copyright 2018 fade to black [www.jimmychurchradio.com](http://www.jimmychurchradio.com)

1  
00:00:15,160 --> 00:00:13,470

[Music]

2  
00:00:18,980 --> 00:00:15,170

[Applause]

3  
00:00:22,760 --> 00:00:18,990

this hope radio for the masses at Lima

4  
00:00:25,700 --> 00:00:22,770

between July 8 1947 beyond the airport

5  
00:00:27,350 --> 00:00:25,710

with open arms done applying - found and

6  
00:00:30,550 --> 00:00:27,360

is now in the possession of the otter

7  
00:00:34,330 --> 00:00:30,560

the game is rigged changed the game

8  
00:00:38,260 --> 00:00:34,340

changer I occasionally think how quickly

9  
00:00:41,150 --> 00:00:38,270

our differences worldwide would vanish

10  
00:00:43,500 --> 00:00:41,160

if we were facing an alien threat from

11  
00:00:48,560 --> 00:00:43,510

outside his way

12  
00:00:51,080 --> 00:00:48,570

[Music]

13  
00:00:53,900 --> 00:00:51,090

fade to black with your host Jimmy

14  
00:01:00,390 --> 00:00:53,910  
church on the game-changer radio network

15  
00:01:05,590 --> 00:01:02,100  
I need your help to get to the year

16  
00:01:11,460 --> 00:01:09,300  
[Music]

17  
00:01:13,620 --> 00:01:11,470  
you're listening to fade to black with

18  
00:01:16,610 --> 00:01:13,630  
jimmy touch on the game change in that

19  
00:01:17,920 --> 00:01:16,620  
one good evening

20  
00:01:25,200 --> 00:01:17,930  
[Music]

21  
00:01:36,820 --> 00:01:25,210  
fade to black this spoke radio for the

22  
00:01:40,080 --> 00:01:36,830  
masses man all right today is Wednesday

23  
00:01:43,240 --> 00:01:40,090  
March twenty first two thousand eighteen

24  
00:01:45,070 --> 00:01:43,250  
eighty days into the new year just two

25  
00:01:46,390 --> 00:01:45,080  
hundred and eighty five days left we are

26  
00:01:48,420 --> 00:01:46,400  
live from a bunker somewhere in downtown

27  
00:01:49,980 --> 00:01:48,430  
Burbank California

28  
00:01:51,690 --> 00:01:49,990  
I would like to welcome everybody

29  
00:01:55,470 --> 00:01:51,700  
listening all around the world all

30  
00:01:57,540 --> 00:01:55,480  
across the United States hither and

31  
00:02:00,000 --> 00:01:57,550  
thither to and fro back and forth up and

32  
00:02:03,960 --> 00:02:00,010  
down east and west north and south far

33  
00:02:07,110 --> 00:02:03,970  
and near this is faith of life for kjc

34  
00:02:09,029 --> 00:02:07,120  
are the game-changer networking k g ra

35  
00:02:11,830 --> 00:02:09,039  
the planet i'm your host jimmy church

36  
00:02:13,630 --> 00:02:11,840  
what is crackin everybody how you doing

37  
00:02:15,720 --> 00:02:13,640  
all right

38  
00:02:18,900 --> 00:02:15,730

[Music]

