

**FADE
TO
BLACK**

WITH JIMMY CHURCH

1
00:01:06,610 --> 00:00:31,300

[Music]

2
00:01:13,000 --> 00:01:09,650

you're listening to Jimmy Church fade to

3
00:01:19,490 --> 00:01:15,980

fade to black will now pause for aided

4
00:01:27,230 --> 00:01:19,500

identification the station that talks

5
00:01:29,900 --> 00:01:27,240

that kgr a radio when you take the beans

6
00:01:32,450 --> 00:01:29,910

from Central America with dashes of

7
00:01:34,850 --> 00:01:32,460

indonesian and african mixed in and then

8
00:01:37,700 --> 00:01:34,860

roast it to the dark side of fade to

9
00:01:40,880 --> 00:01:37,710

black you create the ultimate brew of

10
00:01:44,630 --> 00:01:40,890

Fringe introducing the fade to black

11
00:01:47,210 --> 00:01:44,640

blend from River moon coffee yes River

12
00:01:48,859 --> 00:01:47,220

moons darkest customized roast was

13
00:01:52,520 --> 00:01:48,869

created for the love of

14

00:01:55,040 --> 00:01:52,530

fade to black the alchemy of masterful

15

00:01:58,280 --> 00:01:55,050

roasting and smoking the beans is in

16

00:02:02,480 --> 00:01:58,290

every sip of this full-bodied dark Java

17

00:02:04,790 --> 00:02:02,490

I need my coffee dog deep with distinct

18

00:02:07,520 --> 00:02:04,800

bittersweet chocolate highlights just

19

00:02:09,950 --> 00:02:07,530

like the bunker leaning further into the

20

00:02:13,220 --> 00:02:09,960

darkness of the roast is fade to black

21

00:02:14,900 --> 00:02:13,230

blend from river moon coffee just click

22

00:02:18,200 --> 00:02:14,910

on the banner at Jimmy Church radio.com

23

00:02:23,650 --> 00:02:18,210

and use the promo code F to B blend for

24

00:02:26,240 --> 00:02:23,660

15% off of your order today gobekli tepe

25

00:02:28,130 --> 00:02:26,250

natural health solutions with Chris and

26
00:02:28,760 --> 00:02:28,140
Robbie hey Ronnie how you doing great

27
00:02:31,430 --> 00:02:28,770
Chris

28
00:02:34,370 --> 00:02:31,440
now you're the CEO of get the t.com

29
00:02:36,680 --> 00:02:34,380
right yes I am what is get the t.com I

30
00:02:39,290 --> 00:02:36,690
mean is this tea you buy in a store well

31
00:02:41,930 --> 00:02:39,300
no it's not I've changed teas just that

32
00:02:44,210 --> 00:02:41,940
life changing life change tea is an

33
00:02:46,400 --> 00:02:44,220
herbal tea that gently cleanses your

34
00:02:46,910 --> 00:02:46,410
body from intruders what do you mean by

35
00:02:52,220 --> 00:02:46,920
intruders

36
00:02:54,320 --> 00:02:52,230
heavy metals and more they're our food

37
00:02:56,510 --> 00:02:54,330
and our water in our air we breathe

38
00:02:59,300 --> 00:02:56,520

seriously yeah seriously

39

00:03:02,240 --> 00:02:59,310

and life changed tea will help you with

40

00:03:03,890 --> 00:03:02,250

removing these as you say intruders SRA

41

00:03:04,250 --> 00:03:03,900

Chris are there side effects with this

42

00:03:06,199 --> 00:03:04,260

tea

43

00:03:08,270 --> 00:03:06,209

well you might lose a little weight when

44

00:03:10,340 --> 00:03:08,280

you clean your colon you lose weight you

45

00:03:12,740 --> 00:03:10,350

feel better and you have more energy Wow

46

00:03:14,180 --> 00:03:12,750

Ronnie where can people purchase life

47

00:03:17,240 --> 00:03:14,190

change tea oh that's easy

48

00:03:19,820 --> 00:03:17,250

get the tea calm that's get the tea

49

00:03:20,570 --> 00:03:19,830

a calm Ronnie I want to thank you for

50

00:03:23,810 --> 00:03:20,580

being on the show

51
00:03:29,840 --> 00:03:23,820
people don't forget get the T te a.com

52
00:03:31,070 --> 00:03:29,850
nine out of ten geneticists agreed fade

53
00:03:36,410 --> 00:03:31,080
to black

54
00:03:39,800 --> 00:03:36,420
is not your father's radio show on the

55
00:03:47,000 --> 00:03:39,810
game changer of Radio Network and K GRA

56
00:03:48,770 --> 00:03:47,010
the planet with KCRA this summer tickets

57
00:03:50,930 --> 00:03:48,780
and hotel accommodations to the biggest

58
00:03:53,150 --> 00:03:50,940
conferences autograph books and DVDs

59
00:03:55,160 --> 00:03:53,160
chances to win all-inclusive conference

60
00:03:58,550 --> 00:03:55,170
cruises and private dinners with your

61
00:04:01,190 --> 00:03:58,560
favorite K GRA hosts click the contest

62
00:04:03,320 --> 00:04:01,200
to have it k GRA radio.com for your

63
00:04:05,449 --> 00:04:03,330

chance to win big this summer your

64

00:04:10,950 --> 00:04:05,459

contact for the best alternative talk

65

00:04:15,520 --> 00:04:12,720

[Music]

66

00:04:17,140 --> 00:04:15,530

hi this is Rob Reiner from anvil and

67

00:04:22,690 --> 00:04:17,150

you're listening to Jimmy Church

68

00:04:39,580 --> 00:04:22,700

radio.com comments and we're listening

69

00:04:49,460 --> 00:04:44,140

all right welcome back fade to black

70

00:04:50,680 --> 00:04:49,470

I'm here Jimmy Church big day today big

71

00:04:52,610 --> 00:04:50,690

day

72

00:04:56,390 --> 00:04:52,620

introducing a new social media platform

73

00:04:59,450 --> 00:04:56,400

it's called on stellar I set it up in

74

00:05:02,690 --> 00:04:59,460

the beginning of the show in its basic

75

00:05:06,080 --> 00:05:02,700

form what is actually going on here and

76

00:05:08,270 --> 00:05:06,090

tonight we're gonna speak with CEO scott

77

00:05:10,510 --> 00:05:08,280

leslie he is here with us and then

78

00:05:12,180 --> 00:05:10,520

coming up at the top of the hour

79

00:05:14,150 --> 00:05:12,190

vice-presidents

80

00:05:16,940 --> 00:05:14,160

[Music]

