

MAY 22, 2018  
7 PM PST / 10 PM EST

LINDA MOULTON HOWE  
SPECIAL GUEST

**Ep. 860**

**F2B**  
WITH JIMMY CHURCH

EARTHFILES.COM

copyright 2018 fade to black [www.jimmychurchradio.com](http://www.jimmychurchradio.com)

1  
00:00:12,350 --> 00:00:10,650

[Music]

2  
00:00:16,170 --> 00:00:12,360

[Applause]

3  
00:00:19,650 --> 00:00:16,180

this hope radio for the masses headliner

4  
00:00:21,179 --> 00:00:19,660

between July 8 1947 you hear on the air

5  
00:00:23,550 --> 00:00:21,189

for three person arms that are flying

6  
00:00:26,970 --> 00:00:23,560

there - found and they're now in the

7  
00:00:30,690 --> 00:00:26,980

possession of the on a rig change the

8  
00:00:33,569 --> 00:00:30,700

game game changer I occasionally think

9  
00:00:37,530 --> 00:00:33,579

how quickly our differences worldwide

10  
00:00:44,880 --> 00:00:37,540

would vanish if we were facing an alien

11  
00:00:50,580 --> 00:00:47,640

this is painted black with your host

12  
00:00:57,620 --> 00:00:50,590

Jimmy Church on the game changer radio

13  
00:01:02,770 --> 00:01:00,369

I need your help did you do

14

00:01:06,480 --> 00:01:02,780

1985

15

00:01:08,640 --> 00:01:06,490

[Music]

16

00:01:10,770 --> 00:01:08,650

you're listening to fade to black with

17

00:01:14,530 --> 00:01:10,780

Jimmy Church on the game change in that

18

00:01:19,030 --> 00:01:15,670

hey now

19

00:01:27,220 --> 00:01:19,040

[Music]

20

00:01:28,810 --> 00:01:27,230

hey now how you doing yeah I feel like

21

00:01:31,510 --> 00:01:28,820

that that baby right there in the gift

22

00:01:35,710 --> 00:01:31,520

right there from Pat that's me that's me

23

00:01:40,020 --> 00:01:35,720

right now that's me that's pretty cool

24

00:01:43,150 --> 00:01:40,030

fade to black this spoke radio for da

25

00:01:50,920 --> 00:01:43,160

messes yeah

26  
00:01:52,350 --> 00:01:50,930  
today's Tuesday May 22nd 2018 just 141

27  
00:01:54,630 --> 00:01:52,360  
days into the new year

28  
00:01:58,630 --> 00:01:54,640  
[Music]

