

MARCH 12, 2018

7 PM PST / 10 PM EST

ONSTELLAR

Ep. 819

F2B
WITH JIMMY CHURCH

ONSTELLAR.COM

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:04,070 --> 00:00:02,450
hi this is Rob Reiner from anvil and

2
00:00:10,490 --> 00:00:04,080
you're listening to Jimmy Church

3
00:00:13,290 --> 00:00:10,500
radio.com listen in the Shamy church

4
00:00:13,300 --> 00:00:26,750
[Music]

5
00:00:35,930 --> 00:00:32,030
all right welcome back fade to black I'm

6
00:00:39,350 --> 00:00:35,940
Yoshi Beecher CH big day today

7
00:00:42,890 --> 00:00:39,360
big day introducing a new social media

8
00:00:46,040 --> 00:00:42,900
platform it's called on stellar I set it

9
00:00:48,950 --> 00:00:46,050
up in the beginning of the show in its

10
00:00:52,100 --> 00:00:48,960
basic form what is actually going on

11
00:00:54,830 --> 00:00:52,110
here and tonight we're gonna speak with

12
00:00:57,430 --> 00:00:54,840
CEO Scott Leslie he is here with us and

13
00:01:02,810 --> 00:00:57,440

then coming up at the top of the hour

14

00:01:04,490 --> 00:01:02,820

vice-presidents - where our Gotha is

15

00:01:06,440 --> 00:01:04,500

gonna be here and then a little bit

16

00:01:08,300 --> 00:01:06,450

later on tonight senior advisor Steve

17

00:01:11,149 --> 00:01:08,310

marilla's gonna join the show you guys

18

00:01:13,160 --> 00:01:11,159

all know Steve he will be here and so

19

00:01:16,760 --> 00:01:13,170

I'm gonna kick this off right now

20

00:01:20,570 --> 00:01:16,770

today's a very very big day and this

21

00:01:24,920 --> 00:01:20,580

project has been in the works for quite

22

00:01:26,660 --> 00:01:24,930

some time and so that's why it this is

23

00:01:28,430 --> 00:01:26,670

the first you've ever heard about it and

24

00:01:30,640 --> 00:01:28,440

we're gonna do the best that we can

25

00:01:32,720 --> 00:01:30,650

tonight to explain everything to you and

26

00:01:33,080 --> 00:01:32,730

so I would like to welcome to fade to

27

00:01:35,960 --> 00:01:33,090

black

28

00:01:40,100 --> 00:01:35,970

for the first time CEO of on stellar

29

00:01:42,410 --> 00:01:40,110

Scott Leslie Scott good evening Jimmy

30

00:01:44,480 --> 00:01:42,420

thanks a lot for having me I'm just

31

00:01:47,960 --> 00:01:44,490

thrilled to be here talking to you and

32

00:01:51,530 --> 00:01:47,970

all the bunker standardized disciplines

33

00:01:54,260 --> 00:01:51,540

here and fate fate or not and in fade to

34

00:01:55,910 --> 00:01:54,270

black radio and we're you know we're

35

00:01:58,100 --> 00:01:55,920

just thrilled to be here to announce on

36

00:02:01,250 --> 00:01:58,110

stellar thank you for having me

37

00:02:05,900 --> 00:02:01,260

now this is this is a really big deal

38

00:02:10,609 --> 00:02:05,910

and not only to launch a social media

39

00:02:12,320 --> 00:02:10,619

platform in an environment that is you

40

00:02:14,809 --> 00:02:12,330

know flooded with social media we have

41

00:02:18,290 --> 00:02:14,819

got all different versions of everything

42

00:02:21,610 --> 00:02:18,300

from you know snapchat and Instagram to

43

00:02:25,759 --> 00:02:21,620

Twitter and Facebook and lots of failed

44

00:02:27,949 --> 00:02:25,769

platforms too as well and what would say

45

00:02:31,970 --> 00:02:27,959

that this is a it's a pretty crowded

46

00:02:34,250 --> 00:02:31,980

space but there is a lot of issues which

47

00:02:37,789 --> 00:02:34,260

with each one of those platforms and

48

00:02:39,870 --> 00:02:37,799

certainly lately it has been censorship

49

00:02:43,020 --> 00:02:39,880

and some of the problem

50

00:02:44,970 --> 00:02:43,030

that you know what Facebook used to be

51
00:02:46,920 --> 00:02:44,980
and what it is now you don't have the

52
00:02:49,850 --> 00:02:46,930
reach that you used to and so forth

53
00:02:53,700 --> 00:02:49,860
we'll get into all of that but on

54
00:02:55,590 --> 00:02:53,710
stellar takes the best of everything

55
00:02:58,410 --> 00:02:55,600
wraps it all into one social media

56
00:03:00,440 --> 00:02:58,420
platform but I have to ask you what

57
00:03:03,750 --> 00:03:00,450
which is what everybody's going to be

58
00:03:07,890 --> 00:03:03,760
asking why now what what makes I'm

59
00:03:09,720 --> 00:03:07,900
stellar different yeah so you know

60
00:03:11,370 --> 00:03:09,730
thanks for that I you know there's a

61
00:03:14,970 --> 00:03:11,380
there's a couple of things that let me

62
00:03:17,310 --> 00:03:14,980
first explain for the listeners what

63
00:03:18,420 --> 00:03:17,320

we're all about so you did a really good

64

00:03:21,720 --> 00:03:18,430

job

65

00:03:24,560 --> 00:03:21,730

we're a blockchain power social media

66

00:03:28,260 --> 00:03:24,570

network that is the first of its kind

67

00:03:30,480 --> 00:03:28,270

designed exclusively for you know the

68

00:03:33,000 --> 00:03:30,490

enlightened of the awakened community

69

00:03:35,130 --> 00:03:33,010

and so what we like to say is from the

70

00:03:37,830 --> 00:03:35,140

paranormal to the metaphysical you know

71

00:03:40,560 --> 00:03:37,840

the unexplained will live on on stellar

72

00:03:44,460 --> 00:03:40,570

and so what we here's here's what we're

73

00:03:50,280 --> 00:03:44,470

doing we're using the the cryptocurrency

74

00:03:52,770 --> 00:03:50,290

as a base to power our ecosystem while

75

00:03:55,140 --> 00:03:52,780

at the same time providing you know to

76

00:03:57,330 --> 00:03:55,150

the members opportunities to meet

77

00:04:00,120 --> 00:03:57,340

like-minded people you know earn income

78

00:04:02,700 --> 00:04:00,130

and engage with industry professionals

79

00:04:05,370 --> 00:04:02,710

and all that sounds great but you know

80

00:04:08,220 --> 00:04:05,380

we're really Jimmy we're we're solving a

81

00:04:10,740 --> 00:04:08,230

couple of big problems one is you know

82

00:04:14,670 --> 00:04:10,750

there are billions of social media users

83

00:04:16,380 --> 00:04:14,680

out there that generate untold amounts

84

00:04:18,870 --> 00:04:16,390

of money for the industry you know the

85

00:04:21,150 --> 00:04:18,880

industry market cap just at the top

86

00:04:25,340 --> 00:04:21,160

handful of social media companies is

87

00:04:29,460 --> 00:04:25,350

over six hundred billion dollars and so

88

00:04:32,070 --> 00:04:29,470

what has happened is that the users of

89

00:04:34,560 --> 00:04:32,080

social media have really become the

90

00:04:36,480 --> 00:04:34,570

product and I'll explain that more in

91

00:04:38,760 --> 00:04:36,490

detail and get into in a second but that

92

00:04:42,030 --> 00:04:38,770

the first problem that we're addressing

93

00:04:45,090 --> 00:04:42,040

is the billions of users that are

94

00:04:47,280 --> 00:04:45,100

generating all this dollar value for the

95

00:04:48,930 --> 00:04:47,290

for these enterprises and not getting

96

00:04:51,240 --> 00:04:48,940

their fair share okay

97

00:04:53,280 --> 00:04:51,250

the second thing that we're solving for

98

00:04:55,440 --> 00:04:53,290

is that the fans

99

00:04:58,140 --> 00:04:55,450

of the paranormal and the unexplained

100

00:05:00,600 --> 00:04:58,150

and the metaphysical don't really have a

101
00:05:04,560 --> 00:05:00,610
place they can all go together to

102
00:05:07,380 --> 00:05:04,570
connect and collaborate and you know and

103
00:05:10,080 --> 00:05:07,390
actually earn money in the process so

104
00:05:13,890 --> 00:05:10,090
you know this community our community is

105
00:05:17,460 --> 00:05:13,900
the most dedicated community out there

106
00:05:20,610 --> 00:05:17,470
they're they're more engaged than pretty

107
00:05:23,100 --> 00:05:20,620
much any other social community that

108
00:05:25,140 --> 00:05:23,110
gathers around the topic and our topics

109
00:05:27,180 --> 00:05:25,150
can can be you know broad and

110
00:05:29,940 --> 00:05:27,190
far-reaching but our but our membership

111
00:05:32,040 --> 00:05:29,950
our excuse me our community is is really

112
00:05:36,840 --> 00:05:32,050
really engaged we wanted to build a

113
00:05:39,720 --> 00:05:36,850

place that all subject matters that are

114

00:05:41,490 --> 00:05:39,730

related like this you know as I said

115

00:05:44,790 --> 00:05:41,500

from the paranormal to the metaphysical

116

00:05:47,820 --> 00:05:44,800

can come together and meet each other

117

00:05:49,020 --> 00:05:47,830

engage in it talk talk about things

118

00:05:51,540 --> 00:05:49,030

they're probably not going to talk about

119

00:05:53,010 --> 00:05:51,550

on Facebook look we're not gonna tell

120

00:05:55,110 --> 00:05:53,020

people that they should drop their

121

00:05:56,730 --> 00:05:55,120

Facebook accounts because they're always

122

00:05:58,770 --> 00:05:56,740

going to want to engage with friends and

123

00:06:00,120 --> 00:05:58,780

family and share pictures of what

124

00:06:03,210 --> 00:06:00,130

happened over the weekend or whatever

125

00:06:05,400 --> 00:06:03,220

but the the subject matter is that that

126

00:06:06,630 --> 00:06:05,410

we're involved in is probably not

127

00:06:08,790 --> 00:06:06,640

something they're going to throw out

128

00:06:10,710 --> 00:06:08,800

there and talk about on there you know

129

00:06:15,560 --> 00:06:10,720

on their social channels it's it's just

130

00:06:17,910 --> 00:06:15,570

not and so we wanted to reach out to all

131

00:06:20,910 --> 00:06:17,920

everybody in our in our in our community

132

00:06:24,270 --> 00:06:20,920

and give them a place to go now you know

133

00:06:26,280 --> 00:06:24,280

why watching and why crypto you know

134

00:06:30,150 --> 00:06:26,290

what are we doing there so as you said a

135

00:06:34,410 --> 00:06:30,160

minute ago on your show the we are not

136

00:06:37,800 --> 00:06:34,420

asking users to come invest money in

137

00:06:40,530 --> 00:06:37,810

Bitcoin I know that there's a million

138

00:06:42,900 --> 00:06:40,540

different views on Bitcoin its future

139

00:06:46,170 --> 00:06:42,910

and everything else so we're you don't

140

00:06:49,050 --> 00:06:46,180

have to bring a single dollar to on

141

00:06:51,180 --> 00:06:49,060

Stella what you have to bring is an

142

00:06:54,480 --> 00:06:51,190

appetite to engage and connect with

143

00:06:58,310 --> 00:06:54,490

other people and learn and share and

144

00:07:02,460 --> 00:06:58,320

just from that activity on our platform

145

00:07:04,740 --> 00:07:02,470

you'll earn cryptocurrency so remember

146

00:07:07,050 --> 00:07:04,750

the first problem I explained the the

147

00:07:08,940 --> 00:07:07,060

problem with these all this activity

148

00:07:12,330 --> 00:07:08,950

only social media networks you know if

149

00:07:16,470 --> 00:07:12,340

you think about it you've just the big

150

00:07:19,350 --> 00:07:16,480

guys have just reduced people to you

151
00:07:22,980 --> 00:07:19,360
know information so all the activity

152
00:07:25,860 --> 00:07:22,990
that people create online is essentially

153
00:07:28,409 --> 00:07:25,870
taken and broken down in bits and bytes

154
00:07:31,650 --> 00:07:28,419
of data or created that stuff is the

155
00:07:34,500 --> 00:07:31,660
data is sliced and diced and sold you

156
00:07:36,240 --> 00:07:34,510
know it's your your information is sold

157
00:07:39,659 --> 00:07:36,250
your tracked your you know if you ever

158
00:07:41,760 --> 00:07:39,669
wonder like why you're on one of these

159
00:07:44,370 --> 00:07:41,770
sites and you're you're you decide to

160
00:07:46,379 --> 00:07:44,380
leave the site and then go Google I

161
00:07:48,629 --> 00:07:46,389
don't know new pair of shoes or whatever

162
00:07:51,240 --> 00:07:48,639
and then it seems like everywhere you go

163
00:07:53,250 --> 00:07:51,250

from then on this is a you know an ad

164

00:07:55,020 --> 00:07:53,260

for new shoes is popping up including

165

00:07:58,409 --> 00:07:55,030

back at your social media network well

166

00:08:01,350 --> 00:07:58,419

you know you've just become you know

167

00:08:02,610 --> 00:08:01,360

data that they've sold and so you know

168

00:08:04,590 --> 00:08:02,620

all right

169

00:08:06,150 --> 00:08:04,600

the problems don't stop there but are

170

00:08:08,969 --> 00:08:06,160

you know I'll explain more about that

171

00:08:12,240 --> 00:08:08,979

but but our approach is that look if

172

00:08:14,279 --> 00:08:12,250

there's any revenue being generated the

173

00:08:16,500 --> 00:08:14,289

members that are creating all the

174

00:08:19,320 --> 00:08:16,510

activity and all the revenue oughta

175

00:08:21,450 --> 00:08:19,330

share and huge huge percentages of that

176

00:08:25,890 --> 00:08:21,460

so you know that's one reason we built

177

00:08:30,180 --> 00:08:25,900

on stellar it's really a member it's a

178

00:08:33,360 --> 00:08:30,190

it's a it's a it's a member you know

179

00:08:35,430 --> 00:08:33,370

revenue generated site that the members

180

00:08:37,560 --> 00:08:35,440

participate in that's really it and you

181

00:08:39,240 --> 00:08:37,570

know it's I you know I think there's

182

00:08:41,820 --> 00:08:39,250

some other topics that are hitting the

183

00:08:45,600 --> 00:08:41,830

news lately like Janine mentioned

184

00:08:50,430 --> 00:08:45,610

actually you know censorship a huge huge

185

00:08:53,010 --> 00:08:50,440

issue right another social engineering

186

00:08:56,370 --> 00:08:53,020

I mean gossip I've seen and heard

187

00:08:58,170 --> 00:08:56,380

industry insiders talk about how some of

188

00:09:00,870 --> 00:08:58,180

these big social networks are actually

189

00:09:03,690 --> 00:09:00,880

manipulating your feed and playing with

190

00:09:06,269 --> 00:09:03,700

your endorphin levels in what they with

191

00:09:08,910 --> 00:09:06,279

what they show you in order to addictive

192

00:09:11,579 --> 00:09:08,920

and engage you and to keep you coming

193

00:09:13,980 --> 00:09:11,589

back and it's a very you know it's it's

194

00:09:15,960 --> 00:09:13,990

really a very creepy environment that

195

00:09:17,760 --> 00:09:15,970

people are in and and you know look we

196

00:09:20,010 --> 00:09:17,770

haven't had to pay for this stuff by and

197

00:09:20,759 --> 00:09:20,020

large you know mostly just go to a side

198

00:09:22,919 --> 00:09:20,769

you download

199

00:09:25,139 --> 00:09:22,929

app it's free hey we'll use it all your

200

00:09:27,479 --> 00:09:25,149

friends are using it let's let's go for

201
00:09:29,009 --> 00:09:27,489
it but the reality of it is it's when

202
00:09:32,939 --> 00:09:29,019
you look at what goes on behind the

203
00:09:36,829 --> 00:09:32,949
scenes it's it's sort of sinister Minh

204
00:09:41,059 --> 00:09:36,839
and so anyway we designed on stellar

205
00:09:44,579 --> 00:09:41,069
with the with you know an open

206
00:09:47,999 --> 00:09:44,589
transparent and decent decentralized

207
00:09:50,489 --> 00:09:48,009
structure and those are you know fancy

208
00:09:52,679 --> 00:09:50,499
words that simply mean you know open

209
00:09:55,679 --> 00:09:52,689
means we don't we're not going to censor

210
00:09:58,530 --> 00:09:55,689
a content once content is on our

211
00:10:00,150 --> 00:09:58,540
blockchain it becomes immutable which is

212
00:10:04,350 --> 00:10:00,160
a fancy word for saying it's

213
00:10:06,859 --> 00:10:04,360

unchangeable you you put something on

214

00:10:11,609 --> 00:10:06,869

our blockchain and it won't go away

215

00:10:14,100 --> 00:10:11,619

that's a huge benefit you know against a

216

00:10:16,169 --> 00:10:14,110

site like YouTube for example that you

217

00:10:18,359 --> 00:10:16,179

know if you happen to you know breach

218

00:10:20,129 --> 00:10:18,369

what they consider to be their

219

00:10:21,689 --> 00:10:20,139

guidelines which may or may not be

220

00:10:23,939 --> 00:10:21,699

written in stoned and they're going to

221

00:10:28,859 --> 00:10:23,949

pull your video down well you know we're

222

00:10:33,809 --> 00:10:28,869

never going to do that in on stellar let

223

00:10:36,329 --> 00:10:33,819

me jump in Scott Eddy and PA says he

224

00:10:39,269 --> 00:10:36,339

wants to get this question question in

225

00:10:42,569 --> 00:10:39,279

early what will these tokens be used for

226

00:10:45,989 --> 00:10:42,579

also if an artist posed their work can

227

00:10:48,269 --> 00:10:45,999

they earn tokens by likes etc and that's

228

00:10:50,280 --> 00:10:48,279

exactly right there that shows you the

229

00:10:54,480 --> 00:10:50,290

intelligence of this audience number one

230

00:10:56,369 --> 00:10:54,490

number two Eddie that's exactly what we

231

00:10:59,400 --> 00:10:56,379

are talking about here

232

00:11:03,179 --> 00:10:59,410

whether you are any type of content

233

00:11:06,409 --> 00:11:03,189

creator whether it's video audio books

234

00:11:09,389 --> 00:11:06,419

maybe comments research maybe you had a

235

00:11:13,499 --> 00:11:09,399

sighting somewhere a ghost in your house

236

00:11:17,069 --> 00:11:13,509

Bigfoot whatever it is you post the

237

00:11:21,449 --> 00:11:17,079

content on on stellar through the

238

00:11:24,269 --> 00:11:21,459

community likes posted and likes cost

239

00:11:27,629 --> 00:11:24,279

the user a little bit of token right

240

00:11:29,249 --> 00:11:27,639

because so just a hit home well let me

241

00:11:32,549 --> 00:11:29,259

well let me let me correct you in that

242

00:11:34,590 --> 00:11:32,559

let me correct you in that we our

243

00:11:37,639 --> 00:11:34,600

structure doesn't cost

244

00:11:42,240 --> 00:11:37,649

the user anything to upvote or downvote

245

00:11:45,870 --> 00:11:42,250

content except it costs them how to say

246

00:11:47,600 --> 00:11:45,880

it it's it you know based on the amount

247

00:11:50,910 --> 00:11:47,610

of tokens that you have in your wallet

248

00:11:54,240 --> 00:11:50,920

you get a certain amount of voting power

249

00:11:56,340 --> 00:11:54,250

and that power replenishes over time so

250

00:12:00,269 --> 00:11:56,350

let's say that I don't know you have 30

251
00:12:02,819 --> 00:12:00,279
tokens and you got you know 300 votes

252
00:12:04,980 --> 00:12:02,829
through the system well you're going to

253
00:12:07,800 --> 00:12:04,990
have to wait for time to sort of

254
00:12:09,030 --> 00:12:07,810
regenerate your supply of voting your

255
00:12:11,340 --> 00:12:09,040
your but you didn't spend any

256
00:12:13,199 --> 00:12:11,350
cryptocurrency doing that so but he's

257
00:12:16,350 --> 00:12:13,209
exactly right so what you'll do is

258
00:12:17,730 --> 00:12:16,360
you'll you'll post content whatever like

259
00:12:19,439 --> 00:12:17,740
you know that you're never going to post

260
00:12:21,120 --> 00:12:19,449
on Facebook you know you had a ghost in

261
00:12:23,040 --> 00:12:21,130
your house you're not putting that on

262
00:12:25,199 --> 00:12:23,050
Facebook right you're you're going to

263
00:12:27,780 --> 00:12:25,209

because your friends and family would

264

00:12:31,170 --> 00:12:27,790

you know this was you know you know

265

00:12:33,059 --> 00:12:31,180

unfriend you and disown you so but on on

266

00:12:35,340 --> 00:12:33,069

stellar you can post that and if the

267

00:12:37,379 --> 00:12:35,350

community likes it they'll upload it and

268

00:12:39,900 --> 00:12:37,389

you'll earn cryptocurrency but what can

269

00:12:44,340 --> 00:12:39,910

you do with those tokens there will be

270

00:12:46,499 --> 00:12:44,350

an on board exchange inside of on

271

00:12:48,749 --> 00:12:46,509

stellar that will allow you to trade you

272

00:12:51,829 --> 00:12:48,759

will sell your cryptocurrency but the

273

00:12:54,660 --> 00:12:51,839

crypto will also be tradable outside at

274

00:12:55,740 --> 00:12:54,670

many of the cryptic exchanges that you

275

00:12:57,749 --> 00:12:55,750

may know of today

276

00:12:59,460 --> 00:12:57,759

okay so that's that's one thing the

277

00:13:02,939 --> 00:12:59,470

second thing you'd be able to do with it

278

00:13:05,400 --> 00:13:02,949

instead of just liquidating your tokens

279

00:13:11,400 --> 00:13:05,410

you could trade those for goods or

280

00:13:13,199 --> 00:13:11,410

services or events you know our our RT

281

00:13:16,439 --> 00:13:13,209

contributors that we're bringing to the

282

00:13:20,340 --> 00:13:16,449

site will once we once our official site

283

00:13:22,769 --> 00:13:20,350

goes live this coming Wednesday you'll

284

00:13:24,840 --> 00:13:22,779

recognize many of the names that are

285

00:13:27,240 --> 00:13:24,850

that are that are that are going to show

286

00:13:29,340 --> 00:13:27,250

up on the key contributor section and

287

00:13:31,650 --> 00:13:29,350

believe me you'll want to be an on

288

00:13:34,019 --> 00:13:31,660

stellar interacting with these people

289

00:13:36,660 --> 00:13:34,029

but I'm talking about industry leaders

290

00:13:39,389 --> 00:13:36,670

and so if there's an event a conference

291

00:13:42,350 --> 00:13:39,399

whatever as long as we're posting that

292

00:13:44,790 --> 00:13:42,360

through on stellar it you can absolutely

293

00:13:47,460 --> 00:13:44,800

be involved become involved in that and

294

00:13:49,019 --> 00:13:47,470

pay for it with your tokens so it's a

295

00:13:51,600 --> 00:13:49,029

huge advantage

296

00:13:55,350 --> 00:13:51,610

and and you know they're there when you

297

00:13:59,579 --> 00:13:55,360

join on stellar with with with Jimmy's

298

00:14:02,579 --> 00:13:59,589

offer code you know we will we will

299

00:14:04,680 --> 00:14:02,589

grant you tokens upon joining the system

300

00:14:08,400 --> 00:14:04,690

when the system becomes live in the

301
00:14:10,680 --> 00:14:08,410
third quarter so join offer code Jimmy

302
00:14:12,269 --> 00:14:10,690
you'll get tokens and then as you

303
00:14:14,850 --> 00:14:12,279
participate in the system you'll earn

304
00:14:18,510 --> 00:14:14,860
more crypto so you don't actually have

305
00:14:20,370 --> 00:14:18,520
to worry about all the you know risks of

306
00:14:22,650 --> 00:14:20,380
putting your hard-earned money into

307
00:14:26,550 --> 00:14:22,660
cryptocurrency it's a great way to do

308
00:14:30,600 --> 00:14:26,560
this guys it's a great on ramp into you

309
00:14:35,329 --> 00:14:30,610
know the crypto world right it's the the

310
00:14:39,540 --> 00:14:35,339
blockchain itself is such a unique

311
00:14:41,760 --> 00:14:39,550
engine that can be used and you'll see

312
00:14:44,310 --> 00:14:41,770
it used in the future for a whole host

313
00:14:48,180 --> 00:14:44,320

of different applications you know it's

314

00:14:51,710 --> 00:14:48,190

the engine itself and in this case the

315

00:14:55,110 --> 00:14:51,720

on stellar community will be a

316

00:14:57,000 --> 00:14:55,120

self-sustaining town where you have you

317

00:14:59,819 --> 00:14:57,010

know you have a factory you have Main

318

00:15:01,590 --> 00:14:59,829

Street you have people what you interact

319

00:15:02,970 --> 00:15:01,600

and you talk and you have the barbershop

320

00:15:04,680 --> 00:15:02,980

and you have the supermarket and you're

321

00:15:07,319 --> 00:15:04,690

running around and you're talking and

322

00:15:09,840 --> 00:15:07,329

and and you're working and everything

323

00:15:12,630 --> 00:15:09,850

that gets an economy going that's

324

00:15:15,510 --> 00:15:12,640

exactly what's going to happen at on

325

00:15:20,220 --> 00:15:15,520

stellar and I think it's one of the most

326

00:15:23,100 --> 00:15:20,230

freedom of thought ideas to come along

327

00:15:25,230 --> 00:15:23,110

and in quite a while and I think it's

328

00:15:28,920 --> 00:15:25,240

gonna change the social media landscape

329

00:15:31,100 --> 00:15:28,930

in the future well we certainly hope so

330

00:15:34,350 --> 00:15:31,110

I mean I think that there are you know

331

00:15:37,800 --> 00:15:34,360

you know there are a thousand things

332

00:15:41,100 --> 00:15:37,810

headed our way with blockchain that we

333

00:15:44,519 --> 00:15:41,110

have no idea about where we are in this

334

00:15:49,500 --> 00:15:44,529

entire sort of call it the blockchain

335

00:15:51,840 --> 00:15:49,510

roll out into society is probably right

336

00:15:54,090 --> 00:15:51,850

about where we were when I don't for

337

00:15:57,360 --> 00:15:54,100

some of your listeners who were you were

338

00:15:59,610 --> 00:15:57,370

old enough I remember the day hey when

339

00:16:00,870 --> 00:15:59,620

we used to drive around with cell phones

340

00:16:03,630 --> 00:16:00,880

in the trunk of our

341

00:16:05,490 --> 00:16:03,640

Harz the batteries were so big you had

342

00:16:08,970 --> 00:16:05,500

to put the thing in the trunk to be able

343

00:16:10,920 --> 00:16:08,980

to to operate it and and so and if you

344

00:16:13,350 --> 00:16:10,930

remember back well even further than

345

00:16:15,720 --> 00:16:13,360

that my dad was an old IBM ER and they

346

00:16:17,580 --> 00:16:15,730

used to have computers filling

347

00:16:21,480 --> 00:16:17,590

warehouses I mean these things were the

348

00:16:23,640 --> 00:16:21,490

size of buildings and if I remember they

349

00:16:25,410 --> 00:16:23,650

used to say well gosh you know why would

350

00:16:27,270 --> 00:16:25,420

anyone ever need a computer at their

351
00:16:29,040 --> 00:16:27,280
house that's there's no way that's going

352
00:16:31,860 --> 00:16:29,050
to happen and now look we have them in

353
00:16:34,680 --> 00:16:31,870
our pockets right so we're we're at the

354
00:16:38,490 --> 00:16:34,690
my point is is that we're at the very

355
00:16:41,400 --> 00:16:38,500
very very early stages of the rollout of

356
00:16:43,440 --> 00:16:41,410
blockchain into our you know society and

357
00:16:45,140 --> 00:16:43,450
what I would say is that Jimmy you're

358
00:16:48,450 --> 00:16:45,150
exactly right

359
00:16:50,880 --> 00:16:48,460
there are ways that that technology is

360
00:16:53,430 --> 00:16:50,890
going to change something as simple as

361
00:16:55,710 --> 00:16:53,440
the way the internet the internet is

362
00:16:58,170 --> 00:16:55,720
architected so the problems that you

363
00:17:00,480 --> 00:16:58,180

were experiencing today with with the

364

00:17:03,020 --> 00:17:00,490

service the bandwidth or whatever it

365

00:17:05,460 --> 00:17:03,030

whatever you want to call it you know

366

00:17:10,860 --> 00:17:05,470

the what the industry has gotten away

367

00:17:13,620 --> 00:17:10,870

with being pretty lazy as far as network

368

00:17:16,230 --> 00:17:13,630

architecture and you know simply because

369

00:17:18,559 --> 00:17:16,240

you know in the days of small file sizes

370

00:17:21,510 --> 00:17:18,569

I started one of the original internet

371

00:17:23,910 --> 00:17:21,520

providers it was called flash net I

372

00:17:27,000 --> 00:17:23,920

ended up you know taking the company

373

00:17:28,680 --> 00:17:27,010

public that has an IPO I want to talk

374

00:17:31,280 --> 00:17:28,690

about what we're doing with AI with on

375

00:17:34,950 --> 00:17:31,290

stellar and a little bit but our

376

00:17:36,660 --> 00:17:34,960

internet provider was you know the whole

377

00:17:39,660 --> 00:17:36,670

the whole design of the network was

378

00:17:42,570 --> 00:17:39,670

architected and in a day when he didn't

379

00:17:44,880 --> 00:17:42,580

have these giant file sizes and you know

380

00:17:46,920 --> 00:17:44,890

real-time media streaming and all that

381

00:17:49,080 --> 00:17:46,930

sort of stuff so well I guess what I'm

382

00:17:51,690 --> 00:17:49,090

getting at is the blockchain is even

383

00:17:54,210 --> 00:17:51,700

going to re-architect some of the way

384

00:17:56,580 --> 00:17:54,220

the networks are designed because some

385

00:18:00,120 --> 00:17:56,590

of the basic features that the

386

00:18:02,220 --> 00:18:00,130

blockchain offers these will will

387

00:18:04,290 --> 00:18:02,230

actually restructure the network's so

388

00:18:07,320 --> 00:18:04,300

anyway that's that's off topic from on

389

00:18:10,810 --> 00:18:07,330

stellar yeah we're we're exactly right

390

00:18:12,820 --> 00:18:10,820

this is this is going to be huge yes

391

00:18:14,379 --> 00:18:12,830

listen Scott Scott we're gonna hit a

392

00:18:17,710 --> 00:18:14,389

commercial here in three minutes and

393

00:18:19,870 --> 00:18:17,720

I've got to get desh in here so I wanted

394

00:18:22,870 --> 00:18:19,880

a couple of uh key questions that have

395

00:18:25,629 --> 00:18:22,880

just popped up and as quick as you can

396

00:18:27,669 --> 00:18:25,639

what about the inevitable if everything

397

00:18:29,070 --> 00:18:27,679

is uncensored and everything stays up

398

00:18:31,840 --> 00:18:29,080

and everything stays in the blockchain

399

00:18:33,940 --> 00:18:31,850

how do you weed out the troublemakers

400

00:18:35,350 --> 00:18:33,950

and the trolls that know this and are

401

00:18:39,279 --> 00:18:35,360

just going to come out and post or

402

00:18:41,259 --> 00:18:39,289

whatever they want so on stellar will

403

00:18:43,480 --> 00:18:41,269

have a tribunal made up of community

404

00:18:46,450 --> 00:18:43,490

members this entire platform will be

405

00:18:49,990 --> 00:18:46,460

community governs and so the community

406

00:18:52,779 --> 00:18:50,000

members who are who decide and are voted

407

00:18:55,090 --> 00:18:52,789

in as tribunal members will have the

408

00:18:57,519 --> 00:18:55,100

opportunity to police the bad actors and

409

00:18:59,350 --> 00:18:57,529

additionally all you have to do is down

410

00:19:00,700 --> 00:18:59,360

vote the bad actors they don't get

411

00:19:03,070 --> 00:19:00,710

anything for it they're going to end up

412

00:19:04,960 --> 00:19:03,080

going away yeah those are the two

413

00:19:09,549 --> 00:19:04,970

solutions right yeah right but the post

414

00:19:11,799 --> 00:19:09,559

itself will stay live the post will stay

415

00:19:14,430 --> 00:19:11,809

live but it will essentially disappear

416

00:19:18,399 --> 00:19:14,440

if it's downloaded into oblivion now the

417

00:19:21,159 --> 00:19:18,409

tribunal would have the ability to ban

418

00:19:23,639 --> 00:19:21,169

the community member and because of our

419

00:19:25,990 --> 00:19:23,649

verification process when people join

420

00:19:27,999 --> 00:19:26,000

you know they have to enter a cellphone

421

00:19:30,190 --> 00:19:28,009

number and and they can't just be a

422

00:19:32,049 --> 00:19:30,200

random person that joins you know

423

00:19:35,350 --> 00:19:32,059

hundred times unless they have a hundred

424

00:19:38,110 --> 00:19:35,360

cellphones but right there'll be a basic

425

00:19:41,289 --> 00:19:38,120

security measure to prevent multiple

426

00:19:43,749 --> 00:19:41,299

logins or sign ins by you know one

427

00:19:46,299 --> 00:19:43,759

person using different accounts and the

428

00:19:49,149 --> 00:19:46,309

tribunal can can elect to ban that that

429

00:19:51,369 --> 00:19:49,159

individual and then the you know that

430

00:19:54,669 --> 00:19:51,379

yeah the the the immutable nature of the

431

00:19:56,799 --> 00:19:54,679

blockchain will prevent us from deleting

432

00:19:58,389 --> 00:19:56,809

the con the content that they post it

433

00:20:00,820 --> 00:19:58,399

but it will effectively become invisible

434

00:20:05,320 --> 00:20:00,830

if it's downloaded away into oblivion

435

00:20:07,090 --> 00:20:05,330

now and we've got 60 seconds and then we

436

00:20:08,649 --> 00:20:07,100

we have to break and I want to thank you

437

00:20:08,919 --> 00:20:08,659

for taking the time Scott for coming in

438

00:20:13,060 --> 00:20:08,929

tonight

439

00:20:16,060 --> 00:20:13,070

but like blockchain I think Mo's are

440

00:20:18,009 --> 00:20:16,070

blocking like Bitcoin most are assuming

441

00:20:19,899 --> 00:20:18,019

you have to spend money and invest into

442

00:20:23,800 --> 00:20:19,909

this cryptocurrency to become a member

443

00:20:26,290 --> 00:20:23,810

or to participate you do not correct

444

00:20:28,780 --> 00:20:26,300

there are two ways to participate with

445

00:20:31,210 --> 00:20:28,790

the on stellar tokens you can either buy

446

00:20:34,420 --> 00:20:31,220

in and your opportunity to do that will

447

00:20:37,750 --> 00:20:34,430

be at our ICO that starts on March 29th

448

00:20:39,640 --> 00:20:37,760

or you can work in and that simply means

449

00:20:41,830 --> 00:20:39,650

pay man just participate in the

450

00:20:44,820 --> 00:20:41,840

community just come in and engage with

451
00:20:48,040 --> 00:20:44,830
people up vote down both post content

452
00:20:51,180 --> 00:20:48,050
find your favorite industry professional

453
00:20:53,590 --> 00:20:51,190
in on stellar and that will earn

454
00:20:56,680 --> 00:20:53,600
cryptocurrency for you so two ways

455
00:20:58,420 --> 00:20:56,690
buy-in or work in thank you so much

456
00:21:02,680 --> 00:20:58,430
because with that these are exciting

457
00:21:04,660 --> 00:21:02,690
times so everything the the registration

458
00:21:09,130 --> 00:21:04,670
and announcements kick off this

459
00:21:12,670 --> 00:21:09,140
Wednesday absolutely people can find us

460
00:21:15,040 --> 00:21:12,680
at on stellar dot-com and we invite

461
00:21:17,230 --> 00:21:15,050
everyone to come on in check out the

462
00:21:20,590 --> 00:21:17,240
site download the whitepaper

463
00:21:23,020 --> 00:21:20,600

take a read participating the ico if you

464

00:21:24,610 --> 00:21:23,030

want to but more importantly register

465

00:21:27,070 --> 00:21:24,620

with that offer coach jimmy and just

466

00:21:30,250 --> 00:21:27,080

join on in with us thank you so much

467

00:21:31,810 --> 00:21:30,260

yeah scott Leslie CEO of on stellar

468

00:21:34,810 --> 00:21:31,820

thank you so much Scott now when I come

469

00:21:37,680 --> 00:21:34,820

back we're gonna be joined by VP desh

470

00:21:40,150 --> 00:21:37,690

we're go des right here on fade to black

471

00:21:44,750 --> 00:21:40,160

tonight's the night we're announcing on

472

00:21:52,190 --> 00:21:50,080

[Music]