81

00:05:18,860 --> 00:05:16,950

- where Agoda is gonna be here and then

82

00:05:20,780 --> 00:05:18,870

a little bit later on tonight senior

83

00:05:22,730 --> 00:05:20,790

advisor Steve Murillo is gonna join the

84

00:05:25,430 --> 00:05:22,740

show you guys all know Steve he will be

85

00:05:28,190 --> 00:05:25,440

here and so I'm gonna kick this off

86

00:05:33,230 --> 00:05:28,200

right now today's a very very big day

87

00:05:36,820 --> 00:05:33,240

and this project has been in the works

88

00:05:39,230 --> 00:05:36,830

for quite some time and so that's why it

89

00:05:40,970 --> 00:05:39,240

this is the first you've ever heard

90

00:05:42,560 --> 00:05:40,980

about it and we're gonna do the best

91

00:05:45,200 --> 00:05:42,570

that we can tonight to explain

92

00:05:46,160 --> 00:05:45,210

everything to you and so I would like to

93

00:05:49,040 --> 00:05:46,170

welcome to fade to black

94

00:05:53,210 --> 00:05:49,050

for the first time CEO of on stellar

95

00:05:55,490 --> 00:05:53,220

Scott Leslie Scott good evening Jimmy

96

00:05:57,560 --> 00:05:55,500

thanks a lot for having me I'm just

97

00:06:01,280 --> 00:05:57,570

thrilled to be here talking to you and

98

00:06:04,610 --> 00:06:01,290

all the bunker later not as a sincere

99

00:06:07,340 --> 00:06:04,620

and Fayette fate or not and in fade to

100

00:06:08,990 --> 00:06:07,350

black radio and we're you know we're

101
00:06:12,500 --> 00:06:09,000
just thrilled to be here to announce on

102
00:06:15,590 --> 00:06:12,510
stellar thank you for having me now this

103
00:06:19,310 --> 00:06:15,600
is this is a really big deal and not

104
00:06:23,780 --> 00:06:19,320
only to launch a social media platform

105
00:06:25,640 --> 00:06:23,790
in an environment that is you know

106
00:06:27,890 --> 00:06:25,650
flooded with social media we have got

107
00:06:31,370 --> 00:06:27,900
all different versions of everything

108
00:06:34,690 --> 00:06:31,380
from you know snapchat and Instagram to

109
00:06:37,490 --> 00:06:34,700
Twitter and Facebook and lots of failed

110
00:06:40,340 --> 00:06:37,500
platforms too as well

111
00:06:43,970 --> 00:06:40,350
and what would say that this is a it's a

112
00:06:46,279 --> 00:06:43,980
pretty crowded space but there is a lot

113
00:06:49,670 --> 00:06:46,289

of issues which with each one of those

114

00:06:52,040 --> 00:06:49,680

platforms and certainly lately it has

115

00:06:55,520 --> 00:06:52,050

been censorship and some of the

116

00:06:57,710 --> 00:06:55,530

the problems that you know what Facebook

117

00:06:59,749 --> 00:06:57,720

used to be and what it is now you don't

118

00:07:03,140 --> 00:06:59,759

have the reach that you used to and so

119

00:07:06,800 --> 00:07:03,150

forth we'll get into all of that but on

120

00:07:08,689 --> 00:07:06,810

stellar takes the best of everything

121

00:07:11,510 --> 00:07:08,699

wraps it all into one social media

122

00:07:13,510 --> 00:07:11,520

platform but I have to ask you what

123

00:07:15,830 --> 00:07:13,520

which is what everybody's going to be

124

00:07:18,820 --> 00:07:15,840

asking why now

125

00:07:22,129 --> 00:07:18,830

what what makes I'm stellar different

126

00:07:23,659 --> 00:07:22,139

yeah so you know thanks for that I you

127

00:07:26,570 --> 00:07:23,669

know there's a there's a couple of

128

00:07:28,760 --> 00:07:26,580

things that let me first explain for the

129

00:07:32,240 --> 00:07:28,770

listeners what we're all about

130

00:07:35,300 --> 00:07:32,250

so you did a really good job we're a

131

00:07:38,659 --> 00:07:35,310

blockchain power social media network

132

00:07:41,510 --> 00:07:38,669

that is the first of its kind designed

133

00:07:44,990 --> 00:07:41,520

exclusively for you know the enlightened

134

00:07:46,939 --> 00:07:45,000

the awakened community and so what we'd

135

00:07:48,350 --> 00:07:46,949

like to say is from the paranormal to

136

00:07:51,409 --> 00:07:48,360

the metaphysical you know the

137

00:07:53,629 --> 00:07:51,419

unexplained will live on on stellar and

138

00:07:57,559 --> 00:07:53,639

so what we here's here's what we're

139

00:08:03,379 --> 00:07:57,569

doing we're using the the cryptocurrency

140

00:08:05,870 --> 00:08:03,389

as a base to power our ecosystem while

141

00:08:08,209 --> 00:08:05,880

at the same time providing you know to

142

00:08:10,430 --> 00:08:08,219

the members opportunities to meet

143

00:08:13,820 --> 00:08:10,440

like-minded people you know earn income

144

00:08:15,800 --> 00:08:13,830

and engage with industry professionals

145

00:08:18,469 --> 00:08:15,810

and all that sounds great but you know

146

00:08:21,290 --> 00:08:18,479

we're really Jimmy we're we're solving a

147

00:08:24,019 --> 00:08:21,300

couple of big problems one is you know

148

00:08:27,740 --> 00:08:24,029

there are billions of social media users

149

00:08:29,450 --> 00:08:27,750

out there that generate untold amounts

150

00:08:31,969 --> 00:08:29,460

of money for the industry you know the

151
00:08:34,250 --> 00:08:31,979
industry market cap just of the top

152
00:08:38,409 --> 00:08:34,260
handful of social media companies is

153
00:08:42,529 --> 00:08:38,419
over six hundred billion dollars and so

154
00:08:45,170 --> 00:08:42,539
what has happened is that the users of

155
00:08:47,660 --> 00:08:45,180
social media have really become the

156
00:08:49,699 --> 00:08:47,670
product and I'll explain that more in

157
00:08:51,860 --> 00:08:49,709
detail and get into in a second but that

158
00:08:55,130 --> 00:08:51,870
the first problem that we're addressing

159
00:08:58,160 --> 00:08:55,140
is the billions of users that are

160
00:09:00,470 --> 00:08:58,170
generating all this dollar value for the

161
00:09:03,260 --> 00:09:00,480
for these enterprises and not getting

162
00:09:05,900 --> 00:09:03,270
their fair share okay the second thing

163
00:09:08,840 --> 00:09:05,910

that we're solving for is that the fan

164

00:09:11,240 --> 00:09:08,850

of the paranormal and the unexplained in

165

00:09:14,150 --> 00:09:11,250

the metaphysical don't really have a

166

00:09:17,660 --> 00:09:14,160

place they can all go together to

167

00:09:20,480 --> 00:09:17,670

connect and collaborate and you know and

168

00:09:23,240 --> 00:09:20,490

actually earn money in the process so

169

00:09:26,990 --> 00:09:23,250

you know this community our community is

170

00:09:30,530 --> 00:09:27,000

the most dedicated community out there

171

00:09:33,680 --> 00:09:30,540

there they're more engaged than pretty

172

00:09:36,200 --> 00:09:33,690

much any other social community that

173

00:09:38,240 --> 00:09:36,210

gathers around the topic and our topics

174

00:09:40,280 --> 00:09:38,250

can can be you know broad and

175

00:09:43,160 --> 00:09:40,290

far-reaching but our but our membership

176

00:09:45,140 --> 00:09:43,170

our excuse me our community is is really

177

00:09:49,940 --> 00:09:45,150

really engaged we wanted to build a

178

00:09:52,820 --> 00:09:49,950

place that all subject matters that are

179

00:09:54,560 --> 00:09:52,830

related like this you know as I said

180

00:09:58,190 --> 00:09:54,570

from the paranormal to the metaphysical

181

00:10:00,920 --> 00:09:58,200

can come together and meet each other

182

00:10:02,240 --> 00:10:00,930

engage in it talk talk about things

183

00:10:04,640 --> 00:10:02,250

they're probably not going to talk about

184

00:10:06,080 --> 00:10:04,650

on Facebook look we're not going to tell

185

00:10:08,180 --> 00:10:06,090

people that they should drop their

186

00:10:09,860 --> 00:10:08,190

Facebook accounts because they're always

187

00:10:11,870 --> 00:10:09,870

going to want to engage with friends and

188

00:10:13,220 --> 00:10:11,880

family and share pictures of what

189

00:10:16,310 --> 00:10:13,230

happened over the weekend or whatever

190

00:10:18,470 --> 00:10:16,320

but the the subject matter is that that

191

00:10:19,700 --> 00:10:18,480

we're involved in is probably not

192

00:10:21,890 --> 00:10:19,710

something they're going to throw out

193

00:10:23,810 --> 00:10:21,900

there and talk about on there you know

194

00:10:28,300 --> 00:10:23,820

on their social channels it's it's just

195

00:10:30,590 --> 00:10:28,310

not and so we wanted to reach out to all

196

00:10:32,870 --> 00:10:30,600

to everybody in our in our in our

197

00:10:36,280 --> 00:10:32,880

community and give them a place to go

198

00:10:38,810 --> 00:10:36,290

now you know why watching and why crypto

199

00:10:41,930 --> 00:10:38,820

you know what are we doing there so as

200

00:10:46,940 --> 00:10:41,940

you said a minute ago on your show the

201
00:10:49,900 --> 00:10:46,950
we are not asking users to come invest

202
00:10:53,150 --> 00:10:49,910
money in Bitcoin I know that there's a

203
00:10:55,820 --> 00:10:53,160
million different views on Bitcoin its

204
00:10:58,910 --> 00:10:55,830
future and everything else so we're you

205
00:11:02,150 --> 00:10:58,920
don't have to bring a single dollar to

206
00:11:04,280 --> 00:11:02,160
on Stella what you have to bring is an

207
00:11:07,580 --> 00:11:04,290
appetite to engage and connect with

208
00:11:11,380 --> 00:11:07,590
other people and learn and share and

209
00:11:15,560 --> 00:11:11,390
just from that activity on our platform

210
00:11:17,840 --> 00:11:15,570
you'll earn cryptocurrency so remember

211
00:11:19,790 --> 00:11:17,850
the first problem I explained the the

212
00:11:21,560 --> 00:11:19,800
problem with these all this

213
00:11:23,840 --> 00:11:21,570

tivity on these social media networks

214

00:11:27,280 --> 00:11:23,850

you know if you think about it you've

215

00:11:31,070 --> 00:11:27,290

just the the big guys have just reduced

216

00:11:34,009 --> 00:11:31,080

people to you know information so all

217

00:11:37,850 --> 00:11:34,019

the activity that people create online

218

00:11:40,460 --> 00:11:37,860

is essentially taken and broken down and

219

00:11:42,560 --> 00:11:40,470

bits and bytes of data are created that

220

00:11:46,610 --> 00:11:42,570

stuff is the data is sliced and diced

221

00:11:49,190 --> 00:11:46,620

and sold you know it's your information

222

00:11:52,519 --> 00:11:49,200

is sold you're tracked your you know if

223

00:11:54,319 --> 00:11:52,529

you ever wonder like why you're on one

224

00:11:56,630 --> 00:11:54,329

of these sites and you're you're you

225

00:11:58,880 --> 00:11:56,640

decide to leave the site and then go

226

00:12:00,769 --> 00:11:58,890

Google I don't know new pair of shoes or

227

00:12:03,710 --> 00:12:00,779

whatever and then it seems like

228

00:12:05,750 --> 00:12:03,720

everywhere you go from then on this is a

229

00:12:07,490 --> 00:12:05,760

you know an ad for new shoes is popping

230

00:12:10,389 --> 00:12:07,500

up including back at your social media

231

00:12:13,400 --> 00:12:10,399

network well you know you've just become

232

00:12:15,710 --> 00:12:13,410

you know data that they've sold and so

233

00:12:17,690 --> 00:12:15,720

you know all right

234

00:12:20,090 --> 00:12:17,700

the problems don't stop there but our

235

00:12:23,230 --> 00:12:20,100

I'll explain more about that but but our

236

00:12:26,000 --> 00:12:23,240

approach is that look if there's any

237

00:12:28,190 --> 00:12:26,010

revenue being generated the members that

238

00:12:31,090 --> 00:12:28,200

are creating all the activity and all

239

00:12:33,560 --> 00:12:31,100

the revenue ought to share and huge

240

00:12:36,079 --> 00:12:33,570

percentages of that so you know that's

241

00:12:39,920 --> 00:12:36,089

one reason we built on stellar it's

242

00:12:44,540 --> 00:12:39,930

really a member it's a it's a it's a

243

00:12:47,360 --> 00:12:44,550

it's a member you know revenue generated

244

00:12:50,150 --> 00:12:47,370

site that the members participate in

245

00:12:51,829 --> 00:12:50,160

that's really it and you know it's I you

246

00:12:54,230 --> 00:12:51,839

know I think there's some other topics

247

00:12:56,000 --> 00:12:54,240

that are hitting the news lately like

248

00:13:00,190 --> 00:12:56,010

Jeanine mentioned actually you know

249

00:13:03,530 --> 00:13:00,200

copyright a huge huge issue right

250

00:13:06,110 --> 00:13:03,540

another social engineering

251

00:13:09,530 --> 00:13:06,120

I mean gossip I've seen and heard

252

00:13:11,269 --> 00:13:09,540

industry insiders talk about how some of

253

00:13:13,970 --> 00:13:11,279

these big social networks are actually

254

00:13:16,790 --> 00:13:13,980

manipulating your feed and playing with

255

00:13:19,370 --> 00:13:16,800

your endorphin levels in what they with

256

00:13:21,980 --> 00:13:19,380

what they show you in order to addictive

257

00:13:24,680 --> 00:13:21,990

and engage you and to keep you coming

258

00:13:27,079 --> 00:13:24,690

back and it's a very you know it's it's

259

00:13:29,060 --> 00:13:27,089

really a very creepy environment that

260

00:13:30,860 --> 00:13:29,070

people are in and and you know look we

261

00:13:33,440 --> 00:13:30,870

haven't had to pay for this stuff by and

262

00:13:35,480 --> 00:13:33,450

large you know mostly just go to a side

263

00:13:37,100 --> 00:13:35,490

download an app it's free hey we'll use

264

00:13:39,350 --> 00:13:37,110

it all your friends are using it let's

265

00:13:42,050 --> 00:13:39,360

let's go for it but the reality of it is

266

00:13:45,370 --> 00:13:42,060

its when you look at what goes on behind

267

00:13:49,930 --> 00:13:45,380

the scenes it's it's sort of sinister it

268

00:13:53,570 --> 00:13:49,940

and so anyway we designed on stellar

269

00:13:57,680 --> 00:13:53,580

with the with you know an open

270

00:14:01,100 --> 00:13:57,690

transparent and decent decentralized

271

00:14:03,590 --> 00:14:01,110

structure and those are you know fancy

272

00:14:05,780 --> 00:14:03,600

words that simply mean you know open

273

00:14:08,780 --> 00:14:05,790

means we don't we're not going to censor

274

00:14:11,630 --> 00:14:08,790

a content once content is on our

275

00:14:13,250 --> 00:14:11,640

blockchain it becomes immutable which is

276

00:14:16,970 --> 00:14:13,260

a fancy word for saying it's

277

00:14:19,460 --> 00:14:16,980

unchangeable right you you you put

278

00:14:24,170 --> 00:14:19,470

something on our blockchain and it won't

279

00:14:26,510 --> 00:14:24,180

go away that's a huge benefit you know

280

00:14:28,940 --> 00:14:26,520

against a site like YouTube for example

281

00:14:31,460 --> 00:14:28,950

that you know if you happen to you know

282

00:14:33,230 --> 00:14:31,470

breach what they consider to be their

283

00:14:34,790 --> 00:14:33,240

guidelines which may or may not be

284

00:14:37,010 --> 00:14:34,800

written in stoned and they're going to

285

00:14:41,960 --> 00:14:37,020

call your video down well you know we're

286

00:14:46,910 --> 00:14:41,970

never going to do that in on stellar let

287

00:14:49,400 --> 00:14:46,920

me jump in Scott Eddy and PA says he

288

00:14:52,370 --> 00:14:49,410

wants to get this question question in

289

00:14:55,670 --> 00:14:52,380

early what will these tokens be used for

290

00:14:59,150 --> 00:14:55,680

also if an artist posed their work can

291

00:15:01,370 --> 00:14:59,160

they earn tokens by likes etc and that's

292

00:15:03,380 --> 00:15:01,380

exactly right there that shows you the

293

00:15:07,580 --> 00:15:03,390

intelligence of this audience number one

294

00:15:09,440 --> 00:15:07,590

number two Eddie that's exactly what we

295

00:15:12,440 --> 00:15:09,450

are talking about here

296

00:15:16,280 --> 00:15:12,450

whether you are any type of content

297

00:15:19,510 --> 00:15:16,290

creator whether it's a video audio books

298

00:15:22,490 --> 00:15:19,520

maybe comments research maybe you had a

299

00:15:26,600 --> 00:15:22,500

sighting somewhere a ghost in your house

300

00:15:30,170 --> 00:15:26,610

Bigfoot whatever it is you post the

301
00:15:34,550 --> 00:15:30,180
content on on stellar through the

302
00:15:37,970 --> 00:15:34,560
community likes posted and likes cost

303
00:15:41,900 --> 00:15:37,980
the user a little bit of token right so

304
00:15:44,380 --> 00:15:41,910
just a hit oh well let me let me correct

305
00:15:47,150 --> 00:15:44,390
you in that let me correct you in that

306
00:15:50,509 --> 00:15:47,160
we are structure doesn't

307
00:15:54,009 --> 00:15:50,519
cost the user anything to upvote or

308
00:15:58,550 --> 00:15:54,019
downvote content except it costs them

309
00:16:00,259 --> 00:15:58,560
how to say it it's it you know based on

310
00:16:03,170 --> 00:16:00,269
the amount of tokens that you have in

311
00:16:06,470 --> 00:16:03,180
your wallet you get a certain amount of

312
00:16:08,900 --> 00:16:06,480
voting power and that power replenishes

313
00:16:11,869 --> 00:16:08,910

over time so let's say that I don't know

314

00:16:15,410 --> 00:16:11,879

you have 30 tokens and you doubt you

315

00:16:17,179 --> 00:16:15,420

know 300 votes through the system well

316

00:16:20,569 --> 00:16:17,189

you're going to have to wait for time to

317

00:16:22,129 --> 00:16:20,579

sort of regenerate your supply of voting

318

00:16:24,439 --> 00:16:22,139

your your but you didn't spend any

319

00:16:26,569 --> 00:16:24,449

cryptocurrency doing that so but he's

320

00:16:29,449 --> 00:16:26,579

exactly right so what you'll do is

321

00:16:30,829 --> 00:16:29,459

you'll you'll post content whatever like

322

00:16:32,540 --> 00:16:30,839

you know that you're never going to post

323

00:16:34,220 --> 00:16:32,550

on Facebook you know you had a ghost in

324

00:16:36,139 --> 00:16:34,230

your house you're not putting that on

325

00:16:38,300 --> 00:16:36,149

Facebook right you're you're going to

326

00:16:40,879 --> 00:16:38,310

because your friends and family would

327

00:16:44,269 --> 00:16:40,889

you know this was you know you know

328

00:16:46,160 --> 00:16:44,279

unfriend you and disown you so but on on

329

00:16:48,470 --> 00:16:46,170

stellar you can post that and if the

330

00:16:50,480 --> 00:16:48,480

community likes it they'll upload it and

331

00:16:52,999 --> 00:16:50,490

you'll earn cryptocurrency but what can

332

00:16:57,439 --> 00:16:53,009

you do with those tokens there will be

333

00:16:59,600 --> 00:16:57,449

an on board exchange inside of on

334

00:17:02,240 --> 00:16:59,610

stellar that will allow you to trade you

335

00:17:06,020 --> 00:17:02,250

sell your cryptocurrency but the crypto

336

00:17:08,270 --> 00:17:06,030

will also be tradable outside at many of

337

00:17:10,669 --> 00:17:08,280

the cryptic exchanges that you may know

338

00:17:12,110 --> 00:17:10,679

of today okay so that's that's one thing

339

00:17:15,049 --> 00:17:12,120

the second thing you'd be able to do

340

00:17:18,260 --> 00:17:15,059

with it instead of just liquidating your

341

00:17:23,199 --> 00:17:18,270

tokens you could trade those for goods

342

00:17:25,880 --> 00:17:23,209

or services or events you know our our

343

00:17:28,669 --> 00:17:25,890

our key contributors that we're bringing

344

00:17:31,220 --> 00:17:28,679

to the site will once we once our

345

00:17:35,060 --> 00:17:31,230

official site goes live this coming

346

00:17:37,310 --> 00:17:35,070

Wednesday you'll recognize many of the

347

00:17:38,930 --> 00:17:37,320

names that are that are that are that

348

00:17:41,149 --> 00:17:38,940

are going to show up on the key

349

00:17:43,180 --> 00:17:41,159

contributor section and believe me

350

00:17:45,440 --> 00:17:43,190

you'll want to be an on stellar

351

00:17:48,200 --> 00:17:45,450

interacting with these people but I'm

352

00:17:50,299 --> 00:17:48,210

talking about industry leaders and so if

353

00:17:53,000 --> 00:17:50,309

there's an event a conference whatever

354

00:17:56,450 --> 00:17:53,010

as long as we're posting that through on

355

00:17:58,100 --> 00:17:56,460

stellar it you can absolutely be

356

00:18:01,070 --> 00:17:58,110

involved become involved in that and pay

357

00:18:04,610 --> 00:18:01,080

for it with your tokens so it's a huge

358

00:18:07,790 --> 00:18:04,620

advantage and and you know there when

359

00:18:12,650 --> 00:18:07,800

you join on stellar with with with

360

00:18:15,230 --> 00:18:12,660

Jimmy's offer code you know we will we

361

00:18:17,690 --> 00:18:15,240

will grant you tokens upon joining the

362

00:18:21,200 --> 00:18:17,700

system when the system becomes live in

363

00:18:23,780 --> 00:18:21,210

the third quarter so join offer code

364

00:18:25,370 --> 00:18:23,790

Jimmy you'll get tokens and then as you

365

00:18:28,520 --> 00:18:25,380

participate in the system you'll earn

366

00:18:31,610 --> 00:18:28,530

more crypto so you don't actually have

367

00:18:33,470 --> 00:18:31,620

to worry about all the you know risks of

368

00:18:35,750 --> 00:18:33,480

putting your hard-earned money into

369

00:18:39,650 --> 00:18:35,760

crypto currency it's a great way to do

370

00:18:43,700 --> 00:18:39,660

this guys it's a great on ramp into you

371

00:18:48,430 --> 00:18:43,710

know the crypto world right it's the the

372

00:18:52,640 --> 00:18:48,440

blockchain itself is such a unique

373

00:18:54,830 --> 00:18:52,650

engine that can be used and you'll see

374

00:18:57,410 --> 00:18:54,840

it used in the future for a whole host

375

00:19:01,280 --> 00:18:57,420

of different applications you know it's

376

00:19:04,810 --> 00:19:01,290

the engine itself and in this case the

377

00:19:08,210 --> 00:19:04,820

on stellar community will be a

378

00:19:10,100 --> 00:19:08,220

self-sustaining town where you have you

379

00:19:12,920 --> 00:19:10,110

know you have a factory you have Main

380

00:19:14,480 --> 00:19:12,930

Street you have people what you interact

381

00:19:15,950 --> 00:19:14,490

and you talk and you have the barber

382

00:19:17,300 --> 00:19:15,960

shop and you have the supermarket and

383

00:19:19,760 --> 00:19:17,310

you're running around and you're talking

384

00:19:22,160 --> 00:19:19,770

and and and you're working and

385

00:19:25,220 --> 00:19:22,170

everything that gets an economy going

386

00:19:28,460 --> 00:19:25,230

that's exactly what's going to happen at

387

00:19:32,990 --> 00:19:28,470

on stellar and I think it's one of the

388

00:19:36,230 --> 00:19:33,000

most freedom of thought ideas to come

389

00:19:38,060 --> 00:19:36,240

along in quite a while and I think it's

390

00:19:41,180 --> 00:19:38,070

going to change the social media

391

00:19:43,010 --> 00:19:41,190

landscape in the future well we

392

00:19:46,390 --> 00:19:43,020

certainly hope so I mean I think that

393

00:19:48,970 --> 00:19:46,400

there are you know you know there are a

394

00:19:52,010 --> 00:19:48,980

thousand things headed our way with

395

00:19:57,080 --> 00:19:52,020

blockchain that we have no idea about

396

00:19:59,960 --> 00:19:57,090

where we are in this entire sort of call

397

00:20:03,620 --> 00:19:59,970

it the blockchain roll out into society

398

00:20:05,900 --> 00:20:03,630

is probably right about where we were

399

00:20:09,830 --> 00:20:05,910

when I don't for some of your listeners

400

00:20:11,210 --> 00:20:09,840

who were who are old enough I remember

401

00:20:13,670 --> 00:20:11,220

the day hate when we used to drive

402

00:20:14,240 --> 00:20:13,680

around with cell phones in the trunk of

403

00:20:17,120 --> 00:20:14,250

our

404

00:20:19,460 --> 00:20:17,130

the batteries were so big you had to put

405

00:20:22,070 --> 00:20:19,470

the thing in the trunk to be able to to

406

00:20:24,020 --> 00:20:22,080

operate it and and so and if you

407

00:20:26,450 --> 00:20:24,030

remember back well even further than

408

00:20:28,820 --> 00:20:26,460

that my dad was an old IBM or and they

409

00:20:30,680 --> 00:20:28,830

used to have computers filling

410

00:20:34,580 --> 00:20:30,690

warehouses I mean these things were the

411

00:20:36,740 --> 00:20:34,590

size of buildings and if I remember they

412

00:20:38,510 --> 00:20:36,750

used to say well gosh you know why would

413

00:20:40,370 --> 00:20:38,520

anyone ever need a computer at their

414

00:20:42,140 --> 00:20:40,380

house that's there's no way that's going

415

00:20:44,960 --> 00:20:42,150

to happen and now look we have them in

416

00:20:47,780 --> 00:20:44,970

our pockets right so we're we're at the

417

00:20:51,590 --> 00:20:47,790

my point is is that we're at the very

418

00:20:54,500 --> 00:20:51,600

very very early stages of the rollout of

419

00:20:56,540 --> 00:20:54,510

blockchain into our you know society and

420

00:20:58,390 --> 00:20:56,550

what I would say is that Jimmy you're

421

00:21:01,550 --> 00:20:58,400

exactly right

422

00:21:03,980 --> 00:21:01,560

several ways that that technology is

423

00:21:06,530 --> 00:21:03,990

going to change something as simple as

424

00:21:08,810 --> 00:21:06,540

the way the internet the Internet is

425

00:21:11,270 --> 00:21:08,820

architected so the problems that you

426
00:21:13,580 --> 00:21:11,280
were experiencing today with with the

427
00:21:16,150 --> 00:21:13,590
service the bandwidth or whatever it

428
00:21:20,230 --> 00:21:16,160
whatever you want to call it you know

429
00:21:23,960 --> 00:21:20,240
the what the industry's gotten away with

430
00:21:26,720 --> 00:21:23,970
being pretty lazy as far as network

431
00:21:29,330 --> 00:21:26,730
architecture and you know simply because

432
00:21:31,660 --> 00:21:29,340
you know in the days of small file sizes

433
00:21:34,610 --> 00:21:31,670
I started one of the original internet

434
00:21:37,010 --> 00:21:34,620
providers it was called flash net I

435
00:21:40,340 --> 00:21:37,020
ended up you know taking the company

436
00:21:42,500 --> 00:21:40,350
public as an IPO I want to talk about

437
00:21:46,730 --> 00:21:42,510
what we're doing i with on stellar and a

438
00:21:49,070 --> 00:21:46,740

little bit but our internet provider was

439

00:21:51,320 --> 00:21:49,080

you know the whole the whole design of

440

00:21:53,810 --> 00:21:51,330

the network was architected and in a day

441

00:21:56,900 --> 00:21:53,820

when you didn't have these giant file

442

00:21:58,490 --> 00:21:56,910

sizes and you know real-time media

443

00:22:00,680 --> 00:21:58,500

streaming and all that sort of stuff so

444

00:22:03,770 --> 00:22:00,690

well I guess what I'm getting at is the

445

00:22:05,690 --> 00:22:03,780

blockchain is even going to re-architect

446

00:22:07,970 --> 00:22:05,700

some of the way the networks are

447

00:22:10,940 --> 00:22:07,980

designed because some of the basic

448

00:22:14,450 --> 00:22:10,950

features that the blockchain offers

449

00:22:16,610 --> 00:22:14,460

these will will actually restructure the

450

00:22:18,620 --> 00:22:16,620

networks so anyway that's that's off

451
00:22:21,530 --> 00:22:18,630
topic from on stellar yeah but yeah

452
00:22:24,770 --> 00:22:21,540
we're we're exactly right this is this

453
00:22:26,690 --> 00:22:24,780
is going to be huge guys listen Scott

454
00:22:27,769 --> 00:22:26,700
Scott we're gonna hit a commercial here

455
00:22:31,759 --> 00:22:27,779
in three minutes and I've

456
00:22:33,379 --> 00:22:31,769
to get desh in here so I wanted a couple

457
00:22:35,959 --> 00:22:33,389
of key questions that have just popped

458
00:22:38,749 --> 00:22:35,969
up and as quick as you can

459
00:22:40,759 --> 00:22:38,759
what about the inevitable if everything

460
00:22:42,019 --> 00:22:40,769
is uncensored and everything stays up

461
00:22:44,930 --> 00:22:42,029
and everything stays in the blockchain

462
00:22:47,029 --> 00:22:44,940
how do you weed out the troublemakers

463
00:22:48,440 --> 00:22:47,039

and the trolls that know this and are

464

00:22:52,399 --> 00:22:48,450

just going to come out and post or

465

00:22:54,379 --> 00:22:52,409

whatever they want so on stellar will

466

00:22:56,599 --> 00:22:54,389

have a tribunal made up of community

467

00:22:59,539 --> 00:22:56,609

members this entire platform will be

468

00:23:03,109 --> 00:22:59,549

community governs and so the community

469

00:23:05,869 --> 00:23:03,119

members who are who decide and are voted

470

00:23:08,180 --> 00:23:05,879

in as tribunal members will have the

471

00:23:10,639 --> 00:23:08,190

opportunity to police the bad actors and

472

00:23:12,469 --> 00:23:10,649

additionally all you have to do is down

473

00:23:13,820 --> 00:23:12,479

vote the bad actors they don't get

474

00:23:16,159 --> 00:23:13,830

anything for it they're going to end up

475

00:23:18,049 --> 00:23:16,169

going away yep those are the two

476

00:23:22,399 --> 00:23:18,059

solutions right all right but the post

477

00:23:24,109 --> 00:23:22,409

itself will stay live the the post will

478

00:23:26,060 --> 00:23:24,119

stay live but it will essentially

479

00:23:29,269 --> 00:23:26,070

disappear if it's downloaded into

480

00:23:33,019 --> 00:23:29,279

oblivion now the tribunal would have the

481

00:23:35,899 --> 00:23:33,029

ability to ban the community member and

482

00:23:38,539 --> 00:23:35,909

because of our verification process when

483

00:23:40,459 --> 00:23:38,549

people join you know they have to enter

484

00:23:43,190 --> 00:23:40,469

a cellphone number and and they can't

485

00:23:44,899 --> 00:23:43,200

just be a random person that joins you

486

00:23:47,029 --> 00:23:44,909

know a hundred times unless they have a

487

00:23:50,419 --> 00:23:47,039

hundred cellphones but right there'll be

488

00:23:54,079 --> 00:23:50,429

a basic security measure to prevent

489

00:23:56,180 --> 00:23:54,089

multiple logins or sign ins by you know

490

00:23:58,999 --> 00:23:56,190

one person using different accounts and

491

00:24:01,969 --> 00:23:59,009

the tribunal can can elect to ban that

492

00:24:04,219 --> 00:24:01,979

that individual and then the you know

493

00:24:06,909 --> 00:24:04,229

that yeah the the the immutable nature

494

00:24:09,409 --> 00:24:06,919

of the blockchain will prevent us from

495

00:24:11,209 --> 00:24:09,419

deleting the con the content that they

496

00:24:13,759 --> 00:24:11,219

post it but it will effectively become

497

00:24:17,989 --> 00:24:13,769

invisible if it's downloaded away into

498

00:24:19,820 --> 00:24:17,999

oblivion now and we've got 60 seconds

499

00:24:21,200 --> 00:24:19,830

and then we we have to break and I want

500

00:24:22,039 --> 00:24:21,210

to thank you for taking the time Scott

501
00:24:26,180 --> 00:24:22,049
for coming in tonight

502
00:24:29,119 --> 00:24:26,190
but like blockchain I think Mo's are

503
00:24:31,099 --> 00:24:29,129
blocking like Bitcoin most are assuming

504
00:24:32,899 --> 00:24:31,109
you have to spend money and invest into

505
00:24:36,460 --> 00:24:32,909
this cryptocurrency to become a member

506
00:24:39,409 --> 00:24:36,470
or to participate you do not correct

507
00:24:41,629 --> 00:24:39,419
there are two ways to participate with

508
00:24:44,119 --> 00:24:41,639
the on stellar tokens you can either

509
00:24:46,940 --> 00:24:44,129
by in and your opportunity to do that

510
00:24:50,690 --> 00:24:46,950
will be at our ICO that starts on March

511
00:24:52,759 --> 00:24:50,700
29th or you can work in and that simply

512
00:24:55,219 --> 00:24:52,769
means pay man just participate in the

513
00:24:57,940 --> 00:24:55,229

community just come in and engage with

514

00:25:01,159 --> 00:24:57,950

people up vote down both post content

515

00:25:04,269 --> 00:25:01,169

find your favorite industry professional

516

00:25:06,709 --> 00:25:04,279

in on stellar and that will earn

517

00:25:10,219 --> 00:25:06,719

cryptocurrency for you so two ways

518

00:25:12,409 --> 00:25:10,229

buy-in or work in thank you so much good

519

00:25:15,979 --> 00:25:12,419

with that these are exciting times so

520

00:25:19,839 --> 00:25:15,989

everything the the registration and

521

00:25:22,999 --> 00:25:19,849

announcements kick off this Wednesday

522

00:25:26,149 --> 00:25:23,009

absolutely people can find us at on

523

00:25:28,369 --> 00:25:26,159

stellar dot-com and we invite everyone

524

00:25:31,810 --> 00:25:28,379

to come on in check out the site

525

00:25:34,369 --> 00:25:31,820

download the whitepaper take a read

526

00:25:36,440 --> 00:25:34,379

participating the ico if you want to but

527

00:25:38,329 --> 00:25:36,450

more importantly register with that

528

00:25:40,909 --> 00:25:38,339

offer coach jimmy and just join on in

529

00:25:43,940 --> 00:25:40,919

with us thank you so much yes scott

530

00:25:45,859 --> 00:25:43,950

Leslie CEO of on stellar thank you so

531

00:25:49,009 --> 00:25:45,869

much Scott now when I come back we're

532

00:25:51,769 --> 00:25:49,019

gonna be joined by VP desh where go des

533

00:25:53,749 --> 00:25:51,779

right here on fade to black tonight's

534

00:26:03,220 --> 00:25:53,759

the night we're announcing on stellar

535

00:26:07,190 --> 00:26:05,060

this is fade to black

536

00:26:10,880 --> 00:26:07,200

with Jimmy Church on the game changer

537

00:26:12,700 --> 00:26:10,890

radio network and K GRA the global radio

538

00:26:16,010 --> 00:26:12,710

alliance

539

00:26:19,340 --> 00:26:16,020

this is kera digital broadcasting

540

00:26:23,810 --> 00:26:19,350

station Salt Lake City Utah Van Buren

541

00:26:26,000 --> 00:26:23,820

Arkansas hello fader Knotts this is

542

00:26:27,020 --> 00:26:26,010

Jimmy Church and I'm introducing new

543

00:26:29,390 --> 00:26:27,030

Pharma

544

00:26:32,470 --> 00:26:29,400

a company whose products are based on

545

00:26:36,920 --> 00:26:32,480

science human function based on the

546

00:26:39,410 --> 00:26:36,930

endocannabinoid system or ECS new pharma

547

00:26:42,080 --> 00:26:39,420

firmly believes in this science and

548

00:26:44,930 --> 00:26:42,090

their research indicates that support of

549

00:26:48,080 --> 00:26:44,940

the ECS provides the beneficial effects

550

00:26:51,110 --> 00:26:48,090

for a healthy lifestyle new Pharma

551
00:26:51,920 --> 00:26:51,120
science includes relief capsules for

552
00:26:54,980 --> 00:26:51,930
pain relief

553
00:26:58,070 --> 00:26:54,990
sleep capsules which are natural support

554
00:27:01,520 --> 00:26:58,080
for occasional sleeplessness Foundation

555
00:27:04,580 --> 00:27:01,530
is support for your ECS and fit capsules

556
00:27:06,230 --> 00:27:04,590
support your active lifestyle just click

557
00:27:10,280 --> 00:27:06,240
on the banner at Jimmy Church radio.com

558
00:27:12,830 --> 00:27:10,290
and use the promo code f to be for a 33%

559
00:27:15,860 --> 00:27:12,840
discount on all of their products or

560
00:27:19,160 --> 00:27:15,870
visit new Pharma comm for all of the

561
00:27:30,019 --> 00:27:19,170
knowledge on the science that's GNU

562
00:27:34,529 --> 00:27:32,669
hi this is Ray sobs here reppin the

563
00:27:36,269 --> 00:27:34,539

planet and you're listening to my good

564

00:27:38,970 --> 00:27:36,279

friend Jimmy Church

565

00:27:43,129 --> 00:27:38,980

fade to black on the GameChanger network

566

00:27:46,110 --> 00:27:43,139

and the kgr a digital broadcast station

567

00:28:09,720 --> 00:27:46,120

this is Toby Kebbell you're listening to

568

00:28:13,860 --> 00:28:09,730

Jimmy Church radio calm ancient life oil

569

00:28:16,499 --> 00:28:13,870

life changing the real oil CBD is truly

570

00:28:18,840 --> 00:28:16,509

ancient life oil from the source this

571

00:28:21,840 --> 00:28:18,850

oil has no psychoactive effect and is

572

00:28:24,269 --> 00:28:21,850

also legal in all 50 states when you're

573

00:28:26,549 --> 00:28:24,279

healthy you're happy the truth about

574

00:28:29,850 --> 00:28:26,559

this wonderful plant is that it wants to

575

00:28:32,999 --> 00:28:29,860

give back to mankind life longevity and

576

00:28:35,789 --> 00:28:33,009

happiness ancient life oil are golden

577

00:28:38,159 --> 00:28:35,799

gray all organic non-gmo and infused

578

00:28:40,919 --> 00:28:38,169

with high-quality liquid coconut oil

579

00:28:44,279 --> 00:28:40,929

it's simple just go to ancient life oil

580

00:28:48,149 --> 00:28:44,289

dot-com today that's ancient life oil

581

00:28:52,310 --> 00:28:48,159

dot-com the best purest organic and

582

00:28:54,180 --> 00:28:52,320

non-gmo CBD in the world gobekli tepe

583

00:28:55,529 --> 00:28:54,190

the statements made regarding these

584

00:28:56,669 --> 00:28:55,539

products have not been evaluated by the

585

00:28:57,899 --> 00:28:56,679

Food and Drug Administration these

586

00:28:59,820 --> 00:28:57,909

products are not intended to diagnose

587

00:29:01,049 --> 00:28:59,830

treat cure or prevent any disease please

588

00:29:02,519 --> 00:29:01,059

consult your health care professional

589

00:29:04,379 --> 00:29:02,529

about potential interactions or other

590

00:29:06,119 --> 00:29:04,389

possible complications before using any

591

00:29:07,860 --> 00:29:06,129

product this is my - Hanks - the

592

00:29:10,320 --> 00:29:07,870

graylien report and you're listening to

593

00:29:12,180 --> 00:29:10,330

jimmy church on fade to black across the

594

00:29:14,820 --> 00:29:12,190

globe on the GameChanger Radio Network

595

00:29:15,660 --> 00:29:14,830

and the one and only kgr a radio the

596

00:29:19,880 --> 00:29:15,670

planet

597

00:29:20,170 --> 00:29:19,890

[Music]

598

00:29:35,440 --> 00:29:20,180

[Applause]

