

Fader
NIGHT

THURSDAYS ON FADE TO BLACK

Ep. 838

JimmyChurchRadio.com

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:13,830 --> 00:00:12,110
[Music]

2
00:00:17,740 --> 00:00:13,840
[Applause]

3
00:00:21,429 --> 00:00:17,750
this hope radio for the masses Atlanta

4
00:00:23,620 --> 00:00:21,439
between July 8 1947 the Army Air Force

5
00:00:25,480 --> 00:00:23,630
has announced that are flying there -

6
00:00:28,419 --> 00:00:25,490
found and is now in the possession of

7
00:00:32,470 --> 00:00:28,429
the army the game is rigged change the

8
00:00:35,710 --> 00:00:32,480
game changer I occasionally think how

9
00:00:39,490 --> 00:00:35,720
quickly our differences worldwide would

10
00:00:42,130 --> 00:00:39,500
vanish if we were facing an alien threat

11
00:00:47,240 --> 00:00:42,140
from outside his way

12
00:00:49,730 --> 00:00:47,250
[Music]

13
00:00:52,550 --> 00:00:49,740

fade to black with your host Jimmy

14
00:00:55,430 --> 00:00:52,560
church on the GameChanger radio network

15
00:01:00,590 --> 00:00:55,440
and a GRA

16
00:01:07,850 --> 00:01:04,229
here 1985

17
00:01:10,100 --> 00:01:07,860
[Music]

18
00:01:12,990 --> 00:01:10,110
you are listening to fade to black with

19
00:01:22,010 --> 00:01:13,000
Jimmy touch on the game changing Network

20
00:01:25,109 --> 00:01:22,020
[Music]