473

00:21:54,080 --> 00:21:52,200

this is fade to black

474

00:21:57,770 --> 00:21:54,090

with Jimmy Church on the game changer

475

00:22:02,240 --> 00:21:57,780

radio network at K GRA the global radio

476
00:22:05,120 --> 00:22:02,250
alliance this is kera digital

477
00:22:09,680 --> 00:22:05,130
broadcasting station Salt Lake City Utah

478
00:22:12,050 --> 00:22:09,690
Van Buren Arkansas hello fader Knotts

479
00:22:15,710 --> 00:22:12,060
this is Jimmy Church and I'm introducing

480
00:22:19,160 --> 00:22:15,720
new pharma a company whose products are

481
00:22:23,270 --> 00:22:19,170
based on science human function based on

482
00:22:26,060 --> 00:22:23,280
the endocannabinoid system or ECS new

483
00:22:28,100 --> 00:22:26,070
pharma firmly believes in this science

484
00:22:30,680 --> 00:22:28,110
and their research indicates that

485
00:22:32,780 --> 00:22:30,690
support of the ECS provides the

486
00:22:36,100 --> 00:22:32,790
beneficial effects for a healthy

487
00:22:38,810 --> 00:22:36,110
lifestyle new Pharma science includes

488
00:22:41,870 --> 00:22:38,820

relief capsules for pain relief

489

00:22:44,960 --> 00:22:41,880

sleep capsules which are natural support

490

00:22:48,410 --> 00:22:44,970

for occasional sleeplessness Foundation

491

00:22:51,470 --> 00:22:48,420

is support for your ECS and fit capsules

492

00:22:53,120 --> 00:22:51,480

support your active lifestyle just click

493

00:22:57,170 --> 00:22:53,130

on the banner at Jimmy Church radio.com

494

00:22:59,720 --> 00:22:57,180

and use the promo code f to be for a 33%

495

00:23:02,750 --> 00:22:59,730

discount on all of their products or

496

00:23:06,050 --> 00:23:02,760

visit new Pharma comm for all of the

497

00:23:16,910 --> 00:23:06,060

knowledge on the science that's GNU

498

00:23:21,420 --> 00:23:19,560

hi this is Ray sobs here reppin the

499

00:23:24,420 --> 00:23:21,430

planet and you're listening to my good

500

00:23:26,970 --> 00:23:24,430

friend Jimmy Church fade to black

501
00:23:31,530 --> 00:23:26,980
on the GameChanger network and the kgr a

502
00:23:33,690 --> 00:23:31,540
digital broadcast station this is Toby

503
00:23:56,640 --> 00:23:33,700
Kebbell you're listening to Jimmy Church

504
00:24:00,750 --> 00:23:56,650
radio calm revolution ancient life oil

505
00:24:03,390 --> 00:24:00,760
life changing the real oil CBD is truly

506
00:24:05,730 --> 00:24:03,400
ancient life oil from the source this

507
00:24:08,730 --> 00:24:05,740
oil has no psychoactive effect and is

508
00:24:11,160 --> 00:24:08,740
also legal in all 50 states when you're

509
00:24:13,530 --> 00:24:11,170
healthy you're happy the truth about

510
00:24:16,740 --> 00:24:13,540
this wonderful plant is that it wants to

511
00:24:19,890 --> 00:24:16,750
give back to mankind life longevity and

512
00:24:22,680 --> 00:24:19,900
happiness ancient life oil are golden

513
00:24:25,050 --> 00:24:22,690

gray all organic non-gmo and infused

514

00:24:27,810 --> 00:24:25,060

with high-quality liquid coconut oil

515

00:24:31,170 --> 00:24:27,820

it's simple just go to ancient life oil

516

00:24:35,040 --> 00:24:31,180

dot-com today that's ancient life oil

517

00:24:39,510 --> 00:24:35,050

dot-com the best purest organic and

518

00:24:40,800 --> 00:24:39,520

non-gmo CBD in the world gobekli tepe

519

00:24:42,150 --> 00:24:40,810

the statements made regarding these

520

00:24:43,260 --> 00:24:42,160

products have not been evaluated by the

521

00:24:44,490 --> 00:24:43,270

Food and Drug Administration these

522

00:24:46,410 --> 00:24:44,500

products are not intended to diagnose

523

00:24:47,670 --> 00:24:46,420

treat cure or prevent any disease please

524

00:24:49,140 --> 00:24:47,680

consult your health care professional

525

00:24:51,060 --> 00:24:49,150

about potential interactions or other

526

00:24:52,740 --> 00:24:51,070

possible complications before using any

527

00:24:54,540 --> 00:24:52,750

product this is Micah Hanks of the

528

00:24:56,280 --> 00:24:54,550

graylien report and you're listening to

529

00:24:57,750 --> 00:24:56,290

Jimmy church on fade to black

530

00:25:00,720 --> 00:24:57,760

across the globe on the GameChanger

531

00:25:02,490 --> 00:25:00,730

radio network and the one and only kgr a

532

00:25:22,049 --> 00:25:02,500

radio the planet

533

00:25:28,060 --> 00:25:24,400

welcome back fade to black I'm the host

534

00:25:32,110 --> 00:25:28,070

Jimmy church tonight we aren't

535

00:25:34,990 --> 00:25:32,120

announcing on stellar an exciting new

536

00:25:38,950 --> 00:25:35,000

social media platform for our community

537

00:25:44,230 --> 00:25:38,960

based on the blockchain and it's

538

00:25:47,650 --> 00:25:44,240

actually much more simple than you are

539

00:25:50,740 --> 00:25:47,660

imagining okay so I'm bringing on now

540

00:25:54,789 --> 00:25:50,750

- we're go to the vice president and

541

00:25:57,850 --> 00:25:54,799

head of technology at at on stellar -

542

00:26:00,730 --> 00:25:57,860

welcome to the program Thank You Jimmy

543

00:26:03,640 --> 00:26:00,740

pleasure to be here hey there you go

544

00:26:07,060 --> 00:26:03,650

welcome - and so what I was about to say

545

00:26:09,520 --> 00:26:07,070

- is it's actually very simple this is a

546

00:26:11,890 --> 00:26:09,530

social media platform that you will be

547

00:26:13,630 --> 00:26:11,900

used to and acclimated to out of the

548

00:26:16,450 --> 00:26:13,640

gate and everything that you've been

549

00:26:20,530 --> 00:26:16,460

doing on social media before will happen

550

00:26:22,960 --> 00:26:20,540

here except now it is based on the

551
00:26:26,470 --> 00:26:22,970
blockchain and all of that time that you

552
00:26:29,560 --> 00:26:26,480
spend on social media will get rewarded

553
00:26:31,180 --> 00:26:29,570
it's really that simple you know it's

554
00:26:34,000 --> 00:26:31,190
not going to be any different for you

555
00:26:37,600 --> 00:26:34,010
except for now the blockchain is there

556
00:26:39,909 --> 00:26:37,610
to support the community both on a

557
00:26:42,039 --> 00:26:39,919
member level and all the way up through

558
00:26:45,310 --> 00:26:42,049
content creators and authors and

559
00:26:48,220 --> 00:26:45,320
directors and researchers across the

560
00:26:51,640 --> 00:26:48,230
board right that's exactly right

561
00:26:53,169 --> 00:26:51,650
actually so you know when when we first

562
00:26:54,820 --> 00:26:53,179
started working on this interface we

563
00:26:56,799 --> 00:26:54,830

looked at the existing platforms out

564

00:26:58,450 --> 00:26:56,809

there you know Facebook Twitter

565

00:27:00,400 --> 00:26:58,460

Instagram and all those things and what

566

00:27:03,250 --> 00:27:00,410

we did was we took you know the best of

567

00:27:04,990 --> 00:27:03,260

those platforms and innovated into our

568

00:27:07,330 --> 00:27:05,000

platform and made it very simple and

569

00:27:12,180 --> 00:27:07,340

easy to use and of course in a bit

570

00:27:15,549 --> 00:27:12,190

intuitive and so the first things that

571

00:27:17,440 --> 00:27:15,559

anybody is gonna ask is well can I share

572

00:27:20,350 --> 00:27:17,450

can I upload

573

00:27:23,230 --> 00:27:20,360

what about videos can I comment can I

574

00:27:26,950 --> 00:27:23,240

dislike as well as like right that's how

575

00:27:29,560 --> 00:27:26,960

the community is so social media focus

576

00:27:32,380 --> 00:27:29,570

now they know what they want and demand

577

00:27:34,870 --> 00:27:32,390

in a platform so when they ask these

578

00:27:35,940 --> 00:27:34,880

questions are the answers all yes yes

579

00:27:40,799 --> 00:27:35,950

yes

580

00:27:43,389 --> 00:27:40,809

do on like Facebook to be post something

581

00:27:45,249 --> 00:27:43,399

you share something and better YouTube

582

00:27:47,169 --> 00:27:45,259

video or things like that you can do

583

00:27:49,029 --> 00:27:47,179

this on this on on stellar but the

584

00:27:51,009 --> 00:27:49,039

benefit of that is that you can get

585

00:27:53,499 --> 00:27:51,019

rewarded because you can monetize any

586

00:27:56,080 --> 00:27:53,509

content that you create or discover so

587

00:27:57,340 --> 00:27:56,090

do all those functionalities that exist

588

00:28:00,310 --> 00:27:57,350

within those other social media

589

00:28:02,470 --> 00:28:00,320

platforms exist in here with the benefit

590

00:28:04,389 --> 00:28:02,480

of blockchain technology which brings in

591

00:28:08,860 --> 00:28:04,399

the whole reward earning structure now

592

00:28:11,590 --> 00:28:08,870

the question always comes up you know

593

00:28:15,789 --> 00:28:11,600

well because when they hear crypto

594

00:28:18,279 --> 00:28:15,799

everybody thinks Bitcoin you know front

595

00:28:20,379 --> 00:28:18,289

and and that and I and I get that you

596

00:28:21,730 --> 00:28:20,389

know it's Bitcoin has been around now

597

00:28:26,970 --> 00:28:21,740

for ten years it's been talked about a

598

00:28:29,350 --> 00:28:26,980

lot but this is not the case here is it

599

00:28:31,119 --> 00:28:29,360

no what you have to understand is we're

600

00:28:33,610 --> 00:28:31,129

using blockchain technology and

601
00:28:35,789 --> 00:28:33,620
blotching is the underlying technology

602
00:28:37,810 --> 00:28:35,799
or architecture behind it things like

603
00:28:40,990 --> 00:28:37,820
other crypto currencies such as Bitcoin

604
00:28:43,060 --> 00:28:41,000
and if they're in them and and so on so

605
00:28:44,980 --> 00:28:43,070
we're not what we're doing is we're

606
00:28:47,529 --> 00:28:44,990
taking that underlying technology and

607
00:28:51,310 --> 00:28:47,539
infrastructure and applying it to our

608
00:28:53,889 --> 00:28:51,320
own blocking now what somebody just

609
00:28:56,499 --> 00:28:53,899
supposed to Justin just said Kent can

610
00:29:01,499 --> 00:28:56,509
people purchase their way into having an

611
00:29:04,119 --> 00:29:01,509
advantage on this on this platform so

612
00:29:06,580 --> 00:29:04,129
that's a great question and so the way

613
00:29:08,499 --> 00:29:06,590

the way the system works is that you're

614

00:29:11,019 --> 00:29:08,509

given a certain amount of tokens and

615

00:29:13,180 --> 00:29:11,029

those tokens come in with diminishing

616

00:29:14,919 --> 00:29:13,190

returns now you can have something

617

00:29:17,889 --> 00:29:14,929

called stellar power and stellar collars

618

00:29:19,509 --> 00:29:17,899

essentially you're uploading power just

619

00:29:21,669 --> 00:29:19,519

because you have more tokens doesn't

620

00:29:24,190 --> 00:29:21,679

necessarily mean that you could upload

621

00:29:28,720 --> 00:29:24,200

more content and thereby create this

622

00:29:31,659 --> 00:29:28,730

kind of unfair advantage so equal

623

00:29:33,580 --> 00:29:31,669

playing field it's an equal playing

624

00:29:35,680 --> 00:29:33,590

field it's really there for the people

625

00:29:39,029 --> 00:29:35,690

that are truly care about the subject

626
00:29:43,450 --> 00:29:39,039
and you know wanna up upload or upload

627
00:29:46,869 --> 00:29:43,460
truly unique content now because it's a

628
00:29:49,539 --> 00:29:46,879
social media platform that that we are

629
00:29:52,119 --> 00:29:49,549
building for the soup

630
00:29:58,239 --> 00:29:52,129
natural and paranormal community but can

631
00:30:00,489 --> 00:29:58,249
anybody join in and and you know create

632
00:30:03,070 --> 00:30:00,499
content somebody just said what about

633
00:30:06,940 --> 00:30:03,080
role-playing game related stuff is it

634
00:30:08,859 --> 00:30:06,950
just limited to the paranormal well it's

635
00:30:10,600 --> 00:30:08,869
limited to the paranormal and medical

636
00:30:12,669 --> 00:30:10,610
school all those things you know white

637
00:30:15,100 --> 00:30:12,679
paper we tell many of the subjects that

638
00:30:17,859 --> 00:30:15,110

we cover but this is very specific to

639

00:30:19,810 --> 00:30:17,869

our kind of subjects because you know

640

00:30:22,149 --> 00:30:19,820

when I've been to a lot of websites that

641

00:30:23,710 --> 00:30:22,159

cover or the apps that cover some of

642

00:30:26,229 --> 00:30:23,720

some of the things that we're interested

643

00:30:28,560 --> 00:30:26,239

in what I find is that it's not really

644

00:30:31,450 --> 00:30:28,570

structured the way that we want it to be

645

00:30:33,249 --> 00:30:31,460

there's a it's really convoluted with so

646

00:30:35,649 --> 00:30:33,259

many things and I understand that but

647

00:30:38,619 --> 00:30:35,659

the way that we've set it up is so that

648

00:30:41,139 --> 00:30:38,629

it's easy to use it's fun to use and you

649

00:30:45,340 --> 00:30:41,149

get rewarded for using it now what if

650

00:30:48,970 --> 00:30:45,350

somebody uploaded sports stuff what

651
00:30:50,499 --> 00:30:48,980
would happen with that content so that

652
00:30:52,359 --> 00:30:50,509
content type of content doesn't

653
00:30:54,430 --> 00:30:52,369
necessarily have a tag so every time you

654
00:30:56,529 --> 00:30:54,440
upload some sort of content you have to

655
00:30:58,749 --> 00:30:56,539
tag it as okay what area does this

656
00:31:00,729 --> 00:30:58,759
belong under so if you upload sports

657
00:31:02,919 --> 00:31:00,739
content it's not necessarily going to

658
00:31:05,169 --> 00:31:02,929
have that specific tag that you're able

659
00:31:08,169 --> 00:31:05,179
to assign it to and then upload that

660
00:31:09,519 --> 00:31:08,179
content with so even if you do upload

661
00:31:11,379 --> 00:31:09,529
that content nobody's really going to

662
00:31:13,119 --> 00:31:11,389
upload that content and that content is

663
00:31:16,029 --> 00:31:13,129

never going to get how do you get

664

00:31:19,899 --> 00:31:16,039

additional tags created for instance

665

00:31:22,330 --> 00:31:19,909

like a role-playing game content I think

666

00:31:24,940 --> 00:31:22,340

that falls under the supernatural if

667

00:31:27,570 --> 00:31:24,950

it's role-playing that's you know

668

00:31:32,349 --> 00:31:27,580

dealing with dragons and magic and

669

00:31:35,200 --> 00:31:32,359

wizards yeah so certainly we're open to

670

00:31:37,389 --> 00:31:35,210

having more categories added to the

671

00:31:39,190 --> 00:31:37,399

platform so if you think that there's a

672

00:31:40,479 --> 00:31:39,200

certain subject or tag that needs to be

673

00:31:42,759 --> 00:31:40,489

in there you could definitely submit

674

00:31:45,340 --> 00:31:42,769

that to us and we'll go through some

675

00:31:46,779 --> 00:31:45,350

sort of review process and think about

676

00:31:48,879 --> 00:31:46,789

actually implementing those kinds of

677

00:31:50,349 --> 00:31:48,889

tags so really open to the subject

678

00:31:53,200 --> 00:31:50,359

categories but we want to be very

679

00:31:55,659 --> 00:31:53,210

subject specific to the kind of things

680

00:31:57,890 --> 00:31:55,669

that we are that we cover in this area

681

00:32:01,500 --> 00:31:57,900

now

682

00:32:03,450 --> 00:32:01,510

what about live-streaming that seems to

683

00:32:05,460 --> 00:32:03,460

be you know periscope and Facebook live

684

00:32:08,630 --> 00:32:05,470

and what's going on with that these days

685

00:32:11,730 --> 00:32:08,640

a lot of live streaming going on

686

00:32:13,169 --> 00:32:11,740

absolutely so live streaming is one of

687

00:32:14,279 --> 00:32:13,179

the things that are happening now and

688

00:32:15,930 --> 00:32:14,289

it's going to be happening in the future

689

00:32:18,060 --> 00:32:15,940

and we definitely want to make that

690

00:32:20,159 --> 00:32:18,070

available in the platforms so you have

691

00:32:21,720 --> 00:32:20,169

the ability to embed existing live live

692

00:32:23,640 --> 00:32:21,730

streaming platforms and actually

693

00:32:25,289 --> 00:32:23,650

monetize those platforms one of the cool

694

00:32:27,180 --> 00:32:25,299

things you could do is that you could

695

00:32:30,360 --> 00:32:27,190

take like your existing blog content or

696

00:32:32,340 --> 00:32:30,370

any sites and take that information or

697

00:32:34,320 --> 00:32:32,350

embed or take that and embed that into

698

00:32:36,720 --> 00:32:34,330

our platform and then monetize that

699

00:32:38,580 --> 00:32:36,730

content so but in terms of live

700

00:32:40,770 --> 00:32:38,590

streaming that is something that we are

701
00:32:42,720 --> 00:32:40,780
building in the future into the platform

702
00:32:44,520 --> 00:32:42,730
because we know that the audience is

703
00:32:49,140 --> 00:32:44,530
asking for it in demanding for it

704
00:32:52,230 --> 00:32:49,150
this is uh this is a really big deal now

705
00:32:54,930 --> 00:32:52,240
it's gonna be kicking off the the site

706
00:32:58,980 --> 00:32:54,940
site the platform itself is gonna launch

707
00:33:01,830 --> 00:32:58,990
in quarter three and looking at the

708
00:33:04,140 --> 00:33:01,840
potential of millions of users hitting

709
00:33:06,380 --> 00:33:04,150
those servers all at the same time on

710
00:33:08,880 --> 00:33:06,390
that day are you guys ready for this oh

711
00:33:12,360 --> 00:33:08,890
absolutely we've been actually running

712
00:33:15,390 --> 00:33:12,370
tests on the platform we've tested up to

713
00:33:18,810 --> 00:33:15,400

a million users run simulations so you

714

00:33:24,270 --> 00:33:18,820

know we're ready and set to go so yeah

715

00:33:27,840 --> 00:33:24,280

yeah so now what happens this Wednesday

716

00:33:29,610 --> 00:33:27,850

you're gonna have this the the actual

717

00:33:31,620 --> 00:33:29,620

site when we say it's going live it's

718

00:33:36,180 --> 00:33:31,630

not the platform it's the ability to

719

00:33:37,830 --> 00:33:36,190

register and announcing the ico so

720

00:33:40,470 --> 00:33:37,840

that's what's going down Wednesday

721

00:33:44,760 --> 00:33:40,480

everybody can just use the promo code

722

00:33:47,190 --> 00:33:44,770

Jimmy because there's a promo code spot

723

00:33:50,450 --> 00:33:47,200

there but when they register what

724

00:33:53,340 --> 00:33:50,460

happens they lock down a username right

725

00:33:55,320 --> 00:33:53,350

that's right they can come to the

726

00:33:57,990 --> 00:33:55,330

website click participate and once they

727

00:34:00,690 --> 00:33:58,000

register they can claim a username and

728

00:34:02,100 --> 00:34:00,700

then user name is reserved specifically

729

00:34:04,110 --> 00:34:02,110

for them because one of the issues that

730

00:34:05,789 --> 00:34:04,120

you see when when you when you're late

731

00:34:08,970 --> 00:34:05,799

to a platform is that your user names

732

00:34:10,619 --> 00:34:08,980

taken so you have to enter like a - 1985

733

00:34:11,640 --> 00:34:10,629

or whatever you have to enter something

734

00:34:13,260 --> 00:34:11,650

that's not

735

00:34:14,820 --> 00:34:13,270

first choice so that's why we encourage

736

00:34:17,280 --> 00:34:14,830

people to go in and claim their

737

00:34:19,470 --> 00:34:17,290

usernames right now and if they wish to

738

00:34:19,860 --> 00:34:19,480

they can also participate in the ICL as

739

00:34:25,160 --> 00:34:19,870

well

740

00:34:27,990 --> 00:34:25,170

now with that you're gonna get their

741

00:34:31,710 --> 00:34:28,000

email address there's going to be a

742

00:34:34,710 --> 00:34:31,720

whole series of announcements and a

743

00:34:36,660 --> 00:34:34,720

countdown day right that you guys are

744

00:34:38,870 --> 00:34:36,670

going to be doing over the next couple

745

00:34:41,220 --> 00:34:38,880

of months before the platform launch

746

00:34:42,900 --> 00:34:41,230

that's correct yeah in fact the

747

00:34:44,220 --> 00:34:42,910

countdown time is running now you can go

748

00:34:46,050 --> 00:34:44,230

check it out

749

00:34:48,060 --> 00:34:46,060

but as soon as you register you'll get a

750

00:34:49,500 --> 00:34:48,070

lot of information about some people

751
00:34:51,420 --> 00:34:49,510
don't even know like what what a wallet

752
00:34:54,240 --> 00:34:51,430
is so we run a whole series of

753
00:34:56,190 --> 00:34:54,250
educational information through email

754
00:34:57,720 --> 00:34:56,200
campaigns that will basically educate

755
00:34:58,770 --> 00:34:57,730
you on this platform all you need you

756
00:35:00,600 --> 00:34:58,780
know what are the cool benefits about

757
00:35:02,670 --> 00:35:00,610
this platform is that when you sign up

758
00:35:04,080 --> 00:35:02,680
you don't need a wallet we automatically

759
00:35:06,090 --> 00:35:04,090
gives your wallet so you can just

760
00:35:08,790 --> 00:35:06,100
immediately go in and start using the

761
00:35:10,680 --> 00:35:08,800
system when it launches in q3 so but

762
00:35:13,620 --> 00:35:10,690
anyway if you want to participate in the

763
00:35:15,360 --> 00:35:13,630

ico we give you a full on educational

764

00:35:16,950 --> 00:35:15,370

course on now here's how you sign up

765

00:35:20,490 --> 00:35:16,960

here's how you get a wallet because I'm

766

00:35:25,080 --> 00:35:20,500

participating in exchange and by tokens

767

00:35:28,170 --> 00:35:25,090

and by oh I see oh yes and let's see

768

00:35:31,020 --> 00:35:28,180

here again this is all coming in from

769

00:35:32,970 --> 00:35:31,030

listeners right now with regards to live

770

00:35:34,860 --> 00:35:32,980

streaming is it going to work like

771

00:35:37,890 --> 00:35:34,870

twitch we're streams with higher view

772

00:35:41,760 --> 00:35:37,900

count are most likely to be seen and if

773

00:35:44,820 --> 00:35:41,770

so how will you handle view botting now

774

00:35:48,320 --> 00:35:44,830

let's let's actually address this when

775

00:35:51,270 --> 00:35:48,330

something is trending on the platform

776

00:35:55,800 --> 00:35:51,280

how are you dealing with that the

777

00:35:57,810 --> 00:35:55,810

top-rated views and post and and and and

778

00:36:02,460 --> 00:35:57,820

so forth how is that handled on

779

00:36:03,990 --> 00:36:02,470

somebody's page yeah so you know when

780

00:36:05,850 --> 00:36:04,000

you sign up for the platform you get to

781

00:36:07,800 --> 00:36:05,860

select what kind of things that you're

782

00:36:09,060 --> 00:36:07,810

interest so you get to select what kind

783

00:36:11,700 --> 00:36:09,070

of channels that you want to subscribe

784

00:36:14,160 --> 00:36:11,710

to and you'll only get those kinds of

785

00:36:16,530 --> 00:36:14,170

the subjects that you subscribe to so

786

00:36:18,240 --> 00:36:16,540

you won't necessarily see everything I

787

00:36:19,950 --> 00:36:18,250

mean you can if you want to go to the

788

00:36:23,760 --> 00:36:19,960

gist the trending or the new and and see

789

00:36:25,609 --> 00:36:23,770

what you want to see but when you select

790

00:36:27,690 --> 00:36:25,619

on your profile you selected

791

00:36:31,050 --> 00:36:27,700

you know I only want to see things about

792

00:36:32,910 --> 00:36:31,060

us UFOs and cryptozoology and so you'll

793

00:36:36,540 --> 00:36:32,920

see content related to the subject field

794

00:36:39,180 --> 00:36:36,550

that you specified now in in regards to

795

00:36:41,700 --> 00:36:39,190

the question regarding livestream that's

796

00:36:43,980 --> 00:36:41,710

that's a difficult thing to do and what

797

00:36:46,260 --> 00:36:43,990

blockchain does is essentially solve

798

00:36:48,510 --> 00:36:46,270

that issue because when you rise when

799

00:36:49,950 --> 00:36:48,520

you deuce anything with livestream

800

00:36:52,050 --> 00:36:49,960

Bloxham you have to have a registered

801
00:36:56,370 --> 00:36:52,060
account and a verified verified account

802
00:37:00,300 --> 00:36:56,380
through platform so basically blocking

803
00:37:04,349 --> 00:37:00,310
saw is one of those body issues and the

804
00:37:06,090 --> 00:37:04,359
question of censorship is is all over

805
00:37:11,099 --> 00:37:06,100
the place these days with YouTube

806
00:37:14,370 --> 00:37:11,109
Facebook Twitter that there is a certain

807
00:37:16,349 --> 00:37:14,380
amount of censoring going on again it's

808
00:37:18,599 --> 00:37:16,359
it's it's part of the conspiracy

809
00:37:20,099 --> 00:37:18,609
community where and you know we speak

810
00:37:24,390 --> 00:37:20,109
about certain things and then we get

811
00:37:26,609 --> 00:37:24,400
clamped down what is going to happen

812
00:37:28,500 --> 00:37:26,619
with that side of things everybody wants

813
00:37:32,670 --> 00:37:28,510

to know this is great but are we going

814

00:37:33,660 --> 00:37:32,680

to be censored yeah see that's one of

815

00:37:35,580 --> 00:37:33,670

the unfortunate things that are

816

00:37:37,500 --> 00:37:35,590

happening on YouTube and Facebook you're

817

00:37:38,849 --> 00:37:37,510