599

00:29:41,450 --> 00:29:37,790

welcome back fade to black I'm the host

600

00:29:43,640 --> 00:29:41,460

Jimmy church tonight we aren't

601
00:29:46,400 --> 00:29:43,650
announcing on stellar

602
00:29:49,070 --> 00:29:46,410
an exciting new social media platform

603
00:29:54,980 --> 00:29:49,080
for our community based on the

604
00:29:58,940 --> 00:29:54,990
blockchain and it's actually much more

605
00:30:01,040 --> 00:29:58,950
simple than you are imagining okay so

606
00:30:04,310 --> 00:30:01,050
I'm bringing on now

607
00:30:08,150 --> 00:30:04,320
- we're go to the vice president and the

608
00:30:11,360 --> 00:30:08,160
head of technology at at on stellar -

609
00:30:14,120 --> 00:30:11,370
welcome to the program Thank You Jimmy

610
00:30:17,030 --> 00:30:14,130
pleasure to be here hey there you go

611
00:30:20,480 --> 00:30:17,040
welcome - and so what I was about to say

612
00:30:22,910 --> 00:30:20,490
- is it's actually very simple this is a

613
00:30:25,280 --> 00:30:22,920

social media platform that you will be

614

00:30:27,020 --> 00:30:25,290

used to and acclimated to out of the

615

00:30:30,350 --> 00:30:27,030

gate and everything that you've been

616

00:30:33,950 --> 00:30:30,360

doing on social media before will happen

617

00:30:36,350 --> 00:30:33,960

here except now it is based on the

618

00:30:39,860 --> 00:30:36,360

blockchain and all of that time that you

619

00:30:42,950 --> 00:30:39,870

spend on social media will get rewarded

620

00:30:44,570 --> 00:30:42,960

it's really that simple you know it's

621

00:30:47,360 --> 00:30:44,580

not going to be any different for you

622

00:30:50,990 --> 00:30:47,370

except for now the blockchain is there

623

00:30:53,330 --> 00:30:51,000

to support the community both on a

624

00:30:55,430 --> 00:30:53,340

member level and all the way up through

625

00:30:58,700 --> 00:30:55,440

content creators and authors and

626

00:31:01,610 --> 00:30:58,710

directors and researchers across the

627

00:31:05,030 --> 00:31:01,620

board right that's exactly right

628

00:31:06,590 --> 00:31:05,040

actually so you know when when we first

629

00:31:08,210 --> 00:31:06,600

started working on this interface we

630

00:31:10,190 --> 00:31:08,220

looked at the existing platforms out

631

00:31:11,840 --> 00:31:10,200

there you know Facebook Twitter

632

00:31:13,760 --> 00:31:11,850

Instagram and all those things and what

633

00:31:16,669 --> 00:31:13,770

we did was we took you know the best of

634

00:31:18,410 --> 00:31:16,679

those platforms and integrated into our

635

00:31:20,720 --> 00:31:18,420

platform and made it very simple and

636

00:31:25,570 --> 00:31:20,730

easy to use and of course in a bit

637

00:31:28,940 --> 00:31:25,580

intuitive and so the first things that

638

00:31:32,780 --> 00:31:28,950

anybody is gonna ask is well can I share

639

00:31:35,450 --> 00:31:32,790

can I upload what about videos can I

640

00:31:38,720 --> 00:31:35,460

comment can I dislike as well as like

641

00:31:42,020 --> 00:31:38,730

right that's how the community is so

642

00:31:45,050 --> 00:31:42,030

social media focus now they know what

643

00:31:47,060 --> 00:31:45,060

they want and demand in a platform so

644

00:31:49,340 --> 00:31:47,070

when they ask these questions are the

645

00:31:52,440 --> 00:31:49,350

answers all yes yes yes

646

00:31:53,850 --> 00:31:52,450

yes yes yes and yes so anything that you

647

00:31:56,310 --> 00:31:53,860

do on like facebook if you post

648

00:31:58,380 --> 00:31:56,320

something you share something embedded

649

00:32:00,420 --> 00:31:58,390

YouTube video or things like that you

650

00:32:02,430 --> 00:32:00,430

can do this on this on on stellar but

651

00:32:04,380 --> 00:32:02,440

the benefit of that is that you can get

652

00:32:06,870 --> 00:32:04,390

rewarded because you can monetize any

653

00:32:09,480 --> 00:32:06,880

content that you create or discover so

654

00:32:10,710 --> 00:32:09,490

do all those functionalities that exist

655

00:32:12,600 --> 00:32:10,720

within those other social media

656

00:32:14,370 --> 00:32:12,610

platforms exist in here

657

00:32:16,050 --> 00:32:14,380

with the benefit of blockchain

658

00:32:19,460 --> 00:32:16,060

technology which brings in the whole

659

00:32:23,670 --> 00:32:19,470

rewarding structure now the question

660

00:32:26,460 --> 00:32:23,680

always comes up you know well because

661

00:32:30,540 --> 00:32:26,470

when they hear crypto everybody thinks

662

00:32:33,060 --> 00:32:30,550

Bitcoin you know front and and that and

663

00:32:34,470 --> 00:32:33,070

I and I get that you know it's Bitcoin

664

00:32:37,440 --> 00:32:34,480

has been around now for ten years it's

665

00:32:42,090 --> 00:32:37,450

been talked about a lot but this is not

666

00:32:43,830 --> 00:32:42,100

the case here is it no what you have to

667

00:32:45,210 --> 00:32:43,840

understand is we're using blockchain

668

00:32:47,760 --> 00:32:45,220

technology and blockchain is the

669

00:32:50,520 --> 00:32:47,770

underlying technology or architecture

670

00:32:52,410 --> 00:32:50,530

behind it things like other crypto

671

00:32:55,260 --> 00:32:52,420

currencies such as Bitcoin and if

672

00:32:56,880 --> 00:32:55,270

they're and and so on so we're not what

673

00:32:58,980 --> 00:32:56,890

we're doing is we're taking that

674

00:33:03,240 --> 00:32:58,990

underlying technology and infrastructure

675

00:33:05,790 --> 00:33:03,250

and applying it to our own blocking now

676
00:33:08,010 --> 00:33:05,800
what somebody just supposed to Justin

677
00:33:11,180 --> 00:33:08,020
just said Kim's can people purchase

678
00:33:15,990 --> 00:33:11,190
their way into having an advantage on

679
00:33:18,450 --> 00:33:16,000
this on this platform so that's that's a

680
00:33:19,980 --> 00:33:18,460
great question and so the way the the

681
00:33:21,900 --> 00:33:19,990
way the system works is that you're

682
00:33:24,420 --> 00:33:21,910
given a certain amount of tokens and

683
00:33:26,580 --> 00:33:24,430
those tokens come in with diminishing

684
00:33:28,170 --> 00:33:26,590
returns now you can have something

685
00:33:31,290 --> 00:33:28,180
called stellar power and stellar power

686
00:33:32,880 --> 00:33:31,300
is essentially your up voting power just

687
00:33:35,310 --> 00:33:32,890
because you have more tokens doesn't

688
00:33:37,590 --> 00:33:35,320

necessarily mean that you could upvote

689

00:33:42,150 --> 00:33:37,600

more content and thereby create this

690

00:33:45,060 --> 00:33:42,160

kind of unfair advantage so equal

691

00:33:46,830 --> 00:33:45,070

playing field it's an equal playing

692

00:33:49,080 --> 00:33:46,840

field it's really there for the people

693

00:33:52,430 --> 00:33:49,090

that are truly care about the subject

694

00:33:56,850 --> 00:33:52,440

and you know wanna upload or upload

695

00:34:00,120 --> 00:33:56,860

truly unique content now because it's a

696

00:34:02,899 --> 00:34:00,130

social media platform that that we are

697

00:34:05,269 --> 00:34:02,909

building for the

698

00:34:11,629 --> 00:34:05,279

for natural and paranormal community but

699

00:34:13,879 --> 00:34:11,639

can anybody join and and you know create

700

00:34:16,460 --> 00:34:13,889

content somebody just said what about

701
00:34:18,879 --> 00:34:16,470
role-playing game related stuff is it

702
00:34:21,740 --> 00:34:18,889
just limited to the paranormal

703
00:34:23,659 --> 00:34:21,750
well it's limited to the paranormal

704
00:34:25,490 --> 00:34:23,669
medicine school all those things you

705
00:34:27,740 --> 00:34:25,500
know white paper we tell many of the

706
00:34:31,069 --> 00:34:27,750
subjects that we cover but this is very

707
00:34:32,779 --> 00:34:31,079
specific to our kind of subjects because

708
00:34:34,430 --> 00:34:32,789
you know when I've been to a lot of

709
00:34:36,740 --> 00:34:34,440
websites that cover or the apps that

710
00:34:38,599 --> 00:34:36,750
cover some of some of the things that

711
00:34:41,119 --> 00:34:38,609
we're interested in what I find is that

712
00:34:43,700 --> 00:34:41,129
it's not really structured the way that

713
00:34:45,409 --> 00:34:43,710

we want it to be there's a it's really

714

00:34:47,659 --> 00:34:45,419

convoluted with so many things and I

715

00:34:50,539 --> 00:34:47,669

understand that but the way that we've

716

00:34:52,609 --> 00:34:50,549

set it up in so that it's easy to use

717

00:34:56,710 --> 00:34:52,619

it's fun to use and you get rewarded for

718

00:34:59,660 --> 00:34:56,720

using it now what if somebody uploaded

719

00:35:03,710 --> 00:34:59,670

sports stuff what would happen with that

720

00:35:05,480 --> 00:35:03,720

content so that content type of content

721

00:35:07,640 --> 00:35:05,490

doesn't necessarily have a tag so every

722

00:35:09,829 --> 00:35:07,650

time you upload some sort of content you

723

00:35:11,420 --> 00:35:09,839

have to tag it as okay what area does

724

00:35:13,940 --> 00:35:11,430

this belong under so if you upload

725

00:35:16,069 --> 00:35:13,950

sports content it's not necessarily

726

00:35:18,019 --> 00:35:16,079

going to have that specific tag that

727

00:35:21,200 --> 00:35:18,029

you're able to assign it to and then

728

00:35:22,730 --> 00:35:21,210

upload that content with so even if you

729

00:35:24,230 --> 00:35:22,740

do upload that content nobody's really

730

00:35:26,299 --> 00:35:24,240

going to upload that content and that

731

00:35:29,420 --> 00:35:26,309

content is never going to get how do you

732

00:35:33,289 --> 00:35:29,430

get additional tags created for instance

733

00:35:35,599 --> 00:35:33,299

like a role-playing game content I think

734

00:35:38,329 --> 00:35:35,609

that falls under the supernatural if

735

00:35:41,000 --> 00:35:38,339

it's role-playing that's you know

736

00:35:45,769 --> 00:35:41,010

dealing with dragons and magic and

737

00:35:48,589 --> 00:35:45,779

wizards yeah so certainly we're open to

738

00:35:50,750 --> 00:35:48,599

having more categories added to the

739

00:35:52,519 --> 00:35:50,760

platform so if you think that there's a

740

00:35:53,900 --> 00:35:52,529

certain subject or tag that needs to be

741

00:35:56,000 --> 00:35:53,910

in there you could definitely submit

742

00:35:58,760 --> 00:35:56,010

that to us and we'll go through some

743

00:36:00,200 --> 00:35:58,770

sort of review process and think about

744

00:36:02,299 --> 00:36:00,210

actually implementing those kinds of

745

00:36:03,769 --> 00:36:02,309

tags so really open to the subject

746

00:36:06,589 --> 00:36:03,779

categories but we want to be very

747

00:36:09,049 --> 00:36:06,599

subject specific to the kind of things

748

00:36:11,280 --> 00:36:09,059

that we are that we cover in this area

749

00:36:14,880 --> 00:36:11,290

now

750

00:36:16,860 --> 00:36:14,890

what about live-streaming that seems to

751
00:36:18,870 --> 00:36:16,870
be you know periscope and Facebook live

752
00:36:22,010 --> 00:36:18,880
and what's going on with that these days

753
00:36:25,140 --> 00:36:22,020
a lot of live streaming going on

754
00:36:26,580 --> 00:36:25,150
absolutely so live streaming is one of

755
00:36:27,570 --> 00:36:26,590
the things that are happening now and

756
00:36:29,370 --> 00:36:27,580
it's going to be happening in the future

757
00:36:31,440 --> 00:36:29,380
and we definitely want to make that

758
00:36:33,570 --> 00:36:31,450
available in the platform so you have

759
00:36:35,610 --> 00:36:33,580
the ability to embed existing live live

760
00:36:37,080 --> 00:36:35,620
stream platforms and actually monetize

761
00:36:38,880 --> 00:36:37,090
those platforms one of the cool things

762
00:36:41,130 --> 00:36:38,890
you could do is that you could take like

763
00:36:44,370 --> 00:36:41,140

your existing blog content or any sites

764

00:36:46,020 --> 00:36:44,380

and take that information or embed or

765

00:36:47,910 --> 00:36:46,030

take that and embed that into our

766

00:36:51,000 --> 00:36:47,920

platform and then monetize that content

767

00:36:53,340 --> 00:36:51,010

so but in terms of live streaming that

768

00:36:55,140 --> 00:36:53,350

is something that we are building in the

769

00:36:57,030 --> 00:36:55,150

future into the platform which is we

770

00:37:00,240 --> 00:36:57,040

know that the audience is asking for it

771

00:37:03,540 --> 00:37:00,250

in depending for it this is uh this is a

772

00:37:06,930 --> 00:37:03,550

really big deal now it's gonna be

773

00:37:08,610 --> 00:37:06,940

kicking off the the site site the

774

00:37:12,390 --> 00:37:08,620

platform itself is gonna launch in

775

00:37:15,420 --> 00:37:12,400

quarter three and looking at the

776

00:37:17,550 --> 00:37:15,430

potential of millions of users hitting

777

00:37:19,530 --> 00:37:17,560

those servers all at the same time on

778

00:37:21,900 --> 00:37:19,540

that day are you guys ready for this

779

00:37:25,080 --> 00:37:21,910

oh absolutely we've been actually

780

00:37:27,030 --> 00:37:25,090

running tests on the platform we've

781

00:37:29,640 --> 00:37:27,040

tested up to a million users run

782

00:37:35,340 --> 00:37:29,650

simulations so you know we're ready and

783

00:37:38,430 --> 00:37:35,350

set to go so yeah yeah so now what

784

00:37:42,060 --> 00:37:38,440

happens this Wednesday you're gonna have

785

00:37:43,950 --> 00:37:42,070

this the the actual site when we say

786

00:37:46,410 --> 00:37:43,960

it's going live it's not the platform

787

00:37:50,160 --> 00:37:46,420

it's the ability to register and

788

00:37:53,130 --> 00:37:50,170

announcing the ico so that's what's

789

00:37:57,300 --> 00:37:53,140

going down Wednesday everybody can just

790

00:37:59,250 --> 00:37:57,310

use the promo code Jimmy because there's

791

00:38:02,160 --> 00:37:59,260

a promo code spot there but when they

792

00:38:06,180 --> 00:38:02,170

register what happens they lock down a

793

00:38:07,950 --> 00:38:06,190

username right that's right they can

794

00:38:10,590 --> 00:38:07,960

come to the website click participate

795

00:38:13,590 --> 00:38:10,600

and once they register they can claim a

796

00:38:15,240 --> 00:38:13,600

user name and that user name is reserved

797

00:38:17,310 --> 00:38:15,250

specifically for them because one of the

798

00:38:18,930 --> 00:38:17,320

issues that you see when you when you're

799

00:38:21,000 --> 00:38:18,940

late to a platform is that your user

800

00:38:23,820 --> 00:38:21,010

names taken so you have to enter like a

801
00:38:25,140 --> 00:38:23,830
- 1985 or whatever you have to enter

802
00:38:26,670 --> 00:38:25,150
something that's not

803
00:38:28,230 --> 00:38:26,680
first choice so that's why we encourage

804
00:38:30,660 --> 00:38:28,240
people to go in and claim their

805
00:38:32,880 --> 00:38:30,670
usernames right now and if they wish to

806
00:38:33,269 --> 00:38:32,890
they can also participate in the ICL as

807
00:38:38,569 --> 00:38:33,279
well

808
00:38:41,400 --> 00:38:38,579
now with that you're gonna get their

809
00:38:45,120 --> 00:38:41,410
email address there's going to be a

810
00:38:48,120 --> 00:38:45,130
whole series of announcements and a

811
00:38:50,190 --> 00:38:48,130
countdown day right that you guys are

812
00:38:52,279 --> 00:38:50,200
going to be doing over the next couple

813
00:38:54,599 --> 00:38:52,289

of months before the platform launch

814

00:38:56,309 --> 00:38:54,609

that's correct yeah in fact the

815

00:38:57,599 --> 00:38:56,319

countdown time is running now you can go

816

00:38:59,460 --> 00:38:57,609

check it out

817

00:39:01,440 --> 00:38:59,470

but as soon as you register you'll get a

818

00:39:02,910 --> 00:39:01,450

lot of information about some people

819

00:39:04,710 --> 00:39:02,920

don't even know like what what a wallet

820

00:39:07,650 --> 00:39:04,720

is so we run a whole series of

821

00:39:09,599 --> 00:39:07,660

educational information through email

822

00:39:11,130 --> 00:39:09,609

campaigns that will basically educate

823

00:39:12,180 --> 00:39:11,140

you on this platform all you need you

824

00:39:14,010 --> 00:39:12,190

know what are the cool benefits about

825

00:39:16,079 --> 00:39:14,020

this platform is that when you sign up

826

00:39:17,490 --> 00:39:16,089

you don't need a wallet we automatically

827

00:39:19,500 --> 00:39:17,500

gives your wallet so you can just

828

00:39:22,200 --> 00:39:19,510

immediately go in and start using the

829

00:39:24,089 --> 00:39:22,210

system when it launches in q3 so but

830

00:39:27,029 --> 00:39:24,099

anyway if you want to participate in the

831

00:39:28,740 --> 00:39:27,039

ico we give you a full on educational

832

00:39:30,359 --> 00:39:28,750

course on now here's how you sign up

833

00:39:33,390 --> 00:39:30,369

here's how you get a wallet because I'm

834

00:39:38,309 --> 00:39:33,400

participating in exchange and a lot by

835

00:39:41,339 --> 00:39:38,319

tokens and by oh I see oh yes and let's

836

00:39:44,130 --> 00:39:41,349

see here again this is all coming in

837

00:39:46,380 --> 00:39:44,140

from listeners right now with regards to

838

00:39:48,299 --> 00:39:46,390

live streaming is it going to work like

839

00:39:51,299 --> 00:39:48,309

twitch we're streams with higher view

840

00:39:55,140 --> 00:39:51,309

count are most likely to be seen and if

841

00:39:58,200 --> 00:39:55,150

so how will you handle view botting now

842

00:40:01,730 --> 00:39:58,210

let's let's actually address this when

843

00:40:04,680 --> 00:40:01,740

something is trending on the platform

844

00:40:09,180 --> 00:40:04,690

how are you dealing with that the

845

00:40:11,220 --> 00:40:09,190

top-rated views and post and and and and

846

00:40:15,870 --> 00:40:11,230

so forth how is that handled on

847

00:40:17,370 --> 00:40:15,880

somebody's page yeah so you know when

848

00:40:19,289 --> 00:40:17,380

you sign up for the platform you get to

849

00:40:21,269 --> 00:40:19,299

select what kind of things that you're

850

00:40:22,710 --> 00:40:21,279

into so you get to select what kind of

851
00:40:25,980 --> 00:40:22,720
channels that you want to subscribe to

852
00:40:28,049 --> 00:40:25,990
and you'll only get those kinds of the

853
00:40:30,089 --> 00:40:28,059
subjects that you subscribe to so you

854
00:40:31,859 --> 00:40:30,099
won't necessarily see everything I mean

855
00:40:33,510 --> 00:40:31,869
you can if you want to go to the gist

856
00:40:37,440 --> 00:40:33,520
the trending or the new and and see what

857
00:40:39,720 --> 00:40:37,450
you want to see but when you select on

858
00:40:41,069 --> 00:40:39,730
your profile you select

859
00:40:44,220 --> 00:40:41,079
you know I only want to see things about

860
00:40:45,599 --> 00:40:44,230
us UFOs and cryptozoologist and so

861
00:40:48,140 --> 00:40:45,609
you'll see content related to the

862
00:40:50,700 --> 00:40:48,150
subject field that you specified now in

863
00:40:53,789 --> 00:40:50,710

in regards to the question regarding

864

00:40:56,010 --> 00:40:53,799

livestream that's a difficult thing to

865

00:40:58,620 --> 00:40:56,020

do and what blockchain does is

866

00:41:00,569 --> 00:40:58,630

essentially solve that issue because

867

00:41:02,670 --> 00:41:00,579

when you rise when you deuce anything

868

00:41:03,990 --> 00:41:02,680

with livestream and blockchain you have

869

00:41:05,990 --> 00:41:04,000

to have a registered account and a

870

00:41:10,319 --> 00:41:06,000

verified verified account through

871

00:41:13,710 --> 00:41:10,329

platform so basically block chain saw is

872

00:41:17,760 --> 00:41:13,720

one of those body issues and the

873

00:41:19,500 --> 00:41:17,770

question of censorship is is all over

874

00:41:24,510 --> 00:41:19,510

the place these days with YouTube

875

00:41:27,780 --> 00:41:24,520

Facebook Twitter that there is a certain

876

00:41:29,760 --> 00:41:27,790

amount of censoring going on again it's

877

00:41:32,010 --> 00:41:29,770

it's it's part of the conspiracy

878

00:41:33,510 --> 00:41:32,020

community where and you know we speak

879

00:41:37,799 --> 00:41:33,520

about certain things and then we get

880

00:41:40,020 --> 00:41:37,809

clamped down what is going to happen

881

00:41:41,910 --> 00:41:40,030

with that side of things everybody wants

882

00:41:46,079 --> 00:41:41,920

to know this is great but are we going

883

00:41:47,069 --> 00:41:46,089

to be censored yeah see that's one of

884

00:41:48,990 --> 00:41:47,079

the unfortunate things that are

885

00:41:50,910 --> 00:41:49,000

happening on YouTube and Facebook you're

886

00:41:52,950 --> 00:41:50,920

really being sent sensor channels and

887

00:41:54,720 --> 00:41:52,960

people are being D monetized and we

888

00:41:56,039 --> 00:41:54,730

actually have no censorship on our

889

00:41:58,680 --> 00:41:56,049

platform and we're all about that

890

00:42:01,740 --> 00:41:58,690

freedom of speech so you can come in and

891

00:42:02,849 --> 00:42:01,750

as long as it's subject-specific share

892

00:42:04,710 --> 00:42:02,859

and discover content that you're

893

00:42:06,720 --> 00:42:04,720

interested in we are not going to censor

894

00:42:09,180 --> 00:42:06,730

you you know obviously there's no you

895

00:42:11,730 --> 00:42:09,190

know elicit kind of information or post

896

00:42:13,920 --> 00:42:11,740

allowed but as long as you know you're

897

00:42:16,230 --> 00:42:13,930

posting subject that's relevant we have

898

00:42:20,789 --> 00:42:16,240

no issues and we have zero censorship

899

00:42:25,740 --> 00:42:20,799

and what about problem makers like you

900

00:42:27,569 --> 00:42:25,750

know hardcore professional trolls yeah

901
00:42:30,510 --> 00:42:27,579
that they're pretty much every way so

902
00:42:32,250 --> 00:42:30,520
the way we handle tools is obviously the

903
00:42:34,589 --> 00:42:32,260
first one is the boxing technology

904
00:42:37,740 --> 00:42:34,599
itself it tries it's best it stir and

905
00:42:40,910 --> 00:42:37,750
weed out rolls through the uploading and

906
00:42:43,470 --> 00:42:40,920
the proof of brain platform system the

907
00:42:45,030 --> 00:42:43,480
second method we handle is what Scott

908
00:42:48,000 --> 00:42:45,040
said earlier which is the type you know

909
00:42:51,299 --> 00:42:48,010
system which we randomly assign people

910
00:42:52,539 --> 00:42:51,309
the ability to essentially judge a case

911
00:42:56,109 --> 00:42:52,549
whether to

912
00:42:58,419 --> 00:42:56,119
punished or to let the sender go free

913
00:43:00,429 --> 00:42:58,429

based on the kind of content they posted

914

00:43:02,019 --> 00:43:00,439

so you know you and I were on the

915

00:43:04,599 --> 00:43:02,029

platform somebody post something nasty

916

00:43:07,329 --> 00:43:04,609

that deliver long there some people slag

917

00:43:09,309 --> 00:43:07,339

it immediately and what will happen is

918

00:43:12,160 --> 00:43:09,319

one select a random person on the

919

00:43:14,289 --> 00:43:12,170

platform will get a message saying hey

920

00:43:16,509 --> 00:43:14,299

here's a sender this is what they did

921

00:43:18,189 --> 00:43:16,519

here's the post you can see all the

922

00:43:20,410 --> 00:43:18,199

information about it what would you like

923

00:43:23,319 --> 00:43:20,420

to do with this and this is almost like

924

00:43:26,339 --> 00:43:23,329

letting the community handle its people

925

00:43:29,140 --> 00:43:26,349

by itself and not really relying on a

926

00:43:32,079 --> 00:43:29,150

middleman or third party to handle what

927

00:43:33,789 --> 00:43:32,089

kind of content or what people posted is

928

00:43:35,650 --> 00:43:33,799

allowed on the system and you know you

929

00:43:38,249 --> 00:43:35,660

get rewarded for doing these kinds of

930

00:43:39,939 --> 00:43:38,259

things so in a tribunal as long as you

931

00:43:41,559 --> 00:43:39,949

participate in it and you could choose

932

00:43:43,109 --> 00:43:41,569

not to do that - you could say skip I

933

00:43:45,249 --> 00:43:43,119

don't want to do something like this and

934

00:43:47,049 --> 00:43:45,259

you know if you participate in a

935

00:43:49,029 --> 00:43:47,059

platform and say yeah you know what this

936

00:43:50,769 --> 00:43:49,039

was offensive content we're going to

937

00:43:53,620 --> 00:43:50,779

punish this person and that content

938

00:43:56,880 --> 00:43:53,630

essentially is downloaded to a Billiken

939

00:43:59,499 --> 00:43:56,890

now what about blocking users oh

940

00:44:01,390 --> 00:43:59,509

absolutely you can block you just like

941

00:44:05,019 --> 00:44:01,400

on on a regular social media platform

942

00:44:07,059 --> 00:44:05,029

you could block unfollow you know delete

943

00:44:12,329 --> 00:44:07,069

users from your profile that's my

944

00:44:17,919 --> 00:44:14,880

that's the most immediate satisfaction

945

00:44:24,130 --> 00:44:17,929

that one can have these days it's just

946

00:44:26,679 --> 00:44:24,140

like yeah the first time I was blocked

947

00:44:30,069 --> 00:44:26,689

by somebody on Facebook you know like

948

00:44:31,900 --> 00:44:30,079

ten years ago and I went and I couldn't

949

00:44:35,400 --> 00:44:31,910

find I couldn't and I was like man how

950

00:44:37,809 --> 00:44:35,410

why how is this work right now I

951
00:44:40,150 --> 00:44:37,819
experienced it on that level and I

952
00:44:43,959 --> 00:44:40,160
didn't like it and I couldn't even go

953
00:44:45,429 --> 00:44:43,969
back and scream at that person for for

954
00:44:49,029 --> 00:44:45,439
that you know it was done I couldn't do

955
00:44:51,339 --> 00:44:49,039
it and now I you know what the block if

956
00:44:53,079 --> 00:44:51,349
you go to blocking level if you get

957
00:44:55,749 --> 00:44:53,089
blocked then you got you need to

958
00:44:57,729 --> 00:44:55,759
thinking to think about your life what

959
00:45:00,130 --> 00:44:57,739
what what did you do to get yourself

960
00:45:02,650 --> 00:45:00,140
blocked that's all you know I think it's

961
00:45:04,479 --> 00:45:02,660
great I love blocking you gotta give me

962
00:45:04,829 --> 00:45:04,489
the block yeah you got to give the

963
00:45:07,859 --> 00:45:04,839

people

964

00:45:10,049 --> 00:45:07,869

the power to block definitely and you

965

00:45:11,609 --> 00:45:10,059

definitely have that power on Stella you

966

00:45:12,809 --> 00:45:11,619

know when I first got blocked actually

967

00:45:14,489 --> 00:45:12,819

got hurt my feelings were hurt I was

968

00:45:17,729 --> 00:45:14,499

like ah this person blocking it up sucks

969

00:45:19,289 --> 00:45:17,739

so yeah that's how I basically dealt

970

00:45:21,059 --> 00:45:19,299

with it but yeah definitely you have the

971

00:45:25,799 --> 00:45:21,069

ability to block or delete users from

972

00:45:28,170 --> 00:45:25,809

your from their friends or followers now

973

00:45:31,680 --> 00:45:28,180

okay now let's uh let's talk about some

974

00:45:34,890 --> 00:45:31,690

fun stuff how ready how ready are you

975

00:45:38,309 --> 00:45:34,900

with the platform right now how robust

976
00:45:40,259 --> 00:45:38,319
is it yeah so we've developed pretty

977
00:45:44,039 --> 00:45:40,269
much most of the user interface and the

978
00:45:48,120 --> 00:45:44,049
user experience and you know I people

979
00:45:50,579 --> 00:45:48,130
throw up around that word all the time

980
00:45:52,410 --> 00:45:50,589
and you're like well what the heck is

981
00:45:55,440 --> 00:45:52,420
that what is user interface what is user

982
00:45:57,809 --> 00:45:55,450
interference and user experience and

983
00:46:00,420 --> 00:45:57,819
essentially what user interfaces is

984
00:46:02,279 --> 00:46:00,430
essentially a series of screens pages

985
00:46:04,859 --> 00:46:02,289
visual elements like buttons and icons

986
00:46:06,690 --> 00:46:04,869
that you use to interact on a device and

987
00:46:09,089 --> 00:46:06,700
and the user experience is more of like

988
00:46:12,059 --> 00:46:09,099

the internal experience that a person

989

00:46:13,859 --> 00:46:12,069

has you know as they go through the

990

00:46:16,459 --> 00:46:13,869

platform and every aspect of that

991

00:46:20,819 --> 00:46:16,469

product or service that we're providing

992

00:46:24,089 --> 00:46:20,829

so one of the best things about this

993

00:46:26,160 --> 00:46:24,099

platform is we have our blockchain

994

00:46:27,959 --> 00:46:26,170

technology down and we have the user

995

00:46:30,509 --> 00:46:27,969

interface and user experience down so

996

00:46:33,089 --> 00:46:30,519

we're pretty far along the course in

997

00:46:35,430 --> 00:46:33,099

terms of getting ready for q3 and having

998

00:46:40,200 --> 00:46:35,440

having a really good workable platform

999

00:46:41,999 --> 00:46:40,210

on a proven blocking security absolutely

1000

00:46:45,120 --> 00:46:42,009

that's that is one of the best benefits

1001
00:46:47,940 --> 00:46:45,130
of blockchain is that it gives you that

1002
00:46:51,749 --> 00:46:47,950
high level of security through a

1003
00:46:52,920 --> 00:46:51,759
decentralized network so utmost security

1004
00:46:54,630 --> 00:46:52,930
you know the government can't come in

1005
00:46:56,670 --> 00:46:54,640
and say hey I'll give us this

1006
00:46:58,829 --> 00:46:56,680
information about this person oh sorry

1007
00:47:01,559 --> 00:46:58,839
we don't have that that's that's not in

1008
00:47:05,640 --> 00:47:01,569
our hands that that that's the beauty of

1009
00:47:07,229 --> 00:47:05,650
blockchain and yeah and you know Brian

1010
00:47:09,229 --> 00:47:07,239
just poster what kind of security are

1011
00:47:13,979 --> 00:47:09,239
going to use to protect user

1012
00:47:15,870 --> 00:47:13,989
identification and user info oh that's a

1013
00:47:17,670 --> 00:47:15,880

great question so we have two FA

1014

00:47:18,390 --> 00:47:17,680

authentication so essentially once you

1015

00:47:23,579 --> 00:47:18,400

sign up

1016

00:47:25,950 --> 00:47:23,589

you also have to you know verify a text

1017

00:47:27,960 --> 00:47:25,960

message and through your cell phone

1018

00:47:29,609 --> 00:47:27,970

number so you have to essentially sign

1019

00:47:32,519 --> 00:47:29,619

up and then verify through a text

1020

00:47:35,670 --> 00:47:32,529

message and then that text verification

1021

00:47:37,230 --> 00:47:35,680

confirms your identity and then

1022

00:47:39,990 --> 00:47:37,240

obviously we have we have the typical

1023

00:47:42,569 --> 00:47:40,000

SSL type stuff security infrastructure

1024

00:47:44,519 --> 00:47:42,579

setup as well and what happens with that

1025

00:47:46,559 --> 00:47:44,529

information once it's at what's it

1026

00:47:49,799 --> 00:47:46,569

centered you know we look we've we've

1027

00:47:53,870 --> 00:47:49,809

gone through it with even security

1028

00:47:58,500 --> 00:47:53,880

companies are being hacked these days so

1029

00:48:01,620 --> 00:47:58,510

you know so how without you know hearing

1030

00:48:05,460 --> 00:48:01,630

the typical answer that nobody is hack

1031

00:48:08,880 --> 00:48:05,470

proof right but here we are talking

1032

00:48:11,450 --> 00:48:08,890

about cryptocurrency we're talking about

1033

00:48:16,559 --> 00:48:11,460

Wallace we're talking about user data

1034

00:48:18,779 --> 00:48:16,569

how robust is that security so the

1035

00:48:20,339 --> 00:48:18,789

benefit of locking is robustness and

1036

00:48:23,339 --> 00:48:20,349

durability it brings with it but you

1037

00:48:25,170 --> 00:48:23,349

know like like any anything out there

1038

00:48:28,200 --> 00:48:25,180

there's nothing that's not hackable yeah

1039

00:48:31,440 --> 00:48:28,210

everything at some point it can it can

1040

00:48:34,200 --> 00:48:31,450

be penetrated in and broken into but we

1041

00:48:35,940 --> 00:48:34,210

offer state-of-the-art security and

1042

00:48:37,650 --> 00:48:35,950

security and through blockchain we

1043

00:48:39,990 --> 00:48:37,660

that's how we essentially provide that

1044

00:48:43,980 --> 00:48:40,000

because we don't store data in a central

1045

00:48:47,010 --> 00:48:43,990

hub the data is spread throughout the

1046

00:48:49,620 --> 00:48:47,020

entire block chain Network courthouse so

1047

00:48:51,420 --> 00:48:49,630

that gives you some level of security I

1048

00:48:52,890 --> 00:48:51,430

mean look at after Equifax when they got

1049

00:48:54,420 --> 00:48:52,900

hacked you know it was because of I

1050

00:48:55,799 --> 00:48:54,430

believe a user error they should have

1051
00:48:57,710 --> 00:48:55,809
gone on the blockchain because then that

1052
00:49:01,019 --> 00:48:57,720
one user error wouldn't necessarily have

1053
00:49:03,809 --> 00:49:01,029
have given access to the entire network

1054
00:49:06,240 --> 00:49:03,819
of information right right right now

1055
00:49:08,640 --> 00:49:06,250
there's one and that's that's very

1056
00:49:14,730 --> 00:49:08,650
important especially for me but there's

1057
00:49:16,500 --> 00:49:14,740
one area of Facebook that is was the

1058
00:49:18,510 --> 00:49:16,510
with the one chain I think really hurt

1059
00:49:21,000 --> 00:49:18,520
Facebook a lot but they've they're still

1060
00:49:22,829 --> 00:49:21,010
number one of course but when in the

1061
00:49:25,260 --> 00:49:22,839
early days of Facebook you did a post

1062
00:49:28,170 --> 00:49:25,270
and you had 500 friends and family all

1063
00:49:31,830 --> 00:49:28,180

500 saw your post and you would be able

1064

00:49:36,090 --> 00:49:31,840

to stay in touch with everybody now

1065

00:49:40,980 --> 00:49:36,100

like 5% or 10% of your friends list see

1066

00:49:43,350 --> 00:49:40,990

a post and that that that just kills the

1067

00:49:45,030 --> 00:49:43,360

original idea of Facebook about staying

1068

00:49:48,620 --> 00:49:45,040

in touch with everybody that was on your

1069

00:49:51,720 --> 00:49:48,630

friends list so what's gonna happen with

1070

00:49:54,660 --> 00:49:51,730

I'm stellar in that regard you make a

1071

00:49:58,470 --> 00:49:54,670

post and you've got 5,000 followers or

1072

00:50:02,040 --> 00:49:58,480

10,000 or 50 is everybody going to see

1073

00:50:03,990 --> 00:50:02,050

that post so essentially anybody that

1074

00:50:06,480 --> 00:50:04,000

subscribe to you will see it in their

1075

00:50:08,190 --> 00:50:06,490

what we call like feed or their channel

1076

00:50:10,170 --> 00:50:08,200

that they've said that you know that

1077

00:50:12,720 --> 00:50:10,180

they subscribe to and have tagged you

1078

00:50:14,100 --> 00:50:12,730

and so pretty much you know like how it

1079

00:50:15,870 --> 00:50:14,110

shows up on Facebook on your newsfeed

1080

00:50:18,450 --> 00:50:15,880

you'll be able to see these things but

1081

00:50:20,910 --> 00:50:18,460

the issue is essentially that you know

1082

00:50:22,710 --> 00:50:20,920

if you have 5,000 people that's a lot of

1083

00:50:25,980 --> 00:50:22,720

posts to go through you know some people

1084

00:50:27,870 --> 00:50:25,990

spend an entire day just going through

1085

00:50:32,220 --> 00:50:27,880

the entire feed looking at all the

1086

00:50:34,740 --> 00:50:32,230

content so in terms of actually seeing

1087

00:50:38,400 --> 00:50:34,750

that content and those posts you'll be

1088

00:50:40,500 --> 00:50:38,410

able to see you know your your friends

1089

00:50:42,540 --> 00:50:40,510

or your circles posts and content but

1090

00:50:44,850 --> 00:50:42,550

it's a matter do you have the time to go

1091

00:50:46,590 --> 00:50:44,860

through it but you know as you one of

1092

00:50:49,050 --> 00:50:46,600

the things that happens in Facebook is

1093

00:50:50,820 --> 00:50:49,060

they basically turn you into a product

1094

00:50:54,090 --> 00:50:50,830

so essentially what you end up seeing is

1095

00:50:56,270 --> 00:50:54,100

content that's meant for you you know

1096

00:50:59,010 --> 00:50:56,280

men to sell you something essentially

1097

00:51:01,980 --> 00:50:59,020

but with us it's just content that

1098

00:51:04,140 --> 00:51:01,990

you're specifically subscribed to so you

1099

00:51:08,280 --> 00:51:04,150

always see relevant content now what

1100

00:51:13,260 --> 00:51:08,290

about advertisers yeah so that's a great

1101
00:51:16,860 --> 00:51:13,270
question as a show hey I wrote a book I

1102
00:51:18,600 --> 00:51:16,870
like it I want to sell it I can as an

1103
00:51:22,020 --> 00:51:18,610
individual user I could create a post

1104
00:51:24,900 --> 00:51:22,030
that turns into I don't know a product

1105
00:51:26,910 --> 00:51:24,910
for sale a book for sale we have not on

1106
00:51:30,240 --> 00:51:26,920
the system actually allowed advertisers

1107
00:51:30,900 --> 00:51:30,250
so and we don't necessarily have plans

1108
00:51:36,120 --> 00:51:30,910
for that right now

1109
00:51:37,830 --> 00:51:36,130
so there's there's no advertisers like

1110
00:51:39,930 --> 00:51:37,840
our media channels and networks that are

1111
00:51:41,910 --> 00:51:39,940
coming in and advertising on the network

1112
00:51:43,800 --> 00:51:41,920
one see when we were working on this UI

1113
00:51:44,520 --> 00:51:43,810

UX we wanted to be sure

1114

00:51:45,960 --> 00:51:44,530

that

1115

00:51:47,340 --> 00:51:45,970

they weren't people weren't distracted

1116

00:51:50,460 --> 00:51:47,350

by ads you know if you go to Facebook

1117

00:51:52,590 --> 00:51:50,470

now or Twitter you're surrounded by ads

1118

00:51:55,050 --> 00:51:52,600

on all sides everywhere you go I want

1119

00:51:56,580 --> 00:51:55,060

every other newsfeed is an ad and that's

1120

00:51:58,200 --> 00:51:56,590

really annoying and I don't really want

1121

00:52:00,450 --> 00:51:58,210

to see some of that stuff and frankly

1122

00:52:04,350 --> 00:52:00,460

you know those ads follow me around and

1123

00:52:06,780 --> 00:52:04,360

I don't like that at all so the way we

1124

00:52:09,240 --> 00:52:06,790

built the UI UX which you'll see on

1125

00:52:11,160 --> 00:52:09,250

Wednesday is that there isn't really ads

1126

00:52:13,530 --> 00:52:11,170

there and it's almost if you have a

1127

00:52:17,070 --> 00:52:13,540

product that you like to provide as a

1128

00:52:20,760 --> 00:52:17,080

service or for sale it's built into the

1129

00:52:22,260 --> 00:52:20,770

actual interface experience itself so it

1130

00:52:24,180 --> 00:52:22,270

looks like it looks very similar to a

1131

00:52:26,460 --> 00:52:24,190

post and doesn't interfere with you

1132

00:52:27,630 --> 00:52:26,470

so we we don't actually advertise on the

1133

00:52:32,280 --> 00:52:27,640

platform now

1134

00:52:34,200 --> 00:52:32,290

anybody that is that has products for

1135

00:52:37,860 --> 00:52:34,210

the paranormal community I'm talking

1136

00:52:41,280 --> 00:52:37,870

about authors or it could be jewelry

1137

00:52:45,030 --> 00:52:41,290

whatever it is incense can they sell

1138

00:52:47,220 --> 00:52:45,040

their stuff on their page absolutely

1139

00:52:50,400 --> 00:52:47,230

they can they can create it into a post

1140

00:52:52,500 --> 00:52:50,410

and essentially sell their book author

1141

00:52:54,090 --> 00:52:52,510

you know jewelry whatever as long as

1142

00:52:55,920 --> 00:52:54,100

it's subject specific they'll be able to

1143

00:52:57,930 --> 00:52:55,930

sell it and they'll be able to monetize

1144

00:53:01,200 --> 00:52:57,940

that either through tokens or a regular

1145

00:53:04,230 --> 00:53:01,210

payment system Wow that's gonna be

1146

00:53:08,250 --> 00:53:04,240

amazing I mean we see that this is you

1147

00:53:12,630 --> 00:53:08,260

know the the the bottom line for me is

1148

00:53:15,900 --> 00:53:12,640

in this community it is so hard so many

1149

00:53:19,400 --> 00:53:15,910

work for free so many are self

1150

00:53:22,590 --> 00:53:19,410

publishing books so many are creating

1151
00:53:24,180 --> 00:53:22,600
videos and and they're trying you know

1152
00:53:27,720 --> 00:53:24,190
because they have something to say

1153
00:53:30,900 --> 00:53:27,730
they've had research or reciting or you

1154
00:53:34,140 --> 00:53:30,910
know some kind of contact but they can't

1155
00:53:36,540 --> 00:53:34,150
do anything with it it's expensive to

1156
00:53:38,970 --> 00:53:36,550
self publish a book it's expensive to

1157
00:53:42,030 --> 00:53:38,980
start a website it's expensive to create

1158
00:53:45,660 --> 00:53:42,040
content and a lot of are discouraged

1159
00:53:48,690 --> 00:53:45,670
with that but here they have a way to

1160
00:53:51,870 --> 00:53:48,700
actually monetize and get rewarded for

1161
00:53:54,300 --> 00:53:51,880
the work that they do that's right and

1162
00:53:57,300 --> 00:53:54,310
isn't that awesome I love that so you

1163
00:53:57,850 --> 00:53:57,310

know in terms of other social media

1164

00:53:59,650 --> 00:53:57,860

platform

1165

00:54:03,460 --> 00:53:59,660

whereas your basic with the product

1166

00:54:07,240 --> 00:54:03,470

hours is another product you can sell

1167

00:54:10,210 --> 00:54:07,250

and monetize any type of content or you

1168

00:54:12,160 --> 00:54:10,220

know content you discover or create by

1169

00:54:13,330 --> 00:54:12,170

yourself on the platform you don't need

1170

00:54:16,420 --> 00:54:13,340

to go through a middleman or anything

1171

00:54:20,620 --> 00:54:16,430

like that now when when does the

1172

00:54:22,990 --> 00:54:20,630

registration and that landing page go

1173

00:54:28,390 --> 00:54:23,000

live on Wednesday it will be midnight

1174

00:54:31,060 --> 00:54:28,400

tomorrow night Wednesday yeah we will

1175

00:54:32,350 --> 00:54:31,070

have a landing page live Wednesday at

1176

00:54:34,240 --> 00:54:32,360

midnight tomorrow night yeah midnight

1177

00:54:37,120 --> 00:54:34,250

tomorrow night and so everybody can go

1178

00:54:39,490 --> 00:54:37,130

and register and and lock down their

1179

00:54:42,850 --> 00:54:39,500

username just use the promo code Jimmy

1180

00:54:44,020 --> 00:54:42,860

and it's all done absolutely that's

1181

00:54:46,840 --> 00:54:44,030

that's the best part

1182

00:54:48,730 --> 00:54:46,850

so you get to you know see the platform

1183

00:54:51,730 --> 00:54:48,740

experience it if you have any questions

1184

00:54:53,110 --> 00:54:51,740

you can definitely reach out to us you

1185

00:54:55,570 --> 00:54:53,120

should check out our amazing white paper

1186

00:54:58,000 --> 00:54:55,580

we spend a lot of time detailing all the

1187

00:55:00,040 --> 00:54:58,010

information that's needed on there and

1188

00:55:02,050 --> 00:55:00,050

you know register for an account and

1189

00:55:06,940 --> 00:55:02,060

reserve your username thank you so much

1190

00:55:09,100 --> 00:55:06,950

does a exciting times I just can't I

1191

00:55:12,100 --> 00:55:09,110

just can't get over this this is just

1192

00:55:14,320 --> 00:55:12,110

absolutely amazing thank you so much my

1193

00:55:16,210 --> 00:55:14,330

friend and we'll get you on the show

1194

00:55:17,950 --> 00:55:16,220

here in a couple of weeks and we'll take

1195

00:55:19,750 --> 00:55:17,960

things a step further thank you so much

1196

00:55:22,570 --> 00:55:19,760

- cool thank you

1197

00:55:26,230 --> 00:55:22,580

- we're a go to everybody vice president

1198

00:55:28,240 --> 00:55:26,240

technology of on stellar all right

1199

00:55:29,980 --> 00:55:28,250

coming up next Steve Murillo that's

1200

00:55:33,040 --> 00:55:29,990

right Steve marilla's here senior

1201

00:55:38,680 --> 00:55:33,050

advisor for on stellar I'll be right

1202

00:55:44,890 --> 00:55:41,859

way out here we listen to Jimmy Church

1203

00:55:47,390 --> 00:55:44,900

you're listening to faint and black

1204

00:55:50,240 --> 00:55:47,400

always on the edge of the hottest

1205

00:55:50,720 --> 00:55:50,250

alternative talk jimmy church with fade

1206

00:56:10,279 --> 00:55:50,730

to black

1207

00:56:14,000 --> 00:56:10,289

stay GRA radio.com hurricanes

1208

00:56:15,740 --> 00:56:14,010

earthquakes wildfires this year we've

1209

00:56:18,140 --> 00:56:15,750

experienced more than our fair share

1210

00:56:21,019 --> 00:56:18,150

this is Jimmy Church of fade to black

1211

00:56:23,210 --> 00:56:21,029

and last month I decided to make sure my

1212

00:56:25,400 --> 00:56:23,220

family does not have to worry about food

1213

00:56:28,370 --> 00:56:25,410

should we get caught in a real emergency

1214

00:56:30,470 --> 00:56:28,380

situation introducing Humana

1215

00:56:32,599 --> 00:56:30,480

a healthy storable product that tastes

1216

00:56:34,400 --> 00:56:32,609

so good that you'll want to eat it every

1217

00:56:36,859 --> 00:56:34,410

day instead of just during those times

1218

00:56:40,249 --> 00:56:36,869

of duress all new manna products have a

1219

00:56:43,190 --> 00:56:40,259

25 year shelf life our msg and GMO free

1220

00:56:45,349 --> 00:56:43,200

no preservatives and are made in America

1221

00:56:47,359 --> 00:56:45,359

with the new manna pack in your home

1222

00:56:49,940 --> 00:56:47,369

you'll be able to sleep at night knowing

1223

00:56:53,089 --> 00:56:49,950

that you protected your family not only

1224

00:56:55,460 --> 00:56:53,099

have I tasted and tested I own it now

1225

00:56:57,799 --> 00:56:55,470

you can too just click on the new manna

1226
00:56:59,839 --> 00:56:57,809
banner on Jimmy Church radio.com and use

1227
00:57:02,240 --> 00:56:59,849
the promo code Jimmy when you order in

1228
00:57:04,240 --> 00:57:02,250
addition to a discount we'll send you an

1229
00:57:06,920 --> 00:57:04,250
autograph fade to black t-shirt

1230
00:57:09,259 --> 00:57:06,930
seriously gobekli tepe

1231
00:57:11,599 --> 00:57:09,269
do you worry a lot whether you're a

1232
00:57:13,670 --> 00:57:11,609
college student busy professional parent

1233
00:57:15,079 --> 00:57:13,680
or grandparent ongoing stress and

1234
00:57:17,450 --> 00:57:15,089
elevated levels of the stress hormone

1235
00:57:19,609 --> 00:57:17,460
cortisol can wrap your memory your

1236
00:57:21,319 --> 00:57:19,619
health and your future now you can

1237
00:57:23,359 --> 00:57:21,329
combat the effects of stress and anxiety

1238
00:57:25,519 --> 00:57:23,369

while improving your memory and recall

1239

00:57:27,859 --> 00:57:25,529

at the same time with the dietary

1240

00:57:29,450 --> 00:57:27,869

supplement calm and clever studies show

1241

00:57:32,390 --> 00:57:29,460

that the ingredients in common clever

1242

00:57:33,680 --> 00:57:32,400

reduce cortisol by as much as 30% in one

1243

00:57:35,900 --> 00:57:33,690

to two weeks call one eight hundred

1244

00:57:38,180 --> 00:57:35,910

seven five eight eight seven four six or

1245

00:57:41,870 --> 00:57:38,190

calm and clever calm

1246

00:57:48,470 --> 00:57:41,880

you listen to us and we listen to you so

1247

00:57:51,560 --> 00:57:48,480

does the CIA kgr a radio.com

1248

00:57:53,330 --> 00:57:51,570

hi folks CBD is the home run hitter for

1249

00:57:54,530 --> 00:57:53,340

health right now why do you ask because

1250

00:57:57,260 --> 00:57:54,540

of what it does for the body

1251
00:57:59,450 --> 00:57:57,270
unfortunately I can't tell you all about

1252
00:58:01,520 --> 00:57:59,460
the benefit you know there's reasons do

1253
00:58:02,750 --> 00:58:01,530
your due diligence and log on to ancient

1254
00:58:05,180 --> 00:58:02,760
life oil com

1255
00:58:07,190 --> 00:58:05,190
that's ancient life oil calm angel life

1256
00:58:09,290 --> 00:58:07,200
oil uses organic ingredients and is

1257
00:58:12,160 --> 00:58:09,300
blended in coconut oil for some of the

1258
00:58:14,960 --> 00:58:12,170
best benefits legal in 50 states and

1259
00:58:19,810 --> 00:58:14,970
non-psychoactive log on to ancient life

1260
00:58:22,310 --> 00:58:19,820
oil calm that's ancient life oil calm

1261
00:58:24,620 --> 00:58:22,320
you are listening to fade to black

1262
00:58:29,900 --> 00:58:24,630
with Jimmy Church on the game change in

1263
00:58:32,840 --> 00:58:29,910

network hi I'm Lisa Vance your listings

1264

00:58:35,660 --> 00:58:32,850

Jimmy Church this is a revolution the

1265

00:58:43,670 --> 00:58:35,670

revolution will not be televised the

1266

00:59:25,390 --> 00:59:23,190

[Music]