21
00:01:36,510 --> 00:01:25,119
good evening fade to black

22
00:01:42,959 --> 00:01:36,520
the spoke radio for the masses yeah it's

23
00:01:47,010 --> 00:01:42,969
Thursday April 12 2008 een 102 days into

24
00:01:49,050 --> 00:01:47,020
the new year just 263 days left we are

25
00:01:51,300 --> 00:01:49,060
live from a bunker somewhere in

26
00:01:52,919 --> 00:01:51,310
beautiful downtown Burbank California

27
00:01:54,709 --> 00:01:52,929
and I would like to welcome everybody

28
00:01:59,580 --> 00:01:54,719
listening all around the world all

29
00:02:01,889 --> 00:01:59,590
across the United States hither and

30
00:02:05,520 --> 00:02:01,899
thither to and fro back and forth up and

31
00:02:07,339 --> 00:02:05,530
down east and west north and south far

32
00:02:10,650 --> 00:02:07,349
and near

33
00:02:13,020 --> 00:02:10,660
this is fade to black for kjc are the

34
00:02:15,569 --> 00:02:13,030
game changer Network in kg ra the planet

35
00:02:18,210 --> 00:02:15,579
I'm host Jimmy Church what is cracking

36
00:02:20,069 --> 00:02:18,220
everybody how you doing tonight is

37
00:02:23,509 --> 00:02:20,079
another Fator night with Jon Rappoport

38
00:02:28,520 --> 00:02:23,519

and his no more fake newsroom live

39

00:02:31,949 --> 00:02:28,530

followed by open lines all night long

40

00:02:38,729 --> 00:02:31,959

the Colin numbers are 3 to 3 a 2 5 5 0

41

00:02:43,750 --> 00:02:38,739

for 5 or 3 2 3 2 7 5 9 6 9 5 you can

42

00:02:49,149 --> 00:02:46,179

you can forget about Facebook YouTube

43

00:02:51,220 --> 00:02:49,159

you can still subscribe over there

44

00:02:55,929 --> 00:02:51,230

everything is fade to black Jimmy Church

45

00:02:59,800 --> 00:02:55,939

radio and you can go now follow don't

46

00:03:03,039 --> 00:02:59,810

like and subscribe the sandbox is

47

00:03:06,850 --> 00:03:03,049

hashtag F to be on Twitter we use

48

00:03:14,440 --> 00:03:06,860

TweetDeck around here so there you go

49

00:03:16,899 --> 00:03:14,450

let's see here what is you guys you guys

50

00:03:20,410 --> 00:03:16,909

you guys are just the best guy that

51
00:03:23,800 --> 00:03:20,420
Murph I'm going to retweet that right

52
00:03:27,030 --> 00:03:23,810
now that is pretty good so that is this

53
00:03:31,500 --> 00:03:27,040
picture here that I just retweeted I

54
00:03:34,149 --> 00:03:31,510
don't know where that came from I think

55
00:03:35,830 --> 00:03:34,159
I don't know I like the way you did it

56
00:03:38,470 --> 00:03:35,840
here Murph oh that's actually really

57
00:03:40,000 --> 00:03:38,480
good I'm gonna steal that I would

58
00:03:42,520 --> 00:03:40,010
normally steal it and post it on

59
00:03:45,729 --> 00:03:42,530
Facebook but I don't Facebook anymore

60
00:03:48,819 --> 00:03:45,739
so I'll figure out something to do with

61
00:03:52,390 --> 00:03:48,829
that and the phone lines aren't open yet

62
00:03:55,330 --> 00:03:52,400
and they are just reading off the hook I

63
00:03:58,689 --> 00:03:55,340

don't know why everybody settled down

64

00:04:00,250 --> 00:03:58,699

you know its fate or night yeah we don't

65

00:04:04,000 --> 00:04:00,260

open up the lines here for a little bit

66

00:04:07,479 --> 00:04:04,010

okay any questions or comments during

67

00:04:12,849 --> 00:04:07,489

the show tonight just use hashtag f2b q

68

00:04:16,930 --> 00:04:12,859

and we use wheeze TweetDeck and if you

69

00:04:19,839 --> 00:04:16,940

are on twitter and you have tweet deck

70

00:04:22,600 --> 00:04:19,849

or don't know what it is go over and

71

00:04:25,439 --> 00:04:22,610

download tweet deck and get it installed

72

00:04:28,839 --> 00:04:25,449

I don't know if you can still do the

73

00:04:31,930 --> 00:04:28,849

standalone version but there's a browser

74

00:04:34,960 --> 00:04:31,940

version but it will just change your

75

00:04:36,490 --> 00:04:34,970

life okay now it is open lines tonight

76

00:04:38,560 --> 00:04:36,500

open lines all night long we're going to

77

00:04:41,489 --> 00:04:38,570

have a Jon Rappoport here in the bottom

78

00:04:48,859 --> 00:04:44,339

until then oh then we'll open up the

79

00:04:53,070 --> 00:04:48,869

phone lines at 8:00 okay in one hour

80

00:04:53,579 --> 00:04:53,080

today breaking news you know check this

81

00:04:57,959 --> 00:04:53,589

out

82

00:05:03,979 --> 00:04:57,969

nASA has released a virtual tour of the

83

00:05:06,329 --> 00:05:03,989

Moon in 4k and if you haven't seen it

84

00:05:08,909 --> 00:05:06,339

you can check it out it's over on

85

00:05:10,969 --> 00:05:08,919

space.com and it's based on data

86

00:05:16,799 --> 00:05:10,979

provided by their Lunar Reconnaissance

87

00:05:20,819 --> 00:05:16,809

Orbiter spacecraft and it's stunning you

88

00:05:24,419 --> 00:05:20,829

need to go and check it out and I wanted

89

00:05:28,409 --> 00:05:24,429

to be able to find a version of it that

90

00:05:31,769 --> 00:05:28,419

I could you know control you know maybe

91

00:05:34,319 --> 00:05:31,779

you know control shift whatever and with

92

00:05:36,029 --> 00:05:34,329

with a mouse and move it around

93

00:05:39,659 --> 00:05:36,039

maybe they'll release a version like

94

00:05:41,819 --> 00:05:39,669

that because I would like to go up in 4k

95

00:05:44,009 --> 00:05:41,829

and look at the resolution there it's

96

00:05:46,109 --> 00:05:44,019

it's pretty amazing to look at but that

97

00:05:50,549 --> 00:05:46,119

that's out and it's on space calm but

98

00:05:56,759 --> 00:05:50,559

also today Russia releases another 360

99

00:06:01,859 --> 00:05:56,769

degree Mouse controllable video full 360

100

00:06:04,019 --> 00:06:01,869

of an eye ISS spacewalk you know

101

00:06:05,759 --> 00:06:04,029

revealing a pretty round earth by the

102

00:06:09,119 --> 00:06:05,769

way in the background both are amazing

103

00:06:12,689 --> 00:06:09,129

to watch the NASA tour again is over at

104

00:06:22,679 --> 00:06:12,699

space calm and the 360 can be found over

105

00:06:25,259 --> 00:06:22,689

at RT on rt.com rt.com dot-com kim.com

106

00:06:30,029 --> 00:06:25,269

got like 10 shoutouts last night I

107

00:06:32,299 --> 00:06:30,039

wonder if he knows that and okay now it

108

00:06:36,479 --> 00:06:32,309

was mentioning last night on the show

109

00:06:40,469 --> 00:06:36,489

about on stellar and tomorrow I get my

110

00:06:44,359 --> 00:06:40,479

full review of the platform I cannot

111

00:06:46,769 --> 00:06:44,369

wait for this so they're ready to go and

112

00:06:48,299 --> 00:06:46,779

I'm gonna be able to check that out

113

00:06:51,659 --> 00:06:48,309

tomorrow night you can go and register

114

00:06:53,350 --> 00:06:51,669

right now over at on stellar oh and ste

115

00:06:56,770 --> 00:06:53,360

ll a are

116

00:07:00,309 --> 00:06:56,780

calm and it's easy all you're gonna do a

117

00:07:03,270 --> 00:07:00,319

couple of you know your email password

118

00:07:05,260 --> 00:07:03,280

password confirmation email verify

119

00:07:07,480 --> 00:07:05,270

confirmation all of that and after you

120

00:07:11,290 --> 00:07:07,490

get that done then you can just click on

121

00:07:13,679 --> 00:07:11,300

login and it's all done automatically

122

00:07:16,779 --> 00:07:13,689

and then you can choose your screen name

123

00:07:18,969 --> 00:07:16,789

get it all done and use our the promo

124

00:07:21,219 --> 00:07:18,979

code Jimmy when you do all of this

125

00:07:23,830 --> 00:07:21,229

you'll get some bonus tokens

126
00:07:26,260 --> 00:07:23,840
when the platform launches in quarter

127
00:07:29,350 --> 00:07:26,270
three but all of this is leading up to

128
00:07:31,059 --> 00:07:29,360
some pretty exciting stuff because the

129
00:07:33,580 --> 00:07:31,069
registered users we're gonna be doing

130
00:07:37,510 --> 00:07:33,590
alpha and beta testing here in a couple

131
00:07:40,269 --> 00:07:37,520
of weeks and I am excited but this is

132
00:07:42,670 --> 00:07:40,279
the new social media platform of the

133
00:07:44,649 --> 00:07:42,680
future it's done for our community it's

134
00:07:47,679 --> 00:07:44,659
based on the blockchain we're gonna have

135
00:07:52,570 --> 00:07:47,689
our own token economy and we're gonna

136
00:07:54,760 --> 00:07:52,580
get to hang out promote reward no

137
00:07:57,450 --> 00:07:54,770
censorship none of that it's not

138
00:08:00,579 --> 00:07:57,460

controlled by the man this is a

139

00:08:04,390 --> 00:08:00,589

decentralized as it should be

140

00:08:06,850 --> 00:08:04,400

social media platform okay so go and

141

00:08:10,559 --> 00:08:06,860

register today on stellar comm on Monday

142

00:08:13,659 --> 00:08:10,569

show I'll have a review of everything

143

00:08:15,129 --> 00:08:13,669

for you okay I've seen some stuff but

144

00:08:17,230 --> 00:08:15,139

this will be my first time I'll be able

145

00:08:20,860 --> 00:08:17,240

to dance so I'm gonna do that tomorrow

146

00:08:23,439 --> 00:08:20,870

night also tomorrow I'll get the links

147

00:08:29,290 --> 00:08:23,449

up for this but I'm gonna be on a

148

00:08:31,390 --> 00:08:29,300

podcast tomorrow to an interview on on

149

00:08:33,939 --> 00:08:31,400

stellar so I'm gonna do that and as soon

150

00:08:36,490 --> 00:08:33,949

as that is finished I'll get the links

151
00:08:40,389 --> 00:08:36,500
up there and you guys can go and check

152
00:08:42,279 --> 00:08:40,399
out the podcast okay alright our next

153
00:08:44,740 --> 00:08:42,289
event will be June 1st through the for

154
00:08:48,699 --> 00:08:44,750
2018 contact in the desert Indian Wells

155
00:08:49,740 --> 00:08:48,709
Palm Springs at the Renaissance Resort &

156
00:08:52,960 --> 00:08:49,750
Spa

157
00:08:54,699 --> 00:08:52,970
tickets and info are over edge' meters

158
00:08:56,889 --> 00:08:54,709
radio calm I think they're giving away

159
00:08:59,350 --> 00:08:56,899
some free passes starting today too as

160
00:09:01,230 --> 00:08:59,360
well and you can go and find out how to

161
00:09:05,170 --> 00:09:01,240
do that and go over to their website

162
00:09:05,980 --> 00:09:05,180
alright it's contact in the desert calm

163
00:09:08,710 --> 00:09:05,990

and

164

00:09:11,290 --> 00:09:08,720

right after that our sole take gathering

165

00:09:14,080 --> 00:09:11,300

this is for the fate or not it's gonna

166

00:09:16,690 --> 00:09:14,090

be up at ecity Ranch in Washington this

167

00:09:18,460 --> 00:09:16,700

August 9th through the 12th just go to

168

00:09:20,830 --> 00:09:18,470

soul tech gathering dot-com tickets and

169

00:09:23,410 --> 00:09:20,840

info right there and I need to stress

170

00:09:25,390 --> 00:09:23,420

with you guys we're only selling 300

171

00:09:28,780 --> 00:09:25,400

tickets that's at 300 fate or not it's

172

00:09:30,940 --> 00:09:28,790

all in one place at one time and while

173

00:09:32,770 --> 00:09:30,950

you are over at our website you can

174

00:09:36,550 --> 00:09:32,780

search radio.com you could subscribe to

175

00:09:38,560 --> 00:09:36,560

our podcast we have over 835 archived

176

00:09:41,200 --> 00:09:38,570

shows right there just two dollars a

177

00:09:43,510 --> 00:09:41,210

month click on the podcast banner over

178

00:09:46,870 --> 00:09:43,520

it on our website and you can also

179

00:09:48,550 --> 00:09:46,880

become an official fader or not and just

180

00:09:51,490 --> 00:09:48,560

go to the membership section right there

181

00:09:54,970 --> 00:09:51,500

on the website downloadable archives

182

00:09:57,390 --> 00:09:54,980

commercial free you get the bunker cam

183

00:10:00,190 --> 00:09:57,400

autograph hats t-shirts all that stuff

184

00:10:02,650 --> 00:10:00,200

private emailed to me and get all of

185

00:10:06,880 --> 00:10:02,660

that by becoming an official fader not

186

00:10:10,240 --> 00:10:06,890

today all right man these phones are

187

00:10:13,330 --> 00:10:10,250

going nuts I'm I'm just I'm hanging up

188

00:10:17,110 --> 00:10:13,340

on everybody just to let you know what's

189

00:10:20,400 --> 00:10:17,120

going on let's get this show crackin

190

00:10:25,660 --> 00:10:20,410

happy birthday to today Claire Danes is

191

00:10:28,900 --> 00:10:25,670

39 homeland yeah homeland is good this

192

00:10:32,440 --> 00:10:28,910

season too man it's getting nuts David

193

00:10:37,510 --> 00:10:32,450

Letterman today is 71 our dead guys

194

00:10:40,750 --> 00:10:37,520

birthday today is David Cassidy 1950 to

195

00:10:43,270 --> 00:10:40,760

2017 died at the age of 67 of course he

196

00:10:48,760 --> 00:10:43,280

was Keith Partridge of the Partridge

197

00:10:52,840 --> 00:10:48,770

Family and I had the 45 of I think I

198

00:10:55,780 --> 00:10:52,850

love you 19 I was so young and I was

199

00:10:59,170 --> 00:10:55,790

probably I wonder that show start I was

200

00:11:01,450 --> 00:10:59,180

probably eight and I went up two tops

201
00:11:04,330 --> 00:11:01,460
that was the name of the department

202
00:11:08,140 --> 00:11:04,340
store down the street from our house up

203
00:11:09,940 --> 00:11:08,150
there in Chicago tops and they had 45s

204
00:11:12,220 --> 00:11:09,950
there which I bought constantly from

205
00:11:15,880 --> 00:11:12,230
anywhere from a nickel to like 25 cents

206
00:11:18,310 --> 00:11:15,890
each and I got my coveted I think I love

207
00:11:21,820 --> 00:11:18,320
you 45

208
00:11:24,040 --> 00:11:21,830
that song used to freak me out I don't

209
00:11:27,280 --> 00:11:24,050
even know what it meant it was the music

210
00:11:30,970 --> 00:11:27,290
the way that it was written you know it

211
00:11:36,010 --> 00:11:30,980
was just in you know it was written in D

212
00:11:40,780 --> 00:11:36,020
minor the saddest of all Keys just just

213
00:11:43,180 --> 00:11:40,790

an amazing song on February 20th 2017

214

00:11:45,760 --> 00:11:43,190

last year he announced that he was

215

00:11:47,620 --> 00:11:45,770

living with dementia a condition that

216

00:11:52,990 --> 00:11:47,630

his mother suffered from at the end of

217

00:11:55,870 --> 00:11:53,000

her life and then 10 9 8 short months

218

00:11:59,620 --> 00:11:55,880

later in November 21st 2017

219

00:12:02,590 --> 00:11:59,630

he died of liver failure he just said

220

00:12:05,020 --> 00:12:02,600

Keith partridge David Cassidy the age of

221

00:12:07,330 --> 00:12:05,030

67 happy birthday David on the state

222

00:12:12,460 --> 00:12:07,340

history OTD two things went down that

223

00:12:14,980 --> 00:12:12,470

involves space in a big way 1981 the

224

00:12:16,840 --> 00:12:14,990

first launching of the space shuttle

225

00:12:18,730 --> 00:12:16,850

Columbia is launched from Cape Canaveral

226

00:12:21,910 --> 00:12:18,740

Florida becoming the first reusable

227

00:12:28,180 --> 00:12:21,920

manned spacecraft to travel into space

228

00:12:31,290 --> 00:12:28,190

but 20 years prior in 1961 Yuri Gagarin

229

00:12:35,410 --> 00:12:31,300

was the first person to orbit the Earth

230

00:12:35,590 --> 00:12:35,420

there you go allegedly no he really did

231

00:12:37,780 --> 00:12:35,600

it

232

00:12:44,260 --> 00:12:37,790

I just don't know if he was actually the

233

00:12:51,510 --> 00:12:44,270

first Fader fact he ran arrested 14

234

00:13:00,820 --> 00:12:51,520

squirrels in 2007 now let me repeat this

235

00:13:06,030 --> 00:13:00,830

Iran arrested 14 squirrels in 2007 for

236

00:13:11,910 --> 00:13:06,040

what you may ask well they arrested them

237

00:13:14,020 --> 00:13:11,920

for spying and that is a fader fact

238

00:13:15,940 --> 00:13:14,030

tonight another Fator night with Jon

239

00:13:17,650 --> 00:13:15,950

Rappoport and his no more fake newsroom

240

00:13:19,420 --> 00:13:17,660

live followed by open lines all night

241

00:13:26,770 --> 00:13:19,430

long they call the numbers of three to

242

00:13:29,860 --> 00:13:26,780

three 18 5 5 0 4 5 or 3 2 3 2 7 5 9 6 9

243

00:13:31,420 --> 00:13:29,870

5 now let me hit this River moon coffee

244

00:13:36,910 --> 00:13:31,430

hmm

245

00:13:40,600 --> 00:13:36,920

it's like I'm gonna say this because

246

00:13:43,150 --> 00:13:40,610

River moon custom roast right you know

247

00:13:45,730 --> 00:13:43,160

it's not done in huge truckloads you

248

00:13:55,050 --> 00:13:45,740

know like you know the big chains out

249

00:14:00,600 --> 00:13:55,060

there and it's getting darker it is

250

00:14:08,020 --> 00:14:00,610

today it's extra special dark mmm-hmm

251
00:14:10,750 --> 00:14:08,030
just amazing coffee yes at the beginning

252
00:14:14,530 --> 00:14:10,760
of the show I mentioned that NASA has

253
00:14:17,640 --> 00:14:14,540
just released a 4k moon tour you know 4k

254
00:14:21,760 --> 00:14:17,650
resolution moon tour and that Russia

255
00:14:25,180 --> 00:14:21,770
released the 360-degree space walk and

256
00:14:30,700 --> 00:14:25,190
both incredible but that wasn't

257
00:14:35,790 --> 00:14:30,710
everything no these are great days that

258
00:14:38,940 --> 00:14:35,800
we live in because here are six more

259
00:14:45,250 --> 00:14:38,950
amazing front page headlines from today

260
00:14:53,220 --> 00:14:45,260
all dealing with our community yeah the

261
00:14:55,830 --> 00:14:53,230
days of disclosure check these out first

262
00:14:59,920 --> 00:14:55,840
discovery this is the headline

263
00:15:02,790 --> 00:14:59,930

mainstream media discovery of alien life

264

00:15:08,520 --> 00:15:02,800

made difficult by human cognitive

265

00:15:12,430 --> 00:15:08,530

limitations and biases it's a headline

266

00:15:15,780 --> 00:15:12,440

so front page news right so I go and I

267

00:15:22,500 --> 00:15:15,790

check this out I gotta read that and

268

00:15:30,270 --> 00:15:22,510

basically what the article says is that

269

00:15:35,320 --> 00:15:30,280

we either don't know where to look or

270

00:15:39,180 --> 00:15:35,330

it's been in front of us and we haven't

271

00:15:44,350 --> 00:15:39,190

noticed it yeah

272

00:15:44,870 --> 00:15:44,360

radio waves are around us but we don't

273

00:15:49,220 --> 00:15:44,880

know

274

00:15:52,400 --> 00:15:49,230

how to listen signals are there but we

275

00:15:56,600 --> 00:15:52,410

don't know what to do because we don't

276

00:15:59,780 --> 00:15:56,610

know that they are there and they

277

00:16:04,220 --> 00:15:59,790

referred back to the gorilla test and in

278

00:16:08,270 --> 00:16:04,230

the gorilla test the you know they ran a

279

00:16:10,280 --> 00:16:08,280

video and I remember seeing it a bunch

280

00:16:13,300 --> 00:16:10,290

of people throwing a basketball around

281

00:16:16,100 --> 00:16:13,310

you know and at the end of the video

282

00:16:18,500 --> 00:16:16,110

they asked you how many times did they

283

00:16:20,750 --> 00:16:18,510

pass the basketball right and you're

284

00:16:23,120 --> 00:16:20,760

guessing a number what they're actually

285

00:16:25,160 --> 00:16:23,130

looking for is if you notice cuz you're

286

00:16:27,620 --> 00:16:25,170

looking you're watching the basketball

287

00:16:31,310 --> 00:16:27,630

but you don't notice that somebody walks

288

00:16:36,230 --> 00:16:31,320

through the screen in a gorilla suit

289

00:16:37,610 --> 00:16:36,240

right costume and and it's plane as soon

290

00:16:39,290 --> 00:16:37,620

as it's pointed out to you and you go

291

00:16:42,530 --> 00:16:39,300

back and look not you can't help but

292

00:16:43,910 --> 00:16:42,540

watch the gorilla right walk through and

293

00:16:45,080 --> 00:16:43,920

you're not watching the basketball

294

00:16:48,290 --> 00:16:45,090

anymore

295

00:16:53,150 --> 00:16:48,300

very interesting and so what they are

296

00:16:55,750 --> 00:16:53,160

trying to say there is that rational

297

00:16:58,720 --> 00:16:55,760

people rational that consider themselves

298

00:17:05,329 --> 00:16:58,730

rational and maybe I'll use the word

299

00:17:07,939 --> 00:17:05,339

smart don't know where to look or alien

300

00:17:09,290 --> 00:17:07,949

signals are all around us and they don't

301
00:17:14,449 --> 00:17:09,300
see them because they don't think that

302
00:17:16,340 --> 00:17:14,459
they're there right and and because they

303
00:17:18,170 --> 00:17:16,350
think that there's snout and there is no

304
00:17:20,179 --> 00:17:18,180
alien life than therefore there is no

305
00:17:24,170 --> 00:17:20,189
alien signal so they're searching in the

306
00:17:29,870 --> 00:17:24,180
wrong place or they don't care it's a

307
00:17:32,930 --> 00:17:29,880
very interesting point now that is one

308
00:17:36,110 --> 00:17:32,940
of the articles from today then I have

309
00:17:38,720 --> 00:17:36,120
this and this this was pretty incredible

310
00:17:43,640 --> 00:17:38,730
and pretty incredible images the

311
00:17:47,630 --> 00:17:43,650
headline reads strange zoo of dusty

312
00:17:54,530 --> 00:17:47,640
discs captured around newly formed stars

313
00:17:59,010 --> 00:17:54,540

to 3550 and it's about newly formed

314

00:18:02,080 --> 00:17:59,020
stars 230 to 550 light years away

315

00:18:04,180 --> 00:18:02,090
and now you gotta click on that alright

316

00:18:07,240 --> 00:18:04,190
you've got to read this and this is this

317

00:18:09,160 --> 00:18:07,250
is mainstream media right so click on

318

00:18:13,740 --> 00:18:09,170
that and you look at these images the

319

00:18:18,280 --> 00:18:13,750
images are incredible they are of

320

00:18:20,860 --> 00:18:18,290
multiple orange I'm gonna say pretty

321

00:18:26,080 --> 00:18:20,870
orange and red multicolored doing you

322

00:18:28,570 --> 00:18:26,090
know flame-coloured fire flat discs some

323

00:18:31,090 --> 00:18:28,580
are donuts and in different positions

324

00:18:34,120 --> 00:18:31,100
but they're clustered and they look

325

00:18:35,830 --> 00:18:34,130
absolutely amazing now I'm not gonna go

326

00:18:38,820 --> 00:18:35,840

out on a limb here but I'm gonna say

327

00:18:41,470 --> 00:18:38,830

they kind of look artificial could be

328

00:18:45,520 --> 00:18:41,480

but we've never seen anything like this

329

00:18:48,250 --> 00:18:45,530

in the universe and they are just

330

00:18:50,710 --> 00:18:48,260

absolutely incredible and they're saying

331

00:18:54,580 --> 00:18:50,720

well they're guessing that these are

332

00:18:56,409 --> 00:18:54,590

clusters of dust but they are discs

333

00:18:58,030 --> 00:18:56,419

they're flat but they're not flying

334

00:19:00,610 --> 00:18:58,040

saucers house out what I'm suggesting

335

00:19:01,990 --> 00:19:00,620

they're too big I mean they're huge you

336

00:19:05,980 --> 00:19:02,000

know it's like the size of our solar

337

00:19:08,430 --> 00:19:05,990

system big but they're beautiful and you

338

00:19:12,659 --> 00:19:08,440

need to go look at these high-res images

339

00:19:16,600 --> 00:19:12,669

why is this article out there right now

340

00:19:18,070 --> 00:19:16,610

again with all of the talk of UFOs and

341

00:19:19,960 --> 00:19:18,080

disclosure and everything that's going

342

00:19:23,049 --> 00:19:19,970

on these are the headlines this is what

343

00:19:25,630 --> 00:19:23,059

gets clicks you don't get stuff on the

344

00:19:28,930 --> 00:19:25,640

front page of mainstream media if you're

345

00:19:31,000 --> 00:19:28,940

not getting clicks and this strange zoo

346

00:19:33,280 --> 00:19:31,010

of dusty discs captured a-runnin

347

00:19:36,280 --> 00:19:33,290

what are they trying to do here what are

348

00:19:40,270 --> 00:19:36,290

they trying to suggest well I clicked I

349

00:19:44,039 --> 00:19:40,280

had to it's right there and then I found

350

00:19:48,940 --> 00:19:44,049

this also today

351
00:19:53,080 --> 00:19:48,950
neutron stars glitch captured with radio

352
00:19:53,840 --> 00:19:53,090
telescope for the first time ever you

353
00:19:59,560 --> 00:19:53,850
got

354
00:20:06,590 --> 00:19:59,570
it's like a smorgasbord of amazing news

355
00:20:09,680 --> 00:20:06,600
so again what is causing this glitch in

356
00:20:13,129 --> 00:20:09,690
in in signals coming from this neutron

357
00:20:15,489 --> 00:20:13,139
star what is causing that you need to go

358
00:20:20,539 --> 00:20:15,499
and check that out

359
00:20:22,969 --> 00:20:20,549
now here here one of the one of the

360
00:20:25,869 --> 00:20:22,979
biggest articles today about what the

361
00:20:31,609 --> 00:20:25,879
biggest I'm saving for last is this

362
00:20:34,460 --> 00:20:31,619
we've been talking about polar reversals

363
00:20:37,549 --> 00:20:34,470

the possibility of that that there is

364

00:20:40,940 --> 00:20:37,559

less magnetism protecting us right now

365

00:20:42,889 --> 00:20:40,950

and of course in the event of some

366

00:20:44,690 --> 00:20:42,899

massive solar radiation or other things