39

00:02:22,949 --> 00:02:18,910

let me splay man let me explain what's

40

00:02:26,070 --> 00:02:22,959

going on we had to make some adjustments

41

00:02:28,640 --> 00:02:26,080

in the schedule today we had to move a

42

00:02:31,380 --> 00:02:28,650

Yvonne Smith over to tomorrow night's

43

00:02:33,479 --> 00:02:31,390

there's reasons for that and the bottom

44

00:02:36,870 --> 00:02:33,489

line is this grant Cameron is in town

45

00:02:40,589 --> 00:02:36,880

and she is with a grant down in Orange

46

00:02:43,620 --> 00:02:40,599

County tonight for his presentation so

47

00:02:45,059 --> 00:02:43,630

we moved Yvonne over to tomorrow night

48

00:02:48,930 --> 00:02:45,069

tonight we're gonna do fate or night

49

00:02:53,009 --> 00:02:48,940

open lines all night long now but Jon

50

00:02:55,170 --> 00:02:53,019

Rappoport will be here tomorrow night

51  
00:02:56,400 --> 00:02:55,180  
okay so John's gonna be here tomorrow

52  
00:02:58,979 --> 00:02:56,410  
night with there's no more fake news

53  
00:03:00,660 --> 00:02:58,989  
room with Yvonne Smith so that'll be

54  
00:03:02,940 --> 00:03:00,670  
tomorrow night's show Thursday night

55  
00:03:04,949 --> 00:03:02,950  
tonight's gonna be open lines all night

56  
00:03:10,380 --> 00:03:04,959  
long out of the gate all right now how

57  
00:03:13,229 --> 00:03:10,390  
is that 3 to 3 8 2 5 5 0 4 5 4 3 2 3 2 7

58  
00:03:15,000 --> 00:03:13,239  
5 9 6 9 5 we'll open up the phone lines

59  
00:03:17,970 --> 00:03:15,010  
at the bottom of the hour we got lots of

60  
00:03:20,430 --> 00:03:17,980  
stuff to talk about tonight and so I'll

61  
00:03:23,670 --> 00:03:20,440  
set the stages for all of that ok so now

62  
00:03:27,690 --> 00:03:23,680  
do you get what's going on tonight is

63  
00:03:30,479 --> 00:03:27,700

fader night without Jon Rappoport we're

64

00:03:33,539 --> 00:03:30,489

going old school right so bottom of the

65

00:03:36,059 --> 00:03:33,549

hour opening up the phone lines tomorrow

66

00:03:38,449 --> 00:03:36,069

night Jon Rappoport is going to be here

67

00:03:42,210 --> 00:03:38,459

with there's no more fake newsroom

68

00:03:45,360 --> 00:03:42,220

followed by Yvonne Smith ok makes sense

69

00:03:47,370 --> 00:03:45,370

all right man we haven't done an

70

00:03:49,530 --> 00:03:47,380

old-school just straight into it full

71

00:03:52,170 --> 00:03:49,540

night of phones in a long time but

72

00:03:56,009 --> 00:03:52,180

tonight's the night that we're going to

73

00:03:57,449 --> 00:03:56,019

be doing an awful lot of talking 3 2 385

74

00:03:59,729 --> 00:03:57,459

five zero four or five four three two

75

00:04:01,740 --> 00:03:59,739

three two seven five nine six 95 follow

76

00:04:08,430 --> 00:04:01,750

us on twitter at jay turks radio that's

77

00:04:11,309 --> 00:04:08,440

simple enough at Jay Church radio been

78

00:04:14,460 --> 00:04:11,319

drinking coffee all day before I get

79

00:04:18,390 --> 00:04:14,470

into all of this it has now been raining

80

00:04:22,200 --> 00:04:18,400

in Los Angeles off and on for the past

81

00:04:24,480 --> 00:04:22,210

week which is rare okay just never rains

82

00:04:26,550 --> 00:04:24,490

here it doesn't you never really hear me

83

00:04:28,230 --> 00:04:26,560

talk about that well you do hear me talk

84

00:04:29,330 --> 00:04:28,240

about it when it happens because it's

85

00:04:31,700 --> 00:04:29,340

such a big deal right

86

00:04:33,620 --> 00:04:31,710

okay and especially after all the fires

87

00:04:36,110 --> 00:04:33,630

everything else we really need that we

88

00:04:41,240 --> 00:04:36,120

it cannot rain enough here but anyway

89

00:04:44,140 --> 00:04:41,250

the last two days it has rained non-stop

90

00:04:47,480 --> 00:04:44,150

24 hours a day has has not stopped and

91

00:04:50,360 --> 00:04:47,490

they are predicting here in Southern

92

00:04:52,250 --> 00:04:50,370

California and where we are in the

93

00:04:57,409 --> 00:04:52,260

foothills of Burbank

94

00:05:00,409 --> 00:04:57,419

I just sneeze live on the air a guy I

95

00:05:04,340 --> 00:05:00,419

was reaching for the cough button didn't

96

00:05:07,280 --> 00:05:04,350

get to go to time you just heard a Jimmy

97

00:05:09,980 --> 00:05:07,290

turd sneeze now which goes back to my

98

00:05:12,280 --> 00:05:09,990

point how do you believe me

99

00:05:16,700 --> 00:05:12,290

it's been raining here for two days and

100

00:05:19,360 --> 00:05:16,710

they are predicting between by the end

101  
00:05:25,279 --> 00:05:19,370  
of the day tomorrow 10 inches of rain

102  
00:05:28,129 --> 00:05:25,289  
yeah 10 inches of rain with all of the

103  
00:05:30,830 --> 00:05:28,139  
fire areas around us in Burbank all

104  
00:05:33,469 --> 00:05:30,840  
throughout Southern California mudslides

105  
00:05:35,360 --> 00:05:33,479  
and and craziness when it comes down

106  
00:05:40,430 --> 00:05:35,370  
like this so we're dealing with that and

107  
00:05:43,460 --> 00:05:40,440  
it's cold it's rainy it's wet and it's

108  
00:05:47,719 --> 00:05:43,470  
just like fade to black coffee day it's

109  
00:05:49,550 --> 00:05:47,729  
been coffee all day long okay all right

110  
00:05:51,890 --> 00:05:49,560  
yeah contacting the desert just tweeted

111  
00:05:55,580 --> 00:05:51,900  
out Yvonne Smith tonight and Yvonne

112  
00:05:58,700 --> 00:05:55,590  
Smith is tomorrow night and she'll be

113  
00:06:00,320 --> 00:05:58,710

here tomorrow night okay and it's gonna

114

00:06:02,420 --> 00:06:00,330

be a great show I mean having Jon

115

00:06:04,820 --> 00:06:02,430

Rappoport Yvonne Smith and one night is

116

00:06:08,870 --> 00:06:04,830

absolutely stellar not on stellar but

117

00:06:12,710 --> 00:06:08,880

stellar okay and now where was i twitter

118

00:06:15,740 --> 00:06:12,720

@j dirts radio hashtag if to be is the

119

00:06:17,570 --> 00:06:15,750

sandbox any questions or comments for

120

00:06:20,600 --> 00:06:17,580

the show tonight or any other night use

121

00:06:22,520 --> 00:06:20,610

hashtag F to be q if you don't have

122

00:06:24,920 --> 00:06:22,530

tweet deck go get tweet deck if you're a

123

00:06:26,690 --> 00:06:24,930

new Twitter user and you're here because

124

00:06:28,129 --> 00:06:26,700

you've heard the show and I've got a new

125

00:06:30,500 --> 00:06:28,139

Twitter account well you know all about

126  
00:06:35,540 --> 00:06:30,510  
tweet tech get tweet deck and then just

127  
00:06:37,040 --> 00:06:35,550  
hashtag f2b and say I need some help and

128  
00:06:40,130 --> 00:06:37,050  
then we'll come and help you we'll get

129  
00:06:42,399 --> 00:06:40,140  
you all set up okay and if you look like

130  
00:06:46,809 --> 00:06:42,409  
John every time I mention that John

131  
00:06:49,629 --> 00:06:46,819  
on top of his game he will bust out

132  
00:06:53,169 --> 00:06:49,639  
I'm retweeting that now a picture of his

133  
00:06:54,969 --> 00:06:53,179  
his setup there look at that how big are

134  
00:06:58,689 --> 00:06:54,979  
those monitors and it's funny that's

135  
00:07:00,219 --> 00:06:58,699  
this shirt that I'm wearing now is well

136  
00:07:02,889 --> 00:07:00,229  
that's the shirt that I'm wearing so we

137  
00:07:03,669 --> 00:07:02,899  
obviously just took this picture it's

138  
00:07:05,769 --> 00:07:03,679

pretty cool

139

00:07:07,389 --> 00:07:05,779

there's his tweet deck set up see that

140

00:07:09,999 --> 00:07:07,399

doesn't look like Twitter doesn't 1 2 3

141

00:07:12,790 --> 00:07:10,009

4 5 6 columns of conversation going out

142

00:07:16,419 --> 00:07:12,800

at the same time pretty cool setup so

143

00:07:21,449 --> 00:07:16,429

there you go that's John's current setup

144

00:07:27,459 --> 00:07:21,459

in real time all right 10 inches I have

145

00:07:30,669 --> 00:07:27,469

wonder ground this I don't know what

146

00:07:32,350 --> 00:07:30,679

that means but it's cool Roger and so

147

00:07:35,469 --> 00:07:32,360

I'm watching Twitter already clicked by

148

00:07:36,569 --> 00:07:35,479

27 inch monitors really this is what

149

00:07:40,119 --> 00:07:36,579

I'll be doing

150

00:07:44,529 --> 00:07:40,129

I've already been shopping but I'm

151

00:07:47,319 --> 00:07:44,539

getting curved monitors okay so I'm

152

00:07:49,089 --> 00:07:47,329

going to get rid of these and so what I

153

00:07:52,119 --> 00:07:49,099

have here in front of me these three

154

00:07:54,429 --> 00:07:52,129

monstrosities are gonna be replaced with

155

00:07:56,019 --> 00:07:54,439

three curved monitors and I'm hoping

156

00:07:57,639 --> 00:07:56,029

that with the monitor bar and everything

157

00:08:00,850 --> 00:07:57,649

that I've got set up that'll be this

158

00:08:04,059 --> 00:08:00,860

really cool round semicircular thing

159

00:08:06,040 --> 00:08:04,069

yeah I don't have to do it but I want to

160

00:08:08,649 --> 00:08:06,050

do it yeah so I'm gonna have the curved

161

00:08:10,600 --> 00:08:08,659

monitor set up I can't get rid of the

162

00:08:13,509 --> 00:08:10,610

laptops because each one of these

163

00:08:15,040 --> 00:08:13,519

laptops and there's three here there

164

00:08:18,579 --> 00:08:15,050

it's three different computers I do

165

00:08:21,419 --> 00:08:18,589

three different things and that would

166

00:08:24,909 --> 00:08:21,429

mean three more curved monitors with

167

00:08:26,409 --> 00:08:24,919

computer hi man so I can't do it I've

168

00:08:28,719 --> 00:08:26,419

got to stick with these I don't know

169

00:08:30,850 --> 00:08:28,729

what we're gonna do but anyway yeah I'm

170

00:08:32,709 --> 00:08:30,860

gonna go three curved I'm gonna go three

171

00:08:34,629 --> 00:08:32,719

curved next week or the week after as

172

00:08:37,209 --> 00:08:34,639

soon as I can figure that out

173

00:08:38,949 --> 00:08:37,219

where am I where am I it's fader night

174

00:08:40,839 --> 00:08:38,959

everybody we're gonna do fader night

175

00:08:42,189 --> 00:08:40,849

tonight not tomorrow night tomorrow

176

00:08:44,879 --> 00:08:42,199

night Yvonne Smith and Jon Rappoport

177

00:08:47,530 --> 00:08:44,889

tonight it's not Jon Rappoport and not

178

00:08:51,500 --> 00:08:47,540

Yvonne Smith it's going to be open lines

179

00:08:54,050 --> 00:08:51,510

at the bottom of the hour okay now

180

00:08:57,410 --> 00:08:54,060

where am I big-big breaking news so

181

00:08:59,870 --> 00:08:57,420

before I get to all of this what went

182

00:09:01,700 --> 00:08:59,880

down today on this planet which was

183

00:09:03,050 --> 00:09:01,710

absolutely crazy I started talking about

184

00:09:05,480 --> 00:09:03,060

this last night and of course I'm

185

00:09:08,030 --> 00:09:05,490

talking about Zuckerberg he surfaced

186

00:09:10,940 --> 00:09:08,040

today we're gonna talk about that in his

187

00:09:12,530 --> 00:09:10,950

comments and what that means I've got

188

00:09:15,520 --> 00:09:12,540

his full statement here I'm gonna get to

189

00:09:18,110 --> 00:09:15,530

that in just a second you can also email

190

00:09:19,820 --> 00:09:18,120

throughout the show Jimmy at Jimmy

191

00:09:21,650 --> 00:09:19,830

Church radio calm last night I was

192

00:09:24,080 --> 00:09:21,660

talking about Facebook's most valuable

193

00:09:26,420 --> 00:09:24,090

asset is what it knows about you right

194

00:09:28,460 --> 00:09:26,430

that's what I and it's a very important

195

00:09:30,440 --> 00:09:28,470

point to make here that it sells that

196

00:09:32,990 --> 00:09:30,450

data it sells that data to companies and

197

00:09:35,150 --> 00:09:33,000

advertisers and pretty much anybody

198

00:09:38,960 --> 00:09:35,160

that's gonna pay for it and listening to

199

00:09:42,320 --> 00:09:38,970

Zuckerberg is response to that today was

200

00:09:46,780 --> 00:09:42,330

pretty telling and I cannot stress

201  
00:09:49,460 --> 00:09:46,790  
enough the issues with different social

202  
00:09:52,670 --> 00:09:49,470  
platforms out there which goes from

203  
00:09:54,800 --> 00:09:52,680  
everything from Facebook all the way

204  
00:09:56,690 --> 00:09:54,810  
over to Twitter and YouTube and and

205  
00:10:00,200 --> 00:09:56,700  
everything in between there's issues

206  
00:10:03,320 --> 00:10:00,210  
with them individually on stellar is not

207  
00:10:05,710 --> 00:10:03,330  
gonna have these issues and I've got to

208  
00:10:09,620 --> 00:10:05,720  
tell you this whole data thing and

209  
00:10:12,650 --> 00:10:09,630  
advertisers and and you know I'm just

210  
00:10:15,890 --> 00:10:12,660  
not so sure you know what Facebook

211  
00:10:17,930 --> 00:10:15,900  
started off to be which was putting your

212  
00:10:20,870 --> 00:10:17,940  
personal data out there your life and

213  
00:10:22,730 --> 00:10:20,880

your family and your photos and friends

214

00:10:24,620 --> 00:10:22,740

and and everything about you putting it

215

00:10:28,060 --> 00:10:24,630

out there in public those all seem so

216

00:10:32,720 --> 00:10:28,070

cool and innocent but I don't know in

217

00:10:35,210 --> 00:10:32,730

2004 and then of course 2006 2007 when

218

00:10:38,480 --> 00:10:35,220

the platform launched this is only 2018

219

00:10:43,490 --> 00:10:38,490

that they would grow to two billion

220

00:10:47,690 --> 00:10:43,500

users in you know 10 11 12 short years

221

00:10:51,140 --> 00:10:47,700

and what that ultimately involves in the

222

00:10:54,680 --> 00:10:51,150

end which is an awful lot of data on

223

00:11:00,170 --> 00:10:54,690

just about every other person on the

224

00:11:02,480 --> 00:11:00,180

planet that's crazy that's crazy and so

225

00:11:04,730 --> 00:11:02,490

once you get that kind of pull in that

226

00:11:05,290 --> 00:11:04,740

kind of influence everybody is involved

227

00:11:08,199 --> 00:11:05,300

I don't care

228

00:11:10,720 --> 00:11:08,209

it's a government agency different large

229

00:11:15,389 --> 00:11:10,730

corporations out there whether it's it's

230

00:11:19,389 --> 00:11:15,399

cars or alcohol or food entertainment

231

00:11:22,600 --> 00:11:19,399

whatever it is they want your influence

232

00:11:25,750 --> 00:11:22,610

and they want your data and they want to

233

00:11:29,079 --> 00:11:25,760

be able to sell ads back effectively to

234

00:11:31,660 --> 00:11:29,089

the right people right okay so that's an

235

00:11:33,880 --> 00:11:31,670

obvious thing but they come at you they

236

00:11:35,949 --> 00:11:33,890

come at you big with advertising dollars

237

00:11:38,889 --> 00:11:35,959

and then they want to buy the data so

238

00:11:41,560 --> 00:11:38,899

you get to double dip you sell them the

239

00:11:45,550 --> 00:11:41,570

data and then you sell them the ads

240

00:11:48,130 --> 00:11:45,560

you're double dipping it's an incredible

241

00:11:51,100 --> 00:11:48,140

business model and then you have the

242

00:11:54,040 --> 00:11:51,110

other part the psychological profiling

243

00:11:56,590 --> 00:11:54,050

that goes on and they got busted so

244

00:11:58,060 --> 00:11:56,600

we're going to talk about that tonight

245

00:12:00,340 --> 00:11:58,070

and I can't wait to take your phone

246

00:12:03,579 --> 00:12:00,350

calls but now we have on stellar right

247

00:12:07,210 --> 00:12:03,589

and the perfect situation it's the

248

00:12:09,460 --> 00:12:07,220

perfect situation on stellar which we

249

00:12:12,880 --> 00:12:09,470

already knew this platform was built to

250

00:12:15,540 --> 00:12:12,890

be on the blockchain open source bill

251  
00:12:18,730 --> 00:12:15,550  
for the community monetized correctly

252  
00:12:23,790 --> 00:12:18,740  
built on the blockchain our own token

253  
00:12:26,579 --> 00:12:23,800  
and our our supernatural knowledge

254  
00:12:28,900 --> 00:12:26,589  
community which is you know it could be

255  
00:12:31,360 --> 00:12:28,910  
hundreds of millions of people right

256  
00:12:32,650 --> 00:12:31,370  
pulling all of us together because we

257  
00:12:34,600 --> 00:12:32,660  
care about each other on to this

258  
00:12:36,760 --> 00:12:34,610  
platform that's influential that's great

259  
00:12:39,040 --> 00:12:36,770  
and we will be able to do that and and

260  
00:12:40,360 --> 00:12:39,050  
not have censorship or corporate control

261  
00:12:43,210 --> 00:12:40,370  
or anything like that so think about

262  
00:12:45,460 --> 00:12:43,220  
that right and then of all the things

263  
00:12:48,040 --> 00:12:45,470

that could have happened while this

264

00:12:51,519 --> 00:12:48,050

platform was in development and we

265

00:12:54,040 --> 00:12:51,529

launched it just last week on this show

266

00:12:56,500 --> 00:12:54,050

last Wednesday if you think about this

267

00:12:59,350 --> 00:12:56,510

we announced it last Monday we did the

268

00:13:02,980 --> 00:12:59,360

launch on Wednesday here we are on

269

00:13:04,840 --> 00:13:02,990

Wednesday a week later things have

270

00:13:07,780 --> 00:13:04,850

completely spun out of control our

271

00:13:10,930 --> 00:13:07,790

memberships and registrations it's not

272

00:13:13,389 --> 00:13:10,940

memberships the registrations have gone

273

00:13:17,930 --> 00:13:13,399

through the roof and it's because

274

00:13:21,020 --> 00:13:17,940

Facebook is helping us advertise

275

00:13:23,320 --> 00:13:21,030

YouTube's taking down channels and

276

00:13:27,110 --> 00:13:23,330

copyright is helping us advertise

277

00:13:29,600 --> 00:13:27,120

Twitter shadow banning is helping us

278

00:13:32,900 --> 00:13:29,610

advertise think about that it's like

279

00:13:35,180 --> 00:13:32,910

perfect and now we have it so let them

280

00:13:38,000 --> 00:13:35,190

continue to stumble let them continue to

281

00:13:40,730 --> 00:13:38,010

mess up we have on stellar ready to go

282

00:13:44,080 --> 00:13:40,740

alright it's that simple

283

00:13:48,050 --> 00:13:44,090

we've got a really really cool trailer

284

00:13:49,790 --> 00:13:48,060

now that is up I put it up in Twitter

285

00:13:53,390 --> 00:13:49,800

earlier today so you can go and watch

286

00:13:58,580 --> 00:13:53,400

the trailer it's really fun too you can

287

00:14:01,460 --> 00:13:58,590

see now the the level of talent that we

288

00:14:03,680 --> 00:14:01,470

have here with on stellar is is

289

00:14:04,910 --> 00:14:03,690

tremendous so you get to see that and

290

00:14:05,930 --> 00:14:04,920

witness that in the trailer but the

291

00:14:08,420 --> 00:14:05,940

other thing is when you go to the

292

00:14:11,210 --> 00:14:08,430

website and you look at the names of the

293

00:14:13,340 --> 00:14:11,220

people that we have involved now right

294

00:14:15,920 --> 00:14:13,350

that that are giving their testimonials

295

00:14:19,010 --> 00:14:15,930

that understand you know David Icke and

296

00:14:22,940 --> 00:14:19,020

nori and just just go look at that list

297

00:14:25,130 --> 00:14:22,950

of names it's crazy all right and we're

298

00:14:27,020 --> 00:14:25,140

gonna add a few more we're gonna slow

299

00:14:29,120 --> 00:14:27,030

down on that part of it because we've

300

00:14:32,030 --> 00:14:29,130

got to go into testing page here a

301  
00:14:34,790 --> 00:14:32,040  
testing phase in a couple of weeks so

302  
00:14:36,410 --> 00:14:34,800  
there you go all right it's gonna have

303  
00:14:39,710 --> 00:14:36,420  
internal token economy it's ready to go

304  
00:14:43,220 --> 00:14:39,720  
just go to on stellar dot-com register

305  
00:14:46,070 --> 00:14:43,230  
use the promo code Jimmy and and reserve

306  
00:14:50,150 --> 00:14:46,080  
your screen name the platform and I've

307  
00:14:52,280 --> 00:14:50,160  
said this so many times we've gone back

308  
00:14:57,050 --> 00:14:52,290  
and we're all of us that are involved

309  
00:14:59,120 --> 00:14:57,060  
over at on stellar the the best of we

310  
00:15:01,550 --> 00:14:59,130  
were all involved with AOL right we were

311  
00:15:04,130 --> 00:15:01,560  
all involved with with Facebook and

312  
00:15:07,760 --> 00:15:04,140  
social media it's what we do today and

313  
00:15:09,500 --> 00:15:07,770

so all of us you know you take the best

314

00:15:11,480 --> 00:15:09,510

of each one of these what makes all of

315

00:15:13,520 --> 00:15:11,490

these cool and what makes them great

316

00:15:15,500 --> 00:15:13,530

well let's get that all into one

317

00:15:22,250 --> 00:15:15,510

platform that's one but what what we

318

00:15:27,470 --> 00:15:22,260

don't want is just unwanted advertising

319

00:15:29,120 --> 00:15:27,480

and fake news and outside influences you

320

00:15:30,069 --> 00:15:29,130

know there's going to be no Russian

321

00:15:32,859 --> 00:15:30,079

collusion

322

00:15:35,400 --> 00:15:32,869

the site there's gonna be no outside

323

00:15:37,989 --> 00:15:35,410

influences gonna be nothing like that

324

00:15:44,229 --> 00:15:37,999

it's just absolutely gonna be amazing

325

00:15:48,489 --> 00:15:44,239

now Rita could you post a post up I'll

326

00:15:52,059 --> 00:15:48,499

retweet it I can't post on Twitter get

327

00:15:55,299 --> 00:15:52,069

our on stellar youtube link up for the

328

00:15:57,220 --> 00:15:55,309

new video and it's really cool I want

329

00:15:58,150 --> 00:15:57,230

everybody to see it in comment and we'll

330

00:16:00,579 --> 00:15:58,160

do that right now

331

00:16:04,720 --> 00:16:00,589

okay so I'm still learning our promo

332

00:16:06,309 --> 00:16:04,730

code Jimmy the next events that are

333

00:16:08,019 --> 00:16:06,319

going out right now it's the East City

334

00:16:11,889 --> 00:16:08,029

Roadshow it's going up the west coast

335

00:16:13,689 --> 00:16:11,899

here in the United States and that

336

00:16:16,720 --> 00:16:13,699

schedule you want to go hang out with

337

00:16:18,369 --> 00:16:16,730

Ashley and and check out the e City Road

338

00:16:19,269 --> 00:16:18,379

show click on the banners over at Jimmy

339

00:16:21,100 --> 00:16:19,279

Church radio.com

340

00:16:23,139 --> 00:16:21,110

our next event is gonna be June 1st

341

00:16:25,539 --> 00:16:23,149

through the for 2018 contact in the

342

00:16:28,389 --> 00:16:25,549

desert Indian Wells Palm Springs

343

00:16:31,359 --> 00:16:28,399

California at the Renaissance Resort and

344

00:16:33,749 --> 00:16:31,369

Spa tickets and info right now over at

345

00:16:36,960 --> 00:16:33,759

Jimmy Jordy accom click on that banner

346

00:16:40,119 --> 00:16:36,970

alright it looks like John got it up

347

00:16:42,100 --> 00:16:40,129

first alright let me retweet can I

348

00:16:44,109 --> 00:16:42,110

retweet that is it gonna let me do it

349

00:16:48,340 --> 00:16:44,119

is that my original tweet I don't even

350

00:16:50,829 --> 00:16:48,350

know but there it is and I'm gonna pop

351  
00:16:52,449 --> 00:16:50,839  
that up there for everybody yeah there

352  
00:16:54,280 --> 00:16:52,459  
it is you can watch the video it's

353  
00:16:58,350 --> 00:16:54,290  
pretty good it's pretty good it's pretty

354  
00:17:01,470 --> 00:16:58,360  
good video it's pretty well done okay

355  
00:17:04,329 --> 00:17:01,480  
don't forget to subscribe to our podcast

356  
00:17:05,679 --> 00:17:04,339  
800 archive shows two dollars a month

357  
00:17:08,110 --> 00:17:05,689  
click on the balance of Jimmy trips

358  
00:17:10,059 --> 00:17:08,120  
radio calm and don't forget our soul

359  
00:17:13,360 --> 00:17:10,069  
tech gathering up at East Eddie ranch

360  
00:17:15,569 --> 00:17:13,370  
this August 9th through the 12th let's

361  
00:17:17,649 --> 00:17:15,579  
go to the soul tea gathering calm and

362  
00:17:19,480 --> 00:17:17,659  
the banners are at Jimmy Church

363  
00:17:21,819 --> 00:17:19,490

radio.com are only selling 300 tickets

364

00:17:24,429 --> 00:17:21,829

for this so think about that for a

365

00:17:28,329 --> 00:17:24,439

second 300 fader knots up at ease Eddy

366

00:17:30,220 --> 00:17:28,339

ranch and that that's all I have to say

367

00:17:33,430 --> 00:17:30,230

just think about that for a second

368

00:17:35,590 --> 00:17:33,440

it's gonna be amazing and that's where

369

00:17:37,629 --> 00:17:35,600

I'm gonna go for now don't forget about

370

00:17:40,180 --> 00:17:37,639

all of our sponsors live chains tea kept

371

00:17:43,360 --> 00:17:40,190

the tea calm River moon coffee new

372

00:17:46,750 --> 00:17:43,370

pharma ancient life oil sacred skulls

373

00:17:49,150 --> 00:17:46,760

manna food storage and bearing optics

374

00:17:54,460 --> 00:17:49,160

all right that's a weird picture where

375

00:17:57,670 --> 00:17:54,470

did you get that one from oh really oh

376

00:18:00,370 --> 00:17:57,680

that's from your iPhone that's what I

377

00:18:02,640 --> 00:18:00,380

look like on the iPhone I'm gonna

378

00:18:05,530 --> 00:18:02,650

retweet that just because it's hideous

379

00:18:07,720 --> 00:18:05,540

yeah man I'm stressed out is that what I

380

00:18:11,830 --> 00:18:07,730

look like do I look that stressed out

381

00:18:16,990 --> 00:18:11,840

cuz I'm not I'm in a great mood

382

00:18:21,100 --> 00:18:17,000

that's crazy all right happy birthday to

383

00:18:23,410 --> 00:18:21,110

today Gary Oldman is 60 great film The

384

00:18:29,110 --> 00:18:23,420

Fifth Element The Misfits frontman

385

00:18:34,690 --> 00:18:29,120

Michael Graves is 43 and some 41

386

00:18:37,919 --> 00:18:34,700

frontman deryck whibley is 38 and rumor

387

00:18:41,620 --> 00:18:37,929

has it that he's writing a book on UFOs

388

00:18:42,940 --> 00:18:41,630

it's gonna start something called - the

389

00:18:44,799 --> 00:18:42,950

galaxy Academy

390

00:18:47,890 --> 00:18:44,809

there's rumors I'm just saying there's

391

00:18:51,610 --> 00:18:47,900

rumors out there right now about Derek

392

00:18:56,500 --> 00:18:51,620

and some forty-one are on this day in

393

00:19:01,600 --> 00:18:56,510

history OTD 1963 Alcatraz closes its

394

00:19:03,310 --> 00:19:01,610

doors fader fact now hmm I love it when

395

00:19:04,740 --> 00:19:03,320

I've got a good fader fact well we have

396

00:19:05,980 --> 00:19:04,750

a good fader back to every single day

397

00:19:09,450 --> 00:19:05,990

all right

398

00:19:16,500 --> 00:19:09,460

but check this one out Kellogg's

399

00:19:21,780 --> 00:19:16,510

all-bran cereal Kellogg's all-bran

400

00:19:29,049 --> 00:19:21,790

cereal is only wait for it

401  
00:19:32,530 --> 00:19:29,059  
87% bran you can use it tomorrow with

402  
00:19:34,480 --> 00:19:32,540  
your friends and your family you walk in

403  
00:19:35,919 --> 00:19:34,490  
they've got Kellogg's all-bran cereal

404  
00:19:38,680 --> 00:19:35,929  
they've got a box sitting right there

405  
00:19:41,890 --> 00:19:38,690  
you can say you know what that ain't all

406  
00:19:46,390 --> 00:19:41,900  
brand that's 13% of something else and

407  
00:19:48,070 --> 00:19:46,400  
that is a fader fact all right tonight

408  
00:19:49,390 --> 00:19:48,080  
is our fate or night not tomorrow night

409  
00:19:50,860 --> 00:19:49,400  
tomorrow night Yvonne Smith

410  
00:19:52,870 --> 00:19:50,870  
tonight we're not gonna have Jon

411  
00:19:54,280 --> 00:19:52,880  
Rappoport tomorrow John my boards gonna

412  
00:19:56,590 --> 00:19:54,290  
be where there's no more fake newsroom

413  
00:19:57,160 --> 00:19:56,600

live followed by Yvonne Smith so that's

414

00:19:59,320 --> 00:19:57,170

tomorrow night

415

00:20:01,720 --> 00:19:59,330

right today I said last night that Mark

416

00:20:04,890 --> 00:20:01,730

Zuckerberg was missing for the last five

417

00:20:07,720 --> 00:20:04,900

days as the stock in his company

418

00:20:10,240 --> 00:20:07,730

plummeted as of last night I didn't

419

00:20:11,950 --> 00:20:10,250

follow today fifty billion dollars he

420

00:20:14,710 --> 00:20:11,960

lost ten billion dollars in net worth

421

00:20:19,300 --> 00:20:14,720

and I guess that was enough for him to

422

00:20:21,310 --> 00:20:19,310

finally step up and start talking so

423

00:20:26,820 --> 00:20:21,320

today he did a release and he did the

424

00:20:29,650 --> 00:20:26,830

release at 12:30 p.m. Pacific time today

425

00:20:33,790 --> 00:20:29,660

immediately afterwards I posted it and

426  
00:20:37,420 --> 00:20:33,800  
by the way so I shared Mark Zuckerberg

427  
00:20:41,770 --> 00:20:37,430  
post right and normally when I post

428  
00:20:44,320 --> 00:20:41,780  
something like this I would get probably

429  
00:20:46,990 --> 00:20:44,330  
in the neighborhood of two or three

430  
00:20:49,270 --> 00:20:47,000  
hundred likes right and it's just

431  
00:20:51,940 --> 00:20:49,280  
massive distribution and get out there

432  
00:20:55,840 --> 00:20:51,950  
check this out it's been posted now

433  
00:21:01,810 --> 00:20:55,850  
since five hours been posted for five

434  
00:21:04,450 --> 00:21:01,820  
hours or six hours nineteen likes yep

435  
00:21:06,900 --> 00:21:04,460  
there you go Facebook choked this right

436  
00:21:10,090 --> 00:21:06,910  
down I've got five thousand friends

437  
00:21:14,380 --> 00:21:10,100  
nineteen likes on this with seven shares

438  
00:21:18,970 --> 00:21:14,390

and that's that's the obvious thing

439

00:21:21,490 --> 00:21:18,980

right there Facebook so there you go

440

00:21:24,520 --> 00:21:21,500

they're censoring their own stuff he

441

00:21:26,770 --> 00:21:24,530

posted you would have thought that they

442

00:21:28,780 --> 00:21:26,780

would have gotten this out there but no

443

00:21:31,900 --> 00:21:28,790

no no they clamped this thing down

444

00:21:34,510 --> 00:21:31,910

nineteen likes out of 5,000 friends do

445

00:21:36,790 --> 00:21:34,520

you buy those numbers so he did this

446

00:21:39,880 --> 00:21:36,800

post today out of Menlo Park California

447

00:21:45,640 --> 00:21:39,890

and I'm going to read it in its entirety

448

00:21:46,990 --> 00:21:45,650

it's long he says and I quote I want to

449

00:21:49,480 --> 00:21:47,000

share an update on the Cambridge

450

00:21:51,490 --> 00:21:49,490

analytical situation including the steps

451  
00:21:53,830 --> 00:21:51,500  
we've already taken and our next steps

452  
00:21:56,170 --> 00:21:53,840  
to address this important issue we have

453  
00:21:59,080 --> 00:21:56,180  
a responsibility to protect your data

454  
00:22:01,330 --> 00:21:59,090  
and if we can't then we don't deserve to

455  
00:22:02,980 --> 00:22:01,340  
serve you I've been working to

456  
00:22:04,150 --> 00:22:02,990  
understand exactly what happened and how

457  
00:22:06,790 --> 00:22:04,160  
to make sure that this doesn't happen

458  
00:22:08,290 --> 00:22:06,800  
again the good news is that most of the

459  
00:22:10,460 --> 00:22:08,300  
important actions to prevent this from

460  
00:22:13,340 --> 00:22:10,470  
happening again today have

461  
00:22:15,919 --> 00:22:13,350  
already been taken years ago but we also

462  
00:22:19,370 --> 00:22:15,929  
made mistakes there's more to do and we

463  
00:22:22,130 --> 00:22:19,380

need to do and step up and do it here's

464

00:22:24,500 --> 00:22:22,140

a timeline of the events in 2007 we

465

00:22:26,830 --> 00:22:24,510

launched the Facebook platform with the

466

00:22:29,779 --> 00:22:26,840

vision that more apps should be social

467

00:22:31,640 --> 00:22:29,789

your calendar should be able to show

468

00:22:33,440 --> 00:22:31,650

your friends birthdays your maps should

469

00:22:36,110 --> 00:22:33,450

show what you where your friends live

470

00:22:38,270 --> 00:22:36,120

and your address books should show their

471

00:22:40,880 --> 00:22:38,280

pictures to do this we enabled people to

472

00:22:42,980 --> 00:22:40,890

log into apps and to share their friends

473

00:22:45,490 --> 00:22:42,990

and show their friends who they were and

474

00:22:48,620 --> 00:22:45,500

some of the information about them in

475

00:22:51,380 --> 00:22:48,630

2013 a Cambridge University researcher

476

00:22:54,890 --> 00:22:51,390

named Alexander Cogan created a

477

00:22:57,500 --> 00:22:54,900

personality quiz app it was installed by

478

00:22:59,120 --> 00:22:57,510

around 300,000 people who shared their

479

00:23:02,510 --> 00:22:59,130

data as well as some of their friends

480

00:23:04,549 --> 00:23:02,520

data giving the way our platform worked

481

00:23:06,560 --> 00:23:04,559

at the time this meant the Kogan was

482

00:23:11,210 --> 00:23:06,570

able to access tens of millions of their

483

00:23:13,430 --> 00:23:11,220

friends data in 2014 to prevent abusive

484

00:23:15,680 --> 00:23:13,440

apps we announced that we were changing

485

00:23:18,200 --> 00:23:15,690

the entire platform to dramatically

486

00:23:20,570 --> 00:23:18,210

limit the data apps could access most

487

00:23:22,760 --> 00:23:20,580

importantly apps like Cogan's could no

488

00:23:24,919 --> 00:23:22,770

longer ask for data about a person's

489

00:23:27,620 --> 00:23:24,929

friends list unless their friends also

490

00:23:29,570 --> 00:23:27,630

authorized the app we also require

491

00:23:31,669 --> 00:23:29,580

developers to get approval from us

492

00:23:33,799 --> 00:23:31,679

before they could request any sensitive

493

00:23:36,529 --> 00:23:33,809

data from people these actions will

494

00:23:39,880 --> 00:23:36,539

prevent any app like Cogan's for being

495

00:23:42,799 --> 00:23:39,890

able to access so much data today in

496

00:23:44,659 --> 00:23:42,809

2015 we learned from journalists at The

497

00:23:47,330 --> 00:23:44,669

Guardian that Cogan had shared the data

498

00:23:49,669 --> 00:23:47,340

from his app with Cambridge analytic a

499

00:23:51,140 --> 00:23:49,679

it is against our policies for

500

00:23:53,120 --> 00:23:51,150

developers to share data without

501  
00:23:56,480 --> 00:23:53,130  
people's consent so we immediately

502  
00:23:58,039 --> 00:23:56,490  
banned Cogan's app from our platform and

503  
00:24:00,860 --> 00:23:58,049  
demanded that Kogan and Cambridge

504  
00:24:03,020 --> 00:24:00,870  
analytic a formally certified that they

505  
00:24:05,810 --> 00:24:03,030  
had deleted all and properly acquired

506  
00:24:08,450 --> 00:24:05,820  
data they provided these certifications

507  
00:24:10,909 --> 00:24:08,460  
last week we learned from the Guardian

508  
00:24:13,190 --> 00:24:10,919  
that the New York's chimes in Channel

509  
00:24:15,860 --> 00:24:13,200  
four that Cambridge analytic

510  
00:24:18,409 --> 00:24:15,870  
may not have deleted the data as they

511  
00:24:20,600 --> 00:24:18,419  
had certified we immediately banned them

512  
00:24:21,020 --> 00:24:20,610  
from using any of our services Cambridge

513  
00:24:22,910 --> 00:24:21,030

and

514

00:24:25,430 --> 00:24:22,920

claims that they have already deleted

515

00:24:27,890 --> 00:24:25,440

the data and has agreed to a forensic

516

00:24:29,960 --> 00:24:27,900

audit by a firm we hired to confirm this

517

00:24:33,230 --> 00:24:29,970

we're also working with regulators as

518

00:24:34,880 --> 00:24:33,240

they investigate what happened this was

519

00:24:37,280 --> 00:24:34,890

a breach of trust between Cogan

520

00:24:38,540 --> 00:24:37,290

Cambridge analytic and Facebook but it

521

00:24:40,220 --> 00:24:38,550

was also a breach of trust between

522

00:24:42,590 --> 00:24:40,230

Facebook and the people who share their

523

00:24:45,830 --> 00:24:42,600

data with us and expect us to protect it

524

00:24:47,480 --> 00:24:45,840

we need to fix that in this case we

525

00:24:49,790 --> 00:24:47,490

already took the most important steps a

526  
00:24:51,440 --> 00:24:49,800  
few years ago in 2014 to prevent bad

527  
00:24:53,900 --> 00:24:51,450  
actors from accessing people's

528  
00:24:56,510 --> 00:24:53,910  
information in this way but there needs

529  
00:25:00,620 --> 00:24:56,520  
to be more we need to do and I'll

530  
00:25:02,750 --> 00:25:00,630  
outline those steps here first we will

531  
00:25:04,520 --> 00:25:02,760  
investigate all apps that had access to

532  
00:25:07,040 --> 00:25:04,530  
large amounts of information before we

533  
00:25:10,190 --> 00:25:07,050  
changed our platform to dramatically

534  
00:25:12,620 --> 00:25:10,200  
reduce data access in 2014 and we will

535  
00:25:15,410 --> 00:25:12,630  
conduct a full audit of any app with

536  
00:25:17,570 --> 00:25:15,420  
suspicious activity we will ban any

537  
00:25:20,840 --> 00:25:17,580  
developer from our platform that does

538  
00:25:22,420 --> 00:25:20,850

not agree to a thorough audit and if we

539

00:25:25,820 --> 00:25:22,430

find developers that have misused

540

00:25:28,100 --> 00:25:25,830

personally identifiable information we

541

00:25:30,680 --> 00:25:28,110

will ban them and tell everyone affected

542

00:25:34,340 --> 00:25:30,690

by those apps that includes people whose

543

00:25:36,830 --> 00:25:34,350

data Kogan misused here as well second

544

00:25:38,840 --> 00:25:36,840

we will restrict a developer's data

545

00:25:41,180 --> 00:25:38,850

access even further to prevent other

546

00:25:43,550 --> 00:25:41,190

kinds of abuse for example we will

547

00:25:45,980 --> 00:25:43,560

remove developers access to your data if

548

00:25:48,530 --> 00:25:45,990

you haven't used their app in three

549

00:25:50,990 --> 00:25:48,540

months we will reduce the data you give

550

00:25:53,840 --> 00:25:51,000

an app when you sign in to only your

551  
00:25:56,300 --> 00:25:53,850  
name or profile photo and email address

552  
00:25:57,890 --> 00:25:56,310  
we will require developers not to not

553  
00:26:00,050 --> 00:25:57,900  
only get approval but also sign a

554  
00:26:02,600 --> 00:26:00,060  
contract in order to ask anyone for

555  
00:26:05,180 --> 00:26:02,610  
access to their post or other private

556  
00:26:08,240 --> 00:26:05,190  
data and we'll have more changes to

557  
00:26:09,890 --> 00:26:08,250  
share in the next few days third we want

558  
00:26:12,170 --> 00:26:09,900  
to make sure that you understand which

559  
00:26:14,420 --> 00:26:12,180  
apps you've allowed to access your data

560  
00:26:16,910 --> 00:26:14,430  
in the next month we will show everyone

561  
00:26:19,220 --> 00:26:16,920  
a tool at the top of your newsfeed with

562  
00:26:21,680 --> 00:26:19,230  
the apps you've used and an easy way to

563  
00:26:24,350 --> 00:26:21,690

revoke those apps permissions to your

564

00:26:26,540 --> 00:26:24,360

data we've already have a tool to do

565

00:26:28,370 --> 00:26:26,550

this in your privacy settings and now we

566

00:26:31,160 --> 00:26:28,380

will put this tool at the top of your

567

00:26:33,230 --> 00:26:31,170

newsfeed to make sure everyone sees it

568

00:26:34,460 --> 00:26:33,240

beyond these steps we've already taken

569

00:26:36,620 --> 00:26:34,470

in 2014

570

00:26:39,320 --> 00:26:36,630

I believe that these are the next steps

571

00:26:40,159 --> 00:26:39,330

we must take to continue to secure our

572

00:26:42,710 --> 00:26:40,169

platform

573

00:26:44,930 --> 00:26:42,720

I started Facebook and at the end of the

574

00:26:47,210 --> 00:26:44,940

day I am responsible for what happens on

575

00:26:48,740 --> 00:26:47,220

our platform I'm serious about doing

576

00:26:51,740 --> 00:26:48,750

what it takes to protect our community

577

00:26:53,510 --> 00:26:51,750

while this specific issue involving

578

00:26:55,940 --> 00:26:53,520

Cameron's analytic should no longer

579

00:26:58,340 --> 00:26:55,950

happen with new apps today that doesn't

580

00:27:00,529 --> 00:26:58,350

change what happened in the past we will

581

00:27:03,230 --> 00:27:00,539

learn from this experience to secure our

582

00:27:06,020 --> 00:27:03,240

platform further and make our community

583

00:27:07,760 --> 00:27:06,030

safer for everyone going forward I want

584

00:27:10,789 --> 00:27:07,770

to thank all of you for your continued

585

00:27:12,950 --> 00:27:10,799

to believe in our mission and work to

586

00:27:14,480 --> 00:27:12,960

build this community together I know it

587

00:27:17,330 --> 00:27:14,490

takes longer to fix all of these issues

588

00:27:19,669 --> 00:27:17,340

than we'd like but I promise that you'll

589

00:27:25,039 --> 00:27:19,679

work through this and we will build a

590

00:27:28,399 --> 00:27:25,049

better service over the long term all

591

00:27:32,680 --> 00:27:28,409

right more on this after the break

592

00:27:36,320 --> 00:27:32,690

my immediate comment to all of this is

593

00:27:40,669 --> 00:27:36,330

no apology number one number two all of

594

00:27:45,350 --> 00:27:40,679

the fixes that they suggest here should

595

00:27:49,070 --> 00:27:45,360

have already been done and third how

596

00:27:52,640 --> 00:27:49,080

much data do they sell does not address

597

00:27:57,710 --> 00:27:52,650

that he's talking about and putting the

598

00:28:02,149 --> 00:27:57,720

blame on others not on Facebook all of

599

00:28:05,000 --> 00:28:02,159

this is Facebook's fault what what

600

00:28:07,659 --> 00:28:05,010

Cambridge analytic it did with the data

601  
00:28:10,070 --> 00:28:07,669  
afterwards that's on them that's

602  
00:28:12,950 --> 00:28:10,080  
prosecutable they've broken many laws

603  
00:28:14,899 --> 00:28:12,960  
and and there's things that will be

604  
00:28:18,710 --> 00:28:14,909  
pursued there that's a separate issue

605  
00:28:22,810 --> 00:28:18,720  
all together the main issue here is that

606  
00:28:26,750 --> 00:28:22,820  
the data was allowed to get out and

607  
00:28:31,399 --> 00:28:26,760  
foremost they knew about this in 2015

608  
00:28:32,510 --> 00:28:31,409  
and didn't tell anybody they wanted to

609  
00:28:37,220 --> 00:28:32,520  
sweep this under the rug

610  
00:28:40,310 --> 00:28:37,230  
the only reason that it is out today the

611  
00:28:43,669 --> 00:28:40,320  
only reason that Zuckerberg surfaced

612  
00:28:47,690 --> 00:28:43,679  
after five days is because they got

613  
00:28:50,659 --> 00:28:47,700

caught and if they hadn't gotten caught

614

00:28:54,019 --> 00:28:50,669

it would still continue think about that

615

00:28:56,659 --> 00:28:54,029

and that is a fact it's all about

616

00:28:59,120 --> 00:28:56,669

profits man it's all about greed all of

617

00:29:00,789 --> 00:28:59,130

it this is fade to black I am your host

618

00:29:03,230 --> 00:29:00,799

Jimmy church tonight is Fator night

619

00:29:10,990 --> 00:29:03,240

opening up the phone lines when I get

620

00:29:14,090 --> 00:29:11,000

back 3 2 3 2 7 5 9 6 9 5 4 3 2 3 8 2 5 8

621

00:29:17,330 --> 00:29:14,100

0 4 or 5 is that the numbers I don't

622

00:29:21,560 --> 00:29:17,340

even know my own numbers anybody know my

623

00:29:24,649 --> 00:29:21,570

numbers yeah that's it 3 2 3 2 5 5 0 4 5

624

00:29:26,810 --> 00:29:24,659

4 3 2 3 2 7 5 9 6 & 5 fade to black I'm

625

00:29:28,610 --> 00:29:26,820

yours to be Church on the game changer

626  
00:29:29,930 --> 00:29:28,620  
networking k GRE the plan that I'll be

627  
00:29:52,230 --> 00:29:29,940  
right back

628  
00:29:52,240 --> 00:29:58,600  
[Music]