1267

00:59:28,000 --> 00:59:25,400

welcome back fade to black I'm nails

1268

00:59:32,590 --> 00:59:28,010

Jimmy Church of the game-changer network

1269

00:59:34,570 --> 00:59:32,600

and kg are a the planets alright tonight

1270

00:59:36,100 --> 00:59:34,580

we are announcing on stellar and

1271

00:59:38,590 --> 00:59:36,110

exciting new social media platform

1272

00:59:41,740 --> 00:59:38,600

that's gonna kick off excuse me

1273

00:59:44,560 --> 00:59:41,750

just for our community and it's

1274

00:59:46,570 --> 00:59:44,570

absolutely stunning it's spa it's

1275

00:59:49,000 --> 00:59:46,580

beautiful to look at and you just think

1276

00:59:52,090 --> 00:59:49,010

about what's behind it and what this

1277

00:59:54,850 --> 00:59:52,100

means for everybody it's a it's just

1278

00:59:56,530 --> 00:59:54,860

going to be the future of everything and

1279

00:59:58,600 --> 00:59:56,540

I would like to welcome back to fade to

1280

01:00:02,260 --> 00:59:58,610

black our good friend Steve Marilla

1281

01:00:04,930 --> 01:00:02,270

who's also senior adviser with on

1282

01:00:06,910 --> 01:00:04,940

stellar and the platform Steve welcome

1283

01:00:12,010 --> 01:00:06,920

back to fade to black man exciting days

1284

01:00:15,690 --> 01:00:12,020

huh Jimmy oh my god man I'm breathless

1285

01:00:19,600 --> 01:00:15,700

honestly this is something that I think

1286

01:00:22,240 --> 01:00:19,610

you me a lot of people in this field

1287

01:00:24,670 --> 01:00:22,250

have wanted for a long time a place

1288

01:00:27,730 --> 01:00:24,680

where we can all gather on line we can

1289

01:00:31,720 --> 01:00:27,740

share our ideas we can collaborate on

1290

01:00:34,780 --> 01:00:31,730

those ideas and actually trade value and

1291

01:00:37,480 --> 01:00:34,790

create value and get to the heart of

1292

01:00:39,580 --> 01:00:37,490

what this is all about you know UFOs the

1293

01:00:41,110 --> 01:00:39,590

paranormal spirituality ascension all

1294

01:00:43,630 --> 01:00:41,120

these things are related we know they're

1295

01:00:46,090 --> 01:00:43,640

related and now we can finally have a

1296

01:00:49,690 --> 01:00:46,100

platform where we can discuss it openly

1297

01:00:52,690 --> 01:00:49,700

and honestly without getting angry no

1298

01:00:55,720 --> 01:00:52,700

arguments no sharing ideas it's just

1299

01:00:58,330 --> 01:00:55,730

phenomenal man I am head over heels

1300

01:01:00,070 --> 01:00:58,340

excited about this I cannot tell you how

1301

01:01:02,650 --> 01:01:00,080

excited I am to be a part of the on

1302

01:01:04,990 --> 01:01:02,660

stellar team to be a partner giving

1303

01:01:06,610 --> 01:01:05,000

because you know you and I well we have

1304

01:01:09,190 --> 01:01:06,620

that experience right I mean I've been

1305

01:01:12,130 --> 01:01:09,200

in this in this field for a long time so

1306

01:01:15,070 --> 01:01:12,140

of you and we can actually share our

1307

01:01:17,170 --> 01:01:15,080

enthusiasm but also kind of give our

1308

01:01:20,890 --> 01:01:17,180

ideas on how this thing should go

1309

01:01:22,300 --> 01:01:20,900

what what's needed you know and and you

1310

01:01:24,460 --> 01:01:22,310

know because you have a lot of guys who

1311

01:01:26,920 --> 01:01:24,470

are really good at they're good at their

1312

01:01:28,390 --> 01:01:26,930

job of creating the platform but they're

1313

01:01:30,160 --> 01:01:28,400

engineers and a lot of times you have to

1314

01:01:33,320 --> 01:01:30,170

convey to the engineers this is what we

1315

01:01:36,500 --> 01:01:33,330

need and but it's getting done

1316

01:01:39,140 --> 01:01:36,510

- and Scott are amazing they're getting

1317

01:01:42,010 --> 01:01:39,150

the whole thing done and I'm like I said

1318

01:01:45,380 --> 01:01:42,020

now I'm just glad to be a part of it for

1319

01:01:48,380 --> 01:01:45,390

most of most of our audience knows about

1320

01:01:51,020 --> 01:01:48,390

you and and and and your contributions

1321

01:01:54,140 --> 01:01:51,030

to the community but I want to kind of

1322

01:01:55,730 --> 01:01:54,150

refresh everybody so they understand

1323

01:01:59,570 --> 01:01:55,740

where you are coming from right now

1324

01:02:03,470 --> 01:01:59,580

Steve you were the director of MUFON Los

1325

01:02:05,450 --> 01:02:03,480

Angeles for well some say 13 years I've

1326

01:02:12,320 --> 01:02:05,460

done my math it's more like eleven and a

1327

01:02:15,920 --> 01:02:12,330

half but the point the point is this

1328

01:02:19,190 --> 01:02:15,930

that even with MUFON and you built the

1329

01:02:22,820 --> 01:02:19,200

MUFON Los Angeles chapter was the

1330

01:02:26,270 --> 01:02:22,830

largest for MUFON in the world and you

1331

01:02:28,550 --> 01:02:26,280

are also in in doing all of that UFO

1332

01:02:30,800 --> 01:02:28,560

research and and talking to the

1333

01:02:32,470 --> 01:02:30,810

community and you had your monthly

1334

01:02:35,150 --> 01:02:32,480

meetings out here in the valley that I

1335

01:02:41,450 --> 01:02:35,160

participated in you know going back to

1336

01:02:45,410 --> 01:02:41,460

ten years ago right so but you also saw

1337

01:02:47,360 --> 01:02:45,420

the need of for expanding beyond MUFON

1338

01:02:51,790 --> 01:02:47,370

in research number one and number two

1339

01:02:56,020 --> 01:02:51,800

that a lot of these subjects are are

1340

01:02:59,480 --> 01:02:56,030

connected and it doesn't matter if it's

1341

01:03:03,230 --> 01:02:59,490

lost history or near-death experiences

1342

01:03:09,050 --> 01:03:03,240

or parallel worlds or multiverses or

1343

01:03:11,630 --> 01:03:09,060

plasma orbs ghosts you know a Bigfoot

1344

01:03:14,000 --> 01:03:11,640

for instance that all of these things

1345

01:03:16,640 --> 01:03:14,010

are connected and it's all part of our

1346

01:03:20,810 --> 01:03:16,650

community and now and you fought for

1347

01:03:24,320 --> 01:03:20,820

that left MUFON started you parts which

1348

01:03:30,470 --> 01:03:24,330

is a paranormal research group while

1349

01:03:33,440 --> 01:03:30,480

Hospital stands for it encompasses and

1350

01:03:36,830 --> 01:03:33,450

that's exactly why we became we you know

1351

01:03:38,420 --> 01:03:36,840

we went from just UFOs to you know

1352

01:03:40,670 --> 01:03:38,430

because you know and I've told the story

1353

01:03:43,310 --> 01:03:40,680

before I want to bore your listeners but

1354

01:03:45,860 --> 01:03:43,320

you know we realized in investigating

1355

01:03:47,450 --> 01:03:45,870

these different cases they're in very

1356

01:03:49,850 --> 01:03:47,460

other things going on you know if you

1357

01:03:51,830 --> 01:03:49,860

had an abductee and you visit them at

1358

01:03:54,470 --> 01:03:51,840

the home and then all senator they're

1359

01:03:56,870 --> 01:03:54,480

sharing other things happening to them

1360

01:03:59,090 --> 01:03:56,880

like poltergeist activity I remember

1361

01:04:00,920 --> 01:03:59,100

specifically one gal who actually was

1362

01:04:03,920 --> 01:04:00,930

one of our board members for awhile and

1363

01:04:05,360 --> 01:04:03,930

she was an abductee and you know it was

1364

01:04:07,850 --> 01:04:05,370

happening to her it was happening to her

1365

01:04:10,460 --> 01:04:07,860

daughter and on and on and then she

1366

01:04:11,810 --> 01:04:10,470

shows me this crazy video she took while

1367

01:04:13,190 --> 01:04:11,820

her daughter they were just sitting in

1368

01:04:16,700 --> 01:04:13,200

the living room watching TV

1369

01:04:19,250 --> 01:04:16,710

she videos this green orb thing come

1370

01:04:23,270 --> 01:04:19,260

flying out of the TV and three-dimension

1371

01:04:25,190 --> 01:04:23,280

and fly right through and filming her

1372

01:04:27,650 --> 01:04:25,200

daughter right she doesn't see the or

1373

01:04:29,480 --> 01:04:27,660

it's more like a green blob I mean it's

1374

01:04:31,580 --> 01:04:29,490

almost straight up straight out of

1375

01:04:33,920 --> 01:04:31,590

ghostbusters and this thing flies

1376

01:04:36,140 --> 01:04:33,930

through her now she claimed that she

1377

01:04:37,850 --> 01:04:36,150

didn't see it at the time but she felt

1378

01:04:39,860 --> 01:04:37,860

it grow through and you hear her react

1379

01:04:43,070 --> 01:04:39,870

to it on the video right on her

1380

01:04:44,510 --> 01:04:43,080

cellphone right and but by that's just

1381

01:04:46,040 --> 01:04:44,520

like one example of something we've

1382

01:04:47,810 --> 01:04:46,050

heard over and over and over and over

1383

01:04:51,800 --> 01:04:47,820

and over and over no it just goes on and

1384

01:04:53,870 --> 01:04:51,810

on so there are there's you know the

1385

01:04:56,510 --> 01:04:53,880

space within the space all these things

1386

01:04:58,100 --> 01:04:56,520

related we do not understand how we can

1387

01:05:00,860 --> 01:04:58,110

speculate at this moment we're

1388

01:05:03,650 --> 01:05:00,870

speculating but I think that with the

1389

01:05:06,320 --> 01:05:03,660

advent of this platform that I'm so glad

1390

01:05:09,590 --> 01:05:06,330

it's coming online quickly we'll be able

1391

01:05:10,840 --> 01:05:09,600

to share those ideas and you know

1392

01:05:15,140 --> 01:05:10,850

everybody's going to have a voice

1393

01:05:17,210 --> 01:05:15,150

you have good thoughts good ideas

1394

01:05:19,910 --> 01:05:17,220

they're going to get voted up if you if

1395

01:05:22,940 --> 01:05:19,920

you let's say publish a paper on on

1396

01:05:25,370 --> 01:05:22,950

stellar lets you have a siding and you

1397

01:05:28,580 --> 01:05:25,380

you write it up boom you post it online

1398

01:05:31,340 --> 01:05:28,590

now other readers other people's other

1399

01:05:33,830 --> 01:05:31,350

other followers of that certain subject

1400

01:05:36,680 --> 01:05:33,840

can vote it up they can make comments

1401

01:05:40,520 --> 01:05:36,690

they can add to it that's just working

1402

01:05:42,020 --> 01:05:40,530

on something pretty cool and it's it's

1403

01:05:43,430 --> 01:05:42,030

in the future but you know we're going

1404

01:05:45,620 --> 01:05:43,440

to try to get it get it launched pretty

1405

01:05:47,360 --> 01:05:45,630

quick but what it is basically is let's

1406

01:05:49,490 --> 01:05:47,370

say you're out there and you're walking

1407

01:05:51,260 --> 01:05:49,500

around and you have a UFO sighting and

1408

01:05:53,540 --> 01:05:51,270

you take a photo of it with your phone

1409

01:05:55,820 --> 01:05:53,550

or you post it online well you've got

1410

01:05:58,330 --> 01:05:55,830

that metadata in the in the picture in

1411

01:06:00,400 --> 01:05:58,340

the video the system

1412

01:06:02,460 --> 01:06:00,410

posted two on stellar the system will

1413

01:06:05,230 --> 01:06:02,470

then alert other people in that

1414

01:06:06,190 --> 01:06:05,240

roundabout locations so actually people

1415

01:06:09,040 --> 01:06:06,200

can respond

1416

01:06:11,110 --> 01:06:09,050

somebody can possibly corroborate the

1417

01:06:12,700 --> 01:06:11,120

sighting by taking another photo so

1418

01:06:14,440 --> 01:06:12,710

we're going to be sharing that kind of

1419

01:06:17,470 --> 01:06:14,450

information through blockchain and it's

1420

01:06:19,870 --> 01:06:17,480

all going in the blockchain keep your

1421

01:06:22,270 --> 01:06:19,880

post real it basically keeps it true to

1422

01:06:24,370 --> 01:06:22,280

you nobody can really steal it from you

1423

01:06:28,030 --> 01:06:24,380

and say I took this it's really pretty

1424

01:06:32,050 --> 01:06:28,040

pretty cool pretty cool yeah I like that

1425

01:06:33,970 --> 01:06:32,060

verification process because one example

1426

01:06:37,380 --> 01:06:33,980

I was talking about this a couple of

1427

01:06:41,320 --> 01:06:37,390

weeks ago on the show of blockchain is

1428

01:06:42,700 --> 01:06:41,330

the there is an application that is

1429

01:06:45,220 --> 01:06:42,710

coming out with the blockchain to

1430

01:06:47,470 --> 01:06:45,230

register fine-art

1431

01:06:50,080 --> 01:06:47,480

right and once it's in the blockchain

1432

01:06:52,450 --> 01:06:50,090

it's there who owns this particular

1433

01:06:55,270 --> 01:06:52,460

painting right so go ahead in the

1434

01:06:57,400 --> 01:06:55,280

blockchain and then you know six months

1435

01:07:00,370 --> 01:06:57,410

down the road you're you're at an

1436

01:07:03,760 --> 01:07:00,380

auction you know or you're at an antique

1437

01:07:06,490 --> 01:07:03,770

store or whatever and you see a painting

1438

01:07:08,650 --> 01:07:06,500

and you go wow that's amazing they want

1439

01:07:11,110 --> 01:07:08,660

twenty grand for ten grand five hundred

1440

01:07:13,120 --> 01:07:11,120

bucks whatever and then you go and you

1441

01:07:16,060 --> 01:07:13,130

check and you find out that the real

1442

01:07:20,410 --> 01:07:16,070

painting is actually owned by somebody

1443

01:07:25,030 --> 01:07:20,420

else in sheboygan and that what you are

1444

01:07:27,910 --> 01:07:25,040

looking at is a fake right well that

1445

01:07:31,570 --> 01:07:27,920

that's an application of the blockchain

1446

01:07:34,830 --> 01:07:31,580

and here here it will be the same

1447

01:07:38,790 --> 01:07:34,840

application it just the way that it is

1448

01:07:41,980 --> 01:07:38,800

photographs you see so many pictures of

1449

01:07:44,680 --> 01:07:41,990

UFOs taken off cellphones or ghosts or

1450

01:07:51,490 --> 01:07:44,690

orbs or whatever and people claiming it

1451

01:07:54,190 --> 01:07:51,500

to be theirs right number one yeah

1452

01:07:59,140 --> 01:07:54,200

that's a perfect example of that well

1453

01:08:03,300 --> 01:07:59,150

you know years ago exactly years ago

1454

01:08:05,740 --> 01:08:03,310

Steve somebody had sent me I wrote up a

1455

01:08:08,050 --> 01:08:05,750

post about this and it's out there you

1456

01:08:10,750 --> 01:08:08,060

can find it but somebody sent me these

1457

01:08:11,740 --> 01:08:10,760

incredible pictures of these triangles

1458

01:08:15,370 --> 01:08:11,750

flying

1459

01:08:17,200 --> 01:08:15,380

and and and so I give this long email

1460

01:08:20,260 --> 01:08:17,210

man this friend of mine took these

1461

01:08:21,610 --> 01:08:20,270

yesterday he's a chef he you know him

1462

01:08:22,959 --> 01:08:21,620

and his crew routes out of his

1463

01:08:24,490 --> 01:08:22,969

restaurant in the parking lot and they

1464

01:08:26,590 --> 01:08:24,500

took this or whatever right it got this

1465

01:08:30,099 --> 01:08:26,600

long story and I get like four or five

1466

01:08:32,140 --> 01:08:30,109

pictures and I contact John Green Wald

1467

01:08:34,479 --> 01:08:32,150

and I'm like John I got the breaking

1468

01:08:37,390 --> 01:08:34,489

story of the millennium right this is it

1469

01:08:38,920 --> 01:08:37,400

these are the real pictures and so I

1470

01:08:40,660 --> 01:08:38,930

tell him everything that's it look man

1471

01:08:42,430 --> 01:08:40,670

let's do this through fade to black but

1472

01:08:44,650 --> 01:08:42,440

I need black vault because you know

1473

01:08:46,059 --> 01:08:44,660

you're you're respected and so for yeah

1474

01:08:48,550 --> 01:08:46,069

absolutely so we go through the whole

1475

01:08:50,019 --> 01:08:48,560

story and I go back to the guy that sent

1476

01:08:53,410 --> 01:08:50,029

this to me I said hey man I need this

1477

01:08:55,030 --> 01:08:53,420

chef I need him to contact me I need all

1478

01:08:57,340 --> 01:08:55,040

the original stuff I need the time

1479

01:08:58,510 --> 01:08:57,350

stamps I need this and I need that any

1480

01:09:00,970 --> 01:08:58,520

Emmys

1481

01:09:01,539 --> 01:09:00,980

he goes okay I'll have everything to you

1482

01:09:04,079 --> 01:09:01,549

tomorrow

1483

01:09:07,180 --> 01:09:04,089

I said okay cool so what do I do I

1484

01:09:10,990 --> 01:09:07,190

right-click on the images and I do a

1485

01:09:13,780 --> 01:09:11,000

google search and I find them the exact

1486

01:09:18,760 --> 01:09:13,790

photographs in another article that was

1487

01:09:21,999 --> 01:09:18,770

posted seven years before right right

1488

01:09:24,130 --> 01:09:22,009

right not taken upstate New York this

1489

01:09:27,970 --> 01:09:24,140

either post that was seven years old was

1490

01:09:31,090 --> 01:09:27,980

from like Georgia you know right and but

1491

01:09:33,910 --> 01:09:31,100

there it is right in front well now we

1492

01:09:36,010 --> 01:09:33,920

will have a ledger and everything will

1493

01:09:38,890 --> 01:09:36,020

be documented in the blockchain and

1494

01:09:40,019 --> 01:09:38,900

there will be a chain of custody for

1495

01:09:43,059 --> 01:09:40,029

everything

1496

01:09:45,160 --> 01:09:43,069

correctamundo yep the spoof errs we'll

1497

01:09:47,740 --> 01:09:45,170

have to go find another game to play you

1498

01:09:50,050 --> 01:09:47,750

know and we'll finally get somewhere

1499

01:09:52,240 --> 01:09:50,060

with this with these topics not just

1500

01:09:54,700 --> 01:09:52,250

UFOs this is going to be all things

1501
01:09:57,340 --> 01:09:54,710
paranormal not only that you know we're

1502
01:10:00,010 --> 01:09:57,350
going to have a big section devoted to

1503
01:10:02,530 --> 01:10:00,020
you know the spirituality ascension

1504
01:10:05,520 --> 01:10:02,540
things like that you had Billy Carson on

1505
01:10:08,080 --> 01:10:05,530
on your show just a couple episodes ago

1506
01:10:10,600 --> 01:10:08,090
love that guy and I've never heard him

1507
01:10:13,780 --> 01:10:10,610
before man he's got some serious

1508
01:10:15,970 --> 01:10:13,790
information to pass right right he's

1509
01:10:17,740 --> 01:10:15,980
gonna he's gonna you know we would love

1510
01:10:19,360 --> 01:10:17,750
like people like him they're gonna have

1511
01:10:21,490 --> 01:10:19,370
their own corner of the world where

1512
01:10:23,380 --> 01:10:21,500
people can go and he can post things and

1513
01:10:25,470 --> 01:10:23,390

they can reward one another they can

1514

01:10:27,870 --> 01:10:25,480

interact

1515

01:10:30,090 --> 01:10:27,880

you know asking anything like that type

1516

01:10:32,580 --> 01:10:30,100

of stuff is going to go on but I mean

1517

01:10:34,729 --> 01:10:32,590

the word is going to get out right now

1518

01:10:38,640 --> 01:10:34,739

people have a place where they can go

1519

01:10:40,950 --> 01:10:38,650

anonymously right and share their

1520

01:10:43,470 --> 01:10:40,960

experiences read other people's

1521

01:10:45,120 --> 01:10:43,480

experiences and actually feel that can

1522

01:10:47,040 --> 01:10:45,130

you get that community feeling I can't

1523

01:10:48,720 --> 01:10:47,050

do that on Facebook look at you know I

1524

01:10:50,700 --> 01:10:48,730

you know I run a mortgage company in a

1525

01:10:54,500 --> 01:10:50,710

real estate company in a fairly affluent

1526

01:10:57,090 --> 01:10:54,510

community in Los Angeles right and I

1527

01:10:58,680 --> 01:10:57,100

can't openly talk about this stuff

1528

01:11:00,360 --> 01:10:58,690

because no one's going to want to list

1529

01:11:02,370 --> 01:11:00,370

their ten million dollar home with a guy

1530

01:11:04,380 --> 01:11:02,380

who you know believes in aliens and

1531

01:11:07,020 --> 01:11:04,390

little green men right right that's the

1532

01:11:09,780 --> 01:11:07,030

stigma that that normal society throws

1533

01:11:12,150 --> 01:11:09,790

on us but here we can go honestly create

1534

01:11:14,280 --> 01:11:12,160

a username so and I know they've got

1535

01:11:16,110 --> 01:11:14,290

something where they type in Jimmy if

1536

01:11:18,030 --> 01:11:16,120

they go to an so calm type in Jimmy

1537

01:11:20,340 --> 01:11:18,040

there you know right now they can they

1538

01:11:23,850 --> 01:11:20,350

can get a username that's that they like

1539

01:11:25,920 --> 01:11:23,860

I recommend they do that like ASAP this

1540

01:11:29,280 --> 01:11:25,930

thing is going to go guaranteed Jim this

1541

01:11:32,510 --> 01:11:29,290

is going to go huge man I know how

1542

01:11:34,950 --> 01:11:32,520

fervent your fans are but just how

1543

01:11:37,140 --> 01:11:34,960

enthusiastic the people are that who

1544

01:11:40,830 --> 01:11:37,150

study this field and the reason for that

1545

01:11:43,440 --> 01:11:40,840

is it's because we know that we're not

1546

01:11:46,050 --> 01:11:43,450

being told the truth right and we have

1547

01:11:48,930 --> 01:11:46,060

to go elsewhere we have to do our own

1548

01:11:51,660 --> 01:11:48,940

research and you know we really have to

1549

01:11:53,070 --> 01:11:51,670

dig into it to get to the truth and this

1550

01:11:54,770 --> 01:11:53,080

is going to be the place to do it man

1551

01:11:57,479 --> 01:11:54,780

it's going to be awesome

1552

01:12:00,660 --> 01:11:57,489

check out some of these categories I'm

1553

01:12:02,130 --> 01:12:00,670

not gonna I'm not actually gonna censor

1554

01:12:06,240 --> 01:12:02,140

this I'm gonna read through this and

1555

01:12:09,120 --> 01:12:06,250

this is for the audience Akashic records

1556

01:12:11,000 --> 01:12:09,130

alchemy alien abductions alien contact

1557

01:12:13,490 --> 01:12:11,010

altered state of consciousness

1558

01:12:15,320 --> 01:12:13,500

alternative history in ancient mysteries

1559

01:12:18,450 --> 01:12:15,330

alternative medicine alternative

1560

01:12:21,180 --> 01:12:18,460

realities ancient aliens and gods from

1561

01:12:23,550 --> 01:12:21,190

space ancient artifacts in literature

1562

01:12:26,640 --> 01:12:23,560

ancient monuments and buildings ancient

1563

01:12:28,830 --> 01:12:26,650

worlds and lost civilizations angels and

1564

01:12:33,380 --> 01:12:28,840

ascended masters animal and human

1565

01:12:36,450 --> 01:12:33,390

mutilations animal healing animal totems

1566

01:12:37,340 --> 01:12:36,460

aromatherapy and color therapy Ascension

1567

01:12:40,850 --> 01:12:37,350

and awakening

1568

01:12:42,920 --> 01:12:40,860

astrobiology what goes on right right

1569

01:12:46,730 --> 01:12:42,930

only that's what I'm trying to say

1570

01:12:50,960 --> 01:12:46,740

astrology astronomy in space chakras

1571

01:12:54,520 --> 01:12:50,970

channeling and trains or channeling and

1572

01:12:57,340 --> 01:12:54,530

trans complimentary they're

1573

01:12:59,800 --> 01:12:57,350

complimentary therapies and counseling

1574

01:13:02,470 --> 01:12:59,810

conscious and subconscious mind

1575

01:13:05,440 --> 01:13:02,480

conspiracy theories conspiracies

1576

01:13:08,600 --> 01:13:05,450

creatures and cryptozoology crystals

1577

01:13:12,440 --> 01:13:08,610

curses and superstitions demonology and

1578

01:13:16,580 --> 01:13:12,450

and possession dowsing and dye and

1579

01:13:18,710 --> 01:13:16,590

divining dreams Earth mysteries crop

1580

01:13:22,880 --> 01:13:18,720

circles ecology environment and

1581

01:13:25,250 --> 01:13:22,890

planetary planetary well-being energy

1582

01:13:28,540 --> 01:13:25,260

work esoteric traditions et channeling

1583

01:13:30,470 --> 01:13:28,550

Exopolitics experiments and inventions

1584

01:13:33,850 --> 01:13:30,480

extraterrestrials and star beings faith

1585

01:13:37,250 --> 01:13:33,860

hands on distant and psychic healing

1586

01:13:40,610 --> 01:13:37,260

feng shui got thanks way in here man

1587

01:13:45,380 --> 01:13:40,620

space cleanse oh yeah a fitness and yoga

1588

01:13:47,060 --> 01:13:45,390

of fully 14 and weird and bizarre that's

1589

01:13:50,210 --> 01:13:47,070

what that's one of my favorite right