367

00:20:47,899 --> 00:20:44,700

coming at us you know what would happen

368

00:20:49,820 --> 00:20:47,909

here on earth and our magnetic field is

369

00:20:51,519 --> 00:20:49,830

what protects us there isn't one around

370

00:20:54,229 --> 00:20:51,529

Mars

371

00:20:59,239 --> 00:20:54,239

well allegedly you know that's what they

372

00:21:02,979 --> 00:20:59,249

tell us I haven't been to Mars but ours

373

00:21:07,239 --> 00:21:02,989

is interesting and then we have this

374

00:21:10,669 --> 00:21:07,249

ocean magnetism the ESA mapped Earth's

375

00:21:17,659 --> 00:21:10,679

second magnetic field in unprecedented

376

00:21:23,450 --> 00:21:17,669

detail holy crap that's readable stuff

377

00:21:26,330 --> 00:21:23,460

right and I looked and I'm looking at

378

00:21:28,430 --> 00:21:26,340

the imaging and I don't want to get I

379

00:21:31,219 --> 00:21:28,440

don't want to spoil the article you've

380

00:21:34,310 --> 00:21:31,229

got to go and read it but now I've got

381

00:21:36,979 --> 00:21:34,320

four articles plus the original two and

382

00:21:42,169 --> 00:21:36,989

today I feel like I got a PhD

383

00:21:45,879 --> 00:21:42,179

I feel smart today incredible but as if

384

00:21:47,749 --> 00:21:45,889

that wasn't enough we got this today

385

00:21:51,589 --> 00:21:47,759

front page

386

00:21:54,769 --> 00:21:51,599

mainstream media a 3d infrared tour of

387

00:21:59,180 --> 00:21:54,779

Jupiter's North Pole just released by

388

00:22:01,909 --> 00:21:59,190

NASA some of the most incredible images

389

00:22:04,369 --> 00:22:01,919

you're ever gonna see it's they are so

390

00:22:07,530 --> 00:22:04,379

incredible it looks like the craziest

391

00:22:09,930 --> 00:22:07,540

sci-fi film that you can imagine

392

00:22:11,400 --> 00:22:09,940

the worst nightmare that you could put

393

00:22:14,250 --> 00:22:11,410

together in your sleep

394

00:22:19,380 --> 00:22:14,260

the images are that good and they are of

395

00:22:24,450 --> 00:22:19,390

the seven cyclones on Jupiter's North

396

00:22:26,310 --> 00:22:24,460

Pole these permanent of lava just crazy

397

00:22:28,800 --> 00:22:26,320

storms that are going out on the North

398

00:22:30,090 --> 00:22:28,810

Pole and you've got to go and look at

399

00:22:32,250 --> 00:22:30,100

this and they are there all the time

400

00:22:33,870 --> 00:22:32,260

they don't go anywhere and they're huge

401
00:22:37,470 --> 00:22:33,880
right think about the size of Jupiter

402
00:22:41,220 --> 00:22:37,480
and you've got these seven cyclones that

403
00:22:43,740 --> 00:22:41,230
are permanent on the North Pole go and

404
00:22:45,540 --> 00:22:43,750
look at those images if that doesn't

405
00:22:48,510 --> 00:22:45,550
cause a nightmare I'm serious too it's

406
00:22:49,920 --> 00:22:48,520
just incredible and so I'm looking at

407
00:22:55,880 --> 00:22:49,930
them let me hit this coffee again I'm

408
00:23:00,020 --> 00:22:55,890
fired up and reminded me of Tim Burton I

409
00:23:02,910 --> 00:23:00,030
don't know why it reminded me of a

410
00:23:05,910 --> 00:23:02,920
combination of like the corpse bride and

411
00:23:08,340 --> 00:23:05,920
the Nightmare Before Christmas and a

412
00:23:12,570 --> 00:23:08,350
little Edward Scissorhands it's got that

413
00:23:17,040 --> 00:23:12,580

Tim Burton look to it yeah

414

00:23:17,760 --> 00:23:17,050

nightmare amazing was Pixar involved

415

00:23:23,220 --> 00:23:17,770

that's funny

416

00:23:26,630 --> 00:23:23,230

that is funny and so that that's Story

417

00:23:32,040 --> 00:23:26,640

number five and then we have this

418

00:23:36,810 --> 00:23:32,050

headline Buzz Aldrin did not see an

419

00:23:38,940 --> 00:23:36,820

alien UFO hey thank you eagle eye for

420

00:23:45,870 --> 00:23:38,950

this look at that is that Tim Burton or

421

00:23:47,190 --> 00:23:45,880

what look at that it's just nuts thank

422

00:23:49,560 --> 00:23:47,200

you for that eagle I'm going to retweet

423

00:23:52,500 --> 00:23:49,570

this right now that is a it's a good job

424

00:23:54,300 --> 00:23:52,510

right there thank you so much that is

425

00:23:55,490 --> 00:23:54,310

what's going on in the North Pole of

426

00:23:58,110 --> 00:23:55,500

Jupiter

427

00:24:00,750 --> 00:23:58,120

isn't it Tim Burton ish so you have one

428

00:24:02,550 --> 00:24:00,760

two three four five six seven got a

429

00:24:04,890 --> 00:24:02,560

couple smaller ones and I don't know

430

00:24:06,870 --> 00:24:04,900

what's going out in the middle but it's

431

00:24:08,820 --> 00:24:06,880

Tim Burton I don't know why I see Tim

432

00:24:11,880 --> 00:24:08,830

Burton here and there's a few more going

433

00:24:14,400 --> 00:24:11,890

on but these seven right that's

434

00:24:18,780 --> 00:24:14,410

incredible it's absolutely incredible

435

00:24:20,700 --> 00:24:18,790

okay so back to Buzz Aldrin buzz aldrin

436

00:24:25,799 --> 00:24:20,710

did not see an alien UFO early

437

00:24:27,899 --> 00:24:25,809

this week it got out through a couple of

438

00:24:30,360 --> 00:24:27,909

the UK publications I don't know if it

439

00:24:33,269 --> 00:24:30,370

was like the Sun or the daily or

440

00:24:38,870 --> 00:24:33,279

whatever popped up over there that there

441

00:24:42,720 --> 00:24:38,880

was a lie-detector test laid on some

442

00:24:46,380 --> 00:24:42,730

recordings of Buzz Aldrin and I think

443

00:24:48,419 --> 00:24:46,390

Armstrong maybe others I read a little

444

00:24:51,480 --> 00:24:48,429

bit of the article and I kind of bailed

445

00:24:52,919 --> 00:24:51,490

out on it because I thought that buzz

446

00:24:54,539 --> 00:24:52,929

like you know sat down and took a

447

00:25:00,120 --> 00:24:54,549

lie-detector test I didn't realize it

448

00:25:03,750 --> 00:25:00,130

they were just taking audio but kind of

449

00:25:09,000 --> 00:25:03,760

bumped me out this article this is the

450

00:25:11,399 --> 00:25:09,010

deal the lie detector test apparently

451
00:25:14,730 --> 00:25:11,409
was telling on these recordings but the

452
00:25:19,970 --> 00:25:14,740
results the actual results have not been

453
00:25:22,560 --> 00:25:19,980
published just the story was published

454
00:25:25,950 --> 00:25:22,570
kind of bummed me out right there then

455
00:25:29,940 --> 00:25:25,960
there's the other part of the story the

456
00:25:35,549 --> 00:25:29,950
part that was analyzed with the lie

457
00:25:38,549 --> 00:25:35,559
detector program was a story about buzz

458
00:25:43,769 --> 00:25:38,559
looking out you know the window Apollo

459
00:25:46,560 --> 00:25:43,779
11 saw something and and talked about it

460
00:25:50,639 --> 00:25:46,570
back to Houston and as it turns out they

461
00:25:52,830 --> 00:25:50,649
were only at this point 6,000 miles away

462
00:25:57,180 --> 00:25:52,840
from Earth and this is what buzz said he

463
00:26:01,049 --> 00:25:57,190

wanted to clarify what he saw and it's

464

00:26:04,289 --> 00:26:01,059

the four panels that separate off of the

465

00:26:05,159 --> 00:26:04,299

last stage of the rocket the the command

466

00:26:07,799 --> 00:26:05,169

module

467

00:26:12,210 --> 00:26:07,809

you know pulls out these four panels

468

00:26:13,710 --> 00:26:12,220

float away and you know and the panels

469

00:26:15,600 --> 00:26:13,720

are there you know at the same speed

470

00:26:17,159 --> 00:26:15,610

that they're going at at space and it's

471

00:26:19,649 --> 00:26:17,169

gonna stay with him they're flying away

472

00:26:22,320 --> 00:26:19,659

but what he saw at the window was an

473

00:26:25,320 --> 00:26:22,330

I-shaped object that was reflecting

474

00:26:29,970 --> 00:26:25,330

light and as it turns out he feels that

475

00:26:32,549 --> 00:26:29,980

he is confident in saying that it was

476

00:26:34,470 --> 00:26:32,559

one of the panel's that he saw that it

477

00:26:36,300 --> 00:26:34,480

wasn't some object he

478

00:26:40,290 --> 00:26:36,310

flying after him or anything like that

479

00:26:42,540 --> 00:26:40,300

so you know when he saw a real object

480

00:26:45,080 --> 00:26:42,550

and obviously there's no deception there

481

00:26:49,200 --> 00:26:45,090

and I guess if you're gonna run a

482

00:26:51,270 --> 00:26:49,210

lie-detector test or a program over that

483

00:26:54,540 --> 00:26:51,280

analysis he was speaking the truth so

484

00:26:57,900 --> 00:26:54,550

there's no deception there but when you

485

00:27:00,240 --> 00:26:57,910

hear now buzz I'm buzz believes in

486

00:27:02,310 --> 00:27:00,250

aliens and he's probably seen things but

487

00:27:03,050 --> 00:27:02,320

that moment that's actually what

488

00:27:07,250 --> 00:27:03,060

happened

489

00:27:11,850 --> 00:27:07,260

buzz has clearly said over the years

490

00:27:15,930 --> 00:27:11,860

that the monolith on Phobos orbiting

491

00:27:18,480 --> 00:27:15,940

Mars is not natural and we need to go

492

00:27:21,210 --> 00:27:18,490

and check that out and I agree and he

493

00:27:24,900 --> 00:27:21,220

and we've got to get back to Mars the

494

00:27:28,260 --> 00:27:24,910

t-shirts right and and I think that buzz

495

00:27:32,730 --> 00:27:28,270

is is is with us and with this community

496

00:27:36,330 --> 00:27:32,740

okay he said would the Apollo hoax but

497

00:27:38,910 --> 00:27:36,340

as far as aliens and contact and et and

498

00:27:40,740 --> 00:27:38,920

the possibility of him seeing UFOs at

499

00:27:43,830 --> 00:27:40,750

other times I think all of that is real

500

00:27:45,270 --> 00:27:43,840

and for him to suggest that Phobos is

501
00:27:48,870 --> 00:27:45,280
you know the monolith there is

502
00:27:52,850 --> 00:27:48,880
artificial that says everything but this

503
00:27:56,040 --> 00:27:52,860
article that came out was actually

504
00:27:58,440 --> 00:27:56,050
deceptive and it made the headlines and

505
00:28:01,260 --> 00:27:58,450
then this article came out today and

506
00:28:04,260 --> 00:28:01,270
really made the headlines back into

507
00:28:05,970 --> 00:28:04,270
mainstream media which goes back to what

508
00:28:09,120 --> 00:28:05,980
I was talking about last night with

509
00:28:13,350 --> 00:28:09,130
Daniel Sheehan the mainstream media now

510
00:28:16,910 --> 00:28:13,360
is on our side they are okay with

511
00:28:20,730 --> 00:28:16,920
publishing and and and distributing

512
00:28:23,940 --> 00:28:20,740
these stories now on the front page of

513
00:28:26,070 --> 00:28:23,950

mainstream media and you can go and poke

514

00:28:28,380 --> 00:28:26,080

around at all the different major sites

515

00:28:30,660 --> 00:28:28,390

out there and I'm talking about the

516

00:28:33,120 --> 00:28:30,670

major mainstream sites and you are going

517

00:28:34,830 --> 00:28:33,130

to find these articles and they're right

518

00:28:37,320 --> 00:28:34,840

there on the front page we never had

519

00:28:40,590 --> 00:28:37,330

this before these are great days and

520

00:28:42,270 --> 00:28:40,600

with that I'm gonna get out of here so I

521

00:28:45,060 --> 00:28:42,280

can get in the one-and-only Jon

522

00:28:47,040 --> 00:28:45,070

Rappoport and his no more fake newsroom

523

00:28:48,000 --> 00:28:47,050

live oh I forgot to mention my

524

00:28:51,210 --> 00:28:48,010

computer's

525

00:28:55,770 --> 00:28:51,220

ah I'll do that at the top of the hour

526

00:28:58,650 --> 00:28:55,780

but everything is good I don't smell

527

00:29:00,990 --> 00:28:58,660

anything how much nuts last I wasn't it

528

00:29:02,640 --> 00:29:01,000

really happened I'll talk about that at

529

00:29:06,880 --> 00:29:02,650

the top of the hour I'll be right back

530

00:29:44,220 --> 00:29:41,210

[Music]

531

00:29:47,600 --> 00:29:44,230

you're listening to Jimmy Church fade to

532

00:30:01,350 --> 00:29:50,129

fade to black will now pause for

533

00:30:03,840 --> 00:30:01,360

identification GRA radio when you take

534

00:30:06,360 --> 00:30:03,850

the beans from Central America with

535

00:30:08,519 --> 00:30:06,370

dashes of indonesian and african mixed

536

00:30:11,669 --> 00:30:08,529

in and then roasted to the dark side of

537

00:30:15,239 --> 00:30:11,679

fade to black you create the ultimate

538

00:30:17,700 --> 00:30:15,249

brew of fringe introducing the fade to

539

00:30:20,940 --> 00:30:17,710

black blend from river moon coffee

540

00:30:23,850 --> 00:30:20,950

yes river moon's darkest customized

541

00:30:24,810 --> 00:30:23,860

roast was created for the love of fade

542

00:30:27,779 --> 00:30:24,820

to black

543

00:30:30,480 --> 00:30:27,789

the alchemy of masterful roasting and

544

00:30:34,049 --> 00:30:30,490

smoking the beans is in every sip of

545

00:30:37,049 --> 00:30:34,059

this full-bodied dark Java I need my

546

00:30:38,909 --> 00:30:37,059

coffee dog deep with distinct

547

00:30:42,090 --> 00:30:38,919

bittersweet chocolate highlights just

548

00:30:44,519 --> 00:30:42,100

like the bunker leaning further into the

549

00:30:47,789 --> 00:30:44,529

darkness of the roast is fade to black

550

00:30:49,470 --> 00:30:47,799

blend from river moon coffee just click

551
00:30:52,769 --> 00:30:49,480
on the banner at Jimmy Church radio.com

552
00:30:58,220 --> 00:30:52,779
and use the promo code F to B blend for

553
00:31:00,869 --> 00:30:58,230
15% off of your order today gobekli tepe

554
00:31:02,730 --> 00:31:00,879
natural health solutions with Chris and

555
00:31:03,330 --> 00:31:02,740
Robbie hey Ronnie how you doing great

556
00:31:06,029 --> 00:31:03,340
Chris

557
00:31:08,940 --> 00:31:06,039
now you're the CEO of get the t-dot-com

558
00:31:11,249 --> 00:31:08,950
right yes I am what is get the t.com I

559
00:31:13,859 --> 00:31:11,259
mean is this tea you buy in a store well

560
00:31:16,499 --> 00:31:13,869
no it's not I've changed teas just that

561
00:31:18,779 --> 00:31:16,509
life changing life change tea is an

562
00:31:20,970 --> 00:31:18,789
herbal tea that gently cleanses your

563
00:31:21,480 --> 00:31:20,980

body from intruders what do you mean by

564

00:31:27,149 --> 00:31:21,490

intruders

565

00:31:28,889 --> 00:31:27,159

heavy metals and more there are food in

566

00:31:31,080 --> 00:31:28,899

our water in our air we breathe

567

00:31:33,869 --> 00:31:31,090

seriously yeah seriously

568

00:31:36,359 --> 00:31:33,879

and life changed tea will help you with

569

00:31:38,190 --> 00:31:36,369

removing these as you say intruders

570

00:31:38,820 --> 00:31:38,200

Esther and Chris are there side effects

571

00:31:40,799 --> 00:31:38,830

with this tea

572

00:31:42,840 --> 00:31:40,809

well you might lose a little weight when

573

00:31:44,909 --> 00:31:42,850

you clean your colon you lose weight you

574

00:31:47,310 --> 00:31:44,919

feel better and you have more energy Wow

575

00:31:48,749 --> 00:31:47,320

Ronnie where can people purchase life

576

00:31:51,810 --> 00:31:48,759

change tea oh that's easy

577

00:31:54,420 --> 00:31:51,820

get the t-dot-com that's get the tea

578

00:31:55,980 --> 00:31:54,430

eea calm Ronnie I want to thank you for

579

00:32:00,150 --> 00:31:55,990

being on the show people don't forget

580

00:32:05,640 --> 00:32:00,160

get the T te a.com nine out of ten

581

00:32:11,040 --> 00:32:05,650

geneticists agreed fade to black

582

00:32:15,390 --> 00:32:11,050

is not your father's radio show on the

583

00:32:21,780 --> 00:32:15,400

game changer radio network and k GRA the

584

00:32:23,400 --> 00:32:21,790

planet with KCRA this summer tickets and

585

00:32:25,560 --> 00:32:23,410

hotel accommodations to the biggest

586

00:32:27,780 --> 00:32:25,570

conferences autograph books and DVDs

587

00:32:29,790 --> 00:32:27,790

chances to win all-inclusive conference

588

00:32:33,180 --> 00:32:29,800

cruises and private dinners with your

589

00:32:35,820 --> 00:32:33,190

favorite kgr a hosts click the contest

590

00:32:37,950 --> 00:32:35,830

to have it kg are a radio.com for your

591

00:32:40,080 --> 00:32:37,960

chance to win big this summer your

592

00:32:47,520 --> 00:32:40,090

contact for the best alternative talk

593

00:33:08,940 --> 00:32:50,260

hi this is Rob Reiner from Apple and

594

00:33:15,970 --> 00:33:13,780

and now coming to you from the no more

595

00:33:18,250 --> 00:33:15,980

fake newsroom a deep space which is the

596

00:33:20,590 --> 00:33:18,260

space that we suspect to be true that

597

00:33:22,480 --> 00:33:20,600

the world as it is fed to us every day

598

00:33:25,300 --> 00:33:22,490

by the Ministry of Truth is a lie of

599

00:33:27,970 --> 00:33:25,310

false reality a movie projected on the

600

00:33:30,040 --> 00:33:27,980

screen of our subconscious this however

601
00:33:31,540 --> 00:33:30,050
is the breakout and we see the light of

602
00:33:34,930 --> 00:33:31,550
day a new day

603
00:33:38,290 --> 00:33:34,940
no more robots no more androids it's the

604
00:33:42,630 --> 00:33:38,300
no more fake newsroom Jon Rappoport take

605
00:33:48,250 --> 00:33:42,640
it away Jon Thank You Jimmy thank you

606
00:33:51,850 --> 00:33:48,260
hello folks back again looking at two

607
00:33:57,870 --> 00:33:51,860
stories tonight and start off with one

608
00:34:02,740 --> 00:33:57,880
that's right here in mainstream media a

609
00:34:06,930 --> 00:34:02,750
massive a semi-infinite trove of rare

610
00:34:12,430 --> 00:34:06,940
earth metals has been found in Japan

611
00:34:15,790 --> 00:34:12,440
CNBC SCO CNBC reports researchers have

612
00:34:19,240 --> 00:34:15,800
found hundreds of years worth of rare

613
00:34:22,210 --> 00:34:19,250

earth materials under Japanese waters

614

00:34:25,300 --> 00:34:22,220

enough to supply to the world on a quote

615

00:34:27,310 --> 00:34:25,310

semi-infinite basis according to a study

616

00:34:31,570 --> 00:34:27,320

published in Nature Publishing Group

617

00:34:33,520 --> 00:34:31,580

scientific reports rare earth metals are

618

00:34:36,610 --> 00:34:33,530

crucial in the making of high-tech

619

00:34:39,790 --> 00:34:36,620

products such as electric vehicles and

620

00:34:43,180 --> 00:34:39,800

batteries and most of the world has

621

00:34:48,120 --> 00:34:43,190

relied on China for almost all of its

622

00:34:56,169 --> 00:34:48,130

needs so the article goes on to say that

623

00:34:59,140 --> 00:34:56,179

in 2010 Japan started seeking its own

624

00:34:59,650 --> 00:34:59,150

rare earth metals after China held back

625

00:35:06,420 --> 00:34:59,660

ship

626
00:35:13,059 --> 00:35:06,430
in 2010 during a dispute over islands

627
00:35:16,930 --> 00:35:13,069
etc etc now this is very interesting

628
00:35:20,680 --> 00:35:16,940
because we're talking about some of the

629
00:35:23,980 --> 00:35:20,690
most valuable mineral substances in the

630
00:35:28,359 --> 00:35:23,990
in the world as far as producing

631
00:35:32,049 --> 00:35:28,369
products money you know profits etc but

632
00:35:39,460 --> 00:35:32,059
profit about products that are essential

633
00:35:42,819 --> 00:35:39,470
to modern civilization so here's where I

634
00:35:49,120 --> 00:35:42,829
start to turn off the main road and go

635
00:35:52,870 --> 00:35:49,130
into admittedly speculation China has

636
00:35:57,130 --> 00:35:52,880
been using the fact that it contains or

637
00:36:02,230 --> 00:35:57,140
has possession of most of these rare

638
00:36:06,299 --> 00:36:02,240

earth metals and has been using it as a

639

00:36:08,950 --> 00:36:06,309

kind of a chip in all trade relations

640

00:36:10,749 --> 00:36:08,960

because China can say well we're going

641

00:36:15,819 --> 00:36:10,759

to cut your shipments like it did to

642

00:36:17,650 --> 00:36:15,829

Japan we're not going to be shipping you

643

00:36:20,819 --> 00:36:17,660

any more of these or we're going to cut

644

00:36:23,549 --> 00:36:20,829

our shipments in half if you do this and

645

00:36:27,420 --> 00:36:23,559

of course this has many political

646

00:36:32,380 --> 00:36:27,430

ramifications as well and you can bet

647

00:36:34,809 --> 00:36:32,390

that in the current percolating trade

648

00:36:39,670 --> 00:36:34,819

war as it's being called between China

649

00:36:44,740 --> 00:36:39,680

and the US that both sides are very much

650

00:36:49,990 --> 00:36:44,750

aware that China holds this ace in the

651
00:36:53,620 --> 00:36:50,000
deck the rare earth metals what are they

652
00:36:58,289 --> 00:36:53,630
going to do are they going to stop

653
00:37:03,460 --> 00:36:58,299
shipping these materials to producers

654
00:37:06,880 --> 00:37:03,470
that export electronic products to the

655
00:37:08,620 --> 00:37:06,890
United States or to manufacturers inside

656
00:37:10,180 --> 00:37:08,630
the United States that make some of

657
00:37:14,410 --> 00:37:10,190
these products

658
00:37:18,390 --> 00:37:14,420
and all of a sudden Japan emerges and as

659
00:37:24,430 --> 00:37:18,400
you can remember from what I just said

660
00:37:26,440 --> 00:37:24,440
starting in 2010 Japan began to look to

661
00:37:29,350 --> 00:37:26,450
see where Elsa could find these

662
00:37:33,430 --> 00:37:29,360
materials when China cut them off and

663
00:37:41,040 --> 00:37:33,440

now supposedly they have discovered this

664

00:37:45,390 --> 00:37:41,050

gigantic trove in Japanese waters so

665

00:37:50,400 --> 00:37:45,400

what has happened to Japanese waters of

666

00:37:55,450 --> 00:37:50,410

a catastrophic nature since 2010

667

00:38:01,210 --> 00:37:55,460

Fukushima the nuclear facility power

668

00:38:03,460 --> 00:38:01,220

plants in Japan so and you can explore

669

00:38:07,150 --> 00:38:03,470

this for yourself and see if anybody's

670

00:38:10,750 --> 00:38:07,160

commenting on it what happens when these

671

00:38:14,940 --> 00:38:10,760

rare earth materials metals have been

672

00:38:19,090 --> 00:38:14,950

exposed to massive amounts of radiation

673

00:38:24,460 --> 00:38:19,100

which are dumping into the waters off

674

00:38:28,690 --> 00:38:24,470

Japan from Fukushima for several years

675

00:38:35,980 --> 00:38:28,700

now are these rare earth metals still

676

00:38:42,430 --> 00:38:35,990

usable if so how does all of this

677

00:38:47,950 --> 00:38:42,440

radiation complicate the effort to find

678

00:38:51,490 --> 00:38:47,960

them and remove them safely even if

679

00:38:55,660 --> 00:38:51,500

they're still usable I'm just scanning

680

00:38:57,670 --> 00:38:55,670

the articles I'm looking here extracting

681

00:39:01,630 --> 00:38:57,680

those metals from the seabed is an

682

00:39:03,670 --> 00:39:01,640

expensive affair etc conducting a

683

00:39:08,320 --> 00:39:03,680

feasibility test within the next five

684

00:39:11,050 --> 00:39:08,330

years to see about the extraction but so

685

00:39:16,570 --> 00:39:11,060

far nobody's mentioning the massive

686

00:39:22,300 --> 00:39:16,580

radiation a are these rare earth metals

687

00:39:23,870 --> 00:39:22,310

still usable and B if they are how does

688

00:39:26,890 --> 00:39:23,880

all the massive

689

00:39:30,890 --> 00:39:26,900

radiation in the waters off Japan

690

00:39:36,289 --> 00:39:30,900

complicate and add to the expense of

691

00:39:42,339 --> 00:39:36,299

trying to mine them and remove them does

692

00:39:49,999 --> 00:39:47,599

one final question which is going way

693

00:39:53,150 --> 00:39:50,009

out on a limb but I'm going to ask it

694

00:40:01,700 --> 00:39:53,160

anyway is it possible that China became

695

00:40:05,180 --> 00:40:01,710

aware at some point before say 2013 that

696

00:40:10,390 --> 00:40:05,190

Japan had a good chance or was on the

697

00:40:13,339 --> 00:40:10,400

verge or had even then discovered the

698

00:40:15,890 --> 00:40:13,349

the likelihood the extreme likelihood

699

00:40:20,150 --> 00:40:15,900

that there were millions of tons of this

700

00:40:23,329 --> 00:40:20,160

material off their coasts and therefore

701
00:40:26,920 --> 00:40:23,339
is it possible the China had something

702
00:40:31,609 --> 00:40:26,930
to do with what happened at Fukushima

703
00:40:33,309 --> 00:40:31,619
just asking the question just asking the

704
00:40:36,920 --> 00:40:33,319
question

705
00:40:40,940 --> 00:40:36,930
let's move to a completely other subject

706
00:40:42,410 --> 00:40:40,950
which I have covered here before but I

707
00:40:45,220 --> 00:40:42,420
want to approach it from a slightly

708
00:40:54,069 --> 00:40:45,230
different angle and that is the opioid

709
00:41:02,749 --> 00:41:00,190
oxycontin and perhaps 60 or 70 other

710
00:41:07,549 --> 00:41:02,759
painkillers that are extremely powerful

711
00:41:11,950 --> 00:41:07,559
and have created according to estimates

712
00:41:16,430 --> 00:41:11,960
two million opioid addicts in the u.s.