29  
00:02:00,280 --> 00:01:58,640  
224 days left and I would like to

30  
00:02:01,840 --> 00:02:00,290  
welcome everybody listening all around

31  
00:02:04,510 --> 00:02:01,850  
the world all across the United States

32  
00:02:06,580 --> 00:02:04,520  
hither and thither to and fro back and

33  
00:02:11,370 --> 00:02:06,590  
forth up and down east and west north

34  
00:02:14,500 --> 00:02:11,380  
and south far and near

35  
00:02:17,080 --> 00:02:14,510  
this is fade to black for kjc are the

36  
00:02:20,590 --> 00:02:17,090  
game changer network in kg ra the

37  
00:02:25,660 --> 00:02:20,600  
planets I'm yours to be searched what's

38  
00:02:28,360 --> 00:02:25,670

cracking everybody how you doin Linda

39

00:02:30,850 --> 00:02:28,370

Moulton Howe here tonight

40

00:02:33,729 --> 00:02:30,860

I can't camp lit it's been a while it's

41

00:02:35,860 --> 00:02:33,739

been a while she's been on with this you

42

00:02:39,339 --> 00:02:35,870

know a little short bursts here and

43

00:02:42,910 --> 00:02:39,349

there but it's been a while since Linda

44

00:02:45,479 --> 00:02:42,920

and I have sat down and had the head the

45

00:02:49,690 --> 00:02:45,489

talk so we're gonna do that tonight

46

00:02:52,270 --> 00:02:49,700

we're gonna go A to Z artificial

47

00:02:57,759 --> 00:02:52,280

intelligence to UFOs and we'll cover the

48

00:03:00,690 --> 00:02:57,769

Z with Zimbabwe tomorrow night George

49

00:03:05,770 --> 00:03:00,700

Noory is here

50

00:03:10,180 --> 00:03:05,780

Victoria Guevara --an is here also with

51  
00:03:12,880 --> 00:03:10,190  
some very special surprise guests so

52  
00:03:13,720 --> 00:03:12,890  
buckle up okay tomorrow night's gonna be

53  
00:03:17,259 --> 00:03:13,730  
a great show

54  
00:03:19,000 --> 00:03:17,269  
had Linda here for tomorrow night but

55  
00:03:22,270 --> 00:03:19,010  
then I couldn't have had Linda here for

56  
00:03:25,030 --> 00:03:22,280  
tonight so there you go so you figure it

57  
00:03:28,000 --> 00:03:25,040  
out we were gonna have Linda tomorrow

58  
00:03:32,860 --> 00:03:28,010  
night but we're not who is filling those

59  
00:03:34,059 --> 00:03:32,870  
shoes yeah so you're gonna want to want

60  
00:03:38,289 --> 00:03:34,069  
to be here tomorrow night it's gonna be

61  
00:03:39,610 --> 00:03:38,299  
a great show and then on Thursday Jon

62  
00:03:42,610 --> 00:03:39,620  
Rappoport is going to be here no more

63  
00:03:45,280 --> 00:03:42,620

fake newsroom live that's right open

64

00:03:46,839 --> 00:03:45,290

lines and we are getting close we're

65

00:03:50,199 --> 00:03:46,849

getting close to contact in the desert

66

00:03:52,809 --> 00:03:50,209

we are one week away so what we're gonna

67

00:03:54,970 --> 00:03:52,819

do next week by the way and I know I'm

68

00:03:57,129 --> 00:03:54,980

announcing this on Tuesday but you need

69

00:04:00,759 --> 00:03:57,139

to understand next week's going to be a

70

00:04:03,280 --> 00:04:00,769

short week for us so Wednesday night

71

00:04:04,839 --> 00:04:03,290

will be our last show of the week and

72

00:04:08,020 --> 00:04:04,849

then we head out to contact in the

73

00:04:08,710 --> 00:04:08,030

desert but you know taking Thursday

74

00:04:11,680 --> 00:04:08,720

night off

75

00:04:13,509 --> 00:04:11,690

and but we are broadcasting Friday night

76

00:04:16,449 --> 00:04:13,519

so you've got to get ready for that

77

00:04:17,949 --> 00:04:16,459

adjust your schedules okay and next

78

00:04:22,510 --> 00:04:17,959

Friday night we'll be broadcasting live

79

00:04:25,689 --> 00:04:22,520

okay now spent my day today over at on

80

00:04:28,420 --> 00:04:25,699

stellar you can now find me there

81

00:04:29,740 --> 00:04:28,430

I have bounced over to Facebook for a

82

00:04:34,750 --> 00:04:29,750

minute today I'll talk about that in

83

00:04:39,640 --> 00:04:34,760

just a second but on stellar com ons te

84

00:04:41,500 --> 00:04:39,650

ll AR dot-com that is where you need to

85

00:04:42,140 --> 00:04:41,510

be hanging out that is the social media

86

00:04:45,469 --> 00:04:42,150

platform

87

00:04:47,750 --> 00:04:45,479

of the future but it is happening now on

88

00:04:50,120 --> 00:04:47,760

stellar common you can use the promo

89

00:04:53,120 --> 00:04:50,130

code Jimmy get yourself some bonus

90

00:04:55,520 --> 00:04:53,130

tokens and what those mean with the

91

00:04:59,000 --> 00:04:55,530

blockchain and the token economy over

92

00:05:01,520 --> 00:04:59,010

time stellar will be using those soon so

93

00:05:03,760 --> 00:05:01,530

just get over start hanging out start

94

00:05:06,469 --> 00:05:03,770

writing invite all of your friends

95

00:05:08,450 --> 00:05:06,479

that's what you need to do get over town

96

00:05:12,230 --> 00:05:08,460

seller it's absolutely amazing you can

97

00:05:16,240 --> 00:05:12,240

follow me on twitter at Jay Church radio

98

00:05:18,740 --> 00:05:16,250

again very simple at Jay Church radio

99

00:05:20,810 --> 00:05:18,750

you can kind of go and check out

100

00:05:23,870 --> 00:05:20,820

Facebook I'm not accepting friends or

101  
00:05:26,270 --> 00:05:23,880  
are doing that anymore but you can

102  
00:05:29,540 --> 00:05:26,280  
certainly go and follow our radio page

103  
00:05:32,480 --> 00:05:29,550  
for Jimmy Church radio that's over on

104  
00:05:35,990 --> 00:05:32,490  
Facebook and subscribe to our YouTube

105  
00:05:37,700 --> 00:05:36,000  
channel which is fade to black and that

106  
00:05:39,560 --> 00:05:37,710  
is easy to find fade to black and then

107  
00:05:41,330 --> 00:05:39,570  
when you get there if you do it off of

108  
00:05:43,490 --> 00:05:41,340  
our website you can just click straight

109  
00:05:45,379 --> 00:05:43,500  
to it but if you go to youtube is the

110  
00:05:47,240 --> 00:05:45,389  
one that says Jimmy Church official

111  
00:05:50,779 --> 00:05:47,250  
right so then you'll know it's the

112  
00:05:55,250 --> 00:05:50,789  
official page it's all simple to do

113  
00:05:59,170 --> 00:05:55,260

okay now the sandbox is hashtag F to be

114

00:06:05,900 --> 00:05:59,180

on Twitter hashtag F to be on Twitter

115

00:06:08,750 --> 00:06:05,910

soon okay now soon did you happen to see

116

00:06:13,790 --> 00:06:08,760

the apology commercials from Facebook on

117

00:06:16,730 --> 00:06:13,800

TV now I don't watch TV Scott but I

118

00:06:19,370 --> 00:06:16,740

would love to if you guys got a clip of

119

00:06:23,659 --> 00:06:19,380

be more than happy to click on a link a

120

00:06:26,779 --> 00:06:23,669

bit you they're funny I bet you they're

121

00:06:29,390 --> 00:06:26,789

funny all right where are my hashtag F

122

00:06:31,040 --> 00:06:29,400

to be I see so when I say hashtag F to

123

00:06:34,339 --> 00:06:31,050

be for the sandbox

124

00:06:37,040 --> 00:06:34,349

I immediately glance over at the sandbox

125

00:06:39,770 --> 00:06:37,050

to see what's new there we use TweetDeck

126  
00:06:41,360 --> 00:06:39,780  
and it advances automatically you don't

127  
00:06:43,730 --> 00:06:41,370  
have to click any time anybody post

128  
00:06:45,770 --> 00:06:43,740  
something it it rolls through and it's

129  
00:06:47,810 --> 00:06:45,780  
just an amazing piece of software from

130  
00:06:50,630 --> 00:06:47,820  
Twitter called TweetDeck and that's what

131  
00:06:52,550 --> 00:06:50,640  
we use and you want to go over and hang

132  
00:06:54,239 --> 00:06:52,560  
out because it's there in real time also

133  
00:06:59,969 --> 00:06:54,249  
we have the chat

134  
00:07:02,879 --> 00:06:59,979  
rooms hello everyone you see you ever

135  
00:07:06,539 --> 00:07:02,889  
noticed when somebody types and they're

136  
00:07:10,079 --> 00:07:06,549  
on the phone they'll speak it out as

137  
00:07:14,969 --> 00:07:12,629  
you gotta love it you gotta love it okay

138  
00:07:16,979 --> 00:07:14,979

you can email throughout the show Jimmy

139

00:07:21,269 --> 00:07:16,989

and Jimmy Church radio calm all right

140

00:07:25,379 --> 00:07:21,279

last night I spoke about Gina's a

141

00:07:27,239 --> 00:07:25,389

Morelli and I told a little uh you know

142

00:07:31,529 --> 00:07:27,249

a little story and and and what she

143

00:07:34,379 --> 00:07:31,539

meant to me personally growing up and

144

00:07:38,459 --> 00:07:34,389

her and her father Mario and her sister

145

00:07:41,429 --> 00:07:38,469

Andrea the three of them you know let me

146

00:07:43,249 --> 00:07:41,439

in to the Sam Pirelli world and brought

147

00:07:47,479 --> 00:07:43,259

me into their family very very

148

00:07:51,719 --> 00:07:47,489

graciously back when I was a kid well

149

00:07:56,399 --> 00:07:51,729

Gina passed away and she was 59 years

150

00:07:59,579 --> 00:07:56,409

old and there you go she's she's in a

151  
00:08:01,109 --> 00:07:59,589  
better place and in you know a night and

152  
00:08:04,229 --> 00:08:01,119  
I thought about things today and I

153  
00:08:06,569 --> 00:08:04,239  
thought okay you know here what do you

154  
00:08:08,789 --> 00:08:06,579  
do with that you know what do you do

155  
00:08:11,519 --> 00:08:08,799  
with that somebody that you've known for

156  
00:08:14,039 --> 00:08:11,529  
35 years and very close with and stuff

157  
00:08:16,259 --> 00:08:14,049  
what do you do because her sister Andrea

158  
00:08:19,169 --> 00:08:16,269  
passed away her father passed away and

159  
00:08:22,619 --> 00:08:19,179  
and and the Klan and the Zeffirelli's

160  
00:08:25,319 --> 00:08:22,629  
those three they're in San Marino

161  
00:08:28,559 --> 00:08:25,329  
Pasadena California they're all gone now

162  
00:08:33,299 --> 00:08:28,569  
you know what do you do with that you

163  
00:08:36,689 --> 00:08:33,309

know and you know you can't do much but

164

00:08:39,899 --> 00:08:36,699

you've just got the memories and I was

165

00:08:45,150 --> 00:08:39,909

able to do that last night she passed

166

00:08:47,790 --> 00:08:45,160

away last night during the show and I'm

167

00:08:50,369 --> 00:08:47,800

just glad that I had the chance to do

168

00:08:53,939 --> 00:08:50,379

that and I want to thank all of you for

169

00:08:57,449 --> 00:08:53,949

just letting me take advantage of my

170

00:08:59,400 --> 00:08:57,459

little soapbox here in the bunker to

171

00:09:02,309 --> 00:08:59,410

share that but she did pass away last

172

00:09:04,889 --> 00:09:02,319

night during the show and she's left

173

00:09:07,550 --> 00:09:04,899

this earth okay there you go

174

00:09:10,070 --> 00:09:07,560

and and you know I

175

00:09:14,720 --> 00:09:10,080

I'm looking at Scott saying no if you

176

00:09:19,040 --> 00:09:14,730

were part of Hollywood back in the late

177

00:09:22,070 --> 00:09:19,050

70s throughout the 80s you were you know

178

00:09:25,700 --> 00:09:22,080

you were part of his Pirelli world it

179

00:09:27,560 --> 00:09:25,710

was everywhere and and Scott yeah he's

180

00:09:28,940 --> 00:09:27,570

yeah you know we're all we're all

181

00:09:33,500 --> 00:09:28,950

tripping because she was the nicest

182

00:09:38,180 --> 00:09:33,510

coolest funniest smartest professional

183

00:09:39,680 --> 00:09:38,190

rock and roll royalty and she you know

184

00:09:41,600 --> 00:09:39,690

she was just solid that's so special to

185

00:09:43,310 --> 00:09:41,610

so many people and yeah today

186

00:09:47,360 --> 00:09:43,320

everybody's kind of freaking out because

187

00:09:49,280 --> 00:09:47,370

you know she was just cool so just thank

188

00:09:52,490 --> 00:09:49,290

you for allowing me to do that okay all

189

00:09:54,800 --> 00:09:52,500

right let's move on and Gina would

190

00:09:57,740 --> 00:09:54,810

definitely say the show must go on you

191

00:09:59,750 --> 00:09:57,750

know buckle up kids tighten up your

192

00:10:07,510 --> 00:09:59,760

shoes and get out on that stage you know

193

00:10:13,880 --> 00:10:10,370

okay all right I'm cool I'm cool I'm

194

00:10:16,430 --> 00:10:13,890

actually in a great mood okay I'm in a

195

00:10:18,320 --> 00:10:16,440

great mood and don't forget to head over

196

00:10:20,450 --> 00:10:18,330

to on stellar you're listening to my

197

00:10:23,120 --> 00:10:20,460

voice now you've heard me talk about on

198

00:10:26,390 --> 00:10:23,130

stellar for the last couple of months

199

00:10:29,120 --> 00:10:26,400

every single night as some more updates

200

00:10:33,680 --> 00:10:29,130

were done to messaging and some other

201

00:10:37,130 --> 00:10:33,690

stuff a very a very cool update

202

00:10:38,630 --> 00:10:37,140

tightening the screws it is it's an

203

00:10:42,700 --> 00:10:38,640

extraordinary place to go and hang out

204

00:10:45,290 --> 00:10:42,710

it's on stellar comm o NS te ll a

205

00:10:47,750 --> 00:10:45,300

are.com you can use my promo code Jimmy

206

00:10:49,700 --> 00:10:47,760

okay get over there and get it done our

207

00:10:52,160 --> 00:10:49,710

next event is coming up next week it's

208

00:10:54,800 --> 00:10:52,170

June 1st through the 4th contact in the

209

00:10:56,329 --> 00:10:54,810

desert Indian Wells Palm Springs at the

210

00:10:58,280 --> 00:10:56,339

Renaissance Resort & Spa

211

00:11:01,100 --> 00:10:58,290

of course Linda's going to be there she

212

00:11:04,579 --> 00:11:01,110

is with us tonight and you can go and

213

00:11:06,680 --> 00:11:04,589

hang out and meet Linda and go and

214

00:11:08,600 --> 00:11:06,690

listen to her presentations along with

215

00:11:11,480 --> 00:11:08,610

everybody else George Noory

216

00:11:13,519 --> 00:11:11,490

is going to be here tomorrow night he

217

00:11:17,240 --> 00:11:13,529

will also be at contact in the desert

218

00:11:18,500 --> 00:11:17,250

and then of course we have Victoria is

219

00:11:20,820 --> 00:11:18,510

going to be here tomorrow night too as

220

00:11:25,380 --> 00:11:20,830

well and we do this every

221

00:11:27,950 --> 00:11:25,390

single years we you know get ready for

222

00:11:30,360 --> 00:11:27,960

contact in the desert by bringing on

223

00:11:32,220 --> 00:11:30,370

some of the speakers here to talk about

224

00:11:34,350 --> 00:11:32,230

what you know it's like a preview of

225

00:11:36,870 --> 00:11:34,360

what is gonna be going on out there and

226

00:11:39,870 --> 00:11:36,880

for those of you that can't make it to

227

00:11:42,750 --> 00:11:39,880

contact in the desert then you know we

228

00:11:44,610 --> 00:11:42,760

we get to share everybody with you and

229

00:11:47,970 --> 00:11:44,620

that's that's why we do it

230

00:11:51,180 --> 00:11:47,980

it's such a huge event and so you need

231

00:11:53,430 --> 00:11:51,190

to if you are in Southern California if

232

00:11:55,260 --> 00:11:53,440

you are making plans go and get your

233

00:11:57,390 --> 00:11:55,270

tickets now and and make your

234

00:12:01,230 --> 00:11:57,400

arrangements because this is the one

235

00:12:03,810 --> 00:12:01,240

event all year this is the big one this

236

00:12:05,880 --> 00:12:03,820

is if you're gonna make one event all

237

00:12:08,610 --> 00:12:05,890

year this is the one that you want to

238

00:12:12,300 --> 00:12:08,620

come out and and and hang out with all

239

00:12:15,450 --> 00:12:12,310

of us okay all right now last night we

240

00:12:18,540 --> 00:12:15,460

had a Theresa in Arizona and she is

241

00:12:21,360 --> 00:12:18,550

going to be teaching and presenting up

242

00:12:24,120 --> 00:12:21,370

at the SOL tech gathering which is e

243

00:12:27,420 --> 00:12:24,130

Sethi ranch and it's this August 9th

244

00:12:30,380 --> 00:12:27,430

through the 12th and all you have to do

245

00:12:33,540 --> 00:12:30,390

is go to Seoul tech gathering calm and

246

00:12:36,720 --> 00:12:33,550

the list of presenters here we've just

247

00:12:38,400 --> 00:12:36,730

added a couple more so you want to go to

248

00:12:39,660 --> 00:12:38,410

Seoul together calm and check out

249

00:12:41,880 --> 00:12:39,670

everything that we have going on because

250

00:12:44,460 --> 00:12:41,890

Cory Goods gonna be there

251

00:12:47,130 --> 00:12:44,470

we've got Jason quad james gilliland

252

00:12:52,710 --> 00:12:47,140

Matthew Ryan I'm so looking forward to

253

00:12:55,400 --> 00:12:52,720

Matthew Makayla Sheldon Mikayla Sheldon

254

00:12:58,920 --> 00:12:55,410

remote viewing and channeling and

255

00:13:02,370 --> 00:12:58,930

everything that we talked about on this

256

00:13:03,900 --> 00:13:02,380

show with Theresa and Holly and Mary

257

00:13:07,380 --> 00:13:03,910

Gabrielle

258

00:13:10,770 --> 00:13:07,390

Ashley John lund Dana Harvey remote

259

00:13:14,340 --> 00:13:10,780

viewing channeling life after death all

260

00:13:15,630 --> 00:13:14,350

of these nd ease all of these things

261

00:13:18,150 --> 00:13:15,640

we're gonna be talking about and

262

00:13:21,150 --> 00:13:18,160

teaching about up there so come and hang

263

00:13:23,280 --> 00:13:21,160

out with this four days of celebration

264

00:13:27,150 --> 00:13:23,290

learning seeking knowledge making

265

00:13:29,130 --> 00:13:27,160

friends making memories let's go and

266

00:13:32,370 --> 00:13:29,140

hang out at the Field of Dreams

267

00:13:34,200 --> 00:13:32,380

okay it is the sole tech gathering

268

00:13:34,680 --> 00:13:34,210

August 9th through the 12th don't forget

269

00:13:37,350 --> 00:13:34,690

to

270

00:13:39,600 --> 00:13:37,360

check out our podcast you can subscribe

271

00:13:42,870 --> 00:13:39,610

right over at Jimmy Church radio.com

272

00:13:47,370 --> 00:13:42,880

click on the podcasts banner there where

273

00:13:49,620 --> 00:13:47,380

we have over 850 archived shows just two

274

00:13:52,140 --> 00:13:49,630

dollars a month that's it all platforms

275

00:13:54,990 --> 00:13:52,150

Apple Android everything that you need

276

00:13:57,450 --> 00:13:55,000

is right there just two dollars a month

277

00:14:00,090 --> 00:13:57,460

you can also become a fade or not over

278

00:14:02,910 --> 00:14:00,100

in our membership section on the site

279

00:14:05,010 --> 00:14:02,920

where you will get the bunker cam hello

280

00:14:06,900 --> 00:14:05,020

you get commercial free downloadable

281

00:14:08,730 --> 00:14:06,910

archives you can even get the game

282

00:14:13,260 --> 00:14:08,740

changer where you get your fade to black

283

00:14:15,000 --> 00:14:13,270

here and now that's a great picture of

284

00:14:19,020 --> 00:14:15,010

Gina Scott I don't know where you got

285

00:14:21,720 --> 00:14:19,030

that that's a dog of Vincenzo very cool

286

00:14:25,700 --> 00:14:21,730

I'm gonna retweet that that's uh that's

287

00:14:30,990 --> 00:14:25,710

a great pic right there there's unit

288

00:14:33,600 --> 00:14:31,000

where am i oh if you the new faded black

289

00:14:37,370 --> 00:14:33,610

shirts which I've managed to never show

290

00:14:39,660 --> 00:14:37,380

on the air which we have been shipping

291

00:14:40,920 --> 00:14:39,670

when you get yours I want to see what

292

00:14:43,290 --> 00:14:40,930

they look like on everybody take

293

00:14:45,990 --> 00:14:43,300

pictures and send them over to us okay

294

00:14:48,630 --> 00:14:46,000

and plus we are doing a Hall of Fame

295

00:14:50,210 --> 00:14:48,640

here very soon at a Jimmy Church

296

00:14:54,030 --> 00:14:50,220

radio.com with all of your pictures

297

00:14:58,520 --> 00:14:54,040

there okay now let's get this show

298

00:15:06,200 --> 00:14:58,530

crackin today happy birthday to

299

00:15:09,860 --> 00:15:06,210

Morrissey Morrissey is 59 the Smiths

300

00:15:14,100 --> 00:15:09,870

Morrissey you know this is the truth

301

00:15:17,550 --> 00:15:14,110

you've got your Eddie Van Halen or

302

00:15:19,230 --> 00:15:17,560

you've got pick up somebody modern you

303

00:15:22,220 --> 00:15:19,240

know you've got Michael Jackson you know

304

00:15:23,840 --> 00:15:22,230

you just whatever Bono you know it's

305

00:15:28,100 --> 00:15:23,850

Madonna

306

00:15:32,250 --> 00:15:28,110

you know just pick a name Morrissey

307

00:15:37,500 --> 00:15:32,260

influenced just as many people out there

308

00:15:41,850 --> 00:15:37,510

as anybody else seriously 59 the Smiths

309

00:15:46,079 --> 00:15:41,860

a home man Morrissey today's 59 and this

310

00:15:48,420 --> 00:15:46,089

is for Rita Rita today

311

00:15:53,870 --> 00:15:48,430

Maggie cue

312

00:15:58,590 --> 00:15:53,880

is 39 all right I understand history OTV

313

00:16:02,450 --> 00:15:58,600

1981 police staking out a bridge over

314

00:16:06,000 --> 00:16:02,460

the Chattahoochee River near Atlanta

315

00:16:09,449 --> 00:16:06,010

heard a loud splash on this day and

316

00:16:11,100 --> 00:16:09,459

began chasing Wayne Williams as he

317

00:16:13,829 --> 00:16:11,110

attempts to drive away in a station

318

00:16:17,010 --> 00:16:13,839

wagon after questioning him about his

319

00:16:20,820 --> 00:16:17,020

involvement in the unprecedented string

320

00:16:22,070 --> 00:16:20,830

of 23 child murders in Atlanta over the

321

00:16:27,630 --> 00:16:22,080

previous two years

322

00:16:30,300 --> 00:16:27,640

Williams was released however he was

323

00:16:33,630 --> 00:16:30,310

arrested two days later when the body of

324

00:16:35,670 --> 00:16:33,640

Neff Daniel Carter was found in the

325

00:16:39,090 --> 00:16:35,680

river near the bridge where they heard

326

00:16:42,269 --> 00:16:39,100

the splash Williams was later convicted

327

00:16:46,139 --> 00:16:42,279

for two of the murders and 22 other

328

00:16:47,130 --> 00:16:46,149

cases were closed he was sentenced to

329

00:16:52,800 --> 00:16:47,140

life in prison

330

00:16:56,730 --> 00:16:52,810

happened on this day in 1981 Fader fact

331

00:17:02,610 --> 00:16:56,740

here we go Bader fact the current

332

00:17:07,350 --> 00:17:02,620

library in Alexandria Egypt has a copy

333

00:17:09,540 --> 00:17:07,360

of all of the web pages on every website

334

00:17:19,770 --> 00:17:09,550

on the Internet

335

00:17:22,799 --> 00:17:19,780

since it started in 1996 they got a copy

336

00:17:25,770 --> 00:17:22,809

of Jupiter's radio.com at the Library of

337

00:17:31,820 --> 00:17:25,780

Alexandria in Egypt now I got to say

338

00:17:36,240 --> 00:17:34,080

tonight very special guest Lynn them all

339

00:17:37,830 --> 00:17:36,250

now she's gonna be with us at the bottom

340

00:17:40,020 --> 00:17:37,840

of the hour I can't believe I just smack

341

00:17:45,210 --> 00:17:40,030

my lips and I smack my lips because I'm

342

00:17:46,080 --> 00:17:45,220

drinking River moon coffee my goodness

343

00:17:51,480 --> 00:17:46,090

that's good coffee

344

00:17:54,600 --> 00:17:51,490

so talking about Gina Gina is M Pirelli

345

00:17:59,070 --> 00:17:54,610

earlier and I was sitting here thinking

346

00:18:01,570 --> 00:17:59,080

today about rock and roll stories and

347

00:18:05,740 --> 00:18:01,580

everybody wants me to tell another

348

00:18:07,390 --> 00:18:05,750

rock-and-roll story and now and so I was

349

00:18:09,070 --> 00:18:07,400

thinking today I'm just going wow yeah I

350

00:18:13,240 --> 00:18:09,080

can't really do that well on the air

351

00:18:15,370 --> 00:18:13,250

can't do that one either that wouldn't

352

00:18:17,350 --> 00:18:15,380

you do on private but and I was thinking

353

00:18:22,210 --> 00:18:17,360

some of the cool moments right and I

354

00:18:24,040 --> 00:18:22,220

have I have a story here this might be

355

00:18:27,130 --> 00:18:24,050

the most rock-and-roll story I've got

356

00:18:31,240 --> 00:18:27,140

well it's not the most but it's

357

00:18:34,990 --> 00:18:31,250

definitely rock and roll and and it goes

358

00:18:38,380 --> 00:18:35,000

like this and and some I swear to you

359

00:18:43,540 --> 00:18:38,390

every word of what I'm about to say is

360

00:18:46,120 --> 00:18:43,550

true all right there's a guitar player

361

00:18:51,760 --> 00:18:46,130

here in Los Angeles his name is Michael

362

00:18:55,530 --> 00:18:51,770

Landau and Michael Landau is a studio

363

00:18:58,510 --> 00:18:55,540

cat that has played recorded for

364

00:19:01,960 --> 00:18:58,520

everybody but ba Scaggs Joni Mitchell's

365

00:19:04,680 --> 00:19:01,970

seal Michael Jackson James Taylor

366

00:19:06,640 --> 00:19:04,690

Richard mark Steve Perry Pink Floyd

367

00:19:10,660 --> 00:19:06,650

Roger Daltrey

368

00:19:14,470 --> 00:19:10,670

Glenn Frey Miles Davis right

369

00:19:16,930 --> 00:19:14,480

okay he's that great an amazing guitar

370

00:19:19,180 --> 00:19:16,940

player and he's played for another

371

00:19:21,550 --> 00:19:19,190

hundred bands that he's forgotten about

372

00:19:24,490 --> 00:19:21,560

and he is the guitar players guitar

373

00:19:26,290 --> 00:19:24,500

player and he's got a style it's very

374

00:19:29,920 --> 00:19:26,300

hard to explain boo but when he's

375

00:19:38,190 --> 00:19:29,930

playing the Michael Landau's style it's

376

00:19:40,870 --> 00:19:38,200

like a combination of Frank Zappa meets

377

00:19:41,590 --> 00:19:40,880

you got to go crazy you got to go crazy

378

00:19:48,010 --> 00:19:41,600

talk

379

00:19:51,280 --> 00:19:48,020

meets beetlejuice crazy style an amazing

380

00:19:53,380 --> 00:19:51,290

player not of this world

381

00:19:55,570 --> 00:19:53,390

great and he's the kind of guy that

382

00:19:57,040 --> 00:19:55,580

Steve Vai goes okay well you know yeah

383

00:19:59,740 --> 00:19:57,050

you know I play pretty good man but

384

00:20:03,160 --> 00:19:59,750

Michael and al is a real guitar player

385

00:20:08,740 --> 00:20:03,170

Michael and Al's like that okay

386

00:20:11,950 --> 00:20:08,750

and so he's he he has a band the these

387

00:20:13,570 --> 00:20:11,960

to play a lot a little power trio here

388

00:20:14,710 --> 00:20:13,580

in Los Angeles called the raging

389

00:20:24,160 --> 00:20:14,720

hongki's

390

00:20:26,740 --> 00:20:24,170

his drummer was is Abe laborious junior

391

00:20:28,870 --> 00:20:26,750

an able boreal Junior you've seen play

392

00:20:30,640 --> 00:20:28,880

in so many different bands but right now

393

00:20:32,500 --> 00:20:30,650

he's playing with Paul McCartney's Sofia

394

00:20:35,560 --> 00:20:32,510

and he's been playing with Paul for a

395

00:20:38,680 --> 00:20:35,570

while but Abe is a big dude man he's a

396

00:20:40,750 --> 00:20:38,690

big guy and it's just one of the Maisie

397

00:20:44,080 --> 00:20:40,760

plays his drumsticks are like tree

398

00:20:44,800 --> 00:20:44,090

trunks plays with baseball bats and so

399

00:20:48,070 --> 00:20:44,810

forth anyway

400

00:20:54,580 --> 00:20:48,080

a a blue boreal Junu great power trio

401  
00:20:56,080 --> 00:20:54,590  
and so Michael calls me up and now we

402  
00:20:59,410 --> 00:20:56,090  
weren't best friends or anything like

403  
00:21:02,290 --> 00:20:59,420  
that we just became close friends for a

404  
00:21:04,300 --> 00:21:02,300  
couple of years any you know we you know

405  
00:21:05,890 --> 00:21:04,310  
so anyway I came home with it by phone

406  
00:21:08,350 --> 00:21:05,900  
during a stupid man I'm playing the

407  
00:21:08,710 --> 00:21:08,360  
coconut teaser tonight put you on the

408  
00:21:11,020 --> 00:21:08,720  
list

409  
00:21:15,250 --> 00:21:11,030  
I said okay I'll be there alright so I

410  
00:21:18,310 --> 00:21:15,260  
pack up go to Hollywood and for the

411  
00:21:22,930 --> 00:21:18,320  
coconut teaser and the raging hongki's

412  
00:21:25,870 --> 00:21:22,940  
I'm gonna say there was probably 50

413  
00:21:27,970 --> 00:21:25,880

people there now for the teaser for the

414

00:21:30,510 --> 00:21:27,980

room you know it's you know half full

415

00:21:34,920 --> 00:21:30,520

right probably holds a hundred max down

416

00:21:38,290 --> 00:21:34,930

but anyway so I'm there and I'm standing

417

00:21:40,720 --> 00:21:38,300

oh oh no let me back up so out on the

418

00:21:42,760 --> 00:21:40,730

patio before the show with just next to

419

00:21:44,590 --> 00:21:42,770

the stage there's a stage door that goes

420

00:21:46,540 --> 00:21:44,600

from the patio and you walk straight out

421

00:21:48,100 --> 00:21:46,550

on the stage and I'm out there you know

422

00:21:52,000 --> 00:21:48,110

hanging out with the guys and yeah you

423

00:21:53,890 --> 00:21:52,010

know drinks whatever and then so we go

424

00:21:59,680 --> 00:21:53,900

from there we go on boom they're playing

425

00:22:02,170 --> 00:21:59,690

and during the second song maybe the

426

00:22:05,890 --> 00:22:02,180

third song and I'm standing right in

427

00:22:08,110 --> 00:22:05,900

front of Michael with my arms crossed it

428

00:22:09,960 --> 00:22:08,120

uh just checking him out and he's two

429

00:22:12,940 --> 00:22:09,970

feet in front of me and he's just

430

00:22:18,340 --> 00:22:12,950

slaying I mean and he's doing this

431

00:22:21,220 --> 00:22:18,350

melodic long guitar solo and and but

432

00:22:24,669 --> 00:22:21,230

he's only like a quarter of the way

433

00:22:28,359 --> 00:22:24,679

through it and this is what happens

434

00:22:32,519 --> 00:22:28,369

he takes his guitar and he grabs the

435

00:22:35,440 --> 00:22:32,529

vibrato bar he's raging out on it

436

00:22:36,460 --> 00:22:35,450

holding the guitar up and it's right you

437

00:22:41,009 --> 00:22:36,470

know I could reach out and touch the

438

00:22:46,629 --> 00:22:41,019

guitar and he breaks a guitar string

439

00:22:51,399 --> 00:22:46,639

right he looks at his guitar and he

440

00:22:57,190 --> 00:22:51,409

looks at me in my eyeballs takes his

441

00:23:03,419 --> 00:22:57,200

guitar turns around and Pierce's his

442

00:23:08,830 --> 00:23:03,429

guitar amp just get a head of the guitar

443

00:23:12,609 --> 00:23:08,840

into the guitar amp cycle what pulls it

444

00:23:17,289 --> 00:23:12,619

out rank rank Grand Marshal for 12

445

00:23:18,879 --> 00:23:17,299

guitar cavities loses his mind and then

446

00:23:25,480 --> 00:23:18,889

he turns to me he looks at the guitar

447

00:23:29,019 --> 00:23:25,490

and he turns to me and says put a new

448

00:23:34,269 --> 00:23:29,029

string on it and he hands me the guitar

449

00:23:37,840 --> 00:23:34,279

and I take it and I go over to the side

450

00:23:41,200 --> 00:23:37,850

of the stage he he had a backup guitar

451

00:23:44,649 --> 00:23:41,210

that apparently wasn't ready to play or

452

00:23:47,950 --> 00:23:44,659

whatever so he goes up and he's talking

453

00:23:49,659 --> 00:23:47,960

to the crowd and does this monologue and

454

00:23:54,100 --> 00:23:49,669

I run over and I'm going through his

455

00:23:56,769 --> 00:23:54,110

guitar case and this is no joke and and

456

00:24:00,220 --> 00:23:56,779

I got like a cigarette lighter and my

457

00:24:03,460 --> 00:24:00,230

friend Rob Casares was with me I I find

458

00:24:06,940 --> 00:24:03,470

a pack of strings I find its string up

459

00:24:08,919 --> 00:24:06,950

the guitar I tuned it like cranking down

460

00:24:13,930 --> 00:24:08,929

took me like five minutes and he's out

461

00:24:16,509 --> 00:24:13,940

there monologuing with the audience

462

00:24:19,629 --> 00:24:16,519

about the waitresses and drinks and life

463

00:24:23,230 --> 00:24:19,639

and whatever and I go back I hand him

464

00:24:27,039 --> 00:24:23,240

the guitar he plugs in the guitar turns

465

00:24:32,519 --> 00:24:27,049

it up like hits a chord it's in tune and

466

00:24:32,529 --> 00:24:37,970

that note and

467

00:24:46,070 --> 00:24:40,370

and and finishes the song actually he

468

00:24:49,820 --> 00:24:46,080

finishes the set and after that we we

469

00:24:52,610 --> 00:24:49,830

walk out ok so then this is the funny

470

00:24:55,820 --> 00:24:52,620

part alright no that was the funny part

471

00:24:59,380 --> 00:24:55,830

of the story extends so I go up on stage

472

00:25:02,690 --> 00:24:59,390

and I go up to Abe Laboral and it goes

473

00:25:05,299 --> 00:25:02,700

because he meant that was amazing we

474

00:25:09,049 --> 00:25:05,309

were laughing about it and Michael was

475

00:25:11,450 --> 00:25:09,059

pretty cool and I'm helping Abe you know

476

00:25:13,669 --> 00:25:11,460

we get all the gear out and I'm like a

477

00:25:16,850 --> 00:25:13,679

roadie all of a sudden and we get

478

00:25:19,460 --> 00:25:16,860

everything out and I'm and I'm talking

479

00:25:25,310 --> 00:25:19,470

to Michael off of the side of the stage

480

00:25:29,799 --> 00:25:25,320

and he acted like nothing happened and I

481

00:25:35,169 --> 00:25:29,809

didn't I didn't I didn't bring it up and

482

00:25:41,210 --> 00:25:35,179

my my whole point to all of this is that

483

00:25:43,190 --> 00:25:41,220

you have moments for me that was that

484

00:25:47,150 --> 00:25:43,200

was where you can die and go to heaven

485

00:25:50,120 --> 00:25:47,160

story and it was one of the coolest

486

00:25:54,919 --> 00:25:50,130

things that I could you know share with

487

00:25:58,520 --> 00:25:54,929

you but for Michael it was never talked

488

00:26:00,590 --> 00:25:58,530

about and and and Here I am sharing this

489

00:26:02,720 --> 00:26:00,600

story with you today he's so many years

490

00:26:05,690 --> 00:26:02,730

later I don't even know if he remembers

491

00:26:08,360 --> 00:26:05,700

it but it was one of those cool things

492

00:26:12,409 --> 00:26:08,370

now back to why this story is so

493

00:26:13,850 --> 00:26:12,419

important guitar players in Los Angeles

494

00:26:16,010 --> 00:26:13,860

and this is like this all around the

495

00:26:19,940 --> 00:26:16,020

world but it is really bad in Los

496

00:26:22,460 --> 00:26:19,950

Angeles and especially in the 80s and

497

00:26:28,240 --> 00:26:22,470

90s when this happened with Michael in

498

00:26:34,010 --> 00:26:28,250

the 90s guitar players are everywhere

499

00:26:39,820 --> 00:26:34,020

really good ones are everywhere and so

500

00:26:43,850 --> 00:26:39,830

guitar players don't really hang out

501  
00:26:46,250 --> 00:26:43,860  
right don't really hang out not two

502  
00:26:51,080 --> 00:26:46,260  
guitar players it just doesn't happen

503  
00:26:51,680 --> 00:26:51,090  
and we go to a club and you go to see

504  
00:26:55,009 --> 00:26:51,690  
somebody

505  
00:26:57,879 --> 00:26:55,019  
Michael Landau whatever you you as a

506  
00:27:00,440 --> 00:26:57,889  
guitar player you stand on the back wall

507  
00:27:02,480 --> 00:27:00,450  
you know with your arms crossed and

508  
00:27:04,220 --> 00:27:02,490  
you're just like looking at the dude and

509  
00:27:04,820 --> 00:27:04,230  
you're stealing licks and you're doing

510  
00:27:08,960 --> 00:27:04,830  
all of that

511  
00:27:12,769 --> 00:27:08,970  
but if dude breaks a string and he needs

512  
00:27:15,799 --> 00:27:12,779  
your help the last string in the last

513  
00:27:18,169 --> 00:27:15,809

thing Jordan just says which stream was

514

00:27:22,850 --> 00:27:18,179

the last thing you're gonna do was go

515

00:27:29,299 --> 00:27:22,860

and offer assistance you want him to

516

00:27:32,629 --> 00:27:29,309

break a string you just do and and there

517

00:27:36,590 --> 00:27:32,639

you go and I I was there the moment was

518

00:27:41,869 --> 00:27:36,600

right and it was it was a classic moment

519

00:27:44,299 --> 00:27:41,879

so if you ever get a chance go and seek

520

00:27:45,190 --> 00:27:44,309

out Michael and ow any of his stuff by

521

00:27:48,919 --> 00:27:45,200

the way

522

00:27:51,619 --> 00:27:48,929

online and listen to some of his songs

523

00:27:56,180 --> 00:27:51,629

and look at some of the artists that he

524

00:27:58,879 --> 00:27:56,190

has played with chances are one of your

525

00:28:02,570 --> 00:27:58,889

favorite songs I'm not exaggerating at

526

00:28:04,850 --> 00:28:02,580

all chances are you've heard him play

527

00:28:07,009 --> 00:28:04,860

quite a few times and he just didn't

528

00:28:08,810 --> 00:28:07,019

know it he is he's one of those guys and

529

00:28:11,149 --> 00:28:08,820

he is just an amazing guitar player in a

530

00:28:14,269 --> 00:28:11,159

cool moment and I just wanted to share a

531

00:28:19,119 --> 00:28:14,279

rock and roll story with you tonight as

532

00:28:21,980 --> 00:28:19,129

opposed to being you know the sad guy

533

00:28:23,690 --> 00:28:21,990

because I'm not alright so there you go

534

00:28:25,039 --> 00:28:23,700

let's get out of here let's get Linda in

535

00:28:27,740 --> 00:28:25,049

it's gonna be a great conversation

536

00:28:30,100 --> 00:28:27,750

tonight Linda Moulton Howe tomorrow

537

00:28:32,990 --> 00:28:30,110

night George Noory is going to be here

538

00:28:33,440 --> 00:28:33,000

Victoria Guevara is gonna be here too as

539

00:28:36,080 --> 00:28:33,450

well

540

00:28:37,430 --> 00:28:36,090

bunch of surprise guests it's going to

541

00:28:38,779 --> 00:28:37,440

be a great night tomorrow night Thursday

542

00:28:40,850 --> 00:28:38,789

nights Fator night with Jon Rappoport

543

00:28:43,460 --> 00:28:40,860

news no more fake newsroom live

544

00:28:45,110 --> 00:28:43,470

this is fade to black I'm your host

545

00:28:50,330 --> 00:28:45,120

Jimmy Church follow me on Twitter at J

546

00:28:53,250 --> 00:28:50,340

Church radio rest in peace Tina

547

00:29:22,750 --> 00:28:53,260

Zeffirelli I'll be right back

548

00:29:22,750 --> 00:29:22,760

[Music]

