big

1897

01:38:22,770 --> 01:38:19,030

part of it is that he probably picked up

1898

01:38:25,230 --> 01:38:22,780

the phone and said yo China I need I

1899

01:38:29,490 --> 01:38:25,240

need food I need medical supplies I need

1900

01:38:34,230 --> 01:38:29,500

some money I need some oil I need all of

1901

01:38:37,020 --> 01:38:34,240

this now in China said no you know and

1902

01:38:38,910 --> 01:38:37,030

that's I think that has a big big part

1903

01:38:42,540 --> 01:38:38,920

of it and he probably went to Russia and

1904

01:38:46,230 --> 01:38:42,550

Russia said no you know we're talking

1905

01:38:49,560 --> 01:38:46,240

about a country that is threatening the

1906

01:38:51,750 --> 01:38:49,570

use of nuclear weapons and you can't you

1907

01:38:54,090 --> 01:38:51,760

can't support that

1908

01:38:55,920 --> 01:38:54,100

and so the rhetoric and the bluster and

1909

01:38:58,860 --> 01:38:55,930

everything that was before when you

1910

01:39:01,970 --> 01:38:58,870

still had a certain amount of trade

1911

01:39:05,270 --> 01:39:01,980

going on you had a certain amount of

1912

01:39:07,470 --> 01:39:05,280

imports and exports that were happening

1913

01:39:11,430 --> 01:39:07,480

and and all of that

1914

01:39:14,940 --> 01:39:11,440

the the all of the money flow is is just

1915

01:39:17,970 --> 01:39:14,950

stopped and and and resources and

1916

01:39:21,030 --> 01:39:17,980

everything else you can't eat coal right

1917

01:39:22,900 --> 01:39:21,040

and so that's I'm telling you I think

1918

01:39:27,400 --> 01:39:22,910

that I think they just ran

1919

01:39:29,680 --> 01:39:27,410

drei ran out you know and you can only

1920

01:39:32,200 --> 01:39:29,690

you know you have your backup

1921

01:39:36,160 --> 01:39:32,210

you have your reserves of food and oil

1922

01:39:39,760 --> 01:39:36,170

and and and medicines and and everything

1923

01:39:40,600 --> 01:39:39,770

and money and you can only run that for

1924

01:39:45,070 --> 01:39:40,610

so long

1925

01:39:48,700 --> 01:39:45,080

look I'll give you an example one that I

1926

01:39:53,110 --> 01:39:48,710

can I'll give it to you directly let's

1927

01:39:55,330 --> 01:39:53,120

say let's say you're doing good

1928

01:39:57,760 --> 01:39:55,340

everything is fine you're not living

1929

01:40:00,130 --> 01:39:57,770

necessarily paid to paycheck to paycheck

1930

01:40:03,580 --> 01:40:00,140

but that you're able to pay your bills

1931

01:40:06,070 --> 01:40:03,590

every month on time you've got \$5,000 in

1932

01:40:09,340 --> 01:40:06,080

your savings account you got a grand in

1933

01:40:10,960 --> 01:40:09,350

your in your checking account and every

1934

01:40:13,930 --> 01:40:10,970

couple of weeks you deposit your money

1935

01:40:15,700 --> 01:40:13,940

and and you make your payment's you buy

1936

01:40:18,820 --> 01:40:15,710

your food you buy your clothes you go

1937

01:40:22,000 --> 01:40:18,830

out you know you do your things and you

1938

01:40:23,860 --> 01:40:22,010

you run through a month and you still

1939

01:40:25,540 --> 01:40:23,870

got now you've got maybe twelve hundred

1940

01:40:28,030 --> 01:40:25,550

dollars in your checking account now

1941

01:40:29,200 --> 01:40:28,040

you've got fifty one hundred dollars and

1942

01:40:31,090 --> 01:40:29,210

your savings account and you go through

1943

01:40:34,120 --> 01:40:31,100

another month and everything's good

1944

01:40:36,660 --> 01:40:34,130

right all right you're making your car

1945

01:40:42,310 --> 01:40:36,670

payment and everything is good and then

1946

01:40:44,320 --> 01:40:42,320

you get fired right you lose your job

1947

01:40:49,980 --> 01:40:44,330

company goes out of business whatever

1948

01:40:54,820 --> 01:40:49,990

whatever it is and now you are on

1949

01:40:59,980 --> 01:40:54,830

unemployment which is half of what you

1950

01:41:01,510 --> 01:40:59,990

were making how long how long do you

1951

01:41:03,430 --> 01:41:01,520

survive like that and you're out there

1952

01:41:09,850 --> 01:41:03,440

trying to get a job and you're not in

1953

01:41:15,190 --> 01:41:09,860

and and suddenly in like one month two

1954

01:41:18,040 --> 01:41:15,200

months you're broke and now this third

1955

01:41:20,350 --> 01:41:18,050

month that is coming up fourth month

1956

01:41:20,790 --> 01:41:20,360

maybe you borrowed money from a family

1957

01:41:24,640 --> 01:41:20,800

member

1958

01:41:29,800 --> 01:41:24,650