really being sent sensor channels and

818

00:37:41,190 --> 00:37:38,859

people are being demonetised

819

00:37:42,630 --> 00:37:41,200

and we actually have no censorship on

820

00:37:45,240 --> 00:37:42,640

our platform and we're all about that

821

00:37:48,330 --> 00:37:45,250

freedom of speech so you can come in and

822

00:37:49,440 --> 00:37:48,340

as long as it's subject-specific share

823

00:37:51,300 --> 00:37:49,450

and discover content that you're

824

00:37:53,310 --> 00:37:51,310

interested in we are not going to censor

825

00:37:55,770 --> 00:37:53,320

you you know obviously there's no you

826

00:37:58,320 --> 00:37:55,780

know elicit kind of information or post

827

00:38:00,510 --> 00:37:58,330

allowed but as long as you know you're

828

00:38:02,820 --> 00:38:00,520

posting subject that's relevant we have

829

00:38:07,380 --> 00:38:02,830

no issues and we have zero censorship

830

00:38:12,330 --> 00:38:07,390

and what about problem makers like you

831

00:38:15,060 --> 00:38:12,340

know hardcore professional trolls yeah

832

00:38:17,250 --> 00:38:15,070

they're pretty much every way so the way

833

00:38:19,440 --> 00:38:17,260

we handle tools is obviously the first

834

00:38:22,020 --> 00:38:19,450

one is the boxing technology itself it

835

00:38:24,390 --> 00:38:22,030

tries it's best it stir and weed out

836

00:38:27,500 --> 00:38:24,400

trolls through the uploading and the

837

00:38:30,060 --> 00:38:27,510

proof of bring platform system the

838

00:38:31,620 --> 00:38:30,070

second method we handle is what Scott

839

00:38:34,580 --> 00:38:31,630

said earlier which is the type you know

840

00:38:37,890 --> 00:38:34,590

system which we randomly assign people

841

00:38:39,180 --> 00:38:37,900

the ability to essentially judge a case

842

00:38:42,690 --> 00:38:39,190

whether to

843

00:38:45,030 --> 00:38:42,700

punished or to let the sender go free

844

00:38:47,069 --> 00:38:45,040

based on the kind of content they posted

845

00:38:48,599 --> 00:38:47,079

so you know you and I were on the

846

00:38:49,859 --> 00:38:48,609

platform somebody post something nasty

847

00:38:53,339 --> 00:38:49,869

that doesn't belong there

848

00:38:55,470 --> 00:38:53,349

some people slag it immediately and what

849

00:38:57,450 --> 00:38:55,480

will happen is once in fact a random

850

00:39:00,450 --> 00:38:57,460

person on the platform will get a

851
00:39:02,730 --> 00:39:00,460
message saying hey here's a sender this

852
00:39:04,410 --> 00:39:02,740
is what they did here's the post you can

853
00:39:06,540 --> 00:39:04,420
see all the information about it what

854
00:39:08,309 --> 00:39:06,550
would you like to do with this and this

855
00:39:11,370 --> 00:39:08,319
is almost like letting the community

856
00:39:14,490 --> 00:39:11,380
handle its people by itself and not

857
00:39:16,559 --> 00:39:14,500
really relying on a middleman or a third

858
00:39:19,230 --> 00:39:16,569
party to handle what kind of content or

859
00:39:21,300 --> 00:39:19,240
what people posted is allowed on the

860
00:39:23,190 --> 00:39:21,310
system and you know you get rewarded for

861
00:39:25,859 --> 00:39:23,200
doing these kinds of things so in a

862
00:39:27,270 --> 00:39:25,869
tribunal as long as you participate in

863
00:39:28,500 --> 00:39:27,280

it and you could choose not to do that -

864

00:39:31,109 --> 00:39:28,510

you could say skip I don't want to do

865

00:39:32,609 --> 00:39:31,119

something like this and you know if you

866

00:39:35,069 --> 00:39:32,619

participate in a platform and say yeah

867

00:39:36,599 --> 00:39:35,079

you know what this was offensive content

868

00:39:39,720 --> 00:39:36,609

we're going to punish this person and

869

00:39:40,200 --> 00:39:39,730

that content essentially is downloaded

870

00:39:43,460 --> 00:39:40,210

to oblivion

871

00:39:46,079 --> 00:39:43,470

now what about blocking users oh

872

00:39:48,000 --> 00:39:46,089

absolutely you can block you just like

873

00:39:51,630 --> 00:39:48,010

on on a regular social media platform

874

00:39:53,640 --> 00:39:51,640

you could block unfollow you know delete

875

00:39:58,910 --> 00:39:53,650

users from your profile that's my

876

00:40:04,380 --> 00:40:01,460

that's the most immediate satisfaction

877

00:40:11,099 --> 00:40:04,390

that one can have these days it's just

878

00:40:13,530 --> 00:40:11,109

like the first time I was blocked by

879

00:40:16,920 --> 00:40:13,540

somebody on Facebook you know like 10

880

00:40:20,370 --> 00:40:16,930

years ago and I went and I couldn't find

881

00:40:23,910 --> 00:40:20,380

I was like man how why how is this work

882

00:40:26,430 --> 00:40:23,920

right now I experienced it on that level

883

00:40:29,540 --> 00:40:26,440

and I didn't like it and I couldn't even

884

00:40:31,859 --> 00:40:29,550

go back and scream at that person for

885

00:40:35,280 --> 00:40:31,869

for the you know it was done I couldn't

886

00:40:37,920 --> 00:40:35,290

do it and now I you know what the block

887

00:40:39,900 --> 00:40:37,930

if you go to blocking level if you get

888

00:40:42,390 --> 00:40:39,910

blocked then you got you need to think

889

00:40:44,309 --> 00:40:42,400

you need to think about your life what

890

00:40:46,710 --> 00:40:44,319

what what did you do to get yourself

891

00:40:49,740 --> 00:40:46,720

blocked that's all you know I think it's

892

00:40:51,870 --> 00:40:49,750

great I love blocking you gotta block

893

00:40:53,290 --> 00:40:51,880

you gotta give the people the power to

894

00:40:55,130 --> 00:40:53,300

block

895

00:40:57,350 --> 00:40:55,140

definitely and you definitely have that

896

00:40:58,700 --> 00:40:57,360

power on stellar you know when I first

897

00:40:59,810 --> 00:40:58,710

got blocked actually got hurt my

898

00:41:02,750 --> 00:40:59,820

feelings were hurt I was like ah this

899

00:41:04,730 --> 00:41:02,760

person blocking it up sucks so yeah

900

00:41:06,230 --> 00:41:04,740

that's how I basically dealt with it but

901
00:41:08,690 --> 00:41:06,240
yeah definitely you have the ability to

902
00:41:12,380 --> 00:41:08,700
block or delete users from your from

903
00:41:14,750 --> 00:41:12,390
their friends or followers now

904
00:41:18,290 --> 00:41:14,760
okay now let's uh let's talk about some

905
00:41:21,500 --> 00:41:18,300
fun stuff how ready how ready are you

906
00:41:24,830 --> 00:41:21,510
with the platform right now how robust

907
00:41:26,840 --> 00:41:24,840
is it yeah so we've developed pretty

908
00:41:30,560 --> 00:41:26,850
much most of the user interface and the

909
00:41:34,550 --> 00:41:30,570
user experience and you know I people

910
00:41:37,160 --> 00:41:34,560
throw up around that word all the time

911
00:41:38,990 --> 00:41:37,170
and you're like well what the heck is

912
00:41:41,990 --> 00:41:39,000
that what is user interface what is user

913
00:41:44,390 --> 00:41:42,000

interference and user experience and

914

00:41:47,000 --> 00:41:44,400

essentially what user interfaces is

915

00:41:48,860 --> 00:41:47,010

essentially a series of screens pages

916

00:41:51,440 --> 00:41:48,870

visual elements like buttons and icons

917

00:41:53,900 --> 00:41:51,450

that you use to interact on a device and

918

00:41:56,350 --> 00:41:53,910

and the user experience is more like the

919

00:41:58,910 --> 00:41:56,360

internal experience that a person has

920

00:42:01,690 --> 00:41:58,920

you know as they go through the platform

921

00:42:06,320 --> 00:42:01,700

and every aspect of that product or

922

00:42:08,710 --> 00:42:06,330

service that we're providing so one of

923

00:42:11,390 --> 00:42:08,720

the best things about this platform is

924

00:42:13,460 --> 00:42:11,400

we have our blockchain technology down

925

00:42:15,320 --> 00:42:13,470

and we have the user interface and user

926

00:42:17,600 --> 00:42:15,330

experience down so we're pretty far

927

00:42:20,450 --> 00:42:17,610

along the course in terms of getting

928

00:42:22,490 --> 00:42:20,460

ready for q3 and having having a really

929

00:42:27,380 --> 00:42:22,500

good workable platform on a proven

930

00:42:29,500 --> 00:42:27,390

blocking security absolutely that's that

931

00:42:31,880 --> 00:42:29,510

is one of the best benefits of

932

00:42:34,520 --> 00:42:31,890

blockchain is that it gives you that

933

00:42:38,510 --> 00:42:34,530

high level of security through a

934

00:42:39,500 --> 00:42:38,520

decentralized network so utmost security

935

00:42:41,240 --> 00:42:39,510

you know the government can't come in

936

00:42:43,010 --> 00:42:41,250

and say hey I'll give us this

937

00:42:45,410 --> 00:42:43,020

information about this person how sorry

938

00:42:48,140 --> 00:42:45,420

we don't have that that's that's not in

939

00:42:52,220 --> 00:42:48,150

our hands that that that's the beauty of

940

00:42:53,810 --> 00:42:52,230

blockchain and yeah and you know Brian

941

00:42:55,810 --> 00:42:53,820

just poster what kind of security are

942

00:43:00,590 --> 00:42:55,820

going to use to protect user

943

00:43:02,450 --> 00:43:00,600

identification and user info oh that's a

944

00:43:04,250 --> 00:43:02,460

great question so we have two FA

945

00:43:07,359 --> 00:43:04,260

authentication so essentially once you

946

00:43:11,410 --> 00:43:07,369

sign up you also have to

947

00:43:13,420 --> 00:43:11,420

you know verified a text message and

948

00:43:15,339 --> 00:43:13,430

through your cell phone number so you

949

00:43:17,709 --> 00:43:15,349

have to essentially sign up and then

950

00:43:20,019 --> 00:43:17,719

verify through a text message and then

951
00:43:23,199 --> 00:43:20,029
that text verification confirms your

952
00:43:26,199 --> 00:43:23,209
identity and then obviously we have we

953
00:43:28,359 --> 00:43:26,209
have the typical SSL type stuff security

954
00:43:30,309 --> 00:43:28,369
infrastructure set up as well and what

955
00:43:32,410 --> 00:43:30,319
happens with that information once it's

956
00:43:35,680 --> 00:43:32,420
at what's it centered you know we look

957
00:43:37,989 --> 00:43:35,690
we've we've gone through it with even

958
00:43:43,140 --> 00:43:37,999
security companies are being hacked

959
00:43:45,789 --> 00:43:43,150
these days right so you know so how

960
00:43:49,539 --> 00:43:45,799
without you know hearing the typical

961
00:43:53,489 --> 00:43:49,549
answer that nobody is hack proof right

962
00:43:55,449 --> 00:43:53,499
but here we are talking about

963
00:43:59,049 --> 00:43:55,459

cryptocurrency we're talking about

964

00:44:03,609 --> 00:43:59,059

Wallis we're talking about user data how

965

00:44:05,769 --> 00:44:03,619

robust is that security so the benefit

966

00:44:08,739 --> 00:44:05,779

of blocking is robustness and durability

967

00:44:10,390 --> 00:44:08,749

it brings with it but you know like like

968

00:44:13,180 --> 00:44:10,400

any anything out there there's nothing

969

00:44:15,939 --> 00:44:13,190

that's not hackable everything at some

970

00:44:18,339 --> 00:44:15,949

point a can it can be penetrated in and

971

00:44:21,339 --> 00:44:18,349

broken into but we offer

972

00:44:23,140 --> 00:44:21,349

state-of-the-art security and security

973

00:44:25,029 --> 00:44:23,150

and through blockchain we that's how we

974

00:44:27,699 --> 00:44:25,039

essentially provide that because we

975

00:44:30,789 --> 00:44:27,709

don't store data in a central hub the

976

00:44:33,789 --> 00:44:30,799

data is spread throughout the entire

977

00:44:36,339 --> 00:44:33,799

block chain network courthouse so that

978

00:44:37,989 --> 00:44:36,349

gives you some level of security I mean

979

00:44:39,489 --> 00:44:37,999

look at after Equifax when they got

980

00:44:41,229 --> 00:44:39,499

hacked you know it was because of I

981

00:44:42,579 --> 00:44:41,239

believe a user error they should gone on

982

00:44:44,309 --> 00:44:42,589

the blockchain because then that one

983

00:44:47,620 --> 00:44:44,319

user error wouldn't necessarily have

984

00:44:50,380 --> 00:44:47,630

have given access to the entire network

985

00:44:52,630 --> 00:44:50,390

of information right right right

986

00:44:55,209 --> 00:44:52,640

now there's one and that's that's very

987

00:45:01,809 --> 00:44:55,219

important especially for me but there's

988

00:45:03,849 --> 00:45:01,819

one area of Facebook that is was the one

989

00:45:05,769 --> 00:45:03,859

chain I think really hurt Facebook a lot

990

00:45:08,229 --> 00:45:05,779

but they've they're still number one of

991

00:45:10,599 --> 00:45:08,239

course but when in the early days of

992

00:45:13,539 --> 00:45:10,609

Facebook you did a post and you had 500

993

00:45:15,549 --> 00:45:13,549

friends and family all 500 saw your post

994

00:45:18,460 --> 00:45:15,559

and you would be able to stay in touch

995

00:45:22,660 --> 00:45:18,470

with everybody now

996

00:45:27,339 --> 00:45:22,670

like 5% or 10% of your friends list see

997

00:45:29,920 --> 00:45:27,349

a post and that that that just kills the

998

00:45:31,599 --> 00:45:29,930

original idea of Facebook about staying

999

00:45:35,190 --> 00:45:31,609

in touch with everybody that was on your

1000

00:45:38,289 --> 00:45:35,200

friends list so what's gonna happen with

1001
00:45:41,260 --> 00:45:38,299
on stellar in that regard you make a

1002
00:45:45,039 --> 00:45:41,270
post and you've got 5,000 followers or

1003
00:45:48,640 --> 00:45:45,049
10,000 or 50 is everybody going to see

1004
00:45:51,279 --> 00:45:48,650
that post so essentially anybody that

1005
00:45:53,770 --> 00:45:51,289
subscribes you will see it in there what

1006
00:45:55,480 --> 00:45:53,780
we call like feed or their channel that

1007
00:45:58,359 --> 00:45:55,490
they've you know that they subscribe to

1008
00:45:59,799 --> 00:45:58,369
and have tagged you and so pretty much

1009
00:46:01,329 --> 00:45:59,809
you know like how it shows up on

1010
00:46:03,150 --> 00:46:01,339
Facebook on your newsfeed you'll be able

1011
00:46:05,650 --> 00:46:03,160
to see these things but the issue is

1012
00:46:08,140 --> 00:46:05,660
essentially that you know if you have

1013
00:46:11,289 --> 00:46:08,150

5,000 people that's a lot of posts to go

1014

00:46:12,730 --> 00:46:11,299

through you know some people spend an

1015

00:46:14,650 --> 00:46:12,740

entire day that's going through the

1016

00:46:18,970 --> 00:46:14,660

entire feed looking at all the content

1017

00:46:21,460 --> 00:46:18,980

so in terms of actually seeing that

1018

00:46:24,970 --> 00:46:21,470

content and those posts you'll be able

1019

00:46:27,099 --> 00:46:24,980

to see you know your what your friends

1020

00:46:29,109 --> 00:46:27,109

or your circles posts and content but

1021

00:46:31,420 --> 00:46:29,119

it's a matter of you have the time to go

1022

00:46:33,160 --> 00:46:31,430

through it but you know as you one of

1023

00:46:35,620 --> 00:46:33,170

the things that happens in facebook is

1024

00:46:37,390 --> 00:46:35,630

they basically turn you into a product

1025

00:46:40,630 --> 00:46:37,400

so essentially what you end up seeing is

1026
00:46:42,839 --> 00:46:40,640
content that's meant for you you know

1027
00:46:45,579 --> 00:46:42,849
men to sell you something essentially

1028
00:46:48,549 --> 00:46:45,589
but with us it's just content that

1029
00:46:50,710 --> 00:46:48,559
you're specifically subscribed to so you

1030
00:46:54,849 --> 00:46:50,720
always be relevant content now what

1031
00:47:00,370 --> 00:46:54,859
about advertisers yeah so that's a great

1032
00:47:03,910 --> 00:47:00,380
question as hey I wrote a book I like it

1033
00:47:06,190 --> 00:47:03,920
I want to sell it I can as an individual

1034
00:47:08,950 --> 00:47:06,200
user I could create a post that turns

1035
00:47:12,130 --> 00:47:08,960
into I don't know a product for sale a

1036
00:47:15,940 --> 00:47:12,140
book for sale we have not on the system

1037
00:47:17,140 --> 00:47:15,950
actually allowed advertisers so and we

1038
00:47:21,480 --> 00:47:17,150

don't necessarily have plans for that

1039

00:47:23,950 --> 00:47:21,490

right now so there's there's no

1040

00:47:25,120 --> 00:47:23,960

advertisers like media channels and

1041

00:47:27,430 --> 00:47:25,130

networks that are coming in and

1042

00:47:28,960 --> 00:47:27,440

advertising on the network once when we

1043

00:47:31,210 --> 00:47:28,970

were working on this ui/ux

1044

00:47:32,560 --> 00:47:31,220

we wanted to be sure that

1045

00:47:33,940 --> 00:47:32,570

they weren't people weren't distracted

1046

00:47:37,030 --> 00:47:33,950

by ads you know if you go to Facebook

1047

00:47:39,160 --> 00:47:37,040

now or Twitter you're surrounded by ads

1048

00:47:41,410 --> 00:47:39,170

on all sides everywhere you go I want

1049

00:47:42,760 --> 00:47:41,420

every other news feed it isn't that and

1050

00:47:43,900 --> 00:47:42,770

that's really annoying and I don't

1051
00:47:46,660 --> 00:47:43,910
really want to see some of that stuff

1052
00:47:48,790 --> 00:47:46,670
and frankly you know those ads follow me

1053
00:47:51,910 --> 00:47:48,800
around and I don't like that at all

1054
00:47:54,670 --> 00:47:51,920
so the way we built that ui/ux

1055
00:47:56,560 --> 00:47:54,680
which you'll see on Wednesday is that

1056
00:47:58,720 --> 00:47:56,570
there isn't really ads there and it's

1057
00:48:01,680 --> 00:47:58,730
almost if you have a product that you

1058
00:48:05,339 --> 00:48:01,690
like to provide as a service or for sale

1059
00:48:07,900 --> 00:48:05,349
it's built into the actual interface

1060
00:48:09,940 --> 00:48:07,910
experience itself so it looks like it

1061
00:48:12,130 --> 00:48:09,950
looks very similar to a post and doesn't

1062
00:48:14,940 --> 00:48:12,140
interfere with you but we don't actually

1063
00:48:18,970 --> 00:48:14,950

advertise on the platform now anybody

1064

00:48:20,830 --> 00:48:18,980

that is that has products for the

1065

00:48:25,420 --> 00:48:20,840

paranormal community I'm talking about

1066

00:48:28,599 --> 00:48:25,430

authors or it could be jewelry whatever

1067

00:48:32,530 --> 00:48:28,609

it is incense can they sell their stuff

1068

00:48:34,320 --> 00:48:32,540

on their page absolutely they can they

1069

00:48:37,570 --> 00:48:34,330

can create it into a post and

1070

00:48:39,220 --> 00:48:37,580

essentially sell their book author you

1071

00:48:40,870 --> 00:48:39,230

know Joey whatever as long as it's

1072

00:48:42,550 --> 00:48:40,880

subject-specific they'll be able to sell

1073

00:48:44,530 --> 00:48:42,560

it and they'll be able to monetize that

1074

00:48:46,870 --> 00:48:44,540

either through tokens or a regular

1075

00:48:49,570 --> 00:48:46,880

payment system Wow

1076
00:48:53,859 --> 00:48:49,580
that's gonna be amazing I mean we see

1077
00:48:57,280 --> 00:48:53,869
that this is you know the the the bottom

1078
00:49:01,900 --> 00:48:57,290
line for me is in this community it is

1079
00:49:04,660 --> 00:49:01,910
so hard so many work for free so many

1080
00:49:08,710 --> 00:49:04,670
are self-publishing books so many are

1081
00:49:10,450 --> 00:49:08,720
creating videos and and they're trying

1082
00:49:13,290 --> 00:49:10,460
you know because they have something to

1083
00:49:16,930 --> 00:49:13,300
say they've had research or reciting or

1084
00:49:20,349 --> 00:49:16,940
you know some kind of contact but they

1085
00:49:23,109 --> 00:49:20,359
can't do anything with it it's expensive

1086
00:49:25,390 --> 00:49:23,119
to self publish a book it's expensive to

1087
00:49:28,630 --> 00:49:25,400
start a website it's expensive to create

1088
00:49:32,230 --> 00:49:28,640

content and a lot of are discouraged

1089

00:49:34,900 --> 00:49:32,240

with that but here they have a way to

1090

00:49:38,440 --> 00:49:34,910

actually monetize and get rewarded for

1091

00:49:40,870 --> 00:49:38,450

the work that they do that's right and

1092

00:49:43,870 --> 00:49:40,880

isn't that awesome I love that so you

1093

00:49:44,920 --> 00:49:43,880

know in terms of other social media

1094

00:49:47,940 --> 00:49:44,930

platforms whereas

1095

00:49:50,380 --> 00:49:47,950

you're basically the product ours is

1096

00:49:53,890 --> 00:49:50,390

another product you can sell and

1097

00:49:56,799 --> 00:49:53,900

monetize any type of content or you know

1098

00:49:58,750 --> 00:49:56,809

content you discover or create by

1099

00:49:59,890 --> 00:49:58,760

yourself on the platform you don't need

1100

00:50:02,980 --> 00:49:59,900

to go through a middleman or anything

1101

00:50:07,180 --> 00:50:02,990

like that now when when does the

1102

00:50:09,579 --> 00:50:07,190

registration and that landing page go

1103

00:50:14,980 --> 00:50:09,589

live on Wednesday it will it be midnight

1104

00:50:17,650 --> 00:50:14,990

tomorrow night Wednesday yeah we will

1105

00:50:18,940 --> 00:50:17,660

have a landing page live Wednesday at

1106

00:50:20,829 --> 00:50:18,950

midnight tomorrow night yeah midnight

1107

00:50:23,710 --> 00:50:20,839

tomorrow night and so everybody can go

1108

00:50:26,079 --> 00:50:23,720

and register and and lock down their

1109

00:50:29,440 --> 00:50:26,089

username just use the promo code Jimmy

1110

00:50:32,770 --> 00:50:29,450

and it's all done absolutely that's

1111

00:50:34,480 --> 00:50:32,780

that's the best part so you get to you

1112

00:50:36,370 --> 00:50:34,490

know see the platform experience it if

1113

00:50:38,380 --> 00:50:36,380

you have any questions you could

1114

00:50:40,359 --> 00:50:38,390

definitely reach out to us you should

1115

00:50:42,130 --> 00:50:40,369

check out our amazing white paper we

1116

00:50:44,530 --> 00:50:42,140

spent a lot of time detailing all the

1117

00:50:46,540 --> 00:50:44,540

information that's needed on there and

1118

00:50:48,640 --> 00:50:46,550

you know register for an account and

1119

00:50:53,859 --> 00:50:48,650

reserve your username thank you so much

1120

00:50:55,599 --> 00:50:53,869

does a exciting time I just can't I just

1121

00:50:58,660 --> 00:50:55,609

can't get over this this is just

1122

00:51:01,059 --> 00:50:58,670

absolutely amazing thank you so much my

1123

00:51:02,799 --> 00:51:01,069

friend and we'll get you on the show

1124

00:51:04,510 --> 00:51:02,809

here in a couple of weeks and we'll take

1125

00:51:08,500 --> 00:51:04,520

things a step further thank you so much

1126
00:51:11,950 --> 00:51:08,510
- cool - we're a go to everybody vice

1127
00:51:14,349 --> 00:51:11,960
president technology of on stellar all

1128
00:51:16,569 --> 00:51:14,359
right coming up next Steve Murillo

1129
00:51:19,630 --> 00:51:16,579
that's right Steve marilla's here senior

1130
00:51:21,050 --> 00:51:19,640
advisor for on stellar I'll be right

1131
00:51:25,250 --> 00:51:21,060
back

1132
00:51:32,460 --> 00:51:28,430
way out here we listen to Jimmy Church

1133
00:51:34,740 --> 00:51:32,470
you're listening to fade to black always

1134
00:51:37,590 --> 00:51:34,750
on the edge of the hottest alternative

1135
00:51:56,850 --> 00:51:37,600
talk chili church with fade to black

1136
00:52:00,570 --> 00:51:56,860
stay GRA radio.com hurricanes

1137
00:52:02,310 --> 00:52:00,580
earthquakes wildfires this year we've

1138
00:52:05,130 --> 00:52:02,320

experienced more than our fair share

1139

00:52:07,620 --> 00:52:05,140

this is Jimmy Church a fade to black and

1140

00:52:09,810 --> 00:52:07,630

last month I decided to make sure my

1141

00:52:11,970 --> 00:52:09,820

family does not have to worry about food

1142

00:52:15,690 --> 00:52:11,980

should we get caught in a real emergency

1143

00:52:17,610 --> 00:52:15,700

situation introducing Humana a healthy

1144

00:52:19,410 --> 00:52:17,620

storable product that tastes so good

1145

00:52:21,180 --> 00:52:19,420

that you'll want to eat it every day

1146

00:52:23,940 --> 00:52:21,190

instead of just during those times of

1147

00:52:27,360 --> 00:52:23,950

duress all new manna products have a 25

1148

00:52:29,760 --> 00:52:27,370

year shelf life our msg and GMO free no

1149

00:52:31,920 --> 00:52:29,770

preservatives and are made in America

1150

00:52:33,690 --> 00:52:31,930

with the new manna pack in your home

1151
00:52:36,480 --> 00:52:33,700
you'll be able to sleep at night knowing

1152
00:52:39,240 --> 00:52:36,490
that you've protected your family not

1153
00:52:41,820 --> 00:52:39,250
only have I tasted and tested I own it

1154
00:52:43,530 --> 00:52:41,830
now you can too just click on the new

1155
00:52:45,870 --> 00:52:43,540
manna banner on Jimmy Church radio.com

1156
00:52:48,330 --> 00:52:45,880
and use the promo code Jimmy when you

1157
00:52:49,980 --> 00:52:48,340
order in addition to a discount we'll

1158
00:52:54,420 --> 00:52:49,990
send you an autograph fade to black