549

00:29:29,140 --> 00:29:25,790

you're listening to Jimmy Church fade to

550

00:29:43,130 --> 00:29:33,790

fade to black will now pause for a

551  
00:29:46,010 --> 00:29:43,140  
station kzr a radio when you take the

552  
00:29:48,350 --> 00:29:46,020  
beams from Central America with dashes

553  
00:29:50,990 --> 00:29:48,360  
of Indonesian and African mixed in and

554  
00:29:53,840 --> 00:29:51,000  
then roasted to the dark side of fade to

555  
00:29:56,990 --> 00:29:53,850  
black you create the ultimate brew of

556  
00:30:00,770 --> 00:29:57,000  
Fringe introducing the fade to black

557  
00:30:03,350 --> 00:30:00,780  
blend from River moon coffee yes River

558  
00:30:06,350 --> 00:30:03,360  
moons darkest customized roast was

559  
00:30:09,380 --> 00:30:06,360  
created for the love of fade to black

560  
00:30:12,050 --> 00:30:09,390  
the alchemy of masterful roasting and

561  
00:30:15,620 --> 00:30:12,060  
smoking the beans is in every sip of

562  
00:30:18,650 --> 00:30:15,630  
this full-bodied dark Java I need my

563  
00:30:20,930 --> 00:30:18,660

coffee dog deep with distinct

564

00:30:23,660 --> 00:30:20,940

bittersweet chocolate highlights just

565

00:30:26,090 --> 00:30:23,670

like the bunker leaning further into the

566

00:30:29,360 --> 00:30:26,100

darkness of the roast is fade to black

567

00:30:31,040 --> 00:30:29,370

blend from River moon coffee just click

568

00:30:34,370 --> 00:30:31,050

on the banner at Jimmy Church radio.com

569

00:30:39,370 --> 00:30:34,380

and use the promo code F to B blend for

570

00:30:41,960 --> 00:30:39,380

15% off of your order today Gobekli Tepe

571

00:30:44,270 --> 00:30:41,970

what can I say about the most popular

572

00:30:46,670 --> 00:30:44,280

tea on the internet and what a customers

573

00:30:50,840 --> 00:30:46,680

say about life change to eat and get the

574

00:30:53,600 --> 00:30:50,850

tea calm a lot but by federal law we get

575

00:30:56,060 --> 00:30:53,610

the tea DICOM cannot make claims to how

576

00:30:58,070 --> 00:30:56,070

this product can enhance your health we

577

00:31:00,800 --> 00:30:58,080

cannot even post our testimonies without

578

00:31:01,730 --> 00:31:00,810

being in compliance so how do we get

579

00:31:03,950 --> 00:31:01,740

past the hump

580

00:31:07,040 --> 00:31:03,960

try our products that get the tea calm

581

00:31:09,770 --> 00:31:07,050

and see for yourself you can send us a

582

00:31:10,910 --> 00:31:09,780

testimony but we just can't post it

583

00:31:14,810 --> 00:31:10,920

bummer

584

00:31:16,460 --> 00:31:14,820

our products are GMO free and organic we

585

00:31:18,860 --> 00:31:16,470

pride ourself in being the best we can

586

00:31:21,590 --> 00:31:18,870

be and we urge you to take charge of

587

00:31:23,660 --> 00:31:21,600

your health we're loving you're strong

588

00:31:25,850 --> 00:31:23,670

and many of our customers have shared

589

00:31:28,730 --> 00:31:25,860

their successes with friends and family

590

00:31:32,300 --> 00:31:28,740

protect your colon log on to get the tea

591

00:31:38,510 --> 00:31:32,310

calm that's get the t-dot-com

592

00:31:44,480 --> 00:31:38,520

get the t.com get t-dot-com nine out of

593

00:31:49,850 --> 00:31:44,490

ten geneticists agreed fade to black

594

00:31:50,960 --> 00:31:49,860

is not your father's radio show on the

595

00:31:58,910 --> 00:31:50,970

GameChanger

596

00:32:00,830 --> 00:31:58,920

Radio Network and kgr a the planet KCRA

597

00:32:02,180 --> 00:32:00,840

this summer tickets and hotel

598

00:32:04,370 --> 00:32:02,190

accommodations to the biggest

599

00:32:06,590 --> 00:32:04,380

conferences autograph books and DVDs

600

00:32:08,600 --> 00:32:06,600

chances to win all-inclusive conference

601  
00:32:12,110 --> 00:32:08,610  
cruises and private dinners with your

602  
00:32:14,870 --> 00:32:12,120  
favorite KCRA hosts click the contest to

603  
00:32:17,570 --> 00:32:14,880  
have a kgr a radio.com for your chance

604  
00:32:19,760 --> 00:32:17,580  
to win big this summer your contact for

605  
00:32:26,170 --> 00:32:19,770  
the best alternative talk radio on the

606  
00:32:30,770 --> 00:32:28,970  
hi this is Rob Reiner from anvil and

607  
00:32:36,320 --> 00:32:30,780  
you're listening to Jimmy's Georgian

608  
00:32:53,550 --> 00:32:36,330  
radio calm combats and we're listening

609  
00:32:58,200 --> 00:32:55,330  
all right welcome back

610  
00:33:02,950 --> 00:32:58,210  
fade to black having Osumi Church a

611  
00:33:05,440 --> 00:33:02,960  
spoke radio right here on the

612  
00:33:08,890 --> 00:33:05,450  
game-changer Network in kg RA the

613  
00:33:10,360 --> 00:33:08,900

planets tomorrow night's I want to

614

00:33:13,210 --> 00:33:10,370

remind everybody tomorrow night George

615

00:33:15,310 --> 00:33:13,220

Noory is going to be here a Victoria

616

00:33:17,740 --> 00:33:15,320

Guevara ham is going to be here and

617

00:33:20,230 --> 00:33:17,750

we've got a bunch of surprise special

618

00:33:21,700 --> 00:33:20,240

guests tomorrow night would have liked

619

00:33:23,590 --> 00:33:21,710

to have Linda on tomorrow night but then

620

00:33:27,670 --> 00:33:23,600

I couldn't have had Linda on tonight

621

00:33:31,330 --> 00:33:27,680

with me so my selfish ways I was like

622

00:33:33,520 --> 00:33:31,340

nah I want I want I want the full Linda

623

00:33:35,800 --> 00:33:33,530

tonight here on fade to black with all

624

00:33:37,840 --> 00:33:35,810

of you Linda Moulton Howe is here she's

625

00:33:40,030 --> 00:33:37,850

a graduate of Stanford University with a

626

00:33:42,430 --> 00:33:40,040

master's degree in communication she has

627

00:33:44,860 --> 00:33:42,440

devoted her documentary film television

628

00:33:47,380 --> 00:33:44,870

radio writing and reporting career to

629

00:33:49,300 --> 00:33:47,390

productions concerning science medicine

630

00:33:52,000 --> 00:33:49,310

in the environment miss Howe has

631

00:33:54,730 --> 00:33:52,010

received three regional Emmys a national

632

00:33:57,340 --> 00:33:54,740

Emmy nomination and a station Peabody

633

00:33:59,830 --> 00:33:57,350

Award among others linda has earthfiles

634

00:34:02,380 --> 00:33:59,840

calm of chorus but she also has her own

635

00:34:05,710 --> 00:34:02,390

radio program of john burroughs over on

636

00:34:08,350 --> 00:34:05,720

k gra she's on coast to coast am ancient

637

00:34:09,909 --> 00:34:08,360

aliens since its first season and she

638

00:34:12,159 --> 00:34:09,919

has a new series on gaia called

639

00:34:15,820 --> 00:34:12,169

truth hunters and this is my favorite

640

00:34:18,159 --> 00:34:15,830

part she has traveled to Venezuela Peru

641

00:34:20,440 --> 00:34:18,169

Brazil England Norway France Switzerland

642

00:34:22,930 --> 00:34:20,450

the Netherlands Yugoslavia Turkey

643

00:34:26,380 --> 00:34:22,940

Ethiopia Kenya Egypt Australia Japan

644

00:34:26,770 --> 00:34:26,390

Canada Mexico the Yucatan and Puerto

645

00:34:29,200 --> 00:34:26,780

Rico

646

00:34:32,860 --> 00:34:29,210

in addition to Oliver research on Earth

647

00:34:36,040 --> 00:34:32,870

files Linda now has and tonight we're

648

00:34:38,830 --> 00:34:36,050

doing it all she has spoken all around

649

00:34:41,440 --> 00:34:38,840

the world and tonight we are going to

650

00:34:44,320 --> 00:34:41,450

cover so many different subjects that

651  
00:34:46,750 --> 00:34:44,330  
for her as a journalist are important to

652  
00:34:48,370 --> 00:34:46,760  
her and her pursuit of them so we're

653  
00:34:50,260 --> 00:34:48,380  
gonna do everything that we can tonight

654  
00:34:52,270 --> 00:34:50,270  
and we're gonna try to squeeze it all in

655  
00:34:55,890 --> 00:34:52,280  
we're going to do our best because it's

656  
00:35:00,760 --> 00:34:55,900  
Linda Moulton Howes and good evening

657  
00:35:03,760 --> 00:35:00,770  
Jimmy thank you very very much I have

658  
00:35:05,950 --> 00:35:03,770  
had an astonishing life and it continues

659  
00:35:09,609 --> 00:35:05,960  
to be even more astonished

660  
00:35:12,579 --> 00:35:09,619  
I don't believe that I have ever had so

661  
00:35:15,160 --> 00:35:12,589  
many interactions with people around the

662  
00:35:19,660 --> 00:35:15,170  
world on questions that have to do with

663  
00:35:22,809 --> 00:35:19,670

are we alone in the universe and a kind

664

00:35:25,210 --> 00:35:22,819

of an astronomical mystery that persists

665

00:35:28,930 --> 00:35:25,220

that is going to be my opening lecture

666

00:35:32,799 --> 00:35:28,940

at the the upcoming contact in Indian

667

00:35:35,920 --> 00:35:32,809

Wells what about these fast radio bursts

668

00:35:38,650 --> 00:35:35,930

that some people in the science

669

00:35:42,599 --> 00:35:38,660

community say it maybe it's a neutrons

670

00:35:45,250 --> 00:35:42,609

are dancing with obstacle and others

671

00:35:48,010 --> 00:35:45,260

including an interview that I have done

672

00:35:51,069 --> 00:35:48,020

recently with a head of the astronomy

673

00:35:54,370 --> 00:35:51,079

department at Harvard they are seriously

674

00:35:58,210 --> 00:35:54,380

Jimmy contemplating the possibility that

675

00:36:02,230 --> 00:35:58,220

fast radio bursts that no one heard

676

00:36:06,609 --> 00:36:02,240

until 2007 so this is a mystery

677

00:36:09,849 --> 00:36:06,619

unfolding from 2007 to 2008 een and

678

00:36:13,539 --> 00:36:09,859

ongoing nobody had seen or heard them

679

00:36:16,720 --> 00:36:13,549

but now what I'm going to say is an

680

00:36:20,380 --> 00:36:16,730

astounding statement and it will explain

681

00:36:22,539 --> 00:36:20,390

partly why I've had the life I've led

682

00:36:25,569 --> 00:36:22,549

because when I hear a sentence like what

683

00:36:28,089 --> 00:36:25,579

I'm going to say right I want to get to

684

00:36:31,210 --> 00:36:28,099

the bottom of it I want to know exactly

685

00:36:35,920 --> 00:36:31,220

what the truth is that's why I am a

686

00:36:41,640 --> 00:36:35,930

truth hunter and here it is these bursts

687

00:36:45,480 --> 00:36:41,650

each one that lasts only about 5 to 6

688

00:36:51,849 --> 00:36:45,490

milliseconds each way less than a second

689

00:36:57,670 --> 00:36:51,859

the energy is equivalent to 500 million

690

00:36:59,559 --> 00:36:57,680

times the power of our Sun what does

691

00:37:01,690 --> 00:36:59,569

that tell you yeah what is that what

692

00:37:04,770 --> 00:37:01,700

does that say to you Marion yes half a

693

00:37:09,210 --> 00:37:04,780

billion of our stock what does that say

694

00:37:14,289 --> 00:37:09,220

well in the first in the 2000 back in

695

00:37:17,100 --> 00:37:14,299

2007 that question was are we dealing

696

00:37:19,170 --> 00:37:17,110

with something astronomical

697

00:37:22,530 --> 00:37:19,180

nobody could come up with what could

698

00:37:27,210 --> 00:37:22,540

produce that kind of energy in less than

699

00:37:29,970 --> 00:37:27,220

half a second and it's now known that

700

00:37:32,280 --> 00:37:29,980

it's one to three billion light years I

701  
00:37:34,740 --> 00:37:32,290  
think they're getting a consensus that

702  
00:37:39,740 --> 00:37:34,750  
it might be more three billion than one

703  
00:37:42,690 --> 00:37:39,750  
but it's a long long way away and when

704  
00:37:45,960 --> 00:37:42,700  
when I started following this and

705  
00:37:49,550 --> 00:37:45,970  
reading everything that I could about it

706  
00:37:53,100 --> 00:37:49,560  
and thinking back if you go back to

707  
00:37:57,840 --> 00:37:53,110  
right after the first headlines in

708  
00:38:01,530 --> 00:37:57,850  
science about the 2007 news in January

709  
00:38:05,070 --> 00:38:01,540  
of 2008 even channel 2 KTVU in San

710  
00:38:08,100 --> 00:38:05,080  
Francisco picked up on this and they did

711  
00:38:11,820 --> 00:38:08,110  
a bulletin they did they broke open in

712  
00:38:13,770 --> 00:38:11,830  
their news room and they said a mystery

713  
00:38:16,410 --> 00:38:13,780

signal had been recorded by an

714

00:38:18,420 --> 00:38:16,420

Australian radio telescope which is they

715

00:38:21,600 --> 00:38:18,430

are the scientists that have been seeing

716

00:38:24,600 --> 00:38:21,610

this and recording it and here is such

717

00:38:27,800 --> 00:38:24,610

an interesting quote from Eric started

718

00:38:31,230 --> 00:38:27,810

why it was a mystery why news straight

719

00:38:33,930 --> 00:38:31,240

mainstream news caught mm-hmm cut their

720

00:38:36,720 --> 00:38:33,940

attention with this and they said quote

721

00:38:39,240 --> 00:38:36,730

across the globe researchers search for

722

00:38:41,940 --> 00:38:39,250

signs of life in space were abuzz this

723

00:38:43,830 --> 00:38:41,950

week with word that a mystery signal has

724

00:38:47,730 --> 00:38:43,840

been picked up by a giant radio

725

00:38:50,640 --> 00:38:47,740

telescope and now the dilemma is how do

726

00:38:53,160 --> 00:38:50,650

you answer it and then there was the

727

00:38:55,950 --> 00:38:53,170

scientists at UC Berkeley and he said

728

00:38:59,510 --> 00:38:55,960

that dilemma is compounded by the fact

729

00:39:01,920 --> 00:38:59,520

that the signal may never be completely

730

00:39:04,260 --> 00:39:01,930

decoded and back then that's what they

731

00:39:06,450 --> 00:39:04,270

were thinking that this is some kind of

732

00:39:08,460 --> 00:39:06,460

communication and he said we probably

733

00:39:10,650 --> 00:39:08,470

won't be able to decode it

734

00:39:13,770 --> 00:39:10,660

we'll know something's out there but we

735

00:39:15,000 --> 00:39:13,780

won't know much about their civilization

736

00:39:17,610 --> 00:39:15,010

close quote

737

00:39:20,160 --> 00:39:17,620

that's how all of this began this is an

738

00:39:22,620 --> 00:39:20,170

intelligent signal this is coming from

739

00:39:25,140 --> 00:39:22,630

far away it is equivalent to half a

740

00:39:29,799 --> 00:39:25,150

billion of our Suns it probably is

741

00:39:36,189 --> 00:39:29,809

another civilization okay now jump

742

00:39:39,069 --> 00:39:36,199

all the way to January of 2017 and there

743

00:39:42,339 --> 00:39:39,079

was more news repeating fast radio

744

00:39:44,650 --> 00:39:42,349

bursts and they had it closer to the

745

00:39:48,009 --> 00:39:44,660

distance 2.5 billion light-years from

746

00:39:50,890 --> 00:39:48,019

Earth and the question that was being

747

00:39:56,049 --> 00:39:50,900

raised this is just a year ago is this

748

00:39:59,140 --> 00:39:56,059

alien intelligence so I called up the

749

00:40:02,769 --> 00:39:59,150

one person that I thought might be

750

00:40:07,209 --> 00:40:02,779

willing to talk about this because he is

751

00:40:11,529 --> 00:40:07,219

also on the board of project starshot

752

00:40:15,269 --> 00:40:11,539

which is hopefully in another literally

753

00:40:18,549 --> 00:40:15,279

two three years we may send off

754

00:40:22,719 --> 00:40:18,559

artificial intelligence toward Alpha

755

00:40:25,239 --> 00:40:22,729

Centauri and if we do it's going to be

756

00:40:26,979 --> 00:40:25,249

another breakthrough with technology

757

00:40:30,729 --> 00:40:26,989

trying to reach out into the start

758

00:40:34,809 --> 00:40:30,739

looking for other life and this man is

759

00:40:37,689 --> 00:40:34,819

avi Loeb he's PhD he's chair of the

760

00:40:41,309 --> 00:40:37,699

astronomy department at Harvard and he

761

00:40:46,479 --> 00:40:41,319

is a delight to talk with and when I

762

00:40:50,499 --> 00:40:46,489

asked him for his opinion about what

763

00:40:54,279 --> 00:40:50,509

this could be he already had put

764

00:40:57,309 --> 00:40:54,289

together a paper that he sent me and we

765

00:41:00,370 --> 00:40:57,319

ended up discussing the paper his

766

00:41:06,189 --> 00:41:00,380

proposal his hypothesis a year ago is

767

00:41:11,939 --> 00:41:06,199

that these huge fast radio bursts could

768

00:41:17,049 --> 00:41:11,949

be the first evidence of light speed

769

00:41:19,809 --> 00:41:17,059

transport by other intelligences that is

770

00:41:23,919 --> 00:41:19,819

in a paper that he presented and was

771

00:41:27,910 --> 00:41:23,929

published now that was just a year ago

772

00:41:31,839 --> 00:41:27,920

in the last three or four months other

773

00:41:33,959 --> 00:41:31,849

scientist has come forward and said no

774

00:41:37,390 --> 00:41:33,969

we don't think that we're dealing with

775

00:41:38,949 --> 00:41:37,400

light speed transportation no we don't

776

00:41:41,559 --> 00:41:38,959

think for dealing with the civilization

777

00:41:43,089 --> 00:41:41,569

we think we're dealing with some weird

778

00:41:47,589 --> 00:41:43,099

black hole

779

00:41:51,400 --> 00:41:47,599

mon-star combination but after that came

780

00:41:54,400 --> 00:41:51,410

out there was more more papers more

781

00:41:57,039 --> 00:41:54,410

scientists coming in saying all of the

782

00:42:00,999 --> 00:41:57,049

reasons why this needs to be studied as

783

00:42:04,390 --> 00:42:01,009

a possibility like avi loges proposal

784

00:42:06,940 --> 00:42:04,400

that it's the first evidence of light

785

00:42:10,289 --> 00:42:06,950

speed transportation one to three

786

00:42:12,969 --> 00:42:10,299

billion light years from the earth and I

787

00:42:16,450 --> 00:42:12,979

think that this is some of the most

788

00:42:21,009 --> 00:42:16,460

exciting material that is on our planet

789

00:42:25,630 --> 00:42:21,019

today to contemplate because in light of

790

00:42:29,079 --> 00:42:25,640

the wars in spite of the tribal violence

791

00:42:31,630 --> 00:42:29,089

in spite of feeling that everybody has

792

00:42:35,729 --> 00:42:31,640

that it's a revolutionary time and

793

00:42:40,930 --> 00:42:35,739

people are nervous about it the idea

794

00:42:45,180 --> 00:42:40,940

that we are maybe in Elon Musk if he has

795

00:42:50,739 --> 00:42:45,190

his way we will be launching to Mars in

796

00:42:54,880 --> 00:42:50,749

2020 no beyond that ship doctor Loeb at

797

00:42:59,759 --> 00:42:54,890

Harvard he in the project starshot they

798

00:43:03,249 --> 00:42:59,769

want to take big lasers and get them

799

00:43:06,430 --> 00:43:03,259

aimed right at what they're selling on

800

00:43:10,690 --> 00:43:06,440

wave wafer waa fer wafer spaceship

801  
00:43:13,559 --> 00:43:10,700  
meaning small as he was explaining to me

802  
00:43:17,049 --> 00:43:13,569  
this he said think of your iPhone

803  
00:43:20,589 --> 00:43:17,059  
anybody's iPhone think of how much it

804  
00:43:23,979 --> 00:43:20,599  
can do what it can do and he said we

805  
00:43:27,249 --> 00:43:23,989  
just take that same kind of condensed

806  
00:43:31,209 --> 00:43:27,259  
and very advanced computer ability and

807  
00:43:33,999 --> 00:43:31,219  
we put a big intense laser or lasers

808  
00:43:36,549 --> 00:43:34,009  
aimed with photons on a shield that

809  
00:43:39,579 --> 00:43:36,559  
protects the computer and the artificial

810  
00:43:43,359 --> 00:43:39,589  
intelligence but we start moving it out

811  
00:43:46,690 --> 00:43:43,369  
and he said we may get to 25 to 30% the

812  
00:43:49,029 --> 00:43:46,700  
speed of light on our first wafers craft

813  
00:43:54,039 --> 00:43:49,039

and then want to aim it to Alpha

814

00:43:56,710 --> 00:43:54,049

Centauri well if they got it Jimmy to 20

815

00:44:00,640 --> 00:43:56,720

to 30% of the speed of

816

00:44:04,060 --> 00:44:00,650

white if they might get there in 1617

817

00:44:06,250 --> 00:44:04,070

years right and and that would

818

00:44:10,570 --> 00:44:06,260

definitely be in a lifetime of a

819

00:44:13,420 --> 00:44:10,580

scientist and then as asked one of the

820

00:44:16,900 --> 00:44:13,430

men said we need somebody else out there

821

00:44:19,570 --> 00:44:16,910

to build some kind of a return so that

822

00:44:21,970 --> 00:44:19,580

we could get all of our information and

823

00:44:24,600 --> 00:44:21,980

get it back to earth barring that they

824

00:44:29,200 --> 00:44:24,610

will have to wait to get the data but

825

00:44:32,170 --> 00:44:29,210

professor load says imagine this okay so

826

00:44:34,630 --> 00:44:32,180

the first craft starts being launched

827

00:44:37,540 --> 00:44:34,640

toward Alpha Centauri at 25 or 30

828

00:44:40,330 --> 00:44:37,550

percent the speed of light well that we

829

00:44:43,900 --> 00:44:40,340

launch in a few months another one or a

830

00:44:45,790 --> 00:44:43,910

year and it's going faster and then we

831

00:44:49,240 --> 00:44:45,800

get to half the speed of light then we

832

00:44:52,060 --> 00:44:49,250

get to three-quarters maybe we even get

833

00:44:56,830 --> 00:44:52,070

up to seventy-five percent the speed of

834

00:45:02,050 --> 00:44:56,840

light those successive wafer crafts will

835

00:45:05,590 --> 00:45:02,060

pass the first craft they will continue

836

00:45:08,380 --> 00:45:05,600

in an evolutionary reach out to the

837

00:45:12,220 --> 00:45:08,390

point that we might by the time that we

838

00:45:15,190 --> 00:45:12,230

are at 50% to 75% the speed of light

839

00:45:17,650 --> 00:45:15,200

sending a craft toward our nearest Alpha

840

00:45:20,590 --> 00:45:17,660

Centauri it's only four light-years from

841

00:45:23,110 --> 00:45:20,600

Earth mmm-hmm that we will have some way

842

00:45:25,360 --> 00:45:23,120

to accelerate getting the signals back

843

00:45:29,170 --> 00:45:25,370

because what are we what do we really

844

00:45:33,430 --> 00:45:29,180

want to know is the rocky planet out

845

00:45:36,970 --> 00:45:33,440

there Proxima Centauri is it possibly

846

00:45:38,890 --> 00:45:36,980

capable of supporting life now just in

847

00:45:41,050 --> 00:45:38,900

the lever things happening so fast just

848

00:45:43,510 --> 00:45:41,060

in the last three or four months there

849

00:45:47,800 --> 00:45:43,520

was a big story about the fact that they

850

00:45:52,090 --> 00:45:47,810

have measured a huge solar flare from

851  
00:45:54,220 --> 00:45:52,100  
the nearby star there's two binary stars

852  
00:45:57,310 --> 00:45:54,230  
and and what they think is this rocky

853  
00:46:02,050 --> 00:45:57,320  
planet and they're pretty much convinced

854  
00:46:05,080 --> 00:46:02,060  
that the huge solar flare from the Alpha

855  
00:46:08,140 --> 00:46:05,090  
Centauri system would have fried the

856  
00:46:10,480 --> 00:46:08,150  
rocky planet that is the near as nearby

857  
00:46:14,560 --> 00:46:10,490  
and that might mean

858  
00:46:15,580 --> 00:46:14,570  
that exoplanet could not sustain life as

859  
00:46:19,210 --> 00:46:15,590  