fourth month is coming up and you all of

1959

01:41:32,710 --> 01:41:29,810

your accounts are now dry and you can't

1960

01:41:35,650 --> 01:41:32,720

make that car payment you can't make

1961

01:41:37,690 --> 01:41:35,660

your house payment your rent

1962

01:41:39,910 --> 01:41:37,700

and you push that out for a month you

1963

01:41:44,320 --> 01:41:39,920

tell your landlord okay yeah I'm good

1964

01:41:47,560 --> 01:41:44,330

next month and you talk your car company

1965

01:41:50,740 --> 01:41:47,570

you know whatever and you push things

1966

01:41:52,540 --> 01:41:50,750

out you got to eat you got to do what

1967

01:41:54,990 --> 01:41:52,550

you can you're paying the electric bill

1968

01:41:59,170 --> 01:41:55,000

because you want your electricity on and

1969

01:42:01,330 --> 01:41:59,180

then everything think about this and now

1970

01:42:04,510 --> 01:42:01,340

you go you stretch things and you push

1971

01:42:07,990 --> 01:42:04,520

it do you push it but at the end of it

1972

01:42:10,360 --> 01:42:08,000

all it's gonna run out and then one day

1973

01:42:12,220 --> 01:42:10,370

you wake up and there is there or there

1974

01:42:14,950 --> 01:42:12,230

that's it you're tapped out do you have

1975

01:42:18,160 --> 01:42:14,960

nowhere you have nothing you know and

1976

01:42:20,610 --> 01:42:18,170

that happens but that's what's going on

1977

01:42:24,010 --> 01:42:20,620

with North Korea they're tapped out

1978

01:42:27,880 --> 01:42:24,020

there's just no place left to go you

1979

01:42:30,280 --> 01:42:27,890

can't borrow money you know and there's

1980

01:42:32,110 --> 01:42:30,290

that your ships aren't allowed to go and

1981

01:42:33,790 --> 01:42:32,120

pull into any ports you don't have

1982

01:42:38,920 --> 01:42:33,800

anything to put on those ships to get

1983

01:42:42,520 --> 01:42:38,930

out let's go try to sell you know you've

1984

01:42:46,150 --> 01:42:42,530

already robbed all the Bitcoin exchanges

1985

01:42:49,240 --> 01:42:46,160

you can I'm just saying that's that's

1986

01:42:52,420 --> 01:42:49,250

what I think that it is just it's just

1987

01:42:55,600 --> 01:42:52,430

you wake up one day and there is there's

1988

01:42:57,550 --> 01:42:55,610

nothing left there's no future that's

1989

01:43:00,790 --> 01:42:57,560

that's what I think that's honestly what

1990

01:43:05,290 --> 01:43:00,800

I think is has gone on when we go back

1991

01:43:09,840 --> 01:43:05,300

and we look at what what this meeting

1992

01:43:15,480 --> 01:43:09,850

could entail in a normal in a normal day

1993

01:43:20,410 --> 01:43:15,490

where there's other things going on

1994

01:43:23,950 --> 01:43:20,420

where there's a position of influence on

1995

01:43:28,510 --> 01:43:23,960

Kim Jong Un's part the only bargaining

1996

01:43:30,550 --> 01:43:28,520

chip he has got left is giving up his

1997

01:43:33,720 --> 01:43:30,560

nuclear program there's there's nothing

1998

01:43:37,330 --> 01:43:33,730

else left there's nothing for him to

1999

01:43:40,300 --> 01:43:37,340

there's nothing right so what is it that

2000

01:43:42,790 --> 01:43:40,310

we have to give up we don't have to give

2001

01:43:46,390 --> 01:43:42,800

up anything I think it's an easy deal

2002

01:43:48,070 --> 01:43:46,400

for Donald to make I really do she's

2003

01:43:48,930 --> 01:43:48,080

gonna go yeah we'll have some sanctions

2004

01:43:56,130 --> 01:43:48,940

you

2005

01:43:58,890 --> 01:43:56,140

rolling trucks in tomorrow and and and

2006

01:44:02,250 --> 01:43:58,900

start picking up all of your nuclear

2007

01:44:04,080 --> 01:44:02,260

materials you know can we drive those

2008

01:44:06,270 --> 01:44:04,090

missiles out of North Korea into South

2009

01:44:09,930 --> 01:44:06,280

Korea can we can we start cutting them

2010

01:44:12,209 --> 01:44:09,940

apart you know can we start doing that

2011

01:44:16,650 --> 01:44:12,219

if we can start doing that tomorrow dude

2012

01:44:19,890 --> 01:44:16,660

well we'll we'll fly in food you know

2013

01:44:23,600 --> 01:44:19,900

and I that's that's that's where I'm

2014

01:44:26,729 --> 01:44:23,610

coming from right now now okay so now

2015

01:44:29,070 --> 01:44:26,739

putting all of that on the table oh

2016

01:44:30,600 --> 01:44:29,080

shoot let me do this if you're on hold

2017

01:44:32,850 --> 01:44:30,610

stay right there three two three eight

2018

01:44:34,950 --> 01:44:32,860