629  
00:30:05,020 --> 00:30:01,640  
you're listening to Jimmy Church fade to

630  
00:30:17,289 --> 00:30:07,970  
fade to black will now pause for aided

631  
00:30:22,850 --> 00:30:20,210  
when you take the beams from Central

632  
00:30:25,280 --> 00:30:22,860  
America with dashes of indonesian and

633  
00:30:28,400 --> 00:30:25,290  
african mixed in and then roasted to the

634  
00:30:31,789 --> 00:30:28,410  
dark side of fade to black you create

635  
00:30:34,460 --> 00:30:31,799  
the ultimate brew of fringe introducing

636  
00:30:37,669 --> 00:30:34,470  
the fade to black blend from river moon

637  
00:30:40,159 --> 00:30:37,679  
coffee yes River moons darkest

638  
00:30:42,230 --> 00:30:40,169

customized roast was created for the

639

00:30:45,230 --> 00:30:42,240

love of fade to black

640

00:30:47,900 --> 00:30:45,240

the alchemy of masterful roasting and

641

00:30:51,470 --> 00:30:47,910

smoking the beans is in every sip of

642

00:30:54,470 --> 00:30:51,480

this full-bodied dark Java I need my

643

00:30:56,780 --> 00:30:54,480

coffee dog deep with distinct

644

00:30:59,510 --> 00:30:56,790

bittersweet chocolate highlights just

645

00:31:01,940 --> 00:30:59,520

like the bunker leaning further into the

646

00:31:05,240 --> 00:31:01,950

darkness of the roast is fade to black

647

00:31:06,890 --> 00:31:05,250

blend from river moon coffee just click

648

00:31:10,190 --> 00:31:06,900

on the banner at Jimmy Church radio.com

649

00:31:15,640 --> 00:31:10,200

and use the promo code F to B blend for

650

00:31:18,289 --> 00:31:15,650

15% off of your order today gobekli tepe

651  
00:31:20,120 --> 00:31:18,299  
natural health solutions with Chris and

652  
00:31:20,750 --> 00:31:20,130  
Robbie hey Ronnie how you doing great

653  
00:31:23,659 --> 00:31:20,760  
Chris

654  
00:31:26,360 --> 00:31:23,669  
now you're the CEO of get the t-dot-com

655  
00:31:28,669 --> 00:31:26,370  
right yes I am what is get the t.com I

656  
00:31:31,280 --> 00:31:28,679  
mean is this tea you buy in a store well

657  
00:31:33,919 --> 00:31:31,290  
no it's not I've changed teas just that

658  
00:31:36,169 --> 00:31:33,929  
life changing life change tea is an

659  
00:31:38,390 --> 00:31:36,179  
herbal tea that gently cleanses your

660  
00:31:39,020 --> 00:31:38,400  
body from intruders what do you mean by

661  
00:31:44,570 --> 00:31:39,030  
intruders

662  
00:31:46,280 --> 00:31:44,580  
heavy metals and more there are food in

663  
00:31:49,520 --> 00:31:46,290

our water in our air we breathe

664

00:31:51,740 --> 00:31:49,530

seriously yeah seriously and life

665

00:31:54,470 --> 00:31:51,750

changed tea will help you with removing

666

00:31:56,120 --> 00:31:54,480

these as you say intruders s right Chris

667

00:31:58,190 --> 00:31:56,130

are there side effects with this tea

668

00:32:00,260 --> 00:31:58,200

well you might lose a little weight when

669

00:32:02,539 --> 00:32:00,270

you clean your colon you lose weight you

670

00:32:04,730 --> 00:32:02,549

feel better and you have more energy Wow

671

00:32:06,049 --> 00:32:04,740

Ronnie where can people purchase life

672

00:32:09,230 --> 00:32:06,059

change tea oh that's easy

673

00:32:11,780 --> 00:32:09,240

get the t.com that's get the tea

674

00:32:12,560 --> 00:32:11,790

a calm Ronnie I want to thank you for

675

00:32:15,800 --> 00:32:12,570

being on the show

676  
00:32:21,830 --> 00:32:15,810  
people don't forget get the T te a.com

677  
00:32:23,030 --> 00:32:21,840  
nine out of ten geneticists agreed fade

678  
00:32:28,400 --> 00:32:23,040  
to black

679  
00:32:32,060 --> 00:32:28,410  
is not your father's radio show on the

680  
00:32:39,140 --> 00:32:32,070  
game changer radio network and k GRA

681  
00:32:40,760 --> 00:32:39,150  
the planet KCRA this summer tickets and

682  
00:32:42,920 --> 00:32:40,770  
hotel accommodations to the biggest

683  
00:32:45,140 --> 00:32:42,930  
conferences autographed books and DVDs

684  
00:32:47,150 --> 00:32:45,150  
chances to win all-inclusive conference

685  
00:32:50,660 --> 00:32:47,160  
cruises and private dinners with your

686  
00:32:53,420 --> 00:32:50,670  
favorite KCRA hosts click the contest to

687  
00:32:56,150 --> 00:32:53,430  
have it k GRA radio.com for your chance

688  
00:32:58,310 --> 00:32:56,160

to win big this summer your contact for

689

00:33:04,730 --> 00:32:58,320

the best alternative talk radio on the

690

00:33:09,149 --> 00:33:07,529

hi this is Rob Reiner from anvil and

691

00:33:14,669 --> 00:33:09,159

you're listening to Jimmy Gorge

692

00:33:32,100 --> 00:33:14,679

radio.com comments and we're listening

693

00:33:36,280 --> 00:33:34,480

all right welcome back fade to black I'm

694

00:33:40,480 --> 00:33:36,290

Neil Jimmy Church hello to everybody out

695

00:33:45,310 --> 00:33:40,490

there on the bunker cam open lines 3 to

696

00:33:47,140 --> 00:33:45,320

3 8 2 5 5 0 4 5 or 3 2 3 2 7 5 9 6 9 5

697

00:33:49,080 --> 00:33:47,150

tonight's Fator night tomorrow night

698

00:33:51,490 --> 00:33:49,090

we're gonna have Jon Rappoport here and

699

00:33:53,730 --> 00:33:51,500

Yvonne Smith that'll be tomorrow night

700

00:33:57,880 --> 00:33:53,740

tonight's open lines all night long and

701  
00:34:02,530 --> 00:33:57,890  
with what is gone down with Facebook I

702  
00:34:06,970 --> 00:34:02,540  
want to hear from you have you taken one

703  
00:34:09,460 --> 00:34:06,980  
of those tests on Facebook did you ever

704  
00:34:12,400 --> 00:34:09,470  
do one of those a psychological profile

705  
00:34:15,220 --> 00:34:12,410  
right think about that are you what's

706  
00:34:19,240 --> 00:34:15,230  
your Rockstar name all of these apps

707  
00:34:23,080 --> 00:34:19,250  
that are running on the platform did you

708  
00:34:25,630 --> 00:34:23,090  
do any of that and that's I want to hear

709  
00:34:30,040 --> 00:34:25,640  
from you I want to also know from all of

710  
00:34:35,170 --> 00:34:30,050  
you all of you on Facebook okay for the

711  
00:34:36,940 --> 00:34:35,180  
out of the this audience right now tens

712  
00:34:38,920 --> 00:34:36,950  
of thousands of people are listening to

713  
00:34:41,500 --> 00:34:38,930

me right now okay

714

00:34:43,900 --> 00:34:41,510

there's probably a handful of you that

715

00:34:46,990 --> 00:34:43,910

are not on Facebook and if you're not on

716

00:34:50,260 --> 00:34:47,000

Facebook I want to hear from you let me

717

00:34:53,020 --> 00:34:50,270

know how that's going but for the rest

718

00:34:56,200 --> 00:34:53,030

of you you're on Facebook and when we

719

00:34:58,360 --> 00:34:56,210

are talking about user data now let's

720

00:35:00,130 --> 00:34:58,370

say let's analyze this thought for a

721

00:35:03,010 --> 00:35:00,140

second I know what you're thinking oh

722

00:35:07,500 --> 00:35:03,020

it's my name it's my email address it's

723

00:35:11,650 --> 00:35:07,510

pictures man of me and my cat yeah

724

00:35:16,450 --> 00:35:11,660

that's the easy stuff it's the other

725

00:35:19,300 --> 00:35:16,460

stuff what you write what you post what

726

00:35:24,280 --> 00:35:19,310

you what you click on where you go what

727

00:35:28,020 --> 00:35:24,290

you do the things that you say there's

728

00:35:31,000 --> 00:35:28,030

analytics and AI and BOTS that study

729

00:35:34,420 --> 00:35:31,010

everything that gets posted and they

730

00:35:38,230 --> 00:35:34,430

develop a psychological profile on you

731

00:35:42,260 --> 00:35:38,240

and and I've heard this said so many

732

00:35:44,600 --> 00:35:42,270

times and I believe it to be true

733

00:35:47,360 --> 00:35:44,610

Facebook knows more about you than you

734

00:35:51,160 --> 00:35:47,370

do then your wife then your husband then

735

00:35:53,630 --> 00:35:51,170

your kids they know the real you and

736

00:35:56,240 --> 00:35:53,640

you've allowed yourself to go and get

737

00:36:00,500 --> 00:35:56,250

exposed in that in that way and and

738

00:36:04,160 --> 00:36:00,510

again that's fine if somebody's not

739

00:36:08,390 --> 00:36:04,170

taking advantage of that when you get to

740

00:36:11,870 --> 00:36:08,400

be a hundred billion two hundred billion

741

00:36:14,300 --> 00:36:11,880

dollar company with two billion users

742

00:36:18,070 --> 00:36:14,310

half of the world's population is on

743

00:36:21,560 --> 00:36:18,080

your platform you are in control and

744

00:36:26,660 --> 00:36:21,570

people will come to you for that

745

00:36:29,180 --> 00:36:26,670

influence it's that simple so you're out

746

00:36:32,360 --> 00:36:29,190

there posting and and you're saying

747

00:36:34,880 --> 00:36:32,370

things and and all of this is running

748

00:36:38,140 --> 00:36:34,890

through analytics and they're developing

749

00:36:42,230 --> 00:36:38,150

a profile on you and trust me there is

750

00:36:46,070 --> 00:36:42,240

right now as we speak there is an

751  
00:36:49,840 --> 00:36:46,080  
electronic profile on every man woman

752  
00:36:54,710 --> 00:36:49,850  
and child right now in the United States

753  
00:36:57,650 --> 00:36:54,720  
every child that is born the next day

754  
00:37:00,950 --> 00:36:57,660  
the data starts getting collected the

755  
00:37:05,090 --> 00:37:00,960  
children out there that's the best data

756  
00:37:08,630 --> 00:37:05,100  
mine ever you want to market to that you

757  
00:37:10,430 --> 00:37:08,640  
want that information steer that person

758  
00:37:13,610 --> 00:37:10,440  
through life and influence them what

759  
00:37:17,630 --> 00:37:13,620  
kind of car they're gonna buy just how

760  
00:37:21,710 --> 00:37:17,640  
all of that every man woman and child

761  
00:37:27,220 --> 00:37:21,720  
there are companies right now in the

762  
00:37:30,050 --> 00:37:27,230  
United States that have data data on

763  
00:37:33,620 --> 00:37:30,060

every man woman and child that they turn

764

00:37:36,020 --> 00:37:33,630

around and sell they collected from

765

00:37:38,750 --> 00:37:36,030

Facebook they collected from everybody

766

00:37:41,990 --> 00:37:38,760

else out there and they continue to add

767

00:37:42,860 --> 00:37:42,000

it to your profile and what they know

768

00:37:44,900 --> 00:37:42,870

about you

769

00:37:46,790 --> 00:37:44,910

what you do what you buy where you live

770

00:37:51,460 --> 00:37:46,800

what you drive what you wear what you

771

00:37:55,410 --> 00:37:51,470

eat what you think religious things

772

00:37:59,730 --> 00:37:55,420

political leanings all of that is

773

00:38:03,569 --> 00:37:59,740

compiled all of it and they sell it it's

774

00:38:07,680 --> 00:38:03,579

and and and if you go back to these

775

00:38:10,400 --> 00:38:07,690

shows that I was talking about this very

776

00:38:15,120 --> 00:38:10,410

information and going to companies like

777

00:38:18,809 --> 00:38:15,130

AT&T and Apple and Google and of course

778

00:38:23,160 --> 00:38:18,819

Facebook the data that they have on you

779

00:38:25,079 --> 00:38:23,170

is incredible and they sell it they sell

780

00:38:28,140 --> 00:38:25,089

it there are companies out there that

781

00:38:33,450 --> 00:38:28,150

professionally their job that every

782

00:38:35,549 --> 00:38:33,460

every every single maternity ward in the

783

00:38:37,559 --> 00:38:35,559

United States everybody that gets born

784

00:38:41,039 --> 00:38:37,569

the kids it's compiled it starts the

785

00:38:41,960 --> 00:38:41,049

next day it's their job that's what they

786

00:38:47,520 --> 00:38:41,970

do

787

00:38:49,440 --> 00:38:47,530

it's a frightening thought we us we want

788

00:38:51,900 --> 00:38:49,450

to back up and go okay man there's

789

00:38:54,559 --> 00:38:51,910

nothing there's no privacy anymore well

790

00:38:57,930 --> 00:38:54,569

yeah you gave up a lot of that

791

00:39:01,109 --> 00:38:57,940

innocently enough you post your pictures

792

00:39:03,150 --> 00:39:01,119

on Facebook fine birthday party I do it

793

00:39:07,620 --> 00:39:03,160

every cookout we have over at the house

794

00:39:11,910 --> 00:39:07,630

I'm posting pictures of of kebab all

795

00:39:14,099 --> 00:39:11,920

right I do that and it's fun and I'm

796

00:39:16,920 --> 00:39:14,109

here a family celebration I'm here at a

797

00:39:18,900 --> 00:39:16,930

restaurant I'm here at a conference and

798

00:39:22,799 --> 00:39:18,910

I'm here with friends and I post that

799

00:39:26,280 --> 00:39:22,809

that's one thing what I don't do and I

800

00:39:30,150 --> 00:39:26,290

have always avoided it and and I've

801  
00:39:33,270 --> 00:39:30,160  
slipped a few times over the years a few

802  
00:39:34,980 --> 00:39:33,280  
times posted something political I don't

803  
00:39:36,450 --> 00:39:34,990  
really do it I really don't have any

804  
00:39:40,680 --> 00:39:36,460  
political leanings I don't trust

805  
00:39:43,020 --> 00:39:40,690  
anything in politics or religion so I

806  
00:39:46,010 --> 00:39:43,030  
don't I don't post that kind of stuff so

807  
00:39:49,650 --> 00:39:46,020  
they certainly have a profile on my

808  
00:39:50,940 --> 00:39:49,660  
dietary preferences they've got a good

809  
00:39:55,410 --> 00:39:50,950  
strong profile

810  
00:40:00,059 --> 00:39:55,420  
Jimmy Church about that but I don't do

811  
00:40:02,670 --> 00:40:00,069  
it others by huge amounts and we're

812  
00:40:05,309 --> 00:40:02,680  
talking about a billion and a half

813  
00:40:08,980 --> 00:40:05,319

people of throw everything out there

814

00:40:12,370 --> 00:40:08,990

about their life and that is compiled

815

00:40:17,440 --> 00:40:12,380

so let's go back to what the slip-up was

816

00:40:19,089 --> 00:40:17,450

with Facebook the slip-up and I just

817

00:40:21,280 --> 00:40:19,099

hated one they didn't tell anybody they

818

00:40:23,079 --> 00:40:21,290

didn't inform anybody out of the

819

00:40:25,359 --> 00:40:23,089

original three hundred and seventy

820

00:40:26,829 --> 00:40:25,369

thousand Zuckerberg says three hundred

821

00:40:29,050 --> 00:40:26,839

thousand I believe that the numbers

822

00:40:30,460 --> 00:40:29,060

three hundred and seventy thousand so

823

00:40:31,599 --> 00:40:30,470

he's a little misleading they're trying

824

00:40:32,980 --> 00:40:31,609

to make it sound like it's smaller than

825

00:40:35,500 --> 00:40:32,990

it really was three hundred seventy

826

00:40:38,230 --> 00:40:35,510

thousand there should have been at that

827

00:40:40,000 --> 00:40:38,240

moment a press release going out three

828

00:40:43,089 --> 00:40:40,010

hundred and seventy thousand people took

829

00:40:44,800 --> 00:40:43,099

this test and there they are using this

830

00:40:46,620 --> 00:40:44,810

against the people that are out there

831

00:40:50,500 --> 00:40:46,630

there's very personal information

832

00:40:52,170 --> 00:40:50,510

preferences habits and psychologically

833

00:40:54,700 --> 00:40:52,180

profiled by Cambridge University

834

00:40:57,700 --> 00:40:54,710

interpret and a professor and they're

835

00:41:01,770 --> 00:40:57,710

using this for some bad stuff and so

836

00:41:04,780 --> 00:41:01,780

here is your name and you know what suus

837

00:41:07,780 --> 00:41:04,790

we owe you money they should have come

838

00:41:10,810 --> 00:41:07,790

clean right then like that and then

839

00:41:12,880 --> 00:41:10,820

there's another fifty million people on

840

00:41:14,140 --> 00:41:12,890

your friends list outside of that three

841

00:41:18,940 --> 00:41:14,150

hundred and seventy thousand but they

842

00:41:23,440 --> 00:41:18,950

didn't do that now it's not your your

843

00:41:29,520 --> 00:41:23,450

birthdate why would Cambridge analytics

844

00:41:34,390 --> 00:41:29,530

care about that it's not your address no

845

00:41:38,470 --> 00:41:34,400

it's the things that you said in that

846

00:41:41,770 --> 00:41:38,480

test it's a psychological profile

847

00:41:45,640 --> 00:41:41,780

cleverly written by a professor to find

848

00:41:47,620 --> 00:41:45,650

out about who you are and then they turn

849

00:41:49,810 --> 00:41:47,630

around and take that go back to your

850

00:41:51,220 --> 00:41:49,820

post and everything else you've just

851  
00:41:53,440 --> 00:41:51,230  
released everything and now they're able

852  
00:41:55,120 --> 00:41:53,450  
to go in it and see that who you are

853  
00:41:57,609 --> 00:41:55,130  
talking to and what they are talking

854  
00:42:00,550 --> 00:41:57,619  
about and and what their leanings are

855  
00:42:03,160 --> 00:42:00,560  
and they've got a full 50 million people

856  
00:42:06,730 --> 00:42:03,170  
in the United States has got 300 million

857  
00:42:09,790 --> 00:42:06,740  
people in it 50 million of them they've

858  
00:42:11,859 --> 00:42:09,800  
got psychological profiles on and if

859  
00:42:14,920 --> 00:42:11,869  
that doesn't scare the crap out of you

860  
00:42:18,550 --> 00:42:14,930  
and that breach of confidence and Trust

861  
00:42:20,530 --> 00:42:18,560  
on Facebook's part paramount and the

862  
00:42:24,190 --> 00:42:20,540  
only reason why I'm talking about it

863  
00:42:34,070 --> 00:42:28,550

they took those psychological profiles

864

00:42:36,380 --> 00:42:34,080

and used it against us and when you go

865

00:42:37,790 --> 00:42:36,390

and you watch there's two players here

866

00:42:38,960 --> 00:42:37,800

there's a lot of key names here and I'm

867

00:42:42,530 --> 00:42:38,970

gonna get to that throughout the show

868

00:42:42,950 --> 00:42:42,540

tonight there's a few key names here one

869

00:42:46,400 --> 00:42:42,960

of them

870

00:42:49,130 --> 00:42:46,410

Alexander Cogan this guy this professor

871

00:42:52,010 --> 00:42:49,140

do you look at him just a young cat

872

00:42:53,300 --> 00:42:52,020

this guy is got bad intentions and he's

873

00:42:55,730 --> 00:42:53,310

trying to say now that he's the

874

00:42:59,210 --> 00:42:55,740

scapegoat he's not the scapegoat it's

875

00:43:02,870 --> 00:42:59,220

clearly Facebook's fault but he took

876

00:43:05,780 --> 00:43:02,880

that as a college professor and and went

877

00:43:08,510 --> 00:43:05,790

through and in the interest of research

878

00:43:10,700 --> 00:43:08,520

built these psychological profiles and

879

00:43:13,460 --> 00:43:10,710

he turns around and he sells it and he

880

00:43:15,640 --> 00:43:13,470

wants to say hey I don't know what are

881

00:43:18,800 --> 00:43:15,650

you doing this is just personal

882

00:43:22,070 --> 00:43:18,810

information I'm very specific people and

883

00:43:24,710 --> 00:43:22,080

they turn around and Cambridge analytics

884

00:43:30,130 --> 00:43:24,720

wants to turn around and use that to

885

00:43:33,800 --> 00:43:30,140

influence an election that's on Facebook

886

00:43:38,329 --> 00:43:33,810

that's on Facebook Facebook wasn't

887

00:43:40,790 --> 00:43:38,339

supposed to be this and I expected I

888

00:43:44,359 --> 00:43:40,800

really did I expected today an apology

889

00:43:47,089 --> 00:43:44,369

to come out of Zuckerberg Zuckerberg who

890

00:43:49,370 --> 00:43:47,099

is one of the richest men on the planet

891

00:43:52,609 --> 00:43:49,380

one of the most influential men who

892

00:43:54,650 --> 00:43:52,619

controls Facebook he doesn't want to see

893

00:43:57,560 --> 00:43:54,660

his wealth go away I know that he's

894

00:43:59,150 --> 00:43:57,570

seeing that and in the mirror he doesn't

895

00:44:00,950 --> 00:43:59,160

want that he doesn't want Facebook the

896

00:44:02,690 --> 00:44:00,960

shareholders and everything that he has

897

00:44:05,780 --> 00:44:02,700

built he doesn't he doesn't want that

898

00:44:08,599 --> 00:44:05,790

that's why he's surfaced today they

899

00:44:15,020 --> 00:44:08,609

tried to sweep it under the rug for four

900

00:44:18,950 --> 00:44:15,030

years four years those psychological

901  
00:44:20,620 --> 00:44:18,960  
profiles were sold to a company that was

902  
00:44:24,470 --> 00:44:20,630  
caught on tape

903  
00:44:27,589 --> 00:44:24,480  
alexander nicks another alexander here

904  
00:44:30,200 --> 00:44:27,599  
alexander nicks bragging about being

905  
00:44:32,900 --> 00:44:30,210  
able to influence elections and people

906  
00:44:34,160 --> 00:44:32,910  
and politicians and using ukrainian

907  
00:44:40,519 --> 00:44:34,170  
women and

908  
00:44:43,519 --> 00:44:40,529  
and staged bribes and and threatening to

909  
00:44:45,200 --> 00:44:43,529  
use this stuff on release these videos

910  
00:44:48,230 --> 00:44:45,210  
on the internet and be able to control

911  
00:44:49,089 --> 00:44:48,240  
pit and was smug and bragging and proud

912  
00:44:52,450 --> 00:44:49,099  
of it

913  
00:44:56,539 --> 00:44:52,460

and you know whose fault that is

914

00:44:59,210 --> 00:44:56,549

Facebook's think about what I am saying

915

00:45:01,490 --> 00:44:59,220

it all comes back to Facebook and

916

00:45:05,329 --> 00:45:01,500

Facebook is trying to act like the

917

00:45:09,289 --> 00:45:05,339

victim here it's Facebook that has the

918

00:45:11,539 --> 00:45:09,299

data and to sit here and say Zuckerberg

919

00:45:13,849 --> 00:45:11,549

today that oh we're gonna put a tool on

920

00:45:15,440 --> 00:45:13,859

the top and we're gonna leave wittily it

921

00:45:16,640 --> 00:45:15,450

was buried before right now we're gonna

922

00:45:17,809 --> 00:45:16,650

make it out there and then we're gonna

923

00:45:20,059 --> 00:45:17,819

make sure we're gonna do that we're

924

00:45:24,589 --> 00:45:20,069

gonna make you should't it from the word

925

00:45:26,720 --> 00:45:24,599

go when you have our trust we're putting

926  
00:45:29,180 --> 00:45:26,730  
it all out there for you our most

927  
00:45:32,000 --> 00:45:29,190  
personal things you know the birth of

928  
00:45:34,849 --> 00:45:32,010  
children and babies and and things and

929  
00:45:40,509 --> 00:45:34,859  
freedom of conversations and things

930  
00:45:44,029 --> 00:45:40,519  
right we trusted you with that stuff

931  
00:45:48,200 --> 00:45:44,039  
it's Facebook's fault coming on the

932  
00:45:50,870 --> 00:45:48,210  
heels of as if this wasn't enough was

933  
00:45:54,140 --> 00:45:50,880  
the fact that the ads that were popping

934  
00:45:59,870 --> 00:45:54,150  
up in our news feed or purchased by

935  
00:46:04,579 --> 00:45:59,880  
Russia to influence us that's Facebook's

936  
00:46:07,099 --> 00:46:04,589  
fault you know and especially when you

937  
00:46:09,170 --> 00:46:07,109  
have an ad campaign coming in you know

938  
00:46:10,999 --> 00:46:09,180

you have an ad campaign and you've got a

939

00:46:12,789 --> 00:46:11,009

certain amount of money coming in wait

940

00:46:15,230 --> 00:46:12,799

you know 100 grand

941

00:46:16,849 --> 00:46:15,240

150 grand you're not chasing you're not

942

00:46:18,170 --> 00:46:16,859

following you don't care about where

943

00:46:19,849 --> 00:46:18,180

that money is coming from or who the

944

00:46:21,710 --> 00:46:19,859

group is you're not doing anything to

945

00:46:23,569 --> 00:46:21,720

find you're just taking the ads and

946

00:46:26,599 --> 00:46:23,579

running them not looking at not even

947

00:46:29,630 --> 00:46:26,609

caring not doing any anything at all

948

00:46:33,039 --> 00:46:29,640

there's no vetting well apparently there

949

00:46:39,529 --> 00:46:33,049

wasn't and then on top of all of that

950

00:46:40,430 --> 00:46:39,539

was the fake news now again compiled in

951  
00:46:46,420 --> 00:46:40,440  
a row

952  
00:46:47,510 --> 00:46:46,430  
boom boom boom selling data selling ads

953  
00:46:50,180 --> 00:46:47,520  
to

954  
00:46:53,690 --> 00:46:50,190  
people that don't have our best interest

955  
00:46:55,340 --> 00:46:53,700  
in mind and then allowing fake news to

956  
00:46:59,740 --> 00:46:55,350  
propagate all of this came from one

957  
00:47:03,050 --> 00:46:59,750  
source Facebook and I gotta tell you

958  
00:47:04,420 --> 00:47:03,060  
Zuckerberg is not apologetic about any

959  
00:47:09,320 --> 00:47:04,430  
of it

960  
00:47:10,640 --> 00:47:09,330  
now the question I have lots of stuff

961  
00:47:12,500 --> 00:47:10,650  
that I'm gonna go through here tonight

962  
00:47:15,200 --> 00:47:12,510  
but let's talk about a couple of

963  
00:47:19,160 --> 00:47:15,210

specific things before you think that

964

00:47:23,090 --> 00:47:19,170

Facebook is too big to fail oh it's the

965

00:47:25,640 --> 00:47:23,100

end users the users of Facebook will run

966

00:47:28,280 --> 00:47:25,650

that's not a problem they will not have

967

00:47:31,370 --> 00:47:28,290

any issues with not using Facebook

968

00:47:34,250 --> 00:47:31,380

anymore there's plenty of places to go

969

00:47:38,600 --> 00:47:34,260

and certainly on stellar is launching

970

00:47:44,260 --> 00:47:38,610

here so that's that's an easy source but

971

00:47:51,250 --> 00:47:44,270

let me remind you of AOL how about Yahoo

972

00:47:57,590 --> 00:47:51,260

how about MySpace right think about that

973

00:48:00,350 --> 00:47:57,600

AOL bought time they took time down and

974

00:48:03,080 --> 00:48:00,360

put a AOL Time Warner up you remember

975

00:48:05,330 --> 00:48:03,090

that when they change that sign how big

976

00:48:08,540 --> 00:48:05,340

what was that guy's name Cates right the

977

00:48:12,140 --> 00:48:08,550

guy that ran that company think about

978

00:48:16,430 --> 00:48:12,150

that right so that's how big and

979

00:48:20,350 --> 00:48:16,440

powerful it al owned the Internet at one

980

00:48:24,620 --> 00:48:20,360

point gone well they're still out there

981

00:48:26,900 --> 00:48:24,630

gone you probably forgot AOL even

982

00:48:34,940 --> 00:48:26,910

existed I think you can still use their

983

00:48:38,540 --> 00:48:34,950

email Yahoo right so is Facebook too big

984

00:48:41,150 --> 00:48:38,550

to fail no you blow the trust you know I

985

00:48:45,260 --> 00:48:41,160

don't know how many lawsuits are gonna

986

00:48:49,160 --> 00:48:45,270

result from this I don't know the legal

987

00:48:52,670 --> 00:48:49,170

sides of this but the shareholders the

988

00:48:54,080 --> 00:48:52,680

stock market and and others and users

989

00:48:56,780 --> 00:48:54,090

running away from the platform

990

00:48:59,030 --> 00:48:56,790

advertisers running away that that

991

00:49:00,770 --> 00:48:59,040

revenue is going to shrink up really

992

00:49:02,510 --> 00:49:00,780

really quick is it possible that

993

00:49:05,050 --> 00:49:02,520

but could go away Facebook could be

994

00:49:10,250 --> 00:49:05,060

Yahoo in six months

995

00:49:11,450 --> 00:49:10,260

things like this happen I and talk about

996

00:49:14,750 --> 00:49:11,460

too big to fail right

997

00:49:20,650 --> 00:49:14,760

I had a stat the other day

998

00:49:24,290 --> 00:49:20,660

the original Dow Jones listing in 1896

999

00:49:26,210 --> 00:49:24,300

1896 when it first posted Dow Jones and

1000

00:49:29,360 --> 00:49:26,220

the the group of companies that was

1001

00:49:33,380 --> 00:49:29,370

there the only one that is still there

1002

00:49:36,170 --> 00:49:33,390

today is General Electric but think

1003

00:49:39,830 --> 00:49:36,180

about all of the mighty companies that

1004

00:49:43,270 --> 00:49:39,840

have broken up got too big look at Bell

1005

00:49:48,350 --> 00:49:43,280

Bell Telephone broken up done right

1006

00:49:50,830 --> 00:49:48,360

AT&T think about this right you remember

1007

00:49:55,570 --> 00:49:50,840

all the baby bells broke it up

1008

00:50:00,140 --> 00:49:55,580

Western Electric Western Electric gone

1009

00:50:01,970 --> 00:50:00,150

these things happen so is Facebook too

1010

00:50:04,820 --> 00:50:01,980

big to fail I'm gonna tell you right now

1011

00:50:07,730 --> 00:50:04,830

you're gonna really if if Zuckerberg

1012

00:50:11,630 --> 00:50:07,740

thinks he's too big to fail there you go

1013

00:50:15,170 --> 00:50:11,640

with all of the the outside influences

1014

00:50:18,770 --> 00:50:15,180

that that have bad intentions right now

1015

00:50:24,470 --> 00:50:18,780

Cambridge analytics is the one that got

1016

00:50:26,090 --> 00:50:24,480

caught I have no idea none and I'll talk

1017

00:50:29,690 --> 00:50:26,100

about our own government I'll talk about

1018

00:50:32,630 --> 00:50:29,700

the NSA I'll talk about the CIA that

1019

00:50:34,700 --> 00:50:32,640

that have apps running right now and our

1020

00:50:39,020 --> 00:50:34,710

data mining your information on all

1021

00:50:41,900 --> 00:50:39,030

platforms you don't know you know and

1022

00:50:46,460 --> 00:50:41,910

Cambridge analytics is UK let's say you

1023

00:50:49,880 --> 00:50:46,470

have a crazy part for me so we just

1024

00:50:51,950 --> 00:50:49,890

don't know out of the thousands and

1025

00:50:54,230 --> 00:50:51,960

thousands of apps that are running out

1026  
00:50:56,870 --> 00:50:54,240  
there right now you don't know you just

1027  
00:51:00,230 --> 00:50:56,880  
simply don't know Facebook is saying

1028  
00:51:04,250 --> 00:51:00,240  
it's a one-time thing and you know that

1029  
00:51:07,460 --> 00:51:04,260  
that simply is not true and this was

1030  
00:51:08,510 --> 00:51:07,470  
done through an app right and and

1031  
00:51:10,400 --> 00:51:08,520  
they're trying to set what you know

1032  
00:51:12,440 --> 00:51:10,410  
wasn't us it was the app it was the app

1033  
00:51:14,060 --> 00:51:12,450  
that did it we you know we should have

1034  
00:51:16,360 --> 00:51:14,070  
done better but it was the

1035  
00:51:18,890 --> 00:51:16,370  
that did it that is not that's not true

1036  
00:51:21,050 --> 00:51:18,900  
it's simply not true and then the other

1037  
00:51:24,560 --> 00:51:21,060  
part of it is is the information that

1038  
00:51:29,390 --> 00:51:24,570

they are freely selling right now I had

1039

00:51:32,270 --> 00:51:29,400

done a story last year a prodigy

1040

00:51:35,330 --> 00:51:32,280

CompuServe EarthLink yeah exactly

1041

00:51:37,430 --> 00:51:35,340

EarthLink here in Pasadena had one of

1042

00:51:40,430 --> 00:51:37,440

the biggest buildings mana was just so

1043

00:51:42,440 --> 00:51:40,440

so nutty it was just huge EarthLink I

1044

00:51:45,350 --> 00:51:42,450

had an earth link account at one time

1045

00:51:47,450 --> 00:51:45,360

yeah prodigy copy surface absolutely

1046

00:51:51,890 --> 00:51:47,460

right

1047

00:51:56,810 --> 00:51:51,900

now so anyway with with the data that is

1048

00:51:57,860 --> 00:51:56,820

being sold I did a story here about once

1049

00:52:00,560 --> 00:51:57,870

say it was last year it might have been

1050

00:52:04,280 --> 00:52:00,570

two years ago and I had compiled all of

1051  
00:52:07,130 --> 00:52:04,290  
the numbers that are out there the

1052  
00:52:10,760 --> 00:52:07,140  
number one let me tell you something the

1053  
00:52:14,330 --> 00:52:10,770  
number one business to be in today his

1054  
00:52:15,920 --> 00:52:14,340  
data data you're not building anything

1055  
00:52:17,720 --> 00:52:15,930  
you're not selling anything there's no

1056  
00:52:21,520 --> 00:52:17,730  
logistical support you not putting stuff

1057  
00:52:24,290 --> 00:52:21,530  
on trucks not putting vibe the pipes

1058  
00:52:29,750 --> 00:52:24,300  
right distribution networks freighters

1059  
00:52:33,410 --> 00:52:29,760  
and ships and planes data that's where

1060  
00:52:37,760 --> 00:52:33,420  
the money's at and trust me a lot of

1061  
00:52:42,080 --> 00:52:37,770  
people know this and the number one

1062  
00:52:43,670 --> 00:52:42,090  
thing for Facebook to sell is your

1063  
00:52:46,040 --> 00:52:43,680

information and that goes that goes

1064

00:52:49,040 --> 00:52:46,050

across the board it goes down the line

1065

00:52:54,250 --> 00:52:49,050

and and and it certainly goes back to

1066

00:52:56,900 --> 00:52:54,260

things like Yahoo AOL selling your data

1067

00:52:59,300 --> 00:52:56,910

ATT snapped up a bunch of it they

1068

00:53:01,670 --> 00:52:59,310

collected it for all of those cellphone

1069

00:53:06,010 --> 00:53:01,680

users out there think about it's gonna

1070

00:53:09,650 --> 00:53:06,020

be straight with with Apple and and

1071

00:53:11,840 --> 00:53:09,660

Android and Samsung all of that data

1072

00:53:14,300 --> 00:53:11,850

that they collect and how you use it

1073

00:53:16,090 --> 00:53:14,310

with yourself they sell that man they

1074

00:53:21,290 --> 00:53:16,100

sell all of it

1075

00:53:24,260 --> 00:53:21,300

so yeah Facebook I caught once it's a

1076  
00:53:26,570 --> 00:53:24,270  
big breach what they did and how it was

1077  
00:53:27,040 --> 00:53:26,580  
done and ultimately what that data was

1078  
00:53:30,750 --> 00:53:27,050  
you

1079  
00:53:35,650 --> 00:53:30,760  
four against us in a presidential

1080  
00:53:39,010 --> 00:53:35,660  
election to me is the craziest and it's

1081  
00:53:43,450 --> 00:53:39,020  
it's 1984 all over again for the ribbon

1082  
00:53:45,940 --> 00:53:43,460  
in in real time and so for me and the

1083  
00:53:50,590 --> 00:53:45,950  
reason why I can sit here and say that

1084  
00:53:54,400 --> 00:53:50,600  
Facebook could fail is that we have fake

1085  
00:53:57,880 --> 00:53:54,410  
news we have fake advertising and we

1086  
00:54:01,180 --> 00:53:57,890  
have our data that is being sold out

1087  
00:54:03,520 --> 00:54:01,190  
there turn around psychological data by

1088  
00:54:06,280 --> 00:54:03,530

the way there's psychological data and

1089

00:54:09,700 --> 00:54:06,290

your dear your social security number

1090

00:54:13,690 --> 00:54:09,710

know that be simple and fun if that's

1091

00:54:16,540 --> 00:54:13,700

all it was no psychological data that is

1092

00:54:19,690 --> 00:54:16,550

turned around and used in those very ads

1093

00:54:25,780 --> 00:54:19,700

and fake news that we are seeing on

1094

00:54:28,470 --> 00:54:25,790

Facebook yeah and Zuckerberg just wants

1095

00:54:31,860 --> 00:54:28,480

to sit there and smugly say you know

1096

00:54:35,500 --> 00:54:31,870

yeah it's a breach of trust between uh

1097

00:54:38,110 --> 00:54:35,510

Cambridge and us and and you know an app

1098

00:54:41,800 --> 00:54:38,120

and you know really sorry about that and

1099

00:54:44,140 --> 00:54:41,810

it is this is a big story and I have I

1100

00:54:47,230 --> 00:54:44,150

said this yesterday I'm gonna say this

1101  
00:54:49,390 --> 00:54:47,240  
again right now there are those in the

1102  
00:54:51,640 --> 00:54:49,400  
media that are gonna try to control this

1103  
00:54:53,350 --> 00:54:51,650  
and certainly Facebook is gonna try to

1104  
00:54:55,330 --> 00:54:53,360  
control this and the government is going

1105  
00:54:59,440 --> 00:54:55,340  
to try to control this and try to make

1106  
00:55:02,590 --> 00:54:59,450  
this something political it is not this

1107  
00:55:04,570 --> 00:55:02,600  
is your data your psychological profiles

1108  
00:55:07,120 --> 00:55:04,580  
were sold to another company that turned

1109  
00:55:09,790 --> 00:55:07,130  
around and used that data to propagate

1110  
00:55:11,830 --> 00:55:09,800  
ads and fake news back into the very

1111  
00:55:17,380 --> 00:55:11,840  
platform that sold them the data to

1112  
00:55:20,050 --> 00:55:17,390  
begin with mind control and I am

1113  
00:55:22,930 --> 00:55:20,060

completely offended by it and I'm here

1114

00:55:25,330 --> 00:55:22,940

to say that the end users the very

1115

00:55:28,120 --> 00:55:25,340

people that prop up Facebook and put it

1116

00:55:31,960 --> 00:55:28,130

into place are the ones that are going

1117

00:55:34,630 --> 00:55:31,970

to run it's completely offensive to

1118

00:55:36,490 --> 00:55:34,640

everybody there isn't an easy road out

1119

00:55:38,410 --> 00:55:36,500

here and to say that you're gonna put

1120

00:55:40,790 --> 00:55:38,420

band-aids and I have a list and I'll

1121

00:55:43,820 --> 00:55:40,800

come back to this I've compiled the list

1122

00:55:47,030 --> 00:55:43,830

there fixes to put band-aids on all of

1123

00:55:50,300 --> 00:55:47,040

this right think about that

1124

00:55:52,820 --> 00:55:50,310

you're gonna put band-aids you're gonna

1125

00:55:53,840 --> 00:55:52,830

you're gonna penalize somebody if they

1126

00:55:57,950 --> 00:55:53,850

hello

1127

00:55:59,500 --> 00:55:57,960

oh oh so one major point I want to make

1128

00:56:02,810 --> 00:55:59,510

I got like two minutes

1129

00:56:07,280 --> 00:56:02,820

Zakhar burg actually said today out of

1130

00:56:10,780 --> 00:56:07,290

his own mouth that well uh you know they

1131

00:56:14,180 --> 00:56:10,790

certified that they deleted the data

1132

00:56:16,160 --> 00:56:14,190

they certified so you know you know that

1133

00:56:22,700 --> 00:56:16,170

that was that was good enough for us

1134

00:56:23,780 --> 00:56:22,710

his words what he mean and obviously you

1135

00:56:27,490 --> 00:56:23,790

were lied to

1136

00:56:30,530 --> 00:56:27,500

and obviously Cambridge analytic and

1137

00:56:32,630 --> 00:56:30,540

everybody else involved and that's Nixon

1138

00:56:34,250 --> 00:56:32,640

Cogan and everybody over there that's

1139

00:56:36,430 --> 00:56:34,260

involved with this and going back to

1140

00:56:40,370 --> 00:56:36,440

your executives over here on Facebook

1141

00:56:43,430 --> 00:56:40,380

nobody cared nobody checked nobody

1142

00:56:45,410 --> 00:56:43,440

tested and they lied to you and then

1143

00:56:48,290 --> 00:56:45,420

turned around and used it against the

1144

00:56:51,950 --> 00:56:48,300

very people that are paying for Facebook

1145

00:56:54,920 --> 00:56:51,960

to operate and that is the end users and

1146

00:56:56,930 --> 00:56:54,930

Zuckerberg actually thinks that saying

1147

00:56:59,360 --> 00:56:56,940

these words are good enough and they are

1148

00:57:00,500 --> 00:56:59,370

not I'm telling you they are not they're

1149

00:57:02,050 --> 00:57:00,510

not good enough for me and they're not

1150

00:57:06,620 --> 00:57:02,060

good enough for anybody else

1151  
00:57:09,620 --> 00:57:06,630  
it's an unbelievable turn of events it's

1152  
00:57:11,720 --> 00:57:09,630  
it's it's like when you think that

1153  
00:57:14,240 --> 00:57:11,730  
Facebook learn their lessons and there

1154  
00:57:18,140 --> 00:57:14,250  
was one other thing I've got 45 seconds

1155  
00:57:22,430 --> 00:57:18,150  
here that Zuckerberg said today that and

1156  
00:57:26,240 --> 00:57:22,440  
in this carefully crafted thing he

1157  
00:57:29,300 --> 00:57:26,250  
actually said these words he said the

1158  
00:57:33,320 --> 00:57:29,310  
French just had their elections so we

1159  
00:57:37,040 --> 00:57:33,330  
had AI running on Facebook in France to

1160  
00:57:43,450 --> 00:57:37,050  
make sure like wait a minute

1161  
00:57:49,390 --> 00:57:43,460  
did he just say they had AI running on

1162  
00:57:51,200 --> 00:57:49,400  
Facebook in France that means everywhere

1163  
00:57:57,349 --> 00:57:51,210

think about

1164

00:58:01,059 --> 00:57:57,359

for on stellar right now promo code

1165

00:58:03,710 --> 00:58:01,069

Jimmy yeah alright I got to take a break

1166

00:58:06,620 --> 00:58:03,720

I'm sorry I ignored all the phone calls

1167

00:58:07,190 --> 00:58:06,630

I'll get to your calls next this is fade

1168

00:58:08,809 --> 00:58:07,200

to black

1169

00:58:13,849 --> 00:58:08,819

I'm real super Church when I get fired

1170

00:58:18,200 --> 00:58:13,859

up right now I had so much faith in in

1171

00:58:19,609 --> 00:58:18,210

facebook and I don't when it first

1172

00:58:21,740 --> 00:58:19,619

launched I thought it was the coolest

1173

00:58:24,559 --> 00:58:21,750

thing ever I saw names that I hadn't

1174

00:58:26,230 --> 00:58:24,569

seen in 20 or 30 years and in hooking up

1175

00:58:29,870 --> 00:58:26,240

and checking up and doing all of this

1176  
00:58:31,370 --> 00:58:29,880  
everything that I originally had done on

1177  
00:58:33,920 --> 00:58:31,380  
Facebook

1178  
00:58:35,930 --> 00:58:33,930  
the way that their algorithms run now

1179  
00:58:38,690 --> 00:58:35,940  
all of the people that I originally

1180  
00:58:41,660 --> 00:58:38,700  
reached out to my friends from junior

1181  
00:58:44,299 --> 00:58:41,670  
high and high school and and co-workers

1182  
00:58:48,079 --> 00:58:44,309  
and things from the past they don't even

1183  
00:58:50,120 --> 00:58:48,089  
see my post anymore that the analytics

1184  
00:58:52,420 --> 00:58:50,130  
works in such a funky way now that all

1185  
00:58:56,259 --> 00:58:52,430  
of that the beauty of Facebook is

1186  
00:58:58,940 --> 00:58:56,269  
completely gone it's completely erased

1187  
00:59:01,099 --> 00:58:58,950  
you know so I don't know I don't know

1188  
00:59:05,140 --> 00:59:01,109

what I'm gonna do with Facebook I don't

1189

00:59:07,400 --> 00:59:05,150

know I don't know I really don't know

1190

00:59:09,799 --> 00:59:07,410

things are changing this is fade to

1191

00:59:11,630 --> 00:59:09,809

black I'm yours Jimmy Church all right

1192

00:59:18,620 --> 00:59:11,640

opening up the phone lines right now 3 2

1193

00:59:21,520 --> 00:59:18,630

3 8 2 5 5 0 4 5 or 3 2 3 2 7 5 9 6 9 5

1194

00:59:26,710 --> 00:59:21,530

your phone calls the next day with me

1195

00:59:32,180 --> 00:59:29,440

[Music]

1196

00:59:34,690 --> 00:59:32,190

this is fade to black with Jimmy Church

1197

00:59:38,950 --> 00:59:34,700

on the game changer radio network and

1198

00:59:42,230 --> 00:59:38,960

kgr a the global radio alliance

1199

00:59:45,559 --> 00:59:42,240

this is kera digital broadcasting

1200

00:59:49,250 --> 00:59:45,569

station Salt Lake City Utah Van Buren

1201

00:59:51,380 --> 00:59:49,260

Arkansas hello fader Knotts

1202

00:59:55,010 --> 00:59:51,390

this is Jimmy Church and I'm introducing

1203

00:59:58,549 --> 00:59:55,020

new Pharma a company whose products are

1204

01:00:02,630 --> 00:59:58,559

based on science human function based on

1205

01:00:05,390 --> 01:00:02,640

the endocannabinoid system or ECS new

1206

01:00:07,430 --> 01:00:05,400

pharma firmly believes in this science

1207

01:00:10,040 --> 01:00:07,440

and their research indicates that

1208

01:00:12,109 --> 01:00:10,050

support of the ECS provides the

1209

01:00:15,460 --> 01:00:12,119

beneficial effects for a healthy

1210

01:00:18,859 --> 01:00:15,470

lifestyle new Pharma science includes

1211

01:00:21,470 --> 01:00:18,869

relief capsules for pain relief sleep

1212

01:00:24,559 --> 01:00:21,480

capsules which are natural support for

1213

01:00:27,770 --> 01:00:24,569

occasional sleeplessness Foundation is

1214

01:00:30,799 --> 01:00:27,780

support for your ECS and fit capsules

1215

01:00:32,480 --> 01:00:30,809

support your active lifestyle just click

1216

01:00:36,140 --> 01:00:32,490

on the banner at jimmy church radio.com

1217

01:00:38,120 --> 01:00:36,150

and use the promo code f2b for a 33

1218

01:00:41,450 --> 01:00:38,130

percent discount on all of their

1219

01:00:43,339 --> 01:00:41,460

products or visit new pharma comm for

1220

01:00:54,810 --> 01:00:43,349

all of the knowledge on the science

1221

01:00:58,920 --> 01:00:56,270

[Music]

1222

01:01:00,780 --> 01:00:58,930

hi this is race Hobbs here repping the

1223

01:01:03,780 --> 01:01:00,790

planet and you're listening to my good

1224

01:01:06,300 --> 01:01:03,790

friend Jimmy Church fade to black

1225

01:01:10,890 --> 01:01:06,310

on the game changer network and the kgr

1226

01:01:13,050 --> 01:01:10,900

a digital broadcast station this is Toby

1227

01:01:34,250 --> 01:01:13,060

Keibell you're listening to Jimmy Church

1228

01:01:41,730 --> 01:01:38,160

ancient life oil life changing the real

1229

01:01:44,340 --> 01:01:41,740

oil CBD is truly ancient life oil from

1230

01:01:46,950 --> 01:01:44,350

the source this oil has no psychoactive

1231

01:01:49,590 --> 01:01:46,960

effect and is also legal in all 50

1232

01:01:51,840 --> 01:01:49,600

states when you're healthy you're happy

1233

01:01:54,150 --> 01:01:51,850

the truth about this wonderful plant is

1234

01:01:57,540 --> 01:01:54,160

that it wants to give back to mankind

1235

01:02:00,630 --> 01:01:57,550

life longevity and happiness ancient

1236

01:02:02,720 --> 01:02:00,640

life oil are golden gray all organic

1237

01:02:05,790 --> 01:02:02,730

non-gmo and infused with high-quality

1238

01:02:09,240 --> 01:02:05,800

liquid coconut oil it's simple just go

1239

01:02:13,200 --> 01:02:09,250

to ancient life oil dot-com today that's

1240

01:02:17,330 --> 01:02:13,210

ancient life oil dot-com the best purest

1241

01:02:18,870 --> 01:02:17,340

organic and non-gmo CBD in the world

1242

01:02:20,400 --> 01:02:18,880

gobekli tepe

1243

01:02:21,780 --> 01:02:20,410

the statements made regarding these

1244

01:02:22,890 --> 01:02:21,790

products have not been evaluated by the

1245

01:02:24,120 --> 01:02:22,900

Food and Drug Administration these

1246

01:02:26,040 --> 01:02:24,130

products are not intended to diagnose

1247

01:02:27,030 --> 01:02:26,050

treat cure or prevent any disease please

1248

01:02:28,770 --> 01:02:27,040

consult your healthcare professional

1249

01:02:30,570 --> 01:02:28,780

about potential interactions or other

1250

01:02:32,370 --> 01:02:30,580

possible complications before using any

1251

01:02:34,080 --> 01:02:32,380

product this is Micah Hanks of the

1252

01:02:36,570 --> 01:02:34,090

graylien report and you're listening to

1253

01:02:38,400 --> 01:02:36,580

jimmy church on fade to black across the

1254

01:02:41,040 --> 01:02:38,410

globe on the game-changer radio network

1255

01:02:42,070 --> 01:02:41,050

and the one and only kgr a radio the

1256

01:02:50,310 --> 01:02:42,080

planet

1257

01:03:05,630 --> 01:02:57,390

[Music]