1590

01:13:53,890 --> 01:13:50,220

there geopolitics Gnosticism government

1591

01:13:57,380 --> 01:13:53,900

programs and projects haunted houses

1592

01:14:01,670 --> 01:13:57,390

hypnotherapy indigenous peoples I mean

1593

01:14:04,910 --> 01:14:01,680

on and and it just there are another 75

1594

01:14:06,740 --> 01:14:04,920

categories that we have here all the way

1595

01:14:08,240 --> 01:14:06,750

to zombies which out some straight is

1596

01:14:13,100 --> 01:14:08,250

going to be loved and right yeah

1597

01:14:15,710 --> 01:14:13,110

coupling this topic but here's the cool

1598

01:14:16,820 --> 01:14:15,720

here's the cool thing Jim you know if

1599

01:14:18,620 --> 01:14:16,830

you didn't mention one of those

1600

01:14:19,940 --> 01:14:18,630

categories you know if your listeners

1601

01:14:21,350 --> 01:14:19,950

are out there going man he didn't he

1602

01:14:23,810 --> 01:14:21,360

didn't mention chemtrails or whatever it

1603

01:14:27,170 --> 01:14:23,820

is well guess what you can actually be

1604

01:14:28,760 --> 01:14:27,180

the person who creates that corner of

1605

01:14:30,650 --> 01:14:28,770

the world where everybody goes and

1606

01:14:33,050 --> 01:14:30,660

starts reading about chemtrails or

1607

01:14:34,880 --> 01:14:33,060

whatever the topic is you know right the

1608

01:14:37,280 --> 01:14:34,890

Akashic records or you know the Emerald

1609

01:14:39,290 --> 01:14:37,290

tablets or whatever it is you and other

1610

01:14:41,720 --> 01:14:39,300

people like you can participate and

1611

01:14:44,180 --> 01:14:41,730

create that community and discuss it in

1612

01:14:47,000 --> 01:14:44,190

an intelligent way and bring that

1613

01:14:50,900 --> 01:14:47,010

knowledge out you know shared documents

1614

01:14:52,640 --> 01:14:50,910

what have you you know is just it's just

1615

01:14:56,540 --> 01:14:52,650

pendous man I can't I can't believe how

1616

01:15:01,220 --> 01:14:56,550

lucky I am to be a part of this you know

1617

01:15:02,840 --> 01:15:01,230

it just there's there's something else

1618

01:15:06,280 --> 01:15:02,850

here that has to be mentioned before we

1619

01:15:09,410 --> 01:15:06,290

get to the break if you are an active

1620

01:15:11,540 --> 01:15:09,420

member of this community and and doing

1621

01:15:13,250 --> 01:15:11,550

what everybody else does which is

1622

01:15:15,710 --> 01:15:13,260

research and you're reading and you're

1623

01:15:17,720 --> 01:15:15,720

chasing stuff down you're going to so

1624

01:15:19,700 --> 01:15:17,730

many different sites you know you're

1625

01:15:21,740 --> 01:15:19,710

you're going from YouTube but you know

1626

01:15:24,260 --> 01:15:21,750

back to somebody's webpage and then over

1627

01:15:26,180 --> 01:15:24,270

to a blog and then and back and then

1628

01:15:28,310 --> 01:15:26,190

you're looking at images and you're

1629

01:15:31,850 --> 01:15:28,320

looking you're going to publications and

1630

01:15:35,900 --> 01:15:31,860

and all of that newspapers you're doing

1631

01:15:39,140 --> 01:15:35,910

all of that here it's all the access to

1632

01:15:42,080 --> 01:15:39,150

all of this is gonna be all in one spot

1633

01:15:44,870 --> 01:15:42,090

you know and it's all publicly available

1634

01:15:47,480 --> 01:15:44,880

and it's all good to be right there and

1635

01:15:49,160 --> 01:15:47,490

that and it will continue to grow it's

1636

01:15:53,240 --> 01:15:49,170

never gonna stop it's just going to

1637

01:15:55,630 --> 01:15:53,250

expand and expand and expand yeah yep so

1638

01:15:57,800 --> 01:15:55,640

Jim listen to the name of the database

1639

01:15:59,780 --> 01:15:57,810

desk kind of gave it the name I gotta

1640

01:16:00,800 --> 01:15:59,790

credit him he gave it the name yet you

1641

01:16:05,810 --> 01:16:00,810

want to take a guess what it is

1642

01:16:09,290 --> 01:16:05,820

I have Alexandria Oh see that's what I'm

1643

01:16:12,380 --> 01:16:09,300

talking about you know right there that

1644

01:16:14,900 --> 01:16:12,390

is just amazing to me ya know this is

1645

01:16:17,180 --> 01:16:14,910

going to be the digital Alexandria we're

1646

01:16:18,860 --> 01:16:17,190

going to listen to this so Suzanne

1647

01:16:20,570 --> 01:16:18,870

Hanson who's from New Zealand right

1648

01:16:23,780 --> 01:16:20,580

she's sort of like the move font for all

1649

01:16:26,810 --> 01:16:23,790

of New Zealand she's got she's got

1650

01:16:31,490 --> 01:16:26,820

signings written sightings right all the

1651
01:16:33,620 --> 01:16:31,500
way back into the late 1800s there they

1652
01:16:35,210 --> 01:16:33,630
are in the process right now digitizing

1653
01:16:37,910 --> 01:16:35,220
those sightings scanning them and

1654
01:16:39,980 --> 01:16:37,920
digitizing this huge effort but in the

1655
01:16:43,010 --> 01:16:39,990
end we'll be able to you know search

1656
01:16:46,640 --> 01:16:43,020
keywords search those sightings from way

1657
01:16:49,100 --> 01:16:46,650
back when so let's say um you know pick

1658
01:16:51,200 --> 01:16:49,110
a shape you know cylindrical UFO right

1659
01:16:53,930 --> 01:16:51,210
let's say you do that and you do a query

1660
01:16:56,150 --> 01:16:53,940
on to the database well guess what if if

1661
01:16:58,220 --> 01:16:56,160
her document has been scanned it's there

1662
01:17:00,440 --> 01:16:58,230
you know the system will say what about

1663
01:17:01,970 --> 01:17:00,450

take a look at this what about this have

1664

01:17:04,299 --> 01:17:01,980

you looked at this document here are

1665

01:17:06,520 --> 01:17:04,309

like 25 different

1666

01:17:08,949 --> 01:17:06,530

from here backwards that have

1667

01:17:10,839 --> 01:17:08,959

cylindrical UFOs on them you know I mean

1668

01:17:12,819 --> 01:17:10,849

right this is what we're after this is

1669

01:17:14,259 --> 01:17:12,829

what we're after so the database is

1670

01:17:15,819 --> 01:17:14,269

going to be sort of a relational

1671

01:17:18,699 --> 01:17:15,829

database that you can search that way

1672

01:17:21,429 --> 01:17:18,709

but it'll also include you know video

1673

01:17:24,879 --> 01:17:21,439

audio all of that stuff now

1674

01:17:28,109 --> 01:17:24,889

this is this is okay I'm gonna address

1675

01:17:35,679 --> 01:17:28,119

something directly here for everybody

1676

01:17:37,659 --> 01:17:35,689

there is no investment so whatever you

1677

01:17:40,779 --> 01:17:37,669

choose to do you can do but let me give

1678

01:17:44,649 --> 01:17:40,789

you a typical user okay you have

1679

01:17:47,259 --> 01:17:44,659

somebody John Smith Jane Smith they go

1680

01:17:51,689 --> 01:17:47,269

and they open their account and just

1681

01:17:54,069 --> 01:17:51,699

like Facebook or YouTube or Twitter

1682

01:17:58,059 --> 01:17:54,079

Instagram you're gonna have your own

1683

01:18:01,569 --> 01:17:58,069

page right your your Jane Smith page but

1684

01:18:02,919 --> 01:18:01,579

once you go through and you register you

1685

01:18:06,549 --> 01:18:02,929

pick out your name you do everything

1686

01:18:10,299 --> 01:18:06,559

that you do at that point you are going

1687

01:18:14,049 --> 01:18:10,309

to be given some tokens for your wallet

1688

01:18:17,139 --> 01:18:14,059

just for registering and and that number

1689

01:18:19,059 --> 01:18:17,149

is probably well it's gonna be in the

1690

01:18:22,059 --> 01:18:19,069

tens it could be ten could be twenty

1691

01:18:23,889 --> 01:18:22,069

could be 25 but let's you know that's

1692

01:18:25,750 --> 01:18:23,899

being worked out now everybody but

1693

01:18:29,559 --> 01:18:25,760

that's gonna that's gonna kick off so

1694

01:18:31,179 --> 01:18:29,569

let's just say if I say 25 right now

1695

01:18:32,709 --> 01:18:31,189

you're gonna be stuck with that I'm

1696

01:18:35,199 --> 01:18:32,719

Stellar's gonna have to do it so I'm

1697

01:18:37,479 --> 01:18:35,209

gonna say 25 all right I'm gonna I'm

1698

01:18:44,679 --> 01:18:37,489

gonna screw the pooch right now so let's

1699

01:18:48,849 --> 01:18:44,689

just let me finish so now they've got 25

1700

01:18:52,089 --> 01:18:48,859

tokens and they could be worth \$1 each

1701

01:18:54,669 --> 01:18:52,099

and so what is going to stop somebody

1702

01:18:56,559 --> 01:18:54,679

from just cashing out right then and

1703

01:19:00,009 --> 01:18:56,569

opening up another account right well

1704

01:19:02,979 --> 01:19:00,019

you can't so let everybody to understand

1705

01:19:05,229 --> 01:19:02,989

this you can take those 25 tokens that

1706

01:19:07,809 --> 01:19:05,239

go and use them yes

1707

01:19:10,359 --> 01:19:07,819

can you cash out no there's gonna be a

1708

01:19:12,879 --> 01:19:10,369

certain amount of vesting period after

1709

01:19:14,500 --> 01:19:12,889

six months activity on the side and

1710

01:19:16,300 --> 01:19:14,510

doing this and you wanted to go cash out

1711

01:19:18,700 --> 01:19:16,310

yeah you could

1712

01:19:22,960 --> 01:19:18,710

but on that first day of registering if

1713

01:19:25,810 --> 01:19:22,970

you went over to say Richard Dolan's

1714

01:19:27,550 --> 01:19:25,820

page or another author's page and you

1715

01:19:29,110 --> 01:19:27,560

went there and Richard Dolan's got a

1716

01:19:30,790 --> 01:19:29,120

publishing Gummy's got a new book for

1717

01:19:34,300 --> 01:19:30,800

sale and you go over and he's selling

1718

01:19:39,040 --> 01:19:34,310

those for ten tokens you could buy his

1719

01:19:41,260 --> 01:19:39,050

book you could and and that's that's the

1720

01:19:44,140 --> 01:19:41,270

perfect example of this

1721

01:19:47,110 --> 01:19:44,150

all right the tokens do have value and

1722

01:19:49,180 --> 01:19:47,120

over time if you wish to cash them out

1723

01:19:51,310 --> 01:19:49,190

you can but that's not the point

1724

01:19:53,950 --> 01:19:51,320

you can do whatever you want to do with

1725

01:19:55,720 --> 01:19:53,960

these coins inside of the community with

1726

01:19:59,370 --> 01:19:55,730

these tokens and support the community

1727

01:20:02,500 --> 01:19:59,380

and that's what we want to encourage is

1728

01:20:05,110 --> 01:20:02,510

growth and rewarding people inside of

1729

01:20:07,000 --> 01:20:05,120

this community if you choose to cash out

1730

01:20:11,380 --> 01:20:07,010

and you want to be a chump

1731

01:20:14,050 --> 01:20:11,390

go ahead cash out we don't care or or or

1732

01:20:17,110 --> 01:20:14,060

if you accumulate and you've done a

1733

01:20:19,360 --> 01:20:17,120

bunch of work and now you've got five

1734

01:20:21,790 --> 01:20:19,370

hundred coins and you want to go self

1735

01:20:23,350 --> 01:20:21,800

publish a book you could probably do it

1736

01:20:26,380 --> 01:20:23,360

inside of the platform you could

1737

01:20:29,260 --> 01:20:26,390

probably do that but if you chose to and

1738

01:20:32,020 --> 01:20:29,270

you needed to cash out to use that to go

1739

01:20:35,890 --> 01:20:32,030

and sell publish a book or go do some

1740

01:20:39,160 --> 01:20:35,900

research or you know go out and do some

1741

01:20:41,350 --> 01:20:39,170

ghost-hunting on location there you go

1742

01:20:44,380 --> 01:20:41,360

if you're paranoid you go yeah if you're

1743

01:20:46,690 --> 01:20:44,390

a paranormal group think about that for

1744

01:20:48,160 --> 01:20:46,700

a second you know yeah yeah yeah like

1745

01:20:50,230 --> 01:20:48,170

let's say you want to publish a book

1746

01:20:51,880 --> 01:20:50,240

okay who's the best guy to turn to you

1747

01:20:54,460 --> 01:20:51,890

for that Richard Dolan keyhole

1748

01:20:55,540 --> 01:20:54,470

publishing right right but look but of

1749

01:20:57,370 --> 01:20:55,550

course you're not going to ask for it's

1750

01:20:59,680 --> 01:20:57,380

time for free if you need that coaching

1751

01:21:01,480 --> 01:20:59,690

in that help you know you make an

1752

01:21:03,490 --> 01:21:01,490

agreement with Richard hey man you know

1753

01:21:06,250 --> 01:21:03,500

five tokens ten tokens whatever it is

1754

01:21:08,440 --> 01:21:06,260

and you trade and boom now he's coaching

1755

01:21:12,040 --> 01:21:08,450

you and you published your book done

1756

01:21:13,930 --> 01:21:12,050

yeah son right the economy stays inside

1757

01:21:15,760 --> 01:21:13,940

the system it doesn't have to like you

1758

01:21:18,130 --> 01:21:15,770

said you can go out and cash out sure

1759

01:21:20,200 --> 01:21:18,140

but it's we didn't look we didn't design

1760

01:21:21,940 --> 01:21:20,210

it for that okay we're not this isn't

1761

01:21:24,760 --> 01:21:21,950

this isn't like a Bitcoin thing where

1762

01:21:26,770 --> 01:21:24,770

every shiny now that's not it okay this

1763

01:21:29,110 --> 01:21:26,780

is about building a platform that has

1764

01:21:29,550 --> 01:21:29,120

happens to be built on blockchain around

1765

01:21:32,640 --> 01:21:29,560

blocks

1766

01:21:34,560 --> 01:21:32,650

technology so yeah we have a commerce

1767

01:21:37,080 --> 01:21:34,570

system built into it and that's great

1768

01:21:37,950 --> 01:21:37,090

but that's not that's not why I'm in

1769

01:21:40,470 --> 01:21:37,960

this thing man

1770

01:21:43,230 --> 01:21:40,480

I want I want to get to the truth number

1771

01:21:44,790 --> 01:21:43,240

one number two look this is this is

1772

01:21:48,480 --> 01:21:44,800

crazy I'm gonna put it out here to your

1773

01:21:50,400 --> 01:21:48,490

listeners I really want zero-point

1774

01:21:52,170 --> 01:21:50,410

energy free you know free energy

1775

01:21:52,710 --> 01:21:52,180

zero-point energy to come out into the

1776

01:21:54,960 --> 01:21:52,720

public

1777

01:21:57,390 --> 01:21:54,970

we know it's can we know the government

1778

01:22:00,090 --> 01:21:57,400

has that people have it it's been solved

1779

01:22:01,560 --> 01:22:00,100

but it's being sequestered and we need

1780

01:22:04,350 --> 01:22:01,570

to get that out to the public I would

1781

01:22:06,570 --> 01:22:04,360

love it if let's say we had a bunch of

1782

01:22:07,950 --> 01:22:06,580

people who are experts in that create

1783

01:22:09,930 --> 01:22:07,960

their own corner of the world and start

1784

01:22:11,910 --> 01:22:09,940

discussing that sharing papers doing the

1785

01:22:13,920 --> 01:22:11,920

math and they're sharing their work and

1786

01:22:16,800 --> 01:22:13,930

then all sudden somebody from inside the

1787

01:22:18,570 --> 01:22:16,810

sequestered community says man I thought

1788

01:22:19,890 --> 01:22:18,580

look this is just unfair we need to

1789

01:22:22,920 --> 01:22:19,900

release this information they start

1790

01:22:26,580 --> 01:22:22,930

leaking it they sign on right and they

1791

01:22:32,700 --> 01:22:26,590

start giving us some help yeah somebody

1792

01:22:37,110 --> 01:22:32,710

just I'm gonna midnight tomorrow night

1793

01:22:41,940 --> 01:22:37,120

okay the website everybody is dub dub

1794

01:22:43,800 --> 01:22:41,950

dub dot on stellar dot-com that's it

1795

01:22:47,040 --> 01:22:43,810

that's the website if you go there now

1796

01:22:57,300 --> 01:22:47,050

if you go to the website now let me um

1797

01:22:59,880 --> 01:22:57,310

let me do this everybody use on stellar

1798

01:23:04,850 --> 01:22:59,890

I'm gonna do this correctly I did it too

1799

01:23:10,550 --> 01:23:04,860

fast before on stellar dot-com promo

1800

01:23:20,820 --> 01:23:18,480

tomorrow Tuesday at midnight

1801

01:23:24,180 --> 01:23:20,830

you gotta love me when I text and talk

1802

01:23:28,110 --> 01:23:24,190

at the same time it's just so funny to

1803

01:23:31,950 --> 01:23:28,120

me I just turn into that I am just the

1804

01:23:35,070 --> 01:23:31,960

complete there's words that I want to

1805

01:23:37,650 --> 01:23:35,080

use here but there you go paste boom

1806

01:23:40,020 --> 01:23:37,660

done so I wanted to be able to see the

1807

01:23:43,220 --> 01:23:40,030

sea so when you click on on stellar I'm

1808

01:23:47,970 --> 01:23:43,230

opening up now it says coming soon

1809

01:23:50,520 --> 01:23:47,980

okay and maybe while it's probably just

1810

01:23:53,670 --> 01:23:50,530

pointless for desh to put up there or

1811

01:23:55,500 --> 01:23:53,680

his team midnight tomorrow night or

1812

01:23:57,470 --> 01:23:55,510

Wednesday's date because if that's gonna

1813

01:24:00,180 --> 01:23:57,480

roll around here quick enough and then

1814

01:24:01,740 --> 01:24:00,190

tomorrow night at midnight it's gonna

1815

01:24:03,480 --> 01:24:01,750

you all be able to go through the

1816

01:24:06,870 --> 01:24:03,490

registration process read the white

1817

01:24:09,210 --> 01:24:06,880

paper and and and go and do all of those

1818

01:24:11,190 --> 01:24:09,220

things but yeah I'm stellar it is here

1819

01:24:13,350 --> 01:24:11,200

Steve let me take a break stay right

1820

01:24:15,570 --> 01:24:13,360

there Steve I've got more to discuss

1821

01:24:17,940 --> 01:24:15,580

with you right after the break and I'm

1822

01:24:20,250 --> 01:24:17,950

gonna go a little bit beyond on stellar

1823

01:24:22,920 --> 01:24:20,260

have you seen the new atop the long

1824

01:24:26,010 --> 01:24:22,930

video video number three no I have not I

1825

01:24:28,110 --> 01:24:26,020

try to pull it up oh man just you know

1826

01:24:30,450 --> 01:24:28,120

just go search it right now during the

1827

01:24:32,670 --> 01:24:30,460

commercial break go watch all right to

1828

01:24:36,090 --> 01:24:32,680

the stars video number three go watch it

1829

01:24:37,150 --> 01:24:36,100

I'll be right back you got it this is

1830

01:24:45,410 --> 01:24:37,160

fade to black

1831

01:24:51,240 --> 01:24:48,689

this is kera digital broadcasting

1832

01:24:55,500 --> 01:24:51,250

station Salt Lake City Utah

1833

01:24:57,629 --> 01:24:55,510

Van Buren Arkansas okay nurse let's get

1834

01:24:59,609 --> 01:24:57,639

this man to the ER stat right away

1835

01:25:02,280 --> 01:24:59,619

doctor we see this every day heart

1836

01:25:04,680 --> 01:25:02,290

attack or angina pain due to blocked and

1837

01:25:06,959 --> 01:25:04,690

clogged arteries chelation can remove

1838

01:25:08,700 --> 01:25:06,969

obstructions or blockages from arteries

1839

01:25:09,570 --> 01:25:08,710

and help avoid painful and expensive

1840

01:25:11,790 --> 01:25:09,580

surgery

1841

01:25:13,709 --> 01:25:11,800

now there's angio prim it's a liquid

1842

01:25:15,990 --> 01:25:13,719

oral chelation product that you take

1843

01:25:18,629 --> 01:25:16,000

with juice you start to feel the results

1844

01:25:20,220 --> 01:25:18,639

fast angio prim increases blood flow all

1845

01:25:22,530 --> 01:25:20,230

over the body and that means more energy

1846

01:25:25,050 --> 01:25:22,540

and strength to take on the day with

1847

01:25:27,169 --> 01:25:25,060

less aches and pains 60 years of

1848

01:25:30,240 --> 01:25:27,179

research has gone into chelation and

1849

01:25:32,459 --> 01:25:30,250

angiogram is the result a safe and easy

1850

01:25:34,620 --> 01:25:32,469

way to unblock your veins and arteries

1851
01:25:36,479 --> 01:25:34,630
from build-up that slow circulation

1852
01:25:38,280 --> 01:25:36,489
shaping dr. Jones please report to the

1853
01:25:40,680 --> 01:25:38,290
emergency room right away log on now for

1854
01:25:44,339 --> 01:25:40,690
a special radio offer from Angie oh prim

1855
01:25:48,209 --> 01:25:44,349
that's Angie oh prim calm / radio ang IO

1856
01:25:51,899 --> 01:25:48,219
PRI M angio prim calm / radio our call

1857
01:25:56,459 --> 01:25:51,909
877 8a to 72 21 that's eight seven seven

1858
01:25:59,419 --> 01:25:56,469
eight eight to seventy to 21 so you love

1859
01:26:02,660 --> 01:25:59,429
talk radio then you'll love talk stream

1860
01:26:05,370 --> 01:26:02,670
live.com talk stream live is always on

1861
01:26:07,680 --> 01:26:05,380
24/7 with the best streaming talk shows

1862
01:26:09,660 --> 01:26:07,690
find your favorite talkers and discover

1863
01:26:12,479 --> 01:26:09,670

some new ones it's free readily

1864

01:26:13,020 --> 01:26:12,489

available online or on the smartphone or

1865

01:26:15,030 --> 01:26:13,030

tablet

1866

01:26:17,100 --> 01:26:15,040

finding your favorite talk shows all in

1867

01:26:20,490 --> 01:26:17,110

one place has gotten a whole lot easier

1868

01:26:21,990 --> 01:26:20,500

just go to talk stream live.com be sure

1869

01:26:26,010 --> 01:26:22,000

to download the free apps from Google

1870

01:26:28,260 --> 01:26:26,020

Play or the itunes app store your

1871

01:26:33,660 --> 01:26:28,270

contact for current news and trending

1872

01:26:34,229 --> 01:26:33,670

topics kgr a radio.com hello fader

1873

01:26:36,359 --> 01:26:34,239

Knotts

1874

01:26:40,020 --> 01:26:36,369

this is Jimmy Church and I'm introducing

1875

01:26:43,470 --> 01:26:40,030

new Pharma a company whose products are

1876

01:26:47,580 --> 01:26:43,480

based on science human function based on

1877

01:26:50,370 --> 01:26:47,590

the endocannabinoid system or ECS new

1878

01:26:52,540 --> 01:26:50,380

pharma firmly believes in this science

1879

01:26:55,000 --> 01:26:52,550

and their research indicates that

1880

01:26:57,100 --> 01:26:55,010

support of the ECS provides the

1881

01:27:00,420 --> 01:26:57,110

beneficial effects for a healthy

1882

01:27:03,850 --> 01:27:00,430

lifestyle new Pharma science includes

1883

01:27:06,430 --> 01:27:03,860

relief capsules for painfully sleep

1884

01:27:09,520 --> 01:27:06,440

capsules which are natural support for

1885

01:27:12,730 --> 01:27:09,530

occasional sleeplessness Foundation is

1886

01:27:15,790 --> 01:27:12,740

support for your ECS and fit capsules

1887

01:27:17,440 --> 01:27:15,800

support your active lifestyle just click

1888

01:27:21,130 --> 01:27:17,450

on the banner at Jimmy Church radio.com

1889

01:27:23,080 --> 01:27:21,140

and use the promo code f2b for a 33

1890

01:27:26,440 --> 01:27:23,090

percent discount on all of their

1891

01:27:28,300 --> 01:27:26,450

products or visit new Pharma comm for

1892

01:27:35,400 --> 01:27:28,310

all of the knowledge on the science

1893

01:27:37,600 --> 01:27:35,410

that's GNU Pharma dot-com gobekli tepe

1894

01:27:39,310 --> 01:27:37,610

did you know that when you're on the

1895

01:27:41,770 --> 01:27:39,320

road with limited data or Wi-Fi

1896

01:27:42,880 --> 01:27:41,780

available you can still listen to every

1897

01:27:45,520 --> 01:27:42,890

minute of fade to black

1898

01:27:48,640 --> 01:27:45,530

by just calling six oh five five six two

1899

01:27:50,950 --> 01:27:48,650

four four eight two no smartphone app or

1900

01:27:53,080 --> 01:27:50,960

Internet needed it saves your data plan

1901
01:27:56,590 --> 01:27:53,090
and no extra cost if you have unlimited

1902
01:27:58,960 --> 01:27:56,600
minutes just call six oh five five six

1903
01:28:01,300 --> 01:27:58,970
two four four eight two you can listen

1904
01:28:02,620 --> 01:28:01,310
to me Jimmy Church on any phone anytime

1905
01:28:10,870 --> 01:28:02,630
anywhere

1906
01:28:15,500 --> 01:28:13,209
[Applause]

1907
01:28:19,580 --> 01:28:15,510
you wanna know a secret

1908
01:28:22,550 --> 01:28:19,590
I love ponies I really love ponies I'm

1909
01:28:25,810 --> 01:28:22,560
serious I couldn't stay sane without

1910
01:28:32,320 --> 01:28:25,820
poor mr. Brooks why fade to black

1911
01:28:36,320 --> 01:28:34,400
this is fade to black

1912
01:28:40,010 --> 01:28:36,330
with Jimmy Church on the game changer

1913
01:28:47,260 --> 01:28:40,020

radio network and kgr a the global radio

1914

01:28:55,790 --> 01:28:54,049

[Music]