to five five zero four five four three

2019

01:44:37,439 --> 01:44:34,960

two three two seven five nine six nine

2020

01:44:40,320 --> 01:44:37,449

five sorry about that but I get going

2021

01:44:45,290 --> 01:44:40,330

when I get going I can't I can't do

2022

01:44:50,790 --> 01:44:45,300

everything all at the same time is this

2023

01:44:53,640 --> 01:44:50,800

if it all was in a normal day then we

2024

01:44:55,950 --> 01:44:53,650

have logistics and we have things we

2025

01:44:57,900 --> 01:44:55,960

have planning to do and we've got to

2026

01:44:59,880 --> 01:44:57,910

bring in the experts and we've got to

2027

01:45:02,189 --> 01:44:59,890

get a timetable and we've got to figure

2028

01:45:04,860 --> 01:45:02,199

all of this out I don't think it's that

2029

01:45:06,570 --> 01:45:04,870

kind of party right now I think it's a

2030

01:45:08,400 --> 01:45:06,580

really desperate time so this isn't

2031

01:45:12,470 --> 01:45:08,410

happening in six months this is

2032

01:45:17,729 --> 01:45:12,480

happening happening in in six weeks you

2033

01:45:21,060 --> 01:45:17,739

know so it's it's my opinion it's just

2034

01:45:24,570 --> 01:45:21,070

my opinion that the only thing left on

2035

01:45:27,300 --> 01:45:24,580

the table is just that and the deal that

2036

01:45:28,890 --> 01:45:27,310

could be struck normally I would say

2037

01:45:30,930 --> 01:45:28,900

they're not going to do anything here

2038

01:45:33,720 --> 01:45:30,940

they're gonna go in and go okay we agree

2039

01:45:35,970 --> 01:45:33,730

that you're gonna die nuclear eyes and

2040

01:45:38,490 --> 01:45:35,980

well here's the timetable I'm gonna fly

2041

01:45:40,229 --> 01:45:38,500

back to Washington I'm gonna discuss

2042

01:45:43,050 --> 01:45:40,239

things with everybody everything stays

2043

01:45:45,120 --> 01:45:43,060

in place right now and we'll talk in a

2044

01:45:48,209 --> 01:45:45,130

couple of weeks these people are gonna

2045

01:45:50,010 --> 01:45:48,219

start dying so no I don't I don't think

2046

01:45:53,160 --> 01:45:50,020

it's like that I think that there's a

2047

01:45:58,439 --> 01:45:53,170

possibility here that a deal could be

2048

01:45:59,160 --> 01:45:58,449

struck and it's imminent its imminent it

2049

01:46:00,640 --> 01:45:59,170

could happen

2050

01:46:04,470 --> 01:46:00,650

just like that

2051

01:46:07,840 --> 01:46:04,480

like some instantaneous situation

2052

01:46:10,180 --> 01:46:07,850

everybody comes away a winner Kim

2053

01:46:12,340 --> 01:46:10,190

jong-un feeds his people he strikes a

2054

01:46:15,550 --> 01:46:12,350

deal with the with the with the enemy

2055

01:46:18,280 --> 01:46:15,560

now oh there's that leaves me with

2056

01:46:20,380 --> 01:46:18,290

something else I got a mention here and

2057

01:46:24,030 --> 01:46:20,390

that is the story that has been fed to

2058

01:46:26,620 --> 01:46:24,040

the North Korean people since birth and

2059

01:46:29,920 --> 01:46:26,630

before I get to that I wanted to mention

2060

01:46:33,430 --> 01:46:29,930

Reda pointed out to me that today is a

2061

01:46:39,010 --> 01:46:33,440

kind of a special day today is the 8th

2062

01:46:45,150 --> 01:46:39,020

day of March in 2018 today's March 8th

2063

01:46:48,220 --> 01:46:45,160

of 2018 and today is show number 818

2064

01:46:52,120 --> 01:46:48,230

yeah isn't that kind of weird that's a

2065

01:46:54,700 --> 01:46:52,130

lot of eights and ones all to happen at

2066

01:46:58,270 --> 01:46:54,710

the same time so today is the special

2067

01:47:00,730 --> 01:46:58,280

day and today's a special show and isn't

2068

01:47:05,670 --> 01:47:00,740

that cool right I should have I should

2069

01:47:07,810 --> 01:47:05,680

have mentioned it last hour at 8:18 but

2070

01:47:10,180 --> 01:47:07,820

unfortunately she didn't let me know

2071

01:47:12,460 --> 01:47:10,190

until it was after that but nonetheless

2072

01:47:17,590 --> 01:47:12,470

it would have been cool huh 8:18 it's

2073

01:47:19,930 --> 01:47:17,600

now 818 today is 8th 2018 shows 818

2074

01:47:22,450 --> 01:47:19,940

pretty cool ok so anyway I want to get

2075

01:47:25,660 --> 01:47:22,460

that another way now let's let's let's

2076

01:47:28,830 --> 01:47:25,670

talk about the indoctrination

2077

01:47:32,530 --> 01:47:28,840

of the North Korean people from birth

2078

01:47:34,600 --> 01:47:32,540

you know about what the United States is

2079

01:47:36,640 --> 01:47:34,610