1258

01:03:10,970 --> 01:03:05,640

all right let's do this open lines right

1259

01:03:19,130 --> 01:03:10,980

now 3 2 3 8 to 5 5 0 4 5 or 3 2 3 2 7 5

1260

01:03:23,500 --> 01:03:19,140

and 9 6 9 5 & 3 2 3 8 2 5 5 0 4 5 4 3 2

1261

01:03:27,710 --> 01:03:23,510

3 2 7 5 9 6 9 5 yeah I was just for the

1262

01:03:29,720 --> 01:03:27,720

for the fader not so in the bunker cam I

1263

01:03:31,580 --> 01:03:29,730

had to cleanse this place man had to

1264

01:03:33,680 --> 01:03:31,590

light some sage and that's what I was

1265

01:03:36,290 --> 01:03:33,690

just I had I had to get the bad vibes

1266

01:03:42,250 --> 01:03:36,300

out of here man it was just angry I'm

1267

01:03:44,810 --> 01:03:42,260

angry right and this this situation I

1268

01:03:46,280 --> 01:03:44,820

was on the phone today with a with a

1269

01:03:48,860 --> 01:03:46,290

bunch of different people talking about

1270

01:03:52,160 --> 01:03:48,870

this and and and there are some players

1271

01:03:55,310 --> 01:03:52,170

out there right now some some pretty big

1272

01:03:59,470 --> 01:03:55,320

names that are freaking out absolutely

1273

01:04:03,230 --> 01:03:59,480

freaking out and do you know if you were

1274

01:04:07,910 --> 01:04:03,240

involved in this data mining right you

1275

01:04:11,360 --> 01:04:07,920

don't know Zuckerberg says that they're

1276

01:04:15,350 --> 01:04:11,370

gonna no notify everybody and I was like

1277

01:04:18,500 --> 01:04:15,360

so offended by that and what he should

1278

01:04:21,020 --> 01:04:18,510

have said is that we should have

1279

01:04:23,870 --> 01:04:21,030

notified everybody back then but we

1280

01:04:26,150 --> 01:04:23,880

didn't because and and explain yourself

1281

01:04:27,890 --> 01:04:26,160

and now we're gonna catch up with that

1282

01:04:29,540 --> 01:04:27,900

we're gonna notify everybody today

1283

01:04:32,810 --> 01:04:29,550

that's a real statement that's what you

1284

01:04:34,400 --> 01:04:32,820

really need you need to man up and and I

1285

01:04:36,560 --> 01:04:34,410

could tell you he's uncomfortable with

1286

01:04:38,180 --> 01:04:36,570

this because it just seemed like he

1287

01:04:39,980 --> 01:04:38,190

weathered the storm with the fake news

1288

01:04:42,470 --> 01:04:39,990

he weather the storm with the Russian

1289

01:04:44,030 --> 01:04:42,480

ads and weathered those storms and

1290

01:04:47,300 --> 01:04:44,040

everything was cool and then this

1291

01:04:51,680 --> 01:04:47,310

happens and it just seems like one two

1292

01:04:53,990 --> 01:04:51,690

three in a row nothing but really really

1293

01:04:56,000 --> 01:04:54,000

bad stuff and these are all connected

1294

01:04:58,550 --> 01:04:56,010

they're not not connected these are not

1295

01:05:01,160 --> 01:04:58,560

separate events they are all related to

1296

01:05:02,330 --> 01:05:01,170

each other you know I got to make that

1297

01:05:04,220 --> 01:05:02,340

very clear we're talking about

1298

01:05:07,480 --> 01:05:04,230

psychological profiles that were sent

1299

01:05:11,240 --> 01:05:07,490

out developed and and and researched

1300

01:05:13,900 --> 01:05:11,250

compiled and turn around and used back

1301

01:05:18,460 --> 01:05:13,910

against us with fake news

1302

01:05:22,740 --> 01:05:18,470

and fake ads in a presidential election

1303

01:05:25,860 --> 01:05:22,750

it's a mind-blowing thing that is a

1304

01:05:28,060 --> 01:05:25,870

full-circle man that is a full-circle

1305

01:05:33,280 --> 01:05:28,070

double-dip triple-dipped

1306

01:05:35,230 --> 01:05:33,290

man profits owe all of that and oh man

1307

01:05:37,570 --> 01:05:35,240

all right three two three eight to five

1308

01:05:40,330 --> 01:05:37,580

five zero four or five I want to know if

1309

01:05:43,060 --> 01:05:40,340

you've taken part in any test number one

1310

01:05:46,810 --> 01:05:43,070

I want to know - are you going to leave

1311

01:05:48,910 --> 01:05:46,820

Facebook right I want to know are you

1312

01:05:52,120 --> 01:05:48,920

cool with what Zuckerberg said today are

1313

01:05:55,420 --> 01:05:52,130

you angry this is this is something that

1314

01:05:58,660 --> 01:05:55,430

affects nearly everybody in the United

1315

01:06:00,130 --> 01:05:58,670

States and around the world so I know it

1316

01:06:02,230 --> 01:06:00,140

directly affects you but around the

1317

01:06:06,030 --> 01:06:02,240

world it's like one out of every two

1318

01:06:09,520 --> 01:06:06,040

people you know that that is a crazy

1319

01:06:11,860 --> 01:06:09,530

number and there's a reason why their

1320

01:06:15,460 --> 01:06:11,870

wealth is out there so three two three

1321

01:06:18,520 --> 01:06:15,470

eight two five five zero four or five or

1322

01:06:20,560 --> 01:06:18,530

three two three two seven five nine six

1323

01:06:22,960 --> 01:06:20,570

nine five also it is fate or night by

1324

01:06:25,570 --> 01:06:22,970

the way so there were a couple of

1325

01:06:27,780 --> 01:06:25,580

sightings that happened one in New

1326

01:06:30,730 --> 01:06:27,790

Hampshire I got the email about that

1327

01:06:32,260 --> 01:06:30,740

pretty interesting there's a lot of

1328

01:06:35,770 --> 01:06:32,270

things that are going on inside of this

1329

01:06:39,610 --> 01:06:35,780

community this week we talked about

1330

01:06:41,950 --> 01:06:39,620

what's going on in Egypt and and that

1331

01:06:46,480 --> 01:06:41,960

the Nazca mummies and what I brought up

1332

01:06:50,460 --> 01:06:46,490

last night which still is is freaking me

1333

01:06:55,270 --> 01:06:50,470

out and that is Egyptian date palm

1334

01:06:57,220 --> 01:06:55,280

pollen and the Nazca mummies yeah that's

1335

01:06:59,020 --> 01:06:57,230

that's pretty interesting and there's

1336

01:07:01,360 --> 01:06:59,030

some other things that came out about

1337

01:07:02,950 --> 01:07:01,370

that as I was thinking about this and I

1338

01:07:08,910 --> 01:07:02,960

was talking to widen or today about this

1339

01:07:11,410 --> 01:07:08,920

on the phone that the baracus skulls and

1340

01:07:15,570 --> 01:07:11,420

also brian forest or and other

1341

01:07:20,640 --> 01:07:15,580

researchers that have talked about the

1342

01:07:22,720 --> 01:07:20,650

the DNA going back to the Middle East

1343

01:07:24,130 --> 01:07:22,730

all right now if you stop and think

1344

01:07:26,680 --> 01:07:24,140

about this and now we've got this

1345

01:07:27,520 --> 01:07:26,690

Egyptian date palm pollen connection

1346

01:07:32,350 --> 01:07:27,530

with the dust

1347

01:07:34,570 --> 01:07:32,360

the Nazca mummies that's a pretty that's

1348

01:07:36,730 --> 01:07:34,580

a pretty interesting development and one

1349

01:07:39,820 --> 01:07:36,740

that is going to be investigated further

1350

01:07:43,090 --> 01:07:39,830

and last night when a Widener sent me

1351

01:07:44,680 --> 01:07:43,100

the WTF a text and had talked to him

1352

01:07:47,740 --> 01:07:44,690

about that today he was like yeah man I

1353

01:07:49,390 --> 01:07:47,750

was listening I sent that WTF to you in

1354

01:07:51,670 --> 01:07:49,400

real-time and I laughed when you

1355

01:07:54,790 --> 01:07:51,680

announced it on the air but yet that all

1356

01:07:56,710 --> 01:07:54,800

really happened just like that so we can

1357

01:07:58,270 --> 01:07:56,720

talk about that too as well three two

1358

01:08:00,970 --> 01:07:58,280

three eight two five five zero four five

1359

01:08:04,480 --> 01:08:00,980

four three two three two seven five nine

1360

01:08:10,770 --> 01:08:04,490

six nine five all right so I have a list

1361

01:08:15,100 --> 01:08:10,780

here condensed of the band-aids that

1362

01:08:18,130 --> 01:08:15,110

Zuckerberg is suggesting number one to

1363

01:08:20,530 --> 01:08:18,140

investigate all apps that had access to

1364

01:08:23,680 --> 01:08:20,540

large amounts of information before the

1365

01:08:32,610 --> 01:08:23,690

platform was changed to dramatically

1366

01:08:39,010 --> 01:08:36,180

does that just make you angry because

1367

01:08:41,950 --> 01:08:39,020

shouldn't these are things that they're

1368

01:08:43,660 --> 01:08:41,960

gonna do today shouldn't this have been

1369

01:08:46,680 --> 01:08:43,670

going on already

1370

01:08:49,860 --> 01:08:46,690

there isn't any vetting of apps that

1371

01:08:53,499 --> 01:08:49,870

have access to large amounts of

1372

01:08:55,840 --> 01:08:53,509

information these are their words you

1373

01:08:58,110 --> 01:08:55,850

have to just stop and just go dude I

1374

01:09:02,170 --> 01:08:58,120

thought you guys were already doing this

1375

01:09:04,390 --> 01:09:02,180

where's the trust now they're saying

1376

01:09:08,170 --> 01:09:04,400

that they are going to conduct a full

1377

01:09:11,860 --> 01:09:08,180

audit of any app with suspicious

1378

01:09:15,490 --> 01:09:11,870

activity suggesting that they were never

1379

01:09:18,130 --> 01:09:15,500

auditing any app before with a

1380

01:09:21,610 --> 01:09:18,140

suspicious activity if we're allowing

1381

01:09:23,380 --> 01:09:21,620

things to just happen these are things

1382

01:09:29,950 --> 01:09:23,390

that should have been done already I'm

1383

01:09:32,950 --> 01:09:29,960

telling you Facebook could go away he

1384

01:09:39,120 --> 01:09:32,960

continues to say ban any developer that

1385

01:09:40,789 --> 01:09:39,130

did not agree to a thorough audit again

1386

01:09:42,769 --> 01:09:40,799

this is what

1387

01:09:45,890 --> 01:09:42,779

talking about doing today shouldn't this

1388

01:09:49,629 --> 01:09:45,900

have been done this goes back originally

1389

01:09:52,490 --> 01:09:49,639

now first off Facebook launched in

1390

01:09:52,970 --> 01:09:52,500

2006-2007 it turned into what it turned

1391

01:09:54,950 --> 01:09:52,980

into

1392

01:09:58,149 --> 01:09:54,960

but as you're going along and I said

1393

01:09:59,299 --> 01:09:58,159

this yesterday and this kind of money is

1394

01:10:02,720 --> 01:09:59,309

created

1395

01:10:05,660 --> 01:10:02,730

they were running willy-nilly they were

1396

01:10:07,850 --> 01:10:05,670

just selling stuff and and and selling

1397

01:10:09,799 --> 01:10:07,860

data and collecting data like it didn't

1398

01:10:11,330 --> 01:10:09,809

matter and they never addressed any of

1399

01:10:13,100 --> 01:10:11,340

this stuff and they never made any of

1400

01:10:16,910 --> 01:10:13,110

this public they admitted today that

1401

01:10:19,850 --> 01:10:16,920

this goes back to 2014 and 2015 I'm the

1402

01:10:24,740 --> 01:10:19,860

one thing that they got caught on but

1403

01:10:25,280 --> 01:10:24,750

that's four years of silence let's go to

1404

01:10:26,569 --> 01:10:25,290

the phones

1405

01:10:30,020 --> 01:10:26,579

hi you're live i'm fade to black who's

1406

01:10:30,770 --> 01:10:30,030

calling you doing how are you it's Isaac

1407

01:10:34,189 --> 01:10:30,780

Romano

1408

01:10:37,580 --> 01:10:34,199

hi Isaac from Anaheim how are you I'm

1409

01:10:40,879 --> 01:10:37,590

doing great I wanted to bring up the

1410

01:10:44,390 --> 01:10:40,889

point that we're under so many psyops

1411

01:10:46,520 --> 01:10:44,400

going on I'm when you're awake to these

1412

01:10:50,510 --> 01:10:46,530

things and you see that these are psyops

1413

01:10:54,260 --> 01:10:50,520

being played by the media as if they're

1414

01:10:57,379 --> 01:10:54,270

real events when it's actors and want to

1415

01:11:00,379 --> 01:10:57,389

be little celebrities being a part of

1416

01:11:03,310 --> 01:11:00,389

something important I guess and then

1417

01:11:06,500 --> 01:11:03,320

they have their celebrities reinforce it

1418

01:11:08,089 --> 01:11:06,510

which is part of their job you know this

1419

01:11:10,640 --> 01:11:08,099

is why they say they sold their soul

1420

01:11:13,689 --> 01:11:10,650

because they now have to do the

1421

01:11:17,959 --> 01:11:13,699

political bidding of their masters and

1422

01:11:20,209 --> 01:11:17,969

what are you referring to for example

1423

01:11:23,270 --> 01:11:20,219

these shootings so that they can push

1424

01:11:25,000 --> 01:11:23,280

through gun discussion which leads to

1425

01:11:28,010 --> 01:11:25,010

you know it's problem reaction solution

1426

01:11:29,899 --> 01:11:28,020

so they create the problem then they

1427

01:11:32,620 --> 01:11:29,909

know it's going to get this reaction and

1428

01:11:36,080 --> 01:11:32,630

they use their media platforms to push

1429

01:11:40,280 --> 01:11:36,090

massive reaction by people that buy into

1430

01:11:44,750 --> 01:11:40,290

it into the MTV and to the Viacom major

1431

01:11:47,390 --> 01:11:44,760

media conglomerates right so you have

1432

01:11:48,890 --> 01:11:47,400

half of the country that buys into all

1433

01:11:52,220 --> 01:11:48,900

of it and the other half more like

1434

01:11:53,990 --> 01:11:52,230

internet oriented and that's kind of

1435

01:11:54,560 --> 01:11:54,000

what I feel is going on you have half

1436

01:11:57,590 --> 01:11:54,570

the country

1437

01:12:00,860 --> 01:11:57,600

that's you know buying into the mass

1438

01:12:02,840 --> 01:12:00,870

media right brands effect and and

1439

01:12:05,750 --> 01:12:02,850

they're not realizing that it's being

1440

01:12:09,100 --> 01:12:05,760

used as as a deception in a

1441

01:12:13,580 --> 01:12:09,110

psychological warfare tactic in this

1442

01:12:16,400 --> 01:12:13,590

global geopolitical chess game

1443

01:12:18,710 --> 01:12:16,410

whoa yeah okay and and you can say that

1444

01:12:21,530 --> 01:12:18,720

about everything certainly what I just

1445

01:12:24,440 --> 01:12:21,540

discussed tonight with Facebook but let

1446

01:12:28,460 --> 01:12:24,450

me say this though when it comes to

1447

01:12:32,180 --> 01:12:28,470

school shootings and gun control that

1448

01:12:34,610 --> 01:12:32,190

I've I have mixed feelings and reactions

1449

01:12:39,730 --> 01:12:34,620

on that and I'll tell you why

1450

01:12:43,340 --> 01:12:39,740

Isaac do you have kids I don't exactly

1451

01:12:46,730 --> 01:12:43,350

that's why you are comfortable in

1452

01:12:49,100 --> 01:12:46,740

addressing this okay and I'm hip to that

1453

01:12:50,890 --> 01:12:49,110

I understand you don't have kids so

1454

01:12:54,640 --> 01:12:50,900

you're comfortable in bringing this up

1455

01:12:56,420 --> 01:12:54,650

but if you had kids that were in school

1456

01:13:00,110 --> 01:12:56,430

you would have a different attitude

1457

01:13:04,400 --> 01:13:00,120

number one number two if you had a child

1458

01:13:07,060 --> 01:13:04,410

that was shot and killed right your

1459

01:13:13,250 --> 01:13:07,070

attitude would be completely different

1460

01:13:16,100 --> 01:13:13,260

so I have to I am very cautious when I'm

1461

01:13:18,890 --> 01:13:16,110

a father I have I have two beautiful

1462

01:13:21,470 --> 01:13:18,900

daughters that are in college both of

1463

01:13:24,320 --> 01:13:21,480

them both of them I raised them through

1464

01:13:29,090 --> 01:13:24,330

school elementary junior high in high

1465

01:13:30,680 --> 01:13:29,100

school and and I they went through here

1466

01:13:32,420 --> 01:13:30,690

in Southern California can't speak for

1467

01:13:34,640 --> 01:13:32,430

the rest of the country but metal

1468

01:13:36,710 --> 01:13:34,650

detectors in and out of school every

1469

01:13:38,690 --> 01:13:36,720

single day that's a crazy thing to go

1470

01:13:40,790 --> 01:13:38,700

through and you just never know right

1471

01:13:44,050 --> 01:13:40,800

and as a parent that's a trippy thing to

1472

01:13:48,980 --> 01:13:44,060

go through but let me just say this if

1473

01:13:51,830 --> 01:13:48,990

if any parent out there who has lost a

1474

01:13:54,110 --> 01:13:51,840

child in a school shooting and I turn

1475

01:13:57,320 --> 01:13:54,120

around and yell well this is about the

1476  
01:13:58,940 --> 01:13:57,330  
media or different groups of people out

1477  
01:13:59,840 --> 01:13:58,950  
of here that want to take our guns away

1478  
01:14:04,520 --> 01:13:59,850  
from us

1479  
01:14:06,740 --> 01:14:04,530  
and I affect the emotions of somebody

1480  
01:14:08,570 --> 01:14:06,750  
that's already just buried their child

1481  
01:14:11,210 --> 01:14:08,580  
buried there

1482  
01:14:13,760 --> 01:14:11,220  
and their lives are ruined and I am

1483  
01:14:16,670 --> 01:14:13,770  
going to amplify the sadness that they

1484  
01:14:18,800 --> 01:14:16,680  
are going through I and that's the

1485  
01:14:21,290 --> 01:14:18,810  
shocking part Jimmy the shocking part is

1486  
01:14:23,330 --> 01:14:21,300  
that these events are happening this is

1487  
01:14:26,660 --> 01:14:23,340  
where skit this is where it gets complex

1488  
01:14:28,640 --> 01:14:26,670

and you have to stop and wait a little

1489

01:14:30,740 --> 01:14:28,650

while and let all the facts mint but

1490

01:14:34,520 --> 01:14:30,750

these events are happening but they're

1491

01:14:36,320 --> 01:14:34,530

being either staged or like way to where

1492

01:14:39,220 --> 01:14:36,330

wait wait wait people

1493

01:14:43,940 --> 01:14:39,230

Isaac Isaac what is being staged a

1494

01:14:46,220 --> 01:14:43,950

school shooting this the situation that

1495

01:14:48,770 --> 01:14:46,230

evolved to lead to something like this

1496

01:14:51,950 --> 01:14:48,780

if it's not some of them I believe are

1497

01:14:54,170 --> 01:14:51,960

actually straight out days for example

1498

01:14:57,580 --> 01:14:54,180

on this last school shooting there was a

1499

01:15:02,270 --> 01:14:57,590

video on Twitter which I'll go ahead and

1500

01:15:04,520 --> 01:15:02,280

send it to you on Twitter where there

1501

01:15:08,420 --> 01:15:04,530

was four guys in Swat uniforms coming

1502

01:15:11,780 --> 01:15:08,430

out of the school and throwing bags into

1503

01:15:14,420 --> 01:15:11,790

the back of a truck okay wait wait this

1504

01:15:19,300 --> 01:15:14,430

is what I just said to you this is where

1505

01:15:23,930 --> 01:15:19,310

you need to be very very very careful 17

1506

01:15:36,710 --> 01:15:23,940

kids well and and and and teachers but

1507

01:15:41,030 --> 01:15:36,720

but we were killed so before it could be

1508

01:15:44,180 --> 01:15:41,040

don't say that it is it could be okay

1509

01:15:46,280 --> 01:15:44,190

you weren't there you were not there you

1510

01:15:49,670 --> 01:15:46,290

didn't have any involvement with it at

1511

01:15:51,110 --> 01:15:49,680

all you have nothing but the the stuff

1512

01:15:53,030 --> 01:15:51,120

that you have been reading out there so

1513

01:15:56,810 --> 01:15:53,040

you need to be very very careful about

1514

01:15:58,910 --> 01:15:56,820

that I'm not saying that after the fact

1515

01:16:01,310 --> 01:15:58,920

now let's let's be a little bit more

1516

01:16:03,860 --> 01:16:01,320

specific here that after the fact that

1517

01:16:07,880 --> 01:16:03,870

there aren't people that won't use that

1518

01:16:09,890 --> 01:16:07,890

event that tragic shooting for their own

1519

01:16:13,700 --> 01:16:09,900

agenda for gun control or for whatever

1520

01:16:16,430 --> 01:16:13,710

else but don't say that that shooting

1521

01:16:19,610 --> 01:16:16,440

was not real unless you can back that up

1522

01:16:22,250 --> 01:16:19,620

with that so that these are events

1523

01:16:25,670 --> 01:16:22,260

starting with not starting with you know

1524

01:16:27,590 --> 01:16:25,680

völva 9/11 for example where that was a

1525

01:16:31,190 --> 01:16:27,600

lot of people depending is that was a

1526

01:16:33,170 --> 01:16:31,200

staged provocateur type of event to give

1527

01:16:35,600 --> 01:16:33,180

us a reason to go into the Middle East

1528

01:16:38,240 --> 01:16:35,610

and it gets the country so they can do

1529

01:16:40,910 --> 01:16:38,250

the polling and get the approval right

1530

01:16:44,690 --> 01:16:40,920

so they know how to manipulate the

1531

01:16:47,570 --> 01:16:44,700

public opinion right event yes yes and

1532

01:16:50,270 --> 01:16:47,580

we have lots of vets eat now that you

1533

01:16:52,640 --> 01:16:50,280

can stay say specifically on all of that

1534

01:16:55,340 --> 01:16:52,650

that there are lots of pieces of

1535

01:17:00,560 --> 01:16:55,350

evidence that prop that up that I agree

1536

01:17:04,940 --> 01:17:00,570

with the fake letter that they had in in

1537

01:17:08,000 --> 01:17:04,950

England that showed the purchase of cake

1538

01:17:11,780 --> 01:17:08,010

uranium by you know which was a fake

1539

01:17:13,550 --> 01:17:11,790

document that was created or : Powell

1540

01:17:15,530 --> 01:17:13,560

getting up in front of the UN and

1541

01:17:19,340 --> 01:17:15,540

showing anthrax in a vial and there's

1542

01:17:21,020 --> 01:17:19,350

anthrax there this was well okay so

1543

01:17:23,120 --> 01:17:21,030

there's there's plenty of things that

1544

01:17:25,520 --> 01:17:23,130

prop that up you know why were the bin

1545

01:17:28,430 --> 01:17:25,530

Laden's allowed to fly in a private jet

1546

01:17:30,680 --> 01:17:28,440

out of the United States when right

1547

01:17:32,210 --> 01:17:30,690

after the building's fell when nobody

1548

01:17:34,640 --> 01:17:32,220

else in the United States could fly

1549

01:17:37,520 --> 01:17:34,650

there were no planes in the air but yet

1550

01:17:39,140 --> 01:17:37,530

they could fly out in a private g5 and

1551  
01:17:43,910 --> 01:17:39,150  
get out of this country that's that's

1552  
01:17:46,130 --> 01:17:43,920  
evidence after that we're so hungry to

1553  
01:17:48,800 --> 01:17:46,140  
want to look in this direction they

1554  
01:17:51,650 --> 01:17:48,810  
thought Michael Moore was telling them

1555  
01:17:54,860 --> 01:17:51,660  
the whole truth and you realize you keep

1556  
01:17:57,650 --> 01:17:54,870  
going down that rabbit hole and you keep

1557  
01:18:01,310 --> 01:17:57,660  
uncovering more and more and more yes

1558  
01:18:06,620 --> 01:18:01,320  
but I will say this and I will say this

1559  
01:18:10,850 --> 01:18:06,630  
very very forward when when we have a

1560  
01:18:12,830 --> 01:18:10,860  
mass shooting like we've had it seems

1561  
01:18:16,070 --> 01:18:12,840  
like every single month of the year it

1562  
01:18:17,870 --> 01:18:16,080  
something goes down and you and and you

1563  
01:18:20,420 --> 01:18:17,880

want to say that that is a staged event

1564

01:18:22,520 --> 01:18:20,430

when children have died and parents are

1565

01:18:25,340 --> 01:18:22,530

burying their children I'm not gonna I'm

1566

01:18:28,160 --> 01:18:25,350

not going to be part of that and well

1567

01:18:32,450 --> 01:18:28,170

I'm not I'm just not I'm not I'm not

1568

01:18:34,760 --> 01:18:32,460

Isaac Isaac I am NOT and I talked to

1569

01:18:36,410 --> 01:18:34,770

that one specifically but I will say

1570

01:18:39,169 --> 01:18:36,420

there's a feeling around

1571

01:18:42,169 --> 01:18:39,179

all of these that either they were

1572

01:18:44,689 --> 01:18:42,179

heavily influenced by the deep state

1573

01:18:47,180 --> 01:18:44,699

which you know a poll just came out

1574

01:18:50,030 --> 01:18:47,190

saying 72 percent of Americans believe

1575

01:18:52,640 --> 01:18:50,040

that that's an actual thing that's going

1576

01:18:58,160 --> 01:18:52,650

on I don't think there's any question

1577

01:19:01,220 --> 01:18:58,170

now so they are the ones that are

1578

01:19:03,500 --> 01:19:01,230

benefiting from Rome setting these up

1579

01:19:05,180 --> 01:19:03,510

that's pretty much what they're doing

1580

01:19:07,070 --> 01:19:05,190

day in day out is setting these things

1581

01:19:09,410 --> 01:19:07,080

up there they're not working in the

1582

01:19:11,990 --> 01:19:09,420

interest of the American people they're

1583

01:19:14,689 --> 01:19:12,000

working for a globalist order that they

1584

01:19:17,000 --> 01:19:14,699

have put into motion that I think has

1585

01:19:20,510 --> 01:19:17,010

already failed and now they're just

1586

01:19:22,580 --> 01:19:20,520

pretty much going for broke

1587

01:19:25,459 --> 01:19:22,590

well we'll find out man we'll find out

1588

01:19:27,560 --> 01:19:25,469

Isaac and and I agree with 9/11 there's

1589

01:19:30,020 --> 01:19:27,570

definitely some crazy stuff going down

1590

01:19:31,700 --> 01:19:30,030

there but I have kids and when it comes

1591

01:19:34,400 --> 01:19:31,710

to that other stuff with parents and

1592

01:19:36,709 --> 01:19:34,410

when they were involved I back off man

1593

01:19:38,419 --> 01:19:36,719

I bet well that's got a play out and

1594

01:19:41,000 --> 01:19:38,429

we'll get to the evidence on that in the

1595

01:19:43,430 --> 01:19:41,010

days and weeks and years ahead but thank

1596

01:19:46,010 --> 01:19:43,440

you for the phone call my friend all

1597

01:19:46,760 --> 01:19:46,020

right yeah you too hi you're live on

1598

01:19:49,189 --> 01:19:46,770

fade to black

1599

01:19:50,140 --> 01:19:49,199

oh whoa whoa whoa whoa whoa who's

1600

01:19:52,790 --> 01:19:50,150

calling

1601  
01:19:54,709 --> 01:19:52,800  
you Kate yeah thank you for taking my

1602  
01:19:57,680 --> 01:19:54,719  
call sir this came from everyone hey

1603  
01:19:59,959 --> 01:19:57,690  
Kent from Irvine how are you I'm fine

1604  
01:20:01,939 --> 01:19:59,969  
Jimmy how you doing it's uh it's it's

1605  
01:20:05,200 --> 01:20:01,949  
Wednesday night it's fate or night and

1606  
01:20:08,300 --> 01:20:05,210  
I'm pissed off at Zuckerberg how are you

1607  
01:20:08,990 --> 01:20:08,310  
man you know I can't blame you if it

1608  
01:20:12,380 --> 01:20:09,000  
helps any

1609  
01:20:13,880 --> 01:20:12,390  
you know Wednesday is the principal

1610  
01:20:16,310 --> 01:20:13,890  
Getty day on the Italian north under

1611  
01:20:17,540 --> 01:20:16,320  
Boston so is that right after that is

1612  
01:20:21,380 --> 01:20:17,550  
that that is true

1613  
01:20:23,900 --> 01:20:21,390

yep okay but yes Zuckerberg is get me

1614

01:20:26,919 --> 01:20:23,910

but you know what I what I did the the

1615

01:20:31,850 --> 01:20:26,929

other week ago is I read the fine print

1616

01:20:34,370 --> 01:20:31,860

for a company that starts with the gia

1617

01:20:35,930 --> 01:20:34,380

and the nanny and I read all the fine

1618

01:20:38,390 --> 01:20:35,940

print on all of the things that they

1619

01:20:40,040 --> 01:20:38,400

wanted demanded access to and they

1620

01:20:43,010 --> 01:20:40,050

wanted unfettered access to my

1621

01:20:47,390 --> 01:20:43,020

microphone and my camera and my contacts

1622

01:20:49,459 --> 01:20:47,400

at my email and that just got me to no

1623

01:20:51,709 --> 01:20:49,469

end right yeah

1624

01:20:53,390 --> 01:20:51,719

have I was just checking if you're

1625

01:20:56,750 --> 01:20:53,400

watching on the camera what I was just

1626

01:21:00,020 --> 01:20:56,760

checking I have tape on all of my

1627

01:21:01,700 --> 01:21:00,030

cameras here in the studio on the laptop

1628

01:21:03,950 --> 01:21:01,710

so it was just I can't see it because

1629

01:21:06,620 --> 01:21:03,960

it's so dark but it was like yeah it's

1630

01:21:10,310 --> 01:21:06,630

still there so I've got yeah man I've

1631

01:21:12,229 --> 01:21:10,320

got all of that stuff covered that it

1632

01:21:16,939 --> 01:21:12,239

did you say oh you probably didn't see

1633

01:21:19,100 --> 01:21:16,949

it on our alerts on our series breaking

1634

01:21:24,020 --> 01:21:19,110

mysterious I did an episode on Pokemon

1635

01:21:25,640 --> 01:21:24,030

go and yeah and Pokemon go that is just

1636

01:21:28,009 --> 01:21:25,650

one software program but it was

1637

01:21:31,399 --> 01:21:28,019

developed by the CIA that was CIA

1638

01:21:35,870 --> 01:21:31,409

venture capital money that originally

1639

01:21:38,390 --> 01:21:35,880

started back in the first Iraq war but

1640

01:21:40,569 --> 01:21:38,400

the the development of the second Iraq

1641

01:21:43,310 --> 01:21:40,579

war the development of Google Earth and

1642

01:21:46,069 --> 01:21:43,320

guided bombs and and all of those guided

1643

01:21:49,910 --> 01:21:46,079

musicians and you know GPS technology

1644

01:21:53,180 --> 01:21:49,920

that that same software changed hands

1645

01:21:57,140 --> 01:21:53,190

all the way through to Pokemon go and

1646

01:21:59,779 --> 01:21:57,150

the the CEO of that company was the same

1647

01:22:04,520 --> 01:21:59,789

CEO that borrowed the money from the CIA

1648

01:22:08,689 --> 01:22:04,530

and developed GPS and Google Earth and

1649

01:22:11,719 --> 01:22:08,699

Google Maps and and so that's see it's

1650

01:22:12,919 --> 01:22:11,729

just like wait a minute here and you've

1651

01:22:16,219 --> 01:22:12,929

got all these kids

1652

01:22:17,870 --> 01:22:16,229

so the original outrage with Pokemon go

1653

01:22:21,259 --> 01:22:17,880

was that when you clicked on that in

1654

01:22:23,540 --> 01:22:21,269

order to install the program right for

1655

01:22:27,140 --> 01:22:23,550

Pokemon go on your cell phone they got

1656

01:22:29,509 --> 01:22:27,150

control of your email send and receive

1657

01:22:33,109 --> 01:22:29,519

they got control of your camera of your

1658

01:22:36,919 --> 01:22:33,119

microphone of your GPS and all of the

1659

01:22:42,040 --> 01:22:36,929

data in your file folders now wait a

1660

01:22:46,939 --> 01:22:42,050

minute here right and so that meant that

1661

01:22:52,310 --> 01:22:46,949

as an example let's say that you and a

1662

01:22:54,259 --> 01:22:52,320

friend are at a coffee shop right and

1663

01:22:57,259 --> 01:22:54,269

you've got pokemons go on your phone

1664

01:22:59,060 --> 01:22:57,269

right and so does your friend you're

1665

01:23:01,339 --> 01:22:59,070

making noise in the background no noise

1666

01:23:03,109 --> 01:23:01,349

allowed it's really about that Jimmy

1667

01:23:09,139 --> 01:23:03,119

okay I just stopped it done

1668

01:23:11,149 --> 01:23:09,149

now and the CIA is following somebody

1669

01:23:14,389 --> 01:23:11,159

that they want to follow right or the

1670

01:23:19,549 --> 01:23:14,399

NSA CIA yep and they follow this guy

1671

01:23:22,549 --> 01:23:19,559

into that coffee shop then they go oh

1672

01:23:23,839 --> 01:23:22,559

he's in there we need to know who he's

1673

01:23:26,959 --> 01:23:23,849

talking to

1674

01:23:32,060 --> 01:23:26,969

let's record it who in the coffee shop

1675

01:23:35,209 --> 01:23:32,070

has pokemons go oh wait a minute yeah we

1676

01:23:38,929 --> 01:23:35,219

got Kent from Irvine is sitting there

1677

01:23:40,850 --> 01:23:38,939

with his buddy let's activate their

1678

01:23:42,919 --> 01:23:40,860

microphones you don't even have to see

1679

01:23:45,109 --> 01:23:42,929

your phone turn on and they are

1680

01:23:48,080 --> 01:23:45,119

listening to the conversation going on

1681

01:23:53,000 --> 01:23:48,090

next to you with the person that they're

1682

01:23:56,569 --> 01:23:53,010

trailing now you are a spy for the CIA

1683

01:23:58,879 --> 01:23:56,579

and could they do it could they do it

1684

01:24:01,759 --> 01:23:58,889

theoretically it's the easiest thing

1685

01:24:04,609 --> 01:24:01,769

ever it's it's a point and click with a

1686

01:24:07,310 --> 01:24:04,619

mouse I know where you are they know

1687

01:24:10,069 --> 01:24:07,320

who's next to you and and and Pokemon go

1688

01:24:14,449 --> 01:24:10,079

it's all there and it's GPS it's the

1689

01:24:16,729 --> 01:24:14,459

same GPS technology right now today and

1690

01:24:18,589 --> 01:24:16,739

and Google Maps and Google Earth and

1691

01:24:21,919 --> 01:24:18,599

they're able to look at exactly where

1692

01:24:24,589 --> 01:24:21,929

you are at that with Pokemon go have you

1693

01:24:27,080 --> 01:24:24,599

ever seen Pokemon go work have you ever

1694

01:24:29,270 --> 01:24:27,090

seen my kid had it yeah my kids data so

1695

01:24:31,580 --> 01:24:29,280

you've seen it work right you're why

1696

01:24:34,699 --> 01:24:31,590

you're walking down the street watching

1697

01:24:36,649 --> 01:24:34,709

your camera you're looking at everything

1698

01:24:38,750 --> 01:24:36,659

on the street in front of you and you

1699

01:24:40,250 --> 01:24:38,760

can track and see all of the other

1700

01:24:42,859 --> 01:24:40,260

characters that are in your vicinity

1701

01:24:45,889 --> 01:24:42,869

right and it can take you to move it

1702

01:24:48,350 --> 01:24:45,899

around look dude think about that is the

1703

01:24:51,799 --> 01:24:48,360

craziest invasion of privacy you're

1704

01:24:54,529 --> 01:24:51,809

walking by people's houses man you know

1705

01:24:57,290 --> 01:24:54,539

and it is it for me it's the most

1706

01:24:59,239 --> 01:24:57,300

disturbing disturbing thing out there so

1707

01:25:01,250 --> 01:24:59,249

hey Ken thank you so much I got to get

1708

01:25:04,790 --> 01:25:01,260

to these other phone calls and and get

1709

01:25:06,319 --> 01:25:04,800

to a break but thank you so much having

1710

01:25:09,199 --> 01:25:06,329

fun listening to you reg you go brother

1711

01:25:10,639 --> 01:25:09,209

yeah you too Ken thank you so much hi

1712

01:25:12,259 --> 01:25:10,649

you're live on fade to black who's

1713

01:25:15,679 --> 01:25:12,269

calling you're live on fade to black

1714

01:25:16,520 --> 01:25:15,689

who's calling hi Jimmy this is Karen

1715

01:25:22,700 --> 01:25:16,530

from Geo

1716

01:25:26,030 --> 01:25:22,710

Karen from Seattle ah the tech the tech

1717

01:25:28,790 --> 01:25:26,040

center of the known universe so how are

1718

01:25:31,670 --> 01:25:28,800

you feeling - yeah yeah yeah so Lake

1719

01:25:34,280 --> 01:25:31,680

Washington all that money all that that

1720

01:25:35,510 --> 01:25:34,290

Internet money all that stuff going on

1721

01:25:40,400 --> 01:25:35,520

up there how do you feel about

1722

01:25:44,270 --> 01:25:40,410

Zuckerberg today I'm not surprised about

1723

01:25:46,640 --> 01:25:44,280

Zuckerberg at all with the especially

1724

01:25:47,960 --> 01:25:46,650

with the SIOP experiment that happened

1725

01:25:52,100 --> 01:25:47,970

in 2014

1726

01:25:55,130 --> 01:25:52,110

yep where Facebook allowed the

1727

01:25:57,320 --> 01:25:55,140

government to come in and do emotional

1728

01:26:01,490 --> 01:25:57,330

experiments to see how they could

1729

01:26:04,520 --> 01:26:01,500

socially engineer America I think that

1730

01:26:08,240 --> 01:26:04,530

was in preparation for the upcoming 2016

1731

01:26:10,340 --> 01:26:08,250

election so I wasn't surprised everybody

1732

01:26:12,620 --> 01:26:10,350

on the Internet does this this is very

1733

01:26:16,520 --> 01:26:12,630

common you have to practice safe

1734

01:26:18,620 --> 01:26:16,530

computing but like you were just talking

1735

01:26:21,110 --> 01:26:18,630

about with the gentleman before you're

1736

01:26:23,630 --> 01:26:21,120

sitting in a cafe you don't know who

1737

01:26:27,260 --> 01:26:23,640

you're sitting next to what access other

1738

01:26:31,040 --> 01:26:27,270

people have and so you have to become

1739

01:26:35,000 --> 01:26:31,050

aware that sometimes unplugging is the

1740

01:26:38,210 --> 01:26:35,010

best way to go there are there are other

1741

01:26:42,740 --> 01:26:38,220

things too as we talked about here in

1742

01:26:47,360 --> 01:26:42,750

our community to what extent will the

1743

01:26:50,260 --> 01:26:47,370

powers-that-be go in order to have

1744

01:26:53,270 --> 01:26:50,270

domination and control over a society

1745

01:26:57,440 --> 01:26:53,280

where do they draw the line do they draw

1746

01:27:00,410 --> 01:26:57,450

the line at you know the popular theory

1747

01:27:04,250 --> 01:27:00,420

of dropping the buildings during 9-1-1

1748

01:27:09,950 --> 01:27:04,260

all those people died do they draw the

1749

01:27:16,400 --> 01:27:09,960

line at allowing content on social media

1750

01:27:20,030 --> 01:27:16,410

over all platforms - so influenced young

1751

01:27:23,570 --> 01:27:20,040

minds that they will go out and shoot up

1752

01:27:29,899 --> 01:27:23,580

Columbine shoot up movie theaters mail

1753

01:27:33,310 --> 01:27:29,909

bombs all over the country in it

1754

01:27:38,540 --> 01:27:33,320

are these behaviors socially engineered

1755

01:27:42,169 --> 01:27:38,550

for a reason and what I I think it comes

1756

01:27:45,410 --> 01:27:42,179

down to this now where is our power and

1757

01:27:47,780 --> 01:27:45,420

what can we do about it

1758

01:27:51,290 --> 01:27:47,790

other than just having angry twitter

1759

01:27:56,649 --> 01:27:51,300

wars yeah yeah I do I do and I totally

1760

01:28:01,430 --> 01:27:56,659

agree with your your mindset with that

1761

01:28:03,260 --> 01:28:01,440

the the people that and this is what

1762

01:28:05,419 --> 01:28:03,270

Zuckerberg and others and and the

1763

01:28:09,320 --> 01:28:05,429

government to ultimately need to realize

1764

01:28:12,020 --> 01:28:09,330

you think you can't control you will try

1765

01:28:15,700 --> 01:28:12,030

to control right and you think that you

1766

01:28:19,550 --> 01:28:15,710

are able to do that all of that is fine

1767

01:28:22,340 --> 01:28:19,560

ultimately who puts you in power and who

1768

01:28:25,220 --> 01:28:22,350

makes things happen and who buys the ads

1769

01:28:28,550 --> 01:28:25,230

and makes Facebook run and everything

1770

01:28:30,560 --> 01:28:28,560

else are the people that's that's the

1771

01:28:33,620 --> 01:28:30,570

that's the that's the ultimate thing and

1772

01:28:39,470 --> 01:28:33,630

they've lost sight of that every great

1773

01:28:44,050 --> 01:28:39,480

Empire everyone has fallen everyone even

1774

01:28:47,950 --> 01:28:44,060

the mighty Soviet Union right every Rome

1775

01:28:51,050 --> 01:28:47,960

you can go on and on Rome own the world

1776

01:28:53,419 --> 01:28:51,060

Spain you know and think about the

1777

01:28:57,169 --> 01:28:53,429

control that the United Kingdom had at

1778

01:29:00,200 --> 01:28:57,179

one time everything falls all the great

1779

01:29:01,910 --> 01:29:00,210

corporations everything when you just

1780

01:29:04,100 --> 01:29:01,920

when you think that it doesn't matter

1781

01:29:05,720 --> 01:29:04,110

that you're untouchable that's the point

1782

01:29:08,720 --> 01:29:05,730

where you start to go in the other

1783

01:29:10,850 --> 01:29:08,730

direction and and ultimately just like

1784

01:29:15,410 --> 01:29:10,860

Facebook 2 billion users

1785

01:29:19,160 --> 01:29:15,420

they can't fail right no you can go away

1786

01:29:21,700 --> 01:29:19,170

and and the the people are in the in

1787

01:29:24,050 --> 01:29:21,710

that control and when we realize that

1788

01:29:26,930 --> 01:29:24,060

once we realize that we don't want

1789

01:29:28,910 --> 01:29:26,940

something boom changes happen and it

1790

01:29:32,720 --> 01:29:28,920

happens quick what was your name again

1791

01:29:36,169 --> 01:29:32,730

Oh Karen thank you for the phone call

1792

01:29:38,810 --> 01:29:36,179

I've got a break for a commercial right

1793

01:29:40,879 --> 01:29:38,820

here but thank you for that and again I

1794

01:29:42,840 --> 01:29:40,889

don't want anybody to lose sight of it I

1795

01:29:45,960 --> 01:29:42,850

agree with you we

1796

01:29:48,060 --> 01:29:45,970

still have that control they think they

1797

01:29:50,690 --> 01:29:48,070

control us but they don't thank you

1798

01:29:54,540 --> 01:29:50,700

Karen be safe up there

1799

01:29:56,610 --> 01:29:54,550

fade to black fainter nights not

1800

01:29:58,230 --> 01:29:56,620

tomorrow night it is tonight more of

1801  
01:30:00,540 --> 01:29:58,240  
your phone calls are next if you're on

1802  
01:30:04,190 --> 01:30:00,550  
hold stay right there I'm you know Jimmy

1803  
01:30:11,760 --> 01:30:04,200  
Church it's on we'll be right back

1804  
01:30:19,240 --> 01:30:14,970  
way out here we listen to Jimmy Church

1805  
01:30:21,280 --> 01:30:19,250  
you're listening to fade to black always

1806  
01:30:24,130 --> 01:30:21,290  
on the edge of the hottest alternative

1807  
01:30:43,750 --> 01:30:24,140  
talk jimmy church with fade to black

1808  
01:30:47,110 --> 01:30:43,760  
stay gra radio.com Akane's

1809  
01:30:48,850 --> 01:30:47,120  
earthquakes wildfires this year we've

1810  
01:30:51,250 --> 01:30:48,860  
experienced more than our fair share

1811  
01:30:54,130 --> 01:30:51,260  
this is Jimmy Church of fade to black

1812  
01:30:56,350 --> 01:30:54,140  
and last month I decided to make sure my

1813  
01:30:58,630 --> 01:30:56,360

family does not have to worry about food

1814

01:31:01,690 --> 01:30:58,640

should we get caught in a real emergency

1815

01:31:03,700 --> 01:31:01,700

situation introducing new manna a

1816

01:31:05,500 --> 01:31:03,710

healthy storable product that tastes so

1817

01:31:07,510 --> 01:31:05,510

good that you'll want to eat it every

1818

01:31:09,970 --> 01:31:07,520

day instead of just during those times

1819

01:31:13,360 --> 01:31:09,980

of duress all new mana products have a

1820

01:31:16,300 --> 01:31:13,370

25 year shelf life our MSG and GMO free

1821

01:31:18,430 --> 01:31:16,310

no preservatives and are made in America

1822

01:31:20,470 --> 01:31:18,440

with the new manna pack in your home

1823

01:31:23,050 --> 01:31:20,480

you'll be able to sleep at night knowing

1824

01:31:26,200 --> 01:31:23,060

that you protected your family not only

1825

01:31:28,570 --> 01:31:26,210

have I tasted and tested I own it now

1826

01:31:30,910 --> 01:31:28,580

you can too just click on the new mana

1827

01:31:32,950 --> 01:31:30,920

banner on Jimmy Church radio.com and use

1828

01:31:35,350 --> 01:31:32,960

the promo code Jimmy when you order in

1829

01:31:37,480 --> 01:31:35,360

addition to a discount we'll send you an

1830

01:31:41,350 --> 01:31:37,490

autograph fade to black t-shirt

1831

01:31:42,880 --> 01:31:41,360

seriously gobekli tepe do you worry a

1832

01:31:45,270 --> 01:31:42,890

lot whether you're a college student

1833

01:31:47,770 --> 01:31:45,280

busy professional parent or grandparent

1834

01:31:49,840 --> 01:31:47,780

ongoing stress and elevated levels of

1835

01:31:52,090 --> 01:31:49,850

the stress hormone cortisol can rob your

1836

01:31:54,310 --> 01:31:52,100

memory your health and your future now

1837

01:31:56,260 --> 01:31:54,320

you can combat the effects of stress and

1838

01:31:58,630 --> 01:31:56,270

anxiety while improving your memory and

1839

01:32:00,790 --> 01:31:58,640

recall at the same time with the dietary

1840

01:32:02,320 --> 01:32:00,800

supplement calm and clever studies

1841

01:32:04,690 --> 01:32:02,330

showed that the ingredients in common

1842

01:32:06,730 --> 01:32:04,700

clever reduce cortisol by as much as 30%

1843

01:32:08,230 --> 01:32:06,740

in one to two weeks call one eight

1844

01:32:11,190 --> 01:32:08,240

hundred seven five eight eight seven

1845

01:32:14,970 --> 01:32:11,200

four six or calm and clever calm

1846

01:32:22,710 --> 01:32:14,980

you listen to us and we listen to you so

1847

01:32:24,900 --> 01:32:22,720

does the CIA jgr a radio.com hey folks

1848

01:32:26,940 --> 01:32:24,910

CBD is the home run hitter for health

1849

01:32:29,010 --> 01:32:26,950

right now why do you ask because of what

1850

01:32:31,170 --> 01:32:29,020

it does for the body unfortunately I

1851  
01:32:32,940 --> 01:32:31,180  
can't tell you all about the benefit you

1852  
01:32:35,070 --> 01:32:32,950  
know there's reasons do your due

1853  
01:32:35,850 --> 01:32:35,080  
diligence and log on to ancient life oil

1854  
01:32:40,260 --> 01:32:35,860  
com

1855  
01:32:42,360 --> 01:32:40,270  
oil uses organic ingredients and is

1856  
01:32:45,140 --> 01:32:42,370  
blended in coconut oil for some of the

1857  
01:32:48,060 --> 01:32:45,150  
best benefits legal in 50 states and

1858  
01:32:49,140 --> 01:32:48,070  
non-psychoactive log on to ancient life

1859  
01:32:56,010 --> 01:32:49,150  
oil com

1860  
01:33:00,690 --> 01:32:56,020  
listening to fade to black with Ginny

1861  
01:33:03,390 --> 01:33:00,700  
Church on the game changer Network hi

1862  
01:33:05,940 --> 01:33:03,400  
I'm Lisa Vance you're listening to me

1863  
01:33:08,760 --> 01:33:05,950

Church this is a revolution the

1864

01:33:16,210 --> 01:33:08,770

revolution will not be televised the

1865

01:33:16,220 --> 01:33:55,490

[Music]