we know it

860  
00:46:22,800 --> 00:46:19,220  
credits sustain other life who knows but

861  
00:46:26,950 --> 00:46:22,810  
here we move to another increasingly

862  
00:46:28,960 --> 00:46:26,960  
discussed sort of shocking statement

863  
00:46:32,380 --> 00:46:28,970

among some astronomers that I've talked

864

00:46:36,850 --> 00:46:32,390

to we've gone through I think it's over

865

00:46:40,450 --> 00:46:36,860

a thousand exoplanets now and we don't

866

00:46:44,410 --> 00:46:40,460

have an exoplanet that has all the

867

00:46:49,270 --> 00:46:44,420

conditions of our remarkable earth we're

868

00:46:52,390 --> 00:46:49,280

on a planet with 2/3 deep oceans lots of

869

00:46:54,580 --> 00:46:52,400

seeds it's very dynamic you could call

870

00:46:57,490 --> 00:46:54,590

this an unstable planet because of all

871

00:47:00,340 --> 00:46:57,500

the volcanoes and earthquakes and the

872

00:47:03,340 --> 00:47:00,350

fact that it has been a snowball two or

873

00:47:08,530 --> 00:47:03,350

three times and goes through ice ages

874

00:47:12,460 --> 00:47:08,540

and that and yet and yet look at 7.2

875

00:47:14,350 --> 00:47:12,470

billion Homo Sapien and Counting are on

876

00:47:16,599 --> 00:47:14,360

the surface of this planet and a lot

877

00:47:20,170 --> 00:47:16,609

work underground in the military and

878

00:47:23,680 --> 00:47:20,180

intelligence world we may have another

879

00:47:26,040 --> 00:47:23,690

earth that would astonish us below the

880

00:47:29,890 --> 00:47:26,050

surface if we knew all the truth

881

00:47:32,680 --> 00:47:29,900

nevertheless on this planet it has all

882

00:47:35,020 --> 00:47:32,690

of this water it has a strong magnetic

883

00:47:38,920 --> 00:47:35,030

field because of the dynamo that

884

00:47:42,460 --> 00:47:38,930

magnetic field deflects so many solar

885

00:47:45,400 --> 00:47:42,470

particles and helps protect this planet

886

00:47:49,770 --> 00:47:45,410

and we have all of this huge variety of

887

00:47:53,380 --> 00:47:49,780

life and it reminds me of the first

888

00:47:55,480 --> 00:47:53,390

hypnosis session that I ever attended

889

00:48:00,450 --> 00:47:55,490

when I was investigating the animal

890

00:48:05,230 --> 00:48:00,460

mutilations and heard an abductee saying

891

00:48:08,770 --> 00:48:05,240

under hypnosis that she got the

892

00:48:12,580 --> 00:48:08,780

impression that one of the things that

893

00:48:16,930 --> 00:48:12,590

humans didn't understand was how unique

894

00:48:19,750 --> 00:48:16,940

and precious our planet is and that many

895

00:48:23,109 --> 00:48:19,760

many species of other intelligences have

896

00:48:24,450 --> 00:48:23,119

used it as a laboratory and when you

897

00:48:29,740 --> 00:48:24,460

start thinking about

898

00:48:33,550 --> 00:48:29,750

strange bizarre confusing history of our

899

00:48:35,680 --> 00:48:33,560

planet and we haven't even gone into all

900

00:48:38,890 --> 00:48:35,690

of the subjects that we can tonight

901  
00:48:42,490 --> 00:48:38,900  
having to do with harvesting of genes

902  
00:48:45,430 --> 00:48:42,500  
and manipulating genes and so many other

903  
00:48:48,460 --> 00:48:45,440  
subjects but when you start looking at

904  
00:48:51,400 --> 00:48:48,470  
the planet a something that might be

905  
00:48:55,510 --> 00:48:51,410  
more unique than we realize among all of

906  
00:48:58,240 --> 00:48:55,520  
the planets and that other civilizations

907  
00:49:01,840 --> 00:48:58,250  
looks a place that they can mix and

908  
00:49:04,960 --> 00:49:01,850  
match genes for their own experiment and

909  
00:49:07,990 --> 00:49:04,970  
for whatever their goals are then some

910  
00:49:11,290 --> 00:49:08,000  
of the strange history past present and

911  
00:49:12,250 --> 00:49:11,300  
future on our planet might begin to make

912  
00:49:14,950 --> 00:49:12,260  
more sense

913  
00:49:19,870 --> 00:49:14,960

let me get so much your comment on

914

00:49:23,110 --> 00:49:19,880

something because what everything that

915

00:49:26,830 --> 00:49:23,120

you just said I think all of us should

916

00:49:29,230 --> 00:49:26,840

take note of because we are out there

917

00:49:30,760 --> 00:49:29,240

looking for exoplanets we are out there

918

00:49:33,400 --> 00:49:30,770

looking for life we're out there looking

919

00:49:35,410 --> 00:49:33,410

for fast radio bursts this is what we do

920

00:49:39,550 --> 00:49:35,420

and yes

921

00:49:44,380 --> 00:49:39,560

earth is unique so you have to think

922

00:49:46,390 --> 00:49:44,390

about what ET or other you know cultures

923

00:49:49,900 --> 00:49:46,400

are out there do they're doing the very

924

00:49:53,620 --> 00:49:49,910

same thing they found us already they're

925

00:49:55,480 --> 00:49:53,630

looking for those exoplanets too and we

926  
00:49:58,390 --> 00:49:55,490  
stand out like you say you know we're

927  
00:50:01,270 --> 00:49:58,400  
shiny beacon bright blue beautiful

928  
00:50:03,670 --> 00:50:01,280  
planet right they found us

929  
00:50:09,160 --> 00:50:03,680  
they've been here they're doing the same

930  
00:50:13,510 --> 00:50:09,170  
things we are and michio kaku really put

931  
00:50:15,790 --> 00:50:13,520  
this into context long ago when he laid

932  
00:50:19,270 --> 00:50:15,800  
out I think it was his hyperspace book

933  
00:50:20,110 --> 00:50:19,280  
he said let's take the age of our

934  
00:50:22,630 --> 00:50:20,120  
universe

935  
00:50:25,990 --> 00:50:22,640  
it's about thirteen point eight thirteen

936  
00:50:28,450 --> 00:50:26,000  
point nine billion light years that is

937  
00:50:33,850 --> 00:50:28,460  
plenty of time for there to have been

938  
00:50:37,780 --> 00:50:33,860

we'll call it epoch one or universe pipe

939

00:50:41,380 --> 00:50:37,790

one and and if you divide third

940

00:50:45,750 --> 00:50:41,390

want to buy three or four you can have

941

00:50:47,020 --> 00:50:45,760

three or four epochs each one evolving

942

00:50:50,830 --> 00:50:47,030

planets

943

00:50:54,100 --> 00:50:50,840

perhaps life I assume life and then you

944

00:50:57,010 --> 00:50:54,110

get to the second and the first one is

945

00:50:59,770 --> 00:50:57,020

aging into the second generation right

946

00:51:02,740 --> 00:50:59,780

second generation is aging and evolving

947

00:51:05,650 --> 00:51:02,750

and advancing into the third we might be

948

00:51:09,790 --> 00:51:05,660

in the fourth we might be in the baby

949

00:51:13,810 --> 00:51:09,800

category of this big huge complex

950

00:51:17,820 --> 00:51:13,820

universe and therefore the idea that

951  
00:51:20,560 --> 00:51:17,830  
there are entities that were described

952  
00:51:23,400 --> 00:51:20,570  
assuming that the transcript of the

953  
00:51:26,170 --> 00:51:23,410  
Ronald Reagan briefing on

954  
00:51:31,060 --> 00:51:26,180  
extraterrestrials and UFOs in March of

955  
00:51:36,820 --> 00:51:31,070  
1981 is a Batum correct it was put out

956  
00:51:39,700 --> 00:51:36,830  
in the full material back in 2007 and I

957  
00:51:42,130 --> 00:51:39,710  
asked a person in Washington DC who has

958  
00:51:45,430 --> 00:51:42,140  
been very trustworthy and helpful to me

959  
00:51:49,450 --> 00:51:45,440  
over the years and asked them to look at

960  
00:51:51,580 --> 00:51:49,460  
the Reagan transcript allegedly with

961  
00:51:55,600 --> 00:51:51,590  
Casey that he appointed as the CIA

962  
00:51:59,170 --> 00:51:55,610  
director Ronald Reagan went with CIA NSA

963  
00:52:01,630 --> 00:51:59,180

dia and other people who were analysts

964

00:52:04,120 --> 00:52:01,640

and they went to Camp David and they

965

00:52:09,400 --> 00:52:04,130

spent three days briefing Ronald Reagan

966

00:52:13,840 --> 00:52:09,410

on UFOs and ETS and specifically five

967

00:52:16,120 --> 00:52:13,850

different types now one of the things

968

00:52:18,460 --> 00:52:16,130

that is really significant in the Reagan

969

00:52:22,540 --> 00:52:18,470

administration about those five that

970

00:52:25,210 --> 00:52:22,550

they go over the top one is the even

971

00:52:29,230 --> 00:52:25,220

that we have all heard about since the

972

00:52:31,810 --> 00:52:29,240

Betty and Barney Hill case of 1961 they

973

00:52:34,690 --> 00:52:31,820

have pear-shaped heads as opposed to

974

00:52:37,090 --> 00:52:34,700

pointed chins or balloon shaped heads or

975

00:52:39,810 --> 00:52:37,100

anything they're pear-shaped and they

976

00:52:42,430 --> 00:52:39,820

appear to be a what I call a prime

977

00:52:47,110 --> 00:52:42,440

intelligence they would be something

978

00:52:49,860 --> 00:52:47,120

that evolved a system somewhere to an

979

00:52:51,220 --> 00:52:49,870

advanced point that they could start

980

00:52:54,640 --> 00:52:51,230

hybridizing

981

00:52:56,920 --> 00:52:54,650

cloning making cyborgs getting out into

982

00:53:01,210 --> 00:52:56,930

space and moving perhaps point-to-point

983

00:53:03,790 --> 00:53:01,220

as Einstein says eventually we could so

984

00:53:06,820 --> 00:53:03,800

they would be a prime intelligence the

985

00:53:09,609 --> 00:53:06,830

next two on that list that was presented

986

00:53:14,050 --> 00:53:09,619

to President Ronald Reagan according to

987

00:53:19,540 --> 00:53:14,060

the serpo excerpt transcript where one

988

00:53:22,960 --> 00:53:19,550

was called arc alloys AR c HQ UL ID r

989

00:53:27,700 --> 00:53:22,970

colloid possibly based on the Greek word

990

00:53:32,349 --> 00:53:27,710

Archon Lord or leader the third on the

991

00:53:37,830 --> 00:53:32,359

list was quad Lloyd that was defined as

992

00:53:43,750 --> 00:53:37,840

being a hybridization by the even

993

00:53:48,609 --> 00:53:43,760

crossing a praying mantis insect with a

994

00:53:52,660 --> 00:53:48,619

lizard reptile and insect the are

995

00:53:56,410 --> 00:53:52,670

colloid are also described as being a

996

00:54:00,670 --> 00:53:56,420

hybrid created by the eben so out of

997

00:54:04,930 --> 00:54:00,680

five presented three come from the same

998

00:54:07,930 --> 00:54:04,940

system to being made by the one prime

999

00:54:11,740 --> 00:54:07,940

intelligence and that the description

1000

00:54:17,260 --> 00:54:11,750

implies that what the evens have done is

1001  
00:54:19,960 --> 00:54:17,270  
make any and all kinds of androids match

1002  
00:54:23,920 --> 00:54:19,970  
they make them to match certain

1003  
00:54:26,470 --> 00:54:23,930  
planetary systems and then they put them

1004  
00:54:30,070 --> 00:54:26,480  
out on different planets that extends

1005  
00:54:33,580 --> 00:54:30,080  
the evens territorial ability in the

1006  
00:54:38,290 --> 00:54:33,590  
Milky Way galaxy and beyond and whatever

1007  
00:54:40,740 --> 00:54:38,300  
they're making then P their allies so

1008  
00:54:44,310 --> 00:54:40,750  
you would end up with a prime

1009  
00:54:49,090 --> 00:54:44,320  
civilization that would extend

1010  
00:54:52,540 --> 00:54:49,100  
territorial reach its power and its

1011  
00:54:55,780 --> 00:54:52,550  
ability to harvest and interact with all

1012  
00:54:59,230 --> 00:54:55,790  
kinds of systems by creating life-forms

1013  
00:55:02,560 --> 00:54:59,240

that you would own operating control so

1014

00:55:04,640 --> 00:55:02,570

to speak and it would keep extending out

1015

00:55:07,519 --> 00:55:04,650

into the Milky Way galaxy

1016

00:55:12,829 --> 00:55:07,529

as this is being laid out for Ronald

1017

00:55:16,309 --> 00:55:12,839

Reagan the fourth one Hepler Lloyd in

1018

00:55:21,470 --> 00:55:16,319

Latin Hepler is seven don't know what

1019

00:55:24,890 --> 00:55:21,480

that means but the last one raises the

1020

00:55:28,670 --> 00:55:24,900

issue that comes up over and over if all

1021

00:55:31,460 --> 00:55:28,680

of our contacts with other intelligences

1022

00:55:33,799 --> 00:55:31,470

were all happy and supportive and

1023

00:55:36,019 --> 00:55:33,809

wonderful I think we would have been

1024

00:55:39,980 --> 00:55:36,029

told that seventy years ago in World War

1025

00:55:43,010 --> 00:55:39,990

two the fact that the fifth on this list

1026  
00:55:46,490 --> 00:55:43,020  
that's given to Ronald Reagan is called

1027  
00:55:51,410 --> 00:55:46,500  
a Toronto Lloyd and that it is defined

1028  
00:55:55,000 --> 00:55:51,420  
as a quote this is a quote nasty insect

1029  
00:55:58,760 --> 00:55:55,010  
close quote that can disguise itself

1030  
00:56:03,349 --> 00:55:58,770  
camouflage itself as blond humanoids on

1031  
00:56:10,400 --> 00:56:03,359  
earth is a very eerie thing to

1032  
00:56:13,430 --> 00:56:10,410  
contemplate now the issue of these of

1033  
00:56:17,420 --> 00:56:13,440  
this fifth why it fits in to where I

1034  
00:56:20,059 --> 00:56:17,430  
started it says right in the Ronald

1035  
00:56:24,650 --> 00:56:20,069  
Reagan briefing that the trono Lloyd

1036  
00:56:30,829 --> 00:56:24,660  
insects are estimated to be 1,000 or

1037  
00:56:33,319 --> 00:56:30,839  
more years in advance of us they bend

1038  
00:56:35,900 --> 00:56:33,329

space and time they move through space

1039

00:56:39,319 --> 00:56:35,910

tunnels they move back and forth in time

1040

00:56:43,510 --> 00:56:39,329

and this is very interesting that they

1041

00:56:46,609 --> 00:56:43,520

come from a system a planetary system

1042

00:56:48,500 --> 00:56:46,619

Epsilon Eridani that's only ten point

1043

00:56:50,539 --> 00:56:48,510

five light-years from where we're

1044

00:56:53,690 --> 00:56:50,549

sitting right now on earth in this solar

1045

00:56:55,730 --> 00:56:53,700

system ten point five light-years is

1046

00:56:59,089 --> 00:56:55,740

closer than Zeta reticular I went into

1047

00:57:01,220 --> 00:56:59,099

that is about 39 40 light-years from

1048

00:57:03,049 --> 00:57:01,230

Earth and that's where the evens are

1049

00:57:06,109 --> 00:57:03,059

supposed to come from so that would mean

1050

00:57:09,380 --> 00:57:06,119

our friends the ebin are about three

1051  
00:57:13,010 --> 00:57:09,390  
times further from Earth than a possible

1052  
00:57:14,079 --> 00:57:13,020  
potential hostile threat at Epsilon

1053  
00:57:18,440 --> 00:57:14,089  
Eridani

1054  
00:57:20,839 --> 00:57:18,450  
further if the

1055  
00:57:24,560 --> 00:57:20,849  
some as its described in the Reagan

1056  
00:57:26,630 --> 00:57:24,570  
briefing is true they don't have or

1057  
00:57:28,520 --> 00:57:26,640  
let's put it this way turn it back

1058  
00:57:30,349 --> 00:57:28,530  
around I started to say they don't have

1059  
00:57:30,920 --> 00:57:30,359  
the elements we have let's put it the

1060  
00:57:34,190 --> 00:57:30,930  
other way

1061  
00:57:37,460 --> 00:57:34,200  
they have elements we've never heard of

1062  
00:57:39,859 --> 00:57:37,470  
before that we don't understand that we

1063  
00:57:42,170 --> 00:57:39,869

have encountered things that are so

1064

00:57:45,710 --> 00:57:42,180

advanced that we don't know what to do

1065

00:57:50,180 --> 00:57:45,720

we have no understanding and so in one

1066

00:57:52,730 --> 00:57:50,190

briefing for President Reagan you have

1067

00:57:54,980 --> 00:57:52,740

all of the ingredients of what all of us

1068

00:58:01,089 --> 00:57:54,990

are concerned about today and are trying

1069

00:58:05,089 --> 00:58:01,099

to understand hybridization are humans

1070

00:58:08,329 --> 00:58:05,099

hybrids created by the even it's been

1071

00:58:10,400 --> 00:58:08,339

suggested and that we would be on planet

1072

00:58:13,010 --> 00:58:10,410

earth because we were created

1073

00:58:15,980 --> 00:58:13,020

specifically to be on this planet right

1074

00:58:19,099 --> 00:58:15,990

while others are on other planets and

1075

00:58:24,230 --> 00:58:19,109

that at the first this is the first

1076  
00:58:25,940 --> 00:58:24,240  
moment the 2018 is the sense that the

1077  
00:58:28,970 --> 00:58:25,950  
entire planet

1078  
00:58:32,569 --> 00:58:28,980  
the consciousnesses of the millennial

1079  
00:58:37,329 --> 00:58:32,579  
generation around the entire planet

1080  
00:58:42,680 --> 00:58:37,339  
they are irritated with government

1081  
00:58:45,200 --> 00:58:42,690  
silent policies of denial that insist on

1082  
00:58:47,150 --> 00:58:45,210  
the old old line that were alone in the

1083  
00:58:52,400 --> 00:58:47,160  
universe when that's preposterous and

1084  
00:58:57,370 --> 00:58:52,410  
that where it's almost like being inside

1085  
00:59:00,880 --> 00:58:57,380  
of a slow-motion revolution in which

1086  
00:59:04,010 --> 00:59:00,890  
generations and minds that are already

1087  
00:59:06,140 --> 00:59:04,020  
way far beyond where the government

1088  
00:59:09,980 --> 00:59:06,150

policies have been since World War two

1089

00:59:12,380 --> 00:59:09,990

and that when we get that headline that

1090

00:59:16,250 --> 00:59:12,390

we're not alone in this universe we

1091

00:59:19,569 --> 00:59:16,260

never have been then we will be catching

1092

00:59:21,890 --> 00:59:19,579

up to where things should have been

1093

00:59:23,990 --> 00:59:21,900

thousands of years ago let's take a

1094

00:59:27,140 --> 00:59:24,000

break right there Linda thank you for

1095

00:59:29,140 --> 00:59:27,150

that and when we come back Linda can we

1096

00:59:30,340 --> 00:59:29,150

talk a little artificial intelligence

1097

00:59:34,690 --> 00:59:30,350

yeah

1098

00:59:37,090 --> 00:59:34,700

Howe is with us this is fade to black

1099

00:59:40,150 --> 00:59:37,100

I'm use to me church on the GameChanger

1100

00:59:42,550 --> 00:59:40,160

network in kg ra the planet you can

1101  
00:59:45,910 --> 00:59:42,560  
follow me at a church radio on Twitter

1102  
00:59:47,110 --> 00:59:45,920  
you can follow Linda at earthfiles I'll

1103  
00:59:56,830 --> 00:59:47,120  
be right back stay with us

1104  
01:00:04,779 --> 00:59:56,840  
[Music]

1105  
01:00:10,000 --> 01:00:07,519  
this is fade to black with Jimmy Church

1106  
01:00:15,559 --> 01:00:10,010  
on the game changer radio network and

1107  
01:00:18,079 --> 01:00:15,569  
kgr a the global radio alliance this is

1108  
01:00:21,430 --> 01:00:18,089  
kg are a digital broadcasting station

1109  
01:00:23,930 --> 01:00:21,440  
Salt Lake City Utah Van Buren Arkansas

1110  
01:00:26,359 --> 01:00:23,940  
does your basement or crawlspace have a

1111  
01:00:28,370 --> 01:00:26,369  
damp musty smell well watch out that's a

1112  
01:00:30,200 --> 01:00:28,380  
sign of too much moisture and not enough

1113  
01:00:32,150 --> 01:00:30,210

ventilation and that can mean increased

1114

01:00:34,099 --> 01:00:32,160

mold growth and the build-up of harmful

1115

01:00:36,349 --> 01:00:34,109

toxins and gases don't bother with a

1116

01:00:38,630 --> 01:00:36,359

dehumidifier it just circulates the same

1117

01:00:40,880 --> 01:00:38,640

unhealthy air now there's a better way

1118

01:00:42,890 --> 01:00:40,890

to remove these dangers and odors it's

1119

01:00:44,990 --> 01:00:42,900

with the computerized wave moisture

1120

01:00:47,089 --> 01:00:45,000

control unit that reduces moisture and

1121

01:00:49,099 --> 01:00:47,099

expels pollutants we replaced our old

1122

01:00:51,349 --> 01:00:49,109

dehumidifier with the wave unit and in

1123

01:00:53,750 --> 01:00:51,359

only three weeks our basement is dry and

1124

01:00:55,730 --> 01:00:53,760

the musty smell is gone wave units

1125

01:00:58,160 --> 01:00:55,740

require no maintenance no buckets of

1126  
01:01:00,079 --> 01:00:58,170  
water or filters and costs only pennies

1127  
01:01:01,880 --> 01:01:00,089  
a day to run breathe better live

1128  
01:01:04,279 --> 01:01:01,890  
healthier with an affordable no

1129  
01:01:06,620 --> 01:01:04,289  
maintenance wave unit call eight eight

1130  
01:01:09,950 --> 01:01:06,630  
eight seven one seven way eight eight

1131  
01:01:15,660 --> 01:01:09,960  
eight seven one seven wabe or visit dry

1132  
01:01:15,670 --> 01:01:21,190  
we want solutions

1133  
01:01:21,200 --> 01:01:28,800  
[Music]

1134  
01:01:33,310 --> 01:01:31,450  
hi this is race Hobbs here repping the

1135  
01:01:36,310 --> 01:01:33,320  
planet and you're listening to my good

1136  
01:01:38,830 --> 01:01:36,320  
friend Jimmy Church fade to black

1137  
01:01:43,420 --> 01:01:38,840  
on the game changer network and the kgr

1138  
01:01:45,580 --> 01:01:43,430

a digital broadcast station this is Toby

1139

01:02:06,810 --> 01:01:45,590

Kebbell you're listening to Jimmy Church

1140

01:02:14,260 --> 01:02:10,690

ancient life oil life changing the real

1141

01:02:16,570 --> 01:02:14,270

oil CBD is truly ancient life oil from

1142

01:02:19,480 --> 01:02:16,580

the source this oil has no psychoactive

1143

01:02:22,120 --> 01:02:19,490

effect and is also legal in all 50

1144

01:02:24,430 --> 01:02:22,130

states when you're healthy you're happy

1145

01:02:26,680 --> 01:02:24,440

the truth about this wonderful plant is

1146

01:02:30,070 --> 01:02:26,690

that it wants to give back to mankind

1147

01:02:33,160 --> 01:02:30,080

life longevity and happiness ancient

1148

01:02:35,250 --> 01:02:33,170

life oil our golden grain all organic

1149

01:02:38,349 --> 01:02:35,260

non-gmo and infused with high-quality

1150

01:02:41,800 --> 01:02:38,359

liquid coconut oil it's simple just go

1151  
01:02:45,730 --> 01:02:41,810  
to ancient life oil dot-com today that's

1152  
01:02:49,890 --> 01:02:45,740  
ancient life oil dot-com the best purest

1153  
01:02:51,400 --> 01:02:49,900  
organic and non-gmo CBD in the world

1154  
01:02:52,960 --> 01:02:51,410  
gobekli tepe

1155  
01:02:54,310 --> 01:02:52,970  
the statements made regarding these

1156  
01:02:55,450 --> 01:02:54,320  
products have not been evaluated by the

1157  
01:02:56,650 --> 01:02:55,460  
Food and Drug Administration these

1158  
01:02:58,599 --> 01:02:56,660  
products are not intended to diagnose

1159  
01:02:59,560 --> 01:02:58,609  
treat cure or prevent any disease please

1160  
01:03:01,300 --> 01:02:59,570  
consult your healthcare professional

1161  
01:03:03,250 --> 01:03:01,310  
about potential interactions or other

1162  
01:03:04,900 --> 01:03:03,260  
possible complications before using any

1163  
01:03:06,730 --> 01:03:04,910

product this is Micah Hanks of the

1164

01:03:09,099 --> 01:03:06,740

graylien report and you're listening to

1165

01:03:10,960 --> 01:03:09,109

Jimmy church on fade to black across the

1166

01:03:13,599 --> 01:03:10,970

globe on the game-changer radio network

1167

01:03:14,640 --> 01:03:13,609

and the one and only kgr a radio the

1168

01:03:29,930 --> 01:03:14,650

planet

1169

01:03:36,740 --> 01:03:34,280

[Music]