about and the war that happened between

2080

01:47:40,840 --> 01:47:36,650

North and South Korea and the United

2081

01:47:42,730 --> 01:47:40,850

States and and the Pueblo and and and

2082

01:47:45,190 --> 01:47:42,740

all of the other stuff that has happened

2083

01:47:48,070 --> 01:47:45,200

between the two countries and the DMZ

2084

01:47:51,070 --> 01:47:48,080

and what the United States represents

2085

01:47:54,580 --> 01:47:51,080

and the only the only way to protect

2086

01:47:57,130 --> 01:47:54,590

themselves from us is to you know the

2087

01:48:01,450 --> 01:47:57,140

goal was nuclear weapons it's written in

2088

01:48:05,100 --> 01:48:01,460

to their law in North Korea it's it's

2089

01:48:08,830 --> 01:48:05,110

part of it so when you are taught

2090

01:48:13,090 --> 01:48:08,840

everything that they are taught from

2091

01:48:16,030 --> 01:48:13,100

birth is is part of their lives which it

2092

01:48:22,630 --> 01:48:19,570

Kim jong-un Kim jong-il and you know

2093

01:48:24,700 --> 01:48:22,640

being born you know to gods on the top

2094

01:48:27,460 --> 01:48:24,710

of a mountain and that's you know this

2095

01:48:30,070 --> 01:48:27,470

is where you know that they are gods and

2096

01:48:32,860 --> 01:48:30,080

the family and and how the the Korean

2097

01:48:36,220 --> 01:48:32,870

people support all of this and that that

2098

01:48:38,680 --> 01:48:36,230

if they are taught that you know they

2099

01:48:42,400 --> 01:48:38,690

don't know any different and really

2100

01:48:47,260 --> 01:48:42,410

don't so when we look at things like

2101

01:48:49,150 --> 01:48:47,270

Cuba or China or Russia or any other

2102

01:48:52,690 --> 01:48:49,160

countries around the world that tried to

2103

01:48:54,520 --> 01:48:52,700

control the minds of their people and

2104

01:48:58,780 --> 01:48:54,530

teach them certain things in schools

2105

01:49:01,870 --> 01:48:58,790

okay that sense tended to fall apart but

2106

01:49:04,180 --> 01:49:01,880

it didn't in South Korea you can't even

2107

01:49:07,690 --> 01:49:04,190

talk about China in the same terms these

2108

01:49:10,480 --> 01:49:07,700

days Chinese is a capitalistic country

2109

01:49:13,960 --> 01:49:10,490

right it's a free-market system over

2110

01:49:16,810 --> 01:49:13,970

there it is free willy-nilly when it

2111

01:49:18,580 --> 01:49:16,820

comes to millionaires and billionaires

2112

01:49:21,100 --> 01:49:18,590

and construction and things and

2113

01:49:24,130 --> 01:49:21,110

companies and and and everything else

2114

01:49:26,500 --> 01:49:24,140

right and Janine's you said what about

2115

01:49:29,470 --> 01:49:26,510

all the lies that we are fed from birth

2116

01:49:33,010 --> 01:49:29,480

yeah exactly but you know what at least

2117

01:49:36,580 --> 01:49:33,020

at least here we have the ability to go

2118

01:49:39,790 --> 01:49:36,590

and try to figure that out okay that's

2119

01:49:42,520 --> 01:49:39,800

what's the most important thing we we

2120

01:49:45,220 --> 01:49:42,530

have that freedom we have the internet

2121

01:49:46,870 --> 01:49:45,230

we have libraries we have the ability to

2122

01:49:50,200 --> 01:49:46,880

talk to our neighbors we have the

2123

01:49:52,810 --> 01:49:50,210

ability to in this country to drive from

2124

01:49:56,140 --> 01:49:52,820

one side of it to the other across state

2125

01:49:58,800 --> 01:49:56,150

borders and not you know and and freedom

2126
01:50:01,600 --> 01:49:58,810
of travel and communication and and

2127
01:50:04,720 --> 01:50:01,610
questioning so that's there's a big

2128
01:50:06,610 --> 01:50:04,730
difference there so lies sure but we

2129
01:50:08,200 --> 01:50:06,620
have the ability to go investigate and

2130
01:50:11,410 --> 01:50:08,210
figure it out and if we do figure it out

2131
01:50:13,540 --> 01:50:11,420
we can broadcast it so know that there's

2132
01:50:15,910 --> 01:50:13,550
a big difference you need that's and and

2133
01:50:19,750 --> 01:50:15,920
not only that and I think that's a great

2134
01:50:21,900 --> 01:50:19,760
point that this show exists this show

2135
01:50:23,800 --> 01:50:21,910
couldn't exist in south or north korea

2136
01:50:27,069 --> 01:50:23,810
couldn't exist in a lot of countries

2137
01:50:36,000 --> 01:50:27,079
around the world but it exists here

2138
01:50:40,720 --> 01:50:36,010

okay so now how is he going to spin this

2139

01:50:43,149 --> 01:50:40,730