1159
00:52:56,310 --> 00:52:54,430
t-shirt seriously gobekli tepe do you

1160
00:52:58,320 --> 00:52:56,320
worry a lot whether you're a college

1161
00:53:00,780 --> 00:52:58,330
student busy professional parent or

1162
00:53:02,460 --> 00:53:00,790
grandparent ongoing stress and elevated

1163
00:53:04,770 --> 00:53:02,470

levels of the stress hormone cortisol

1164

00:53:07,320 --> 00:53:04,780

can rob your memory your health and your

1165

00:53:09,300 --> 00:53:07,330

future now you can combat the effects of

1166

00:53:11,460 --> 00:53:09,310

stress and anxiety while improving your

1167

00:53:13,680 --> 00:53:11,470

memory and recall at the same time with

1168

00:53:15,450 --> 00:53:13,690

the dietary supplement calm and clever

1169

00:53:17,580 --> 00:53:15,460

studies show that the ingredients in

1170

00:53:19,890 --> 00:53:17,590

common clever reduce cortisol by as much

1171

00:53:21,450 --> 00:53:19,900

as 30 percent in one to two weeks call

1172

00:53:24,930 --> 00:53:21,460

one eight hundred seven five eight eight

1173

00:53:28,440 --> 00:53:24,940

seven four six or calm and clever calm

1174

00:53:36,180 --> 00:53:28,450

listen to us and we listen to you so

1175

00:53:38,339 --> 00:53:36,190

does the CIA kgr a radio calm hey folks

1176

00:53:40,559 --> 00:53:38,349

CBD is the home run hitter for health

1177

00:53:43,170 --> 00:53:40,569

right now why you ask because of what it

1178

00:53:44,790 --> 00:53:43,180

does for the body unfortunately I can't

1179

00:53:46,440 --> 00:53:44,800

tell you all about the benefits you know

1180

00:53:49,140 --> 00:53:46,450

there's reasons do your due diligence

1181

00:53:51,750 --> 00:53:49,150

and log on to ancient life oil com

1182

00:53:53,760 --> 00:53:51,760

that's ancient life oil calm angel life

1183

00:53:55,859 --> 00:53:53,770

oil uses organic ingredients and is

1184

00:53:58,730 --> 00:53:55,869

blended in coconut oil for some of the

1185

00:54:00,240 --> 00:53:58,740

best benefits legal in 50 states and

1186

00:54:02,760 --> 00:54:00,250

non-psychoactive

1187

00:54:07,859 --> 00:54:02,770

log on to ancient life oil calm that's

1188

00:54:08,880 --> 00:54:07,869

ancient life oil calm you are listening

1189

00:54:11,190 --> 00:54:08,890

to fade to black

1190

00:54:15,960 --> 00:54:11,200

with Jimmy Church on the game changing

1191

00:54:18,030 --> 00:54:15,970

Network hi I'm Lisa Vance you're

1192

00:54:20,970 --> 00:54:18,040

listening to Jimmy Church this is a

1193

00:54:24,829 --> 00:54:20,980

revolution the revolution will not be

1194

00:54:33,070 --> 00:54:24,839

televised the revolution is on radio

1195

00:55:09,780 --> 00:54:34,590

you

1196

00:55:14,560 --> 00:55:11,950

welcome back fade to black I'm nails

1197

00:55:19,450 --> 00:55:14,570

Jimmy Church of the game-changer Network

1198

00:55:21,670 --> 00:55:19,460

in kg RA the planets alright tonight we

1199

00:55:23,470 --> 00:55:21,680

are announcing on stellar an exciting

1200

00:55:26,140 --> 00:55:23,480

new social media platform that's gonna

1201

00:55:29,710 --> 00:55:26,150

kick off excuse me just for our

1202

00:55:32,470 --> 00:55:29,720

community and it's absolutely stunning

1203

00:55:34,330 --> 00:55:32,480

it's spa it's beautiful to look at and

1204

00:55:37,930 --> 00:55:34,340

you just think about what's behind it

1205

00:55:40,360 --> 00:55:37,940

and what this means for everybody it's a

1206

00:55:42,220 --> 00:55:40,370

it's just gonna be the future of

1207

00:55:43,330 --> 00:55:42,230

everything and I would like to welcome

1208

00:55:45,610 --> 00:55:43,340

back to fade to black

1209

00:55:49,660 --> 00:55:45,620

our good friend Steve Marilla who is

1210

00:55:52,030 --> 00:55:49,670

also senior adviser with on stellar and

1211

00:55:56,170 --> 00:55:52,040

the platform Steve welcome back to fade

1212

00:56:01,300 --> 00:55:56,180

to black man exciting days huh Jenny oh

1213

00:56:05,020 --> 00:56:01,310

my god man I'm breathless honestly this

1214

00:56:07,060 --> 00:56:05,030

is something that I think you me a lot

1215

00:56:09,400 --> 00:56:07,070

of people in this field have wanted for

1216

00:56:12,760 --> 00:56:09,410

a long time a place where we can all

1217

00:56:15,430 --> 00:56:12,770

gather online we can share our ideas we

1218

00:56:19,600 --> 00:56:15,440

can collaborate on those ideas and

1219

00:56:21,940 --> 00:56:19,610

actually trade value and create value

1220

00:56:24,700 --> 00:56:21,950

and get to the heart of what this is all

1221

00:56:26,680 --> 00:56:24,710

about you know UFOs the paranormal

1222

00:56:28,420 --> 00:56:26,690

spirituality ascension all these things

1223

00:56:31,090 --> 00:56:28,430

are related we know they're related and

1224

00:56:34,230 --> 00:56:31,100

now we can finally have a platform where

1225

00:56:37,030 --> 00:56:34,240

we can discuss it openly and honestly

1226
00:56:40,570 --> 00:56:37,040
without getting angry no arguments no

1227
00:56:43,900 --> 00:56:40,580
sharing ideas it's just phenomenal man I

1228
00:56:45,970 --> 00:56:43,910
am head over heels excited about this I

1229
00:56:48,190 --> 00:56:45,980
cannot tell you how excited I am to be a

1230
00:56:50,440 --> 00:56:48,200
part of the on stellar team to be a

1231
00:56:52,750 --> 00:56:50,450
partner giving because you know you know

1232
00:56:54,730 --> 00:56:52,760
well we have that experience right I

1233
00:56:57,700 --> 00:56:54,740
mean I've been in this in this field for

1234
00:57:00,490 --> 00:56:57,710
a long time so of you and we can

1235
00:57:03,250 --> 00:57:00,500
actually share our enthusiasm but also

1236
00:57:03,970 --> 00:57:03,260
kind of give our ideas on how this thing

1237
00:57:07,540 --> 00:57:03,980
should go

1238
00:57:08,920 --> 00:57:07,550

what what's needed you know and and you

1239

00:57:11,320 --> 00:57:08,930

know you have a lot of guys who are

1240

00:57:13,510 --> 00:57:11,330

really good at they're good at their job

1241

00:57:14,980 --> 00:57:13,520

of creating the platform but they're

1242

00:57:15,990 --> 00:57:14,990

engineers and a lot of times you have to

1243

00:57:19,020 --> 00:57:16,000

convey to the engineer

1244

00:57:19,860 --> 00:57:19,030

this is what we need and but it's

1245

00:57:22,740 --> 00:57:19,870

getting done

1246

00:57:24,600 --> 00:57:22,750

des and Scott are amazing they're

1247

00:57:26,490 --> 00:57:24,610

getting the whole thing done and I'm

1248

00:57:30,390 --> 00:57:26,500

like I said now I'm just glad to be a

1249

00:57:33,840 --> 00:57:30,400

part of it for most of most of our

1250

00:57:36,090 --> 00:57:33,850

audience knows about you and and and and

1251
00:57:40,050 --> 00:57:36,100
your contributions to the community but

1252
00:57:41,310 --> 00:57:40,060
I want to kind of refresh everybody so

1253
00:57:44,460 --> 00:57:41,320
they understand where you are coming

1254
00:57:48,300 --> 00:57:44,470
from right now Steve you were the

1255
00:57:51,000 --> 00:57:48,310
director of MUFON Los Angeles for well

1256
00:57:58,170 --> 00:57:51,010
some say 13 years I've done my math it's

1257
00:58:01,050 --> 00:57:58,180
more like eleven and a half but the

1258
00:58:04,920 --> 00:58:01,060
point is this that even with MUFON and

1259
00:58:08,040 --> 00:58:04,930
you built the MUFON Los Angeles chapter

1260
00:58:11,840 --> 00:58:08,050
was the largest for MUFON in the world

1261
00:58:15,120 --> 00:58:11,850
and you are also in in doing all of that

1262
00:58:17,370 --> 00:58:15,130
UFO research and and talking to the

1263
00:58:19,040 --> 00:58:17,380

community and you had your monthly

1264

00:58:22,680 --> 00:58:19,050

meetings out here in the valley that I

1265

00:58:28,080 --> 00:58:22,690

participated in you know going back 10

1266

00:58:32,280 --> 00:58:28,090

years ago right so but you also saw the

1267

00:58:34,800 --> 00:58:32,290

need of for expanding beyond MUFON in

1268

00:58:38,640 --> 00:58:34,810

research number one and number two that

1269

00:58:42,590 --> 00:58:38,650

a lot of these subjects are are

1270

00:58:46,050 --> 00:58:42,600

connected and it doesn't matter if it's

1271

00:58:49,830 --> 00:58:46,060

lost history or near-death experiences

1272

00:58:55,620 --> 00:58:49,840

or parallel worlds or multiverses or

1273

00:58:58,170 --> 00:58:55,630

plasma orbs ghosts you know a Bigfoot

1274

00:59:00,600 --> 00:58:58,180

for instance that all of these things

1275

00:59:03,210 --> 00:59:00,610

are connected and it's all part of our

1276

00:59:07,380 --> 00:59:03,220

community and now and you fought for

1277

00:59:10,890 --> 00:59:07,390

that left MUFON started you pars which

1278

00:59:16,440 --> 00:59:10,900

is a paranormal research group well

1279

00:59:19,950 --> 00:59:16,450

that's what it stands for it encompasses

1280

00:59:23,400 --> 00:59:19,960

and that's exactly why we became we you

1281

00:59:24,930 --> 00:59:23,410

know we went from just UFOs to you know

1282

00:59:26,610 --> 00:59:24,940

because you know and I've told this

1283

00:59:27,990 --> 00:59:26,620

story before I want to bore your

1284

00:59:29,970 --> 00:59:28,000

listeners but

1285

00:59:32,550 --> 00:59:29,980

we realized in investigating these

1286

00:59:34,440 --> 00:59:32,560

different cases they're invariably other

1287

00:59:36,750 --> 00:59:34,450

things going on you know if you had an

1288

00:59:38,400 --> 00:59:36,760

abductee and he visited them at the home

1289

00:59:41,010 --> 00:59:38,410

and then all sudden they're there

1290

00:59:43,410 --> 00:59:41,020

sharing other things happening to them

1291

00:59:45,660 --> 00:59:43,420

like poltergeist activity I remember

1292

00:59:47,460 --> 00:59:45,670

specifically one gal who actually was

1293

00:59:50,460 --> 00:59:47,470

one of our board members for awhile and

1294

00:59:51,930 --> 00:59:50,470

she was an abductee and you know it was

1295

00:59:54,390 --> 00:59:51,940

happening to her it was happening to her

1296

00:59:57,030 --> 00:59:54,400

daughter and on and on and then she

1297

00:59:58,380 --> 00:59:57,040

shows me this crazy video she took while

1298

00:59:59,940 --> 00:59:58,390

her daughter they were just sitting in

1299

01:00:03,270 --> 00:59:59,950

the living room watching TV

1300

01:00:05,820 --> 01:00:03,280

she videos this green orb thing come

1301
01:00:09,839 --> 01:00:05,830
flying out of the TV in three dimension

1302
01:00:11,760 --> 01:00:09,849
and fly right through and filming her

1303
01:00:14,220 --> 01:00:11,770
daughter right she doesn't see the or

1304
01:00:16,170 --> 01:00:14,230
it's more like a green blob I mean it's

1305
01:00:18,120 --> 01:00:16,180
almost straight up straight out of

1306
01:00:20,490 --> 01:00:18,130
ghostbusters and this thing flies

1307
01:00:22,680 --> 01:00:20,500
through her now she claimed that she

1308
01:00:24,420 --> 01:00:22,690
didn't see it at the time but she felt

1309
01:00:26,430 --> 01:00:24,430
it grow through and you hear her react

1310
01:00:29,430 --> 01:00:26,440
to it on the video right on her

1311
01:00:31,080 --> 01:00:29,440
cellphone right and but I mean that's

1312
01:00:32,609 --> 01:00:31,090
just like one example of something we've

1313
01:00:34,560 --> 01:00:32,619

heard over and over and over and over

1314

01:00:34,859 --> 01:00:34,570

and over and over know it spills on and

1315

01:00:38,730 --> 01:00:34,869

on

1316

01:00:40,560 --> 01:00:38,740

so there are there's you know the space

1317

01:00:43,079 --> 01:00:40,570

within the space all these things are

1318

01:00:44,670 --> 01:00:43,089

related we do not understand how we can

1319

01:00:47,400 --> 01:00:44,680

speculate at this moment we're

1320

01:00:50,220 --> 01:00:47,410

speculating but I think that with the

1321

01:00:52,890 --> 01:00:50,230

advent of this platform that I'm so glad

1322

01:00:56,250 --> 01:00:52,900

it's coming online quickly we'll be able

1323

01:00:57,410 --> 01:00:56,260

to share those ideas and you know

1324

01:01:01,710 --> 01:00:57,420

everybody's going to have a voice

1325

01:01:03,750 --> 01:01:01,720

you have good thoughts good ideas

1326

01:01:06,450 --> 01:01:03,760

they're going to get voted up if you if

1327

01:01:08,579 --> 01:01:06,460

you let's say publish a paper on on

1328

01:01:11,310 --> 01:01:08,589

stellar let's you know you you have a

1329

01:01:14,609 --> 01:01:11,320

siding and you you write it up boom you

1330

01:01:16,380 --> 01:01:14,619

post it online now other readers other

1331

01:01:19,620 --> 01:01:16,390

people's other other followers of that

1332

01:01:22,829 --> 01:01:19,630

certain subject can vote it up they can

1333

01:01:24,710 --> 01:01:22,839

make comments they can add to it that's

1334

01:01:27,960 --> 01:01:24,720

just working on something pretty cool

1335

01:01:29,490 --> 01:01:27,970

and it's it's it's in the future but you

1336

01:01:31,260 --> 01:01:29,500

know we're going to try to get it get it

1337

01:01:33,000 --> 01:01:31,270

launched pretty quick but what it is

1338

01:01:34,890 --> 01:01:33,010

basically is let's say you're out there

1339

01:01:37,200 --> 01:01:34,900

and you're walking around and you have a

1340

01:01:39,839 --> 01:01:37,210

UFO sighting and you take a photo of it

1341

01:01:41,940 --> 01:01:39,849

with your phone or you post it online

1342

01:01:44,910 --> 01:01:41,950

you've got that metadata in the in the

1343

01:01:46,950 --> 01:01:44,920

picture in the video the system if you

1344

01:01:49,009 --> 01:01:46,960

post it to on stellar the system will

1345

01:01:51,690 --> 01:01:49,019

then alert other people in that

1346

01:01:52,769 --> 01:01:51,700

roundabout locations so actually people

1347

01:01:55,620 --> 01:01:52,779

can respond

1348

01:01:57,660 --> 01:01:55,630

somebody can possibly corroborate the

1349

01:01:59,249 --> 01:01:57,670

sighting by taking another photo so

1350

01:02:00,989 --> 01:01:59,259

we're going to be sharing that kind of

1351

01:02:04,019 --> 01:02:00,999

information through blockchain and it's

1352

01:02:06,450 --> 01:02:04,029

all good in the blockchain keep your

1353

01:02:08,849 --> 01:02:06,460

post real it basically keeps it true to

1354

01:02:10,920 --> 01:02:08,859

you nobody can really steal it from you

1355

01:02:14,430 --> 01:02:10,930

and say I took this it's really pretty

1356

01:02:18,839 --> 01:02:14,440

pretty cool pretty cool yeah I like that

1357

01:02:20,549 --> 01:02:18,849

verification process because one example

1358

01:02:23,960 --> 01:02:20,559

I was talking about this a couple of

1359

01:02:27,989 --> 01:02:23,970

weeks ago in the show of blockchain is

1360

01:02:29,249 --> 01:02:27,999

the there is an application that is

1361

01:02:33,660 --> 01:02:29,259

coming out with the blockchain to

1362

01:02:35,910 --> 01:02:33,670

register fine-art right and once it's in

1363

01:02:38,999 --> 01:02:35,920

the blockchain it's there who owns this

1364

01:02:41,640 --> 01:02:39,009

particular painting right so go to the

1365

01:02:43,950 --> 01:02:41,650

blockchain and then you know six months

1366

01:02:46,920 --> 01:02:43,960

down the road you're you're at an

1367

01:02:50,309 --> 01:02:46,930

auction you know or you're at an antique

1368

01:02:53,069 --> 01:02:50,319

store or whatever and you see a painting

1369

01:02:55,200 --> 01:02:53,079

and you go wow that's amazing they want

1370

01:02:57,630 --> 01:02:55,210

twenty grand for ten grand five hundred

1371

01:02:59,700 --> 01:02:57,640

bucks whatever and then you go and you

1372

01:03:02,489 --> 01:02:59,710

check and you find out that the real

1373

01:03:06,959 --> 01:03:02,499

painting is actually owned by somebody

1374

01:03:12,059 --> 01:03:06,969

else in sheboygan and that what you are

1375

01:03:14,729 --> 01:03:12,069

looking at is a fake right that that's

1376

01:03:18,120 --> 01:03:14,739

an application of the blockchain and

1377

01:03:21,380 --> 01:03:18,130

here here it will be the same

1378

01:03:25,339 --> 01:03:21,390

application it just the way that it is

1379

01:03:28,559 --> 01:03:25,349

photographs you see so many pictures of

1380

01:03:31,259 --> 01:03:28,569

UFOs taken off cellphones or ghosts or

1381

01:03:38,039 --> 01:03:31,269

orbs or whatever and people claiming it

1382

01:03:40,350 --> 01:03:38,049

to be theirs right number one yeah

1383

01:03:45,300 --> 01:03:40,360

that's a perfect example

1384

01:03:49,410 --> 01:03:45,310

well you know years ago exactly years

1385

01:03:52,170 --> 01:03:49,420

ago Steve somebody had sent me I wrote

1386

01:03:54,450 --> 01:03:52,180

up a post about this and it's out there

1387

01:03:56,330 --> 01:03:54,460

you can find it but somebody sent me

1388

01:04:00,960 --> 01:03:56,340

these incredible pictures of these

1389

01:04:02,850 --> 01:04:00,970

triangles flying and and if so I give

1390

01:04:06,480 --> 01:04:02,860

this long email man this friend of mine

1391

01:04:08,160 --> 01:04:06,490

took these yesterday he's a chef he you

1392

01:04:09,510 --> 01:04:08,170

know him and his crew routes out of his

1393

01:04:11,070 --> 01:04:09,520

restaurant in the parking lot and they

1394

01:04:13,170 --> 01:04:11,080

took this or whatever right it got this

1395

01:04:16,650 --> 01:04:13,180

long story and I get like four or five

1396

01:04:18,690 --> 01:04:16,660

pictures and I contact John Green Wald

1397

01:04:21,030 --> 01:04:18,700

and I'm like John I got the breaking

1398

01:04:23,940 --> 01:04:21,040

story of the Millennium right this is it

1399

01:04:25,350 --> 01:04:23,950

these are the real pictures and so I

1400

01:04:27,330 --> 01:04:25,360

tell him everything I said look man

1401

01:04:29,280 --> 01:04:27,340

let's do this who fade to black but I

1402

01:04:31,200 --> 01:04:29,290

need black vault because you know you're

1403

01:04:32,670 --> 01:04:31,210

you're respected and so for yeah

1404

01:04:35,100 --> 01:04:32,680

absolutely so we go through the whole

1405

01:04:36,600 --> 01:04:35,110

story and I go back to the guy that sent

1406

01:04:39,990 --> 01:04:36,610

this to me I said hey man I need this

1407

01:04:42,120 --> 01:04:40,000

chef I need him to contact me I need all

1408

01:04:44,780 --> 01:04:42,130

the original stuff I need the timestamps

1409

01:04:47,520 --> 01:04:44,790

I need this and I need that any and he's

1410

01:04:49,620 --> 01:04:47,530

he goes okay I'll have everything to you

1411

01:04:49,980 --> 01:04:49,630

tomorrow I said okay cool so what do I

1412

01:04:57,540 --> 01:04:49,990

do

1413

01:05:00,330 --> 01:04:57,550

google search and I find them the exact

1414

01:05:05,880 --> 01:05:00,340

photographs in another article that was

1415

01:05:09,150 --> 01:05:05,890

posted seven years before right not

1416

01:05:11,190 --> 01:05:09,160

taken upstate New York this either post

1417

01:05:14,940 --> 01:05:11,200

that was seven years old was from like

1418

01:05:18,150 --> 01:05:14,950

Georgia you know and but there it is

1419

01:05:21,120 --> 01:05:18,160

right in front well now we will have a

1420

01:05:23,670 --> 01:05:21,130

ledger and everything will be documented

1421

01:05:26,570 --> 01:05:23,680

in the blockchain and there will be a

1422

01:05:28,110 --> 01:05:26,580

chain of custody for everything

1423

01:05:30,330 --> 01:05:28,120

correctamundo

1424

01:05:33,240 --> 01:05:30,340

yes the scoopers will have to go find

1425

01:05:35,010 --> 01:05:33,250

another game to play you know and we'll

1426

01:05:37,740 --> 01:05:35,020

finally get somewhere with this with

1427

01:05:39,870 --> 01:05:37,750

these topics not just UFOs this is going

1428

01:05:42,080 --> 01:05:39,880

to be all things paranormal not only

1429

01:05:45,810 --> 01:05:42,090

that you know we're going to have a big

1430

01:05:48,240 --> 01:05:45,820

section devoted to you know spirituality

1431

01:05:50,580 --> 01:05:48,250

ascension things like that you have

1432

01:05:51,710 --> 01:05:50,590

Billy Carson on on your show just a

1433

01:05:54,440 --> 01:05:51,720

couple episodes

1434

01:05:57,140 --> 01:05:54,450

ago love that guy and I'd never heard

1435

01:06:00,349 --> 01:05:57,150

him before man he's got some serious

1436

01:06:02,390 --> 01:06:00,359

information to pass right right he's

1437

01:06:04,010 --> 01:06:02,400

gonna he's give it you know we would

1438

01:06:06,050 --> 01:06:04,020

love like people like him they're gonna

1439

01:06:08,060 --> 01:06:06,060

have their own corner of the world where

1440

01:06:09,920 --> 01:06:08,070

people can go and he can post things and

1441

01:06:13,490 --> 01:06:09,930

they can reward one another they can

1442

01:06:15,260 --> 01:06:13,500

interact you know ask me anything like

1443

01:06:17,870 --> 01:06:15,270

these that type of stuff is going to go

1444

01:06:20,660 --> 01:06:17,880

on but I mean the word is gonna get out

1445

01:06:25,190 --> 01:06:20,670

right now people have a place where they

1446

01:06:27,500 --> 01:06:25,200

can go anonymously right and share their

1447

01:06:30,020 --> 01:06:27,510

experiences read other people's

1448

01:06:31,670 --> 01:06:30,030

experiences and actually feel that can

1449

01:06:33,589 --> 01:06:31,680

you get that community feeling I can't

1450

01:06:35,270 --> 01:06:33,599

do that on Facebook look at you know I

1451

01:06:37,250 --> 01:06:35,280

you know I run a mortgage company in a

1452

01:06:41,050 --> 01:06:37,260

real estate company in a fairly affluent

1453

01:06:43,640 --> 01:06:41,060

community in Los Angeles right and I

1454

01:06:45,260 --> 01:06:43,650

can't openly talk about this stuff

1455

01:06:46,910 --> 01:06:45,270

because no one's gonna want to list

1456

01:06:48,920 --> 01:06:46,920

their ten million dollar home with a guy

1457

01:06:50,270 --> 01:06:48,930

who you know believes in aliens and

1458

01:06:52,550 --> 01:06:50,280

little green men right

1459

01:06:55,490 --> 01:06:52,560

right that's the stigma that that normal

1460

01:06:58,190 --> 01:06:55,500

society throws on us but here we can go

1461

01:07:00,020 --> 01:06:58,200

and honestly create a username so and I

1462

01:07:02,030 --> 01:07:00,030

know they've got something where they

1463

01:07:03,920 --> 01:07:02,040

type in Jimmy if they go to an SOCOM

1464

01:07:06,079 --> 01:07:03,930

type in Jimmy they're you know right now

1465

01:07:09,140 --> 01:07:06,089

they can they can get a username that's

1466

01:07:11,050 --> 01:07:09,150

that they like I recommend they do that

1467

01:07:13,490 --> 01:07:11,060

like ASAP this thing is going to go

1468

01:07:18,470 --> 01:07:13,500

guaranteed and this is going to go huge

1469

01:07:21,109 --> 01:07:18,480

man I know how fervent your fans are but

1470

01:07:23,510 --> 01:07:21,119

just how enthusiastic the people are

1471

01:07:27,050 --> 01:07:23,520

that who study this field and the reason

1472

01:07:29,390 --> 01:07:27,060

for that is it's because we know that

1473

01:07:32,210 --> 01:07:29,400

we're not being told the truth right and

1474

01:07:34,490 --> 01:07:32,220

we have to go elsewhere too we have to

1475

01:07:36,950 --> 01:07:34,500

do our own research and you know we

1476

01:07:38,990 --> 01:07:36,960

really have to dig into it to get to the

1477

01:07:41,320 --> 01:07:39,000

truth and this is going to be the place

1478

01:07:44,030 --> 01:07:41,330

to do it man it's going to be awesome

1479

01:07:47,030 --> 01:07:44,040

check out some of these categories I'm

1480

01:07:48,890 --> 01:07:47,040

not gonna I'm not actually gonna censor

1481

01:07:52,790 --> 01:07:48,900

this I'm gonna read through this and

1482

01:07:55,670 --> 01:07:52,800

this is for the audience Akashic records

1483

01:07:57,550 --> 01:07:55,680

alchemy alien abductions alien contact

1484

01:07:59,300 --> 01:07:57,560

altered state of consciousness

1485

01:08:01,579 --> 01:07:59,310

alternative history and ancient

1486

01:08:04,280 --> 01:08:01,589

mysteries alternative medicine

1487

01:08:05,450 --> 01:08:04,290

alternative realities ancient aliens and

1488

01:08:08,420 --> 01:08:05,460

gods from space

1489

01:08:10,790 --> 01:08:08,430

ancient artifacts in literature ancient

1490

01:08:13,220 --> 01:08:10,800

monuments and buildings ancient worlds

1491

01:08:15,380 --> 01:08:13,230

and lost civilizations angels and

1492

01:08:19,930 --> 01:08:15,390

ascended masters animal and human

1493

01:08:22,999 --> 01:08:19,940

mutilations animal healing animal totems

1494

01:08:28,789 --> 01:08:23,009

aromatherapy in color therapy Ascension

1495

01:08:31,249 --> 01:08:28,799

and awakening astrobiology that's what

1496

01:08:36,400 --> 01:08:31,259

I'm trying to say astrology astronomy in

1497

01:08:39,829 --> 01:08:36,410