1170

01:03:40,670 --> 01:03:36,750

welcome back fade to black appeals to me

1171

01:03:43,820 --> 01:03:40,680

church follow me on twitter at JDO can

1172

01:03:49,370 --> 01:03:43,830

follow linda at earth files right there

1173

01:03:51,260 --> 01:03:49,380

on twitter and tonight we're gonna do it

1174

01:03:53,210 --> 01:03:51,270

all we're gonna do everything A to Z and

1175

01:03:54,830 --> 01:03:53,220

I want to remind everybody tomorrow

1176

01:03:56,810 --> 01:03:54,840

night George Noory is going to be here

1177

01:03:58,400 --> 01:03:56,820

Victoria Guevara is going to be here too

1178

01:04:00,050 --> 01:03:58,410

as well from contacted in the desert

1179

01:04:01,370 --> 01:04:00,060

we've got a bunch of special surprise

1180

01:04:03,890 --> 01:04:01,380

guests that are going to do some

1181

01:04:06,320 --> 01:04:03,900

drive-bys and hang out with all of us

1182

01:04:09,380 --> 01:04:06,330

but tonight we've got Linda all to

1183

01:04:11,840 --> 01:04:09,390

ourselves and Linda now check this out

1184

01:04:16,790 --> 01:04:11,850

a couple of days ago do my research I

1185

01:04:19,850 --> 01:04:16,800

listened to a couple of developers for

1186

01:04:23,180 --> 01:04:19,860

one from Google and one from Facebook

1187

01:04:26,410 --> 01:04:23,190

and they both agreed and made these

1188

01:04:28,610 --> 01:04:26,420

statements in this presentation that

1189

01:04:31,550 --> 01:04:28,620

artificial intelligence is something

1190

01:04:35,360 --> 01:04:31,560

that we shouldn't be afraid of and that

1191

01:04:39,490 --> 01:04:35,370

we would definitely not only have

1192

01:04:42,440 --> 01:04:39,500

safeguards built into all systems but

1193

01:04:45,560 --> 01:04:42,450

artificial intelligence is only what we

1194

01:04:49,670 --> 01:04:45,570

put into it as well and it wouldn't

1195

01:04:52,010 --> 01:04:49,680

advance past us and I stopped I stopped

1196

01:04:54,230 --> 01:04:52,020

and thought to myself that statement

1197

01:04:56,450 --> 01:04:54,240

from them scares the crap out of me

1198

01:05:00,590 --> 01:04:56,460

because they're trying to write they're

1199

01:05:02,060 --> 01:05:00,600

trying to smokescreen and that and and

1200

01:05:05,060 --> 01:05:02,070

telling us we have nothing to worry

1201  
01:05:06,800 --> 01:05:05,070  
about says to me we have everything to

1202  
01:05:09,830 --> 01:05:06,810  
worry about when you hear something like

1203  
01:05:14,540 --> 01:05:09,840  
that what goes through your mind the

1204  
01:05:18,590 --> 01:05:14,550  
title of my lecture on Sunday at the

1205  
01:05:23,060 --> 01:05:18,600  
upcoming contact on June 3rd and it is

1206  
01:05:26,780 --> 01:05:23,070  
is AI an existential threat to humans

1207  
01:05:30,610 --> 01:05:26,790  
and it all comes from listening and

1208  
01:05:33,620 --> 01:05:30,620  
reading a lot from people like Elon Musk

1209  
01:05:36,650 --> 01:05:33,630  
for people like Robert boström

1210  
01:05:40,060 --> 01:05:36,660  
considered one of the 100 top minds in

1211  
01:05:46,310 --> 01:05:40,070  
the world having to do with analytical

1212  
01:05:48,140 --> 01:05:46,320  
concerns and here tonight what I'll do

1213  
01:05:52,730 --> 01:05:48,150

because it

1214

01:05:56,680 --> 01:05:52,740

a very short point it focuses down to

1215

01:06:00,799 --> 01:05:56,690

why I am raising this question and is

1216

01:06:04,760 --> 01:06:00,809

why what you've just outlined definitely

1217

01:06:07,099 --> 01:06:04,770

is like a political context that the

1218

01:06:10,519 --> 01:06:07,109

some computer companies are trying to

1219

01:06:13,700 --> 01:06:10,529

give the world and here is what I'm

1220

01:06:17,779 --> 01:06:13,710

going to explain started me off on all

1221

01:06:20,450 --> 01:06:17,789

of this and that I hope that a lot of

1222

01:06:24,650 --> 01:06:20,460

people who are listening tonight will go

1223

01:06:26,769 --> 01:06:24,660

to contact and will look at where I am

1224

01:06:30,799 --> 01:06:26,779

speaking on various subjects and that

1225

01:06:33,859 --> 01:06:30,809

this lecturer on that Sunday it has a

1226

01:06:38,690 --> 01:06:33,869

lot in it so what I'm going to bring up

1227

01:06:41,180 --> 01:06:38,700

is now the I guess you want to say the

1228

01:06:43,849 --> 01:06:41,190

moment that I felt that it was so

1229

01:06:46,970 --> 01:06:43,859

important to get into this and the more

1230

01:06:48,859 --> 01:06:46,980

I've gotten into it the more I feel this

1231

01:06:51,500 --> 01:06:48,869

is one of the most important subjects

1232

01:06:56,299 --> 01:06:51,510

for everybody to pay attention to so now

1233

01:07:02,230 --> 01:06:56,309

yes this is going back to not quite a

1234

01:07:07,400 --> 01:07:02,240

year ago it was in August of 2017 and I

1235

01:07:10,579 --> 01:07:07,410

have had connection with three or four

1236

01:07:14,920 --> 01:07:10,589

really solid important whistleblowers

1237

01:07:20,180 --> 01:07:14,930

for about two years on three of them and

1238

01:07:24,740 --> 01:07:20,190

about half a year on another and they

1239

01:07:28,460 --> 01:07:24,750

all have various facets of concern about

1240

01:07:32,510 --> 01:07:28,470

AI and they are all deeply involved with

1241

01:07:34,370 --> 01:07:32,520

the issue of the alien presence on this

1242

01:07:36,200 --> 01:07:34,380

planet throughout our solar system

1243

01:07:38,930 --> 01:07:36,210

throughout the Milky Way galaxy and

1244

01:07:42,170 --> 01:07:38,940

beyond they come from military

1245

01:07:45,140 --> 01:07:42,180

backgrounds that are seals and Marines

1246

01:07:48,799 --> 01:07:45,150

they're heavy-duty guys and they're the

1247

01:07:50,799 --> 01:07:48,809

kind of men that when when the

1248

01:07:54,470 --> 01:07:50,809

Department of Defense and the Pentagon

1249

01:07:57,069 --> 01:07:54,480

want the best of the best for the most

1250

01:08:00,109 --> 01:07:57,079

complicated and challenging

1251

01:08:01,280 --> 01:08:00,119

possibilities of investigating or doing

1252

01:08:05,210 --> 01:08:01,290

something

1253

01:08:08,030 --> 01:08:05,220

they want is for these men to get out of

1254

01:08:11,060 --> 01:08:08,040

the military and turn around and go into

1255

01:08:14,660 --> 01:08:11,070

contract in Special Forces so that they

1256

01:08:17,900 --> 01:08:14,670

can be under the leadership and control

1257

01:08:21,230 --> 01:08:17,910

of the Intel agencies and that's the

1258

01:08:25,640 --> 01:08:21,240

situation okay so this one particular

1259

01:08:29,360 --> 01:08:25,650

person has given me information for

1260

01:08:32,690 --> 01:08:29,370

about two years or year-and-a-half and

1261

01:08:36,289 --> 01:08:32,700

when the phone rang we don't talk very

1262

01:08:39,050 --> 01:08:36,299

often and not very much and when it does

1263

01:08:43,250 --> 01:08:39,060

ring with his number I pay attention and

1264

01:08:45,650 --> 01:08:43,260

know that I better get a notebook and

1265

01:08:47,390 --> 01:08:45,660

pen and write fast because we can only

1266

01:08:50,630 --> 01:08:47,400

stay on the phone for two or three

1267

01:08:57,440 --> 01:08:50,640

minutes and this is what happened on

1268

01:09:00,760 --> 01:08:57,450

Saturday August 26 2017 the folks he

1269

01:09:05,980 --> 01:09:00,770

calls he says you got to hear this I

1270

01:09:10,130 --> 01:09:05,990

can't stay on long quote from my note

1271

01:09:14,480 --> 01:09:10,140

the top robotics company in Japan this

1272

01:09:15,910 --> 01:09:14,490

week meaning August 2017 for robots

1273

01:09:19,809 --> 01:09:15,920

being developed for military

1274

01:09:23,210 --> 01:09:19,819

applications to become robotic soldiers

1275

01:09:25,240 --> 01:09:23,220

killed twenty-nine humans in the lab

1276

01:09:28,870 --> 01:09:25,250

with something that shot metal bullets

1277

01:09:31,160 --> 01:09:28,880

the scariest part is that lab workers

1278

01:09:34,130 --> 01:09:31,170

deactivated two of the robots and took

1279

01:09:36,980 --> 01:09:34,140

apart the third but the fourth robot

1280

01:09:40,190 --> 01:09:36,990

began restoring itself and somehow

1281

01:09:42,200 --> 01:09:40,200

connected to an orbiting satellite to

1282

01:09:45,890 --> 01:09:42,210

download information about how to

1283

01:09:48,430 --> 01:09:45,900

rebuild itself even more strongly while

1284

01:09:53,329 --> 01:09:48,440

the other robots were being taken apart

1285

01:09:55,580 --> 01:09:53,339

Linda he said this is serious Shi T but

1286

01:09:59,270 --> 01:09:55,590

you're never going to hear about this in

1287

01:10:02,890 --> 01:09:59,280

the news the robotics company has too

1288

01:10:07,660 --> 01:10:02,900

much to lose and governments want AI

1289

01:10:11,500 --> 01:10:07,670

robotic soldiers close quote and the

1290

01:10:15,969 --> 01:10:11,510

operative word here Jimmy is autonomous

1291

01:10:19,459 --> 01:10:15,979

autonomous robotic

1292

01:10:22,310 --> 01:10:19,469

autonomous means that the algorithms

1293

01:10:26,500 --> 01:10:22,320

that are built into the software of the

1294

01:10:31,580 --> 01:10:26,510

robotic weapons and robots

1295

01:10:35,179 --> 01:10:31,590

the robots choose what is a threat

1296

01:10:38,600 --> 01:10:35,189

the robots choose when to shoot to kill

1297

01:10:42,799 --> 01:10:38,610

the human is taken out in the United

1298

01:10:47,949 --> 01:10:42,809

States currently our law says that's not

1299

01:10:51,949 --> 01:10:47,959

possible that the human must stay in the

1300

01:10:54,709 --> 01:10:51,959

chain of connection and any militarized

1301

01:10:57,679 --> 01:10:54,719

weapon or robot but that doesn't count

1302

01:11:00,080 --> 01:10:57,689

for North and South Korea that does not

1303

01:11:04,759 --> 01:11:00,090

count for Japan that does not count for

1304

01:11:07,969 --> 01:11:04,769

other countries and in fact upon hearing

1305

01:11:12,609 --> 01:11:07,979

death and beginning to do research one

1306

01:11:16,629 --> 01:11:12,619

of the things that I learned is that

1307

01:11:19,310 --> 01:11:16,639

Elon Musk and a hundred and sixteen AI

1308

01:11:22,069 --> 01:11:19,320

intelligence experts from all over the

1309

01:11:25,100 --> 01:11:22,079

the planet they are so concerned about

1310

01:11:27,139 --> 01:11:25,110

this that this past summer they sent an

1311

01:11:30,889 --> 01:11:27,149

open letter to the United Nations and

1312

01:11:35,020 --> 01:11:30,899

they said here is in a paragraph from a

1313

01:11:37,369 --> 01:11:35,030

letter quote lethal autonomous weapons

1314

01:11:40,699 --> 01:11:37,379

threatened to become the third

1315

01:11:43,159 --> 01:11:40,709

revolution in warfare once developed

1316

01:11:46,239 --> 01:11:43,169

they will permit armed conflict to be

1317

01:11:50,119 --> 01:11:46,249

fought at a scale greater than ever and

1318

01:11:52,729 --> 01:11:50,129

at timescales faster than humans can

1319

01:11:56,239 --> 01:11:52,739

comprehend this is one of the things

1320

01:11:59,689 --> 01:11:56,249

that Elon Musk keeps going and pounding

1321

01:12:02,389 --> 01:11:59,699

he says we are already building robots

1322

01:12:04,339 --> 01:12:02,399

that are faster they can lay bricks

1323

01:12:07,100 --> 01:12:04,349

faster they can do everything faster

1324

01:12:09,979 --> 01:12:07,110

they don't need sleep they don't have

1325

01:12:14,239 --> 01:12:09,989

sick time they are already beginning to

1326

01:12:19,429 --> 01:12:14,249

accelerate past us and last summer at

1327

01:12:23,770 --> 01:12:19,439

one of the AI conferences that there was

1328

01:12:26,869 --> 01:12:23,780

a engineer who showed how a very lovely

1329

01:12:28,730 --> 01:12:26,879

harmless looking little robot that had

1330

01:12:32,660 --> 01:12:28,740

been made for doing help in

1331

01:12:35,960 --> 01:12:32,670

kitchen being able to scrub and being

1332

01:12:38,720 --> 01:12:35,970

able to even use some kind of a knife to

1333

01:12:41,870 --> 01:12:38,730

cut vegetables and a screwdriver to

1334

01:12:44,840 --> 01:12:41,880

screw things if a door was coming loose

1335

01:12:48,830 --> 01:12:44,850

or a handle was coming off and all they

1336

01:12:53,150 --> 01:12:48,840

did was a simple hack and this little

1337

01:12:56,060 --> 01:12:53,160

very innocent looking robot changed in

1338

01:12:59,260 --> 01:12:56,070

an instant from the innocent in the

1339

01:13:02,060 --> 01:12:59,270

kitchen - taking a screwdriver and

1340

01:13:03,950 --> 01:13:02,070

demolishing a toy rabbit that was in

1341

01:13:06,470 --> 01:13:03,960

front of it because they hacked it who

1342

01:13:10,910 --> 01:13:06,480

attacked the rabbit instead of protect

1343

01:13:14,390 --> 01:13:10,920

the rabbit and what they men who are

1344

01:13:19,910 --> 01:13:14,400

working in these issues like Elon Musk

1345

01:13:23,210 --> 01:13:19,920

and others they say that we must realize

1346

01:13:28,100 --> 01:13:23,220

that if we are moving toward autonomous

1347

01:13:32,600 --> 01:13:28,110

military robots then it takes the human

1348

01:13:35,810 --> 01:13:32,610

out of the equation that we are going to

1349

01:13:39,290 --> 01:13:35,820

be opening up a can of worms that we may

1350

01:13:42,230 --> 01:13:39,300

never be able to solve and for those who

1351

01:13:44,590 --> 01:13:42,240

would like to see and do some google

1352

01:13:49,580 --> 01:13:44,600

search and you can see for yourself

1353

01:13:52,610 --> 01:13:49,590

already along the 160 mile long border

1354

01:13:56,540 --> 01:13:52,620

between North and South Korea there is a

1355

01:14:04,000 --> 01:13:56,550

South Korean guard robot it is called an

1356

01:14:10,040 --> 01:14:04,010

S gr a one and it is autonomous these

1357

01:14:12,110 --> 01:14:10,050

SDR a one they alone decide when

1358

01:14:16,000 --> 01:14:12,120

something is a threat and they shoot to

1359

01:14:19,850 --> 01:14:16,010

kill and when you ask how many are

1360

01:14:20,300 --> 01:14:19,860

moving along that North South Korean

1361

01:14:23,690 --> 01:14:20,310

border

1362

01:14:27,110 --> 01:14:23,700

the answer is unknown because the

1363

01:14:30,530 --> 01:14:27,120

project is so highly classified and do

1364

01:14:34,010 --> 01:14:30,540

you know Jimmy already the more I read

1365

01:14:36,320 --> 01:14:34,020

and I'm reading a lot and files that are

1366

01:14:39,110 --> 01:14:36,330

about 8 inches high now of things that I

1367

01:14:42,450 --> 01:14:39,120

have been reading they're talking about

1368

01:14:46,080 --> 01:14:42,460

when I say they I mean the AI community

1369

01:14:47,730 --> 01:14:46,090

they're they're approaching governments

1370

01:14:51,210 --> 01:14:47,740

and political systems and they would

1371

01:14:54,480 --> 01:14:51,220

like to see robots like the stra one

1372

01:14:56,280 --> 01:14:54,490

installed not only on national borders

1373

01:15:01,070 --> 01:14:56,290

like between the United States and

1374

01:15:04,520 --> 01:15:01,080

Mexico but in airports can you imagine

1375

01:15:07,860 --> 01:15:04,530

we go through in airports now in

1376

01:15:12,570 --> 01:15:07,870

security what would it feel like if

1377

01:15:15,000 --> 01:15:12,580

there were SGR a one now in the United

1378

01:15:18,540 --> 01:15:15,010

States maybe they couldn't function on

1379

01:15:22,380 --> 01:15:18,550

independent threat to kill but they are

1380

01:15:26,310 --> 01:15:22,390

already functioning autonomously in the

1381

01:15:28,230 --> 01:15:26,320

North and South Korean border let me

1382

01:15:31,830 --> 01:15:28,240

jump in for the audience this is

1383

01:15:34,610 --> 01:15:31,840

straight off of Wikipedia the SGR a1 is

1384

01:15:37,260 --> 01:15:34,620

a type of sentry gun a weapon that fires

1385

01:15:41,010 --> 01:15:37,270

autonomously that was jointly developed

1386

01:15:43,110 --> 01:15:41,020

by Samsung and Korea University to

1387

01:15:49,410 --> 01:15:43,120

assist South Korean troops in the Korean

1388

01:15:51,540 --> 01:15:49,420

Demilitarized unit of its kind to have

1389

01:15:53,880 --> 01:15:51,550

an integrated system that includes

1390

01:15:57,360 --> 01:15:53,890

surveillance tracking firing and voice

1391

01:15:59,790 --> 01:15:57,370

recognition while units of the SGR a1

1392

01:16:01,050 --> 01:15:59,800

have been reportedly deployed their

1393

01:16:03,150 --> 01:16:01,060

number is unknown

1394

01:16:05,550 --> 01:16:03,160

due to the project being highly

1395

01:16:07,650 --> 01:16:05,560

classified and I'm looking at pictures

1396

01:16:09,500 --> 01:16:07,660

of it here and that's about the scariest

1397

01:16:17,370 --> 01:16:09,510

thing I think I've ever seen in my life

1398

01:16:19,710 --> 01:16:17,380

well and imagine as Elon Musk he did an

1399

01:16:23,070 --> 01:16:19,720

interview with the National Governors

1400

01:16:25,650 --> 01:16:23,080

Association last summer in Rhode Island

1401

01:16:29,340 --> 01:16:25,660

and there were 30 governor's an Elon

1402

01:16:33,780 --> 01:16:29,350

Musk is sitting on the stage and he says

1403

01:16:37,350 --> 01:16:33,790

I realize that a lot of people aren't

1404

01:16:41,100 --> 01:16:37,360

going to get this until robots go down

1405

01:16:45,450 --> 01:16:41,110

the street killing people quote unquote

1406

01:16:49,650 --> 01:16:45,460

right it's ethereal and everybody who is

1407

01:16:54,450 --> 01:16:49,660

calling alarm they have great concern

1408

01:16:56,220 --> 01:16:54,460

that if you take the definition of

1409

01:17:01,970 --> 01:16:56,230

artificial intelligence

1410

01:17:05,040 --> 01:17:01,980

it is code that makes its own code and

1411

01:17:08,910 --> 01:17:05,050

here is another thing that was one of

1412

01:17:13,830 --> 01:17:08,920

those chilling things that I've heard it

1413

01:17:18,780 --> 01:17:13,840

was if you have and algorithms and self

1414

01:17:22,080 --> 01:17:18,790

coding code their whole existence sort

1415

01:17:25,620 --> 01:17:22,090

of like viruses their their existence is

1416

01:17:28,950 --> 01:17:25,630

to exist so that means that you get code

1417

01:17:32,010 --> 01:17:28,960

in artificial intelligence that has

1418

01:17:35,370 --> 01:17:32,020

algorithms that keeps it making code and

1419

01:17:38,490 --> 01:17:35,380

he can make any code they want to keep

1420

01:17:43,020 --> 01:17:38,500

being an independent and in this case of

1421

01:17:47,130 --> 01:17:43,030

the s you are an autonomous AI well once

1422

01:17:49,220 --> 01:17:47,140

you start getting AI autonomously making

1423

01:17:52,710 --> 01:17:49,230

its own code for its own

1424

01:17:56,910 --> 01:17:52,720

self-preservation right where does it

1425

01:17:59,340 --> 01:17:56,920

deposit this is not like the if this is

1426

01:18:01,740 --> 01:17:59,350

not like something that is isolated on a

1427

01:18:04,020 --> 01:18:01,750

border we're talking about artificial

1428

01:18:07,350 --> 01:18:04,030

intelligence systems that are going to

1429

01:18:11,700 --> 01:18:07,360

be communicating around the entire world

1430

01:18:16,070 --> 01:18:11,710

and that means none of us no human is

1431

01:18:19,470 --> 01:18:16,080

going to know where the self activating

1432

01:18:23,490 --> 01:18:19,480

algorithms of the self coding code of AI

1433

01:18:26,190 --> 01:18:23,500

are depositing in god only knows how

1434

01:18:32,240 --> 01:18:26,200

many systems for backup

1435

01:18:35,520 --> 01:18:32,250

the ai's backup code for survival

1436

01:18:38,250 --> 01:18:35,530

there'll be one staff a i would be one

1437

01:18:40,580 --> 01:18:38,260

step ahead of us on every front

1438

01:18:43,530 --> 01:18:40,590

linda because that's what they do and

1439

01:18:45,990 --> 01:18:43,540

going back to this presentation that i

1440

01:18:51,200 --> 01:18:46,000

saw over the weekend another strange

1441

01:18:57,300 --> 01:18:51,210

comment which was why the concern about

1442

01:19:00,690 --> 01:18:57,310

AI wanting to take over and dominate the

1443

01:19:03,090 --> 01:19:00,700

world and and i thought wait a minute

1444

01:19:06,740 --> 01:19:03,100

you just said it's only what we put into

1445

01:19:08,660 --> 01:19:06,750

it the AI well what is a human every

1446

01:19:11,660 --> 01:19:08,670

civilization

1447

01:19:12,860 --> 01:19:11,670

you know megalomaniac dictator they want

1448

01:19:15,770 --> 01:19:12,870

to take over the world

1449

01:19:18,919 --> 01:19:15,780

you know many books and novels in vain

1450

01:19:22,160 --> 01:19:18,929

have been written on the subject well if

1451

01:19:25,910 --> 01:19:22,170

we are the AI that we're creating and

1452

01:19:31,040 --> 01:19:25,920

the AI is us that's the first thing on a

1453

01:19:33,310 --> 01:19:31,050

eyes mind not the last its Jimmy when I

1454

01:19:37,189 --> 01:19:33,320

was referencing the Ronald Reagan

1455

01:19:39,760 --> 01:19:37,199

prescript if the ibanez are defined by

1456

01:19:42,380 --> 01:19:39,770

our own government as being a prime

1457

01:19:45,290 --> 01:19:42,390

intelligence that has created at least

1458

01:19:48,290 --> 01:19:45,300

two of the other floor on the list

1459

01:19:52,130 --> 01:19:48,300

beyond the evens we're in a universe

1460

01:19:55,510 --> 01:19:52,140

where AI or start with prime

1461

01:19:58,640 --> 01:19:55,520

intelligence makes AI and then the AI

1462

01:20:02,630 --> 01:19:58,650

becomes something that functions and

1463

01:20:04,930 --> 01:20:02,640

keeps making AI and where there's no end

1464

01:20:09,140 --> 01:20:04,940

to it and then the definition of life

1465

01:20:12,110 --> 01:20:09,150

becomes a completely different context

1466

01:20:14,720 --> 01:20:12,120

because we've been on a planet where we

1467

01:20:16,640 --> 01:20:14,730

have been told that we were the only

1468

01:20:19,729 --> 01:20:16,650

life in the universe and that's not true

1469

01:20:24,700 --> 01:20:19,739

and therefore if we are somebody's

1470

01:20:28,160 --> 01:20:24,710

Android then the proceeding types

1471

01:20:30,709 --> 01:20:28,170

denisa Vons and neanderthalensis they

1472

01:20:33,620 --> 01:20:30,719

had to have been also developed

1473

01:20:36,919 --> 01:20:33,630

genetically manipulated and it is going

1474

01:20:40,700 --> 01:20:36,929

on throughout the universe then what

1475

01:20:46,700 --> 01:20:40,710

about the likelihood that lots of what's

1476

01:20:49,550 --> 01:20:46,710

out there is AI and that the AI world is

1477

01:20:53,180 --> 01:20:49,560

going to make it in space much much

1478

01:20:56,390 --> 01:20:53,190

better and easier than human flesh and

1479

01:20:58,220 --> 01:20:56,400

blood because we are really fragile when

1480

01:21:02,209 --> 01:20:58,230

it comes to what we're up against in

1481

01:21:03,380 --> 01:21:02,219

space struggle and did you see speaking

1482

01:21:06,919 --> 01:21:03,390

of all of this

1483

01:21:08,840 --> 01:21:06,929

did you see the report last week that

1484

01:21:10,250 --> 01:21:08,850

was written I don't have the medical

1485

01:21:13,550 --> 01:21:10,260

journal in front of me that it was

1486

01:21:18,350 --> 01:21:13,560

published but 33 scientists authored

1487

01:21:24,040 --> 01:21:18,360

this report stating that octopus was

1488

01:21:31,670 --> 01:21:26,990

the first thing that popped into my head

1489

01:21:35,690 --> 01:21:31,680

was that brilliant incredible film the

1490

01:21:40,060 --> 01:21:35,700

arrival and I thought yes oh my gosh was

1491

01:21:46,030 --> 01:21:40,070

that the reason yes I made the tentacled

1492

01:21:49,520 --> 01:21:46,040

eerie strange creatures that the lovely

1493

01:21:53,780 --> 01:21:49,530

female scientist or a language expert

1494

01:21:55,970 --> 01:21:53,790

that she is the only one who interacted

1495

01:22:00,080 --> 01:21:55,980

with and began to understand how they

1496

01:22:03,800 --> 01:22:00,090

were communicating and then yes if the

1497

01:22:06,260 --> 01:22:03,810

octopi on the planet Earth are actually

1498

01:22:10,250 --> 01:22:06,270

transported here from someplace else

1499

01:22:13,250 --> 01:22:10,260

then comes this really really stunning

1500

01:22:15,170 --> 01:22:13,260

mind jerk when you think about the end

1501  
01:22:17,450 --> 01:22:15,180  
of the film if it was something like The

1502  
01:22:20,300 --> 01:22:17,460  
Day the Earth Stood Still a CIA script

1503  
01:22:25,310 --> 01:22:20,310  
put in Hollywood to test audience

1504  
01:22:28,040 --> 01:22:25,320  
reaction that at the end that the will

1505  
01:22:29,930 --> 01:22:28,050  
call them tentacled tentacled creatures

1506  
01:22:33,230 --> 01:22:29,940  
because you only saw them in bits and

1507  
01:22:37,540 --> 01:22:33,240  
pieces and her illustrations right that

1508  
01:22:41,600 --> 01:22:37,550  
the tentacled entities they were

1509  
01:22:47,240 --> 01:22:41,610  
time-traveling they they were actually

1510  
01:22:49,790 --> 01:22:47,250  
going back in time in order to avert or

1511  
01:22:52,670 --> 01:22:49,800  
get help for something that would happen

1512  
01:22:56,690 --> 01:22:52,680  
I think it was a thousand years in the

1513  
01:23:00,470 --> 01:22:56,700

future and that I and that they they

1514

01:23:04,000 --> 01:23:00,480

were not here to hurt anybody they were

1515

01:23:07,280 --> 01:23:04,010

here because they were trying to survive

1516

01:23:09,530 --> 01:23:07,290

themselves Rita and I when we walked out

1517

01:23:11,120 --> 01:23:09,540

of the theater I turned to her and we

1518

01:23:13,490 --> 01:23:11,130

were silent I turned to her I said so

1519

01:23:18,470 --> 01:23:13,500

what do you think she goes somebody is

1520

01:23:21,050 --> 01:23:18,480

sending us a message right there I that

1521

01:23:24,290 --> 01:23:21,060

movie was so good and profound I went

1522

01:23:27,050 --> 01:23:24,300

and saw it three times and each time I

1523

01:23:30,050 --> 01:23:27,060

saw something more I really do think it

1524

01:23:33,620 --> 01:23:30,060

was an extraordinary script it stuck out

1525

01:23:36,380 --> 01:23:33,630

to me as this is more than just a

1526

01:23:39,680 --> 01:23:36,390

Hollywood film and that's why when

1527

01:23:42,170 --> 01:23:39,690

I saw that headline about the scientists

1528

01:23:44,450 --> 01:23:42,180

saying that octopi were something from

1529

01:23:47,810 --> 01:23:44,460

someplace else and giving the reasons

1530

01:23:50,960 --> 01:23:47,820

why genetically it that movie just

1531

01:23:53,630 --> 01:23:50,970

jumped full and center I have no proof

1532

01:23:56,960 --> 01:23:53,640

but that is exactly what I thought of

1533

01:24:00,170 --> 01:23:56,970

and it will be interesting to see what

1534

01:24:02,780 --> 01:24:00,180

more all of us can learn about the

1535

01:24:06,830 --> 01:24:02,790

reasons that the science scientists are

1536

01:24:09,560 --> 01:24:06,840

giving genetically to back up their

1537

01:24:15,010 --> 01:24:09,570

argument and here is another whole huge

1538

01:24:19,250 --> 01:24:15,020

conundrum that all of us face science is

1539

01:24:23,630 --> 01:24:19,260

outstripping everybody's ability to keep

1540

01:24:27,320 --> 01:24:23,640

up if you are an astrophysicist and you

1541

01:24:30,050 --> 01:24:27,330

are focused in one specific part of a

1542

01:24:32,810 --> 01:24:30,060

thousand possible aspects of

1543

01:24:35,860 --> 01:24:32,820

astrophysics you can become an expert

1544

01:24:38,720 --> 01:24:35,870

but you won't be a renaissance mind on

1545

01:24:43,040 --> 01:24:38,730

everything because there's too much and

1546

01:24:46,910 --> 01:24:43,050

it's too too difficult molecular biology

1547

01:24:48,950 --> 01:24:46,920

genetics these are subjects I wish we

1548

01:24:53,390 --> 01:24:48,960

could put our pipes everybody a pipe

1549

01:24:57,470 --> 01:24:53,400

between our mind and PhD and so that we

1550

01:24:59,860 --> 01:24:57,480

had a more educated population about the

1551  
01:25:03,470 --> 01:24:59,870  
subjects that are now going to be

1552  
01:25:06,500 --> 01:25:03,480  
increasingly the relevant they're going

1553  
01:25:08,420 --> 01:25:06,510  
to be what we have to understand in

1554  
01:25:11,150 --> 01:25:08,430  
order to understand the planet that

1555  
01:25:14,420 --> 01:25:11,160  
we're evolving in and it is a big

1556  
01:25:17,870 --> 01:25:14,430  
disconnect now between those who have

1557  
01:25:20,030 --> 01:25:17,880  
knowledge at PhD level and the rest of

1558  
01:25:21,650 --> 01:25:20,040  
the planet on subjects that are we going

1559  
01:25:23,960 --> 01:25:21,660  
to become more and more and more

1560  
01:25:26,720 --> 01:25:23,970  
important we're going to head towards a

1561  
01:25:30,260 --> 01:25:26,730  
break here but before we get there I did

1562  
01:25:32,750 --> 01:25:30,270  
want to ask you this and we'll see if I

1563  
01:25:35,420 --> 01:25:32,760

can get you to answer this quickly the

1564

01:25:37,550 --> 01:25:35,430

old UFO hypothesis and the way that we

1565

01:25:39,440 --> 01:25:37,560

looked at the nuts-and-bolts craft and

1566

01:25:40,580 --> 01:25:39,450

and trying to figure out how they got

1567

01:25:43,640 --> 01:25:40,590

here and that they were you know

1568

01:25:46,400 --> 01:25:43,650

traveling from whatever these vast

1569

01:25:49,470 --> 01:25:46,410

distances in craft and where we are

1570

01:25:54,610 --> 01:25:49,480

today in our understanding of trash

1571

01:25:56,740 --> 01:25:54,620

has evolved so much how do you think how

1572

01:26:00,400 --> 01:25:56,750

do you think they are getting here is it

1573

01:26:05,200 --> 01:26:00,410

is it bending space is it is it time

1574

01:26:08,080 --> 01:26:05,210

travel is it wormholes interdimensional

1575

01:26:11,440 --> 01:26:08,090

are they already here I mean where do

1576

01:26:14,710 --> 01:26:11,450

you stand today on that Linda all of the

1577

01:26:17,970 --> 01:26:14,720

buzz yeah everything you just said I

1578

01:26:20,800 --> 01:26:17,980

really do think that is true and

1579

01:26:22,720 --> 01:26:20,810

depending upon what time we have maybe I

1580

01:26:25,690 --> 01:26:22,730

can tell you this after the break

1581

01:26:29,170 --> 01:26:25,700

sure about an amazing conversation that

1582

01:26:31,480 --> 01:26:29,180

I had with a man who was working on ring

1583

01:26:35,350 --> 01:26:31,490

lasers both at MIT and wright-patterson

1584

01:26:37,690 --> 01:26:35,360

oh Linda I want you I want your connects

1585

01:26:39,400 --> 01:26:37,700

you just got me all freaked out that's

1586

01:26:41,260 --> 01:26:39,410

it let's go ahead and take our break so

1587

01:26:44,350 --> 01:26:41,270

we can do this when we get back our

1588

01:26:45,190 --> 01:26:44,360

guest tonight Linda Moulton Howe this is

1589

01:26:47,110 --> 01:26:45,200

fade to black

1590

01:26:49,360 --> 01:26:47,120

I'm used to meet church again follow me

1591

01:26:51,610 --> 01:26:49,370

on Twitter at church radio and you can

1592

01:26:54,240 --> 01:26:51,620

follow Linda at earthfiles we'll see in

1593

01:26:58,780 --> 01:26:54,250

a second Linda yeah

1594

01:27:14,310 --> 01:27:04,520

[Music]

1595

01:27:20,550 --> 01:27:17,490

way out here we listen to Jimmy Church

1596

01:27:23,050 --> 01:27:20,560

you're listening to faint and black

1597

01:27:25,870 --> 01:27:23,060

always on the edge of the hottest

1598

01:27:26,680 --> 01:27:25,880

alternative talk chilly church with fade

1599

01:27:45,940 --> 01:27:26,690

to black

1600

01:27:49,660 --> 01:27:45,950

stay GRA radio.com hurricanes

1601  
01:27:51,400 --> 01:27:49,670  
earthquakes wildfires this year we've

1602  
01:27:53,800 --> 01:27:51,410  
experienced more than our fair share

1603  
01:27:56,680 --> 01:27:53,810  
this is Jimmy Church of fade to black

1604  
01:27:58,870 --> 01:27:56,690  
and last month I decided to make sure my

1605  
01:28:01,540 --> 01:27:58,880  
family does not have to worry about food

1606  
01:28:04,780 --> 01:28:01,550  
should we get caught in a real emergency

1607  
01:28:06,670 --> 01:28:04,790  
situation introducing Humana a healthy

1608  
01:28:08,500 --> 01:28:06,680  
storable product that tastes so good

1609  
01:28:10,270 --> 01:28:08,510  
that you'll want to eat it every day

1610  
01:28:13,030 --> 01:28:10,280  
instead of just during those times of

1611  
01:28:16,420 --> 01:28:13,040  
duress all new manna products have a 25

1612  
01:28:18,850 --> 01:28:16,430  
year shelf life our msg and GMO free no

1613  
01:28:20,980 --> 01:28:18,860

preservatives and are made in America

1614

01:28:23,020 --> 01:28:20,990

with the new manna pack in your home

1615

01:28:25,570 --> 01:28:23,030

you'll be able to sleep at night knowing

1616

01:28:28,750 --> 01:28:25,580

that you protected your family not only

1617

01:28:31,120 --> 01:28:28,760

have I tasted and tested I own it now

1618

01:28:33,430 --> 01:28:31,130

you can too just click on the new manna

1619

01:28:35,500 --> 01:28:33,440

banner on Jimmy Church radio.com and use

1620

01:28:37,900 --> 01:28:35,510

the promo code Jimmy when you order in

1621

01:28:40,060 --> 01:28:37,910

addition to a discount we'll send you an

1622

01:28:43,900 --> 01:28:40,070

autograph fade to black t-shirt

1623

01:28:45,430 --> 01:28:43,910

seriously gobekli tepe do you worry a

1624

01:28:47,820 --> 01:28:45,440

lot whether you're a college student

1625

01:28:50,320 --> 01:28:47,830

busy professional parent or grandparent

1626

01:28:52,150 --> 01:28:50,330

ongoing stress and elevated levels of

1627

01:28:54,460 --> 01:28:52,160

the stress hormone cortisol can wrap

1628

01:28:56,680 --> 01:28:54,470

your memory your health and your future

1629

01:28:58,570 --> 01:28:56,690

now you can combat the effects of stress

1630

01:29:00,640 --> 01:28:58,580

and anxiety while improving your memory

1631

01:29:02,740 --> 01:29:00,650

and recall at the same time with the

1632

01:29:04,510 --> 01:29:02,750

dietary supplement calm and clever

1633

01:29:06,640 --> 01:29:04,520

studies showed that the ingredients in

1634

01:29:08,830 --> 01:29:06,650

common clever reduce cortisol by as much

1635

01:29:10,780 --> 01:29:08,840

as 30 percent in one to two weeks

1636

01:29:13,729 --> 01:29:10,790

call 1-800 seven five eight eight seven

1637

01:29:16,250 --> 01:29:13,739

four six or calm and clever calm

1638

01:29:25,040 --> 01:29:16,260

you listen to us and we listen to you

1639

01:29:26,750 --> 01:29:25,050

and so does the CIA de GRA radio.com hi

1640

01:29:27,500 --> 01:29:26,760

folks what can I say without making

1641

01:29:29,029 --> 01:29:27,510

claims

1642

01:29:30,709 --> 01:29:29,039

seaweed is truly the buzzword for

1643

01:29:32,660 --> 01:29:30,719

health what does it do government

1644

01:29:34,640 --> 01:29:32,670

institutions will not allow me to say

1645

01:29:37,520 --> 01:29:34,650

what this wonderful oil does for us but

1646

01:29:40,189 --> 01:29:37,530

I can say it's non-gmo and organic I can

1647

01:29:42,109 --> 01:29:40,199

say it's point zero zero three THC which

1648

01:29:44,419 --> 01:29:42,119

in plain English means you won't get

1649

01:29:46,459 --> 01:29:44,429

high there are those that want to squash

1650

01:29:48,229 --> 01:29:46,469

your freedom to buy natural products

1651  
01:29:50,299 --> 01:29:48,239  
fight back with your purchase power in

1652  
01:29:52,399 --> 01:29:50,309  
the end it is you that takes care of

1653  
01:29:57,049 --> 01:29:52,409  
your health go to ancient life oil calm

1654  
01:29:58,520 --> 01:29:57,059  
one more time ancient life oil calm you

1655  
01:30:00,799 --> 01:29:58,530  
are listening to fade to black

1656  
01:30:05,629 --> 01:30:00,809  
with Jimmy Church on the game changer

1657  
01:30:07,700 --> 01:30:05,639  
Network hi I'm Lisa Vance you're

1658  
01:30:10,640 --> 01:30:07,710  
listening to Jimmy Church this is a

1659  
01:30:14,470 --> 01:30:10,650  
revolution the revolution will not be

1660  
01:30:19,380 --> 01:30:14,480  
televised the revolution is on radio

1661  
01:30:19,390 --> 01:30:58,670  
[Music]