1866

01:34:00,000 --> 01:33:57,720

all right welcome back fade to black

1867

01:34:04,080 --> 01:34:00,010

tonight's Fator night not tomorrow night

1868

01:34:05,790 --> 01:34:04,090

you're not in a time travel movie three

1869

01:34:07,500 --> 01:34:05,800

two three eight two five five zero four

1870

01:34:10,680 --> 01:34:07,510

five four three two three two seven five

1871

01:34:13,950 --> 01:34:10,690

nine six nine five and those on the

1872

01:34:16,500 --> 01:34:13,960

bunker camera are just watching me try

1873

01:34:18,240 --> 01:34:16,510

to anyway I just blew out a bunch of

1874

01:34:21,510 --> 01:34:18,250

callers and you're listening to me right

1875

01:34:25,680 --> 01:34:21,520

now and you are angry I apologize for

1876

01:34:29,820 --> 01:34:25,690

that I it was just a slip so with that

1877

01:34:33,840 --> 01:34:29,830

I'm gonna go back you're live I'm beta

1878

01:34:35,820 --> 01:34:33,850

black who's calling hi this is Amy Perry

1879

01:34:46,410 --> 01:34:35,830

Lane how are you hey Amy how are you

1880

01:34:51,900 --> 01:34:46,420

contest winner my on speaker can you

1881

01:34:53,340 --> 01:34:51,910

take me off speaker okay

1882

01:34:56,130 --> 01:34:53,350

all right then then it's me don't worry

1883

01:34:59,100 --> 01:34:56,140

about a thing Amy how are you okay I'm

1884

01:35:01,260 --> 01:34:59,110

doing good thanks just concerned about

1885

01:35:03,570 --> 01:35:01,270

all the crap that keeps going on but

1886

01:35:05,670 --> 01:35:03,580

other than that good I'm gonna let

1887

01:35:08,850 --> 01:35:05,680

everybody know Amy's one of our podcast

1888

01:35:12,270 --> 01:35:08,860

winners and congratulations Amy and I

1889

01:35:14,160 --> 01:35:12,280

know that you've got a stuff ready to go

1890

01:35:16,830 --> 01:35:14,170

and we're going to air that pretty

1891

01:35:18,980 --> 01:35:16,840

quickly here so congratulations on that

1892

01:35:21,300 --> 01:35:18,990

house all the equipment and everything

1893

01:35:24,270 --> 01:35:21,310

the equipment is fantastic

1894

01:35:28,320 --> 01:35:24,280

I signed up for a few classes too so I

1895

01:35:33,170 --> 01:35:28,330

can polish things up so right on I'm not

1896

01:35:37,980 --> 01:35:36,000

now you're gonna be just fine and we're

1897

01:35:40,200 --> 01:35:37,990

all looking forward to your first

1898

01:35:41,880 --> 01:35:40,210

episodes here on enough fade to black so

1899

01:35:45,900 --> 01:35:41,890

what's on your mind tonight and by the

1900

01:35:48,060 --> 01:35:45,910

way I blew out accidentally clicked on a

1901

01:35:50,640 --> 01:35:48,070

bunch of callers right in front of you

1902

01:35:52,920 --> 01:35:50,650

so you just bounced up the line really

1903

01:35:55,380 --> 01:35:52,930

quick that must have felt pretty cool

1904

01:35:56,910 --> 01:35:55,390

but there's some angry people out there

1905

01:36:00,240 --> 01:35:56,920

that are gonna go dude down hung up on

1906

01:36:01,980 --> 01:36:00,250

me so what's on your mind my fault

1907

01:36:06,060 --> 01:36:01,990

right right right right right what's on

1908

01:36:08,280 --> 01:36:06,070

your mind well all this Facebook stuff

1909

01:36:10,860 --> 01:36:08,290

it's it's just the tip of the iceberg I

1910

01:36:13,680 --> 01:36:10,870

mean we're all under the microscope and

1911

01:36:15,390 --> 01:36:13,690

and the reason thing we all have cell

1912

01:36:17,250 --> 01:36:15,400

phones we're always online we're always

1913

01:36:19,620 --> 01:36:17,260

connected there's not anything that you

1914

01:36:24,230 --> 01:36:19,630

can do that somebody doesn't have

1915

01:36:29,010 --> 01:36:24,240

information on you do you use Facebook

1916

01:36:31,830 --> 01:36:29,020

yes I do yeah okay so do i so do i you

1917

01:36:34,170 --> 01:36:31,840

know when do you think about it if you

1918

01:36:35,610 --> 01:36:34,180

are over the age of two in the United

1919

01:36:38,100 --> 01:36:35,620

States you have a Facebook account

1920

01:36:43,620 --> 01:36:38,110

that's just the way that it is everybody

1921

01:36:47,160 --> 01:36:43,630

does so that's okay but with did you

1922

01:36:50,840 --> 01:36:47,170

ever take any of those quizzes or any of

1923

01:36:54,420 --> 01:36:50,850

those tests or anything that popped up

1924

01:36:55,950 --> 01:36:54,430

yes yeah I have I mean especially like

1925

01:36:57,420 --> 01:36:55,960

it's our board somewhere and you're

1926

01:36:59,220 --> 01:36:57,430

waiting and there's nothing else to do

1927

01:37:03,210 --> 01:36:59,230

and maybe you don't want to see all the

1928

01:37:05,520 --> 01:37:03,220

negativity that gets posted so you do

1929

01:37:07,410 --> 01:37:05,530

something mindless but yeah so it's

1930

01:37:10,230 --> 01:37:07,420

really frightening to think somebody's

1931

01:37:12,810 --> 01:37:10,240

profiling everything and and and just

1932

01:37:15,630 --> 01:37:12,820

you know you have to close out of like a

1933

01:37:17,580 --> 01:37:15,640

social media app if you want to do any

1934

01:37:18,890 --> 01:37:17,590

ordering otherwise your feeds filled

1935

01:37:21,510 --> 01:37:18,900

with you know it's just amazing

1936

01:37:25,650 --> 01:37:21,520

everything that they try to cater and

1937

01:37:29,700 --> 01:37:25,660

steer toward you it's so you know I'm

1938

01:37:34,380 --> 01:37:29,710

sitting and doing something innocent

1939

01:37:35,370 --> 01:37:34,390

like I've got to go and I'll give you a

1940

01:37:39,360 --> 01:37:35,380

perfect example

1941

01:37:41,910 --> 01:37:39,370

all right need a new I need a new

1942

01:37:44,850 --> 01:37:41,920

garbage disposal right for my kitchen

1943

01:37:46,530 --> 01:37:44,860

this and this you know but this happened

1944

01:37:49,020 --> 01:37:46,540

last year so what do I do

1945

01:37:52,440 --> 01:37:49,030

jump on my phone really quick okay

1946

01:37:54,720 --> 01:37:52,450

garbage disposals lows what do they have

1947

01:37:58,110 --> 01:37:54,730

I need to go and and pick one up right

1948

01:38:00,630 --> 01:37:58,120

now I'm in the car and and for the neck

1949

01:38:02,160 --> 01:38:00,640

I mean it's all get I'll get back to the

1950

01:38:05,760 --> 01:38:02,170

house you know got my new garbage

1951

01:38:08,520 --> 01:38:05,770

disposal and put it in to whatever right

1952

01:38:11,160 --> 01:38:08,530

now I'm on the back patio drinking a cup

1953

01:38:12,809 --> 01:38:11,170

of fade to black blend and I sit there

1954

01:38:14,879 --> 01:38:12,819

and I pick up my phone

1955

01:38:21,000 --> 01:38:14,889

and and I turn it on and what do I see

1956

01:38:26,729 --> 01:38:21,010

an ad for garbage disposal now how fast

1957

01:38:29,309 --> 01:38:26,739

is it how intrusive is it really it's

1958

01:38:33,000 --> 01:38:29,319

that quick no matter what you're doing

1959

01:38:36,659 --> 01:38:33,010

socks you know you just go do a simple

1960

01:38:39,329 --> 01:38:36,669

google search immediately those bots

1961

01:38:42,569 --> 01:38:39,339

pick up on that turn around and and

1962

01:38:46,949 --> 01:38:42,579

Lowe's is now or whoever right Home

1963

01:38:49,109 --> 01:38:46,959

Depot Amazon is now hitting me with ads

1964

01:38:51,239 --> 01:38:49,119

for garbage disposals before I go out

1965

01:38:55,229 --> 01:38:51,249

and buy one why they want to make sure

1966

01:38:56,669 --> 01:38:55,239

that and it's just crazy and it could be

1967

01:38:59,989 --> 01:38:56,679

anything you know you're sitting there

1968

01:39:02,339 --> 01:38:59,999

and you're um how many times have you

1969

01:39:05,099 --> 01:39:02,349

searched or how many times have you

1970

01:39:07,859 --> 01:39:05,109

written in Facebook or on Twitter or

1971

01:39:11,009 --> 01:39:07,869

whatever and you set a word like ice

1972

01:39:13,469 --> 01:39:11,019

cream cones and then you're not ice

1973

01:39:15,449 --> 01:39:13,479

cream cone ads popping up you're like I

1974

01:39:17,129 --> 01:39:15,459

haven't said I the only time I mentioned

1975

01:39:20,219 --> 01:39:17,139

ice cream cones was when I was talking

1976

01:39:23,520 --> 01:39:20,229

to my butt and it was what you know it's

1977

01:39:25,679 --> 01:39:23,530

like it's like that man it's amazing

1978

01:39:27,959 --> 01:39:25,689

it's amazing and and when I've been

1979

01:39:30,989 --> 01:39:27,969

saying and talking to friends about and

1980

01:39:33,539 --> 01:39:30,999

Jay Brock who's always on Twitter with

1981

01:39:36,689 --> 01:39:33,549

you is a very good friend of mine and

1982

01:39:39,179 --> 01:39:36,699

and he's actually but turned me on to

1983

01:39:41,189 --> 01:39:39,189

listening to your show because I want to

1984

01:39:45,809 --> 01:39:41,199

get deeper than just mindless babble a

1985

01:39:47,279 --> 01:39:45,819

lot of times sure so it was amazing you

1986

01:39:50,219 --> 01:39:47,289

know we've been talking for a while

1987

01:39:52,500 --> 01:39:50,229

about all of this stuff that people keep

1988

01:39:55,319 --> 01:39:52,510

just bickering squabbling back and forth

1989

01:39:57,649 --> 01:39:55,329

and missing the bigger picture it just

1990

01:40:01,049 --> 01:39:57,659

so much seems to be geared towards

1991

01:40:05,009 --> 01:40:01,059

keeping people fighting from news

1992

01:40:09,209 --> 01:40:05,019

stories that are being shared to videos

1993

01:40:11,759 --> 01:40:09,219

to you know just the debates instead of

1994

01:40:12,959 --> 01:40:11,769

you know kind of a you know I really

1995

01:40:14,819 --> 01:40:12,969

don't want to talk about the school

1996

01:40:15,929 --> 01:40:14,829

shooting stuff as about as much as you

1997

01:40:19,049 --> 01:40:15,939

do

1998

01:40:21,799 --> 01:40:19,059

but you know just to see people missing

1999

01:40:24,689 --> 01:40:21,809

the point and my point is is you know

2000

01:40:26,340 --> 01:40:24,699

when I was in school did you fear a

2001

01:40:27,810 --> 01:40:26,350

bully yeah

2002

01:40:30,960 --> 01:40:27,820

that's probably they're not going on

2003

01:40:32,910 --> 01:40:30,970

since the dawn of time but I never

2004

01:40:36,000 --> 01:40:32,920

feared for my life while trying to solve

2005

01:40:38,340 --> 01:40:36,010

an algebra problem right never once was

2006

01:40:39,870 --> 01:40:38,350

it that drastic and and I'm with you

2007

01:40:43,260 --> 01:40:39,880

watching your kids go through metal

2008

01:40:46,620 --> 01:40:43,270

detectors to go to class that's insane

2009

01:40:49,560 --> 01:40:46,630

just insane and and the the attitudes of

2010

01:40:52,980 --> 01:40:49,570

people and everybody seems so angry and

2011

01:40:55,740 --> 01:40:52,990

and judgmental and and quick too quick

2012

01:40:59,160 --> 01:40:55,750

to fight in and am I thinking but what's

2013

01:41:01,590 --> 01:40:59,170

the fight for you know who's causing the

2014

01:41:03,540 --> 01:41:01,600

fights what's behind all of this and

2015

01:41:05,910 --> 01:41:03,550

what's the point what's the big

2016

01:41:06,930 --> 01:41:05,920

distraction from and you know what I

2017

01:41:09,360 --> 01:41:06,940

always feel like we're just being

2018

01:41:13,890 --> 01:41:09,370

distracted and Amy this is what's really

2019

01:41:17,670 --> 01:41:13,900

really interesting is that that anger

2020

01:41:22,260 --> 01:41:17,680

that dividing of everybody that you're

2021

01:41:25,380 --> 01:41:22,270

talking about probably started with that

2022

01:41:28,950 --> 01:41:25,390

little quiz that you took on Facebook

2023

01:41:33,450 --> 01:41:28,960

about what rock band would you be in the

2024

01:41:35,580 --> 01:41:33,460

80s right some stupid quiz so you go and

2025

01:41:37,470 --> 01:41:35,590

you take that quiz and you're like okay

2026

01:41:40,950 --> 01:41:37,480

I would have been Bret Michaels and

2027

01:41:43,800 --> 01:41:40,960

poison right or whatever but you

2028

01:41:46,890 --> 01:41:43,810

answered all of these questions all of

2029

01:41:49,110 --> 01:41:46,900

that is data mining that's not some

2030

01:41:52,800 --> 01:41:49,120

innocent little thing that somebody's

2031

01:41:55,920 --> 01:41:52,810

developed an app for for fun haha that's

2032

01:41:58,670 --> 01:41:55,930

data being collected about you and

2033

01:42:01,590 --> 01:41:58,680

hundreds of thousands of others

2034

01:42:05,400 --> 01:42:01,600

psychologically profiled and put into a

2035

01:42:09,300 --> 01:42:05,410

database and that that is crazy to me

2036

01:42:12,000 --> 01:42:09,310

and you see these apps all day long on

2037

01:42:16,550 --> 01:42:12,010

Facebook and as it turns out after what

2038

01:42:18,900 --> 01:42:16,560

Zuckerberg said today is that hey well

2039

01:42:22,170 --> 01:42:18,910

we were gonna do better in the future

2040

01:42:26,520 --> 01:42:22,180

about this well it's just like crazy

2041

01:42:28,590 --> 01:42:26,530

they didn't care right yeah and and the

2042

01:42:30,860 --> 01:42:28,600

the other part about it when you when

2043

01:42:32,970 --> 01:42:30,870

you think about it sure we had this

2044

01:42:36,840 --> 01:42:32,980

psychological test that was done by this

2045

01:42:39,360 --> 01:42:36,850

guy Alexander Cogan and obviously sold

2046

01:42:43,380 --> 01:42:39,370

and used against us that's the one that

2047

01:42:46,710 --> 01:42:43,390

know about the other all of these other

2048

01:42:48,030 --> 01:42:46,720

profiles and when they said on Facebook

2049

01:42:49,800 --> 01:42:48,040

a couple of years ago yeah we're gonna

2050

01:42:51,780 --> 01:42:49,810

be doing this we're gonna be we got AI

2051

01:42:53,790 --> 01:42:51,790

bots out there we're going to be you

2052

01:42:56,190 --> 01:42:53,800

know psychologically profiling everybody

2053

01:42:57,990 --> 01:42:56,200

and as part of what we do and innocently

2054

01:43:01,020 --> 01:42:58,000

that just kind of slid under the radar

2055

01:43:04,200 --> 01:43:01,030

Lord knows what they did with that data

2056

01:43:09,030 --> 01:43:04,210

collection but now when you think about

2057

01:43:12,180 --> 01:43:09,040

how many thousands of these types of

2058

01:43:15,180 --> 01:43:12,190

apps out there right little quiz little

2059

01:43:18,270 --> 01:43:15,190

quiz take this quiz take this quiz and

2060

01:43:21,270 --> 01:43:18,280

and and and it's it's going out there to

2061

01:43:23,790 --> 01:43:21,280

a billion people billion and a half how

2062

01:43:26,010 --> 01:43:23,800

many are taking it and and what are they

2063

01:43:27,360 --> 01:43:26,020

doing with that data this isn't some

2064

01:43:30,000 --> 01:43:27,370

innocent little thing

2065

01:43:32,010 --> 01:43:30,010

this is psychologically profiling

2066

01:43:34,260 --> 01:43:32,020

everybody in the United States and half

2067

01:43:37,080 --> 01:43:34,270

of the world and I'm not making this up

2068

01:43:40,650 --> 01:43:37,090

this isn't some conspiracy theory thing

2069

01:43:43,170 --> 01:43:40,660

it's real it's really you know and

2070

01:43:45,540 --> 01:43:43,180

Zuckerberg has a lot to feel really bad

2071

01:43:47,940 --> 01:43:45,550

about right now you know and you can't

2072

01:43:50,130 --> 01:43:47,950

you can't you run the company and you

2073

01:43:52,920 --> 01:43:50,140

just can't say well you know I was on my

2074

01:43:55,800 --> 01:43:52,930

island in Fiji for the last year trying

2075

01:44:00,330 --> 01:43:55,810

to find myself with my friends you know

2076

01:44:03,960 --> 01:44:00,340

no it's not that kind of party you know

2077

01:44:06,240 --> 01:44:03,970

and now karma has a way right that was

2078

01:44:08,700 --> 01:44:06,250

set up to be something to stay connected

2079

01:44:10,830 --> 01:44:08,710

and and you made a point of it that I've

2080

01:44:12,780 --> 01:44:10,840

been noticing - I've had several people

2081

01:44:15,090 --> 01:44:12,790

going do you not are you not on Facebook

2082

01:44:16,710 --> 01:44:15,100

anymore and I'm like what because I

2083

01:44:21,030 --> 01:44:16,720

never see anything you coast and I think

2084

01:44:23,400 --> 01:44:21,040

I post daily well no I sneak when you're

2085

01:44:26,370 --> 01:44:23,410

on one of those sites whoever you're

2086

01:44:28,530 --> 01:44:26,380

friends with or whoever follow you all

2087

01:44:31,020 --> 01:44:28,540

of those people should be able to see

2088

01:44:33,360 --> 01:44:31,030

what you post I don't like the fact that

2089

01:44:36,900 --> 01:44:33,370

somebody's deciding who I should stay

2090

01:44:39,450 --> 01:44:36,910

close to who's relevant to me you know

2091

01:44:41,970 --> 01:44:39,460

and and and I get that that's for

2092

01:44:43,860 --> 01:44:41,980

advertising too because you know if I

2093

01:44:47,460 --> 01:44:43,870

could I would take huge breaks from

2094

01:44:49,710 --> 01:44:47,470

social media being an empath because you

2095

01:44:53,310 --> 01:44:49,720

get kind of you know it gets

2096

01:44:55,800 --> 01:44:53,320

mind-boggling watching the stuff but

2097

01:44:57,900 --> 01:44:55,810

you know you can't if you use it for

2098

01:44:59,880 --> 01:44:57,910

promo for the work that you do for your

2099

01:45:02,610 --> 01:44:59,890

events that you have for that you know

2100

01:45:05,100 --> 01:45:02,620

and it's like it's don't tell me who's

2101

01:45:08,340 --> 01:45:05,110

relevant if you're friends with people

2102

01:45:10,170 --> 01:45:08,350

if you clicked on to follow somebody let

2103

01:45:13,080 --> 01:45:10,180

me see their stuff let me decide who I

2104

01:45:17,630 --> 01:45:13,090

want to see and who I don't yeah I

2105

01:45:20,340 --> 01:45:17,640

remember one of the beautiful beautiful

2106

01:45:24,090 --> 01:45:20,350

unbelievable things about Facebook back

2107

01:45:28,170 --> 01:45:24,100

in the day in in 2008 when you did a

2108

01:45:32,850 --> 01:45:28,180

post everybody read it in your friends

2109

01:45:35,370 --> 01:45:32,860

list right everybody got it and then it

2110

01:45:39,840 --> 01:45:35,380

started to trickle down you know five

2111

01:45:42,960 --> 01:45:39,850

years went by and I remember you know mm

2112

01:45:44,730 --> 01:45:42,970

let's go back to like 2011 2010 and

2113

01:45:47,940 --> 01:45:44,740

people started to say hey have you

2114

01:45:51,360 --> 01:45:47,950

noticed that people aren't reading your

2115

01:45:54,120 --> 01:45:51,370

post and I remember these conversations

2116

01:45:55,050 --> 01:45:54,130

going I was like nah really they

2117

01:45:57,360 --> 01:45:55,060

wouldn't do that

2118

01:45:59,280 --> 01:45:57,370

and they started posting about this on

2119

01:46:02,820 --> 01:45:59,290

Facebook and Facebook responded yeah

2120

01:46:04,020 --> 01:46:02,830

we're throttling back you know 50

2121

01:46:06,390 --> 01:46:04,030

percent of the people out there are

2122

01:46:08,400 --> 01:46:06,400

gonna actually read your post and and

2123

01:46:14,970 --> 01:46:08,410

not everybody's gonna get it we were

2124

01:46:16,860 --> 01:46:14,980

outraged about that today 5% 10% at best

2125

01:46:20,220 --> 01:46:16,870

if you have a hundred people in your

2126

01:46:22,680 --> 01:46:20,230

friends list a hundred 150 200 250

2127

01:46:25,190 --> 01:46:22,690

people in your friends list and half of

2128

01:46:28,530 --> 01:46:25,200

those are your family and you post out a

2129

01:46:31,590 --> 01:46:28,540

graduation or whatever with you half of

2130

01:46:34,740 --> 01:46:31,600

your family's not gonna read it they're

2131

01:46:37,380 --> 01:46:34,750

not know and that's that was the part

2132

01:46:39,930 --> 01:46:37,390

about Facebook that was cool you can

2133

01:46:42,090 --> 01:46:39,940

alert all of your friends and family

2134

01:46:44,880 --> 01:46:42,100

about something that just happened hey I

2135

01:46:49,260 --> 01:46:44,890

got a promotion today hey I lost my job

2136

01:46:50,760 --> 01:46:49,270

I'm homeless can somebody help me you

2137

01:46:52,890 --> 01:46:50,770

knew that people were gonna read it and

2138

01:46:56,520 --> 01:46:52,900

they were gonna be able to see that now

2139

01:46:58,950 --> 01:46:56,530

I I can tell you look I have my friends

2140

01:47:01,950 --> 01:46:58,960

Lissa's locked up right I've got 5,000

2141

01:47:06,150 --> 01:47:01,960

friends and so you would think that if I

2142

01:47:10,980 --> 01:47:06,160

did a really cool post like hey

2143

01:47:13,200 --> 01:47:10,990

today I found \$100 and I gave it to a

2144

01:47:16,530 --> 01:47:13,210

homeless guy and I post a picture of

2145

01:47:23,310 --> 01:47:16,540

that I should have 5,000 likes wouldn't

2146

01:47:25,500 --> 01:47:23,320

you think you know and and it's not you

2147

01:47:28,110 --> 01:47:25,510

can do those kind of tests you know and

2148

01:47:29,790 --> 01:47:28,120

and that's it's really the truth I'm not

2149

01:47:31,920 --> 01:47:29,800

going to get 5,000 likes out of

2150

01:47:33,840 --> 01:47:31,930

something like that you don't know I

2151

01:47:37,560 --> 01:47:33,850

always get you know like you know maybe

2152

01:47:39,930 --> 01:47:37,570

you know on a post that kind of gets out

2153

01:47:43,770 --> 01:47:39,940

there maybe 20 25 likes and I'm like

2154

01:47:46,110 --> 01:47:43,780

come on now you know and it's not about

2155

01:47:49,020 --> 01:47:46,120

like when everybody like me but it's

2156

01:47:51,270 --> 01:47:49,030

like can you please let this be seen you

2157

01:47:54,660 --> 01:47:51,280

know I mean that's what we use your site

2158

01:47:59,490 --> 01:47:54,670

for exactly do you think Facebook is too

2159

01:48:01,230 --> 01:47:59,500

big to fail no exactly and and and

2160

01:48:03,180 --> 01:48:01,240

mainly because you you brought up the

2161

01:48:07,470 --> 01:48:03,190

good points because I was giggling I'm

2162

01:48:10,080 --> 01:48:07,480

like oh yeah AOL you know Yahoo my mom

2163

01:48:14,700 --> 01:48:10,090

worked at AT&T and I watched all of that

2164

01:48:18,200 --> 01:48:14,710

go I mean yeah big unfortunately you

2165

01:48:21,780 --> 01:48:18,210

know people get greedy people get stupid

2166

01:48:24,240 --> 01:48:21,790

corporations just keep seeming to forget

2167

01:48:26,070 --> 01:48:24,250

the human element and you know where's

2168

01:48:28,880 --> 01:48:26,080

the ethics where's the balance and

2169

01:48:33,980 --> 01:48:28,890

checks you know all of that stuff in it

2170

01:48:42,660 --> 01:48:38,910

AOL net worth sold to Verizon it would

2171

01:48:48,420 --> 01:48:42,670

acquire AOL for 4.4 billion you remember

2172

01:48:50,960 --> 01:48:48,430

when that went down that was May 12 2015

2173

01:48:54,690 --> 01:48:50,970

what do you think ao Ellsworth today

2174

01:48:58,950 --> 01:48:54,700

right and remember the market cap when

2175

01:49:02,640 --> 01:48:58,960

everything was going down 75 billion you

2176

01:49:05,040 --> 01:49:02,650

know back in in the mid 90s and look

2177

01:49:07,920 --> 01:49:05,050

where they are today so to think that

2178

01:49:09,870 --> 01:49:07,930

could something go away how about hold

2179

01:49:16,230 --> 01:49:09,880

on let's do something even more special

2180

01:49:17,290 --> 01:49:16,240

let's do CompuServe remember that all

2181

01:49:23,440 --> 01:49:17,300

right

2182

01:49:28,720 --> 01:49:23,450

and now or less do CompuServe at its

2183

01:49:29,970 --> 01:49:28,730

peak in the early 1990s okay let's keep

2184

01:49:33,460 --> 01:49:29,980

going

2185

01:49:41,020 --> 01:49:33,470

ba-ba-ba-ba-ba so again CompuServe which

2186

01:49:45,400 --> 01:49:41,030

was a H&R block owned night CompuServe

2187

01:49:51,070 --> 01:49:45,410

isn't that nutty right and CompuServe

2188

01:49:53,650 --> 01:49:51,080

shut down in 2009 CompuServe 2000

2189

01:49:58,090 --> 01:49:53,660

followed suit in 2011 CompuServe dialer

2190

01:50:01,600 --> 01:49:58,100

continues to operate as a web portal so

2191

01:50:03,640 --> 01:50:01,610

there you go I mean and how big was copy

2192

01:50:07,030 --> 01:50:03,650

serve at one point you know but they

2193

01:50:09,760 --> 01:50:07,040

went away and I mean and you know what

2194

01:50:11,320 --> 01:50:09,770

there's there's there's you know other

2195

01:50:14,020 --> 01:50:11,330

places that are going to be chomping at

2196

01:50:16,270 --> 01:50:14,030

the bit for Facebook people you know I

2197

01:50:18,460 --> 01:50:16,280

mean I'm sure I can't wait for on

2198

01:50:23,080 --> 01:50:18,470

stellar I'm ready for that yeah I know I

2199

01:50:26,260 --> 01:50:23,090

know and we're see this is I think on

2200

01:50:28,090 --> 01:50:26,270

stellar has got its place for our

2201

01:50:30,580 --> 01:50:28,100

community and we're gonna own we're

2202

01:50:34,180 --> 01:50:30,590

gonna dot in the way it we need a place

2203

01:50:37,660 --> 01:50:34,190

to go and be ourselves uncensored and

2204

01:50:40,060 --> 01:50:37,670

and and and and you know get rewarded

2205

01:50:42,220 --> 01:50:40,070

and everything we've been ignored we've

2206

01:50:46,030 --> 01:50:42,230

been the redheaded stepchild of society

2207

01:50:48,070 --> 01:50:46,040

for a long time so I'm comfortable in

2208

01:50:49,720 --> 01:50:48,080

what on stellar represents enough that's

2209

01:50:51,490 --> 01:50:49,730

gonna be great and let's say it's a

2210

01:50:54,280 --> 01:50:51,500

hundred million people you know

2211

01:50:59,980 --> 01:50:54,290

ultimately over a couple of years but I

2212

01:51:03,280 --> 01:50:59,990

think that just like the breakup of of

2213

01:51:06,160 --> 01:51:03,290

the way that HBO was done or DirecTV

2214

01:51:10,330 --> 01:51:06,170

today and and you know now we have all

2215

01:51:12,700 --> 01:51:10,340

of these boutique and and Internet ways

2216

01:51:14,320 --> 01:51:12,710

of getting your television and your

2217

01:51:17,140 --> 01:51:14,330

programming now right it's all a la

2218

01:51:20,230 --> 01:51:17,150

carte it could be that way with social

2219

01:51:23,080 --> 01:51:20,240

media you know it really could what if

2220

01:51:26,080 --> 01:51:23,090

there were you know a social media

2221

01:51:29,459 --> 01:51:26,090

platform for sports for sports fans or

2222

01:51:32,189 --> 01:51:29,469

for foodies or for entertain

2223

01:51:34,830 --> 01:51:32,199

and you know what if it started to go

2224

01:51:37,049 --> 01:51:34,840

that route you know little blockchain

2225

01:51:39,540 --> 01:51:37,059

little things that are supported by the

2226

01:51:44,040 --> 01:51:39,550

communities out there and then we are

2227

01:51:46,500 --> 01:51:44,050

not dominated by something like Facebook

2228

01:51:51,330 --> 01:51:46,510

but we're not dominated by something

2229

01:51:53,910 --> 01:51:51,340

like Google or YouTube right that there

2230

01:51:56,939 --> 01:51:53,920

are these little boutique little

2231

01:51:59,250 --> 01:51:56,949

platforms all over the place and that

2232

01:52:01,830 --> 01:51:59,260

could possibly be interconnected with

2233

01:52:03,779 --> 01:52:01,840

each other and share information with

2234

01:52:07,140 --> 01:52:03,789

each other you know through the

2235

01:52:12,899 --> 01:52:07,150

blockchain if I'm telling you that that

2236

01:52:16,979 --> 01:52:12,909

could be and if if Facebook Twitter

2237

01:52:19,319 --> 01:52:16,989

YouTube Google Instagram and others

2238

01:52:21,060 --> 01:52:19,329

don't get out in front of this and

2239

01:52:22,859 --> 01:52:21,070

figure out how they're gonna play the

2240

01:52:25,560 --> 01:52:22,869

game with everybody else in the future

2241

01:52:27,509 --> 01:52:25,570

they're gonna they're gonna go away just

2242

01:52:30,330 --> 01:52:27,519

like everything else went away like the

2243

01:52:35,069 --> 01:52:30,340

CD went away you know record companies

2244

01:52:36,750 --> 01:52:35,079

had to respond to the internet and the

2245

01:52:39,770 --> 01:52:36,760

delivery systems and so two movie

2246

01:52:43,049 --> 01:52:39,780

companies today and and and other

2247

01:52:44,969 --> 01:52:43,059

entertainment sharing platforms it's the

2248

01:52:48,120 --> 01:52:44,979

internet that is driving everything well

2249

01:52:49,919 --> 01:52:48,130

what is the future of the internet right

2250

01:52:53,669 --> 01:52:49,929

well you know I'm here to tell you it's

2251  
01:52:55,319 --> 01:52:53,679  
peer-to-peer blockchain and and the way

2252  
01:52:57,419 --> 01:52:55,329  
that the blockchain is going to be

2253  
01:53:00,089 --> 01:52:57,429  
applied to everything else across the

2254  
01:53:02,700 --> 01:53:00,099  
board you know taking the power out of

2255  
01:53:04,859 --> 01:53:02,710  
these huge corporations in the way that

2256  
01:53:07,319 --> 01:53:04,869  
they're run and and have this run on the

2257  
01:53:09,810 --> 01:53:07,329  
peer-to-peer level on the blockchain on

2258  
01:53:13,020 --> 01:53:09,820  
the bottom of things where you control

2259  
01:53:15,149 --> 01:53:13,030  
it I control it and we dictate what's

2260  
01:53:18,359 --> 01:53:15,159  
going on what we like and what we don't

2261  
01:53:22,379 --> 01:53:18,369  
like and we don't have to be told I'm

2262  
01:53:24,779 --> 01:53:22,389  
telling you it could be it could be okay

2263  
01:53:27,089 --> 01:53:24,789

I can't wait I'm gonna feel a little

2264

01:53:28,469 --> 01:53:27,099

lost at first I know during registration

2265

01:53:33,989 --> 01:53:28,479

I was like I don't know nothing about

2266

01:53:37,560 --> 01:53:33,999

blockchain you don't have and and just

2267

01:53:40,560 --> 01:53:37,570

to be clear about this you don't have to

2268

01:53:41,280 --> 01:53:40,570

know anything about crypto currencies or

2269

01:53:44,580 --> 01:53:41,290

anything

2270

01:53:46,860 --> 01:53:44,590

all you're going to do is is register on

2271

01:53:48,900 --> 01:53:46,870

this platform like everybody else like

2272

01:53:52,530 --> 01:53:48,910

you did for Facebook or anything else

2273

01:53:54,630 --> 01:53:52,540

the system is gonna operate the same

2274

01:53:56,670 --> 01:53:54,640

you're gonna be sharing and liking and

2275

01:53:58,440 --> 01:53:56,680

unliking you're gonna be blocking on

2276

01:54:00,870 --> 01:53:58,450

your friends list you're gonna have a

2277

01:54:04,770 --> 01:54:00,880

friends list you can upload videos and

2278

01:54:06,570 --> 01:54:04,780

images and comment and post and and and

2279

01:54:08,940 --> 01:54:06,580

all of that we're gonna have all of

2280

01:54:10,950 --> 01:54:08,950

those tools in there right so that's

2281

01:54:14,040 --> 01:54:10,960

gonna be there for you but when you

2282

01:54:15,690 --> 01:54:14,050

register you're gonna be given a wallet

2283

01:54:17,840 --> 01:54:15,700

you're gonna have a wallet there and

2284

01:54:20,790 --> 01:54:17,850

that wallets gonna have tokens in it

2285

01:54:23,670 --> 01:54:20,800

just for registering because you've now

2286

01:54:25,260 --> 01:54:23,680

become part of the community and and

2287

01:54:27,030 --> 01:54:25,270

you're gonna be able to take those

2288

01:54:28,920 --> 01:54:27,040

tokens and go and spend it you're gonna

2289

01:54:32,130 --> 01:54:28,930

be able to do whatever you want inside

2290

01:54:34,950 --> 01:54:32,140

of the platform a whole world to go and

2291

01:54:36,600 --> 01:54:34,960

explore and you like somebody's video or

2292

01:54:39,420 --> 01:54:36,610

somebody's book and you can just go

2293

01:54:42,000 --> 01:54:39,430

right there give them a couple of tokens

2294

01:54:46,230 --> 01:54:42,010

get the book in the mail how cool is

2295

01:54:48,960 --> 01:54:46,240

that the tokens stay inside yeah and I'm

2296

01:54:51,930 --> 01:54:48,970

telling you it's gonna be great you know

2297

01:54:53,550 --> 01:54:51,940

and if you don't like somebody right or

2298

01:54:55,050 --> 01:54:53,560

you don't like their comment or you

2299

01:54:57,810 --> 01:54:55,060

don't like the research you have the

2300

01:55:00,150 --> 01:54:57,820

power to say no you know and so the

2301

01:55:01,740 --> 01:55:00,160

community will dictate what they

2302

01:55:03,750 --> 01:55:01,750

resonate with and what they don't

2303

01:55:06,450 --> 01:55:03,760

resonate with you like somebody's

2304

01:55:08,760 --> 01:55:06,460

research I vote them reward them for

2305

01:55:12,270 --> 01:55:08,770

that you know somebody is out there with

2306

01:55:15,240 --> 01:55:12,280

some some crazy talk and it's worth it

2307

01:55:17,850 --> 01:55:15,250

to you to down vote it you can do that

2308

01:55:19,770 --> 01:55:17,860

and it's a it's going to be a beautiful

2309

01:55:21,810 --> 01:55:19,780

world and for those out there that their

2310

01:55:23,880 --> 01:55:21,820

research is a little off kilter or maybe

2311

01:55:26,370 --> 01:55:23,890

this community isn't quite they'll go

2312

01:55:29,990 --> 01:55:26,380

back in and think about their research

2313

01:55:32,580 --> 01:55:30,000

and fix it and maybe improve it and then

2314

01:55:36,350 --> 01:55:32,590

you know the community will support it

2315

01:55:39,450 --> 01:55:36,360

it's gonna be wonderful you know so I'm

2316

01:55:41,070 --> 01:55:39,460

glad I'm already registered so I did I

2317

01:55:43,550 --> 01:55:41,080

did take your advice I already did that

2318

01:55:48,480 --> 01:55:43,560

some I'm ready to go whenever it rolls

2319

01:55:52,950 --> 01:55:48,490

did you see the trailer no yeah we got a

2320

01:55:54,550 --> 01:55:52,960

video yeah go into Twitter and and go to

2321

01:55:56,830 --> 01:55:54,560

my page or you go to my

2322

01:56:00,190 --> 01:55:56,840

Facebook page two as well for one last

2323

01:56:02,080 --> 01:56:00,200

time and the trailers are posted there

2324

01:56:03,790 --> 01:56:02,090

and you can watch it but it also has a

2325

01:56:06,160 --> 01:56:03,800

lot of information but yeah big things

2326

01:56:09,960 --> 01:56:06,170

are happening see I can't wait to hear

2327

01:56:12,850 --> 01:56:09,970

your podcast I've heard some but you are

2328

01:56:15,400 --> 01:56:12,860

you've got a wonderful voice and a great

2329

01:56:17,320 --> 01:56:15,410

way of communicating I've just talked to

2330

01:56:22,810 --> 01:56:17,330

you for 25 minutes and didn't even see

2331

01:56:24,610 --> 01:56:22,820

the time clip bye one last thing sure

2332

01:56:27,640 --> 01:56:24,620

you have to get an event on the East

2333

01:56:30,970 --> 01:56:27,650

Coast I know and I got to get to II

2334

01:56:32,890 --> 01:56:30,980

study so we're gonna I'm gonna have to

2335

01:56:34,960 --> 01:56:32,900

start planning there you go

2336

01:56:37,150 --> 01:56:34,970

Amy thank you so much Amy Perry Lane

2337

01:56:39,520 --> 01:56:37,160

everybody one of our contest winners

2338

01:56:41,650 --> 01:56:39,530

here on fade to black and they're going

2339

01:56:44,770 --> 01:56:41,660

to be listening to her podcast here very

2340

01:56:46,390 --> 01:56:44,780

soon thank you so much Amy thank you you

2341

01:56:49,390 --> 01:56:46,400

have a great night Jimmy thank you you

2342

01:56:53,500 --> 01:56:49,400

too Amy be safe and be well and this is

2343

01:56:55,420 --> 01:56:53,510

fade to black it's open lines and let me

2344

01:56:57,940 --> 01:56:55,430

line up a couple of things here so if

2345

01:56:59,710 --> 01:56:57,950

you are on hold stay right there I'll

2346

01:57:02,050 --> 01:56:59,720

get to you right after the break but

2347

01:57:04,540 --> 01:57:02,060

this is some crazy times that we're

2348

01:57:07,720 --> 01:57:04,550

going through right now and with what

2349

01:57:11,140 --> 01:57:07,730

Zuckerberg said today versus the fake

2350

01:57:12,820 --> 01:57:11,150

news the fake ads the data that they've

2351

01:57:15,160 --> 01:57:12,830

been selling that turned around and was

2352

01:57:20,440 --> 01:57:15,170

used against us in those fake ads and

2353

01:57:22,390 --> 01:57:20,450

fake news man times are a-changing and

2354

01:57:24,780 --> 01:57:22,400

this is fade to black I'm using my

2355

01:57:26,350 --> 01:57:24,790

church tonight you're not you're not

2356

01:57:29,230 --> 01:57:26,360

imagining things

2357

01:57:30,820 --> 01:57:29,240

tonight is fate or night okay so it's

2358

01:57:33,220 --> 01:57:30,830

open lines tonight three two three eight

2359

01:57:35,350 --> 01:57:33,230

to five five zero four or five or three

2360

01:57:37,780 --> 01:57:35,360

to three to seven five nine six nine

2361

01:57:40,300 --> 01:57:37,790

five tomorrow night Jon Rappoport is

2362

01:57:41,980 --> 01:57:40,310

going to be here but Yvonne Smith is

2363

01:57:43,630 --> 01:57:41,990

gonna be here too as well

2364

01:57:45,590 --> 01:57:43,640

all right it's fade to black I'm there

2365

01:57:48,649 --> 01:57:45,600

Jimmy Church I'll be right back

2366

01:57:56,969 --> 01:57:48,659

[Music]

2367

01:57:59,850 --> 01:57:56,979

on radio this is kera digital

2368

01:58:04,409 --> 01:57:59,860

broadcasting station Salt Lake City Utah

2369

01:58:06,569 --> 01:58:04,419

Van Buren Arkansas okay nurse let's get

2370

01:58:08,549 --> 01:58:06,579

this man to the ER stat right away

2371

01:58:11,219 --> 01:58:08,559

doctor we see this every day heart

2372

01:58:13,620 --> 01:58:11,229

attack or angina pain due to blocked and

2373

01:58:15,899 --> 01:58:13,630

clogged arteries chelation can remove

2374

01:58:17,640 --> 01:58:15,909

obstructions or blockages from arteries

2375

01:58:18,629 --> 01:58:17,650

and help avoid painful and expensive

2376

01:58:20,729 --> 01:58:18,639

surgery

2377

01:58:22,649 --> 01:58:20,739

now there's angio prim it's a liquid

2378

01:58:24,929 --> 01:58:22,659

oral chelation product that you take

2379

01:58:27,569 --> 01:58:24,939

with juice you start to feel the results

2380

01:58:29,609 --> 01:58:27,579

fast angio prim increases blood flow all

2381

01:58:31,469 --> 01:58:29,619

over the body and that means more energy

2382

01:58:33,989 --> 01:58:31,479

and strength to take on the day with

2383

01:58:36,109 --> 01:58:33,999

less aches and pains 60 years of

2384

01:58:39,149 --> 01:58:36,119

research has gone into chelation and

2385

01:58:41,399 --> 01:58:39,159

angiogram is the result a safe and easy

2386

01:58:43,560 --> 01:58:41,409

way to unblock your veins and arteries

2387

01:58:45,419 --> 01:58:43,570

from buildup that slow circulation

2388

01:58:46,560 --> 01:58:45,429

shaping dr. Jones please report to the

2389

01:58:48,390 --> 01:58:46,570

emergency room right away

2390

01:58:51,149 --> 01:58:48,400

log on now for a special radio offer

2391

01:58:56,279 --> 01:58:51,159

from angio primm that's angio prim calm

2392

01:59:00,149 --> 01:58:56,289

/ radio ang io PRI M angio prim calm /

2393

01:59:04,679 --> 01:59:00,159

radio our call 877 8 a 270 221 that's

2394

01:59:07,169 --> 01:59:04,689

eight seven seven eight a 270 to 21 so

2395

01:59:10,830 --> 01:59:07,179

you love talk radio then you'll love

2396

01:59:13,679 --> 01:59:10,840

talk stream live.com talk stream live is

2397

01:59:15,929 --> 01:59:13,689

always on 24/7 with the best streaming

2398

01:59:18,000 --> 01:59:15,939

talk shows find your favorite talkers

2399

01:59:20,669 --> 01:59:18,010

and discover some new ones it's free

2400

01:59:22,469 --> 01:59:20,679

readily available online or on the

2401

01:59:24,899 --> 01:59:22,479

smartphone or tablet finding your

2402

01:59:27,179 --> 01:59:24,909

favorite talk shows all in one place has

2403

01:59:29,729 --> 01:59:27,189

gotten a whole lot easier just go to

2404

01:59:31,859 --> 01:59:29,739

talk stream live.com be sure to download

2405

01:59:35,790 --> 01:59:31,869

the free apps from Google Play or the

2406

01:59:38,710 --> 01:59:35,800

itunes app store your contact for

2407

01:59:43,780 --> 01:59:38,720

current news and trending topics gates

2408

01:59:46,150 --> 01:59:43,790

are a radio.com hello Fader knots this

2409

01:59:48,910 --> 01:59:46,160

is Jimmy Church and I'm introducing new

2410

01:59:52,450 --> 01:59:48,920

Pharma a company whose products are

2411

01:59:56,530 --> 01:59:52,460

based on science human function based on

2412

01:59:59,290 --> 01:59:56,540

the endocannabinoid system or ECS new

2413

02:00:01,360 --> 01:59:59,300

pharma firmly believes in this science

2414

02:00:03,940 --> 02:00:01,370  
and their research indicates that

2415

02:00:06,040 --> 02:00:03,950  
support of the EECS provides the

2416

02:00:09,360 --> 02:00:06,050  
beneficial effects for a healthy

2417

02:00:12,070 --> 02:00:09,370  
lifestyle new Pharma science includes

2418

02:00:15,130 --> 02:00:12,080  
relief capsules for pain relief

2419

02:00:18,220 --> 02:00:15,140  
sleep capsules which are natural support

2420

02:00:21,670 --> 02:00:18,230  
for occasional sleeplessness foundation

2421

02:00:24,730 --> 02:00:21,680  
is support for your ECS and fit capsules

2422

02:00:26,380 --> 02:00:24,740  
support your active lifestyle just click

2423

02:00:30,220 --> 02:00:26,390  
on the banner at Jimmy Church radio.com

2424

02:00:32,980 --> 02:00:30,230  
and use the promo code f2b for a 33%

2425

02:00:36,010 --> 02:00:32,990  
discount on all of their products or

2426

02:00:39,310 --> 02:00:36,020

visit new Pharma comm for all of the

2427

02:00:45,730 --> 02:00:39,320

knowledge on the science that's gnu

2428

02:00:47,020 --> 02:00:45,740

pharma dot-com gobekli tepe did you know

2429

02:00:49,540 --> 02:00:47,030

that when you're on the road with

2430

02:00:51,550 --> 02:00:49,550

limited data or Wi-Fi available you can

2431

02:00:53,980 --> 02:00:51,560

still listen to every minute of fade to

2432

02:00:56,410 --> 02:00:53,990

black by just calling six oh five five

2433

02:00:58,870 --> 02:00:56,420

six two four four eight two no

2434

02:01:01,210 --> 02:00:58,880

smartphone app or internet needed it

2435

02:01:03,850 --> 02:01:01,220

saves your data plan and no extra cost

2436

02:01:06,700 --> 02:01:03,860

if you have unlimited minutes just call

2437

02:01:09,160 --> 02:01:06,710

six oh five five six two four four eight

2438

02:01:18,100 --> 02:01:09,170

two you can listen to me Jimmy Church on

2439

02:01:18,110 --> 02:01:22,150

[Music]

2440

02:01:28,520 --> 02:01:24,440

you want to know a secret

2441

02:01:31,490 --> 02:01:28,530

I love ponies I really love ponies I'm

2442

02:01:35,780 --> 02:01:31,500

serious I couldn't stay sane without

2443

02:01:41,270 --> 02:01:35,790

poor mr. Brooks life aids apart because

2444

02:01:45,240 --> 02:01:43,110

this is fade to black

2445

02:01:48,930 --> 02:01:45,250

with Jimmy Church on the game changer

2446

02:01:51,310 --> 02:01:48,940

radio network and kgr a the global radio

2447

02:02:00,860 --> 02:01:51,320

alliance

2448

02:02:05,810 --> 02:02:03,730

all right welcome back face block

2449

02:02:07,460 --> 02:02:05,820

tonight's Wednesday night we're doing

2450

02:02:08,870 --> 02:02:07,470

fader night tonight open lines if you're

2451  
02:02:10,640 --> 02:02:08,880  
on hold stay right there I'll get to you

2452  
02:02:13,850 --> 02:02:10,650  
in just a second three to three a two

2453  
02:02:15,470 --> 02:02:13,860  
five five zero four five or three two

2454  
02:02:20,930 --> 02:02:15,480  
three two seven five nine six nine five

2455  
02:02:22,160 --> 02:02:20,940  
and and David just posted Jimmy Jimmy

2456  
02:02:26,050 --> 02:02:22,170  
Jimmy in Twitter

2457  
02:02:31,510 --> 02:02:26,060  
did you know Everclear 151 liquor is now

2458  
02:02:34,100 --> 02:02:31,520  
illegal in cali i did not know that

2459  
02:02:35,720 --> 02:02:34,110  
illegal I didn't know but you know what

2460  
02:02:39,440 --> 02:02:35,730  
see this is if then he says let's see

2461  
02:02:42,730 --> 02:02:39,450  
that's 420 minus 151 is 269 Callie's

2462  
02:02:44,410 --> 02:02:42,740  
party index officially gone down to 269

2463  
02:02:47,450 --> 02:02:44,420

[Music]