space chakras channeling and trains or

1498

01:08:43,130 --> 01:08:39,839

channeling and trans complimentary

1499

01:08:45,410 --> 01:08:43,140

they're complimentary therapies and

1500

01:08:49,030 --> 01:08:45,420

counselling conscious and subconscious

1501

01:08:51,999 --> 01:08:49,040

mind conspiracy theories conspiracies

1502

01:08:55,160 --> 01:08:52,009

creatures and cryptozoology crystals

1503

01:08:58,999 --> 01:08:55,170

curses and superstitions demonology and

1504

01:09:03,140 --> 01:08:59,009

and possession dowsing and die and

1505

01:09:06,910 --> 01:09:03,150

divining dreams earth mysteries crop

1506

01:09:09,709 --> 01:09:06,920

circles ecology environment in planetary

1507

01:09:11,809 --> 01:09:09,719

planetary well-being energy work

1508

01:09:15,099 --> 01:09:11,819

esoteric traditions et channeling

1509

01:09:16,999 --> 01:09:15,109

Exopolitics experiments and inventions

1510

01:09:20,410 --> 01:09:17,009

extraterrestrials and star beings faith

1511

01:09:23,990 --> 01:09:20,420

hands on distant and psychic healing

1512

01:09:27,640 --> 01:09:24,000

Feng Shui gap Feng Shui in here man

1513

01:09:32,090 --> 01:09:27,650

space cleanse oh yeah fitness and yoga

1514

01:09:33,650 --> 01:09:32,100

for 14 and weird and bizarre that's oh

1515

01:09:36,769 --> 01:09:33,660

that's one of my favorite right there

1516

01:09:40,450 --> 01:09:36,779

geopolitics Gnosticism government

1517

01:09:43,939 --> 01:09:40,460

programs and projects haunted houses

1518

01:09:48,200 --> 01:09:43,949

hypnotherapy indigenous peoples I mean

1519

01:09:51,470 --> 01:09:48,210

on and and it just there are another 75

1520

01:09:53,269 --> 01:09:51,480

categories that we have here all the way

1521

01:09:59,300 --> 01:09:53,279

to zombies which out some straight is

1522

01:10:01,820 --> 01:09:59,310

going to be love and right yeah here's

1523

01:10:03,380 --> 01:10:01,830

the cool here's the cool thing John you

1524

01:10:05,180 --> 01:10:03,390

know if you didn't mention one of those

1525

01:10:06,380 --> 01:10:05,190

categories you know if your listeners

1526

01:10:07,790 --> 01:10:06,390

are out there going man you didn't that

1527

01:10:10,160 --> 01:10:07,800

he didn't mention chemtrails or whatever

1528

01:10:13,729 --> 01:10:10,170

it is well guess what you can actually

1529

01:10:15,350 --> 01:10:13,739

be the person who creates that corner of

1530

01:10:17,180 --> 01:10:15,360

the world where everybody goes and

1531

01:10:18,830 --> 01:10:17,190

starts reading about chemtrails or

1532

01:10:21,440 --> 01:10:18,840

whatever the topic is you know

1533

01:10:23,840 --> 01:10:21,450

the Akashic records or you know emerald

1534

01:10:25,850 --> 01:10:23,850

tablets or whatever it is you and other

1535

01:10:28,280 --> 01:10:25,860

people like you can participate and

1536

01:10:30,740 --> 01:10:28,290

create that community and discuss it in

1537

01:10:33,560 --> 01:10:30,750

an intelligent way and bring that

1538

01:10:37,010 --> 01:10:33,570

knowledge out you know shared documents

1539

01:10:38,780 --> 01:10:37,020

what have you you know it's just it's

1540

01:10:41,540 --> 01:10:38,790

just dependence man I can't I can't

1541

01:10:47,600 --> 01:10:41,550

believe how lucky I am to be a part of

1542

01:10:48,800 --> 01:10:47,610

this you know it just there's something

1543

01:10:52,160 --> 01:10:48,810

else here that has to be mentioned

1544

01:10:55,700 --> 01:10:52,170

before we get to the break if you are an

1545

01:10:57,920 --> 01:10:55,710

active member of this community and and

1546

01:10:59,810 --> 01:10:57,930

doing what everybody else does which is

1547

01:11:02,270 --> 01:10:59,820

research and you're reading and you're

1548

01:11:04,250 --> 01:11:02,280

chasing stuff down you're going to so

1549

01:11:06,260 --> 01:11:04,260

many different sites you know you're

1550

01:11:08,300 --> 01:11:06,270

you're going from YouTube but you know

1551
01:11:10,820 --> 01:11:08,310
back to somebody's webpage and then over

1552
01:11:12,740 --> 01:11:10,830
to a blog and then and back and then

1553
01:11:14,870 --> 01:11:12,750
you're looking at images and you're

1554
01:11:18,410 --> 01:11:14,880
looking you're going to publications and

1555
01:11:22,460 --> 01:11:18,420
and all of that newspapers you're doing

1556
01:11:25,700 --> 01:11:22,470
all of that here it's all the access to

1557
01:11:28,610 --> 01:11:25,710
all of this is gonna be all in one spot

1558
01:11:31,430 --> 01:11:28,620
you know and it's all publicly available

1559
01:11:34,040 --> 01:11:31,440
and it's all going to be right there and

1560
01:11:35,780 --> 01:11:34,050
that and it will continue to grow it's

1561
01:11:39,800 --> 01:11:35,790
never gonna stop it's just going to

1562
01:11:42,190 --> 01:11:39,810
expand and expand and expand yeah yep so

1563
01:11:44,360 --> 01:11:42,200

Jim listen to the name of the database

1564

01:11:46,190 --> 01:11:44,370

desk kind of gave it the name I gotta

1565

01:11:48,970 --> 01:11:46,200

credit him he gave it the name Jeff

1566

01:11:52,370 --> 01:11:48,980

won't take a guess what it is

1567

01:11:55,850 --> 01:11:52,380

Alexandria Oh see that's what I'm

1568

01:11:59,090 --> 01:11:55,860

talking about you know right there that

1569

01:12:01,430 --> 01:11:59,100

is just amazing to me ya know this is

1570

01:12:04,250 --> 01:12:01,440

gonna be the digital Alexandria we're

1571

01:12:05,990 --> 01:12:04,260

gonna listen to this so Suzanne Hansen

1572

01:12:07,460 --> 01:12:06,000

who's from New Zealand right she's sort

1573

01:12:11,180 --> 01:12:07,470

of like the moon font for all of New

1574

01:12:13,700 --> 01:12:11,190

Zealand she's got she's got signings

1575

01:12:16,660 --> 01:12:13,710

written sightings right all the way back

1576

01:12:19,220 --> 01:12:16,670

into the late 1800s

1577

01:12:21,650 --> 01:12:19,230

there they are in the process right now

1578

01:12:24,320 --> 01:12:21,660

digitizing those sightings scanning them

1579

01:12:26,540 --> 01:12:24,330

and digitizing this huge effort but in

1580

01:12:29,060 --> 01:12:26,550

the end we'll be able to you know search

1581

01:12:29,920 --> 01:12:29,070

keywords search those sightings from

1582

01:12:33,220 --> 01:12:29,930

wave

1583

01:12:35,650 --> 01:12:33,230

a twin so let's say you know pick a

1584

01:12:37,690 --> 01:12:35,660

shape you know cylindrical UFO right

1585

01:12:40,480 --> 01:12:37,700

let's say you do that and you do a query

1586

01:12:42,700 --> 01:12:40,490

on to the database well guess what if if

1587

01:12:44,770 --> 01:12:42,710

her document has been scanned it's there

1588

01:12:46,990 --> 01:12:44,780

you know the system will say what about

1589

01:12:48,520 --> 01:12:47,000

take a look at this what about this have

1590

01:12:51,700 --> 01:12:48,530

you looked at this document here are

1591

01:12:54,610 --> 01:12:51,710

like 25 different sightings from here

1592

01:12:56,290 --> 01:12:54,620

backwards that have cylindrical UFOs on

1593

01:12:58,600 --> 01:12:56,300

them you know I mean right this is what

1594

01:13:00,070 --> 01:12:58,610

we're after this is what we're after so

1595

01:13:01,690 --> 01:13:00,080

the database is going to be sort of a

1596

01:13:04,390 --> 01:13:01,700

relational database that you can search

1597

01:13:08,710 --> 01:13:04,400

that way but it'll also include you know

1598

01:13:11,920 --> 01:13:08,720

video audio all that stuff now this is

1599

01:13:17,130 --> 01:13:11,930

this is okay I'm gonna address something

1600

01:13:22,840 --> 01:13:17,140

directly here for everybody there is no

1601
01:13:25,140 --> 01:13:22,850
investment so whatever you choose to do

1602
01:13:29,740 --> 01:13:25,150
you can do but let me give you a typical

1603
01:13:31,900 --> 01:13:29,750
user okay you have somebody John Smith

1604
01:13:35,460 --> 01:13:31,910
Jane Smith they go and they open their

1605
01:13:39,880 --> 01:13:35,470
account and just like Facebook or

1606
01:13:42,070 --> 01:13:39,890
YouTube or Twitter Instagram you're

1607
01:13:45,850 --> 01:13:42,080
gonna have your own page right your your

1608
01:13:48,760 --> 01:13:45,860
Jane Smith page but once you go through

1609
01:13:51,040 --> 01:13:48,770
and you register you pick out your name

1610
01:13:55,140 --> 01:13:51,050
you do everything that you do at that

1611
01:13:58,240 --> 01:13:55,150
point you are going to be given some

1612
01:14:00,850 --> 01:13:58,250
tokens for your wallet just for

1613
01:14:04,030 --> 01:14:00,860

registering and and that number is

1614

01:14:05,860 --> 01:14:04,040

probably well it's gonna be in the tens

1615

01:14:08,860 --> 01:14:05,870

it could be ten could be twenty could be

1616

01:14:10,870 --> 01:14:08,870

25 but let's you know that's being

1617

01:14:13,660 --> 01:14:10,880

worked out now everybody but that's good

1618

01:14:16,720 --> 01:14:13,670

that's gonna kick off so let's just say

1619

01:14:18,340 --> 01:14:16,730

if I say 25 right now you're gonna be

1620

01:14:20,890 --> 01:14:18,350

stuck with that on stellar it's gonna

1621

01:14:22,420 --> 01:14:20,900

have to do it so I'm gonna say 25 all

1622

01:14:28,660 --> 01:14:22,430

right I'm gonna I'm gonna screw the

1623

01:14:32,550 --> 01:14:28,670

pooch right now so let's just let me

1624

01:14:36,610 --> 01:14:32,560

finish so now they've got 25 tokens and

1625

01:14:39,520 --> 01:14:36,620

they could be worth a dollar each and so

1626

01:14:41,750 --> 01:14:39,530

what is going to stop somebody from just

1627

01:14:44,630 --> 01:14:41,760

cashing out right then and open

1628

01:14:47,479 --> 01:14:44,640

another account right well you can't so

1629

01:14:50,360 --> 01:14:47,489

let everybody to understand this you can

1630

01:14:53,870 --> 01:14:50,370

take those 25 tokens that go and use

1631

01:14:55,700 --> 01:14:53,880

them yes can you cash out no there's

1632

01:14:58,880 --> 01:14:55,710

gonna be a certain amount of vesting

1633

01:15:00,500 --> 01:14:58,890

period after six months activity on the

1634

01:15:03,320 --> 01:15:00,510

site and doing this and you wanted to go

1635

01:15:05,990 --> 01:15:03,330

cash out yeah you could but on that

1636

01:15:10,130 --> 01:15:06,000

first day of registering if you went

1637

01:15:12,860 --> 01:15:10,140

over to say Richard Dolan's page or

1638

01:15:14,600 --> 01:15:12,870

another author's page and you went there

1639

01:15:16,190 --> 01:15:14,610

and Richard Dolan's got a publishing

1640

01:15:17,960 --> 01:15:16,200

company's got a new book for sale you go

1641

01:15:22,880 --> 01:15:17,970

over and he's selling those for ten

1642

01:15:26,120 --> 01:15:22,890

tokens you could buy his book you could

1643

01:15:29,600 --> 01:15:26,130

and and that's that's the perfect

1644

01:15:33,020 --> 01:15:29,610

example of this alright the tokens do

1645

01:15:35,120 --> 01:15:33,030

have value and over time if you wish to

1646

01:15:37,700 --> 01:15:35,130

cash them out you can but that's not the

1647

01:15:39,770 --> 01:15:37,710

point you can do whatever you want to do

1648

01:15:42,110 --> 01:15:39,780

with these coins inside of the community

1649

01:15:44,240 --> 01:15:42,120

with these tokens and support the

1650

01:15:48,470 --> 01:15:44,250

community and that's what we want to

1651

01:15:50,750 --> 01:15:48,480

encourage is growth and rewarding people

1652

01:15:53,570 --> 01:15:50,760

inside of this community if you choose

1653

01:15:57,430 --> 01:15:53,580

to cash out and you want to be a chump

1654

01:16:00,590 --> 01:15:57,440

go ahead cash out we don't care or-or-or

1655

01:16:04,190 --> 01:16:00,600

if you accumulate and you've done a

1656

01:16:06,380 --> 01:16:04,200

bunch of work and now you've got 500

1657

01:16:08,750 --> 01:16:06,390

coins and you want to go self publish a

1658

01:16:10,700 --> 01:16:08,760

book you could probably do it inside of

1659

01:16:13,670 --> 01:16:10,710

the platform you could probably do that

1660

01:16:16,790 --> 01:16:13,680

but if you chose to and you needed to

1661

01:16:19,550 --> 01:16:16,800

cash out to use that to go and sell

1662

01:16:22,430 --> 01:16:19,560

publish a book or go do some research or

1663

01:16:25,460 --> 01:16:22,440

you know go out and do some

1664

01:16:27,920 --> 01:16:25,470

ghost-hunting on location there you go

1665

01:16:30,920 --> 01:16:27,930

if you're paranoid you go yeah if you're

1666

01:16:33,200 --> 01:16:30,930

a paranormal group think about that for

1667

01:16:34,520 --> 01:16:33,210

a second you know yeah yeah yeah like

1668

01:16:36,710 --> 01:16:34,530

let's say you wanted to publish a book

1669

01:16:38,420 --> 01:16:36,720

okay who's the best guy that turned to

1670

01:16:41,210 --> 01:16:38,430

you for that Richard Dolan keyhole

1671

01:16:42,260 --> 01:16:41,220

publishing right right but of course

1672

01:16:44,030 --> 01:16:42,270

you're not going to ask for it's time

1673

01:16:46,520 --> 01:16:44,040

for free if you need that coaching in

1674

01:16:48,380 --> 01:16:46,530

that help you know you make an agreement

1675

01:16:50,330 --> 01:16:48,390

with Richard hey man you know five

1676

01:16:52,160 --> 01:16:50,340

tokens ten tokens whatever it is and you

1677

01:16:54,080 --> 01:16:52,170

trade and boom

1678

01:16:57,260 --> 01:16:54,090

he's coaching you and you published your

1679

01:16:59,450 --> 01:16:57,270

book done yes that right there the

1680

01:17:01,040 --> 01:16:59,460

economy stays inside the system it

1681

01:17:03,380 --> 01:17:01,050

doesn't have to like you said you can go

1682

01:17:05,630 --> 01:17:03,390

out and cash out sure but it's we didn't

1683

01:17:07,550 --> 01:17:05,640

look we didn't design it for that okay

1684

01:17:09,200 --> 01:17:07,560

we're not this isn't this isn't like a

1685

01:17:11,660 --> 01:17:09,210

Bitcoin thing where every shiny now

1686

01:17:13,820 --> 01:17:11,670

that's not it okay this is about

1687

01:17:15,650 --> 01:17:13,830

building a platform that has to happen

1688

01:17:18,620 --> 01:17:15,660

to be built on blockchain around

1689

01:17:20,630 --> 01:17:18,630

blockchain technology so yeah we have a

1690

01:17:23,450 --> 01:17:20,640

commerce system built into it and that's

1691

01:17:25,760 --> 01:17:23,460

great but that's not that's not why I'm

1692

01:17:29,000 --> 01:17:25,770

in this thing then I want I want to get

1693

01:17:30,650 --> 01:17:29,010

to the truth number one number two look

1694

01:17:34,030 --> 01:17:30,660

this is this is crazy I'm gonna put it

1695

01:17:36,530 --> 01:17:34,040

out here to your listeners I really want

1696

01:17:38,330 --> 01:17:36,540

zero-point energy free you know free

1697

01:17:40,460 --> 01:17:38,340

energy zero-point energy to come out

1698

01:17:42,740 --> 01:17:40,470

into the public we know it's in we know

1699

01:17:45,350 --> 01:17:42,750

the government has that people have it

1700

01:17:47,270 --> 01:17:45,360

it's been solved but it's being

1701

01:17:49,790 --> 01:17:47,280

sequestered and we need to get that out

1702

01:17:51,410 --> 01:17:49,800

to the public I would love it if let's

1703

01:17:53,750 --> 01:17:51,420

say we had a bunch of people who are

1704

01:17:55,160 --> 01:17:53,760

experts in that create their own corner

1705

01:17:57,020 --> 01:17:55,170

of the world and start discussing that

1706

01:17:58,730 --> 01:17:57,030

sharing papers doing the math and

1707

01:18:00,470 --> 01:17:58,740

they're sharing their work and then all

1708

01:18:03,320 --> 01:18:00,480

sudden somebody from inside the

1709

01:18:05,120 --> 01:18:03,330

sequestered community says man I thought

1710

01:18:06,440 --> 01:18:05,130

look this is just unfair we need to

1711

01:18:09,470 --> 01:18:06,450

release this information they start

1712

01:18:13,160 --> 01:18:09,480

leaking it they sign on right and they

1713

01:18:18,830 --> 01:18:13,170

start giving us some help yeah somebody

1714

01:18:22,660 --> 01:18:18,840

just I'm gonna midnight tomorrow night

1715

01:18:23,960 --> 01:18:22,670

okay the website everybody is

1716

01:18:28,790 --> 01:18:23,970

dub-dub-dub

1717

01:18:32,000 --> 01:18:28,800

dot on stellar dot-com that's it that's

1718

01:18:35,090 --> 01:18:32,010

the website if you go there now if you

1719

01:18:44,300 --> 01:18:35,100

go to the website now let me um let me

1720

01:18:46,430 --> 01:18:44,310

do this everybody use on stellar I'm

1721

01:18:51,400 --> 01:18:46,440

gonna do this correctly I did it too

1722

01:18:57,100 --> 01:18:51,410

fast before on stellar dot-com promo

1723

01:18:57,110 --> 01:19:04,040

tomorrow Tuesday

1724

01:19:10,220 --> 01:19:06,560

@midnight you gotta love me when I text

1725

01:19:14,090 --> 01:19:10,230

and talk at the same time it's just so

1726

01:19:18,110 --> 01:19:14,100

funny to me I just turn into me I am

1727

01:19:21,080 --> 01:19:18,120

just the complete there's words that I

1728

01:19:24,050 --> 01:19:21,090

want to use here but there you go paste

1729

01:19:26,120 --> 01:19:24,060

boom done so I wanted to be able to see

1730

01:19:29,770 --> 01:19:26,130

the Seas so when you click on on stellar

1731

01:19:30,950 --> 01:19:29,780

I'm opening up now it says coming soon

1732

01:19:34,460 --> 01:19:30,960

okay

1733

01:19:37,040 --> 01:19:34,470

and maybe while it's probably just

1734

01:19:40,220 --> 01:19:37,050

pointless for desh to put up there or

1735

01:19:42,050 --> 01:19:40,230

his team midnight tomorrow night or

1736

01:19:43,990 --> 01:19:42,060

Wednesday's date because if that's gonna

1737

01:19:46,730 --> 01:19:44,000

roll around here quick enough and then

1738

01:19:48,290 --> 01:19:46,740

tomorrow night at midnight it's gonna

1739

01:19:50,000 --> 01:19:48,300

you'll be able to go through the

1740

01:19:53,420 --> 01:19:50,010

registration process read the white

1741

01:19:55,760 --> 01:19:53,430

paper and and and go and do all of those

1742

01:19:57,710 --> 01:19:55,770

things but yeah I'm stellar it is here

1743

01:19:59,870 --> 01:19:57,720

Steve let me take a break stay right

1744

01:20:02,090 --> 01:19:59,880

there Steve I've got more to discuss

1745

01:20:04,490 --> 01:20:02,100

with you right after the break and I'm

1746

01:20:07,160 --> 01:20:04,500

gonna go a little bit beyond on stellar

1747

01:20:11,720 --> 01:20:07,170

have you seen the new Tom DeLonge video

1748

01:20:15,710 --> 01:20:13,850

oh man just you know just go search it

1749

01:20:17,510 --> 01:20:15,720

right now during the commercial break go

1750

01:20:19,940 --> 01:20:17,520

watch all right all right to the stars

1751

01:20:21,410 --> 01:20:19,950

video number three go watch it I'll be

1752

01:20:33,740 --> 01:20:21,420

right back you got it

1753

01:20:36,740 --> 01:20:33,750

this is fade to black this is kera

1754

01:20:42,020 --> 01:20:36,750

digital broadcasting station Salt Lake

1755

01:20:44,180 --> 01:20:42,030

City Utah Van Buren Arkansas let's get

1756

01:20:46,130 --> 01:20:44,190

this man to the ER stat right away

1757

01:20:48,830 --> 01:20:46,140

doctor we see this every day heart

1758

01:20:51,200 --> 01:20:48,840

attack or angina pain due to blocked and

1759

01:20:53,510 --> 01:20:51,210

clogged arteries chelation can remove

1760

01:20:55,250 --> 01:20:53,520

obstructions or blockages from arteries

1761

01:20:58,070 --> 01:20:55,260

and help avoid painful and expensive

1762

01:21:00,050 --> 01:20:58,080

surgery now there's angiogram it's a

1763

01:21:02,030 --> 01:21:00,060

liquid oral chelation product that you

1764

01:21:04,610 --> 01:21:02,040

take with juice you start to feel the

1765

01:21:06,439 --> 01:21:04,620

results fast angio primm increases blood

1766

01:21:08,689 --> 01:21:06,449

flow all over the body and that means

1767

01:21:11,510 --> 01:21:08,699

more energy and strength to take on the

1768

01:21:13,550 --> 01:21:11,520

day with less aches and pains 60 years

1769

01:21:16,760 --> 01:21:13,560

of research has gone into chelation and

1770

01:21:18,979 --> 01:21:16,770

angiogram is the result a safe and easy

1771

01:21:21,169 --> 01:21:18,989

way to unblock your veins and arteries

1772

01:21:23,030 --> 01:21:21,179

from buildup that slow circulation

1773

01:21:24,020 --> 01:21:23,040

shaping dr. Jones please report to the

1774

01:21:26,000 --> 01:21:24,030

emergency room right away

1775

01:21:28,760 --> 01:21:26,010

log on now for a special radio offer

1776

01:21:33,860 --> 01:21:28,770

from angio primm that's angio prim calm

1777

01:21:35,780 --> 01:21:33,870

/ radio ang IO PRI M angio prim calm /

1778

01:21:37,760 --> 01:21:35,790

radio our call eight seven seven eight

1779

01:21:39,500 --> 01:21:37,770

eight to seventy two twenty one that's

1780

01:21:43,520 --> 01:21:39,510

eight seven seven eight eight to seventy

1781

01:21:46,939 --> 01:21:43,530

two twenty one so you love talk radio

1782

01:21:50,540 --> 01:21:46,949

then you'll love talk stream live.com

1783

01:21:52,669 --> 01:21:50,550

talk stream live is always on 24/7 with

1784

01:21:54,620 --> 01:21:52,679

the best streaming talk shows find your

1785

01:21:56,900 --> 01:21:54,630

favorite talkers and discover some new

1786

01:21:59,570 --> 01:21:56,910

ones it's free readily available online

1787

01:22:01,580 --> 01:21:59,580

or on the smartphone or tablet

1788

01:22:03,650 --> 01:22:01,590

finding your favorite talk shows all in

1789

01:22:07,040 --> 01:22:03,660

one place has gotten a whole lot easier

1790

01:22:08,900 --> 01:22:07,050

just go to talk stream live.com be sure

1791

01:22:12,530 --> 01:22:08,910

to download the free apps from Google

1792

01:22:13,939 --> 01:22:12,540

Play or the itunes app store your

1793

01:22:18,669 --> 01:22:13,949

contact for Guren

1794

01:22:22,189 --> 01:22:18,679

and trending topics gay GRA radio.com

1795

01:22:25,640 --> 01:22:22,199

hello fader nots this is Jimmy Church

1796

01:22:27,880 --> 01:22:25,650

and I'm introducing new Pharma a company

1797

01:22:30,220 --> 01:22:27,890

whose products are based on science

1798

01:22:34,669 --> 01:22:30,230

human function based on the

1799

01:22:37,160 --> 01:22:34,679

endocannabinoid system or ECS new pharma

1800

01:22:39,830 --> 01:22:37,170

firmly believes in this science and

1801
01:22:42,650 --> 01:22:39,840
their research indicates that support of

1802
01:22:45,800 --> 01:22:42,660
the ECS provides the beneficial effects

1803
01:22:48,860 --> 01:22:45,810
for a healthy lifestyle new Pharma

1804
01:22:49,520 --> 01:22:48,870
science includes relief capsules for

1805
01:22:52,729 --> 01:22:49,530
pain relief

1806
01:22:55,820 --> 01:22:52,739
sleep capsules which are natural support

1807
01:22:58,610 --> 01:22:55,830
for occasional sleeplessness Foundation

1808
01:23:01,100 --> 01:22:58,620
his support for your ECS and fit

1809
01:23:03,560 --> 01:23:01,110
capsules support your active lifestyle

1810
01:23:06,169 --> 01:23:03,570
just click on the banner at Jimmy Church

1811
01:23:09,620 --> 01:23:06,179
radio.com and use the promo code f to be

1812
01:23:12,919 --> 01:23:09,630
for a 33% discount on all of their

1813
01:23:14,840 --> 01:23:12,929

products or visit new Pharma comm for

1814

01:23:21,939 --> 01:23:14,850

all of the knowledge on the science

1815

01:23:24,140 --> 01:23:21,949

that's GNU Pharma comm gobekli tepe

1816

01:23:25,850 --> 01:23:24,150

did you know that when you're on the

1817

01:23:28,310 --> 01:23:25,860

road with limited data or Wi-Fi

1818

01:23:30,229 --> 01:23:28,320

available you can still listen to every

1819

01:23:33,020 --> 01:23:30,239

minute of fade to black by just calling

1820

01:23:36,080 --> 01:23:33,030

six oh five five six two four four eight

1821

01:23:38,570 --> 01:23:36,090

two no smartphone app or Internet needed

1822

01:23:41,150 --> 01:23:38,580

it saves your data plan and no extra

1823

01:23:44,000 --> 01:23:41,160

cost if you have unlimited minutes just

1824

01:23:46,280 --> 01:23:44,010

call six oh five five six two four four

1825

01:23:48,860 --> 01:23:46,290

eight two you can listen to me Jimmy

1826
01:23:59,760 --> 01:23:48,870
Church on any phone anytime anywhere

1827
01:24:06,130 --> 01:24:02,050
you want to know a secret

1828
01:24:09,070 --> 01:24:06,140
I love ponies I really love ponies I'm

1829
01:24:13,360 --> 01:24:09,080
serious I couldn't stay stable without

1830
01:24:18,830 --> 01:24:13,370
pony mr. Bush why fades apart because

1831
01:24:22,860 --> 01:24:20,940
this is fade to black

1832
01:24:26,550 --> 01:24:22,870
with Jimmy Church on the game changer

1833
01:24:28,950 --> 01:24:26,560
radio network and K GRA the global radio

1834
01:24:40,189 --> 01:24:28,960
alliance

1835
01:24:42,570 --> 01:24:40,199
[Music]