to the rest of North Korea one of their

2140

01:50:47,770 --> 01:50:43,159

goals is to have unification between the

2141

01:50:51,310 --> 01:50:47,780

North and the South how how this is this

2142

01:50:56,740 --> 01:50:51,320

is what I really really I'm fascinated

2143

01:50:59,410 --> 01:50:56,750

with if if the North and the South were

2144

01:51:01,780 --> 01:50:59,420

unified and everybody in North Korea

2145

01:51:04,479 --> 01:51:01,790

that has been taught what they have been

2146

01:51:08,560 --> 01:51:04,489

taught and they flood into Seoul South

2147

01:51:11,200 --> 01:51:08,570

Korea and experience that freedom of

2148

01:51:15,010 --> 01:51:11,210

travel freedom of food freedom of money

2149

01:51:17,020 --> 01:51:15,020

freedom of jobs freedom of everything to

2150

01:51:19,470 --> 01:51:17,030

be able to walk down a street and do

2151
01:51:24,060 --> 01:51:19,480
whatever you want in each direction

2152
01:51:30,990 --> 01:51:24,070
right and the internet television

2153
01:51:33,129 --> 01:51:31,000
Hollywood movies books magazines and

2154
01:51:36,790 --> 01:51:33,139
everything that they have been taught

2155
01:51:42,370 --> 01:51:36,800
right wait a minute you mean we didn't

2156
01:51:44,740 --> 01:51:42,380
win that war whatever how are you gonna

2157
01:51:46,270 --> 01:51:44,750
be able to handle that spin I don't know

2158
01:51:48,819 --> 01:51:46,280
how you're gonna be able to do that

2159
01:51:50,830 --> 01:51:48,829
you know unification between the North

2160
01:51:55,049 --> 01:51:50,840
and the South sounds great on paper but

2161
01:51:59,530 --> 01:51:55,059
you're gonna have a lot of very confused

2162
01:52:01,060 --> 01:51:59,540
children and adults that that believe

2163
01:52:03,310 --> 01:52:01,070

this because it's all they've been

2164

01:52:06,430 --> 01:52:03,320

taught you know how do you know the

2165

01:52:12,490 --> 01:52:06,440

difference I don't know how that gets

2166

01:52:15,240 --> 01:52:12,500

overcome having even if this is this is

2167

01:52:18,310 --> 01:52:15,250

the truth even if you had regime change

2168

01:52:22,479 --> 01:52:18,320

right you had regime change whatever

2169

01:52:25,689 --> 01:52:22,489

happens you know he gets sick and dies

2170

01:52:28,720 --> 01:52:25,699

or whatever or maybe there's a war you

2171

01:52:31,000 --> 01:52:28,730

know or North Korea sends in the South

2172

01:52:33,160 --> 01:52:31,010

Korea sends in their elite execution

2173

01:52:35,649 --> 01:52:33,170

team and takes them out and you have a

2174

01:52:37,510 --> 01:52:35,659

regime change what do you do with

2175

01:52:40,030 --> 01:52:37,520

everybody there that is going to be

2176

01:52:41,790 --> 01:52:40,040

completely confused

2177

01:52:45,820 --> 01:52:41,800

you know and you bring it down you

2178

01:52:49,690 --> 01:52:45,830

install a new economy and and you rip

2179

01:52:51,330 --> 01:52:49,700

down the DMZ and and what how do how do

2180

01:52:55,990 --> 01:52:51,340

you handle that

2181

01:52:58,120 --> 01:52:56,000

what was the I was just trying to think

2182

01:53:00,700 --> 01:52:58,130

of the movie with uh what's-her-name

2183

01:53:03,370 --> 01:53:00,710

that's raised in the jungle or in the

2184

01:53:05,380 --> 01:53:03,380

forest that woody bring on and and you

2185

01:53:07,680 --> 01:53:05,390

try to introduce somebody like that into

2186

01:53:10,750 --> 01:53:07,690

society how do you how do you do that

2187

01:53:12,520 --> 01:53:10,760

you know that's that's a really big deal

2188

01:53:14,350 --> 01:53:12,530

I mean that is something that some very

2189

01:53:17,410 --> 01:53:14,360

smart people have to sit around and talk

2190

01:53:19,660 --> 01:53:17,420

about and contemplate and try to fix

2191

01:53:23,020 --> 01:53:19,670

that I don't know I don't know how you

2192

01:53:28,750 --> 01:53:23,030

how you overcome that there's a really

2193

01:53:31,240 --> 01:53:28,760

good series on Vice where the president

2194

01:53:35,230 --> 01:53:31,250

of Vice the CEO the founder of vice goes

2195

01:53:37,210 --> 01:53:35,240

to North Korea and it's like and it's

2196

01:53:40,420 --> 01:53:37,220

probably four six episodes long it's

2197

01:53:43,270 --> 01:53:40,430

pretty amazing video series documentary

2198

01:53:46,580 --> 01:53:43,280

it's probably probably about six or

2199

01:53:47,640 --> 01:53:46,590

eight years old now but he goes and

2200

01:53:50,530 --> 01:53:47,650

[Applause]