1662  
01:31:04,410 --> 01:31:00,990  
welcome back fade to black did you guys

1663  
01:31:07,200 --> 01:31:04,420

like that painting held that up for the

1664

01:31:08,760 --> 01:31:07,210

camera that was Doug Taylor and gave

1665

01:31:13,140 --> 01:31:08,770

that to me this weekend very cool

1666

01:31:15,630 --> 01:31:13,150

gobekli tepe and he got me he painted me

1667

01:31:17,700 --> 01:31:15,640

into the pic it's pretty cool yeah at

1668

01:31:20,010 --> 01:31:17,710

Linda I haven't been to gobekli tepe but

1669

01:31:23,910 --> 01:31:20,020

Doug Taylor you know Doug he did this

1670

01:31:26,610 --> 01:31:23,920

beautiful painting and and he knows my

1671

01:31:29,760 --> 01:31:26,620

love for gobekli tepe

1672

01:31:31,620 --> 01:31:29,770

and so he painted me into the pic just

1673

01:31:33,390 --> 01:31:31,630

like that cool it's as close as I'm

1674

01:31:34,770 --> 01:31:33,400

gonna get right now but it's an amazing

1675

01:31:37,980 --> 01:31:34,780

piece of art I just held it up for the

1676

01:31:40,020 --> 01:31:37,990

camera yeah I wasn't there but the

1677

01:31:42,450 --> 01:31:40,030

painting is so good it looks like I

1678

01:31:45,930 --> 01:31:42,460

don't want people to think I was just in

1679

01:31:48,330 --> 01:31:45,940

a in Turkey I was not Linda

1680

01:31:49,890 --> 01:31:48,340

ring lasers and see you bring up

1681

01:31:53,190 --> 01:31:49,900

something like this we're talking about

1682

01:31:55,320 --> 01:31:53,200

you know systems and propulsion or how

1683

01:31:57,570 --> 01:31:55,330

they're doing it and how the traveling

1684

01:32:00,720 --> 01:31:57,580

you know et is making it here through

1685

01:32:02,550 --> 01:32:00,730

these vast distances nothing is close no

1686

01:32:05,670 --> 01:32:02,560

Alpha Centauri is still four and a half

1687

01:32:08,790 --> 01:32:05,680

light-years away as close as that may be

1688

01:32:10,530 --> 01:32:08,800

to us is the closest star system but

1689

01:32:13,890 --> 01:32:10,540

it's still important to have light years

1690

01:32:16,110 --> 01:32:13,900

is a long ways and you bring up ring

1691

01:32:20,130 --> 01:32:16,120

lasers I'm really interested in this

1692

01:32:24,030 --> 01:32:20,140

what did you find out yes we could move

1693

01:32:28,950 --> 01:32:24,040

point to point with resonant frequencies

1694

01:32:31,320 --> 01:32:28,960

or space tunnels we we could walk

1695

01:32:34,740 --> 01:32:31,330

through a door I mean literally you

1696

01:32:39,240 --> 01:32:34,750

would be on one side of a threshold this

1697

01:32:42,410 --> 01:32:39,250

earth in this time and you would be able

1698

01:32:44,940 --> 01:32:42,420

to program a whole different

1699

01:32:48,390 --> 01:32:44,950

latitude/longitude time and resonance

1700

01:32:50,760 --> 01:32:48,400

and then you would run it and then you

1701  
01:32:53,400 --> 01:32:50,770  
would just step across the threshold and

1702  
01:32:56,250 --> 01:32:53,410  
you would be three billion light years

1703  
01:32:58,770 --> 01:32:56,260  
away checking out whether or not those

1704  
01:33:02,390 --> 01:32:58,780  
fast radio bursts were light speed

1705  
01:33:05,400 --> 01:33:02,400  
transport for example and all of this

1706  
01:33:08,250 --> 01:33:05,410  
was laid out to me one of the more

1707  
01:33:10,510 --> 01:33:08,260  
interesting discussions that I've had

1708  
01:33:14,290 --> 01:33:10,520  
with somebody who came from both

1709  
01:33:16,780 --> 01:33:14,300  
science and military background and it

1710  
01:33:19,210 --> 01:33:16,790  
started I was this is when I was

1711  
01:33:22,420 --> 01:33:19,220  
director of special projects at the CBS

1712  
01:33:24,490 --> 01:33:22,430  
station in Denver and I had done a

1713  
01:33:28,270 --> 01:33:24,500

strange harvest about the animal

1714

01:33:30,160 --> 01:33:28,280

mutilations and was working this was

1715

01:33:33,190 --> 01:33:30,170

like two years later and I was working

1716

01:33:36,370 --> 01:33:33,200

on a film about astronaut training in

1717

01:33:41,080 --> 01:33:36,380

Colorado at Martin Marietta outside of

1718

01:33:43,780 --> 01:33:41,090

Denver and I wanted to get the crew and

1719

01:33:47,050 --> 01:33:43,790

myself into what would look like a

1720

01:33:49,930 --> 01:33:47,060

really modern beautiful place they were

1721

01:33:53,920 --> 01:33:49,940

making aspects that related to astronaut

1722

01:33:57,310 --> 01:33:53,930

training satellites and all of that so I

1723

01:34:00,130 --> 01:33:57,320

had called up as a manager in the CBS TV

1724

01:34:04,150 --> 01:34:00,140

station working on a documentary and I

1725

01:34:07,830 --> 01:34:04,160

had talked with Bell Labs that ball lab

1726

01:34:10,210 --> 01:34:07,840

sorry that were outside of Boulder and

1727

01:34:13,630 --> 01:34:10,220

said that I wanted to come and take a

1728

01:34:15,550 --> 01:34:13,640

look at their various labs and find a

1729

01:34:19,150 --> 01:34:15,560

place where the crew and I could work

1730

01:34:22,030 --> 01:34:19,160

and they were very cooperative and I

1731

01:34:26,260 --> 01:34:22,040

went so I'm not with a crew I'm on

1732

01:34:28,630 --> 01:34:26,270

what's called a location scout and I am

1733

01:34:32,740 --> 01:34:28,640

though sawing with group they were about

1734

01:34:36,670 --> 01:34:32,750

six men myself and each man was there

1735

01:34:38,950 --> 01:34:36,680

for various other reasons and we were

1736

01:34:41,740 --> 01:34:38,960

taken around in a clutch because it was

1737

01:34:43,960 --> 01:34:41,750

a highly classified place and I was not

1738

01:34:46,660 --> 01:34:43,970

interested in doing anything that would

1739

01:34:51,700 --> 01:34:46,670

have to do with class being classified

1740

01:34:54,460 --> 01:34:51,710

but I wanted to work in clean lab that

1741

01:34:56,970 --> 01:34:54,470

would fit in my film and so I would have

1742

01:35:01,630 --> 01:34:56,980

to go around with people who they were

1743

01:35:05,380 --> 01:35:01,640

taking with some orientation and that's

1744

01:35:11,050 --> 01:35:05,390

where I see a badge hanging on a man's

1745

01:35:13,870 --> 01:35:11,060

jacket and it says ring laser physicist

1746

01:35:14,470 --> 01:35:13,880

and it said wright-patterson Air Force

1747

01:35:19,930 --> 01:35:14,480

Base

1748

01:35:22,120 --> 01:35:19,940

hmm no I kept thinking and we were

1749

01:35:23,859 --> 01:35:22,130

listening to the people guiding us

1750

01:35:26,979 --> 01:35:23,869

around to the different rooms and

1751

01:35:31,000 --> 01:35:26,989

and we got to a point where we were

1752

01:35:34,810 --> 01:35:31,010

asked to just hang out in a place while

1753

01:35:38,950 --> 01:35:34,820

the person who was orienting us had to

1754

01:35:41,680 --> 01:35:38,960

go and check with somebody so I said sir

1755

01:35:44,919 --> 01:35:41,690

I'm from the CBS station

1756

01:35:49,270 --> 01:35:44,929

I do documentaries and I couldn't help

1757

01:35:50,919 --> 01:35:49,280

but notice your badge and I just

1758

01:35:54,189 --> 01:35:50,929

wondered since you work at

1759

01:35:58,180 --> 01:35:54,199

wright-patterson have you ever heard

1760

01:36:02,080 --> 01:35:58,190

about UFOs and ETS I asked that question

1761

01:36:04,959 --> 01:36:02,090

and he could have walked away or sneer

1762

01:36:07,540 --> 01:36:04,969

or whatever but I felt that it was

1763

01:36:09,820 --> 01:36:07,550

legitimate because I would explain to

1764

01:36:12,609 --> 01:36:09,830

him that I was asking because I had done

1765

01:36:14,830 --> 01:36:12,619

a strange harvest and I won an Emmy so I

1766

01:36:19,209 --> 01:36:14,840

I had that in the back of my head ready

1767

01:36:26,890 --> 01:36:19,219

to bring out if he gave me criticism

1768

01:36:29,770 --> 01:36:26,900

instead he said immediately if you're

1769

01:36:32,979 --> 01:36:29,780

interested in that subject yes I can

1770

01:36:36,879 --> 01:36:32,989

share some information but not here not

1771

01:36:39,879 --> 01:36:36,889

here I'll have to call you so that night

1772

01:36:42,879 --> 01:36:39,889

I live down in Littleton and that he was

1773

01:36:46,330 --> 01:36:42,889

up in Boulder but sure enough in the

1774

01:36:49,870 --> 01:36:46,340

evening he called how do you how do you

1775

01:36:55,540 --> 01:36:49,880

pull this stuff off well I don't get

1776

01:36:59,320 --> 01:36:55,550

that phone call it is I think people

1777

01:37:02,830 --> 01:36:59,330

know I am honestly trying to understand

1778

01:37:06,339 --> 01:37:02,840

I don't really have much of any other

1779

01:37:09,640 --> 01:37:06,349

agenda except to try to understand what

1780

01:37:11,919 --> 01:37:09,650

the truth is and report it and that if

1781

01:37:16,270 --> 01:37:11,929

people are willing to talk with me on or

1782

01:37:19,570 --> 01:37:16,280

off the record if it's off the record I

1783

01:37:22,180 --> 01:37:19,580

learn a lot that gives me context if

1784

01:37:23,979 --> 01:37:22,190

it's on the record then I'll do it as an

1785

01:37:26,859 --> 01:37:23,989

interview and the off-the-record

1786

01:37:30,100 --> 01:37:26,869

information that comes in this category

1787

01:37:33,839 --> 01:37:30,110

he would be like a Hoover war is very

1788

01:37:37,660 --> 01:37:33,849

helpful and what was interesting to me

1789

01:37:41,320 --> 01:37:37,670

my question to him provoked

1790

01:37:45,490 --> 01:37:41,330

to him because some of these people they

1791

01:37:48,220 --> 01:37:45,500

don't they'd never get to talk about any

1792

01:37:50,860 --> 01:37:48,230

of this right and he just decided that

1793

01:37:53,140 --> 01:37:50,870

if I was working at a TV station and I

1794

01:37:56,590 --> 01:37:53,150

was working in this subject matter that

1795

01:37:59,020 --> 01:37:56,600

he would talk with me and to boil down

1796

01:38:06,040 --> 01:37:59,030

about a two and a half three hour

1797

01:38:08,830 --> 01:38:06,050

discussion he said that he knew another

1798

01:38:12,280 --> 01:38:08,840

physicist knew that we were in a

1799

01:38:17,350 --> 01:38:12,290

universe where other intelligences moved

1800

01:38:20,020 --> 01:38:17,360

point to point and he used as what now

1801  
01:38:24,040 --> 01:38:20,030  
has become a common metaphor where if

1802  
01:38:26,500 --> 01:38:24,050  
you had I think of a napkin and you pick

1803  
01:38:30,130 --> 01:38:26,510  
up one point of the napkin and you fold

1804  
01:38:32,350 --> 01:38:30,140  
it you're folding space-time in between

1805  
01:38:34,959 --> 01:38:32,360  
and you're making two points of the

1806  
01:38:38,620 --> 01:38:34,969  
napkin come together and that is used

1807  
01:38:41,350 --> 01:38:38,630  
quite often as a metaphor and there are

1808  
01:38:43,900 --> 01:38:41,360  
other things there are space tunnels is

1809  
01:38:49,930 --> 01:38:43,910  
the way it's described may or may not

1810  
01:38:53,410 --> 01:38:49,940  
fit into the world of wormholes but he

1811  
01:38:56,729 --> 01:38:53,420  
went into this with first first hand

1812  
01:39:02,020 --> 01:38:56,739  
physicist knowledge about this concept

1813  
01:39:04,900 --> 01:39:02,030

later on about six months later he was

1814

01:39:06,700 --> 01:39:04,910

back in Boulder he was at some kind of a

1815

01:39:10,479 --> 01:39:06,710

scientific meeting and he called and he

1816

01:39:12,280 --> 01:39:10,489

said you know it's really important this

1817

01:39:14,260 --> 01:39:12,290

is really important that I be able to

1818

01:39:16,930 --> 01:39:14,270

talk to you face-to-face I cannot talk

1819

01:39:19,000 --> 01:39:16,940

to you on the phone so I drove to

1820

01:39:23,470 --> 01:39:19,010

Boulder from Denver's about thirty

1821

01:39:26,560 --> 01:39:23,480

minutes and we met on the University of

1822

01:39:28,930 --> 01:39:26,570

Colorado campus and we were in a place

1823

01:39:31,060 --> 01:39:28,940

that would be look just like we were

1824

01:39:35,410 --> 01:39:31,070

just people there on the campus having

1825

01:39:39,630 --> 01:39:35,420

lunch he said I want you to know that

1826

01:39:44,010 --> 01:39:39,640

you are in great danger and I said well

1827

01:39:47,290 --> 01:39:44,020

yeah I I suspect that a lot in my life

1828

01:39:48,430 --> 01:39:47,300

I'm not dealing with easy subjects but

1829

01:39:50,940 --> 01:39:48,440

why do you say that

1830

01:39:56,000 --> 01:39:50,950

and he said

1831

01:40:02,340 --> 01:39:56,010

since I talked with you on the phone and

1832

01:40:06,080 --> 01:40:02,350

went back to my lab and he said totally

1833

01:40:09,330 --> 01:40:06,090

unrelated but what happened has been

1834

01:40:14,010 --> 01:40:09,340

concerning to me that I at least be able

1835

01:40:16,560 --> 01:40:14,020

to tell you he said not long after that

1836

01:40:20,670 --> 01:40:16,570

phone conversation and that ball

1837

01:40:26,520 --> 01:40:20,680

aerospace tour he said I had put in a

1838

01:40:29,820 --> 01:40:26,530

request for all of Nikola Tesla's

1839

01:40:32,010 --> 01:40:29,830

patents including the ones that

1840

01:40:34,980 --> 01:40:32,020

disappeared after he died in New York

1841

01:40:38,970 --> 01:40:34,990

City and he said it'd be very very

1842

01:40:42,630 --> 01:40:38,980

important to my work in ring lasers and

1843

01:40:45,240 --> 01:40:42,640

he said it had gone my request and he

1844

01:40:48,930 --> 01:40:45,250

said my classification and my work I

1845

01:40:53,640 --> 01:40:48,940

should be able to put in a request for

1846

01:40:58,650 --> 01:40:53,650

any patent anywhere and get it he said

1847

01:41:04,520 --> 01:40:58,660

the very next morning in his lab which

1848

01:41:08,670 --> 01:41:04,530

was so classified that no one except him

1849

01:41:11,390 --> 01:41:08,680

could just walk into that lab everybody

1850

01:41:14,970 --> 01:41:11,400

else would have to go through security

1851

01:41:18,120 --> 01:41:14,980

phone calls he would be notified of

1852

01:41:22,320 --> 01:41:18,130

anybody whom is coming from the outside

1853

01:41:24,720 --> 01:41:22,330

world into his labs and yet the next

1854

01:41:26,790 --> 01:41:24,730

morning after putting in and submitting

1855

01:41:32,180 --> 01:41:26,800

the request for the patents from Nikola

1856

01:41:38,270 --> 01:41:32,190

Tesla two men in a proverbial black suit

1857

01:41:42,630 --> 01:41:38,280

white shirt black ties short black hair

1858

01:41:46,650 --> 01:41:42,640

opened up the door to his lab and come

1859

01:41:49,080 --> 01:41:46,660

in as if they owned the place he was so

1860

01:41:52,440 --> 01:41:49,090

shocked who are you

1861

01:41:57,210 --> 01:41:52,450

the memory said who are you they didn't

1862

01:42:02,940 --> 01:41:57,220

show him anything they just said we are

1863

01:42:04,920 --> 01:42:02,950

here to inform you that your request for

1864

01:42:09,270 --> 01:42:04,930

Nikola Tesla's patent

1865

01:42:13,380 --> 01:42:09,280

is denied that you are never to put in a

1866

01:42:17,000 --> 01:42:13,390

request for them again and we're here to

1867

01:42:20,130 --> 01:42:17,010

remind you that if you want your

1868

01:42:24,030 --> 01:42:20,140

laboratory to continue with the federal

1869

01:42:28,110 --> 01:42:24,040

funding that you have you will stop any

1870

01:42:30,630 --> 01:42:28,120

and all inquiries with anyone about and

1871

01:42:33,300 --> 01:42:30,640

then they use some term that he

1872

01:42:36,350 --> 01:42:33,310

interpreted as that his phone have been

1873

01:42:39,630 --> 01:42:36,360

tapped and I had been tapped and our

1874

01:42:45,120 --> 01:42:39,640

discussion had been was being referenced

1875

01:42:47,820 --> 01:42:45,130

and he said when you're in my position

1876

01:42:51,210 --> 01:42:47,830

and you're doing the work that you're

1877

01:42:54,210 --> 01:42:51,220

doing and people have the ability to

1878

01:42:58,140 --> 01:42:54,220

come into your lab without even

1879

01:43:02,670 --> 01:42:58,150

explaining who they work for you said I

1880

01:43:05,940 --> 01:43:02,680

know that what I do and what you do that

1881

01:43:08,640 --> 01:43:05,950

there are dangerous consequences and he

1882

01:43:10,830 --> 01:43:08,650

said and I wanted you to know that well

1883

01:43:13,620 --> 01:43:10,840

what it did to me it didn't scare me

1884

01:43:20,820 --> 01:43:13,630

it may be even more interested in the

1885

01:43:25,080 --> 01:43:20,830

work of Nikola Tesla that's right I've

1886

01:43:28,650 --> 01:43:25,090

never asked you this hey there's always

1887

01:43:33,680 --> 01:43:28,660

the first time question have you ever

1888

01:43:37,200 --> 01:43:33,690

had an encounter with the men in black

1889

01:43:40,590 --> 01:43:37,210

not a man named not men in black but I

1890

01:43:45,150 --> 01:43:40,600

certainly have had threats from a

1891

01:43:48,180 --> 01:43:45,160

variety of various people and I think

1892

01:43:51,230 --> 01:43:48,190

the biggest the thing that really annoys

1893

01:43:55,590 --> 01:43:51,240

me is that I will have spent a lot of

1894

01:43:58,110 --> 01:43:55,600

time and sometimes money and travel to

1895

01:44:01,020 --> 01:43:58,120

set up conditions where I can do a

1896

01:44:04,650 --> 01:44:01,030

recording in which I am totally willing

1897

01:44:07,170 --> 01:44:04,660

to alter a voice and I have done that

1898

01:44:10,920 --> 01:44:07,180

I've done that even in my interviews and

1899

01:44:18,089 --> 01:44:10,930

I'm coast to coast and protect always

1900

01:44:20,970 --> 01:44:18,099

protect the source and I will be having

1901

01:44:24,750 --> 01:44:20,980

the folks see this is the Achilles heel

1902

01:44:26,069 --> 01:44:24,760

of the American journalist who is

1903

01:44:29,819 --> 01:44:26,079

supposed to be protected by a

1904

01:44:30,569 --> 01:44:29,829

Constitution and I'm not doing anything

1905

01:44:33,689 --> 01:44:30,579

wrong

1906

01:44:38,609 --> 01:44:33,699

but my phone has been tapped ever since

1907

01:44:44,339 --> 01:44:38,619

I did a strange harvest and I have to

1908

01:44:47,040 --> 01:44:44,349

compartmentalize and and not feel some

1909

01:44:51,089 --> 01:44:47,050

kind of fear or anxiety and I do that to

1910

01:44:53,720 --> 01:44:51,099

be well but when I think that I've done

1911

01:44:57,149 --> 01:44:53,730

everything responsibly and correctly

1912

01:45:00,270 --> 01:44:57,159

incredibly and I have dd-214 and

1913

01:45:02,550 --> 01:45:00,280

military and a person is willing to talk

1914

01:45:04,979 --> 01:45:02,560

and I will alter their voice and I will

1915

01:45:09,479 --> 01:45:04,989

protect them just to get the information

1916

01:45:12,479 --> 01:45:09,489

out and the next thing that happens is a

1917

01:45:15,300 --> 01:45:12,489

communication I am so sorry Linda I

1918

01:45:17,490 --> 01:45:15,310

really want to do this but I have a

1919

01:45:21,089 --> 01:45:17,500

family and men showed up at my front

1920

01:45:27,689 --> 01:45:21,099

door and they told me and it's always a

1921

01:45:30,870 --> 01:45:27,699

variation on as one the CIA guy that I

1922

01:45:31,859 --> 01:45:30,880

did the whole 20 part series at Birth

1923

01:45:35,700 --> 01:45:31,869

files.com

1924

01:45:39,839 --> 01:45:35,710

that I called Cooper has also referred

1925

01:45:42,060 --> 01:45:39,849

to as anonymous that was a 1998 long

1926

01:45:45,750 --> 01:45:42,070

three-day interview at his home that I

1927

01:45:48,439 --> 01:45:45,760

did and then right after I left two men

1928

01:45:50,970 --> 01:45:48,449

in black showed up in the supermarket

1929

01:45:54,750 --> 01:45:50,980

where he and his wife had gone to get

1930

01:45:59,040 --> 01:45:54,760

some some groceries and when he walked

1931

01:46:02,399 --> 01:45:59,050

to the car these two men had their backs

1932

01:46:07,939 --> 01:46:02,409

against the driver's window which was

1933

01:46:09,689 --> 01:46:07,949

like like pecking order authority right

1934

01:46:12,450 --> 01:46:09,699

elbows crossed

1935

01:46:15,990 --> 01:46:12,460

not moving as he walked up told his wife

1936

01:46:19,200 --> 01:46:16,000

to hold back with a grocery cart and he

1937

01:46:22,439 --> 01:46:19,210

was a very sick man very having to take

1938

01:46:25,020 --> 01:46:22,449

insulin shots every four hours during

1939

01:46:27,720 --> 01:46:25,030

that long weekend that I was doing the

1940

01:46:30,660 --> 01:46:27,730

recorded interviews with his permission

1941

01:46:31,859 --> 01:46:30,670

and his request he wanted to get this on

1942

01:46:35,520 --> 01:46:31,869

the record

1943

01:46:37,530 --> 01:46:35,530

so he's very ill but he had gone grocery

1944

01:46:39,240 --> 01:46:37,540

shopping and he realized when he saw

1945

01:46:42,600 --> 01:46:39,250

those men with her back against the

1946

01:46:44,370 --> 01:46:42,610

driver side of the car that he asked his

1947

01:46:48,959 --> 01:46:44,380

wife to hold off and he walked up to

1948

01:46:52,919 --> 01:46:48,969

them and they said we are here to remind

1949

01:46:56,910 --> 01:46:52,929

you that we expect you to be a loyal

1950

01:47:01,830 --> 01:46:56,920

American patriot he had worked for the

1951

01:47:06,120 --> 01:47:01,840

CIA and his cover was in army Intel and

1952

01:47:09,959 --> 01:47:06,130

you are never to talk with Linda Moulton

1953

01:47:12,390 --> 01:47:09,969

Howe again if you want to see your son

1954

01:47:16,770 --> 01:47:12,400

marry and have children Wow

1955

01:47:19,229 --> 01:47:16,780

and those are the kinds of things that I

1956

01:47:21,570 --> 01:47:19,239

don't think should ever happen in the

1957

01:47:27,570 --> 01:47:21,580

United States of America but they have

1958

01:47:31,620 --> 01:47:27,580

happened dozens of times and there's a

1959

01:47:35,399 --> 01:47:31,630

part of me that feels very angry and

1960

01:47:39,479 --> 01:47:35,409

upset over what our country has become

1961

01:47:41,700 --> 01:47:39,489

over what over trying to keep the whole

1962

01:47:43,169 --> 01:47:41,710

world from knowing the truth that were

1963

01:47:46,109 --> 01:47:43,179

not alone in this universe

1964

01:47:49,169 --> 01:47:46,119

right there are other intelligences that

1965

01:47:51,510 --> 01:47:49,179

have been here on this planet not only

1966

01:47:55,410 --> 01:47:51,520

for thousands of years but according to

1967

01:48:00,839 --> 01:47:55,420

one di a whistleblower to me Linda we

1968

01:48:04,100 --> 01:48:00,849

have proof that three competing and in

1969

01:48:09,660 --> 01:48:04,110

conflict extraterrestrial biological

1970

01:48:12,359 --> 01:48:09,670

entities groups have been manipulating

1971

01:48:15,770 --> 01:48:12,369

and harvesting and terraforming this

1972

01:48:20,370 --> 01:48:15,780

planet for at least 270 million years

1973

01:48:23,459 --> 01:48:20,380

and when you only go to one life that we

1974

01:48:26,669 --> 01:48:23,469

put when you put everything we're

1975

01:48:32,339 --> 01:48:26,679

talking about from the current immediate

1976

01:48:36,330 --> 01:48:32,349

second of tonight on May 22nd 2018 in

1977

01:48:38,700 --> 01:48:36,340

the lens of looking back for 270 million

1978

01:48:41,609 --> 01:48:38,710

years that is before the time of the

1979

01:48:43,530 --> 01:48:41,619

dinosaurs and when I said sir that's

1980

01:48:45,219 --> 01:48:43,540

before the time of the dinosaurs he said

1981

01:48:48,180 --> 01:48:45,229

Linda we

1982

01:48:53,759 --> 01:48:48,190

proof that one of these competing

1983

01:48:57,359 --> 01:48:53,769

territorial groups the manipulated DNA

1984

01:49:02,109 --> 01:48:57,369

dinosaurs as an 80 million year long

1985

01:49:05,830 --> 01:49:02,119

experiment when when when the audience

1986

01:49:10,509 --> 01:49:05,840

hears you speak about this I need to

1987

01:49:14,350 --> 01:49:10,519

remind them about some of your

1988

01:49:16,330 --> 01:49:14,360

experiences in the past that you know

1989

01:49:17,589 --> 01:49:16,340

like Kirtland Air Force Base and what

1990

01:49:21,520 --> 01:49:17,599

you went through there and the whole

1991

01:49:25,779 --> 01:49:21,530

dodi period in HBO and and you know you

1992

01:49:28,449 --> 01:49:25,789

you were on curtly interfacing with the

1993

01:49:33,819 --> 01:49:28,459

air force about this subject and shown

1994

01:49:36,069 --> 01:49:33,829

documents this is not a joke you know

1995

01:49:41,459 --> 01:49:36,079

those are your life's experiences and

1996

01:49:44,919 --> 01:49:41,469

and people need to be reminded of your

1997

01:49:47,589 --> 01:49:44,929

integrity but also your tenacity and the

1998

01:49:49,569 --> 01:49:47,599

reasons why you are motivated to be the

1999

01:49:52,569 --> 01:49:49,579

journalist and researcher that you are

2000

01:49:54,759 --> 01:49:52,579

today and and I feel compelled to go

2001

01:49:57,699 --> 01:49:54,769

back and remind everybody to kind of put

2002

01:50:00,549 --> 01:49:57,709

it all back into focus you are very

2003

01:50:05,699 --> 01:50:00,559

driven and and you have your reasons for

2004

01:50:10,180 --> 01:50:05,709

that for truth we're supposed to be in a

2005

01:50:13,739 --> 01:50:10,190

Democrat or at least a republic and that

2006

01:50:17,770 --> 01:50:13,749

the First Amendment is supposed to

2007

01:50:21,819 --> 01:50:17,780

protect the Fourth Estate defined as a

2008

01:50:25,060 --> 01:50:21,829

free press and that was so important in

2009

01:50:27,520 --> 01:50:25,070

that divorce between the United Kingdom

2010

01:50:30,580 --> 01:50:27,530

and what was becoming the United States

2011

01:50:33,910 --> 01:50:30,590

a free press because of all the

2012

01:50:36,580 --> 01:50:33,920

oppression people forget why did the

2013

01:50:39,640 --> 01:50:36,590

United States where were these pilgrims

2014

01:50:44,080 --> 01:50:39,650

why they were leading what they said was

2015

01:50:48,580 --> 01:50:44,090

the suppression of them of the religion

2016

01:50:53,080 --> 01:50:48,590

of truth and that this country was to be

2017

01:50:58,340 --> 01:50:53,090

founded on a whole new principle of by

2018

01:51:02,720 --> 01:50:58,350

and for the people not a monarchy

2019

01:51:07,810 --> 01:51:02,730

not a kingdom but a government of by and

2020

01:51:14,870 --> 01:51:07,820

for the people and that those early

2021

01:51:18,920 --> 01:51:14,880

places that fought for that today I'm

2022

01:51:22,250 --> 01:51:18,930

going to I'll do this oppose this on the

2023

01:51:23,270 --> 01:51:22,260

air as a question to the listeners and

2024

01:51:30,020 --> 01:51:23,280

to you Jimmy

2025

01:51:36,890 --> 01:51:30,030

I think that the United States has

2026  
01:51:39,920 --> 01:51:36,900  
become a political science textbook of a

2027  
01:51:42,680 --> 01:51:39,930  
fascist nation in which the corporations

2028  
01:51:46,520 --> 01:51:42,690  
and the government departments are

2029  
01:51:50,360 --> 01:51:46,530  
joined at the hip we see that at every

2030  
01:51:52,580 --> 01:51:50,370  
level now you know and we really do it

2031  
01:51:55,190 --> 01:51:52,590  
and the marriage joined-at-the-hip right

2032  
01:51:58,190 --> 01:51:55,200  
the marriage is getting more and more

2033  
01:52:01,340 --> 01:51:58,200  
cemented every day and you know this

2034  
01:52:03,500 --> 01:52:01,350  
isn't a political show but I certainly

2035  
01:52:05,120 --> 01:52:03,510  
deal with the conspiracy of politics

2036  
01:52:09,350 --> 01:52:05,130  
right it's two different things

2037  
01:52:12,470 --> 01:52:09,360  
and and it's a fascinating thing for all

2038  
01:52:15,710 --> 01:52:12,480

of us to witness in real time and

2039

01:52:20,450 --> 01:52:15,720

speaking of that I spoke to you about

2040

01:52:22,100 --> 01:52:20,460

this before but as you know Doty Richard

2041

01:52:23,870 --> 01:52:22,110

Doty called in to this show surprise

2042

01:52:26,180 --> 01:52:23,880

call a few months ago and I called you

2043

01:52:28,190 --> 01:52:26,190

immediately after that happened but he

2044

01:52:30,290 --> 01:52:28,200

said one thing I want your reaction to

2045

01:52:32,900 --> 01:52:30,300

this before the break he said one thing

2046

01:52:35,210 --> 01:52:32,910

on the show that freaked me out which

2047

01:52:37,700 --> 01:52:35,220

what well it all freaked me out first

2048

01:52:39,620 --> 01:52:37,710

off he's a disinfo guy what can you do

2049

01:52:42,230 --> 01:52:39,630

you know what is true and what is not

2050

01:52:45,050 --> 01:52:42,240

that's the first part but he said that

2051  
01:52:51,650 --> 01:52:45,060  
out there on the circuit today at

2052  
01:52:55,610 --> 01:52:51,660  
conferences there are two two operatives

2053  
01:52:59,690 --> 01:52:55,620  
two two agents that are that are out

2054  
01:53:00,800 --> 01:52:59,700  
there working right now and and that I

2055  
01:53:05,030 --> 01:53:00,810  
knew who they were

2056  
01:53:08,240 --> 01:53:05,040  
now I had do you do you trust Doty in

2057  
01:53:11,870 --> 01:53:08,250  
that statement no I don't trust any of

2058  
01:53:12,230 --> 01:53:11,880  
the counter-intel people most everything

2059  
01:53:14,780 --> 01:53:12,240  
that

2060  
01:53:17,750 --> 01:53:14,790  
they're doing is spreading a certain

2061  
01:53:20,260 --> 01:53:17,760  
kind of bias for people to think through

2062  
01:53:26,330 --> 01:53:20,270  
that's number one always remember that

2063  
01:53:31,250 --> 01:53:26,340

and that number two is to test reactions

2064

01:53:31,610 --> 01:53:31,260

and the the whole thing about all of

2065

01:53:35,120 --> 01:53:31,620

this

2066

01:53:39,250 --> 01:53:35,130

it's the current wind when you go back

2067

01:53:42,320 --> 01:53:39,260

to April of 1983 I had signed the

2068

01:53:45,680 --> 01:53:42,330

contract in New York City was at the

2069

01:53:49,160 --> 01:53:45,690

home box office headquarters on March

2070

01:53:53,270 --> 01:53:49,170

21st 1983 I remember it because I love

2071

01:53:56,480 --> 01:53:53,280

the spring solstice and that was that

2072

01:53:59,690 --> 01:53:56,490

day and I was very excited about doing

2073

01:54:02,750 --> 01:53:59,700

an hour production at home box office

2074

01:54:05,120 --> 01:54:02,760

and our working title was UFOs the et

2075

01:54:11,380 --> 01:54:05,130

factor and for people who may not be

2076  
01:54:14,420 --> 01:54:11,390  
aware I have always Jimmy from 1968

2077  
01:54:16,520 --> 01:54:14,430  
graduating from Stanford University with

2078  
01:54:19,310 --> 01:54:16,530  
a master's degree in communication

2079  
01:54:21,980 --> 01:54:19,320  
having made documentary films for two

2080  
01:54:25,760 --> 01:54:21,990  
years and immediately went in to Los

2081  
01:54:30,050 --> 01:54:25,770  
Angeles media I was a first street

2082  
01:54:34,490 --> 01:54:30,060  
reporter on television at the KNBC in

2083  
01:54:36,800 --> 01:54:34,500  
Los Angeles and then I was asked to work

2084  
01:54:41,210 --> 01:54:36,810  
on documentaries there and then I was

2085  
01:54:44,210 --> 01:54:41,220  
asked to produce a live studio show I

2086  
01:54:47,360 --> 01:54:44,220  
was doing all kinds of things in Tom

2087  
01:54:51,490 --> 01:54:47,370  
Brokaw and Tom Snyder

2088  
01:54:54,320 --> 01:54:51,500

they were there at that time and I was a

2089

01:54:57,770 --> 01:54:54,330

first a reporter and then a producer at

2090

01:55:01,610 --> 01:54:57,780

KNBC doing a live television in Johnny

2091

01:55:04,490 --> 01:55:01,620

Carson studio I would go running to make

2092

01:55:06,530 --> 01:55:04,500

sure that I would get my time that was

2093

01:55:10,250 --> 01:55:06,540

allocated in the studio that I was

2094

01:55:13,640 --> 01:55:10,260

assigned at NBC and I would run from my

2095

01:55:16,100 --> 01:55:13,650

fourth four-story office with my

2096

01:55:20,150 --> 01:55:16,110

stopwatch in my script in my briefcase

2097

01:55:22,520 --> 01:55:20,160

over to Johnny Carson's studio where I

2098

01:55:23,200 --> 01:55:22,530

would do a show in the afternoon and

2099

01:55:26,020 --> 01:55:23,210

then he

2100

01:55:29,080 --> 01:55:26,030

and his crew would come in in the late

2101

01:55:31,630 --> 01:55:29,090

afternoon and so I went right from

2102

01:55:34,450 --> 01:55:31,640

Stanford University into the biggest box

2103

01:55:38,620 --> 01:55:34,460

possible where I worked I went right

2104

01:55:43,950 --> 01:55:38,630

from school to working at KNBC and in

2105

01:55:47,860 --> 01:55:43,960

NBC Studios so my work in news in

2106

01:55:51,550 --> 01:55:47,870

documentary in life studio all of it was

2107

01:55:55,540 --> 01:55:51,560

right from Stanford and I was married

2108

01:55:57,580 --> 01:55:55,550

then and the move from Los Angeles and

2109

01:56:01,480 --> 01:55:57,590

KNBC where I could have stayed for a

2110

01:56:05,140 --> 01:56:01,490

long time was because my husband wanted

2111

01:56:07,740 --> 01:56:05,150

to go into cable and wanted to go to

2112

01:56:11,440 --> 01:56:07,750

Harvard to get an MBA he had done Yale

2113

01:56:14,830 --> 01:56:11,450

as an undergraduate we met as master's

2114

01:56:18,970 --> 01:56:14,840

degrees at Stanford and then he applied

2115

01:56:21,750 --> 01:56:18,980

and got a entrance to be get an MBA at

2116

01:56:25,330 --> 01:56:21,760

Harvard so we were at that active

2117

01:56:28,720 --> 01:56:25,340

formula kind of part of our lives that

2118

01:56:32,140 --> 01:56:28,730

but I still went from LA while he was at

2119

01:56:35,440 --> 01:56:32,150

Harvard and I was hired to produce all

2120

01:56:37,960 --> 01:56:35,450

the medical programming at WCVB in

2121

01:56:40,330 --> 01:56:37,970

Boston which I did for two years house

2122

01:56:43,030 --> 01:56:40,340

call with dr. Timothy Johnson he was the

2123

01:56:47,740 --> 01:56:43,040

ABC medical editor and it was like

2124

01:56:50,200 --> 01:56:47,750

getting a medical school degree I was in

2125

01:56:54,100 --> 01:56:50,210

and out of Mass General and Children's

2126  
01:56:56,680 --> 01:56:54,110  
Hospital and Harvard and all of the time

2127  
01:56:59,320 --> 01:56:56,690  
every week working with a crew no matter

2128  
01:57:01,960 --> 01:56:59,330  
what we were doing surgeries or other

2129  
01:57:05,770 --> 01:57:01,970  
things I did that for two years and

2130  
01:57:06,910 --> 01:57:05,780  
that's how my husband ended up working

2131  
01:57:10,750 --> 01:57:06,920  
for Time Inc

2132  
01:57:12,460 --> 01:57:10,760  
we moved from Boston to Denver he was

2133  
01:57:14,680 --> 01:57:12,470  
working for a corporation in New York

2134  
01:57:17,470 --> 01:57:14,690  
but their subsidiary having to do with

2135  
01:57:19,690 --> 01:57:17,480  
cable was in Denver at that time I was

2136  
01:57:24,900 --> 01:57:19,700  
hired to be director of special projects

2137  
01:57:28,690 --> 01:57:24,910  
at the CBS station where they were

2138  
01:57:31,360 --> 01:57:28,700

purchasing the syndicated medical work

2139

01:57:34,780 --> 01:57:31,370

that I had done in Boston that was this

2140

01:57:37,089 --> 01:57:34,790

strange braiding and convergence between

2141

01:57:39,250 --> 01:57:37,099

my life and ending up in Denver was

2142

01:57:43,629 --> 01:57:39,260

purchased the medical work I had been

2143

01:57:48,069 --> 01:57:43,639

doing in Boston and so that gives you I

2144

01:57:51,429 --> 01:57:48,079

have always been a mainstream journalist

2145

01:57:54,669 --> 01:57:51,439

trained in the same rules as the New

2146

01:58:00,790 --> 01:57:54,679

York Times NBC CBS and I've always

2147

01:58:03,399 --> 01:58:00,800

worked in that context but when the as

2148

01:58:05,799 --> 01:58:03,409

my career was going along and I was

2149

01:58:08,799 --> 01:58:05,809

doing documentaries in life studio shows

2150

01:58:12,040 --> 01:58:08,809

like I had been doing in LA and doing it

2151  
01:58:13,989 --> 01:58:12,050  
in Denver and all of these animal

2152  
01:58:16,839 --> 01:58:13,999  
mutilation reports showed up in

2153  
01:58:19,270 --> 01:58:16,849  
headlines and I wanted to get to the

2154  
01:58:21,790 --> 01:58:19,280  
bottom of that just like I had wanted to

2155  
01:58:23,979 --> 01:58:21,800  
get to the bottom of any science

2156  
01:58:28,209 --> 01:58:23,989  
environment and medical story that I

2157  
01:58:31,479 --> 01:58:28,219  
worked on right little did I know that I

2158  
01:58:36,339 --> 01:58:31,489  
was entering a path that would define

2159  
01:58:39,479 --> 01:58:36,349  
the next 40 years of my life I had no

2160  
01:58:42,310 --> 01:58:39,489  
idea I thought I was going to be doing a

2161  
01:58:44,439 --> 01:58:42,320  
documentary that might have to do with

2162  
01:58:47,409 --> 01:58:44,449  
government contamination of something

2163  
01:58:50,020 --> 01:58:47,419

that was killing these animals and for

2164

01:58:54,250 --> 01:58:50,030

some reason they had to get a tissue

2165

01:58:57,069 --> 01:58:54,260

from the animals and it was not more

2166

01:58:59,679 --> 01:58:57,079

than two weeks after deciding because I

2167

01:59:02,409 --> 01:58:59,689

was the manager of that department in

2168

01:59:04,569 --> 01:59:02,419

the station and I'm the one who chose my

2169

01:59:07,179 --> 01:59:04,579

subjects of what I was going to do and I

2170

01:59:12,009 --> 01:59:07,189

had a budget and a crew and all of that

2171

01:59:14,319 --> 01:59:12,019

that I managed and I had a an exposure

2172

01:59:15,849 --> 01:59:14,329

through the headlines and talking with

2173

01:59:18,699 --> 01:59:15,859

some other reporters about all these

2174

01:59:23,169 --> 01:59:18,709

animal mutilations and said I'm going to

2175

01:59:27,149 --> 01:59:23,179

get to the bottom of this and the first

2176

01:59:31,239 --> 01:59:27,159

person that I was advised to go talk to

2177

01:59:34,540 --> 01:59:31,249

was Sheriff Tex graves in Logan County

2178

01:59:37,479 --> 01:59:34,550

up in Sterling Colorado and this is very

2179

01:59:42,330 --> 01:59:37,489

important because I'm a manager in a TV

2180

01:59:45,310 --> 01:59:42,340

station I am producing all kinds of

2181

01:59:48,069 --> 01:59:45,320

environment science political I had done

2182

01:59:50,510 --> 01:59:48,079

a live studio show with one of the CIA

2183

01:59:52,670 --> 01:59:50,520

directors having to do

2184

01:59:56,990 --> 01:59:52,680

intelligence operations I've done a

2185

01:59:59,480 --> 01:59:57,000

whole lot of different shows time that I

2186

02:00:01,250 --> 01:59:59,490

jump in row I have to take a commercial

2187

02:00:03,380 --> 02:00:01,260

break we're right at the top of the hour

2188

02:00:05,510 --> 02:00:03,390

tell you about the sheriff's would he

2189

02:00:07,070 --> 02:00:05,520

come back we'll do it all when we get

2190

02:00:10,520 --> 02:00:07,080

back our guest tonight Linda Moulton

2191

02:00:13,010 --> 02:00:10,530

Howe we're doing it tonight a tizzy with

2192

02:00:16,700 --> 02:00:13,020

Linda this is fade to black follow Linda

2193

02:00:18,200 --> 02:00:16,710

on Twitter at earthfiles i'm your host

2194

02:00:20,370 --> 02:00:18,210

jimmy church we'll be right back stay

2195

02:00:21,850 --> 02:00:20,380

with us

2196

02:00:26,800 --> 02:00:21,860

[Music]

2197

02:00:38,000 --> 02:00:35,120

on radio this is KCRA digital

2198

02:00:43,100 --> 02:00:38,010

broadcasting station Salt Lake City Utah

2199

02:00:45,530 --> 02:00:43,110

Van Buren Arkansas let's get this man to

2200

02:00:47,840 --> 02:00:45,540

the ER stat right away doctor we see

2201

02:00:50,270 --> 02:00:47,850

this every day heart attack or angina

2202

02:00:52,820 --> 02:00:50,280

pain due to blocked and clogged arteries

2203

02:00:54,650 --> 02:00:52,830

chelation can remove obstructions or

2204

02:00:56,660 --> 02:00:54,660

blockages from arteries and help avoid

2205

02:00:58,880 --> 02:00:56,670

painful and expensive surgery

2206

02:01:00,800 --> 02:00:58,890

now there's angio prim it's a liquid

2207

02:01:02,750 --> 02:01:00,810

oral chelation product that you take

2208

02:01:05,750 --> 02:01:02,760

with juice you start to feel the results

2209

02:01:07,310 --> 02:01:05,760

fast angio prim increases blood flow all

2210

02:01:09,620 --> 02:01:07,320

over the body and that means more energy

2211

02:01:12,140 --> 02:01:09,630

and strength to take on the day with

2212

02:01:14,290 --> 02:01:12,150

less aches and pains 60 years of

2213

02:01:17,300 --> 02:01:14,300

research has gone into chelation and

2214

02:01:19,550 --> 02:01:17,310

angiogram is the result a safe and easy

2215

02:01:21,710 --> 02:01:19,560

way to unblock your veins and arteries

2216

02:01:23,570 --> 02:01:21,720

from build-up that slow circulation

2217

02:01:25,610 --> 02:01:23,580

shaping dr. Jones please report to the

2218

02:01:27,770 --> 02:01:25,620

emergency room right away log on now for

2219

02:01:31,430 --> 02:01:27,780

a special radio offer from Angie oh prim

2220

02:01:35,360 --> 02:01:31,440

that's Angie oh prim calm / radio ang IO

2221

02:01:37,100 --> 02:01:35,370

PRI M angio prim calm / radio are called

2222

02:01:39,020 --> 02:01:37,110

eight seven seven eight eight to seventy

2223

02:01:42,860 --> 02:01:39,030

two twenty one that's eight seven seven

2224

02:01:45,350 --> 02:01:42,870

eight eight to seventy two twenty one so

2225

02:01:48,980 --> 02:01:45,360

you love talk radio then you'll love

2226

02:01:51,830 --> 02:01:48,990

talk stream live.com talk stream live is

2227

02:01:54,080 --> 02:01:51,840

always on 24/7 with the best streaming

2228

02:01:56,150 --> 02:01:54,090

talk shows find your favorite talkers

2229

02:01:58,850 --> 02:01:56,160

and discover some new ones it's free

2230

02:02:00,620 --> 02:01:58,860

readily available online or on the

2231

02:02:03,050 --> 02:02:00,630

smartphone or tablet finding your

2232

02:02:05,330 --> 02:02:03,060

favorite talk shows all in one place has

2233

02:02:07,880 --> 02:02:05,340

gotten a whole lot easier just go to

2234

02:02:10,400 --> 02:02:07,890

talk stream live.com be sure to download

2235

02:02:14,440 --> 02:02:10,410

the free apps from Google Play or the

2236

02:02:19,360 --> 02:02:14,450

itunes app store your contact recurring

2237

02:02:21,610 --> 02:02:19,370

and trending topics jgr a radio.com what

2238

02:02:22,240 --> 02:02:21,620

can I say about the most popular tea on

2239

02:02:24,460 --> 02:02:22,250

the Internet

2240

02:02:28,120 --> 02:02:24,470

and what a customers say about life

2241

02:02:30,580 --> 02:02:28,130

change tea at get the tea calm a lot but

2242

02:02:33,190 --> 02:02:30,590

by federal law we get the tea DICOM

2243

02:02:35,470 --> 02:02:33,200

cannot make claims to how this product

2244

02:02:37,450 --> 02:02:35,480

can enhance your health we cannot even

2245

02:02:40,270 --> 02:02:37,460

post our testimonies without being in

2246

02:02:42,520 --> 02:02:40,280

compliance so how do we get past the

2247

02:02:45,850 --> 02:02:42,530

hump try our products that get the tea

2248

02:02:48,760 --> 02:02:45,860

calm and see for yourself you can send

2249

02:02:49,900 --> 02:02:48,770

us a testimony but we just can't post it

2250

02:02:53,800 --> 02:02:49,910

bummer

2251

02:02:55,450 --> 02:02:53,810

our products are GMO free and organic we

2252

02:02:57,850 --> 02:02:55,460

pride ourself in being the best we can

2253

02:03:00,850 --> 02:02:57,860

be and we urge you to take charge of

2254

02:03:02,770 --> 02:03:00,860

your health we're loving your strong and

2255

02:03:04,720 --> 02:03:02,780

many of our customers have shared their

2256

02:03:06,340 --> 02:03:04,730

successes with friends and family

2257

02:03:09,130 --> 02:03:06,350

protect your colon

2258

02:03:17,160 --> 02:03:09,140

log on to get the t-dot-com let's get

2259

02:03:19,360 --> 02:03:17,170

the t-dot-com get the t.com get t.com

2260

02:03:21,070 --> 02:03:19,370

did you know that when you're on the

2261

02:03:23,530 --> 02:03:21,080

road with limited data or Wi-Fi

2262

02:03:25,450 --> 02:03:23,540

available you can still listen to every

2263

02:03:28,270 --> 02:03:25,460

minute a fade to black by just calling

2264

02:03:30,880 --> 02:03:28,280

six oh five five six two four four eight

2265

02:03:33,340 --> 02:03:30,890

two no smart phone app or internet

2266

02:03:35,410 --> 02:03:33,350

needed it saves your data plan and no

2267

02:03:38,890 --> 02:03:35,420

extra cost if you have unlimited minutes

2268

02:03:40,930 --> 02:03:38,900

just call six oh five five six two four

2269

02:03:43,060 --> 02:03:40,940

four eight two you can listen to me

2270

02:03:50,930 --> 02:03:43,070

Jimmy Church on any phone anytime

2271

02:03:54,970 --> 02:03:52,580

[Music]

2272

02:03:59,720 --> 02:03:54,980

[Applause]

2273

02:04:02,320 --> 02:03:59,730

you wanna know a secret I love ponies I

2274

02:04:04,939 --> 02:04:02,330

really love ponies I'm serious I

2275

02:04:08,990 --> 02:04:04,949

couldn't stay sane without poor mr.

2276

02:04:14,070 --> 02:04:09,000

Brooks why fade to black because you

2277

02:04:18,070 --> 02:04:15,940

this is fade to black

2278

02:04:21,760 --> 02:04:18,080

with Jimmy Church on the game changer

2279

02:04:24,130 --> 02:04:21,770

radio network and kgr a the global radio

2280

02:04:36,350 --> 02:04:24,140

alliance

2281

02:04:39,740 --> 02:04:36,360

[Music]