1915

01:28:58,250 --> 01:28:55,800

all right welcome back fade to black

1916

01:29:03,350 --> 01:28:58,260

coming off Jimmy Church tonight we're

1917

01:29:07,129 --> 01:29:03,360

talking about on stellar a brand new

1918

01:29:09,950 --> 01:29:07,139

exciting social media platform that's

1919

01:29:11,810 --> 01:29:09,960

getting ready to launch for us for our

1920

01:29:15,350 --> 01:29:11,820

community our guest right now is our

1921

01:29:20,330 --> 01:29:15,360

good friend Steve Murillo and Steve now

1922

01:29:22,970 --> 01:29:20,340

one of the applications for on stellar

1923

01:29:26,330 --> 01:29:22,980

would be do you have me on in the

1924

01:29:28,160 --> 01:29:26,340

background no I'm here

1925

01:29:30,500 --> 01:29:28,170

what is Jimmy what is that in the

1926

01:29:32,029 --> 01:29:30,510

background are you at a drive let me get

1927

01:29:34,399 --> 01:29:32,039

rid of that let me get rid of that noise

1928

01:29:39,170 --> 01:29:34,409

are you out of drive I think Steve is

1929

01:29:43,689 --> 01:29:39,180

that in-and-out burger right now because

1930

01:29:49,359 --> 01:29:46,640

speaking of speaking of food we just got

1931

01:29:53,330 --> 01:29:49,369

back from Vegas and I'm gonna say this

1932

01:29:57,919 --> 01:29:53,340

three meals in Vegas a three of the most

1933

01:30:02,089 --> 01:29:57,929

outstanding the the chefs in Las Vegas

1934

01:30:06,080 --> 01:30:02,099

are no joke man they take it serious man

1935

01:30:08,359 --> 01:30:06,090

oh just absolutely you know you don't

1936

01:30:09,919 --> 01:30:08,369

want me to go through what we I mean

1937

01:30:12,310 --> 01:30:09,929

it's just incredible how absolutely

1938

01:30:15,080 --> 01:30:12,320

incredible now did you take a look at

1939

01:30:16,729 --> 01:30:15,090

this one of the applications of on

1940

01:30:22,069 --> 01:30:16,739

stellar did you take a look at Tom

1941

01:30:24,319 --> 01:30:22,079

DeLong's third video now before you say

1942

01:30:27,740 --> 01:30:24,329

anything and this is one of the

1943

01:30:31,549 --> 01:30:27,750

applications of this somebody could post

1944

01:30:35,209 --> 01:30:31,559

that video on Han stellar and go okay

1945

01:30:38,089 --> 01:30:35,219

what does everybody think I think this

1946

01:30:38,660 --> 01:30:38,099

and then it's off to the races right

1947

01:30:42,799 --> 01:30:38,670

yeah

1948

01:30:44,839 --> 01:30:42,809

and now that is that is it's one of the

1949

01:30:47,930 --> 01:30:44,849

applications of being able to as a

1950

01:30:50,810 --> 01:30:47,940

community to openly talk about and

1951

01:30:54,379 --> 01:30:50,820

debate and and put something to bed or

1952

01:30:58,430 --> 01:30:54,389

not support it or not and this is one of

1953

01:31:03,439 --> 01:30:58,440

those cases like this video I mean I saw

1954

01:31:04,939 --> 01:31:03,449

it I want your comment whoa okay yes you

1955

01:31:06,490 --> 01:31:04,949

know let me give you I got one right

1956

01:31:07,790 --> 01:31:06,500

away

1957

01:31:09,910 --> 01:31:07,800

okay so

1958

01:31:12,770 --> 01:31:09,920

here in the background sounds like

1959

01:31:14,060 --> 01:31:12,780

control right tower approach something

1960

01:31:16,520 --> 01:31:14,070

somebody's talking to him in the

1961

01:31:18,920 --> 01:31:16,530

background and and you hear them the

1962

01:31:20,900 --> 01:31:18,930

jargon the military jargon right you

1963

01:31:25,760 --> 01:31:20,910

know I was a I was a pilot okay

1964

01:31:29,150 --> 01:31:25,770

not all I'm not a pilot you were a

1965

01:31:31,370 --> 01:31:29,160

Marine quarter core fighter pilot that

1966

01:31:33,710 --> 01:31:31,380

graduated from the u.s. Naval Academy

1967

01:31:38,230 --> 01:31:33,720

let's be don't don't don't downplay

1968

01:31:41,570 --> 01:31:38,240

yourself you didn't fly a Cessna 150

1969

01:31:43,370 --> 01:31:41,580

okay good point good point but here's

1970

01:31:45,530 --> 01:31:43,380

what I noticed about this video right

1971

01:31:46,160 --> 01:31:45,540

away the guys that are getting excited

1972

01:31:47,930 --> 01:31:46,170

about it

1973

01:31:50,120 --> 01:31:47,940

they sound like a couple guys sitting on

1974

01:31:53,120 --> 01:31:50,130

a sofa not like a couple military pilots

1975

01:31:55,010 --> 01:31:53,130

like you don't start going with on the

1976

01:31:57,140 --> 01:31:55,020

race you don't do that right in my day

1977

01:31:59,480 --> 01:31:57,150

okay now this is great this is a while

1978

01:32:02,630 --> 01:31:59,490

back and maybe think you've changed you

1979

01:32:04,310 --> 01:32:02,640

know but you don't do that especially

1980

01:32:07,520 --> 01:32:04,320

you're flying an f-18 want it right

1981

01:32:10,160 --> 01:32:07,530

fa-18 Hornet Super Hornet you know

1982

01:32:11,690 --> 01:32:10,170

you're you're one of the you know you're

1983

01:32:12,950 --> 01:32:11,700

the cream of the crop you know you're

1984

01:32:14,090 --> 01:32:12,960

going to keep your cool you're gonna say

1985

01:32:16,190 --> 01:32:14,100

I got a target I got a bogey

1986

01:32:17,540 --> 01:32:16,200

you know it's low no it's moving from

1987

01:32:19,370 --> 01:32:17,550

right whatever it is doing you're

1988

01:32:21,560 --> 01:32:19,380

describing it you know let's make speed

1989

01:32:23,720 --> 01:32:21,570

250 knots put a little bit and you're

1990

01:32:25,580 --> 01:32:23,730

rolling it out to your to your wingman

1991

01:32:27,200 --> 01:32:25,590

and he's going to come in to say Kali or

1992

01:32:29,000 --> 01:32:27,210

not and you know and then you're going

1993

01:32:31,760 --> 01:32:29,010

to say what you're going to do you're

1994

01:32:33,590 --> 01:32:31,770

not like whoo I got that gap blah blah

1995

01:32:35,480 --> 01:32:33,600

blah I mean that just doesn't sound

1996

01:32:36,110 --> 01:32:35,490

right to me now maybe things have

1997

01:32:39,170 --> 01:32:36,120

changed

1998

01:32:41,030 --> 01:32:39,180

you know during during the past eight

1999

01:32:44,900 --> 01:32:41,040

years or so you don't know if you got a

2000

01:32:46,850 --> 01:32:44,910

little ax but I don't think so I don't

2001

01:32:48,860 --> 01:32:46,860

think so I don't know so see here's

2002

01:32:51,140 --> 01:32:48,870

here's a perfect example of this so

2003

01:32:52,690 --> 01:32:51,150

let's say you have posted that video on

2004

01:32:55,220 --> 01:32:52,700

on stellar right

2005

01:32:56,330 --> 01:32:55,230

you could then solicit military pilots

2006

01:32:58,340 --> 01:32:56,340

to make their comments what do you think

2007

01:33:00,590 --> 01:32:58,350

yeah you know buddy starts right

2008

01:33:01,940 --> 01:33:00,600

uploading or downloading it or just or

2009

01:33:04,010 --> 01:33:01,950

just saying yeah you know this sounds

2010

01:33:06,710 --> 01:33:04,020

right or you know this way they talk now

2011

01:33:08,630 --> 01:33:06,720

or no they don't talk this way ever you

2012

01:33:10,880 --> 01:33:08,640

know that's what you would go through

2013

01:33:13,070 --> 01:33:10,890

you would go through that analysis and

2014

01:33:14,630 --> 01:33:13,080

then finally somebody would say you know

2015

01:33:17,810 --> 01:33:14,640

that's a frickin seagull and blah blah

2016

01:33:21,980 --> 01:33:17,820

blah and I took the video well

2017

01:33:25,370 --> 01:33:21,990

there is something else about the video

2018

01:33:28,250 --> 01:33:25,380

for me now look pretty cool a little

2019

01:33:30,410 --> 01:33:28,260

little white dot moving across they lock

2020

01:33:32,630 --> 01:33:30,420

on to it it looks you know it looks

2021

01:33:35,860 --> 01:33:32,640

strange it looks like it's moving at a

2022

01:33:42,350 --> 01:33:35,870

pretty fast clip but then the video

2023

01:33:45,380 --> 01:33:42,360

stops why did it stop because is it

2024

01:33:48,530 --> 01:33:45,390

because a few minutes later they found

2025

01:33:51,040 --> 01:33:48,540

out that it was something else right and

2026

01:33:53,750 --> 01:33:51,050

so that's not included in the video

2027

01:33:56,420 --> 01:33:53,760

where's the rest of the video did

2028

01:33:59,480 --> 01:33:56,430

they've you know is it to see the thing

2029

01:34:00,350 --> 01:33:59,490

is the way that it is flying across the

2030

01:34:02,930 --> 01:34:00,360

water

2031

01:34:04,280 --> 01:34:02,940

it looks like it's traveling at like a

2032

01:34:08,030 --> 01:34:04,290

thousand miles an hour

2033

01:34:10,640 --> 01:34:08,040

right but that that can be very very

2034

01:34:13,400 --> 01:34:10,650

deceiving for a lot of different things

2035

01:34:18,170 --> 01:34:13,410

that you know it looks like it's moving

2036

01:34:19,550 --> 01:34:18,180

fast but it's not and today out today I

2037

01:34:21,650 --> 01:34:19,560

was on the freeway

2038

01:34:23,360 --> 01:34:21,660

I'm passenger you know coming back from

2039

01:34:28,630 --> 01:34:23,370

Las Vegas I'm looking out the window and

2040

01:34:33,200 --> 01:34:28,640

in in the car in the van next to me was

2041

01:34:35,150 --> 01:34:33,210

something on the console right on the

2042

01:34:37,520 --> 01:34:35,160

dashboard you know you have all those

2043

01:34:39,560 --> 01:34:37,530

chrome highlights and buttons and things

2044

01:34:41,360 --> 01:34:39,570

like that the Sun is coming in from the

2045

01:34:43,970 --> 01:34:41,370

opposite direction reflecting off of

2046

01:34:46,610 --> 01:34:43,980

something on the console and I can see

2047

01:34:49,340 --> 01:34:46,620

it in my window to the right right this

2048

01:34:51,200 --> 01:34:49,350

little reflection it's a white dot you

2049

01:34:53,330 --> 01:34:51,210

know that's that's reflecting on the

2050

01:34:55,250 --> 01:34:53,340

window and I'm looking out and I'm

2051
01:34:56,990 --> 01:34:55,260
moving my head back and forth and I was

2052
01:34:59,990 --> 01:34:57,000
saying to myself man if I took a picture

2053
01:35:04,490 --> 01:35:00,000
of this right now or shot a video that's

2054
01:35:06,110 --> 01:35:04,500
a UFO right it's a shiny object off in

2055
01:35:08,330 --> 01:35:06,120
the sky in the blue sky in the

2056
01:35:11,090 --> 01:35:08,340
background and then I started moving my

2057
01:35:15,380 --> 01:35:11,100
head back and forth I'm thinking man

2058
01:35:17,270 --> 01:35:15,390
it's hauling it if you move back and

2059
01:35:20,180 --> 01:35:17,280
forth correctly it looks like it's

2060
01:35:22,140 --> 01:35:20,190
screaming across the desert at like Mach

2061
01:35:24,000 --> 01:35:22,150
10 and

2062
01:35:26,430 --> 01:35:24,010
so then I take out my phone I'm not

2063
01:35:29,070 --> 01:35:26,440

telling anybody what I'm doing and I

2064

01:35:31,980 --> 01:35:29,080

switch it over to camera mode and I hold

2065

01:35:33,870 --> 01:35:31,990

it up to the window and I'm moving the

2066

01:35:35,790 --> 01:35:33,880

phone to the left and right and I'm

2067

01:35:40,020 --> 01:35:35,800

watching this object now because you're

2068

01:35:42,450 --> 01:35:40,030

changing the orientation it's if I shot

2069

01:35:45,650 --> 01:35:42,460

a video a little five-second video of

2070

01:35:47,700 --> 01:35:45,660

just me sweeping this across the glass

2071

01:35:49,410 --> 01:35:47,710

you wouldn't be able to tell it was

2072

01:35:50,850 --> 01:35:49,420

glass number one number two you wouldn't

2073

01:35:53,760 --> 01:35:50,860

be able to tell that it was a reflection

2074

01:35:57,990 --> 01:35:53,770

and number three right this object now

2075

01:36:00,230 --> 01:35:58,000

looks like it's going at Mach five right

2076
01:36:04,620 --> 01:36:00,240
and I just start and stop the video well

2077
01:36:07,680 --> 01:36:04,630
it's a reflection of something still so

2078
01:36:10,890 --> 01:36:07,690
back to this video of Tom's now I'm not

2079
01:36:13,550 --> 01:36:10,900
saying it could be a UFO it could be an

2080
01:36:17,220 --> 01:36:13,560
alien object screaming across the

2081
01:36:19,800 --> 01:36:17,230
surface of the ocean at at Mach one two

2082
01:36:23,550 --> 01:36:19,810
three four five it could be all of that

2083
01:36:26,040 --> 01:36:23,560
it could be an alien you know satellite

2084
01:36:29,550 --> 01:36:26,050
probe whatever checking out our oceans

2085
01:36:33,030 --> 01:36:29,560
it could be that but when you look at

2086
01:36:36,690 --> 01:36:33,040
the orientation of the way the the fa-18

2087
01:36:38,640 --> 01:36:36,700
is moving against the grain and it is

2088
01:36:43,370 --> 01:36:38,650

you know and all of this comes into play

2089

01:36:47,640 --> 01:36:43,380

where this object that could be a pretty

2090

01:36:50,490 --> 01:36:47,650

pretty sublime right whatever it is and

2091

01:36:53,930 --> 01:36:50,500

it also could be moving very very slowly

2092

01:36:57,120 --> 01:36:53,940

it may not be riding that right right so

2093

01:36:59,370 --> 01:36:57,130

traveling it let's say 650 knots right

2094

01:37:02,100 --> 01:36:59,380

right and it's videoing something going

2095

01:37:04,050 --> 01:37:02,110

the opposite direction and say 30 or 10

2096

01:37:06,960 --> 01:37:04,060

it's going to look like it's screaming

2097

01:37:09,650 --> 01:37:06,970

across the deck right right it's that

2098

01:37:12,030 --> 01:37:09,660

it's really not right and yeah you know

2099

01:37:14,250 --> 01:37:12,040

your point is well-taken you know I

2100

01:37:17,490 --> 01:37:14,260

can't tell you how many cases I've had

2101
01:37:19,440 --> 01:37:17,500
of people taking flash pictures now this

2102
01:37:22,740 --> 01:37:19,450
is the older days flash pictures and

2103
01:37:24,870 --> 01:37:22,750
then something shows up in the in the in

2104
01:37:26,310 --> 01:37:24,880
the window okay and all it is is

2105
01:37:28,680 --> 01:37:26,320
basically reflections from something

2106
01:37:30,570 --> 01:37:28,690
behind them mm-hmm and it looks like

2107
01:37:33,600 --> 01:37:30,580
it's out there in the in the real world

2108
01:37:34,770 --> 01:37:33,610
right so yeah yeah yeah your points

2109
01:37:37,169 --> 01:37:34,780
well-taken and

2110
01:37:38,669 --> 01:37:37,179
problem I have what is this look you

2111
01:37:39,839 --> 01:37:38,679
know and I don't know if your listeners

2112
01:37:42,000 --> 01:37:39,849
know this some of them are going to get

2113
01:37:44,850 --> 01:37:42,010

angry with me I know but you know the

2114

01:37:47,339 --> 01:37:44,860

long posted a picture that that was of a

2115

01:37:50,100 --> 01:37:47,349

UFO a case it wasn't Europe it was a

2116

01:37:51,870 --> 01:37:50,110

case that was solved a while back you

2117

01:37:55,379 --> 01:37:51,880

know Steve Mira Steven Mehra own

2118

01:37:57,510 --> 01:37:55,389

paranormal magazine UK he had studied

2119

01:38:01,169 --> 01:37:57,520

that case insult and basically solved it

2120

01:38:03,000 --> 01:38:01,179

and it was a it was a balloon right

2121

01:38:03,959 --> 01:38:03,010

number one balloon you know mylar

2122

01:38:08,149 --> 01:38:03,969

balloon mm-hmm

2123

01:38:12,060 --> 01:38:08,159

and but yet too long posted that or

2124

01:38:14,129 --> 01:38:12,070

presented it as if it's the real deal so

2125

01:38:16,020 --> 01:38:14,139

then my problem is whipped along okay

2126

01:38:18,029 --> 01:38:16,030

like what is this vetting process you're

2127

01:38:19,260 --> 01:38:18,039

doing here sir you know what is it

2128

01:38:22,770 --> 01:38:19,270

you're trying to accomplish and why are

2129

01:38:24,450 --> 01:38:22,780

you poking it I can't figure out for

2130

01:38:27,870 --> 01:38:24,460

someone who's taped taking on such a

2131

01:38:30,839 --> 01:38:27,880

huge project why would you post

2132

01:38:33,240 --> 01:38:30,849

something so unvetted why would you try

2133

01:38:34,919 --> 01:38:33,250

to pass that off and you know I've just

2134

01:38:37,140 --> 01:38:34,929

made an enemy of Tom DeLonge I'm sure

2135

01:38:39,359 --> 01:38:37,150

you know man all right Tom I don't mean

2136

01:38:41,160 --> 01:38:39,369

anything by it but look let's be real

2137

01:38:43,049 --> 01:38:41,170

about this thing you know you if you're

2138

01:38:44,910 --> 01:38:43,059

gonna if you're going to say you have

2139

01:38:46,740 --> 01:38:44,920

the answers well then by God you better

2140

01:38:49,859 --> 01:38:46,750

you better do your homework and you

2141

01:38:52,140 --> 01:38:49,869

better have it all lined up you know my

2142

01:38:53,850 --> 01:38:52,150

problem my statement has always been in

2143

01:38:57,029 --> 01:38:53,860

this field like if somebody says they

2144

01:38:58,439 --> 01:38:57,039

have the answer the ultimate answer

2145

01:39:01,109 --> 01:38:58,449

you've got to run the other way it's

2146

01:39:03,240 --> 01:39:01,119

nobody really does it's it's something

2147

01:39:05,040 --> 01:39:03,250

that is a collaborative effort here's

2148

01:39:06,810 --> 01:39:05,050

what I love about this platform okay

2149

01:39:09,029 --> 01:39:06,820

what we're doing really is we're

2150

01:39:12,120 --> 01:39:09,039

returning to the collective

2151
01:39:13,649 --> 01:39:12,130
consciousness of humanity of people who

2152
01:39:15,750 --> 01:39:13,659
are interested in this and we're asking

2153
01:39:17,939 --> 01:39:15,760
look we're going to use your

2154
01:39:20,370 --> 01:39:17,949
intelligence each one of you we're going

2155
01:39:22,470 --> 01:39:20,380
to use your intelligence to solve these

2156
01:39:24,660 --> 01:39:22,480
issues to come up with some solutions to

2157
01:39:26,910 --> 01:39:24,670
come up with some answers the collective

2158
01:39:28,500 --> 01:39:26,920
consciousness has these has the answers

2159
01:39:30,899 --> 01:39:28,510
already you know you know if we want to

2160
01:39:32,669 --> 01:39:30,909
get into the esoteric we know the answer

2161
01:39:35,640 --> 01:39:32,679
is already we just have to bring them

2162
01:39:38,850 --> 01:39:35,650
out to this plane this this dimension

2163
01:39:41,399 --> 01:39:38,860

and this system is going to allow us I'm

2164

01:39:43,379 --> 01:39:41,409

hoping you know with a lot of with a lot

2165

01:39:44,879 --> 01:39:43,389

of effort from the team but we're going

2166

01:39:46,589 --> 01:39:44,889

to actually going to bring out a

2167

01:39:48,010 --> 01:39:46,599

platform that's going to allow us to

2168

01:39:51,880 --> 01:39:48,020

solve these issues in a

2169

01:39:57,190 --> 01:39:51,890

in an open forum that's transparent you

2170

01:40:01,180 --> 01:39:57,200

know and I really I I know that - and

2171

01:40:02,860 --> 01:40:01,190

Scott Leslie have this in mind you know

2172

01:40:05,320 --> 01:40:02,870

they have good intentions in mind with

2173

01:40:08,350 --> 01:40:05,330

this thing and we're gonna make it a

2174

01:40:10,030 --> 01:40:08,360

useful tool for the communities so I'm

2175

01:40:13,900 --> 01:40:10,040

really excited about it man I'm super

2176
01:40:17,530 --> 01:40:13,910
excited I'm happy I know it I know and

2177
01:40:19,960 --> 01:40:17,540
to have it you know be every trying to

2178
01:40:22,690 --> 01:40:19,970
be everything to everybody which is you

2179
01:40:24,880 --> 01:40:22,700
know a youtube idea an Instagram idea

2180
01:40:27,610 --> 01:40:24,890
the the best of Twitter the best of

2181
01:40:30,670 --> 01:40:27,620
Facebook and and taking everything that

2182
01:40:33,730 --> 01:40:30,680
we have learned and getting it onto one

2183
01:40:35,880 --> 01:40:33,740
social media platform is a big deal you

2184
01:40:39,430 --> 01:40:35,890
know Facebook was a learning process for

2185
01:40:40,720 --> 01:40:39,440
Facebook right myspace was a learning

2186
01:40:46,960 --> 01:40:40,730
process

2187
01:40:49,030 --> 01:40:46,970
YouTube all of these are still a work in

2188
01:40:52,810 --> 01:40:49,040

progress and and trying to figure things

2189

01:40:54,400 --> 01:40:52,820

out well that we have that ability now

2190

01:40:56,230 --> 01:40:54,410

behind us where we can look at

2191

01:40:58,600 --> 01:40:56,240

everything and talk to everybody and

2192

01:41:02,580 --> 01:40:58,610

just try to figure out what is it that

2193

01:41:08,020 --> 01:41:02,590

we need this to be for our community and

2194

01:41:09,730 --> 01:41:08,030

have it all allow rewards you know and

2195

01:41:12,700 --> 01:41:09,740

that's it's just never been done that

2196

01:41:15,300 --> 01:41:12,710

way and like this you know this going

2197

01:41:19,900 --> 01:41:15,310

back to Tom DeLonge his third video here

2198

01:41:21,370 --> 01:41:19,910

the one thing that stood out to me

2199

01:41:23,860 --> 01:41:21,380

because I watched I was like okay this

2200

01:41:27,580 --> 01:41:23,870

is cool okay I see what's going on and

2201

01:41:29,970 --> 01:41:27,590

I'm being serious man I want this stuff

2202

01:41:34,060 --> 01:41:29,980

I need to see this kind of stuff but it

2203

01:41:36,250 --> 01:41:34,070

ends so I want to know what was at the

2204

01:41:42,520 --> 01:41:36,260

end of that I want to see the end of it

2205

01:41:47,440 --> 01:41:42,530

you know that's like the craziest thing

2206

01:41:51,280 --> 01:41:47,450

why did this video end well if this was

2207

01:41:53,040 --> 01:41:51,290

up for debate in on stellar probably

2208

01:41:55,570 --> 01:41:53,050

those same questions would be answered

2209

01:41:58,450 --> 01:41:55,580

possibly somebody else that posted this

2210

01:42:00,440 --> 01:41:58,460

video or seen it maybe the pilot himself

2211

01:42:02,960 --> 01:42:00,450

all of this would come out

2212

01:42:05,630 --> 01:42:02,970

you know and the the the UFO community

2213

01:42:11,560 --> 01:42:05,640

has a way of policing itself imagine

2214

01:42:15,130 --> 01:42:11,570

Steve if the if the famous Roswell mummy

2215

01:42:18,850 --> 01:42:15,140

Fiasco right of a couple of years ago if

2216

01:42:22,130 --> 01:42:18,860

if that debate busted out on on stellar

2217

01:42:23,480 --> 01:42:22,140

it would be solved you wouldn't even you

2218

01:42:25,910 --> 01:42:23,490

know you know what I mean that's right

2219

01:42:29,330 --> 01:42:25,920

and that no now we have that ability to

2220

01:42:32,360 --> 01:42:29,340

do this here right we imagine Louis

2221

01:42:34,100 --> 01:42:32,370

Elizondo getting on on stellar we make

2222

01:42:37,130 --> 01:42:34,110

him a little corner of the room and he

2223

01:42:38,600 --> 01:42:37,140

does ask me anything deal we could get

2224

01:42:41,330 --> 01:42:38,610

to the heart of this thing quickly

2225

01:42:42,950 --> 01:42:41,340

couldn't we yes and this is what we're

2226

01:42:45,290 --> 01:42:42,960

talking about these are the kinds of

2227

01:42:51,230 --> 01:42:45,300

tools we're talking about having

2228

01:42:54,380 --> 01:42:51,240

available so man this is this is

2229

01:42:57,950 --> 01:42:54,390

next-level this is this is the future

2230

01:42:59,890 --> 01:42:57,960

for for UFO study for the paranormal for

2231

01:43:02,750 --> 01:42:59,900

everything this is going to be it and

2232

01:43:05,270 --> 01:43:02,760

you know I just it's gonna be awesome

2233

01:43:07,070 --> 01:43:05,280

man it's gonna I'm I'm really really

2234

01:43:08,810 --> 01:43:07,080

hopeful it's gonna we're gonna crack the

2235

01:43:10,550 --> 01:43:08,820

code yeah

2236

01:43:13,550 --> 01:43:10,560

we're gonna crack the code and I'll tell

2237

01:43:15,260 --> 01:43:13,560

you something else that that I find

2238

01:43:18,860 --> 01:43:15,270

really interesting there are a lot of

2239

01:43:20,960 --> 01:43:18,870

different pretty large online

2240

01:43:23,260 --> 01:43:20,970

communities out there that where they

2241

01:43:25,700 --> 01:43:23,270

gather around certain researchers and

2242

01:43:28,900 --> 01:43:25,710

which is great where they have a you

2243

01:43:31,940 --> 01:43:28,910

know pretty solid user base and it's big

2244

01:43:33,650 --> 01:43:31,950

and then there's some that aren't so big

2245

01:43:37,400 --> 01:43:33,660

there are some that are small the point

2246

01:43:40,430 --> 01:43:37,410

is there's a lot of them right and they

2247

01:43:43,670 --> 01:43:40,440

they're not taking advantage of the the

2248

01:43:46,010 --> 01:43:43,680

you know the group mentality where you

2249

01:43:49,100 --> 01:43:46,020

get all the brains connected and it's

2250

01:43:52,330 --> 01:43:49,110

all under one roof kind of thing well if

2251

01:43:55,070 --> 01:43:52,340

you do that here right where you get

2252

01:43:57,680 --> 01:43:55,080

everybody working together there's

2253

01:43:59,720 --> 01:43:57,690

nothing stopping this community so now

2254

01:44:02,060 --> 01:43:59,730

we're talking about I don't know what

2255

01:44:05,480 --> 01:44:02,070

the numbers are but we're talking about

2256

01:44:08,960 --> 01:44:05,490

millions and millions instead of you

2257

01:44:12,450 --> 01:44:08,970

know 5,000 different blogs and websites

2258

01:44:14,100 --> 01:44:12,460

that have a few thousand each get it all

2259

01:44:17,100 --> 01:44:14,110

together in one spot we're talking about

2260

01:44:20,580 --> 01:44:17,110

millions and millions of participants in

2261

01:44:22,380 --> 01:44:20,590

this community yep yep absolutely

2262

01:44:24,000 --> 01:44:22,390

absolutely you've got it you hit it

2263

01:44:28,310 --> 01:44:24,010

right on the head that's it

2264

01:44:33,570 --> 01:44:28,320

and one of the one of the sad things

2265

01:44:36,959 --> 01:44:33,580

that it just bums me out is somebody

2266

01:44:38,760 --> 01:44:36,969

goes and posed whether it's about oh

2267

01:44:40,290 --> 01:44:38,770

somebody just brought up zero point what

2268

01:44:43,020 --> 01:44:40,300

about zero point is that going to be it

2269

01:44:45,180 --> 01:44:43,030

yes yeah well we're good zero point that

2270

01:44:46,920 --> 01:44:45,190

that's that's my deal yeah I want that

2271

01:44:49,979 --> 01:44:46,930

to be one of the things you know we're

2272

01:44:52,950 --> 01:44:49,989

going to have what I picture you know is

2273

01:44:55,800 --> 01:44:52,960

is basically a corner of the room where

2274

01:44:58,970 --> 01:44:55,810

people can actually post like academic

2275

01:45:01,410 --> 01:44:58,980

work you know I mean in zero point so

2276

01:45:04,110 --> 01:45:01,420

it'll bubble to the top people you know

2277

01:45:06,479 --> 01:45:04,120

academics will basically boat that stuff

2278

01:45:08,610 --> 01:45:06,489

up to a point where there's actually a

2279

01:45:10,800 --> 01:45:08,620

working group who's going to crack the

2280

01:45:13,170 --> 01:45:10,810

code of zero point or getting close and

2281

01:45:17,040 --> 01:45:13,180

then you know it's going to be awesome

2282

01:45:18,660 --> 01:45:17,050

man it's gonna be awesome yeah I mean I

2283

01:45:20,880 --> 01:45:18,670

know I know I know I know that sounds

2284

01:45:22,709 --> 01:45:20,890

kind of lofty right I mean I just

2285

01:45:24,930 --> 01:45:22,719

listened to myself say that I said that

2286

01:45:27,300 --> 01:45:24,940

sounds crazy man but this is what this

2287

01:45:31,200 --> 01:45:27,310

platform is offering this is what we're

2288

01:45:35,220 --> 01:45:31,210

building so it's it's really like no

2289

01:45:36,810 --> 01:45:35,230

limits no limits well and and so so many

2290

01:45:39,060 --> 01:45:36,820

people out there spend so much time on

2291

01:45:42,090 --> 01:45:39,070

social media because it's cool it's fun

2292

01:45:44,520 --> 01:45:42,100

you can share write ideas and stuff and

2293

01:45:49,350 --> 01:45:44,530

and we do do that we all do it I do it

2294

01:45:52,709 --> 01:45:49,360

but there's no rewards for it you go and

2295

01:45:57,420 --> 01:45:52,719

you do a post that that gets 500 likes

2296

01:45:59,400 --> 01:45:57,430

and 200 comments and and that that that

2297

01:46:00,990 --> 01:45:59,410

thread stays out there for a couple of

2298

01:46:04,290 --> 01:46:01,000

weeks you know what that's all cool it

2299

01:46:06,900 --> 01:46:04,300

is but nobody you know who's making the

2300

01:46:09,840 --> 01:46:06,910

money on them Facebook of course

2301
01:46:11,700 --> 01:46:09,850
Facebook measuring you telemetry but

2302
01:46:15,540 --> 01:46:11,710
getting all your information and selling

2303
01:46:17,850 --> 01:46:15,550
it to advertisers that's yeah we're

2304
01:46:20,760 --> 01:46:17,860
taking that and we're flipping it on its

2305
01:46:22,950 --> 01:46:20,770
head right yes that's what we're doing

2306
01:46:24,530 --> 01:46:22,960
that's what we're doing we're flipping

2307
01:46:26,490 --> 01:46:24,540
that commerce on its head

2308
01:46:27,750 --> 01:46:26,500
no censors

2309
01:46:30,270 --> 01:46:27,760
you're gonna be able to speak your mind

2310
01:46:33,930 --> 01:46:30,280
you're gonna be able to study it's gonna

2311
01:46:36,780 --> 01:46:33,940
be amazing amazing yeah I mean all of

2312
01:46:39,840 --> 01:46:36,790
that work that goes into that they

2313
01:46:42,600 --> 01:46:39,850

they're making every it's squeezing

2314

01:46:44,700 --> 01:46:42,610

every penny out of it that they can with

2315

01:46:46,500 --> 01:46:44,710

your data with your trends turning

2316

01:46:48,419 --> 01:46:46,510

around selling that to advertisers to

2317

01:46:50,399 --> 01:46:48,429

turn around and have those ads show up

2318

01:46:54,209 --> 01:46:50,409

in our field hoping that you're gonna

2319

01:46:56,189 --> 01:46:54,219

click on it that that is the that is the

2320

01:46:57,870 --> 01:46:56,199

model the business model that they

2321

01:47:00,120 --> 01:46:57,880

operate under you know what good for

2322

01:47:02,939 --> 01:47:00,130

Zarko yeah good for Zuckerberg good for

2323

01:47:04,979 --> 01:47:02,949

the shareholders all right I'm fine yeah

2324

01:47:06,810 --> 01:47:04,989

it's yeah that's fine but when they

2325

01:47:08,609 --> 01:47:06,820

start censoring like shadow banning

2326

01:47:10,379 --> 01:47:08,619

right all right suppose they just

2327

01:47:11,910 --> 01:47:10,389

started going to push an agenda so

2328

01:47:13,470 --> 01:47:11,920

anything that doesn't agree that agenda

2329

01:47:15,180 --> 01:47:13,480

they kind of like you know push it down

2330

01:47:17,520 --> 01:47:15,190

to the background so you don't see the

2331

01:47:18,870 --> 01:47:17,530

post so you're not being conscious of

2332

01:47:20,100 --> 01:47:18,880

you're not conscious that they're doing

2333

01:47:22,770 --> 01:47:20,110

this but they're actually doing it

2334

01:47:24,240 --> 01:47:22,780

through algorithms it this is happening

2335

01:47:25,530 --> 01:47:24,250

man I'm not making this stuff up this is

2336

01:47:27,689 --> 01:47:25,540

what they're doing you know Google

2337

01:47:30,540 --> 01:47:27,699

doesn't in their searches Facebook does

2338

01:47:32,970 --> 01:47:30,550

it YouTube big-time be monetizing people

2339

01:47:35,550 --> 01:47:32,980

be monetizing channels have been around

2340

01:47:38,609 --> 01:47:35,560

forever and you know for nonsense

2341

01:47:40,590 --> 01:47:38,619

basically and you know this is a this is

2342

01:47:41,790 --> 01:47:40,600

antitrust stuff this is just corruption

2343

01:47:44,280 --> 01:47:41,800

you know this is corruption at the

2344

01:47:47,430 --> 01:47:44,290

highest level we're the opposite of that

2345

01:47:49,950 --> 01:47:47,440

we're building a platform that is open

2346

01:47:53,939 --> 01:47:49,960

right right and the users themselves

2347

01:47:55,530 --> 01:47:53,949

will be able to basically vote things up

2348

01:47:59,070 --> 01:47:55,540

or down or say what's good what's bad

2349

01:48:00,359 --> 01:47:59,080

what they agree with and and it's good

2350

01:48:01,709 --> 01:48:00,369

and and the good things are going to

2351
01:48:04,290 --> 01:48:01,719
bubble up in the bad things are going to

2352
01:48:06,390 --> 01:48:04,300
kind of disappear that's how it is yep

2353
01:48:09,390 --> 01:48:06,400
and somebody just posted okay one more

2354
01:48:12,300 --> 01:48:09,400
time thrilled finally the holy hub I've

2355
01:48:19,109 --> 01:48:12,310
been waiting for the virtual mothership

2356
01:48:21,780 --> 01:48:19,119
yes hashtag on stellar now this question

2357
01:48:24,060 --> 01:48:21,790
is popped up here a few times I actually

2358
01:48:25,709 --> 01:48:24,070
just got an email about this we're

2359
01:48:28,280 --> 01:48:25,719
talking about midnight tomorrow night

2360
01:48:32,729 --> 01:48:28,290
the launch so that'll be midnight

2361
01:48:34,379 --> 01:48:32,739
Eastern right so oh good question well

2362
01:48:38,160 --> 01:48:34,389
you know we're on specific time over

2363
01:48:39,750 --> 01:48:38,170

here that would be nine o'clock for - I

2364

01:48:43,500 --> 01:48:39,760

know - has got a pretty

2365

01:48:47,160 --> 01:48:43,510

much sewn up well that you know I know

2366

01:48:48,750 --> 01:48:47,170

look he's good he's very good so you

2367

01:48:52,589 --> 01:48:48,760

know I'm pretty sure it'll be online by

2368

01:49:00,689 --> 01:48:52,599

then oh man it's just give him a goal

2369

01:49:05,129 --> 01:49:00,699

he'll did it I the the ideas behind this

2370

01:49:07,100 --> 01:49:05,139

and the more that I have give us the

2371

01:49:09,140 --> 01:49:07,110

complete video so we can make an

2372

01:49:12,859 --> 01:49:09,150

informed

2373

01:49:16,609 --> 01:49:12,869

your edited agenda feeding excrement

2374

01:49:17,729 --> 01:49:16,619

okay but who are you sending this to you

2375

01:49:20,700 --> 01:49:17,739

mark

2376

01:49:26,129 --> 01:49:20,710

you just sent this to me I don't have

2377

01:49:28,500 --> 01:49:26,139

the complete video I don't know who does

2378

01:49:30,750 --> 01:49:28,510

and and oh he's talking about is he

2379

01:49:33,839 --> 01:49:30,760

talking about the hell he's talking

2380

01:49:35,370 --> 01:49:33,849

about the video the UFO video yeah yeah

2381

01:49:38,790 --> 01:49:35,380

he's agreeing with that I think yeah

2382

01:49:41,040 --> 01:49:38,800

it's because well yet so hashtag to the

2383

01:49:43,009 --> 01:49:41,050

stars on that or go at to the stars or

2384

01:49:46,529 --> 01:49:43,019

at Tom DeLonge don't make it look like I

2385

01:49:48,330 --> 01:49:46,539

did this video yeah yeah yeah no you

2386

01:49:50,609 --> 01:49:48,340

know I made an enemy of Tom DeLonge

2387

01:49:52,379 --> 01:49:50,619

tonight Tom again I apologize I know I

2388

01:49:54,870 --> 01:49:52,389

know you're probably you got your heart

2389

01:49:56,250 --> 01:49:54,880

in it but you know we got it we got to

2390

01:49:58,109 --> 01:49:56,260

get real about things around here we got

2391

01:50:00,180 --> 01:49:58,119

any critical first you know then we can

2392

01:50:02,759 --> 01:50:00,190

have a discussion and it is what it is

2393

01:50:06,600 --> 01:50:02,769

and and and we'll go from there well and

2394

01:50:09,540 --> 01:50:06,610

I'm wondering somebody else said I got

2395

01:50:11,910 --> 01:50:09,550

an email earlier today saying that the

2396

01:50:13,979 --> 01:50:11,920

videos been posted out there for a while

2397

01:50:16,529 --> 01:50:13,989

now I'm wondering that there's a longer

2398

01:50:21,359 --> 01:50:16,539

version of this video you know I don't

2399

01:50:23,729 --> 01:50:21,369

know I is this is this the one that -

2400

01:50:27,899 --> 01:50:23,739

the star is posted is that all that they

2401

01:50:29,850 --> 01:50:27,909

got right I I just I need to know that

2402

01:50:32,790 --> 01:50:29,860

and again see this is the thing about -

2403

01:50:34,470 --> 01:50:32,800

the stars and Tom they're not answering

2404

01:50:36,359 --> 01:50:34,480

questions anymore they're doing

2405

01:50:38,520 --> 01:50:36,369

everything scripted right they're doing

2406

01:50:40,770 --> 01:50:38,530

well you know they're they're taking

2407

01:50:43,950 --> 01:50:40,780

softball questions and I'm being

2408

01:50:47,189 --> 01:50:43,960

straight you know they need to answer

2409

01:50:49,529 --> 01:50:47,199

the real questions like today Mike

2410

01:50:52,510 --> 01:50:49,539

they're in none of their information

2411

01:50:54,250 --> 01:50:52,520

about this video does it say

2412

01:50:56,140 --> 01:50:54,260

and then the video cuts off we don't

2413

01:50:57,910 --> 01:50:56,150

know what happened after that we don't

2414

01:51:00,310 --> 01:50:57,920

know if it was identified we don't know

2415

01:51:04,420 --> 01:51:00,320

if there's this we know and that that to

2416

01:51:07,960 --> 01:51:04,430

me is is bizarre it's the most elemental

2417

01:51:09,940 --> 01:51:07,970

basic questions that if I was in

2418

01:51:11,860 --> 01:51:09,950

possession of this video that's the

2419

01:51:13,990 --> 01:51:11,870

first thing I would say I would post it

2420

01:51:16,630 --> 01:51:14,000

and go okay this is cool but what

2421

01:51:18,520 --> 01:51:16,640

happens after this what happened next

2422

01:51:20,320 --> 01:51:18,530

right why didn't the pilot roll in on

2423

01:51:26,620 --> 01:51:20,330

this thing you know like did he shoot it

2424

01:51:28,390 --> 01:51:26,630

down the target going by right you're

2425

01:51:29,800 --> 01:51:28,400

gonna roll in on it right you're gonna

2426

01:51:31,060 --> 01:51:29,810

call it and you're gonna you're gonna

2427

01:51:32,950 --> 01:51:31,070

roll in that thing you're gonna get

2428

01:51:34,080 --> 01:51:32,960

centered up you're gonna chase it for a

2429

01:51:35,920 --> 01:51:34,090

while and then it's gonna either

2430

01:51:37,570 --> 01:51:35,930

disappear at a high rate of speed or

2431

01:51:40,000 --> 01:51:37,580

you're gonna you know gun camera footage

2432

01:51:41,140 --> 01:51:40,010

the heck out of that thing so yeah

2433

01:51:48,460 --> 01:51:41,150

there's a little bit of higher

2434

01:51:51,160 --> 01:51:48,470

resolution yeah see the the the second

2435

01:51:52,780 --> 01:51:51,170

half of the video was probably I'm being

2436

01:51:55,450 --> 01:51:52,790

serious I don't know for sure but I'm

2437

01:51:58,570 --> 01:51:55,460

being serious for a second oh it was a

2438

01:52:02,530 --> 01:51:58,580

duck oh okay alright now let's head back

2439

01:52:04,570 --> 01:52:02,540

to base right but we don't sing no you

2440

01:52:08,500 --> 01:52:04,580

know the rest of the video did they

2441

01:52:11,380 --> 01:52:08,510

chase it for 600 miles to Guam you know

2442

01:52:14,580 --> 01:52:11,390

or no it was shot on the East Coast did

2443

01:52:17,470 --> 01:52:14,590

they chase it a thousand miles passed

2444

01:52:20,650 --> 01:52:17,480

down into the Caribbean into Barbados

2445

01:52:22,450 --> 01:52:20,660

you know I don't know right right but

2446

01:52:25,030 --> 01:52:22,460

what where's the rest of the video and

2447

01:52:27,130 --> 01:52:25,040

you know that there's more of it so well

2448

01:52:30,340 --> 01:52:27,140

Steve listen I gotta I gotta get out of

2449

01:52:33,100 --> 01:52:30,350

here I got to take a break but thank you

2450

01:52:35,290 --> 01:52:33,110

so much and we'll be talking to you in

2451

01:52:38,470 --> 01:52:35,300

the days in the weeks ahead as on

2452

01:52:40,390 --> 01:52:38,480

stellar starts to kick off here but just

2453

01:52:44,310 --> 01:52:40,400

amazing stuff thank you so much and let

2454

01:52:46,600 --> 01:52:44,320

me know if DeLong sends you an email I

2455

01:52:48,420 --> 01:52:46,610

will man it's been a pleasure and an

2456

01:52:50,350 --> 01:52:48,430

honor to be on your show again Jim and

2457

01:52:52,450 --> 01:52:50,360

hey fade or not

2458

01:52:54,400 --> 01:52:52,460

keep it real man and I will see you guys

2459

01:52:56,470 --> 01:52:54,410

at contact in the desert I'm looking

2460

01:52:59,790 --> 01:52:56,480

forward to that's right you're speaking

2461

01:53:02,380 --> 01:52:59,800

and eye contact again this year yeah oh

2462

01:53:03,370 --> 01:53:02,390

hey I should plug you pars we're having

2463

01:53:06,550 --> 01:53:03,380

a Grant cam

2464

01:53:08,950 --> 01:53:06,560

and next week on Tuesday uh-huh you guys

2465

01:53:11,229 --> 01:53:08,960

can make in Studio City California next

2466

01:53:14,740 --> 01:53:11,239

Tuesday night grant Cameron yeah maybe

2467

01:53:16,570 --> 01:53:14,750

we should get grant on the show to talk

2468

01:53:20,530 --> 01:53:16,580

about you know what I'll see what I can

2469

01:53:22,750 --> 01:53:20,540

do all right thank you so much for that

2470

01:53:23,320 --> 01:53:22,760

and I'll speak to you soon Steve all the

2471

01:53:25,120 --> 01:53:23,330

best man

2472

01:53:27,550 --> 01:53:25,130

thank you brother with us well actually

2473

01:53:30,790 --> 01:53:27,560

- take care absolutely Steve Murillo

2474

01:53:34,510 --> 01:53:30,800

everybody you Parrs Steve Murillo the

2475

01:53:37,600 --> 01:53:34,520

absolute very best grant Cameron others

2476
01:53:38,740 --> 01:53:37,610
there's more to that than you know we'll

2477
01:53:40,870 --> 01:53:38,750
talk about that tomorrow

2478
01:53:42,879 --> 01:53:40,880
this is fade to black I am your host

2479
01:53:46,060 --> 01:53:42,889
Jimmy Church I'm going to open up the

2480
01:53:48,430 --> 01:53:46,070
phone lines right now three two three

2481
01:53:51,160 --> 01:53:48,440
eight two five five zero four five four

2482
01:53:53,410 --> 01:53:51,170
three two three two seven five nine six

2483
01:53:55,510 --> 01:53:53,420
nine five what questions do you have

2484
01:53:58,120 --> 01:53:55,520
about on stellar have you seen the new

2485
01:54:00,270 --> 01:53:58,130
Tom DeLonge video give me a call I'll be

2486
01:54:08,700 --> 01:54:00,280
right back

2487
01:54:12,250 --> 01:54:08,710
[Music]