2464

02:02:51,550 --> 02:02:47,460

that's funny but see the thing is this

2465

02:02:57,070 --> 02:02:51,560

is over at the house

2466

02:03:02,120 --> 02:02:57,080

we have Texas moonshine that's right

2467

02:03:05,810 --> 02:03:02,130

sent us by Deb yep and and I have some

2468

02:03:13,130 --> 02:03:05,820

other moonshine too as well and this

2469

02:03:15,530 --> 02:03:13,140

stuff oh man it's good it's good

2470

02:03:18,250 --> 02:03:15,540

yeah I miss every clear I forgot all

2471

02:03:19,790 --> 02:03:18,260

about every clear all over the Midwest

2472

02:03:22,490 --> 02:03:19,800

but there you go

2473

02:03:25,760 --> 02:03:22,500

so anyway he got a love Twitter follow

2474

02:03:29,240 --> 02:03:25,770

us on Twitter at J Church radio and use

2475

02:03:33,080 --> 02:03:29,250

hashtag F to be somebody just posted let

2476

02:03:36,590 --> 02:03:33,090

me back up here this is from Abraham and

2477

02:03:38,750 --> 02:03:36,600

I reposted this retweeted it for

2478

02:03:41,240 --> 02:03:38,760

everybody he says hi Jimmy and Rita and

2479

02:03:43,160 --> 02:03:41,250

The Fader knots I'm new on Twitter do

2480

02:03:45,830 --> 02:03:43,170

you think I should post my email address

2481

02:03:47,810 --> 02:03:45,840

here I wish to form a meetup group for

2482

02:03:50,840 --> 02:03:47,820

fate or nots in Los Angeles

2483

02:03:52,340 --> 02:03:50,850

and I want people to be able to get in

2484

02:03:54,910 --> 02:03:52,350

touch with me any suggestions

2485

02:03:58,610 --> 02:03:54,920

so I retweeted that you know fader knots

2486

02:04:01,250 --> 02:03:58,620

there's a ton of fader knots here in Los

2487

02:04:05,210 --> 02:04:01,260

Angeles and I could see a meet-up

2488

02:04:07,940 --> 02:04:05,220

happening and if you you know if you get

2489

02:04:09,770 --> 02:04:07,950

that together if you get a little fade

2490

02:04:12,860 --> 02:04:09,780

or not group you never know who might

2491

02:04:14,960 --> 02:04:12,870

show up at one of those meetups one day

2492

02:04:18,320 --> 02:04:14,970

but I think that's really really cool

2493

02:04:19,880 --> 02:04:18,330

there are a lot of meetups of phaidor

2494

02:04:22,010 --> 02:04:19,890

knots around the country and I think

2495

02:04:23,780 --> 02:04:22,020

that's a really really cool and it's a

2496

02:04:29,300 --> 02:04:23,790

cool thing so I posted that up for you

2497

02:04:32,270 --> 02:04:29,310

Abraham and you know you can p.m. and

2498

02:04:33,770 --> 02:04:32,280

and on Twitter and keep your email out

2499

02:04:36,410 --> 02:04:33,780

of there if you don't want a public but

2500

02:04:37,820 --> 02:04:36,420

fader not sits right there if you're in

2501  
02:04:40,490 --> 02:04:37,830  
Los Angeles you want to get a meet-up

2502  
02:04:41,630 --> 02:04:40,500  
going Abraham just posted that alright

2503  
02:04:44,540 --> 02:04:41,640  
let's go back to the phones hi you're

2504  
02:04:48,920 --> 02:04:44,550  
live on paid to block who's calling hey

2505  
02:04:49,760 --> 02:04:48,930  
it's Jason Salem hey man how are you I'm

2506  
02:04:52,070 --> 02:04:49,770  
doing pretty good

2507  
02:04:53,480 --> 02:04:52,080  
every sauce all right it's it's

2508  
02:04:57,050 --> 02:04:53,490  
Wednesday night man

2509  
02:05:00,560 --> 02:04:57,060  
it's raining okay yeah it's raining it's

2510  
02:05:02,410 --> 02:05:00,570  
Wednesday and just just we're here in

2511  
02:05:07,130 --> 02:05:02,420  
Southern California it's bizarro world

2512  
02:05:09,560 --> 02:05:07,140  
it's raining out yeah yeah it's raining

2513  
02:05:11,870 --> 02:05:09,570

and it's Wednesday night Fator night you

2514

02:05:13,400 --> 02:05:11,880

know so everything's all flip-flopped so

2515

02:05:17,120 --> 02:05:13,410

I'm in a good mood man I'm in a good

2516

02:05:20,710 --> 02:05:17,130

mood what's on your mind oh this is

2517

02:05:24,050 --> 02:05:20,720

crazy wacky world that we live in I

2518

02:05:25,700 --> 02:05:24,060

listened to the people calling it's kind

2519

02:05:29,210 --> 02:05:25,710

of exciting to hear people questioning

2520

02:05:36,170 --> 02:05:29,220

all this yeah yeah I mean what do you do

2521

02:05:41,240 --> 02:05:36,180

use Facebook Facebook years ago became a

2522

02:05:44,630 --> 02:05:41,250

political outpost yes so I I use it for

2523

02:05:47,840 --> 02:05:44,640

what it is and and what do you think

2524

02:05:50,600 --> 02:05:47,850

about Zuckerberg selling you know data

2525

02:05:53,690 --> 02:05:50,610

and this data mining that is happening

2526  
02:05:57,410 --> 02:05:53,700  
through apps and then turn around and

2527  
02:05:59,480 --> 02:05:57,420  
and him getting caught and then this you

2528  
02:06:00,680 --> 02:05:59,490  
know being used back against the Sun

2529  
02:06:03,380 --> 02:06:00,690  
Facebook

2530  
02:06:04,720 --> 02:06:03,390  
pretty weird didn't know were you

2531  
02:06:07,250 --> 02:06:04,730  
surprised

2532  
02:06:09,380 --> 02:06:07,260  
no not at all actually I've been

2533  
02:06:12,920 --> 02:06:09,390  
watching kind of a little deep state

2534  
02:06:14,540 --> 02:06:12,930  
rule out for the last I I figured out

2535  
02:06:18,560 --> 02:06:14,550  
things really weird when I was like 15

2536  
02:06:22,670 --> 02:06:18,570  
right and I mean I'm it's 14 years later

2537  
02:06:26,580 --> 02:06:22,680  
at this point so I'm not super surprised

2538  
02:06:31,770 --> 02:06:26,590

at all not even release personally

2539

02:06:33,270 --> 02:06:31,780

I think that we had certain how to put

2540

02:06:36,390 --> 02:06:33,280

this without really offending certain

2541

02:06:38,640 --> 02:06:36,400

people you know in it um there are

2542

02:06:42,150 --> 02:06:38,650

certain people in today's society that

2543

02:06:44,910 --> 02:06:42,160

has grown to a large extent in the

2544

02:06:47,850 --> 02:06:44,920

public eye and in different fields that

2545

02:06:49,080 --> 02:06:47,860

I would think that most of our founding

2546

02:06:51,600 --> 02:06:49,090

fathers would consider domestic

2547

02:06:57,450 --> 02:06:51,610

characters yeah yeah you're right about

2548

02:07:00,510 --> 02:06:57,460

that I I you know it is cool this is as

2549

02:07:03,840 --> 02:07:00,520

cool as the Constitution is and if you

2550

02:07:06,510 --> 02:07:03,850

really think about it that's how smart

2551  
02:07:10,520 --> 02:07:06,520  
and concerned our founding fathers were

2552  
02:07:14,220 --> 02:07:10,530  
that that document can hold up today in

2553  
02:07:17,430 --> 02:07:14,230  
the technical world that we live in it's

2554  
02:07:21,620 --> 02:07:17,440  
pretty amazing when you think about it

2555  
02:07:27,140 --> 02:07:21,630  
but would yeah would the Constitution be

2556  
02:07:30,540 --> 02:07:27,150  
different today if if the Internet and

2557  
02:07:32,970 --> 02:07:30,550  
the way things are today with media

2558  
02:07:35,280 --> 02:07:32,980  
would have been in play two hundred and

2559  
02:07:37,470 --> 02:07:35,290  
fifty years ago with the wording of it

2560  
02:07:41,790 --> 02:07:37,480  
be different I'm not so sure that it

2561  
02:07:44,900 --> 02:07:41,800  
would be right but how concerned they

2562  
02:07:48,660 --> 02:07:44,910  
would have been about the controlling

2563  
02:07:51,420 --> 02:07:48,670

the control abilities of Washington over

2564

02:07:53,160 --> 02:07:51,430

the masses because of the way mass media

2565

02:07:56,190 --> 02:07:53,170

is today and with the internet because

2566

02:07:58,320 --> 02:07:56,200

that Constitution was there for us to

2567

02:08:04,050 --> 02:07:58,330

separate and make sure that we could

2568

02:08:06,510 --> 02:08:04,060

control Washington it's the exact

2569

02:08:09,680 --> 02:08:06,520

opposite today but thank goodness the

2570

02:08:13,920 --> 02:08:09,690

Constitution is there that we still have

2571

02:08:16,950 --> 02:08:13,930

a certain amount of Rights that do apply

2572

02:08:20,340 --> 02:08:16,960

today I think that's fascinating what a

2573

02:08:22,860 --> 02:08:20,350

what an amazing document you know it was

2574

02:08:25,620 --> 02:08:22,870

incredible when they when they wrote

2575

02:08:31,170 --> 02:08:25,630

that document most of the United States

2576

02:08:34,860 --> 02:08:31,180

was very very well educated and even for

2577

02:08:36,780 --> 02:08:34,870

holiness for back in the day I mean most

2578

02:08:38,610 --> 02:08:36,790

of the law books that were that were

2579

02:08:40,050 --> 02:08:38,620

printed in that age actually were

2580

02:08:42,960 --> 02:08:40,060

shipped to the US we

2581

02:08:46,920 --> 02:08:42,970

studied in those books so we were pretty

2582

02:08:50,820 --> 02:08:46,930

learned people I think they saw a lot

2583

02:08:53,400 --> 02:08:50,830

more than people believe yeah and and

2584

02:08:57,480 --> 02:08:53,410

you're right and the other and you're

2585

02:09:00,570 --> 02:08:57,490

right about that also the communication

2586

02:09:03,270 --> 02:09:00,580

that was going out was limited in other

2587

02:09:06,810 --> 02:09:03,280

words you could be living in a in a

2588

02:09:12,860 --> 02:09:06,820

house in a farmhouse miles away from

2589

02:09:17,490 --> 02:09:12,870

your next neighbor and you are basically

2590

02:09:19,320 --> 02:09:17,500

isolated so how the big money you could

2591

02:09:22,920 --> 02:09:19,330

be it could take months to hear the news

2592

02:09:25,830 --> 02:09:22,930

and what if you needed the assistance of

2593

02:09:28,650 --> 02:09:25,840

somebody out there for for whatever

2594

02:09:32,340 --> 02:09:28,660

reason could be for food maybe it's for

2595

02:09:35,310 --> 02:09:32,350

a little militia together how about some

2596

02:09:37,920 --> 02:09:35,320

policing how about enforcing laws you

2597

02:09:41,520 --> 02:09:37,930

know it could be anything right anything

2598

02:09:43,110 --> 02:09:41,530

taxes right it could be enforcement law

2599

02:09:44,820 --> 02:09:43,120

thing that's kind of where the militia

2600

02:09:48,420 --> 02:09:44,830

came in I mean the people were the

2601  
02:09:51,240 --> 02:09:48,430  
militia we were supposed to be the the

2602  
02:09:54,090 --> 02:09:51,250  
standing army that we didn't want yes

2603  
02:09:59,970 --> 02:09:54,100  
yes is now the police force yes yeah

2604  
02:10:02,400 --> 02:09:59,980  
yeah yeah yeah and the the the the

2605  
02:10:06,840 --> 02:10:02,410  
wordage about the military the wordage

2606  
02:10:08,880 --> 02:10:06,850  
about freedom of speech voting all of

2607  
02:10:11,910 --> 02:10:08,890  
the taxation without representation

2608  
02:10:15,990 --> 02:10:11,920  
all of these things still hold true

2609  
02:10:18,950 --> 02:10:16,000  
today I think it's just an amazing

2610  
02:10:24,390 --> 02:10:18,960  
document but as far as Zuckerberg goes

2611  
02:10:27,150 --> 02:10:24,400  
he got caught I really feel he can be as

2612  
02:10:29,430 --> 02:10:27,160  
nice as he wants to be he can look as

2613  
02:10:31,560 --> 02:10:29,440

concerned as he wants to be he can act

2614

02:10:34,920 --> 02:10:31,570

as innocent as he wants to be he can

2615

02:10:38,460 --> 02:10:34,930

play the victim as much as he wants but

2616

02:10:41,610 --> 02:10:38,470

the fact is and this is the truth if he

2617

02:10:44,070 --> 02:10:41,620

hadn't gotten caught he'd still be doing

2618

02:10:47,490 --> 02:10:44,080

it and they wouldn't have done anything

2619

02:10:51,450 --> 02:10:47,500

to fix anything and that's how I feel

2620

02:10:53,150 --> 02:10:51,460

that's how I feel he can he may be the

2621

02:10:57,050 --> 02:10:53,160

nice hey have you ever

2622

02:11:01,340 --> 02:10:57,060

noticed nobody mentions this he only has

2623

02:11:05,180 --> 02:11:01,350

one t-shirt hey have you noticed that

2624

02:11:06,710 --> 02:11:05,190

that that great yeah Steve Jobs in it I

2625

02:11:08,870 --> 02:11:06,720

like a lot of the a lot of the

2626

02:11:11,600 --> 02:11:08,880

billionaires do that yeah they keep

2627

02:11:14,450 --> 02:11:11,610

their outfits very simplistic but does

2628

02:11:17,470 --> 02:11:14,460

that mean oh I know that that tee shirt

2629

02:11:22,040 --> 02:11:17,480

that he's wearing cost like 500 bucks

2630

02:11:24,020 --> 02:11:22,050

okay all right yeah let's not make I was

2631

02:11:26,330 --> 02:11:24,030

shopping the other day implicit

2632

02:11:29,540 --> 02:11:26,340

acknowledge yes it was it so does that

2633

02:11:32,150 --> 02:11:29,550

mean he has 300 of them hung up in his

2634

02:11:34,760 --> 02:11:32,160

closet right wears a brand new whenever

2635

02:11:38,690 --> 02:11:34,770

got a good number right right yeah

2636

02:11:40,520 --> 02:11:38,700

always the same so the other day this

2637

02:11:43,340 --> 02:11:40,530

weekend right I'm out with Rita and

2638

02:11:45,560 --> 02:11:43,350

we're shopping goofing around basically

2639

02:11:47,810 --> 02:11:45,570

killing time and we're in this store and

2640

02:11:51,530 --> 02:11:47,820

I'm flipping through these t-shirts and

2641

02:11:54,290 --> 02:11:51,540

I literally find the Zuckerberg shirt

2642

02:11:56,240 --> 02:11:54,300

right same color gray and I'm looking I

2643

02:11:58,790 --> 02:11:56,250

was like wow you know and I pulled up

2644

02:12:04,040 --> 02:11:58,800

the price tag I'm not joking

2645

02:12:08,300 --> 02:12:04,050

two hundred and ten dollars for a

2646

02:12:14,060 --> 02:12:08,310

t-shirt I can go buy a pack of three at

2647

02:12:17,410 --> 02:12:14,070

Kmart for \$9.99 all right who spends two

2648

02:12:20,720 --> 02:12:17,420

hundred and ten dollars on a t-shirt hi

2649

02:12:23,300 --> 02:12:20,730

seriously I got a \$300 jacket for

2650

02:12:24,920 --> 02:12:23,310

Christmas one year it's for riding my

2651

02:12:27,350 --> 02:12:24,930

motorcycle in the rain that's the most

2652

02:12:29,690 --> 02:12:27,360

expensive piece of clothing I have on it

2653

02:12:32,120 --> 02:12:29,700

and I would never buy something like no

2654

02:12:35,380 --> 02:12:32,130

but it serves a purpose it serves a

2655

02:12:40,010 --> 02:12:35,390

purpose but if you had a 200 dollar tee

2656

02:12:42,710 --> 02:12:40,020

right right and so you're wearing this

2657

02:12:44,720 --> 02:12:42,720

\$200 t-shirt and you're walking down the

2658

02:12:47,210 --> 02:12:44,730

street you walk into the club you walk

2659

02:12:49,880 --> 02:12:47,220

into a coffee shop whatever with a 200

2660

02:12:53,990 --> 02:12:49,890

dollar t-shirt on does anybody know no

2661

02:12:56,120 --> 02:12:54,000

they don't know so do you comfortable do

2662

02:12:58,130 --> 02:12:56,130

you tell me you know what it was kind of

2663

02:13:00,890 --> 02:12:58,140

thin I thought you know it's kind of

2664

02:13:03,800 --> 02:13:00,900

yeah but anyway do you tell do you tell

2665

02:13:04,460 --> 02:13:03,810

people that's you know that's a good

2666

02:13:06,700 --> 02:13:04,470

question

2667

02:13:10,000 --> 02:13:06,710

I mean do you walk around with the the

2668

02:13:11,920 --> 02:13:10,010

labels right right do you walk up to

2669

02:13:16,450 --> 02:13:11,930

somebody go hey man

2670

02:13:19,030 --> 02:13:16,460

200 bucks you know what he they probably

2671

02:13:21,250 --> 02:13:19,040

do Jason thank you so much for the phone

2672

02:13:23,830 --> 02:13:21,260

call my friend hey what's the weather

2673

02:13:25,479 --> 02:13:23,840

like up there what's the weather like um

2674

02:13:27,640 --> 02:13:25,489

it is stormy

2675

02:13:29,080 --> 02:13:27,650

it's definitely ran into you man yeah

2676

02:13:30,520 --> 02:13:29,090

because I'm sure it's probably all the

2677

02:13:33,400 --> 02:13:30,530

way at the west coast it is I was

2678

02:13:36,550 --> 02:13:33,410

looking at the radar today and they're

2679

02:13:37,750 --> 02:13:36,560

calling it whatever this what are they

2680

02:13:41,380 --> 02:13:37,760

calling it they're calling it the

2681

02:13:43,959 --> 02:13:41,390

something river right and what are they

2682

02:13:45,940 --> 02:13:43,969

calling it anyway and it's going right

2683

02:13:49,300 --> 02:13:45,950

up the coast man and Oregon is getting

2684

02:13:53,860 --> 02:13:49,310

getting pummeled I got one for you there

2685

02:13:55,630 --> 02:13:53,870

what time so we are back in I want to

2686

02:13:57,220 --> 02:13:55,640

say that early two-thousands the History

2687

02:13:59,970 --> 02:13:57,230

Channel came out with the documentaries

2688

02:14:02,229 --> 02:13:59,980

on the weather weapons right yes

2689

02:14:06,180 --> 02:14:02,239

so if we're able to control the weather

2690

02:14:09,160 --> 02:14:06,190

why you is having a drought because

2691

02:14:15,760 --> 02:14:09,170

that's it come on chase and that's the

2692

02:14:18,130 --> 02:14:15,770

easiest question to answer ever no wait

2693

02:14:19,959 --> 02:14:18,140

a minute wait a minute they're the

2694

02:14:21,850 --> 02:14:19,969

reason why to control the weather and

2695

02:14:24,760 --> 02:14:21,860

cause a drought in Southern California

2696

02:14:27,340 --> 02:14:24,770

or in in in in the high desert right and

2697

02:14:30,820 --> 02:14:27,350

the and in the farmlands up in Modesto

2698

02:14:37,959 --> 02:14:30,830

and all of that to control the prices of

2699

02:14:40,150 --> 02:14:37,969

food across the country and that's one

2700

02:14:42,280 --> 02:14:40,160

of them and then what do you do you turn

2701  
02:14:45,940 --> 02:14:42,290  
around and you're gonna charge for more

2702  
02:14:48,340 --> 02:14:45,950  
water to the farmers and and then what

2703  
02:14:50,440 --> 02:14:48,350  
do you do then you sell coca-cola and

2704  
02:15:04,120 --> 02:14:50,450  
that's like hold on hold on you ready

2705  
02:15:06,670 --> 02:15:04,130  
you sell drought resistant seeds that

2706  
02:15:11,320 --> 02:15:06,680  
was too easy Jason behaving be well my

2707  
02:15:13,240 --> 02:15:11,330  
friend okay thank you man grateful great

2708  
02:15:14,260 --> 02:15:13,250  
phone call hi you're live on fade to

2709  
02:15:18,470 --> 02:15:14,270  
black who's calling

2710  
02:15:21,000 --> 02:15:18,480  
this is Gandalf here in the Pacific

2711  
02:15:21,779 --> 02:15:21,010  
Gandalf I don't think this is Gandalf

2712  
02:15:25,379 --> 02:15:21,789  
how you doing

2713  
02:15:28,790 --> 02:15:25,389

no this is aka Phil hey Phil how are you

2714

02:15:31,770 --> 02:15:28,800

ma'am what's on your mind oh well I just

2715

02:15:33,319 --> 02:15:31,780

I would like you to take a couple deep

2716

02:15:38,009 --> 02:15:33,329

breaths Jimmy because you kind of

2717

02:15:42,029 --> 02:15:38,019

overheated here man but I am on Facebook

2718

02:15:43,799 --> 02:15:42,039

I took one of those damn surveys but you

2719

02:15:46,589 --> 02:15:43,809

know I'm not all that excited about it

2720

02:15:50,479 --> 02:15:46,599

because I had to get I got all angry

2721

02:15:52,859 --> 02:15:50,489

about MKULTRA and and all that's yet in

2722

02:15:58,859 --> 02:15:52,869

Mockingbird you know the CIA has been

2723

02:16:03,060 --> 02:15:58,869

doing this crap to us for what 40 50

2724

02:16:06,720 --> 02:16:03,070

years I expect Phil I expect that from

2725

02:16:10,319 --> 02:16:06,730

the CIA I don't expect it from my social

2726

02:16:13,109 --> 02:16:10,329

media platform well here's the thing man

2727

02:16:15,390 --> 02:16:13,119

is it as you know they always came out

2728

02:16:17,759 --> 02:16:15,400

in Congress you know and all the CIA

2729

02:16:19,799 --> 02:16:17,769

said we stopped doing it didn't start

2730

02:16:22,799 --> 02:16:19,809

doing it they just formed it out to the

2731

02:16:26,189 --> 02:16:22,809

Facebook and Google and you know all

2732

02:16:28,890 --> 02:16:26,199

these other people man it's just it's

2733

02:16:32,940 --> 02:16:28,900

the game and I'm I mean yeah I don't

2734

02:16:35,339 --> 02:16:32,950

like that they usually you know I wonder

2735

02:16:39,959 --> 02:16:35,349

about all those Hillary things that I

2736

02:16:43,889 --> 02:16:39,969

had posted on my page my newsfeed but

2737

02:16:47,389 --> 02:16:43,899

you know hey it's done it's done what we

2738

02:16:51,809 --> 02:16:47,399

got to do is get blockchain booting man

2739

02:16:54,980 --> 02:16:51,819

yeah yeah yeah yeah that would be that

2740

02:16:59,750 --> 02:16:54,990

would be the perfect solution and I

2741

02:17:05,009 --> 02:16:59,760

think and here's another suggestion we

2742

02:17:07,320 --> 02:17:05,019

eliminate Congress for just a minor

2743

02:17:10,620 --> 02:17:07,330

issues and any big issues they have to

2744

02:17:14,269 --> 02:17:10,630

put - back to us and we vote on it why

2745

02:17:19,080 --> 02:17:16,860

because they obviously aren't going to

2746

02:17:20,910 --> 02:17:19,090

vote for us we need to vote for us what

2747

02:17:24,299 --> 02:17:20,920

and that's but and I think that's

2748

02:17:28,469 --> 02:17:24,309

exactly my point Phil and no matter what

2749

02:17:31,169 --> 02:17:28,479

and I'll speak about Washington but -

2750

02:17:33,120 --> 02:17:31,179

all big companies out there

2751  
02:17:37,229 --> 02:17:33,130  
need to always remember that we have the

2752  
02:17:39,360 --> 02:17:37,239  
power the power rests with us and if we

2753  
02:17:40,979 --> 02:17:39,370  
decide that we don't want to do

2754  
02:17:43,650 --> 02:17:40,989  
something if we decide that we don't

2755  
02:17:46,410 --> 02:17:43,660  
like something if we decide you know

2756  
02:17:49,860 --> 02:17:46,420  
what exactly those changes will be made

2757  
02:17:53,459 --> 02:17:49,870  
and that's really really the truth and I

2758  
02:17:58,439 --> 02:17:53,469  
think that Facebook this is a really

2759  
02:18:01,259 --> 02:17:58,449  
really great example of how quickly how

2760  
02:18:02,910 --> 02:18:01,269  
quickly the tide can turn I think that

2761  
02:18:05,370 --> 02:18:02,920  
they weather the storm with the fake

2762  
02:18:09,000 --> 02:18:05,380  
news they weather the storm with the

2763  
02:18:12,540 --> 02:18:09,010

fake ads they fake they barely made it

2764

02:18:14,910 --> 02:18:12,550

through that but this this little thing

2765

02:18:17,309 --> 02:18:14,920

right here and that kid was right about

2766

02:18:19,700 --> 02:18:17,319

the false flag man they do that too I

2767

02:18:23,820 --> 02:18:19,710

mean they and I'm not saying that that

2768

02:18:26,519 --> 02:18:23,830

staged comment was kind of you know will

2769

02:18:28,559 --> 02:18:26,529

the book bail but uh because it's real

2770

02:18:30,000 --> 02:18:28,569

you know it's real I really happened

2771

02:18:31,620 --> 02:18:30,010

they don't give a about killing

2772

02:18:33,360 --> 02:18:31,630

people yeah you gotta watch the language

2773

02:18:33,990 --> 02:18:33,370

you gotta watch some language well I'm

2774

02:18:35,729 --> 02:18:34,000

sorry man

2775

02:18:37,620 --> 02:18:35,739

you know they don't they don't care

2776

02:18:41,040 --> 02:18:37,630

about it right the thing that I've

2777

02:18:44,429 --> 02:18:41,050

gotten that they don't give a bloody

2778

02:18:47,849 --> 02:18:44,439

blue blazes about us right right there

2779

02:18:50,459 --> 02:18:47,859

if you go back and I talked about this

2780

02:18:52,160 --> 02:18:50,469

maybe five years ago four years ago but

2781

02:18:54,629 --> 02:18:52,170

if you go back throughout history you

2782

02:18:58,439 --> 02:18:54,639