2201
01:53:53,920 --> 01:53:50,540
pretty fascinating but there is one

2202
01:53:57,610 --> 01:53:53,930
thing for me that sticks out in the

2203
01:54:00,790 --> 01:53:57,620
series and he's on a bus he's died bus a

2204
01:54:05,430 --> 01:54:00,800
a van or whatever and he stops on the

2205
01:54:07,930 --> 01:54:05,440
side of the road to this roadside

2206
01:54:10,060 --> 01:54:07,940
restaurant tourist thing I think there's

2207
01:54:13,180 --> 01:54:10,070
a little Museum there or something you

2208
01:54:16,960 --> 01:54:13,190
know four-story building goes in out bar

2209
01:54:20,200 --> 01:54:16,970
and it's empty right there's nobody

2210
01:54:25,600 --> 01:54:20,210
there there's a woman there that works

2211
01:54:28,630 --> 01:54:25,610
and she is alone she's wearing like a

2212
01:54:31,420 --> 01:54:28,640
pink dress she's the bartender she does

2213
01:54:34,030 --> 01:54:31,430

that she does that she's selling stuff

2214

01:54:36,940 --> 01:54:34,040

at the souvenir stand she's like you

2215

01:54:39,400 --> 01:54:36,950

know that like the guard this four-story

2216

01:54:42,340 --> 01:54:39,410

building I believe she was alone

2217

01:54:45,510 --> 01:54:42,350

maybe there was a bit but but anyway so

2218

01:54:49,930 --> 01:54:45,520

she plays she plays ping pong with him

2219

01:54:52,720 --> 01:54:49,940

she plays pool with them they they drink

2220

01:54:53,650 --> 01:54:52,730

they eat and and the fascinating thing

2221

01:54:59,320 --> 01:54:53,660

is

2222

01:55:02,160 --> 01:54:59,330

little world

2223

01:55:04,450 --> 01:55:02,170

she doesn't have news she doesn't have

2224

01:55:06,550 --> 01:55:04,460

contact with the outside world she's out

2225

01:55:10,660 --> 01:55:06,560

in the middle of North Korea and lives

2226

01:55:15,100 --> 01:55:10,670

at this at this tourist stop thing and

2227

01:55:18,160 --> 01:55:15,110

it's bizarre she and he brings it up he

2228

01:55:20,200 --> 01:55:18,170

says as he goes she acted like she

2229

01:55:25,060 --> 01:55:20,210

hadn't seen another human being in

2230

01:55:27,130 --> 01:55:25,070

months and she probably hadn't she was

2231

01:55:29,710 --> 01:55:27,140

you know so happy she had something to

2232

01:55:32,260 --> 01:55:29,720

do but but back to my point how do you

2233

01:55:35,740 --> 01:55:32,270

turn around and tell somebody like that

2234

01:55:36,850 --> 01:55:35,750

an adult about the real world that is

2235

01:55:39,040 --> 01:55:36,860

going on out there

2236

01:55:42,400 --> 01:55:39,050

that's your Jimmy the Berlin Wall came

2237

01:55:45,220 --> 01:55:42,410

down not too much of a problem not sure

2238

01:55:47,350 --> 01:55:45,230

of the time frame a totally big

2239

01:55:49,180 --> 01:55:47,360

difference and you want me to tell you

2240

01:55:51,730 --> 01:55:49,190

what the the big difference was and

2241

01:55:55,480 --> 01:55:51,740

anybody on either side can tell you

2242

01:55:57,400 --> 01:55:55,490

first off and especially in Berlin you

2243

01:55:59,710 --> 01:55:57,410

could look over the wall and see the

2244

01:56:01,510 --> 01:55:59,720

other side from the good side of Berlin

2245

01:56:03,430 --> 01:56:01,520

looking into the other side into the

2246

01:56:05,650 --> 01:56:03,440

grayness and see the difference or from

2247

01:56:08,440 --> 01:56:05,660

the gray side looking into the colorful

2248

01:56:10,420 --> 01:56:08,450

lid up Berlin Wall side and you knew

2249

01:56:12,670 --> 01:56:10,430

there was another world out there you

2250

01:56:15,760 --> 01:56:12,680