713
00:41:21,559 --> 00:41:16,440

300,000 deaths since the year 2000 in

714

00:41:26,410 --> 00:41:21,569

the US and many more people who haven't

715

00:41:30,200 --> 00:41:26,420

died but will die or will remain

716

00:41:33,450 --> 00:41:30,210

severely damaged for the rest of their

717

00:41:36,650 --> 00:41:33,460

lives I mean

718

00:41:41,339 --> 00:41:36,660

the breadth and scope of this story is

719

00:41:44,579 --> 00:41:41,349

astounding and I start my article this

720

00:41:48,000 --> 00:41:44,589

week by saying the major pipeline for

721

00:41:50,760 --> 00:41:48,010

trafficking opioid drug starts with

722

00:41:53,280 --> 00:41:50,770

pharmaceutical manufacturers who are

723

00:41:58,230 --> 00:41:53,290

intentionally distributing opioids far

724

00:42:02,339 --> 00:41:58,240

beyond any legitimate need meaning far

725

00:42:06,420 --> 00:42:02,349

beyond the patient population of people

726

00:42:15,059 --> 00:42:06,430

in extreme pain who need a strong

727

00:42:20,280 --> 00:42:15,069

painkillers so I've covered this before

728

00:42:24,150 --> 00:42:20,290

but some people didn't get it some

729

00:42:27,690 --> 00:42:24,160

people are still not getting it and this

730

00:42:31,950 --> 00:42:27,700

is an illustration of how a story can

731

00:42:36,150 --> 00:42:31,960

appear in mainstream media Big Time

732

00:42:40,319 --> 00:42:36,160

story and still sink without a stone

733

00:42:43,530 --> 00:42:40,329

like a stone into the pond with a few

734

00:42:50,059 --> 00:42:43,540

ripples no follow-up no continued

735

00:42:54,500 --> 00:42:50,069

pounding on it no investigation people

736

00:42:57,660 --> 00:42:54,510

don't pick up the ball and run with it

737

00:43:03,349 --> 00:42:57,670

they don't even believe it's true even

738

00:43:06,390 --> 00:43:03,359

when they're reading it sometimes so in

739

00:43:10,859 --> 00:43:06,400

the article that I wrote I say here's

740

00:43:14,730 --> 00:43:10,869

the open secret a 2016 law signed by

741

00:43:17,400 --> 00:43:14,740

Obama shackled the DEA the Drug

742

00:43:20,579 --> 00:43:17,410

Enforcement Administration in its

743

00:43:26,599 --> 00:43:20,589

efforts to crack down on Big Pharma

744

00:43:30,539 --> 00:43:26,609

traffickers by traffickers I mean

745

00:43:35,160 --> 00:43:30,549

pharmaceutical companies several of whom

746

00:43:37,620 --> 00:43:35,170

have been exposed in the press who are

747

00:43:39,900 --> 00:43:37,630

sending huge supplies of these opioid

748

00:43:43,559 --> 00:43:39,910

pills to little pharmacies little

749

00:43:46,380 --> 00:43:43,569

clinics in the middle of nowhere who in

750

00:43:50,610 --> 00:43:46,390

turn sell NASA know

751
00:43:52,650 --> 00:43:50,620
of these pills to dealers or wholesalers

752
00:43:54,330 --> 00:43:52,660
who then distribute them to street

753
00:43:58,190 --> 00:43:54,340
dealers and they get out on the street

754
00:44:06,470 --> 00:44:02,070
the DEA has been shackled in their

755
00:44:09,680 --> 00:44:06,480
attempts to crack down on these

756
00:44:14,580 --> 00:44:09,690
pharmaceutical companies because of a

757
00:44:17,570 --> 00:44:14,590
2016 law signed by Obama that law is

758
00:44:21,660 --> 00:44:17,580
called the ensuring patient access an

759
00:44:25,070 --> 00:44:21,670
effective Drug Enforcement Act of 2016

760
00:44:31,370 --> 00:44:25,080
passed by Congress signed by Obama on

761
00:44:36,600 --> 00:44:31,380
April 9th 2016 okay

762
00:44:39,000 --> 00:44:36,610
now I then write honest agents inside

763
00:44:40,380 --> 00:44:39,010

the complacent DEA want to have the

764

00:44:43,680 --> 00:44:40,390

right to march into a pharmaceutical

765

00:44:45,780 --> 00:44:43,690

company headquarters and say we know

766

00:44:48,510 --> 00:44:45,790

you're shipping millions of opioid pills

767

00:44:50,490 --> 00:44:48,520

to little pharmacies and clinics that in

768

00:44:52,740 --> 00:44:50,500

turn are selling the pills to Street

769

00:44:55,520 --> 00:44:52,750

dealers we're going to freeze those

770

00:45:03,870 --> 00:44:55,530

shipments now and we're going to arrest

771

00:45:07,490 --> 00:45:03,880

key executives but that 2016 law raises

772

00:45:10,440 --> 00:45:07,500

the bar so high on what the DEA can do

773

00:45:13,500 --> 00:45:10,450

that the whole law enforcement effort is

774

00:45:17,340 --> 00:45:13,510

hamstrung throttled and loaded down with

775

00:45:20,940 --> 00:45:17,350

legal complications in essence the US

776

00:45:24,720 --> 00:45:20,950

Congress and Obama gave drug companies a

777

00:45:25,200 --> 00:45:24,730

free pass to continue to do what they're

778

00:45:28,620 --> 00:45:25,210

doing

779

00:45:31,560 --> 00:45:28,630

trafficking in opioids and no one in the

780

00:45:35,250 --> 00:45:31,570

Congress is admitting it or talking

781

00:45:37,020 --> 00:45:35,260

about it you'll see members of Congress

782

00:45:38,640 --> 00:45:37,030

getting up on their hind legs and saying

783

00:45:42,930 --> 00:45:38,650

we have to do something to stop the

784

00:45:46,640 --> 00:45:42,940

crisis they voted for the bill that

785

00:45:49,320 --> 00:45:46,650

became a law that makes it extremely

786

00:45:54,510 --> 00:45:49,330

extremely extremely difficult for the

787

00:45:56,430 --> 00:45:54,520

DEA to do anything okay now some people

788

00:45:57,970 --> 00:45:56,440

reading my articles around he's just

789

00:46:00,130 --> 00:45:57,980

talking

790

00:46:02,859 --> 00:46:00,140

there's nothing in the mainstream press

791

00:46:06,790 --> 00:46:02,869

about this because if there were I mean

792

00:46:08,260 --> 00:46:06,800

this would be an incredible scandal The

793

00:46:12,250 --> 00:46:08,270

Washington Post

794

00:46:17,220 --> 00:46:12,260

October 15th 2017 the article was called

795

00:46:21,190 --> 00:46:17,230

the drug industry's triumph over the DEA

796

00:46:24,000 --> 00:46:21,200

in April 2016 at the height of the

797

00:46:27,760 --> 00:46:24,010

deadliest drug epidemic in US history

798

00:46:29,859 --> 00:46:27,770

Congress effectively stripped the Drug

799

00:46:32,740 --> 00:46:29,869

Enforcement Administration of its most

800

00:46:35,230 --> 00:46:32,750

potent weapon against large drug

801
00:46:38,530 --> 00:46:35,240
companies suspected of spilling

802
00:46:43,060 --> 00:46:38,540
prescription opioid narcotics onto the

803
00:46:44,470 --> 00:46:43,070
nation's streets a handful of members of

804
00:46:47,319 --> 00:46:44,480
Congress still quoting from the

805
00:46:50,109 --> 00:46:47,329
Washington Post allied with the nation's

806
00:46:52,569 --> 00:46:50,119
major drug distributors meaning the

807
00:46:54,880 --> 00:46:52,579
pharmaceutical companies prevailed upon

808
00:46:59,010 --> 00:46:54,890
the DEA and the Justice Department to

809
00:47:02,859 --> 00:46:59,020
agree to a more industry friendly law

810
00:47:06,609 --> 00:47:02,869
undermining efforts to stanch the flow

811
00:47:09,099 --> 00:47:06,619
of pain pills according to an

812
00:47:13,059 --> 00:47:09,109
investigation by The Washington Post and

813
00:47:15,640 --> 00:47:13,069

60 minutes the law was the crowning

814

00:47:18,309 --> 00:47:15,650

achievement of a multi-faceted campaign

815

00:47:20,819 --> 00:47:18,319

by the drug industry to weaken

816

00:47:24,280 --> 00:47:20,829

aggressive DEA enforcement efforts

817

00:47:26,470 --> 00:47:24,290

against drug distribution companies that

818

00:47:29,950 --> 00:47:26,480

were supplying corrupt doctors and

819

00:47:34,750 --> 00:47:29,960

pharmacists who peddled opioid narcotics

820

00:47:36,609 --> 00:47:34,760

to the black market the pharmaceutical

821

00:47:38,770 --> 00:47:36,619

industry worked behind the scenes with

822

00:47:43,690 --> 00:47:38,780

lobbyists and team members of Congress

823

00:47:45,670 --> 00:47:43,700

to pass the 2016 law pouring more than a

824

00:47:50,109 --> 00:47:45,680

million dollars into their election

825

00:47:54,309 --> 00:47:50,119

campaigns still quoting from the

826

00:47:57,910 --> 00:47:54,319

Washington Post the new 2016 law makes

827

00:48:00,700 --> 00:47:57,920

it virtually impossible for the DEA to

828

00:48:02,140 --> 00:48:00,710

freeze suspicious narcotic shipments

829

00:48:05,140 --> 00:48:02,150

from the companies meaning the

830

00:48:07,589 --> 00:48:05,150

pharmaceutical companies according to

831

00:48:09,480 --> 00:48:07,599

internal agency and Justice Department

832

00:48:12,600 --> 00:48:09,490

documents

833

00:48:18,600 --> 00:48:12,610

and an independent assessment by the

834

00:48:27,600 --> 00:48:18,610

DA's chief Administration law judge etc

835

00:48:30,930 --> 00:48:27,610

etc so the claim has been that this bill

836

00:48:35,850 --> 00:48:30,940

that passed virtually unanimously in

837

00:48:37,859 --> 00:48:35,860

Congress that shackled the DEA the

838

00:48:41,760 --> 00:48:37,869

congressmen and women didn't know what

839

00:48:46,200 --> 00:48:41,770

they were voting on it just didn't know

840

00:48:52,050 --> 00:48:46,210

I mean that in itself is preposterous

841

00:48:56,760 --> 00:48:52,060

Lee you know ominous but now they do

842

00:48:58,890 --> 00:48:56,770

know now they do and I write since

843

00:49:00,630 --> 00:48:58,900

everyone is now aware of the laws

844

00:49:04,680 --> 00:49:00,640

horrendous impact why doesn't the

845

00:49:06,450 --> 00:49:04,690

Congress repeal it the fact that no one

846

00:49:09,900 --> 00:49:06,460

is stepping up to the plate with a fast

847

00:49:11,870 --> 00:49:09,910

repeal is proof that multiple parts of

848

00:49:15,540 --> 00:49:11,880

the federal government are in fact

849

00:49:19,640 --> 00:49:15,550

tacitly supporting the opioid crisis and

850

00:49:22,440 --> 00:49:19,650

it's devastating impacts on human life

851

00:49:25,710 --> 00:49:22,450

we didn't know what we were voting on is

852

00:49:29,790 --> 00:49:25,720

at best a temporary excuse until the

853

00:49:34,130 --> 00:49:29,800

truth comes to light after that failure

854

00:49:39,060 --> 00:49:34,140

to act swiftly amounts to collusion in

855

00:49:40,770 --> 00:49:39,070

death by opioids President Obama the

856

00:49:43,650 --> 00:49:40,780

Congress and officials within the

857

00:49:52,770 --> 00:49:43,660

Justice Department and the DEA are all

858

00:49:56,390 --> 00:49:52,780

guilty that's me talking writing that's

859

00:50:02,690 --> 00:50:00,359

wouldn't you say there it is out in the

860

00:50:07,140 --> 00:50:02,700

open

861

00:50:12,960 --> 00:50:07,150

300,000 deaths since the year 2000 in

862

00:50:18,420 --> 00:50:12,970

the US and this is a global problem two

863

00:50:21,930 --> 00:50:18,430

million opioid addicts in the US the

864

00:50:24,020 --> 00:50:21,940

Washington Post runs a major piece on

865

00:50:27,809 --> 00:50:24,030

this

866

00:50:33,210 --> 00:50:27,819

nothing happens the law is not repealed

867

00:50:39,000 --> 00:50:33,220

the 2016 law the Washington Post doesn't

868

00:50:41,309 --> 00:50:39,010

really follow up I mean come on you

869

00:50:44,490 --> 00:50:41,319

don't even have to be a journalist or a

870

00:50:47,160 --> 00:50:44,500

student of journalism to understand how

871

00:50:50,599 --> 00:50:47,170

a newspaper could follow up you start

872

00:50:54,140 --> 00:50:50,609

knocking on Congress people's doors and

873

00:51:00,750 --> 00:50:54,150

saying here's what you did

874

00:51:03,120 --> 00:51:00,760

now you can comment on this for us or

875

00:51:06,690 --> 00:51:03,130

you can say no comment and we will put

876

00:51:08,430 --> 00:51:06,700

that in the next story well I didn't

877

00:51:10,440 --> 00:51:08,440

know what I was voting on nobody did in

878

00:51:12,450 --> 00:51:10,450

the others I will explain how that's

879

00:51:13,950 --> 00:51:12,460

possible well nobody reads these things

880

00:51:15,390 --> 00:51:13,960

really nobody reads them that's

881

00:51:17,579 --> 00:51:15,400

interesting we'll include that in the

882

00:51:22,620 --> 00:51:17,589

story well you know I mean it's just but

883

00:51:25,380 --> 00:51:22,630

now that you're aware senator why don't

884

00:51:29,819 --> 00:51:25,390

you do something to immediately repeal

885

00:51:32,670 --> 00:51:29,829

the law now you start knocking on enough

886

00:51:35,910 --> 00:51:32,680

doors in Congress and the Justice

887

00:51:37,890 --> 00:51:35,920

Department and even the DEA because

888

00:51:42,630 --> 00:51:37,900

there are people within the DEA who

889

00:51:47,549 --> 00:51:42,640

actually caved in and just let this law

890

00:51:50,970 --> 00:51:47,559

pass and there's even a major employee

891

00:51:53,450 --> 00:51:50,980

past employee of the DEA who went over

892

00:51:56,339 --> 00:51:53,460

to the dark side and joined

893

00:52:00,630 --> 00:51:56,349

pharmaceutical industry and help them

894

00:52:04,049 --> 00:52:00,640

craft the 2016 law and that's all in the

895

00:52:09,109 --> 00:52:04,059

Washington Post article and also my

896

00:52:12,319 --> 00:52:09,119

insider who confirmed all of this for me

897

00:52:15,750 --> 00:52:12,329

you start knocking on enough doors and

898

00:52:17,579 --> 00:52:15,760

being tough enough and you're gonna have

899

00:52:22,230 --> 00:52:17,589

stories that are going to explode

900

00:52:25,740 --> 00:52:22,240

people's heads from here until the cows

901
00:52:27,960 --> 00:52:25,750
come home and you're gonna have people

902
00:52:30,900 --> 00:52:27,970
rolling over on each other well it was

903
00:52:32,370 --> 00:52:30,910
his fault because he told me to vote for

904
00:52:34,620 --> 00:52:32,380
it and that I didn't have to read it

905
00:52:36,600 --> 00:52:34,630
well who's he well congressman so-and-so

906
00:52:41,250 --> 00:52:36,610
well let's go to his office yeah

907
00:52:42,870 --> 00:52:41,260
sure so the other congressman Smith said

908
00:52:46,590 --> 00:52:42,880
that you were the one who told them to

909
00:52:48,390 --> 00:52:46,600
vote for this law in 2016 in fact we

910
00:52:51,120 --> 00:52:48,400
have three other congressmen who said

911
00:52:56,580 --> 00:52:51,130
the same thing so on what basis did you

912
00:52:59,220 --> 00:52:56,590
tell them to do this well you know just

913
00:53:02,220 --> 00:52:59,230

like you do in a federal case where you

914

00:53:07,640 --> 00:53:02,230

have people who are being prosecuted

915

00:53:09,990 --> 00:53:07,650

rolling over and getting some kind of I

916

00:53:12,680 --> 00:53:10,000

don't know what you would call it in

917

00:53:15,750 --> 00:53:12,690

this case in the case of journalism but

918

00:53:18,360 --> 00:53:15,760

at least they will try to shift the

919

00:53:20,940 --> 00:53:18,370

blame higher on the food chain and they

920

00:53:22,940 --> 00:53:20,950

will reveal more and more people who

921

00:53:25,650 --> 00:53:22,950

were really responsible here

922

00:53:27,720 --> 00:53:25,660

well someone saw was in bed with a drug

923

00:53:30,090 --> 00:53:27,730

companies for the last 15 years in

924

00:53:31,770 --> 00:53:30,100

Congress everybody knows that he was

925

00:53:36,810 --> 00:53:31,780

instrumental in getting this bill passed

926

00:53:39,630 --> 00:53:36,820

I see thank you very much we're gonna go

927

00:53:41,550 --> 00:53:39,640

there next and by the way when are you

928

00:53:45,990 --> 00:53:41,560

going to introduce a bill to repeal that

929

00:53:48,240 --> 00:53:46,000

law from 2016 well well I don't know

930

00:53:49,740 --> 00:53:48,250

well you mean you don't think it should

931

00:53:52,050 --> 00:53:49,750

be repealed well of course it should be

932

00:53:54,000 --> 00:53:52,060

why shouldn't why isn't anybody taking

933

00:53:57,090 --> 00:53:54,010

action you know this is how you build

934

00:54:00,270 --> 00:53:57,100

the story when you have resources like

935

00:54:04,680 --> 00:54:00,280

the Washington Post does or any major

936

00:54:10,980 --> 00:54:04,690

media outlet of any size but it's not

937

00:54:15,270 --> 00:54:10,990

happening it's not happening and so we

938

00:54:24,770 --> 00:54:15,280

have the entire US Congress on the hook

939

00:54:27,450 --> 00:54:24,780

for opioid deaths opioid destruction and

940

00:54:36,230 --> 00:54:27,460

giving the pharmaceutical companies a

941

00:54:43,500 --> 00:54:39,930

these are not shipments in case there is

942

00:54:46,140 --> 00:54:43,510

any confusion at this late date these

943

00:54:50,130 --> 00:54:46,150

are not shipments destined for hospitals

944

00:54:52,609 --> 00:54:50,140

or doctors who are prescribing them too

945

00:54:55,650 --> 00:54:52,619

patients who are in desperate need of

946

00:54:57,380 --> 00:54:55,660

relief from agonizing pain we're not

947

00:55:04,370 --> 00:54:57,390

talking about we're talking about

948

00:55:10,730 --> 00:55:04,380

trafficking trafficking illegal

949

00:55:21,859 --> 00:55:15,410

the drug companies are the main

950

00:55:29,730 --> 00:55:21,869

traffickers the main traffic errs

951
00:55:32,039 --> 00:55:29,740
illegally okay looking at the Washington

952
00:55:33,240 --> 00:55:32,049
Post quote again Congress effectively

953
00:55:36,170 --> 00:55:33,250
stripped the Drug Enforcement

954
00:55:38,640 --> 00:55:36,180
Administration of its most potent weapon

955
00:55:44,700 --> 00:55:38,650
freezing the shipments of trapped

956
00:55:48,150 --> 00:55:44,710
trafficked opioids strip the DEA of its

957
00:55:50,339 --> 00:55:48,160
most potent weapon against large drug

958
00:55:52,950 --> 00:55:50,349
companies suspected of spilling

959
00:55:55,559 --> 00:55:52,960
prescription opioid narcotics onto the

960
00:56:00,390 --> 00:55:55,569
nation's streets the word suspected is

961
00:56:04,259 --> 00:56:00,400
no longer relevant it's all been exposed

962
00:56:12,839 --> 00:56:04,269
in the open mainstream press they're

963
00:56:15,749 --> 00:56:12,849

doing it they are doing it get the word

964

00:56:19,559 --> 00:56:15,759

out and that's my report for tonight

965

00:56:23,220 --> 00:56:19,569

thank you absolutely amazing John and I

966

00:56:27,740 --> 00:56:23,230

went really quick I went and and was

967

00:56:31,829 --> 00:56:27,750

reading about Japan you know rare earths

968

00:56:35,279 --> 00:56:31,839

and it's all over the media by the way

969

00:56:39,569 --> 00:56:35,289

Wall Street Journal you know CNBC Japan

970

00:56:41,309 --> 00:56:39,579

Times fortune and so everybody can go

971

00:56:43,259 --> 00:56:41,319

and read this but I'm with you John it

972

00:56:45,420 --> 00:56:43,269

reminded me I've got to make this really

973

00:56:48,930 --> 00:56:45,430

quick for everybody out there

974

00:56:55,769 --> 00:56:48,940

that one of the greatest frauds of all

975

00:57:01,079 --> 00:56:55,779

time reacts and bre-x John you can write

976
00:57:02,820 --> 00:57:01,089
that down BRE - e^x bre-x happened out

977
00:57:06,150 --> 00:57:02,830
of Canada

978
00:57:08,550 --> 00:57:06,160
and and it was like Sumatra Java you

979
00:57:10,740 --> 00:57:08,560
know an island out there where the the

980
00:57:12,360 --> 00:57:10,750
largest gold deposits ever in the

981
00:57:14,580 --> 00:57:12,370
history of the world were discovered

982
00:57:18,570 --> 00:57:14,590
right a hundred times bigger than the

983
00:57:21,030 --> 00:57:18,580
next gold vein in in South Africa it's

984
00:57:22,830 --> 00:57:21,040
like the craziest thing and you know

985
00:57:25,830 --> 00:57:22,840
stocks went through the billions of

986
00:57:28,140 --> 00:57:25,840
dollars were were made and lost and the

987
00:57:30,990 --> 00:57:28,150
guy that did the hoax you know you know

988
00:57:34,620 --> 00:57:31,000

got thrown out of a helicopter in the

989

00:57:39,720 --> 00:57:34,630

jungle but nonetheless the bre-x

990

00:57:42,650 --> 00:57:39,730

and the this smells of reacts done to

991

00:57:45,360 --> 00:57:42,660

manipulate the markets you know and

992

00:57:46,740 --> 00:57:45,370

ironic you know it's four miles down we

993

00:57:48,630 --> 00:57:46,750

can't really get to it but it's there

994

00:57:51,180 --> 00:57:48,640

and it's enough to supply the world

995

00:57:54,750 --> 00:57:51,190

throw all the markets off kick up stocks

996

00:57:58,140 --> 00:57:54,760

that's uh that's a great read and I got

997

00:58:03,210 --> 00:57:58,150

the feeling it's not it's not all what

998

00:58:06,870 --> 00:58:03,220

it seems but to the second part you know

999

00:58:11,360 --> 00:58:06,880

about this opioid crisis this is this is

1000

00:58:15,720 --> 00:58:11,370

what I don't get the drug companies are

1001

00:58:20,490 --> 00:58:15,730

watching the increase of semi trucks

1002

00:58:24,240 --> 00:58:20,500

full of vicodin or whatever right any

1003

00:58:28,670 --> 00:58:24,250

and you pick your opioid and pulling out

1004

00:58:31,080 --> 00:58:28,680

and going somewhere but nobody cares

1005

00:58:35,460 --> 00:58:31,090

right nobody cares

1006

00:58:38,100 --> 00:58:35,470

man the sales are up it's as if every

1007

00:58:40,470 --> 00:58:38,110

man woman and child in the United States

1008

00:58:44,910 --> 00:58:40,480

just got in a car accident and broke

1009

00:58:51,570 --> 00:58:44,920

every bone in their body it's like it's

1010

00:58:53,880 --> 00:58:51,580

those yes you know and nobody cares you

1011

00:58:57,000 --> 00:58:53,890

know but he's just astounding I mean you

1012

00:59:00,030 --> 00:58:57,010

would think that somebody from the

1013

00:59:02,280 --> 00:59:00,040

Justice Department I mean you know would

1014

00:59:06,720 --> 00:59:02,290

just march into Congress one day and

1015

00:59:09,330 --> 00:59:06,730

cause an uproar and say we know what

1016

00:59:12,510 --> 00:59:09,340

you're doing we know about the law you

1017

00:59:15,599 --> 00:59:12,520

passed you know what it's done it

1018

00:59:18,269 --> 00:59:15,609

shackled us we can't do anything now

1019

00:59:20,549 --> 00:59:18,279

and nobody's saying anything and

1020

00:59:24,749 --> 00:59:20,559

nobody's introducing a bill that will

1021

00:59:28,049 --> 00:59:24,759

repeal that law I mean just cause bring

1022

00:59:30,180 --> 00:59:28,059

down hell on these people but nothing

1023

00:59:35,729 --> 00:59:30,190

happened yeah you know I would love to

1024

00:59:40,410 --> 00:59:35,739

see some charts and graphs on fentanyl

1025

00:59:43,620 --> 00:59:40,420

production on vicodin production right

1026

00:59:46,009 --> 00:59:43,630

oxycontin all you know what and I

1027

00:59:49,920 --> 00:59:46,019

guarantee you they're gonna look like a

1028

00:59:52,370 --> 00:59:49,930

Bitcoin graph yeah just right through

1029

00:59:55,289 --> 00:59:52,380

the roof thank you so much my friend

1030

00:59:57,269 --> 00:59:55,299

another great night here with you and

1031

01:00:00,150 --> 00:59:57,279

just thank you for taking out the time

1032

01:00:01,799 --> 01:00:00,160

to spend with us and and a wonderful

1033

01:00:04,109 --> 01:00:01,809

audience and they they appreciate it and

1034

01:00:06,089 --> 01:00:04,119

love you so much thank you so much thank

1035

01:00:08,880 --> 01:00:06,099

you Jimmy always a pleasure Jon

1036

01:00:12,900 --> 01:00:08,890

Rappoport and I'll say it again like I

1037

01:00:17,849 --> 01:00:12,910

do every single Thursday you must start

1038

01:00:20,099 --> 01:00:17,859

off every day at no more fake news.com

1039

01:00:23,400 --> 01:00:20,109

I'm heroes Timmy Church it's Thursday

1040

01:00:27,749 --> 01:00:23,410

night phaidor nights the phone lines are

1041

01:00:31,109 --> 01:00:27,759

open 3 to 3 a 2 5 5 0 for 5 or 3 2 3 2 7

1042

01:00:34,340 --> 01:00:31,119

5 9 6 9 5 I'll be right back with your

1043

01:00:54,400 --> 01:00:44,610

[Music]

1044

01:00:56,529 --> 01:00:54,410

this is fade to black

1045

01:01:00,220 --> 01:00:56,539

with Jimmy Church on the game changer

1046

01:01:04,690 --> 01:01:00,230

radio network and kgr a the global radio

1047

01:01:07,569 --> 01:01:04,700

alliance this is kera digital

1048

01:01:12,130 --> 01:01:07,579

broadcasting station Salt Lake City Utah

1049

01:01:14,470 --> 01:01:12,140

Van Buren Arkansas hello fader Knotts

1050

01:01:18,099 --> 01:01:14,480

this is Jimmy Church and I'm introducing

1051
01:01:21,609 --> 01:01:18,109
new Pharma a company whose products are

1052
01:01:25,720 --> 01:01:21,619
based on science human function based on

1053
01:01:28,480 --> 01:01:25,730
the endocannabinoid system or ECS new

1054
01:01:30,549 --> 01:01:28,490
Pharma firmly believes in this science

1055
01:01:33,130 --> 01:01:30,559
and their research indicates that

1056
01:01:35,230 --> 01:01:33,140
support of the ECS provides the

1057
01:01:38,549 --> 01:01:35,240
beneficial effects for a healthy

1058
01:01:41,259 --> 01:01:38,559
lifestyle new Pharma science includes

1059
01:01:44,319 --> 01:01:41,269
relief capsules for pain relief

1060
01:01:47,410 --> 01:01:44,329
sleep capsules which are natural support

1061
01:01:50,859 --> 01:01:47,420
for occasional sleeplessness Foundation

1062
01:01:53,920 --> 01:01:50,869
is support for your ECS and fit capsules

1063
01:01:55,569 --> 01:01:53,930

support your active lifestyle just click

1064

01:01:59,410 --> 01:01:55,579

on the banner at jimmy church radio.com

1065

01:02:02,200 --> 01:01:59,420

and use the promo code f2b for a 33%

1066

01:02:05,200 --> 01:02:02,210

discount on all of their products or

1067

01:02:08,499 --> 01:02:05,210

visit new Pharma comm for all of the

1068

01:02:19,370 --> 01:02:08,509

knowledge on the science that's gnu

1069

01:02:23,880 --> 01:02:22,050

hi this is Ray Psalms here repping the

1070

01:02:26,880 --> 01:02:23,890

planet and you're listening to my good

1071

01:02:29,400 --> 01:02:26,890

friend Jimmy Church fade to black

1072

01:02:33,990 --> 01:02:29,410

on the game changer network and the kgr

1073

01:02:36,150 --> 01:02:34,000

a digital broadcast station this is Toby

1074

01:02:57,380 --> 01:02:36,160

Kebbell you're listening to Jimmy Church

1075

01:03:04,830 --> 01:03:01,260

ancient life oil life changing the real

1076

01:03:07,440 --> 01:03:04,840

oil CBD is truly ancient life oil from

1077

01:03:10,050 --> 01:03:07,450

the source this oil has no psychoactive

1078

01:03:12,690 --> 01:03:10,060

effect and is also legal in all 50

1079

01:03:14,940 --> 01:03:12,700

states when you're healthy you're happy

1080

01:03:17,250 --> 01:03:14,950

the truth about this wonderful plan is

1081

01:03:20,640 --> 01:03:17,260

that it wants to give back to mankind

1082

01:03:23,730 --> 01:03:20,650

life longevity and happiness ancient

1083

01:03:25,640 --> 01:03:23,740

life oil our golden grain all organic

1084

01:03:28,920 --> 01:03:25,650

non-gmo and infused with high-quality

1085

01:03:32,340 --> 01:03:28,930

liquid coconut oil it's simple just go

1086

01:03:36,300 --> 01:03:32,350

to ancient life oil dot-com today that's

1087

01:03:40,460 --> 01:03:36,310

ancient life oil dot-com the best purest

1088

01:03:41,970 --> 01:03:40,470

organic and non-gmo CBD in the world

1089

01:03:43,530 --> 01:03:41,980

gobekli tepe

1090

01:03:44,880 --> 01:03:43,540

the statements made regarding these

1091

01:03:45,990 --> 01:03:44,890

products have not been evaluated by the

1092

01:03:47,220 --> 01:03:46,000

Food and Drug Administration these

1093

01:03:49,170 --> 01:03:47,230

products are not intended to diagnose

1094

01:03:50,400 --> 01:03:49,180

treat cure or prevent any disease please

1095

01:03:51,870 --> 01:03:50,410

consult your health care professional

1096

01:03:53,730 --> 01:03:51,880

about potential interactions or other

1097

01:03:55,470 --> 01:03:53,740

possible complications before using any

1098

01:03:57,180 --> 01:03:55,480

product this is my - Hanks of the

1099

01:03:59,670 --> 01:03:57,190

graylien report and you're listening to

1100

01:04:01,530 --> 01:03:59,680

jimmy church on fade to black across the

1101
01:04:04,170 --> 01:04:01,540
globe on the game-changer radio network

1102
01:04:05,180 --> 01:04:04,180
and the one and only kgr a radio the

1103
01:04:20,570 --> 01:04:05,190
planet

1104
01:04:20,580 --> 01:04:24,620
[Music]