know we look at parkland and we talked

2783

02:19:02,400 --> 02:18:58,449

about Columbian or the Denver Theater or

2784

02:19:06,179 --> 02:19:02,410

you know these different the the

2785

02:19:09,689 --> 02:19:06,189

nightclub in Orlando we can go on and on

2786

02:19:11,969 --> 02:19:09,699

with these different Las Vegas San

2787

02:19:16,040 --> 02:19:11,979

Bernadino the Christmas party last year

2788

02:19:19,459 --> 02:19:16,050

so those you know they those are

2789

02:19:23,820 --> 02:19:19,469

ingrained in us and I get that but I

2790

02:19:27,809 --> 02:19:23,830

pointed out there was going back to

2791

02:19:30,990 --> 02:19:27,819

Sandy Ysidro and I'm gonna say it was

2792

02:19:33,750 --> 02:19:31,000

around 1980 here in in California down

2793

02:19:37,080 --> 02:19:33,760

near San Diego the the McDonald's

2794

02:19:38,009 --> 02:19:37,090

shooting down there and and and how that

2795

02:19:42,509 --> 02:19:38,019

happened

2796

02:19:44,190 --> 02:19:42,519

and that guy loaded up literally said

2797

02:19:47,490 --> 02:19:44,200

bye to his family

2798

02:19:49,110 --> 02:19:47,500

you know whatever drove up the street

2799

02:19:52,620 --> 02:19:49,120

there looked at a few different places

2800

02:19:55,591 --> 02:19:52,630

everybody saw him do this and then pulls

2801

02:19:59,910 --> 02:19:55,601

into a McDonald's goes in and and kills

2802

02:20:01,560 --> 02:19:59,920

a ginormous amount of people and so now

2803

02:20:04,710 --> 02:20:01,570

we go back and we look at this well man

2804

02:20:08,730 --> 02:20:04,720

was this MKULTRA was this stage shooting

2805

02:20:11,060 --> 02:20:08,740

was this crisis actors was this a false

2806

02:20:15,210 --> 02:20:11,070

flag you know what it was it was

2807

02:20:18,780 --> 02:20:15,220

somebody that had an issue that shot up

2808

02:20:22,650 --> 02:20:18,790

a McDonald's and sometimes I might you

2809

02:20:25,020 --> 02:20:22,660

know we've got to stop in and just get

2810

02:20:28,350 --> 02:20:25,030

control of ourselves here to what the

2811

02:20:30,750 --> 02:20:28,360

real issues are there were no there was

2812

02:20:33,381 --> 02:20:30,760

no crying about gun control there wasn't

2813

02:20:36,600 --> 02:20:33,391

anything out there today

2814

02:20:39,301 --> 02:20:36,610

with with the Internet and the ability

2815

02:20:41,640 --> 02:20:39,311

to to scream about things that may or

2816

02:20:43,740 --> 02:20:41,650

may not be true I'm not saying that what

2817

02:20:46,320 --> 02:20:43,750

I'm saying on Facebook man I'm telling

2818

02:20:48,600 --> 02:20:46,330

you they've been pumping on that issue

2819

02:20:51,301 --> 02:20:48,610

so I see what the kid was talking about

2820

02:20:53,040 --> 02:20:51,311

kinda and I'm not gonna go there I mean

2821

02:20:55,320 --> 02:20:53,050

I want you to calm down right I want us

2822

02:20:56,910 --> 02:20:55,330

all to calm down on this yeah I mean I

2823

02:20:59,131 --> 02:20:56,920

just and my point is that they've been

2824

02:21:03,381 --> 02:20:59,141

doing it and we shouldn't be surprised

2825

02:21:07,530 --> 02:21:03,391

by it that much that it's gone into the

2826

02:21:10,320 --> 02:21:07,540

public and Richard Owen had talked about

2827

02:21:15,900 --> 02:21:10,330

12 swags but this is this is another

2828

02:21:19,801 --> 02:21:15,910

level this is subliminal messaging NPL

2829

02:21:22,350 --> 02:21:19,811

NLP neuro-linguistic programming yep

2830

02:21:25,530 --> 02:21:22,360

they are doing it to us I mean these

2831

02:21:27,690 --> 02:21:25,540

corporations are trying to control us

2832

02:21:29,610 --> 02:21:27,700

right the government's trying to control

2833

02:21:31,740 --> 02:21:29,620

everybody is trying to control us you're

2834

02:21:33,480 --> 02:21:31,750

right we have the power we turn our

2835

02:21:36,120 --> 02:21:33,490

attention somewhere else and they're

2836

02:21:40,890 --> 02:21:36,130

done I mean you know what what can they

2837

02:21:44,970 --> 02:21:40,900

do yeah yeah yeah yeah all we have to do

2838

02:21:46,770 --> 02:21:44,980

and if you really think about this it's

2839

02:21:51,060 --> 02:21:46,780

really the easiest way to do it

2840

02:21:54,870 --> 02:21:51,070

keep your eyes and ears open that's all

2841

02:21:56,671 --> 02:21:54,880

you know just just don't don't fall for

2842

02:21:57,570 --> 02:21:56,681

the first thing that somebody says yeah

2843

02:21:59,730 --> 02:21:57,580

don't get it

2844

02:22:02,160 --> 02:21:59,740

don't get in his head don't get attached

2845

02:22:04,200 --> 02:22:02,170

to the government and don't get attached

2846

02:22:08,160 --> 02:22:04,210

to somebody that's crying conspiracy

2847

02:22:13,020 --> 02:22:08,170

theory hey you know look and I and we

2848

02:22:15,270 --> 02:22:13,030

have forgotten about it on that word

2849

02:22:17,940 --> 02:22:15,280

Christmas conspiracy theory because this

2850

02:22:21,150 --> 02:22:17,950

is a term that guess who did it the CIA

2851  
02:22:24,510 --> 02:22:21,160  
when we started talking about the JFK

2852  
02:22:29,040 --> 02:22:24,520  
thing so yeah I'm uncomfortable with

2853  
02:22:32,130 --> 02:22:29,050  
that word yeah and we we need to visit

2854  
02:22:36,280 --> 02:22:32,140  
something that happened a few years ago

2855  
02:22:37,400 --> 02:22:36,290  
and it happened on this show and that is

2856  
02:22:40,980 --> 02:22:37,410  
[Music]

2857  
02:22:44,580 --> 02:22:40,990  
Malaysia flight 370 still hasn't been

2858  
02:22:47,760 --> 02:22:44,590  
found and also Malaysia flight 17 that

2859  
02:22:52,710 --> 02:22:47,770  
was shot down over the Ukraine border

2860  
02:22:55,020 --> 02:22:52,720  
and that both of those events to happen

2861  
02:22:57,660 --> 02:22:55,030  
for the same airline I think is

2862  
02:23:00,599 --> 02:22:57,670  
absolutely bizarre oh when they have you

2863  
02:23:02,580 --> 02:23:00,609

know they have 15 planes in the fleet

2864

02:23:04,080 --> 02:23:02,590

right and two of them are shot down in a

2865

02:23:07,980 --> 02:23:04,090

month yeah yeah it almost sounds like

2866

02:23:11,690 --> 02:23:07,990

extortion just and so then I go back and

2867

02:23:13,889 --> 02:23:11,700

I think about Operation Northwoods and

2868

02:23:16,440 --> 02:23:13,899

Operation Northwoods we can talk about

2869

02:23:20,270 --> 02:23:16,450

Mockingbird we can talk about MKULTRA

2870

02:23:21,960 --> 02:23:20,280

happen everybody kind of loses sight of

2871

02:23:25,530 --> 02:23:21,970

Operation Northwoods

2872

02:23:28,020 --> 02:23:25,540

which was real that was talked about in

2873

02:23:34,139 --> 02:23:28,030

the Oval Office which was talked about

2874

02:23:36,450 --> 02:23:34,149

by all of the inner circle of the the

2875

02:23:39,420 --> 02:23:36,460

cabinet in the military leaders at

2876

02:23:41,820 --> 02:23:39,430

Kennedy yes and was a prude and

2877

02:23:43,860 --> 02:23:41,830

Kennedy's neck Newton another reason why

2878

02:23:47,550 --> 02:23:43,870

they might have killed him but it was

2879

02:23:50,370 --> 02:23:47,560

approved and an operation Northwoods

2880

02:23:53,639 --> 02:23:50,380

which was implemented and stayed in play

2881

02:23:56,910 --> 02:23:53,649

and still is in play today obviously but

2882

02:24:01,260 --> 02:23:56,920

Operation Northwoods stated what we need

2883

02:24:05,790 --> 02:24:01,270

to do is we're going to shoot down one

2884

02:24:08,190 --> 02:24:05,800

of our planes over Florida and say that

2885

02:24:10,170 --> 02:24:08,200

the Cubans did it and then they have a

2886

02:24:14,880 --> 02:24:10,180

reason to invade Cuba

2887

02:24:17,519 --> 02:24:14,890

and a civilian airliner and so they they

2888

02:24:24,569 --> 02:24:17,529

actually thought that that was a great

2889

02:24:29,189 --> 02:24:24,579

idea and so whether the people right and

2890

02:24:31,739 --> 02:24:29,199

so let's let's look at 370 let's look at

2891

02:24:34,649 --> 02:24:31,749

flight 17 that was shot down over the

2892

02:24:36,109 --> 02:24:34,659

Ukraine and and think about Operation

2893

02:24:39,210 --> 02:24:36,119

Northwoods for a second

2894

02:24:42,090 --> 02:24:39,220

operations North North Woods and I'm not

2895

02:24:44,130 --> 02:24:42,100

saying that either 370 or 17 were the

2896

02:24:47,929 --> 02:24:44,140

United States involved I'm saying that

2897

02:24:51,899 --> 02:24:47,939

the idea for that was put out there

2898

02:24:55,080 --> 02:24:51,909

right and and and so would another

2899

02:24:56,510 --> 02:24:55,090

country that yeah how many airlines have

2900

02:25:01,290 --> 02:24:56,520

been shot down

2901  
02:25:04,229 --> 02:25:01,300  
think about the aside the KLH was shot

2902  
02:25:07,819 --> 02:25:04,239  
down over off the coast of Russia right

2903  
02:25:10,229 --> 02:25:07,829  
shot down you know a spy plane so a

2904  
02:25:13,340 --> 02:25:10,239  
civilian airliner that was spying on

2905  
02:25:16,319 --> 02:25:13,350  
behalf of the u.s. shot down by Russia

2906  
02:25:19,349 --> 02:25:16,329  
we don't have issues with doing this

2907  
02:25:22,949 --> 02:25:19,359  
this is something that there are players

2908  
02:25:25,710 --> 02:25:22,959  
out there that are ok in doing and

2909  
02:25:27,300 --> 02:25:25,720  
that's disturbing they're like yeah

2910  
02:25:30,300 --> 02:25:27,310  
that's that sounds good to me

2911  
02:25:32,309 --> 02:25:30,310  
so there you go no I mean it's good but

2912  
02:25:35,340 --> 02:25:32,319  
I mean I know that they're doing it yeah

2913  
02:25:38,939 --> 02:25:35,350

yeah yeah I mean this is this is the

2914

02:25:41,399 --> 02:25:38,949

thing if I were as I do my magic on is

2915

02:25:43,620 --> 02:25:41,409

to try to get back at those people but

2916

02:25:45,269 --> 02:25:43,630

it doesn't seem to work I mean I don't

2917

02:25:47,010 --> 02:25:45,279

see that they're stopping doing what

2918

02:25:48,929 --> 02:25:47,020

they're doing that so thank you for

2919

02:25:51,319 --> 02:25:48,939

thank you for the phone call my friend

2920

02:25:55,380 --> 02:25:51,329

you met you bet man I just said I

2921

02:25:57,210 --> 02:25:55,390

remember breathe I'm so cool

2922

02:26:00,179 --> 02:25:57,220

Thank You Phil okay we'll see you

2923

02:26:01,469 --> 02:26:00,189

tomorrow okay thank you so much hi

2924

02:26:05,540 --> 02:26:01,479

you're live on fade to black who's

2925

02:26:07,920 --> 02:26:05,550

calling Gabriel hey Gabriel how are you

2926

02:26:12,979 --> 02:26:07,930

very good how you doing Jimmy it's good

2927

02:26:14,659 --> 02:26:12,989

to hear your voice man you two men

2928

02:26:18,510 --> 02:26:14,669

Gabriel

2929

02:26:20,849 --> 02:26:18,520

silence is killer on radio I know I just

2930

02:26:23,250 --> 02:26:20,859

I just I just had a thought and then all

2931

02:26:24,250 --> 02:26:23,260

of a sudden I lost it but I'm just

2932

02:26:26,889 --> 02:26:24,260

thinking about the

2933

02:26:28,510 --> 02:26:26,899

dia that you know Facebook has been

2934

02:26:29,800 --> 02:26:28,520

around for a really long time and

2935

02:26:31,510 --> 02:26:29,810

thinking of all the information that's

2936

02:26:35,500 --> 02:26:31,520

on there I mean it's pretty staggering

2937

02:26:37,750 --> 02:26:35,510

and the idea of that whole the whole

2938

02:26:39,099 --> 02:26:37,760

scroll bar you know like when you look

2939

02:26:41,200 --> 02:26:39,109

at it when you look at it on a computer

2940

02:26:42,700 --> 02:26:41,210

screen it's got it's got a lot going on

2941

02:26:45,700 --> 02:26:42,710

on either side you know so you're

2942

02:26:47,380 --> 02:26:45,710

constantly being drawn to different ads

2943

02:26:50,170 --> 02:26:47,390

and different images and you know

2944

02:26:52,120 --> 02:26:50,180

different directions and I totally feel

2945

02:26:54,550 --> 02:26:52,130

like that's just what happens because

2946

02:26:57,219 --> 02:26:54,560

when I started using it it was it's it's

2947

02:26:58,570 --> 02:26:57,229

so strange how you couldn't help but

2948

02:27:01,360 --> 02:26:58,580

pull out your phone out of your pocket

2949

02:27:03,010 --> 02:27:01,370

and to just to look at that screen and

2950

02:27:05,410 --> 02:27:03,020

just scroll through and it's just like

2951  
02:27:07,300 --> 02:27:05,420  
there's really nothing information-wise

2952  
02:27:10,389 --> 02:27:07,310  
most times you know when you're just

2953  
02:27:11,740 --> 02:27:10,399  
units just your friend circle unless

2954  
02:27:13,630 --> 02:27:11,750  
you're you know like fate or not I don't

2955  
02:27:15,849 --> 02:27:13,640  
want to brag about the faders but we

2956  
02:27:18,610 --> 02:27:15,859  
usually have pretty you know smart stuff

2957  
02:27:20,530 --> 02:27:18,620  
in our Scrolls so it's interesting for

2958  
02:27:22,690 --> 02:27:20,540  
us and it's and it's it's informational

2959  
02:27:24,880 --> 02:27:22,700  
but for the normal person you know it's

2960  
02:27:28,030 --> 02:27:24,890  
always just memes and silly you know

2961  
02:27:29,950 --> 02:27:28,040  
interesting quotes and just stuff it's

2962  
02:27:32,050 --> 02:27:29,960  
kind of fluff and I think it directs

2963  
02:27:34,900 --> 02:27:32,060

people's thinking in a general way in

2964

02:27:36,969 --> 02:27:34,910

and brings emotions out of them that

2965

02:27:38,200 --> 02:27:36,979

they might not necessarily have just

2966

02:27:41,500 --> 02:27:38,210

because of the content that they're

2967

02:27:43,660 --> 02:27:41,510

seeing and you know it's like people

2968

02:27:45,370 --> 02:27:43,670

that like I I work with people who can't

2969

02:27:46,960 --> 02:27:45,380

stop pulling their phone out of their

2970

02:27:48,730 --> 02:27:46,970

pocket checking Facebook and I'm like

2971

02:27:50,380 --> 02:27:48,740

what is so important that you have to

2972

02:27:53,050 --> 02:27:50,390

look and they're like I don't know I

2973

02:27:56,320 --> 02:27:53,060

just want to see and it's just like wow

2974

02:27:59,320 --> 02:27:56,330

wow what is there and it's I think it's

2975

02:28:01,540 --> 02:27:59,330

not it to me I mean I want to go to off

2976

02:28:04,599 --> 02:28:01,550

the deep end sometimes just for the sake

2977

02:28:06,670 --> 02:28:04,609

of the conversation and say maybe it's

2978

02:28:08,950 --> 02:28:06,680

it's generally I mean in a weird way

2979

02:28:11,620 --> 02:28:08,960

like sucking the information out of your

2980

02:28:13,750 --> 02:28:11,630

brain through the screen and because

2981

02:28:17,170 --> 02:28:13,760

you're so entranced in it you literally

2982

02:28:19,769 --> 02:28:17,180

go into this days like trance into the

2983

02:28:22,179 --> 02:28:19,779

screen and just like an infrared

2984

02:28:23,910 --> 02:28:22,189

flashlight through that sends

2985

02:28:26,830 --> 02:28:23,920

information from one computer to another

2986

02:28:29,950 --> 02:28:26,840

maybe they have found a way to get the

2987

02:28:32,440 --> 02:28:29,960

screen to literally you know take

2988

02:28:34,120 --> 02:28:32,450

information from our brains and I mean I

2989

02:28:36,309 --> 02:28:34,130

know that sounds a little out of the box

2990

02:28:37,200 --> 02:28:36,319

but I mean come on after a while you you

2991

02:28:39,810 --> 02:28:37,210

have to

2992

02:28:43,530 --> 02:28:39,820

entertain the idea of how complex has

2993

02:28:46,350 --> 02:28:43,540

this information become and how how how

2994

02:28:48,600 --> 02:28:46,360

advanced are the phones we have actually

2995

02:28:50,610 --> 02:28:48,610

in our in our hand you know what are

2996

02:28:53,460 --> 02:28:50,620

those actually capable of I mean if they

2997

02:28:56,130 --> 02:28:53,470

can read your thumbprint for security

2998

02:28:58,020 --> 02:28:56,140

purposes then then what can they do with

2999

02:29:00,090 --> 02:28:58,030

when your eyes are staring at it so

3000

02:29:03,840 --> 02:29:00,100

intently and they have a camera facing

3001

02:29:09,390 --> 02:29:03,850

right at you too so I mean well thank

3002

02:29:10,740 --> 02:29:09,400

you for ruining my night well done

3003

02:29:13,890 --> 02:29:10,750

Gabriel well done

3004

02:29:17,100 --> 02:29:13,900

no you're look but with that thing so

3005

02:29:19,170 --> 02:29:17,110

close to your ear and eight of them for

3006

02:29:20,730 --> 02:29:19,180

most people I've got to hit a break here

3007

02:29:23,790 --> 02:29:20,740

Gabriel thinking for the phone call but

3008

02:29:26,460 --> 02:29:23,800

for most people they're checking it

3009

02:29:29,969 --> 02:29:26,470

every five minutes and my responses the

3010

02:29:33,050 --> 02:29:29,979

world hasn't changed for you in the last

3011

02:29:36,570 --> 02:29:33,060

five minutes what could have possibly

3012

02:29:42,000 --> 02:29:36,580

changed every five minutes every hour of

3013

02:29:47,640 --> 02:29:42,010

the day right we should have a one check

3014

02:29:49,230 --> 02:29:47,650

limit Gabriel thank you so much we'll

3015

02:29:51,030 --> 02:29:49,240

see you tomorrow night thank you so much

3016

02:29:53,460 --> 02:29:51,040

this is fade to black I'm your host

3017

02:29:56,790 --> 02:29:53,470

Jimmy Church more of your phone calls

3018

02:29:58,980 --> 02:29:56,800

are next yes tonight is Fator night we

3019

02:30:01,710 --> 02:29:58,990

had to move stuff around so tonight is

3020

02:30:03,300 --> 02:30:01,720

Fator night tomorrow night is Yvonne

3021

02:30:05,700 --> 02:30:03,310

Smith but tomorrow night we're gonna

3022

02:30:08,700 --> 02:30:05,710

have Jon Rappoport here with there's no

3023

02:30:10,380 --> 02:30:08,710

more fake newsroom live I'll be right

3024

02:30:12,080 --> 02:30:10,390

back more of your phone calls or next

3025

02:30:32,991 --> 02:30:12,090

stay with us

3026

02:30:36,150 --> 02:30:33,001

[Music]

3027

02:30:41,610 --> 02:30:36,160

and you are listen to my boy Jimmy

3028

02:30:44,850 --> 02:30:41,620

Church Oh Jimmy Church radio.com this my

3029

02:30:47,269 --> 02:30:44,860

popular opinion reading a book will not

3030

02:30:51,809 --> 02:30:47,279

make you smarter

3031

02:30:53,429 --> 02:30:51,819

but listening to Jimmy Church will so

3032

02:30:56,580 --> 02:30:53,439

you went to dinner last night you had

3033

02:30:59,939 --> 02:30:56,590

your favorite pasta or maybe you had a

3034

02:31:02,639 --> 02:30:59,949

heavy spicy meal in the left you get the

3035

02:31:06,779 --> 02:31:02,649

t-dot-com maybe you mowed down a huge

3036

02:31:09,029 --> 02:31:06,789

steak and your plumbing is all plug get

3037

02:31:10,700 --> 02:31:09,039

the t-dot-com our super strength T will

3038

02:31:14,269 --> 02:31:10,710

take care of your occasional

3039

02:31:16,859 --> 02:31:14,279

it's all organic and non-gmo get rid of

3040

02:31:19,830 --> 02:31:16,869

we have so many great supplements but

3041

02:31:23,670 --> 02:31:19,840

our super T is number one get the T calm

3042

02:31:27,120 --> 02:31:23,680

pets get t.com so you love talk radio

3043

02:31:30,689 --> 02:31:27,130

then you'll love talk stream live comm

3044

02:31:32,819 --> 02:31:30,699

talk stream live is always on 24/7 with

3045

02:31:34,649 --> 02:31:32,829

the best streaming talk shows find your

3046

02:31:37,080 --> 02:31:34,659

favorite talkers and discover some new

3047

02:31:39,779 --> 02:31:37,090

ones it's free readily available online

3048

02:31:40,290 --> 02:31:39,789

or on mobile with any smartphone or

3049

02:31:42,330 --> 02:31:40,300

tablet

3050

02:31:44,399 --> 02:31:42,340

finding your favorite talk shows all in

3051  
02:31:47,790 --> 02:31:44,409  
one place has gotten a whole lot easier

3052  
02:31:49,290 --> 02:31:47,800  
just go to talk stream live.com be sure

3053  
02:31:54,240 --> 02:31:49,300  
to download the free apps from Google

3054  
02:31:56,969 --> 02:31:54,250  
Play or the itunes app store when you

3055  
02:31:59,490 --> 02:31:56,979  
take the beans from Central America with

3056  
02:32:01,979 --> 02:31:59,500  
dashes of indonesian and african mixed

3057  
02:32:04,830 --> 02:32:01,989  
in and then roast it to the dark side of

3058  
02:32:08,399 --> 02:32:04,840  
fade to black you create the ultimate

3059  
02:32:11,609 --> 02:32:08,409  
brew of Fringe introducing the fade to

3060  
02:32:14,939 --> 02:32:11,619  
black blend from River moon coffee yes

3061  
02:32:16,590 --> 02:32:14,949  
River moons darkest customized roast was

3062  
02:32:20,219 --> 02:32:16,600  
created for the love of

3063  
02:32:22,740 --> 02:32:20,229

fade to black the alchemy of masterful

3064

02:32:25,979 --> 02:32:22,750

roasting and smoking the beans is in

3065

02:32:30,210 --> 02:32:25,989

every sip of this full-bodied dark Java

3066

02:32:32,069 --> 02:32:30,220

I need my coffee dog deep with distinct

3067

02:32:35,219 --> 02:32:32,079

bittersweet chocolate highlights just

3068

02:32:37,649 --> 02:32:35,229

like the bunker leaning further into the

3069

02:32:40,950 --> 02:32:37,659

darkness of the roast is fade to black

3070

02:32:42,599 --> 02:32:40,960

blend from river moon coffee just click

3071

02:32:45,899 --> 02:32:42,609

on the banner at Jimmy Church radio.com

3072

02:32:49,020 --> 02:32:45,909

and use the promo code F to B blend for

3073

02:32:52,921 --> 02:32:49,030

15% off of your order today

3074

02:32:54,961 --> 02:32:52,931

Gobekli Tepe hey can we talk about

3075

02:32:58,080 --> 02:32:54,971

something serious for a minute your age

3076

02:33:00,540 --> 02:32:58,090

getting old has its perks but remember

3077

02:33:02,580 --> 02:33:00,550

being a few years younger you know your

3078

02:33:04,440 --> 02:33:02,590

hair was thicker you didn't have so many

3079

02:33:06,390 --> 02:33:04,450

wrinkles that extra weight wasn't

3080

02:33:08,700 --> 02:33:06,400

haunting you and you just felt better

3081

02:33:11,400 --> 02:33:08,710

well we can't turn back the clocks and

3082

02:33:13,560 --> 02:33:11,410

go back 10 or 15 years but you can start

3083

02:33:16,711 --> 02:33:13,570

feeling and looking 10 or 15 years

3084

02:33:18,720 --> 02:33:16,721

younger with nature's youth RSF it's a

3085

02:33:20,400 --> 02:33:18,730

doctor formulated daily supplement that

3086

02:33:22,131 --> 02:33:20,410

helps your body maintain its peak

3087

02:33:24,780 --> 02:33:22,141

performance and fight the aging process

3088

02:33:26,251 --> 02:33:24,790

imagine sleeping better looking better

3089

02:33:28,711 --> 02:33:26,261

and feeling better

3090

02:33:30,690 --> 02:33:28,721

see how Nature's youth RSF has helped

3091

02:33:33,360 --> 02:33:30,700

thousands of people just like you at

3092

02:33:35,820 --> 02:33:33,370

nature's youth calm nature's youth calm

3093

02:33:37,230 --> 02:33:35,830

the holidays are coming imagine how it

3094

02:33:39,150 --> 02:33:37,240

will feel when your family and friends

3095

02:33:41,520 --> 02:33:39,160

are asking you what you did to look so

3096

02:33:43,801 --> 02:33:41,530

good your secret will be nature's youth

3097

02:33:46,290 --> 02:33:43,811

RSF it's time to start looking better

3098

02:33:48,360 --> 02:33:46,300

and feeling better learn more in order

3099

02:33:58,650 --> 02:33:48,370

your nature's use RSS at nature's youth

3100

02:34:13,179 --> 02:34:02,349

it's not a lifestyle we chose we were

3101  
02:34:17,950 --> 02:34:13,189  
born this way k GRA radio.com this is KJ

3102  
02:34:32,649 --> 02:34:28,180  
[Music]