2488
01:54:16,939 --> 01:54:14,930

Viveca box here and you are listening to

2489

01:54:22,340 --> 01:54:16,949

my boy Jimmy Church

2490

01:54:25,520 --> 01:54:22,350

Jimmy Church radio.com this my popular

2491

01:54:27,400 --> 01:54:25,530

opinion reading a book will not make you

2492

01:54:31,940 --> 01:54:27,410

smarter

2493

01:54:33,560 --> 01:54:31,950

but listening to Jimmy Church will so

2494

01:54:36,710 --> 01:54:33,570

you went to dinner last night you had

2495

01:54:40,100 --> 01:54:36,720

your favorite pasta or maybe you had a

2496

01:54:42,770 --> 01:54:40,110

heavy spicy meal in the left you get the

2497

01:54:46,940 --> 01:54:42,780

tea calm maybe you mowed down a huge

2498

01:54:49,190 --> 01:54:46,950

steak and your plumbing is all plug get

2499

01:54:52,010 --> 01:54:49,200

the t.com our super strength tea will

2500

01:54:55,520 --> 01:54:52,020

take care of your occasional it's all

2501
01:54:57,590 --> 01:54:55,530
organic and non-gmo get rid of we have

2502
01:55:00,350 --> 01:54:57,600
so many great supplements but our super

2503
01:55:03,800 --> 01:55:00,360
tea is number one get the tea calm pets

2504
01:55:07,250 --> 01:55:03,810
get t-dot-com so you love talk radio

2505
01:55:10,850 --> 01:55:07,260
then you'll love talk stream live calm

2506
01:55:12,980 --> 01:55:10,860
talk stream live is always on 24/7 with

2507
01:55:14,810 --> 01:55:12,990
the best streaming talk shows find your

2508
01:55:17,210 --> 01:55:14,820
favorite talkers and discover some new

2509
01:55:19,910 --> 01:55:17,220
ones it's free readily available online

2510
01:55:20,420 --> 01:55:19,920
or on mobile with any smartphone or

2511
01:55:22,460 --> 01:55:20,430
tablet

2512
01:55:24,530 --> 01:55:22,470
finding your favorite talk shows all in

2513
01:55:27,920 --> 01:55:24,540

one place has gotten a whole lot easier

2514

01:55:29,420 --> 01:55:27,930

just go to talk stream live calm be sure

2515

01:55:34,370 --> 01:55:29,430

to download the free apps from Google

2516

01:55:37,100 --> 01:55:34,380

Play or the itunes app store when you

2517

01:55:39,650 --> 01:55:37,110

take the beans from Central America with

2518

01:55:42,110 --> 01:55:39,660

dashes of indonesian and african mixed

2519

01:55:44,960 --> 01:55:42,120

in and then roast it to the dark side of

2520

01:55:48,530 --> 01:55:44,970

fade to black you create the ultimate

2521

01:55:51,740 --> 01:55:48,540

brew of Fringe introducing the fade to

2522

01:55:55,070 --> 01:55:51,750

black blend from river moon coffee yes

2523

01:55:58,070 --> 01:55:55,080

River moons darkest customized roast was

2524

01:56:01,070 --> 01:55:58,080

created for the love of fade to black

2525

01:56:03,740 --> 01:56:01,080

the alchemy of masterful roasting and

2526

01:56:07,340 --> 01:56:03,750

smoking the beans is in every sip of

2527

01:56:10,310 --> 01:56:07,350

this full-bodied dark Java I need my

2528

01:56:12,200 --> 01:56:10,320

coffee dog deep with distinct

2529

01:56:15,380 --> 01:56:12,210

bittersweet chocolate highlights just

2530

01:56:17,780 --> 01:56:15,390

like the bunker leaning further into the

2531

01:56:21,080 --> 01:56:17,790

darkness of the roast is fade to black

2532

01:56:22,730 --> 01:56:21,090

blend from river moon coffee just click

2533

01:56:26,030 --> 01:56:22,740

on the banner at Jimmy Church radio.com

2534

01:56:29,150 --> 01:56:26,040

and use the promo code F to B blend for

2535

01:56:33,050 --> 01:56:29,160

15% off of your order today

2536

01:56:35,090 --> 01:56:33,060

Gobekli Tepe hey can we talk about

2537

01:56:38,210 --> 01:56:35,100

something serious for a minute your age

2538

01:56:40,700 --> 01:56:38,220

getting old has its perks but remember

2539

01:56:42,710 --> 01:56:40,710

being a few years younger you know your

2540

01:56:44,570 --> 01:56:42,720

hair was thicker you didn't have so many

2541

01:56:46,550 --> 01:56:44,580

wrinkles that extra weight wasn't

2542

01:56:48,830 --> 01:56:46,560

haunting you and you just felt better

2543

01:56:51,500 --> 01:56:48,840

well we can't turn back the clocks and

2544

01:56:53,690 --> 01:56:51,510

go back 10 or 15 years but you can start

2545

01:56:56,840 --> 01:56:53,700

feeling and looking 10 or 15 years

2546

01:56:58,850 --> 01:56:56,850

younger with nature's youth RSF it's a

2547

01:57:00,530 --> 01:56:58,860

doctor formulated daily supplement that

2548

01:57:02,260 --> 01:57:00,540

helps your body maintain its peak

2549

01:57:04,910 --> 01:57:02,270

performance and fight the aging process

2550

01:57:06,260 --> 01:57:04,920

imagine sleeping better looking better

2551
01:57:08,840 --> 01:57:06,270
and feeling better

2552
01:57:10,820 --> 01:57:08,850
see how Nature's youth RSF has helped

2553
01:57:13,520 --> 01:57:10,830
thousands of people just like you at

2554
01:57:15,950 --> 01:57:13,530
nature's youth calm nature's youth calm

2555
01:57:17,390 --> 01:57:15,960
the holidays are coming imagine how it

2556
01:57:19,280 --> 01:57:17,400
will feel when your family and friends

2557
01:57:21,650 --> 01:57:19,290
are asking you what you did to look so

2558
01:57:23,960 --> 01:57:21,660
good your secret will be nature's youth

2559
01:57:26,420 --> 01:57:23,970
RSF it's time to start looking better

2560
01:57:28,490 --> 01:57:26,430
and feeling better learn more in order

2561
01:57:38,820 --> 01:57:28,500
your nature's use RSS at nature's youth

2562
01:57:53,380 --> 01:57:42,490
it's not a lifestyle we chose we were

2563
01:57:56,290 --> 01:57:53,390

born this way kera radio.com this is kjc

2564

01:58:10,530 --> 01:57:56,300

our Jimmy search radio jockey ah

2565

01:58:16,540 --> 01:58:13,950

welcome back fade to black

2566

01:58:19,830 --> 01:58:16,550

all right I'm opening up the phone lines

2567

01:58:22,750 --> 01:58:19,840

I'm your host Jimmy Church it is Monday

2568

01:58:27,910 --> 01:58:22,760

amazing show tonight can you believe it

2569

01:58:31,030 --> 01:58:27,920

our own social media platform for this

2570

01:58:34,420 --> 01:58:31,040

community think about that on stellar if

2571

01:58:36,250 --> 01:58:34,430

you visit on stellar dot-com right now

2572

01:58:36,730 --> 01:58:36,260

you will see right there it says coming

2573

01:58:39,280 --> 01:58:36,740

soon

2574

01:58:41,710 --> 01:58:39,290

it's going to the registration process

2575

01:58:44,080 --> 01:58:41,720

is going to launch tomorrow night at

2576

01:58:48,730 --> 01:58:44,090

midnight you'll be able to go just use

2577

01:58:50,890 --> 01:58:48,740

the promo code Jimmy ji mmy and go

2578

01:58:54,720 --> 01:58:50,900

through the registration process and and

2579

01:59:00,100 --> 01:58:54,730

get your name reserved man get that done

2580

01:59:02,140 --> 01:59:00,110

this is for the next couple of months

2581

01:59:06,220 --> 01:59:02,150

there's going to be a heavy amount of

2582

01:59:08,770 --> 01:59:06,230

publicity PR and advertising going out

2583

01:59:10,900 --> 01:59:08,780

there and the registration process is

2584

01:59:14,110 --> 01:59:10,910

going to complete because when the

2585

01:59:16,840 --> 01:59:14,120

platform launches in quarter three which

2586

01:59:18,760 --> 01:59:16,850

is just in a few months at that point

2587

01:59:20,260 --> 01:59:18,770

that day everything is going to go

2588

01:59:23,080 --> 01:59:20,270

active and we're going to be able to go

2589

01:59:25,570 --> 01:59:23,090

and get your page started and go there's

2590

01:59:29,800 --> 01:59:25,580

going to be researchers and authors and

2591

01:59:32,530 --> 01:59:29,810

and all of those that are part of our

2592

01:59:35,380 --> 01:59:32,540

community with their content already

2593

01:59:38,890 --> 01:59:35,390

there and you can start posting that day

2594

01:59:40,960 --> 01:59:38,900

and liking and doing a thing and there

2595

01:59:45,220 --> 01:59:40,970

you go and the number is going to be

2596

01:59:47,740 --> 01:59:45,230

large okay so the more people that go

2597

01:59:49,720 --> 01:59:47,750

and pre-register and get going you get

2598

01:59:53,500 --> 01:59:49,730

to save your name there's nothing worse

2599

01:59:55,770 --> 01:59:53,510

than going in and having to have some

2600

01:59:58,240 --> 01:59:55,780

crazy name because somebody else took it

2601
02:00:00,760 --> 01:59:58,250
in front of you so you can go and get

2602
02:00:03,220 --> 02:00:00,770
that done and then the countdown will

2603
02:00:07,630 --> 02:00:03,230
start and you'll be notified and they'll

2604
02:00:12,280 --> 02:00:07,640
be email and everything else for the the

2605
02:00:14,470 --> 02:00:12,290
day the day on stellar day alright so

2606
02:00:22,060 --> 02:00:14,480
there you go let's go to the phones 3 2

2607
02:00:23,010 --> 02:00:22,070
3 8 2 5 5 0 4 or 5 or 3 2 3 2 7 5 9 6 9

2608
02:00:26,130 --> 02:00:23,020
5

2609
02:00:29,280 --> 02:00:26,140
and let me get to we get the second

2610
02:00:32,640 --> 02:00:29,290
phone Bank going okay got it it should

2611
02:00:34,200 --> 02:00:32,650
be live right now yes we're good to go

2612
02:00:39,300 --> 02:00:34,210
okay let's go to the phones hi you're

2613
02:00:41,930 --> 02:00:39,310

live on fade to black who's calling hey

2614

02:00:45,060 --> 02:00:41,940

Carlton I'm doing good man how are you I

2615

02:00:48,330 --> 02:00:45,070

am great and I have been watching the

2616

02:00:52,350 --> 02:00:48,340

entire drama unfold of the go-fast video

2617

02:00:54,750 --> 02:00:52,360

since Friday and I the funny part is is

2618

02:00:57,270 --> 02:00:54,760

Jeremy Korbelt got thrown into the mix

2619

02:00:59,040 --> 02:00:57,280

because of this entire drama

2620

02:01:00,840 --> 02:00:59,050

what happened that second video you were

2621

02:01:01,890 --> 02:01:00,850

talking about in your email that you got

2622

02:01:04,770 --> 02:01:01,900

back there uh-huh

2623

02:01:06,720 --> 02:01:04,780

what happened was jeremy Korbelt was

2624

02:01:10,770 --> 02:01:06,730

moving some videos files around on a

2625

02:01:12,780 --> 02:01:10,780

video account and we moved the go-fast

2626

02:01:15,360 --> 02:01:12,790

or what is the content of the go-fast

2627

02:01:18,090 --> 02:01:15,370

video into one of his two-year-old video

2628

02:01:21,650 --> 02:01:18,100

files on vimeo right Vimeo does not

2629

02:01:24,390 --> 02:01:21,660

update date when you do that right so

2630

02:01:26,460 --> 02:01:24,400

everybody thought Jeremy Korbelt posted

2631

02:01:29,550 --> 02:01:26,470

the video two years ago and he was such

2632

02:01:31,200 --> 02:01:29,560

a pro he came out publicly on Facebook I

2633

02:01:34,440 --> 02:01:31,210

don't know about Facebook actually but

2634

02:01:36,570 --> 02:01:34,450

Twitter reddit everywhere including

2635

02:01:38,190 --> 02:01:36,580

Vimeo basically say no no I'm just

2636

02:01:40,500 --> 02:01:38,200

moving stuff around and this is what

2637

02:01:43,380 --> 02:01:40,510

really happened yeah he sent out what

2638

02:01:47,040 --> 02:01:43,390

well he sent me that he sent me a text

2639

02:01:48,780 --> 02:01:47,050

on Friday about this and it was

2640

02:01:54,060 --> 02:01:48,790

hilarious you're right man he's such a

2641

02:01:56,990 --> 02:01:54,070

pro but I'm gonna go back right here my

2642

02:02:01,040 --> 02:01:57,000

answer to him was ha

2643

02:02:08,330 --> 02:02:01,050

he says hey man I'm dealing with a blank

2644

02:02:13,070 --> 02:02:08,340

storm of human ignorance that was Friday

2645

02:02:14,690 --> 02:02:13,080

yeah yeah and that was amazing but

2646

02:02:16,760 --> 02:02:14,700

what's interesting about that night I

2647

02:02:18,590 --> 02:02:16,770

never asked about it that ever said he

2648

02:02:20,630 --> 02:02:18,600

directly responded to me on Twitter I

2649

02:02:22,880 --> 02:02:20,640

never brought it up because I looked at

2650

02:02:27,410 --> 02:02:22,890

me I believed speculation between Jimmy

2651
02:02:29,000 --> 02:02:27,420
and I your show he was talking about how

2652
02:02:32,030 --> 02:02:29,010
if I remember correctly you talked about

2653
02:02:34,940 --> 02:02:32,040
having a video and part of it actually

2654
02:02:37,190 --> 02:02:34,950
showed a UFO possibly going into a USO

2655
02:02:39,260 --> 02:02:37,200
yeah at the same time that's what I'm

2656
02:02:43,700 --> 02:02:39,270
almost wondering if this is part of that

2657
02:02:47,690 --> 02:02:43,710
video no I don't think that it is now

2658
02:02:50,900 --> 02:02:47,700
look I have to be I have to be

2659
02:02:55,900 --> 02:02:50,910
protective of of Jeremy his sources and

2660
02:02:58,370 --> 02:02:55,910
and so forth but as described to me

2661
02:02:59,810 --> 02:02:58,380
without going too far with this because

2662
02:03:02,330 --> 02:02:59,820
I want Jeremy to do the right research

2663
02:03:06,460 --> 02:03:02,340

and and and get this stuff out on his

2664

02:03:11,630 --> 02:03:06,470

own he's a very smart guy but he said it

2665

02:03:14,450 --> 02:03:11,640

appears that for more of the that there

2666

02:03:18,440 --> 02:03:14,460

is a craft interacting with another

2667

02:03:20,720 --> 02:03:18,450

craft that is under the water and and

2668

02:03:22,520 --> 02:03:20,730

yeah and the two of them are doing

2669

02:03:24,410 --> 02:03:22,530

something together now that's all I'm

2670

02:03:28,490 --> 02:03:24,420

gonna say I've been told more than that

2671

02:03:31,820 --> 02:03:28,500

but let's wait until things are solid

2672

02:03:34,070 --> 02:03:31,830

there Jeremy Jeremy and his reputation I

2673

02:03:35,810 --> 02:03:34,080

think are pretty solid and and he's very

2674

02:03:38,270 --> 02:03:35,820

protective of that and he's probably

2675

02:03:42,140 --> 02:03:38,280

listening right now going Jimmy shut up

2676

02:03:44,420 --> 02:03:42,150

don't say anything don't do it and I'm

2677

02:03:49,010 --> 02:03:44,430

not going to I respect Jeremy quite a

2678

02:03:49,940 --> 02:03:49,020

bit yeah those connections are what

2679

02:03:54,410 --> 02:03:49,950

matter in the end

2680

02:03:56,690 --> 02:03:54,420

that's right on top of everything Lewis

2681

02:03:59,540 --> 02:03:56,700

Elizondo thing he told people George

2682

02:04:01,400 --> 02:03:59,550

Knapp that the video are that the slide

2683

02:04:03,200 --> 02:04:01,410

they had in there they put it there on

2684

02:04:05,930 --> 02:04:03,210

purpose because they wanted to do people

2685

02:04:07,580 --> 02:04:05,940

to do research and I'm I'm yeah I would

2686

02:04:10,730 --> 02:04:07,590

throw it out there I have to blink 182

2687

02:04:12,200 --> 02:04:10,740

tattoos I am a big fan of Tom DeLonge

2688

02:04:13,730 --> 02:04:12,210

but first thing I'm like you and all I

2689

02:04:16,580 --> 02:04:13,740

can wonder is well then why did Tom put

2690

02:04:18,740 --> 02:04:16,590

out the apology yeah that that goes

2691

02:04:20,540 --> 02:04:18,750

that's contradictory

2692

02:04:23,210 --> 02:04:20,550

you know yeah you can't have it both

2693

02:04:25,220 --> 02:04:23,220

ways well let me ask you this time let

2694

02:04:29,150 --> 02:04:25,230

me ask you this in this new fad in the

2695

02:04:30,740 --> 02:04:29,160

go-fast video what

2696

02:04:34,010 --> 02:04:30,750

well first off what did you make over

2697

02:04:36,830 --> 02:04:34,020

all of the video and and the object

2698

02:04:41,360 --> 02:04:36,840

itself and what did you think about it

2699

02:04:42,530 --> 02:04:41,370

cutting off the cutting off I've always

2700

02:04:45,140 --> 02:04:42,540

wondered about in every one of the

2701
02:04:46,790 --> 02:04:45,150
videos every single video out there the

2702
02:04:48,320 --> 02:04:46,800
way they cut off any of them that come

2703
02:04:49,640 --> 02:04:48,330
from the FA teens and all that stuff

2704
02:04:53,480 --> 02:04:49,650
they all cut off in a really weird way

2705
02:04:55,820 --> 02:04:53,490
however at the same time I also know

2706
02:04:57,470 --> 02:04:55,830
that these planes are still running

2707
02:04:59,840 --> 02:04:57,480
magnetic tape today so as far as

2708
02:05:01,250 --> 02:04:59,850
resolution goes 640 by 480 is probably

2709
02:05:03,800 --> 02:05:01,260
for all wherever getting some shadows

2710
02:05:05,420 --> 02:05:03,810
until they change those systems out for

2711
02:05:08,900 --> 02:05:05,430
something other than magnetic tape that

2712
02:05:11,120 --> 02:05:08,910
hold 1980 based optical sensors so

2713
02:05:14,420 --> 02:05:11,130

that's something that people do need to

2714

02:05:16,250 --> 02:05:14,430

think about a lot because that's the

2715

02:05:19,160 --> 02:05:16,260

matter of what we're doing with these

2716

02:05:20,450 --> 02:05:19,170

f-18 that are so flying today are still

2717

02:05:22,130 --> 02:05:20,460

recording the magnetic tape

2718

02:05:25,820 --> 02:05:22,140

same thing with Chinooks the same thing

2719

02:05:28,070 --> 02:05:25,830

with that 22 most and even at 16 they're

2720

02:05:30,350 --> 02:05:28,080

all still recording directly to magnetic

2721

02:05:32,030 --> 02:05:30,360

tape now the question is how does that

2722

02:05:33,800 --> 02:05:32,040

record that's something that we don't

2723

02:05:35,180 --> 02:05:33,810

unless you're actually in the military

2724

02:05:36,770 --> 02:05:35,190

and in that set by that's the Buddy

2725

02:05:39,470 --> 02:05:36,780

about it and you would slip something

2726

02:05:41,570 --> 02:05:39,480

that's unclassified I think that and I

2727

02:05:44,200 --> 02:05:41,580

respect that I stop instantly right

2728

02:05:46,490 --> 02:05:44,210

there and because I love my friends

2729

02:05:48,050 --> 02:05:46,500

it's it is one of those things where I

2730

02:05:50,480 --> 02:05:48,060

don't know exactly how they record I

2731

02:05:52,850 --> 02:05:50,490

don't know if it's on constant recording

2732

02:05:54,650 --> 02:05:52,860

or if it was something where they hit a

2733

02:05:56,420 --> 02:05:54,660

button and while that button is pressed

2734

02:05:57,980 --> 02:05:56,430

or until they beep fair and so they

2735

02:06:00,680 --> 02:05:57,990

press the button again it just records

2736

02:06:02,210 --> 02:06:00,690

in that time period who knows because to

2737

02:06:06,800 --> 02:06:02,220

throw it right out there these guys fly

2738

02:06:09,500 --> 02:06:06,810

anywhere from anywhere from several like

2739

02:06:11,330 --> 02:06:09,510

20 minutes to several hours and on a

2740

02:06:13,430 --> 02:06:11,340

magnetic tape we don't know how big that

2741

02:06:15,230 --> 02:06:13,440

is but I can say that most that I've

2742

02:06:19,910 --> 02:06:15,240

been safe out there doesn't go over two

2743

02:06:23,510 --> 02:06:19,920

hours okay so now let's play devil's

2744

02:06:24,530 --> 02:06:23,520

advocate all of the videos that we have

2745

02:06:28,700 --> 02:06:24,540

seen so far

2746

02:06:31,540 --> 02:06:28,710

happen to be at the end of the tape no

2747

02:06:33,740 --> 02:06:31,550

or ah hey just happened to be a section

2748

02:06:36,350 --> 02:06:33,750

but that's what I'm saying I mean

2749

02:06:39,380 --> 02:06:36,360

they're what we are seeing we're not

2750

02:06:41,750 --> 02:06:39,390

seeing the resolution of any of this you

2751
02:06:43,550 --> 02:06:41,760
know the excitement of what you see in

2752
02:06:46,100 --> 02:06:43,560
the moment okay

2753
02:06:48,320 --> 02:06:46,110
cool all right so we've got that we've

2754
02:06:50,660 --> 02:06:48,330
got that conversation but what about the

2755
02:06:53,360 --> 02:06:50,670
conversation when they found out what

2756
02:06:56,900 --> 02:06:53,370
the object was right

2757
02:06:58,730 --> 02:06:56,910
oh man it is UFO it just docked with the

2758
02:07:01,640 --> 02:06:58,740
mothership and just took off out of the

2759
02:07:05,030 --> 02:07:01,650
atmosphere is that the conversation or

2760
02:07:16,250 --> 02:07:05,040
is it oh man it was a duck you know I

2761
02:07:20,900 --> 02:07:16,260
mean no man it just seems and it seems

2762
02:07:23,750 --> 02:07:20,910
that I was hoping this is man and I want

2763
02:07:25,100 --> 02:07:23,760

TTS a to succeed I went along to bust

2764

02:07:27,590 --> 02:07:25,110

this thing wide open

2765

02:07:31,250 --> 02:07:27,600

I want answers I want all of this and

2766

02:07:33,890 --> 02:07:31,260

and and our hopes are really high but I

2767

02:07:37,310 --> 02:07:33,900

thought that this next video this next

2768

02:07:38,990 --> 02:07:37,320

release was was gonna take things to the

2769

02:07:42,080 --> 02:07:39,000

next level because they learn their

2770

02:07:46,060 --> 02:07:42,090

lesson and you know what this halt those

2771

02:07:49,760 --> 02:07:46,070

videos just hang for me it's just a my

2772

02:07:51,350 --> 02:07:49,770

my my little secret on that one is I was

2773

02:07:54,110 --> 02:07:51,360

really really hoping that it would be

2774

02:07:55,880 --> 02:07:54,120

the Chicago O'Hare incident videos that

2775

02:07:58,130 --> 02:07:55,890

nobody seemed to have videos on but

2776

02:08:00,050 --> 02:07:58,140

everybody talked about it left a big

2777

02:08:04,250 --> 02:08:00,060

giant circle on the side right in the

2778

02:08:05,690 --> 02:08:04,260

quad but and I'm pretty sure that it was

2779

02:08:06,940 --> 02:08:05,700

that many people there in the year that

2780

02:08:09,440 --> 02:08:06,950

had happened there had to be another

2781

02:08:11,360 --> 02:08:09,450

people had to have gotten that but what

2782

02:08:11,930 --> 02:08:11,370

happened to all of it where is all of it

2783

02:08:15,760 --> 02:08:11,940

where'd it go

2784

02:08:18,320 --> 02:08:15,770

and radar where's the radar from O'Hare

2785

02:08:20,540 --> 02:08:18,330

that word that do yeah because that was

2786

02:08:22,220 --> 02:08:20,550

talked about by many many people there's

2787

02:08:25,250 --> 02:08:22,230

many different documentaries and videos

2788

02:08:27,080 --> 02:08:25,260

yeah if they all saw it on radar and

2789

02:08:30,770 --> 02:08:27,090

there's radar reports I heard the

2790

02:08:32,840 --> 02:08:30,780

Japanese a lot they're aligned 1980

2791

02:08:34,040 --> 02:08:32,850

something I think it was yeah and John

2792

02:08:37,559 --> 02:08:34,050

what do you think about what do you

2793

02:08:41,159 --> 02:08:39,569

it sounds I only heard about ten minutes

2794

02:08:43,229 --> 02:08:41,169

without conversation unfortunately

2795

02:08:45,270 --> 02:08:43,239

because I thought not to work but it

2796

02:08:47,549 --> 02:08:45,280

sounds really awesome I'm really it's in

2797

02:08:49,919 --> 02:08:47,559

the bought Canaan yeah are they get out

2798

02:08:52,259 --> 02:08:49,929

are they gonna allow people to do like

2799

02:08:56,239 --> 02:08:52,269

mining on that or is it just straight-up

2800

02:08:59,339 --> 02:08:56,249

user activity based watching yeah we're

2801
02:09:01,949 --> 02:08:59,349
pointing right right well the technology

2802
02:09:06,329 --> 02:09:01,959
that this blockchain is based on which

2803
02:09:10,169 --> 02:09:06,339
is steam it steam that part of it about

2804
02:09:14,579 --> 02:09:10,179
see this is what's so great about this

2805
02:09:17,939 --> 02:09:14,589
platform of course there will be tokens

2806
02:09:22,859 --> 02:09:17,949
and coins that are mined and and that's

2807
02:09:25,679 --> 02:09:22,869
and that and and that crypto is about

2808
02:09:28,679 --> 02:09:25,689