1105
01:04:29,980 --> 01:04:26,690
all right welcome back fade to black I'm

1106
01:04:33,500 --> 01:04:29,990
Amy Church Thursday night Fator nights

1107
01:04:35,360 --> 01:04:33,510
it's open lines all night long three two

1108
01:04:38,570 --> 01:04:35,370
three eight two five five zero four five

1109
01:04:43,300 --> 01:04:38,580
four three two three two seven five nine

1110
01:04:44,630 --> 01:04:43,310
six nine five this show is about

1111
01:04:50,810 --> 01:04:44,640
conspiracies

1112
01:04:54,050 --> 01:04:50,820
fade to black dot-com and it's it's all

1113
01:04:57,680 --> 01:04:54,060

things conspiracy right all-encompassing

1114

01:05:05,090 --> 01:04:57,690

and what falls underneath that umbrella

1115

01:05:08,000 --> 01:05:05,100

and especially today it's everything all

1116

01:05:12,740 --> 01:05:08,010

the dots are connected it's just it's

1117

01:05:16,400 --> 01:05:12,750

crazy it's it's nuts and the more I look

1118

01:05:20,270 --> 01:05:16,410

at the headlines and and I listen to all

1119

01:05:24,620 --> 01:05:20,280

of you and and I see how things are

1120

01:05:27,950 --> 01:05:24,630

playing out it's crazy right it's it's

1121

01:05:32,120 --> 01:05:27,960

just crazy and so you know what falls

1122

01:05:37,240 --> 01:05:32,130

under the conspiracy umbrella you have

1123

01:05:43,430 --> 01:05:37,250

the basics basics like conspiracy 101

1124

01:05:50,420 --> 01:05:43,440

everything from JFK to UFOs you know

1125

01:05:55,760 --> 01:05:50,430

9/11 to the the suppressed knowledge of

1126

01:05:58,070 --> 01:05:55,770

of everything us suppressed knowledge is

1127

01:05:59,450 --> 01:05:58,080

one of the biggest conspiracies out

1128

01:06:02,390 --> 01:05:59,460

there and then what falls underneath

1129

01:06:06,380 --> 01:06:02,400

that and then you can just keep going

1130

01:06:10,550 --> 01:06:06,390

and and how you can connect UFOs to JFK

1131

01:06:13,280 --> 01:06:10,560

to the to the pyramids to our education

1132

01:06:15,740 --> 01:06:13,290

system all the way over to politics and

1133

01:06:17,840 --> 01:06:15,750

the conspiracy of politics and and the

1134

01:06:18,580 --> 01:06:17,850

fed and money and who's running the

1135

01:06:22,220 --> 01:06:18,590

world

1136

01:06:27,140 --> 01:06:22,230

everything is here right it's absolutely

1137

01:06:31,130 --> 01:06:27,150

crazy and I'm listening to John one of

1138

01:06:35,240 --> 01:06:31,140

my favorite books of all time one of my

1139

01:06:35,840 --> 01:06:35,250

favorites was on bre-x and somebody just

1140

01:06:41,749 --> 01:06:35,850

posted

1141

01:06:46,460 --> 01:06:41,759

BCCI another great book and I have both

1142

01:06:50,900 --> 01:06:46,470

of them and these when we talk about the

1143

01:06:56,950 --> 01:06:50,910

possibility of this going on the the

1144

01:06:59,450 --> 01:06:56,960

bre-x fraud and hoax was one of the most

1145

01:07:02,720 --> 01:06:59,460

incredible and I'm talking about

1146

01:07:07,279 --> 01:07:02,730

I mean Canada the the amount of money

1147

01:07:10,339 --> 01:07:07,289

that was lost with that it was huge huge

1148

01:07:13,789 --> 01:07:10,349

and this was pulled off and it went all

1149

01:07:17,390 --> 01:07:13,799

the way to the stock exchange in New

1150

01:07:22,400 --> 01:07:17,400

York and you watch these penny stocks in

1151

01:07:24,849 --> 01:07:22,410

bre-x suddenly skyrocket back then to

1152

01:07:27,019 --> 01:07:24,859

hundreds of dollars per share and

1153

01:07:29,870 --> 01:07:27,029

everybody wanted him because they

1154

01:07:34,670 --> 01:07:29,880

believed in it right they believed in it

1155

01:07:37,549 --> 01:07:34,680

and you look at that kind of conspiracy

1156

01:07:39,710 --> 01:07:37,559

and who was a conspiracy and then what

1157

01:07:42,140 --> 01:07:39,720

fell underneath that and the banks that

1158

01:07:46,730 --> 01:07:42,150

were involved in the investment just a

1159

01:07:48,980 --> 01:07:46,740

crazy situation then you have BCCI right

1160

01:07:51,710 --> 01:07:48,990

and now it's like wait a minute here

1161

01:07:54,950 --> 01:07:51,720

what does this have to do with UFOs or

1162

01:07:56,990 --> 01:07:54,960

or parallel worlds or time travel has

1163

01:07:59,120 --> 01:07:57,000

everything to do with it everything is

1164

01:08:00,950 --> 01:07:59,130

connected and you look at the people

1165

01:08:04,910 --> 01:08:00,960

that are involved and it went all the

1166

01:08:07,789 --> 01:08:04,920

way from BCC I went all the way from the

1167

01:08:11,269 --> 01:08:07,799

White House to Panama to drug

1168

01:08:14,089 --> 01:08:11,279

trafficking to the CIA and all of this

1169

01:08:17,090 --> 01:08:14,099

money is funneled back into other black

1170

01:08:19,700 --> 01:08:17,100

programs and other things that are going

1171

01:08:23,360 --> 01:08:19,710

on around the world this money doesn't

1172

01:08:25,189 --> 01:08:23,370

just disappear and you start to realize

1173

01:08:29,780 --> 01:08:25,199

you know you're driving down the street

1174

01:08:32,360 --> 01:08:29,790

and you see a remember in Sherman Oaks

1175

01:08:36,709 --> 01:08:32,370

when BCCI was going down I remember the

1176

01:08:40,959 --> 01:08:36,719

BCCI branch and and I'm just thinking to

1177

01:08:44,870 --> 01:08:40,969

myself it was going on here

1178

01:08:48,410 --> 01:08:44,880

you know so always remember that and

1179

01:08:50,749 --> 01:08:48,420

when I talk on the show and John brings

1180

01:08:51,170 --> 01:08:50,759

up something tonight like he did with

1181

01:08:53,630 --> 01:08:51,180

what

1182

01:08:58,540 --> 01:08:53,640

is going on in Japan right now all the

1183

01:09:01,580 --> 01:08:58,550

way to this opioid crisis and conspiracy

1184

01:09:04,220 --> 01:09:01,590

and always remember what the definition

1185

01:09:06,200 --> 01:09:04,230

of conspiracy is both in pop culture and

1186

01:09:08,600 --> 01:09:06,210

what you can read in the dictionary it's

1187

01:09:11,480 --> 01:09:08,610

more than two people conspiring in a

1188

01:09:17,380 --> 01:09:11,490

secret scheme to commit a crime right

1189

01:09:20,240 --> 01:09:17,390

and I I just picture you know these

1190

01:09:21,980 --> 01:09:20,250

corporate meetings with Big Pharma going

1191

01:09:25,430 --> 01:09:21,990

man our profits are going through the

1192

01:09:29,210 --> 01:09:25,440

roof this is just great

1193

01:09:34,300 --> 01:09:29,220

and they don't care you know and we're

1194

01:09:40,330 --> 01:09:34,310

talking about truckloads truckloads

1195

01:09:43,820 --> 01:09:40,340

truck I mean caravans of truck convoys

1196

01:09:47,180 --> 01:09:43,830

yeah and nobody seems to care it's

1197

01:09:50,060 --> 01:09:47,190

absolutely amazing and before you think

1198

01:09:53,870 --> 01:09:50,070

that this is some street level thing you

1199

01:09:56,270 --> 01:09:53,880

know and it's it's part of that and it

1200

01:09:57,970 --> 01:09:56,280

is but that's the end it goes all the

1201

01:10:01,490 --> 01:09:57,980

way up to I'm talking about

1202

01:10:03,440 --> 01:10:01,500

manufacturing and the jobs that are

1203

01:10:05,060 --> 01:10:03,450

created and the shareholders that are

1204

01:10:07,070 --> 01:10:05,070

seeing their profits going up and they

1205

01:10:09,080 --> 01:10:07,080

don't want to see that go away and and

1206

01:10:11,180 --> 01:10:09,090

nobody really cares where the money is

1207

01:10:14,930 --> 01:10:11,190

coming from and it's the same thing

1208

01:10:18,370 --> 01:10:14,940

going back to like bre-x or BCCI which

1209

01:10:22,220 --> 01:10:18,380

are two of the biggest you know frauds

1210

01:10:24,080 --> 01:10:22,230

in in world history and if you haven't

1211

01:10:26,530 --> 01:10:24,090

gone back and studied up when we are

1212

01:10:31,070 --> 01:10:26,540

talking conspiracy theory on this show

1213

01:10:35,780 --> 01:10:31,080

go and read those two books and get

1214

01:10:39,560 --> 01:10:35,790

behind the the scan and how it was set

1215

01:10:42,320 --> 01:10:39,570

up and how it was done it's absolutely

1216

01:10:44,750 --> 01:10:42,330

incredible incredible and it actually

1217

01:10:47,140 --> 01:10:44,760

happened both stories incredible all

1218

01:10:53,410 --> 01:10:50,260

let's go to the phones let's see who's

1219

01:10:55,180 --> 01:10:53,420

up first let's go to area code seven one

1220

01:10:58,479 --> 01:10:55,190

three hi you're live on fade to black

1221

01:11:00,970 --> 01:10:58,489

you're up first welcome oh yeah thanks a

1222

01:11:05,080 --> 01:11:00,980

lot to me for taking the call this is

1223

01:11:06,450 --> 01:11:05,090

Chester hey Chester how are you I'm fine

1224

01:11:08,979 --> 01:11:06,460

thank you for asking

1225

01:11:12,160 --> 01:11:08,989

what's on your mind did I there yeah I'm

1226

01:11:14,260 --> 01:11:12,170

here why you want you want a conspiracy

1227

01:11:15,580 --> 01:11:14,270

this is one I've been thinking about for

1228

01:11:18,580 --> 01:11:15,590

years and years

1229

01:11:20,260 --> 01:11:18,590

remember the Enron debacle of course

1230

01:11:24,399 --> 01:11:20,270

well well

1231

01:11:27,760 --> 01:11:24,409

listen rut let me on this one by Ken Lay

1232

01:11:32,319 --> 01:11:27,770

the CEO was convicted on 38 different

1233

01:11:35,049 --> 01:11:32,329

counts he goes to Oklahoma mysteriously

1234

01:11:37,839 --> 01:11:35,059

has a heart attack his body was never

1235

01:11:41,220 --> 01:11:37,849

sent back to Texas he dies there

1236

01:11:45,879 --> 01:11:41,230

supposedly they cremate him there

1237

01:11:49,510 --> 01:11:45,889

supposedly mmm and they enacted half a

1238

01:11:52,899 --> 01:11:49,520

war and the mother the full law says if

1239

01:11:54,270 --> 01:11:52,909

you if you have overwhelming evidence to

1240

01:11:57,729 --> 01:11:54,280

prove your innocence

1241

01:12:01,660 --> 01:11:57,739

they can even though you can't appear

1242

01:12:04,870 --> 01:12:01,670

they can reverse the decision so what

1243

01:12:08,229 --> 01:12:04,880

they did is they enacted half of the law

1244

01:12:11,260 --> 01:12:08,239

and said that he was innocent and his

1245

01:12:14,319 --> 01:12:11,270

wife got to keep the 360 million dollars

1246

01:12:16,450 --> 01:12:14,329

no no are you serious I know that's

1247

01:12:19,990 --> 01:12:16,460

absolute fact look it up

1248

01:12:23,290 --> 01:12:20,000

that's a fact he got to keep

1249

01:12:24,160 --> 01:12:23,300

his wife got to keep every penny that he

1250

01:12:27,399 --> 01:12:24,170

stole

1251

01:12:29,560 --> 01:12:27,409

so anyone ever appeared never had

1252

01:12:32,350 --> 01:12:29,570

overwhelming evidence of his innocence

1253

01:12:35,229 --> 01:12:32,360

or anything they just said since he

1254

01:12:39,370 --> 01:12:35,239

can't appear for his appeal he's

1255

01:12:42,899 --> 01:12:39,380

innocent but Wow

1256

01:12:47,169 --> 01:12:42,909

you know and it doesn't that just I

1257

01:12:48,399 --> 01:12:47,179

don't want you to encourage though you

1258

01:12:51,100 --> 01:12:48,409

know those that would have bad

1259

01:12:53,589 --> 01:12:51,110

intentions but just the knowledge of

1260

01:12:55,359 --> 01:12:53,599

that those out there because there are

1261

01:12:58,090 --> 01:12:55,369

plenty of people that don't have moral

1262

01:13:00,280 --> 01:12:58,100

character or moral compass and they

1263

01:13:02,320 --> 01:13:00,290

that and they go well you know they say

1264

01:13:08,860 --> 01:13:02,330

you can't get away with it but you

1265

01:13:11,920 --> 01:13:08,870

really can did you see did you see the

1266

01:13:12,190 --> 01:13:11,930

documentary I can't think of the name of

1267

01:13:19,180 --> 01:13:12,200

it

1268

01:13:22,030 --> 01:13:19,190

had the payday loan companies across the

1269

01:13:25,360 --> 01:13:22,040

United States oh yeah did you see the

1270

01:13:28,600 --> 01:13:25,370

documentary about him okay there's a

1271

01:13:32,140 --> 01:13:28,610

documentary just released on Netflix and

1272

01:13:34,450 --> 01:13:32,150

it's it's a series and it's I think

1273

01:13:38,010 --> 01:13:34,460

eight or ten episodes and it starts from

1274

01:13:40,960 --> 01:13:38,020

the beginning and goes to the end and

1275

01:13:42,970 --> 01:13:40,970

it's that is one you know he had a

1276

01:13:45,280 --> 01:13:42,980

racing team and I remember reading about

1277

01:13:47,710 --> 01:13:45,290

his racing team back before all of this

1278

01:13:51,280 --> 01:13:47,720

blew up in the lawsuits and I was like

1279

01:13:55,600 --> 01:13:51,290

you know who is this guy and you know

1280

01:13:59,140 --> 01:13:55,610

he's so he gets caught and he almost got

1281

01:14:01,960 --> 01:13:59,150

away with it almost got away with it and

1282

01:14:04,600 --> 01:14:01,970

you know predatory loans and and the way

1283

01:14:06,580 --> 01:14:04,610

that he had set things up but again it's

1284

01:14:11,020 --> 01:14:06,590

one of those things on the grand scale

1285

01:14:12,970 --> 01:14:11,030

and as long as people are employed you

1286

01:14:15,850 --> 01:14:12,980

know all of the employees there they

1287

01:14:17,800 --> 01:14:15,860

knew something wasn't quite right yeah

1288

01:14:21,700 --> 01:14:17,810

dirty money thank you that's what it's

1289

01:14:25,210 --> 01:14:21,710

called dirty money go and check that out

1290

01:14:28,030 --> 01:14:25,220

that is an incredible series and if you

1291

01:14:31,030 --> 01:14:28,040

don't if you're not infuriated you know

1292

01:14:33,910 --> 01:14:31,040

at the end Enron is another example of

1293

01:14:35,530 --> 01:14:33,920

this I feel bad for the employees you

1294

01:14:39,310 --> 01:14:35,540

know there were people there with

1295

01:14:41,770 --> 01:14:39,320

careers and pensions and and all of that

1296

01:14:45,070 --> 01:14:41,780

but you think about the massive fraud

1297

01:14:47,140 --> 01:14:45,080

and I'm the grandest of scales and the

1298

01:14:49,600 --> 01:14:47,150

fact that she could walk away with three

1299

01:14:54,030 --> 01:14:49,610

hundred and sixty million dollars and

1300

01:14:56,620 --> 01:14:54,040

how many others just lost everything and

1301

01:14:58,630 --> 01:14:56,630

fifty thousand dollars worth of plastic

1302

01:15:03,190 --> 01:14:58,640

surgery and his mother wouldn't even

1303

01:15:05,220 --> 01:15:03,200

recognize and the home that he lived in

1304

01:15:10,060 --> 01:15:05,230

in River Oaks in Houston

1305

01:15:11,920 --> 01:15:10,070

yeah just magically got finished and the

1306

01:15:13,960 --> 01:15:11,930

wife and everything it just

1307

01:15:16,720 --> 01:15:13,970

nobody says a word about him anymore

1308

01:15:19,780 --> 01:15:16,730

just everything's fine of course they're

1309

01:15:22,210 --> 01:15:19,790

fine he never died he never died at all

1310

01:15:24,490 --> 01:15:22,220

that was a whole cover story and they

1311

01:15:27,700 --> 01:15:24,500

wound up down and probably what's the

1312

01:15:29,710 --> 01:15:27,710

name of that place Montevideo probably

1313

01:15:31,600 --> 01:15:29,720

wound up there living like kings and

1314

01:15:34,150 --> 01:15:31,610

that's the end of that okay your

1315

01:15:36,940 --> 01:15:34,160

punishment is you can't come back to to

1316

01:15:39,490 --> 01:15:36,950

America but you can keep all all of your

1317

01:15:42,310 --> 01:15:39,500

money oh poor me what a punishment right

1318

01:15:44,710 --> 01:15:42,320

right right thank you for that Chester

1319

01:15:48,670 --> 01:15:44,720

I'm gonna go find him and look that up

1320

01:15:50,140 --> 01:15:48,680

so he could be he could be alive walking

1321

01:15:53,590 --> 01:15:50,150

around somewhere of course

1322

01:15:55,990 --> 01:15:53,600

careful law careful water that's all

1323

01:15:58,060 --> 01:15:56,000

they say and nobody even brought it up

1324

01:16:01,840 --> 01:15:58,070

nobody should've worried about I wonder

1325

01:16:04,570 --> 01:16:01,850

if you bring up a really good point and

1326

01:16:07,090 --> 01:16:04,580

I don't even know if you realized that

1327

01:16:12,670 --> 01:16:07,100

you made this point I wonder how much it

1328

01:16:17,110 --> 01:16:12,680

would cost for you to pay off a funeral

1329

01:16:19,210 --> 01:16:17,120

home for a jar full of hashes and have

1330

01:16:21,610 --> 01:16:19,220

your name put on it and pay off the

1331

01:16:25,180 --> 01:16:21,620

coroner the body you know the suicide

1332

01:16:27,700 --> 01:16:25,190

wonder how much that would cost you know

1333

01:16:29,880 --> 01:16:27,710

why even pay them off why not just have

1334

01:16:33,820 --> 01:16:29,890

a bottle of ashes and says it came from

1335

01:16:35,800 --> 01:16:33,830

Joey Buttafuoco's funeral make the whole

1336

01:16:37,570 --> 01:16:35,810

thing well you got to give a death

1337

01:16:40,990 --> 01:16:37,580

certificate so how much does it cost for

1338

01:16:44,350 --> 01:16:41,000

a death certificate you know so I'm

1339

01:16:49,870 --> 01:16:44,360

thinking probably not that much right

1340

01:16:52,570 --> 01:16:49,880

printer that see that that was the thing

1341

01:16:54,360 --> 01:16:52,580

that got me with Texas Medical Examiner

1342

01:16:56,980 --> 01:16:54,370

said we never saw a body

1343

01:16:59,230 --> 01:16:56,990

we never saw anything there was no

1344

01:17:02,650 --> 01:16:59,240

validation that it was even him or even

1345

01:17:05,590 --> 01:17:02,660

if it was a body just mysteriously died

1346

01:17:08,890 --> 01:17:05,600

in Oklahoma they cremated the body

1347

01:17:11,410 --> 01:17:08,900

remember JFK jr. they actually flew a

1348

01:17:13,960 --> 01:17:11,420

portable Crematory out onto a Navy

1349

01:17:16,450 --> 01:17:13,970

destroyer to cremate the bodies before

1350

01:17:18,640 --> 01:17:16,460

they even came back to shore gee I

1351

01:17:20,919 --> 01:17:18,650

wonder why

1352

01:17:24,520 --> 01:17:20,929

you know they didn't want any autopsy on

1353

01:17:28,300 --> 01:17:24,530

him either you know to this day I still

1354

01:17:32,890 --> 01:17:28,310

think about Osama bin Laden right being

1355

01:17:34,990 --> 01:17:32,900

buried at sea and I'm here we have you

1356

01:17:39,520 --> 01:17:35,000

know a manhunt that went on for how many

1357

01:17:44,320 --> 01:17:39,530

years right and what for yeah yeah 2001

1358

01:17:47,950 --> 01:17:44,330

and they and 9/11 and when did they

1359

01:17:51,340 --> 01:17:47,960

finally catch him what it was what three

1360

01:17:56,350 --> 01:17:51,350

years ago four years ago

1361

01:17:58,750 --> 01:17:56,360

but to to have a burial at sea with like

1362

01:18:01,689 --> 01:17:58,760

the most notorious manhunt in history

1363

01:18:05,080 --> 01:18:01,699

and that's how it ends that's that

1364

01:18:07,479 --> 01:18:05,090

really that's how it ends I don't know I

1365

01:18:12,189 --> 01:18:07,489

don't I'm not saying he's alive but that

1366

01:18:14,740 --> 01:18:12,199

that was anticlimactic you know that was

1367

01:18:16,990 --> 01:18:14,750

that was a very weird decision right

1368

01:18:18,669 --> 01:18:17,000

there so there you go Chester thank you

1369

01:18:20,470 --> 01:18:18,679

so much for the phone call man you're

1370

01:18:22,390 --> 01:18:20,480

quite welcome good night sir there you

1371

01:18:28,120 --> 01:18:22,400

go that's a great phone call right there

1372

01:18:29,770 --> 01:18:28,130

Ken Lay really Ken Lay Enron all rights

1373

01:18:35,550 --> 01:18:29,780

go back to the phones hi you're live on

1374

01:18:39,370 --> 01:18:35,560

fade to black who's calling Jimmy yes

1375

01:18:42,790 --> 01:18:39,380

amen this is Mark from Dallas Mark from

1376

01:18:45,220 --> 01:18:42,800

Dallas how are you doing great man I

1377

01:18:47,110 --> 01:18:45,230

just wanted to let you know I feel a lot

1378

01:18:50,709 --> 01:18:47,120

of kinship with the show as I've been a

1379

01:18:53,649 --> 01:18:50,719

hired gun strapped player here in Dallas

1380

01:18:56,620 --> 01:18:53,659

that's uh was a long time ago anyway

1381

01:18:58,750 --> 01:18:56,630

been doing it for a long time and I

1382

01:19:01,660 --> 01:18:58,760

think that's what I think I love about

1383

01:19:03,990 --> 01:19:01,670

the show is that you're so music savvy

1384

01:19:07,149 --> 01:19:04,000

and come from such a similar background

1385

01:19:09,040 --> 01:19:07,159

and just one no I really appreciate that

1386

01:19:12,040 --> 01:19:09,050

plus when I heard that you worked for

1387

01:19:15,669 --> 01:19:12,050

alesis right on drugs dude i drugged

1388

01:19:17,919 --> 01:19:15,679

annalisa smiddy verb to through every

1389

01:19:20,020 --> 01:19:17,929

club in honky-tonk in dallas-fort worth

1390

01:19:25,510 --> 01:19:20,030

for about 15 years and I never could

1391

01:19:27,280 --> 01:19:25,520

break that thing the many but yeah the

1392

01:19:29,229 --> 01:19:27,290

original it's funny you bring that up

1393

01:19:31,560 --> 01:19:29,239

the original medieval one that was like

1394

01:19:33,570 --> 01:19:31,570

third rackspace right

1395

01:19:36,690 --> 01:19:33,580

so yeah that that thing sounded

1396

01:19:38,310 --> 01:19:36,700

incredible and the micro verb that's

1397

01:19:39,960 --> 01:19:38,320

what it was called and then they came

1398

01:19:46,350 --> 01:19:39,970

out with a MIDI verb too then the MIDI

1399

01:19:49,590 --> 01:19:46,360

verb for and those things I what flips

1400

01:19:53,700 --> 01:19:49,600

me out is there were so many of those

1401
01:19:56,610 --> 01:19:53,710
sold and they were in every studio every

1402
01:20:00,380 --> 01:19:56,620
guitar players rack in the country

1403
01:20:03,090 --> 01:20:00,390
period hands hands down right yeah

1404
01:20:07,760 --> 01:20:03,100
thousands and thousands were sold each

1405
01:20:13,590 --> 01:20:10,770
where are they now where are they now

1406
01:20:14,910 --> 01:20:13,600
you know guitar players don't have racks

1407
01:20:16,860 --> 01:20:14,920
behind them anymore there's no more

1408
01:20:20,520 --> 01:20:16,870
recording studios everybody's doing

1409
01:20:23,190 --> 01:20:20,530
everything in software you know so where

1410
01:20:26,490 --> 01:20:23,200
are they now

1411
01:20:32,240 --> 01:20:26,500
you remember you know what I'll top I'll

1412
01:20:38,790 --> 01:20:32,250
even top that if you can you ready the

1413
01:20:42,140 --> 01:20:38,800

SPX 90 yeah okay now if we stop and

1414

01:20:45,300 --> 01:20:42,150

think about that the Yamaha specs 90

1415

01:20:47,370 --> 01:20:45,310

again another reverb unit that was the

1416

01:20:50,640 --> 01:20:47,380

staple of everything either had the MIDI

1417

01:20:55,410 --> 01:20:50,650

verb MIDI verb 2 or 4 or an S px90 or

1418

01:20:58,710 --> 01:20:55,420

both and most people had two or three or

1419

01:21:01,680 --> 01:20:58,720

four some studios you would walk in and

1420

01:21:06,330 --> 01:21:01,690

they would have a rack of them and they

1421

01:21:09,900 --> 01:21:06,340

were everywhere where are they now where

1422

01:21:10,950 --> 01:21:09,910

are they where are they man that's a

1423

01:21:14,820 --> 01:21:10,960

great question

1424

01:21:16,260 --> 01:21:14,830

where are then I have no idea but one of

1425

01:21:17,790 --> 01:21:16,270

the things I wanted to do tonight I want

1426

01:21:20,100 --> 01:21:17,800

to do something completely different I

1427

01:21:24,060 --> 01:21:20,110

want to have a rock and roll lightning

1428

01:21:26,610 --> 01:21:24,070

round with you for it mm-hmm okay I've

1429

01:21:29,250 --> 01:21:26,620

got three guitarists and I'm gonna try

1430

01:21:30,120 --> 01:21:29,260

to get you to give me the answers of

1431

01:21:32,430 --> 01:21:30,130

these three guitars

1432

01:21:35,760 --> 01:21:32,440

okay now the tonight's category is

1433

01:21:36,480 --> 01:21:35,770

Canadian guitarists okay three of them

1434

01:21:38,700 --> 01:21:36,490

okay

1435

01:21:40,500 --> 01:21:38,710

all right here's a lightning round I'm

1436

01:21:41,880 --> 01:21:40,510

gonna give you I'm gonna read this and

1437

01:21:43,020 --> 01:21:41,890

then I want you to give me to get off

1438

01:21:44,750 --> 01:21:43,030

I'm gonna start off with something real

1439

01:21:48,140 --> 01:21:44,760

easy okay okay

1440

01:21:50,780 --> 01:21:48,150

number one this Montreal porn guitarist

1441

01:21:53,060 --> 01:21:50,790

was influenced heavily by Hendrix and

1442

01:21:55,700 --> 01:21:53,070

recognized by Guitar Player magazine is

1443

01:21:57,920 --> 01:21:55,710

a full spectrum guitar god alongside

1444

01:22:01,340 --> 01:21:57,930

others such as Jeff back in Eddie Van

1445

01:22:04,430 --> 01:22:01,350

Halen Dean Mark Farner clearly had the

1446

01:22:06,680 --> 01:22:04,440

best hair in seventies rock but no one

1447

01:22:08,660 --> 01:22:06,690

could figure out Jimmy what made his

1448

01:22:12,080 --> 01:22:08,670

mahogany rust so much

1449

01:22:15,950 --> 01:22:12,090

frankly know the great Frank Marino

1450

01:22:18,560 --> 01:22:15,960

that's right amazing guitarist Frank

1451

01:22:21,830 --> 01:22:18,570

Marino that that the album mahogany rush

1452

01:22:25,520 --> 01:22:21,840

live to this day is one of the great

1453

01:22:27,800 --> 01:22:25,530

albums in in music history do you think

1454

01:22:31,970 --> 01:22:27,810

he's underrated for some reason like he

1455

01:22:33,800 --> 01:22:31,980

never got the props hey you know there's

1456

01:22:35,990 --> 01:22:33,810

a few guys that were like that

1457

01:22:38,420 --> 01:22:36,000

especially from that era that never

1458

01:22:41,570 --> 01:22:38,430

quite broke through like less Dudek you

1459

01:22:45,770 --> 01:22:41,580

know why why wasn't Les Deux deck as

1460

01:22:47,990 --> 01:22:45,780

famous as as you know Billy Gibbons or

1461

01:22:49,640 --> 01:22:48,000

or you just brought it you know Hendrix

1462

01:22:52,640 --> 01:22:49,650

or whoever you know let's do that ghost

1463

01:22:54,890 --> 01:22:52,650

town parade holy crap what a great album

1464

01:22:58,490 --> 01:22:54,900

okay who's your number Dogg give me the

1465

01:23:00,650 --> 01:22:58,500

next one okay number two let's keep it

1466

01:23:02,360 --> 01:23:00,660

easy this Toronto born rocker could lay

1467

01:23:04,640 --> 01:23:02,370

down blues and rock with the best thing

1468

01:23:07,090 --> 01:23:04,650

he is known for his raw Johnny winter

1469

01:23:09,500 --> 01:23:07,100

like vocals and screaming guitar solos

1470

01:23:12,110 --> 01:23:09,510

like most of us he was influenced

1471

01:23:14,360 --> 01:23:12,120

heavily by Hendrix sometimes he would

1472

01:23:17,330 --> 01:23:14,370

get confused Jimmy and start snorting

1473

01:23:22,610 --> 01:23:17,340

whiskey and drinking cocaine okay now

1474

01:23:27,880 --> 01:23:22,620

now again this is this is we're almost

1475

01:23:33,950 --> 01:23:27,890

in the same statements or comments here

1476

01:23:35,570 --> 01:23:33,960

but this is what it his name escapes me

1477

01:23:37,190 --> 01:23:35,580

right now who you're you know snortin

1478

01:23:43,700 --> 01:23:37,200

whiskey drinking cocaine I saw him like

1479

01:23:46,610 --> 01:23:43,710

three times in concert yeah go ahead the

1480

01:23:51,220 --> 01:23:46,620

great Pat Travers okay so now Pat

1481

01:23:55,040 --> 01:23:51,230

Travers and his the band that he had

1482

01:23:58,970 --> 01:23:55,050

with what's-his-name on vocals after Pat

1483

01:24:04,820 --> 01:24:00,620

I can't remember the name of the band

1484

01:24:08,300 --> 01:24:04,830

the the trio but anyway Pat Travers was

1485

01:24:10,640 --> 01:24:08,310

another guy in that same era that nearly

1486

01:24:13,730 --> 01:24:10,650

broke now he was he was pretty big in

1487

01:24:17,180 --> 01:24:13,740

like Michigan Chicago you know in the

1488

01:24:20,750 --> 01:24:17,190

Northeast he did really good through

1489

01:24:24,020 --> 01:24:20,760

that that period but he never kicked it

1490

01:24:26,240 --> 01:24:24,030

to the next level you know yeah man and

1491

01:24:28,160 --> 01:24:26,250

he could man he had great vocals he

1492

01:24:29,090 --> 01:24:28,170

sounds just like Johnny Winter and he

1493

01:24:31,910 --> 01:24:29,100

was a good-looking guy

1494

01:24:34,970 --> 01:24:31,920

he was the full-back you know he was the

1495

01:24:36,980 --> 01:24:34,980

full package so yeah Pat Travers I'm

1496

01:24:38,960 --> 01:24:36,990

trying to think of that band that he had

1497

01:24:42,920 --> 01:24:38,970

right after that okay whose guitar

1498

01:24:46,010 --> 01:24:42,930

player number three number three the

1499

01:24:48,170 --> 01:24:46,020

this longtime loyal side man played lead

1500

01:24:49,190 --> 01:24:48,180

guitar for a well-known Canadian pop

1501

01:24:52,220 --> 01:24:49,200

rock star

1502

01:24:55,910 --> 01:24:52,230

this Stratocaster lead rides Jimmy would

1503

01:25:05,270 --> 01:24:55,920

cut like a knife name that guitars that

1504

01:25:08,450 --> 01:25:05,280

he played really a sideman don't don't

1505

01:25:10,370 --> 01:25:08,460

tell me it's Randy Bachman no okay so

1506

01:25:12,050 --> 01:25:10,380

this is a tough one so when I say cuts

1507

01:25:12,590 --> 01:25:12,060

like a knife that would that would be

1508

01:25:18,050 --> 01:25:12,600

Brian

1509

01:25:20,240 --> 01:25:18,060

whose guitar player was his this is one

1510

01:25:21,860 --> 01:25:20,250

of the most underrated cats that I know

1511

01:25:23,270 --> 01:25:21,870

because he's always one of my been one

1512

01:25:26,660 --> 01:25:23,280

of my favorite players he is the guy

1513

01:25:28,760 --> 01:25:26,670

that made made him rock from a brown

1514

01:25:31,130 --> 01:25:28,770

items rock is he got in Keith Scott

1515

01:25:33,500 --> 01:25:31,140

Keith Scott was with Bryan Adams for 20

1516

01:25:35,330 --> 01:25:33,510

years probably still is and he would

1517

01:25:38,180 --> 01:25:35,340

play a strat to a ts808

1518

01:25:40,040 --> 01:25:38,190

in Venice my exact same rig and I mean

1519

01:25:42,650 --> 01:25:40,050

the dude just sounded great it's rock

1520

01:25:44,300 --> 01:25:42,660

solid every night so I didn't think you

1521

01:25:45,860 --> 01:25:44,310

would get that one but most people need

1522

01:25:48,170 --> 01:25:45,870

to understand who Keith Scott is that

1523

01:25:50,030 --> 01:25:48,180

cat can play his rear off and he has

1524

01:25:51,980 --> 01:25:50,040

been great for many many years now you

1525

01:25:55,730 --> 01:25:51,990

didn't okay you didn't go with my

1526

01:25:59,390 --> 01:25:55,740

favorite my hidden gem my hidden gem is

1527

01:26:01,460 --> 01:25:59,400

Rick am it and oh yeah yeah Rick Hammond

1528

01:26:04,970 --> 01:26:01,470

now I'll tell you something funny I go

1529

01:26:07,790 --> 01:26:04,980

up I'm doing the the Canadian Music

1530

01:26:09,300 --> 01:26:07,800

Awards what do they call the Dove Awards

1531

01:26:12,030 --> 01:26:09,310

or in

1532

01:26:13,620 --> 01:26:12,040

Carano what's the Canadian Music Award

1533

01:26:20,190 --> 01:26:13,630

it doesn't matter so I'm there for that

1534

01:26:21,900 --> 01:26:20,200

and they're not yeah and and at at and

1535

01:26:23,970 --> 01:26:21,910

like at the Harbor Castle or something

1536

01:26:26,610 --> 01:26:23,980

at the convention center I could be

1537

01:26:28,380 --> 01:26:26,620

wrong Canada please don't don't get

1538

01:26:29,880 --> 01:26:28,390

angry but anyway there's this music

1539

01:26:32,460 --> 01:26:29,890

convention on the on the main floor and

1540

01:26:35,490 --> 01:26:32,470

I'm walking through and I see this I

1541

01:26:37,950 --> 01:26:35,500

hear this guy playing triumph songs on

1542

01:26:40,020 --> 01:26:37,960

acoustic guitar and I looked I said man

1543

01:26:45,410 --> 01:26:40,030

that guy it's pretty good and I look and

1544

01:26:48,630 --> 01:26:45,420

it's Rik Emmett and I'm just hanging out

1545

01:26:53,460 --> 01:26:48,640

you know and and I got to talk to him

1546

01:26:58,140 --> 01:26:53,470

and and and I was you know it's on the

1547

01:27:00,960 --> 01:26:58,150

convention floor you know oh man -

1548

01:27:04,590 --> 01:27:00,970

totally cool totally cool but he's one

1549

01:27:06,870 --> 01:27:04,600

of those guys man that to me was one of

1550

01:27:09,390 --> 01:27:06,880

the great great great players had the

1551

01:27:13,530 --> 01:27:09,400

look you know it had a little band

1552

01:27:14,940 --> 01:27:13,540

wow man triumph was just amazing so okay

1553

01:27:17,730 --> 01:27:14,950

yeah absolutely

1554

01:27:20,700 --> 01:27:17,740

well man mark thank you for this phone

1555

01:27:23,970 --> 01:27:20,710

call and and I you know where else can

1556

01:27:26,820 --> 01:27:23,980

you get heavy metal guitar Canadian

1557

01:27:30,450 --> 01:27:26,830

guitar heroes and UFOs all in the same

1558

01:27:33,780 --> 01:27:30,460

show next time we're going Germans or we

1559

01:27:34,830 --> 01:27:33,790

make those face players next time I'm

1560

01:27:36,870 --> 01:27:34,840

always good man

1561

01:27:39,540 --> 01:27:36,880

I'm always good anybody that wants to

1562

01:27:42,570 --> 01:27:39,550

talk Pat Travers on this show is always

1563

01:27:46,980 --> 01:27:42,580

welcome thank you so much mark great

1564

01:27:48,690 --> 01:27:46,990

phone call Thank You Pat Travers yeah he

1565

01:27:53,750 --> 01:27:48,700

didn't do Randy Bachman which would have

1566

01:27:56,670 --> 01:27:53,760

been too easy right so there you go but

1567

01:27:58,350 --> 01:27:56,680

yeah we should do Canadian singers too

1568

01:28:01,350 --> 01:27:58,360

as well we have you know the great

1569

01:28:03,210 --> 01:28:01,360

Burton Cummings so let's take a break

1570

01:28:04,440 --> 01:28:03,220

right here when I come back more of your

1571

01:28:07,440 --> 01:28:04,450

phone calls are next

1572

01:28:10,500 --> 01:28:07,450

if you're on hold stay right there I'll

1573

01:28:12,150 --> 01:28:10,510

get to everybody I promise this is fade

1574

01:28:13,140 --> 01:28:12,160

to black I'm your host Jimmy church it's

1575

01:28:15,390 --> 01:28:13,150

Thursday night

1576

01:28:17,220 --> 01:28:15,400

it is fate or night three two three

1577

01:28:20,020 --> 01:28:17,230

eight to five five zero four five or

1578

01:28:22,180 --> 01:28:20,030

three to three to seven five nine

1579

01:28:24,220 --> 01:28:22,190

six nine five I'll be right back stay

1580

01:28:34,050 --> 01:28:24,230

with me

1581

01:28:40,470 --> 01:28:37,260

way out here we listen to Jimmy Church

1582

01:28:42,790 --> 01:28:40,480

you're listening to fade to black

1583

01:28:44,050 --> 01:28:42,800

we saw the edge of the hottest

1584

01:28:47,380 --> 01:28:44,060

alternative talk

1585

01:29:06,540 --> 01:28:47,390

Jimmy church with fade to black stay GRA

1586

01:29:10,180 --> 01:29:06,550

radio.com hurricanes earthquakes

1587

01:29:12,640 --> 01:29:10,190

wildfires this year we've experienced

1588

01:29:14,950 --> 01:29:12,650

more than our fair share this is Jimmy

1589

01:29:17,140 --> 01:29:14,960

church a fade to black and last month I

1590

01:29:19,480 --> 01:29:17,150

decided to make sure my family does not

1591

01:29:22,170 --> 01:29:19,490

have to worry about food should we get

1592

01:29:25,090 --> 01:29:22,180

caught in a real emergency situation

1593

01:29:26,920 --> 01:29:25,100

introducing Humana a healthy storable

1594

01:29:28,840 --> 01:29:26,930

product that tastes so good that you'll

1595

01:29:31,390 --> 01:29:28,850

want to eat it every day instead of just

1596

01:29:33,430 --> 01:29:31,400

during those times of duress all new

1597

01:29:36,940 --> 01:29:33,440

manna products have a 25 year shelf life

1598

01:29:39,550 --> 01:29:36,950

our msg and GMO free no preservatives

1599

01:29:41,620 --> 01:29:39,560

and are made in America with the new

1600

01:29:43,300 --> 01:29:41,630

manna pack in your home you'll be able

1601
01:29:45,820 --> 01:29:43,310
to sleep at night knowing that you've

1602
01:29:49,030 --> 01:29:45,830
protected your family not only have I

1603
01:29:51,430 --> 01:29:49,040
tasted and tested I own it now you can

1604
01:29:53,560 --> 01:29:51,440
too just click on the new mana banner on

1605
01:29:56,020 --> 01:29:53,570
Jimmy Church radio.com and use the promo

1606
01:29:57,820 --> 01:29:56,030
code Jimmy when you order in addition to

1607
01:30:01,810 --> 01:29:57,830
a discount we'll send you an autographed

1608
01:30:02,320 --> 01:30:01,820
fade to black t-shirt seriously gobekli

1609
01:30:04,630 --> 01:30:02,330
tepe

1610
01:30:07,000 --> 01:30:04,640
do you worry a lot whether you're a

1611
01:30:09,070 --> 01:30:07,010
college student busy professional parent

1612
01:30:10,450 --> 01:30:09,080
or grandparent ongoing stress and

1613
01:30:13,090 --> 01:30:10,460

elevated levels of the stress hormone

1614

01:30:14,200 --> 01:30:13,100

cortisol can rob your memory your health

1615

01:30:16,390 --> 01:30:14,210

and your future

1616

01:30:18,430 --> 01:30:16,400

now you can combat the effects of stress

1617

01:30:20,380 --> 01:30:18,440

and anxiety while improving your memory

1618

01:30:22,480 --> 01:30:20,390

and recall at the same time with the

1619

01:30:24,250 --> 01:30:22,490

dietary supplement calm and clever

1620

01:30:26,380 --> 01:30:24,260

studies show that the ingredients in

1621

01:30:28,540 --> 01:30:26,390

common clever reduce cortisol by as much

1622

01:30:30,520 --> 01:30:28,550

as 30 percent in one to two weeks

1623

01:30:33,470 --> 01:30:30,530

call 1-800 seven five eight eight seven

1624

01:30:35,960 --> 01:30:33,480

four six or calm and clever calm

1625

01:30:44,690 --> 01:30:35,970

you listen to us and we listen to you

1626
01:30:46,940 --> 01:30:44,700
and so does the CIA kgr a radio.com hi

1627
01:30:49,040 --> 01:30:46,950
folks CBD is the home run hitter for

1628
01:30:50,479 --> 01:30:49,050
health right now why you ask because of

1629
01:30:53,330 --> 01:30:50,489
what it does for the body unfortunately

1630
01:30:55,220 --> 01:30:53,340
I can't tell you all about the benefit

1631
01:30:57,350 --> 01:30:55,230
you know there's reasons do your due

1632
01:30:58,130 --> 01:30:57,360
diligence and log on to ancient life oil

1633
01:31:02,540 --> 01:30:58,140
com

1634
01:31:04,640 --> 01:31:02,550
oil uses organic ingredients and is

1635
01:31:07,540 --> 01:31:04,650
blended in coconut oil for some of the

1636
01:31:10,340 --> 01:31:07,550
best benefits legal in 50 states and

1637
01:31:16,190 --> 01:31:10,350
non-psychoactive log on to ancient life

1638
01:31:18,020 --> 01:31:16,200

oil com that's angel wife oil calm you

1639

01:31:20,000 --> 01:31:18,030

are listening to fade to black with

1640

01:31:25,250 --> 01:31:20,010

Jimmy Church on the game change in

1641

01:31:28,220 --> 01:31:25,260

network hi I'm Lisa Vance your listings

1642

01:31:31,040 --> 01:31:28,230

Jimmy Church this is a revolution the

1643

01:31:38,490 --> 01:31:31,050

revolution will not be televised the

1644

01:31:38,500 --> 01:32:16,590

[Music]