1836
01:24:44,939 --> 01:24:42,580
all right welcome back fade to black how

1837
01:24:51,090 --> 01:24:44,949
many Osumi Church tonight we're talking

1838
01:24:54,209 --> 01:24:51,100

about on stellar a brand-new exciting

1839

01:24:57,120 --> 01:24:54,219

social media platform that's getting

1840

01:24:58,770 --> 01:24:57,130

ready to launch for us for our community

1841

01:25:03,410 --> 01:24:58,780

our guest right now is our good friend

1842

01:25:08,520 --> 01:25:03,420

Steve Murillo and Steve now one of the

1843

01:25:12,450 --> 01:25:08,530

applications for on stellar would be do

1844

01:25:14,669 --> 01:25:12,460

you have me on in the background no I'm

1845

01:25:16,890 --> 01:25:14,679

here what is what is that in the

1846

01:25:19,439 --> 01:25:16,900

background are you out of Drive let me

1847

01:25:21,149 --> 01:25:19,449

let me get rid of that noise are you how

1848

01:25:32,310 --> 01:25:21,159

to drive I think Steve is that

1849

01:25:34,290 --> 01:25:32,320

in-and-out burger right now speaking of

1850

01:25:38,490 --> 01:25:34,300

food we just got back from Vegas and I'm

1851
01:25:43,229 --> 01:25:38,500
gonna say this three meals in Vegas a

1852
01:25:46,410 --> 01:25:43,239
three of the most outstanding the the

1853
01:25:51,410 --> 01:25:46,420
chefs in Las Vegas are no joke man they

1854
01:25:54,120 --> 01:25:51,420
take it serious man are just absolutely

1855
01:25:56,220 --> 01:25:54,130
you don't want me to go through what we

1856
01:25:58,830 --> 01:25:56,230
have it's just incredible absolutely

1857
01:26:01,620 --> 01:25:58,840
incredible now did you take a look at

1858
01:26:03,240 --> 01:26:01,630
this is one of the applications of on

1859
01:26:08,580 --> 01:26:03,250
stellar did you take a look at Tom

1860
01:26:10,830 --> 01:26:08,590
DeLong's third video now before you say

1861
01:26:14,280 --> 01:26:10,840
anything and this is one of the

1862
01:26:18,090 --> 01:26:14,290
applications of this somebody could post

1863
01:26:21,689 --> 01:26:18,100

that video on on stellar and go okay

1864

01:26:23,820 --> 01:26:21,699

what does everybody think I think this

1865

01:26:28,919 --> 01:26:23,830

and then it's off to the races

1866

01:26:30,990 --> 01:26:28,929

right yeah and now that is that is it's

1867

01:26:34,439 --> 01:26:31,000

one of the applications of being able to

1868

01:26:37,290 --> 01:26:34,449

as a community to openly talk about and

1869

01:26:40,860 --> 01:26:37,300

debate and and put something to bed or

1870

01:26:44,880 --> 01:26:40,870

not support it or not and this is one of

1871

01:26:48,240 --> 01:26:44,890

those cases like this video I mean I saw

1872

01:26:50,460 --> 01:26:48,250

it I want your comments

1873

01:26:54,570 --> 01:26:50,470

whoa okay yes you know let me give you I

1874

01:26:57,660 --> 01:26:54,580

got one right away okay so you hear in

1875

01:26:59,760 --> 01:26:57,670

the background sounds like control right

1876
01:27:01,860 --> 01:26:59,770
tower approach something somebody's

1877
01:27:04,320 --> 01:27:01,870
talking to him in the background and and

1878
01:27:06,510 --> 01:27:04,330
you hear the jargon the military jargon

1879
01:27:12,210 --> 01:27:06,520
right you know I was a I was a pilot

1880
01:27:15,630 --> 01:27:12,220
okay all I'm not a pilot you were a

1881
01:27:17,850 --> 01:27:15,640
Marine quarter core fighter pilot that

1882
01:27:20,190 --> 01:27:17,860
graduated from the u.s. Naval Academy

1883
01:27:24,710 --> 01:27:20,200
let's be don't belong don't downplay

1884
01:27:28,020 --> 01:27:24,720
yourself you didn't fly a Cessna 150

1885
01:27:29,820 --> 01:27:28,030
okay good point good point but here's

1886
01:27:32,010 --> 01:27:29,830
what I noticed about this video right

1887
01:27:33,840 --> 01:27:32,020
away the guys that are getting excited

1888
01:27:35,640 --> 01:27:33,850

about it they sound like a couple guys

1889

01:27:38,220 --> 01:27:35,650

sitting on a sofa not like a couple

1890

01:27:40,590 --> 01:27:38,230

military pilots like you don't start

1891

01:27:42,990 --> 01:27:40,600

going with on the race you don't do that

1892

01:27:45,150 --> 01:27:43,000

right in my day okay now this is great

1893

01:27:47,670 --> 01:27:45,160

this is a while back and maybe things

1894

01:27:50,190 --> 01:27:47,680

have changed you know but you don't do

1895

01:27:52,800 --> 01:27:50,200

that especially you're flying an f-18

1896

01:27:55,350 --> 01:27:52,810

Hornet right at they 18 Hornet Super

1897

01:27:57,270 --> 01:27:55,360

Hornet you know you're you're one of the

1898

01:27:58,860 --> 01:27:57,280

you know you're the cream of the crop

1899

01:28:00,240 --> 01:27:58,870

you know you're gonna keep your cool

1900

01:28:00,690 --> 01:28:00,250

you're gonna say I got a target I got a

1901

01:28:02,700 --> 01:28:00,700

bogey

1902

01:28:04,020 --> 01:28:02,710

you know it's low no it's moving from

1903

01:28:05,730 --> 01:28:04,030

right whatever it is doing you're

1904

01:28:08,010 --> 01:28:05,740

describing it you know estimated speed

1905

01:28:10,200 --> 01:28:08,020

650 not sort of a little bit and you're

1906

01:28:11,370 --> 01:28:10,210

rolling it out to your to your wingman

1907

01:28:13,560 --> 01:28:11,380

and things going to cut into the

1908

01:28:15,450 --> 01:28:13,570

fatality or not you know and then you're

1909

01:28:18,210 --> 01:28:15,460

gonna say what you're gonna do you're

1910

01:28:20,040 --> 01:28:18,220

not like Woo's I got that guy blah blah

1911

01:28:21,180 --> 01:28:20,050

blah I mean that just doesn't sound

1912

01:28:23,070 --> 01:28:21,190

right to me now

1913

01:28:26,490 --> 01:28:23,080

maybe things have changed you know

1914

01:28:28,800 --> 01:28:26,500

during during the past eight years or so

1915

01:28:31,890 --> 01:28:28,810

you don't know you got a little axe but

1916

01:28:33,690 --> 01:28:31,900

I don't think so I don't think so I

1917

01:28:36,150 --> 01:28:33,700

don't know so see here's here's a

1918

01:28:39,170 --> 01:28:36,160

perfect example of this so let's say you

1919

01:28:41,670 --> 01:28:39,180

posted that video on on stellar right

1920

01:28:42,810 --> 01:28:41,680

you could then solicit military pilots

1921

01:28:44,820 --> 01:28:42,820

to make their comments what do you think

1922

01:28:47,070 --> 01:28:44,830

yeah you know buddy starts right

1923

01:28:48,390 --> 01:28:47,080

uploading or downloading it or just or

1924

01:28:50,460 --> 01:28:48,400

just saying yeah you know this sounds

1925

01:28:53,160 --> 01:28:50,470

right or you know this way they talk now

1926

01:28:55,200 --> 01:28:53,170

or no they don't talk this way ever you

1927

01:28:57,360 --> 01:28:55,210

know that's what you would go through

1928

01:28:59,520 --> 01:28:57,370

you would go through that analysis and

1929

01:29:01,220 --> 01:28:59,530

then finally somebody would say you know

1930

01:29:04,820 --> 01:29:01,230

that's a frickin seagull and Bob

1931

01:29:09,380 --> 01:29:04,830

blonde I took the video well now there

1932

01:29:12,979 --> 01:29:09,390

is something else about the video for me

1933

01:29:15,650 --> 01:29:12,989

now look pretty cool a little white dot

1934

01:29:17,479 --> 01:29:15,660

moving across they lock on to it it

1935

01:29:19,670 --> 01:29:17,489

looks at you know it looks strange it

1936

01:29:26,810 --> 01:29:19,680

looks like it's moving at a pretty fast

1937

01:29:29,960 --> 01:29:26,820

clip but then the video stops why did it

1938

01:29:32,690 --> 01:29:29,970

stop because is it because a few minutes

1939

01:29:33,410 --> 01:29:32,700

later they found out that it was

1940

01:29:37,070 --> 01:29:33,420

something else

1941

01:29:39,560 --> 01:29:37,080

right and so that's not included in the

1942

01:29:42,380 --> 01:29:39,570

video what where's the rest of the video

1943

01:29:45,320 --> 01:29:42,390

did they've you know is it did see the

1944

01:29:46,820 --> 01:29:45,330

thing is the way that it is flying

1945

01:29:49,400 --> 01:29:46,830

across the water

1946

01:29:52,630 --> 01:29:49,410

it looks like it's traveling at like a

1947

01:29:56,570 --> 01:29:52,640

thousand miles an hour right but that

1948

01:29:58,700 --> 01:29:56,580

can be very very deceiving for a lot of

1949

01:30:02,450 --> 01:29:58,710

different things that you know it looks

1950

01:30:06,020 --> 01:30:02,460

like it's moving fast but it's not and

1951

01:30:08,060 --> 01:30:06,030

today out today I was on the freeway

1952

01:30:09,830 --> 01:30:08,070

I'm passenger you know coming back from

1953

01:30:15,160 --> 01:30:09,840

Las Vegas I'm looking out the window and

1954

01:30:19,670 --> 01:30:15,170

in in the car in the van next to me was

1955

01:30:21,620 --> 01:30:19,680

something on the console right on the

1956

01:30:23,900 --> 01:30:21,630

dashboard you know you have all those

1957

01:30:26,030 --> 01:30:23,910

chrome highlights and buttons and things

1958

01:30:27,830 --> 01:30:26,040

like that the Sun is coming in from the

1959

01:30:30,440 --> 01:30:27,840

opposite direction reflecting off of

1960

01:30:33,020 --> 01:30:30,450

something on the console and I can see

1961

01:30:35,810 --> 01:30:33,030

it in my window to the right right this

1962

01:30:37,670 --> 01:30:35,820

little reflection it's a white dot you

1963

01:30:39,770 --> 01:30:37,680

know that's that's reflecting on the

1964

01:30:41,720 --> 01:30:39,780

window and I'm looking out and I'm

1965

01:30:43,430 --> 01:30:41,730

moving my head back and forth and I was

1966

01:30:46,430 --> 01:30:43,440

saying to myself man if I took a picture

1967

01:30:50,930 --> 01:30:46,440

of this right now or shot a video that's

1968

01:30:52,640 --> 01:30:50,940

a UFO right it's a shiny object off in

1969

01:30:54,770 --> 01:30:52,650

the sky in the blue sky in the

1970

01:30:57,560 --> 01:30:54,780

background and then I started moving my

1971

01:31:01,850 --> 01:30:57,570

head back and forth I'm thinking man

1972

01:31:03,740 --> 01:31:01,860

it's hauling it if you move back and

1973

01:31:06,620 --> 01:31:03,750

forth correctly it looks like it's

1974

01:31:07,910 --> 01:31:06,630

screaming across the desert at like Mach

1975

01:31:10,640 --> 01:31:07,920

10

1976

01:31:12,890 --> 01:31:10,650

and so then I take out my phone I'm not

1977

01:31:15,530 --> 01:31:12,900

telling anybody what I'm doing and I

1978

01:31:18,440 --> 01:31:15,540

switch it over to camera mode and I hold

1979

01:31:20,330 --> 01:31:18,450

it up to the window and I'm moving the

1980

01:31:22,250 --> 01:31:20,340

phone to the left and right and I'm

1981

01:31:26,480 --> 01:31:22,260

watching this object now because you're

1982

01:31:28,910 --> 01:31:26,490

changing the orientation it's if I shot

1983

01:31:32,080 --> 01:31:28,920

a video a little five-second video of

1984

01:31:34,100 --> 01:31:32,090

just me sweeping this across the glass

1985

01:31:35,870 --> 01:31:34,110

you wouldn't be able to tell it was

1986

01:31:37,310 --> 01:31:35,880

glass number one number two you wouldn't

1987

01:31:40,970 --> 01:31:37,320

be able to tell that it was a reflection

1988

01:31:44,750 --> 01:31:40,980

and number three this object now looks

1989

01:31:47,270 --> 01:31:44,760

like it's going at Mach five right and I

1990

01:31:51,080 --> 01:31:47,280

just start and stop the video well yeah

1991

01:31:54,140 --> 01:31:51,090

it's a reflection of something still so

1992

01:31:57,350 --> 01:31:54,150

back to this video of Tom's now I'm not

1993

01:32:00,770 --> 01:31:57,360

saying it could be a UFO it could be an

1994

01:32:03,680 --> 01:32:00,780

alien object screaming across the the

1995

01:32:04,940 --> 01:32:03,690

surface of the ocean at at Mach one two

1996

01:32:06,800 --> 01:32:04,950

three four five

1997

01:32:10,970 --> 01:32:06,810

it could be all of that it could be an

1998

01:32:13,130 --> 01:32:10,980

alien you know satellite probe whatever

1999

01:32:17,090 --> 01:32:13,140

checking out our oceans it could be that

2000

01:32:20,600 --> 01:32:17,100

but when you look at the orientation of

2001

01:32:23,900 --> 01:32:20,610

the way the the FAA team is moving

2002

01:32:25,910 --> 01:32:23,910

against the grain and it is you know and

2003

01:32:31,060 --> 01:32:25,920

all of this comes into play where this

2004

01:32:34,580 --> 01:32:31,070

object that could be a pretty pretty

2005

01:32:37,520 --> 01:32:34,590

sublime right whatever it is and it also

2006

01:32:40,670 --> 01:32:37,530

could be moving very very slowly it may

2007

01:32:43,160 --> 01:32:40,680

not be anything that lasts right so it

2008

01:32:45,500 --> 01:32:43,170

is traveling it let's say 650 knots

2009

01:32:47,630 --> 01:32:45,510

right right and it's videoing something

2010

01:32:50,060 --> 01:32:47,640

going the opposite direction it's a 30

2011

01:32:52,390 --> 01:32:50,070

or 10 it's gonna look like it's

2012

01:32:55,910 --> 01:32:52,400

screaming across the deck right right

2013

01:32:58,490 --> 01:32:55,920

that it's really not right and yeah you

2014

01:33:00,710 --> 01:32:58,500

know your point is well-taken you know I

2015

01:33:03,920 --> 01:33:00,720

can't tell you how many cases I've had

2016

01:33:05,900 --> 01:33:03,930

of people taking flash pictures now this

2017

01:33:09,320 --> 01:33:05,910

is the older days flash pictures and

2018

01:33:10,460 --> 01:33:09,330

then something shows up in the in the

2019

01:33:12,290 --> 01:33:10,470

window okay

2020

01:33:14,000 --> 01:33:12,300

and all it is is basically reflections

2021

01:33:16,040 --> 01:33:14,010

from something behind them mm-hmm and

2022

01:33:18,980 --> 01:33:16,050

and it looks like it's out there in the

2023

01:33:21,210 --> 01:33:18,990

in the real world right so yeah yeah

2024

01:33:23,130 --> 01:33:21,220

yeah your points well-taken and you

2025

01:33:24,660 --> 01:33:23,140

problem I have what is this look look

2026

01:33:26,010 --> 01:33:24,670

you know and I don't know if your

2027

01:33:27,630 --> 01:33:26,020

listeners know this some of them are

2028

01:33:29,790 --> 01:33:27,640

going to get angry with me I know but

2029

01:33:33,300 --> 01:33:29,800

you know the long posted a picture that

2030

01:33:35,790 --> 01:33:33,310

that was of a UFO case it wasn't a UFO

2031

01:33:37,980 --> 01:33:35,800

it was a case that was solved a while

2032

01:33:41,490 --> 01:33:37,990

back you know Steve Mira Steven Mehra

2033

01:33:43,470 --> 01:33:41,500

own and paranormal magazine UK he had

2034

01:33:47,160 --> 01:33:43,480

studied that case insulting basically

2035

01:33:49,470 --> 01:33:47,170

solved it and it was a it was a balloon

2036

01:33:52,890 --> 01:33:49,480

right number one balloon you know mylar

2037

01:33:56,400 --> 01:33:52,900

balloon mm-hmm and but yet the long

2038

01:33:59,850 --> 01:33:56,410

posted that or presented it as if it's

2039

01:34:01,830 --> 01:33:59,860

the real deal so then my problem is what

2040

01:34:03,420 --> 01:34:01,840

the long okay like what is this vetting

2041

01:34:05,190 --> 01:34:03,430

process you're doing here sir you know

2042

01:34:07,800 --> 01:34:05,200

what is it you're trying to accomplish

2043

01:34:09,960 --> 01:34:07,810

and why are you putting it I can't

2044

01:34:12,840 --> 01:34:09,970

figure out for someone whose tastes

2045

01:34:16,650 --> 01:34:12,850

taking on such a huge project why would

2046

01:34:19,530 --> 01:34:16,660

you post something so unvetted why would

2047

01:34:20,940 --> 01:34:19,540

you try to pass that off and you know

2048

01:34:23,340 --> 01:34:20,950

I've just made an enemy of Tom DeLonge

2049

01:34:25,560 --> 01:34:23,350

I'm sure you know man right Tom I don't

2050

01:34:27,450 --> 01:34:25,570

mean anything by it but look let's be

2051

01:34:29,220 --> 01:34:27,460

real about this thing you know you if

2052

01:34:31,230 --> 01:34:29,230

you're gonna if you're gonna say you

2053

01:34:33,090 --> 01:34:31,240

have the answers well then by God you

2054

01:34:36,150 --> 01:34:33,100

better you better do your homework and

2055

01:34:38,400 --> 01:34:36,160

you better have it all lined up you know

2056

01:34:40,320 --> 01:34:38,410

my problem my statement has always been

2057

01:34:43,470 --> 01:34:40,330

in this field like if somebody says they

2058

01:34:44,910 --> 01:34:43,480

have the answer the ultimate answer

2059

01:34:47,550 --> 01:34:44,920

you've got to run the other way it's

2060

01:34:49,710 --> 01:34:47,560

nobody really does it's it's something

2061

01:34:51,510 --> 01:34:49,720

that is a collaborative effort here's

2062

01:34:53,640 --> 01:34:51,520

what I love about this platform okay

2063

01:34:56,130 --> 01:34:53,650

what we're doing really is we're we're

2064

01:34:59,130 --> 01:34:56,140

turning to the collective consciousness

2065

01:35:00,840 --> 01:34:59,140

of humanity of people who are interested

2066

01:35:03,570 --> 01:35:00,850

in this and we're asking look we're

2067

01:35:05,370 --> 01:35:03,580

going to use your intelligence each one

2068

01:35:08,130 --> 01:35:05,380

of you we're gonna use your intelligence

2069

01:35:09,420 --> 01:35:08,140

to solve these issues to come up with

2070

01:35:12,120 --> 01:35:09,430

some solutions to come up with some

2071

01:35:14,130 --> 01:35:12,130

answers the collective consciousness has

2072

01:35:15,540 --> 01:35:14,140

these has the answers already you know

2073

01:35:17,760 --> 01:35:15,550

you know if we want to get into the

2074

01:35:20,010 --> 01:35:17,770

esoteric we know the answer is already

2075

01:35:23,520 --> 01:35:20,020

we just have to bring them out to this

2076

01:35:25,740 --> 01:35:23,530

plane this this dimension and this

2077

01:35:27,900 --> 01:35:25,750

system is going to allow us I'm hoping

2078

01:35:29,820 --> 01:35:27,910

you know with a lot of with a lot of

2079

01:35:31,830 --> 01:35:29,830

effort from the team but we're gonna

2080

01:35:33,450 --> 01:35:31,840

actually going to bring out a platform

2081

01:35:34,440 --> 01:35:33,460

that's going to allow us to solve these

2082

01:35:38,340 --> 01:35:34,450

issues in a

2083

01:35:43,650 --> 01:35:38,350

in an open forum that's transparent you

2084

01:35:47,640 --> 01:35:43,660

know and I really I I know that - and

2085

01:35:49,320 --> 01:35:47,650

Scott Leslie have this in mind you know

2086

01:35:51,750 --> 01:35:49,330

they have good intentions in mind with

2087

01:35:54,810 --> 01:35:51,760

this thing and we're gonna make it a

2088

01:35:56,490 --> 01:35:54,820

useful tool for the communities so I'm

2089

01:36:00,360 --> 01:35:56,500

really excited about it man I'm super

2090

01:36:04,110 --> 01:36:00,370

excited I'm happy I know it I know and

2091

01:36:06,420 --> 01:36:04,120

have it you know be every trying to be

2092

01:36:09,120 --> 01:36:06,430

everything to everybody which is you

2093

01:36:11,310 --> 01:36:09,130

know a youtube idea an Instagram idea

2094

01:36:14,220 --> 01:36:11,320

the the best of Twitter the best of

2095

01:36:16,800 --> 01:36:14,230

Facebook and and taking everything that

2096

01:36:19,470 --> 01:36:16,810

we have learned and and getting it onto

2097

01:36:21,510 --> 01:36:19,480

one social media platform is a big deal

2098

01:36:25,500 --> 01:36:21,520

you know Facebook was a learning process

2099

01:36:27,180 --> 01:36:25,510

for Facebook right myspace was a

2100

01:36:33,420 --> 01:36:27,190

learning process

2101

01:36:35,490 --> 01:36:33,430

youtube all of these are still a work in

2102

01:36:39,270 --> 01:36:35,500

progress and and trying to figure things

2103

01:36:40,860 --> 01:36:39,280

out well that we have that ability now

2104

01:36:42,720 --> 01:36:40,870

behind us where we can look at

2105

01:36:44,910 --> 01:36:42,730

everything and talk to everybody and

2106

01:36:49,010 --> 01:36:44,920

just try to figure out what is it that

2107

01:36:54,480 --> 01:36:49,020

we need this to be for our community and

2108

01:36:56,160 --> 01:36:54,490

have it all allow rewards you know and

2109

01:36:59,160 --> 01:36:56,170

that's it's just never been done that

2110

01:37:02,760 --> 01:36:59,170

way and like this you know this going

2111

01:37:06,750 --> 01:37:02,770

back to Tom DeLonge third video here the

2112

01:37:08,220 --> 01:37:06,760

one thing that stood out to me because I

2113

01:37:10,590 --> 01:37:08,230

watched I was like okay this is cool

2114

01:37:14,490 --> 01:37:10,600

okay I see what's going on and I'm being

2115

01:37:18,270 --> 01:37:14,500

serious man I want this stuff I need to

2116

01:37:20,970 --> 01:37:18,280

see this kind of stuff but it ends so I

2117

01:37:26,990 --> 01:37:20,980

want to know what was at the end of that

2118

01:37:34,830 --> 01:37:30,540

like the craziest thing why did this

2119

01:37:38,160 --> 01:37:34,840

video end well if this was up for debate

2120

01:37:40,500 --> 01:37:38,170

in on stellar probably those same

2121

01:37:42,720 --> 01:37:40,510

questions would be answered possibly

2122

01:37:45,690 --> 01:37:42,730

somebody else that posted this video or

2123

01:37:48,089 --> 01:37:45,700

seen it maybe the pilot himself all of

2124

01:37:50,580 --> 01:37:48,099

this would come out you know and

2125

01:37:55,500 --> 01:37:50,590

the UFO community has a way of policing

2126

01:37:59,700 --> 01:37:55,510

itself imagine Steve if the if the

2127

01:38:03,390 --> 01:37:59,710

famous Roswell mummy Fiasco right of a

2128

01:38:06,569 --> 01:38:03,400

couple of years ago if if that debate

2129

01:38:07,140 --> 01:38:06,579

busted out on on stellar it would be

2130

01:38:09,120 --> 01:38:07,150

solved

2131

01:38:11,129 --> 01:38:09,130

you wouldn't even you know you know what

2132

01:38:13,140 --> 01:38:11,139

I mean is that right and that no now we

2133

01:38:16,589 --> 01:38:13,150

have that ability to do this here right

2134

01:38:18,689 --> 01:38:16,599

we imagine Louis Elizondo getting on on

2135

01:38:20,790 --> 01:38:18,699

stellar we make him a little corner of

2136

01:38:23,339 --> 01:38:20,800

the room and he doesn't ask me anything

2137

01:38:24,180 --> 01:38:23,349

deal we could get to the heart of this

2138

01:38:26,970 --> 01:38:24,190

thing quickly

2139

01:38:29,430 --> 01:38:26,980

couldn't we yes and they were talking

2140

01:38:34,399 --> 01:38:29,440

about these are the kinds of tools we're

2141

01:38:38,729 --> 01:38:34,409

talking about having available so man

2142

01:38:42,600 --> 01:38:38,739

this is this is next-level this is this

2143

01:38:44,069 --> 01:38:42,610

is the future for for UFO studies for

2144

01:38:46,680 --> 01:38:44,079

the paranormal for everything this is

2145

01:38:49,200 --> 01:38:46,690

going to be it and you know I've just

2146

01:38:51,930 --> 01:38:49,210

it's gonna be awesome and it's gonna I'm

2147

01:38:54,479 --> 01:38:51,940

really really hopeful it's gonna we're

2148

01:38:56,129 --> 01:38:54,489

gonna crack the code yeah we're gonna

2149

01:38:59,189 --> 01:38:56,139

crack the code and I'll tell you

2150

01:39:01,640 --> 01:38:59,199

something else that that I find really

2151
01:39:05,520 --> 01:39:01,650
interesting there are a lot of different

2152
01:39:06,930 --> 01:39:05,530
pretty large online communities out

2153
01:39:10,260 --> 01:39:06,940
there that where they gather around

2154
01:39:11,790 --> 01:39:10,270