don't have that option in in North Korea

2251
01:56:18,520 --> 01:56:15,770
you can't even get close to the DMZ as a

2252
01:56:22,980 --> 01:56:18,530
civilian you don't know what's going on

2253
01:56:25,690 --> 01:56:22,990
you have no idea the the the other side

2254
01:56:27,430 --> 01:56:25,700
the resistance you know from South Korea

2255
01:56:30,220 --> 01:56:27,440
you know their flight balloons up with

2256
01:56:33,780 --> 01:56:30,230
hard you know little USB drives and and

2257
01:56:36,970 --> 01:56:33,790
and and hopefully you know showing

2258
01:56:39,220 --> 01:56:36,980
whether things Hollywood movies are the

2259
01:56:41,860 --> 01:56:39,230
Internet or photographs and video of

2260
01:56:44,710 --> 01:56:41,870
what's going on out in the rest of the

2261
01:56:48,790 --> 01:56:44,720
world okay and that stuff has permeated

2262
01:56:51,640 --> 01:56:48,800
and has gotten into North Korean people

2263
01:56:53,530 --> 01:56:51,650

I've been able to see that but by and

2264

01:56:55,150 --> 01:56:53,540

large they don't have the Internet

2265

01:56:58,990 --> 01:56:55,160

they're not able to see that they don't

2266

01:57:00,970 --> 01:56:59,000

have magazines from the south or the

2267

01:57:04,690 --> 01:57:00,980

West you know coming in they don't have

2268

01:57:06,460 --> 01:57:04,700

that you know they don't and and think

2269

01:57:07,649 --> 01:57:06,470

about it and if you're caught with any

2270

01:57:14,979 --> 01:57:07,659

of that

2271

01:57:17,919 --> 01:57:14,989

it's a prison death for you and your

2272

01:57:20,080 --> 01:57:17,929

family so there is a part of the Berlin

2273

01:57:23,410 --> 01:57:20,090

Wall and some bar in Las Vegas if I

2274

01:57:26,979 --> 01:57:23,420

remember bullet holes and graffiti yeah

2275

01:57:29,410 --> 01:57:26,989

but I don't know I don't know how how

2276

01:57:33,250 --> 01:57:29,420

we're gonna deal with any of that so I

2277

01:57:35,500 --> 01:57:33,260

again I'm positive about all of this I

2278

01:57:38,620 --> 01:57:35,510

feel great

2279

01:57:40,209 --> 01:57:38,630

it was I don't want to put too much into

2280

01:57:44,879 --> 01:57:40,219

it for any of us but the more that I

2281

01:57:48,839 --> 01:57:44,889

look at it something caused this strange

2282

01:57:52,629 --> 01:57:48,849

turn of attitude something caused it and

2283

01:57:55,149 --> 01:57:52,639

and I I'm I'm positive that it comes

2284

01:57:58,509 --> 01:57:55,159

down to food and medicine and money it

2285

01:58:00,100 --> 01:57:58,519

just all ran out yeah that's a that's a

2286

01:58:02,770 --> 01:58:00,110

really good shot right here I've seen

2287

01:58:05,370 --> 01:58:02,780

this before thank you when you look at

2288

01:58:09,100 --> 01:58:05,380

North and South Korea and China at night

2289

01:58:14,109 --> 01:58:09,110

right look at look at theirs look at

2290

01:58:17,350 --> 01:58:14,119

North Korea dark dark think about that

2291

01:58:19,600 --> 01:58:17,360

it's absolutely crazy so let's hope I

2292

01:58:23,049 --> 01:58:19,610

think a deal could be made most people

2293

01:58:28,770 --> 01:58:23,059

would say now it's impossible I think

2294

01:58:32,560 --> 01:58:28,780

that Kim jong-un is ready to tap out

2295

01:58:34,629 --> 01:58:32,570

ready to tap out ready to tap out this

2296

01:58:38,339 --> 01:58:34,639

lucky UFC man and you've been in that

2297

01:58:43,120 --> 01:58:38,349

you've been in that hoist Gracie

2298

01:58:46,540 --> 01:58:43,130

chokehold you know for nine minutes from

2299

01:58:47,949 --> 01:58:46,550