1645

01:32:21,660 --> 01:32:18,850

welcome back fade to black I missed you

1646

01:32:25,330 --> 01:32:21,670

my church Thursday night fader lights

1647

01:32:28,870 --> 01:32:25,340

three to three to seven five nine six

1648

01:32:32,440 --> 01:32:28,880

nine five or three two three eight two

1649

01:32:34,540 --> 01:32:32,450

five five zero four five let's go back

1650

01:32:37,780 --> 01:32:34,550

to the phones hi your life I'm fade to

1651
01:32:38,530 --> 01:32:37,790
black who's calling this is Doug Lake in

1652
01:32:42,490 --> 01:32:38,540
the Ozarks

1653
01:32:44,500 --> 01:32:42,500
how are you Doug hey real good you I am

1654
01:32:48,430 --> 01:32:44,510
doing good you're live right now Doug

1655
01:32:50,560 --> 01:32:48,440
right now I'm kind of freaking out of it

1656
01:32:51,850 --> 01:32:50,570
never done this before and I've got a

1657
01:32:53,290 --> 01:32:51,860
story I was stationed at Whiteman Air

1658
01:32:56,740 --> 01:32:53,300
Force Base for about three years in

1659
01:32:59,050 --> 01:32:56,750
early 80s really okay yeah but before I

1660
01:33:00,880 --> 01:32:59,060
get started on that I it was what nasty

1661
01:33:03,490 --> 01:33:00,890
questions kind of a conspiracy night

1662
01:33:07,480 --> 01:33:03,500
right right why it's conspiracy light

1663
01:33:12,180 --> 01:33:07,490

here Doug Whiteman is the big it's

1664

01:33:15,820 --> 01:33:12,190

Kansas City right yes yeah used to be a

1665

01:33:19,000 --> 01:33:15,830

had 150 ICBM stations all over Missouri

1666

01:33:21,280 --> 01:33:19,010

and Kansas and Ryan pretty close oh and

1667

01:33:25,210 --> 01:33:21,290

I went on yeah I have driven by it and

1668

01:33:27,460 --> 01:33:25,220

that is a massive massive Air Force Base

1669

01:33:30,340 --> 01:33:27,470

but go ahead so you were stationed there

1670

01:33:31,750 --> 01:33:30,350

what happened well actually before I

1671

01:33:34,630 --> 01:33:31,760

tell you about that was going to ask you

1672

01:33:37,750 --> 01:33:34,640

a question about alessis oh ho ho come go

1673

01:33:39,580 --> 01:33:37,760

ahead he'd and the reason why is I'd

1674

01:33:43,150 --> 01:33:39,590

read a story a long time ago about the

1675

01:33:45,190 --> 01:33:43,160

guys from line 6 yes they were at least

1676

01:33:47,730 --> 01:33:45,200

as engineers you know those go yeah yeah

1677

01:33:50,110 --> 01:33:47,740

yeah yeah we all work together sure

1678

01:33:51,880 --> 01:33:50,120

ok cool we'll see that's I guess from

1679

01:33:54,580 --> 01:33:51,890

what I understand the name lying six

1680

01:33:56,740 --> 01:33:54,590

came from whenever were these guys

1681

01:33:59,080 --> 01:33:56,750

engineers whatnot were doing these

1682

01:34:00,910 --> 01:33:59,090

covert designs and so forth I guess the

1683

01:34:03,310 --> 01:34:00,920

lady that answered the phone for him

1684

01:34:05,110 --> 01:34:03,320

would say yeah you know so-and-so on

1685

01:34:08,020 --> 01:34:05,120

line six and then they would know that

1686

01:34:10,060 --> 01:34:08,030

it was this secret thing that they were

1687

01:34:10,930 --> 01:34:10,070

doing behind the leaf snow back was it

1688

01:34:16,090 --> 01:34:10,940

dirty truth to that

1689

01:34:18,050 --> 01:34:16,100

yeah well could be but let me let me say

1690

01:34:20,600 --> 01:34:18,060

this

1691

01:34:26,060 --> 01:34:20,610

the group of engineers that you're

1692

01:34:33,580 --> 01:34:26,070

talking about back then alesi and and

1693

01:34:38,750 --> 01:34:33,590

I'm going back to around 1994-95 and

1694

01:34:40,610 --> 01:34:38,760

when they were talking about what line

1695

01:34:42,620 --> 01:34:40,620

six was about and what they were

1696

01:34:44,360 --> 01:34:42,630

planning on doing which was modeling

1697

01:34:51,530 --> 01:34:44,370

amplifiers and they were gonna build

1698

01:34:54,650 --> 01:34:51,540

these things it was I I don't think I

1699

01:34:56,780 --> 01:34:54,660

don't think alesi was interested in

1700

01:34:58,120 --> 01:34:56,790

that right and so they were like what

1701

01:35:02,390 --> 01:34:58,130

you know what you know

1702

01:35:05,420 --> 01:35:02,400

go ahead kind of thing so down down the

1703

01:35:08,420 --> 01:35:05,430

street from Lisa's they started they had

1704

01:35:12,920 --> 01:35:08,430

a little office and a friend of mine

1705

01:35:16,010 --> 01:35:12,930

Jeff that worked worked alongside me I

1706

01:35:18,050 --> 01:35:16,020

don't want to name names or do that kind

1707

01:35:19,790 --> 01:35:18,060

of thing but anyway he would go over

1708

01:35:22,160 --> 01:35:19,800

there after hours and on the weekends

1709

01:35:23,870 --> 01:35:22,170

and would work on his modeling and he

1710

01:35:25,940 --> 01:35:23,880

would come back and tell me what

1711

01:35:28,010 --> 01:35:25,950

modeling was I was like man I just

1712

01:35:30,830 --> 01:35:28,020

couldn't wrap my head around it you know

1713

01:35:33,290 --> 01:35:30,840

I just why not just get a real Marshall

1714

01:35:40,070 --> 01:35:33,300

you know or whatever but

1715

01:35:42,920 --> 01:35:40,080

and so but line six took off you know

1716

01:35:46,250 --> 01:35:42,930

and it was an incredible thing to

1717

01:35:47,630 --> 01:35:46,260

witness and Marcus the the main guy that

1718

01:35:50,990 --> 01:35:47,640

you're talking about his name was Marcus

1719

01:35:53,660 --> 01:35:51,000

wife and Marcus was one of the coolest

1720

01:35:56,300 --> 01:35:53,670

guys and I you know hanging out with him

1721

01:35:59,780 --> 01:35:56,310

and and picking his brain and talking

1722

01:36:02,900 --> 01:35:59,790

about this technology and how but it

1723

01:36:06,410 --> 01:36:02,910

takes I didn't understand it but it

1724

01:36:08,960 --> 01:36:06,420

takes that kind of vision to go and take

1725

01:36:10,820 --> 01:36:08,970

things to the next level and and see

1726

01:36:12,770 --> 01:36:10,830

what the future and and now look what

1727

01:36:19,190 --> 01:36:12,780

modeling is today right it's it's

1728

01:36:20,930 --> 01:36:19,200

everywhere but but yes it's all true

1729

01:36:24,290 --> 01:36:20,940

it pretty much I don't know about the

1730

01:36:26,000 --> 01:36:24,300

line6 Park but the name of the company

1731

01:36:29,630 --> 01:36:26,010

but that sounds good

1732

01:36:30,979 --> 01:36:29,640

but yeah it's altered that line6 was

1733

01:36:34,400 --> 01:36:30,989

kind of like a little

1734

01:36:36,590 --> 01:36:34,410

offshoot of alesi and Markus Ryland and

1735

01:36:38,540 --> 01:36:36,600

some other really talented engineers

1736

01:36:41,090 --> 01:36:38,550

went over and and and started that

1737

01:36:43,790 --> 01:36:41,100

company and and there you go Markus was

1738

01:36:46,010 --> 01:36:43,800

one of the original guys over at Elise's

1739

01:36:47,630 --> 01:36:46,020

when it started and and there he go and

1740

01:36:50,180 --> 01:36:47,640

I was right in the middle of it and it

1741

01:36:52,370 --> 01:36:50,190

was fascinating for me too

1742

01:36:55,459 --> 01:36:52,380

those were just exciting times you know

1743

01:36:57,140 --> 01:36:55,469

going from analog to digital and then of

1744

01:36:58,610 --> 01:36:57,150

course we know what happened from there

1745

01:37:01,280 --> 01:36:58,620

and yeah absolutely

1746

01:37:04,250 --> 01:37:01,290

okay so are you kidding me what's on

1747

01:37:05,420 --> 01:37:04,260

your mind oh well as I was saying

1748

01:37:07,400 --> 01:37:05,430

earlier I was stationed at Whiteman Air

1749

01:37:11,300 --> 01:37:07,410

Force Base for about a little over three

1750

01:37:13,459 --> 01:37:11,310

years and anyway there I was listening

1751

01:37:16,880 --> 01:37:13,469

to an interview I think it was with

1752

01:37:19,250 --> 01:37:16,890

Linda Howe back in 2010 and this guy

1753

01:37:22,040 --> 01:37:19,260

that said he was a security guard at

1754

01:37:26,209 --> 01:37:22,050

Whiteman come on and told a story about

1755

01:37:28,640 --> 01:37:26,219

this disc-shaped craft was coming over

1756

01:37:31,010 --> 01:37:28,650

the up bunkers where they stored the

1757

01:37:35,420 --> 01:37:31,020

weapons will say they call it the cold

1758

01:37:38,150 --> 01:37:35,430

reentry vehicles and I used to calibrate

1759

01:37:40,729 --> 01:37:38,160

test equipment different parts I worked

1760

01:37:43,130 --> 01:37:40,739

in electronics laboratory and we used to

1761

01:37:44,690 --> 01:37:43,140

go out to this bunker area once or twice

1762

01:37:47,990 --> 01:37:44,700

a year we would calibrate a thing called

1763

01:37:49,820 --> 01:37:48,000

a dummy load and the first time I went

1764

01:37:51,290 --> 01:37:49,830

out there by a shop chief told me says

1765

01:37:53,900 --> 01:37:51,300

whatever you do don't talk to those guys

1766

01:37:56,810 --> 01:37:53,910

out there and so it's like well why not

1767

01:37:59,540 --> 01:37:56,820

he said because they're weird and so

1768

01:38:00,860 --> 01:37:59,550

anyway we packed up rode out there and

1769

01:38:02,330 --> 01:38:00,870

the first thing I noticed of course they

1770

01:38:03,860 --> 01:38:02,340

let us in where the equipment was and

1771

01:38:05,990 --> 01:38:03,870

whatnot we hooked up all of our testify

1772

01:38:08,090 --> 01:38:06,000

things started working and I know this

1773

01:38:11,300 --> 01:38:08,100

is I was looking out these guys were

1774

01:38:12,860 --> 01:38:11,310

standing around with m16s like locked

1775

01:38:14,810 --> 01:38:12,870

and loaded it was weird

1776

01:38:17,479 --> 01:38:14,820

and they would do nothing but stare up

1777

01:38:21,170 --> 01:38:17,489

at the sky they were like looking at the

1778

01:38:22,850 --> 01:38:21,180

sky the whole time I was there and I

1779

01:38:24,410 --> 01:38:22,860

remember thinking man I shop cheap you

1780

01:38:26,479 --> 01:38:24,420

know this guy was right these guys are

1781

01:38:29,720 --> 01:38:26,489

kind of weird I was totally oblivious

1782

01:38:34,280 --> 01:38:29,730

had no idea hadn't heard seeing anything

1783

01:38:35,510 --> 01:38:34,290

the entire time I was there but but you

1784

01:38:38,900 --> 01:38:35,520

know I guess after I heard this guy

1785

01:38:40,880 --> 01:38:38,910

telling this story about these uh just

1786

01:38:43,790 --> 01:38:40,890

craft coming down and making a grid

1787

01:38:44,900 --> 01:38:43,800

pattern on top of these bunkers and and

1788

01:38:47,060 --> 01:38:44,910

when he stuck it Hey

1789

01:38:49,490 --> 01:38:47,070

the thing stop doing whatever it was

1790

01:38:51,470 --> 01:38:49,500

doing the kind of you know sort of it

1791

01:38:53,800 --> 01:38:51,480

was an aha moment for me I was like oh

1792

01:38:56,390 --> 01:38:53,810

man I bet you anything that those guys

1793

01:38:59,810 --> 01:38:56,400

that were some of the ones that had saw

1794

01:39:00,950 --> 01:38:59,820

this thing that's happened right and so

1795

01:39:01,940 --> 01:39:00,960

I'm just kind of curious you know I

1796

01:39:03,350 --> 01:39:01,950

don't know if we could send like a

1797

01:39:04,610 --> 01:39:03,360

shout-out to anybody else that might

1798

01:39:06,830 --> 01:39:04,620

have been a Whiteman during that time

1799

01:39:11,240 --> 01:39:06,840

and yeah y-yeah so you're saying

1800

01:39:15,050 --> 01:39:11,250

Whiteman 2010 well that's when this guy

1801
01:39:17,960 --> 01:39:15,060
had called in and was talking describing

1802
01:39:20,030 --> 01:39:17,970
it or telling a story to Linda yeah okay

1803
01:39:25,010 --> 01:39:20,040
well you know that's the beauty of

1804
01:39:28,160 --> 01:39:25,020
having a big audience because inevitably

1805
01:39:31,550 --> 01:39:28,170
I will get a I'll get an email tomorrow

1806
01:39:34,400 --> 01:39:31,560
yeah man I was at Whiteman I saw it you

1807
01:39:37,040 --> 01:39:34,410
know so I'll get it all right so thank

1808
01:39:39,860 --> 01:39:37,050
you so much and and I'll let everybody

1809
01:39:43,700 --> 01:39:39,870
know on Monday after this and now it's

1810
01:39:45,770 --> 01:39:43,710
officially leaked out yeah yeah okay

1811
01:39:47,300 --> 01:39:45,780
cool yeah well in 95 just to go back the

1812
01:39:49,940 --> 01:39:47,310
other thing I bought a spider to

1813
01:39:52,340 --> 01:39:49,950

amplifier back in 1995 when they first

1814

01:39:55,100 --> 01:39:52,350

came out with it and I've still got it

1815

01:39:58,910 --> 01:39:55,110

it still works fantastic yeah I've got a

1816

01:40:03,260 --> 01:39:58,920

Fender sent me one of the I've got it

1817

01:40:06,260 --> 01:40:03,270

behind me the Mustang to modeling

1818

01:40:08,470 --> 01:40:06,270

amplifier and you know I've used a lot

1819

01:40:13,520 --> 01:40:08,480

of modeling over the years I had a pod

1820

01:40:17,230 --> 01:40:13,530

one of the line six so I never got a

1821

01:40:20,360 --> 01:40:17,240

spider and I almost got I was gonna call

1822

01:40:22,160 --> 01:40:20,370

call up line six and and talk to my

1823

01:40:24,710 --> 01:40:22,170

friends out there and have them you know

1824

01:40:27,080 --> 01:40:24,720

send me over something but I got that

1825

01:40:29,630 --> 01:40:27,090

fender yeah I got the fender and and the

1826

01:40:33,500 --> 01:40:29,640

fenders cool modeling is is where it's

1827

01:40:37,460 --> 01:40:33,510

at there's nothing wrong with a 50 or

1828

01:40:40,400 --> 01:40:37,470

100 watt or 45 watt you know Marshall on

1829

01:40:41,990 --> 01:40:40,410

ten but you need a big place for that

1830

01:40:46,510 --> 01:40:42,000

you know there's nothing wrong with that

1831

01:40:49,160 --> 01:40:46,520

class-a sound but it's modeling amps man

1832

01:40:51,500 --> 01:40:49,170

really cool all right man thank you so

1833

01:40:53,690 --> 01:40:51,510

much for the phone call okay thank you

1834

01:40:55,700 --> 01:40:53,700

I'll talk again you got it Whiteman Air

1835

01:40:59,170 --> 01:40:55,710

Force Base if you were there and

1836

01:41:04,850 --> 01:40:59,180

you remember anything about a

1837

01:41:08,270 --> 01:41:04,860

disc-shaped craft over the ammo bunkers

1838

01:41:10,459 --> 01:41:08,280

there let me know I would like to I

1839

01:41:14,510 --> 01:41:10,469

would like to find out I still have a

1840

01:41:19,760 --> 01:41:14,520

Tom Schultz Rahman man now that's going

1841

01:41:21,500 --> 01:41:19,770

back half of this audience has no I you

1842

01:41:22,790 --> 01:41:21,510

know what I wouldn't say that I think

1843

01:41:25,370 --> 01:41:22,800

that there are a lot of guitar players

1844

01:41:28,070 --> 01:41:25,380

in this audience and they still have a

1845

01:41:30,110 --> 01:41:28,080

Tom Schultz rock man those original ones

1846

01:41:31,340 --> 01:41:30,120

were cool let's go back to the phones hi

1847

01:41:36,830 --> 01:41:31,350

your life I'm fade to black who's

1848

01:41:44,030 --> 01:41:36,840

calling I mean the phone hi Janine how

1849

01:41:54,410 --> 01:41:44,040

are you how you feeling I'm doing good I

1850

01:42:05,320 --> 01:41:54,420

know yeah did you see we posted out

1851
01:42:16,070 --> 01:42:09,500
donated some money to help them build

1852
01:42:18,800 --> 01:42:16,080
yeah just so just so you know I'm just

1853
01:42:20,660 --> 01:42:18,810
glad that you're feeling better you know

1854
01:42:27,200 --> 01:42:20,670
when I got your email I was like holy

1855
01:42:30,620 --> 01:42:27,210
crap you know but of course it's a rare

1856
01:42:33,260 --> 01:42:30,630
one you know I guess I get the rare

1857
01:42:36,680 --> 01:42:33,270
stuff it's just a doctor scratched their

1858
01:42:37,190 --> 01:42:36,690
heads about well you got to keep them on

1859
01:42:40,940 --> 01:42:37,200
their toes

1860
01:42:43,820 --> 01:42:40,950
Janine but how are you feeling I'm doing

1861
01:42:46,880 --> 01:42:43,830
well my my eyesight's still giving me a

1862
01:42:49,370 --> 01:42:46,890
little bit of trouble detail work is

1863
01:42:54,200 --> 01:42:49,380

still a little difficult down near the

1864

01:42:58,400 --> 01:42:54,210

bottom of my visual field and my right

1865

01:43:01,820 --> 01:42:58,410

leg kind of feels funny you know it kind

1866

01:43:04,880 --> 01:43:01,830

of hangs funny it just it's it's hard to

1867

01:43:08,270 --> 01:43:04,890

describe it it's not it's not so much

1868

01:43:09,350 --> 01:43:08,280

through this week but it just kind of

1869

01:43:13,370 --> 01:43:09,360

flops

1870

01:43:23,150 --> 01:43:13,380

well it's gonna get better though it

1871

01:43:25,370 --> 01:43:23,160

will exactly and I will probably be

1872

01:43:28,160 --> 01:43:25,380

feeling even better than I was feeling

1873

01:43:30,950 --> 01:43:28,170

before the stroke that's that's all that

1874

01:43:32,990 --> 01:43:30,960

matters to me that's all that matters we

1875

01:43:35,150 --> 01:43:33,000

had a pretty amazing week on the show I

1876
01:43:45,890 --> 01:43:35,160
noticed that you were hanging out what

1877
01:43:51,020 --> 01:43:45,900
did you think about this he's just such

1878
01:43:53,150 --> 01:43:51,030
a treasure trove of knowledge for me

1879
01:43:58,640 --> 01:43:53,160
there's nothing like just sitting here

1880
01:44:09,350 --> 01:43:58,650
and taking notes it's what I do I'm not

1881
01:44:11,770 --> 01:44:09,360
kidding I take notes Jimmy just get

1882
01:44:14,660 --> 01:44:11,780
better for us okay you know you've got

1883
01:44:17,480 --> 01:44:14,670
you've got all the power of The Fader

1884
01:44:19,880 --> 01:44:17,490
knots behind you and and you know when

1885
01:44:35,470 --> 01:44:19,890
they send out those positive vibes you

1886
01:44:38,330 --> 01:44:35,480
feel it the best family in the world

1887
01:44:40,490 --> 01:44:38,340
yeah I was listening to you guys last

1888
01:44:43,970 --> 01:44:40,500

week when I was in the hospital but I

1889

01:44:46,730 --> 01:44:43,980

couldn't I couldn't see my phone well

1890

01:44:49,280 --> 01:44:46,740

enough to text in so that's why you

1891

01:44:52,070 --> 01:44:49,290

didn't hear from me last week you should

1892

01:44:54,740 --> 01:44:52,080

have any should have turned all of the

1893

01:44:58,670 --> 01:44:54,750

the nursing staff on the floor on the

1894

01:45:00,530 --> 01:44:58,680

fade to black did anybody help you they

1895

01:45:03,140 --> 01:45:00,540

were listening as they came in and out

1896

01:45:04,790 --> 01:45:03,150

of my room I was the only one in my head

1897

01:45:06,530 --> 01:45:04,800

and I had my own room

1898

01:45:08,480 --> 01:45:06,540

you should have found why didn't you

1899

01:45:11,480 --> 01:45:08,490

call in you could have had one of the

1900

01:45:15,050 --> 01:45:11,490

nurses tell them I didn't even think

1901

01:45:17,120 --> 01:45:15,060

about that that calling in I was just

1902

01:45:21,260 --> 01:45:17,130

thinking about texting and I said I

1903

01:45:22,790 --> 01:45:21,270

can't I couldn't do that I didn't even

1904

01:45:26,540 --> 01:45:22,800

think about calling

1905

01:45:30,050 --> 01:45:26,550

oh that is that is too cool well thank

1906

01:45:31,790 --> 01:45:30,060

you just thank you for for everything

1907

01:45:33,350 --> 01:45:31,800

and I'm just glad that you're feeling

1908

01:45:38,180 --> 01:45:33,360

better I'm watching Twitter right now

1909

01:45:41,060 --> 01:45:38,190

light up everybody is so happy oh I'm

1910

01:45:43,970 --> 01:45:41,070

not in front of my in front of my iPad

1911

01:45:46,400 --> 01:45:43,980

where the Twitter is open tonight so I'm

1912

01:45:49,310 --> 01:45:46,410

kind of moving around a little bit I

1913

01:45:54,610 --> 01:45:49,320

just try to keep keep getting exercise

1914

01:45:57,710 --> 01:45:54,620

but I get a balance you know they're you

1915

01:45:59,750 --> 01:45:57,720

mean everybody is saying right here

1916

01:46:03,080 --> 01:45:59,760

positive vibes coming your way I'm gonna

1917

01:46:04,700 --> 01:46:03,090

retweet it right now okay oh thank you

1918

01:46:08,810 --> 01:46:04,710

and I'll see it when I get in there in

1919

01:46:13,460 --> 01:46:08,820

just a minute trying to make some tea

1920

01:46:23,410 --> 01:46:13,470

Thank You Janine thank you gotta get

1921

01:46:26,420 --> 01:46:23,420

started back on my life change key wait

1922

01:46:30,470 --> 01:46:26,430

Madame you are special thank you so much

1923

01:46:33,770 --> 01:46:30,480

never change okay okay well thank you

1924

01:46:38,170 --> 01:46:33,780

thank you Jimmy I appreciate you and the

1925

01:46:42,980 --> 01:46:38,180

way you treat everybody so special

1926

01:46:44,030 --> 01:46:42,990

positive vibes positive vibes thank you

1927

01:46:50,030 --> 01:46:44,040

very very much

1928

01:46:52,070 --> 01:46:50,040

Thank You Jimmy everyone else everyone

1929

01:46:54,110 --> 01:46:52,080

thank you so much we're all thinking

1930

01:46:56,210 --> 01:46:54,120

about you Janine and we'll see you on

1931

01:46:56,840 --> 01:46:56,220

Monday you have a great special weekend

1932

01:46:59,840 --> 01:46:56,850

okay

1933

01:47:04,730 --> 01:46:59,850

you guys do you enjoy your time off

1934

01:47:07,400 --> 01:47:04,740

Thank You Janine okay bye bye Janine out

1935

01:47:08,990 --> 01:47:07,410

of the hospital hanging out with us it

1936

01:47:12,200 --> 01:47:09,000

doesn't get any better than that

1937

01:47:13,730 --> 01:47:12,210

it's the best family best family in the

1938

01:47:17,660 --> 01:47:13,740

world hi you're live on fade to black

1939

01:47:20,840 --> 01:47:17,670

who's calling Dan from Sacramento hi Deb

1940

01:47:22,010 --> 01:47:20,850

from Sacramento how are you doing good

1941

01:47:24,350 --> 01:47:22,020

Jimmy

1942

01:47:26,390 --> 01:47:24,360

hey Janine how's her life changed she

1943

01:47:28,640 --> 01:47:26,400

and I have a new addiction now too I

1944

01:47:30,320 --> 01:47:28,650

hate to admit it it's called Rivermen

1945

01:47:33,740 --> 01:47:30,330

coffee I know right

1946

01:47:35,870 --> 01:47:33,750

oh I mean in the morning if there's some

1947

01:47:36,750 --> 01:47:35,880

left I don't know ever think it doesn't

1948

01:47:39,030 --> 01:47:36,760

afresh

1949

01:47:40,530 --> 01:47:39,040

so when I come home I have it with

1950

01:47:42,530 --> 01:47:40,540

dinner I don't want to waste a drop of

1951

01:47:46,379 --> 01:47:42,540

it it is the best coffee and I'm not

1952

01:47:49,020 --> 01:47:46,389

plants I swear favor dots no it's so

1953

01:47:51,839 --> 01:47:49,030

good it's so good it's amazing you see

1954

01:47:59,189 --> 01:47:51,849

you know this is this is this is the

1955

01:48:03,000 --> 01:47:59,199

truth the coffee backs up my hype it

1956

01:48:06,209 --> 01:48:03,010

backs up my BS I'm telling everybody how

1957

01:48:08,339 --> 01:48:06,219

great it you know and and when I like

1958

01:48:10,410 --> 01:48:08,349

right now right on the cameras right now

1959

01:48:17,540 --> 01:48:10,420

right I'm taking a sip and then I make

1960

01:48:21,000 --> 01:48:17,550

that face this one mmm it's a real face

1961

01:48:22,709 --> 01:48:21,010

that's a real face that's a real face in

1962

01:48:30,299 --> 01:48:22,719

fact it was so good I'm gonna do it

1963

01:48:33,299 --> 01:48:30,309

again so good it's just amazing it's

1964

01:48:35,520 --> 01:48:33,309

amazing amazing coffee yeah well that's

1965

01:48:39,299 --> 01:48:35,530

my new addiction I want to touch on the

1966

01:48:43,799 --> 01:48:39,309

topic of the opioids real quick okay so

1967

01:48:47,430 --> 01:48:43,809

you want to go from coffee addiction to

1968

01:48:48,569 --> 01:48:47,440

opioids yeah addiction yeah okay all

1969

01:48:53,069 --> 01:48:48,579

right well they're connected

1970

01:48:54,299 --> 01:48:53,079

everything's connected right nothing

1971

01:48:58,379 --> 01:48:54,309

wrong with coffee it's good for you

1972

01:49:02,640 --> 01:48:58,389

anyway opioids thinking about you know

1973

01:49:05,359 --> 01:49:02,650

hearing John's thing about it and one of

1974

01:49:07,830 --> 01:49:05,369

the biggest abusers I'm afraid to say is

1975

01:49:09,479 --> 01:49:07,840

doctors and private practice and I know

1976

01:49:12,000 --> 01:49:09,489

that because I've worked for a couple of

1977

01:49:16,319 --> 01:49:12,010

them I got two quick examples to give

1978

01:49:19,439 --> 01:49:16,329

you one doctor was a neurosurgeon he

1979

01:49:22,049 --> 01:49:19,449

didn't take him himself he liked to have

1980

01:49:24,390 --> 01:49:22,059

manhattan's though before surgeries in

1981

01:49:26,280 --> 01:49:24,400

the afternoon to calm his nerves but he

1982

01:49:28,350 --> 01:49:26,290

was very liberal in doling them out to

1983

01:49:30,479 --> 01:49:28,360

his patients even if they had gone

1984

01:49:31,919 --> 01:49:30,489

through their prescriptions I'd say hey

1985

01:49:33,569 --> 01:49:31,929

they've already read write out their

1986

01:49:35,100 --> 01:49:33,579

prescription or we'd give him the

1987

01:49:36,810 --> 01:49:35,110

message he goes yeah write it out call

1988

01:49:39,299 --> 01:49:36,820

it in I go well they just had one

1989

01:49:41,010 --> 01:49:39,309

already in pain yeah go call it in and

1990

01:49:43,140 --> 01:49:41,020

he'd give it to him anyway doled it out

1991

01:49:46,410 --> 01:49:43,150

like candy and then the other one was a

1992

01:49:48,899 --> 01:49:46,420

heart surgeon cardiovascular surgeon he

1993

01:49:50,520 --> 01:49:48,909

took them he was always amped up on him

1994

01:49:52,950 --> 01:49:50,530

and

1995

01:49:54,930 --> 01:49:52,960

I'll never forget one afternoon we're in

1996

01:49:57,450 --> 01:49:54,940

the office I get a call he's in surgery

1997

01:49:59,790 --> 01:49:57,460

don't see what hospital or their names

1998

01:50:01,860 --> 01:49:59,800

or anything but he's got the patient

1999

01:50:03,750 --> 01:50:01,870

under they've been under for 15 minutes

2000

01:50:05,459 --> 01:50:03,760

it's about through heart surgery he

2001
01:50:07,740 --> 01:50:05,469
doesn't have their films it doesn't have

2002
01:50:10,800 --> 01:50:07,750
their x-rays I have to grab the x-rays

2003
01:50:12,660 --> 01:50:10,810
run over the hospital run him into the

2004
01:50:14,340 --> 01:50:12,670
emergency return of the emergency the

2005
01:50:15,720 --> 01:50:14,350
surgery room you know I mean I couldn't

2006
01:50:18,030 --> 01:50:15,730
go in there because I was a gown but I

2007
01:50:20,340 --> 01:50:18,040
candid them off and I'm watching through

2008
01:50:22,350 --> 01:50:20,350
the window and I mean here's the patient

2009
01:50:24,810 --> 01:50:22,360
he's been out for 15 minutes and he's

2010
01:50:28,100 --> 01:50:24,820
he's so amped up on drugs he forgot

2011
01:50:31,550 --> 01:50:28,110
their x-rays so doctors are

2012
01:50:37,620 --> 01:50:31,560
unfortunately big abusers of opioids

2013
01:50:40,800 --> 01:50:37,630

truck loads convoys you know I I don't

2014

01:50:43,530 --> 01:50:40,810

know I've looked at the numbers and when

2015

01:50:46,020 --> 01:50:43,540

you look at the numbers and the price

2016

01:50:49,649 --> 01:50:46,030

per pill and you start to break things

2017

01:50:54,720 --> 01:50:49,659

down and you look the manufacturing of

2018

01:50:59,550 --> 01:50:54,730

it I wasn't joking when I said to John

2019

01:51:01,979 --> 01:50:59,560

that the numbers dictate of manufacture

2020

01:51:04,410 --> 01:51:01,989

of this that every man woman and child

2021

01:51:06,959 --> 01:51:04,420

in the United States and was just in a

2022

01:51:10,020 --> 01:51:06,969

car accident and broke every bone in

2023

01:51:13,770 --> 01:51:10,030

their body that mean that's that's

2024

01:51:15,360 --> 01:51:13,780

that's what's really going on and we

2025

01:51:20,100 --> 01:51:15,370

know that that's not true

2026

01:51:22,890 --> 01:51:20,110

so if that's not true then why and where

2027

01:51:25,410 --> 01:51:22,900

you know why is the manufacturing being

2028

01:51:28,200 --> 01:51:25,420

done and where are they going to but

2029

01:51:32,899 --> 01:51:28,210

nobody cares you know it's a morning

2030

01:51:35,850 --> 01:51:32,909

thing to care it's you know I I don't

2031

01:51:39,300 --> 01:51:35,860

really you know I would think that I

2032

01:51:44,820 --> 01:51:39,310

guess Congress in the Senate you know

2033

01:51:46,620 --> 01:51:44,830

they they don't want their I should say

2034

01:51:53,189 --> 01:51:46,630

that like coffee but they don't want to

2035

01:51:55,169 --> 01:51:53,199

be they don't want to be cut off the

2036

01:51:56,939 --> 01:51:55,179

abuse has been going on for over 50

2037

01:51:58,250 --> 01:51:56,949

years easily too because I remember

2038

01:52:00,360 --> 01:51:58,260

being eight years old and my grandmother

2039

01:52:02,939 --> 01:52:00,370

unfortunately had a drinking problem and

2040

01:52:04,109 --> 01:52:02,949

she was getting medication from her

2041

01:52:06,330 --> 01:52:04,119

doctor back then

2042

01:52:08,040 --> 01:52:06,340

and he was doling out the pills too and

2043

01:52:10,320 --> 01:52:08,050

one night she decided after having too

2044

01:52:11,820 --> 01:52:10,330

many drinks would be a good idea to take

2045

01:52:12,990 --> 01:52:11,830

a bunch of pills and go to sleep and

2046

01:52:15,180 --> 01:52:13,000

that's just what she did

2047

01:52:19,800 --> 01:52:15,190

so this abuse has been going on for

2048

01:52:21,950 --> 01:52:19,810

decades you think about and it's really

2049

01:52:26,100 --> 01:52:21,960

funny when you go back and look at

2050

01:52:28,530 --> 01:52:26,110

movies from the 50s and in the 60s and

2051
01:52:30,510 --> 01:52:28,540
you look at that and the housewives were

2052
01:52:33,209 --> 01:52:30,520
you know popping pills to do housework

2053
01:52:35,280 --> 01:52:33,219
all day right and and and you know this

2054
01:52:37,560 --> 01:52:35,290
was the the image that they were

2055
01:52:39,839 --> 01:52:37,570
projecting be the purpur ducked of mom

2056
01:52:42,089 --> 01:52:39,849
right and go and do all these things all

2057
01:52:44,790 --> 01:52:42,099
day but yet you need to get your sleep

2058
01:52:46,560 --> 01:52:44,800
at night so you're taking your sleeping

2059
01:52:50,580 --> 01:52:46,570
pills and you're waking up in the

2060
01:52:54,359 --> 01:52:50,590
morning and it was like this they they

2061
01:52:56,700 --> 01:52:54,369
laid the groundwork right for this type

2062
01:53:00,000 --> 01:52:56,710
of addiction and it's it's really really

2063
01:53:02,520 --> 01:53:00,010

crazy but back then it was it was like

2064

01:53:07,439 --> 01:53:02,530

considered normal like these were magic

2065

01:53:09,330 --> 01:53:07,449

drugs these were magic times and I just

2066

01:53:11,700 --> 01:53:09,340

think back you know and look back and

2067

01:53:15,300 --> 01:53:11,710

that's kind of the image that they were

2068

01:53:17,250 --> 01:53:15,310

projecting out there mm-hmm

2069

01:53:19,729 --> 01:53:17,260

well Richard carpenters mother got him

2070

01:53:23,609 --> 01:53:19,739

started that's right that's right yeah

2071

01:53:25,109 --> 01:53:23,619

yep you know so anyway I gotta let you

2072

01:53:26,820 --> 01:53:25,119

go Jim you know you got more calls I

2073

01:53:37,189 --> 01:53:26,830

just want to put my two cents in thank

2074

01:53:41,729 --> 01:53:37,199

you have a great night the there was um

2075

01:53:46,250 --> 01:53:41,739

there was this thing that went down Wow

2076
01:53:51,439 --> 01:53:46,260
what we talked about some UFOs tonight

2077
01:53:56,189 --> 01:53:51,449
valium and quaaludes valium this the

2078
01:53:59,040 --> 01:53:56,199
remember this whole thing about it that

2079
01:54:01,649 --> 01:53:59,050
was happening in the 70s I remember

2080
01:54:04,470 --> 01:54:01,659
reading about it and and and people

2081
01:54:08,700 --> 01:54:04,480
talking about it how do they even make

2082
01:54:10,950 --> 01:54:08,710
is is valium still out there I don't

2083
01:54:14,570 --> 01:54:10,960
even know I haven't heard I can't even

2084
01:54:15,839 --> 01:54:14,580
believe I just said it or quaaludes

2085
01:54:18,090 --> 01:54:15,849
right

2086
01:54:20,160 --> 01:54:18,100
do they still manufacture

2087
01:54:23,550 --> 01:54:20,170
our quaaludes still manufactured out

2088
01:54:26,760 --> 01:54:23,560

there so today it's you know these

2089

01:54:29,189 --> 01:54:26,770

opioids and of course you know oxycontin

2090

01:54:32,360 --> 01:54:29,199

and and all those other names that I

2091

01:54:37,260 --> 01:54:32,370

can't pronounce and in volume and and

2092

01:54:39,780 --> 01:54:37,270

tramadol what's the fentanyl you know

2093

01:54:44,220 --> 01:54:39,790

and the the talk about this going all

2094

01:54:47,850 --> 01:54:44,230

the way across and I had read today this

2095

01:54:51,200 --> 01:54:47,860

is what I read today that dad down in

2096

01:54:54,990 --> 01:54:51,210

Mexico I had just read this about this

2097

01:54:57,270 --> 01:54:55,000

there's a Mexican drug Queen I forget

2098

01:55:01,430 --> 01:54:57,280

the city that she's in she's an ex

2099

01:55:06,600 --> 01:55:01,440

federally right X Mexican federal

2100

01:55:11,370 --> 01:55:06,610

officer agent and they they stop growing

2101
01:55:15,030 --> 01:55:11,380
pot they're growing they're growing

2102
01:55:17,640 --> 01:55:15,040
opium that's that's that's where the

2103
01:55:19,470 --> 01:55:17,650
money is at right now crazy

2104
01:55:23,910 --> 01:55:19,480
Oh somebody just said valium still

2105
01:55:28,650 --> 01:55:23,920
available there you go I had no idea is

2106
01:55:32,070 --> 01:55:28,660
it really yeah that's really

2107
01:55:38,209 --> 01:55:32,080
and what about quaaludes I remember I

2108
01:55:42,990 --> 01:55:38,219
thought that the rumor was that fentanyl

2109
01:55:45,120 --> 01:55:43,000
diluted are in a national shortage oh we

2110
01:55:47,910 --> 01:55:45,130
can't get those for legit purposes I've

2111
01:55:51,390 --> 01:55:47,920
heard the same thing that there are

2112
01:55:53,810 --> 01:55:51,400
shortages at the had some of these

2113
01:55:59,189 --> 01:55:53,820

hospital pharmacies and in hospitals

2114

01:56:02,700 --> 01:55:59,199

right no on quads YES on valium and that

2115

01:56:03,810 --> 01:56:02,710

comes from nurse Nancy who knows her

2116

01:56:07,500 --> 01:56:03,820

prescriptions

2117

01:56:10,400 --> 01:56:07,510

is that true though so they're called

2118

01:56:14,790 --> 01:56:10,410

quads quaaludes are called quads is that

2119

01:56:18,810 --> 01:56:14,800

no better I'm so out of it I am so out

2120

01:56:23,970 --> 01:56:18,820

of it weird noise in background on JC

2121

01:56:25,439 --> 01:56:23,980

radio really no I'm not i braid all that

2122

01:56:31,020 --> 01:56:25,449

you really want me to say that out loud

2123

01:56:31,799 --> 01:56:31,030

I can't do that alright you guys are

2124

01:56:33,479 --> 01:56:31,809

funny

2125

01:56:37,080 --> 01:56:33,489

all right I gotta take a break right

2126

01:56:41,220 --> 01:56:37,090

here I didn't talk about yet the fire

2127

01:56:45,750 --> 01:56:41,230

that happened last night okay so I've

2128

01:56:49,760 --> 01:56:45,760

got one minute here so last night during

2129

01:56:54,060 --> 01:56:49,770

our three on the show with Danny Sheehan

2130

01:56:56,399 --> 01:56:54,070

I got the whiff of an electronic that

2131

01:56:58,319 --> 01:56:56,409

electronic burned smell and it was like

2132

01:57:01,439 --> 01:56:58,329

oh my gosh and I thought it was coming

2133

01:57:05,310 --> 01:57:01,449

from outside of the bunker door that's

2134

01:57:06,959 --> 01:57:05,320

scary right and then this and then it

2135

01:57:09,390 --> 01:57:06,969

got really strong and then the white

2136

01:57:12,959 --> 01:57:09,400

smoke came up from behind my monitors

2137

01:57:15,410 --> 01:57:12,969

and and wafted up to the ceiling and I

2138

01:57:18,479 --> 01:57:15,420

look and you can see it on the video I

2139

01:57:20,669 --> 01:57:18,489

look below and I could see out of the

2140

01:57:23,359 --> 01:57:20,679

ventilation dots holes on the side of

2141

01:57:26,459 --> 01:57:23,369

the crack see a little orange glow I

2142

01:57:29,279 --> 01:57:26,469

immediately go back to the interview I

2143

01:57:30,689 --> 01:57:29,289

don't want to say anything I didn't know

2144

01:57:32,430 --> 01:57:30,699

if it was gonna you know turn into

2145

01:57:35,310 --> 01:57:32,440

flames then I would have done you know

2146

01:57:37,229 --> 01:57:35,320

but so I let it go and I just wanted to

2147

01:57:39,089 --> 01:57:37,239

make it to commercial and I knew that I

2148

01:57:42,270 --> 01:57:39,099

had 15 minutes left

2149

01:57:46,859 --> 01:57:42,280

all right so what happened with the

2150

01:57:49,709 --> 01:57:46,869

computer obviously got up early today I

2151
01:57:51,750 --> 01:57:49,719
knew I had the show tonight and and how

2152
01:57:53,939 --> 01:57:51,760
it got resolved and everything I'll tell

2153
01:57:56,490 --> 01:57:53,949
you about all of that after the break

2154
01:57:59,879 --> 01:57:56,500
and I will get to all of your phone

2155
01:58:00,660 --> 01:57:59,889
calls and we'll do all of that next this

2156
01:58:03,029 --> 01:58:00,670
is fade to black

2157
01:58:10,740 --> 01:58:03,039
it's Thursday night it is fate or night

2158
01:58:13,470 --> 01:58:10,750
3 to 3 a 2 5 5 0 for 5 or 3 2 3 2 7 5 9

2159
01:58:16,560 --> 01:58:13,480
6 9 5 are me Rose Jimmy Church you can

2160
01:58:20,820 --> 01:58:16,570
follow me on Twitter at JDO more of your

2161
01:58:20,830 --> 01:58:32,930
[Music]

2162
01:58:39,570 --> 01:58:36,240
this is KCRA digital broadcasting

2163
01:58:43,380 --> 01:58:39,580

station Salt Lake City Utah Van Buren

2164

01:58:45,990 --> 01:58:43,390

Arkansas okay nurse let's get this man

2165

01:58:48,360 --> 01:58:46,000

to the ER stat right away doctor we see

2166

01:58:50,700 --> 01:58:48,370

this every day heart attack or angina

2167

01:58:53,250 --> 01:58:50,710

pain due to blocked and clogged arteries

2168

01:58:55,110 --> 01:58:53,260

chelation can remove obstructions or

2169

01:58:57,240 --> 01:58:55,120

blockages from arteries and help avoid

2170

01:58:59,340 --> 01:58:57,250

painful and expensive surgery

2171

01:59:01,260 --> 01:58:59,350

now there's angio prim it's a liquid

2172

01:59:03,540 --> 01:59:01,270

oral chelation product that you take

2173

01:59:05,760 --> 01:59:03,550

with juice you start to feel the results

2174

01:59:07,710 --> 01:59:05,770

fast angio primm increases blood flow

2175

01:59:09,870 --> 01:59:07,720

all over the body and that means more

2176

01:59:12,720 --> 01:59:09,880

energy and strength to take on the day

2177

01:59:14,720 --> 01:59:12,730

with less aches and pains 60 years of

2178

01:59:17,730 --> 01:59:14,730

research has gone into chelation and

2179

01:59:20,010 --> 01:59:17,740

angiogram is the result a safe and easy

2180

01:59:22,170 --> 01:59:20,020

way to unblock your veins and arteries

2181

01:59:24,030 --> 01:59:22,180

from build-up that slow circulation

2182

01:59:25,830 --> 01:59:24,040

shaping dr. Jones please report to the

2183

01:59:28,230 --> 01:59:25,840

emergency room right away log on now for

2184

01:59:31,890 --> 01:59:28,240

a special radio offer from Angie Oh prim

2185

01:59:35,760 --> 01:59:31,900

that's Angie Oh prim calm / radio ang io

2186

01:59:39,450 --> 01:59:35,770

PRl m ng o prim calm / radio our call

2187

01:59:44,520 --> 01:59:39,460

877 8 a 270 221 that's eight seven seven

2188

01:59:47,970 --> 01:59:44,530

eight a 270 to 21 so you love talk radio

2189

01:59:51,540 --> 01:59:47,980

then you'll love talk stream live.com

2190

01:59:53,670 --> 01:59:51,550

talk stream live is always on 24/7 with

2191

01:59:55,650 --> 01:59:53,680

the best streaming talk shows find your

2192

01:59:57,930 --> 01:59:55,660

favorite talkers and discover some new

2193

02:00:00,960 --> 01:59:57,940

ones it's free readily available online

2194

02:00:02,850 --> 02:00:00,970

or on the smartphone or tablet finding

2195

02:00:05,580 --> 02:00:02,860

your favorite talk shows all in one

2196

02:00:08,160 --> 02:00:05,590

place has gotten a whole lot easier just

2197

02:00:10,140 --> 02:00:08,170

go to talk stream live.com be sure to

2198

02:00:14,400 --> 02:00:10,150

download the free apps from Google Play

2199

02:00:14,930 --> 02:00:14,410

or the itunes app store your contact for

2200

02:00:19,690 --> 02:00:14,940

current

2201
02:00:23,210 --> 02:00:19,700
and trending topics JG RA radio.com

2202
02:00:26,630 --> 02:00:23,220
hello fader nots this is Jimmy Church

2203
02:00:28,870 --> 02:00:26,640
and I'm introducing new Pharma a company

2204
02:00:31,240 --> 02:00:28,880
whose products are based on science

2205
02:00:35,690 --> 02:00:31,250
human function based on the

2206
02:00:38,150 --> 02:00:35,700
endocannabinoid system or ECS new pharma

2207
02:00:40,760 --> 02:00:38,160
firmly believes in this science and

2208
02:00:43,670 --> 02:00:40,770
their research indicates that support of

2209
02:00:46,820 --> 02:00:43,680
the EECS provides the beneficial effects

2210
02:00:49,850 --> 02:00:46,830
for a healthy lifestyle new Pharma

2211
02:00:52,730 --> 02:00:49,860
science includes relief capsules for

2212
02:00:54,770 --> 02:00:52,740
pain relief sleep capsules which are

2213
02:00:57,800 --> 02:00:54,780

natural support for occasional

2214

02:01:01,010 --> 02:00:57,810

sleeplessness foundation his support for

2215

02:01:03,620 --> 02:01:01,020

your ECS and fit capsules support your

2216

02:01:05,870 --> 02:01:03,630

active lifestyle just click on the

2217

02:01:09,050 --> 02:01:05,880

banner at jimmy church radio.com and use

2218

02:01:11,570 --> 02:01:09,060

the promo code f to be for a 33%

2219

02:01:14,630 --> 02:01:11,580

discount on all of their products or

2220

02:01:17,930 --> 02:01:14,640

visit new Pharma calm for all of the

2221

02:01:24,320 --> 02:01:17,940

knowledge on the science that's gnu

2222

02:01:25,640 --> 02:01:24,330

pharma dot-com gobekli tepe did you know

2223

02:01:28,160 --> 02:01:25,650

that when you're on the road with

2224

02:01:30,170 --> 02:01:28,170

limited data or Wi-Fi available you can

2225

02:01:32,600 --> 02:01:30,180

still listen to every minute of fade to

2226

02:01:35,390 --> 02:01:32,610

black by just calling six oh five five

2227

02:01:37,880 --> 02:01:35,400

six two four four eight two no smart

2228

02:01:40,100 --> 02:01:37,890

phone app or internet needed it saves

2229

02:01:43,010 --> 02:01:40,110

your data plan and no extra cost if you

2230

02:01:45,560 --> 02:01:43,020

have unlimited minutes just call six oh

2231

02:01:48,050 --> 02:01:45,570

five five six two four four eight two

2232

02:01:56,710 --> 02:01:48,060

you can listen to me Jimmy Church on any

2233

02:02:00,760 --> 02:01:58,710

[Music]

2234

02:02:03,050 --> 02:02:00,770

[Applause]

2235

02:02:07,160 --> 02:02:03,060

you want to know a secret

2236

02:02:10,100 --> 02:02:07,170

I love police I really love ponies I'm

2237

02:02:14,630 --> 02:02:10,110

serious I couldn't stay sane without

2238

02:02:19,870 --> 02:02:14,640

poor mr. Brooks I fade to black because

2239

02:02:23,870 --> 02:02:21,950

this is fade to black

2240

02:02:27,560 --> 02:02:23,880

with Jimmy Church on the game changer

2241

02:02:29,920 --> 02:02:27,570

radio network and kgr a the global radio

2242

02:02:44,060 --> 02:02:29,930

alliance

2243

02:02:46,410 --> 02:02:44,070

[Music]