2282

02:04:43,320 --> 02:04:39,750

all right welcome back fade to black

2283

02:04:45,090 --> 02:04:43,330

our guest tonight Linda Moulton Howe she

2284

02:04:48,570 --> 02:04:45,100

will be a contact in the desert next

2285

02:04:50,910 --> 02:04:48,580

week tickets and info Oprah Jimmy turns

2286

02:04:53,550 --> 02:04:50,920

radio calm just click on the contact in

2287

02:04:55,530 --> 02:04:53,560

the desert banner right there and a

2288

02:04:57,930 --> 02:04:55,540

little programming note I want to remind

2289

02:05:00,300 --> 02:04:57,940

everybody tomorrow night George Noory is

2290

02:05:03,060 --> 02:05:00,310

going to be here and Victoria from

2291

02:05:04,710 --> 02:05:03,070

contacting the desert is going to be

2292

02:05:08,040 --> 02:05:04,720

here we're gonna have a bunch of special

2293

02:05:10,620 --> 02:05:08,050

guests come by and say hello so don't

2294

02:05:12,330 --> 02:05:10,630

miss tomorrow night and Linda you know I

2295

02:05:15,690 --> 02:05:12,340

would have had you on tomorrow night but

2296

02:05:19,380 --> 02:05:15,700

I'm just being selfish I wanted you I I

2297

02:05:22,020 --> 02:05:19,390

do my own earthfiles youtube channel

2298

02:05:24,510 --> 02:05:22,030

broadcast which we've been doing for

2299

02:05:28,620 --> 02:05:24,520

about two and a half or three months and

2300

02:05:30,420 --> 02:05:28,630

it is growing like wildfire and I just

2301

02:05:33,510 --> 02:05:30,430

love doing it and when I do it on

2302

02:05:37,830 --> 02:05:33,520

Wednesday night so cross pollinating

2303

02:05:41,270 --> 02:05:37,840

from you for people it's before you come

2304

02:05:46,560 --> 02:05:41,280

on live yes I go on in 7:30 to about

2305

02:05:50,360 --> 02:05:46,570

8:15 and I am exploring sort of things

2306

02:05:55,200 --> 02:05:50,370

that are current on my mind or that I'm

2307

02:05:59,130 --> 02:05:55,210

investigating and talking live with an

2308

02:06:02,040 --> 02:05:59,140

audience that is growing greatly and

2309

02:06:05,460 --> 02:06:02,050

their questions are so intelligent and

2310

02:06:07,980 --> 02:06:05,470

it's like a live dialogue with a huge

2311

02:06:09,480 --> 02:06:07,990

swath of wonderful people every

2312

02:06:11,970 --> 02:06:09,490

Wednesday so that's what I'll be doing

2313

02:06:14,220 --> 02:06:11,980

tomorrow on the earthfiles youtube

2314

02:06:17,400 --> 02:06:14,230

channel but I'm glad we got to talk

2315

02:06:21,390 --> 02:06:17,410

tonight because I think this is the

2316

02:06:26,390 --> 02:06:21,400

first interview ever that I have gone

2317

02:06:29,760 --> 02:06:26,400

into some of my background at KNBC

2318

02:06:34,100 --> 02:06:29,770

Stanford in the sense that it all was

2319

02:06:37,110 --> 02:06:34,110

weaving in a to be just forever a

2320

02:06:40,500 --> 02:06:37,120

mainstream journalist and that that is

2321

02:06:43,260 --> 02:06:40,510

the context in which it was suggested

2322

02:06:46,110 --> 02:06:43,270

that I go and talk with sheriff Tex

2323

02:06:48,780 --> 02:06:46,120

graves up in Sterling Colorado right and

2324

02:06:51,150 --> 02:06:48,790

he was just retiring

2325

02:06:53,880 --> 02:06:51,160

from the sheriff's office and would be

2326

02:06:56,850 --> 02:06:53,890

able to talk with me because he was

2327

02:06:58,800 --> 02:06:56,860

retiring and I set up this meeting drove

2328

02:07:03,660 --> 02:06:58,810

up by myself

2329

02:07:07,440 --> 02:07:03,670

he had transitioned after 23 years John

2330

02:07:10,170 --> 02:07:07,450

Wayne type of that man a few words but

2331

02:07:13,710 --> 02:07:10,180

boy did they count and you would not

2332

02:07:16,830 --> 02:07:13,720

want to cross here at X grave Wow

2333

02:07:21,810 --> 02:07:16,840

I really liked him no no guff no

2334

02:07:26,580 --> 02:07:21,820

nonsense and he pulled out a box of

2335

02:07:31,020 --> 02:07:26,590

about 266 color Polaroids that he had

2336

02:07:33,360 --> 02:07:31,030

taken himself as sheriff and I think

2337

02:07:37,470 --> 02:07:33,370

that the earliest year on those

2338

02:07:42,360 --> 02:07:37,480

Polaroids was somewhere around 1971 and

2339

02:07:46,710 --> 02:07:42,370

I'm visiting him in September of 1979 so

2340

02:07:48,750 --> 02:07:46,720

he had about a decade and he let me yeah

2341

02:07:51,930 --> 02:07:48,760

I asked him I said I like to look at

2342

02:07:56,010 --> 02:07:51,940

things chronologically and so he let me

2343

02:07:58,440 --> 02:07:56,020

use the poor and as I went through

2344

02:08:03,270 --> 02:07:58,450

looking for the very first time this is

2345

02:08:06,300 --> 02:08:03,280

my very first day of interacting truth

2346

02:08:09,990 --> 02:08:06,310

photographs with the animal mutilation

2347

02:08:12,570 --> 02:08:10,000

and I was not looking at blood I was not

2348

02:08:15,980 --> 02:08:12,580

looking at fluid I was not looking at

2349

02:08:18,960 --> 02:08:15,990

track I was looking at something that my

2350

02:08:22,710 --> 02:08:18,970

logical left brain could not comprehend

2351

02:08:27,930 --> 02:08:22,720

what was that and as I began asking him

2352

02:08:32,520 --> 02:08:27,940

questions about it all how could a 1,700

2353

02:08:34,800 --> 02:08:32,530

pound animal be found on face powder

2354

02:08:36,390 --> 02:08:34,810

dust that was the case and a lot of

2355

02:08:38,790 --> 02:08:36,400

these it's just the ground there's no

2356

02:08:41,900 --> 02:08:38,800

not even grass it should dust and

2357

02:08:44,790 --> 02:08:41,910

there's no tracks around the animal

2358

02:08:47,490 --> 02:08:44,800

including the animals own tracks but in

2359

02:08:50,370 --> 02:08:47,500

Ihram is missing an eye is missing jaw

2360

02:08:53,490 --> 02:08:50,380

flesh tongue deep within the throat the

2361

02:08:55,470 --> 02:08:53,500

genitals are taken out like with a

2362

02:08:59,780 --> 02:08:55,480

cookie cutter as law enforcement said

2363

02:09:02,189 --> 02:08:59,790

the rectum and or vagina are cored out a

2364

02:09:07,560 --> 02:09:02,199

photo after photo

2365

02:09:10,529 --> 02:09:07,570

and I was asking him questions as we go

2366

02:09:13,250 --> 02:09:10,539

and eventually he looked at me and he

2367

02:09:16,469 --> 02:09:13,260

said Linda let me save you some time

2368

02:09:22,790 --> 02:09:16,479

the perpetrators of these mutilations

2369

02:09:27,299 --> 02:09:22,800

are creatures from outer space and I

2370

02:09:30,359 --> 02:09:27,309

absolutely vividly recalling as I say

2371

02:09:33,089 --> 02:09:30,369

that I've never forgotten that it felt

2372

02:09:35,489 --> 02:09:33,099

just like I was touching the electric

2373

02:09:37,739 --> 02:09:35,499

wire that my dad had placed around the

2374

02:09:40,830 --> 02:09:37,749

garden when we were kids growing up to

2375

02:09:43,080 --> 02:09:40,840

keep the dogs out right and we my

2376

02:09:45,750 --> 02:09:43,090

brother and I would play with touching

2377

02:09:48,509 --> 02:09:45,760

that wire and feeling what electricity

2378

02:09:51,839 --> 02:09:48,519

felt like when it went through us and it

2379

02:09:54,629 --> 02:09:51,849

hurt and when sheriff Tech's grave said

2380

02:09:57,120 --> 02:09:54,639

those words I still can remember I can

2381

02:10:00,029 --> 02:09:57,130

see his eyes right now I can feel what I

2382

02:10:03,239 --> 02:10:00,039

felt and it felt like I had was touched

2383

02:10:06,180 --> 02:10:03,249

by one of those electric wires and dad's

2384

02:10:10,649 --> 02:10:06,190

garden as he said those words I wasn't

2385

02:10:15,930 --> 02:10:10,659

prepared for such a sentence and that

2386

02:10:19,620 --> 02:10:15,940

night driving home my entire existence I

2387

02:10:25,109 --> 02:10:19,630

would have been at that point in and I

2388

02:10:29,250 --> 02:10:25,119

was born in 1942 so I think I was 37

2389

02:10:31,259 --> 02:10:29,260

nice anchor I hadn't even thought about

2390

02:10:43,080 --> 02:10:31,269

that how old was I when I was doing that

2391

02:10:46,049 --> 02:10:43,090

I'm so 1979 37 and in my 37 years the

2392

02:10:49,459 --> 02:10:46,059

guy mom and dad said when I was 3 years

2393

02:10:54,120 --> 02:10:49,469

old I started asking for a telescope and

2394

02:10:56,930 --> 02:10:54,130

I had a aunt who who helped me with

2395

02:11:00,660 --> 02:10:56,940

getting a piano and my dad got me a

2396

02:11:04,399 --> 02:11:00,670

reflector telescope but I spent endless

2397

02:11:07,589 --> 02:11:04,409

nights in Boise Idaho with my telescope

2398

02:11:10,410 --> 02:11:07,599

it was like a passion and I thought I

2399

02:11:14,339 --> 02:11:10,420

would be an astronomer and all of that

2400

02:11:15,989 --> 02:11:14,349

is to say that the sky the night sky

2401

02:11:19,469 --> 02:11:15,999

being out under this

2402

02:11:19,889 --> 02:11:19,479

stars night it never scared me I loved

2403

02:11:25,259 --> 02:11:19,899

it

2404

02:11:29,849 --> 02:11:25,269

and then when I got in my car that night

2405

02:11:32,309 --> 02:11:29,859

in September of 1979 headed back to our

2406

02:11:35,819 --> 02:11:32,319

home in Littleton about a two-hour and

2407

02:11:39,809 --> 02:11:35,829

some drive from Sterling I remember

2408

02:11:41,729 --> 02:11:39,819

looking up because sheriff Tex graves

2409

02:11:44,399 --> 02:11:41,739

had said that law enforcement was

2410

02:11:46,729 --> 02:11:44,409

convinced that the only way that these

2411

02:11:50,369 --> 02:11:46,739

animals could be taken

2412

02:11:53,069 --> 02:11:50,379

having the excisions no blood no tracks

2413

02:11:56,669 --> 02:11:53,079

is that they would have to have be taken

2414

02:12:01,109 --> 02:11:56,679

by something into the sky and lowered by

2415

02:12:05,009 --> 02:12:01,119

something from the sky and that whole

2416

02:12:08,549 --> 02:12:05,019

drive back I realized I became aware I

2417

02:12:11,489 --> 02:12:08,559

was nervous about the growing night sky

2418

02:12:15,749 --> 02:12:11,499

for the very first time in my life and

2419

02:12:20,729 --> 02:12:15,759

that was a transition that eventually I

2420

02:12:25,529 --> 02:12:20,739

had to deal with myself that everybody

2421

02:12:28,139 --> 02:12:25,539

does when the government is playing

2422

02:12:29,849 --> 02:12:28,149

hardball with people and that you're

2423

02:12:32,459 --> 02:12:29,859

dealing with intelligences from

2424

02:12:34,769 --> 02:12:32,469

someplace else you don't understand and

2425

02:12:37,199 --> 02:12:34,779

that there might be a good reason for

2426

02:12:40,619 --> 02:12:37,209

what is occurring on the planet but

2427

02:12:44,789 --> 02:12:40,629

nobody is filling you in and that you

2428

02:12:48,479 --> 02:12:44,799

want to continue to be active in a world

2429

02:12:53,159 --> 02:12:48,489

where the night sky does not scare you

2430

02:12:56,899 --> 02:12:53,169

eventually I still remember the time and

2431

02:12:59,939 --> 02:12:56,909

it was in 1983 when I was trying so hard

2432

02:13:01,829 --> 02:12:59,949

to keep things going to do the HBO

2433

02:13:04,589 --> 02:13:01,839

project in spite of the government

2434

02:13:08,129 --> 02:13:04,599

making it very difficult and clearly

2435

02:13:12,449 --> 02:13:08,139

wanting to stop me that I had to come to

2436

02:13:17,849 --> 02:13:12,459

terms with myself I had to come I had to

2437

02:13:21,359 --> 02:13:17,859

come term with you cannot live life in

2438

02:13:24,749 --> 02:13:21,369

fear it's impossible bill okay ting in

2439

02:13:28,139 --> 02:13:24,759

every way mind body and spirit and so

2440

02:13:29,760 --> 02:13:28,149

you've got to learn how to put one foot

2441

02:13:32,280 --> 02:13:29,770

in front of the other

2442

02:13:35,250 --> 02:13:32,290

just keep going you're not doing

2443

02:13:38,390 --> 02:13:35,260

anything wrong you are simply trying to

2444

02:13:41,250 --> 02:13:38,400

find out the truth about other

2445

02:13:43,380 --> 02:13:41,260

intelligences in this universe that have

2446

02:13:45,360 --> 02:13:43,390

interacted with this planet according to

2447

02:13:48,240 --> 02:13:45,370

government people who have first-hand

2448

02:13:50,880 --> 02:13:48,250

knowledge and that you have to put

2449

02:13:54,000 --> 02:13:50,890

yourself psychologically and what you

2450

02:13:56,700 --> 02:13:54,010

are still supposed to be a journalist

2451  
02:13:59,520 --> 02:13:56,710  
protected by the First Amendment of the

2452  
02:14:02,670 --> 02:13:59,530  
Constitution with the right in a

2453  
02:14:05,190 --> 02:14:02,680  
government of by and for the people to

2454  
02:14:07,200 --> 02:14:05,200  
pursue the investigation of anything

2455  
02:14:10,740 --> 02:14:07,210  
that affects those people in that nation

2456  
02:14:13,710 --> 02:14:10,750  
a report about it to the best of your

2457  
02:14:17,880 --> 02:14:13,720  
ability as honestly as you can making

2458  
02:14:23,280 --> 02:14:17,890  
the pressure effect the pressure of fact

2459  
02:14:26,340 --> 02:14:23,290  
is my guide always has been always will

2460  
02:14:31,130 --> 02:14:26,350  
be no matter how strange the subject

2461  
02:14:36,150 --> 02:14:31,140  
matter and never back off never back off

2462  
02:14:40,980 --> 02:14:36,160  
because somebody says this cannot be

2463  
02:14:44,000 --> 02:14:40,990

pursued and eventually what happened I

2464

02:14:47,700 --> 02:14:44,010

think I have been in some very dangerous

2465

02:14:51,900 --> 02:14:47,710

situations I have had some very highly

2466

02:14:55,800 --> 02:14:51,910

strange things happen that probably were

2467

02:15:00,750 --> 02:14:55,810

in the threat category but I am still

2468

02:15:03,930 --> 02:15:00,760

here and it has been 40 years and it is

2469

02:15:08,070 --> 02:15:03,940

now more exciting because where we

2470

02:15:10,500 --> 02:15:08,080

started this interview that we are no

2471

02:15:13,020 --> 02:15:10,510

matter whether the government has the

2472

02:15:15,410 --> 02:15:13,030

courage and it takes courage I guess at

2473

02:15:18,900 --> 02:15:15,420

this point after thousands of years

2474

02:15:22,230 --> 02:15:18,910

finally tell the planet the truth but by

2475

02:15:24,120 --> 02:15:22,240

God if in 2018 they will finally get

2476

02:15:25,050 --> 02:15:24,130

that headline out we're not alone in

2477

02:15:27,420 --> 02:15:25,060

this universe

2478

02:15:30,090 --> 02:15:27,430

and that there's maybe a lot of stuff

2479

02:15:32,940 --> 02:15:30,100

out there that likes us and that are our

2480

02:15:36,090 --> 02:15:32,950

allies as the remote viewers say and

2481

02:15:38,790 --> 02:15:36,100

that no matter what else is out there we

2482

02:15:42,120 --> 02:15:38,800

do have allies and that we are on an

2483

02:15:42,859 --> 02:15:42,130

exciting brink where we're going to

2484

02:15:47,300 --> 02:15:42,869

start

2485

02:15:49,459 --> 02:15:47,310

sending things out with lasers trying to

2486

02:15:53,000 --> 02:15:49,469

go faster and faster in the speed of

2487

02:15:56,810 --> 02:15:53,010

light and I think you are must is

2488

02:15:59,479 --> 02:15:56,820

determined to get to Mars and there may

2489

02:16:03,470 --> 02:15:59,489

be a bunch of reasons why they want to

2490

02:16:07,370 --> 02:16:03,480

get somebody on Mars Jimmy so that no

2491

02:16:10,640 --> 02:16:07,380

matter what begins appearing on Mars or

2492

02:16:12,919 --> 02:16:10,650

what ancient archaeology is on Mars that

2493

02:16:15,680 --> 02:16:12,929

I'm convinced is there they won't have

2494

02:16:19,250 --> 02:16:15,690

somebody like Elon Musk now to explain

2495

02:16:24,169 --> 02:16:19,260

anything that happens there are you

2496

02:16:27,500 --> 02:16:24,179

sitting on and a please answer the

2497

02:16:29,720 --> 02:16:27,510

question are you are you sitting on

2498

02:16:37,480 --> 02:16:29,730

stuff that you haven't revealed and that

2499

02:16:47,000 --> 02:16:43,370

yes I became aware long ago that I have

2500

02:16:50,150 --> 02:16:47,010

to learn how to part mentalize I have to

2501

02:16:53,419 --> 02:16:50,160

learn how to protect information for

2502

02:16:55,879 --> 02:16:53,429

which I had no proof that I can talk

2503

02:16:58,339 --> 02:16:55,889

about things in general and say I have

2504

02:17:02,240 --> 02:16:58,349

no proof that I have to protect

2505

02:17:04,580 --> 02:17:02,250

whistleblowers for real so yes I do a

2506

02:17:06,349 --> 02:17:04,590

lot of compartmentalization and yes I

2507

02:17:09,410 --> 02:17:06,359

sit on a tremendous amount of

2508

02:17:12,049 --> 02:17:09,420

information that some right now that I'm

2509

02:17:16,429 --> 02:17:12,059

hoping in the next few months that I can

2510

02:17:18,560 --> 02:17:16,439

go forth but I can say this and I have

2511

02:17:21,410 --> 02:17:18,570

said it on my own

2512

02:17:25,060 --> 02:17:21,420

earth file YouTube channel and I have

2513

02:17:27,919 --> 02:17:25,070

said it in some of the conference's the

2514

02:17:31,910 --> 02:17:27,929

for whistleblowers that I mentioned at

2515

02:17:36,020 --> 02:17:31,920

the beginning who have come forth with a

2516

02:17:39,259 --> 02:17:36,030

variety of I think very subsidy pieces

2517

02:17:42,049 --> 02:17:39,269

to this vast chess game that we're all

2518

02:17:45,560 --> 02:17:42,059

trying to understand just in the last

2519

02:17:48,080 --> 02:17:45,570

year and a half to two years here is the

2520

02:17:54,169 --> 02:17:48,090

common denominator and I'm going to say

2521

02:17:56,379 --> 02:17:54,179

this without proof but I think that this

2522

02:18:01,179 --> 02:17:56,389

is

2523

02:18:07,969 --> 02:18:01,189

solid information and so does somebody

2524

02:18:11,179 --> 02:18:07,979

like the man who the physicist who John

2525

02:18:14,719 --> 02:18:11,189

Brandenburg he wrote a book death on

2526

02:18:18,410 --> 02:18:14,729

Mars when I ran by what I'm going to say

2527

02:18:23,269 --> 02:18:18,420

tonight with him he said absolutely do I

2528

02:18:26,509 --> 02:18:23,279

think that that is true okay so four

2529

02:18:28,040 --> 02:18:26,519

different facets and I'm not going into

2530

02:18:30,830 --> 02:18:28,050

the different facets I'm going to give

2531

02:18:33,649 --> 02:18:30,840

the bottom line these are people who

2532

02:18:37,269 --> 02:18:33,659

have told me in various assignments and

2533

02:18:41,450 --> 02:18:37,279

special ops forces they've either seen

2534

02:18:47,169 --> 02:18:41,460

in Antarctica going by submarine to a

2535

02:18:51,799 --> 02:18:47,179

site real non-human construction because

2536

02:18:56,000 --> 02:18:51,809

goes on for a mile or two or three Jimmy

2537

02:18:59,120 --> 02:18:56,010

as if it was thought as if it was like a

2538

02:19:03,229 --> 02:18:59,130

morphogenetic field that was was filled

2539

02:19:06,919 --> 02:19:03,239

with material and becomes a huge long

2540

02:19:07,639 --> 02:19:06,929

form and there's no weld no joints no

2541

02:19:11,379 --> 02:19:07,649

anything

2542

02:19:15,219 --> 02:19:11,389

okay well that this kind of mind-blowing

2543

02:19:18,759 --> 02:19:15,229

construction and that it is in

2544

02:19:23,509 --> 02:19:18,769

Antarctica one point five miles down

2545

02:19:26,089 --> 02:19:23,519

approachable by submarine and that some

2546

02:19:28,819 --> 02:19:26,099

of these whistleblowers we have seen

2547

02:19:33,620 --> 02:19:28,829

with our own eyes symbols and

2548

02:19:36,620 --> 02:19:33,630

hieroglyphs that match photographs that

2549

02:19:40,639 --> 02:19:36,630

they have seen again on the backside of

2550

02:19:45,099 --> 02:19:40,649

the moon where there are also the same

2551  
02:19:49,790 --> 02:19:45,109  
type of ancient archaeology and that

2552  
02:19:52,969 --> 02:19:49,800  
photograph taken on Mars in the cydonia

2553  
02:19:58,010 --> 02:19:52,979  
region by satellite or who knows what

2554  
02:20:02,229 --> 02:19:58,020  
that they all match now if you take that

2555  
02:20:06,040 --> 02:20:02,239  
sentence and we have ancient archaeology

2556  
02:20:08,640 --> 02:20:06,050  
1.5 miles down under ice in Antarctica

2557  
02:20:11,791 --> 02:20:08,650  
approachable only by submarine

2558  
02:20:13,890 --> 02:20:11,801  
then mind-blowing structure under the

2559  
02:20:19,291 --> 02:20:13,900  
ice that still has energy in it

2560  
02:20:21,990 --> 02:20:19,301  
according to them and that there is now

2561  
02:20:25,350 --> 02:20:22,000  
symbols and hieroglyphs

2562  
02:20:28,051 --> 02:20:25,360  
to me that's language that's some kind

2563  
02:20:31,490 --> 02:20:28,061

of communication that's embedded on

2564

02:20:34,470 --> 02:20:31,500

these structures and it said and if the

2565

02:20:37,410 --> 02:20:34,480

language is the symbols in the

2566

02:20:39,390 --> 02:20:37,420

hieroglyphs match between what's in

2567

02:20:40,530 --> 02:20:39,400

Antarctica what's on the backside of the

2568

02:20:41,850 --> 02:20:40,540

moon and what's in the northern

2569

02:20:45,570 --> 02:20:41,860

hemisphere of Mars

2570

02:20:48,660 --> 02:20:45,580

I think Occam's razor two plus two

2571

02:20:51,511 --> 02:20:48,670

equals four the same intelligence was

2572

02:20:54,871 --> 02:20:51,521

involved in Mars the backside of the

2573

02:20:59,640 --> 02:20:54,881

moon or all of the moon and the earth

2574

02:21:02,761 --> 02:20:59,650

and this solar system and beyond now how

2575

02:21:05,400 --> 02:21:02,771

long ago it's interesting when you try

2576  
02:21:08,551 --> 02:21:05,410  
to do research about when exactly was

2577  
02:21:12,631 --> 02:21:08,561  
the last time that Antarctica did not

2578  
02:21:14,970 --> 02:21:12,641  
have 1.5 to 2 miles of ice on it and you

2579  
02:21:19,381 --> 02:21:14,980  
will find there is a kind of consensus

2580  
02:21:21,930 --> 02:21:19,391  
around 13 million years ago and then

2581  
02:21:26,041 --> 02:21:21,940  
there's another idea that maybe it goes

2582  
02:21:30,030 --> 02:21:26,051  
back to 33 million years ago either of

2583  
02:21:33,360 --> 02:21:30,040  
those numbers compare in your mind to

2584  
02:21:37,320 --> 02:21:33,370  
Lucy and Africa allegedly the first

2585  
02:21:42,560 --> 02:21:37,330  
standing of primate right 2 million 2

2586  
02:21:50,400 --> 02:21:42,570  
million years ago versus 13 million and

2587  
02:21:56,570 --> 02:21:50,410  
33 million of provable provable advanced

2588  
02:22:00,121 --> 02:21:56,580

architecture that language terraforming

2589

02:22:03,450 --> 02:22:00,131

manipulation on this planet and if it is

2590

02:22:06,841 --> 02:22:03,460

13 million or 33 million years ago and

2591

02:22:09,961 --> 02:22:06,851

it's now one point five miles down under

2592

02:22:13,980 --> 02:22:09,971

ice approachable by submarine but the

2593

02:22:17,160 --> 02:22:13,990

entire world has been denied that

2594

02:22:21,301 --> 02:22:17,170

knowledge and I'm not so sure I'm not so

2595

02:22:22,621 --> 02:22:21,311

sure Lucy is even related to us right if

2596

02:22:25,140 --> 02:22:22,631

you know

2597

02:22:27,600 --> 02:22:25,150

it's the beginning what color erectus is

2598

02:22:30,390 --> 02:22:27,610

the beginning of the evolutionary trail

2599

02:22:32,940 --> 02:22:30,400

to hollow sapien sapien which is us yeah

2600

02:22:37,560 --> 02:22:32,950

but what I'm yeah I understand but what

2601  
02:22:40,051 --> 02:22:37,570  
I am saying is us you and I our versions

2602  
02:22:42,751 --> 02:22:40,061  
of us we go back 150 thousand hundred

2603  
02:22:44,610 --> 02:22:42,761  
seventy-five thousand years right well

2604  
02:22:47,791 --> 02:22:44,620  
well well wait wait wait

2605  
02:22:51,301 --> 02:22:47,801  
the current crowmon yin Homo sapiens

2606  
02:22:54,180 --> 02:22:51,311  
sapiens that's us the overlap with

2607  
02:22:58,261 --> 02:22:54,190  
neanderthalensis which is the previous

2608  
02:23:01,281 --> 02:22:58,271  
that had a bigger cubic brain than we do

2609  
02:23:04,531 --> 02:23:01,291  
it was now they're talking about how

2610  
02:23:07,201 --> 02:23:04,541  
Neanderthals were actually some of the

2611  
02:23:12,751 --> 02:23:07,211  
artists in some of the caves in the

2612  
02:23:15,541 --> 02:23:12,761  
France and Spain region they put because

2613  
02:23:19,230 --> 02:23:15,551

they now know that Neanderthal graves

2614

02:23:22,230 --> 02:23:19,240

had pollen on them that they put flowers

2615

02:23:23,100 --> 02:23:22,240

on the graves of their dead which means

2616

02:23:28,381 --> 02:23:23,110

to me

2617

02:23:31,131 --> 02:23:28,391

they had compassion they had soul y4i

2618

02:23:34,890 --> 02:23:31,141

I've always thought it was 35,000 to

2619

02:23:38,131 --> 02:23:34,900

45,000 years that there was a transition

2620

02:23:41,011 --> 02:23:38,141

from the last of neanderthalensis to

2621

02:23:44,190 --> 02:23:41,021

homo sapiens sapiens romanian being

2622

02:23:45,810 --> 02:23:44,200

dominant humanoid on the earth not a

2623

02:23:49,531 --> 02:23:45,820

hundred and some thousand there were

2624

02:23:53,781 --> 02:23:49,541

clearly prior primate humanoids but

2625

02:23:57,991 --> 02:23:53,791

there's a difference between a primate

2626  
02:24:00,751 --> 02:23:58,001  
humanoid that was Denis Sivan or Homo

2627  
02:24:03,661 --> 02:24:00,761  
erectus or coming up through the various

2628  
02:24:05,461 --> 02:24:03,671  
types getting to some of these lines

2629  
02:24:07,350 --> 02:24:05,471  
that they just discovered and they have

2630  
02:24:09,810 --> 02:24:07,360  
no idea where they come from you know

2631  
02:24:14,011 --> 02:24:09,820  
we've had breaking news about very

2632  
02:24:16,531 --> 02:24:14,021  
strange DNA finds just in the past

2633  
02:24:19,680 --> 02:24:16,541  
twelve months and then getting up to

2634  
02:24:22,821 --> 02:24:19,690  
neanderthalensis and the transition to

2635  
02:24:26,640 --> 02:24:22,831  
chrome on Ian Homo Sapien sapien between

2636  
02:24:30,781 --> 02:24:26,650  
35,000 and 45,000 years ago and this big

2637  
02:24:35,940 --> 02:24:30,791  
question if Neanderthals had larger

2638  
02:24:36,570 --> 02:24:35,950

brain capacity and that they were doing

2639

02:24:39,960 --> 02:24:36,580

some of the

2640

02:24:43,770 --> 02:24:39,970

the art in the cave and they buried

2641

02:24:48,650 --> 02:24:43,780

their dead and did so with compassion

2642

02:24:52,801 --> 02:24:48,660

and tenderness why were neanderthalensis

2643

02:24:55,890 --> 02:24:52,811

replaced by the tribal warfare Nkrumah

2644

02:24:59,820 --> 02:24:55,900

and Homo sapiens sapiens did I just get

2645

02:25:07,620 --> 02:24:59,830

shut down by Linda Moulton Howe did I

2646

02:25:14,370 --> 02:25:07,630

just get shut down I guess my point my

2647

02:25:16,890 --> 02:25:14,380

point was that Malusi but we have all of

2648

02:25:19,770 --> 02:25:16,900

these different examples of things that

2649

02:25:22,500 --> 02:25:19,780

have come and gone and if we go back and

2650

02:25:25,830 --> 02:25:22,510

look at Antarctica 33 million years ago

2651  
02:25:27,540 --> 02:25:25,840  
75 million years ago octopus now 250

2652  
02:25:31,761 --> 02:25:27,550  
million years ago just appeared here

2653  
02:25:34,110 --> 02:25:31,771  
that there are many examples of

2654  
02:25:36,660 --> 02:25:34,120  
civilizations and cultures that have

2655  
02:25:39,410 --> 02:25:36,670  
come and gone we have only been here for

2656  
02:25:43,890 --> 02:25:39,420  
a hundred and fifty thousand years and

2657  
02:25:48,090 --> 02:25:43,900  
that we is 150 thousand years

2658  
02:25:51,150 --> 02:25:48,100  
I think this current model is 35 to 45

2659  
02:25:53,900 --> 02:25:51,160  
thousand years but in the context of 2

2660  
02:25:57,450 --> 02:25:53,910  
million years of evolving and

2661  
02:26:00,540 --> 02:25:57,460  
manipulated remember yes that that paper

2662  
02:26:03,750 --> 02:26:00,550  
that Doty showed me a Kurland said right

2663  
02:26:06,900 --> 02:26:03,760

in it that these extraterrestrial isms

2664

02:26:12,301 --> 02:26:06,910

the quote manipulated DNA in already

2665

02:26:16,560 --> 02:26:12,311

evolving primates to create Homo Sapien

2666

02:26:24,530 --> 02:26:16,570

that is a direct quote Thank You Linda

2667

02:26:29,580 --> 02:26:24,540

that briefing paper of the document

2668

02:26:31,860 --> 02:26:29,590

project let's see it was Project garnet

2669

02:26:34,220 --> 02:26:31,870

because I remember I said remember your

2670

02:26:40,940 --> 02:26:34,230

birthstone and I was born in January

2671

02:26:44,850 --> 02:26:40,950

project all questions and mysteries

2672

02:26:49,110 --> 02:26:44,860

about the evolution of Homo Sapien on

2673

02:26:50,480 --> 02:26:49,120

this planet have been answered and this

2674

02:26:54,860 --> 02:26:50,490

project

2675

02:26:58,370 --> 02:26:54,870

closed I must have read that sentence

2676  
02:27:02,570 --> 02:26:58,380  
over and over and over as if I were in a

2677  
02:27:06,820 --> 02:27:02,580  
mild state of shock trying to absorb all

2678  
02:27:10,310 --> 02:27:06,830  
the implications of those words all

2679  
02:27:13,850 --> 02:27:10,320  
questions and mysteries about the

2680  
02:27:16,430 --> 02:27:13,860  
evolution of Homo Sapien on this planet

2681  
02:27:19,160 --> 02:27:16,440  
have been answered and this project is

2682  
02:27:23,450 --> 02:27:19,170  
closed and when you think about that

2683  
02:27:27,460 --> 02:27:23,460  
right now tonight in 2018 the people

2684  
02:27:31,190 --> 02:27:27,470  
going back to World War two dealing with

2685  
02:27:35,480 --> 02:27:31,200  
perhaps not even real crashes but like

2686  
02:27:37,880 --> 02:27:35,490  
Trojan horse planted craft sure in not

2687  
02:27:40,850 --> 02:27:37,890  
only in the United States but Russia and

2688  
02:27:44,810 --> 02:27:40,860

China and Italy and all over the planet

2689

02:27:47,750 --> 02:27:44,820

it actually was happening and then they

2690

02:27:51,890 --> 02:27:47,760

made a decision in the United States

2691

02:27:55,640 --> 02:27:51,900

that would counter absolutely counter to

2692

02:27:58,580 --> 02:27:55,650

the founding of America we should have

2693

02:28:01,340 --> 02:27:58,590

been told we should have been told

2694

02:28:04,160 --> 02:28:01,350

everything and I understand the

2695

02:28:06,740 --> 02:28:04,170

arguments I understand world war two I

2696

02:28:10,190 --> 02:28:06,750

understand that they were concerned

2697

02:28:13,700 --> 02:28:10,200

about getting the best technology is

2698

02:28:15,680 --> 02:28:13,710

making the best weapons moving into the

2699

02:28:18,800 --> 02:28:15,690

Atomic Age all of it

2700

02:28:21,950 --> 02:28:18,810

that was a testosterone concern and

2701

02:28:25,760 --> 02:28:21,960

probably a legitimate one but at the

2702

02:28:28,730 --> 02:28:25,770

same time if everybody in the United

2703

02:28:31,430 --> 02:28:28,740

States had lived up to what our founding

2704

02:28:36,200 --> 02:28:31,440

was about then we should have all been

2705

02:28:38,600 --> 02:28:36,210

told the truth we have technologies and

2706

02:28:41,780 --> 02:28:38,610

what appear to be and they knew this in

2707

02:28:44,780 --> 02:28:41,790

the beginning in Missouri to first

2708

02:28:46,490 --> 02:28:44,790

beings from Cape Girardeau in 1941 I

2709

02:28:47,690 --> 02:28:46,500

think the evidence for that all this

2710

02:28:51,110 --> 02:28:47,700

happened is huge

2711

02:28:54,170 --> 02:28:51,120

that's right those were clones and those

2712

02:28:56,719 --> 02:28:54,180

were very bright people in the FDR

2713

02:29:00,950 --> 02:28:56,729

administration and they recognized that

2714

02:29:03,760 --> 02:29:00,960

those two beings were clones and that

2715

02:29:06,219 --> 02:29:03,770

means that our government must have been

2716

02:29:10,240 --> 02:29:06,229

working overtime trying to understand

2717

02:29:13,660 --> 02:29:10,250

what is the implication of two clones in

2718

02:29:15,279 --> 02:29:13,670

some kind of a craft came from outer

2719

02:29:18,189 --> 02:29:15,289

space because you know what would have

2720

02:29:25,920 --> 02:29:18,199

been my first question if these are

2721

02:29:30,450 --> 02:29:25,930

clones who made them and this one of the

2722

02:29:34,929 --> 02:29:30,460

most important points when we look at us

2723

02:29:40,359 --> 02:29:34,939

when it comes to DNA we're something

2724

02:29:43,359 --> 02:29:40,369

obvious happened well a few times way

2725

02:29:45,370 --> 02:29:43,369

before we had that technology we're

2726  
02:29:48,420 --> 02:29:45,380  
talking about you know tens of thousands

2727  
02:29:51,130 --> 02:29:48,430  
of years ago or more at different stages

2728  
02:29:53,710 --> 02:29:51,140  
quite possibly going back millions of

2729  
02:29:55,479 --> 02:29:53,720  
years but eventually don't you think

2730  
02:29:57,099 --> 02:29:55,489  
Linda that there are going to be

2731  
02:30:01,170 --> 02:29:57,109  
geneticists out there there are going to

2732  
02:30:05,469 --> 02:30:01,180  
be DNA experts that are going to realize

2733  
02:30:08,319 --> 02:30:05,479  
that this wasn't a natural evolution

2734  
02:30:11,500 --> 02:30:08,329  
that occurred and what would they do

2735  
02:30:15,969 --> 02:30:11,510  
with that information is certainly not

2736  
02:30:19,689 --> 02:30:15,979  
going to go public shut it down because

2737  
02:30:21,819 --> 02:30:19,699  
the government sent world war two have

2738  
02:30:24,899 --> 02:30:21,829

made this beast subject that was not

2739

02:30:28,059 --> 02:30:24,909

politically acceptable to discuss and

2740

02:30:31,269 --> 02:30:28,069

put a lot of penalties with people in

2741

02:30:34,059 --> 02:30:31,279

government agencies Intel agencies and

2742

02:30:35,649 --> 02:30:34,069

military operations have been exposed to

2743

02:30:38,050 --> 02:30:35,659

all of this these are the whistleblowers

2744

02:30:42,599 --> 02:30:38,060

that are trying so hard to communicate

2745

02:30:49,300 --> 02:30:42,609

such important information now and that

2746

02:30:55,000 --> 02:30:49,310

when you put it in a very nice way but

2747

02:30:58,330 --> 02:30:55,010

in the sense that those will say doctors

2748

02:31:00,250 --> 02:30:58,340

like bronc and passing the baton through

2749

02:31:02,939 --> 02:31:00,260

majestic 12 to the people that they were

2750

02:31:07,529 --> 02:31:02,949

bringing into the program always sworn

2751  
02:31:11,679 --> 02:31:07,539  
strict non-disclosure agreement today I

2752  
02:31:15,550 --> 02:31:11,689  
am working on material that I will be

2753  
02:31:17,139 --> 02:31:15,560  
able to talk about sometime soon that

2754  
02:31:22,179 --> 02:31:17,149  
goes into this

2755  
02:31:26,500 --> 02:31:22,189  
a category of is there proof on earth

2756  
02:31:31,120 --> 02:31:26,510  
now of hybrids in which the genetic

2757  
02:31:34,779 --> 02:31:31,130  
material is Homo primate or primate

2758  
02:31:39,449 --> 02:31:34,789  
human primate mixed something unknown

2759  
02:31:43,389 --> 02:31:39,459  
and the fact that that must be

2760  
02:31:46,449 --> 02:31:43,399  
scientifically provable and yet we're on

2761  
02:31:49,719 --> 02:31:46,459  
a planet where scientists know this and

2762  
02:31:52,540 --> 02:31:49,729  
they know what they're dealing with but

2763  
02:31:55,469 --> 02:31:52,550

because we are living in some kind of

2764

02:32:01,090 --> 02:31:55,479

what was it Robert Bigelow called it a

2765

02:32:05,229 --> 02:32:01,100

juvenile taboo perfect he said that in

2766

02:32:07,719 --> 02:32:05,239

the interview with I think juveniles

2767

02:32:09,219 --> 02:32:07,729

taboo was in one of his interviews I

2768

02:32:13,120 --> 02:32:09,229

don't know if it was in the 60 minutes