certain researchers and which is great

2155
01:39:15,959 --> 01:39:11,800
where they have a you know pretty solid

2156
01:39:18,030 --> 01:39:15,969
user base and it's big and then there's

2157
01:39:19,740 --> 01:39:18,040
some that aren't so big there are some

2158
01:39:23,459 --> 01:39:19,750
that are small the point is there's a

2159
01:39:26,790 --> 01:39:23,469
lot of them right and they they're not

2160
01:39:30,089 --> 01:39:26,800
taking advantage of the the you know the

2161
01:39:32,250 --> 01:39:30,099
group mentality where you get all the

2162
01:39:35,370 --> 01:39:32,260
brains connected and it's all under one

2163
01:39:38,760 --> 01:39:35,380

roof kind of thing well if you do that

2164

01:39:41,040 --> 01:39:38,770

here right where you get everybody

2165

01:39:43,709 --> 01:39:41,050

working together there's nothing

2166

01:39:45,390 --> 01:39:43,719

stopping this community so now we're

2167

01:39:47,520 --> 01:39:45,400

talking about I don't know what the

2168

01:39:50,939 --> 01:39:47,530

numbers are but we're talking about

2169

01:39:53,430 --> 01:39:50,949

millions and millions instead of you

2170

01:39:56,430 --> 01:39:53,440

know five thousand different blogs and

2171

01:39:59,069 --> 01:39:56,440

websites that have a few thousand each

2172

01:40:01,150 --> 01:39:59,079

get it all together in one spot we're

2173

01:40:04,660 --> 01:40:01,160

talking about millions and million

2174

01:40:06,040 --> 01:40:04,670

of participants in this community yep

2175

01:40:07,840 --> 01:40:06,050

yep absolutely

2176

01:40:10,810 --> 01:40:07,850

absolutely you've got it you get it

2177

01:40:16,660 --> 01:40:10,820

right on the edge that's it and one of

2178

01:40:20,500 --> 01:40:16,670

the one of the sad things that it just

2179

01:40:22,900 --> 01:40:20,510

bums me out is somebody goes and posed

2180

01:40:24,700 --> 01:40:22,910

whether it's about Oh somebody just

2181

01:40:26,290 --> 01:40:24,710

brought up zero point what about zero

2182

01:40:27,930 --> 01:40:26,300

point is that going to be it yes yeah

2183

01:40:30,850 --> 01:40:27,940

well we'll get zero point yeah yeah

2184

01:40:32,470 --> 01:40:30,860

that's my deal yeah I want that to be

2185

01:40:35,800 --> 01:40:32,480

one of the things you know we're going

2186

01:40:38,350 --> 01:40:35,810

to have what I picture you know is is

2187

01:40:41,260 --> 01:40:38,360

basically a corner of the room where

2188

01:40:44,430 --> 01:40:41,270

people can actually post like academic

2189

01:40:46,840 --> 01:40:44,440

work you know I mean in zero point so

2190

01:40:49,540 --> 01:40:46,850

it'll bubble to the top people you know

2191

01:40:51,940 --> 01:40:49,550

academics will basically boat that stuff

2192

01:40:54,040 --> 01:40:51,950

up to a point where there's actually a

2193

01:40:56,140 --> 01:40:54,050

working group who's going to crack the

2194

01:40:58,600 --> 01:40:56,150

code of zero point or getting close and

2195

01:41:02,470 --> 01:40:58,610

then you know it's going to be awesome

2196

01:41:04,090 --> 01:41:02,480

man it's gonna be awesome yeah I mean I

2197

01:41:06,160 --> 01:41:04,100

know I know I know I know that sounds

2198

01:41:08,170 --> 01:41:06,170

kind of lofty right I mean I just

2199

01:41:10,420 --> 01:41:08,180

listened to myself say that I said that

2200

01:41:12,730 --> 01:41:10,430

sounds crazy man but this is what this

2201

01:41:17,050 --> 01:41:12,740

platform is offering this is what we're

2202

01:41:21,100 --> 01:41:17,060

building so it's really like no limits

2203

01:41:22,660 --> 01:41:21,110

no limits well and and so so many people

2204

01:41:24,970 --> 01:41:22,670

out there spend so much time on social

2205

01:41:28,180 --> 01:41:24,980

media because it's cool it's fun you can

2206

01:41:30,570 --> 01:41:28,190

share write ideas and stuff and and we

2207

01:41:34,930 --> 01:41:30,580

do do that we all do it I do it but

2208

01:41:38,560 --> 01:41:34,940

there's no rewards for it you go and you

2209

01:41:42,850 --> 01:41:38,570

do a post that that gets 500 likes and

2210

01:41:44,830 --> 01:41:42,860

200 comments and and that that that

2211

01:41:46,450 --> 01:41:44,840

thread stays out there for a couple of

2212

01:41:49,720 --> 01:41:46,460

weeks you know what that's all cool it

2213

01:41:51,250 --> 01:41:49,730

is but nobody you know who's making the

2214

01:41:55,900 --> 01:41:51,260

money on that mm-hmm

2215

01:41:57,430 --> 01:41:55,910

Facebook lemon tree or getting all your

2216

01:42:00,160 --> 01:41:57,440

information and selling it to

2217

01:42:05,590 --> 01:42:02,350

yeah we're taking that and we're

2218

01:42:07,450 --> 01:42:05,600

flipping it on its head right yes that's

2219

01:42:09,960 --> 01:42:07,460

what we're doing that's what we're doing

2220

01:42:12,790 --> 01:42:09,970

we're flipping that commerce on its head

2221

01:42:14,470 --> 01:42:12,800

no censorship you're gonna be able to

2222

01:42:15,130 --> 01:42:14,480

speak your mind you're gonna be able to

2223

01:42:18,640 --> 01:42:15,140

study

2224

01:42:20,980 --> 01:42:18,650

it's gonna be amazing amazing yeah I

2225

01:42:24,520 --> 01:42:20,990

mean all of that work that goes into

2226

01:42:26,950 --> 01:42:24,530

that they they're making every it's

2227

01:42:29,740 --> 01:42:26,960

squeezing every penny out of it that

2228

01:42:30,850 --> 01:42:29,750

they can with your data with your trends

2229

01:42:32,680 --> 01:42:30,860

turning around selling that to

2230

01:42:35,260 --> 01:42:32,690

advertisers to turn around and have

2231

01:42:36,970 --> 01:42:35,270

those ads show up in your field hoping

2232

01:42:40,660 --> 01:42:36,980

that you're gonna click on it that that

2233

01:42:42,700 --> 01:42:40,670

is the that is the model the business

2234

01:42:44,470 --> 01:42:42,710

model that they operate under you know

2235

01:42:46,240 --> 01:42:44,480

what good for za yeah good for

2236

01:42:49,120 --> 01:42:46,250

Zuckerberg good for the shareholders

2237

01:42:51,490 --> 01:42:49,130

alright I'm fine yeah it's yeah that's

2238

01:42:53,680 --> 01:42:51,500

fine but when they start censoring like

2239

01:42:54,880 --> 01:42:53,690

shadow bending right all right so close

2240

01:42:57,040 --> 01:42:54,890

they just started gonna push an agenda

2241

01:42:58,630 --> 01:42:57,050

so anything that doesn't agree that

2242

01:43:00,340 --> 01:42:58,640

agenda they kind of like you know push

2243

01:43:02,110 --> 01:43:00,350

it down to the background so you don't

2244

01:43:03,970 --> 01:43:02,120

see the post so you're not being

2245

01:43:04,990 --> 01:43:03,980

conscious of you're not conscious that

2246

01:43:07,750 --> 01:43:05,000

they're doing this but they're actually

2247

01:43:09,040 --> 01:43:07,760

doing it through algorithms it this is

2248

01:43:10,540 --> 01:43:09,050

happening man I'm not making this stuff

2249

01:43:11,880 --> 01:43:10,550

up this is what they're doing you know

2250

01:43:14,740 --> 01:43:11,890

Google doesn't in their searches

2251

01:43:17,920 --> 01:43:14,750

Facebook does it YouTube big-time be

2252

01:43:19,030 --> 01:43:17,930

monetizing people be monetizing channels

2253

01:43:22,240 --> 01:43:19,040

have been around forever

2254

01:43:24,970 --> 01:43:22,250

and you know for nonsense basically and

2255

01:43:26,650 --> 01:43:24,980

you know this is this is antitrust up

2256

01:43:28,870 --> 01:43:26,660

this is just corruption you know this is

2257

01:43:30,610 --> 01:43:28,880

corruption at the highest level we're

2258

01:43:34,360 --> 01:43:30,620

the opposite of that we're building a

2259

01:43:37,510 --> 01:43:34,370

platform that is open right right and

2260

01:43:40,150 --> 01:43:37,520

the users themselves will be able to

2261

01:43:42,280 --> 01:43:40,160

basically vote things up or down or say

2262

01:43:45,310 --> 01:43:42,290

what's good what's bad what they agree

2263

01:43:46,540 --> 01:43:45,320

with and and it's good and the good

2264

01:43:47,860 --> 01:43:46,550

things are going to bubble up in the bad

2265

01:43:50,770 --> 01:43:47,870

things are going to kind of disappear

2266

01:43:52,810 --> 01:43:50,780

that's how it is yep and somebody just

2267

01:43:55,600 --> 01:43:52,820

posted okay one more time thrilled

2268

01:44:02,410 --> 01:43:55,610

finally the holy hub I've been waiting

2269

01:44:05,500 --> 01:44:02,420

for the virtual mothership yes on

2270

01:44:07,840 --> 01:44:05,510

stellar now this question is pumped up

2271

01:44:09,880 --> 01:44:07,850

here a few times I actually just got an

2272

01:44:12,760 --> 01:44:09,890

email about this we're talking about

2273

01:44:17,050 --> 01:44:12,770

midnight tomorrow night the launch so

2274

01:44:18,820 --> 01:44:17,060

that'll be midnight Eastern right so oh

2275

01:44:21,550 --> 01:44:18,830

good question well you know we're on

2276

01:44:24,790 --> 01:44:21,560

Pacific time over here that would be

2277

01:44:28,630 --> 01:44:24,800

nine o'clock for - and I know - has got

2278

01:44:31,630 --> 01:44:28,640

a pretty much sewn up but you know

2279

01:44:33,790 --> 01:44:31,640

I know look he's good he's very good so

2280

01:44:37,840 --> 01:44:33,800

you know I'm pretty sure it'll be online

2281

01:44:45,550 --> 01:44:37,850

by then oh man it is just give him a

2282

01:44:50,350 --> 01:44:45,560

goal Hill did it I the the ideas behind

2283

01:44:52,530 --> 01:44:50,360

this and the more that I have give us

2284

01:44:54,300 --> 01:44:52,540

the complete video so we can make an

2285

01:44:58,290 --> 01:44:54,310

informed

2286

01:45:02,350 --> 01:44:58,300

not your edited agenda feeding excrement

2287

01:45:03,160 --> 01:45:02,360

okay but who are you sending this to you

2288

01:45:06,310 --> 01:45:03,170

mark

2289

01:45:11,560 --> 01:45:06,320

you just sent this to me I don't have

2290

01:45:14,260 --> 01:45:11,570

the complete video I don't know who does

2291

01:45:16,870 --> 01:45:14,270

and and he's talking about is he talking

2292

01:45:19,540 --> 01:45:16,880

about the hell he's talking about the

2293

01:45:21,130 --> 01:45:19,550

video the UFO video yeah yeah he's

2294

01:45:24,520 --> 01:45:21,140

agreeing with you I think yeah it's

2295

01:45:26,860 --> 01:45:24,530

because well yet so hashtag to the stars

2296

01:45:28,680 --> 01:45:26,870

on that or go at to the stars or at Tom

2297

01:45:33,070 --> 01:45:28,690

DeLonge don't make it look like I did

2298

01:45:35,050 --> 01:45:33,080

this video yeah you know I made an enemy

2299

01:45:36,610 --> 01:45:35,060

of Tom DeLonge tonight Tom again I

2300

01:45:39,670 --> 01:45:36,620

apologize I know I know you're probably

2301
01:45:41,050 --> 01:45:39,680
you got your heart in it but you know we

2302
01:45:42,760 --> 01:45:41,060
got it we got to get real about things

2303
01:45:45,160 --> 01:45:42,770
around here we got any critical first

2304
01:45:47,290 --> 01:45:45,170
then we can have a discussion and it is

2305
01:45:47,680 --> 01:45:47,300
what it is and and and we'll go from

2306
01:45:49,900 --> 01:45:47,690
there

2307
01:45:53,950 --> 01:45:49,910
well and I'm wondering somebody else

2308
01:45:56,650 --> 01:45:53,960
said I got an email earlier today saying

2309
01:45:58,660 --> 01:45:56,660
that the videos been posted out there

2310
01:46:00,430 --> 01:45:58,670
for a while now I'm wondering that

2311
01:46:02,530 --> 01:46:00,440
there's a longer version of this video

2312
01:46:06,940 --> 01:46:02,540
you know I don't know I

2313
01:46:09,630 --> 01:46:06,950

is this is this the one that to the

2314

01:46:13,570 --> 01:46:09,640

stars posted is that all that they got

2315

01:46:15,400 --> 01:46:13,580

right I just I need to know that and

2316

01:46:18,220 --> 01:46:15,410

again see this is the thing about to the

2317

01:46:19,900 --> 01:46:18,230

Stars and Tom they're not answering

2318

01:46:21,760 --> 01:46:19,910

questions anymore they're doing

2319

01:46:23,770 --> 01:46:21,770

everything scripted alright they're

2320

01:46:26,230 --> 01:46:23,780

doing well you know they're they're

2321

01:46:29,380 --> 01:46:26,240

taking softball questions and I'm being

2322

01:46:32,620 --> 01:46:29,390

straight you know they need to answer

2323

01:46:35,140 --> 01:46:32,630

the real questions like today Mike

2324

01:46:38,230 --> 01:46:35,150

they're in none of their information

2325

01:46:39,970 --> 01:46:38,240

about this video does it say and then

2326

01:46:41,200 --> 01:46:39,980

the video cuts off we don't know what

2327

01:46:43,000 --> 01:46:41,210

happened after that

2328

01:46:44,560 --> 01:46:43,010

we don't know if it was identified we

2329

01:46:48,040 --> 01:46:44,570

don't know if there's this we know and

2330

01:46:53,140 --> 01:46:48,050

that that to me is is bizarre it's the

2331

01:46:55,120 --> 01:46:53,150

most elemental basic questions that if I

2332

01:46:57,100 --> 01:46:55,130

was in possession of this video that's

2333

01:46:59,439 --> 01:46:57,110

the first thing I would say I would post

2334

01:47:02,050 --> 01:46:59,449

it and go okay this is cool but what

2335

01:47:03,970 --> 01:47:02,060

happens after this what happened next

2336

01:47:05,770 --> 01:47:03,980

right why didn't the pilot roll in on

2337

01:47:13,090 --> 01:47:05,780

this thing you know like did he shoot it

2338

01:47:15,160 --> 01:47:13,100

down you're gonna roll in on it right

2339

01:47:16,300 --> 01:47:15,170

you're gonna call it you're gonna you're

2340

01:47:18,160 --> 01:47:16,310

gonna roll in that thing you're gonna

2341

01:47:19,500 --> 01:47:18,170

get centered up you're gonna chase it

2342

01:47:21,370 --> 01:47:19,510

for a while and then it's gonna either

2343

01:47:22,990 --> 01:47:21,380

disappear at a high rate of speed or

2344

01:47:25,479 --> 01:47:23,000

you're gonna you know gun camera footage

2345

01:47:29,640 --> 01:47:25,489

the heck out of that thing so yeah a

2346

01:47:34,810 --> 01:47:29,650

little bit of higher resolution yeah see

2347

01:47:37,540 --> 01:47:34,820

the the the second half of the video was

2348

01:47:38,950 --> 01:47:37,550

probably I'm being serious I don't know

2349

01:47:43,360 --> 01:47:38,960

for sure but I'm being serious for a

2350

01:47:45,459 --> 01:47:43,370

second oh it was a duck oh okay all

2351

01:47:49,600 --> 01:47:45,469

right let's head back to base right but

2352

01:47:53,169 --> 01:47:49,610

we don't see no the rest of the video

2353

01:47:55,840 --> 01:47:53,179

did they chase it for 600 miles to Guam

2354

01:47:56,380 --> 01:47:55,850

you know or no it was shot on the East

2355

01:47:58,830 --> 01:47:56,390

Coast

2356

01:48:02,290 --> 01:47:58,840

did they chase it a thousand miles

2357

01:48:03,070 --> 01:48:02,300

passed down into the Caribbean into

2358

01:48:06,459 --> 01:48:03,080

Barbados

2359

01:48:07,990 --> 01:48:06,469

you know I don't know right but what

2360

01:48:10,450 --> 01:48:08,000

where's the rest of the video and you

2361

01:48:12,459 --> 01:48:10,460

know that there's more of it so well

2362

01:48:15,700 --> 01:48:12,469

Steve listen I got it I got to get out

2363

01:48:18,280 --> 01:48:15,710

of here I got to take a break but thank

2364

01:48:20,740 --> 01:48:18,290

you so much and we'll be talking to you

2365

01:48:23,890 --> 01:48:20,750

in the days in the weeks ahead as on

2366

01:48:25,810 --> 01:48:23,900

stellar starts to kick off here but just

2367

01:48:29,729 --> 01:48:25,820

amazing stuff thank you so much and let

2368

01:48:34,840 --> 01:48:29,739

me know if I DeLong sends you an email I

2369

01:48:35,770 --> 01:48:34,850

will be on your show again Jim and hey

2370

01:48:37,930 --> 01:48:35,780

it or not

2371

01:48:39,850 --> 01:48:37,940

keep it real men and we'll see you guys

2372

01:48:41,890 --> 01:48:39,860

at contact in the desert I'm looking

2373

01:48:45,209 --> 01:48:41,900

forward to that's right you're speaking

2374

01:48:47,470 --> 01:48:45,219

and our contact again this year yeah

2375

01:48:50,260 --> 01:48:47,480

okay I should plug you parts we're

2376

01:48:51,670 --> 01:48:50,270

having Grant Cameron next week on

2377

01:48:52,900 --> 01:48:51,680

Tuesday

2378

01:48:55,270 --> 01:48:52,910

you guys can make in Studio City

2379

01:48:58,000 --> 01:48:55,280

California next Tuesday night grant

2380

01:49:01,090 --> 01:48:58,010

Cameron ah maybe we should get grant on

2381

01:49:04,930 --> 01:49:01,100

the show to talk about you know what

2382

01:49:06,970 --> 01:49:04,940

I'll see what I can do all right thank

2383

01:49:08,770 --> 01:49:06,980

you so much for that and I'll speak to

2384

01:49:12,130 --> 01:49:08,780

you soon Steve all the best men

2385

01:49:15,640 --> 01:49:12,140

thank you brother take care absolutely

2386

01:49:18,160 --> 01:49:15,650

Steve Murillo everybody you Parrs Steve

2387

01:49:20,950 --> 01:49:18,170

Murillo the absolute very best grant

2388

01:49:24,190 --> 01:49:20,960

Cameron others there's more to that than

2389

01:49:26,290 --> 01:49:24,200

you know we'll talk about that tomorrow

2390

01:49:28,300 --> 01:49:26,300

this is fade to black I am your host

2391

01:49:31,480 --> 01:49:28,310

Jimmy Church I'm going to open up the

2392

01:49:33,850 --> 01:49:31,490

phone lines right now three two three

2393

01:49:36,610 --> 01:49:33,860

eight two five five zero four five four

2394

01:49:38,830 --> 01:49:36,620

three two three two seven five nine six

2395

01:49:40,930 --> 01:49:38,840

nine five what questions do you have

2396

01:49:43,540 --> 01:49:40,940

about on stellar have you seen the new

2397

01:49:44,290 --> 01:49:43,550

Tom DeLonge video give me a call I'll be

2398

01:49:53,870 --> 01:49:44,300

right back

2399

01:50:00,709 --> 01:49:53,880

[Music]

2400

01:50:03,200 --> 01:50:00,719

a box here and you are listening to my

2401
01:50:05,950 --> 01:50:03,210
boy Jimmy Church on Jimmy Church

2402
01:50:12,830 --> 01:50:09,890
this my popular opinion reading a book

2403
01:50:17,370 --> 01:50:12,840
will not make you smarter

2404
01:50:18,990 --> 01:50:17,380
but listening to Jimmy Church will so

2405
01:50:22,140 --> 01:50:19,000
you went to dinner last night you had

2406
01:50:25,530 --> 01:50:22,150
your favorite hosta or maybe you had a

2407
01:50:28,200 --> 01:50:25,540
heavy spicy meal in the left you get the

2408
01:50:32,370 --> 01:50:28,210
t-dot-com maybe you mowed down a huge

2409
01:50:34,590 --> 01:50:32,380
steak and your plumbing is all plug get

2410
01:50:37,440 --> 01:50:34,600
the t-dot-com our super strength T will

2411
01:50:40,950 --> 01:50:37,450
take care of your occasional it's all

2412
01:50:43,020 --> 01:50:40,960
organic and non-gmo get rid of we have

2413
01:50:45,750 --> 01:50:43,030

so many great supplements but our super

2414

01:50:49,230 --> 01:50:45,760

T is number one get the tea calm that's

2415

01:50:52,680 --> 01:50:49,240

get the t-dot-com so you love talk radio

2416

01:50:56,280 --> 01:50:52,690

then you'll love talk stream live comm

2417

01:50:58,410 --> 01:50:56,290

talk stream live is always on 24/7 with

2418

01:51:00,360 --> 01:50:58,420

the best streaming talk shows find your

2419

01:51:02,640 --> 01:51:00,370

favorite talkers and discover some new

2420

01:51:05,340 --> 01:51:02,650

ones it's free readily available online

2421

01:51:05,880 --> 01:51:05,350

or on mobile with any smartphone or

2422

01:51:07,890 --> 01:51:05,890

tablet

2423

01:51:09,960 --> 01:51:07,900

finding your favorite talk shows all in

2424

01:51:13,350 --> 01:51:09,970

one place has gotten a whole lot easier

2425

01:51:14,850 --> 01:51:13,360

just go to tox-screen live.com be sure

2426
01:51:19,800 --> 01:51:14,860
to download the free apps from Google

2427
01:51:22,530 --> 01:51:19,810
Play or the iTunes App Store when you

2428
01:51:25,080 --> 01:51:22,540
take the beams from Central America with

2429
01:51:27,210 --> 01:51:25,090
dashes of indonesian and african mixed

2430
01:51:30,390 --> 01:51:27,220
in and then roast it to the dark side of

2431
01:51:33,960 --> 01:51:30,400
fade to black you create the ultimate

2432
01:51:37,530 --> 01:51:33,970
brew of fringe introducing the fade to

2433
01:51:40,140 --> 01:51:37,540
black blend from ripper moon coffee yes

2434
01:51:42,780 --> 01:51:40,150
river moon's darkest customized roast

2435
01:51:43,929 --> 01:51:42,790
was created for the love of fade to

2436
01:51:46,509 --> 01:51:43,939
black

2437
01:51:49,179 --> 01:51:46,519
the alchemy of masterful roasting and

2438
01:51:52,750 --> 01:51:49,189

smoking the beans is in every sip of

2439

01:51:55,750 --> 01:51:52,760

this full-bodied dark Java I need my

2440

01:51:58,060 --> 01:51:55,760

coffee doc deep with distinct

2441

01:52:00,790 --> 01:51:58,070

bittersweet chocolate highlights just

2442

01:52:03,219 --> 01:52:00,800

like the bunker leaning further into the

2443

01:52:06,520 --> 01:52:03,229

darkness of the roast is fade to black

2444

01:52:08,169 --> 01:52:06,530

blend from rubber moon coffee just click

2445

01:52:11,469 --> 01:52:08,179

on the banner at Jimmy Church radio.com

2446

01:52:16,560 --> 01:52:11,479

and use the promo code F to B blend for

2447

01:52:19,209 --> 01:52:16,570

15% off of your order today gobekli tepe

2448

01:52:21,879 --> 01:52:19,219

hey can we talk about something serious

2449

01:52:24,549 --> 01:52:21,889

for a minute your age getting old has

2450

01:52:26,890 --> 01:52:24,559

its perks but remember being a few years

2451
01:52:29,140 --> 01:52:26,900
younger you know your hair was thicker

2452
01:52:31,179 --> 01:52:29,150
you didn't have so many wrinkles that

2453
01:52:33,399 --> 01:52:31,189
extra weight wasn't haunting you and you

2454
01:52:35,560 --> 01:52:33,409
just felt better well we can't turn back

2455
01:52:38,560 --> 01:52:35,570
the clocks and go back 10 or 15 years

2456
01:52:40,959 --> 01:52:38,570
but you can start feeling and looking 10

2457
01:52:43,629 --> 01:52:40,969
or 15 years younger with nature's youth

2458
01:52:45,189 --> 01:52:43,639
RSF it's a doctor formulated daily

2459
01:52:47,350 --> 01:52:45,199
supplement that helps your body maintain

2460
01:52:50,169 --> 01:52:47,360
its peak performance and fight the aging

2461
01:52:51,819 --> 01:52:50,179
process imagine sleeping better looking

2462
01:52:54,279 --> 01:52:51,829
better and feeling better

2463
01:52:56,229 --> 01:52:54,289

see how Nature's youth RSF has helped

2464

01:52:58,929 --> 01:52:56,239

thousands of people just like you at

2465

01:53:01,419 --> 01:52:58,939

nature's youth calm nature's youth calm

2466

01:53:02,799 --> 01:53:01,429

the holidays are coming imagine how it

2467

01:53:04,719 --> 01:53:02,809

will feel when your family and friends

2468

01:53:07,089 --> 01:53:04,729

are asking you what you did to look so

2469

01:53:09,370 --> 01:53:07,099

good your secret will be nature's youth

2470

01:53:11,949 --> 01:53:09,380

RSF it's time to start looking better

2471

01:53:13,929 --> 01:53:11,959

and feeling better learn more in order

2472

01:53:24,220 --> 01:53:13,939

your nature's use RSS at nature's youth

2473

01:53:36,589 --> 01:53:27,920

it's not a lifestyle we chose we were

2474

01:53:43,520 --> 01:53:40,740

this is kjc our Jimmy shirts radio

2475

01:53:43,530 --> 01:53:52,290

[Music]

2476

01:53:52,300 --> 01:53:55,959

[Applause]