2244

02:02:46,950 --> 02:02:46,420

welcome back fade to black I'm going to

2245

02:02:49,320 --> 02:02:46,960

church

2246

02:02:51,810 --> 02:02:49,330

Thursday night Fator night open lines

2247

02:02:54,090 --> 02:02:51,820

all night long three two three eight two

2248

02:02:57,150 --> 02:02:54,100

five five zero four five four three two

2249

02:02:58,800 --> 02:02:57,160

three two seven five nine six nine five

2250

02:03:05,180 --> 02:02:58,810

okay so back to the computer

2251

02:03:09,780 --> 02:03:05,190

I got a custom-built computer today and

2252

02:03:13,260 --> 02:03:09,790

we took a chance on you know look once

2253

02:03:16,440 --> 02:03:13,270

we took apart the old one and opened it

2254

02:03:19,440 --> 02:03:16,450

up a couple of the cable harnesses had

2255

02:03:20,910 --> 02:03:19,450

burst into flames we don't know why

2256

02:03:23,940 --> 02:03:20,920

part of that half of the power supply

2257

02:03:25,410 --> 02:03:23,950

was working half wasn't so something is

2258

02:03:27,150 --> 02:03:25,420

that there was some kind of charge or

2259

02:03:31,080 --> 02:03:27,160

you know voltage spike that went down

2260

02:03:33,720 --> 02:03:31,090

and wasn't controlled and and these two

2261

02:03:35,310 --> 02:03:33,730

cable harnesses burnt up that went to

2262

02:03:37,410 --> 02:03:35,320

the hard drives didn't get to the hard

2263

02:03:39,030 --> 02:03:37,420

drives there was another link in an

2264

02:03:42,630 --> 02:03:39,040

extension between the two hard drives

2265

02:03:46,200 --> 02:03:42,640

that so the the flaming was before that

2266

02:03:48,450 --> 02:03:46,210

nonetheless hard drives were spared and

2267

02:03:50,580 --> 02:03:48,460

once thought I knew that the hard drives

2268

02:03:52,950 --> 02:03:50,590

were okay then and this is at my

2269

02:03:55,860 --> 02:03:52,960

computer guys place and then put

2270

02:04:00,270 --> 02:03:55,870

together a custom-built you know through

2271

02:04:04,830 --> 02:04:00,280

in a motherboard fired up the the hard

2272

02:04:08,490 --> 02:04:04,840

drives and they actually loaded I

2273

02:04:11,310 --> 02:04:08,500

couldn't believe it so it cycled through

2274

02:04:17,060 --> 02:04:11,320

windows 10 cycled through search for

2275

02:04:19,770 --> 02:04:17,070

drivers boom and it it installed so

2276

02:04:23,040 --> 02:04:19,780

everything went cool there so we were

2277

02:04:25,530 --> 02:04:23,050

able to salvage a very expensive video

2278

02:04:28,290 --> 02:04:25,540

card that I had in that computer that

2279

02:04:31,860 --> 02:04:28,300

went in that were everything I could not

2280

02:04:34,380 --> 02:04:31,870

believe how lucky I was so I've got a

2281

02:04:39,090 --> 02:04:34,390

new motherboard and everything here new

2282

02:04:41,970 --> 02:04:39,100

new you know new case new computer and

2283

02:04:43,350 --> 02:04:41,980

the old hard drives are there but I'm

2284

02:04:46,440 --> 02:04:43,360

done with that

2285

02:04:48,840 --> 02:04:46,450

as far as disk drives go so I'm gonna go

2286

02:04:54,600 --> 02:04:48,850

and I'm gonna have solid-state drives

2287

02:04:57,990 --> 02:04:54,610

installed tomorrow and they're it's so

2288

02:05:00,390 --> 02:04:58,000

dodged a bullet the things that were on

2289

02:05:03,090 --> 02:05:00,400

those two hard drives half of it was

2290

02:05:06,810 --> 02:05:03,100

backed up half of it wasn't you know you

2291

02:05:08,520 --> 02:05:06,820

get lazy and I was stuck man I was stuck

2292

02:05:10,500 --> 02:05:08,530

and part of the reason why I was

2293

02:05:13,080 --> 02:05:10,510

freaking out if there were problems with

2294

02:05:15,000 --> 02:05:13,090

the hard drives it goes back to you know

2295

02:05:16,800 --> 02:05:15,010

different programs and passwords and

2296

02:05:19,320 --> 02:05:16,810

things running in the cloud and and

2297

02:05:21,689 --> 02:05:19,330

you've got to just configure and forget

2298

02:05:24,209 --> 02:05:21,699

about the the other big thing which

2299

02:05:27,390 --> 02:05:24,219

which was a large amount of files and

2300

02:05:31,320 --> 02:05:27,400

things that weren't backed up that was

2301

02:05:33,620 --> 02:05:31,330

really a bumner but dodged a bullet

2302

02:05:35,609 --> 02:05:33,630

I got everything backed up today and

2303

02:05:37,859 --> 02:05:35,619

everything configured I'm just going to

2304

02:05:41,070 --> 02:05:37,869

go back tomorrow and I'm gonna clone

2305

02:05:44,070 --> 02:05:41,080

these drives across the board and go

2306

02:05:44,580 --> 02:05:44,080

with SSDs got to do it got to take the

2307

02:05:47,160 --> 02:05:44,590

plunge

2308

02:05:49,859 --> 02:05:47,170

all right let's go to who's been out and

2309

02:05:53,459 --> 02:05:49,869

hold the long is here area codes seven

2310

02:05:55,320 --> 02:05:53,469

one six yes you Jimmy

2311

02:05:57,270 --> 02:05:55,330

hi Steve here from Lockport how're you

2312

02:06:00,600 --> 02:05:57,280

doing tonight I'm doing good Steve from

2313

02:06:02,370 --> 02:06:00,610

Rockport how are you I'm doing okay you

2314

02:06:05,399 --> 02:06:02,380

know I'm kind of surprised you're still

2315

02:06:08,160 --> 02:06:05,409

on those old holes old hard drives with

2316

02:06:11,340 --> 02:06:08,170

the platters in them we're up to em two

2317

02:06:15,390 --> 02:06:11,350

drives now buddy SSDs are thin the pan I

2318

02:06:18,570 --> 02:06:15,400

know I know I know and so I'm going with

2319

02:06:23,760 --> 02:06:18,580

SS I'm doing baby steps here I have to

2320

02:06:26,220 --> 02:06:23,770

admit my computer guy has got SSDs you

2321

02:06:30,930 --> 02:06:26,230

know from you know 128 sup - you know

2322

02:06:34,340 --> 02:06:30,940

terabytes and so there you go that's

2323

02:06:37,590 --> 02:06:34,350

that's what I'm gonna do now but the m2

2324

02:06:41,120 --> 02:06:37,600

again it if I'm gonna do this I'm close

2325

02:06:44,790 --> 02:06:41,130

lightning fast it is well compared to

2326

02:06:47,760 --> 02:06:44,800

you know two platters SSDs are lightning

2327

02:06:50,070 --> 02:06:47,770

fast but this is the thing if I'm gonna

2328

02:06:52,140 --> 02:06:50,080

go across the board I'm running you've

2329

02:06:54,540 --> 02:06:52,150

seen pictures of my studio so you know

2330

02:06:57,240 --> 02:06:54,550

how many computers I'm running and if I

2331

02:06:59,209 --> 02:06:57,250

go at em - across the board we're

2332

02:07:02,490 --> 02:06:59,219

talking about thousands of dollars and

2333

02:07:04,709 --> 02:07:02,500

so I'm gonna do baby steps here I'm

2334

02:07:06,629 --> 02:07:04,719

gonna go with the SSDs first for the

2335

02:07:09,810 --> 02:07:06,639

operating systems

2336

02:07:12,149 --> 02:07:09,820

I have all of these you know fast

2337

02:07:15,209 --> 02:07:12,159

terabyte drives that are in all of these

2338

02:07:18,540 --> 02:07:15,219

computers so I'll use those for the

2339

02:07:20,189 --> 02:07:18,550

background but as far as my operating

2340

02:07:24,029 --> 02:07:20,199

systems and everything that's up front

2341

02:07:26,520 --> 02:07:24,039

I'm gonna go with SSDs and you know and

2342

02:07:29,699 --> 02:07:26,530

plus it takes you know a while to clone

2343

02:07:32,459 --> 02:07:29,709

all of these drives and I just can't I

2344

02:07:34,709 --> 02:07:32,469

can't do everything all at once so but

2345

02:07:36,449 --> 02:07:34,719

I'm hoping your time

2346

02:07:39,870 --> 02:07:36,459

no while I'm hoping it's gonna blow my

2347

02:07:41,250 --> 02:07:39,880

mind yeah hey the reason why I called

2348

02:07:44,339 --> 02:07:41,260

you because you guys were talking about

2349

02:07:46,229 --> 02:07:44,349

the oil Plains ya know on Twitter I sent

2350

02:07:48,839 --> 02:07:46,239

you a picture of my last back surgery

2351
02:07:51,659 --> 02:07:48,849
was about two years ago I had a seven

2352
02:07:54,089 --> 02:07:51,669
level fusion thoracic thoracic two

2353
02:07:55,469 --> 02:07:54,099
through ten I said that done three times

2354
02:07:58,020 --> 02:07:55,479
I've had two necks

2355
02:08:01,139 --> 02:07:58,030
I was a truck driver 15 years this

2356
02:08:05,250 --> 02:08:01,149
degeneration disease and they've had me

2357
02:08:08,549 --> 02:08:05,260
on mild you know low dose opioids pain

2358
02:08:12,359 --> 02:08:08,559
relief they enabled me to live and

2359
02:08:13,409 --> 02:08:12,369
function and you kind of made me man you

2360
02:08:16,049 --> 02:08:13,419
know the way you're talking about the

2361
02:08:17,879 --> 02:08:16,059
pills and everything putting that kind

2362
02:08:20,489 --> 02:08:17,889
of a bad weight on it I understand

2363
02:08:22,589 --> 02:08:20,499

there's a problem but what we have

2364

02:08:25,350 --> 02:08:22,599

around here in the Buffalo area Lockport

2365

02:08:27,479 --> 02:08:25,360

where I live now your Falls is more or

2366

02:08:29,819 --> 02:08:27,489

less ninety five twelve ninety seven

2367

02:08:31,739 --> 02:08:29,829

percent of it is with the heroin that's

2368

02:08:34,409 --> 02:08:31,749

laced with the fentanyl and that's

2369

02:08:38,969 --> 02:08:34,419

what's killing people not the pain pills

2370

02:08:40,259 --> 02:08:38,979

mm-hmm no I've been on them and I take

2371

02:08:42,239 --> 02:08:40,269

them the way the doctor you know

2372

02:08:45,540 --> 02:08:42,249

prescribes them I don't drink or I don't

2373

02:08:48,359 --> 02:08:45,550

I don't drink alcohol I don't smoke

2374

02:08:52,560 --> 02:08:48,369

cigarettes I function very well with

2375

02:08:55,139 --> 02:08:52,570

them and it appease me off that workers

2376

02:08:57,389 --> 02:08:55,149

comp now in New York State is trying to

2377

02:08:59,580 --> 02:08:57,399

the insurance carrier is trying to boot

2378

02:09:02,989 --> 02:08:59,590

me off them so we're battling that in

2379

02:09:06,060 --> 02:09:02,999

court and I've been on comm 17 years and

2380

02:09:08,790 --> 02:09:06,070

they know you know they know my history

2381

02:09:10,709 --> 02:09:08,800

with with the five back surgeries and

2382

02:09:14,580 --> 02:09:10,719

they know might make my disks are shot

2383

02:09:18,149 --> 02:09:14,590

and you know it just tease me off when

2384

02:09:20,159 --> 02:09:18,159

when nobody shows any respect towards

2385

02:09:20,520 --> 02:09:20,169

the people that are in pain that need

2386

02:09:24,600 --> 02:09:20,530

this

2387

02:09:26,819 --> 02:09:24,610

stuff to function we take it the way the

2388

02:09:29,220 --> 02:09:26,829

doctors say but yet they're they're

2389

02:09:31,080 --> 02:09:29,230

arresting our doctors like they did so

2390

02:09:34,919 --> 02:09:31,090

ours here in Buffalo and this is going

2391

02:09:37,049 --> 02:09:34,929

on across the country I grant I know I

2392

02:09:39,060 --> 02:09:37,059

understand that some people have ruined

2393

02:09:42,390 --> 02:09:39,070

it but there's still a lot of people

2394

02:09:44,939 --> 02:09:42,400

that need this stuff now nobody's come

2395

02:09:46,830 --> 02:09:44,949

up with an alternative if they did I'd

2396

02:09:52,439 --> 02:09:46,840

be more than willing to try it on a

2397

02:09:54,870 --> 02:09:52,449

trial basis so go easy on us because a

2398

02:09:58,770 --> 02:09:54,880

lot of people need that stuff bud yeah I

2399

02:10:04,529 --> 02:09:58,780

know then there's no look they're the

2400

02:10:09,540 --> 02:10:04,539

real the real need I will I'll say this

2401

02:10:13,680 --> 02:10:09,550

this was probably let's go 20 years ago

2402

02:10:16,439 --> 02:10:13,690

and my dentist I get a toothache and it

2403

02:10:20,310 --> 02:10:16,449

wasn't a toothache it was a life

2404

02:10:22,740 --> 02:10:20,320

altering pain right and I call my

2405

02:10:26,640 --> 02:10:22,750

dentist and he picks up I call him on

2406

02:10:30,270 --> 02:10:26,650

his cell phone and he was out of the

2407

02:10:32,399 --> 02:10:30,280

state on vacation and this was like on a

2408

02:10:33,689 --> 02:10:32,409

Friday afternoon I said whitening cuz

2409

02:10:36,510 --> 02:10:33,699

him and it won't be back in the office

2410

02:10:37,890 --> 02:10:36,520

till Monday and I said dude I think I'm

2411

02:10:41,339 --> 02:10:37,900

going to die

2412

02:10:42,990 --> 02:10:41,349

within the hour right and he goes okay

2413

02:10:45,569 --> 02:10:43,000

look man I'll get you a prescription

2414

02:10:47,850 --> 02:10:45,579

just go over to you know the drugstore

2415

02:10:49,379 --> 02:10:47,860

I'll phone it in right now and and it

2416

02:10:52,760 --> 02:10:49,389

will get to some antibiotics and I'll

2417

02:10:57,569 --> 02:10:52,770

see you on Monday I'm like dude I get to

2418

02:11:00,899 --> 02:10:57,579

the drugstore and it's vicodin and I and

2419

02:11:03,270 --> 02:11:00,909

at at at the pharmacy

2420

02:11:07,140 --> 02:11:03,280

I open up the I'm shaking I'm in so much

2421

02:11:09,029 --> 02:11:07,150

pain right and I take two of them I

2422

02:11:12,720 --> 02:11:09,039

think right there on the pharmacy floor

2423

02:11:17,879 --> 02:11:12,730

and with the antibiotics and and I

2424

02:11:22,919 --> 02:11:17,889

stumble out anyway I was okay you know

2425

02:11:25,319 --> 02:11:22,929

an owl relator I was okay and that that

2426

02:11:27,870 --> 02:11:25,329

there is a need you know they're all of

2427

02:11:30,750 --> 02:11:27,880

the advil in the world wouldn't have

2428

02:11:32,379 --> 02:11:30,760

even you know phased that kind of pain

2429

02:11:33,729 --> 02:11:32,389

and and I

2430

02:11:35,620 --> 02:11:33,739

get that and then you have you know

2431

02:11:38,229 --> 02:11:35,630

broken limbs and things and by you know

2432

02:11:40,439 --> 02:11:38,239

back pain and and I I get and I

2433

02:11:43,870 --> 02:11:40,449

understand all of that but like I said

2434

02:11:46,330 --> 02:11:43,880

and I mean this that the amount of

2435

02:11:48,850 --> 02:11:46,340

opioids that are being manufactured

2436

02:11:51,399 --> 02:11:48,860

right now by big pharma the numbers

2437

02:11:54,040 --> 02:11:51,409

they've got to be sitting back and want

2438

02:11:56,229 --> 02:11:54,050

you know looking at the reports the

2439

02:11:59,159 --> 02:11:56,239

manufacturing numbers and the profits

2440

02:12:02,679 --> 02:11:59,169

that are coming in they see that trend

2441

02:12:05,469 --> 02:12:02,689

but it's as if every man woman and child

2442

02:12:08,620 --> 02:12:05,479

in the United States has been in a car

2443

02:12:11,979 --> 02:12:08,630

accident you know and a huge increase

2444

02:12:15,850 --> 02:12:11,989

yeah and but nobody wants to talk about

2445

02:12:19,449 --> 02:12:15,860

the obvious here and it's it's not the

2446

02:12:21,939 --> 02:12:19,459

the people that need them need them but

2447

02:12:24,759 --> 02:12:21,949

it's the other part here you know when

2448

02:12:28,060 --> 02:12:24,769

you when you're shipping a couple of

2449

02:12:30,939 --> 02:12:28,070

semi trucks of opioids to a pharmacy out

2450

02:12:32,319 --> 02:12:30,949

in the middle of nowhere well then you

2451

02:12:34,479 --> 02:12:32,329

have to ask the question you know the

2452

02:12:37,810 --> 02:12:34,489

local population isn't supporting this

2453

02:12:40,120 --> 02:12:37,820

but but nobody wants to say anything you

2454

02:12:44,049 --> 02:12:40,130

know not right no it's it's not and

2455

02:12:46,209 --> 02:12:44,059

you're absolutely right I I got two

2456

02:12:47,859 --> 02:12:46,219

emails as I mentioned that earlier I got

2457

02:12:50,830 --> 02:12:47,869

two emails I came in during the show

2458

02:12:54,370 --> 02:12:50,840

talking about you know there are

2459

02:12:56,350 --> 02:12:54,380

shortages in hospitals you know what now

2460

02:12:59,020 --> 02:12:56,360

we've got a real problem if that is

2461

02:13:01,089 --> 02:12:59,030

indeed the case I don't want to report

2462

02:13:04,089 --> 02:13:01,099

fake news but if that is indeed the case

2463

02:13:09,370 --> 02:13:04,099

then why isn't somebody addressing this

2464

02:13:13,120 --> 02:13:09,380

I agree I agree I think everybody's got

2465

02:13:16,169 --> 02:13:13,130

scared now but yeah I know you remember

2466

02:13:18,399 --> 02:13:16,179

what I said you know maybe Congress or

2467

02:13:20,709 --> 02:13:18,409

Washington isn't doing anything because

2468

02:13:25,569 --> 02:13:20,719

they don't want their supply to dry up

2469

02:13:27,040 --> 02:13:25,579

I'm just I'm just calling it out oh man

2470

02:13:28,270 --> 02:13:27,050

I'm gonna be getting so much trouble

2471

02:13:31,659 --> 02:13:28,280

thank you for the phone call though

2472

02:13:34,540 --> 02:13:31,669

what's your name Steve thank you Steve

2473

02:13:36,279 --> 02:13:34,550

great phone call my friend have a good

2474

02:13:38,560 --> 02:13:36,289

night thank you very much Jimmy yeah

2475

02:13:40,859 --> 02:13:38,570

thank you great phone call Steve really

2476

02:13:43,899 --> 02:13:40,869

appreciate that love rockport by the way

2477

02:13:46,020 --> 02:13:43,909

let's stay on the phone's high your life

2478

02:13:49,290 --> 02:13:46,030

I'm fade to black who's calling

2479

02:13:53,700 --> 02:13:49,300

hi it's Sarah from the UK Sarah from the

2480

02:13:59,250 --> 02:13:53,710

UK good morning how are you good evening

2481

02:14:00,450 --> 02:13:59,260

yeah what part of the UK Dover Dover so

2482

02:14:05,760 --> 02:14:00,460

wait a minute

2483

02:14:10,680 --> 02:14:05,770

Sarah who Jason yeah I knew it how are

2484

02:14:12,990 --> 02:14:10,690

you thank you well see this is what's

2485

02:14:15,810 --> 02:14:13,000

funny Sarah for those out there that are

2486

02:14:18,030 --> 02:14:15,820

listening this is Sarah's first time

2487

02:14:22,200 --> 02:14:18,040

calling the show I've never met Sarah

2488

02:14:24,360 --> 02:14:22,210

Sarah have we ever met no no no but we

2489

02:14:25,680 --> 02:14:24,370

talk all the time on Twitter and that's

2490

02:14:27,960 --> 02:14:25,690

all that matters

2491

02:14:32,070 --> 02:14:27,970

so what's going on out there what time

2492

02:14:34,020 --> 02:14:32,080

is it it is a quarter past five a

2493

02:14:34,770 --> 02:14:34,030

quarter past five in here listening to

2494

02:14:39,960 --> 02:14:34,780

fade to black

2495

02:14:42,230 --> 02:14:39,970

and where's your better lately so what's

2496

02:14:44,730 --> 02:14:42,240

on your mind tonight Sarah this morning

2497

02:14:49,350 --> 02:14:44,740

and what I was just calling about the

2498

02:14:51,150 --> 02:14:49,360

IPO yeah you know I remember and I want

2499

02:14:53,820 --> 02:14:51,160

you to I want to hear your piece like

2500

02:14:58,310 --> 02:14:53,830

five years ago four years ago one night

2501
02:14:59,430 --> 02:14:58,320
I started talking about breakfast cereal

2502
02:15:02,580 --> 02:14:59,440
mm-hmm

2503
02:15:06,960 --> 02:15:02,590
we did three straight hours of cereal

2504
02:15:11,670 --> 02:15:06,970
and so tonight tonight it's it's opioids

2505
02:15:12,980 --> 02:15:11,680
and this is a big concern so what's on

2506
02:15:15,300 --> 02:15:12,990
your mind

2507
02:15:19,800 --> 02:15:15,310
well what they actually don't know so

2508
02:15:22,920 --> 02:15:19,810
it's about the ten years you have yes I

2509
02:15:25,470 --> 02:15:22,930
have go ahead tell me about your

2510
02:15:30,530 --> 02:15:25,480
listening time I doubt you're listening

2511
02:15:34,560 --> 02:15:32,400
yeah there you go

2512
02:15:42,600 --> 02:15:34,570
tell him to turn it down he's got to

2513
02:15:45,420 --> 02:15:42,610

turn it down okay so ten years and is it

2514

02:15:48,570 --> 02:15:45,430

because of addiction or is it because of

2515

02:15:50,940 --> 02:15:48,580

pain and you don't have a choice it's

2516

02:15:57,410 --> 02:15:50,950

because of pain I have a chronic pain

2517

02:15:58,910 --> 02:15:57,420

syndrome after a nasty mishandled birth

2518

02:16:02,600 --> 02:15:58,920

so

2519

02:16:05,960 --> 02:16:02,610

I've ended up disabled through it and I

2520

02:16:09,470 --> 02:16:05,970

now have to rely on opioids to even

2521

02:16:12,050 --> 02:16:09,480

mobile I have patches so I have morphine

2522

02:16:13,970 --> 02:16:12,060

going into me every hour and then I have

2523

02:16:14,480 --> 02:16:13,980

extra morphine on top of that through

2524

02:16:22,610 --> 02:16:14,490

the day

2525

02:16:25,120 --> 02:16:22,620

Wow and is it after 10 years is it are

2526

02:16:29,120 --> 02:16:25,130

you physically affected by it now I'm

2527

02:16:31,640 --> 02:16:29,130

assuming not you all right right yes

2528

02:16:33,620 --> 02:16:31,650

yeah I spent four weeks at st. Thomas's

2529

02:16:36,800 --> 02:16:33,630

in London and they tried taking me off

2530

02:16:39,380 --> 02:16:36,810

the trauma dough and it was done quite

2531

02:16:42,880 --> 02:16:39,390

quickly and the results it was like I

2532

02:16:45,820 --> 02:16:42,890

was coming off a nasty addiction until

2533

02:16:49,970 --> 02:16:45,830

they were able to control it again and

2534

02:16:54,950 --> 02:16:49,980

replace it with something that wasn't as

2535

02:16:59,930 --> 02:16:54,960

bad but still bad if you get what I mean

2536

02:17:04,669 --> 02:16:59,940

right right and what what are your

2537

02:17:08,360 --> 02:17:04,679

choices do you have any choices not

2538

02:17:11,959 --> 02:17:08,370

really if I want to mobilize I have to

2539

02:17:15,169 --> 02:17:11,969

use the morphine right but of an evening

2540

02:17:19,370 --> 02:17:15,179

I actually use marijuana and I find that

2541

02:17:22,490 --> 02:17:19,380

a lot better for me it works better I

2542

02:17:24,950 --> 02:17:22,500

think right then any other morphine but

2543

02:17:27,340 --> 02:17:24,960

it's not legal over here yet oh that's

2544

02:17:31,430 --> 02:17:27,350

right say it again say marijuana for me

2545

02:17:39,730 --> 02:17:31,440

marijuana yeah it sounds so good with an

2546

02:17:45,050 --> 02:17:39,740

English accent not quite the same but

2547

02:17:49,940 --> 02:17:45,060

but the pop laws in in the UK are pretty

2548

02:17:52,700 --> 02:17:49,950

severe right absolutely yes yes very

2549

02:17:55,130 --> 02:17:52,710

tight yeah you get caught what would you

2550

02:17:59,510 --> 02:17:55,140

rather get caught with pills or

2551
02:18:00,169 --> 02:17:59,520
marijuana by the police well pills I can

2552
02:18:05,900 --> 02:18:00,179
explain

2553
02:18:08,720 --> 02:18:05,910
medical health right and they don't buy

2554
02:18:11,930 --> 02:18:08,730
that there's no medical prescriptions

2555
02:18:17,090 --> 02:18:11,940
for marijuana no not yet

2556
02:18:19,280 --> 02:18:17,100
do you think that'll change I hope so I

2557
02:18:22,400 --> 02:18:19,290
hope that will follow follow you over

2558
02:18:27,230 --> 02:18:22,410
there because it will certainly help a

2559
02:18:31,220 --> 02:18:27,240
lot of people the I think it will change

2560
02:18:33,410 --> 02:18:31,230
but what about CBB well that well we

2561
02:18:36,590 --> 02:18:33,420
have that and have you tried to have

2562
02:18:38,120 --> 02:18:36,600
that oh I've tried every sort of CBD it

2563
02:18:43,220 --> 02:18:38,130

just doesn't seem to work for me it

2564

02:18:47,600 --> 02:18:43,230

works better for Jimmy with his sciatica

2565

02:18:52,310 --> 02:18:47,610

but not for me my name is too severe bur

2566

02:18:54,560 --> 02:18:52,320

CBD to even touch really yeah yeah I

2567

02:18:59,020 --> 02:18:54,570

mean chronic pain syndrome I know I'm

2568

02:19:03,860 --> 02:18:59,030

never out of pain it's just it's is 24/7

2569

02:19:06,919 --> 02:19:03,870

yes and I mean I can't imagine you know

2570

02:19:12,440 --> 02:19:06,929

living like that and and is there an

2571

02:19:14,690 --> 02:19:12,450

opioid alternative not that I'm aware of

2572

02:19:17,800 --> 02:19:14,700

I mean I've tried all the other one

2573

02:19:22,130 --> 02:19:17,810

things you know tens machines I've tried

2574

02:19:23,870 --> 02:19:22,140

all the different classes that they they

2575

02:19:30,080 --> 02:19:23,880

try and push on you I've done them all

2576

02:19:33,230 --> 02:19:30,090

and they're all crap right and what what

2577

02:19:39,560 --> 02:19:33,240

if and I know you must think about this

2578

02:19:42,740 --> 02:19:39,570

Sarah what if the pain ended right but

2579

02:19:44,870 --> 02:19:42,750

then you have is there an addiction that

2580

02:19:49,551 --> 02:19:44,880

you're gonna have to deal with when the

2581

02:19:51,320 --> 02:19:49,561

pain ends or if it is yeah you know but

2582

02:19:53,180 --> 02:19:51,330

it's never going to end I've been

2583

02:19:54,310 --> 02:19:53,190

registered labels now for the rest of my

2584

02:19:57,950 --> 02:19:54,320

life

2585

02:20:00,200 --> 02:19:57,960

unbelievable Sarah I don't know I you

2586

02:20:03,950 --> 02:20:00,210

know with thoughts and prayers you know

2587

02:20:07,280 --> 02:20:03,960

you have to you have to you know work

2588

02:20:09,620 --> 02:20:07,290

through this but yeah life keeps going I

2589

02:20:12,920 --> 02:20:09,630

have to trundle along I mean I get a lot

2590

02:20:15,230 --> 02:20:12,930

of help from family right it's not easy

2591

02:20:17,480 --> 02:20:15,240

believe me you know I have to walk with

2592

02:20:20,720 --> 02:20:17,490

crutches I have a mobility scooter so

2593

02:20:23,091 --> 02:20:20,730

it's you know and little and obviously

2594

02:20:25,960 --> 02:20:23,101

understand that mummys disabled and I

2595

02:20:28,700 --> 02:20:25,970

can't do as much as other mummies can

2596

02:20:30,260 --> 02:20:28,710

things like that so it's hard but we

2597

02:20:32,599 --> 02:20:30,270

deal with it between the three of us

2598

02:20:34,580 --> 02:20:32,609

well you know have you thought about

2599

02:20:37,910 --> 02:20:34,590

moving to the States

2600

02:20:41,870 --> 02:20:37,920

oh we think about it every day you're

2601
02:20:42,710 --> 02:20:41,880
right I mean you know it this is what is

2602
02:20:44,330 --> 02:20:42,720
crazy

2603
02:20:47,389 --> 02:20:44,340
and I'm sure you heard me talk about

2604
02:20:49,610 --> 02:20:47,399
this a couple of weeks ago but I wrap

2605
02:20:55,099 --> 02:20:49,620
your head around this for a second wrap

2606
02:20:59,179 --> 02:20:55,109
your head around we have pot stores what

2607
02:21:05,240 --> 02:20:59,189
right now right now in Los Angeles you

2608
02:21:08,030 --> 02:21:05,250
just walk in and walk out and you can

2609
02:21:14,960 --> 02:21:08,040
drive down the street with it in your

2610
02:21:20,420 --> 02:21:14,970
car it is legal no it's the craziest

2611
02:21:23,270 --> 02:21:20,430
vibe to walk into look I was for most of

2612
02:21:26,059 --> 02:21:23,280
my life I was the biggest pothead in the

2613
02:21:30,050 --> 02:21:26,069

world right I love my you know just love

2614

02:21:32,210 --> 02:21:30,060

my pot right but you go through you know

2615

02:21:34,219 --> 02:21:32,220

trying to go out and you know and get

2616

02:21:36,260 --> 02:21:34,229

your you know get your weed dealer on

2617

02:21:38,990 --> 02:21:36,270

the phone and get over to his house and

2618

02:21:41,540 --> 02:21:39,000

then somehow you know stuff it down your

2619

02:21:45,080 --> 02:21:41,550

pants get into your car or paranoid

2620

02:21:46,969 --> 02:21:45,090

driving home get into the house and that

2621

02:21:49,730 --> 02:21:46,979

whole paranoid thing right that you got

2622

02:21:51,650 --> 02:21:49,740

to go through and you know and then you

2623

02:21:53,420 --> 02:21:51,660

would smoke that and then have to go

2624

02:21:56,780 --> 02:21:53,430

through it again this big parent that

2625

02:21:59,690 --> 02:21:56,790

those days are over

2626

02:22:02,660 --> 02:21:59,700

it's over you don't have to wonder if

2627

02:22:05,360 --> 02:22:02,670

your pot dealers got pot you go into the

2628

02:22:08,240 --> 02:22:05,370

pot store and they have a hundred

2629

02:22:11,120 --> 02:22:08,250

different jars and kinds of everything

2630

02:22:13,219 --> 02:22:11,130

that you can imagine in front of you you

2631

02:22:16,429 --> 02:22:13,229

can open it all up and smell just like

2632

02:22:19,280 --> 02:22:16,439

is this there's this legal well yeah it

2633

02:22:22,849 --> 02:22:19,290

is it it's like the craziest thing so

2634

02:22:25,400 --> 02:22:22,859

that's man come on over come on over

2635

02:22:28,130 --> 02:22:25,410

hang out for a month get a visa and and

2636

02:22:34,770 --> 02:22:28,140

smoke pot into your eyeballs fall out

2637

02:22:39,301 --> 02:22:34,780

and maybe maybe that chronic pain would

2638

02:22:43,320 --> 02:22:39,311

find that cure I don't know I love lay

2639

02:22:45,751 --> 02:22:43,330

on it's not just chronic by a skill its

2640

02:22:53,211 --> 02:22:45,761

skeletal problems but Jim get the boat

2641

02:22:57,001 --> 02:22:53,221

we're going to blend them trust me

2642

02:23:00,600 --> 02:22:57,011

Rita knows where to go okay I'm just I'm

2643

02:23:03,030 --> 02:23:00,610

letting you know now okay so yeah just

2644

02:23:06,870 --> 02:23:03,040

come on over come on over you'll get the

2645

02:23:09,390 --> 02:23:06,880

hook-up I'll be amazing no paint yeah

2646

02:23:13,290 --> 02:23:09,400

yes I don't know I'm not a doctor I'm

2647

02:23:17,461 --> 02:23:13,300

not dispensing medical advice but I know

2648

02:23:21,600 --> 02:23:17,471

of anything the pain difference it's so

2649

02:23:23,790 --> 02:23:21,610

different and plus I had somebody just

2650

02:23:26,970 --> 02:23:23,800

said Jimmy church is still illegal

2651

02:23:30,001 --> 02:23:26,980

federally yeah you kind of got to get

2652

02:23:33,350 --> 02:23:30,011

pulled over by the feds though I don't

2653

02:23:35,551 --> 02:23:33,360

say yeah and so but the thing is the the

2654

02:23:38,970 --> 02:23:35,561

scientist over here these mad

2655

02:23:42,501 --> 02:23:38,980

scientist's they're creating weed that

2656

02:23:47,100 --> 02:23:42,511

that shouldn't be legal

2657

02:23:50,100 --> 02:23:47,110

it's crazy strong but Sarah all the best

2658

02:23:52,110 --> 02:23:50,110

to you and Jimmy and and if you want to

2659

02:23:56,251 --> 02:23:52,120

come over here we'll uh well we'll get

2660

02:23:59,820 --> 02:23:56,261

you all hooked up thank you so much

2661

02:24:01,140 --> 02:23:59,830

Sarah be safe and be well take care talk

2662

02:24:03,841 --> 02:24:01,150

to you Sarah

2663

02:24:07,530 --> 02:24:03,851

from Dover with Jimmy in the background

2664

02:24:09,900 --> 02:24:07,540

the Reverend Jimmy in the background you

2665

02:24:12,180 --> 02:24:09,910

can smoke cannabis where it's legal go

2666

02:24:19,551 --> 02:24:12,190

home to where it's illegal and lose your

2667

02:24:22,381 --> 02:24:19,561

job when if you pee dirty that is funny

2668

02:24:27,421 --> 02:24:22,391

yeah I've been wondering about this

2669

02:24:30,961 --> 02:24:27,431

whole federal thing and isn't it isn't

2670

02:24:32,400 --> 02:24:30,971

it at the point now where and we were

2671

02:24:36,390 --> 02:24:32,410

talking about this last night with a

2672

02:24:39,900 --> 02:24:36,400

Danny Sheehan that our generation the

2673

02:24:42,370 --> 02:24:39,910

one my generation that's that's who is

2674

02:24:46,139 --> 02:24:42,380

running this country right now and

2675

02:24:49,750 --> 02:24:46,149

older generation that I had to deal with

2676
02:24:52,000 --> 02:24:49,760
they're dying off they're dying off and

2677
02:24:54,250 --> 02:24:52,010
that's that's where it's at today in

2678
02:24:56,170 --> 02:24:54,260
this world there isn't going to be that

2679
02:24:58,719 --> 02:24:56,180
kind kind of control in Washington and

2680
02:25:01,330 --> 02:24:58,729
they've already lost the control of the

2681
02:25:04,780 --> 02:25:01,340
state level and they just might as well

2682
02:25:07,060 --> 02:25:04,790
just tap out just have out cut the

2683
02:25:11,280 --> 02:25:07,070
federal stuff out when it comes to

2684
02:25:15,100 --> 02:25:11,290
marijuana nobody cares nobody cares

2685
02:25:17,380 --> 02:25:15,110
that's the thing if somebody care I'm

2686
02:25:20,280 --> 02:25:17,390
talking about those out there that want

2687
02:25:24,429 --> 02:25:20,290
to cause trouble with marijuana laws

2688
02:25:27,910 --> 02:25:24,439

there they're dying out nobody cares

2689

02:25:29,110 --> 02:25:27,920

anymore there are some effect it

2690

02:25:31,360 --> 02:25:29,120

shouldn't be illegal

2691

02:25:33,820 --> 02:25:31,370

it should man I haven't smoked pot in so

2692

02:25:36,550 --> 02:25:33,830

long are you talking about it right now

2693

02:25:40,240 --> 02:25:36,560

on this show makes me want to smoke some

2694

02:25:43,240 --> 02:25:40,250

weed but now I don't do it anymore i l

2695

02:25:45,460 --> 02:25:43,250

don't before there are those out there

2696

02:25:50,110 --> 02:25:45,470

wondering sounds like church is kind of

2697

02:25:51,790 --> 02:25:50,120

high right now no no I don't I don't

2698

02:25:54,910 --> 02:25:51,800

smoke the marijuana anymore

2699

02:25:59,980 --> 02:25:54,920

I hang out with you guys when you do you

2700

02:26:02,320 --> 02:25:59,990

know and how did we get here thank you

2701

02:26:06,580 --> 02:26:02,330

for that phone call Sarah see this is

2702

02:26:08,800 --> 02:26:06,590

the thing good and I've read a few

2703

02:26:13,210 --> 02:26:08,810

reports on this and a few studies out

2704

02:26:14,950 --> 02:26:13,220

there Oh couldn't marijuana be

2705

02:26:17,650 --> 02:26:14,960

considered you know when it comes to

2706

02:26:22,030 --> 02:26:17,660

this opioid crisis out there to help

2707

02:26:26,700 --> 02:26:22,040

with that you know I don't know is it

2708

02:26:29,889 --> 02:26:26,710

possible to be addicted to marijuana I

2709

02:26:33,370 --> 02:26:29,899

don't think so I was a huge pothead and

2710

02:26:39,940 --> 02:26:33,380

just one day this is years ago I'm gonna

2711

02:26:43,600 --> 02:26:39,950

go back it was like 2003 2002 2003 just

2712

02:26:45,670 --> 02:26:43,610

one day I didn't buy it I just I just

2713

02:26:47,980 --> 02:26:45,680

and I just stopped I didn't even think

2714

02:26:49,600 --> 02:26:47,990

about it it was just kind of weird I

2715

02:26:53,020 --> 02:26:49,610

mean I haven't smoked pot in a couple of

2716

02:26:54,550 --> 02:26:53,030

weeks oh well you know oh well and that

2717

02:26:56,080 --> 02:26:54,560

turned into a couple of months turned

2718

02:26:59,889 --> 02:26:56,090

into a couple of years and he

2719

02:27:02,590 --> 02:26:59,899

I am in 2018 you know and and that's

2720

02:27:04,990 --> 02:27:02,600

that's that's where I'm at so I don't

2721

02:27:08,349 --> 02:27:05,000

know I suppose if anybody could have

2722

02:27:10,719 --> 02:27:08,359

been addicted it would have been me to

2723

02:27:12,639 --> 02:27:10,729

develop an addiction but I just stopped

2724

02:27:15,550 --> 02:27:12,649

one day and I just just kind of looked

2725

02:27:17,020 --> 02:27:15,560

the other way I do do the CBD though I

2726

02:27:21,150 --> 02:27:17,030

do that every day

2727

02:27:23,639 --> 02:27:21,160

and I also new Pharma the relief

2728

02:27:28,420 --> 02:27:23,649

tincture it's really good the foundation

2729

02:27:31,360 --> 02:27:28,430

is really good but and CBD ancient life

2730

02:27:34,060 --> 02:27:31,370

oils I do that every day there it's just

2731

02:27:38,910 --> 02:27:34,070

it's there's something about what it

2732

02:27:41,710 --> 02:27:38,920

does smoking one for you right now Jimmy

2733

02:27:44,110 --> 02:27:41,720

you guys you guys are the best all right

2734

02:27:45,610 --> 02:27:44,120

let me get out of here and come back and

2735

02:27:47,260 --> 02:27:45,620

take more of your phone calls three two

2736

02:27:50,080 --> 02:27:47,270

three eight two five five zero four five

2737

02:27:53,710 --> 02:27:50,090

four three two three two seven five nine

2738

02:27:55,929 --> 02:27:53,720

six nine five it's fate or nights it's

2739

02:27:58,300 --> 02:27:55,939

open lines all night long whatever you

2740

02:28:00,130 --> 02:27:58,310

guys want to talk about I'm surprised we

2741

02:28:03,040 --> 02:28:00,140

didn't get into a breakfast cereals

2742

02:28:05,139 --> 02:28:03,050

tonight with all this pot talk fade to

2743

02:28:08,469 --> 02:28:05,149

black and the game changer Network in kg

2744

02:28:10,690 --> 02:28:08,479

RA the planet or of your phone calls our

2745

02:28:26,139 --> 02:28:10,700

next a with me

2746

02:28:33,189 --> 02:28:30,670

a box here and you are listening to my

2747

02:28:38,609 --> 02:28:33,199

boy Jimmy Church Oh Jimmy Church

2748

02:28:42,820 --> 02:28:38,619

radio.com this my popular opinion

2749

02:28:47,360 --> 02:28:42,830

reading a book will not make you smarter

2750

02:28:48,950 --> 02:28:47,370

but listening to Jimmy Church will so

2751

02:28:52,131 --> 02:28:48,960

you went to dinner last night you had

2752

02:28:55,730 --> 02:28:52,141

your favorite pasta or maybe you had a

2753

02:28:56,301 --> 02:28:55,740

heavy spicy meal and it left you get a

2754

02:28:59,210 --> 02:28:56,311

dot-com

2755

02:29:02,480 --> 02:28:59,220

maybe you mowed down a huge steak and

2756

02:29:03,500 --> 02:29:02,490

your plumbing is all plug get the

2757

02:29:05,091 --> 02:29:03,510

t-dot-com

2758

02:29:08,060 --> 02:29:05,101

our super strength T will take care of

2759

02:29:11,480 --> 02:29:08,070

your occasional it's all organic and

2760

02:29:13,970 --> 02:29:11,490

non-gmo get rid of we have so many great

2761

02:29:16,160 --> 02:29:13,980

supplements but our super T is number

2762

02:29:17,390 --> 02:29:16,170

one get the T calm that's get the

2763

02:29:20,480 --> 02:29:17,400

t-dot-com

2764

02:29:23,810 --> 02:29:20,490

so you love talk radio then you'll love

2765

02:29:26,600 --> 02:29:23,820

talk stream live comm talk stream live

2766

02:29:28,790 --> 02:29:26,610

is always on 24/7 with the best

2767

02:29:30,921 --> 02:29:28,800

streaming talk shows find your favorite

2768

02:29:33,710 --> 02:29:30,931

talkers and discover some new ones it's

2769

02:29:35,750 --> 02:29:33,720

free readily available online or on

2770

02:29:37,881 --> 02:29:35,760

mobile with any smartphone or tablet

2771

02:29:40,460 --> 02:29:37,891

finding your favorite talk shows all in

2772

02:29:43,341 --> 02:29:40,470

one place has gotten a whole lot easier

2773

02:29:45,200 --> 02:29:43,351

just go to talk stream live.com be sure

2774

02:29:49,790 --> 02:29:45,210

to download the free apps from Google

2775

02:29:52,520 --> 02:29:49,800

Play or the itunes app store when you

2776
02:29:55,040 --> 02:29:52,530
take the beans from Central America with

2777
02:29:57,500 --> 02:29:55,050
dashes of Indonesian and African mixed

2778
02:30:00,350 --> 02:29:57,510
in and then roast it to the dark side of

2779
02:30:03,921 --> 02:30:00,360
fade to black you create the ultimate

2780
02:30:07,131 --> 02:30:03,931
brew of Fringe introducing the fade to

2781
02:30:10,100 --> 02:30:07,141
black blend from River Moon coffee yes

2782
02:30:12,770 --> 02:30:10,110
River Moon's darkest customized roast

2783
02:30:13,490 --> 02:30:12,780
was created for the love of fade to

2784
02:30:16,460 --> 02:30:13,500
black

2785
02:30:19,160 --> 02:30:16,470
the alchemy of masterful roasting and

2786
02:30:22,730 --> 02:30:19,170
smoking the beans is in every sip of

2787
02:30:25,730 --> 02:30:22,740
this full-bodied dark Java I need my

2788
02:30:28,040 --> 02:30:25,740

coffee doc deep with distinct

2789

02:30:30,770 --> 02:30:28,050

bittersweet chocolate highlights just

2790

02:30:33,200 --> 02:30:30,780

like the bunker leaning further into the

2791

02:30:36,470 --> 02:30:33,210

darkness of the roast is fade to black

2792

02:30:38,150 --> 02:30:36,480

blend from river moon coffee just click

2793

02:30:39,420 --> 02:30:38,160

on the banner at Jimmy Church radio.com

2794

02:30:42,960 --> 02:30:39,430

and use the

2795

02:30:48,300 --> 02:30:42,970

no code f2b blend for 15% off of your

2796

02:30:49,889 --> 02:30:48,310

order today Gobekli Tepe hey can we talk

2797

02:30:52,860 --> 02:30:49,899

about something serious for a minute

2798

02:30:55,559 --> 02:30:52,870

your age getting old has its perks but

2799

02:30:57,660 --> 02:30:55,569

remember being a few years younger you

2800

02:30:59,729 --> 02:30:57,670

know your hair was thicker you didn't

2801
02:31:01,620 --> 02:30:59,739
have so many wrinkles that extra weight

2802
02:31:03,599 --> 02:31:01,630
wasn't haunting you and you just felt

2803
02:31:06,150 --> 02:31:03,609
better well we can't turn back the

2804
02:31:08,700 --> 02:31:06,160
clocks and go back 10 or 15 years but

2805
02:31:11,670 --> 02:31:08,710
you can start feeling and looking 10 or

2806
02:31:13,620 --> 02:31:11,680
15 years younger with nature's youth RSF

2807
02:31:15,150 --> 02:31:13,630
it's a doctor formulated daily

2808
02:31:17,519 --> 02:31:15,160
supplement that helps your body maintain

2809
02:31:20,160 --> 02:31:17,529
its peak performance and fight the aging

2810
02:31:21,660 --> 02:31:20,170
process imagine sleeping better looking

2811
02:31:24,269 --> 02:31:21,670
better and feeling better

2812
02:31:26,219 --> 02:31:24,279
see how Nature's youth RSF has helped

2813
02:31:28,920 --> 02:31:26,229

thousands of people just like you at

2814

02:31:31,349 --> 02:31:28,930

nature's youth Calm nature's youth calm

2815

02:31:32,939 --> 02:31:31,359

the holidays are coming imagine how it

2816

02:31:34,710 --> 02:31:32,949

will feel when your family and friends

2817

02:31:37,050 --> 02:31:34,720

are asking you what you did to look so

2818

02:31:39,360 --> 02:31:37,060

good your secret will be nature's use

2819

02:31:41,820 --> 02:31:39,370

RSF it's time to start looking better

2820

02:31:43,889 --> 02:31:41,830

and feeling better learn more in order

2821

02:31:54,190 --> 02:31:43,899

your nature's use RSS at nature's youth

2822

02:32:08,720 --> 02:31:57,890

it's not a lifestyle we chose we were

2823

02:32:13,500 --> 02:32:08,730

born this way k GRA radio.com this is KJ

2824

02:32:13,510 --> 02:32:27,821

[Music]