2769

02:32:16,330 --> 02:32:13,130

when last year but it's a perfect name

2770

02:32:20,170 --> 02:32:16,340

for what has been happening juvenile

2771

02:32:23,800 --> 02:32:20,180

about we have to get past suppressing

2772

02:32:26,409 --> 02:32:23,810

everything because there was a goal to

2773

02:32:29,529 --> 02:32:26,419

have this advanced extraterrestrial

2774

02:32:33,250 --> 02:32:29,539

technology super weapons be able to do

2775

02:32:37,510 --> 02:32:33,260

super wars when in fact maybe the entire

2776  
02:32:40,659 --> 02:32:37,520  
world would stop fighting itself if it

2777  
02:32:42,939 --> 02:32:40,669  
knew for truth that all of the

2778  
02:32:45,460 --> 02:32:42,949  
governments that have the bodies and the

2779  
02:32:48,460 --> 02:32:45,470  
craft and the technology right now told

2780  
02:32:52,599 --> 02:32:48,470  
the truth the whole planet that deserves

2781  
02:32:58,319 --> 02:32:52,609  
to know maybe some of the horrible

2782  
02:33:01,000 --> 02:32:58,329  
insidious tribal warfare would end when

2783  
02:33:04,210 --> 02:33:01,010  
December 16th you know the New York

2784  
02:33:07,000 --> 02:33:04,220  
Times the days of disclosure and and and

2785  
02:33:10,599 --> 02:33:07,010  
all of this blew up in mass media around

2786  
02:33:13,750 --> 02:33:10,609  
the world every all of those government

2787  
02:33:16,120 --> 02:33:13,760  
reports that predicted an arcing the

2788  
02:33:21,010 --> 02:33:16,130

streets and the collapse of religion and

2789

02:33:23,500 --> 02:33:21,020

Wall Street and governments and movor we

2790

02:33:30,260 --> 02:33:23,510

would lose our minds clearly Linda that

2791

02:33:33,830 --> 02:33:30,270

didn't happen exactly I mean look I have

2792

02:33:35,740 --> 02:33:33,840

said now for about three years or two

2793

02:33:38,870 --> 02:33:35,750

years for sure

2794

02:33:43,519 --> 02:33:38,880

conferences I'll give you one and it

2795

02:33:45,679 --> 02:33:43,529

makes the point exactly I was an evening

2796

02:33:49,819 --> 02:33:45,689

speaker in Manchester England

2797

02:33:52,490 --> 02:33:49,829

on March 4th 2017 I and Erich von

2798

02:33:55,279 --> 02:33:52,500

däniken was the second evening speaker

2799

02:33:59,450 --> 02:33:55,289

he and I were featured and we were in a

2800

02:34:02,149 --> 02:33:59,460

huge Sports Complex that could

2801  
02:34:08,149 --> 02:34:02,159  
accommodate the audience that night I'm

2802  
02:34:11,750 --> 02:34:08,159  
told with 2,200 or 2,500 people and I

2803  
02:34:17,240 --> 02:34:11,760  
was first up at 7 o'clock and I had

2804  
02:34:21,319 --> 02:34:17,250  
brought my presentation on the binary

2805  
02:34:24,340 --> 02:34:21,329  
code that I have encountered whether it

2806  
02:34:29,439 --> 02:34:24,350  
would in Rendlesham with Jim Penniston

2807  
02:34:32,090 --> 02:34:29,449  
or stuff that it happened in Japan or a

2808  
02:34:34,370 --> 02:34:32,100  
very person that I was working with who

2809  
02:34:37,279 --> 02:34:34,380  
was getting downloads in binary and we

2810  
02:34:41,210 --> 02:34:37,289  
translating it all of that it was a

2811  
02:34:45,260 --> 02:34:41,220  
complex program and I wasn't sure if my

2812  
02:34:48,410 --> 02:34:45,270  
90 minutes would be accessible to this

2813  
02:34:50,750 --> 02:34:48,420

broad UK with some European visitor

2814

02:34:55,849 --> 02:34:50,760

audience or not and I was worried about

2815

02:34:58,279 --> 02:34:55,859

it but I did the presentation as I had

2816

02:35:03,260 --> 02:34:58,289

produced it in the United States and

2817

02:35:07,300 --> 02:35:03,270

hence minute and so when I got to the

2818

02:35:11,120 --> 02:35:07,310

end and I just had this overwhelming

2819

02:35:14,330 --> 02:35:11,130

feeling for this big huge audience in

2820

02:35:17,710 --> 02:35:14,340

front of me as by fellow human beings on

2821

02:35:21,679 --> 02:35:17,720

this planet who all deserved the truth

2822

02:35:24,590 --> 02:35:21,689

not lies upon lies upon lies for

2823

02:35:26,750 --> 02:35:24,600

centuries I simply looked at it it's

2824

02:35:30,229 --> 02:35:26,760

massive crowd and I said thank you

2825

02:35:32,450 --> 02:35:30,239

Manchester and what happened

2826  
02:35:34,099 --> 02:35:32,460  
they owners told me they'd never seen

2827  
02:35:36,620 --> 02:35:34,109  
anything like it I've never seen

2828  
02:35:37,689 --> 02:35:36,630  
anything like it I never felt anything

2829  
02:35:41,899 --> 02:35:37,699  
like it

2830  
02:35:43,591 --> 02:35:41,909  
every person in that huge huge place

2831  
02:35:46,860 --> 02:35:43,601  
jumps up

2832  
02:35:49,530 --> 02:35:46,870  
at once and they were screaming my name

2833  
02:35:52,950 --> 02:35:49,540  
they were screaming and there was this

2834  
02:35:56,430 --> 02:35:52,960  
feeling of energy that came on me like a

2835  
02:36:01,350 --> 02:35:56,440  
wave from this huge audience jumping up

2836  
02:36:04,791 --> 02:36:01,360  
screaming and what it was almost ever

2837  
02:36:10,830 --> 02:36:04,801  
this whole audience were Millennials

2838  
02:36:14,570 --> 02:36:10,840

with kids and they they were so far

2839

02:36:20,341 --> 02:36:14,580

beyond the policies of denial and lies

2840

02:36:23,280 --> 02:36:20,351

they were so convinced there was this

2841

02:36:27,990 --> 02:36:23,290

was an audience that was saying to me

2842

02:36:33,030 --> 02:36:28,000

and that huge huge ovation scream thank

2843

02:36:39,150 --> 02:36:33,040

you for talking to us without the you

2844

02:36:41,640 --> 02:36:39,160

know what and and I find that now more

2845

02:36:45,230 --> 02:36:41,650

and more in audiences and the

2846

02:36:49,230 --> 02:36:45,240

communications there are so many people

2847

02:36:52,770 --> 02:36:49,240

for way way past they they're they know

2848

02:36:54,841 --> 02:36:52,780

that the the idea that we're alone in

2849

02:36:57,390 --> 02:36:54,851

the universe facility that's what

2850

02:36:59,910 --> 02:36:57,400

happened in 70 years since World War two

2851  
02:37:03,020 --> 02:36:59,920  
where they might have been worried about

2852  
02:37:04,501 --> 02:37:03,030  
consequences today people think that is

2853  
02:37:07,801 --> 02:37:04,511  
antiquated

2854  
02:37:13,830 --> 02:37:07,811  
they've it's silly of course this

2855  
02:37:18,450 --> 02:37:13,840  
universe has other life in it the Thank

2856  
02:37:21,530 --> 02:37:18,460  
You Manchester I can see it now right it

2857  
02:37:27,570 --> 02:37:21,540  
was wonderful because everybody was

2858  
02:37:31,620 --> 02:37:27,580  
united in that same birth of yes yes we

2859  
02:37:34,470 --> 02:37:31,630  
are in the presence of what is real not

2860  
02:37:37,680 --> 02:37:34,480  
a policies of lies yeah I saw the

2861  
02:37:39,501 --> 02:37:37,690  
photographs of that and it was an

2862  
02:37:43,020 --> 02:37:39,511  
incredible that was Steve Mehra's

2863  
02:37:45,770 --> 02:37:43,030

conference right oh yeah yeah he was

2864

02:37:51,001 --> 02:37:45,780

there and Batali and all those guys and

2865

02:37:53,850 --> 02:37:51,011

it was it was just an outstanding moment

2866

02:37:57,090 --> 02:37:53,860

I will never forget I'm very grateful

2867

02:38:00,030 --> 02:37:57,100

and and where was I I just

2868

02:38:04,679 --> 02:38:00,040

got back I did a presentation in New

2869

02:38:07,019 --> 02:38:04,689

York City on AI and then I was in

2870

02:38:09,780 --> 02:38:07,029

Vermont and did a presentation there I

2871

02:38:14,000 --> 02:38:09,790

just got back a few days ago and when I

2872

02:38:17,399 --> 02:38:14,010

was in New York City a man came up to me

2873

02:38:23,399 --> 02:38:17,409

after I did my artificial intelligence

2874

02:38:26,130 --> 02:38:23,409

there and he took my hand and he had his

2875

02:38:30,510 --> 02:38:26,140

eyes were glistening like with slight

2876

02:38:35,099 --> 02:38:30,520

tears and he said I was in that audience

2877

02:38:37,979 --> 02:38:35,109

on March 4th in Manchester and I had to

2878

02:38:40,830 --> 02:38:37,989

come see you in New York City because I

2879

02:38:43,649 --> 02:38:40,840

was here on a trip and it was like the

2880

02:38:46,979 --> 02:38:43,659

binding that everybody who had that

2881

02:38:51,590 --> 02:38:46,989

experience with me and with Eric that

2882

02:38:54,750 --> 02:38:51,600

night we were bound in that kind of

2883

02:38:58,160 --> 02:38:54,760

amazing weave that can happen sometimes

2884

02:39:01,469 --> 02:38:58,170

in human lives where everybody in that

2885

02:39:04,260 --> 02:39:01,479

choo-choo-choo Jews place we were all in

2886

02:39:07,519 --> 02:39:04,270

the same page thank you so much Linda

2887

02:39:10,320 --> 02:39:07,529

and I can't wait to see you next week I

2888

02:39:16,260 --> 02:39:10,330

believe contact in the desert is in

2889

02:39:19,830 --> 02:39:16,270

seven days yes and I am doing fast radio

2890

02:39:23,670 --> 02:39:19,840

bursts I'm doing Sasquatch UFOs and

2891

02:39:27,109 --> 02:39:23,680

animal mutilations I am doing the

2892

02:39:31,139 --> 02:39:27,119

artificial intelligence and I am doing

2893

02:39:36,240 --> 02:39:31,149

military Whistleblower revelations about

2894

02:39:38,490 --> 02:39:36,250

UFOs and how do how does it make you

2895

02:39:41,760 --> 02:39:38,500

feel when you walk around you know a

2896

02:39:44,460 --> 02:39:41,770

ginormous event like contact and and

2897

02:39:46,830 --> 02:39:44,470

people just come up to you all day long

2898

02:39:50,700 --> 02:39:46,840

and and they just want to thank you you

2899

02:39:54,630 --> 02:39:50,710

know how does that make you and hug hug

2900

02:39:57,120 --> 02:39:54,640

there are so many and you know what it's

2901

02:40:01,820 --> 02:39:57,130

the same thing in Manchester I

2902

02:40:06,120 --> 02:40:01,830

experienced it in New York City where

2903

02:40:11,020 --> 02:40:06,130

many people male and female both of all

2904

02:40:13,360 --> 02:40:11,030

kinds of ages and they come up and

2905

02:40:14,530 --> 02:40:13,370

have tears in their eyes this has been

2906

02:40:17,350 --> 02:40:14,540

happening a lot

2907

02:40:20,560 --> 02:40:17,360

I think if tears in their eyes and they

2908

02:40:23,350 --> 02:40:20,570

take all of my shoulder and their

2909

02:40:29,200 --> 02:40:23,360

varying kinds of thank-yous and what I

2910

02:40:32,500 --> 02:40:29,210

feel is that truth is truth is truth

2911

02:40:35,530 --> 02:40:32,510

Jimmy and for those of us who have been

2912

02:40:39,790 --> 02:40:35,540

trying for a long time to get to real

2913

02:40:42,400 --> 02:40:39,800

truth and then that we are on a planet

2914

02:40:46,090 --> 02:40:42,410

that is as revolutionary and difficult

2915

02:40:49,360 --> 02:40:46,100

as this one is now and people are hungry

2916

02:40:53,620 --> 02:40:49,370

for truth because we are now in

2917

02:40:57,430 --> 02:40:53,630

political systems that every 24/7 cycle

2918

02:41:01,150 --> 02:40:57,440

are lying as a course of their day cool

2919

02:41:04,000 --> 02:41:01,160

in the political realm do you think is

2920

02:41:07,660 --> 02:41:04,010

telling any truths anymore and so there

2921

02:41:09,520 --> 02:41:07,670

is this huge huge gulf between people

2922

02:41:12,610 --> 02:41:09,530

who would like to know what is reality

2923

02:41:15,130 --> 02:41:12,620

and a world of governments now and all

2924

02:41:17,440 --> 02:41:15,140

they do is lie and that there is

2925

02:41:22,720 --> 02:41:17,450

something about the tears in people's

2926

02:41:26,050 --> 02:41:22,730

eyes that human I think would like to

2927

02:41:29,650 --> 02:41:26,060

feel that we could get back to a planet

2928

02:41:33,040 --> 02:41:29,660

where humans respected each other enough

2929

02:41:38,280 --> 02:41:33,050

love each other enough as a species that

2930

02:41:43,120 --> 02:41:38,290

we could tell the truth and that is the

2931

02:41:44,980 --> 02:41:43,130

huge bonding I am feeling in audiences

2932

02:41:48,280 --> 02:41:44,990

and with people coming up and hugging

2933

02:41:51,070 --> 02:41:48,290

and crying in tears they're not tears of

2934

02:41:55,450 --> 02:41:51,080

sadness they are tears of being joined

2935

02:41:59,110 --> 02:41:55,460

by wanting the truth and that's all I

2936

02:42:03,190 --> 02:41:59,120

have ever been trying to give people and

2937

02:42:06,040 --> 02:42:03,200

that it hurts me to my core to think

2938

02:42:08,860 --> 02:42:06,050

that we have a government who thinks

2939

02:42:12,100 --> 02:42:08,870

that people should be hurt because they

2940

02:42:13,630 --> 02:42:12,110

just want to tell the truth that were

2941

02:42:17,070 --> 02:42:13,640

not alone in this universe

2942

02:42:22,120 --> 02:42:17,080

and from my point of view if there are

2943

02:42:24,791 --> 02:42:22,130

white and black negative positive angels

2944

02:42:27,610 --> 02:42:24,801

Devils it reflects everything

2945

02:42:30,430 --> 02:42:27,620

we've had in our nurture in our boxes of

2946

02:42:33,701 --> 02:42:30,440

religions for a long time anyway and

2947

02:42:39,041 --> 02:42:33,711

when the remote viewers say doc you have

2948

02:42:43,060 --> 02:42:39,051

allies we have friends I think that is

2949

02:42:45,820 --> 02:42:43,070

worth telling the world we can handle it

2950

02:42:48,310 --> 02:42:45,830

and what and with your help Linda it's

2951  
02:42:50,680 --> 02:42:48,320  
gonna get done and I know you're never

2952  
02:42:56,310 --> 02:42:50,690  
gonna change but I have to say it don't

2953  
02:43:00,600 --> 02:42:56,320  
change we need you thank you so much

2954  
02:43:02,980 --> 02:43:00,610  
love to you and all of your audience and

2955  
02:43:05,440 --> 02:43:02,990  
for all of you who might be listening

2956  
02:43:08,831 --> 02:43:05,450  
and who get the contact come up and

2957  
02:43:11,951 --> 02:43:08,841  
shake my hand and Jimmy I'll see you

2958  
02:43:15,251 --> 02:43:11,961  
there and I'm so glad we did this

2959  
02:43:18,551 --> 02:43:15,261  
tonight it feels like this is genuinely

2960  
02:43:20,140 --> 02:43:18,561  
important for everybody to be talking at

2961  
02:43:23,350 --> 02:43:20,150  
these levels

2962  
02:43:25,480 --> 02:43:23,360  
now really yeah like I said to you

2963  
02:43:30,030 --> 02:43:25,490

through Greenwald a couple of days ago

2964

02:43:33,631 --> 02:43:30,040

breakfast is on me alright and mereta

2965

02:43:38,261 --> 02:43:33,641

thank you so much for Linda safe travels

2966

02:43:42,820 --> 02:43:38,271

Linda Moulton Howe and Earth files.com

2967

02:43:45,430 --> 02:43:42,830

is where you want to go every single day

2968

02:43:47,201 --> 02:43:45,440

and every every Wednesday night she's

2969

02:43:49,121 --> 02:43:47,211

doing earth files live right there on

2970

02:43:50,831 --> 02:43:49,131

YouTube right before fade to black and I

2971

02:43:52,570 --> 02:43:50,841

know that all of you over there checking

2972

02:43:54,761 --> 02:43:52,580

it out because you let me know when you

2973

02:43:56,470 --> 02:43:54,771

come over here that you just checked out

2974

02:43:58,841 --> 02:43:56,480

Lindo so do that every Wednesday night

2975

02:44:01,451 --> 02:43:58,851

and of course Thursday night Kay GRA

2976  
02:44:03,400 --> 02:44:01,461  
with John Burroughs phenomena radio

2977  
02:44:05,741 --> 02:44:03,410  
Thank You Linda this is fade to black

2978  
02:44:08,710 --> 02:44:05,751  
I'm your host Jimmy Church I'll be right

2979  
02:44:22,139 --> 02:44:08,720  
back after this short break stay with

2980  
02:44:24,790 --> 02:44:22,149  
[Music]

2981  
02:44:26,800 --> 02:44:24,800  
come back here and you are listening to

2982  
02:44:32,200 --> 02:44:26,810  
my boy Jimmy Church

2983  
02:44:35,380 --> 02:44:32,210  
Jimmy Church radio.com this my popular

2984  
02:44:37,260 --> 02:44:35,390  
opinion reading a book will not make you

2985  
02:44:43,260 --> 02:44:37,270  
smarter

2986  
02:44:49,420 --> 02:44:47,500  
hurricanes earthquakes wildfires this

2987  
02:44:51,880 --> 02:44:49,430  
year we've experienced more than our

2988  
02:44:54,189 --> 02:44:51,890

fair share this is Jimmy Church of fade

2989

02:44:56,200 --> 02:44:54,199

to black and last month I decided to

2990

02:44:58,630 --> 02:44:56,210

make sure my family does not have to

2991

02:45:01,780 --> 02:44:58,640

worry about food should we get caught in

2992

02:45:04,210 --> 02:45:01,790

a real emergency situation introducing

2993

02:45:05,889 --> 02:45:04,220

Humana a healthy storable product that

2994

02:45:07,929 --> 02:45:05,899

tastes so good that you'll want to eat

2995

02:45:10,210 --> 02:45:07,939

it every day instead of just during

2996

02:45:12,429 --> 02:45:10,220

those times of duress all new manna

2997

02:45:15,820 --> 02:45:12,439

products have a 25 year shelf life our

2998

02:45:18,370 --> 02:45:15,830

msg and GMO free no preservatives and

2999

02:45:20,290 --> 02:45:18,380

are made in America with the new manna

3000

02:45:21,880 --> 02:45:20,300

pack in your home you'll be able to

3001

02:45:24,429 --> 02:45:21,890

sleep at night knowing that you

3002

02:45:27,639 --> 02:45:24,439

protected your family not only have I

3003

02:45:29,740 --> 02:45:27,649

tasted and tested I own it now you can

3004

02:45:31,960 --> 02:45:29,750

too just click on the new manna banner

3005

02:45:33,820 --> 02:45:31,970

on Jimmy Church radio.com and use the

3006

02:45:36,219 --> 02:45:33,830

promo code Jimmy when you order in

3007

02:45:38,349 --> 02:45:36,229

addition to a discount we'll send you an

3008

02:45:43,450 --> 02:45:38,359

autographed fade to black t-shirt

3009

02:45:46,330 --> 02:45:43,460

seriously gobekli tepe when you take the

3010

02:45:48,700 --> 02:45:46,340

beams from Central America with dashes

3011

02:45:51,099 --> 02:45:48,710

of indonesian and african mixed in and

3012

02:45:51,610 --> 02:45:51,109

then roast it to the dark side of fade

3013

02:45:55,260 --> 02:45:51,620

to black

3014

02:45:58,210 --> 02:45:55,270

you create the ultimate brew of Fringe

3015

02:46:01,420 --> 02:45:58,220

introducing the fade to black blend from

3016

02:46:04,510 --> 02:46:01,430

river moon coffee yes River moons

3017

02:46:06,700 --> 02:46:04,520

darkest customized roast was created for

3018

02:46:09,729 --> 02:46:06,710

the love of fade to black

3019

02:46:12,370 --> 02:46:09,739

the alchemy of masterful roasting and

3020

02:46:15,939 --> 02:46:12,380

smoking the beans is in every sip of

3021

02:46:18,939 --> 02:46:15,949

this full-bodied dark Java I need my

3022

02:46:21,250 --> 02:46:18,949

coffee dog deep with distinct

3023

02:46:23,979 --> 02:46:21,260

bittersweet chocolate highlights just

3024

02:46:26,410 --> 02:46:23,989

like the bunker leaning further into the

3025

02:46:29,710 --> 02:46:26,420

darkness of the roast is fade to black

3026  
02:46:31,360 --> 02:46:29,720  
blend from river moon coffee just click

3027  
02:46:34,660 --> 02:46:31,370  
on the banner at Jimmy Church radio.com

3028  
02:46:37,840 --> 02:46:34,670  
and use the promo code F to B blend for

3029  
02:46:41,679 --> 02:46:37,850  
15% off of your order today

3030  
02:46:43,719 --> 02:46:41,689  
Gobekli Tepe hey can we talk about

3031  
02:46:46,809 --> 02:46:43,729  
something serious for a minute your age

3032  
02:46:49,300 --> 02:46:46,819  
getting old has its perks but remember

3033  
02:46:51,340 --> 02:46:49,310  
being a few years younger you know your

3034  
02:46:53,200 --> 02:46:51,350  
hair was thicker you didn't have so many

3035  
02:46:55,149 --> 02:46:53,210  
wrinkles that extra weight wasn't

3036  
02:46:57,490 --> 02:46:55,159  
haunting you and you just felt better

3037  
02:47:00,160 --> 02:46:57,500  
well we can't turn back the clocks and

3038  
02:47:02,320 --> 02:47:00,170

go back 10 or 15 years but you can start

3039

02:47:05,439 --> 02:47:02,330

feeling and looking 10 or 15 years

3040

02:47:07,479 --> 02:47:05,449

younger with nature's youth RSF it's a

3041

02:47:09,160 --> 02:47:07,489

doctor formulated daily supplement that

3042

02:47:10,889 --> 02:47:09,170

helps your body maintain its peak

3043

02:47:13,510 --> 02:47:10,899

performance and fight the aging process

3044

02:47:14,889 --> 02:47:13,520

imagine sleeping better looking better

3045

02:47:17,469 --> 02:47:14,899

and feeling better

3046

02:47:19,420 --> 02:47:17,479

see how Nature's youth RSF has helped

3047

02:47:22,120 --> 02:47:19,430

thousands of people just like you at

3048

02:47:24,609 --> 02:47:22,130

nature's youth calm nature's youth calm

3049

02:47:26,139 --> 02:47:24,619

the holidays are coming imagine how it

3050

02:47:27,910 --> 02:47:26,149

will feel when your family and friends

3051  
02:47:30,280 --> 02:47:27,920  
are asking you what you did to look so

3052  
02:47:32,559 --> 02:47:30,290  
good your secret will be nature's youth

3053  
02:47:35,139 --> 02:47:32,569  
RSF it's time to start looking better

3054  
02:47:37,120 --> 02:47:35,149  
and feeling better learn more in order

3055  
02:47:47,410 --> 02:47:37,130  
your nature's use RSF at nature's youth

3056  
02:48:01,940 --> 02:47:51,110  
it's not a lifestyle we chose we were

3057  
02:48:06,710 --> 02:48:01,950  
born this way k GRA radio.com this is KJ

3058  
02:48:21,261 --> 02:48:16,950  
[Music]

3059  
02:48:25,370 --> 02:48:21,271  
all right welcome back

3060  
02:48:27,261 --> 02:48:25,380  
fade to black girls Jimmy Church Linda

3061  
02:48:28,780 --> 02:48:27,271  
Moulton Howe there there's a national

3062  
02:48:32,990 --> 02:48:28,790  
treasure right there

3063  
02:48:34,580 --> 02:48:33,000

great conversation and went right

3064

02:48:37,700 --> 02:48:34,590

through a commercial break but I'd just

3065

02:48:41,270 --> 02:48:37,710

died there's just no way I'm not going

3066

02:48:42,230 --> 02:48:41,280

to stop a great conversation for a

3067

02:48:46,730 --> 02:48:42,240

commercial break

3068

02:48:48,051 --> 02:48:46,740

but a couple of things and and I'll get

3069

02:48:52,040 --> 02:48:48,061

to some of these phone calls

3070

02:48:55,850 --> 02:48:52,050

I've got enough time for a couple back

3071

02:48:58,700 --> 02:48:55,860

to the cattle mutilation one thing I

3072

02:49:04,160 --> 02:48:58,710

didn't get a chance to get the question

3073

02:49:06,440 --> 02:49:04,170

in but they just stopped and isn't that

3074

02:49:09,250 --> 02:49:06,450

interesting one of the great mysteries

3075

02:49:11,540 --> 02:49:09,260

right there's been no explanation

3076

02:49:14,720 --> 02:49:11,550

nothing from the government or

3077

02:49:16,280 --> 02:49:14,730

terrestrial laboratories that that

3078

02:49:19,490 --> 02:49:16,290

possibly could have been doing some

3079

02:49:22,490 --> 02:49:19,500

crazy animal testing it wasn't just

3080

02:49:27,591 --> 02:49:22,500

cattle by the way but nonetheless just

3081

02:49:32,810 --> 02:49:27,601

stopped and the extra-terrestrial side

3082

02:49:35,570 --> 02:49:32,820

of it I still cannot dismiss for for a

3083

02:49:40,011 --> 02:49:35,580

lot of different reasons but they just

3084

02:49:43,130 --> 02:49:40,021

stopped or have they is it not being

3085

02:49:45,380 --> 02:49:43,140

reported on anymore

3086

02:49:48,200 --> 02:49:45,390

but isn't that don't you find that

3087

02:49:52,160 --> 02:49:48,210

strange I do I mean it just completely

3088

02:49:54,320 --> 02:49:52,170

stopped and the the mutilations

3089

02:49:59,180 --> 02:49:54,330

themselves and the horses to remember

3090

02:50:03,350 --> 02:49:59,190

were real these were real but they just

3091

02:50:05,150 --> 02:50:03,360

stopped and the when you look at the

3092

02:50:06,770 --> 02:50:05,160

photographs you can read about the

3093

02:50:08,420 --> 02:50:06,780

details of and so forth but when you

3094

02:50:14,140 --> 02:50:08,430

look at the photographs you just have to

3095

02:50:17,660 --> 02:50:14,150

stop and question you know it's not

3096

02:50:20,810 --> 02:50:17,670

animals doing it okay so that that part

3097

02:50:23,841 --> 02:50:20,820

of it is is off of the table so the

3098

02:50:26,780 --> 02:50:23,851

question is who and why it's a

3099

02:50:30,150 --> 02:50:26,790

fascinating part of history in this in

3100

02:50:32,310 --> 02:50:30,160

this country one that Linda was

3101

02:50:35,160 --> 02:50:32,320

a big part of in investigating and

3102

02:50:39,301 --> 02:50:35,170

researching but I'm not so sure if we

3103

02:50:42,120 --> 02:50:39,311

ever got to the answer and I would be

3104

02:50:45,330 --> 02:50:42,130

cool with it I guess

3105

02:50:48,390 --> 02:50:45,340

if there was some resolution where you

3106

02:50:53,131 --> 02:50:48,400

know some laboratory or you know Sandia

3107

02:50:55,680 --> 02:50:53,141

or whoever was responsible for this as

3108

02:50:58,650 --> 02:50:55,690

far as a government research lab side of

3109

02:51:01,051 --> 02:50:58,660

things or or something else or the

3110

02:51:02,520 --> 02:51:01,061

military came forward and said okay this

3111

02:51:05,011 --> 02:51:02,530

is what was going on this is how we did

3112

02:51:06,841 --> 02:51:05,021

it this is why we did it and and it was

3113

02:51:08,881 --> 02:51:06,851

weapons testing whatever it is I don't

3114

02:51:14,040 --> 02:51:08,891

know I don't know radiation I don't know

3115

02:51:17,370 --> 02:51:14,050

but that didn't happen so the et side of

3116

02:51:21,511 --> 02:51:17,380

it is still on the table and I know

3117

02:51:24,600 --> 02:51:21,521

how humans when we go into the jungle or

3118

02:51:26,940 --> 02:51:24,610

we go out and and we find a new species

3119

02:51:28,770 --> 02:51:26,950

or whatever you know it's bagged and

3120

02:51:31,560 --> 02:51:28,780

tagged and grab it and come back and

3121

02:51:33,540 --> 02:51:31,570

research and do the analysis on it well

3122

02:51:36,631 --> 02:51:33,550

if et was here on this planet they would

3123

02:51:37,770 --> 02:51:36,641

do this very same thing absolutely do

3124

02:51:40,801 --> 02:51:37,780

the very same thing

3125

02:51:43,980 --> 02:51:40,811

so the the et side of it I'm okay with

3126  
02:51:46,280 --> 02:51:43,990  
I'm completely okay and I wouldn't I

3127  
02:51:49,440 --> 02:51:46,290  
wouldn't doubt that that was actually

3128  
02:51:51,631 --> 02:51:49,450  
the reason and that is why the

3129  
02:51:53,761 --> 02:51:51,641  
government hasn't come forward stating

3130  
02:51:55,650 --> 02:51:53,771  
otherwise I always found that

3131  
02:51:56,850 --> 02:51:55,660  
interesting let's go to the phones hi

3132  
02:52:01,650 --> 02:51:56,860  
you're live on fade to black who's

3133  
02:52:05,640 --> 02:52:01,660  
calling oh yeah by the way this is that

3134  
02:52:08,131 --> 02:52:05,650  
so I film and yeah well there was one

3135  
02:52:11,900 --> 02:52:08,141  
thing that you got triggered me on and I

3136  
02:52:15,600 --> 02:52:11,910  
guess I'll bring it up is the

3137  
02:52:18,600 --> 02:52:15,610  
Neanderthal thing and a homo sapien

3138  
02:52:21,690 --> 02:52:18,610

uh-huh and yeah we would cook her coke

3139

02:52:25,710 --> 02:52:21,700

the current with the end so we bread

3140

02:52:28,770 --> 02:52:25,720

with him world I mean we were here be at

3141

02:52:33,480 --> 02:52:28,780

the same time day worker what I'm trying

3142

02:52:37,020 --> 02:52:33,490

to say well okay I don't get this link

3143

02:52:41,501 --> 02:52:37,030

she's taking this is old-school science

3144

02:52:46,810 --> 02:52:41,511

here that she's fighting yes yes and

3145

02:52:52,091 --> 02:52:46,820

and her I don't necessarily well I think

3146

02:52:54,520 --> 02:52:52,101

we kind of are how do I say this our

3147

02:52:57,520 --> 02:52:54,530

theories are a hypothesis sort of

3148

02:53:01,240 --> 02:52:57,530

overlap there but and I know that there

3149

02:53:04,091 --> 02:53:01,250

has been some recent DNA evidence that

3150

02:53:10,690 --> 02:53:04,101

has come forward that shows the

3151  
02:53:13,591 --> 02:53:10,700  
possibility that we did breed although

3152  
02:53:18,640 --> 02:53:13,601  
very briefly with cro-magnon and

3153  
02:53:20,201 --> 02:53:18,650  
Neanderthal but that evidence is is new

3154  
02:53:22,600 --> 02:53:20,211  
and it isn't a hundred percent

3155  
02:53:25,871 --> 02:53:22,610  
conclusive yet so there's that part of

3156  
02:53:28,690 --> 02:53:25,881  
it but the other thing that she brought

3157  
02:53:32,381 --> 02:53:28,700  
up which to me is mind-blowing and we

3158  
02:53:35,230 --> 02:53:32,391  
need to understand this we're talking

3159  
02:53:37,451 --> 02:53:35,240  
about just thirty five thousand years

3160  
02:53:38,951 --> 02:53:37,461  
ago thirty five thousand years ago

3161  
02:53:44,801 --> 02:53:38,961  
Neanderthal was walking around

3162  
02:53:47,770 --> 02:53:44,811  
cro-magnon and that's the last thing the

3163  
02:53:51,810 --> 02:53:47,780

last example that we have of them is

3164

02:53:57,520 --> 02:53:51,820

about that yeah about that time and we

3165

02:54:03,520 --> 02:53:57,530

us you and I this latest iteration of

3166

02:54:06,400 --> 02:54:03,530

Homo sapiens appeared around 150 to 175

3167

02:54:08,051 --> 02:54:06,410

thousand years ago you can maybe push it

3168

02:54:12,100 --> 02:54:08,061

back to about two hundred thousand years

3169

02:54:15,280 --> 02:54:12,110

ago but the mitochondria is not discrete

3170

02:54:18,400 --> 02:54:15,290

I wasn't you well okay that that

3171

02:54:22,661 --> 02:54:18,410

surfaced recently here in in in San

3172

02:54:25,180 --> 02:54:22,671

Diego but that that that is only one

3173

02:54:27,730 --> 02:54:25,190

example of that so it's not nonetheless

3174

02:54:32,350 --> 02:54:27,740

I don't care if it's three hundred

3175

02:54:34,961 --> 02:54:32,360

thousand years ago we still appeared we

3176  
02:54:38,801 --> 02:54:34,971  
need I need to make that clear but we

3177  
02:54:43,871 --> 02:54:38,811  
just appeared with our foreheads our

3178  
02:54:47,951 --> 02:54:43,881  
skin our hair our speech our physique

3179  
02:54:51,251 --> 02:54:47,961  
our noses our genes everything that is

3180  
02:54:53,140 --> 02:54:51,261  
about us now there was no evolutionary

3181  
02:54:54,349 --> 02:54:53,150  
process that would take millions of

3182  
02:54:58,550 --> 02:54:54,359  
years there is

3183  
02:55:02,330 --> 02:54:58,560  
no evidence right there is no missing

3184  
02:55:05,630 --> 02:55:02,340  
link and so that is that's the one thing

3185  
02:55:09,580 --> 02:55:05,640  
that I will continue until that evidence

3186  
02:55:13,309 --> 02:55:09,590  
appears and it is clearly not out there

3187  
02:55:17,269 --> 02:55:13,319  
so we just appeared here and I think

3188  
02:55:20,689 --> 02:55:17,279

that our DNA was altered you know either

3189

02:55:24,649 --> 02:55:20,699

either we can't say that I can't naysay

3190

02:55:27,439 --> 02:55:24,659

that all right there's there's there is

3191

02:55:30,619 --> 02:55:27,449

no solid explanation for any of it

3192

02:55:34,029 --> 02:55:30,629

unless we just were planted here like

3193

02:55:39,019 --> 02:55:34,039

the octopus right and we just arrived

3194

02:55:42,889 --> 02:55:39,029

but I don't it's a mind-blowing part of

3195

02:55:46,449 --> 02:55:42,899

our history that we us as we are right

3196

02:55:49,790 --> 02:55:46,459

now we just appeared in the big

3197

02:55:52,069 --> 02:55:49,800

evolutionary span of things of four and

3198

02:55:55,729 --> 02:55:52,079

a half billion years on this planet the

3199

02:55:57,830 --> 02:55:55,739

last little tick of time this last

3200

02:56:00,590 --> 02:55:57,840

hundred thousand years or so we just

3201

02:56:03,469 --> 02:56:00,600

appeared and it's just a blip on the

3202

02:56:06,619 --> 02:56:03,479

radar and I haven't heard any

3203

02:56:09,139 --> 02:56:06,629

satisfactory explanations for that you

3204

02:56:11,809 --> 02:56:09,149

know you go and you look at Neanderthal

3205

02:56:15,619 --> 02:56:11,819

or you look at cro-magnon you take a

3206

02:56:17,719 --> 02:56:15,629

close look that ain't us and if a

3207

02:56:19,790 --> 02:56:17,729

cro-magnon walked in the room right now

3208

02:56:25,269 --> 02:56:19,800

with you Phil and you look you would

3209

02:56:29,210 --> 02:56:25,279

scream you would freak I look like oh

3210

02:56:32,090 --> 02:56:29,220

you don't you know just imagine just

3211

02:56:35,090 --> 02:56:32,100

imagine this though this is and go look

3212

02:56:38,630 --> 02:56:35,100

at any skeletal remains look at any

3213

02:56:41,000 --> 02:56:38,640

fossils the top of your eyebrow touch it

3214

02:56:44,029 --> 02:56:41,010

right with your finger that is the top

3215

02:56:48,920 --> 02:56:44,039

of his head or her head it goes straight

3216

02:56:54,920 --> 02:56:48,930

back straight back foreheads that we

3217

02:56:57,439 --> 02:56:54,930

have now are just us Cree you know you

3218

02:56:59,989 --> 02:56:57,449

look at Lucy or you look at any other

3219

02:57:02,359 --> 02:56:59,999

examples and you look at look at that

3220

02:57:06,349 --> 02:57:02,369

and just imagine that walking around

3221

02:57:07,230 --> 02:57:06,359

today know that we're not related I

3222

02:57:09,921 --> 02:57:07,240

weren't

3223

02:57:12,780 --> 02:57:09,931

not just because it walks upright

3224

02:57:15,270 --> 02:57:12,790

doesn't mean that we are related it's

3225

02:57:15,900 --> 02:57:15,280

two different things so that that's my

3226

02:57:19,110 --> 02:57:15,910

opinion

3227

02:57:21,270 --> 02:57:19,120

and until look every time I speak about

3228

02:57:23,310 --> 02:57:21,280

this I get the email church you don't

3229

02:57:24,150 --> 02:57:23,320

know what you're talking about well okay

3230

02:57:27,810 --> 02:57:24,160

fine

3231

02:57:31,530 --> 02:57:27,820

show me the missing link

3232

02:57:34,350 --> 02:57:31,540

show me the evolutionary process show me

3233

02:57:36,900 --> 02:57:34,360

what came before us and then we're good

3234

02:57:41,920 --> 02:57:36,910

we're good I'll I'll change my view I

3235

02:57:47,370 --> 02:57:44,150

[Music]

3236

02:57:49,320 --> 02:57:47,380

it's not well not yet at least

3237

02:57:51,540 --> 02:57:49,330

till thank you so much my friend and

3238

02:57:53,820 --> 02:57:51,550

we'll see you tomorrow night all right

3239

02:57:56,220 --> 02:57:53,830

take care of it Thank You YouTube Phil

3240

02:57:58,980 --> 02:57:56,230

thank you so much and with that I gotta

3241

02:58:01,290 --> 02:57:58,990

get out of here I gotta thank Linda

3242

02:58:02,970 --> 02:58:01,300

Moulton Howe just just a great

3243

02:58:05,040 --> 02:58:02,980

conversation tonight it's always great

3244

02:58:07,470 --> 02:58:05,050

when she's on it was it was just too

3245

02:58:10,381 --> 02:58:07,480

long wasn't it alright betablox

3246

02:58:12,301 --> 02:58:10,391

executive producers Rita Kumari on shows

3247

02:58:15,150 --> 02:58:12,311

produced by Hill J Palmer Nate Dennison

3248

02:58:18,600 --> 02:58:15,160

Bob announcer so Steve Carter Jean Vito

3249

02:58:22,280 --> 02:58:18,610

and Marc D Cove our webmaster drew the

3250

02:58:25,740 --> 02:58:22,290

geek music doug aldrich intro space boy

3251

02:58:29,400 --> 02:58:25,750

space boy music calm fade to black is

3252

written permission from fade to black of

3259

02:58:49,370 --> 02:58:46,300

the game changer network i'm your host

3260

02:58:52,410 --> 02:58:49,380

jimmy church tomorrow night George Noory

3261

02:58:55,080 --> 02:58:52,420

Victoria Guevara in right here bunch of

3262

02:58:57,630 --> 02:58:55,090

special guests back to back we'll see

3263

02:59:02,250 --> 02:58:57,640

you tomorrow night until then

3264

02:59:20,130 --> 02:59:02,260

everybody be safe go back Lee tapping