2477

01:54:01,970 --> 01:53:59,379

welcome back fade to black

2478

01:54:05,259 --> 01:54:01,980

all right I'm opening up the phone lines

2479

01:54:08,180 --> 01:54:05,269

I'm your host Jimmy Church it is Monday

2480

01:54:13,339 --> 01:54:08,190

amazing show tonight can you believe it

2481

01:54:16,490 --> 01:54:13,349

our own social media platform for this

2482

01:54:19,850 --> 01:54:16,500

community think about that on stellar if

2483

01:54:21,680 --> 01:54:19,860

you visit on stellar dot-com right now

2484

01:54:22,160 --> 01:54:21,690

you will see right there it says coming

2485

01:54:24,709 --> 01:54:22,170

soon

2486

01:54:27,140 --> 01:54:24,719

it's going to the registration process

2487

01:54:29,479 --> 01:54:27,150

is going to launch tomorrow night at

2488

01:54:34,160 --> 01:54:29,489

midnight you'll be able to go just use

2489

01:54:36,319 --> 01:54:34,170

the promo code Jimmy jimmy and go

2490

01:54:40,149 --> 01:54:36,329

through the registration process and and

2491

01:54:45,529 --> 01:54:40,159

get your name reserved man get that done

2492

01:54:47,569 --> 01:54:45,539

this is for the next couple of months

2493

01:54:51,649 --> 01:54:47,579

there's going to be a heavy amount of

2494

01:54:54,200 --> 01:54:51,659

publicity PR and advertising going out

2495

01:54:56,330 --> 01:54:54,210

there and the registration process is

2496

01:54:59,540 --> 01:54:56,340

going to complete because when the

2497

01:55:02,240 --> 01:54:59,550

platform launches in quarter three which

2498

01:55:04,189 --> 01:55:02,250

is just in a few months at that point

2499

01:55:05,689 --> 01:55:04,199

that day everything is going to go

2500

01:55:08,509 --> 01:55:05,699

active and you're going to be able to go

2501
01:55:11,000 --> 01:55:08,519
and get your page started and go there's

2502
01:55:15,169 --> 01:55:11,010
going to be researchers and authors and

2503
01:55:17,959 --> 01:55:15,179
and all of those that are part of our

2504
01:55:20,810 --> 01:55:17,969
community with their content already

2505
01:55:23,390 --> 01:55:20,820
there and you can start posting that day

2506
01:55:26,120 --> 01:55:23,400
and liking and doing your thing

2507
01:55:30,350 --> 01:55:26,130
and there you go and the number is going

2508
01:55:32,930 --> 01:55:30,360
to be large okay so the more people that

2509
01:55:34,879 --> 01:55:32,940
go and pre-register and get going you

2510
01:55:37,930 --> 01:55:34,889
get to save your name there's nothing

2511
01:55:40,609 --> 01:55:37,940
worse than going and and having to have

2512
01:55:43,339 --> 01:55:40,619
some crazy name because somebody else

2513
01:55:45,890 --> 01:55:43,349

took it in front of you so you can go

2514

01:55:48,500 --> 01:55:45,900

and get that done and then the countdown

2515

01:55:50,770 --> 01:55:48,510

will start and you'll be notified and

2516

01:55:56,359 --> 01:55:50,780

there'll be email and everything else

2517

01:55:59,029 --> 01:55:56,369

for the the day the day on stellar day

2518

01:56:04,279 --> 01:55:59,039

all right so there you go let's go to

2519

01:56:07,580 --> 01:56:04,289

the phones 3 2 3 8 2 5 5 0 4 or 5 or 3 2

2520

01:56:10,879 --> 01:56:07,590

3 2 7 5 9 6

2521

01:56:13,790 --> 01:56:10,889

five oh I didn't let me get two we get

2522

01:56:17,689 --> 01:56:13,800

the second phone bank going okay got it

2523

01:56:19,220 --> 01:56:17,699

it should be live right now yes we're

2524

01:56:20,720 --> 01:56:19,230

good to go okay let's go to the phones

2525

01:56:26,540 --> 01:56:20,730

hi you live I'm fade to black who's

2526

01:56:29,930 --> 01:56:26,550

calling hey Kyle I'm doing good man how

2527

01:56:32,390 --> 01:56:29,940

are you I am great and I have been

2528

01:56:36,859 --> 01:56:32,400

watching the entire drama unfold of the

2529

01:56:39,350 --> 01:56:36,869

go-fast video since Friday and I the

2530

01:56:41,089 --> 01:56:39,360

funny part is is Jeremy Korbelt got

2531

01:56:42,680 --> 01:56:41,099

thrown into the mix because of this

2532

01:56:44,450 --> 01:56:42,690

entire drama

2533

01:56:46,250 --> 01:56:44,460

what happened that second video you were

2534

01:56:47,300 --> 01:56:46,260

talking about in your email that you got

2535

01:56:50,209 --> 01:56:47,310

back there uh-huh

2536

01:56:52,129 --> 01:56:50,219

what happened was jeremy Korbelt was

2537

01:56:56,540 --> 01:56:52,139

moving some videos files around on a

2538

01:56:58,790 --> 01:56:56,550

video account and we moved be go fast or

2539

01:57:01,160 --> 01:56:58,800

what is the content of the go fast video

2540

01:57:03,800 --> 01:57:01,170

into one of his two-year-old video files

2541

01:57:08,060 --> 01:57:03,810

on Vimeo right Vimeo does not update

2542

01:57:10,160 --> 01:57:08,070

date when you do that right so everybody

2543

01:57:12,620 --> 01:57:10,170

thought Jeremy Korbel posted the video

2544

01:57:15,560 --> 01:57:12,630

two years ago and he was such a pro he

2545

01:57:16,879 --> 01:57:15,570

came out publicly on Facebook I don't

2546

01:57:20,510 --> 01:57:16,889

know about Facebook actually but Twitter

2547

01:57:22,339 --> 01:57:20,520

reddit everywhere including Vimeo

2548

01:57:23,780 --> 01:57:22,349

basically say no no I'm just moving

2549

01:57:27,589 --> 01:57:23,790

stuff around and this is what really

2550

01:57:30,649 --> 01:57:27,599

happened yeah he said well he sentiment

2551
01:57:33,830 --> 01:57:30,659
he sent me a text on Friday about this

2552
01:57:38,209 --> 01:57:33,840
and it was hilarious you're right man

2553
01:57:42,430 --> 01:57:38,219
he's such a pro but I'm gonna go back

2554
01:57:46,479 --> 01:57:42,440
right here my answer to him was ha

2555
01:57:54,660 --> 01:57:46,489
he says hey man I'm dealing with a blank

2556
01:57:58,660 --> 01:57:54,670
storm of human ignorant writing yeah

2557
01:58:00,340 --> 01:57:58,670
yeah and that was amazing but what's

2558
01:58:02,200 --> 01:58:00,350
interesting about that night I never

2559
01:58:04,030 --> 01:58:02,210
asked about it I never said anything he

2560
01:58:06,040 --> 01:58:04,040
directly responded to me on Twitter I

2561
01:58:07,540 --> 01:58:06,050
never brought it up because I looked at

2562
01:58:13,770 --> 01:58:07,550
him with you know I believe speculation

2563
01:58:17,229 --> 01:58:13,780

between Jimmy and I he was talking about

2564

01:58:20,350 --> 01:58:17,239

having a video and part of it actually

2565

01:58:22,600 --> 01:58:20,360

showed a UFO possibly going into a USO

2566

01:58:24,700 --> 01:58:22,610

yeah at the same time that's what I'm

2567

01:58:29,110 --> 01:58:24,710

almost wondering if this is part of that

2568

01:58:33,130 --> 01:58:29,120

video no I don't think that it is now

2569

01:58:36,340 --> 01:58:33,140

look I have to be I have to be

2570

01:58:41,709 --> 01:58:36,350

protective of of Jeremy his sources and

2571

01:58:43,780 --> 01:58:41,719

and so forth but as described to me

2572

01:58:45,220 --> 01:58:43,790

without going too far with this because

2573

01:58:47,740 --> 01:58:45,230

I want Jeremy to do the right research

2574

01:58:51,900 --> 01:58:47,750

and and and get this stuff out on his

2575

01:58:57,040 --> 01:58:51,910

own he's a very smart guy but he said it

2576

01:59:00,070 --> 01:58:57,050

appears that for more of the that there

2577

01:59:03,850 --> 01:59:00,080

is a craft interacting with another

2578

01:59:05,979 --> 01:59:03,860

craft that is under the water and and

2579

01:59:07,959 --> 01:59:05,989

yeah and the two of them are doing

2580

01:59:10,060 --> 01:59:07,969

something together now that's all I'm

2581

01:59:13,930 --> 01:59:10,070

gonna say I've been told more than that

2582

01:59:17,229 --> 01:59:13,940

but let's wait until things are solid

2583

01:59:19,479 --> 01:59:17,239

there Jeremy Jeremy and his reputation I

2584

01:59:21,250 --> 01:59:19,489

think are pretty solid and and he's very

2585

01:59:23,410 --> 01:59:21,260

protective of that and he's probably

2586

01:59:27,520 --> 01:59:23,420

listening right now going Jimmy shut up

2587

01:59:33,209 --> 01:59:27,530

don't say anything don't do it and I'm

2588

01:59:41,680 --> 01:59:35,340

connections are what matter in the end

2589

01:59:44,709 --> 01:59:41,690

that's right everything he told people

2590

01:59:46,479 --> 01:59:44,719

George Knapp that the video are that the

2591

01:59:48,040 --> 01:59:46,489

slide they had in there they put it

2592

01:59:50,350 --> 01:59:48,050

there on purpose because they wanted to

2593

01:59:52,600 --> 01:59:50,360

do people to do research and I'm I'm

2594

01:59:55,689 --> 01:59:52,610

yeah I'll throw it out there I have to

2595

01:59:56,200 --> 01:59:55,699

blink-182 tattoos I am a big fan of Tom

2596

01:59:57,760 --> 01:59:56,210

DeLonge

2597

01:59:59,229 --> 01:59:57,770

first thing I'm like you and all I can

2598

02:00:02,490 --> 01:59:59,239

wonder is well then why did Tom without

2599

02:00:05,560 --> 02:00:02,500

the apology yeah that that goes that's

2600

02:00:06,610 --> 02:00:05,570

contradictory you know yeah you can't

2601
02:00:08,920 --> 02:00:06,620
have it both ways

2602
02:00:11,050 --> 02:00:08,930
well let me ask you this time let me ask

2603
02:00:14,590 --> 02:00:11,060
you this in this new fad in the go-fast

2604
02:00:16,330 --> 02:00:14,600
video what

2605
02:00:19,420 --> 02:00:16,340
well first off what did you make over

2606
02:00:22,240 --> 02:00:19,430
all of the video and and the object

2607
02:00:26,770 --> 02:00:22,250
itself and what did you think about it

2608
02:00:29,470 --> 02:00:26,780
cutting off the cutting off I've always

2609
02:00:31,450 --> 02:00:29,480
wondered about everyone every single

2610
02:00:33,310 --> 02:00:31,460
video out there the way they cut off any

2611
02:00:34,600 --> 02:00:33,320
of them that come from the FA teens and

2612
02:00:37,510 --> 02:00:34,610
all that stuff they all cut off in a

2613
02:00:40,390 --> 02:00:37,520

really weird way however at the same

2614

02:00:42,580 --> 02:00:40,400

time I also have know that these planes

2615

02:00:44,979 --> 02:00:42,590

are still running magnetic tape today so

2616

02:00:46,240 --> 02:00:44,989

as far as resolution goes 640 by 480 is

2617

02:00:48,760 --> 02:00:46,250

probably all we're ever gonna see

2618

02:00:50,320 --> 02:00:48,770

Japanese until they change those systems

2619

02:00:52,630 --> 02:00:50,330

out for something other than magnetic

2620

02:00:55,810 --> 02:00:52,640

tape that hold 1980s based optical

2621

02:00:58,420 --> 02:00:55,820

sensors so that's something that people

2622

02:01:00,729 --> 02:00:58,430

do need to think about a lot because

2623

02:01:03,130 --> 02:01:00,739

that's the matter of what we're dealing

2624

02:01:05,620 --> 02:01:03,140

with these F 8 things that are so flying

2625

02:01:07,360 --> 02:01:05,630

today are still recording the magnetic

2626
02:01:10,930 --> 02:01:07,370
tape same thing with Chinooks the same

2627
02:01:13,060 --> 02:01:10,940
thing with that 22 most and even at 16

2628
02:01:15,459 --> 02:01:13,070
they're all still recording directly to

2629
02:01:17,229 --> 02:01:15,469
magnetic tape now the question is how

2630
02:01:18,610 --> 02:01:17,239
does that record that's something that

2631
02:01:20,260 --> 02:01:18,620
we don't know much you're actually in

2632
02:01:21,970 --> 02:01:20,270
the military and in that stuff I that's

2633
02:01:23,229 --> 02:01:21,980
the buddy about it and you would look

2634
02:01:26,800 --> 02:01:23,239
something there's unclassified I think

2635
02:01:28,600 --> 02:01:26,810
that and I respect that I stop instantly

2636
02:01:31,750 --> 02:01:28,610
right there and because I love my

2637
02:01:33,010 --> 02:01:31,760
friends it's it is one of those things

2638
02:01:35,410 --> 02:01:33,020

where I don't know exactly how they

2639

02:01:37,090 --> 02:01:35,420

record I don't know if it's on constant

2640

02:01:39,700 --> 02:01:37,100

recording or if it was something where

2641

02:01:41,620 --> 02:01:39,710

they hit a button and while that button

2642

02:01:42,970 --> 02:01:41,630

is pressed or until they'd be fair and

2643

02:01:45,340 --> 02:01:42,980

so they press the button again it just

2644

02:01:46,690 --> 02:01:45,350

records in that time period who knows

2645

02:01:50,890 --> 02:01:46,700

because to throw it right out there

2646

02:01:53,770 --> 02:01:50,900

these guys fly anywhere from anywhere

2647

02:01:56,350 --> 02:01:53,780

from several like 20 minutes to several

2648

02:01:57,070 --> 02:01:56,360

hours and on a magnetic tape we don't

2649

02:01:59,020 --> 02:01:57,080

know how big that is

2650

02:02:01,800 --> 02:01:59,030

but I can say that most that I've been

2651
02:02:05,880 --> 02:02:01,810
safe out there doesn't go over two hours

2652
02:02:09,490 --> 02:02:05,890
okay so now let's play devil's advocate

2653
02:02:09,980 --> 02:02:09,500
all of the videos that we have seen so

2654
02:02:13,120 --> 02:02:09,990
far

2655
02:02:19,040 --> 02:02:13,130
just happen to be at the end of the tape

2656
02:02:21,650 --> 02:02:19,050
no but that's what I'm saying

2657
02:02:23,840 --> 02:02:21,660
I mean they're what we are seeing we're

2658
02:02:26,900 --> 02:02:23,850
not seeing the resolution of any of this

2659
02:02:29,600 --> 02:02:26,910
you know the excitement of what you see

2660
02:02:31,730 --> 02:02:29,610
in the moment okay cool

2661
02:02:33,740 --> 02:02:31,740
all right so we've got that we've got

2662
02:02:36,200 --> 02:02:33,750
that conversation but what about the

2663
02:02:41,240 --> 02:02:36,210

conversation when they found out what

2664

02:02:43,340 --> 02:02:41,250

the object was right oh man it is UFO it

2665

02:02:45,800 --> 02:02:43,350

just docked with the mothership and just

2666

02:02:48,710 --> 02:02:45,810

took off out of the atmosphere is that

2667

02:02:59,840 --> 02:02:48,720

the conversation or is it oh man it was

2668

02:03:03,890 --> 02:02:59,850

a duck you know I mean it just seems a

2669

02:03:08,090 --> 02:03:03,900

it it seems that I was hoping this is

2670

02:03:10,520 --> 02:03:08,100

man and I want TTS a to succeed I went

2671

02:03:13,010 --> 02:03:10,530

along to bust this thing wide open

2672

02:03:16,670 --> 02:03:13,020

I want answers I want all of this and

2673

02:03:19,310 --> 02:03:16,680

and and our hopes are really high but I

2674

02:03:22,730 --> 02:03:19,320

thought that this next video this next

2675

02:03:24,410 --> 02:03:22,740

release was was gonna take things to the

2676

02:03:27,950 --> 02:03:24,420

next level because they learn their

2677

02:03:33,680 --> 02:03:27,960

lesson and you know what this video is

2678

02:03:35,540 --> 02:03:33,690

just for me it's just a my my my little

2679

02:03:36,950 --> 02:03:35,550

secret on that one is I was really

2680

02:03:39,530 --> 02:03:36,960

really hoping that it would be the

2681

02:03:41,690 --> 02:03:39,540

Chicago O'Hare incident videos that

2682

02:03:42,440 --> 02:03:41,700

nobody seemed videos on but everybody

2683

02:03:44,690 --> 02:03:42,450

talked about it

2684

02:03:48,650 --> 02:03:44,700

left a big giant circle in the side

2685

02:03:50,570 --> 02:03:48,660

garage in the quad but and I'm pretty

2686

02:03:51,860 --> 02:03:50,580

sure that it was that many people there

2687

02:03:54,680 --> 02:03:51,870

in the year that had happened there had

2688

02:03:56,510 --> 02:03:54,690

to be people had to have gotten that but

2689

02:03:58,910 --> 02:03:56,520

what happened to all of it where is all

2690

02:04:02,540 --> 02:03:58,920

of it we're gonna go and radar where's

2691

02:04:04,100 --> 02:04:02,550

the radar from O'Hare that word that

2692

02:04:06,230 --> 02:04:04,110

dude yeah because that was talked about

2693

02:04:08,090 --> 02:04:06,240

by many many people there's many

2694

02:04:11,300 --> 02:04:08,100

different documentaries and videos yeah

2695

02:04:13,820 --> 02:04:11,310

if they all saw it on radar and there's

2696

02:04:18,770 --> 02:04:13,830

radar reports I heard the Japanese a lot

2697

02:04:22,360 --> 02:04:18,780

airlines yeah and John what do you think

2698

02:04:23,899 --> 02:04:22,370

about what do you think about on stellar

2699

02:04:25,250 --> 02:04:23,909

they sound

2700

02:04:27,109 --> 02:04:25,260

I always heard about ten minutes without

2701
02:04:29,540 --> 02:04:27,119
conversation unfortunately for that just

2702
02:04:31,399 --> 02:04:29,550
not work but it sounds really awesome

2703
02:04:33,949 --> 02:04:31,409
I'm really it's in the bought Canaan

2704
02:04:36,319 --> 02:04:33,959
good you know are they get out or they

2705
02:04:38,540 --> 02:04:36,329
can allow people to do like mining on

2706
02:04:42,830 --> 02:04:38,550
that or is it just straight up user

2707
02:04:47,540 --> 02:04:45,290
right right well the technology that

2708
02:04:52,699 --> 02:04:47,550
this blockchain is based on which is

2709
02:04:55,580 --> 02:04:52,709
steam it steam that part of it about see

2710
02:04:59,989 --> 02:04:55,590
this is what's so great about this

2711
02:05:03,350 --> 02:04:59,999
platform of course there will be tokens

2712
02:05:08,270 --> 02:05:03,360
and coins that are mined and and that's

2713
02:05:11,089 --> 02:05:08,280

and that and and that crypto is about

2714

02:05:14,089 --> 02:05:11,099

that creation of it is about 10% for

2715

02:05:18,589 --> 02:05:14,099

mining the rest of the creation comes

2716

02:05:21,080 --> 02:05:18,599

from activity on the website in the

2717

02:05:23,659 --> 02:05:21,090

blockchain okay right so that's what

2718

02:05:26,419 --> 02:05:23,669

else I'm gonna say I'm a PC gamer right

2719

02:05:28,159 --> 02:05:26,429

and my PC gamers and miners are not

2720

02:05:29,899 --> 02:05:28,169

exactly friendly with each other right

2721

02:05:32,299 --> 02:05:29,909

now because the price wars and all this

2722

02:05:33,649 --> 02:05:32,309

other things going on right and you

2723

02:05:35,959 --> 02:05:33,659

throw it right out there mining is

2724

02:05:37,850 --> 02:05:35,969

basically made PC gaming out of reach

2725

02:05:40,100 --> 02:05:37,860

afford to build affordable wise for

2726

02:05:42,379 --> 02:05:40,110

anybody that wants to just start it in

2727

02:05:44,179 --> 02:05:42,389

for like 500 bucks right there's no way

2728

02:05:46,429 --> 02:05:44,189

it's impossible right now because cards

2729

02:05:50,239 --> 02:05:46,439

the east and so for 70 bucks or selling

2730

02:05:51,709 --> 02:05:50,249

for 300 right so that was my concern

2731

02:05:53,870 --> 02:05:51,719

hearing about this and how much is that

2732

02:05:56,120 --> 02:05:53,880

gonna affect you know PC gamers out

2733

02:05:57,799 --> 02:05:56,130

there like myself who I got lucky and

2734

02:06:00,020 --> 02:05:57,809

did everything before January when

2735

02:06:07,159 --> 02:06:00,030

though went to crap did for lack of a

2736

02:06:09,770 --> 02:06:07,169

better way to put it right yeah this you

2737

02:06:11,540 --> 02:06:09,780

need to go after tomorrow night you'll

2738

02:06:14,959 --> 02:06:11,550

be able to go and have access to the

2739

02:06:17,479 --> 02:06:14,969

white paper and which is extensive I

2740

02:06:19,310 --> 02:06:17,489

think the white papers 42 pages so

2741

02:06:20,899 --> 02:06:19,320

there's tons of information there

2742

02:06:23,929 --> 02:06:20,909

there's a lot of information on the

2743

02:06:26,270 --> 02:06:23,939

landing page at so and there's really

2744

02:06:28,580 --> 02:06:26,280

cool screenshots and you can look at

2745

02:06:31,279 --> 02:06:28,590

what the interface looks like it's it's

2746

02:06:35,830 --> 02:06:31,289

gorgeous even the mobile versions are

2747

02:06:37,169 --> 02:06:35,840

all there but but it's the it's the

2748

02:06:39,870 --> 02:06:37,179

token-based

2749

02:06:43,949 --> 02:06:39,880

economy inside of this community that

2750

02:06:46,799 --> 02:06:43,959

creates additional currency and tokens

2751

02:06:49,709 --> 02:06:46,809

to be used inside of the community if

2752

02:06:53,850 --> 02:06:49,719

you choose to cash out cash out but that

2753

02:06:56,160 --> 02:06:53,860

ultimately will in in the big picture it

2754

02:06:58,489 --> 02:06:56,170

kind of defeats the purpose of it this

2755

02:07:04,679 --> 02:06:58,499

is about supporting the online community

2756

02:07:06,239 --> 02:07:04,689

yeah the online community with when it

2757

02:07:07,319 --> 02:07:06,249

comes to people coming together and

2758

02:07:09,089 --> 02:07:07,329

taking a look at everything and

2759

02:07:11,459 --> 02:07:09,099

hopefully in a more structured platform

2760

02:07:13,410 --> 02:07:11,469

than what happens on YouTube where every

2761

02:07:15,120 --> 02:07:13,420

debunker comes in and just literally

2762

02:07:26,149 --> 02:07:15,130

spews random crap it doesn't make any

2763

02:07:28,469 --> 02:07:26,159

sense right yeah and this is different

2764

02:07:30,509 --> 02:07:28,479

David just posted in the chat room I

2765

02:07:38,370 --> 02:07:30,519

find hard to believe you don't own any

2766

02:07:41,520 --> 02:07:38,380

crypto Jimmy well I I have I've been you

2767

02:07:44,669 --> 02:07:41,530

know I've held off on Bitcoin and any

2768

02:07:46,890 --> 02:07:44,679

other stuff because that as an

2769

02:07:49,799 --> 02:07:46,900

investment I want to see how it plays

2770

02:07:53,160 --> 02:07:49,809

out because it's still figuring itself

2771

02:07:57,600 --> 02:07:53,170

out but in this application of the

2772

02:07:58,649 --> 02:07:57,610

blockchain not of cryptocurrency that's

2773

02:08:01,199 --> 02:07:58,659

that's different

2774

02:08:03,449 --> 02:08:01,209

this the blockchain technology is what's

2775

02:08:06,209 --> 02:08:03,459

built into this website the the website

2776

02:08:09,209 --> 02:08:06,219

is built on this technology to support

2777

02:08:12,839 --> 02:08:09,219

the community it is different it's a

2778

02:08:16,739 --> 02:08:12,849

whole nother way of how this operates

2779

02:08:20,609 --> 02:08:16,749

and that's why I've tried to over the

2780

02:08:22,620 --> 02:08:20,619

last year or so to educate everybody

2781

02:08:25,529 --> 02:08:22,630

about what the blockchain is about what

2782

02:08:27,989 --> 02:08:25,539

bitcoin is what my philosophy is on this

2783

02:08:31,169 --> 02:08:27,999

entire thing because it's a big mystery

2784

02:08:32,939 --> 02:08:31,179

to most okay it's a big mystery and you

2785

02:08:36,689 --> 02:08:32,949

need to understand it because it is

2786

02:08:39,419 --> 02:08:36,699

exciting technology and it's there it's

2787

02:08:43,429 --> 02:08:39,429

real but everybody needs to understand

2788

02:08:48,509 --> 02:08:43,439

what what it really is and so for us I'm

2789

02:08:49,979 --> 02:08:48,519

go ahead I'm with you and honestly what

2790

02:08:51,000 --> 02:08:49,989

people what people need to realize about

2791

02:08:53,430 --> 02:08:51,010

blockchain is there's

2792

02:08:55,350 --> 02:08:53,440

the reason why it is that people out

2793

02:08:57,240 --> 02:08:55,360

there are really pushing for voting

2794

02:08:58,770 --> 02:08:57,250

booths to be done on watching yes

2795

02:09:01,320 --> 02:08:58,780

because of The Tempest is it a

2796

02:09:03,840 --> 02:09:01,330

tamper-proof set up the blockchain had

2797

02:09:05,850 --> 02:09:03,850

when it comes to crypto as far as being

2798

02:09:08,310 --> 02:09:05,860

able to back-trace what happened within

2799

02:09:10,980 --> 02:09:08,320

a certain situation and we hadn't

2800

02:09:14,900 --> 02:09:10,990

totally trained in his written into

2801

02:09:18,780 --> 02:09:14,910

every block chain and a minute ago it

2802

02:09:24,300 --> 02:09:18,790

sounded like something growled what was

2803

02:09:28,230 --> 02:09:24,310

that no no so you didn't know that you

2804

02:09:33,450 --> 02:09:28,240

didn't hear that yeah but I am wearing I

2805

02:09:34,050 --> 02:09:33,460

went wearing air pause okay in the

2806

02:09:37,470 --> 02:09:34,060

background

2807

02:09:39,900 --> 02:09:37,480

everybody was what a WTF what was that

2808

02:09:41,670 --> 02:09:39,910

noise wow what was that growling noise

2809

02:09:44,400 --> 02:09:41,680

I'm just reading everybody what was that

2810

02:09:50,250 --> 02:09:44,410

Gore whole jimmy was like what the hell

2811

02:09:53,250 --> 02:09:50,260

was that what was that it was it's you

2812

02:09:55,260 --> 02:09:53,260

didn't hear that but it was nothing

2813

02:09:57,480 --> 02:09:55,270

outside of me at the moment I will put

2814

02:10:02,100 --> 02:09:57,490

it that way it might have had something

2815

02:10:06,210 --> 02:10:02,110

to do with the audio no no no no no no

2816

02:10:12,560 --> 02:10:06,220

no no no no no no this was this sounded

2817

02:10:16,020 --> 02:10:12,570

like this that's what it sounded like I

2818

02:10:19,200 --> 02:10:16,030

it sounded and sounded like you had a

2819

02:10:22,610 --> 02:10:19,210

hellhound about to bite a chunk out of

2820

02:10:25,320 --> 02:10:22,620

your neck that's what it sounded like

2821

02:10:26,940 --> 02:10:25,330

but I will leave you with something

2822

02:10:29,010 --> 02:10:26,950

complete with something that hasn't been

2823

02:10:30,120 --> 02:10:29,020

said in a long time on radio from what I

2824

02:10:35,730 --> 02:10:30,130

can sell what's that

2825

02:10:37,110 --> 02:10:35,740

but basically but what I want to say for

2826

02:10:39,270 --> 02:10:37,120

a little while especially since he had

2827

02:10:41,520 --> 02:10:39,280

that long conversation on coast to coast

2828

02:10:43,980 --> 02:10:41,530

about Stargate and everything mm-hmm but

2829

02:10:46,140 --> 02:10:43,990

I never heard you say this one there

2830

02:10:47,880 --> 02:10:46,150

there was an episode of Stargate where

2831

02:10:50,340 --> 02:10:47,890

they featured cadets from the Air Force

2832

02:10:52,440 --> 02:10:50,350

Academy and in that episode an actual

2833

02:10:54,000 --> 02:10:52,450

Air Force general showed up I can't

2834

02:10:56,070 --> 02:10:54,010

remember his name unfortunately I

2835

02:10:58,620 --> 02:10:56,080

haven't written out of the document but

2836

02:11:00,780 --> 02:10:58,630

he was actually he actually did an

2837

02:11:02,070 --> 02:11:00,790

interview with TV Guide and you probably

2838

02:11:03,960 --> 02:11:02,080

know where I'm going with this already

2839

02:11:04,919 --> 02:11:03,970

but he told TV Guide that he's needed

2840

02:11:10,890 --> 02:11:04,929

the episode

2841

02:11:16,649 --> 02:11:10,900

the truth is stranger than fiction I do

2842

02:11:20,310 --> 02:11:16,659

remember that and this is what this is

2843

02:11:27,470 --> 02:11:20,320

where my life is headed I can see it I

2844

02:11:34,140 --> 02:11:27,480

am going to have to go back and binge

2845

02:11:36,260 --> 02:11:34,150

Stargate and this yeah I mean I I just

2846

02:11:38,580 --> 02:11:36,270

see that in my future we have so many

2847

02:11:42,240 --> 02:11:38,590

things that we are watching right now

2848

02:11:46,649 --> 02:11:42,250

and I don't know how we're going to

2849

02:11:49,830 --> 02:11:46,659

squeeze in more but I've I see that in

2850

02:11:53,459 --> 02:11:49,840

my future I really do I see a month

2851
02:11:56,899 --> 02:11:53,469
worth of of Stargate and so their

2852
02:12:00,120 --> 02:11:56,909
Stargate Stargate Atlantis and what else

2853
02:12:02,340 --> 02:12:00,130
well their Stargate Universe and now

2854
02:12:04,740 --> 02:12:02,350
their surrogate origins which is a

2855
02:12:06,600 --> 02:12:04,750
webisode type show that they've done I

2856
02:12:09,450 --> 02:12:06,610
think they did 10 or 11 episodes up and

2857
02:12:13,649 --> 02:12:09,460
they're all on Stargate the Stargate

2858
02:12:16,080 --> 02:12:13,659
command so how many how many versions of

2859
02:12:19,410 --> 02:12:16,090
Stargate their Stargate Stargate

2860
02:12:21,540 --> 02:12:19,420
Atlantis right so they start at the

2861
02:12:23,820 --> 02:12:21,550
movie Stargate sg-1 Stargate Atlantis

2862
02:12:27,540 --> 02:12:23,830
Stargate Universe and now Stargate

2863
02:12:29,790 --> 02:12:27,550

origins okay so there is let's see here

2864

02:12:33,540 --> 02:12:29,800

let's see what about that our gate

2865

02:12:35,459 --> 02:12:33,550

command by Stargate command is the new

2866

02:12:37,919 --> 02:12:35,469

platform that they're working on trying

2867

02:12:40,260 --> 02:12:37,929

to do everything new on now so it's a

2868

02:12:42,570 --> 02:12:40,270

platform about a show okay so there's

2869

02:12:46,770 --> 02:12:42,580

Stargate and they're Stargate Stargate

2870

02:12:50,280 --> 02:12:46,780

sg-1 Stargate Atlantis Stargate origins

2871

02:12:52,229 --> 02:12:50,290

right yep and what about Stargate

2872

02:12:57,420 --> 02:12:52,239

Universe and Stargate Universe so

2873

02:13:03,770 --> 02:13:00,900

man I just thought of this one did you

2874

02:13:04,950 --> 02:13:03,780

see the Harry Reid text to Scully on

2875

02:13:07,590 --> 02:13:04,960

x-files

2876

02:13:09,660 --> 02:13:07,600

oh yeah yeah robot are you kidding me

2877

02:13:13,020 --> 02:13:09,670

okay do you know how many times that guy

2878

02:13:15,270 --> 02:13:13,030

texted to me I mean it was during it was

2879

02:13:18,060 --> 02:13:15,280

during the episode I don't know how

2880

02:13:21,480 --> 02:13:18,070

anybody caught that and the other

2881

02:13:24,120 --> 02:13:21,490

interesting thing is that didn't happen

2882

02:13:26,820 --> 02:13:24,130

the Harry Reid stuff didn't bust out

2883

02:13:32,040 --> 02:13:26,830

till December 16th right a little bit

2884

02:13:39,990 --> 02:13:38,190

or did they edit that in you know just a

2885

02:13:44,430 --> 02:13:40,000

quick look yeah after the fact they shot

2886

02:13:47,580 --> 02:13:44,440

the episode I wonder if it was a joke

2887

02:13:49,500 --> 02:13:47,590

because of the fact that Harry don't

2888

02:13:52,230 --> 02:13:49,510

tell anyone or something like that keep

2889

02:13:53,580 --> 02:13:52,240

your mouth and yeah he was yeah he was

2890

02:13:58,770 --> 02:13:53,590

the one that without telling everybody

2891

02:14:00,930 --> 02:13:58,780

but Leslie scene in Georgia it was it

2892

02:14:03,030 --> 02:14:00,940

was pretty interesting and I didn't

2893

02:14:05,390 --> 02:14:03,040

catch it I had to go back and watch the

2894

02:14:08,820 --> 02:14:05,400

episode to see that particular moment

2895

02:14:12,240 --> 02:14:08,830

but that shows you how dedicated not

2896

02:14:14,700 --> 02:14:12,250

only people that watch the x-files are

2897

02:14:16,590 --> 02:14:14,710

but how many people knew about Harry

2898

02:14:20,280 --> 02:14:16,600

Reid from this community that we're

2899

02:14:22,800 --> 02:14:20,290

watching that and freeze-framed it and

2900

02:14:23,730 --> 02:14:22,810

then grab the screen grab I mean I don't

2901

02:14:35,040 --> 02:14:23,740

do that

2902

02:14:36,960 --> 02:14:35,050

and I completely I thought somebody just

2903

02:14:39,060 --> 02:14:36,970

you know this is Photoshop that's what I

2904

02:14:42,090 --> 02:14:39,070

thought until I went back and saw it it

2905

02:14:44,070 --> 02:14:42,100

was right there yeah right there and

2906

02:14:46,410 --> 02:14:44,080

first thing I looked over my dad and

2907

02:14:50,330 --> 02:14:46,420

went Chris Carter knows what's up

2908

02:14:54,420 --> 02:14:50,340

it's so either there's two ways either

2909

02:14:56,820 --> 02:14:54,430

Chris Carter knew about Harry Reid and

2910

02:15:00,450 --> 02:14:56,830

the New York Times article he knew about

2911

02:15:03,420 --> 02:15:00,460

that in advance and and put that in the

2912

02:15:05,820 --> 02:15:03,430

episode six months ago or they shot the

2913

02:15:06,600 --> 02:15:05,830

episode that came out on December 16th

2914

02:15:09,750 --> 02:15:06,610

they went back

2915

02:15:12,150 --> 02:15:09,760

shot that and inserted that into the

2916

02:15:15,570 --> 02:15:12,160

final cut that was already ready for

2917

02:15:18,620 --> 02:15:15,580

broadcast I would think that everything

2918

02:15:22,380 --> 02:15:18,630

is in the can getting reviewed by Fox

2919

02:15:25,770 --> 02:15:22,390

because that aired in February right

2920

02:15:28,080 --> 02:15:25,780

back that air two weeks ago so that

2921

02:15:31,380 --> 02:15:28,090

aired in February so you've got December

2922

02:15:33,840 --> 02:15:31,390

January February at best two months

2923

02:15:37,110 --> 02:15:33,850

there that stuff is already in the can

2924

02:15:39,480 --> 02:15:37,120

so I don't know how yeah I don't know

2925

02:15:41,070 --> 02:15:39,490

how they did it that's that's why I

2926

02:15:43,410 --> 02:15:41,080

really wonder because the other thing in

2927

02:15:45,900 --> 02:15:43,420

there - instead of saying aerial threat

2928

02:15:48,780 --> 02:15:45,910

it said aerospace right yeah that was

2929

02:15:51,120 --> 02:15:48,790

all around the December November right

2930

02:15:53,700 --> 02:15:51,130

before the mistake was caught because it

2931

02:15:58,710 --> 02:15:53,710

we all know now that it's not aerospace

2932

02:16:01,590 --> 02:15:58,720

that it's a arial 'arial so there you go

2933

02:16:03,780 --> 02:16:01,600

all right Kyle thank you so much man a

2934

02:16:06,720 --> 02:16:03,790

great phone call and we'll see you

2935

02:16:07,560 --> 02:16:06,730

tomorrow night right here no problem you

2936

02:16:10,440 --> 02:16:07,570

guys have a great night

2937

02:16:13,200 --> 02:16:10,450

you too thank you so much that's Kyle

2938

02:16:15,750 --> 02:16:13,210

from Sacramento and you know I kind of

2939

02:16:18,390 --> 02:16:15,760

say you know at the end of every show I

2940

02:16:20,990 --> 02:16:18,400

say the same thing but this audience is

2941

02:16:24,750 --> 02:16:21,000

the best smartest audience out there and

2942

02:16:28,230 --> 02:16:24,760

the fastest coolest thing that I can do

2943

02:16:32,220 --> 02:16:28,240

for all of you is reward you with your

2944

02:16:36,120 --> 02:16:32,230

very own social media platform you've

2945

02:16:40,730 --> 02:16:36,130

got it think about what's about to kick

2946

02:16:45,870 --> 02:16:40,740

off it's on stellar dot-com oh and ste

2947

02:16:47,791 --> 02:16:45,880

ll8 are.com on stellar comm if you go

2948

02:16:49,920 --> 02:16:47,801

and you should go ahead and pop that in

2949

02:16:52,980 --> 02:16:49,930

your browser right now you go over to

2950

02:16:55,070 --> 02:16:52,990

Han stellar I'm there by the way all

2951

02:17:00,060 --> 02:16:55,080

right I'm looking at it it says

2952

02:17:03,870 --> 02:17:00,070

literally where to go it says I coming

2953

02:17:06,060 --> 02:17:03,880

soon with the logo I have I have the

2954

02:17:09,270 --> 02:17:06,070

real site I've been on an all day it's

2955

02:17:11,550 --> 02:17:09,280

pretty cool so registration will kick

2956

02:17:13,291 --> 02:17:11,560

off tomorrow night midnight I don't know

2957

02:17:15,930 --> 02:17:13,301

if it's gonna be midnight Pacific or

2958

02:17:17,310 --> 02:17:15,940

midnight Eastern but I'll announce that

2959

02:17:18,310 --> 02:17:17,320

tomorrow night at the beginning of the

2960

02:17:19,690 --> 02:17:18,320

show because

2961

02:17:21,430 --> 02:17:19,700

right in the middle of the show tomorrow

2962

02:17:22,120 --> 02:17:21,440

night if it's midnight Eastern that'll

2963

02:17:24,520 --> 02:17:22,130

be 9 o'clock

2964

02:17:27,910 --> 02:17:24,530

out here and you'll be able to go to

2965

02:17:32,620 --> 02:17:27,920

register and use that promo code Jimmy

2966

02:17:34,450 --> 02:17:32,630

and get your username set you'd be able

2967

02:17:38,370 --> 02:17:34,460

to kick all of that off tomorrow but how

2968

02:17:44,440 --> 02:17:38,380

cool is that now again just to summarize

2969

02:17:48,070 --> 02:17:44,450

and this is based on the blockchain we

2970

02:17:51,150 --> 02:17:48,080

will have our own token for our camp

2971

02:17:56,340 --> 02:17:51,160

what is that sound

2972

02:17:59,860 --> 02:17:56,350

that is crazy I just heard it again man

2973

02:18:01,350 --> 02:17:59,870

that's creepy that's like EVP stuff I

2974

02:18:09,430 --> 02:18:01,360

don't even know what to make of that

2975

02:18:11,890 --> 02:18:09,440

that is trippy anyway so a way to

2976

02:18:14,080 --> 02:18:11,900

support everybody else in this community

2977

02:18:16,960 --> 02:18:14,090

and tomorrow you'll have all of the

2978

02:18:20,020 --> 02:18:16,970

classifications there you will be

2979

02:18:22,960 --> 02:18:20,030

notified via email the countdown clock

2980

02:18:24,610 --> 02:18:22,970

is going and this is one of the most

2981

02:18:26,080 --> 02:18:24,620

exciting times and I said this at the

2982

02:18:28,600 --> 02:18:26,090

beginning of the show tonight and I'm

2983

02:18:33,041 --> 02:18:28,610

not joking about this you will remember

2984

02:18:34,510 --> 02:18:33,051

this day why do I think Harry Reid is a

2985

02:18:39,370 --> 02:18:34,520

porn star

2986

02:18:45,660 --> 02:18:39,380

I don't know IPD is that for you to even

2987

02:18:48,340 --> 02:18:45,670

make that connection one may wonder Wow

2988

02:18:50,620 --> 02:18:48,350

okay yeah all of you are in the Stargate

2989

02:18:52,720 --> 02:18:50,630

I'm looking at this now I've only

2990

02:18:56,110 --> 02:18:52,730

watched individual episodes and one of

2991

02:18:58,120 --> 02:18:56,120

the reasons is I love the movie so much

2992

02:19:00,370 --> 02:18:58,130

that I didn't think the series would be

2993

02:19:03,850 --> 02:19:00,380

able to live up to it its reputation now

2994

02:19:06,280 --> 02:19:03,860

and how solid it is Stargate Universe

2995

02:19:11,230 --> 02:19:06,290

got cut short the studio dropped it

2996

02:19:14,590 --> 02:19:11,240

really see so there you go alright so

2997

02:19:16,960 --> 02:19:14,600

that's it I'm stellar on stellar comm

2998

02:19:20,560 --> 02:19:16,970

the links are up tomorrow you'll be able

2999

02:19:22,510 --> 02:19:20,570

to go and register your name and and get

3000

02:19:26,020 --> 02:19:22,520

this thing going it's going to be huge

3001

02:19:29,110 --> 02:19:26,030

alright tomorrow we will announce who

3002

02:19:31,270 --> 02:19:29,120

our guest is tomorrow night and also you

3003

02:19:31,871 --> 02:19:31,280

guys can send me all the email that you

3004

02:19:35,291 --> 02:19:31,881

want

3005

02:19:39,281 --> 02:19:35,301

but what do you think about this go-fast

3006

02:19:41,860 --> 02:19:39,291

video I wanted more I wanted more from

3007

02:19:44,350 --> 02:19:41,870

the video maybe my expectations are too

3008

02:19:47,140 --> 02:19:44,360

high maybe I'm being too critical it

3009

02:19:50,890 --> 02:19:47,150

could be all of that but based on what I

3010

02:19:55,060 --> 02:19:50,900

saw I couldn't believe it cut off where

3011

02:19:57,400 --> 02:19:55,070

it did that really really bummed me out

3012

02:19:58,930 --> 02:19:57,410

I did just doesn't make any sense to me

3013

02:20:01,301 --> 02:19:58,940

so there you go

3014

02:20:03,491 --> 02:20:01,311

all right that knocks out another

3015

02:20:05,921 --> 02:20:03,501

episode of fade to black the on stellar

3016

02:20:07,720 --> 02:20:05,931

episode I'm your host Jimmy church we'll

3017

02:20:09,430 --> 02:20:07,730

see everybody right here tomorrow night

3018

02:20:13,301 --> 02:20:09,440

we'll post up everything on what's going

3019

02:20:15,461 --> 02:20:13,311

on tomorrow on the website all right

3020

02:20:17,171 --> 02:20:15,471

fade to black executive producers ritika

3021

02:20:19,031 --> 02:20:17,181

Mary Allen shows produced by Hill J

3022

02:20:20,711 --> 02:20:19,041

Palmer Nate Dennison Bob announces our

3023

02:20:23,291 --> 02:20:20,721