2825

02:32:36,680 --> 02:32:29,810

all right welcome back

2826
02:32:41,841 --> 02:32:36,690
fade to black talking about hunt you

2827
02:32:44,720 --> 02:32:41,851
oppose Canadian guitar players opioids

2828
02:32:51,251 --> 02:32:44,730
and marijuana and and I'm watching

2829
02:32:54,470 --> 02:32:51,261
Twitter tonight and every everybody was

2830
02:32:57,621 --> 02:32:54,480
everybody's stoned I'm very impressed

2831
02:32:59,571 --> 02:32:57,631
with this audience and so with that

2832
02:33:01,901 --> 02:32:59,581
let's let's go to the phones hi you're

2833
02:33:08,111 --> 02:33:01,911
live on fade to black who's calling

2834
02:33:11,060 --> 02:33:08,121
hello yes that's me and who is this

2835
02:33:15,440 --> 02:33:11,070
you're cracking me up this is your

2836
02:33:19,281 --> 02:33:15,450
Northern California tree buddy remember

2837
02:33:23,511 --> 02:33:19,291
I called I can only be hold on hold on

2838
02:33:28,220 --> 02:33:23,521

Fiona Apple wrong I'd stop Fiona Apple

2839

02:33:31,131 --> 02:33:28,230

okay who is this this is a whizz up in

2840

02:33:35,600 --> 02:33:31,141

Northern California gal who had her

2841

02:33:40,611 --> 02:33:35,610

house smashed by a 50-foot pine tree oh

2842

02:33:42,741 --> 02:33:40,621

my goodness how are you man it's been a

2843

02:33:45,890 --> 02:33:42,751

couple of years since you've called in

2844

02:33:50,270 --> 02:33:45,900

your that that happened I was like two

2845

02:33:54,470 --> 02:33:50,280

years ago wasn't it just about yeah just

2846

02:33:57,680 --> 02:33:54,480

meet 22 months to get it just the hole

2847

02:34:00,440 --> 02:33:57,690

in the roof six but is it fixed that's

2848

02:34:03,680 --> 02:34:00,450

the question the hole in the roof is

2849

02:34:10,480 --> 02:34:03,690

fixed there's a giant hole in the deck

2850

02:34:12,980 --> 02:34:10,490

yet and lost my greenhouses lost every

2851
02:34:16,551 --> 02:34:12,990
everything now I didn't lose everything

2852
02:34:19,611 --> 02:34:16,561
because you are okay and that I'm okay

2853
02:34:21,201 --> 02:34:19,621
and my little chihuahua is okay that's

2854
02:34:25,161 --> 02:34:21,211
all that matters that's all that matters

2855
02:34:28,041 --> 02:34:25,171
the house can be fixed you know and the

2856
02:34:30,801 --> 02:34:28,051
greenhouses can we kill a dinero do that

2857
02:34:33,720 --> 02:34:30,811
I can only imagine you know I mean took

2858
02:34:37,470 --> 02:34:33,730
a long time to save up that money

2859
02:34:41,220 --> 02:34:37,480
that was that was a one of the I have to

2860
02:34:45,541 --> 02:34:41,230
admit that was a very singular phone

2861
02:34:48,900 --> 02:34:45,551
call I don't know why I mean I love you

2862
02:34:49,740 --> 02:34:48,910
death and I love love the fader family

2863
02:34:53,100 --> 02:34:49,750

yes

2864

02:34:56,280 --> 02:34:53,110

but I don't even know why I called you I

2865

02:34:59,701 --> 02:34:56,290

just had to call you it was you know I'm

2866

02:35:00,600 --> 02:34:59,711

gonna say this when I say hi you're live

2867

02:35:03,451 --> 02:35:00,610

on fade to black

2868

02:35:05,280 --> 02:35:03,461

and the person on the other end says hi

2869

02:35:06,240 --> 02:35:05,290

Jimmy it's Liz and a tree just fell on

2870

02:35:10,020 --> 02:35:06,250

my house

2871

02:35:11,820 --> 02:35:10,030

and and with that and the chainsaws we

2872

02:35:18,860 --> 02:35:11,830

could hear him in the background right

2873

02:35:24,751 --> 02:35:22,621

but I'm just glad seriously that that

2874

02:35:28,020 --> 02:35:24,761

everything is okay the house is fixed

2875

02:35:32,220 --> 02:35:28,030

and and so now I can honestly say how

2876

02:35:35,070 --> 02:35:32,230

you doing oh you make me so happy I love

2877

02:35:37,980 --> 02:35:35,080

your show and I can't wait for Thursday

2878

02:35:42,261 --> 02:35:37,990

nights that is my favorite thing that

2879

02:35:47,490 --> 02:35:42,271

you do because so many wonderful loving

2880

02:35:50,331 --> 02:35:47,500

smart witty cool people call in and I

2881

02:35:53,251 --> 02:35:50,341

really like that because I'm pretty

2882

02:35:56,730 --> 02:35:53,261

reclusive and the only time I get to

2883

02:35:59,100 --> 02:35:56,740

hear all these neat people is on

2884

02:36:01,020 --> 02:35:59,110

Thursday night when you really can open

2885

02:36:04,440 --> 02:36:01,030

up and talk it's a little different on

2886

02:36:09,511 --> 02:36:04,450

coast to coast you know but fate or

2887

02:36:12,301 --> 02:36:09,521

night is my night yeah thank you for

2888

02:36:17,581 --> 02:36:12,311

that Liz and and when I say this to

2889

02:36:21,121 --> 02:36:17,591

everybody I have to I want to drive this

2890

02:36:23,430 --> 02:36:21,131

home Thursday night is so special for me

2891

02:36:26,011 --> 02:36:23,440

Friday nights over on coasts it's the

2892

02:36:29,761 --> 02:36:26,021

same thing it's a very special

2893

02:36:32,881 --> 02:36:29,771

opportunity where I just get to sit and

2894

02:36:35,881 --> 02:36:32,891

talk with all of you and I'm I mean I'm

2895

02:36:39,479 --> 02:36:35,891

connect is what you're doing you connect

2896

02:36:42,090 --> 02:36:39,489

and you make bonds really bond yeah

2897

02:36:43,590 --> 02:36:42,100

and I'm happy all day long because I

2898

02:36:45,719 --> 02:36:43,600

know it's Thursday night it's fate or

2899

02:36:47,909 --> 02:36:45,729

night and I just get to sit here and

2900

02:36:49,469 --> 02:36:47,919

just grab these phone calls and talk to

2901
02:36:53,670 --> 02:36:49,479
all of you and whatever is on your mind

2902
02:36:55,769 --> 02:36:53,680
and let's just sit and and Yap it's - I

2903
02:36:58,199 --> 02:36:55,779
gotta get everything out of the way all

2904
02:37:01,260 --> 02:36:58,209
the cat's fed everybody's happy blah

2905
02:37:02,729 --> 02:37:01,270
blah blah you know but I wanted to talk

2906
02:37:05,489 --> 02:37:02,739
to you about yes

2907
02:37:08,659 --> 02:37:05,499
I totally believe in UFOs and if I ever

2908
02:37:14,300 --> 02:37:08,669
had the chance to meet you face-to-face

2909
02:37:17,849 --> 02:37:14,310
I would tell you of possibly three

2910
02:37:21,059 --> 02:37:17,859
experiences that I have never heard

2911
02:37:25,260 --> 02:37:21,069
anybody talk about well do you mind

2912
02:37:28,319 --> 02:37:25,270
give me one no I won't do it over the

2913
02:37:32,159 --> 02:37:28,329

phone why am i god this is what see cuz

2914

02:37:36,269 --> 02:37:32,169

I've been I've been watched and listened

2915

02:37:40,079 --> 02:37:36,279

to and I just you know I I don't have a

2916

02:37:44,399 --> 02:37:40,089

cellphone I never did Facebook I don't

2917

02:37:50,219 --> 02:37:44,409

do email none of that you know Liz I'm

2918

02:37:53,760 --> 02:37:50,229

an old-time researcher from 91 and all

2919

02:37:59,510 --> 02:37:53,770

this stuff you see today I did weather

2920

02:38:02,789 --> 02:37:59,520

wars everything right all all that but I

2921

02:38:05,519 --> 02:38:02,799

importantly I want and they were some of

2922

02:38:09,599 --> 02:38:05,529

the experiences I had were fabulous

2923

02:38:13,409 --> 02:38:09,609

anyway well what makes what makes one of

2924

02:38:17,359 --> 02:38:13,419

your experiences different from others

2925

02:38:25,829 --> 02:38:17,369

that have been one of them had the bed

2926

02:38:32,760 --> 02:38:25,839

involved really yeah how so no no come

2927

02:38:35,550 --> 02:38:32,770

on Liz so what do you mean okay wait

2928

02:38:38,729 --> 02:38:35,560

wait Liz hold on a minute what do you

2929

02:38:42,449 --> 02:38:38,739

mean when you say the dead are you

2930

02:38:46,949 --> 02:38:42,459

saying relatives of yours or or what

2931

02:38:52,330 --> 02:38:46,959

what do you mean well okay and and so

2932

02:38:59,710 --> 02:38:52,340

and this was tied into a psyche and a

2933

02:39:01,480 --> 02:38:59,720

action so that Danny well yeah and you

2934

02:39:07,450 --> 02:39:01,490

ever heard of that before

2935

02:39:12,210 --> 02:39:07,460

listen no well sort of sort of but I

2936

02:39:16,900 --> 02:39:12,220

have not like this well Whitley Strieber

2937

02:39:19,420 --> 02:39:16,910

talks about that and and who the little

2938

02:39:23,200 --> 02:39:19,430

blue guys turned out to be the gray the

2939

02:39:27,780 --> 02:39:23,210

blue guys and I always found that very

2940

02:39:30,990 --> 02:39:27,790

interesting so but in with yours and so

2941

02:39:35,020 --> 02:39:31,000

yours was an abduction experience and

2942

02:39:38,800 --> 02:39:35,030

during the abduction experience you saw

2943

02:39:43,210 --> 02:39:38,810

or met with one of your deceased family

2944

02:39:46,480 --> 02:39:43,220

members they brought them to me they

2945

02:39:52,030 --> 02:39:46,490

brought them to you and so do you think

2946

02:39:55,510 --> 02:39:52,040

that et or who you met who you know this

2947

02:39:58,270 --> 02:39:55,520

abduction do you think that they are us

2948

02:40:00,820 --> 02:39:58,280

from the future and they are in contact

2949

02:40:02,889 --> 02:40:00,830

with the other side or were they now

2950

02:40:12,370 --> 02:40:02,899

they were from off-planet they were from

2951
02:40:16,000 --> 02:40:12,380
another planet I would think so right or

2952
02:40:18,940 --> 02:40:16,010
or past time I mean they've been around

2953
02:40:24,429 --> 02:40:18,950
forever right right so how can you say

2954
02:40:27,730 --> 02:40:24,439
you know the future were you able to

2955
02:40:32,440 --> 02:40:27,740
communicate with them not with not with

2956
02:40:35,340 --> 02:40:32,450
the deceased with with well I wanted to

2957
02:40:40,330 --> 02:40:35,350
get to that in a second but with those

2958
02:40:43,540 --> 02:40:40,340
pulling me it's my job Liz it's my job

2959
02:40:46,480 --> 02:40:43,550
yeah yeah but anybody can look up the

2960
02:40:48,440 --> 02:40:46,490
number that was called from even you got

2961
02:40:50,000 --> 02:40:48,450
mine

2962
02:40:53,270 --> 02:40:50,010
I would never you want me to post it

2963
02:40:56,210 --> 02:40:53,280

right now no you know I wouldn't do that

2964

02:41:00,261 --> 02:40:56,220

okay so let's get let's get back to this

2965

02:41:02,060 --> 02:41:00,271

is very interesting about opioids I want

2966

02:41:04,790 --> 02:41:02,070

to tell you well we'll get to that in a

2967

02:41:06,770 --> 02:41:04,800

second kill okay what we'll do that and

2968

02:41:10,880 --> 02:41:06,780

we'll talk about Canadian guitar players

2969

02:41:15,080 --> 02:41:10,890

- okay I promised but were you did you

2970

02:41:19,100 --> 02:41:15,090

ask them why they were bringing your

2971

02:41:24,590 --> 02:41:19,110

deceased relatives - you know I I knew

2972

02:41:30,700 --> 02:41:24,600

there was like - what the thing you just

2973

02:41:38,450 --> 02:41:34,160

filled with gratitude right I can only

2974

02:41:43,430 --> 02:41:38,460

imagine right I was deeply crying I was

2975

02:41:47,770 --> 02:41:43,440

emotional I fell on my knees when I when

2976

02:41:51,470 --> 02:41:47,780

I saw who was it

2977

02:41:55,040 --> 02:41:51,480

I'm not gonna tell you well okay was it

2978

02:41:58,730 --> 02:41:55,050

a brother a sister a cousin your mom

2979

02:42:01,580 --> 02:41:58,740

your dad a grandfather you don't have to

2980

02:42:04,670 --> 02:42:01,590

say their name just you recognize them

2981

02:42:13,550 --> 02:42:04,680

as what where I'm going right my child

2982

02:42:19,011 --> 02:42:13,560

your child oh wow and when did your

2983

02:42:22,670 --> 02:42:19,021

child leave this earth at 31 years old

2984

02:42:31,550 --> 02:42:22,680

31 years old and how how old were you

2985

02:42:42,560 --> 02:42:31,560

when this experience happened my age yes

2986

02:42:47,480 --> 02:42:42,570

oh let's see I'm 67 years old now so it

2987

02:42:53,870 --> 02:42:47,490

was about three years ago three years

2988

02:42:56,810 --> 02:42:53,880

ago and like yesterday yeah and so I

2989

02:42:58,160 --> 02:42:56,820

remember the color where it was the

2990

02:43:02,060 --> 02:42:58,170

building

2991

02:43:05,921 --> 02:43:02,070

the blinds the grass the flowers the

2992

02:43:09,680 --> 02:43:05,931

bushes when when this abduction happened

2993

02:43:20,081 --> 02:43:09,690

was it was it at night or was it during

2994

02:43:23,450 --> 02:43:20,091

the day at night and did did they

2995

02:43:26,751 --> 02:43:23,460

it sounds to me so I'm just going to

2996

02:43:37,480 --> 02:43:26,761

just ask the reigning got me took me

2997

02:43:45,081 --> 02:43:41,390

they were in in in the shadows of the

2998

02:43:49,520 --> 02:43:45,091

room and came walking towards me and I

2999

02:43:53,091 --> 02:43:49,530

fell on my knees in tears of course of

3000

02:43:56,541 --> 02:43:53,101

course and so they did this so you could

3001

02:44:01,220 --> 02:43:56,551

meet and see because I was so

3002

02:44:04,700 --> 02:44:01,230

heartbroken of course I have that I

3003

02:44:08,171 --> 02:44:04,710

loved so deeply and love is love no

3004

02:44:11,900 --> 02:44:08,181

matter if you love a cat a bird are

3005

02:44:14,961 --> 02:44:11,910

human or whatever love is love

3006

02:44:17,720 --> 02:44:14,971

the only difference is is the kind and

3007

02:44:22,120 --> 02:44:17,730

the depths but it's still love it's the

3008

02:44:24,910 --> 02:44:22,130

same thing sure and I have that there

3009

02:44:27,740 --> 02:44:24,920

I'm not sure with the name of it's like

3010

02:44:31,520 --> 02:44:27,750

Hashimoto's or some broken heart disease

3011

02:44:34,940 --> 02:44:31,530

right it's not a heart attack it's just

3012

02:44:39,950 --> 02:44:34,950

where your heart cramps from being

3013

02:44:46,881 --> 02:44:39,960

brokenhearted and did it help you did it

3014

02:44:51,730 --> 02:44:46,891

help mend it reassured me that there's

3015

02:45:04,500 --> 02:44:55,920

and the person was in perfect natural

3016

02:45:08,920 --> 02:45:04,510

condition beautiful ah we hugged I felt

3017

02:45:13,420 --> 02:45:08,930

everything was was beautiful how long

3018

02:45:20,370 --> 02:45:13,430

how long were you able to to hang out if

3019

02:45:30,450 --> 02:45:25,420

maybe 25 minutes that's incredible

3020

02:45:35,320 --> 02:45:30,460

what an opportunity did you the Blessed

3021

02:45:37,620 --> 02:45:35,330

gratitude experience now I cry I saw I

3022

02:45:42,580 --> 02:45:37,630

get tears when I think about it yeah

3023

02:45:47,500 --> 02:45:42,590

yeah of course of course now okay Liz

3024

02:45:51,400 --> 02:45:47,510

now that I'm all choked up did you did

3025

02:45:54,130 --> 02:45:51,410

it only happen this one time it only

3026
02:45:57,250 --> 02:45:54,140
needed to happen one time that's exactly

3027
02:46:02,080 --> 02:45:57,260
my question wouldn't be right right

3028
02:46:04,750 --> 02:46:02,090
that's incredible so you wouldn't you

3029
02:46:08,890 --> 02:46:04,760
don't need to do it a second time I wish

3030
02:46:13,860 --> 02:46:08,900
everybody that felt the way I did before

3031
02:46:21,550 --> 02:46:13,870
that would have that experience right

3032
02:46:25,210 --> 02:46:21,560
that's now did you turn did you turn to

3033
02:46:29,880 --> 02:46:25,220
to your abductors your kidnappers and

3034
02:46:31,150 --> 02:46:29,890
thank them I didn't look at them as

3035
02:46:32,680 --> 02:46:31,160
kidnappers

3036
02:46:35,110 --> 02:46:32,690
you know what I'm saying you know what

3037
02:46:50,490 --> 02:46:35,120
I'm saying you were right but did you

3038
02:46:54,040 --> 02:46:50,500

did you thank them I yes I did and and

3039

02:46:56,020 --> 02:46:54,050

how when you like right now you're

3040

02:46:58,600 --> 02:46:56,030

you're reliving the experience and

3041

02:47:00,810 --> 02:46:58,610

you're thinking about it and are you

3042

02:47:08,381 --> 02:47:00,820

happy inside are you happy

3043

02:47:12,940 --> 02:47:08,391

joyful it's a joyful happy thing yeah

3044

02:47:14,980 --> 02:47:12,950

and now your child and I don't need any

3045

02:47:23,921 --> 02:47:14,990

of that info I'm not going to go there

3046

02:47:28,870 --> 02:47:23,931

but was your child happy yes and the

3047

02:47:30,750 --> 02:47:28,880

first thing that they said to me was how

3048

02:47:34,631 --> 02:47:30,760

did I get here

3049

02:47:43,600 --> 02:47:34,641

Wow did you guys did you guys talk about

3050

02:47:49,750 --> 02:47:43,610

that it wasn't necessary right you know

3051

02:47:52,660 --> 02:47:49,760

I knew but they didn't right right no

3052

02:47:54,970 --> 02:47:52,670

that's what I'm saying so did you did

3053

02:48:02,400 --> 02:47:54,980

you die no I didn't explain it right

3054

02:48:08,080 --> 02:48:02,410

right no right they because they that

3055

02:48:11,680 --> 02:48:08,090

she he they did not believe like I

3056

02:48:17,560 --> 02:48:11,690

believe because I've had experiences

3057

02:48:21,690 --> 02:48:17,570

since I was 2 years old so they didn't

3058

02:48:27,450 --> 02:48:21,700

think like I did sort of but not really

3059

02:48:31,450 --> 02:48:27,460

they were more in the world than I was

3060

02:48:36,000 --> 02:48:31,460

trying very hard to succeed be a success

3061

02:48:39,490 --> 02:48:36,010

you know that that type of person right

3062

02:48:42,640 --> 02:48:39,500

didn't didn't get involved with all this

3063

02:48:48,790 --> 02:48:42,650

other stuff that I have been involved

3064

02:48:51,551 --> 02:48:48,800

with forever what did you do with your

3065

02:48:57,370 --> 02:48:51,561

family after this did you share the

3066

02:49:00,160 --> 02:48:57,380

experience with them no you can't did

3067

02:49:03,580 --> 02:49:00,170

you want yeah I mean how do you how do

3068

02:49:05,591 --> 02:49:03,590

you like you wish you could tell it's

3069

02:49:09,280 --> 02:49:05,601

like trying to tell people about hemp

3070

02:49:10,511 --> 02:49:09,290

oil they don't want to hear about it or

3071

02:49:12,940 --> 02:49:10,521

anything like this

3072

02:49:13,870 --> 02:49:12,950

sure absolutely you know what I mean

3073

02:49:16,240 --> 02:49:13,880

right

3074

02:49:21,490 --> 02:49:16,250

because I've had my experiences that I

3075

02:49:25,960 --> 02:49:21,500

didn't tell anybody anything ever nobody

3076

02:49:28,030 --> 02:49:25,970

nobody now you know Ill don't care you

3077

02:49:29,920 --> 02:49:28,040

know now once I started talking about it

3078

02:49:32,650 --> 02:49:29,930

I just couldn't shut up and I had it

3079

02:49:36,130 --> 02:49:32,660

inside of me for so long and you know

3080

02:49:40,750 --> 02:49:36,140

and and now I have this wonderful

3081

02:49:44,650 --> 02:49:40,760

audience and and family that I know that

3082

02:49:47,290 --> 02:49:44,660

I can just say how I feel and and what

3083

02:49:52,689 --> 02:49:47,300

I've gone through and I'm and I'm able

3084

02:49:54,969 --> 02:49:52,699

to get that that piece you know and I

3085

02:49:58,719 --> 02:49:54,979

couldn't so once I started Liz I

3086

02:50:02,019 --> 02:49:58,729

couldn't just couldn't shut up and you

3087

02:50:03,849 --> 02:50:02,029

know with if I you know I hear from Rita

3088

02:50:06,400 --> 02:50:03,859

or some of my other friends dude if you

3089

02:50:08,860 --> 02:50:06,410

tell that story one more time I'm gonna

3090

02:50:11,889 --> 02:50:08,870

scream but I can't help myself

3091

02:50:14,110 --> 02:50:11,899

you know and and so for you you know

3092

02:50:16,479 --> 02:50:14,120

sometimes you just need that you know

3093

02:50:19,599 --> 02:50:16,489

you just need that that piece just to

3094

02:50:23,050 --> 02:50:19,609

talk about it you know I always I could

3095

02:50:26,410 --> 02:50:23,060

vent out you know I wish I could just

3096

02:50:30,040 --> 02:50:26,420

sit down with you have a cold beer and

3097

02:50:32,679 --> 02:50:30,050

talk to you for about five hours and we

3098

02:50:37,030 --> 02:50:32,689

will we will do it one day and see this

3099

02:50:38,800 --> 02:50:37,040

is the other thing there are those out

3100

02:50:43,059 --> 02:50:38,810

there right now that are listening to

3101

02:50:46,479 --> 02:50:43,069

you that haven't talked about a similar

3102

02:50:48,460 --> 02:50:46,489

experience and they know that they can

3103

02:50:50,380 --> 02:50:48,470

if they you know if they want they can

3104

02:50:50,979 --> 02:50:50,390

certainly call in and talk to me about

3105

02:50:53,380 --> 02:50:50,989

it

3106

02:50:56,559 --> 02:50:53,390

but they can go and maybe talk to a

3107

02:50:58,210 --> 02:50:56,569

friend or family member and just just

3108

02:51:00,340 --> 02:50:58,220

talk about it but certainly you can do

3109

02:51:02,800 --> 02:51:00,350

it on the show you know sort of

3110

02:51:04,960 --> 02:51:02,810

anonymously you know you're speaking to

3111

02:51:11,410 --> 02:51:04,970

you know thousands of thousands of

3112

02:51:15,460 --> 02:51:11,420

people but you exactly and you and you

3113

02:51:17,320 --> 02:51:15,470

have this shelter the security of you

3114

02:51:20,679 --> 02:51:17,330

know just doing this over the phone and

3115

02:51:23,349 --> 02:51:20,689

and but it's okay you know and and and

3116

02:51:25,280 --> 02:51:23,359

you are letting other people know that

3117

02:51:27,170 --> 02:51:25,290

it's okay that you can talk about things

3118

02:51:29,390 --> 02:51:27,180

like this and that's the best part of

3119

02:51:31,011 --> 02:51:29,400

this show you know and you know that

3120

02:51:33,890 --> 02:51:31,021

you've got this family and the support

3121

02:51:36,410 --> 02:51:33,900

group and and who did you call when the

3122

02:51:43,850 --> 02:51:36,420

tree fell on your house you call Jimmy

3123

02:51:44,210 --> 02:51:43,860

Church was that was one of the great

3124

02:51:48,020 --> 02:51:44,220

nights

3125

02:51:49,580 --> 02:51:48,030

I remember after and that was I was

3126
02:51:51,200 --> 02:51:49,590
telling you I remember that night you

3127
02:51:57,140 --> 02:51:51,210
know what are you doing talking to me

3128
02:51:59,960 --> 02:51:57,150
going go go and deal with this but but

3129
02:52:01,910 --> 02:51:59,970
it was calling me the tree lady that's

3130
02:52:04,280 --> 02:52:01,920
right that's right that's right for a

3131
02:52:08,000 --> 02:52:04,290
long time too as well they're they're

3132
02:52:12,050 --> 02:52:08,010
all you should see Twitter right now but

3133
02:52:15,410 --> 02:52:12,060
but that's the reason why Liz is you had

3134
02:52:18,590 --> 02:52:15,420
a very very special experience and I can

3135
02:52:20,870 --> 02:52:18,600
assure you I can assure you that there

3136
02:52:22,660 --> 02:52:20,880
are so many people out here that are

3137
02:52:25,670 --> 02:52:22,670
listening right now going you know what

3138
02:52:29,090 --> 02:52:25,680

that happened to me too it was you know

3139

02:52:33,910 --> 02:52:29,100

but I've never told anybody about it you

3140

02:52:38,780 --> 02:52:33,920

know I think you're never alone in your

3141

02:52:40,220 --> 02:52:38,790

experiences because you know the time

3142

02:52:42,560 --> 02:52:40,230

you're having a baby

3143

02:52:44,990 --> 02:52:42,570

fifty million other women are having a

3144

02:52:48,770 --> 02:52:45,000

baby at the same time so you're never

3145

02:52:50,960 --> 02:52:48,780

alone you know and when you wake up in

3146

02:52:52,790 --> 02:52:50,970

the morning you got to be so grateful

3147

02:52:55,370 --> 02:52:52,800

that you made it that night because a

3148

02:52:59,020 --> 02:52:55,380

million people never wake up the next

3149

02:53:02,480 --> 02:52:59,030

morning right so you always have to have

3150

02:53:05,530 --> 02:53:02,490

deep gratitude in your heart for every

3151
02:53:11,210 --> 02:53:05,540
blessed little minute that you live

3152
02:53:17,180 --> 02:53:11,220
every second of every day every second

3153
02:53:21,830 --> 02:53:17,190
of every day they're the the the reality

3154
02:53:23,210 --> 02:53:21,840
of it is if you were told right if

3155
02:53:26,780 --> 02:53:23,220
somebody just came and said you know

3156
02:53:29,990 --> 02:53:26,790
what man uh you're gonna die in ten

3157
02:53:32,810 --> 02:53:30,000
minutes I was just going to say if you

3158
02:53:34,511 --> 02:53:32,820
had one month to live right what would

3159
02:53:39,400 --> 02:53:34,521
you do well

3160
02:53:41,051 --> 02:53:39,410
what would you regret right well but you

3161
02:53:43,570 --> 02:53:41,061
would look back and what I'm suggesting

3162
02:53:46,900 --> 02:53:43,580
is this you would look back and go you

3163
02:53:51,970 --> 02:53:46,910

know that one day I was such a dick

3164

02:53:54,701 --> 02:53:51,980

right and and you know I'm so I wish I

3165

02:53:58,841 --> 02:53:54,711

could have that back because that was a

3166

02:54:05,860 --> 02:53:58,851

day that I wasted right I you know I was

3167

02:54:08,350 --> 02:54:05,870

mean to somebody I right right right you

3168

02:54:11,110 --> 02:54:08,360

know we don't all have perfect days you

3169

02:54:13,060 --> 02:54:11,120

know that no we don't you know we try to

3170

02:54:16,030 --> 02:54:13,070

make them perfect you know try to make

3171

02:54:19,390 --> 02:54:16,040

you perfect you know and don't hold it

3172

02:54:22,860 --> 02:54:19,400

Greg don't hold grudges wasted wasted

3173

02:54:28,291 --> 02:54:22,870

energy it's so wasted it's so wasted

3174

02:54:32,291 --> 02:54:28,301

when people it's so funny to me I'll

3175

02:54:34,001 --> 02:54:32,301

block somebody or I will you know

3176

02:54:36,970 --> 02:54:34,011

whatever in social media

3177

02:54:38,350 --> 02:54:36,980

I'll block an email you know so I'll

3178

02:54:41,230 --> 02:54:38,360

block somebody and then they'll send me

3179

02:54:44,621 --> 02:54:41,240

an email to bid that was a cool man why

3180

02:54:48,400 --> 02:54:44,631

would you go and and and and unfriend me

3181

02:54:49,991 --> 02:54:48,410

or whatever and my response is in that

3182

02:54:53,860 --> 02:54:50,001

email because you're writing me this

3183

02:54:57,070 --> 02:54:53,870

email right now that's why it's wasted

3184

02:55:00,791 --> 02:54:57,080

energy and I just I don't have time for

3185

02:55:03,400 --> 02:55:00,801

negativity life is too short it's way

3186

02:55:06,341 --> 02:55:03,410

too short it's way too short blink of an

3187

02:55:09,791 --> 02:55:06,351

eye in the next thing you know I was

3188

02:55:12,640 --> 02:55:09,801

watching I was watching this interview

3189

02:55:15,581 --> 02:55:12,650

the other day with Alec Baldwin and Alec

3190

02:55:18,761 --> 02:55:15,591

goes you know I'm paraphrasing here but

3191

02:55:22,631 --> 02:55:18,771

he's like you know I'm old and I'm

3192

02:55:26,230 --> 02:55:22,641

thinking now about I'm having the

3193

02:55:29,951 --> 02:55:26,240

thoughts of what do I have time left to

3194

02:55:32,860 --> 02:55:29,961

do things and where did I waste time in

3195

02:55:34,900 --> 02:55:32,870

the past and I'm actually having those

3196

02:55:37,270 --> 02:55:34,910

kinds of thoughts now and I never used

3197

02:55:39,640 --> 02:55:37,280

to think like this and then you start to

3198

02:55:45,701 --> 02:55:39,650

think about you know how you know what

3199

02:55:48,080 --> 02:55:45,711

it blinks by so fast so fast so fast

3200

02:55:50,300 --> 02:55:48,090

it's crazy it's crazy when you're

3201

02:55:52,010 --> 02:55:50,310

once you know and how many times have we

3202

02:55:58,250 --> 02:55:52,020

heard this but when you're 20 you don't

3203

02:56:02,750 --> 02:55:58,260

care you know an affair and you live it

3204

02:56:08,270 --> 02:56:02,760

that way - oh yeah you do dangerous I

3205

02:56:10,250 --> 02:56:08,280

race my Corvette just do donuts and all

3206

02:56:13,219 --> 02:56:10,260

kinds of thing I wouldn't do that

3207

02:56:14,210 --> 02:56:13,229

no no blow through stop signs at 60

3208

02:56:17,780 --> 02:56:14,220

miles an hour

3209

02:56:20,240 --> 02:56:17,790

you know and I've done those things I've

3210

02:56:21,110 --> 02:56:20,250

done those things Liz thank you for

3211

02:56:22,790 --> 02:56:21,120

calling in

3212

02:56:24,980 --> 02:56:22,800

all right just thank you so much now

3213

02:56:26,840 --> 02:56:24,990

this is the challenge that I'm gonna

3214

02:56:29,260 --> 02:56:26,850

give to you next Thursday is another

3215

02:56:36,950 --> 02:56:29,270

fate or night you got to tell me about

3216

02:56:41,480 --> 02:56:36,960

experience number two if I could make it

3217

02:56:44,240 --> 02:56:41,490

to midnight in the desert I mean contact

3218

02:56:47,780 --> 02:56:44,250

in the desert right I would I would do

3219

02:56:57,950 --> 02:56:47,790

it in a heartbeat just to meet you and

3220

02:57:00,260 --> 02:56:57,960

Rita all right can you get there I oh I

3221

02:57:03,940 --> 02:57:00,270

was gonna say if I got you passes would

3222

02:57:07,849 --> 02:57:03,950

you would you would you make it there I

3223

02:57:10,370 --> 02:57:07,859

would try but but okay

3224

02:57:16,090 --> 02:57:10,380

all right so look Liz you have read as a

3225

02:57:22,070 --> 02:57:16,100

meteoroid gave me seizures oh I see no

3226

02:57:25,370 --> 02:57:22,080

um paranoid you drive ah but the CBD oil

3227

02:57:28,610 --> 02:57:25,380

I have not had a seizure in a long time

3228

02:57:31,130 --> 02:57:28,620

well listen Liz you have Rita's email

3229

02:57:33,139 --> 02:57:31,140

address so just write Rita will

3230

02:57:37,160 --> 02:57:33,149

communicate through there and we'll see

3231

02:57:40,700 --> 02:57:37,170

what we can do all right all right right

3232

02:57:44,810 --> 02:57:40,710

have a great safe wonderful beautiful

3233

02:57:47,300 --> 02:57:44,820

weekend you do the same and to save your

3234

02:57:48,740 --> 02:57:47,310

family that I love everybody have a

3235

02:57:53,090 --> 02:57:48,750

wonderful weekend

3236

02:57:56,389 --> 02:57:53,100

Thank You Liz be safe you too great

3237

02:57:59,960 --> 02:57:56,399

phone call Thank You Liz and with that

3238

02:58:01,301 --> 02:57:59,970

that is how you wrap up a Fator night

3239

02:58:05,711 --> 02:58:01,311

right there

3240

02:58:08,020 --> 02:58:05,721

with Liz Liz unbelievable that was one

3241

02:58:08,770 --> 02:58:08,030

of the great phone calls in the history

3242

02:58:10,421 --> 02:58:08,780

of the show

3243

02:58:12,761 --> 02:58:10,431

when she called in a couple here's to

3244

02:58:15,330 --> 02:58:12,771

Copeland the tree fell on her out we can

3245

02:58:17,740 --> 02:58:15,340

laugh about it now the house is fixed

3246

02:58:19,720 --> 02:58:17,750

that's an incredible story thank you for

3247

02:58:22,720 --> 02:58:19,730

sharing that with everybody here tonight

3248

02:58:25,900 --> 02:58:22,730

Liz just absolutely incredible I do want

3249

02:58:28,330 --> 02:58:25,910

to thank Jon Rappoport and his no more

3250

02:58:31,211 --> 02:58:28,340

fake newsroom everybody that tweeted and

3251

02:58:32,680 --> 02:58:31,221

called in tonight just Fator night is

3252

02:58:34,990 --> 02:58:32,690

the best night of the week fade to black

3253

02:58:37,270 --> 02:58:35,000

executive producer is ritika Murray on

3254

02:58:38,950 --> 02:58:37,280

show us produced by Hill J palm Renee

3255

02:58:40,990 --> 02:58:38,960

Dennis and Bob announces our Steve

3256

02:58:43,751 --> 02:58:41,000

Harvey Jean Patou Mr D Cove our

3257

02:58:47,140 --> 02:58:43,761

webmaster drew the geek music doug

3258

02:58:49,930 --> 02:58:47,150

aldrich intro space boys bass boy music

3259

02:58:53,310 --> 02:58:49,940

calm fade to black is produced by