U of C one but yeah absolutely all right

2300

01:58:49,239 --> 01:58:47,959

I'm gonna take a break if you're on hold

2301

01:58:51,729 --> 01:58:49,249

stay right there I'll pick up your calls

2302

01:58:53,979 --> 01:58:51,739

after this it's a big day it's a big

2303

01:58:56,500 --> 01:58:53,989

deal oh and you know what when we come

2304

01:58:58,660 --> 01:58:56,510

back after the break and we haven't had

2305

01:59:01,419 --> 01:58:58,670

this in a while where I can actually

2306

01:59:06,370 --> 01:59:01,429

comment on this but with everything that

2307

01:59:08,699 --> 01:59:06,380

is going on in Washington what what a

2308

01:59:13,299 --> 01:59:08,709

beautiful day for the news right

2309

01:59:14,890 --> 01:59:13,309

everything else everything else that is

2310

01:59:17,560 --> 01:59:14,900

being talked about in Washington just

2311

01:59:20,859 --> 01:59:17,570

got forgotten about all of it

2312

01:59:22,839 --> 01:59:20,869

how can CNN and Fox run with with

2313

01:59:25,119 --> 01:59:22,849

headlines you know that they normally

2314

01:59:27,279 --> 01:59:25,129

run with when you have this everything

2315

01:59:31,239 --> 01:59:27,289

else all the bad news in the world just

2316

01:59:33,310 --> 01:59:31,249

got overtaken just like that with one

2317

01:59:36,399 --> 01:59:33,320

comment from kim jeong-hoon

2318

01:59:41,169 --> 01:59:36,409

happens pretty quickly how how quickly

2319

01:59:46,330 --> 01:59:41,179

the news cycle changes today alright 3 -

2320

01:59:49,479 --> 01:59:46,340

3 + 2 5 5 0 4 5 or 3 - 3 - 7 5 9 6 9 5

2321

01:59:51,879 --> 01:59:49,489

Fator nights those are my comments I'm

2322

01:59:54,729 --> 01:59:51,889

in a good mood and so there you go that

2323

02:00:00,330 --> 01:59:54,739

will wrap another Fator night

2324

02:00:03,520 --> 02:00:00,340

on 8 March 8th 2018 this is show number

2325

02:00:05,709 --> 02:00:03,530

88 18 I'm your assume you church got a

2326
02:00:07,209 --> 02:00:05,719
great week lined up for you guys next

2327
02:00:10,899 --> 02:00:07,219
week right here on fade to black

2328
02:00:13,589 --> 02:00:10,909
everybody enjoy your weekend be safe

2329
02:00:16,060 --> 02:00:13,599
have a great time go cook some food

2330
02:00:18,250 --> 02:00:16,070
we're gonna get out of town too

2331
02:00:20,529 --> 02:00:18,260
as well and we'll let you know where

2332
02:00:24,219 --> 02:00:20,539
we're going after we get there maybe

2333
02:00:25,569 --> 02:00:24,229
after we return there you go

2334
02:00:28,959 --> 02:00:25,579
thank you to everybody that called in

2335
02:00:29,949 --> 02:00:28,969
and tweeted tonight amazing show great

2336
02:00:32,109 --> 02:00:29,959
days ahead

2337
02:00:34,000 --> 02:00:32,119
fade to black so executive producers

2338
02:00:36,489 --> 02:00:34,010

ritika murray on shows produced by Hill

2339

02:00:38,819 --> 02:00:36,499

J Palmer Nate Dennis and Bob announces

2340

02:00:41,109 --> 02:00:38,829

our Steve Carter Jean Patou mrdiko bar

2341

02:00:43,179 --> 02:00:41,119

webmaster drew the geek music doug

2342

02:00:46,299 --> 02:00:43,189

aldrich intro space boys space boy

2343

02:00:49,589 --> 02:00:46,309

music.com fade to black is produced by

2344

02:00:54,660 --> 02:00:49,599

kjsurya at work and syndications kg ra

2345

02:00:57,479 --> 02:00:54,670

the planet thank you to Jon Rappoport

2346

02:00:58,650 --> 02:00:57,489

his broadcasts on the copyright of 2018

2347

02:01:00,990 --> 02:00:58,660

by paid to black in the GameChanger

2348

02:01:03,240 --> 02:01:01,000

network that cannot be used copied or