3103  
02:34:34,750 --> 02:34:32,659  
welcome back fade to black coming up

3104  
02:34:38,409 --> 02:34:34,760  
Jimmy Church yeah tonight's Fator night

3105  
02:34:39,729 --> 02:34:38,419  
great phone calls tonight love it the

3106  
02:34:41,050 --> 02:34:39,739  
unhold stay right there I'll get two

3107  
02:34:42,819 --> 02:34:41,060  
three two three a two five five zero

3108  
02:34:44,040 --> 02:34:42,829  
four five four three two three two seven

3109  
02:34:46,840 --> 02:34:44,050  
five 96-95

3110  
02:34:50,260 --> 02:34:46,850  
talking about Zuckerberg tonight and

3111  
02:34:52,689 --> 02:34:50,270  
these revelations about what they have

3112  
02:34:55,960 --> 02:34:52,699  
been doing to all of you all of us is

3113  
02:34:58,719 --> 02:34:55,970

it's disgusting but there's something

3114

02:35:02,080 --> 02:34:58,729

else happened today on our YouTube

3115

02:35:03,969 --> 02:35:02,090

channel there's some kind of weird bug

3116

02:35:07,239 --> 02:35:03,979

we have a management company that runs

3117

02:35:09,130 --> 02:35:07,249

our YouTube channel and and so I spoke

3118

02:35:12,250 --> 02:35:09,140

to them and they went and looked we've

3119

02:35:17,050 --> 02:35:12,260

got this weird issue in that comments

3120

02:35:20,590 --> 02:35:17,060

aren't being posted right so for

3121

02:35:22,420 --> 02:35:20,600

instance like Emory Smith so when you go

3122

02:35:24,429 --> 02:35:22,430

you know you you can go to certain

3123

02:35:26,229 --> 02:35:24,439

videos and once a while you'll see

3124

02:35:28,630 --> 02:35:26,239

comments have been turned off for this

3125

02:35:30,010 --> 02:35:28,640

channel or for this video

3126

02:35:34,479 --> 02:35:30,020

right okay see that from time to time

3127

02:35:39,369 --> 02:35:34,489

whatever who cares but but for us like

3128

02:35:42,099 --> 02:35:39,379

every Smith to the other night there is

3129

02:35:44,050 --> 02:35:42,109

out okay there's eleven twelve thousand

3130

02:35:47,500 --> 02:35:44,060

views on this video there's a hundred

3131

02:35:50,949 --> 02:35:47,510

and fifteen comments 318 likes alright

3132

02:35:53,260 --> 02:35:50,959

34 who wouldn't have liked that anyway

3133

02:35:57,580 --> 02:35:53,270

it doesn't matter 34 down votes on that

3134

02:36:00,550 --> 02:35:57,590

but 115 comments there's only 20

3135

02:36:04,210 --> 02:36:00,560

comments posted there's a hundred that

3136

02:36:07,239 --> 02:36:04,220

are missing right 95 and and it's going

3137

02:36:11,349 --> 02:36:07,249

through on all of our stuff no comments

3138

02:36:13,769 --> 02:36:11,359

are coming in on our channel it's really

3139

02:36:17,349 --> 02:36:13,779

weird now is this something to do with

3140

02:36:19,300 --> 02:36:17,359

YouTube have they shut off our comments

3141

02:36:21,909 --> 02:36:19,310

are they monitoring our comments or

3142

02:36:24,609 --> 02:36:21,919

whatever I don't know but it's very very

3143

02:36:26,739 --> 02:36:24,619

strange and so I'm gonna wait til

3144

02:36:28,899 --> 02:36:26,749

tomorrow morning and see if this doesn't

3145

02:36:31,659 --> 02:36:28,909

get resolved then our management company

3146

02:36:32,949 --> 02:36:31,669

is gonna contact a YouTube directly and

3147

02:36:35,649 --> 02:36:32,959

see if there's some kind of weird bug

3148

02:36:39,540 --> 02:36:35,659

going on but there again see that is

3149

02:36:42,729 --> 02:36:39,550

censoring man it could be an honest bug

3150

02:36:43,240 --> 02:36:42,739

right me I just jump in that conspiracy

3151

02:36:45,460 --> 02:36:43,250

thing way

3152

02:36:48,730 --> 02:36:45,470

too quick but here it is and it's going

3153

02:36:51,220 --> 02:36:48,740

on you can go to our Facebook our fade

3154

02:36:53,790 --> 02:36:51,230

to black YouTube channel and and see it

3155

02:36:56,530 --> 02:36:53,800

for yourself you can literally go and

3156

02:36:58,210 --> 02:36:56,540

like click on this video for emery smith

3157

02:37:01,480 --> 02:36:58,220

you can see that there it says a hundred

3158

02:37:05,140 --> 02:37:01,490

and fifteen comments and then there's

3159

02:37:07,240 --> 02:37:05,150

only 20 posted it's weird and they're

3160

02:37:10,540 --> 02:37:07,250

not being blocked there's nothing you

3161

02:37:13,420 --> 02:37:10,550

know it's they're turned on I have no

3162

02:37:14,710 --> 02:37:13,430

idea it's really weird alright enough of

3163

02:37:18,040 --> 02:37:14,720

that let's go to the phones hi you live

3164

02:37:22,300 --> 02:37:18,050

I'm fade to black who's calling you me

3165

02:37:25,240 --> 02:37:22,310

there yes this is Scott how are you sir

3166

02:37:26,080 --> 02:37:25,250

I'm doing good Scott how are you are you

3167

02:37:32,440 --> 02:37:26,090

surviving

3168

02:37:35,970 --> 02:37:32,450

am I am just give me five minutes alone

3169

02:37:43,150 --> 02:37:35,980

with mr. Zuckerberg in an empty room

3170

02:37:44,800 --> 02:37:43,160

he's asked for these ten that we

3171

02:37:47,740 --> 02:37:44,810

understand that that people control the

3172

02:37:50,680 --> 02:37:47,750

world not them well there's that and

3173

02:37:53,020 --> 02:37:50,690

again Scott I want everybody to be aware

3174

02:37:55,330 --> 02:37:53,030

let's think about what they did they

3175

02:37:58,150 --> 02:37:55,340

gave away the data they sold it they

3176

02:37:59,950 --> 02:37:58,160

allowed apps to access it that those

3177

02:38:02,200 --> 02:37:59,960

apps turn around and use those

3178

02:38:07,000 --> 02:38:02,210

psychological profiles and turn around

3179

02:38:10,060 --> 02:38:07,010

and we're used against us and it's just

3180

02:38:12,760 --> 02:38:10,070

that's you that is double dipping to I

3181

02:38:16,420 --> 02:38:12,770

don't know what kind of degree and so

3182

02:38:19,360 --> 02:38:16,430

any backlash you know if they if they go

3183

02:38:22,510 --> 02:38:19,370

belly-up you know and if this is what

3184

02:38:27,040 --> 02:38:22,520

I'm really going to enjoy happening if

3185

02:38:29,020 --> 02:38:27,050

it does which is this if they are so big

3186

02:38:31,810 --> 02:38:29,030

they have so many employees so much

3187

02:38:33,130 --> 02:38:31,820

infrastructure to support and if they

3188

02:38:35,110 --> 02:38:33,140

don't have the revenue to turn around

3189

02:38:37,330 --> 02:38:35,120

and pay for this because the

3190

02:38:40,930 --> 02:38:37,340

shareholders and the stock prices have

3191

02:38:43,240 --> 02:38:40,940

dropped the advertisers run the end

3192

02:38:47,590 --> 02:38:43,250

users that are supporting the platform

3193

02:38:49,510 --> 02:38:47,600

starts shutting off their accounts very

3194

02:38:51,370 --> 02:38:49,520

very quickly things can go in the other

3195

02:38:53,620 --> 02:38:51,380

direction and I'm telling you it can

3196

02:38:56,679 --> 02:38:53,630

happen fast look what happened to Toys R

3197

02:39:00,250 --> 02:38:56,689

Us gone right

3198

02:39:02,679 --> 02:39:00,260

there you go yeah you know it is very

3199

02:39:05,230 --> 02:39:02,689

exciting because I never liked Facebook

3200

02:39:08,590 --> 02:39:05,240

and and Zuckerberg although I did

3201

02:39:11,170 --> 02:39:08,600

connect with a lot of past friends but I

3202

02:39:13,360 --> 02:39:11,180

I think this was another thing like

3203

02:39:16,210 --> 02:39:13,370

maybe on stellar and guess what you got

3204

02:39:20,139 --> 02:39:16,220

freedom privacy I'm enjoying it

3205

02:39:22,929 --> 02:39:20,149

completely and it just really sad but I

3206

02:39:24,130 --> 02:39:22,939

just I'm really upset with what had

3207

02:39:28,410 --> 02:39:24,140

happened that's for sure

3208

02:39:32,530 --> 02:39:28,420

necessity is the mother of invention and

3209

02:39:35,650 --> 02:39:32,540

so here you go on stellar with

3210

02:39:37,690 --> 02:39:35,660

everything that was going on over the

3211

02:39:39,100 --> 02:39:37,700

last couple of years with fake news and

3212

02:39:41,410 --> 02:39:39,110

and everything else that was happening

3213

02:39:45,940 --> 02:39:41,420

in social media this was all going down

3214

02:39:48,940 --> 02:39:45,950

the recent activity with YouTube and and

3215

02:39:52,150 --> 02:39:48,950

the way that they were you know removing

3216

02:39:54,160 --> 02:39:52,160

channels and videos not only that but

3217

02:39:56,200 --> 02:39:54,170

the way that YouTube screwed up with it

3218

02:39:58,750 --> 02:39:56,210

with the kids videos and the kids videos

3219

02:40:02,230 --> 02:39:58,760

channels with adult content and yeah all

3220

02:40:05,980 --> 02:40:02,240

of this went down and Twitter and shadow

3221

02:40:09,219 --> 02:40:05,990

banning their the the things that were

3222

02:40:13,710 --> 02:40:09,229

playing out well you know what that's

3223

02:40:15,520 --> 02:40:13,720

why I'm stellar is here and yeah tiring

3224

02:40:16,840 --> 02:40:15,530

timing couldn't be better

3225

02:40:18,730 --> 02:40:16,850

you know so we're gonna get this

3226

02:40:23,170 --> 02:40:18,740

launched as quick as we can trust me on

3227

02:40:25,719 --> 02:40:23,180

this we we fully realize what's going on

3228

02:40:28,330 --> 02:40:25,729

out there and it's needed and it's

3229

02:40:30,850 --> 02:40:28,340

needed now and it's done by the way the

3230

02:40:32,139 --> 02:40:30,860

platform's down we just got to get get

3231

02:40:34,330 --> 02:40:32,149

through a couple of weeks here and then

3232

02:40:37,450 --> 02:40:34,340

we'll start the testing and the beta

3233

02:40:39,550 --> 02:40:37,460

phase and and then we launch man it's

3234

02:40:42,670 --> 02:40:39,560

it's right at home a corner did you sign

3235

02:40:45,219 --> 02:40:42,680

up are you very good sir yeah I am I'm

3236

02:40:46,630 --> 02:40:45,229

here I'm right I'm ready to go I need to

3237

02:40:50,920 --> 02:40:46,640

ask you a couple more questions if you

3238

02:40:52,900 --> 02:40:50,930

don't mind sure the other night did I

3239

02:40:55,750 --> 02:40:52,910

understand that Emily said that you fo

3240

02:40:59,560 --> 02:40:55,760

Kratz cannot be flown by humans unless

3241

02:41:02,679 --> 02:40:59,570

they had to correct alien lineage DNA

3242

02:41:07,480 --> 02:41:02,689

yes he said that I mean are we saying

3243

02:41:09,220 --> 02:41:07,490

that the UFO crash yep it has to be the

3244

02:41:11,620 --> 02:41:09,230

same pilot in each crash

3245

02:41:15,310 --> 02:41:11,630

- or is it they have to have like the

3246

02:41:17,921 --> 02:41:15,320

same lineage Guinea where each

3247

02:41:20,650 --> 02:41:17,931

individual alien can sit in the craft or

3248

02:41:22,511 --> 02:41:20,660

is it just each individual no I think

3249

02:41:27,040 --> 02:41:22,521

what he was a oh I think what he was

3250

02:41:29,500 --> 02:41:27,050

saying there is that you have to be you

3251  
02:41:31,511 --> 02:41:29,510  
know that species you know you have to

3252  
02:41:36,190 --> 02:41:31,521  
have that type of DNA like you have

3253  
02:41:41,230 --> 02:41:36,200  
human DNA in you right so let's say that

3254  
02:41:44,560 --> 02:41:41,240  
you had a firearm a gun that could only

3255  
02:41:46,570 --> 02:41:44,570  
be fired by human DNA right when you

3256  
02:41:49,200 --> 02:41:46,580  
touch it the sweat on your skin or

3257  
02:41:53,980 --> 02:41:49,210  
whatever right and they detects that so

3258  
02:41:56,381 --> 02:41:53,990  
so a monkey couldn't shoot the gun right

3259  
02:42:00,430 --> 02:41:56,391  
makes sense does that really exist to me

3260  
02:42:03,460 --> 02:42:00,440  
that is crazy but it does explain and

3261  
02:42:05,801 --> 02:42:03,470  
I've often wondered about that when he

3262  
02:42:08,051 --> 02:42:05,811  
said there was after he said that

3263  
02:42:10,450 --> 02:42:08,061

because I quizzed him on this when he

3264

02:42:15,131 --> 02:42:10,460

said that anybody out there that says

3265

02:42:18,490 --> 02:42:15,141

that we're flying those craft we are not

3266

02:42:21,190 --> 02:42:18,500

we cannot and I am I'm buying into that

3267

02:42:24,240 --> 02:42:21,200

now what would happen though see what

3268

02:42:30,540 --> 02:42:24,250

would happen if you were an alien hybrid

3269

02:42:35,020 --> 02:42:30,550

right yeah now we're into another zone

3270

02:42:42,280 --> 02:42:35,030

here that I kinda like so we would have

3271

02:42:44,921 --> 02:42:42,290

alien hybrid Marines yeah jumping on the

3272

02:42:46,660 --> 02:42:44,931

craft and and then somebody would get

3273

02:42:48,790 --> 02:42:46,670

busted right somebody would say yeah man

3274

02:42:50,470 --> 02:42:48,800

I'm an alien hybrid okay cool and then

3275

02:42:54,131 --> 02:42:50,480

he jumps on the craft and it doesn't

3276

02:42:57,910 --> 02:42:54,141

fire up and and him he gets busted you

3277

02:43:00,610 --> 02:42:57,920

said you were alien hybrid did yeah yeah

3278

02:43:03,270 --> 02:43:00,620

yeah exactly though also Jimmy I just

3279

02:43:07,091 --> 02:43:03,280

want to say one more thing yes my wife

3280

02:43:10,180 --> 02:43:07,101

absolutely adores your wife Rita and

3281

02:43:12,160 --> 02:43:10,190

says you're a lucky man and and she can

3282

02:43:14,470 --> 02:43:12,170

tell you guys are both in love and so

3283

02:43:15,511 --> 02:43:14,480

cheers to both you oh well thank you for

3284

02:43:21,190 --> 02:43:15,521

that

3285

02:43:22,150 --> 02:43:21,200

back at you so you know we said the same

3286

02:43:25,810 --> 02:43:22,160

things about

3287

02:43:27,610 --> 02:43:25,820

you and in the both of you yeah thank

3288

02:43:30,790 --> 02:43:27,620

you so much Scott be safe out there it's

3289

02:43:32,140 --> 02:43:30,800

really raining and we've got mudslides

3290

02:43:33,761 --> 02:43:32,150

and you know how it is in Southern

3291

02:43:36,040 --> 02:43:33,771

California when it starts raining people

3292

02:43:37,511 --> 02:43:36,050

forget how to drive so just be safe well

3293

02:43:39,810 --> 02:43:37,521

Jimmy you know our work here I got about

3294

02:43:45,430 --> 02:43:39,820

four more hours to go and then I'm home

3295

02:43:48,820 --> 02:43:45,440

four more hours you take care I'll talk

3296

02:43:52,051 --> 02:43:48,830

to you Scott thank you so much hi you're

3297

02:44:01,540 --> 02:43:52,061

live on fade to black who's calling

3298

02:44:04,841 --> 02:44:01,550

you're live three two one and I hate to

3299

02:44:07,511 --> 02:44:04,851

do that I just really hate and it's

3300

02:44:11,350 --> 02:44:07,521

acting funky I see what's going on hi

3301  
02:44:15,310 --> 02:44:11,360  
live on fade to black who's calling from

3302  
02:44:17,140 --> 02:44:15,320  
Sacramento hi Deb how are you hi

3303  
02:44:19,480 --> 02:44:17,150  
why sure a lot of what you're saying

3304  
02:44:22,060 --> 02:44:19,490  
tonight this whole Facebook thing at the

3305  
02:44:24,341 --> 02:44:22,070  
end of the day I'm dropping my facebook

3306  
02:44:26,080 --> 02:44:24,351  
account tomorrow we have on stellar we

3307  
02:44:28,930 --> 02:44:26,090  
don't leave Facebook if everyone

3308  
02:44:31,600 --> 02:44:28,940  
listening tonight drops Facebook we have

3309  
02:44:33,430 --> 02:44:31,610  
the power I know I know I know I know

3310  
02:44:35,230 --> 02:44:33,440  
they would feel it they would feel it

3311  
02:44:39,400 --> 02:44:35,240  
and it wouldn't just be our community

3312  
02:44:40,841 --> 02:44:39,410  
either Deb it would I think there's a

3313  
02:44:44,140 --> 02:44:40,851

lot of people outside of our community

3314

02:44:46,000 --> 02:44:44,150

that are completely offended and you're

3315

02:44:48,220 --> 02:44:46,010

gonna feel it I'm telling you you want

3316

02:44:51,640 --> 02:44:48,230

to affect a company affect their

3317

02:44:53,261 --> 02:44:51,650

pocketbook that's how you do it that's

3318

02:44:56,470 --> 02:44:53,271

where the consumers and we're the ones

3319

02:45:00,341 --> 02:44:56,480

we made them and we can undo them you

3320

02:45:03,070 --> 02:45:00,351

know I'm sure that there isn't a day of

3321

02:45:07,830 --> 02:45:03,080

Zuckerberg life that doesn't go by where

3322

02:45:11,801 --> 02:45:07,840

he goes man I got a lot of free money

3323

02:45:15,520 --> 02:45:11,811

free money free just for billions of

3324

02:45:18,011 --> 02:45:15,530

dollars just like an out of control

3325

02:45:19,091 --> 02:45:18,021

Vegas slot machine just spitting out

3326

02:45:21,820 --> 02:45:19,101

money all day long

3327

02:45:23,290 --> 02:45:21,830

he can't spend it you know there's no

3328

02:45:25,570 --> 02:45:23,300

way what what are you gonna do buy

3329

02:45:28,060 --> 02:45:25,580

countries you know what do you do next

3330

02:45:30,250 --> 02:45:28,070

when you have Zuckerberg money you know

3331

02:45:32,530 --> 02:45:30,260

you can only buy he only buys one

3332

02:45:35,261 --> 02:45:32,540

t-shirt so we know that he's not he's

3333

02:45:39,280 --> 02:45:35,271

not shopping for clothes

3334

02:45:43,060 --> 02:45:39,290

or you know so there you go and karma

3335

02:45:46,511 --> 02:45:43,070

has a way of equalizing the universe and

3336

02:45:48,790 --> 02:45:46,521

I'm serious about that you know he got

3337

02:45:51,850 --> 02:45:48,800

it he got it really easily well it can

3338

02:45:53,950 --> 02:45:51,860

be taken away really easily - he should

3339

02:45:55,720 --> 02:45:53,960

have been smarter Karma's a so

3340

02:45:57,520 --> 02:45:55,730

what's on your mind up real quick oh

3341

02:45:59,680 --> 02:45:57,530

well just what you guys were talking

3342

02:46:01,511 --> 02:45:59,690

about and you know and YouTube that's

3343

02:46:03,520 --> 02:46:01,521

really still we talked a while back

3344

02:46:04,841 --> 02:46:03,530

about censoring and taking down channels

3345

02:46:06,250 --> 02:46:04,851

and there's still other channels that

3346

02:46:08,320 --> 02:46:06,260

have been taken down

3347

02:46:09,940 --> 02:46:08,330

totally and one of the channels I

3348

02:46:12,280 --> 02:46:09,950

mentioned before was David Seaman since

3349

02:46:14,020 --> 02:46:12,290

I was an alternate he was broadcasting

3350

02:46:16,900 --> 02:46:14,030

from Facebook and now he's done with

3351  
02:46:19,020 --> 02:46:16,910  
that and so his whole community of 160

3352  
02:46:22,211 --> 02:46:19,030  
thousand followers is completely gone

3353  
02:46:25,810 --> 02:46:22,221  
because of this and YouTube keeps

3354  
02:46:27,490 --> 02:46:25,820  
censoring - and Google and there's just

3355  
02:46:28,990 --> 02:46:27,500  
got to be better alternatives because if

3356  
02:46:30,640 --> 02:46:29,000  
they're gonna so you know it's the

3357  
02:46:32,290 --> 02:46:30,650  
alternative community that they keep

3358  
02:46:36,160 --> 02:46:32,300  
censoring because they don't want the

3359  
02:46:38,261 --> 02:46:36,170  
truth to get out in our you know about

3360  
02:46:40,240 --> 02:46:38,271  
so many things you know and so they're

3361  
02:46:43,270 --> 02:46:40,250  
just censoring the crap out of us

3362  
02:46:45,820 --> 02:46:43,280  
they're terrified of football no they

3363  
02:46:47,921 --> 02:46:45,830

don't want us discovering things and so

3364

02:46:49,450 --> 02:46:47,931

they're systematically just shutting

3365

02:46:52,110 --> 02:46:49,460

down one thing after another after

3366

02:46:54,370 --> 02:46:52,120

another or these truth communities and

3367

02:46:56,591 --> 02:46:54,380

it's a blatant we've gotta find

3368

02:46:58,301 --> 02:46:56,601

alternate and you've been great doing

3369

02:47:00,011 --> 02:46:58,311

the on stellar thing and signing up and

3370

02:47:01,570 --> 02:47:00,021

I just bought a new laptop and when I

3371

02:47:03,461 --> 02:47:01,580

get it up and running I'm doing my own

3372

02:47:06,100 --> 02:47:03,471

stellar thing and I'm gonna find an

3373

02:47:07,600 --> 02:47:06,110

alternate for YouTube and all these

3374

02:47:11,290 --> 02:47:07,610

other things to this guy that it's a big

3375

02:47:13,091 --> 02:47:11,300

Internet yeah and we share it on stellar

3376

02:47:15,610 --> 02:47:13,101

and keep each other informed as to where

3377

02:47:19,990 --> 02:47:15,620

we can go where these platforms on

3378

02:47:22,660 --> 02:47:20,000

stellar is just so exciting man you guys

3379

02:47:25,000 --> 02:47:22,670

are gonna be blown away are you just

3380

02:47:27,640 --> 02:47:25,010

gonna be blown away it's and it's Friday

3381

02:47:32,530 --> 02:47:27,650

it's done I wish there was a way we

3382

02:47:35,591 --> 02:47:32,540

could speed things up but rest assured

3383

02:47:38,440 --> 02:47:35,601

that the platform itself is written and

3384

02:47:40,180 --> 02:47:38,450

it looks gorgeous we just have to go

3385

02:47:42,820 --> 02:47:40,190

through a couple of things and then oh

3386

02:47:46,750 --> 02:47:42,830

we're gonna do I'm telling you were

3387

02:47:48,671 --> 02:47:46,760

weeks away from testing and so a lot of

3388

02:47:52,301 --> 02:47:48,681

you that a pre-register

3389

02:47:53,801 --> 02:47:52,311

and and gotten your screen names you

3390

02:47:57,820 --> 02:47:53,811

know you're gonna be contacted and

3391

02:47:59,320 --> 02:47:57,830

invited in to check out the platform and

3392

02:48:02,020 --> 02:47:59,330

go through some beta testing for about a

3393

02:48:05,381 --> 02:48:02,030

month and and we'll fix some bugs like

3394

02:48:07,751 --> 02:48:05,391

everybody has to do and then BAM it's

3395

02:48:10,751 --> 02:48:07,761

launched and it's gonna be a big deal

3396

02:48:13,171 --> 02:48:10,761

and you are going to this is what I love

3397

02:48:16,690 --> 02:48:13,181

for all of you fate or knots out there

3398

02:48:19,511 --> 02:48:16,700

you are going to see this in the media

3399

02:48:21,341 --> 02:48:19,521

you're gonna see it talked about you're

3400

02:48:23,350 --> 02:48:21,351

gonna see the advertising you're gonna

3401

02:48:26,591 --> 02:48:23,360

see everything that is behind this and

3402

02:48:28,600 --> 02:48:26,601

and I told everybody last week when we

3403

02:48:30,881 --> 02:48:28,610

we started talking about this and about

3404

02:48:34,930 --> 02:48:30,891

the launch that you will remember this

3405

02:48:37,990 --> 02:48:34,940

day and and then what happened Facebook

3406

02:48:39,700 --> 02:48:38,000

screwed up so there you go I mean you

3407

02:48:42,820 --> 02:48:39,710

will remember you know you're gonna go

3408

02:48:44,470 --> 02:48:42,830

man Church talked about this on stellar

3409

02:48:47,320 --> 02:48:44,480

is here

3410

02:48:49,331 --> 02:48:47,330

perfect timing Facebook screwed up so

3411

02:48:51,131 --> 02:48:49,341

did YouTube and so to Twitter and

3412

02:48:53,950 --> 02:48:51,141

everything at now we've got on stellar

3413

02:48:55,841 --> 02:48:53,960

this is here for us and it's I'm telling

3414

02:48:57,900 --> 02:48:55,851

you it's gonna be the next great thing

3415

02:49:02,081 --> 02:48:57,910

I'm telling you I'm telling you right

3416

02:49:04,961 --> 02:49:02,091

it's got a great it's got a great name

3417

02:49:08,831 --> 02:49:04,971

doesn't it on stellar yeah thank you so

3418

02:49:10,440 --> 02:49:08,841

much I mean take another call so Jimmy

3419

02:49:13,480 --> 02:49:10,450

we'll see you tomorrow night right here

3420

02:49:15,371 --> 02:49:13,490

lately good night right on Deb great

3421

02:49:18,551 --> 02:49:15,381

phone call hi you're live on fade to

3422

02:49:21,581 --> 02:49:18,561

black who's calling hey Jimmy it's Jason

3423

02:49:23,051 --> 02:49:21,591

again I I heard these last two callers

3424

02:49:26,230 --> 02:49:23,061

and I had to call in about one thing

3425

02:49:29,591 --> 02:49:26,240

okay real quick what's up I promised

3426

02:49:31,810 --> 02:49:29,601

them that it'll be quick so um if I'm if

3427

02:49:35,171 --> 02:49:31,820

the research is correct on the fact and

3428

02:49:37,541 --> 02:49:35,181

the contract nature of our government we

3429

02:49:41,381 --> 02:49:37,551

we still have retained the laws of the

3430

02:49:43,390 --> 02:49:41,391

Republic and if you know how to use them

3431

02:49:45,310 --> 02:49:43,400

in a courtroom a community you can

3432

02:49:48,100 --> 02:49:45,320

utilize them but the reason I bring that

3433

02:49:50,890 --> 02:49:48,110

up is because back in the day when our

3434

02:49:52,961 --> 02:49:50,900

republic was founded companies and

3435

02:49:55,211 --> 02:49:52,971

corporations and businesses had to have

3436

02:49:59,860 --> 02:49:55,221

a public good to them or they couldn't

3437

02:50:01,920 --> 02:49:59,870

exist right there might still be a way

3438

02:50:08,309 --> 02:50:01,930

to to enforce those

3439

02:50:10,790 --> 02:50:08,319

lawd well yes but the only way that that

3440

02:50:13,650 --> 02:50:10,800

could happen no the only way the only

3441

02:50:16,260 --> 02:50:13,660

possibility is you got to get rid of the

3442

02:50:19,340 --> 02:50:16,270

lobbying in Washington you got to take

3443

02:50:22,050 --> 02:50:19,350

the lobby dollars out because as long as

3444

02:50:24,870 --> 02:50:22,060

yeah as long as those lobbyists are

3445

02:50:28,019 --> 02:50:24,880

there to influence the Senate and

3446

02:50:33,420 --> 02:50:28,029

Congress and and and what's going on and

3447

02:50:35,729 --> 02:50:33,430

the elections and campaigns until that

3448

02:50:37,740 --> 02:50:35,739

gets removed then you really can't

3449

02:50:39,689 --> 02:50:37,750

implement that part of it

3450

02:50:42,210 --> 02:50:39,699

because there's somebody out there to

3451  
02:50:46,950 --> 02:50:42,220  
influence those decisions and those laws

3452  
02:50:49,500 --> 02:50:46,960  
and you know we're actually well I don't

3453  
02:50:54,630 --> 02:50:49,510  
I don't talk politics on this show but

3454  
02:50:57,630 --> 02:50:54,640  
but I'll say this term limits gotta get

3455  
02:51:01,639 --> 02:50:57,640  
rid of term limits man we have to have

3456  
02:51:04,439 --> 02:51:01,649  
term limits I should say one and done

3457  
02:51:06,030 --> 02:51:04,449  
one and done one and done thank you so

3458  
02:51:09,689 --> 02:51:06,040  
much Jason behaving be well my friend

3459  
02:51:10,889 --> 02:51:09,699  
hey you Tim I hung up on him really

3460  
02:51:12,750 --> 02:51:10,899  
quick I don't want to sound that rude

3461  
02:51:17,849 --> 02:51:12,760  
but high your life I'm paid to block

3462  
02:51:20,639 --> 02:51:17,859  
who's calling hey David South LA how are

3463  
02:51:24,590 --> 02:51:20,649

you all right

3464

02:51:28,910 --> 02:51:24,600

glad you can make it here tonight

3465

02:51:30,719 --> 02:51:28,920

yeah because with all the discussion on

3466

02:51:33,630 --> 02:51:30,729

surveillance and everything while you're

3467

02:51:36,990 --> 02:51:33,640

doing that down in my neighborhood we

3468

02:51:40,139 --> 02:51:37,000

got helicopters literally hovering over

3469

02:51:44,519 --> 02:51:40,149

my roof for like thirty minutes so I was

3470

02:51:49,320 --> 02:51:44,529

like you can't take me alive copper you

3471

02:51:53,429 --> 02:51:49,330

know you don't kind of add it to the

3472

02:51:57,510 --> 02:51:53,439

effect yeah I know and most of the

3473

02:51:59,280 --> 02:51:57,520

country they can see this in in in

3474

02:52:03,870 --> 02:51:59,290

movies and stuff it's you don't really

3475

02:52:07,830 --> 02:52:03,880

understand Los Angeles yeah man

3476

02:52:11,639 --> 02:52:07,840

Los Angeles helicopters are a way of

3477

02:52:14,610 --> 02:52:11,649

life I don't do you know David how many

3478

02:52:16,189 --> 02:52:14,620

helicopters in the LAPD fleet do you

3479

02:52:18,840 --> 02:52:16,199

have any

3480

02:52:20,939 --> 02:52:18,850

although the exact number I couldn't

3481

02:52:23,070 --> 02:52:20,949

tell you but it's got they've got to

3482

02:52:27,300 --> 02:52:23,080

have a good size freak most definitely

3483

02:52:32,729 --> 02:52:27,310

in the sheriff and and the sheriff's I

3484

02:52:36,620 --> 02:52:32,739

mean how many are in okay to do to to to

3485

02:52:41,780 --> 02:52:36,630

to I'm looking now

3486

02:52:46,011 --> 02:52:41,790

LAPD Air Support Division okay all right

3487

02:52:50,030 --> 02:52:48,320

let's take a guess how many do you think

3488

02:52:52,610 --> 02:52:50,040

are in the fleet I've got it right here

3489

02:52:55,610 --> 02:52:52,620

I'm looking at it right now how many do

3490

02:52:56,930 --> 02:52:55,620

you think are in the fleet you know I

3491

02:52:59,930 --> 02:52:56,940

would think that I would think that

3492

02:53:09,650 --> 02:52:59,940

number two the current numbers for the

3493

02:53:14,301 --> 02:53:09,660

LAPD to the tutututu it says here this

3494

02:53:21,320 --> 02:53:14,311

is according to Wikipedia 19 with 88

3495

02:53:23,480 --> 02:53:21,330

pilots yeah so that means that means Wow

3496

02:53:27,110 --> 02:53:23,490

now now let's think about this how many

3497

02:53:29,000 --> 02:53:27,120

square miles is Los Angeles it's not

3498

02:53:31,490 --> 02:53:29,010

very big most people think it's bigger

3499

02:53:34,070 --> 02:53:31,500

than it is now and we're just talking

3500

02:53:36,730 --> 02:53:34,080

about the LAPD here we're not talking

3501

02:53:41,261 --> 02:53:36,740

about Lynwood we're not talking about

3502

02:53:44,091 --> 02:53:41,271

you know Pasadena how many you know or

3503

02:53:46,900 --> 02:53:44,101

Glendale and and and the valley and the

3504

02:53:49,610 --> 02:53:46,910

Sheriff Department so if they have 19

3505

02:53:53,720 --> 02:53:49,620

helicopters that's probably one

3506

02:53:55,341 --> 02:53:53,730

helicopter per square mile right that's

3507

02:53:57,801 --> 02:53:55,351

so that's a pretty scary number how many

3508

02:54:02,060 --> 02:53:57,811

do you think are in up in the air at any

3509

02:54:05,360 --> 02:54:02,070

given time I'm gonna say half so that's

3510

02:54:07,131 --> 02:54:05,370

there now let's go with men this is a

3511

02:54:14,591 --> 02:54:07,141

really great phone call I'm almost out

3512

02:54:16,270 --> 02:54:14,601

of time so let me do this la la County

3513

02:54:24,980 --> 02:54:16,280

Sheriff

3514

02:54:32,421 --> 02:54:24,990

helicopters okay okay air ops for LA

3515

02:54:36,171 --> 02:54:32,431

County tu-tu-tu-tu man

3516

02:54:38,230 --> 02:54:36,181

Oh they've got a buttload okay so

3517

02:54:41,421 --> 02:54:38,240

they've got much more and they also have

3518

02:54:45,470 --> 02:54:41,431

they've got sea kings wow I didn't know

3519

02:54:48,770 --> 02:54:45,480

they they've got super pumas they've got

3520

02:54:54,350 --> 02:54:48,780

so horse key in your neck of the woods

3521

02:54:56,631 --> 02:54:54,360

it's like down here is like I'm God be

3522

02:54:58,380 --> 02:54:56,641

prepared so they could be going through

3523

02:55:00,890 --> 02:54:58,390

my door

3524

02:55:04,590 --> 02:55:00,900

you know yeah even if it's like a

3525

02:55:07,170 --> 02:55:04,600

quote-unquote mistake you know yeah you

3526  
02:55:09,210 --> 02:55:07,180  
guys have to be ready yeah I know and

3527  
02:55:12,800 --> 02:55:09,220  
that's actually a really really great

3528  
02:55:15,900 --> 02:55:12,810  
point if you think about it there are

3529  
02:55:19,590 --> 02:55:15,910  
apartments there are parts of LA when

3530  
02:55:23,370 --> 02:55:19,600  
you hear the helicopters that you react

3531  
02:55:25,980 --> 02:55:23,380  
you react man you react you rough

3532  
02:55:29,520 --> 02:55:25,990  
recover I'd be their parts la that are

3533  
02:55:32,760 --> 02:55:29,530  
just like that that is really funny I

3534  
02:55:35,190 --> 02:55:32,770  
can't get yeah I can't get numbers for

3535  
02:55:39,900 --> 02:55:35,200  
the LA Sheriff's Department quick enough

3536  
02:55:42,180 --> 02:55:39,910  
here there's no well now here it is let

3537  
02:55:46,260 --> 02:55:42,190  
me see here hold on hold on hold on a

3538  
02:55:54,960 --> 02:55:46,270

man see what Kapiti is too big yeah I

3539

02:55:57,570 --> 02:55:54,970

can't I can't get to it fast enough I'm

3540

02:56:02,790 --> 02:55:57,580

dealing with some Brazil type stuff have

3541

02:56:07,160 --> 02:56:02,800

you yeah no exactly exactly Brazil have

3542

02:56:13,050 --> 02:56:07,170

you registered for on stellar yes I okay

3543

02:56:14,700 --> 02:56:13,060

I know I know you got a Dave I really

3544

02:56:16,680 --> 02:56:14,710

appreciate it we'll see you tomorrow

3545

02:56:18,960 --> 02:56:16,690

night we got John Arab got Jon Rappoport

3546

02:56:20,330 --> 02:56:18,970

tomorrow night and Yvonne Smith it's

3547

02:56:24,360 --> 02:56:20,340

gonna be a great night tomorrow night

3548

02:56:26,700 --> 02:56:24,370

all right stay safe out there you too

3549

02:56:33,690 --> 02:56:26,710

man hey how's the rain on the other side

3550

02:56:35,610 --> 02:56:33,700

of the hill oh stop it

3551

02:56:39,930 --> 02:56:35,620

all right Dave behave and be well we'll

3552

02:56:44,730 --> 02:56:39,940

see you tomorrow night okay I'll talk to

3553

02:56:46,590 --> 02:56:44,740

you Dave and and he's he's right about

3554

02:56:48,300 --> 02:56:46,600

that here in Los Angeles it's really

3555

02:56:50,820 --> 02:56:48,310

really weird because we're separated by

3556

02:56:53,480 --> 02:56:50,830

these mountain ranges right so what goes

3557

02:56:59,700 --> 02:56:53,490

on over here and this is no joke so

3558

02:57:04,200 --> 02:56:59,710

we're in Burbank 105 degrees you drive

3559

02:57:06,540 --> 02:57:04,210

like four miles over the mountain or

3560

02:57:11,609 --> 02:57:06,550

around it you know round Dodger Stadium

3561

02:57:15,090 --> 02:57:11,619

and you get into Hollywood 80 75

3562

02:57:19,189 --> 02:57:15,100

you can still have sweat on your

3563

02:57:21,840 --> 02:57:19,199

forehead from Glendale and Burbank right

3564

02:57:24,769 --> 02:57:21,850

sweating your shirt is dripping wet and

3565

02:57:27,329 --> 02:57:24,779

you pull into a you know Hollywood

3566

02:57:29,489 --> 02:57:27,339

Koreatown you know downtown LA it's

3567

02:57:32,039 --> 02:57:29,499

right here you can see it right you can

3568

02:57:34,019 --> 02:57:32,049

see and and you're like man I'm like

3569

02:57:35,699 --> 02:57:34,029

what are you talking about it's hot what

3570

02:57:38,010 --> 02:57:35,709

are you talking about it's 75 it's

3571

02:57:41,069 --> 02:57:38,020

beautiful and you just drove a couple of

3572

02:57:43,800 --> 02:57:41,079

miles it could be raining here and it's

3573

02:57:45,869 --> 02:57:43,810

dry as a bone right over the mountains

3574

02:57:49,529 --> 02:57:45,879

it's really really weird we got the

3575

02:57:51,300 --> 02:57:49,539

strangest weather here anywhere and I've

3576

02:57:54,300 --> 02:57:51,310

never really gotten quite used to it

3577

02:57:56,519 --> 02:57:54,310

alright that wraps another Fator night

3578

02:57:58,109 --> 02:57:56,529

here on fade to black and i do want to

3579

02:58:00,449 --> 02:57:58,119

remind everybody you're not hearing

3580

02:58:04,949 --> 02:58:00,459

things tonight was Fator night tomorrow

3581

02:58:08,969 --> 02:58:04,959

night is Jon Rappoport his no more fake

3582

02:58:10,979 --> 02:58:08,979

newsroom live followed by Yvonne Smith

3583

02:58:13,379 --> 02:58:10,989

so we've got an amazing show tomorrow

3584

02:58:16,379 --> 02:58:13,389

night to wrap up the week Friday night

3585

02:58:18,809 --> 02:58:16,389

I'm over at coast Saturday night I'm

3586

02:58:20,119 --> 02:58:18,819

over at coast but until then and then

3587

02:58:22,559 --> 02:58:20,129

until tomorrow night

3588

02:58:24,510 --> 02:58:22,569

fade to black the executive producers

3589

02:58:26,699 --> 02:58:24,520

ritika murray on shows produced by him J

3590

02:58:29,849 --> 02:58:26,709

Palmer nee Denison Bob announcers are

3591

02:58:32,159 --> 02:58:29,859

Steve harder Jean Patou AMARG D Cove our

3592

02:58:35,219 --> 02:58:32,169

webmaster drew the geek music doug

3593

02:58:38,579 --> 02:58:35,229

aldrich intro space boys space boy

3594

02:58:40,590 --> 02:58:38,589

music.com fade to black is produced by