that creation of it is about 10% for

2809
02:09:33,179 --> 02:09:28,689
mining the rest of the creation comes

2810
02:09:35,669 --> 02:09:33,189
from activity on the website in the

2811
02:09:39,029 --> 02:09:35,679
blockchain okay right so that's what

2812
02:09:41,459 --> 02:09:39,039
else that's I'm a PC gamer right and my

2813
02:09:42,779 --> 02:09:41,469

PC gamers and miners are not exactly

2814

02:09:44,489 --> 02:09:42,789

friendly with each other right now

2815

02:09:47,099 --> 02:09:44,499

because the price wars and all this

2816

02:09:48,629 --> 02:09:47,109

other than going on right and you throw

2817

02:09:50,549 --> 02:09:48,639

it right out there mining is basically

2818

02:09:53,879 --> 02:09:50,559

made PC gaming out of reach

2819

02:09:55,500 --> 02:09:53,889

affordability affordability that wants

2820

02:09:57,989 --> 02:09:55,510

to just start it in for like 500 bucks

2821

02:09:59,339 --> 02:09:57,999

right there's no way it's impossible

2822

02:10:02,699 --> 02:09:59,349

right now because cards the east and so

2823

02:10:04,949 --> 02:10:02,709

for 70 bucks or selling for 300 right

2824

02:10:06,329 --> 02:10:04,959

right so that's that was my concern

2825

02:10:08,459 --> 02:10:06,339

hearing about this and how much is that

2826
02:10:10,829 --> 02:10:08,469
gonna affect you know PC gamers out

2827
02:10:12,389 --> 02:10:10,839
there like myself who I got lucky and

2828
02:10:14,609 --> 02:10:12,399
did everything before January when

2829
02:10:17,939 --> 02:10:14,619
though went to crap it's for lack of a

2830
02:10:22,709 --> 02:10:17,949
better way to put it right yeah yeah

2831
02:10:25,139 --> 02:10:22,719
this this this you need to go after

2832
02:10:28,379 --> 02:10:25,149
tomorrow night you'll be able to go and

2833
02:10:30,929 --> 02:10:28,389
have access to the white paper and which

2834
02:10:33,419 --> 02:10:30,939
is extensive I think the white papers 42

2835
02:10:35,339 --> 02:10:33,429
pages so there's tons of information

2836
02:10:38,189 --> 02:10:35,349
there there's a lot of information on

2837
02:10:40,619 --> 02:10:38,199
the landing page itself and there's

2838
02:10:42,659 --> 02:10:40,629

really cool screenshots and you can look

2839

02:10:45,719 --> 02:10:42,669

at what the interface looks like it's

2840

02:10:49,980 --> 02:10:45,729

it's gorgeous even the mobile versions

2841

02:10:53,250 --> 02:10:49,990

are all there but but it's the

2842

02:10:56,700 --> 02:10:53,260

it's the token based economy inside of

2843

02:11:00,450 --> 02:10:56,710

this community that creates additional

2844

02:11:02,730 --> 02:11:00,460

currency and tokens to be used inside of

2845

02:11:07,110 --> 02:11:02,740

the community if you choose to cash out

2846

02:11:09,750 --> 02:11:07,120

cash out but that ultimately will in in

2847

02:11:11,640 --> 02:11:09,760

the big picture it kind of defeats the

2848

02:11:15,110 --> 02:11:11,650

purpose of it this is about supporting

2849

02:11:17,670 --> 02:11:15,120

the outlying community yeah what was the

2850

02:11:20,070 --> 02:11:17,680

biggest thing I'm interested in is the

2851

02:11:21,390 --> 02:11:20,080

online community when it comes to people

2852

02:11:22,680 --> 02:11:21,400

coming together and taking a look at

2853

02:11:25,170 --> 02:11:22,690

everything and hopefully in a more

2854

02:11:26,850 --> 02:11:25,180

structured platform than what happens on

2855

02:11:29,250 --> 02:11:26,860

YouTube where every debunker comes in

2856

02:11:36,090 --> 02:11:29,260

and just literally spews random crap it

2857

02:11:38,370 --> 02:11:36,100

doesn't make any sense look at it look

2858

02:11:42,270 --> 02:11:38,380

at what they say that's not right yeah

2859

02:11:43,920 --> 02:11:42,280

and this is different David just posted

2860

02:11:48,240 --> 02:11:43,930

in the chat room I find hard to believe

2861

02:11:53,550 --> 02:11:48,250

you don't own any crypto and Jimmy well

2862

02:11:56,850 --> 02:11:53,560

I I have I've been you know I've held

2863

02:12:00,690 --> 02:11:56,860

off on Bitcoin and any other stuff

2864

02:12:03,000 --> 02:12:00,700

because that as an investment I want to

2865

02:12:05,940 --> 02:12:03,010

see how it plays out because it's still

2866

02:12:10,050 --> 02:12:05,950

figuring itself out but in this

2867

02:12:11,550 --> 02:12:10,060

application of the blockchain not of

2868

02:12:14,010 --> 02:12:11,560

cryptocurrency

2869

02:12:16,110 --> 02:12:14,020

that's that's different this the

2870

02:12:18,360 --> 02:12:16,120

blockchain technology is what's built

2871

02:12:21,030 --> 02:12:18,370

into this website the website is built

2872

02:12:24,180 --> 02:12:21,040

on this technology to support the

2873

02:12:27,870 --> 02:12:24,190

community it is different it's a whole

2874

02:12:31,760 --> 02:12:27,880

nother way of of how this operates and

2875

02:12:35,430 --> 02:12:31,770

that's why I've tried to over the last

2876

02:12:37,200 --> 02:12:35,440

year or so to educate everybody about

2877

02:12:40,110 --> 02:12:37,210

what the blockchain is about what

2878

02:12:42,570 --> 02:12:40,120

Bitcoin is what my philosophy is on this

2879

02:12:45,750 --> 02:12:42,580

entire thing because it's a big mystery

2880

02:12:47,520 --> 02:12:45,760

to most okay it's a big mystery and you

2881

02:12:51,000 --> 02:12:47,530

need to understand it because it is

2882

02:12:53,460 --> 02:12:51,010

exciting technology and it's it's there

2883

02:12:56,850 --> 02:12:53,470

it's real but everybody needs to

2884

02:13:01,860 --> 02:12:56,860

understand what what it really is and so

2885

02:13:03,390 --> 02:13:01,870

for us I'm go ahead I'm with you and

2886

02:13:04,649 --> 02:13:03,400

honestly what

2887

02:13:06,360 --> 02:13:04,659

what people need to realize about

2888

02:13:09,000 --> 02:13:06,370

blockchain if there's a reason why it is

2889

02:13:10,890 --> 02:13:09,010

that people out there are really pushing

2890

02:13:12,840 --> 02:13:10,900

for voting booths to be done on

2891

02:13:15,209 --> 02:13:12,850

blockchain yes because of attempt

2892

02:13:17,760 --> 02:13:15,219

detected a tamper proof set up the

2893

02:13:19,680 --> 02:13:17,770

blockchain had when it comes to crypto

2894

02:13:21,500 --> 02:13:19,690

as far as being able to back-trace what

2895

02:13:24,870 --> 02:13:21,510

happened within a certain situation and

2896

02:13:26,550 --> 02:13:24,880

we had exploding trace in his right

2897

02:13:30,870 --> 02:13:26,560

written into every blockchain in the

2898

02:13:37,439 --> 02:13:30,880

system and a minute ago it sounded like

2899

02:13:39,360 --> 02:13:37,449

something growled what was that no no so

2900

02:13:43,050 --> 02:13:39,370

you didn't know that you didn't hear

2901

02:13:46,290 --> 02:13:43,060

that yeah but I am wearing I went

2902

02:13:48,689 --> 02:13:46,300

wearing ear pods okay well everybody

2903

02:13:52,050 --> 02:13:48,699

here over and in the background

2904

02:13:54,479 --> 02:13:52,060

everybody was what WTF what was that

2905

02:13:56,250 --> 02:13:54,489

noise Wow what was that growling noise

2906

02:13:59,010 --> 02:13:56,260

I'm just reading everybody what was that

2907

02:14:04,860 --> 02:13:59,020

golf ball Jimmy was like what the hell

2908

02:14:07,830 --> 02:14:04,870

was that what was that it was it's you

2909

02:14:09,840 --> 02:14:07,840

didn't hear that but it was nothing

2910

02:14:12,060 --> 02:14:09,850

outside of me at the moment I will put

2911

02:14:15,300 --> 02:14:12,070

it that way it might have had something

2912

02:14:20,189 --> 02:14:15,310

to do with the audio stuff no no no no

2913

02:14:26,610 --> 02:14:20,199

no no no no no no no no this was this

2914

02:14:26,850 --> 02:14:26,620

sounded like this that's what it sounded

2915

02:14:31,800 --> 02:14:26,860

like

2916

02:14:34,470 --> 02:14:31,810

had a hellhound

2917

02:14:38,939 --> 02:14:34,480

about to bite a chunk out of your neck

2918

02:14:40,709 --> 02:14:38,949

that's what it sounded like but I will

2919

02:14:41,970 --> 02:14:40,719

leave you with something complete with

2920

02:14:43,919 --> 02:14:41,980

something that hasn't been said in a

2921

02:14:49,410 --> 02:14:43,929

long time on radio from what I can sell

2922

02:14:50,760 --> 02:14:49,420

what's that but basically but what I

2923

02:14:52,050 --> 02:14:50,770

don't want to say for a little while

2924

02:14:54,090 --> 02:14:52,060

especially since he had that long

2925

02:14:55,919 --> 02:14:54,100

conversation on coast to coast about

2926

02:14:58,560 --> 02:14:55,929

Stargate and everything mm-hmm

2927

02:15:00,720 --> 02:14:58,570

but I never heard you say this one there

2928

02:15:02,669 --> 02:15:00,730

there was an episode of Stargate where

2929

02:15:04,919 --> 02:15:02,679

they beat the cadets from the Air Force

2930

02:15:07,020 --> 02:15:04,929

Academy and in that episode an actual

2931

02:15:08,610 --> 02:15:07,030

Air Force general showed up I can't

2932

02:15:11,669 --> 02:15:08,620

remember his name unfortunately I

2933

02:15:13,200 --> 02:15:11,679

haven't written down the document but he

2934

02:15:15,390 --> 02:15:13,210

was actually he actually did an

2935

02:15:17,310 --> 02:15:15,400

interview with TV Guide and you probably

2936

02:15:19,050 --> 02:15:17,320

won't this already but he's

2937

02:15:20,850 --> 02:15:19,060

TV Guide that he needed the episode

2938

02:15:23,690 --> 02:15:20,860

there's the truth is stranger than

2939

02:15:33,780 --> 02:15:29,990

yeah I do remember that and this is what

2940

02:15:40,010 --> 02:15:33,790

this is where my life is headed I can

2941

02:15:47,850 --> 02:15:40,020

see it I am going to have to go back and

2942

02:15:49,980 --> 02:15:47,860

binge Stargate and this vid yeah I mean

2943

02:15:52,710 --> 02:15:49,990

I I just see that in my future we have

2944

02:15:56,130 --> 02:15:52,720

so many things that we are watching

2945

02:16:00,870 --> 02:15:56,140

right now and I don't know how we're

2946

02:16:03,480 --> 02:16:00,880

going to squeeze in more but I've I see

2947

02:16:08,070 --> 02:16:03,490

that in my future I really do I see a

2948

02:16:11,510 --> 02:16:08,080

month worth of of Stargate and so their

2949

02:16:14,730 --> 02:16:11,520

Stargate Stargate Atlantis and what else

2950

02:16:16,950 --> 02:16:14,740

well there's target universe and now

2951

02:16:19,320 --> 02:16:16,960

there's our gate origins which is a

2952

02:16:21,180 --> 02:16:19,330

webisode type show that they've done I

2953

02:16:24,060 --> 02:16:21,190

think they did 10 or 11 episodes up and

2954

02:16:28,230 --> 02:16:24,070

they're all on Stargate the Stargate

2955

02:16:30,690 --> 02:16:28,240

command so how many how many versions of

2956

02:16:33,990 --> 02:16:30,700

Stargate they're Stargate Stargate

2957

02:16:36,150 --> 02:16:34,000

Atlantis right so they start getting the

2958

02:16:38,400 --> 02:16:36,160

movie Stargate sg-1 Stargate Atlantis

2959

02:16:42,120 --> 02:16:38,410

Stargate Universe and now Stargate

2960

02:16:44,400 --> 02:16:42,130

origins okay so there is let's see here

2961

02:16:48,150 --> 02:16:44,410

let's see what about that our gate

2962

02:16:50,010 --> 02:16:48,160

command by Stargate command is the new

2963

02:16:52,530 --> 02:16:50,020

platform that they're working on trying

2964

02:16:54,840 --> 02:16:52,540

to do everything new on now so it's a

2965

02:16:57,150 --> 02:16:54,850

platform without a show okay so there's

2966

02:17:01,380 --> 02:16:57,160

Stargate and they're Stargate Stargate

2967

02:17:04,800 --> 02:17:01,390

sg-1 Stargate Atlantis Stargate origins

2968

02:17:06,840 --> 02:17:04,810

right yep and what about the Stargate

2969

02:17:08,430 --> 02:17:06,850

Universe and Stargate Universe so

2970

02:17:12,020 --> 02:17:08,440

there's five series

2971

02:17:18,370 --> 02:17:15,470

man I just thought of this one did you

2972

02:17:21,710 --> 02:17:18,380

see the Harry Reid text to Scully on

2973

02:17:22,820 --> 02:17:21,720

x-files oh yeah yeah robot are you

2974

02:17:24,260 --> 02:17:22,830

kidding me okay

2975

02:17:27,290 --> 02:17:24,270

do you know how many times that guy

2976

02:17:29,870 --> 02:17:27,300

texted to me I mean it was during I was

2977

02:17:32,660 --> 02:17:29,880

during the episode I don't know how

2978

02:17:36,050 --> 02:17:32,670

anybody caught that and the other

2979

02:17:38,720 --> 02:17:36,060

interesting thing is that didn't happen

2980

02:17:41,420 --> 02:17:38,730

the Harry Reid stuff didn't bust out

2981

02:17:47,360 --> 02:17:41,430

till December 16th right a little bit

2982

02:17:52,430 --> 02:17:47,370

after that so when did they decide or

2983

02:17:54,140 --> 02:17:52,440

did they edit that in you know you know

2984

02:17:58,400 --> 02:17:54,150

just a quick look yeah after the fact

2985

02:17:59,960 --> 02:17:58,410

they shot the episode I wonder if it was

2986

02:18:02,660 --> 02:17:59,970

a quick joke because of the fact that

2987

02:18:04,310 --> 02:18:02,670

Harry Reid and the taxes don't tell

2988

02:18:06,830 --> 02:18:04,320

anyone or something like that keep your

2989

02:18:08,330 --> 02:18:06,840

mouths and yeah yeah he was yeah he was

2990

02:18:13,370 --> 02:18:08,340

the one that was out something everybody

2991

02:18:15,530 --> 02:18:13,380

- Leslie scene in Georgia yeah it was it

2992

02:18:17,630 --> 02:18:15,540

was pretty interesting and I didn't

2993

02:18:19,990 --> 02:18:17,640

catch it I had to go back and watch the

2994

02:18:23,420 --> 02:18:20,000

episode to see that particular moment

2995

02:18:26,840 --> 02:18:23,430

but that shows you how dedicated not

2996

02:18:29,300 --> 02:18:26,850

only people that watch the x-files are

2997

02:18:31,190 --> 02:18:29,310

but how many people knew about Harry

2998

02:18:34,880 --> 02:18:31,200

Reid from this community that we're

2999

02:18:37,400 --> 02:18:34,890

watching that and freeze-framed it and

3000

02:18:38,330 --> 02:18:37,410

then grab the screen grab I mean I don't

3001

02:18:41,450 --> 02:18:38,340

do that

3002

02:18:50,150 --> 02:18:41,460

and I completely missed I've done it

3003

02:18:51,830 --> 02:18:50,160

like I thought somebody just you know

3004

02:18:54,080 --> 02:18:51,840

this is Photoshop that's what I thought

3005

02:18:57,710 --> 02:18:54,090

until I went back inside it was right

3006

02:18:59,870 --> 02:18:57,720

there yeah right there and I first thing

3007

02:19:01,240 --> 02:18:59,880

I looked over my dad and went Chris

3008

02:19:05,930 --> 02:19:01,250

Carter knows what's up

3009

02:19:09,410 --> 02:19:05,940

so either there's two ways either Chris

3010

02:19:12,050 --> 02:19:09,420

Carter knew about Harry Reid and the New

3011

02:19:15,530 --> 02:19:12,060

York Times article he knew about that in

3012

02:19:18,500 --> 02:19:15,540

advance and and put that in the episode

3013

02:19:20,870 --> 02:19:18,510

six months ago or they shot the episode

3014

02:19:24,250 --> 02:19:20,880

that came out on December 16th they went

3015

02:19:26,349 --> 02:19:24,260

back shot that and inserted that and

3016

02:19:28,780 --> 02:19:26,359

the final cut that was already readied

3017

02:19:30,669 --> 02:19:28,790

for broadcast

3018

02:19:34,450 --> 02:19:30,679

I would think that everything is in the

3019

02:19:38,650 --> 02:19:34,460

can getting reviewed by Fox because that

3020

02:19:40,809 --> 02:19:38,660

aired in February right thank that air

3021

02:19:43,299 --> 02:19:40,819

two weeks ago so that aired in February

3022

02:19:47,530 --> 02:19:43,309

so you've got December January February

3023

02:19:48,790 --> 02:19:47,540

at best two months there that stuff is

3024

02:19:51,700 --> 02:19:48,800

already in the can

3025

02:19:54,309 --> 02:19:51,710

so I don't know how yeah I don't know

3026

02:19:55,840 --> 02:19:54,319

how they did it that's why I really

3027

02:19:58,300 --> 02:19:55,850

wonder because the other thing in there

3028

02:20:00,519 --> 02:19:58,310

too instead of saying aerial threat it

3029

02:20:04,059 --> 02:20:00,529

said aerospace right yeah that was that

3030

02:20:06,370 --> 02:20:04,069

was all around November right before the

3031

02:20:10,050 --> 02:20:06,380

mistake was caught because we all know

3032

02:20:14,200 --> 02:20:10,060

now that it's not aerospace that it's a

3033

02:20:16,840 --> 02:20:14,210

arial 'arial so there you go all right

3034

02:20:18,910 --> 02:20:16,850

Kyle thank you so much man a great phone

3035

02:20:21,610 --> 02:20:18,920

call and we'll see you tomorrow night

3036

02:20:22,000 --> 02:20:21,620

right here no problem you guys have a

3037

02:20:25,059 --> 02:20:22,010

great night

3038

02:20:27,790 --> 02:20:25,069

you too thank you so much that's Kyle

3039

02:20:30,340 --> 02:20:27,800

from Sacramento and you know I kind of

3040

02:20:32,980 --> 02:20:30,350

say you know at the end of every show I

3041

02:20:35,580 --> 02:20:32,990

say the same thing but this audience is

3042

02:20:39,340 --> 02:20:35,590

the best smartest audience out there and

3043

02:20:42,820 --> 02:20:39,350

the bestest coolest thing that I can do

3044

02:20:46,809 --> 02:20:42,830

for all of you is reward you with your

3045

02:20:50,769 --> 02:20:46,819

very own social media platform you've

3046

02:20:53,620 --> 02:20:50,779

got it think about what's about to kick

3047

02:20:59,110 --> 02:20:53,630

off it's on stellar dot-com

3048

02:21:01,870 --> 02:20:59,120

oh and ste l8r dot-com on stellar com

3049

02:21:04,059 --> 02:21:01,880

if you go and you should go ahead and

3050

02:21:07,030 --> 02:21:04,069

pop that in your browser right now you

3051
02:21:09,660 --> 02:21:07,040
go over to Han stellar I'm there by the

3052
02:21:14,679 --> 02:21:09,670
way all right I'm looking at it it says

3053
02:21:18,460 --> 02:21:14,689
literally where to go it says coming

3054
02:21:20,650 --> 02:21:18,470
soon with the logo I have I have the

3055
02:21:23,860 --> 02:21:20,660
real site I've been on an all day it's

3056
02:21:26,170 --> 02:21:23,870
pretty cool so registration will kick

3057
02:21:27,910 --> 02:21:26,180
off tomorrow night midnight I don't know

3058
02:21:30,519 --> 02:21:27,920
if it's gonna be midnight Pacific or

3059
02:21:31,929 --> 02:21:30,529
midnight Eastern but I'll announce that

3060
02:21:33,910 --> 02:21:31,939
tomorrow night at the beginning of the

3061
02:21:35,139 --> 02:21:33,920
show because right in the middle of the

3062
02:21:36,500 --> 02:21:35,149
show tomorrow night if it's midnight

3063
02:21:39,050 --> 02:21:36,510

Eastern that'll be 9:00

3064

02:21:42,200 --> 02:21:39,060

clock out here and you'll be able to go

3065

02:21:46,969 --> 02:21:42,210

to register and use that promo code

3066

02:21:48,620 --> 02:21:46,979

Jimmy and get your username set you'd be

3067

02:21:50,090 --> 02:21:48,630

able to kick all of that off tomorrow

3068

02:21:55,010 --> 02:21:50,100

but how cool is that

3069

02:21:59,780 --> 02:21:55,020

now again just to summarize this is

3070

02:22:03,769 --> 02:21:59,790

based on the blockchain we will have our

3071

02:22:05,769 --> 02:22:03,779

own token for our camp what is that

3072

02:22:10,929 --> 02:22:05,779

sound

3073

02:22:14,480 --> 02:22:10,939

that is crazy I just heard it again man

3074

02:22:15,980 --> 02:22:14,490

that's creepy that's like EVP stuff I

3075

02:22:24,019 --> 02:22:15,990

don't even know what to make of that

3076

02:22:26,780 --> 02:22:24,029

that is trippy anyway so a way to

3077

02:22:28,670 --> 02:22:26,790

support everybody else in this community

3078

02:22:31,580 --> 02:22:28,680

and tomorrow you'll have all of the

3079

02:22:34,639 --> 02:22:31,590

classifications there you will be

3080

02:22:37,610 --> 02:22:34,649

notified via email the countdown clock

3081

02:22:39,170 --> 02:22:37,620

is going and this is one of the most

3082

02:22:40,700 --> 02:22:39,180

exciting times and I said this at the

3083

02:22:43,190 --> 02:22:40,710

beginning of the show tonight and I'm

3084

02:22:47,630 --> 02:22:43,200

not joking about this you will remember

3085

02:22:53,540 --> 02:22:47,640

this day why do I think Harry Reid is a

3086

02:22:57,080 --> 02:22:53,550

porn star I don't know IPD is that for

3087

02:23:02,330 --> 02:22:57,090

you to even make that connection one may

3088

02:23:04,010 --> 02:23:02,340

wonder Wow okay yeah all of you are in

3089

02:23:06,769 --> 02:23:04,020

the Stargate I'm looking at this now

3090

02:23:09,860 --> 02:23:06,779

I've only watched individual episodes

3091

02:23:11,990 --> 02:23:09,870

and one of the reasons is I love the

3092

02:23:13,670 --> 02:23:12,000

movie so much that I didn't think the

3093

02:23:17,660 --> 02:23:13,680

series would be able to live up to it

3094

02:23:19,730 --> 02:23:17,670

its reputation now and how solid it is

3095

02:23:24,320 --> 02:23:19,740

Stargate Universe got cut short the

3096

02:23:24,830 --> 02:23:24,330

studio dropped it really see so there

3097

02:23:28,010 --> 02:23:24,840

you go

3098

02:23:31,040 --> 02:23:28,020

alright so that's it I'm stellar on

3099

02:23:32,719 --> 02:23:31,050

stellar comm the links are up tomorrow

3100

02:23:36,170 --> 02:23:32,729

you'll be able to go and register your

3101

02:23:37,130 --> 02:23:36,180

name and and get this thing going it's

3102

02:23:40,610 --> 02:23:37,140

going to be huge

3103

02:23:43,700 --> 02:23:40,620

alright tomorrow we will announce who

3104

02:23:45,889 --> 02:23:43,710

our guest is tomorrow night and also you

3105

02:23:49,070 --> 02:23:45,899

guys can send me all the email that you

3106

02:23:53,450 --> 02:23:49,080

want but what do you think about this

3107

02:23:55,280 --> 02:23:53,460

go fast video I wanted more I wanted

3108

02:23:57,320 --> 02:23:55,290

more from the video maybe my

3109

02:23:59,480 --> 02:23:57,330

expectations are too high maybe I'm

3110

02:24:03,590 --> 02:23:59,490

being too critical it could be all of

3111

02:24:07,300 --> 02:24:03,600

that but based on what I saw I couldn't

3112

02:24:10,940 --> 02:24:07,310

believe it cut off where it did that

3113

02:24:13,130 --> 02:24:10,950

really really bummed me out I did just

3114

02:24:15,890 --> 02:24:13,140

doesn't make any sense to me so there

3115

02:24:18,110 --> 02:24:15,900

you go alright that knocks out another

3116

02:24:20,510 --> 02:24:18,120

episode of fade to black the on stellar

3117

02:24:22,310 --> 02:24:20,520

episode I'm your host Jimmy church we'll

3118

02:24:24,050 --> 02:24:22,320

see everybody right here tomorrow night

3119

02:24:28,130 --> 02:24:24,060

we'll post up everything on what's going

3120

02:24:29,960 --> 02:24:28,140

on tomorrow on the website all right

3121

02:24:31,790 --> 02:24:29,970

painted blacks executive producers Rita

3122

02:24:33,590 --> 02:24:31,800

Kumari on shows produced by Hill J

3123

02:24:35,650 --> 02:24:33,600

Palmer Nate Dennis and Bob announces Oh

3124

02:24:37,910 --> 02:24:35,660

Steve Barbra Jean Patou mrdiko VAR

3125

02:24:40,820 --> 02:24:37,920

webmaster drew the geek music doug

3126
02:24:42,560 --> 02:24:40,830
aldrich intro space boy space boy music

3127
02:24:45,500 --> 02:24:42,570
compeied the black is produced by

3128
02:24:49,130 --> 02:24:45,510
kjsurya productions indication is

3129
02:24:50,960 --> 02:24:49,140
kgraney the planet this broadcasts on
